thanks for your consideration

22

00:02:09,589 --> 00:02:05,360

so

23

00:02:14,630 --> 00:02:11,190

this first one

24

00:02:16,710 --> 00:02:14,640

is about a group of friends

25

00:02:18,949 --> 00:02:16,720

that are driving at night in la porte

26

00:02:21,589 --> 00:02:18,959

county indiana in the woods and just

27

00:02:23,589 --> 00:02:21,599

over the border from michigan

28

00:02:25,270 --> 00:02:23,599

they encountered a what they said was a

29

00:02:27,510 --> 00:02:25,280

small

30

00:02:30,309 --> 00:02:27,520

troll that was covered in blood that was

31

00:02:32,630 --> 00:02:30,319

feeding on a deer carcass

32

00:02:35,589 --> 00:02:32,640

so the witness states that this occurred

33

00:02:38,790 --> 00:02:35,599

around the time i graduated or sometimes

34

00:02:42,070 --> 00:02:38,800

shortly after in 1995

35

00:02:45,110 --> 00:02:42,080

my family lived in michigan at the time

36

00:02:47,430 --> 00:02:45,120

fairly close to the indiana border

37

00:02:49,910 --> 00:02:47,440

some friends that i played dudgeons and

38

00:02:52,470 --> 00:02:49,920

dragons with got all into ghost hunting

39

00:02:54,949 --> 00:02:52,480

and we'd often travel down around the

40

00:02:57,110 --> 00:02:54,959

indiana side in port county

41

00:02:59,110 --> 00:02:57,120

which was around 45 minutes away i

42

00:03:02,149 --> 00:02:59,120

believe

43

00:03:05,030 --> 00:03:02,159

and now on this particular night we had

44

00:03:07,030 --> 00:03:05,040

picked up the girl i was dating

45

00:03:08,949 --> 00:03:07,040

her and i were sitting in the back seat

46

00:03:11,110 --> 00:03:08,959

while my two buddies were in the front

47

00:03:13,750 --> 00:03:11,120

seat we're on a somewhat secluded

48

00:03:16,309 --> 00:03:13,760

two-lane road with thick woods

49

00:03:18,309 --> 00:03:16,319

on the right side of us

50

00:03:20,710 --> 00:03:18,319

i'm not trying to be vague at this point

51  
00:03:23,190 --> 00:03:20,720  
i really don't remember much about the

52  
00:03:25,750 --> 00:03:23,200  
area or exactly where we were

53  
00:03:27,990 --> 00:03:25,760  
and john says don't trust what you see

54  
00:03:30,630 --> 00:03:28,000  
around here i hear your eyes play trick

55  
00:03:32,949 --> 00:03:30,640  
to you in this area

56  
00:03:35,110 --> 00:03:32,959  
almost on cue we started seeing what

57  
00:03:37,589 --> 00:03:35,120  
basically looks like black fog or

58  
00:03:40,229 --> 00:03:37,599  
shadows darting and swimming

59  
00:03:41,509 --> 00:03:40,239  
across the road in the lights of the

60  
00:03:45,430 --> 00:03:41,519  
headlights

61  
00:03:47,910 --> 00:03:45,440  
we remain calm and keep going eventually

62  
00:03:50,229 --> 00:03:47,920  
the road tees off to the right into the

63  
00:03:51,830 --> 00:03:50,239

woods and we take turn now about a

64

00:03:53,830 --> 00:03:51,840

quarter inch about a quarter mile the

65

00:03:55,589 --> 00:03:53,840

road either goes straight on to grab

66

00:03:58,149 --> 00:03:55,599

ortiz to the left

67

00:04:00,470 --> 00:03:58,159

so we take the left

68

00:04:02,550 --> 00:04:00,480

at this point we're driving slow maybe

69

00:04:04,710 --> 00:04:02,560

five hours an hour and both the

70

00:04:07,030 --> 00:04:04,720

girlfriend are looking out the passenger

71

00:04:08,710 --> 00:04:07,040

side window i was on the passenger side

72

00:04:12,390 --> 00:04:08,720

if that matters

73

00:04:15,910 --> 00:04:12,400

and about 15 feet into the woods

74

00:04:18,310 --> 00:04:15,920

i see what looks like a small old troll

75

00:04:22,150 --> 00:04:18,320

punched over eating something bloody and

76

00:04:24,550 --> 00:04:22,160

messy with its backs to us

77

00:04:27,909 --> 00:04:24,560

now my mind immediately went to folklore

78

00:04:29,990 --> 00:04:27,919

and i think red cap as soon as i see it

79

00:04:32,550 --> 00:04:30,000

even though it wasn't wearing a thing i

80

00:04:34,710 --> 00:04:32,560

slowly turned to my girlfriend because

81

00:04:35,670 --> 00:04:34,720

it's a bit much to see

82

00:04:39,189 --> 00:04:35,680

and

83

00:04:40,870 --> 00:04:39,199

her eyes were taking

84

00:04:43,909 --> 00:04:40,880

up her whole face

85

00:04:45,749 --> 00:04:43,919

she already had started tearing up and

86

00:04:49,430 --> 00:04:45,759

they started screaming down her face

87

00:04:51,189 --> 00:04:49,440

when she looks at me she's petrified

88

00:04:53,430 --> 00:04:51,199

we both tell my friends in the front

89

00:04:54,629 --> 00:04:53,440

that we need to go there's something in

90

00:04:57,030 --> 00:04:54,639

the woods

91

00:05:00,150 --> 00:04:57,040

she's basically crying i'm freaking out

92

00:05:02,629 --> 00:05:00,160

too the two in the front didn't see it

93

00:05:04,870 --> 00:05:02,639

and they're frank to know what we saw

94

00:05:07,670 --> 00:05:04,880

and want to drive by again which two of

95

00:05:10,390 --> 00:05:07,680

us want nothing to do with

96

00:05:13,029 --> 00:05:10,400

so about a hundred yards later the road

97

00:05:15,029 --> 00:05:13,039

turns to the right onto the gravel and

98

00:05:18,629 --> 00:05:15,039

the driver decides we're going to turn

99

00:05:21,430 --> 00:05:18,639

around here and go back the way we came

100

00:05:24,230 --> 00:05:21,440

uh we get turned around and as we start

101  
00:05:25,990 --> 00:05:24,240  
off the gravel the car dies not a clutch

102  
00:05:28,629 --> 00:05:26,000  
issue it was an automatic and pretty

103  
00:05:30,550 --> 00:05:28,639  
unexplainable engine quit

104  
00:05:31,590 --> 00:05:30,560  
and the girlfriend flat out starts

105  
00:05:33,990 --> 00:05:31,600  
screaming

106  
00:05:35,749 --> 00:05:34,000  
and the driver says to relax tries to

107  
00:05:39,430 --> 00:05:35,759  
turn the engine over and thankfully it

108  
00:05:41,990 --> 00:05:39,440  
starts however the moment the car turns

109  
00:05:44,230 --> 00:05:42,000  
over the headlights immediately turn on

110  
00:05:46,790 --> 00:05:44,240  
mind you it's pitch black out there are

111  
00:05:47,990 --> 00:05:46,800  
no street lights it's a heavily wooded

112  
00:05:50,390 --> 00:05:48,000  
area and

113  
00:05:52,629 --> 00:05:50,400

we had hadn't seen another car and who

114

00:05:54,310 --> 00:05:52,639

knows how long never mind the fact that

115

00:05:56,469 --> 00:05:54,320

our car and headlights were just facing

116

00:06:00,309 --> 00:05:56,479

where this car appeared

117

00:06:05,990 --> 00:06:03,430

so at this point

118

00:06:08,790 --> 00:06:06,000

everybody decides okay we're obviously

119

00:06:11,590 --> 00:06:08,800

somewhere we shouldn't be we're out

120

00:06:13,990 --> 00:06:11,600

so we end up driving back by the area we

121

00:06:16,629 --> 00:06:14,000

saw the small troll and there's nothing

122

00:06:18,629 --> 00:06:16,639

there now no little turtle no deer i

123

00:06:20,550 --> 00:06:18,639

believe it was a deer it was eating when

124

00:06:23,029 --> 00:06:20,560

i first saw it

125

00:06:25,029 --> 00:06:23,039

we get to the area that branched off to

126

00:06:27,350 --> 00:06:25,039

the gravel road and we first went into

127

00:06:29,110 --> 00:06:27,360

the area as we approach this road

128

00:06:31,189 --> 00:06:29,120

a set of headlights turns on from the

129

00:06:32,390 --> 00:06:31,199

gravel road as well followed by other

130

00:06:34,390 --> 00:06:32,400

headlights

131

00:06:36,629 --> 00:06:34,400

so in this car there's the four of us

132

00:06:39,110 --> 00:06:36,639

freaking out believing we stumbled into

133

00:06:40,150 --> 00:06:39,120

some weird occult stuff we didn't mean

134

00:06:40,950 --> 00:06:40,160

to

135

00:06:43,670 --> 00:06:40,960

and

136

00:06:45,510 --> 00:06:43,680

all we want to do is go back home now

137

00:06:48,070 --> 00:06:45,520

we drive back out to the main two lane

138

00:06:48,950 --> 00:06:48,080

highway or at the two main lane two lane

139

00:06:51,029 --> 00:06:48,960

road

140

00:06:53,029 --> 00:06:51,039

that took us this way and

141

00:06:54,629 --> 00:06:53,039

the other cars go on their own separate

142

00:06:56,469 --> 00:06:54,639

way uneventfully

143

00:06:58,390 --> 00:06:56,479

now it's been over 20 years and i still

144

00:07:00,550 --> 00:06:58,400

get chills thinking about this the

145

00:07:02,629 --> 00:07:00,560

little gnarly troll

146

00:07:05,110 --> 00:07:02,639

bunched over eating the deer

147

00:07:06,950 --> 00:07:05,120

as just as vivid ever was

148

00:07:09,589 --> 00:07:06,960

a lot of weird things happened when i

149

00:07:11,589 --> 00:07:09,599

lived in bridgman michigan area this was

150

00:07:13,909 --> 00:07:11,599

the most extreme but i had about 20

151  
00:07:17,589 --> 00:07:13,919  
years unexplained experiences

152  
00:07:20,070 --> 00:07:17,599  
crammed into the two years i lived there

153  
00:07:23,110 --> 00:07:20,080  
to describe the red cap further from

154  
00:07:25,270 --> 00:07:23,120  
what i remember it was naked i believe

155  
00:07:27,510 --> 00:07:25,280  
it would have been maybe

156  
00:07:30,390 --> 00:07:27,520  
two three and a half foot tall if it

157  
00:07:32,469 --> 00:07:30,400  
stood upward and very stalking

158  
00:07:34,950 --> 00:07:32,479  
it was squatting down low

159  
00:07:37,430 --> 00:07:34,960  
its butt almost to the ground while it

160  
00:07:40,390 --> 00:07:37,440  
ate and almost some and also somewhat

161  
00:07:41,350 --> 00:07:40,400  
hairy as inherit on his shoulders and

162  
00:07:43,110 --> 00:07:41,360  
back

163  
00:07:44,710 --> 00:07:43,120

there was blood all over its hands and

164

00:07:46,869 --> 00:07:44,720

forearms

165

00:07:48,070 --> 00:07:46,879

it was holding what looked like the leg

166

00:07:49,510 --> 00:07:48,080

of the deer

167

00:07:52,869 --> 00:07:49,520

there was a mess

168

00:07:55,350 --> 00:07:52,879

of the rest of it at its feet

169

00:07:57,830 --> 00:07:55,360

i had about a three-quarter view of it

170

00:07:59,909 --> 00:07:57,840

mostly its back it didn't i didn't get a

171

00:08:01,830 --> 00:07:59,919

good view of its face though

172

00:08:04,469 --> 00:08:01,840

it kind of glanced over his shoulder at

173

00:08:07,270 --> 00:08:04,479

us nonchalantly as we drove by

174

00:08:09,909 --> 00:08:07,280

i just remember it looked old menacing

175

00:08:14,309 --> 00:08:09,919

like the furious little 70 year old man

176

00:08:16,390 --> 00:08:14,319

so unnerving to say the least

177

00:08:17,670 --> 00:08:16,400

so uh you know that's when i don't get

178

00:08:19,110 --> 00:08:17,680

too often

179

00:08:21,589 --> 00:08:19,120

little trolls especially out in the

180

00:08:23,510 --> 00:08:21,599

middle of the woods eating on something

181

00:08:26,309 --> 00:08:23,520

so

182

00:08:29,110 --> 00:08:26,319

now if you folks have questions

183

00:08:31,270 --> 00:08:29,120

just go ahead and um

184

00:08:33,430 --> 00:08:31,280

now james asked did the creature have

185

00:08:36,070 --> 00:08:33,440

hair all over even at the light

186

00:08:38,310 --> 00:08:36,080

even if light or in the thick patches

187

00:08:39,589 --> 00:08:38,320

i it probably did i mean from what i can

188

00:08:41,670 --> 00:08:39,599

understand it

189

00:08:44,630 --> 00:08:41,680

definitely the heroines back and arms

190

00:08:46,790 --> 00:08:44,640

from what they could see so uh

191

00:08:48,470 --> 00:08:46,800

yeah you know of course it was naked so

192

00:08:49,829 --> 00:08:48,480

i don't know

193

00:08:52,230 --> 00:08:49,839

other than that that's all that was

194

00:08:53,509 --> 00:08:52,240

described and didn't describe the feet

195

00:08:55,269 --> 00:08:53,519

at all i don't think they got a good

196

00:09:03,990 --> 00:08:55,279

look at that

197

00:09:09,990 --> 00:09:06,070

okay

198

00:09:12,310 --> 00:09:10,000

cap

199

00:09:14,710 --> 00:09:12,320

is basically i think a lot of people

200

00:09:16,710 --> 00:09:14,720

call gnomes red caps

201  
00:09:18,470 --> 00:09:16,720  
uh you know you see

202  
00:09:19,750 --> 00:09:18,480  
the so-called gnomes they always got a

203  
00:09:22,710 --> 00:09:19,760  
red cap

204  
00:09:24,870 --> 00:09:22,720  
maybe that's what he thought it was a

205  
00:09:26,870 --> 00:09:24,880  
gnome or something like that picture

206  
00:09:28,870 --> 00:09:26,880  
right there so i don't know

207  
00:09:31,509 --> 00:09:28,880  
you know i that that's what he had in

208  
00:09:34,710 --> 00:09:31,519  
the account so that's what i that's what

209  
00:09:39,750 --> 00:09:37,829  
okay well we'll get back to that uh

210  
00:09:42,470 --> 00:09:39,760  
the witnesses now this next one the

211  
00:09:45,190 --> 00:09:42,480  
witness in southeast ontario

212  
00:09:47,350 --> 00:09:45,200  
had fallen from a tree and landed on his

213  
00:09:50,150 --> 00:09:47,360

back after waking

214

00:09:52,630 --> 00:09:50,160

from unconsciousness he notices a

215

00:09:56,310 --> 00:09:52,640

juvenile bigfoot watching him

216

00:09:58,150 --> 00:09:56,320

then a much larger bigfoot appears

217

00:10:00,870 --> 00:09:58,160

the witness and he asked that his name

218

00:10:02,150 --> 00:10:00,880

not be mentioned then 15 was camping

219

00:10:04,350 --> 00:10:02,160

with his uncle

220

00:10:08,470 --> 00:10:04,360

in a wooded area in june

221

00:10:10,949 --> 00:10:08,480

2014 in southeast ontario

222

00:10:12,550 --> 00:10:10,959

they arrived on a saturday and joined

223

00:10:13,829 --> 00:10:12,560

themselves though it was fairly

224

00:10:15,590 --> 00:10:13,839

uneventful

225

00:10:17,509 --> 00:10:15,600

now on the third day the witness hiked

226  
00:10:19,269 --> 00:10:17,519  
out of the camp on his own to decide to

227  
00:10:22,949 --> 00:10:19,279  
climb a tree in order to take pictures

228  
00:10:24,790 --> 00:10:22,959  
of the nearby creek with his camera

229  
00:10:27,110 --> 00:10:24,800  
when he was about ten foot up the tree

230  
00:10:29,430 --> 00:10:27,120  
he accidentally slipped and fell the

231  
00:10:30,630 --> 00:10:29,440  
witness passed out when they when it

232  
00:10:32,470 --> 00:10:30,640  
came to

233  
00:10:35,910 --> 00:10:32,480  
the witness figured that he had been out

234  
00:10:38,550 --> 00:10:35,920  
for about an hour to 90 minutes

235  
00:10:40,630 --> 00:10:38,560  
now he says what struck me was strange

236  
00:10:43,190 --> 00:10:40,640  
once i gained my senses

237  
00:10:45,509 --> 00:10:43,200  
i woke on my side

238  
00:10:47,190 --> 00:10:45,519

and to my knowledge i had passed out on

239

00:10:49,990 --> 00:10:47,200

my back

240

00:10:52,230 --> 00:10:50,000

i set up slowly and tried to take my in

241

00:10:54,710 --> 00:10:52,240

my surroundings then it hit me

242

00:10:57,030 --> 00:10:54,720

the most most disgusting odor i've ever

243

00:11:00,630 --> 00:10:57,040

experienced it was a mix of wet dog and

244

00:11:03,670 --> 00:11:00,640

be crude and fecal matter and vomit

245

00:11:05,750 --> 00:11:03,680

the heat didn't help the matter either i

246

00:11:07,509 --> 00:11:05,760

thought that it may have been a rotting

247

00:11:08,389 --> 00:11:07,519

carcass of a woodland

248

00:11:11,350 --> 00:11:08,399

animal

249

00:11:12,790 --> 00:11:11,360

but my theory was thwarted when i saw it

250

00:11:15,190 --> 00:11:12,800

in the shrub

251  
00:11:16,790 --> 00:11:15,200  
now roughly 15 foot away from me was a

252  
00:11:19,190 --> 00:11:16,800  
tanned face

253  
00:11:21,910 --> 00:11:19,200  
that had orange eyes which set in

254  
00:11:25,030 --> 00:11:21,920  
concave eye sockets

255  
00:11:27,509 --> 00:11:25,040  
i can make out that it had a lot of fur

256  
00:11:28,710 --> 00:11:27,519  
but it contrasted greatly from its skin

257  
00:11:30,470 --> 00:11:28,720  
color

258  
00:11:32,710 --> 00:11:30,480  
i assumed that it was a bra that was

259  
00:11:34,710 --> 00:11:32,720  
brown in color the face was around five

260  
00:11:36,630 --> 00:11:34,720  
foot above the ground

261  
00:11:39,269 --> 00:11:36,640  
my first instinct wasn't to think

262  
00:11:40,829 --> 00:11:39,279  
bigfoot or anything of that nature

263  
00:11:43,990 --> 00:11:40,839

but it was either five foot tall or

264

00:11:46,630 --> 00:11:44,000

crouching i have no idea how long it had

265

00:11:49,190 --> 00:11:46,640

been there but it was watching me

266

00:11:50,550 --> 00:11:49,200

it didn't once move in fact it barely

267

00:11:53,030 --> 00:11:50,560

blinked

268

00:11:55,590 --> 00:11:53,040

it sat in silence peering out of the

269

00:11:57,910 --> 00:11:55,600

bushes as at me as i stirred out of

270

00:12:00,550 --> 00:11:57,920

unconsciousness

271

00:12:02,870 --> 00:12:00,560

i'd be a liar to say i wasn't scared i

272

00:12:05,190 --> 00:12:02,880

was more confused actually

273

00:12:07,430 --> 00:12:05,200

now never once did i feel that i was in

274

00:12:09,350 --> 00:12:07,440

any immediate danger

275

00:12:13,110 --> 00:12:09,360

what happened next shook me to my core

276

00:12:15,269 --> 00:12:13,120

and i can cough and confidently say

277

00:12:17,269 --> 00:12:15,279

kind of messed me up

278

00:12:20,310 --> 00:12:17,279

uh the four ladies behind this creatures

279

00:12:22,310 --> 00:12:20,320

rustled slightly into my sheer horror

280

00:12:24,710 --> 00:12:22,320

emerged another one of these creatures

281

00:12:25,990 --> 00:12:24,720

it was easily ten foot tall covered in

282

00:12:27,829 --> 00:12:26,000

auburn hair

283

00:12:30,230 --> 00:12:27,839

mattered around the shoulders which were

284

00:12:32,389 --> 00:12:30,240

wider than my arms would be if they were

285

00:12:35,269 --> 00:12:32,399

extended outwards

286

00:12:37,509 --> 00:12:35,279

measuring from fingertip to fingertip it

287

00:12:38,870 --> 00:12:37,519

shared a similar facial structure to the

288

00:12:42,069 --> 00:12:38,880

smaller one

289

00:12:45,030 --> 00:12:42,079

but his skin was more of a brown color

290

00:12:46,629 --> 00:12:45,040

it stopped beside what i now assume was

291

00:12:48,710 --> 00:12:46,639

its offspring

292

00:12:50,629 --> 00:12:48,720

the little one continued to stare at me

293

00:12:52,470 --> 00:12:50,639

intently while the larger creature i'm

294

00:12:54,550 --> 00:12:52,480

assuming its mother

295

00:12:57,190 --> 00:12:54,560

simply brushed his shoulder with a soft

296

00:12:59,030 --> 00:12:57,200

hand to grab its attention

297

00:13:01,509 --> 00:12:59,040

now the larger one never looked at me

298

00:13:04,870 --> 00:13:01,519

the two creatures turned their backs

299

00:13:06,629 --> 00:13:04,880

and simply walked into the woods

300

00:13:08,470 --> 00:13:06,639

i assume that the mother was simply

301  
00:13:10,389 --> 00:13:08,480  
telling the younger one it was time to

302  
00:13:12,069 --> 00:13:10,399  
you know just just leave me alone and

303  
00:13:14,230 --> 00:13:12,079  
give me space

304  
00:13:16,150 --> 00:13:14,240  
it does make me wonder though did they

305  
00:13:18,310 --> 00:13:16,160  
find me laying there unconscious and

306  
00:13:21,350 --> 00:13:18,320  
then put me on my side

307  
00:13:24,389 --> 00:13:21,360  
was the reason that i would wouldn't

308  
00:13:26,710 --> 00:13:24,399  
choke my tongue or have a seizure

309  
00:13:28,470 --> 00:13:26,720  
so uh that came from actually that came

310  
00:13:30,870 --> 00:13:28,480  
from um

311  
00:13:33,269 --> 00:13:30,880  
steve over how to hunt dot com

312  
00:13:35,910 --> 00:13:33,279  
when it was trans we transcribed it from

313  
00:13:37,269 --> 00:13:35,920

his video pretty interesting account

314

00:13:39,189 --> 00:13:37,279

and he does get some interesting

315

00:13:41,030 --> 00:13:39,199

accounts you ought to go to go there and

316

00:13:41,990 --> 00:13:41,040

the facts of how to hunt dot com it's a

317

00:13:53,269 --> 00:13:42,000

very

318

00:13:53,279 --> 00:14:01,189

oh brad thank you for the donation

319

00:14:05,670 --> 00:14:03,509

okay

320

00:14:07,829 --> 00:14:05,680

now this next one the witness and his

321

00:14:10,230 --> 00:14:07,839

father are deer hunting in hells canyon

322

00:14:12,790 --> 00:14:10,240

in northern idaho

323

00:14:15,350 --> 00:14:12,800

they eventually observe a bizarre night

324

00:14:18,710 --> 00:14:15,360

deer with front legs that resemble those

325

00:14:21,110 --> 00:14:18,720

of a muscular human man

326

00:14:24,310 --> 00:14:21,120

now i got this account from cam and cal

327

00:14:26,790 --> 00:14:24,320

over to expanded perspectives

328

00:14:29,030 --> 00:14:26,800

uh they uh they have their own radio

329

00:14:31,750 --> 00:14:29,040

show and they um they send me reports

330

00:14:33,750 --> 00:14:31,760

occasionally that come their way

331

00:14:35,269 --> 00:14:33,760

um

332

00:14:37,030 --> 00:14:35,279

the witness states i've been listening

333

00:14:39,030 --> 00:14:37,040

to a bunch of the older shows and heard

334

00:14:39,910 --> 00:14:39,040

you guys talk about what you call a not

335

00:14:41,590 --> 00:14:39,920

deer

336

00:14:43,670 --> 00:14:41,600

and was amazed that someone else had

337

00:14:46,310 --> 00:14:43,680

seen something like that i had to write

338

00:14:49,030 --> 00:14:46,320

in and tell you my sighting

339

00:14:50,949 --> 00:14:49,040

i was about 15 years old and i was going

340

00:14:53,189 --> 00:14:50,959

rifle hunting with my dad in the hell's

341

00:14:55,350 --> 00:14:53,199

canyon area in northern idaho not far

342

00:14:57,350 --> 00:14:55,360

from where we lived

343

00:14:59,269 --> 00:14:57,360

i had been bow hunting with my dad for

344

00:15:01,189 --> 00:14:59,279

about five years at that point he

345

00:15:03,030 --> 00:15:01,199

decided it was now old enough to use a

346

00:15:05,189 --> 00:15:03,040

gun

347

00:15:07,590 --> 00:15:05,199

uh we went out to my dad's tree stand

348

00:15:10,310 --> 00:15:07,600

early one morning we had been there for

349

00:15:13,509 --> 00:15:10,320

a few hours and had not really heard or

350

00:15:16,069 --> 00:15:13,519

seen anything then about 50 yards away

351  
00:15:17,269 --> 00:15:16,079  
we saw a buck peek its head out into the

352  
00:15:19,110 --> 00:15:17,279  
clearing

353  
00:15:21,509 --> 00:15:19,120  
it was a beautiful eight point i raised

354  
00:15:23,269 --> 00:15:21,519  
my rifle and waited for it to step more

355  
00:15:25,350 --> 00:15:23,279  
into the clearing

356  
00:15:28,550 --> 00:15:25,360  
looking at it through my scope i noticed

357  
00:15:30,870 --> 00:15:28,560  
something off about the way it moved

358  
00:15:33,670 --> 00:15:30,880  
now as it came more into

359  
00:15:35,430 --> 00:15:33,680  
the open i noticed the fur looked weird

360  
00:15:37,590 --> 00:15:35,440  
by the front shoulder

361  
00:15:39,590 --> 00:15:37,600  
i told my dad maybe we shouldn't shoot

362  
00:15:40,790 --> 00:15:39,600  
this one as it may be diseased or

363  
00:15:42,949 --> 00:15:40,800

something

364

00:15:45,990 --> 00:15:42,959

my dad pulled up his binoculars and took

365

00:15:48,710 --> 00:15:46,000

a look under his breath he said

366

00:15:50,949 --> 00:15:48,720

wtf

367

00:15:52,629 --> 00:15:50,959

now my dad outside of watching sports

368

00:15:54,710 --> 00:15:52,639

never causes

369

00:15:56,710 --> 00:15:54,720

so it caught me off guard i raised my

370

00:15:58,629 --> 00:15:56,720

gun to look at it again the deer was

371

00:16:01,269 --> 00:15:58,639

fully and clear now

372

00:16:03,749 --> 00:16:01,279

so i can see i could get a good look at

373

00:16:04,790 --> 00:16:03,759

the front legs weren't actually legs at

374

00:16:08,790 --> 00:16:04,800

all

375

00:16:11,910 --> 00:16:08,800

they looked like muscular human arms

376

00:16:14,069 --> 00:16:11,920

as if it was a buff guy in the suit

377

00:16:15,430 --> 00:16:14,079

but it didn't have hands it had hooves

378

00:16:17,910 --> 00:16:15,440

on the end

379

00:16:19,749 --> 00:16:17,920

i asked my dad what to do and he said i

380

00:16:21,590 --> 00:16:19,759

have no idea shoot your gun here to

381

00:16:24,150 --> 00:16:21,600

scare it off

382

00:16:26,150 --> 00:16:24,160

uh he didn't want me to shoot it in case

383

00:16:28,710 --> 00:16:26,160

it was a person i asked my dad well why

384

00:16:30,470 --> 00:16:28,720

would a person dress in a deer as a deer

385

00:16:32,710 --> 00:16:30,480

deep in the woods during hunting season

386

00:16:34,629 --> 00:16:32,720

he replied people are stupid so

387

00:16:37,910 --> 00:16:34,639

i assume he was trying to stay calm as

388

00:16:40,790 --> 00:16:37,920

he could and i was about to freak out i

389

00:16:43,269 --> 00:16:40,800

fired my gun and it took off

390

00:16:45,509 --> 00:16:43,279

now uh we got out of her stand and

391

00:16:47,430 --> 00:16:45,519

walked through the area where we saw it

392

00:16:49,590 --> 00:16:47,440

there were no tracks at all

393

00:16:51,430 --> 00:16:49,600

it had just rained a few days earlier so

394

00:16:53,749 --> 00:16:51,440

the ground was fairly soft and we could

395

00:16:56,550 --> 00:16:53,759

have easily seen our footprints

396

00:16:59,350 --> 00:16:56,560

my dad is a pretty good tracker but he

397

00:17:01,749 --> 00:16:59,360

saw no signs of anything in the area

398

00:17:03,670 --> 00:17:01,759

he decided to pack up we decided to pack

399

00:17:05,909 --> 00:17:03,680

up a head back to the truck

400

00:17:07,750 --> 00:17:05,919

we never really talked about it again

401  
00:17:09,829 --> 00:17:07,760  
just brushed it off as a weird thing we

402  
00:17:11,909 --> 00:17:09,839  
saw we continued to hunt the area for

403  
00:17:13,669 --> 00:17:11,919  
several years after that

404  
00:17:16,230 --> 00:17:13,679  
you know these not deer are really some

405  
00:17:18,150 --> 00:17:16,240  
crazy sightings um

406  
00:17:20,069 --> 00:17:18,160  
you know it was this you know since they

407  
00:17:22,150 --> 00:17:20,079  
seen prince was this

408  
00:17:24,230 --> 00:17:22,160  
an actual being or was this some type of

409  
00:17:26,309 --> 00:17:24,240  
apparition or some i don't know

410  
00:17:29,029 --> 00:17:26,319  
but we do we do get these weird

411  
00:17:31,270 --> 00:17:29,039  
sightings every once in a while and um

412  
00:17:33,909 --> 00:17:31,280  
you know and james says

413  
00:17:35,990 --> 00:17:33,919

you know you know it it does it happens

414

00:17:37,909 --> 00:17:36,000

in pennsylvania too we get we get some

415

00:17:38,870 --> 00:17:37,919

pretty bizarre not their studies in this

416

00:17:41,510 --> 00:17:38,880

state

417

00:17:43,350 --> 00:17:41,520

so i think i pretty well had a not there

418

00:17:44,630 --> 00:17:43,360

setting in every state the country

419

00:17:47,350 --> 00:17:44,640

mostly

420

00:17:54,230 --> 00:17:47,360

so uh yeah it's uh it's pretty weird

421

00:17:57,350 --> 00:17:55,830

now uh this other

422

00:17:58,950 --> 00:17:57,360

account

423

00:18:01,430 --> 00:17:58,960

this witnesses a

424

00:18:05,350 --> 00:18:01,440

grandmother recalls her encountering a

425

00:18:07,350 --> 00:18:05,360

counter with a praying mantis humanoid

426  
00:18:09,190 --> 00:18:07,360  
when she was a child in the greenville

427  
00:18:11,510 --> 00:18:09,200  
south carolina trailer park she

428  
00:18:13,510 --> 00:18:11,520  
experienced possibly reproductive

429  
00:18:17,029 --> 00:18:13,520  
intrusion

430  
00:18:22,150 --> 00:18:20,470  
she states hi i'm a 42 year old female

431  
00:18:23,510 --> 00:18:22,160  
married with grown children and five

432  
00:18:25,669 --> 00:18:23,520  
grandchildren

433  
00:18:28,150 --> 00:18:25,679  
first of all since this encounter i've

434  
00:18:30,549 --> 00:18:28,160  
never forgotten it although exactly what

435  
00:18:32,630 --> 00:18:30,559  
happened is a mystery to me

436  
00:18:35,350 --> 00:18:32,640  
i was young and we lived in a trailer

437  
00:18:37,510 --> 00:18:35,360  
park in greenville south carolina in mr

438  
00:18:39,150 --> 00:18:37,520

hickam's trail park

439

00:18:41,510 --> 00:18:39,160

this would have been around the mid

440

00:18:44,310 --> 00:18:41,520

1970s all this information has been

441

00:18:46,630 --> 00:18:44,320

confirmed by my mother

442

00:18:48,950 --> 00:18:46,640

it was a warm sunny day i was playing

443

00:18:51,830 --> 00:18:48,960

outside with my two older brothers i was

444

00:18:54,230 --> 00:18:51,840

the youngest of three it was a day like

445

00:18:57,029 --> 00:18:54,240

all the others we were playing tagger

446

00:18:58,390 --> 00:18:57,039

hide and go seek or you know whatever i

447

00:19:00,630 --> 00:18:58,400

went to hide

448

00:19:03,270 --> 00:19:00,640

i ran around the back of our home and

449

00:19:04,870 --> 00:19:03,280

suddenly i almost ran into a humanoid

450

00:19:06,710 --> 00:19:04,880

praying mantis

451  
00:19:09,270 --> 00:19:06,720  
now at the time i thought it was a giant

452  
00:19:11,270 --> 00:19:09,280  
insect i could not really comprehend

453  
00:19:13,350 --> 00:19:11,280  
what i was seeing

454  
00:19:15,590 --> 00:19:13,360  
i felt like all the breath was taken out

455  
00:19:18,549 --> 00:19:15,600  
of me it was taller than my dad and it

456  
00:19:20,390 --> 00:19:18,559  
was standing next to our propane tank

457  
00:19:22,230 --> 00:19:20,400  
now years later

458  
00:19:25,830 --> 00:19:22,240  
when i thought about it i told myself

459  
00:19:28,070 --> 00:19:25,840  
that maybe there was a gas leak

460  
00:19:30,310 --> 00:19:28,080  
anyway back to the mantis i stood there

461  
00:19:33,110 --> 00:19:30,320  
frozen in broad daylight and the

462  
00:19:35,430 --> 00:19:33,120  
creature was just staring back at me

463  
00:19:37,350 --> 00:19:35,440

and then everything's blank

464

00:19:39,110 --> 00:19:37,360

until i come running back into our

465

00:19:40,950 --> 00:19:39,120

trailer screaming that i'm in pain

466

00:19:42,789 --> 00:19:40,960

between my legs

467

00:19:44,630 --> 00:19:42,799

my mother is so concerned that she

468

00:19:45,909 --> 00:19:44,640

pulled down my shorts and underwear to

469

00:19:48,390 --> 00:19:45,919

inspect

470

00:19:49,430 --> 00:19:48,400

she says nothing is wrong and i

471

00:19:51,510 --> 00:19:49,440

go

472

00:19:54,710 --> 00:19:51,520

to sleep crying

473

00:19:56,950 --> 00:19:54,720

this has always been with me it it and

474

00:19:58,310 --> 00:19:56,960

this praying mantis stays in my back of

475

00:20:00,310 --> 00:19:58,320

my mind

476  
00:20:02,390 --> 00:20:00,320  
and a few years ago i heard about this

477  
00:20:05,430 --> 00:20:02,400  
ufo sighting reported

478  
00:20:07,350 --> 00:20:05,440  
by highland illinois police department

479  
00:20:09,350 --> 00:20:07,360  
weird i thought we moved up there when i

480  
00:20:12,070 --> 00:20:09,360  
was seven and moved back to south

481  
00:20:13,750 --> 00:20:12,080  
carolina when i was 10 years old

482  
00:20:15,669 --> 00:20:13,760  
i was telling my husband about this

483  
00:20:17,590 --> 00:20:15,679  
thing that happened when i was a kid we

484  
00:20:18,870 --> 00:20:17,600  
both left and i swore it really did

485  
00:20:21,270 --> 00:20:18,880  
happen

486  
00:20:23,830 --> 00:20:21,280  
so i got curious and googled the praying

487  
00:20:25,750 --> 00:20:23,840  
mantis aliens i remember it felt like i

488  
00:20:29,430 --> 00:20:25,760

was punched in the stomach as i sat

489

00:20:32,149 --> 00:20:29,440

there looking at it you know imaginary

490

00:20:34,870 --> 00:20:32,159

ex exactly how i saw it over 30 years

491

00:20:36,070 --> 00:20:34,880

ago their imagery of what i saw 30 years

492

00:20:37,990 --> 00:20:36,080

ago

493

00:20:39,270 --> 00:20:38,000

i showed it to my husband and he was in

494

00:20:40,950 --> 00:20:39,280

shock

495

00:20:43,350 --> 00:20:40,960

i don't know what happened to me between

496

00:20:45,830 --> 00:20:43,360

my encounter and when i came running in

497

00:20:48,310 --> 00:20:45,840

screaming about the burning down there

498

00:20:50,230 --> 00:20:48,320

i had a real fear of monsters after that

499

00:20:51,510 --> 00:20:50,240

in a great deal of nightmares but

500

00:20:53,190 --> 00:20:51,520

nothing like

501  
00:20:55,430 --> 00:20:53,200  
like what i saw

502  
00:20:57,110 --> 00:20:55,440  
it was all about bloody baby dolls in

503  
00:20:59,430 --> 00:20:57,120  
plastic bags

504  
00:21:02,070 --> 00:20:59,440  
uh scooting their plastic bodies around

505  
00:21:04,149 --> 00:21:02,080  
and down the hallway trying to get me

506  
00:21:06,070 --> 00:21:04,159  
also another recurring dream was a

507  
00:21:08,870 --> 00:21:06,080  
former type man in overhauls and a

508  
00:21:11,110 --> 00:21:08,880  
pitchfork walking by all my family

509  
00:21:12,870 --> 00:21:11,120  
members just to get at me

510  
00:21:14,870 --> 00:21:12,880  
now at the end of the dream he would

511  
00:21:18,070 --> 00:21:14,880  
stab me in the chest this dream started

512  
00:21:20,710 --> 00:21:18,080  
when i lived in holland illinois

513  
00:21:23,510 --> 00:21:20,720

i was never able to give birth naturally

514

00:21:25,830 --> 00:21:23,520

either i had to have c-sections my

515

00:21:29,110 --> 00:21:25,840

father passed away at the age of 38 from

516

00:21:31,590 --> 00:21:29,120

lung cancer i was only 15.

517

00:21:33,350 --> 00:21:31,600

it has not been an easy life for me but

518

00:21:34,710 --> 00:21:33,360

i'm a christian and i find comforting

519

00:21:36,789 --> 00:21:34,720

god's word

520

00:21:38,870 --> 00:21:36,799

i have tried to read more about this

521

00:21:40,549 --> 00:21:38,880

mantis human creature

522

00:21:43,590 --> 00:21:40,559

and have not

523

00:21:45,190 --> 00:21:43,600

gotten a lot of info usually

524

00:21:47,590 --> 00:21:45,200

uh when i'm reading about it right

525

00:21:48,870 --> 00:21:47,600

before better falsely very quickly and

526

00:21:50,630 --> 00:21:48,880

get nowhere

527

00:21:53,510 --> 00:21:50,640

i'm reaching out because i feel like

528

00:21:55,909 --> 00:21:53,520

this is a real this is really happening

529

00:21:58,230 --> 00:21:55,919

and just not to me it doesn't matter to

530

00:22:00,870 --> 00:21:58,240

me to get any attention via printing a

531

00:22:04,310 --> 00:22:00,880

story i just want to know if you have

532

00:22:06,630 --> 00:22:04,320

heard of others like me and i did i got

533

00:22:08,470 --> 00:22:06,640

in contact now this i got this report

534

00:22:10,549 --> 00:22:08,480

several years ago

535

00:22:14,230 --> 00:22:10,559

uh you know

536

00:22:18,950 --> 00:22:15,510

after

537

00:22:21,510 --> 00:22:18,960

i had gotten the reports of the

538

00:22:24,630 --> 00:22:21,520

uh praying mantis humanoids in the

539

00:22:27,909 --> 00:22:24,640

hatkins takistown new jersey area and

540

00:22:30,470 --> 00:22:27,919

then we started to investigate it

541

00:22:33,190 --> 00:22:30,480

uh and actually we did we did a

542

00:22:35,830 --> 00:22:33,200

an episode on of uh

543

00:22:37,390 --> 00:22:35,840

monsters and mysteries in america

544

00:22:40,630 --> 00:22:37,400

back in

545

00:22:43,510 --> 00:22:40,640

2015 i think it was on this

546

00:22:46,149 --> 00:22:43,520

now i for actually now as for possible

547

00:22:48,149 --> 00:22:46,159

physical contact

548

00:22:51,110 --> 00:22:48,159

uh now this this report was the first

549

00:22:53,029 --> 00:22:51,120

for me i i have since been involved with

550

00:22:55,270 --> 00:22:53,039

several physical contact cases but

551  
00:22:56,070 --> 00:22:55,280  
mantis being but that one is the first

552  
00:22:57,909 --> 00:22:56,080  
now

553  
00:22:59,990 --> 00:22:57,919  
most people that have encountered these

554  
00:23:01,590 --> 00:23:00,000  
beings experienced severe headaches and

555  
00:23:03,510 --> 00:23:01,600  
mental distress

556  
00:23:06,149 --> 00:23:03,520  
now i mentioned to the witness to feel

557  
00:23:08,710 --> 00:23:06,159  
free to contact me if she ever had wish

558  
00:23:09,590 --> 00:23:08,720  
to disclose any further information

559  
00:23:11,510 --> 00:23:09,600  
but

560  
00:23:13,029 --> 00:23:11,520  
since that time i haven't heard anything

561  
00:23:14,710 --> 00:23:13,039  
from her so

562  
00:23:19,110 --> 00:23:14,720  
i don't know what has happened since

563  
00:23:30,950 --> 00:23:20,830

no

564

00:23:33,110 --> 00:23:30,960

a young navajo a man who grew up on the

565

00:23:35,510 --> 00:23:33,120

reservation in new mexico

566

00:23:37,750 --> 00:23:35,520

he recalls his family's tragic history

567

00:23:40,710 --> 00:23:37,760

at the hands of native witches

568

00:23:42,870 --> 00:23:40,720

and in turn skin walkers

569

00:23:44,710 --> 00:23:42,880

now he states i live in gallup new

570

00:23:47,590 --> 00:23:44,720

mexico

571

00:23:49,669 --> 00:23:47,600

and i am 21 year old navajo i have

572

00:23:52,789 --> 00:23:49,679

family that lives on a plot

573

00:23:55,350 --> 00:23:52,799

of land south of gallup

574

00:23:57,350 --> 00:23:55,360

it's about 30 mile a 30 minute drive to

575

00:24:00,470 --> 00:23:57,360

my family's land and it's surprisingly

576

00:24:03,029 --> 00:24:00,480

not deep in the woods it excuse me

577

00:24:05,510 --> 00:24:03,039

it's a 30 minute drive to my family's

578

00:24:06,390 --> 00:24:05,520

land and is surprisingly not deep in the

579

00:24:08,310 --> 00:24:06,400

woods

580

00:24:10,710 --> 00:24:08,320

i remember first being in close

581

00:24:11,909 --> 00:24:10,720

proximity with a witch when i was about

582

00:24:14,070 --> 00:24:11,919

seven

583

00:24:15,909 --> 00:24:14,080

i was at my uncle's house our land has

584

00:24:18,310 --> 00:24:15,919

three homes on it

585

00:24:20,789 --> 00:24:18,320

he and my mom and his girlfriend were

586

00:24:23,029 --> 00:24:20,799

drinking and my uncle went to relieve

587

00:24:24,549 --> 00:24:23,039

himself out the front door i remember he

588

00:24:26,870 --> 00:24:24,559

freaked out and said that there was a

589

00:24:29,110 --> 00:24:26,880

skin walker outside

590

00:24:32,549 --> 00:24:29,120

i freaked out and his girlfriend said it

591

00:24:35,590 --> 00:24:32,559

was okay that was just scooby-doo

592

00:24:37,909 --> 00:24:35,600

in an attempt to lessen my fear now

593

00:24:40,149 --> 00:24:37,919

since it's been so long i remember those

594

00:24:42,390 --> 00:24:40,159

important details only after that i have

595

00:24:45,269 --> 00:24:42,400

no memory of what happened

596

00:24:47,750 --> 00:24:45,279

now that uncle died that year

597

00:24:50,149 --> 00:24:47,760

always think that

598

00:24:52,950 --> 00:24:50,159

what could have been between me and him

599

00:24:53,909 --> 00:24:52,960

now that i feel so alone in my remaining

600

00:24:56,310 --> 00:24:53,919

family

601  
00:24:57,990 --> 00:24:56,320  
isn't as cool as he was with me anyway

602  
00:25:00,789 --> 00:24:58,000  
to be clear

603  
00:25:02,470 --> 00:25:00,799  
i never have seen i never have seen a

604  
00:25:04,630 --> 00:25:02,480  
witch but these details are

605  
00:25:06,630 --> 00:25:04,640  
unfortunately true

606  
00:25:08,549 --> 00:25:06,640  
jump forward a couple years and i'm in

607  
00:25:11,430 --> 00:25:08,559  
the eighth grade my grandpa who lived

608  
00:25:13,430 --> 00:25:11,440  
with my mom and i is in the hospital

609  
00:25:15,909 --> 00:25:13,440  
so i end up sleeping in his room because

610  
00:25:17,830 --> 00:25:15,919  
i always slept on my mom's floor due to

611  
00:25:20,549 --> 00:25:17,840  
being creeped out by the thoughts of a

612  
00:25:23,430 --> 00:25:20,559  
witch trying to peer inside my window or

613  
00:25:25,750 --> 00:25:23,440

hearing the noise it could make

614

00:25:27,990 --> 00:25:25,760

i wanted to sleep in there because he

615

00:25:30,789 --> 00:25:28,000

has cable in his room his room is on the

616

00:25:32,710 --> 00:25:30,799

opposite end of the trailer my mom

617

00:25:35,029 --> 00:25:32,720

my mom slept

618

00:25:38,630 --> 00:25:35,039

it's about 5 a.m and i wake up in the

619

00:25:41,269 --> 00:25:38,640

most terrifying language i've ever heard

620

00:25:42,630 --> 00:25:41,279

i it sounded like cross between a hyena

621

00:25:44,789 --> 00:25:42,640

and a pig

622

00:25:46,789 --> 00:25:44,799

the constant chit chat between whatever

623

00:25:50,149 --> 00:25:46,799

was outside in my grandpa's window

624

00:25:52,230 --> 00:25:50,159

haunted me in that instance

625

00:25:54,630 --> 00:25:52,240

i listened for a couple seconds but i

626

00:25:57,110 --> 00:25:54,640

covered my ears as hard as i could

627

00:25:59,190 --> 00:25:57,120

out of pure terror it was the most i was

628

00:26:01,110 --> 00:25:59,200

the most scared i've ever been

629

00:26:02,630 --> 00:26:01,120

now after that ordeal i went to my mom's

630

00:26:04,870 --> 00:26:02,640

room and crawled into her bed telling

631

00:26:07,029 --> 00:26:04,880

her what happened and shaking a bit

632

00:26:09,269 --> 00:26:07,039

i had school that morning so when we

633

00:26:11,750 --> 00:26:09,279

went to start the car i noticed in the

634

00:26:14,870 --> 00:26:11,760

area where i heard the noise

635

00:26:17,990 --> 00:26:14,880

there was a trailer hitch and sitting in

636

00:26:20,789 --> 00:26:18,000

it was a stray dog

637

00:26:23,190 --> 00:26:20,799

my grandma hired the medicine man before

638

00:26:26,070 --> 00:26:23,200

or after that happened he said that the

639

00:26:28,070 --> 00:26:26,080

dog was in cahoots with the witches

640

00:26:29,990 --> 00:26:28,080

i tried to get rid of him but that dog

641

00:26:31,269 --> 00:26:30,000

always came back it was skinny and

642

00:26:33,510 --> 00:26:31,279

skittish

643

00:26:35,430 --> 00:26:33,520

i always had a bad vibe from that dog

644

00:26:37,909 --> 00:26:35,440

but it doesn't happen as

645

00:26:39,909 --> 00:26:37,919

which doesn't happen because i love dogs

646

00:26:42,390 --> 00:26:39,919

after that encounter i was truly scared

647

00:26:44,470 --> 00:26:42,400

of being left alone

648

00:26:46,549 --> 00:26:44,480

a year later during my freshman year of

649

00:26:48,390 --> 00:26:46,559

high school my mom died

650

00:26:50,230 --> 00:26:48,400

whether or not these those jealous

651  
00:26:52,950 --> 00:26:50,240  
witches contributed towards her death

652  
00:26:55,750 --> 00:26:52,960  
i'll ponder once in a while she died

653  
00:26:58,390 --> 00:26:55,760  
from a bad cold mucus in her lungs i was

654  
00:27:00,549 --> 00:26:58,400  
asleep in her room but not on her bed

655  
00:27:02,549 --> 00:27:00,559  
i went to bed about 10 pm in the morning

656  
00:27:03,990 --> 00:27:02,559  
she was very weak and cold like she was

657  
00:27:05,669 --> 00:27:04,000  
hallucinating

658  
00:27:08,630 --> 00:27:05,679  
and didn't get under the blankets to

659  
00:27:10,950 --> 00:27:08,640  
keep warm when i woke up she was dead

660  
00:27:13,669 --> 00:27:10,960  
and sitting in the front

661  
00:27:15,669 --> 00:27:13,679  
sitting in the front of her bed

662  
00:27:17,110 --> 00:27:15,679  
that day changed my life completely as

663  
00:27:19,430 --> 00:27:17,120

i've never stayed at that house

664

00:27:21,510 --> 00:27:19,440

regularly since she died i stayed with

665

00:27:23,590 --> 00:27:21,520

my dad now in town

666

00:27:27,269 --> 00:27:23,600

my other grandpa said our family has

667

00:27:29,590 --> 00:27:27,279

been an active target of those witches

668

00:27:31,669 --> 00:27:29,600

he said once in the 90s when my uncles

669

00:27:34,310 --> 00:27:31,679

and their friends were at my grandma's

670

00:27:35,669 --> 00:27:34,320

land they see a fire and a witch doing a

671

00:27:37,909 --> 00:27:35,679

dance ritual

672

00:27:40,310 --> 00:27:37,919

at on the top of the mesa

673

00:27:42,070 --> 00:27:40,320

they try to shoot at it

674

00:27:44,389 --> 00:27:42,080

it sees them and they take off when

675

00:27:46,470 --> 00:27:44,399

their girlfriends freak out

676  
00:27:49,110 --> 00:27:46,480  
they leave and that which chases them

677  
00:27:50,950 --> 00:27:49,120  
out from wherever they are

678  
00:27:52,950 --> 00:27:50,960  
keep in mind this area has a lot of

679  
00:27:54,870 --> 00:27:52,960  
trees and it isn't barren and flat like

680  
00:27:57,190 --> 00:27:54,880  
most navajo nation

681  
00:27:58,950 --> 00:27:57,200  
my grandpa inferred that the witch

682  
00:28:00,870 --> 00:27:58,960  
followed my uncles back to where my

683  
00:28:03,269 --> 00:28:00,880  
family's land is

684  
00:28:06,549 --> 00:28:03,279  
now my family in the evil history of the

685  
00:28:08,870 --> 00:28:06,559  
area that they settled at is real

686  
00:28:10,470 --> 00:28:08,880  
i wouldn't type all this out if it

687  
00:28:12,630 --> 00:28:10,480  
weren't true i don't like fake

688  
00:28:14,830 --> 00:28:12,640

paranormal stories and you wouldn't

689

00:28:17,590 --> 00:28:14,840

either at the paranormal just footstep

690

00:28:18,870 --> 00:28:17,600

away after all the damage these witches

691

00:28:20,710 --> 00:28:18,880

have done

692

00:28:22,470 --> 00:28:20,720

no one wants to talk about it or do

693

00:28:25,350 --> 00:28:22,480

anything about them

694

00:28:27,350 --> 00:28:25,360

what it is what is there to do

695

00:28:29,750 --> 00:28:27,360

it's been six years now since my mom

696

00:28:31,669 --> 00:28:29,760

died and each day is a day

697

00:28:33,750 --> 00:28:31,679

i inch further away from my small

698

00:28:36,950 --> 00:28:33,760

memories of her

699

00:28:40,630 --> 00:28:36,960

you know this um this whole

700

00:28:41,590 --> 00:28:40,640

this whole skin walker phenomena

701  
00:28:43,669 --> 00:28:41,600  
it's

702  
00:28:45,190 --> 00:28:43,679  
in you know i have talked to a lot of

703  
00:28:47,269 --> 00:28:45,200  
danae navajo

704  
00:28:49,830 --> 00:28:47,279  
out in the four corners area in parts of

705  
00:28:51,669 --> 00:28:49,840  
new mexico and in uh

706  
00:28:52,549 --> 00:28:51,679  
in arizona for a lot of years started

707  
00:28:56,630 --> 00:28:52,559  
when i was

708  
00:28:59,510 --> 00:28:56,640  
johnson

709  
00:29:01,110 --> 00:28:59,520  
and in in leonard dan chief leonard dan

710  
00:29:03,350 --> 00:29:01,120  
and um

711  
00:29:06,310 --> 00:29:03,360  
we got a lot of reports i mean a lot of

712  
00:29:07,269 --> 00:29:06,320  
younger folks would come forward

713  
00:29:10,630 --> 00:29:07,279

uh

714

00:29:12,950 --> 00:29:10,640

but the the older generation did not

715

00:29:14,710 --> 00:29:12,960

like to talk about it they really shot

716

00:29:15,610 --> 00:29:14,720

away from it

717

00:29:17,110 --> 00:29:15,620

and um

718

00:29:18,789 --> 00:29:17,120

[Music]

719

00:29:20,630 --> 00:29:18,799

and quite frankly i don't think we'd

720

00:29:22,789 --> 00:29:20,640

really get much information anymore for

721

00:29:24,230 --> 00:29:22,799

the younger kids younger folks talking

722

00:29:27,909 --> 00:29:24,240

about it

723

00:29:29,190 --> 00:29:27,919

but uh you know i do appreciate they do

724

00:29:31,510 --> 00:29:29,200

that but

725

00:29:33,510 --> 00:29:31,520

a lot of times they get uh

726

00:29:35,669 --> 00:29:33,520

they get chewed out for contacting

727

00:29:39,190 --> 00:29:35,679

someone about about the witches and

728

00:29:43,669 --> 00:29:39,200

about the shape shifters and the uh

729

00:29:57,029 --> 00:29:45,190

okay

730

00:29:59,350 --> 00:29:57,039

um this next report a couple were out of

731

00:30:00,870 --> 00:29:59,360

virginia lakes snorkeling and camping

732

00:30:03,190 --> 00:30:00,880

for the night

733

00:30:05,350 --> 00:30:03,200

they later noticed an unknown being

734

00:30:08,470 --> 00:30:05,360

stalking them wherever they go in the

735

00:30:11,029 --> 00:30:08,480

area around their campsite

736

00:30:13,430 --> 00:30:11,039

now the witness states there this is the

737

00:30:16,470 --> 00:30:13,440

most terrifying thing that i have ever

738

00:30:18,549 --> 00:30:16,480

experienced this happened four years ago

739

00:30:20,950 --> 00:30:18,559

when my boyfriend and i were still fresh

740

00:30:23,669 --> 00:30:20,960

into our relationship

741

00:30:26,230 --> 00:30:23,679

now my sister had recommended to me a

742

00:30:28,310 --> 00:30:26,240

snorkeling trip for would be a fun thing

743

00:30:30,310 --> 00:30:28,320

to do with him

744

00:30:32,470 --> 00:30:30,320

we went to lake phoenix located in

745

00:30:34,549 --> 00:30:32,480

brunswick county virginia it's a quarry

746

00:30:36,630 --> 00:30:34,559

surrounded by a campground

747

00:30:38,710 --> 00:30:36,640

that is best known for its crystal clear

748

00:30:40,630 --> 00:30:38,720

water and diving

749

00:30:45,110 --> 00:30:40,640

uh there's apparently a helicopter in

750

00:30:47,110 --> 00:30:45,120

school bus that people dive down to see

751  
00:30:49,269 --> 00:30:47,120  
now my boyfriend and i decided to go

752  
00:30:50,710 --> 00:30:49,279  
camping for the night now while we were

753  
00:30:53,190 --> 00:30:50,720  
checking in

754  
00:30:55,510 --> 00:30:53,200  
we separately both got a bad feeling

755  
00:30:58,230 --> 00:30:55,520  
about this place but had kept it to

756  
00:31:01,029 --> 00:30:58,240  
ourselves until we left

757  
00:31:03,110 --> 00:31:01,039  
so at first it was a really good time we

758  
00:31:05,029 --> 00:31:03,120  
snorkeled in the shallow area of the

759  
00:31:07,909 --> 00:31:05,039  
quarry and although the depth of water

760  
00:31:09,029 --> 00:31:07,919  
was a bit uncanny i still was enjoying

761  
00:31:12,230 --> 00:31:09,039  
myself

762  
00:31:14,789 --> 00:31:12,240  
the water is 65 foot deep so once you

763  
00:31:16,549 --> 00:31:14,799

swim out of the shallow area it's

764

00:31:17,750 --> 00:31:16,559

immediately dropped off and it's pitch

765

00:31:20,389 --> 00:31:17,760

black

766

00:31:23,110 --> 00:31:20,399

this is actually where i realized

767

00:31:24,710 --> 00:31:23,120

i'm terrified of water now besides the

768

00:31:26,070 --> 00:31:24,720

dark deep water

769

00:31:28,470 --> 00:31:26,080

while we were swimming there was

770

00:31:30,630 --> 00:31:28,480

something very scary about a lake that

771

00:31:32,870 --> 00:31:30,640

is perfectly still

772

00:31:34,789 --> 00:31:32,880

i assume it's because it's quarrying the

773

00:31:36,230 --> 00:31:34,799

water really doesn't have much of a

774

00:31:38,070 --> 00:31:36,240

current

775

00:31:40,230 --> 00:31:38,080

now my boyfriend and i

776  
00:31:42,630 --> 00:31:40,240  
are winding down our night and we're

777  
00:31:45,269 --> 00:31:42,640  
back at our campsite now we're camping

778  
00:31:47,509 --> 00:31:45,279  
in a grassy patch down a hill a hill

779  
00:31:49,750 --> 00:31:47,519  
excuse me and a grassy patch

780  
00:31:51,909 --> 00:31:49,760  
down a hill from the room

781  
00:31:53,830 --> 00:31:51,919  
our tent is pitched in the wooded area

782  
00:31:55,110 --> 00:31:53,840  
that our campsite is extended to and

783  
00:31:57,669 --> 00:31:55,120  
just across

784  
00:32:01,029 --> 00:31:57,679  
the green is a campsite that looks well

785  
00:32:01,909 --> 00:32:01,039  
lived in but our neighbors were out

786  
00:32:04,070 --> 00:32:01,919  
now

787  
00:32:06,230 --> 00:32:04,080  
we're making hot dogs of the fire when

788  
00:32:08,470 --> 00:32:06,240

our neighbors get back it's night time

789

00:32:11,430 --> 00:32:08,480

now and they immediately go to sleep

790

00:32:12,310 --> 00:32:11,440

i'd say 20 or 30 minutes after they get

791

00:32:16,149 --> 00:32:12,320

back

792

00:32:18,149 --> 00:32:16,159

is when things started to become spooky

793

00:32:20,470 --> 00:32:18,159

the my boyfriend and i were chatting

794

00:32:22,789 --> 00:32:20,480

when we noticed a dark figure watching

795

00:32:25,350 --> 00:32:22,799

us from up the hill

796

00:32:26,710 --> 00:32:25,360

now because of the shadow of the fire we

797

00:32:29,509 --> 00:32:26,720

could not actually make out the

798

00:32:31,750 --> 00:32:29,519

characteristics of the figure

799

00:32:33,590 --> 00:32:31,760

we knew it was staring directly at us

800

00:32:35,430 --> 00:32:33,600

almost hiding behind our neighbor's

801  
00:32:38,149 --> 00:32:35,440  
truck

802  
00:32:39,990 --> 00:32:38,159  
it had watched us for what felt like

803  
00:32:41,350 --> 00:32:40,000  
forever until it started walking down

804  
00:32:44,070 --> 00:32:41,360  
the road again

805  
00:32:45,509 --> 00:32:44,080  
and we both watched it in dead solids

806  
00:32:47,509 --> 00:32:45,519  
watching it

807  
00:32:50,149 --> 00:32:47,519  
walk behind the trees

808  
00:32:53,110 --> 00:32:50,159  
the same ones connected to our webs our

809  
00:32:53,909 --> 00:32:53,120  
campsite but that always went in between

810  
00:32:55,509 --> 00:32:53,919  
us

811  
00:32:58,149 --> 00:32:55,519  
and it

812  
00:33:00,389 --> 00:32:58,159  
i anticipated each time i i'd see it

813  
00:33:02,549 --> 00:33:00,399

walk forward out behind the tree then it

814

00:33:04,789 --> 00:33:02,559

suddenly stopped appearing

815

00:33:07,990 --> 00:33:04,799

i was totally freaked out

816

00:33:10,630 --> 00:33:08,000

where did it go i watched my boyfriend

817

00:33:13,430 --> 00:33:10,640

looking at what happened and suddenly

818

00:33:15,590 --> 00:33:13,440

and thinking the same thing but he had

819

00:33:16,710 --> 00:33:15,600

just shrugged it off and naively i did

820

00:33:18,630 --> 00:33:16,720

too

821

00:33:20,389 --> 00:33:18,640

so we actually ended up forgetting about

822

00:33:22,149 --> 00:33:20,399

it and went to the quarry late that

823

00:33:24,389 --> 00:33:22,159

night you know it was beautiful seeing

824

00:33:26,630 --> 00:33:24,399

the stars reflect against the water

825

00:33:31,909 --> 00:33:26,640

but the deep now all black water was

826

00:33:37,750 --> 00:33:34,470

we walked back to our campsite

827

00:33:41,110 --> 00:33:37,760

laid in our tent and smoked a joint

828

00:33:43,350 --> 00:33:41,120

i soon became to get i soon began to get

829

00:33:44,870 --> 00:33:43,360

an uneasy feeling which i was trying to

830

00:33:46,789 --> 00:33:44,880

ignore

831

00:33:48,950 --> 00:33:46,799

uh telling myself it's probably because

832

00:33:50,149 --> 00:33:48,960

i was high and after some silence

833

00:33:52,630 --> 00:33:50,159

between us

834

00:33:54,549 --> 00:33:52,640

my boyfriend says to me do you feel like

835

00:33:56,230 --> 00:33:54,559

you're being watched or we're being

836

00:33:58,549 --> 00:33:56,240

watched i said

837

00:34:01,110 --> 00:33:58,559

why would you say that i was half joking

838

00:34:03,269 --> 00:34:01,120

but serious because i was scared

839

00:34:05,669 --> 00:34:03,279

my boyfriend wanted to go get out of the

840

00:34:08,389 --> 00:34:05,679

tent so we're standing by my car and i

841

00:34:11,109 --> 00:34:08,399

got to this this stupid idea that

842

00:34:13,750 --> 00:34:11,119

because maybe in the middle of the field

843

00:34:16,149 --> 00:34:13,760

is the safest place for us my logic

844

00:34:18,149 --> 00:34:16,159

being if someone was coming going to

845

00:34:21,510 --> 00:34:18,159

come at us at least

846

00:34:23,589 --> 00:34:21,520

we'd be able to see them so uh we're in

847

00:34:26,790 --> 00:34:23,599

the middle of the field and when we see

848

00:34:29,270 --> 00:34:26,800

a similar looking black figure from

849

00:34:31,909 --> 00:34:29,280

from earlier staring at us it must have

850

00:34:33,190 --> 00:34:31,919

been about 20 must have been about 20

851  
00:34:35,349 --> 00:34:33,200  
yards away

852  
00:34:38,550 --> 00:34:35,359  
we both noticed it while walking and

853  
00:34:42,069 --> 00:34:38,560  
it's walking in the same direction as us

854  
00:34:44,710 --> 00:34:42,079  
we change directions and so does it

855  
00:34:47,109 --> 00:34:44,720  
we tell one another if we change again

856  
00:34:48,550 --> 00:34:47,119  
and it does too that we're booking for

857  
00:34:51,270 --> 00:34:48,560  
the car

858  
00:34:52,869 --> 00:34:51,280  
when we change it follows and we book it

859  
00:34:54,950 --> 00:34:52,879  
to the car

860  
00:34:57,109 --> 00:34:54,960  
i watch it from my seat as it slowly

861  
00:35:00,470 --> 00:34:57,119  
walk back into the darkness

862  
00:35:02,390 --> 00:35:00,480  
while still staring in our direction

863  
00:35:04,950 --> 00:35:02,400

now my boyfriend at this point says to

864

00:35:07,270 --> 00:35:04,960

me let's get out of here i agree but our

865

00:35:08,950 --> 00:35:07,280

camping gear is outside we quietly get

866

00:35:10,710 --> 00:35:08,960

our things together not trying to freak

867

00:35:12,630 --> 00:35:10,720

the other one out

868

00:35:14,790 --> 00:35:12,640

now the weirdest part of the story in my

869

00:35:17,190 --> 00:35:14,800

opinion is the next part

870

00:35:19,510 --> 00:35:17,200

my headlights weren't working

871

00:35:22,310 --> 00:35:19,520

and there was a weird fog over my

872

00:35:24,150 --> 00:35:22,320

windshield that didn't go away no matter

873

00:35:26,390 --> 00:35:24,160

what we did

874

00:35:29,670 --> 00:35:26,400

we had to drive out of the woods with

875

00:35:30,950 --> 00:35:29,680

only low beams and a strange fog over

876

00:35:32,870 --> 00:35:30,960

the window

877

00:35:34,630 --> 00:35:32,880

now we barely could see

878

00:35:36,550 --> 00:35:34,640

but got out of there

879

00:35:39,510 --> 00:35:36,560

weirdly enough the fall went away right

880

00:35:41,030 --> 00:35:39,520

as soon as we got to the gas station

881

00:35:43,430 --> 00:35:41,040

now we got home

882

00:35:44,710 --> 00:35:43,440

around 1am i told my father the story

883

00:35:46,710 --> 00:35:44,720

the next day

884

00:35:48,470 --> 00:35:46,720

and he said he's glad we got out of

885

00:35:50,150 --> 00:35:48,480

there or else we could have been

886

00:35:51,109 --> 00:35:50,160

attacked

887

00:35:53,270 --> 00:35:51,119

now

888

00:35:55,910 --> 00:35:53,280

two people have died in that campground

889

00:35:57,430 --> 00:35:55,920

while snorkeling which i found out after

890

00:35:59,670 --> 00:35:57,440

we got back

891

00:36:01,670 --> 00:35:59,680

my boyfriend and i think it was either

892

00:36:03,030 --> 00:36:01,680

person trying to kill us or an upright

893

00:36:07,270 --> 00:36:03,040

creature

894

00:36:09,750 --> 00:36:07,280

because it's happened what happened was

895

00:36:11,190 --> 00:36:09,760

an unexplained incident

896

00:36:14,310 --> 00:36:11,200

now

897

00:36:17,190 --> 00:36:14,320

that's brunswick county virginia

898

00:36:19,109 --> 00:36:17,200

and it's well known for bigfoot activity

899

00:36:21,270 --> 00:36:19,119

well known for thick foot activity

900

00:36:23,030 --> 00:36:21,280

there's a lot of creeks and such in the

901  
00:36:24,390 --> 00:36:23,040  
area and there's been a lot of slidings

902  
00:36:26,230 --> 00:36:24,400  
down there

903  
00:36:27,750 --> 00:36:26,240  
it's not really too far from north

904  
00:36:29,430 --> 00:36:27,760  
carolina lime

905  
00:36:31,190 --> 00:36:29,440  
um

906  
00:36:33,750 --> 00:36:31,200  
but i'm not sure what they encountered

907  
00:36:35,190 --> 00:36:33,760  
so who knows with a bigfoot or something

908  
00:36:37,750 --> 00:36:35,200  
else

909  
00:36:40,630 --> 00:36:37,760  
so um that's the last account does

910  
00:36:42,470 --> 00:36:40,640  
anybody have any questions

911  
00:36:44,069 --> 00:36:42,480  
uh james asked

912  
00:36:45,430 --> 00:36:44,079  
were they swimming during the day or

913  
00:36:47,030 --> 00:36:45,440

night time they were swimming during the

914

00:36:48,870 --> 00:36:47,040

day

915

00:36:50,630 --> 00:36:48,880

yeah

916

00:36:53,670 --> 00:36:50,640

did they note that they smelled anything

917

00:37:06,630 --> 00:36:53,680

odd they didn't mention that

918

00:37:14,310 --> 00:37:07,670

anybody else ain't got any more

919

00:37:14,320 --> 00:37:20,710

i'm here to answer

920

00:37:24,870 --> 00:37:23,589

okay well

921

00:37:27,910 --> 00:37:24,880

look this uh

922

00:37:30,870 --> 00:37:27,920

you know i had mentioned last friday

923

00:37:32,069 --> 00:37:30,880

that we weren't going to have a show

924

00:37:34,470 --> 00:37:32,079

this week

925

00:37:36,950 --> 00:37:34,480

this friday but

926

00:37:39,910 --> 00:37:36,960

unfortunately i caught coven

927

00:37:42,310 --> 00:37:39,920

so i'm i'm in quarantine so i'm not

928

00:37:43,990 --> 00:37:42,320

going out i had plans to go somewhere on

929

00:37:46,950 --> 00:37:44,000

friday and that didn't

930

00:37:49,190 --> 00:37:46,960

so that kind of nixed that so um

931

00:37:50,870 --> 00:37:49,200

so i'll be here and we're going to have

932

00:37:52,710 --> 00:37:50,880

a show

933

00:37:54,950 --> 00:37:52,720

uh this friday you know we're going to

934

00:37:57,670 --> 00:37:54,960

present a question and answer session

935

00:37:58,550 --> 00:37:57,680

which includes discussion

936

00:38:01,510 --> 00:37:58,560

uh

937

00:38:03,589 --> 00:38:01,520

of all kinds of 14 phenomena cryptids

938

00:38:04,710 --> 00:38:03,599

metaphysical subject that interests the

939

00:38:06,470 --> 00:38:04,720

listeners you want to talk about

940

00:38:07,750 --> 00:38:06,480

crystals you want to talk about

941

00:38:10,150 --> 00:38:07,760

hauntings you want to talk about

942

00:38:12,630 --> 00:38:10,160

cryptids anything you want to talk to

943

00:38:15,190 --> 00:38:12,640

if you get in here get into the chat and

944

00:38:16,950 --> 00:38:15,200

ask a question we'll discuss it and i'll

945

00:38:19,430 --> 00:38:16,960

answer it the best i can

946

00:38:22,069 --> 00:38:19,440

so just join us in the live chat so that

947

00:38:23,430 --> 00:38:22,079

we can ask your questions and start the

948

00:38:25,030 --> 00:38:23,440

discussion

949

00:38:27,030 --> 00:38:25,040

now there's one more thing i wanted to

950

00:38:27,910 --> 00:38:27,040

mention before we go

951  
00:38:29,990 --> 00:38:27,920  
uh

952  
00:38:31,990 --> 00:38:30,000  
apparently now

953  
00:38:33,829 --> 00:38:32,000  
of course everybody knows about the the

954  
00:38:35,829 --> 00:38:33,839  
highland park

955  
00:38:38,630 --> 00:38:35,839  
massacre

956  
00:38:40,710 --> 00:38:38,640  
on on july 4th

957  
00:38:44,069 --> 00:38:40,720  
the mass killing

958  
00:38:47,510 --> 00:38:44,079  
uh unfortunately a dj in the chicago

959  
00:38:48,630 --> 00:38:47,520  
area came out today i think

960  
00:38:50,470 --> 00:38:48,640  
and

961  
00:38:52,630 --> 00:38:50,480  
stated that he thought

962  
00:38:54,950 --> 00:38:52,640  
that maybe this

963  
00:38:57,670 --> 00:38:54,960

uh that this was a harbinger

964

00:38:59,589 --> 00:38:57,680

due to the chicago mothman

965

00:39:02,550 --> 00:38:59,599

uh which is just

966

00:39:04,550 --> 00:39:02,560

craziness that's just ridiculous

967

00:39:05,589 --> 00:39:04,560

and uh i'm just i'm just gonna try to

968

00:39:07,750 --> 00:39:05,599

nix it

969

00:39:09,270 --> 00:39:07,760

i i didn't say anything about it i i

970

00:39:10,710 --> 00:39:09,280

that's just crazy

971

00:39:13,750 --> 00:39:10,720

so um

972

00:39:15,750 --> 00:39:13,760

yeah so i'm just saying it right now

973

00:39:18,150 --> 00:39:15,760

so if anybody has any questions about

974

00:39:19,349 --> 00:39:18,160

that then we'll just go ahead and you

975

00:39:20,470 --> 00:39:19,359

know

976

00:39:22,550 --> 00:39:20,480

uh

977

00:39:24,310 --> 00:39:22,560

i'm just gonna say that that did not

978

00:39:26,790 --> 00:39:24,320

happen

979

00:39:28,310 --> 00:39:26,800

uh james said can we call in on friday

980

00:39:31,589 --> 00:39:28,320

you know we don't have anything set up

981

00:39:33,829 --> 00:39:31,599

for coins yet unless

982

00:39:36,150 --> 00:39:33,839

unless vincent

983

00:39:38,870 --> 00:39:36,160

figure something out by then i i know we

984

00:39:41,990 --> 00:39:38,880

eventually want to do that

985

00:39:45,349 --> 00:39:43,829

can you bring the guy with all the

986

00:39:47,030 --> 00:39:45,359

encounters well i'm not bringing any

987

00:39:48,790 --> 00:39:47,040

guests on friday night we'll do that

988

00:39:51,190 --> 00:39:48,800

another time you're talking about david

989

00:39:53,430 --> 00:39:51,200

we'll hide david another time

990

00:39:59,990 --> 00:39:53,440

yeah he'll come on

991

00:40:00,000 --> 00:40:05,670

okay

992

00:40:05,680 --> 00:40:08,829

anything

993

00:40:13,270 --> 00:40:10,950

else okay

994

00:40:15,109 --> 00:40:13,280

so uh look if you have an unexplained

995

00:40:17,349 --> 00:40:15,119
