

PHANTOMS & MONSTERS

R A D I O

FORTEAN PHENOMENA, CRYPTIDS, & METAPHYSICAL SHOW

JOIN THE CHAT - QUESTIONS & ANSWERS,
PLUS DISCUSSION OF THE SUBJECTS THAT
INTEREST YOU!

FRIDAY, JULY 8TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:11,669 --> 00:00:07,900

[Music]

2
00:00:17,670 --> 00:00:14,910

we live in a reality of phantoms and

3
00:00:20,230 --> 00:00:17,680

monsters they exist among us and

4
00:00:23,509 --> 00:00:20,240

sometimes they win

5
00:00:26,070 --> 00:00:23,519

even the devil was an angel once

6
00:00:29,029 --> 00:00:26,080

the world has its own rules

7
00:00:31,910 --> 00:00:29,039

and these rules are not human

8
00:00:34,150 --> 00:00:31,920

some of us seek answers to the origin

9
00:00:36,150 --> 00:00:34,160

and existence of cryptids in the

10
00:00:39,510 --> 00:00:36,160

unexplained

11
00:00:41,830 --> 00:00:39,520

join us as we venture beyond the moon

12
00:00:44,549 --> 00:00:41,840

and accepted boundaries

13
00:00:50,140 --> 00:00:44,559

welcome to our nightmare i think you're

14

00:01:01,110 --> 00:00:59,430

[Music]

15

00:01:03,349 --> 00:01:01,120

folks good evening and welcome to

16

00:01:05,189 --> 00:01:03,359

another episode of phantoms and monsters

17

00:01:06,710 --> 00:01:05,199

radio where we explore the strange the

18

00:01:08,390 --> 00:01:06,720

unexplained

19

00:01:09,990 --> 00:01:08,400

i am your host lauren stricker thanks

20

00:01:12,789 --> 00:01:10,000

for joining us

21

00:01:14,710 --> 00:01:12,799

if you enjoy our content then please

22

00:01:16,390 --> 00:01:14,720

subscribe like and share our

23

00:01:18,710 --> 00:01:16,400

presentations

24

00:01:21,109 --> 00:01:18,720

uh super chat is active during the

25

00:01:23,030 --> 00:01:21,119

social please um show your support for

26

00:01:25,190 --> 00:01:23,040

fans of monsters radio

27

00:01:26,630 --> 00:01:25,200

by clicking the dollar icon underneath

28

00:01:28,469 --> 00:01:26,640

the chat

29

00:01:30,630 --> 00:01:28,479

you can also support the channel by

30

00:01:32,550 --> 00:01:30,640

using the buy me a coffee link or banner

31

00:01:34,870 --> 00:01:32,560

in the description below

32

00:01:37,749 --> 00:01:34,880

your consideration is very much needed

33

00:01:38,789 --> 00:01:37,759

and appreciated so tonight

34

00:01:40,789 --> 00:01:38,799

we're

35

00:01:43,190 --> 00:01:40,799

kind of slapped the show together pretty

36

00:01:45,429 --> 00:01:43,200

quickly i ended up with covid

37

00:01:48,389 --> 00:01:45,439

so the things i was supposed to do today

38

00:01:49,910 --> 00:01:48,399

i you know friday i couldn't do and i'm

39

00:01:51,590 --> 00:01:49,920

kind of stuck here

40

00:01:53,830 --> 00:01:51,600

so um

41

00:01:55,350 --> 00:01:53,840

i decided to go ahead and do a show

42

00:01:57,590 --> 00:01:55,360

tonight so

43

00:02:00,709 --> 00:01:57,600

what this will be

44

00:02:03,670 --> 00:02:00,719

is a question and answer session

45

00:02:05,749 --> 00:02:03,680

including any type of discussion on 14

46

00:02:08,229 --> 00:02:05,759

phenomena cryptids

47

00:02:09,270 --> 00:02:08,239

metaphysical subjects

48

00:02:14,229 --> 00:02:09,280

anything

49

00:02:15,750 --> 00:02:14,239

listeners uh so you can join us live

50

00:02:17,910 --> 00:02:15,760

in the chat

51
00:02:19,830 --> 00:02:17,920
so that you can ask your questions and

52
00:02:22,790 --> 00:02:19,840
start a discussion there

53
00:02:24,869 --> 00:02:22,800
if you have a sighting or encounter that

54
00:02:26,949 --> 00:02:24,879
you'd like to talk about

55
00:02:33,830 --> 00:02:26,959
we do have a call-in number and it's

56
00:02:38,949 --> 00:02:37,750
and vincent will have that

57
00:02:41,430 --> 00:02:38,959
up

58
00:02:44,150 --> 00:02:41,440
on the screen

59
00:02:47,030 --> 00:02:44,160
so if there's if you have any questions

60
00:02:48,390 --> 00:02:47,040
please you know put it up on the chat in

61
00:02:50,710 --> 00:02:48,400
capitals

62
00:02:52,070 --> 00:02:50,720
so i can see it or go ahead and call in

63
00:02:53,670 --> 00:02:52,080

the number if you have something you

64

00:02:56,390 --> 00:02:53,680

want to talk about

65

00:02:57,830 --> 00:02:56,400

uh my buddy louise castilla is in there

66

00:03:00,710 --> 00:02:57,840

that's who i was supposed to be with

67

00:03:02,550 --> 00:03:00,720

tonight he's in he's in the area but of

68

00:03:04,470 --> 00:03:02,560

course i don't want to give him koben so

69

00:03:06,790 --> 00:03:04,480

i had to stick around here

70

00:03:09,830 --> 00:03:06,800

so louis thanks for joining me tonight

71

00:03:12,550 --> 00:03:09,840

you know i can show you one thing i um

72

00:03:14,790 --> 00:03:12,560

as some of you know i'm into crystals

73

00:03:17,350 --> 00:03:14,800

and using crystals for

74

00:03:19,750 --> 00:03:17,360

divination and for

75

00:03:22,070 --> 00:03:19,760

my work in spirit rescue and a few other

76

00:03:25,110 --> 00:03:22,080

things and

77

00:03:27,030 --> 00:03:25,120

i've always been partial to certain

78

00:03:29,589 --> 00:03:27,040

certain minerals you know you've heard

79

00:03:33,509 --> 00:03:29,599

me talk about your term fluorite before

80

00:03:34,710 --> 00:03:33,519

it's it's a very strong intuitive

81

00:03:35,670 --> 00:03:34,720

mineral

82

00:03:38,149 --> 00:03:35,680

um

83

00:03:40,710 --> 00:03:38,159

it's it's not like normal

84

00:03:44,070 --> 00:03:40,720

fluorite it's more opaque

85

00:03:46,149 --> 00:03:44,080

but it comes in a very creamy

86

00:03:48,630 --> 00:03:46,159

lavender color and you know it just

87

00:03:50,630 --> 00:03:48,640

suits my my work fine

88

00:03:52,630 --> 00:03:50,640

i i've been able to work really well

89

00:03:54,869 --> 00:03:52,640

with well lately

90

00:04:01,350 --> 00:03:54,879

i

91

00:04:04,149 --> 00:04:01,360

from a

92

00:04:06,229 --> 00:04:04,159

a miner an actual miner because it was

93

00:04:08,949 --> 00:04:06,239

all certified stuff was certified and

94

00:04:10,550 --> 00:04:08,959

registered from indonesia

95

00:04:12,830 --> 00:04:10,560

and this this

96

00:04:15,030 --> 00:04:12,840

these

97

00:04:16,789 --> 00:04:15,040

crystals minerals whatever you want to

98

00:04:20,550 --> 00:04:16,799

call them

99

00:04:22,629 --> 00:04:20,560

have only been around since 2016 so if

100

00:04:23,430 --> 00:04:22,639

you go to any of the judy hall books or

101
00:04:25,110 --> 00:04:23,440
any

102
00:04:26,070 --> 00:04:25,120
the catalogs you're not going to see it

103
00:04:27,510 --> 00:04:26,080
in there

104
00:04:28,550 --> 00:04:27,520
uh you're going to have to find it

105
00:04:30,070 --> 00:04:28,560
online

106
00:04:31,749 --> 00:04:30,080
but i tell you i've been working with

107
00:04:33,270 --> 00:04:31,759
them for the past two weeks that they

108
00:04:35,590 --> 00:04:33,280
received them and you know when i saw

109
00:04:38,150 --> 00:04:35,600
them first of all on the on the

110
00:04:39,909 --> 00:04:38,160
on the website or on facebook

111
00:04:41,990 --> 00:04:39,919
i just had a really good feeling about

112
00:04:45,749 --> 00:04:42,000
so i am going to show you one of these

113
00:04:48,950 --> 00:04:45,759

the the actual name for these things

114

00:04:51,510 --> 00:04:48,960

are bioterrorial purple

115

00:04:53,909 --> 00:04:51,520

calcidoni now people know regular

116

00:04:55,510 --> 00:04:53,919

calcidoni calcidoni is like a smoother

117

00:04:56,710 --> 00:04:55,520

like agate

118

00:04:57,909 --> 00:04:56,720

uh

119

00:05:02,469 --> 00:04:57,919

mineral

120

00:05:06,310 --> 00:05:04,310

formations they look kind of like grapes

121

00:05:07,909 --> 00:05:06,320

and actually some people do refer to as

122

00:05:08,629 --> 00:05:07,919

grape agate

123

00:05:11,189 --> 00:05:08,639

or

124

00:05:14,790 --> 00:05:11,199

grape calcium

125

00:05:16,870 --> 00:05:14,800

and uh some of these pieces

126

00:05:18,629 --> 00:05:16,880

are are pretty rare i mean these are

127

00:05:19,749 --> 00:05:18,639

this is this is a specimen piece

128

00:05:21,510 --> 00:05:19,759

actually

129

00:05:22,790 --> 00:05:21,520

though i could probably work with this

130

00:05:25,830 --> 00:05:22,800

piece

131

00:05:27,590 --> 00:05:25,840

but uh you know if you look for them

132

00:05:29,670 --> 00:05:27,600

online they're

133

00:05:32,070 --> 00:05:29,680

they're pretty crazy

134

00:05:34,550 --> 00:05:32,080

but uh they i tell you i'm good i'm

135

00:05:37,029 --> 00:05:34,560

presenting them to you so you could

136

00:05:39,270 --> 00:05:37,039

look at it and get an idea for you

137

00:05:41,110 --> 00:05:39,280

people who are into

138

00:05:42,710 --> 00:05:41,120

minerals and crystals

139

00:05:46,150 --> 00:05:42,720

and they do come in different colors

140

00:05:51,350 --> 00:05:48,070

like a medium purple more like a

141

00:05:53,350 --> 00:05:51,360

lavender but it's the you know it's just

142

00:05:54,790 --> 00:05:53,360

perfect all around

143

00:05:55,909 --> 00:05:54,800

and i got a few other ones here i want

144

00:05:57,430 --> 00:05:55,919

to show you

145

00:05:58,710 --> 00:05:57,440

this one here

146

00:06:01,189 --> 00:05:58,720

it's like a plate

147

00:06:02,150 --> 00:06:01,199

[Music]

148

00:06:04,390 --> 00:06:02,160

and it's

149

00:06:06,870 --> 00:06:04,400

it's a beautiful piece

150

00:06:08,230 --> 00:06:06,880

uh it's kind of got blues and purples

151

00:06:10,150 --> 00:06:08,240

mixed in there

152

00:06:12,150 --> 00:06:10,160

even on the bottom it's got the full

153

00:06:13,990 --> 00:06:12,160

formations

154

00:06:15,510 --> 00:06:14,000

um

155

00:06:18,790 --> 00:06:15,520

you know i've been involved with

156

00:06:21,350 --> 00:06:18,800

crystals for almost 20 years now

157

00:06:23,510 --> 00:06:21,360

but i haven't really seen anything like

158

00:06:24,390 --> 00:06:23,520

this it's not like druzy or any of the

159

00:06:26,790 --> 00:06:24,400

other

160

00:06:28,309 --> 00:06:26,800

types of formations you see this is just

161

00:06:30,710 --> 00:06:28,319

something very

162

00:06:31,510 --> 00:06:30,720

very unusual

163

00:06:33,990 --> 00:06:31,520

and

164

00:06:37,670 --> 00:06:34,000

uh then they you do find them in a

165

00:06:39,430 --> 00:06:37,680

greenish and clear colors

166

00:06:43,189 --> 00:06:39,440

and that's what this is here i don't

167

00:06:47,029 --> 00:06:43,199

know how well it shows up on the light

168

00:06:49,670 --> 00:06:47,039

but it is kind of greenish in color

169

00:06:51,029 --> 00:06:49,680

and i tell you it's got an amazing feel

170

00:06:54,950 --> 00:06:51,039

to it

171

00:06:58,870 --> 00:06:56,550

yeah so i'm going to be working with

172

00:07:01,189 --> 00:06:58,880

these and

173

00:07:03,029 --> 00:07:01,199

as time goes on i may be offering some

174

00:07:04,469 --> 00:07:03,039

of these for sale at some point as well

175

00:07:06,469 --> 00:07:04,479

but they're uh

176

00:07:08,469 --> 00:07:06,479

yeah they're pretty nice so i just

177

00:07:09,990 --> 00:07:08,479

wanted to mention that

178

00:07:11,589 --> 00:07:10,000

so

179

00:07:13,510 --> 00:07:11,599

anyway let's see what kind of questions

180

00:07:14,870 --> 00:07:13,520

we got here

181

00:07:19,749 --> 00:07:14,880

people don't want to hear me yapping

182

00:07:25,029 --> 00:07:22,710

okay david jones locker what was the

183

00:07:26,710 --> 00:07:25,039

evidence that convinced you that david

184

00:07:31,029 --> 00:07:26,720

eckhardt's case

185

00:07:34,950 --> 00:07:31,039

was a 100 real deal well it took a while

186

00:07:38,710 --> 00:07:36,790

and i'll go through the whole thing what

187

00:07:41,589 --> 00:07:38,720

happened i um

188

00:07:45,029 --> 00:07:41,599

i happened to see david's

189

00:07:47,270 --> 00:07:45,039

video of the the uh the little being in

190

00:07:48,710 --> 00:07:47,280

in the doorway of the bathroom in the

191

00:07:52,230 --> 00:07:48,720

bedroom

192

00:07:55,350 --> 00:07:52,240

and i was intrigued by it

193

00:07:57,350 --> 00:07:55,360

you know i had seen other videos of

194

00:07:59,270 --> 00:07:57,360

so-called alien or extraterrestrial

195

00:08:01,270 --> 00:07:59,280

beings but never seen one quite like

196

00:08:03,990 --> 00:08:01,280

that before

197

00:08:06,150 --> 00:08:04,000

so what i did

198

00:08:07,830 --> 00:08:06,160

i had contacted dave eventually

199

00:08:09,430 --> 00:08:07,840

contacted david

200

00:08:11,510 --> 00:08:09,440

and uh

201
00:08:12,950 --> 00:08:11,520
when i when he we started talking he was

202
00:08:14,550 --> 00:08:12,960
telling me

203
00:08:17,110 --> 00:08:14,560
that you know

204
00:08:23,670 --> 00:08:17,120
i have been

205
00:08:26,390 --> 00:08:23,680
mufon in particular mufon florida

206
00:08:28,469 --> 00:08:26,400
and at that time that was glenn glenn

207
00:08:30,629 --> 00:08:28,479
bell he was the actual director in

208
00:08:33,670 --> 00:08:30,639
florida at the time

209
00:08:36,550 --> 00:08:33,680
and uh they just were not interested in

210
00:08:40,310 --> 00:08:36,560
helping david out but you know for mufon

211
00:08:43,269 --> 00:08:40,320
for people who know mufon

212
00:08:45,509 --> 00:08:43,279
they're kind of the nuts and bolts

213
00:08:47,110 --> 00:08:45,519

as far as um

214

00:08:50,070 --> 00:08:47,120

spacecraft or whatever you want to call

215

00:08:53,430 --> 00:08:50,080

them craft or ufos they

216

00:08:55,990 --> 00:08:53,440

you know they seem interested in entity

217

00:08:59,350 --> 00:08:56,000

entities at some point but

218

00:09:02,070 --> 00:08:59,360

really they didn't make it a priority

219

00:09:03,750 --> 00:09:02,080

and i've heard this uh so many times

220

00:09:05,990 --> 00:09:03,760

before

221

00:09:08,949 --> 00:09:06,000

so uh anyway

222

00:09:10,630 --> 00:09:08,959

i i was talking to david literally three

223

00:09:12,870 --> 00:09:10,640

four hours a day

224

00:09:14,310 --> 00:09:12,880

for the first six months i mean it was

225

00:09:16,150 --> 00:09:14,320

that intensive

226

00:09:17,910 --> 00:09:16,160

and as we went along david started

227

00:09:20,070 --> 00:09:17,920

opening up more and more i mean he i

228

00:09:21,829 --> 00:09:20,080

think it would worry me as well

229

00:09:24,949 --> 00:09:21,839

started opening up more and more he was

230

00:09:26,070 --> 00:09:24,959

he was actually showing me more evidence

231

00:09:27,750 --> 00:09:26,080

uh

232

00:09:30,550 --> 00:09:27,760

some videos he had had some of the

233

00:09:32,470 --> 00:09:30,560

sounds he was recording

234

00:09:34,790 --> 00:09:32,480

and you know first of all i thought well

235

00:09:37,509 --> 00:09:34,800

i think he's probably

236

00:09:39,670 --> 00:09:37,519

mistaking this for

237

00:09:42,150 --> 00:09:39,680

like a spirit haunting or such

238

00:09:44,710 --> 00:09:42,160

but as time went on and i started seeing

239

00:09:46,870 --> 00:09:44,720

certain things

240

00:09:48,470 --> 00:09:46,880

i realized that he was really going

241

00:09:51,670 --> 00:09:48,480

through

242

00:09:52,949 --> 00:09:51,680

describing

243

00:09:54,630 --> 00:09:52,959

and uh

244

00:09:57,110 --> 00:09:54,640

you know that's been

245

00:09:59,990 --> 00:09:57,120

over a decade now

246

00:10:03,509 --> 00:10:00,000

and even though you know it's evolved

247

00:10:05,430 --> 00:10:03,519

a bit i think david has got himself

248

00:10:07,509 --> 00:10:05,440

maybe a little too involved with it and

249

00:10:09,509 --> 00:10:07,519

he'll probably admit to that

250

00:10:11,509 --> 00:10:09,519

because you know he's very inquisitive

251
00:10:13,829 --> 00:10:11,519
he he wants to know the truth and you

252
00:10:16,069 --> 00:10:13,839
know that's just the way he is

253
00:10:18,069 --> 00:10:16,079
but uh

254
00:10:20,710 --> 00:10:18,079
and i don't doubt what he's what he's

255
00:10:22,069 --> 00:10:20,720
capturing as far as vid videos and and

256
00:10:23,670 --> 00:10:22,079
pictures and

257
00:10:25,269 --> 00:10:23,680
photos and stuff

258
00:10:26,949 --> 00:10:25,279
but uh

259
00:10:28,470 --> 00:10:26,959
you you've always got to keep in mind

260
00:10:30,230 --> 00:10:28,480
these beings have

261
00:10:31,590 --> 00:10:30,240
have an agenda

262
00:10:34,710 --> 00:10:31,600
now i don't know

263
00:10:36,470 --> 00:10:34,720

what their agenda is in david's case

264

00:10:38,630 --> 00:10:36,480

i think i've always found it interesting

265

00:10:43,190 --> 00:10:38,640

that they

266

00:10:45,750 --> 00:10:43,200

certain things

267

00:10:46,389 --> 00:10:45,760

and they kind of did

268

00:10:48,710 --> 00:10:46,399

they

269

00:10:50,389 --> 00:10:48,720

kind of made david an exception

270

00:10:52,069 --> 00:10:50,399

as opposed to anybody else you know

271

00:10:55,030 --> 00:10:52,079

david saw a lot of

272

00:10:57,670 --> 00:10:55,040

pretty nasty stuff when he was taken

273

00:11:01,750 --> 00:10:57,680

and um you know i've described that i

274

00:11:04,710 --> 00:11:01,760

described it in the book and um

275

00:11:08,230 --> 00:11:04,720

you know you know the the fact and look

276

00:11:09,350 --> 00:11:08,240

when when i started working with david

277

00:11:13,670 --> 00:11:09,360

they

278

00:11:15,750 --> 00:11:13,680

that it was okay for him to confer with

279

00:11:18,389 --> 00:11:15,760

me on this

280

00:11:20,230 --> 00:11:18,399

and uh we did and uh

281

00:11:24,389 --> 00:11:20,240

and i believe

282

00:11:27,350 --> 00:11:24,399

the subsequent encounters that i had

283

00:11:29,269 --> 00:11:27,360

later on had something to do with

284

00:11:31,350 --> 00:11:29,279

the relationship between david and them

285

00:11:34,150 --> 00:11:31,360

and me and them as well

286

00:11:36,870 --> 00:11:34,160

so uh yeah but no i i uh it took me

287

00:11:38,790 --> 00:11:36,880

about six months to really

288

00:11:39,990 --> 00:11:38,800

figure david was was telling me the

289

00:11:42,470 --> 00:11:40,000

truth

290

00:11:43,910 --> 00:11:42,480

and i'll be honest i haven't doubted him

291

00:11:45,430 --> 00:11:43,920

at all you know he

292

00:11:47,590 --> 00:11:45,440

some of david's theories are a little

293

00:11:49,350 --> 00:11:47,600

out there sometime but

294

00:11:52,470 --> 00:11:49,360

all in all david

295

00:11:54,230 --> 00:11:52,480

david is not a liar he is he is he does

296

00:11:57,590 --> 00:11:54,240

not like to deceive people that's just

297

00:11:59,509 --> 00:11:57,600

not the way he is so uh he's scientific

298

00:12:00,310 --> 00:11:59,519

guy

299

00:12:02,629 --> 00:12:00,320

uh

300

00:12:05,110 --> 00:12:02,639

moon medicine force

301
00:12:08,629 --> 00:12:05,120
what do you know of wolf beings and

302
00:12:11,990 --> 00:12:08,639
connections to crystals

303
00:12:18,710 --> 00:12:14,870
i think uh it could happen

304
00:12:21,750 --> 00:12:18,720
uh i think some cryptid beings

305
00:12:25,590 --> 00:12:21,760
do have some connection with crystals

306
00:12:27,430 --> 00:12:25,600
in the actual geology itself

307
00:12:29,030 --> 00:12:27,440
um

308
00:12:31,269 --> 00:12:29,040
but you know that's not really something

309
00:12:33,190 --> 00:12:31,279
i've ever looked into and i'm glad you

310
00:12:35,190 --> 00:12:33,200
brought that up because uh maybe that's

311
00:12:37,190 --> 00:12:35,200
something i need to look into

312
00:12:38,550 --> 00:12:37,200
are these sightings around areas where

313
00:12:41,030 --> 00:12:38,560

there's certain minerals or

314

00:12:42,389 --> 00:12:41,040

concentration minerals

315

00:12:44,150 --> 00:12:42,399

you know we've had a lot of sightings

316

00:12:47,509 --> 00:12:44,160

here in pennsylvania

317

00:12:50,150 --> 00:12:47,519

and pennsylvania has

318

00:12:51,590 --> 00:12:50,160

an interesting

319

00:12:53,750 --> 00:12:51,600

bedrock

320

00:12:54,870 --> 00:12:53,760

you know areas i mean it's it's got high

321

00:12:56,550 --> 00:12:54,880

bedrock

322

00:12:59,269 --> 00:12:56,560

just like gettysburg got very high

323

00:13:01,430 --> 00:12:59,279

bedrock granite it's very granule

324

00:13:02,949 --> 00:13:01,440

croppings everywhere but it's got a lot

325

00:13:05,590 --> 00:13:02,959

of quartz too and it's got a lot of

326

00:13:07,030 --> 00:13:05,600

limestone so i i don't know if there's a

327

00:13:09,190 --> 00:13:07,040

connection there

328

00:13:10,550 --> 00:13:09,200

but it's an interesting thought

329

00:13:26,310 --> 00:13:10,560

so

330

00:13:34,069 --> 00:13:28,150

folks you can you know you can ask me

331

00:13:38,389 --> 00:13:36,310

yeah marla says i like black tourmaline

332

00:13:39,670 --> 00:13:38,399

but for some reason favorite green stems

333

00:13:41,030 --> 00:13:39,680

you know everybody's got their own

334

00:13:43,189 --> 00:13:41,040

preference

335

00:13:44,949 --> 00:13:43,199

um

336

00:13:45,990 --> 00:13:44,959

i like the green stones too they're good

337

00:13:49,269 --> 00:13:46,000

healers

338

00:13:51,110 --> 00:13:49,279

for the most part uh malachite

339

00:13:52,870 --> 00:13:51,120

adventurine

340

00:13:55,030 --> 00:13:52,880

uh serif

341

00:13:56,629 --> 00:13:55,040

seraphine

342

00:13:59,030 --> 00:13:56,639

uh

343

00:14:03,590 --> 00:13:59,040

those are excellent

344

00:14:06,870 --> 00:14:03,600

um healing stones but of course black

345

00:14:08,230 --> 00:14:06,880

stones like black tourmaline score and

346

00:14:10,629 --> 00:14:08,240

you know

347

00:14:11,590 --> 00:14:10,639

all black stones have that earth quality

348

00:14:13,430 --> 00:14:11,600

to them

349

00:14:15,430 --> 00:14:13,440

and they're grounding stones they're

350

00:14:16,870 --> 00:14:15,440

protectors

351

00:14:28,230 --> 00:14:16,880

so

352

00:14:37,189 --> 00:14:31,750

is there any evidence of scar skeletal

353

00:14:41,750 --> 00:14:40,710

uh some people seem to think there are

354

00:14:46,949 --> 00:14:41,760

you know

355

00:14:49,030 --> 00:14:46,959

subject of this this skull that was

356

00:14:51,670 --> 00:14:49,040

supposedly found

357

00:14:53,990 --> 00:14:51,680

uh recently

358

00:14:56,470 --> 00:14:54,000

uh and i don't know eventually what what

359

00:14:58,710 --> 00:14:56,480

did they say it was again uh i i don't

360

00:15:01,269 --> 00:14:58,720

remember what they said to be they said

361

00:15:02,949 --> 00:15:01,279

the being was but whatever it was yeah

362

00:15:05,509 --> 00:15:02,959

that's it right there

363

00:15:08,710 --> 00:15:05,519

uh did they think it was a bigfoot or

364

00:15:10,550 --> 00:15:08,720

something i don't know but it looks like

365

00:15:14,230 --> 00:15:10,560

it looks like huey to me

366

00:15:20,629 --> 00:15:17,910

as far as other other uh

367

00:15:21,430 --> 00:15:20,639

other cryptids no i i really don't i you

368

00:15:23,189 --> 00:15:21,440

know

369

00:15:25,509 --> 00:15:23,199

there have people who who said they

370

00:15:28,069 --> 00:15:25,519

found this this and that

371

00:15:34,870 --> 00:15:28,079

but i i don't know of any real evidence

372

00:15:39,430 --> 00:15:37,670

lon i uh this is crowley

373

00:15:43,110 --> 00:15:39,440

i'm obsessed with the

374

00:15:43,120 --> 00:15:46,870

okay i just get lost here

375

00:15:50,790 --> 00:15:48,870

knowing about them you talking about the

376
00:15:51,590 --> 00:15:50,800
kushtaka

377
00:15:55,030 --> 00:15:51,600
from

378
00:15:58,790 --> 00:15:56,069
uh

379
00:16:01,269 --> 00:15:58,800
if it's the kush taka it's like a huge

380
00:16:02,870 --> 00:16:01,279
otter monster

381
00:16:05,189 --> 00:16:02,880
i've had a couple of sighting reports

382
00:16:07,350 --> 00:16:05,199
given to me by some of the intuit

383
00:16:09,910 --> 00:16:07,360
tribes and folks who live in into a

384
00:16:10,870 --> 00:16:09,920
villages especially along the coast the

385
00:16:12,710 --> 00:16:10,880
um

386
00:16:16,389 --> 00:16:12,720
along the bering street

387
00:16:20,829 --> 00:16:18,629
people a lot of people kind of uh

388
00:16:23,430 --> 00:16:20,839

related to lefiva

389

00:16:25,670 --> 00:16:23,440

leviathans but you know

390

00:16:27,110 --> 00:16:25,680

that's more like something that's in the

391

00:16:30,310 --> 00:16:27,120

ocean and such

392

00:16:32,790 --> 00:16:30,320

these kushtak kushtaka are

393

00:16:34,829 --> 00:16:32,800

described as large

394

00:16:36,790 --> 00:16:34,839

otter beings

395

00:16:37,910 --> 00:16:36,800

um

396

00:16:40,069 --> 00:16:37,920

10 foot

397

00:16:42,629 --> 00:16:40,079

and they they seem to chase people and

398

00:16:47,509 --> 00:16:46,069

i i have had uh sightings reports of

399

00:16:48,949 --> 00:16:47,519

people who have been chased by these

400

00:16:49,749 --> 00:16:48,959

things

401

00:16:52,069 --> 00:16:49,759

um

402

00:16:53,990 --> 00:16:52,079

i don't know of anybody who's had a

403

00:16:55,430 --> 00:16:54,000

a really bad encounter with them but i

404

00:16:59,430 --> 00:16:55,440

know they've scared the hell out of a

405

00:17:04,230 --> 00:17:02,629

uh james west

406

00:17:10,390 --> 00:17:04,240

in your opinion what is the best

407

00:17:15,270 --> 00:17:11,909

i i'd say

408

00:17:18,390 --> 00:17:15,280

any stone that feels right to you

409

00:17:20,710 --> 00:17:18,400

and there's different ways to

410

00:17:23,270 --> 00:17:20,720

to kind of scrap of these things people

411

00:17:25,909 --> 00:17:23,280

use all different methods

412

00:17:28,150 --> 00:17:25,919

i i would suggest if you go to a if you

413

00:17:31,750 --> 00:17:28,160

go to a store

414

00:17:33,430 --> 00:17:31,760

uh the metaphysical store or

415

00:17:35,110 --> 00:17:33,440

you know a

416

00:17:36,789 --> 00:17:35,120

crystal store or something

417

00:17:38,789 --> 00:17:36,799

you see something of interest it feels

418

00:17:40,870 --> 00:17:38,799

right to you

419

00:17:42,630 --> 00:17:40,880

then handle it put it in your hand feel

420

00:17:44,470 --> 00:17:42,640

it put it in your palm see if you feel

421

00:17:47,190 --> 00:17:44,480

the vibration

422

00:17:49,190 --> 00:17:47,200

uh

423

00:17:51,430 --> 00:17:49,200

p some people are very sensitive to you

424

00:17:53,029 --> 00:17:51,440

and if it's right for you you'll feel

425

00:17:55,510 --> 00:17:53,039

it

426

00:17:57,110 --> 00:17:55,520

uh i would i would say if you had to

427

00:18:00,549 --> 00:17:57,120

pick one

428

00:18:02,870 --> 00:18:00,559

to keep with you would be a um

429

00:18:05,270 --> 00:18:02,880

a protection stone

430

00:18:07,430 --> 00:18:05,280

now are several protection stones

431

00:18:10,230 --> 00:18:07,440

one that i keep around me at all times

432

00:18:12,630 --> 00:18:10,240

is a black tourmaline

433

00:18:14,870 --> 00:18:12,640

and uh that's uh

434

00:18:17,110 --> 00:18:14,880

that's kind of a basic

435

00:18:18,310 --> 00:18:17,120

protection stone other people keep

436

00:18:21,029 --> 00:18:18,320

others like

437

00:18:22,390 --> 00:18:21,039

uh amethyst which does have a high

438

00:18:23,909 --> 00:18:22,400

vibration

439

00:18:26,470 --> 00:18:23,919

i don't know how much protection but

440

00:18:28,870 --> 00:18:26,480

some people like to feel that others

441

00:18:30,390 --> 00:18:28,880

like to have certain stones by their

442

00:18:33,350 --> 00:18:30,400

bedside

443

00:18:35,750 --> 00:18:33,360

uh rose quartz some people red

444

00:18:37,430 --> 00:18:35,760

carnelians are also

445

00:18:39,430 --> 00:18:37,440

popular

446

00:18:41,669 --> 00:18:39,440

um

447

00:18:43,430 --> 00:18:41,679

you know just so many of them out there

448

00:18:45,190 --> 00:18:43,440

but i always tell people if they if

449

00:18:47,990 --> 00:18:45,200

they're looking for one

450

00:18:49,830 --> 00:18:48,000

to go and handle one and see how it

451
00:18:52,950 --> 00:18:49,840
feels to you

452
00:18:55,430 --> 00:18:52,960
that's that's the best way

453
00:18:57,430 --> 00:18:55,440
david jones locker have you ever done an

454
00:18:58,630 --> 00:18:57,440
exorcism or something

455
00:19:02,310 --> 00:18:58,640
equivalent

456
00:19:06,710 --> 00:19:04,549
i'm not qualified to do an exorcism or

457
00:19:09,110 --> 00:19:06,720
deliverance i don't think i am

458
00:19:11,190 --> 00:19:09,120
i have witnessed it

459
00:19:12,870 --> 00:19:11,200
but i'm not qualified to do it and look

460
00:19:14,150 --> 00:19:12,880
if i get to a case and i've done it on

461
00:19:16,870 --> 00:19:14,160
two occasions

462
00:19:19,990 --> 00:19:16,880
if i get into a case where i believe

463
00:19:21,430 --> 00:19:20,000

that some type of um

464

00:19:24,710 --> 00:19:21,440

divine inter

465

00:19:26,630 --> 00:19:24,720

uh involvement is needed

466

00:19:27,990 --> 00:19:26,640

i'm not going to say it was a demon or

467

00:19:29,669 --> 00:19:28,000

something but it was something beyond

468

00:19:32,150 --> 00:19:29,679

what i could help with or something i

469

00:19:34,150 --> 00:19:32,160

could move on move on

470

00:19:36,230 --> 00:19:34,160

then i suggest to folks that they do

471

00:19:39,590 --> 00:19:36,240

find someone that they believe can help

472

00:19:39,940 --> 00:19:39,600

them now i i don't suggest people

473

00:19:41,430 --> 00:19:39,950

uh

474

00:19:43,750 --> 00:19:41,440

[Music]

475

00:19:46,390 --> 00:19:43,760

you know if there's anybody i would

476

00:19:48,070 --> 00:19:46,400

suggest probably bill beam

477

00:19:49,669 --> 00:19:48,080

uh bill and i have known each other for

478

00:19:51,430 --> 00:19:49,679

a long time

479

00:19:53,270 --> 00:19:51,440

bill's been in the deliverance business

480

00:19:54,630 --> 00:19:53,280

for a long time

481

00:19:57,270 --> 00:19:54,640

uh but

482

00:19:59,430 --> 00:19:57,280

you know i i think every

483

00:20:03,029 --> 00:19:59,440

every deliver or

484

00:20:06,710 --> 00:20:03,039

exorcism or exorcist has their own

485

00:20:08,870 --> 00:20:06,720

niche as far as what they deal with so

486

00:20:10,950 --> 00:20:08,880

uh if you want somebody

487

00:20:12,470 --> 00:20:10,960

or you want to use the catholic rights

488

00:20:14,870 --> 00:20:12,480

and you feel that's part of what you

489

00:20:16,630 --> 00:20:14,880

want to do if you're catholic or

490

00:20:19,430 --> 00:20:16,640

orthodox and that's what you want to do

491

00:20:21,669 --> 00:20:19,440

then i'd say go for the priest who's

492

00:20:23,590 --> 00:20:21,679

who's knowledgeable in it

493

00:20:26,710 --> 00:20:23,600

uh

494

00:20:29,270 --> 00:20:26,720

but you know that's what i would say

495

00:20:33,750 --> 00:20:29,280

but i would never get him i would never

496

00:20:37,890 --> 00:20:36,070

luis what's the sasquatch news for the

497

00:20:39,430 --> 00:20:37,900

gettysburg area um

498

00:20:43,590 --> 00:20:39,440

[Music]

499

00:20:47,669 --> 00:20:45,990

if you go into town

500

00:20:49,750 --> 00:20:47,679

you're co if you're you're coming from

501
00:20:51,350 --> 00:20:49,760
east if you go into gettysburg coming

502
00:20:52,870 --> 00:20:51,360
down route 30

503
00:20:54,710 --> 00:20:52,880
lincoln highway

504
00:20:58,630 --> 00:20:54,720
you go through the square then you stay

505
00:21:00,710 --> 00:20:58,640
on 30 and go west towards um

506
00:21:03,990 --> 00:21:00,720
towards the uh

507
00:21:09,750 --> 00:21:06,710
misha state forest has had a lot of

508
00:21:12,950 --> 00:21:09,760
bigfoot activity over the years

509
00:21:15,270 --> 00:21:12,960
uh i have reports occasionally

510
00:21:18,789 --> 00:21:15,280
of people reporting seeing them on the

511
00:21:22,750 --> 00:21:18,799
side of the road picking up roadkill

512
00:21:26,789 --> 00:21:25,029
a couple people

513
00:21:28,470 --> 00:21:26,799

on the team

514

00:21:32,950 --> 00:21:28,480

have

515

00:21:35,990 --> 00:21:32,960

investigation research areas in misho

516

00:21:38,710 --> 00:21:36,000

uh so it's a hot area it really is i

517

00:21:40,470 --> 00:21:38,720

mean and misho actually extends

518

00:21:43,990 --> 00:21:40,480

south from route 30 almost down to the

519

00:21:45,510 --> 00:21:44,000

maryland line and goes north up into um

520

00:21:47,190 --> 00:21:45,520

to cumberland county around mount

521

00:21:49,350 --> 00:21:47,200

hillary springs is where it kind of ends

522

00:21:51,190 --> 00:21:49,360

at up that way so it's it's a pretty

523

00:21:53,830 --> 00:21:51,200

good sized area

524

00:21:56,789 --> 00:21:53,840

but if you go go on pine furniture road

525

00:21:58,710 --> 00:21:56,799

and go north you'll go right through it

526

00:22:00,549 --> 00:21:58,720

but no that whole uh that whole area's

527

00:22:03,350 --> 00:22:00,559

got a lot of a lot of bigfoot activity

528

00:22:06,070 --> 00:22:03,360

and it's got dog man activity too

529

00:22:08,230 --> 00:22:06,080

uh i got chased out there years ago and

530

00:22:09,750 --> 00:22:08,240

i don't know what it was i was up by the

531

00:22:12,070 --> 00:22:09,760

reservoir

532

00:22:13,590 --> 00:22:12,080

and i had all intentions of going there

533

00:22:15,270 --> 00:22:13,600

and going fishing

534

00:22:16,950 --> 00:22:15,280

and i was young and i had pulled up

535

00:22:19,190 --> 00:22:16,960

there and the weeds were high in there

536

00:22:22,950 --> 00:22:19,200

too and i heard something coming through

537

00:22:24,950 --> 00:22:22,960

and i hadn't even put my my waders on i

538

00:22:26,950 --> 00:22:24,960

i hate hightailed in the car and backed

539

00:22:28,390 --> 00:22:26,960

out of there i left

540

00:22:31,110 --> 00:22:28,400

but that was a lot that was before i

541

00:22:32,870 --> 00:22:31,120

even had my encounter in sykesville

542

00:22:34,390 --> 00:22:32,880

so i wasn't going to stick around find

543

00:22:41,750 --> 00:22:34,400

out what it was because it didn't sound

544

00:22:41,760 --> 00:22:53,430

okay

545

00:22:56,950 --> 00:22:55,590

what qualifies

546

00:22:58,870 --> 00:22:56,960

quantity

547

00:23:02,149 --> 00:22:58,880

the quantities do bones teeth have as

548

00:23:04,789 --> 00:23:02,159

compared to stones i don't know

549

00:23:06,470 --> 00:23:04,799

i don't know i mean you know i i don't

550

00:23:08,390 --> 00:23:06,480

think i don't i don't know if there's

551
00:23:09,830 --> 00:23:08,400
any qualifiers or any

552
00:23:12,230 --> 00:23:09,840
with those

553
00:23:13,750 --> 00:23:12,240
compared to crystals or stones of course

554
00:23:16,950 --> 00:23:13,760
they're all minerals

555
00:23:20,870 --> 00:23:19,350
what is your perception on past life

556
00:23:23,350 --> 00:23:20,880
regression

557
00:23:25,510 --> 00:23:23,360
now well that's an interesting one

558
00:23:26,950 --> 00:23:25,520
because to quite honest with you i don't

559
00:23:30,070 --> 00:23:26,960
refer people

560
00:23:34,149 --> 00:23:30,080
for past life just this regression

561
00:23:38,630 --> 00:23:36,149
i i have a lot of people keep telling me

562
00:23:39,750 --> 00:23:38,640
that i ought to have it done

563
00:23:42,470 --> 00:23:39,760

but

564

00:23:44,950 --> 00:23:42,480

you know maybe i will at some point

565

00:23:46,549 --> 00:23:44,960

i have actually been witness to past

566

00:23:48,830 --> 00:23:46,559

life regression

567

00:23:52,230 --> 00:23:48,840

or several other type of regression

568

00:23:54,230 --> 00:23:52,240

sessions um

569

00:23:56,070 --> 00:23:54,240

it can get pretty hairy

570

00:23:57,909 --> 00:23:56,080

that's all i can say

571

00:24:00,710 --> 00:23:57,919

uh i don't even know if i'd want to

572

00:24:03,029 --> 00:24:00,720

subject myself to that you know it you

573

00:24:06,230 --> 00:24:03,039

know these people

574

00:24:09,269 --> 00:24:06,240

they really go through hell sometimes

575

00:24:12,549 --> 00:24:10,950

i don't know if i'd want to do that but

576

00:24:17,350 --> 00:24:12,559

you know of course somebody may talk me

577

00:24:21,510 --> 00:24:19,750

crawley said my buddy connor flynn told

578

00:24:22,870 --> 00:24:21,520

me to go to the pennsylvania grand

579

00:24:24,710 --> 00:24:22,880

canyon to look

580

00:24:26,710 --> 00:24:24,720

agree or no you know that pennsylvania

581

00:24:28,950 --> 00:24:26,720

grand canyon area is pretty pretty

582

00:24:30,630 --> 00:24:28,960

interesting i've heard a lot of bigfoot

583

00:24:33,909 --> 00:24:30,640

accounts up there

584

00:24:35,830 --> 00:24:33,919

you might want to ask uh

585

00:24:36,789 --> 00:24:35,840

sean forker about he's not far from

586

00:24:38,149 --> 00:24:36,799

there

587

00:24:42,870 --> 00:24:38,159

uh i don't know what kind of reports

588

00:24:47,990 --> 00:24:44,630

i have heard of a few

589

00:24:51,190 --> 00:24:48,000

sightings in fact there was a um

590

00:24:55,669 --> 00:24:51,200

there was a historical encounter with

591

00:24:56,789 --> 00:24:55,679

with upright canines back in the 1870s

592

00:25:00,789 --> 00:24:56,799

with some

593

00:25:02,470 --> 00:25:00,799

some loggers up that area years ago you

594

00:25:04,230 --> 00:25:02,480

know by 1870s

595

00:25:05,430 --> 00:25:04,240

i i don't know how true it was i mean

596

00:25:08,230 --> 00:25:05,440

it's it

597

00:25:10,470 --> 00:25:08,240

you know it maybe it's just

598

00:25:12,310 --> 00:25:10,480

you know some type of lore or some type

599

00:25:14,710 --> 00:25:12,320

of story but

600

00:25:15,830 --> 00:25:14,720

you know it was told to butch and i so

601
00:25:17,830 --> 00:25:15,840
um

602
00:25:36,310 --> 00:25:17,840
i don't know maybe maybe it was true i

603
00:25:39,110 --> 00:25:37,269
uh

604
00:25:40,789 --> 00:25:39,120
yeah thomas says allegheny national

605
00:25:42,390 --> 00:25:40,799
forest a bit holds some good crypt of

606
00:25:45,430 --> 00:25:42,400
honey well there have been a lot of

607
00:25:47,510 --> 00:25:45,440
reports from allegheny natural forest

608
00:25:49,669 --> 00:25:47,520
um

609
00:25:50,710 --> 00:25:49,679
there have been some upright canine

610
00:25:57,430 --> 00:25:50,720
sightings

611
00:25:59,430 --> 00:25:57,440
uh it's pretty vast place

612
00:26:00,950 --> 00:25:59,440
you know you look on the map

613
00:26:02,070 --> 00:26:00,960

and you see this patch of green you

614

00:26:04,310 --> 00:26:02,080

don't think it's really that big but

615

00:26:05,990 --> 00:26:04,320

that place is huge

616

00:26:08,070 --> 00:26:06,000

i haven't been up there in a long time

617

00:26:11,110 --> 00:26:08,080

but it is in the uh

618

00:26:12,070 --> 00:26:11,120

the north west part of the state

619

00:26:14,870 --> 00:26:12,080

uh

620

00:26:16,149 --> 00:26:14,880

between i'd say between clearfield and

621

00:26:18,310 --> 00:26:16,159

uh

622

00:26:19,110 --> 00:26:18,320

and erie

623

00:26:30,950 --> 00:26:19,120

so

624

00:26:39,430 --> 00:26:34,710

uh

625

00:26:41,669 --> 00:26:39,440

say

626
00:26:44,630 --> 00:26:41,679
uh north central

627
00:26:46,710 --> 00:26:44,640
i don't know what county that is

628
00:26:48,230 --> 00:26:46,720
um

629
00:26:49,430 --> 00:26:48,240
i had to look at the map i i don't know

630
00:26:51,029 --> 00:26:49,440
what count as i don't know if it's

631
00:26:53,269 --> 00:26:51,039
lycoming

632
00:26:56,470 --> 00:26:53,279
maybe i don't i don't think it's potter

633
00:27:02,149 --> 00:26:56,480
i think it's east of potter county

634
00:27:07,510 --> 00:27:04,630
can we discuss the recent pale humanoid

635
00:27:09,190 --> 00:27:07,520
settings videos and pictures okay well i

636
00:27:11,430 --> 00:27:09,200
mean which ones in particular i mean

637
00:27:12,870 --> 00:27:11,440
we've had a few come in

638
00:27:13,990 --> 00:27:12,880

um

639

00:27:19,430 --> 00:27:14,000

if you have a

640

00:27:23,590 --> 00:27:21,669

we have had a few there i posted one

641

00:27:24,789 --> 00:27:23,600

today

642

00:27:26,870 --> 00:27:24,799

um

643

00:27:29,110 --> 00:27:26,880

i don't know what that is i it was on it

644

00:27:31,190 --> 00:27:29,120

was on a security camera

645

00:27:33,110 --> 00:27:31,200

so i don't know what they saw it's

646

00:27:35,269 --> 00:27:33,120

pretty interesting

647

00:27:37,830 --> 00:27:35,279

photograph but it's uh i don't know what

648

00:27:42,230 --> 00:27:39,830

what is the most this is from luis uh

649

00:27:46,310 --> 00:27:42,240

what is the most current type of para

650

00:27:49,190 --> 00:27:46,320

crypto ufo going on in at the moment

651
00:27:51,269 --> 00:27:49,200
well for us

652
00:27:54,549 --> 00:27:51,279
we've gotten a lot of

653
00:27:59,750 --> 00:27:56,630
uh we're working four cases in

654
00:28:01,909 --> 00:27:59,760
pennsylvania right now

655
00:28:03,590 --> 00:28:01,919
and i don't think we've ever had that

656
00:28:05,510 --> 00:28:03,600
many at one time

657
00:28:07,590 --> 00:28:05,520
you know it's funny as soon as butch

658
00:28:09,430 --> 00:28:07,600
passes away we start getting these these

659
00:28:12,149 --> 00:28:09,440
cases coming in

660
00:28:15,669 --> 00:28:12,159
i mean i know he'd be going crazy but uh

661
00:28:18,230 --> 00:28:17,029
you know we got some real interesting

662
00:28:20,389 --> 00:28:18,240
ones too

663
00:28:22,950 --> 00:28:20,399

i just got one yesterday it's an old

664

00:28:25,269 --> 00:28:22,960

case up in dauphin county

665

00:28:27,990 --> 00:28:25,279

which is it's west of harrisburg we

666

00:28:31,350 --> 00:28:28,000

don't normally get a lot up that way

667

00:28:34,310 --> 00:28:31,360

uh we got one out at uh french creek

668

00:28:35,510 --> 00:28:34,320

which is berks county pennsylvania

669

00:28:37,750 --> 00:28:35,520

uh

670

00:28:39,029 --> 00:28:37,760

eric mentel's got one out of montgomery

671

00:28:40,149 --> 00:28:39,039

county

672

00:28:45,590 --> 00:28:40,159

and

673

00:28:47,269 --> 00:28:45,600

one

674

00:28:49,510 --> 00:28:47,279

and i think that's that is northern

675

00:28:51,669 --> 00:28:49,520

somerset county i don't know maybe

676

00:28:52,870 --> 00:28:51,679

they can correct me on that but they

677

00:28:55,110 --> 00:28:52,880

were out there once and they're going to

678

00:28:56,789 --> 00:28:55,120

go back out again

679

00:28:59,029 --> 00:28:56,799

but uh yeah i mean that's four of them

680

00:29:06,870 --> 00:28:59,039

are working on now

681

00:29:12,470 --> 00:29:10,230

tommy says tioga county has worn grand

682

00:29:13,830 --> 00:29:12,480

canyon yet i figured something one of

683

00:29:15,269 --> 00:29:13,840

those count it was one of those counties

684

00:29:17,909 --> 00:29:15,279

up there

685

00:29:22,389 --> 00:29:20,470

gene crane winged ones in oklahoma

686

00:29:24,950 --> 00:29:22,399

many settings yeah we do get

687

00:29:30,070 --> 00:29:24,960

occasionally get a sighting up there

688

00:29:35,430 --> 00:29:32,470

oklahoma is a strange state i don't know

689

00:29:37,590 --> 00:29:35,440

what exactly what it is about it

690

00:29:39,190 --> 00:29:37,600

we get a lot of different stuff up there

691

00:29:43,350 --> 00:29:39,200

are out there

692

00:29:45,909 --> 00:29:43,360

uh it's mostly bigfoot or some very

693

00:29:47,430 --> 00:29:45,919

weird bigfoot sightings

694

00:29:50,149 --> 00:29:47,440

uh

695

00:29:52,470 --> 00:29:50,159

we do occasionally get some

696

00:29:54,789 --> 00:29:52,480

either ultratresser or alien sightings

697

00:29:57,830 --> 00:29:54,799

of some type out there

698

00:30:00,470 --> 00:29:57,840

but um as far as winged human noise i

699

00:30:01,909 --> 00:30:00,480

probably have i tell you if i went into

700

00:30:04,470 --> 00:30:01,919

my my

701
00:30:06,630 --> 00:30:04,480
uh in my archives i could probably find

702
00:30:13,430 --> 00:30:06,640
one

703
00:30:18,070 --> 00:30:15,590
nancy malcolm or remote viewers

704
00:30:21,990 --> 00:30:18,080
reporting any interaction with et's or

705
00:30:24,630 --> 00:30:22,789
well

706
00:30:27,590 --> 00:30:24,640
you know i haven't really been

707
00:30:30,310 --> 00:30:27,600
conferring with any rvers

708
00:30:30,320 --> 00:30:33,750
there there are

709
00:30:40,149 --> 00:30:36,710
if you do find an rv or a book related

710
00:30:41,990 --> 00:30:40,159
to rv and remote viewing

711
00:30:43,830 --> 00:30:42,000
most likely you're going to find you're

712
00:30:46,310 --> 00:30:43,840
going to find cases

713
00:30:47,510 --> 00:30:46,320

or sessions where they they do run

714

00:30:49,830 --> 00:30:47,520

across

715

00:30:50,330 --> 00:30:49,840

alien

716

00:30:54,230 --> 00:30:50,340

um

717

00:30:54,240 --> 00:30:57,269

you know i

718

00:31:02,310 --> 00:30:59,830

i don't know i i had one encounter one

719

00:31:04,630 --> 00:31:02,320

time that was in a training session and

720

00:31:06,470 --> 00:31:04,640

i've told you about that and that but

721

00:31:09,029 --> 00:31:06,480

that's the only one that i know of you

722

00:31:10,950 --> 00:31:09,039

know when we tried to rv

723

00:31:13,909 --> 00:31:10,960

david's case

724

00:31:16,149 --> 00:31:13,919

we got shut down three times

725

00:31:18,149 --> 00:31:16,159

uh they detected us somehow and they

726

00:31:21,350 --> 00:31:18,159

shut us down

727

00:31:22,470 --> 00:31:21,360

so it's not that easy to do

728

00:31:23,750 --> 00:31:22,480

um

729

00:31:27,029 --> 00:31:23,760

but

730

00:31:28,870 --> 00:31:27,039

as far as actually

731

00:31:31,350 --> 00:31:28,880

conferring with anybody that has had

732

00:31:33,669 --> 00:31:31,360

encounters with with alien beings or

733

00:31:36,470 --> 00:31:33,679

extraterresters and all

734

00:31:37,669 --> 00:31:36,480

through remove doing

735

00:31:39,110 --> 00:31:37,679

i don't know but i think you could

736

00:31:40,630 --> 00:31:39,120

probably find it if he looked hard

737

00:31:42,789 --> 00:31:40,640

enough

738

00:31:46,149 --> 00:31:42,799

um marla do you think the albatwitch is

739

00:31:49,830 --> 00:31:46,159

just folklore no i think they're real

740

00:31:53,830 --> 00:31:51,590

i think uh

741

00:31:55,190 --> 00:31:53,840

if you talk to tim renner i think he'll

742

00:31:57,669 --> 00:31:55,200

tell you

743

00:32:02,470 --> 00:31:57,679

that they're probably real

744

00:32:03,190 --> 00:32:02,480

uh i had um i've had encounter reports

745

00:32:07,350 --> 00:32:03,200

now

746

00:32:08,630 --> 00:32:07,360

on the the western side of the

747

00:32:10,230 --> 00:32:08,640

susquehanna

748

00:32:12,470 --> 00:32:10,240

most of the albatriches were in the

749

00:32:13,509 --> 00:32:12,480

chicky rock area which is just south of

750

00:32:16,549 --> 00:32:13,519

uh

751
00:32:18,549 --> 00:32:16,559
colombia which is in lancaster county

752
00:32:20,389 --> 00:32:18,559
but i've had uh

753
00:32:22,230 --> 00:32:20,399
i've had some small

754
00:32:25,269 --> 00:32:22,240
being sightings

755
00:32:29,110 --> 00:32:25,279
that were probably not juveniles seen

756
00:32:31,190 --> 00:32:29,120
running through fields and such uh

757
00:32:32,549 --> 00:32:31,200
and i had a real going near redline

758
00:32:35,110 --> 00:32:32,559
pennsylvania

759
00:32:37,590 --> 00:32:35,120
incidentally where

760
00:32:38,870 --> 00:32:37,600
tim actually lives in the area

761
00:32:41,350 --> 00:32:38,880
so uh

762
00:32:43,590 --> 00:32:41,360
we've had some small

763
00:32:45,830 --> 00:32:43,600

upright sightings of you know these type

764

00:32:50,789 --> 00:32:45,840

of beings in the past so i think they

765

00:32:55,350 --> 00:32:53,190

tommy asked any tommy carroll any

766

00:32:58,710 --> 00:32:55,360

connection between cryptids and high

767

00:33:00,630 --> 00:32:58,720

voltage lines substations power lines

768

00:33:02,950 --> 00:33:00,640

yeah i mean

769

00:33:06,630 --> 00:33:02,960

every once in a while

770

00:33:11,350 --> 00:33:09,190

these these cryptid bigfooter upright

771

00:33:12,789 --> 00:33:11,360

canines

772

00:33:15,269 --> 00:33:12,799

in those clearings where you see the

773

00:33:16,710 --> 00:33:15,279

high tension wires going through

774

00:33:18,310 --> 00:33:16,720

uh now are they there just because of

775

00:33:21,590 --> 00:33:18,320

the clearing and they're easy to see or

776

00:33:22,470 --> 00:33:21,600

is it something to do with the um

777

00:33:24,149 --> 00:33:22,480

with the

778

00:33:27,110 --> 00:33:24,159

the high power is coming through the

779

00:33:31,590 --> 00:33:28,549

you know people who live near

780

00:33:33,990 --> 00:33:31,600

high-powered lines

781

00:33:35,990 --> 00:33:34,000

tend to

782

00:33:38,389 --> 00:33:36,000

have a lot of phenomena going on around

783

00:33:40,630 --> 00:33:38,399

them

784

00:33:42,230 --> 00:33:40,640

is it generated because of that or is it

785

00:33:45,269 --> 00:33:42,240

something else you know of course we get

786

00:33:47,190 --> 00:33:45,279

a lot of ufo activity the todd c's case

787

00:33:49,830 --> 00:33:47,200

is perfect example

788

00:33:52,310 --> 00:33:49,840

uh he lived near the um

789

00:33:53,590 --> 00:33:52,320

the high power lines on the montoya

790

00:33:56,470 --> 00:33:53,600

ridge

791

00:33:58,549 --> 00:33:56,480

and that's where the witnesses that had

792

00:34:01,669 --> 00:33:58,559

seen him being abducted had actually

793

00:34:03,990 --> 00:34:01,679

seen the craft over that power line and

794

00:34:05,509 --> 00:34:04,000

since then we've had several settings of

795

00:34:07,269 --> 00:34:05,519

ufos

796

00:34:08,710 --> 00:34:07,279

hovering over those power lines on the

797

00:34:10,470 --> 00:34:08,720

ridge as well

798

00:34:12,069 --> 00:34:10,480

so uh

799

00:34:14,149 --> 00:34:12,079

i i think there's something to that as

800

00:34:15,990 --> 00:34:14,159

far as cryptids goes it could very could

801
00:34:18,230 --> 00:34:16,000
it very well could be

802
00:34:21,270 --> 00:34:18,240
uh but i have had cases where people

803
00:34:23,829 --> 00:34:21,280
have seen them

804
00:34:26,790 --> 00:34:23,839
have you heard of la mana crab like

805
00:34:29,270 --> 00:34:26,800
humanoid it was filmed on cctv in costa

806
00:34:31,109 --> 00:34:29,280
rica last year no that's not that's not

807
00:34:32,829 --> 00:34:31,119
one i know of

808
00:34:35,430 --> 00:34:32,839
if you have any

809
00:34:46,230 --> 00:34:35,440
information uh send it to me i'd be

810
00:34:52,869 --> 00:34:48,710
with nighthook and dawn any good devil

811
00:34:56,550 --> 00:34:54,550
i know people who

812
00:34:57,750 --> 00:34:56,560
that are investigators in pennsylvania

813
00:35:01,349 --> 00:34:57,760

that

814

00:35:04,310 --> 00:35:01,359

know if there are or not i have never

815

00:35:07,109 --> 00:35:04,320

had a report that i thought was one

816

00:35:08,950 --> 00:35:07,119

uh the only really good devil monkey

817

00:35:15,190 --> 00:35:08,960

sighting that i know of i've never

818

00:35:18,790 --> 00:35:17,109

but there do seem to be people that

819

00:35:19,990 --> 00:35:18,800

think they're out here in the east as

820

00:35:21,349 --> 00:35:20,000

well so

821

00:35:36,069 --> 00:35:21,359

i i don't know

822

00:35:39,430 --> 00:35:37,270

yeah folks if you gotta you got

823

00:35:41,430 --> 00:35:39,440

something you want to talk about

824

00:35:43,670 --> 00:35:41,440

please um

825

00:35:44,870 --> 00:35:43,680

please call him do you think james asked

826
00:35:46,870 --> 00:35:44,880
do you think there's a similarity

827
00:35:48,550 --> 00:35:46,880
between the sectoids and crustacean like

828
00:35:50,310 --> 00:35:48,560
beings

829
00:35:55,270 --> 00:35:50,320
i don't think so

830
00:35:57,510 --> 00:35:55,280
these insectoids and this is just from

831
00:35:59,589 --> 00:35:57,520
all the uh information i have gotten

832
00:36:01,030 --> 00:35:59,599
over the years with the inductions and

833
00:36:03,430 --> 00:36:01,040
encounters and such

834
00:36:05,030 --> 00:36:03,440
i i think the insectoids are probably

835
00:36:07,030 --> 00:36:05,040
the hierarchy

836
00:36:09,829 --> 00:36:07,040
of um

837
00:36:10,870 --> 00:36:09,839
of abduction scenarios

838
00:36:13,109 --> 00:36:10,880

uh

839

00:36:15,510 --> 00:36:13,119

many times when we have abductions now

840

00:36:17,589 --> 00:36:15,520

nowadays uh there seems to be three four

841

00:36:21,990 --> 00:36:17,599

or five different type of beings

842

00:36:22,829 --> 00:36:22,000

but i think insectoids are literally

843

00:36:24,550 --> 00:36:22,839

uh

844

00:36:26,310 --> 00:36:24,560

metamorphosized

845

00:36:28,230 --> 00:36:26,320

reptilians

846

00:36:31,109 --> 00:36:28,240

seriously i think

847

00:36:34,550 --> 00:36:31,119

i think they they actually shape-shift

848

00:36:36,950 --> 00:36:34,560

and metamorphosize into reptilian beings

849

00:36:42,150 --> 00:36:39,589

you know when one when one ascends to

850

00:36:43,510 --> 00:36:42,160

being the leader of the hierarchy or

851
00:36:45,190 --> 00:36:43,520
whatever

852
00:36:47,109 --> 00:36:45,200
i think that's what happens i think they

853
00:36:49,990 --> 00:36:47,119
have the ability to do that

854
00:36:52,630 --> 00:36:50,000
and i you know i've heard a few people

855
00:36:55,349 --> 00:36:52,640
tell me something very similar to that

856
00:36:57,990 --> 00:36:55,359
uh that have been involved with uh that

857
00:37:00,630 --> 00:36:58,000
have had abductions and such

858
00:37:02,950 --> 00:37:00,640
uh so you know over time i i believe

859
00:37:05,270 --> 00:37:02,960
from some of the things i have

860
00:37:07,030 --> 00:37:05,280
been told i think that may very well be

861
00:37:13,430 --> 00:37:07,040
what happens

862
00:37:17,430 --> 00:37:15,190
david june's locker what was the biggest

863
00:37:20,390 --> 00:37:17,440

fright of your life in this subject

864

00:37:23,750 --> 00:37:20,400

matter probably

865

00:37:28,310 --> 00:37:23,760

the fright oh jesus

866

00:37:32,310 --> 00:37:30,950

well yeah my ouija board experience when

867

00:37:33,990 --> 00:37:32,320

i was in high school was probably the

868

00:37:36,870 --> 00:37:34,000

most frightening you know the wing

869

00:37:37,829 --> 00:37:36,880

humanoid was pretty frightening but the

870

00:37:39,829 --> 00:37:37,839

um

871

00:37:41,589 --> 00:37:39,839

we had a ouija board experience when i

872

00:37:43,270 --> 00:37:41,599

was in high school

873

00:37:44,550 --> 00:37:43,280

that

874

00:37:46,310 --> 00:37:44,560

was pretty

875

00:37:47,829 --> 00:37:46,320

pretty damn scary

876

00:37:50,470 --> 00:37:47,839

i um

877

00:37:51,750 --> 00:37:50,480

it was i was in my senior year

878

00:37:53,190 --> 00:37:51,760

and you know we used to have house

879

00:37:54,710 --> 00:37:53,200

parties and stuff

880

00:37:56,870 --> 00:37:54,720

and we were down in the basement of this

881

00:37:58,630 --> 00:37:56,880

friend's house and um

882

00:38:00,630 --> 00:37:58,640

i was sitting on the sofa a bunch of

883

00:38:03,510 --> 00:38:00,640

other people around me

884

00:38:04,790 --> 00:38:03,520

and the coffee table we had a ouija

885

00:38:05,910 --> 00:38:04,800

board set up

886

00:38:07,990 --> 00:38:05,920

and there's a bunch of people sitting

887

00:38:10,069 --> 00:38:08,000

around the coffee table

888

00:38:11,270 --> 00:38:10,079

asking questions the ouija board and you

889

00:38:12,950 --> 00:38:11,280

know

890

00:38:15,190 --> 00:38:12,960

so as i'm sitting here watching these

891

00:38:17,190 --> 00:38:15,200

folks there was a guy sitting across the

892

00:38:18,470 --> 00:38:17,200

coffee table from me who kept looking at

893

00:38:19,910 --> 00:38:18,480

me

894

00:38:21,589 --> 00:38:19,920

and i didn't know what the hell this guy

895

00:38:23,430 --> 00:38:21,599

was looking at he gave me a dirty look

896

00:38:26,550 --> 00:38:23,440

the whole time

897

00:38:28,310 --> 00:38:26,560

didn't know who the guy was or anything

898

00:38:30,069 --> 00:38:28,320

and he he just seemed like he was

899

00:38:33,829 --> 00:38:30,079

getting madder and madder as he was

900

00:38:35,430 --> 00:38:33,839

looking at me and as time went by he

901
00:38:39,750 --> 00:38:35,440
eventually

902
00:38:41,670 --> 00:38:39,760
he jumped over the table and attacked me

903
00:38:44,150 --> 00:38:41,680
and i'm trying to pull this guy get this

904
00:38:47,030 --> 00:38:44,160
guy off of me i think i cracked him in

905
00:38:48,390 --> 00:38:47,040
the face one time but he did he did

906
00:38:52,150 --> 00:38:48,400
eventually

907
00:38:53,910 --> 00:38:52,160
like he didn't know of anything had

908
00:38:56,150 --> 00:38:53,920
happened

909
00:38:58,069 --> 00:38:56,160
and uh

910
00:39:01,030 --> 00:38:58,079
you know i didn't know what was going on

911
00:39:03,030 --> 00:39:01,040
you know the ouija board my dad had a

912
00:39:04,870 --> 00:39:03,040
hobby shop he used to sell ouija boards

913
00:39:07,030 --> 00:39:04,880

in his hobby shop

914

00:39:08,710 --> 00:39:07,040

uh so uh and he used to sell the

915

00:39:10,310 --> 00:39:08,720

original ones the ones that were in the

916

00:39:11,750 --> 00:39:10,320

black box

917

00:39:12,710 --> 00:39:11,760

i don't know if people remember those

918

00:39:16,150 --> 00:39:12,720

that were

919

00:39:19,349 --> 00:39:18,150

who was a company in baltimore made

920

00:39:23,030 --> 00:39:19,359

those things i forget what they were

921

00:39:24,470 --> 00:39:23,040

well anyway he did so anyway but just

922

00:39:26,390 --> 00:39:24,480

you know this

923

00:39:27,589 --> 00:39:26,400

everybody was freaking out when this guy

924

00:39:29,990 --> 00:39:27,599

jumpman

925

00:39:31,430 --> 00:39:30,000

and uh i don't know why i don't know why

926
00:39:32,550 --> 00:39:31,440
he got mad but he didn't remember

927
00:39:34,230 --> 00:39:32,560
anything

928
00:39:37,430 --> 00:39:34,240
but then

929
00:39:39,750 --> 00:39:37,440
maybe about 15 minutes later

930
00:39:41,190 --> 00:39:39,760
uh no you know nobody was playing the

931
00:39:42,870 --> 00:39:41,200
ouija board they were doing some other

932
00:39:44,069 --> 00:39:42,880
stuff we were drinking i you know i'll

933
00:39:45,270 --> 00:39:44,079
admit to that we were down there

934
00:39:47,589 --> 00:39:45,280
drinking

935
00:39:50,310 --> 00:39:47,599
and it was probably about 20 of us down

936
00:39:52,230 --> 00:39:50,320
there pretty good size rec room

937
00:39:54,230 --> 00:39:52,240
and we

938
00:39:56,390 --> 00:39:54,240

we started to notice

939

00:39:58,630 --> 00:39:56,400

that the blanchette

940

00:39:59,670 --> 00:39:58,640

was hovering above the board at one

941

00:40:01,670 --> 00:39:59,680

point

942

00:40:04,150 --> 00:40:01,680

it was probably

943

00:40:05,910 --> 00:40:04,160

about a foot and a half above the board

944

00:40:09,190 --> 00:40:05,920

it was just hovering there

945

00:40:11,589 --> 00:40:09,200

and everybody freaked out

946

00:40:13,829 --> 00:40:11,599

and we all started backing up toward the

947

00:40:15,190 --> 00:40:13,839

bar in the back of the room watching

948

00:40:16,950 --> 00:40:15,200

this thing hover

949

00:40:19,270 --> 00:40:16,960

above the board

950

00:40:20,630 --> 00:40:19,280

and girls screaming and

951
00:40:22,230 --> 00:40:20,640
people trying to

952
00:40:24,710 --> 00:40:22,240
get out of there and all of a sudden

953
00:40:27,349 --> 00:40:24,720
this this blanche planchette

954
00:40:29,910 --> 00:40:27,359
slammed down onto the board

955
00:40:31,910 --> 00:40:29,920
and just busted up in pieces

956
00:40:33,670 --> 00:40:31,920
and you never seen so damn many kids

957
00:40:34,790 --> 00:40:33,680
flying up the stairs he does all that

958
00:40:36,790 --> 00:40:34,800
day

959
00:40:38,230 --> 00:40:36,800
and i'll admit i was scared i didn't

960
00:40:39,829 --> 00:40:38,240
know what the hell the thing but that

961
00:40:41,430 --> 00:40:39,839
was that was probably the most

962
00:40:43,270 --> 00:40:41,440
frightening out

963
00:40:45,190 --> 00:40:43,280

incident i ever you know

964

00:40:48,790 --> 00:40:45,200

quick incident

965

00:40:51,190 --> 00:40:48,800

i i never forgot it and uh

966

00:40:54,550 --> 00:40:51,200

so uh but yeah that was my experience

967

00:40:56,150 --> 00:40:54,560

with a ouija board and and as sean sean

968

00:40:59,109 --> 00:40:56,160

for can tell you i hate those damn

969

00:41:01,829 --> 00:40:59,119

things i i never have liked them

970

00:41:03,589 --> 00:41:01,839

so um yeah

971

00:41:08,069 --> 00:41:03,599

luis castillo what was the current

972

00:41:11,349 --> 00:41:09,750

you know we haven't had a sighting in

973

00:41:13,670 --> 00:41:11,359

around chicago

974

00:41:16,150 --> 00:41:13,680

in about a month or so

975

00:41:18,630 --> 00:41:16,160

so i don't know what's going on i hope

976
00:41:21,430 --> 00:41:18,640
we will have more

977
00:41:22,950 --> 00:41:21,440
but of course you know people

978
00:41:25,190 --> 00:41:22,960
people are being threatened with their

979
00:41:27,270 --> 00:41:25,200
jobs out there at the airport so

980
00:41:29,990 --> 00:41:27,280
i don't know if that's kind of put a

981
00:41:31,670 --> 00:41:30,000
crimp in some of the reports or not

982
00:41:33,910 --> 00:41:31,680
um but we really haven't been getting

983
00:41:35,589 --> 00:41:33,920
any wing humanoid reports anywhere

984
00:41:36,550 --> 00:41:35,599
lately so i don't know what that's all

985
00:41:38,230 --> 00:41:36,560
about

986
00:41:40,390 --> 00:41:38,240
it's interesting you know well it's

987
00:41:42,309 --> 00:41:40,400
funny how we do get reports of one thing

988
00:41:44,470 --> 00:41:42,319

and then something else they kind of

989

00:41:46,870 --> 00:41:44,480

come in bunches i mean it seems now

990

00:41:49,190 --> 00:41:46,880

we're getting more canine cryptids as

991

00:41:50,550 --> 00:41:49,200

opposed to anything else and that'll

992

00:41:52,870 --> 00:41:50,560

probably change

993

00:41:55,030 --> 00:41:52,880

so maybe we'll get a flurry of

994

00:42:04,230 --> 00:41:55,040

wing humanoid reports and you just never

995

00:42:04,240 --> 00:42:13,430

anybody got any other

996

00:42:27,430 --> 00:42:15,030

are you taking a call is that what

997

00:42:32,309 --> 00:42:29,750

okay well we'll see james james west

998

00:42:34,470 --> 00:42:32,319

asks what do you think shadow people are

999

00:42:36,790 --> 00:42:34,480

well

1000

00:42:38,470 --> 00:42:36,800

i i don't think they're spirit beings i

1001
00:42:40,950 --> 00:42:38,480
i think they're

1002
00:42:43,430 --> 00:42:40,960
uh i think there's something non-human

1003
00:42:47,030 --> 00:42:43,440
that they don't

1004
00:42:52,309 --> 00:42:49,589
the earth plane or not from where we are

1005
00:42:54,710 --> 00:42:52,319
they're not that thing to do with humans

1006
00:42:55,990 --> 00:42:54,720
i think they're almost like a virus if

1007
00:42:57,510 --> 00:42:56,000
you want to call it that because they

1008
00:43:02,550 --> 00:42:57,520
just seem to be

1009
00:43:06,630 --> 00:43:04,870
to dysfunction

1010
00:43:08,470 --> 00:43:06,640
you know i've always given this is this

1011
00:43:10,470 --> 00:43:08,480
example you know these things could be

1012
00:43:13,190 --> 00:43:10,480
walking down the road

1013
00:43:16,390 --> 00:43:13,200

looking for

1014

00:43:18,710 --> 00:43:16,400

some type of energy or life force to

1015

00:43:21,510 --> 00:43:18,720

to use to keep them

1016

00:43:23,510 --> 00:43:21,520

viable and they'll go down walk down the

1017

00:43:25,349 --> 00:43:23,520

street in their house on each side and

1018

00:43:27,109 --> 00:43:25,359

they kind of pick

1019

00:43:27,910 --> 00:43:27,119

pick the house where there's dysfunction

1020

00:43:32,470 --> 00:43:27,920

or

1021

00:43:33,750 --> 00:43:32,480

household and i think that's where they

1022

00:43:34,010 --> 00:43:33,760

they go to

1023

00:43:35,510 --> 00:43:34,020

uh

1024

00:43:38,230 --> 00:43:35,520

[Music]

1025

00:43:41,349 --> 00:43:38,240

they're they're not they're not good

1026
00:43:43,430 --> 00:43:41,359
beings i mean they're very dangerous

1027
00:43:45,510 --> 00:43:43,440
so um

1028
00:43:47,030 --> 00:43:45,520
you know i i've seen a lot of examples

1029
00:43:51,030 --> 00:43:47,040
where people actually believe they've

1030
00:43:55,190 --> 00:43:53,030
okay we've got a record we've got a

1031
00:43:57,990 --> 00:43:55,200
we've got a caller she wants to uh come

1032
00:44:00,309 --> 00:43:58,000
in and tell you about a winged humanoid

1033
00:44:01,910 --> 00:44:00,319
sighting that she's had okay uh now

1034
00:44:03,670 --> 00:44:01,920
she's got a little bit of a hearing

1035
00:44:07,990 --> 00:44:03,680
problem so if you can just speak up for

1036
00:44:11,030 --> 00:44:08,000
her okay i'm gonna patch her in now

1037
00:44:13,349 --> 00:44:11,040
go ahead and say hello to everybody

1038
00:44:14,870 --> 00:44:13,359

hello everybody

1039

00:44:15,829 --> 00:44:14,880

go ahead and tell us what you what you

1040

00:44:17,589 --> 00:44:15,839

saw

1041

00:44:23,030 --> 00:44:17,599

yes

1042

00:44:25,349 --> 00:44:23,040

hello

1043

00:44:26,150 --> 00:44:25,359

yeah they can hear you

1044

00:44:30,470 --> 00:44:26,160

okay

1045

00:44:33,430 --> 00:44:30,480

you're not listening to the radio show

1046

00:44:35,190 --> 00:44:33,440

still that's okay go ahead

1047

00:44:38,710 --> 00:44:35,200

okay so let me just tell my story tell

1048

00:44:44,470 --> 00:44:42,550

hello yes we're all ears tell your story

1049

00:44:47,910 --> 00:44:44,480

okay well this happened

1050

00:44:50,710 --> 00:44:47,920

i'm 62 years old now

1051
00:44:52,390 --> 00:44:50,720
and i can remember every detail of that

1052
00:44:54,550 --> 00:44:52,400
day i can't tell you what happened the

1053
00:44:55,750 --> 00:44:54,560
day before or actually the day after but

1054
00:44:57,190 --> 00:44:55,760
that day

1055
00:45:00,069 --> 00:44:57,200
i can tell you

1056
00:45:03,109 --> 00:45:00,079
i was at vacation bible school we went

1057
00:45:03,829 --> 00:45:03,119
on like a little field trip that

1058
00:45:05,829 --> 00:45:03,839
um it was day

1059
00:45:06,950 --> 00:45:05,839
week before fourth of july

1060
00:45:09,349 --> 00:45:06,960
we were going to be going to my

1061
00:45:11,750 --> 00:45:09,359
grandparents in odessa texas i lived in

1062
00:45:15,910 --> 00:45:11,760
enoch oklahoma

1063
00:45:18,390 --> 00:45:15,920

and we lived at 501 west market street

1064

00:45:20,309 --> 00:45:18,400

now it's called 501 west

1065

00:45:21,990 --> 00:45:20,319

owen k garriott road so if you want to

1066

00:45:25,349 --> 00:45:22,000

google it

1067

00:45:26,390 --> 00:45:25,359

and look at it now it is a um

1068

00:45:28,069 --> 00:45:26,400

like a

1069

00:45:30,230 --> 00:45:28,079

like

1070

00:45:31,510 --> 00:45:30,240

a plastic surgery place there now on the

1071

00:45:32,790 --> 00:45:31,520

corner i think it was on the corner of

1072

00:45:35,510 --> 00:45:32,800

jefferson

1073

00:45:36,950 --> 00:45:35,520

and market well owen k garriott and

1074

00:45:38,230 --> 00:45:36,960

there's an alley

1075

00:45:39,190 --> 00:45:38,240

okay

1076

00:45:43,190 --> 00:45:39,200

and

1077

00:45:45,430 --> 00:45:43,200

with two friends

1078

00:45:46,790 --> 00:45:45,440

one's name is mike the other's name was

1079

00:45:50,710 --> 00:45:46,800

sue

1080

00:45:52,069 --> 00:45:50,720

went to the left because she looked to

1081

00:45:53,750 --> 00:45:52,079

the left of block

1082

00:45:55,990 --> 00:45:53,760

mike lived he went straight because he

1083

00:45:57,990 --> 00:45:56,000

lived a walk down state street and i

1084

00:46:01,510 --> 00:45:58,000

went to the right because i lived on the

1085

00:46:03,829 --> 00:46:01,520

corner of jefferson and owen k garriott

1086

00:46:05,510 --> 00:46:03,839

on market street

1087

00:46:07,349 --> 00:46:05,520

and the alley

1088

00:46:09,589 --> 00:46:07,359

across the alley

1089

00:46:10,870 --> 00:46:09,599

and i saw something out of the corner of

1090

00:46:11,750 --> 00:46:10,880

my eye

1091

00:46:14,069 --> 00:46:11,760

now

1092

00:46:15,030 --> 00:46:14,079

it was still light out it was about 4 4

1093

00:46:18,309 --> 00:46:15,040

30.

1094

00:46:19,750 --> 00:46:18,319

and in the summertime it's still light

1095

00:46:23,589 --> 00:46:19,760

and

1096

00:46:25,190 --> 00:46:23,599

squatted down

1097

00:46:26,870 --> 00:46:25,200

and at first i thought it had like a

1098

00:46:29,109 --> 00:46:26,880

blanket over it

1099

00:46:30,550 --> 00:46:29,119

i couldn't figure it out

1100

00:46:32,550 --> 00:46:30,560

and then you know and i know the

1101

00:46:33,829 --> 00:46:32,560

sighting only would last a very few

1102

00:46:35,349 --> 00:46:33,839

seconds

1103

00:46:37,430 --> 00:46:35,359

um

1104

00:46:38,630 --> 00:46:37,440

and i looked

1105

00:46:40,309 --> 00:46:38,640

and

1106

00:46:41,750 --> 00:46:40,319

its eyes were black okay this is the

1107

00:46:43,270 --> 00:46:41,760

most warm books i think if they would

1108

00:46:45,109 --> 00:46:43,280

have been around at that point i would

1109

00:46:45,990 --> 00:46:45,119

have remembered that

1110

00:46:47,510 --> 00:46:46,000

and

1111

00:46:49,349 --> 00:46:47,520

i think i went with a blanket it was

1112

00:46:50,470 --> 00:46:49,359

wings

1113

00:46:52,550 --> 00:46:50,480

and

1114

00:46:54,829 --> 00:46:52,560

i don't know how tall i was then i mean

1115

00:46:56,470 --> 00:46:54,839

i'm only 5'4 now

1116

00:46:58,950 --> 00:46:56,480

so

1117

00:47:00,950 --> 00:46:58,960

tall i was at that age

1118

00:47:02,870 --> 00:47:00,960

and i'm gonna say it was about the same

1119

00:47:05,190 --> 00:47:02,880

height as me squatted down with the

1120

00:47:07,510 --> 00:47:05,200

wings around itself

1121

00:47:09,670 --> 00:47:07,520

and when i looked at it

1122

00:47:12,150 --> 00:47:09,680

the wings went to the back and it

1123

00:47:13,910 --> 00:47:12,160

started to stand up

1124

00:47:15,990 --> 00:47:13,920

and now

1125

00:47:18,230 --> 00:47:16,000

i never saw its legs so if you can

1126

00:47:21,030 --> 00:47:18,240

imagine seeing something rise

1127

00:47:24,870 --> 00:47:22,630

you kind of know what i'm trying to say

1128

00:47:27,829 --> 00:47:24,880

there but never looking down as it's

1129

00:47:30,069 --> 00:47:27,839

rising i'm seeing it okay

1130

00:47:32,549 --> 00:47:30,079

and it has arms

1131

00:47:33,349 --> 00:47:32,559

the wings are now in the back

1132

00:47:38,549 --> 00:47:33,359

it's

1133

00:47:40,710 --> 00:47:38,559

light black but not gray but not black

1134

00:47:43,190 --> 00:47:40,720

black

1135

00:47:44,309 --> 00:47:43,200

and having

1136

00:47:46,390 --> 00:47:44,319

faith

1137

00:47:48,069 --> 00:47:46,400

and i don't laugh about this but its

1138

00:47:49,990 --> 00:47:48,079

nose reminded me of michael jackson

1139

00:47:51,750 --> 00:47:50,000

after surgery

1140

00:47:53,510 --> 00:47:51,760

first time i saw michael jackson's nose

1141

00:47:55,270 --> 00:47:53,520

i thought of this thing

1142

00:47:57,270 --> 00:47:55,280

and i mean

1143

00:47:59,510 --> 00:47:57,280

i had a hard time looking at michael

1144

00:48:01,910 --> 00:47:59,520

jackson after that

1145

00:48:03,430 --> 00:48:01,920

um and i did not put down the michael

1146

00:48:05,030 --> 00:48:03,440

jackson either

1147

00:48:07,190 --> 00:48:05,040

um

1148

00:48:10,230 --> 00:48:07,200

it is i thought it was the devil

1149

00:48:12,150 --> 00:48:10,240

i truly thought it was the devil

1150

00:48:13,510 --> 00:48:12,160

as it stood up it had like a six-pack

1151
00:48:15,589 --> 00:48:13,520
stomach i didn't know what a six-pack

1152
00:48:17,349 --> 00:48:15,599
stomach was said

1153
00:48:19,750 --> 00:48:17,359
and it's armed

1154
00:48:20,549 --> 00:48:19,760
it was holding something in its arm

1155
00:48:22,870 --> 00:48:20,559
now

1156
00:48:24,950 --> 00:48:22,880
there had been a gentleman who lived

1157
00:48:27,109 --> 00:48:24,960
like a block away from us who raised

1158
00:48:28,790 --> 00:48:27,119
rabbits and he passed away and his

1159
00:48:30,710 --> 00:48:28,800
family let all the rabbits out when

1160
00:48:32,069 --> 00:48:30,720
rabbits doing what they do best they you

1161
00:48:34,870 --> 00:48:32,079
know populate

1162
00:48:36,710 --> 00:48:34,880
but we didn't have any black rabbits

1163
00:48:38,630 --> 00:48:36,720

they were all like white

1164

00:48:41,750 --> 00:48:38,640

and brown teller i believe there was no

1165

00:48:43,270 --> 00:48:41,760

all black rabbits but it was holding

1166

00:48:44,710 --> 00:48:43,280

was black

1167

00:48:46,790 --> 00:48:44,720

in its arm

1168

00:48:48,630 --> 00:48:46,800

and it looked like it was circling

1169

00:48:50,870 --> 00:48:48,640

on a tip

1170

00:48:54,309 --> 00:48:50,880

and i know you don't believe me i know

1171

00:48:56,630 --> 00:48:54,319

and i swear to god i know what i saw

1172

00:48:58,150 --> 00:48:56,640

i pissed my pets

1173

00:49:00,630 --> 00:48:58,160

i have never ran

1174

00:49:03,270 --> 00:49:00,640

so fast and i remember hitting the back

1175

00:49:04,710 --> 00:49:03,280

gate sometimes stuck i think i hit it so

1176
00:49:07,829 --> 00:49:04,720
hard that i actually knocked one of the

1177
00:49:09,349 --> 00:49:07,839
hinges off my mother's little dog it was

1178
00:49:11,430 --> 00:49:09,359
a half a

1179
00:49:14,069 --> 00:49:11,440
wiener dog and half chihuahua buster

1180
00:49:16,309 --> 00:49:14,079
brown picked that dog up so fast

1181
00:49:18,390 --> 00:49:16,319
and ran into the back porch and i don't

1182
00:49:19,990 --> 00:49:18,400
know that's in we had like screen hidden

1183
00:49:21,349 --> 00:49:20,000
porches i remember walking this green

1184
00:49:22,390 --> 00:49:21,359
door like that was roasted to stop

1185
00:49:24,309 --> 00:49:22,400
something

1186
00:49:26,710 --> 00:49:24,319
and going into the back door into the

1187
00:49:28,950 --> 00:49:26,720
kitchen and into the dining room and my

1188
00:49:31,270 --> 00:49:28,960

mother just looked at me like

1189

00:49:34,390 --> 00:49:31,280

what's wrong with you

1190

00:49:36,870 --> 00:49:34,400

and i i just said the devil

1191

00:49:39,109 --> 00:49:36,880

i'm thinking now as an adult she must

1192

00:49:41,430 --> 00:49:39,119

have thought i was crazy

1193

00:49:43,750 --> 00:49:41,440

that my heart was beating so hard she

1194

00:49:45,910 --> 00:49:43,760

could hear it my mother was a nurse

1195

00:49:47,829 --> 00:49:45,920

my dad was a medic in the army for 28

1196

00:49:49,829 --> 00:49:47,839

years he thought maybe i had sun stroke

1197

00:49:51,030 --> 00:49:49,839

or heat stroke

1198

00:49:53,829 --> 00:49:51,040

um

1199

00:49:55,589 --> 00:49:53,839

they do believe that i did see something

1200

00:49:58,870 --> 00:49:55,599

they don't know what i saw

1201
00:50:01,190 --> 00:49:58,880
a mother said it wasn't a dog i said no

1202
00:50:03,510 --> 00:50:01,200
now here's the thing

1203
00:50:06,309 --> 00:50:03,520
if it was alive and okay and then as it

1204
00:50:08,150 --> 00:50:06,319
got raised up i did not see any like

1205
00:50:08,950 --> 00:50:08,160
genitalia or anything like that all

1206
00:50:11,510 --> 00:50:08,960
right

1207
00:50:13,990 --> 00:50:11,520
and breast didn't really have breasts

1208
00:50:15,990 --> 00:50:14,000
it had nipples but not breasts

1209
00:50:17,829 --> 00:50:16,000
i looked up as i kept looking at what

1210
00:50:18,790 --> 00:50:17,839
was in its arm

1211
00:50:19,990 --> 00:50:18,800
and

1212
00:50:21,670 --> 00:50:20,000
it had a little

1213
00:50:23,910 --> 00:50:21,680

thing had a little arm

1214

00:50:25,829 --> 00:50:23,920

but and then i looked up at his face and

1215

00:50:29,030 --> 00:50:25,839

his eyes were wet

1216

00:50:31,190 --> 00:50:29,040

and that's when i urinated on myself

1217

00:50:33,349 --> 00:50:31,200

and i took off

1218

00:50:34,950 --> 00:50:33,359

and i had to run across mrs weber's yard

1219

00:50:36,549 --> 00:50:34,960

i remember

1220

00:50:37,829 --> 00:50:36,559

because you know you never went on mrs

1221

00:50:38,829 --> 00:50:37,839

weber's yard

1222

00:50:41,990 --> 00:50:38,839

i didn't

1223

00:50:44,630 --> 00:50:42,000

care and across our like our driveway

1224

00:50:46,870 --> 00:50:44,640

were closed because gorgeous back then

1225

00:50:51,510 --> 00:50:46,880

they weren't attached they older homes

1226

00:50:53,670 --> 00:50:51,520

and hit that gate and i was inside

1227

00:50:55,990 --> 00:50:53,680

wow i don't know if you guys know what

1228

00:50:58,390 --> 00:50:56,000

rollaway beds are that i slept in my

1229

00:51:00,390 --> 00:50:58,400

parents room on a rollaway bed i mean my

1230

00:51:02,630 --> 00:51:00,400

father keep the shotgun my mother keep

1231

00:51:04,470 --> 00:51:02,640

her shotgun and

1232

00:51:05,829 --> 00:51:04,480

i wanted a shotgun they wouldn't give me

1233

00:51:08,230 --> 00:51:05,839

one

1234

00:51:10,230 --> 00:51:08,240

hey uh visit ask her what kind of wings

1235

00:51:12,309 --> 00:51:10,240

i know i know what i saw

1236

00:51:14,790 --> 00:51:12,319

yeah that's what kind of wings

1237

00:51:17,910 --> 00:51:14,800

it stood up and its wings came out

1238

00:51:21,589 --> 00:51:17,920

what kind of wings did it have

1239

00:51:25,030 --> 00:51:23,270

if i okay to give a description it would

1240

00:51:25,990 --> 00:51:25,040

be more like batwings like you know like

1241

00:51:28,230 --> 00:51:26,000

a bat

1242

00:51:30,390 --> 00:51:28,240

like a big bat

1243

00:51:32,470 --> 00:51:30,400

this wasn't that

1244

00:51:33,910 --> 00:51:32,480

just not a bat now i did not see any

1245

00:51:39,270 --> 00:51:33,920

ears

1246

00:51:41,190 --> 00:51:39,280

well that's fascinating thank you so

1247

00:51:44,950 --> 00:51:41,200

much

1248

00:51:47,109 --> 00:51:44,960

i do know it i i know what i saw

1249

00:51:49,270 --> 00:51:47,119

wow thank you i hope that people believe

1250

00:51:51,109 --> 00:51:49,280

me yeah thank you that's interesting

1251
00:51:53,910 --> 00:51:51,119
here's the scary thing

1252
00:51:55,430 --> 00:51:53,920
that was a baby

1253
00:51:57,430 --> 00:51:55,440
there's more than one

1254
00:51:58,710 --> 00:51:57,440
right

1255
00:52:00,309 --> 00:51:58,720
so

1256
00:52:01,750 --> 00:52:00,319
anyway i think that you are the all

1257
00:52:03,109 --> 00:52:01,760
expert on the wing ones and i've always

1258
00:52:05,270 --> 00:52:03,119
wanted to talk to you about that so i

1259
00:52:07,349 --> 00:52:05,280
did now and my heart's racing just as

1260
00:52:08,950 --> 00:52:07,359
hard i think now it's good then so thank

1261
00:52:11,349 --> 00:52:08,960
you for listening well tell her i

1262
00:52:12,870 --> 00:52:11,359
appreciate it vincent well thank you so

1263
00:52:15,109 --> 00:52:12,880

much you have a lovely night and thank

1264

00:52:17,670 --> 00:52:15,119

you for calling in

1265

00:52:19,589 --> 00:52:17,680

okay thank you right bye

1266

00:52:21,829 --> 00:52:19,599

well that's interesting

1267

00:52:24,870 --> 00:52:21,839

uh i don't think i've ever had one with

1268

00:52:26,470 --> 00:52:24,880

a maybe a young youngster

1269

00:52:30,390 --> 00:52:26,480

nonetheless i mean

1270

00:52:34,790 --> 00:52:30,400

nevertheless suckling on on a nipple or

1271

00:52:37,430 --> 00:52:34,800

being fed uh that's an interesting one

1272

00:52:41,910 --> 00:52:39,030

i'm gonna have to trans get that one

1273

00:52:49,670 --> 00:52:41,920

transcribed because that's

1274

00:52:51,990 --> 00:52:50,470

yeah

1275

00:52:53,750 --> 00:52:52,000

folks what do you think about that i

1276

00:52:55,670 --> 00:52:53,760

mean put it up in the chat if you've got

1277

00:52:57,430 --> 00:52:55,680

any comments on that

1278

00:52:58,710 --> 00:52:57,440

in the meantime

1279

00:53:00,549 --> 00:52:58,720

uh

1280

00:53:02,230 --> 00:53:00,559

william nighthawk said do you believe in

1281

00:53:04,069 --> 00:53:02,240

vampires did you know that vince is a

1282

00:53:05,829 --> 00:53:04,079

vampire well vince has never told me

1283

00:53:08,390 --> 00:53:05,839

he's a vampire so i don't know if he is

1284

00:53:10,150 --> 00:53:08,400

or not but do i believe in vampires i

1285

00:53:12,390 --> 00:53:10,160

believe in psychic vampires i don't

1286

00:53:13,910 --> 00:53:12,400

necessarily believe in

1287

00:53:15,589 --> 00:53:13,920

something going around biting your neck

1288

00:53:17,690 --> 00:53:15,599

and sucking blood

1289

00:53:19,270 --> 00:53:17,700

don't tell my secrets out there

1290

00:53:21,589 --> 00:53:19,280

[Laughter]

1291

00:53:25,109 --> 00:53:21,599

well what what an intriguing guess that

1292

00:53:27,190 --> 00:53:25,119

was wow yeah that was interesting uh

1293

00:53:33,910 --> 00:53:27,200

yeah

1294

00:53:33,920 --> 00:53:37,349

i'll remember that one

1295

00:53:41,349 --> 00:53:39,430

uh david jones asks have you ever

1296

00:53:43,589 --> 00:53:41,359

experienced a demonically possessed

1297

00:53:45,430 --> 00:53:43,599

person you know

1298

00:53:47,829 --> 00:53:45,440

like you said like people know i don't

1299

00:53:49,270 --> 00:53:47,839

like to talk and say demons i be very

1300

00:53:51,510 --> 00:53:49,280

evil yeah

1301

00:53:52,870 --> 00:53:51,520

yeah we we've experienced some very evil

1302

00:53:54,790 --> 00:53:52,880

beings

1303

00:53:56,950 --> 00:53:54,800

uh so um

1304

00:53:58,790 --> 00:53:56,960

you know and possessions and

1305

00:54:00,069 --> 00:53:58,800

oppressions and they all come at

1306

00:54:02,870 --> 00:54:00,079

different levels

1307

00:54:04,069 --> 00:54:02,880

uh as far as seeing someone actually

1308

00:54:06,390 --> 00:54:04,079

possessed

1309

00:54:09,349 --> 00:54:06,400

i don't think i've really

1310

00:54:11,589 --> 00:54:09,359

gotten to that point with with anybody

1311

00:54:14,630 --> 00:54:11,599

uh

1312

00:54:15,910 --> 00:54:14,640

but i i know people have been impressed

1313

00:54:17,510 --> 00:54:15,920

and have

1314

00:54:21,510 --> 00:54:17,520

literally

1315

00:54:23,750 --> 00:54:21,520

shape-shifted to a point where

1316

00:54:25,670 --> 00:54:23,760

their v their face will change and their

1317

00:54:27,910 --> 00:54:25,680

manner will change

1318

00:54:29,910 --> 00:54:27,920

i had a client who started speaking

1319

00:54:32,069 --> 00:54:29,920

tongues at one point

1320

00:54:33,910 --> 00:54:32,079

so where they possessed i don't know but

1321

00:54:39,510 --> 00:54:33,920

i i it was pretty bizarre because their

1322

00:54:47,990 --> 00:54:41,190

am i missing any

1323

00:54:52,230 --> 00:54:49,990

my comment thing is jumping around here

1324

00:54:53,349 --> 00:54:52,240

like crazy

1325

00:55:03,589 --> 00:54:53,359

if you want to

1326
00:55:08,870 --> 00:55:06,390
anybody else have any questions or want

1327
00:55:11,430 --> 00:55:08,880
to call in with their encounter

1328
00:55:13,190 --> 00:55:11,440
you know it's fine with me if you if you

1329
00:55:30,710 --> 00:55:13,200
want to go longer we will if you have

1330
00:55:34,470 --> 00:55:33,589
okay well

1331
00:55:37,030 --> 00:55:34,480
uh

1332
00:55:39,670 --> 00:55:37,040
has anyone in amy crew asked anyone in

1333
00:55:41,589 --> 00:55:39,680
your team re had recent communication

1334
00:55:44,309 --> 00:55:41,599
from the wing ones you know i was

1335
00:55:48,789 --> 00:55:44,319
talking about that tonight with um

1336
00:55:52,150 --> 00:55:48,799
with jennifer and bernadette has

1337
00:55:53,589 --> 00:55:52,160
has had a little bit um

1338
00:55:58,230 --> 00:55:53,599

but really

1339

00:56:03,270 --> 00:56:00,309

actually i i asked jennifer she wanted

1340

00:56:05,349 --> 00:56:03,280

to come on the show tonight and she said

1341

00:56:08,150 --> 00:56:05,359

that she just didn't feel like

1342

00:56:10,150 --> 00:56:08,160

it was it was the right time to do that

1343

00:56:11,990 --> 00:56:10,160

so um

1344

00:56:14,710 --> 00:56:12,000

i think what we're gonna do we are going

1345

00:56:16,309 --> 00:56:14,720

to have her on without bernadette on

1346

00:56:18,230 --> 00:56:16,319

uh for you folks who don't know

1347

00:56:19,910 --> 00:56:18,240

bernadette is going to eventually have a

1348

00:56:22,309 --> 00:56:19,920

show on here

1349

00:56:25,109 --> 00:56:22,319

so uh i'm quite sure she'll be talking

1350

00:56:28,630 --> 00:56:25,119

about a lot of things she's

1351

00:56:30,789 --> 00:56:28,640

she's very intuitive and psychic and uh

1352

00:56:33,270 --> 00:56:30,799

i look forward to her being on having

1353

00:56:35,270 --> 00:56:33,280

her own show and presenting some of the

1354

00:56:42,950 --> 00:56:35,280

things that she has

1355

00:56:47,670 --> 00:56:45,190

what when was your last extraterrestrial

1356

00:56:50,630 --> 00:56:47,680

encounter and what happened

1357

00:56:53,829 --> 00:56:50,640

uh i don't know what happened

1358

00:56:56,950 --> 00:56:53,839

the last one was several months ago

1359

00:56:59,670 --> 00:56:56,960

i don't remember much of it

1360

00:57:01,750 --> 00:56:59,680

um

1361

00:57:03,589 --> 00:57:01,760

you know it's just like anything else

1362

00:57:05,670 --> 00:57:03,599

maybe it'll come to me at another time

1363

00:57:06,789 --> 00:57:05,680

the only thing i know was the same three

1364

00:57:09,270 --> 00:57:06,799

tall

1365

00:57:10,630 --> 00:57:09,280

beings that have i had other encounters

1366

00:57:13,270 --> 00:57:10,640

with

1367

00:57:16,150 --> 00:57:13,280

uh i i know of that have had at least

1368

00:57:17,829 --> 00:57:16,160

three encounters with these these tall

1369

00:57:19,589 --> 00:57:17,839

gray beans there's three and they always

1370

00:57:23,270 --> 00:57:19,599

come in threes

1371

00:57:26,470 --> 00:57:25,270

and i had another experience several

1372

00:57:29,349 --> 00:57:26,480

months ago

1373

00:57:30,950 --> 00:57:29,359

but i don't i don't remember anything at

1374

00:57:33,589 --> 00:57:30,960

all all i know is

1375

00:57:34,789 --> 00:57:33,599

they were there

1376

00:57:37,829 --> 00:57:34,799

so

1377

00:57:39,990 --> 00:57:37,839

about that you know i'm not gonna lie to

1378

00:57:41,030 --> 00:57:40,000

you

1379

00:57:43,270 --> 00:57:41,040

uh

1380

00:57:46,230 --> 00:57:43,280

debbie watson asks have you ever heard

1381

00:57:48,950 --> 00:57:46,240

or encountered a group paranormal book

1382

00:57:51,030 --> 00:57:48,960

experience about 15 years ago we were

1383

00:57:52,950 --> 00:57:51,040

out camping hunting we experienced as a

1384

00:57:55,430 --> 00:57:52,960

family drums and sounds of stampedes of

1385

00:57:57,030 --> 00:57:55,440

buffalo yeah you know i've heard of that

1386

00:57:58,789 --> 00:57:57,040

before um

1387

00:57:59,750 --> 00:57:58,799

i don't know exactly what area you were

1388

00:58:02,150 --> 00:57:59,760

at

1389

00:58:04,789 --> 00:58:02,160

but if you're in an old area where

1390

00:58:07,109 --> 00:58:04,799

probably tribal activity or in something

1391

00:58:09,270 --> 00:58:07,119

like that you know i i think many times

1392

00:58:11,589 --> 00:58:09,280

people will experience that

1393

00:58:14,630 --> 00:58:11,599

i i know when i'm in areas where there

1394

00:58:16,549 --> 00:58:14,640

was indigenous activity

1395

00:58:18,069 --> 00:58:16,559

and butch could have told you i didn't

1396

00:58:19,109 --> 00:58:18,079

butcher's talk had talked about it

1397

00:58:20,950 --> 00:58:19,119

before

1398

00:58:22,950 --> 00:58:20,960

but i i would hear

1399

00:58:25,829 --> 00:58:22,960

i would hear drumming

1400

00:58:27,750 --> 00:58:25,839

and uh very distinctive too in fact my

1401
00:58:29,589 --> 00:58:27,760
son was with us at one time up in

1402
00:58:33,270 --> 00:58:29,599
lancaster county

1403
00:58:35,190 --> 00:58:33,280
so uh i'm i'm pretty in tune to

1404
00:58:37,670 --> 00:58:35,200
indigenous

1405
00:58:39,910 --> 00:58:37,680
uh energy

1406
00:58:41,270 --> 00:58:39,920
uh this is like when i was at

1407
00:58:43,270 --> 00:58:41,280
at uh

1408
00:58:45,750 --> 00:58:43,280
i mean point pleasant

1409
00:58:46,800 --> 00:58:45,760
that it was very strong

1410
00:58:49,349 --> 00:58:46,810
the indigenous

1411
00:58:51,109 --> 00:58:49,359
[Music]

1412
00:58:54,230 --> 00:58:51,119
the indigenous uh

1413
00:58:56,470 --> 00:58:54,240

energy at point pleasant and of course i

1414

00:58:59,190 --> 00:58:56,480

i do believe that that is what has did

1415

00:59:00,710 --> 00:58:59,200

summon the the mothman being

1416

00:59:11,829 --> 00:59:00,720

we got another call

1417

00:59:15,349 --> 00:59:13,670

all right we've got another caller here

1418

00:59:17,270 --> 00:59:15,359

he's going to tell us a little bit about

1419

00:59:19,430 --> 00:59:17,280

his sleep paralysis and he wants to ask

1420

00:59:20,810 --> 00:59:19,440

you a question okay

1421

00:59:26,230 --> 00:59:20,820

all right go ahead sir

1422

00:59:29,589 --> 00:59:26,240

[Music]

1423

00:59:29,599 --> 00:59:34,870

go ahead sir

1424

00:59:34,880 --> 00:59:39,829

i had a series of sleep

1425

00:59:42,710 --> 00:59:41,270

i'm having a really hard time hearing

1426

00:59:44,630 --> 00:59:42,720

you sir sorry

1427

00:59:45,750 --> 00:59:44,640

he's going to speak into it

1428

00:59:47,270 --> 00:59:45,760

you're gonna have to speak into it a

1429

00:59:58,850 --> 00:59:47,280

little bit louder i'm having a real hard

1430

01:00:03,030 --> 01:00:01,190

[Music]

1431

01:00:05,349 --> 01:00:03,040

oh there we go we no i can hear you now

1432

01:00:06,710 --> 01:00:05,359

really good go ahead

1433

01:00:09,349 --> 01:00:06,720

okay great

1434

01:00:12,870 --> 01:00:09,359

yeah i was calling because i had a

1435

01:00:15,910 --> 01:00:12,880

series of sleep paralysis experiences

1436

01:00:18,390 --> 01:00:15,920

while staying at a hotel long term

1437

01:00:21,510 --> 01:00:18,400

almost three weeks

1438

01:00:23,430 --> 01:00:21,520

about every other night

1439

01:00:26,309 --> 01:00:23,440

it would start when i would get in bed

1440

01:00:27,829 --> 01:00:26,319

to go to sleep i know i watched tv

1441

01:00:30,069 --> 01:00:27,839

and they would

1442

01:00:33,670 --> 01:00:30,079

i had a feeling of being touched it's

1443

01:00:36,549 --> 01:00:33,680

not the same sensation of like a

1444

01:00:38,870 --> 01:00:36,559

physical touch it was more energetic if

1445

01:00:41,589 --> 01:00:38,880

that makes any sense it was

1446

01:00:43,829 --> 01:00:41,599

closest to maybe like static electricity

1447

01:00:46,549 --> 01:00:43,839

but not quite the same and it would

1448

01:00:49,510 --> 01:00:46,559

slowly come up from my toes

1449

01:00:51,829 --> 01:00:49,520

all the way up and i'm sorry it was i

1450

01:00:53,910 --> 01:00:51,839

don't want to be inappropriate but in my

1451

01:00:56,470 --> 01:00:53,920

genital area and it didn't go any

1452

01:00:58,390 --> 01:00:56,480

further it stopped right there and i

1453

01:01:01,670 --> 01:00:58,400

would eventually go to sleep and i would

1454

01:01:04,309 --> 01:01:01,680

have sleep paralysis

1455

01:01:05,829 --> 01:01:04,319

you know and uh this went on

1456

01:01:07,990 --> 01:01:05,839

about like i said every other night

1457

01:01:09,589 --> 01:01:08,000

until i finally

1458

01:01:13,270 --> 01:01:09,599

left the place

1459

01:01:16,069 --> 01:01:13,280

and it and then i came back home and

1460

01:01:17,670 --> 01:01:16,079

it it still it happened maybe a couple

1461

01:01:20,549 --> 01:01:17,680

of times

1462

01:01:22,630 --> 01:01:20,559

once i got home within the first week

1463

01:01:26,470 --> 01:01:22,640

and it's never happened before my home

1464

01:01:28,870 --> 01:01:26,480

there's no no spiritual anything going

1465

01:01:32,630 --> 01:01:28,880

on in my house there's no presence no

1466

01:01:39,910 --> 01:01:36,309

but uh and it's been about two years no

1467

01:01:43,430 --> 01:01:39,920

three years now and uh

1468

01:01:45,109 --> 01:01:43,440

it is definitely subsided but

1469

01:01:48,870 --> 01:01:45,119

i

1470

01:01:52,950 --> 01:01:48,880

felt

1471

01:01:55,589 --> 01:01:52,960

like it was trying to

1472

01:01:59,349 --> 01:01:55,599

come back and then anyway i was just

1473

01:02:03,750 --> 01:02:01,270

well i don't know if you can hear me but

1474

01:02:08,309 --> 01:02:05,670

i would say

1475

01:02:10,950 --> 01:02:08,319

that it was either attracted to you for

1476

01:02:12,309 --> 01:02:10,960

for some reason or it was attached to

1477

01:02:14,630 --> 01:02:12,319

you yeah

1478

01:02:16,870 --> 01:02:14,640

um

1479

01:02:20,710 --> 01:02:16,880

and you know if it was an attachment it

1480

01:02:23,349 --> 01:02:20,720

can last it can travel with you uh it

1481

01:02:24,950 --> 01:02:23,359

can kind of go into hiding for a while

1482

01:02:27,510 --> 01:02:24,960

then come back

1483

01:02:30,230 --> 01:02:27,520

i've seen that happen before

1484

01:02:42,069 --> 01:02:30,240

so uh that may be very that may very

1485

01:02:47,109 --> 01:02:43,750

well thank you for calling

1486

01:02:51,190 --> 01:02:47,119

i really appreciate the call

1487

01:02:55,670 --> 01:02:52,150

uh

1488

01:03:00,870 --> 01:02:55,680

somebody asked about pow wowing

1489

01:03:04,789 --> 01:03:03,670

my locks lo my powwows lost long friend

1490

01:03:06,710 --> 01:03:04,799

with me

1491

01:03:08,390 --> 01:03:06,720

and i do keep it around a lot let me

1492

01:03:10,069 --> 01:03:08,400

give one of those away one day i've got

1493

01:03:11,829 --> 01:03:10,079

a couple of them around here

1494

01:03:13,670 --> 01:03:11,839

but anyway

1495

01:03:16,630 --> 01:03:13,680

i haven't i haven't been involved with

1496

01:03:19,430 --> 01:03:16,640

any powwow for a long time i'm very

1497

01:03:22,870 --> 01:03:19,440

cognizant of what they do what it is

1498

01:03:24,309 --> 01:03:22,880

it's a lot of root conjuring

1499

01:03:28,710 --> 01:03:24,319

appalachian

1500

01:03:32,230 --> 01:03:31,270

but no i haven't done anything in more

1501
01:03:35,910 --> 01:03:32,240
recent

1502
01:03:37,829 --> 01:03:35,920
i i just know a whole lot about what

1503
01:03:39,589 --> 01:03:37,839
what all of it was you know the whole

1504
01:03:43,430 --> 01:03:39,599
lore behind it

1505
01:03:46,309 --> 01:03:45,510
i know there were people in my family

1506
01:03:49,589 --> 01:03:46,319
that

1507
01:03:54,230 --> 01:03:51,990
uh moon medicine force have you used the

1508
01:03:56,829 --> 01:03:54,240
service of animal communicator psychic

1509
01:03:59,510 --> 01:03:56,839
for on-site dog man investigation no i

1510
01:04:01,670 --> 01:03:59,520
haven't and that's not a bad idea though

1511
01:04:03,589 --> 01:04:01,680
i think um

1512
01:04:05,510 --> 01:04:03,599
i i think jennifer can do that i'm

1513
01:04:08,390 --> 01:04:05,520

pretty sure that that

1514

01:04:10,549 --> 01:04:08,400

that burn of debt could too on site

1515

01:04:13,510 --> 01:04:10,559

um

1516

01:04:16,549 --> 01:04:13,520

i i know they do at a distance

1517

01:04:18,309 --> 01:04:16,559

i could probably tune in

1518

01:04:20,230 --> 01:04:18,319

at distance

1519

01:04:22,390 --> 01:04:20,240

remotely

1520

01:04:24,950 --> 01:04:22,400

but it just depends on the situation or

1521

01:04:27,990 --> 01:04:24,960

how strong it is or even if they let you

1522

01:04:30,390 --> 01:04:28,000

in but no as far as actually

1523

01:04:31,910 --> 01:04:30,400

going in and using the actual animal

1524

01:04:34,870 --> 01:04:31,920

communicator

1525

01:04:43,109 --> 01:04:37,190

so maybe that's something i'll try some

1526

01:04:47,829 --> 01:04:44,710

okay folks well you know i want to thank

1527

01:04:49,029 --> 01:04:47,839

you all for coming on tonight and uh

1528

01:04:51,510 --> 01:04:49,039

you know there's a little bit of

1529

01:04:53,670 --> 01:04:51,520

experiment tonight see if there's work

1530

01:04:54,789 --> 01:04:53,680

maybe we'll get the uh the telephone

1531

01:04:59,990 --> 01:04:54,799

thing

1532

01:05:01,910 --> 01:05:00,000

some point it did work a bit i mean i

1533

01:05:03,430 --> 01:05:01,920

could hear what people are saying i

1534

01:05:06,470 --> 01:05:03,440

don't know if they necessarily hurt me

1535

01:05:11,270 --> 01:05:06,480

too well but uh again thanks again for

1536

01:05:13,829 --> 01:05:12,710

you know if you have an unexplained

1537

01:05:16,069 --> 01:05:13,839

encounter

1538

01:05:18,549 --> 01:05:16,079

exciting or such you know contact me

1539

01:05:20,950 --> 01:05:18,559

through fans monsters blog site

1540

01:05:23,750 --> 01:05:20,960

and uh you know i want to thank people

1541

01:05:24,950 --> 01:05:23,760

for for coming on and actually calling

1542

01:05:29,109 --> 01:05:24,960

in

1543

01:05:31,109 --> 01:05:29,119

it but i'm very much appreciate you

1544

01:05:32,390 --> 01:05:31,119

doing and i i hope that i hope the

1545

01:05:34,309 --> 01:05:32,400

increases

1546

01:05:36,150 --> 01:05:34,319

make it part of the show at some point

1547

01:05:38,069 --> 01:05:36,160

so uh and thanks to each and all of you

1548

01:05:40,710 --> 01:05:38,079

for watching and chatting

1549

01:05:43,190 --> 01:05:40,720

and uh please like subscribe and share

1550

01:05:44,309 --> 01:05:43,200

our programming with others and um

1551

01:05:45,510 --> 01:05:44,319

if you have a sighting or encounter

1552

01:05:47,029 --> 01:05:45,520

report that you'd like to have

1553

01:05:49,510 --> 01:05:47,039

considered for

1554

01:05:50,950 --> 01:05:49,520

the personal reports show or post on

1555

01:05:52,870 --> 01:05:50,960

fans and monsters

1556

01:05:55,510 --> 01:05:52,880

you know contact me in my email at lawn

1557

01:05:57,750 --> 01:05:55,520

strickler familymonsters.com

1558

01:06:01,270 --> 01:05:57,760

uh next friday

1559

01:06:04,870 --> 01:06:01,280

our guest will be uh zack stark in the

1560

01:06:07,910 --> 01:06:04,880

southern illinois cryptid team they will

1561

01:06:09,750 --> 01:06:07,920

be discussing the enfield horror and the

1562

01:06:10,870 --> 01:06:09,760

bigfoot phenomena in their neck of the

1563

01:06:13,510 --> 01:06:10,880

woods

1564

01:06:15,510 --> 01:06:13,520

uh we've been looking into sightings in

1565

01:06:17,029 --> 01:06:15,520

and around the shawnee national forest

1566

01:06:18,870 --> 01:06:17,039

recently so

1567

01:06:20,549 --> 01:06:18,880

you know it should be an interesting

1568

01:06:25,109 --> 01:06:20,559

very

1569

01:06:27,190 --> 01:06:25,119

know don't miss it that that you know

1570

01:06:29,109 --> 01:06:27,200

tune in next friday at same time nine

1571

01:06:30,789 --> 01:06:29,119

o'clock p.m eastern

1572

01:06:32,710 --> 01:06:30,799

and uh

1573

01:06:34,549 --> 01:06:32,720

i think you'll enjoy it so until next

1574

01:06:45,070 --> 01:06:34,559

week you know stay healthy have a safe
