00:03:33,190 --> 00:03:31,440

together

80

00:03:34,949 --> 00:03:33,200

and uh

81

00:03:38,149 --> 00:03:34,959

you know how do you go about

82

00:03:40,550 --> 00:03:38,159

investigating reports

83

00:03:43,350 --> 00:03:40,560

okay well to answer your first question

84

00:03:45,670 --> 00:03:43,360

you know it started off um

85

00:03:49,589 --> 00:03:45,680

with me and my brother

86

00:03:50,390 --> 00:03:49,599

seven years ago long before that

87

00:03:52,710 --> 00:03:50,400

we

88

00:03:54,949 --> 00:03:52,720

are based out of a small town called

89

00:03:56,470 --> 00:03:54,959

crab orchard illinois

90

00:03:58,309 --> 00:03:56,480

just right outside right between

91

00:04:01,190 --> 00:03:58,319

harrisburg and mary and illinois very

92

00:04:02,630 --> 00:04:01,200

small town of less than 700 people

93

00:04:04,630 --> 00:04:02,640

and

94

00:04:07,589 --> 00:04:04,640

we started off in everything i started

95

00:04:09,030 --> 00:04:07,599

out as a private independent researcher

96

00:04:11,670 --> 00:04:09,040

and everything

97

00:04:13,589 --> 00:04:11,680

for and for the first 10 years leading

98

00:04:15,190 --> 00:04:13,599

up to the southern illinois monster

99

00:04:16,069 --> 00:04:15,200

hunters inception

100

00:04:18,469 --> 00:04:16,079

and

101

00:04:21,430 --> 00:04:18,479

i was a senior in high school

102

00:04:23,510 --> 00:04:21,440

getting ready to graduate and

103

00:04:25,189 --> 00:04:23,520

two of my friends

104

00:04:26,870 --> 00:04:25,199

one my best friend and the other my

105

00:04:28,790 --> 00:04:26,880

cousin john

106

00:04:31,110 --> 00:04:28,800

and my best friend gunner we call

107

00:04:36,150 --> 00:04:31,120

affectionately call him doc because he's

108

00:04:37,909 --> 00:04:36,160

uh an actual medical doctor now um we uh

109

00:04:39,430 --> 00:04:37,919

they came to me

110

00:04:42,070 --> 00:04:39,440

and they're like are you serious about

111

00:04:43,030 --> 00:04:42,080

this kind of stuff and i said i am 100

112

00:04:45,189 --> 00:04:43,040

serious

113

00:04:48,629 --> 00:04:45,199

you know this is taking up

114

00:04:51,350 --> 00:04:48,639
about close to 10 years of my life

115

00:04:53,189 --> 00:04:51,360
um i do believe these creatures exist

116

00:04:55,590 --> 00:04:53,199
and they're like well we would if you'd

117

00:04:56,469 --> 00:04:55,600
have us on we have a interest in these

118

00:04:59,030 --> 00:04:56,479
things

119

00:05:01,110 --> 00:04:59,040
so we'd like to help out

120

00:05:02,150 --> 00:05:01,120
so originally it was

121

00:05:05,189 --> 00:05:02,160
me

122

00:05:07,350 --> 00:05:05,199
my brother josh um

123

00:05:09,029 --> 00:05:07,360
my friend my best friend doc and my

124

00:05:11,830 --> 00:05:09,039
cousin john

125

00:05:14,469 --> 00:05:11,840
and the team has grown

126

00:05:17,110 --> 00:05:14,479

and numbers decreased in numbers over

127

00:05:20,230 --> 00:05:17,120

the past seven years and everything but

128

00:05:22,550 --> 00:05:20,240

now as as of 2022

129

00:05:24,469 --> 00:05:22,560

we consist of six members

130

00:05:26,390 --> 00:05:24,479

and we all bring different things to the

131

00:05:27,990 --> 00:05:26,400

table you know we're like i said we're

132

00:05:30,390 --> 00:05:28,000

all god-fearing christians and

133

00:05:31,830 --> 00:05:30,400

everything uh three of us are actually

134

00:05:32,950 --> 00:05:31,840

ministers

135

00:05:35,510 --> 00:05:32,960

um

136

00:05:38,070 --> 00:05:35,520

we comprise of occult researchers

137

00:05:41,430 --> 00:05:38,080

paranormal researchers historians

138

00:05:43,189 --> 00:05:41,440

outdoorsmen trappers hunters

139

00:05:44,790 --> 00:05:43,199

trackers

140

00:05:46,070 --> 00:05:44,800

everything that you i believe you would

141

00:05:50,950 --> 00:05:46,080

need

142

00:05:52,469 --> 00:05:50,960

to make up a good unit especially for

143

00:05:55,590 --> 00:05:52,479

um

144

00:05:57,510 --> 00:05:55,600

you know researching and actually

145

00:05:59,749 --> 00:05:57,520

hunting for cryptids and everything and

146

00:06:02,230 --> 00:05:59,759

i don't mean hunting with a gun i mean

147

00:06:05,670 --> 00:06:02,240

hunting for the truth of these things

148

00:06:07,270 --> 00:06:05,680

we go and as the old saying goes you

149

00:06:09,990 --> 00:06:07,280

know we're here

150

00:06:12,230 --> 00:06:10,000

to we as we've always said we're here to

151

00:06:15,029 --> 00:06:12,240

put a name on the nameless and explain

152

00:06:17,430 --> 00:06:15,039

the unexplainable um that's been our

153

00:06:20,870 --> 00:06:17,440

mission uh for the seven years that

154

00:06:22,070 --> 00:06:20,880

we've been going uh head on now

155

00:06:24,710 --> 00:06:22,080

and um

156

00:06:25,670 --> 00:06:24,720

you know it comprises now of

157

00:06:28,309 --> 00:06:25,680

me

158

00:06:31,189 --> 00:06:28,319

uh gunner my best friend

159

00:06:34,629 --> 00:06:31,199

our tracker my cousin ben bishop

160

00:06:37,189 --> 00:06:34,639

our security gail lefone our occult

161

00:06:38,790 --> 00:06:37,199

researcher for thibodeau louisiana stacy

162

00:06:40,150 --> 00:06:38,800

coughlin

163

00:06:43,909 --> 00:06:40,160

and our

164

00:06:48,150 --> 00:06:43,919

rookie slash caller grady powell and

165

00:06:50,870 --> 00:06:48,160

how the other four came into the mix my

166

00:06:53,830 --> 00:06:50,880

brother has left the team here in recent

167

00:06:55,670 --> 00:06:53,840

years he's gone about his own path uh

168

00:06:57,350 --> 00:06:55,680

started his own research group and

169

00:06:59,670 --> 00:06:57,360

everything and sometimes we work in

170

00:07:00,550 --> 00:06:59,680

tandem

171

00:07:01,990 --> 00:07:00,560

but

172

00:07:05,189 --> 00:07:02,000

we'll start here with the third in

173

00:07:08,230 --> 00:07:05,199

command my cousin ben um he came onto

174

00:07:09,670 --> 00:07:08,240

the team here a little over a year ago

175

00:07:11,270 --> 00:07:09,680

and he

176
00:07:13,749 --> 00:07:11,280
brought a lot to the table as an

177
00:07:15,909 --> 00:07:13,759
outdoorsman and also he had been

178
00:07:17,350 --> 00:07:15,919
learning uh the technique of tracking

179
00:07:19,510 --> 00:07:17,360
all of his life

180
00:07:21,830 --> 00:07:19,520
and he brought a lot of not only the

181
00:07:24,629 --> 00:07:21,840
tracking knowledge but also crypto

182
00:07:27,589 --> 00:07:24,639
cryptozoology knowledge and paranormal

183
00:07:29,029 --> 00:07:27,599
knowledge to the table and he fit right

184
00:07:32,469 --> 00:07:29,039
in

185
00:07:35,909 --> 00:07:32,479
our security gail lefone um he's been on

186
00:07:38,629 --> 00:07:35,919
the team now uh next month will be a

187
00:07:40,870 --> 00:07:38,639
year that he has been a part of the unit

188
00:07:43,430 --> 00:07:40,880

he brings um

189

00:07:45,909 --> 00:07:43,440

well over 30 years of

190

00:07:50,230 --> 00:07:45,919

of outdoor experience

191

00:07:51,029 --> 00:07:50,240

survival trapping hunting tracking

192

00:07:56,790 --> 00:07:51,039

and

193

00:07:57,670 --> 00:07:56,800

occult researcher stacy coughlin

194

00:08:06,070 --> 00:07:57,680

he

195

00:08:07,189 --> 00:08:06,080

a war vet

196

00:08:08,629 --> 00:08:07,199

uh with

197

00:08:10,950 --> 00:08:08,639

the army

198

00:08:14,309 --> 00:08:10,960

he is um so thank you for your service

199

00:08:17,029 --> 00:08:14,319

stacy um he's

200

00:08:18,629 --> 00:08:17,039

grown up around uh you know hoodoo and

201
00:08:22,150 --> 00:08:18,639
voodoo culture

202
00:08:23,990 --> 00:08:22,160
uh deep in the paranormal and the occult

203
00:08:28,390 --> 00:08:24,000
down there in

204
00:08:30,469 --> 00:08:28,400
uh so in southern louisiana and um

205
00:08:33,430 --> 00:08:30,479
he brings a lot to the table along with

206
00:08:35,750 --> 00:08:33,440
he does pendulum work and map dowsing

207
00:08:37,750 --> 00:08:35,760
with dowsing rods

208
00:08:40,790 --> 00:08:37,760
which is a

209
00:08:43,269 --> 00:08:40,800
very lesser-known practice

210
00:08:45,910 --> 00:08:43,279
that you don't hear about every day and

211
00:08:48,790 --> 00:08:45,920
he did work for us

212
00:08:51,829 --> 00:08:48,800
doing energy work with his pendulum and

213
00:08:53,350 --> 00:08:51,839

his dowsing rods for years leading up to

214

00:08:55,509 --> 00:08:53,360

his official

215

00:08:58,470 --> 00:08:55,519

uh joining the team

216

00:08:59,990 --> 00:08:58,480

and um he joined the team this year we

217

00:09:01,910 --> 00:09:00,000

took a vote we brought him in and

218

00:09:03,829 --> 00:09:01,920

everything and he's been a part of our

219

00:09:07,030 --> 00:09:03,839

operations ever since

220

00:09:09,990 --> 00:09:07,040

and then uh getting down to uh was we

221

00:09:12,790 --> 00:09:10,000

approximately call private powell

222

00:09:14,710 --> 00:09:12,800

he was actually one of my uh baseball

223

00:09:17,030 --> 00:09:14,720

players that i used to coach and

224

00:09:20,470 --> 00:09:17,040

while he was in high school baseball

225

00:09:22,550 --> 00:09:20,480

and he came to me one day after a

226

00:09:24,310 --> 00:09:22,560

practice and he saw me sitting in my

227

00:09:25,990 --> 00:09:24,320

truck and i was reading a book after

228

00:09:27,350 --> 00:09:26,000

practice and i'd always see the boys

229

00:09:28,550 --> 00:09:27,360

after practice

230

00:09:29,990 --> 00:09:28,560

and

231

00:09:31,590 --> 00:09:30,000

he says

232

00:09:34,389 --> 00:09:31,600

i have a little bit of an interest in

233

00:09:35,670 --> 00:09:34,399

that stuff myself and i said oh really

234

00:09:38,230 --> 00:09:35,680

he said yeah

235

00:09:40,150 --> 00:09:38,240

i said how strong about how strong are

236

00:09:42,310 --> 00:09:40,160

you about it and he says i'm kind of on

237

00:09:44,790 --> 00:09:42,320

the fence but i'm leaning more towards

238

00:09:47,750 --> 00:09:44,800

to being a believer of these things

239

00:09:50,070 --> 00:09:47,760

so he i brought him on and he start

240

00:09:53,509 --> 00:09:50,080

didn't even start out on the team he

241

00:09:56,710 --> 00:09:53,519

started out as my student my protege

242

00:09:59,430 --> 00:09:56,720

and i taught him you know everything i

243

00:10:00,949 --> 00:09:59,440

know he's learned more since he's joined

244

00:10:02,550 --> 00:10:00,959

the team here

245

00:10:03,509 --> 00:10:02,560

three four years ago

246

00:10:05,750 --> 00:10:03,519

and

247

00:10:07,910 --> 00:10:05,760

being surrounded by all of this vast

248

00:10:09,590 --> 00:10:07,920

knowledge with that the other five

249

00:10:12,069 --> 00:10:09,600

members including myself bring to the

250

00:10:15,190 --> 00:10:12,079

table he's like a sponge i would give

251

00:10:17,110 --> 00:10:15,200

him books to read and study and

252

00:10:19,269 --> 00:10:17,120

everything and take notes on and they

253

00:10:21,590 --> 00:10:19,279

would be you know anywhere from an inch

254

00:10:23,110 --> 00:10:21,600

to two and a half three inches thick and

255

00:10:24,389 --> 00:10:23,120

he would be handing them to me at the

256

00:10:25,750 --> 00:10:24,399

end of the week saying all right give me

257

00:10:28,389 --> 00:10:25,760

another one

258

00:10:30,710 --> 00:10:28,399

and so that's how you know that's how i

259

00:10:33,030 --> 00:10:30,720

started you know reading books watching

260

00:10:34,949 --> 00:10:33,040

film watching documentaries reading

261

00:10:37,670 --> 00:10:34,959

reports that's how i started out so

262

00:10:39,430 --> 00:10:37,680

that's how i started him out and come

263

00:10:43,350 --> 00:10:39,440

this august he will be officially

264

00:10:47,350 --> 00:10:43,360

graduating as uh the team rookie uh rank

265

00:10:49,829 --> 00:10:47,360

of the team and um but that makes up the

266

00:10:52,470 --> 00:10:49,839

uh southern illinois monster hunters um

267

00:10:56,790 --> 00:10:52,480

and then i am the team

268

00:10:59,269 --> 00:10:56,800

leader as long as well as um the lead

269

00:11:02,870 --> 00:10:59,279

field the researcher i'm the head

270

00:11:04,710 --> 00:11:02,880

historian of the group uh doc uh my best

271

00:11:07,110 --> 00:11:04,720

friend gunner he is the

272

00:11:08,550 --> 00:11:07,120

uh one of the head researchers in my

273

00:11:09,829 --> 00:11:08,560

second in command

274

00:11:12,069 --> 00:11:09,839

and um

275

00:11:14,949 --> 00:11:12,079

that's what makes up the southern

276

00:11:16,949 --> 00:11:14,959

illinois monster hunters

277

00:11:19,509 --> 00:11:16,959

and what we do

278

00:11:20,949 --> 00:11:19,519

for our area to answer the second part

279

00:11:23,350 --> 00:11:20,959

of your question i'm sorry if i'm a

280

00:11:26,630 --> 00:11:23,360

little long-winded

281

00:11:29,110 --> 00:11:26,640

um he we go out and you know we like to

282

00:11:30,870 --> 00:11:29,120

call ourselves we don't really we just

283

00:11:33,910 --> 00:11:30,880

came up with the name monster hunters

284

00:11:36,310 --> 00:11:33,920

because we hunt for quote-unquote

285

00:11:39,110 --> 00:11:36,320

modern-day monsters you know these

286

00:11:42,230 --> 00:11:39,120

creatures that have been seen

287

00:11:44,550 --> 00:11:42,240

throughout throughout the the 1900s on

288

00:11:47,590 --> 00:11:44,560

into the 21st century

289

00:11:49,750 --> 00:11:47,600

uh you know we are hunting for the truth

290

00:11:50,990 --> 00:11:49,760

uh from behind these things whether if

291

00:11:53,430 --> 00:11:51,000

they are

292

00:11:55,590 --> 00:11:53,440

misidentified misinterpreted or if

293

00:11:57,509 --> 00:11:55,600

they're just straight out lies

294

00:12:00,550 --> 00:11:57,519

that is what we're doing and we also

295

00:12:02,310 --> 00:12:00,560

call ourselves sort of a consultation

296

00:12:04,550 --> 00:12:02,320

for people that don't know what they

297

00:12:07,430 --> 00:12:04,560

could be dealing with

298

00:12:09,829 --> 00:12:07,440

like for example there was a woman up in

299

00:12:11,350 --> 00:12:09,839

buckner illinois just in the next county

300

00:12:13,910 --> 00:12:11,360

north of here

301
00:12:17,110 --> 00:12:13,920
that she said that there was a dog man

302
00:12:19,750 --> 00:12:17,120
that was coming up around her home and

303
00:12:21,829 --> 00:12:19,760
it was really upsetting her

304
00:12:24,870 --> 00:12:21,839
and scaring her kids

305
00:12:26,150 --> 00:12:24,880
and really making her two pit bulls very

306
00:12:29,509 --> 00:12:26,160
aggressive

307
00:12:31,670 --> 00:12:29,519
and she says i just want this thing gone

308
00:12:33,110 --> 00:12:31,680
and she said but i don't want to kill it

309
00:12:37,030 --> 00:12:33,120
i said well

310
00:12:39,750 --> 00:12:37,040
the way we do it with uh other canines

311
00:12:42,069 --> 00:12:39,760
like coyotes or even neighborhood

312
00:12:44,629 --> 00:12:42,079
domestic dogs if they start coming

313
00:12:46,710 --> 00:12:44,639

around our place we take rags and we

314

00:12:48,870 --> 00:12:46,720

soak them in ammonia and we'll hang them

315

00:12:53,430 --> 00:12:48,880

in the trees and we'll take moth balls

316

00:12:56,550 --> 00:12:53,440

and we'll pile them up every so often um

317

00:13:00,470 --> 00:12:56,560

in yardage-wise and that usually works

318

00:13:03,509 --> 00:13:00,480

and she did that and it actually

319

00:13:05,350 --> 00:13:03,519

uh i guess you could say kept this thing

320

00:13:09,190 --> 00:13:05,360

off of her property

321

00:13:11,350 --> 00:13:09,200

and she hasn't seen or had any kind of

322

00:13:13,750 --> 00:13:11,360

interaction with this thing since

323

00:13:14,710 --> 00:13:13,760

so that's kind of what we do uh we do

324

00:13:15,750 --> 00:13:14,720

that

325

00:13:17,990 --> 00:13:15,760

and

326

00:13:20,470 --> 00:13:18,000

you know that we investigate mysterious

327

00:13:23,269 --> 00:13:20,480

animal killings

328

00:13:24,870 --> 00:13:23,279

this woman she found

329

00:13:27,750 --> 00:13:24,880

a calf head

330

00:13:30,069 --> 00:13:27,760

in her yard and she believed the cat

331

00:13:31,750 --> 00:13:30,079

came from a farm that was about maybe 10

332

00:13:34,870 --> 00:13:31,760

miles up the road

333

00:13:37,430 --> 00:13:34,880

and she found one of her dogs chewing on

334

00:13:39,189 --> 00:13:37,440

the head in the yard and i went and i

335

00:13:42,470 --> 00:13:39,199

looked at the dogs and they had the

336

00:13:44,150 --> 00:13:42,480

invisible uh electric fence collars on

337

00:13:45,590 --> 00:13:44,160

and i said is there an electric fence

338

00:13:47,350 --> 00:13:45,600

around here

339

00:13:49,509 --> 00:13:47,360

and she said yeah

340

00:13:51,269 --> 00:13:49,519

and she said my dogs know not to go

341

00:13:53,990 --> 00:13:51,279

outside of the yard

342

00:13:56,150 --> 00:13:54,000

and i looked at this um

343

00:13:57,430 --> 00:13:56,160

the calf head i examined it up close

344

00:13:59,110 --> 00:13:57,440

looking to see if there's any kind of

345

00:14:03,110 --> 00:13:59,120

like hat marks

346

00:14:06,230 --> 00:14:03,120

from a you know a hatchet or knife

347

00:14:08,150 --> 00:14:06,240

or you know any kind of saw blade and

348

00:14:10,230 --> 00:14:08,160

there was none whatsoever it was just

349

00:14:12,069 --> 00:14:10,240

like this cav's head was just ripped off

350

00:14:12,949 --> 00:14:12,079

of its actual body

351

00:14:17,269 --> 00:14:12,959

and

352

00:14:20,389 --> 00:14:17,279

mysterious animal killings were a

353

00:14:22,470 --> 00:14:20,399

consultation for people you know that

354

00:14:24,389 --> 00:14:22,480

don't know how to handle this and we try

355

00:14:27,670 --> 00:14:24,399

our best at it we don't claim to be

356

00:14:28,550 --> 00:14:27,680

experts whatsoever and um

357

00:14:31,350 --> 00:14:28,560

that's

358

00:14:33,269 --> 00:14:31,360

basically what we do we try to put a

359

00:14:36,069 --> 00:14:33,279

name on the nameless explain the

360

00:14:39,430 --> 00:14:36,079

unexplainable and we try to separate the

361

00:14:42,870 --> 00:14:39,440

truth from the cr from the bull crap

362

00:14:44,150 --> 00:14:42,880

that's what we do as a team

363

00:14:47,590 --> 00:14:44,160

so um

364

00:14:49,509 --> 00:14:47,600

you and your team have been looking into

365

00:14:51,350 --> 00:14:49,519

i don't know if you want to call it an

366

00:14:53,990 --> 00:14:51,360

old sighting it's something that

367

00:14:55,829 --> 00:14:54,000

happened that started being brought up

368

00:14:58,870 --> 00:14:55,839

back in the 70s

369

00:15:01,030 --> 00:14:58,880

but this enfield horror case

370

00:15:01,750 --> 00:15:01,040

can you kind of describe

371

00:15:06,629 --> 00:15:01,760

the

372

00:15:10,629 --> 00:15:06,639

what people have seen and reported and

373

00:15:15,590 --> 00:15:13,990

well you know leading uh i

374

00:15:17,110 --> 00:15:15,600

believe you know

375

00:15:20,310 --> 00:15:17,120

you know from what a lot of people are

376

00:15:21,509 --> 00:15:20,320

telling me i am the first person to come

377

00:15:22,230 --> 00:15:21,519

forward

378

00:15:26,949 --> 00:15:22,240

in

379

00:15:30,790 --> 00:15:26,959

creature the last time it was seen was

380

00:15:33,509 --> 00:15:30,800

back in 1972 and it was seen for

381

00:15:35,350 --> 00:15:33,519

um approximately 11 days and it was seen

382

00:15:37,189 --> 00:15:35,360

by eight people

383

00:15:39,030 --> 00:15:37,199

and that's not even counting the people

384

00:15:40,710 --> 00:15:39,040

that didn't come forward to seeing this

385

00:15:45,430 --> 00:15:40,720

thing right

386

00:15:48,710 --> 00:15:45,440

and it just showed up one night um on a

387

00:15:51,910 --> 00:15:48,720

resident of enfield's doorstep literally

388

00:15:55,990 --> 00:15:51,920

um henry mcdaniel and his wife were in

389

00:15:58,310 --> 00:15:56,000

the town of fairfield about uh maybe 20

390

00:16:00,790 --> 00:15:58,320

30 miles north of enfield getting

391

00:16:03,990 --> 00:16:00,800

groceries and they left their kids henry

392

00:16:05,509 --> 00:16:04,000

jr and their daughter lilith

393

00:16:07,110 --> 00:16:05,519

down at the house

394

00:16:09,269 --> 00:16:07,120

because they were of age and you know

395

00:16:12,150 --> 00:16:09,279

this was back then and everything small

396

00:16:13,910 --> 00:16:12,160

town usa they really didn't have much to

397

00:16:15,590 --> 00:16:13,920

worry about so they left their kids home

398

00:16:16,949 --> 00:16:15,600

by themselves

399

00:16:20,069 --> 00:16:16,959

well

400

00:16:23,509 --> 00:16:20,079

they thought that there was somebody

401
00:16:25,509 --> 00:16:23,519
or a dog scratching at the door

402
00:16:28,230 --> 00:16:25,519
and they opened the door

403
00:16:31,509 --> 00:16:28,240
and there this thing was standing right

404
00:16:32,389 --> 00:16:31,519
there on the front porch in the doorway

405
00:16:34,310 --> 00:16:32,399
uh

406
00:16:36,870 --> 00:16:34,320
looking at them

407
00:16:37,990 --> 00:16:36,880
and they went and

408
00:16:41,189 --> 00:16:38,000
uh

409
00:16:43,110 --> 00:16:41,199
attempted to go and they shut the door

410
00:16:44,790 --> 00:16:43,120
through the deadbolt and they started

411
00:16:47,829 --> 00:16:44,800
going through the house and locking all

412
00:16:50,470 --> 00:16:47,839
the windows and pulling the drapes to

413
00:16:53,990 --> 00:16:50,480

and then they could hear this thing over

414

00:16:55,990 --> 00:16:54,000

by this window unit this ac window unit

415

00:16:58,550 --> 00:16:56,000

and they could see that thing shaking

416

00:17:00,629 --> 00:16:58,560

inside the window

417

00:17:02,310 --> 00:17:00,639

and they're screaming at this thing to

418

00:17:04,549 --> 00:17:02,320

go away and they could hear this thing

419

00:17:06,630 --> 00:17:04,559

growling outside the window

420

00:17:08,710 --> 00:17:06,640

pulling on the ac unit trying to get it

421

00:17:10,390 --> 00:17:08,720

to come out of the window

422

00:17:11,429 --> 00:17:10,400

and so

423

00:17:16,230 --> 00:17:11,439

they

424

00:17:18,549 --> 00:17:16,240

uh paris to come home

425

00:17:21,510 --> 00:17:18,559

and then finally they hear their dad uh

426
00:17:22,390 --> 00:17:21,520
and mother coming in the back door

427
00:17:25,270 --> 00:17:22,400
and

428
00:17:27,029 --> 00:17:25,280
they ran to their parents in a

429
00:17:29,029 --> 00:17:27,039
fit of distress

430
00:17:31,990 --> 00:17:29,039
and their parents uh

431
00:17:34,230 --> 00:17:32,000
didn't buy what they said that they saw

432
00:17:36,870 --> 00:17:34,240
and they heard a scratching at the door

433
00:17:39,190 --> 00:17:36,880
and henry mcdaniel senior says well

434
00:17:40,789 --> 00:17:39,200
there's probably your monster now

435
00:17:43,430 --> 00:17:40,799
well he opened the door and lo and

436
00:17:44,950 --> 00:17:43,440
behold there that thing was again

437
00:17:48,390 --> 00:17:44,960
and it made a

438
00:17:51,350 --> 00:17:48,400

swipe at henry mcdaniel senior and henry

439

00:17:54,630 --> 00:17:51,360

mcdaniel seniors shut the door this man

440

00:17:55,590 --> 00:17:54,640

had it was an uh uh was an active combat

441

00:17:58,310 --> 00:17:55,600

veteran

442

00:18:00,789 --> 00:17:58,320

and he went and he

443

00:18:03,190 --> 00:18:00,799

slammed the door and was stumbling to

444

00:18:05,029 --> 00:18:03,200

get to his 22 pistol

445

00:18:06,950 --> 00:18:05,039

and his flashlight

446

00:18:08,630 --> 00:18:06,960

and he threw open the door

447

00:18:11,830 --> 00:18:08,640

and shined a flashlight and there this

448

00:18:13,669 --> 00:18:11,840

thing was out in his front yard and he

449

00:18:16,390 --> 00:18:13,679

pulled his pistol up and he shot that

450

00:18:18,230 --> 00:18:16,400

this thing six times and he heard the

451
00:18:19,909 --> 00:18:18,240
thing let out a uh

452
00:18:22,070 --> 00:18:19,919
squall

453
00:18:24,789 --> 00:18:22,080
and this thing he said

454
00:18:28,390 --> 00:18:24,799
leaped not ran leaped

455
00:18:31,430 --> 00:18:28,400
75 feet in three leaps

456
00:18:33,750 --> 00:18:31,440
and that was the first encounter

457
00:18:36,870 --> 00:18:33,760
with the infield monster the last

458
00:18:39,270 --> 00:18:36,880
encounter happened around 3 a.m about 11

459
00:18:41,190 --> 00:18:39,280
days later when henry mcdaniel's

460
00:18:42,950 --> 00:18:41,200
neighbor's dogs were raising up all

461
00:18:43,990 --> 00:18:42,960
kinds of price at three o'clock in the

462
00:18:46,070 --> 00:18:44,000
morning

463
00:18:49,350 --> 00:18:46,080

and he got up out of bed and he went out

464

00:18:51,110 --> 00:18:49,360

to his uh front window in his front room

465

00:18:53,190 --> 00:18:51,120

and he looked out the window and there

466

00:18:55,430 --> 00:18:53,200

this thing was navigating the train

467

00:18:56,789 --> 00:18:55,440

tracks in front of his house

468

00:18:59,029 --> 00:18:56,799

and

469

00:19:01,430 --> 00:18:59,039

it wasn't like it was in any kind of

470

00:19:03,909 --> 00:19:01,440

hurry and this thing literally just took

471

00:19:05,909 --> 00:19:03,919

off as the dogs

472

00:19:07,830 --> 00:19:05,919

took off after it and that was the last

473

00:19:08,710 --> 00:19:07,840

time this thing was actually ever seen

474

00:19:12,070 --> 00:19:08,720

again

475

00:19:13,750 --> 00:19:12,080

up until may of this year whenever i

476

00:19:16,150 --> 00:19:13,760

encountered the creature

477

00:19:19,430 --> 00:19:16,160

and bear in mind i'd read about this

478

00:19:21,510 --> 00:19:19,440

creature for 16 17 years since i first

479

00:19:22,870 --> 00:19:21,520

read about it from my cousin bruce

480

00:19:24,630 --> 00:19:22,880

klein's

481

00:19:25,750 --> 00:19:24,640

hauntings and mysteries of southern

482

00:19:28,710 --> 00:19:25,760

illinois

483

00:19:30,630 --> 00:19:28,720

and it's a sort of a paranormal travel

484

00:19:31,990 --> 00:19:30,640

guide as he puts it

485

00:19:34,710 --> 00:19:32,000

and

486

00:19:37,669 --> 00:19:34,720

i didn't put no stock in it there had

487

00:19:39,430 --> 00:19:37,679

been so many you know

488

00:19:41,029 --> 00:19:39,440

people saying that was probably a

489

00:19:44,150 --> 00:19:41,039

kangaroo

490

00:19:46,710 --> 00:19:44,160

or a chimpanzee that had escaped

491

00:19:48,150 --> 00:19:46,720

from a circus train or a zoo or

492

00:19:49,990 --> 00:19:48,160

something

493

00:19:51,830 --> 00:19:50,000

and you know

494

00:19:54,470 --> 00:19:51,840

like that old saying is seeing is

495

00:19:56,070 --> 00:19:54,480

believing well i believe

496

00:19:57,029 --> 00:19:56,080

what i saw

497

00:19:59,990 --> 00:19:57,039

and

498

00:20:02,710 --> 00:20:00,000

i'll set the scene for you i was still

499

00:20:05,270 --> 00:20:02,720

working down on the river and everything

500

00:20:07,669 --> 00:20:05,280

and it was supposed to rain the next day

501
00:20:08,870 --> 00:20:07,679
and i'd brought my bow fishing rig with

502
00:20:12,070 --> 00:20:08,880
me

503
00:20:13,669 --> 00:20:12,080
and uh i said what's the plan for work

504
00:20:15,430 --> 00:20:13,679
tomorrow boss and he says well it's

505
00:20:16,950 --> 00:20:15,440
supposed to rain tomorrow take the day

506
00:20:19,430 --> 00:20:16,960
off and i said okay i'll see you

507
00:20:21,830 --> 00:20:19,440
thursday i'm going fishing

508
00:20:23,669 --> 00:20:21,840
so i drove three hours across the state

509
00:20:26,230 --> 00:20:23,679
to the wabash river

510
00:20:29,029 --> 00:20:26,240
to go uh fishing

511
00:20:31,190 --> 00:20:29,039
and i was out there for maybe two or

512
00:20:32,950 --> 00:20:31,200
three hours after i drove for three

513
00:20:35,750 --> 00:20:32,960

hours uh

514

00:20:37,590 --> 00:20:35,760

catching garfish for bait

515

00:20:38,390 --> 00:20:37,600

and um

516

00:20:40,549 --> 00:20:38,400

i

517

00:20:42,549 --> 00:20:40,559

got a call from my

518

00:20:44,149 --> 00:20:42,559

uh mother and then my fiancee and

519

00:20:45,909 --> 00:20:44,159

they're like well when you coming home

520

00:20:47,590 --> 00:20:45,919

and i said i'll be home here in a little

521

00:20:49,190 --> 00:20:47,600

bit just give me some time the

522

00:20:51,510 --> 00:20:49,200

mosquitoes are starting to eat me up so

523

00:20:53,190 --> 00:20:51,520

i'll be along shortly so maybe about two

524

00:20:56,149 --> 00:20:53,200

hours from now

525

00:21:00,230 --> 00:20:56,159

and i loaded up my stuff and i um

526

00:21:01,350 --> 00:21:00,240

went back uh towards 40 route 45

527

00:21:03,350 --> 00:21:01,360

and

528

00:21:06,549 --> 00:21:03,360

i've been driving i started driving

529

00:21:09,430 --> 00:21:06,559

about eight o'clock and about 8 45

530

00:21:11,909 --> 00:21:09,440

i came through infield illinois

531

00:21:13,909 --> 00:21:11,919

and very small town and literally at

532

00:21:16,870 --> 00:21:13,919

night they rolled the sidewalk up there

533

00:21:18,470 --> 00:21:16,880

was not a soul alive in infield after

534

00:21:19,830 --> 00:21:18,480

dark whenever i went through town that

535

00:21:20,870 --> 00:21:19,840

night right

536

00:21:26,630 --> 00:21:20,880

and

537

00:21:28,310 --> 00:21:26,640

north city

538

00:21:31,590 --> 00:21:28,320

and there's a junction

539

00:21:34,789 --> 00:21:31,600

and it's where route 14 and route 45

540

00:21:37,430 --> 00:21:34,799

intersect going north south east west

541

00:21:39,750 --> 00:21:37,440

and i seen a sign on the road that said

542

00:21:41,350 --> 00:21:39,760

stop sign ahead so i started to slow

543

00:21:43,990 --> 00:21:41,360

down everything

544

00:21:46,470 --> 00:21:44,000

and i had my high beams on because the

545

00:21:47,430 --> 00:21:46,480

farmers were planting that night

546

00:21:49,590 --> 00:21:47,440

and

547

00:21:50,789 --> 00:21:49,600

uh if the farmers are planting usually

548

00:21:52,310 --> 00:21:50,799

the deer will be moving because they're

549

00:21:53,990 --> 00:21:52,320

going to be getting jumped up out of the

550

00:21:55,990 --> 00:21:54,000

woods and out of the fields

551
00:21:57,190 --> 00:21:56,000
and so i had my high beams on watching

552
00:21:59,669 --> 00:21:57,200
for deer

553
00:22:01,990 --> 00:21:59,679
and i'm coming up to the stop sign and

554
00:22:03,750 --> 00:22:02,000
i'm driving here and i'm driving the

555
00:22:07,590 --> 00:22:03,760
same vehicle that i'm sitting in right

556
00:22:09,350 --> 00:22:07,600
now my my 2003 ford ranger and it's

557
00:22:13,029 --> 00:22:09,360
regular stock there's nothing fancy

558
00:22:15,430 --> 00:22:13,039
smashy to it at all it's basic and

559
00:22:16,630 --> 00:22:15,440
i see right here on the right side of my

560
00:22:19,270 --> 00:22:16,640
windshield

561
00:22:21,190 --> 00:22:19,280
i see a shadow coming behind williams

562
00:22:23,510 --> 00:22:21,200
insurance house

563
00:22:26,630 --> 00:22:23,520

because there was a um

564

00:22:28,470 --> 00:22:26,640

a street light at that intersection and

565

00:22:30,470 --> 00:22:28,480

all like and it's shown over the back of

566

00:22:32,630 --> 00:22:30,480

the insurance house but you it still

567

00:22:34,470 --> 00:22:32,640

cast a shadow from the building itself

568

00:22:36,070 --> 00:22:34,480

and this thing was running inside of the

569

00:22:37,750 --> 00:22:36,080

shadow of the building

570

00:22:39,270 --> 00:22:37,760

and i

571

00:22:41,029 --> 00:22:39,280

started to slow down because i thought

572

00:22:43,110 --> 00:22:41,039

it could have been a fawn

573

00:22:45,909 --> 00:22:43,120

a little baby deer

574

00:22:46,950 --> 00:22:45,919

and i slowed down to about maybe 20 mile

575

00:22:49,909 --> 00:22:46,960

an hour

576

00:22:51,909 --> 00:22:49,919

and i'm coasting up on the stop sign

577

00:22:54,230 --> 00:22:51,919

and this thing comes down

578

00:22:55,270 --> 00:22:54,240

goes down in the ditch comes back up out

579

00:22:58,230 --> 00:22:55,280

of the ditch

580

00:23:00,789 --> 00:22:58,240

runs across the two lane blacktop

581

00:23:02,710 --> 00:23:00,799

down in the ditch on the other side back

582

00:23:04,789 --> 00:23:02,720

up and out and it took off across the

583

00:23:09,669 --> 00:23:04,799

field and it was gone

584

00:23:10,630 --> 00:23:09,679

and i stopped and i carry a uh 700 lumen

585

00:23:13,190 --> 00:23:10,640

uh

586

00:23:14,549 --> 00:23:13,200

spotlight for a headlamp that i had with

587

00:23:15,990 --> 00:23:14,559

me that night that i was using while i

588

00:23:18,149 --> 00:23:16,000

was garfishing

589

00:23:20,230 --> 00:23:18,159

i kicked that thing on and i shone it

590

00:23:22,070 --> 00:23:20,240

right outside of my window

591

00:23:24,070 --> 00:23:22,080

and i couldn't and i could span that

592

00:23:26,149 --> 00:23:24,080

field with that light and i couldn't

593

00:23:27,990 --> 00:23:26,159

even find this thing

594

00:23:31,190 --> 00:23:28,000

and you know

595

00:23:35,510 --> 00:23:31,200

i got uh in short of a time of what i

596

00:23:37,110 --> 00:23:35,520

saw this thing i got a pretty decent

597

00:23:39,029 --> 00:23:37,120

amount of detail

598

00:23:41,110 --> 00:23:39,039

from just seeing this thing run across

599

00:23:42,470 --> 00:23:41,120

in front of my truck

600

00:23:43,990 --> 00:23:42,480

this thing

601
00:23:46,070 --> 00:23:44,000
had to have been

602
00:23:46,870 --> 00:23:46,080
between three and a half to four feet

603
00:23:49,190 --> 00:23:46,880
tall

604
00:23:51,990 --> 00:23:49,200
across the top of the back

605
00:23:55,590 --> 00:23:52,000
it had dark gray

606
00:23:57,269 --> 00:23:55,600
elephant uh like like wet elephant skin

607
00:23:58,070 --> 00:23:57,279
color to it

608
00:24:00,390 --> 00:23:58,080
and

609
00:24:03,190 --> 00:24:00,400
it had when my it ran in front of my

610
00:24:04,950 --> 00:24:03,200
headlights it you could see a sort of a

611
00:24:06,630 --> 00:24:04,960
pinkish eye glow

612
00:24:08,390 --> 00:24:06,640
from this thing

613
00:24:12,870 --> 00:24:08,400

it had

614

00:24:16,870 --> 00:24:12,880

limbs

615

00:24:19,750 --> 00:24:16,880

uh kind of like ours and it was had its

616

00:24:22,630 --> 00:24:19,760

arms and its hands drawn up like this

617

00:24:24,870 --> 00:24:22,640

while it was running on two feet

618

00:24:28,230 --> 00:24:24,880

and then this thing has been reported to

619

00:24:30,950 --> 00:24:28,240

have like a tripod style uh leg

620

00:24:33,190 --> 00:24:30,960

arraignment arrangement and right where

621

00:24:36,390 --> 00:24:33,200

your tailbone would be is about where

622

00:24:40,149 --> 00:24:36,400

this thing's uh back leg was coming out

623

00:24:42,630 --> 00:24:40,159

but it had its leg drawn up like this

624

00:24:45,269 --> 00:24:42,640

whenever it ran across that road kind of

625

00:24:47,110 --> 00:24:45,279

like opossum does with its tail

626
00:24:49,350 --> 00:24:47,120
as straight up in the air with a little

627
00:24:50,630 --> 00:24:49,360
bit of a curve to it

628
00:24:52,710 --> 00:24:50,640
and

629
00:24:56,310 --> 00:24:52,720
i mean this thing had a

630
00:24:58,789 --> 00:24:56,320
like an alligator's side style head

631
00:25:00,470 --> 00:24:58,799
but it had what we call a pug nose on it

632
00:25:03,590 --> 00:25:00,480
which means a short snap

633
00:25:06,789 --> 00:25:03,600
so it had the head like an alligator but

634
00:25:07,669 --> 00:25:06,799
the snor snout was a little bit shorter

635
00:25:10,310 --> 00:25:07,679
and

636
00:25:12,070 --> 00:25:10,320
this thing just went came across there

637
00:25:13,029 --> 00:25:12,080
just boogity boogity boogity across the

638
00:25:15,669 --> 00:25:13,039

road

639

00:25:18,950 --> 00:25:15,679

and it hit the field and it was gone

640

00:25:21,350 --> 00:25:18,960

and i and i sat there at that stop sign

641

00:25:22,950 --> 00:25:21,360

for about a good two and a half minutes

642

00:25:24,310 --> 00:25:22,960

i should literally shut the car the

643

00:25:26,549 --> 00:25:24,320

truck off

644

00:25:30,230 --> 00:25:26,559

and at this point i'm

645

00:25:32,310 --> 00:25:30,240

you know the adrenaline's going and i am

646

00:25:33,990 --> 00:25:32,320

trying to calm myself down and i called

647

00:25:35,510 --> 00:25:34,000

my mother

648

00:25:37,190 --> 00:25:35,520

and i said mom you're not going to

649

00:25:40,230 --> 00:25:37,200

believe this and she goes what's wrong

650

00:25:43,350 --> 00:25:40,240

are you okay and i said no i'm fine

651
00:25:45,350 --> 00:25:43,360
but i i swears god is my witness i saw

652
00:25:47,669 --> 00:25:45,360
the enfield monster

653
00:25:48,630 --> 00:25:47,679
and i described what i just described to

654
00:25:50,630 --> 00:25:48,640
you

655
00:25:53,350 --> 00:25:50,640
and i told her i said mom it looked kind

656
00:25:54,630 --> 00:25:53,360
of like a dinosaur

657
00:25:55,750 --> 00:25:54,640
and

658
00:25:57,350 --> 00:25:55,760
she

659
00:25:59,430 --> 00:25:57,360
talked me down calmed me down the

660
00:26:02,549 --> 00:25:59,440
adrenaline rush went away

661
00:26:04,710 --> 00:26:02,559
and then i uh continued on

662
00:26:06,870 --> 00:26:04,720
my journey back to the house

663
00:26:09,350 --> 00:26:06,880

and then i told my team whenever i got

664

00:26:12,630 --> 00:26:09,360

back to the house of what i saw

665

00:26:14,630 --> 00:26:12,640

and you know i put it out on facebook

666

00:26:16,950 --> 00:26:14,640

that same night

667

00:26:20,549 --> 00:26:16,960

and i'm like you know the if this thing

668

00:26:22,789 --> 00:26:20,559

is still around or is back the public

669

00:26:23,750 --> 00:26:22,799

needs to know that this thing is back

670

00:26:25,510 --> 00:26:23,760

and

671

00:26:30,549 --> 00:26:25,520

i put it out there

672

00:26:31,750 --> 00:26:30,559

and that's how shannon legrow uh jake uh

673

00:26:32,870 --> 00:26:31,760

guerra

674

00:26:43,750 --> 00:26:32,880

and

675

00:26:46,230 --> 00:26:43,760

you know

676

00:26:49,190 --> 00:26:46,240

this thing i do believe that the infield

677

00:26:52,310 --> 00:26:49,200

monster is alive and well

678

00:26:53,909 --> 00:26:52,320

in white county illinois

679

00:26:55,830 --> 00:26:53,919

do you um

680

00:26:57,350 --> 00:26:55,840

now you haven't heard of anybody else

681

00:26:59,269 --> 00:26:57,360

lately uh

682

00:27:03,110 --> 00:26:59,279

seeing this thing have you

683

00:27:05,990 --> 00:27:03,120

no and i have i have been monitoring any

684

00:27:07,990 --> 00:27:06,000

kind of reports on you know social media

685

00:27:10,149 --> 00:27:08,000

that i would find any kind of newspaper

686

00:27:12,630 --> 00:27:10,159

articles that would come up online

687

00:27:16,390 --> 00:27:12,640

regarding this thing in current day

688

00:27:18,310 --> 00:27:16,400

current uh current uh present day and i

689

00:27:19,909 --> 00:27:18,320

to this day i still have not if there

690

00:27:21,830 --> 00:27:19,919

are people seeing it they're not coming

691

00:27:23,630 --> 00:27:21,840

forward right

692

00:27:25,269 --> 00:27:23,640

interesting

693

00:27:28,230 --> 00:27:25,279

[Music]

694

00:27:30,950 --> 00:27:28,240

you know the fact that you saw it

695

00:27:32,470 --> 00:27:30,960

so many years after it was

696

00:27:34,710 --> 00:27:32,480

last reported

697

00:27:36,230 --> 00:27:34,720

i tend to believe other people have seen

698

00:27:38,070 --> 00:27:36,240

it and just haven't reported you know

699

00:27:40,470 --> 00:27:38,080

that's not unusual

700

00:27:42,630 --> 00:27:40,480

right and you know yeah

701
00:27:45,350 --> 00:27:42,640
it's it's small like i said it's small

702
00:27:47,430 --> 00:27:45,360
town usa in anfield everybody who's

703
00:27:49,590 --> 00:27:47,440
anybody knows everybody

704
00:27:51,909 --> 00:27:49,600
and everybody knows your business and a

705
00:27:54,630 --> 00:27:51,919
lot of them are well respected big time

706
00:27:56,630 --> 00:27:54,640
farmering uh companies up there and

707
00:27:58,870 --> 00:27:56,640
folks that are well respected members of

708
00:28:00,710 --> 00:27:58,880
their community that i believe that they

709
00:28:02,389 --> 00:28:00,720
are if they are seeing this thing that

710
00:28:04,310 --> 00:28:02,399
they are keeping it to themselves for

711
00:28:06,149 --> 00:28:04,320
fear of ridicule and it might hurt their

712
00:28:07,909 --> 00:28:06,159
business because people are like why

713
00:28:13,510 --> 00:28:07,919

would i want to go and buy or do

714

00:28:18,870 --> 00:28:16,389

uh you know vincent made a good point uh

715

00:28:20,230 --> 00:28:18,880

did you guys look for tracks later on or

716

00:28:22,549 --> 00:28:20,240

have you been up there looking for

717

00:28:24,149 --> 00:28:22,559

tracks or any type of other

718

00:28:27,269 --> 00:28:24,159

physical evidence

719

00:28:29,350 --> 00:28:27,279

i have not been back since uh it's just

720

00:28:32,630 --> 00:28:29,360

been you know so busy with work and not

721

00:28:33,590 --> 00:28:32,640

only that with gas being so high

722

00:28:36,470 --> 00:28:33,600

um

723

00:28:37,909 --> 00:28:36,480

with i mean it's dropping now but back

724

00:28:41,190 --> 00:28:37,919

then it was

725

00:28:44,630 --> 00:28:41,200

right around like 487 a gallon and it's

726

00:28:46,630 --> 00:28:44,640

getting closer to 399 a gallon now but

727

00:28:48,710 --> 00:28:46,640

here's the thing why i did not get out

728

00:28:51,190 --> 00:28:48,720

of my truck and everything is because i

729

00:28:53,430 --> 00:28:51,200

all i had other than my bow fishing rig

730

00:28:56,549 --> 00:28:53,440

in the bed of my truck it was a pocket

731

00:28:59,590 --> 00:28:56,559

knife i didn't have a side arm or a long

732

00:29:00,549 --> 00:28:59,600

long arm with me and what's to say this

733

00:29:02,470 --> 00:29:00,559

thing

734

00:29:05,110 --> 00:29:02,480

wouldn't have meant to do me any kind of

735

00:29:08,149 --> 00:29:05,120

harm and not only that it was late at

736

00:29:10,870 --> 00:29:08,159

night and you know these are out there

737

00:29:13,830 --> 00:29:10,880

it's wide open country and that is

738

00:29:15,669 --> 00:29:13,840

property that belongs to big name farmer

739

00:29:18,310 --> 00:29:15,679

corporations

740

00:29:21,029 --> 00:29:18,320

those places are monitored by cameras

741

00:29:23,750 --> 00:29:21,039

and uh people out doing night patrols

742

00:29:27,590 --> 00:29:23,760

and all of that it's heavily

743

00:29:28,789 --> 00:29:27,600

policed uh with uh with uh law the law

744

00:29:31,510 --> 00:29:28,799

patrols

745

00:29:33,750 --> 00:29:31,520

i was not in the mood to either get

746

00:29:35,750 --> 00:29:33,760

arrested for trespassing

747

00:29:39,110 --> 00:29:35,760

get attacked by this creature if it

748

00:29:40,870 --> 00:29:39,120

decided to double back on me oh and i

749

00:29:42,870 --> 00:29:40,880

didn't feel like getting shot by a

750

00:29:44,310 --> 00:29:42,880

property owner or having a gun put in my

751
00:29:46,389 --> 00:29:44,320
face

752
00:29:48,070 --> 00:29:46,399
i was not in the mood to be charged with

753
00:29:50,710 --> 00:29:48,080
trespassing

754
00:29:52,710 --> 00:29:50,720
oh wow i don't blame you

755
00:29:54,549 --> 00:29:52,720
um

756
00:29:57,269 --> 00:29:54,559
and any kind of tracks that would have

757
00:29:59,750 --> 00:29:57,279
been there even if i went back the next

758
00:30:02,310 --> 00:29:59,760
day or the next two days they would have

759
00:30:04,389 --> 00:30:02,320
been washed away because like i said the

760
00:30:06,310 --> 00:30:04,399
next day after that next day there was a

761
00:30:08,310 --> 00:30:06,320
big front coming in it came a torrential

762
00:30:10,470 --> 00:30:08,320
downpour the next day and all of those

763
00:30:11,909 --> 00:30:10,480

tracks would have got washed away right

764

00:30:16,149 --> 00:30:11,919

right

765

00:30:18,389 --> 00:30:16,159

so did you i mean what you saw did it um

766

00:30:20,630 --> 00:30:18,399

did it actually

767

00:30:25,430 --> 00:30:20,640

mimic what others had reported back in

768

00:30:27,350 --> 00:30:25,440

the 70s yes uh i i i mean every bit of

769

00:30:30,149 --> 00:30:27,360

it from the reports i've read and the

770

00:30:31,110 --> 00:30:30,159

stories i've heard regarding this thing

771

00:30:34,950 --> 00:30:31,120

um

772

00:30:36,710 --> 00:30:34,960

it it did and but here's the thing like

773

00:30:39,590 --> 00:30:36,720

some of the pictures that we've seen

774

00:30:42,470 --> 00:30:39,600

here on the show already i they did not

775

00:30:44,950 --> 00:30:42,480

look anything like that white one at all

776

00:30:46,470 --> 00:30:44,960

or the colorized cartoon version i

777

00:30:48,870 --> 00:30:46,480

believe those are just overly

778

00:30:51,269 --> 00:30:48,880

embellished to look more menacing right

779

00:30:55,350 --> 00:30:51,279

this thing it was you know

780

00:30:58,070 --> 00:30:55,360

i like i told jake guerra um this thing

781

00:31:00,149 --> 00:30:58,080

did not have any kind of body hair on it

782

00:31:02,870 --> 00:31:00,159

because i have pretty powerful high

783

00:31:05,190 --> 00:31:02,880

beams on my truck and like i i jokingly

784

00:31:07,590 --> 00:31:05,200

say i turn my high beams on i can give

785

00:31:08,789 --> 00:31:07,600

you an x-ray that's how powerful these

786

00:31:12,310 --> 00:31:08,799

things are

787

00:31:13,909 --> 00:31:12,320

and i had my windows down on this

788

00:31:15,990 --> 00:31:13,919

truck because my air conditioner has

789

00:31:18,149 --> 00:31:16,000

been busted for a while

790

00:31:19,990 --> 00:31:18,159

and i was slowed down and everything and

791

00:31:21,269 --> 00:31:20,000

over even over the hum of the engine

792

00:31:23,110 --> 00:31:21,279

with this thing running across the

793

00:31:24,789 --> 00:31:23,120

two-lane blacktop you could hear the

794

00:31:27,029 --> 00:31:24,799

claws on its feet ticking on the

795

00:31:29,190 --> 00:31:27,039

blacktop is that right

796

00:31:31,029 --> 00:31:29,200

yes

797

00:31:33,350 --> 00:31:31,039

and there's been so many

798

00:31:36,310 --> 00:31:33,360

uh theories on what this creature could

799

00:31:39,110 --> 00:31:36,320

actually be yeah some some people say

800

00:31:41,509 --> 00:31:39,120

it's uh demonic which i do not believe

801
00:31:44,310 --> 00:31:41,519
at all because you know you don't have

802
00:31:47,509 --> 00:31:44,320
to be an empath a clairvoyant or

803
00:31:48,870 --> 00:31:47,519
a medium or psychic whichever you want

804
00:31:51,269 --> 00:31:48,880
to claim to be

805
00:31:53,590 --> 00:31:51,279
to tell if there is something with ill

806
00:31:55,990 --> 00:31:53,600
intent in its heart you can get that

807
00:31:59,350 --> 00:31:56,000
feeling just away from that primal

808
00:32:02,389 --> 00:31:59,360
instinct that we have from our ancestors

809
00:32:05,909 --> 00:32:02,399
you know i did not detect any kind of

810
00:32:12,070 --> 00:32:09,430
malcontent or malevolent um

811
00:32:15,269 --> 00:32:12,080
intent with this thing i mean

812
00:32:17,669 --> 00:32:15,279
if anything i detected fear because i

813
00:32:19,190 --> 00:32:17,679

feel like them farmers out planting

814

00:32:21,029 --> 00:32:19,200

their crops and spraying their crops

815

00:32:23,269 --> 00:32:21,039

might have jumped this thing off and it

816

00:32:26,710 --> 00:32:23,279

was running to get away because if this

817

00:32:28,149 --> 00:32:26,720

thing uh wasn't scared of people i

818

00:32:29,990 --> 00:32:28,159

believe that it would have stopped in

819

00:32:32,310 --> 00:32:30,000

front of my truck at least to look at me

820

00:32:34,630 --> 00:32:32,320

for at least half a second and then keep

821

00:32:36,950 --> 00:32:34,640

on going it just kept going and it never

822

00:32:39,350 --> 00:32:36,960

even looked my way it just kept on going

823

00:32:41,990 --> 00:32:39,360

straight shot

824

00:32:43,509 --> 00:32:42,000

and then some people say it could be an

825

00:32:45,350 --> 00:32:43,519

extraterrestrial

826

00:32:46,389 --> 00:32:45,360

i'm a little bit on board with that

827

00:32:49,669 --> 00:32:46,399

because

828

00:32:52,789 --> 00:32:49,679

this thing uh has been seen in an area

829

00:32:55,269 --> 00:32:52,799

where there has been an abundance of ufo

830

00:32:59,430 --> 00:32:55,279

reports southern illinois is a hotbed

831

00:33:01,750 --> 00:32:59,440

form uh you know back in 2000 we had a

832

00:33:06,470 --> 00:33:01,760

triangle shaped ufo the size of a

833

00:33:09,830 --> 00:33:06,480

football field that was seen in by the

834

00:33:11,990 --> 00:33:09,840

population of five different towns oh in

835

00:33:16,070 --> 00:33:12,000

less than an hour and a half

836

00:33:17,430 --> 00:33:16,080

you know then here back in 2017

837

00:33:19,350 --> 00:33:17,440

there was a

838

00:33:20,870 --> 00:33:19,360

red light ufo

839

00:33:24,389 --> 00:33:20,880

that went

840

00:33:26,789 --> 00:33:24,399

over the mississippi river valley and

841

00:33:28,470 --> 00:33:26,799

thousands of people saw it

842

00:33:32,070 --> 00:33:28,480

and then here

843

00:33:34,310 --> 00:33:32,080

um back in 2018 my ex-girlfriend and me

844

00:33:36,630 --> 00:33:34,320

were sitting out here in my driveway

845

00:33:39,269 --> 00:33:36,640

just talking sitting on the tailgate and

846

00:33:42,870 --> 00:33:39,279

i look up over here in the north sky

847

00:33:45,669 --> 00:33:42,880

and i'm seeing a crap going through the

848

00:33:48,230 --> 00:33:45,679

air that had like white lights but they

849

00:33:50,070 --> 00:33:48,240

weren't like you know a light here a

850

00:33:52,470 --> 00:33:50,080

light there a light there a light over

851
00:33:54,950 --> 00:33:52,480
here they were all in a straight equally

852
00:33:56,789 --> 00:33:54,960
spaced straight line

853
00:33:58,389 --> 00:33:56,799
going across the sky

854
00:34:00,630 --> 00:33:58,399
and you could see this thing as it was

855
00:34:03,990 --> 00:34:00,640
ascending and then when it leveled out

856
00:34:05,590 --> 00:34:04,000
it tilted and all of those

857
00:34:07,269 --> 00:34:05,600
same lights

858
00:34:09,270 --> 00:34:07,279
leveled out with the craft and

859
00:34:11,430 --> 00:34:09,280
everything it ain't like they came up at

860
00:34:13,349 --> 00:34:11,440
a curve or anything they just went and

861
00:34:15,589 --> 00:34:13,359
angled out and just leveled out like you

862
00:34:19,190 --> 00:34:15,599
do a regular uh

863
00:34:22,950 --> 00:34:21,109

i don't know what your theories are what

864

00:34:24,069 --> 00:34:22,960

your thoughts are on interdimensional

865

00:34:25,589 --> 00:34:24,079

beings

866

00:34:28,389 --> 00:34:25,599

but do you think this there's a

867

00:34:31,750 --> 00:34:28,399

possibility that this being may be able

868

00:34:32,710 --> 00:34:31,760

to come in and out of our reality

869

00:34:34,389 --> 00:34:32,720

well

870

00:34:37,270 --> 00:34:34,399

i'll just i

871

00:34:39,589 --> 00:34:37,280

really don't know you know what to think

872

00:34:41,909 --> 00:34:39,599

about what this thing is you know it's

873

00:34:44,470 --> 00:34:41,919

the world where we're still discovering

874

00:34:45,589 --> 00:34:44,480

new things about our universe

875

00:34:48,790 --> 00:34:45,599

daily

876
00:34:49,750 --> 00:34:48,800
and we are discovering new uh

877
00:34:52,230 --> 00:34:49,760
uh

878
00:34:55,909 --> 00:34:52,240
plant life and animals

879
00:34:57,510 --> 00:34:55,919
uh you know year daily as it goes and

880
00:34:59,990 --> 00:34:57,520
everything you know we learn something

881
00:35:02,950 --> 00:35:00,000
new every day what this thing could be i

882
00:35:04,630 --> 00:35:02,960
have no clue as of yet

883
00:35:06,470 --> 00:35:04,640
so i wouldn't know what to tell you long

884
00:35:08,550 --> 00:35:06,480
well the reason i asked that is you know

885
00:35:11,510 --> 00:35:08,560
we we've been investigating a lot of

886
00:35:13,910 --> 00:35:11,520
different things over the years and uh

887
00:35:16,390 --> 00:35:13,920
but and we've suspected that this may be

888
00:35:17,990 --> 00:35:16,400

the case in some some of these creatures

889

00:35:20,150 --> 00:35:18,000

some of these cryptids

890

00:35:21,829 --> 00:35:20,160

uh especially what's going on in chicago

891

00:35:24,069 --> 00:35:21,839

with the winged humanoids

892

00:35:25,990 --> 00:35:24,079

uh so that's why i wanted to ask you i

893

00:35:27,829 --> 00:35:26,000

just wanted to get your idea you know

894

00:35:30,710 --> 00:35:27,839

what you thought it would be you know

895

00:35:31,910 --> 00:35:30,720

you live in an area

896

00:35:34,870 --> 00:35:31,920

that

897

00:35:36,310 --> 00:35:34,880

has had a lot of cryptic activity i mean

898

00:35:38,790 --> 00:35:36,320

and you know that

899

00:35:39,990 --> 00:35:38,800

but for the audience i mean i have

900

00:35:42,310 --> 00:35:40,000

gotten

901
00:35:44,470 --> 00:35:42,320
some pretty strange bigfoot reports over

902
00:35:45,910 --> 00:35:44,480
the years in southern illinois and as

903
00:35:48,150 --> 00:35:45,920
well

904
00:35:50,790 --> 00:35:48,160
more recently we've had some pretty

905
00:35:52,069 --> 00:35:50,800
interesting uh winged humanoid sightings

906
00:35:53,589 --> 00:35:52,079
as well

907
00:35:57,430 --> 00:35:53,599
so uh

908
00:36:00,470 --> 00:35:57,440
it is a heavy area heavy concentration

909
00:36:01,589 --> 00:36:00,480
i believe ken gerhard called it a window

910
00:36:04,230 --> 00:36:01,599
state

911
00:36:06,630 --> 00:36:04,240
maybe yeah for all of these

912
00:36:09,270 --> 00:36:06,640
different types as i put it a cornucopia

913
00:36:11,109 --> 00:36:09,280

of cryptids in the last in the just in

914

00:36:13,109 --> 00:36:11,119

the last hundred years

915

00:36:15,990 --> 00:36:13,119

you know there has been the mad gasser

916

00:36:18,790 --> 00:36:16,000

of my tune the big muddy monster you

917

00:36:21,109 --> 00:36:18,800

know the infield horror

918

00:36:25,510 --> 00:36:21,119

nellie the lion the phantom panther

919

00:36:27,990 --> 00:36:25,520

dog man um the hamp mine monster

920

00:36:29,670 --> 00:36:28,000

the list goes on and on and we even had

921

00:36:33,190 --> 00:36:29,680

mothman reports

922

00:36:35,670 --> 00:36:33,200

here in the last 10 years

923

00:36:38,230 --> 00:36:35,680

from when the leap day tornado happened

924

00:36:40,069 --> 00:36:38,240

back here in 2012

925

00:36:41,910 --> 00:36:40,079

in the months leading up to the leap day

926

00:36:44,710 --> 00:36:41,920

tornado that killed eight people there

927

00:36:48,630 --> 00:36:44,720

was reports of mothman cited uh in and

928

00:36:53,510 --> 00:36:51,030

yeah so you know i mean

929

00:36:55,589 --> 00:36:53,520

i mean i you go and you look at it and

930

00:36:57,430 --> 00:36:55,599

everything one of my team members stacy

931

00:36:58,870 --> 00:36:57,440

coughlin brought up to me because him

932

00:37:01,030 --> 00:36:58,880

and me talk all kinds of stuff but you

933

00:37:02,950 --> 00:37:01,040

know i'm a i'm a preacher and everything

934

00:37:04,150 --> 00:37:02,960

but you know i try to keep i

935

00:37:06,310 --> 00:37:04,160

i believe

936

00:37:07,910 --> 00:37:06,320

god exists and everything but you know i

937

00:37:09,670 --> 00:37:07,920

go and i look at other things and

938

00:37:11,910 --> 00:37:09,680

everything

939

00:37:14,950 --> 00:37:11,920

you know you look at

940

00:37:17,510 --> 00:37:14,960

illinois and you overlook overlaid on a

941

00:37:20,470 --> 00:37:17,520

map of where ley lines are there is a

942

00:37:22,710 --> 00:37:20,480

major ley line running right along

943

00:37:25,190 --> 00:37:22,720

southern illinois running directly

944

00:37:27,750 --> 00:37:25,200

through it

945

00:37:30,230 --> 00:37:27,760

and you know a lot of people have these

946

00:37:32,310 --> 00:37:30,240

theories about these ley lines being uh

947

00:37:36,630 --> 00:37:32,320

energy highways for

948

00:37:38,710 --> 00:37:36,640

everything from uh from uh physical

949

00:37:39,589 --> 00:37:38,720

to paranormal

950

00:37:41,589 --> 00:37:39,599

and

951
00:37:43,190 --> 00:37:41,599
i you know i just believe that that may

952
00:37:44,790 --> 00:37:43,200
have something to do with all these

953
00:37:46,550 --> 00:37:44,800
cryptids being seen

954
00:37:48,950 --> 00:37:46,560
within you know

955
00:37:52,790 --> 00:37:48,960
two hours of each other

956
00:37:56,230 --> 00:37:52,800
well you know i do believe geology

957
00:37:57,829 --> 00:37:56,240
and uh past incidents have a lot to do

958
00:37:59,990 --> 00:37:57,839
with uh

959
00:38:02,390 --> 00:38:00,000
why certain cryptid

960
00:38:04,230 --> 00:38:02,400
areas are heavy encrypted sightings

961
00:38:07,030 --> 00:38:04,240
illinois definitely is one of them it's

962
00:38:08,470 --> 00:38:07,040
well known for winged being sightings

963
00:38:11,430 --> 00:38:08,480

throughout the state

964

00:38:13,990 --> 00:38:11,440

as well as bigfoot and um of course here

965

00:38:15,589 --> 00:38:14,000

in pennsylvania we've got a plethora of

966

00:38:16,710 --> 00:38:15,599

sightings of a lot of different things

967

00:38:18,870 --> 00:38:16,720

as well

968

00:38:20,790 --> 00:38:18,880

uh and it seems like you know it seems

969

00:38:22,150 --> 00:38:20,800

like it's has to do with maybe the

970

00:38:23,270 --> 00:38:22,160

geology

971

00:38:25,109 --> 00:38:23,280

and

972

00:38:26,390 --> 00:38:25,119

some of the incidents that had occurred

973

00:38:28,150 --> 00:38:26,400

there

974

00:38:30,069 --> 00:38:28,160

you know previously

975

00:38:31,510 --> 00:38:30,079

i mean that's my theory you know the

976
00:38:33,510 --> 00:38:31,520
upcoming i would

977
00:38:35,829 --> 00:38:33,520
yeah the upper midwest is really heavy

978
00:38:38,550 --> 00:38:35,839
with a lot of cryptid activity anyway

979
00:38:40,390 --> 00:38:38,560
indiana illinois wisconsin even down

980
00:38:43,349 --> 00:38:40,400
into missouri

981
00:38:46,150 --> 00:38:43,359
very heavy encrypted activity

982
00:38:48,150 --> 00:38:46,160
well i mean you look at all this you

983
00:38:49,750 --> 00:38:48,160
know you look at

984
00:38:51,670 --> 00:38:49,760
you don't you don't have to even look at

985
00:38:54,230 --> 00:38:51,680
a topographical map

986
00:38:56,550 --> 00:38:54,240
just look at a map of how all the rivers

987
00:38:58,790 --> 00:38:56,560
feed into the mississippi we've got all

988
00:39:01,510 --> 00:38:58,800

these water sources and everything and

989

00:39:02,870 --> 00:39:01,520

then just here in southern illinois

990

00:39:05,910 --> 00:39:02,880

from

991

00:39:09,589 --> 00:39:05,920

mount vernon illinois down to

992

00:39:12,950 --> 00:39:09,599

uh golconda and and cairo illinois you

993

00:39:14,710 --> 00:39:12,960

will find swamps you will find planes

994

00:39:17,510 --> 00:39:14,720

you will find

995

00:39:21,430 --> 00:39:17,520

wide open spaces heavily wooded areas

996

00:39:24,870 --> 00:39:21,440

you will find ponds creeks lakes

997

00:39:28,150 --> 00:39:24,880

orchards cattle farms all

998

00:39:30,710 --> 00:39:28,160

abundance of livestock and wildlife this

999

00:39:33,670 --> 00:39:30,720

thing is what i call is a smelting pot

1000

00:39:34,550 --> 00:39:33,680

for different uh biomes

1001

00:39:35,349 --> 00:39:34,560

right

1002

00:39:37,750 --> 00:39:35,359

yeah

1003

00:39:40,230 --> 00:39:37,760

there's a lot of a lot of variables for

1004

00:39:42,950 --> 00:39:40,240

it to hide to live to feed

1005

00:39:45,030 --> 00:39:42,960

and absolutely it does you know it is an

1006

00:39:47,589 --> 00:39:45,040

area where there's you know

1007

00:39:50,550 --> 00:39:47,599

something like that can can survive very

1008

00:39:55,349 --> 00:39:52,870

i agree so um

1009

00:39:56,710 --> 00:39:55,359

what other uh what other reports and

1010

00:39:58,630 --> 00:39:56,720

what other

1011

00:40:01,910 --> 00:39:58,640

investigations have you and your team

1012

00:40:04,069 --> 00:40:01,920

been involved with that are of interest

1013

00:40:05,190 --> 00:40:04,079

well i mean

1014

00:40:06,630 --> 00:40:05,200

here

1015

00:40:08,550 --> 00:40:06,640

this past

1016

00:40:12,790 --> 00:40:08,560

may of last year

1017

00:40:16,790 --> 00:40:12,800

we investigated a report of a

1018

00:40:17,910 --> 00:40:16,800

uh somewhat territorially aggressive uh

1019

00:40:20,790 --> 00:40:17,920

bigfoot

1020

00:40:22,309 --> 00:40:20,800

report uh there's this um

1021

00:40:25,190 --> 00:40:22,319

uh it was actually a friend of our

1022

00:40:25,990 --> 00:40:25,200

tracker ben my cousin

1023

00:40:28,069 --> 00:40:26,000

and

1024

00:40:30,390 --> 00:40:28,079

we he told me about it

1025

00:40:32,390 --> 00:40:30,400

and he was actually there

1026

00:40:34,870 --> 00:40:32,400

for the uh

1027

00:40:37,270 --> 00:40:34,880

first two or three actual encounters

1028

00:40:39,349 --> 00:40:37,280

that happened so this was kind of his

1029

00:40:40,630 --> 00:40:39,359

investigation and i was just there as

1030

00:40:43,430 --> 00:40:40,640

backup

1031

00:40:46,230 --> 00:40:43,440

and this thing had been seen they were

1032

00:40:47,589 --> 00:40:46,240

out coyote hunting one night

1033

00:40:52,550 --> 00:40:47,599

and

1034

00:40:54,150 --> 00:40:52,560

they're outside just uh screwing around

1035

00:40:56,950 --> 00:40:54,160

he showed me a video where they were

1036

00:40:58,550 --> 00:40:56,960

actually out doing fire dancing with the

1037

00:41:00,550 --> 00:40:58,560

fire baton

1038

00:41:02,710 --> 00:41:00,560

and

1039

00:41:04,470 --> 00:41:02,720

everything just got dead quiet next

1040

00:41:07,270 --> 00:41:04,480

thing you know they heard this big

1041

00:41:09,030 --> 00:41:07,280

wailing yell come out of these pine

1042

00:41:11,430 --> 00:41:09,040

trees that was out behind the house

1043

00:41:13,589 --> 00:41:11,440

about a hundred yards away

1044

00:41:16,470 --> 00:41:13,599

and they were all

1045

00:41:18,550 --> 00:41:16,480

uh that the next time we're all sitting

1046

00:41:21,910 --> 00:41:18,560

out on the front porch just hanging out

1047

00:41:24,150 --> 00:41:21,920

and talking and they heard a corridor

1048

00:41:26,710 --> 00:41:24,160

slam and they heard something take off

1049

00:41:29,349 --> 00:41:26,720

into the woods well everybody that was

1050

00:41:31,670 --> 00:41:29,359

there because this this house sits back

1051

00:41:35,190 --> 00:41:31,680

down a half mile

1052

00:41:36,870 --> 00:41:35,200

uh down this one lane road and

1053

00:41:38,950 --> 00:41:36,880

if you don't know

1054

00:41:40,470 --> 00:41:38,960

where the house is or even where the

1055

00:41:43,430 --> 00:41:40,480

driveway is because the driveway is not

1056

00:41:45,030 --> 00:41:43,440

marked it just looks like a back road

1057

00:41:47,030 --> 00:41:45,040

if you don't know where this place is

1058

00:41:50,309 --> 00:41:47,040

you're not going to find it

1059

00:41:51,190 --> 00:41:50,319

they heard a car door slam

1060

00:41:55,109 --> 00:41:51,200

and

1061

00:41:56,710 --> 00:41:55,119

somebody's down there messing around

1062

00:42:00,069 --> 00:41:56,720

with my truck

1063

00:42:01,510 --> 00:42:00,079

and he went down there to see and no he

1064

00:42:04,470 --> 00:42:01,520

kept his

1065

00:42:07,270 --> 00:42:04,480

lunch pail in the back seat of his truck

1066

00:42:10,069 --> 00:42:07,280

and his lunch pail had been dumped out

1067

00:42:12,069 --> 00:42:10,079

and all the contents that were torn into

1068

00:42:16,230 --> 00:42:12,079

sandwich wrappers chip

1069

00:42:19,349 --> 00:42:16,240

bags um there was a

1070

00:42:22,230 --> 00:42:19,359

bottle of soda that had been uncourt

1071

00:42:23,990 --> 00:42:22,240

and was uh pouring out over the seat and

1072

00:42:25,430 --> 00:42:24,000

while he's out there they're all sitting

1073

00:42:27,270 --> 00:42:25,440

out there and they said what did you

1074

00:42:29,349 --> 00:42:27,280

find down there

1075

00:42:31,829 --> 00:42:29,359

and about that time as he's walking back

1076

00:42:34,069 --> 00:42:31,839

a 10 foot long limb

1077

00:42:36,390 --> 00:42:34,079

that's about as big as a coffee can they

1078

00:42:38,390 --> 00:42:36,400

said came flying out of the trees you

1079

00:42:40,470 --> 00:42:38,400

could hear it flying through the canopy

1080

00:42:41,349 --> 00:42:40,480

and it landed right out in the middle of

1081

00:42:53,349 --> 00:42:41,359

the

1082

00:42:54,710 --> 00:42:53,359

what this thing is

1083

00:42:56,550 --> 00:42:54,720

and they said they could see the

1084

00:42:59,030 --> 00:42:56,560

silhouette of this

1085

00:43:00,550 --> 00:42:59,040

bigfoot inside the tree line

1086

00:43:02,069 --> 00:43:00,560

walking through the trees they could

1087

00:43:03,910 --> 00:43:02,079

actually see the silhouette of this

1088

00:43:06,790 --> 00:43:03,920

thing and this thing would affect the

1089

00:43:09,190 --> 00:43:06,800

behavior of the wife's dogs

1090

00:43:11,349 --> 00:43:09,200

like they got this pit bull boxer mix

1091

00:43:14,069 --> 00:43:11,359

that's i've played with this dog i've

1092

00:43:22,230 --> 00:43:14,079

loved this dog biggest sweetheart you'd

1093

00:43:26,069 --> 00:43:24,470

well he seems to be buffering

1094

00:43:34,950 --> 00:43:26,079

i hope we didn't lose him and get him

1095

00:43:40,390 --> 00:43:37,910

so i hope he gets come on so i'm working

1096

00:43:41,910 --> 00:43:40,400

i'm working hey guys i'm working on it

1097

00:43:43,910 --> 00:43:41,920

right now i think we just dropped him

1098

00:43:49,349 --> 00:43:43,920

off for a second okay i'll be right back

1099

00:43:52,230 --> 00:43:51,030

well anyway

1100

00:43:55,190 --> 00:43:52,240

uh

1101
00:43:56,790 --> 00:43:55,200
like zach saying i mean this is an area

1102
00:43:58,710 --> 00:43:56,800
that i've been interested in for a lot

1103
00:44:01,270 --> 00:43:58,720
of years i mean we've gotten reports i

1104
00:44:04,630 --> 00:44:01,280
know i've gotten

1105
00:44:06,950 --> 00:44:04,640
at least three or four reports of

1106
00:44:10,069 --> 00:44:06,960
wing humanoids

1107
00:44:11,430 --> 00:44:10,079
diving onto towards cars on highways

1108
00:44:13,190 --> 00:44:11,440
down in southern illinois you know

1109
00:44:14,870 --> 00:44:13,200
coming across southern illinois coming

1110
00:44:16,150 --> 00:44:14,880
from st louis

1111
00:44:18,470 --> 00:44:16,160
and uh

1112
00:44:20,309 --> 00:44:18,480
i don't know what the hell people are

1113
00:44:22,710 --> 00:44:20,319

seeing but uh it's very similar to a lot

1114

00:44:26,630 --> 00:44:22,720

of other settings we've had

1115

00:44:29,190 --> 00:44:26,640

so um you know this area it does have a

1116

00:44:30,069 --> 00:44:29,200

lot of things going on around it

1117

00:44:34,870 --> 00:44:30,079

uh

1118

00:44:37,670 --> 00:44:34,880

bigfoot setting reports

1119

00:44:41,589 --> 00:44:37,680

from shawnee national forest

1120

00:44:43,829 --> 00:44:41,599

which is in southern illinois uh and uh

1121

00:44:46,150 --> 00:44:43,839

vince is going to be investigating that

1122

00:44:49,030 --> 00:44:46,160

carter bouchard also

1123

00:44:53,430 --> 00:44:49,040

talked about uh going in there in there

1124

00:44:57,190 --> 00:44:55,190

we're going to try to get some

1125

00:44:58,870 --> 00:44:57,200

information try to get some you know try

1126

00:45:01,030 --> 00:44:58,880

to talk to some witnesses there with

1127

00:45:02,309 --> 00:45:01,040

that as well so i mean well we got a

1128

00:45:03,510 --> 00:45:02,319

break here maybe i can give you an

1129

00:45:05,589 --> 00:45:03,520

update on some things that have been

1130

00:45:07,990 --> 00:45:05,599

going on here in pennsylvania

1131

00:45:10,230 --> 00:45:08,000

uh

1132

00:45:12,550 --> 00:45:10,240

we have been getting more dogman reports

1133

00:45:14,790 --> 00:45:12,560

or upright canine reports

1134

00:45:17,349 --> 00:45:14,800

uh i oh there he is

1135

00:45:19,510 --> 00:45:17,359

see we bring him in ah

1136

00:45:21,270 --> 00:45:19,520

i have no clue what happened

1137

00:45:22,550 --> 00:45:21,280

looks like he just buffered out so i

1138

00:45:25,750 --> 00:45:22,560

don't know

1139

00:45:28,950 --> 00:45:25,760

liking what i'm saying they're trying to

1140

00:45:33,910 --> 00:45:31,510

uh we never know

1141

00:45:36,150 --> 00:45:33,920

okay so where did you lose me at

1142

00:45:38,230 --> 00:45:36,160

uh just just i don't know you were

1143

00:45:40,630 --> 00:45:38,240

talking about uh

1144

00:45:42,710 --> 00:45:40,640

you talking about this bigfoot uh

1145

00:45:44,950 --> 00:45:42,720

where you're seeing it in uh see the

1146

00:45:47,589 --> 00:45:44,960

shadows of this thing

1147

00:45:50,470 --> 00:45:47,599

yes um well getting back to what i was

1148

00:45:53,109 --> 00:45:50,480

saying uh they saw

1149

00:45:54,630 --> 00:45:53,119

this bigfoot's silhouette going through

1150

00:45:56,870 --> 00:45:54,640

the trees

1151
00:46:00,069 --> 00:45:56,880
and it was affecting this thing's

1152
00:46:02,790 --> 00:46:00,079
presence was really upsetting uh the

1153
00:46:05,190 --> 00:46:02,800
wife's dog and the property owner's

1154
00:46:07,670 --> 00:46:05,200
wife's dog and the dog is a boxer pit

1155
00:46:10,069 --> 00:46:07,680
bull mix breed and she is one of the

1156
00:46:12,069 --> 00:46:10,079
biggest sweethearts you'll ever meet she

1157
00:46:15,670 --> 00:46:12,079
sat in my lap and she thinks she's a lap

1158
00:46:19,430 --> 00:46:15,680
dog of all things but this dog would get

1159
00:46:21,750 --> 00:46:19,440
very territorial of this uh of this

1160
00:46:23,030 --> 00:46:21,760
place that they live in the home

1161
00:46:25,829 --> 00:46:23,040
and

1162
00:46:28,950 --> 00:46:25,839
one night they were coming back uh from

1163
00:46:30,710 --> 00:46:28,960

walmart from getting groceries and uh

1164

00:46:32,069 --> 00:46:30,720

she took the dog with her she was there

1165

00:46:34,470 --> 00:46:32,079

by herself

1166

00:46:36,710 --> 00:46:34,480

and right as they're coming down the

1167

00:46:38,870 --> 00:46:36,720

driveway to the house

1168

00:46:40,790 --> 00:46:38,880

a whole bunch of deer they just come

1169

00:46:43,109 --> 00:46:40,800

shooting across that

1170

00:46:44,790 --> 00:46:43,119

gravel driveway of those that goes down

1171

00:46:47,270 --> 00:46:44,800

the lane to the house

1172

00:46:50,550 --> 00:46:47,280

and they were running i mean

1173

00:46:53,190 --> 00:46:50,560

a firing on all cylinders wide open

1174

00:46:55,270 --> 00:46:53,200

and about that time the dog who usually

1175

00:46:57,750 --> 00:46:55,280

sits in the backseat or in the pasture

1176
00:46:59,589 --> 00:46:57,760
seat crawled over in her lap and started

1177
00:47:01,589 --> 00:46:59,599
standing up in her lap looking out the

1178
00:47:02,550 --> 00:47:01,599
window growling

1179
00:47:06,950 --> 00:47:02,560
and

1180
00:47:09,510 --> 00:47:06,960
the dog usually will wait until she lets

1181
00:47:11,430 --> 00:47:09,520
the dog out the passenger door the dog

1182
00:47:14,309 --> 00:47:11,440
jumped over her and went out the

1183
00:47:17,190 --> 00:47:14,319
driver's side door and got up like a

1184
00:47:20,309 --> 00:47:17,200
police dog would right between her legs

1185
00:47:22,710 --> 00:47:20,319
and walked her back to the house and the

1186
00:47:24,870 --> 00:47:22,720
dog just sat there growling with its

1187
00:47:26,549 --> 00:47:24,880
eyes fixed on those trees

1188
00:47:28,150 --> 00:47:26,559

from where that bigfoot was seen a

1189

00:47:29,990 --> 00:47:28,160

couple weeks prior

1190

00:47:32,470 --> 00:47:30,000

and she called her uh

1191

00:47:34,950 --> 00:47:32,480

called her husband and my cousin ben who

1192

00:47:35,910 --> 00:47:34,960

were working in st louis at the time

1193

00:47:37,829 --> 00:47:35,920

and

1194

00:47:40,630 --> 00:47:37,839

she told him what's happening she says

1195

00:47:41,750 --> 00:47:40,640

i've got a gun and her husband said

1196

00:47:44,150 --> 00:47:41,760

pack up

1197

00:47:46,470 --> 00:47:44,160

uh go quick go to your sisters we'll be

1198

00:47:47,510 --> 00:47:46,480

home here in a little bit

1199

00:47:55,430 --> 00:47:47,520

and

1200

00:47:57,430 --> 00:47:55,440

almost three hours uh back down there to

1201
00:48:00,150 --> 00:47:57,440
the house and they got there he said at

1202
00:48:03,030 --> 00:48:00,160
about three o'clock in the morning

1203
00:48:04,950 --> 00:48:03,040
and they're outside with flashlights and

1204
00:48:06,390 --> 00:48:04,960
they could hear this thing out behind

1205
00:48:08,549 --> 00:48:06,400
the house this time

1206
00:48:10,630 --> 00:48:08,559
instead of in front of the house

1207
00:48:13,109 --> 00:48:10,640
and the pine trees behind the house and

1208
00:48:15,270 --> 00:48:13,119
they could hear this thing's foots falls

1209
00:48:17,030 --> 00:48:15,280
in the pine trees and they went out

1210
00:48:21,430 --> 00:48:17,040
there the next day and they found heel

1211
00:48:24,870 --> 00:48:21,440
marks in the actual dirt

1212
00:48:27,750 --> 00:48:24,880
and we invent and i took that as uh

1213
00:48:30,069 --> 00:48:27,760

something worth it going after so we

1214

00:48:31,109 --> 00:48:30,079

loaded up and we headed north

1215

00:48:33,190 --> 00:48:31,119

and

1216

00:48:36,069 --> 00:48:33,200

we actually found what was believed to

1217

00:48:38,230 --> 00:48:36,079

have been a bedding area of these things

1218

00:48:41,270 --> 00:48:38,240

and what it was was kind of like an

1219

00:48:43,589 --> 00:48:41,280

a-frame style setup where there was a

1220

00:48:46,230 --> 00:48:43,599

deadfall tree that had fell over and

1221

00:48:48,790 --> 00:48:46,240

broke off halfway up fell over and there

1222

00:48:50,870 --> 00:48:48,800

was limbs going up both sides of this

1223

00:48:52,309 --> 00:48:50,880

sort of like an a-frame

1224

00:48:54,710 --> 00:48:52,319

and

1225

00:48:58,470 --> 00:48:54,720

you could see inside there where there

1226

00:49:00,630 --> 00:48:58,480

was a a pretty good sized bed that

1227

00:49:03,349 --> 00:49:00,640

that i pulled my tape measure out that

1228

00:49:05,270 --> 00:49:03,359

measured about eight foot long and about

1229

00:49:06,549 --> 00:49:05,280

four feet wide

1230

00:49:10,069 --> 00:49:06,559

and

1231

00:49:13,430 --> 00:49:10,079

uh

1232

00:49:15,589 --> 00:49:13,440

ben who was taking perimeter pictures

1233

00:49:18,150 --> 00:49:15,599

of the actual

1234

00:49:21,270 --> 00:49:18,160

bedding area he went and he said i hear

1235

00:49:22,790 --> 00:49:21,280

movement off to our left

1236

00:49:24,870 --> 00:49:22,800

and i

1237

00:49:27,270 --> 00:49:24,880

told everybody even our cameraman that

1238

00:49:29,190 --> 00:49:27,280

was with us i said back out

1239

00:49:31,190 --> 00:49:29,200

let's get out in the open where if they

1240

00:49:34,150 --> 00:49:31,200

come running they got to come see uh

1241

00:49:37,349 --> 00:49:34,160

come towards us and if if they looking

1242

00:49:40,150 --> 00:49:37,359

for a fight we got a shotgun or rifle we

1243

00:49:41,750 --> 00:49:40,160

can you know put them down if we have to

1244

00:49:44,950 --> 00:49:41,760

so we backed out

1245

00:49:46,230 --> 00:49:44,960

we walked back to the road across this

1246

00:49:48,309 --> 00:49:46,240

bean field

1247

00:49:51,430 --> 00:49:48,319

and we walk down the road

1248

00:49:53,589 --> 00:49:51,440

back up to the house itself

1249

00:49:55,510 --> 00:49:53,599

and stacy

1250

00:49:56,870 --> 00:49:55,520

played a big part in that investigation

1251

00:49:59,990 --> 00:49:56,880

because he does

1252

00:50:02,309 --> 00:50:00,000

like i said energy work with a pendulum

1253

00:50:05,349 --> 00:50:02,319

and dowsing rods that are unloaded

1254

00:50:09,270 --> 00:50:05,359

dowsing rods and he goes and he'll print

1255

00:50:11,030 --> 00:50:09,280

out a map a black and white 2d map of an

1256

00:50:13,829 --> 00:50:11,040

area that we're investigating and he

1257

00:50:16,390 --> 00:50:13,839

will work in real time with his pendulum

1258

00:50:19,430 --> 00:50:16,400

and he can ask the pendulum yes or no

1259

00:50:22,150 --> 00:50:19,440

uh questions or say which way is

1260

00:50:24,390 --> 00:50:22,160

whatever is so and so going and it'll

1261

00:50:26,549 --> 00:50:24,400

start swinging a certain way showing

1262

00:50:29,510 --> 00:50:26,559

where this thing is or it'll circle in

1263

00:50:32,230 --> 00:50:29,520

and point straight down like a magnet

1264

00:50:34,150 --> 00:50:32,240

on the map of where this thing is

1265

00:50:36,870 --> 00:50:34,160

and i've seen him do this

1266

00:50:38,870 --> 00:50:36,880

in person before and it is phenomenal

1267

00:50:41,109 --> 00:50:38,880

literally mind-blowing

1268

00:50:43,270 --> 00:50:41,119

and he we were up on this hillside out

1269

00:50:44,549 --> 00:50:43,280

behind the house overlooking the pine

1270

00:50:49,270 --> 00:50:44,559

trees

1271

00:50:52,230 --> 00:50:49,280

and he said there is uh a alpha bigfoot

1272

00:50:54,390 --> 00:50:52,240

100 yards inside the tree line watching

1273

00:50:56,950 --> 00:50:54,400

you guys on the hillside

1274

00:50:59,990 --> 00:50:56,960

and i looked at ben and i said

1275

00:51:02,230 --> 00:51:00,000

you stay here because you got the rifle

1276
00:51:04,309 --> 00:51:02,240
and i'm going to go inside the tree line

1277
00:51:06,230 --> 00:51:04,319
about 50 yards and try to flush this

1278
00:51:08,230 --> 00:51:06,240
thing out if i can

1279
00:51:10,309 --> 00:51:08,240
and you've got the camera and everything

1280
00:51:11,670 --> 00:51:10,319
and i got a camera with me

1281
00:51:13,990 --> 00:51:11,680
and we're gonna i want us to try and

1282
00:51:16,150 --> 00:51:14,000
either get this thing on camera

1283
00:51:19,190 --> 00:51:16,160
and i'm gonna go in you just cover me

1284
00:51:21,030 --> 00:51:19,200
and i said if this thing comes after me

1285
00:51:22,630 --> 00:51:21,040
you know fire shot in the air don't

1286
00:51:24,069 --> 00:51:22,640
shoot him because i don't want to wound

1287
00:51:25,990 --> 00:51:24,079
it

1288
00:51:28,230 --> 00:51:26,000

and i walked down the hillside and i

1289

00:51:30,470 --> 00:51:28,240

went 50 yards inside the tree line and i

1290

00:51:33,589 --> 00:51:30,480

walked south to north to the north edge

1291

00:51:35,430 --> 00:51:33,599

of the trees for about a hundred yards

1292

00:51:38,150 --> 00:51:35,440

and then i came back out

1293

00:51:40,950 --> 00:51:38,160

and he can and you can ask ben i came

1294

00:51:42,069 --> 00:51:40,960

out and i was wide as a sheet i was

1295

00:51:44,710 --> 00:51:42,079

nauseous

1296

00:51:46,470 --> 00:51:44,720

and i had a very massive headache

1297

00:51:51,349 --> 00:51:46,480

and

1298

00:51:52,950 --> 00:51:51,359

it's in a three-part interview series on

1299

00:51:55,510 --> 00:51:52,960

our youtube channel

1300

00:51:58,230 --> 00:51:55,520

you can watch and look at me and tell

1301
00:52:00,790 --> 00:51:58,240
that i was not feeling a hundred percent

1302
00:52:02,230 --> 00:52:00,800
that i was very very sick

1303
00:52:03,190 --> 00:52:02,240
and

1304
00:52:13,030 --> 00:52:03,200
i

1305
00:52:15,109 --> 00:52:13,040
where we were at back to her place

1306
00:52:17,589 --> 00:52:15,119
and i stopped five or six times either

1307
00:52:19,910 --> 00:52:17,599
throw up or dry heave

1308
00:52:21,589 --> 00:52:19,920
and i got home and her and her

1309
00:52:23,510 --> 00:52:21,599
grandmother were sitting at the table

1310
00:52:24,790 --> 00:52:23,520
waiting on me and they said well how was

1311
00:52:26,069 --> 00:52:24,800
it

1312
00:52:28,069 --> 00:52:26,079
boom

1313
00:52:30,549 --> 00:52:28,079

and i collapsed in the floor

1314

00:52:33,430 --> 00:52:30,559

and they she finally brought me around

1315

00:52:35,990 --> 00:52:33,440

and everything and i was in a bad state

1316

00:52:37,430 --> 00:52:36,000

for about three weeks after this well

1317

00:52:40,150 --> 00:52:37,440

the next day

1318

00:52:43,349 --> 00:52:40,160

a little light went off in my head

1319

00:52:45,030 --> 00:52:43,359

and i'd always heard about infrasound or

1320

00:52:47,109 --> 00:52:45,040

the term zapping

1321

00:52:49,270 --> 00:52:47,119

and i looked up you know what the

1322

00:52:51,589 --> 00:52:49,280

infrasound was and i read what the

1323

00:52:53,190 --> 00:52:51,599

definition was and it's a low decibel

1324

00:52:54,630 --> 00:52:53,200

sound wave

1325

00:52:57,589 --> 00:52:54,640

that

1326
00:52:59,750 --> 00:52:57,599
can affect human anatomy and well-being

1327
00:53:02,309 --> 00:52:59,760
and i said what are the side effects of

1328
00:53:03,750 --> 00:53:02,319
being affected by infrasound

1329
00:53:05,510 --> 00:53:03,760
nausea

1330
00:53:08,950 --> 00:53:05,520
headache

1331
00:53:11,750 --> 00:53:08,960
stomach stomach cramps fatigue and

1332
00:53:14,069 --> 00:53:11,760
prolonged exposure can cause cardiac

1333
00:53:17,030 --> 00:53:14,079
arrest

1334
00:53:19,270 --> 00:53:17,040
and i'm sitting there thinking

1335
00:53:23,030 --> 00:53:19,280
uh oh

1336
00:53:26,309 --> 00:53:24,230
so

1337
00:53:28,390 --> 00:53:26,319
i've and you know i do believe that i

1338
00:53:30,470 --> 00:53:28,400

was affected by ampersand and you know i

1339

00:53:33,190 --> 00:53:30,480

don't even wish that all my worst enemy

1340

00:53:35,270 --> 00:53:33,200

that was miserable jack

1341

00:53:37,990 --> 00:53:35,280

yeah i've heard uh i heard a lot of

1342

00:53:39,510 --> 00:53:38,000

people who have been infected by that

1343

00:53:41,990 --> 00:53:39,520

um

1344

00:53:44,150 --> 00:53:42,000

i mean i i think they use it for a lot

1345

00:53:47,030 --> 00:53:44,160

of different things

1346

00:53:48,150 --> 00:53:47,040

even even a communication type of thing

1347

00:53:50,710 --> 00:53:48,160

where they

1348

00:53:52,950 --> 00:53:50,720

try to get someone to back off without

1349

00:53:55,589 --> 00:53:52,960

them doing any

1350

00:53:57,910 --> 00:53:55,599

you know any uh threats or anything but

1351

00:53:59,990 --> 00:53:57,920

i for defensive i think they

1352

00:54:03,510 --> 00:54:00,000

they very well could have used it as

1353

00:54:05,430 --> 00:54:03,520

defense mechanism against you absolutely

1354

00:54:07,430 --> 00:54:05,440

well you know and here's the thing it's

1355

00:54:09,430 --> 00:54:07,440

not just bigfoot

1356

00:54:11,510 --> 00:54:09,440

you know that i'll use it because i can

1357

00:54:14,630 --> 00:54:11,520

tell you firsthand from experience that

1358

00:54:17,109 --> 00:54:14,640

i do know for a fact that i that a

1359

00:54:19,349 --> 00:54:17,119

bigfoot i did use upper sound on me even

1360

00:54:20,630 --> 00:54:19,359

though i didn't see it i felt it

1361

00:54:24,549 --> 00:54:20,640

you know

1362

00:54:25,750 --> 00:54:24,559

big predators use it tigers lions rhinos

1363

00:54:28,790 --> 00:54:25,760

elephants

1364

00:54:30,069 --> 00:54:28,800

uh any kind of big cat uh or any kind of

1365

00:54:32,790 --> 00:54:30,079

big mammal

1366

00:54:34,790 --> 00:54:32,800

they can uh generate that and

1367

00:54:36,870 --> 00:54:34,800

even it's been weaponized by our

1368

00:54:39,190 --> 00:54:36,880

military

1369

00:54:41,430 --> 00:54:39,200

and like i said it can it prolong the

1370

00:54:44,470 --> 00:54:41,440

exposure to it can cause cardiac arrest

1371

00:54:45,910 --> 00:54:44,480

and loss of control of your facilities

1372

00:54:47,109 --> 00:54:45,920

absolutely

1373

00:54:50,150 --> 00:54:47,119

interesting

1374

00:54:52,069 --> 00:54:50,160

so um before we go here um

1375

00:54:54,549 --> 00:54:52,079

zach i'd like for you to tell the folks

1376

00:54:57,829 --> 00:54:54,559

1407

00:56:17,670 --> 00:56:14,559

it's uh i you know like i said i am a

1408

00:56:18,549 --> 00:56:17,680

a pastor and uh i'm a servant of the

1409

00:56:23,670 --> 00:56:18,559

lord

1410

00:56:25,910 --> 00:56:23,680

you know to have encountered all that i

1411

00:56:27,750 --> 00:56:25,920

have and everything that i've seen ralph

1412

00:56:30,470 --> 00:56:27,760

waldo emerson

1413

00:56:32,789 --> 00:56:30,480

uh said it best in a quote and he says i

1414

00:56:35,750 --> 00:56:32,799

have uh all that i have seen

1415

00:56:38,390 --> 00:56:35,760

uh from the creator um

1416

00:56:42,150 --> 00:56:38,400

prepares me for all that i have uh yet

1417

00:56:45,109 --> 00:56:42,160

to see is now i'm just summarizing a

1418

00:56:46,069 --> 00:56:45,119

rough uh idea of what the quote actually

1419

00:56:48,549 --> 00:56:46,079

was

1420

00:56:50,710 --> 00:56:48,559

um you know and that rings true and

1421

00:56:53,109 --> 00:56:50,720

everything you know i believe the lord

1422

00:56:54,549 --> 00:56:53,119

created created everything that we see

1423

00:56:57,190 --> 00:56:54,559

and it gives us the privilege and the

1424

00:56:58,710 --> 00:56:57,200

blessing of actually uh encountering

1425

00:57:01,510 --> 00:56:58,720

these things

1426
00:57:03,030 --> 00:57:01,520
um what's next for me well the next four

1427
00:57:05,990 --> 00:57:03,040
weeks are going to be

1428
00:57:07,589 --> 00:57:06,000
very very uh eventful

1429
00:57:10,069 --> 00:57:07,599
starting tomorrow

1430
00:57:12,470 --> 00:57:10,079

00:58:00,309 --> 00:57:58,559
same thing

1452
00:58:02,150 --> 00:58:00,319
uh then

1453
00:58:04,789 --> 00:58:02,160

quartet

1456
00:58:09,589 --> 00:58:07,839
we will be singing at my church walnut

it's a free uh concert at the church uh

1464

00:58:27,589 --> 00:58:25,760

1465

00:58:30,150 --> 00:58:27,599

everything and that will be having a

1466

00:58:33,190 --> 00:58:30,160

potluck and it's like like we all

1467

00:58:37,270 --> 00:58:33,200

jokingly say uh baptist uh

1468

00:58:39,829 --> 00:58:37,280

symbol is a casserole dish

1469

00:58:41,750 --> 00:58:39,839

so and all that it's like the old saying

1470

00:58:44,789 --> 00:58:41,760

jesus spoke to more people when he fed

1471

00:58:45,910 --> 00:58:44,799

him so that's what we're doing there

1472

00:58:46,870 --> 00:58:45,920

um

1473

00:58:48,150 --> 00:58:46,880

and then

1474

00:58:50,710 --> 00:58:48,160

1475

00:58:52,870 --> 00:58:50,720

another lecture and presenting uh there

1478

00:59:00,470 --> 00:58:58,880

as well like in grayville and pittsburgh

1479

00:59:02,230 --> 00:59:00,480

the hunt for the shawnee sasquatch

1480

00:59:05,990 --> 00:59:02,240

documentary

1481

00:59:08,630 --> 00:59:06,000

and then july 31st i will be uh

1482

00:59:10,870 --> 00:59:08,640

uh preaching that sunday night

1483

00:59:13,270 --> 00:59:10,880

at six o'clock at walnut hill freeway

1484

00:59:15,750 --> 00:59:13,280

1488

00:59:27,430 --> 00:59:24,160

michael huntington in august

1489

00:59:29,750 --> 00:59:27,440

and then in october 8th of this year in

1490
