

# PHANTOMS & MONSTERS

R A D I O

SKINWALKER / NATIVE  
AMERICAN LORE ROUNDTABLE

RYAN PAUL TREMBLAY, SHANE-MICHAEL  
CRISP, & WILLIAM NIGHTHAWK

FRIDAY, JULY 22ND AT 9PM EASTERN / 6PM PACIFIC

1  
00:00:00,359 --> 00:00:09,490  
foreign

2  
00:00:17,109 --> 00:00:13,910  
a reality of phantoms and monsters they

3  
00:00:21,529 --> 00:00:17,119  
exist Among Us and sometimes they win

4  
00:00:24,590 --> 00:00:21,539  
even the devil was an angel once the

5  
00:00:26,050 --> 00:00:24,600  
world has its own rules and these rules

6  
00:00:29,570 --> 00:00:26,060  
are not human

7  
00:00:31,970 --> 00:00:29,580  
some of us seek answers to the origin

8  
00:00:33,310 --> 00:00:31,980  
and existence of Cryptids in The

9  
00:00:37,010 --> 00:00:33,320  
Unexplained

10  
00:00:40,610 --> 00:00:37,020  
join us as we venture beyond the known

11  
00:00:42,830 --> 00:00:40,620  
and accepted boundaries Welcome to our

12  
00:00:47,560 --> 00:00:42,840  
nightmare I think you're going to like

13  
00:00:57,950 --> 00:00:50,330

[Music]

14

00:01:01,610 --> 00:00:59,810

good evening welcome to another episode

15

00:01:03,470 --> 00:01:01,620

of fans of monsters radio where we

16

00:01:05,810 --> 00:01:03,480

explore the strange and The Unexplained

17

00:01:07,190 --> 00:01:05,820

I'm your host Lon strickler thanks for

18

00:01:09,469 --> 00:01:07,200

joining me

19

00:01:11,390 --> 00:01:09,479

so uh if you enjoy our content then

20

00:01:13,429 --> 00:01:11,400

please subscribe like and share our

21

00:01:15,410 --> 00:01:13,439

presentations and please leave a comment

22

00:01:17,870 --> 00:01:15,420

as well uh

23

00:01:19,370 --> 00:01:17,880

Super Chat is active during the show so

24

00:01:21,890 --> 00:01:19,380

please show your support fans of

25

00:01:24,950 --> 00:01:21,900

monsters radio by clicking the dollar

26  
00:01:27,289 --> 00:01:24,960  
icon underneath the chat uh you can also

27  
00:01:29,330 --> 00:01:27,299  
support the channel by using the buy me

28  
00:01:32,030 --> 00:01:29,340  
a coffee link or Banner in the

29  
00:01:34,069 --> 00:01:32,040  
description below or on the banner of

30  
00:01:35,630 --> 00:01:34,079  
the uh the website so um your

31  
00:01:37,010 --> 00:01:35,640  
consideration is very much needed and

32  
00:01:38,690 --> 00:01:37,020  
appreciated

33  
00:01:40,789 --> 00:01:38,700  
so tonight we've got quite an

34  
00:01:42,770 --> 00:01:40,799  
interesting Round Table

35  
00:01:45,530 --> 00:01:42,780  
uh

36  
00:01:48,530 --> 00:01:45,540  
Ryan Paul Tremblay says that I've been

37  
00:01:50,330 --> 00:01:48,540  
in a hardcore cryptozoologist Enthusiast

38  
00:01:51,350 --> 00:01:50,340

and the researcher for well over 20

39

00:01:54,050 --> 00:01:51,360

years

40

00:01:55,370 --> 00:01:54,060

like many of my Fascination Monsters And

41

00:01:58,130 --> 00:01:55,380

The Things That Go Bump in the night

42

00:01:59,749 --> 00:01:58,140

begin very early on growing up in New

43

00:02:02,209 --> 00:01:59,759

England was the perfect breeding ground

44

00:02:04,609 --> 00:02:02,219

for such a Fascination the plenty of

45

00:02:07,550 --> 00:02:04,619

wilderness around and our Cryptid to

46

00:02:10,010 --> 00:02:07,560

boot I soon began to hear not only a

47

00:02:13,550 --> 00:02:10,020

Bigfoot but not than the uh the Dober

48

00:02:15,770 --> 00:02:13,560

demon as the years went by I found

49

00:02:17,630 --> 00:02:15,780

more media accessibility to my young

50

00:02:19,550 --> 00:02:17,640

mind books were plentiful and shows

51  
00:02:22,130 --> 00:02:19,560  
began to merge the early 90 to Showcase

52  
00:02:24,830 --> 00:02:22,140  
encrypted encounters

53  
00:02:27,290 --> 00:02:24,840  
in Southern Arizona I had my own

54  
00:02:28,790 --> 00:02:27,300  
personal encounter with the dog man that

55  
00:02:31,070 --> 00:02:28,800  
simply fueled my obsession for

56  
00:02:33,770 --> 00:02:31,080  
cryptozoology before I knew it I was

57  
00:02:36,770 --> 00:02:33,780  
traversing down numerous rabbit holes

58  
00:02:38,830 --> 00:02:36,780  
Jersey Devil upright canines

59  
00:02:40,550 --> 00:02:38,840  
various forms of Sasquatch

60  
00:02:42,229 --> 00:02:40,560  
extraterrestrials and finally the

61  
00:02:44,630 --> 00:02:42,239  
windigo

62  
00:02:46,190 --> 00:02:44,640  
through countless Air hours of hard work

63  
00:02:47,630 --> 00:02:46,200

plenty of literature and even The

64

00:02:50,449 --> 00:02:47,640

Reluctant volunteering of information

65

00:02:52,490 --> 00:02:50,459

through connections to indigenous people

66

00:02:54,650 --> 00:02:52,500

I found a supernatural creature that

67

00:02:57,410 --> 00:02:54,660

captured my curiosity my determination

68

00:02:59,509 --> 00:02:57,420

and Fascination alike a host of

69

00:03:02,149 --> 00:02:59,519

whispered to a scream podcast and

70

00:03:04,670 --> 00:03:02,159

co-host of monster radio

71

00:03:06,410 --> 00:03:04,680

Shane Michael crisp says I'm 31 years

72

00:03:08,330 --> 00:03:06,420

old from Bakersville Bakersfield

73

00:03:09,589 --> 00:03:08,340

California married to my best friend of

74

00:03:10,850 --> 00:03:09,599

eight years and have a 10 year old

75

00:03:13,369 --> 00:03:10,860

stepson

76  
00:03:14,990 --> 00:03:13,379  
always believed to Sasquatch and UFOs

77  
00:03:16,850 --> 00:03:15,000  
but never spoke out loud in fear of

78  
00:03:18,410 --> 00:03:16,860  
ridicules since these topics are so

79  
00:03:20,509 --> 00:03:18,420  
tinfoil stuff

80  
00:03:22,550 --> 00:03:20,519  
only spoke about it with people who

81  
00:03:25,190 --> 00:03:22,560  
would bring up a topic which was rare

82  
00:03:27,589 --> 00:03:25,200  
now last August A co-worker told me

83  
00:03:30,649 --> 00:03:27,599  
about Dogman which I didn't believe in

84  
00:03:32,990 --> 00:03:30,659  
just laughed at this at the name

85  
00:03:34,670 --> 00:03:33,000  
he had me listen to a few episodes of

86  
00:03:36,890 --> 00:03:34,680  
Dogman encounters which he got me

87  
00:03:39,830 --> 00:03:36,900  
intrigued that people are seeing these

88  
00:03:41,990 --> 00:03:39,840

pipetal canines every day so I started

89

00:03:45,890 --> 00:03:42,000

diving into the phenomena a little more

90

00:03:47,990 --> 00:03:45,900

and became hooked became a field an

91

00:03:51,649 --> 00:03:48,000

active field researcher at the beginning

92

00:03:54,649 --> 00:03:51,659

of January this year and joined the nadp

93

00:03:56,690 --> 00:03:54,659

along the way I've I've come across many

94

00:03:57,410 --> 00:03:56,700

other Cryptids and started to fascinate

95

00:04:00,309 --> 00:03:57,420

me

96

00:04:02,390 --> 00:04:00,319

so when I'm not at work shooting x-rays

97

00:04:04,429 --> 00:04:02,400

watching football and hanging with the

98

00:04:05,990 --> 00:04:04,439

family I'm either in the woods chasing

99

00:04:07,670 --> 00:04:06,000

seven foot dog manner on the internet

100

00:04:09,890 --> 00:04:07,680

reading and watching in any crypto

101  
00:04:12,589 --> 00:04:09,900  
related trying to gain as much knowledge

102  
00:04:15,110 --> 00:04:12,599  
as possible I host and moderate the the

103  
00:04:16,789 --> 00:04:15,120  
West Coast skin walker project and West

104  
00:04:19,249 --> 00:04:16,799  
Coast Dollar Man project

105  
00:04:22,189 --> 00:04:19,259  
and William Nighthawk is the wakasa

106  
00:04:25,189 --> 00:04:22,199  
Walken ordained minister for Native

107  
00:04:28,310 --> 00:04:25,199  
American Indian and metis people

108  
00:04:30,409 --> 00:04:28,320  
a veteran and 32 Degree Scottish Rite

109  
00:04:32,210 --> 00:04:30,419  
Freemason with over 35 years of

110  
00:04:33,710 --> 00:04:32,220  
paranormal encrypted creatures research

111  
00:04:36,950 --> 00:04:33,720  
investigation

112  
00:04:40,310 --> 00:04:36,960  
I was raised in in by a dark black witch

113  
00:04:42,409 --> 00:04:40,320

parent and has lives in both worlds with

114

00:04:45,770 --> 00:04:42,419

surviving nearly two

115

00:04:47,510 --> 00:04:45,780

uh two near-death experiences William

116

00:04:50,810 --> 00:04:47,520

Nighthawk is the founder and owner of

117

00:04:53,270 --> 00:04:50,820

Nighthawk High strangest podcast channel

118

00:04:55,129 --> 00:04:53,280

so gentlemen thank you for joining me

119

00:05:01,189 --> 00:04:55,139

this evening

120

00:05:05,270 --> 00:05:03,710

so I guess the uh I guess the overall

121

00:05:06,890 --> 00:05:05,280

question the one everybody's thinking

122

00:05:09,110 --> 00:05:06,900

about what the hell is a skin walker you

123

00:05:13,249 --> 00:05:09,120

know we we've all heard everybody who

124

00:05:16,969 --> 00:05:13,259

thinks they've seen a skinwalker uh but

125

00:05:19,070 --> 00:05:16,979

what is this thing and you know

126

00:05:24,490 --> 00:05:19,080

start off with William what is a

127

00:05:31,370 --> 00:05:28,430

let me put it in this uh and this uh

128

00:05:33,290 --> 00:05:31,380

phrase it's something that walks in both

129

00:05:35,270 --> 00:05:33,300

worlds

130

00:05:37,610 --> 00:05:35,280

um it's something that is Created from

131

00:05:40,010 --> 00:05:37,620

dark magic

132

00:05:42,189 --> 00:05:40,020

um by a dark medicine man or a Medicine

133

00:05:44,870 --> 00:05:42,199

Woman

134

00:05:47,930 --> 00:05:44,880

and that's about all I'm gonna say about

135

00:05:51,230 --> 00:05:47,940

where it comes from

136

00:05:55,610 --> 00:05:51,240

um I have personally done the ceremonies

137

00:05:58,790 --> 00:05:55,620

I've seen the results of the ceremonies

138

00:06:00,409 --> 00:05:58,800

um with my own parent being a dark

139

00:06:03,070 --> 00:06:00,419

Medicine Woman

140

00:06:05,990 --> 00:06:03,080

so

141

00:06:07,610 --> 00:06:06,000

I don't even know where to begin

142

00:06:10,070 --> 00:06:07,620

um

143

00:06:12,170 --> 00:06:10,080

there are certain Spirits certain Animal

144

00:06:14,450 --> 00:06:12,180

Spirits out there

145

00:06:18,710 --> 00:06:14,460

um like with our people it's called

146

00:06:21,350 --> 00:06:18,720

itomi the spider or uh shukmani to uh

147

00:06:23,809 --> 00:06:21,360

the coyote you know

148

00:06:27,110 --> 00:06:23,819

um the the bajjuta Sapa that the black

149

00:06:28,010 --> 00:06:27,120

medicine uh people that would come and

150

00:06:31,129 --> 00:06:28,020

uh

151

00:06:35,029 --> 00:06:31,139

and do the ceremonies who were the skins

152

00:06:37,430 --> 00:06:35,039

of certain animals and the skins of

153

00:06:38,990 --> 00:06:37,440

those animals During certain parts of

154

00:06:41,870 --> 00:06:39,000

the ceremonies

155

00:06:43,490 --> 00:06:41,880

they would obtain that animal's spirit

156

00:06:46,189 --> 00:06:43,500

and they would have the power to

157

00:06:49,189 --> 00:06:46,199

transform and walk in both worlds in the

158

00:06:52,249 --> 00:06:49,199

spirit world and in the physical world

159

00:06:57,830 --> 00:06:54,290

I don't know if Ryan wants to

160

00:07:03,189 --> 00:06:57,840

and further embellish on that but I

161

00:07:08,210 --> 00:07:05,809

wow no pressure there well you really

162

00:07:10,430 --> 00:07:08,220

did a great job with that but if you

163

00:07:12,650 --> 00:07:10,440

want to figure out what the Skin Walkers

164

00:07:15,350 --> 00:07:12,660

are I can tell you what the skinwalkers

165

00:07:17,089 --> 00:07:15,360

are not okay everybody that runs into

166

00:07:19,430 --> 00:07:17,099

something they can't identify in the

167

00:07:21,529 --> 00:07:19,440

woods these days says it's a skinwalker

168

00:07:24,770 --> 00:07:21,539

and really that's that's not the case

169

00:07:26,930 --> 00:07:24,780

you know these things these they're

170

00:07:28,510 --> 00:07:26,940

something that are very very feared as

171

00:07:30,469 --> 00:07:28,520

you can tell from William's answer

172

00:07:31,969 --> 00:07:30,479

they're terrifying you know they're

173

00:07:33,710 --> 00:07:31,979

something that people don't want to run

174

00:07:35,990 --> 00:07:33,720

into and they're not as common as

175

00:07:38,570 --> 00:07:36,000

everybody thinks they are Shaman that

176  
00:07:40,790 --> 00:07:38,580  
undergo these initiations they practice

177  
00:07:42,589 --> 00:07:40,800  
these ceremonies in this magic that's

178  
00:07:44,749 --> 00:07:42,599  
forbidden by their people

179  
00:07:46,070 --> 00:07:44,759  
you know and it's something that you

180  
00:07:47,689 --> 00:07:46,080  
just you don't want to run into these

181  
00:07:53,450 --> 00:07:47,699  
things they're they're deadly they will

182  
00:07:57,770 --> 00:07:55,670  
Shane do you got anything to add to that

183  
00:07:59,390 --> 00:07:57,780  
well everything I've learned from is

184  
00:08:01,249 --> 00:07:59,400  
from William and Ryan Ryan talked about

185  
00:08:02,510 --> 00:08:01,259  
it on one of his podcasts about a few

186  
00:08:05,089 --> 00:08:02,520  
months ago and it got me really

187  
00:08:06,950 --> 00:08:05,099  
interested in you know the skinwalker

188  
00:08:09,650 --> 00:08:06,960

topic I know I always thought skin

189

00:08:11,570 --> 00:08:09,660

markers were more Cryptid but talking to

190

00:08:14,150 --> 00:08:11,580

Ryan in the last few weeks it's more

191

00:08:16,129 --> 00:08:14,160

they're more paranormal it's just things

192

00:08:18,469 --> 00:08:16,139

you don't talk about and that's the

193

00:08:20,089 --> 00:08:18,479

thing with them and their own like Ryan

194

00:08:22,369 --> 00:08:20,099

said that their own people don't talk

195

00:08:25,249 --> 00:08:22,379

about it and it's almost forbidden and

196

00:08:27,589 --> 00:08:25,259

it brings bad I guess you could say Juju

197

00:08:29,510 --> 00:08:27,599

to you if you do talk about it almost

198

00:08:31,670 --> 00:08:29,520

like a minute ago you know you just

199

00:08:33,589 --> 00:08:31,680

don't talk about it but my whole thing

200

00:08:35,570 --> 00:08:33,599

was I created West Coast Sasquatch

201  
00:08:38,810 --> 00:08:35,580  
project or that's Sasquatch but

202  
00:08:40,610 --> 00:08:38,820  
Skinwalker project sorry and uh so many

203  
00:08:41,930 --> 00:08:40,620  
of them but I created it to spread

204  
00:08:44,209 --> 00:08:41,940  
awareness of these things because they

205  
00:08:45,410 --> 00:08:44,219  
like Ryan said people are calling

206  
00:08:47,269 --> 00:08:45,420  
everything a skin walker you see a

207  
00:08:49,730 --> 00:08:47,279  
bipedal canine that could be a dog man

208  
00:08:51,650 --> 00:08:49,740  
or it could be a good way but these kids

209  
00:08:53,870 --> 00:08:51,660  
misabeled as a skinwalker and

210  
00:08:55,250 --> 00:08:53,880  
skinwalkers are just evil Shaman that

211  
00:08:56,030 --> 00:08:55,260  
are just something you don't want to

212  
00:08:58,550 --> 00:08:56,040  
mess with

213  
00:09:00,650 --> 00:08:58,560

so yeah

214

00:09:02,150 --> 00:09:00,660

yeah this seems to be you know Ryan and

215

00:09:02,990 --> 00:09:02,160

I talked a bit about this before the

216

00:09:06,710 --> 00:09:03,000

show

217

00:09:08,449 --> 00:09:06,720

um when it comes to to bizarre phenomena

218

00:09:09,650 --> 00:09:08,459

people just don't understand the first

219

00:09:11,630 --> 00:09:09,660

thing that either comes out of their

220

00:09:13,790 --> 00:09:11,640

mouth or in the description oh it's a

221

00:09:16,790 --> 00:09:13,800

skin walker or a wendigo because that's

222

00:09:18,530 --> 00:09:16,800

the Hot Topic now uh right you know for

223

00:09:21,949 --> 00:09:18,540

whatever reason

224

00:09:25,570 --> 00:09:21,959

so uh and you know I try to explain to

225

00:09:28,250 --> 00:09:25,580

people I think that's because I

226

00:09:29,690 --> 00:09:28,260

go ahead Lon I think I can embellish

227

00:09:30,889 --> 00:09:29,700

upon that a little bit I think I think

228

00:09:32,990 --> 00:09:30,899

it's something that people are just

229

00:09:35,269 --> 00:09:33,000

fascinated about

230

00:09:37,190 --> 00:09:35,279

um because it does encompass something

231

00:09:38,810 --> 00:09:37,200

that they really can't grasp or

232

00:09:42,170 --> 00:09:38,820

understand because it's not from where

233

00:09:44,210 --> 00:09:42,180

they came from okay if you were brought

234

00:09:46,910 --> 00:09:44,220

up like uh most native people you were

235

00:09:50,509 --> 00:09:46,920

you were taught to from birth to respect

236

00:09:53,210 --> 00:09:50,519

it to respect all magic all all medicine

237

00:09:56,710 --> 00:09:53,220

okay whether it's rock medicine tree

238

00:09:59,329 --> 00:09:56,720

medicine Sky medicine water medicine

239

00:10:01,610 --> 00:09:59,339

animals you name it right

240

00:10:04,310 --> 00:10:01,620

including people okay and when I mean

241

00:10:07,790 --> 00:10:04,320

people I mean all people

242

00:10:11,329 --> 00:10:07,800

I'm talking the star children I'm

243

00:10:14,750 --> 00:10:11,339

talking the Cryptids you know because

244

00:10:17,630 --> 00:10:14,760

personally my people don't look at

245

00:10:20,509 --> 00:10:17,640

like you know Sasquatch or Bigfoot what

246

00:10:24,050 --> 00:10:20,519

you what you all call them you know my

247

00:10:27,230 --> 00:10:24,060

people we call them you know Big Brother

248

00:10:29,750 --> 00:10:27,240

you know and if we

249

00:10:31,490 --> 00:10:29,760

had any words for him it would be more

250

00:10:34,910 --> 00:10:31,500

of like

251

00:10:37,670 --> 00:10:34,920

a guardian spirit

252

00:10:40,009 --> 00:10:37,680

um one that watches over the environment

253

00:10:42,350 --> 00:10:40,019

and the animals and all that this and

254

00:10:46,190 --> 00:10:42,360

and the same can be said about any other

255

00:10:52,009 --> 00:10:49,790

it's it's almost to uh

256

00:10:54,530 --> 00:10:52,019

gotten to the point

257

00:10:57,350 --> 00:10:54,540

um recently where people have gotten so

258

00:10:59,030 --> 00:10:57,360

emerged into it that some people are

259

00:11:01,610 --> 00:10:59,040

jumping in with both feet not even

260

00:11:03,170 --> 00:11:01,620

checking not How deep the water is and

261

00:11:05,090 --> 00:11:03,180

when they get in they find out they

262

00:11:08,329 --> 00:11:05,100

don't want to be a part of it you know

263

00:11:10,610 --> 00:11:08,339

because of their fear well you know I

264

00:11:13,009 --> 00:11:10,620

don't know how Ryan and and Shan feel

265

00:11:14,930 --> 00:11:13,019

well you feel alone about this but I

266

00:11:17,449 --> 00:11:14,940

think before anybody gets into that type

267

00:11:20,150 --> 00:11:17,459

of field crew to zoology or anything

268

00:11:22,430 --> 00:11:20,160

like that or even ghost hunting I think

269

00:11:24,290 --> 00:11:22,440

you better test the waters first and do

270

00:11:26,329 --> 00:11:24,300

your research before you go full force

271

00:11:28,610 --> 00:11:26,339

into it because you've got too many

272

00:11:30,590 --> 00:11:28,620

people coming into it you got too many

273

00:11:32,630 --> 00:11:30,600

people coming into it that hey

274

00:11:34,430 --> 00:11:32,640

are so skeptical that the almost

275

00:11:39,470 --> 00:11:34,440

ridicule the subject

276

00:11:41,690 --> 00:11:39,480

okay and believe me Native Americans

277

00:11:43,250 --> 00:11:41,700

we we've been uh we've had everything

278

00:11:45,290 --> 00:11:43,260

done to us

279

00:11:46,910 --> 00:11:45,300

you know there's nothing any other any

280

00:11:49,430 --> 00:11:46,920

other you know

281

00:11:52,310 --> 00:11:49,440

race or or

282

00:11:54,230 --> 00:11:52,320

people in the world that can say that

283

00:11:56,150 --> 00:11:54,240

they've had more done than them than

284

00:11:59,150 --> 00:11:56,160

than the native people of this country

285

00:12:01,370 --> 00:11:59,160

have you know any indigenous culture

286

00:12:02,150 --> 00:12:01,380

across the world

287

00:12:04,210 --> 00:12:02,160

um

288

00:12:10,730 --> 00:12:04,220

has been

289

00:12:13,129 --> 00:12:10,740

beaten tortured raped killed you know

290

00:12:16,310 --> 00:12:13,139

all that and I'm not saying that to

291

00:12:17,930 --> 00:12:16,320

bring up the bad part of the past

292

00:12:22,430 --> 00:12:17,940

I'm safe

293

00:12:24,050 --> 00:12:22,440

in order to know what's going on today

294

00:12:27,050 --> 00:12:24,060

you have to go back and look at our

295

00:12:29,629 --> 00:12:27,060

traditions and our warnings of my people

296

00:12:32,750 --> 00:12:29,639

and all the the indigenous cultures

297

00:12:35,210 --> 00:12:32,760

around the world tried to warn other

298

00:12:37,430 --> 00:12:35,220

people that came from other lands to

299

00:12:39,110 --> 00:12:37,440

their lands of certain things certain

300

00:12:41,629 --> 00:12:39,120

things that went on with the spirits

301  
00:12:44,750 --> 00:12:41,639  
with the animals with you know with with

302  
00:12:46,910 --> 00:12:44,760  
nature in general you know and I think a

303  
00:12:48,350 --> 00:12:46,920  
lot of people just they they get in they

304  
00:12:50,750 --> 00:12:48,360  
they get into it and jump into it

305  
00:12:53,269 --> 00:12:50,760  
wholeheartedly and then they get scared

306  
00:12:55,430 --> 00:12:53,279  
and I think you know when they get

307  
00:12:57,410 --> 00:12:55,440  
scared and get out of it that's when the

308  
00:13:00,410 --> 00:12:57,420  
ridicule starts oh there's no such thing

309  
00:13:02,810 --> 00:13:00,420  
as a you know as a walker you know

310  
00:13:06,410 --> 00:13:02,820  
um there's no such thing as you know uh

311  
00:13:08,750 --> 00:13:06,420  
pejuta Sapa black medicine you know

312  
00:13:10,910 --> 00:13:08,760  
there's no such thing as witchcraft well

313  
00:13:13,910 --> 00:13:10,920

you know what

314

00:13:16,850 --> 00:13:13,920

I hear it to you there is there isn't

315

00:13:18,949 --> 00:13:16,860

there is a dark side to this world and a

316

00:13:22,129 --> 00:13:18,959

light side to this

317

00:13:23,810 --> 00:13:22,139

and I've grown up in both areas of it so

318

00:13:30,110 --> 00:13:23,820

you know

319

00:13:32,750 --> 00:13:30,120

believe those of us who have experienced

320

00:13:35,150 --> 00:13:32,760

some of that are fortunate because we

321

00:13:38,690 --> 00:13:35,160

understand what's really going on

322

00:13:42,949 --> 00:13:38,700

um uh I I know I have

323

00:13:44,569 --> 00:13:42,959

just just because of my upbringing and

324

00:13:47,269 --> 00:13:44,579

people in my family who have been

325

00:13:50,629 --> 00:13:47,279

involved with certain things not deeply

326

00:13:53,090 --> 00:13:50,639

but you know the tradition The lure that

327

00:13:55,670 --> 00:13:53,100

I have talked to to family members and

328

00:13:56,329 --> 00:13:55,680

friends about over the years

329

00:13:58,850 --> 00:13:56,339

um

330

00:14:02,210 --> 00:13:58,860

and of course when I got involved with

331

00:14:04,670 --> 00:14:02,220

JC Johnson and and other people who

332

00:14:07,910 --> 00:14:04,680

understood a lot and a lot of a lot of

333

00:14:11,509 --> 00:14:07,920

the elders in the Danae Navajo

334

00:14:15,370 --> 00:14:11,519

reservation in in tribe uh

335

00:14:19,009 --> 00:14:15,380

I it opened up my eyes a lot of stuff

336

00:14:21,829 --> 00:14:19,019

so um you know and I like I told all you

337

00:14:24,110 --> 00:14:21,839

guys I mean I'm not really in I haven't

338

00:14:28,550 --> 00:14:24,120

really researched the whole skin walker

339

00:14:30,230 --> 00:14:28,560

uh when to go phenomena a lot but I have

340

00:14:33,710 --> 00:14:30,240

you know I have posted a lot about it I

341

00:14:35,750 --> 00:14:33,720

talked to people about it and uh that's

342

00:14:37,550 --> 00:14:35,760

why I I like the idea to use guys coming

343

00:14:39,410 --> 00:14:37,560

along here in kind of setting the record

344

00:14:42,889 --> 00:14:39,420

straight

345

00:14:44,509 --> 00:14:42,899

um as far as um now as far as the

346

00:14:47,170 --> 00:14:44,519

skinwalker and even the wind to go and

347

00:14:50,569 --> 00:14:47,180

of course these these have indigenous

348

00:14:52,670 --> 00:14:50,579

backgrounds to them uh is it always

349

00:14:54,769 --> 00:14:52,680

witchcraft involved or is it something

350

00:14:57,110 --> 00:14:54,779

other than witchcraft

351  
00:14:57,829 --> 00:14:57,120  
hmm depends on which one you're talking

352  
00:15:01,370 --> 00:14:57,839  
about

353  
00:15:03,650 --> 00:15:01,380  
okay well go ahead okay well with the Yi

354  
00:15:06,290 --> 00:15:03,660  
narulushi yeah absolutely witchcraft the

355  
00:15:08,389 --> 00:15:06,300  
witchery way is always always a part of

356  
00:15:10,730 --> 00:15:08,399  
what they are the wendigo or the wet to

357  
00:15:12,650 --> 00:15:10,740  
go no it's it's a belief it's a

358  
00:15:14,689 --> 00:15:12,660  
spiritual belief that you know if they

359  
00:15:16,730 --> 00:15:14,699  
break certain cultural taboos such as

360  
00:15:19,670 --> 00:15:16,740  
cannibalism that's the most popular most

361  
00:15:22,730 --> 00:15:19,680  
well-known but if an individual or group

362  
00:15:25,189 --> 00:15:22,740  
of people act with greed and gluttony or

363  
00:15:27,470 --> 00:15:25,199

they act very violent that also brings

364

00:15:28,730 --> 00:15:27,480

upon them the curse of the wendigo I

365

00:15:30,829 --> 00:15:28,740

always like to tell people that there's

366

00:15:32,749 --> 00:15:30,839

two versions of the wendigo there's the

367

00:15:34,129 --> 00:15:32,759

wendigo which is the comp the spirit

368

00:15:36,290 --> 00:15:34,139

that you know the all-encompassing

369

00:15:38,329 --> 00:15:36,300

spirit that's always around then there's

370

00:15:41,509 --> 00:15:38,339

a wendigo the person that gets inflicted

371

00:15:43,069 --> 00:15:41,519

with that curse from that spirit so with

372

00:15:45,050 --> 00:15:43,079

the wendigo it's not always witchcraft

373

00:15:47,810 --> 00:15:45,060

where's the rushi that's exactly

374

00:15:49,610 --> 00:15:47,820

exclusive where where they come from

375

00:15:55,090 --> 00:15:49,620

so if it weren't for witchcraft or the

376

00:16:02,210 --> 00:15:58,610

I agree 150 with that Ryan

377

00:16:04,249 --> 00:16:02,220

I I agree 100 with that um also though

378

00:16:07,850 --> 00:16:04,259

um one thing out of respect for the the

379

00:16:10,370 --> 00:16:07,860

windigo um also um what I was taught

380

00:16:12,829 --> 00:16:10,380

from from Early Childhood was

381

00:16:14,810 --> 00:16:12,839

we made we all instead of you know in

382

00:16:17,150 --> 00:16:14,820

like you said with gluttony

383

00:16:20,329 --> 00:16:17,160

um that will bring on the win to go

384

00:16:23,329 --> 00:16:20,339

um that's a biggie with Native people

385

00:16:26,389 --> 00:16:23,339

um when I was raised by father

386

00:16:28,550 --> 00:16:26,399

and my mother I was taught to make what

387

00:16:31,670 --> 00:16:28,560

we call a spirit plate

388

00:16:35,389 --> 00:16:31,680

okay and on that Spirit plate before we

389

00:16:37,550 --> 00:16:35,399

partake of any meal we would put each of

390

00:16:39,889 --> 00:16:37,560

every item that we were eating on that

391

00:16:41,749 --> 00:16:39,899

plate and we would take that plate

392

00:16:45,350 --> 00:16:41,759

outside

393

00:16:47,810 --> 00:16:45,360

to the far corner of the property set

394

00:16:51,410 --> 00:16:47,820

the plate down lay the tobacco offering

395

00:16:54,350 --> 00:16:51,420

down and and basically share that meal

396

00:16:56,329 --> 00:16:54,360

with the spirits out of respect and that

397

00:16:59,749 --> 00:16:56,339

was a way that we didn't show gluttony

398

00:17:02,210 --> 00:16:59,759

and a way to respect this Spirits like

399

00:17:04,490 --> 00:17:02,220

the windigo so that's something that

400

00:17:06,650 --> 00:17:04,500

we're taught when we were so that's

401  
00:17:08,689 --> 00:17:06,660  
actually a very beautiful tradition to a

402  
00:17:10,850 --> 00:17:08,699  
beautiful custom

403  
00:17:14,390 --> 00:17:10,860  
absolutely

404  
00:17:17,270 --> 00:17:14,400  
what do you think Shane yeah no to be

405  
00:17:19,610 --> 00:17:17,280  
honest with you I I the windigo I just

406  
00:17:21,529 --> 00:17:19,620  
found out when we talked to the last

407  
00:17:24,350 --> 00:17:21,539  
week that I always thought the windigo

408  
00:17:26,569 --> 00:17:24,360  
had the antlers and you depicted that

409  
00:17:28,789 --> 00:17:26,579  
and said you know or debunked it and

410  
00:17:30,770 --> 00:17:28,799  
said no that's just a folklore that's

411  
00:17:32,029 --> 00:17:30,780  
just people's drawings the wendigo

412  
00:17:34,130 --> 00:17:32,039  
doesn't really look like that they look

413  
00:17:35,990 --> 00:17:34,140

more humanoid than anything so that

414

00:17:37,730 --> 00:17:36,000

really just reset me on the whole

415

00:17:40,370 --> 00:17:37,740

wendigo I'm thinking seeing something in

416

00:17:42,289 --> 00:17:40,380

the woods that has antlers and yeah

417

00:17:44,870 --> 00:17:42,299

obviously the skin blockers you know

418

00:17:48,230 --> 00:17:44,880

wear the animal skins transform into

419

00:17:50,990 --> 00:17:48,240

that being what they're wearing and I

420

00:17:53,330 --> 00:17:51,000

that's I know they take the shape of the

421

00:17:55,010 --> 00:17:53,340

wolf and the coyote the most I've

422

00:17:57,289 --> 00:17:55,020

noticed but I've also heard of reports

423

00:17:59,029 --> 00:17:57,299

where they've seen them as owls and you

424

00:18:01,250 --> 00:17:59,039

know other creatures but it seems like

425

00:18:03,950 --> 00:18:01,260

the wolf and the coyote are the most

426

00:18:06,710 --> 00:18:03,960

depicted one or you know one that they

427

00:18:08,330 --> 00:18:06,720

see so there's a reason for that too

428

00:18:10,549 --> 00:18:08,340

it's because in there it really just

429

00:18:12,409 --> 00:18:10,559

beliefs it's forbidden to wear the Pelt

430

00:18:14,870 --> 00:18:12,419

of a predatory animal like that it's

431

00:18:16,490 --> 00:18:14,880

showing that animal a great deal of

432

00:18:19,250 --> 00:18:16,500

disrespect you're not paying homage to

433

00:18:20,390 --> 00:18:19,260

its spirit really okay so like I said

434

00:18:22,669 --> 00:18:20,400

I'm learning something new every time I

435

00:18:24,529 --> 00:18:22,679

talk with you Ryan and William I I'm

436

00:18:25,970 --> 00:18:24,539

learning this just as much I read on the

437

00:18:27,830 --> 00:18:25,980

topic every single day when anything

438

00:18:30,110 --> 00:18:27,840

that comes across the internet hey I'm

439

00:18:31,310 --> 00:18:30,120

reading it so that's what you need to do

440

00:18:32,750 --> 00:18:31,320

Shane that's exactly what you need to do

441

00:18:34,130 --> 00:18:32,760

yeah I'm just trying to I'm a sponge

442

00:18:36,350 --> 00:18:34,140

right now I guess you could say my first

443

00:18:38,450 --> 00:18:36,360

year of research I'm soaking up all the

444

00:18:40,909 --> 00:18:38,460

Cryptids but I mean yeah mainly my main

445

00:18:44,570 --> 00:18:40,919

focus is Dogman but I still you know

446

00:18:47,270 --> 00:18:44,580

it's paranormal with UFOs uaps Sasquatch

447

00:18:49,669 --> 00:18:47,280

Skin Walkers anything gogway especially

448

00:18:53,210 --> 00:18:49,679

right now too so like we are picking up

449

00:18:55,970 --> 00:18:53,220

speed man yes that's why I created too

450

00:18:57,830 --> 00:18:55,980

many pages to handle but I you know to

451  
00:19:01,490 --> 00:18:57,840  
pay respect and spread awareness of them

452  
00:19:02,750 --> 00:19:01,500  
because Bigfoot and Dogman take over all

453  
00:19:04,370 --> 00:19:02,760  
the crypted stuff I'm like hey what

454  
00:19:06,169 --> 00:19:04,380  
about Skin Walkers what about the good

455  
00:19:08,510 --> 00:19:06,179  
way these things need to be talked about

456  
00:19:10,070 --> 00:19:08,520  
that's why I created the pages I did I

457  
00:19:12,350 --> 00:19:10,080  
mean they're nothing right now but maybe

458  
00:19:14,330 --> 00:19:12,360  
five years from now that you know this

459  
00:19:16,789 --> 00:19:14,340  
name skin blocker it's already being

460  
00:19:17,750 --> 00:19:16,799  
circulated with skin rocker Ranch people

461  
00:19:19,370 --> 00:19:17,760  
are thinking they're gonna go out there

462  
00:19:22,190 --> 00:19:19,380  
and see but really they don't know that

463  
00:19:24,710 --> 00:19:22,200

the land was cursed by the youths so

464

00:19:26,750 --> 00:19:24,720

that's what intrigued to me is more the

465

00:19:28,610 --> 00:19:26,760

native aspect I don't care to see a wolf

466

00:19:30,169 --> 00:19:28,620

come out of a portal how cool would that

467

00:19:32,210 --> 00:19:30,179

be but I want to know more about the

468

00:19:33,770 --> 00:19:32,220

history on the land and right I see the

469

00:19:35,690 --> 00:19:33,780

old skin walker Ranch that's another

470

00:19:37,010 --> 00:19:35,700

misconception right there Shane a lot of

471

00:19:38,810 --> 00:19:37,020

people think that every time you hear a

472

00:19:39,909 --> 00:19:38,820

Native American curse that it's done by

473

00:19:43,010 --> 00:19:39,919

Aid

474

00:19:45,549 --> 00:19:43,020

that's not the case that's not really

475

00:19:47,450 --> 00:19:45,559

ever the case I mean unless you hear

476  
00:19:49,730 --> 00:19:47,460  
exclusively that you know the Native

477  
00:19:51,770 --> 00:19:49,740  
American that curse this land was said

478  
00:19:53,990 --> 00:19:51,780  
to be a skin walker it's not a

479  
00:19:55,070 --> 00:19:54,000  
skinwalker curse so just because there's

480  
00:19:56,750 --> 00:19:55,080  
a curse there there's not gonna be a

481  
00:19:58,250 --> 00:19:56,760  
skin walk around that property exactly

482  
00:20:01,090 --> 00:19:58,260  
that's what they say with lbl that the

483  
00:20:04,549 --> 00:20:01,100  
lbl has a Shaman's curse on there

484  
00:20:07,010 --> 00:20:04,559  
was he from the Navajo tribes or no

485  
00:20:10,730 --> 00:20:07,020  
because if he wasn't Navajo it's not

486  
00:20:12,190 --> 00:20:10,740  
inarushi exactly it's pertaining to One

487  
00:20:14,870 --> 00:20:12,200  
Tribe

488  
00:20:16,010 --> 00:20:14,880

and you've taught me that I know just

489

00:20:18,289 --> 00:20:16,020

reading in and listening to your

490

00:20:20,630 --> 00:20:18,299

podcasts and like I said my knowledge it

491

00:20:23,450 --> 00:20:20,640

for skinwalkers has grown from zero to

492

00:20:25,430 --> 00:20:23,460

25 and just I'd say the last month and a

493

00:20:27,289 --> 00:20:25,440

half and well like I say I'm a spitting

494

00:20:29,029 --> 00:20:27,299

trying to soak it all up but when it's

495

00:20:31,190 --> 00:20:29,039

not Dogman it's Skin Walkers right now

496

00:20:33,950 --> 00:20:31,200

and gogway for me it wasn't my top

497

00:20:35,690 --> 00:20:33,960

interests other than Dogman you want to

498

00:20:36,850 --> 00:20:35,700

learn learn from that guy right there oh

499

00:20:38,890 --> 00:20:36,860

I'm on it from both of you

500

00:20:41,450 --> 00:20:38,900

[Laughter]

501  
00:20:44,270 --> 00:20:41,460  
it's an honor just to be on Juan's

502  
00:20:46,010 --> 00:20:44,280  
podcast but just you know getting a you

503  
00:20:48,529 --> 00:20:46,020  
know William had us on about a month ago

504  
00:20:50,270 --> 00:20:48,539  
and that was truly awesome and I got to

505  
00:20:51,710 --> 00:20:50,280  
talk to you last week and just hearing

506  
00:20:54,710 --> 00:20:51,720  
your guys's stuff it just I think it

507  
00:20:56,570 --> 00:20:54,720  
helps expand my you know knowledge on it

508  
00:20:58,130 --> 00:20:56,580  
that you know one day someone that wants

509  
00:21:00,529 --> 00:20:58,140  
to get into the field of cryptozoology

510  
00:21:02,029 --> 00:21:00,539  
or paranormal I could pass that

511  
00:21:03,950 --> 00:21:02,039  
knowledge on to them from what I learned

512  
00:21:06,789 --> 00:21:03,960  
from you know guys like you guys so

513  
00:21:09,470 --> 00:21:06,799

that's what I like to hear yeah

514

00:21:12,350 --> 00:21:09,480

so let's um and I'm getting a lot of

515

00:21:14,630 --> 00:21:12,360

questions about shape-shifting

516

00:21:17,690 --> 00:21:14,640

um now of course

517

00:21:21,890 --> 00:21:17,700

with with the the skinwalker it is a

518

00:21:24,529 --> 00:21:21,900

form of shape shifting uh maybe Spirit

519

00:21:26,630 --> 00:21:24,539

enhancement or something manifesting but

520

00:21:29,870 --> 00:21:26,640

are they actually shape shifters and I'm

521

00:21:32,810 --> 00:21:29,880

talking about Skinwalker and Wendigo

522

00:21:35,149 --> 00:21:32,820

um skinwalkers are I mean if you want to

523

00:21:37,669 --> 00:21:35,159

talk about transformation the wendigo

524

00:21:40,490 --> 00:21:37,679

transforms the victim it takes them from

525

00:21:42,770 --> 00:21:40,500

Human to a more Primal State whereas the

526

00:21:44,210 --> 00:21:42,780

yinarushi it's done through the means of

527

00:21:46,430 --> 00:21:44,220

magic so whatever the Pelt they're

528

00:21:47,690 --> 00:21:46,440

wearing that's the form they're going to

529

00:21:49,909 --> 00:21:47,700

assume

530

00:21:51,049 --> 00:21:49,919

so it's a very magical kind of

531

00:21:53,510 --> 00:21:51,059

shape-shifting I like to think that

532

00:21:55,549 --> 00:21:53,520

magic is a science that we don't

533

00:21:58,130 --> 00:21:55,559

understand that we did at one time yeah

534

00:21:59,870 --> 00:21:58,140

but you've walked away from it so we

535

00:22:02,390 --> 00:21:59,880

pretend that magic doesn't exist anymore

536

00:22:05,450 --> 00:22:02,400

but it does we just don't comprehend it

537

00:22:11,690 --> 00:22:08,690

now you know of course nowadays we're

538

00:22:12,350 --> 00:22:11,700

hearing all about Skinwalker Ranch and

539

00:22:14,630 --> 00:22:12,360

um

540

00:22:17,210 --> 00:22:14,640

because all the you know the TV show for

541

00:22:19,549 --> 00:22:17,220

the most part and other things but

542

00:22:22,909 --> 00:22:19,559

what is the real story behind Skinwalker

543

00:22:26,149 --> 00:22:22,919

Ranch the real meat potatoes behind the

544

00:22:28,850 --> 00:22:26,159

curse the so-called curse and why it is

545

00:22:31,370 --> 00:22:28,860

called that or that area around there is

546

00:22:33,110 --> 00:22:31,380

is supposed to be curved uh I like to

547

00:22:34,190 --> 00:22:33,120

get your your thoughts from each one of

548

00:22:36,529 --> 00:22:34,200

you on that

549

00:22:38,090 --> 00:22:36,539

okay who do you want to begin with you

550

00:22:40,250 --> 00:22:38,100

you can start off

551  
00:22:42,649 --> 00:22:40,260  
well I mean it was a war between tribes

552  
00:22:44,570 --> 00:22:42,659  
you know and that happened very often in

553  
00:22:47,270 --> 00:22:44,580  
history as tribes didn't get along they

554  
00:22:48,890 --> 00:22:47,280  
didn't co-exist so there would be a

555  
00:22:51,289 --> 00:22:48,900  
curse place on the land

556  
00:22:53,690 --> 00:22:51,299  
and not necessarily was this a way of

557  
00:22:55,730 --> 00:22:53,700  
you know creating these monsters it was

558  
00:22:57,770 --> 00:22:55,740  
a way of opening doors sometimes to keep

559  
00:22:59,450 --> 00:22:57,780  
that land sacred

560  
00:23:01,190 --> 00:22:59,460  
you know it was never about money when

561  
00:23:02,450 --> 00:23:01,200  
there was you know tribes warring it was

562  
00:23:04,490 --> 00:23:02,460  
about money it wasn't about belongings

563  
00:23:05,930 --> 00:23:04,500

it was because that land was sacred to

564

00:23:08,270 --> 00:23:05,940

One Tribe and another tribe would come

565

00:23:09,950 --> 00:23:08,280

along and desecrate it so it was about

566

00:23:11,450 --> 00:23:09,960

opening doors and sometimes it would

567

00:23:13,370 --> 00:23:11,460

open doors to things that we don't know

568

00:23:14,990 --> 00:23:13,380

that we don't understand so I think

569

00:23:16,730 --> 00:23:15,000

that's where Skinwalker Ranch came in is

570

00:23:18,770 --> 00:23:16,740

they opened some paranormal doors what

571

00:23:20,270 --> 00:23:18,780

we would consider paranormal and this is

572

00:23:22,789 --> 00:23:20,280

why all these experiences keep happening

573

00:23:26,330 --> 00:23:22,799

on Skinwalker Ranch

574

00:23:28,669 --> 00:23:27,409

yeah

575

00:23:30,649 --> 00:23:28,679

um

576

00:23:32,149 --> 00:23:30,659

first off you got to understand too

577

00:23:35,390 --> 00:23:32,159

though and everybody listening has got

578

00:23:38,870 --> 00:23:35,400

to understand that the uh that uh Macau

579

00:23:42,230 --> 00:23:38,880

Khan saved from Mother Earth has

580

00:23:45,950 --> 00:23:42,240

a a strength and a medicine a spiritual

581

00:23:49,250 --> 00:23:45,960

medicine like no other okay

582

00:23:51,710 --> 00:23:49,260

um whenever you talk curses or hexes and

583

00:23:54,529 --> 00:23:51,720

all that and you and you involved you

584

00:23:56,690 --> 00:23:54,539

involved Mother Earth in that you're not

585

00:23:59,510 --> 00:23:56,700

only getting the the spiritual power

586

00:24:01,490 --> 00:23:59,520

from the person doing the the hexing or

587

00:24:03,350 --> 00:24:01,500

the cursing you're getting the spiritual

588

00:24:06,110 --> 00:24:03,360

power from the environment too from

589

00:24:09,110 --> 00:24:06,120

Mother Earth so you have those two

590

00:24:11,570 --> 00:24:09,120

combined which you know native people

591

00:24:14,570 --> 00:24:11,580

fear okay

592

00:24:17,450 --> 00:24:14,580

um because out of respect you know it

593

00:24:18,950 --> 00:24:17,460

wasn't a fear of you know a fear like

594

00:24:20,450 --> 00:24:18,960

running away and hiding it was a

595

00:24:23,390 --> 00:24:20,460

respectable

596

00:24:25,970 --> 00:24:23,400

fear to where we didn't tread on that

597

00:24:30,049 --> 00:24:25,980

subject too much and if we did we

598

00:24:31,909 --> 00:24:30,059

treaded very lightly okay out of respect

599

00:24:33,590 --> 00:24:31,919

um we have a saying that everything is

600

00:24:36,289 --> 00:24:33,600

connected in the web of life

601  
00:24:40,010 --> 00:24:36,299  
you know we're all connected you know

602  
00:24:42,169 --> 00:24:40,020  
the the pine tree uh the pole pine tree

603  
00:24:44,870 --> 00:24:42,179  
and another pine tree that have been

604  
00:24:50,570 --> 00:24:44,880  
known to uh recently to have

605  
00:24:52,610 --> 00:24:50,580  
the same genetic code that humans have

606  
00:24:54,289 --> 00:24:52,620  
if they didn't have that

607  
00:24:55,870 --> 00:24:54,299  
and why wouldn't why wouldn't we be

608  
00:24:58,490 --> 00:24:55,880  
connected you know what I'm saying

609  
00:24:59,450 --> 00:24:58,500  
everything has medicine everything has

610  
00:25:02,870 --> 00:24:59,460  
power

611  
00:25:04,850 --> 00:25:02,880  
and back in the old days you know of my

612  
00:25:07,490 --> 00:25:04,860  
great grandfathers you know my team

613  
00:25:09,289 --> 00:25:07,500

Costilla um

614

00:25:10,490 --> 00:25:09,299

they walked with reverence for

615

00:25:12,350 --> 00:25:10,500

everything

616

00:25:14,149 --> 00:25:12,360

they didn't put a foot down unless they

617

00:25:16,909 --> 00:25:14,159

made sure that that foot was supposed to

618

00:25:19,850 --> 00:25:16,919

be there okay they didn't put their

619

00:25:22,370 --> 00:25:19,860

their teepee up in a certain location

620

00:25:24,710 --> 00:25:22,380

unless they blessed the ground and

621

00:25:26,090 --> 00:25:24,720

called the grass dancers in to do the

622

00:25:28,909 --> 00:25:26,100

ceremony

623

00:25:31,490 --> 00:25:28,919

you know they they did so many things

624

00:25:34,730 --> 00:25:31,500

out of respect for the water for the

625

00:25:37,549 --> 00:25:34,740

wind for the animals you know to to

626  
00:25:39,049 --> 00:25:37,559  
honor their spirits to not offend them

627  
00:25:41,870 --> 00:25:39,059  
in any way

628  
00:25:43,730 --> 00:25:41,880  
for fear out of respect

629  
00:25:45,350 --> 00:25:43,740  
for those things

630  
00:25:46,210 --> 00:25:45,360  
that they wouldn't get retaliated

631  
00:25:49,490 --> 00:25:46,220  
against

632  
00:25:52,490 --> 00:25:49,500  
okay and when you talk about the Ute and

633  
00:25:54,890 --> 00:25:52,500  
the uh the Danae

634  
00:25:57,830 --> 00:25:54,900  
um Wars and all that

635  
00:26:00,529 --> 00:25:57,840  
you know that that land was sacred a

636  
00:26:04,010 --> 00:26:00,539  
picture it this way okay uh with with my

637  
00:26:05,149 --> 00:26:04,020  
Lakota blood okay my people in South

638  
00:26:08,810 --> 00:26:05,159

Dakota

639

00:26:12,409 --> 00:26:08,820

you know the most sacred land

640

00:26:14,269 --> 00:26:12,419

to us was the pahasaba the Black Hills

641

00:26:17,810 --> 00:26:14,279

okay

642

00:26:19,430 --> 00:26:17,820

that was where we did our ceremony where

643

00:26:21,590 --> 00:26:19,440

we where we

644

00:26:23,990 --> 00:26:21,600

buried our people where we just did we

645

00:26:26,210 --> 00:26:24,000

we connected with with tonkashiella you

646

00:26:29,330 --> 00:26:26,220

know one kantanka you know the great

647

00:26:31,850 --> 00:26:29,340

spirit you know we did everything there

648

00:26:35,149 --> 00:26:31,860

that was a very the most sacred land

649

00:26:36,590 --> 00:26:35,159

available that we had at the time to my

650

00:26:38,450 --> 00:26:36,600

people

651  
00:26:41,630 --> 00:26:38,460  
and it was take from us because of what

652  
00:26:44,450 --> 00:26:41,640  
because of greed gold

653  
00:26:45,529 --> 00:26:44,460  
the white man came and found gold found

654  
00:26:47,510 --> 00:26:45,539  
gold

655  
00:26:50,269 --> 00:26:47,520  
and then that's when

656  
00:26:52,370 --> 00:26:50,279  
president Jackson

657  
00:26:54,230 --> 00:26:52,380  
I don't know President Grant excuse me

658  
00:26:56,810 --> 00:26:54,240  
Jackson

659  
00:26:59,830 --> 00:26:56,820  
um President Grant actually got enough

660  
00:27:03,710 --> 00:26:59,840  
baggage yeah yeah Jackson's got enough

661  
00:27:05,390 --> 00:27:03,720  
so but uh President Grant

662  
00:27:08,010 --> 00:27:05,400  
um that shows you I don't really like

663  
00:27:10,970 --> 00:27:08,020

following the the culture too much

664

00:27:12,470 --> 00:27:10,980

[Laughter]

665

00:27:15,230 --> 00:27:12,480

um

666

00:27:18,110 --> 00:27:15,240

but President Grant actually

667

00:27:19,370 --> 00:27:18,120

was the one that put a 300 bounty on the

668

00:27:22,370 --> 00:27:19,380

heads of

669

00:27:24,950 --> 00:27:22,380

my people to get us out of the Black

670

00:27:27,110 --> 00:27:24,960

Hills so they could take it over and

671

00:27:30,769 --> 00:27:27,120

then in what 1920 they they brought the

672

00:27:37,130 --> 00:27:34,130

one uh architecting that was what a

673

00:27:39,049 --> 00:27:37,140

member of the KKK that uh did their

674

00:27:41,630 --> 00:27:39,059

ceremony and started putting the four

675

00:27:42,529 --> 00:27:41,640

Indian hitting presidents on on the side

676

00:27:44,570 --> 00:27:42,539

of the mountain

677

00:27:46,730 --> 00:27:44,580

so

678

00:27:49,669 --> 00:27:46,740

and at the same time Abraham Lincoln

679

00:27:51,649 --> 00:27:49,679

signed the Emancipation Proclamation he

680

00:27:53,389 --> 00:27:51,659

signed a death warrants of over 330

681

00:27:56,090 --> 00:27:53,399

native people

682

00:27:57,470 --> 00:27:56,100

at the same exact time within that same

683

00:27:59,090 --> 00:27:57,480

pen stroke

684

00:28:01,430 --> 00:27:59,100

so

685

00:28:03,470 --> 00:28:01,440

um you know and and the same with George

686

00:28:04,789 --> 00:28:03,480

Washington I mean he he put native

687

00:28:07,090 --> 00:28:04,799

people against native people when

688

00:28:09,409 --> 00:28:07,100

they're in a revolutionary war you know

689

00:28:11,090 --> 00:28:09,419

innocent native people that were just

690

00:28:13,130 --> 00:28:11,100

there because they were promised

691

00:28:14,930 --> 00:28:13,140

something you know

692

00:28:20,930 --> 00:28:14,940

and then

693

00:28:25,010 --> 00:28:20,940

go 250 years in the future which today

694

00:28:28,850 --> 00:28:25,020

and no matter why there's so much talk

695

00:28:31,970 --> 00:28:28,860

of skin wash being seen or window

696

00:28:35,810 --> 00:28:31,980

problems or you know

697

00:28:39,230 --> 00:28:35,820

Bigfoot or you know Mothman or you know

698

00:28:41,830 --> 00:28:39,240

any any Cryptid or even how about Spirit

699

00:28:45,769 --> 00:28:41,840

activity yeah

700

00:28:48,769 --> 00:28:45,779

so it hits together it all ties together

701  
00:28:50,029 --> 00:28:48,779  
you know whether it's a skin walker and

702  
00:28:51,470 --> 00:28:50,039  
all that

703  
00:28:54,130 --> 00:28:51,480  
um

704  
00:28:57,350 --> 00:28:54,140  
you know my people we call them the

705  
00:28:59,570 --> 00:28:57,360  
winaji shook money to which is basically

706  
00:29:01,370 --> 00:28:59,580  
coyote spirit

707  
00:29:04,430 --> 00:29:01,380  
um

708  
00:29:06,470 --> 00:29:04,440  
but we have a respect you know when you

709  
00:29:08,450 --> 00:29:06,480  
do the ceremonies and like I said in the

710  
00:29:10,010 --> 00:29:08,460  
beginning you know I've done both both

711  
00:29:11,389 --> 00:29:10,020  
I've done dark and I've done the white

712  
00:29:16,610 --> 00:29:11,399  
so

713  
00:29:18,950 --> 00:29:16,620

proud of in the dark ceremonies

714

00:29:20,750 --> 00:29:18,960

um sometimes I probably would never be

715

00:29:22,850 --> 00:29:20,760

uh

716

00:29:24,889 --> 00:29:22,860

no I don't even want to say forgiven for

717

00:29:28,190 --> 00:29:24,899

but you know what I mean um

718

00:29:29,389 --> 00:29:28,200

I regret it let's put it that way okay

719

00:29:30,590 --> 00:29:29,399

um

720

00:29:33,649 --> 00:29:30,600

so

721

00:29:35,990 --> 00:29:33,659

but that being said

722

00:29:38,510 --> 00:29:36,000

shapes you

723

00:29:42,470 --> 00:29:38,520

does happen

724

00:29:45,370 --> 00:29:42,480

um but like Ryan said to begin with

725

00:29:50,330 --> 00:29:45,380

difference between shape-shifting

726

00:29:51,830 --> 00:29:50,340

and spirit possession okay and a lot of

727

00:29:53,990 --> 00:29:51,840

people that don't know the native

728

00:29:56,930 --> 00:29:54,000

cultures and stuff around you know the

729

00:29:59,630 --> 00:29:56,940

United States and Canada and even South

730

00:30:01,190 --> 00:29:59,640

America can't distinguish the difference

731

00:30:02,930 --> 00:30:01,200

between the both

732

00:30:05,330 --> 00:30:02,940

and that's why there's they're saying

733

00:30:07,310 --> 00:30:05,340

everything's a everything's a skin

734

00:30:09,830 --> 00:30:07,320

walker you know they they see a dog man

735

00:30:12,470 --> 00:30:09,840

that's the skin walker they see you know

736

00:30:15,649 --> 00:30:12,480

a chunk of work gone that's a skin law

737

00:30:17,210 --> 00:30:15,659

is he a Bigfoot that's a skin walker a

738

00:30:19,549 --> 00:30:17,220

good way that's a skinwalker you know

739

00:30:22,370 --> 00:30:19,559

not everything is a skin walker okay

740

00:30:28,070 --> 00:30:22,380

Skin Walkers you know are gonna be

741

00:30:30,590 --> 00:30:28,080

derived from Black Magic okay and

742

00:30:33,769 --> 00:30:30,600

we'll just I'll leave it at that Shane

743

00:30:35,389 --> 00:30:33,779

if you wanted to go right ahead well the

744

00:30:38,389 --> 00:30:35,399

one thing with the whole shape-shifting

745

00:30:41,450 --> 00:30:38,399

and people seeing the these wolf men you

746

00:30:43,909 --> 00:30:41,460

know that I believe size is also a

747

00:30:45,950 --> 00:30:43,919

different factor to it the the

748

00:30:48,950 --> 00:30:45,960

skinwalkers that these people are seeing

749

00:30:51,049 --> 00:30:48,960

are reported to only be you know six to

750

00:30:53,450 --> 00:30:51,059

six and a half feet tall but when your

751  
00:30:55,789 --> 00:30:53,460  
typical bipedal canine which is the dog

752  
00:30:58,789 --> 00:30:55,799  
man anywhere from seven to eight feet so

753  
00:31:01,009 --> 00:30:58,799  
I you think that the size I keep getting

754  
00:31:03,409 --> 00:31:01,019  
the smaller they are unless they're a

755  
00:31:05,570 --> 00:31:03,419  
juvenile dog man maybe but I think

756  
00:31:07,789 --> 00:31:05,580  
there's more to it I have a buddy out

757  
00:31:10,730 --> 00:31:07,799  
here in California that tracked one for

758  
00:31:13,850 --> 00:31:10,740  
10 days up in Northern California and it

759  
00:31:15,169 --> 00:31:13,860  
was a wolf man but it was he he it's a

760  
00:31:17,509 --> 00:31:15,179  
skin walker he don't even tell you that

761  
00:31:19,250 --> 00:31:17,519  
he's got tracks he's got all the stuff

762  
00:31:21,350 --> 00:31:19,260  
and he's not saying it's a dog man he

763  
00:31:22,850 --> 00:31:21,360

says it's more wolf looking and he's

764

00:31:25,490 --> 00:31:22,860

caught pictures of it on his trail cam

765

00:31:27,169 --> 00:31:25,500

and I mean the casts don't look anything

766

00:31:30,049 --> 00:31:27,179

like what a dog man print would look

767

00:31:32,750 --> 00:31:30,059

like it has as the heel and it has look

768

00:31:35,090 --> 00:31:32,760

it was digging into the ground so but

769

00:31:37,190 --> 00:31:35,100

back to the Skinwalker Ranch thing I do

770

00:31:38,590 --> 00:31:37,200

believe there is Paranormal Activity I

771

00:31:41,210 --> 00:31:38,600

don't believe you're going to see the ye

772

00:31:43,009 --> 00:31:41,220

malushi there or you know the Navajo

773

00:31:45,590 --> 00:31:43,019

Skinwalker no there is Paranormal

774

00:31:47,810 --> 00:31:45,600

Activity when what was it Terry and Gwen

775

00:31:49,610 --> 00:31:47,820

Sherman bought it in the mid-90s they

776

00:31:51,710 --> 00:31:49,620

their cows were getting mutilated and

777

00:31:54,110 --> 00:31:51,720

stuffed into trailers you know four to

778

00:31:56,330 --> 00:31:54,120

five cows in a small two-horse trailer

779

00:31:58,549 --> 00:31:56,340

how is that happening there's something

780

00:32:01,310 --> 00:31:58,559

paranormal about it and then when they

781

00:32:03,950 --> 00:32:01,320

sold off the land and then was that

782

00:32:07,130 --> 00:32:03,960

Brandon fugle bought it and 20 was it

783

00:32:09,710 --> 00:32:07,140

2015 or 2016. I just I think now it just

784

00:32:12,470 --> 00:32:09,720

became a research lab that all these

785

00:32:14,389 --> 00:32:12,480

extraterrestrial sightings and wolves

786

00:32:15,470 --> 00:32:14,399

jumping in through portals and I'm not

787

00:32:17,330 --> 00:32:15,480

saying that they're dogmen because

788

00:32:19,430 --> 00:32:17,340

they're they're all in all fours but

789

00:32:22,430 --> 00:32:19,440

they're just large wolf-like creatures

790

00:32:24,889 --> 00:32:22,440

and that I mean there's something to it

791

00:32:26,450 --> 00:32:24,899

I do believe the land is cursed but I

792

00:32:28,070 --> 00:32:26,460

don't believe you're seeing Skin Walkers

793

00:32:30,470 --> 00:32:28,080

every single time there might be

794

00:32:33,230 --> 00:32:30,480

different things that I do believe that

795

00:32:35,810 --> 00:32:33,240

their uaps do have a there aren't Little

796

00:32:37,130 --> 00:32:35,820

Green Men coming in you know and

797

00:32:39,289 --> 00:32:37,140

dropping these things off I do believe

798

00:32:41,110 --> 00:32:39,299

these things are all somewhat paranormal

799

00:32:44,570 --> 00:32:41,120

or interdimensional

800

00:32:47,690 --> 00:32:44,580

yeah the chunk of work on too is uh is

801  
00:32:49,610 --> 00:32:47,700  
from the area Skinwalker Ranch too isn't

802  
00:32:51,529 --> 00:32:49,620  
it I mean not like like everything

803  
00:32:53,509 --> 00:32:51,539  
that's that Shane just said you know not

804  
00:32:55,310 --> 00:32:53,519  
everything can be labeled a skinwalker

805  
00:32:57,289 --> 00:32:55,320  
you know right right so I mean you got

806  
00:32:59,450 --> 00:32:57,299  
there's there's other Mysteries to be

807  
00:33:00,950 --> 00:32:59,460  
solved out there people you know there's

808  
00:33:04,909 --> 00:33:00,960  
a lot that native people haven't haven't

809  
00:33:06,529 --> 00:33:04,919  
divulged to you all I mean you know it's

810  
00:33:09,169 --> 00:33:06,539  
and you're coming up on a generational

811  
00:33:14,230 --> 00:33:09,179  
curse you know I'm I'm I'll explain that

812  
00:33:19,789 --> 00:33:16,789  
talking about skin walker Ranch you know

813  
00:33:21,769 --> 00:33:19,799

I I don't think Skinwalker Ranch is is

814

00:33:24,289 --> 00:33:21,779

really much different than a lot of hot

815

00:33:26,330 --> 00:33:24,299

spots throughout the world I mean in

816

00:33:30,289 --> 00:33:26,340

particular here in North America because

817

00:33:32,210 --> 00:33:30,299

there are areas where you get a lot of

818

00:33:34,070 --> 00:33:32,220

different stuff going on I mean you know

819

00:33:36,289 --> 00:33:34,080

you'll get into a case and as

820

00:33:39,350 --> 00:33:36,299

researchers you all know this you'll get

821

00:33:41,330 --> 00:33:39,360

into a case where it's one phenomena

822

00:33:42,889 --> 00:33:41,340

and then as you start getting into the

823

00:33:45,710 --> 00:33:42,899

case and getting into it start talking

824

00:33:48,169 --> 00:33:45,720

to the witnesses

825

00:33:50,630 --> 00:33:48,179

there's other stuff involved with it

826

00:33:53,630 --> 00:33:50,640

uh there always seems to be something

827

00:33:56,090 --> 00:33:53,640

else involved with the actual case uh

828

00:33:58,250 --> 00:33:56,100

recently we had a an upright canine case

829

00:34:00,830 --> 00:33:58,260

that involved

830

00:34:03,590 --> 00:34:00,840

uh spirit activity

831

00:34:07,009 --> 00:34:03,600

uh many towns will get Bigfoot cases

832

00:34:09,589 --> 00:34:07,019

here in Pennsylvania that involve UFOs

833

00:34:11,750 --> 00:34:09,599

in other other phenomena

834

00:34:13,790 --> 00:34:11,760

yeah I you know I I don't think maybe

835

00:34:16,669 --> 00:34:13,800

that that Skinwalker Ranch in particular

836

00:34:18,230 --> 00:34:16,679

is just eating shorts it's it's the most

837

00:34:20,089 --> 00:34:18,240

famous I mean it was been written about

838

00:34:22,490 --> 00:34:20,099

and stuff but I think there are other

839

00:34:25,310 --> 00:34:22,500

areas just as well that have a lot of

840

00:34:28,310 --> 00:34:25,320

activity that are just unexplained and

841

00:34:30,649 --> 00:34:28,320

there's some ties there

842

00:34:32,569 --> 00:34:30,659

I'd agree with that

843

00:34:35,089 --> 00:34:32,579

okay

844

00:34:39,770 --> 00:34:37,250

oh curses

845

00:34:42,190 --> 00:34:39,780

now eventually I asked earlier what um

846

00:34:45,710 --> 00:34:42,200

do you think these curses last forever

847

00:34:47,810 --> 00:34:45,720

or can they actually be lifted you know

848

00:34:50,990 --> 00:34:47,820

you talked about all the atrocities that

849

00:34:54,409 --> 00:34:51,000

the American government military

850

00:34:56,210 --> 00:34:54,419

uh put upon the native people and we all

851  
00:34:58,730 --> 00:34:56,220  
know about the weed we know about that

852  
00:35:01,250 --> 00:34:58,740  
and uh do you think any of that can ever

853  
00:35:03,589 --> 00:35:01,260  
be lifted is it is it now that it's just

854  
00:35:07,670 --> 00:35:03,599  
starting to come forward and showing

855  
00:35:13,910 --> 00:35:10,370  
go ahead William uh who are you asking

856  
00:35:15,349 --> 00:35:13,920  
go ahead William oh me okay yeah

857  
00:35:18,650 --> 00:35:15,359  
um

858  
00:35:20,930 --> 00:35:18,660  
well I mean you have your your typical

859  
00:35:22,609 --> 00:35:20,940  
curses that can be lifted by any any uh

860  
00:35:25,010 --> 00:35:22,619  
what Joshua Khan

861  
00:35:26,690 --> 00:35:25,020  
a holy man a man

862  
00:35:29,210 --> 00:35:26,700  
um

863  
00:35:31,130 --> 00:35:29,220

if it's done right and out of respect

864

00:35:34,310 --> 00:35:31,140

um and and the uh the spirit of the

865

00:35:36,589 --> 00:35:34,320

ancestors actually accept it so accept

866

00:35:38,810 --> 00:35:36,599

their gift and their their you know

867

00:35:41,450 --> 00:35:38,820

they're uh give their approval of

868

00:35:43,609 --> 00:35:41,460

diminishing the curse

869

00:35:45,589 --> 00:35:43,619

um but there's also what we call

870

00:35:51,770 --> 00:35:45,599

generational curses

871

00:35:53,150 --> 00:35:51,780

oh like the curse that was put on the

872

00:35:56,210 --> 00:35:53,160

pahasa

873

00:35:57,770 --> 00:35:56,220

um or uh the against the white man

874

00:36:01,190 --> 00:35:57,780

um back in the day

875

00:36:03,290 --> 00:36:01,200

my father and his father told me that uh

876  
00:36:04,790 --> 00:36:03,300  
the curse that they put on would last 10

877  
00:36:08,329 --> 00:36:04,800  
Generations

878  
00:36:09,950 --> 00:36:08,339  
that's a generational curse okay now

879  
00:36:11,750 --> 00:36:09,960  
that's the difference

880  
00:36:14,270 --> 00:36:11,760  
um that there's going to be 10

881  
00:36:17,329 --> 00:36:14,280  
generations of those people that were

882  
00:36:19,310 --> 00:36:17,339  
directly involved with taking our our

883  
00:36:22,250 --> 00:36:19,320  
sacred land up from us

884  
00:36:24,589 --> 00:36:22,260  
and and doing what they did to it

885  
00:36:27,349 --> 00:36:24,599  
and those 10 Generations would suffer

886  
00:36:29,510 --> 00:36:27,359  
the consequences whether it be you know

887  
00:36:32,990 --> 00:36:29,520  
whether it be poor health whether it be

888  
00:36:35,329 --> 00:36:33,000

uh poor finances or you know what I mean

889

00:36:37,250 --> 00:36:35,339

it could be really anything it could be

890

00:36:39,109 --> 00:36:37,260

really anything

891

00:36:42,290 --> 00:36:39,119

um but

892

00:36:46,190 --> 00:36:42,300

there are things to

893

00:36:48,589 --> 00:36:46,200

I mean everything's based on faith okay

894

00:36:50,870 --> 00:36:48,599

um I have faith in what I used to be

895

00:36:52,370 --> 00:36:50,880

able to do and and still do

896

00:36:55,130 --> 00:36:52,380

um

897

00:36:56,990 --> 00:36:55,140

but I also have faith in in the Creator

898

00:36:58,609 --> 00:36:57,000

he's not gonna like you know have

899

00:37:00,470 --> 00:36:58,619

anything done to his people and his

900

00:37:04,010 --> 00:37:00,480

children that

901  
00:37:06,530 --> 00:37:04,020  
he wouldn't approve of as a test for us

902  
00:37:08,270 --> 00:37:06,540  
so

903  
00:37:09,650 --> 00:37:08,280  
I don't know I mean it's just you know

904  
00:37:12,650 --> 00:37:09,660  
it depends

905  
00:37:15,770 --> 00:37:12,660  
um curses can be lifted

906  
00:37:17,569 --> 00:37:15,780  
um but you also got to figure the faith

907  
00:37:20,030 --> 00:37:17,579  
of the person involved too in that curse

908  
00:37:22,250 --> 00:37:20,040  
has got to play a role in it too I mean

909  
00:37:25,030 --> 00:37:22,260  
if your strong faith and whether whether

910  
00:37:27,609 --> 00:37:25,040  
it's Catholicism whether it's Buddhism

911  
00:37:31,310 --> 00:37:27,619  
Hinduism you know

912  
00:37:33,410 --> 00:37:31,320  
Christianity whatever your faith is if

913  
00:37:35,750 --> 00:37:33,420

you stand strong and you're

914

00:37:38,329 --> 00:37:35,760

you can defeat anything

915

00:37:40,370 --> 00:37:38,339

you know oh I believe that that's that's

916

00:37:42,589 --> 00:37:40,380

very true yeah I believe it yeah that's

917

00:37:44,329 --> 00:37:42,599

just that that's the whole that's the

918

00:37:44,990 --> 00:37:44,339

whole premise of faith and I mean you

919

00:37:46,970 --> 00:37:45,000

know

920

00:37:48,950 --> 00:37:46,980

if they wouldn't have removed all the

921

00:37:52,670 --> 00:37:48,960

Old Testaments and stuff out of the

922

00:37:56,030 --> 00:37:52,680

animal you know like the Book of Jubilee

923

00:37:57,170 --> 00:37:56,040

in the book of Thomas and Mary Magdalene

924

00:38:00,530 --> 00:37:57,180

and all that

925

00:38:01,130 --> 00:38:00,540

you know which I have studied too

926

00:38:03,470 --> 00:38:01,140

um

927

00:38:06,230 --> 00:38:03,480

you know they'd realize that there's a

928

00:38:08,510 --> 00:38:06,240

lot more to Christianity than uh what's

929

00:38:11,630 --> 00:38:08,520

in the current King James version so

930

00:38:12,290 --> 00:38:11,640

I'll just leave it at that well you're

931

00:38:15,530 --> 00:38:12,300

right

932

00:38:16,250 --> 00:38:15,540

you know there there was a lot removed I

933

00:38:18,170 --> 00:38:16,260

mean

934

00:38:20,210 --> 00:38:18,180

um

935

00:38:23,089 --> 00:38:20,220

yeah well anyway

936

00:38:25,010 --> 00:38:23,099

um now each one of you guys I think some

937

00:38:26,569 --> 00:38:25,020

of you have had some encounters why

938

00:38:28,970 --> 00:38:26,579

don't you tell us a bit about them uh

939

00:38:31,730 --> 00:38:28,980

Brian how you mentioned that you had an

940

00:38:33,950 --> 00:38:31,740

encounter in the description what um

941

00:38:35,750 --> 00:38:33,960

can you tell us about it yeah actually

942

00:38:38,030 --> 00:38:35,760

I've had two encounters I had one with a

943

00:38:40,370 --> 00:38:38,040

type two that's the hyena carrying of a

944

00:38:41,630 --> 00:38:40,380

dog man and I've actually I think it's a

945

00:38:44,210 --> 00:38:41,640

it might be a twin day or something

946

00:38:45,650 --> 00:38:44,220

along those lines but with the dog man I

947

00:38:47,930 --> 00:38:45,660

was actually watching my friend's house

948

00:38:48,770 --> 00:38:47,940

where I live and uh he was going on

949

00:38:51,170 --> 00:38:48,780

vacation

950

00:38:53,750 --> 00:38:51,180

you know and so I was doing check-ins in

951  
00:38:55,370 --> 00:38:53,760  
the morning afternoon night and I

952  
00:38:57,170 --> 00:38:55,380  
happened to go about midnight one night

953  
00:38:59,150 --> 00:38:57,180  
and I I heard some kind of weird noises

954  
00:39:00,050 --> 00:38:59,160  
down by the tree line where the riverbed

955  
00:39:02,270 --> 00:39:00,060  
would be

956  
00:39:03,589 --> 00:39:02,280  
and at first I thought maybe it was

957  
00:39:04,790 --> 00:39:03,599  
fragrance because we get a lot of

958  
00:39:08,150 --> 00:39:04,800  
vagrants that travel along the river

959  
00:39:09,950 --> 00:39:08,160  
beds so me being the smaller guy that I

960  
00:39:11,150 --> 00:39:09,960  
am in order to drive anybody off I kind

961  
00:39:12,589 --> 00:39:11,160  
of puffed up a little bit and I was

962  
00:39:14,210 --> 00:39:12,599  
yelling hey

963  
00:39:15,650 --> 00:39:14,220

and at first there was nothing like

964

00:39:17,810 --> 00:39:15,660

everything just kind of went silent for

965

00:39:19,430 --> 00:39:17,820

a moment but then the noises started up

966

00:39:21,130 --> 00:39:19,440

again so again you know me trying to

967

00:39:24,349 --> 00:39:21,140

puff up and be that little puffer fish

968

00:39:26,990 --> 00:39:24,359

hey and this time I was answering back

969

00:39:29,150 --> 00:39:27,000

with this really really deep growl

970

00:39:31,190 --> 00:39:29,160

and you know Sunset didn't register on

971

00:39:33,710 --> 00:39:31,200

me at first I was thinking oh is this a

972

00:39:34,730 --> 00:39:33,720

mountain lion or is this a fair you know

973

00:39:37,190 --> 00:39:34,740

because it's not something you hear

974

00:39:38,810 --> 00:39:37,200

commonly in a small town in Arizona

975

00:39:40,250 --> 00:39:38,820

so as I'm just standing there looking

976

00:39:42,170 --> 00:39:40,260

around see if I can see anything I do

977

00:39:44,329 --> 00:39:42,180

see something in silhouette

978

00:39:46,609 --> 00:39:44,339

and it growls at me again and this time

979

00:39:48,890 --> 00:39:46,619

I can feel the growl just resonating in

980

00:39:50,870 --> 00:39:48,900

my chest I mean my my ribs are shaking

981

00:39:53,089 --> 00:39:50,880

from this my lungs are pounding from the

982

00:39:55,370 --> 00:39:53,099

vibration going on and so I'm just I'm

983

00:39:57,770 --> 00:39:55,380

rooted in place I'm I'm frozen in fear I

984

00:39:59,210 --> 00:39:57,780

don't know what it is I'm hearing and

985

00:40:00,410 --> 00:39:59,220

just as this thing gets closer the

986

00:40:02,089 --> 00:40:00,420

security lights on the back of my

987

00:40:03,890 --> 00:40:02,099

friend's house click on

988

00:40:05,270 --> 00:40:03,900

and as the lights came on I saw the

989

00:40:07,130 --> 00:40:05,280

Amber eyes like you're seeing in the

990

00:40:09,589 --> 00:40:07,140

picture on the screen right now

991

00:40:11,450 --> 00:40:09,599

and I could see the facial features and

992

00:40:13,790 --> 00:40:11,460

I could see the kind of arch back and

993

00:40:15,349 --> 00:40:13,800

the fur and I was looking at a bipedal

994

00:40:16,250 --> 00:40:15,359

hyena I'm looking at this hyena-like

995

00:40:17,630 --> 00:40:16,260

thing

996

00:40:19,609 --> 00:40:17,640

and I'm going okay wait a minute there's

997

00:40:22,130 --> 00:40:19,619

a hyena in Arizona now why is there a

998

00:40:24,829 --> 00:40:22,140

hygiene at my friend's backyard you know

999

00:40:26,150 --> 00:40:24,839

so there was some degree of common sense

1000

00:40:27,589 --> 00:40:26,160

that was still sticking to me because

1001  
00:40:29,510 --> 00:40:27,599  
I'm going well there's no hyenas in

1002  
00:40:31,910 --> 00:40:29,520  
Arizona we don't live near a zoo

1003  
00:40:33,530 --> 00:40:31,920  
what is going on here and this thing's

1004  
00:40:36,530 --> 00:40:33,540  
like kind of stands there staring at me

1005  
00:40:37,790 --> 00:40:36,540  
for a moment and it Bluff charges me and

1006  
00:40:39,589 --> 00:40:37,800  
right there I mean I probably should

1007  
00:40:41,870 --> 00:40:39,599  
have ran when it Bluff charged

1008  
00:40:43,550 --> 00:40:41,880  
but I was just so afraid that I just

1009  
00:40:44,809 --> 00:40:43,560  
couldn't move man and it was probably a

1010  
00:40:46,670 --> 00:40:44,819  
good thing because it stopped Bluff

1011  
00:40:47,930 --> 00:40:46,680  
charging and it just kind of started

1012  
00:40:50,450 --> 00:40:47,940  
staring at me like I'd see it's head

1013  
00:40:53,030 --> 00:40:50,460

tilting one side to the other its ears

1014

00:40:54,650 --> 00:40:53,040

are going up and down and I'm staring at

1015

00:40:56,450 --> 00:40:54,660

it it's staring at me so you know

1016

00:40:58,069 --> 00:40:56,460

finally I'm getting some wits about me

1017

00:41:00,650 --> 00:40:58,079

I'm going okay don't look this thing in

1018

00:41:02,569 --> 00:41:00,660

the eye it's bigger than you it's 15

1019

00:41:04,190 --> 00:41:02,579

feet away it's obviously faster and

1020

00:41:06,230 --> 00:41:04,200

stronger than you so if it wants to eat

1021

00:41:07,970 --> 00:41:06,240

you it's gonna do it so don't provoke it

1022

00:41:10,069 --> 00:41:07,980

so I'm not looking this thing in the eye

1023

00:41:11,809 --> 00:41:10,079

I'm trying to stare away stare away

1024

00:41:14,270 --> 00:41:11,819

and I guess maybe it just got bored with

1025

00:41:15,950 --> 00:41:14,280

me it started to slowly back away

1026  
00:41:17,630 --> 00:41:15,960  
and as it started the back way I could

1027  
00:41:19,309 --> 00:41:17,640  
hear it snapping twigs and you know

1028  
00:41:21,710 --> 00:41:19,319  
stepping on rocks and kicking the ground

1029  
00:41:23,329 --> 00:41:21,720  
the minute was far enough away I just I

1030  
00:41:25,069 --> 00:41:23,339  
bolted inside my friend's house man I'm

1031  
00:41:26,690 --> 00:41:25,079  
locking every single door there is I'm

1032  
00:41:28,790 --> 00:41:26,700  
slamming the window shutting and locking

1033  
00:41:29,930 --> 00:41:28,800  
them I'm looking for his eyes or any

1034  
00:41:31,670 --> 00:41:29,940  
kind of protection I could have and I

1035  
00:41:33,410 --> 00:41:31,680  
called him up on the phone going hey yo

1036  
00:41:34,790 --> 00:41:33,420  
man you get back home checking your

1037  
00:41:37,010 --> 00:41:34,800  
backyard there's a lot of bipedal hyena

1038  
00:41:38,990 --> 00:41:37,020

in your backyard

1039

00:41:40,609 --> 00:41:39,000

my friends are laughing at me going Ryan

1040

00:41:42,950 --> 00:41:40,619

there's no hyenas in Arizona I'm like

1041

00:41:44,230 --> 00:41:42,960

yep right well I just saw one so explain

1042

00:41:47,390 --> 00:41:44,240

that

1043

00:41:49,069 --> 00:41:47,400

so what happened is when he got home we

1044

00:41:50,329 --> 00:41:49,079

went back in the day I I didn't want to

1045

00:41:51,710 --> 00:41:50,339

go I'm just you know I'm keeping my

1046

00:41:53,210 --> 00:41:51,720

distance going yeah I'm not going back

1047

00:41:55,309 --> 00:41:53,220

there you let me know if you see

1048

00:41:57,170 --> 00:41:55,319

anything he did find scuff marks from

1049

00:42:00,230 --> 00:41:57,180

where this thing had been standing

1050

00:42:02,150 --> 00:42:00,240

so that right there really pushed me

1051  
00:42:04,550 --> 00:42:02,160  
into researching into the hyena type

1052  
00:42:06,230 --> 00:42:04,560  
Crypt it's a hyena dog man more so than

1053  
00:42:08,870 --> 00:42:06,240  
the ones that I hear more about

1054  
00:42:10,190 --> 00:42:08,880  
and so I have been looking in my area in

1055  
00:42:12,170 --> 00:42:10,200  
the riverbeds because I like to believe

1056  
00:42:13,670 --> 00:42:12,180  
they follow the creeks

1057  
00:42:15,410 --> 00:42:13,680  
that if there's a riverbed they will

1058  
00:42:17,390 --> 00:42:15,420  
follow the riverbed for food for shelter

1059  
00:42:18,530 --> 00:42:17,400  
for all the good stuff that they need so

1060  
00:42:20,510 --> 00:42:18,540  
that's where I've been looking into

1061  
00:42:23,510 --> 00:42:20,520  
those types of Cryptids and for the

1062  
00:42:25,490 --> 00:42:23,520  
dewende I think the little person that I

1063  
00:42:27,230 --> 00:42:25,500

saw was actually not too far away from

1064

00:42:29,750 --> 00:42:27,240

where I had the Dogman encounter it was

1065

00:42:32,089 --> 00:42:29,760

where I do my research in the riverbeds

1066

00:42:33,710 --> 00:42:32,099

and that one's not as traumatic as the

1067

00:42:36,109 --> 00:42:33,720

dog man Story I mean I was walking with

1068

00:42:38,150 --> 00:42:36,119

my dog Duke who I take on all my

1069

00:42:39,650 --> 00:42:38,160

investigations and I'm hearing this

1070

00:42:41,750 --> 00:42:39,660

trilling like noise if you picture the

1071

00:42:43,910 --> 00:42:41,760

sound that the Predator makes only much

1072

00:42:45,950 --> 00:42:43,920

High more high pitch it's you know very

1073

00:42:47,630 --> 00:42:45,960

very loud and I'm looking around going

1074

00:42:48,890 --> 00:42:47,640

you know what is making that noise and I

1075

00:42:50,690 --> 00:42:48,900

couldn't find anything

1076

00:42:52,550 --> 00:42:50,700

and it kept making this noise I kept

1077

00:42:54,950 --> 00:42:52,560

hearing the whistling over and over and

1078

00:42:56,809 --> 00:42:54,960

over again and at first I didn't know

1079

00:42:59,210 --> 00:42:56,819

what it was and as I rounded this Bend

1080

00:43:00,950 --> 00:42:59,220

in the river right there at the bottom

1081

00:43:02,329 --> 00:43:00,960

of this hill is this little person

1082

00:43:04,309 --> 00:43:02,339

staring at me

1083

00:43:07,550 --> 00:43:04,319

and I mean little he was like maybe

1084

00:43:09,290 --> 00:43:07,560

about this big you know so when I say

1085

00:43:13,190 --> 00:43:09,300

little I don't mean three feet four feet

1086

00:43:14,690 --> 00:43:13,200

I mean very very little and he's wearing

1087

00:43:16,970 --> 00:43:14,700

little like it looks like squirrel fur

1088

00:43:19,370 --> 00:43:16,980

for his cover for his clothing he's even

1089

00:43:20,930 --> 00:43:19,380

got a tiny little Loy cloth on and he's

1090

00:43:22,309 --> 00:43:20,940

got a long stick that he's using as a

1091

00:43:25,250 --> 00:43:22,319

weapon he just kind of looks at me like

1092

00:43:26,770 --> 00:43:25,260

oh it's just you and he runs up the hill

1093

00:43:31,010 --> 00:43:26,780

and he disappears

1094

00:43:32,510 --> 00:43:31,020

wow that's interesting if you know this

1095

00:43:35,270 --> 00:43:32,520

whole hyena thing

1096

00:43:36,650 --> 00:43:35,280

we've got them here in Pennsylvania

1097

00:43:39,530 --> 00:43:36,660

um

1098

00:43:41,390 --> 00:43:39,540

and I we've had several sightings

1099

00:43:42,890 --> 00:43:41,400

they're they're mostly they're mostly

1100

00:43:44,750 --> 00:43:42,900

quadrupeds

1101  
00:43:48,470 --> 00:43:44,760  
uh there have been occasions when they

1102  
00:43:50,950 --> 00:43:48,480  
do stand up as bipedal but they we have

1103  
00:43:53,630 --> 00:43:50,960  
seen them and the the

1104  
00:43:55,670 --> 00:43:53,640  
characteristics that we get

1105  
00:43:58,730 --> 00:43:55,680  
are to describe to us is the head is

1106  
00:44:01,370 --> 00:43:58,740  
almost like a wolf's but the back is

1107  
00:44:06,349 --> 00:44:01,380  
sloping like a hyena yeah it's got more

1108  
00:44:09,109 --> 00:44:06,359  
hyena markings yeah very short tail

1109  
00:44:12,050 --> 00:44:09,119  
like that like you're seeing right now

1110  
00:44:14,809 --> 00:44:12,060  
and uh it's it's

1111  
00:44:17,569 --> 00:44:14,819  
and they're they're very menacing I we

1112  
00:44:19,569 --> 00:44:17,579  
had one case in around Tuscarora

1113  
00:44:22,309 --> 00:44:19,579

## National Forest

1114

00:44:23,510 --> 00:44:22,319

uh where this deer hunter was up on his

1115

00:44:26,150 --> 00:44:23,520

tree stand

1116

00:44:28,010 --> 00:44:26,160

and this thing he saw a comment in the

1117

00:44:29,089 --> 00:44:28,020

field and he was in on the edge of the

1118

00:44:32,150 --> 00:44:29,099

Woods

1119

00:44:34,790 --> 00:44:32,160

and this thing literally walked up to

1120

00:44:36,950 --> 00:44:34,800

him sat down with his haunches it was

1121

00:44:39,470 --> 00:44:36,960

looking up at him and just watching for

1122

00:44:42,349 --> 00:44:39,480

like 15 minutes and he said this thing

1123

00:44:44,809 --> 00:44:42,359

was huge he said I had a 30 odd six I

1124

00:44:46,609 --> 00:44:44,819

was not taking a shot at this thing he

1125

00:44:48,829 --> 00:44:46,619

said this thing looks so muscular I'm

1126

00:44:51,829 --> 00:44:48,839

sure it could run up the tree after me

1127

00:44:54,770 --> 00:44:51,839

uh he it was just you know he's a

1128

00:44:56,750 --> 00:44:54,780

muscular it looked like a hyena but it

1129

00:44:58,010 --> 00:44:56,760

had the wolf head it was menacing

1130

00:45:01,190 --> 00:44:58,020

looking

1131

00:45:02,870 --> 00:45:01,200

but it eventually just got up walked

1132

00:45:05,030 --> 00:45:02,880

away he said he stayed up in a tree

1133

00:45:07,370 --> 00:45:05,040

stand for two hours not knowing if this

1134

00:45:10,490 --> 00:45:07,380

thing was still walking around

1135

00:45:14,329 --> 00:45:10,500

I don't blame it we get to we get these

1136

00:45:17,870 --> 00:45:14,339

these uh hyena-like uh uh canine

1137

00:45:22,069 --> 00:45:20,150

yeah actually I ran into a guy that's a

1138

00:45:24,470 --> 00:45:22,079

Paranormal Investigator down where I do

1139

00:45:26,210 --> 00:45:24,480

my research and what I found really

1140

00:45:28,609 --> 00:45:26,220

interesting was this guy did not know

1141

00:45:30,230 --> 00:45:28,619

who I was you know I hadn't spoken to

1142

00:45:32,630 --> 00:45:30,240

him and so like there was no chance for

1143

00:45:34,490 --> 00:45:32,640

introduction I was going down this

1144

00:45:36,710 --> 00:45:34,500

tunnel and he told me to be really

1145

00:45:39,230 --> 00:45:36,720

careful when you reach the end of this

1146

00:45:43,309 --> 00:45:39,240

tunnel because he saw what he described

1147

00:45:45,170 --> 00:45:43,319

as two hyenas on their two eggs with a

1148

00:45:47,569 --> 00:45:45,180

baby there was a pup there

1149

00:45:49,069 --> 00:45:47,579

so him not knowing who I was and not

1150

00:45:51,170 --> 00:45:49,079

knowing that I had seen a hyena type

1151  
00:45:52,849 --> 00:45:51,180  
Cryptid that really caught my interest

1152  
00:45:55,069 --> 00:45:52,859  
because it's like somebody else has seen

1153  
00:45:57,109 --> 00:45:55,079  
this that this guy saw three of them not

1154  
00:45:58,790 --> 00:45:57,119  
just one of them he saw a family here

1155  
00:46:00,770 --> 00:45:58,800  
where I'm doing research so that really

1156  
00:46:02,510 --> 00:46:00,780  
got me like oh yes you know I was very

1157  
00:46:05,150 --> 00:46:02,520  
excited about that

1158  
00:46:07,670 --> 00:46:05,160  
wow I want to thank Karen for her

1159  
00:46:09,470 --> 00:46:07,680  
donation very much appreciated so

1160  
00:46:14,150 --> 00:46:09,480  
William do you have uh do you have an

1161  
00:46:14,160 --> 00:46:17,630  
which maybe not

1162  
00:46:17,640 --> 00:46:20,390  
um

1163  
00:46:26,030 --> 00:46:23,089

yeah this could be a long conversation

1164

00:46:28,069 --> 00:46:26,040

um I've had I've had uh pretty much uh

1165

00:46:29,930 --> 00:46:28,079

every encounter you can think of growing

1166

00:46:33,410 --> 00:46:29,940

up where I grew up

1167

00:46:34,910 --> 00:46:33,420

um I had my first actual uh Bigfoot

1168

00:46:37,609 --> 00:46:34,920

encounter

1169

00:46:40,490 --> 00:46:37,619

um when I was 12 years old riding Dirks

1170

00:46:42,109 --> 00:46:40,500

and uh we were riding around in this in

1171

00:46:44,870 --> 00:46:42,119

this big open field

1172

00:46:47,630 --> 00:46:44,880

and the whole size of the field was all

1173

00:46:49,849 --> 00:46:47,640

lined to trees and and hills and

1174

00:46:52,849 --> 00:46:49,859

mountains and all that and uh

1175

00:46:54,470 --> 00:46:52,859

basically went around a couple times and

1176  
00:46:56,210 --> 00:46:54,480  
something told me just to stop and get

1177  
00:46:58,609 --> 00:46:56,220  
off the dirt bike so I got off the dirt

1178  
00:47:01,910 --> 00:46:58,619  
bike turned the fuel off and I looked

1179  
00:47:05,109 --> 00:47:01,920  
down towards the I had we came in at

1180  
00:47:08,089 --> 00:47:05,119  
and uh there was about a nine foot tall

1181  
00:47:09,410 --> 00:47:08,099  
Bigfoot standing there with its arms up

1182  
00:47:12,349 --> 00:47:09,420  
in a tree

1183  
00:47:13,849 --> 00:47:12,359  
reaching up in a branch and I couldn't

1184  
00:47:15,770 --> 00:47:13,859  
really make out if there was a little

1185  
00:47:17,390 --> 00:47:15,780  
one with it or not I'm kind of thinking

1186  
00:47:20,150 --> 00:47:17,400  
there was

1187  
00:47:21,770 --> 00:47:20,160  
um and the way it was positioned it was

1188  
00:47:24,829 --> 00:47:21,780

sideways to me

1189

00:47:30,230 --> 00:47:24,839

and in fact hold on a second here I'll

1190

00:47:38,290 --> 00:47:32,510

thank you

1191

00:47:44,150 --> 00:47:41,809

for the proper showing to actually show

1192

00:47:47,750 --> 00:47:44,160

something but this is what's off

1193

00:47:50,150 --> 00:47:47,760

sideways okay I couldn't tell if it was

1194

00:47:52,130 --> 00:47:50,160

a female or a male all right it was

1195

00:47:54,710 --> 00:47:52,140

every bit of about nine feet tall okay

1196

00:47:56,569 --> 00:47:54,720

maybe eight and a half the shame same

1197

00:47:57,890 --> 00:47:56,579

shape of the head and the shoulders and

1198

00:47:59,690 --> 00:47:57,900

everything

1199

00:48:01,790 --> 00:47:59,700

all the way down to the ankles man is

1200

00:48:03,410 --> 00:48:01,800

what I saw okay and it was reaching up

1201  
00:48:06,109 --> 00:48:03,420  
in the tree

1202  
00:48:08,150 --> 00:48:06,119  
all of us saw it

1203  
00:48:10,130 --> 00:48:08,160  
and you know being that young we just

1204  
00:48:12,650 --> 00:48:10,140  
kind of just stood there and off

1205  
00:48:14,030 --> 00:48:12,660  
and we kind of looked at each other and

1206  
00:48:15,290 --> 00:48:14,040  
then by the time we looked back up it

1207  
00:48:17,450 --> 00:48:15,300  
was gone

1208  
00:48:19,309 --> 00:48:17,460  
it wasn't there

1209  
00:48:20,930 --> 00:48:19,319  
so and I mean it must have been no more

1210  
00:48:22,130 --> 00:48:20,940  
than about two or three seconds and it

1211  
00:48:23,990 --> 00:48:22,140  
was gone

1212  
00:48:25,309 --> 00:48:24,000  
we went back through the trailhead

1213  
00:48:28,370 --> 00:48:25,319

entrance

1214

00:48:29,870 --> 00:48:28,380

with our motorcycles and we

1215

00:48:32,750 --> 00:48:29,880

could

1216

00:48:35,270 --> 00:48:32,760

on the seats of our dirt bikes trying to

1217

00:48:37,549 --> 00:48:35,280

reach the branch that it had reached up

1218

00:48:40,069 --> 00:48:37,559

in the tree at and we couldn't even

1219

00:48:42,530 --> 00:48:40,079

touch it standing on our dirt bikes

1220

00:48:43,670 --> 00:48:42,540

it had been at least that Branch had

1221

00:48:47,089 --> 00:48:43,680

been at least

1222

00:48:48,370 --> 00:48:47,099

13 maybe 14 feet in a tree

1223

00:48:50,930 --> 00:48:48,380

so

1224

00:48:53,089 --> 00:48:50,940

the second time

1225

00:48:55,010 --> 00:48:53,099

was about a week later

1226  
00:48:56,450 --> 00:48:55,020  
and uh

1227  
00:48:59,210 --> 00:48:56,460  
we were riding dirt bikes again

1228  
00:49:00,109 --> 00:48:59,220  
different spot though

1229  
00:49:02,390 --> 00:49:00,119  
um

1230  
00:49:03,470 --> 00:49:02,400  
and it was coming around the woods and

1231  
00:49:05,690 --> 00:49:03,480  
all that

1232  
00:49:07,130 --> 00:49:05,700  
and I was I was taking my turn on my

1233  
00:49:09,950 --> 00:49:07,140  
dirt bike you know

1234  
00:49:11,510 --> 00:49:09,960  
and uh next thing I know this Branch was

1235  
00:49:14,450 --> 00:49:11,520  
thrown out in front of the the wheel on

1236  
00:49:18,049 --> 00:49:14,460  
my bike and I flipped over the bike

1237  
00:49:20,470 --> 00:49:18,059  
and the bike landed on me and I looked

1238  
00:49:22,910 --> 00:49:20,480

up and here's this

1239

00:49:24,530 --> 00:49:22,920

humongous about the only way I could

1240

00:49:27,950 --> 00:49:24,540

describe it

1241

00:49:30,349 --> 00:49:27,960

was in being a kid at the time you know

1242

00:49:33,049 --> 00:49:30,359

you picture the Hulk

1243

00:49:36,290 --> 00:49:33,059

and you put rabbit fur on him you know

1244

00:49:37,190 --> 00:49:36,300

like like black and gray rabbit fur on

1245

00:49:41,150 --> 00:49:37,200

him

1246

00:49:41,870 --> 00:49:41,160

and that's what I saw you know

1247

00:49:46,190 --> 00:49:41,880

um

1248

00:49:52,309 --> 00:49:49,309

whoa when it was walking

1249

00:49:53,870 --> 00:49:52,319

from me that's terrifying it turned and

1250

00:49:55,970 --> 00:49:53,880

it looked at me

1251

00:49:57,829 --> 00:49:55,980

it it to them looked and said you know

1252

00:49:59,329 --> 00:49:57,839

what I know you're not going to get off

1253

00:50:01,670 --> 00:49:59,339

your ground and come after me because

1254

00:50:04,250 --> 00:50:01,680

I'm I'm bigger than you are so

1255

00:50:06,589 --> 00:50:04,260

but yeah it's and it kind of smirked

1256

00:50:09,349 --> 00:50:06,599

when it went away too it was like you

1257

00:50:11,930 --> 00:50:09,359

know how I got you but I looked off to

1258

00:50:14,690 --> 00:50:11,940

the to the right where it was walking

1259

00:50:16,970 --> 00:50:14,700

and there was another one further down I

1260

00:50:18,589 --> 00:50:16,980

could make it out behind a tree and

1261

00:50:20,630 --> 00:50:18,599

there was a deer there

1262

00:50:23,569 --> 00:50:20,640

so I don't know I interrupted him

1263

00:50:26,569 --> 00:50:23,579

hunting and that's why

1264

00:50:28,849 --> 00:50:26,579

so I've always you know

1265

00:50:30,650 --> 00:50:28,859

tried to figure that one out but yeah

1266

00:50:33,650 --> 00:50:30,660

I've had I've had several counters you

1267

00:50:36,470 --> 00:50:33,660

know I've had encounters with uh dog men

1268

00:50:39,530 --> 00:50:36,480

I've had encounters with uh

1269

00:50:42,049 --> 00:50:39,540

well Skinwalker huh

1270

00:50:44,569 --> 00:50:42,059

um and that's only because of the

1271

00:50:46,309 --> 00:50:44,579

you know what my parent was doing at the

1272

00:50:48,230 --> 00:50:46,319

time so I got to

1273

00:50:50,690 --> 00:50:48,240

see that firsthand

1274

00:50:52,730 --> 00:50:50,700

um something a child should not see let

1275

00:50:53,390 --> 00:50:52,740

me put it to you that way

1276

00:50:56,210 --> 00:50:53,400

um

1277

00:50:58,309 --> 00:50:56,220

but yeah they're the couple dogmen that

1278

00:51:00,470 --> 00:50:58,319

my wife and I uh had a run-in with one

1279

00:51:02,329 --> 00:51:00,480

time walking her little

1280

00:51:04,250 --> 00:51:02,339

that must have been about 11 o'clock at

1281

00:51:07,190 --> 00:51:04,260

night and uh

1282

00:51:09,290 --> 00:51:07,200

there was they were at first we just

1283

00:51:11,030 --> 00:51:09,300

heard the growls you know the very

1284

00:51:14,150 --> 00:51:11,040

distinctive

1285

00:51:17,510 --> 00:51:14,160

canine growl

1286

00:51:20,630 --> 00:51:17,520

um that basically shook your insides and

1287

00:51:22,670 --> 00:51:20,640

and woke you up it really did

1288

00:51:25,250 --> 00:51:22,680

um that put us that put us on a guard

1289

00:51:27,049 --> 00:51:25,260

and uh I always you know I work around

1290

00:51:29,150 --> 00:51:27,059

out around here because we're out in the

1291

00:51:32,450 --> 00:51:29,160

middle of nowhere basically I always

1292

00:51:34,309 --> 00:51:32,460

carry a sidearm with me wherever I go

1293

00:51:36,109 --> 00:51:34,319

um because of you know the wildlife

1294

00:51:37,730 --> 00:51:36,119

around here and we just saw a mountain

1295

00:51:41,150 --> 00:51:37,740

lion not more than

1296

00:51:42,829 --> 00:51:41,160

we go so

1297

00:51:45,530 --> 00:51:42,839

um you know they we have them here

1298

00:51:47,630 --> 00:51:45,540

because we have mountains so

1299

00:51:50,089 --> 00:51:47,640

but uh

1300

00:51:53,390 --> 00:51:50,099

yeah they're back here in East there's

1301

00:51:56,390 --> 00:51:53,400

no doubt about it and uh

1302

00:51:58,690 --> 00:51:56,400

oh yeah yeah ever since they introduced

1303

00:52:01,849 --> 00:51:58,700

the wolf and the elf to uh back in the

1304

00:52:05,089 --> 00:52:01,859

Appalachian Mountains you know they've

1305

00:52:07,549 --> 00:52:05,099

definitely come with it so but uh yeah

1306

00:52:09,770 --> 00:52:07,559

we we've seen our share of weird stuff

1307

00:52:12,710 --> 00:52:09,780

here in Virginia too

1308

00:52:15,290 --> 00:52:12,720

but uh yeah I mean I've seen everything

1309

00:52:17,690 --> 00:52:15,300

one I just it'd be too long of a program

1310

00:52:21,109 --> 00:52:17,700

if I talked about just what I saw so

1311

00:52:23,150 --> 00:52:21,119

well I appreciate what you told us

1312

00:52:25,430 --> 00:52:23,160

have you ever had an encounter

1313

00:52:27,530 --> 00:52:25,440

well well I've only been researching for

1314

00:52:29,750 --> 00:52:27,540

the last seven months personally with my

1315

00:52:31,549 --> 00:52:29,760

wife and at first she thought I think

1316

00:52:33,530 --> 00:52:31,559

the whole thing is crazy but I'm like

1317

00:52:35,510 --> 00:52:33,540

hey there's something I'm really curious

1318

00:52:38,569 --> 00:52:35,520

about you know and I'm more into the

1319

00:52:40,549 --> 00:52:38,579

Dogman than any other Cryptid and she

1320

00:52:42,770 --> 00:52:40,559

was like hey I'll tag along with you so

1321

00:52:45,470 --> 00:52:42,780

we're in this together and never had an

1322

00:52:49,010 --> 00:52:45,480

encounter but we've had I believe

1323

00:52:52,849 --> 00:52:49,020

sightings or like structures we the area

1324

00:52:54,710 --> 00:52:52,859

I go to is east of Fresno and here in

1325

00:52:56,930 --> 00:52:54,720

California and it's up in the mountains

1326

00:52:58,370 --> 00:52:56,940

and it's really known for Sasquatch in

1327

00:53:00,890 --> 00:52:58,380

the last four to five years there's been

1328

00:53:03,770 --> 00:53:00,900

two to three I believe possibly four

1329

00:53:05,390 --> 00:53:03,780

sightings of dogmen so I go up there and

1330

00:53:08,089 --> 00:53:05,400

that's where I drive about two hours and

1331

00:53:10,370 --> 00:53:08,099

we get there and that's I'm actually

1332

00:53:12,970 --> 00:53:10,380

seeking an encounter you know as the

1333

00:53:15,530 --> 00:53:12,980

crazy say don't do that you know

1334

00:53:17,750 --> 00:53:15,540

I I want to see it with my own two eyes

1335

00:53:19,730 --> 00:53:17,760

I believe Ryan's and kilners I believe

1336

00:53:21,890 --> 00:53:19,740

Williams everyone that says they've had

1337

00:53:24,049 --> 00:53:21,900

an encounter I believe them I I kind of

1338

00:53:26,450 --> 00:53:24,059

just want to get those facts for my own

1339

00:53:29,390 --> 00:53:26,460

self you know I have more questions than

1340

00:53:30,490 --> 00:53:29,400

I need that I want answered and the area

1341

00:53:33,230 --> 00:53:30,500

I go to

1342

00:53:35,450 --> 00:53:33,240

we recently came across tree structures

1343

00:53:37,609 --> 00:53:35,460

and dens and I've sent those to a good

1344

00:53:39,589 --> 00:53:37,619

friend of mine uh D.A Roberts and he

1345

00:53:42,230 --> 00:53:39,599

said that looks more like dogmen then

1346

00:53:44,329 --> 00:53:42,240

because I guess the Sasquatch dins are

1347

00:53:45,650 --> 00:53:44,339

more woven and these were just like tree

1348

00:53:48,290 --> 00:53:45,660

branches that were just thrown together

1349

00:53:51,230 --> 00:53:48,300

and then I got a print of what looks

1350

00:53:52,309 --> 00:53:51,240

like a canine uh I know it's not wolfs

1351

00:53:54,109 --> 00:53:52,319

because we don't have wolves in

1352

00:53:56,329 --> 00:53:54,119

California Northern California they're

1353

00:53:59,510 --> 00:53:56,339

reintroducing them slowly but the last

1354

00:54:02,270 --> 00:53:59,520

wolf that was eradicated was in 1924 and

1355

00:54:04,430 --> 00:54:02,280

this area alone there's no wolves there

1356

00:54:06,549 --> 00:54:04,440

might be coyotes but the print that I do

1357

00:54:10,250 --> 00:54:06,559

have it looks a lot bigger than a coyote

1358

00:54:13,130 --> 00:54:10,260

and that's I I think you know in the

1359

00:54:15,950 --> 00:54:13,140

seven months we've been in the woods up

1360

00:54:18,290 --> 00:54:15,960

near Springville California and it was

1361

00:54:20,030 --> 00:54:18,300

snow all on the ground when the wife and

1362

00:54:22,549 --> 00:54:20,040

I were hiking in we were we hiked about

1363

00:54:24,770 --> 00:54:22,559

a mile and a half in but the woods was

1364

00:54:27,349 --> 00:54:24,780

totally silent and I've been told since

1365

00:54:30,109 --> 00:54:27,359

day one that when you hear no birds

1366

00:54:32,089 --> 00:54:30,119

chirping crickets nothing that's a sign

1367

00:54:34,609 --> 00:54:32,099

of an apex predator or something's in

1368

00:54:37,670 --> 00:54:34,619

the woods so to me that's also Sasquatch

1369

00:54:39,170 --> 00:54:37,680

territory maybe we are being observed uh

1370

00:54:41,390 --> 00:54:39,180

I don't I've never had a physical

1371

00:54:43,970 --> 00:54:41,400

encounter or a sighting but the tree

1372

00:54:46,490 --> 00:54:43,980

structures and the prints I think I'm

1373

00:54:48,289 --> 00:54:46,500

almost there to get that and then once I

1374

00:54:50,150 --> 00:54:48,299

do get that encounter it's going to

1375

00:54:52,130 --> 00:54:50,160

answer all my you know there's even a

1376

00:54:53,569 --> 00:54:52,140

sighting we're just you know seeing it

1377

00:54:55,849 --> 00:54:53,579

run up beside the hill or across the

1378

00:54:57,650 --> 00:54:55,859

freeway that's what I'm hoping to see

1379

00:54:59,630 --> 00:54:57,660

and then once I do I'm out of the crypto

1380

00:55:01,309 --> 00:54:59,640

Community I'm I think you answered what

1381

00:55:04,130 --> 00:55:01,319

I do I'm I'll still be friends with

1382

00:55:07,309 --> 00:55:04,140

William and eulon and William and Ryan

1383

00:55:09,530 --> 00:55:07,319

and Vincent and everybody but I'm gonna

1384

00:55:11,870 --> 00:55:09,540

I have a passion right now for Cleveland

1385

00:55:13,849 --> 00:55:11,880

especially dogmen that's what he says

1386

00:55:16,010 --> 00:55:13,859

now but watch when he sees one he's

1387

00:55:18,109 --> 00:55:16,020

gonna get sucked right in my wife said

1388

00:55:19,970 --> 00:55:18,119

exactly you're really gonna give up all

1389

00:55:22,370 --> 00:55:19,980

your West Coast and all your friends and

1390

00:55:23,210 --> 00:55:22,380

I was like no I made her a promise you

1391

00:55:25,309 --> 00:55:23,220

know

1392

00:55:27,049 --> 00:55:25,319

that's something I try to keep it I've

1393

00:55:29,630 --> 00:55:27,059

said I'll still listen to the podcast

1394

00:55:31,069 --> 00:55:29,640

and still talk to people no it's not

1395

00:55:33,710 --> 00:55:31,079

going to happen that way bro you're

1396

00:55:37,490 --> 00:55:33,720

going to see one of using oh right back

1397

00:55:39,890 --> 00:55:37,500

yeah you know I had my encounters but

1398

00:55:43,010 --> 00:55:39,900

yeah when I had my first one I got

1399

00:55:45,589 --> 00:55:43,020

sucked in exactly and yeah all I was

1400

00:55:48,829 --> 00:55:45,599

doing I was doing you know paranormal

1401

00:55:51,349 --> 00:55:48,839

sightings and spiritual and uh spirit

1402

00:55:53,809 --> 00:55:51,359

rescue I'm an intuitive I was doing work

1403

00:55:55,910 --> 00:55:53,819

with people and individuals and such but

1404

00:55:58,309 --> 00:55:55,920

yeah when I had that encounter with the

1405

00:56:00,049 --> 00:55:58,319

Bigfoot in 81 that was that's where it

1406

00:56:03,049 --> 00:56:00,059

all started at and it was just like it

1407

00:56:05,450 --> 00:56:03,059

just you know it kept going annoying you

1408

00:56:07,970 --> 00:56:05,460

know but you know right now we're

1409

00:56:10,250 --> 00:56:07,980

working right now because it's been busy

1410

00:56:12,710 --> 00:56:10,260

this year we've got four active

1411

00:56:14,390 --> 00:56:12,720

cryptic canine encounters here in

1412

00:56:17,569 --> 00:56:14,400

Pennsylvania right now

1413

00:56:19,609 --> 00:56:17,579

wow that my team's working on yeah yeah

1414

00:56:21,289 --> 00:56:19,619

the nadp says that Pennsylvania and

1415

00:56:24,349 --> 00:56:21,299

Arkansas are the two hot spots right now

1416

00:56:27,829 --> 00:56:24,359

you know with all it probably is

1417

00:56:30,470 --> 00:56:27,839

this is probably the the most active

1418

00:56:33,890 --> 00:56:30,480

summer that we've had

1419

00:56:36,829 --> 00:56:33,900

oh I guess since 2013 when Butch and I

1420

00:56:39,109 --> 00:56:36,839

started really looking into it uh but

1421

00:56:42,410 --> 00:56:39,119

yeah they've been they've been real and

1422

00:56:45,890 --> 00:56:42,420

some of them are really weird too uh

1423

00:56:47,630 --> 00:56:45,900

yeah it's not your typical sighting I I

1424

00:56:50,510 --> 00:56:47,640

think um

1425

00:56:52,010 --> 00:56:50,520

I think uh Vincent can probably put some

1426

00:56:54,470 --> 00:56:52,020

pictures up of some of the ones that

1427

00:56:55,250 --> 00:56:54,480

have that have been described to us but

1428

00:56:57,530 --> 00:56:55,260

uh

1429

00:57:02,030 --> 00:56:57,540

yeah it's bizarre

1430

00:57:04,789 --> 00:57:02,040

so let me ask you about portals now

1431

00:57:08,870 --> 00:57:04,799

first of all what is the

1432

00:57:12,650 --> 00:57:08,880

Native American native peoples

1433

00:57:14,990 --> 00:57:12,660

thoughts on Portals do they exist

1434

00:57:17,210 --> 00:57:15,000

or is it part of the culture or what

1435

00:57:20,930 --> 00:57:17,220

what is it how about a William can you

1436

00:57:24,589 --> 00:57:22,730

well we didn't we didn't know what to

1437

00:57:28,069 --> 00:57:24,599

call them back in the day

1438

00:57:30,950 --> 00:57:28,079

right because you could travel from one

1439

00:57:33,710 --> 00:57:30,960

realm to another so we didn't know the

1440

00:57:37,069 --> 00:57:33,720

terrible portals or whatnot but uh

1441

00:57:38,630 --> 00:57:37,079

you know um yeah I mean with any

1442

00:57:41,450 --> 00:57:38,640

indigenous culture you're going to find

1443

00:57:43,309 --> 00:57:41,460

Legends of where people are one minute

1444

00:57:44,510 --> 00:57:43,319

walking there and then the next they're

1445

00:57:47,089 --> 00:57:44,520

gone

1446

00:57:48,410 --> 00:57:47,099

so um you have it nowadays more more

1447

00:57:50,750 --> 00:57:48,420

frequently than ever especially

1448

00:57:52,490 --> 00:57:50,760

especially in the national forests

1449

00:57:55,370 --> 00:57:52,500

which is a completely different animal

1450

00:57:58,250 --> 00:57:55,380

all together uh you look at all look at

1451  
00:57:59,210 --> 00:57:58,260  
all the 4-1-1 missing uh cases that are

1452  
00:58:01,010 --> 00:57:59,220  
out there

1453  
00:58:02,950 --> 00:58:01,020  
um you know and then the ones that don't

1454  
00:58:07,190 --> 00:58:02,960  
turn up missing that are actually found

1455  
00:58:09,170 --> 00:58:07,200  
six to ten miles further away that had

1456  
00:58:11,870 --> 00:58:09,180  
no idea that they could even get to that

1457  
00:58:14,390 --> 00:58:11,880  
location in a short period of time that

1458  
00:58:16,730 --> 00:58:14,400  
they were found in there so

1459  
00:58:21,730 --> 00:58:16,740  
um there was one case that I can recall

1460  
00:58:25,609 --> 00:58:21,740  
up in uh in um uh where was it um

1461  
00:58:28,069 --> 00:58:25,619  
Yosemite where a little boy was lost a

1462  
00:58:31,730 --> 00:58:28,079  
little four-year-old kid and uh what

1463  
00:58:35,030 --> 00:58:31,740

they found him you know a day later

1464

00:58:37,490 --> 00:58:35,040

um up in like a high mountain 6 000 feet

1465

00:58:39,890 --> 00:58:37,500

up in a mountain area you know where he

1466

00:58:41,690 --> 00:58:39,900

would have never been able to get to you

1467

00:58:43,849 --> 00:58:41,700

know so I mean either he walked into a

1468

00:58:45,530 --> 00:58:43,859

portal and ended up there or

1469

00:58:48,470 --> 00:58:45,540

a Cryptid took him there I don't know

1470

00:58:52,010 --> 00:58:48,480

but uh yeah you know your guess is as

1471

00:58:56,210 --> 00:58:54,109

yeah I mean

1472

00:58:57,890 --> 00:58:56,220

if you're if you're open my if you're a

1473

00:59:01,430 --> 00:58:57,900

cryptozoologist or you're looking into

1474

00:59:03,530 --> 00:59:01,440

the phenomena and you're open-minded you

1475

00:59:07,549 --> 00:59:03,540

you almost got to

1476

00:59:09,650 --> 00:59:07,559

agree that there's something

1477

00:59:12,170 --> 00:59:09,660

just unexplained about what's going on

1478

00:59:13,910 --> 00:59:12,180

how people just disappear or people end

1479

00:59:16,670 --> 00:59:13,920

up in other places

1480

00:59:19,849 --> 00:59:16,680

uh glitches

1481

00:59:22,370 --> 00:59:19,859

Time Slips you you hear read about it

1482

00:59:23,809 --> 00:59:22,380

all the time I've never experienced it

1483

00:59:25,730 --> 00:59:23,819

but

1484

00:59:27,430 --> 00:59:25,740

I have talked to some pretty reliable

1485

00:59:30,710 --> 00:59:27,440

people that have

1486

00:59:33,410 --> 00:59:30,720

and um I mean this all comes back to

1487

00:59:36,530 --> 00:59:33,420

what people believe that Cryptids really

1488

00:59:38,690 --> 00:59:36,540

are are they interdimensional beings or

1489

00:59:42,589 --> 00:59:38,700

the ultra terrestrials do they come from

1490

00:59:44,450 --> 00:59:42,599

another reality or Dimension uh

1491

00:59:46,430 --> 00:59:44,460

hey I believe I believe there are

1492

00:59:47,809 --> 00:59:46,440

indigenous Cryptids I'm you know don't

1493

00:59:50,930 --> 00:59:47,819

get me wrong

1494

00:59:54,650 --> 00:59:50,940

but I believe also in some areas that

1495

00:59:57,289 --> 00:59:54,660

they do have the ability to just show up

1496

00:59:59,990 --> 00:59:57,299

um about whatever mechanism or whatever

1497

01:00:06,650 --> 01:00:00,000

they do I mean could this be related

1498

01:00:12,049 --> 01:00:09,109

I mean I'm asking anyone to come forward

1499

01:00:15,410 --> 01:00:13,849

well I mean there's nothing saying that

1500

01:00:17,809 --> 01:00:15,420

Flesh and Blood can't walk in both

1501

01:00:19,970 --> 01:00:17,819

worlds well that's true too and I'm I'm

1502

01:00:21,410 --> 01:00:19,980

not I'm saying and I am agreeing that I

1503

01:00:23,329 --> 01:00:21,420

think a lot of these

1504

01:00:25,730 --> 01:00:23,339

these are Flesh and Blood beings even

1505

01:00:28,970 --> 01:00:25,740

though they do move Beyond worlds I I I

1506

01:00:32,690 --> 01:00:28,980

I believe that entirely

1507

01:00:35,030 --> 01:00:32,700

right now um whether you talk uh whether

1508

01:00:37,250 --> 01:00:35,040

you know certain Cryptids were

1509

01:00:39,109 --> 01:00:37,260

Genetically Enhanced by uh the

1510

01:00:41,510 --> 01:00:39,119

military-industrial complex or whether

1511

01:00:43,069 --> 01:00:41,520

you talk about uh

1512

01:00:45,049 --> 01:00:43,079

um aliens

1513

01:00:46,849 --> 01:00:45,059

um that are you know well take for

1514

01:00:49,990 --> 01:00:46,859

instance the cattle mutilations

1515

01:00:52,910 --> 01:00:50,000

perfect example you know

1516

01:00:56,210 --> 01:00:52,920

uh taking something

1517

01:00:58,970 --> 01:00:56,220

and trying to mutated into something to

1518

01:01:01,250 --> 01:00:58,980

either continue your species or develop

1519

01:01:02,630 --> 01:01:01,260

a whole nother species that's the only

1520

01:01:05,870 --> 01:01:02,640

reason they're going to do genetic

1521

01:01:08,510 --> 01:01:05,880

testing so

1522

01:01:10,190 --> 01:01:08,520

um but yeah I mean they you could you

1523

01:01:13,730 --> 01:01:10,200

could call chalk some of it up to being

1524

01:01:15,950 --> 01:01:13,740

alien to you can I've even heard uh uh

1525

01:01:18,530 --> 01:01:15,960

stories of

1526

01:01:20,510 --> 01:01:18,540

um force people uh walking in you know

1527

01:01:22,010 --> 01:01:20,520

divorced resurfaced people walking out

1528

01:01:24,470 --> 01:01:22,020

in the middle of nowhere and and

1529

01:01:27,710 --> 01:01:24,480

stumbling upon uh aliens

1530

01:01:29,630 --> 01:01:27,720

and uh 20 feet from an alien at where

1531

01:01:31,970 --> 01:01:29,640

where the alien was pumping something

1532

01:01:34,309 --> 01:01:31,980

out out of the ground

1533

01:01:35,990 --> 01:01:34,319

um there was a 20 feet away 30 feet away

1534

01:01:37,430 --> 01:01:36,000

there was a nine foot tall Bigfoot

1535

01:01:39,170 --> 01:01:37,440

standing guard

1536

01:01:41,650 --> 01:01:39,180

right so I mean

1537

01:01:44,089 --> 01:01:41,660

you know I mean it's it's

1538

01:01:46,250 --> 01:01:44,099

anybody's guess you know and anybody

1539

01:01:48,770 --> 01:01:46,260

that says that they're an expert

1540

01:01:49,930 --> 01:01:48,780

I'm sorry I don't mean to burst their

1541

01:01:52,910 --> 01:01:49,940

bubbles

1542

01:01:55,450 --> 01:01:52,920

nobody is an expert nobody's in this

1543

01:01:58,609 --> 01:01:55,460

world says they are it's like sorry

1544

01:02:00,410 --> 01:01:58,619

exactly exactly I I there's you know I

1545

01:02:02,930 --> 01:02:00,420

hate I hate going on the show and

1546

01:02:05,029 --> 01:02:02,940

somebody said yeah he's the next no

1547

01:02:07,849 --> 01:02:05,039

there are no experts in this field I

1548

01:02:10,010 --> 01:02:07,859

mean any any as far as a paranormal

1549

01:02:12,589 --> 01:02:10,020

you're on all levels you know you're

1550

01:02:15,410 --> 01:02:12,599

you're not an expert that's just the way

1551

01:02:18,109 --> 01:02:15,420

it is right uh you know if you had if

1552

01:02:19,609 --> 01:02:18,119

you had the uh explanation for

1553

01:02:22,609 --> 01:02:19,619

everything that's going on yeah then

1554

01:02:24,289 --> 01:02:22,619

maybe you are an expert but you you know

1555

01:02:27,529 --> 01:02:24,299

I don't know of anybody that knows

1556

01:02:30,049 --> 01:02:27,539

everything so no I think or a

1557

01:02:32,390 --> 01:02:30,059

cryptocurologist I mean one thing that

1558

01:02:34,250 --> 01:02:32,400

we learn as researchers is we just don't

1559

01:02:36,890 --> 01:02:34,260

know you know that's the one thing we

1560

01:02:38,630 --> 01:02:36,900

can tell people is we just don't know

1561

01:02:42,170 --> 01:02:38,640

we know that we don't know that's about

1562

01:02:45,289 --> 01:02:42,180

it exactly that's it that is it yeah

1563

01:02:47,450 --> 01:02:45,299

yeah that is it yeah exactly and um and

1564

01:02:49,609 --> 01:02:47,460

and clear these theories change every

1565

01:02:51,950 --> 01:02:49,619

day too though I mean with with certain

1566

01:02:53,990 --> 01:02:51,960

things that come up you know for new

1567

01:02:55,670 --> 01:02:54,000

information that comes available you

1568

01:02:59,690 --> 01:02:55,680

know and and theories and speculation

1569

01:03:02,150 --> 01:02:59,700

and all that change over time so you

1570

01:03:05,270 --> 01:03:02,160

know all I'm putting into my into it is

1571

01:03:07,789 --> 01:03:05,280

is my personal experiences and my native

1572

01:03:10,910 --> 01:03:07,799

background in dealing with the subject

1573

01:03:13,010 --> 01:03:10,920

so you know I'm I'm by as far as no

1574

01:03:15,289 --> 01:03:13,020

means an expert in any way shape or form

1575

01:03:20,029 --> 01:03:15,299

I'm just an old Native American man

1576

01:03:20,809 --> 01:03:20,039

trying to you know survive so

1577

01:03:23,450 --> 01:03:20,819

um

1578

01:03:25,730 --> 01:03:23,460

you know Shane's Shane's more of an

1579

01:03:27,410 --> 01:03:25,740

expert than I am I mean you know no he's

1580

01:03:30,309 --> 01:03:27,420

he's the one that actually gets in there

1581

01:03:33,109 --> 01:03:30,319

and and does and does expert uh you know

1582

01:03:35,270 --> 01:03:33,119

uh basically the groundwork I mean and

1583

01:03:36,710 --> 01:03:35,280

and Ryan they're the ones that get in

1584

01:03:41,109 --> 01:03:36,720

there and do the research and all that

1585

01:03:47,210 --> 01:03:45,230

I'm the one I'm the one I'm the one

1586

01:03:50,990 --> 01:03:47,220

that's uh that was out there you know

1587

01:03:54,309 --> 01:03:51,000

you know in my youth and and my you know

1588

01:03:56,329 --> 01:03:54,319

young adult time that I spent

1589

01:03:58,549 --> 01:03:56,339

exorberant amount of time out in the

1590

01:03:59,930 --> 01:03:58,559

wilderness in the middle of no and

1591

01:04:02,870 --> 01:03:59,940

that's how I learned all you know

1592

01:04:03,710 --> 01:04:02,880

growing up being Native American so

1593

01:04:05,930 --> 01:04:03,720

um

1594

01:04:07,609 --> 01:04:05,940

you know yes I have my counters still

1595

01:04:08,329 --> 01:04:07,619

today

1596

01:04:10,670 --> 01:04:08,339

um

1597

01:04:13,549 --> 01:04:10,680

but uh you know the last encounter I had

1598

01:04:16,970 --> 01:04:13,559

was back in uh probably uh

1599

01:04:19,010 --> 01:04:16,980

probably about a a year ago I'd say

1600

01:04:21,950 --> 01:04:19,020

about a year ago

1601

01:04:25,190 --> 01:04:21,960

um but uh yeah I mean we're all learning

1602

01:04:27,289 --> 01:04:25,200

and and nobody's a professional or or a

1603

01:04:29,630 --> 01:04:27,299

uh an expert in any way shape or form

1604

01:04:32,210 --> 01:04:29,640

but we all need to definitely come

1605

01:04:35,089 --> 01:04:32,220

together and talk about this and get it

1606

01:04:39,349 --> 01:04:35,099

out there in the open and and work on

1607

01:04:41,150 --> 01:04:39,359

some kind of rationale and and theory on

1608

01:04:42,950 --> 01:04:41,160

what's going on

1609

01:04:46,069 --> 01:04:42,960

so

1610

01:04:48,470 --> 01:04:46,079

did whether it's UFOs whether it's you

1611

01:04:51,470 --> 01:04:48,480

know mysterious mysteries of people

1612

01:04:53,690 --> 01:04:51,480

missing and Vanishing I mean there's so

1613

01:04:55,609 --> 01:04:53,700

much going on out there that you know

1614

01:04:57,650 --> 01:04:55,619

people need to talk they need to get

1615

01:04:59,690 --> 01:04:57,660

together and just just clang their

1616

01:05:01,549 --> 01:04:59,700

brains together you know and

1617

01:05:02,630 --> 01:05:01,559

carry on conversations because that's

1618

01:05:05,150 --> 01:05:02,640

the only way you're going to find out

1619

01:05:06,529 --> 01:05:05,160

the facts so you know

1620

01:05:09,589 --> 01:05:06,539

I agree that's why I like doing these

1621

01:05:11,210 --> 01:05:09,599

round tables I mean it's um I've talked

1622

01:05:13,370 --> 01:05:11,220

to people who I for the most part I've

1623

01:05:15,230 --> 01:05:13,380

never talked to you before we get all

1624

01:05:18,650 --> 01:05:15,240

kinds of different perspectives on a lot

1625

01:05:20,750 --> 01:05:18,660

of different things and uh yeah I mean

1626

01:05:22,430 --> 01:05:20,760

I've been doing this 45 years I've

1627

01:05:25,789 --> 01:05:22,440

learned every day

1628

01:05:27,230 --> 01:05:25,799

you know yeah so yeah that's what you

1629

01:05:29,450 --> 01:05:27,240

should do too it should you learn as you

1630

01:05:31,250 --> 01:05:29,460

go yeah to learn something new every day

1631

01:05:33,890 --> 01:05:31,260

you know never close yourself off to

1632

01:05:35,089 --> 01:05:33,900

somebody else's opinion or ideas absorb

1633

01:05:36,710 --> 01:05:35,099

it all like a sponge you know like Shane

1634

01:05:39,049 --> 01:05:36,720

does you know he's so open to learning

1635

01:05:40,609 --> 01:05:39,059

folklore and Science and yeah you know

1636

01:05:42,109 --> 01:05:40,619

he's just so willing to work with

1637

01:05:43,010 --> 01:05:42,119

everybody that's how everybody's got to

1638

01:05:45,890 --> 01:05:43,020

be

1639

01:05:47,329 --> 01:05:45,900

you know I mean or for science we can't

1640

01:05:48,890 --> 01:05:47,339

deny science or folklore we're going to

1641

01:05:51,789 --> 01:05:48,900

blend them all together and really work

1642

01:05:56,930 --> 01:05:54,230

yeah Andrew asked something about public

1643

01:05:59,029 --> 01:05:56,940

ridicule and you know sure there's a lot

1644

01:06:02,329 --> 01:05:59,039

of public ridicule

1645

01:06:03,710 --> 01:06:02,339

um but I don't think people ridicule as

1646

01:06:07,789 --> 01:06:03,720

much as they used to

1647

01:06:09,410 --> 01:06:07,799

I agree um the Internet TV shows and all

1648

01:06:12,349 --> 01:06:09,420

kinds of things not that I necessarily

1649

01:06:14,270 --> 01:06:12,359

believe in the TV shows and some of what

1650

01:06:16,309 --> 01:06:14,280

they're putting out there because uh you

1651

01:06:21,109 --> 01:06:16,319

know it's a lot of production it's

1652

01:06:22,970 --> 01:06:21,119

become popular yeah exactly exactly

1653

01:06:25,789 --> 01:06:22,980

they really killed me I'll send

1654

01:06:27,910 --> 01:06:25,799

something to pay him a visit I said they

1655

01:06:29,809 --> 01:06:27,920

ridiculed me yeah

1656

01:06:34,870 --> 01:06:29,819

I've been there

1657

01:06:40,370 --> 01:06:37,309

oh my god

1658

01:06:42,650 --> 01:06:40,380

um yeah you know uh Vincent asked

1659

01:06:44,690 --> 01:06:42,660

something about what your thoughts are

1660

01:06:48,589 --> 01:06:44,700

is there is there an indigenous

1661

01:06:51,349 --> 01:06:48,599

connection to um dear women and the uh

1662

01:06:52,609 --> 01:06:51,359

the not deer phenomena

1663

01:06:53,990 --> 01:06:52,619

um

1664

01:06:55,730 --> 01:06:54,000

you know

1665

01:06:58,130 --> 01:06:55,740

this is something that I've been getting

1666

01:07:00,950 --> 01:06:58,140

more of the last couple years

1667

01:07:03,950 --> 01:07:00,960

especially the not deer where people see

1668

01:07:05,930 --> 01:07:03,960

something that looks like a deer but

1669

01:07:09,170 --> 01:07:05,940

it's got a lot of humanoid qualities to

1670

01:07:11,990 --> 01:07:09,180

it it's got the front setting eyes

1671

01:07:14,150 --> 01:07:12,000

a lot of times the limbs are somewhat

1672

01:07:18,049 --> 01:07:14,160

different look some has some muscular

1673

01:07:20,510 --> 01:07:18,059

you know human and human muscular uh

1674

01:07:22,609 --> 01:07:20,520

aspects to it what are your thoughts on

1675

01:07:25,789 --> 01:07:22,619

that are these just shape shifters or

1676

01:07:29,569 --> 01:07:25,799

are these natural beings or or what what

1677

01:07:34,630 --> 01:07:32,029

well if you want my take on it I mean

1678

01:07:37,190 --> 01:07:34,640

take it right

1679

01:07:39,470 --> 01:07:37,200

not here is something I have a hard time

1680

01:07:42,170 --> 01:07:39,480

wrapping my mind around and I I do have

1681

01:07:43,910 --> 01:07:42,180

to wonder if maybe people are seeing

1682

01:07:46,430 --> 01:07:43,920

deer that have the wasting deer disease

1683

01:07:49,010 --> 01:07:46,440

or the zombie deer disease well that's

1684

01:07:51,230 --> 01:07:49,020

always my question yeah yeah I mean is

1685

01:07:54,049 --> 01:07:51,240

it possible that this disease is just

1686

01:07:56,930 --> 01:07:54,059

mutating these guys so much absolutely

1687

01:07:58,370 --> 01:07:56,940

now as far as a dear woman goes I mean I

1688

01:08:00,170 --> 01:07:58,380

don't think people really realize how

1689

01:08:02,569 --> 01:08:00,180

bad the dear woman can be

1690

01:08:04,309 --> 01:08:02,579

you know it's a very very very strong

1691

01:08:05,690 --> 01:08:04,319

spiritual belief that she's always seen

1692

01:08:07,910 --> 01:08:05,700

for a purpose

1693

01:08:10,309 --> 01:08:07,920

and if there are people seeing this dear

1694

01:08:12,410 --> 01:08:10,319

woman there has to be some kind of logic

1695

01:08:14,270 --> 01:08:12,420

and reason behind it she doesn't just

1696

01:08:15,829 --> 01:08:14,280

appear to appear to people and tease

1697

01:08:18,709 --> 01:08:15,839

them with hey here I am and then go away

1698

01:08:20,510 --> 01:08:18,719

as William will tell you G2 has a

1699

01:08:22,849 --> 01:08:20,520

purpose in the Indigenous people's War

1700

01:08:24,829 --> 01:08:22,859

everything has a rhyming reason okay

1701

01:08:26,450 --> 01:08:24,839

it's not like our urban legends and I

1702

01:08:28,789 --> 01:08:26,460

think people need to really start

1703

01:08:31,550 --> 01:08:28,799

differentiating the two that indigenous

1704

01:08:33,349 --> 01:08:31,560

people folklore is not the same as you

1705

01:08:35,990 --> 01:08:33,359

know urban legends at all

1706

01:08:37,849 --> 01:08:36,000

everything in the lore has a rhyme a

1707

01:08:40,130 --> 01:08:37,859

reason

1708

01:08:42,349 --> 01:08:40,140

you know so they don't just show up just

1709

01:08:43,849 --> 01:08:42,359

to scare you go away and I'll present

1710

01:08:45,649 --> 01:08:43,859

this to William so he can tell you more

1711

01:08:48,110 --> 01:08:45,659

about the dear woman I think he needs to

1712

01:08:52,189 --> 01:08:48,120

be able to tell you

1713

01:08:56,450 --> 01:08:54,169

all right the dear woman

1714

01:08:58,849 --> 01:08:56,460

um in in most native cultures uh the

1715

01:09:00,470 --> 01:08:58,859

deer represents basically the medicine

1716

01:09:03,289 --> 01:09:00,480

of Love

1717

01:09:04,430 --> 01:09:03,299

um and basically A Gentle Spirit

1718

01:09:06,769 --> 01:09:04,440

um you're not going to find too many

1719

01:09:10,249 --> 01:09:06,779

cultures out there that make it the uh

1720

01:09:12,709 --> 01:09:10,259

the Cryptid creature that rips off human

1721

01:09:14,870 --> 01:09:12,719

beings and and sucks their blood you

1722

01:09:18,829 --> 01:09:14,880

know what I mean so

1723

01:09:22,010 --> 01:09:18,839

um it's it's more of a

1724

01:09:24,590 --> 01:09:22,020

as with any type of visual sighting

1725

01:09:28,550 --> 01:09:24,600

you're going to find that a lot of these

1726

01:09:30,590 --> 01:09:28,560

so-called Cryptids are are warning signs

1727

01:09:32,269 --> 01:09:30,600

of something

1728

01:09:34,729 --> 01:09:32,279

more to come

1729

01:09:37,130 --> 01:09:34,739

um it even some of them come from like

1730

01:09:40,309 --> 01:09:37,140

Irish culture too

1731

01:09:43,910 --> 01:09:40,319

um the Highland cultures of Scotland and

1732

01:09:47,149 --> 01:09:43,920

Ireland uh have Cryptids of of deer and

1733

01:09:48,590 --> 01:09:47,159

all that too and uh like the banshee and

1734

01:09:50,930 --> 01:09:48,600

all that

1735

01:09:53,870 --> 01:09:50,940

um where it's strictly just for warnings

1736

01:09:57,490 --> 01:09:53,880

you know to uh to tell of a certain

1737

01:10:00,709 --> 01:09:57,500

someone's possible demise of of

1738

01:10:02,149 --> 01:10:00,719

premature death or or to warn you of

1739

01:10:04,189 --> 01:10:02,159

something

1740

01:10:06,649 --> 01:10:04,199

um it's even with my people you know the

1741

01:10:08,570 --> 01:10:06,659

Lakota side of my bloodline you know we

1742

01:10:11,330 --> 01:10:08,580

feel that when we hear an hour when we

1743

01:10:14,870 --> 01:10:11,340

see now you know that's that's a sign

1744

01:10:17,689 --> 01:10:14,880

that somebody's gonna die that we know

1745

01:10:19,850 --> 01:10:17,699

and more than likely you know every time

1746

01:10:21,950 --> 01:10:19,860

I've now that actually has come to be

1747

01:10:23,689 --> 01:10:21,960

true so

1748

01:10:25,430 --> 01:10:23,699

um just like when people see Hawks and

1749

01:10:28,010 --> 01:10:25,440

Eagles you know that's a messenger

1750

01:10:30,169 --> 01:10:28,020

that's a sign saying that somebody from

1751

01:10:31,850 --> 01:10:30,179

in your ancestry is trying to

1752

01:10:34,610 --> 01:10:31,860

communicate with you

1753

01:10:36,410 --> 01:10:34,620

um through that Spirit of that animal

1754

01:10:37,669 --> 01:10:36,420

because the hawk and The Eagle are

1755

01:10:42,050 --> 01:10:37,679

messengers

1756

01:10:45,169 --> 01:10:42,060

the crow able to that and the owl or the

1757

01:10:47,990 --> 01:10:45,179

two birds of that are allowed to go

1758

01:10:50,090 --> 01:10:48,000

between Both Worlds you know so you see

1759

01:10:51,709 --> 01:10:50,100

those you know and and the turkey

1760

01:10:54,229 --> 01:10:51,719

vulture

1761

01:10:56,330 --> 01:10:54,239

um you pretty much know that that's more

1762

01:10:58,189 --> 01:10:56,340

going to be a less a heavy sign of

1763

01:11:00,470 --> 01:10:58,199

something

1764

01:11:03,169 --> 01:11:00,480

um you're a woman

1765

01:11:05,030 --> 01:11:03,179

it's the same thing you know it's just a

1766

01:11:08,450 --> 01:11:05,040

warning is all it is

1767

01:11:11,630 --> 01:11:08,460

um you know I mean

1768

01:11:12,530 --> 01:11:11,640

I think a lot has to do too with

1769

01:11:16,250 --> 01:11:12,540

um

1770

01:11:19,250 --> 01:11:16,260

not peridolia but uh I think it has to

1771

01:11:22,130 --> 01:11:19,260

do with just heightened senses

1772

01:11:24,590 --> 01:11:22,140

um and and here again we go back to that

1773

01:11:27,110 --> 01:11:24,600

because it always tries to grasp the

1774

01:11:29,030 --> 01:11:27,120

closest thing it can rationalize what

1775

01:11:32,330 --> 01:11:29,040

you're seeing with your eyes

1776

01:11:33,770 --> 01:11:32,340

and you know like like when people see

1777

01:11:36,169 --> 01:11:33,780

Bigfoot the only thing they have to

1778

01:11:39,110 --> 01:11:36,179

compare it to is a Silverback Gorilla

1779

01:11:41,030 --> 01:11:39,120

you know or you know with the dog man

1780

01:11:43,850 --> 01:11:41,040

you know that the only thing that they

1781

01:11:46,790 --> 01:11:43,860

they have to compare is is the werewolf

1782

01:11:49,430 --> 01:11:46,800

so Hollywood you know I mean it's you

1783

01:11:52,790 --> 01:11:49,440

know it's that kind of a of a of a thing

1784

01:11:55,970 --> 01:11:52,800

that that goes on too so

1785

01:11:58,729 --> 01:11:55,980

um I have to think that a lot of the uh

1786

01:12:01,130 --> 01:11:58,739

the so-called descriptions of of windigo

1787

01:12:06,050 --> 01:12:01,140

with the deer antlers and all that might

1788

01:12:09,050 --> 01:12:06,060

be misconstrued as you know a deer being

1789

01:12:11,209 --> 01:12:09,060

coming to show a different thing you

1790

01:12:14,689 --> 01:12:11,219

know to somebody you know and they

1791

01:12:17,090 --> 01:12:14,699

misinterpreted it as an evil entity that

1792

01:12:20,750 --> 01:12:17,100

was gonna you know rip their soul out so

1793

01:12:22,910 --> 01:12:20,760

it's just it depends you know I mean

1794

01:12:25,970 --> 01:12:22,920

have different entities that are going

1795

01:12:28,070 --> 01:12:25,980

to come through different ways to people

1796

01:12:31,490 --> 01:12:28,080

so and dear woman's no different than

1797

01:12:34,250 --> 01:12:31,500

any other so right

1798

01:12:35,990 --> 01:12:34,260

well you know like any witness that you

1799

01:12:37,729 --> 01:12:36,000

get or anybody comes forward on

1800

01:12:39,410 --> 01:12:37,739

something it always has to do with

1801  
01:12:40,430 --> 01:12:39,420  
perception

1802  
01:12:42,709 --> 01:12:40,440  
um

1803  
01:12:45,169 --> 01:12:42,719  
what they think they've seen or what

1804  
01:12:48,410 --> 01:12:45,179  
they described maybe entirely different

1805  
01:12:49,070 --> 01:12:48,420  
than what somebody else sees

1806  
01:12:53,030 --> 01:12:49,080  
um

1807  
01:12:54,050 --> 01:12:53,040  
over time

1808  
01:12:55,270 --> 01:12:54,060  
um but

1809  
01:12:57,590 --> 01:12:55,280  
you know

1810  
01:12:59,390 --> 01:12:57,600  
I don't know what that really has to do

1811  
01:13:01,070 --> 01:12:59,400  
with it but it just I just thought about

1812  
01:13:04,010 --> 01:13:01,080  
that anyway

1813  
01:13:05,149 --> 01:13:04,020

um you know I had a uh you were you were

1814

01:13:07,430 --> 01:13:05,159

talking about

1815

01:13:11,390 --> 01:13:07,440

um certain animals and and birds and

1816

01:13:13,370 --> 01:13:11,400

such I had encounters with owls

1817

01:13:15,470 --> 01:13:13,380

for about a year

1818

01:13:16,550 --> 01:13:15,480

uh and many people on the channel have

1819

01:13:18,110 --> 01:13:16,560

heard this but I'm going to tell it

1820

01:13:21,530 --> 01:13:18,120

again I um

1821

01:13:24,350 --> 01:13:21,540

my wife was had cancer and you know she

1822

01:13:27,709 --> 01:13:24,360

was sick for a year and I kept seeing

1823

01:13:31,090 --> 01:13:27,719

all these owls I kept seeing depictions

1824

01:13:34,130 --> 01:13:31,100

of owls people talking about owls

1825

01:13:36,649 --> 01:13:34,140

and uh

1826

01:13:41,750 --> 01:13:36,659

I was having

1827

01:13:42,649 --> 01:13:41,760

encounters with tall Grays as well you

1828

01:13:46,910 --> 01:13:42,659

know

1829

01:13:48,470 --> 01:13:46,920

but as it was explained to me by several

1830

01:13:52,010 --> 01:13:48,480

people on two levels that maybe the

1831

01:13:53,990 --> 01:13:52,020

hours were the representation of um of

1832

01:13:56,450 --> 01:13:54,000

these et's are

1833

01:13:59,930 --> 01:13:56,460

maybe it was something more spiritual

1834

01:14:02,390 --> 01:13:59,940

than that maybe it was uh maybe I was

1835

01:14:04,610 --> 01:14:02,400

seeing it because it was trying to tell

1836

01:14:07,790 --> 01:14:04,620

me that my wife was gonna pass because

1837

01:14:09,950 --> 01:14:07,800

she did eventually uh and as soon as she

1838

01:14:11,510 --> 01:14:09,960

passed I stopped seeing them

1839

01:14:13,430 --> 01:14:11,520

wow

1840

01:14:17,450 --> 01:14:13,440

I mean what are your thoughts on that I

1841

01:14:22,490 --> 01:14:20,030

well I mean I I can understand and and

1842

01:14:25,310 --> 01:14:22,500

uh I I know what you uh went through

1843

01:14:27,050 --> 01:14:25,320

with your wife because uh I'm I uh have

1844

01:14:28,490 --> 01:14:27,060

gone through two battles with cancer so

1845

01:14:30,530 --> 01:14:28,500

far

1846

01:14:34,010 --> 01:14:30,540

um that's why I'm not out in the field

1847

01:14:36,350 --> 01:14:34,020

currently for

1848

01:14:42,110 --> 01:14:38,330

but uh

1849

01:14:44,570 --> 01:14:42,120

you know I mean even like you said

1850

01:14:47,330 --> 01:14:44,580

though you know as soon as as soon as

1851

01:14:49,970 --> 01:14:47,340

she passed you know you quit seeing them

1852

01:14:52,490 --> 01:14:49,980

and I do believe that that is

1853

01:14:55,370 --> 01:14:52,500

what you were seeing was

1854

01:14:57,649 --> 01:14:55,380

the thing that somebody you know and you

1855

01:15:00,110 --> 01:14:57,659

cared about was going to pass

1856

01:15:02,270 --> 01:15:00,120

but also at the same time

1857

01:15:04,490 --> 01:15:02,280

everything was going to be okay

1858

01:15:07,010 --> 01:15:04,500

because that person is not subject to

1859

01:15:09,110 --> 01:15:07,020

the pain of being in a body that's

1860

01:15:10,610 --> 01:15:09,120

that's riddled with a disease

1861

01:15:11,209 --> 01:15:10,620

so

1862

01:15:14,270 --> 01:15:11,219

um

1863

01:15:16,010 --> 01:15:14,280

you know I've I've had my esophagus

1864

01:15:17,209 --> 01:15:16,020

removed and my stomach made my new

1865

01:15:20,270 --> 01:15:17,219

esophagus

1866

01:15:24,290 --> 01:15:20,280

so trust me I know what pain is

1867

01:15:27,110 --> 01:15:24,300

um I've gone through 30 30 plus days of

1868

01:15:29,689 --> 01:15:27,120

radiation treatments in a row to try and

1869

01:15:32,450 --> 01:15:29,699

shrink the mass of myself I guess enough

1870

01:15:35,330 --> 01:15:32,460

to even where they could operate I was

1871

01:15:37,729 --> 01:15:35,340

given six months to live

1872

01:15:40,729 --> 01:15:37,739

um that was too

1873

01:15:41,510 --> 01:15:40,739

two plus years ago actually

1874

01:15:43,430 --> 01:15:41,520

um

1875

01:15:45,830 --> 01:15:43,440

and since then I've had several other

1876

01:15:47,090 --> 01:15:45,840

you know encounters with cancer two of

1877

01:15:49,790 --> 01:15:47,100

it

1878

01:15:52,910 --> 01:15:49,800

um but uh you know

1879

01:15:53,870 --> 01:15:52,920

I haven't heard the owl yet for me

1880

01:15:56,270 --> 01:15:53,880

um

1881

01:15:58,250 --> 01:15:56,280

one thing I tell everybody that uh that

1882

01:16:00,770 --> 01:15:58,260

I talk to um

1883

01:16:03,590 --> 01:16:00,780

unless you've dealt with cancer you

1884

01:16:06,590 --> 01:16:03,600

really don't know cancer unless somebody

1885

01:16:08,930 --> 01:16:06,600

you love has been affected with cancer

1886

01:16:13,310 --> 01:16:08,940

you don't know about cancer

1887

01:16:17,810 --> 01:16:13,320

right it's it's such a it's such a a

1888

01:16:20,030 --> 01:16:17,820

debilitating disease and disease that uh

1889

01:16:22,189 --> 01:16:20,040

you know um

1890

01:16:23,689 --> 01:16:22,199

y'all almost have to wonder why the

1891

01:16:27,169 --> 01:16:23,699

Creator actually

1892

01:16:28,130 --> 01:16:27,179

let it let it evolve the way it did

1893

01:16:31,910 --> 01:16:28,140

um

1894

01:16:34,729 --> 01:16:31,920

but uh yeah there's there's

1895

01:16:37,010 --> 01:16:34,739

a lot to the owl thing um if people

1896

01:16:39,709 --> 01:16:37,020

would actually pay more attention to the

1897

01:16:41,510 --> 01:16:39,719

signs around them

1898

01:16:43,130 --> 01:16:41,520

um they say when you find a feather you

1899

01:16:44,990 --> 01:16:43,140

know that it's an a it's an angel to

1900

01:16:46,970 --> 01:16:45,000

drop the feather from their wing you

1901

01:16:49,850 --> 01:16:46,980

know it's a way that an ancestor of

1902

01:16:51,229 --> 01:16:49,860

yours is trying to communicate with you

1903

01:16:53,510 --> 01:16:51,239

um you know

1904

01:16:56,510 --> 01:16:53,520

people say when they see a certain type

1905

01:16:58,610 --> 01:16:56,520

of a butterfly or a ladybug or something

1906

01:17:00,530 --> 01:16:58,620

or a hummingbird

1907

01:17:02,930 --> 01:17:00,540

that's an you know that's one of their

1908

01:17:05,030 --> 01:17:02,940

those that asks that

1909

01:17:10,330 --> 01:17:05,040

them

1910

01:17:15,649 --> 01:17:13,729

okay and I think as soon as they start

1911

01:17:17,090 --> 01:17:15,659

looking and noticing them signs again

1912

01:17:18,470 --> 01:17:17,100

they're going to start feeling more

1913

01:17:22,070 --> 01:17:18,480

human again

1914

01:17:23,390 --> 01:17:22,080

more connected to everything and uh I

1915

01:17:25,790 --> 01:17:23,400

don't know

1916

01:17:27,890 --> 01:17:25,800

I almost feel like that's one of the

1917

01:17:29,810 --> 01:17:27,900

reasons I'm still here

1918

01:17:32,990 --> 01:17:29,820

um it's not only just the Cryptid thing

1919

01:17:34,430 --> 01:17:33,000

and and the paranormal thing

1920

01:17:36,229 --> 01:17:34,440

um but with everything that I've dealt

1921

01:17:38,990 --> 01:17:36,239

with with my health

1922

01:17:40,610 --> 01:17:39,000

um I'm here to teach to teach the

1923

01:17:43,250 --> 01:17:40,620

younger ones you know

1924

01:17:44,510 --> 01:17:43,260

what to do you know and how to do how to

1925

01:17:47,750 --> 01:17:44,520

handle things

1926

01:17:49,729 --> 01:17:47,760

um yeah that's why I actually yeah

1927

01:17:50,530 --> 01:17:49,739

that's why I actually have that that

1928

01:17:54,649 --> 01:17:50,540

that

1929

01:17:57,169 --> 01:17:54,659

Symposium on on Monday then Monday

1930

01:17:57,890 --> 01:17:57,179

um on Facebook for everybody

1931

01:18:00,290 --> 01:17:57,900

um

1932

01:18:02,030 --> 01:18:00,300

the native dealing with Bigfoot you know

1933

01:18:04,310 --> 01:18:02,040

and uh

1934

01:18:05,870 --> 01:18:04,320

you know there's just it's just you know

1935

01:18:08,630 --> 01:18:05,880

there's a lot to it you know there's a

1936

01:18:11,149 --> 01:18:08,640

lot there's a lot to this world lawn you

1937

01:18:14,209 --> 01:18:11,159

know that that we as

1938

01:18:16,189 --> 01:18:14,219

as human beings don't even have the

1939

01:18:19,490 --> 01:18:16,199

capability of pretending

1940

01:18:21,189 --> 01:18:19,500

okay we don't have the ability to to to

1941

01:18:25,790 --> 01:18:21,199

to

1942

01:18:27,910 --> 01:18:25,800

use what little knowledge we have

1943

01:18:30,169 --> 01:18:27,920

in our

1944

01:18:33,169 --> 01:18:30,179

pea-sized brains

1945

01:18:35,990 --> 01:18:33,179

to depict certain reasons for things

1946

01:18:38,090 --> 01:18:36,000

happening I mean you you think about the

1947

01:18:40,490 --> 01:18:38,100

Spectrum the spectrum of light and the

1948

01:18:43,729 --> 01:18:40,500

spectrum of hearing that we of human

1949

01:18:47,630 --> 01:18:43,739

beings are are able to see in her is

1950

01:18:48,950 --> 01:18:47,640

very very very small percentage of the

1951

01:18:51,470 --> 01:18:48,960

whole Spectrum

1952

01:18:54,229 --> 01:18:51,480

so you know it's like I told Ryan and

1953

01:18:56,270 --> 01:18:54,239

Shane you know before you know we talked

1954

01:18:57,770 --> 01:18:56,280

think about all the things we don't see

1955

01:18:58,930 --> 01:18:57,780

in here every day that goes on right

1956

01:19:00,950 --> 01:18:58,940

next to us

1957

01:19:02,990 --> 01:19:00,960

you know

1958

01:19:06,649 --> 01:19:03,000

yep so

1959

01:19:07,850 --> 01:19:06,659

I mean you guys I mean I leave it up to

1960

01:19:10,010 --> 01:19:07,860

you all to

1961

01:19:12,470 --> 01:19:10,020

to make up your own minds you know on

1962

01:19:17,209 --> 01:19:12,480

what happens in this world that we live

1963

01:19:19,630 --> 01:19:17,219

in is strength it is unusual usual

1964

01:19:22,070 --> 01:19:19,640

but at the same time it's been

1965

01:19:23,209 --> 01:19:22,080

let me ask you this and this is where

1966

01:19:24,430 --> 01:19:23,219

I'll leave it up to everybody that's

1967

01:19:27,169 --> 01:19:24,440

listening

1968

01:19:29,510 --> 01:19:27,179

this is for all of you you anybody can

1969

01:19:31,729 --> 01:19:29,520

answer do you think the Paranormal and

1970

01:19:34,250 --> 01:19:31,739

thus those of us who get involved with

1971

01:19:37,070 --> 01:19:34,260

the Paranormal and and delve into it and

1972

01:19:40,070 --> 01:19:37,080

actually do work in the Paranormal

1973

01:19:42,950 --> 01:19:40,080

does that um

1974

01:19:45,530 --> 01:19:42,960

is that a detriment to our health

1975

01:19:47,030 --> 01:19:45,540

it can be I think it definitely can be I

1976

01:19:49,070 --> 01:19:47,040

mean you hear about people that go to

1977

01:19:50,750 --> 01:19:49,080

all these uh different sites and they

1978

01:19:53,149 --> 01:19:50,760

encounter negative energy and I think

1979

01:19:54,890 --> 01:19:53,159

our bodies can absorb that negative

1980

01:19:57,169 --> 01:19:54,900

energy I think our cells can take in

1981

01:19:59,090 --> 01:19:57,179

that negative energy and I think when

1982

01:20:02,750 --> 01:19:59,100

that happens that's what really makes us

1983

01:20:07,970 --> 01:20:04,610

yeah I think it takes a toll I mean I

1984

01:20:10,669 --> 01:20:07,980

think it has on me for for example

1985

01:20:13,970 --> 01:20:10,679

I've been involved with some pretty bad

1986

01:20:15,709 --> 01:20:13,980

you know bad cases and uh I think it

1987

01:20:19,490 --> 01:20:15,719

took a toll on me I mean I have had

1988

01:20:21,890 --> 01:20:19,500

psychic attacks where I literally

1989

01:20:23,930 --> 01:20:21,900

had some injuries because of it some

1990

01:20:27,229 --> 01:20:23,940

physical injuries but

1991

01:20:29,810 --> 01:20:27,239

overall I mean I I think I think myself

1992

01:20:31,129 --> 01:20:29,820

that people can be affected by it

1993

01:20:35,990 --> 01:20:31,139

yeah

1994

01:20:37,790 --> 01:20:36,000

you know I'm not too much into the

1995

01:20:39,770 --> 01:20:37,800

Paranormal I don't I'm still learning a

1996

01:20:41,689 --> 01:20:39,780

lot about that but with when it comes to

1997

01:20:43,550 --> 01:20:41,699

Cryptids people have even gotten sick

1998

01:20:45,290 --> 01:20:43,560

for through infrasound they said that

1999

01:20:47,689 --> 01:20:45,300

they started feeling like they were

2000

01:20:50,530 --> 01:20:47,699

going to vomit and I heard one lady had

2001

01:20:52,550 --> 01:20:50,540

a heart attack and you know

2002

01:20:54,590 --> 01:20:52,560

that's the point of infrasound though

2003

01:20:56,810 --> 01:20:54,600

Shane infrastown is actually a very it's

2004

01:20:59,030 --> 01:20:56,820

a very natural thing we have animals

2005

01:21:01,850 --> 01:20:59,040

that we know of that use it like tigers

2006

01:21:04,129 --> 01:21:01,860

orcas and they use it to stun their prey

2007

01:21:06,410 --> 01:21:04,139

so if Cryptids do definitely use that

2008

01:21:07,910 --> 01:21:06,420

then it's possible infrasound is the

2009

01:21:11,270 --> 01:21:07,920

same thing for them it's a means of

2010

01:21:12,590 --> 01:21:11,280

hunting so yeah like I said I'm sorry I

2011

01:21:13,790 --> 01:21:12,600

haven't really been jumping in too much

2012

01:21:15,770 --> 01:21:13,800

on it I'm still learning I'm not talking

2013

01:21:17,770 --> 01:21:15,780

about the Paranormal so I'm listening to

2014

01:21:19,850 --> 01:21:17,780

you I'm picking your guys's brains so

2015

01:21:22,010 --> 01:21:19,860

I'm just kind of like I say I'm a sponge

2016

01:21:24,890 --> 01:21:22,020

I'm just learning it as much as everyone

2017

01:21:27,830 --> 01:21:24,900

in the chat is and just like we're all

2018

01:21:29,689 --> 01:21:27,840

learning based off Theory so

2019

01:21:32,030 --> 01:21:29,699

well you know I think you're for sounds

2020

01:21:35,629 --> 01:21:32,040

and possibly some degrees of Mind speak

2021

01:21:38,510 --> 01:21:35,639

or I mean that Cryptids do use uh I've

2022

01:21:41,330 --> 01:21:38,520

heard people that have had encounters uh

2023

01:21:44,330 --> 01:21:41,340

with upright canine Bigfoot even even

2024

01:21:46,370 --> 01:21:44,340

Mothman or winged humanoids that have

2025

01:21:49,729 --> 01:21:46,380

been affected physically because of this

2026

01:21:51,350 --> 01:21:49,739

with the encounter I mean uh in in

2027

01:21:52,490 --> 01:21:51,360

Chicago we've had people who have

2028

01:21:56,510 --> 01:21:52,500

literally fallen through the ground

2029

01:22:00,530 --> 01:21:56,520

because of this encounter not from fear

2030

01:22:03,290 --> 01:22:00,540

from just physically being weakened

2031

01:22:05,930 --> 01:22:03,300

um so there's something to that

2032

01:22:07,550 --> 01:22:05,940

so uh yeah maybe maybe there is

2033

01:22:09,950 --> 01:22:07,560

something to it

2034

01:22:12,770 --> 01:22:09,960

could be well I mean you know you you

2035

01:22:16,610 --> 01:22:12,780

think about the uh the Paranormal

2036

01:22:19,310 --> 01:22:16,620

response the emfs and stuff uh the EMF

2037

01:22:21,290 --> 01:22:19,320

is is you know electromagnetic is going

2038

01:22:23,870 --> 01:22:21,300

to make you anybody that's susceptible

2039

01:22:26,450 --> 01:22:23,880

to it feel nauseated

2040

01:22:30,169 --> 01:22:26,460

um dizzy um

2041

01:22:31,729 --> 01:22:30,179

basically just just all around rough

2042

01:22:35,570 --> 01:22:31,739

um and you get this description with

2043

01:22:38,330 --> 01:22:35,580

infrasound too so um but like like uh

2044

01:22:41,030 --> 01:22:38,340

Ryan was saying no the tagger you know

2045

01:22:43,430 --> 01:22:41,040

that's how they basically done their

2046

01:22:44,750 --> 01:22:43,440

their you know prey they they use

2047

01:22:47,330 --> 01:22:44,760

infrasound

2048

01:22:49,790 --> 01:22:47,340

that's basically strike so much fear in

2049

01:22:52,310 --> 01:22:49,800

them that they can't they can't run they

2050

01:22:54,550 --> 01:22:52,320

can't hide so that's that's the purpose

2051

01:22:58,070 --> 01:22:54,560

of infrasound um it's a it's a

2052

01:22:59,030 --> 01:22:58,080

predatorial uh way of of dealing with

2053

01:23:01,189 --> 01:22:59,040

prey

2054

01:23:03,050 --> 01:23:01,199

so

2055

01:23:04,970 --> 01:23:03,060

um our own military our own military

2056

01:23:08,149 --> 01:23:04,980

uses it to tell you the truth if you

2057

01:23:11,209 --> 01:23:08,159

recall back uh in the well for those of

2058

01:23:14,330 --> 01:23:11,219

us that that are old enough to know uh

2059

01:23:19,370 --> 01:23:14,340

back in the 80s they used uh sound

2060

01:23:22,970 --> 01:23:19,380

devices to uh in Waco Texas they used uh

2061

01:23:26,750 --> 01:23:22,980

sound devices down in um

2062

01:23:28,970 --> 01:23:26,760

I want to say Honduras with one of the

2063

01:23:30,229 --> 01:23:28,980

dictators down that way that was there

2064

01:23:32,770 --> 01:23:30,239

at the time

2065

01:23:36,709 --> 01:23:32,780

um you know with a blasted certain

2066

01:23:41,330 --> 01:23:36,719

decibel levels you know I mean sound has

2067

01:23:43,070 --> 01:23:41,340

been used as as a device to to [h\_\_h]

2068

01:23:45,709 --> 01:23:43,080

main

2069

01:23:48,169 --> 01:23:45,719

hurt in in one shape or form in another

2070

01:23:50,149 --> 01:23:48,179

with the military for for a long time

2071

01:23:51,950 --> 01:23:50,159

now so

2072

01:23:55,430 --> 01:23:51,960

but yeah and they've learned that from

2073

01:23:57,350 --> 01:23:55,440

the animals so yep

2074

01:24:02,629 --> 01:23:57,360

yeah

2075

01:24:03,770 --> 01:24:02,639

uh the witnesses who have had who have

2076

01:24:05,930 --> 01:24:03,780

been armed

2077

01:24:07,550 --> 01:24:05,940

uh well just particularly here in

2078

01:24:09,530 --> 01:24:07,560

Pennsylvania in a state game land or

2079

01:24:11,810 --> 01:24:09,540

something and walked up onto an upright

2080

01:24:13,490 --> 01:24:11,820

cane I just walked up to it these things

2081

01:24:17,689 --> 01:24:13,500

stand the ground but they're not

2082

01:24:20,870 --> 01:24:17,699

attacking people but this guy has a gun

2083

01:24:22,970 --> 01:24:20,880

he has he has no

2084

01:24:25,669 --> 01:24:22,980

interest in even raising that gun I'm

2085

01:24:28,010 --> 01:24:25,679

taking a shot at this thing because he

2086

01:24:30,229 --> 01:24:28,020

he tells them I mean they have told me

2087

01:24:31,970 --> 01:24:30,239

and I've had this numerous times

2088

01:24:35,629 --> 01:24:31,980

where it's like this thing's talking to

2089

01:24:38,709 --> 01:24:35,639

me and it's telling me to just back away

2090

01:24:42,890 --> 01:24:38,719

and everything will be okay

2091

01:24:44,570 --> 01:24:42,900

and uh yeah I mean it you just see I you

2092

01:24:46,430 --> 01:24:44,580

know I don't know of anybody other than

2093

01:24:47,629 --> 01:24:46,440

one person took a shot at one of these

2094

01:24:49,790 --> 01:24:47,639

things

2095

01:24:52,490 --> 01:24:49,800

and uh

2096

01:24:53,629 --> 01:24:52,500

and in that case when they did this

2097

01:24:56,209 --> 01:24:53,639

thing

2098

01:24:59,689 --> 01:24:56,219

just seemed to walk away from it

2099

01:25:02,030 --> 01:24:59,699

so um that's why I'm 50 50 on the whole

2100

01:25:04,430 --> 01:25:02,040

mind speak I've talked to Ryan I've

2101  
01:25:06,050 --> 01:25:04,440  
talked to D.A Roberts on it uh because

2102  
01:25:09,050 --> 01:25:06,060  
I've heard an encounter where a guy down

2103  
01:25:11,450 --> 01:25:09,060  
in Louisiana saw something pop out of

2104  
01:25:13,430 --> 01:25:11,460  
the tree line took his scope up to it

2105  
01:25:15,229 --> 01:25:13,440  
like he was out humming and the thing

2106  
01:25:17,629 --> 01:25:15,239  
pulled him in his head Put the gun down

2107  
01:25:19,850 --> 01:25:17,639  
or I will kill you well I was thinking

2108  
01:25:22,310 --> 01:25:19,860  
of that I mean I do keep an open mind to

2109  
01:25:24,470 --> 01:25:22,320  
it I do think like what D.A said to me

2110  
01:25:27,110 --> 01:25:24,480  
last week and Ryan that it's more the

2111  
01:25:29,030 --> 01:25:27,120  
Primitive back of your head telling you

2112  
01:25:31,070 --> 01:25:29,040  
you know put it down get out of there

2113  
01:25:33,470 --> 01:25:31,080

you know that could be another you know

2114

01:25:36,290 --> 01:25:33,480

it's just a theory but I mean do these

2115

01:25:38,629 --> 01:25:36,300

things definitely mind speaking to you I

2116

01:25:40,610 --> 01:25:38,639

do think that but I think it's more

2117

01:25:42,649 --> 01:25:40,620

you're in the moment like Ryan said

2118

01:25:45,470 --> 01:25:42,659

these things use infrasound you're just

2119

01:25:47,810 --> 01:25:45,480

Frozen in the moment and you know it's

2120

01:25:50,090 --> 01:25:47,820

we want to get out of there but I mean I

2121

01:25:52,189 --> 01:25:50,100

don't know that's the thing I I ask so

2122

01:25:53,390 --> 01:25:52,199

many people different things and I kind

2123

01:25:55,850 --> 01:25:53,400

of tally mark you know the different

2124

01:25:57,649 --> 01:25:55,860

ones and what weigh out more that sound

2125

01:25:59,629 --> 01:25:57,659

more credible like do you think these

2126  
01:26:01,610 --> 01:25:59,639  
things really interact with you I mean

2127  
01:26:03,890 --> 01:26:01,620  
there's people that say they feed and

2128  
01:26:07,250 --> 01:26:03,900  
they live and dance with the Bigfoot you

2129  
01:26:10,010 --> 01:26:07,260  
know I do I believe those ones as much

2130  
01:26:11,629 --> 01:26:10,020  
maybe not but you know the hunters I

2131  
01:26:13,669 --> 01:26:11,639  
think their story is real serious you

2132  
01:26:15,590 --> 01:26:13,679  
know when they see a Sasquatch or a

2133  
01:26:17,689 --> 01:26:15,600  
Dogman out there and they're on their

2134  
01:26:19,729 --> 01:26:17,699  
Turf so you know when they have these

2135  
01:26:21,649 --> 01:26:19,739  
encounters that you know but when they

2136  
01:26:24,110 --> 01:26:21,659  
say they're mind spoken it opened up a

2137  
01:26:26,870 --> 01:26:24,120  
whole new degree of thought for me that

2138  
01:26:29,330 --> 01:26:26,880

I'm like okay maybe these things do but

2139

01:26:30,050 --> 01:26:29,340

it's all open Theory at the end of the

2140

01:26:32,990 --> 01:26:30,060

day

2141

01:26:34,669 --> 01:26:33,000

true well I had a I had a name

2142

01:26:36,950 --> 01:26:34,679

um Elder tell me about it in one

2143

01:26:39,430 --> 01:26:36,960

particular case he was up in the Trisha

2144

01:26:42,470 --> 01:26:39,440

mountains in uh in Arizona

2145

01:26:44,090 --> 01:26:42,480

and something showed up and he he really

2146

01:26:45,530 --> 01:26:44,100

didn't understand what it was but he

2147

01:26:46,490 --> 01:26:45,540

said this thing was talking to him like

2148

01:26:49,010 --> 01:26:46,500

crazy

2149

01:26:50,870 --> 01:26:49,020

I mean he said I wasn't I mean

2150

01:26:52,790 --> 01:26:50,880

conversing with it but it was telling me

2151  
01:26:54,050 --> 01:26:52,800  
in its head

2152  
01:26:58,689 --> 01:26:54,060  
just

2153  
01:27:02,270 --> 01:26:58,699  
and uh you know

2154  
01:27:04,669 --> 01:27:02,280  
and this gentleman I mean he's been

2155  
01:27:07,010 --> 01:27:04,679  
around a long time but you know he's

2156  
01:27:10,370 --> 01:27:07,020  
told me a lot of that stuff and um I

2157  
01:27:12,770 --> 01:27:10,380  
believe it I I absolutely believe it wow

2158  
01:27:14,510 --> 01:27:12,780  
I don't know Lon I mean my dad used to

2159  
01:27:16,790 --> 01:27:14,520  
be able to give me the look and I'd know

2160  
01:27:24,030 --> 01:27:16,800  
what he was thinking so well in that

2161  
01:27:29,750 --> 01:27:27,110  
[Laughter]

2162  
01:27:31,729 --> 01:27:29,760  
well guys you know before we go here

2163  
01:27:34,070 --> 01:27:31,739

tonight I want to eat

2164

01:27:35,629 --> 01:27:34,080

one of you to tell people how they get

2165

01:27:37,790 --> 01:27:35,639

in contact with you

2166

01:27:41,149 --> 01:27:37,800

and uh you know you got anything to

2167

01:27:42,470 --> 01:27:41,159

advertise feel free to do so and uh I'll

2168

01:27:44,570 --> 01:27:42,480

start off with Ryan

2169

01:27:46,370 --> 01:27:44,580

oh okay all right great

2170

01:27:49,129 --> 01:27:46,380

um well you can find me over on Facebook

2171

01:27:50,990 --> 01:27:49,139

Ryan Paul trembly that's my full name so

2172

01:27:53,510 --> 01:27:51,000

you can find me there over on Twitter

2173

01:27:54,649 --> 01:27:53,520

I'm Ryan trembley18 for some reason I

2174

01:27:58,550 --> 01:27:54,659

don't know why Twitter game that weird

2175

01:28:00,410 --> 01:27:58,560

handle but they did on Instagram I'm

2176

01:28:02,930 --> 01:28:00,420

that Christian Ryan

2177

01:28:04,370 --> 01:28:02,940

if I move on Instagram there I have a

2178

01:28:07,070 --> 01:28:04,380

YouTube show that I do with my

2179

01:28:09,350 --> 01:28:07,080

girlfriend Ashley we Host Monster radio

2180

01:28:10,250 --> 01:28:09,360

we dropped the YouTube videos every

2181

01:28:12,649 --> 01:28:10,260

Sunday

2182

01:28:14,209 --> 01:28:12,659

so if you want to drop by and talk to us

2183

01:28:15,950 --> 01:28:14,219

underneath our videos we'll get back to

2184

01:28:17,209 --> 01:28:15,960

you and you know we'll Converse a little

2185

01:28:21,290 --> 01:28:17,219

bit

2186

01:28:27,830 --> 01:28:24,110

well you can get a hold of me Hawk Kai

2187

01:28:29,750 --> 01:28:27,840

strangeness on YouTube and uh Facebook

2188

01:28:31,550 --> 01:28:29,760

um you can uh friend me at William

2189

01:28:35,390 --> 01:28:31,560

Nighthawk

2190

01:28:37,790 --> 01:28:35,400

um on Facebook and uh I also have uh

2191

01:28:40,010 --> 01:28:37,800

patreon and and all that too with

2192

01:28:41,870 --> 01:28:40,020

Nighthawk eye strangeness

2193

01:28:44,090 --> 01:28:41,880

um but yeah I've have

2194

01:28:46,490 --> 01:28:44,100

I have quite a bit going on I have a uh

2195

01:28:49,910 --> 01:28:46,500

like I said uh earlier a Bigfoot

2196

01:28:54,169 --> 01:28:49,920

Symposium going on Monday on Facebook

2197

01:28:56,810 --> 01:28:54,179

for Native Americans to uh you know have

2198

01:28:59,689 --> 01:28:56,820

dealt with the Bigfoot thing and to tell

2199

01:29:02,870 --> 01:28:59,699

people a certain aspect of it dealing

2200

01:29:06,770 --> 01:29:02,880

with the subject from a native of you

2201

01:29:09,350 --> 01:29:06,780

and what not to do and what to do so but

2202

01:29:11,870 --> 01:29:09,360

that's pretty much it yeah

2203

01:29:14,570 --> 01:29:11,880

and you Shane

2204

01:29:16,430 --> 01:29:14,580

um you can find me on Facebook at say

2205

01:29:18,649 --> 01:29:16,440

name that's posted on the screen see

2206

01:29:20,689 --> 01:29:18,659

Michael crisp or you can find me at my

2207

01:29:23,030 --> 01:29:20,699

Facebook group West Coast Dogman project

2208

01:29:25,070 --> 01:29:23,040

I've got six other Pages all dedicated

2209

01:29:26,890 --> 01:29:25,080

to Cryptids under the West Coast name

2210

01:29:31,010 --> 01:29:26,900

whether it's Douglas Sasquatch

2211

01:29:33,709 --> 01:29:31,020

Skinwalker chupacabra UFO I've tried to

2212

01:29:35,330 --> 01:29:33,719

do it all you know but mainly I focused

2213

01:29:37,250 --> 01:29:35,340

on the dog bin so you can find me there

2214

01:29:39,050 --> 01:29:37,260

or you can I'm started doing interviews

2215

01:29:40,310 --> 01:29:39,060

about two months ago so if you've had a

2216

01:29:41,270 --> 01:29:40,320

Dogman encounter and want to talk about

2217

01:29:43,189 --> 01:29:41,280

it

2218

01:29:45,950 --> 01:29:43,199

um reach out to me on YouTube at West

2219

01:29:48,169 --> 01:29:45,960

Coast Dogman project so that's where you

2220

01:29:49,370 --> 01:29:48,179

can find me awesome well guys I want to

2221

01:29:51,470 --> 01:29:49,380

thank each and one of you thanks for

2222

01:29:54,290 --> 01:29:51,480

coming on the show and uh we definitely

2223

01:29:55,610 --> 01:29:54,300

want to keep in touch uh and I

2224

01:29:57,709 --> 01:29:55,620

definitely want to have you all back on

2225

01:29:59,090 --> 01:29:57,719

at some point to talk about some things

2226

01:30:01,129 --> 01:29:59,100

so uh

2227

01:30:03,350 --> 01:30:01,139

you've got an open invitation so again

2228

01:30:04,570 --> 01:30:03,360

thanks for coming on and you all have a

2229

01:30:07,250 --> 01:30:04,580

good week

2230

01:30:09,890 --> 01:30:07,260

Namaste guys you guys have a good one

2231

01:30:13,209 --> 01:30:09,900

thank you take it easy everybody take

2232

01:30:17,689 --> 01:30:15,770

now if you have an unexplained encounter

2233

01:30:19,010 --> 01:30:17,699

in sighting or sighting uh feel free to

2234

01:30:20,689 --> 01:30:19,020

contact me through the famous and

2235

01:30:22,430 --> 01:30:20,699

monsters blog site you know I want to

2236

01:30:24,229 --> 01:30:22,440

again thank my guest for joining me this

2237

01:30:26,090 --> 01:30:24,239

evening I I thought it was a very good

2238

01:30:28,610 --> 01:30:26,100

conversation I learned a lot be honest

2239

01:30:31,189 --> 01:30:28,620

with you and thanks to each and all you

2240

01:30:33,410 --> 01:30:31,199

for watching and chatting if you did

2241

01:30:35,750 --> 01:30:33,420

make a super chat donation it's truly

2242

01:30:37,669 --> 01:30:35,760

appreciated uh your support is what

2243

01:30:40,790 --> 01:30:37,679

makes this possible so please like

2244

01:30:43,910 --> 01:30:40,800

subscribe and share as well as comment

2245

01:30:46,910 --> 01:30:43,920

you know we always look for comments uh

2246

01:30:50,149 --> 01:30:46,920

about our videos and our uh

2247

01:30:51,110 --> 01:30:50,159

our interviews so uh please feel free to

2248

01:30:52,910 --> 01:30:51,120

do so

2249

01:30:54,290 --> 01:30:52,920

uh again if you have a citing or

2250

01:30:56,510 --> 01:30:54,300

encounter report you'd like to be

2251  
01:30:59,689 --> 01:30:56,520  
considered for the personal report show

2252  
01:31:01,610 --> 01:30:59,699  
or personal fans of Monsters uh feel

2253  
01:31:03,770 --> 01:31:01,620  
free to forward to my email at launch

2254  
01:31:07,129 --> 01:31:03,780  
stricklerfansofmonsters.com

2255  
01:31:09,770 --> 01:31:07,139  
now next Wednesday night I will narrate

2256  
01:31:12,709 --> 01:31:09,780  
several more personal reports

2257  
01:31:14,990 --> 01:31:12,719  
so make sure to join me for that uh

2258  
01:31:17,990 --> 01:31:15,000  
that'll be at nine o'clock uh p.m

2259  
01:31:19,310 --> 01:31:18,000  
Eastern six o'clock P.M I mean

2260  
01:31:22,610 --> 01:31:19,320  
Pacific

2261  
01:31:25,250 --> 01:31:22,620  
uh in fact I may be having a giveaway

2262  
01:31:27,470 --> 01:31:25,260  
that night as well so um

2263  
01:31:30,050 --> 01:31:27,480

make sure to tune in and next Friday

2264

01:31:33,290 --> 01:31:30,060

night I'm going to welcome professional

2265

01:31:35,209 --> 01:31:33,300

Clairvoyant medical intuitive and E.T

2266

01:31:37,370 --> 01:31:35,219

author Sue Walker

2267

01:31:40,370 --> 01:31:37,380

it should be quite an interesting show

2268

01:31:42,649 --> 01:31:40,380

so make sure you join in for that so

2269

01:31:49,910 --> 01:31:42,659

until next week stay healthy and have a
