00:00:03,100 --> 00:00:08,549  
[Music]

2  
00:00:08,559 --> 00:00:23,960  
so

3  
00:00:23,970 --> 00:01:22,390  
[Music]

4  
00:01:27,350 --> 00:01:24,710  
hey folks good evening and welcome to

5  
00:01:29,830 --> 00:01:27,360  
phantom is a monster's personal reports

6  
00:01:32,230 --> 00:01:29,840  
where i narrate some of the

7  
00:01:34,230 --> 00:01:32,240  
recent and past uh cryptid and

8  
00:01:36,789 --> 00:01:34,240  
unexplained sightings encounters

9  
00:01:39,469 --> 00:01:36,799  
submitted to phantoms and monsters

10  
00:01:42,069 --> 00:01:39,479  
i will also detail current and past

11  
00:01:44,149 --> 00:01:42,079  
investigations so thanks for joining me

12  
00:01:46,789 --> 00:01:44,159  
uh the phantoms of monsters radio

13  
00:01:49,109 --> 00:01:46,799

channel is made possible by you clicking

14

00:01:51,830 --> 00:01:49,119

this subscribe button

15

00:01:55,109 --> 00:01:51,840

and by you sharing our programming

16

00:01:57,030 --> 00:01:55,119

um and please feel free to leave

17

00:01:59,350 --> 00:01:57,040

comments as well

18

00:02:01,910 --> 00:01:59,360

um the super chat and the super thanks

19

00:02:03,510 --> 00:02:01,920

donations are always appreciated and the

20

00:02:05,030 --> 00:02:03,520

buy me a coffee link and banner are

21

00:02:06,469 --> 00:02:05,040

always shown

22

00:02:08,550 --> 00:02:06,479

so um

23

00:02:12,390 --> 00:02:08,560

thanks for your consideration so for

24

00:02:16,790 --> 00:02:15,750

uh the first story is is kind of unusual

25

00:02:19,990 --> 00:02:16,800

you know i

26

00:02:21,910 --> 00:02:20,000

i had not known anything about this

27

00:02:24,309 --> 00:02:21,920

this kind of got sprung on me then when

28

00:02:27,830 --> 00:02:24,319

i went back at my archive i did find a

29

00:02:32,710 --> 00:02:30,470

what it is uh a reptilian encounter

30

00:02:35,190 --> 00:02:32,720

resulting in the death of coal miners

31

00:02:38,869 --> 00:02:35,200

near dixonville pennsylvania

32

00:02:40,869 --> 00:02:38,879

was declassified in 2008

33

00:02:44,070 --> 00:02:40,879

and there were other deadly reptilian

34

00:02:45,150 --> 00:02:44,080

incidents reported in pennsylvania mines

35

00:02:46,790 --> 00:02:45,160

so in a

36

00:02:49,430 --> 00:02:46,800

2008

37

00:02:50,869 --> 00:02:49,440

file was declassified by british

38

00:02:53,190 --> 00:02:50,879

ministry

39

00:02:56,550 --> 00:02:53,200  
of defense it was titled unidentified

40

00:02:58,550 --> 00:02:56,560  
flying objects correspondents

41

00:02:59,990 --> 00:02:58,560  
and the report contained detailed

42

00:03:03,750 --> 00:03:00,000  
information

43

00:03:06,630 --> 00:03:03,760  
regarding ufology now inside the 318

44

00:03:08,149 --> 00:03:06,640  
page document in a lengthy chapter that

45

00:03:11,350 --> 00:03:08,159  
was labeled

46

00:03:13,430 --> 00:03:11,360  
the mystery of iniquity exposed the

47

00:03:18,470 --> 00:03:13,440  
reality of serpent race and the

48

00:03:24,470 --> 00:03:20,550  
there were a few interesting encounters

49

00:03:26,869 --> 00:03:24,480  
described in pretty decent detail

50

00:03:29,350 --> 00:03:26,879  
but the one documented ordeal that

51  
00:03:31,270 --> 00:03:29,360  
interested me took place

52  
00:03:33,990 --> 00:03:31,280  
in the coal mining town of dixonville

53  
00:03:37,589 --> 00:03:34,000  
pennsylvania in indiana county

54  
00:03:39,910 --> 00:03:37,599  
now in the early 1940s two mining

55  
00:03:41,990 --> 00:03:39,920  
inspectors received a frantic call about

56  
00:03:43,830 --> 00:03:42,000  
a collapsed shaft

57  
00:03:45,670 --> 00:03:43,840  
they rushed to the

58  
00:03:48,789 --> 00:03:45,680  
accident site

59  
00:03:52,309 --> 00:03:48,799  
where 15 coal miners were now helplessly

60  
00:03:55,670 --> 00:03:52,319  
trapped and according to the document

61  
00:03:58,550 --> 00:03:55,680  
hostile subterranean quote lizard people

62  
00:04:00,630 --> 00:03:58,560  
were encountered

63  
00:04:03,190 --> 00:04:00,640

now the first responders noticed a

64

00:04:05,509 --> 00:04:03,200

lifeless lifeless body laying on

65

00:04:08,149 --> 00:04:05,519

scattered debris

66

00:04:10,710 --> 00:04:08,159

uh his skin was lacerated with claw-like

67

00:04:13,910 --> 00:04:10,720

marks from an unknown creature

68

00:04:16,469 --> 00:04:13,920

then more corpse uh corpses soon

69

00:04:19,430 --> 00:04:16,479

surfaced the deceased miners

70

00:04:21,670 --> 00:04:19,440

had identical gruesome injuries

71

00:04:23,030 --> 00:04:21,680

all had succumbed to these horrific

72

00:04:25,430 --> 00:04:23,040

wounds

73

00:04:27,670 --> 00:04:25,440

despite scouring the deep tunnel several

74

00:04:29,670 --> 00:04:27,680

mines were still missing

75

00:04:31,830 --> 00:04:29,680

and additional personnel joined the

76

00:04:34,230 --> 00:04:31,840

search party in hopes of retrieving

77

00:04:35,990 --> 00:04:34,240

survivors

78

00:04:39,990 --> 00:04:36,000

the emergency workers searched the

79

00:04:42,710 --> 00:04:40,000

sprawling tunnel system yet not

80

00:04:45,270 --> 00:04:42,720

yet no additional monies were reun were

81

00:04:47,590 --> 00:04:45,280

uncovered

82

00:04:50,150 --> 00:04:47,600

despite the waning hope of finding other

83

00:04:52,150 --> 00:04:50,160

living miners two inspectors two

84

00:04:54,230 --> 00:04:52,160

continued their quest

85

00:04:57,749 --> 00:04:54,240

and they eventually found a mysterious

86

00:04:59,909 --> 00:04:57,759

package passage to a huge cavern

87

00:05:03,189 --> 00:04:59,919

and at one point one of the inspectors

88

00:05:06,710 --> 00:05:03,199

observed one of the creatures

89

00:05:09,670 --> 00:05:06,720

he said uh he saw an enormous scaled

90

00:05:13,029 --> 00:05:09,680

reptilian running away he stated that

91

00:05:15,350 --> 00:05:13,039

thing was not of this world

92

00:05:21,189 --> 00:05:15,360

and the incident remained classified for

93

00:05:23,990 --> 00:05:21,199

nearly 40 years on july 14 1974

94

00:05:27,189 --> 00:05:24,000

a local newspaper published an article

95

00:05:28,950 --> 00:05:27,199

about a subterranean massacre

96

00:05:31,270 --> 00:05:28,960

stranger still

97

00:05:34,870 --> 00:05:31,280

numerous eyewitnesses have experienced

98

00:05:37,029 --> 00:05:34,880

similar confrontations for decades

99

00:05:39,350 --> 00:05:37,039

another incident occurred in a mine in

100

00:05:42,390 --> 00:05:39,360

mercier county pennsylvania of the three

101  
00:05:44,390 --> 00:05:42,400  
victims of that particular mine disaster

102  
00:05:46,710 --> 00:05:44,400  
only two were rescued

103  
00:05:48,469 --> 00:05:46,720  
however both described a

104  
00:05:50,310 --> 00:05:48,479  
similar paranormal encounter with

105  
00:05:52,550 --> 00:05:50,320  
strange men

106  
00:05:55,029 --> 00:05:52,560  
who entered the caverns and gave light

107  
00:05:58,150 --> 00:05:55,039  
to the two trap miners and told them

108  
00:06:00,070 --> 00:05:58,160  
that they would be rescued

109  
00:06:02,150 --> 00:06:00,080  
they were uncertain whether the entities

110  
00:06:04,469 --> 00:06:02,160  
were human or supernatural beings

111  
00:06:07,029 --> 00:06:04,479  
however as much of their collective

112  
00:06:09,990 --> 00:06:07,039  
hallucination contained both physical as

113  
00:06:12,230 --> 00:06:10,000

well as supernatural elements

114

00:06:14,189 --> 00:06:12,240

the bluish light which eliminated rudin

115

00:06:16,469 --> 00:06:14,199

they said was real but other

116

00:06:18,710 --> 00:06:16,479

holographic-like visuals

117

00:06:21,029 --> 00:06:18,720

appeared on the walls then touched by

118

00:06:23,510 --> 00:06:21,039

hand their hands either disappeared or

119

00:06:26,390 --> 00:06:23,520

revealed rock solid behind

120

00:06:27,670 --> 00:06:26,400

or solid rocks behind

121

00:06:30,710 --> 00:06:27,680

now

122

00:06:32,950 --> 00:06:30,720

michael burke in his article green thing

123

00:06:35,749 --> 00:06:32,960

sparks rumors

124

00:06:39,029 --> 00:06:35,759

in the valley news dispatch which is new

125

00:06:40,629 --> 00:06:39,039

kensington terratum and and vandergriff

126

00:06:44,710 --> 00:06:40,639

pennsylvania

127

00:06:47,189 --> 00:06:44,720

uh in in march 5th 18 1981 described a

128

00:06:49,589 --> 00:06:47,199

small creature about four foot tall

129

00:06:52,230 --> 00:06:49,599

that appeared to be half humanoid half

130

00:06:53,189 --> 00:06:52,240

dinosaur was seen emerging from a sewer

131

00:06:56,150 --> 00:06:53,199

tunnel

132

00:06:58,309 --> 00:06:56,160

in new kensington

133

00:06:59,350 --> 00:06:58,319

a group of children chased the infant or

134

00:07:01,749 --> 00:06:59,360

a young

135

00:07:04,309 --> 00:07:01,759

dinosaur-like creature one of them

136

00:07:06,790 --> 00:07:04,319

momentarily grabbing at at

137

00:07:09,510 --> 00:07:06,800

grabbing it at which point it let out a

138

00:07:11,749 --> 00:07:09,520

squealing or screeching sound and then

139

00:07:14,150 --> 00:07:11,759

slip from his hands and escape back into

140

00:07:15,270 --> 00:07:14,160

the sewer tunnel

141

00:07:18,070 --> 00:07:15,280

now

142

00:07:18,950 --> 00:07:18,080

the uh the dicksonville incident

143

00:07:20,309 --> 00:07:18,960

was

144

00:07:23,830 --> 00:07:20,319

later

145

00:07:26,550 --> 00:07:23,840

reported in 1944

146

00:07:29,189 --> 00:07:26,560

in the local newspaper

147

00:07:30,870 --> 00:07:29,199

and this was the stoney brickfield news

148

00:07:32,390 --> 00:07:30,880

extra which was

149

00:07:33,670 --> 00:07:32,400

uh

150

00:07:36,909 --> 00:07:33,680

it was originally

151

00:07:38,790 --> 00:07:36,919  
posted in 1944 but reposted in

152

00:07:40,950 --> 00:07:38,800  
1974

153

00:07:42,950 --> 00:07:40,960  
and in that article and it was a small

154

00:07:45,749 --> 00:07:42,960  
article it put mentioned that mine

155

00:07:48,869 --> 00:07:45,759  
inspector glenn e berger

156

00:07:51,830 --> 00:07:48,879  
reported in 1944 to his superiors that

157

00:07:54,469 --> 00:07:51,840  
the dixonville mine disaster which

158

00:07:56,869 --> 00:07:54,479  
killed 15 men was not the result of a

159

00:07:58,790 --> 00:07:56,879  
cave-in but rather an attack by

160

00:08:01,909 --> 00:07:58,800  
underground creatures capable of

161

00:08:04,710 --> 00:08:01,919  
manipulating the earth partial cavins

162

00:08:06,469 --> 00:08:04,720  
whose domain the miners had apparently

163

00:08:08,710 --> 00:08:06,479

penetrated

164

00:08:10,790 --> 00:08:08,720

most of the dead miners were not injured

165

00:08:13,110 --> 00:08:10,800

by falling rock but showed signs of

166

00:08:15,749 --> 00:08:13,120

large claw marks others were missing and

167

00:08:17,430 --> 00:08:15,759

one survivor spoke as seeing a vicious

168

00:08:19,830 --> 00:08:17,440

humanoid creature

169

00:08:21,749 --> 00:08:19,840

that was not of this world within an

170

00:08:24,550 --> 00:08:21,759

ancient passage that the miners had

171

00:08:27,110 --> 00:08:24,560

broken into

172

00:08:29,350 --> 00:08:27,120

the creatures somehow created a cave in

173

00:08:30,469 --> 00:08:29,360

blocking himself and the other another

174

00:08:31,990 --> 00:08:30,479

inspector

175

00:08:35,029 --> 00:08:32,000

who closed his eyes when he felt the

176

00:08:36,630 --> 00:08:35,039

creature's hot breath on his neck

177

00:08:38,389 --> 00:08:36,640

and he

178

00:08:40,709 --> 00:08:38,399

blocked himself from the main entrance

179

00:08:42,310 --> 00:08:40,719

until another rescue party began to dig

180

00:08:45,910 --> 00:08:42,320

through the collapse

181

00:08:48,070 --> 00:08:45,920

scaring the creature away

182

00:08:50,790 --> 00:08:48,080

so you know i don't know what to make of

183

00:08:52,310 --> 00:08:50,800

this thing um

184

00:08:53,750 --> 00:08:52,320

it's pretty bizarre

185

00:08:56,310 --> 00:08:53,760

you know it's not the first time i've

186

00:09:00,230 --> 00:08:58,630

reptilian creatures in in caves or

187

00:09:02,470 --> 00:09:00,240

tunnels or

188

00:09:04,150 --> 00:09:02,480

you know underground but

189

00:09:05,430 --> 00:09:04,160

to happen in pennsylvania i think it's

190

00:09:06,870 --> 00:09:05,440

pretty interesting

191

00:09:08,630 --> 00:09:06,880

um

192

00:09:11,269 --> 00:09:08,640

but you know apparently there's been at

193

00:09:12,790 --> 00:09:11,279

least two of these sightings

194

00:09:15,350 --> 00:09:12,800

over time

195

00:09:17,190 --> 00:09:15,360

and i'm quite sure there are other ones

196

00:09:20,790 --> 00:09:17,200

so like i said if you guys have

197

00:09:23,670 --> 00:09:20,800

questions please feel free to post after

198

00:09:26,230 --> 00:09:23,680

each uh reading or you can wait until

199

00:09:28,310 --> 00:09:26,240

after the end of the end of the uh

200

00:09:32,470 --> 00:09:28,320

presentation and i will go through

201  
00:09:32,480 --> 00:09:38,790  
okay so the next the next account

202  
00:09:42,630 --> 00:09:40,710  
there was a video

203  
00:09:45,430 --> 00:09:42,640  
that came out

204  
00:09:50,949 --> 00:09:47,590  
and it showed this

205  
00:09:53,110 --> 00:09:50,959  
supposed creature from a um

206  
00:09:55,350 --> 00:09:53,120  
a cctv camera

207  
00:09:58,470 --> 00:09:55,360  
that the locals are calling lamona or

208  
00:10:00,790 --> 00:09:58,480  
some type of ghoul in costa rica

209  
00:10:02,630 --> 00:10:00,800  
and vincent has the video and has some

210  
00:10:04,550 --> 00:10:02,640  
drawings of it

211  
00:10:05,430 --> 00:10:04,560  
um

212  
00:10:10,790 --> 00:10:05,440  
these

213  
00:10:12,389 --> 00:10:10,800

described as angry women who transform

214

00:10:14,710 --> 00:10:12,399

in order to go

215

00:10:16,470 --> 00:10:14,720

in search of men who abandon them that

216

00:10:17,910 --> 00:10:16,480

that's the legend

217

00:10:19,430 --> 00:10:17,920

and those people who have watched the

218

00:10:21,750 --> 00:10:19,440

video had debated whether or not the

219

00:10:24,949 --> 00:10:21,760

bizarre figure in the video was actually

220

00:10:26,470 --> 00:10:24,959

a human mimicking a cryptid legend

221

00:10:29,750 --> 00:10:26,480

but

222

00:10:34,550 --> 00:10:29,760

i don't know what to think of it um

223

00:10:38,230 --> 00:10:36,230

a drawing

224

00:10:39,910 --> 00:10:38,240

submitted by jose

225

00:10:41,670 --> 00:10:39,920

sanchez

226

00:10:45,269 --> 00:10:41,680

uh i think he's in

227

00:10:49,269 --> 00:10:47,030

it's pretty interesting

228

00:10:50,630 --> 00:10:49,279

it's a pretty interesting video and uh

229

00:10:52,630 --> 00:10:50,640

there it is right there and there's

230

00:10:54,949 --> 00:10:52,640

there's the drawing

231

00:10:57,670 --> 00:10:54,959

so uh

232

00:11:00,550 --> 00:10:57,680

but you know that's not the only

233

00:11:03,030 --> 00:11:00,560

type of sighting like this we had

234

00:11:04,630 --> 00:11:03,040

uh we actually had one in maine uh you

235

00:11:06,389 --> 00:11:04,640

know i received another account after

236

00:11:07,910 --> 00:11:06,399

i've posted this

237

00:11:09,590 --> 00:11:07,920

and

238

00:11:11,670 --> 00:11:09,600

where this being

239

00:11:15,269 --> 00:11:11,680

that had stood upright it was a

240

00:11:17,670 --> 00:11:15,279

featureless human like being

241

00:11:20,389 --> 00:11:17,680

and uh but it did

242

00:11:23,190 --> 00:11:20,399

started walking in a crab like fashion

243

00:11:25,990 --> 00:11:23,200

this was up near bar harbor

244

00:11:30,069 --> 00:11:26,000

maine which is actually a an island off

245

00:11:33,750 --> 00:11:31,829

the person who forwarded me said my

246

00:11:34,870 --> 00:11:33,760

story which is actually someone else's

247

00:11:37,350 --> 00:11:34,880

story

248

00:11:39,269 --> 00:11:37,360

k and s were a couple in college the

249

00:11:40,790 --> 00:11:39,279

college of the atlantic if you want to

250

00:11:43,670 --> 00:11:40,800

look it up

251  
00:11:46,069 --> 00:11:43,680  
this was pre-cell phone time anyway they

252  
00:11:49,670 --> 00:11:46,079  
were going to party in the woods i live

253  
00:11:53,509 --> 00:11:49,680  
near near i live in bel bar harbor

254  
00:11:55,750 --> 00:11:53,519  
maine which is on mount desert island

255  
00:11:58,389 --> 00:11:55,760  
this is a thing we do up here maybe you

256  
00:12:00,310 --> 00:11:58,399  
guys do it too people just

257  
00:12:02,470 --> 00:12:00,320  
pick a place and in the middle of

258  
00:12:04,550 --> 00:12:02,480  
nowhere build a giant bonfire drink

259  
00:12:06,310 --> 00:12:04,560  
smoke party to the wee hours in the

260  
00:12:08,230 --> 00:12:06,320  
summertime

261  
00:12:11,110 --> 00:12:08,240  
a kns

262  
00:12:13,350 --> 00:12:11,120  
we're trying to uh find the turn-off

263  
00:12:15,350 --> 00:12:13,360

and they they had driven up and down the

264

00:12:17,430 --> 00:12:15,360

road multiple times

265

00:12:20,230 --> 00:12:17,440

finding nothing no turn off

266

00:12:22,629 --> 00:12:20,240

and as they crested the top of the hill

267

00:12:24,389 --> 00:12:22,639

the full moon broke above the tree line

268

00:12:25,670 --> 00:12:24,399

and illuminated the road in front of

269

00:12:27,590 --> 00:12:25,680

them

270

00:12:29,110 --> 00:12:27,600

they were taking one final pass on the

271

00:12:31,190 --> 00:12:29,120

stretch of road when they saw something

272

00:12:33,350 --> 00:12:31,200

come out of the trees ahead of them and

273

00:12:36,470 --> 00:12:33,360

it was a human shape

274

00:12:38,470 --> 00:12:36,480

but it was crab walking upside down

275

00:12:40,710 --> 00:12:38,480

across the road

276

00:12:44,389 --> 00:12:40,720

kaye who told me this story said it was

277

00:12:45,670 --> 00:12:44,399

like darting like an actual crab it was

278

00:12:47,269 --> 00:12:45,680

it was pale

279

00:12:49,590 --> 00:12:47,279

and when it got to the middle of road it

280

00:12:52,790 --> 00:12:49,600

got down closer to the road then

281

00:12:54,629 --> 00:12:52,800

stretched out and broke upwards

282

00:12:57,670 --> 00:12:54,639

it stood in front of them for a second

283

00:12:59,750 --> 00:12:57,680

it had yellow eyes and just a body

284

00:13:02,230 --> 00:12:59,760

it didn't have any sort of genitalia or

285

00:13:03,190 --> 00:13:02,240

anything it was just sort of a human

286

00:13:04,790 --> 00:13:03,200

body

287

00:13:06,870 --> 00:13:04,800

and then it ran the rest of the way

288

00:13:09,430 --> 00:13:06,880

across the road

289

00:13:12,230 --> 00:13:09,440

they turned around and drove home home

290

00:13:15,509 --> 00:13:12,240

when she told me this story i had chills

291

00:13:17,269 --> 00:13:15,519

that creeped me out so hardcore that

292

00:13:19,190 --> 00:13:17,279

and then i had to drive home from work

293

00:13:21,910 --> 00:13:19,200

on the same night

294

00:13:23,990 --> 00:13:21,920

later on so um

295

00:13:27,670 --> 00:13:24,000

you know i don't know what the heck they

296

00:13:29,509 --> 00:13:27,680

saw was it a crawl or humanoid that

297

00:13:31,190 --> 00:13:29,519

you know sometimes we get some pretty

298

00:13:32,710 --> 00:13:31,200

weird descriptions of these things the

299

00:13:34,389 --> 00:13:32,720

way they move you know that's why they

300

00:13:39,110 --> 00:13:34,399

call them crawlers

301  
00:13:39,120 --> 00:13:46,230  
i don't know if that's related or not

302  
00:13:49,990 --> 00:13:48,310  
so in the next account now this is

303  
00:13:51,910 --> 00:13:50,000  
pretty interesting

304  
00:13:54,949 --> 00:13:51,920  
as the west virginia man recounts his

305  
00:13:57,269 --> 00:13:54,959  
encounter with a goatman entity

306  
00:13:58,790 --> 00:13:57,279  
while driving on us 33 as it passes

307  
00:14:01,509 --> 00:13:58,800  
through george washington national

308  
00:14:03,430 --> 00:14:01,519  
forest and rockingham county virginia

309  
00:14:04,550 --> 00:14:03,440  
now i will tell you one thing before i

310  
00:14:08,150 --> 00:14:04,560  
read this

311  
00:14:11,670 --> 00:14:08,160  
george washington national forest um

312  
00:14:14,069 --> 00:14:11,680  
the appalachian trail runs through there

313  
00:14:15,110 --> 00:14:14,079

it is well known for a lot of bigfoot

314

00:14:17,750 --> 00:14:15,120

sightings

315

00:14:19,430 --> 00:14:17,760

and a lot of not deer settings a lot of

316

00:14:21,990 --> 00:14:19,440

other weird stuff

317

00:14:23,990 --> 00:14:22,000

so i'm just letting you know

318

00:14:25,590 --> 00:14:24,000

before i go into this

319

00:14:27,189 --> 00:14:25,600

um

320

00:14:29,189 --> 00:14:27,199

the witness states i have encountered

321

00:14:31,030 --> 00:14:29,199

bigfoot heck probably the nest of them

322

00:14:33,350 --> 00:14:31,040

based upon how many

323

00:14:35,750 --> 00:14:33,360

we heard around us that night

324

00:14:37,910 --> 00:14:35,760

maybe even something else was with them

325

00:14:40,710 --> 00:14:37,920

or screwing with them and used us as

326

00:14:42,790 --> 00:14:40,720

distracting scent

327

00:14:44,870 --> 00:14:42,800

but the encounter that i'd like to speak

328

00:14:47,189 --> 00:14:44,880

about here is something that is not a

329

00:14:49,110 --> 00:14:47,199

bigfoot but to be honest i have no idea

330

00:14:51,750 --> 00:14:49,120

what it was

331

00:14:54,550 --> 00:14:51,760

to give you a point of reference it

332

00:14:58,310 --> 00:14:54,560

occurred on what might be called a major

333

00:15:00,150 --> 00:14:58,320

road u.s route 33 as it passes through

334

00:15:02,150 --> 00:15:00,160

george washington national forest in

335

00:15:04,230 --> 00:15:02,160

rockingham county

336

00:15:07,350 --> 00:15:04,240

virginia heading towards pendleton

337

00:15:09,829 --> 00:15:07,360

county west virginia

338

00:15:12,629 --> 00:15:09,839

now i was coming from from work at the

339

00:15:15,030 --> 00:15:12,639

time it was about 11 in the evening and

340

00:15:17,269 --> 00:15:15,040

uh the road was dark and i was alone on

341

00:15:19,269 --> 00:15:17,279

the road to right of me

342

00:15:21,910 --> 00:15:19,279

the road was nothing but forest that

343

00:15:24,710 --> 00:15:21,920

runs back up the mountain with um

344

00:15:27,509 --> 00:15:24,720

occasional breaks where crease come down

345

00:15:29,590 --> 00:15:27,519

to the left of me was a river

346

00:15:30,870 --> 00:15:29,600

that ran along the road for a good part

347

00:15:33,189 --> 00:15:30,880

of the drive

348

00:15:34,310 --> 00:15:33,199

now and then a cut dirt road or most

349

00:15:36,870 --> 00:15:34,320

part

350

00:15:38,870 --> 00:15:36,880

opened onto the main road where people

351  
00:15:40,949 --> 00:15:38,880  
are hunters had basically chlorinated

352  
00:15:43,269 --> 00:15:40,959  
the side road

353  
00:15:45,590 --> 00:15:43,279  
the night was sort of bright in addition

354  
00:15:46,949 --> 00:15:45,600  
to the light my headlights cast on the

355  
00:15:49,350 --> 00:15:46,959  
side of the road

356  
00:15:51,509 --> 00:15:49,360  
now my windows were up and my

357  
00:15:54,150 --> 00:15:51,519  
doors were locked my driver's window was

358  
00:15:57,189 --> 00:15:54,160  
slightly correct it's because this

359  
00:15:59,189 --> 00:15:57,199  
became important a bit further down

360  
00:16:00,790 --> 00:15:59,199  
i had just crossed over one of the small

361  
00:16:02,629 --> 00:16:00,800  
creeks when i heard

362  
00:16:05,030 --> 00:16:02,639  
when i thought i saw

363  
00:16:08,389 --> 00:16:05,040

something something shadow appeared next

364

00:16:10,870 --> 00:16:08,399

to my passenger side window sort of

365

00:16:12,470 --> 00:16:10,880

smokey looking at first then something

366

00:16:15,990 --> 00:16:12,480

slapped my door

367

00:16:17,829 --> 00:16:16,000

and started smacking the door handle

368

00:16:20,550 --> 00:16:17,839

at the same time

369

00:16:23,110 --> 00:16:20,560

the smoky image solidified and became a

370

00:16:24,389 --> 00:16:23,120

goat-like image that was running next to

371

00:16:26,470 --> 00:16:24,399

my car

372

00:16:28,550 --> 00:16:26,480

it was running on two legs

373

00:16:29,509 --> 00:16:28,560

and red eyes and was grabbing the door

374

00:16:31,509 --> 00:16:29,519

handle

375

00:16:33,590 --> 00:16:31,519

as it was trying to open the door the

376

00:16:35,030 --> 00:16:33,600

whole time keeping pace with me as i

377

00:16:38,790 --> 00:16:35,040

sped up

378

00:16:40,949 --> 00:16:38,800

to try to get away from it i saw it was

379

00:16:43,110 --> 00:16:40,959

goat-like because

380

00:16:45,829 --> 00:16:43,120

it was more thin than heavy sort of

381

00:16:47,189 --> 00:16:45,839

brownish color but can't be positive due

382

00:16:49,990 --> 00:16:47,199

to light

383

00:16:52,949 --> 00:16:50,000

no muzzle like a wolf or dog more of a

384

00:16:54,949 --> 00:16:52,959

flatish face it had smallish horns

385

00:16:56,470 --> 00:16:54,959

but could have had its ears jutting

386

00:17:00,470 --> 00:16:56,480

forward

387

00:17:02,069 --> 00:17:00,480

the strange thing though was as i looked

388

00:17:04,069 --> 00:17:02,079

and trying to keep my eyes on the road

389

00:17:06,150 --> 00:17:04,079

at the same time it also appeared to

390

00:17:08,309 --> 00:17:06,160

sort of fade in and out

391

00:17:09,750 --> 00:17:08,319

like it was there then gone only to

392

00:17:12,949 --> 00:17:09,760

reform

393

00:17:15,110 --> 00:17:12,959

sure less sure left scratches on my door

394

00:17:16,870 --> 00:17:15,120

though no immediate sounds

395

00:17:19,750 --> 00:17:16,880

while i was next to while i was next to

396

00:17:21,429 --> 00:17:19,760

the car but once it stopped chasing me

397

00:17:23,909 --> 00:17:21,439

there were some howls behind me

398

00:17:25,590 --> 00:17:23,919

ironically though it only chased me from

399

00:17:27,590 --> 00:17:25,600

one creek to another

400

00:17:29,909 --> 00:17:27,600

it stopped just before the road started

401  
00:17:32,310 --> 00:17:29,919  
to climb up the mountain

402  
00:17:34,950 --> 00:17:32,320  
now there's been a few unusual axes in

403  
00:17:36,870 --> 00:17:34,960  
that area that resulted in deaths

404  
00:17:38,710 --> 00:17:36,880  
it's a really lonely stretch of road to

405  
00:17:41,029 --> 00:17:38,720  
be driven at night

406  
00:17:43,510 --> 00:17:41,039  
since it's national forest

407  
00:17:45,270 --> 00:17:43,520  
no one lives in the immediate area it's

408  
00:17:47,830 --> 00:17:45,280  
been more than 10 years since that

409  
00:17:50,230 --> 00:17:47,840  
happened now i no longer drive a stretch

410  
00:17:51,909 --> 00:17:50,240  
of road i heard that how a few more

411  
00:17:53,350 --> 00:17:51,919  
times after that night going through

412  
00:17:55,350 --> 00:17:53,360  
there but

413  
00:17:57,830 --> 00:17:55,360

that never you know

414

00:17:59,510 --> 00:17:57,840

it was never like what happened before

415

00:18:01,430 --> 00:17:59,520

i drove it for a number of years after

416

00:18:03,750 --> 00:18:01,440

that and never heard it again and i

417

00:18:05,510 --> 00:18:03,760

still don't know what it was or if

418

00:18:07,270 --> 00:18:05,520

anyone else in my family had ever

419

00:18:10,310 --> 00:18:07,280

encountered it you know i just don't

420

00:18:11,110 --> 00:18:10,320

normally talk about it and

421

00:18:16,950 --> 00:18:11,120

i

422

00:18:19,590 --> 00:18:16,960

they too have heard fell and encountered

423

00:18:21,029 --> 00:18:19,600

something along that spiritual road

424

00:18:22,870 --> 00:18:21,039

and like i said before it's well known

425

00:18:24,390 --> 00:18:22,880

for bigfoot activity

426

00:18:29,270 --> 00:18:24,400

now

427

00:18:31,350 --> 00:18:29,280

um

428

00:18:33,029 --> 00:18:31,360

you know these goat man encounters are

429

00:18:35,190 --> 00:18:33,039

pretty interesting a lot of times they

430

00:18:37,029 --> 00:18:35,200

seem like they're supernatural they they

431

00:18:38,070 --> 00:18:37,039

don't necessarily take a form all the

432

00:18:41,990 --> 00:18:38,080

time

433

00:18:42,950 --> 00:18:42,000

it was one of these beings i i have no

434

00:18:47,590 --> 00:18:42,960

idea

435

00:18:50,310 --> 00:18:47,600

but uh it's pretty interesting and um

436

00:18:52,230 --> 00:18:50,320

i did check up on the road itself and i

437

00:18:54,390 --> 00:18:52,240

did find the area where i think this

438

00:18:55,430 --> 00:18:54,400

occurred at or the general area

439

00:18:57,669 --> 00:18:55,440  
and there

440

00:19:00,630 --> 00:18:57,679  
there have been several

441

00:19:03,029 --> 00:19:00,640  
fatal crashes in that area

442

00:19:03,990 --> 00:19:03,039  
since the the road was built and i think

443

00:19:06,789 --> 00:19:04,000  
it was

444

00:19:09,510 --> 00:19:06,799  
the boat the road was rerouted the road

445

00:19:12,470 --> 00:19:09,520  
was rerouted in the 50s

446

00:19:14,549 --> 00:19:12,480  
so apparently uh there have been some

447

00:19:16,630 --> 00:19:14,559  
things going on as related to what he

448

00:19:20,150 --> 00:19:16,640  
encountered i had no idea

449

00:19:22,070 --> 00:19:20,390  
uh

450

00:19:24,470 --> 00:19:22,080  
[Music]

451  
00:19:26,630 --> 00:19:24,480  
and vincent says that goatman seems to

452  
00:19:29,190 --> 00:19:26,640  
be supernatural yeah i mean you know you

453  
00:19:32,549 --> 00:19:29,200  
hear about these goat men that guard

454  
00:19:34,710 --> 00:19:32,559  
these bridges and you know

455  
00:19:36,710 --> 00:19:34,720  
are near bridges and people see them

456  
00:19:38,710 --> 00:19:36,720  
along the roadways and they all do seem

457  
00:19:40,870 --> 00:19:38,720  
to be supernatural some

458  
00:19:42,150 --> 00:19:40,880  
in some degree

459  
00:19:44,470 --> 00:19:42,160  
but i thought that was pretty

460  
00:19:47,190 --> 00:19:44,480  
interesting

461  
00:19:50,390 --> 00:19:48,870  
and we don't have anything else on that

462  
00:19:53,029 --> 00:19:50,400  
okay i'll just go ahead and read the

463  
00:19:57,270 --> 00:19:53,039

next one

464

00:19:59,110 --> 00:19:57,280

recently received a bucks county

465

00:20:01,830 --> 00:19:59,120

pennsylvania witness described his

466

00:20:03,909 --> 00:20:01,840

encounter with a six foot tall upright

467

00:20:05,830 --> 00:20:03,919

cryptid near his home

468

00:20:07,669 --> 00:20:05,840

the area is well known for canine crypt

469

00:20:10,070 --> 00:20:07,679

is from previous reports and i have

470

00:20:11,909 --> 00:20:10,080

received several reports from them

471

00:20:14,470 --> 00:20:11,919

goldstown pennsylvanias

472

00:20:16,549 --> 00:20:14,480

has had us a couple of these

473

00:20:18,310 --> 00:20:16,559

canine reports and quite frankly in

474

00:20:20,549 --> 00:20:18,320

pennsylvania especially this year and i

475

00:20:22,070 --> 00:20:20,559

mentioned it on space out radio last

476  
00:20:23,350 --> 00:20:22,080  
night and i think i've mentioned a year

477  
00:20:26,149 --> 00:20:23,360  
before

478  
00:20:28,950 --> 00:20:26,159  
we've had we've been pretty busy with um

479  
00:20:32,149 --> 00:20:28,960  
cryptic canines this this summer

480  
00:20:34,710 --> 00:20:32,159  
we're we're working and looking into

481  
00:20:37,909 --> 00:20:34,720  
four cases in particular

482  
00:20:39,909 --> 00:20:37,919  
uh bernadette and tommy have one out

483  
00:20:41,669 --> 00:20:39,919  
their way in somerset county but then we

484  
00:20:42,630 --> 00:20:41,679  
got some other ones we picked up since

485  
00:20:44,710 --> 00:20:42,640  
then

486  
00:20:47,669 --> 00:20:44,720  
so um

487  
00:20:49,830 --> 00:20:47,679  
yeah so it's been pretty busy

488  
00:20:51,909 --> 00:20:49,840

so uh

489

00:20:53,990 --> 00:20:51,919

the witness wrote to me line back in

490

00:20:55,909 --> 00:20:54,000

2020

491

00:20:58,390 --> 00:20:55,919

i moved to doylestown pennsylvania to be

492

00:21:00,630 --> 00:20:58,400

near my son and grandchildren

493

00:21:02,710 --> 00:21:00,640

i found a small cabin-like apartment in

494

00:21:05,830 --> 00:21:02,720

bucks county i live near farms and woods

495

00:21:09,110 --> 00:21:05,840

i signed the lease on august 6th

496

00:21:10,710 --> 00:21:09,120

when the evening of august 7th 2020 my

497

00:21:12,470 --> 00:21:10,720

son and i came to the apartment to move

498

00:21:14,549 --> 00:21:12,480

some stuff in

499

00:21:17,270 --> 00:21:14,559

we were both standing at the rear of the

500

00:21:18,710 --> 00:21:17,280

truck on the driveway when we both

501  
00:21:22,230 --> 00:21:18,720  
turned around not because we heard

502  
00:21:24,710 --> 00:21:22,240  
something but we just happened to do so

503  
00:21:26,789 --> 00:21:24,720  
we noticed a black odd looking creature

504  
00:21:28,710 --> 00:21:26,799  
creeping at the end of the driveway

505  
00:21:30,710 --> 00:21:28,720  
trying to go past us in the direction of

506  
00:21:32,630 --> 00:21:30,720  
the farm across the cabin

507  
00:21:34,789 --> 00:21:32,640  
it quickly turned around and was going

508  
00:21:37,190 --> 00:21:34,799  
fast we both agreed that it didn't look

509  
00:21:39,190 --> 00:21:37,200  
like a dog or a coyote

510  
00:21:41,350 --> 00:21:39,200  
we finished unloading that evening and i

511  
00:21:44,390 --> 00:21:41,360  
was constantly asking him what he

512  
00:21:46,549 --> 00:21:44,400  
thought the creature was

513  
00:21:49,029 --> 00:21:46,559

he said he didn't know but it was weird

514

00:21:50,710 --> 00:21:49,039

looking i wrote it down because that's

515

00:21:54,230 --> 00:21:50,720

what i've always done

516

00:21:55,990 --> 00:21:54,240

so seven months later on march 1st 2001

517

00:21:57,750 --> 00:21:56,000

it was a cold and windy

518

00:22:00,149 --> 00:21:57,760

early morning

519

00:22:02,630 --> 00:22:00,159

i had put the trash out hours before and

520

00:22:05,110 --> 00:22:02,640

was working on the computer i heard loud

521

00:22:06,950 --> 00:22:05,120

bang and right away i knew my trash it

522

00:22:09,350 --> 00:22:06,960

was my trash can

523

00:22:11,430 --> 00:22:09,360

so i put my jackson shoes on and grabbed

524

00:22:13,110 --> 00:22:11,440

my flashlight it was a little after

525

00:22:14,789 --> 00:22:13,120

three a.m in the morning

526

00:22:16,390 --> 00:22:14,799

the reason i grabbed my flashlight is

527

00:22:18,230 --> 00:22:16,400

because it's very dark

528

00:22:21,190 --> 00:22:18,240

out front and there's wildlife in the

529

00:22:23,590 --> 00:22:21,200

area because of the woods and farmland

530

00:22:25,350 --> 00:22:23,600

when walking on my driveway to the road

531

00:22:26,630 --> 00:22:25,360

you can't see it all unless it's a full

532

00:22:28,789 --> 00:22:26,640

moon

533

00:22:30,549 --> 00:22:28,799

as i got down to my trash can and

534

00:22:31,750 --> 00:22:30,559

started pulling the can up from the

535

00:22:34,310 --> 00:22:31,760

ground

536

00:22:37,590 --> 00:22:34,320

i heard a car horn blowing and the sound

537

00:22:40,870 --> 00:22:37,600

of someone slamming their brakes

538

00:22:43,029 --> 00:22:40,880

as i looked towards the stop sign i see

539

00:22:44,789 --> 00:22:43,039

this black figure in the light of the

540

00:22:46,630 --> 00:22:44,799

car

541

00:22:48,789 --> 00:22:46,640

standing in the middle of the road it

542

00:22:50,789 --> 00:22:48,799

dropped on all fours and starts heading

543

00:22:54,870 --> 00:22:50,799

in my direction

544

00:22:57,350 --> 00:22:54,880

i noticed the guy standing in the road

545

00:22:58,870 --> 00:22:57,360

within seconds the creature had reached

546

00:23:01,029 --> 00:22:58,880

my driveway

547

00:23:03,430 --> 00:23:01,039

it noticed my flashlight and stood up on

548

00:23:05,270 --> 00:23:03,440

two legs boxing its front paws and

549

00:23:08,070 --> 00:23:05,280

growling

550

00:23:10,789 --> 00:23:08,080

it sounded like a snore he had yellow

551  
00:23:13,029 --> 00:23:10,799  
eyes and stood about six foot

552  
00:23:15,430 --> 00:23:13,039  
it had black spiked hair and had drill

553  
00:23:17,909 --> 00:23:15,440  
dripping from its mouth suddenly the car

554  
00:23:20,070 --> 00:23:17,919  
peels wheels and made a left turn

555  
00:23:22,950 --> 00:23:20,080  
towards my driveway the creature dropped

556  
00:23:24,870 --> 00:23:22,960  
on all fours and was gone in a blink

557  
00:23:26,870 --> 00:23:24,880  
the car stopped in front of my driveway

558  
00:23:28,789 --> 00:23:26,880  
and the guy yelled out what

559  
00:23:32,070 --> 00:23:28,799  
what the f was that

560  
00:23:34,310 --> 00:23:32,080  
he then proceeded down my road

561  
00:23:35,669 --> 00:23:34,320  
i was walking backwards shaking

562  
00:23:38,390 --> 00:23:35,679  
nervously

563  
00:23:41,430 --> 00:23:38,400

towards my front door i got inside to

564

00:23:43,590 --> 00:23:41,440

find myself so upset and shaking my head

565

00:23:45,990 --> 00:23:43,600

i stood at the door with the outside

566

00:23:46,870 --> 00:23:46,000

light on and waited for the car to

567

00:23:48,789 --> 00:23:46,880

return

568

00:23:50,710 --> 00:23:48,799

after a few minutes the car blew by my

569

00:23:52,230 --> 00:23:50,720

driveway and preceded the original way

570

00:23:53,590 --> 00:23:52,240

he was heading when he encountered the

571

00:23:57,669 --> 00:23:53,600

creature

572

00:24:01,110 --> 00:23:57,679

steroids from a horror movie i know what

573

00:24:02,789 --> 00:24:01,120

i saw one i don't drink or do drugs

574

00:24:04,870 --> 00:24:02,799

i take care of my wife who suffered a

575

00:24:07,510 --> 00:24:04,880

massive heart attack and has dementia i

576

00:24:09,750 --> 00:24:07,520

haven't seen this creature since then

577

00:24:11,669 --> 00:24:09,760

when i sit outside at night now i'm

578

00:24:13,750 --> 00:24:11,679

packed with two guns

579

00:24:16,070 --> 00:24:13,760

i researched this and found nothing but

580

00:24:19,430 --> 00:24:16,080

i continue looking in case something

581

00:24:22,070 --> 00:24:19,440

pops up i hope i never see this creature

582

00:24:24,789 --> 00:24:22,080

again i still think about when i go

583

00:24:26,549 --> 00:24:24,799

outside at night to sit and relax

584

00:24:28,310 --> 00:24:26,559

if you have any stories like mine i'm

585

00:24:31,110 --> 00:24:28,320

interested in knowing about it you may

586

00:24:32,950 --> 00:24:31,120

find this sounding crazy but my

587

00:24:34,870 --> 00:24:32,960

background is that i work for the police

588

00:24:36,630 --> 00:24:34,880

and fire department and baltimore county

589

00:24:38,870 --> 00:24:36,640

sparrows point police

590

00:24:40,950 --> 00:24:38,880

high tech security body private

591

00:24:42,950 --> 00:24:40,960

bodyguard bank security

592

00:24:44,630 --> 00:24:42,960

uh baltimore blast soccer security and

593

00:24:48,310 --> 00:24:44,640

pinkerton security

594

00:24:50,230 --> 00:24:48,320

so i contacted this guy and um

595

00:24:52,230 --> 00:24:50,240

yeah he sounded absolutely believable i

596

00:24:54,310 --> 00:24:52,240

think he encountered something

597

00:24:56,950 --> 00:24:54,320

um

598

00:24:59,029 --> 00:24:56,960

so his credentials were good because he

599

00:25:00,710 --> 00:24:59,039

he actually lived down right near where

600

00:25:03,110 --> 00:25:00,720

i used to live at

601  
00:25:05,669 --> 00:25:03,120  
and uh eric and i got eric mintel

602  
00:25:07,430 --> 00:25:05,679  
involved eric talked to him and uh he's

603  
00:25:09,190 --> 00:25:07,440  
following up on it because he lives in

604  
00:25:10,789 --> 00:25:09,200  
beth he's in bucks county

605  
00:25:13,350 --> 00:25:10,799  
and he's been doing a lot of these

606  
00:25:15,669 --> 00:25:13,360  
upright canine sightings and reports and

607  
00:25:16,549 --> 00:25:15,679  
such in fact he's been out to bray road

608  
00:25:18,789 --> 00:25:16,559  
twice

609  
00:25:20,390 --> 00:25:18,799  
within the past year so um yeah he's

610  
00:25:22,549 --> 00:25:20,400  
looking into it

611  
00:25:24,470 --> 00:25:22,559  
uh

612  
00:25:29,669 --> 00:25:24,480  
you know i i do believe he he may have

613  
00:25:34,310 --> 00:25:32,230

you know i i i did discuss it in a

614

00:25:37,590 --> 00:25:34,320

little more detail with the witness and

615

00:25:40,390 --> 00:25:37,600

we did follow up and uh i don't know

616

00:25:42,870 --> 00:25:40,400

you know we had another uh

617

00:25:45,110 --> 00:25:42,880

upright wolf encounter

618

00:25:47,750 --> 00:25:45,120

also in dolestown

619

00:25:49,909 --> 00:25:47,760

and we had a red red-eyed hairless

620

00:25:51,990 --> 00:25:49,919

canine like cryptid in dulce down within

621

00:25:54,149 --> 00:25:52,000

the past three years butch looked into

622

00:25:55,669 --> 00:25:54,159

one of them actually

623

00:25:56,390 --> 00:25:55,679

so i don't know what's going on out

624

00:25:58,870 --> 00:25:56,400

there

625

00:26:00,870 --> 00:25:58,880

but um this is in bucks county this

626  
00:26:02,390 --> 00:26:00,880  
indoor and it's not far from the

627  
00:26:03,590 --> 00:26:02,400  
delaware river

628  
00:26:07,510 --> 00:26:03,600  
actually

629  
00:26:09,269 --> 00:26:07,520  
uh it's it's a very historic area and um

630  
00:26:11,590 --> 00:26:09,279  
but it's got it it's it's the

631  
00:26:13,830 --> 00:26:11,600  
residential area has a lot of woods and

632  
00:26:15,669 --> 00:26:13,840  
stuff around it so um

633  
00:26:17,430 --> 00:26:15,679  
people are seeing stuff and encountering

634  
00:26:20,470 --> 00:26:17,440  
things so um

635  
00:26:22,710 --> 00:26:20,480  
it's an interesting report

636  
00:26:24,950 --> 00:26:22,720  
so uh anybody got anything to say about

637  
00:26:27,909 --> 00:26:24,960  
that

638  
00:26:30,950 --> 00:26:29,269

like i said you know if you've got

639

00:26:33,350 --> 00:26:30,960

questions feel free to ask me at the end

640

00:26:35,669 --> 00:26:33,360

of the end of my presentation

641

00:26:37,190 --> 00:26:35,679

so this next one

642

00:26:39,830 --> 00:26:37,200

kind of receives some interest from

643

00:26:42,630 --> 00:26:39,840

people and i did mention it on the show

644

00:26:43,669 --> 00:26:42,640

but i'm gonna i'm gonna mention it here

645

00:26:45,909 --> 00:26:43,679

um

646

00:26:48,470 --> 00:26:45,919

you know where houston texas man relates

647

00:26:50,230 --> 00:26:48,480

a strange encounter that i that he had

648

00:26:53,750 --> 00:26:50,240

with a bigfoot

649

00:26:55,750 --> 00:26:53,760

at buffalo bayou in 1997

650

00:26:58,710 --> 00:26:55,760

and quite frankly this is probably one

651  
00:27:01,350 --> 00:26:58,720  
of the more unusual bigfoot encounters

652  
00:27:03,990 --> 00:27:01,360  
that's ever been told to me

653  
00:27:07,190 --> 00:27:04,000  
i uh i received an interesting phone

654  
00:27:09,590 --> 00:27:07,200  
call from a 68 year old houston texas

655  
00:27:11,590 --> 00:27:09,600  
man who i'll call rc

656  
00:27:13,909 --> 00:27:11,600  
says that he encountered a bigfoot in

657  
00:27:17,669 --> 00:27:13,919  
buffalo bayou in

658  
00:27:20,870 --> 00:27:19,350  
while he was looking for driving

659  
00:27:22,470 --> 00:27:20,880  
directions

660  
00:27:24,950 --> 00:27:22,480  
i have heard of a few interesting

661  
00:27:26,710 --> 00:27:24,960  
bigfoot encounters at buffalo by

662  
00:27:28,070 --> 00:27:26,720  
previously but this is by far the

663  
00:27:30,389 --> 00:27:28,080

strangest now

664

00:27:33,110 --> 00:27:30,399

for those who don't know houston buffalo

665

00:27:35,750 --> 00:27:33,120

bio is a um

666

00:27:37,669 --> 00:27:35,760

it's a it's more like a river but it it

667

00:27:39,430 --> 00:27:37,679

does

668

00:27:42,070 --> 00:27:39,440

you know it's more and people that are

669

00:27:45,190 --> 00:27:42,080

familiar buyers want bayous and such it

670

00:27:46,149 --> 00:27:45,200

does regulate and change and depth up

671

00:27:47,750 --> 00:27:46,159

and down

672

00:27:50,070 --> 00:27:47,760

and that's kind of what it is i mean

673

00:27:52,549 --> 00:27:50,080

when when the water levels

674

00:27:54,950 --> 00:27:52,559

does wane up and down and i have been

675

00:27:59,029 --> 00:27:54,960

told that

676  
00:28:00,710 --> 00:27:59,039  
many times people that will go out there

677  
00:28:03,350 --> 00:28:00,720  
will see

678  
00:28:05,510 --> 00:28:03,360  
the the the water level has gotten so

679  
00:28:06,549 --> 00:28:05,520  
low that there are stranded fish out

680  
00:28:08,710 --> 00:28:06,559  
there

681  
00:28:11,190 --> 00:28:08,720  
mostly gar or carp

682  
00:28:13,110 --> 00:28:11,200  
and i had had one person tell me that

683  
00:28:15,029 --> 00:28:13,120  
they they literally saw a bigfoot

684  
00:28:16,389 --> 00:28:15,039  
walking out there in the muck grabbing

685  
00:28:18,630 --> 00:28:16,399  
fish

686  
00:28:21,190 --> 00:28:18,640  
so they have people have seen them out

687  
00:28:23,269 --> 00:28:21,200  
there so rc states

688  
00:28:25,430 --> 00:28:23,279

that he was with his new

689

00:28:27,830 --> 00:28:25,440

at his new girlfriend's place until four

690

00:28:29,830 --> 00:28:27,840

o'clock am one morning

691

00:28:32,549 --> 00:28:29,840

apparently he didn't know the area that

692

00:28:34,549 --> 00:28:32,559

well since he had just moved to houston

693

00:28:36,789 --> 00:28:34,559

somehow he got lost and ended up in the

694

00:28:38,789 --> 00:28:36,799

buffalo bayou area

695

00:28:39,750 --> 00:28:38,799

he pulled off the road hoping that he

696

00:28:42,389 --> 00:28:39,760

could find

697

00:28:44,549 --> 00:28:42,399

someone to give him directions

698

00:28:47,110 --> 00:28:44,559

he knew that he needed to get back on

699

00:28:49,350 --> 00:28:47,120

allen parkway in order to drive home and

700

00:28:50,630 --> 00:28:49,360

now allen parkway is the main highway

701  
00:28:52,870 --> 00:28:50,640  
that runs

702  
00:28:55,029 --> 00:28:52,880  
parallel to the bio

703  
00:28:58,149 --> 00:28:55,039  
as he sat in his car he noticed someone

704  
00:28:59,669 --> 00:28:58,159  
walking to his left near the water so he

705  
00:29:02,149 --> 00:28:59,679  
got out of his car

706  
00:29:04,310 --> 00:29:02,159  
and called out to the individual

707  
00:29:05,830 --> 00:29:04,320  
this person stopped and looked over

708  
00:29:08,310 --> 00:29:05,840  
their shoulder

709  
00:29:10,789 --> 00:29:08,320  
as rc walked closer he figured that this

710  
00:29:13,990 --> 00:29:10,799  
person was a transient

711  
00:29:15,830 --> 00:29:14,000  
but he did realize even though there was

712  
00:29:18,549 --> 00:29:15,840  
very little available light that this

713  
00:29:20,789 --> 00:29:18,559

person was quite tall and big

714

00:29:23,350 --> 00:29:20,799

so our city got within 10 foot or so

715

00:29:25,510 --> 00:29:23,360

from the individual who stood still and

716

00:29:28,630 --> 00:29:25,520

watched rc approach

717

00:29:29,669 --> 00:29:28,640

rc then realized that something was not

718

00:29:32,230 --> 00:29:29,679

right

719

00:29:35,110 --> 00:29:32,240

that the hair on this person was very

720

00:29:36,710 --> 00:29:35,120

long and extended down to the chest

721

00:29:38,870 --> 00:29:36,720

and that the rest of the body was

722

00:29:41,029 --> 00:29:38,880

completely covered in hair

723

00:29:43,750 --> 00:29:41,039

rc immediately told the person never

724

00:29:45,269 --> 00:29:43,760

mind then quickly turned and ran to his

725

00:29:49,909 --> 00:29:45,279

car

726  
00:29:51,190 --> 00:29:49,919  
hoping that this person had not followed

727  
00:29:53,430 --> 00:29:51,200  
or chased him

728  
00:29:55,510 --> 00:29:53,440  
he quickly glanced back and saw that

729  
00:29:58,070 --> 00:29:55,520  
this individual was still standing in

730  
00:29:59,909 --> 00:29:58,080  
the same spot looking at him

731  
00:30:02,789 --> 00:29:59,919  
rc started

732  
00:30:06,389 --> 00:30:02,799  
his car and drove off

733  
00:30:09,510 --> 00:30:06,399  
as he was driving he was trying to

734  
00:30:11,510 --> 00:30:09,520  
figure out what he had encountered

735  
00:30:13,590 --> 00:30:11,520  
now at that time he never thought much

736  
00:30:15,909 --> 00:30:13,600  
about bigfoot let alone seeing one in

737  
00:30:17,830 --> 00:30:15,919  
the city of houston

738  
00:30:20,230 --> 00:30:17,840

the next day he called his brother who

739

00:30:22,789 --> 00:30:20,240

told rc that he may have actually had a

740

00:30:24,310 --> 00:30:22,799

bigfoot encounter apparently his brother

741

00:30:26,630 --> 00:30:24,320

was aware of other sightings in the

742

00:30:28,630 --> 00:30:26,640

buffalo bayou area

743

00:30:30,470 --> 00:30:28,640

now several years ago i had talked to

744

00:30:32,950 --> 00:30:30,480

another houston man who had been

745

00:30:35,110 --> 00:30:32,960

garfishing in buffalo bayou

746

00:30:36,470 --> 00:30:35,120

it was late afternoon and he was along

747

00:30:38,950 --> 00:30:36,480

the shore

748

00:30:41,430 --> 00:30:38,960

as he sat there he heard something

749

00:30:43,669 --> 00:30:41,440

approach him from behind

750

00:30:45,029 --> 00:30:43,679

he looked and was stunned to see a six

751  
00:30:47,430 --> 00:30:45,039  
foot tall

752  
00:30:49,110 --> 00:30:47,440  
dark brown bigfoot standing about 30

753  
00:30:51,269 --> 00:30:49,120  
foot behind him

754  
00:30:52,630 --> 00:30:51,279  
the man slowly stood up and faced the

755  
00:30:54,389 --> 00:30:52,640  
bigfoot

756  
00:30:56,630 --> 00:30:54,399  
this was not the first time that he had

757  
00:30:58,549 --> 00:30:56,640  
seen a similar creature at the bayou the

758  
00:31:00,230 --> 00:30:58,559  
bigfoot stood still

759  
00:31:04,789 --> 00:31:00,240  
but continued

760  
00:31:07,190 --> 00:31:04,799  
after several seconds the fisherman

761  
00:31:09,269 --> 00:31:07,200  
removed one of his guard on his stringer

762  
00:31:11,110 --> 00:31:09,279  
and placed it on the ground

763  
00:31:13,590 --> 00:31:11,120

and he gathered his gear walked away as

764

00:31:15,430 --> 00:31:13,600

he glanced back he saw the bigfoot pick

765

00:31:16,630 --> 00:31:15,440

up the fish and run downstream toward

766

00:31:18,789 --> 00:31:16,640

the trees

767

00:31:21,430 --> 00:31:18,799

so apparently

768

00:31:23,190 --> 00:31:21,440

this is not unusual in the area

769

00:31:26,389 --> 00:31:23,200

and like i said i have heard other

770

00:31:28,870 --> 00:31:26,399

reports from there so um

771

00:31:31,269 --> 00:31:28,880

who knows and quite frankly people live

772

00:31:33,110 --> 00:31:31,279

in the area if you heard of anything

773

00:31:34,789 --> 00:31:33,120

please feel free to contact me because

774

00:31:35,990 --> 00:31:34,799

i'm i'm interested in getting more

775

00:31:38,230 --> 00:31:36,000

reports

776  
00:31:39,430 --> 00:31:38,240  
from there and seeing what you know

777  
00:31:40,870 --> 00:31:39,440  
you know trying to get some more

778  
00:31:44,070 --> 00:31:40,880  
information about what people are

779  
00:31:47,750 --> 00:31:44,080  
encountering there in houston

780  
00:31:48,870 --> 00:31:47,760  
now this uh this last encounter

781  
00:31:50,710 --> 00:31:48,880  
uh

782  
00:31:54,549 --> 00:31:50,720  
where a group of friends decided to go

783  
00:31:57,190 --> 00:31:54,559  
camping near mcgowan rim in arizona

784  
00:31:59,509 --> 00:31:57,200  
uh later that night after hiking to the

785  
00:32:01,590 --> 00:31:59,519  
rim they encountered a roaring bigfoot

786  
00:32:02,630 --> 00:32:01,600  
that is throwing rocks and branches at

787  
00:32:05,110 --> 00:32:02,640  
them now

788  
00:32:07,909 --> 00:32:05,120

for those familiar with

789

00:32:10,950 --> 00:32:07,919

uh the mongolian

790

00:32:12,230 --> 00:32:10,960

creature mcgowan monster apparently and

791

00:32:13,750 --> 00:32:12,240

it's been going on for a long time

792

00:32:15,509 --> 00:32:13,760

there's this bigfoot

793

00:32:17,430 --> 00:32:15,519

and it people say it's the same one i

794

00:32:18,950 --> 00:32:17,440

don't know if it is or not but the goal

795

00:32:21,430 --> 00:32:18,960

in the rim

796

00:32:25,190 --> 00:32:21,440

is supposedly where this is seen at so

797

00:32:28,389 --> 00:32:27,029

this incident occurred when i went to

798

00:32:30,230 --> 00:32:28,399

school in arizona

799

00:32:31,590 --> 00:32:30,240

a group of my friends wanted to take me

800

00:32:33,430 --> 00:32:31,600

out exploring

801  
00:32:35,669 --> 00:32:33,440  
i'm born and raised in the bay area

802  
00:32:37,509 --> 00:32:35,679  
california city life in other words i

803  
00:32:39,590 --> 00:32:37,519  
have never been camping

804  
00:32:41,430 --> 00:32:39,600  
i mean the one time i saw snow was on

805  
00:32:43,110 --> 00:32:41,440  
the mountaintops about 50 miles from my

806  
00:32:45,029 --> 00:32:43,120  
house

807  
00:32:47,110 --> 00:32:45,039  
the anyway we were

808  
00:32:50,389 --> 00:32:47,120  
here we are six of us heading on the

809  
00:32:53,509 --> 00:32:50,399  
magolan rim from tempe arizona

810  
00:32:55,509 --> 00:32:53,519  
we had left tempe at 5 a.m

811  
00:32:57,350 --> 00:32:55,519  
it wasn't a day trip these guys had

812  
00:32:59,990 --> 00:32:57,360  
packed tents food water and everything

813  
00:33:02,710 --> 00:33:00,000

you can think of for an excursion

814

00:33:05,350 --> 00:33:02,720

i bought my 45 with enough ammo for it

815

00:33:07,990 --> 00:33:05,360

just in case situation

816

00:33:09,029 --> 00:33:08,000

so about five hours after we arrive i'm

817

00:33:10,870 --> 00:33:09,039

in all

818

00:33:12,549 --> 00:33:10,880

the smells of fresh air and views of

819

00:33:14,630 --> 00:33:12,559

mountains were amazing

820

00:33:16,870 --> 00:33:14,640

two of my buddies were setting up camp i

821

00:33:18,549 --> 00:33:16,880

decided to look at our surroundings one

822

00:33:19,590 --> 00:33:18,559

of the guys told me not to wander off

823

00:33:20,870 --> 00:33:19,600

too far

824

00:33:22,950 --> 00:33:20,880

i agree

825

00:33:25,909 --> 00:33:22,960

i had my 45 and just walked through the

826

00:33:28,070 --> 00:33:25,919

woods i must have walked about a good

827

00:33:30,070 --> 00:33:28,080

half hour i saw a few critters but

828

00:33:32,710 --> 00:33:30,080

nothing to write him about

829

00:33:35,110 --> 00:33:32,720

i got to a stream i sat on this rock and

830

00:33:36,870 --> 00:33:35,120

was about to feel the water

831

00:33:39,190 --> 00:33:36,880

when the corner of my eye something

832

00:33:40,950 --> 00:33:39,200

flashed i saw a black flash

833

00:33:43,590 --> 00:33:40,960

like something was there but when i

834

00:33:44,710 --> 00:33:43,600

looked up it was gone no noise

835

00:33:47,190 --> 00:33:44,720

i was like

836

00:33:49,110 --> 00:33:47,200

i better get back so i must be tired

837

00:33:51,110 --> 00:33:49,120

from the drive up

838

00:33:53,430 --> 00:33:51,120

i got back to the camp and relaxed for a

839

00:33:55,990 --> 00:33:53,440

few minutes at about midnight we all

840

00:33:59,269 --> 00:33:56,000

decided to go to the rim

841

00:34:00,710 --> 00:33:59,279

we grabbed canteens and took off

842

00:34:03,269 --> 00:34:00,720

one of the guys mentioned something

843

00:34:05,190 --> 00:34:03,279

about them a golden beast

844

00:34:07,669 --> 00:34:05,200

here we go i thought

845

00:34:09,349 --> 00:34:07,679

another guy asked what's that

846

00:34:11,109 --> 00:34:09,359

the guy said it's a bigfoot type

847

00:34:13,589 --> 00:34:11,119

creature we laughed

848

00:34:15,829 --> 00:34:13,599

i said well i'm protected one guy said

849

00:34:16,550 --> 00:34:15,839

that my 45 wasn't strong enough to stop

850

00:34:19,750 --> 00:34:16,560

it

851  
00:34:22,149 --> 00:34:19,760  
i said well if he was charging i'd make

852  
00:34:24,629 --> 00:34:22,159  
him stop it'll make him stop we all left

853  
00:34:27,349 --> 00:34:24,639  
and continued our trek

854  
00:34:29,349 --> 00:34:27,359  
so about three hours later we arrived

855  
00:34:31,030 --> 00:34:29,359  
and everyone is tired from the hike

856  
00:34:33,030 --> 00:34:31,040  
including myself

857  
00:34:35,349 --> 00:34:33,040  
i needed to relieve myself so i found

858  
00:34:38,230 --> 00:34:35,359  
some trees to handle my business

859  
00:34:39,190 --> 00:34:38,240  
a pebble about two inches around hit my

860  
00:34:40,950 --> 00:34:39,200  
knee

861  
00:34:42,389 --> 00:34:40,960  
my first thought was these guys were

862  
00:34:45,190 --> 00:34:42,399  
playing with me

863  
00:34:47,109 --> 00:34:45,200

i laughed it off as a zip up and

864

00:34:49,109 --> 00:34:47,119

walked back to the group

865

00:34:51,669 --> 00:34:49,119

i picked up a few pebbles on the way to

866

00:34:53,669 --> 00:34:51,679

the group and started pegging the guys

867

00:34:55,909 --> 00:34:53,679

you want to play games i said they all

868

00:34:58,470 --> 00:34:55,919

looked at me confused

869

00:35:00,390 --> 00:34:58,480

i said why i said while i was

870

00:35:02,470 --> 00:35:00,400

you know outward leaving myself someone

871

00:35:05,430 --> 00:35:02,480

threw a pebble on my leg

872

00:35:07,510 --> 00:35:05,440

they were all about 50 foot for me for

873

00:35:09,270 --> 00:35:07,520

them to reach me they would have had to

874

00:35:11,109 --> 00:35:09,280

really chuck it

875

00:35:12,550 --> 00:35:11,119

but the pebble that hit me wasn't

876

00:35:15,270 --> 00:35:12,560

throwing hard

877

00:35:18,069 --> 00:35:15,280

and no one else was near me everyone was

878

00:35:21,430 --> 00:35:18,079

at the rim my second thought was

879

00:35:25,589 --> 00:35:23,510

so i suggested we go back to camp

880

00:35:27,910 --> 00:35:25,599

because i was getting hungry that's when

881

00:35:30,310 --> 00:35:27,920

all hell broke loose as soon as everyone

882

00:35:31,589 --> 00:35:30,320

got up a roar came from the forest to

883

00:35:33,750 --> 00:35:31,599

the right

884

00:35:36,150 --> 00:35:33,760

there was a line roar like from missoula

885

00:35:38,150 --> 00:35:36,160

it was one of those guttural deep t-rex

886

00:35:41,190 --> 00:35:38,160

wars from jurassic park

887

00:35:42,230 --> 00:35:41,200

i pulled my 45 and began walking a bit

888

00:35:44,150 --> 00:35:42,240

faster

889

00:35:46,310 --> 00:35:44,160

a rock measuring about the size of a

890

00:35:47,670 --> 00:35:46,320

basketball flew a foot away from my

891

00:35:50,150 --> 00:35:47,680

buddy's head

892

00:35:52,550 --> 00:35:50,160

and four or five branches about six foot

893

00:35:56,150 --> 00:35:52,560

long and about two inches thick were

894

00:35:58,310 --> 00:35:56,160

thrown at us from behind a bluff

895

00:36:00,630 --> 00:35:58,320

all the guys were started running i was

896

00:36:02,550 --> 00:36:00,640

behind but i let out five rounds

897

00:36:04,470 --> 00:36:02,560

and took off running

898

00:36:06,150 --> 00:36:04,480

we got the camp started packing our

899

00:36:08,950 --> 00:36:06,160

stuff up

900

00:36:11,190 --> 00:36:08,960

they asked me what i was shooting at us

901  
00:36:13,030 --> 00:36:11,200  
i said it was in the air to scare

902  
00:36:14,550 --> 00:36:13,040  
anything off

903  
00:36:15,990 --> 00:36:14,560  
they must have packed the whole camp for

904  
00:36:18,150 --> 00:36:16,000  
15 minutes

905  
00:36:20,390 --> 00:36:18,160  
as we were piling into the jeep i looked

906  
00:36:23,589 --> 00:36:20,400  
back and standing in the forest line was

907  
00:36:25,589 --> 00:36:23,599  
an eight-foot tall black-colored bigfoot

908  
00:36:28,630 --> 00:36:25,599  
it just stood there watching the guys

909  
00:36:30,630 --> 00:36:28,640  
pow into the jeep like scared ants

910  
00:36:32,630 --> 00:36:30,640  
i stood by the back door watching the

911  
00:36:34,790 --> 00:36:32,640  
beast it just stood there half of my

912  
00:36:36,390 --> 00:36:34,800  
brain wanted to shoot the other half

913  
00:36:39,030 --> 00:36:36,400

wanted to talk to it

914

00:36:40,790 --> 00:36:39,040

i felt as if i was in a trance i was

915

00:36:43,750 --> 00:36:40,800

just fixated on it

916

00:36:46,230 --> 00:36:43,760

i was about 30 foot away from it

917

00:36:49,589 --> 00:36:46,240

i saw as if it i just

918

00:36:51,349 --> 00:36:49,599

i saw it as if i i was it was just it

919

00:36:53,430 --> 00:36:51,359

and i

920

00:36:55,109 --> 00:36:53,440

my friends were yelling but i heard

921

00:36:56,870 --> 00:36:55,119

faint muffling in the background i

922

00:36:57,670 --> 00:36:56,880

remember wanting to say something like

923

00:37:00,630 --> 00:36:57,680

hey

924

00:37:02,630 --> 00:37:00,640

scaring you

925

00:37:04,150 --> 00:37:02,640

my trance was broken when one of my

926  
00:37:05,510 --> 00:37:04,160  
friends grabbed me and pushed me into

927  
00:37:07,109 --> 00:37:05,520  
the jeep

928  
00:37:09,990 --> 00:37:07,119  
i heard him say

929  
00:37:11,829 --> 00:37:10,000  
there is the bigfoot let's go

930  
00:37:13,750 --> 00:37:11,839  
i looked back out of the rear window and

931  
00:37:16,710 --> 00:37:13,760  
it was gone

932  
00:37:19,190 --> 00:37:16,720  
now this was in 1992. i i never went

933  
00:37:22,310 --> 00:37:19,200  
back to the mcgowan rim

934  
00:37:24,310 --> 00:37:22,320  
i never went into the woods

935  
00:37:26,950 --> 00:37:24,320  
even now in my late 40s i know what i

936  
00:37:29,030 --> 00:37:26,960  
saw it was a man a tall hairy man with

937  
00:37:29,870 --> 00:37:29,040  
gentle eyes

938  
00:37:31,510 --> 00:37:29,880

so uh

939

00:37:33,990 --> 00:37:31,520

[Music]

940

00:37:35,430 --> 00:37:34,000

i i i just wonder if this is the golden

941

00:37:37,510 --> 00:37:35,440

beast they actually encountered maybe

942

00:37:39,030 --> 00:37:37,520

there's a couple of them it seemed like

943

00:37:41,670 --> 00:37:39,040

these things are being thrown in all

944

00:37:44,230 --> 00:37:41,680

directions maybe there's a group of them

945

00:37:46,069 --> 00:37:44,240

uh so this is the last encounter i have

946

00:37:48,230 --> 00:37:46,079

tonight so if you guys have any folks

947

00:37:50,470 --> 00:37:48,240

have any questions please feel free to

948

00:37:53,510 --> 00:37:50,480

ask me right now

949

00:38:06,710 --> 00:37:53,520

put it in in caps and i'll answer the

950

00:38:06,720 --> 00:38:11,030

okay let's see here

951  
00:38:15,430 --> 00:38:12,710  
where's the highest concentration of

952  
00:38:18,550 --> 00:38:15,440  
dogman sightings in pennsylvania

953  
00:38:21,190 --> 00:38:18,560  
mostly in central pennsylvania

954  
00:38:22,630 --> 00:38:21,200  
i'd see the counties that have had more

955  
00:38:24,870 --> 00:38:22,640  
encounters

956  
00:38:26,230 --> 00:38:24,880  
are clearfield

957  
00:38:28,230 --> 00:38:26,240  
blair

958  
00:38:32,150 --> 00:38:28,240  
cambria

959  
00:38:36,230 --> 00:38:34,630  
uh around those areas now the sightings

960  
00:38:38,230 --> 00:38:36,240  
we've had this year

961  
00:38:39,510 --> 00:38:38,240  
we had the one this summer set

962  
00:38:42,390 --> 00:38:39,520  
but most the other ones have been

963  
00:38:43,910 --> 00:38:42,400

eastern eastern part of the state um

964

00:38:47,349 --> 00:38:43,920

dolphin count when that wasn't that was

965

00:38:50,710 --> 00:38:47,359

an older setting but in uh in berks

966

00:38:53,190 --> 00:38:50,720

county and in bucks county

967

00:38:57,430 --> 00:38:53,200

so uh yeah we're getting these sightings

968

00:38:59,270 --> 00:38:57,440

in in all parts of state so and and and

969

00:39:00,870 --> 00:38:59,280

stan gordon has messed with me he has

970

00:39:03,190 --> 00:39:00,880

had a few settings

971

00:39:05,510 --> 00:39:03,200

as well so uh yeah

972

00:39:07,670 --> 00:39:05,520

m swords asked uh do you get a lot of

973

00:39:09,589 --> 00:39:07,680

reports of beast debris road in elkhorn

974

00:39:10,630 --> 00:39:09,599

wisconsin i don't get their sightings

975

00:39:12,230 --> 00:39:10,640

from there

976

00:39:13,109 --> 00:39:12,240

um

977

00:39:16,950 --> 00:39:13,119

you know

978

00:39:18,870 --> 00:39:16,960

i think it's it's been going on so long

979

00:39:20,790 --> 00:39:18,880

out in that area that people just don't

980

00:39:22,950 --> 00:39:20,800

report it that much they just kind of

981

00:39:23,829 --> 00:39:22,960

feel they it's part of what they

982

00:39:26,069 --> 00:39:23,839

their

983

00:39:28,710 --> 00:39:26,079

uh

984

00:39:30,470 --> 00:39:28,720

you know i had lee hempel on who owns

985

00:39:33,190 --> 00:39:30,480

property there and he talks about it all

986

00:39:35,589 --> 00:39:33,200

the time he's had encounters

987

00:39:37,990 --> 00:39:35,599

and he continues to have encountered

988

00:39:39,430 --> 00:39:38,000

and it's a lot of supernatural aspects

989

00:39:42,150 --> 00:39:39,440

to it as well

990

00:39:45,030 --> 00:39:42,160

so i i suggest you go back into my

991

00:39:48,150 --> 00:39:45,040

archive and and uh

992

00:39:50,150 --> 00:39:48,160

listen to the uh

993

00:39:53,670 --> 00:39:50,160

the uh interview we have with lee

994

00:39:56,390 --> 00:39:53,680

hemphill just couple months ago

995

00:39:59,670 --> 00:39:56,400

uh david jones locker lon have you ever

996

00:40:03,109 --> 00:39:59,680

had an angelic encounter absolutely

997

00:40:04,470 --> 00:40:03,119

i use i use angels in my spirit rescue

998

00:40:06,470 --> 00:40:04,480

work

999

00:40:09,270 --> 00:40:06,480

i mean people may hear that from me and

1000

00:40:11,910 --> 00:40:09,280

think what is long talking about but no

1001

00:40:15,349 --> 00:40:11,920

i i heavily believe in guardian angels

1002

00:40:16,470 --> 00:40:15,359

and i believe angels are put with us to

1003

00:40:18,150 --> 00:40:16,480

help us

1004

00:40:19,990 --> 00:40:18,160

it's not a religious thing it's just a

1005

00:40:23,670 --> 00:40:20,000

faith thing it's you know

1006

00:40:25,589 --> 00:40:23,680

i um but i i have since then i have

1007

00:40:28,870 --> 00:40:25,599

seen them with my

1008

00:40:31,270 --> 00:40:28,880

my uh intuitive abilities and

1009

00:40:34,230 --> 00:40:31,280

i have used them

1010

00:40:36,790 --> 00:40:34,240

and uh i have helped others see them and

1011

00:40:39,910 --> 00:40:36,800

encounter them as well

1012

00:40:41,589 --> 00:40:39,920

and i do ask people to um

1013

00:40:43,750 --> 00:40:41,599

try to communicate with their guardian

1014

00:40:52,790 --> 00:40:43,760

angels it's something that i

1015

00:40:56,710 --> 00:40:54,309

uh let's see

1016

00:40:58,950 --> 00:40:56,720

24 baby bull any crypto sightings

1017

00:41:00,550 --> 00:40:58,960

delaware water gap area pennsylvania new

1018

00:41:02,390 --> 00:41:00,560

jersey oh yeah

1019

00:41:04,390 --> 00:41:02,400

delaware water gap area does have some

1020

00:41:06,790 --> 00:41:04,400

bigfoot settings

1021

00:41:09,109 --> 00:41:06,800

there have been a few up there

1022

00:41:11,030 --> 00:41:09,119

as well as you know in new jersey

1023

00:41:12,630 --> 00:41:11,040

southwest new jersey has had bigfoot

1024

00:41:14,470 --> 00:41:12,640

encounters

1025

00:41:16,550 --> 00:41:14,480

uh i've had some k i've had some

1026

00:41:18,790 --> 00:41:16,560

haunting cases up there

1027

00:41:21,589 --> 00:41:18,800

but uh yeah there's bigfoot and there's

1028

00:41:24,470 --> 00:41:21,599

bigfoot in new jersey absolute northeast

1029

00:41:27,349 --> 00:41:24,480

northeast pennsylvania as well

1030

00:41:29,030 --> 00:41:27,359

but delaware water gap is is a somewhat

1031

00:41:31,750 --> 00:41:29,040

hot area there's a lot of weird things

1032

00:41:32,829 --> 00:41:31,760

going on up there

1033

00:41:35,829 --> 00:41:32,839

so

1034

00:41:38,950 --> 00:41:35,839

yep if you go to my web if you go to my

1035

00:41:40,069 --> 00:41:38,960

blog and and uh search the search tool

1036

00:41:43,190 --> 00:41:40,079

and put

1037

00:41:45,510 --> 00:41:43,200

delaware uh water gap it some of them

1038

00:41:47,349 --> 00:41:45,520

may come up

1039

00:41:49,670 --> 00:41:47,359

have you heard of any other arizona

1040

00:41:51,349 --> 00:41:49,680

settings oh yeah arizona is pretty busy

1041

00:41:54,550 --> 00:41:51,359

um you know when

1042

00:41:57,270 --> 00:41:54,560

when jc johnson was still alive

1043

00:42:00,309 --> 00:41:57,280

he did a lot of his investigations

1044

00:42:01,349 --> 00:42:00,319

throughout arizona northern arizona in

1045

00:42:03,270 --> 00:42:01,359

the uh

1046

00:42:06,069 --> 00:42:03,280

to the neigh navajo reservation even

1047

00:42:08,870 --> 00:42:06,079

into the apache areas but um the chisca

1048

00:42:11,349 --> 00:42:08,880

mountains is a real active area

1049

00:42:13,270 --> 00:42:11,359

a lot of bigfoot activity

1050

00:42:14,309 --> 00:42:13,280

a lot of weird stuff too you know david

1051

00:42:16,309 --> 00:42:14,319

wedley

1052

00:42:18,069 --> 00:42:16,319

had been with jc a couple times when

1053

00:42:20,150 --> 00:42:18,079

they had gone up there

1054

00:42:23,109 --> 00:42:20,160

and he has a couple stories but yeah

1055

00:42:27,270 --> 00:42:23,119

bigfoot's pretty prevalent up there

1056

00:42:30,630 --> 00:42:28,230

uh

1057

00:42:33,030 --> 00:42:30,640

black rabbit hey lon do you anticipate

1058

00:42:35,190 --> 00:42:33,040

any new information ever coming in light

1059

00:42:37,349 --> 00:42:35,200

regarding the coming to lane regarding

1060

00:42:39,589 --> 00:42:37,359

todd sees i hope it is

1061

00:42:40,870 --> 00:42:39,599

you know it's been very few and far

1062

00:42:42,950 --> 00:42:40,880

between

1063

00:42:44,550 --> 00:42:42,960

uh i don't know if any of the family

1064

00:42:46,309 --> 00:42:44,560

members are ever going to come forward

1065

00:42:48,470 --> 00:42:46,319

anything else you know butch had some

1066

00:42:50,069 --> 00:42:48,480

contacts with some

1067

00:42:52,069 --> 00:42:50,079

some um

1068

00:42:54,150 --> 00:42:52,079

people some police officers who had been

1069

00:42:56,950 --> 00:42:54,160

part of that case but

1070

00:42:58,630 --> 00:42:56,960

they had not gotten back to him and i i

1071

00:43:00,150 --> 00:42:58,640

really don't have any contact

1072

00:43:01,750 --> 00:43:00,160

information so

1073

00:43:04,470 --> 00:43:01,760

you know

1074

00:43:06,790 --> 00:43:04,480

if something does come up

1075

00:43:09,349 --> 00:43:06,800

i'll i'll be i'll jump on it and i'll

1076  
00:43:12,630 --> 00:43:09,359  
look into it but i just have not heard a

1077  
00:43:14,390 --> 00:43:12,640  
whole lot i really haven't

1078  
00:43:16,710 --> 00:43:14,400  
do you know of any encounters near

1079  
00:43:18,230 --> 00:43:16,720  
kanawha county west virginia absolutely

1080  
00:43:20,150 --> 00:43:18,240  
there have been winged humanoid

1081  
00:43:21,910 --> 00:43:20,160  
sightings up there

1082  
00:43:24,069 --> 00:43:21,920  
um

1083  
00:43:26,069 --> 00:43:24,079  
up and down the conewell river as well

1084  
00:43:27,750 --> 00:43:26,079  
um

1085  
00:43:29,910 --> 00:43:27,760  
i've got a couple of those listed on the

1086  
00:43:32,630 --> 00:43:29,920  
blog if you put connor with conway

1087  
00:43:33,990 --> 00:43:32,640  
county or kanawha into the search engine

1088  
00:43:36,390 --> 00:43:34,000

they'll come up

1089

00:43:39,990 --> 00:43:36,400

uh you know that whole mason county in

1090

00:43:42,870 --> 00:43:40,000

capcom county areas have still got

1091

00:43:44,150 --> 00:43:42,880

mothman win humanoid encounters to this

1092

00:43:46,550 --> 00:43:44,160

day

1093

00:43:48,309 --> 00:43:46,560

it didn't stop back in the 60s uh it

1094

00:43:51,430 --> 00:43:48,319

still happens

1095

00:43:53,430 --> 00:43:51,440

and uh i had some dull man sightings in

1096

00:43:55,510 --> 00:43:53,440

connell county as well

1097

00:44:00,870 --> 00:43:55,520

so uh yep there's a lot of stuff that

1098

00:44:05,990 --> 00:44:01,770

uh

1099

00:44:09,829 --> 00:44:07,829

karen peterson what are your thoughts on

1100

00:44:12,550 --> 00:44:09,839

the increase of upright canine settings

1101  
00:44:15,270 --> 00:44:12,560  
well you know i met i talked to dave

1102  
00:44:19,510 --> 00:44:17,270  
dave scott about this on

1103  
00:44:21,030 --> 00:44:19,520  
spaced out radio the other night

1104  
00:44:22,710 --> 00:44:21,040  
uh

1105  
00:44:24,069 --> 00:44:22,720  
i think more recently people are going

1106  
00:44:26,309 --> 00:44:24,079  
out in the woods as compared to where

1107  
00:44:28,550 --> 00:44:26,319  
they were during the lockdown

1108  
00:44:31,750 --> 00:44:28,560  
and i think these things are

1109  
00:44:35,589 --> 00:44:31,760  
are coming out more now

1110  
00:44:37,670 --> 00:44:35,599  
we have been getting a lot of the um

1111  
00:44:39,990 --> 00:44:37,680  
the uh

1112  
00:44:41,670 --> 00:44:40,000  
hyena like looking beans and the

1113  
00:44:44,230 --> 00:44:41,680

colorings and

1114

00:44:46,390 --> 00:44:44,240

the slope backs and such

1115

00:44:49,270 --> 00:44:46,400

car depends in uprights

1116

00:44:52,790 --> 00:44:51,030

why it's happening i don't know i mean i

1117

00:44:55,349 --> 00:44:52,800

think more people

1118

00:44:56,470 --> 00:44:55,359

are willing to look around and see

1119

00:44:58,390 --> 00:44:56,480

things

1120

00:45:00,950 --> 00:44:58,400

i've always thought that

1121

00:45:02,710 --> 00:45:00,960

cryptids

1122

00:45:04,630 --> 00:45:02,720

that are seen allow people certain

1123

00:45:06,390 --> 00:45:04,640

people to see them

1124

00:45:08,950 --> 00:45:06,400

for some reason

1125

00:45:10,870 --> 00:45:08,960

but uh yeah i don't know why but there

1126

00:45:12,630 --> 00:45:10,880

have been a lot of sightings

1127

00:45:14,950 --> 00:45:12,640

especially here in pennsylvania like i

1128

00:45:16,470 --> 00:45:14,960

said before it's been pretty busy

1129

00:45:19,109 --> 00:45:16,480

and we're trying to follow through with

1130

00:45:21,910 --> 00:45:19,119

all this um

1131

00:45:23,510 --> 00:45:21,920

but uh yeah it's uh it has gotten it has

1132

00:45:25,589 --> 00:45:23,520

gotten a little busy and hopefully we're

1133

00:45:27,589 --> 00:45:25,599

gonna get some answers

1134

00:45:34,230 --> 00:45:27,599

but this one case in berks county is

1135

00:45:38,230 --> 00:45:36,230

uh lawn this is from laurie barnes do

1136

00:45:40,550 --> 00:45:38,240

you believe bigfoot have anything to do

1137

00:45:42,150 --> 00:45:40,560

with angels or

1138

00:45:44,069 --> 00:45:42,160

cherubs

1139

00:45:45,910 --> 00:45:44,079

i don't think so i i don't know i

1140

00:45:47,510 --> 00:45:45,920

haven't found any evidence that being

1141

00:45:50,790 --> 00:45:47,520

connected

1142

00:45:53,589 --> 00:45:51,829

um

1143

00:45:54,630 --> 00:45:53,599

sharth martin thanks for being a new

1144

00:45:56,630 --> 00:45:54,640

member

1145

00:45:57,430 --> 00:45:56,640

david jones locker from anything from

1146

00:45:59,109 --> 00:45:57,440

the

1147

00:46:00,470 --> 00:45:59,119

eckerd investigative follow-up or

1148

00:46:02,309 --> 00:46:00,480

affected you

1149

00:46:04,069 --> 00:46:02,319

yeah i mean i've been

1150

00:46:05,750 --> 00:46:04,079

ever since i've been working with david

1151  
00:46:07,270 --> 00:46:05,760  
and i i was warned that this was going

1152  
00:46:09,030 --> 00:46:07,280  
to happen i did

1153  
00:46:11,990 --> 00:46:09,040  
i did have some encounters with these

1154  
00:46:16,230 --> 00:46:12,829  
and

1155  
00:46:18,470 --> 00:46:16,240  
um i i described it in the book

1156  
00:46:19,750 --> 00:46:18,480  
it was it wasn't reptilians these were

1157  
00:46:22,309 --> 00:46:19,760  
um

1158  
00:46:25,670 --> 00:46:22,319  
these were tall graves

1159  
00:46:27,750 --> 00:46:25,680  
and they had come to my my residence and

1160  
00:46:29,670 --> 00:46:27,760  
actually had been abducted at least one

1161  
00:46:31,750 --> 00:46:29,680  
time that i know of

1162  
00:46:34,470 --> 00:46:31,760  
but yeah i mean and as a result of

1163  
00:46:36,710 --> 00:46:34,480

david's encounters and me investigating

1164

00:46:40,309 --> 00:46:36,720

it and putting it out there

1165

00:46:49,589 --> 00:46:40,319

so uh yeah yeah

1166

00:46:53,430 --> 00:46:51,430

okay folks well that's gonna do it for

1167

00:46:54,790 --> 00:46:53,440

tonight i appreciate you coming in and

1168

00:46:56,790 --> 00:46:54,800

listening to this

1169

00:46:59,190 --> 00:46:56,800

uh if you have an unexplained encounter

1170

00:47:01,109 --> 00:46:59,200

society feel free to contact me through

1171

00:47:02,630 --> 00:47:01,119

the phantoms of monsters blog site and

1172

00:47:03,910 --> 00:47:02,640

thanks to each and all of you watching

1173

00:47:05,670 --> 00:47:03,920

and chatting

1174

00:47:07,750 --> 00:47:05,680

it's truly appreciated your support is

1175

00:47:09,670 --> 00:47:07,760

what makes this possible so please like

1176

00:47:12,550 --> 00:47:09,680

subscribe and share

1177

00:47:14,550 --> 00:47:12,560

and please comment

1178

00:47:16,470 --> 00:47:14,560

i love getting comments please feel free

1179

00:47:18,470 --> 00:47:16,480

to comment on it

1180

00:47:19,750 --> 00:47:18,480

if you have a citing your encounter

1181

00:47:22,069 --> 00:47:19,760

report that you would like to be

1182

00:47:22,870 --> 00:47:22,079

considered for personal reports

1183

00:47:24,549 --> 00:47:22,880

or

1184

00:47:26,950 --> 00:47:24,559

post on the phantoms and monster blog

1185

00:47:29,470 --> 00:47:26,960

site feel free to forward to my email at

1186

00:47:31,430 --> 00:47:29,480

lawn strickler at

1187

00:47:33,030 --> 00:47:31,440

phantomsandmonsters.com so this coming

1188

00:47:35,349 --> 00:47:33,040

friday night

1189

00:47:39,349 --> 00:47:35,359

we will be joined by psychic clairvoyant

1190

00:47:41,349 --> 00:47:39,359

medical intuitive e.t bigfoot contactee

1191

00:47:43,910 --> 00:47:41,359

sue walker

1192

00:47:46,710 --> 00:47:43,920

she's got quite a story and uh she's

1193

00:47:49,190 --> 00:47:46,720

written about it extensively she also is

1194

00:47:51,430 --> 00:47:49,200

an artist and has drawn

1195

00:47:52,549 --> 00:47:51,440

uh her interpretations of what she's

1196

00:47:54,630 --> 00:47:52,559

encountered

1197

00:47:55,990 --> 00:47:54,640

so it should be a very interesting show

1198

00:48:04,410 --> 00:47:56,000

so
