

PHANTOMS & MONSTERS

R A D I O

SU WALKER

PSYCHIC, CLAIRVOYANT,
MEDICAL INTUITIVE, & ARTIST

FRIDAY, JULY 29TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:12,789 --> 00:00:11,270
we live in a reality of phantoms and

2
00:00:15,749 --> 00:00:12,799
monsters

3
00:00:16,950 --> 00:00:15,759
they exist among us and sometimes they

4
00:00:20,310 --> 00:00:16,960
win

5
00:00:22,790 --> 00:00:20,320
even the devil was an angel once

6
00:00:25,830 --> 00:00:22,800
the world has its own rules

7
00:00:28,710 --> 00:00:25,840
and these rules are not human

8
00:00:30,950 --> 00:00:28,720
some of us seek answers to the origin

9
00:00:32,950 --> 00:00:30,960
and existence of cryptids in the

10
00:00:36,310 --> 00:00:32,960
unexplained

11
00:00:38,630 --> 00:00:36,320
join us as we venture beyond the known

12
00:00:40,790 --> 00:00:38,640
and accepted boundaries

13
00:00:46,930 --> 00:00:40,800

welcome to our nightmare

14

00:00:58,310 --> 00:00:56,229

[Music]

15

00:01:00,229 --> 00:00:58,320

hey folks good evening and welcome to

16

00:01:02,709 --> 00:01:00,239

another episode of phantoms of monsters

17

00:01:04,469 --> 00:01:02,719

radio where we explore the strange

18

00:01:06,390 --> 00:01:04,479

and the unexplained

19

00:01:08,149 --> 00:01:06,400

i'm your host lon strickler and thanks

20

00:01:10,630 --> 00:01:08,159

for joining us

21

00:01:13,270 --> 00:01:10,640

now if you enjoy our content then please

22

00:01:16,070 --> 00:01:13,280

subscribe like and share presentations

23

00:01:18,950 --> 00:01:16,080

and and please feel free to comment

24

00:01:20,630 --> 00:01:18,960

uh below the presentation as well we uh

25

00:01:22,550 --> 00:01:20,640

we'd like to hear what you had to say

26

00:01:24,710 --> 00:01:22,560

read what you like have to say

27

00:01:26,870 --> 00:01:24,720

so um

28

00:01:29,190 --> 00:01:26,880

the super chat is also active during the

29

00:01:30,950 --> 00:01:29,200

show so please show your support

30

00:01:33,510 --> 00:01:30,960

for fans of monsters radio by clicking

31

00:01:35,510 --> 00:01:33,520

the dollar icon under the chat

32

00:01:37,109 --> 00:01:35,520

and you can also support the uh the

33

00:01:39,830 --> 00:01:37,119

channel by using the buy me a coffee

34

00:01:41,830 --> 00:01:39,840

link or banner in the description

35

00:01:45,030 --> 00:01:41,840

your consideration is very much needed

36

00:01:47,350 --> 00:01:45,040

and appreciated so tonight

37

00:01:49,030 --> 00:01:47,360

people around the world seek the psychic

38

00:01:51,190 --> 00:01:49,040

and medical intuitive

39

00:01:53,270 --> 00:01:51,200

advice of sue walker

40

00:01:55,510 --> 00:01:53,280

she is an internationally known psychic

41

00:01:57,670 --> 00:01:55,520

and medical intuitive for over 20 years

42

00:01:58,950 --> 00:01:57,680

she has assisted individuals ceos of

43

00:02:01,510 --> 00:01:58,960

businesses

44

00:02:02,789 --> 00:02:01,520

physicians actors and law enforcement

45

00:02:04,550 --> 00:02:02,799

agencies

46

00:02:06,389 --> 00:02:04,560

her psychic readings and medical

47

00:02:09,990 --> 00:02:06,399

intuitive readings are sought out for

48

00:02:11,670 --> 00:02:10,000

their high levels of accuracy and detail

49

00:02:13,750 --> 00:02:11,680

frequently asked to investigate

50

00:02:15,270 --> 00:02:13,760

hauntings or paranormal activities sue

51
00:02:16,630 --> 00:02:15,280
has been featured in various

52
00:02:18,630 --> 00:02:16,640
publications

53
00:02:19,990 --> 00:02:18,640
television documentaries and radio

54
00:02:21,990 --> 00:02:20,000
appearances

55
00:02:23,910 --> 00:02:22,000
sue also conducts training seminars

56
00:02:25,830 --> 00:02:23,920
during the year because she desires to

57
00:02:28,470 --> 00:02:25,840
educate the public about various forms

58
00:02:30,550 --> 00:02:28,480
of psychic phenomena improving psychic

59
00:02:33,110 --> 00:02:30,560
skills and exploring remote viewing

60
00:02:35,030 --> 00:02:33,120
scrying and energy projection

61
00:02:36,470 --> 00:02:35,040
psychic development classes are also

62
00:02:38,630 --> 00:02:36,480
available

63
00:02:40,470 --> 00:02:38,640

suit travel is a country presenting

64

00:02:42,309 --> 00:02:40,480

lectures and workshops on psychic

65

00:02:44,790 --> 00:02:42,319

reading medical intuitive readings and

66

00:02:47,190 --> 00:02:44,800

other paranormal spiritual issues

67

00:02:49,990 --> 00:02:47,200

sue walker medical intuitive also has

68

00:02:54,309 --> 00:02:50,000

taught on telepathy her website can be

69

00:02:58,390 --> 00:02:56,390

we will also be joined by kevin estrella

70

00:03:02,149 --> 00:02:58,400

who is a master guitarist and has a band

71

00:03:04,229 --> 00:03:02,159

called pyramids of mars on mars

72

00:03:05,190 --> 00:03:04,239

kevin is also a radio show host he's

73

00:03:07,110 --> 00:03:05,200

done a

74

00:03:08,229 --> 00:03:07,120

huge number of shows about the star

75

00:03:10,869 --> 00:03:08,239

nations

76

00:03:12,309 --> 00:03:10,879

that have visited and their connections

77

00:03:14,949 --> 00:03:12,319

to him

78

00:03:16,949 --> 00:03:14,959

so uh sue and kevin thank you so much

79

00:03:19,589 --> 00:03:16,959

for joining me this evening

80

00:03:21,270 --> 00:03:19,599

thank you so much for having us i've

81

00:03:24,550 --> 00:03:21,280

been looking forward to this all week

82

00:03:28,630 --> 00:03:24,560

lon well i appreciate it

83

00:03:34,229 --> 00:03:30,710

i don't know if he's gonna hear us can

84

00:03:38,710 --> 00:03:36,390

he can hear us

85

00:03:39,750 --> 00:03:38,720

well we'll see what happens

86

00:03:42,630 --> 00:03:39,760

anyway

87

00:03:44,550 --> 00:03:42,640

looking forward to this all week and and

88

00:03:47,670 --> 00:03:44,560

uh wondered what you wanted to chat

89

00:03:49,670 --> 00:03:47,680

about we've got all kinds of topics

90

00:03:51,110 --> 00:03:49,680

originally kevin was going to be

91

00:03:54,070 --> 00:03:51,120

visiting us

92

00:03:56,710 --> 00:03:54,080

here in new mexico and

93

00:03:58,949 --> 00:03:56,720

delta buggered up his flights and so

94

00:04:01,030 --> 00:03:58,959

he's going to be visiting us

95

00:04:03,990 --> 00:04:01,040

in a couple of weeks we hope

96

00:04:05,750 --> 00:04:04,000

and other than that

97

00:04:09,429 --> 00:04:05,760

he is also

98

00:04:11,910 --> 00:04:09,439

a good friend of ours and uh has is one

99

00:04:15,350 --> 00:04:11,920

of the experiencers

100

00:04:17,590 --> 00:04:15,360

and regular contactees of our e.t

101
00:04:20,310 --> 00:04:17,600
friends the ponte

102
00:04:23,510 --> 00:04:20,320
and so uh yeah well start off by telling

103
00:04:24,310 --> 00:04:23,520
us about the ponte how you started uh

104
00:04:26,150 --> 00:04:24,320
my

105
00:04:28,390 --> 00:04:26,160
contact by them and what you've

106
00:04:29,350 --> 00:04:28,400
experienced over the years

107
00:04:31,590 --> 00:04:29,360
well

108
00:04:33,189 --> 00:04:31,600
i've been an experiencer since i was a

109
00:04:34,629 --> 00:04:33,199
little girl

110
00:04:35,590 --> 00:04:34,639
and

111
00:04:46,150 --> 00:04:35,600
i

112
00:04:48,390 --> 00:04:46,160
any of the

113
00:04:50,230 --> 00:04:48,400

extraterrestrials that i'd ever seen or

114

00:04:53,830 --> 00:04:50,240

or um

115

00:04:56,629 --> 00:04:53,840

had been visiting me in my house um i've

116

00:04:57,909 --> 00:04:56,639

woken up on board ship

117

00:05:00,469 --> 00:04:57,919

and

118

00:05:02,550 --> 00:05:00,479

all kinds of other strange things but it

119

00:05:04,230 --> 00:05:02,560

was when i

120

00:05:07,670 --> 00:05:04,240

went

121

00:05:09,189 --> 00:05:07,680

came to new mexico to visit who

122

00:05:10,390 --> 00:05:09,199

my now spouse

123

00:05:11,510 --> 00:05:10,400

then boyfriend

124

00:05:14,150 --> 00:05:11,520

otter

125

00:05:15,590 --> 00:05:14,160

and was here about 10 days

126
00:05:17,749 --> 00:05:15,600
and

127
00:05:20,550 --> 00:05:17,759
got contacted

128
00:05:23,430 --> 00:05:20,560
by a voice coming from beneath the

129
00:05:25,590 --> 00:05:23,440
sandia mountain which is on the eastern

130
00:05:28,710 --> 00:05:25,600
edge of albuquerque

131
00:05:31,430 --> 00:05:28,720
and that voice

132
00:05:33,909 --> 00:05:31,440
talked to me three days in a row

133
00:05:36,310 --> 00:05:33,919
and i heard the same male voice and i

134
00:05:38,310 --> 00:05:36,320
thought who is who is this and what's

135
00:05:41,189 --> 00:05:38,320
going on

136
00:05:43,350 --> 00:05:41,199
and i finally asked otter if he'd ever

137
00:05:46,070 --> 00:05:43,360
heard a voice coming from beneath the

138
00:05:48,950 --> 00:05:46,080

mountain and ever since he moved into

139

00:05:50,629 --> 00:05:48,960

this home in 2009

140

00:05:52,310 --> 00:05:50,639

he'd heard them

141

00:05:54,469 --> 00:05:52,320

but

142

00:05:56,870 --> 00:05:54,479

we didn't

143

00:05:57,990 --> 00:05:56,880

really understand who we were talking

144

00:06:00,710 --> 00:05:58,000

with

145

00:06:03,830 --> 00:06:00,720

until a couple of months later when i

146

00:06:06,710 --> 00:06:03,840

finally got brave and asked the fella

147

00:06:09,350 --> 00:06:06,720

what his real name was and where home

148

00:06:11,189 --> 00:06:09,360

was up until that point in time

149

00:06:12,870 --> 00:06:11,199

because his voice had come from the

150

00:06:15,110 --> 00:06:12,880

sandia mountain

151
00:06:16,710 --> 00:06:15,120
i gave him a nickname i just called him

152
00:06:19,909 --> 00:06:16,720
sandia

153
00:06:21,270 --> 00:06:19,919
i forgot all about the fact that in

154
00:06:24,230 --> 00:06:21,280
spanish

155
00:06:26,469 --> 00:06:24,240
the word sandia means watermelon

156
00:06:28,469 --> 00:06:26,479
and when i told otter that i was going

157
00:06:30,230 --> 00:06:28,479
to nickname this voice that i was

158
00:06:32,070 --> 00:06:30,240
hearing from the mountain

159
00:06:34,070 --> 00:06:32,080
sandia

160
00:06:35,270 --> 00:06:34,080
he was listening and he piped up and he

161
00:06:36,710 --> 00:06:35,280
said

162
00:06:39,029 --> 00:06:36,720
san diego

163
00:06:41,909 --> 00:06:39,039

watermelon head that'll work

164

00:06:45,909 --> 00:06:41,919

and i thought who the heck am i

165

00:06:47,350 --> 00:06:45,919

listening to and who am i talking to

166

00:06:50,469 --> 00:06:47,360

we knew

167

00:06:51,350 --> 00:06:50,479

or i knew coming to new mexico that this

168

00:06:54,390 --> 00:06:51,360

state

169

00:06:55,749 --> 00:06:54,400

was famous for the roswell crash i knew

170

00:06:57,830 --> 00:06:55,759

that

171

00:06:59,430 --> 00:06:57,840

secret government things

172

00:07:01,110 --> 00:06:59,440

happened here

173

00:07:03,589 --> 00:07:01,120

but

174

00:07:05,670 --> 00:07:03,599

i did not

175

00:07:07,990 --> 00:07:05,680

know much about

176
00:07:11,189 --> 00:07:08,000
new mexico and i thought this whole

177
00:07:12,629 --> 00:07:11,199
state was desert and flat and cactus

178
00:07:14,070 --> 00:07:12,639
not even

179
00:07:17,670 --> 00:07:14,080
and so

180
00:07:20,629 --> 00:07:17,680
i learned a lot about the state but

181
00:07:22,629 --> 00:07:20,639
when i came back down to visit otter a

182
00:07:25,270 --> 00:07:22,639
second time

183
00:07:27,350 --> 00:07:25,280
that's when i asked sandia

184
00:07:28,710 --> 00:07:27,360
what his real name was and where home

185
00:07:31,670 --> 00:07:28,720
was

186
00:07:35,270 --> 00:07:31,680
and he answered immediately and he said

187
00:07:37,029 --> 00:07:35,280
my real name is dukkham and i said what

188
00:07:38,070 --> 00:07:37,039

and he said took him

189

00:07:41,749 --> 00:07:38,080

and i said

190

00:07:43,589 --> 00:07:41,759

can you say that slower he said tilkem

191

00:07:47,110 --> 00:07:43,599

and i said till come

192

00:07:49,909 --> 00:07:47,120

and then he spelled it for me t-l-k-m

193

00:07:51,350 --> 00:07:49,919

and he said that his language seldom

194

00:07:53,749 --> 00:07:51,360

uses vowels

195

00:07:56,150 --> 00:07:53,759

unless they are borrowed

196

00:07:58,710 --> 00:07:56,160

and i said so tilkem

197

00:08:01,430 --> 00:07:58,720

where's home he said home

198

00:08:03,430 --> 00:08:01,440

is the fifth planet orbiting the further

199

00:08:05,749 --> 00:08:03,440

of the two stars

200

00:08:07,749 --> 00:08:05,759

of the binary

201
00:08:09,350 --> 00:08:07,759
system you call

202
00:08:11,749 --> 00:08:09,360
zeta reticuli

203
00:08:13,990 --> 00:08:11,759
in the constellation of reticulum which

204
00:08:15,990 --> 00:08:14,000
is the southern hemisphere constellation

205
00:08:17,510 --> 00:08:16,000
difficult for you to see from here and i

206
00:08:18,629 --> 00:08:17,520
went oh

207
00:08:22,629 --> 00:08:18,639
okay

208
00:08:23,990 --> 00:08:22,639
and so that's how it started um i spoke

209
00:08:25,909 --> 00:08:24,000
with tilcum

210
00:08:27,749 --> 00:08:25,919
for a year and a half before he

211
00:08:29,990 --> 00:08:27,759
introduced us

212
00:08:31,350 --> 00:08:30,000
to anybody else

213
00:08:33,829 --> 00:08:31,360

and

214

00:08:35,190 --> 00:08:33,839

he introduced us to

215

00:08:38,070 --> 00:08:35,200

two other

216

00:08:41,589 --> 00:08:38,080

individuals first and then a third

217

00:08:44,149 --> 00:08:41,599

our radar or rajas

218

00:08:47,990 --> 00:08:44,159

jaruti a gal and then

219

00:08:48,710 --> 00:08:48,000

he assigned us a telepathy teacher

220

00:08:53,350 --> 00:08:48,720

and

221

00:08:55,509 --> 00:08:53,360

asked us to please take dictation

222

00:08:56,310 --> 00:08:55,519

from her

223

00:08:59,829 --> 00:08:56,320

to

224

00:09:01,590 --> 00:08:59,839

write essentially a telepathy manual

225

00:09:02,870 --> 00:09:01,600

so that

226

00:09:05,350 --> 00:09:02,880

others

227

00:09:07,110 --> 00:09:05,360

could improve their telepathy because

228

00:09:09,670 --> 00:09:07,120

that was their primary

229

00:09:12,070 --> 00:09:09,680

means of communication

230

00:09:14,389 --> 00:09:12,080

and so that's kind of how it started

231

00:09:17,030 --> 00:09:14,399

the funny thing was we've been talking

232

00:09:19,910 --> 00:09:17,040

with yokum for a year and a half

233

00:09:21,110 --> 00:09:19,920

and one day he piped up and he said

234

00:09:22,550 --> 00:09:21,120

sue

235

00:09:25,030 --> 00:09:22,560

we understand

236

00:09:26,790 --> 00:09:25,040

that earth has something called social

237

00:09:28,790 --> 00:09:26,800

media

238

00:09:30,710 --> 00:09:28,800

would it be permitted for us to have an

239

00:09:33,110 --> 00:09:30,720

account we wish to teach

240

00:09:35,110 --> 00:09:33,120

and i went um

241

00:09:37,430 --> 00:09:35,120

because i wasn't very techy and didn't

242

00:09:38,790 --> 00:09:37,440

know much about anything but facebook at

243

00:09:41,829 --> 00:09:38,800

the time

244

00:09:43,910 --> 00:09:41,839

and i said well i don't see why not as

245

00:09:45,509 --> 00:09:43,920

far as i know there's

246

00:09:46,870 --> 00:09:45,519

nothing wrong with it nothing illegal

247

00:09:49,190 --> 00:09:46,880

about it so

248

00:09:50,389 --> 00:09:49,200

we opened an account

249

00:09:53,590 --> 00:09:50,399

for tilkum

250

00:09:57,829 --> 00:09:53,600

and he immediately began teaching

251
00:09:59,350 --> 00:09:57,839
first on facebook and then that was not

252
00:10:00,870 --> 00:09:59,360
spreading out across the planet far

253
00:10:03,110 --> 00:10:00,880
enough fast enough

254
00:10:05,190 --> 00:10:03,120
and he asked us if we

255
00:10:07,990 --> 00:10:05,200
had another option

256
00:10:11,949 --> 00:10:08,000
and we opened up a twitter account

257
00:10:13,590 --> 00:10:11,959
and that has been going since june of

258
00:10:17,350 --> 00:10:13,600
2015.

259
00:10:19,190 --> 00:10:17,360
so seven years now tilkum and his crew

260
00:10:21,269 --> 00:10:19,200
have been teaching

261
00:10:22,710 --> 00:10:21,279
on twitter

262
00:10:25,750 --> 00:10:22,720
and

263
00:10:28,310 --> 00:10:25,760

when we opened up the twitter account

264

00:10:29,430 --> 00:10:28,320

um for the first two years

265

00:10:30,630 --> 00:10:29,440

my

266

00:10:32,150 --> 00:10:30,640

otter and i who both hear tilcombe

267

00:10:34,790 --> 00:10:32,160

tilchum

268

00:10:37,990 --> 00:10:34,800

we remained anonymous behind the scenes

269

00:10:39,030 --> 00:10:38,000

because we wanted tilcum just to be

270

00:10:43,670 --> 00:10:39,040

the

271

00:10:45,509 --> 00:10:43,680

and during that time kevin estrella

272

00:10:47,670 --> 00:10:45,519

happened onto

273

00:10:50,790 --> 00:10:47,680

the twitter account

274

00:10:52,389 --> 00:10:50,800

and began interacting with tilcum and

275

00:10:54,389 --> 00:10:52,399

radar and

276
00:10:56,790 --> 00:10:54,399
trudy and

277
00:10:58,710 --> 00:10:56,800
then he began to get visits

278
00:11:01,269 --> 00:10:58,720
at his home

279
00:11:03,590 --> 00:11:01,279
the telepathy manual

280
00:11:05,190 --> 00:11:03,600
that they dictated to us

281
00:11:08,550 --> 00:11:05,200
got published

282
00:11:09,750 --> 00:11:08,560
in december of 2017

283
00:11:12,389 --> 00:11:09,760
and then

284
00:11:15,509 --> 00:11:12,399
our world just went crazy

285
00:11:19,030 --> 00:11:15,519
because people all across the planet

286
00:11:22,230 --> 00:11:19,040
downloaded the free telepathy manual

287
00:11:25,190 --> 00:11:22,240
that the ponte had given us

288
00:11:26,870 --> 00:11:25,200

and began to invite the ponte

289

00:11:29,030 --> 00:11:26,880

themselves

290

00:11:32,550 --> 00:11:29,040

and that's how kevin

291

00:11:34,710 --> 00:11:32,560

interacted with them and invited the

292

00:11:37,030 --> 00:11:34,720

ponte to his home

293

00:11:39,030 --> 00:11:37,040

and then

294

00:11:40,310 --> 00:11:39,040

people from all over

295

00:11:43,269 --> 00:11:40,320

oh gosh

296

00:11:45,509 --> 00:11:43,279

within three months we had

297

00:11:48,870 --> 00:11:45,519

contactees

298

00:11:50,629 --> 00:11:48,880

talking to us from at least

299

00:11:52,550 --> 00:11:50,639

a couple of dozen different countries

300

00:11:53,750 --> 00:11:52,560

around the world

301
00:11:55,110 --> 00:11:53,760
and

302
00:11:57,590 --> 00:11:55,120
volunteers

303
00:12:00,550 --> 00:11:57,600
translated the telepathy manual called

304
00:12:03,110 --> 00:12:00,560
the telepathy 101 primer

305
00:12:04,470 --> 00:12:03,120
into all of these different languages

306
00:12:07,350 --> 00:12:04,480
and in fact

307
00:12:09,750 --> 00:12:07,360
we just recently

308
00:12:12,629 --> 00:12:09,760
published the translation into sign

309
00:12:15,670 --> 00:12:12,639
language for the deaf so that they could

310
00:12:17,190 --> 00:12:15,680
either lip read or understand it via the

311
00:12:19,430 --> 00:12:17,200
sign language

312
00:12:21,269 --> 00:12:19,440
and also

313
00:12:25,750 --> 00:12:21,279

invite the ponte

314

00:12:26,870 --> 00:12:25,760

so that's kind of how it got started um

315

00:12:29,670 --> 00:12:26,880

it's

316

00:12:33,350 --> 00:12:29,680

changed our lives

317

00:12:35,350 --> 00:12:33,360

um in all kinds of ways because

318

00:12:37,350 --> 00:12:35,360

it the ponte

319

00:12:38,470 --> 00:12:37,360

actually were the ones that introduced

320

00:12:40,790 --> 00:12:38,480

us

321

00:12:43,110 --> 00:12:40,800

to the idea that they were very good

322

00:12:45,750 --> 00:12:43,120

friends with the sasquatch

323

00:12:47,110 --> 00:12:45,760

we didn't know i was not a sasquatch

324

00:12:49,750 --> 00:12:47,120

researcher

325

00:12:52,870 --> 00:12:49,760

and we learned a great deal

326

00:12:54,310 --> 00:12:52,880

about the sasquatch from the ponte

327

00:12:55,670 --> 00:12:54,320

and in fact

328

00:12:57,509 --> 00:12:55,680

we took

329

00:13:00,949 --> 00:12:57,519

the very first

330

00:13:02,470 --> 00:13:00,959

prototype of the telepathy 101 course

331

00:13:05,190 --> 00:13:02,480

that we teach

332

00:13:06,470 --> 00:13:05,200

to a sasquatch conference

333

00:13:09,350 --> 00:13:06,480

and

334

00:13:11,910 --> 00:13:09,360

presented it there just to see if it was

335

00:13:13,670 --> 00:13:11,920

understood and how it was going to

336

00:13:17,430 --> 00:13:13,680

going to go so

337

00:13:19,430 --> 00:13:17,440

that's kind of how it got started

338

00:13:21,509 --> 00:13:19,440

since then

339

00:13:24,710 --> 00:13:21,519

we've written a book

340

00:13:27,509 --> 00:13:24,720

we had a lot of common questions

341

00:13:30,470 --> 00:13:27,519

after the telepathy manual

342

00:13:32,790 --> 00:13:30,480

was published and

343

00:13:36,230 --> 00:13:32,800

the same kinds of questions were coming

344

00:13:38,949 --> 00:13:36,240

from folks from all over the world so

345

00:13:40,550 --> 00:13:38,959

we answered as many of those questions

346

00:13:43,269 --> 00:13:40,560

as we could

347

00:13:44,310 --> 00:13:43,279

with tiokum and tony our telepathy

348

00:13:46,790 --> 00:13:44,320

teacher

349

00:13:47,910 --> 00:13:46,800

and otter and i and the book that we

350

00:13:51,829 --> 00:13:47,920

published

351

00:13:54,470 --> 00:13:51,839

is really a manual now as to

352

00:13:56,470 --> 00:13:54,480

how to have your own ce5 event

353

00:13:59,430 --> 00:13:56,480

so whether you're all by yourself

354

00:14:00,790 --> 00:13:59,440

or you're if you're with a group of 150

355

00:14:03,189 --> 00:14:00,800

people

356

00:14:06,230 --> 00:14:03,199

here's what you need to know

357

00:14:08,470 --> 00:14:06,240

if you need if you'd like to invite

358

00:14:11,269 --> 00:14:08,480

the ponte to come visit you

359

00:14:12,870 --> 00:14:11,279

and in fact the manual has been used

360

00:14:15,189 --> 00:14:12,880

successfully

361

00:14:16,790 --> 00:14:15,199

all over now and so

362

00:14:19,750 --> 00:14:16,800

we're very

363

00:14:21,750 --> 00:14:19,760

just delighted to hear when other people

364

00:14:23,189 --> 00:14:21,760

have interactions with the ponte and

365

00:14:25,350 --> 00:14:23,199

they describe

366

00:14:27,829 --> 00:14:25,360

what's happening

367

00:14:29,430 --> 00:14:27,839

so interesting yeah that's kind of how

368

00:14:31,829 --> 00:14:29,440

it got going

369

00:14:33,990 --> 00:14:31,839

and and of course your artwork reflects

370

00:14:37,030 --> 00:14:34,000

a lot of these encounters and a lot of

371

00:14:39,590 --> 00:14:37,040

these individuals who you have

372

00:14:42,230 --> 00:14:39,600

associated with as well

373

00:14:44,790 --> 00:14:42,240

they actually um

374

00:14:47,590 --> 00:14:44,800

because when we first chatted with the

375

00:14:49,910 --> 00:14:47,600

ponte they were still under a

376
00:14:52,069 --> 00:14:49,920
restrictive treaty

377
00:14:54,389 --> 00:14:52,079
that did not allow

378
00:14:57,110 --> 00:14:54,399
photographs or video

379
00:14:58,949 --> 00:14:57,120
but tilcum came to me or approached me

380
00:15:01,269 --> 00:14:58,959
and said sue

381
00:15:03,750 --> 00:15:01,279
we can't give you photographs or video

382
00:15:05,670 --> 00:15:03,760
but there's absolutely nothing

383
00:15:08,470 --> 00:15:05,680
that stops

384
00:15:11,189 --> 00:15:08,480
a contactee from drawing

385
00:15:13,590 --> 00:15:11,199
what it is that they experience

386
00:15:16,629 --> 00:15:13,600
we would like you to draw

387
00:15:18,310 --> 00:15:16,639
and so i hadn't drawn anybody

388
00:15:21,189 --> 00:15:18,320

in 40 years

389

00:15:23,269 --> 00:15:21,199

and so i started drawing

390

00:15:24,470 --> 00:15:23,279

the ponte and

391

00:15:27,990 --> 00:15:24,480

after the

392

00:15:30,069 --> 00:15:28,000

we taught the telepathy manual at

393

00:15:32,470 --> 00:15:30,079

the first sasquatch conference

394

00:15:33,509 --> 00:15:32,480

then the sasquatch actually approached

395

00:15:36,150 --> 00:15:33,519

dustin

396

00:15:38,069 --> 00:15:36,160

requested that we

397

00:15:40,230 --> 00:15:38,079

draw them also

398

00:15:43,350 --> 00:15:40,240

but their request was would you please

399

00:15:46,150 --> 00:15:43,360

draw us as we see each other

400

00:15:48,550 --> 00:15:46,160

instead of as monsters

401
00:15:49,430 --> 00:15:48,560
and i said i would be happy to

402
00:15:52,310 --> 00:15:49,440
so

403
00:15:54,790 --> 00:15:52,320
the artwork you see now is

404
00:15:58,710 --> 00:15:54,800
a far cry from what you see on your

405
00:16:00,949 --> 00:15:58,720
screen here that was the first attempt

406
00:16:03,670 --> 00:16:00,959
i made at drawing

407
00:16:06,230 --> 00:16:03,680
commander tilkeman down in the lower

408
00:16:08,710 --> 00:16:06,240
right hand corner there

409
00:16:10,949 --> 00:16:08,720
rajas is the fella with the hat

410
00:16:13,910 --> 00:16:10,959
uh tani our telepathy teacher and the

411
00:16:15,350 --> 00:16:13,920
gal that wrote the telepathy 101 primer

412
00:16:17,350 --> 00:16:15,360
is above

413
00:16:20,150 --> 00:16:17,360

uh to the right and

414

00:16:23,350 --> 00:16:20,160

above and to the left is djiruti

415

00:16:26,550 --> 00:16:23,360

well if you see

416

00:16:29,269 --> 00:16:26,560

tilcum that's the first time i drew him

417

00:16:31,350 --> 00:16:29,279

and i don't know if you can see this

418

00:16:34,470 --> 00:16:31,360

without the reflection or not

419

00:16:36,550 --> 00:16:34,480

but there's another token right here

420

00:16:40,790 --> 00:16:36,560

but the

421

00:16:42,790 --> 00:16:40,800

the artwork that i've been doing now is

422

00:16:45,350 --> 00:16:42,800

improved because

423

00:16:46,470 --> 00:16:45,360

they assigned me an art teacher

424

00:16:48,470 --> 00:16:46,480

and so

425

00:16:51,509 --> 00:16:48,480

i have never taken

426

00:16:54,150 --> 00:16:51,519

an art class

427

00:16:55,749 --> 00:16:54,160

not since high school have i taken

428

00:16:58,470 --> 00:16:55,759

any kind of art

429

00:17:00,069 --> 00:16:58,480

all of the improvement and all of the

430

00:17:02,470 --> 00:17:00,079

things that i do now

431

00:17:04,710 --> 00:17:02,480

is because i was assigned

432

00:17:05,829 --> 00:17:04,720

a telepathy teacher

433

00:17:07,829 --> 00:17:05,839

and so

434

00:17:09,429 --> 00:17:07,839

the artwork that you see around the

435

00:17:10,230 --> 00:17:09,439

studio here

436

00:17:12,230 --> 00:17:10,240

and

437

00:17:15,029 --> 00:17:12,240

things is because

438

00:17:17,110 --> 00:17:15,039

they have helped me improve it

439

00:17:18,549 --> 00:17:17,120

and i'm really grateful

440

00:17:20,470 --> 00:17:18,559

so

441

00:17:23,909 --> 00:17:20,480

how do they describe

442

00:17:25,990 --> 00:17:23,919

do they describe on how they got here

443

00:17:28,069 --> 00:17:26,000

why they came and uh

444

00:17:30,310 --> 00:17:28,079

how long they've been here they've been

445

00:17:31,430 --> 00:17:30,320

here for thousands of years

446

00:17:35,270 --> 00:17:31,440

um

447

00:17:37,190 --> 00:17:35,280

the facility beneath the sandia mountain

448

00:17:39,750 --> 00:17:37,200

is here

449

00:17:42,549 --> 00:17:39,760

it was retrofitted from

450

00:17:44,870 --> 00:17:42,559

an old tunnel system left over

451
00:17:47,430 --> 00:17:44,880
from the last age of man

452
00:17:49,990 --> 00:17:47,440
that runs north south along the eastern

453
00:17:52,630 --> 00:17:50,000
edge of the rockies

454
00:17:55,029 --> 00:17:52,640
that tunnel system is partially

455
00:17:57,590 --> 00:17:55,039
collapsed in some places

456
00:17:58,950 --> 00:17:57,600
but when the ponte

457
00:18:02,470 --> 00:17:58,960
were

458
00:18:04,710 --> 00:18:02,480
looking for a facility location

459
00:18:06,870 --> 00:18:04,720
to put the information station

460
00:18:09,669 --> 00:18:06,880
what the facility on the eastern edge of

461
00:18:12,230 --> 00:18:09,679
albuquerque underneath the mountain is

462
00:18:15,669 --> 00:18:12,240
considered an information station

463
00:18:17,110 --> 00:18:15,679

for interstellar travelers visiting

464

00:18:19,590 --> 00:18:17,120

earth

465

00:18:21,909 --> 00:18:19,600

and you know how if you go from one

466

00:18:23,430 --> 00:18:21,919

state to the next by the time you cross

467

00:18:24,470 --> 00:18:23,440

the border there's an information

468

00:18:30,310 --> 00:18:24,480

station

469

00:18:31,990 --> 00:18:30,320

maps and get the latest details and

470

00:18:33,750 --> 00:18:32,000

and things well

471

00:18:35,510 --> 00:18:33,760

the information station underneath the

472

00:18:38,549 --> 00:18:35,520

cindy is like that

473

00:18:42,710 --> 00:18:38,559

and so interstellar folks

474

00:18:44,390 --> 00:18:42,720

um come and get the latest as to

475

00:18:45,830 --> 00:18:44,400

what's the technology of the earth

476
00:18:47,909 --> 00:18:45,840
humans

477
00:18:51,350 --> 00:18:47,919
where are their facilities

478
00:18:53,110 --> 00:18:51,360
um are they space faring yet are they

479
00:18:55,190 --> 00:18:53,120
nice you know

480
00:18:57,190 --> 00:18:55,200
is it dangerous

481
00:19:00,630 --> 00:18:57,200
what's going on and so they get the

482
00:19:03,029 --> 00:19:00,640
latest news from the information station

483
00:19:06,549 --> 00:19:03,039
and so that's

484
00:19:08,710 --> 00:19:06,559
what tilcom manages is that information

485
00:19:11,669 --> 00:19:08,720
station

486
00:19:16,150 --> 00:19:11,679
do they uh work in cooperation with the

487
00:19:20,150 --> 00:19:19,029
we have asked that and

488
00:19:25,029 --> 00:19:20,160

the

489

00:19:27,669 --> 00:19:25,039

information station staff

490

00:19:29,430 --> 00:19:27,679

that does not mean that no ponte

491

00:19:32,310 --> 00:19:29,440

anywhere

492

00:19:33,830 --> 00:19:32,320

don't work with them but the information

493

00:19:35,430 --> 00:19:33,840

station staff

494

00:19:37,510 --> 00:19:35,440

does not

495

00:19:40,070 --> 00:19:37,520

we are aware

496

00:19:43,909 --> 00:19:40,080

that they know

497

00:19:46,070 --> 00:19:43,919

that the ponte art beneath the mountain

498

00:19:50,150 --> 00:19:46,080

and the reason that we know that

499

00:19:51,270 --> 00:19:50,160

happened to come from an electrician

500

00:19:55,590 --> 00:19:51,280

who

501
00:19:59,430 --> 00:19:55,600
um applied for a job with the government

502
00:20:00,789 --> 00:19:59,440
and had to have um an ability to have a

503
00:20:01,669 --> 00:20:00,799
clearance

504
00:20:04,230 --> 00:20:01,679
well

505
00:20:06,549 --> 00:20:04,240
he was asked to go out into the desert

506
00:20:08,230 --> 00:20:06,559
and meet

507
00:20:10,549 --> 00:20:08,240
his ride

508
00:20:12,070 --> 00:20:10,559
into wherever he was going to go work

509
00:20:15,669 --> 00:20:12,080
when he got there

510
00:20:18,230 --> 00:20:15,679
it was a van with blackened windows

511
00:20:21,110 --> 00:20:18,240
and the military people

512
00:20:22,390 --> 00:20:21,120
said leave everything in your truck you

513
00:20:24,950 --> 00:20:22,400

don't need

514

00:20:27,110 --> 00:20:24,960

anything with you all your tools will be

515

00:20:28,470 --> 00:20:27,120

there they drove him around for more

516

00:20:30,310 --> 00:20:28,480

than an hour

517

00:20:32,870 --> 00:20:30,320

when he finally

518

00:20:36,710 --> 00:20:32,880

stopped at his destination he got out of

519

00:20:38,070 --> 00:20:36,720

the van into the largest airstrip he had

520

00:20:40,470 --> 00:20:38,080

ever seen

521

00:20:43,029 --> 00:20:40,480

except it was underground

522

00:20:46,789 --> 00:20:43,039

in the far corner of the airstrip he

523

00:20:49,350 --> 00:20:46,799

noticed what looked like saucers or

524

00:20:51,029 --> 00:20:49,360

craft and

525

00:20:52,070 --> 00:20:51,039

earth humans like us

526
00:20:53,830 --> 00:20:52,080
talking

527
00:20:55,430 --> 00:20:53,840
to

528
00:20:57,510 --> 00:20:55,440
some of the ponte

529
00:20:59,830 --> 00:20:57,520
he was not allowed to approach them but

530
00:21:02,470 --> 00:20:59,840
he did see them at a distance

531
00:21:05,190 --> 00:21:02,480
he's not the only one that we've heard

532
00:21:06,950 --> 00:21:05,200
from here in new mexico

533
00:21:09,110 --> 00:21:06,960
who

534
00:21:12,630 --> 00:21:09,120
have noticed that there's some unusual

535
00:21:14,310 --> 00:21:12,640
things going on underneath the sandia

536
00:21:17,270 --> 00:21:14,320
so

537
00:21:20,710 --> 00:21:17,280
we we have interesting mufon meetings

538
00:21:23,190 --> 00:21:20,720

here mufon is the mutual ufo network

539

00:21:24,549 --> 00:21:23,200

well there's a lot of retirees from the

540

00:21:27,270 --> 00:21:24,559

military

541

00:21:28,390 --> 00:21:27,280

here in new mexico and some of those

542

00:21:32,070 --> 00:21:28,400

folks

543

00:21:34,310 --> 00:21:32,080

were in on the initial stuff that

544

00:21:35,430 --> 00:21:34,320

happened way back in the 40s and 50s

545

00:21:36,870 --> 00:21:35,440

here

546

00:21:40,950 --> 00:21:36,880

and so

547

00:21:42,230 --> 00:21:40,960

we hear some very intriguing stories

548

00:21:44,390 --> 00:21:42,240

but uh

549

00:21:45,750 --> 00:21:44,400

um i did get a question here from

550

00:21:47,430 --> 00:21:45,760

jennifer who wants to know how they

551
00:21:51,029 --> 00:21:47,440
obtained the manual

552
00:21:57,350 --> 00:21:51,039
is it available online it is if the the

553
00:21:57,360 --> 00:21:58,950
dot officialfirstcontact.com

554
00:22:03,430 --> 00:22:01,350
if you go to the menu there's a

555
00:22:09,669 --> 00:22:03,440
documents section

556
00:22:11,669 --> 00:22:09,679
looking for the telepathy 101 primer

557
00:22:13,669 --> 00:22:11,679
and choose whichever language you want

558
00:22:15,549 --> 00:22:13,679
to download it into

559
00:22:19,830 --> 00:22:15,559
and it's a

560
00:22:22,230 --> 00:22:19,840
285 page slide presentation with like

561
00:22:25,029 --> 00:22:22,240
one or two sentences on a page you can

562
00:22:26,950 --> 00:22:25,039
go through it in an hour plus

563
00:22:28,950 --> 00:22:26,960

but it's

564

00:22:30,630 --> 00:22:28,960

surprisingly

565

00:22:33,990 --> 00:22:30,640

simply written

566

00:22:37,350 --> 00:22:34,000

but they do recommend that you study it

567

00:22:39,270 --> 00:22:37,360

and practice with feedback

568

00:22:42,230 --> 00:22:39,280

for 100 days

569

00:22:44,230 --> 00:22:42,240

that gets your brain used to working in

570

00:22:48,549 --> 00:22:44,240

that telepathic mode

571

00:22:52,470 --> 00:22:48,559

and on the same officialfirstcontact.com

572

00:22:55,110 --> 00:22:52,480

website you will also see telepathy

573

00:22:58,149 --> 00:22:55,120

groups that have formed around the world

574

00:23:01,029 --> 00:22:58,159

that you can sign up and practice your

575

00:23:02,789 --> 00:23:01,039

telepathy with other people

576

00:23:04,630 --> 00:23:02,799

so that you can

577

00:23:07,909 --> 00:23:04,640

learn to feel what it feels like to

578

00:23:10,630 --> 00:23:07,919

improve and get better and be accurate

579

00:23:11,430 --> 00:23:10,640

within yourself

580

00:23:12,950 --> 00:23:11,440

so

581

00:23:14,149 --> 00:23:12,960

the telepathy

582

00:23:16,390 --> 00:23:14,159

um

583

00:23:19,510 --> 00:23:16,400

groups are free

584

00:23:22,710 --> 00:23:19,520

the telepathy 101 primer is free

585

00:23:24,230 --> 00:23:22,720

and so you can get started tonight if

586

00:23:27,590 --> 00:23:24,240

you want

587

00:23:31,510 --> 00:23:27,600

but you probably won't have much success

588

00:23:33,110 --> 00:23:31,520

contacting the ponte unless you've

589

00:23:36,070 --> 00:23:33,120

spent a long time

590

00:23:38,470 --> 00:23:36,080

dealing with this area and genre

591

00:23:41,669 --> 00:23:38,480

meditating and doing

592

00:23:45,590 --> 00:23:42,710

because

593

00:23:47,750 --> 00:23:45,600

it's easiest to telepathically

594

00:23:51,190 --> 00:23:47,760

communicate with them if you drop down

595

00:23:55,750 --> 00:23:51,200

into more of a meditative-like state

596

00:23:59,669 --> 00:23:57,029

yeah that was going to be my next

597

00:24:01,909 --> 00:23:59,679

question uh do you need to um

598

00:24:04,390 --> 00:24:01,919

do you go into some type of meditative

599

00:24:08,230 --> 00:24:04,400

state uh in order to make contact with

600

00:24:10,470 --> 00:24:08,240

them not anymore really no no need once

601
00:24:13,750 --> 00:24:10,480
you're used to it your brain just goes

602
00:24:15,750 --> 00:24:13,760
there it's kind of like

603
00:24:17,590 --> 00:24:15,760
when you first start to learn to ride a

604
00:24:19,590 --> 00:24:17,600
bike you have to think about it and you

605
00:24:21,750 --> 00:24:19,600
have to practice your balance and you

606
00:24:23,510 --> 00:24:21,760
have to get your body used to it

607
00:24:25,269 --> 00:24:23,520
by the time you've been doing it for

608
00:24:27,350 --> 00:24:25,279
several years you don't even think about

609
00:24:29,269 --> 00:24:27,360
it you get on the bike and go

610
00:24:30,070 --> 00:24:29,279
and so very similar

611
00:24:31,830 --> 00:24:30,080
um

612
00:24:33,510 --> 00:24:31,840
it's kind of like learning another

613
00:24:35,029 --> 00:24:33,520

language

614

00:24:36,630 --> 00:24:35,039

when you first learn you have to think

615

00:24:37,909 --> 00:24:36,640

about it and think about the words that

616

00:24:40,149 --> 00:24:37,919

you're using

617

00:24:41,909 --> 00:24:40,159

and how to say things right

618

00:24:43,590 --> 00:24:41,919

two years later

619

00:24:44,470 --> 00:24:43,600

you don't need to do that because your

620

00:24:46,630 --> 00:24:44,480

brain

621

00:24:48,230 --> 00:24:46,640

is used to it you've developed those

622

00:24:50,070 --> 00:24:48,240

neural pathways

623

00:24:51,909 --> 00:24:50,080

and it's much easier

624

00:24:55,029 --> 00:24:51,919

so hope there's one of the sasquatch

625

00:24:57,750 --> 00:24:55,039

kids i'm one of the few artists

626
00:24:59,669 --> 00:24:57,760
that draws sasquatch

627
00:25:00,870 --> 00:24:59,679
children

628
00:25:03,830 --> 00:25:00,880
doing

629
00:25:05,430 --> 00:25:03,840
what sasquatch kids do normally

630
00:25:09,430 --> 00:25:05,440
and so

631
00:25:10,549 --> 00:25:09,440
there's a whole bunch of sasquatch kids

632
00:25:11,430 --> 00:25:10,559
images

633
00:25:14,230 --> 00:25:11,440
on

634
00:25:15,669 --> 00:25:14,240
my youtube channel which is just my name

635
00:25:17,909 --> 00:25:15,679
sue walker

636
00:25:19,750 --> 00:25:17,919
just remember i don't put an e on sue

637
00:25:22,950 --> 00:25:19,760
and you'll find me

638
00:25:24,230 --> 00:25:22,960

but the sasquatch kids are fun to draw

639

00:25:26,310 --> 00:25:24,240

because

640

00:25:29,430 --> 00:25:26,320

they do kind of the same sorts of things

641

00:25:31,110 --> 00:25:29,440

as toddlers that our kids do

642

00:25:32,549 --> 00:25:31,120

just outdoors

643

00:25:34,230 --> 00:25:32,559

and so

644

00:25:37,909 --> 00:25:34,240

they're all kinds of fun

645

00:25:42,310 --> 00:25:39,909

he's heard that a lot of conte

646

00:25:44,549 --> 00:25:42,320

contactees

647

00:25:47,430 --> 00:25:44,559

say that ets are trying to raise our

648

00:25:50,710 --> 00:25:47,440

vibrational energy and consciousness

649

00:25:52,549 --> 00:25:50,720

is this what the ponte's goal is

650

00:25:55,110 --> 00:25:52,559

i think the goal

651
00:25:58,870 --> 00:25:55,120
of the ponte is

652
00:26:00,149 --> 00:25:58,880
to help people understand a couple of

653
00:26:01,830 --> 00:26:00,159
things

654
00:26:04,149 --> 00:26:01,840
one

655
00:26:06,390 --> 00:26:04,159
our extraterrestrial neighbors are

656
00:26:09,830 --> 00:26:06,400
already visiting earth

657
00:26:12,549 --> 00:26:09,840
they have been for thousands of years

658
00:26:13,669 --> 00:26:12,559
most indigenous peoples on every

659
00:26:15,990 --> 00:26:13,679
continent

660
00:26:18,549 --> 00:26:16,000
will tell you about the people that came

661
00:26:19,909 --> 00:26:18,559
from the sky that came down to talk to

662
00:26:24,390 --> 00:26:19,919
them

663
00:26:25,909 --> 00:26:24,400

and usually what did they teach usually

664

00:26:27,830 --> 00:26:25,919

they taught

665

00:26:29,430 --> 00:26:27,840

how do you get along and develop your

666

00:26:31,029 --> 00:26:29,440

culture

667

00:26:41,190 --> 00:26:31,039

and

668

00:26:42,789 --> 00:26:41,200

other off

669

00:26:47,269 --> 00:26:42,799

um

670

00:26:49,909 --> 00:26:47,279

when i think about the consciousness

671

00:26:52,149 --> 00:26:49,919

raising concept

672

00:26:54,310 --> 00:26:52,159

of the ponte

673

00:26:56,470 --> 00:26:54,320

what they say is just about any

674

00:26:58,230 --> 00:26:56,480

telepathic society

675

00:27:01,590 --> 00:26:58,240

is by nature

676
00:27:03,430 --> 00:27:01,600
an ultra polite society

677
00:27:05,029 --> 00:27:03,440
everybody's in everybody else's heads

678
00:27:06,630 --> 00:27:05,039
all the time and so

679
00:27:10,230 --> 00:27:06,640
there are rules

680
00:27:13,110 --> 00:27:10,240
to follow just like if you went to japan

681
00:27:15,669 --> 00:27:13,120
you would have rules to follow

682
00:27:17,990 --> 00:27:15,679
where you have lots of people in a very

683
00:27:19,110 --> 00:27:18,000
small island space

684
00:27:20,789 --> 00:27:19,120
and so

685
00:27:23,269 --> 00:27:20,799
the politeness

686
00:27:26,710 --> 00:27:23,279
factor is there

687
00:27:28,789 --> 00:27:26,720
the ponte also

688
00:27:31,669 --> 00:27:28,799

contacted us

689

00:27:34,070 --> 00:27:31,679

because they wanted to help us

690

00:27:39,110 --> 00:27:34,080

understand

691

00:27:41,510 --> 00:27:39,120

that our world is going through a reset

692

00:27:42,870 --> 00:27:41,520

our earth is changing our sun is

693

00:27:46,149 --> 00:27:42,880

changing

694

00:27:48,389 --> 00:27:46,159

and we are enter we have entered into an

695

00:27:50,149 --> 00:27:48,399

area of the galaxy

696

00:27:52,149 --> 00:27:50,159

that is for lack of a better way to

697

00:27:53,669 --> 00:27:52,159

phrase it turbulent

698

00:27:55,350 --> 00:27:53,679

not kind

699

00:27:58,630 --> 00:27:55,360

to stars

700

00:28:00,149 --> 00:27:58,640

not kind to solar systems

701
00:28:03,750 --> 00:28:00,159
and

702
00:28:06,870 --> 00:28:03,760
they wanted to let us know

703
00:28:09,510 --> 00:28:06,880
how to deal with that

704
00:28:11,510 --> 00:28:09,520
and what to expect

705
00:28:13,510 --> 00:28:11,520
so that's also

706
00:28:15,350 --> 00:28:13,520
part and parcel of

707
00:28:16,549 --> 00:28:15,360
why the contact

708
00:28:19,909 --> 00:28:16,559
now

709
00:28:22,470 --> 00:28:19,919
from the ponte

710
00:28:25,510 --> 00:28:22,480
they're trying to help us understand

711
00:28:28,549 --> 00:28:25,520
how to be right-minded that's their

712
00:28:30,470 --> 00:28:28,559
phrasing for

713
00:28:31,990 --> 00:28:30,480

better consciousness

714

00:28:34,230 --> 00:28:32,000

better thinking

715

00:28:36,630 --> 00:28:34,240

better behavior

716

00:28:39,190 --> 00:28:36,640

how to treat your fellow

717

00:28:41,590 --> 00:28:39,200

sentient being

718

00:28:43,590 --> 00:28:41,600

we've learned an awful lot about what it

719

00:28:45,909 --> 00:28:43,600

means to be human

720

00:28:48,389 --> 00:28:45,919

from the ponte because

721

00:28:50,070 --> 00:28:48,399

they tell us that they are human

722

00:28:51,909 --> 00:28:50,080

too

723

00:28:55,029 --> 00:28:51,919

we're earth human

724

00:28:57,590 --> 00:28:55,039

they're pontel human

725

00:28:59,190 --> 00:28:57,600

uh one of our artists friends on the

726
00:29:00,230 --> 00:28:59,200
chat wants to know what type of medium

727
00:29:04,310 --> 00:29:00,240
you use

728
00:29:05,350 --> 00:29:04,320
oh um pastels um pastel photos pastel

729
00:29:07,590 --> 00:29:05,360
yeah

730
00:29:08,950 --> 00:29:07,600
i liked pastels because you could erase

731
00:29:10,230 --> 00:29:08,960
them

732
00:29:13,029 --> 00:29:10,240
yeah and

733
00:29:15,909 --> 00:29:13,039
i liked how they blended and so i

734
00:29:18,310 --> 00:29:15,919
started working a lot with

735
00:29:19,350 --> 00:29:18,320
pastels on black paper

736
00:29:22,070 --> 00:29:19,360
and

737
00:29:24,470 --> 00:29:22,080
now i've

738
00:29:27,510 --> 00:29:24,480

discovered some better quality

739

00:29:29,029 --> 00:29:27,520

pastel papers that give me a greater

740

00:29:31,510 --> 00:29:29,039

level of detail

741

00:29:32,789 --> 00:29:31,520

and so the things that i've been doing

742

00:29:34,710 --> 00:29:32,799

um

743

00:29:36,470 --> 00:29:34,720

recently have been on some better

744

00:29:38,070 --> 00:29:36,480

quality paper and

745

00:29:40,630 --> 00:29:38,080

and that's helping a great deal why does

746

00:29:42,630 --> 00:29:40,640

this always happen like oh

747

00:29:44,149 --> 00:29:42,640

yep kevin's there

748

00:29:45,590 --> 00:29:44,159

yeah

749

00:29:48,630 --> 00:29:45,600

uh

750

00:29:49,750 --> 00:29:48,640

yeah i i'm a i'm a pastel guy myself i

751
00:29:52,389 --> 00:29:49,760
um

752
00:29:55,590 --> 00:29:52,399
i i do watercolors occasionally but i do

753
00:29:57,510 --> 00:29:55,600
like using pastels absolutely

754
00:30:00,230 --> 00:29:57,520
i probably got more pastels than i'll

755
00:30:02,310 --> 00:30:00,240
ever use but you know i guess mostly

756
00:30:04,470 --> 00:30:02,320
pastel artists do they grab as much as

757
00:30:07,190 --> 00:30:04,480
they can and try to pick their favorite

758
00:30:09,430 --> 00:30:07,200
to use but uh yeah absolutely

759
00:30:11,750 --> 00:30:09,440
so um there is another question here i

760
00:30:14,470 --> 00:30:11,760
think was uh is interesting

761
00:30:17,110 --> 00:30:14,480
uh nancy asked in the past ets have

762
00:30:20,470 --> 00:30:17,120
lived in plain sight with humans

763
00:30:22,549 --> 00:30:20,480

do the ponte plan on doing that again

764

00:30:24,549 --> 00:30:22,559

and when

765

00:30:28,389 --> 00:30:24,559

well

766

00:30:31,110 --> 00:30:28,399

they hope to very soon to be honest

767

00:30:33,029 --> 00:30:31,120

but they're understanding

768

00:30:35,590 --> 00:30:33,039

that

769

00:30:36,710 --> 00:30:35,600

not all the countries

770

00:30:40,950 --> 00:30:36,720

around

771

00:30:42,950 --> 00:30:40,960

the world are quite ready for that

772

00:30:46,149 --> 00:30:42,960

some countries are more ready than

773

00:30:48,070 --> 00:30:46,159

others some countries have

774

00:30:51,350 --> 00:30:48,080

released their

775

00:30:54,230 --> 00:30:51,360

documentation about sightings and ufos

776

00:30:56,470 --> 00:30:54,240

and and extraterrestrial contact and

777

00:30:59,269 --> 00:30:56,480

other countries have not

778

00:31:02,789 --> 00:30:59,279

we also find that

779

00:31:04,789 --> 00:31:02,799

the space fairing nations that we have

780

00:31:06,950 --> 00:31:04,799

here

781

00:31:09,190 --> 00:31:06,960

are in a bit of a competition

782

00:31:11,750 --> 00:31:09,200

to talk about

783

00:31:13,269 --> 00:31:11,760

ufos and extraterrestrials and who's

784

00:31:14,630 --> 00:31:13,279

working with them

785

00:31:17,029 --> 00:31:14,640

and so

786

00:31:18,870 --> 00:31:17,039

what we found an amusing situation a

787

00:31:21,669 --> 00:31:18,880

couple of weeks ago

788

00:31:24,630 --> 00:31:21,679

when the united states

789

00:31:26,310 --> 00:31:24,640
said something about yes we're

790

00:31:29,190 --> 00:31:26,320
following some

791

00:31:31,269 --> 00:31:29,200
ufo stuff and suddenly russia piped up

792

00:31:32,789 --> 00:31:31,279
and said oh well we are too

793

00:31:35,110 --> 00:31:32,799
and then suddenly

794

00:31:37,669 --> 00:31:35,120
china piped up and said we're doing that

795

00:31:39,110 --> 00:31:37,679
but we're also with extraterrestrials

796

00:31:41,190 --> 00:31:39,120
and

797

00:31:42,070 --> 00:31:41,200
so we're finding

798

00:31:46,549 --> 00:31:42,080
that

799

00:31:48,230 --> 00:31:46,559
none of the space-faring countries

800

00:31:50,149 --> 00:31:48,240
want to be

801
00:31:52,710 --> 00:31:50,159
behind the eight ball

802
00:31:54,549 --> 00:31:52,720
if one of them says we're working with

803
00:31:58,470 --> 00:31:54,559
helpful et's

804
00:32:02,870 --> 00:32:00,630
we don't think they're helpful we're

805
00:32:06,470 --> 00:32:02,880
we're we're in

806
00:32:09,269 --> 00:32:06,480
conflict with them and so the fake

807
00:32:11,029 --> 00:32:09,279
invasion scenario

808
00:32:14,070 --> 00:32:11,039
is something that

809
00:32:15,350 --> 00:32:14,080
has been talked about a lot

810
00:32:18,870 --> 00:32:15,360
we have

811
00:32:22,950 --> 00:32:18,880
been concerned about that and

812
00:32:27,750 --> 00:32:25,830
we were quickly at the point

813
00:32:29,110 --> 00:32:27,760

where we could

814

00:32:32,630 --> 00:32:29,120

be

815

00:32:36,310 --> 00:32:32,640

in public with our et friends

816

00:32:38,230 --> 00:32:36,320

but i think that realistically

817

00:32:40,870 --> 00:32:38,240

were

818

00:32:42,470 --> 00:32:40,880

more than a decade away from that at the

819

00:32:45,190 --> 00:32:42,480

very minimum

820

00:32:47,110 --> 00:32:45,200

i think that there's a lot of

821

00:32:49,750 --> 00:32:47,120

educating to do

822

00:32:52,149 --> 00:32:49,760

and photographs and video

823

00:32:54,950 --> 00:32:52,159

to be presented to

824

00:32:57,430 --> 00:32:54,960

the population of earth first

825

00:32:58,950 --> 00:32:57,440

before

826

00:33:02,310 --> 00:32:58,960

it's safe

827

00:33:05,669 --> 00:33:02,320

for our et friends from whatever

828

00:33:06,630 --> 00:33:05,679

solar system from whatever star

829

00:33:07,750 --> 00:33:06,640

um

830

00:33:11,669 --> 00:33:07,760

to

831

00:33:13,830 --> 00:33:11,679

walk around openly and

832

00:33:16,230 --> 00:33:13,840

feel like nobody's going to take a gun

833

00:33:18,149 --> 00:33:16,240

to them

834

00:33:20,310 --> 00:33:18,159

well i think we have kevin now so kevin

835

00:33:21,430 --> 00:33:20,320

can you tell us how you got involved now

836

00:33:28,470 --> 00:33:21,440

you started

837

00:33:33,909 --> 00:33:32,149

i don't know if kevin can hear us or not

838

00:33:36,470 --> 00:33:33,919

he's been

839

00:33:37,509 --> 00:33:36,480

fussing with his connection for some

840

00:33:39,029 --> 00:33:37,519

reason

841

00:33:41,590 --> 00:33:39,039

and i don't know what's going on i think

842

00:33:43,430 --> 00:33:41,600

it's frozen working on it so uh

843

00:33:45,029 --> 00:33:43,440

all right we'll let vincent continue to

844

00:33:46,630 --> 00:33:45,039

work

845

00:33:49,669 --> 00:33:46,640

we'll bring him in

846

00:33:54,630 --> 00:33:50,870

you know i

847

00:33:57,190 --> 00:33:54,640

i i've had some contact in the past

848

00:33:59,269 --> 00:33:57,200

uh nothing to the scale where you have

849

00:34:02,230 --> 00:33:59,279

and you know i've been hearing about

850

00:34:03,830 --> 00:34:02,240

sandia and manzano and all that out by

851
00:34:04,950 --> 00:34:03,840
albuquerque

852
00:34:07,110 --> 00:34:04,960
and all that

853
00:34:09,510 --> 00:34:07,120
and and that's why i asked if there was

854
00:34:10,710 --> 00:34:09,520
any involvement because it is a huge

855
00:34:12,710 --> 00:34:10,720
facility

856
00:34:14,550 --> 00:34:12,720
um there have been a lot said about

857
00:34:17,030 --> 00:34:14,560
santia

858
00:34:19,510 --> 00:34:17,040
i don't know how much of it was true

859
00:34:21,750 --> 00:34:19,520
but uh it seems interesting to me that

860
00:34:23,430 --> 00:34:21,760
they they found that place to be

861
00:34:26,389 --> 00:34:23,440
conducive to

862
00:34:28,149 --> 00:34:26,399
to them making contact or

863
00:34:29,270 --> 00:34:28,159

setting up a listening station or

864

00:34:32,310 --> 00:34:29,280

station

865

00:34:35,030 --> 00:34:32,320

for them um is this some is this a place

866

00:34:37,829 --> 00:34:35,040

where they have been for a while or do

867

00:34:40,710 --> 00:34:37,839

they kind of move around they've been

868

00:34:44,230 --> 00:34:40,720

at underneath the sandia mountain for

869

00:34:45,669 --> 00:34:44,240

centuries thousands of years and in fact

870

00:34:48,950 --> 00:34:45,679

well before

871

00:34:50,710 --> 00:34:48,960

europeans ever showed up

872

00:34:52,869 --> 00:34:50,720

on north america

873

00:34:55,750 --> 00:34:52,879

on the north american continent the

874

00:34:57,990 --> 00:34:55,760

local pueblo people the indigenous

875

00:35:00,550 --> 00:34:58,000

people here

876

00:35:03,190 --> 00:35:00,560

all of the tribes knew

877

00:35:05,270 --> 00:35:03,200

that there were star nation brothers

878

00:35:08,470 --> 00:35:05,280

under the mountain

879

00:35:09,990 --> 00:35:08,480

uh the zuni uh were the ones that we

880

00:35:12,390 --> 00:35:10,000

spoke with

881

00:35:14,630 --> 00:35:12,400

and in fact before he passed

882

00:35:16,790 --> 00:35:14,640

uh clifford mahuti who you might know

883

00:35:18,310 --> 00:35:16,800

from ancient aliens it was a very dear

884

00:35:19,510 --> 00:35:18,320

friend of ours and would come over for

885

00:35:21,349 --> 00:35:19,520

supper

886

00:35:24,710 --> 00:35:21,359

and it was clifford

887

00:35:28,470 --> 00:35:24,720

who told us and showed us

888

00:35:29,829 --> 00:35:28,480

the images of the kachinas

889

00:35:30,710 --> 00:35:29,839

you know

890

00:35:32,630 --> 00:35:30,720

as

891

00:35:34,870 --> 00:35:32,640

um

892

00:35:35,750 --> 00:35:34,880

unusual looking dolls

893

00:35:38,550 --> 00:35:35,760

that

894

00:35:42,230 --> 00:35:38,560

maybe you would buy at a tourist place

895

00:35:45,270 --> 00:35:42,240

here well kachinas were originally most

896

00:35:48,069 --> 00:35:45,280

of them

897

00:35:50,230 --> 00:35:48,079

created to illustrate the star nation

898

00:35:52,630 --> 00:35:50,240

peoples plural

899

00:35:54,150 --> 00:35:52,640

that came to visit

900

00:35:55,109 --> 00:35:54,160

uh

901
00:35:58,470 --> 00:35:55,119
as

902
00:35:59,670 --> 00:35:58,480
the zuni and some of the other pueblos

903
00:36:00,710 --> 00:35:59,680
um

904
00:36:05,349 --> 00:36:00,720
the

905
00:36:07,430 --> 00:36:05,359
when

906
00:36:10,150 --> 00:36:07,440
the extraterrestrials

907
00:36:12,150 --> 00:36:10,160
came from underneath the sandia mountain

908
00:36:15,270 --> 00:36:12,160
that there were always two that came

909
00:36:17,670 --> 00:36:15,280
together from two different places

910
00:36:20,630 --> 00:36:17,680
two different stars and they would

911
00:36:23,270 --> 00:36:20,640
travel together to zuni to visit once a

912
00:36:26,950 --> 00:36:24,790
we also

913
00:36:28,390 --> 00:36:26,960

are very aware

914

00:36:30,069 --> 00:36:28,400

that

915

00:36:32,630 --> 00:36:30,079

there are other

916

00:36:34,630 --> 00:36:32,640

locations in arizona

917

00:36:36,069 --> 00:36:34,640

and new mexico

918

00:36:39,349 --> 00:36:36,079

that

919

00:36:40,870 --> 00:36:39,359

have underground facilities not just the

920

00:36:43,750 --> 00:36:40,880

sandia mountain

921

00:36:45,910 --> 00:36:43,760

there's a lot of underground folks here

922

00:36:49,750 --> 00:36:45,920

there's a lot of underground things that

923

00:36:52,470 --> 00:36:49,760

we earth humans have done also we've

924

00:36:54,470 --> 00:36:52,480

extended the tunnel system

925

00:36:56,870 --> 00:36:54,480

that was here

926
00:36:58,550 --> 00:36:56,880
and in fact we think that the sandia

927
00:36:59,670 --> 00:36:58,560
national labs

928
00:37:02,230 --> 00:36:59,680
likely

929
00:37:05,430 --> 00:37:02,240
has built

930
00:37:09,190 --> 00:37:05,440
within the manzano mountains

931
00:37:12,950 --> 00:37:09,200
part of their facility in the tunnel

932
00:37:15,349 --> 00:37:12,960
system that extended down that far

933
00:37:18,230 --> 00:37:15,359
the sandia national labs is actually not

934
00:37:19,109 --> 00:37:18,240
in the sandia mountain

935
00:37:19,990 --> 00:37:19,119
it's

936
00:37:22,069 --> 00:37:20,000
there are

937
00:37:24,870 --> 00:37:22,079
thousands of businesses here in

938
00:37:27,589 --> 00:37:24,880

albuquerque named sandia this or sandia

939

00:37:30,150 --> 00:37:27,599

that because of the mountain right

940

00:37:31,349 --> 00:37:30,160

but um

941

00:37:33,589 --> 00:37:31,359

we do

942

00:37:34,790 --> 00:37:33,599

know that you can go

943

00:37:36,710 --> 00:37:34,800

from

944

00:37:38,790 --> 00:37:36,720

the sandia mountain

945

00:37:40,790 --> 00:37:38,800

to the denver airport

946

00:37:46,230 --> 00:37:40,800

you can go from the sandia mountain to

947

00:37:47,910 --> 00:37:46,240

dulce and over to area 51 and area 52

948

00:37:50,950 --> 00:37:47,920

you can go

949

00:37:53,589 --> 00:37:50,960

up to cheyenne mountain i mean there's a

950

00:37:55,990 --> 00:37:53,599

you can go a lot of places

951
00:37:56,870 --> 00:37:56,000
in the tunnel system because

952
00:37:59,270 --> 00:37:56,880
we

953
00:38:01,030 --> 00:37:59,280
earth humans extended it

954
00:38:02,230 --> 00:38:01,040
and so the maglev

955
00:38:04,550 --> 00:38:02,240
system

956
00:38:06,150 --> 00:38:04,560
will get you there very quickly

957
00:38:08,630 --> 00:38:06,160
so

958
00:38:11,190 --> 00:38:08,640
you don't have to go up on on top of the

959
00:38:12,870 --> 00:38:11,200
you don't have to go via the highway or

960
00:38:15,910 --> 00:38:12,880
the interstate to get from here to

961
00:38:18,470 --> 00:38:15,920
nevada right

962
00:38:21,190 --> 00:38:18,480
uh new medicine as how many species have

963
00:38:25,109 --> 00:38:21,200

you been in contact with

964

00:38:28,950 --> 00:38:25,119

me personally yeah oh gosh

965

00:38:33,109 --> 00:38:31,190

i would have to count them

966

00:38:33,910 --> 00:38:33,119

i i can tell you

967

00:38:36,069 --> 00:38:33,920

that

968

00:38:48,470 --> 00:38:36,079

i

969

00:38:50,230 --> 00:38:48,480

have

970

00:38:51,750 --> 00:38:50,240

met the sasquatch

971

00:38:54,950 --> 00:38:51,760

who

972

00:38:57,270 --> 00:38:54,960

originally are from here but also travel

973

00:38:59,430 --> 00:38:57,280

with some of the star nations off world

974

00:39:01,670 --> 00:38:59,440

now

975

00:39:05,670 --> 00:39:01,680

we have seen

976

00:39:09,190 --> 00:39:05,680

uh the saurons which are like reptile

977

00:39:11,349 --> 00:39:09,200

reptilians only more amphibian-like

978

00:39:13,829 --> 00:39:11,359

um

979

00:39:16,630 --> 00:39:13,839

i have not met the nagas those are the

980

00:39:18,790 --> 00:39:16,640

snake people

981

00:39:21,270 --> 00:39:18,800

we have

982

00:39:23,829 --> 00:39:21,280

talked with

983

00:39:24,790 --> 00:39:23,839

some of the other nations

984

00:39:26,150 --> 00:39:24,800

and

985

00:39:28,069 --> 00:39:26,160

some of them

986

00:39:30,630 --> 00:39:28,079

the ponte showed us what they looked

987

00:39:31,750 --> 00:39:30,640

like but we did not meet them

988

00:39:35,109 --> 00:39:31,760

so

989

00:39:39,109 --> 00:39:35,119

i would have to say less than a dozen

990

00:39:46,069 --> 00:39:41,750

the people that we did meet we had

991

00:39:50,790 --> 00:39:49,190

if that helps okay um

992

00:39:53,109 --> 00:39:50,800

yeah the the

993

00:39:55,190 --> 00:39:53,119

and i did tell you about my encounters

994

00:39:57,430 --> 00:39:55,200

the tall whites are the ones that i have

995

00:40:00,550 --> 00:39:57,440

had encounters with and it's always a

996

00:40:02,550 --> 00:40:00,560

trio it's the same trio that show up

997

00:40:03,910 --> 00:40:02,560

and it's the same trio that have it took

998

00:40:06,069 --> 00:40:03,920

me

999

00:40:08,950 --> 00:40:06,079

so uh i don't know what that's all about

1000

00:40:10,470 --> 00:40:08,960

i i don't know where they come from what

1001

00:40:12,230 --> 00:40:10,480

the whole deal is

1002

00:40:13,829 --> 00:40:12,240

uh but

1003

00:40:15,589 --> 00:40:13,839

there was a period of time where they

1004

00:40:16,390 --> 00:40:15,599

were showing up and it's been a while

1005

00:40:18,630 --> 00:40:16,400

but

1006

00:40:20,230 --> 00:40:18,640

uh then again i don't know if i'm i may

1007

00:40:22,790 --> 00:40:20,240

have been taken and not even know about

1008

00:40:24,870 --> 00:40:22,800

it or how don't recall it at all and

1009

00:40:27,430 --> 00:40:24,880

that's possible yeah there i think we

1010

00:40:31,270 --> 00:40:27,440

got kevin back finally kevin can you

1011

00:40:34,470 --> 00:40:32,950

i don't know if he can hear us yet or

1012

00:40:36,390 --> 00:40:34,480

not

1013

00:40:38,870 --> 00:40:36,400

he's been

1014

00:40:41,109 --> 00:40:38,880

trying to i can tell i i don't know it's

1015

00:40:43,349 --> 00:40:41,119

just mike going yeah i see this mic is

1016

00:40:45,829 --> 00:40:43,359

the one i don't know if it's on his end

1017

00:40:48,069 --> 00:40:45,839

that's a good question yeah i think i

1018

00:40:49,750 --> 00:40:48,079

think um vince will let me know as soon

1019

00:40:52,870 --> 00:40:49,760

as he gets him on there okay that'd be

1020

00:40:55,270 --> 00:40:52,880

great um

1021

00:40:57,109 --> 00:40:55,280

what guidance do your ets give you about

1022

00:40:59,270 --> 00:40:57,119

trusting other et's

1023

00:41:01,030 --> 00:40:59,280

that's an interesting question that's a

1024

00:41:02,230 --> 00:41:01,040

fair question too

1025

00:41:04,230 --> 00:41:02,240

because

1026

00:41:05,349 --> 00:41:04,240

they tell us

1027

00:41:07,270 --> 00:41:05,359

that

1028

00:41:09,190 --> 00:41:07,280

you need to keep your skepticism and

1029

00:41:12,309 --> 00:41:09,200

discernment intact

1030

00:41:15,910 --> 00:41:12,319

anytime you do a ce5

1031

00:41:17,910 --> 00:41:15,920

because you want to make sure

1032

00:41:20,790 --> 00:41:17,920

that

1033

00:41:22,309 --> 00:41:20,800

the whole situation feels right if you

1034

00:41:24,870 --> 00:41:22,319

ever

1035

00:41:27,510 --> 00:41:24,880

meet someone and they don't feel right

1036

00:41:28,870 --> 00:41:27,520

head the other way real fast

1037

00:41:30,710 --> 00:41:28,880

there are

1038

00:41:33,030 --> 00:41:30,720

a number of

1039

00:41:36,950 --> 00:41:33,040

portals that are

1040

00:41:39,190 --> 00:41:36,960

available to use here in north america

1041

00:41:45,510 --> 00:41:39,200

not all of them

1042

00:41:50,309 --> 00:41:45,520

are being used by necessarily good folks

1043

00:41:53,109 --> 00:41:50,319

we know of a couple of locations where

1044

00:41:55,349 --> 00:41:53,119

for lack of a better word the riffraff

1045

00:41:56,550 --> 00:41:55,359

congregates around the portal

1046

00:42:01,270 --> 00:41:56,560

and

1047

00:42:04,309 --> 00:42:01,280

so there are star nations that are not

1048

00:42:06,550 --> 00:42:04,319

very right-minded here

1049

00:42:08,390 --> 00:42:06,560

and

1050

00:42:11,030 --> 00:42:08,400

that doesn't mean that you have to be

1051
00:42:12,710 --> 00:42:11,040
afraid of all of them but what the ponte

1052
00:42:13,750 --> 00:42:12,720
tell us is

1053
00:42:16,069 --> 00:42:13,760
please

1054
00:42:18,309 --> 00:42:16,079
if if you reach out and something

1055
00:42:19,910 --> 00:42:18,319
doesn't feel right

1056
00:42:22,470 --> 00:42:19,920
back off

1057
00:42:23,910 --> 00:42:22,480
just the same way you would if you met

1058
00:42:26,230 --> 00:42:23,920
an earth human

1059
00:42:27,990 --> 00:42:26,240
that doesn't feel right

1060
00:42:31,190 --> 00:42:28,000
you would back off

1061
00:42:32,069 --> 00:42:31,200
go the other side of the street leave

1062
00:42:33,910 --> 00:42:32,079
um

1063
00:42:37,829 --> 00:42:33,920

if you have

1064

00:42:39,990 --> 00:42:37,839

the one thing that ce5s will do is

1065

00:42:41,750 --> 00:42:40,000

bring up your fears

1066

00:42:44,950 --> 00:42:41,760

especially if

1067

00:42:47,510 --> 00:42:44,960

your event goes from more than

1068

00:42:50,069 --> 00:42:47,520

seeing a dot of light in the sky

1069

00:42:52,870 --> 00:42:50,079

and a ce1

1070

00:42:54,870 --> 00:42:52,880

if you get to the point where you have a

1071

00:42:59,270 --> 00:42:54,880

craft land

1072

00:43:02,470 --> 00:42:59,280

or you have star nation people show up

1073

00:43:04,550 --> 00:43:02,480

you need to immediately be able to

1074

00:43:06,309 --> 00:43:04,560

assess

1075

00:43:07,430 --> 00:43:06,319

what do they feel like what do they

1076

00:43:10,069 --> 00:43:07,440

sound like

1077

00:43:12,950 --> 00:43:10,079

what what's their body language saying

1078

00:43:15,910 --> 00:43:12,960

you may not understand their language

1079

00:43:17,430 --> 00:43:15,920

you may not understand telepathy

1080

00:43:21,190 --> 00:43:17,440

but

1081

00:43:23,589 --> 00:43:21,200

if their body language is telling you

1082

00:43:26,069 --> 00:43:23,599

something is not right

1083

00:43:27,589 --> 00:43:26,079

then it's time to exit and get out of

1084

00:43:29,910 --> 00:43:27,599

there

1085

00:43:31,109 --> 00:43:29,920

the vast majority

1086

00:43:34,870 --> 00:43:31,119

of

1087

00:43:39,109 --> 00:43:34,880

individuals that visit our world

1088

00:43:40,390 --> 00:43:39,119

are positive the vast vast majority

1089

00:43:43,510 --> 00:43:40,400

but

1090

00:43:45,270 --> 00:43:43,520

little known fact of

1091

00:43:47,030 --> 00:43:45,280

on any given day

1092

00:43:50,470 --> 00:43:47,040

somewhere between

1093

00:43:52,550 --> 00:43:50,480

75 and 80 separate star nations

1094

00:43:55,589 --> 00:43:52,560

are visiting earth

1095

00:43:57,990 --> 00:43:55,599

75 of those are here

1096

00:44:04,470 --> 00:43:58,000

because we live on a water world and

1097

00:44:09,589 --> 00:44:06,829

interesting

1098

00:44:11,430 --> 00:44:09,599

um so let's talk about bigfoot for a bit

1099

00:44:13,589 --> 00:44:11,440

maybe we'll get kevin back in a bit and

1100

00:44:14,630 --> 00:44:13,599

we can go back to the uh pawn team

1101

00:44:16,630 --> 00:44:14,640

that'd be great

1102

00:44:19,109 --> 00:44:16,640

the the bigfoot how how did you start

1103

00:44:21,349 --> 00:44:19,119

communicating with them um

1104

00:44:23,829 --> 00:44:21,359

around you

1105

00:44:27,510 --> 00:44:23,839

we learned that the ponte and the

1106

00:44:28,710 --> 00:44:27,520

sasquatch nations are very good friends

1107

00:44:31,349 --> 00:44:28,720

and

1108

00:44:34,829 --> 00:44:31,359

they get along because they have very

1109

00:44:37,190 --> 00:44:34,839

similar senses of humor

1110

00:44:39,910 --> 00:44:37,200

when we

1111

00:44:41,910 --> 00:44:39,920

were translating the telepathy 101

1112

00:44:43,910 --> 00:44:41,920

primer

1113

00:44:46,230 --> 00:44:43,920

tilcum came to us

1114

00:44:48,470 --> 00:44:46,240

um right after we'd gotten the vast

1115

00:44:49,349 --> 00:44:48,480

majority of it written down

1116

00:44:51,510 --> 00:44:49,359

and

1117

00:44:52,950 --> 00:44:51,520

said sue we would like you to go teach

1118

00:44:56,390 --> 00:44:52,960

and i said what

1119

00:44:57,829 --> 00:44:56,400

and he said we would like you to go here

1120

00:44:59,990 --> 00:44:57,839

and go teach

1121

00:45:03,030 --> 00:45:00,000

and i said where's here

1122

00:45:06,069 --> 00:45:03,040

and he spelled out kiwani lapsertitis's

1123

00:45:09,030 --> 00:45:06,079

name kiwani is a sasquatch researcher

1124

00:45:12,550 --> 00:45:09,040

and that was the day after

1125

00:45:14,630 --> 00:45:12,560

they had advertised the first uh

1126

00:45:16,069 --> 00:45:14,640

sasquatch conference

1127

00:45:18,470 --> 00:45:16,079

that they were going to hold up in

1128

00:45:19,270 --> 00:45:18,480

chihuahua washington

1129

00:45:23,430 --> 00:45:19,280

so

1130

00:45:26,870 --> 00:45:23,440

we took the telepathy primer up with us

1131

00:45:28,870 --> 00:45:26,880

to go teach at the sasquatch conference

1132

00:45:30,550 --> 00:45:28,880

and this happened to be a sasquatch

1133

00:45:32,470 --> 00:45:30,560

conference where

1134

00:45:36,630 --> 00:45:32,480

people were coming from all over the

1135

00:45:38,630 --> 00:45:36,640

world to discuss the more unusual

1136

00:45:40,710 --> 00:45:38,640

aspects of

1137

00:45:42,950 --> 00:45:40,720

sasquatch research

1138

00:45:45,430 --> 00:45:42,960

the more unusual things that were

1139

00:45:47,030 --> 00:45:45,440

happening to these researchers out in

1140

00:45:48,950 --> 00:45:47,040

the field

1141

00:45:50,950 --> 00:45:48,960

and the things that

1142

00:45:53,349 --> 00:45:50,960

if they went to another

1143

00:45:54,950 --> 00:45:53,359

sasquatch conference

1144

00:45:56,710 --> 00:45:54,960

the the other researchers didn't want to

1145

00:45:59,109 --> 00:45:56,720

hear about it they didn't want to hear

1146

00:46:00,550 --> 00:45:59,119

about mind speak they didn't want to

1147

00:46:03,030 --> 00:46:00,560

hear about

1148

00:46:04,950 --> 00:46:03,040

being frozen and unable to move they

1149

00:46:07,030 --> 00:46:04,960

didn't want to hear about

1150

00:46:08,630 --> 00:46:07,040

suddenly finding themselves

1151
00:46:11,349 --> 00:46:08,640
back in their cars and halfway home

1152
00:46:14,150 --> 00:46:11,359
before they even knew they'd left

1153
00:46:19,589 --> 00:46:14,160
they didn't want to

1154
00:46:23,270 --> 00:46:19,599
unusual things that they were seeing

1155
00:46:25,349 --> 00:46:23,280
around the sasquatch like ufos or

1156
00:46:26,950 --> 00:46:25,359
others meaning

1157
00:46:30,870 --> 00:46:26,960
folks not from here

1158
00:46:33,670 --> 00:46:30,880
and so this conference opened up

1159
00:46:35,829 --> 00:46:33,680
the pathway for everybody to share

1160
00:46:38,069 --> 00:46:35,839
and that's the

1161
00:46:39,990 --> 00:46:38,079
the first year that it was held that's

1162
00:46:42,630 --> 00:46:40,000
when we went to go teach

1163
00:46:44,470 --> 00:46:42,640

the telepathy 101 primer

1164

00:46:47,109 --> 00:46:44,480

the sasquatch

1165

00:46:48,870 --> 00:46:47,119

the understanding that we have gained

1166

00:46:51,349 --> 00:46:48,880

since then

1167

00:46:53,430 --> 00:46:51,359

has been wide and varied talking with

1168

00:46:57,990 --> 00:46:53,440

all of these researchers

1169

00:46:59,030 --> 00:46:58,000

from australia and russia and germany

1170

00:47:06,870 --> 00:46:59,040

and

1171

00:47:08,230 --> 00:47:06,880

everybody

1172

00:47:11,190 --> 00:47:08,240

and

1173

00:47:14,309 --> 00:47:11,200

learned an awful lot awful fast

1174

00:47:15,910 --> 00:47:14,319

when we got home after the first

1175

00:47:18,390 --> 00:47:15,920

conference

1176

00:47:19,510 --> 00:47:18,400

we'd been home less than a month

1177

00:47:23,349 --> 00:47:19,520

and

1178

00:47:25,750 --> 00:47:23,359

i had a sasquatch show up at the house

1179

00:47:28,710 --> 00:47:25,760

and asked if i would please

1180

00:47:29,990 --> 00:47:28,720

start to draw them as they see

1181

00:47:32,069 --> 00:47:30,000

each other

1182

00:47:34,790 --> 00:47:32,079

instead of as monsters

1183

00:47:37,430 --> 00:47:34,800

and that's what got me started

1184

00:47:38,870 --> 00:47:37,440

drawing the sasquatch as well as the

1185

00:47:40,710 --> 00:47:38,880

ponte

1186

00:47:43,270 --> 00:47:40,720

since then i've also been drawing other

1187

00:47:44,309 --> 00:47:43,280

star nations but

1188

00:47:46,309 --> 00:47:44,319

that's

1189

00:47:48,470 --> 00:47:46,319

we don't we don't have uh

1190

00:47:50,390 --> 00:47:48,480

time to cover all that as well tonight i

1191

00:47:51,670 --> 00:47:50,400

don't think we might have to do that

1192

00:47:53,270 --> 00:47:51,680

another time

1193

00:47:55,990 --> 00:47:53,280

you know it's interesting i just saw one

1194

00:47:57,270 --> 00:47:56,000

of your drawings uh from valles con de

1195

00:48:00,710 --> 00:47:57,280

cadera

1196

00:48:02,870 --> 00:48:00,720

uh bias caldera yeah and i i have had a

1197

00:48:04,549 --> 00:48:02,880

lot of activity reported

1198

00:48:07,349 --> 00:48:04,559

sasquatch activity

1199

00:48:09,270 --> 00:48:07,359

reported to me from that area

1200

00:48:11,510 --> 00:48:09,280

and in fact

1201

00:48:14,549 --> 00:48:11,520

uh even up the trisca mountains up in

1202

00:48:16,710 --> 00:48:14,559

arizona where they

1203

00:48:19,430 --> 00:48:16,720

and this is what the researchers tell me

1204

00:48:23,030 --> 00:48:19,440

they have literally seen bigfoot

1205

00:48:25,910 --> 00:48:23,040

crowling elk in these areas

1206

00:48:30,069 --> 00:48:25,920

oh yeah you know about that oh sure oh

1207

00:48:32,390 --> 00:48:30,079

sure the structures that they build

1208

00:48:34,870 --> 00:48:32,400

serve several purposes

1209

00:48:37,670 --> 00:48:34,880

if you examine the structures that the

1210

00:48:39,510 --> 00:48:37,680

sasquatch build out of

1211

00:48:41,670 --> 00:48:39,520

logs

1212

00:48:44,230 --> 00:48:41,680

you'll find that

1213

00:48:53,510 --> 00:48:45,349

they

1214

00:48:54,950 --> 00:48:53,520
starts always with a trident tree

1215

00:48:57,670 --> 00:48:54,960
that has

1216

00:49:00,309 --> 00:48:57,680
three branches at the top that split

1217

00:49:03,109 --> 00:49:00,319
and the first log leans up against that

1218

00:49:05,589 --> 00:49:03,119
tree all of the other parts of the

1219

00:49:07,589 --> 00:49:05,599
structure connect

1220

00:49:10,309 --> 00:49:07,599
there is not a log that's placed that

1221

00:49:13,589 --> 00:49:10,319
isn't connected to those

1222

00:49:16,710 --> 00:49:13,599
uh first logs and to that tree

1223

00:49:19,589 --> 00:49:16,720
when they build things they mark their

1224

00:49:20,870 --> 00:49:19,599
territory but they also

1225

00:49:23,510 --> 00:49:20,880
funnel

1226

00:49:25,109 --> 00:49:23,520

the deer the elk

1227

00:49:31,990 --> 00:49:25,119

the

1228

00:49:33,430 --> 00:49:32,000

into a specific area

1229

00:49:36,069 --> 00:49:33,440

so that

1230

00:49:37,270 --> 00:49:36,079

it gets harder and harder

1231

00:49:39,270 --> 00:49:37,280

for

1232

00:49:41,829 --> 00:49:39,280

those animals

1233

00:49:43,190 --> 00:49:41,839

to keep going because now they've got

1234

00:49:45,750 --> 00:49:43,200

all these logs in their way and they

1235

00:49:47,910 --> 00:49:45,760

have to hop over stuff or they've got

1236

00:49:49,750 --> 00:49:47,920

big things fencing them in so they

1237

00:49:51,430 --> 00:49:49,760

funnel them in

1238

00:49:55,750 --> 00:49:51,440

and

1239

00:49:57,430 --> 00:49:55,760

the logs also serve to keep the erosion

1240

00:49:59,670 --> 00:49:57,440

from going straight down the mountain

1241

00:50:03,190 --> 00:49:59,680

also

1242

00:50:07,510 --> 00:50:05,910

little known fact if you

1243

00:50:09,589 --> 00:50:07,520

don't have very good cell phone

1244

00:50:12,150 --> 00:50:09,599

reception

1245

00:50:14,390 --> 00:50:12,160

up in the high country

1246

00:50:15,510 --> 00:50:14,400

above 9000 feet

1247

00:50:18,470 --> 00:50:15,520

and

1248

00:50:20,390 --> 00:50:18,480

you take your phone over to the

1249

00:50:22,950 --> 00:50:20,400

structure

1250

00:50:25,349 --> 00:50:22,960

that the sasquatch have built especially

1251

00:50:27,109 --> 00:50:25,359

near this trident tree

1252

00:50:29,270 --> 00:50:27,119

you'll find that the bars on your phone

1253

00:50:31,829 --> 00:50:29,280

go up

1254

00:50:36,230 --> 00:50:34,150

you get better reception so there's

1255

00:50:39,349 --> 00:50:36,240

something that we don't understand

1256

00:50:41,349 --> 00:50:39,359

that's going on that's electronic

1257

00:50:42,549 --> 00:50:41,359

um

1258

00:50:45,750 --> 00:50:42,559

we do

1259

00:50:48,630 --> 00:50:45,760

know that the sasquatch live side by

1260

00:50:50,790 --> 00:50:48,640

side with the dogman

1261

00:50:54,470 --> 00:50:50,800

we do know that

1262

00:50:56,870 --> 00:50:54,480

a myriad of et folks

1263

00:50:58,790 --> 00:50:56,880

also visit the sasquatch not just the

1264

00:50:59,750 --> 00:50:58,800

ponte

1265

00:51:02,470 --> 00:50:59,760

and

1266

00:51:03,750 --> 00:51:02,480

we know because we have photos now

1267

00:51:06,390 --> 00:51:03,760

of

1268

00:51:09,430 --> 00:51:06,400

these other beings

1269

00:51:11,190 --> 00:51:09,440

we also have other wooden that's the

1270

00:51:13,589 --> 00:51:11,200

term for

1271

00:51:16,150 --> 00:51:13,599

the other sentient folks that live in

1272

00:51:17,990 --> 00:51:16,160

the forest besides the susque watch

1273

00:51:20,470 --> 00:51:18,000

whether or not they're the short two

1274

00:51:22,790 --> 00:51:20,480

foot tall guys

1275

00:51:24,150 --> 00:51:22,800

or something else

1276

00:51:25,510 --> 00:51:24,160

but if

1277

00:51:28,230 --> 00:51:25,520

they live

1278

00:51:31,190 --> 00:51:28,240

in the forest alongside the sasquatch

1279

00:51:35,430 --> 00:51:31,200

this hotspot called them woodman which

1280

00:51:35,440 --> 00:51:38,309

um

1281

00:51:42,069 --> 00:51:40,549

well used to trade with the native

1282

00:51:44,230 --> 00:51:42,079

americans

1283

00:51:48,309 --> 00:51:44,240

especially the little guys because they

1284

00:51:50,870 --> 00:51:48,319

would nap arrowheads that were oh

1285

00:51:55,030 --> 00:51:50,880

half an inch big brilliant because they

1286

00:52:00,309 --> 00:51:57,990

um nancy malcolm asks have you ever

1287

00:52:02,549 --> 00:52:00,319

drawn a gin

1288

00:52:05,270 --> 00:52:02,559

uh isn't earth their home world where

1289

00:52:08,069 --> 00:52:05,280

are they now i mean

1290

00:52:08,790 --> 00:52:08,079

i i know you've probably gotten involved

1291

00:52:11,990 --> 00:52:08,800

with

1292

00:52:13,270 --> 00:52:12,000

other

1293

00:52:16,230 --> 00:52:13,280

small

1294

00:52:18,549 --> 00:52:16,240

beings and and even ethereal are not

1295

00:52:20,150 --> 00:52:18,559

ethereal beings like maybe gin

1296

00:52:23,990 --> 00:52:20,160

have you have you ever

1297

00:52:26,549 --> 00:52:24,000

drawn those or have any i have not i

1298

00:52:28,230 --> 00:52:26,559

the elemental folks

1299

00:52:31,030 --> 00:52:28,240

um

1300

00:52:34,230 --> 00:52:31,040

i have not drawn

1301
00:52:39,430 --> 00:52:34,240
the gin per se

1302
00:52:42,870 --> 00:52:41,430
i'm not sure that

1303
00:52:45,510 --> 00:52:42,880
we have

1304
00:52:48,790 --> 00:52:45,520
a single lock on

1305
00:52:50,150 --> 00:52:48,800
who the gin are because as i talk to

1306
00:52:52,549 --> 00:52:50,160
various people

1307
00:52:54,069 --> 00:52:52,559
i get various different

1308
00:52:57,109 --> 00:52:54,079
responses

1309
00:52:58,790 --> 00:52:57,119
as to who they believe the gin are

1310
00:53:02,230 --> 00:52:58,800
and what they look like

1311
00:53:02,950 --> 00:53:02,240
so if if i understand

1312
00:53:11,829 --> 00:53:02,960
the

1313
00:53:13,270 --> 00:53:11,839

beings that had more abilities than

1314

00:53:15,510 --> 00:53:13,280

earth humans did

1315

00:53:18,230 --> 00:53:15,520

that seemed magical

1316

00:53:21,270 --> 00:53:18,240

but where they're from and

1317

00:53:22,710 --> 00:53:21,280

whether or not they were all from here

1318

00:53:26,230 --> 00:53:22,720

that i don't know

1319

00:53:29,589 --> 00:53:26,240

i am not well researched on the gin

1320

00:53:31,109 --> 00:53:29,599

okay so well i'm gonna try and bring

1321

00:53:33,190 --> 00:53:31,119

kevin in so

1322

00:53:34,950 --> 00:53:33,200

vincent if you're gonna mute him and i

1323

00:53:42,390 --> 00:53:34,960

can ask him

1324

00:53:51,030 --> 00:53:46,790

kevin

1325

00:53:56,870 --> 00:53:53,910

with things i'm really sorry he's he's

1326

00:53:57,670 --> 00:53:56,880

mad i can tell he's frustrated

1327

00:54:03,510 --> 00:53:57,680

with

1328

00:54:05,430 --> 00:54:03,520

the

1329

00:54:06,950 --> 00:54:05,440

yeah i think he can hear but i don't we

1330

00:54:07,910 --> 00:54:06,960

can't hear him at all

1331

00:54:11,829 --> 00:54:07,920

okay

1332

00:54:14,230 --> 00:54:11,839

uh anyway all right um

1333

00:54:17,030 --> 00:54:14,240

continuing on with the bigfoot i find

1334

00:54:18,630 --> 00:54:17,040

this interesting because

1335

00:54:21,510 --> 00:54:18,640

you know i've been looking i had an

1336

00:54:24,470 --> 00:54:21,520

encounter with a bigfoot in 1981.

1337

00:54:26,150 --> 00:54:24,480

uh i i you know it was fairly brief it

1338

00:54:27,430 --> 00:54:26,160

wasn't any type of communication

1339

00:54:29,589 --> 00:54:27,440

whatsoever

1340

00:54:31,190 --> 00:54:29,599

uh it was there in front of me i saw it

1341

00:54:32,870 --> 00:54:31,200

for about 10 seconds and it turned

1342

00:54:35,030 --> 00:54:32,880

around and walked away

1343

00:54:37,589 --> 00:54:35,040

but um

1344

00:54:39,270 --> 00:54:37,599

i do hear a lot of times about the mind

1345

00:54:40,870 --> 00:54:39,280

speaking thing

1346

00:54:43,990 --> 00:54:40,880

where and

1347

00:54:46,150 --> 00:54:44,000

they may use some type of infrasound yes

1348

00:54:48,230 --> 00:54:46,160

how do they actually communicate is that

1349

00:54:50,789 --> 00:54:48,240

what they use an infrasound

1350

00:54:54,470 --> 00:54:50,799

um the sasquatch have

1351

00:54:55,190 --> 00:54:54,480

a wider range of hearing than you or i

1352

00:54:59,109 --> 00:54:55,200

do

1353

00:55:02,069 --> 00:54:59,119

they can they can both speak at a deeper

1354

00:55:03,910 --> 00:55:02,079

level than what we can hear

1355

00:55:07,430 --> 00:55:03,920

and they can hear

1356

00:55:10,630 --> 00:55:07,440

at a higher end lower level than what we

1357

00:55:12,309 --> 00:55:10,640

can hear at also the sasquatch actually

1358

00:55:15,190 --> 00:55:12,319

are very good

1359

00:55:16,549 --> 00:55:15,200

imitators of just about any sound that

1360

00:55:19,270 --> 00:55:16,559

they can hear

1361

00:55:21,990 --> 00:55:19,280

so you know how a parrot can imitate

1362

00:55:24,870 --> 00:55:22,000

just about any sound it can hear if it's

1363

00:55:25,670 --> 00:55:24,880

repeated sasquatch are like that

1364

00:55:28,150 --> 00:55:25,680

so

1365

00:55:31,430 --> 00:55:28,160

they can imitate a snowmobile

1366

00:55:36,549 --> 00:55:31,440

they could imitate your truck backfiring

1367

00:55:37,910 --> 00:55:36,559

they can imitate a bird or a moose call

1368

00:55:39,109 --> 00:55:37,920

and

1369

00:55:41,270 --> 00:55:39,119

frequently

1370

00:55:42,870 --> 00:55:41,280

will do

1371

00:55:45,109 --> 00:55:42,880

that type of thing

1372

00:55:46,630 --> 00:55:45,119

but the infrasound

1373

00:55:49,589 --> 00:55:46,640

is not

1374

00:55:52,069 --> 00:55:49,599

exclusive to the sasquatch here on earth

1375

00:55:54,230 --> 00:55:52,079

elephants can do infrasound

1376

00:55:56,390 --> 00:55:54,240

tigers can do infrasound

1377

00:55:59,670 --> 00:55:56,400

there are a number of

1378

00:56:02,549 --> 00:55:59,680

very large animals or big game

1379

00:56:05,190 --> 00:56:02,559

on earth that can emit a sound

1380

00:56:08,630 --> 00:56:05,200

that can stop you in your tracks and you

1381

00:56:11,829 --> 00:56:08,640

can't move you literally are frozen

1382

00:56:13,190 --> 00:56:11,839

and so that's what infrasound can do

1383

00:56:14,870 --> 00:56:13,200

um

1384

00:56:16,390 --> 00:56:14,880

they also

1385

00:56:18,789 --> 00:56:16,400

can

1386

00:56:21,270 --> 00:56:18,799

essentially tell you

1387

00:56:23,270 --> 00:56:21,280

go over there sit down and be quiet and

1388

00:56:25,510 --> 00:56:23,280

you will

1389

00:56:29,109 --> 00:56:25,520

you don't have a lot of control

1390

00:56:31,589 --> 00:56:29,119

so like other telepathic nations

1391

00:56:32,870 --> 00:56:31,599

most all telepathic nations have the

1392

00:56:35,190 --> 00:56:32,880

ability

1393

00:56:36,870 --> 00:56:35,200

to mind control

1394

00:56:39,109 --> 00:56:36,880

to some degree

1395

00:56:41,270 --> 00:56:39,119

so can they

1396

00:56:45,030 --> 00:56:41,280

also tell you to go over there and sit

1397

00:56:47,829 --> 00:56:45,040

down and be quiet yes they can

1398

00:56:48,950 --> 00:56:47,839

the sasquatch

1399

00:56:52,870 --> 00:56:48,960

will

1400

00:56:55,430 --> 00:56:52,880

not always pick you up and touch you

1401
00:56:56,470 --> 00:56:55,440
versus tell you what to do

1402
00:57:00,069 --> 00:56:56,480
but

1403
00:57:02,230 --> 00:57:00,079
we are very aware of

1404
00:57:04,630 --> 00:57:02,240
very large hand prints

1405
00:57:07,190 --> 00:57:04,640
on some people

1406
00:57:08,710 --> 00:57:07,200
after they've had encounters with the

1407
00:57:11,270 --> 00:57:08,720
sasquatch

1408
00:57:12,549 --> 00:57:11,280
i know of a gal that was a very dear

1409
00:57:13,990 --> 00:57:12,559
friend of mine who went on a vision

1410
00:57:15,109 --> 00:57:14,000
quest

1411
00:57:16,549 --> 00:57:15,119
and

1412
00:57:18,390 --> 00:57:16,559
she was

1413
00:57:21,430 --> 00:57:18,400

laying on a

1414

00:57:22,470 --> 00:57:21,440

hillside above the missouri river

1415

00:57:24,710 --> 00:57:22,480

and

1416

00:57:26,950 --> 00:57:24,720

all by herself doing her

1417

00:57:29,190 --> 00:57:26,960

traditional vision quest

1418

00:57:30,549 --> 00:57:29,200

and she didn't know she was on an animal

1419

00:57:32,789 --> 00:57:30,559

path

1420

00:57:36,950 --> 00:57:32,799

she heard a growl

1421

00:57:38,390 --> 00:57:36,960

and a snarl from a mountain lion

1422

00:57:41,190 --> 00:57:38,400

and froze

1423

00:57:44,150 --> 00:57:41,200

and a moment later something

1424

00:57:46,630 --> 00:57:44,160

bent down picked her up by two arms and

1425

00:57:48,789 --> 00:57:46,640

set her on her feet

1426

00:57:51,829 --> 00:57:48,799

the next morning she had

1427

00:57:54,789 --> 00:57:51,839

hand prints the size of sasquatch hands

1428

00:57:55,510 --> 00:57:54,799

bruising both arms

1429

00:57:56,390 --> 00:57:55,520

so

1430

00:57:58,150 --> 00:57:56,400

not

1431

00:58:01,670 --> 00:57:58,160

all of the things that they do are

1432

00:58:03,990 --> 00:58:01,680

negative they actually love children

1433

00:58:07,030 --> 00:58:04,000

and not to eat that's not it they just

1434

00:58:09,990 --> 00:58:07,040

like children they're very protective

1435

00:58:11,510 --> 00:58:10,000

and they also

1436

00:58:13,750 --> 00:58:11,520

appreciate

1437

00:58:17,030 --> 00:58:13,760

the folks that attempt to communicate

1438

00:58:19,349 --> 00:58:17,040

with them in a right-minded way

1439

00:58:21,990 --> 00:58:19,359

and so if you

1440

00:58:23,829 --> 00:58:22,000

want to go visit the sasquatch and you

1441

00:58:25,750 --> 00:58:23,839

go drive up to the forest and you get

1442

00:58:27,430 --> 00:58:25,760

out of your car

1443

00:58:29,589 --> 00:58:27,440

before you even step foot into the

1444

00:58:31,030 --> 00:58:29,599

forest introduce yourself

1445

00:58:32,710 --> 00:58:31,040

tell them who you are and why you're

1446

00:58:35,349 --> 00:58:32,720

there

1447

00:58:36,870 --> 00:58:35,359

because they want to know your intent

1448

00:58:38,309 --> 00:58:36,880

you're about ready to walk into their

1449

00:58:40,390 --> 00:58:38,319

living room

1450

00:58:41,990 --> 00:58:40,400

and they want to know why because they

1451
00:58:44,789 --> 00:58:42,000
have kids too

1452
00:58:46,710 --> 00:58:44,799
that they have to keep safe

1453
00:58:52,950 --> 00:58:46,720
so

1454
00:58:57,030 --> 00:58:55,109
now we can't hear him

1455
00:58:59,270 --> 00:58:57,040
no we got something i don't know what's

1456
00:59:01,910 --> 00:58:59,280
going on i don't know either and that's

1457
00:59:04,950 --> 00:59:01,920
where because we had him before the show

1458
00:59:06,470 --> 00:59:04,960
yeah we did yeah so

1459
00:59:09,670 --> 00:59:06,480
what else would you like to know about

1460
00:59:11,270 --> 00:59:09,680
sasquatch or ponte or anything else well

1461
00:59:13,349 --> 00:59:11,280
yeah i mean

1462
00:59:15,430 --> 00:59:13,359
just like a

1463
00:59:18,789 --> 00:59:15,440

is there a specific

1464

00:59:21,829 --> 00:59:18,799

encounter that you had with the ponte

1465

00:59:25,990 --> 00:59:21,839

that was probably more extraordinary in

1466

00:59:31,190 --> 00:59:26,789

wow

1467

00:59:35,829 --> 00:59:32,870

when

1468

00:59:38,950 --> 00:59:35,839

i was in iowa and i

1469

00:59:41,030 --> 00:59:38,960

saw ufo on the south edge of town

1470

00:59:44,230 --> 00:59:41,040

i came home and thought oh that's cool

1471

00:59:46,150 --> 00:59:44,240

and i reported it to mufon and

1472

00:59:48,069 --> 00:59:46,160

it was investigated and written up and i

1473

00:59:50,150 --> 00:59:48,079

thought that was the end of it

1474

00:59:51,670 --> 00:59:50,160

and it was 10 days after that that i saw

1475

00:59:54,069 --> 00:59:51,680

a tall white

1476

00:59:55,750 --> 00:59:54,079

enter into my bedroom and he was

1477

00:59:57,430 --> 00:59:55,760

nearly the size

1478

00:59:58,789 --> 00:59:57,440

nearly as tall as the ceiling of the

1479

01:00:01,750 --> 00:59:58,799

room

1480

01:00:03,430 --> 01:00:01,760

and ten days after he arrived

1481

01:00:04,710 --> 01:00:03,440

and left

1482

01:00:06,549 --> 01:00:04,720

um

1483

01:00:07,990 --> 01:00:06,559

the ponte showed up at the foot of my

1484

01:00:09,910 --> 01:00:08,000

bed

1485

01:00:13,349 --> 01:00:09,920

and

1486

01:00:16,950 --> 01:00:13,359

i don't know if they put a gps tracker

1487

01:00:20,150 --> 01:00:16,960

in me or not i suspect so

1488

01:00:23,750 --> 01:00:20,160

and the reason that i suspect so

1489

01:00:32,309 --> 01:00:28,230

when they showed up in my bedroom

1490

01:00:33,750 --> 01:00:32,319

i woke up to bone pain in one calf

1491

01:00:35,270 --> 01:00:33,760

and when i

1492

01:00:38,069 --> 01:00:35,280

woke up

1493

01:00:39,349 --> 01:00:38,079

i saw them at the foot of my bed

1494

01:00:42,069 --> 01:00:39,359

four of them

1495

01:00:44,789 --> 01:00:42,079

and saw one of them withdrawing

1496

01:00:46,950 --> 01:00:44,799

something from my leg that looked

1497

01:00:50,630 --> 01:00:46,960

vaguely like a syringe and then i went

1498

01:00:52,309 --> 01:00:50,640

back to sleep again it was put back up

1499

01:00:54,549 --> 01:00:52,319

after that

1500

01:00:56,789 --> 01:00:54,559

whenever i was going to see a ufo that

1501

01:00:58,390 --> 01:00:56,799

night and i saw them frequently for

1502

01:01:00,630 --> 01:00:58,400

about three years

1503

01:01:03,270 --> 01:01:00,640

i'm more like five years

1504

01:01:04,470 --> 01:01:03,280

but when i was about to see them that

1505

01:01:06,069 --> 01:01:04,480

night

1506

01:01:07,109 --> 01:01:06,079

the place

1507

01:01:09,190 --> 01:01:07,119

where my

1508

01:01:11,750 --> 01:01:09,200

bone pain had been

1509

01:01:14,710 --> 01:01:11,760

with itch in the back of my calf and i

1510

01:01:16,069 --> 01:01:14,720

developed a rash about yay big

1511

01:01:17,990 --> 01:01:16,079

and

1512

01:01:19,829 --> 01:01:18,000

so i would always know

1513

01:01:21,750 --> 01:01:19,839

if it was going to be a ufo kind of

1514

01:01:23,190 --> 01:01:21,760

night

1515

01:01:25,190 --> 01:01:23,200

well

1516

01:01:28,150 --> 01:01:25,200

after

1517

01:01:29,990 --> 01:01:28,160

tilcomb introduced himself when i got to

1518

01:01:34,230 --> 01:01:30,000

new mexico in

1519

01:01:41,190 --> 01:01:37,510

one of the first things he did

1520

01:01:43,109 --> 01:01:41,200

after we'd been talking for a while was

1521

01:01:46,630 --> 01:01:43,119

introduce me

1522

01:01:49,349 --> 01:01:46,640

to a science and study

1523

01:01:50,789 --> 01:01:49,359

that i knew nothing about and i don't

1524

01:01:54,630 --> 01:01:50,799

know if

1525

01:01:58,390 --> 01:01:54,640

it had been looked at on this world

1526
01:02:01,190 --> 01:01:58,400
any time since the last age of man

1527
01:02:03,270 --> 01:02:01,200
and what i'm talking about is

1528
01:02:04,870 --> 01:02:03,280
he taught me about

1529
01:02:07,029 --> 01:02:04,880
a system

1530
01:02:08,870 --> 01:02:07,039
an organized system of images in the

1531
01:02:12,309 --> 01:02:08,880
landscape

1532
01:02:13,270 --> 01:02:12,319
that detail the history of the planet

1533
01:02:14,870 --> 01:02:13,280
in

1534
01:02:17,190 --> 01:02:14,880
murals

1535
01:02:20,470 --> 01:02:17,200
hidden in the landscape

1536
01:02:23,270 --> 01:02:20,480
and he called the system

1537
01:02:25,990 --> 01:02:23,280
archaeoplanetography

1538
01:02:28,549 --> 01:02:26,000

and taught me how to read

1539

01:02:30,789 --> 01:02:28,559

these layers and layers

1540

01:02:32,150 --> 01:02:30,799

of images

1541

01:02:34,390 --> 01:02:32,160

so that

1542

01:02:37,990 --> 01:02:34,400

you could understand

1543

01:02:38,870 --> 01:02:38,000

who had what history where

1544

01:02:44,470 --> 01:02:38,880

and

1545

01:02:45,349 --> 01:02:44,480

not only that facilities were marked

1546

01:02:51,029 --> 01:02:45,359

uh

1547

01:02:55,109 --> 01:02:52,789

gems

1548

01:02:57,029 --> 01:02:55,119

things that you would want to go to a

1549

01:02:59,430 --> 01:02:57,039

world to explore

1550

01:03:06,069 --> 01:03:03,190

taught me about how to identify where

1551

01:03:07,990 --> 01:03:06,079

natural portal systems

1552

01:03:10,630 --> 01:03:08,000

that had been around on earth for a long

1553

01:03:12,950 --> 01:03:10,640

time were located and how they were

1554

01:03:15,990 --> 01:03:12,960

marked in the landscape also

1555

01:03:18,789 --> 01:03:16,000

and so i began to

1556

01:03:20,630 --> 01:03:18,799

study and research and i spent hours and

1557

01:03:24,230 --> 01:03:20,640

hours

1558

01:03:26,710 --> 01:03:24,240

talking with teokum and understanding

1559

01:03:29,109 --> 01:03:26,720

how the system was organized

1560

01:03:30,870 --> 01:03:29,119

and began to outline some of the things

1561

01:03:33,910 --> 01:03:30,880

that i'd seen and

1562

01:03:37,990 --> 01:03:33,920

threw up a couple of lessons on my

1563

01:03:39,109 --> 01:03:38,000

youtube channel on archaeoplanetography

1564

01:03:41,990 --> 01:03:39,119

but

1565

01:03:43,109 --> 01:03:42,000

when tilcum first showed it to me my jaw

1566

01:03:44,390 --> 01:03:43,119

dropped

1567

01:03:47,670 --> 01:03:44,400

and i went

1568

01:03:51,349 --> 01:03:47,680

how is it that we have missed this

1569

01:03:52,549 --> 01:03:51,359

how did map makers not see this

1570

01:03:53,910 --> 01:03:52,559

and

1571

01:03:58,230 --> 01:03:53,920

so

1572

01:03:59,990 --> 01:03:58,240

that was probably the first drop my jaw

1573

01:04:03,510 --> 01:04:00,000

sort of thing

1574

01:04:05,029 --> 01:04:03,520

that i learned from the ponte

1575

01:04:07,829 --> 01:04:05,039

was that

1576

01:04:10,230 --> 01:04:07,839

this organized history

1577

01:04:13,349 --> 01:04:10,240

and resources and

1578

01:04:16,870 --> 01:04:13,359

murals in the landscape um

1579

01:04:17,990 --> 01:04:16,880

were essentially hidden in plain sight

1580

01:04:26,309 --> 01:04:18,000

and

1581

01:04:28,390 --> 01:04:26,319

took a long time took hours but hours

1582

01:04:31,109 --> 01:04:28,400

and hours and hours i felt like i got a

1583

01:04:33,829 --> 01:04:31,119

phd by the time i was done

1584

01:04:36,870 --> 01:04:33,839

but now it's real easy

1585

01:04:38,470 --> 01:04:36,880

to get lost in the landscape and when

1586

01:04:41,029 --> 01:04:38,480

somebody

1587

01:04:43,990 --> 01:04:41,039

from somewhere else on the planet says

1588

01:04:45,029 --> 01:04:44,000

are there any ponte facilities where i

1589

01:04:46,990 --> 01:04:45,039

live

1590

01:04:48,630 --> 01:04:47,000

i say hang on let me go check the

1591

01:04:49,910 --> 01:04:48,640

archaeoplanetography it'll be there if

1592

01:04:55,829 --> 01:04:49,920

there is

1593

01:05:00,549 --> 01:04:58,710

so it's not difficult

1594

01:05:02,069 --> 01:05:00,559

to learn the system

1595

01:05:05,109 --> 01:05:02,079

but it's

1596

01:05:08,549 --> 01:05:05,119

difficult to understand

1597

01:05:11,029 --> 01:05:08,559

how old some of the images are versus

1598

01:05:13,510 --> 01:05:11,039

how new they are in general we know that

1599

01:05:15,190 --> 01:05:13,520

the images that you see from the ground

1600

01:05:17,950 --> 01:05:15,200

are the newest ones

1601

01:05:20,950 --> 01:05:17,960

and the very largest images that are

1602

01:05:25,190 --> 01:05:20,960

continent-sized and ocean sized

1603

01:05:29,829 --> 01:05:27,750

nancy malcolm asked and this is a this

1604

01:05:33,029 --> 01:05:29,839

is an interesting question

1605

01:05:33,990 --> 01:05:33,039

what human traits do the punty like the

1606

01:05:35,430 --> 01:05:34,000

most

1607

01:05:39,349 --> 01:05:35,440

our humor

1608

01:05:45,910 --> 01:05:42,549

they they think that

1609

01:05:49,829 --> 01:05:45,920

we have a marvelous sense of humor

1610

01:05:52,470 --> 01:05:49,839

and we agree that they do too and that's

1611

01:05:53,589 --> 01:05:52,480

the one thing i was surprised at

1612

01:05:57,829 --> 01:05:53,599

was

1613

01:05:59,109 --> 01:05:57,839

how much overlap we have

1614

01:06:02,069 --> 01:05:59,119

with

1615

01:06:04,309 --> 01:06:02,079

them poking fun at each other as well as

1616

01:06:07,349 --> 01:06:04,319

as you know other star nations as well

1617

01:06:08,230 --> 01:06:07,359

as us and us poke and fun at them

1618

01:06:10,630 --> 01:06:08,240

um

1619

01:06:11,510 --> 01:06:10,640

so that was the first thing

1620

01:06:13,910 --> 01:06:11,520

um

1621

01:06:17,109 --> 01:06:13,920

they told us initially that they are

1622

01:06:20,390 --> 01:06:17,119

cultural explorers

1623

01:06:24,870 --> 01:06:20,400

and they used the phrase also that they

1624

01:06:29,109 --> 01:06:26,390

and i thought that was a very

1625

01:06:30,150 --> 01:06:29,119

interesting intriguing phrase yeah it is

1626
01:06:31,510 --> 01:06:30,160
interesting

1627
01:06:34,470 --> 01:06:31,520
and so

1628
01:06:36,630 --> 01:06:34,480
as cultural explorers

1629
01:06:39,589 --> 01:06:36,640
they collect

1630
01:06:40,789 --> 01:06:39,599
the things about our culture

1631
01:06:42,230 --> 01:06:40,799
whether it's

1632
01:06:43,430 --> 01:06:42,240
music

1633
01:06:45,190 --> 01:06:43,440
dance

1634
01:06:48,470 --> 01:06:45,200
percussion

1635
01:06:50,230 --> 01:06:48,480
art literature

1636
01:06:52,470 --> 01:06:50,240
etc etc

1637
01:06:55,670 --> 01:06:52,480
the things that we do when we're not at

1638
01:06:58,470 --> 01:06:55,680

work that we go home and enjoy

1639

01:07:01,029 --> 01:06:58,480

the things that if we had our brothers

1640

01:07:03,029 --> 01:07:01,039

we would spend our time doing x y z just

1641

01:07:04,789 --> 01:07:03,039

because it was fun

1642

01:07:07,670 --> 01:07:04,799

those are the things that they want to

1643

01:07:08,870 --> 01:07:07,680

understand about us

1644

01:07:13,510 --> 01:07:08,880

and so

1645

01:07:17,910 --> 01:07:16,789

is fascinating and fun

1646

01:07:21,589 --> 01:07:17,920

and

1647

01:07:24,150 --> 01:07:21,599

say

1648

01:07:26,230 --> 01:07:24,160

well when i cook i do this

1649

01:07:27,270 --> 01:07:26,240

and we eat food that's like this what do

1650

01:07:30,630 --> 01:07:27,280

you eat

1651

01:07:34,470 --> 01:07:33,029

and so we just chat

1652

01:07:37,109 --> 01:07:34,480

back and forth

1653

01:07:39,670 --> 01:07:37,119

trying to understand their culture

1654

01:07:41,349 --> 01:07:39,680

as they try to understand ours

1655

01:07:42,950 --> 01:07:41,359

and of course it's different on every

1656

01:07:45,990 --> 01:07:42,960

continent because

1657

01:07:47,910 --> 01:07:46,000

the cultural exchange

1658

01:07:50,549 --> 01:07:47,920

in asia would be different than the

1659

01:07:52,549 --> 01:07:50,559

cultural exchange in north america would

1660

01:07:54,829 --> 01:07:52,559

be different than the cultural exchange

1661

01:07:58,069 --> 01:07:54,839

in africa

1662

01:08:01,510 --> 01:07:58,079

because as earth humans we do different

1663

01:08:02,470 --> 01:08:01,520

things depending on where we grew up

1664

01:08:06,549 --> 01:08:02,480

and

1665

01:08:11,910 --> 01:08:09,750

let me ask you something that has been

1666

01:08:15,029 --> 01:08:11,920

i've been thinking about for a long time

1667

01:08:17,110 --> 01:08:15,039

and this is this is because of a

1668

01:08:19,269 --> 01:08:17,120

um

1669

01:08:20,870 --> 01:08:19,279

experiancer i had been working with for

1670

01:08:22,070 --> 01:08:20,880

quite a while

1671

01:08:26,070 --> 01:08:22,080

uh

1672

01:08:30,870 --> 01:08:28,789

do they believe in a higher deity do

1673

01:08:33,189 --> 01:08:30,880

they believe in like what we say we

1674

01:08:35,189 --> 01:08:33,199

believe in god do they believe in a

1675

01:08:40,149 --> 01:08:35,199

higher being

1676

01:08:45,430 --> 01:08:42,390

you could say

1677

01:08:46,550 --> 01:08:45,440

the collective consciousness

1678

01:08:50,070 --> 01:08:46,560

of

1679

01:08:53,349 --> 01:08:50,080

souls from everywhere and everyone

1680

01:08:56,870 --> 01:08:53,359

not just one world either

1681

01:08:57,669 --> 01:08:56,880

that collection of

1682

01:08:59,669 --> 01:08:57,679

non

1683

01:09:01,510 --> 01:08:59,679

unseen world folks

1684

01:09:03,349 --> 01:09:01,520

if you want to put it that way

1685

01:09:05,269 --> 01:09:03,359

um

1686

01:09:06,550 --> 01:09:05,279

all together makes up

1687

01:09:08,950 --> 01:09:06,560

the all

1688

01:09:09,990 --> 01:09:08,960

and so if you're saying

1689

01:09:12,149 --> 01:09:10,000

is it

1690

01:09:16,229 --> 01:09:12,159

in their culture

1691

01:09:19,349 --> 01:09:16,239

labeled as a single individual

1692

01:09:21,669 --> 01:09:19,359

no it's everything and everybody from

1693

01:09:23,669 --> 01:09:21,679

everywhere and everyone

1694

01:09:27,669 --> 01:09:23,679

all collectively

1695

01:09:27,679 --> 01:09:31,349

putting out

1696

01:09:35,590 --> 01:09:33,189

what their souls are saying i guess if

1697

01:09:36,630 --> 01:09:35,600

you want to say it that way

1698

01:09:38,470 --> 01:09:36,640

when

1699

01:09:39,829 --> 01:09:38,480

we ask

1700

01:09:42,550 --> 01:09:39,839

about

1701
01:09:44,149 --> 01:09:42,560
higher beings

1702
01:09:46,070 --> 01:09:44,159
and

1703
01:09:48,470 --> 01:09:46,080
like

1704
01:09:49,910 --> 01:09:48,480
somebody that would create or design a

1705
01:09:52,390 --> 01:09:49,920
world

1706
01:09:55,910 --> 01:09:52,400
well there are star nations like that

1707
01:09:58,790 --> 01:09:55,920
they're more advanced than the ponte are

1708
01:10:01,110 --> 01:09:58,800
but they also have a belief in something

1709
01:10:03,350 --> 01:10:01,120
higher than themselves

1710
01:10:04,630 --> 01:10:03,360
and so they are not

1711
01:10:06,070 --> 01:10:04,640
god

1712
01:10:09,110 --> 01:10:06,080
um

1713
01:10:11,750 --> 01:10:09,120

god is in the ponte's idea the

1714

01:10:13,270 --> 01:10:11,760

collection of all the love

1715

01:10:15,110 --> 01:10:13,280

that you would

1716

01:10:17,669 --> 01:10:15,120

see they do believe that love is the

1717

01:10:19,669 --> 01:10:17,679

most powerful force in the world in in

1718

01:10:21,990 --> 01:10:19,679

the universe in the galaxy

1719

01:10:24,229 --> 01:10:22,000

however you want to phrase it

1720

01:10:25,910 --> 01:10:24,239

they do

1721

01:10:28,950 --> 01:10:25,920

understand

1722

01:10:33,110 --> 01:10:28,960

that that as a moving force

1723

01:10:34,870 --> 01:10:33,120

is shared amongst many many many nations

1724

01:10:37,030 --> 01:10:34,880

and understood

1725

01:10:38,229 --> 01:10:37,040

when other things are not

1726
01:10:40,149 --> 01:10:38,239
and so

1727
01:10:42,229 --> 01:10:40,159
unconditional love

1728
01:10:43,430 --> 01:10:42,239
is part and parcel of their belief

1729
01:10:45,910 --> 01:10:43,440
system

1730
01:10:47,669 --> 01:10:45,920
if i can say it that way yeah

1731
01:10:50,310 --> 01:10:47,679
interesting

1732
01:10:56,830 --> 01:10:53,590
do you know of any of the well-known

1733
01:11:01,830 --> 01:10:59,430
encounters that the ponte have been

1734
01:11:03,990 --> 01:11:01,840
involved with

1735
01:11:08,470 --> 01:11:04,000
yeah

1736
01:11:13,590 --> 01:11:11,830
i know the ponte side of the story

1737
01:11:17,110 --> 01:11:13,600
love to hear it

1738
01:11:21,430 --> 01:11:19,270

there was a craft

1739

01:11:23,510 --> 01:11:21,440

that was having all kinds of mechanical

1740

01:11:26,070 --> 01:11:23,520

difficulties and problems

1741

01:11:27,910 --> 01:11:26,080

and they were trying like heck to figure

1742

01:11:30,870 --> 01:11:27,920

out what was wrong

1743

01:11:33,110 --> 01:11:30,880

and why it wasn't working right

1744

01:11:35,350 --> 01:11:33,120

when travis walton's

1745

01:11:37,350 --> 01:11:35,360

truck with all of his firefighting

1746

01:11:39,750 --> 01:11:37,360

buddies

1747

01:11:42,709 --> 01:11:39,760

came around the corner

1748

01:11:49,350 --> 01:11:46,390

travis was the only one that got out

1749

01:11:51,110 --> 01:11:49,360

the system on the ship that was

1750

01:11:54,630 --> 01:11:51,120

malfunctioning

1751
01:11:56,149 --> 01:11:54,640
partially was the the defense

1752
01:11:57,110 --> 01:11:56,159
system

1753
01:11:59,910 --> 01:11:57,120
and

1754
01:12:02,950 --> 01:11:59,920
the ship itself

1755
01:12:04,390 --> 01:12:02,960
saw his approach

1756
01:12:07,430 --> 01:12:04,400
and

1757
01:12:08,630 --> 01:12:07,440
automatically went to defend the ship

1758
01:12:10,870 --> 01:12:08,640
even though

1759
01:12:13,030 --> 01:12:10,880
that was not the ponte's desire they

1760
01:12:16,470 --> 01:12:13,040
didn't want anything to happen to

1761
01:12:20,950 --> 01:12:18,950
travis got knocked back

1762
01:12:22,709 --> 01:12:20,960
and his

1763
01:12:25,189 --> 01:12:22,719

spinal column

1764

01:12:29,189 --> 01:12:25,199

right up here was severed

1765

01:12:32,070 --> 01:12:29,199

hit his head and broke his neck

1766

01:12:34,149 --> 01:12:32,080

the ponte on the ship saw it and went oh

1767

01:12:36,630 --> 01:12:34,159

oh my god what did we just do

1768

01:12:39,189 --> 01:12:36,640

in the meantime the truck takes off

1769

01:12:40,950 --> 01:12:39,199

like a bat out of hell

1770

01:12:43,750 --> 01:12:40,960

and

1771

01:12:46,470 --> 01:12:43,760

all the firefighting buddies

1772

01:12:47,750 --> 01:12:46,480

leave travis lying there the ponte scoop

1773

01:12:50,470 --> 01:12:47,760

him up

1774

01:12:52,149 --> 01:12:50,480

and immediately hightail it

1775

01:12:53,750 --> 01:12:52,159

back to

1776

01:12:56,070 --> 01:12:53,760

the nearest

1777

01:13:00,070 --> 01:12:56,080

high-tech medical facility

1778

01:13:02,470 --> 01:13:00,080

and throw him into

1779

01:13:07,189 --> 01:13:02,480

a state of

1780

01:13:13,510 --> 01:13:10,630

can be repaired it's it's uh

1781

01:13:15,630 --> 01:13:13,520

not just in this dimension if i can

1782

01:13:18,709 --> 01:13:15,640

phrase it that way they put him into a

1783

01:13:21,590 --> 01:13:18,719

multi-dimensional state so that they

1784

01:13:25,590 --> 01:13:21,600

could repair the spinal column and

1785

01:13:25,600 --> 01:13:30,830

he was in that state for a week

1786

01:13:36,870 --> 01:13:35,030

and when he woke up

1787

01:13:40,470 --> 01:13:36,880

they didn't know

1788

01:13:42,550 --> 01:13:40,480

that he was going to come to on board

1789

01:13:43,990 --> 01:13:42,560

in the medical facility

1790

01:13:44,950 --> 01:13:44,000

when he did

1791

01:13:46,870 --> 01:13:44,960

because

1792

01:13:49,590 --> 01:13:46,880

some of the little some of the ponte

1793

01:13:52,070 --> 01:13:49,600

came around the corner saw him freaked

1794

01:13:54,550 --> 01:13:52,080

and ran out of the room because he got

1795

01:13:57,750 --> 01:13:54,560

all scared and defensive

1796

01:13:59,510 --> 01:13:57,760

all right they sent in

1797

01:14:00,630 --> 01:13:59,520

one of the healers

1798

01:14:02,709 --> 01:14:00,640

and

1799

01:14:05,270 --> 01:14:02,719

you know what a screen memory is where

1800

01:14:07,910 --> 01:14:05,280

they can project an image

1801
01:14:11,350 --> 01:14:07,920
well they projected an image of somebody

1802
01:14:12,390 --> 01:14:11,360
who looked like you and me

1803
01:14:14,390 --> 01:14:12,400
and

1804
01:14:15,750 --> 01:14:14,400
that individual

1805
01:14:18,310 --> 01:14:15,760
calmed

1806
01:14:20,229 --> 01:14:18,320
travis down

1807
01:14:23,189 --> 01:14:20,239
and they realized that he was standing

1808
01:14:24,870 --> 01:14:23,199
up walking and talking and by god

1809
01:14:26,790 --> 01:14:24,880
he probably was good enough they could

1810
01:14:29,350 --> 01:14:26,800
get him back

1811
01:14:30,950 --> 01:14:29,360
all right and return him

1812
01:14:31,750 --> 01:14:30,960
because it wasn't their intent to keep

1813
01:14:34,229 --> 01:14:31,760

him

1814

01:14:37,430 --> 01:14:34,239

he was just there long enough to get

1815

01:14:41,990 --> 01:14:37,440

repaired and then be dropped back off

1816

01:14:46,070 --> 01:14:43,669

well less than 10 miles from where i was

1817

01:14:49,830 --> 01:14:46,080

taken but i don't know the topography

1818

01:14:53,590 --> 01:14:49,840

and exactly how close he was

1819

01:14:56,470 --> 01:14:53,600

and they dropped him back off

1820

01:14:58,950 --> 01:14:56,480

without any clothing on because that was

1821

01:15:00,390 --> 01:14:58,960

the state he woke up in

1822

01:15:03,350 --> 01:15:00,400

and

1823

01:15:06,470 --> 01:15:05,270

put him back down

1824

01:15:09,430 --> 01:15:06,480

and of course

1825

01:15:11,510 --> 01:15:09,440

when he dropped back off he woke up on

1826

01:15:14,229 --> 01:15:11,520

i think the middle of the road

1827

01:15:16,470 --> 01:15:14,239

and was scared to death and

1828

01:15:17,350 --> 01:15:16,480

naked and afraid kind of thing

1829

01:15:20,149 --> 01:15:17,360

um

1830

01:15:23,830 --> 01:15:20,159

he went to go find a way to

1831

01:15:25,910 --> 01:15:23,840

contact his best friend

1832

01:15:29,430 --> 01:15:25,920

i think and

1833

01:15:30,950 --> 01:15:29,440

then they came to find him

1834

01:15:32,390 --> 01:15:30,960

when

1835

01:15:36,149 --> 01:15:32,400

the ponte

1836

01:15:39,830 --> 01:15:38,630

part of the part and parcel of that

1837

01:15:43,990 --> 01:15:39,840

process

1838

01:15:46,870 --> 01:15:44,000

was to improve his immune system

1839

01:15:49,750 --> 01:15:46,880

so that all of the repair that they did

1840

01:15:51,030 --> 01:15:49,760

of of the cervical vertebrae and the

1841

01:15:55,510 --> 01:15:51,040

nerves

1842

01:16:01,750 --> 01:15:58,390

to my understanding

1843

01:16:04,550 --> 01:16:01,760

that gave him permanent immunity i don't

1844

01:16:07,830 --> 01:16:04,560

think he's been sick a day since then

1845

01:16:10,950 --> 01:16:07,840

i you know i have heard that i i i you

1846

01:16:14,229 --> 01:16:10,960

know and um

1847

01:16:15,990 --> 01:16:14,239

he's aids very well too

1848

01:16:18,149 --> 01:16:16,000

so maybe there is something to that did

1849

01:16:19,990 --> 01:16:18,159

you ever mention this to travis i've

1850

01:16:23,189 --> 01:16:20,000

never met him oh you're not oh you

1851
01:16:25,750 --> 01:16:23,199
haven't no and in fact clifford mahouty

1852
01:16:27,110 --> 01:16:25,760
our friend was a good friend of his

1853
01:16:28,229 --> 01:16:27,120
and

1854
01:16:29,990 --> 01:16:28,239
um

1855
01:16:31,270 --> 01:16:30,000
knows other people that were friends of

1856
01:16:33,510 --> 01:16:31,280
travis's

1857
01:16:35,030 --> 01:16:33,520
and i said to clifford

1858
01:16:37,350 --> 01:16:35,040
how

1859
01:16:38,709 --> 01:16:37,360
willing would he be to hear this side of

1860
01:16:40,149 --> 01:16:38,719
the story

1861
01:16:42,790 --> 01:16:40,159
and he said

1862
01:16:44,229 --> 01:16:42,800
i'm not sure if he's ready for that yet

1863
01:16:47,669 --> 01:16:44,239

because

1864

01:16:48,790 --> 01:16:47,679

he went through an awful lot of grief

1865

01:16:50,390 --> 01:16:48,800

from

1866

01:16:52,790 --> 01:16:50,400

the public

1867

01:16:55,590 --> 01:16:52,800

from friends from family and from the

1868

01:16:57,110 --> 01:16:55,600

community for years

1869

01:16:59,590 --> 01:16:57,120

and

1870

01:17:02,390 --> 01:16:59,600

the trauma that he went through

1871

01:17:04,870 --> 01:17:02,400

as a result of all of this

1872

01:17:07,590 --> 01:17:04,880

he didn't ask to be hit by a ship that

1873

01:17:09,350 --> 01:17:07,600

was malfunctioning in its defense system

1874

01:17:11,750 --> 01:17:09,360

he didn't ask for

1875

01:17:14,709 --> 01:17:11,760

an injury to his

1876

01:17:16,229 --> 01:17:14,719

cervical vertebrae he didn't ask to get

1877

01:17:18,950 --> 01:17:16,239

dropped off naked in the middle of a

1878

01:17:20,470 --> 01:17:18,960

highway and all of those things every

1879

01:17:22,550 --> 01:17:20,480

single one of them

1880

01:17:24,229 --> 01:17:22,560

you would remember for the rest of your

1881

01:17:26,870 --> 01:17:24,239

life oh absolutely

1882

01:17:30,229 --> 01:17:27,910

when i

1883

01:17:32,550 --> 01:17:30,239

said clifford if you ever think he's

1884

01:17:34,709 --> 01:17:32,560

ready you let him know that would be

1885

01:17:37,270 --> 01:17:34,719

happy to talk to him and tell them the

1886

01:17:38,149 --> 01:17:37,280

ponte side of the story

1887

01:17:39,270 --> 01:17:38,159

and

1888

01:17:40,390 --> 01:17:39,280

uh

1889

01:17:42,950 --> 01:17:40,400

so

1890

01:17:45,110 --> 01:17:42,960

we just left that and never approached

1891

01:17:47,350 --> 01:17:45,120

him because we didn't know him as well

1892

01:17:49,430 --> 01:17:47,360

as clifford did yeah and of course

1893

01:17:51,350 --> 01:17:49,440

clifford is no longer with us so i don't

1894

01:17:52,470 --> 01:17:51,360

know if he's contacted us or not

1895

01:17:55,990 --> 01:17:52,480

contacting

1896

01:18:04,790 --> 01:17:57,830

are they will it can they or are they

1897

01:18:11,189 --> 01:18:07,750

i've asked that very question

1898

01:18:12,550 --> 01:18:11,199

and the answer that i get back is real

1899

01:18:15,189 --> 01:18:12,560

simple

1900

01:18:17,110 --> 01:18:15,199

if i hand you a medical device

1901

01:18:18,070 --> 01:18:17,120

that they can

1902

01:18:20,550 --> 01:18:18,080

heal

1903

01:18:22,149 --> 01:18:20,560

somebody with

1904

01:18:24,830 --> 01:18:22,159

and

1905

01:18:26,790 --> 01:18:24,840

that medical device goes to our

1906

01:18:28,630 --> 01:18:26,800

military what's the first thing the

1907

01:18:30,709 --> 01:18:28,640

military's going to do with it there

1908

01:18:32,149 --> 01:18:30,719

there you go okay absolutely i can

1909

01:18:34,630 --> 01:18:32,159

understand so

1910

01:18:35,669 --> 01:18:34,640

are they willing

1911

01:18:38,149 --> 01:18:35,679

um

1912

01:18:40,630 --> 01:18:38,159

if they cause an injury they will go

1913

01:18:43,750 --> 01:18:40,640

above and beyond to heal

1914

01:18:46,870 --> 01:18:43,760

whatever it is that they've caused

1915

01:18:49,430 --> 01:18:46,880

like they did with travis however

1916

01:18:51,910 --> 01:18:49,440

they cannot

1917

01:18:54,390 --> 01:18:51,920

voluntarily heal

1918

01:18:56,709 --> 01:18:54,400

the nearly 7.7

1919

01:18:58,070 --> 01:18:56,719

billion of us

1920

01:19:00,790 --> 01:18:58,080

that are here

1921

01:19:02,550 --> 01:19:00,800

on the planet and so a lot of people say

1922

01:19:04,870 --> 01:19:02,560

well if i ask them to come over will

1923

01:19:06,870 --> 01:19:04,880

they heal my so-and-so you know family

1924

01:19:09,990 --> 01:19:06,880

member

1925

01:19:12,550 --> 01:19:10,000

no that's not why they're here

1926

01:19:15,510 --> 01:19:12,560

they cannot play favorites

1927

01:19:18,870 --> 01:19:15,520

and they are not here to do that

1928

01:19:22,709 --> 01:19:18,880

they just can't

1929

01:19:25,350 --> 01:19:22,719

their their reason for being here on our

1930

01:19:26,310 --> 01:19:25,360

world is different

1931

01:19:28,630 --> 01:19:26,320

than

1932

01:19:29,669 --> 01:19:28,640

here to heal us

1933

01:19:32,070 --> 01:19:29,679

from

1934

01:19:35,430 --> 01:19:32,080

you know whatever

1935

01:19:36,709 --> 01:19:35,440

xyz medical condition sure any of us

1936

01:19:40,149 --> 01:19:36,719

have

1937

01:19:42,470 --> 01:19:40,159

are they willing to help teach us

1938

01:19:44,709 --> 01:19:42,480

as things progress and we're ready for

1939

01:19:47,590 --> 01:19:44,719

that information yes

1940

01:19:50,630 --> 01:19:47,600

okay they would love nothing more

1941

01:19:52,310 --> 01:19:50,640

than a university level exchange

1942

01:19:54,550 --> 01:19:52,320

of information

1943

01:19:57,270 --> 01:19:54,560

back and forth

1944

01:19:59,030 --> 01:19:57,280

to be set up at some point in time but

1945

01:19:59,830 --> 01:19:59,040

we aren't even anywhere close to that

1946

01:20:02,950 --> 01:19:59,840

yet

1947

01:20:04,550 --> 01:20:02,960

you're talking decades away

1948

01:20:05,910 --> 01:20:04,560

after

1949

01:20:07,270 --> 01:20:05,920

it's public

1950

01:20:09,830 --> 01:20:07,280

that they're here

1951
01:20:11,590 --> 01:20:09,840
and that people don't have to be scared

1952
01:20:13,669 --> 01:20:11,600
of them

1953
01:20:15,669 --> 01:20:13,679
a lot of people will say well all the

1954
01:20:18,550 --> 01:20:15,679
grays are bad

1955
01:20:20,629 --> 01:20:18,560
do you have any idea how many zeta body

1956
01:20:22,149 --> 01:20:20,639
type nations

1957
01:20:23,669 --> 01:20:22,159
look alike

1958
01:20:24,629 --> 01:20:23,679
are here

1959
01:20:28,149 --> 01:20:24,639
and

1960
01:20:30,629 --> 01:20:28,159
it's just one

1961
01:20:32,390 --> 01:20:30,639
mama mama no no no no

1962
01:20:35,590 --> 01:20:32,400
if they have

1963
01:20:36,629 --> 01:20:35,600

a short stature

1964

01:20:39,750 --> 01:20:36,639

larger

1965

01:20:41,750 --> 01:20:39,760

eyes with nictitating dark lenses by the

1966

01:20:43,510 --> 01:20:41,760

way those lenses retract

1967

01:20:45,669 --> 01:20:43,520

and their eyes are just as pretty as

1968

01:20:48,709 --> 01:20:45,679

yours or eyes are with all kinds of

1969

01:20:52,790 --> 01:20:49,990

those

1970

01:20:54,310 --> 01:20:52,800

that zeta body type

1971

01:20:57,590 --> 01:20:54,320

is common

1972

01:21:00,229 --> 01:20:57,600

but that doesn't mean that all of these

1973

01:21:03,510 --> 01:21:00,239

people are from the same world or even

1974

01:21:06,390 --> 01:21:03,520

the same solar system or even the same

1975

01:21:08,709 --> 01:21:06,400

area of the galaxy

1976

01:21:12,229 --> 01:21:08,719

we're talking about nations who've been

1977

01:21:14,629 --> 01:21:12,239

exploring from for long thousands if not

1978

01:21:16,629 --> 01:21:14,639

millions of years

1979

01:21:17,910 --> 01:21:16,639

they've gone through their ups and downs

1980

01:21:19,910 --> 01:21:17,920

and and

1981

01:21:23,110 --> 01:21:19,920

have

1982

01:21:26,470 --> 01:21:23,120

dealt with galactic conflict

1983

01:21:32,070 --> 01:21:29,750

people getting along in a group that we

1984

01:21:34,070 --> 01:21:32,080

loosely call the federation

1985

01:21:37,669 --> 01:21:34,080

do i think there's only one federation

1986

01:21:40,790 --> 01:21:37,679

in this galaxy oh heck no

1987

01:21:42,390 --> 01:21:40,800

there's a lot of alliances here

1988

01:21:45,189 --> 01:21:42,400

but please

1989

01:21:46,229 --> 01:21:45,199

whenever we hear any

1990

01:21:49,270 --> 01:21:46,239

other

1991

01:21:52,310 --> 01:21:49,280

et researcher talking about

1992

01:21:54,229 --> 01:21:52,320

the grays as if they are one nation we

1993

01:21:55,189 --> 01:21:54,239

know that they don't have the full story

1994

01:22:01,030 --> 01:21:55,199

right

1995

01:22:03,910 --> 01:22:01,040

reptilian nation

1996

01:22:04,950 --> 01:22:03,920

if people say well it's just the dracos

1997

01:22:10,629 --> 01:22:04,960

no

1998

01:22:14,070 --> 01:22:10,639

there are hundreds of thousands

1999

01:22:15,030 --> 01:22:14,080

of worlds that have sentient intelligent

2000

01:22:17,590 --> 01:22:15,040

life

2001

01:22:21,990 --> 01:22:17,600

and the reptilian

2002

01:22:25,750 --> 01:22:22,000

physiology body type is a common one

2003

01:22:27,030 --> 01:22:25,760

and no they're not all bad

2004

01:22:29,270 --> 01:22:27,040

we do

2005

01:22:30,629 --> 01:22:29,280

differentiate between reptilian and

2006

01:22:31,590 --> 01:22:30,639

repteren

2007

01:22:35,270 --> 01:22:31,600

if

2008

01:22:37,669 --> 01:22:35,280

the reptilians originated on earth

2009

01:22:38,629 --> 01:22:37,679

and were helped after their cataclysm

2010

01:22:41,590 --> 01:22:38,639

happened

2011

01:22:43,110 --> 01:22:41,600

and taken off world

2012

01:22:47,750 --> 01:22:43,120

those

2013

01:22:50,229 --> 01:22:47,760

came from here

2014

01:22:52,790 --> 01:22:50,239

if they originated in a different star

2015

01:22:55,830 --> 01:22:52,800

system on a different world

2016

01:22:57,030 --> 01:22:55,840

can we say reptilian body type yes we

2017

01:23:04,229 --> 01:22:57,040

can

2018

01:23:07,189 --> 01:23:04,239

that

2019

01:23:10,070 --> 01:23:07,199

um

2020

01:23:11,990 --> 01:23:10,080

that's interesting yes

2021

01:23:14,070 --> 01:23:12,000

you know i i've had a theory for a while

2022

01:23:17,510 --> 01:23:14,080

now that i believe

2023

01:23:20,390 --> 01:23:18,830

a universal

2024

01:23:22,629 --> 01:23:20,400

species

2025

01:23:24,550 --> 01:23:22,639

and that this is a very common body type

2026

01:23:25,910 --> 01:23:24,560

in this area of the galaxy

2027

01:23:27,270 --> 01:23:25,920

very common

2028

01:23:29,030 --> 01:23:27,280

uh

2029

01:23:31,430 --> 01:23:29,040

and not only because

2030

01:23:32,790 --> 01:23:31,440

most forms of

2031

01:23:35,430 --> 01:23:32,800

other

2032

01:23:38,709 --> 01:23:35,440

terrestrial beings or humanoid for the

2033

01:23:40,790 --> 01:23:38,719

most part from what we see or humanoid

2034

01:23:43,910 --> 01:23:40,800

but i think there's a lot of interchange

2035

01:23:46,390 --> 01:23:43,920

that has gone on over time

2036

01:23:50,390 --> 01:23:46,400

a lot of intervention

2037

01:23:53,990 --> 01:23:50,400

and i think what we do see

2038

01:23:57,110 --> 01:23:54,000

as uh what people could call aliens

2039

01:23:59,350 --> 01:23:57,120

may actually be evolved humans or you

2040

01:24:03,750 --> 01:23:59,360

evolved human species

2041

01:24:06,950 --> 01:24:03,760

had possibly come back through to either

2042

01:24:10,070 --> 01:24:06,960

see how things were or to help

2043

01:24:12,390 --> 01:24:10,080

uh maybe to improve things for their

2044

01:24:14,550 --> 01:24:12,400

future possibly

2045

01:24:16,149 --> 01:24:14,560

well a lot of them are cultural

2046

01:24:20,149 --> 01:24:16,159

explorers

2047

01:24:24,950 --> 01:24:22,470

also

2048

01:24:27,910 --> 01:24:24,960

are interested in

2049

01:24:31,430 --> 01:24:27,920

their own history or

2050

01:24:33,110 --> 01:24:31,440

the overlap in genetics that we have

2051

01:24:33,910 --> 01:24:33,120

with them

2052

01:24:36,629 --> 01:24:33,920

um

2053

01:24:39,750 --> 01:24:36,639

there are many

2054

01:24:42,870 --> 01:24:39,760

nations that visit and walk on our land

2055

01:24:45,510 --> 01:24:42,880

here not the aquatic nations but

2056

01:24:47,110 --> 01:24:45,520

the land-based nations

2057

01:24:49,990 --> 01:24:47,120

there are some

2058

01:24:52,470 --> 01:24:50,000

extraterrestrial visitors that look so

2059

01:24:54,550 --> 01:24:52,480

much like you and i that unless you

2060

01:24:56,870 --> 01:24:54,560

studied them for a while listened to

2061

01:25:00,550 --> 01:24:56,880

them for a while just glancing at them

2062

01:25:04,070 --> 01:25:00,560

you couldn't tell you could not tell

2063

01:25:05,669 --> 01:25:04,080

the umo in that were

2064

01:25:09,270 --> 01:25:05,679

in the

2065

01:25:11,430 --> 01:25:09,280

mountains between spain and france

2066

01:25:14,470 --> 01:25:11,440

in europe

2067

01:25:15,830 --> 01:25:14,480

look very much like our

2068

01:25:18,229 --> 01:25:15,840

physiology

2069

01:25:21,110 --> 01:25:18,239

except a little bit bigger

2070

01:25:22,870 --> 01:25:21,120

um the women are closer to six foot tall

2071

01:25:24,470 --> 01:25:22,880

the guys are closer to

2072

01:25:28,149 --> 01:25:24,480

six foot five

2073

01:25:30,390 --> 01:25:28,159

on average they're stockier they're more

2074

01:25:34,149 --> 01:25:30,400

statuesque

2075

01:25:35,030 --> 01:25:34,159

and so if you see a very very tall

2076

01:25:36,950 --> 01:25:35,040

gal

2077

01:25:39,430 --> 01:25:36,960

um

2078

01:25:44,709 --> 01:25:39,440

would you be able to distinguish her

2079

01:25:47,910 --> 01:25:46,149

we do

2080

01:25:50,149 --> 01:25:47,920

have reports

2081

01:25:52,149 --> 01:25:50,159

that some of the

2082

01:25:56,229 --> 01:25:52,159

earth human looking

2083

01:25:59,030 --> 01:25:56,239

body type folks are also working

2084

01:26:01,189 --> 01:25:59,040

um here in new mexico

2085

01:26:02,870 --> 01:26:01,199

with some of the groups

2086

01:26:05,430 --> 01:26:02,880

here

2087

01:26:07,510 --> 01:26:05,440

and the story that we heard was from a

2088

01:26:10,070 --> 01:26:07,520

delivery person

2089

01:26:12,070 --> 01:26:10,080

he had a package that had to go into the

2090

01:26:14,229 --> 01:26:12,080

sandia national labs

2091

01:26:16,390 --> 01:26:14,239

and he had the clearance to get it up to

2092

01:26:19,270 --> 01:26:16,400

wherever it needed to go

2093

01:26:21,189 --> 01:26:19,280

but it was big it was on a dolly and and

2094

01:26:23,910 --> 01:26:21,199

it was unwieldy and

2095

01:26:26,709 --> 01:26:23,920

he saw a fella through the doorway

2096

01:26:29,350 --> 01:26:26,719

and he said would you prop the door open

2097

01:26:32,310 --> 01:26:29,360

for me please

2098

01:26:34,310 --> 01:26:32,320

and the man looked at him very strangely

2099

01:26:36,149 --> 01:26:34,320

he said could you prop the door open and

2100

01:26:37,350 --> 01:26:36,159

he indicated well the man opened the

2101

01:26:39,510 --> 01:26:37,360

door

2102

01:26:44,709 --> 01:26:39,520

but he didn't know what profit open

2103

01:26:47,270 --> 01:26:46,470

and his english

2104

01:26:48,470 --> 01:26:47,280

was

2105

01:26:51,270 --> 01:26:48,480

not

2106

01:26:52,550 --> 01:26:51,280

didn't have an accent

2107

01:26:54,470 --> 01:26:52,560

but was

2108

01:26:56,310 --> 01:26:54,480

it was clear that he had to think about

2109

01:26:58,149 --> 01:26:56,320

what he was hearing

2110

01:27:01,910 --> 01:26:58,159

to understand

2111

01:27:07,270 --> 01:27:03,669

we have

2112

01:27:11,910 --> 01:27:07,280

person

2113

01:27:13,669 --> 01:27:11,920

who had an entire truck load of fresh

2114

01:27:16,310 --> 01:27:13,679

produce

2115

01:27:19,510 --> 01:27:16,320

and the address he was to deliver it to

2116

01:27:20,550 --> 01:27:19,520

was on the east side of the sandia

2117

01:27:26,229 --> 01:27:20,560

and he

2118

01:27:28,390 --> 01:27:26,239

place that was a single house

2119

01:27:31,510 --> 01:27:28,400

and a single pole barn

2120

01:27:33,990 --> 01:27:31,520

enclosed metal aluminum

2121

01:27:36,470 --> 01:27:34,000

and the fellow came out of the house and

2122

01:27:41,110 --> 01:27:36,480

motioned him to back his rig

2123

01:27:45,030 --> 01:27:42,950

and they said come on in the house with

2124

01:27:46,870 --> 01:27:45,040

me we'll fill out the paperwork 10

2125

01:27:47,820 --> 01:27:46,880

minutes later he was back out in his rig

2126
01:27:49,030 --> 01:27:47,830
and it was empty

2127
01:27:51,669 --> 01:27:49,040
[Music]

2128
01:27:54,790 --> 01:27:51,679
there were no signs of produce boxes

2129
01:27:56,229 --> 01:27:54,800
anywhere no place where they had gone no

2130
01:27:58,149 --> 01:27:56,239
place no

2131
01:28:00,229 --> 01:27:58,159
sign of who might have unloaded this

2132
01:28:01,189 --> 01:28:00,239
entire rig

2133
01:28:04,550 --> 01:28:01,199
and he

2134
01:28:06,790 --> 01:28:04,560
tried to ask the guy from the house

2135
01:28:08,629 --> 01:28:06,800
what happened and where

2136
01:28:10,870 --> 01:28:08,639
where'd the food go

2137
01:28:12,149 --> 01:28:10,880
and the man just said have a nice day

2138
01:28:13,180 --> 01:28:12,159

and went straight back into the

2139

01:28:16,550 --> 01:28:13,190

farmhouse

2140

01:28:18,070 --> 01:28:16,560

[Laughter]

2141

01:28:22,229 --> 01:28:18,080

well i've got to ask you now because it

2142

01:28:25,350 --> 01:28:22,239

came up okay what did the ponte eat

2143

01:28:26,790 --> 01:28:25,360

um they are pescetarian they eat some

2144

01:28:29,990 --> 01:28:26,800

fish

2145

01:28:31,669 --> 01:28:30,000

but mostly it's fruits and vegetables

2146

01:28:37,430 --> 01:28:31,679

they do not

2147

01:28:39,750 --> 01:28:37,440

four footeds

2148

01:28:45,110 --> 01:28:39,760

um they also

2149

01:28:48,310 --> 01:28:45,120

are selective about the ocean food

2150

01:28:51,990 --> 01:28:48,320

they would not eat say cetaceans

2151
01:28:54,229 --> 01:28:52,000
so whales porpoises dolphins

2152
01:28:57,270 --> 01:28:54,239
so anything

2153
01:28:59,990 --> 01:28:57,280
along those lines but they grew up on a

2154
01:29:02,070 --> 01:29:00,000
world that was a water world

2155
01:29:03,430 --> 01:29:02,080
similar to ours

2156
01:29:07,189 --> 01:29:03,440
and so

2157
01:29:09,270 --> 01:29:07,199
fish was culturally part of their diet

2158
01:29:11,510 --> 01:29:09,280
and mostly

2159
01:29:14,149 --> 01:29:11,520
their preference would be

2160
01:29:16,790 --> 01:29:14,159
for things

2161
01:29:19,189 --> 01:29:16,800
if i had to name things that would be

2162
01:29:21,669 --> 01:29:19,199
common or close to what they would eat

2163
01:29:24,070 --> 01:29:21,679

at home it would be seaweed

2164

01:29:25,669 --> 01:29:24,080

and cabbage those would be two of the

2165

01:29:29,110 --> 01:29:25,679

closest

2166

01:29:32,149 --> 01:29:29,120

consumable foods but they will sample

2167

01:29:34,709 --> 01:29:32,159

most of what we eat

2168

01:29:37,110 --> 01:29:34,719

they really will they will try it

2169

01:29:39,750 --> 01:29:37,120

if it's super spicy no

2170

01:29:40,870 --> 01:29:39,760

if it's alcoholic no

2171

01:29:43,830 --> 01:29:40,880

um

2172

01:29:47,270 --> 01:29:43,840

if it's meat no

2173

01:29:49,750 --> 01:29:47,280

but if for instance you were gonna

2174

01:29:53,030 --> 01:29:49,760

make shrimp and grits for them they'd

2175

01:29:55,030 --> 01:29:54,070

interesting

2176

01:29:57,030 --> 01:29:55,040

well

2177

01:29:59,110 --> 01:29:57,040

sue it's it's a shame we couldn't get

2178

01:30:01,270 --> 01:29:59,120

connect kevin to connect yeah i'm sorry

2179

01:30:03,510 --> 01:30:01,280

he had wonderful stories to tell you too

2180

01:30:05,669 --> 01:30:03,520

and but not in the time if there is a

2181

01:30:07,590 --> 01:30:05,679

time where we can get him one with you

2182

01:30:10,070 --> 01:30:07,600

or have you come on again

2183

01:30:11,590 --> 01:30:10,080

you're you're welcome anytime uh this is

2184

01:30:13,110 --> 01:30:11,600

quite interesting

2185

01:30:15,669 --> 01:30:13,120

and uh

2186

01:30:17,110 --> 01:30:15,679

absolutely i i thank you again for

2187

01:30:18,709 --> 01:30:17,120

coming on

2188

01:30:21,030 --> 01:30:18,719

and uh

2189

01:30:22,950 --> 01:30:21,040

i i'm gonna actually read the book again

2190

01:30:25,110 --> 01:30:22,960

because now i have a little more basis

2191

01:30:27,910 --> 01:30:25,120

and i'm gonna go and get the um

2192

01:30:30,470 --> 01:30:27,920

i'm gonna go get the uh the primer

2193

01:30:33,510 --> 01:30:30,480

basically on the uh

2194

01:30:35,830 --> 01:30:33,520

uh on the actual um

2195

01:30:38,149 --> 01:30:35,840

communication with these beings i think

2196

01:30:39,709 --> 01:30:38,159

it sounds very interesting to me

2197

01:30:41,669 --> 01:30:39,719

the

2198

01:30:44,950 --> 01:30:41,679

officialfirstcontact.com has a number of

2199

01:30:47,189 --> 01:30:44,960

documents and in fact there's one called

2200

01:30:51,350 --> 01:30:47,199

why we are here

2201

01:30:54,870 --> 01:30:51,360

where they will explain to you exactly

2202

01:30:56,070 --> 01:30:54,880

why they're here on our world and so you

2203

01:30:59,110 --> 01:30:56,080

may find

2204

01:31:01,189 --> 01:30:59,120

a number of things interesting

2205

01:31:04,550 --> 01:31:01,199

on their website

2206

01:31:07,270 --> 01:31:04,560

if you want to hear the funny stories

2207

01:31:10,390 --> 01:31:07,280

kevin and a fella from brisbane

2208

01:31:12,950 --> 01:31:10,400

australia who goes by the name of wookie

2209

01:31:16,229 --> 01:31:12,960

have a youtube channel called close

2210

01:31:19,430 --> 01:31:16,239

encounters of the pontel kind and there

2211

01:31:23,270 --> 01:31:19,440

are six episodes of the hilarious

2212

01:31:25,430 --> 01:31:23,280

stories of ponte contact

2213

01:31:26,950 --> 01:31:25,440

and so if you want to understand the

2214

01:31:29,590 --> 01:31:26,960

lighter side of it

2215

01:31:32,470 --> 01:31:29,600

the real stories

2216

01:31:35,430 --> 01:31:32,480

close encounters of the pontel kind

2217

01:31:37,510 --> 01:31:35,440

hosted by kevin and wookie

2218

01:31:38,550 --> 01:31:37,520

and your how can people get in contact

2219

01:31:39,830 --> 01:31:38,560

with you

2220

01:31:41,030 --> 01:31:39,840

um

2221

01:31:43,030 --> 01:31:41,040

i have

2222

01:31:44,390 --> 01:31:43,040

my own um

2223

01:31:46,790 --> 01:31:44,400

psychic business

2224

01:31:50,149 --> 01:31:46,800

still so sue walker.com

2225

01:31:52,470 --> 01:31:50,159

or psychic medical intuitive.com

2226

01:31:55,030 --> 01:31:52,480

um i have a youtube channel that's just

2227

01:31:56,709 --> 01:31:55,040

sue walker and remember sue does not

2228

01:31:58,470 --> 01:31:56,719

have an e on it

2229

01:31:59,669 --> 01:31:58,480

and you'll find me

2230

01:32:02,550 --> 01:31:59,679

um

2231

01:32:03,430 --> 01:32:02,560

you can get a hold of me

2232

01:32:05,830 --> 01:32:03,440

on

2233

01:32:09,189 --> 01:32:05,840

the facebook page friends of the sandia

2234

01:32:16,709 --> 01:32:12,830

you can also hop onto twitter

2235

01:32:18,470 --> 01:32:16,719

sandiathet or at sandiawsdm

2236

01:32:19,830 --> 01:32:18,480

on twitter

2237

01:32:20,950 --> 01:32:19,840

and

2238

01:32:23,990 --> 01:32:20,960

whenever

2239

01:32:27,669 --> 01:32:24,000

i say something as their translator i

2240

01:32:28,709 --> 01:32:27,679

will put my name behind it whoever is on

2241

01:32:30,229 --> 01:32:28,719

the desk

2242

01:32:31,830 --> 01:32:30,239

will

2243

01:32:34,390 --> 01:32:31,840

put their name

2244

01:32:37,590 --> 01:32:34,400

behind whatever it is that's the answer

2245

01:32:39,110 --> 01:32:37,600

to the public's question there so if you

2246

01:32:41,430 --> 01:32:39,120

want to ask

2247

01:32:43,750 --> 01:32:41,440

the ponte questions

2248

01:32:46,149 --> 01:32:43,760

twitter is the best place to do that

2249

01:32:47,669 --> 01:32:46,159

excellent excellent well see you again

2250

01:32:50,149 --> 01:32:47,679

thanks for coming on

2251
01:32:52,790 --> 01:32:50,159
and you have a great weekend and uh we

2252
01:32:54,870 --> 01:32:52,800
will be talking i'm quite sure very soon

2253
01:32:57,510 --> 01:32:54,880
that'd be great all right thank you

2254
01:33:00,790 --> 01:32:57,520
again lon and have a good weekend

2255
01:33:04,629 --> 01:33:00,800
yourself and and be careful

2256
01:33:06,629 --> 01:33:04,639
about 50 of them you warned me you

2257
01:33:08,790 --> 01:33:06,639
if you've invited them

2258
01:33:11,510 --> 01:33:08,800
fair warning

2259
01:33:14,229 --> 01:33:11,520
all righty thank you thank you so much

2260
01:33:16,149 --> 01:33:14,239
bye-bye now bye-bye

2261
01:33:17,910 --> 01:33:16,159
now if you have an unexplained encounter

2262
01:33:19,430 --> 01:33:17,920
or something feel free to contact me

2263
01:33:20,390 --> 01:33:19,440

through the families and monsters blog

2264

01:33:23,030 --> 01:33:20,400

site

2265

01:33:24,790 --> 01:33:23,040

i once again thank uh sue walker for

2266

01:33:26,870 --> 01:33:24,800

joining me this evening and thanks to

2267

01:33:28,709 --> 01:33:26,880

each and all you for watching

2268

01:33:31,189 --> 01:33:28,719

and chatting if you made the super chat

2269

01:33:33,270 --> 01:33:31,199

donations very much appreciated your

2270

01:33:35,510 --> 01:33:33,280

support is what makes this all possible

2271

01:33:37,350 --> 01:33:35,520

please like subscribe share and please

2272

01:33:38,550 --> 01:33:37,360

comment we always appreciate your

2273

01:33:41,669 --> 01:33:38,560

comments

2274

01:33:44,310 --> 01:33:41,679

and uh also uh sign up become a member

2275

01:33:45,030 --> 01:33:44,320

of the uh of the channel

2276

01:33:46,149 --> 01:33:45,040

uh

2277

01:33:47,750 --> 01:33:46,159

again if you have a sighting or

2278

01:33:50,470 --> 01:33:47,760

encounter report and you'd like to be

2279

01:33:52,629 --> 01:33:50,480

considered for the personal report show

2280

01:33:54,790 --> 01:33:52,639

or post on the phantoms of monsters blog

2281

01:33:55,750 --> 01:33:54,800

site just feel free to forward to my

2282

01:33:58,790 --> 01:33:55,760

email

2283

01:34:00,229 --> 01:33:58,800

at lawn strickler phantomsammons.com

2284

01:34:03,990 --> 01:34:00,239

so next friday

2285

01:34:06,149 --> 01:34:04,000

jason hewlett will join me uh jason is a

2286

01:34:08,629 --> 01:34:06,159

writer director co-creator

2287

01:34:09,669 --> 01:34:08,639

of a reality web series we want to

2288

01:34:11,990 --> 01:34:09,679

believe

2289

01:34:14,550 --> 01:34:12,000

he also co-hosts hunting the haunted

2290

01:34:16,070 --> 01:34:14,560

narrators narrates the

2291

01:34:17,990 --> 01:34:16,080

ufo show

2292

01:34:20,390 --> 01:34:18,000

and is the manager of the paranormal

2293

01:34:21,110 --> 01:34:20,400

network youtube channel and all it shows

2294

01:34:22,470 --> 01:34:21,120

so

2295

01:34:23,990 --> 01:34:22,480

make sure to tune in for this

2296

01:34:24,950 --> 01:34:24,000

interesting guest

2297

01:34:26,709 --> 01:34:24,960

uh

2298

01:34:28,870 --> 01:34:26,719

it ought to be quite an interesting

2299

01:34:30,709 --> 01:34:28,880

interview so until next week stay

2300

01:34:37,600 --> 01:34:30,719

healthy and have a safe and enjoyable
