

PHANTOMS & MONSTERS

R A D I O

JASON HEWLETT

'THE PARANORMAL NETWORK'
INVESTIGATOR, CREATOR, & AUTHOR

FRIDAY, AUGUST 5TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:02,140 --> 00:00:12,549

[Music]

2
00:00:16,710 --> 00:00:15,270

we live in a reality of phantoms and

3
00:00:19,750 --> 00:00:16,720

monsters

4
00:00:21,029 --> 00:00:19,760

they exist among us and sometimes they

5
00:00:24,310 --> 00:00:21,039

win

6
00:00:26,870 --> 00:00:24,320

even the devil was an angel once

7
00:00:28,830 --> 00:00:26,880

the world has its own rules

8
00:00:31,990 --> 00:00:28,840

and these rules are not

9
00:00:34,950 --> 00:00:32,000

human some of us seek answers to the

10
00:00:36,950 --> 00:00:34,960

origin and existence of cryptids in the

11
00:00:40,310 --> 00:00:36,960

unexplained

12
00:00:42,630 --> 00:00:40,320

join us as we venture beyond the known

13
00:00:44,869 --> 00:00:42,640

and accepted boundaries

14

00:00:50,960 --> 00:00:44,879

welcome to our nightmare

15

00:01:02,470 --> 00:01:00,150

[Music]

16

00:01:04,229 --> 00:01:02,480

hey folks good evening and welcome to

17

00:01:06,310 --> 00:01:04,239

another episode of phantom's monsters

18

00:01:09,109 --> 00:01:06,320

radio where we explore the strange and

19

00:01:11,670 --> 00:01:09,119

the unexplained i am your host lon

20

00:01:14,630 --> 00:01:11,680

stricker thanks for joining us

21

00:01:17,350 --> 00:01:14,640

now before we get started uh if you

22

00:01:19,830 --> 00:01:17,360

enjoy our content please subscribe like

23

00:01:21,830 --> 00:01:19,840

and share our presentations

24

00:01:24,630 --> 00:01:21,840

uh and also please

25

00:01:27,270 --> 00:01:24,640

feel free to place any comments

26
00:01:29,990 --> 00:01:27,280
about the show you have suggestions

27
00:01:32,469 --> 00:01:30,000
uh it's much appreciated super chat

28
00:01:34,310 --> 00:01:32,479
is active during the show so uh please

29
00:01:35,510 --> 00:01:34,320
show your support for fans of monsters

30
00:01:37,510 --> 00:01:35,520
radio

31
00:01:40,710 --> 00:01:37,520
you do that by clicking on the dollar

32
00:01:43,190 --> 00:01:40,720
icon underneath the chat uh you can also

33
00:01:44,870 --> 00:01:43,200
support us by using the buy me a coffee

34
00:01:46,389 --> 00:01:44,880
link or banner

35
00:01:47,910 --> 00:01:46,399
and uh

36
00:01:49,990 --> 00:01:47,920
there's also a link in the description

37
00:01:52,630 --> 00:01:50,000
below so your consideration is very much

38
00:01:55,350 --> 00:01:52,640

needed and appreciated

39

00:01:57,350 --> 00:01:55,360

uh so tonight our guest is jason hewitt

40

00:02:00,310 --> 00:01:57,360

who's a journalist broadcaster and

41

00:02:02,069 --> 00:02:00,320

podcaster with a degree in filmmaking

42

00:02:04,389 --> 00:02:02,079

and film studies

43

00:02:06,789 --> 00:02:04,399

a lifelong interest in the paranormal

44

00:02:09,990 --> 00:02:06,799

led him to join vancouver

45

00:02:12,390 --> 00:02:10,000

paranormal society in 2017 where he was

46

00:02:14,470 --> 00:02:12,400

a lead investigator and society director

47

00:02:16,550 --> 00:02:14,480

until 2020

48

00:02:18,229 --> 00:02:16,560

when he and colleague peter wren

49

00:02:20,790 --> 00:02:18,239

launched the canadian paranormal

50

00:02:23,190 --> 00:02:20,800

foundation

51
00:02:25,190 --> 00:02:23,200
is a writer director and co-creator of

52
00:02:27,589 --> 00:02:25,200
the award-winning paranormal reality

53
00:02:29,990 --> 00:02:27,599
series we want to believe

54
00:02:32,630 --> 00:02:30,000
and narrator for the ufo show both of

55
00:02:36,630 --> 00:02:32,640
which are on the paranormal network

56
00:02:39,430 --> 00:02:36,640
in 2020 jason and peter wren ko

57
00:02:41,830 --> 00:02:39,440
co-authored the best-selling book i want

58
00:02:43,910 --> 00:02:41,840
to believe one man's journey into the

59
00:02:46,309 --> 00:02:43,920
paranormal which highlights peter's

60
00:02:49,190 --> 00:02:46,319
career as a paranormal investigator

61
00:02:51,430 --> 00:02:49,200
and in 2021 the follow-up book i want to

62
00:02:53,509 --> 00:02:51,440
believe in the investigators archive

63
00:02:54,869 --> 00:02:53,519

and then a third book the most recent

64

00:02:57,589 --> 00:02:54,879

dying light

65

00:02:59,350 --> 00:02:57,599

an investigation into near-death

66

00:03:03,270 --> 00:02:59,360

experiences

67

00:03:06,630 --> 00:03:03,280

this year

68

00:03:08,229 --> 00:03:06,640

so uh jason thanks for coming on tonight

69

00:03:09,750 --> 00:03:08,239

well thanks so much for having me on lon

70

00:03:11,990 --> 00:03:09,760

it's an honor to be here

71

00:03:13,990 --> 00:03:12,000

well yeah we've never met so it's always

72

00:03:17,110 --> 00:03:14,000

nice to meet somebody

73

00:03:20,070 --> 00:03:17,120

uh and i appreciate you following us for

74

00:03:21,430 --> 00:03:20,080

the time you mentioned before so uh yeah

75

00:03:25,350 --> 00:03:21,440

great to meet you

76

00:03:27,350 --> 00:03:25,360

yeah i've been waiting excited about

77

00:03:29,830 --> 00:03:27,360

this all week actually

78

00:03:31,750 --> 00:03:29,840

so you know i i did read the description

79

00:03:34,070 --> 00:03:31,760

and a bit about you

80

00:03:34,789 --> 00:03:34,080

what what are you actually doing now

81

00:03:36,390 --> 00:03:34,799

what

82

00:03:38,789 --> 00:03:36,400

you know you you're doing some

83

00:03:40,149 --> 00:03:38,799

presentation you just wrote a book

84

00:03:41,670 --> 00:03:40,159

and we're going to talk about that

85

00:03:43,990 --> 00:03:41,680

because i know we've got people who are

86

00:03:46,630 --> 00:03:44,000

interested in near-death experiences

87

00:03:48,309 --> 00:03:46,640

so uh but just give us a thumbnail what

88

00:03:50,470 --> 00:03:48,319

what you've been doing

89

00:03:52,710 --> 00:03:50,480

well yeah i i mean i kind of i've been

90

00:03:53,830 --> 00:03:52,720

interested in the paranormal for forever

91

00:03:55,270 --> 00:03:53,840

like we were talking about before like

92

00:03:56,789 --> 00:03:55,280

most people are like you know started

93

00:03:58,229 --> 00:03:56,799

interest as a child but it's really only

94

00:04:00,149 --> 00:03:58,239

in the last few years that i've kind of

95

00:04:01,429 --> 00:04:00,159

really started doing this i don't want

96

00:04:03,589 --> 00:04:01,439

to say professionally because it just

97

00:04:04,789 --> 00:04:03,599

seems like an odd phrasing to use for

98

00:04:07,589 --> 00:04:04,799

something

99

00:04:09,270 --> 00:04:07,599

yeah this kind of line of work yeah um

100

00:04:10,710 --> 00:04:09,280

but yeah i know like i'm focusing

101
00:04:13,589 --> 00:04:10,720
primarily on

102
00:04:15,750 --> 00:04:13,599
i manage the paranormal network for joe

103
00:04:17,670 --> 00:04:15,760
blow media incorporated so i'm the guy

104
00:04:19,270 --> 00:04:17,680
that show runs all the programming on

105
00:04:22,310 --> 00:04:19,280
there and we've got about five or six

106
00:04:25,350 --> 00:04:22,320
ongoing series that cover everything um

107
00:04:27,909 --> 00:04:25,360
from from ufos to bigfoot to hauntings

108
00:04:29,189 --> 00:04:27,919
myself and peter do a couple shows

109
00:04:31,670 --> 00:04:29,199
hunting the haunted where we kind of

110
00:04:33,270 --> 00:04:31,680
dissect different well-known hauntings

111
00:04:35,270 --> 00:04:33,280
and ghost stories and then we have our

112
00:04:37,430 --> 00:04:35,280
documentary series we want to believe um

113
00:04:38,950 --> 00:04:37,440

so that's kind of one side of things and

114

00:04:40,469 --> 00:04:38,960

then the other side of it

115

00:04:41,990 --> 00:04:40,479

is doing the authorship so we just

116

00:04:43,270 --> 00:04:42,000

finished the book dying light and we're

117

00:04:44,629 --> 00:04:43,280

working on another book for beyond the

118

00:04:45,670 --> 00:04:44,639

fray publishing like our books have been

119

00:04:48,230 --> 00:04:45,680

published through beyond the phrase with

120

00:04:49,110 --> 00:04:48,240

g michael hoff and shannon legrow

121

00:04:50,790 --> 00:04:49,120

um

122

00:04:52,550 --> 00:04:50,800

but we're also like i'm a paranormal

123

00:04:54,550 --> 00:04:52,560

investigator and that's kind of where

124

00:04:56,550 --> 00:04:54,560

all this really started like i

125

00:04:59,510 --> 00:04:56,560

co-founded the canadian paranormal

126
00:05:01,909 --> 00:04:59,520
foundation and we go out and investigate

127
00:05:03,590 --> 00:05:01,919
hauntings residential hauntings

128
00:05:05,830 --> 00:05:03,600
haunt commercial hauntings historic

129
00:05:07,990 --> 00:05:05,840
sites you know we get a bit into bigfoot

130
00:05:09,749 --> 00:05:08,000
hunting more for our own entertainment

131
00:05:11,430 --> 00:05:09,759
and interest than anything else and you

132
00:05:12,870 --> 00:05:11,440
know do sky watching and things like

133
00:05:15,350 --> 00:05:12,880
that so

134
00:05:16,950 --> 00:05:15,360
yeah that's my day like every day is

135
00:05:19,029 --> 00:05:16,960
just doing this kind of like yourself

136
00:05:21,430 --> 00:05:19,039
with the blog right collect it you know

137
00:05:23,270 --> 00:05:21,440
yeah i mean it's an eclectic thing uh

138
00:05:26,070 --> 00:05:23,280

you know so much of the

139

00:05:27,510 --> 00:05:26,080

is connected now and uh

140

00:05:29,430 --> 00:05:27,520

it's interesting

141

00:05:31,430 --> 00:05:29,440

all the things you can come up with but

142

00:05:33,189 --> 00:05:31,440

uh yeah exactly

143

00:05:34,790 --> 00:05:33,199

it is and i mean that's why we jump from

144

00:05:36,390 --> 00:05:34,800

ever like a little bit of everything it

145

00:05:38,230 --> 00:05:36,400

feels like right now like just kind of

146

00:05:40,550 --> 00:05:38,240

fingers in a whole bunch of different

147

00:05:42,070 --> 00:05:40,560

different parts just seeing seeing what

148

00:05:43,990 --> 00:05:42,080

comes out of each and every one of them

149

00:05:45,189 --> 00:05:44,000

so i feel kind of opportunistic doing it

150

00:05:47,189 --> 00:05:45,199

but at the same time it's just the way

151

00:05:50,629 --> 00:05:47,199

it's kind of worked out this wasn't by

152

00:05:53,350 --> 00:05:50,639

design it just sort of happened

153

00:05:55,830 --> 00:05:53,360

um so you wrote this book dying light uh

154

00:05:57,430 --> 00:05:55,840

tell us a bit about it i mean uh

155

00:05:59,189 --> 00:05:57,440

first of all have you had a near-death

156

00:06:01,670 --> 00:05:59,199

experience yourself

157

00:06:03,350 --> 00:06:01,680

well and and that's the funny thing i i

158

00:06:05,590 --> 00:06:03,360

personally haven't although i had an

159

00:06:06,710 --> 00:06:05,600

experience that mirrored something in in

160

00:06:09,110 --> 00:06:06,720

the book

161

00:06:11,110 --> 00:06:09,120

um peter had had a near-death experience

162

00:06:14,390 --> 00:06:11,120

when he had a liver transplant you know

163

00:06:16,629 --> 00:06:14,400

he had flatlined basically but we were

164

00:06:17,670 --> 00:06:16,639

interviewing people for our second book

165

00:06:19,830 --> 00:06:17,680

um

166

00:06:21,749 --> 00:06:19,840

the investigative investigators archive

167

00:06:23,189 --> 00:06:21,759

and one of the stories in there

168

00:06:24,710 --> 00:06:23,199

we were interviewing angela artusso

169

00:06:25,909 --> 00:06:24,720

who's a paranormal investigator out of

170

00:06:28,070 --> 00:06:25,919

new york city and she was kind of

171

00:06:30,550 --> 00:06:28,080

telling her life story and she had had

172

00:06:31,990 --> 00:06:30,560

this near-death experience that was so

173

00:06:33,430 --> 00:06:32,000

different than near-death experiences

174

00:06:35,909 --> 00:06:33,440

we'd heard about before that wasn't the

175

00:06:37,909 --> 00:06:35,919

typical tunnel of light and shadowy

176
00:06:39,749 --> 00:06:37,919
figure going over you know into another

177
00:06:41,110 --> 00:06:39,759
side of the universe

178
00:06:42,150 --> 00:06:41,120
hers was different it was a bit

179
00:06:44,230 --> 00:06:42,160
frightening

180
00:06:45,749 --> 00:06:44,240
but it was really profound and when we

181
00:06:47,670 --> 00:06:45,759
kind of finished the interview with her

182
00:06:48,710 --> 00:06:47,680
i called peter up you know right away

183
00:06:50,710 --> 00:06:48,720
because we're doing it over zoom because

184
00:06:52,469 --> 00:06:50,720
it was in the middle of the pandemic

185
00:06:54,550 --> 00:06:52,479
and i said we got to write a book about

186
00:06:56,150 --> 00:06:54,560
this like about near-death experiences

187
00:06:58,469 --> 00:06:56,160
because this story is great it wouldn't

188
00:07:00,150 --> 00:06:58,479

fit into this other book so let's go out

189

00:07:01,830 --> 00:07:00,160

and kind of just talk to different

190

00:07:03,189 --> 00:07:01,840

people who had near-death experiences

191

00:07:04,469 --> 00:07:03,199

and talked to kind of neuroscientists

192

00:07:06,550 --> 00:07:04,479

and grief counselors and a whole range

193

00:07:08,230 --> 00:07:06,560

of people and and put it in this book

194

00:07:09,909 --> 00:07:08,240

and and we pitched it to

195

00:07:11,909 --> 00:07:09,919

beyond the fray and they liked the idea

196

00:07:14,230 --> 00:07:11,919

and it just sort of rolled from there

197

00:07:16,150 --> 00:07:14,240

actually

198

00:07:17,589 --> 00:07:16,160

interesting so tell us a bit about some

199

00:07:18,870 --> 00:07:17,599

of the experiences that you've written

200

00:07:20,710 --> 00:07:18,880

about

201

00:07:22,390 --> 00:07:20,720

well one of them angela's was really

202

00:07:24,309 --> 00:07:22,400

interesting and it's a chapter in there

203

00:07:27,430 --> 00:07:24,319

called the man in black

204

00:07:29,029 --> 00:07:27,440

and her story she works as a hospital

205

00:07:31,430 --> 00:07:29,039

and she was a passenger in the car on

206

00:07:32,390 --> 00:07:31,440

the way to work and was t-boned

207

00:07:34,710 --> 00:07:32,400

and

208

00:07:36,230 --> 00:07:34,720

the truck that hit her like it shattered

209

00:07:37,430 --> 00:07:36,240

the window in the passenger side she was

210

00:07:39,110 --> 00:07:37,440

wearing a scarf because it was february

211

00:07:40,870 --> 00:07:39,120

the scarf got tangled up in the grill of

212

00:07:42,629 --> 00:07:40,880

the truck as it pulled across and

213

00:07:45,029 --> 00:07:42,639

started strangling her

214

00:07:47,670 --> 00:07:45,039

somehow that came loose the vehicle spun

215

00:07:49,510 --> 00:07:47,680

around the driver was fine so they got

216

00:07:52,629 --> 00:07:49,520

out to get help and angela's laying

217

00:07:54,230 --> 00:07:52,639

there just a broken bloody mess really

218

00:07:55,749 --> 00:07:54,240

and

219

00:07:57,670 --> 00:07:55,759

she knew that if she kind of closed her

220

00:07:58,950 --> 00:07:57,680

eyes that would probably be it but like

221

00:08:01,029 --> 00:07:58,960

she kind of figured i'm not gonna make

222

00:08:03,189 --> 00:08:01,039

it and next she kind of looks over in

223

00:08:04,869 --> 00:08:03,199

the the driver's seat and there's a man

224

00:08:06,790 --> 00:08:04,879

sitting there staring straight ahead

225

00:08:09,670 --> 00:08:06,800

wearing all black

226

00:08:11,589 --> 00:08:09,680

white porcelain skin black hair

227

00:08:13,589 --> 00:08:11,599

eyes black like you know the black-eyed

228

00:08:15,270 --> 00:08:13,599

children phenomena basically

229

00:08:17,110 --> 00:08:15,280

he's just not looking at her staring

230

00:08:18,070 --> 00:08:17,120

straight ahead

231

00:08:22,150 --> 00:08:18,080

and

232

00:08:23,749 --> 00:08:22,160

responds but not like telepathically you

233

00:08:24,950 --> 00:08:23,759

know how it usually goes in near-death

234

00:08:26,070 --> 00:08:24,960

experiences they're actually talking to

235

00:08:28,150 --> 00:08:26,080

each other and the man's basically

236

00:08:29,430 --> 00:08:28,160

telling her you're going to be fine

237

00:08:30,390 --> 00:08:29,440

don't worry you're going to get out of

238

00:08:32,870 --> 00:08:30,400

here

239

00:08:33,589 --> 00:08:32,880

and he just keeps repeating this to her

240

00:08:38,389 --> 00:08:33,599

and

241

00:08:40,550 --> 00:08:38,399

out of the vehicle like the jaws of life

242

00:08:41,909 --> 00:08:40,560

and they load her into the ambulance and

243

00:08:43,430 --> 00:08:41,919

the man in black's there with her

244

00:08:44,949 --> 00:08:43,440

holding her hand at this point telling

245

00:08:46,550 --> 00:08:44,959

her everything's gonna be okay you're

246

00:08:48,470 --> 00:08:46,560

gonna be fine

247

00:08:50,550 --> 00:08:48,480

they drive to the hospital

248

00:08:51,910 --> 00:08:50,560

pull her out to take her into surgery

249

00:08:53,030 --> 00:08:51,920

and she's like where's where's this guy

250

00:08:54,150 --> 00:08:53,040

where's the man that was with me and

251

00:08:55,269 --> 00:08:54,160

she's getting hauled off and they're

252

00:08:56,790 --> 00:08:55,279

like you were the only one in the

253

00:08:58,070 --> 00:08:56,800

ambulance it was you and the paramedics

254

00:09:00,470 --> 00:08:58,080

that's the only you're the only ones

255

00:09:03,430 --> 00:09:00,480

there and it was just that's basically

256

00:09:05,990 --> 00:09:03,440

her story so it's

257

00:09:07,910 --> 00:09:06,000

it was just so unique and so unlike

258

00:09:09,350 --> 00:09:07,920

anything else that that we had heard

259

00:09:11,910 --> 00:09:09,360

that i'd heard just as someone with an

260

00:09:13,910 --> 00:09:11,920

interest in near-death experiences yeah

261

00:09:15,430 --> 00:09:13,920

so that's kind of the one that kicked it

262

00:09:17,590 --> 00:09:15,440

all off really

263

00:09:18,949 --> 00:09:17,600

um other ones in there fit more into the

264

00:09:21,110 --> 00:09:18,959

traditional

265

00:09:22,470 --> 00:09:21,120

tunnel of light you know

266

00:09:24,630 --> 00:09:22,480

cloudy

267

00:09:26,230 --> 00:09:24,640

plain area some figure waiting for them

268

00:09:27,910 --> 00:09:26,240

on the other side

269

00:09:29,829 --> 00:09:27,920

that kind of thing but that was that was

270

00:09:32,389 --> 00:09:29,839

the most unique story in it that we

271

00:09:36,870 --> 00:09:34,630

i have uh yeah i think

272

00:09:38,949 --> 00:09:36,880

especially those uh those instances that

273

00:09:39,990 --> 00:09:38,959

are similar to what you you mentioned

274

00:09:42,150 --> 00:09:40,000

earlier

275

00:09:44,230 --> 00:09:42,160

uh where people are in an accident or

276
00:09:45,430 --> 00:09:44,240
something and they're clinging to life

277
00:09:52,710 --> 00:09:45,440
and

278
00:09:54,230 --> 00:09:52,720
or communicating with them telling them

279
00:09:56,550 --> 00:09:54,240
that everything's going to be all right

280
00:09:58,070 --> 00:09:56,560
i've heard so many of those

281
00:10:00,310 --> 00:09:58,080
um

282
00:10:01,509 --> 00:10:00,320
i you know there was one instance that i

283
00:10:03,590 --> 00:10:01,519
remember

284
00:10:06,310 --> 00:10:03,600
and this was out california and i don't

285
00:10:07,670 --> 00:10:06,320
remember the exact location

286
00:10:09,829 --> 00:10:07,680
but uh

287
00:10:10,870 --> 00:10:09,839
there was a um

288
00:10:13,350 --> 00:10:10,880

there was a

289

00:10:15,030 --> 00:10:13,360

automobile accident and the woman was in

290

00:10:17,590 --> 00:10:15,040

the car

291

00:10:19,190 --> 00:10:17,600

and uh

292

00:10:20,949 --> 00:10:19,200

this

293

00:10:22,949 --> 00:10:20,959

person came to her

294

00:10:25,670 --> 00:10:22,959

this other woman came to her dressed in

295

00:10:27,829 --> 00:10:25,680

a paramedic outfit

296

00:10:29,350 --> 00:10:27,839

and uh she thought it was actually the

297

00:10:30,470 --> 00:10:29,360

paramedic and

298

00:10:35,110 --> 00:10:30,480

she was

299

00:10:36,389 --> 00:10:35,120

doing anything other than just talking

300

00:10:37,990 --> 00:10:36,399

to her

301
00:10:39,190 --> 00:10:38,000
and

302
00:10:41,110 --> 00:10:39,200
after

303
00:10:42,790 --> 00:10:41,120
the you know the firemen got there to

304
00:10:45,269 --> 00:10:42,800
got her out got her an ambulance got her

305
00:10:46,389 --> 00:10:45,279
to the hospital she was asking about the

306
00:10:48,949 --> 00:10:46,399
paramedic

307
00:10:51,350 --> 00:10:48,959
and it turned out

308
00:10:54,230 --> 00:10:51,360
it was a uh

309
00:10:57,350 --> 00:10:54,240
it was it was the paramedic that was in

310
00:11:00,389 --> 00:10:57,360
a helicopter coming to

311
00:11:04,150 --> 00:11:00,399
the uh to the accident and crashed and

312
00:11:06,790 --> 00:11:04,160
the woman died holy cow yeah

313
00:11:08,870 --> 00:11:06,800

that's unreal yeah that

314

00:11:10,710 --> 00:11:08,880

you know i that was one of the most

315

00:11:12,550 --> 00:11:10,720

amazing ones ever but i heard another

316

00:11:14,870 --> 00:11:12,560

one very similar that too

317

00:11:16,710 --> 00:11:14,880

so uh yeah i mean

318

00:11:19,509 --> 00:11:16,720

you know you hear all kinds of crazy

319

00:11:21,430 --> 00:11:19,519

stories but um that one's kind of stuck

320

00:11:23,350 --> 00:11:21,440

with me well and that would because

321

00:11:25,430 --> 00:11:23,360

that's almost like it's one part near

322

00:11:26,870 --> 00:11:25,440

death experience one part ghost story

323

00:11:28,550 --> 00:11:26,880

you know what i mean something that

324

00:11:29,590 --> 00:11:28,560

happened immediately like just just you

325

00:11:31,430 --> 00:11:29,600

know like

326

00:11:33,829 --> 00:11:31,440
minutes earlier like that's that's

327

00:11:36,150 --> 00:11:33,839
that's crazy but fascinating you got to

328

00:11:37,910 --> 00:11:36,160
wonder if the paramedic actually even

329

00:11:39,110 --> 00:11:37,920
knew she was dead

330

00:11:42,389 --> 00:11:39,120
and

331

00:11:44,310 --> 00:11:42,399
you know just came to this woman's aid

332

00:11:46,949 --> 00:11:44,320
though the the act that from what i

333

00:11:49,430 --> 00:11:46,959
under remember is the uh helicopter

334

00:11:51,509 --> 00:11:49,440
accident was like four or five miles

335

00:11:53,910 --> 00:11:51,519
away from the actual accident

336

00:11:55,590 --> 00:11:53,920
and uh yeah she was there and when she

337

00:11:56,790 --> 00:11:55,600
described it to the people in the

338

00:11:59,670 --> 00:11:56,800

hospital

339

00:12:01,110 --> 00:11:59,680

they were stunned because it was exactly

340

00:12:02,790 --> 00:12:01,120

the description of the woman who had

341

00:12:04,470 --> 00:12:02,800

died in the crash

342

00:12:05,670 --> 00:12:04,480

the helicopter crash

343

00:12:09,110 --> 00:12:05,680

that's amazing it's almost like an

344

00:12:10,470 --> 00:12:09,120

intelligent haunting yeah right yeah i

345

00:12:11,910 --> 00:12:10,480

wonder if the paramedic knew they were

346

00:12:13,590 --> 00:12:11,920

dead

347

00:12:15,430 --> 00:12:13,600

yeah that's what i'm saying

348

00:12:16,550 --> 00:12:15,440

yeah maybe she didn't even know she had

349

00:12:19,910 --> 00:12:16,560

died

350

00:12:23,110 --> 00:12:19,920

um you know i i do spirit rescue work

351
00:12:24,790 --> 00:12:23,120
and occasionally you know you will go

352
00:12:26,069 --> 00:12:24,800
into a situation where you're trying to

353
00:12:28,230 --> 00:12:26,079
help a client

354
00:12:30,389 --> 00:12:28,240
and it seems the earthbound doesn't even

355
00:12:32,150 --> 00:12:30,399
really know they're dead

356
00:12:34,069 --> 00:12:32,160
you try to communicate but the way they

357
00:12:34,870 --> 00:12:34,079
react and the way they act it's just

358
00:12:36,790 --> 00:12:34,880
like

359
00:12:38,949 --> 00:12:36,800
well they don't even know they're dead

360
00:12:40,870 --> 00:12:38,959
they they're here but they they don't

361
00:12:42,150 --> 00:12:40,880
even know they died

362
00:12:43,750 --> 00:12:42,160
so uh

363
00:12:45,110 --> 00:12:43,760

yeah that's a common question we ask

364

00:12:47,110 --> 00:12:45,120

when we do our investigations with

365

00:12:48,790 --> 00:12:47,120

canadian paranormal too is do you do you

366

00:12:50,629 --> 00:12:48,800

know that you've died like what year is

367

00:12:52,310 --> 00:12:50,639

it right now right and sometimes you get

368

00:12:53,509 --> 00:12:52,320

that it's you know 100 years in the past

369

00:12:56,230 --> 00:12:53,519

kind of thing it's like well no it's

370

00:12:59,590 --> 00:12:56,240

actually you know 2020 or 2021 not not

371

00:13:01,110 --> 00:12:59,600

you know 1920 or 1921 right i think a

372

00:13:03,350 --> 00:13:01,120

lot of spirits

373

00:13:04,389 --> 00:13:03,360

don't realize what's happened to them

374

00:13:05,990 --> 00:13:04,399

right

375

00:13:07,430 --> 00:13:06,000

oh absolutely one of the theories we've

376

00:13:09,670 --> 00:13:07,440

come up across it's all it's all

377

00:13:12,069 --> 00:13:09,680

speculation but you know yeah

378

00:13:13,750 --> 00:13:12,079

yeah it's um

379

00:13:15,590 --> 00:13:13,760

i mean you you hear of all kinds of

380

00:13:17,509 --> 00:13:15,600

reasons why they you think they believe

381

00:13:18,870 --> 00:13:17,519

they're here they you know they're

382

00:13:20,949 --> 00:13:18,880

they're there but they know they're dead

383

00:13:23,030 --> 00:13:20,959

they're there by choice because they had

384

00:13:25,750 --> 00:13:23,040

unfinished business or they're there to

385

00:13:27,990 --> 00:13:25,760

protect one of the living or

386

00:13:30,470 --> 00:13:28,000

or they just don't know they're dead so

387

00:13:33,110 --> 00:13:30,480

you know you you hear all kinds of

388

00:13:36,150 --> 00:13:33,120

uh hear all kinds of stories but we fear

389

00:13:38,710 --> 00:13:36,160

into like spirit rescue and um

390

00:13:40,230 --> 00:13:38,720

and uh if you do have some type of

391

00:13:42,150 --> 00:13:40,240

intuitive connection or psychic

392

00:13:43,829 --> 00:13:42,160

connection with them

393

00:13:46,470 --> 00:13:43,839

uh

394

00:13:48,470 --> 00:13:46,480

you can hear you can get a lot of a lot

395

00:13:51,670 --> 00:13:48,480

of different uh

396

00:13:53,910 --> 00:13:51,680

uh stories or interpretation what they

397

00:13:55,430 --> 00:13:53,920

think is going on and

398

00:13:58,470 --> 00:13:55,440

quite frankly a lot of them don't even

399

00:14:00,710 --> 00:13:58,480

want to move on it's you know it's all

400

00:14:03,430 --> 00:14:00,720

you know it's all free will they don't

401
00:14:05,430 --> 00:14:03,440
want to move they don't move

402
00:14:07,509 --> 00:14:05,440
no and i mean we've been we've

403
00:14:09,350 --> 00:14:07,519
encountered that as well right

404
00:14:11,430 --> 00:14:09,360
you know in certain cases some of them

405
00:14:12,710 --> 00:14:11,440
it is simply like that recording like

406
00:14:14,550 --> 00:14:12,720
almost like the stone tape theory is

407
00:14:16,230 --> 00:14:14,560
they're just spirits that have an event

408
00:14:18,790 --> 00:14:16,240
has been more recorded than anything

409
00:14:20,069 --> 00:14:18,800
else but when it seems intelligent or

410
00:14:21,430 --> 00:14:20,079
even like you know spirits that move

411
00:14:23,110 --> 00:14:21,440
around they

412
00:14:24,870 --> 00:14:23,120
we've had cases where people the spirit

413
00:14:26,470 --> 00:14:24,880

has followed someone like you know

414

00:14:28,150 --> 00:14:26,480

someone was a grief counselor in

415

00:14:30,470 --> 00:14:28,160

counseling and it was the spirit of

416

00:14:31,750 --> 00:14:30,480

someone who'd committed suicide and the

417

00:14:33,590 --> 00:14:31,760

person who was the counselor was

418

00:14:35,189 --> 00:14:33,600

counseling the loved one left behind but

419

00:14:37,430 --> 00:14:35,199

the spirit didn't want to

420

00:14:38,470 --> 00:14:37,440

didn't want to leave that person

421

00:14:40,310 --> 00:14:38,480

who they loved even though they had

422

00:14:41,990 --> 00:14:40,320

killed themselves you know what i mean

423

00:14:43,509 --> 00:14:42,000

right and then followed the counselor

424

00:14:45,829 --> 00:14:43,519

home because it was where they felt sort

425

00:14:48,069 --> 00:14:45,839

of a connection to the counselor yeah

426

00:14:49,590 --> 00:14:48,079

which i find just just very interesting

427

00:14:51,350 --> 00:14:49,600

so it's like it's they're still being

428

00:14:53,509 --> 00:14:51,360

people right

429

00:14:55,430 --> 00:14:53,519

right they're just they're just not here

430

00:14:57,509 --> 00:14:55,440

yeah i mean some of the more interesting

431

00:15:00,230 --> 00:14:57,519

stories that i've heard or i've run

432

00:15:02,629 --> 00:15:00,240

across while doing work or in nursing

433

00:15:04,550 --> 00:15:02,639

homes particularly in hospitals

434

00:15:05,910 --> 00:15:04,560

but um

435

00:15:08,710 --> 00:15:05,920

you know

436

00:15:09,590 --> 00:15:08,720

people who are in a nursing home

437

00:15:10,790 --> 00:15:09,600

or

438

00:15:12,790 --> 00:15:10,800

maybe they're at that point where

439

00:15:15,829 --> 00:15:12,800

they're getting near to death

440

00:15:17,430 --> 00:15:15,839

uh they describe all kinds of weird

441

00:15:20,790 --> 00:15:17,440

stuff i mean

442

00:15:22,550 --> 00:15:20,800

um not only the relatives who had passed

443

00:15:26,949 --> 00:15:22,560

on but you know

444

00:15:29,509 --> 00:15:26,959

a lot of different things and um

445

00:15:30,870 --> 00:15:29,519

you know i i had one woman tell me at

446

00:15:33,110 --> 00:15:30,880

one point

447

00:15:35,110 --> 00:15:33,120

she said there's at least 20 people that

448

00:15:36,150 --> 00:15:35,120

come in here anytime during the day or

449

00:15:38,470 --> 00:15:36,160

night

450

00:15:41,189 --> 00:15:38,480

uh i know they're not alive but they

451
00:15:42,949 --> 00:15:41,199
just come in here and i i asked

452
00:15:45,189 --> 00:15:42,959
ourselves do you ever

453
00:15:46,550 --> 00:15:45,199
have you ever had this ability to see

454
00:15:48,310 --> 00:15:46,560
them before

455
00:15:49,910 --> 00:15:48,320
and she just didn't

456
00:15:52,470 --> 00:15:49,920
and she said no all of a sudden i'm

457
00:15:54,230 --> 00:15:52,480
starting to see all these people and she

458
00:15:56,470 --> 00:15:54,240
said i think i think i'm going to be

459
00:15:59,030 --> 00:15:56,480
dying soon i just that's just the way i

460
00:16:01,350 --> 00:15:59,040
feel even though she wasn't really sick

461
00:16:04,150 --> 00:16:01,360
she was just in this nursing home

462
00:16:06,310 --> 00:16:04,160
and uh honestly she didn't last but a

463
00:16:09,509 --> 00:16:06,320

couple weeks longer she just died from

464

00:16:11,269 --> 00:16:09,519

natural causes that must be maybe as you

465

00:16:12,790 --> 00:16:11,279

get closer to the end right when you're

466

00:16:14,470 --> 00:16:12,800

you're younger than a kid the kid like

467

00:16:15,590 --> 00:16:14,480

my son and especially in the first few

468

00:16:17,670 --> 00:16:15,600

years of his life would see stuff all

469

00:16:19,430 --> 00:16:17,680

the time and talk about you know the the

470

00:16:20,870 --> 00:16:19,440

thing in the walls at our house or the

471

00:16:22,949 --> 00:16:20,880

thing that was living downstairs that

472

00:16:24,870 --> 00:16:22,959

would always bug the dog and he's he's

473

00:16:26,710 --> 00:16:24,880

gotten older he's seen less and less you

474

00:16:28,310 --> 00:16:26,720

know less stuff he's 11 now

475

00:16:29,509 --> 00:16:28,320

and i always wonder if towards the end

476

00:16:30,790 --> 00:16:29,519

it's kind of the same thing you're just

477

00:16:32,150 --> 00:16:30,800

sort of your your mind just lets you

478

00:16:34,470 --> 00:16:32,160

kind of get back in tune with what's

479

00:16:36,310 --> 00:16:34,480

going on around you yeah um with the

480

00:16:37,509 --> 00:16:36,320

paranormal i mean my mom went before she

481

00:16:39,110 --> 00:16:37,519

passed away was seeing stuff in her

482

00:16:40,710 --> 00:16:39,120

house all the time and just in the last

483

00:16:43,990 --> 00:16:40,720

few weeks of her life right like it was

484

00:16:45,749 --> 00:16:44,000

there all the time exactly yeah i've um

485

00:16:48,150 --> 00:16:45,759

yeah i've run across a lot of different

486

00:16:50,150 --> 00:16:48,160

things but um yeah and i've done a lot

487

00:16:52,150 --> 00:16:50,160

of work with kids

488

00:16:54,389 --> 00:16:52,160

and uh it's interesting some of the

489

00:16:56,310 --> 00:16:54,399

things they come up with because

490

00:16:58,470 --> 00:16:56,320

when you do talk to them they're seeing

491

00:17:00,389 --> 00:16:58,480

something oh yeah you know they're

492

00:17:02,949 --> 00:17:00,399

realizing something i mean they're

493

00:17:04,789 --> 00:17:02,959

they're so young they haven't been

494

00:17:06,309 --> 00:17:04,799

given uh

495

00:17:07,750 --> 00:17:06,319

the word that

496

00:17:10,069 --> 00:17:07,760

they're not really supposed to be seeing

497

00:17:11,829 --> 00:17:10,079

this stuff you know oh yeah they're

498

00:17:14,710 --> 00:17:11,839

they're but they're they're not

499

00:17:16,710 --> 00:17:14,720

compromised and uh yeah it's really

500

00:17:19,110 --> 00:17:16,720

bizarre

501
00:17:20,630 --> 00:17:19,120
i can remember my kid he was maybe one

502
00:17:22,230 --> 00:17:20,640
and he just one night he was crying so i

503
00:17:24,870 --> 00:17:22,240
went in to take a look at him and he was

504
00:17:26,549 --> 00:17:24,880
standing up in his crib and just

505
00:17:28,950 --> 00:17:26,559
pointing like into the corner of the

506
00:17:30,630 --> 00:17:28,960
room and crying and just going like this

507
00:17:31,909 --> 00:17:30,640
like there was something in that corner

508
00:17:33,590 --> 00:17:31,919
of the room that he said and i looked

509
00:17:35,669 --> 00:17:33,600
and i couldn't see anything it was just

510
00:17:38,310 --> 00:17:35,679
it was just dark but i thought that was

511
00:17:40,390 --> 00:17:38,320
that was kind of fascinating too it's

512
00:17:41,909 --> 00:17:40,400
yeah i think it's just a natural part of

513
00:17:44,390 --> 00:17:41,919

our experience we just haven't figured

514

00:17:45,669 --> 00:17:44,400

it out yet and it freaks people out yeah

515

00:17:48,390 --> 00:17:45,679

oh yeah

516

00:17:50,870 --> 00:17:48,400

um james west has asked uh what's the

517

00:17:52,549 --> 00:17:50,880

most common thing that you hear

518

00:17:54,310 --> 00:17:52,559

from those who have had a near-death

519

00:17:56,070 --> 00:17:54,320

experience

520

00:17:58,390 --> 00:17:56,080

the most common

521

00:17:59,590 --> 00:17:58,400

i think what's interesting is everyone

522

00:18:01,270 --> 00:17:59,600

who's had one at least that we

523

00:18:03,909 --> 00:18:01,280

interviewed for the book is that it was

524

00:18:05,590 --> 00:18:03,919

a positive experience

525

00:18:07,590 --> 00:18:05,600

yeah they i know that there's people

526
00:18:08,950 --> 00:18:07,600
who've had negative experiences and we

527
00:18:10,789 --> 00:18:08,960
might write a second book focusing on

528
00:18:11,990 --> 00:18:10,799
that but all the people we interviewed

529
00:18:14,150 --> 00:18:12,000
for the book

530
00:18:16,070 --> 00:18:14,160
came back with a renewed vigor for life

531
00:18:17,909 --> 00:18:16,080
they saw the world very differently they

532
00:18:19,270 --> 00:18:17,919
felt more at peace with the concept of

533
00:18:21,029 --> 00:18:19,280
death all of them were like yep sign

534
00:18:23,270 --> 00:18:21,039
when it happens i'm ready to go

535
00:18:25,430 --> 00:18:23,280
um and they all sort of

536
00:18:26,710 --> 00:18:25,440
saw that the world that the society were

537
00:18:28,070 --> 00:18:26,720
in was something that we created and

538
00:18:30,150 --> 00:18:28,080

they didn't feel that it was the reality

539

00:18:31,990 --> 00:18:30,160

of life um they thought life was a lot

540

00:18:33,190 --> 00:18:32,000

more spiritual a lot more about love and

541

00:18:34,789 --> 00:18:33,200

togetherness

542

00:18:36,230 --> 00:18:34,799

uh and just found it very positive so

543

00:18:37,669 --> 00:18:36,240

that was that was i thought really

544

00:18:38,950 --> 00:18:37,679

really interesting it was uplifting to

545

00:18:40,950 --> 00:18:38,960

write a book about death and kind of

546

00:18:42,950 --> 00:18:40,960

come out of it with that general message

547

00:18:44,950 --> 00:18:42,960

i thought james

548

00:18:46,630 --> 00:18:44,960

um vincent wants to know do you think

549

00:18:49,430 --> 00:18:46,640

paranormal investigators are more likely

550

00:18:50,789 --> 00:18:49,440

to experience things at their home

551
00:19:09,590 --> 00:18:50,799

i

552
00:19:11,510 --> 00:19:09,600
maybe

553
00:19:12,789 --> 00:19:11,520
like yourself lon you're just in tune a

554
00:19:14,230 --> 00:19:12,799
bit more because you're maybe you're

555
00:19:15,750 --> 00:19:14,240
open to the idea

556
00:19:17,110 --> 00:19:15,760
so you're not dismissing something as

557
00:19:19,510 --> 00:19:17,120
just that's out of the corner of my eye

558
00:19:21,350 --> 00:19:19,520
whatever yeah um but even stuff that's

559
00:19:23,750 --> 00:19:21,360
been so on the nose like where you can't

560
00:19:24,549 --> 00:19:23,760
just dismiss it as something else like

561
00:19:27,190 --> 00:19:24,559
yeah

562
00:19:29,750 --> 00:19:27,200
i think it comes with the territory well

563
00:19:31,909 --> 00:19:29,760

you know i'm an intuitive so

564

00:19:34,390 --> 00:19:31,919

i i kind of drawn to this stuff maybe of

565

00:19:37,270 --> 00:19:34,400

being a beacon and

566

00:19:39,190 --> 00:19:37,280

the energy is drawn to me and maybe tag

567

00:19:41,190 --> 00:19:39,200

along if i you know if i'm on a case or

568

00:19:42,390 --> 00:19:41,200

something and comes i try to i try to

569

00:19:44,870 --> 00:19:42,400

avoid that

570

00:19:47,510 --> 00:19:44,880

uh as much as possible it can be a

571

00:19:49,270 --> 00:19:47,520

problem at some point but um

572

00:19:51,029 --> 00:19:49,280

yeah it does happen and you know it's

573

00:19:52,870 --> 00:19:51,039

interesting when i when i started doing

574

00:19:54,870 --> 00:19:52,880

spirit rescue

575

00:19:57,190 --> 00:19:54,880

i started getting involved with helping

576

00:19:58,950 --> 00:19:57,200

people you know most of our cases were

577

00:20:00,390 --> 00:19:58,960

actual people who were doing paranormal

578

00:20:01,990 --> 00:20:00,400

investigations

579

00:20:05,270 --> 00:20:02,000

really yeah

580

00:20:07,830 --> 00:20:05,280

i i honestly i'd say 70 or more

581

00:20:09,830 --> 00:20:07,840

were paranormal investigators that were

582

00:20:11,990 --> 00:20:09,840

dragging stuff home with them

583

00:20:13,750 --> 00:20:12,000

well and we we always call it we call it

584

00:20:15,750 --> 00:20:13,760

the paranormal hangover or the next day

585

00:20:17,029 --> 00:20:15,760

you're just completely destroyed and and

586

00:20:18,230 --> 00:20:17,039

some people think it's maybe because

587

00:20:19,750 --> 00:20:18,240

something followed you home or they just

588

00:20:20,789 --> 00:20:19,760

bled your energy dry or maybe you just

589

00:20:22,870 --> 00:20:20,799

stayed up till three o'clock in the

590

00:20:24,549 --> 00:20:22,880

morning and you shouldn't have but

591

00:20:25,990 --> 00:20:24,559

and and we've had people say that they

592

00:20:28,950 --> 00:20:26,000

thought something's followed them home

593

00:20:30,950 --> 00:20:28,960

or or yeah or followed us from my home

594

00:20:31,830 --> 00:20:30,960

to an investigation that kind of thing i

595

00:20:33,669 --> 00:20:31,840

think it's

596

00:20:35,430 --> 00:20:33,679

just kind of part of part of being an

597

00:20:36,630 --> 00:20:35,440

investigator really

598

00:20:39,510 --> 00:20:36,640

but i think it's around us all the time

599

00:20:41,430 --> 00:20:39,520

anyways no matter where you are oh sure

600

00:20:43,669 --> 00:20:41,440

yeah i mean um

601
00:20:46,470 --> 00:20:43,679
i mean there are times when i i'll be at

602
00:20:49,029 --> 00:20:46,480
that point where i'm it's very rare

603
00:20:50,710 --> 00:20:49,039
now as opposed to what it used to be but

604
00:20:52,390 --> 00:20:50,720
i i can be

605
00:20:53,830 --> 00:20:52,400
laying down and getting ready to go to

606
00:20:55,909 --> 00:20:53,840
sleep and you're almost at that point

607
00:20:58,070 --> 00:20:55,919
where you know between sleep and

608
00:21:03,669 --> 00:20:58,080
being awake and it's like

609
00:21:07,510 --> 00:21:05,750
faces like in a window or something

610
00:21:08,789 --> 00:21:07,520
trying to get my attention

611
00:21:09,909 --> 00:21:08,799
uh

612
00:21:12,710 --> 00:21:09,919
and

613
00:21:14,950 --> 00:21:12,720

get my attention they're you know

614

00:21:17,590 --> 00:21:14,960

they're just trying to um

615

00:21:20,149 --> 00:21:17,600

get me to pay attention to them they

616

00:21:22,470 --> 00:21:20,159

they always have something to say to you

617

00:21:25,830 --> 00:21:22,480

uh it seems you know and i try to ignore

618

00:21:28,070 --> 00:21:25,840

that i i've gotten better at ignoring it

619

00:21:29,029 --> 00:21:28,080

uh but unfortunately some people just

620

00:21:31,029 --> 00:21:29,039

are not

621

00:21:33,029 --> 00:21:31,039

good enough to ignore it

622

00:21:34,310 --> 00:21:33,039

or not able to ignore it but no i've

623

00:21:35,750 --> 00:21:34,320

heard all kinds of stories from people

624

00:21:37,669 --> 00:21:35,760

who are beacons

625

00:21:39,430 --> 00:21:37,679

uh it turns into be a lot of problems

626
00:21:41,029 --> 00:21:39,440
and um

627
00:21:42,789 --> 00:21:41,039
you know a lot of hauntings that i've

628
00:21:46,470 --> 00:21:42,799
been involved with or people who are

629
00:21:48,870 --> 00:21:46,480
beacons who are who have abilities but

630
00:21:49,909 --> 00:21:48,880
their you know spirit energy is drawn to

631
00:21:52,149 --> 00:21:49,919
them

632
00:21:54,310 --> 00:21:52,159
and uh you know it's just a matter of

633
00:21:56,549 --> 00:21:54,320
getting them to um

634
00:21:58,710 --> 00:21:56,559
to realize what's going on

635
00:22:00,390 --> 00:21:58,720
and to kind of learn

636
00:22:02,549 --> 00:22:00,400
how to protect themselves and how to

637
00:22:05,430 --> 00:22:02,559
ignore it for the most part because

638
00:22:07,510 --> 00:22:05,440

some people just drive some people crazy

639

00:22:09,510 --> 00:22:07,520

oh yeah no it's it's something you do

640

00:22:11,510 --> 00:22:09,520

have to learn to control i mean we have

641

00:22:13,270 --> 00:22:11,520

a case where we're fortunate that we can

642

00:22:14,470 --> 00:22:13,280

we keep being able to go back she keeps

643

00:22:16,310 --> 00:22:14,480

letting us into her house where this

644

00:22:17,510 --> 00:22:16,320

activity is going on and she doesn't

645

00:22:19,830 --> 00:22:17,520

want to move so it's stuff that we've

646

00:22:21,510 --> 00:22:19,840

told her like you need to

647

00:22:23,909 --> 00:22:21,520

you know you have to be in control of

648

00:22:25,190 --> 00:22:23,919

this situation it's your house so you

649

00:22:26,470 --> 00:22:25,200

want if you don't want to move and you

650

00:22:28,070 --> 00:22:26,480

don't want to try to get someone to kick

651

00:22:29,990 --> 00:22:28,080

it out of the house you got to figure

652

00:22:31,669 --> 00:22:30,000

out how to coexist with it you know what

653

00:22:33,510 --> 00:22:31,679

i mean the ground rule's done you can't

654

00:22:35,430 --> 00:22:33,520

scare my kids anymore you can't do this

655

00:22:37,590 --> 00:22:35,440

like stop closing doors in front of our

656

00:22:39,350 --> 00:22:37,600

faces right like but you got to be firm

657

00:22:41,430 --> 00:22:39,360

like you would be with a child or some

658

00:22:42,630 --> 00:22:41,440

neighbor that was bothering you

659

00:22:44,630 --> 00:22:42,640

basically

660

00:22:46,789 --> 00:22:44,640

um and then i know for myself i just i

661

00:22:48,149 --> 00:22:46,799

try to ground frequently like you know

662

00:22:50,470 --> 00:22:48,159

once or twice a week do grounding

663

00:22:52,149 --> 00:22:50,480

exercises just so i don't

664

00:22:54,310 --> 00:22:52,159

feel all just pulled in a bazillion

665

00:22:55,750 --> 00:22:54,320

different places at once and see stuff

666

00:22:56,789 --> 00:22:55,760

all the time out of the corner of my

667

00:22:58,789 --> 00:22:56,799

eyes

668

00:23:00,549 --> 00:22:58,799

well you know for someone who does what

669

00:23:02,390 --> 00:23:00,559

we do i think that's

670

00:23:04,789 --> 00:23:02,400

that's got to be done it

671

00:23:07,029 --> 00:23:04,799

all the time yeah and it's good that you

672

00:23:08,870 --> 00:23:07,039

do that um

673

00:23:10,710 --> 00:23:08,880

you know if i get into a situation i try

674

00:23:13,669 --> 00:23:10,720

to protect myself in particular for the

675

00:23:14,390 --> 00:23:13,679

situation but uh just being a homer you

676
00:23:17,669 --> 00:23:14,400
know

677
00:23:19,669 --> 00:23:17,679
i do try to ground myself and um

678
00:23:22,390 --> 00:23:19,679
yeah i think that that's a prerequisite

679
00:23:23,750 --> 00:23:22,400
for anybody that's involved with this oh

680
00:23:25,590 --> 00:23:23,760
yeah big time

681
00:23:27,510 --> 00:23:25,600
um eventually want to know have you

682
00:23:28,950 --> 00:23:27,520
heard of extraterrestrials in your death

683
00:23:30,870 --> 00:23:28,960
experiences

684
00:23:33,029 --> 00:23:30,880
that was something that we did touch on

685
00:23:34,630 --> 00:23:33,039
just a little bit in the book um because

686
00:23:36,630 --> 00:23:34,640
i know it's something

687
00:23:38,149 --> 00:23:36,640
that people talk a lot about

688
00:23:39,669 --> 00:23:38,159

extraterrestrials being there and even

689

00:23:41,430 --> 00:23:39,679

because the experiences are almost so

690

00:23:42,310 --> 00:23:41,440

similar like in terms of like like you

691

00:23:43,990 --> 00:23:42,320

know

692

00:23:45,590 --> 00:23:44,000

some reports of alien abductions and

693

00:23:46,870 --> 00:23:45,600

then some reports of near-death

694

00:23:48,470 --> 00:23:46,880

experiences

695

00:23:49,990 --> 00:23:48,480

but i didn't get too far we didn't get

696

00:23:51,590 --> 00:23:50,000

too far into it um just because we

697

00:23:53,750 --> 00:23:51,600

suddenly had all so much material that

698

00:23:55,350 --> 00:23:53,760

we just we sort of saw the one direction

699

00:23:57,190 --> 00:23:55,360

the book was kind of going

700

00:23:58,950 --> 00:23:57,200

so i think i'd like to if we write a

701
00:23:59,909 --> 00:23:58,960
second book focus more on some of the

702
00:24:02,230 --> 00:23:59,919
people that didn't have the good

703
00:24:04,549 --> 00:24:02,240
experiences then touch up more on

704
00:24:06,630 --> 00:24:04,559
the alien the alien experience that goes

705
00:24:08,149 --> 00:24:06,640
along with it i mean

706
00:24:09,430 --> 00:24:08,159
and i think it's interesting how how

707
00:24:11,029 --> 00:24:09,440
extraterrest feels like you know they

708
00:24:13,590 --> 00:24:11,039
don't just come up in nde come up in

709
00:24:15,350 --> 00:24:13,600
bigfoot sightings and so much other

710
00:24:17,029 --> 00:24:15,360
paranormal

711
00:24:19,110 --> 00:24:17,039
experience you know experiences and

712
00:24:20,549 --> 00:24:19,120
locations like we have a place not far

713
00:24:22,390 --> 00:24:20,559

from here where we go squatch hunting

714

00:24:23,269 --> 00:24:22,400

where there's also ufos seen quite a bit

715

00:24:23,909 --> 00:24:23,279

right

716

00:24:25,590 --> 00:24:23,919

it's interesting how the

717

00:24:27,110 --> 00:24:25,600

extraterrestrial theme kind of ties into

718

00:24:29,669 --> 00:24:27,120

so much within

719

00:24:31,190 --> 00:24:29,679

within the paranormal field yeah i think

720

00:24:33,269 --> 00:24:31,200

more investigators are starting to

721

00:24:35,830 --> 00:24:33,279

realize that too it does it does seem

722

00:24:38,710 --> 00:24:35,840

that when you get involved with the case

723

00:24:40,710 --> 00:24:38,720

then invariably something else pops his

724

00:24:43,269 --> 00:24:40,720

ugly head up there i mean you know

725

00:24:45,190 --> 00:24:43,279

uh you got spirit activity or ufo

726

00:24:46,789 --> 00:24:45,200

activity even in extraterrestrial

727

00:24:49,510 --> 00:24:46,799

activity involved whether you're doing

728

00:24:51,830 --> 00:24:49,520

it like a squatch case or some some

729

00:24:54,310 --> 00:24:51,840

other cryptic case there always seems to

730

00:24:56,789 --> 00:24:54,320

be something else behind it

731

00:24:58,230 --> 00:24:56,799

oh yeah yeah we did uh some episodes we

732

00:24:59,830 --> 00:24:58,240

did a big series of bigfoot hunt

733

00:25:01,669 --> 00:24:59,840

episodes for we want to believe a couple

734

00:25:03,110 --> 00:25:01,679

of years ago and we went out to this

735

00:25:04,230 --> 00:25:03,120

location

736

00:25:05,590 --> 00:25:04,240

and we were doing all the stuff for

737

00:25:07,909 --> 00:25:05,600

swatching you know what i mean like the

738

00:25:09,269 --> 00:25:07,919

baby crying and we brought a aboriginal

739

00:25:11,669 --> 00:25:09,279

man with us who could do the prayers and

740

00:25:13,029 --> 00:25:11,679

the the tree knocks and everything but

741

00:25:14,549 --> 00:25:13,039

because we're um

742

00:25:15,909 --> 00:25:14,559

we're ghost hunters we figure we've got

743

00:25:17,590 --> 00:25:15,919

a spirit box why don't we just break it

744

00:25:19,430 --> 00:25:17,600

out and see what happens right so we

745

00:25:20,789 --> 00:25:19,440

walked off as soon as we turned that

746

00:25:23,590 --> 00:25:20,799

thing on before we even asked a question

747

00:25:25,110 --> 00:25:23,600

this voice came through help me

748

00:25:27,350 --> 00:25:25,120

and we started doing line questioning we

749

00:25:30,070 --> 00:25:27,360

got a name that guy named robert and

750

00:25:31,750 --> 00:25:30,080

just continuous act requests for help me

751
00:25:34,070 --> 00:25:31,760
so we ended up we decided we wanted to

752
00:25:35,430 --> 00:25:34,080
go back later and try to do some

753
00:25:36,870 --> 00:25:35,440
research see maybe if someone name

754
00:25:38,149 --> 00:25:36,880
something happened to a guy named robert

755
00:25:40,149 --> 00:25:38,159
in this area

756
00:25:41,669 --> 00:25:40,159
um and how that tied into things and we

757
00:25:43,590 --> 00:25:41,679
didn't really get much but on the drive

758
00:25:44,549 --> 00:25:43,600
back down we saw a roadside marker for a

759
00:25:46,470 --> 00:25:44,559
gentleman

760
00:25:48,070 --> 00:25:46,480
named robert backer who had died only a

761
00:25:50,870 --> 00:25:48,080
few kilometers down the road in an

762
00:25:52,310 --> 00:25:50,880
accident from where we were squatching

763
00:25:54,149 --> 00:25:52,320

and so that just took on a completely

764

00:25:55,510 --> 00:25:54,159

different direction and it just yeah i

765

00:25:56,870 --> 00:25:55,520

don't know it's just it's it's

766

00:25:57,990 --> 00:25:56,880

interesting how

767

00:25:59,830 --> 00:25:58,000

we got those

768

00:26:02,230 --> 00:25:59,840

parallels well well essentially trying

769

00:26:04,390 --> 00:26:02,240

to just do bigfoot hunting

770

00:26:07,990 --> 00:26:04,400

so what kind of experience have you had

771

00:26:10,310 --> 00:26:08,000

uh in in any any investigations

772

00:26:12,230 --> 00:26:10,320

uh we've had we've had like a variety of

773

00:26:14,230 --> 00:26:12,240

them like like a lot

774

00:26:16,549 --> 00:26:14,240

of the cases are like very typical like

775

00:26:18,870 --> 00:26:16,559

not much actually really happens

776
00:26:20,470 --> 00:26:18,880
when you go looking but then we've had

777
00:26:23,029 --> 00:26:20,480
certain spots that we're kind of finding

778
00:26:24,470 --> 00:26:23,039
to be hot spots like we have one place

779
00:26:25,669 --> 00:26:24,480
called bailey house which is about an

780
00:26:27,669 --> 00:26:25,679
hour and a half from where we live and

781
00:26:30,149 --> 00:26:27,679
it's a historical home

782
00:26:31,669 --> 00:26:30,159
that's now open to the public and

783
00:26:33,669 --> 00:26:31,679
stuff has been reported there for years

784
00:26:35,510 --> 00:26:33,679
and we've had um

785
00:26:36,470 --> 00:26:35,520
we've had toy

786
00:26:41,990 --> 00:26:36,480
toys

787
00:26:43,669 --> 00:26:42,000
you know we had we i've been sworn at by

788
00:26:45,110 --> 00:26:43,679

spirits in in that house which i think

789

00:26:47,669 --> 00:26:45,120

is really interesting

790

00:26:51,029 --> 00:26:47,679

and downstairs in the cellar

791

00:26:52,149 --> 00:26:51,039

uh we we set up a laser grid system

792

00:26:53,190 --> 00:26:52,159

so i don't know if you've used those

793

00:26:54,950 --> 00:26:53,200

lawn where you got it it's kind of

794

00:26:55,750 --> 00:26:54,960

basically it doesn't matter

795

00:26:57,029 --> 00:26:55,760

yeah

796

00:26:58,390 --> 00:26:57,039

we had that and the theory is that

797

00:26:59,909 --> 00:26:58,400

something will cut in front of it that

798

00:27:01,350 --> 00:26:59,919

even if they're not physically there and

799

00:27:03,029 --> 00:27:01,360

sure enough like we turned this laser

800

00:27:04,549 --> 00:27:03,039

grid on and you could see like it was

801
00:27:06,230 --> 00:27:04,559
like a silhouette

802
00:27:07,350 --> 00:27:06,240
a shadow like part of a person standing

803
00:27:08,950 --> 00:27:07,360
there

804
00:27:10,549 --> 00:27:08,960
turned on the light

805
00:27:12,549 --> 00:27:10,559
nothing obstructing the laser good that

806
00:27:14,070 --> 00:27:12,559
could have caused that turned it off

807
00:27:15,269 --> 00:27:14,080
it's still there and we did this three

808
00:27:16,630 --> 00:27:15,279
or four times then slowly you could

809
00:27:19,029 --> 00:27:16,640
almost just see the shadow almost like

810
00:27:20,870 --> 00:27:19,039
it walked away we actually filmed that

811
00:27:22,389 --> 00:27:20,880
for we want to believe and got that on

812
00:27:23,590 --> 00:27:22,399
on the one of the episodes it was called

813
00:27:25,909 --> 00:27:23,600

the dollhouse

814

00:27:26,950 --> 00:27:25,919

which i thought was quite interesting

815

00:27:29,190 --> 00:27:26,960

um

816

00:27:30,310 --> 00:27:29,200

this one location i can't give her name

817

00:27:32,070 --> 00:27:30,320

it's the the person where we've been

818

00:27:33,590 --> 00:27:32,080

able to go back repeatedly

819

00:27:35,269 --> 00:27:33,600

like we've had

820

00:27:36,870 --> 00:27:35,279

bangs it's a three-story home we've had

821

00:27:38,310 --> 00:27:36,880

whatever is in there having us running

822

00:27:40,149 --> 00:27:38,320

up and down all three stories because

823

00:27:41,669 --> 00:27:40,159

we'd be in the basement

824

00:27:43,190 --> 00:27:41,679

ask for something and through our

825

00:27:44,870 --> 00:27:43,200

digital recorders you could hear like

826

00:27:46,950 --> 00:27:44,880

give us a doc and suddenly on the third

827

00:27:48,950 --> 00:27:46,960

floor you could hear like two knock like

828

00:27:50,950 --> 00:27:48,960

two knocks like that so we go upstairs

829

00:27:52,470 --> 00:27:50,960

and when we're upstairs something bangs

830

00:27:54,149 --> 00:27:52,480

on the main level

831

00:27:56,070 --> 00:27:54,159

you know that kind of activity and this

832

00:27:57,350 --> 00:27:56,080

is a spirit this woman's lived in this

833

00:27:58,470 --> 00:27:57,360

house for four or five years it's a

834

00:28:00,149 --> 00:27:58,480

spirit that's been there as long as

835

00:28:03,350 --> 00:28:00,159

she's been there

836

00:28:05,029 --> 00:28:03,360

and she's had like when she moved in

837

00:28:06,389 --> 00:28:05,039

like tupperware bins of clothes that

838

00:28:08,470 --> 00:28:06,399

were put downstairs suddenly

839

00:28:10,389 --> 00:28:08,480

materialized on the main level like

840

00:28:11,990 --> 00:28:10,399

they've just sort of gone up up a level

841

00:28:13,909 --> 00:28:12,000

and over

842

00:28:15,510 --> 00:28:13,919

so it's that kind of activity which is

843

00:28:17,110 --> 00:28:15,520

it's the most one of the most active

844

00:28:19,269 --> 00:28:17,120

places we've been especially in terms of

845

00:28:21,110 --> 00:28:19,279

knocks and movement and just you know

846

00:28:23,669 --> 00:28:21,120

personal experiences

847

00:28:24,789 --> 00:28:23,679

so we get a lot of things like that

848

00:28:27,590 --> 00:28:24,799

um

849

00:28:28,630 --> 00:28:27,600

we've been lucky uh there's a ghost town

850

00:28:31,029 --> 00:28:28,640

here in british columbia named

851

00:28:33,029 --> 00:28:31,039

barkerville it's from the gold rush area

852

00:28:34,230 --> 00:28:33,039

that we had access to the whole town for

853

00:28:36,230 --> 00:28:34,240

a weekend

854

00:28:38,230 --> 00:28:36,240

and we had cameras set up where we've

855

00:28:39,750 --> 00:28:38,240

we've actually picked up apparitions on

856

00:28:41,990 --> 00:28:39,760

on film like

857

00:28:43,669 --> 00:28:42,000

with motion sensor cameras going coming

858

00:28:44,710 --> 00:28:43,679

through a door which i wish i could show

859

00:28:46,789 --> 00:28:44,720

you that we don't i don't have the

860

00:28:48,870 --> 00:28:46,799

picture in front of me unfortunately

861

00:28:50,630 --> 00:28:48,880

take my word for it but that was you

862

00:28:51,750 --> 00:28:50,640

know rare to get those kind of pictures

863

00:28:54,310 --> 00:28:51,760

so i guess

864

00:28:56,070 --> 00:28:54,320

really nothing out of the ordinary in

865

00:28:58,070 --> 00:28:56,080

this field

866

00:28:59,669 --> 00:28:58,080

but stuff that for us is pretty exciting

867

00:29:01,269 --> 00:28:59,679

because as you know lon you can spend a

868

00:29:03,510 --> 00:29:01,279

lot of time waiting to get

869

00:29:04,870 --> 00:29:03,520

even just a good evp

870

00:29:06,070 --> 00:29:04,880

um

871

00:29:07,669 --> 00:29:06,080

in the last few years we've we've

872

00:29:08,950 --> 00:29:07,679

noticed activity picking up i don't know

873

00:29:11,269 --> 00:29:08,960

what the reasoning is we've been getting

874

00:29:14,870 --> 00:29:11,279

a lot more active cases a lot more cases

875

00:29:16,549 --> 00:29:14,880

involving electronics going off

876

00:29:17,590 --> 00:29:16,559

um

877

00:29:19,190 --> 00:29:17,600

yeah

878

00:29:21,269 --> 00:29:19,200

it's it's hard to explain like we've

879

00:29:22,710 --> 00:29:21,279

we've had a run in the last six months

880

00:29:24,070 --> 00:29:22,720

where there's almost every time we've

881

00:29:26,470 --> 00:29:24,080

gone out we've had a number of things

882

00:29:29,750 --> 00:29:26,480

going off motion centers going off

883

00:29:32,149 --> 00:29:29,760

uh cameras picking things up um

884

00:29:33,669 --> 00:29:32,159

in a child's room we had a baby yoda

885

00:29:35,029 --> 00:29:33,679

that in order to activate you have to

886

00:29:36,710 --> 00:29:35,039

tap it on the head and it just started

887

00:29:38,630 --> 00:29:36,720

responding to us

888

00:29:41,190 --> 00:29:38,640

moving on its own to our questions can

889

00:29:43,430 --> 00:29:41,200

you move please and the baby yoda starts

890

00:29:44,870 --> 00:29:43,440

can you stop and it would stop okay

891

00:29:47,110 --> 00:29:44,880

could you maybe move a little bit more

892

00:29:49,909 --> 00:29:47,120

you know is responding that way

893

00:29:51,350 --> 00:29:49,919

so i don't know why but

894

00:29:52,710 --> 00:29:51,360

things have really ramped up in the last

895

00:29:54,149 --> 00:29:52,720

few years i've been doing this for 18

896

00:29:55,750 --> 00:29:54,159

years and it's been i say really in the

897

00:29:57,430 --> 00:29:55,760

last couple that things have really

898

00:29:59,510 --> 00:29:57,440

become interesting

899

00:30:01,510 --> 00:29:59,520

from our perspective yeah i think

900

00:30:03,269 --> 00:30:01,520

overall

901
00:30:04,870 --> 00:30:03,279
for most investigators who've been doing

902
00:30:07,110 --> 00:30:04,880
this a while things have gotten a little

903
00:30:08,549 --> 00:30:07,120
more hairier the last couple years

904
00:30:11,190 --> 00:30:08,559
that's a good way to put it it's harrier

905
00:30:13,750 --> 00:30:11,200
yeah yeah it's just that um there's so

906
00:30:16,070 --> 00:30:13,760
much different stuff that's showing up

907
00:30:17,990 --> 00:30:16,080
uh that's

908
00:30:20,710 --> 00:30:18,000
just unexplained you know

909
00:30:22,950 --> 00:30:20,720
uh i mean in my instance has been these

910
00:30:25,430 --> 00:30:22,960
these pale crawler humanoids or what the

911
00:30:27,350 --> 00:30:25,440
hell they're called uh people call them

912
00:30:29,510 --> 00:30:27,360
and uh they just seem to show up in all

913
00:30:31,590 --> 00:30:29,520

kinds of different places but you know

914

00:30:34,230 --> 00:30:31,600

even the cryptids themselves

915

00:30:35,190 --> 00:30:34,240

are are kind of morphing into something

916

00:30:37,510 --> 00:30:35,200

else

917

00:30:39,269 --> 00:30:37,520

um people are talking about dog men or

918

00:30:41,029 --> 00:30:39,279

upright canines and

919

00:30:43,669 --> 00:30:41,039

we're starting to get more of these

920

00:30:45,909 --> 00:30:43,679

things that look like hyena

921

00:30:47,430 --> 00:30:45,919

you know looking hyena lake especially

922

00:30:48,470 --> 00:30:47,440

here in pennsylvania

923

00:30:50,470 --> 00:30:48,480

we've had

924

00:30:52,789 --> 00:30:50,480

we're actually looking at five cases in

925

00:30:56,789 --> 00:30:52,799

pennsylvania right now

926
00:30:58,549 --> 00:30:56,799
uh so um it's that for whatever reason

927
00:31:00,870 --> 00:30:58,559
that's been picking up

928
00:31:02,950 --> 00:31:00,880
but uh yeah it's been pretty it's been

929
00:31:04,470 --> 00:31:02,960
pretty wild but you're right you know

930
00:31:07,350 --> 00:31:04,480
all in all

931
00:31:09,029 --> 00:31:07,360
the activity has seemed to increase

932
00:31:11,430 --> 00:31:09,039
and uh

933
00:31:13,029 --> 00:31:11,440
you know i i i can't say i'm really

934
00:31:15,669 --> 00:31:13,039
surprised

935
00:31:16,549 --> 00:31:15,679
i think more people are

936
00:31:20,789 --> 00:31:16,559
you know

937
00:31:23,110 --> 00:31:20,799
are looking around and seeing things and

938
00:31:24,870 --> 00:31:23,120

not as reluctant to come forward with it

939

00:31:27,269 --> 00:31:24,880

um i don't know if that's what's been

940

00:31:29,190 --> 00:31:27,279

going on with you but uh yeah i think

941

00:31:31,430 --> 00:31:29,200

people are more open to it

942

00:31:32,710 --> 00:31:31,440

i i agree like i think part of i think

943

00:31:34,070 --> 00:31:32,720

part of it is because we were forced to

944

00:31:35,269 --> 00:31:34,080

slow down for a while so people were

945

00:31:37,029 --> 00:31:35,279

starting to pay more attention to what

946

00:31:38,549 --> 00:31:37,039

was going on around them and i think

947

00:31:40,310 --> 00:31:38,559

that made a difference

948

00:31:42,630 --> 00:31:40,320

um and i think

949

00:31:44,630 --> 00:31:42,640

there's just this energy now in general

950

00:31:46,149 --> 00:31:44,640

i think people are i think maybe because

951
00:31:48,310 --> 00:31:46,159
people are a little more anxious and

952
00:31:50,230 --> 00:31:48,320
ramped up and edgy you know what i mean

953
00:31:52,149 --> 00:31:50,240
that that's that energy is going out

954
00:31:53,669 --> 00:31:52,159
there because i think i'd almost say

955
00:31:55,190 --> 00:31:53,679
like even though it i've never felt

956
00:31:56,389 --> 00:31:55,200
threatened on any recent investigations

957
00:31:58,230 --> 00:31:56,399
everything just seems more aggressive

958
00:32:00,470 --> 00:31:58,240
like it's something is really wanting to

959
00:32:02,149 --> 00:32:00,480
to make contact in some way

960
00:32:03,669 --> 00:32:02,159
like i said that the baby yoda thing and

961
00:32:05,269 --> 00:32:03,679
the house where we're being run around

962
00:32:06,789 --> 00:32:05,279
different floors like

963
00:32:08,149 --> 00:32:06,799

i've like i said i've been doing this 18

964

00:32:10,310 --> 00:32:08,159

years i hadn't had anything like that

965

00:32:11,990 --> 00:32:10,320

for years on so many cases

966

00:32:14,070 --> 00:32:12,000

with just it was all just stuff you get

967

00:32:15,430 --> 00:32:14,080

an evp you'd see a shadow maybe you'd

968

00:32:17,830 --> 00:32:15,440

get a good picture but it just seems

969

00:32:19,350 --> 00:32:17,840

like things are just becoming more

970

00:32:22,230 --> 00:32:19,360

aggressive

971

00:32:24,389 --> 00:32:22,240

for lack of a better term well you know

972

00:32:28,230 --> 00:32:24,399

that's just it i mean is the energy

973

00:32:31,029 --> 00:32:28,240

overall ramping up to the point where

974

00:32:32,389 --> 00:32:31,039

i mean are these something that's

975

00:32:36,470 --> 00:32:32,399

from another

976

00:32:39,590 --> 00:32:36,480

existence that's coming in

977

00:32:41,830 --> 00:32:39,600

or somehow and making itself known

978

00:32:43,990 --> 00:32:41,840

as opposed to

979

00:32:46,549 --> 00:32:44,000

i i suppose that's possible

980

00:32:48,149 --> 00:32:46,559

but it does seem that we we are really

981

00:32:49,590 --> 00:32:48,159

getting

982

00:32:51,750 --> 00:32:49,600

a lot of weird just like with this

983

00:32:53,990 --> 00:32:51,760

chicago mothman stuff we've been working

984

00:32:56,070 --> 00:32:54,000

for all these years i mean that gets

985

00:32:58,230 --> 00:32:56,080

weirder and weirder as we go on i mean

986

00:33:00,630 --> 00:32:58,240

we just get more and more

987

00:33:02,070 --> 00:33:00,640

evidence that these things just are not

988

00:33:04,310 --> 00:33:02,080

here all the time you know they're

989

00:33:07,110 --> 00:33:04,320

coming in for another reality either

990

00:33:09,830 --> 00:33:07,120

another dimension and um

991

00:33:11,669 --> 00:33:09,840

you know it it's exciting it's something

992

00:33:13,350 --> 00:33:11,679

new to us but

993

00:33:16,630 --> 00:33:13,360

i mean wow it's like mind-blowing

994

00:33:18,630 --> 00:33:16,640

sometimes and uh

995

00:33:20,070 --> 00:33:18,640

you know as long as long as people keep

996

00:33:22,149 --> 00:33:20,080

reporting and we're gonna look into it

997

00:33:23,990 --> 00:33:22,159

but of course you know this is like like

998

00:33:25,909 --> 00:33:24,000

everything else we're just we're just

999

00:33:27,350 --> 00:33:25,919

getting more and more

1000

00:33:28,789 --> 00:33:27,360

um

1001
00:33:30,710 --> 00:33:28,799
that's what we've been noticing too just

1002
00:33:32,149 --> 00:33:30,720
in terms of haunting cases we've had a

1003
00:33:33,990 --> 00:33:32,159
run where we've had a really good run

1004
00:33:35,509 --> 00:33:34,000
not just like we're just getting called

1005
00:33:38,950 --> 00:33:35,519
out to people's homes and things just

1006
00:33:40,470 --> 00:33:38,960
kind of seem to be happening yeah um

1007
00:33:42,070 --> 00:33:40,480
yeah and it makes you wonder if it's

1008
00:33:43,750 --> 00:33:42,080
building to something

1009
00:33:45,430 --> 00:33:43,760
right like you know like with even the

1010
00:33:48,070 --> 00:33:45,440
chicago mothman and like you said the

1011
00:33:50,830 --> 00:33:48,080
more more dogman sightings

1012
00:33:53,430 --> 00:33:50,840
what is the the end game

1013
00:33:55,269 --> 00:33:53,440

here well that's just it i mean is there

1014

00:33:57,190 --> 00:33:55,279

an end game i mean you know people can

1015

00:33:58,710 --> 00:33:57,200

speculate about all this stuff as much

1016

00:33:59,909 --> 00:33:58,720

as they want

1017

00:34:02,149 --> 00:33:59,919

but

1018

00:34:04,630 --> 00:34:02,159

you know unless we get some evidence or

1019

00:34:07,350 --> 00:34:04,640

some indication of what may be going on

1020

00:34:10,389 --> 00:34:07,360

or why it's happening

1021

00:34:12,310 --> 00:34:10,399

yeah it's all a guess but uh yeah i mean

1022

00:34:14,069 --> 00:34:12,320

you know you gotta wonder is there is

1023

00:34:15,990 --> 00:34:14,079

there something that's gonna break loose

1024

00:34:17,829 --> 00:34:16,000

at some point

1025

00:34:19,510 --> 00:34:17,839

do you think do you think part of it is

1026

00:34:21,190 --> 00:34:19,520

the technology we have lawn where we can

1027

00:34:22,869 --> 00:34:21,200

record things easier like you know what

1028

00:34:24,310 --> 00:34:22,879

i mean like we can break out a phone and

1029

00:34:26,710 --> 00:34:24,320

shoot a picture of it so before it was

1030

00:34:29,190 --> 00:34:26,720

like i saw this moth man or whatever it

1031

00:34:30,950 --> 00:34:29,200

was and you had to tell it to somebody

1032

00:34:31,909 --> 00:34:30,960

and then the person was like [h__\h]

1033

00:34:33,270 --> 00:34:31,919

and then that would be you know what i

1034

00:34:35,510 --> 00:34:33,280

mean that would be kind of it but now

1035

00:34:37,750 --> 00:34:35,520

you can you can show a video of it or

1036

00:34:39,909 --> 00:34:37,760

send you stuff to people like yourselves

1037

00:34:41,669 --> 00:34:39,919

right well unfortunately you know in our

1038

00:34:43,430 --> 00:34:41,679

case with chicago i mean we're not

1039

00:34:45,589 --> 00:34:43,440

getting much video evidence or

1040

00:34:48,310 --> 00:34:45,599

photographic evidence because the

1041

00:34:50,550 --> 00:34:48,320

sightings are fleeting for the most part

1042

00:34:52,470 --> 00:34:50,560

uh it seems certain people can see it

1043

00:34:55,510 --> 00:34:52,480

even if they're in a crowd

1044

00:34:58,150 --> 00:34:55,520

uh are these things able to distinguish

1045

00:35:00,310 --> 00:34:58,160

or what sees them or who sees them

1046

00:35:02,710 --> 00:35:00,320

uh it's a lot of different variables

1047

00:35:04,790 --> 00:35:02,720

that you know you gotta work around but

1048

00:35:06,790 --> 00:35:04,800

um

1049

00:35:08,310 --> 00:35:06,800

i mean it is an enigma even though we

1050

00:35:11,270 --> 00:35:08,320

think we're knowing getting more and

1051
00:35:13,030 --> 00:35:11,280
more information as we go but you know i

1052
00:35:14,150 --> 00:35:13,040
guess it's like that with everything you

1053
00:35:15,109 --> 00:35:14,160
know

1054
00:35:20,069 --> 00:35:15,119
um

1055
00:35:22,310 --> 00:35:20,079
you're in a a bigfoot area people talk

1056
00:35:24,069 --> 00:35:22,320
about bigfoot we're getting more and

1057
00:35:26,150 --> 00:35:24,079
dave scott even told me about this the

1058
00:35:28,870 --> 00:35:26,160
other day that they're getting more

1059
00:35:31,990 --> 00:35:28,880
uh dog man upright k9 type sightings up

1060
00:35:33,829 --> 00:35:32,000
in that area as well so um

1061
00:35:36,230 --> 00:35:33,839
you know why is that happening i you

1062
00:35:37,430 --> 00:35:36,240
know and of course i do believe that

1063
00:35:40,470 --> 00:35:37,440

bigfoot

1064

00:35:42,470 --> 00:35:40,480

in some locations is an indigenous being

1065

00:35:44,630 --> 00:35:42,480

just like up there in the pacific

1066

00:35:45,589 --> 00:35:44,640

northwest and and maybe down florida and

1067

00:35:47,670 --> 00:35:45,599

such

1068

00:35:48,870 --> 00:35:47,680

but i think there's a possibility that

1069

00:35:50,470 --> 00:35:48,880

many of these cryptids are

1070

00:35:52,550 --> 00:35:50,480

interdimensional

1071

00:35:54,870 --> 00:35:52,560

there's even a strong belief among our

1072

00:35:57,510 --> 00:35:54,880

local indigenous tribes that it's more

1073

00:35:59,670 --> 00:35:57,520

of a paranormal being yeah then a

1074

00:36:01,670 --> 00:35:59,680

physical being right like we you know a

1075

00:36:03,190 --> 00:36:01,680

general friend i know named chris bose

1076

00:36:05,349 --> 00:36:03,200

who's an aboriginal storyteller an

1077

00:36:07,430 --> 00:36:05,359

artist like he when we'd go squatching

1078

00:36:09,589 --> 00:36:07,440

with him he'd tell us tons of stories

1079

00:36:11,990 --> 00:36:09,599

you know and bigfoot's just one just

1080

00:36:13,990 --> 00:36:12,000

just one of the many forest spirits that

1081

00:36:15,829 --> 00:36:14,000

they that they believe in i mean they're

1082

00:36:17,109 --> 00:36:15,839

big with in our area one of them is the

1083

00:36:19,349 --> 00:36:17,119

tricksters

1084

00:36:21,109 --> 00:36:19,359

which will actually try to lure you away

1085

00:36:22,790 --> 00:36:21,119

like out of your home or away from your

1086

00:36:23,829 --> 00:36:22,800

campfire by sounding like someone you

1087

00:36:26,550 --> 00:36:23,839

know

1088

00:36:28,710 --> 00:36:26,560

around the fire and then you hear like

1089

00:36:30,710 --> 00:36:28,720

your friend you know billy

1090

00:36:31,990 --> 00:36:30,720

hey you know saying hey you know jason

1091

00:36:33,430 --> 00:36:32,000

come come here come here and they're out

1092

00:36:34,550 --> 00:36:33,440

in the woods you go in the woods and the

1093

00:36:36,150 --> 00:36:34,560

voice just keeps leading you further and

1094

00:36:37,430 --> 00:36:36,160

further away until you're so far away

1095

00:36:38,870 --> 00:36:37,440

they just grab you take you and take you

1096

00:36:41,349 --> 00:36:38,880

over to the other side you're never seen

1097

00:36:43,750 --> 00:36:41,359

again right um there's a strong

1098

00:36:46,069 --> 00:36:43,760

strong kind of supernatural belief in

1099

00:36:47,910 --> 00:36:46,079

that in the area where i am right now

1100

00:36:49,270 --> 00:36:47,920

um and bigfoot's just one of many and

1101
00:36:51,910 --> 00:36:49,280
and they definitely believe that it's

1102
00:36:54,230 --> 00:36:51,920
it's not um it's not physical it's it's

1103
00:36:56,870 --> 00:36:54,240
a it's a interdimensional being of some

1104
00:36:58,470 --> 00:36:56,880
kind you know it's interesting um

1105
00:37:00,870 --> 00:36:58,480
and you know i've heard a lot of stories

1106
00:37:02,150 --> 00:37:00,880
from a lot of indigenous folks

1107
00:37:04,069 --> 00:37:02,160
uh

1108
00:37:06,870 --> 00:37:04,079
and then i've heard other stories from

1109
00:37:09,589 --> 00:37:06,880
those who from the past and um

1110
00:37:11,829 --> 00:37:09,599
you know most have told me well you know

1111
00:37:14,470 --> 00:37:11,839
bigfoot sasquatch where you want to call

1112
00:37:15,829 --> 00:37:14,480
them is like a spiritual being does

1113
00:37:17,589 --> 00:37:15,839

and um

1114

00:37:19,750 --> 00:37:17,599

then i found out something that was

1115

00:37:22,470 --> 00:37:19,760

quite interesting i thought was that the

1116

00:37:25,030 --> 00:37:22,480

um there used to be a tribe in this area

1117

00:37:26,630 --> 00:37:25,040

called the susquehannock

1118

00:37:29,670 --> 00:37:26,640

and they uh

1119

00:37:30,550 --> 00:37:29,680

and them just like all the other

1120

00:37:32,310 --> 00:37:30,560

uh

1121

00:37:33,910 --> 00:37:32,320

tribes that were in this area at one

1122

00:37:37,030 --> 00:37:33,920

point or another

1123

00:37:39,430 --> 00:37:37,040

uh they had the stories about the uh

1124

00:37:41,910 --> 00:37:39,440

about these beings as being

1125

00:37:42,950 --> 00:37:41,920

forest spirits and such

1126
00:37:45,910 --> 00:37:42,960
and

1127
00:37:47,109 --> 00:37:45,920
i actually saw a picture of a

1128
00:37:50,069 --> 00:37:47,119
shield

1129
00:37:52,310 --> 00:37:50,079
that the susquehanna used and it was

1130
00:37:53,190 --> 00:37:52,320
actually a drawing of a bigfoot

1131
00:37:54,950 --> 00:37:53,200
really

1132
00:37:57,270 --> 00:37:54,960
on the shield you know and that's the

1133
00:38:00,150 --> 00:37:57,280
first i've ever seen that

1134
00:38:02,790 --> 00:38:00,160
now so from what i understand maybe it

1135
00:38:04,790 --> 00:38:02,800
was used like a talisman or some

1136
00:38:06,950 --> 00:38:04,800
you know like that for them as a

1137
00:38:10,870 --> 00:38:06,960
protector or whatever

1138
00:38:13,349 --> 00:38:11,750

i think

1139

00:38:14,710 --> 00:38:13,359

it could be like why and why wouldn't it

1140

00:38:17,109 --> 00:38:14,720

i guess you know anything anything is

1141

00:38:18,950 --> 00:38:17,119

possible you know and just just the same

1142

00:38:20,470 --> 00:38:18,960

where like you have a lot of um

1143

00:38:22,069 --> 00:38:20,480

you know the the first nations are

1144

00:38:24,550 --> 00:38:22,079

indigenous peoples saying that they're

1145

00:38:26,390 --> 00:38:24,560

connected to the sky people like aliens

1146

00:38:28,069 --> 00:38:26,400

and they those were their ancestors and

1147

00:38:30,470 --> 00:38:28,079

they have a close relationship with them

1148

00:38:32,069 --> 00:38:30,480

so why not maybe you know maybe bigfoot

1149

00:38:33,510 --> 00:38:32,079

isn't so much an interdimensional being

1150

00:38:34,790 --> 00:38:33,520

as it's an extraterrestrial being the

1151
00:38:36,630 --> 00:38:34,800
people have been abducted by aliens and

1152
00:38:38,710 --> 00:38:36,640
seen bigfoot on spaceships right like i

1153
00:38:40,550 --> 00:38:38,720
mean it's it's all

1154
00:38:41,829 --> 00:38:40,560
it makes in a way that makes almost the

1155
00:38:43,990 --> 00:38:41,839
most sense

1156
00:38:46,390 --> 00:38:44,000
well yeah i mean i've had you know i've

1157
00:38:48,550 --> 00:38:46,400
had people who have been involved

1158
00:38:51,670 --> 00:38:48,560
habituations or

1159
00:38:53,109 --> 00:38:51,680
have had uh bigfoot creatures on their

1160
00:38:55,030 --> 00:38:53,119
their property

1161
00:38:56,470 --> 00:38:55,040
and i've had a couple tell me oh yeah i

1162
00:38:58,710 --> 00:38:56,480
saw one

1163
00:39:01,750 --> 00:38:58,720

literally walk out of a craft one time

1164

00:39:03,990 --> 00:39:01,760

you know it's like okay well

1165

00:39:05,430 --> 00:39:04,000

you know it's not any different or

1166

00:39:06,950 --> 00:39:05,440

more

1167

00:39:09,030 --> 00:39:06,960

crazy than some of the other things i've

1168

00:39:11,430 --> 00:39:09,040

heard about these things so yeah

1169

00:39:12,230 --> 00:39:11,440

it's very possible

1170

00:39:17,109 --> 00:39:12,240

um

1171

00:39:19,589 --> 00:39:17,119

have you looked into the faye folk in

1172

00:39:21,750 --> 00:39:19,599

hauntings in paranormal activity

1173

00:39:24,310 --> 00:39:21,760

you know what vince honestly no not too

1174

00:39:25,990 --> 00:39:24,320

much um and that's just an area that's

1175

00:39:27,670 --> 00:39:26,000

just sort of becoming interested in i

1176

00:39:29,670 --> 00:39:27,680

know there's a lot of people that sort

1177

00:39:31,349 --> 00:39:29,680

of look into the fey and and and that

1178

00:39:32,630 --> 00:39:31,359

but we don't have

1179

00:39:34,550 --> 00:39:32,640

in western canada it's kind of the

1180

00:39:36,870 --> 00:39:34,560

newest part of canada so there's not a

1181

00:39:38,790 --> 00:39:36,880

lot of strong connection to our roots

1182

00:39:40,310 --> 00:39:38,800

you know from from the uk or ireland or

1183

00:39:42,230 --> 00:39:40,320

anything like that so

1184

00:39:45,270 --> 00:39:42,240

there's not even that much talk about it

1185

00:39:47,190 --> 00:39:45,280

out where we are like it's it's very

1186

00:39:49,109 --> 00:39:47,200

and even in canada

1187

00:39:51,190 --> 00:39:49,119

people here just don't want to talk

1188

00:39:52,710 --> 00:39:51,200

about the paranormal that much still

1189

00:39:53,990 --> 00:39:52,720

like people are becoming more open to it

1190

00:39:55,510 --> 00:39:54,000

and i think partly because it's just

1191

00:39:57,829 --> 00:39:55,520

becoming popular with all the tv shows

1192

00:39:59,589 --> 00:39:57,839

et cetera and documentaries but you know

1193

00:40:01,030 --> 00:39:59,599

they're not there's just not this

1194

00:40:02,150 --> 00:40:01,040

connection whereas if you go to eastern

1195

00:40:03,430 --> 00:40:02,160

canada it'd probably be like certain

1196

00:40:05,349 --> 00:40:03,440

parts of the state so there's a lot more

1197

00:40:06,950 --> 00:40:05,359

talk about the fey and they embrace it a

1198

00:40:08,230 --> 00:40:06,960

lot more

1199

00:40:13,510 --> 00:40:08,240

which makes me think i'm living on the

1200

00:40:17,109 --> 00:40:14,840

yeah maybe i don't know

1201

00:40:17,910 --> 00:40:17,119

[Laughter]

1202

00:40:21,510 --> 00:40:17,920

so

1203

00:40:23,349 --> 00:40:21,520

to look into because i know there is

1204

00:40:24,870 --> 00:40:23,359

quite a correlation between the fey and

1205

00:40:27,109 --> 00:40:24,880

hauntings and the paranormal and

1206

00:40:29,109 --> 00:40:27,119

paranormal activity in general right

1207

00:40:32,150 --> 00:40:29,119

yeah um

1208

00:40:34,550 --> 00:40:32,160

jose sanchez asked but et's are physical

1209

00:40:36,150 --> 00:40:34,560

beings not spirits so it's a little

1210

00:40:37,510 --> 00:40:36,160

strange that they would be associated

1211

00:40:40,150 --> 00:40:37,520

with near-death

1212

00:40:41,670 --> 00:40:40,160

experience phenomena right

1213

00:40:43,109 --> 00:40:41,680

i don't know what do you think about

1214

00:40:44,950 --> 00:40:43,119

that it's

1215

00:40:46,230 --> 00:40:44,960

yeah like that's what i figure that that

1216

00:40:47,589 --> 00:40:46,240

they're you know a solid being but it

1217

00:40:48,950 --> 00:40:47,599

seems like these the people that are

1218

00:40:50,309 --> 00:40:48,960

having these near-death experiences and

1219

00:40:51,510 --> 00:40:50,319

especially the abduction ones it's more

1220

00:40:54,230 --> 00:40:51,520

of a

1221

00:40:57,190 --> 00:40:54,240

becomes this metaphysical experience

1222

00:40:59,430 --> 00:40:57,200

right and i i can't i haven't had one so

1223

00:41:01,510 --> 00:40:59,440

i don't know but it's

1224

00:41:02,550 --> 00:41:01,520

you're going because even like even

1225

00:41:05,349 --> 00:41:02,560

people that have these near-death

1226

00:41:07,430 --> 00:41:05,359

experiences like the beings to them are

1227

00:41:10,550 --> 00:41:07,440

are are so that they encounter on the

1228

00:41:12,870 --> 00:41:10,560

other side seem very much like you and i

1229

00:41:14,550 --> 00:41:12,880

um like they're there like it's you know

1230

00:41:15,910 --> 00:41:14,560

you could physically reach out and touch

1231

00:41:17,910 --> 00:41:15,920

them yeah

1232

00:41:19,109 --> 00:41:17,920

i mean i mean you know they're just yeah

1233

00:41:22,390 --> 00:41:19,119

they're

1234

00:41:25,270 --> 00:41:22,400

yeah exactly um

1235

00:41:26,309 --> 00:41:25,280

i i guess they are you know i i had an

1236

00:41:29,829 --> 00:41:26,319

encounter

1237

00:41:31,829 --> 00:41:29,839

induction and

1238

00:41:34,630 --> 00:41:31,839

when i went through that

1239

00:41:36,870 --> 00:41:34,640

the three tall beings that

1240

00:41:38,950 --> 00:41:36,880

i had an encounter with were

1241

00:41:40,550 --> 00:41:38,960

they looked like they were

1242

00:41:42,950 --> 00:41:40,560

real i mean they didn't look like they

1243

00:41:44,950 --> 00:41:42,960

were some type of

1244

00:41:47,589 --> 00:41:44,960

manifestation of some type of

1245

00:41:49,430 --> 00:41:47,599

non-ethical being

1246

00:41:50,630 --> 00:41:49,440

same and i've even know know people who

1247

00:41:52,870 --> 00:41:50,640

have had encounters with i think it was

1248

00:41:55,030 --> 00:41:52,880

even tim weisberg with midnight to say

1249

00:41:56,150 --> 00:41:55,040

tim weisbach you mentioned he had a

1250

00:41:57,829 --> 00:41:56,160

encounter with a ghost where he could

1251

00:41:59,510 --> 00:41:57,839

actually physically touch it is that

1252

00:42:01,190 --> 00:41:59,520

right that's what he said yeah like you

1253

00:42:03,750 --> 00:42:01,200

could almost physically touch this

1254

00:42:05,030 --> 00:42:03,760

spirit um and i mean there's got to be

1255

00:42:06,390 --> 00:42:05,040

something to that because you do hear of

1256

00:42:08,630 --> 00:42:06,400

people being like actually physically

1257

00:42:09,990 --> 00:42:08,640

moved by spirits for sure what i mean

1258

00:42:12,230 --> 00:42:10,000

i've even had an experience where i

1259

00:42:13,910 --> 00:42:12,240

wasn't physically moved but one was on

1260

00:42:16,230 --> 00:42:13,920

like i was opening a door in this tunnel

1261

00:42:17,910 --> 00:42:16,240

system at an abandoned asylum there's no

1262

00:42:19,190 --> 00:42:17,920

way the door had a there's no pressure

1263

00:42:21,349 --> 00:42:19,200

you could grab and it would just swing

1264

00:42:22,710 --> 00:42:21,359

freely i pulled it open and something on

1265

00:42:24,309 --> 00:42:22,720

the other side that door grabbed it and

1266

00:42:26,470 --> 00:42:24,319

pulled it closed with such force that i

1267

00:42:28,309 --> 00:42:26,480

was pulled off my feet and i'm 6-1 at

1268

00:42:29,670 --> 00:42:28,319

the time weighed like 200 pounds

1269

00:42:31,270 --> 00:42:29,680

so that's got to be some kind of

1270

00:42:33,030 --> 00:42:31,280

manifestation of some kind of physical

1271

00:42:35,349 --> 00:42:33,040

energy to do that

1272

00:42:37,510 --> 00:42:35,359

so i think

1273

00:42:39,270 --> 00:42:37,520

all this stuff maybe can become physical

1274

00:42:42,150 --> 00:42:39,280

or non-physical non-corporeal however

1275

00:42:44,309 --> 00:42:42,160

you want it almost at will

1276

00:42:46,309 --> 00:42:44,319

yeah i think you're right absolutely i

1277

00:42:48,150 --> 00:42:46,319

think you're right about that um you

1278

00:42:49,910 --> 00:42:48,160

know you hear about poltergeist cases

1279

00:42:51,270 --> 00:42:49,920

and even though for the most part

1280

00:42:53,589 --> 00:42:51,280

they're just

1281

00:42:56,309 --> 00:42:53,599

uh thought forms or tulpas for the most

1282

00:42:58,470 --> 00:42:56,319

part but they do seem to sometimes

1283

00:43:02,230 --> 00:42:58,480

manifest into something

1284

00:43:03,750 --> 00:43:02,240

more than non-corporal i mean you know

1285

00:43:06,230 --> 00:43:03,760

oh yeah like the enemies move things

1286

00:43:09,270 --> 00:43:06,240

around they touch people they

1287

00:43:11,589 --> 00:43:09,280

physically touch people and

1288

00:43:13,109 --> 00:43:11,599

yeah i mean absolutely

1289

00:43:14,150 --> 00:43:13,119

people have been slapped by them you

1290

00:43:17,430 --> 00:43:14,160

know

1291

00:43:18,950 --> 00:43:17,440

thrown they have chairs moved their beds

1292

00:43:20,309 --> 00:43:18,960

lifted up like that

1293

00:43:21,510 --> 00:43:20,319

that's not

1294

00:43:23,109 --> 00:43:21,520

even if you can't see it there's

1295

00:43:24,950 --> 00:43:23,119

something there that can move that and

1296

00:43:27,349 --> 00:43:24,960

that's a that's like a to me a physical

1297

00:43:29,990 --> 00:43:27,359

form of energy absolutely it's some type

1298

00:43:32,309 --> 00:43:30,000

of force that's got yeah the ability to

1299

00:43:33,910 --> 00:43:32,319

um yeah to manifest into something

1300

00:43:35,750 --> 00:43:33,920

possibly real

1301

00:43:38,069 --> 00:43:35,760

um

1302

00:43:40,390 --> 00:43:38,079

have you ever from from vince have you

1303

00:43:43,270 --> 00:43:40,400

ever experienced shadow beings shadow

1304

00:43:44,630 --> 00:43:43,280

creatures oh yeah yeah no i i like

1305

00:43:45,910 --> 00:43:44,640

that's actually where i am right now

1306

00:43:47,829 --> 00:43:45,920

where i live that's almost the the

1307

00:43:49,750 --> 00:43:47,839

majority of what we have going on here

1308

00:43:52,630 --> 00:43:49,760

is that right shadow beings what are

1309

00:43:55,270 --> 00:43:52,640

your thoughts on those

1310

00:43:57,349 --> 00:43:55,280

it's to me i mean

1311

00:43:59,190 --> 00:43:57,359

it it's either a different form of a

1312

00:44:00,710 --> 00:43:59,200

spirit or

1313

00:44:02,309 --> 00:44:00,720

it could be something like i'm a big

1314

00:44:05,430 --> 00:44:02,319

becoming a big believer in the whole

1315

00:44:07,190 --> 00:44:05,440

multiverse theory idea well yeah you

1316

00:44:08,470 --> 00:44:07,200

know that it's something that something

1317

00:44:10,870 --> 00:44:08,480

did that to me if it's anything's

1318

00:44:12,550 --> 00:44:10,880

interdimensional it's more of a shadow

1319

00:44:13,990 --> 00:44:12,560

being i think they're beings from

1320

00:44:15,750 --> 00:44:14,000

somewhere else because they're more than

1321

00:44:17,510 --> 00:44:15,760

a ghost they're not a

1322

00:44:18,309 --> 00:44:17,520

ghost they don't seem to haunt but

1323

00:44:20,790 --> 00:44:18,319

they're

1324

00:44:22,790 --> 00:44:20,800

um

1325

00:44:24,550 --> 00:44:22,800

but yeah i beyond that i don't have too

1326
00:44:26,470 --> 00:44:24,560
much thought on what it could be i just

1327
00:44:28,630 --> 00:44:26,480
know i've seen one and it's just bizarre

1328
00:44:30,630 --> 00:44:28,640
like it's it's bizarre and it was the

1329
00:44:31,990 --> 00:44:30,640
one i saw i was sitting on the floor

1330
00:44:34,470 --> 00:44:32,000
listening to music

1331
00:44:36,550 --> 00:44:34,480
downstairs here and i felt

1332
00:44:37,750 --> 00:44:36,560
a presence behind me

1333
00:44:39,190 --> 00:44:37,760
so i turned and looked and it was

1334
00:44:40,550 --> 00:44:39,200
standing there it was a shadow it was

1335
00:44:41,829 --> 00:44:40,560
tall and thin almost like what a gray

1336
00:44:43,109 --> 00:44:41,839
would look like

1337
00:44:44,790 --> 00:44:43,119
although featureless it was just a

1338
00:44:46,710 --> 00:44:44,800

shadow we looked at each other and then

1339

00:44:48,790 --> 00:44:46,720

it turned and it ran

1340

00:44:49,990 --> 00:44:48,800

but not like it ran so fast it was

1341

00:44:51,990 --> 00:44:50,000

almost just like a blur just

1342

00:44:54,390 --> 00:44:52,000

disappearing but i saw it turn and run

1343

00:44:56,390 --> 00:44:54,400

but it almost like speed it sped up in

1344

00:44:57,270 --> 00:44:56,400

some way like time sped up

1345

00:44:59,349 --> 00:44:57,280

um

1346

00:45:00,390 --> 00:44:59,359

and that was just quite alarming to see

1347

00:45:02,950 --> 00:45:00,400

that it wasn't even you know it was like

1348

00:45:05,349 --> 00:45:02,960

you know nine o'clock at night

1349

00:45:07,910 --> 00:45:05,359

basement so you know the um

1350

00:45:09,910 --> 00:45:07,920

the shadow beings that i've

1351
00:45:11,589 --> 00:45:09,920
encountered

1352
00:45:13,510 --> 00:45:11,599
working with clients

1353
00:45:15,430 --> 00:45:13,520
they just seem to be feeders to me i

1354
00:45:16,710 --> 00:45:15,440
mean they're just um

1355
00:45:18,870 --> 00:45:16,720
i don't i don't think there's any

1356
00:45:21,190 --> 00:45:18,880
connection to any real spirits or

1357
00:45:23,829 --> 00:45:21,200
anything that once was living

1358
00:45:26,950 --> 00:45:23,839
uh i i think there's a good possibility

1359
00:45:29,190 --> 00:45:26,960
maybe extraterrestrial or some type of

1360
00:45:31,510 --> 00:45:29,200
you know you said multiverse maybe some

1361
00:45:33,750 --> 00:45:31,520
type of interdimensional being

1362
00:45:35,510 --> 00:45:33,760
but yeah they seem to feed off a life

1363
00:45:38,390 --> 00:45:35,520

force they seem to

1364

00:45:40,390 --> 00:45:38,400

to gather energy from locations where

1365

00:45:41,510 --> 00:45:40,400

there's a lot of dysfunction

1366

00:45:43,990 --> 00:45:41,520

death

1367

00:45:46,630 --> 00:45:44,000

illness or something to that effect

1368

00:45:47,910 --> 00:45:46,640

yeah and a horizontal to get rid of

1369

00:45:49,829 --> 00:45:47,920

well yeah

1370

00:45:51,270 --> 00:45:49,839

exactly and it's

1371

00:45:53,109 --> 00:45:51,280

you know which

1372

00:45:54,630 --> 00:45:53,119

i like the feeding idea because they do

1373

00:45:56,309 --> 00:45:54,640

seem to be associated with certain or

1374

00:45:58,069 --> 00:45:56,319

people who are interested in a bad place

1375

00:45:59,430 --> 00:45:58,079

i know when i had my experience i was as

1376
00:46:00,950 --> 00:45:59,440
a crime journalist so i was seeing

1377
00:46:02,470 --> 00:46:00,960
horrible stuff all the time and it was

1378
00:46:04,230 --> 00:46:02,480
scary

1379
00:46:05,430 --> 00:46:04,240
so that's that's when i saw them the

1380
00:46:06,550 --> 00:46:05,440
most and when they kind of reappeared

1381
00:46:07,990 --> 00:46:06,560
was around the time that my mother

1382
00:46:09,990 --> 00:46:08,000
passed away you know what i mean and

1383
00:46:12,069 --> 00:46:10,000
then that kind of thing so i think

1384
00:46:13,349 --> 00:46:12,079
definitely that i like i don't like that

1385
00:46:15,270 --> 00:46:13,359
idea but that's the thing that makes the

1386
00:46:17,349 --> 00:46:15,280
most sense to me as food they're not but

1387
00:46:18,470 --> 00:46:17,359
i don't see them as a soup as a as a as

1388
00:46:19,349 --> 00:46:18,480

a ghost or anything like that and i

1389

00:46:21,990 --> 00:46:19,359

don't think they're anything that's

1390

00:46:22,870 --> 00:46:22,000

that's lived on this earth ever no i

1391

00:46:24,309 --> 00:46:22,880

don't know

1392

00:46:26,069 --> 00:46:24,319

the term demon around because that's a

1393

00:46:27,430 --> 00:46:26,079

loaded loaded thing i think it's even

1394

00:46:28,950 --> 00:46:27,440

different from that phenomenon about

1395

00:46:29,750 --> 00:46:28,960

phenomenon's even real you know what i

1396

00:46:31,190 --> 00:46:29,760

mean

1397

00:46:33,589 --> 00:46:31,200

i think you're like me because you know

1398

00:46:35,829 --> 00:46:33,599

i i believe evil is evil and the you the

1399

00:46:39,109 --> 00:46:35,839

term of demon

1400

00:46:40,470 --> 00:46:39,119

uh well you know it's malevolent

1401

00:46:43,349 --> 00:46:40,480

people like to use a lot of different

1402

00:46:45,270 --> 00:46:43,359

phrases for bad things but yeah i i

1403

00:46:47,670 --> 00:46:45,280

think shadow beings come as close to

1404

00:46:49,510 --> 00:46:47,680

that as anything yeah

1405

00:46:51,030 --> 00:46:49,520

yeah no exactly and in our field we call

1406

00:46:52,710 --> 00:46:51,040

them negative hauntings instead of like

1407

00:46:55,829 --> 00:46:52,720

a demonic haunting it's just right just

1408

00:46:57,589 --> 00:46:55,839

negative energy you know like i think

1409

00:46:59,349 --> 00:46:57,599

that's become more of a tv thing that's

1410

00:47:00,950 --> 00:46:59,359

given the term demon

1411

00:47:03,910 --> 00:47:00,960

prominent yeah

1412

00:47:05,349 --> 00:47:03,920

yeah i i i've just never liked that word

1413

00:47:07,430 --> 00:47:05,359

i mean

1414

00:47:10,950 --> 00:47:07,440

you know i've talked to people who do

1415

00:47:13,430 --> 00:47:10,960

exorcisms or do

1416

00:47:16,470 --> 00:47:13,440

deliverances and stuff and that word

1417

00:47:18,390 --> 00:47:16,480

demon comes up it just kind of

1418

00:47:21,270 --> 00:47:18,400

i don't know have you ever seen a demon

1419

00:47:22,230 --> 00:47:21,280

oh yeah well i'm glad you had because i

1420

00:47:24,630 --> 00:47:22,240

haven't

1421

00:47:26,150 --> 00:47:24,640

you know i i've seen a lot of bad things

1422

00:47:28,790 --> 00:47:26,160

but something

1423

00:47:30,790 --> 00:47:28,800

is it you know is it really a demon

1424

00:47:33,030 --> 00:47:30,800

i mean what the hell is a demon

1425

00:47:34,470 --> 00:47:33,040

no i know that it's bad

1426

00:47:36,150 --> 00:47:34,480

peter's the same he's been doing this

1427

00:47:37,670 --> 00:47:36,160

for almost 30 years all over the world

1428

00:47:39,510 --> 00:47:37,680

and he's not seen anything resembling

1429

00:47:41,190 --> 00:47:39,520

anything demonic and he even does work

1430

00:47:42,870 --> 00:47:41,200

for an ordained exorcist and out of the

1431

00:47:44,470 --> 00:47:42,880

ten years he's done work for them yeah

1432

00:47:46,309 --> 00:47:44,480

it's just investigators maybe had one

1433

00:47:48,069 --> 00:47:46,319

case maybe where it could have been

1434

00:47:49,510 --> 00:47:48,079

something that could have led to that's

1435

00:47:51,990 --> 00:47:49,520

how he describes it it's not like even a

1436

00:47:53,270 --> 00:47:52,000

defined oh yeah is possession here you

1437

00:47:55,910 --> 00:47:53,280

know what i mean it's like maybe

1438

00:47:57,190 --> 00:47:55,920

possibly could bleed that way exactly

1439

00:47:59,510 --> 00:47:57,200

potentially

1440

00:48:02,150 --> 00:47:59,520

that sort of thing so

1441

00:48:04,069 --> 00:48:02,160

uh we're nighthawks that asked uh we're

1442

00:48:06,790 --> 00:48:04,079

stated some of the dogman cryptid

1443

00:48:09,750 --> 00:48:06,800

creatures are supernatural more than

1444

00:48:11,430 --> 00:48:09,760

likely demonic sources so

1445

00:48:13,589 --> 00:48:11,440

i mean that's his statement so i don't

1446

00:48:15,750 --> 00:48:13,599

know if that what you think about that

1447

00:48:17,829 --> 00:48:15,760

you know i like i said again

1448

00:48:19,910 --> 00:48:17,839

um

1449

00:48:22,230 --> 00:48:19,920

it can be supernatural i mean is it

1450

00:48:23,750 --> 00:48:22,240

demonic it's just bad you know i think

1451

00:48:25,510 --> 00:48:23,760

some of them are bad

1452

00:48:26,950 --> 00:48:25,520

i think so i think it's the same with

1453

00:48:28,870 --> 00:48:26,960

goat like like with ghosts that are

1454

00:48:30,790 --> 00:48:28,880

actual spirits of people who've passed

1455

00:48:32,829 --> 00:48:30,800

on some if you were a good person your

1456

00:48:35,349 --> 00:48:32,839

ghosts probably going to be a good ghost

1457

00:48:36,549 --> 00:48:35,359

absolutely the traits do follow yeah

1458

00:48:38,069 --> 00:48:36,559

right like

1459

00:48:39,349 --> 00:48:38,079

that that's just it and i think yeah i

1460

00:48:41,750 --> 00:48:39,359

agree with you that dog men and those

1461

00:48:43,270 --> 00:48:41,760

kind of cryptic creatures

1462

00:48:45,430 --> 00:48:43,280

if there's if there's a super if they're

1463

00:48:48,870 --> 00:48:45,440

supernatural in origin which i i think

1464

00:48:49,589 --> 00:48:48,880

something like a dog man would be um it

1465

00:48:57,190 --> 00:48:49,599

would

1466

00:48:59,270 --> 00:48:57,200

probably just do whatever they do seem

1467

00:49:01,270 --> 00:48:59,280

to be more vicious like the stories seem

1468

00:49:02,790 --> 00:49:01,280

to center much more on negative

1469

00:49:04,710 --> 00:49:02,800

encounters than anything else whereas

1470

00:49:06,069 --> 00:49:04,720

bigfoot had had its mix of negative and

1471

00:49:08,870 --> 00:49:06,079

positive

1472

00:49:10,470 --> 00:49:08,880

dogments definitely been more

1473

00:49:11,910 --> 00:49:10,480

uh like almost like werewolf encounters

1474

00:49:13,750 --> 00:49:11,920

it's just some vicious animal in the

1475

00:49:16,470 --> 00:49:13,760

woods kind of thing yeah they they kind

1476

00:49:18,470 --> 00:49:16,480

of stand their ground and uh they don't

1477

00:49:21,030 --> 00:49:18,480

seem like they're too fearful much but

1478

00:49:23,030 --> 00:49:21,040

you know i've heard people say that

1479

00:49:25,349 --> 00:49:23,040

uh you know you hear about this mind

1480

00:49:28,549 --> 00:49:25,359

speak phenomena or infrasound like these

1481

00:49:30,870 --> 00:49:28,559

things can kind of back people off

1482

00:49:32,870 --> 00:49:30,880

maybe they do have a specific type of

1483

00:49:34,150 --> 00:49:32,880

ability to do something that as opposed

1484

00:49:35,510 --> 00:49:34,160

you know even people talk about that

1485

00:49:37,430 --> 00:49:35,520

with bigfoot

1486

00:49:39,750 --> 00:49:37,440

so um maybe that's something they

1487

00:49:41,510 --> 00:49:39,760

perfected to a

1488

00:49:43,190 --> 00:49:41,520

a bigger degree i mean we hear about

1489

00:49:45,750 --> 00:49:43,200

that with these mothman sightings in

1490

00:49:48,549 --> 00:49:45,760

chicago where uh you know people are

1491

00:49:51,829 --> 00:49:48,559

kind of talked into just or s

1492

00:49:53,510 --> 00:49:51,839

told to just back off and um

1493

00:49:54,549 --> 00:49:53,520

have lost

1494

00:49:56,870 --> 00:49:54,559

physical

1495

00:49:59,109 --> 00:49:56,880

sense of their legs i mean they drop to

1496

00:50:00,470 --> 00:49:59,119

the ground sometimes

1497

00:50:02,710 --> 00:50:00,480

there's lots of bigfoot that have been

1498

00:50:04,950 --> 00:50:02,720

reported that way right like you know i

1499

00:50:07,270 --> 00:50:04,960

mean i've even been out in the woods

1500

00:50:09,190 --> 00:50:07,280

at a cabin in local cabin

1501
00:50:10,870 --> 00:50:09,200
in one moment everything's fine you know

1502
00:50:12,150 --> 00:50:10,880
we're in bigfoot country the next moment

1503
00:50:13,190 --> 00:50:12,160
like it's like all the hairs go up on

1504
00:50:14,150 --> 00:50:13,200
the back of my neck and i get this

1505
00:50:15,430 --> 00:50:14,160
feeling of dread it's like you know i

1506
00:50:16,390 --> 00:50:15,440
gotta go i shouldn't be here anymore

1507
00:50:18,470 --> 00:50:16,400
it's time to leave and i've had that

1508
00:50:19,910 --> 00:50:18,480
happen twice it's what you know more

1509
00:50:21,589 --> 00:50:19,920
than 30 years i was going to this place

1510
00:50:23,990 --> 00:50:21,599
like you know you just listen i'm like

1511
00:50:25,109 --> 00:50:24,000
okay i'm going home

1512
00:50:26,549 --> 00:50:25,119
so i don't want to be here in case

1513
00:50:27,510 --> 00:50:26,559

something shows up

1514

00:50:30,230 --> 00:50:27,520

uh

1515

00:50:33,670 --> 00:50:30,240

moon medicine force ass ever experienced

1516

00:50:35,349 --> 00:50:33,680

a spirit hologram before like a snapshot

1517

00:50:37,270 --> 00:50:35,359

out of time

1518

00:50:38,710 --> 00:50:37,280

oh

1519

00:50:40,470 --> 00:50:38,720

yeah like i

1520

00:50:41,829 --> 00:50:40,480

we've that like a couple pictures that

1521

00:50:43,430 --> 00:50:41,839

we've received

1522

00:50:44,950 --> 00:50:43,440

or that we've taken at different

1523

00:50:46,230 --> 00:50:44,960

locations have definitely looked like

1524

00:50:48,470 --> 00:50:46,240

something

1525

00:50:50,390 --> 00:50:48,480

that wasn't from the present time period

1526

00:50:52,390 --> 00:50:50,400

it looked like sort of you know

1527

00:50:53,910 --> 00:50:52,400

clothing from like the 1800s and this

1528

00:50:55,109 --> 00:50:53,920

was in the gold plates which would make

1529

00:50:56,870 --> 00:50:55,119

sense that's when the gold rush would

1530

00:50:58,230 --> 00:50:56,880

happen as frontier times where in the

1531

00:51:00,870 --> 00:50:58,240

picture it definitely looked like the

1532

00:51:02,309 --> 00:51:00,880

clothing was was not of our time period

1533

00:51:03,829 --> 00:51:02,319

but that'd be the closest to like sort

1534

00:51:05,109 --> 00:51:03,839

of a hologram kind of thing i haven't

1535

00:51:07,430 --> 00:51:05,119

seen something kind of appear in front

1536

00:51:08,870 --> 00:51:07,440

of me that's looked looked like that

1537

00:51:10,710 --> 00:51:08,880

you know it does it does seem to be

1538

00:51:12,950 --> 00:51:10,720

places with a lot of energy or a lot of

1539

00:51:15,349 --> 00:51:12,960

activity occurred at one point doesn't

1540

00:51:17,270 --> 00:51:15,359

seem to have a lot of glitchy

1541

00:51:19,829 --> 00:51:17,280

phenomena where maybe we'll get

1542

00:51:22,309 --> 00:51:19,839

flashbacks i'm not necessarily saying

1543

00:51:24,549 --> 00:51:22,319

it's a dimensional thing but i think

1544

00:51:27,030 --> 00:51:24,559

there's an energy that kind of

1545

00:51:29,030 --> 00:51:27,040

crosses back and forth

1546

00:51:29,910 --> 00:51:29,040

to where people can see certain things

1547

00:51:31,510 --> 00:51:29,920

um

1548

00:51:33,270 --> 00:51:31,520

i can't say i've ever experienced that

1549

00:51:35,910 --> 00:51:33,280

but i've talked to people who said they

1550

00:51:37,589 --> 00:51:35,920

have mm-hmm

1551
00:51:39,349 --> 00:51:37,599
the closest is at a place where we've

1552
00:51:41,190 --> 00:51:39,359
investigated a residential school the

1553
00:51:43,589 --> 00:51:41,200
same sort of event would repeat itself

1554
00:51:45,589 --> 00:51:43,599
always at this in the same location

1555
00:51:48,309 --> 00:51:45,599
at like you know midnight you can hear

1556
00:51:49,990 --> 00:51:48,319
running down the fire escape always

1557
00:51:51,190 --> 00:51:50,000
this corner of the building at midnight

1558
00:51:53,109 --> 00:51:51,200
and it just sounded like it was

1559
00:51:54,470 --> 00:51:53,119
something replaying from the time that

1560
00:51:57,030 --> 00:51:54,480
this facility was open and someone was

1561
00:51:58,630 --> 00:51:57,040
probably running down those stairs yeah

1562
00:52:00,710 --> 00:51:58,640
that's like where i'm at i mean i'm not

1563
00:52:01,990 --> 00:52:00,720

far from gettysburg and i've been on the

1564

00:52:04,710 --> 00:52:02,000

battlefield

1565

00:52:07,030 --> 00:52:04,720

most of my life and uh most of that is

1566

00:52:09,109 --> 00:52:07,040

just residual or just kind of

1567

00:52:11,270 --> 00:52:09,119

energy that kind of pops back up but at

1568

00:52:12,870 --> 00:52:11,280

certain time there's certain plays i

1569

00:52:13,910 --> 00:52:12,880

mean occasionally you do get something

1570

00:52:16,950 --> 00:52:13,920

that's

1571

00:52:18,470 --> 00:52:16,960

still out there but not as much as maybe

1572

00:52:19,910 --> 00:52:18,480

at one point

1573

00:52:22,150 --> 00:52:19,920

but uh yeah that's what people

1574

00:52:24,230 --> 00:52:22,160

experience out there a lot

1575

00:52:25,510 --> 00:52:24,240

makes sense it's a scene of intense

1576
00:52:26,710 --> 00:52:25,520
trauma right

1577
00:52:28,790 --> 00:52:26,720
that's gonna leave it that's gonna leave

1578
00:52:30,230 --> 00:52:28,800
an impact and something in the ground

1579
00:52:32,230 --> 00:52:30,240
yeah yeah

1580
00:52:33,829 --> 00:52:32,240
uh james west wants to know have you

1581
00:52:35,190 --> 00:52:33,839
ever had a personal experience with a

1582
00:52:35,990 --> 00:52:35,200
dog man

1583
00:52:43,510 --> 00:52:36,000
no

1584
00:52:45,750 --> 00:52:43,520
little about yeah in my area what we we

1585
00:52:47,589 --> 00:52:45,760
get here is it is more the traditional

1586
00:52:48,870 --> 00:52:47,599
bigfoot sighting

1587
00:52:49,750 --> 00:52:48,880
and then sometimes like we say these

1588
00:52:51,750 --> 00:52:49,760

other

1589

00:52:54,230 --> 00:52:51,760

forest spirit trickster things going on

1590

00:52:55,589 --> 00:52:54,240

but bigfoot's the big thing here

1591

00:52:57,349 --> 00:52:55,599

um yeah i would i don't know what i'd

1592

00:53:01,109 --> 00:52:57,359

love to have a dog man experience i

1593

00:53:03,910 --> 00:53:02,549

i'm telling you some of the stories i

1594

00:53:05,349 --> 00:53:03,920

hear around here

1595

00:53:06,950 --> 00:53:05,359

no way in hell i want to have big

1596

00:53:08,069 --> 00:53:06,960

encounter having a close account one of

1597

00:53:11,109 --> 00:53:08,079

those things

1598

00:53:13,589 --> 00:53:11,119

uh you know if it's at a distance i

1599

00:53:15,109 --> 00:53:13,599

see it okay there it is i i see it now

1600

00:53:16,390 --> 00:53:15,119

i'll do the extent of mine and i'm in my

1601
00:53:20,230 --> 00:53:16,400
truck and i'm ready to go and it's like

1602
00:53:24,150 --> 00:53:22,230
yeah i'm worth it brother i mean no way

1603
00:53:26,230 --> 00:53:24,160
how i want to have any deals or all

1604
00:53:32,230 --> 00:53:26,240
those things like i said but nice to see

1605
00:53:37,270 --> 00:53:35,190
uh jose asked um

1606
00:53:39,910 --> 00:53:37,280
technology definitely has had an impact

1607
00:53:42,950 --> 00:53:39,920
on the paranormal field i guess to some

1608
00:53:44,710 --> 00:53:42,960
degree it has i mean um

1609
00:53:47,510 --> 00:53:44,720
you know there's so many gadgets out

1610
00:53:49,510 --> 00:53:47,520
there now i i guess it can only but help

1611
00:53:51,190 --> 00:53:49,520
at some point just so it's not giving us

1612
00:53:53,589 --> 00:53:51,200
false readings

1613
00:53:55,990 --> 00:53:53,599

but um i i don't trust like the any of

1614

00:53:58,390 --> 00:53:56,000

the apps like at all oh me neither

1615

00:53:59,990 --> 00:53:58,400

there's no way i tried one once i got

1616

00:54:01,910 --> 00:54:00,000

one evp and then it told me i needed to

1617

00:54:04,069 --> 00:54:01,920

subscribe for 5.99 a month so i was like

1618

00:54:06,069 --> 00:54:04,079

i deleted it immediately from my phone

1619

00:54:08,549 --> 00:54:06,079

we just stick with digital recorders

1620

00:54:10,309 --> 00:54:08,559

motion cameras like the laser grid and

1621

00:54:11,990 --> 00:54:10,319

we'll do we'll use rem pods you know

1622

00:54:14,390 --> 00:54:12,000

just like just a

1623

00:54:16,309 --> 00:54:14,400

is a hope but in the spirit box we use

1624

00:54:18,230 --> 00:54:16,319

that quite a bit as well lately but we

1625

00:54:19,829 --> 00:54:18,240

even then we find it

1626

00:54:22,230 --> 00:54:19,839

there's too many opportunities for a

1627

00:54:23,990 --> 00:54:22,240

false a false positive like in terms of

1628

00:54:25,750 --> 00:54:24,000

because the radio chatter like if you

1629

00:54:27,030 --> 00:54:25,760

get a good old-fashioned evp recorded on

1630

00:54:29,349 --> 00:54:27,040

a digital recorder or even an old

1631

00:54:31,430 --> 00:54:29,359

reel-to-reel that holds a lot more

1632

00:54:33,829 --> 00:54:31,440

weight i've gotten my best ones from

1633

00:54:36,390 --> 00:54:33,839

those things absolutely

1634

00:54:38,710 --> 00:54:36,400

yeah um

1635

00:54:41,510 --> 00:54:38,720

william nighthawk has lana you must

1636

00:54:43,589 --> 00:54:41,520

think of big brother as elementary

1637

00:54:45,030 --> 00:54:43,599

elemental being able to walk in both

1638

00:54:47,750 --> 00:54:45,040

worlds i think he's talking about

1639

00:54:49,990 --> 00:54:47,760

sasquatch yeah i think they do i mean i

1640

00:54:52,230 --> 00:54:50,000

think they i think they walk in a lot of

1641

00:54:54,470 --> 00:54:52,240

different worlds to be honest with you

1642

00:54:56,230 --> 00:54:54,480

for sure yeah i i think that's

1643

00:54:57,109 --> 00:54:56,240

absolutely true

1644

00:54:58,630 --> 00:54:57,119

yeah

1645

00:54:59,829 --> 00:54:58,640

that's and that's the best way to like

1646

00:55:01,430 --> 00:54:59,839

people like well why haven't we found a

1647

00:55:03,109 --> 00:55:01,440

body and why when why don't we see it

1648

00:55:05,910 --> 00:55:03,119

more often because it's not here all the

1649

00:55:07,829 --> 00:55:05,920

time exactly that's how i look at it

1650

00:55:09,910 --> 00:55:07,839

yeah i i think that you know and then

1651

00:55:11,750 --> 00:55:09,920

people and you hear all this the

1652

00:55:14,069 --> 00:55:11,760

scientific

1653

00:55:17,430 --> 00:55:14,079

uh malarkey about ah we're only going to

1654

00:55:18,549 --> 00:55:17,440

be able to prove it if we get a body or

1655

00:55:20,870 --> 00:55:18,559

anything

1656

00:55:22,390 --> 00:55:20,880

any physical evidence well yeah that's

1657

00:55:24,069 --> 00:55:22,400

nice to see it but

1658

00:55:26,390 --> 00:55:24,079

when's that going to happen

1659

00:55:27,750 --> 00:55:26,400

uh that probably will never happen i

1660

00:55:29,589 --> 00:55:27,760

doubt it'll happen

1661

00:55:30,549 --> 00:55:29,599

i i agree it's it's one of those things

1662

00:55:32,230 --> 00:55:30,559

even like

1663

00:55:33,990 --> 00:55:32,240

like you look at when nids did their

1664

00:55:36,150 --> 00:55:34,000

their big you know multi-year thing out

1665

00:55:37,990 --> 00:55:36,160

at skinwalker ranch right like you had

1666

00:55:39,510 --> 00:55:38,000

people who are highly trained scientists

1667

00:55:40,870 --> 00:55:39,520

seeing things

1668

00:55:42,549 --> 00:55:40,880

but their equipment their cameras

1669

00:55:44,150 --> 00:55:42,559

wouldn't pick it up they'd be like these

1670

00:55:45,829 --> 00:55:44,160

blobs on the camera it wouldn't look

1671

00:55:47,430 --> 00:55:45,839

like they would report seeing having

1672

00:55:49,109 --> 00:55:47,440

read the book

1673

00:55:50,470 --> 00:55:49,119

the portals open and things walking

1674

00:55:51,670 --> 00:55:50,480

through it but all the camera got was

1675

00:55:53,430 --> 00:55:51,680

suddenly this orange light appeared on

1676
00:55:55,990 --> 00:55:53,440
this camera and it didn't pick anything

1677
00:55:57,349 --> 00:55:56,000
up i think this phenomena doesn't work

1678
00:55:59,109 --> 00:55:57,359
the way that

1679
00:56:00,870 --> 00:55:59,119
people think it should work you know

1680
00:56:02,870 --> 00:56:00,880
what i mean or want it to work you're

1681
00:56:04,470 --> 00:56:02,880
not just always going to get it with a

1682
00:56:06,950 --> 00:56:04,480
video camera or

1683
00:56:08,470 --> 00:56:06,960
recreate it in a lab it's beyond that

1684
00:56:11,510 --> 00:56:08,480
yeah i agree with you

1685
00:56:14,630 --> 00:56:11,520
uh

1686
00:56:17,270 --> 00:56:14,640
maury gotti asked do you do anything to

1687
00:56:20,230 --> 00:56:17,280
protect yourself from negative energy

1688
00:56:23,030 --> 00:56:20,240

oh yeah like i i mean i meditate daily

1689

00:56:24,789 --> 00:56:23,040

i do grounding exercises several times a

1690

00:56:26,390 --> 00:56:24,799

week uh whenever we go do an

1691

00:56:27,750 --> 00:56:26,400

investigation we start off by saying

1692

00:56:29,430 --> 00:56:27,760

we're just here to communicate we do our

1693

00:56:31,510 --> 00:56:29,440

you we're just here to communicate we

1694

00:56:32,950 --> 00:56:31,520

mean you no harm wish no harm to come

1695

00:56:34,470 --> 00:56:32,960

unto us when we leave we do that thank

1696

00:56:36,069 --> 00:56:34,480

you for your time you're not welcome to

1697

00:56:38,470 --> 00:56:36,079

follow you know like we set the the

1698

00:56:39,349 --> 00:56:38,480

boundaries which i find is enough

1699

00:56:40,950 --> 00:56:39,359

really

1700

00:56:42,309 --> 00:56:40,960

um especially like none of us are

1701

00:56:43,990 --> 00:56:42,319

particularly religious people so we

1702

00:56:46,150 --> 00:56:44,000

don't do any kind of large prayer or

1703

00:56:47,349 --> 00:56:46,160

anything like that we just

1704

00:56:49,190 --> 00:56:47,359

it's part a lot of it has to do with

1705

00:56:50,230 --> 00:56:49,200

your will and how you approach it

1706

00:56:53,990 --> 00:56:50,240

yeah well

1707

00:56:54,950 --> 00:56:54,000

i'm the same way i mean i you know

1708

00:56:56,230 --> 00:56:54,960

uh

1709

00:56:58,069 --> 00:56:56,240

you know if i get a haunting or

1710

00:56:59,750 --> 00:56:58,079

something involved with if it gets

1711

00:57:01,109 --> 00:56:59,760

beyond me i'll say yeah if you want to

1712

00:57:03,430 --> 00:57:01,119

go to a priest or you want to have

1713

00:57:05,270 --> 00:57:03,440

someone do the rights fine

1714

00:57:07,670 --> 00:57:05,280

that's beyond me i mean i'm not going in

1715

00:57:10,549 --> 00:57:07,680

that that direction as far as

1716

00:57:13,349 --> 00:57:10,559

me and protection i i use um

1717

00:57:15,829 --> 00:57:13,359

i do i do use if i'm specifically an

1718

00:57:17,990 --> 00:57:15,839

area i use you either use a white or

1719

00:57:19,589 --> 00:57:18,000

golden light surrounding me surrounding

1720

00:57:22,230 --> 00:57:19,599

my auras and such

1721

00:57:25,430 --> 00:57:22,240

and i do grounding but i always when i

1722

00:57:27,510 --> 00:57:25,440

go into a location there are two um

1723

00:57:29,589 --> 00:57:27,520

two stones i keep with me all the time

1724

00:57:31,589 --> 00:57:29,599

and that's a black tourmaline and the

1725

00:57:33,510 --> 00:57:31,599

yttrium fluoride and i always i've

1726

00:57:35,109 --> 00:57:33,520

always had those with me

1727

00:57:37,589 --> 00:57:35,119

yeah and i don't seem to reflect a lot

1728

00:57:39,190 --> 00:57:37,599

of things yeah yeah and the white light

1729

00:57:40,630 --> 00:57:39,200

thing is i do that i make that part of

1730

00:57:42,630 --> 00:57:40,640

my grounding like that just is part of

1731

00:57:44,470 --> 00:57:42,640

that and i find that makes tremendous

1732

00:57:46,789 --> 00:57:44,480

difference

1733

00:57:48,390 --> 00:57:46,799

yeah i mean even there's just something

1734

00:57:52,150 --> 00:57:48,400

that

1735

00:57:55,430 --> 00:57:52,160

can

1736

00:57:56,870 --> 00:57:55,440

kind of you know have an effect

1737

00:57:58,390 --> 00:57:56,880

i think so you can clear stuff out of

1738

00:57:59,670 --> 00:57:58,400

your body too with it right like you

1739

00:58:00,950 --> 00:57:59,680

know by the time i finish like the

1740

00:58:02,870 --> 00:58:00,960

grounding with the white light i feel so

1741

00:58:04,549 --> 00:58:02,880

much better just as a whole i feel more

1742

00:58:05,270 --> 00:58:04,559

grounded it's really respecting me and i

1743

00:58:06,950 --> 00:58:05,280

think

1744

00:58:08,470 --> 00:58:06,960

it has a lot it's like what you put out

1745

00:58:10,150 --> 00:58:08,480

into the world is what you get back

1746

00:58:11,430 --> 00:58:10,160

right and so and you'll pick that up too

1747

00:58:13,750 --> 00:58:11,440

i think you know

1748

00:58:14,870 --> 00:58:13,760

as well so exactly you got to manage

1749

00:58:17,270 --> 00:58:14,880

that

1750

00:58:18,390 --> 00:58:17,280

oh i agree with you i agree with you so

1751

00:58:21,589 --> 00:58:18,400

um

1752

00:58:24,309 --> 00:58:21,599

so jason were that boy this hour went by

1753

00:58:25,750 --> 00:58:24,319

quick it sure did how long once you tell

1754

00:58:27,589 --> 00:58:25,760

the folks how they can get in contact

1755

00:58:28,950 --> 00:58:27,599

with you and uh

1756

00:58:30,870 --> 00:58:28,960

uh if they're you're going to be doing

1757

00:58:33,990 --> 00:58:30,880

anything how they can get your books and

1758

00:58:36,309 --> 00:58:34,000

so forth and so on well yeah all the

1759

00:58:37,750 --> 00:58:36,319

books like dying light and the two i

1760

00:58:38,950 --> 00:58:37,760

want to believe titles are available

1761

00:58:40,630 --> 00:58:38,960

through beyond the freight publishing

1762

00:58:42,230 --> 00:58:40,640

and they're on amazon

1763

00:58:43,910 --> 00:58:42,240

as well uh the paranormal network that

1764

00:58:45,270 --> 00:58:43,920

i'm the manager of it's uh it's on

1765

00:58:46,870 --> 00:58:45,280

youtube so you would just search out the

1766

00:58:48,630 --> 00:58:46,880

paranormal network on youtube it's the

1767

00:58:50,549 --> 00:58:48,640

one with the black background and the

1768

00:58:52,390 --> 00:58:50,559

white pn and we're also on facebook at

1769

00:58:54,230 --> 00:58:52,400

paranormal headquarters

1770

00:58:56,950 --> 00:58:54,240

for myself just come find me on facebook

1771

00:58:58,630 --> 00:58:56,960

or instagram at jhulit72

1772

00:59:01,190 --> 00:58:58,640

reach out i'm always willing to talk and

1773

00:59:02,309 --> 00:59:01,200

listen you know as best i can

1774

00:59:03,990 --> 00:59:02,319

kind of thing you get you can get

1775

00:59:05,510 --> 00:59:04,000

inundated but i try to get back to

1776

00:59:07,349 --> 00:59:05,520

everyone eventually

1777

00:59:09,030 --> 00:59:07,359

um and that's what we do

1778

00:59:11,030 --> 00:59:09,040

it is and canadian paranormal foundation

1779

00:59:13,510 --> 00:59:11,040

is up on up on facebook as well at

1780

00:59:15,990 --> 00:59:13,520

canadian paranormal foundation

1781

00:59:20,150 --> 00:59:16,000

well jason was great meeting you finally

1782

00:59:21,589 --> 00:59:20,160

and um look um keep in contact and uh

1783

00:59:22,710 --> 00:59:21,599

you know maybe we'll get you back on

1784

00:59:24,630 --> 00:59:22,720

here soon

1785

00:59:26,950 --> 00:59:24,640

if you interested in joining the round

1786

00:59:29,270 --> 00:59:26,960

table that'd be great as well so uh you

1787

00:59:30,390 --> 00:59:29,280

know absolutely no uh this has been

1788

00:59:32,230 --> 00:59:30,400

great long it's been great to finally

1789

00:59:33,750 --> 00:59:32,240

meet you and talk to you and and be a

1790

00:59:35,190 --> 00:59:33,760

part of this show uh

1791

00:59:36,309 --> 00:59:35,200

and yeah i'd love to come back and do a

1792

00:59:37,670 --> 00:59:36,319

round table that would be that'd be

1793

00:59:38,470 --> 00:59:37,680

fantastic so let's definitely keep in

1794

00:59:40,150 --> 00:59:38,480

touch

1795

00:59:45,270 --> 00:59:40,160

okay will you take care have a good

1796

00:59:48,870 --> 00:59:47,190

now if you have a sighting or encounter

1797

00:59:50,549 --> 00:59:48,880

report uh

1798

00:59:53,190 --> 00:59:50,559

that you'd like to be considered for

1799

00:59:55,270 --> 00:59:53,200

personal report show or post on phantoms

1800

00:59:57,349 --> 00:59:55,280

and monsters uh

1801

01:00:00,870 --> 00:59:57,359

blog feel free to forward to me at uh

1802

01:00:02,789 --> 01:00:00,880

lawn stripper fans monsters com

1803

01:00:04,470 --> 01:00:02,799

uh if you had an unexplained encounter

1804

01:00:05,750 --> 01:00:04,480

sighting feel free to contact me through

1805

01:00:07,990 --> 01:00:05,760

the blog site

1806

01:00:09,829 --> 01:00:08,000

i want to again thank jason hilda for

1807

01:00:11,670 --> 01:00:09,839

joining me this evening and thanks to

1808

01:00:14,069 --> 01:00:11,680

each and all of you for

1809

01:00:15,990 --> 01:00:14,079

watching and chatting it's you know your

1810

01:00:17,990 --> 01:00:16,000

support is what makes all this possible

1811

01:00:20,549 --> 01:00:18,000

so please like subscribe

1812

01:00:21,510 --> 01:00:20,559

share and even comment on the show

1813

01:00:24,230 --> 01:00:21,520

so

1814

01:00:25,430 --> 01:00:24,240

this coming wednesday night at nine

1815

01:00:27,670 --> 01:00:25,440

o'clock

1816

01:00:31,270 --> 01:00:27,680

we'll be presenting another narrated

1817

01:00:34,230 --> 01:00:31,280

edition of uh personal reports

1818

01:00:34,950 --> 01:00:34,240

and uh then again on friday

1819

01:00:38,069 --> 01:00:34,960

we

1820

01:00:41,270 --> 01:00:38,079

will also be presenting a hauntings and

1821

01:00:44,630 --> 01:00:41,280

malevolent entities roundtable

1822

01:00:47,190 --> 01:00:44,640

and my guest will be deliverer bill bean

1823

01:00:49,030 --> 01:00:47,200

along with investigators jason mclean

1824

01:00:50,470 --> 01:00:49,040

and uh richard

1825

01:00:52,150 --> 01:00:50,480

michelle

1826

01:00:54,870 --> 01:00:52,160

and

1827

01:00:57,030 --> 01:00:54,880

spirit rescuer amy majors is going to be

1828

01:00:59,109 --> 01:00:57,040

tagging along as well so you know that

1829

01:01:01,750 --> 01:00:59,119

should be a very excellent show

1830

01:01:03,990 --> 01:01:01,760

so make sure you tune in so until next

1831

01:01:14,630 --> 01:01:04,000

week stay healthy and have a safe
