00:01:35,210 --> 00:01:33,360

and

32

00:02:33,110 --> 00:02:31,379

the page so um thanks for your

33

00:02:35,449 --> 00:02:33,120

consideration

34

00:02:37,070 --> 00:02:35,459

so we're going to start off tonight with

35

00:02:39,560 --> 00:02:37,080

uh

36

00:02:41,270 --> 00:02:39,570

an interesting

37

00:02:44,449 --> 00:02:41,280

[Music]

38

00:02:46,970 --> 00:02:44,459

witness in Upstate New York

39

00:02:49,670 --> 00:02:46,980

you had noticed the dead deer along the

40

00:02:52,250 --> 00:02:49,680

Appalachian Trail so they walked past it

41

00:02:55,729 --> 00:02:52,260

but later came back and when they did

42

00:02:58,190 --> 00:02:55,739

they observed a pig-like humanoid

43

00:03:01,190 --> 00:02:58,200

feeding on the carcass

44

00:03:03,170 --> 00:03:01,200

now he still has no idea what this was

45

00:03:05,990 --> 00:03:03,180

but they wrote to me I live in Upstate

46

00:03:08,330 --> 00:03:06,000

New York near a relatively high traffic

47

00:03:11,509 --> 00:03:08,340

hiking trail that runs along the stream

48

00:03:14,089 --> 00:03:11,519

for a portion uh I believe this was a

49

00:03:16,550 --> 00:03:14,099

long Appalachian Trail and um

50

00:03:19,490 --> 00:03:16,560

in mid more I mean from what what he

51
00:03:21,050 --> 00:03:19,500
told me it was at uh in mid-march 2021 I

52
00:03:23,509 --> 00:03:21,060
noticed a dead deer near the stream

53
00:03:25,670 --> 00:03:23,519
Pretty common in our area

54
00:03:27,770 --> 00:03:25,680
especially in the wintertime

55
00:03:29,930 --> 00:03:27,780
so I went for a walk yesterday evening

56
00:03:32,570 --> 00:03:29,940
and I passed where the deer was and I

57
00:03:34,910 --> 00:03:32,580
saw something that's been really messing

58
00:03:37,130 --> 00:03:34,920
with me since

59
00:03:38,690 --> 00:03:37,140
something was crouched over the dead

60
00:03:41,930 --> 00:03:38,700
deer

61
00:03:46,070 --> 00:03:41,940
it looked like a pig but large the size

62
00:03:49,070 --> 00:03:46,080
of a grown man with loose saggy skin

63
00:03:52,610 --> 00:03:49,080

its whole face was kind of saggy and

64

00:03:54,949 --> 00:03:52,620

leaking out of its nose and eyes

65

00:03:57,830 --> 00:03:54,959

I worked for livestock before so I know

66

00:04:00,770 --> 00:03:57,840

what pigs look like and this pig was all

67

00:04:02,869 --> 00:04:00,780

the wrong shape his body was swollen its

68

00:04:06,710 --> 00:04:02,879

back legs were splayed out so I could

69

00:04:08,750 --> 00:04:06,720

see that they were really long it I

70

00:04:11,390 --> 00:04:08,760

could also see that had version no hair

71

00:04:14,030 --> 00:04:11,400

just smooth skin

72

00:04:15,050 --> 00:04:14,040

it was sitting on its back haunches near

73

00:04:17,509 --> 00:04:15,060

the deer

74

00:04:19,310 --> 00:04:17,519

and by the time I got close enough to

75

00:04:21,289 --> 00:04:19,320

see it he was staring at me totally

76

00:04:23,689 --> 00:04:21,299

still

77

00:04:26,330 --> 00:04:23,699

I had this sick certainty that it

78

00:04:28,909 --> 00:04:26,340

noticed me way before I noticed it

79

00:04:31,010 --> 00:04:28,919

I was standing like 20 foot away still

80

00:04:33,350 --> 00:04:31,020

basically on the trail

81

00:04:35,510 --> 00:04:33,360

and I was just it was just staring at me

82

00:04:39,830 --> 00:04:35,520

the deer carcass was kind of everywhere

83

00:04:42,710 --> 00:04:39,840

like it had been messily eating at it uh

84

00:04:45,770 --> 00:04:42,720

while I was watching the pig Breeze

85

00:04:48,350 --> 00:04:45,780

both its front legs and I saw that they

86

00:04:49,850 --> 00:04:48,360

ended knot and cleft feet but in large

87

00:04:54,290 --> 00:04:49,860

hands

88

00:04:57,110 --> 00:04:54,300

it reached into the deer and just ripped

89

00:05:00,890 --> 00:04:57,120

off a chunk from its side raised it up

90

00:05:02,930 --> 00:05:00,900

to its snout and eat it out of its hands

91

00:05:05,570 --> 00:05:02,940

all this went down a matter of seconds

92

00:05:07,749 --> 00:05:05,580

and as soon as I saw its hands I just

93

00:05:10,610 --> 00:05:07,759

turned back the way I came on the trail

94

00:05:12,830 --> 00:05:10,620

walked away as fast as I could

95

00:05:14,570 --> 00:05:12,840

I wanted to run but I was afraid it

96

00:05:17,150 --> 00:05:14,580

might chase me so I went back to where

97

00:05:18,710 --> 00:05:17,160

it came I came in just trying to stay

98

00:05:21,170 --> 00:05:18,720

calm

99

00:05:23,930 --> 00:05:21,180

it was the worst walk of my life I'm

100

00:05:26,270 --> 00:05:23,940

afraid to look behind me because I was

101
00:05:29,510 --> 00:05:26,280
so scared I would see the pig follow me

102
00:05:32,749 --> 00:05:29,520
on on his you know on his hands

103
00:05:35,570 --> 00:05:32,759
but I made it out and uh I ran across

104
00:05:37,850 --> 00:05:35,580
the parking lot to my car now I'm just

105
00:05:40,070 --> 00:05:37,860
trying to understand this encounter

106
00:05:41,749 --> 00:05:40,080
I want to believe my mind was playing

107
00:05:43,790 --> 00:05:41,759
tricks on me but I haven't found

108
00:05:45,050 --> 00:05:43,800
anything on the internet about this

109
00:05:47,930 --> 00:05:45,060
creature

110
00:05:50,029 --> 00:05:47,940
please if anybody has seen something

111
00:05:53,330 --> 00:05:50,039
like this to let me know

112
00:05:55,189 --> 00:05:53,340
any leads would be appreciated now he

113
00:05:58,610 --> 00:05:55,199

also came back and said it didn't make

114

00:05:59,809 --> 00:05:58,620

any sounds at all its skin looked tan or

115

00:06:01,850 --> 00:05:59,819

taut

116

00:06:04,430 --> 00:06:01,860

but that could have been from the light

117

00:06:06,469 --> 00:06:04,440

its eyes were very small

118

00:06:08,150 --> 00:06:06,479

but I couldn't tell much about them

119

00:06:09,770 --> 00:06:08,160

because they were kind of obscured by

120

00:06:12,350 --> 00:06:09,780

the loose skin around them and above

121

00:06:15,350 --> 00:06:12,360

them now I don't know what he saw I mean

122

00:06:18,050 --> 00:06:15,360

that this is something different could

123

00:06:19,909 --> 00:06:18,060

this have been some type of

124

00:06:20,930 --> 00:06:19,919

I don't know could it have been a wild

125

00:06:24,830 --> 00:06:20,940

pig

126
00:06:27,770 --> 00:06:24,840
that was just oversized but with hands I

127
00:06:29,450 --> 00:06:27,780
I don't know it's pretty bizarre

128
00:06:32,090 --> 00:06:29,460
um

129
00:06:34,370 --> 00:06:32,100
more or less have you ever received

130
00:06:38,210 --> 00:06:34,380
other reports of pig-like creatures yeah

131
00:06:39,350 --> 00:06:38,220
I have I I received actually historical

132
00:06:42,409 --> 00:06:39,360
wise

133
00:06:43,969 --> 00:06:42,419
there have been a lot of pig humanoids

134
00:06:46,790 --> 00:06:43,979
in history

135
00:06:49,490 --> 00:06:46,800
in other words people that had pig-like

136
00:06:52,129 --> 00:06:49,500
faces Pig like heads

137
00:06:53,809 --> 00:06:52,139
uh it does pop up once in a while why

138
00:06:56,990 --> 00:06:53,819

that is I don't know

139

00:06:58,550 --> 00:06:57,000

but uh if you're looking to uh the

140

00:07:01,969 --> 00:06:58,560

history of Great Britain

141

00:07:05,629 --> 00:07:01,979

or look at pig people or go to my blog

142

00:07:07,070 --> 00:07:05,639

and put pig people into the search and

143

00:07:07,969 --> 00:07:07,080

it'll come up because I've written about

144

00:07:13,490 --> 00:07:07,979

this

145

00:07:19,070 --> 00:07:16,610

so the next account

146

00:07:21,670 --> 00:07:19,080

is where a witness describes in detail

147

00:07:24,170 --> 00:07:21,680

their recent encounter with a hunched

148

00:07:26,089 --> 00:07:24,180

humanoid with

149

00:07:28,189 --> 00:07:26,099

that crossed the road in front of their

150

00:07:30,890 --> 00:07:28,199

vehicle now was this a werewolf or some

151

00:07:31,490 --> 00:07:30,900

type of version of a dog man

152

00:07:34,430 --> 00:07:31,500

um

153

00:07:38,029 --> 00:07:34,440

they stated this is a really odd story

154

00:07:42,050 --> 00:07:38,039

of how I came to see a literal dog man

155

00:07:44,029 --> 00:07:42,060

last night which was an August 1st of

156

00:07:45,170 --> 00:07:44,039

this year this was just about a week and

157

00:07:47,089 --> 00:07:45,180

a half ago

158

00:07:50,330 --> 00:07:47,099

and around midnight I live in a

159

00:07:51,770 --> 00:07:50,340

neighborhood by the way near Newport

160

00:07:53,869 --> 00:07:51,780

Oregon

161

00:07:57,350 --> 00:07:53,879

but we are on the edge of a large Forest

162

00:08:02,029 --> 00:07:57,360

behind our house so not completely ruled

163

00:08:04,309 --> 00:08:02,039

funny part of the story so I set a live

164

00:08:06,830 --> 00:08:04,319

trap for a mouse last night

165

00:08:09,409 --> 00:08:06,840

uh Catch and Release I can't stand the

166

00:08:11,390 --> 00:08:09,419

horned mice I triggered it triggered at

167

00:08:13,249 --> 00:08:11,400

midnight in the loud pop of the door

168

00:08:15,469 --> 00:08:13,259

woke me up

169

00:08:16,790 --> 00:08:15,479

I decided I didn't want to just leave it

170

00:08:19,070 --> 00:08:16,800

in the cage all night waiting for

171

00:08:21,650 --> 00:08:19,080

morning I could hear him trying to chew

172

00:08:23,869 --> 00:08:21,660

through the wires and I didn't want it

173

00:08:25,909 --> 00:08:23,879

torture him so um

174

00:08:27,529 --> 00:08:25,919

when he's trying to attempt to get out

175

00:08:28,850 --> 00:08:27,539

so I decided I'd just take it out myself

176

00:08:30,950 --> 00:08:28,860

immediately

177

00:08:32,029 --> 00:08:30,960

so instead of releasing the mouse in the

178

00:08:34,430 --> 00:08:32,039

yard

179

00:08:36,709 --> 00:08:34,440

uh I always go about three miles away

180

00:08:38,630 --> 00:08:36,719

into a forested area

181

00:08:40,969 --> 00:08:38,640

I'm not cruel enough to just release him

182

00:08:42,409 --> 00:08:40,979

by someone else's house thus causing

183

00:08:45,829 --> 00:08:42,419

mouse problem

184

00:08:48,290 --> 00:08:45,839

yeah irrelevant info I know so um but

185

00:08:49,730 --> 00:08:48,300

before I even got to my car to transport

186

00:08:52,370 --> 00:08:49,740

the mouse

187

00:08:55,190 --> 00:08:52,380

my stomach started hurting like never

188

00:08:58,009 --> 00:08:55,200

before it was a horrible foreboding

189

00:09:00,590 --> 00:08:58,019

feeling that was almost telling me

190

00:09:03,050 --> 00:09:00,600

something terrible was about to happen

191

00:09:05,150 --> 00:09:03,060

uh there was no reason for my stomach to

192

00:09:07,250 --> 00:09:05,160

just suddenly start screaming and pain I

193

00:09:10,130 --> 00:09:07,260

sent to never have stomach problems like

194

00:09:12,230 --> 00:09:10,140

this it's exceedingly rare I just don't

195

00:09:14,449 --> 00:09:12,240

get stomach aches

196

00:09:16,130 --> 00:09:14,459

but this was painful on a scale that was

197

00:09:17,990 --> 00:09:16,140

so strange I just

198

00:09:21,530 --> 00:09:18,000

kept getting so

199

00:09:23,570 --> 00:09:21,540

deep sense of something being wrong

200

00:09:25,370 --> 00:09:23,580

so I got in the car with the little cage

201
00:09:27,470 --> 00:09:25,380
going down the street which was

202
00:09:30,170 --> 00:09:27,480
literally a one block away from my house

203
00:09:33,170 --> 00:09:30,180
that I instantly slowed on the brakes

204
00:09:35,150 --> 00:09:33,180
because of something enormous on the

205
00:09:37,550 --> 00:09:35,160
side of the road

206
00:09:39,650 --> 00:09:37,560
at first I thought this was the tallest

207
00:09:41,090 --> 00:09:39,660
dog I've ever seen and so what was

208
00:09:44,210 --> 00:09:41,100
blacker than night

209
00:09:46,670 --> 00:09:44,220
as I slowed my car for maybe 20 miles an

210
00:09:48,710 --> 00:09:46,680
hour to 10 mile an hour it suddenly came

211
00:09:50,630 --> 00:09:48,720
out onto the street

212
00:09:52,550 --> 00:09:50,640
and uh

213
00:09:53,870 --> 00:09:52,560

walked across the street in front of my

214

00:09:56,329 --> 00:09:53,880

car

215

00:09:58,310 --> 00:09:56,339

it wasn't running but it wasn't going

216

00:10:01,069 --> 00:09:58,320

slow either I suddenly realized there's

217

00:10:03,170 --> 00:10:01,079

no ordinary dog but I knew it wasn't a

218

00:10:04,610 --> 00:10:03,180

bear either because I it didn't have

219

00:10:08,030 --> 00:10:04,620

much of a belly

220

00:10:09,110 --> 00:10:08,040

uh this was three to four times the size

221

00:10:11,870 --> 00:10:09,120

of a wolf

222

00:10:14,090 --> 00:10:11,880

and so I can confirm it was not a wolf

223

00:10:18,410 --> 00:10:14,100

what I saw looked like a humanoid

224

00:10:21,769 --> 00:10:18,420

literally hunched over on all fours back

225

00:10:27,110 --> 00:10:25,009

um moving with Pace across the road the

226

00:10:28,490 --> 00:10:27,120

head was distinctively wolf-like and

227

00:10:30,590 --> 00:10:28,500

enormous

228

00:10:33,769 --> 00:10:30,600

it literally looked like a giant wolf

229

00:10:35,750 --> 00:10:33,779

head the being had jet black fur as

230

00:10:37,569 --> 00:10:35,760

black as hair can get and the ladies

231

00:10:41,150 --> 00:10:37,579

were lanky

232

00:10:43,310 --> 00:10:41,160

my brain literally froze instantly I

233

00:10:44,990 --> 00:10:43,320

began rationalizing

234

00:10:47,389 --> 00:10:45,000

but it was fairly possible to

235

00:10:49,009 --> 00:10:47,399

rationalize what I had just seen the

236

00:10:51,350 --> 00:10:49,019

closest thing I can compare this to

237

00:10:53,449 --> 00:10:51,360

would be the werewolf from Harry Potter

238

00:10:55,009 --> 00:10:53,459

from you know when Professor Lupine

239

00:10:57,829 --> 00:10:55,019

turns into one

240

00:10:58,610 --> 00:10:57,839

all I can think is how they did they

241

00:11:01,190 --> 00:10:58,620

know

242

00:11:03,230 --> 00:11:01,200

they nearly that's nearly identical to

243

00:11:04,910 --> 00:11:03,240

what this thing looked like as it

244

00:11:06,230 --> 00:11:04,920

hunched over and walked on all fours

245

00:11:08,690 --> 00:11:06,240

horrifying

246

00:11:11,870 --> 00:11:08,700

it was literally quite accurate to

247

00:11:12,889 --> 00:11:11,880

looking like the exact CGI rendering in

248

00:11:15,769 --> 00:11:12,899

the movie

249

00:11:17,150 --> 00:11:15,779

when all fours it backside probably was

250

00:11:19,790 --> 00:11:17,160

about four to four and a half foot in

251
00:11:21,590 --> 00:11:19,800
height the head higher easily reaching

252
00:11:23,150 --> 00:11:21,600
five feet

253
00:11:25,009 --> 00:11:23,160
now again

254
00:11:28,130 --> 00:11:25,019
there was no way this was a bear or

255
00:11:30,889 --> 00:11:28,140
other regular Beast or you know we're

256
00:11:32,630 --> 00:11:30,899
familiar with as humans there was

257
00:11:34,370 --> 00:11:32,640
nothing familiar about it to anyone who

258
00:11:36,230 --> 00:11:34,380
might say well I was just a really large

259
00:11:37,069 --> 00:11:36,240
dog that was sick and hunts definitely

260
00:11:39,110 --> 00:11:37,079
not

261
00:11:41,449 --> 00:11:39,120
it was bigger than the largest breed

262
00:11:43,670 --> 00:11:41,459
I've ever seen and to be over four foot

263
00:11:45,170 --> 00:11:43,680

in height at the back not the head while

264

00:11:46,490 --> 00:11:45,180

hunched over that's definitely not a

265

00:11:48,889 --> 00:11:46,500

regular dog

266

00:11:51,650 --> 00:11:48,899

impossible to be a bear as none are that

267

00:11:53,269 --> 00:11:51,660

skinny in a humanoid aspect of it could

268

00:11:56,690 --> 00:11:53,279

not be denied

269

00:11:59,750 --> 00:11:56,700

you can tell that if it wanted to it

270

00:12:02,150 --> 00:11:59,760

could have easily stood up on two legs

271

00:12:03,530 --> 00:12:02,160

what's more insane is that I could feel

272

00:12:05,810 --> 00:12:03,540

its energy

273

00:12:08,269 --> 00:12:05,820

the energy was dark oppressive and

274

00:12:11,329 --> 00:12:08,279

really just such a dangerous swept over

275

00:12:13,490 --> 00:12:11,339

me it had a very otherworldly energy

276

00:12:16,009 --> 00:12:13,500

about it

277

00:12:17,690 --> 00:12:16,019

I so slowly continued driving and

278

00:12:19,670 --> 00:12:17,700

quickly stared over to the left side of

279

00:12:21,530 --> 00:12:19,680

the road as I was passing to see where

280

00:12:24,490 --> 00:12:21,540

it had gone I was able to see it

281

00:12:28,009 --> 00:12:24,500

silhouette by a bush looking back at me

282

00:12:29,150 --> 00:12:28,019

watching me pass I didn't want to stop I

283

00:12:31,550 --> 00:12:29,160

was scared

284

00:12:33,949 --> 00:12:31,560

I went on with my mission to release the

285

00:12:36,230 --> 00:12:33,959

mouse but I can tell you this when I got

286

00:12:38,569 --> 00:12:36,240

home I ran into the garage shut the

287

00:12:41,389 --> 00:12:38,579

garage doors quickly as possible I was

288

00:12:44,269 --> 00:12:41,399

panicked and truly terrified

289

00:12:46,670 --> 00:12:44,279

when you know what you saw you know what

290

00:12:49,190 --> 00:12:46,680

you saw they always said

291

00:12:51,710 --> 00:12:49,200

uh I also know my mind didn't just fill

292

00:12:53,329 --> 00:12:51,720

in the blanks or hallucinate this now

293

00:12:55,730 --> 00:12:53,339

last night I looked up accounts of

294

00:12:58,310 --> 00:12:55,740

dogmen wanted to find people's

295

00:13:00,350 --> 00:12:58,320

descriptions drawing very identical to

296

00:13:02,090 --> 00:13:00,360

what I had witnessed what are the odds

297

00:13:04,310 --> 00:13:02,100

of this now I'm convinced it's real

298

00:13:05,629 --> 00:13:04,320

never thought a Wild's dream I'd see

299

00:13:08,710 --> 00:13:05,639

something like this

300

00:13:11,210 --> 00:13:08,720

so uh did this uh did this person

301

00:13:14,150 --> 00:13:11,220

encounter a dog man

302

00:13:15,350 --> 00:13:14,160

it does sound kind of cartoonish as out

303

00:13:16,069 --> 00:13:15,360

of these states

304

00:13:17,930 --> 00:13:16,079

um

305

00:13:19,730 --> 00:13:17,940

but you know I'll be honest

306

00:13:21,949 --> 00:13:19,740

you know some of the sightings we've

307

00:13:26,269 --> 00:13:21,959

gotten recently here in Pennsylvania

308

00:13:27,470 --> 00:13:26,279

have that kind of cartoonish look to it

309

00:13:29,990 --> 00:13:27,480

um

310

00:13:32,810 --> 00:13:30,000

you know many of the signs we've gotten

311

00:13:36,769 --> 00:13:32,820

here in PA

312

00:13:38,870 --> 00:13:36,779

kind of remind you of that of a uh hyena

313

00:13:41,509 --> 00:13:38,880

most of witness kind of state that as

314

00:13:44,509 --> 00:13:41,519

well even even uprights they got the

315

00:13:46,910 --> 00:13:44,519

hyena look to them so

316

00:13:48,650 --> 00:13:46,920

I don't know what this person saw but

317

00:13:51,050 --> 00:13:48,660

it's not very much different than some

318

00:13:55,189 --> 00:13:51,060

of the stuff we we've had

319

00:13:55,199 --> 00:13:58,910

so continuing on

320

00:14:04,250 --> 00:14:01,910

I will my while living in rural

321

00:14:06,470 --> 00:14:04,260

Clearfield County Pennsylvania which is

322

00:14:08,990 --> 00:14:06,480

uh north central Pennsylvania

323

00:14:11,329 --> 00:14:09,000

a former resident recalls encounter his

324

00:14:14,569 --> 00:14:11,339

family had at home with a massive hyena

325

00:14:16,550 --> 00:14:14,579

like canine after hearing a loud ruckus

326

00:14:19,370 --> 00:14:16,560

on the front porch

327

00:14:21,590 --> 00:14:19,380

now uh I kind of ran into this account

328

00:14:22,910 --> 00:14:21,600

this was forwarded me by somebody else I

329

00:14:26,389 --> 00:14:22,920

didn't really think much of it but I

330

00:14:30,290 --> 00:14:26,399

kind of looked into it and since this

331

00:14:32,329 --> 00:14:30,300

was many moons ago this one was 40

332

00:14:34,910 --> 00:14:32,339

45 years ago

333

00:14:37,009 --> 00:14:34,920

uh it's interesting but Clearfield

334

00:14:39,710 --> 00:14:37,019

County is very well known for these

335

00:14:41,389 --> 00:14:39,720

upright canine sightings even regular

336

00:14:43,850 --> 00:14:41,399

Dogman sightings

337

00:14:46,550 --> 00:14:43,860

so anyway the the witness States this

338

00:14:48,650 --> 00:14:46,560

occurred in 1977 the Madera Community of

339

00:14:51,050 --> 00:14:48,660

Clearfield County Pennsylvania

340

00:14:53,210 --> 00:14:51,060

I was a young team at the time

341

00:14:55,370 --> 00:14:53,220

we lived their house in a heavily Forest

342

00:14:58,610 --> 00:14:55,380

Area the heavily Forest Hills above

343

00:15:00,110 --> 00:14:58,620

Madeira there were very few residents in

344

00:15:02,150 --> 00:15:00,120

our neighborhood the location was

345

00:15:04,370 --> 00:15:02,160

incredibly isolated

346

00:15:06,110 --> 00:15:04,380

my grandfather would frequently go on

347

00:15:08,150 --> 00:15:06,120

patrols with the local officer who

348

00:15:09,949 --> 00:15:08,160

worked for the Game Commission

349

00:15:12,470 --> 00:15:09,959

I bring this up because of this reaction

350

00:15:14,930 --> 00:15:12,480

when we had our encounter which is the

351
00:15:17,629 --> 00:15:14,940
reason why I'm bringing this out there's

352
00:15:19,910 --> 00:15:17,639
a large man he took a lot to shake his

353
00:15:22,069 --> 00:15:19,920
confidence my Grandpa would walk

354
00:15:23,930 --> 00:15:22,079
Outdoors at night with nothing but a

355
00:15:26,870 --> 00:15:23,940
pitchfork to frighten away a bear

356
00:15:28,790 --> 00:15:26,880
he would often just shake our our heads

357
00:15:31,189 --> 00:15:28,800
at him we he was familiar with the local

358
00:15:33,110 --> 00:15:31,199
wildlife and understood that what the

359
00:15:35,030 --> 00:15:33,120
routines were he predict weather and

360
00:15:37,189 --> 00:15:35,040
other stuff and so on

361
00:15:39,949 --> 00:15:37,199
anyway on this particular evening we

362
00:15:43,430 --> 00:15:39,959
were awakened by a loud Ruckus that took

363
00:15:46,370 --> 00:15:43,440

place close to our front porch

364

00:15:48,290 --> 00:15:46,380

we had outdoor cats who liked to hang

365

00:15:50,889 --> 00:15:48,300

out on the porch and if a raccoon or

366

00:15:54,470 --> 00:15:50,899

other animal came near the porch

367

00:15:57,110 --> 00:15:54,480

uh they make a racket or they just run

368

00:15:59,689 --> 00:15:57,120

away the noise they made as they

369

00:16:02,210 --> 00:15:59,699

dispersed was rather loud you know which

370

00:16:04,550 --> 00:16:02,220

is why we were awakened by I could still

371

00:16:08,030 --> 00:16:04,560

hear my grandpa giving one of his

372

00:16:10,129 --> 00:16:08,040

signature irritated size because he was

373

00:16:12,350 --> 00:16:10,139

forced to get up and check out what was

374

00:16:14,810 --> 00:16:12,360

going on outside

375

00:16:17,810 --> 00:16:14,820

uh we were all listening closely for the

376

00:16:21,710 --> 00:16:17,820

sound of the door being closed instead

377

00:16:24,050 --> 00:16:21,720

we heard our grandpa let out a loud roar

378

00:16:25,670 --> 00:16:24,060

this and every one of us securing for

379

00:16:27,590 --> 00:16:25,680

the stairs

380

00:16:29,689 --> 00:16:27,600

he was keeping his distance from the

381

00:16:30,470 --> 00:16:29,699

entrance while holding the rifle in his

382

00:16:33,110 --> 00:16:30,480

hand

383

00:16:35,389 --> 00:16:33,120

and the expression on his face might

384

00:16:37,249 --> 00:16:35,399

best be described as they're fearful

385

00:16:39,290 --> 00:16:37,259

as I've already said nothing seemed to

386

00:16:41,930 --> 00:16:39,300

frighten Grandpa

387

00:16:43,550 --> 00:16:41,940

as a sight of what of that description

388

00:16:46,129 --> 00:16:43,560

on his face causes

389

00:16:47,689 --> 00:16:46,139

caused all of us to stand there feeling

390

00:16:49,910 --> 00:16:47,699

unsure

391

00:16:51,769 --> 00:16:49,920

this monster

392

00:16:54,730 --> 00:16:51,779

which was outside on the porch was

393

00:16:57,230 --> 00:16:54,740

gazing straight back at us displayed

394

00:16:59,990 --> 00:16:57,240

absolutely no fear at all

395

00:17:01,850 --> 00:17:00,000

in fact I recall having the thought that

396

00:17:04,549 --> 00:17:01,860

it was Furious

397

00:17:07,610 --> 00:17:04,559

but upon close inspection it merely

398

00:17:10,610 --> 00:17:07,620

seemed cruel it was definitely not a dog

399

00:17:12,949 --> 00:17:10,620

but rather a canine of some kind

400

00:17:14,990 --> 00:17:12,959

it had the appearance of a hyena from

401
00:17:17,150 --> 00:17:15,000
the front shoulders all the way back to

402
00:17:19,250 --> 00:17:17,160
the Head

403
00:17:21,829 --> 00:17:19,260
um but the rear end was much smaller

404
00:17:23,929 --> 00:17:21,839
than the um the front shoulders in the

405
00:17:25,610 --> 00:17:23,939
head I don't think I ever noticed there

406
00:17:28,669 --> 00:17:25,620
was a tail there

407
00:17:31,130 --> 00:17:28,679
the fur had an unusual appearance that

408
00:17:34,730 --> 00:17:31,140
was patchy and Shaggy all throughout

409
00:17:37,909 --> 00:17:34,740
it's simp simply didn't look like fur it

410
00:17:40,130 --> 00:17:37,919
was difficult to describe the nose was

411
00:17:43,730 --> 00:17:40,140
neither very long or very narrow rather

412
00:17:45,529 --> 00:17:43,740
it was short but somewhat large the uh

413
00:17:47,570 --> 00:17:45,539

the whole of the body was enormous it

414

00:17:49,010 --> 00:17:47,580

was nearly as wide as our porch from the

415

00:17:50,150 --> 00:17:49,020

rear of its head to the front of the

416

00:17:53,090 --> 00:17:50,160

body

417

00:17:54,890 --> 00:17:53,100

uh taking this into account

418

00:17:58,370 --> 00:17:54,900

it would have been at least seven foot

419

00:18:00,770 --> 00:17:58,380

long it stood there staring at us then

420

00:18:02,390 --> 00:18:00,780

turned and looked towards our barn then

421

00:18:04,850 --> 00:18:02,400

back at us again

422

00:18:08,270 --> 00:18:04,860

now after that it went a few steps very

423

00:18:10,669 --> 00:18:08,280

slowly before turning and running away

424

00:18:14,210 --> 00:18:10,679

it happened so quickly uh all I could

425

00:18:15,950 --> 00:18:14,220

see was a smear car then it was gone

426

00:18:18,350 --> 00:18:15,960

we all stood there for a moment before

427

00:18:20,029 --> 00:18:18,360

our mother asked her or her father or

428

00:18:21,110 --> 00:18:20,039

grandfather what was going on and at

429

00:18:23,510 --> 00:18:21,120

which point

430

00:18:26,390 --> 00:18:23,520

our grandfather shouted for us to hurry

431

00:18:29,330 --> 00:18:26,400

up and you know go upstairs

432

00:18:31,070 --> 00:18:29,340

uh he did not even bother to go outside

433

00:18:33,230 --> 00:18:31,080

to check on the animals since he

434

00:18:35,690 --> 00:18:33,240

remained awake the whole night

435

00:18:37,730 --> 00:18:35,700

strangely enough we never brought it up

436

00:18:39,529 --> 00:18:37,740

in conversation after that nobody ever

437

00:18:41,750 --> 00:18:39,539

mentioned it again

438

00:18:44,029 --> 00:18:41,760

it was a really special place to live

439

00:18:45,350 --> 00:18:44,039

and I was fortunate enough to spend most

440

00:18:47,330 --> 00:18:45,360

of my life there

441

00:18:49,549 --> 00:18:47,340

but I was relieved to leave the area

442

00:18:51,950 --> 00:18:49,559

when I became older since many of the

443

00:18:53,690 --> 00:18:51,960

occurrences that took place they were

444

00:18:57,230 --> 00:18:53,700

puzzling to me and could not be

445

00:18:58,430 --> 00:18:57,240

explained so like I said earlier these

446

00:19:00,770 --> 00:18:58,440

um

447

00:19:04,850 --> 00:19:00,780

these hyena like

448

00:19:06,650 --> 00:19:04,860

uh canines pretty well known in

449

00:19:08,630 --> 00:19:06,660

Pennsylvania especially in more recent

450

00:19:10,549 --> 00:19:08,640

years that was probably the oldest one

451

00:19:12,650 --> 00:19:10,559

I've ever run across

452

00:19:18,409 --> 00:19:12,660

uh

453

00:19:22,789 --> 00:19:20,270

we're looking into about five sightings

454

00:19:24,610 --> 00:19:22,799

right now one or two that really

455

00:19:29,570 --> 00:19:24,620

really interesting

456

00:19:32,470 --> 00:19:29,580

and uh we just had a uh several us just

457

00:19:35,630 --> 00:19:32,480

had a conference call with the witness

458

00:19:38,330 --> 00:19:35,640

just the other night so we're trying to

459

00:19:40,850 --> 00:19:38,340

get all of us together to go out to the

460

00:19:43,250 --> 00:19:40,860

French Creek State Park area

461

00:19:47,210 --> 00:19:43,260

where this thing was seen

462

00:19:49,850 --> 00:19:47,220

so um I don't know

463

00:19:51,169 --> 00:19:49,860

I had no idea what's going on I'm quite

464

00:19:53,510 --> 00:19:51,179

sure we're going to have more for you

465

00:19:55,850 --> 00:19:53,520

when we get more in and I did post

466

00:19:57,890 --> 00:19:55,860

something on Facebook that when I do get

467

00:20:00,830 --> 00:19:57,900

more information on this this sighting

468

00:20:02,750 --> 00:20:00,840

at French Creek Berks County I will be

469

00:20:05,090 --> 00:20:02,760

posting it and I'll be posting on the

470

00:20:09,770 --> 00:20:06,590

so

471

00:20:13,370 --> 00:20:09,780

here's an interesting one now

472

00:20:15,710 --> 00:20:13,380

a witness in Santiago Chile is only

473

00:20:18,049 --> 00:20:15,720

terrorists and observes a large gargoyle

474

00:20:20,870 --> 00:20:18,059

like being flying towards him

475

00:20:24,350 --> 00:20:20,880

as it approaches he notice it that it

476
00:20:27,590 --> 00:20:24,360
had a human body or animal in its grasp

477
00:20:29,029 --> 00:20:27,600
now this was actually reported by Albert

478
00:20:32,090 --> 00:20:29,039
Rosales

479
00:20:32,750 --> 00:20:32,100
a few years ago I had just seen I you

480
00:20:36,529 --> 00:20:32,760
know

481
00:20:38,390 --> 00:20:36,539
it happened back in December of 1999

482
00:20:41,930 --> 00:20:38,400
but this was the first time I had heard

483
00:20:43,549 --> 00:20:41,940
about it the main witness NJ was

484
00:20:45,830 --> 00:20:43,559
visiting the house of some friends

485
00:20:48,230 --> 00:20:45,840
located in El Bosque Street near a

486
00:20:51,110 --> 00:20:48,240
picuro section on the fourth floor

487
00:20:52,669 --> 00:20:51,120
apartment after having dinner he stepped

488
00:20:55,310 --> 00:20:52,679

out onto the Terrace which was the

489

00:20:59,830 --> 00:20:55,320

balcony and began taking in the view of

490

00:21:03,169 --> 00:20:59,840

the nearby for a dero nearby Cordero

491

00:21:04,970 --> 00:21:03,179

uh totally relaxed he proceed at a

492

00:21:07,669 --> 00:21:04,980

distance of about a thousand to fifteen

493

00:21:09,830 --> 00:21:07,679

hundred meters and at about a hundred to

494

00:21:11,330 --> 00:21:09,840

three hundred meters in altitude a large

495

00:21:13,370 --> 00:21:11,340

red object that appeared to be

496

00:21:16,430 --> 00:21:13,380

approaching which at first he thought

497

00:21:19,190 --> 00:21:16,440

was a small plane or more exactly an old

498

00:21:21,049 --> 00:21:19,200

two-seater vintage model which were used

499

00:21:23,810 --> 00:21:21,059

a lot during the 50s

500

00:21:26,350 --> 00:21:23,820

he was curious as to why such an

501
00:21:28,789 --> 00:21:26,360
aircraft would be flying so low

502
00:21:30,770 --> 00:21:28,799
concerned he thought that the pilot was

503
00:21:33,490 --> 00:21:30,780
lost as it was flying dangerously close

504
00:21:36,710 --> 00:21:33,500
to the buildings

505
00:21:38,750 --> 00:21:36,720
moments as the object came closer the

506
00:21:41,510 --> 00:21:38,760
witness was stunned to see that the

507
00:21:44,029 --> 00:21:41,520
wings appeared to be flapping up and

508
00:21:45,710 --> 00:21:44,039
down the wings were long approximately

509
00:21:48,470 --> 00:21:45,720
four meters in length

510
00:21:50,690 --> 00:21:48,480
stunned he could now see that the object

511
00:21:52,190 --> 00:21:50,700
was really some type of red colored

512
00:21:54,950 --> 00:21:52,200
winged creature

513
00:21:57,230 --> 00:21:54,960

which appeared to be zigzag going in a

514

00:21:58,430 --> 00:21:57,240

zigzagging motion always following the

515

00:22:00,649 --> 00:21:58,440

same track

516

00:22:02,210 --> 00:22:00,659

now suddenly the strange creature was

517

00:22:03,830 --> 00:22:02,220

now in front of the witness at a

518

00:22:06,289 --> 00:22:03,840

distance of about 50 meters but

519

00:22:08,210 --> 00:22:06,299

maintaining the same height parallel to

520

00:22:11,090 --> 00:22:08,220

the street below

521

00:22:13,149 --> 00:22:11,100

at his uh at this point the witness

522

00:22:15,950 --> 00:22:13,159

noticed that the creature's body

523

00:22:17,690 --> 00:22:15,960

appeared to be divided into two Sexes

524

00:22:19,850 --> 00:22:17,700

the top section was less maneuverable

525

00:22:22,549 --> 00:22:19,860

and more rigid while the Bible section

526

00:22:25,730 --> 00:22:22,559

was in constant motion

527

00:22:28,310 --> 00:22:25,740

terrified the witness thought he could

528

00:22:30,649 --> 00:22:28,320

make out a huge claw like protrudes on

529

00:22:32,510 --> 00:22:30,659

the creature's feet which appeared to be

530

00:22:33,470 --> 00:22:32,520

indeed carrying something which the

531

00:22:37,250 --> 00:22:33,480

witness

532

00:22:39,289 --> 00:22:37,260

thought could have been a human body

533

00:22:40,669 --> 00:22:39,299

as the creature flew by and moving

534

00:22:42,470 --> 00:22:40,679

swiftly away from the witness he

535

00:22:44,270 --> 00:22:42,480

remembers if there was a large wind on

536

00:22:46,430 --> 00:22:44,280

the other side of the apartment from

537

00:22:48,289 --> 00:22:46,440

which he could still be able to see the

538

00:22:51,470 --> 00:22:48,299

bizarre flying creatures so he yelled to

539

00:22:54,409 --> 00:22:51,480

his friends UFO UFO and ran towards the

540

00:22:57,110 --> 00:22:54,419

window he managed to catch a glimpse of

541

00:22:59,330 --> 00:22:57,120

the creature again but in an instant it

542

00:23:02,210 --> 00:22:59,340

vanished behind some of the buildings

543

00:23:03,470 --> 00:23:02,220

and his observation lasted about 30 to

544

00:23:06,649 --> 00:23:03,480

40 seconds

545

00:23:08,570 --> 00:23:06,659

later the witness commented what he had

546

00:23:11,330 --> 00:23:08,580

seen with close friends and contacted

547

00:23:13,190 --> 00:23:11,340

the source convinced that he had seen

548

00:23:15,350 --> 00:23:13,200

some type of gargle type creature

549

00:23:17,090 --> 00:23:15,360

carrying a helpless victim which the

550

00:23:20,029 --> 00:23:17,100

witness admitted it could have been just

551
00:23:22,270 --> 00:23:20,039
a large animal so we hope it was

552
00:23:24,409 --> 00:23:22,280
so that's pretty interesting um you know

553
00:23:26,930 --> 00:23:24,419
the thing that interested me about this

554
00:23:28,789 --> 00:23:26,940
was this thing was segmented in other

555
00:23:32,330 --> 00:23:28,799
words it seemed like the upper body was

556
00:23:33,830 --> 00:23:32,340
very still and maybe the legs or the

557
00:23:35,570 --> 00:23:33,840
hips and stuff were moving a lot you

558
00:23:39,350 --> 00:23:35,580
know that's very similar

559
00:23:41,510 --> 00:23:39,360
to some of the settings we had had

560
00:23:44,330 --> 00:23:41,520
in Chicago where people had a close

561
00:23:45,950 --> 00:23:44,340
encounters with this thing where this

562
00:23:48,169 --> 00:23:45,960
thing would be hovering in front of them

563
00:23:49,610 --> 00:23:48,179

and the legs and the hips would be

564

00:23:52,010 --> 00:23:49,620

vibrating and in fact they could

565

00:23:54,950 --> 00:23:52,020

actually feel the vibration

566

00:23:56,570 --> 00:23:54,960

so uh maybe that's what it was doing I

567

00:24:01,430 --> 00:23:56,580

don't know but uh it's a pretty

568

00:24:05,570 --> 00:24:03,649

so I think does anybody have any

569

00:24:08,330 --> 00:24:05,580

questions on that

570

00:24:10,190 --> 00:24:08,340

receiving

571

00:24:12,890 --> 00:24:10,200

okay

572

00:24:14,930 --> 00:24:12,900

so this next one two sisters were along

573

00:24:16,490 --> 00:24:14,940

the river near the home in Southeast

574

00:24:18,470 --> 00:24:16,500

Alabama

575

00:24:22,250 --> 00:24:18,480

when they encountered an extremely tall

576

00:24:24,350 --> 00:24:22,260

black shaggy-haired female Bigfoot

577

00:24:26,450 --> 00:24:24,360

the Beast began screaming and chased the

578

00:24:28,669 --> 00:24:26,460

girls home

579

00:24:31,430 --> 00:24:28,679

this is another one I just received not

580

00:24:34,130 --> 00:24:31,440

long ago there's an older case

581

00:24:36,529 --> 00:24:34,140

my mother and my aunt tell this story

582

00:24:38,810 --> 00:24:36,539

and my grandfather can attest to it I

583

00:24:41,090 --> 00:24:38,820

figured I'd share it with you to see how

584

00:24:43,370 --> 00:24:41,100

it lines up with other accounts

585

00:24:46,669 --> 00:24:43,380

and when my mom was a young girl in the

586

00:24:49,669 --> 00:24:46,679

1960 they lived in a pretty remote area

587

00:24:51,110 --> 00:24:49,679

Southeast Alabama near the far uh oral

588

00:24:53,269 --> 00:24:51,120

Florida

589

00:24:55,490 --> 00:24:53,279

it was there a river where they would

590

00:24:57,409 --> 00:24:55,500

sometimes go to fish and swim now one

591

00:25:00,830 --> 00:24:57,419

day her and her sister went to the river

592

00:25:03,230 --> 00:25:00,840

and claimed they saw something

593

00:25:05,870 --> 00:25:03,240

he had its back turned to them and they

594

00:25:08,029 --> 00:25:05,880

initially thought it was a bear

595

00:25:10,490 --> 00:25:08,039

it had Shaggy black hair and was hunched

596

00:25:11,330 --> 00:25:10,500

over as a as if it was drinking from the

597

00:25:13,250 --> 00:25:11,340

river

598

00:25:16,370 --> 00:25:13,260

now bears are not unheard of in this

599

00:25:20,090 --> 00:25:16,380

area they're very rare is far south

600

00:25:22,250 --> 00:25:20,100

she says that when they saw it her

601
00:25:24,169 --> 00:25:22,260
sister yelled and it turned around and

602
00:25:26,390 --> 00:25:24,179
saw them

603
00:25:28,730 --> 00:25:26,400
that's when they realized that it wasn't

604
00:25:31,730 --> 00:25:28,740
a bear and according to them it stood

605
00:25:33,950 --> 00:25:31,740
about eight to nine foot tall was

606
00:25:37,430 --> 00:25:33,960
covered in Shaggy black hair except for

607
00:25:39,590 --> 00:25:37,440
its breast which they said were saggy

608
00:25:42,710 --> 00:25:39,600
and hairless so apparently it was a

609
00:25:45,830 --> 00:25:42,720
female its face was human-like but with

610
00:25:47,870 --> 00:25:45,840
a big flat nose and large teeth which

611
00:25:50,570 --> 00:25:47,880
they saw because it started screaming

612
00:25:53,269 --> 00:25:50,580
and began rushing towards them

613
00:25:55,730 --> 00:25:53,279

they describe the way it ran as sort of

614

00:25:58,490 --> 00:25:55,740

ape light swinging his arms wide and

615

00:26:00,769 --> 00:25:58,500

sort of lurching from side to side

616

00:26:02,930 --> 00:26:00,779

now they both started running home and

617

00:26:04,850 --> 00:26:02,940

say that it was chasing them on the road

618

00:26:07,669 --> 00:26:04,860

until the neighbor's dog ran out of its

619

00:26:10,370 --> 00:26:07,679

yard and began barking and chasing it

620

00:26:11,990 --> 00:26:10,380

away at this point it ran into the woods

621

00:26:13,970 --> 00:26:12,000

by the roadside

622

00:26:15,769 --> 00:26:13,980

they ran all the way home and told my

623

00:26:17,510 --> 00:26:15,779

grandfather who got his gun and went

624

00:26:20,149 --> 00:26:17,520

down to the river but he didn't see

625

00:26:22,010 --> 00:26:20,159

anything he recalls them showing up and

626

00:26:24,230 --> 00:26:22,020

telling him what they saw

627

00:26:27,409 --> 00:26:24,240

so that part is most definitely true

628

00:26:29,510 --> 00:26:27,419

they call it a witch as this was before

629

00:26:31,549 --> 00:26:29,520

Bigfoot was a big cultural thing and

630

00:26:33,529 --> 00:26:31,559

they didn't really know what else to

631

00:26:35,990 --> 00:26:33,539

call it back then

632

00:26:37,250 --> 00:26:36,000

so um that's not unusual I had some of

633

00:26:39,830 --> 00:26:37,260

the old Bigfoot stories before the

634

00:26:41,510 --> 00:26:39,840

Bigfoot moniker started coming out of

635

00:26:43,730 --> 00:26:41,520

course you get the wild man and all that

636

00:26:45,470 --> 00:26:43,740

but since this was a female I guess they

637

00:26:47,330 --> 00:26:45,480

maybe they thought it was a witch I

638

00:26:48,950 --> 00:26:47,340

don't know

639

00:26:50,930 --> 00:26:48,960

um

640

00:26:53,630 --> 00:26:50,940

we're in medicine for how many Sasquatch

641

00:26:55,730 --> 00:26:53,640

reports have you gotten this year alone

642

00:26:56,750 --> 00:26:55,740

I wish I knew I'd probably get two or

643

00:27:01,070 --> 00:26:56,760

three a day

644

00:27:03,950 --> 00:27:01,080

uh many of them are fairly brief but I

645

00:27:05,510 --> 00:27:03,960

do I do get quite a deal quite amount of

646

00:27:08,090 --> 00:27:05,520

them I mean I had a lot of sent to me

647

00:27:10,250 --> 00:27:08,100

from other investigators so but I'd say

648

00:27:12,470 --> 00:27:10,260

two or three a day on the average I mean

649

00:27:16,010 --> 00:27:12,480

sometimes I'll get a dozen or more it

650

00:27:18,529 --> 00:27:16,020

just depends uh you know more recently

651

00:27:20,950 --> 00:27:18,539

it seems that the um

652

00:27:23,389 --> 00:27:20,960

the Bigfoot phenomena has been

653

00:27:26,149 --> 00:27:23,399

more uh

654

00:27:28,070 --> 00:27:26,159

more in the minds of people I guess and

655

00:27:30,230 --> 00:27:28,080

uh we've been getting uh

656

00:27:32,210 --> 00:27:30,240

and everybody I've talked to even even

657

00:27:34,010 --> 00:27:32,220

Stan has been getting a lot of different

658

00:27:37,730 --> 00:27:34,020

sightings of Bigfoot

659

00:27:40,750 --> 00:27:37,740

now I don't know why that is but uh they

660

00:27:40,760 --> 00:27:45,049

let's see

661

00:27:50,630 --> 00:27:48,289

okay let me go into the next one

662

00:27:53,269 --> 00:27:50,640

now two hikers in the Jefferson National

663

00:27:55,789 --> 00:27:53,279

Forest and Virginia experience

664

00:27:59,149 --> 00:27:55,799

a strange sensation along with a lab

665

00:28:03,010 --> 00:27:59,159

metal on metal sound they black out then

666

00:28:07,310 --> 00:28:03,020

a week two hours later in their vehicle

667

00:28:09,830 --> 00:28:07,320

now my partner and I are Avid hikers

668

00:28:12,169 --> 00:28:09,840

one July we went to on a trip and

669

00:28:13,669 --> 00:28:12,179

decided to camp on the spot we loved

670

00:28:16,370 --> 00:28:13,679

just west of the Shenandoah National

671

00:28:18,529 --> 00:28:16,380

Forest it's quiet off the beaten path

672

00:28:21,169 --> 00:28:18,539

and offers absolutely spectacular views

673

00:28:23,090 --> 00:28:21,179

of both Shenandoah and portions but

674

00:28:24,529 --> 00:28:23,100

George Washington National Forest to the

675

00:28:26,389 --> 00:28:24,539

West

676

00:28:28,430 --> 00:28:26,399

and on the first day and evening of the

677

00:28:30,169 --> 00:28:28,440

trip itself were nice and uneventful

678

00:28:32,510 --> 00:28:30,179

though we didn't sleep super well

679

00:28:35,570 --> 00:28:32,520

because of the humidity

680

00:28:37,310 --> 00:28:35,580

the um the next morning we decided to go

681

00:28:40,070 --> 00:28:37,320

for a hike and a portion of Jefferson

682

00:28:43,850 --> 00:28:40,080

National Forest we've never been before

683

00:28:46,610 --> 00:28:43,860

it com comprised of ATV trails and about

684

00:28:49,130 --> 00:28:46,620

a dozen campsites but has the trails

685

00:28:50,810 --> 00:28:49,140

that lead to an old fire tower we always

686

00:28:53,210 --> 00:28:50,820

want to check out

687

00:28:55,909 --> 00:28:53,220

we always wanted to check I was about a

688

00:28:57,649 --> 00:28:55,919

45 minute drive from our campsite mostly

689

00:28:59,690 --> 00:28:57,659

on back roads

690

00:29:02,450 --> 00:28:59,700

and when we got there the first thing

691

00:29:04,970 --> 00:29:02,460

that struck that stuck out to us was how

692

00:29:06,950 --> 00:29:04,980

empty the campsites were

693

00:29:08,990 --> 00:29:06,960

we actually didn't Camp there the night

694

00:29:11,630 --> 00:29:09,000

before because we had heard the site had

695

00:29:14,029 --> 00:29:11,640

used it was usually packed and we knew

696

00:29:16,490 --> 00:29:14,039

we wouldn't be arriving early enough to

697

00:29:18,169 --> 00:29:16,500

in the weekend to get a spot there were

698

00:29:20,930 --> 00:29:18,179

only two spots taken

699

00:29:23,090 --> 00:29:20,940

and one was a desiccated tank and a

700

00:29:24,769 --> 00:29:23,100

bunch of garbage it looked like somebody

701

00:29:27,529 --> 00:29:24,779

had been there for a while but it was

702

00:29:29,210 --> 00:29:27,539

more deserted when we arrived but it was

703

00:29:31,430 --> 00:29:29,220

deserved when we arrived in the other

704

00:29:32,990 --> 00:29:31,440

there was a young woman I'm guessing in

705

00:29:35,870 --> 00:29:33,000

her late teens setting up a small

706

00:29:37,970 --> 00:29:35,880

backpacking tent there was a truck in

707

00:29:39,169 --> 00:29:37,980

one other smaller car in the parking

708

00:29:41,690 --> 00:29:39,179

area

709

00:29:43,430 --> 00:29:41,700

now we uh we parked and started getting

710

00:29:45,889 --> 00:29:43,440

our gear together and the woman

711

00:29:48,830 --> 00:29:45,899

approached us day as we knew where the

712

00:29:50,750 --> 00:29:48,840

trailhead was I I told her that we

713

00:29:54,110 --> 00:29:50,760

read that it's branched off about 100

714

00:29:56,570 --> 00:29:54,120

yards into one of the ATV tracks but we

715

00:29:59,090 --> 00:29:56,580

weren't completely 100 sure which

716

00:30:01,070 --> 00:29:59,100

since I was getting such weird Vibes in

717

00:30:04,310 --> 00:30:01,080

the place I kind of hoped she'd stick

718

00:30:05,870 --> 00:30:04,320

around and go with us to find it but she

719

00:30:07,730 --> 00:30:05,880

just thanked us and took off in the

720

00:30:10,970 --> 00:30:07,740

general direction of the trail

721

00:30:13,190 --> 00:30:10,980

now we set off and walked up and down a

722

00:30:14,389 --> 00:30:13,200

few of the ATV trails until we found the

723

00:30:18,289 --> 00:30:14,399

walking path

724

00:30:20,269 --> 00:30:18,299

uh we saw two eight TV shoot by us in

725

00:30:21,769 --> 00:30:20,279

one point but otherwise didn't counter

726

00:30:23,210 --> 00:30:21,779

anyone else including the woman from

727

00:30:25,070 --> 00:30:23,220

earlier

728

00:30:26,690 --> 00:30:25,080

it took us about an hour to get to the

729

00:30:29,330 --> 00:30:26,700

top of the mountain where the fire tower

730

00:30:31,370 --> 00:30:29,340

was it's an old metal structure and you

731

00:30:32,930 --> 00:30:31,380

have to climb a narrow set of stairs to

732

00:30:35,750 --> 00:30:32,940

get to the top of it

733

00:30:37,730 --> 00:30:35,760

uh we got up looked around took some

734

00:30:40,010 --> 00:30:37,740

pictures Dodie heading down on so the

735

00:30:42,950 --> 00:30:40,020

view was kind of a letdown

736

00:30:45,049 --> 00:30:42,960

about halfway down we suck very suddenly

737

00:30:47,450 --> 00:30:45,059

everything stopped the birds and the

738

00:30:50,149 --> 00:30:47,460

bugs it was dead silent

739

00:30:52,450 --> 00:30:50,159

I don't know don't know quite how to put

740

00:30:55,190 --> 00:30:52,460

it in these into words but it felt like

741

00:30:57,289 --> 00:30:55,200

this ancientness of the forest was

742

00:30:59,630 --> 00:30:57,299

comforting and crushing us

743

00:31:01,310 --> 00:30:59,640

I felt trapped and cornered in spite of

744

00:31:02,990 --> 00:31:01,320

the expanse around us

745

00:31:06,169 --> 00:31:03,000

my partner and I looked at each other

746

00:31:07,310 --> 00:31:06,179

and wordlessly started to book it out of

747

00:31:09,169 --> 00:31:07,320

there

748

00:31:11,149 --> 00:31:09,179

we started running back to the car but

749

00:31:12,649 --> 00:31:11,159

the feeling only followed us

750

00:31:14,690 --> 00:31:12,659

as we were rounding one of the

751
00:31:15,830 --> 00:31:14,700
switchbacks we heard this on Earthly

752
00:31:18,769 --> 00:31:15,840
streak

753
00:31:22,850 --> 00:31:18,779
shriek like a cross between metal and

754
00:31:25,070 --> 00:31:22,860
metal and a choir screaming off key

755
00:31:27,889 --> 00:31:25,080
and we saw something I just got a

756
00:31:29,630 --> 00:31:27,899
glimpse of it before we blacked out I

757
00:31:32,269 --> 00:31:29,640
don't know how to describe it other than

758
00:31:35,450 --> 00:31:32,279
it looked huge despite clearly not

759
00:31:37,610 --> 00:31:35,460
taking up much physical space and moved

760
00:31:40,549 --> 00:31:37,620
in ribs and flashes

761
00:31:42,529 --> 00:31:40,559
it didn't have a car it just felt like

762
00:31:45,049 --> 00:31:42,539
evil and emptiness

763
00:31:47,029 --> 00:31:45,059

I probably only proceeded for a half a

764

00:31:48,529 --> 00:31:47,039

second before my memory just completely

765

00:31:50,930 --> 00:31:48,539

gave way

766

00:31:53,630 --> 00:31:50,940

now what we came to were sitting in the

767

00:31:56,149 --> 00:31:53,640

car and two hours had passed double

768

00:31:58,549 --> 00:31:56,159

length of time it took us to get there

769

00:32:00,769 --> 00:31:58,559

I I don't know if we had lost

770

00:32:02,029 --> 00:32:00,779

Consciousness or just somehow blacked

771

00:32:04,909 --> 00:32:02,039

out those hours

772

00:32:07,430 --> 00:32:04,919

I learned later the exact same thing had

773

00:32:09,409 --> 00:32:07,440

happened to my partner so both the cars

774

00:32:11,269 --> 00:32:09,419

were next to us in the parking lot and

775

00:32:13,190 --> 00:32:11,279

they were still just no those two tents

776

00:32:15,590 --> 00:32:13,200

at the campsite

777

00:32:17,750 --> 00:32:15,600

the woman wasn't in hers but it looked

778

00:32:19,549 --> 00:32:17,760

exactly the same as when she left I

779

00:32:21,350 --> 00:32:19,559

think about her all the time and I have

780

00:32:24,110 --> 00:32:21,360

spent a ton of time trying to figure out

781

00:32:25,730 --> 00:32:24,120

if someone went missing around that time

782

00:32:27,649 --> 00:32:25,740

of our trip

783

00:32:29,870 --> 00:32:27,659

I took a few months from my partner and

784

00:32:32,210 --> 00:32:29,880

I talked about that day we still love to

785

00:32:34,190 --> 00:32:32,220

hike but honestly I haven't been able to

786

00:32:36,649 --> 00:32:34,200

in the Appalachian Forest since that has

787

00:32:38,690 --> 00:32:36,659

happened I'm curious if others have had

788

00:32:41,269 --> 00:32:38,700

experiences like this

789

00:32:47,570 --> 00:32:41,279

now

790

00:32:50,210 --> 00:32:47,580

these natural Forest parks along the

791

00:32:52,970 --> 00:32:50,220

Appalachian Trail particularly and the

792

00:32:53,990 --> 00:32:52,980

Appalachian Mountains all up and down

793

00:32:56,450 --> 00:32:54,000

um

794

00:32:58,789 --> 00:32:56,460

you know there's a lot of anomalous

795

00:33:01,250 --> 00:32:58,799

activity it's reported

796

00:33:03,710 --> 00:33:01,260

especially in uh North Carolina and

797

00:33:06,049 --> 00:33:03,720

Tennessee up into Virginia up into

798

00:33:07,190 --> 00:33:06,059

Pennsylvania so we we got a lot of weird

799

00:33:08,630 --> 00:33:07,200

sightings

800

00:33:11,029 --> 00:33:08,640

uh

801
00:33:12,950 --> 00:33:11,039
you know the particular count sounds

802
00:33:15,529 --> 00:33:12,960
very similar to a few reports we

803
00:33:18,009 --> 00:33:15,539
received over the years in the Brown

804
00:33:20,090 --> 00:33:18,019
Mountain area in North Carolina

805
00:33:21,769 --> 00:33:20,100
people heard about the ground Mountain

806
00:33:23,870 --> 00:33:21,779
Lights well there's a lot of other weird

807
00:33:25,909 --> 00:33:23,880
stuff that happens around there too

808
00:33:28,009 --> 00:33:25,919
and beside the continuous light Anatomy

809
00:33:30,110 --> 00:33:28,019
is there's just anomalies

810
00:33:32,090 --> 00:33:30,120
there have been just a lot of loud other

811
00:33:34,370 --> 00:33:32,100
whirly Belling sounds that seem to come

812
00:33:36,409 --> 00:33:34,380
out of the scrap you know you know years

813
00:33:37,669 --> 00:33:36,419

ago we used to hear people talking about

814

00:33:40,310 --> 00:33:37,679

the um

815

00:33:42,230 --> 00:33:40,320

these unnatural and unknown sounds like

816

00:33:43,810 --> 00:33:42,240

a team to Bellow out of the sky for no

817

00:33:47,149 --> 00:33:43,820

reason at all

818

00:33:51,350 --> 00:33:47,159

uh but several these experiences have

819

00:33:53,149 --> 00:33:51,360

had lost time and uh not but nothing

820

00:33:56,509 --> 00:33:53,159

more than that so I don't know have they

821

00:33:58,970 --> 00:33:56,519

been taken were they uh

822

00:34:00,830 --> 00:33:58,980

I don't know it's just some type of an

823

00:34:02,690 --> 00:34:00,840

omelet we really don't have much uh

824

00:34:06,230 --> 00:34:02,700

explanation for

825

00:34:08,329 --> 00:34:06,240

so you know that's kind of it as far as

826

00:34:12,050 --> 00:34:08,339

the uh accounts if you have questions

827

00:34:14,869 --> 00:34:12,060

please feel free to ask ask them now

828

00:34:17,149 --> 00:34:14,879

uh Vincent

829

00:34:20,030 --> 00:34:17,159

I would like to know if Bob is from

830

00:34:22,730 --> 00:34:20,040

Vivian via if Bigfoot is taking the

831

00:34:27,649 --> 00:34:22,740

missing 4-1-1 into another dimension or

832

00:34:27,659 --> 00:34:29,690

um

833

00:34:34,849 --> 00:34:32,270

you know when David Pilates started

834

00:34:37,250 --> 00:34:34,859

reporting on these missing 4-1-1 cases I

835

00:34:38,930 --> 00:34:37,260

I first thought it was Bigfoot

836

00:34:41,270 --> 00:34:38,940

honestly

837

00:34:43,550 --> 00:34:41,280

But as time has passed now for the past

838

00:34:45,230 --> 00:34:43,560

decade or so I think it's more to do

839

00:34:47,930 --> 00:34:45,240

with corals

840

00:34:49,730 --> 00:34:47,940

and uh I have talked about this on the

841

00:34:52,010 --> 00:34:49,740

show before

842

00:34:53,810 --> 00:34:52,020

but uh and I've discussed in some of our

843

00:34:56,450 --> 00:34:53,820

round tables but I I think there's

844

00:34:58,670 --> 00:34:56,460

there's definitely portal activity and

845

00:35:01,250 --> 00:34:58,680

associated with it yeah it may be

846

00:35:04,550 --> 00:35:01,260

Bigfoot as well but I I think it's more

847

00:35:06,410 --> 00:35:04,560

portal people going into portals portals

848

00:35:08,810 --> 00:35:06,420

inadvertently not knowing it having lost

849

00:35:09,950 --> 00:35:08,820

time and such so

850

00:35:11,630 --> 00:35:09,960

um

851

00:35:14,089 --> 00:35:11,640

I think that's what I think that's the

852

00:35:16,609 --> 00:35:14,099

reason behind it

853

00:35:20,870 --> 00:35:16,619

any more questions

854

00:35:26,690 --> 00:35:23,329

how many Dogman sightings have you

855

00:35:28,970 --> 00:35:26,700

gotten in New York state got a few

856

00:35:35,510 --> 00:35:32,290

mostly up in the Adirondacks

857

00:35:39,050 --> 00:35:35,520

uh we've had a few up near

858

00:35:42,530 --> 00:35:39,060

um the Niagara area into Canada

859

00:35:48,890 --> 00:35:42,540

Southern ontarios had quite a few

860

00:35:48,900 --> 00:35:52,310

another question

861

00:35:56,750 --> 00:35:54,589

a new medicine for any crazy reports in

862

00:35:58,910 --> 00:35:56,760

the Adirondacks my mom likes to Camp

863

00:36:02,150 --> 00:35:58,920

there a lot yeah Anna rondacks Opera

864

00:36:04,150 --> 00:36:02,160

quite a few anomalies Bigfoot upright

865

00:36:07,730 --> 00:36:04,160

canines

866

00:36:10,250 --> 00:36:07,740

uh Faye folk little Folk

867

00:36:11,690 --> 00:36:10,260

you get up in near Cooperstown area up

868

00:36:13,430 --> 00:36:11,700

in there

869

00:36:15,430 --> 00:36:13,440

we've had a lot of little people

870

00:36:18,770 --> 00:36:15,440

sightings up there

871

00:36:20,690 --> 00:36:18,780

so uh yeah Adirondacks do have quite a

872

00:36:22,370 --> 00:36:20,700

few strange anomalies going on plus

873

00:36:26,150 --> 00:36:22,380

there's been some big cats scene up here

874

00:36:31,370 --> 00:36:28,910

Amber asks have there been any water

875

00:36:32,690 --> 00:36:31,380

related monsters beings recorded not

876

00:36:34,430 --> 00:36:32,700

lately especially here in the United

877

00:36:37,130 --> 00:36:34,440

States of course you could get something

878

00:36:38,990 --> 00:36:37,140

from Lake Loch Ness once in a while

879

00:36:40,370 --> 00:36:39,000

but as far here in the U.S we don't get

880

00:36:41,690 --> 00:36:40,380

a whole lot of it occasionally

881

00:36:43,670 --> 00:36:41,700

somebody'll come up with something if

882

00:36:46,069 --> 00:36:43,680

you look into the old reports

883

00:36:48,170 --> 00:36:46,079

uh there are some Lakes where people say

884

00:36:50,150 --> 00:36:48,180

there are actually monsters you know

885

00:36:52,790 --> 00:36:50,160

Lake Champlain

886

00:36:54,950 --> 00:36:52,800

uh there are a few Lakes up in uh

887

00:36:56,870 --> 00:36:54,960

Wisconsin people say they're monsters

888

00:37:01,310 --> 00:36:56,880

there's the um

889

00:37:04,010 --> 00:37:01,320

out west several in Idaho Colorado

890

00:37:05,870 --> 00:37:04,020

especially in California there have been

891

00:37:08,270 --> 00:37:05,880

sightings of

892

00:37:11,390 --> 00:37:08,280

actually Wing beans that come out of the

893

00:37:13,550 --> 00:37:11,400

water at some point so but more recently

894

00:37:15,530 --> 00:37:13,560

no we haven't had much at all I can't

895

00:37:19,250 --> 00:37:15,540

remember any actually

896

00:37:20,690 --> 00:37:19,260

the only thing I I know of or um

897

00:37:24,230 --> 00:37:20,700

you know what we've been talking about

898

00:37:26,210 --> 00:37:24,240

is the standard fare uh I don't get a

899

00:37:29,750 --> 00:37:26,220

whole lot of reports about um

900

00:37:32,569 --> 00:37:29,760

about Wing you know about uh aquatic

901
00:37:35,150 --> 00:37:32,579
monsters is all but occasionally we do

902
00:37:37,730 --> 00:37:35,160
uh Greg Moy is any tips on finding a

903
00:37:41,450 --> 00:37:37,740
good Bigfoot search area

904
00:37:44,750 --> 00:37:43,250
I know people like to go out looking for

905
00:37:46,730 --> 00:37:44,760
bigfoot

906
00:37:47,930 --> 00:37:46,740
I like to go squatching or whatever you

907
00:37:49,910 --> 00:37:47,940
want to call them they like going

908
00:37:53,930 --> 00:37:49,920
looking for evidence

909
00:37:55,609 --> 00:37:53,940
but I'd say 95 of the sightings are from

910
00:37:58,609 --> 00:37:55,619
people who are just out there doing what

911
00:38:00,770 --> 00:37:58,619
they do out there hiking you know

912
00:38:03,109 --> 00:38:00,780
minding their own business and they have

913
00:38:06,170 --> 00:38:03,119

an introvert you know

914

00:38:08,450 --> 00:38:06,180

they have a sighting you know that's

915

00:38:09,770 --> 00:38:08,460

what happens I very rarely somebody's

916

00:38:11,150 --> 00:38:09,780

going out there look for something to

917

00:38:13,310 --> 00:38:11,160

find something

918

00:38:15,170 --> 00:38:13,320

I'm not I'm not trying to just you know

919

00:38:18,050 --> 00:38:15,180

dissuade people from going out there and

920

00:38:21,109 --> 00:38:18,060

looking for bigfoot or other creatures

921

00:38:23,630 --> 00:38:21,119

but it really happens that way

922

00:38:29,510 --> 00:38:25,310

I don't know I you know I'm not really

923

00:38:33,109 --> 00:38:31,250

um I'm more of those that tries to

924

00:38:34,550 --> 00:38:33,119

follow up on something uh something

925

00:38:37,910 --> 00:38:34,560

somebody has seen

926

00:38:39,829 --> 00:38:37,920

uh we get a report follow-up on it just

927

00:38:40,810 --> 00:38:39,839

like what we do with what we do with our

928

00:38:43,010 --> 00:38:40,820

cases

929

00:38:45,349 --> 00:38:43,020

so uh

930

00:38:47,390 --> 00:38:45,359

so I don't know what area you're in but

931

00:38:48,710 --> 00:38:47,400

uh each state has its own areas of

932

00:38:51,050 --> 00:38:48,720

concentration

933

00:38:53,569 --> 00:38:51,060

so uh where there have been a lot of

934

00:38:55,730 --> 00:38:53,579

reports so I I would guess areas where

935

00:38:58,490 --> 00:38:55,740

there are a lot of reports that you'd

936

00:38:58,500 --> 00:39:07,250

so we got anything else

937

00:39:11,750 --> 00:39:10,010

Jose Sanchez have any of the missing

938

00:39:15,290 --> 00:39:11,760

people ever been reported to have

939

00:39:16,430 --> 00:39:15,300

returned again yeah most of them return

940

00:39:18,950 --> 00:39:16,440

um

941

00:39:20,750 --> 00:39:18,960

most of times it's they they return

942

00:39:22,190 --> 00:39:20,760

someplace other than where they were

943

00:39:25,150 --> 00:39:22,200

taken at

944

00:39:27,829 --> 00:39:25,160

sometimes many miles away

945

00:39:29,750 --> 00:39:27,839

but occasionally we have one that the

946

00:39:32,569 --> 00:39:29,760

person never shows up or has just never

947

00:39:35,630 --> 00:39:32,579

heard from again it does happen

948

00:39:39,410 --> 00:39:37,490

you know it's unfortunate I mean where

949

00:39:40,490 --> 00:39:39,420

do these people go what happens we don't

950

00:39:43,730 --> 00:39:40,500

know

951
00:39:46,550 --> 00:39:43,740
but uh I do believe that these are these

952
00:39:48,170 --> 00:39:46,560
are portals and uh here they go to

953
00:39:50,329 --> 00:39:48,180
another dimension do they go to another

954
00:39:53,569 --> 00:39:50,339
reality

955
00:39:55,849 --> 00:39:53,579
you know who knows but uh I I you know

956
00:39:58,790 --> 00:39:55,859
they talk about I've heard people talk

957
00:40:02,450 --> 00:39:58,800
about going into a portal

958
00:40:03,829 --> 00:40:02,460
and uh coming out or going into an area

959
00:40:05,150 --> 00:40:03,839
that looks very similar to where they

960
00:40:06,710 --> 00:40:05,160
came from

961
00:40:07,849 --> 00:40:06,720
but there's just something different

962
00:40:09,230 --> 00:40:07,859
about it

963
00:40:11,210 --> 00:40:09,240

so

964

00:40:13,130 --> 00:40:11,220

I think those are probably alternate

965

00:40:14,930 --> 00:40:13,140

realities

966

00:40:19,130 --> 00:40:14,940

so um

967

00:40:20,809 --> 00:40:19,140

yeah so uh zenwen Arizona any dog Man

968

00:40:23,630 --> 00:40:20,819

sightings in Arizona I've heard of

969

00:40:27,170 --> 00:40:23,640

Bigfoot sayings around the uh the going

970

00:40:29,329 --> 00:40:27,180

rim and lots of UFO side but really

971

00:40:31,730 --> 00:40:29,339

heard much about other side engineering

972

00:40:33,170 --> 00:40:31,740

yeah we have uh we have cryptic canines

973

00:40:34,970 --> 00:40:33,180

in Arizona

974

00:40:37,069 --> 00:40:34,980

especially Northern Arizona I've

975

00:40:38,410 --> 00:40:37,079

actually posted two or three in the past

976
00:40:40,730 --> 00:40:38,420
couple months

977
00:40:42,050 --> 00:40:40,740
most of the time they're seen along the

978
00:40:45,650 --> 00:40:42,060
roadway

979
00:40:50,150 --> 00:40:45,660
if they're coming down from

980
00:40:51,650 --> 00:40:50,160
from Utah or coming down into Arizona

981
00:40:53,329 --> 00:40:51,660
along those highways they just

982
00:40:54,530 --> 00:40:53,339
inadvertently see them on the side of

983
00:41:05,750 --> 00:40:54,540
the road

984
00:41:10,370 --> 00:41:08,630
