1  
00:01:23,030 --> 00:00:24,600

[Music]

2  
00:01:27,350 --> 00:01:25,030

hey folks good evening and welcome to

3  
00:01:29,830 --> 00:01:27,360

phantoms and monsters personal report

4  
00:01:31,670 --> 00:01:29,840

where i narrate some of the more recent

5  
00:01:33,510 --> 00:01:31,680

and past scripted and unexplained

6  
00:01:35,030 --> 00:01:33,520

sightings and encounters

7  
00:01:37,429 --> 00:01:35,040

that have been submitted to phantoms of

8  
00:01:40,069 --> 00:01:37,439

monsters so um i've also detailed

9  
00:01:42,069 --> 00:01:40,079

current past investigations on occasion

10  
00:01:44,149 --> 00:01:42,079

so thanks for joining me uh the fans of

11  
00:01:46,230 --> 00:01:44,159

monster radio channel is all is made

12  
00:01:48,710 --> 00:01:46,240

possible by you clicking

13  
00:01:51,270 --> 00:01:48,720

uh the subscribe button and by you

14

00:01:53,590 --> 00:01:51,280

sharing up programming super chats and

15

00:01:56,630 --> 00:01:53,600

super thanks donations are appreciated

16

00:01:58,870 --> 00:01:56,640

and buy me a coffee link is also located

17

00:02:00,149 --> 00:01:58,880

in the banner or below the description

18

00:02:02,389 --> 00:02:00,159

of the video

19

00:02:03,510 --> 00:02:02,399

uh thanks for your consideration and as

20

00:02:05,510 --> 00:02:03,520

well

21

00:02:08,150 --> 00:02:05,520

uh your comments are very important to

22

00:02:09,109 --> 00:02:08,160

us so uh if you have any comment any

23

00:02:10,229 --> 00:02:09,119

thoughts

24

00:02:11,910 --> 00:02:10,239

anything

25

00:02:14,869 --> 00:02:11,920

feel free to come back and leave a

26

00:02:17,589 --> 00:02:14,879

comment uh under the video

27

00:02:19,190 --> 00:02:17,599

so thanks for joining me so um

28

00:02:22,390 --> 00:02:19,200

tonight

29

00:02:24,550 --> 00:02:22,400

i dug up a few weird ones i hope you

30

00:02:25,510 --> 00:02:24,560

agree but uh they're pretty interesting

31

00:02:28,229 --> 00:02:25,520

um

32

00:02:30,630 --> 00:02:28,239

a teen girl observes what she first

33

00:02:32,710 --> 00:02:30,640

believes is a human baby

34

00:02:36,390 --> 00:02:32,720

crawling across the street in front of

35

00:02:37,830 --> 00:02:36,400

her now she soon realizes that this may

36

00:02:39,910 --> 00:02:37,840

be something else and it's quite

37

00:02:41,990 --> 00:02:39,920

disturbing

38

00:02:44,309 --> 00:02:42,000

uh you know i was going through

39

00:02:46,869 --> 00:02:44,319

a few boxes documents that i had placed

40

00:02:49,110 --> 00:02:46,879

in storage uh during my mood back in

41

00:02:51,589 --> 00:02:49,120

2016

42

00:02:54,309 --> 00:02:51,599

and when i did i found some old print

43

00:02:55,670 --> 00:02:54,319

outside i had made of emails that were

44

00:02:57,509 --> 00:02:55,680

sent to me

45

00:03:00,149 --> 00:02:57,519

long before

46

00:03:02,630 --> 00:03:00,159

i started phantoms of monsters blog so

47

00:03:04,710 --> 00:03:02,640

both were fairly mundane but this one

48

00:03:06,949 --> 00:03:04,720

was pretty interesting

49

00:03:09,509 --> 00:03:06,959

and in fact i i remember when i first

50

00:03:10,710 --> 00:03:09,519

read it uh i didn't really know what to

51

00:03:14,070 --> 00:03:10,720

make of it

52

00:03:15,509 --> 00:03:14,080

but anyway i'm offering to you now

53

00:03:17,750 --> 00:03:15,519

so

54

00:03:20,390 --> 00:03:17,760

she states before i begin i would like

55

00:03:22,550 --> 00:03:20,400

to say that i'm actually a skeptic and

56

00:03:23,589 --> 00:03:22,560

tried to rationalize what i feel is not

57

00:03:25,110 --> 00:03:23,599

rational

58

00:03:27,110 --> 00:03:25,120

i hear that a lot

59

00:03:29,910 --> 00:03:27,120

uh that being said

60

00:03:31,990 --> 00:03:29,920

most if not all my first-hand odd

61

00:03:33,830 --> 00:03:32,000

experiences occurred before i was an

62

00:03:36,309 --> 00:03:33,840

adult

63

00:03:39,430 --> 00:03:36,319

what i remember this incident is quite

64

00:03:42,390 --> 00:03:39,440

vivid i'm simply looking for the truth

65

00:03:44,630 --> 00:03:42,400

so i hope you understand

66

00:03:46,789 --> 00:03:44,640

uh that what i'm about to share is 100

67

00:03:48,789 --> 00:03:46,799

factual not embellished in the slightest

68

00:03:51,750 --> 00:03:48,799

i hope you or someone else can shed some

69

00:03:54,070 --> 00:03:51,760

light on what i actually saw

70

00:03:55,589 --> 00:03:54,080

back in 1990 i was a 16 year old high

71

00:03:57,110 --> 00:03:55,599

school kid

72

00:03:59,990 --> 00:03:57,120

and athlete

73

00:04:01,910 --> 00:04:00,000

with a normal middle class family living

74

00:04:04,470 --> 00:04:01,920

in suburban middle class neighborhood in

75

00:04:07,110 --> 00:04:04,480

bucks county pennsylvania which is just

76

00:04:08,869 --> 00:04:07,120

north or outside of philadelphia

77

00:04:10,390 --> 00:04:08,879

i remember it being in the autumn

78

00:04:12,309 --> 00:04:10,400

because there were leaves all over the

79

00:04:14,149 --> 00:04:12,319

ground and the crisp air is still fresh

80

00:04:15,910 --> 00:04:14,159

in my memory

81

00:04:18,150 --> 00:04:15,920

i just finished hanging out at a

82

00:04:20,310 --> 00:04:18,160

friend's house just down the road from

83

00:04:22,069 --> 00:04:20,320

mine it was about 7 p.m or so it was

84

00:04:23,830 --> 00:04:22,079

dusk

85

00:04:25,510 --> 00:04:23,840

about the time the street lights start

86

00:04:27,430 --> 00:04:25,520

to come on

87

00:04:29,590 --> 00:04:27,440

so the neighborhood i live in was a

88

00:04:31,590 --> 00:04:29,600

medium-sized development built just

89

00:04:33,670 --> 00:04:31,600

after world war ii

90

00:04:36,310 --> 00:04:33,680

everyone knew everyone

91

00:04:38,550 --> 00:04:36,320

and the traffic was quite was light due

92

00:04:39,990 --> 00:04:38,560

to the road ending at the end of the

93

00:04:41,830 --> 00:04:40,000

woods

94

00:04:44,790 --> 00:04:41,840

now as i was walking home i noticed

95

00:04:46,870 --> 00:04:44,800

something dash out of the bushes on my

96

00:04:49,030 --> 00:04:46,880

left side of the road

97

00:04:52,070 --> 00:04:49,040

i moved it moved rather quickly but

98

00:04:54,230 --> 00:04:52,080

strangely my first instinct was

99

00:04:56,790 --> 00:04:54,240

that it was an injured dog possibly hit

100

00:04:58,790 --> 00:04:56,800

by a car and dragging his hind legs

101  
00:05:00,310 --> 00:04:58,800  
now even though it was still far ahead

102  
00:05:02,150 --> 00:05:00,320  
of me

103  
00:05:04,550 --> 00:05:02,160  
it startled me and i stopped dead in my

104  
00:05:05,990 --> 00:05:04,560  
tracks now as i did so it stopped in the

105  
00:05:09,270 --> 00:05:06,000  
middle of the road

106  
00:05:11,350 --> 00:05:09,280  
i then got a very good look at it it was

107  
00:05:13,749 --> 00:05:11,360  
a human baby

108  
00:05:15,749 --> 00:05:13,759  
i remember thinking how in the hell did

109  
00:05:18,550 --> 00:05:15,759  
this baby manage to crawl the house and

110  
00:05:21,270 --> 00:05:18,560  
into the middle of the room

111  
00:05:23,430 --> 00:05:21,280  
i started to quickly make my way towards

112  
00:05:25,670 --> 00:05:23,440  
it to get it off the street i remember

113  
00:05:26,790 --> 00:05:25,680

being panicked but somewhat amused to be

114

00:05:28,950 --> 00:05:26,800

watered as

115

00:05:31,909 --> 00:05:28,960

i trotted towards it

116

00:05:34,070 --> 00:05:31,919

as i got near i started to realize that

117

00:05:37,029 --> 00:05:34,080

what i was running towards and

118

00:05:40,150 --> 00:05:37,039

what i was looking at was not a normal

119

00:05:42,950 --> 00:05:40,160

baby at least that was what i thought

120

00:05:45,670 --> 00:05:42,960

just before i suddenly froze

121

00:05:48,390 --> 00:05:45,680

the baby snapped its head around and

122

00:05:50,830 --> 00:05:48,400

with its weird empty eyes

123

00:05:53,510 --> 00:05:50,840

stared at me with a maniacal

124

00:05:54,710 --> 00:05:53,520

grin i just looked at it waiting for its

125

00:05:56,790 --> 00:05:54,720

next move

126

00:05:58,390 --> 00:05:56,800

at the same time i was thinking i'd

127

00:05:59,590 --> 00:05:58,400

better haul off in the opposite

128

00:06:01,670 --> 00:05:59,600

direction

129

00:06:04,150 --> 00:06:01,680

i backed all several feet but continued

130

00:06:06,390 --> 00:06:04,160

to watch his aberration

131

00:06:09,749 --> 00:06:06,400

it was about the size of a one-year-old

132

00:06:12,469 --> 00:06:09,759

child but naked and totally hairless

133

00:06:14,950 --> 00:06:12,479

it had muscular arms and weird short

134

00:06:16,870 --> 00:06:14,960

legs that dragged behind it

135

00:06:20,390 --> 00:06:16,880

it also looked wet and shiny like a

136

00:06:22,870 --> 00:06:20,400

glaze or a thick oil was put on it now

137

00:06:24,870 --> 00:06:22,880

after several seconds it quickly

138

00:06:27,590 --> 00:06:24,880

scurried away with its stumpy legs

139

00:06:29,510 --> 00:06:27,600

dragging back and forth behind it

140

00:06:32,150 --> 00:06:29,520

across the street then through the yard

141

00:06:33,990 --> 00:06:32,160

of the house but quickly disappeared

142

00:06:35,749 --> 00:06:34,000

i figured it made its way into the woods

143

00:06:38,230 --> 00:06:35,759

behind the house i stood there

144

00:06:41,350 --> 00:06:38,240

motionless and shocked in fact

145

00:06:43,749 --> 00:06:41,360

i leaned against a mailbox post

146

00:06:46,710 --> 00:06:43,759

until i regained my composure

147

00:06:49,029 --> 00:06:46,720

and when i did i it felt i felt like i

148

00:06:51,510 --> 00:06:49,039

needed to get home as soon as possible

149

00:06:53,270 --> 00:06:51,520

and spread it in that direction

150

00:06:55,350 --> 00:06:53,280

and when i got home i went directly into

151  
00:06:57,909 --> 00:06:55,360  
my room i didn't even eat dinner i told

152  
00:06:59,670 --> 00:06:57,919  
my mom that i wasn't feeling well

153  
00:07:01,589 --> 00:06:59,680  
i was in a strange mood for several

154  
00:07:03,830 --> 00:07:01,599  
weeks after that anyway

155  
00:07:05,670 --> 00:07:03,840  
the story doesn't end there

156  
00:07:08,150 --> 00:07:05,680  
a few years later i was told that a

157  
00:07:10,710 --> 00:07:08,160  
woman who had lived in the house

158  
00:07:12,150 --> 00:07:10,720  
where the deformed baby dragged itself

159  
00:07:15,270 --> 00:07:12,160  
into

160  
00:07:16,790 --> 00:07:15,280  
was thought to have dementia

161  
00:07:18,790 --> 00:07:16,800  
she would often call the police and

162  
00:07:21,749 --> 00:07:18,800  
accuse the neighbor kids of breaking

163  
00:07:23,510 --> 00:07:21,759

into her home and hiding in the basement

164

00:07:25,510 --> 00:07:23,520

the police would investigate but never

165

00:07:27,189 --> 00:07:25,520

found any evidence i don't know what

166

00:07:29,749 --> 00:07:27,199

eventually happened to her but i wonder

167

00:07:31,909 --> 00:07:29,759

if the spawn from hell baby

168

00:07:33,749 --> 00:07:31,919

may have been antagonizing her in living

169

00:07:35,110 --> 00:07:33,759

in the basement

170

00:07:38,309 --> 00:07:35,120

have you ever seen or heard anything

171

00:07:40,870 --> 00:07:38,319

like this thanks for reading

172

00:07:43,110 --> 00:07:40,880

uh you know i've heard some weird things

173

00:07:45,189 --> 00:07:43,120

before and you know these

174

00:07:47,670 --> 00:07:45,199

babies from hell dave double babies

175

00:07:50,070 --> 00:07:47,680

occasionally pop up

176

00:07:51,990 --> 00:07:50,080

but uh

177

00:07:54,070 --> 00:07:52,000

you know i did look into this at the

178

00:07:55,589 --> 00:07:54,080

time i think

179

00:07:57,670 --> 00:07:55,599

i don't know you even know when i got

180

00:08:00,950 --> 00:07:57,680

this it was somewhere around

181

00:08:03,510 --> 00:08:00,960

2000 2001 i can i believe

182

00:08:04,950 --> 00:08:03,520

and i i did go back and look into some

183

00:08:06,869 --> 00:08:04,960

of the records of bucks county and

184

00:08:09,350 --> 00:08:06,879

someone she did give me the road name

185

00:08:12,070 --> 00:08:09,360

though she asked me not to print it

186

00:08:14,070 --> 00:08:12,080

and uh i never found anything so who

187

00:08:17,510 --> 00:08:14,080

knows what she she ran into but i think

188

00:08:19,510 --> 00:08:17,520

she was purchasing sir about it

189

00:08:22,790 --> 00:08:19,520

so um let's see anybody got any

190

00:08:27,029 --> 00:08:24,150

could that baby

191

00:08:28,629 --> 00:08:27,039

been a baby pale humanoid who knows

192

00:08:31,990 --> 00:08:28,639

you know we all do wonder where these

193

00:08:34,550 --> 00:08:32,000

things come from is it is it actually

194

00:08:36,469 --> 00:08:34,560

a human baby that transforms somehow i

195

00:08:39,829 --> 00:08:36,479

don't know i mean i guess it's good

196

00:08:43,110 --> 00:08:39,839

answer or question as any

197

00:08:45,430 --> 00:08:43,120

yeah i mean it's pretty strange

198

00:08:48,470 --> 00:08:45,440

but you know these

199

00:08:50,470 --> 00:08:48,480

these were baby

200

00:08:53,110 --> 00:08:50,480

things you know even kids were doing

201  
00:08:56,230 --> 00:08:53,120  
kids and black eyed kids and they always

202  
00:08:58,790 --> 00:08:56,240  
freak me out so um

203  
00:09:01,030 --> 00:08:58,800  
so let's get to the next account uh a

204  
00:09:03,430 --> 00:09:01,040  
northeast pennsylvania man

205  
00:09:05,590 --> 00:09:03,440  
recalls his encounter with a pale

206  
00:09:07,430 --> 00:09:05,600  
crawler humanoid in the pocono mountains

207  
00:09:09,590 --> 00:09:07,440  
now people know the pocono mountains in

208  
00:09:11,590 --> 00:09:09,600  
northeast pennsylvania

209  
00:09:13,670 --> 00:09:11,600  
uh the appearance has deeply affected

210  
00:09:15,829 --> 00:09:13,680  
him rendering unable to continue outdoor

211  
00:09:18,230 --> 00:09:15,839  
activities

212  
00:09:19,750 --> 00:09:18,240  
so this is actually a recent account i

213  
00:09:22,710 --> 00:09:19,760

received um

214

00:09:24,310 --> 00:09:22,720

you cannot deny that people around the

215

00:09:26,389 --> 00:09:24,320

world are seeing or having legitimate

216

00:09:27,750 --> 00:09:26,399

experiences with these crawler humanoid

217

00:09:29,750 --> 00:09:27,760

creatures and

218

00:09:32,389 --> 00:09:29,760

rather one that resembles the being in

219

00:09:34,389 --> 00:09:32,399

the story myself included

220

00:09:37,190 --> 00:09:34,399

i've grown up with a relatively open

221

00:09:39,269 --> 00:09:37,200

mind in regards to strange phenomena and

222

00:09:42,389 --> 00:09:39,279

things that aren't generally accepted by

223

00:09:44,070 --> 00:09:42,399

mainstream science or society but always

224

00:09:46,550 --> 00:09:44,080

approach things with an appropriate

225

00:09:48,870 --> 00:09:46,560

skepticism

226

00:09:50,710 --> 00:09:48,880

i have spent the majority of my life in

227

00:09:52,470 --> 00:09:50,720

the woods hunting fishing mountain

228

00:09:55,110 --> 00:09:52,480

climbing miles deep into the back

229

00:09:58,070 --> 00:09:55,120

country and so within all that time i've

230

00:10:00,070 --> 00:09:58,080

observed many different animals plants

231

00:10:02,470 --> 00:10:00,080

and sometimes thing uh things i just

232

00:10:04,790 --> 00:10:02,480

simply could not explain

233

00:10:07,110 --> 00:10:04,800

i've gone camping and trekking solar

234

00:10:10,230 --> 00:10:07,120

many times in my life

235

00:10:12,150 --> 00:10:10,240

uh it was liberating just packed

236

00:10:14,870 --> 00:10:12,160

whatever you needed to survive and go

237

00:10:16,870 --> 00:10:14,880

deep miles deep into the back country

238

00:10:18,710 --> 00:10:16,880

where animals aren't even afraid to use

239

00:10:20,310 --> 00:10:18,720

simply because they aren't familiar with

240

00:10:22,949 --> 00:10:20,320

humans

241

00:10:25,509 --> 00:10:22,959

it felt so special to be the only

242

00:10:27,990 --> 00:10:25,519

one immersed in that environment but not

243

00:10:29,670 --> 00:10:28,000

ever but not anymore

244

00:10:31,670 --> 00:10:29,680

now

245

00:10:33,630 --> 00:10:31,680

hid behind all the natural beauty that

246

00:10:37,829 --> 00:10:33,640

is underlying

247

00:10:39,910 --> 00:10:37,839

anxiety fear and legitimate danger

248

00:10:42,870 --> 00:10:39,920

an environment that once felt so

249

00:10:44,710 --> 00:10:42,880

comforting and therapeutic turned into

250

00:10:47,430 --> 00:10:44,720

one that drew me absolutely magic

251  
00:10:49,430 --> 00:10:47,440  
questions is uncertainty

252  
00:10:50,550 --> 00:10:49,440  
and is now one

253  
00:10:58,829 --> 00:10:50,560  
i

254  
00:11:02,310 --> 00:10:58,839  
forest of north

255  
00:11:04,150 --> 00:11:02,320  
america it was uh 2006 in the pocono

256  
00:11:05,910 --> 00:11:04,160  
mountains of pennsylvania near dingman's

257  
00:11:08,310 --> 00:11:05,920  
ferry

258  
00:11:10,550 --> 00:11:08,320  
uh that i saw a creature that forever

259  
00:11:13,110 --> 00:11:10,560  
changed my life and the way i perceive

260  
00:11:14,710 --> 00:11:13,120  
the world we live in

261  
00:11:16,870 --> 00:11:14,720  
first time i had ever heard of the

262  
00:11:17,829 --> 00:11:16,880  
creature was during a conversation with

263  
00:11:20,310 --> 00:11:17,839

a friend

264

00:11:21,910 --> 00:11:20,320

who had lived in the area for years and

265

00:11:23,350 --> 00:11:21,920

encountered this creature on multiple

266

00:11:26,870 --> 00:11:23,360

occasions

267

00:11:29,430 --> 00:11:26,880

in very close proximity to his house

268

00:11:32,150 --> 00:11:29,440

i remember him asking me

269

00:11:33,829 --> 00:11:32,160

if i'd ever seen anything strange in the

270

00:11:35,269 --> 00:11:33,839

large plot of woods across the street

271

00:11:37,509 --> 00:11:35,279

from his house

272

00:11:39,110 --> 00:11:37,519

which in the time at the time i had not

273

00:11:41,590 --> 00:11:39,120

however

274

00:11:43,750 --> 00:11:41,600

uh long before it was brought up i i

275

00:11:47,430 --> 00:11:43,760

always had a deep feeling

276

00:11:50,310 --> 00:11:47,440

in my chest about that plot of woods

277

00:11:53,350 --> 00:11:50,320

i didn't know what it was i just knew

278

00:11:55,190 --> 00:11:53,360

that it carried a very heavy dark energy

279

00:11:57,509 --> 00:11:55,200

that was strong enough to encourage you

280

00:11:59,990 --> 00:11:57,519

to stay out

281

00:12:01,750 --> 00:12:00,000

now my friend took out his phone and

282

00:12:03,750 --> 00:12:01,760

showed me the picture of the crawler

283

00:12:05,990 --> 00:12:03,760

humanoid that comes up

284

00:12:07,030 --> 00:12:06,000

with any google search a very generic

285

00:12:09,269 --> 00:12:07,040

picture

286

00:12:11,350 --> 00:12:09,279

i laughed it off as he warned me about

287

00:12:13,590 --> 00:12:11,360

the creature being

288

00:12:15,190 --> 00:12:13,600

because i generally thought he was just

289

00:12:17,430 --> 00:12:15,200

growing marijuana or something in the

290

00:12:19,269 --> 00:12:17,440

woods and didn't want me to find out

291

00:12:21,350 --> 00:12:19,279

about it so

292

00:12:22,710 --> 00:12:21,360

i couldn't have been any more wrong once

293

00:12:24,629 --> 00:12:22,720

it passed

294

00:12:26,629 --> 00:12:24,639

with a little more than strange noises

295

00:12:28,949 --> 00:12:26,639

at night was the sound of some cars

296

00:12:32,470 --> 00:12:28,959

being carried off into the dark

297

00:12:35,269 --> 00:12:32,480

until the day that changed my life

298

00:12:36,470 --> 00:12:35,279

that that day that changed my life until

299

00:12:39,350 --> 00:12:36,480

it happened

300

00:12:41,910 --> 00:12:39,360

um it was midnight and a rainstorm had

301

00:12:43,910 --> 00:12:41,920

just dumped a bunch of rain

302

00:12:45,509 --> 00:12:43,920

i had a co-worker at the time had just

303

00:12:47,110 --> 00:12:45,519

clocked out they were heading to the

304

00:12:50,230 --> 00:12:47,120

friend's house who had warned me

305

00:12:52,629 --> 00:12:50,240

originally about the creature

306

00:12:55,110 --> 00:12:52,639

his house is on a long street road with

307

00:12:57,590 --> 00:12:55,120

a dead end and uh with very few houses

308

00:12:59,829 --> 00:12:57,600

on one side and the woods on the other

309

00:13:01,670 --> 00:12:59,839

as we were heading towards the road with

310

00:13:03,910 --> 00:13:01,680

high beams on

311

00:13:06,069 --> 00:13:03,920

my coworker slammed on the brakes and

312

00:13:08,230 --> 00:13:06,079

started freaking out saying he had just

313

00:13:10,069 --> 00:13:08,240

seen the creature kneeling down

314

00:13:11,910 --> 00:13:10,079

on the side of the road

315

00:13:14,069 --> 00:13:11,920

instantly without thought i jumped out

316

00:13:15,750 --> 00:13:14,079

of the car immediately heard

317

00:13:18,629 --> 00:13:15,760

running and crashing through the woods

318

00:13:20,790 --> 00:13:18,639

in a parallel line to the road

319

00:13:22,790 --> 00:13:20,800

now thankfully due to the hard braking

320

00:13:24,069 --> 00:13:22,800

the car shifted slightly so that the

321

00:13:25,990 --> 00:13:24,079

high beams

322

00:13:27,670 --> 00:13:26,000

were pointed into the woods and that's

323

00:13:29,990 --> 00:13:27,680

when i saw it

324

00:13:32,150 --> 00:13:30,000

that's when my life changed my belief

325

00:13:33,829 --> 00:13:32,160

shattered and my reality turned upside

326  
00:13:36,069 --> 00:13:33,839  
down

327  
00:13:38,550 --> 00:13:36,079  
six foot tall naked creature with gray

328  
00:13:40,389 --> 00:13:38,560  
white skin and long arms

329  
00:13:42,629 --> 00:13:40,399  
ran through the sectional woods fully

330  
00:13:45,350 --> 00:13:42,639  
illuminated by the headlights

331  
00:13:47,509 --> 00:13:45,360  
this gave me a second at least 15

332  
00:13:49,509 --> 00:13:47,519  
seconds of uninterrupted visual contact

333  
00:13:50,870 --> 00:13:49,519  
with the creature firmly implanted in my

334  
00:13:52,710 --> 00:13:50,880  
head

335  
00:13:59,110 --> 00:13:52,720  
um

336  
00:14:00,310 --> 00:13:59,120  
any obstacle in the way

337  
00:14:02,550 --> 00:14:00,320  
until it reached the point where the

338  
00:14:04,310 --> 00:14:02,560

headlines could no longer eliminate the

339

00:14:06,710 --> 00:14:04,320

woods

340

00:14:09,189 --> 00:14:06,720

it then pretended to jump

341

00:14:11,350 --> 00:14:09,199

and run deeper into the woods however it

342

00:14:13,189 --> 00:14:11,360

actually turned and headed back to the

343

00:14:15,509 --> 00:14:13,199

road where i lost sight of it in the

344

00:14:16,870 --> 00:14:15,519

dark part of the woods for about 30

345

00:14:18,310 --> 00:14:16,880

seconds

346

00:14:20,230 --> 00:14:18,320

now as i was standing in the middle of

347

00:14:22,150 --> 00:14:20,240

the road absolutely dumbfounded with my

348

00:14:24,790 --> 00:14:22,160

jaw to the ground

349

00:14:27,590 --> 00:14:24,800

trying to comprehend the severity of the

350

00:14:29,590 --> 00:14:27,600

situation it then crawled out of the

351  
00:14:31,990 --> 00:14:29,600  
woods and crossed the road on all fours

352  
00:14:34,310 --> 00:14:32,000  
about 60 yards away from me

353  
00:14:36,470 --> 00:14:34,320  
and disappeared into the woods on the

354  
00:14:38,470 --> 00:14:36,480  
other side

355  
00:14:40,629 --> 00:14:38,480  
now i've been tormented by this creature

356  
00:14:42,710 --> 00:14:40,639  
since it makes me confused sad and

357  
00:14:45,750 --> 00:14:42,720  
curious

358  
00:14:47,350 --> 00:14:45,760  
i can't get the image out of my head

359  
00:14:50,230 --> 00:14:47,360  
i can't forget the feelings that the

360  
00:14:52,310 --> 00:14:50,240  
creature gave me while i lived there

361  
00:14:55,269 --> 00:14:52,320  
playing and toying in my head and waking

362  
00:14:57,189 --> 00:14:55,279  
life and in my dreams

363  
00:14:59,590 --> 00:14:57,199

i won't go into the back country alone

364

00:15:02,069 --> 00:14:59,600

anymore i can't enjoy the solitude

365

00:15:03,030 --> 00:15:02,079

without anxiety ruining it i can't be

366

00:15:05,030 --> 00:15:03,040

frank

367

00:15:07,350 --> 00:15:05,040

the creature exists and so do others

368

00:15:09,670 --> 00:15:07,360

that we just can't understand and people

369

00:15:12,470 --> 00:15:09,680

must realize that this

370

00:15:14,710 --> 00:15:12,480

uh that this so they can enjoy nature

371

00:15:16,790 --> 00:15:14,720

while also being safe

372

00:15:19,590 --> 00:15:16,800

i'm not sure how this account will be

373

00:15:20,790 --> 00:15:19,600

taken i'm not really sure why i felt

374

00:15:26,550 --> 00:15:20,800

like

375

00:15:28,069 --> 00:15:26,560

come forward with my story but it's

376

00:15:30,310 --> 00:15:28,079

eating me alive

377

00:15:32,230 --> 00:15:30,320

it's giving me crippling anxiety and i

378

00:15:33,749 --> 00:15:32,240

have to do something to try to get this

379

00:15:34,710 --> 00:15:33,759

off my chest

380

00:15:37,030 --> 00:15:34,720

believe me

381

00:15:39,110 --> 00:15:37,040

or don't that doesn't matter to me i

382

00:15:40,710 --> 00:15:39,120

just want people to be safe and i want

383

00:15:43,990 --> 00:15:40,720

my freedom back

384

00:15:47,189 --> 00:15:44,000

and a coming out about this will help

385

00:15:49,509 --> 00:15:47,199

then i'll do something so um

386

00:15:51,030 --> 00:15:49,519

the world truly isn't all that it seems

387

00:15:52,790 --> 00:15:51,040

to be

388

00:15:54,550 --> 00:15:52,800

and you know i hear a lot of that about

389

00:15:56,790 --> 00:15:54,560

a lot of creatures you know this pale

390

00:15:59,590 --> 00:15:56,800

humanoid phenomena

391

00:16:01,590 --> 00:15:59,600

has really

392

00:16:05,189 --> 00:16:01,600

it really does affect people and i i can

393

00:16:06,310 --> 00:16:05,199

understand why it looks like a human

394

00:16:07,430 --> 00:16:06,320

uh

395

00:16:10,150 --> 00:16:07,440

and and

396

00:16:11,509 --> 00:16:10,160

jose is saying these all sound like rigs

397

00:16:13,749 --> 00:16:11,519

well

398

00:16:15,350 --> 00:16:13,759

you know rake is just a term i mean you

399

00:16:17,910 --> 00:16:15,360

know it's just like all these other

400

00:16:20,389 --> 00:16:17,920

terms flesh gate rakes

401  
00:16:23,110 --> 00:16:20,399  
you know i i think the overall i think

402  
00:16:25,350 --> 00:16:23,120  
the overall description of

403  
00:16:26,949 --> 00:16:25,360  
crawler humanoids is probably best i

404  
00:16:28,710 --> 00:16:26,959  
mean even though they are upright in

405  
00:16:29,829 --> 00:16:28,720  
some occasions they're all fours and

406  
00:16:31,910 --> 00:16:29,839  
others

407  
00:16:34,069 --> 00:16:31,920  
um

408  
00:16:35,749 --> 00:16:34,079  
i i really don't know what to make of

409  
00:16:37,590 --> 00:16:35,759  
them you know i even wrote a book about

410  
00:16:39,189 --> 00:16:37,600  
it i still don't understand what to make

411  
00:16:41,670 --> 00:16:39,199  
of these things

412  
00:16:44,629 --> 00:16:41,680  
but uh

413  
00:16:47,030 --> 00:16:44,639

i don't know uh you know

414

00:16:52,310 --> 00:16:47,040

if you have any any comments on it feel

415

00:16:55,590 --> 00:16:53,910

and if you get a chance to read my book

416

00:16:56,790 --> 00:16:55,600

i mean i have a lot of different stuff

417

00:16:59,189 --> 00:16:56,800

in there

418

00:17:00,949 --> 00:16:59,199

and um

419

00:17:02,389 --> 00:17:00,959

i don't even know i may have this

420

00:17:04,309 --> 00:17:02,399

account in there there were a lot of

421

00:17:08,150 --> 00:17:04,319

accounts i didn't put in the book but i

422

00:17:12,069 --> 00:17:10,150

okay here's a recent one this is

423

00:17:13,990 --> 00:17:12,079

interesting

424

00:17:15,590 --> 00:17:14,000

as many of you folks know i used to live

425

00:17:17,510 --> 00:17:15,600

in maryland i lived down there for about

426

00:17:19,829 --> 00:17:17,520

40 years i was born and raised in this

427

00:17:21,510 --> 00:17:19,839

area where i'm at now near in hanover

428

00:17:23,829 --> 00:17:21,520

near gettysburg

429

00:17:26,549 --> 00:17:23,839

but i when i got out of high school i

430

00:17:28,470 --> 00:17:26,559

moved down to the baltimore metro area

431

00:17:30,789 --> 00:17:28,480

and lived down there for almost 40 years

432

00:17:32,630 --> 00:17:30,799

raised my family but later on moved back

433

00:17:33,510 --> 00:17:32,640

up

434

00:17:36,789 --> 00:17:33,520

uh

435

00:17:39,270 --> 00:17:36,799

so a lot of the weird stuff

436

00:17:41,669 --> 00:17:39,280

cryptid wise and otherwise including my

437

00:17:45,110 --> 00:17:41,679

encounter with bigfoot

438

00:17:47,270 --> 00:17:45,120

happened in maryland and

439

00:17:48,789 --> 00:17:47,280

for those who don't know

440

00:17:51,830 --> 00:17:48,799

the baltimore

441

00:17:55,190 --> 00:17:51,840

washington metro area has a lot of areas

442

00:17:56,710 --> 00:17:55,200

where bigfoot has been seen

443

00:17:57,990 --> 00:17:56,720

and reported

444

00:18:01,669 --> 00:17:58,000

so

445

00:18:03,590 --> 00:18:01,679

two telephone calls

446

00:18:05,190 --> 00:18:03,600

uh describing bigfoot activity and

447

00:18:07,669 --> 00:18:05,200

around the upper marlboro maryland

448

00:18:08,870 --> 00:18:07,679

community in prince george's county

449

00:18:10,070 --> 00:18:08,880

uh

450

00:18:12,710 --> 00:18:10,080

this region is well known for

451  
00:18:15,110 --> 00:18:12,720  
cryptocities it's also well known

452  
00:18:17,510 --> 00:18:15,120  
for the goat man the maryland goat man

453  
00:18:18,310 --> 00:18:17,520  
uh we're talking about the area around

454  
00:18:21,110 --> 00:18:18,320  
um

455  
00:18:22,470 --> 00:18:21,120  
the patuxent labs

456  
00:18:25,029 --> 00:18:22,480  
which have been

457  
00:18:28,549 --> 00:18:25,039  
these things have been seen uh these um

458  
00:18:30,230 --> 00:18:28,559  
these goat men goat man and other parts

459  
00:18:33,029 --> 00:18:30,240  
of prince george's county but there's

460  
00:18:34,870 --> 00:18:33,039  
been bigfoot activity too and as well

461  
00:18:35,750 --> 00:18:34,880  
i don't know if anybody is familiar with

462  
00:18:38,710 --> 00:18:35,760  
it but

463  
00:18:40,870 --> 00:18:38,720

in around hanover maryland

464

00:18:42,789 --> 00:18:40,880

which is anne arundel county around when

465

00:18:44,789 --> 00:18:42,799

they first started building the arundel

466

00:18:48,070 --> 00:18:44,799

mills mall

467

00:18:50,150 --> 00:18:48,080

uh atlas out in the suburbs they um they

468

00:18:52,310 --> 00:18:50,160

had some bigfoot encounters out there

469

00:18:54,950 --> 00:18:52,320

the construction people

470

00:18:56,950 --> 00:18:54,960

so um anyway

471

00:18:58,950 --> 00:18:56,960

so i received 200 reports today in

472

00:19:00,870 --> 00:18:58,960

regards to bigfoot activity along

473

00:19:03,270 --> 00:19:00,880

schoolhouse pond road in upper

474

00:19:05,750 --> 00:19:03,280

marlborough maryland and prince george's

475

00:19:09,430 --> 00:19:05,760

county now

476  
00:19:11,750 --> 00:19:09,440  
the first report received at 2 15 p.m on

477  
00:19:14,789 --> 00:19:11,760  
august 13th this year

478  
00:19:18,070 --> 00:19:14,799  
by telephone from cc who is a resident

479  
00:19:19,750 --> 00:19:18,080  
of northwest washington dc

480  
00:19:23,029 --> 00:19:19,760  
he and his friend were fishing at

481  
00:19:25,190 --> 00:19:23,039  
schoolhouse ponds since early morning

482  
00:19:27,669 --> 00:19:25,200  
after catching several fish they began

483  
00:19:30,070 --> 00:19:27,679  
to hear loud sustained whooping yells

484  
00:19:31,990 --> 00:19:30,080  
coming from the wooded area

485  
00:19:34,390 --> 00:19:32,000  
across the pond near the western branch

486  
00:19:36,789 --> 00:19:34,400  
of the patuxent river

487  
00:19:38,710 --> 00:19:36,799  
now the pair stopped fishing and listed

488  
00:19:40,070 --> 00:19:38,720

for several minutes as the sound

489

00:19:42,150 --> 00:19:40,080

continued

490

00:19:44,310 --> 00:19:42,160

it was around noon they decided to pack

491

00:19:46,310 --> 00:19:44,320

up and leave the location as they were

492

00:19:47,990 --> 00:19:46,320

leaving they asked a man

493

00:19:50,549 --> 00:19:48,000

who was walking his dog about the

494

00:19:52,630 --> 00:19:50,559

whooping sounds the response was that

495

00:19:55,669 --> 00:19:52,640

the sounds have been more frequent this

496

00:19:58,310 --> 00:19:55,679

summer than in previous years though

497

00:19:59,830 --> 00:19:58,320

he did not want to speculate as to the

498

00:20:02,789 --> 00:19:59,840

cause

499

00:20:05,430 --> 00:20:02,799

so when cece arrived home he called me

500

00:20:07,270 --> 00:20:05,440

to gather further information

501  
00:20:08,950 --> 00:20:07,280  
uh and i did tell him that prince

502  
00:20:10,630 --> 00:20:08,960  
george's county has been well known for

503  
00:20:13,430 --> 00:20:10,640  
bigfoot and various other cryptid

504  
00:20:15,510 --> 00:20:13,440  
activity now this guy has been born and

505  
00:20:16,470 --> 00:20:15,520  
raised in the washington

506  
00:20:19,029 --> 00:20:16,480  
uh

507  
00:20:20,950 --> 00:20:19,039  
uptown washington so you know this is a

508  
00:20:22,630 --> 00:20:20,960  
very urban area

509  
00:20:24,870 --> 00:20:22,640  
uh these guys decide to go out in the

510  
00:20:27,029 --> 00:20:24,880  
county do some fishing get out the woods

511  
00:20:28,070 --> 00:20:27,039  
and then they start hearing all this

512  
00:20:29,669 --> 00:20:28,080  
stuff so

513  
00:20:31,270 --> 00:20:29,679

he was kind of freaked out he didn't

514

00:20:32,390 --> 00:20:31,280

know much about bigfoot though he had

515

00:20:33,270 --> 00:20:32,400

heard of it

516

00:20:35,110 --> 00:20:33,280

uh

517

00:20:37,830 --> 00:20:35,120

but he just wanted to know what maybe he

518

00:20:39,750 --> 00:20:37,840

went what he was possibly dealing with

519

00:20:41,270 --> 00:20:39,760

so i i told him as much as i possibly

520

00:20:43,029 --> 00:20:41,280

could i gave him some of the history in

521

00:20:44,870 --> 00:20:43,039

the area well anyway interestingly

522

00:20:47,110 --> 00:20:44,880

enough

523

00:20:49,270 --> 00:20:47,120

approximately an hour later i received

524

00:20:51,909 --> 00:20:49,280

another telephone call from a property

525

00:20:55,110 --> 00:20:51,919

owner in the brock hall area who lives

526  
00:20:56,870 --> 00:20:55,120  
along old largo road who was concerned

527  
00:20:58,390 --> 00:20:56,880  
by the activity

528  
00:21:01,190 --> 00:20:58,400  
she had

529  
00:21:03,909 --> 00:21:01,200  
seen and heard around her property now

530  
00:21:06,549 --> 00:21:03,919  
this property is located about two miles

531  
00:21:08,070 --> 00:21:06,559  
north of upper marlboro so she was about

532  
00:21:10,070 --> 00:21:08,080  
two miles away from

533  
00:21:11,990 --> 00:21:10,080  
where these these other guys had heard

534  
00:21:15,110 --> 00:21:12,000  
these whipping sounds

535  
00:21:16,870 --> 00:21:15,120  
uh jh which is her initials commented

536  
00:21:19,990 --> 00:21:16,880  
about similar sounds

537  
00:21:21,990 --> 00:21:20,000  
reported by cc as well as observing

538  
00:21:23,830 --> 00:21:22,000

large dark figures moving through the

539

00:21:27,430 --> 00:21:23,840

woods

540

00:21:30,710 --> 00:21:27,440

now these locations are approximately 15

541

00:21:32,789 --> 00:21:30,720

miles south of the infamous uh patuxent

542

00:21:35,669 --> 00:21:32,799

research refuge which is well known for

543

00:21:37,510 --> 00:21:35,679

the supposed goat man sightings

544

00:21:39,510 --> 00:21:37,520

over the past several decades and the

545

00:21:42,549 --> 00:21:39,520

area has also been had reported bigfoot

546

00:21:44,710 --> 00:21:42,559

sightings and i think um

547

00:21:46,230 --> 00:21:44,720

vincent has some photographs of the

548

00:21:47,990 --> 00:21:46,240

bigfoot that have been

549

00:21:49,270 --> 00:21:48,000

that have been cited and photographed in

550

00:21:52,310 --> 00:21:49,280

those woods

551  
00:21:55,190 --> 00:21:52,320  
so here's an example of one report from

552  
00:21:57,590 --> 00:21:55,200  
september 24 2002

553  
00:21:59,669 --> 00:21:57,600  
just before sunset i had been fishing at

554  
00:22:01,909 --> 00:21:59,679  
cache lake fishing area in the north

555  
00:22:03,990 --> 00:22:01,919  
side of the lake i had packed up and

556  
00:22:06,230 --> 00:22:04,000  
started to walk towards my car

557  
00:22:09,350 --> 00:22:06,240  
i noticed movement in the small woods

558  
00:22:11,590 --> 00:22:09,360  
near route 197 turn off onto old laurel

559  
00:22:13,590 --> 00:22:11,600  
bowie road i know this area well

560  
00:22:15,190 --> 00:22:13,600  
because i used to be a old rail bird i

561  
00:22:18,390 --> 00:22:15,200  
used to go to

562  
00:22:20,390 --> 00:22:18,400  
uh laurel racetrack and buoy racetrack

563  
00:22:24,630 --> 00:22:20,400

when it was living a lot when i was

564

00:22:29,350 --> 00:22:26,470

i thought it may have been a small herd

565

00:22:31,270 --> 00:22:29,360

of deer as i was loading my trunk

566

00:22:33,110 --> 00:22:31,280

i heard a lot of grunt come from the

567

00:22:37,669 --> 00:22:33,120

woods

568

00:22:39,669 --> 00:22:37,679

turned around and saw what i can only

569

00:22:41,270 --> 00:22:39,679

describe as a bigfoot

570

00:22:44,390 --> 00:22:41,280

it was at least seven foot tall and

571

00:22:46,710 --> 00:22:44,400

covered in reddish brown hair all around

572

00:22:48,549 --> 00:22:46,720

it was standing with its legs apart it

573

00:22:50,870 --> 00:22:48,559

appeared to be upset and taking a

574

00:22:52,950 --> 00:22:50,880

menacing stance

575

00:22:55,830 --> 00:22:52,960

i then saw more movement behind the

576

00:22:58,310 --> 00:22:55,840

bigfoot whatever it was and i believe it

577

00:23:00,230 --> 00:22:58,320

may have been a juvenile it was hanging

578

00:23:02,630 --> 00:23:00,240

on the back with its arms draped around

579

00:23:04,630 --> 00:23:02,640

the bigfoot's neck

580

00:23:06,789 --> 00:23:04,640

i didn't get a very good look at the

581

00:23:08,630 --> 00:23:06,799

juvenile but i'm quite sure that is what

582

00:23:10,870 --> 00:23:08,640

i saw

583

00:23:12,710 --> 00:23:10,880

the bigfoot grunted again

584

00:23:15,110 --> 00:23:12,720

and looked directly at me it was

585

00:23:17,990 --> 00:23:15,120

probably about 200 feet from me but the

586

00:23:19,830 --> 00:23:18,000

remaining sunlight illuminated the beast

587

00:23:21,350 --> 00:23:19,840

i hurried to the car startled it and

588

00:23:24,789 --> 00:23:21,360

drove off

589

00:23:26,789 --> 00:23:24,799

definitely scared

590

00:23:29,590 --> 00:23:26,799

uh i mentioned my sighting to my friend

591

00:23:31,590 --> 00:23:29,600

who also fishes with me his eyes widened

592

00:23:34,070 --> 00:23:31,600

and his mouth dropped open

593

00:23:36,870 --> 00:23:34,080

he told me that his son had seen

594

00:23:39,430 --> 00:23:36,880

something similar week before cass lake

595

00:23:41,430 --> 00:23:39,440

uh my friend didn't believe his son and

596

00:23:43,830 --> 00:23:41,440

just brushed it off now this guy didn't

597

00:23:45,990 --> 00:23:43,840

want his name put out there

598

00:23:47,750 --> 00:23:46,000

uh now when i interviewed the witness he

599

00:23:49,350 --> 00:23:47,760

stated that he was familiar with the

600

00:23:51,350 --> 00:23:49,360

goat man sightings

601  
00:23:53,510 --> 00:23:51,360  
in the same general area several years

602  
00:23:55,669 --> 00:23:53,520  
prior though there have been bigfoot

603  
00:23:58,870 --> 00:23:55,679  
sightings in the refuge as well

604  
00:24:01,830 --> 00:23:58,880  
the bfro has a report from 2006. if you

605  
00:24:03,029 --> 00:24:01,840  
want to go onto the bfr oh look for

606  
00:24:05,269 --> 00:24:03,039  
bridge

607  
00:24:06,630 --> 00:24:05,279  
prince george's county in the listing

608  
00:24:08,549 --> 00:24:06,640  
it'll be there

609  
00:24:10,310 --> 00:24:08,559  
i know at least two other purported

610  
00:24:13,110 --> 00:24:10,320  
sightings within the refuge though i

611  
00:24:15,149 --> 00:24:13,120  
have not interviewed those witnesses

612  
00:24:19,190 --> 00:24:15,159  
now in early uh june

613  
00:24:21,110 --> 00:24:19,200

2016 the washington city paper got a tip

614

00:24:23,510 --> 00:24:21,120

about an apparent bigfoot sighting in

615

00:24:24,630 --> 00:24:23,520

patuxent research refuge near laurel

616

00:24:27,029 --> 00:24:24,640

maryland

617

00:24:29,110 --> 00:24:27,039

the tipster jeremy who asked not to be

618

00:24:30,470 --> 00:24:29,120

put not published his last name told the

619

00:24:32,950 --> 00:24:30,480

city desk

620

00:24:35,750 --> 00:24:32,960

that the previous morning he was driving

621

00:24:38,230 --> 00:24:35,760

his on brock bridge road near suburban

622

00:24:39,830 --> 00:24:38,240

airport he spotted what he thinks is a

623

00:24:42,710 --> 00:24:39,840

bigfoot

624

00:24:44,390 --> 00:24:42,720

i saw what i thought was a bear and so i

625

00:24:46,549 --> 00:24:44,400

pulled over to take some pictures and

626  
00:24:49,350 --> 00:24:46,559  
that's the pictures of vincennes

627  
00:24:50,950 --> 00:24:49,360  
he says um but when jeremy got a closer

628  
00:24:52,710 --> 00:24:50,960  
look he noticed the animal which he

629  
00:24:53,669 --> 00:24:52,720  
estimated was about six or seven foot

630  
00:24:56,789 --> 00:24:53,679  
tall

631  
00:24:59,110 --> 00:24:56,799  
was walking on two legs bears usually

632  
00:25:00,630 --> 00:24:59,120  
walk on all fours i know they can walk

633  
00:25:02,390 --> 00:25:00,640  
on two but

634  
00:25:05,110 --> 00:25:02,400  
uh he was waiting through the water and

635  
00:25:07,669 --> 00:25:05,120  
two features but i thought was strange

636  
00:25:09,269 --> 00:25:07,679  
he says so for nearly ten minutes jeremy

637  
00:25:10,149 --> 00:25:09,279  
watched and snapped pictures of the

638  
00:25:13,029 --> 00:25:10,159

beast

639

00:25:14,870 --> 00:25:13,039

at no point did a walk on four legs

640

00:25:16,470 --> 00:25:14,880

which he thought was strange and led him

641

00:25:18,789 --> 00:25:16,480

to believe he was witnessing the

642

00:25:20,789 --> 00:25:18,799

mystical beast

643

00:25:21,909 --> 00:25:20,799

though has never been proven to be a

644

00:25:22,870 --> 00:25:21,919

bigfoot

645

00:25:24,950 --> 00:25:22,880

the

646

00:25:27,750 --> 00:25:24,960

though it has never been proven that a

647

00:25:30,149 --> 00:25:27,760

bigfoot does or ever existed

648

00:25:32,549 --> 00:25:30,159

sightings of the majestic hairy creature

649

00:25:34,230 --> 00:25:32,559

date back to the mid 1800s and this is

650

00:25:36,390 --> 00:25:34,240

coming from the newspaper

651  
00:25:37,750 --> 00:25:36,400  
and there's been more than 3 000 total

652  
00:25:39,990 --> 00:25:37,760  
alleged sightings according to the

653  
00:25:41,510 --> 00:25:40,000  
bigfoot field researchers

654  
00:25:43,750 --> 00:25:41,520  
organization there have been at least a

655  
00:25:46,470 --> 00:25:43,760  
total of 35 alleged sightings in

656  
00:25:49,510 --> 00:25:46,480  
maryland which includes mine uh since

657  
00:25:51,669 --> 00:25:49,520  
1970. two of them have been the patuxent

658  
00:25:54,230 --> 00:25:51,679  
research refuge

659  
00:25:56,230 --> 00:25:54,240  
now the refuge which the u.s fish and

660  
00:25:58,789 --> 00:25:56,240  
wildlife service operates was

661  
00:26:01,350 --> 00:25:58,799  
established in 1936

662  
00:26:04,070 --> 00:26:01,360  
by president franklin roosevelt is the

663  
00:26:06,070 --> 00:26:04,080

nation's only national wildlife refuge

664

00:26:09,590 --> 00:26:06,080

established to support

665

00:26:12,149 --> 00:26:09,600

animal research or wildlife research

666

00:26:14,310 --> 00:26:12,159

this means the easy explanation for all

667

00:26:15,990 --> 00:26:14,320

this is that it's simply a big bear that

668

00:26:16,950 --> 00:26:16,000

likes walking on two legs instead of

669

00:26:19,269 --> 00:26:16,960

four

670

00:26:21,269 --> 00:26:19,279

in fact jeremy's girlfriend who was with

671

00:26:23,430 --> 00:26:21,279

him during his sighting suggests as much

672

00:26:25,350 --> 00:26:23,440

and she says and jeremy says i've driven

673

00:26:27,669 --> 00:26:25,360

up there hundreds of times and never

674

00:26:30,549 --> 00:26:27,679

seen anything like this and i doubt i'll

675

00:26:34,149 --> 00:26:30,559

ever sing like this again well i

676

00:26:37,590 --> 00:26:34,159

i tend to differ and i beg to differ

677

00:26:38,710 --> 00:26:37,600

i have been with other individuals

678

00:26:41,510 --> 00:26:38,720

that way

679

00:26:42,549 --> 00:26:41,520

first of all it is it isn't a national

680

00:26:46,390 --> 00:26:42,559

refuge

681

00:26:51,669 --> 00:26:49,190

the navy runs a lab and uh there's been

682

00:26:53,750 --> 00:26:51,679

a lot of things said about

683

00:26:54,630 --> 00:26:53,760

research

684

00:26:56,310 --> 00:26:54,640

you know

685

00:26:58,230 --> 00:26:56,320

all kinds of research being done there

686

00:26:59,269 --> 00:26:58,240

and you know in the baltimore washington

687

00:27:02,070 --> 00:26:59,279

area

688

00:27:03,990 --> 00:27:02,080

there are a lot of places that

689

00:27:05,909 --> 00:27:04,000

where there are buildings and

690

00:27:06,870 --> 00:27:05,919

and facilities that we really don't know

691

00:27:09,190 --> 00:27:06,880

what the hell they're there they're

692

00:27:11,029 --> 00:27:09,200

never marked so uh who knows what's

693

00:27:12,230 --> 00:27:11,039

going on but anyway

694

00:27:14,230 --> 00:27:12,240

uh

695

00:27:16,549 --> 00:27:14,240

i think it was a bigfoot in fact i've

696

00:27:18,710 --> 00:27:16,559

talked to people who have stated so that

697

00:27:21,029 --> 00:27:18,720

they've seen these things in there

698

00:27:24,070 --> 00:27:21,039

and throughout throughout the county and

699

00:27:25,590 --> 00:27:24,080

you know maryland itself overall

700

00:27:27,669 --> 00:27:25,600

does have a fairly decent amount of

701  
00:27:29,909 --> 00:27:27,679  
bigfoot activity

702  
00:27:39,350 --> 00:27:29,919  
so um

703  
00:27:42,789 --> 00:27:41,029  
we're getting a big crowd so i hope we

704  
00:27:44,389 --> 00:27:42,799  
uh people get some questions out when we

705  
00:27:48,149 --> 00:27:44,399  
can i guess we'll have at the end of the

706  
00:27:55,269 --> 00:27:50,870  
so

707  
00:27:57,269 --> 00:27:55,279  
ago where a fenwick

708  
00:27:59,669 --> 00:27:57,279  
michigan woman describes an encounter

709  
00:28:02,630 --> 00:27:59,679  
with a white dog monster that her

710  
00:28:06,470 --> 00:28:02,640  
daughters had at their home now i did

711  
00:28:08,389 --> 00:28:06,480  
talk to the witness um i'm still waiting

712  
00:28:09,590 --> 00:28:08,399  
to get the information from their

713  
00:28:11,110 --> 00:28:09,600

daughters

714

00:28:12,070 --> 00:28:11,120

directly and i don't know if that's

715

00:28:13,750 --> 00:28:12,080

gonna

716

00:28:15,510 --> 00:28:13,760

pan out she said they did make some

717

00:28:17,750 --> 00:28:15,520

sketches at the time

718

00:28:21,350 --> 00:28:17,760

so if that does make my way i will i

719

00:28:25,350 --> 00:28:23,269

she also recalls a previous encounter

720

00:28:27,350 --> 00:28:25,360

she had with a similar creature years

721

00:28:29,510 --> 00:28:27,360

later so

722

00:28:31,190 --> 00:28:29,520

here's what she states

723

00:28:33,190 --> 00:28:31,200

i would like to tell you

724

00:28:35,029 --> 00:28:33,200

of my daughter's siding

725

00:28:37,350 --> 00:28:35,039

daughters plural

726  
00:28:39,269 --> 00:28:37,360  
of what i believe could have been a dog

727  
00:28:42,389 --> 00:28:39,279  
man

728  
00:28:44,710 --> 00:28:42,399  
it was the fall of 2014

729  
00:28:46,630 --> 00:28:44,720  
i had recently started a new job at the

730  
00:28:47,750 --> 00:28:46,640  
veterans administration in saginaw

731  
00:28:51,269 --> 00:28:47,760  
michigan

732  
00:28:54,470 --> 00:28:51,279  
one hour 45 minutes away from my home

733  
00:28:55,830 --> 00:28:54,480  
i left for work by 6 15 to get to work

734  
00:28:59,909 --> 00:28:55,840  
by 8.

735  
00:29:01,669 --> 00:28:59,919  
my daughters were 14 and 10 at the time

736  
00:29:04,710 --> 00:29:01,679  
we live in the country in fenwick

737  
00:29:07,590 --> 00:29:04,720  
michigan which is multicorn county

738  
00:29:10,789 --> 00:29:07,600

and our driveway is about 100 yards long

739

00:29:12,870 --> 00:29:10,799

at about 7am i received a frantic call

740

00:29:15,269 --> 00:29:12,880

from my daughters they were yelling

741

00:29:16,950 --> 00:29:15,279

about a white dog monster that chased

742

00:29:19,110 --> 00:29:16,960

them back up the driveway and caused

743

00:29:21,430 --> 00:29:19,120

them to miss the bus

744

00:29:23,350 --> 00:29:21,440

i didn't believe them

745

00:29:26,310 --> 00:29:23,360

and i thought they made up the story so

746

00:29:28,789 --> 00:29:26,320

they didn't have i didn't get um too mad

747

00:29:30,310 --> 00:29:28,799

at them for missing the bus because i

748

00:29:32,870 --> 00:29:30,320

just started a new job and i couldn't

749

00:29:34,630 --> 00:29:32,880

turn around and take them to school

750

00:29:35,909 --> 00:29:34,640

it's important to note that both my

751  
00:29:38,149 --> 00:29:35,919  
daughters are straight-a students

752  
00:29:40,470 --> 00:29:38,159  
excreting extremely athletic and

753  
00:29:43,029 --> 00:29:40,480  
well-respected kids so

754  
00:29:46,789 --> 00:29:43,039  
and still are but have never before or

755  
00:29:47,990 --> 00:29:46,799  
bef after this incident missed the bus

756  
00:29:49,750 --> 00:29:48,000  
so

757  
00:29:51,669 --> 00:29:49,760  
after this incident both of them were

758  
00:29:53,350 --> 00:29:51,679  
terrified to go out at night anymore

759  
00:29:55,350 --> 00:29:53,360  
occasionally

760  
00:29:56,870 --> 00:29:55,360  
i would make them go out and get the

761  
00:29:58,950 --> 00:29:56,880  
chores done if they forgot to do it

762  
00:30:00,470 --> 00:29:58,960  
during the day like take the trash out

763  
00:30:03,269 --> 00:30:00,480

to the road

764

00:30:05,430 --> 00:30:03,279

and they would make me so mad saying

765

00:30:07,510 --> 00:30:05,440

that they were too scared and

766

00:30:09,269 --> 00:30:07,520

would i please just sit out

767

00:30:11,029 --> 00:30:09,279

on the porch and watch him which i

768

00:30:13,430 --> 00:30:11,039

always wound up doing

769

00:30:17,269 --> 00:30:13,440

or else the chore just wouldn't get done

770

00:30:20,070 --> 00:30:17,279

well fast forward to about a year ago

771

00:30:22,549 --> 00:30:20,080

the girls and i were sitting around

772

00:30:24,630 --> 00:30:22,559

watching tv show about the sightings

773

00:30:27,029 --> 00:30:24,640

of unconfirmed creatures like bigfoot in

774

00:30:29,350 --> 00:30:27,039

the loch ness monster etc

775

00:30:31,590 --> 00:30:29,360

at some point during the broadcast a

776  
00:30:32,549 --> 00:30:31,600  
segment of the beast of bray road came

777  
00:30:34,630 --> 00:30:32,559  
on

778  
00:30:36,070 --> 00:30:34,640  
and immediately the girls both shouted

779  
00:30:38,950 --> 00:30:36,080  
out that that was the thing they saw

780  
00:30:40,789 --> 00:30:38,960  
back in 2014

781  
00:30:41,750 --> 00:30:40,799  
and they were filled with anxiety and

782  
00:30:43,750 --> 00:30:41,760  
fear

783  
00:30:45,110 --> 00:30:43,760  
it was very evident to me after seeing

784  
00:30:47,029 --> 00:30:45,120  
their reaction

785  
00:30:50,710 --> 00:30:47,039  
and watching the segment on the creature

786  
00:30:53,269 --> 00:30:50,720  
that they had indeed seen this beast

787  
00:30:55,190 --> 00:30:53,279  
i felt terrible by not believing him or

788  
00:30:56,789 --> 00:30:55,200

even really ever listening to their

789

00:30:58,870 --> 00:30:56,799

story

790

00:31:00,710 --> 00:30:58,880

so after the show ended

791

00:31:03,509 --> 00:31:00,720

my oldest searched online for

792

00:31:05,830 --> 00:31:03,519

information how to report the sighting

793

00:31:08,230 --> 00:31:05,840

and left a message at one of the sites

794

00:31:10,549 --> 00:31:08,240

on the internet about what they had seen

795

00:31:13,029 --> 00:31:10,559

the next morning we also called and

796

00:31:14,789 --> 00:31:13,039

reported to the michigan dnr and the

797

00:31:16,950 --> 00:31:14,799

local police department

798

00:31:18,470 --> 00:31:16,960

but i don't believe that they took any

799

00:31:20,950 --> 00:31:18,480

of it seriously

800

00:31:22,870 --> 00:31:20,960

a little later that day we did receive a

801  
00:31:25,830 --> 00:31:22,880  
call from a person that got our message

802  
00:31:27,909 --> 00:31:25,840  
on the internet about their sighting

803  
00:31:29,110 --> 00:31:27,919  
my daughter informed them that what

804  
00:31:31,110 --> 00:31:29,120  
happened

805  
00:31:32,710 --> 00:31:31,120  
and what they saw and they took the

806  
00:31:33,830 --> 00:31:32,720  
report now during the months that

807  
00:31:35,750 --> 00:31:33,840  
followed

808  
00:31:37,190 --> 00:31:35,760  
i occasionally would search for

809  
00:31:38,310 --> 00:31:37,200  
information on the internet about the

810  
00:31:40,470 --> 00:31:38,320  
dogma

811  
00:31:44,710 --> 00:31:40,480  
and as crazy as it sounds i believe i

812  
00:31:46,630 --> 00:31:44,720  
saw one a good 25 years ago

813  
00:31:48,310 --> 00:31:46,640

i was with a boyfriend and we were

814

00:31:50,149 --> 00:31:48,320

cruising the back roads and drinking a

815

00:31:52,789 --> 00:31:50,159

few beers

816

00:31:55,909 --> 00:31:52,799

we were about a mile south of carson

817

00:31:58,710 --> 00:31:55,919

city michigan prison on blackmail road

818

00:32:00,789 --> 00:31:58,720

i turned my head and say to say

819

00:32:01,990 --> 00:32:00,799

something to him and when i look back at

820

00:32:04,549 --> 00:32:02,000

the road

821

00:32:06,470 --> 00:32:04,559

i saw a white creature that i thought

822

00:32:08,549 --> 00:32:06,480

was like crawling towards the ditch on

823

00:32:10,470 --> 00:32:08,559

the right side of the road

824

00:32:12,310 --> 00:32:10,480

now this creature was on the edge of the

825

00:32:13,669 --> 00:32:12,320

right side of the road i only saw for a

826

00:32:16,149 --> 00:32:13,679

split second

827

00:32:17,029 --> 00:32:16,159

and i only saw the right side of its

828

00:32:19,110 --> 00:32:17,039

body

829

00:32:21,190 --> 00:32:19,120

the second after i saw it

830

00:32:22,149 --> 00:32:21,200

the right front side of my truck grazed

831

00:32:27,190 --> 00:32:22,159

it

832

00:32:29,669 --> 00:32:27,200

my friend and i were both shocked and

833

00:32:31,909 --> 00:32:29,679

didn't know what the heck the thing was

834

00:32:34,070 --> 00:32:31,919

i had thought it was like crawling or

835

00:32:35,750 --> 00:32:34,080

dragging its back legs because the back

836

00:32:37,669 --> 00:32:35,760

side it would definitely look

837

00:32:39,669 --> 00:32:37,679

lower than the front legs and bent

838

00:32:44,630 --> 00:32:39,679

looking

839

00:32:46,230 --> 00:32:44,640

its legs or hips were injured hit by a

840

00:32:48,789 --> 00:32:46,240

car or something and trying to get

841

00:32:51,190 --> 00:32:48,799

across the road

842

00:32:52,549 --> 00:32:51,200

i backed the truck up and was very upset

843

00:32:54,950 --> 00:32:52,559

and nervous about

844

00:32:57,269 --> 00:32:54,960

because i had just i wasn't sure what

845

00:32:58,310 --> 00:32:57,279

this thing was and even crossed my mind

846

00:33:02,389 --> 00:32:58,320

that maybe

847

00:33:04,389 --> 00:33:02,399

it was a naked person that i had hit

848

00:33:07,669 --> 00:33:04,399

we shined the area and did not see any

849

00:33:09,669 --> 00:33:07,679

blood uh hair or her body i went back

850

00:33:10,870 --> 00:33:09,679

the next morning and looked again and

851  
00:33:12,630 --> 00:33:10,880  
found nothing

852  
00:33:14,549 --> 00:33:12,640  
i even listened to the news for the next

853  
00:33:16,470 --> 00:33:14,559  
several nights to see if there was any

854  
00:33:18,310 --> 00:33:16,480  
report of a hit and run or

855  
00:33:21,909 --> 00:33:18,320  
anything unusual like that thank god

856  
00:33:23,909 --> 00:33:21,919  
there was no report or anyone being hit

857  
00:33:25,750 --> 00:33:23,919  
so i described it to my family as

858  
00:33:27,990 --> 00:33:25,760  
looking like a sheep

859  
00:33:30,710 --> 00:33:28,000  
that had been sheared like with white

860  
00:33:32,710 --> 00:33:30,720  
skin like a naked body with no or not

861  
00:33:34,789 --> 00:33:32,720  
much hair

862  
00:33:36,830 --> 00:33:34,799  
but it was bigger than a sheep they all

863  
00:33:39,029 --> 00:33:36,840

teased me and insinuated that i was

864

00:33:41,269 --> 00:33:39,039

drunk it didn't take long before i

865

00:33:43,430 --> 00:33:41,279

stopped talking about it to them

866

00:33:46,549 --> 00:33:43,440

and the back of my mind began to doubt

867

00:33:48,870 --> 00:33:46,559

myself and what i said so

868

00:33:49,909 --> 00:33:48,880

over the years i i never forgot about it

869

00:33:51,830 --> 00:33:49,919

but

870

00:33:53,750 --> 00:33:51,840

i just never really thought about it

871

00:33:55,909 --> 00:33:53,760

anymore so after seeing the segment on

872

00:33:58,149 --> 00:33:55,919

the beast of bray road

873

00:33:59,830 --> 00:33:58,159

and realizing that my daughters were not

874

00:34:01,350 --> 00:33:59,840

making up the story i have been

875

00:34:03,190 --> 00:34:01,360

researching this creature on the

876

00:34:05,590 --> 00:34:03,200

internet for some reason i didn't

877

00:34:07,350 --> 00:34:05,600

correlate the animal excuse me the

878

00:34:09,510 --> 00:34:07,360

creatures seeing

879

00:34:11,669 --> 00:34:09,520

pictures and creatures that my daughter

880

00:34:13,750 --> 00:34:11,679

saw to the thing i saw

881

00:34:15,430 --> 00:34:13,760

that is until i began seeing pictures

882

00:34:16,550 --> 00:34:15,440

and drawings of the creature on the

883

00:34:18,710 --> 00:34:16,560

internet

884

00:34:21,190 --> 00:34:18,720

i realized after seeing some profound

885

00:34:22,950 --> 00:34:21,200

views of the beast that the thing i saw

886

00:34:25,510 --> 00:34:22,960

was probably not injured

887

00:34:26,710 --> 00:34:25,520

but instead it was in a squatting

888

00:34:28,869 --> 00:34:26,720

position

889

00:34:30,710 --> 00:34:28,879

i realized that his back legs weren't

890

00:34:32,869 --> 00:34:30,720

injured broken early form it was just

891

00:34:35,349 --> 00:34:32,879

sitting on a sponsor

892

00:34:37,750 --> 00:34:35,359

this also explains why

893

00:34:39,430 --> 00:34:37,760

it if it was already injured and then

894

00:34:41,030 --> 00:34:39,440

hit grazed by the truck

895

00:34:43,510 --> 00:34:41,040

we did not find anything because the

896

00:34:45,750 --> 00:34:43,520

angle was body when i saw it looked like

897

00:34:47,669 --> 00:34:45,760

the position of an animal unable to move

898

00:34:49,430 --> 00:34:47,679

its back legs and then

899

00:34:51,829 --> 00:34:49,440

to add to the collision the animal would

900

00:34:53,909 --> 00:34:51,839

not have made it far from the spot my

901  
00:34:56,069 --> 00:34:53,919  
vehicle struck the creature

902  
00:34:58,470 --> 00:34:56,079  
so however if the creature was in fact

903  
00:35:00,470 --> 00:34:58,480  
not injured but just squatting

904  
00:35:01,829 --> 00:35:00,480  
as seen from the profound view it would

905  
00:35:03,829 --> 00:35:01,839  
be reasonable to assume that the

906  
00:35:06,710 --> 00:35:03,839  
creature wasn't injured much from the

907  
00:35:08,310 --> 00:35:06,720  
collision the sampler simply ran away

908  
00:35:10,790 --> 00:35:08,320  
now if you would like to get the entire

909  
00:35:13,190 --> 00:35:10,800  
story my daughter's description

910  
00:35:15,190 --> 00:35:13,200  
deciding you can email me back we'd love

911  
00:35:17,109 --> 00:35:15,200  
to hear their if you'd love to hear

912  
00:35:19,190 --> 00:35:17,119  
their information

913  
00:35:20,470 --> 00:35:19,200

also before the last month i never said

914

00:35:22,870 --> 00:35:20,480

a word to my daughters about the

915

00:35:24,470 --> 00:35:22,880

creature i hit in my truck so

916

00:35:26,550 --> 00:35:24,480

there's nothing planned in their mind

917

00:35:28,790 --> 00:35:26,560

about the creature

918

00:35:31,270 --> 00:35:28,800

now the reason i'm writing this at this

919

00:35:33,349 --> 00:35:31,280

time is that recently i've talked to a

920

00:35:35,109 --> 00:35:33,359

few other people that have seen the same

921

00:35:37,349 --> 00:35:35,119

type of creature

922

00:35:38,870 --> 00:35:37,359

also the girls made me

923

00:35:40,630 --> 00:35:38,880

maybe a drawing of the creature that

924

00:35:41,990 --> 00:35:40,640

they had seen and i posted the drawing

925

00:35:44,390 --> 00:35:42,000

in our community

926  
00:35:46,230 --> 00:35:44,400  
group on facebook simply asking anybody

927  
00:35:48,390 --> 00:35:46,240  
to see a creature like this

928  
00:35:49,750 --> 00:35:48,400  
i received a few responses that gave me

929  
00:35:51,670 --> 00:35:49,760  
goosebumps

930  
00:35:53,829 --> 00:35:51,680  
uh if you if you'd like to hear about

931  
00:35:55,670 --> 00:35:53,839  
their encounter i could refer them to

932  
00:35:57,510 --> 00:35:55,680  
you well i i did

933  
00:35:59,349 --> 00:35:57,520  
i did talk to her

934  
00:36:02,790 --> 00:35:59,359  
i finally i finally got a hold of her

935  
00:36:04,230 --> 00:36:02,800  
through facebook and we talked by phone

936  
00:36:06,390 --> 00:36:04,240  
and that's been about three or four

937  
00:36:07,510 --> 00:36:06,400  
weeks ago and having her name from the

938  
00:36:08,790 --> 00:36:07,520

daughter so i don't know if they're

939

00:36:09,670 --> 00:36:08,800

gonna get back to me and i wish they

940

00:36:10,870 --> 00:36:09,680

would

941

00:36:12,310 --> 00:36:10,880

uh

942

00:36:14,550 --> 00:36:12,320

like i said if i get any more

943

00:36:25,030 --> 00:36:14,560

information i i will post it up in the

944

00:36:25,040 --> 00:36:29,670

okay

945

00:36:34,390 --> 00:36:31,750

so this next one is pretty interesting

946

00:36:36,230 --> 00:36:34,400

uh a southern louisiana man described

947

00:36:38,550 --> 00:36:36,240

his encounter with a bigfoot

948

00:36:41,270 --> 00:36:38,560

while delivering newspapers on the back

949

00:36:43,510 --> 00:36:41,280

rows of washington parish

950

00:36:46,150 --> 00:36:43,520

the creature was chasing a herd of cows

951  
00:36:47,990 --> 00:36:46,160  
across the road

952  
00:36:49,829 --> 00:36:48,000  
and i just i got this not long ago

953  
00:36:51,270 --> 00:36:49,839  
either so

954  
00:36:52,470 --> 00:36:51,280  
i don't know how really how old it is

955  
00:36:54,710 --> 00:36:52,480  
but um

956  
00:36:56,710 --> 00:36:54,720  
you know

957  
00:36:59,829 --> 00:36:56,720  
i i know i know this happened i think

958  
00:37:01,030 --> 00:36:59,839  
back in the 70s anyway yeah bigfoot does

959  
00:37:04,069 --> 00:37:01,040  
exist

960  
00:37:07,670 --> 00:37:04,079  
i saw one in the southern louisiana near

961  
00:37:11,349 --> 00:37:07,680  
bogalusa washington parish in 1978 while

962  
00:37:13,829 --> 00:37:11,359  
on the back roads no street lights

963  
00:37:14,950 --> 00:37:13,839

on that same road sparsi dotted

964

00:37:17,430 --> 00:37:14,960

houses

965

00:37:20,069 --> 00:37:17,440

was an old shack like bar

966

00:37:22,470 --> 00:37:20,079

with wooden posts to support the awning

967

00:37:24,150 --> 00:37:22,480

which had a horse tie up to one of the

968

00:37:26,710 --> 00:37:24,160

post

969

00:37:28,550 --> 00:37:26,720

lots of horses know where the barn where

970

00:37:30,870 --> 00:37:28,560

their barn is so you don't have to tell

971

00:37:33,589 --> 00:37:30,880

them how to get home

972

00:37:37,030 --> 00:37:33,599

it was three a.m and a uh on a week

973

00:37:39,430 --> 00:37:37,040

night and uh it's been a long time but i

974

00:37:41,589 --> 00:37:39,440

was taking the sentry news

975

00:37:44,310 --> 00:37:41,599

if i remember if that's what slidell

976

00:37:46,470 --> 00:37:44,320

louisiana paper was correctly named

977

00:37:49,670 --> 00:37:46,480

i was taking the pages to be printed at

978

00:37:51,910 --> 00:37:49,680

the boogaloosa newspaper print plan

979

00:37:54,630 --> 00:37:51,920

they print the newspapers then i'd

980

00:37:57,030 --> 00:37:54,640

bring the bundle bundles back to slidell

981

00:37:58,950 --> 00:37:57,040

to drop off at

982

00:38:00,870 --> 00:37:58,960

delivery kids homes and fill up

983

00:38:03,430 --> 00:38:00,880

newspaper stands

984

00:38:05,190 --> 00:38:03,440

i'd have to look at an old map maybe to

985

00:38:07,270 --> 00:38:05,200

figure the back roads i took from

986

00:38:09,109 --> 00:38:07,280

slidell to bogalusa

987

00:38:13,030 --> 00:38:09,119

i never went on the freeway this is

988

00:38:16,069 --> 00:38:15,270

now i was just doing the road limit or

989

00:38:18,550 --> 00:38:16,079

less

990

00:38:21,510 --> 00:38:18,560

with when out of the pitch dark

991

00:38:23,829 --> 00:38:21,520

came running from my left to my right

992

00:38:26,790 --> 00:38:23,839

a small herd of about seven or eight

993

00:38:28,790 --> 00:38:26,800

black and white cows

994

00:38:31,109 --> 00:38:28,800

the van wasn't new and the headlights

995

00:38:34,150 --> 00:38:31,119

had that yellowish tint to them so not

996

00:38:36,630 --> 00:38:34,160

terribly bright as today's headlights

997

00:38:38,150 --> 00:38:36,640

as i slammed the break bundles newspaper

998

00:38:40,470 --> 00:38:38,160

started shifting

999

00:38:42,870 --> 00:38:40,480

the van was full and stacked to the roof

1000

00:38:45,030 --> 00:38:42,880

up to the back of my seat but i kept my

1001  
00:38:46,470 --> 00:38:45,040  
eyes on the road as i did not want to

1002  
00:38:48,150 --> 00:38:46,480  
hit them

1003  
00:38:50,150 --> 00:38:48,160  
that be like hitting a bunch of deer i

1004  
00:38:52,390 --> 00:38:50,160  
could clearly see that these cows were

1005  
00:38:55,270 --> 00:38:52,400  
really scared

1006  
00:38:56,950 --> 00:38:55,280  
then i saw the upright whatever it was i

1007  
00:38:59,430 --> 00:38:56,960  
sure was not a cow

1008  
00:39:02,069 --> 00:38:59,440  
it was running along with them

1009  
00:39:04,630 --> 00:39:02,079  
the bipedal creatures arms pumped as

1010  
00:39:06,870 --> 00:39:04,640  
hard as it as it ran

1011  
00:39:09,670 --> 00:39:06,880  
i saw clearly a side view as i was

1012  
00:39:11,829 --> 00:39:09,680  
pulling to the side to stop

1013  
00:39:15,589 --> 00:39:11,839

uh there was no sidewalks at curb just

1014

00:39:18,150 --> 00:39:15,599

road dirt weeds rock grass etc

1015

00:39:20,470 --> 00:39:18,160

it was in the sticks

1016

00:39:21,270 --> 00:39:20,480

it was tall enough that i could see it

1017

00:39:23,750 --> 00:39:21,280

from

1018

00:39:25,270 --> 00:39:23,760

about the waist up over the cows tops of

1019

00:39:26,470 --> 00:39:25,280

their backs

1020

00:39:28,550 --> 00:39:26,480

so

1021

00:39:29,910 --> 00:39:28,560

how tall cows and then estimate its

1022

00:39:31,990 --> 00:39:29,920

weight

1023

00:39:33,990 --> 00:39:32,000

it didn't take it didn't look in my

1024

00:39:36,390 --> 00:39:34,000

direction his face was humanoid from the

1025

00:39:37,670 --> 00:39:36,400

side view with no prominent nose

1026

00:39:38,550 --> 00:39:37,680

just a bump

1027

00:39:43,910 --> 00:39:38,560

it

1028

00:39:45,270 --> 00:39:43,920

appeared a light color but not dark

1029

00:39:48,310 --> 00:39:45,280

um

1030

00:39:50,950 --> 00:39:48,320

i mentally re-ran thinking about it

1031

00:39:53,670 --> 00:39:50,960

while restacking bundles as they were

1032

00:39:56,390 --> 00:39:53,680

all gone long disappeared into the dark

1033

00:39:58,870 --> 00:39:56,400

when i went into the back of the van

1034

00:40:00,950 --> 00:39:58,880

it was clearly a bipedal being most

1035

00:40:03,430 --> 00:40:00,960

likely a bigfoot

1036

00:40:04,550 --> 00:40:03,440

i was close to swamp country near the

1037

00:40:06,309 --> 00:40:04,560

gulf

1038

00:40:09,750 --> 00:40:06,319

obviously it was just a flowing

1039

00:40:12,550 --> 00:40:09,760

long-haired body running with no clothes

1040

00:40:14,150 --> 00:40:12,560

i assumed it was a male as i couldn't i

1041

00:40:15,670 --> 00:40:14,160

could see his chest and his arms were

1042

00:40:18,069 --> 00:40:15,680

moving i didn't see no

1043

00:40:19,670 --> 00:40:18,079

mamillary glands and um

1044

00:40:21,910 --> 00:40:19,680

these cows were running

1045

00:40:23,430 --> 00:40:21,920

scared so that kept pace right up there

1046

00:40:24,870 --> 00:40:23,440

so they kept pace right up there with

1047

00:40:26,710 --> 00:40:24,880

them

1048

00:40:29,270 --> 00:40:26,720

you know i think i've only ever had one

1049

00:40:31,750 --> 00:40:29,280

other story of a bigfoot running

1050

00:40:33,190 --> 00:40:31,760

alongside or chasing cows but i guess it

1051  
00:40:34,230 --> 00:40:33,200  
does happen

1052  
00:40:41,990 --> 00:40:34,240  
uh

1053  
00:40:46,790 --> 00:40:44,550  
where carol asks where does bigfoot come

1054  
00:40:47,910 --> 00:40:46,800  
from well that's the big question isn't

1055  
00:40:50,710 --> 00:40:47,920  
it

1056  
00:40:55,990 --> 00:40:52,470  
is that um

1057  
00:40:57,750 --> 00:40:56,000  
is an indigenous species

1058  
00:40:59,750 --> 00:40:57,760  
does it come from somewhere else are

1059  
00:41:07,829 --> 00:40:59,760  
they

1060  
00:41:09,349 --> 00:41:07,839  
are all cryptids

1061  
00:41:10,490 --> 00:41:09,359  
portal travelers

1062  
00:41:11,670 --> 00:41:10,500  
dimensional travelers

1063  
00:41:13,750 --> 00:41:11,680

[Music]

1064

00:41:15,030 --> 00:41:13,760

maybe some are actually indigenous you

1065

00:41:17,190 --> 00:41:15,040

know it's a big

1066

00:41:18,870 --> 00:41:17,200

hard question to answer

1067

00:41:20,390 --> 00:41:18,880

and that's why we do what we do that's

1068

00:41:22,470 --> 00:41:20,400

what we look for

1069

00:41:24,150 --> 00:41:22,480

for clues as to what

1070

00:41:26,309 --> 00:41:24,160

these things are and from what people

1071

00:41:28,950 --> 00:41:26,319

tell us and i've always said you know

1072

00:41:31,990 --> 00:41:28,960

anecdotal evidence that is

1073

00:41:35,349 --> 00:41:32,000

uh people's experiences and uh

1074

00:41:38,230 --> 00:41:35,359

and what they tell us will give us

1075

00:41:40,230 --> 00:41:38,240

the most evidence as opposed to

1076

00:41:42,790 --> 00:41:40,240

finding to getting pictures taken and

1077

00:41:45,430 --> 00:41:42,800

such um

1078

00:41:48,069 --> 00:41:45,440

they they do observe and see how they

1079

00:41:50,470 --> 00:41:48,079

act and what they look like and describe

1080

00:41:51,589 --> 00:41:50,480

many times pictures just don't cover it

1081

00:41:53,829 --> 00:41:51,599

all

1082

00:41:55,349 --> 00:41:53,839

so when you ask what they are well we

1083

00:41:57,670 --> 00:41:55,359

really don't know what they are but i

1084

00:42:00,870 --> 00:41:57,680

guess hopefully at some point we will

1085

00:42:05,589 --> 00:42:03,910

so i think this is the last one for the

1086

00:42:06,790 --> 00:42:05,599

i don't know we'll see

1087

00:42:09,190 --> 00:42:06,800

um

1088

00:42:12,870 --> 00:42:09,200

an atlanta area woman explains to her

1089

00:42:14,710 --> 00:42:12,880

friend her alien abduction experiences

1090

00:42:16,470 --> 00:42:14,720

she recalls that her mother had also

1091

00:42:18,150 --> 00:42:16,480

been an experiencer and that the

1092

00:42:21,510 --> 00:42:18,160

constant abductions led to her

1093

00:42:23,270 --> 00:42:21,520

self-inflicted death

1094

00:42:25,990 --> 00:42:23,280

um

1095

00:42:28,150 --> 00:42:26,000

it's kind of a sad story but uh

1096

00:42:30,230 --> 00:42:28,160

nonetheless um

1097

00:42:31,829 --> 00:42:30,240

this the following account is an alien

1098

00:42:35,190 --> 00:42:31,839

dutch reporter originally submitted to

1099

00:42:37,750 --> 00:42:35,200

me back in april 2015

1100

00:42:41,670 --> 00:42:37,760

and i included a follow-up as well that

1101

00:42:45,190 --> 00:42:41,680

i received not too many years ago

1102

00:42:46,309 --> 00:42:45,200

now her original her original letter was

1103

00:42:47,829 --> 00:42:46,319

such

1104

00:42:50,150 --> 00:42:47,839

i live in a ground floor of a

1105

00:42:51,910 --> 00:42:50,160

condominium building in the atlanta

1106

00:42:53,750 --> 00:42:51,920

georgia suburb

1107

00:42:56,630 --> 00:42:53,760

i've only lived here for about four

1108

00:42:59,670 --> 00:42:56,640

months but i have felt uneasy with my

1109

00:43:02,470 --> 00:42:59,680

home since i moved in

1110

00:43:04,150 --> 00:43:02,480

i live alone and really socialized

1111

00:43:06,550 --> 00:43:04,160

but i do enjoy having an occasional

1112

00:43:08,790 --> 00:43:06,560

night out with friends

1113

00:43:11,109 --> 00:43:08,800

so one night a few weeks ago my close

1114

00:43:13,030 --> 00:43:11,119

friend josie spent the night on my couch

1115

00:43:14,630 --> 00:43:13,040

since she was in no condition to drive

1116

00:43:17,510 --> 00:43:14,640

home

1117

00:43:19,190 --> 00:43:17,520

uh this wasn't unusual because i enjoy

1118

00:43:19,990 --> 00:43:19,200

her company we're like sisters and i

1119

00:43:22,550 --> 00:43:20,000

haven't

1120

00:43:24,710 --> 00:43:22,560

known each other since grade school

1121

00:43:27,910 --> 00:43:24,720

so the next morning which is a sunday i

1122

00:43:32,230 --> 00:43:27,920

found josie sitting on my leather chase

1123

00:43:36,710 --> 00:43:34,790

she was wrapped in a white bed sheet

1124

00:43:38,470 --> 00:43:36,720

which i didn't recognize since all my

1125

00:43:40,950 --> 00:43:38,480

bedding is colored

1126  
00:43:42,550 --> 00:43:40,960  
there was an odd odor in the living room

1127  
00:43:46,470 --> 00:43:42,560  
which reminded me of an old musky

1128  
00:43:48,790 --> 00:43:46,480  
basement now as i walked closer to josie

1129  
00:43:51,670 --> 00:43:48,800  
she looked at me with wide bloodshed

1130  
00:43:53,910 --> 00:43:51,680  
eyes with tears screwing down her face

1131  
00:43:57,030 --> 00:43:53,920  
i asked her what was wrong she didn't

1132  
00:43:59,109 --> 00:43:57,040  
answer but hit her face in her hands

1133  
00:44:01,349 --> 00:43:59,119  
i sat down the front of the chase

1134  
00:44:03,430 --> 00:44:01,359  
watching and consoling josie

1135  
00:44:05,270 --> 00:44:03,440  
i was i was frightened wondering if

1136  
00:44:07,670 --> 00:44:05,280  
someone had broken into the condor last

1137  
00:44:10,470 --> 00:44:07,680  
night and assaulted josie

1138  
00:44:12,790 --> 00:44:10,480

josie what happened where did that white

1139

00:44:14,950 --> 00:44:12,800

bed sheet come from she raised her head

1140

00:44:16,790 --> 00:44:14,960

from her hands and said i was abducted

1141

00:44:18,069 --> 00:44:16,800

by aliens

1142

00:44:20,309 --> 00:44:18,079

what

1143

00:44:21,750 --> 00:44:20,319

did someone break in and hurt you she

1144

00:44:24,550 --> 00:44:21,760

looked at me and started to cry the

1145

00:44:26,470 --> 00:44:24,560

aliens took me away

1146

00:44:28,630 --> 00:44:26,480

i stood up and walked to the front door

1147

00:44:30,870 --> 00:44:28,640

all the locks were intact and the alarm

1148

00:44:32,550 --> 00:44:30,880

was still armed

1149

00:44:35,430 --> 00:44:32,560

it had been touched

1150

00:44:37,510 --> 00:44:35,440

i walked around the patio sliding door

1151  
00:44:38,470 --> 00:44:37,520  
the lock and alarm were attacked there

1152  
00:44:41,349 --> 00:44:38,480  
as well

1153  
00:44:43,510 --> 00:44:41,359  
nothing in the condo looked out of place

1154  
00:44:45,670 --> 00:44:43,520  
i walked back to josie inquired about

1155  
00:44:47,589 --> 00:44:45,680  
the white bed sheet again she said that

1156  
00:44:50,710 --> 00:44:47,599  
they took her clothes

1157  
00:44:52,630 --> 00:44:50,720  
and wrapped her in the in them before

1158  
00:44:54,069 --> 00:44:52,640  
they brought her back

1159  
00:44:55,990 --> 00:44:54,079  
they took her clothes and wrapped her in

1160  
00:44:58,550 --> 00:44:56,000  
which i guess was the sheet i could tell

1161  
00:45:01,190 --> 00:44:58,560  
that they were that she was serious

1162  
00:45:03,589 --> 00:45:01,200  
josie was always been a no nonsense

1163  
00:45:07,670 --> 00:45:03,599

person in fact i didn't remember ever

1164

00:45:12,470 --> 00:45:09,750

they know where i am again

1165

00:45:14,230 --> 00:45:12,480

again what do you mean that

1166

00:45:15,510 --> 00:45:14,240

when you say again

1167

00:45:17,190 --> 00:45:15,520

she asked if

1168

00:45:19,430 --> 00:45:17,200

she could take a shower and that she

1169

00:45:21,109 --> 00:45:19,440

would explain to me afterwards

1170

00:45:23,030 --> 00:45:21,119

i went into my bedroom and found

1171

00:45:25,190 --> 00:45:23,040

some clothes when i walked into

1172

00:45:27,910 --> 00:45:25,200

the bathroom she dropped the bed sheet

1173

00:45:30,790 --> 00:45:27,920

and i noticed a half dollar sized bruise

1174

00:45:32,470 --> 00:45:30,800

on the base of her spine

1175

00:45:35,430 --> 00:45:32,480

there were also a few patches of

1176  
00:45:36,710 --> 00:45:35,440  
greenish colored powder on her legs and

1177  
00:45:38,550 --> 00:45:36,720  
bed sheet

1178  
00:45:40,150 --> 00:45:38,560  
josie stepped in the shower i grabbed

1179  
00:45:42,870 --> 00:45:40,160  
the bed sheet and placed a large

1180  
00:45:45,349 --> 00:45:42,880  
shopping bag i had beside my bed

1181  
00:45:47,670 --> 00:45:45,359  
i then went on my way to the kitchen and

1182  
00:45:49,670 --> 00:45:47,680  
started brewing coffee

1183  
00:45:51,670 --> 00:45:49,680  
now josie stayed in the shower for about

1184  
00:45:53,670 --> 00:45:51,680  
45 minutes i said at the dining room

1185  
00:45:55,829 --> 00:45:53,680  
table wondering what could have possibly

1186  
00:45:58,470 --> 00:45:55,839  
transpired during the night

1187  
00:46:01,670 --> 00:45:58,480  
now after a while jersey walked into the

1188  
00:46:04,710 --> 00:46:01,680

dining room and sat down across me

1189

00:46:08,950 --> 00:46:06,470

you don't believe me do you

1190

00:46:11,670 --> 00:46:08,960

i replied you said that aliens took you

1191

00:46:13,910 --> 00:46:11,680

i don't believe in aliens on it

1192

00:46:15,270 --> 00:46:13,920

uh this was not the first time they came

1193

00:46:17,270 --> 00:46:15,280

for me

1194

00:46:18,790 --> 00:46:17,280

i put up with this since i was five

1195

00:46:20,790 --> 00:46:18,800

years old

1196

00:46:22,470 --> 00:46:20,800

my mama also experienced abductions

1197

00:46:25,030 --> 00:46:22,480

during her life

1198

00:46:27,510 --> 00:46:25,040

they never told us why

1199

00:46:30,069 --> 00:46:27,520

josie took a sip of coffee

1200

00:46:31,990 --> 00:46:30,079

it is painful and doesn't get any easier

1201  
00:46:33,829 --> 00:46:32,000  
it killed mama

1202  
00:46:35,910 --> 00:46:33,839  
josie's mom had committed suicide when

1203  
00:46:37,670 --> 00:46:35,920  
josie was in college

1204  
00:46:39,829 --> 00:46:37,680  
her father has never been part of her

1205  
00:46:41,829 --> 00:46:39,839  
life

1206  
00:46:44,950 --> 00:46:41,839  
i don't know how to respond but i do

1207  
00:46:47,109 --> 00:46:44,960  
know this if josie said she was abducted

1208  
00:46:48,230 --> 00:46:47,119  
then she believed that it happened and

1209  
00:46:50,550 --> 00:46:48,240  
she was the most

1210  
00:46:53,829 --> 00:46:50,560  
sincere person i know

1211  
00:46:55,670 --> 00:46:53,839  
her only voice was that she is a heavy

1212  
00:46:56,550 --> 00:46:55,680  
her only voice is that she's a heavy

1213  
00:47:00,390 --> 00:46:56,560

drinker

1214

00:47:02,790 --> 00:47:00,400

these abductions may be the reason why

1215

00:47:04,630 --> 00:47:02,800

we uh talk for most days she explained

1216

00:47:05,349 --> 00:47:04,640

that the encounters always begin with

1217

00:47:08,790 --> 00:47:05,359

her

1218

00:47:11,109 --> 00:47:08,800

waking up disrupt on the hard cold table

1219

00:47:13,030 --> 00:47:11,119

in a brightly lit room

1220

00:47:13,990 --> 00:47:13,040

the same aliens would tend to her each

1221

00:47:15,910 --> 00:47:14,000

time

1222

00:47:18,550 --> 00:47:15,920

these aliens were very human-like except

1223

00:47:20,630 --> 00:47:18,560

for their glistening yellow hair

1224

00:47:22,470 --> 00:47:20,640

there were males and females of various

1225

00:47:24,950 --> 00:47:22,480

sizes and heights

1226

00:47:26,069 --> 00:47:24,960

they all wore blue full body suits they

1227

00:47:27,750 --> 00:47:26,079

didn't walk

1228

00:47:29,670 --> 00:47:27,760

with their two legs but appeared to

1229

00:47:32,950 --> 00:47:29,680

float just an inch or two above the

1230

00:47:35,190 --> 00:47:32,960

black textured floor

1231

00:47:37,510 --> 00:47:35,200

there were other aliens present that was

1232

00:47:38,470 --> 00:47:37,520

small in stature with large heads and

1233

00:47:41,430 --> 00:47:38,480

eyes

1234

00:47:43,430 --> 00:47:41,440

these small beans were dark blue smocks

1235

00:47:45,190 --> 00:47:43,440

that reached the floor their duties were

1236

00:47:48,150 --> 00:47:45,200

unknown though

1237

00:47:50,309 --> 00:47:48,160

there was always several standing around

1238

00:47:52,230 --> 00:47:50,319

josie also said that she has endured

1239

00:47:54,069 --> 00:47:52,240

over two dozen abductions and that she

1240

00:47:55,910 --> 00:47:54,079

was told to expect further encounters

1241

00:47:58,150 --> 00:47:55,920

during her life

1242

00:48:00,069 --> 00:47:58,160

the last abduction was over a year ago

1243

00:48:01,430 --> 00:48:00,079

and ceased after she moved to another

1244

00:48:03,990 --> 00:48:01,440

house

1245

00:48:06,790 --> 00:48:04,000

she hoped that they may have lost track

1246

00:48:09,589 --> 00:48:06,800

of her now she realizes they always know

1247

00:48:13,910 --> 00:48:11,829

i suppose that i am most surprised that

1248

00:48:15,670 --> 00:48:13,920

i never had any idea that josie had

1249

00:48:17,510 --> 00:48:15,680

undergo this abuse

1250

00:48:19,910 --> 00:48:17,520

over the entire time

1251

00:48:22,470 --> 00:48:19,920

i've known her uh do i believe her i

1252

00:48:24,230 --> 00:48:22,480

have no reason not to believe her

1253

00:48:26,390 --> 00:48:24,240

and i plan to help her through the

1254

00:48:29,430 --> 00:48:26,400

continued exploitation by these

1255

00:48:31,670 --> 00:48:29,440

yellow-haired aliens

1256

00:48:33,589 --> 00:48:31,680

now

1257

00:48:36,150 --> 00:48:33,599

i'm going to note that this submission

1258

00:48:38,230 --> 00:48:36,160

was referred to me by ufo investigator

1259

00:48:39,589 --> 00:48:38,240

who's also an attorney in atlanta

1260

00:48:41,510 --> 00:48:39,599

georgia

1261

00:48:43,190 --> 00:48:41,520

the report was forwarded by a

1262

00:48:45,510 --> 00:48:43,200

middle-aged woman

1263

00:48:47,030 --> 00:48:45,520

who lived in the same general area her

1264

00:48:49,109 --> 00:48:47,040

entire life

1265

00:48:51,030 --> 00:48:49,119

after i received the report i was asked

1266

00:48:55,270 --> 00:48:51,040

to redact some of the contents after

1267

00:48:59,750 --> 00:48:57,829

i was later conte allowed to contact

1268

00:49:01,670 --> 00:48:59,760

josie's friend h

1269

00:49:03,750 --> 00:49:01,680

who wrote the original letter

1270

00:49:05,990 --> 00:49:03,760

she promised to keep me updated on her

1271

00:49:09,030 --> 00:49:06,000

friend's ordeal

1272

00:49:10,870 --> 00:49:09,040

so recently which

1273

00:49:12,230 --> 00:49:10,880

was about a year ago maybe even less a

1274

00:49:15,270 --> 00:49:12,240

year ago

1275

00:49:17,910 --> 00:49:15,280

uh i our contact i was contacted by

1276

00:49:21,910 --> 00:49:17,920

another attorney in atlanta

1277

00:49:24,230 --> 00:49:21,920

and was informed that according to h

1278

00:49:26,309 --> 00:49:24,240

josie had taken her own life in late

1279

00:49:29,030 --> 00:49:26,319

2021

1280

00:49:30,710 --> 00:49:29,040

and no further information was provided

1281

00:49:33,750 --> 00:49:30,720

so

1282

00:49:33,760 --> 00:49:37,030

i guess

1283

00:49:41,829 --> 00:49:38,069

late part

1284

00:49:44,549 --> 00:49:41,839

2021 you know the code thing was kind of

1285

00:49:45,990 --> 00:49:44,559

lifting by then so um

1286

00:49:48,390 --> 00:49:46,000

yeah i'm kind of hoping i get more

1287

00:49:51,030 --> 00:49:48,400

information on that but that that's kind

1288

00:49:53,430 --> 00:49:51,040

of a sad ending but honestly

1289

00:49:54,950 --> 00:49:53,440

this isn't unusual

1290

00:49:57,510 --> 00:49:54,960

um

1291

00:49:59,510 --> 00:49:57,520

we hear about this a lot uh people who

1292

00:50:02,150 --> 00:49:59,520

just can't handle it

1293

00:50:03,910 --> 00:50:02,160

so um yeah if you've got questions you

1294

00:50:05,670 --> 00:50:03,920

know

1295

00:50:13,030 --> 00:50:05,680

bring them out there i'll try to answer

1296

00:50:19,109 --> 00:50:16,069

why does bigfoot go after cattle

1297

00:50:20,950 --> 00:50:19,119

well i think they their food source

1298

00:50:25,430 --> 00:50:20,960

honestly

1299

00:50:30,150 --> 00:50:28,470

are our opportune killers and uh they do

1300

00:50:32,309 --> 00:50:30,160

eat flesh

1301  
00:50:34,390 --> 00:50:32,319  
and uh we have seen them or heard of

1302  
00:50:37,349 --> 00:50:34,400  
them hunting deer

1303  
00:50:39,589 --> 00:50:37,359  
or other small animals

1304  
00:50:40,950 --> 00:50:39,599  
if there's a cow or a calf or something

1305  
00:50:42,549 --> 00:50:40,960  
they can handle

1306  
00:50:44,790 --> 00:50:42,559  
or something that separates from the

1307  
00:50:46,069 --> 00:50:44,800  
groove i guess they'll take advantage of

1308  
00:50:46,870 --> 00:50:46,079  
it

1309  
00:50:48,549 --> 00:50:46,880  
so

1310  
00:50:49,829 --> 00:50:48,559  
maybe this bigfoot was hungry and just

1311  
00:50:58,870 --> 00:50:49,839  
chasing to

1312  
00:50:58,880 --> 00:51:08,069  
any more questions

1313  
00:51:08,079 --> 00:51:11,750

i guess not

1314

00:51:16,230 --> 00:51:13,990

well

1315

00:51:17,750 --> 00:51:16,240

i i do want to mention another thing we

1316

00:51:20,630 --> 00:51:17,760

we got a ninja i got an interesting

1317

00:51:25,190 --> 00:51:23,030

and we do have some trail cam photos and

1318

00:51:27,510 --> 00:51:25,200

of different things but we do have one

1319

00:51:30,790 --> 00:51:27,520

interesting trail came from a photo that

1320

00:51:32,390 --> 00:51:30,800

i showed the group today my team today

1321

00:51:35,430 --> 00:51:32,400

and uh

1322

00:51:42,630 --> 00:51:40,069

thought is is it is a bigfoot palm

1323

00:51:43,990 --> 00:51:42,640

on the camera this gentleman

1324

00:51:45,670 --> 00:51:44,000

and i'm not going to give the location

1325

00:51:47,190 --> 00:51:45,680

all i'm going to say is michigan i mean

1326

00:51:48,950 --> 00:51:47,200

wisconsin

1327

00:51:51,510 --> 00:51:48,960

and uh he has had a lifetime of

1328

00:51:53,589 --> 00:51:51,520

experience as possible abductions

1329

00:51:56,630 --> 00:51:53,599

and encounters and some pretty

1330

00:51:57,589 --> 00:51:56,640

interesting trail cam photos

1331

00:52:01,670 --> 00:51:57,599

uh

1332

00:52:04,870 --> 00:52:01,680

he mentioned his family has also had

1333

00:52:09,349 --> 00:52:04,880

experiences through most of their lives

1334

00:52:12,630 --> 00:52:10,790

you know i look forward to getting that

1335

00:52:14,710 --> 00:52:12,640

and getting it out to you

1336

00:52:16,309 --> 00:52:14,720

uh david jones locker what was the most

1337

00:52:20,150 --> 00:52:16,319

extreme abduction that you've heard

1338

00:52:23,910 --> 00:52:22,309

i guess the mandy story that i've

1339

00:52:26,390 --> 00:52:23,920

mentioned it's in my book about the

1340

00:52:28,069 --> 00:52:26,400

woman out in

1341

00:52:29,990 --> 00:52:28,079

western washington state who was

1342

00:52:30,829 --> 00:52:30,000

abducted and never returned we believe

1343

00:52:33,349 --> 00:52:30,839

she was

1344

00:52:34,710 --> 00:52:33,359

abducted but she literally never

1345

00:52:35,990 --> 00:52:34,720

returned

1346

00:52:37,910 --> 00:52:36,000

and uh

1347

00:52:39,829 --> 00:52:37,920

that case has never been resolved that's

1348

00:52:41,990 --> 00:52:39,839

been over 10 years ago i keep checking

1349

00:52:43,910 --> 00:52:42,000

to see if she shows up anywhere

1350

00:52:46,549 --> 00:52:43,920

uh i've checked the washington state

1351  
00:52:49,349 --> 00:52:46,559  
police several times and there's no

1352  
00:52:52,309 --> 00:52:49,359  
there's no hiding hair of her so

1353  
00:52:54,950 --> 00:52:52,319  
that's all we can um

1354  
00:52:58,309 --> 00:52:54,960  
and todd sees is another one that's very

1355  
00:53:03,910 --> 00:53:01,910  
i suggest you get my book um

1356  
00:53:07,270 --> 00:53:03,920  
le disclosure

1357  
00:53:09,750 --> 00:53:07,280  
experiences expose reality or go on to

1358  
00:53:14,549 --> 00:53:12,470  
go into my blog and search it you know i

1359  
00:53:17,589 --> 00:53:14,559  
i was thinking the other day that i may

1360  
00:53:24,230 --> 00:53:22,069  
do some narrated shows from that book

1361  
00:53:27,109 --> 00:53:24,240  
if people want that you know

1362  
00:53:28,790 --> 00:53:27,119  
see what people think about it

1363  
00:53:30,309 --> 00:53:28,800

there are some real interesting

1364

00:53:31,990 --> 00:53:30,319

there's some really interesting real

1365

00:53:33,510 --> 00:53:32,000

cases in there that i've invested and

1366

00:53:34,870 --> 00:53:33,520

been a part of

1367

00:53:37,190 --> 00:53:34,880

and uh

1368

00:53:39,829 --> 00:53:37,200

i was thinking about at one point taking

1369

00:53:40,829 --> 00:53:39,839

a couple hours and read the old david

1370

00:53:42,710 --> 00:53:40,839

eckhart

1371

00:53:43,750 --> 00:53:42,720

scenario

1372

00:53:45,990 --> 00:53:43,760

so

1373

00:53:56,390 --> 00:53:46,000

if you all want me to do that i can see

1374

00:54:00,309 --> 00:53:58,630

yeah you mentioned about going to o'hara

1375

00:54:02,390 --> 00:54:00,319

and searching and it's not going to be

1376  
00:54:04,950 --> 00:54:02,400  
easy to do they watch that thing like a

1377  
00:54:10,390 --> 00:54:07,829  
correlation between ra rh negative and

1378  
00:54:13,190 --> 00:54:10,400  
abductees

1379  
00:54:14,950 --> 00:54:13,200  
there are theories

1380  
00:54:18,150 --> 00:54:14,960  
um

1381  
00:54:20,390 --> 00:54:18,160  
i'm an abductee i know several abductees

1382  
00:54:24,549 --> 00:54:20,400  
most abductees that i have been involved

1383  
00:54:26,230 --> 00:54:24,559  
with are o negative which i am as well

1384  
00:54:28,390 --> 00:54:26,240  
uh that's one of the first things i do

1385  
00:54:31,589 --> 00:54:28,400  
ask experiencers

1386  
00:54:33,510 --> 00:54:31,599  
i'd say 75 percent or more are oh

1387  
00:54:35,190 --> 00:54:33,520  
negative blood

1388  
00:54:36,309 --> 00:54:35,200

that really doesn't prove anything i'd

1389

00:54:40,630 --> 00:54:36,319

suppose

1390

00:54:44,870 --> 00:54:43,349

with dna not necessarily the blood type

1391

00:54:46,789 --> 00:54:44,880

um

1392

00:54:48,470 --> 00:54:46,799

if there are any markers it can be

1393

00:54:51,190 --> 00:54:48,480

proved that there are dna markers that

1394

00:54:54,390 --> 00:54:51,200

can be traced back to others i i guess

1395

00:54:56,789 --> 00:54:54,400

that would be some evidence

1396

00:54:58,789 --> 00:54:56,799

your negative blood is not a very it's

1397

00:55:00,710 --> 00:54:58,799

not the common type of blood i mean you

1398

00:55:02,630 --> 00:55:00,720

know it's the universal what they call

1399

00:55:03,430 --> 00:55:02,640

the universal type

1400

00:55:06,230 --> 00:55:03,440

where

1401  
00:55:08,870 --> 00:55:06,240  
you know anybody can use a transfusion

1402  
00:55:09,750 --> 00:55:08,880  
as such it has no rh

1403  
00:55:11,910 --> 00:55:09,760  
um

1404  
00:55:13,190 --> 00:55:11,920  
factor to it

1405  
00:55:15,829 --> 00:55:13,200  
so uh

1406  
00:55:21,270 --> 00:55:17,750  
any encounters with alien doll mental

1407  
00:55:22,549 --> 00:55:21,280  
spacecraft you know what

1408  
00:55:24,390 --> 00:55:22,559  
not yet

1409  
00:55:28,150 --> 00:55:24,400  
i haven't received anything like that

1410  
00:55:32,630 --> 00:55:30,950  
that would be interesting to get

1411  
00:55:40,950 --> 00:55:32,640  
anybody has an account like that and

1412  
00:55:44,789 --> 00:55:43,109  
okay folks well we're gonna i'm gonna go

1413  
00:55:46,710 --> 00:55:44,799

ahead and wrap this up if you have an

1414

00:55:48,150 --> 00:55:46,720

unexplained counter sighting

1415

00:55:50,549 --> 00:55:48,160

feel free to contact me through the

1416

00:55:52,309 --> 00:55:50,559

phantoms of monsters blog site uh thanks

1417

00:55:53,510 --> 00:55:52,319

to each and all you for chatting this

1418

00:55:54,549 --> 00:55:53,520

evening

1419

00:55:56,789 --> 00:55:54,559

uh

1420

00:55:58,230 --> 00:55:56,799

any support you can give us is much

1421

00:56:00,549 --> 00:55:58,240

appreciated

1422

00:56:02,710 --> 00:56:00,559

uh it's what makes this all possible so

1423

00:56:03,910 --> 00:56:02,720

please like subscribe share and comment

1424

00:56:05,510 --> 00:56:03,920

please

1425

00:56:07,430 --> 00:56:05,520

uh and if you have a sudden your

1426  
00:56:09,510 --> 00:56:07,440  
encounter report that you'd like for me

1427  
00:56:10,630 --> 00:56:09,520  
to consider for the personal report

1428  
00:56:13,230 --> 00:56:10,640  
segment

1429  
00:56:16,549 --> 00:56:13,240  
uh send them to me at lawn stripper

1430  
00:56:17,589 --> 00:56:16,559  
phantomsomeoff.com now this friday night

1431  
00:56:20,950 --> 00:56:17,599  
uh

1432  
00:56:22,870 --> 00:56:20,960  
we present wt watson again

1433  
00:56:25,109 --> 00:56:22,880  
who's returning to discuss his newest

1434  
00:56:26,470 --> 00:56:25,119  
book concerning canadian monsters and

1435  
00:56:28,630 --> 00:56:26,480  
mysteries

1436  
00:56:31,349 --> 00:56:28,640  
uh bernadette mcdowell going to be a

1437  
00:56:33,270 --> 00:56:31,359  
co-hosting with me as well as well so it

1438  
00:56:34,549 --> 00:56:33,280

should be an interesting show

1439

00:56:37,349 --> 00:56:34,559

uh

1440

00:56:39,430 --> 00:56:37,359

travis or wt is always an interesting

1441

00:56:41,270 --> 00:56:39,440

guest very learning

1442

00:56:44,069 --> 00:56:41,280

very good writer so until then stay

1443

00:56:49,870 --> 00:56:44,079

healthy and have a safe enjoyable week
