

PHANTOMS & MONSTERS

RADIO

W.T. WATSON

RESEARCHER & AUTHOR

'CANADIAN MONSTERS & MYSTERIES'

FRIDAY, AUGUST 26TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:01,890 --> 00:00:11,830

[Music]

2
00:00:17,750 --> 00:00:14,910

we live in a reality of phantoms and

3
00:00:20,310 --> 00:00:17,760

monsters they exist among us and

4
00:00:23,590 --> 00:00:20,320

sometimes they win

5
00:00:26,150 --> 00:00:23,600

even the devil was an angel once

6
00:00:29,189 --> 00:00:26,160

the world has its own rules

7
00:00:31,990 --> 00:00:29,199

and these rules are not human

8
00:00:34,229 --> 00:00:32,000

some of us seek answers to the origin

9
00:00:36,310 --> 00:00:34,239

and existence of cryptids in the

10
00:00:39,590 --> 00:00:36,320

unexplained

11
00:00:41,910 --> 00:00:39,600

join us as we venture beyond the known

12
00:00:44,630 --> 00:00:41,920

and accepted boundaries

13
00:00:50,230 --> 00:00:44,640

welcome to our nightmare i think you're

14

00:01:01,670 --> 00:00:59,990

[Music]

15

00:01:03,910 --> 00:01:01,680

hey folks good evening and welcome to

16

00:01:05,750 --> 00:01:03,920

another episode of phantoms and monsters

17

00:01:07,350 --> 00:01:05,760

radio where we explore the strange and

18

00:01:09,510 --> 00:01:07,360

unexplained

19

00:01:12,390 --> 00:01:09,520

i'm your host lon stricker thanks for

20

00:01:15,510 --> 00:01:12,400

joining us now if you enjoy our content

21

00:01:18,070 --> 00:01:15,520

please like subscribe and share

22

00:01:19,670 --> 00:01:18,080

uh also uh leave comments we like to

23

00:01:21,350 --> 00:01:19,680

hear which or like to read what you have

24

00:01:22,950 --> 00:01:21,360

to say what do you think about the show

25

00:01:24,310 --> 00:01:22,960

and about the guest

26

00:01:26,230 --> 00:01:24,320

uh

27

00:01:27,670 --> 00:01:26,240

super chat's active during the show so

28

00:01:29,590 --> 00:01:27,680

please show your support of fans of

29

00:01:30,630 --> 00:01:29,600

monsters radio by clicking the dollar

30

00:01:32,390 --> 00:01:30,640

icon

31

00:01:34,230 --> 00:01:32,400

under the chat

32

00:01:36,710 --> 00:01:34,240

uh you can also support this channel by

33

00:01:38,310 --> 00:01:36,720

using the buy me a link buy me a coffee

34

00:01:40,230 --> 00:01:38,320

link sorry about that your

35

00:01:41,990 --> 00:01:40,240

considerations very much needed and

36

00:01:43,030 --> 00:01:42,000

appreciated

37

00:01:45,590 --> 00:01:43,040

tonight

38

00:01:47,590 --> 00:01:45,600

wt watson joins us again

39

00:01:49,830 --> 00:01:47,600

and he's a coffee addict and a writer of

40

00:01:51,830 --> 00:01:49,840

both fiction and non-fiction he infuses

41

00:01:54,789 --> 00:01:51,840

his work and his expertise in

42

00:01:57,190 --> 00:01:54,799

cryptozoology monster lore magic for

43

00:02:00,069 --> 00:01:57,200

tania and the paranormal he brings

44

00:02:02,389 --> 00:02:00,079

unique shamatic and magical perspective

45

00:02:05,510 --> 00:02:02,399

to all his work over the 30 years of

46

00:02:07,270 --> 00:02:05,520

exploration in these topics

47

00:02:09,190 --> 00:02:07,280

when he is not writing or reading about

48

00:02:11,110 --> 00:02:09,200

monsters he can be found outdoors

49

00:02:12,949 --> 00:02:11,120

allowing his dogs to take him for a walk

50

00:02:16,150 --> 00:02:12,959

around his neighborhood kitchener

51
00:02:18,390 --> 00:02:16,160
ontario he lives with his spouse stacy

52
00:02:20,630 --> 00:02:18,400
in a town house said would be jammed

53
00:02:22,949 --> 00:02:20,640
with books if it weren't for e-readers

54
00:02:25,830 --> 00:02:22,959
travis recently published the book

55
00:02:26,949 --> 00:02:25,840
with beyond the free publishing titled

56
00:02:28,869 --> 00:02:26,959
canadian

57
00:02:31,030 --> 00:02:28,879
monsters and mysteries and that's what

58
00:02:33,350 --> 00:02:31,040
we're going to talk about tonight

59
00:02:34,390 --> 00:02:33,360
and travis thanks for joining me this

60
00:02:36,229 --> 00:02:34,400
evening

61
00:02:38,790 --> 00:02:36,239
well thanks so much for having me lance

62
00:02:40,710 --> 00:02:38,800
it's a pleasure to be back on the show

63
00:02:42,790 --> 00:02:40,720

and we have bernadette joining us again

64

00:02:46,070 --> 00:02:42,800

tonight and uh

65

00:02:48,630 --> 00:02:46,080

so uh she will be having her show soon

66

00:02:51,110 --> 00:02:48,640

a paranormal life so look for that folks

67

00:02:52,949 --> 00:02:51,120

should be interesting

68

00:02:54,309 --> 00:02:52,959

so travis

69

00:02:56,070 --> 00:02:54,319

hi

70

00:02:57,750 --> 00:02:56,080

uh

71

00:03:00,309 --> 00:02:57,760

so tell us about the book tell us a bit

72

00:03:01,670 --> 00:03:00,319

about why you i mean is it just is it

73

00:03:05,030 --> 00:03:01,680

general

74

00:03:07,910 --> 00:03:05,040

uh cryptids monsters and whatever rooms

75

00:03:09,430 --> 00:03:07,920

the the backwoods of uh canada

76

00:03:11,270 --> 00:03:09,440

yeah these are the questions that i love

77

00:03:12,630 --> 00:03:11,280

because i can just say yes

78

00:03:17,430 --> 00:03:12,640

okay

79

00:03:20,149 --> 00:03:17,440

mysteries in the myths know that that i

80

00:03:22,149 --> 00:03:20,159

cast my my net pretty wide

81

00:03:24,309 --> 00:03:22,159

that was my previous book

82

00:03:26,390 --> 00:03:24,319

this book came about

83

00:03:28,710 --> 00:03:26,400

specifically because i ended up living

84

00:03:30,789 --> 00:03:28,720

in canada

85

00:03:32,470 --> 00:03:30,799

i was born in the u.s

86

00:03:34,149 --> 00:03:32,480

and recently

87

00:03:36,229 --> 00:03:34,159

in 2020

88

00:03:39,110 --> 00:03:36,239

my spouse took a job at the university

89

00:03:42,949 --> 00:03:39,120

of waterloo here in in ontario

90

00:03:44,869 --> 00:03:42,959

and uh they're a native ontarian

91

00:03:47,270 --> 00:03:44,879

we moved up here in the middle of the

92

00:03:48,630 --> 00:03:47,280

pandemic which was a whole other story

93

00:03:51,750 --> 00:03:48,640

to tell

94

00:03:53,270 --> 00:03:51,760

and of course being who i am uh i

95

00:03:54,869 --> 00:03:53,280

started thinking to myself well i you

96

00:03:57,110 --> 00:03:54,879

know i wonder what kind of interesting

97

00:03:59,589 --> 00:03:57,120

things go on in canada

98

00:04:02,710 --> 00:03:59,599

um because one of the things that

99

00:04:05,750 --> 00:04:02,720

i noted you know when i moved up here is

100

00:04:08,070 --> 00:04:05,760

that there's a very definite divide you

101
00:04:09,910 --> 00:04:08,080
know you have the united states and then

102
00:04:11,509 --> 00:04:09,920
you have the great white north which a

103
00:04:14,229 --> 00:04:11,519
lot of people in the state seem to

104
00:04:15,670 --> 00:04:14,239
assume is this vast ice flow that that

105
00:04:20,310 --> 00:04:15,680
exists above

106
00:04:21,990 --> 00:04:20,320
where nobody lives except for for inuit

107
00:04:24,550 --> 00:04:22,000
and polar bears

108
00:04:26,310 --> 00:04:24,560
and that's just not the case

109
00:04:28,710 --> 00:04:26,320
canada is the second largest country in

110
00:04:29,670 --> 00:04:28,720
the world it has the largest coastline

111
00:04:32,629 --> 00:04:29,680
in the world

112
00:04:34,469 --> 00:04:32,639
it has over ten thousand lakes that over

113
00:04:36,150 --> 00:04:34,479

uh over uh

114

00:04:37,430 --> 00:04:36,160

three square kilometers

115

00:04:39,270 --> 00:04:37,440

um

116

00:04:41,510 --> 00:04:39,280

vast wilderness areas and most of the

117

00:04:44,629 --> 00:04:41,520

population of canada lives within 100

118

00:04:47,749 --> 00:04:44,639

miles of the of the u.s canadian border

119

00:04:50,150 --> 00:04:47,759

so there are vast vast swathes of

120

00:04:51,830 --> 00:04:50,160

wilderness area here in canada

121

00:04:53,350 --> 00:04:51,840

um

122

00:04:56,150 --> 00:04:53,360

and thus there are all kinds of

123

00:04:58,950 --> 00:04:56,160

interesting stories to tell

124

00:05:00,550 --> 00:04:58,960

as i got to exploring these stories i

125

00:05:02,230 --> 00:05:00,560

discovered very quickly that i was going

126

00:05:04,629 --> 00:05:02,240

to have to

127

00:05:07,189 --> 00:05:04,639

call some things out and maybe break

128

00:05:09,350 --> 00:05:07,199

those off into separate books

129

00:05:13,270 --> 00:05:09,360

the sasquatch phenomenon for instance is

130

00:05:15,430 --> 00:05:13,280

is just wild around here

131

00:05:17,189 --> 00:05:15,440

although people may not be familiar with

132

00:05:19,430 --> 00:05:17,199

things outside of british columbia i'm

133

00:05:21,510 --> 00:05:19,440

actually working on a book now

134

00:05:24,070 --> 00:05:21,520

that's called beyond bc

135

00:05:25,189 --> 00:05:24,080

and it will be sasquatch sightings and

136

00:05:31,749 --> 00:05:25,199

and

137

00:05:34,310 --> 00:05:31,759

the provinces of canada outside of

138

00:05:36,550 --> 00:05:34,320

british columbia um

139

00:05:38,870 --> 00:05:36,560

also the other thing i couldn't cover in

140

00:05:41,029 --> 00:05:38,880

any detail would be hauntings because

141

00:05:43,590 --> 00:05:41,039

just here in ontario in the little area

142

00:05:46,469 --> 00:05:43,600

that i live in in southern ontario

143

00:05:48,310 --> 00:05:46,479

there's tons of of of you know ghosts

144

00:05:50,950 --> 00:05:48,320

and haunting stories that

145

00:05:56,550 --> 00:05:50,960

that i could cover at some point in time

146

00:05:59,430 --> 00:05:56,560

um i also chose not to uh because uh

147

00:06:00,870 --> 00:05:59,440

their researchers who have already done

148

00:06:02,629 --> 00:06:00,880

a great job

149

00:06:04,950 --> 00:06:02,639

with these phenomena

150

00:06:08,230 --> 00:06:04,960

decided not to do champ

151

00:06:10,230 --> 00:06:08,240

which was is being very ably

152

00:06:13,350 --> 00:06:10,240

covered by another researcher

153

00:06:15,430 --> 00:06:13,360

and uh uh and when to go which is uh you

154

00:06:17,590 --> 00:06:15,440

know chad lewis just

155

00:06:19,590 --> 00:06:17,600

released a terrific book on that subject

156

00:06:21,990 --> 00:06:19,600

not too long ago so

157

00:06:23,510 --> 00:06:22,000

um and so you think well what's left and

158

00:06:26,950 --> 00:06:23,520

i'll say to you

159

00:06:29,670 --> 00:06:26,960

all kinds of things are left this book

160

00:06:32,710 --> 00:06:29,680

has cryptids it's got ufos it's got

161

00:06:35,590 --> 00:06:32,720

phantom ships you name it it's in there

162

00:06:37,990 --> 00:06:35,600

um and uh and lake monsters

163

00:06:38,870 --> 00:06:38,000

canada like i said has lots and lots of

164

00:06:41,830 --> 00:06:38,880

lakes

165

00:06:43,749 --> 00:06:41,840

and it has tons of lake monsters

166

00:06:45,110 --> 00:06:43,759

stretching from one end of the country

167

00:06:46,309 --> 00:06:45,120

to the other

168

00:06:47,990 --> 00:06:46,319

so

169

00:06:51,350 --> 00:06:48,000

i got started on that went down the

170

00:06:54,469 --> 00:06:51,360

rabbit hole and here we are again

171

00:06:55,749 --> 00:06:54,479

i um i used to live in hamilton no i

172

00:06:57,990 --> 00:06:55,759

didn't live there long i lived there

173

00:07:00,230 --> 00:06:58,000

less than a year i was younger then

174

00:07:02,390 --> 00:07:00,240

uh but but that time was you know the

175

00:07:05,510 --> 00:07:02,400

big the big story back then was saint

176

00:07:07,510 --> 00:07:05,520

catherine's poltergeist story okay and

177

00:07:09,589 --> 00:07:07,520

uh of course people were talking about

178

00:07:11,909 --> 00:07:09,599

of course hamilton is

179

00:07:13,029 --> 00:07:11,919

tucked in between toronto and st

180

00:07:15,830 --> 00:07:13,039

catharines

181

00:07:17,670 --> 00:07:15,840

but uh as time has gone on and as i've

182

00:07:20,070 --> 00:07:17,680

gotten involved and look i took a lot of

183

00:07:21,670 --> 00:07:20,080

stories even back then from people

184

00:07:24,150 --> 00:07:21,680

who were telling me a lot of weird stuff

185

00:07:26,790 --> 00:07:24,160

especially in southern ontario

186

00:07:30,150 --> 00:07:26,800

but uh the one thing i have found

187

00:07:31,990 --> 00:07:30,160

more of in anything else in ontario are

188

00:07:34,390 --> 00:07:32,000

winged humanoids

189

00:07:36,710 --> 00:07:34,400

and dog name yeah i actually have a

190

00:07:38,550 --> 00:07:36,720

section um

191

00:07:40,629 --> 00:07:38,560

do you talk about dogman

192

00:07:43,270 --> 00:07:40,639

somewhat um and there's i believe

193

00:07:46,309 --> 00:07:43,280

there's an ontario story in there um i

194

00:07:48,790 --> 00:07:46,319

have a uh a section in the book on on

195

00:07:50,790 --> 00:07:48,800

al man sightings in ontario

196

00:07:53,589 --> 00:07:50,800

uh which you know when we think of the

197

00:07:55,430 --> 00:07:53,599

alaman we think of cornwall england so

198

00:07:56,710 --> 00:07:55,440

on and so forth but there were actually

199

00:08:00,070 --> 00:07:56,720

sightings of

200

00:08:02,469 --> 00:08:00,080

a owl man type creature in ontario

201
00:08:05,749 --> 00:08:02,479
dating back to um

202
00:08:08,150 --> 00:08:05,759
to the 1800s and um

203
00:08:10,550 --> 00:08:08,160
this creature was said to hang out in

204
00:08:12,629 --> 00:08:10,560
graveyards and you know wilderness areas

205
00:08:14,790 --> 00:08:12,639
around dark and

206
00:08:16,469 --> 00:08:14,800
you know just apparently there were like

207
00:08:18,790 --> 00:08:16,479
a hundred or so

208
00:08:20,869 --> 00:08:18,800
ontario farmers of that time period who

209
00:08:22,869 --> 00:08:20,879
reported seeing this thing

210
00:08:25,189 --> 00:08:22,879
which they described as being a sort of

211
00:08:27,029 --> 00:08:25,199
a tall

212
00:08:28,869 --> 00:08:27,039
humanoid figure

213
00:08:31,589 --> 00:08:28,879

with uh either wings that came out of

214

00:08:32,790 --> 00:08:31,599

the back or actually the arms were were

215

00:08:34,230 --> 00:08:32,800

wings

216

00:08:36,230 --> 00:08:34,240

um but

217

00:08:37,909 --> 00:08:36,240

again as i say several people

218

00:08:39,829 --> 00:08:37,919

encountered this thing

219

00:08:41,430 --> 00:08:39,839

several people reported encountering it

220

00:08:43,670 --> 00:08:41,440

so who knows how many people actually

221

00:08:46,710 --> 00:08:43,680

did see it

222

00:08:49,190 --> 00:08:46,720

but that's just one of many

223

00:08:51,829 --> 00:08:49,200

really bizarre uh encounters that that

224

00:08:54,389 --> 00:08:51,839

you find in in canada

225

00:08:57,190 --> 00:08:54,399

like i said i didn't get deeply into

226

00:09:01,350 --> 00:08:57,200

hauntings for the research for this book

227

00:09:04,790 --> 00:09:02,389

you know there

228

00:09:07,910 --> 00:09:04,800

there are forts here that are are

229

00:09:09,590 --> 00:09:07,920

supposed to be deeply haunted

230

00:09:12,070 --> 00:09:09,600

there are houses even in the toronto

231

00:09:14,310 --> 00:09:12,080

metroplex that are supposedly

232

00:09:17,110 --> 00:09:14,320

quite haunted as well i have had a lot

233

00:09:19,430 --> 00:09:17,120

of cases in toronto

234

00:09:21,509 --> 00:09:19,440

i have worked a lot of remote cases in

235

00:09:23,110 --> 00:09:21,519

toronto that's uh there's certain i mean

236

00:09:25,110 --> 00:09:23,120

even downtown there's there just seems

237

00:09:27,269 --> 00:09:25,120

to be a lot of areas to have a lot of

238

00:09:30,550 --> 00:09:27,279

hauntings toronto's an interesting place

239

00:09:32,949 --> 00:09:30,560

to just walk the walk the streets and uh

240

00:09:35,030 --> 00:09:32,959

you know i mean probably the deepest

241

00:09:37,509 --> 00:09:35,040

layers of history that i've ever walked

242

00:09:39,750 --> 00:09:37,519

through you know as far as kind of your

243

00:09:41,110 --> 00:09:39,760

psychic sensitivity thing was new

244

00:09:42,630 --> 00:09:41,120

orleans um

245

00:09:44,630 --> 00:09:42,640

i mean you can't

246

00:09:46,630 --> 00:09:44,640

you can't walk five steps in the french

247

00:09:48,070 --> 00:09:46,640

quarter without encountering some really

248

00:09:49,509 --> 00:09:48,080

strange energies here there and

249

00:09:51,910 --> 00:09:49,519

everywhere

250

00:09:56,550 --> 00:09:51,920

toronto's got its

251

00:09:59,269 --> 00:09:56,560

little things too it's not quite as

252

00:10:02,550 --> 00:09:59,279

in your face about it i guess as as new

253

00:10:05,430 --> 00:10:02,560

orleans as but um definitely

254

00:10:07,590 --> 00:10:05,440

you will see uh

255

00:10:08,710 --> 00:10:07,600

or you will feel as you as you walk

256

00:10:09,750 --> 00:10:08,720

through some of the neighborhoods

257

00:10:11,190 --> 00:10:09,760

especially some of the older

258

00:10:13,829 --> 00:10:11,200

neighborhoods in toronto that there's

259

00:10:16,470 --> 00:10:13,839

some very active you know spirit

260

00:10:18,790 --> 00:10:16,480

presences going on there so

261

00:10:21,829 --> 00:10:18,800

it's a it's an interesting place and

262

00:10:25,190 --> 00:10:21,839

yeah we've we've had some pretty rough

263

00:10:27,269 --> 00:10:25,200

poltergeist cases up there and um

264

00:10:30,069 --> 00:10:27,279

and this has been years ago uh but yeah

265

00:10:31,590 --> 00:10:30,079

we even some shadow folks shadow people

266

00:10:34,949 --> 00:10:31,600

and uh

267

00:10:36,550 --> 00:10:34,959

even the whole way out into uh

268

00:10:38,470 --> 00:10:36,560

oh god what is that out there just

269

00:10:40,389 --> 00:10:38,480

before you get into manitoba the lake

270

00:10:42,150 --> 00:10:40,399

area was that kelowna is that what it is

271

00:10:48,310 --> 00:10:42,160

forget the name of it colonists in

272

00:10:51,990 --> 00:10:49,590

i don't know i'm still learning my

273

00:10:52,870 --> 00:10:52,000

canadian geography honestly he's out

274

00:10:54,389 --> 00:10:52,880

there

275

00:10:56,630 --> 00:10:54,399

and uh

276

00:10:58,470 --> 00:10:56,640

but i you know we've done a lot of cases

277

00:10:59,910 --> 00:10:58,480

and uh

278

00:11:01,990 --> 00:10:59,920

i think you know i think the most

279

00:11:04,069 --> 00:11:02,000

interesting thing that i've ever heard

280

00:11:05,829 --> 00:11:04,079

coming out of canada

281

00:11:09,190 --> 00:11:05,839

and i have a friend who's a who's

282

00:11:11,030 --> 00:11:09,200

ontario ontario and he's um he told me

283

00:11:12,470 --> 00:11:11,040

about the ottawa angel did you ever hear

284

00:11:14,470 --> 00:11:12,480

that phenomena

285

00:11:16,630 --> 00:11:14,480

yeah in fact did you cover that in the

286

00:11:18,150 --> 00:11:16,640

blog i did i did i think it's actually

287

00:11:20,470 --> 00:11:18,160

in the book too

288

00:11:22,389 --> 00:11:20,480

yeah it is

289

00:11:24,470 --> 00:11:22,399

that was a really bizarre story because

290

00:11:26,150 --> 00:11:24,480

this lady's driving down the down the

291

00:11:28,949 --> 00:11:26,160

highway

292

00:11:31,350 --> 00:11:28,959

between one uh one city and the other

293

00:11:33,590 --> 00:11:31,360

and sees this massive being massive

294

00:11:35,670 --> 00:11:33,600

winged being basically coming for a

295

00:11:37,990 --> 00:11:35,680

landing yeah one of the things that

296

00:11:40,389 --> 00:11:38,000

really struck me about that story was

297

00:11:42,389 --> 00:11:40,399

okay so well two things actually struck

298

00:11:44,550 --> 00:11:42,399

me about this story one was

299

00:11:47,030 --> 00:11:44,560

the sort of shape-shifting aspect to it

300

00:11:49,190 --> 00:11:47,040

because when she first saw it

301
00:11:51,829 --> 00:11:49,200
her impression of it was that

302
00:11:53,590 --> 00:11:51,839
it had sort of missed her legs

303
00:11:56,949 --> 00:11:53,600
and then as she

304
00:11:58,629 --> 00:11:56,959
watched it as it came down to land

305
00:12:00,310 --> 00:11:58,639
it became more and more apparent that

306
00:12:01,910 --> 00:12:00,320
this thing had legs

307
00:12:03,350 --> 00:12:01,920
the other thing was

308
00:12:05,269 --> 00:12:03,360
this is one of those things where you

309
00:12:07,269 --> 00:12:05,279
look at it you go wait a minute now the

310
00:12:09,350 --> 00:12:07,279
intelligence behind this

311
00:12:12,069 --> 00:12:09,360
phenomena whatever it is

312
00:12:15,269 --> 00:12:12,079
wanted this creature to be seen

313
00:12:17,670 --> 00:12:15,279

because if it hadn't wanted to be seen

314

00:12:20,470 --> 00:12:17,680

it could have landed you know a half

315

00:12:22,389 --> 00:12:20,480

mile away in a forested area and nobody

316

00:12:25,829 --> 00:12:22,399

would have ever seen it

317

00:12:28,790 --> 00:12:25,839

yeah but it chose to plop itself down

318

00:12:31,590 --> 00:12:28,800

right next to a freeway full of cars so

319

00:12:34,389 --> 00:12:31,600

much so that the the witness in that

320

00:12:36,870 --> 00:12:34,399

particular case actually you know almost

321

00:12:38,710 --> 00:12:36,880

ran into uh you know another driver who

322

00:12:39,910 --> 00:12:38,720

was also staring at this thing instead

323

00:12:41,990 --> 00:12:39,920

of paying attention to where they were

324

00:12:43,829 --> 00:12:42,000

going they're on the freeway you know

325

00:12:46,310 --> 00:12:43,839

it's they're you know 90 90 000

326

00:12:48,470 --> 00:12:46,320

kilometers per hour in that particular

327

00:12:49,430 --> 00:12:48,480

area so

328

00:12:54,150 --> 00:12:49,440

that

329

00:12:56,710 --> 00:12:54,160

you you hear about it and you know the

330

00:12:58,069 --> 00:12:56,720

description is that it's it's large it's

331

00:13:00,470 --> 00:12:58,079

winged being

332

00:13:01,269 --> 00:13:00,480

you know you called it the ottawa angel

333

00:13:04,310 --> 00:13:01,279

but

334

00:13:08,310 --> 00:13:04,320

the the description that this woman gave

335

00:13:10,710 --> 00:13:08,320

was that this thing had a very uh

336

00:13:13,110 --> 00:13:10,720

disdainful look on its face almost like

337

00:13:14,710 --> 00:13:13,120

it's like well you know i i can't be

338

00:13:16,870 --> 00:13:14,720

bothered with these

339

00:13:19,030 --> 00:13:16,880

these petty humans you know

340

00:13:21,829 --> 00:13:19,040

um and so

341

00:13:25,430 --> 00:13:21,839

you know

342

00:13:27,670 --> 00:13:25,440

in cases of angelic contact

343

00:13:28,790 --> 00:13:27,680

the feeling is usually a lot different

344

00:13:31,030 --> 00:13:28,800

than that

345

00:13:33,269 --> 00:13:31,040

um so i don't really know what she saw

346

00:13:35,829 --> 00:13:33,279

um you know

347

00:13:37,910 --> 00:13:35,839

yeah i mean the the the image that was

348

00:13:38,870 --> 00:13:37,920

well the sketch that i received was made

349

00:13:40,790 --> 00:13:38,880

by

350

00:13:42,470 --> 00:13:40,800

uh somebody else

351

00:13:44,550 --> 00:13:42,480

who who had uh

352

00:13:45,670 --> 00:13:44,560

who said they had seen it but they i i

353

00:13:47,590 --> 00:13:45,680

don't know i don't they really got a

354

00:13:50,069 --> 00:13:47,600

great look at it but yeah i think they

355

00:13:52,069 --> 00:13:50,079

went by what her description was

356

00:13:54,150 --> 00:13:52,079

but from what i understand several

357

00:13:56,949 --> 00:13:54,160

people had seen it and a lot of people

358

00:13:58,470 --> 00:13:56,959

didn't come in fact there was a similar

359

00:14:01,670 --> 00:13:58,480

sighting

360

00:14:04,310 --> 00:14:01,680

over in the niagara area of new york uh

361

00:14:06,550 --> 00:14:04,320

along the freeway the road that goes out

362

00:14:07,590 --> 00:14:06,560

onto the thorough way out of out of

363

00:14:09,430 --> 00:14:07,600

buffalo

364

00:14:12,470 --> 00:14:09,440

yeah i wouldn't be at all surprised i

365

00:14:14,870 --> 00:14:12,480

used to live in angola which is uh okay

366

00:14:17,910 --> 00:14:14,880

not uh you know a little south of

367

00:14:20,550 --> 00:14:17,920

buffalo right on the shore of lake erie

368

00:14:21,829 --> 00:14:20,560

and um so i used that nighty corridor a

369

00:14:22,710 --> 00:14:21,839

good bit

370

00:14:24,710 --> 00:14:22,720

um

371

00:14:26,389 --> 00:14:24,720

i can tell you from experience having

372

00:14:28,150 --> 00:14:26,399

lived in that area which is we're

373

00:14:29,670 --> 00:14:28,160

getting off the topic of canada but i'll

374

00:14:30,790 --> 00:14:29,680

go down this rabbit hole for just a

375

00:14:33,030 --> 00:14:30,800

minute

376

00:14:35,670 --> 00:14:33,040

um

377

00:14:37,509 --> 00:14:35,680

you know particularly around

378

00:14:40,710 --> 00:14:37,519

you know time periods like halloween or

379

00:14:43,670 --> 00:14:40,720

samhain or whatever you want to call it

380

00:14:45,509 --> 00:14:43,680

you definitely

381

00:14:48,230 --> 00:14:45,519

there were some there were some strange

382

00:14:50,550 --> 00:14:48,240

things going on in in that state park it

383

00:14:52,870 --> 00:14:50,560

was evangola state park

384

00:14:55,509 --> 00:14:52,880

i lived right next door to the park

385

00:14:58,710 --> 00:14:55,519

um and you would hear

386

00:15:00,470 --> 00:14:58,720

bizarre sounds um

387

00:15:02,230 --> 00:15:00,480

i was walking down the road to go to the

388

00:15:05,509 --> 00:15:02,240

bus stop one morning i heard something

389

00:15:07,110 --> 00:15:05,519

that sounded so for all the world like

390

00:15:10,230 --> 00:15:07,120

the best way i could describe it is like

391

00:15:11,189 --> 00:15:10,240

a dinosaur dragon exhaling off in the

392

00:15:14,629 --> 00:15:11,199

woods

393

00:15:16,150 --> 00:15:14,639

now i have no idea what that sound was

394

00:15:18,069 --> 00:15:16,160

could have been some kind of natural

395

00:15:19,990 --> 00:15:18,079

animal i have no idea

396

00:15:24,470 --> 00:15:20,000

what i can tell you

397

00:15:27,110 --> 00:15:24,480

now i'm

398

00:15:30,230 --> 00:15:27,120

you know i've done wilderness search and

399

00:15:32,470 --> 00:15:30,240

rescue i've spent you know time outdoors

400

00:15:33,670 --> 00:15:32,480

in the superstition mountains camping

401
00:15:36,870 --> 00:15:33,680
out

402
00:15:39,110 --> 00:15:36,880
in the dark

403
00:15:41,590 --> 00:15:39,120
many many many times right

404
00:15:43,509 --> 00:15:41,600
and it doesn't spook me

405
00:15:45,509 --> 00:15:43,519
i had

406
00:15:47,509 --> 00:15:45,519
a week

407
00:15:50,389 --> 00:15:47,519
actually two weeks out of the year once

408
00:15:52,389 --> 00:15:50,399
in the fall and once in the spring

409
00:15:54,790 --> 00:15:52,399
where for whatever reason

410
00:15:55,590 --> 00:15:54,800
i could not have my windows open at

411
00:15:57,749 --> 00:15:55,600
night

412
00:15:59,350 --> 00:15:57,759
i had to to pull the shades had to pull

413
00:16:00,150 --> 00:15:59,360

the curtains

414

00:16:02,710 --> 00:16:00,160

um

415

00:16:04,710 --> 00:16:02,720

just completely creeped out couldn't

416

00:16:07,110 --> 00:16:04,720

look out the windows didn't want to know

417

00:16:08,629 --> 00:16:07,120

what was out there

418

00:16:11,189 --> 00:16:08,639

i had to keep the curtains closed and it

419

00:16:12,790 --> 00:16:11,199

was just for a week once in the fall

420

00:16:15,110 --> 00:16:12,800

once in the spring

421

00:16:16,550 --> 00:16:15,120

it's like you know sasquatch migration

422

00:16:17,670 --> 00:16:16,560

time i

423

00:16:18,470 --> 00:16:17,680

don't know

424

00:16:20,550 --> 00:16:18,480

yeah

425

00:16:22,949 --> 00:16:20,560

could have been any number of things i

426

00:16:26,069 --> 00:16:22,959

will tell you this i have been working a

427

00:16:27,829 --> 00:16:26,079

case in around angola

428

00:16:29,910 --> 00:16:27,839

for about three years now there's a

429

00:16:32,790 --> 00:16:29,920

gentleman whose uh

430

00:16:34,230 --> 00:16:32,800

grandfather owns a campsite there okay

431

00:16:35,910 --> 00:16:34,240

and i think they have trailer parks and

432

00:16:38,550 --> 00:16:35,920

stuff but they have been having

433

00:16:39,590 --> 00:16:38,560

sasquatch issues for years really okay

434

00:16:41,910 --> 00:16:39,600

yeah

435

00:16:44,710 --> 00:16:41,920

i wouldn't be surprised it's a really

436

00:16:45,590 --> 00:16:44,720

dense area yeah a lot like the forest up

437

00:16:47,670 --> 00:16:45,600

here

438

00:16:49,189 --> 00:16:47,680

um and it it's a

439

00:16:51,430 --> 00:16:49,199

you know i mean

440

00:16:54,069 --> 00:16:51,440

it would be prime habitat for

441

00:16:56,629 --> 00:16:54,079

whatever sasquatch is you know you know

442

00:16:59,509 --> 00:16:56,639

whatever you you you know think that

443

00:17:01,189 --> 00:16:59,519

sasquatches are whatever it is they

444

00:17:03,189 --> 00:17:01,199

seem to like that dense forest

445

00:17:05,350 --> 00:17:03,199

wilderness kind of

446

00:17:07,110 --> 00:17:05,360

of aspect so yeah it would be prime

447

00:17:08,309 --> 00:17:07,120

habitat for that stuff

448

00:17:11,029 --> 00:17:08,319

um

449

00:17:12,710 --> 00:17:11,039

you know we had weird calls and and and

450

00:17:14,309 --> 00:17:12,720

that kind of stuff in the neighborhood

451

00:17:16,069 --> 00:17:14,319

and you know i'm not saying it's one

452

00:17:19,110 --> 00:17:16,079

thing or the other it could have been an

453

00:17:21,590 --> 00:17:19,120

owl for all i know um

454

00:17:23,990 --> 00:17:21,600

we had uh we were standing out on our

455

00:17:24,949 --> 00:17:24,000

back deck one night and there was

456

00:17:28,710 --> 00:17:24,959

something

457

00:17:30,310 --> 00:17:28,720

coming down the road behind us

458

00:17:32,630 --> 00:17:30,320

that we could hear

459

00:17:36,230 --> 00:17:32,640

and it sounded for all the world like

460

00:17:39,110 --> 00:17:36,240

the raptors from jurassic park

461

00:17:41,750 --> 00:17:39,120

and i was like wait a minute what the

462

00:17:44,070 --> 00:17:41,760

hell yeah so it scared my son so bad he

463

00:17:46,310 --> 00:17:44,080

ran back in the house

464

00:17:47,990 --> 00:17:46,320

so i went on i went on a hunt and

465

00:17:50,150 --> 00:17:48,000

apparently there's something called the

466

00:17:52,549 --> 00:17:50,160

northern hawk out that makes a sound

467

00:17:53,909 --> 00:17:52,559

that's very similar to that and i gotta

468

00:17:55,909 --> 00:17:53,919

believe that's what it was because we

469

00:17:57,590 --> 00:17:55,919

had owls and stuff all in in the

470

00:17:59,990 --> 00:17:57,600

neighborhood you know you'd hear them

471

00:18:01,190 --> 00:18:00,000

hooting and hollering all the time so i

472

00:18:02,630 --> 00:18:01,200

got to believe that's what it was

473

00:18:04,630 --> 00:18:02,640

because otherwise we had dinosaurs

474

00:18:06,789 --> 00:18:04,640

running loose out there well that's not

475

00:18:09,750 --> 00:18:06,799

good yeah that would not be good

476

00:18:11,669 --> 00:18:09,760

especially not raptors no

477

00:18:14,950 --> 00:18:11,679

that would not be my cup of tea thanks

478

00:18:18,070 --> 00:18:14,960

that's on my nope list

479

00:18:21,750 --> 00:18:19,350

yes

480

00:18:25,830 --> 00:18:21,760

so in your research have you encountered

481

00:18:27,830 --> 00:18:25,840

any reports about windigos

482

00:18:30,630 --> 00:18:27,840

like i said i left the when to go to

483

00:18:35,110 --> 00:18:33,110

now a lot of people because he just

484

00:18:36,549 --> 00:18:35,120

published a book on that it's excellent

485

00:18:38,870 --> 00:18:36,559

if you haven't read it i highly

486

00:18:40,470 --> 00:18:38,880

recommend it because it's it's got

487

00:18:41,430 --> 00:18:40,480

all kinds of lore

488

00:18:44,390 --> 00:18:41,440

about

489

00:18:45,990 --> 00:18:44,400

in it

490

00:18:49,510 --> 00:18:46,000

um

491

00:18:51,110 --> 00:18:49,520

you know obviously uh the the wendigo

492

00:18:53,669 --> 00:18:51,120

stories are

493

00:18:59,669 --> 00:18:56,470

part of native american lore in

494

00:19:01,029 --> 00:18:59,679

canada and the northern united states

495

00:19:05,029 --> 00:19:01,039

and

496

00:19:07,190 --> 00:19:05,039

what a wendigo is because there's such a

497

00:19:08,789 --> 00:19:07,200

thing as a when to go psychosis which is

498

00:19:11,909 --> 00:19:08,799

actually a

499

00:19:14,070 --> 00:19:11,919

a mental illness that causes people to

500

00:19:17,590 --> 00:19:14,080

have sort of these horrible

501

00:19:22,950 --> 00:19:20,950

cravings basically

502

00:19:26,150 --> 00:19:22,960

and there's a strong belief amongst

503

00:19:29,029 --> 00:19:26,160

native people at the wendigos not only a

504

00:19:31,669 --> 00:19:29,039

a solid being a

505

00:19:33,909 --> 00:19:31,679

a spirit of starvation basically but

506

00:19:37,270 --> 00:19:33,919

also is as a spiritual being that's

507

00:19:39,990 --> 00:19:37,280

capable of possessing people and causing

508

00:19:41,430 --> 00:19:40,000

what you would call when to go psychosis

509

00:19:43,990 --> 00:19:41,440

um there's

510

00:19:46,630 --> 00:19:44,000

tons of stories uh

511

00:19:49,110 --> 00:19:46,640

available and again i refer you to chad

512

00:19:52,470 --> 00:19:49,120

lewis's book because it's got

513

00:19:55,190 --> 00:19:52,480

a pretty exhaustive account of when to

514

00:19:57,990 --> 00:19:55,200

go the places that he went to that were

515

00:20:00,150 --> 00:19:58,000

related to when to go lore and so forth

516

00:20:02,549 --> 00:20:00,160

i highly recommend that book

517

00:20:06,390 --> 00:20:02,559

but um i i did not

518

00:20:08,310 --> 00:20:06,400

run across any when to go stories in my

519

00:20:10,149 --> 00:20:08,320

lor my research really because i wasn't

520

00:20:13,350 --> 00:20:10,159

looking for them

521

00:20:15,830 --> 00:20:13,360

i i just had so much other stuff that uh

522

00:20:17,590 --> 00:20:15,840

you know i decided i would focus there

523

00:20:18,710 --> 00:20:17,600

instead of

524

00:20:24,070 --> 00:20:18,720

going over

525

00:20:27,750 --> 00:20:26,070

so what about the ghost ships i know you

526
00:20:28,789 --> 00:20:27,760
mentioned those

527
00:20:29,669 --> 00:20:28,799
okay

528
00:20:32,830 --> 00:20:29,679
so

529
00:20:36,789 --> 00:20:32,840
you know a lot of people are

530
00:20:37,669 --> 00:20:36,799
um are interested in in paranormal lore

531
00:20:38,549 --> 00:20:37,679
right

532
00:20:41,190 --> 00:20:38,559
um

533
00:20:43,590 --> 00:20:41,200
the subset of paranormal lore

534
00:20:45,669 --> 00:20:43,600
that's phantom ships

535
00:20:47,669 --> 00:20:45,679
is really interesting to me and one of

536
00:20:50,390 --> 00:20:47,679
the most famous cases is up in nova

537
00:20:52,390 --> 00:20:50,400
scotia which is on the atlantic it's at

538
00:20:53,590 --> 00:20:52,400

the atlantic prop one of the atlantic

539

00:20:54,549 --> 00:20:53,600

provinces

540

00:20:58,230 --> 00:20:54,559

um

541

00:20:59,669 --> 00:20:58,240

and this is a a ship it's generally

542

00:21:02,390 --> 00:20:59,679

depicted or

543

00:21:04,630 --> 00:21:02,400

reported as a three-masted

544

00:21:09,270 --> 00:21:04,640

sailing vessel

545

00:21:10,789 --> 00:21:09,280

people that see it

546

00:21:13,350 --> 00:21:10,799

i remember right it's called the phantom

547

00:21:15,830 --> 00:21:13,360

ship of northumberland straight

548

00:21:18,630 --> 00:21:15,840

the people that see this vessel always

549

00:21:21,669 --> 00:21:18,640

see it on fire

550

00:21:23,590 --> 00:21:21,679

one of the books that i i refer to the

551
00:21:26,070 --> 00:21:23,600
couple are there they're in their hotel

552
00:21:27,990 --> 00:21:26,080
room they're getting ready for bed they

553
00:21:30,230 --> 00:21:28,000
look out their window that has this

554
00:21:33,270 --> 00:21:30,240
beautiful view out over the uh over the

555
00:21:35,270 --> 00:21:33,280
straight and they see the ship on fire

556
00:21:38,470 --> 00:21:35,280
and they call up on the you know the

557
00:21:39,590 --> 00:21:38,480
local coast guard and uh and report it

558
00:21:42,070 --> 00:21:39,600
and

559
00:21:43,830 --> 00:21:42,080
the the uh the guard asks them well you

560
00:21:45,110 --> 00:21:43,840
know describe the ship and they describe

561
00:21:46,950 --> 00:21:45,120
the ship and

562
00:21:47,909 --> 00:21:46,960
and they're like oh that's the phantom

563
00:21:49,430 --> 00:21:47,919

ship that

564

00:21:51,590 --> 00:21:49,440

people see out in the strait all the

565

00:21:53,750 --> 00:21:51,600

time it's okay it's not it's not actual

566

00:21:54,710 --> 00:21:53,760

emergency

567

00:21:56,470 --> 00:21:54,720

um

568

00:21:59,990 --> 00:21:56,480

i love that story

569

00:22:03,110 --> 00:22:00,000

uh this thing was so real looking though

570

00:22:06,070 --> 00:22:03,120

that uh a rescue party did launch out of

571

00:22:07,750 --> 00:22:06,080

charlottetown harbor at one point um

572

00:22:09,430 --> 00:22:07,760

approached the vessel

573

00:22:11,190 --> 00:22:09,440

and this was a story that i wish i had

574

00:22:12,870 --> 00:22:11,200

read before because it would have gone

575

00:22:13,909 --> 00:22:12,880

neatly into my book mysteries in the

576
00:22:15,669 --> 00:22:13,919
midst

577
00:22:17,430 --> 00:22:15,679
they have approached the vessel and they

578
00:22:19,110 --> 00:22:17,440
got close enough to where they actually

579
00:22:21,430 --> 00:22:19,120
felt the heat

580
00:22:23,270 --> 00:22:21,440
coming off of this flame and they were

581
00:22:25,909 --> 00:22:23,280
puzzled because nobody was jumping

582
00:22:28,149 --> 00:22:25,919
overboard the vessel was obviously lost

583
00:22:30,470 --> 00:22:28,159
it was in in full flame there was no way

584
00:22:32,390 --> 00:22:30,480
they were going to save this boat right

585
00:22:34,870 --> 00:22:32,400
um they got close enough to feel the

586
00:22:37,510 --> 00:22:34,880
heat and suddenly this fog bank kind of

587
00:22:38,549 --> 00:22:37,520
descends over this this vessel and when

588
00:22:41,110 --> 00:22:38,559

it lifts

589

00:22:42,870 --> 00:22:41,120

it's gone the vessel has completely

590

00:22:45,110 --> 00:22:42,880

disappeared

591

00:22:48,789 --> 00:22:45,120

um there's also a story about this

592

00:22:50,470 --> 00:22:48,799

phantom ship of northumberland that um

593

00:22:52,470 --> 00:22:50,480

one of the ferries that goes back and

594

00:22:55,029 --> 00:22:52,480

forth

595

00:22:57,350 --> 00:22:55,039

between uh the islands of nova scotia

596

00:23:00,070 --> 00:22:57,360

actually you know had a sighting of this

597

00:23:02,549 --> 00:23:00,080

thing and they put radar on it to try

598

00:23:04,149 --> 00:23:02,559

and see if they could get a ping uh

599

00:23:05,029 --> 00:23:04,159

some kind of return

600

00:23:06,149 --> 00:23:05,039

that

601
00:23:08,630 --> 00:23:06,159
uh

602
00:23:11,830 --> 00:23:08,640
that they could verify and of course

603
00:23:13,590 --> 00:23:11,840
they have people watching this vessel

604
00:23:15,669 --> 00:23:13,600
burn

605
00:23:17,750 --> 00:23:15,679
and there's nothing on radar there's

606
00:23:19,909 --> 00:23:17,760
absolutely nothing there so

607
00:23:23,430 --> 00:23:19,919
uh phantom ship of northumberland

608
00:23:26,149 --> 00:23:23,440
straight the great phantom ship story

609
00:23:28,310 --> 00:23:26,159
and oddly enough the uh

610
00:23:30,630 --> 00:23:28,320
the

611
00:23:33,909 --> 00:23:30,640
nova scotia prince edward island and so

612
00:23:35,590 --> 00:23:33,919
forth also have phantom trains

613
00:23:38,789 --> 00:23:35,600

which seem to be

614

00:23:41,750 --> 00:23:38,799

in some cases uh death portals there's a

615

00:23:44,470 --> 00:23:41,760

story from uh prince edward island um

616

00:23:47,750 --> 00:23:44,480

near the town of wellington where

617

00:23:49,669 --> 00:23:47,760

people would um

618

00:23:52,789 --> 00:23:49,679

would see

619

00:23:55,269 --> 00:23:52,799

well the story starts with uh people

620

00:23:57,110 --> 00:23:55,279

having uh celebrating a wedding

621

00:23:59,909 --> 00:23:57,120

and then they're done celebrating the

622

00:24:01,750 --> 00:23:59,919

wedding and then they go to uh

623

00:24:04,470 --> 00:24:01,760

they basically have a funeral for a

624

00:24:06,549 --> 00:24:04,480

young man who's drowned right and while

625

00:24:09,110 --> 00:24:06,559

they're doing this they notice this

626
00:24:11,029 --> 00:24:09,120
train pulling up to the station when no

627
00:24:13,510 --> 00:24:11,039
train is scheduled

628
00:24:15,750 --> 00:24:13,520
and this train makes no sound

629
00:24:19,750 --> 00:24:15,760
there's nobody on board the train but

630
00:24:23,750 --> 00:24:19,760
the lights are on well this begins a

631
00:24:26,149 --> 00:24:23,760
a pattern um in this area of this train

632
00:24:27,830 --> 00:24:26,159
appearing on the tracks and moving along

633
00:24:30,149 --> 00:24:27,840
not making any sound

634
00:24:32,950 --> 00:24:30,159
lights are on but nobody's visible in

635
00:24:36,470 --> 00:24:32,960
the train

636
00:24:39,590 --> 00:24:36,480
and this happens year on year uh

637
00:24:41,669 --> 00:24:39,600
in december typically

638
00:24:43,430 --> 00:24:41,679

and people who lived up in the hill up

639

00:24:45,590 --> 00:24:43,440

in the hills above the tracks would see

640

00:24:47,909 --> 00:24:45,600

the train and some people will try to go

641

00:24:49,269 --> 00:24:47,919

down and get a better look at it but the

642

00:24:51,190 --> 00:24:49,279

people that are standing close to the

643

00:24:54,549 --> 00:24:51,200

tracks couldn't see it but the people

644

00:24:56,630 --> 00:24:54,559

who were still up on the hillsides could

645

00:25:00,789 --> 00:24:56,640

now i found this really interesting

646

00:25:01,669 --> 00:25:00,799

because uh this actually happened in um

647

00:25:04,070 --> 00:25:01,679

uh

648

00:25:07,110 --> 00:25:04,080

as i said in prince edward island it

649

00:25:09,750 --> 00:25:07,120

happened in december which is you know

650

00:25:11,430 --> 00:25:09,760

one of those traditional times of that

651
00:25:14,390 --> 00:25:11,440
period between

652
00:25:15,990 --> 00:25:14,400
samhain like the end of october

653
00:25:17,830 --> 00:25:16,000
early november

654
00:25:19,990 --> 00:25:17,840
through to the winter solstice in

655
00:25:23,510 --> 00:25:20,000
december was traditionally a time when

656
00:25:25,909 --> 00:25:23,520
the dead were more free to walk the land

657
00:25:28,549 --> 00:25:25,919
um so i found it interesting that this

658
00:25:30,710 --> 00:25:28,559
phantom train stopped at a station and

659
00:25:32,710 --> 00:25:30,720
seemed to be picking people up although

660
00:25:34,710 --> 00:25:32,720
you couldn't see anybody in the train

661
00:25:37,269 --> 00:25:34,720
and then would go on

662
00:25:39,110 --> 00:25:37,279
in the month of december

663
00:25:41,110 --> 00:25:39,120

there's another phantom train story from

664

00:25:43,430 --> 00:25:41,120

nova scotia where

665

00:25:46,070 --> 00:25:43,440

people actually were seeing this train

666

00:25:48,029 --> 00:25:46,080

for a period of time

667

00:25:51,830 --> 00:25:48,039

until

668

00:25:54,630 --> 00:25:51,840

a young man or another person actually

669

00:25:56,470 --> 00:25:54,640

died in a railway accident

670

00:25:58,870 --> 00:25:56,480

the train appeared one more time and

671

00:26:02,070 --> 00:25:58,880

seemed to stop at a station and then it

672

00:26:03,350 --> 00:26:02,080

disappeared forever and was no longer

673

00:26:06,630 --> 00:26:03,360

seen again

674

00:26:08,549 --> 00:26:06,640

so phantom ships phantom trains

675

00:26:10,549 --> 00:26:08,559

all kinds of fun stuff you know there

676
00:26:12,230 --> 00:26:10,559
are sea monsters off the coast of nova

677
00:26:13,430 --> 00:26:12,240
scotia

678
00:26:15,430 --> 00:26:13,440
it's like

679
00:26:17,269 --> 00:26:15,440
if you start digging into the strange

680
00:26:19,830 --> 00:26:17,279
stuff in canadian lore you find all

681
00:26:21,669 --> 00:26:19,840
kinds of interesting things

682
00:26:25,110 --> 00:26:21,679
oh you hear all kinds of crazy stuff in

683
00:26:27,190 --> 00:26:25,120
the maritimes i mean oh yeah um

684
00:26:29,510 --> 00:26:27,200
i mean even inland i mean we've had i've

685
00:26:32,710 --> 00:26:29,520
been involved with the habituate bigfoot

686
00:26:33,669 --> 00:26:32,720
habituations up on in nova scotia

687
00:26:38,470 --> 00:26:33,679
uh

688
00:26:39,830 --> 00:26:38,480

from the us who were

689

00:26:41,669 --> 00:26:39,840
stationed at the goose bay up in

690

00:26:43,750 --> 00:26:41,679
labrador and they'd be doing training

691

00:26:45,510 --> 00:26:43,760
with the canadian troops and maybe

692

00:26:47,190 --> 00:26:45,520
running into all kinds of stuff up there

693

00:26:49,350 --> 00:26:47,200
i mean just not bigfoot all kinds of

694

00:26:52,310 --> 00:26:49,360
other things yeah goose bay's famous for

695

00:26:54,230 --> 00:26:52,320
its uh ufo encounters too absolutely and

696

00:26:55,830 --> 00:26:54,240
uh let me talk about nova scotia you

697

00:27:00,230 --> 00:26:55,840
gotta think of uh

698

00:27:01,510 --> 00:27:00,240
then oh yeah the usos and everything

699

00:27:04,390 --> 00:27:01,520
there yeah

700

00:27:06,310 --> 00:27:04,400
yeah that's a great story it is and

701
00:27:08,870 --> 00:27:06,320
again that one's included in the book as

702
00:27:09,669 --> 00:27:08,880
well i've got sag harbor or shag harbor

703
00:27:14,310 --> 00:27:09,679
and

704
00:27:17,029 --> 00:27:14,320
incident are both in the book along with

705
00:27:18,310 --> 00:27:17,039
several other quite a number of other

706
00:27:20,389 --> 00:27:18,320
stories

707
00:27:22,230 --> 00:27:20,399
stephen mihaly can you tell a bit about

708
00:27:23,430 --> 00:27:22,240
the folks a bit about that uh about

709
00:27:25,830 --> 00:27:23,440
falcon lake

710
00:27:28,549 --> 00:27:25,840
yeah so so this guy

711
00:27:31,590 --> 00:27:28,559
is an engineering sort of fellow right

712
00:27:34,389 --> 00:27:31,600
so all i can figure from reading the

713
00:27:35,190 --> 00:27:34,399

various accounts of this this incident

714

00:27:37,190 --> 00:27:35,200

um

715

00:27:40,389 --> 00:27:37,200

is that this guy must have run around

716

00:27:41,990 --> 00:27:40,399

with a whole bag full of instrumentation

717

00:27:44,630 --> 00:27:42,000

um because

718

00:27:46,789 --> 00:27:44,640

so he's out uh at falcon lake which is

719

00:27:48,870 --> 00:27:46,799

in manitoba and

720

00:27:50,149 --> 00:27:48,880

he's doing some amateur prospecting

721

00:27:53,510 --> 00:27:50,159

stuff

722

00:27:54,950 --> 00:27:53,520

um and he sees if i recall three of

723

00:27:56,789 --> 00:27:54,960

these vessels

724

00:27:59,750 --> 00:27:56,799

approaching the lake

725

00:28:02,230 --> 00:27:59,760

and uh two of them continue on in

726

00:28:03,750 --> 00:28:02,240

different directions and he's puzzled by

727

00:28:05,190 --> 00:28:03,760

these because he has no idea what they

728

00:28:07,190 --> 00:28:05,200

are

729

00:28:10,230 --> 00:28:07,200

a third one actually comes in for

730

00:28:12,310 --> 00:28:10,240

landing not too far from where he's

731

00:28:14,789 --> 00:28:12,320

where he's doing his

732

00:28:17,669 --> 00:28:14,799

prospecting

733

00:28:21,190 --> 00:28:17,679

wise man that he is he hides in a bush

734

00:28:24,789 --> 00:28:21,200

for a while and he observes this thing

735

00:28:27,269 --> 00:28:24,799

um so you know so your classic dish dis

736

00:28:30,710 --> 00:28:27,279

shape sort of flying saucer thing that

737

00:28:31,750 --> 00:28:30,720

landed on the shore falcon lake

738

00:28:34,950 --> 00:28:31,760

his

739

00:28:37,269 --> 00:28:34,960

testimony was that it was seemed to be

740

00:28:39,750 --> 00:28:37,279

super hot

741

00:28:42,870 --> 00:28:39,760

like there were waves of heat coming off

742

00:28:44,149 --> 00:28:42,880

of the uh off of the object

743

00:28:45,669 --> 00:28:44,159

he observed this thing for something

744

00:28:47,669 --> 00:28:45,679

like 30 minutes

745

00:28:51,669 --> 00:28:47,679

um

746

00:28:54,230 --> 00:28:51,679

and saw a hatch open inside of it

747

00:28:57,269 --> 00:28:54,240

he thought that he heard voices so he

748

00:29:00,149 --> 00:28:57,279

finally comes out from cover

749

00:29:02,549 --> 00:29:00,159

he walks up close to this

750

00:29:03,909 --> 00:29:02,559

ship vessel craft whatever you want to

751
00:29:05,510 --> 00:29:03,919
call it

752
00:29:08,710 --> 00:29:05,520
and he

753
00:29:10,870 --> 00:29:08,720
greet whoever's inside and you can see

754
00:29:13,190 --> 00:29:10,880
in there's like control panels and that

755
00:29:15,190 --> 00:29:13,200
sort of thing greet whoever's inside

756
00:29:17,590 --> 00:29:15,200
guy speaks several different languages

757
00:29:18,389 --> 00:29:17,600
so it's like english and russian german

758
00:29:20,470 --> 00:29:18,399
and

759
00:29:22,230 --> 00:29:20,480
maybe italian i don't remember all the

760
00:29:23,909 --> 00:29:22,240
different languages but four or five

761
00:29:25,350 --> 00:29:23,919
different languages that he speaks to

762
00:29:27,430 --> 00:29:25,360
these people

763
00:29:28,310 --> 00:29:27,440

or or he speaks

764

00:29:31,269 --> 00:29:28,320

in

765

00:29:32,789 --> 00:29:31,279

this

766

00:29:33,750 --> 00:29:32,799

craft

767

00:29:36,549 --> 00:29:33,760

um

768

00:29:38,230 --> 00:29:36,559

as soon as he does this the thing

769

00:29:41,190 --> 00:29:38,240

the hatch seals

770

00:29:43,510 --> 00:29:41,200

and he notes that it's all it's as as if

771

00:29:45,350 --> 00:29:43,520

there was no door there at all uh

772

00:29:46,630 --> 00:29:45,360

there's no seam there's nothing that he

773

00:29:48,630 --> 00:29:46,640

can see you know it's a little

774

00:29:50,870 --> 00:29:48,640

engineering you know i can almost see

775

00:29:52,070 --> 00:29:50,880

him taking his magnifying glass out

776
00:29:53,830 --> 00:29:52,080
looking right

777
00:29:56,230 --> 00:29:53,840
there's no seam that he can find where

778
00:29:58,149 --> 00:29:56,240
this door was previously

779
00:30:00,070 --> 00:29:58,159
um it turns

780
00:30:02,070 --> 00:30:00,080
and

781
00:30:04,310 --> 00:30:02,080
we don't know if it's a propulsion or if

782
00:30:06,630 --> 00:30:04,320
it's an exhaustment or whatever but he

783
00:30:10,310 --> 00:30:06,640
gets blasted by hot air coming out of

784
00:30:13,669 --> 00:30:10,320
this vent sort of of

785
00:30:15,269 --> 00:30:13,679
aperture on on the uh

786
00:30:18,710 --> 00:30:15,279
on the ufo

787
00:30:20,549 --> 00:30:18,720
it sets his clothes on fire

788
00:30:22,549 --> 00:30:20,559

it knocks him to the ground and this

789

00:30:24,630 --> 00:30:22,559

this thing takes off into the sky and

790

00:30:26,549 --> 00:30:24,640

and flies away and he rolls around and

791

00:30:27,909 --> 00:30:26,559

puts the fire out

792

00:30:29,830 --> 00:30:27,919

must have been a pretty tough guy

793

00:30:31,830 --> 00:30:29,840

because he gets up and he walks off you

794

00:30:33,909 --> 00:30:31,840

know he's like oh well i've had enough

795

00:30:36,310 --> 00:30:33,919

of this oh i forgot to mention one thing

796

00:30:38,230 --> 00:30:36,320

he gets close enough to this ufo to

797

00:30:41,350 --> 00:30:38,240

actually touch it

798

00:30:43,750 --> 00:30:41,360

and he does that with

799

00:30:46,950 --> 00:30:43,760

special gloves that he had in his magic

800

00:30:50,310 --> 00:30:47,909

and

801
00:30:52,789 --> 00:30:50,320
the thing is so hot that that the glove

802
00:30:53,750 --> 00:30:52,799
literally slides off and like melts off

803
00:30:57,269 --> 00:30:53,760
of it

804
00:30:59,430 --> 00:30:57,279
um so he's you know like oh wow you know

805
00:31:00,630 --> 00:30:59,440
okay i don't want to lay a bare hand on

806
00:31:02,389 --> 00:31:00,640
this thing

807
00:31:05,590 --> 00:31:02,399
um

808
00:31:07,750 --> 00:31:05,600
it takes off it vents on him sets his

809
00:31:10,950 --> 00:31:07,760
clothes on fire he goes off

810
00:31:12,389 --> 00:31:10,960
uh he puts the fire out um he goes back

811
00:31:14,230 --> 00:31:12,399
to his vehicle

812
00:31:17,509 --> 00:31:14,240
um by the point he get by the time he

813
00:31:20,789 --> 00:31:17,519

gets back there he's feeling really ill

814

00:31:22,549 --> 00:31:20,799

and you know long story short um he ends

815

00:31:25,190 --> 00:31:22,559

up in the hospital

816

00:31:26,230 --> 00:31:25,200

um if i recall he lost something like 20

817

00:31:28,950 --> 00:31:26,240

pounds

818

00:31:30,630 --> 00:31:28,960

and uh his doctors were were like i

819

00:31:32,710 --> 00:31:30,640

we're not sure what the heck happened to

820

00:31:33,830 --> 00:31:32,720

him but it looks like he had some sort

821

00:31:36,470 --> 00:31:33,840

of yeah

822

00:31:39,830 --> 00:31:36,480

looked like he had uh you know radiation

823

00:31:42,230 --> 00:31:39,840

burns is basically what the the the

824

00:31:43,990 --> 00:31:42,240

doctors concluded was wrong with him

825

00:31:45,909 --> 00:31:44,000

and he uh

826

00:31:47,430 --> 00:31:45,919

you know he had those scars that you're

827

00:31:48,950 --> 00:31:47,440

seeing in the picture

828

00:31:49,750 --> 00:31:48,960

um

829

00:31:51,750 --> 00:31:49,760

for

830

00:31:54,710 --> 00:31:51,760

quite a number of years uh the the

831

00:31:56,950 --> 00:31:54,720

lorenzens who did uh some research into

832

00:31:58,710 --> 00:31:56,960

this case actually talked spoke with him

833

00:32:00,470 --> 00:31:58,720

and he still had the scars at that time

834

00:32:01,430 --> 00:32:00,480

several years later

835

00:32:03,909 --> 00:32:01,440

um so

836

00:32:05,110 --> 00:32:03,919

you know it's a very up close very

837

00:32:07,909 --> 00:32:05,120

personal

838

00:32:10,230 --> 00:32:07,919

uh he didn't see any entities coming out

839

00:32:12,710 --> 00:32:10,240

of the craft or in the craft but

840

00:32:15,029 --> 00:32:12,720

he got really close to this thing and he

841

00:32:16,789 --> 00:32:15,039

paid the price for it yeah

842

00:32:20,230 --> 00:32:16,799

yeah it's an interesting case it really

843

00:32:20,950 --> 00:32:20,240

is um i mean as far as actual contact

844

00:32:25,830 --> 00:32:20,960

with

845

00:32:28,470 --> 00:32:25,840

the scars to prove it and yeah

846

00:32:30,310 --> 00:32:28,480

yeah he even had welding glasses in his

847

00:32:31,909 --> 00:32:30,320

little bag of tricks right so he was

848

00:32:35,350 --> 00:32:31,919

looking at this thing you know when it

849

00:32:36,710 --> 00:32:35,360

was i i was i was was amazed at the

850

00:32:39,350 --> 00:32:36,720

number of things that he pulled out of

851

00:32:43,909 --> 00:32:39,360

this bag during the course of the um

852

00:32:48,630 --> 00:32:46,950

an interesting thing about canada though

853

00:32:50,630 --> 00:32:48,640

is a lot of people don't know is that

854

00:32:52,389 --> 00:32:50,640

canada has a pretty advanced aerospace

855

00:32:54,710 --> 00:32:52,399

program

856

00:32:56,630 --> 00:32:54,720

and there was actually a company if i

857

00:33:00,549 --> 00:32:56,640

remember right it was called avro that

858

00:33:04,230 --> 00:33:00,559

was trying to develop in the 50s or 60s

859

00:33:07,509 --> 00:33:04,240

of a circular flying craft

860

00:33:08,870 --> 00:33:07,519

now they gave it up as a as a loss

861

00:33:10,389 --> 00:33:08,880

according to

862

00:33:13,669 --> 00:33:10,399

official sources

863

00:33:15,990 --> 00:33:13,679

but you know the the falcon lake story

864

00:33:17,909 --> 00:33:16,000

makes me wonder if uh you know somebody

865

00:33:19,430 --> 00:33:17,919

in the government might not have thought

866

00:33:21,430 --> 00:33:19,440

that this was still a great idea and

867

00:33:25,909 --> 00:33:21,440

been experimenting with this uh with

868

00:33:30,230 --> 00:33:29,509

after the avro program closed down

869

00:33:32,470 --> 00:33:30,240

so

870

00:33:34,070 --> 00:33:32,480

you know because obviously he ran into

871

00:33:37,029 --> 00:33:34,080

something that really

872

00:33:39,669 --> 00:33:37,039

uh really toasted that's a great picture

873

00:33:41,350 --> 00:33:39,679

yeah i've never seen that one before

874

00:33:43,269 --> 00:33:41,360

you know he ran into something that

875

00:33:46,149 --> 00:33:43,279

really toasted him and had a very

876

00:33:48,310 --> 00:33:46,159

physical effect on him so

877

00:33:49,750 --> 00:33:48,320

there's lots and lots of

878

00:33:51,029 --> 00:33:49,760

this

879

00:33:52,549 --> 00:33:51,039

i'm sorry

880

00:33:53,909 --> 00:33:52,559

i've actually never seen any of this

881

00:33:56,470 --> 00:33:53,919

it's the first time i've ever heard of

882

00:33:58,070 --> 00:33:56,480

this so yeah that's that's those those

883

00:33:59,110 --> 00:33:58,080

are some good pictures

884

00:34:03,669 --> 00:33:59,120

um

885

00:34:05,990 --> 00:34:03,679

there's actually a ton of you there's

886

00:34:07,909 --> 00:34:06,000

several sections of ufo stuff in in the

887

00:34:12,950 --> 00:34:07,919

book

888

00:34:17,909 --> 00:34:16,470

the same kind of aspect as ufos in in

889

00:34:20,629 --> 00:34:17,919

the united states seem to be really

890

00:34:22,149 --> 00:34:20,639

interested in nuclear power and nuclear

891

00:34:26,230 --> 00:34:22,159

weapons

892

00:34:28,389 --> 00:34:26,240

um yeah as i mentioned there was a uh

893

00:34:30,710 --> 00:34:28,399

there were more than one sighting up in

894

00:34:34,149 --> 00:34:30,720

the the goose bay area up in uh

895

00:34:35,829 --> 00:34:34,159

newfoundland newfoundland labrador my

896

00:34:37,430 --> 00:34:35,839

dad was stationed up there in the early

897

00:34:39,109 --> 00:34:37,440

50s oh yeah

898

00:34:40,230 --> 00:34:39,119

yeah so

899

00:34:45,589 --> 00:34:40,240

yeah

900

00:34:49,030 --> 00:34:45,599

but then i got a uh i talked to several

901
00:34:50,790 --> 00:34:49,040
several service people who did um

902
00:34:54,389 --> 00:34:50,800
well they i guess they did whack with a

903
00:34:56,389 --> 00:34:54,399
lot of the canadian forces up there yeah

904
00:34:57,190 --> 00:34:56,399
yeah yeah there's a joint military task

905
00:34:59,510 --> 00:34:57,200
force

906
00:35:00,550 --> 00:34:59,520
up in that area so uh you know there

907
00:35:02,710 --> 00:35:00,560
there were

908
00:35:05,430 --> 00:35:02,720
lots of canadian forces people up there

909
00:35:07,589 --> 00:35:05,440
as well as lots of u.s people and

910
00:35:09,109 --> 00:35:07,599
apparently the u.s military used that as

911
00:35:11,109 --> 00:35:09,119
a as a waste

912
00:35:13,190 --> 00:35:11,119
kind of refueling station for planes

913
00:35:14,790 --> 00:35:13,200

that were coming across the atlantic

914

00:35:16,870 --> 00:35:14,800

um

915

00:35:19,109 --> 00:35:16,880

you know to to then continue on uh one

916

00:35:20,230 --> 00:35:19,119

of the stories was uh

917

00:35:23,190 --> 00:35:20,240

uh

918

00:35:24,790 --> 00:35:23,200

i think it was a c-130 um

919

00:35:29,109 --> 00:35:24,800

no it was a jet aircraft i don't

920

00:35:34,150 --> 00:35:31,750

yeah cargo plane crashed up there yeah

921

00:35:37,510 --> 00:35:34,160

yeah so there's there's all kinds of

922

00:35:41,510 --> 00:35:37,520

stories of ufos up that direction

923

00:35:42,630 --> 00:35:41,520

there's a great story from from montreal

924

00:35:46,310 --> 00:35:42,640

quebec

925

00:35:50,069 --> 00:35:46,320

of uh like a giant mothership type

926
00:35:52,710 --> 00:35:50,079
ufo that appeared over a major hotel

927
00:35:53,670 --> 00:35:52,720
in uh in downtown montreal

928
00:35:55,670 --> 00:35:53,680
um

929
00:35:57,349 --> 00:35:55,680
i think that was covered on the tv show

930
00:35:58,470 --> 00:35:57,359
sightings

931
00:36:00,150 --> 00:35:58,480
but

932
00:36:03,589 --> 00:36:00,160
you know they had

933
00:36:06,470 --> 00:36:03,599
the hotel security as witnesses they had

934
00:36:09,670 --> 00:36:06,480
uh montreal police's witnesses they had

935
00:36:12,470 --> 00:36:09,680
the local rcmp officer up there all of

936
00:36:14,630 --> 00:36:12,480
them standing looking at this giant

937
00:36:16,630 --> 00:36:14,640
whatever it was set of lights that were

938
00:36:18,870 --> 00:36:16,640

hovering over this hotel

939

00:36:21,589 --> 00:36:18,880

that uh you know eventually drifted off

940

00:36:23,349 --> 00:36:21,599

into uh into the the drive the snow that

941

00:36:26,470 --> 00:36:23,359

was starting to fall

942

00:36:29,829 --> 00:36:26,480

interestingly enough after that incident

943

00:36:29,839 --> 00:36:33,349

there was a power outage

944

00:36:33,359 --> 00:36:38,470

not far from that area and the only

945

00:36:42,550 --> 00:36:40,870

power trunk line that was affected

946

00:36:44,950 --> 00:36:42,560

was a trunk line that went to one of the

947

00:36:46,630 --> 00:36:44,960

local military bases that stored nuclear

948

00:36:48,310 --> 00:36:46,640

weapons

949

00:36:50,069 --> 00:36:48,320

so

950

00:36:51,990 --> 00:36:50,079

it's like okay

951
00:36:55,109 --> 00:36:52,000
maybe they don't like nuclear weapons

952
00:36:56,870 --> 00:36:55,119
there's also some ufo sightings close to

953
00:36:58,790 --> 00:36:56,880
nuclear power plants

954
00:37:00,790 --> 00:36:58,800
in ontario

955
00:37:02,790 --> 00:37:00,800
um one where

956
00:37:05,349 --> 00:37:02,800
it actually made it into the log of the

957
00:37:07,670 --> 00:37:05,359
nuclear plant you know ufo seen today at

958
00:37:09,349 --> 00:37:07,680
0.7

959
00:37:11,910 --> 00:37:09,359
they actually logged it in their in

960
00:37:12,790 --> 00:37:11,920
their their uh their duty log for the

961
00:37:14,790 --> 00:37:12,800
day

962
00:37:16,870 --> 00:37:14,800
the interesting thing about that one was

963
00:37:18,310 --> 00:37:16,880

this thing dropped something into the

964

00:37:20,230 --> 00:37:18,320

lake

965

00:37:22,230 --> 00:37:20,240

um and

966

00:37:24,230 --> 00:37:22,240

uh then there were several witnesses

967

00:37:26,390 --> 00:37:24,240

that testified that it kept coming back

968

00:37:28,310 --> 00:37:26,400

and seemed to be looking for whatever it

969

00:37:29,670 --> 00:37:28,320

dropped in the lake

970

00:37:30,870 --> 00:37:29,680

um

971

00:37:32,550 --> 00:37:30,880

you know now of course everybody says

972

00:37:35,750 --> 00:37:32,560

well they must have dropped a probe to

973

00:37:37,430 --> 00:37:35,760

monitor the nuclear power plant

974

00:37:38,950 --> 00:37:37,440

i'm always like this is one of the

975

00:37:42,470 --> 00:37:38,960

things that really puts me off the

976
00:37:44,950 --> 00:37:42,480
extraterrestrial hypothesis if a really

977
00:37:47,589 --> 00:37:44,960
super advanced

978
00:37:49,750 --> 00:37:47,599
race of people from another

979
00:37:51,910 --> 00:37:49,760
planet or another galaxy or whatever who

980
00:37:54,390 --> 00:37:51,920
were capable of bridging interstellar

981
00:37:56,310 --> 00:37:54,400
space and reaching our planet

982
00:37:59,990 --> 00:37:56,320
and hanging out with us featherless

983
00:38:04,150 --> 00:38:02,310
a group of people with technology like

984
00:38:06,790 --> 00:38:04,160
that should be able to find their own

985
00:38:07,910 --> 00:38:06,800
probe when they come back to look for it

986
00:38:09,910 --> 00:38:07,920
you would think

987
00:38:11,750 --> 00:38:09,920
better yet why do they need to drop a

988
00:38:13,670 --> 00:38:11,760

probe at all why don't they just fly

989

00:38:15,349 --> 00:38:13,680

over the power plant and take readings

990

00:38:16,950 --> 00:38:15,359

you know it's like it's not like we can

991

00:38:18,950 --> 00:38:16,960

do anything about it

992

00:38:20,710 --> 00:38:18,960

none of our military ever been able to

993

00:38:22,310 --> 00:38:20,720

catch one of these things

994

00:38:23,270 --> 00:38:22,320

not even close

995

00:38:24,390 --> 00:38:23,280

so

996

00:38:26,550 --> 00:38:24,400

you know

997

00:38:28,150 --> 00:38:26,560

but i've got a question from uh moon

998

00:38:29,829 --> 00:38:28,160

medicine for i think they tried to get

999

00:38:30,710 --> 00:38:29,839

me asked this question a couple weeks

1000

00:38:34,790 --> 00:38:30,720

ago

1001

00:38:36,790 --> 00:38:34,800

any reports of dog men on spacecraft

1002

00:38:38,550 --> 00:38:36,800

not that i know of yeah not that i know

1003

00:38:40,630 --> 00:38:38,560

of either i am

1004

00:38:42,150 --> 00:38:40,640

i've had some dogman sightings up there

1005

00:38:44,710 --> 00:38:42,160

but i never had anything involved with a

1006

00:38:48,390 --> 00:38:44,720

spacecraft i haven't had

1007

00:38:50,630 --> 00:38:48,400

i haven't and dog men are one of my yeah

1008

00:38:53,109 --> 00:38:50,640

i prefer man wolf but you know dog men

1009

00:38:55,670 --> 00:38:53,119

are one of my um because dog men is kind

1010

00:38:57,109 --> 00:38:55,680

of like bigfoot you know i i rarely use

1011

00:38:59,349 --> 00:38:57,119

the term bigfoot

1012

00:39:01,589 --> 00:38:59,359

i like sasquatch a whole lot better uh

1013

00:39:03,910 --> 00:39:01,599

just because it seems

1014

00:39:06,950 --> 00:39:03,920

i'm an animist you know so i have this

1015

00:39:08,870 --> 00:39:06,960

this thing about being respectful to

1016

00:39:10,470 --> 00:39:08,880

beings you know whether they're

1017

00:39:11,829 --> 00:39:10,480

spiritual beings physical beings or

1018

00:39:13,829 --> 00:39:11,839

whatever

1019

00:39:16,870 --> 00:39:13,839

so the dog man thing

1020

00:39:19,510 --> 00:39:16,880

is one of my uh

1021

00:39:21,190 --> 00:39:19,520

areas of of obsession i guess i mean

1022

00:39:22,470 --> 00:39:21,200

those of us who know

1023

00:39:25,109 --> 00:39:22,480

uh

1024

00:39:27,349 --> 00:39:25,119

you know who who have have followed my

1025

00:39:29,510 --> 00:39:27,359

career know my first dog my first book

1026

00:39:32,230 --> 00:39:29,520

was on phantom black dogs

1027

00:39:34,710 --> 00:39:32,240

um and i did do a lot of research

1028

00:39:38,630 --> 00:39:34,720

reading linda godfrey and those kinds of

1029

00:39:40,870 --> 00:39:38,640

authors about about dogman i have never

1030

00:39:43,910 --> 00:39:40,880

you know there are reports of sasquatch

1031

00:39:45,670 --> 00:39:43,920

being seen in conjunction with anomalous

1032

00:39:47,510 --> 00:39:45,680

lights and ufos but i've never run

1033

00:39:49,750 --> 00:39:47,520

across anything about

1034

00:39:52,710 --> 00:39:49,760

about the manual for the dog band being

1035

00:39:54,950 --> 00:39:52,720

associated with either ufos or

1036

00:39:56,870 --> 00:39:54,960

any other kind of flying craft or even

1037

00:39:58,710 --> 00:39:56,880

anomalous lights really

1038

00:40:00,470 --> 00:39:58,720

they seem to be a thing all they seem to

1039

00:40:02,710 --> 00:40:00,480

be a thing all their own

1040

00:40:05,829 --> 00:40:02,720

i've got a um my next book is going to

1041

00:40:08,069 --> 00:40:05,839

be on cryptic canines okay and i don't

1042

00:40:09,750 --> 00:40:08,079

know if i don't think i've ever come

1043

00:40:10,950 --> 00:40:09,760

across any of that you know i might go

1044

00:40:12,790 --> 00:40:10,960

back and

1045

00:40:15,109 --> 00:40:12,800

go through all the archives and the

1046

00:40:17,829 --> 00:40:15,119

research and find one but i can't off

1047

00:40:19,589 --> 00:40:17,839

hand i can't think of them yeah i

1048

00:40:21,910 --> 00:40:19,599

you know and i've i've

1049

00:40:24,069 --> 00:40:21,920

searched your blog any number of times

1050

00:40:24,950 --> 00:40:24,079

but in the course of doing research and

1051
00:40:27,670 --> 00:40:24,960
i can

1052
00:40:30,710 --> 00:40:27,680
you know

1053
00:40:31,910 --> 00:40:30,720
pretty thoroughly that uh i have

1054
00:40:34,470 --> 00:40:31,920
no

1055
00:40:37,030 --> 00:40:34,480
encounters of

1056
00:40:39,109 --> 00:40:37,040
man-wolf type creatures being seen in

1057
00:40:43,349 --> 00:40:39,119
the vicinity of the ufo or any other

1058
00:40:45,030 --> 00:40:43,359
kind of craft the thing that seems to be

1059
00:40:46,790 --> 00:40:45,040
the the linking

1060
00:40:49,990 --> 00:40:46,800
phenomena for

1061
00:40:50,870 --> 00:40:50,000
the dog man or man wolf is is uh burial

1062
00:40:56,870 --> 00:40:50,880
sites

1063
00:40:59,270 --> 00:40:56,880

burial mounds

1064

00:41:01,270 --> 00:40:59,280

um so yes that's my other book one of my

1065

00:41:04,550 --> 00:41:01,280

other books

1066

00:41:06,870 --> 00:41:04,560

i i have got several stories of uh

1067

00:41:09,190 --> 00:41:06,880

cryptic canines being around

1068

00:41:10,309 --> 00:41:09,200

uh ojibwe

1069

00:41:11,190 --> 00:41:10,319

when

1070

00:41:14,150 --> 00:41:11,200

uh

1071

00:41:16,550 --> 00:41:14,160

burial sites up in up in ontario yeah

1072

00:41:18,150 --> 00:41:16,560

and and then down in in the states

1073

00:41:19,030 --> 00:41:18,160

there's the uh

1074

00:41:23,829 --> 00:41:19,040

the

1075

00:41:25,910 --> 00:41:23,839

forth

1076

00:41:27,190 --> 00:41:25,920

um you know in fact one of linda

1077

00:41:29,670 --> 00:41:27,200

godfrey's

1078

00:41:31,430 --> 00:41:29,680

earliest historical cases was in the

1079

00:41:33,349 --> 00:41:31,440

early

1080

00:41:36,069 --> 00:41:33,359

say 1930s

1081

00:41:40,150 --> 00:41:36,079

um where fellow was

1082

00:41:44,550 --> 00:41:42,470

bit of residential school or

1083

00:41:46,230 --> 00:41:44,560

i don't remember exactly what it was i'm

1084

00:41:47,510 --> 00:41:46,240

pulling this from memory

1085

00:41:50,470 --> 00:41:47,520

um

1086

00:41:53,030 --> 00:41:50,480

but comes across something digging in

1087

00:41:54,550 --> 00:41:53,040

what later proved to be a burial mound

1088

00:41:56,550 --> 00:41:54,560

yeah and uh

1089

00:41:58,230 --> 00:41:56,560

you know he he approaches this thing

1090

00:42:00,150 --> 00:41:58,240

with this flashlight in hand and shines

1091

00:42:02,710 --> 00:42:00,160

a light on and comes face to face with

1092

00:42:04,470 --> 00:42:02,720

an upright cane

1093

00:42:06,069 --> 00:42:04,480

which of course scared the jabbers out

1094

00:42:09,829 --> 00:42:06,079

of him especially when it looked at him

1095

00:42:12,710 --> 00:42:09,839

and said something like bedara

1096

00:42:15,270 --> 00:42:12,720

we don't have many reports of van wolf

1097

00:42:18,230 --> 00:42:15,280

creatures talking but that's one that

1098

00:42:21,670 --> 00:42:18,240

that godfrey mentions yeah if you if you

1099

00:42:23,670 --> 00:42:21,680

watch the uh the film that um

1100

00:42:25,589 --> 00:42:23,680

that uh

1101

00:42:27,270 --> 00:42:25,599

small town monster did

1102

00:42:29,270 --> 00:42:27,280

with linda was in she did she did

1103

00:42:31,109 --> 00:42:29,280

discuss that oh yeah that case in

1104

00:42:32,550 --> 00:42:31,119

particular was pretty interesting

1105

00:42:33,910 --> 00:42:32,560

yeah that case is really interesting

1106

00:42:35,270 --> 00:42:33,920

that the

1107

00:42:37,190 --> 00:42:35,280

picture you were just showing was an

1108

00:42:39,270 --> 00:42:37,200

illustration of one of the uh yeah

1109

00:42:40,790 --> 00:42:39,280

that's one of our illustrations yeah

1110

00:42:42,870 --> 00:42:40,800

yeah it's one of her illustrations of

1111

00:42:45,270 --> 00:42:42,880

beast debris roadsiding where the the

1112

00:42:47,430 --> 00:42:45,280

canid was supposed to be

1113

00:42:50,710 --> 00:42:47,440

dining on roadkill basically which seems

1114

00:42:53,109 --> 00:42:50,720

to be a thing up in in wisconsin

1115

00:42:54,230 --> 00:42:53,119

but uh you know we get out of it though

1116

00:42:55,589 --> 00:42:54,240

sorry

1117

00:42:57,190 --> 00:42:55,599

do what

1118

00:42:59,270 --> 00:42:57,200

what do you think they get out of it you

1119

00:43:01,190 --> 00:42:59,280

know going and digging into burial

1120

00:43:03,270 --> 00:43:01,200

mounds and things like that what do you

1121

00:43:05,030 --> 00:43:03,280

think they're trying to get out of it

1122

00:43:07,510 --> 00:43:05,040

i think that

1123

00:43:12,550 --> 00:43:09,589

and this is where you know people are

1124

00:43:14,550 --> 00:43:12,560

going to accuse me of being woo but

1125

00:43:17,589 --> 00:43:14,560

i think that the

1126
00:43:19,910 --> 00:43:17,599
worry about that like i said an animist

1127
00:43:21,990 --> 00:43:19,920
here i

1128
00:43:23,910 --> 00:43:22,000
believe that we are surrounded by a

1129
00:43:25,270 --> 00:43:23,920
world full of spirits

1130
00:43:27,270 --> 00:43:25,280
and that some of those spirits have the

1131
00:43:29,670 --> 00:43:27,280
capability to move back and forth

1132
00:43:32,470 --> 00:43:29,680
between their reality and ours

1133
00:43:35,030 --> 00:43:32,480
um i think the the manual for dog man is

1134
00:43:37,109 --> 00:43:35,040
is actually uh something that has either

1135
00:43:39,430 --> 00:43:37,119
been created or

1136
00:43:41,910 --> 00:43:39,440
invoked by a

1137
00:43:44,470 --> 00:43:41,920
native uh medicine people

1138
00:43:46,069 --> 00:43:44,480

to guard those burial mounds

1139

00:43:47,750 --> 00:43:46,079

um and

1140

00:43:49,589 --> 00:43:47,760

you know they've probably lost some

1141

00:43:50,390 --> 00:43:49,599

power over the years

1142

00:43:52,390 --> 00:43:50,400

but

1143

00:43:54,069 --> 00:43:52,400

they're still

1144

00:43:56,470 --> 00:43:54,079

you know you notice that in most of

1145

00:43:58,390 --> 00:43:56,480

these man wolf sightings the thing will

1146

00:44:01,910 --> 00:43:58,400

charge people it will

1147

00:44:04,390 --> 00:44:01,920

growl people scare the jesus out of them

1148

00:44:07,430 --> 00:44:04,400

but their godfrey makes a point of

1149

00:44:09,589 --> 00:44:07,440

saying that she has only one case where

1150

00:44:12,230 --> 00:44:09,599

and that was in canada actually

1151

00:44:13,750 --> 00:44:12,240

only one case where a man wolf actually

1152

00:44:15,589 --> 00:44:13,760

injured somebody

1153

00:44:17,750 --> 00:44:15,599

you know it'll chase people up trees and

1154

00:44:19,589 --> 00:44:17,760

it's obvious from the way people

1155

00:44:22,630 --> 00:44:19,599

describe this creature that if it wanted

1156

00:44:24,550 --> 00:44:22,640

to catch you it could you know its

1157

00:44:26,950 --> 00:44:24,560

object is to scare you away from

1158

00:44:30,150 --> 00:44:26,960

whatever it is that it's protecting

1159

00:44:33,030 --> 00:44:30,160

whether that's a piece of land or a

1160

00:44:34,470 --> 00:44:33,040

burial site or or whatever

1161

00:44:37,030 --> 00:44:34,480

um

1162

00:44:38,630 --> 00:44:37,040

it's its goal seems to be to get you to

1163

00:44:41,510 --> 00:44:38,640

go away

1164

00:44:44,630 --> 00:44:41,520

um the the the uh the gentleman in

1165

00:44:46,390 --> 00:44:44,640

quebec uh actually emailed godfrey and

1166

00:44:48,230 --> 00:44:46,400

said that he'd been on a hike in a

1167

00:44:50,630 --> 00:44:48,240

wilderness area in quebec and he'd

1168

00:44:53,109 --> 00:44:50,640

encountered one of these creatures

1169

00:44:55,750 --> 00:44:53,119

and uh it charged down the path toward

1170

00:44:56,790 --> 00:44:55,760

him and grazed him with a fang as it

1171

00:44:58,470 --> 00:44:56,800

went by

1172

00:45:01,030 --> 00:44:58,480

so it was

1173

00:45:03,190 --> 00:45:01,040

almost accidental right

1174

00:45:05,430 --> 00:45:03,200

left a four inch gash in his hip and he

1175

00:45:07,349 --> 00:45:05,440

told the the rangers and the doctors and

1176

00:45:09,030 --> 00:45:07,359

stuff that he'd been attacked by a bear

1177

00:45:11,750 --> 00:45:09,040

because he didn't tell him what he

1178

00:45:13,750 --> 00:45:11,760

actually saw

1179

00:45:15,990 --> 00:45:13,760

godfrey tried to to get further

1180

00:45:17,990 --> 00:45:16,000

information from this fella but

1181

00:45:19,670 --> 00:45:18,000

he wasn't forthcoming and you know how

1182

00:45:21,430 --> 00:45:19,680

it is sometimes somebody will email you

1183

00:45:23,349 --> 00:45:21,440

i saw this thing and this is what

1184

00:45:27,589 --> 00:45:23,359

happened and then you you get

1185

00:45:29,750 --> 00:45:27,599

you know avoid silence after that

1186

00:45:32,390 --> 00:45:29,760

but that's the only

1187

00:45:35,910 --> 00:45:32,400

case that godfrey reported and the only

1188

00:45:38,630 --> 00:45:35,920

case that i can that i've seen

1189

00:45:40,790 --> 00:45:38,640

where someone was actually injured by a

1190

00:45:42,309 --> 00:45:40,800

man wolf now

1191

00:45:43,589 --> 00:45:42,319

we know that

1192

00:45:45,670 --> 00:45:43,599

there are

1193

00:45:49,670 --> 00:45:45,680

lots of instances of people actually

1194

00:45:49,680 --> 00:45:53,510

and we don't know what causes that

1195

00:45:59,510 --> 00:45:55,589

so we can't say for sure that these

1196

00:46:03,030 --> 00:46:01,030

harmless

1197

00:46:04,870 --> 00:46:03,040

um and i sure as heck would want to run

1198

00:46:06,950 --> 00:46:04,880

into one when it decided to do that

1199

00:46:09,430 --> 00:46:06,960

bluff charge thing i i'll be honest with

1200

00:46:11,829 --> 00:46:09,440

you it's one crypt that i have no desire

1201

00:46:14,550 --> 00:46:11,839

to be in front of yeah yeah

1202

00:46:17,190 --> 00:46:14,560

so my story i've heard around here

1203

00:46:19,349 --> 00:46:17,200

literally it's just terrifying yeah if i

1204

00:46:21,109 --> 00:46:19,359

could watch it from a deer blind up high

1205

00:46:23,270 --> 00:46:21,119

somewhere where i knew it couldn't get

1206

00:46:25,990 --> 00:46:23,280

to me and i had a nice set of binoculars

1207

00:46:26,950 --> 00:46:26,000

and i could scope it i'd be very happy

1208

00:46:28,710 --> 00:46:26,960

with that

1209

00:46:30,950 --> 00:46:28,720

i don't want to get into close proximity

1210

00:46:33,030 --> 00:46:30,960

well i mean i've had i've had hunters

1211

00:46:35,829 --> 00:46:33,040

who've been in deer blinds and i'm

1212

00:46:38,230 --> 00:46:35,839

afraid to take a shot at it oh yeah yeah

1213

00:46:40,390 --> 00:46:38,240

well i mean for one thing

1214

00:46:41,270 --> 00:46:40,400

why would you well that's true i mean

1215

00:46:42,470 --> 00:46:41,280

there's

1216

00:46:44,069 --> 00:46:42,480

know i mean

1217

00:46:45,589 --> 00:46:44,079

do you really want to take a chance at

1218

00:46:47,430 --> 00:46:45,599

ticking this thing off well it's just

1219

00:46:49,109 --> 00:46:47,440

like anybody with a bigfoot i mean i

1220

00:46:50,710 --> 00:46:49,119

wouldn't even dream of doing that and

1221

00:46:52,790 --> 00:46:50,720

i've been encounter i've encountered one

1222

00:46:55,589 --> 00:46:52,800

and i if i had a gun i'd never shot this

1223

00:46:58,309 --> 00:46:55,599

thing yeah yeah and and the people who

1224

00:47:00,309 --> 00:46:58,319

claim to have actually shot one

1225

00:47:01,510 --> 00:47:00,319

almost invariably this is one of the

1226

00:47:03,750 --> 00:47:01,520

things that i

1227

00:47:06,550 --> 00:47:03,760

and i'll talk just for a minute i i

1228

00:47:08,950 --> 00:47:06,560

actually am as i said working on a

1229

00:47:10,790 --> 00:47:08,960

book about sasquatch in canada

1230

00:47:12,710 --> 00:47:10,800

um and some of the sightings that happen

1231

00:47:14,550 --> 00:47:12,720

outside of british columbia

1232

00:47:17,670 --> 00:47:14,560

one of the things that struck me was

1233

00:47:20,150 --> 00:47:17,680

that there is one story there will be

1234

00:47:21,349 --> 00:47:20,160

one story in this book about someone who

1235

00:47:25,030 --> 00:47:21,359

actually

1236

00:47:26,790 --> 00:47:25,040

uh claimed to have killed a sasquatch

1237

00:47:28,230 --> 00:47:26,800

by accident he thought it was a moose he

1238

00:47:30,549 --> 00:47:28,240

thought it was the back end of a moose

1239

00:47:32,950 --> 00:47:30,559

and he and he fired on it

1240

00:47:34,950 --> 00:47:32,960

he was a 17 year old you know new to

1241

00:47:38,549 --> 00:47:34,960

hunting you know

1242

00:47:39,589 --> 00:47:38,559

got excited and shot this thing and

1243

00:47:41,109 --> 00:47:39,599

you know

1244

00:47:43,190 --> 00:47:41,119

this was

1245

00:47:45,349 --> 00:47:43,200

right after world war ii

1246

00:47:48,309 --> 00:47:45,359

and um

1247

00:47:50,630 --> 00:47:48,319

he claims that you know he he bought

1248

00:47:53,430 --> 00:47:50,640

this this creature down one single shot

1249

00:47:54,870 --> 00:47:53,440

um it had hit it in the spine

1250

00:47:57,829 --> 00:47:54,880

um

1251

00:47:59,270 --> 00:47:57,839

of course you know he was hunting moose

1252

00:48:01,030 --> 00:47:59,280

illegally

1253

00:48:03,430 --> 00:48:01,040

so he did

1254

00:48:06,950 --> 00:48:03,440

and he was afraid that he had killed you

1255

00:48:09,270 --> 00:48:06,960

know like a wild man or a feral human

1256

00:48:11,109 --> 00:48:09,280

so he just backed away from this and

1257

00:48:14,950 --> 00:48:11,119

went his way and didn't tell his story

1258

00:48:19,190 --> 00:48:15,910

so

1259

00:48:21,030 --> 00:48:19,200

the times that i've seen that people

1260

00:48:22,390 --> 00:48:21,040

claim to have shot one of these things

1261

00:48:23,190 --> 00:48:22,400

it's been

1262

00:48:25,829 --> 00:48:23,200

you know

1263

00:48:27,589 --> 00:48:25,839

basically a case of mistaken identity if

1264

00:48:29,510 --> 00:48:27,599

you actually

1265

00:48:30,950 --> 00:48:29,520

get face to face with one and put a

1266

00:48:33,030 --> 00:48:30,960

scope on it

1267

00:48:35,589 --> 00:48:33,040

i have yet to encounter a story where

1268

00:48:37,829 --> 00:48:35,599

the hunter could pull a trigger

1269

00:48:39,910 --> 00:48:37,839

because they claim that they they look

1270

00:48:42,069 --> 00:48:39,920

too human to shoot

1271

00:48:44,309 --> 00:48:42,079

you know yeah

1272

00:48:47,109 --> 00:48:44,319

you know i could attest to that

1273

00:48:48,549 --> 00:48:47,119

yeah i kind of tested that

1274

00:48:51,589 --> 00:48:48,559

i mean i haven't actually run into a

1275

00:48:54,710 --> 00:48:51,599

bigfoot but i i can't uh

1276

00:48:56,390 --> 00:48:54,720

i can't imagine that i could could

1277

00:48:58,470 --> 00:48:56,400

could do that

1278

00:48:59,990 --> 00:48:58,480

i can't imagine that i could shoot one

1279

00:49:02,950 --> 00:49:00,000

but first of all because i don't think

1280

00:49:05,510 --> 00:49:02,960

it would do anything

1281

00:49:08,630 --> 00:49:05,520

but secondly uh you know i mean in the

1282

00:49:10,630 --> 00:49:08,640

event that you could bring one down

1283

00:49:14,230 --> 00:49:10,640

i just don't i

1284

00:49:18,549 --> 00:49:16,309

i just can't imagine myself doing that

1285

00:49:19,750 --> 00:49:18,559

yeah i know that a lot of people claim

1286

00:49:22,710 --> 00:49:19,760

that you know the only way you're going

1287

00:49:24,950 --> 00:49:22,720

to prove that the sasquatch exists is to

1288

00:49:25,750 --> 00:49:24,960

to do the uh you know bring the body in

1289

00:49:27,430 --> 00:49:25,760

and

1290

00:49:29,589 --> 00:49:27,440

i wish them good luck

1291

00:49:30,710 --> 00:49:29,599

i i don't think it's it's gonna be hard

1292

00:49:32,390 --> 00:49:30,720

to do

1293

00:49:34,549 --> 00:49:32,400

yeah i got a question here from thomas

1294

00:49:37,910 --> 00:49:34,559

carroll and going back to the the uh

1295

00:49:41,990 --> 00:49:37,920

canines uh sure could some man wolf even

1296

00:49:44,630 --> 00:49:43,109

uh

1297

00:49:45,670 --> 00:49:44,640

okay so

1298

00:49:48,230 --> 00:49:45,680

you know

1299

00:49:50,309 --> 00:49:48,240

to answer that question

1300

00:49:52,150 --> 00:49:50,319

um

1301
00:49:53,670 --> 00:49:52,160
you have to know something about magical

1302
00:49:56,829 --> 00:49:53,680
theory

1303
00:50:02,069 --> 00:49:56,839
um now anybody who's interested

1304
00:50:04,870 --> 00:50:02,079
in the interface between magic and

1305
00:50:07,190 --> 00:50:04,880
paranormal uh and these beings that we

1306
00:50:10,150 --> 00:50:07,200
see out there

1307
00:50:12,710 --> 00:50:10,160
i highly recommend a book called

1308
00:50:15,109 --> 00:50:12,720
monsters an investigator or a field

1309
00:50:17,349 --> 00:50:15,119
investigator's guide to magical beings

1310
00:50:18,470 --> 00:50:17,359
by john michael greer

1311
00:50:20,069 --> 00:50:18,480
um

1312
00:50:22,630 --> 00:50:20,079
even if you don't agree with everything

1313
00:50:24,870 --> 00:50:22,640

greer says and and i don't

1314

00:50:27,430 --> 00:50:24,880

that book will give you a completely

1315

00:50:29,430 --> 00:50:27,440

different idea about some of the stuff

1316

00:50:31,430 --> 00:50:29,440

that people are seeing out there

1317

00:50:33,430 --> 00:50:31,440

he talks about vampires he talks about

1318

00:50:35,109 --> 00:50:33,440

werewolves and

1319

00:50:37,190 --> 00:50:35,119

he talks about

1320

00:50:39,829 --> 00:50:37,200

mermaids and all kinds of other stuff

1321

00:50:41,510 --> 00:50:39,839

angels demons ghosts all those kinds of

1322

00:50:44,390 --> 00:50:41,520

things

1323

00:50:46,230 --> 00:50:45,510

greer

1324

00:50:49,270 --> 00:50:46,240

uh

1325

00:50:52,150 --> 00:50:49,280

talking about um

1326
00:50:56,309 --> 00:50:52,160
talking about werewolves particularly

1327
00:50:59,510 --> 00:50:56,319
has a theory that um

1328
00:51:00,870 --> 00:50:59,520
there are people who have an ability to

1329
00:51:02,710 --> 00:51:00,880
create

1330
00:51:04,390 --> 00:51:02,720
an etheric shell

1331
00:51:07,030 --> 00:51:04,400
around themselves

1332
00:51:09,109 --> 00:51:07,040
now the etheric layer of reality is the

1333
00:51:10,630 --> 00:51:09,119
layer just beyond

1334
00:51:11,510 --> 00:51:10,640
the layer that we're sitting in right

1335
00:51:13,750 --> 00:51:11,520
now

1336
00:51:15,750 --> 00:51:13,760
and it's a um

1337
00:51:16,790 --> 00:51:15,760
basically it's the matrix

1338
00:51:17,589 --> 00:51:16,800

that

1339

00:51:21,109 --> 00:51:17,599

you know

1340

00:51:23,270 --> 00:51:21,119

creation pours energy into to form

1341

00:51:25,670 --> 00:51:23,280

our physical reality

1342

00:51:28,470 --> 00:51:25,680

so there are certain people who have the

1343

00:51:30,309 --> 00:51:28,480

magical ability to or have been taught

1344

00:51:32,710 --> 00:51:30,319

the magical ability to

1345

00:51:35,190 --> 00:51:32,720

create an etheric shell that has a

1346

00:51:38,549 --> 00:51:35,200

particular form to it

1347

00:51:39,349 --> 00:51:38,559

and it's actually possible for

1348

00:51:41,430 --> 00:51:39,359

uh

1349

00:51:43,190 --> 00:51:41,440

someone to form a

1350

00:51:47,829 --> 00:51:43,200

an etheric shell that looks like what we

1351
00:51:51,349 --> 00:51:49,829
could you do that by cursing somebody

1352
00:51:54,790 --> 00:51:51,359
else

1353
00:51:58,150 --> 00:51:54,800
i think that's probably a stretch

1354
00:52:00,390 --> 00:51:58,160
but it it might be that some of the

1355
00:52:03,270 --> 00:52:00,400
people the things that people are seeing

1356
00:52:05,349 --> 00:52:03,280
out there that you know are

1357
00:52:07,270 --> 00:52:05,359
you know look like a werewolf that

1358
00:52:09,910 --> 00:52:07,280
people say look like a werewolf actually

1359
00:52:12,470 --> 00:52:09,920
are people that are have this ability

1360
00:52:15,829 --> 00:52:12,480
um we saw you know in the spiritualists

1361
00:52:19,109 --> 00:52:15,839
and these physical medium period that

1362
00:52:23,109 --> 00:52:19,119
you know they use this sort of ether or

1363
00:52:23,119 --> 00:52:27,030

i need a paranormalist

1364

00:52:31,589 --> 00:52:28,790

ectoplasm

1365

00:52:33,829 --> 00:52:31,599

you know to form a

1366

00:52:35,829 --> 00:52:33,839

hands and things like that that they

1367

00:52:37,109 --> 00:52:35,839

could actually do hand prints with and

1368

00:52:39,670 --> 00:52:37,119

stuff like that

1369

00:52:42,870 --> 00:52:39,680

it's the same kind of idea

1370

00:52:44,710 --> 00:52:42,880

so it's possible that there's a magical

1371

00:52:47,510 --> 00:52:44,720

interface with some of these manual

1372

00:52:48,870 --> 00:52:47,520

sightings but like i said i i personally

1373

00:52:51,349 --> 00:52:48,880

think it's some kind of a spiritual

1374

00:52:53,670 --> 00:52:51,359

being that walks uh you know between the

1375

00:52:55,829 --> 00:52:53,680

worlds and is capable of manifesting on

1376

00:52:58,069 --> 00:52:55,839

our plane well you know i think most

1377

00:53:00,870 --> 00:52:58,079

cryptids are for the most part um you

1378

00:53:02,549 --> 00:53:00,880

know i think there there is a definite

1379

00:53:03,910 --> 00:53:02,559

supernatural aspect to most of these

1380

00:53:05,510 --> 00:53:03,920

things of course i i believe there are

1381

00:53:07,589 --> 00:53:05,520

areas where they

1382

00:53:09,829 --> 00:53:07,599

are indigenous and they're but with

1383

00:53:11,910 --> 00:53:09,839

people i think people are seeing

1384

00:53:13,750 --> 00:53:11,920

let's say around this area i think i

1385

00:53:14,950 --> 00:53:13,760

don't i just don't have not seen the

1386

00:53:16,390 --> 00:53:14,960

evidence that there's a place where

1387

00:53:18,710 --> 00:53:16,400

they're actually

1388

00:53:20,790 --> 00:53:18,720

living at or uh you know there's

1389

00:53:22,470 --> 00:53:20,800

something else going on

1390

00:53:24,230 --> 00:53:22,480

and look we're working on four four

1391

00:53:27,510 --> 00:53:24,240

cases here in pennsylvania right now

1392

00:53:30,470 --> 00:53:27,520

canada's oh yeah yeah and i i it's just

1393

00:53:33,910 --> 00:53:30,480

hard for me to imagine

1394

00:53:35,750 --> 00:53:33,920

that you know when these things manifest

1395

00:53:37,030 --> 00:53:35,760

they are seen but there's something else

1396

00:53:38,950 --> 00:53:37,040

that

1397

00:53:40,549 --> 00:53:38,960

you know where they cloak or somehow go

1398

00:53:42,950 --> 00:53:40,559

into another

1399

00:53:45,030 --> 00:53:42,960

dimension or some something that's just

1400

00:53:46,870 --> 00:53:45,040

keeping that from being seen yeah i

1401

00:53:49,589 --> 00:53:46,880

think that's i think that's a lot of

1402

00:53:51,270 --> 00:53:49,599

what's really going on

1403

00:53:52,549 --> 00:53:51,280

yeah because i mean you know it's it's

1404

00:53:55,190 --> 00:53:52,559

almost like

1405

00:53:57,750 --> 00:53:55,200

i've noticed that you've had this this

1406

00:53:59,430 --> 00:53:57,760

surface of sightings in pennsylvania

1407

00:54:01,030 --> 00:53:59,440

um it's almost like somebody opened a

1408

00:54:03,430 --> 00:54:01,040

portal on

1409

00:54:06,069 --> 00:54:03,440

on chestnut ridge or something and it's

1410

00:54:08,150 --> 00:54:06,079

been crazy yeah um

1411

00:54:09,910 --> 00:54:08,160

yeah and that's another

1412

00:54:11,910 --> 00:54:09,920

you know another thing that i bring out

1413

00:54:14,309 --> 00:54:11,920

i talk about a little bit in the in my

1414

00:54:16,069 --> 00:54:14,319

black dog book for instance the idea

1415

00:54:17,589 --> 00:54:16,079

that

1416

00:54:19,910 --> 00:54:17,599

we're in a

1417

00:54:22,230 --> 00:54:19,920

renaissance of

1418

00:54:24,630 --> 00:54:22,240

magical practitioners right now if you

1419

00:54:27,270 --> 00:54:24,640

walk into a bookstore

1420

00:54:29,349 --> 00:54:27,280

almost any large you know barnes and

1421

00:54:30,790 --> 00:54:29,359

noble or what do we have we have

1422

00:54:31,910 --> 00:54:30,800

chapters up here

1423

00:54:33,349 --> 00:54:31,920

um

1424

00:54:35,510 --> 00:54:33,359

bookstore

1425

00:54:38,390 --> 00:54:35,520

you know they have an occult section or

1426

00:54:41,430 --> 00:54:38,400

an esoteric section that has books on

1427

00:54:43,270 --> 00:54:41,440

ceremonial magic and wicca and santeria

1428

00:54:45,589 --> 00:54:43,280

and all kinds of other things

1429

00:54:47,109 --> 00:54:45,599

other magical styles that people can get

1430

00:54:50,069 --> 00:54:47,119

involved in

1431

00:54:54,230 --> 00:54:52,230

some people don't take this as

1432

00:54:55,589 --> 00:54:54,240

these kinds of practices as seriously as

1433

00:54:57,829 --> 00:54:55,599

they ought to

1434

00:54:59,750 --> 00:54:57,839

and they don't practice good hygiene um

1435

00:55:01,750 --> 00:54:59,760

they don't open their doors and close

1436

00:55:05,589 --> 00:55:01,760

their doors as they ought to

1437

00:55:06,549 --> 00:55:05,599

yeah the 72 seals of the croatia

1438

00:55:08,630 --> 00:55:06,559

so

1439

00:55:09,990 --> 00:55:08,640

um

1440

00:55:12,950 --> 00:55:10,000

they don't open their doors and then

1441

00:55:15,349 --> 00:55:12,960

close their doors as they ought to and

1442

00:55:17,510 --> 00:55:15,359

one of my theories is that you know if

1443

00:55:21,270 --> 00:55:17,520

you have that sort of thing happening on

1444

00:55:23,430 --> 00:55:21,280

a regular basis you create um

1445

00:55:25,030 --> 00:55:23,440

weak spots in the veil between the

1446

00:55:28,870 --> 00:55:25,040

worlds and

1447

00:55:32,150 --> 00:55:30,150

oh no

1448

00:55:34,870 --> 00:55:32,160

did we just lose him

1449

00:55:39,430 --> 00:55:34,880

awesome nope here i am yeah i don't i

1450

00:55:43,349 --> 00:55:41,349

yeah it was i i walked through one of

1451
00:55:46,069 --> 00:55:43,359
those doors by accident i had to come

1452
00:55:49,190 --> 00:55:46,079
back yeah he did

1453
00:55:51,589 --> 00:55:49,200
oh god i also don't think it's only like

1454
00:55:53,829 --> 00:55:51,599
the bookstores

1455
00:55:55,990 --> 00:55:53,839
oh sorry i only don't think it's the

1456
00:55:57,750 --> 00:55:56,000
bookstores but also tick tock like it's

1457
00:56:02,710 --> 00:55:57,760
all over tick tock

1458
00:56:05,430 --> 00:56:02,720
or well i i use bookstores as an example

1459
00:56:07,349 --> 00:56:05,440
there is so much media available now you

1460
00:56:10,150 --> 00:56:07,359
know you can go to

1461
00:56:12,069 --> 00:56:10,160
websites you can uh learn magical

1462
00:56:13,670 --> 00:56:12,079
practices

1463
00:56:15,349 --> 00:56:13,680

all kinds of different ways there's and

1464

00:56:17,910 --> 00:56:15,359

there are the tick tock witches and

1465

00:56:20,549 --> 00:56:17,920

there's you know there's a wide vast

1466

00:56:21,750 --> 00:56:20,559

community of magical practitioners on

1467

00:56:24,230 --> 00:56:21,760

twitter

1468

00:56:26,710 --> 00:56:24,240

um you know i know some of those folks

1469

00:56:29,109 --> 00:56:26,720

so yeah i mean there's all kinds of

1470

00:56:30,390 --> 00:56:29,119

information out there

1471

00:56:32,950 --> 00:56:30,400

and unfortunately some of that

1472

00:56:34,549 --> 00:56:32,960

information is

1473

00:56:39,910 --> 00:56:34,559

not

1474

00:56:41,349 --> 00:56:39,920

complete

1475

00:56:43,750 --> 00:56:41,359

um

1476
00:56:45,990 --> 00:56:43,760
so you know as i say there's there's all

1477
00:56:48,069 --> 00:56:46,000
kinds of opportunities for

1478
00:56:50,230 --> 00:56:48,079
you know people to create these weak

1479
00:56:52,309 --> 00:56:50,240
spots in the veil and then

1480
00:56:55,030 --> 00:56:52,319
who knows what you end up with depends

1481
00:56:56,870 --> 00:56:55,040
on where that weak spot happens to be it

1482
00:56:58,950 --> 00:56:56,880
happens it definitely it definitely

1483
00:57:01,430 --> 00:56:58,960
happens well i mean look at the navajo

1484
00:57:04,710 --> 00:57:01,440
reservation yeah and now i'm getting

1485
00:57:06,710 --> 00:57:04,720
completely off canada again

1486
00:57:07,430 --> 00:57:06,720
i mean look at the navajo reservation i

1487
00:57:08,950 --> 00:57:07,440
mean

1488
00:57:12,710 --> 00:57:08,960

you knew um

1489

00:57:14,390 --> 00:57:12,720

uh do you see it 4k yeah jc um

1490

00:57:15,349 --> 00:57:14,400

four corners uh

1491

00:57:18,470 --> 00:57:15,359

people

1492

00:57:21,109 --> 00:57:18,480

um you know he had all kinds of wild

1493

00:57:23,990 --> 00:57:21,119

stuff that was reported to him up there

1494

00:57:27,270 --> 00:57:24,000

you know centaurs and dinosaurs and you

1495

00:57:29,910 --> 00:57:27,280

know giant birds and dog men and all

1496

00:57:31,829 --> 00:57:29,920

kinds of things bigfoot that that

1497

00:57:33,510 --> 00:57:31,839

disappeared in the middle of cornfields

1498

00:57:34,390 --> 00:57:33,520

and all kinds of things

1499

00:57:36,549 --> 00:57:34,400

yeah

1500

00:57:38,150 --> 00:57:36,559

and what do we have in that area

1501
00:57:39,990 --> 00:57:38,160
skinwalker ranch same thing what do we

1502
00:57:41,349 --> 00:57:40,000
have in that area we have a long

1503
00:57:43,510 --> 00:57:41,359
tradition

1504
00:57:45,030 --> 00:57:43,520
of native people doing ceremonies in

1505
00:57:47,510 --> 00:57:45,040
those areas

1506
00:57:49,750 --> 00:57:47,520
yeah and even if you do do your things

1507
00:57:52,150 --> 00:57:49,760
absolutely correctly if you keep doing

1508
00:57:53,670 --> 00:57:52,160
magic in the same place for long enough

1509
00:57:56,630 --> 00:57:53,680
period of time

1510
00:57:58,870 --> 00:57:56,640
you know you there's going to be that

1511
00:58:00,950 --> 00:57:58,880
kind of weakness between

1512
00:58:03,430 --> 00:58:00,960
the worlds that that weakness and the

1513
00:58:05,430 --> 00:58:03,440

veil between the world and so

1514

00:58:07,270 --> 00:58:05,440

you know it's been my theory for quite a

1515

00:58:09,349 --> 00:58:07,280

while that some of the wild things that

1516

00:58:12,309 --> 00:58:09,359

we end up seeing

1517

00:58:14,630 --> 00:58:12,319

you know or people end up seeing or

1518

00:58:15,829 --> 00:58:14,640

the result of things like that yeah yeah

1519

00:58:17,030 --> 00:58:15,839

something i agree

1520

00:58:18,950 --> 00:58:17,040

with something

1521

00:58:19,670 --> 00:58:18,960

something that popped through and said

1522

00:58:21,750 --> 00:58:19,680

hi

1523

00:58:24,950 --> 00:58:21,760

i'm a centaur and it popped back to

1524

00:58:27,430 --> 00:58:24,960

wherever it came from yep yeah

1525

00:58:28,549 --> 00:58:27,440

so um travis before we go why don't you

1526

00:58:30,309 --> 00:58:28,559

tell the folks how they can get in

1527

00:58:32,150 --> 00:58:30,319

contact with you and where they can get

1528

00:58:33,990 --> 00:58:32,160

your new book and anything else you want

1529

00:58:35,670 --> 00:58:34,000

to tell them about okay so the book is

1530

00:58:37,270 --> 00:58:35,680

canadian monsters and mysteries and we

1531

00:58:40,390 --> 00:58:37,280

actually did talk a little bit about

1532

00:58:42,950 --> 00:58:40,400

canada tonight yeah we did

1533

00:58:45,829 --> 00:58:42,960

but uh you know if you're interested in

1534

00:58:47,829 --> 00:58:45,839

uh you know ufos if you're interested in

1535

00:58:49,589 --> 00:58:47,839

lake monsters if you're interested in

1536

00:58:50,630 --> 00:58:49,599

you know phantom trains and phantom

1537

00:58:54,630 --> 00:58:50,640

ships

1538

00:58:56,710 --> 00:58:54,640

uh if you're interested in fairy lore um

1539

00:58:58,710 --> 00:58:56,720

and uh

1540

00:59:01,349 --> 00:58:58,720

you know

1541

00:59:03,349 --> 00:59:01,359

shadow people and ufos and all that sort

1542

00:59:05,510 --> 00:59:03,359

of thing there's something in this book

1543

00:59:07,190 --> 00:59:05,520

for you it's called canadian monsters

1544

00:59:09,670 --> 00:59:07,200

mysteries it's actually available on

1545

00:59:11,349 --> 00:59:09,680

amazon both as a kindle book and as a as

1546

00:59:13,589 --> 00:59:11,359

a paperback

1547

00:59:17,190 --> 00:59:13,599

if you happen to be a kindle unlimited

1548

00:59:20,150 --> 00:59:17,200

subscriber it's available on ku

1549

00:59:22,950 --> 00:59:20,160

as far as getting hold of me uh

1550

00:59:26,470 --> 00:59:22,960

i'm on facebook uh as

1551

00:59:29,109 --> 00:59:26,480

i have a wt watson author page or

1552

00:59:30,710 --> 00:59:29,119

personally as as will watson a long

1553

00:59:35,349 --> 00:59:30,720

story there

1554

00:59:38,630 --> 00:59:35,359

i'm on twitter um at wtwatson2

1555

00:59:40,789 --> 00:59:38,640

um and i'm on uh

1556

00:59:42,230 --> 00:59:40,799

what is that thing instagram

1557

00:59:44,789 --> 00:59:42,240

you know the one with pictures the one

1558

00:59:46,390 --> 00:59:44,799

with pictures um

1559

00:59:50,789 --> 00:59:46,400

there's an old handle of mine it's

1560

00:59:55,829 --> 00:59:53,829

um and i'm happy to uh you know to talk

1561

00:59:57,910 --> 00:59:55,839

to people about their experiences if

1562

01:00:01,030 --> 00:59:57,920

they like uh you know i love it when

1563

01:00:03,349 --> 01:00:01,040

people share stories with me um

1564

01:00:04,950 --> 01:00:03,359

you know but also you know you know

1565

01:00:07,430 --> 01:00:04,960

subscribe to one of my social media

1566

01:00:09,430 --> 01:00:07,440

accounts to keep the keep track of what

1567

01:00:10,630 --> 01:00:09,440

i'm doing because like i said i'm i just

1568

01:00:13,270 --> 01:00:10,640

continue to

1569

01:00:14,789 --> 01:00:13,280

put out books

1570

01:00:16,390 --> 01:00:14,799

well when the new one comes out make

1571

01:00:18,870 --> 01:00:16,400

sure you let me know again and we'll

1572

01:00:20,390 --> 01:00:18,880

have you back on talking absolutely

1573

01:00:22,549 --> 01:00:20,400

absolutely well

1574

01:00:24,870 --> 01:00:22,559

okay well you have a great weekend and

1575

01:00:28,230 --> 01:00:24,880

we'll be talking soon okay okay thanks

1576

01:00:31,430 --> 01:00:28,240

very much lon you guys take care

1577

01:00:35,670 --> 01:00:33,510

now if you have a sighting or encounter

1578

01:00:38,549 --> 01:00:35,680

report and you'd like to be considered

1579

01:00:39,990 --> 01:00:38,559

for the personal porsche or even post on

1580

01:00:42,549 --> 01:00:40,000

phantoms and monster

1581

01:00:44,470 --> 01:00:42,559

blog say feel free to contact me through

1582

01:00:46,789 --> 01:00:44,480

my email at lawn circular fans and

1583

01:00:49,430 --> 01:00:46,799

monsters dot com

1584

01:00:51,270 --> 01:00:49,440

and uh once again thank wt watson for

1585

01:00:52,950 --> 01:00:51,280

joining me this evening and thanks to

1586

01:00:53,990 --> 01:00:52,960

each and all you for watching and

1587

01:00:54,870 --> 01:00:54,000

chatting

1588

01:00:56,470 --> 01:00:54,880

uh

1589

01:00:59,430 --> 01:00:56,480

you know your sport is what makes this

1590

01:01:01,430 --> 01:00:59,440

possible so please like subscribe share

1591

01:01:02,309 --> 01:01:01,440

and leave comments

1592

01:01:05,030 --> 01:01:02,319

uh

1593

01:01:08,710 --> 01:01:05,040

next friday we are going to have a

1594

01:01:10,870 --> 01:01:08,720

fantasy monsters 14 research round table

1595

01:01:14,230 --> 01:01:10,880

and i think right now we've got james

1596

01:01:15,910 --> 01:01:14,240

west kit taylor and uh

1597

01:01:18,069 --> 01:01:15,920

chad redding

1598

01:01:19,910 --> 01:01:18,079

uh scheduled to come on bernadette will

1599

01:01:22,390 --> 01:01:19,920

be joining us as well

1600

01:01:24,230 --> 01:01:22,400

so uh you know make sure

1601

01:01:25,750 --> 01:01:24,240

to stop in get your questions ready

1602

01:01:26,549 --> 01:01:25,760

we're probably gonna have an extended

1603

01:01:28,390 --> 01:01:26,559

show

1604

01:01:30,470 --> 01:01:28,400

so it should be interesting so until

1605

01:01:35,930 --> 01:01:30,480

next week stay healthy and have a safe
