

PHANTOMS & MONSTERS

RADIO

PHANTOMS & MONSTERS FORTEAN RESEARCH ROUNDTABLE

JAMES WEST, CHAD REDDING, & KIT TAYLOR

FRIDAY, SEPT. 2ND AT 9PM EASTERN / 6PM PACIFIC

1
00:00:02,130 --> 00:00:12,470

[Music]

2
00:00:16,710 --> 00:00:15,270

we live in a reality of phantoms and

3
00:00:19,750 --> 00:00:16,720

monsters

4
00:00:21,029 --> 00:00:19,760

they exist among us and sometimes they

5
00:00:24,310 --> 00:00:21,039

win

6
00:00:26,870 --> 00:00:24,320

even the devil was an angel once

7
00:00:29,830 --> 00:00:26,880

the world has its own rules

8
00:00:32,709 --> 00:00:29,840

and these rules are not

9
00:00:34,950 --> 00:00:32,719

some of us seek answers to the origin

10
00:00:36,950 --> 00:00:34,960

and existence of cryptids in the

11
00:00:40,310 --> 00:00:36,960

unexplained

12
00:00:42,630 --> 00:00:40,320

join us as we venture beyond the known

13
00:00:44,869 --> 00:00:42,640

and accepted boundaries

14

00:00:50,910 --> 00:00:44,879

welcome to our nightmare

15

00:01:02,549 --> 00:01:00,470

[Music]

16

00:01:04,630 --> 00:01:02,559

hey folks good evening and welcome to

17

00:01:06,550 --> 00:01:04,640

another episode of fam zamasu's radio

18

00:01:07,990 --> 00:01:06,560

where we explore the strange and the

19

00:01:10,070 --> 00:01:08,000

unexplained

20

00:01:13,030 --> 00:01:10,080

i'm your host lon stricker and thanks

21

00:01:15,429 --> 00:01:13,040

for joining us now um

22

00:01:17,670 --> 00:01:15,439

if if you enjoy our content

23

00:01:19,510 --> 00:01:17,680

and please subscribe and like and share

24

00:01:21,990 --> 00:01:19,520

our presentations

25

00:01:23,990 --> 00:01:22,000

also feel free to place comments it's

26

00:01:26,390 --> 00:01:24,000

very important to us to get your idea

27

00:01:27,590 --> 00:01:26,400

and your thoughts as to what we present

28

00:01:28,469 --> 00:01:27,600

to you

29

00:01:30,870 --> 00:01:28,479

uh

30

00:01:32,630 --> 00:01:30,880

super chat is active during the show so

31

00:01:34,789 --> 00:01:32,640

please show your support for fans of

32

00:01:37,910 --> 00:01:34,799

monsters radio by clicking

33

00:01:39,910 --> 00:01:37,920

the dollar icon underneath the chat

34

00:01:43,109 --> 00:01:39,920

uh you can also support the channel by

35

00:01:45,350 --> 00:01:43,119

using the buy me a coffee link uh that's

36

00:01:47,190 --> 00:01:45,360

that's on the banner or in the

37

00:01:49,830 --> 00:01:47,200

description as well

38

00:01:52,550 --> 00:01:49,840

uh and your consideration is very much

39

00:01:54,550 --> 00:01:52,560

needed and appreciated

40

00:01:57,350 --> 00:01:54,560

so tonight we've got a

41

00:01:58,709 --> 00:01:57,360

we've got a phantom zamasu's 14 research

42

00:02:01,190 --> 00:01:58,719

team

43

00:02:03,910 --> 00:02:01,200

round table

44

00:02:06,630 --> 00:02:03,920

uh james west is a two-time dog man

45

00:02:08,389 --> 00:02:06,640

experiencer has had multiple encounters

46

00:02:10,150 --> 00:02:08,399

with the paranormal including shadow

47

00:02:12,470 --> 00:02:10,160

people creatures

48

00:02:14,070 --> 00:02:12,480

uh suspected demons and ghosts and has

49

00:02:16,790 --> 00:02:14,080

been physically possessed on one

50

00:02:18,869 --> 00:02:16,800

occasion by an unknown dark entity

51
00:02:20,710 --> 00:02:18,879
james is also currently in the process

52
00:02:22,390 --> 00:02:20,720
of writing a non-fiction book about

53
00:02:25,350 --> 00:02:22,400
cryptic beings in the united states

54
00:02:27,350 --> 00:02:25,360
entitled 50 cryptids in 50 states

55
00:02:28,790 --> 00:02:27,360
in addition to this james is a member of

56
00:02:30,550 --> 00:02:28,800
the famous monster's fourth year

57
00:02:31,750 --> 00:02:30,560
research team

58
00:02:33,830 --> 00:02:31,760
kit taylor

59
00:02:36,229 --> 00:02:33,840
is a film television actor writer

60
00:02:38,390 --> 00:02:36,239
producer and documentarian

61
00:02:41,110 --> 00:02:38,400
his latest work includes a short

62
00:02:43,110 --> 00:02:41,120
documentary on fayetteville instant

63
00:02:45,270 --> 00:02:43,120

bledsoe family story

64

00:02:48,229 --> 00:02:45,280

titled burden of proof

65

00:02:49,910 --> 00:02:48,239

kit was an investigator from mufon

66

00:02:52,150 --> 00:02:49,920

and has recently become a member of fans

67

00:02:53,830 --> 00:02:52,160

of monsters 14 research people

68

00:02:55,430 --> 00:02:53,840

having first-hand life-altering

69

00:02:56,790 --> 00:02:55,440

experiences kits approach to

70

00:03:00,070 --> 00:02:56,800

investigating

71

00:03:02,790 --> 00:03:00,080

is from uh emphatic point of view and

72

00:03:06,229 --> 00:03:02,800

and hopes to contribute positively

73

00:03:08,869 --> 00:03:06,239

uh to the world of high strangers and of

74

00:03:10,710 --> 00:03:08,879

course bernadette daniel mcdaniel is uh

75

00:03:12,550 --> 00:03:10,720

an investigator researcher fans of

76

00:03:14,790 --> 00:03:12,560

monsters fourteen research

77

00:03:16,550 --> 00:03:14,800

she's joining us tonight as a co-host

78

00:03:18,390 --> 00:03:16,560

but she'll be involved with all the

79

00:03:21,750 --> 00:03:18,400

discussion as

80

00:03:24,470 --> 00:03:21,760

in the uh in the round table

81

00:03:25,750 --> 00:03:24,480

uh she will soon be premiering her own

82

00:03:28,390 --> 00:03:25,760

show

83

00:03:31,030 --> 00:03:28,400

uh a paranormal life on phantoms and

84

00:03:33,589 --> 00:03:31,040

monsters radio so

85

00:03:35,430 --> 00:03:33,599

now

86

00:03:36,390 --> 00:03:35,440

chad reading was supposed to join us

87

00:03:38,789 --> 00:03:36,400

tonight

88

00:03:42,309 --> 00:03:38,799

but he had something come up

89

00:03:44,470 --> 00:03:42,319

like you know last minute so uh

90

00:03:46,390 --> 00:03:44,480

it's too bad but we'll get him back on

91

00:03:48,630 --> 00:03:46,400

here another point so everybody thanks

92

00:03:52,070 --> 00:03:48,640

for coming on tonight

93

00:03:54,149 --> 00:03:52,080

thank you gonna be here hi

94

00:03:56,550 --> 00:03:54,159

so uh i i'm just gonna go over a few

95

00:03:58,229 --> 00:03:56,560

things first of all

96

00:03:59,910 --> 00:03:58,239

before we get into it because i

97

00:04:02,710 --> 00:03:59,920

definitely want to talk to kid about his

98

00:04:03,670 --> 00:04:02,720

investigation with the bledsoe family

99

00:04:06,149 --> 00:04:03,680

um

100

00:04:08,550 --> 00:04:06,159

you know this is something i've

101

00:04:10,949 --> 00:04:08,560

looked into very early too

102

00:04:13,110 --> 00:04:10,959

and it's a strange case and

103

00:04:15,350 --> 00:04:13,120

i'm glad he's here to talk about on his

104

00:04:16,390 --> 00:04:15,360

perspective as well

105

00:04:19,430 --> 00:04:16,400

uh

106

00:04:21,590 --> 00:04:19,440

as far as team investigations that we

107

00:04:23,430 --> 00:04:21,600

have going on now

108

00:04:26,070 --> 00:04:23,440

of course we're always involved with

109

00:04:28,710 --> 00:04:26,080

this chicago mothman

110

00:04:30,870 --> 00:04:28,720

wing humanoid thing that's steadily

111

00:04:32,870 --> 00:04:30,880

going on and um

112

00:04:35,830 --> 00:04:32,880

not to the degree it has it's kind of

113

00:04:37,030 --> 00:04:35,840

it's kind of slowed up in recent months

114

00:04:38,950 --> 00:04:37,040

uh

115

00:04:42,230 --> 00:04:38,960

a lot of it has been concentrating

116

00:04:44,469 --> 00:04:42,240

around the bensonville area which is uh

117

00:04:46,390 --> 00:04:44,479

southwest of the airport

118

00:04:47,909 --> 00:04:46,400

but um

119

00:04:49,510 --> 00:04:47,919

you know there have been some strange

120

00:04:52,150 --> 00:04:49,520

humanoid sightings

121

00:04:54,950 --> 00:04:52,160

in the region including up in madison

122

00:04:57,590 --> 00:04:54,960

tobias whalen had posted a

123

00:04:59,830 --> 00:04:57,600

an encounter report that he received or

124

00:05:02,390 --> 00:04:59,840

setting report that he had received and

125

00:05:05,029 --> 00:05:02,400

um but this isn't unusual we got a lot

126

00:05:07,270 --> 00:05:05,039

of strange humanoid sightings

127

00:05:10,150 --> 00:05:07,280

you know during his whole process i mean

128

00:05:12,230 --> 00:05:10,160

ever since the beginning the um every

129

00:05:14,230 --> 00:05:12,240

once in a while somebody will contact us

130

00:05:16,550 --> 00:05:14,240

and tell us that look i didn't see

131

00:05:18,710 --> 00:05:16,560

something with wings on it but i saw a

132

00:05:21,110 --> 00:05:18,720

humanoid in the woods in one of those

133

00:05:23,110 --> 00:05:21,120

preserve areas around the city or

134

00:05:26,310 --> 00:05:23,120

somewhere else i mean there's there's a

135

00:05:28,230 --> 00:05:26,320

lot involved with these settings

136

00:05:29,909 --> 00:05:28,240

uh it's just a matter of us being able

137

00:05:31,270 --> 00:05:29,919

to figure out what the hell is really

138

00:05:33,909 --> 00:05:31,280

going on

139

00:05:37,110 --> 00:05:33,919

uh also

140

00:05:38,950 --> 00:05:37,120

i i just posted this past week the um

141

00:05:41,350 --> 00:05:38,960

the initial

142

00:05:43,960 --> 00:05:41,360

uh witness report

143

00:05:45,749 --> 00:05:43,970

from the berks county

144

00:05:47,590 --> 00:05:45,759

[Music]

145

00:05:49,270 --> 00:05:47,600

cryptic k-9

146

00:05:51,510 --> 00:05:49,280

that we received

147

00:05:54,150 --> 00:05:51,520

a couple months ago

148

00:05:56,469 --> 00:05:54,160

we're in a process of working

149

00:05:59,830 --> 00:05:56,479

uh with that with a couple of people on

150

00:06:02,230 --> 00:05:59,840

our team here in pennsylvania

151
00:06:04,629 --> 00:06:02,240
and then eric mintel who's been on the

152
00:06:05,590 --> 00:06:04,639
show many times he he's also involved

153
00:06:06,870 --> 00:06:05,600
with the

154
00:06:07,990 --> 00:06:06,880
we're trying to hit this thing with all

155
00:06:10,390 --> 00:06:08,000
angles

156
00:06:11,749 --> 00:06:10,400
i i think after we get

157
00:06:13,510 --> 00:06:11,759
you know kind of figured out a little

158
00:06:15,029 --> 00:06:13,520
because this thing seems to be somewhat

159
00:06:16,309 --> 00:06:15,039
aggressive

160
00:06:18,150 --> 00:06:16,319
um

161
00:06:22,309 --> 00:06:18,160
and the last thing we want is someone

162
00:06:24,629 --> 00:06:22,319
going out there and get hurt so um

163
00:06:25,430 --> 00:06:24,639

we are eventually going to

164

00:06:27,670 --> 00:06:25,440

take

165

00:06:29,830 --> 00:06:27,680

put boots on the ground and go after now

166

00:06:31,350 --> 00:06:29,840

the witness himself has continued to

167

00:06:33,430 --> 00:06:31,360

look into this

168

00:06:35,189 --> 00:06:33,440

and he's giving his own reports and in

169

00:06:36,710 --> 00:06:35,199

fact i think this witness may eventually

170

00:06:39,749 --> 00:06:36,720

be part of the team

171

00:06:41,430 --> 00:06:39,759

uh he's good he really is he's this is

172

00:06:43,510 --> 00:06:41,440

kind of his wheelhouse he's

173

00:06:45,110 --> 00:06:43,520

investigating so um

174

00:06:48,710 --> 00:06:45,120

you know here in pennsylvania we can

175

00:06:49,990 --> 00:06:48,720

always use people so um uh that'll be

176

00:06:52,150 --> 00:06:50,000

interesting

177

00:06:55,029 --> 00:06:52,160

and uh we'll be following up on that

178

00:06:56,790 --> 00:06:55,039

then i had another development today

179

00:06:57,990 --> 00:06:56,800

which i really don't know how to act on

180

00:07:00,390 --> 00:06:58,000

it but

181

00:07:03,029 --> 00:07:00,400

we're gonna see if we can

182

00:07:06,390 --> 00:07:03,039

get any more evidence about

183

00:07:07,589 --> 00:07:06,400

six seven months ago i received a report

184

00:07:10,870 --> 00:07:07,599

uh

185

00:07:13,350 --> 00:07:10,880

west of akron ohio of um

186

00:07:15,589 --> 00:07:13,360

a concentration of dogmen

187

00:07:17,990 --> 00:07:15,599

upright canines

188

00:07:19,350 --> 00:07:18,000

uh i did write an initial article about

189

00:07:20,950 --> 00:07:19,360

it uh

190

00:07:24,390 --> 00:07:20,960

this is this is a

191

00:07:27,189 --> 00:07:24,400

family who had actually contacted linda

192

00:07:30,309 --> 00:07:27,199

godfrey about 10 years ago in fact

193

00:07:32,550 --> 00:07:30,319

some of their experience was in her book

194

00:07:34,950 --> 00:07:32,560

but they kind of lost track with her and

195

00:07:37,430 --> 00:07:34,960

they were kind of keeping it quiet but

196

00:07:40,469 --> 00:07:37,440

it was interesting that the uh that the

197

00:07:41,830 --> 00:07:40,479

witness had kept a diary

198

00:07:45,110 --> 00:07:41,840

and uh

199

00:07:47,670 --> 00:07:45,120

some of the team had read the diary uh i

200

00:07:49,749 --> 00:07:47,680

will eventually

201
00:07:50,629 --> 00:07:49,759
put this out a little bit more for the

202
00:07:53,350 --> 00:07:50,639
team

203
00:07:55,189 --> 00:07:53,360
and get them more involved but

204
00:07:57,909 --> 00:07:55,199
you know we jennifer's been working on

205
00:07:59,029 --> 00:07:57,919
it firsthand i've been on working on it

206
00:08:01,510 --> 00:07:59,039
a bit

207
00:08:04,070 --> 00:08:01,520
uh there were other issues with the

208
00:08:05,589 --> 00:08:04,080
property spiritual

209
00:08:07,189 --> 00:08:05,599
to be honest with you there was some

210
00:08:08,950 --> 00:08:07,199
other stuff going on

211
00:08:10,469 --> 00:08:08,960
that was related to what the you know

212
00:08:13,029 --> 00:08:10,479
these beings

213
00:08:14,869 --> 00:08:13,039

but what happened today was i got a text

214

00:08:17,270 --> 00:08:14,879

from the witness

215

00:08:19,909 --> 00:08:17,280

and she she stated that they were

216

00:08:21,270 --> 00:08:19,919

hearing scratching sounds and sounds at

217

00:08:22,790 --> 00:08:21,280

night and they didn't know what was

218

00:08:23,830 --> 00:08:22,800

going on

219

00:08:25,430 --> 00:08:23,840

uh

220

00:08:26,950 --> 00:08:25,440

they got this

221

00:08:27,990 --> 00:08:26,960

real bad

222

00:08:30,550 --> 00:08:28,000

skunk

223

00:08:32,230 --> 00:08:30,560

wet dog smell

224

00:08:33,430 --> 00:08:32,240

which usually means that something's

225

00:08:37,110 --> 00:08:33,440

around

226

00:08:38,870 --> 00:08:37,120

and uh she tells me that she caught

227

00:08:41,750 --> 00:08:38,880

a quick glimpse

228

00:08:43,430 --> 00:08:41,760

of a pup

229

00:08:45,590 --> 00:08:43,440

a baby

230

00:08:49,190 --> 00:08:45,600

dog man

231

00:08:52,630 --> 00:08:49,200

i don't know what that's all about

232

00:08:57,990 --> 00:08:55,750

infrared cameras 360

233

00:09:00,870 --> 00:08:58,000

infrared and a few other things they're

234

00:09:03,590 --> 00:09:00,880

going to be kind of uh

235

00:09:06,150 --> 00:09:03,600

uh scoping the whole property

236

00:09:08,949 --> 00:09:06,160

and this is a property i mean they are

237

00:09:09,829 --> 00:09:08,959

very near an area that has had a history

238

00:09:11,750 --> 00:09:09,839

of

239

00:09:14,630 --> 00:09:11,760

kept upright canine

240

00:09:17,030 --> 00:09:14,640

encounters over the years

241

00:09:19,990 --> 00:09:17,040

so uh we're going to follow up on that

242

00:09:22,310 --> 00:09:20,000

and in fact this witness

243

00:09:24,150 --> 00:09:22,320

will be live with me on the show in

244

00:09:27,350 --> 00:09:24,160

about a month

245

00:09:30,230 --> 00:09:27,360

so that's kind of going to be the uh

246

00:09:32,070 --> 00:09:30,240

the thing going public and uh we'll be

247

00:09:33,030 --> 00:09:32,080

getting more and more into that as we go

248

00:09:37,509 --> 00:09:33,040

on

249

00:09:38,949 --> 00:09:37,519

before we

250

00:09:40,150 --> 00:09:38,959

start talking

251
00:09:42,310 --> 00:09:40,160
so um

252
00:09:43,750 --> 00:09:42,320
tonight we got kit taylor and we got

253
00:09:45,190 --> 00:09:43,760
james west and we got bernadette

254
00:09:47,750 --> 00:09:45,200
mcdaniel with us

255
00:09:49,430 --> 00:09:47,760
and uh you know kit's kind of new to the

256
00:09:50,870 --> 00:09:49,440
team but he's been doing this for a

257
00:09:53,430 --> 00:09:50,880
while now

258
00:09:54,949 --> 00:09:53,440
and uh the one thing interesting about

259
00:09:57,509 --> 00:09:54,959
kitt

260
00:09:59,750 --> 00:09:57,519
is that he was involved with this uh the

261
00:10:01,670 --> 00:09:59,760
chris bledsoe senior

262
00:10:04,069 --> 00:10:01,680
and bledsoe family

263
00:10:07,030 --> 00:10:04,079

ufo incident

264

00:10:08,870 --> 00:10:07,040

uh near that's near fayetteville but i i

265

00:10:11,750 --> 00:10:08,880

i used to always refer to it as the cape

266

00:10:14,310 --> 00:10:11,760

fear river ufo incident

267

00:10:15,829 --> 00:10:14,320

but uh you know tell us a bit about it

268

00:10:18,230 --> 00:10:15,839

how'd you get involved with it i know

269

00:10:19,030 --> 00:10:18,240

you did a short documentary a film about

270

00:10:21,590 --> 00:10:19,040

it

271

00:10:23,750 --> 00:10:21,600

uh and i i know there was some alien

272

00:10:24,630 --> 00:10:23,760

activity as well

273

00:10:26,630 --> 00:10:24,640

yeah

274

00:10:27,829 --> 00:10:26,640

um

275

00:10:31,110 --> 00:10:27,839

well

276

00:10:32,949 --> 00:10:31,120

it's very interesting um so i i

277

00:10:35,030 --> 00:10:32,959

i did some investigation from move on

278

00:10:38,470 --> 00:10:35,040

for a little while

279

00:10:42,310 --> 00:10:38,480

and i i heard ryan uh chris's son

280

00:10:43,910 --> 00:10:42,320

on i think it was um that ufo podcast

281

00:10:45,350 --> 00:10:43,920

and i was listening to the guy and i'm

282

00:10:47,190 --> 00:10:45,360

like you know he's got a lot of

283

00:10:50,310 --> 00:10:47,200

interesting insight about what's going

284

00:10:52,389 --> 00:10:50,320

on so i looked into it further and

285

00:10:54,069 --> 00:10:52,399

he was talking about the discovery

286

00:10:55,990 --> 00:10:54,079

channel um

287

00:10:58,790 --> 00:10:56,000

documentary that

288

00:11:00,710 --> 00:10:58,800

they did on the bledsoe family and

289

00:11:03,190 --> 00:11:00,720

in his words i did him dirty and

290

00:11:04,230 --> 00:11:03,200

to extend i definitely agree with that

291

00:11:05,430 --> 00:11:04,240

um

292

00:11:07,829 --> 00:11:05,440

and

293

00:11:09,350 --> 00:11:07,839

being part of mufon i'm like well

294

00:11:11,110 --> 00:11:09,360

i joined because i wanted to kind of

295

00:11:12,829 --> 00:11:11,120

help people you know

296

00:11:15,829 --> 00:11:12,839

i don't know much about the stuff

297

00:11:17,829 --> 00:11:15,839

but talk to me let me see if i can if i

298

00:11:19,110 --> 00:11:17,839

can help you if i can't help you i maybe

299

00:11:20,150 --> 00:11:19,120

can get someone to help you but i know

300

00:11:21,750 --> 00:11:20,160

this stuff

301
00:11:23,910 --> 00:11:21,760
is happening and you know people

302
00:11:25,590 --> 00:11:23,920
shouldn't be just blown off

303
00:11:27,350 --> 00:11:25,600
and so that's what sort of drew me to

304
00:11:29,350 --> 00:11:27,360
this whole thing because i

305
00:11:30,710 --> 00:11:29,360
i wanted to sort of make up for what

306
00:11:32,550 --> 00:11:30,720
mufon

307
00:11:34,069 --> 00:11:32,560
oh i want to say move on certain people

308
00:11:35,990 --> 00:11:34,079
i guess and move on

309
00:11:37,350 --> 00:11:36,000
uh did with that

310
00:11:39,509 --> 00:11:37,360
so

311
00:11:42,389 --> 00:11:39,519
it was very interesting i i reached out

312
00:11:43,990 --> 00:11:42,399
to to ryan on on twitter not even

313
00:11:45,990 --> 00:11:44,000

thinking that he would even notice me

314

00:11:49,030 --> 00:11:46,000

because no one notices me

315

00:11:51,509 --> 00:11:49,040

and he did he did and uh i just said to

316

00:11:54,230 --> 00:11:51,519

him like hey uh

317

00:11:55,269 --> 00:11:54,240

i'd love to just get a crew up there and

318

00:11:59,670 --> 00:11:55,279

film

319

00:12:02,230 --> 00:11:59,680

story i didn't want to go up there

320

00:12:04,710 --> 00:12:02,240

proving that there's aliens or

321

00:12:05,829 --> 00:12:04,720

any kind of you know phenomena because i

322

00:12:07,829 --> 00:12:05,839

knew that

323

00:12:10,310 --> 00:12:07,839

you can't go up there with that in mind

324

00:12:12,550 --> 00:12:10,320

so i really wanted to focus on the

325

00:12:15,750 --> 00:12:12,560

family you know what what they've been

326

00:12:17,350 --> 00:12:15,760

through because this family is a

327

00:12:20,470 --> 00:12:17,360

it's a normal

328

00:12:21,910 --> 00:12:20,480

wholesome lovely family

329

00:12:24,310 --> 00:12:21,920

and

330

00:12:25,269 --> 00:12:24,320

we we talked for a good six months

331

00:12:26,710 --> 00:12:25,279

before

332

00:12:27,590 --> 00:12:26,720

i think he was comfortable enough with

333

00:12:29,190 --> 00:12:27,600

me

334

00:12:31,670 --> 00:12:29,200

to even

335

00:12:33,430 --> 00:12:31,680

talk about going up there

336

00:12:35,829 --> 00:12:33,440

and by

337

00:12:37,269 --> 00:12:35,839

january we sort of

338

00:12:39,910 --> 00:12:37,279

we were you know going back and forth

339

00:12:41,990 --> 00:12:39,920

with dates and

340

00:12:44,949 --> 00:12:42,000

towards the end of january we had uh

341

00:12:48,389 --> 00:12:44,959

finalized uh uh a solid date which had

342

00:12:50,150 --> 00:12:48,399

been the end of march beginning of april

343

00:12:51,910 --> 00:12:50,160

and you know

344

00:12:53,750 --> 00:12:51,920

one of the weirdest things about this

345

00:12:57,509 --> 00:12:53,760

whole

346

00:13:00,389 --> 00:12:57,519

leading up to this trip was um

347

00:13:06,069 --> 00:13:00,399

and i know this is a thing but when you

348

00:13:07,910 --> 00:13:06,079

see 11 11 or 4 4 4 or 12 12 or five five

349

00:13:10,310 --> 00:13:07,920

i was getting that

350

00:13:12,069 --> 00:13:10,320

three times a day and beforehand maybe i

351

00:13:15,190 --> 00:13:12,079

would notice it once in a while but oh

352

00:13:18,629 --> 00:13:15,200

look it's let me make a wish

353

00:13:20,629 --> 00:13:18,639

i have screenshots probably about 110

354

00:13:21,509 --> 00:13:20,639

different instances of this phenomenon

355

00:13:23,829 --> 00:13:21,519

happening

356

00:13:26,150 --> 00:13:23,839

and i'm i'm going to myself

357

00:13:29,110 --> 00:13:26,160

is this you know this had to do with

358

00:13:31,750 --> 00:13:29,120

something that you know that i'm

359

00:13:33,910 --> 00:13:31,760

just like put me in the right path

360

00:13:36,790 --> 00:13:33,920

and what's interesting enough

361

00:13:38,949 --> 00:13:36,800

after we we shot it it stops i mean i

362

00:13:40,389 --> 00:13:38,959

rarely see it anymore it was kind of

363

00:13:41,189 --> 00:13:40,399

back to normal

364

00:13:44,150 --> 00:13:41,199

um

365

00:13:46,069 --> 00:13:44,160

but yeah man that that being said

366

00:13:47,910 --> 00:13:46,079

i i was straight up with them i

367

00:13:49,990 --> 00:13:47,920

i don't do documentaries you know like i

368

00:13:51,509 --> 00:13:50,000

said i'm filming tv i'm usually in front

369

00:13:53,030 --> 00:13:51,519

of the camera not behind the camera and

370

00:13:54,310 --> 00:13:53,040

i said this is going to be like a

371

00:13:56,230 --> 00:13:54,320

scooby-doo operation you're going to

372

00:13:58,310 --> 00:13:56,240

have a couple people that have no idea

373

00:13:59,670 --> 00:13:58,320

what they're doing but i just want to go

374

00:14:01,350 --> 00:13:59,680

and talk

375

00:14:03,670 --> 00:14:01,360

just and like sit down and have a

376

00:14:05,829 --> 00:14:03,680

conversation at uh at a table

377

00:14:07,350 --> 00:14:05,839

and funny enough it worked out

378

00:14:10,230 --> 00:14:07,360

because that's what they wanted they

379

00:14:12,470 --> 00:14:10,240

just wanted to talk to someone

380

00:14:14,150 --> 00:14:12,480

and again i you know um

381

00:14:16,550 --> 00:14:14,160

i'm not there to prove or disprove i

382

00:14:18,470 --> 00:14:16,560

just kind of wanted to have them tell

383

00:14:19,829 --> 00:14:18,480

that story

384

00:14:27,750 --> 00:14:19,839

and

385

00:14:29,670 --> 00:14:27,760

know this little long drive

386

00:14:31,590 --> 00:14:29,680

and

387

00:14:33,269 --> 00:14:31,600

i can remember it was about 7 30. chris

388

00:14:36,150 --> 00:14:33,279

starts getting a little antsy and he's

389

00:14:38,230 --> 00:14:36,160

like hey they're here and

390

00:14:39,910 --> 00:14:38,240

you know i'm like okay

391

00:14:42,230 --> 00:14:39,920

and we were at a restaurant so we were

392

00:14:45,030 --> 00:14:42,240

about 10-15 minutes away from not even

393

00:14:46,870 --> 00:14:45,040

five minutes from from the house

394

00:14:47,990 --> 00:14:46,880

chris's property

395

00:14:49,509 --> 00:14:48,000

so

396

00:14:51,990 --> 00:14:49,519

we were having fun just talking you know

397

00:14:53,990 --> 00:14:52,000

i was meeting ryan and and chris junior

398

00:14:55,269 --> 00:14:54,000

who by the way uh is a huge part of the

399

00:14:58,310 --> 00:14:55,279

story i think that

400

00:15:00,949 --> 00:14:58,320

he's he's left out and that's unfair to

401
00:15:03,990 --> 00:15:00,959
him because i think out of everyone

402
00:15:05,910 --> 00:15:04,000
other than chris senior he

403
00:15:08,790 --> 00:15:05,920
he's got um

404
00:15:10,790 --> 00:15:08,800
some some trauma from this

405
00:15:12,230 --> 00:15:10,800
so yeah so we were just sort of talking

406
00:15:13,590 --> 00:15:12,240
and chris senior wanted to get out of

407
00:15:15,590 --> 00:15:13,600
there and go

408
00:15:17,430 --> 00:15:15,600
because he felt bad he he didn't want us

409
00:15:19,269 --> 00:15:17,440
driving all the way up there and not

410
00:15:20,949 --> 00:15:19,279
seeing a thing and i was like don't

411
00:15:21,990 --> 00:15:20,959
worry about it if we don't see anything

412
00:15:24,069 --> 00:15:22,000
we'll just

413
00:15:25,189 --> 00:15:24,079

talk about you you know people will want

414

00:15:27,030 --> 00:15:25,199

to hear it if they don't they don't have

415

00:15:29,030 --> 00:15:27,040

to watch it

416

00:15:31,829 --> 00:15:29,040

so we get there and

417

00:15:33,509 --> 00:15:31,839

lo and behold soon be on the property uh

418

00:15:35,030 --> 00:15:33,519

one of the people i was with

419

00:15:36,870 --> 00:15:35,040

they saw

420

00:15:39,030 --> 00:15:36,880

this this light and i caught a glimpse

421

00:15:41,110 --> 00:15:39,040

of it out of out of my right eye

422

00:15:43,430 --> 00:15:41,120

this light sort of coming up and this is

423

00:15:46,150 --> 00:15:43,440

what it does these lights come from

424

00:15:47,910 --> 00:15:46,160

the ground and not all the time but

425

00:15:50,150 --> 00:15:47,920

most of the time you see them they just

426
00:15:52,310 --> 00:15:50,160
this was like an uh

427
00:15:53,590 --> 00:15:52,320
a deep red light

428
00:15:55,189 --> 00:15:53,600
and

429
00:15:56,470 --> 00:15:55,199
we were hooked

430
00:15:57,910 --> 00:15:56,480
you know

431
00:15:59,829 --> 00:15:57,920
and that

432
00:16:01,670 --> 00:15:59,839
from what i've experienced this stuff is

433
00:16:03,910 --> 00:16:01,680
kind of bashful at first i think it sort

434
00:16:04,949 --> 00:16:03,920
of peels you out you know

435
00:16:08,150 --> 00:16:04,959
and

436
00:16:10,150 --> 00:16:08,160
what chris said christina said he said

437
00:16:12,389 --> 00:16:10,160
approach this without fear without you

438
00:16:13,990 --> 00:16:12,399

know negativity and it you'll see

439

00:16:16,310 --> 00:16:14,000

something

440

00:16:18,790 --> 00:16:16,320

and i wouldn't say we had fear

441

00:16:20,550 --> 00:16:18,800

more of

442

00:16:23,509 --> 00:16:20,560

um you know just sort of

443

00:16:24,949 --> 00:16:23,519

curiosity but also trepidation

444

00:16:26,710 --> 00:16:24,959

you know i i

445

00:16:28,550 --> 00:16:26,720

walking into something like this you

446

00:16:30,550 --> 00:16:28,560

hear you know you heard the podcast you

447

00:16:31,670 --> 00:16:30,560

watch the videos and then it's surreal

448

00:16:32,870 --> 00:16:31,680

you're there

449

00:16:35,350 --> 00:16:32,880

and then all sudden you see something

450

00:16:37,189 --> 00:16:35,360

you're like oh okay is this stuff real

451
00:16:38,550 --> 00:16:37,199
and

452
00:16:39,910 --> 00:16:38,560
yeah uh

453
00:16:41,670 --> 00:16:39,920
it is

454
00:16:43,110 --> 00:16:41,680
if you go on his instagram he has a lot

455
00:16:44,710 --> 00:16:43,120
of videos that he takes with his night

456
00:16:47,189 --> 00:16:44,720
vision camera

457
00:16:49,269 --> 00:16:47,199
and what i found

458
00:16:50,470 --> 00:16:49,279
this does not do justice for what is

459
00:16:51,509 --> 00:16:50,480
going on

460
00:16:53,910 --> 00:16:51,519
because a lot of times people say oh

461
00:16:55,030 --> 00:16:53,920
it's a plan in satellite and and yeah i

462
00:16:59,509 --> 00:16:55,040
i

463
00:17:01,829 --> 00:17:00,310

these

464

00:17:05,429 --> 00:17:01,839

i could just only describe them as you

465

00:17:07,590 --> 00:17:05,439

know balls or orbs they're not as high

466

00:17:10,630 --> 00:17:07,600

as you think they are um

467

00:17:13,990 --> 00:17:11,750

you know people were like oh you know

468

00:17:15,590 --> 00:17:14,000

put up a bunch of 4k cameras and you'll

469

00:17:17,029 --> 00:17:15,600

catch evidence this stuff doesn't

470

00:17:19,669 --> 00:17:17,039

translate

471

00:17:22,949 --> 00:17:19,679

well over over video

472

00:17:23,669 --> 00:17:22,959

you know you can see the shape or color

473

00:17:26,470 --> 00:17:23,679

and

474

00:17:28,630 --> 00:17:26,480

on your phone or on your camera is not

475

00:17:30,310 --> 00:17:28,640

the same color not the same shape

476
00:17:32,549 --> 00:17:30,320
anyway so if you you know some stuff

477
00:17:34,390 --> 00:17:32,559
that passes overhead

478
00:17:37,750 --> 00:17:34,400
when it gets to about uh you know about

479
00:17:39,350 --> 00:17:37,760
a 45 50 degree angle you can see that

480
00:17:40,789 --> 00:17:39,360
there is

481
00:17:42,789 --> 00:17:40,799
space above it so these aren't

482
00:17:44,870 --> 00:17:42,799
satellites these aren't planes you know

483
00:17:46,950 --> 00:17:44,880
i had a satellite tracker on my phone

484
00:17:47,750 --> 00:17:46,960
you know when there's planes because

485
00:17:48,549 --> 00:17:47,760
uh

486
00:17:54,710 --> 00:17:48,559
you know

487
00:17:55,750 --> 00:17:54,720
lights i don't know the name from but

488
00:17:58,390 --> 00:17:55,760

you know what a plane is you know what a

489

00:18:02,870 --> 00:17:58,400

helicopter is

490

00:18:04,070 --> 00:18:02,880

um they don't do these sort of moves and

491

00:18:05,990 --> 00:18:04,080

they uh

492

00:18:07,270 --> 00:18:06,000

they don't come they don't typically you

493

00:18:08,870 --> 00:18:07,280

don't see them shooting out of the

494

00:18:10,310 --> 00:18:08,880

ground and sort of hanging out and

495

00:18:13,110 --> 00:18:10,320

hovering

496

00:18:17,750 --> 00:18:14,950

so yeah that that was sort of

497

00:18:19,669 --> 00:18:17,760

a 30 000 overview of what what happened

498

00:18:21,750 --> 00:18:19,679

there there was a there's a lot to talk

499

00:18:23,270 --> 00:18:21,760

about and you know if you want to

500

00:18:24,710 --> 00:18:23,280

specifics i can i can give you something

501
00:18:27,350 --> 00:18:24,720
better i don't want to start rambling

502
00:18:28,710 --> 00:18:27,360
and trapping people nuts over here well

503
00:18:30,549 --> 00:18:28,720
i i know

504
00:18:32,310 --> 00:18:30,559
when this first occurred

505
00:18:33,909 --> 00:18:32,320
i was one of the early people that chris

506
00:18:35,110 --> 00:18:33,919
got a hold of

507
00:18:37,830 --> 00:18:35,120
right and

508
00:18:39,270 --> 00:18:37,840
uh when he was describing all this to me

509
00:18:40,630 --> 00:18:39,280
i was having a hard time trying to

510
00:18:42,870 --> 00:18:40,640
figure out what he was trying to tell me

511
00:18:44,310 --> 00:18:42,880
i don't think he really knew what he was

512
00:18:45,430 --> 00:18:44,320
experiencing

513
00:18:47,669 --> 00:18:45,440

and

514

00:18:50,710 --> 00:18:47,679

then i know his son had had

515

00:18:54,549 --> 00:18:50,720

the the entity encounter

516

00:18:57,029 --> 00:18:54,559

uh in the woods from what i remember

517

00:18:58,230 --> 00:18:57,039

but i do remember in particular

518

00:18:59,990 --> 00:18:58,240

the um

519

00:19:01,270 --> 00:19:00,000

the huge orbs that they saw over the

520

00:19:03,510 --> 00:19:01,280

river

521

00:19:04,950 --> 00:19:03,520

and there was some other activity going

522

00:19:08,470 --> 00:19:04,960

on but you are right you know that

523

00:19:10,310 --> 00:19:08,480

documentary that they did on it was

524

00:19:11,830 --> 00:19:10,320

yeah it was kind of a hit piece as far

525

00:19:13,510 --> 00:19:11,840

as i was concerned

526

00:19:14,950 --> 00:19:13,520

and it wasn't yeah it wasn't it wasn't

527

00:19:18,230 --> 00:19:14,960

um it wasn't

528

00:19:21,750 --> 00:19:18,240

aired in the correct order you know uh

529

00:19:31,350 --> 00:19:22,470

the

530

00:19:35,669 --> 00:19:31,360

same 20 questions

531

00:19:38,630 --> 00:19:35,679

until you he hit uh you know a false or

532

00:19:39,830 --> 00:19:38,640

you know a deception

533

00:19:41,830 --> 00:19:39,840

you know

534

00:19:43,669 --> 00:19:41,840

and and chris

535

00:19:46,150 --> 00:19:43,679

we still think that i can't speak we

536

00:19:48,230 --> 00:19:46,160

still stay in touch um

537

00:19:49,990 --> 00:19:48,240

and this guy is

538

00:19:52,390 --> 00:19:50,000

when you see my podcast or when you're

539

00:19:54,470 --> 00:19:52,400

watching my video that's him he is just

540

00:19:56,630 --> 00:19:54,480

a genuine dude

541

00:19:59,190 --> 00:19:56,640

and uh

542

00:20:01,110 --> 00:19:59,200

you know i had a hard time because

543

00:20:02,470 --> 00:20:01,120

it was almost bringing me to tears

544

00:20:03,830 --> 00:20:02,480

because there was so much love with this

545

00:20:05,430 --> 00:20:03,840

family

546

00:20:07,190 --> 00:20:05,440

and i just wanted to hang out with them

547

00:20:08,630 --> 00:20:07,200

because i just felt like

548

00:20:10,149 --> 00:20:08,640

part of this family you know like i just

549

00:20:12,549 --> 00:20:10,159

didn't want to go home because you know

550

00:20:16,470 --> 00:20:12,559

they were taking care of us

551
00:20:17,990 --> 00:20:16,480
you know buying us dinner every night uh

552
00:20:21,190 --> 00:20:18,000
and i would say the the biggest thing

553
00:20:22,470 --> 00:20:21,200
that made me believe

554
00:20:24,070 --> 00:20:22,480
that these people

555
00:20:26,630 --> 00:20:24,080
were absolutely telling the truth was it

556
00:20:29,430 --> 00:20:26,640
was the second night we were there

557
00:20:31,350 --> 00:20:29,440
and it was about 8 8 30 and

558
00:20:33,190 --> 00:20:31,360
they ordered a bunch of pizzas for us

559
00:20:35,110 --> 00:20:33,200
and they have a compound so there's a

560
00:20:36,870 --> 00:20:35,120
bunch of different places so there's

561
00:20:38,310 --> 00:20:36,880
sort of like a common room com uh

562
00:20:40,149 --> 00:20:38,320
housing

563
00:20:41,990 --> 00:20:40,159

and we're all eating these pizza and

564

00:20:43,750 --> 00:20:42,000

just talking not about the phenomenon

565

00:20:45,510 --> 00:20:43,760

but just about life

566

00:20:47,510 --> 00:20:45,520

and chris goes out there because he

567

00:20:49,510 --> 00:20:47,520

senses these things

568

00:20:51,029 --> 00:20:49,520

um

569

00:20:52,549 --> 00:20:51,039

and of course you know

570

00:20:54,390 --> 00:20:52,559

we go up there too because you know

571

00:20:57,029 --> 00:20:54,400

we're still excited

572

00:21:00,950 --> 00:20:57,039

but you know ryan ryan's wife uh chris

573

00:21:04,710 --> 00:21:03,430

emily the sister and her husband they're

574

00:21:06,789 --> 00:21:04,720

in there they didn't even want to go

575

00:21:08,870 --> 00:21:06,799

outside they didn't care

576
00:21:10,789 --> 00:21:08,880
and i go you know

577
00:21:11,590 --> 00:21:10,799
if they were making this up or if they

578
00:21:13,270 --> 00:21:11,600
were

579
00:21:15,110 --> 00:21:13,280
somebody full of crap

580
00:21:16,549 --> 00:21:15,120
they'd be out there with us and i asked

581
00:21:17,909 --> 00:21:16,559
like you know when we came back like you

582
00:21:19,990 --> 00:21:17,919
don't care about this they go we've seen

583
00:21:20,710 --> 00:21:20,000
them so many years that it's just it

584
00:21:22,070 --> 00:21:20,720
just

585
00:21:23,190 --> 00:21:22,080
it doesn't matter anymore we see it

586
00:21:25,350 --> 00:21:23,200
every night

587
00:21:28,070 --> 00:21:25,360
and we just live with it now

588
00:21:29,669 --> 00:21:28,080

and well actually by the end of my time

589

00:21:31,510 --> 00:21:29,679

there i almost started feeling the same

590

00:21:33,190 --> 00:21:31,520

way i'm like oh okay yeah i've already

591

00:21:34,950 --> 00:21:33,200

saw this now

592

00:21:37,510 --> 00:21:34,960

and it's like

593

00:21:38,710 --> 00:21:37,520

i would never thought that

594

00:21:40,630 --> 00:21:38,720

coming there i thought i'd be out there

595

00:21:42,710 --> 00:21:40,640

camping out until five in the morning

596

00:21:44,870 --> 00:21:42,720

you know eye in the sky and then yeah

597

00:21:46,630 --> 00:21:44,880

after a while it just there's so much

598

00:21:49,430 --> 00:21:46,640

activity that you're you're like

599

00:21:50,870 --> 00:21:49,440

okay what else now

600

00:21:52,390 --> 00:21:50,880

well you know

601
00:21:54,630 --> 00:21:52,400
this is the one thing about being an

602
00:21:56,880 --> 00:21:54,640
investigator and looking into this real

603
00:21:59,110 --> 00:21:56,890
weird stuff um

604
00:22:02,230 --> 00:21:59,120
[Music]

605
00:22:05,270 --> 00:22:02,240
experience every reports and such to do

606
00:22:06,630 --> 00:22:05,280
with either extraterrestrials or ufos

607
00:22:08,710 --> 00:22:06,640
and such

608
00:22:11,029 --> 00:22:08,720
you kind of come part of that and it

609
00:22:13,350 --> 00:22:11,039
does it does affect you

610
00:22:14,710 --> 00:22:13,360
yeah uh i i know when i started working

611
00:22:17,590 --> 00:22:14,720
with david

612
00:22:20,390 --> 00:22:17,600
years ago and thanks thomas for your uh

613
00:22:21,430 --> 00:22:20,400

for your donations much appreciated

614

00:22:25,669 --> 00:22:21,440

um

615

00:22:27,510 --> 00:22:25,679

with david

616

00:22:29,669 --> 00:22:27,520

that's what it was like with me i mean i

617

00:22:32,630 --> 00:22:29,679

didn't really get it at first

618

00:22:34,390 --> 00:22:32,640

but boys time went on

619

00:22:35,430 --> 00:22:34,400

i started experiencing a lot of the

620

00:22:36,789 --> 00:22:35,440

summer

621

00:22:38,230 --> 00:22:36,799

type of

622

00:22:40,950 --> 00:22:38,240

phenomena

623

00:22:43,110 --> 00:22:40,960

and you know as time i've been talking

624

00:22:45,590 --> 00:22:43,120

to people and talking to others and i

625

00:22:47,909 --> 00:22:45,600

get the same thing from them

626
00:22:49,830 --> 00:22:47,919
um you know you know as soon as we're

627
00:22:51,510 --> 00:22:49,840
going into something and we start

628
00:22:53,270 --> 00:22:51,520
experiencing well i'm pretty sure that's

629
00:22:55,029 --> 00:22:53,280
what happened yeah

630
00:22:55,909 --> 00:22:55,039
yep

631
00:22:58,470 --> 00:22:55,919
so

632
00:23:01,029 --> 00:22:58,480
i'm looking at the chat here and uh jose

633
00:23:03,830 --> 00:23:01,039
had asked if these could be spirits and

634
00:23:05,830 --> 00:23:03,840
he said pictures of orbs uh

635
00:23:06,630 --> 00:23:05,840
up close sometimes revealed faces

636
00:23:09,029 --> 00:23:06,640
um

637
00:23:10,470 --> 00:23:09,039
i do have a picture of that chris has

638
00:23:12,470 --> 00:23:10,480

it's probably been around the internet

639

00:23:14,430 --> 00:23:12,480

of one of his orbs that does have a face

640

00:23:17,430 --> 00:23:14,440

in it it's it's

641

00:23:19,590 --> 00:23:17,440

undeniable um yeah so to answer that

642

00:23:21,750 --> 00:23:19,600

question yeah i i i

643

00:23:23,669 --> 00:23:21,760

i don't as well i'm saying i don't know

644

00:23:26,470 --> 00:23:23,679

if chris even knows what what this stuff

645

00:23:29,110 --> 00:23:26,480

is spirits i would say yes um

646

00:23:32,070 --> 00:23:29,120

entertainment yes you know

647

00:23:34,950 --> 00:23:32,080

we don't know um it's all the above

648

00:23:37,190 --> 00:23:34,960

and that's what makes it so interesting

649

00:23:39,510 --> 00:23:37,200

well you know and bernadette attest to

650

00:23:41,029 --> 00:23:39,520

this many times we'll get involved with

651
00:23:42,470 --> 00:23:41,039
cases and it just always there's

652
00:23:43,830 --> 00:23:42,480
something else that gets involved with

653
00:23:46,549 --> 00:23:43,840
it i mean another aspect of the

654
00:23:48,789 --> 00:23:46,559
paranormal yeah you know

655
00:23:52,149 --> 00:23:48,799
many times it looks like you've got

656
00:23:54,230 --> 00:23:52,159
spirits and aliens and ufos and

657
00:23:56,390 --> 00:23:54,240
a lot of other stuff getting involved

658
00:23:59,029 --> 00:23:56,400
and um

659
00:23:59,990 --> 00:23:59,039
you know i i and that's what upsets me

660
00:24:02,710 --> 00:24:00,000
about

661
00:24:05,190 --> 00:24:02,720
investigators and researchers you just

662
00:24:06,310 --> 00:24:05,200
who just focus on one phenomena

663
00:24:08,789 --> 00:24:06,320

and

664

00:24:11,430 --> 00:24:08,799

they just stay away from all the other

665

00:24:13,190 --> 00:24:11,440

you know external stuff and

666

00:24:15,110 --> 00:24:13,200

nine times that attendance has something

667

00:24:17,190 --> 00:24:15,120

to do with the original you know the

668

00:24:18,549 --> 00:24:17,200

original sighting or encounter

669

00:24:20,149 --> 00:24:18,559

so um

670

00:24:21,269 --> 00:24:20,159

you know and that's kind of how i was

671

00:24:22,070 --> 00:24:21,279

talking about

672

00:24:22,950 --> 00:24:22,080

yeah

673

00:24:23,750 --> 00:24:22,960

i guess

674

00:24:26,310 --> 00:24:23,760

you know

675

00:24:27,830 --> 00:24:26,320

no no it's okay i was just agreeing that

676

00:24:28,950 --> 00:24:27,840

you know with

677

00:24:30,830 --> 00:24:28,960

we're talking about cryptids i was

678

00:24:32,950 --> 00:24:30,840

always skeptical then i'm

679

00:24:34,549 --> 00:24:32,960

like if i

680

00:24:36,149 --> 00:24:34,559

see this stuff and i you know physically

681

00:24:38,870 --> 00:24:36,159

i'm seeing the stuff there's i can't

682

00:24:40,149 --> 00:24:38,880

discount this other you know who am i to

683

00:24:42,549 --> 00:24:40,159

say that

684

00:24:44,630 --> 00:24:42,559

one is real and one is not i mean that's

685

00:24:47,350 --> 00:24:44,640

just a terrible way of thinking this is

686

00:24:49,510 --> 00:24:47,360

so beyond i think of anything

687

00:24:50,789 --> 00:24:49,520

any kind of comprehension that it would

688

00:24:53,669 --> 00:24:50,799

be just

689

00:24:56,230 --> 00:24:53,679

ridiculous to think that way um

690

00:24:57,669 --> 00:24:56,240

and i said i was guilty myself of it and

691

00:25:01,029 --> 00:24:57,679

you know when you when you experience it

692

00:25:02,390 --> 00:25:01,039

that things change pretty quickly

693

00:25:03,990 --> 00:25:02,400

i'm trying to find this picture of the

694

00:25:05,830 --> 00:25:04,000

this orb i'm going to send it to vincent

695

00:25:06,870 --> 00:25:05,840

uh maybe you can share it it's pretty

696

00:25:10,470 --> 00:25:06,880

it's pretty

697

00:25:12,789 --> 00:25:10,480

so um

698

00:25:15,510 --> 00:25:12,799

so james of course you've been involved

699

00:25:17,269 --> 00:25:15,520

with the uh or i've had two encounters

700

00:25:18,789 --> 00:25:17,279

with these dog men you're out in green

701
00:25:20,950 --> 00:25:18,799
county pennsylvania you're right in the

702
00:25:22,549 --> 00:25:20,960
southwest corner of the state

703
00:25:25,029 --> 00:25:22,559
um

704
00:25:26,950 --> 00:25:25,039
i i think you had some other encounters

705
00:25:28,549 --> 00:25:26,960
another phenomena recently to do with

706
00:25:32,230 --> 00:25:28,559
ufo activity

707
00:25:34,710 --> 00:25:32,240
yeah about uh 10 11 days ago i my mom's

708
00:25:36,390 --> 00:25:34,720
car broke down so i was taking her back

709
00:25:37,590 --> 00:25:36,400
and forth to work and she's on the night

710
00:25:39,110 --> 00:25:37,600
shift

711
00:25:41,990 --> 00:25:39,120
and um

712
00:25:42,950 --> 00:25:42,000
so i pick her up at 6 a.m

713
00:25:45,190 --> 00:25:42,960

and i

714

00:25:47,269 --> 00:25:45,200

pick i will pick her up at

715

00:25:49,510 --> 00:25:47,279

9 00 pm and then pick her back up at 6

716

00:25:51,510 --> 00:25:49,520

00 am the next morning well i was going

717

00:25:54,070 --> 00:25:51,520

to pick her up and

718

00:25:57,269 --> 00:25:54,080

on nemacolin road down here in

719

00:26:00,310 --> 00:25:57,279

eastern greene county i noticed this

720

00:26:02,390 --> 00:26:00,320

it's like it was like an orangish

721

00:26:05,029 --> 00:26:02,400

sort of like doughnut shaped

722

00:26:06,390 --> 00:26:05,039

object in this in the sky

723

00:26:08,950 --> 00:26:06,400

and

724

00:26:11,350 --> 00:26:08,960

it was just hovering it had to be about

725

00:26:12,390 --> 00:26:11,360

i mean obviously it was a a few miles

726

00:26:14,789 --> 00:26:12,400

off

727

00:26:16,789 --> 00:26:14,799

yeah there's the picture there um it was

728

00:26:19,029 --> 00:26:16,799

a few miles away from me

729

00:26:21,350 --> 00:26:19,039

just hovering but it had to be about

730

00:26:23,590 --> 00:26:21,360

three to five hundred feet up

731

00:26:25,510 --> 00:26:23,600

there's a tower there that's a couple

732

00:26:28,310 --> 00:26:25,520

hundred feet tall and it was only a

733

00:26:30,870 --> 00:26:28,320

hundred feet maybe two hundred feet

734

00:26:34,549 --> 00:26:30,880

higher than that tower

735

00:26:38,470 --> 00:26:36,390

what caught me is weird i thought well

736

00:26:40,230 --> 00:26:38,480

maybe it's a planet maybe it's just

737

00:26:42,310 --> 00:26:40,240

something that i'm not

738

00:26:45,350 --> 00:26:42,320

aware that would be there

739

00:26:47,510 --> 00:26:45,360

well the next night you know usually if

740

00:26:50,230 --> 00:26:47,520

you see a planet it'll hang around for a

741

00:26:52,310 --> 00:26:50,240

night or two you know at least

742

00:26:55,990 --> 00:26:52,320

and the next night i went through and it

743

00:26:57,830 --> 00:26:56,000

was gone it wasn't there at all well the

744

00:26:58,710 --> 00:26:57,840

night after that so this is the third

745

00:27:00,070 --> 00:26:58,720

night

746

00:27:03,430 --> 00:27:00,080

it was back

747

00:27:04,870 --> 00:27:03,440

and it was about a half a mile

748

00:27:06,950 --> 00:27:04,880

further east

749

00:27:08,310 --> 00:27:06,960

than it was before

750

00:27:10,070 --> 00:27:08,320

just sitting there hovering and you can

751

00:27:13,190 --> 00:27:10,080

see it looks sort of like a blood

752

00:27:16,549 --> 00:27:13,200

platelet is what it reminds me of

753

00:27:17,430 --> 00:27:16,559

or like a red blood cell

754

00:27:19,510 --> 00:27:17,440

but

755

00:27:23,029 --> 00:27:19,520

and since i talked to you about it the

756

00:27:24,870 --> 00:27:23,039

other day i went to my father's house

757

00:27:27,510 --> 00:27:24,880

the night before last

758

00:27:29,750 --> 00:27:27,520

coming back from his house going up a

759

00:27:32,389 --> 00:27:29,760

steep hill that he lives near i saw the

760

00:27:34,310 --> 00:27:32,399

exact same thing and it was a good seven

761

00:27:37,350 --> 00:27:34,320

to eight miles away from where i had

762

00:27:39,510 --> 00:27:37,360

seen it the first night

763

00:27:41,590 --> 00:27:39,520

and it looked exactly the same

764

00:27:43,110 --> 00:27:41,600

um i was going up the hill and i could

765

00:27:45,029 --> 00:27:43,120

see it and i thought well maybe it's a

766

00:27:47,110 --> 00:27:45,039

plane or something and i'm just you know

767

00:27:48,549 --> 00:27:47,120

because i'm driving and maybe i'm just

768

00:27:51,110 --> 00:27:48,559

not seeing it right well i got up to the

769

00:27:51,830 --> 00:27:51,120

top of the hill and went to pull off and

770

00:28:00,389 --> 00:27:51,840

i

771

00:28:02,070 --> 00:28:00,399

gone

772

00:28:05,029 --> 00:28:02,080

it never came out on the other side of

773

00:28:07,830 --> 00:28:05,039

the tree it never

774

00:28:09,669 --> 00:28:07,840

and i i drove further away and kept

775

00:28:10,389 --> 00:28:09,679

looking back looking back looking back

776

00:28:13,430 --> 00:28:10,399

and

777

00:28:17,430 --> 00:28:15,669

so i mean you know if it was a plane or

778

00:28:18,950 --> 00:28:17,440

a helicopter i mean you would have saw

779

00:28:20,870 --> 00:28:18,960

it flying i mean they're fast but

780

00:28:23,269 --> 00:28:20,880

they're not bad

781

00:28:28,470 --> 00:28:25,110

we have um you know

782

00:28:31,029 --> 00:28:28,480

and they just want one direction

783

00:28:34,549 --> 00:28:33,110

yeah yeah the the first two times i saw

784

00:28:37,029 --> 00:28:34,559

it it just hovered

785

00:28:38,470 --> 00:28:37,039

but that that night coming back from my

786

00:28:41,350 --> 00:28:38,480

dad's it was it was going in one

787

00:28:42,870 --> 00:28:41,360

direction and it if it was a plane you'd

788

00:28:45,510 --> 00:28:42,880

think it would have crashed because it

789

00:28:47,190 --> 00:28:45,520

was going so slow

790

00:28:50,149 --> 00:28:47,200

you know what i mean i i've never seen

791

00:28:51,750 --> 00:28:50,159

like a jet or even like a biplane go

792

00:28:53,990 --> 00:28:51,760

that slow

793

00:28:55,909 --> 00:28:54,000

and then for it to just be gone in a

794

00:28:56,830 --> 00:28:55,919

blink of an eye without catching it

795

00:28:59,350 --> 00:28:56,840

flying

796

00:29:00,710 --> 00:28:59,360

away i mean it

797

00:29:03,510 --> 00:29:00,720

i don't know what it could have been you

798

00:29:06,710 --> 00:29:03,520

know it was just so unusual i had to

799

00:29:10,830 --> 00:29:08,310

yeah this is somewhere some of the stuff

800

00:29:12,950 --> 00:29:10,840

we butch had taken pictures of out his

801
00:29:14,789 --> 00:29:12,960
way um

802
00:29:16,070 --> 00:29:14,799
and a lot of times they they're they're

803
00:29:17,909 --> 00:29:16,080
colorful

804
00:29:19,430 --> 00:29:17,919
we've had them in green and different

805
00:29:22,230 --> 00:29:19,440
colors and

806
00:29:23,830 --> 00:29:22,240
blue and many times they have they look

807
00:29:27,110 --> 00:29:23,840
like a donut up there they got a hole in

808
00:29:28,870 --> 00:29:27,909
yeah

809
00:29:31,029 --> 00:29:28,880
uh

810
00:29:32,950 --> 00:29:31,039
and many times you can actually watch

811
00:29:33,909 --> 00:29:32,960
them and they will morph

812
00:29:35,990 --> 00:29:33,919
uh

813
00:29:38,230 --> 00:29:36,000

and i like to call them bio forms

814

00:29:41,350 --> 00:29:38,240

because we've gotten a lot of in fact i

815

00:29:44,230 --> 00:29:41,360

had a guy down in florida uh used to get

816

00:29:45,190 --> 00:29:44,240

a lot of those similar photographs for

817

00:29:46,710 --> 00:29:45,200

me

818

00:29:47,990 --> 00:29:46,720

and uh

819

00:29:50,389 --> 00:29:48,000

yeah so

820

00:29:51,269 --> 00:29:50,399

it's it's bizarre oh

821

00:29:54,389 --> 00:29:51,279

yeah

822

00:29:56,789 --> 00:29:54,399

that's pretty

823

00:29:58,470 --> 00:29:56,799

looks like a jellyfish

824

00:30:00,710 --> 00:29:58,480

yeah

825

00:30:02,149 --> 00:30:00,720

those were all taken in florida

826

00:30:03,990 --> 00:30:02,159

um

827

00:30:05,590 --> 00:30:04,000

around you know where we're about oh

828

00:30:08,470 --> 00:30:05,600

yeah because

829

00:30:10,549 --> 00:30:08,480

yeah over by denton beach over there

830

00:30:11,909 --> 00:30:10,559

off off the coast you know around the

831

00:30:14,389 --> 00:30:11,919

panhandle

832

00:30:16,470 --> 00:30:14,399

yeah um

833

00:30:18,310 --> 00:30:16,480

and uh he i know the guy lives in that

834

00:30:20,470 --> 00:30:18,320

he lived in nashville so he took some

835

00:30:22,630 --> 00:30:20,480

pictures up there but there's one of

836

00:30:24,389 --> 00:30:22,640

them yeah that's that's one that butch

837

00:30:25,830 --> 00:30:24,399

took this is one that here in

838

00:30:31,350 --> 00:30:25,840

pennsylvania

839

00:30:46,310 --> 00:30:32,549

so we didn't have

840

00:30:53,269 --> 00:30:48,389

it didn't seem to react to anything i

841

00:30:56,470 --> 00:30:54,630

but now i do

842

00:31:00,070 --> 00:30:56,480

because

843

00:31:01,509 --> 00:31:00,080

whenever i was whenever i was about 13

844

00:31:03,269 --> 00:31:01,519

um

845

00:31:05,669 --> 00:31:03,279

living in nemacolin

846

00:31:08,310 --> 00:31:05,679

i looked out the window one night and

847

00:31:09,190 --> 00:31:08,320

there's a radio tower right near where

848

00:31:11,029 --> 00:31:09,200

that

849

00:31:15,269 --> 00:31:11,039

where i saw this object

850

00:31:18,389 --> 00:31:15,279

well whenever i was 13 i saw two objects

851
00:31:20,389 --> 00:31:18,399
hovering around that same object so i

852
00:31:22,549 --> 00:31:20,399
don't know if it's something to do with

853
00:31:26,310 --> 00:31:22,559
that object it's sort of that tower

854
00:31:28,710 --> 00:31:26,320
itself that these things are drawn to

855
00:31:31,029 --> 00:31:28,720
or you know because whenever i saw them

856
00:31:33,590 --> 00:31:31,039
when i was younger they actually

857
00:31:36,310 --> 00:31:33,600
looked as though they were

858
00:31:38,310 --> 00:31:36,320
tapping the energy from that tower the

859
00:31:40,710 --> 00:31:38,320
lights went out on the tower while they

860
00:31:43,029 --> 00:31:40,720
were near it

861
00:31:46,230 --> 00:31:43,039
um so i don't know maybe they have a

862
00:31:48,389 --> 00:31:46,240
more sophisticated means of uh

863
00:31:52,470 --> 00:31:48,399

withdrawing power now and the lights

864

00:31:55,110 --> 00:31:53,509

interesting

865

00:31:57,590 --> 00:31:55,120

vince said he's got the

866

00:31:59,029 --> 00:31:57,600

photos from

867

00:32:01,029 --> 00:31:59,039

yeah i saw him i sent him a couple more

868

00:32:02,789 --> 00:32:01,039

talking and yeah

869

00:32:04,950 --> 00:32:02,799

i mean so you can see if you you know

870

00:32:06,630 --> 00:32:04,960

look to the right side you can see it i

871

00:32:08,470 --> 00:32:06,640

mean an ear you can even see the ridges

872

00:32:09,830 --> 00:32:08,480

in the ear i mean the nose if you see

873

00:32:10,630 --> 00:32:09,840

the mouth there's teeth in it of that

874

00:32:11,509 --> 00:32:10,640

yeah

875

00:32:12,630 --> 00:32:11,519

um

876

00:32:13,750 --> 00:32:12,640

zoomed in but

877

00:32:15,269 --> 00:32:13,760

clearly the nose you can see there's

878

00:32:19,350 --> 00:32:15,279

like almost like little buck teeth there

879

00:32:23,509 --> 00:32:21,750

yeah it's uh

880

00:32:26,310 --> 00:32:23,519

and he said also if you look to the left

881

00:32:30,230 --> 00:32:26,320

there's almost like a demon type of face

882

00:32:31,990 --> 00:32:30,240

i i do see sort of i uh yeah like a nose

883

00:32:34,389 --> 00:32:32,000

right there and then like an eye almost

884

00:32:36,549 --> 00:32:34,399

like a profile like a profile

885

00:32:38,149 --> 00:32:36,559

yeah yeah he said he said that this this

886

00:32:40,149 --> 00:32:38,159

was like a seem like it was like a

887

00:32:41,509 --> 00:32:40,159

tortured soul

888

00:32:43,110 --> 00:32:41,519

i don't know i just

889

00:32:44,870 --> 00:32:43,120

seeing that face

890

00:32:45,990 --> 00:32:44,880

like i said that that's crazy i mean you

891

00:32:47,990 --> 00:32:46,000

can even

892

00:32:49,830 --> 00:32:48,000

to the ear you know on the right side

893

00:32:52,389 --> 00:32:49,840

you almost you can see like where

894

00:32:54,310 --> 00:32:52,399

sideburn is up top where the hair ends

895

00:32:57,990 --> 00:32:54,320

and in top of the ear begins it's just

896

00:33:03,029 --> 00:33:01,509

yeah yeah it's freaky

897

00:33:04,950 --> 00:33:03,039

so um

898

00:33:05,909 --> 00:33:04,960

nancy malcolm asks this interesting

899

00:33:07,750 --> 00:33:05,919

question

900

00:33:10,549 --> 00:33:07,760

and if anybody in the group wants to

901
00:33:13,669 --> 00:33:10,559
answer just go ahead do you think portal

902
00:33:16,950 --> 00:33:13,679
travel uses plasma orbs to keep

903
00:33:21,190 --> 00:33:19,029
i don't know i i haven't really thought

904
00:33:22,389 --> 00:33:21,200
about that you know i did i've had

905
00:33:25,509 --> 00:33:22,399
thought about this it's almost like a

906
00:33:27,669 --> 00:33:25,519
like like how a submarine would keep

907
00:33:29,029 --> 00:33:27,679
the people inside safe um

908
00:33:30,630 --> 00:33:29,039
not necessarily you think about plasma

909
00:33:34,549 --> 00:33:30,640
but yeah maybe i mean

910
00:33:36,230 --> 00:33:34,559
that's a very good uh thought

911
00:33:39,110 --> 00:33:36,240
yeah for all we know i'm not smart

912
00:33:41,509 --> 00:33:39,120
enough to know if for all we know plasma

913
00:33:44,389 --> 00:33:41,519

can bend space and time you know who

914

00:33:49,830 --> 00:33:47,190

that's a great question nancy thank you

915

00:33:51,430 --> 00:33:49,840

yeah it is

916

00:33:52,950 --> 00:33:51,440

you know i um

917

00:33:55,029 --> 00:33:52,960

you know the whole orb thing and that

918

00:33:58,710 --> 00:33:55,039

you know when we got into ufos and

919

00:34:00,149 --> 00:33:58,720

talking about spirits and and europe and

920

00:34:02,870 --> 00:34:00,159

entities and such

921

00:34:05,350 --> 00:34:02,880

there does seem to be a um

922

00:34:07,830 --> 00:34:05,360

a lot of orb activity in fact

923

00:34:09,430 --> 00:34:07,840

warb activity has kind of come into play

924

00:34:10,790 --> 00:34:09,440

with a lot of the cryptic sightings

925

00:34:11,909 --> 00:34:10,800

we've been having especially in this

926

00:34:13,109 --> 00:34:11,919

area

927

00:34:15,750 --> 00:34:13,119

um

928

00:34:17,190 --> 00:34:15,760

so i don't know i mean i i think there's

929

00:34:18,869 --> 00:34:17,200

a connection there

930

00:34:21,430 --> 00:34:18,879

between these orbs and a lot of the

931

00:34:23,990 --> 00:34:21,440

other aspects that you'll have the other

932

00:34:26,470 --> 00:34:24,000

sightings and such that we do have

933

00:34:28,470 --> 00:34:26,480

uh she did ask uh dance again and i said

934

00:34:29,990 --> 00:34:28,480

do you think all orbs

935

00:34:33,669 --> 00:34:30,000

are the same or

936

00:34:35,990 --> 00:34:33,679

some sentiment and others uh methods of

937

00:34:38,389 --> 00:34:36,000

travel and i think that's possible

938

00:34:41,190 --> 00:34:38,399

it could be like maybe a capsule they

939

00:34:43,430 --> 00:34:41,200

use orbs as a capsule to travel through

940

00:34:45,109 --> 00:34:43,440

time and space and such maybe that's the

941

00:34:46,629 --> 00:34:45,119

what they use

942

00:34:49,109 --> 00:34:46,639

oh yeah and she asked who could it be a

943

00:34:50,790 --> 00:34:49,119

remote viewer and that that it's a great

944

00:34:52,950 --> 00:34:50,800

question too almost like it's someone's

945

00:34:53,750 --> 00:34:52,960

been through it like a porthole uh you

946

00:34:55,270 --> 00:34:53,760

know

947

00:34:56,470 --> 00:34:55,280

again

948

00:34:58,950 --> 00:34:56,480

this is why

949

00:35:00,630 --> 00:34:58,960

data is so important for us to you know

950

00:35:02,710 --> 00:35:00,640

we need to learn you know

951
00:35:04,550 --> 00:35:02,720
so we can learn and you know all these

952
00:35:06,790 --> 00:35:04,560
settings we need to

953
00:35:08,069 --> 00:35:06,800
um

954
00:35:09,510 --> 00:35:08,079
catalog

955
00:35:11,589 --> 00:35:09,520
because i can't you know i can answer

956
00:35:13,589 --> 00:35:11,599
these questions um not until we have

957
00:35:15,990 --> 00:35:13,599
enough information you know and that's

958
00:35:19,750 --> 00:35:16,000
again a great question nancy awesome

959
00:35:24,310 --> 00:35:21,670
this is something that comes up i mean

960
00:35:26,230 --> 00:35:24,320
it i i've just heard it more recently

961
00:35:27,910 --> 00:35:26,240
you know i've been trained to remove you

962
00:35:30,630 --> 00:35:27,920
and i've heard people talk to me about

963
00:35:32,470 --> 00:35:30,640

well

964

00:35:34,550 --> 00:35:32,480

how does remote viewing affect other

965

00:35:36,710 --> 00:35:34,560

people as far as when you

966

00:35:38,710 --> 00:35:36,720

when you're viewing a location or

967

00:35:39,589 --> 00:35:38,720

viewing a person for that matter

968

00:35:41,910 --> 00:35:39,599

uh

969

00:35:44,550 --> 00:35:41,920

are there

970

00:35:46,870 --> 00:35:44,560

are you able to be seen or noticed

971

00:35:48,870 --> 00:35:46,880

somehow or sent somehow

972

00:35:52,310 --> 00:35:48,880

when you go into that area

973

00:35:54,630 --> 00:35:52,320

uh i believe it's possible i in fact i i

974

00:35:56,790 --> 00:35:54,640

have talked before about a remote view i

975

00:35:59,030 --> 00:35:56,800

did all planet once

976
00:36:01,670 --> 00:35:59,040
during my training where one of the

977
00:36:02,470 --> 00:36:01,680
entities realized that was there

978
00:36:05,829 --> 00:36:02,480
and

979
00:36:07,589 --> 00:36:05,839
trying to figure out what the hell it

980
00:36:09,270 --> 00:36:07,599
was looking at me so weird for i thought

981
00:36:12,550 --> 00:36:09,280
this thing couldn't see me

982
00:36:14,310 --> 00:36:12,560
and it turned out it was it saw me and

983
00:36:16,710 --> 00:36:14,320
the monitor who i was working with

984
00:36:18,950 --> 00:36:16,720
pulled me out of there quickly because

985
00:36:21,910 --> 00:36:18,960
uh this could have turned in turned out

986
00:36:23,190 --> 00:36:21,920
to be a pretty bad situation so i i

987
00:36:25,270 --> 00:36:23,200
think you know that's another thing

988
00:36:27,030 --> 00:36:25,280

about remote viewing i think

989

00:36:28,310 --> 00:36:27,040

there's a lot that we don't understand

990

00:36:32,390 --> 00:36:28,320

about it

991

00:36:34,230 --> 00:36:32,400

uh now i do use it for a lot of my work

992

00:36:38,550 --> 00:36:34,240

but uh

993

00:36:44,870 --> 00:36:40,630

eventually says the entity pick looks

994

00:36:47,910 --> 00:36:44,880

like eckhart's photo it does i mean

995

00:36:49,910 --> 00:36:47,920

yeah oh that one yeah i mean even

996

00:36:52,390 --> 00:36:49,920

look at the eyes i mean that's freaky

997

00:36:53,750 --> 00:36:52,400

and that neck is not

998

00:36:56,470 --> 00:36:53,760

it looks like my neck when i was in high

999

00:37:01,109 --> 00:36:58,550

did you see like some kind of mouth i

1000

00:37:02,069 --> 00:37:01,119

don't yeah

1001
00:37:05,270 --> 00:37:02,079
in

1002
00:37:09,510 --> 00:37:05,280
to

1003
00:37:11,430 --> 00:37:09,520
there was someone standing there

1004
00:37:13,030 --> 00:37:11,440
it was next to a tree but but

1005
00:37:15,190 --> 00:37:13,040
where the entity was

1006
00:37:16,950 --> 00:37:15,200
he no one could see that anything was

1007
00:37:19,270 --> 00:37:16,960
there when he took the picture on his

1008
00:37:21,109 --> 00:37:19,280
iphone you know the screen didn't show

1009
00:37:23,030 --> 00:37:21,119
anything until he hit that button and

1010
00:37:24,710 --> 00:37:23,040
went into his photos and saw well what

1011
00:37:27,270 --> 00:37:24,720
is this like you know

1012
00:37:29,030 --> 00:37:27,280
there we go so that that

1013
00:37:31,910 --> 00:37:29,040

you know you can see shoulders almost

1014

00:37:35,430 --> 00:37:31,920

but that was not there in view

1015

00:37:37,910 --> 00:37:35,440

as as we see reality i guess

1016

00:37:39,910 --> 00:37:37,920

um which is freaky and then i i was

1017

00:37:40,790 --> 00:37:39,920

telling vincent it was sort of enhanced

1018

00:37:42,550 --> 00:37:40,800

a bit

1019

00:37:43,589 --> 00:37:42,560

i think tom delong had posted this on

1020

00:37:47,510 --> 00:37:43,599

his uh

1021

00:37:49,750 --> 00:37:47,520

on his twitter a while back uh

1022

00:37:51,910 --> 00:37:49,760

again it's

1023

00:37:53,670 --> 00:37:51,920

it's a freaky picture we actually went

1024

00:37:54,790 --> 00:37:53,680

to that exact spot where that picture

1025

00:37:57,349 --> 00:37:54,800

was taken

1026

00:38:00,230 --> 00:37:57,359

uh the funny thing about chris

1027

00:38:02,470 --> 00:38:00,240

it's not the property because this

1028

00:38:04,310 --> 00:38:02,480

picture here was taken at his old house

1029

00:38:07,750 --> 00:38:04,320

so it's not really the pr necessarily

1030

00:38:10,310 --> 00:38:07,760

property more uh i think of him i think

1031

00:38:11,349 --> 00:38:10,320

followers as well as uh him or you know

1032

00:38:12,710 --> 00:38:11,359

somehow he's

1033

00:38:14,710 --> 00:38:12,720

attached to him

1034

00:38:16,230 --> 00:38:14,720

this type of phenomena seems to follow

1035

00:38:17,750 --> 00:38:16,240

people around i mean

1036

00:38:19,910 --> 00:38:17,760

happened to me

1037

00:38:21,670 --> 00:38:19,920

like i said a couple six weeks i've had

1038

00:38:23,030 --> 00:38:21,680

i had stuff for

1039

00:38:25,430 --> 00:38:23,040

i'm like okay

1040

00:38:29,109 --> 00:38:25,440

and it's you know it's looking back i

1041

00:38:30,550 --> 00:38:29,119

still seem surreal um and i have to

1042

00:38:32,790 --> 00:38:30,560

i have to think about like does this

1043

00:38:35,109 --> 00:38:32,800

actually happen you know i'll be sitting

1044

00:38:37,510 --> 00:38:35,119

uh you know when normal self-run your

1045

00:38:39,270 --> 00:38:37,520

bills have to be paid this and that and

1046

00:38:41,430 --> 00:38:39,280

i just look up and i go

1047

00:38:43,670 --> 00:38:41,440

oh man you know i witnessed something

1048

00:38:45,670 --> 00:38:43,680

that

1049

00:38:46,390 --> 00:38:45,680

a lot of people have never seen before

1050

00:38:47,750 --> 00:38:46,400

and

1051

00:38:49,990 --> 00:38:47,760

you know i'm sort of getting part of

1052

00:38:52,069 --> 00:38:50,000

this answer to one of the life's biggest

1053

00:38:54,470 --> 00:38:52,079

questions and sort of makes that worry

1054

00:38:56,069 --> 00:38:54,480

about the mundane kind of go away and

1055

00:38:57,109 --> 00:38:56,079

know that something bigger and better

1056

00:38:58,790 --> 00:38:57,119

out there

1057

00:39:00,630 --> 00:38:58,800

and to me to me it could be scary to

1058

00:39:02,870 --> 00:39:00,640

something me that sort of calms me down

1059

00:39:05,670 --> 00:39:02,880

a bit

1060

00:39:07,750 --> 00:39:05,680

well you are uh

1061

00:39:09,829 --> 00:39:07,760

k i know you're getting involved with

1062

00:39:12,390 --> 00:39:09,839

learning how to connect with what's been

1063

00:39:15,030 --> 00:39:12,400

going on in chicago uh we've talked to

1064

00:39:18,069 --> 00:39:15,040

jennifer a bit about that

1065

00:39:21,030 --> 00:39:18,079

that that surprised me too because

1066

00:39:24,550 --> 00:39:22,870

yeah and you know

1067

00:39:25,510 --> 00:39:24,560

until it happens to them right what's

1068

00:39:27,109 --> 00:39:25,520

that

1069

00:39:29,829 --> 00:39:27,119

everyone's a skeptic until it happens to

1070

00:39:31,910 --> 00:39:29,839

them ain't that well that's that's that

1071

00:39:33,670 --> 00:39:31,920

happens to everybody uh you know i've

1072

00:39:36,630 --> 00:39:33,680

had people

1073

00:39:38,790 --> 00:39:36,640

that were diehard skeptics and then had

1074

00:39:41,510 --> 00:39:38,800

an encounter of some type and

1075

00:39:43,430 --> 00:39:41,520

then they're diehard believers you know

1076

00:39:44,630 --> 00:39:43,440

it doesn't take much

1077

00:39:47,190 --> 00:39:44,640

but um

1078

00:39:48,950 --> 00:39:47,200

hey folks yeah those in the chat uh if

1079

00:39:50,870 --> 00:39:48,960

you've got a question

1080

00:39:52,950 --> 00:39:50,880

feel free to put it in caps and put it

1081

00:39:56,470 --> 00:39:52,960

up on the chat for us to answer we'll

1082

00:39:57,829 --> 00:39:56,480

try to do the best we can with it

1083

00:39:59,670 --> 00:39:57,839

yeah because these are some great

1084

00:40:02,310 --> 00:39:59,680

questions that we're getting

1085

00:40:04,950 --> 00:40:02,320

yeah i wish i wish i had the mental

1086

00:40:08,710 --> 00:40:04,960

capacity to ask such

1087

00:40:11,349 --> 00:40:08,720

you know thought broken questions

1088

00:40:13,270 --> 00:40:11,359

again i i just come at this thing like

1089

00:40:14,550 --> 00:40:13,280

you know i'm an amateur

1090

00:40:16,309 --> 00:40:14,560

i'll never know everything about

1091

00:40:18,550 --> 00:40:16,319

something so i might as well just be

1092

00:40:20,790 --> 00:40:18,560

real about it and you know and that's

1093

00:40:23,190 --> 00:40:20,800

kind of what i bring to the table just

1094

00:40:25,430 --> 00:40:23,200

me being me and and

1095

00:40:27,670 --> 00:40:25,440

you know

1096

00:40:29,349 --> 00:40:27,680

kit for free maybe you might not know

1097

00:40:31,829 --> 00:40:29,359

but bernie that's how i met bernadette

1098

00:40:34,870 --> 00:40:31,839

because she was um

1099

00:40:36,069 --> 00:40:34,880

earned her uh her boyfriend tommy

1100

00:40:38,790 --> 00:40:36,079

uh had

1101
00:40:40,630 --> 00:40:38,800
some encounters at their home

1102
00:40:42,470 --> 00:40:40,640
and um

1103
00:40:44,790 --> 00:40:42,480
we started working with her we realized

1104
00:40:50,550 --> 00:40:44,800
that she was uh

1105
00:40:53,109 --> 00:40:50,560
a beacon and she could she had had other

1106
00:40:54,390 --> 00:40:53,119
encounters or all her life

1107
00:40:55,829 --> 00:40:54,400
and uh

1108
00:40:57,829 --> 00:40:55,839
oh yeah

1109
00:41:00,950 --> 00:40:57,839
yeah that's uh

1110
00:41:02,790 --> 00:41:00,960
that's one of the entities from chicago

1111
00:41:05,030 --> 00:41:02,800
and he showed up at david eckhart's

1112
00:41:06,790 --> 00:41:05,040
place

1113
00:41:08,950 --> 00:41:06,800

yeah he's not too he he's a couple hours

1114

00:41:11,349 --> 00:41:08,960

away from me

1115

00:41:13,430 --> 00:41:11,359

he's outside of pensacola oh

1116

00:41:15,430 --> 00:41:13,440

yeah he's up in uh

1117

00:41:16,790 --> 00:41:15,440

yeah florida is so big i mean i'm in

1118

00:41:19,750 --> 00:41:16,800

tampa that's like

1119

00:41:22,950 --> 00:41:19,760

oh maybe even an eight-hour drive for me

1120

00:41:22,960 --> 00:41:27,349

so i have a question for you guys

1121

00:41:31,430 --> 00:41:29,430

so how do you feel that your experiences

1122

00:41:34,950 --> 00:41:31,440

have changed you for the better or for

1123

00:41:38,550 --> 00:41:37,510

whoa that's not loaded

1124

00:41:39,349 --> 00:41:38,560

yeah right

1125

00:41:42,309 --> 00:41:39,359

well

1126

00:41:43,750 --> 00:41:42,319

i i will say i will say i'm pretty sure

1127

00:41:45,349 --> 00:41:43,760

i wouldn't be where i'm at now if i

1128

00:41:46,950 --> 00:41:45,359

didn't have

1129

00:41:49,030 --> 00:41:46,960

the bigfoot in the wing humanoid

1130

00:41:50,790 --> 00:41:49,040

experience back in the 80s

1131

00:41:52,710 --> 00:41:50,800

and in fact i'm pretty sure i wouldn't i

1132

00:41:53,510 --> 00:41:52,720

would wouldn't even thought much about

1133

00:41:54,870 --> 00:41:53,520

it

1134

00:41:56,150 --> 00:41:54,880

i might have been

1135

00:41:58,230 --> 00:41:56,160

involved with

1136

00:42:00,309 --> 00:41:58,240

the paranormal and helping people and

1137

00:42:02,950 --> 00:42:00,319

going into locations and you know

1138

00:42:06,390 --> 00:42:02,960

because i am intuitive but

1139

00:42:08,630 --> 00:42:06,400

i uh i don't think i have taken the turn

1140

00:42:10,710 --> 00:42:08,640

to uh the dark side of the paranormal

1141

00:42:13,349 --> 00:42:10,720

which is cryptids basically

1142

00:42:15,829 --> 00:42:13,359

and uh and i know james can say that too

1143

00:42:16,710 --> 00:42:15,839

he had those two dogman encounters and

1144

00:42:19,109 --> 00:42:16,720

uh

1145

00:42:20,230 --> 00:42:19,119

i i think i think it's the same in his

1146

00:42:21,750 --> 00:42:20,240

uh

1147

00:42:24,150 --> 00:42:21,760

for him as well he probably wouldn't

1148

00:42:26,069 --> 00:42:24,160

even thought to you know twice a lot

1149

00:42:27,750 --> 00:42:26,079

going into it i would have just been out

1150

00:42:29,349 --> 00:42:27,760

in the woods hunting my deer and having

1151
00:42:30,630 --> 00:42:29,359
fun and you know i wouldn't have never

1152
00:42:34,470 --> 00:42:30,640
thought that what could be creeping

1153
00:42:36,550 --> 00:42:34,480
around the next tree you know yeah

1154
00:42:40,230 --> 00:42:36,560
yeah i uh i don't go out in the woods

1155
00:42:42,230 --> 00:42:40,240
anymore and hunt i you know

1156
00:42:45,109 --> 00:42:42,240
you know after that first encounter i

1157
00:42:47,990 --> 00:42:45,119
you know i i don't even go out as much

1158
00:42:50,390 --> 00:42:48,000
as i used to later on after that

1159
00:42:52,069 --> 00:42:50,400
and um

1160
00:42:54,790 --> 00:42:52,079
because i started realizing hey there's

1161
00:42:55,510 --> 00:42:54,800
stuff out there we don't know about

1162
00:42:57,750 --> 00:42:55,520
and

1163
00:43:00,950 --> 00:42:57,760

it shows up occasionally you know i

1164

00:43:02,230 --> 00:43:00,960

wasn't looking for it but it shows up

1165

00:43:04,710 --> 00:43:02,240

yeah

1166

00:43:07,030 --> 00:43:04,720

it definitely makes you more aware of

1167

00:43:08,870 --> 00:43:07,040

yourself and your surroundings

1168

00:43:12,950 --> 00:43:08,880

absolutely

1169

00:43:14,390 --> 00:43:12,960

in my case i um

1170

00:43:17,030 --> 00:43:14,400

you know i haven't had much uh

1171

00:43:18,950 --> 00:43:17,040

encounters with cryptids i i did tell

1172

00:43:19,910 --> 00:43:18,960

you uh about

1173

00:43:21,430 --> 00:43:19,920

when i was

1174

00:43:23,030 --> 00:43:21,440

you know looking for

1175

00:43:25,670 --> 00:43:23,040

rocks i i

1176

00:43:27,589 --> 00:43:25,680

experienced sort of that that

1177

00:43:29,030 --> 00:43:27,599

bubble or that sort of i call it a noise

1178

00:43:30,470 --> 00:43:29,040

cancellation effect where all of a

1179

00:43:31,990 --> 00:43:30,480

sudden didn't hear the stream running i

1180

00:43:33,990 --> 00:43:32,000

didn't hear any bugs out there and then

1181

00:43:35,990 --> 00:43:34,000

all of a sudden i i felt like kind of

1182

00:43:37,270 --> 00:43:36,000

nervous and got goosebumps um and i

1183

00:43:38,630 --> 00:43:37,280

don't know what that could have been

1184

00:43:40,630 --> 00:43:38,640

because it happened and once i realized

1185

00:43:42,950 --> 00:43:40,640

it was going on it went away

1186

00:43:44,790 --> 00:43:42,960

um but as far as the other stuff uh you

1187

00:43:47,190 --> 00:43:44,800

know i've had a lot of

1188

00:43:49,589 --> 00:43:47,200

not a lot but i've had

1189

00:43:51,670 --> 00:43:49,599

encounters of what we would call ufos or

1190

00:43:53,349 --> 00:43:51,680

phenomena and

1191

00:43:54,390 --> 00:43:53,359

how it's changed me

1192

00:43:57,670 --> 00:43:54,400

i would say

1193

00:43:59,750 --> 00:43:57,680

you know the positive for sure um

1194

00:44:03,910 --> 00:43:59,760

i'm always looking up now always rising

1195

00:44:06,550 --> 00:44:03,920

up and i also feel like you know

1196

00:44:08,950 --> 00:44:06,560

as i said before um

1197

00:44:12,069 --> 00:44:08,960

when for me when i get worked up or

1198

00:44:14,470 --> 00:44:12,079

anxiety i i just remember that like hey

1199

00:44:16,870 --> 00:44:14,480

this is not all that there is

1200

00:44:18,309 --> 00:44:16,880

and you know that's sort of again for me

1201
00:44:20,150 --> 00:44:18,319
it calms me and

1202
00:44:21,190 --> 00:44:20,160
for some others it it could freak him

1203
00:44:22,870 --> 00:44:21,200
out but

1204
00:44:24,309 --> 00:44:22,880
again i wouldn't

1205
00:44:26,309 --> 00:44:24,319
i wouldn't change that i wouldn't change

1206
00:44:27,910 --> 00:44:26,319
any of my experiences because you know

1207
00:44:30,150 --> 00:44:27,920
ultimately every little experience you

1208
00:44:32,790 --> 00:44:30,160
have makes you who you are

1209
00:44:34,470 --> 00:44:32,800
you know and um

1210
00:44:35,990 --> 00:44:34,480
you know it could have been a terrible

1211
00:44:37,109 --> 00:44:36,000
experience at the time but that could

1212
00:44:39,670 --> 00:44:37,119
have made

1213
00:44:41,190 --> 00:44:39,680

in 10 years down the road change your

1214

00:44:43,109 --> 00:44:41,200

life for the better and i actually had

1215

00:44:45,349 --> 00:44:43,119

that conversation with chris

1216

00:44:47,349 --> 00:44:45,359

um if he would ever want to take that

1217

00:44:50,390 --> 00:44:47,359

back and he said no no

1218

00:44:52,630 --> 00:44:50,400

he was an avid hunter he won't hunt now

1219

00:44:53,349 --> 00:44:52,640

um

1220

00:44:55,349 --> 00:44:53,359

yeah

1221

00:44:58,230 --> 00:44:55,359

and it's funny because i have a fishing

1222

00:45:00,790 --> 00:44:58,240

uh absolutely fishing youtube and

1223

00:45:02,790 --> 00:45:00,800

we mostly catch and release and

1224

00:45:04,550 --> 00:45:02,800

sometimes i'll see when i fish some you

1225

00:45:05,750 --> 00:45:04,560

know people will like stomp on a fish

1226

00:45:08,230 --> 00:45:05,760

and i'm like

1227

00:45:10,790 --> 00:45:08,240

dude what come on man look

1228

00:45:12,630 --> 00:45:10,800

it's absolutely humanity it just

1229

00:45:14,470 --> 00:45:12,640

it's just selfish but but then i

1230

00:45:15,910 --> 00:45:14,480

remember that they're just being them

1231

00:45:18,870 --> 00:45:15,920

they you know it

1232

00:45:19,990 --> 00:45:18,880

and i can't get mad at that because

1233

00:45:22,069 --> 00:45:20,000

they're not thinking the way i'm

1234

00:45:24,390 --> 00:45:22,079

thinking so for me that's how i've

1235

00:45:26,630 --> 00:45:24,400

changed where i sort of i'm i guess i'm

1236

00:45:27,910 --> 00:45:26,640

less selfish in a way

1237

00:45:30,069 --> 00:45:27,920

but i'm also

1238

00:45:32,390 --> 00:45:30,079

a little bit selfish because you know

1239

00:45:35,030 --> 00:45:32,400

i'm glad i had this personal experience

1240

00:45:37,750 --> 00:45:35,040

so i i think some selfish

1241

00:45:39,670 --> 00:45:37,760

led to some selflessness

1242

00:45:41,750 --> 00:45:39,680

well you know i i'm that that's what i

1243

00:45:42,950 --> 00:45:41,760

like about having experiences on the

1244

00:45:45,990 --> 00:45:42,960

team

1245

00:45:47,910 --> 00:45:46,000

uh because first of all you understand

1246

00:45:49,670 --> 00:45:47,920

when people have

1247

00:45:50,870 --> 00:45:49,680

incidents encounters or you know

1248

00:45:51,670 --> 00:45:50,880

sightings

1249

00:45:53,750 --> 00:45:51,680

uh

1250

00:45:55,430 --> 00:45:53,760

so you kind of you kind of know you've

1251
00:45:57,829 --> 00:45:55,440
been in that boat and you know how they

1252
00:45:59,349 --> 00:45:57,839
react and you know how you felt

1253
00:46:01,030 --> 00:45:59,359
and uh

1254
00:46:02,710 --> 00:46:01,040
you know that that's why i think it's

1255
00:46:05,270 --> 00:46:02,720
good that's why you know when i get

1256
00:46:06,710 --> 00:46:05,280
someone who wants to come on the team

1257
00:46:11,030 --> 00:46:06,720
um

1258
00:46:15,030 --> 00:46:11,040
if they if they are an experienter

1259
00:46:17,109 --> 00:46:15,040
and uh they have some personal insight

1260
00:46:18,230 --> 00:46:17,119
that's going to help them get on because

1261
00:46:19,990 --> 00:46:18,240
um

1262
00:46:21,589 --> 00:46:20,000
you know we always use that because

1263
00:46:23,510 --> 00:46:21,599

that's that's just that's the best part

1264

00:46:25,829 --> 00:46:23,520

of being you know an investigator is

1265

00:46:28,309 --> 00:46:25,839

just realizing understanding

1266

00:46:30,390 --> 00:46:28,319

what your witnesses are experiencing so

1267

00:46:32,150 --> 00:46:30,400

um we gotta i think my my greatest tool

1268

00:46:34,390 --> 00:46:32,160

about being investigator would be

1269

00:46:35,750 --> 00:46:34,400

empathy uh you yeah yeah absolutely you

1270

00:46:37,990 --> 00:46:35,760

have empathy

1271

00:46:39,750 --> 00:46:38,000

you have to understand that

1272

00:46:42,550 --> 00:46:39,760

you know

1273

00:46:43,829 --> 00:46:42,560

the people who reach out

1274

00:46:46,230 --> 00:46:43,839

are

1275

00:46:48,150 --> 00:46:46,240

i couldn't do it i actually you know i

1276

00:46:51,349 --> 00:46:48,160

have had a couple settings and even when

1277

00:46:54,150 --> 00:46:51,359

i was messing for mufon and i had a case

1278

00:46:55,589 --> 00:46:54,160

i had a hard time reaching out and for

1279

00:46:57,030 --> 00:46:55,599

someone to reach out and to tell their

1280

00:46:58,150 --> 00:46:57,040

story

1281

00:46:59,990 --> 00:46:58,160

you know

1282

00:47:01,990 --> 00:47:00,000

better than i could do and that's

1283

00:47:04,390 --> 00:47:02,000

already more power to them and

1284

00:47:05,750 --> 00:47:04,400

i'm thankful for that because

1285

00:47:11,190 --> 00:47:05,760

again

1286

00:47:13,190 --> 00:47:11,200

treating this with empathy because

1287

00:47:15,430 --> 00:47:13,200

this stuff can change

1288

00:47:18,309 --> 00:47:15,440

your mind said uh you know i can blow

1289

00:47:20,710 --> 00:47:18,319

your reality away which um

1290

00:47:22,630 --> 00:47:20,720

it's hard you gotta be very careful and

1291

00:47:23,430 --> 00:47:22,640

handle with almost like kid gloves and

1292

00:47:25,589 --> 00:47:23,440

just

1293

00:47:27,430 --> 00:47:25,599

have them trust you and and

1294

00:47:29,349 --> 00:47:27,440

and show that you understand them even

1295

00:47:31,510 --> 00:47:29,359

if it even if i didn't

1296

00:47:34,470 --> 00:47:31,520

have a bigfoot encounter i could talk to

1297

00:47:36,470 --> 00:47:34,480

someone who did and and understand that

1298

00:47:37,750 --> 00:47:36,480

that you know their mindset and

1299

00:47:41,030 --> 00:47:37,760

hopefully

1300

00:47:43,670 --> 00:47:41,040

help him any way i can yeah

1301

00:47:46,069 --> 00:47:43,680

uh more gaddy asked and this goes back

1302

00:47:47,750 --> 00:47:46,079

to uh bledsoe family again has bigfoot

1303

00:47:49,510 --> 00:47:47,760

or other crypt has been seen by the

1304

00:47:51,190 --> 00:47:49,520

bledsoe family

1305

00:47:53,990 --> 00:47:51,200

uh i'm sorry i was reading the chat say

1306

00:47:57,030 --> 00:47:54,000

that again uh she asked how

1307

00:47:58,790 --> 00:47:57,040

has bigfoot or other crypt has been seen

1308

00:48:01,349 --> 00:47:58,800

by the blitzers

1309

00:48:05,270 --> 00:48:01,359

oh i i don't know if

1310

00:48:07,910 --> 00:48:05,280

that has never come up i know that um

1311

00:48:10,309 --> 00:48:07,920

chris juniors and entities that uh we

1312

00:48:12,549 --> 00:48:10,319

saw the picture of these red-eyed uh

1313

00:48:14,790 --> 00:48:12,559

sort of silver beings

1314

00:48:17,109 --> 00:48:14,800

um

1315

00:48:19,670 --> 00:48:17,119

that i think was the closest they had

1316

00:48:21,349 --> 00:48:19,680

really come to any kind of uh being

1317

00:48:22,150 --> 00:48:21,359

encounter other than crisping on the

1318

00:48:24,230 --> 00:48:22,160

ship

1319

00:48:25,750 --> 00:48:24,240

all right also i have a theory about

1320

00:48:26,710 --> 00:48:25,760

those uh

1321

00:48:32,309 --> 00:48:26,720

those

1322

00:48:34,390 --> 00:48:32,319

hanging around chris jr

1323

00:48:36,630 --> 00:48:34,400

when chris had regression

1324

00:48:39,030 --> 00:48:36,640

and you can find this uh there's there's

1325

00:48:41,430 --> 00:48:39,040

sort of a

1326

00:48:44,069 --> 00:48:41,440

you know um

1327

00:48:45,349 --> 00:48:44,079

it's printed out of his full regression

1328

00:48:49,990 --> 00:48:45,359

he's

1329

00:48:51,750 --> 00:48:50,000

and you know the the entities in the

1330

00:48:53,670 --> 00:48:51,760

ship saying he's okay

1331

00:48:57,270 --> 00:48:53,680

i feel like these things were like

1332

00:49:04,790 --> 00:48:59,430

interesting you know i i i remember

1333

00:49:09,750 --> 00:49:05,750

yeah

1334

00:49:10,790 --> 00:49:09,760

they didn't harm him

1335

00:49:12,870 --> 00:49:10,800

they uh

1336

00:49:15,109 --> 00:49:12,880

what freaked him out was

1337

00:49:17,270 --> 00:49:15,119

the you know gazing into these red eyes

1338

00:49:18,390 --> 00:49:17,280

which were almost he said like like uh

1339

00:49:20,309 --> 00:49:18,400

old uh

1340

00:49:21,750 --> 00:49:20,319

lenses that would like shutters that

1341

00:49:24,230 --> 00:49:21,760

would go up and down like that i don't

1342

00:49:26,069 --> 00:49:24,240

know if that's blinking or what but

1343

00:49:28,710 --> 00:49:26,079

um

1344

00:49:32,230 --> 00:49:30,150

it's hard for him to talk about it when

1345

00:49:35,750 --> 00:49:32,240

we had yeah that picture i mean seeing

1346

00:49:38,790 --> 00:49:35,760

that at his age he was like 17

1347

00:49:40,630 --> 00:49:38,800

again uh had his world blown on the back

1348

00:49:44,069 --> 00:49:40,640

of his head um

1349

00:49:45,829 --> 00:49:44,079

and him and i are very close and he and

1350

00:49:47,670 --> 00:49:45,839

the whole family but him especially he's

1351

00:49:49,349 --> 00:49:47,680

there's a sweet you can tell he's a

1352

00:49:50,309 --> 00:49:49,359

sweet soul

1353

00:49:51,589 --> 00:49:50,319

um

1354

00:49:56,829 --> 00:49:51,599

and

1355

00:50:01,990 --> 00:49:56,839

i'm not going to show it because i

1356

00:50:06,309 --> 00:50:03,990

that's that's him that that was the

1357

00:50:07,109 --> 00:50:06,319

experience um

1358

00:50:08,630 --> 00:50:07,119

but

1359

00:50:11,349 --> 00:50:08,640

when he talked about it i broke down

1360

00:50:14,549 --> 00:50:11,359

crying along with his sister she held

1361

00:50:18,870 --> 00:50:14,559

him because

1362

00:50:20,790 --> 00:50:18,880

as as an actor i i study human behavior

1363

00:50:22,710 --> 00:50:20,800

and i try to mimic it as best i could

1364

00:50:24,790 --> 00:50:22,720

i'm watching this guy

1365

00:50:26,790 --> 00:50:24,800

and i'm feeling every word he's saying

1366

00:50:28,870 --> 00:50:26,800

and it just

1367

00:50:29,829 --> 00:50:28,880

dumped on me and i couldn't help but cry

1368

00:50:30,549 --> 00:50:29,839

because

1369

00:50:32,470 --> 00:50:30,559

i'm just thinking about the

1370

00:50:34,069 --> 00:50:32,480

seven-year-old kid who was hanging out

1371

00:50:36,630 --> 00:50:34,079

having fun playing football fishing and

1372

00:50:37,750 --> 00:50:36,640

then all of a sudden

1373

00:50:39,670 --> 00:50:37,760

his

1374

00:50:40,790 --> 00:50:39,680

everything he knew

1375

00:50:41,990 --> 00:50:40,800

was

1376

00:50:43,910 --> 00:50:42,000

changed

1377

00:50:45,270 --> 00:50:43,920

and and i always say this too but after

1378

00:50:46,870 --> 00:50:45,280

my experience

1379

00:50:49,030 --> 00:50:46,880

people ask me oh like how do you feel i

1380

00:50:50,470 --> 00:50:49,040

said well you know how your parents tell

1381

00:50:52,069 --> 00:50:50,480

you they're santa claus and like three

1382

00:50:53,910 --> 00:50:52,079

or four years old you find out that five

1383

00:50:55,030 --> 00:50:53,920

years old he's not real well imagine

1384

00:50:57,270 --> 00:50:55,040

you're four years old and you go down

1385

00:50:58,790 --> 00:50:57,280

the stairs and you see that fat old man

1386

00:51:00,390 --> 00:50:58,800

put presents on your tree and you're

1387

00:51:02,790 --> 00:51:00,400

like oh my god santa's real that's how i

1388

00:51:03,589 --> 00:51:02,800

felt about this whole thing that you

1389

00:51:05,990 --> 00:51:03,599

know

1390

00:51:06,950 --> 00:51:06,000

it's only that i can sort of correlate

1391

00:51:09,190 --> 00:51:06,960

that to

1392

00:51:10,549 --> 00:51:09,200

but i couldn't imagine being 17

1393

00:51:12,710 --> 00:51:10,559

and just

1394

00:51:14,390 --> 00:51:12,720

sitting face to face with this thing i

1395

00:51:17,430 --> 00:51:14,400

think i think there was two i think

1396

00:51:19,190 --> 00:51:17,440

there was two maybe three but um

1397

00:51:20,790 --> 00:51:19,200

you know and i i

1398

00:51:22,309 --> 00:51:20,800

i asked them

1399

00:51:25,109 --> 00:51:22,319

did you think it was they were there to

1400

00:51:26,390 --> 00:51:25,119

scare you or and he said no

1401

00:51:28,150 --> 00:51:26,400

i don't think they

1402

00:51:29,750 --> 00:51:28,160

they understand that they're they can be

1403

00:51:32,630 --> 00:51:29,760

very scary

1404

00:51:33,829 --> 00:51:32,640

if you're not prepared

1405

00:51:35,670 --> 00:51:33,839

yeah

1406

00:51:38,950 --> 00:51:35,680

well like nancy says on here you're an

1407

00:51:41,190 --> 00:51:38,960

empath and it's pretty obvious and um

1408

00:51:43,910 --> 00:51:41,200

yeah well that's one reason why i became

1409

00:51:44,790 --> 00:51:43,920

an actor i've always i wear my heart my

1410

00:51:47,829 --> 00:51:44,800

sleeve

1411

00:51:50,470 --> 00:51:47,839

and i'm so emotional but and it's it's

1412

00:51:53,670 --> 00:51:50,480

hard it really is hard but also i

1413

00:51:56,069 --> 00:51:53,680

wouldn't trade for anything because um

1414

00:51:58,549 --> 00:51:56,079

it's just i feel like i get

1415

00:51:59,430 --> 00:51:58,559

i just get people or try at least try to

1416

00:52:04,150 --> 00:51:59,440

um

1417

00:52:06,230 --> 00:52:04,160

i love just talking to people i think

1418

00:52:07,990 --> 00:52:06,240

we've learned so much and we never

1419

00:52:09,750 --> 00:52:08,000

really have

1420

00:52:11,430 --> 00:52:09,760

in-depth conversations anymore it's a

1421

00:52:12,870 --> 00:52:11,440

lot of superficial hey how's the weather

1422

00:52:14,390 --> 00:52:12,880

but not like

1423

00:52:16,790 --> 00:52:14,400

tell me something about you tell me your

1424

00:52:18,470 --> 00:52:16,800

secrets tell me you know let me in and

1425

00:52:19,910 --> 00:52:18,480

and i think people are just afraid to

1426
00:52:22,230 --> 00:52:19,920
have that type of conversation but i'm

1427
00:52:23,510 --> 00:52:22,240
all for it you know and that's why i you

1428
00:52:26,950 --> 00:52:23,520
know

1429
00:52:28,790 --> 00:52:26,960
talking sorry no no i i shut me up it

1430
00:52:30,470 --> 00:52:28,800
shut me up no you're okay

1431
00:52:32,950 --> 00:52:30,480
nancy also said finding other

1432
00:52:35,270 --> 00:52:32,960
experiences experiences are such a

1433
00:52:37,349 --> 00:52:35,280
relief it's such early finding other

1434
00:52:42,470 --> 00:52:37,359
people you know basically yeah they've

1435
00:52:47,510 --> 00:52:44,470
it can be a burden i mean there's no

1436
00:52:49,430 --> 00:52:47,520
doubt about that yeah it can be a burden

1437
00:52:50,950 --> 00:52:49,440
i um

1438
00:52:52,950 --> 00:52:50,960

you know that's something i realized

1439

00:52:54,549 --> 00:52:52,960

from the very beginning you know

1440

00:52:57,030 --> 00:52:54,559

um yeah

1441

00:53:00,549 --> 00:52:57,040

i kind of i'm the same way when i got in

1442

00:53:02,549 --> 00:53:00,559

to get into a case

1443

00:53:03,990 --> 00:53:02,559

and you get to know the uh the

1444

00:53:05,750 --> 00:53:04,000

individuals

1445

00:53:07,190 --> 00:53:05,760

uh the families it's a family and you

1446

00:53:08,790 --> 00:53:07,200

get to know the individuals you know

1447

00:53:11,270 --> 00:53:08,800

what they're going through

1448

00:53:12,230 --> 00:53:11,280

you're talking to them all the time you

1449

00:53:14,790 --> 00:53:12,240

know

1450

00:53:17,190 --> 00:53:14,800

and uh

1451

00:53:19,829 --> 00:53:17,200

you know you start you start feeling

1452

00:53:21,910 --> 00:53:19,839

what's going on you connect

1453

00:53:24,790 --> 00:53:21,920

yeah that has happened to me so many

1454

00:53:25,910 --> 00:53:24,800

times i i try not to let them down

1455

00:53:28,950 --> 00:53:25,920

you know you just don't want to let them

1456

00:53:30,630 --> 00:53:28,960

down you want to do well yeah

1457

00:53:33,510 --> 00:53:30,640

yeah i mean there have been

1458

00:53:35,349 --> 00:53:33,520

there have been times when

1459

00:53:37,829 --> 00:53:35,359

i i would literally just tell them you

1460

00:53:40,950 --> 00:53:37,839

know i'm 24 7. something happens in the

1461

00:53:43,510 --> 00:53:40,960

middle of night give me a call

1462

00:53:45,109 --> 00:53:43,520

my wife wasn't thrilled about it but

1463

00:53:46,790 --> 00:53:45,119

you know that that's what i was doing

1464

00:53:47,670 --> 00:53:46,800

that was part of what i was involved

1465

00:53:50,549 --> 00:53:47,680

with

1466

00:53:57,030 --> 00:53:54,309

so i i understand i do understand yeah

1467

00:53:58,950 --> 00:53:57,040

um

1468

00:54:00,549 --> 00:53:58,960

go ahead oh sorry

1469

00:54:03,109 --> 00:54:00,559

i've been experiencing these things

1470

00:54:04,950 --> 00:54:03,119

since i was four years old so it's to

1471

00:54:06,549 --> 00:54:04,960

have someone else sit there and go this

1472

00:54:10,150 --> 00:54:06,559

is my experience and you look at them

1473

00:54:12,549 --> 00:54:10,160

and you're like so i'm not crazy yes you

1474

00:54:14,069 --> 00:54:12,559

hug me it's like you feel that rush that

1475

00:54:17,430 --> 00:54:14,079

like

1476
00:54:19,510 --> 00:54:17,440
weight taking off you you know yeah

1477
00:54:21,510 --> 00:54:19,520
yeah that's beautiful

1478
00:54:23,270 --> 00:54:21,520
change once i mean uh james vincent

1479
00:54:25,510 --> 00:54:23,280
wants to know have you ever had dreams

1480
00:54:28,630 --> 00:54:25,520
since your experience with a dog man

1481
00:54:30,950 --> 00:54:28,640
oh yeah for the longest time um and

1482
00:54:32,150 --> 00:54:30,960
periodically still i've had night

1483
00:54:34,390 --> 00:54:32,160
terrors

1484
00:54:36,230 --> 00:54:34,400
and um

1485
00:54:37,910 --> 00:54:36,240
nightmares night terrors whatever you

1486
00:54:39,430 --> 00:54:37,920
want to call them i just remember waking

1487
00:54:42,150 --> 00:54:39,440
up

1488
00:54:44,390 --> 00:54:42,160

in a puddle of cold sweat

1489

00:54:45,750 --> 00:54:44,400

and uh

1490

00:54:48,150 --> 00:54:45,760

you just keep

1491

00:54:50,390 --> 00:54:48,160

having a recurring

1492

00:54:53,510 --> 00:54:50,400

dream or nightmare of this thing in

1493

00:54:54,950 --> 00:54:53,520

front of you and it it changes sometimes

1494

00:54:58,549 --> 00:54:54,960

it'll be it

1495

00:54:59,750 --> 00:54:58,559

attacks you sometimes it doesn't

1496

00:55:02,230 --> 00:54:59,760

but

1497

00:55:04,390 --> 00:55:02,240

the the the first experience was bad

1498

00:55:07,829 --> 00:55:04,400

enough but the second one when i

1499

00:55:09,670 --> 00:55:07,839

actually had physical contact with it

1500

00:55:11,750 --> 00:55:09,680

it

1501
00:55:14,470 --> 00:55:11,760
i mean like i i still have dreams about

1502
00:55:16,549 --> 00:55:14,480
it they're just not as violent as they

1503
00:55:18,870 --> 00:55:16,559
were but i still have dreams just like

1504
00:55:20,230 --> 00:55:18,880
if you know you were playing you were

1505
00:55:21,910 --> 00:55:20,240
just say you're a football player you

1506
00:55:23,750 --> 00:55:21,920
know you won the big game you scored the

1507
00:55:26,230 --> 00:55:23,760
winning touchdown well you have that

1508
00:55:27,670 --> 00:55:26,240
dream of scoring that touchdown over and

1509
00:55:30,230 --> 00:55:27,680
over throughout your life

1510
00:55:31,589 --> 00:55:30,240
and that's kind of the same thing

1511
00:55:35,109 --> 00:55:31,599
was

1512
00:55:37,349 --> 00:55:35,119
and still is that i'll still get that

1513
00:55:38,630 --> 00:55:37,359

feeling i mean my girlfriend she

1514

00:55:40,150 --> 00:55:38,640

sometimes she

1515

00:55:41,670 --> 00:55:40,160

shakes me awake and says my god i

1516

00:55:42,950 --> 00:55:41,680

thought you were you're gonna kill me in

1517

00:55:44,230 --> 00:55:42,960

your sleep because you're throwing

1518

00:55:47,589 --> 00:55:44,240

punches and

1519

00:55:48,390 --> 00:55:47,599

grabbing and screaming and yelling

1520

00:55:50,150 --> 00:55:48,400

and

1521

00:55:51,990 --> 00:55:50,160

i'm not even aware i'm doing it until i

1522

00:55:53,589 --> 00:55:52,000

wake up from it you know but yeah

1523

00:55:55,589 --> 00:55:53,599

definitely

1524

00:55:58,069 --> 00:55:55,599

and like i said i still i still get them

1525

00:55:59,829 --> 00:55:58,079

now just not as often ever since i

1526
00:56:01,510 --> 00:55:59,839
opened up about it and started talking

1527
00:56:03,829 --> 00:56:01,520
about it it

1528
00:56:07,030 --> 00:56:03,839
they've been getting less and less

1529
00:56:10,710 --> 00:56:08,870
all right again go a little

1530
00:56:13,030 --> 00:56:10,720
deeper into what you've experienced in

1531
00:56:15,589 --> 00:56:13,040
your life as far as um

1532
00:56:18,309 --> 00:56:15,599
entities and uh and

1533
00:56:20,470 --> 00:56:18,319
sensing things and such

1534
00:56:23,829 --> 00:56:20,480
oh my gosh where do you want me to start

1535
00:56:27,349 --> 00:56:23,839
i mean start from where you were yeah

1536
00:56:30,870 --> 00:56:27,359
um so i guess the the best way to start

1537
00:56:32,230 --> 00:56:30,880
is when i was about i'm gonna say four

1538
00:56:33,829 --> 00:56:32,240

or so

1539

00:56:35,589 --> 00:56:33,839

um i was

1540

00:56:38,710 --> 00:56:35,599

you know doing what all little kids do

1541

00:56:40,230 --> 00:56:38,720

and i i vividly remember running through

1542

00:56:42,470 --> 00:56:40,240

the dining room and somebody just

1543

00:56:44,630 --> 00:56:42,480

basically saying hey you need to go the

1544

00:56:46,789 --> 00:56:44,640

window and watch this

1545

00:56:49,510 --> 00:56:46,799

and i just i didn't see anybody but i

1546

00:56:50,950 --> 00:56:49,520

thought sure i'm just i'm gonna go it's

1547

00:56:52,470 --> 00:56:50,960

an opportunity to climb up where i'm not

1548

00:56:55,190 --> 00:56:52,480

supposed to be

1549

00:56:56,470 --> 00:56:55,200

um i climbed up on this windowsill and

1550

00:56:58,150 --> 00:56:56,480

it was like

1551
00:56:59,270 --> 00:56:58,160
i guess a bay window where you could sit

1552
00:57:01,349 --> 00:56:59,280
up on there because they were built in

1553
00:57:03,349 --> 00:57:01,359
bookcases and you could look across the

1554
00:57:05,990 --> 00:57:03,359
park and to the other houses

1555
00:57:07,190 --> 00:57:06,000
climbed up there and i was looking out

1556
00:57:09,030 --> 00:57:07,200
and

1557
00:57:11,190 --> 00:57:09,040
the there was a park in the middle so it

1558
00:57:12,950 --> 00:57:11,200
was like the houses were very far apart

1559
00:57:15,349 --> 00:57:12,960
you couldn't see in the

1560
00:57:17,190 --> 00:57:15,359
someone else's house so when i sat up

1561
00:57:19,589 --> 00:57:17,200
there i looked out the window in the

1562
00:57:21,589 --> 00:57:19,599
house directly across there was

1563
00:57:23,829 --> 00:57:21,599

you know i could see like it was like a

1564

00:57:25,670 --> 00:57:23,839

blind and there was a man he was

1565

00:57:26,549 --> 00:57:25,680

climbing up on the ladder

1566

00:57:30,150 --> 00:57:26,559

and

1567

00:57:32,630 --> 00:57:30,160

long story short he hung himself

1568

00:57:34,230 --> 00:57:32,640

i wasn't very phased because my mom had

1569

00:57:36,549 --> 00:57:34,240

come home at that time and something was

1570

00:57:38,950 --> 00:57:36,559

like i have to tell her i saw this i

1571

00:57:41,670 --> 00:57:38,960

have to tell her so i ran and i told her

1572

00:57:43,109 --> 00:57:41,680

and my grandmother came from the kitchen

1573

00:57:45,510 --> 00:57:43,119

and my mom just looked her and she's

1574

00:57:47,190 --> 00:57:45,520

like what have you been laying her watch

1575

00:57:50,309 --> 00:57:47,200

my camera there's like nothing she's

1576

00:57:51,589 --> 00:57:50,319

been playing and i'm like no no he i'm

1577

00:57:53,190 --> 00:57:51,599

not gonna say the person's name he had

1578

00:57:54,470 --> 00:57:53,200

hung himself like i knew who the

1579

00:57:57,109 --> 00:57:54,480

neighbor was

1580

00:57:59,430 --> 00:57:57,119

and i was very adamant about it and you

1581

00:58:01,670 --> 00:57:59,440

know my mom was like just go play and a

1582

00:58:03,430 --> 00:58:01,680

few minutes later there were sirens

1583

00:58:05,670 --> 00:58:03,440

there was screaming

1584

00:58:07,910 --> 00:58:05,680

and my mom and grandma just like looked

1585

00:58:09,430 --> 00:58:07,920

at me and my mom went outside to find

1586

00:58:10,870 --> 00:58:09,440

out what was going on

1587

00:58:11,990 --> 00:58:10,880

and she came back in and she said

1588

00:58:13,190 --> 00:58:12,000

something my grandmother and she's like

1589

00:58:15,510 --> 00:58:13,200

you're to keep her in the house for a

1590

00:58:18,549 --> 00:58:15,520

while

1591

00:58:20,789 --> 00:58:18,559

and everything will be okay we're not to

1592

00:58:23,829 --> 00:58:20,799

talk about this

1593

00:58:30,470 --> 00:58:25,109

yeah

1594

00:58:33,190 --> 00:58:30,480

and i i mean i can still see it today

1595

00:58:35,430 --> 00:58:33,200

you know and it was it was a reoccurring

1596

00:58:37,430 --> 00:58:35,440

it was a reoccurring thing in that house

1597

00:58:38,710 --> 00:58:37,440

that i i had seen things

1598

00:58:41,030 --> 00:58:38,720

you know

1599

00:58:43,270 --> 00:58:41,040

there was um

1600

00:58:46,710 --> 00:58:43,280

but it's just not the house that's you i

1601
00:58:49,430 --> 00:58:46,720
mean if you you see stuff now that you

1602
00:58:51,270 --> 00:58:49,440
know others can't see and uh

1603
00:58:54,630 --> 00:58:51,280
yeah

1604
00:58:56,309 --> 00:58:54,640
we went to buy this house i looked

1605
00:58:59,510 --> 00:58:56,319
around and i'm just like

1606
00:59:01,109 --> 00:58:59,520
so where's your son because i i saw

1607
00:59:02,630 --> 00:59:01,119
there was a few small things but i'm

1608
00:59:04,789 --> 00:59:02,640
just like because i could tell there was

1609
00:59:07,109 --> 00:59:04,799
a boy here and they're like oh well he's

1610
00:59:09,349 --> 00:59:07,119
deceased and i was thinking to myself oh

1611
00:59:11,910 --> 00:59:09,359
oh great you know

1612
00:59:13,750 --> 00:59:11,920
but after we moved in i i felt like

1613
00:59:16,069 --> 00:59:13,760

something was watching me

1614

00:59:17,430 --> 00:59:16,079

and i was pregnant at the time

1615

00:59:22,390 --> 00:59:17,440

and

1616

00:59:24,230 --> 00:59:22,400

normally goes to work very early

1617

00:59:26,789 --> 00:59:24,240

and i was here talking

1618

00:59:29,190 --> 00:59:26,799

i would hear like there was a party

1619

00:59:30,950 --> 00:59:29,200

and i'm just saying they're like no no

1620

00:59:33,910 --> 00:59:30,960

no no i'm not i'm not gonna listen i'm

1621

00:59:36,230 --> 00:59:33,920

not gonna you know put up with it

1622

00:59:38,069 --> 00:59:36,240

and it kept going and going and every

1623

00:59:39,670 --> 00:59:38,079

now and then he would hear it

1624

00:59:41,430 --> 00:59:39,680

it would it wouldn't be as bad but he

1625

00:59:44,309 --> 00:59:41,440

would hear it and he's like it's the

1626

00:59:47,270 --> 00:59:44,319

neighbors tv i'm like no it's not it's

1627

00:59:50,309 --> 00:59:47,280

it's not the neighbors tv i'd swear

1628

00:59:51,349 --> 00:59:50,319

so this past year it it got so much

1629

00:59:53,910 --> 00:59:51,359

worse

1630

00:59:55,910 --> 00:59:53,920

it it got to the point where he was

1631

00:59:58,710 --> 00:59:55,920

in the shower and this was

1632

01:00:00,230 --> 00:59:58,720

in the afternoon and you could hear it

1633

01:00:01,589 --> 01:00:00,240

and he would come down the steps and the

1634

01:00:03,190 --> 01:00:01,599

tv would be off and i'd be staying in

1635

01:00:05,190 --> 01:00:03,200

the kitchen and be like

1636

01:00:07,270 --> 01:00:05,200

he's like why is the tv still out i'm

1637

01:00:09,109 --> 01:00:07,280

like that is not the tv

1638

01:00:12,710 --> 01:00:09,119

go in the living room he would go

1639

01:00:17,030 --> 01:00:12,720

charging in the living room tv wasn't on

1640

01:00:20,309 --> 01:00:18,470

yeah you did

1641

01:00:23,030 --> 01:00:20,319

yeah it's just like followed me my

1642

01:00:25,190 --> 01:00:23,040

entire life and it seemed

1643

01:00:27,589 --> 01:00:25,200

thinking back it seemed to have followed

1644

01:00:30,710 --> 01:00:27,599

my mom a lot too

1645

01:00:33,270 --> 01:00:30,720

it seems to have been a generational

1646

01:00:35,430 --> 01:00:33,280

type of thing because

1647

01:00:37,270 --> 01:00:35,440

there were things she saw and and the

1648

01:00:39,109 --> 01:00:37,280

way she acted over some things where i

1649

01:00:43,190 --> 01:00:39,119

could tell she experienced things but

1650

01:00:46,950 --> 01:00:45,510

so it's just yeah well i i you know i'm

1651

01:00:49,270 --> 01:00:46,960

um

1652

01:00:52,630 --> 01:00:49,280

i don't have anybody in my family that

1653

01:00:54,829 --> 01:00:52,640

has any ability that i know of and uh

1654

01:00:56,470 --> 01:00:54,839

i i kept all this stuff to myself for

1655

01:00:58,630 --> 01:00:56,480

years

1656

01:00:59,670 --> 01:00:58,640

and uh i never really told any of them

1657

01:01:01,190 --> 01:00:59,680

about it

1658

01:01:03,990 --> 01:01:01,200

you know i think it was just his best

1659

01:01:05,109 --> 01:01:04,000

just the best anyway so

1660

01:01:05,910 --> 01:01:05,119

yeah

1661

01:01:08,150 --> 01:01:05,920

and

1662

01:01:09,829 --> 01:01:08,160

that's how my mom was my mom was like we

1663

01:01:11,109 --> 01:01:09,839

we don't talk about this stuff this is

1664

01:01:13,829 --> 01:01:11,119

what happens

1665

01:01:16,150 --> 01:01:13,839

there was this one time we went to we

1666

01:01:19,430 --> 01:01:16,160

had lived in fayette county

1667

01:01:22,230 --> 01:01:19,440

and we were going into the kmart and

1668

01:01:24,789 --> 01:01:22,240

there was something above the kmart

1669

01:01:28,230 --> 01:01:24,799

it was like this

1670

01:01:30,950 --> 01:01:28,240

cigar-shaped thing and it was vibrating

1671

01:01:32,309 --> 01:01:30,960

and i saw it and there were people on my

1672

01:01:33,910 --> 01:01:32,319

left i was about

1673

01:01:35,670 --> 01:01:33,920

17

1674

01:01:38,069 --> 01:01:35,680

and it was a man and woman they were

1675

01:01:39,670 --> 01:01:38,079

talking and they they saw it and they

1676

01:01:42,069 --> 01:01:39,680

were talking and like playing at and i

1677

01:01:44,470 --> 01:01:42,079

stopped my mom like look at that but do

1678

01:01:45,910 --> 01:01:44,480

you see that and she's like i see it and

1679

01:01:47,910 --> 01:01:45,920

like we were standing there a minute and

1680

01:01:49,829 --> 01:01:47,920

i'm like that's so cool like i didn't

1681

01:01:51,430 --> 01:01:49,839

know what it was i was like

1682

01:01:54,630 --> 01:01:51,440

what is it and she's like we're going in

1683

01:01:59,670 --> 01:01:56,870

she dragged me like she literally held

1684

01:02:02,390 --> 01:01:59,680

my arm my shoulder and dragged me

1685

01:02:03,990 --> 01:02:02,400

and i'm like what was that like that was

1686

01:02:05,829 --> 01:02:04,000

i want to go back out and she's like no

1687

01:02:07,829 --> 01:02:05,839

you're going to stay here she's very

1688

01:02:09,510 --> 01:02:07,839

angry about it and i'm like

1689

01:02:11,190 --> 01:02:09,520

okay like

1690

01:02:13,510 --> 01:02:11,200

don't you want like what is don't you

1691

01:02:14,789 --> 01:02:13,520

wanna know what it is you're very nosy

1692

01:02:16,870 --> 01:02:14,799

she's like

1693

01:02:18,789 --> 01:02:16,880

we're not gonna go find out like she oh

1694

01:02:20,150 --> 01:02:18,799

my god she just knows this person alive

1695

01:02:21,670 --> 01:02:20,160

but

1696

01:02:23,270 --> 01:02:21,680

she did not want to know what that

1697

01:02:25,029 --> 01:02:23,280

wasn't that just like

1698

01:02:26,710 --> 01:02:25,039

there was they set off the alarm bells

1699

01:02:29,109 --> 01:02:26,720

that she didn't want to stay out there

1700

01:02:31,829 --> 01:02:29,119

but those right it's like no one else

1701

01:02:33,430 --> 01:02:31,839

but those people in us you know noticed

1702

01:02:35,750 --> 01:02:33,440

it

1703

01:02:37,589 --> 01:02:35,760

you know and then do you think uh do you

1704

01:02:40,309 --> 01:02:37,599

think your mother had a bad experience

1705

01:02:45,109 --> 01:02:42,150

i think so

1706

01:02:46,870 --> 01:02:45,119

this is why it's important when we have

1707

01:02:48,390 --> 01:02:46,880

outlets to talk about this stuff because

1708

01:02:50,549 --> 01:02:48,400

it can just

1709

01:02:52,630 --> 01:02:50,559

it's trauma i mean you know and people

1710

01:02:53,829 --> 01:02:52,640

need to release this trauma in one way

1711

01:02:55,510 --> 01:02:53,839

or another and

1712

01:02:56,710 --> 01:02:55,520

there's no one there to listen or

1713

01:02:59,990 --> 01:02:56,720

believe them and it's just going to make

1714

01:03:01,829 --> 01:03:00,000

it's going to compound all the um

1715

01:03:03,750 --> 01:03:01,839

feelings you get it and it just you know

1716

01:03:04,870 --> 01:03:03,760

resent it right and then you'll start

1717

01:03:06,870 --> 01:03:04,880

you know and then

1718

01:03:08,630 --> 01:03:06,880

denying it

1719

01:03:14,069 --> 01:03:08,640

yeah

1720

01:03:15,510 --> 01:03:14,079

and there are so many people out there

1721

01:03:16,870 --> 01:03:15,520

that are experiencing all kinds of

1722

01:03:18,470 --> 01:03:16,880

things and

1723

01:03:21,990 --> 01:03:18,480

they just don't understand what's going

1724

01:03:26,230 --> 01:03:24,630

we got we got a couple cases this past

1725

01:03:28,309 --> 01:03:26,240

two weeks uh

1726

01:03:30,950 --> 01:03:28,319

one up in wisconsin

1727

01:03:35,109 --> 01:03:30,960

and they uh

1728

01:03:37,029 --> 01:03:35,119

another one where and where was that

1729

01:03:39,910 --> 01:03:37,039

down in kentucky

1730

01:03:43,349 --> 01:03:39,920

uh lots of stuff that the witnesses

1731

01:03:45,589 --> 01:03:43,359

experiences have no idea what's going on

1732

01:03:47,990 --> 01:03:45,599

and uh you kind of got to take them by

1733

01:03:49,670 --> 01:03:48,000

the hand but

1734

01:03:50,710 --> 01:03:49,680

fortunately when you have somebody on

1735

01:03:52,630 --> 01:03:50,720

team

1736

01:03:54,150 --> 01:03:52,640

who who understands it who's been

1737

01:03:56,069 --> 01:03:54,160

involved with something like that it

1738

01:03:58,950 --> 01:03:56,079

makes a lot easier

1739

01:04:00,309 --> 01:03:58,960

and uh you know

1740

01:04:01,829 --> 01:04:00,319

yeah

1741

01:04:03,510 --> 01:04:01,839

so folks if you got any ques we're going

1742

01:04:05,510 --> 01:04:03,520

for another half an hour so folks if you

1743

01:04:07,270 --> 01:04:05,520

have another questions please put them

1744

01:04:08,390 --> 01:04:07,280

up there and uh we'll try to get them

1745

01:04:10,710 --> 01:04:08,400

answered

1746

01:04:14,069 --> 01:04:10,720

um

1747

01:04:17,430 --> 01:04:16,069

you know and i was talking i was talking

1748

01:04:20,069 --> 01:04:17,440

to kid about

1749

01:04:22,789 --> 01:04:20,079

about the chicago mothman

1750

01:04:25,029 --> 01:04:22,799

wing humanoids ultra-terrestrials and i

1751

01:04:26,950 --> 01:04:25,039

know jennifer did explain to you what

1752

01:04:27,670 --> 01:04:26,960

our theories are as to what these things

1753

01:04:36,230 --> 01:04:27,680

are

1754

01:04:47,430 --> 01:04:38,470

i

1755

01:04:50,150 --> 01:04:47,440

and uh we've had a couple other people

1756

01:04:52,230 --> 01:04:50,160

on the team who have had experiences

1757

01:04:55,190 --> 01:04:52,240

so i believe kit that

1758

01:04:57,430 --> 01:04:55,200

as you go on with this and you you

1759

01:04:59,589 --> 01:04:57,440

you'll start experiencing more

1760

01:05:01,190 --> 01:04:59,599

i don't know what it is about me because

1761

01:05:03,270 --> 01:05:01,200

i don't seem to be able to connect with

1762

01:05:05,270 --> 01:05:03,280

them that well for whatever reason maybe

1763

01:05:07,510 --> 01:05:05,280

it's just me

1764

01:05:09,750 --> 01:05:07,520

but um

1765

01:05:11,510 --> 01:05:09,760

i hope you're able to i hope you're able

1766

01:05:13,430 --> 01:05:11,520

to connect and uh

1767

01:05:17,510 --> 01:05:13,440

help us find some answers

1768

01:05:23,109 --> 01:05:20,230

yeah i i it's hard to say

1769

01:05:27,190 --> 01:05:23,119

i didn't i didn't put this um you know

1770

01:05:28,630 --> 01:05:27,200

on the phone and and talking out loud

1771

01:05:31,430 --> 01:05:28,640

to this

1772

01:05:33,190 --> 01:05:31,440

you know unseen one i

1773

01:05:34,150 --> 01:05:33,200

i felt silly i had to be honest i felt

1774

01:05:36,150 --> 01:05:34,160

silly

1775

01:05:37,510 --> 01:05:36,160

but i believed i didn't want to discount

1776

01:05:38,950 --> 01:05:37,520

it and and

1777

01:05:41,750 --> 01:05:38,960

she had said you know one of the things

1778

01:05:44,710 --> 01:05:41,760

you'll you'll feel maybe like a

1779

01:05:46,870 --> 01:05:44,720

stuffy ear and i swear to god and about

1780

01:05:49,109 --> 01:05:46,880

10 seconds after that

1781

01:05:51,109 --> 01:05:49,119

well at first i had like a chill go up

1782

01:05:53,270 --> 01:05:51,119

my right arm into my neck and then and

1783

01:05:55,270 --> 01:05:53,280

then about 10 seconds after that i had a

1784

01:05:56,789 --> 01:05:55,280

stuffy ear and i'm like i

1785

01:05:57,990 --> 01:05:56,799

is it my mind

1786

01:05:58,950 --> 01:05:58,000

doing this to me or just something

1787

01:06:01,990 --> 01:05:58,960

happening

1788

01:06:03,349 --> 01:06:02,000

but it doesn't matter because it happens

1789

01:06:04,870 --> 01:06:03,359

and

1790

01:06:06,789 --> 01:06:04,880

i i'm just getting tools thinking about

1791

01:06:09,349 --> 01:06:06,799

it now uh because

1792

01:06:11,750 --> 01:06:09,359

i can't explain that so

1793

01:06:15,190 --> 01:06:11,760

and then

1794

01:06:20,870 --> 01:06:18,549

i'm open very open to it now and yes i i

1795

01:06:22,870 --> 01:06:20,880

felt a little silly but now i feel silly

1796

01:06:24,710 --> 01:06:22,880

for feeling silly i guess but you don't

1797

01:06:26,069 --> 01:06:24,720

like again you don't know how to act or

1798

01:06:27,670 --> 01:06:26,079

react until

1799

01:06:29,990 --> 01:06:27,680

you're in that situation and i think

1800

01:06:34,470 --> 01:06:30,000

it's a little bit of leap of faith on

1801

01:06:39,270 --> 01:06:37,029

well you know

1802

01:06:41,829 --> 01:06:39,280

for years we had been looking into this

1803

01:06:43,829 --> 01:06:41,839

and uh we really had no clue as to

1804

01:06:45,190 --> 01:06:43,839

what's been going on but for whatever

1805

01:06:47,510 --> 01:06:45,200

reason

1806

01:06:49,430 --> 01:06:47,520

uh when all this started happening more

1807

01:06:52,549 --> 01:06:49,440

and more at the airport

1808

01:06:56,789 --> 01:06:54,870

then they just started making contact

1809

01:06:59,270 --> 01:06:56,799

and um

1810

01:07:00,870 --> 01:06:59,280

you know we're still in in the early

1811

01:07:02,630 --> 01:07:00,880

stages of this

1812

01:07:05,029 --> 01:07:02,640

i don't know how much they really trust

1813

01:07:06,870 --> 01:07:05,039

us i think they they trust members of

1814

01:07:08,470 --> 01:07:06,880

the team much more than they do

1815

01:07:10,470 --> 01:07:08,480

otherwise i don't think they like me too

1816

01:07:11,990 --> 01:07:10,480

much

1817

01:07:15,109 --> 01:07:12,000

but uh you know i don't know what did

1818

01:07:16,630 --> 01:07:15,119

you do to them i don't know i i i don't

1819

01:07:18,549 --> 01:07:16,640

know i don't know what the deal is with

1820

01:07:20,069 --> 01:07:18,559

me i mean maybe bernadette can answer

1821

01:07:21,349 --> 01:07:20,079

that but i don't know what the deal is

1822

01:07:22,230 --> 01:07:21,359

with me

1823

01:07:23,750 --> 01:07:22,240

uh

1824

01:07:25,670 --> 01:07:23,760

i don't know

1825

01:07:26,470 --> 01:07:25,680

that's not the case i think they like

1826

01:07:28,549 --> 01:07:26,480

you

1827

01:07:30,470 --> 01:07:28,559

i don't know they they i don't seem to

1828

01:07:31,910 --> 01:07:30,480

be able to open up to them as well as

1829

01:07:32,630 --> 01:07:31,920

others can

1830

01:07:35,670 --> 01:07:32,640

uh

1831

01:07:39,349 --> 01:07:37,349

so folks you got questions put it up

1832

01:07:42,549 --> 01:07:39,359

there we're uh you know

1833

01:07:44,470 --> 01:07:42,559

we're here to answer questions if um

1834

01:07:46,549 --> 01:07:44,480

you know as many you know we've been

1835

01:07:48,390 --> 01:07:46,559

looking into this dog man phenomena here

1836

01:07:50,390 --> 01:07:48,400

in pennsylvania we got some really weird

1837

01:07:52,789 --> 01:07:50,400

stuff i did post something

1838

01:07:54,950 --> 01:07:52,799

on the blog the other day about this

1839

01:07:58,069 --> 01:07:54,960

case um

1840

01:08:00,470 --> 01:07:58,079

oh lily pond have you ever heard of orbs

1841

01:08:01,670 --> 01:08:00,480

running along railroad tracks

1842

01:08:03,109 --> 01:08:01,680

you know

1843

01:08:04,870 --> 01:08:03,119

i don't know what it is about railroad

1844

01:08:07,589 --> 01:08:04,880

tracks but it seems to be a lot of weird

1845

01:08:09,510 --> 01:08:07,599

stuff associated with railroad tracks

1846

01:08:11,430 --> 01:08:09,520

uh

1847

01:08:14,230 --> 01:08:11,440

you know i had somebody tell me some one

1848

01:08:15,910 --> 01:08:14,240

time and i don't know how true this is

1849

01:08:17,990 --> 01:08:15,920

but they

1850

01:08:21,189 --> 01:08:18,000

they said that they believed that

1851
01:08:24,309 --> 01:08:21,199
railroad tracks

1852
01:08:25,269 --> 01:08:24,319
because of you know the metal and it's

1853
01:08:28,390 --> 01:08:25,279
it's

1854
01:08:30,789 --> 01:08:28,400
a constant travel area

1855
01:08:34,309 --> 01:08:30,799
and it's defined

1856
01:08:38,550 --> 01:08:34,319
maybe like an artificial ley line

1857
01:08:43,110 --> 01:08:39,990
what do you think about that you think

1858
01:08:43,120 --> 01:08:46,870
yeah i don't see why anything

1859
01:08:46,880 --> 01:08:50,070
yeah exactly

1860
01:08:55,189 --> 01:08:53,590
well you know energy the iron yeah that

1861
01:08:56,789 --> 01:08:55,199
that might be true too

1862
01:08:59,189 --> 01:08:56,799
yeah i know

1863
01:09:00,390 --> 01:08:59,199

yeah i i don't know i mean it's uh you

1864

01:09:02,550 --> 01:09:00,400

know there

1865

01:09:04,789 --> 01:09:02,560

all elements have

1866

01:09:07,189 --> 01:09:04,799

some type of energy and of course we

1867

01:09:08,550 --> 01:09:07,199

i've used crystals forever and i use it

1868

01:09:09,990 --> 01:09:08,560

in my work

1869

01:09:11,669 --> 01:09:10,000

and uh

1870

01:09:13,430 --> 01:09:11,679

we have several people on the team who

1871

01:09:17,269 --> 01:09:13,440

use crystals

1872

01:09:20,309 --> 01:09:18,709

you know

1873

01:09:21,269 --> 01:09:20,319

i guess you can use it for a lot of i

1874

01:09:23,590 --> 01:09:21,279

use it for

1875

01:09:25,910 --> 01:09:23,600

uh energy uh

1876

01:09:28,870 --> 01:09:25,920

magnifying when i'm doing a case or

1877

01:09:32,470 --> 01:09:28,880

doing an rv or something

1878

01:09:36,070 --> 01:09:32,480

uh libby wants to know can we talk

1879

01:09:37,990 --> 01:09:36,080

uh ways to protect ourselves oh well

1880

01:09:41,990 --> 01:09:38,000

that's a good question

1881

01:09:44,870 --> 01:09:42,000

i i i know what i do uh

1882

01:09:46,630 --> 01:09:44,880

i use the white light method basically i

1883

01:09:50,149 --> 01:09:46,640

i sense

1884

01:09:52,630 --> 01:09:50,159

that a a white light is extending from

1885

01:09:55,750 --> 01:09:52,640

my body

1886

01:09:57,830 --> 01:09:55,760

and and goes beyond the aura

1887

01:10:00,950 --> 01:09:57,840

and kind of shields me from

1888

01:10:02,950 --> 01:10:00,960

malevolency or energies or evil energies

1889

01:10:04,630 --> 01:10:02,960

or you know something that's there to

1890

01:10:06,149 --> 01:10:04,640

hurt me now people there's a lot of

1891

01:10:07,510 --> 01:10:06,159

people use a lot of different things

1892

01:10:10,950 --> 01:10:07,520

gold light

1893

01:10:13,189 --> 01:10:10,960

uh affirmations

1894

01:10:14,790 --> 01:10:13,199

even just using crystals or some type of

1895

01:10:17,669 --> 01:10:14,800

divination i you know i've heard them

1896

01:10:19,590 --> 01:10:17,679

all you know uh i guess for each person

1897

01:10:21,110 --> 01:10:19,600

it's easier to use the one that's best

1898

01:10:23,830 --> 01:10:21,120

for you some people

1899

01:10:25,030 --> 01:10:23,840

some people use their uh their chakras

1900

01:10:34,630 --> 01:10:25,040

uh

1901

01:10:37,350 --> 01:10:34,640

what do you use anything at bernadette

1902

01:10:39,669 --> 01:10:37,360

i use uh sea salt

1903

01:10:40,870 --> 01:10:39,679

oh okay

1904

01:10:47,350 --> 01:10:40,880

yeah

1905

01:10:49,990 --> 01:10:47,360

moms we don't talk about this we don't

1906

01:10:51,990 --> 01:10:50,000

do this that was her main thing like

1907

01:10:54,149 --> 01:10:52,000

sea salt like she would put it under my

1908

01:10:55,030 --> 01:10:54,159

mattress she would you know carry it on

1909

01:10:58,310 --> 01:10:55,040

her

1910

01:11:01,030 --> 01:10:58,320

learned that you know sometimes she

1911

01:11:03,350 --> 01:11:01,040

would line windowsills with it

1912

01:11:05,030 --> 01:11:03,360

and it's just like i i agree with lawn

1913

01:11:06,630 --> 01:11:05,040

there there had to have been something

1914

01:11:08,870 --> 01:11:06,640

there so

1915

01:11:12,149 --> 01:11:08,880

you know i as an avid fisherman when i

1916

01:11:13,590 --> 01:11:12,159

go out on the water of the ocean

1917

01:11:15,830 --> 01:11:13,600

i always feel

1918

01:11:17,910 --> 01:11:15,840

rejuvenated refreshed and a lot of my

1919

01:11:19,590 --> 01:11:17,920

inspiration comes from being

1920

01:11:21,189 --> 01:11:19,600

near salt water

1921

01:11:22,630 --> 01:11:21,199

that's why that was very interesting you

1922

01:11:24,149 --> 01:11:22,640

said that

1923

01:11:26,070 --> 01:11:24,159

um so yeah i think it has something to

1924

01:11:28,229 --> 01:11:26,080

do with it

1925

01:11:29,830 --> 01:11:28,239

yeah i feel like that's one of the best

1926

01:11:31,350 --> 01:11:29,840

protections

1927

01:11:33,990 --> 01:11:31,360

yeah we use it for a lot of different

1928

01:11:36,229 --> 01:11:34,000

things i mean you know

1929

01:11:39,430 --> 01:11:36,239

you know i i've actually used salt black

1930

01:11:41,830 --> 01:11:39,440

salt or blue salt to isolate entities

1931

01:11:43,350 --> 01:11:41,840

or protect people from entities

1932

01:11:46,070 --> 01:11:43,360

or

1933

01:11:50,550 --> 01:11:46,080

using rock salt as a perimeter to a

1934

01:11:55,030 --> 01:11:52,550

i mean

1935

01:11:56,630 --> 01:11:55,040

even even in locations and houses i've

1936

01:11:59,189 --> 01:11:56,640

had people put

1937

01:12:01,030 --> 01:11:59,199

salt into corners of the the room or on

1938

01:12:03,430 --> 01:12:01,040

windowsills um

1939

01:12:04,709 --> 01:12:03,440

it's it seems to absorb some of the the

1940

01:12:06,870 --> 01:12:04,719

energy

1941

01:12:09,590 --> 01:12:06,880

i don't necessarily know how to explain

1942

01:12:11,910 --> 01:12:09,600

it um

1943

01:12:13,990 --> 01:12:11,920

but i also also have them use other

1944

01:12:16,149 --> 01:12:14,000

things like you know black tourmaline or

1945

01:12:20,550 --> 01:12:16,159

other types of crystals

1946

01:12:23,750 --> 01:12:22,550

yeah i mean that that's probably as good

1947

01:12:26,070 --> 01:12:23,760

as any

1948

01:12:28,229 --> 01:12:26,080

uh i i think more people to use

1949

01:12:30,310 --> 01:12:28,239

affirmations um

1950

01:12:32,630 --> 01:12:30,320

quite frankly there's an affirmation i

1951

01:12:36,390 --> 01:12:32,640

use every evening before i

1952

01:12:39,030 --> 01:12:36,400

you know around midnight i use a uh

1953

01:12:42,870 --> 01:12:39,040

i i use an actual affirmation or a

1954

01:12:45,189 --> 01:12:42,880

protection that i've been using now for

1955

01:12:47,189 --> 01:12:45,199

20 years i don't even know if i've been

1956

01:12:49,990 --> 01:12:47,199

maybe it's been longer than that

1957

01:12:52,390 --> 01:12:50,000

so uh yeah i and i think a lot of people

1958

01:12:54,160 --> 01:12:52,400

use that i think with me it's kind of

1959

01:12:59,510 --> 01:12:54,170

like jesus i think i'm okay

1960

01:13:03,830 --> 01:13:01,510

i think whatever you believe in you give

1961

01:13:05,750 --> 01:13:03,840

it the power and that helps protect you

1962

01:13:07,830 --> 01:13:05,760

as well absolutely it's all about the

1963

01:13:09,510 --> 01:13:07,840

intent you're right

1964

01:13:11,350 --> 01:13:09,520

yeah faith has a lot to do with it

1965

01:13:13,910 --> 01:13:11,360

doesn't matter what you have faith in

1966

01:13:15,590 --> 01:13:13,920

you know whatever whatever source yeah

1967

01:13:17,270 --> 01:13:15,600

it's that it's that power belief

1968

01:13:18,550 --> 01:13:17,280

regardless of what again what you

1969

01:13:20,390 --> 01:13:18,560

believe in because it

1970

01:13:22,470 --> 01:13:20,400

it's just you're you're focusing in an

1971

01:13:24,630 --> 01:13:22,480

intent and into positive energy

1972

01:13:25,910 --> 01:13:24,640

hopefully

1973

01:13:27,430 --> 01:13:25,920

it could be like a pebble your

1974

01:13:29,750 --> 01:13:27,440

grandfather gave you and that could be

1975

01:13:31,030 --> 01:13:29,760

the best protection in the world

1976

01:13:35,110 --> 01:13:31,040

you know

1977

01:13:37,189 --> 01:13:35,120

a crystal show on here one night

1978

01:13:39,510 --> 01:13:37,199

then don't threaten us a good time

1979

01:13:41,270 --> 01:13:39,520

i i think i'll probably do that at some

1980

01:13:43,189 --> 01:13:41,280

point but i'm going to have to put some

1981

01:13:46,790 --> 01:13:43,199

work into it because first of all i got

1982

01:13:48,790 --> 01:13:46,800

to dig all that crap out because i

1983

01:13:50,709 --> 01:13:48,800

it's funny i you know when i moved the

1984

01:13:53,270 --> 01:13:50,719

last time i had all that stuff packed

1985

01:13:55,590 --> 01:13:53,280

away and i just didn't take it out

1986

01:13:57,750 --> 01:13:55,600

and uh i got so much up there it's

1987

01:14:00,630 --> 01:13:57,760

ridiculous but you know a lot of the

1988

01:14:02,790 --> 01:14:00,640

working stuff i've used um and i use a

1989

01:14:04,870 --> 01:14:02,800

lot of different things i mean you know

1990

01:14:07,590 --> 01:14:04,880

my son yeah i wouldn't test that

1991

01:14:10,229 --> 01:14:07,600

i would love to know more about that um

1992

01:14:13,990 --> 01:14:10,239

i think that's fascinating yeah

1993

01:14:21,189 --> 01:14:18,470

i i you know i guess we can do a um

1994

01:14:23,430 --> 01:14:21,199

a kind of a semi uh

1995

01:14:26,229 --> 01:14:23,440

divination show or

1996

01:14:27,350 --> 01:14:26,239

energy show or protection thing all in

1997

01:14:31,350 --> 01:14:27,360

one

1998

01:14:33,990 --> 01:14:31,360

um yeah nothing dark uh just right on

1999

01:14:36,630 --> 01:14:34,000

how to help people and how to um

2000

01:14:39,430 --> 01:14:36,640

to work and uh

2001

01:14:41,430 --> 01:14:39,440

so yeah i will do that one time uh

2002

01:14:43,270 --> 01:14:41,440

vincent wants to know any pale humanoid

2003

01:14:45,590 --> 01:14:43,280

updates oh geez

2004

01:14:47,189 --> 01:14:45,600

not really um every once in a while i

2005

01:14:48,070 --> 01:14:47,199

hear a weird one

2006

01:14:49,110 --> 01:14:48,080

uh

2007

01:14:51,510 --> 01:14:49,120

you know

2008

01:14:52,790 --> 01:14:51,520

i did write the book meme humanoids i've

2009

01:14:55,350 --> 01:14:52,800

got pretty

2010

01:14:57,350 --> 01:14:55,360

i pretty well most of all that is in the

2011

01:14:58,550 --> 01:14:57,360

book but occasionally since then i have

2012

01:15:01,030 --> 01:14:58,560

had a few

2013

01:15:01,910 --> 01:15:01,040

uh i posted one or two the past week or

2014

01:15:03,669 --> 01:15:01,920

so

2015

01:15:05,189 --> 01:15:03,679

you know this is i don't know what you

2016

01:15:07,189 --> 01:15:05,199

all think about this but this is a

2017

01:15:08,709 --> 01:15:07,199

phenomena i really don't i still don't

2018

01:15:10,950 --> 01:15:08,719

understand i even wrote a book about

2019

01:15:12,950 --> 01:15:10,960

still know what the hell's going on

2020

01:15:15,510 --> 01:15:12,960

and um

2021

01:15:17,910 --> 01:15:15,520

yeah it's like uh where are these things

2022

01:15:18,950 --> 01:15:17,920

coming from why are they here

2023

01:15:21,110 --> 01:15:18,960

uh

2024

01:15:21,750 --> 01:15:21,120

are they thought forms are they is it

2025

01:15:26,470 --> 01:15:21,760

like

2026

01:15:28,550 --> 01:15:26,480

that were thought into existence by by

2027

01:15:31,430 --> 01:15:28,560

the collective consciousness

2028

01:15:33,030 --> 01:15:31,440

possibly i mean you know uh you know the

2029

01:15:35,510 --> 01:15:33,040

whole slender man thing even though

2030

01:15:36,830 --> 01:15:35,520

that's a creepypasta thing but people

2031

01:15:40,149 --> 01:15:36,840

swear

2032

01:15:43,030 --> 01:15:40,159

that others have manifested these things

2033

01:15:46,149 --> 01:15:43,040

thoughtful manifested uh

2034

01:15:48,070 --> 01:15:46,159

you know i occasionally get a slenderman

2035

01:15:50,229 --> 01:15:48,080

sighting and it's like

2036

01:15:52,870 --> 01:15:50,239

well those things aren't real but

2037

01:15:53,830 --> 01:15:52,880

these people are seeing them uh there's

2038

01:15:56,950 --> 01:15:53,840

something

2039

01:15:58,870 --> 01:15:56,960

that's manifesting these things it's uh

2040

01:16:03,350 --> 01:15:58,880

that one picture is like me gardening

2041

01:16:03,360 --> 01:16:07,510

i don't have a green thumb

2042

01:16:13,830 --> 01:16:11,350

so uh no i you know this the whole um

2043

01:16:15,510 --> 01:16:13,840

that whole phenomena you know really i

2044

01:16:17,669 --> 01:16:15,520

i only really started hearing a lot

2045

01:16:19,990 --> 01:16:17,679

about it that more and more

2046

01:16:21,669 --> 01:16:20,000

about maybe eight years ago and then

2047

01:16:23,590 --> 01:16:21,679

somebody taught me into writing a book

2048

01:16:25,590 --> 01:16:23,600

about it

2049

01:16:27,030 --> 01:16:25,600

so uh but i you know it's interesting

2050

01:16:29,590 --> 01:16:27,040

when you write a book you still don't

2051

01:16:31,270 --> 01:16:29,600

have any answers to what's going on so

2052

01:16:32,790 --> 01:16:31,280

yeah you wind up having more questions

2053

01:16:35,750 --> 01:16:32,800

than answers but at least you're putting

2054

01:16:38,149 --> 01:16:35,760

it out there too i think it's important

2055

01:16:40,470 --> 01:16:38,159

yeah well i put as many examples i could

2056

01:16:42,870 --> 01:16:40,480

get out there and um

2057

01:16:44,550 --> 01:16:42,880

and i am getting a lot of feedback on

2058

01:16:46,790 --> 01:16:44,560

that even yet

2059

01:16:48,950 --> 01:16:46,800

so um

2060

01:16:50,390 --> 01:16:48,960

i i wish i hadn't i wish i could tell

2061

01:16:52,070 --> 01:16:50,400

people what i

2062

01:16:54,310 --> 01:16:52,080

you know give me more

2063

01:16:56,229 --> 01:16:54,320

definitive answers but

2064

01:16:57,910 --> 01:16:56,239

all i know is it's a worldwide phenomena

2065

01:16:59,350 --> 01:16:57,920

that picture up there right now came

2066

01:17:02,229 --> 01:16:59,360

from poland

2067

01:17:04,310 --> 01:17:02,239

um it came it was part of a video of

2068

01:17:07,110 --> 01:17:04,320

this um

2069

01:17:09,510 --> 01:17:07,120

of this thing that was caught on camera

2070

01:17:11,669 --> 01:17:09,520

and um

2071

01:17:13,430 --> 01:17:11,679

yeah and but

2072

01:17:15,110 --> 01:17:13,440

throughout north america it's a

2073

01:17:17,350 --> 01:17:15,120

phenomenon that's

2074

01:17:18,100 --> 01:17:17,360

becoming more and more apparent

2075

01:17:19,430 --> 01:17:18,110

and uh

2076

01:17:20,709 --> 01:17:19,440

[Music]

2077

01:17:22,550 --> 01:17:20,719

so

2078

01:17:24,229 --> 01:17:22,560

and you have to wonder if like you know

2079

01:17:26,390 --> 01:17:24,239

somebody started the slender how they

2080

01:17:29,430 --> 01:17:26,400

started the slenderman story so

2081

01:17:31,990 --> 01:17:29,440

it just took off and then it became real

2082

01:17:33,910 --> 01:17:32,000

and then it learned you know it became

2083

01:17:36,229 --> 01:17:33,920

aware of itself

2084

01:17:38,149 --> 01:17:36,239

and realized by you know scaring people

2085

01:17:39,750 --> 01:17:38,159

or doing whatever it does

2086

01:17:43,030 --> 01:17:39,760

that's how it gets its energy so it's

2087

01:17:45,910 --> 01:17:43,040

continuing to do that to thrive and

2088

01:17:48,310 --> 01:17:45,920

you know i i think a lot of phenomena

2089

01:17:49,590 --> 01:17:48,320

may be actually mind manifested to a

2090

01:17:52,550 --> 01:17:49,600

point

2091

01:17:54,550 --> 01:17:52,560

um of course poltergeists are men

2092

01:17:56,630 --> 01:17:54,560

mind manifested beings

2093

01:17:59,590 --> 01:17:56,640

uh they're not necessarily spirits they

2094

01:18:00,870 --> 01:17:59,600

can become involved with the spirit but

2095

01:18:02,870 --> 01:18:00,880

i i think

2096

01:18:04,470 --> 01:18:02,880

maybe some cryptids are even mind

2097

01:18:06,790 --> 01:18:04,480

manifested

2098

01:18:08,390 --> 01:18:06,800

i have thought that on occasion when

2099

01:18:10,790 --> 01:18:08,400

somebody

2100

01:18:12,950 --> 01:18:10,800

uh even even but james is there's a

2101
01:18:15,430 --> 01:18:12,960
perfect example that first encounter he

2102
01:18:17,350 --> 01:18:15,440
had it's like this thing shows up in

2103
01:18:18,790 --> 01:18:17,360
front of you take a shot at it your

2104
01:18:21,350 --> 01:18:18,800
blood spray over the place and this

2105
01:18:23,590 --> 01:18:21,360
thing walks away it's like

2106
01:18:26,310 --> 01:18:23,600
was this a manifestation was this a real

2107
01:18:27,830 --> 01:18:26,320
thing or what

2108
01:18:34,870 --> 01:18:27,840
yeah

2109
01:18:37,669 --> 01:18:36,229
they work

2110
01:18:43,510 --> 01:18:37,679
hard to

2111
01:18:49,189 --> 01:18:46,790
that's a it's a frustrating thing but um

2112
01:18:50,550 --> 01:18:49,199
yeah that's all i gotta say about that

2113
01:18:53,270 --> 01:18:50,560

our minds are weird

2114

01:18:54,550 --> 01:18:53,280

oh yeah humans strange

2115

01:18:56,070 --> 01:18:54,560

so what do you think mine's a

2116

01:18:58,149 --> 01:18:56,080

possibility that it might have been

2117

01:19:01,350 --> 01:18:58,159

manifested or what

2118

01:19:03,910 --> 01:19:01,360

well i mean in my case i i mean

2119

01:19:05,910 --> 01:19:03,920

i don't believe that i manifested it put

2120

01:19:07,990 --> 01:19:05,920

it that way i mean because

2121

01:19:09,830 --> 01:19:08,000

i mean granted growing up i lost i

2122

01:19:12,790 --> 01:19:09,840

watched a lot of monster movies you know

2123

01:19:14,950 --> 01:19:12,800

like werewolves and zombies and vampires

2124

01:19:17,830 --> 01:19:14,960

and you name it i you know

2125

01:19:19,030 --> 01:19:17,840

i think i could i could

2126

01:19:21,030 --> 01:19:19,040

name you

2127

01:19:25,110 --> 01:19:21,040

three famous vampires before i could

2128

01:19:28,310 --> 01:19:26,310

and uh

2129

01:19:31,430 --> 01:19:28,320

but i mean myself personally i don't

2130

01:19:33,910 --> 01:19:31,440

think that it was a manifestation per se

2131

01:19:37,350 --> 01:19:34,709

but

2132

01:19:40,310 --> 01:19:37,360

who knows i mean uh

2133

01:19:42,470 --> 01:19:40,320

a a few years after

2134

01:19:44,070 --> 01:19:42,480

a couple years after i had that

2135

01:19:46,149 --> 01:19:44,080

experience well actually the following

2136

01:19:47,990 --> 01:19:46,159

year after i had my second encounter

2137

01:19:49,590 --> 01:19:48,000

there were some kids playing on that

2138

01:19:50,790 --> 01:19:49,600

same road where i had my second

2139

01:19:52,790 --> 01:19:50,800

encounter

2140

01:19:54,870 --> 01:19:52,800

and they they didn't really go into

2141

01:19:56,790 --> 01:19:54,880

detail but i found a report where they

2142

01:19:58,950 --> 01:19:56,800

said that a large

2143

01:20:00,310 --> 01:19:58,960

hairy creature crossed the road in front

2144

01:20:01,590 --> 01:20:00,320

of them while they were riding their

2145

01:20:02,630 --> 01:20:01,600

bicycles

2146

01:20:05,990 --> 01:20:02,640

right

2147

01:20:07,910 --> 01:20:06,000

yeah and it was literally about 200 feet

2148

01:20:11,110 --> 01:20:07,920

or 200 yards from

2149

01:20:13,510 --> 01:20:11,120

where i had my second encounter

2150

01:20:15,910 --> 01:20:13,520

so is there something skulk in the woods

2151
01:20:17,270 --> 01:20:15,920
who knows you know but i know like in my

2152
01:20:18,390 --> 01:20:17,280
case i i

2153
01:20:19,990 --> 01:20:18,400
just i

2154
01:20:21,189 --> 01:20:20,000
in my heart of hearts i know there's

2155
01:20:23,910 --> 01:20:21,199
something there

2156
01:20:27,189 --> 01:20:23,920
right there's some physical being there

2157
01:20:28,950 --> 01:20:27,199
um but who's to say that

2158
01:20:32,390 --> 01:20:28,960
you know people didn't think it into

2159
01:20:33,750 --> 01:20:32,400
existence in it and i ran across it you

2160
01:20:35,270 --> 01:20:33,760
know it's just

2161
01:20:38,950 --> 01:20:35,280
one of those things i don't think we'll

2162
01:20:43,590 --> 01:20:40,310
yeah

2163
01:20:44,870 --> 01:20:43,600

and in turn that that sort of

2164

01:20:46,790 --> 01:20:44,880

kind of kept you away from doing

2165

01:20:49,750 --> 01:20:46,800

something you like too as i s as i

2166

01:20:54,550 --> 01:20:49,760

understand it oh for a long time you

2167

01:21:00,470 --> 01:20:57,590

um talking about the uh the upright

2168

01:21:02,790 --> 01:21:00,480

canines in in pennsylvania lawn

2169

01:21:04,149 --> 01:21:02,800

uh a friend of mine actually just called

2170

01:21:06,229 --> 01:21:04,159

me today

2171

01:21:08,470 --> 01:21:06,239

and told me and um if you're familiar

2172

01:21:11,030 --> 01:21:08,480

with forbes state forest out here in

2173

01:21:13,830 --> 01:21:11,040

western pa southwest

2174

01:21:16,550 --> 01:21:13,840

uh him and a couple of friends went to

2175

01:21:18,870 --> 01:21:16,560

forbes the other night i guess last week

2176
01:21:20,870 --> 01:21:18,880
they went out there to do call blasting

2177
01:21:22,950 --> 01:21:20,880
for sasquatch

2178
01:21:25,910 --> 01:21:22,960
well they call blasted and didn't hear

2179
01:21:28,390 --> 01:21:25,920
anything so they decided to switch to a

2180
01:21:30,070 --> 01:21:28,400
infant cry

2181
01:21:33,350 --> 01:21:30,080
and i guess whenever they switched to

2182
01:21:35,430 --> 01:21:33,360
the infant cry immediately after

2183
01:21:38,550 --> 01:21:35,440
they call blasted it

2184
01:21:39,990 --> 01:21:38,560
he said it it sent shows up his spine

2185
01:21:42,629 --> 01:21:40,000
what they heard

2186
01:21:44,870 --> 01:21:42,639
it sounded exactly like

2187
01:21:46,310 --> 01:21:44,880
a werewolf in a movie

2188
01:21:48,390 --> 01:21:46,320

howling

2189

01:21:50,310 --> 01:21:48,400

off in the distance

2190

01:21:51,910 --> 01:21:50,320

the one guy actually got so scared that

2191

01:21:55,990 --> 01:21:51,920

he locked himself in their car and

2192

01:22:00,390 --> 01:21:58,550

that tells me something you know

2193

01:22:01,590 --> 01:22:00,400

yeah you're a follow up on that all

2194

01:22:03,510 --> 01:22:01,600

right

2195

01:22:05,350 --> 01:22:03,520

but it doesn't surprise me

2196

01:22:07,430 --> 01:22:05,360

there's something terrible i i bought an

2197

01:22:08,950 --> 01:22:07,440

aztec death whistle

2198

01:22:11,030 --> 01:22:08,960

and i don't know if anyone's ever heard

2199

01:22:13,270 --> 01:22:11,040

one of those oh my god yeah i have but

2200

01:22:14,629 --> 01:22:13,280

yeah now and when i first got it i so i

2201

01:22:16,870 --> 01:22:14,639

think my neighbors probably thought that

2202

01:22:19,189 --> 01:22:16,880

there is some kind of game demon

2203

01:22:22,709 --> 01:22:19,199

activity going on in this neighborhood

2204

01:22:26,550 --> 01:22:24,550

i'm up you know i got fun and just blow

2205

01:22:27,910 --> 01:22:26,560

that at two in the morning and i'm like

2206

01:22:29,270 --> 01:22:27,920

you know what

2207

01:22:33,510 --> 01:22:29,280

people like along and we get a lot of

2208

01:22:36,870 --> 01:22:34,550

use it

2209

01:22:38,790 --> 01:22:36,880

oh they have you oh interesting yeah the

2210

01:22:41,750 --> 01:22:38,800

only result i got was the police coming

2211

01:22:45,669 --> 01:22:44,390

well folks uh we're going to wrap this

2212

01:22:48,229 --> 01:22:45,679

up um

2213

01:22:50,070 --> 01:22:48,239

well i've seen karen peterson ask me a

2214

01:22:51,830 --> 01:22:50,080

question there she said james did the

2215

01:22:54,229 --> 01:22:51,840

upright canine you encountered run or

2216

01:22:55,910 --> 01:22:54,239

did it move more in a jumping manner it

2217

01:23:06,070 --> 01:22:55,920

ran

2218

01:23:10,950 --> 01:23:08,310

cool it it looked just it looked like a

2219

01:23:12,950 --> 01:23:10,960

dog running i so i said before lon

2220

01:23:15,350 --> 01:23:12,960

whenever i told you i i didn't i thought

2221

01:23:16,470 --> 01:23:15,360

it was just a large dog until it grabbed

2222

01:23:17,910 --> 01:23:16,480

a hold of me

2223

01:23:20,229 --> 01:23:17,920

right until i

2224

01:23:22,870 --> 01:23:20,239

just physically knew that it had hands i

2225

01:23:24,629 --> 01:23:22,880

thought it was just a dog it rained

2226

01:23:26,390 --> 01:23:24,639

exactly like a dog

2227

01:23:27,669 --> 01:23:26,400

what did you shoot it with that's what i

2228

01:23:29,750 --> 01:23:27,679

mean i'm saying a gun

2229

01:23:30,390 --> 01:23:29,760

12 12 gauge okay 12 was it like it was

2230

01:23:32,870 --> 01:23:30,400

it

2231

01:23:35,910 --> 01:23:32,880

double a lots of coyote loads

2232

01:23:37,750 --> 01:23:35,920

okay wow

2233

01:23:39,350 --> 01:23:37,760

yeah it was enough that you could take

2234

01:23:40,950 --> 01:23:39,360

like a

2235

01:23:42,629 --> 01:23:40,960

1200 pound

2236

01:23:44,790 --> 01:23:42,639

kodiak grizzly and it would have put it

2237

01:23:46,629 --> 01:23:44,800

down at the range that i was at you know

2238

01:23:47,510 --> 01:23:46,639

right right so yeah it wasn't like bird

2239

01:23:50,390 --> 01:23:47,520

shot

2240

01:23:52,310 --> 01:23:50,400

no it was it was this the

2241

01:23:53,590 --> 01:23:52,320

the smallest thing that you can get or

2242

01:23:56,629 --> 01:23:53,600

the largest thing you can get right

2243

01:23:58,070 --> 01:23:56,639

before buck shot no

2244

01:24:00,709 --> 01:23:58,080

well that should have brought anything

2245

01:24:02,149 --> 01:24:00,719

down absolutely yeah i mean

2246

01:24:03,590 --> 01:24:02,159

if it would have been a person it

2247

01:24:06,070 --> 01:24:03,600

probably would have blew you in half you

2248

01:24:07,910 --> 01:24:06,080

know yeah

2249

01:24:09,830 --> 01:24:07,920

yeah

2250

01:24:10,790 --> 01:24:09,840

okay well um

2251

01:24:12,709 --> 01:24:10,800

oh

2252

01:24:13,510 --> 01:24:12,719

go ahead go ahead burn it

2253

01:24:16,629 --> 01:24:13,520

oh

2254

01:24:18,390 --> 01:24:16,639

well rydia that's the question which you

2255

01:24:20,709 --> 01:24:18,400

know james might be able to answer or

2256

01:24:22,950 --> 01:24:20,719

give his opinion on do any of you know

2257

01:24:25,590 --> 01:24:22,960

if dogman has some kind of armor that

2258

01:24:27,669 --> 01:24:25,600

protects them from gunshots

2259

01:24:28,950 --> 01:24:27,679

i've heard that before

2260

01:24:30,950 --> 01:24:28,960

um

2261

01:24:33,110 --> 01:24:30,960

so i've talked to a few uh you know

2262

01:24:34,870 --> 01:24:33,120

quote unquote experts in the field that

2263

01:24:36,709 --> 01:24:34,880

say that uh

2264

01:24:38,629 --> 01:24:36,719

there some of them that they believe

2265

01:24:39,990 --> 01:24:38,639

that are either extraterrestrial or

2266

01:24:43,030 --> 01:24:40,000

interdimensional

2267

01:24:45,430 --> 01:24:43,040

have a type of uh body armor that they

2268

01:24:48,390 --> 01:24:45,440

wear there's been reports of them

2269

01:24:49,669 --> 01:24:48,400

actually you can physically see armor

2270

01:24:50,790 --> 01:24:49,679

on them

2271

01:24:53,189 --> 01:24:50,800

others

2272

01:24:55,669 --> 01:24:53,199

just seem impervious to

2273

01:24:58,149 --> 01:24:55,679

gunshots for some reason

2274

01:25:00,550 --> 01:24:58,159

i know from experience the one that i

2275

01:25:04,229 --> 01:25:00,560

shot it hit it and it it wounded it

2276

01:25:07,510 --> 01:25:05,669

so i mean

2277

01:25:09,830 --> 01:25:07,520

i i think that's all in a matter of

2278

01:25:13,149 --> 01:25:09,840

maybe someday we'll find out where these

2279

01:25:15,430 --> 01:25:13,159

things are coming from and maybe there's

2280

01:25:17,270 --> 01:25:15,440

differentiation in where they come from

2281

01:25:18,870 --> 01:25:17,280

that determines what they have you know

2282

01:25:20,310 --> 01:25:18,880

kind of like the uh

2283

01:25:22,149 --> 01:25:20,320

like the predator movies you know

2284

01:25:23,910 --> 01:25:22,159

depending on what predator you're

2285

01:25:25,669 --> 01:25:23,920

running up against that's what they have

2286

01:25:27,750 --> 01:25:25,679

you know

2287

01:25:29,590 --> 01:25:27,760

i wonder if we go over to where they are

2288

01:25:30,629 --> 01:25:29,600

we might be impervious to their laser

2289

01:25:32,390 --> 01:25:30,639

beams

2290

01:25:33,750 --> 01:25:32,400

right i mean i understand we don't know

2291

01:25:35,910 --> 01:25:33,760

right you know

2292

01:25:38,229 --> 01:25:35,920

you never know i mean if the if they're

2293

01:25:39,990 --> 01:25:38,239

interdimensional if we travel into their

2294

01:25:42,070 --> 01:25:40,000

dimension are we going to be impervious

2295

01:25:43,030 --> 01:25:42,080

to the weaponry that they use who who

2296

01:25:45,270 --> 01:25:43,040

knows

2297

01:25:47,189 --> 01:25:45,280

maybe that's why they're afraid of us

2298

01:25:48,950 --> 01:25:47,199

or some of them are

2299

01:25:50,229 --> 01:25:48,960

right

2300

01:25:52,629 --> 01:25:50,239

i don't know

2301

01:25:54,310 --> 01:25:52,639

so does any you all want to put out to

2302

01:25:56,550 --> 01:25:54,320

the audience how they can get a contact

2303

01:26:01,110 --> 01:25:56,560

with you if they have a case or

2304

01:26:04,950 --> 01:26:02,470

james go ahead

2305

01:26:07,310 --> 01:26:04,960

okay um you can reach me at greene

2306

01:26:09,189 --> 01:26:07,320

county pa cryptids that's green

2307

01:26:11,590 --> 01:26:09,199

g-r-e-e-n-e

2308

01:26:15,189 --> 01:26:11,600

green county pa cryptids

2309

01:26:18,550 --> 01:26:15,199

and that's on facebook um i check it

2310

01:26:20,830 --> 01:26:18,560

daily so if you contact me there or

2311

01:26:24,790 --> 01:26:20,840

you can also reach me on facebook

2312

01:26:27,990 --> 01:26:24,800

messenger um as james west and my

2313

01:26:29,669 --> 01:26:28,000

profile picture is a dogman

2314

01:26:34,310 --> 01:26:29,679

upright canine

2315

01:26:34,320 --> 01:26:39,350

okay kit yeah um

2316

01:26:45,030 --> 01:26:41,750

i would say instagram um

2317

01:26:47,189 --> 01:26:45,040

i don't post much about this

2318

01:26:48,870 --> 01:26:47,199

so long story short like

2319

01:26:50,470 --> 01:26:48,880

my age and stuff like stay away from

2320

01:26:51,669 --> 01:26:50,480

this stuff because no one will hire you

2321

01:26:54,149 --> 01:26:51,679

i don't care

2322

01:26:55,350 --> 01:26:54,159

all right that sounds like an agent

2323

01:26:56,310 --> 01:26:55,360

exactly

2324

01:26:57,910 --> 01:26:56,320

but uh

2325

01:26:59,510 --> 01:26:57,920

i've got a question for kent get a hold

2326

01:27:01,030 --> 01:26:59,520

of me and i'll give it to him let's put

2327

01:27:03,189 --> 01:27:01,040

it that way that's

2328

01:27:05,669 --> 01:27:03,199

perfect yeah

2329

01:27:09,910 --> 01:27:05,679

i'm glad to help anybody just uh you

2330

01:27:12,790 --> 01:27:11,750

and bernadette how can people get a hold

2331

01:27:15,510 --> 01:27:12,800

of you

2332

01:27:18,070 --> 01:27:15,520

um they can email me at paranormallife

2333

01:27:20,629 --> 01:27:18,080

gmail.com or they could find me on

2334

01:27:23,110 --> 01:27:20,639

facebook and i started today a

2335

01:27:24,629 --> 01:27:23,120

paranormal life uh facebook group so you

2336

01:27:26,229 --> 01:27:24,639

can find me there

2337

01:27:27,830 --> 01:27:26,239

great

2338

01:27:30,870 --> 01:27:27,840

so folks thanks for coming on tonight

2339

01:27:32,550 --> 01:27:30,880

participating um hopefully

2340

01:27:34,470 --> 01:27:32,560

the audience got a little more

2341

01:27:35,590 --> 01:27:34,480

information than what they had before

2342

01:27:37,590 --> 01:27:35,600

and uh

2343

01:27:39,189 --> 01:27:37,600

you know folks this is going to be uh

2344

01:27:40,550 --> 01:27:39,199

this is going to be a regular thing with

2345

01:27:42,629 --> 01:27:40,560

the round tables we're probably going to

2346

01:27:45,590 --> 01:27:42,639

do it like every three months

2347

01:27:47,430 --> 01:27:45,600

uh we've got almost 20

2348

01:27:50,470 --> 01:27:47,440

members of the team now

2349

01:27:52,229 --> 01:27:50,480

yeah i love these questions that we had

2350

01:27:54,149 --> 01:27:52,239

especially the one that one guy was

2351

01:27:56,390 --> 01:27:54,159

talking he was a fly and he liked the

2352

01:27:58,149 --> 01:27:56,400

buzz around that was that was fun but

2353

01:27:59,750 --> 01:27:58,159

yeah

2354

01:28:04,870 --> 01:27:59,760

there were some great questions here

2355

01:28:07,990 --> 01:28:06,790

well you'll have to join us again kit

2356

01:28:10,229 --> 01:28:08,000

and um

2357

01:28:11,750 --> 01:28:10,239

you know we'll uh we'll we'll make this

2358

01:28:12,629 --> 01:28:11,760

a regular thing

2359

01:28:14,390 --> 01:28:12,639

uh

2360

01:28:16,229 --> 01:28:14,400

i like getting the team out in front of

2361

01:28:17,990 --> 01:28:16,239

the public so they can answer questions

2362

01:28:20,390 --> 01:28:18,000

people see who they are and

2363

01:28:22,790 --> 01:28:20,400

give an idea of what we actually do so

2364

01:28:24,550 --> 01:28:22,800

uh you know folks thanks for coming on

2365

01:28:26,070 --> 01:28:24,560

and uh i'll be talking to you all soon

2366

01:28:31,590 --> 01:28:26,080

have a good weekend

2367

01:28:35,590 --> 01:28:33,189

now if you have a sighting or a counter

2368

01:28:37,669 --> 01:28:35,600

report uh that you'd like to be

2369

01:28:39,990 --> 01:28:37,679

considered for the personal report show

2370

01:28:41,910 --> 01:28:40,000

or post on phantoms of monsters feel

2371

01:28:44,310 --> 01:28:41,920

free to forward to my email at lawn

2372

01:28:45,669 --> 01:28:44,320

strickler family dot com

2373

01:28:47,669 --> 01:28:45,679

now of course if you've had an

2374

01:28:49,189 --> 01:28:47,679

unexplained encounter setting feel free

2375

01:28:50,870 --> 01:28:49,199

to contact me through the families of

2376

01:28:53,189 --> 01:28:50,880

monsters blog site

2377

01:28:54,629 --> 01:28:53,199

or email me as well

2378

01:28:56,629 --> 01:28:54,639

uh i want to again thank the team

2379

01:28:58,470 --> 01:28:56,639

members for joining me this evening and

2380

01:28:59,750 --> 01:28:58,480

thanks to each and all you for watching

2381

01:29:02,229 --> 01:28:59,760

and chatting

2382

01:29:03,830 --> 01:29:02,239

uh you made a super chat donations very

2383

01:29:05,590 --> 01:29:03,840

much appreciated

2384

01:29:07,590 --> 01:29:05,600

uh your support is what makes this

2385

01:29:09,590 --> 01:29:07,600

possible so please like subscribe and

2386

01:29:11,350 --> 01:29:09,600

share and do comment

2387

01:29:13,030 --> 01:29:11,360

uh i always look forward to the comments

2388

01:29:15,750 --> 01:29:13,040

now

2389

01:29:18,310 --> 01:29:15,760

next wednesday uh we will have another

2390

01:29:19,910 --> 01:29:18,320

personal report presentation

2391

01:29:21,830 --> 01:29:19,920

so that'll be wednesday night nine

2392

01:29:25,590 --> 01:29:21,840

o'clock eastern

2393

01:29:29,830 --> 01:29:25,600

and uh but next friday there's no show

2394

01:29:31,189 --> 01:29:29,840

because i i am going to a local bigfoot

2395

01:29:32,550 --> 01:29:31,199

town hall

2396

01:29:35,030 --> 01:29:32,560

and some of the team members are going

2397

01:29:35,830 --> 01:29:35,040

to be joining me for that as well

2398

01:29:37,750 --> 01:29:35,840

so

2399

01:29:39,510 --> 01:29:37,760

it'll be in biglerville if anybody's

2400

01:29:40,870 --> 01:29:39,520

interested that's just north of

2401

01:29:43,270 --> 01:29:40,880

gettysburg

2402

01:29:46,390 --> 01:29:43,280

so that'll be uh next friday night i

2403

01:29:49,430 --> 01:29:46,400

think it's 6 30 p.m something like that

2404

01:29:51,590 --> 01:29:49,440

so if you want information you know send

2405

01:29:53,590 --> 01:29:51,600

me an email i'll give it to you

2406

01:29:55,830 --> 01:29:53,600

so so until next week

2407

01:30:01,610 --> 01:29:55,840

next wednesday anyway stay healthy and
