00:00:00,000 --> 00:00:04,330
foreign

2
00:00:34,729 --> 00:00:14,910
[Music]

3
00:01:23,030 --> 00:00:37,610
foreign

4
00:01:28,090 --> 00:01:23,040
[Music]

5
00:01:33,109 --> 00:01:31,010
good evening and welcome to Phantoms and

6
00:01:36,010 --> 00:01:33,119
monsters personal reports where I

7
00:01:38,330 --> 00:01:36,020
narrate uh some of the more recent past

8
00:01:40,550 --> 00:01:38,340
Cryptid and unexplained sightings and

9
00:01:41,450 --> 00:01:40,560
encounters submitted to fans and

10
00:01:44,630 --> 00:01:41,460
monsters

11
00:01:47,870 --> 00:01:44,640
uh I also detail current investigations

12
00:01:50,210 --> 00:01:47,880
on occasions so um thanks for joining me

13
00:01:52,249 --> 00:01:50,220

the fans of monsters radio channel is

14

00:01:54,230 --> 00:01:52,259

made possible by you clicking the

15

00:01:56,810 --> 00:01:54,240

Subscribe button and by you sharing or

16

00:01:59,209 --> 00:01:56,820

programming uh Super Chat and super

17

00:02:01,789 --> 00:01:59,219

thank donations are appreciated

18

00:02:03,530 --> 00:02:01,799

and the uh buy me a coffee link and

19

00:02:06,350 --> 00:02:03,540

banner are also shown

20

00:02:09,109 --> 00:02:06,360

so uh thanks for your consideration so

21

00:02:15,290 --> 00:02:12,050

we've got a few interesting

22

00:02:17,330 --> 00:02:15,300

sightings and counters to talk about

23

00:02:20,449 --> 00:02:17,340

uh the first one here

24

00:02:22,010 --> 00:02:20,459

is where a witness stated that he and

25

00:02:24,729 --> 00:02:22,020

his friend

26

00:02:28,670 --> 00:02:24,739

were grabbing their location or another

27

00:02:30,290 --> 00:02:28,680

humanoid was reported to us in Waukegan

28

00:02:33,350 --> 00:02:30,300

Illinois

29

00:02:35,210 --> 00:02:33,360

uh what he saw was a frightening white

30

00:02:38,150 --> 00:02:35,220

eye to being

31

00:02:40,190 --> 00:02:38,160

and uh he wrote hello on I wanted to

32

00:02:41,449 --> 00:02:40,200

share one of my paranormal experiences

33

00:02:45,830 --> 00:02:41,459

with you

34

00:02:48,830 --> 00:02:45,840

I'll leave it to you if you can qualify

35

00:02:50,809 --> 00:02:48,840

it as something paranormal even if it

36

00:02:53,449 --> 00:02:50,819

just doesn't make it to the channel I

37

00:02:55,850 --> 00:02:53,459

just wanted to tell you about it anyway

38

00:02:58,009 --> 00:02:55,860

I've always lived in Northern Lake

39

00:03:02,630 --> 00:02:58,019

County Illinois

40

00:03:04,309 --> 00:03:02,640

this happened to me around 2006 2007 I

41

00:03:05,869 --> 00:03:04,319

was with my best friend at the time just

42

00:03:08,930 --> 00:03:05,879

driving out late

43

00:03:11,750 --> 00:03:08,940

I don't remember what exactly we were

44

00:03:13,690 --> 00:03:11,760

doing but probably hanging out late at

45

00:03:17,509 --> 00:03:13,700

Taco Bell or somewhere

46

00:03:20,509 --> 00:03:17,519

my friend lived in Zion and I um drove

47

00:03:23,330 --> 00:03:20,519

him home to drop him off but after that

48

00:03:25,869 --> 00:03:23,340

I was driving down Sheridan Road

49

00:03:28,729 --> 00:03:25,879

and headed home

50

00:03:30,470 --> 00:03:28,739

along with it being late at night it was

51
00:03:33,530 --> 00:03:30,480
raining heavily

52
00:03:36,949 --> 00:03:33,540
now I was I was driving near the border

53
00:03:39,830 --> 00:03:36,959
between uh beach park and Waukegan

54
00:03:41,630 --> 00:03:39,840
I noticed someone walking on the side of

55
00:03:44,149 --> 00:03:41,640
the road now I remember seeing them

56
00:03:46,550 --> 00:03:44,159
wearing a yellow raincoat

57
00:03:48,770 --> 00:03:46,560
uh you know how sometimes right before

58
00:03:50,270 --> 00:03:48,780
you drive past someone

59
00:03:53,330 --> 00:03:50,280
they turned their head to look at you

60
00:03:55,789 --> 00:03:53,340
well this is what exactly happened

61
00:03:58,309 --> 00:03:55,799
this person's face

62
00:03:59,449 --> 00:03:58,319
looked completely deteriorated nearly

63
00:04:01,789 --> 00:03:59,459

melted

64

00:04:05,630 --> 00:04:01,799

I remember seeing red swords and

65

00:04:08,330 --> 00:04:05,640

disfiguration the eyes were fully white

66

00:04:10,070 --> 00:04:08,340

this happens so quickly and of course I

67

00:04:11,270 --> 00:04:10,080

didn't stop driving to check the person

68

00:04:13,910 --> 00:04:11,280

out

69

00:04:16,550 --> 00:04:13,920

now I know I know my mind wasn't playing

70

00:04:17,689 --> 00:04:16,560

tricks on me because I didn't feel tired

71

00:04:20,569 --> 00:04:17,699

or anything

72

00:04:22,310 --> 00:04:20,579

uh this very much could have been

73

00:04:24,469 --> 00:04:22,320

someone with a severe illness or

74

00:04:27,650 --> 00:04:24,479

something and if that was a cause I mean

75

00:04:29,990 --> 00:04:27,660

no disrespect however seeing something

76

00:04:32,689 --> 00:04:30,000

like this on a rural part of the road

77

00:04:35,450 --> 00:04:32,699

late at night can be terrifying

78

00:04:37,610 --> 00:04:35,460

uh I'll never forget that night to my

79

00:04:39,550 --> 00:04:37,620

surprises happened near the exact area

80

00:04:42,110 --> 00:04:39,560

where a group of young people

81

00:04:45,110 --> 00:04:42,120

cited a winged humanoid that was

82

00:04:48,290 --> 00:04:45,120

stalking them at night near skateboard

83

00:04:50,270 --> 00:04:48,300

park by Jack Benny's Center in Waukegan

84

00:04:53,270 --> 00:04:50,280

this was recorded on families and

85

00:04:54,590 --> 00:04:53,280

Monsters uh maybe there's some type of

86

00:04:56,810 --> 00:04:54,600

energy there

87

00:05:00,230 --> 00:04:56,820

thanks for all you do for this subject

88

00:05:04,310 --> 00:05:01,430

um

89

00:05:07,430 --> 00:05:04,320

you know that we did and actually this

90

00:05:11,150 --> 00:05:07,440

is a report that Manuel got

91

00:05:14,450 --> 00:05:11,160

from a sighting back in October 2020 in

92

00:05:18,650 --> 00:05:14,460

Waukegan where there was a uh seven foot

93

00:05:21,650 --> 00:05:18,660

tall winged humanoid that reminded the

94

00:05:27,590 --> 00:05:21,660

um the witnesses of a lakusha a lechuza

95

00:05:30,890 --> 00:05:27,600

akusa which is a large owl-like beam

96

00:05:33,710 --> 00:05:30,900

so uh yeah it was near a skate park and

97

00:05:35,930 --> 00:05:33,720

uh it's kind of interesting that this

98

00:05:38,570 --> 00:05:35,940

happened there as well

99

00:05:40,670 --> 00:05:38,580

you know I I have had some sightings of

100

00:05:43,730 --> 00:05:40,680

some strange things in that area

101
00:05:46,490 --> 00:05:43,740
uh not only just what was going on with

102
00:05:48,050 --> 00:05:46,500
the uh the winged humanoids I mean up a

103
00:05:50,390 --> 00:05:48,060
design like where he took his friend

104
00:05:52,490 --> 00:05:50,400
there were some Wing humanoid sightings

105
00:05:53,570 --> 00:05:52,500
up there that's not really too far from

106
00:05:55,790 --> 00:05:53,580
the uh

107
00:05:57,610 --> 00:05:55,800
from the Wisconsin

108
00:06:02,150 --> 00:05:57,620
Illinois line

109
00:06:03,890 --> 00:06:02,160
so uh yeah those uh these humanoid signs

110
00:06:06,890 --> 00:06:03,900
are something that we've been getting

111
00:06:10,909 --> 00:06:06,900
throughout the Chicagoland area

112
00:06:12,950 --> 00:06:10,919
let alone the wing beans so um who knows

113
00:06:15,290 --> 00:06:12,960

what it was

114

00:06:16,790 --> 00:06:15,300

uh the next account a woman and her

115

00:06:18,710 --> 00:06:16,800

ex-husband

116

00:06:22,129 --> 00:06:18,720

were fishing late at night when they

117

00:06:24,010 --> 00:06:22,139

hear a loud Screech and flapping wings

118

00:06:25,790 --> 00:06:24,020

they make out the figure of a

119

00:06:29,450 --> 00:06:25,800

pterosaur-shaped creature but then

120

00:06:31,490 --> 00:06:29,460

experience a UFO and lost time

121

00:06:34,129 --> 00:06:31,500

now

122

00:06:36,590 --> 00:06:34,139

they write about nine years ago I was

123

00:06:38,210 --> 00:06:36,600

fishing in a boat with my ex in central

124

00:06:40,670 --> 00:06:38,220

Iowa

125

00:06:41,870 --> 00:06:40,680

it was a quiet night and things were

126

00:06:43,909 --> 00:06:41,880

very still

127

00:06:46,730 --> 00:06:43,919

this was during a four-year Spanish

128

00:06:48,770 --> 00:06:46,740

sobriety so we can rule out drugs or

129

00:06:51,230 --> 00:06:48,780

alcohol immediately

130

00:06:53,150 --> 00:06:51,240

anyway it's early in the morning I

131

00:06:55,909 --> 00:06:53,160

didn't have a cell phone then and all

132

00:06:58,309 --> 00:06:55,919

the chaos I forgot to ask him

133

00:07:00,529 --> 00:06:58,319

but if I had to guess I'd see a it was

134

00:07:03,110 --> 00:07:00,539

about 3 A.M the morning

135

00:07:05,029 --> 00:07:03,120

the air around us suddenly chilled and I

136

00:07:09,050 --> 00:07:05,039

got goose bumps on my arm

137

00:07:11,089 --> 00:07:09,060

uh we hear this wicked Screech like how

138

00:07:12,890 --> 00:07:11,099

I imagine a pterodactyl would sound and

139

00:07:15,589 --> 00:07:12,900

flapping wings

140

00:07:17,570 --> 00:07:15,599

so I don't know where this thing and I

141

00:07:20,210 --> 00:07:17,580

had no idea how to describe it had wings

142

00:07:23,749 --> 00:07:20,220

and looked very prehistoric but

143

00:07:26,270 --> 00:07:23,759

it wasn't a bird my ex saw it before I

144

00:07:29,689 --> 00:07:26,280

did and when he stopped talking I

145

00:07:32,870 --> 00:07:29,699

noticed his silence and followed his

146

00:07:34,249 --> 00:07:32,880

gaze and found it it was well over 10

147

00:07:36,710 --> 00:07:34,259

foot long

148

00:07:38,629 --> 00:07:36,720

I'm not a small girl by any means I

149

00:07:42,170 --> 00:07:38,639

usually weigh enough for two people but

150

00:07:45,230 --> 00:07:42,180

I had the sense it would be able to

151
00:07:48,050 --> 00:07:45,240
carry me off effortlessly

152
00:07:49,790 --> 00:07:48,060
I couldn't even scream I it was a

153
00:07:52,909 --> 00:07:49,800
crippling fear

154
00:07:55,249 --> 00:07:52,919
I had knowledge of things I shouldn't

155
00:07:58,189 --> 00:07:55,259
like I know it wanted to attack me

156
00:08:01,129 --> 00:07:58,199
because I wasn't alone but absolutely no

157
00:08:02,469 --> 00:08:01,139
reason to feel that way we packed up and

158
00:08:05,749 --> 00:08:02,479
left

159
00:08:09,529 --> 00:08:05,759
so somehow on the two-hour drive to my

160
00:08:12,230 --> 00:08:09,539
house was 10 a.m now I don't remember

161
00:08:14,689 --> 00:08:12,240
the exact time we saw the creature but

162
00:08:16,909 --> 00:08:14,699
it was absolutely Pitch Black

163
00:08:18,890 --> 00:08:16,919

that time of year in the midwest the sun

164

00:08:21,890 --> 00:08:18,900

rises about 6 A.M

165

00:08:24,230 --> 00:08:21,900

so even it was 5 a.m or something it

166

00:08:25,909 --> 00:08:24,240

wouldn't be 10 a.m after a better part

167

00:08:27,830 --> 00:08:25,919

of a two-hour Drive

168

00:08:29,210 --> 00:08:27,840

now I'm into this to my accent he agreed

169

00:08:31,909 --> 00:08:29,220

it was weird

170

00:08:36,370 --> 00:08:31,919

I'm hyper aware at this point and I

171

00:08:39,649 --> 00:08:36,380

begin noticing cars pulling off the road

172

00:08:42,110 --> 00:08:39,659

uh they are looking in the sky so I look

173

00:08:45,230 --> 00:08:42,120

too and what I can only describe as an

174

00:08:47,570 --> 00:08:45,240

almost cliché looking UFO was overhead

175

00:08:50,810 --> 00:08:47,580

keeping Pace with the car

176
00:08:52,970 --> 00:08:50,820
I say this because a static object would

177
00:08:55,910 --> 00:08:52,980
have gotten smaller but for at least 15

178
00:08:57,829 --> 00:08:55,920
miles this thing kept pace with us

179
00:09:00,290 --> 00:08:57,839
stopping when we did and at

180
00:09:03,590 --> 00:09:00,300
intersections and then resuming

181
00:09:05,449 --> 00:09:03,600
uh I submit this to you because I don't

182
00:09:08,590 --> 00:09:05,459
feel a possible Thunderbolt or dinosaur

183
00:09:11,990 --> 00:09:08,600
sighting is Paranormal well I do

184
00:09:13,310 --> 00:09:12,000
likewise a UFO story doesn't belong with

185
00:09:15,350 --> 00:09:13,320
those either

186
00:09:17,449 --> 00:09:15,360
uh the two events coupled with the

187
00:09:19,250 --> 00:09:17,459
missing time is which lead me to report

188
00:09:21,949 --> 00:09:19,260

this and it does happen

189

00:09:23,110 --> 00:09:21,959

uh we get a lot of sightings of a lot of

190

00:09:25,730 --> 00:09:23,120

different things

191

00:09:27,110 --> 00:09:25,740

uh that kind of go hand in hand for

192

00:09:31,130 --> 00:09:27,120

whatever reason

193

00:09:34,970 --> 00:09:33,170

I don't see any questions look if you

194

00:09:39,290 --> 00:09:34,980

folks if you have questions go ahead and

195

00:09:41,509 --> 00:09:39,300

put in caps and put it up there and uh

196

00:09:44,210 --> 00:09:41,519

eventually will grab it and put it up

197

00:09:47,389 --> 00:09:44,220

for me to to answer

198

00:09:49,790 --> 00:09:47,399

so the next one a Devonshire UK witness

199

00:09:53,389 --> 00:09:49,800

captures several photographs

200

00:09:57,050 --> 00:09:53,399

of a small winged humanoid possibly a

201
00:10:00,889 --> 00:09:57,060
fairy while walking along Tegan Estuary

202
00:10:02,750 --> 00:10:00,899
near comb cellar so um I received this

203
00:10:05,949 --> 00:10:02,760
from Ken Pfeiffer

204
00:10:10,490 --> 00:10:05,959
over at uh World UFO photos

205
00:10:12,829 --> 00:10:10,500
it was uh and the witness States it was

206
00:10:13,970 --> 00:10:12,839
low tide and I was walking along the

207
00:10:18,170 --> 00:10:13,980
Tegan

208
00:10:20,090 --> 00:10:18,180
Estuary heading toward Combs sellers I

209
00:10:22,730 --> 00:10:20,100
had just passed the Holiday Park and

210
00:10:26,449 --> 00:10:22,740
hotel when I went around the corner on

211
00:10:29,329 --> 00:10:26,459
to be completely Amazed by what I saw

212
00:10:32,030 --> 00:10:29,339
there was a small golden glowing entity

213
00:10:33,470 --> 00:10:32,040

hovering just in front of some trees

214

00:10:35,870 --> 00:10:33,480

just ahead of me

215

00:10:37,009 --> 00:10:35,880

strangely everything had gone completely

216

00:10:39,949 --> 00:10:37,019

silent

217

00:10:42,230 --> 00:10:39,959

and I could take my eyes off of it

218

00:10:44,810 --> 00:10:42,240

I was totally transfixed upon this

219

00:10:47,710 --> 00:10:44,820

unusual golden glowing entity

220

00:10:50,329 --> 00:10:47,720

and I slowly raised up my Sony

221

00:10:52,550 --> 00:10:50,339

HX 300 camera and started taking

222

00:10:55,430 --> 00:10:52,560

photographs

223

00:10:57,829 --> 00:10:55,440

I was having real trouble holding the

224

00:11:00,470 --> 00:10:57,839

camera steady as I was trembling with so

225

00:11:02,769 --> 00:11:00,480

total excitement as this was definitely

226

00:11:05,810 --> 00:11:02,779

not something you see every day

227

00:11:07,910 --> 00:11:05,820

I quietly stood there observing the

228

00:11:10,069 --> 00:11:07,920

little entity while taking photographs

229

00:11:11,509 --> 00:11:10,079

now the glowing entity then flew down to

230

00:11:14,630 --> 00:11:11,519

the ground

231

00:11:17,150 --> 00:11:14,640

where it seemingly landed on a rock

232

00:11:19,550 --> 00:11:17,160

I can now see its true form and it

233

00:11:21,650 --> 00:11:19,560

appeared to be humanoid in nature but

234

00:11:24,290 --> 00:11:21,660

with wings on its back

235

00:11:26,509 --> 00:11:24,300

I could see its little arms and legs as

236

00:11:28,430 --> 00:11:26,519

it was perched upon the rock

237

00:11:31,190 --> 00:11:28,440

I immediately took another photograph

238

00:11:34,069 --> 00:11:31,200

before the small furry entity then took

239

00:11:36,769 --> 00:11:34,079

flight once again flying back up to the

240

00:11:39,889 --> 00:11:36,779

previous position before flew back into

241

00:11:42,889 --> 00:11:39,899

the trees where I sadly lost sight of it

242

00:11:44,870 --> 00:11:42,899

I was completely flabbergasted I could

243

00:11:45,889 --> 00:11:44,880

hardly believe what I had just seen in

244

00:11:48,110 --> 00:11:45,899

photograph

245

00:11:49,970 --> 00:11:48,120

this is simply incredible and proves for

246

00:11:52,730 --> 00:11:49,980

sure that little fairy entities exist

247

00:11:53,990 --> 00:11:52,740

within our world

248

00:11:58,250 --> 00:11:54,000

um

249

00:12:00,370 --> 00:11:58,260

so he gives a date and time at 4 56 pm

250

00:12:04,310 --> 00:12:00,380

on the 6th of August

251
00:12:05,930 --> 00:12:04,320
2022 so this is a recent sighting uh you

252
00:12:07,610 --> 00:12:05,940
know occasionally we look at these

253
00:12:09,590 --> 00:12:07,620
sightings I

254
00:12:11,030 --> 00:12:09,600
I don't know really what the makeup you

255
00:12:11,870 --> 00:12:11,040
know I have talked about these in the

256
00:12:14,329 --> 00:12:11,880
past

257
00:12:16,850 --> 00:12:14,339
uh the one I thought was most

258
00:12:19,850 --> 00:12:16,860
interesting was the one where the two

259
00:12:21,470 --> 00:12:19,860
women were in the car in Texas and this

260
00:12:23,090 --> 00:12:21,480
thing flew up to the windshield and

261
00:12:26,030 --> 00:12:23,100
seemed to be screaming at them inside

262
00:12:26,829 --> 00:12:26,040
the car for whatever reason

263
00:12:28,730 --> 00:12:26,839

um

264

00:12:32,030 --> 00:12:28,740

it's just

265

00:12:34,129 --> 00:12:32,040

just weird phenomena uh but you know

266

00:12:36,769 --> 00:12:34,139

getting involved with this winged

267

00:12:41,449 --> 00:12:36,779

humanoid phenomena big and small

268

00:12:43,370 --> 00:12:41,459

uh it's just very interesting and uh

269

00:12:45,710 --> 00:12:43,380

I mean I don't know I mean we we believe

270

00:12:47,470 --> 00:12:45,720

these these Wing humanoids in the

271

00:12:49,490 --> 00:12:47,480

Chicagoland area

272

00:12:51,230 --> 00:12:49,500

multi-terrestrial beings that they come

273

00:12:55,009 --> 00:12:51,240

from another dimension is that the same

274

00:12:56,269 --> 00:12:55,019

with fairies are small wing beans are

275

00:13:02,750 --> 00:12:56,279

they the same thing or they're

276

00:13:02,760 --> 00:13:08,269

let's see do we have a question

277

00:13:13,250 --> 00:13:09,650

yeah

278

00:13:15,350 --> 00:13:13,260

um we're Nighthawk states that uh Native

279

00:13:17,569 --> 00:13:15,360

American legends and such with the

280

00:13:22,370 --> 00:13:17,579

little people

281

00:13:22,380 --> 00:13:26,750

yeah that's what I figure

282

00:13:34,069 --> 00:13:30,410

so this uh this next account was we're a

283

00:13:36,530 --> 00:13:34,079

New Jersey teen was at home watching TV

284

00:13:38,810 --> 00:13:36,540

uh when he noticed a pair of eyes

285

00:13:42,170 --> 00:13:38,820

peering through the sliding glass door

286

00:13:44,569 --> 00:13:42,180

they later heard shriek and discovered a

287

00:13:46,550 --> 00:13:44,579

black crawler humanoid

288

00:13:48,290 --> 00:13:46,560

now this is a bit unusual because you

289

00:13:51,350 --> 00:13:48,300

know these these black these crawler

290

00:13:53,210 --> 00:13:51,360

humanoids are usually white in color but

291

00:13:55,069 --> 00:13:53,220

occasionally we do get a dark colored

292

00:13:59,870 --> 00:13:55,079

one I mean if you in my book mean

293

00:14:04,970 --> 00:14:02,150

now um the witness States I live in

294

00:14:06,949 --> 00:14:04,980

Galway Township New Jersey

295

00:14:08,870 --> 00:14:06,959

I know about the Jersey Devil Pine

296

00:14:11,990 --> 00:14:08,880

bearings and that sort of stuff I'm not

297

00:14:14,629 --> 00:14:12,000

all I'm also not really a Believer but

298

00:14:17,150 --> 00:14:14,639

I'm not a total skeptic either

299

00:14:19,490 --> 00:14:17,160

I'm sure it's possible for monsters and

300

00:14:23,509 --> 00:14:19,500

ghosts to exist but without

301

00:14:26,810 --> 00:14:23,519

having much experience I don't know

302

00:14:30,290 --> 00:14:26,820

anyway one night in 2015

303

00:14:32,689 --> 00:14:30,300

I was home alone I was 16 years old at

304

00:14:34,250 --> 00:14:32,699

the time my parents worked pretty late

305

00:14:36,050 --> 00:14:34,260

and didn't get home until around three

306

00:14:38,569 --> 00:14:36,060

or four in the morning

307

00:14:40,730 --> 00:14:38,579

uh I was used to it new siblings just a

308

00:14:41,689 --> 00:14:40,740

dog fat cats and I had the cows to

309

00:14:43,790 --> 00:14:41,699

myself

310

00:14:45,590 --> 00:14:43,800

now I'm laying on the couch watching TV

311

00:14:47,810 --> 00:14:45,600

and I noticed something out of the

312

00:14:49,970 --> 00:14:47,820

corner of my eye

313

00:14:52,490 --> 00:14:49,980

it's another pair of eyes looking at me

314

00:14:54,590 --> 00:14:52,500

through the slotting glass door

315

00:14:56,750 --> 00:14:54,600

now first I just assumed it was an

316

00:14:59,090 --> 00:14:56,760

animal or something we get possums a lot

317

00:15:01,310 --> 00:14:59,100

at night so I didn't really think much

318

00:15:04,069 --> 00:15:01,320

about it so five minutes go by and I

319

00:15:07,069 --> 00:15:04,079

hear this weird clawing on the door

320

00:15:09,949 --> 00:15:07,079

my living room was fairly large TV is in

321

00:15:12,949 --> 00:15:09,959

front of me then a couple feet away is a

322

00:15:15,350 --> 00:15:12,959

dining room table and another sliding

323

00:15:17,090 --> 00:15:15,360

glass door that leads to the back porch

324

00:15:19,310 --> 00:15:17,100

and yard

325

00:15:21,230 --> 00:15:19,320

the thing was on the thing was on the

326

00:15:23,509 --> 00:15:21,240

porch

327

00:15:25,550 --> 00:15:23,519

I got up to investigate first by

328

00:15:28,129 --> 00:15:25,560

flicking the light switch on immediately

329

00:15:30,889 --> 00:15:28,139

it scrambled off the porch it seemed to

330

00:15:32,810 --> 00:15:30,899

be scared of light so I turned it off

331

00:15:35,449 --> 00:15:32,820

and grabbed the flashlight

332

00:15:37,850 --> 00:15:35,459

now it wasn't there so I continued to

333

00:15:40,310 --> 00:15:37,860

assume there was an animal and it went

334

00:15:42,590 --> 00:15:40,320

back and I just went back to the couch

335

00:15:45,110 --> 00:15:42,600

so about an hour goes by

336

00:15:48,350 --> 00:15:45,120

and I hear this loud shriek come from

337

00:15:50,629 --> 00:15:48,360

the art now this time getting scared

338

00:15:53,689 --> 00:15:50,639

I jumped up and ran with the flashlight

339

00:15:55,910 --> 00:15:53,699

I dimmed it down by taking my index

340

00:15:58,249 --> 00:15:55,920

finger middle index finger middle finger

341

00:16:00,530 --> 00:15:58,259

and kind of cold it around the light

342

00:16:01,490 --> 00:16:00,540

still making it visible but not as

343

00:16:03,829 --> 00:16:01,500

bright

344

00:16:06,290 --> 00:16:03,839

I've shown it around the yard and the

345

00:16:07,550 --> 00:16:06,300

thing was still there but this time it

346

00:16:09,889 --> 00:16:07,560

was eating something

347

00:16:10,790 --> 00:16:09,899

and it looked like it was small like a

348

00:16:12,650 --> 00:16:10,800

rabbit

349

00:16:15,590 --> 00:16:12,660

and where I lived there are a ton of

350

00:16:18,530 --> 00:16:15,600

coyotes so maybe one had straight

351
00:16:20,509 --> 00:16:18,540
but again the shriek was awful and not

352
00:16:22,189 --> 00:16:20,519
something I've ever heard come from a

353
00:16:23,870 --> 00:16:22,199
coyote's mouth

354
00:16:26,030 --> 00:16:23,880
this thing was human

355
00:16:28,730 --> 00:16:26,040
or close to it anyway

356
00:16:31,490 --> 00:16:28,740
the skin was black and kind of wrinkled

357
00:16:34,129 --> 00:16:31,500
it had long Limbs and seemed to be in a

358
00:16:37,370 --> 00:16:34,139
crouched position most of the time but

359
00:16:39,470 --> 00:16:37,380
it was extremely fast I got scared and

360
00:16:41,749 --> 00:16:39,480
shined the light at it directly and

361
00:16:43,490 --> 00:16:41,759
again it screamed and dashed off into

362
00:16:45,530 --> 00:16:43,500
the woods

363
00:16:46,430 --> 00:16:45,540

now I stayed up until my parents got

364

00:16:49,069 --> 00:16:46,440

home

365

00:16:51,769 --> 00:16:49,079

um I didn't tell him yet just in case it

366

00:16:53,030 --> 00:16:51,779

was it was something silly I went to bed

367

00:16:55,129 --> 00:16:53,040

and for the rest of the night nothing

368

00:16:57,710 --> 00:16:55,139

about it came up

369

00:17:01,129 --> 00:16:57,720

uh they want to know what any idea what

370

00:17:06,470 --> 00:17:01,139

it was uh

371

00:17:08,929 --> 00:17:06,480

I believe it was a crawler humanoid

372

00:17:11,150 --> 00:17:08,939

and uh you know like I said before

373

00:17:12,770 --> 00:17:11,160

they're usually pale color but a lot of

374

00:17:13,730 --> 00:17:12,780

times we do get some different colors

375

00:17:19,130 --> 00:17:13,740

dark

376

00:17:29,630 --> 00:17:19,140

like a brown color and or or black so

377

00:17:33,529 --> 00:17:31,549

Bernadette asked do you think fairies

378

00:17:35,330 --> 00:17:33,539

calls people's disappearances that's a

379

00:17:37,250 --> 00:17:35,340

good question

380

00:17:42,230 --> 00:17:37,260

Maybe

381

00:17:45,710 --> 00:17:42,240

maybe they can lure people into portals

382

00:17:50,810 --> 00:17:48,169

um I don't know how true that is

383

00:17:52,430 --> 00:17:50,820

but uh you know imagine if you saw

384

00:17:53,570 --> 00:17:52,440

something like that you're in the woods

385

00:17:56,150 --> 00:17:53,580

you're going to try to follow it and

386

00:17:57,049 --> 00:17:56,160

they build you know go into something I

387

00:17:58,669 --> 00:17:57,059

don't know

388

00:17:59,870 --> 00:17:58,679

I don't think they can physically do

389

00:18:01,669 --> 00:17:59,880

anything to me but I guess they could

390

00:18:05,090 --> 00:18:01,679

probably lure you

391

00:18:07,510 --> 00:18:05,100

uh Jose Sanchez on average how large are

392

00:18:09,529 --> 00:18:07,520

these crawler humanoids reported to be

393

00:18:12,950 --> 00:18:09,539

usually they're

394

00:18:15,470 --> 00:18:12,960

anywhere from five to six foot in height

395

00:18:18,169 --> 00:18:15,480

um very thin emaciated

396

00:18:21,409 --> 00:18:18,179

oh

397

00:18:22,730 --> 00:18:21,419

almost like The Walking Dead I guess but

398

00:18:24,890 --> 00:18:22,740

uh I mean that's what they people

399

00:18:27,529 --> 00:18:24,900

described and looking like they're very

400

00:18:29,690 --> 00:18:27,539

pale skin for the most part this one was

401
00:18:31,310 --> 00:18:29,700
darker but they have a lot of

402
00:18:33,230 --> 00:18:31,320
characteristics too

403
00:18:34,909 --> 00:18:33,240
like I said if you read my book there's

404
00:18:35,690 --> 00:18:34,919
a lot there's a lot of different ones in

405
00:18:37,909 --> 00:18:35,700
there

406
00:18:40,789 --> 00:18:37,919
um it's interesting some that people see

407
00:18:43,669 --> 00:18:40,799
it in the descriptions it it is it's

408
00:18:45,770 --> 00:18:43,679
really interesting uh William Nighthawk

409
00:18:47,390 --> 00:18:45,780
asked uh do you think that they are

410
00:18:48,830 --> 00:18:47,400
Subterranean you know some people have

411
00:18:50,450 --> 00:18:48,840
asked that

412
00:18:52,250 --> 00:18:50,460
you know I didn't go into that in the

413
00:18:54,830 --> 00:18:52,260

book because quite frankly I don't know

414

00:18:56,330 --> 00:18:54,840

I believe that they may also be some

415

00:18:59,210 --> 00:18:56,340

type of

416

00:19:01,070 --> 00:18:59,220

ultra-terrestrial being

417

00:19:02,750 --> 00:19:01,080

um

418

00:19:05,330 --> 00:19:02,760

you know ever since we've been working

419

00:19:07,370 --> 00:19:05,340

with this uh the wing humanoid sightings

420

00:19:09,049 --> 00:19:07,380

and such

421

00:19:11,150 --> 00:19:09,059

I'm starting to believe more and more

422

00:19:12,890 --> 00:19:11,160

that a lot of the Cryptids that we see

423

00:19:16,130 --> 00:19:12,900

or people report

424

00:19:17,930 --> 00:19:16,140

are not indigenous and no I'm some may

425

00:19:21,890 --> 00:19:17,940

very well be

426

00:19:24,350 --> 00:19:21,900

but I I do believe that uh some of these

427

00:19:26,210 --> 00:19:24,360

these beings have the ability to move in

428

00:19:27,950 --> 00:19:26,220

and out of dementia's now is it

429

00:19:29,990 --> 00:19:27,960

Dimensions or is it some type of

430

00:19:32,330 --> 00:19:30,000

alternate reality or

431

00:19:34,310 --> 00:19:32,340

what is it I mean I don't know that I

432

00:19:35,690 --> 00:19:34,320

don't know these crawlers seem to show

433

00:19:37,250 --> 00:19:35,700

up

434

00:19:39,289 --> 00:19:37,260

pretty quickly

435

00:19:41,510 --> 00:19:39,299

for whatever reason

436

00:19:44,330 --> 00:19:41,520

so and of course they scared of the

437

00:19:45,350 --> 00:19:44,340

Jesus out of whoever is around there uh

438

00:19:47,029 --> 00:19:45,360

they don't normally seem to be

439

00:19:50,090 --> 00:19:47,039

aggressive

440

00:19:51,590 --> 00:19:50,100

but they do seem to be curious so I

441

00:19:57,470 --> 00:19:51,600

don't know if they're here to hunt or

442

00:20:03,470 --> 00:19:59,270

um

443

00:20:05,090 --> 00:20:03,480

do many this is from Martha Marla Snyder

444

00:20:07,789 --> 00:20:05,100

we're going to do many reports of

445

00:20:10,130 --> 00:20:07,799

crawler humanoids described it as fast

446

00:20:17,930 --> 00:20:10,140

it can be

447

00:20:19,610 --> 00:20:17,940

run upright they do run on all fours um

448

00:20:21,110 --> 00:20:19,620

they Scamper pretty quickly from

449

00:20:22,909 --> 00:20:21,120

something I've seen

450

00:20:25,070 --> 00:20:22,919

and Vince has said you remember the

451
00:20:26,270 --> 00:20:25,080
orange crawler yeah we had one here in

452
00:20:31,909 --> 00:20:26,280
Pennsylvania

453
00:20:34,610 --> 00:20:31,919
the book uh yeah actually that that one

454
00:20:38,210 --> 00:20:34,620
got into somebody's van

455
00:20:39,409 --> 00:20:38,220
uh as she was driving and uh that was

456
00:20:42,169 --> 00:20:39,419
pretty weird

457
00:20:44,630 --> 00:20:42,179
but um

458
00:20:48,230 --> 00:20:44,640
I might I might have to dig that out and

459
00:20:50,330 --> 00:20:48,240
read that one when one of these shows

460
00:20:58,190 --> 00:20:50,340
there's a lot of weird ones a lot of

461
00:20:58,200 --> 00:21:04,250
okay well let's go to the next report

462
00:21:10,430 --> 00:21:06,710
uh this is an interesting one a family

463
00:21:13,549 --> 00:21:10,440

with a disabled son rents a cabin along

464

00:21:14,810 --> 00:21:13,559

a remotely Lake in St Louis County in

465

00:21:20,149 --> 00:21:14,820

Minnesota

466

00:21:22,789 --> 00:21:20,159

Bigfoot begins mimicking the sound made

467

00:21:26,390 --> 00:21:22,799

by the Sun

468

00:21:28,730 --> 00:21:26,400

so the the witness writes we had

469

00:21:31,070 --> 00:21:28,740

traveled up near the Canadian border in

470

00:21:31,970 --> 00:21:31,080

St Louis County Minnesota a few summers

471

00:21:34,789 --> 00:21:31,980

ago

472

00:21:36,830 --> 00:21:34,799

we rented a camp and Off the Grid in the

473

00:21:39,770 --> 00:21:36,840

middle of nowhere our son is severely

474

00:21:42,470 --> 00:21:39,780

disabled and while he's non-verbal he

475

00:21:45,770 --> 00:21:42,480

definitely isn't quiet he makes very

476
00:21:48,830 --> 00:21:45,780
loud sounds governor shrieks and whoops

477
00:21:51,049 --> 00:21:48,840
uh this particular spot takes about an

478
00:21:52,909 --> 00:21:51,059
hour off road to get to it's near a

479
00:21:55,430 --> 00:21:52,919
logging it's near logging roads but

480
00:21:57,970 --> 00:21:55,440
there are new people very rugged roads

481
00:22:01,730 --> 00:21:57,980
the cabinet is on a

482
00:22:04,789 --> 00:22:01,740
230 excuse me 320 acre Lake and

483
00:22:07,370 --> 00:22:04,799
surrounded by well or 40 acres of forest

484
00:22:10,130 --> 00:22:07,380
uh it's just us there so plenty more

485
00:22:12,590 --> 00:22:10,140
Acres but that is just the acreage

486
00:22:14,990 --> 00:22:12,600
around the cabin

487
00:22:16,370 --> 00:22:15,000
now that night my son was standing on

488
00:22:20,149 --> 00:22:16,380

the deck

489

00:22:22,130 --> 00:22:20,159

it's on the second level of the cabin he

490

00:22:24,470 --> 00:22:22,140

was jumping and bashing and howling like

491

00:22:26,390 --> 00:22:24,480

usual the pounding of his jumping on the

492

00:22:27,710 --> 00:22:26,400

deck was reverberating throughout the

493

00:22:30,590 --> 00:22:27,720

forest

494

00:22:33,590 --> 00:22:30,600

this was something we would usually

495

00:22:35,510 --> 00:22:33,600

worry about but not hear it felt great

496

00:22:38,450 --> 00:22:35,520

not to have to worry

497

00:22:41,210 --> 00:22:38,460

this is the very reason we were here no

498

00:22:42,649 --> 00:22:41,220

one to judge us or get upset by our

499

00:22:44,450 --> 00:22:42,659

sounds

500

00:22:46,850 --> 00:22:44,460

now

501
00:22:47,630 --> 00:22:46,860
off to the West we began hearing

502
00:22:52,370 --> 00:22:47,640
something

503
00:22:55,610 --> 00:22:52,380
it sounded as if it was mimicking my son

504
00:22:58,370 --> 00:22:55,620
uh just didn't feel real at first there

505
00:22:59,870 --> 00:22:58,380
was like a like uh no way this is

506
00:23:01,669 --> 00:22:59,880
happening moment it mimicked him

507
00:23:04,430 --> 00:23:01,679
unbelievably well

508
00:23:06,649 --> 00:23:04,440
it was loud and sound as though it had a

509
00:23:08,750 --> 00:23:06,659
lung capacity of 20 men

510
00:23:11,029 --> 00:23:08,760
it was definitely an animal it didn't

511
00:23:14,690 --> 00:23:11,039
sound angry at all or menacing it was

512
00:23:17,210 --> 00:23:14,700
just a strong mimicking sound

513
00:23:19,909 --> 00:23:17,220

I don't know really how to explain it

514

00:23:21,770 --> 00:23:19,919

we went inside and did our best to

515

00:23:24,169 --> 00:23:21,780

ignore it I felt the entire rest of the

516

00:23:26,750 --> 00:23:24,179

trip as if we were being watched

517

00:23:28,669 --> 00:23:26,760

I couldn't shake that feeling it was the

518

00:23:30,529 --> 00:23:28,679

most uncomfortable I've ever felt in my

519

00:23:33,230 --> 00:23:30,539

life I can't explain it

520

00:23:35,750 --> 00:23:33,240

uh just thinking about it makes me

521

00:23:37,370 --> 00:23:35,760

uncomfortable so there were very odd

522

00:23:39,110 --> 00:23:37,380

things that occurred that week but I

523

00:23:41,930 --> 00:23:39,120

don't really feel comfortable sharing

524

00:23:44,330 --> 00:23:41,940

almost Supernatural I know

525

00:23:45,890 --> 00:23:44,340

that sounds silly smoke alarms going off

526

00:23:46,909 --> 00:23:45,900

at night except they're just weird

527

00:23:48,950 --> 00:23:46,919

things

528

00:23:52,990 --> 00:23:48,960

we actually ended up going back the next

529

00:23:56,090 --> 00:23:53,000

summer as we didn't let our other son

530

00:23:58,430 --> 00:23:56,100

uh know what had happened

531

00:24:01,970 --> 00:23:58,440

because he was asleep at the time

532

00:24:04,070 --> 00:24:01,980

uh we have had no incidents like that

533

00:24:06,710 --> 00:24:04,080

again the feeling of being washed in

534

00:24:09,110 --> 00:24:06,720

nothing uncomfortable by that incident

535

00:24:14,330 --> 00:24:09,120

that week and but it'll always stay with

536

00:24:19,490 --> 00:24:16,610

where a Bigfoot will mimic

537

00:24:22,970 --> 00:24:21,230

they're pretty good at mimicking I mean

538

00:24:25,549 --> 00:24:22,980

some of the things I have heard people

539

00:24:28,190 --> 00:24:25,559

tell me now I have actually heard it

540

00:24:30,409 --> 00:24:28,200

well I did hear one recording one time

541

00:24:32,630 --> 00:24:30,419

that will be

542

00:24:34,549 --> 00:24:32,640

um I would it was obviously a Bigfoot

543

00:24:37,730 --> 00:24:34,559

that was mimicking

544

00:24:39,830 --> 00:24:37,740

a uh mimicking a dog it was trying to

545

00:24:42,230 --> 00:24:39,840

bark like a dog that was

546

00:24:45,289 --> 00:24:42,240

part of you know a family dog

547

00:24:46,850 --> 00:24:45,299

and uh it was really good I mean it had

548

00:24:49,149 --> 00:24:46,860

it had the Rhythm down and everything

549

00:24:52,010 --> 00:24:49,159

even the tone

550

00:24:59,990 --> 00:24:52,020

so um

551
00:25:00,000 --> 00:25:03,110
okay

552
00:25:07,669 --> 00:25:05,210
hey uh we got another one the young

553
00:25:11,149 --> 00:25:07,679
Arkansas woman notices an unknown being

554
00:25:13,850 --> 00:25:11,159
while driving out of her family property

555
00:25:16,490 --> 00:25:13,860
not long later she is shocked to see

556
00:25:20,450 --> 00:25:16,500
that a pale crawler humanoid is chasing

557
00:25:26,090 --> 00:25:23,149
now I want the preface this by saying

558
00:25:29,810 --> 00:25:26,100
that my grandparents landed 75 Acres of

559
00:25:31,490 --> 00:25:29,820
horror in Southeastern Arkansas

560
00:25:33,890 --> 00:25:31,500
I grew up

561
00:25:36,529 --> 00:25:33,900
so all the crazies didn't really affect

562
00:25:38,510 --> 00:25:36,539
me so you know I grew up there so all

563
00:25:40,909 --> 00:25:38,520

the craziest didn't really affect me

564

00:25:43,130 --> 00:25:40,919

so if my reactions are odd it's because

565

00:25:45,049 --> 00:25:43,140

this is my life and I'm kind of

566

00:25:47,810 --> 00:25:45,059

desensitized to it

567

00:25:50,450 --> 00:25:47,820

uh no this is not the only thing to

568

00:25:53,330 --> 00:25:50,460

chase after me in my car but this one

569

00:25:56,330 --> 00:25:53,340

was different anyway I was 17 years old

570

00:25:58,549 --> 00:25:56,340

driving for my dad's house on the before

571

00:26:00,710 --> 00:25:58,559

mentioned land pretty late I think was

572

00:26:03,529 --> 00:26:00,720

around 11 p.m or so

573

00:26:06,110 --> 00:26:03,539

I had dropped someone off at my dad's

574

00:26:08,690 --> 00:26:06,120

house and was driving back into town to

575

00:26:11,630 --> 00:26:08,700

get back to my mom's place

576
00:26:13,130 --> 00:26:11,640
you know as I was driving down our long

577
00:26:16,310 --> 00:26:13,140
driveway

578
00:26:18,049 --> 00:26:16,320
I kept seeing things move in the field

579
00:26:20,330 --> 00:26:18,059
now I didn't pay any attention probably

580
00:26:22,730 --> 00:26:20,340
just a rabbit or something things moving

581
00:26:24,830 --> 00:26:22,740
in the grass is normal

582
00:26:28,909 --> 00:26:24,840
I got out to the road I see someone

583
00:26:31,370 --> 00:26:28,919
something in the ditch just laying there

584
00:26:33,769 --> 00:26:31,380
now me being a girl in a raggedy old car

585
00:26:36,350 --> 00:26:33,779
at a place with poor cell signal in the

586
00:26:39,470 --> 00:26:36,360
middle of the night with no weapon I

587
00:26:42,289 --> 00:26:39,480
floored it and I I don't care I figured

588
00:26:44,750 --> 00:26:42,299

I could call my dad later and take care

589

00:26:46,909 --> 00:26:44,760

of a possible drunk in the ditch

590

00:26:50,390 --> 00:26:46,919

now I'm driving down the road the memory

591

00:26:52,250 --> 00:26:50,400

of the ditch person creeping me out

592

00:26:53,510 --> 00:26:52,260

but I get this awful feeling of being

593

00:26:55,669 --> 00:26:53,520

watched

594

00:26:58,010 --> 00:26:55,679

I'm traveling down this road nearly six

595

00:26:59,330 --> 00:26:58,020

mile 60 mile an hour with no signal

596

00:27:02,390 --> 00:26:59,340

whatsoever

597

00:27:05,269 --> 00:27:02,400

how okay maybe I'm just really reacting

598

00:27:07,070 --> 00:27:05,279

whatever I still speed up because I want

599

00:27:09,710 --> 00:27:07,080

to get to the sell signal call my

600

00:27:11,090 --> 00:27:09,720

boyfriend because uh talking to him made

601
00:27:13,730 --> 00:27:11,100
me feel safer

602
00:27:16,970 --> 00:27:13,740
then I see something

603
00:27:18,769 --> 00:27:16,980
running alongside my car well I say

604
00:27:21,830 --> 00:27:18,779
running it was more like it was

605
00:27:24,470 --> 00:27:21,840
skittering like he limbs on all fours

606
00:27:28,850 --> 00:27:24,480
running and keeping up with me going 60

607
00:27:30,649 --> 00:27:28,860
plus down a country logging Highway

608
00:27:33,350 --> 00:27:30,659
I think my brain kind of had her

609
00:27:36,230 --> 00:27:33,360
aneurysm at that point because I could

610
00:27:37,549 --> 00:27:36,240
repeatedly just repeated to myself what

611
00:27:39,590 --> 00:27:37,559
the f

612
00:27:42,590 --> 00:27:39,600
I'm getting closer to civilization

613
00:27:45,289 --> 00:27:42,600

though so I floor it getting up to 80

614

00:27:47,450 --> 00:27:45,299

mile an hour and leaving it behind I

615

00:27:49,070 --> 00:27:47,460

call my boyfriend freaking out about

616

00:27:51,830 --> 00:27:49,080

what I just saw

617

00:27:53,990 --> 00:27:51,840

I pulled over a little got a little

618

00:27:57,649 --> 00:27:54,000

church with a light out in front trying

619

00:28:00,289 --> 00:27:57,659

to logic it out when I see the thing

620

00:28:02,990 --> 00:28:00,299

again it's on the road skittering toward

621

00:28:04,970 --> 00:28:03,000

my poor car before I have time to pull

622

00:28:08,570 --> 00:28:04,980

out of the lot it's only hitting my core

623

00:28:12,230 --> 00:28:08,580

hard enough to Dent the rear bumper

624

00:28:15,409 --> 00:28:12,240

I scream squealing out of the lot and

625

00:28:17,870 --> 00:28:15,419

driving like a maniac towards town

626

00:28:19,850 --> 00:28:17,880

I get into town and circle around the

627

00:28:22,430 --> 00:28:19,860

main area a few times calming down

628

00:28:25,010 --> 00:28:22,440

before I get to my mom's

629

00:28:27,409 --> 00:28:25,020

uh further description of this thing it

630

00:28:31,250 --> 00:28:27,419

was weirdly flat like someone trying to

631

00:28:33,889 --> 00:28:31,260

get a back then but not bending its

632

00:28:37,490 --> 00:28:33,899

limbs were long and spindly with pale

633

00:28:39,950 --> 00:28:37,500

skin stretched too tight across his bone

634

00:28:41,630 --> 00:28:39,960

across his bones yeah we've gotten that

635

00:28:44,389 --> 00:28:41,640

description a lot almost like this thing

636

00:28:47,090 --> 00:28:44,399

is flat and running on all fours

637

00:28:48,169 --> 00:28:47,100

almost like a board with legs it's

638

00:28:50,690 --> 00:28:48,179

pretty weird

639

00:28:52,310 --> 00:28:50,700

uh and those like somebody asked how

640

00:28:55,490 --> 00:28:52,320

fast it was yeah these things are fast

641

00:28:57,350 --> 00:28:55,500

they can be really fast

642

00:28:59,330 --> 00:28:57,360

um

643

00:29:01,310 --> 00:28:59,340

that's the last account I have tonight

644

00:29:02,630 --> 00:29:01,320

if anybody has any questions you know

645

00:29:05,269 --> 00:29:02,640

let me know

646

00:29:08,389 --> 00:29:05,279

uh put them up there for me do you think

647

00:29:10,070 --> 00:29:08,399

uh this has been 39's Sean man

648

00:29:12,350 --> 00:29:10,080

do you think only certain people have

649

00:29:14,630 --> 00:29:12,360

the agility the ability to see uh

650

00:29:17,029 --> 00:29:14,640

Cryptids goes like it like it's an

651
00:29:19,490 --> 00:29:17,039
ability yeah I think so I think you know

652
00:29:20,990 --> 00:29:19,500
and I think more so since

653
00:29:21,970 --> 00:29:21,000
would have been what's been going on in

654
00:29:24,889 --> 00:29:21,980
Chicago

655
00:29:26,510 --> 00:29:24,899
uh I I think certain people have the

656
00:29:28,970 --> 00:29:26,520
ability or have given the ability or

657
00:29:30,950 --> 00:29:28,980
allowed to see these things you want

658
00:29:34,490 --> 00:29:30,960
other people who are around it just

659
00:29:36,529 --> 00:29:34,500
seems to be that way uh does this happen

660
00:29:38,389 --> 00:29:36,539
with other cryptic sure it may very well

661
00:29:40,190 --> 00:29:38,399
you know

662
00:29:42,289 --> 00:29:40,200
um

663
00:29:45,470 --> 00:29:42,299

there have been instances of other

664

00:29:47,990 --> 00:29:45,480

sightings taking place where you know

665

00:29:49,190 --> 00:29:48,000

somebody doesn't realize what they're

666

00:29:51,289 --> 00:29:49,200

seeing

667

00:30:07,610 --> 00:29:51,299

uh

668

00:30:09,169 --> 00:30:07,620

vibrating at a frequency what explains

669

00:30:12,169 --> 00:30:09,179

the way they appear and disagree that's

670

00:30:13,510 --> 00:30:12,179

possible you know we've heard that we've

671

00:30:17,090 --> 00:30:13,520

heard that explanation for

672

00:30:19,789 --> 00:30:17,100

extraterrestrial aliens

673

00:30:22,250 --> 00:30:19,799

being able to match a frequency to move

674

00:30:25,190 --> 00:30:22,260

in and out possibly through a doorway

675

00:30:28,909 --> 00:30:25,200

through a craft through something solid

676

00:30:31,250 --> 00:30:28,919

uh that's I guess that that could happen

677

00:30:33,590 --> 00:30:31,260

it's probably been proven

678

00:30:35,930 --> 00:30:33,600

but it's a theory and

679

00:30:38,810 --> 00:30:35,940

um some

680

00:30:41,210 --> 00:30:38,820

some abductees have talked about that

681

00:30:42,769 --> 00:30:41,220

what he felt like they were when they

682

00:30:44,450 --> 00:30:42,779

were being abducted and when they got

683

00:30:45,529 --> 00:30:44,460

close to their craft they felt something

684

00:30:48,049 --> 00:30:45,539

like

685

00:30:50,510 --> 00:30:48,059

they were being pulled apart and they

686

00:30:53,149 --> 00:30:50,520

moved through the walls or through the

687

00:30:56,389 --> 00:30:53,159

outside of a craft and go inside

688

00:30:58,909 --> 00:30:56,399

are they matching molecular structure or

689

00:31:02,690 --> 00:30:58,919

is the vibration able to match that of

690

00:31:04,250 --> 00:31:02,700

The Craft I don't know but it's it's an

691

00:31:07,029 --> 00:31:04,260

interesting Theory

692

00:31:13,870 --> 00:31:07,039

I think maybe other Cryptids and other

693

00:31:28,370 --> 00:31:15,600

anything else

694

00:31:36,470 --> 00:31:30,350

David Jones Locker what's the most

695

00:31:40,070 --> 00:31:37,970

you know

696

00:31:42,529 --> 00:31:40,080

I guess I ought to write these things

697

00:31:45,710 --> 00:31:42,539

down and and put them in order of what

698

00:31:46,430 --> 00:31:45,720

you know I've heard of before

699

00:31:48,169 --> 00:31:46,440

um

700

00:31:49,190 --> 00:31:48,179

I don't know I've heard all kinds of

701
00:31:51,950 --> 00:31:49,200
crazy things

702
00:31:54,590 --> 00:31:51,960
and I've written about most of them

703
00:31:57,950 --> 00:31:54,600
uh I can't really put it in

704
00:32:01,130 --> 00:31:57,960
to the strangest category which every

705
00:32:03,470 --> 00:32:01,140
one of them's got a strange level to it

706
00:32:05,930 --> 00:32:03,480
uh

707
00:32:08,389 --> 00:32:05,940
I I think I think the Cryptids that are

708
00:32:15,289 --> 00:32:08,399
able to

709
00:32:18,110 --> 00:32:15,299
disappear or cloak or to that effect I

710
00:32:20,269 --> 00:32:18,120
think those are very strange

711
00:32:24,049 --> 00:32:20,279
no and I think a lot of the I think a

712
00:32:26,570 --> 00:32:24,059
lot of them can do that to some degree

713
00:32:31,190 --> 00:32:28,310

and that may be a reason why they're

714

00:32:33,350 --> 00:32:31,200

able to move Among Us like a lot of

715

00:32:37,130 --> 00:32:33,360

other phenomena you know it's possible

716

00:32:39,230 --> 00:32:37,140

that these beings are standing right

717

00:32:42,409 --> 00:32:39,240

beside us now and we're just not able to

718

00:32:45,350 --> 00:32:42,419

sense or see them and uh

719

00:32:47,330 --> 00:32:45,360

But as time has gone on more and more I

720

00:32:52,070 --> 00:32:47,340

think we really

721

00:32:54,470 --> 00:32:52,080

that they do have some of these things

722

00:32:56,029 --> 00:32:54,480

have the ability to do that now

723

00:32:58,430 --> 00:32:56,039

who knows

724

00:33:00,590 --> 00:32:58,440

but uh

725

00:33:01,630 --> 00:33:00,600

maybe one day we'll catch one of these

726
00:33:04,490 --> 00:33:01,640
things

727
00:33:06,710 --> 00:33:04,500
manifesting or disappearing to the point

728
00:33:10,430 --> 00:33:06,720
where it's actually a believable

729
00:33:12,470 --> 00:33:10,440
uh either on film or you know

730
00:33:15,409 --> 00:33:12,480
dancing Malcolm asks what crypto would

731
00:33:17,330 --> 00:33:15,419
you want to hunt that you haven't heard

732
00:33:20,269 --> 00:33:17,340
much about

733
00:33:23,690 --> 00:33:20,279
I don't want to hold any of them be

734
00:33:25,970 --> 00:33:23,700
honest with you uh some of these things

735
00:33:28,130 --> 00:33:25,980
scare me to death the canines especially

736
00:33:28,909 --> 00:33:28,140
they worry men

737
00:33:32,090 --> 00:33:28,919
um

738
00:33:34,430 --> 00:33:32,100

not only are they terrifying

739

00:33:36,350 --> 00:33:34,440

but some of the characteristics

740

00:33:38,570 --> 00:33:36,360

especially with the the case we've got

741

00:33:41,330 --> 00:33:38,580

here in Pennsylvania right now in Berks

742

00:33:42,649 --> 00:33:41,340

County that's a frightening case I don't

743

00:33:45,230 --> 00:33:42,659

know how that thing's going to react

744

00:33:49,009 --> 00:33:45,240

when we get out there if we ever see it

745

00:33:54,169 --> 00:33:51,649

I mean he was terrified

746

00:33:56,450 --> 00:33:54,179

so um

747

00:33:58,549 --> 00:33:56,460

I don't really want to hunt any of them

748

00:34:00,830 --> 00:33:58,559

you know I just you know I'd like to see

749

00:34:02,950 --> 00:34:00,840

them you know I've had a couple cryptic

750

00:34:06,409 --> 00:34:02,960

encounters myself

751
00:34:08,270 --> 00:34:06,419
uh but uh as far as having those that I

752
00:34:09,649 --> 00:34:08,280
haven't heard much about we're kind of

753
00:34:10,790 --> 00:34:09,659
hearing a little bit about everything

754
00:34:15,889 --> 00:34:10,800
now

755
00:34:19,069 --> 00:34:15,899
want to consider that I guess you would

756
00:34:20,990 --> 00:34:19,079
consider it a Cryptid but um

757
00:34:24,109 --> 00:34:21,000
I would like to see one of them I'd like

758
00:34:26,990 --> 00:34:24,119
to get a sense of what these things are

759
00:34:29,750 --> 00:34:27,000
um you know I feel kind of

760
00:34:31,069 --> 00:34:29,760
I feel kind of out of it reporting on

761
00:34:33,290 --> 00:34:31,079
all this stuff that's going on around

762
00:34:35,089 --> 00:34:33,300
Chicago and other areas where these Wing

763
00:34:38,149 --> 00:34:35,099

humanoids are going and I did have a

764

00:34:39,530 --> 00:34:38,159

wing humanoid encounter in 88. but I

765

00:34:41,510 --> 00:34:39,540

kind of feel left out because I'd like

766

00:34:42,609 --> 00:34:41,520

to be able to get an actual look at one

767

00:34:45,530 --> 00:34:42,619

of these things

768

00:34:47,450 --> 00:34:45,540

uh so um

769

00:34:54,430 --> 00:34:47,460

I I think it may answer some questions

770

00:34:54,440 --> 00:34:58,190

let's see

771

00:35:02,569 --> 00:35:00,349

what is happening in Chicago I have not

772

00:35:04,430 --> 00:35:02,579

heard oh my God

773

00:35:06,109 --> 00:35:04,440

well I tell you the best thing you can

774

00:35:08,210 --> 00:35:06,119

do at this point because it's hard for

775

00:35:10,310 --> 00:35:08,220

me to describe but actually the winged

776

00:35:12,710 --> 00:35:10,320

humanoid or the Chicago Mothman

777

00:35:15,650 --> 00:35:12,720

sightings in Chicago been going on I

778

00:35:18,890 --> 00:35:15,660

actually started 2011 but it really

779

00:35:20,690 --> 00:35:18,900

started picking up in 2017 and our team

780

00:35:23,150 --> 00:35:20,700

has really been involved with the whole

781

00:35:25,970 --> 00:35:23,160

investigation I've written two books

782

00:35:29,630 --> 00:35:25,980

about it uh Tobias Whalen has written a

783

00:35:31,910 --> 00:35:29,640

book about it uh it's it's kind of the

784

00:35:33,109 --> 00:35:31,920

the biggest investigation I've ever been

785

00:35:35,569 --> 00:35:33,119

involved with

786

00:35:38,470 --> 00:35:35,579

uh because it continues to go on I mean

787

00:35:41,930 --> 00:35:38,480

we're at the point now we're up past 150

788

00:35:43,790 --> 00:35:41,940

uh sightings that we believe are real I

789

00:35:46,010 --> 00:35:43,800
mean that were actual sightings

790

00:35:49,810 --> 00:35:46,020
and the sightings extend

791

00:35:53,030 --> 00:35:49,820
anywhere from um the Chicago metro area

792

00:35:55,870 --> 00:35:53,040
suburbs North into as far north as

793

00:35:59,990 --> 00:35:55,880
Milwaukee and Wisconsin and out to

794

00:36:02,670 --> 00:36:00,000
uh Western Wisconsin into Illinois down

795

00:36:03,230 --> 00:36:02,680
into uh Indiana

796

00:36:04,069 --> 00:36:03,240
[Music]

797

00:36:06,710 --> 00:36:04,079
um

798

00:36:09,050 --> 00:36:06,720
there are a lot of names for it uh the

799

00:36:11,390 --> 00:36:09,060
Chicago Mothman the hair Mothman because

800

00:36:14,390 --> 00:36:11,400
of all the settings and around the

801
00:36:16,069 --> 00:36:14,400
airport the past couple years uh some

802
00:36:18,109 --> 00:36:16,079
call it the Lake Michigan Mothman

803
00:36:20,870 --> 00:36:18,119
because it's in areas around Lake

804
00:36:21,890 --> 00:36:20,880
Michigan particularly on the uh the West

805
00:36:24,109 --> 00:36:21,900
Shore

806
00:36:26,089 --> 00:36:24,119
so uh yeah that's what's going on in

807
00:36:28,010 --> 00:36:26,099
Chicago I think if you go to the

808
00:36:29,870 --> 00:36:28,020
families of monsters.com

809
00:36:33,230 --> 00:36:29,880
and uh

810
00:36:35,349 --> 00:36:33,240
look for the art better yet go to uh

811
00:36:37,310 --> 00:36:35,359
cryptidhunters.org

812
00:36:39,290 --> 00:36:37,320
and um

813
00:36:40,790 --> 00:36:39,300

we have all that stuff listed there you

814

00:36:43,310 --> 00:36:40,800

just click on it and it'll take you to

815

00:36:45,109 --> 00:36:43,320

all the sightings and there's also a

816

00:36:46,790 --> 00:36:45,119

link to the map too because we keep

817

00:37:04,490 --> 00:36:46,800

we're keeping track of everything on

818

00:37:10,910 --> 00:37:07,130

I guess Andrew's Esther he's asking

819

00:37:13,550 --> 00:37:10,920

about if this uh Berks County setting is

820

00:37:16,130 --> 00:37:13,560

in the lake and loop actually it's not

821

00:37:17,329 --> 00:37:16,140

where we might have to extend the loop a

822

00:37:22,670 --> 00:37:17,339

little further east

823

00:37:27,589 --> 00:37:25,609

I guess it's about 50 to 60 miles away

824

00:37:29,210 --> 00:37:27,599

from the ACT where the loop ends in

825

00:37:31,010 --> 00:37:29,220

Pennsylvania

826
00:37:32,630 --> 00:37:31,020
and that's been going on we're getting

827
00:37:34,970 --> 00:37:32,640
more uh we're getting more and more

828
00:37:37,390 --> 00:37:34,980
sightings throughout the state so you

829
00:37:39,650 --> 00:37:37,400
know the like and loop is kind of

830
00:37:42,470 --> 00:37:39,660
synonymous with the early sightings but

831
00:37:43,550 --> 00:37:42,480
it's extending outwards now I don't

832
00:37:46,430 --> 00:37:43,560
think there's a part of the state we

833
00:37:50,630 --> 00:37:46,440
haven't had a sighting

834
00:37:54,050 --> 00:37:50,640
and in fact it's been pretty um

835
00:37:56,810 --> 00:37:54,060
it's been pretty busy this summer

836
00:38:00,130 --> 00:37:56,820
we're looking at right now at

837
00:38:02,690 --> 00:38:00,140
three cases two other Maybe

838
00:38:04,970 --> 00:38:02,700

uh so uh there's been a lot of sight

839

00:38:07,010 --> 00:38:04,980

especially in Eastern Pennsylvania

840

00:38:07,849 --> 00:38:07,020

which is kind of unusual

841

00:38:09,530 --> 00:38:07,859

um

842

00:38:13,490 --> 00:38:09,540

for whatever reason they're showing up

843

00:38:16,550 --> 00:38:14,390

um

844

00:38:19,370 --> 00:38:16,560

what convention wants to do what do you

845

00:38:22,069 --> 00:38:19,380

think these shadow creatures are

846

00:38:24,650 --> 00:38:22,079

I don't know you know if you're talking

847

00:38:26,990 --> 00:38:24,660

about Shadow People

848

00:38:29,030 --> 00:38:27,000

there's a lot of theories about them I

849

00:38:32,470 --> 00:38:29,040

don't think they're they're really

850

00:38:36,589 --> 00:38:32,480

Spirits I think they're some type of uh

851
00:38:39,349 --> 00:38:36,599
entity that is has nothing to do human

852
00:38:41,510 --> 00:38:39,359
uh it may be something that has moved

853
00:38:43,370 --> 00:38:41,520
into our Earth plane somehow

854
00:38:45,530 --> 00:38:43,380
dimensionally

855
00:38:49,490 --> 00:38:45,540
but they're very destructive

856
00:38:51,650 --> 00:38:49,500
they seem to seek out dysfunction death

857
00:38:54,290 --> 00:38:51,660
tragedy

858
00:38:56,569 --> 00:38:54,300
within a household and such and get and

859
00:39:04,790 --> 00:38:56,579
stick themselves into it and literally

860
00:39:12,710 --> 00:39:06,710
and I've had quite a number of those

861
00:39:18,530 --> 00:39:15,589
Nancy Malcolm many had many people tried

862
00:39:20,930 --> 00:39:18,540
summoning any Cryptids

863
00:39:23,089 --> 00:39:20,940

yeah there have been some attempts I I

864

00:39:25,130 --> 00:39:23,099

know my team

865

00:39:26,690 --> 00:39:25,140

I I know we wouldn't really see it

866

00:39:28,970 --> 00:39:26,700

summoning

867

00:39:31,069 --> 00:39:28,980

we've had some connections with a few

868

00:39:33,050 --> 00:39:31,079

and I'm talking about the wing human

869

00:39:36,349 --> 00:39:33,060

noise I haven't

870

00:39:40,010 --> 00:39:36,359

but several the folks on my team our

871

00:39:43,069 --> 00:39:40,020

team have had some involvement

872

00:39:45,230 --> 00:39:43,079

um so um yeah

873

00:39:47,150 --> 00:39:45,240

yeah I mean I haven't really summoned

874

00:39:47,990 --> 00:39:47,160

anything or had the connection with

875

00:39:50,450 --> 00:39:48,000

anything

876

00:39:52,130 --> 00:39:50,460

but um

877

00:39:54,470 --> 00:39:52,140

you know and this is something we're

878

00:39:57,829 --> 00:39:54,480

working on again we're trying to

879

00:39:59,990 --> 00:39:57,839

to reconnect with these beings after a

880

00:40:01,670 --> 00:40:00,000

bit of a law we had an incident back

881

00:40:04,270 --> 00:40:01,680

last November

882

00:40:06,410 --> 00:40:04,280

where somebody outside of the team

883

00:40:08,870 --> 00:40:06,420

caused some trouble

884

00:40:10,609 --> 00:40:08,880

uh trying to summon one of these beings

885

00:40:12,710 --> 00:40:10,619

and it

886

00:40:15,349 --> 00:40:12,720

it turned out to be bad

887

00:40:17,750 --> 00:40:15,359

I'll leave it at that so uh we kind of

888

00:40:20,089 --> 00:40:17,760

lost touch but

889

00:40:22,370 --> 00:40:20,099

but a few of the the people on our team

890

00:40:27,530 --> 00:40:22,380

have always been connected with these

891

00:40:31,069 --> 00:40:29,329

why do you think all these things are

892

00:40:34,130 --> 00:40:31,079

ramping up

893

00:40:36,349 --> 00:40:34,140

I don't think overall

894

00:40:37,970 --> 00:40:36,359

it's a ramping up thing I think people

895

00:40:39,109 --> 00:40:37,980

are just noticing anymore and unless

896

00:40:42,170 --> 00:40:39,119

afraid

897

00:40:45,109 --> 00:40:42,180

of being ridiculed by reporting it

898

00:40:46,910 --> 00:40:45,119

uh

899

00:40:48,589 --> 00:40:46,920

you know I get we get a lot of report

900

00:40:51,170 --> 00:40:48,599

I'm fortunate to get a lot of reports

901
00:40:52,790 --> 00:40:51,180
and I think being on here with the show

902
00:40:54,349 --> 00:40:52,800
and uh

903
00:40:56,870 --> 00:40:54,359
you know of course of the blog I've been

904
00:40:58,250 --> 00:40:56,880
on the Block for 17 years now going on

905
00:40:59,630 --> 00:40:58,260
18 soon

906
00:41:01,250 --> 00:40:59,640
uh

907
00:41:03,170 --> 00:41:01,260
people are starting to realize they've

908
00:41:04,010 --> 00:41:03,180
got a place that they can send reports

909
00:41:06,890 --> 00:41:04,020
to

910
00:41:08,450 --> 00:41:06,900
so uh yeah but I don't think it's really

911
00:41:09,470 --> 00:41:08,460
ramping up there's just a lot of

912
00:41:12,650 --> 00:41:09,480
different stuff

913
00:41:14,569 --> 00:41:12,660

and uh it's stuff that's been around you

914

00:41:16,730 --> 00:41:14,579

know these beings have been around for

915

00:41:19,190 --> 00:41:16,740

forever just having you know they do

916

00:41:21,829 --> 00:41:19,200

kind of show up here and there to a

917

00:41:23,930 --> 00:41:21,839

higher lesser degree but

918

00:41:26,510 --> 00:41:23,940

I don't think there's a natural ramping

919

00:41:28,670 --> 00:41:26,520

up though you know there there are flaps

920

00:41:30,650 --> 00:41:28,680

uh like I don't consider the Chicago

921

00:41:33,770 --> 00:41:30,660

incidents as a flap even though it's

922

00:41:36,230 --> 00:41:33,780

lasted all these years uh we've had UFO

923

00:41:38,230 --> 00:41:36,240

flaps for you know from the very

924

00:41:41,089 --> 00:41:38,240

beginning where we get a year or two of

925

00:41:42,530 --> 00:41:41,099

real intense sightings and then they

926
00:41:45,230 --> 00:41:42,540
just die off

927
00:41:51,410 --> 00:41:45,240
oh no no that's not

928
00:41:56,450 --> 00:41:54,050
why do Jose asked why there's shadow

929
00:41:59,270 --> 00:41:56,460
people sometimes seem to be more solid

930
00:42:02,809 --> 00:41:59,280
and not wispy like ghosts

931
00:42:09,710 --> 00:42:06,650
I don't know if that's the case I

932
00:42:11,750 --> 00:42:09,720
I mean they're different degrees of you

933
00:42:14,750 --> 00:42:11,760
know Darkness or

934
00:42:16,970 --> 00:42:14,760
light or whatever I guess it depends on

935
00:42:18,370 --> 00:42:16,980
the situation depends on the area how

936
00:42:21,290 --> 00:42:18,380
they show up

937
00:42:27,170 --> 00:42:21,300
uh quite frankly those things are evil

938
00:42:32,150 --> 00:42:29,630

and when you're involved in a case with

939

00:42:34,370 --> 00:42:32,160

these beings

940

00:42:37,430 --> 00:42:34,380

the best way of getting rid of them is

941

00:42:38,210 --> 00:42:37,440

to just starve them of the anxiety and

942

00:42:44,210 --> 00:42:38,220

the

943

00:42:46,010 --> 00:42:44,220

eventually move out

944

00:42:49,010 --> 00:42:46,020

um but they do they they seem to fit

945

00:42:51,170 --> 00:42:49,020

they seem to feed on

946

00:42:53,030 --> 00:42:51,180

misfortune

947

00:42:55,550 --> 00:42:53,040

I mean I know some people may think

948

00:42:57,589 --> 00:42:55,560

that's crazy but that's the way it is

949

00:42:59,569 --> 00:42:57,599

and um

950

00:43:01,370 --> 00:42:59,579

I have been in cases where that has

951
00:43:03,950 --> 00:43:01,380
happened for many years I've worked the

952
00:43:05,450 --> 00:43:03,960
case for years and some of you may have

953
00:43:07,309 --> 00:43:05,460
read it the Sioux City case in which

954
00:43:08,750 --> 00:43:07,319
it's been like eight or nine years I've

955
00:43:11,990 --> 00:43:08,760
worked that case

956
00:43:13,750 --> 00:43:12,000
and uh to the point where it the

957
00:43:15,950 --> 00:43:13,760
dysfunction actually

958
00:43:17,230 --> 00:43:15,960
dropped to a point where this thing's

959
00:43:21,109 --> 00:43:17,240
just left off

960
00:43:22,790 --> 00:43:21,119
uh we work successful on one of the team

961
00:43:25,430 --> 00:43:22,800
members was successful in getting rid of

962
00:43:29,030 --> 00:43:25,440
some of the entities in the area

963
00:43:31,309 --> 00:43:29,040

but there was an underlying

964

00:43:33,290 --> 00:43:31,319

entity there that was causing issues

965

00:43:40,430 --> 00:43:33,300

even when they moved it just tagged

966

00:43:44,270 --> 00:43:42,170

where do shattered people come from

967

00:43:46,370 --> 00:43:44,280

that's Carol I don't know

968

00:43:48,349 --> 00:43:46,380

or the Extraterrestrial I don't know I

969

00:43:51,770 --> 00:43:48,359

have no idea where they come from

970

00:43:53,510 --> 00:43:51,780

I haven't been able to figure that out

971

00:43:55,010 --> 00:43:53,520

I don't think anybody's figured out I

972

00:43:57,890 --> 00:43:55,020

haven't seen anybody with any real

973

00:44:02,569 --> 00:43:59,870

David Jones Locker this could be the

974

00:44:04,430 --> 00:44:02,579

last question how has anything negative

975

00:44:05,870 --> 00:44:04,440

or weird happened because of the Eckhart

976

00:44:08,030 --> 00:44:05,880

investigation

977

00:44:09,829 --> 00:44:08,040

I don't know you know

978

00:44:12,109 --> 00:44:09,839

there's a lot of crazy stuff going on

979

00:44:14,510 --> 00:44:12,119

with David you know I some of that has

980

00:44:16,670 --> 00:44:14,520

rubbed off on me

981

00:44:20,450 --> 00:44:18,589

I wouldn't necessarily say it's negative

982

00:44:21,470 --> 00:44:20,460

it's weird it's unexplained for the most

983

00:44:23,750 --> 00:44:21,480

part

984

00:44:25,910 --> 00:44:23,760

but uh yeah there's uh there's a lot

985

00:44:28,670 --> 00:44:25,920

going over David's I plan on going down

986

00:44:29,930 --> 00:44:28,680

there in the near future hopefully

987

00:44:31,970 --> 00:44:29,940

uh

988

00:44:33,170 --> 00:44:31,980

we'll see what happens of course if we

989

00:44:40,069 --> 00:44:33,180

do

990

00:44:42,530 --> 00:44:40,079

the road

991

00:44:44,390 --> 00:44:42,540

so folks um

992

00:44:46,970 --> 00:44:44,400

you know thanks for for joining me

993

00:44:49,190 --> 00:44:46,980

tonight uh again if you had an

994

00:44:51,410 --> 00:44:49,200

unexplained counter setting you know

995

00:44:54,349 --> 00:44:51,420

contact me through the fans of massive

996

00:44:57,170 --> 00:44:54,359

blog site or you know go ahead and uh

997

00:44:59,809 --> 00:44:57,180

contact me at long circularfans and

998

00:45:01,970 --> 00:44:59,819

monsters.com if you want maybe you'll

999

00:45:02,930 --> 00:45:01,980

you'll have your sighting your encounter

1000

00:45:06,650 --> 00:45:02,940

red

1001
00:45:07,609 --> 00:45:06,660
uh on the show or at least posted on the

1002
00:45:10,910 --> 00:45:07,619
blog

1003
00:45:13,069 --> 00:45:10,920
uh now this uh

1004
00:45:16,069 --> 00:45:13,079
and if you look if you made a donation I

1005
00:45:17,930 --> 00:45:16,079
appreciate it very much appreciate it uh

1006
00:45:19,010 --> 00:45:17,940
please like subscribe and share and

1007
00:45:21,290 --> 00:45:19,020
comment

1008
00:45:23,089 --> 00:45:21,300
um we always look forward to

1009
00:45:24,770 --> 00:45:23,099
you know reading what you think about

1010
00:45:28,910 --> 00:45:24,780
what we're doing

1011
00:45:31,250 --> 00:45:28,920
and uh please subscribe and please share

1012
00:45:34,430 --> 00:45:31,260
now this Friday night I don't have a

1013
00:45:35,329 --> 00:45:34,440

show I'm going to a local Bigfoot Town

1014

00:45:37,790 --> 00:45:35,339

Hall

1015

00:45:40,190 --> 00:45:37,800

which I think is is a good opportunity

1016

00:45:41,510 --> 00:45:40,200

to get out in the area and get some

1017

00:45:43,490 --> 00:45:41,520

information

1018

00:45:45,589 --> 00:45:43,500

so myself and some of the team are going

1019

00:45:49,370 --> 00:45:45,599

to be going out there

1020

00:45:50,569 --> 00:45:49,380

so uh we'll have a show next Friday

1021

00:45:52,849 --> 00:45:50,579

um

1022

00:45:55,370 --> 00:45:52,859

I don't rothan I didn't even write the

1023

00:45:57,109 --> 00:45:55,380

details down maybe Vincent will post it

1024

00:45:59,210 --> 00:45:57,119

up there what what the next show is

1025

00:46:01,430 --> 00:45:59,220

about but that'll be the Friday after

1026

00:46:03,410 --> 00:46:01,440

next maybe maybe we'll even have a

1027

00:46:04,970 --> 00:46:03,420

Wednesday show I don't know but if we

1028

00:46:08,450 --> 00:46:04,980

have one I'll get it out there for

1029

00:46:10,609 --> 00:46:08,460

everybody to see so uh until then stay

1030

00:46:15,850 --> 00:46:10,619

healthy have a safe enjoyable week good
