link is also on the description and uh

18

00:02:02,270 --> 00:01:59,759

thanks for your consideration now I am

19

00:02:04,190 --> 00:02:02,280

going to make one note before I start I

20

00:02:07,490 --> 00:02:04,200

was at the eye doctor today and they put

21

00:02:09,109 --> 00:02:07,500

those damn drops on my eyes so um I

22

00:02:12,130 --> 00:02:09,119

haven't had a little issue

23

00:02:14,990 --> 00:02:12,140

but I think I'll be okay

24

00:02:19,309 --> 00:02:15,000

so let's see

25

00:02:23,150 --> 00:02:19,319

I the first story the first count

26
00:02:24,830 --> 00:02:23,160
was um was submitted to me by uh Jorge

27
00:02:27,050 --> 00:02:24,840
Marten

28
00:02:29,210 --> 00:02:27,060
from um

29
00:02:31,130 --> 00:02:29,220
from Puerto Rico he he's also an

30
00:02:34,610 --> 00:02:31,140
affiliate with our team

31
00:02:37,070 --> 00:02:34,620
uh but he he does exclusive work he's a

32
00:02:41,150 --> 00:02:37,080
journalist a newspaper guy

33
00:02:43,809 --> 00:02:41,160
with uh in in Puerto Rico and uh he does

34
00:02:47,390 --> 00:02:43,819
a lot of the um

35
00:02:49,250 --> 00:02:47,400
bizarre stories down there so uh this

36
00:02:50,710 --> 00:02:49,260
was submitted by him and so he sent it

37
00:02:53,509 --> 00:02:50,720
over to me

38
00:02:56,690 --> 00:02:53,519

these it states that after uh several

39

00:03:00,410 --> 00:02:56,700

UFO sightings and other odd activity

40

00:03:02,150 --> 00:03:00,420

a huge ferret-like humanoid appears in

41

00:03:05,390 --> 00:03:02,160

the El Duke Mario

42

00:03:07,309 --> 00:03:05,400

on the guabo Puerto Rico this is not the

43

00:03:10,070 --> 00:03:07,319

first time a similar creature has been

44

00:03:17,149 --> 00:03:13,369

so um this was uh this was submitted to

45

00:03:19,670 --> 00:03:17,159

me a couple months ago and uh

46

00:03:22,910 --> 00:03:19,680

the way it's written up is a few days

47

00:03:26,990 --> 00:03:22,920

ago Mr Miguel Matos who lived in the El

48

00:03:31,250 --> 00:03:27,000

Duke sector a manaspalio naguabo Puerto

49

00:03:34,670 --> 00:03:31,260

Rico which it joins the UK the yo yonkey

50

00:03:37,490 --> 00:03:34,680

Forest to the east now El Yunque

51
00:03:39,770 --> 00:03:37,500
has had a history of a lot of UFO

52
00:03:40,550 --> 00:03:39,780
activity a lot of bizarre activity as

53
00:03:43,490 --> 00:03:40,560
well

54
00:03:45,649 --> 00:03:43,500
he told us that he had several unusual

55
00:03:49,729 --> 00:03:45,659
experiences in that area and that he had

56
00:03:52,250 --> 00:03:49,739
to send us a note summarizing them

57
00:03:54,530 --> 00:03:52,260
we had already received a note from him

58
00:03:57,670 --> 00:03:54,540
which contains very interesting details

59
00:03:59,350 --> 00:03:57,680
and we are posting it here

60
00:04:02,390 --> 00:03:59,360
uh uh

61
00:04:05,270 --> 00:04:02,400
Miguel States summary of events

62
00:04:08,690 --> 00:04:05,280
experienced by Mel mean Miguel Matos in

63
00:04:11,809 --> 00:04:08,700

the Idka sector in the town in the guabo

64

00:04:15,710 --> 00:04:11,819

Puerto Rico

65

00:04:17,990 --> 00:04:15,720

now first uh August 2017 one night

66

00:04:21,890 --> 00:04:18,000

between 2 30 A.M

67

00:04:24,110 --> 00:04:21,900

and 3 A.M I saw an ablate oval shaped

68

00:04:26,330 --> 00:04:24,120

unidentified flying object

69

00:04:28,730 --> 00:04:26,340

about four inches long and two inches

70

00:04:31,850 --> 00:04:28,740

wide illuminated

71

00:04:33,590 --> 00:04:31,860

with a bright green light I woke up to

72

00:04:35,090 --> 00:04:33,600

go to the bathroom and noticed a

73

00:04:36,170 --> 00:04:35,100

reflection of the light on the bathroom

74

00:04:38,150 --> 00:04:36,180

window

75

00:04:40,430 --> 00:04:38,160

coming from the back of the resins

76

00:04:42,830 --> 00:04:40,440

outside

77

00:04:44,990 --> 00:04:42,840

upon reaching the room

78

00:04:47,270 --> 00:04:45,000

I looked out the window and saw the

79

00:04:49,370 --> 00:04:47,280

aforementioned object hovering over the

80

00:04:52,550 --> 00:04:49,380

ground about four foot high

81

00:04:55,610 --> 00:04:52,560

I called my wife and she's so awesome

82

00:04:57,710 --> 00:04:55,620

the object flew over the entire lot the

83

00:05:01,430 --> 00:04:57,720

house and the structures making some

84

00:05:03,890 --> 00:05:01,440

very fast sharp turns and zigzags as if

85

00:05:05,870 --> 00:05:03,900

examining everything and then moved away

86

00:05:10,310 --> 00:05:05,880

at an incredible speed towards the top

87

00:05:14,390 --> 00:05:11,930

uh

88

00:05:17,270 --> 00:05:14,400

then my wife and I had lost sight of it

89

00:05:21,050 --> 00:05:17,280

so one night another another incident

90

00:05:23,210 --> 00:05:21,060

one night in November 2017 I had an

91

00:05:25,550 --> 00:05:23,220

encounter with a creature somewhat

92

00:05:28,790 --> 00:05:25,560

similar to an ape

93

00:05:30,710 --> 00:05:28,800

but with other very strange physical

94

00:05:32,689 --> 00:05:30,720

characteristics

95

00:05:34,490 --> 00:05:32,699

the house in which we live belonged to

96

00:05:37,550 --> 00:05:34,500

my wife's mother and we lived in an

97

00:05:40,249 --> 00:05:37,560

apartment on the ground floor of it

98

00:05:42,590 --> 00:05:40,259

so on the land next to the house there

99

00:05:45,710 --> 00:05:42,600

was a part covered with cement and

100

00:05:48,409 --> 00:05:45,720

another section with stones and gravel

101
00:05:51,350 --> 00:05:48,419
in that section my wife had a brave

102
00:05:53,150 --> 00:05:51,360
pitbull dog with her little house she

103
00:05:56,810 --> 00:05:53,160
was very Territorial and would not

104
00:06:00,469 --> 00:05:58,670
you know one night the dog began to

105
00:06:02,330 --> 00:06:00,479
scream and moon as if she was afraid of

106
00:06:06,050 --> 00:06:02,340
something and that surprised us because

107
00:06:09,409 --> 00:06:06,060
she's very brave I went out to see what

108
00:06:13,010 --> 00:06:09,419
was the matter and that is what and that

109
00:06:15,409 --> 00:06:13,020
is was all right as I did go so quickly

110
00:06:17,810 --> 00:06:15,419
noticed a very strong accurate smell

111
00:06:20,390 --> 00:06:17,820
similar to that of sulfur which

112
00:06:23,150 --> 00:06:20,400
irritated my throat

113
00:06:24,529 --> 00:06:23,160

still I went ahead and checked but

114

00:06:27,650 --> 00:06:24,539

didn't notice anything out of the

115

00:06:29,570 --> 00:06:27,660

ordinary so I went back into the house

116

00:06:31,370 --> 00:06:29,580

a few minutes later

117

00:06:33,590 --> 00:06:31,380

it was felt that something or someone

118

00:06:34,730 --> 00:06:33,600

was walking on the stones next to the

119

00:06:37,550 --> 00:06:34,740

canopy

120

00:06:39,529 --> 00:06:37,560

at that moment I took my firearm

121

00:06:41,330 --> 00:06:39,539

and went back out to see what was

122

00:06:43,309 --> 00:06:41,340

happening I again smelled the very

123

00:06:46,370 --> 00:06:43,319

strong odor and then I noticed the

124

00:06:49,430 --> 00:06:46,380

presence of an apparently furry and dark

125

00:06:52,249 --> 00:06:49,440

creature about 75 foot away from me

126

00:06:55,610 --> 00:06:52,259

which not being able to see it up close

127

00:06:57,529 --> 00:06:55,620

I thought maybe an ape then I lost sight

128

00:07:01,909 --> 00:06:57,539

of it

129

00:07:03,950 --> 00:07:01,919

then one night in December 2017 I don't

130

00:07:06,950 --> 00:07:03,960

remember the exact date I've met an

131

00:07:09,950 --> 00:07:06,960

incredible creature on the road

132

00:07:12,409 --> 00:07:09,960

it was already between 9 30 p.m and 10

133

00:07:16,490 --> 00:07:12,419

p.m and I was returning from visiting my

134

00:07:19,249 --> 00:07:16,500

father in the town near naguabo

135

00:07:21,830 --> 00:07:19,259

I was driving my car and be being a few

136

00:07:23,749 --> 00:07:21,840

meters from the house located in the El

137

00:07:26,150 --> 00:07:23,759

Duque neighborhood in the town the guava

138

00:07:27,830 --> 00:07:26,160

suddenly saw that in the middle of the

139

00:07:31,909 --> 00:07:27,840

road there was something similar to a

140

00:07:37,610 --> 00:07:34,909

I stopped my car and I honked at it to

141

00:07:39,170 --> 00:07:37,620

make that dog move but it didn't move so

142

00:07:41,029 --> 00:07:39,180

I got out of the car and threw a rock

143

00:07:43,370 --> 00:07:41,039

near it to make it move

144

00:07:46,909 --> 00:07:43,380

it's my great surprise what I thought

145

00:07:49,070 --> 00:07:46,919

was a big dog got up stretched and I

146

00:07:50,749 --> 00:07:49,080

could see what it really was I could not

147

00:07:52,430 --> 00:07:50,759

believe what I was watching they're

148

00:07:55,490 --> 00:07:52,440

standing in front of me

149

00:07:57,710 --> 00:07:55,500

was a creature about seven foot tall it

150

00:08:00,710 --> 00:07:57,720

was standing on two legs like a person

151
00:08:04,909 --> 00:08:00,720
but his legs were weird kind of curved

152
00:08:06,830 --> 00:08:04,919
and with three big claws on its feet

153
00:08:10,010 --> 00:08:06,840
in its entire body

154
00:08:12,469 --> 00:08:10,020
was covered with short dark brown hair

155
00:08:15,170 --> 00:08:12,479
it had strong arms similar to a person's

156
00:08:17,689 --> 00:08:15,180
with hands with only four clawed fingers

157
00:08:19,550 --> 00:08:17,699
its head was more or less like that of a

158
00:08:22,490 --> 00:08:19,560
human being but the face somewhat

159
00:08:24,830 --> 00:08:22,500
resembled that of a ferret

160
00:08:27,110 --> 00:08:24,840
with a slightly more pronounced snout

161
00:08:30,110 --> 00:08:27,120
and it had short ears

162
00:08:32,750 --> 00:08:30,120
its eyes were totally black and slightly

163
00:08:36,709 --> 00:08:32,760

almond shaped not very large

164

00:08:39,110 --> 00:08:36,719

and uh I think Vince has got the uh the

165

00:08:41,630 --> 00:08:39,120

image of this thing up there seeing it

166

00:08:44,570 --> 00:08:41,640

shocked me and I thought to draw my

167

00:08:47,329 --> 00:08:44,580

firearm but something told me not to do

168

00:08:50,210 --> 00:08:47,339

so that creature was very big and if I

169

00:08:52,009 --> 00:08:50,220

missed the shot he could attack me

170

00:08:54,710 --> 00:08:52,019

we looked at each other for a few

171

00:08:56,870 --> 00:08:54,720

moments and then it walked quietly went

172

00:08:59,090 --> 00:08:56,880

into the bush and I stopped seeing it

173

00:09:00,949 --> 00:08:59,100

there I entered my vehicle and arrived

174

00:09:04,130 --> 00:09:00,959

at the house where I took told my

175

00:09:06,829 --> 00:09:04,140

partner what I had what had happened

176

00:09:08,870 --> 00:09:06,839

she told me why didn't you shoot him and

177

00:09:10,790 --> 00:09:08,880

I said I couldn't do it if I missed the

178

00:09:12,769 --> 00:09:10,800

shot that big thing would attack me and

179

00:09:15,350 --> 00:09:12,779

I would not have been able to face it

180

00:09:17,810 --> 00:09:15,360

now that thing looked like a cross

181

00:09:20,329 --> 00:09:17,820

between a human being and an animal and

182

00:09:22,610 --> 00:09:20,339

Its Behavior seemed intelligent to me

183

00:09:24,470 --> 00:09:22,620

I suspect it may have been the same

184

00:09:27,470 --> 00:09:24,480

creature I had seen before which I

185

00:09:27,480 --> 00:09:31,550

from their own January 2018

186

00:09:36,949 --> 00:09:34,070

strange flying lights on top of the

187

00:09:39,470 --> 00:09:36,959

Junque Mountain after the passage of

188

00:09:40,970 --> 00:09:39,480

hurricane Maria through Puerto Rico in

189

00:09:43,190 --> 00:09:40,980

2017

190

00:09:44,269 --> 00:09:43,200

the entire area was without electric

191

00:09:46,370 --> 00:09:44,279

power

192

00:09:49,070 --> 00:09:46,380

and on many occasions we saw strange

193

00:09:51,170 --> 00:09:49,080

lights flying over the area

194

00:09:53,690 --> 00:09:51,180

one night I was traveling back to El

195

00:09:56,269 --> 00:09:53,700

Duke neighborhood of nakuapo and

196

00:09:59,810 --> 00:09:56,279

casually looked up at the top of el

197

00:10:01,790 --> 00:09:59,820

unkei Mountain I visualized a lot of

198

00:10:04,850 --> 00:10:01,800

bright white lights coming down from the

199

00:10:07,550 --> 00:10:04,860

sky towards the top of el jonque

200

00:10:09,290 --> 00:10:07,560

suddenly that row of lights made two

201
00:10:11,210 --> 00:10:09,300
quick jerky movements from the left to

202
00:10:14,090 --> 00:10:11,220
right and ascended rapidly at the top

203
00:10:15,710 --> 00:10:14,100
and then a Miss suddenly formed blocked

204
00:10:16,970 --> 00:10:15,720
the visibility towards the top of the

205
00:10:19,310 --> 00:10:16,980
mountain

206
00:10:20,870 --> 00:10:19,320
that fog did not seem normal to me I

207
00:10:23,509 --> 00:10:20,880
believe it was something produced by

208
00:10:25,009 --> 00:10:23,519
whatever Road lights was to hide their

209
00:10:26,930 --> 00:10:25,019
presence up there

210
00:10:30,230 --> 00:10:26,940
now

211
00:10:32,810 --> 00:10:30,240
again in January 2018 strange behavior

212
00:10:34,750 --> 00:10:32,820
in animals at the end of January 2018 a

213
00:10:38,030 --> 00:10:34,760

skinny horse with a rare

214

00:10:39,710 --> 00:10:38,040

uh stamp on its left leg arrived at the

215

00:10:42,829 --> 00:10:39,720

house that horse did not approach the

216

00:10:45,650 --> 00:10:42,839

other horses that were there but the

217

00:10:47,389 --> 00:10:45,660

strange thing in my opinion was that he

218

00:10:50,090 --> 00:10:47,399

did eat grass however he pretended to

219

00:10:52,490 --> 00:10:50,100

use something on the cement floor

220

00:10:54,230 --> 00:10:52,500

where there was no grass

221

00:10:56,630 --> 00:10:54,240

when you spoke to him he looked at you

222

00:10:59,269 --> 00:10:56,640

as if he understood you it was a very

223

00:11:00,889 --> 00:10:59,279

penetrating stare after that it went

224

00:11:02,750 --> 00:11:00,899

into the brush and disappeared from

225

00:11:05,750 --> 00:11:02,760

sight

226

00:11:09,650 --> 00:11:05,760

so uh

227

00:11:11,569 --> 00:11:09,660

that's all that uh he remembered and and

228

00:11:14,690 --> 00:11:11,579

then wrote to um

229

00:11:16,970 --> 00:11:14,700

Jorge about it but you know what that L

230

00:11:18,829 --> 00:11:16,980

young came I have written several

231

00:11:21,790 --> 00:11:18,839

articles and received several articles

232

00:11:24,170 --> 00:11:21,800

some from ore about this Yale young cave

233

00:11:26,569 --> 00:11:24,180

rainforest and some of the weird stuff

234

00:11:28,670 --> 00:11:26,579

that shows up there they also we have

235

00:11:31,190 --> 00:11:28,680

also had encounters with the winged

236

00:11:32,389 --> 00:11:31,200

humanoids there as well gargoyle like

237

00:11:33,790 --> 00:11:32,399

beans

238

00:11:36,110 --> 00:11:33,800

um

239

00:11:40,490 --> 00:11:36,120

so I don't know I don't know what

240

00:11:43,750 --> 00:11:40,500

they're seeing but a a walking Fair an

241

00:11:47,990 --> 00:11:43,760

upright ferret is kind of bizarre

242

00:11:49,850 --> 00:11:48,000

uh so Maria asked is uh this the only

243

00:11:52,670 --> 00:11:49,860

report of a fair-like preacher that you

244

00:11:54,590 --> 00:11:52,680

have reached that you have received

245

00:11:57,530 --> 00:11:54,600

you know that's a good question I don't

246

00:12:02,630 --> 00:11:57,540

really recall anymore so

247

00:12:07,610 --> 00:12:05,150

you know I have heard

248

00:12:09,650 --> 00:12:07,620

of entities that were smaller that kind

249

00:12:11,090 --> 00:12:09,660

of looked like rats or something or like

250

00:12:13,670 --> 00:12:11,100

a rodent or something

251

00:12:15,949 --> 00:12:13,680

but the size of this in the description

252

00:12:18,650 --> 00:12:15,959

and that was the sketch that he that uh

253

00:12:20,389 --> 00:12:18,660

Jorge made from the witnesses

254

00:12:22,069 --> 00:12:20,399

description

255

00:12:24,050 --> 00:12:22,079

so um

256

00:12:28,430 --> 00:12:24,060

I don't know

257

00:12:33,530 --> 00:12:28,440

received any others beside that one but

258

00:12:40,910 --> 00:12:37,250

um have dogmen been this is from Jose uh

259

00:12:43,610 --> 00:12:40,920

Sanchez have Dalton been reported in PR

260

00:12:45,829 --> 00:12:43,620

ague in Puerto Rico I don't know

261

00:12:50,329 --> 00:12:48,110

I've gotten a lot of dog man upright

262

00:12:51,769 --> 00:12:50,339

canine settings over the years and I

263

00:12:53,870 --> 00:12:51,779

would think there have to be one

264

00:12:55,970 --> 00:12:53,880

somewhere but I can't record now I tell

265

00:12:59,150 --> 00:12:55,980

you I am writing a book

266

00:13:01,610 --> 00:12:59,160

about cryptic canines

267

00:13:03,230 --> 00:13:01,620

and if there's one in my notes I will

268

00:13:05,569 --> 00:13:03,240

write it in there definitely write it in

269

00:13:08,269 --> 00:13:05,579

there and I might pull it out and read

270

00:13:10,250 --> 00:13:08,279

it if I I do come across but

271

00:13:12,829 --> 00:13:10,260

so uh that's all I can tell you at this

272

00:13:17,090 --> 00:13:12,839

point but I I do have some strange

273

00:13:17,100 --> 00:13:20,990

so let's go ahead and move on

274

00:13:26,090 --> 00:13:23,990

a uh a Wyoming man recalls his amazing

275

00:13:28,550 --> 00:13:26,100

Bigfoot abduction experience when he was

276

00:13:31,490 --> 00:13:28,560

a boy while camping near Big Sandy Creek

277

00:13:33,650 --> 00:13:31,500

excuse me Big Sandy River

278

00:13:35,509 --> 00:13:33,660

he later remembers the incident in

279

00:13:36,650 --> 00:13:35,519

detail after talking with his older

280

00:13:39,170 --> 00:13:36,660

brother

281

00:13:40,550 --> 00:13:39,180

now he States let me preface this by

282

00:13:43,790 --> 00:13:40,560

saying that I didn't remember this

283

00:13:45,889 --> 00:13:43,800

incident until I was in my early 30s

284

00:13:47,569 --> 00:13:45,899

uh it came back to me over a week in

285

00:13:49,730 --> 00:13:47,579

bits and pieces I I think it was

286

00:13:50,990 --> 00:13:49,740

triggered by my brother who came to live

287

00:13:53,750 --> 00:13:51,000

with us

288

00:13:55,910 --> 00:13:53,760

and for a few days a little Snippets and

289

00:13:58,129 --> 00:13:55,920

uh memories popping into my head out of

290

00:14:00,769 --> 00:13:58,139

nowhere I finally talked to him about it

291

00:14:02,509 --> 00:14:00,779

he told me it was all too real although

292

00:14:05,090 --> 00:14:02,519

he didn't know what happened to me until

293

00:14:06,829 --> 00:14:05,100

then he put two and two together and

294

00:14:09,110 --> 00:14:06,839

shared his side of the story which made

295

00:14:11,629 --> 00:14:09,120

me realize that I wasn't crazy or

296

00:14:14,810 --> 00:14:11,639

imagining things

297

00:14:17,810 --> 00:14:14,820

I States I grew up on a ranch near Wind

298

00:14:20,210 --> 00:14:17,820

River mountains in Wyoming we heated the

299

00:14:22,310 --> 00:14:20,220

house with wood so every year after the

300

00:14:24,829 --> 00:14:22,320

crops were in before we had to start

301

00:14:27,410 --> 00:14:24,839

irrigating we would spend about two

302

00:14:29,870 --> 00:14:27,420

weeks in the mountains getting wood

303

00:14:32,509 --> 00:14:29,880

we always went to the same place that we

304

00:14:35,990 --> 00:14:32,519

called bear trap on the Big Sandy River

305

00:14:37,730 --> 00:14:36,000

it was fairly remote because it was uh

306

00:14:38,750 --> 00:14:37,740

long and difficult to drive into that

307

00:14:41,389 --> 00:14:38,760

place

308

00:14:43,610 --> 00:14:41,399

the only other people I ever saw there

309

00:14:44,930 --> 00:14:43,620

besides family were sheep herders on the

310

00:14:46,850 --> 00:14:44,940

horseback

311

00:14:48,949 --> 00:14:46,860

I should also add that I love the

312

00:14:50,750 --> 00:14:48,959

outdoors and we spend most of our

313

00:14:52,670 --> 00:14:50,760

weekends either in desert or in the

314

00:14:54,470 --> 00:14:52,680

mountains I love them both but for the

315

00:14:56,870 --> 00:14:54,480

desert because I'm much more comfortable

316

00:14:58,930 --> 00:14:56,880

there I don't sleep well at all in the

317

00:15:02,449 --> 00:14:58,940

mountains I'm always on edge

318

00:15:04,850 --> 00:15:02,459

for as long as I can remember I've been

319

00:15:06,590 --> 00:15:04,860

able to go Creek Fishing without someone

320

00:15:09,230 --> 00:15:06,600

else I haven't been able to go Creek

321

00:15:12,710 --> 00:15:09,240

Fishing without someone else nearby a

322

00:15:14,990 --> 00:15:12,720

preferably in sight now I know why

323

00:15:18,110 --> 00:15:15,000

I think it was about five years old my

324

00:15:19,610 --> 00:15:18,120

brother was 12. we've been camping for

325

00:15:21,530 --> 00:15:19,620

about a week and my mom and dad went

326

00:15:23,329 --> 00:15:21,540

down the mountain or something and left

327

00:15:25,790 --> 00:15:23,339

my brother and me up there

328

00:15:27,769 --> 00:15:25,800

it sounds crazy nowadays I remember

329

00:15:30,829 --> 00:15:27,779

standing there watching them drive off

330

00:15:32,210 --> 00:15:30,839

next to my brother uh 22 rifle propped

331

00:15:34,189 --> 00:15:32,220

on his shoulder

332

00:15:36,170 --> 00:15:34,199

after they left I went to play at my

333

00:15:38,269 --> 00:15:36,180

favorite spot by the creek

334

00:15:40,910 --> 00:15:38,279

which is out of sight from the camp

335

00:15:43,069 --> 00:15:40,920

which is probably 200 yards away I don't

336

00:15:45,949 --> 00:15:43,079

know what my brother was doing but this

337

00:15:54,170 --> 00:15:49,310

I do recall being carried by something

338

00:15:56,449 --> 00:15:54,180

with long thin fur under its arm

339

00:15:58,370 --> 00:15:56,459

kind of like a football

340

00:16:00,889 --> 00:15:58,380

there were at least three other beings

341

00:16:02,990 --> 00:16:00,899

alongside us traveling upright and on

342

00:16:06,290 --> 00:16:03,000

all fours intermittently and screaming

343

00:16:08,210 --> 00:16:06,300

and yelling at the one who had me

344

00:16:10,850 --> 00:16:08,220

it was like they were telling it to put

345

00:16:12,829 --> 00:16:10,860

me down and it was wrong to take me

346

00:16:14,449 --> 00:16:12,839

they seem to be in a panic I don't

347

00:16:17,329 --> 00:16:14,459

remember smelling anything it almost

348

00:16:19,790 --> 00:16:17,339

feels as like I was watching it happen

349

00:16:22,850 --> 00:16:19,800

to someone else I don't recall any

350

00:16:24,290 --> 00:16:22,860

emotions like I was passive and a

351

00:16:27,530 --> 00:16:24,300

passive Observer

352

00:16:29,870 --> 00:16:27,540

it doesn't make sense because I know I I

353

00:16:32,449 --> 00:16:29,880

had been terrified

354

00:16:35,629 --> 00:16:32,459

I didn't like the loud chaotic noises

355

00:16:38,150 --> 00:16:35,639

though I don't know how far we went but

356

00:16:40,550 --> 00:16:38,160

finally we came to a place that was an

357

00:16:42,290 --> 00:16:40,560

overhang or cave

358

00:16:45,290 --> 00:16:42,300

now the dirt in front of it had been

359

00:16:49,269 --> 00:16:45,300

swept clean the ones running alongside

360

00:16:52,129 --> 00:16:49,279

us had reddish brown fur and long arms

361

00:16:54,110 --> 00:16:52,139

and seemed like they were teenager age

362

00:16:56,930 --> 00:16:54,120

and a little younger they continued to

363

00:16:59,509 --> 00:16:56,940

squawk and yell and protest until a much

364

00:17:01,790 --> 00:16:59,519

larger one came into view

365

00:17:04,730 --> 00:17:01,800

then they all went solid and out of

366

00:17:09,049 --> 00:17:07,010

I had the impression that she was the

367

00:17:11,990 --> 00:17:09,059

matriarch of the bunch

368

00:17:14,390 --> 00:17:12,000

she grunted something at the one holding

369

00:17:15,890 --> 00:17:14,400

me and I was put down on the ground and

370

00:17:18,530 --> 00:17:15,900

it left too

371

00:17:19,610 --> 00:17:18,540

I didn't feel like she was mean or meant

372

00:17:22,970 --> 00:17:19,620

to hurt me

373

00:17:25,370 --> 00:17:22,980

but uh just very sad

374

00:17:27,949 --> 00:17:25,380

I wonder if maybe she had lost her own

375

00:17:31,310 --> 00:17:27,959

child and snatched me out of grief

376

00:17:33,409 --> 00:17:31,320

the older female looked at me kindly and

377

00:17:35,630 --> 00:17:33,419

had a soothing presence

378

00:17:37,370 --> 00:17:35,640

her fur was darker almost black and

379

00:17:39,529 --> 00:17:37,380

thinner and wire

380

00:17:42,950 --> 00:17:39,539

I don't remember if she meant any sounds

381

00:17:45,590 --> 00:17:42,960

or not but I feel like she continually

382

00:17:48,169 --> 00:17:45,600

uh communicated to me that I was safe

383

00:17:50,990 --> 00:17:48,179

and shouldn't worry

384

00:17:53,029 --> 00:17:51,000

she took me by the hand and led me to a

385

00:17:55,970 --> 00:17:53,039

bed like thing made out of pine needles

386

00:17:59,029 --> 00:17:55,980

grass a soft bark which is right the

387

00:18:01,370 --> 00:17:59,039

Inside Edge of the cave or overhang

388

00:18:04,310 --> 00:18:01,380

she indicated that I should sit there

389

00:18:06,650 --> 00:18:04,320

and was very gentle with me she

390

00:18:08,810 --> 00:18:06,660

disappeared for a long time

391

00:18:11,450 --> 00:18:08,820

they came back with some water with

392

00:18:13,909 --> 00:18:11,460

plants in it and had me drink it and

393

00:18:16,370 --> 00:18:13,919

then gently they kneel on the mat

394

00:18:18,770 --> 00:18:16,380

the next thing I remember was waking up

395

00:18:21,409 --> 00:18:18,780

first smelling a damp Mossy dirt smell

396

00:18:22,430 --> 00:18:21,419

and then filling the grass tickling my

397

00:18:26,750 --> 00:18:22,440

nose

398

00:18:29,090 --> 00:18:26,760

I was very confused as to why I l'd take

399

00:18:31,850 --> 00:18:29,100

a nap right there I was about 20 foot

400

00:18:33,770 --> 00:18:31,860

away from where I had been playing by

401
00:18:35,930 --> 00:18:33,780
the creek

402
00:18:37,490 --> 00:18:35,940
I walked into the camp and my brother

403
00:18:39,470 --> 00:18:37,500
grabbed me and hugged me and yelled

404
00:18:43,190 --> 00:18:39,480
react and yelled at me for hiding from

405
00:18:45,409 --> 00:18:43,200
him in retrospect he was frantic after I

406
00:18:47,810 --> 00:18:45,419
told my brother my side of the story

407
00:18:50,330 --> 00:18:47,820
he told me that he had been looking for

408
00:18:52,070 --> 00:18:50,340
me for hours and that he had checked the

409
00:18:53,630 --> 00:18:52,080
area where I had been playing several

410
00:18:55,909 --> 00:18:53,640
times

411
00:18:58,850 --> 00:18:55,919
he also told me that Grandpa and dad

412
00:19:01,250 --> 00:18:58,860
were aware that a family of these beings

413
00:19:02,810 --> 00:19:01,260

lived around there but they had never

414

00:19:05,330 --> 00:19:02,820

bothered us

415

00:19:07,850 --> 00:19:05,340

he and my dad used to leave them salt

416

00:19:09,350 --> 00:19:07,860

and sugar on a log every year and they

417

00:19:11,750 --> 00:19:09,360

took it every time

418

00:19:13,610 --> 00:19:11,760

I was unable to talk to my dad and my

419

00:19:16,210 --> 00:19:13,620

grandpa about it after I remembered

420

00:19:19,430 --> 00:19:16,220

because they had both passed

421

00:19:21,470 --> 00:19:19,440

when I was young I never told my mom

422

00:19:23,210 --> 00:19:21,480

about it either I did hear my grandpa

423

00:19:25,310 --> 00:19:23,220

telling my dad about hearing something

424

00:19:26,210 --> 00:19:25,320

come up the creek while he was fishing

425

00:19:28,789 --> 00:19:26,220

once

426

00:19:30,169 --> 00:19:28,799

and that it wasn't a bear but they

427

00:19:32,690 --> 00:19:30,179

stopped talking about it when they

428

00:19:35,510 --> 00:19:32,700

realized I was listening

429

00:19:37,250 --> 00:19:35,520

so now that that account came from uh

430

00:19:39,650 --> 00:19:37,260

facts about how to hunt the guy by the

431

00:19:42,650 --> 00:19:39,660

name of Steve on his website it was uh

432

00:19:44,870 --> 00:19:42,660

an email he received but I thought it

433

00:19:45,830 --> 00:19:44,880

was so unique I wanted to talk about it

434

00:19:48,490 --> 00:19:45,840

here

435

00:19:50,930 --> 00:19:48,500

uh it was probably one of the better

436

00:19:54,169 --> 00:19:50,940

Bigfoot abduction

437

00:19:56,390 --> 00:19:54,179

uh incidents that I have ever read

438

00:19:58,250 --> 00:19:56,400

I like to know what you folks thought

439

00:20:03,710 --> 00:19:58,260

about it but it was uh it was pretty

440

00:20:09,950 --> 00:20:07,789

okay well let's move on

441

00:20:12,950 --> 00:20:09,960

uh

442

00:20:16,070 --> 00:20:12,960

oh I I see my friend Dave's on here

443

00:20:21,130 --> 00:20:16,080

tonight uh Dave thanks for the uh Super

444

00:20:27,169 --> 00:20:24,470

now this next account

445

00:20:29,750 --> 00:20:27,179

the witness and his brother

446

00:20:32,270 --> 00:20:29,760

were recently driving near his home

447

00:20:35,270 --> 00:20:32,280

outside of Alma magorto

448

00:20:36,909 --> 00:20:35,280

Alamo Gordo New Mexico they noticed a

449

00:20:38,930 --> 00:20:36,919

large

450

00:20:40,730 --> 00:20:38,940

pterodactyl-like creature flying near

451
00:20:42,650 --> 00:20:40,740
them and we're shocked by the sighting

452
00:20:44,510 --> 00:20:42,660
now this was an account I was that was

453
00:20:48,409 --> 00:20:44,520
sent to me

454
00:20:50,750 --> 00:20:48,419
and I I talked with the witness and

455
00:20:51,590 --> 00:20:50,760
um there's going to be a follow-up I

456
00:20:54,590 --> 00:20:51,600
think

457
00:20:57,830 --> 00:20:54,600
um there's something going on there

458
00:21:04,190 --> 00:20:57,840
and uh he and his brother have every

459
00:21:09,770 --> 00:21:06,610
for those who know anything about

460
00:21:13,430 --> 00:21:09,780
Alamogordo it's near the white uh White

461
00:21:16,430 --> 00:21:14,230
um

462
00:21:19,130 --> 00:21:16,440
Trinity's sake

463
00:21:20,750 --> 00:21:19,140

and it's um

464

00:21:21,529 --> 00:21:20,760

it's a lot of

465

00:21:23,029 --> 00:21:21,539

um

466

00:21:25,070 --> 00:21:23,039

top secret

467

00:21:27,950 --> 00:21:25,080

installations there I think there's some

468

00:21:30,110 --> 00:21:27,960

missile sites there as well

469

00:21:31,490 --> 00:21:30,120

uh most of people live in the area work

470

00:21:34,130 --> 00:21:31,500

for the government

471

00:21:36,529 --> 00:21:34,140

so anyway

472

00:21:39,289 --> 00:21:36,539

this is what he wrote To Me

473

00:21:41,090 --> 00:21:39,299

I have to be honest I wasn't sure who to

474

00:21:42,770 --> 00:21:41,100

contact about this but felt I had to

475

00:21:45,770 --> 00:21:42,780

report it to someone

476

00:21:47,990 --> 00:21:45,780

on September 11 2022 and my brother and

477

00:21:51,070 --> 00:21:48,000

I witnessed what can only be

478

00:21:54,529 --> 00:21:51,080

described as a pterodactyl like bird

479

00:21:56,690 --> 00:21:54,539

flying north to south

480

00:21:59,270 --> 00:21:56,700

we saw the creature from approximately

481

00:22:00,710 --> 00:21:59,280

100 foot away it was about 50 feet off

482

00:22:03,470 --> 00:22:00,720

the ground

483

00:22:05,210 --> 00:22:03,480

it appeared to be six to eight foot long

484

00:22:08,149 --> 00:22:05,220

Croatian color

485

00:22:10,130 --> 00:22:08,159

with large dark beak approximately a

486

00:22:12,529 --> 00:22:10,140

foot and a half long

487

00:22:14,270 --> 00:22:12,539

its wings were very long and tapered to

488

00:22:16,610 --> 00:22:14,280

a point

489

00:22:18,710 --> 00:22:16,620

the tail is very strange as it appeared

490

00:22:20,930 --> 00:22:18,720

to be maybe two to three foot long

491

00:22:22,789 --> 00:22:20,940

straight and smooth and a couple inches

492

00:22:25,490 --> 00:22:22,799

around at the end of the tail there was

493

00:22:27,590 --> 00:22:25,500

some type of roundish tip about the size

494

00:22:30,350 --> 00:22:27,600

of a baseball

495

00:22:32,390 --> 00:22:30,360

I could discern any letters but the

496

00:22:34,610 --> 00:22:32,400

feathers excuse me and the animal

497

00:22:36,049 --> 00:22:34,620

appeared gray and smooth thank you for

498

00:22:40,190 --> 00:22:36,059

your time I just had to report to

499

00:22:41,870 --> 00:22:40,200

somebody so I contacted him and uh

500

00:22:44,210 --> 00:22:41,880

he told me

501
00:22:46,370 --> 00:22:44,220
and he just brother driving in his

502
00:22:48,890 --> 00:22:46,380
neighborhood just outside the city of

503
00:22:52,010 --> 00:22:48,900
Alamogordo and uh on the early evening

504
00:22:54,529 --> 00:22:52,020
about September 11 2022.

505
00:22:58,130 --> 00:22:54,539
uh and for those unfamiliar location

506
00:23:00,549 --> 00:22:58,140
that's that's the tolerosa Basin in the

507
00:23:04,130 --> 00:23:00,559
in the Chihuahuan Desert there

508
00:23:06,890 --> 00:23:04,140
uh Palm Air Force Base is there

509
00:23:09,529 --> 00:23:06,900
now Holloman Air Force Base for those

510
00:23:13,190 --> 00:23:09,539
that know uthology that is the location

511
00:23:17,029 --> 00:23:13,200
where Eisenhower was supposedly met

512
00:23:19,070 --> 00:23:17,039
uh some alien beings in the 50s

513
00:23:22,370 --> 00:23:19,080

it's also near the White Sands Missile

514

00:23:26,690 --> 00:23:22,380

Range in National Park as well

515

00:23:29,149 --> 00:23:26,700

so flying near them was with

516

00:23:32,270 --> 00:23:29,159

flying near them was what the witness

517

00:23:35,690 --> 00:23:32,280

described as what he first thought

518

00:23:37,789 --> 00:23:35,700

was an oversized pelican

519

00:23:39,649 --> 00:23:37,799

it was flying at an altitude of

520

00:23:41,390 --> 00:23:39,659

approximately 50 feet and close enough

521

00:23:42,529 --> 00:23:41,400

for him and his brother to distinguish

522

00:23:44,690 --> 00:23:42,539

detail

523

00:23:46,370 --> 00:23:44,700

now the long beak was very pronounced

524

00:23:48,649 --> 00:23:46,380

and long

525

00:23:50,810 --> 00:23:48,659

uh the entire body was about eight foot

526
00:23:54,049 --> 00:23:50,820
long with membrane wings that were long

527
00:23:59,870 --> 00:23:57,830
the wingspan was at least 12 foot

528
00:24:03,529 --> 00:23:59,880
the entire body was grayish in color

529
00:24:05,149 --> 00:24:03,539
there was no hair to smooth skin and

530
00:24:06,890 --> 00:24:05,159
like I said previous there was a long

531
00:24:09,049 --> 00:24:06,900
tail with thickness and length of a

532
00:24:11,210 --> 00:24:09,059
baseball bat in a bulb-sized formation

533
00:24:13,610 --> 00:24:11,220
on the end

534
00:24:16,010 --> 00:24:13,620
it was flying north of the South it was

535
00:24:18,169 --> 00:24:16,020
deliberately in slowing flap slowly

536
00:24:19,789 --> 00:24:18,179
flapping its wings by maintaining height

537
00:24:22,490 --> 00:24:19,799
and speed

538
00:24:24,289 --> 00:24:22,500

uh both Witnesses were shocked at what

539

00:24:26,510 --> 00:24:24,299

they were observing it felt compelled to

540

00:24:28,970 --> 00:24:26,520

report the incident I received the

541

00:24:30,770 --> 00:24:28,980

written report the same evening

542

00:24:33,049 --> 00:24:30,780

the weakness later the witness later

543

00:24:34,730 --> 00:24:33,059

stated that he had been outside grilling

544

00:24:37,370 --> 00:24:34,740

the night before

545

00:24:39,890 --> 00:24:37,380

at the same time he heard several loud

546

00:24:42,289 --> 00:24:39,900

screeches coming from a distance and

547

00:24:44,450 --> 00:24:42,299

above but couldn't but could not

548

00:24:46,789 --> 00:24:44,460

determine what it was

549

00:24:47,930 --> 00:24:46,799

now he did tell me there's an area near

550

00:24:50,810 --> 00:24:47,940

his home

551
00:24:52,789 --> 00:24:50,820
that is what's somewhat swampy with old

552
00:24:55,549 --> 00:24:52,799
growth threes and plans to investigate

553
00:24:57,049 --> 00:24:55,559
the location for evidence so I haven't

554
00:24:59,330 --> 00:24:57,059
heard anything else I don't know if he's

555
00:25:01,190 --> 00:24:59,340
going back there yet or not but I am

556
00:25:04,130 --> 00:25:01,200
going to follow up with him

557
00:25:04,140 --> 00:25:08,090
you know Texas

558
00:25:14,810 --> 00:25:11,870
and uh New Mexico's Southwest they are

559
00:25:16,669 --> 00:25:14,820
known for these possible flyways or

560
00:25:18,549 --> 00:25:16,679
flyovers of these pterodactyl like

561
00:25:22,250 --> 00:25:18,559
beings pterosaurs

562
00:25:24,590 --> 00:25:22,260
uh you know the the late great uh JC

563
00:25:28,130 --> 00:25:24,600

Johnson used to talk about

564

00:25:30,830 --> 00:25:28,140

there being a fly away from Central

565

00:25:33,350 --> 00:25:30,840

America up to New Mexico up to Mexico in

566

00:25:35,090 --> 00:25:33,360

through Texas and the Southwest

567

00:25:36,710 --> 00:25:35,100

of uh these terrorists who were like

568

00:25:38,870 --> 00:25:36,720

beings

569

00:25:41,390 --> 00:25:38,880

I don't know if that's true or not

570

00:25:43,130 --> 00:25:41,400

uh but I do know there are a lot of

571

00:25:45,409 --> 00:25:43,140

sightings and of course

572

00:25:47,690 --> 00:25:45,419

uh you know Jason McLean was on the show

573

00:25:49,370 --> 00:25:47,700

last Friday we talked about this a bit

574

00:25:53,750 --> 00:25:49,380

because he had had an encounter as well

575

00:25:57,049 --> 00:25:53,760

while living in near Dallas and um

576

00:25:59,930 --> 00:25:57,059

and Ken Gerhard and Nick Redford wrote a

577

00:26:02,149 --> 00:25:59,940

book a title Big Bird several years ago

578

00:26:04,909 --> 00:26:02,159

about the phenomena as well

579

00:26:07,310 --> 00:26:04,919

so uh you know if you're interested in

580

00:26:14,210 --> 00:26:07,320

it I would suggest you go get the book

581

00:26:19,190 --> 00:26:16,130

uh Dave's

582

00:26:22,130 --> 00:26:19,200

talking about my beard again

583

00:26:22,140 --> 00:26:27,830

anyway

584

00:26:33,049 --> 00:26:30,289

so if you have any questions about that

585

00:26:34,549 --> 00:26:33,059

after I'm done reading we'll um we'll

586

00:26:36,890 --> 00:26:34,559

talk about that then

587

00:26:39,590 --> 00:26:36,900

here's an interesting one I that was

588

00:26:42,409 --> 00:26:39,600

sent to me or it was it was actually

589

00:26:44,510 --> 00:26:42,419

forward to me by another investigator

590

00:26:48,049 --> 00:26:44,520

about a group of urban explorers and

591

00:26:50,750 --> 00:26:48,059

yatskirts saying Angela and gulame and

592

00:26:53,049 --> 00:26:50,760

gulamei France they come across the

593

00:26:56,750 --> 00:26:53,059

Unexplained humanoid that has red skin

594

00:26:59,330 --> 00:26:56,760

and large glowing white eyes what was it

595

00:27:02,510 --> 00:26:59,340

I think um

596

00:27:06,409 --> 00:27:02,520

I think that Vincent has some pictures

597

00:27:09,830 --> 00:27:06,419

of this thing as well so in 2012

598

00:27:11,750 --> 00:27:09,840

uh yake Richie and his friends were

599

00:27:14,149 --> 00:27:11,760

Urban exploring in an abandoned building

600

00:27:18,049 --> 00:27:14,159

the house of swimming pool on the

601
00:27:21,169 --> 00:27:18,059
outskirts and Angola May France

602
00:27:23,750 --> 00:27:21,179
it was a knight expiration and

603
00:27:26,149 --> 00:27:23,760
flashlights were used to help them see

604
00:27:28,250 --> 00:27:26,159
around the disheveled building

605
00:27:30,350 --> 00:27:28,260
all seems pretty routine until they

606
00:27:32,450 --> 00:27:30,360
Shine the flashlights in a corner one

607
00:27:35,269 --> 00:27:32,460
from the apparent shelving unit

608
00:27:38,090 --> 00:27:35,279
that is when they have observed movement

609
00:27:39,950 --> 00:27:38,100
and spot a strange figure

610
00:27:42,710 --> 00:27:39,960
it seems to be sitting and moving his

611
00:27:44,510 --> 00:27:42,720
body popping a leg and arm and head out

612
00:27:47,870 --> 00:27:44,520
to peer at them the figure although

613
00:27:52,070 --> 00:27:47,880

humanoid does not appear to be human

614

00:27:55,130 --> 00:27:52,080

it seems to have noticeable red skin and

615

00:27:57,049 --> 00:27:55,140

large glowing white eyes no surprise

616

00:28:00,350 --> 00:27:57,059

Richie and his friends screamed in

617

00:28:02,630 --> 00:28:00,360

horror and immediately rushed outside

618

00:28:04,310 --> 00:28:02,640

where they run into the woods away from

619

00:28:07,310 --> 00:28:04,320

whatever was in the building

620

00:28:09,710 --> 00:28:07,320

there is a strange creaking screeching

621

00:28:11,690 --> 00:28:09,720

sound that follows them out but it is

622

00:28:14,450 --> 00:28:11,700

unclear if it's just the natural sound

623

00:28:16,430 --> 00:28:14,460

of the forest or something else possibly

624

00:28:18,230 --> 00:28:16,440

the creature now Richie uploaded the

625

00:28:22,010 --> 00:28:18,240

video on his YouTube channel

626
00:28:24,169 --> 00:28:22,020
in uh 2012 which is titled string

627
00:28:25,909 --> 00:28:24,179
creature in another in an abandoned

628
00:28:28,310 --> 00:28:25,919
swimming pool

629
00:28:29,870 --> 00:28:28,320
in his description he noted we still do

630
00:28:31,190 --> 00:28:29,880
not know what it was it's pretty

631
00:28:33,950 --> 00:28:31,200
terrifying

632
00:28:35,930 --> 00:28:33,960
and it was referred to me and that's

633
00:28:37,130 --> 00:28:35,940
where I got the screen grabs off of this

634
00:28:39,409 --> 00:28:37,140
thing

635
00:28:42,950 --> 00:28:39,419
now if you do go to the video

636
00:28:44,390 --> 00:28:42,960
uh you can see it moving around now in

637
00:28:46,909 --> 00:28:44,400
the years since

638
00:28:48,890 --> 00:28:46,919

all the content on Richie's channel has

639

00:28:50,330 --> 00:28:48,900

been removed except for that video and

640

00:28:52,010 --> 00:28:50,340

it's unclear if you ever made a

641

00:28:55,310 --> 00:28:52,020

follow-up video

642

00:28:56,930 --> 00:28:55,320

uh Brenda Richie's uh responded to the

643

00:28:59,029 --> 00:28:56,940

video comments attempting to clarify

644

00:29:01,730 --> 00:28:59,039

the building was normally locked and

645

00:29:03,830 --> 00:29:01,740

hard to get into it was not known to be

646

00:29:06,230 --> 00:29:03,840

a dwelling for homeless people

647

00:29:08,510 --> 00:29:06,240

I stated that no one can enter inside

648

00:29:10,250 --> 00:29:08,520

because it was closed we passed next to

649

00:29:12,610 --> 00:29:10,260

the swimming pool each day because it's

650

00:29:15,950 --> 00:29:12,620

on the way to the university restaurant

651
00:29:18,769 --> 00:29:15,960
and we see that nobody lives inside we

652
00:29:21,710 --> 00:29:18,779
really don't know what this thing was

653
00:29:24,409 --> 00:29:21,720
uh you know some commenters had actually

654
00:29:25,549 --> 00:29:24,419
noted that their eye glow might have

655
00:29:27,590 --> 00:29:25,559
been a reflection of the flashlight

656
00:29:29,570 --> 00:29:27,600
though it seems unlikely since human

657
00:29:32,570 --> 00:29:29,580
eyes don't normally reflect light that

658
00:29:35,870 --> 00:29:32,580
way as well the eyes seeing four too

659
00:29:37,730 --> 00:29:35,880
large and too far apart to be and the

660
00:29:39,830 --> 00:29:37,740
glow is visible even when the flashlight

661
00:29:41,110 --> 00:29:39,840
is no longer being shined into their

662
00:29:44,510 --> 00:29:41,120
action

663
00:29:47,149 --> 00:29:44,520

so uh anyway

664

00:29:50,570 --> 00:29:47,159

and one of one of his associates stated

665

00:29:52,190 --> 00:29:50,580

something about it uh or my associate my

666

00:29:55,970 --> 00:29:52,200

friend Brian

667

00:29:58,370 --> 00:29:55,980

uh I'm a Jamie Brian he uh he was

668

00:29:59,810 --> 00:29:58,380

reminded of the Marvel Comics superhero

669

00:30:02,690 --> 00:29:59,820

Spider Woman

670

00:30:06,409 --> 00:30:02,700

uh and that figure appears lanky

671

00:30:10,610 --> 00:30:06,419

possibly females blood red and color

672

00:30:13,549 --> 00:30:10,620

like a skin or skin suit and long long

673

00:30:15,950 --> 00:30:13,559

jet black hair barely visible and its

674

00:30:17,690 --> 00:30:15,960

eyes seem to be shaped not unlike how

675

00:30:22,370 --> 00:30:17,700

the Arachne is

676

00:30:24,529 --> 00:30:22,380

uh characters eyes look in the comics so

677

00:30:26,630 --> 00:30:24,539

it's pretty bizarre I mean you're

678

00:30:30,049 --> 00:30:26,640

looking at the if you're looking at this

679

00:30:32,210 --> 00:30:30,059

at the uh the picture in the video it's

680

00:30:34,070 --> 00:30:32,220

pretty I mean in the screencast it's

681

00:30:36,289 --> 00:30:34,080

pretty bizarre

682

00:30:38,930 --> 00:30:36,299

on uh

683

00:30:40,970 --> 00:30:38,940

I don't know what they ran across

684

00:30:43,190 --> 00:30:40,980

but then again with all these humanoids

685

00:30:46,190 --> 00:30:43,200

and stuff that people have been seeing

686

00:30:49,190 --> 00:30:46,200

and reporting to me in the past couple

687

00:30:51,049 --> 00:30:49,200

years uh and of course in writing to

688

00:30:52,730 --> 00:30:51,059

book me humanoids there's a lot of weird

689

00:30:56,090 --> 00:30:52,740

stuff that has been

690

00:31:00,649 --> 00:30:56,100

has been forthcoming so uh I don't know

691

00:31:05,510 --> 00:31:02,630

now here's a

692

00:31:06,889 --> 00:31:05,520

here's a sighting that we received that

693

00:31:10,430 --> 00:31:06,899

I received

694

00:31:12,710 --> 00:31:10,440

from the Chicago land area of the Wayne

695

00:31:17,210 --> 00:31:14,810

uh and this is the most recent sighting

696

00:31:19,810 --> 00:31:17,220

that we have received for those who

697

00:31:22,850 --> 00:31:19,820

haven't kept up with this uh

698

00:31:23,870 --> 00:31:22,860

natashka Illinois resin details his

699

00:31:27,110 --> 00:31:23,880

encounter

700

00:31:31,010 --> 00:31:27,120

with a gargoyle like winged humanoid in

701
00:31:33,110 --> 00:31:31,020
his neighborhood in August 2020.

702
00:31:34,610 --> 00:31:33,120
now the description is very similar to

703
00:31:37,130 --> 00:31:34,620
others we have received in the

704
00:31:40,370 --> 00:31:37,140
Chicagoland region

705
00:31:42,110 --> 00:31:40,380
now the original email

706
00:31:45,409 --> 00:31:42,120
that he sent me

707
00:31:47,389 --> 00:31:45,419
goes as thus I have an experience I

708
00:31:49,970 --> 00:31:47,399
would like to tell you about

709
00:31:51,649 --> 00:31:49,980
I did not know this site existed and I

710
00:31:54,350 --> 00:31:51,659
was telling my brothers about it a few

711
00:31:56,810 --> 00:31:54,360
weeks ago at my son's birthday party and

712
00:31:58,430 --> 00:31:56,820
of course they were laughing at me I

713
00:32:00,110 --> 00:31:58,440

live in Itasca

714

00:32:03,350 --> 00:32:00,120

Illinois and

715

00:32:05,750 --> 00:32:03,360

two years ago in August 2020 I went out

716

00:32:08,389 --> 00:32:05,760

at about nine pm at night and was

717

00:32:11,149 --> 00:32:08,399

putting something in my car

718

00:32:14,090 --> 00:32:11,159

about 50 to 75 yards away I saw

719

00:32:16,250 --> 00:32:14,100

something land in the street

720

00:32:18,289 --> 00:32:16,260

it looked like it was crouching and it

721

00:32:21,950 --> 00:32:18,299

looked the size of a coyote or maybe

722

00:32:24,350 --> 00:32:21,960

bigger sitting in an upright position

723

00:32:27,169 --> 00:32:24,360

it's too big to be an owl but kind of

724

00:32:30,289 --> 00:32:27,179

looked like a bat owl looking creature

725

00:32:31,070 --> 00:32:30,299

like a gargoyle with little horns on its

726
00:32:34,010 --> 00:32:31,080
head

727
00:32:36,289 --> 00:32:34,020
I was focusing on it for about a minute

728
00:32:37,370 --> 00:32:36,299
and kept asking myself what the hell is

729
00:32:40,610 --> 00:32:37,380
that

730
00:32:43,250 --> 00:32:40,620
now in a sudden burst with its wings

731
00:32:45,169 --> 00:32:43,260
it kind of hopped up and exploded out of

732
00:32:47,149 --> 00:32:45,179
the crouching stance

733
00:32:49,850 --> 00:32:47,159
with the thunderous stroke of its wings

734
00:32:53,090 --> 00:32:49,860
and disappeared into the trees

735
00:32:55,370 --> 00:32:53,100
I yelped and stood stepped back a bit as

736
00:32:58,490 --> 00:32:55,380
I could not believe my eyes it looked

737
00:33:02,990 --> 00:32:58,500
like a five foot black bat animal

738
00:33:04,850 --> 00:33:03,000

looking thing flying into the trees

739

00:33:07,070 --> 00:33:04,860

now I have been reading about the other

740

00:33:09,649 --> 00:33:07,080

sightings in the area and my studying

741

00:33:11,990 --> 00:33:09,659

matches what others have seen I got a

742

00:33:14,570 --> 00:33:12,000

good look at that creepy thing but

743

00:33:18,529 --> 00:33:14,580

I do not believe that it observed me

744

00:33:22,029 --> 00:33:18,539

because I was watching it quietly

745

00:33:24,950 --> 00:33:22,039

so uh I I gotta hold the witness

746

00:33:27,830 --> 00:33:24,960

and he stated that he was quite

747

00:33:30,230 --> 00:33:27,840

surprised when he noticed the creature

748

00:33:32,690 --> 00:33:30,240

again he said it was crouched under a

749

00:33:34,250 --> 00:33:32,700

fairly bright street light and about 50

750

00:33:35,389 --> 00:33:34,260

yards in front of him in the

751
00:33:39,529 --> 00:33:35,399
neighborhood

752
00:33:40,850 --> 00:33:39,539
vicinity of Bryn Mawr and Elm Street

753
00:33:43,430 --> 00:33:40,860
Natasha

754
00:33:47,570 --> 00:33:43,440
this location is approximately two miles

755
00:33:52,250 --> 00:33:50,149
as he watched it was apparent that it

756
00:33:54,769 --> 00:33:52,260
had bad like wings and the face was

757
00:33:57,769 --> 00:33:54,779
similar to a gargoyle's depiction

758
00:34:00,470 --> 00:33:57,779
with small horns on its head

759
00:34:03,590 --> 00:34:00,480
the coloring was gray to Black

760
00:34:05,750 --> 00:34:03,600
there was no eye color recognized now I

761
00:34:07,850 --> 00:34:05,760
I am going to State this and I don't

762
00:34:09,349 --> 00:34:07,860
know if uh events is bringing it up

763
00:34:11,510 --> 00:34:09,359

because I can't see the screen right now

764

00:34:14,450 --> 00:34:11,520

but he did a sketch of one of these

765

00:34:16,250 --> 00:34:14,460

unseen ones of the winged beams that

766

00:34:18,829 --> 00:34:16,260

were described by the Unseen ones and

767

00:34:20,270 --> 00:34:18,839

they do gargle like with small horns on

768

00:34:21,950 --> 00:34:20,280

their heads and maybe this is what he

769

00:34:24,230 --> 00:34:21,960

saw

770

00:34:26,810 --> 00:34:24,240

now when it suddenly rose up from its

771

00:34:28,970 --> 00:34:26,820

cracks position he states that it stood

772

00:34:31,430 --> 00:34:28,980

five five to six foot in height and that

773

00:34:32,629 --> 00:34:31,440

the body was somewhat emaciated but

774

00:34:34,849 --> 00:34:32,639

defined

775

00:34:37,669 --> 00:34:34,859

the the arms were attached to the wide

776

00:34:40,609 --> 00:34:37,679

wings to span far from the body it was

777

00:34:43,609 --> 00:34:40,619

definitely a human humanoid form

778

00:34:45,530 --> 00:34:43,619

he used the word explode to describe the

779

00:34:47,629 --> 00:34:45,540

sudden burst of energy when it took

780

00:34:48,889 --> 00:34:47,639

flight after just one flap of the

781

00:34:51,230 --> 00:34:48,899

powerful wings

782

00:34:53,030 --> 00:34:51,240

the sound of the Wings the ascent burst

783

00:34:54,409 --> 00:34:53,040

like thunder and suddenly food the tree

784

00:34:56,930 --> 00:34:54,419

and disappear which is something we've

785

00:34:58,790 --> 00:34:56,940

been hearing from people where these

786

00:35:00,890 --> 00:34:58,800

beings seem to have some ability to

787

00:35:04,550 --> 00:35:00,900

suddenly jettison themselves into flight

788

00:35:07,550 --> 00:35:04,560

some do it without flapping a wing some

789

00:35:09,050 --> 00:35:07,560

also flat it it you know

790

00:35:11,210 --> 00:35:09,060

book types

791

00:35:13,609 --> 00:35:11,220

the witness is very articulate and

792

00:35:15,890 --> 00:35:13,619

seemingly forthright is still affected

793

00:35:18,170 --> 00:35:15,900

by this encounter two years later

794

00:35:20,690 --> 00:35:18,180

expressed how surprised he was when he

795

00:35:23,870 --> 00:35:20,700

found the interactive Matt detailing the

796

00:35:27,470 --> 00:35:23,880

fans of monster 14 Research extensive

797

00:35:29,270 --> 00:35:27,480

investigation of this phenomena

798

00:35:33,530 --> 00:35:29,280

now

799

00:35:38,390 --> 00:35:35,930

after the weekend that I talked to him

800

00:35:41,510 --> 00:35:38,400

he called me he had me call him back

801
00:35:44,990 --> 00:35:41,520
uh this individual is very religious

802
00:35:47,630 --> 00:35:45,000
and he knows his Bible he knows he's

803
00:35:50,390 --> 00:35:47,640
very well read

804
00:35:52,310 --> 00:35:50,400
he said he all weekend he felt guilty

805
00:35:54,050 --> 00:35:52,320
about telling me about this because he

806
00:35:55,790 --> 00:35:54,060
afraid he was afraid that this was some

807
00:35:57,890 --> 00:35:55,800
type of demon being

808
00:35:59,870 --> 00:35:57,900
and that he was getting me in some type

809
00:36:02,270 --> 00:35:59,880
of trouble by telling me about this but

810
00:36:04,190 --> 00:36:02,280
you know I explained to him that we had

811
00:36:07,550 --> 00:36:04,200
heard all kinds of different things as

812
00:36:08,930 --> 00:36:07,560
far as these these sightings go and uh

813
00:36:11,810 --> 00:36:08,940

you know I'm not going to tell him what

814

00:36:14,329 --> 00:36:11,820

he thinks it is or you know I I told him

815

00:36:17,150 --> 00:36:14,339

I I'd take it under advisement and I go

816

00:36:18,829 --> 00:36:17,160

from there so I just wanted to put that

817

00:36:22,130 --> 00:36:18,839

caveat in there

818

00:36:24,050 --> 00:36:22,140

so uh that's all that's all what we got

819

00:36:25,370 --> 00:36:24,060

for the night now if you don't have

820

00:36:28,250 --> 00:36:25,380

questions

821

00:36:31,370 --> 00:36:28,260

please put them into the um

822

00:36:34,069 --> 00:36:31,380

into the chat and I will

823

00:36:36,470 --> 00:36:34,079

I will try to answer them

824

00:36:38,329 --> 00:36:36,480

um Jose Sanchez asked how can Mothman

825

00:36:39,650 --> 00:36:38,339

move dimensionally if it's a physical

826
00:36:44,270 --> 00:36:39,660
creature

827
00:36:47,030 --> 00:36:46,069
this is the big this has been the big

828
00:36:48,710 --> 00:36:47,040
question

829
00:36:52,970 --> 00:36:48,720
uh

830
00:36:54,490 --> 00:36:52,980
or can can Flesh and Blood beings

831
00:36:57,829 --> 00:36:54,500
definitely

832
00:37:00,109 --> 00:36:57,839
uh Corporal beings can they move between

833
00:37:02,329 --> 00:37:00,119
dimensions

834
00:37:05,870 --> 00:37:02,339
or can they move into alternate

835
00:37:08,690 --> 00:37:05,880
realities I think the the latter they

836
00:37:10,310 --> 00:37:08,700
definitely can I think humans can I

837
00:37:12,950 --> 00:37:10,320
think humans have walked through portals

838
00:37:15,230 --> 00:37:12,960

into alternate realities

839

00:37:16,310 --> 00:37:15,240

but I also think that

840

00:37:18,530 --> 00:37:16,320

um

841

00:37:20,690 --> 00:37:18,540

Corporal beings can move within

842

00:37:22,190 --> 00:37:20,700

Dimensions if they know what they're

843

00:37:26,170 --> 00:37:22,200

doing

844

00:37:27,829 --> 00:37:26,180

do they have to uh do they have to

845

00:37:30,770 --> 00:37:27,839

manipulate

846

00:37:33,349 --> 00:37:30,780

their uh their Mass somehow to do that

847

00:37:34,910 --> 00:37:33,359

does it require

848

00:37:43,670 --> 00:37:34,920

uh

849

00:37:45,349 --> 00:37:43,680

moving in and out of other dimensions I

850

00:37:47,210 --> 00:37:45,359

I don't know

851

00:37:49,250 --> 00:37:47,220

you know this is a question that we've

852

00:37:51,530 --> 00:37:49,260

been we've had for a lot of people from

853

00:37:54,230 --> 00:37:51,540

a lot of something we've thought about

854

00:37:56,270 --> 00:37:54,240

but uh it's it's it is an interesting

855

00:37:58,310 --> 00:37:56,280

question I think for asking

856

00:38:00,650 --> 00:37:58,320

um Brian Keith Linville

857

00:38:02,630 --> 00:38:00,660

what do you know about feral humans I've

858

00:38:04,190 --> 00:38:02,640

heard them mentioned recently with

859

00:38:06,650 --> 00:38:04,200

little explanation of what they actually

860

00:38:08,270 --> 00:38:06,660

are well when you're talking about feral

861

00:38:10,370 --> 00:38:08,280

humans

862

00:38:11,930 --> 00:38:10,380

mostly instances where we're talking

863

00:38:15,890 --> 00:38:11,940

about them

864

00:38:18,410 --> 00:38:15,900

are those that live in very very rural

865

00:38:20,930 --> 00:38:18,420

and out of the way places like up in the

866

00:38:22,569 --> 00:38:20,940

mountains and such you know I I've had a

867

00:38:24,650 --> 00:38:22,579

lot of different

868

00:38:27,050 --> 00:38:24,660

interpretations of this especially in

869

00:38:29,329 --> 00:38:27,060

Appalachia now I'm not saying this is

870

00:38:31,310 --> 00:38:29,339

all an Appalachian phenomenal

871

00:38:33,050 --> 00:38:31,320

but it does happen you know some people

872

00:38:35,690 --> 00:38:33,060

associated with Bigfoot and other

873

00:38:38,569 --> 00:38:35,700

creatures I I don't believe that I think

874

00:38:42,470 --> 00:38:38,579

you know I don't want to say these are

875

00:38:45,710 --> 00:38:42,480

inbred human beings but they're away

876
00:38:49,430 --> 00:38:45,720
from society their characteristics are

877
00:38:51,410 --> 00:38:49,440
not on part of what we are basically

878
00:38:54,710 --> 00:38:51,420
for a lot of reasons

879
00:38:56,870 --> 00:38:54,720
but uh they pick up aspects and and

880
00:38:59,990 --> 00:38:56,880
their daily life is much different

881
00:39:01,910 --> 00:39:00,000
they do act like animals basically

882
00:39:04,010 --> 00:39:01,920
that's how they survive they've got to

883
00:39:05,870 --> 00:39:04,020
find ways to eat they got to find ways

884
00:39:08,990 --> 00:39:05,880
of staying safe

885
00:39:11,089 --> 00:39:09,000
and uh that's what people are known as

886
00:39:13,130 --> 00:39:11,099
feral just like a feral cat would have

887
00:39:18,829 --> 00:39:13,140
to do the same thing

888
00:39:18,839 --> 00:39:23,390

uh Jose so

889

00:39:27,829 --> 00:39:25,670

right so that would imply that Mothman

890

00:39:30,410 --> 00:39:27,839

can actually know where these portals

891

00:39:33,170 --> 00:39:30,420

are located well I assume so

892

00:39:36,829 --> 00:39:33,180

uh if you didn't I don't know how he

893

00:39:39,710 --> 00:39:36,839

would find them or they would find them

894

00:39:41,270 --> 00:39:39,720

you know I had a big discussion on on

895

00:39:44,210 --> 00:39:41,280

Dave

896

00:39:46,310 --> 00:39:44,220

Scott show the other night on uh

897

00:39:50,329 --> 00:39:46,320

spaced out radio where we talked about

898

00:39:54,410 --> 00:39:50,339

portals it was a fairly long

899

00:39:56,089 --> 00:39:54,420

discussion and uh I I do you know he was

900

00:39:59,990 --> 00:39:56,099

he was talking about an incident where

901
00:40:02,150 --> 00:40:00,000
he recently may have been very close to

902
00:40:03,470 --> 00:40:02,160
a portal sure I know people don't

903
00:40:05,870 --> 00:40:03,480
believe some people don't believe in

904
00:40:07,250 --> 00:40:05,880
quarters I get that

905
00:40:09,109 --> 00:40:07,260
uh

906
00:40:11,810 --> 00:40:09,119
I have

907
00:40:13,790 --> 00:40:11,820
been a party to them though

908
00:40:16,130 --> 00:40:13,800
in investigating in paranormal

909
00:40:18,130 --> 00:40:16,140
investigations with spirits and such and

910
00:40:21,410 --> 00:40:18,140
also with some crypto investigations

911
00:40:23,990 --> 00:40:21,420
there are some researchers who swear

912
00:40:26,089 --> 00:40:24,000
that they have come across this

913
00:40:28,370 --> 00:40:26,099

people have talked about the missing

914

00:40:31,370 --> 00:40:28,380

4-1-1 cases where there could be very

915

00:40:33,170 --> 00:40:31,380

very well could be portals involved with

916

00:40:35,990 --> 00:40:33,180

that

917

00:40:38,569 --> 00:40:36,000

uh what do you think the brimstone smell

918

00:40:39,770 --> 00:40:38,579

would be portals opening or closing you

919

00:40:43,790 --> 00:40:39,780

know

920

00:40:46,190 --> 00:40:43,800

that brimstone

921

00:40:49,010 --> 00:40:46,200

odor does show up a lot

922

00:40:51,349 --> 00:40:49,020

I don't know if it's one or one way or

923

00:40:54,230 --> 00:40:51,359

the other or it's both ways or what

924

00:40:56,390 --> 00:40:54,240

um you know even David David Eckhart had

925

00:40:58,490 --> 00:40:56,400

talked about that at some point

926

00:41:01,130 --> 00:40:58,500

that he occasionally would smell that

927

00:41:04,609 --> 00:41:01,140

that awkward smell

928

00:41:07,849 --> 00:41:04,619

uh or maybe it's just the entity himself

929

00:41:09,650 --> 00:41:07,859

I don't know you know that's just

930

00:41:12,109 --> 00:41:09,660

something else another bit of evidence

931

00:41:14,210 --> 00:41:12,119

to to use you know

932

00:41:16,670 --> 00:41:14,220

we had a

933

00:41:18,950 --> 00:41:16,680

the really the first

934

00:41:21,050 --> 00:41:18,960

sighting of the winged humanoids that we

935

00:41:24,950 --> 00:41:21,060

had at O'Hare

936

00:41:29,690 --> 00:41:24,960

was outside of the airport in Rosemont

937

00:41:33,410 --> 00:41:29,700

at an area where a lot of the um

938

00:41:36,050 --> 00:41:33,420

a lot of cab drivers are Lyft drivers

939

00:41:37,609 --> 00:41:36,060

would stay before they get a call from

940

00:41:40,010 --> 00:41:37,619

somebody at the terminal where they

941

00:41:41,870 --> 00:41:40,020

could drive in and pick them up

942

00:41:44,750 --> 00:41:41,880

and there was the sighting of one of

943

00:41:49,190 --> 00:41:44,760

these things and uh

944

00:41:52,190 --> 00:41:49,200

it was in October 2 2019 if you go back

945

00:41:53,810 --> 00:41:52,200

and check the uh the chronological order

946

00:41:56,150 --> 00:41:53,820

but anyway

947

00:41:58,310 --> 00:41:56,160

one of the aspects of this sighting was

948

00:42:00,170 --> 00:41:58,320

that after this thing was seen this guy

949

00:42:03,109 --> 00:42:00,180

went out of his cab

950

00:42:05,990 --> 00:42:03,119

went up to the area and he had a very

951

00:42:09,710 --> 00:42:06,000

strong ammonia smell

952

00:42:15,230 --> 00:42:12,770

just like you know smells and odors are

953

00:42:18,710 --> 00:42:15,240

a big part of the Paranormal um you know

954

00:42:19,490 --> 00:42:18,720

Josh cutchen wrote a whole book about it

955

00:42:21,950 --> 00:42:19,500

um

956

00:42:24,470 --> 00:42:21,960

it's just like when I do uh when I do

957

00:42:26,810 --> 00:42:24,480

remote viewing

958

00:42:29,150 --> 00:42:26,820

a lot of times what I'm entering into

959

00:42:31,190 --> 00:42:29,160

certain phases of the remote view to

960

00:42:34,130 --> 00:42:31,200

where I'm trying to get information on

961

00:42:35,750 --> 00:42:34,140

the the actual subject

962

00:42:38,810 --> 00:42:35,760

or the target

963

00:42:41,990 --> 00:42:38,820

I get a cinnamon smell

964

00:42:44,270 --> 00:42:42,000

it's happened to me many times

965

00:42:46,130 --> 00:42:44,280

so uh you know you might want to read

966

00:42:48,170 --> 00:42:46,140

Josh's book somebody put it up the

967

00:42:51,710 --> 00:42:48,180

brimstone deceit it's an excellent book

968

00:42:54,890 --> 00:42:51,720

it's one of his early books and uh it it

969

00:42:56,990 --> 00:42:54,900

does go into an aspect of the Paranormal

970

00:43:06,589 --> 00:42:57,000

a lot of people don't really think about

971

00:43:06,599 --> 00:43:14,210

anybody else got any questions

972

00:43:19,730 --> 00:43:16,849

Jose maybe it's I shine due to the

973

00:43:22,370 --> 00:43:19,740

bioluminescence similar to some sea

974

00:43:24,349 --> 00:43:22,380

creatures that's very possible

975

00:43:26,750 --> 00:43:24,359

you know I don't know but that's very

976
00:43:28,849 --> 00:43:26,760
possible

977
00:43:31,550 --> 00:43:28,859
Vincent wants to know do you think the

978
00:43:34,309 --> 00:43:31,560
uh the hurricane will displace Cryptids

979
00:43:37,730 --> 00:43:34,319
well it did the last time when Andrew

980
00:43:40,809 --> 00:43:37,740
came through down in South Florida

981
00:43:46,430 --> 00:43:43,609
and it's it's interesting

982
00:43:50,270 --> 00:43:46,440
there were some research labs in in pet

983
00:43:52,730 --> 00:43:50,280
stores in that Homestead area

984
00:43:54,650 --> 00:43:52,740
where they were keeping monkeys and

985
00:43:57,349 --> 00:43:54,660
stuff and a lot of those got loose a lot

986
00:43:59,510 --> 00:43:57,359
of other animals got loose and every

987
00:44:01,849 --> 00:43:59,520
once in a while somebody sees them in in

988
00:44:02,870 --> 00:44:01,859

in the Everglades and such

989

00:44:04,790 --> 00:44:02,880

um

990

00:44:06,410 --> 00:44:04,800

of course they're they're already enough

991

00:44:10,069 --> 00:44:06,420

people taking

992

00:44:11,930 --> 00:44:10,079

pet pythons and such and letting them

993

00:44:13,870 --> 00:44:11,940

loose out there and

994

00:44:16,609 --> 00:44:13,880

you know it's it's

995

00:44:19,190 --> 00:44:16,619

the these creatures are basically

996

00:44:21,290 --> 00:44:19,200

changing the Ecology of the uh the

997

00:44:24,589 --> 00:44:21,300

Everglades I mean when you got pythons

998

00:44:26,390 --> 00:44:24,599

big enough to swallow alligators I mean

999

00:44:29,630 --> 00:44:26,400

you're gonna you're definitely changing

1000

00:44:32,089 --> 00:44:29,640

the Ecology of the area

1001
00:44:33,589 --> 00:44:32,099
but uh we'll display script as it may

1002
00:44:36,589 --> 00:44:33,599
very well do that

1003
00:44:39,349 --> 00:44:36,599
but you know I think the uh

1004
00:44:41,510 --> 00:44:39,359
I I think that that they're probably so

1005
00:44:43,550 --> 00:44:41,520
used to it

1006
00:44:47,930 --> 00:44:43,560
um that they they found a way of

1007
00:44:52,190 --> 00:44:49,730
are skunk Cave's just a collection of

1008
00:44:53,690 --> 00:44:52,200
feral monkeys

1009
00:44:56,690 --> 00:44:53,700
I don't know you know the skunk Apes

1010
00:44:58,849 --> 00:44:56,700
have been in the mayaka area in other

1011
00:45:00,589 --> 00:44:58,859
areas

1012
00:45:02,750 --> 00:45:00,599
for a long time

1013
00:45:04,130 --> 00:45:02,760

I don't necessarily think they're some

1014

00:45:06,290 --> 00:45:04,140

type of um

1015

00:45:08,690 --> 00:45:06,300

evolve the monkey

1016

00:45:10,609 --> 00:45:08,700

uh I I do think they're an indigenous

1017

00:45:13,130 --> 00:45:10,619

species of

1018

00:45:14,390 --> 00:45:13,140

you know I really do

1019

00:45:17,089 --> 00:45:14,400

um because you see a lot of family

1020

00:45:21,050 --> 00:45:18,950

um

1021

00:45:22,490 --> 00:45:21,060

and and for the most part they're

1022

00:45:25,430 --> 00:45:22,500

they're very much different than most

1023

00:45:26,990 --> 00:45:25,440

Bigfoot or Sasquatch that are seen in

1024

00:45:29,270 --> 00:45:27,000

other areas

1025

00:45:31,510 --> 00:45:29,280

so uh I don't think they're necessarily

1026
00:45:35,150 --> 00:45:31,520
feral monkeys I just think that they're

1027
00:45:45,950 --> 00:45:35,160
a species of uh hominid that's been

1028
00:45:45,960 --> 00:45:49,010
okay

1029
00:45:54,230 --> 00:45:51,349
well folks I want to thank you for

1030

1050

00:46:54,349 --> 00:46:51,000

who are a married couple living in

1051
00:46:56,870 --> 00:46:54,359
Summit County Ohio

1052
00:47:00,050 --> 00:46:56,880
who have been dealing with a 12-year

1053
00:47:02,150 --> 00:47:00,060
Saga which is namely they are there are

1054
00:47:04,970 --> 00:47:02,160
monsters in their yard

1055
00:47:06,950 --> 00:47:04,980
uh cryptic canines have been a part of

1056
00:47:09,650 --> 00:47:06,960
their everyday life

1057
00:47:11,990 --> 00:47:09,660
so join us for this intriguing look into

1058
00:47:14,329 --> 00:47:12,000
the evolution of their ordeal

1059
00:47:15,890 --> 00:47:14,339
what they have experienced and what they

1060
00:47:17,450 --> 00:47:15,900
have learned from it this is an

1061
00:47:19,329 --> 00:47:17,460
investigation we started back in

1062
00:47:21,950 --> 00:47:19,339
February

1063
00:47:24,349 --> 00:47:21,960

and um

1064

00:47:26,809 --> 00:47:24,359

I I think it's time that they had come

1065

00:47:29,510 --> 00:47:26,819

forward they agreed to do so

1066

00:47:31,790 --> 00:47:29,520

and I think you're you're going to enjoy

1067

00:47:34,250 --> 00:47:31,800

it and maybe learn a few things so until

1068

00:47:40,420 --> 00:47:34,260

then stay healthy have a safe enjoyable

1069
