5
00:01:27,289 --> 00:01:25,249
hey folks good evening and welcome to

6
00:01:29,450 --> 00:01:27,299
fans of Marshall's personal reports

7
00:01:32,510 --> 00:01:29,460
where I narrate some of the more recent

8
00:01:34,969 --> 00:01:32,520
past Cryptid and unexplained sightings

9
00:01:38,270 --> 00:01:34,979
and encounters submitted to Phantoms and

10
00:01:40,550 --> 00:01:38,280
monsters and uh like tonight I'm going

11
00:01:44,210 --> 00:01:40,560
to also detail some current past

12
00:01:44,810 --> 00:01:44,220
investigations so thanks for joining me

13
00:01:47,090 --> 00:01:44,820

um

14

00:01:49,190 --> 00:01:47,100

you can click the buy me a coffee

20

00:02:03,530 --> 00:02:01,020

Lincoln Banner

21

00:02:07,010 --> 00:02:03,540

which are shown below so uh thanks for

22

00:02:10,490 --> 00:02:08,330

I've had

23

00:02:16,550 --> 00:02:10,500

some

24

00:02:18,229 --> 00:02:16,560

of the things I've I've actually written

25

00:02:20,570 --> 00:02:18,239

about in the books

26

00:02:22,690 --> 00:02:20,580

uh some of the cases and such so I

27

00:02:25,550 --> 00:02:22,700

figured tonight we'd start off with that

28

00:02:27,470 --> 00:02:25,560

so I'm going to be re actually reading

29

00:02:28,670 --> 00:02:27,480

from the book with this first this first

30

00:02:31,250 --> 00:02:28,680

incident

31

00:02:33,589 --> 00:02:31,260

but uh I've had a lot of questions about

32

00:02:36,350 --> 00:02:33,599

this from people who have read the book

33

00:02:38,630 --> 00:02:36,360

and uh I figured you know for those who

34

00:02:41,449 --> 00:02:38,640

are not familiar with and I'll just go

35

00:02:44,449 --> 00:02:41,459

ahead and read I I will say this it's

36

00:02:46,850 --> 00:02:44,459

it's it wasn't something I was I was

37

00:02:49,850 --> 00:02:46,860

involved with for very long

38

00:02:51,830 --> 00:02:49,860

uh just a matter days actually but uh

39

00:02:53,570 --> 00:02:51,840

it's profound and it's something that

40

00:02:56,150 --> 00:02:53,580

really affected me

41

00:02:58,449 --> 00:02:56,160

uh

42

00:03:01,309 --> 00:02:58,459

you know abduction and alien contact

43

00:03:02,650 --> 00:03:01,319

experiencing reports can quickly trigger

44

00:03:05,570 --> 00:03:02,660

skepticism

45

00:03:07,369 --> 00:03:05,580

uh with an investigator especially if

46

00:03:08,990 --> 00:03:07,379

the information is received by telephone

47

00:03:11,089 --> 00:03:09,000

or in person

48

00:03:13,070 --> 00:03:11,099

the demeanor of the individual is

49

00:03:15,050 --> 00:03:13,080

usually full fear confusion and

50

00:03:17,210 --> 00:03:15,060

uncontrolled emotion

51
00:03:19,430 --> 00:03:17,220
it's important to listen and avoid

52
00:03:21,290 --> 00:03:19,440
making instant judgments based on the

53
00:03:24,530 --> 00:03:21,300
first interaction

54
00:03:26,990 --> 00:03:24,540
but sometimes you will receive a call-in

55
00:03:28,970 --> 00:03:27,000
which you know that something remarkable

56
00:03:32,270 --> 00:03:28,980
occurred in a person's life

57
00:03:34,550 --> 00:03:32,280
and that you are now about to become

58
00:03:38,570 --> 00:03:34,560
part of the story

59
00:03:41,390 --> 00:03:38,580
so uh in July 2009 I received that call

60
00:03:43,910 --> 00:03:41,400
a young woman named Mandy

61
00:03:47,390 --> 00:03:43,920
stated that her life had become a living

62
00:03:50,270 --> 00:03:47,400
hell and that she could no longer leave

63
00:03:52,850 --> 00:03:50,280

the house in the evening

64

00:03:55,190 --> 00:03:52,860

I'm literally afraid of the dark and

65

00:03:57,170 --> 00:03:55,200

Under Siege in my own home at night

66

00:04:00,110 --> 00:03:57,180

that's what she told me

67

00:04:03,830 --> 00:04:00,120

Mandy was living in a farmhouse outside

68

00:04:06,890 --> 00:04:03,840

a small town in East Central Washington

69

00:04:09,649 --> 00:04:06,900

less than a mile from the Idaho border

70

00:04:11,869 --> 00:04:09,659

about two weeks prior to contacting me

71

00:04:15,170 --> 00:04:11,879

her and her mother had noticed bright

72

00:04:17,150 --> 00:04:15,180

red and white lights hovering above the

73

00:04:20,390 --> 00:04:17,160

Coeur d'Alene mountains

74

00:04:23,450 --> 00:04:20,400

as they watched the light Mandy began to

75

00:04:26,210 --> 00:04:23,460

feel dizzy and fearful

76

00:04:28,730 --> 00:04:26,220

that night she had a horrific nightmare

77

00:04:31,790 --> 00:04:28,740

that involved constant flashing lights

78

00:04:33,950 --> 00:04:31,800

and Loud mechanical noises

79

00:04:36,830 --> 00:04:33,960

the next morning she woke feeling

80

00:04:40,310 --> 00:04:36,840

nauseous and lightheaded Mandy was a

81

00:04:43,249 --> 00:04:40,320

school teacher but had to call in sick

82

00:04:45,290 --> 00:04:43,259

now by the next day Amanda began to feel

83

00:04:47,990 --> 00:04:45,300

better but the lights of the mountains

84

00:04:50,749 --> 00:04:48,000

continued you know for several nights

85

00:04:52,730 --> 00:04:50,759

she no longer had any greens but she

86

00:04:53,990 --> 00:04:52,740

still had the sense of fear to linger

87

00:04:56,090 --> 00:04:54,000

with her

88

00:04:59,749 --> 00:04:56,100

a mother thought that Mandy was simply

89

00:05:02,150 --> 00:04:59,759

overreacting to the siding of the lights

90

00:05:03,890 --> 00:05:02,160

then a few nights later Mandy and her

91

00:05:05,749 --> 00:05:03,900

mother were in the kitchen cleaning up

92

00:05:08,150 --> 00:05:05,759

after a late dinner

93

00:05:10,249 --> 00:05:08,160

we began to hear popping sounds coming

94

00:05:12,409 --> 00:05:10,259

from the backyard

95

00:05:15,110 --> 00:05:12,419

as he looked out the window they both

96

00:05:16,249 --> 00:05:15,120

noticed hundreds of small red and white

97

00:05:18,530 --> 00:05:16,259

lights

98

00:05:21,350 --> 00:05:18,540

flying in all directions

99

00:05:24,230 --> 00:05:21,360

each time a pair of Lights collided

100

00:05:26,210 --> 00:05:24,240

there was a distinct popping sound

101

00:05:28,129 --> 00:05:26,220

Mandy ran into the living room and

102

00:05:29,510 --> 00:05:28,139

looked out the window

103

00:05:33,050 --> 00:05:29,520

there were red and white lights

104

00:05:34,969 --> 00:05:33,060

everywhere by the road and in the field

105

00:05:37,249 --> 00:05:34,979

her mother picked up the telephone in

106

00:05:38,870 --> 00:05:37,259

order to call the police but there was

107

00:05:40,850 --> 00:05:38,880

no doubt to him

108

00:05:42,950 --> 00:05:40,860

by that time the lights in the house

109

00:05:45,170 --> 00:05:42,960

began to flicker

110

00:05:48,890 --> 00:05:45,180

there were also strange sounds coming

111

00:05:50,990 --> 00:05:48,900

from the roof similar to scratching

112

00:05:53,150 --> 00:05:51,000

this continued for about five minutes

113

00:05:56,029 --> 00:05:53,160

then suddenly stopped

114

00:05:57,590 --> 00:05:56,039

they were both confused and scared the

115

00:05:59,150 --> 00:05:57,600

phone was now working but her mother

116

00:06:01,129 --> 00:05:59,160

thought there was no reason to call the

117

00:06:03,710 --> 00:06:01,139

police

118

00:06:06,350 --> 00:06:03,720

now man who walked outside to see if

119

00:06:09,350 --> 00:06:06,360

there was any indication of what had

120

00:06:12,170 --> 00:06:09,360

just occurred everything seemed fine but

121

00:06:14,689 --> 00:06:12,180

there was a slight odor in the air

122

00:06:18,110 --> 00:06:14,699

she told me that reminded her of burnt

123

00:06:20,270 --> 00:06:18,120

motor oil but she couldn't find a source

124

00:06:22,490 --> 00:06:20,280

she eventually went back into the house

125

00:06:23,870 --> 00:06:22,500

but still be watered about what had

126
00:06:26,390 --> 00:06:23,880
happened

127
00:06:27,770 --> 00:06:26,400
the next night at approximately 10 30

128
00:06:31,010 --> 00:06:27,780
P.M

129
00:06:32,749 --> 00:06:31,020
Mandy was getting ready for bed

130
00:06:34,370 --> 00:06:32,759
while standing in front of her bathroom

131
00:06:38,270 --> 00:06:34,380
mirror

132
00:06:40,309 --> 00:06:38,280
she noticed two loud thuds on the roof

133
00:06:42,050 --> 00:06:40,319
she went into her mother's room to see

134
00:06:44,930 --> 00:06:42,060
us she had heard the sounds but she was

135
00:06:47,210 --> 00:06:44,940
already in bed asleep

136
00:06:49,670 --> 00:06:47,220
while walking in the upstairs hallway

137
00:06:52,790 --> 00:06:49,680
towards her room she heard several more

138
00:06:55,249 --> 00:06:52,800

thuds on the roof as well as scampering

139

00:06:57,409 --> 00:06:55,259

sounds in the Attic

140

00:06:59,629 --> 00:06:57,419

she looked out her bedroom window and

141

00:07:01,909 --> 00:06:59,639

once again with its hundreds of small

142

00:07:03,890 --> 00:07:01,919

red and white lights flying all about in

143

00:07:05,330 --> 00:07:03,900

Direction all about in different

144

00:07:07,550 --> 00:07:05,340

directions

145

00:07:08,749 --> 00:07:07,560

the noises in the Attic had awoken her

146

00:07:11,090 --> 00:07:08,759

mother

147

00:07:14,870 --> 00:07:11,100

they both yelled for each other as all

148

00:07:19,370 --> 00:07:17,210

they ran into Mandy's room and sat

149

00:07:21,469 --> 00:07:19,380

nervously on the bed

150

00:07:23,749 --> 00:07:21,479

the thugs on the roof and the scampering

151
00:07:26,029 --> 00:07:23,759
in the Attic continued

152
00:07:28,790 --> 00:07:26,039
they lit a few candles hoping the

153
00:07:30,589 --> 00:07:28,800
activity would soon end they felt like

154
00:07:32,930 --> 00:07:30,599
prisoners in their own home worried

155
00:07:35,629 --> 00:07:32,940
about what would happen next

156
00:07:38,029 --> 00:07:35,639
then suddenly the lights came back on

157
00:07:41,629 --> 00:07:38,039
and the noise just stopped

158
00:07:44,749 --> 00:07:41,639
Mandy later told me that the commotion

159
00:07:47,330 --> 00:07:44,759
went on for at least an hour neither of

160
00:07:49,610 --> 00:07:47,340
them got much sleep that night

161
00:07:52,490 --> 00:07:49,620
a few days later

162
00:07:53,930 --> 00:07:52,500
Mandy contacted me by telephone I was

163
00:07:56,029 --> 00:07:53,940

referred to her by a paranormal

164

00:07:58,730 --> 00:07:56,039

investigator in Spokane

165

00:08:01,969 --> 00:07:58,740

as soon as I began talking to Mandy and

166

00:08:04,430 --> 00:08:01,979

her mother a sense that this was not any

167

00:08:07,070 --> 00:08:04,440

run-of-the-mill unexplained encounter

168

00:08:09,290 --> 00:08:07,080

they had once again experienced similar

169

00:08:12,290 --> 00:08:09,300

activity the previous night

170

00:08:14,450 --> 00:08:12,300

Amanda commented that she felt like they

171

00:08:17,150 --> 00:08:14,460

were both in danger and asked if I ever

172

00:08:19,369 --> 00:08:17,160

heard of a similar experience

173

00:08:22,369 --> 00:08:19,379

I was understandably dumbfounded by the

174

00:08:24,589 --> 00:08:22,379

series of events but at the same time

175

00:08:27,469 --> 00:08:24,599

I was concerned that the activity may

176

00:08:30,290 --> 00:08:27,479

eventually lead to physical intervention

177

00:08:32,810 --> 00:08:30,300

but I didn't mention it to her

178

00:08:35,149 --> 00:08:32,820

uh

179

00:08:35,990 --> 00:08:35,159

I believe that we talked for about three

180

00:08:37,909 --> 00:08:36,000

hours

181

00:08:39,829 --> 00:08:37,919

there was nothing exceptional about

182

00:08:42,829 --> 00:08:39,839

Manny and her mother they had lived

183

00:08:44,029 --> 00:08:42,839

together in the family home since Mandy

184

00:08:45,889 --> 00:08:44,039

was born

185

00:08:47,990 --> 00:08:45,899

there was no information offered about

186

00:08:48,949 --> 00:08:48,000

Mandy's father so I didn't press the

187

00:08:51,050 --> 00:08:48,959

issue

188

00:08:53,150 --> 00:08:51,060

her mother had recently retired from her

189

00:08:55,430 --> 00:08:53,160

position as a state worker

190

00:08:59,210 --> 00:08:55,440

I asked him to keep a journal

191

00:09:01,250 --> 00:08:59,220

on the activity and to contact me

192

00:09:04,310 --> 00:09:01,260

this is my normal routine when working

193

00:09:07,670 --> 00:09:04,320

cases not during the interview

194

00:09:10,430 --> 00:09:07,680

Mandy asked why is this happening to us

195

00:09:12,290 --> 00:09:10,440

I didn't want to tell her that they may

196

00:09:14,230 --> 00:09:12,300

have been singled out but I really did

197

00:09:17,750 --> 00:09:14,240

sense that this may have been the case

198

00:09:20,210 --> 00:09:17,760

little did I know it would be my last

199

00:09:22,430 --> 00:09:20,220

contact with Mandy

200

00:09:24,530 --> 00:09:22,440

after I got off the telephone with Manny

201

00:09:27,230 --> 00:09:24,540

and her mother I started to examine

202

00:09:29,329 --> 00:09:27,240

several incident data several instant

203

00:09:30,889 --> 00:09:29,339

databases in an attempt to find any

204

00:09:33,350 --> 00:09:30,899

similar events

205

00:09:34,910 --> 00:09:33,360

continued activity to the same Witnesses

206

00:09:36,949 --> 00:09:34,920

over a period of time is somewhat

207

00:09:40,070 --> 00:09:36,959

unusual and I was concerned that there

208

00:09:42,470 --> 00:09:40,080

may eventually be an escalation

209

00:09:45,230 --> 00:09:42,480

the next day I expected to receive a

210

00:09:47,750 --> 00:09:45,240

follow-up phone call from Mandy in fact

211

00:09:50,030 --> 00:09:47,760

I called and left a message asking that

212

00:09:51,949 --> 00:09:50,040

she let me know that there have been any

213

00:09:54,530 --> 00:09:51,959

further activity

214

00:09:57,530 --> 00:09:54,540

I waited for three days and no telephone

215

00:09:59,810 --> 00:09:57,540

call or email came my way

216

00:10:02,930 --> 00:09:59,820

then on a Sunday afternoon

217

00:10:04,310 --> 00:10:02,940

the anticipated call came it was Mandy's

218

00:10:06,590 --> 00:10:04,320

mother

219

00:10:08,630 --> 00:10:06,600

she apologized for not getting back to

220

00:10:11,329 --> 00:10:08,640

me

221

00:10:14,269 --> 00:10:11,339

but there was an obvious distress in her

222

00:10:17,389 --> 00:10:14,279

voice and debris Paul she called me said

223

00:10:19,370 --> 00:10:17,399

man you is missing

224

00:10:20,690 --> 00:10:19,380

I got a sudden sick feeling in my

225

00:10:23,389 --> 00:10:20,700

stomach

226

00:10:25,430 --> 00:10:23,399

Mandy had gone to bed not long after we

227

00:10:27,590 --> 00:10:25,440

had talked on the telephone

228

00:10:29,930 --> 00:10:27,600

her mother remained downstairs in the

229

00:10:32,870 --> 00:10:29,940

living room watching television

230

00:10:33,769 --> 00:10:32,880

at about 11 p.m she decided to go to her

231

00:10:37,730 --> 00:10:33,779

bedroom

232

00:10:40,009 --> 00:10:37,740

noticed the light coming from the bottom

233

00:10:41,750 --> 00:10:40,019

of the door she knocked on the door in

234

00:10:43,790 --> 00:10:41,760

order to check on her there was no

235

00:10:46,310 --> 00:10:43,800

response

236

00:10:47,870 --> 00:10:46,320

as she opened the door the room went

237

00:10:49,850 --> 00:10:47,880

completely dark

238

00:10:51,530 --> 00:10:49,860

she flicked on the light switch by the

239

00:10:53,150 --> 00:10:51,540

door and observed that Mandy was not in

240

00:10:55,190 --> 00:10:53,160

her bed

241

00:10:56,750 --> 00:10:55,200

she called out there was there was no

242

00:11:00,170 --> 00:10:56,760

response

243

00:11:02,690 --> 00:11:00,180

Panic was beginning to set in as she

244

00:11:04,910 --> 00:11:02,700

literally screamed Mandy while running

245

00:11:08,090 --> 00:11:04,920

throughout the house

246

00:11:10,009 --> 00:11:08,100

there was no trace of her inside our app

247

00:11:12,170 --> 00:11:10,019

Amanda was gone

248

00:11:14,329 --> 00:11:12,180

the local authorities had no explanation

249

00:11:16,310 --> 00:11:14,339

all Mandy's personal items including on

250

00:11:19,490 --> 00:11:16,320

her car remained

251

00:11:21,710 --> 00:11:19,500

it was asked if she simply vanished

252

00:11:23,509 --> 00:11:21,720

since Mandy was an adult there wasn't

253

00:11:24,949 --> 00:11:23,519

really much the police investigators

254

00:11:26,930 --> 00:11:24,959

could do

255

00:11:28,730 --> 00:11:26,940

they suspected that she took off with

256

00:11:30,829 --> 00:11:28,740

somebody during the night I asked her

257

00:11:32,690 --> 00:11:30,839

mother to keep me updated

258

00:11:33,769 --> 00:11:32,700

but I never really expected to hear back

259

00:11:35,810 --> 00:11:33,779

from her

260

00:11:37,430 --> 00:11:35,820

as far as I know Mandy has never

261

00:11:39,889 --> 00:11:37,440

returned home

262

00:11:41,990 --> 00:11:39,899

the last time I made an inquiry with the

263

00:11:43,550 --> 00:11:42,000

Washington State Police her case remains

264

00:11:46,370 --> 00:11:43,560

unsolved

265

00:11:48,710 --> 00:11:46,380

Amanda's disappearance still haunts me

266

00:11:50,870 --> 00:11:48,720

I am certain that she was abducted by an

267

00:11:53,509 --> 00:11:50,880

unknown Force but that doesn't absolve

268

00:11:56,509 --> 00:11:53,519

me from feeling a bit of guilt I realize

269

00:11:58,329 --> 00:11:56,519

that my regret seems ridiculous since

270

00:12:01,250 --> 00:11:58,339

there was nothing I could have done

271

00:12:05,509 --> 00:12:01,260

nonetheless I suspect that the stigma or

272

00:12:07,430 --> 00:12:05,519

ordeal will always remain with me and um

273

00:12:10,250 --> 00:12:07,440

you know that it's been

274

00:12:11,389 --> 00:12:10,260

it's been 13 years now since that

275

00:12:14,269 --> 00:12:11,399

occurred

276

00:12:16,310 --> 00:12:14,279

and I have checked several times uh

277

00:12:17,930 --> 00:12:16,320

since I wrote that

278

00:12:20,030 --> 00:12:17,940

I have checked with the state police

279

00:12:20,990 --> 00:12:20,040

Washington State Police and there's new

280

00:12:23,449 --> 00:12:21,000

trees

281

00:12:25,430 --> 00:12:23,459

they're uh she's none of her credit

282

00:12:27,949 --> 00:12:25,440

cards or anything or anything like that

283

00:12:29,030 --> 00:12:27,959

has come up no Tracer no contact with

284

00:12:32,990 --> 00:12:29,040

anybody

285

00:12:34,430 --> 00:12:33,000

uh her mother has passed since then

286

00:12:36,829 --> 00:12:34,440

um

287

00:12:38,990 --> 00:12:36,839

so and I know

288

00:12:41,329 --> 00:12:39,000

what happened to Mandy Roy Hastings her

289

00:12:42,769 --> 00:12:41,339

demise I'm I'm sure of it because she

290

00:12:45,470 --> 00:12:42,779

was pretty broke up

291

00:12:47,870 --> 00:12:45,480

so this is um

292

00:12:48,769 --> 00:12:47,880

I'll be honest this is probably one of

293

00:12:55,250 --> 00:12:48,779

the

294

00:12:58,449 --> 00:12:55,260

you know really did kind of almost get

295

00:13:01,610 --> 00:12:58,459

me to quit doing what I do

296

00:13:04,129 --> 00:13:01,620

uh lion when did you see the demanded

297

00:13:06,590 --> 00:13:04,139

case happened that was in July 2000

298

00:13:09,949 --> 00:13:06,600

2009.

299

00:13:14,629 --> 00:13:12,230

and I I have like I said again I have

300

00:13:16,250 --> 00:13:14,639

checked this I I've kept it up kept up

301
00:13:17,870 --> 00:13:16,260
with it

302
00:13:19,550 --> 00:13:17,880
um

303
00:13:21,650 --> 00:13:19,560
you know again there's I wish there's

304
00:13:25,910 --> 00:13:21,660
something I could have done I'm kind of

305
00:13:30,230 --> 00:13:25,920
glad that I I didn't mention that I felt

306
00:13:32,870 --> 00:13:30,240
something may happen or may escalate

307
00:13:35,449 --> 00:13:32,880
but uh it's one of those things I mean

308
00:13:37,670 --> 00:13:35,459
you know you do get a case every once in

309
00:13:39,470 --> 00:13:37,680
a while even though it was as briefly as

310
00:13:42,470 --> 00:13:39,480
I was involved with this one

311
00:13:44,990 --> 00:13:42,480
uh that just really

312
00:13:48,650 --> 00:13:45,000
that's just really shaky to your core

313
00:13:54,710 --> 00:13:52,009

so if you have any more questions uh

314

00:13:56,690 --> 00:13:54,720

later on we'll go ahead and go through

315

00:13:59,150 --> 00:13:56,700

that then

316

00:14:05,810 --> 00:13:59,160

uh

317

00:14:08,930 --> 00:14:05,820

received not too long ago

318

00:14:11,090 --> 00:14:08,940

where a woman describes in detail her

319

00:14:13,430 --> 00:14:11,100

encounter with a giant chalk white

320

00:14:15,410 --> 00:14:13,440

humanoid while out of Florida highway

321

00:14:17,690 --> 00:14:15,420

rest area

322

00:14:20,509 --> 00:14:17,700

she showed empathy towards the being

323

00:14:23,750 --> 00:14:20,519

even though she was shocked by it

324

00:14:26,269 --> 00:14:23,760

now she writes in the spring of 2007 my

325

00:14:28,730 --> 00:14:26,279

my then boyfriend and I were on our way

326

00:14:31,370 --> 00:14:28,740

from New York down to Miami

327

00:14:33,410 --> 00:14:31,380

to go to a music festival

328

00:14:35,509 --> 00:14:33,420

we were driving south on the highway

329

00:14:39,590 --> 00:14:35,519

along the east coast of Central Florida

330

00:14:42,410 --> 00:14:39,600

when we um pulled into a rest area so

331

00:14:44,389 --> 00:14:42,420

that we could catch a nap

332

00:14:46,370 --> 00:14:44,399

we have been driving all day when he

333

00:14:48,590 --> 00:14:46,380

decided that he desperately needed the

334

00:14:49,790 --> 00:14:48,600

short rest before getting back behind

335

00:14:52,069 --> 00:14:49,800

the wheel

336

00:14:54,530 --> 00:14:52,079

now we had very recently bought the man

337

00:14:56,810 --> 00:14:54,540

and he did not think that I could handle

338

00:15:00,350 --> 00:14:56,820

maneuvering and so uh

339

00:15:04,550 --> 00:15:02,870

uh we parked and jumped into the back of

340

00:15:07,310 --> 00:15:04,560

the van and laid down on a futon

341

00:15:09,590 --> 00:15:07,320

mattress that we had laid there

342

00:15:11,569 --> 00:15:09,600

he told me

343

00:15:13,430 --> 00:15:11,579

to leave him alone and he proceeded to

344

00:15:15,590 --> 00:15:13,440

pass out from exhaustion

345

00:15:18,230 --> 00:15:15,600

and I was pretty freaked out because the

346

00:15:20,090 --> 00:15:18,240

rest area building was unmanned locked

347

00:15:22,370 --> 00:15:20,100

up and dark inside

348

00:15:24,470 --> 00:15:22,380

the restrooms were closed

349

00:15:26,990 --> 00:15:24,480

a small rest area building was

350

00:15:28,850 --> 00:15:27,000

surrounded by dark woods

351

00:15:30,949 --> 00:15:28,860

there were about four of the cars in the

352

00:15:33,050 --> 00:15:30,959

small parking lot but no sign of any

353

00:15:34,970 --> 00:15:33,060

drivers so I imagine

354

00:15:36,650 --> 00:15:34,980

they were having an emergency lay down

355

00:15:39,410 --> 00:15:36,660

as well

356

00:15:42,530 --> 00:15:39,420

now normally I would never have set foot

357

00:15:44,629 --> 00:15:42,540

outside the van alone in such a scenario

358

00:15:46,009 --> 00:15:44,639

my instincts told me not to get out of

359

00:15:49,250 --> 00:15:46,019

the van

360

00:15:53,389 --> 00:15:49,260

but I had taken some Idol for Mr crimson

361

00:15:55,730 --> 00:15:53,399

and I had it they had given me my be

362

00:15:58,370 --> 00:15:55,740

brutal nausea I needed some pretzels and

363

00:16:00,650 --> 00:15:58,380

mustered up all my courage and opened up

364

00:16:02,150 --> 00:16:00,660

the passenger side door and squeezed

365

00:16:04,129 --> 00:16:02,160

through the space between our vehicle

366

00:16:05,150 --> 00:16:04,139

and the vehicle parked correctly next to

367

00:16:08,090 --> 00:16:05,160

ours

368

00:16:10,910 --> 00:16:08,100

now as soon as I had a clear lightest

369

00:16:14,449 --> 00:16:10,920

line of sight to the from the rest area

370

00:16:17,269 --> 00:16:14,459

building I saw the thing

371

00:16:19,610 --> 00:16:17,279

saw it clearly

372

00:16:22,189 --> 00:16:19,620

straight ahead I saw the brightly lit

373

00:16:24,829 --> 00:16:22,199

front facade of the rest stop

374

00:16:26,870 --> 00:16:24,839

to the left of the doors was it

375

00:16:28,310 --> 00:16:26,880

to the right of the doors was a vending

376

00:16:30,650 --> 00:16:28,320

machine

377

00:16:32,449 --> 00:16:30,660

so immediately it can it communicated

378

00:16:34,490 --> 00:16:32,459

with me I was flooded with what I

379

00:16:35,689 --> 00:16:34,500

consider a telepathic message from the

380

00:16:39,530 --> 00:16:35,699

being

381

00:16:42,650 --> 00:16:39,540

I cannot be seen I cannot be seen I must

382

00:16:45,410 --> 00:16:42,660

travel by night and exist in darkness I

383

00:16:47,449 --> 00:16:45,420

cannot be seen I cannot be seen

384

00:16:50,269 --> 00:16:47,459

and I found an enormous wave of

385

00:16:51,710 --> 00:16:50,279

compassion for the being rather than

386

00:16:54,110 --> 00:16:51,720

fear

387

00:16:55,910 --> 00:16:54,120

which may seem a little more logical

388

00:16:58,730 --> 00:16:55,920

reaction to someone hearing this story

389

00:17:02,030 --> 00:16:58,740

now for some reason my brain only

390

00:17:04,429 --> 00:17:02,040

characterized it as one thing initially

391

00:17:05,990 --> 00:17:04,439

an outsider worthy of compassion and

392

00:17:10,669 --> 00:17:06,000

tolerance

393

00:17:13,789 --> 00:17:10,679

now its skin was pure chalk white not

394

00:17:16,490 --> 00:17:13,799

the skin tone white but the color white

395

00:17:17,750 --> 00:17:16,500

its eyes were several times larger than

396

00:17:20,270 --> 00:17:17,760

ours

397

00:17:22,669 --> 00:17:20,280

it had two little air holes for a nose

398

00:17:25,250 --> 00:17:22,679

and a very thin mouth

399

00:17:28,130 --> 00:17:25,260

frame was completely concealed by its

400

00:17:29,930 --> 00:17:28,140

enormous long black hooded rope

401

00:17:32,630 --> 00:17:29,940

it looked as though it was quite got

402

00:17:34,430 --> 00:17:32,640

underneath pretty feral look excuse me

403

00:17:37,190 --> 00:17:34,440

pretty frail looking

404

00:17:39,770 --> 00:17:37,200

it was sitting on its bottom knees on

405

00:17:42,350 --> 00:17:39,780

its bottom knees bent back against the

406

00:17:43,970 --> 00:17:42,360

brick in front of the crest area to the

407

00:17:46,250 --> 00:17:43,980

left of the front doors of the rest area

408

00:17:48,350 --> 00:17:46,260

it was sitting with his back straight

409

00:17:50,930 --> 00:17:48,360

tall and erect

410

00:17:54,110 --> 00:17:50,940

it seemed in all of me or maybe in all

411

00:17:56,930 --> 00:17:54,120

that I was actually approaching it

412

00:18:00,110 --> 00:17:56,940

it looked vaguely like a human very

413

00:18:03,529 --> 00:18:00,120

vaguely its face was snake light

414

00:18:05,810 --> 00:18:03,539

its eyes are right on me

415

00:18:08,090 --> 00:18:05,820

I threw a little everyday smile in its

416

00:18:11,210 --> 00:18:08,100

direction and it did I did something

417

00:18:14,210 --> 00:18:11,220

strange I continued to walk toward the

418

00:18:15,169 --> 00:18:14,220

rest area even though even after seeing

419

00:18:17,570 --> 00:18:15,179

it

420

00:18:19,490 --> 00:18:17,580

I walked towards the rest area building

421

00:18:22,070 --> 00:18:19,500

closer to it

422

00:18:24,230 --> 00:18:22,080

I walked forward about 20 foot from the

423

00:18:26,810 --> 00:18:24,240

rear of the van to the rest area steps

424

00:18:29,930 --> 00:18:26,820

up to 20 steps or so and to the right

425

00:18:32,029 --> 00:18:29,940

where the vending machine was located

426

00:18:34,070 --> 00:18:32,039

my thoughts at this point were very

427

00:18:36,169 --> 00:18:34,080

bizarre in retrospect

428

00:18:39,650 --> 00:18:36,179

I felt bad for the thing

429

00:18:42,590 --> 00:18:39,660

I didn't want to feel different

430

00:18:43,970 --> 00:18:42,600

I know that sounds hilariously quaint if

431

00:18:45,710 --> 00:18:43,980

you're indeed talking about an

432

00:18:47,810 --> 00:18:45,720

interdimensional being

433

00:18:49,789 --> 00:18:47,820

but I didn't want to run back into the

434

00:18:51,230 --> 00:18:49,799

van because I didn't want to hurt its

435

00:18:53,150 --> 00:18:51,240

feelings

436

00:18:54,049 --> 00:18:53,160

I didn't want to make it feel like a

437

00:18:56,990 --> 00:18:54,059

freak

438

00:18:58,850 --> 00:18:57,000

it already told me that it could not be

439

00:19:01,669 --> 00:18:58,860

seen due to the way people would react

440

00:19:03,830 --> 00:19:01,679

so I wanted to know that I didn't judge

441

00:19:06,710 --> 00:19:03,840

it for the way it looked and that I was

442

00:19:09,110 --> 00:19:06,720

willing to come to terms with its

443

00:19:12,230 --> 00:19:09,120

horrific appearance in order to extend

444

00:19:14,930 --> 00:19:12,240

some Humanity to it

445

00:19:16,850 --> 00:19:14,940

so it was that that very bizarrely

446

00:19:19,250 --> 00:19:16,860

strong conviction to be righteous and

447

00:19:21,110 --> 00:19:19,260

Humane to it that I walked towards the

448

00:19:23,270 --> 00:19:21,120

vending machine

449

00:19:24,830 --> 00:19:23,280

actually got pretzels I'm telling you my

450

00:19:27,289 --> 00:19:24,840

stomach was churning

451
00:19:30,770 --> 00:19:27,299
I used the vending machine with my back

452
00:19:33,049 --> 00:19:30,780
to it

453
00:19:36,529 --> 00:19:33,059
pretzels in hand I swoved around to look

454
00:19:37,669 --> 00:19:36,539
at it again before descending back down

455
00:19:40,970 --> 00:19:37,679
the steps

456
00:19:43,730 --> 00:19:40,980
it was at that moment that I that pure

457
00:19:46,250 --> 00:19:43,740
Terror rippled through me

458
00:19:47,750 --> 00:19:46,260
I was closer to it now approximately 15

459
00:19:49,789 --> 00:19:47,760
foot away

460
00:19:51,950 --> 00:19:49,799
and I could see now that there was

461
00:19:53,510 --> 00:19:51,960
definitely no way that I was human it

462
00:19:57,830 --> 00:19:53,520
was staring right at me with the

463
00:19:59,510 --> 00:19:57,840

wide-eyed like a wide-eyed insect

464

00:20:01,850 --> 00:19:59,520

it was still an exactly the same

465

00:20:04,250 --> 00:20:01,860

position except that it had turned its

466

00:20:06,010 --> 00:20:04,260

head to look at me better with as my

467

00:20:08,630 --> 00:20:06,020

position changed

468

00:20:12,289 --> 00:20:08,640

it looked like an alien it looked like a

469

00:20:15,950 --> 00:20:12,299

demon it was not human

470

00:20:17,270 --> 00:20:15,960

it's huge one-dimensional eyes did not

471

00:20:19,250 --> 00:20:17,280

have any whites

472

00:20:22,190 --> 00:20:19,260

they were almond shaped like the classic

473

00:20:24,830 --> 00:20:22,200

alien eye that we all know

474

00:20:28,730 --> 00:20:24,840

it was then that a Real's lie is that

475

00:20:30,470 --> 00:20:28,740

this was extremely tall unthinkably tall

476

00:20:32,690 --> 00:20:30,480

although I was standing and it was

477

00:20:34,010 --> 00:20:32,700

sitting its head was still taller than

478

00:20:37,370 --> 00:20:34,020

mine

479

00:20:40,010 --> 00:20:37,380

its huge eyes were fixed on me totally

480

00:20:41,770 --> 00:20:40,020

the fascination alarm and with the most

481

00:20:44,210 --> 00:20:41,780

intense Focus

482

00:20:47,990 --> 00:20:44,220

just like the way my cat looks at

483

00:20:49,909 --> 00:20:48,000

something right before she pounces on it

484

00:20:52,310 --> 00:20:49,919

but I had to make the decision to climb

485

00:20:54,470 --> 00:20:52,320

the stairs towards it and not to retreat

486

00:20:55,970 --> 00:20:54,480

to the van I thought that it was sitting

487

00:20:59,090 --> 00:20:55,980

on top of something

488

00:21:02,150 --> 00:20:59,100

and that was when that is why its head

489

00:21:04,130 --> 00:21:02,160

raised up so high now from closer

490

00:21:06,950 --> 00:21:04,140

perspective I could see that it was not

491

00:21:11,690 --> 00:21:06,960

sitting on anything but on its butt

492

00:21:15,230 --> 00:21:11,700

if I hadn't realized that this was that

493

00:21:18,110 --> 00:21:15,240

excuse me if I realized that uh it was

494

00:21:19,549 --> 00:21:18,120

this tall and I very well not have going

495

00:21:21,529 --> 00:21:19,559

up the steps

496

00:21:24,049 --> 00:21:21,539

so after the Ripple of Terror went

497

00:21:25,909 --> 00:21:24,059

through me I responded by smelling the

498

00:21:28,669 --> 00:21:25,919

way you smelled a stranger when your

499

00:21:32,630 --> 00:21:28,679

eyes catch catch them catch them on the

500

00:21:35,270 --> 00:21:32,640

bus a shot at a casual thin innocuous

501
00:21:38,990 --> 00:21:35,280
little hey how you doing smell

502
00:21:41,330 --> 00:21:39,000
why and how I acted as if things were

503
00:21:44,690 --> 00:21:41,340
totally normal I can't explain

504
00:21:46,850 --> 00:21:44,700
I've never acted so cool in my life

505
00:21:48,770 --> 00:21:46,860
if I were to guess what the thing was

506
00:21:52,010 --> 00:21:48,780
doing when I was when I encountered it

507
00:21:54,230 --> 00:21:52,020
judging by its body language I would say

508
00:21:55,430 --> 00:21:54,240
that it was somewhat displaced and

509
00:21:57,770 --> 00:21:55,440
resting

510
00:21:59,149 --> 00:21:57,780
but I have no clue but maybe it was just

511
00:22:02,029 --> 00:21:59,159
in the middle of something far more

512
00:22:03,770 --> 00:22:02,039
Sinister it did not look like a mutant

513
00:22:06,710 --> 00:22:03,780

or an experiment it looked ancient

514

00:22:09,049 --> 00:22:06,720

Timeless and placeless graceful and

515

00:22:11,090 --> 00:22:09,059

horrible

516

00:22:13,730 --> 00:22:11,100

it was also firmly in this Dimension

517

00:22:15,470 --> 00:22:13,740

when I saw it it was not a hazy Vision

518

00:22:18,710 --> 00:22:15,480

in the slightest

519

00:22:21,710 --> 00:22:18,720

the lighting was not dim it was it was

520

00:22:23,630 --> 00:22:21,720

not even remotely ethereal experience

521

00:22:25,430 --> 00:22:23,640

the extremely bright lights that

522

00:22:27,770 --> 00:22:25,440

illuminated the front facade of the rest

523

00:22:28,970 --> 00:22:27,780

area building concealed every Contour of

524

00:22:31,510 --> 00:22:28,980

this entity

525

00:22:33,710 --> 00:22:31,520

it only had been closer I would have

526

00:22:35,210 --> 00:22:33,720

provided much more detail about the

527

00:22:37,549 --> 00:22:35,220

facial features

528

00:22:39,409 --> 00:22:37,559

as I was walking back to the van I

529

00:22:41,750 --> 00:22:39,419

quickly strategized about how to make

530

00:22:44,450 --> 00:22:41,760

sure that my fear did not paralyze me

531

00:22:46,010 --> 00:22:44,460

and prohibit me from getting safely in

532

00:22:48,289 --> 00:22:46,020

into the car

533

00:22:51,529 --> 00:22:48,299

I decided not to look back or even

534

00:22:54,110 --> 00:22:51,539

around me as I turned the key because if

535

00:22:56,750 --> 00:22:54,120

I saw that it had nude or I saw it

536

00:22:59,149 --> 00:22:56,760

coming towards me I would have been too

537

00:23:01,430 --> 00:22:59,159

terrified to manage with the car keys

538

00:23:02,810 --> 00:23:01,440

I got in the van I locked the door I

539

00:23:04,970 --> 00:23:02,820
screamed that we need to leave

540

00:23:07,370 --> 00:23:04,980
immediately and we did

541

00:23:10,610 --> 00:23:07,380
and as we drove away about 90 seconds

542

00:23:12,950 --> 00:23:10,620
after it was lasting my sight I looked

543

00:23:15,950 --> 00:23:12,960
out the window and saw that it was gone

544

00:23:18,710 --> 00:23:15,960
there was nothing where I had there was

545

00:23:20,390 --> 00:23:18,720
nothing where I had been just brick wall

546

00:23:23,029 --> 00:23:20,400
and concrete floor

547

00:23:25,010 --> 00:23:23,039
I began to tell my boyfriend that I just

548

00:23:27,830 --> 00:23:25,020
had the ultimate experience and although

549

00:23:30,470 --> 00:23:27,840
he he was a dude who was always going on

550

00:23:32,450 --> 00:23:30,480
about Vitas and Madame blavatsky and

551
00:23:35,330 --> 00:23:32,460
whatnot for some reason his only

552
00:23:36,890 --> 00:23:35,340
response was a trait or in Florida what

553
00:23:39,169 --> 00:23:36,900
do you expect

554
00:23:40,789 --> 00:23:39,179
he was extremely abusive person so I

555
00:23:43,190 --> 00:23:40,799
decided to leave it at that and not

556
00:23:45,950 --> 00:23:43,200
attempt to share any more with him

557
00:23:47,810 --> 00:23:45,960
now as far as the height of the entity

558
00:23:50,390 --> 00:23:47,820
at first I thought that it was about

559
00:23:53,270 --> 00:23:50,400
nine to ten foot tall

560
00:23:57,470 --> 00:23:53,280
now that I'm drawing a diagram I realize

561
00:24:00,590 --> 00:23:57,480
that it was likely significantly taller

562
00:24:02,930 --> 00:24:00,600
as I said its head stood trolling their

563
00:24:05,870 --> 00:24:02,940

mind even though I was standing and it

564

00:24:07,850 --> 00:24:05,880

was sitting I'm 5'4 that means it was

565

00:24:09,710 --> 00:24:07,860

approximately six feet tall from its

566

00:24:11,810 --> 00:24:09,720

butt to the top of its head

567

00:24:14,029 --> 00:24:11,820

from its butt to its knees it may have

568

00:24:15,890 --> 00:24:14,039

been four to five foot from his knees to

569

00:24:18,529 --> 00:24:15,900

feet three feet

570

00:24:19,610 --> 00:24:18,539

but that means that it was about 14 feet

571

00:24:22,190 --> 00:24:19,620

tall

572

00:24:24,590 --> 00:24:22,200

I can hardly not wrap my head around

573

00:24:29,870 --> 00:24:26,810

so that was quite an interesting and

574

00:24:32,149 --> 00:24:29,880

very descriptive

575

00:24:36,649 --> 00:24:33,890

you don't get them that descriptive too

576

00:24:48,289 --> 00:24:39,169

James asked did it have eye color no I

577

00:24:52,850 --> 00:24:50,090

from what I read from her I think she

578

00:24:56,029 --> 00:24:52,860

would have uh definitely mentioned it

579

00:24:57,289 --> 00:24:56,039

uh you just never know what James you

580

00:25:00,230 --> 00:24:57,299

just never know what direction these

581

00:25:04,490 --> 00:25:00,240

cases will turn that's true

582

00:25:07,130 --> 00:25:04,500

now going back to the the Mandy uh

583

00:25:08,810 --> 00:25:07,140

case I read about Bernadette why do you

584

00:25:10,510 --> 00:25:08,820

think Manny was taken you know I don't

585

00:25:15,169 --> 00:25:10,520

know

586

00:25:17,510 --> 00:25:15,179

I never got any indication as to why

587

00:25:19,310 --> 00:25:17,520

but to be honest with you these cases

588

00:25:21,110 --> 00:25:19,320

where people are abducted we never

589

00:25:22,850 --> 00:25:21,120

really know

590

00:25:25,430 --> 00:25:22,860

why

591

00:25:27,230 --> 00:25:25,440

it happens

592

00:25:29,750 --> 00:25:27,240

um

593

00:25:32,450 --> 00:25:29,760

you know unless they come back and

594

00:25:33,769 --> 00:25:32,460

describe their uh you know what happened

595

00:25:36,950 --> 00:25:33,779

to them

596

00:25:39,049 --> 00:25:36,960

very rarely do we uh ever get an idea of

597

00:25:40,850 --> 00:25:39,059

what why it happened

598

00:25:41,990 --> 00:25:40,860

you know some people just don't come

599

00:25:43,690 --> 00:25:42,000

back

600

00:25:48,049 --> 00:25:43,700

it has happened

601
00:25:50,080 --> 00:25:48,059
uh maybe not as dramatic as this

602
00:25:52,310 --> 00:25:50,090
but we hear about it all the time

603
00:25:54,190 --> 00:25:52,320
[Music]

604
00:25:57,169 --> 00:25:54,200
you know I don't know what the

605
00:25:59,330 --> 00:25:57,179
statistics are though I've perused a few

606
00:26:02,750 --> 00:25:59,340
of them there's a lot of people that go

607
00:26:05,210 --> 00:26:02,760
missing for whatever reason worldwide

608
00:26:07,970 --> 00:26:05,220
are some of these

609
00:26:10,010 --> 00:26:07,980
you know any adoptions or something to

610
00:26:11,029 --> 00:26:10,020
do with Supernatural parallel I believe

611
00:26:18,590 --> 00:26:11,039
so

612
00:26:22,190 --> 00:26:18,600
I know you know you know I am intuitive

613
00:26:27,049 --> 00:26:22,200

but I just never really got a feel as to

614

00:26:27,059 --> 00:26:32,690

okay

615

00:26:37,029 --> 00:26:34,669

I'm just looking over a few things real

616

00:26:40,070 --> 00:26:37,039

here okay

617

00:26:43,190 --> 00:26:40,080

I don't want to get lost

618

00:26:45,110 --> 00:26:43,200

okay this now this is a case

619

00:26:46,310 --> 00:26:45,120

the next one's a case of Butch and I

620

00:26:49,549 --> 00:26:46,320

worked on

621

00:26:51,769 --> 00:26:49,559

and in fact Butch did go to the uh the

622

00:26:53,690 --> 00:26:51,779

witness whose name was John flower John

623

00:26:56,630 --> 00:26:53,700

feathers excuse me

624

00:26:58,970 --> 00:26:56,640

uh and he did talk to him and the other

625

00:27:01,970 --> 00:26:58,980

witness about this

626

00:27:04,070 --> 00:27:01,980

so it is documented and uh it has to do

627

00:27:06,950 --> 00:27:04,080

with the upright canines Dogman

628

00:27:11,029 --> 00:27:06,960

phenomena here in Pennsylvania

629

00:27:12,710 --> 00:27:11,039

so uh but he did John did reach out to

630

00:27:15,049 --> 00:27:12,720

me initially

631

00:27:18,049 --> 00:27:15,059

and I

632

00:27:20,149 --> 00:27:18,059

I occurred on September 3rd

633

00:27:21,669 --> 00:27:20,159

I mean excuse me I received it on

634

00:27:24,950 --> 00:27:21,679

September 3rd of

635

00:27:26,029 --> 00:27:24,960

2015. so this was almost

636

00:27:29,570 --> 00:27:26,039

um

637

00:27:30,830 --> 00:27:29,580

two years after you know after this had

638

00:27:34,250 --> 00:27:30,840

happened

639

00:27:37,450 --> 00:27:34,260

so uh in from talking to him

640

00:27:40,909 --> 00:27:37,460

my phone he was pretty reluctant about

641

00:27:43,190 --> 00:27:40,919

making uh making a report but uh

642

00:27:44,930 --> 00:27:43,200

eventually he did he opened up and then

643

00:27:46,130 --> 00:27:44,940

they were able to talk to Butch in

644

00:27:49,490 --> 00:27:46,140

person

645

00:27:51,649 --> 00:27:49,500

Butch did go to the location

646

00:27:53,870 --> 00:27:51,659

so he writes I'm currently a resident of

647

00:27:56,210 --> 00:27:53,880

Altoona Pennsylvania

648

00:27:58,130 --> 00:27:56,220

I am writing this to report his strange

649

00:27:59,870 --> 00:27:58,140

encounter experience with a friend of

650

00:28:04,250 --> 00:27:59,880

mine the early morning hours a Sunday

651
00:28:08,990 --> 00:28:06,470
the answer is an hour two years old I

652
00:28:11,269 --> 00:28:09,000
chose not to report this event prior to

653
00:28:13,669 --> 00:28:11,279
now due to an unwillingness to expose

654
00:28:15,769 --> 00:28:13,679
myself or my family and friends to

655
00:28:18,289 --> 00:28:15,779
public scrutiny

656
00:28:21,350 --> 00:28:18,299
in light of the recent assembler

657
00:28:23,690 --> 00:28:21,360
sightings in central Pennsylvania I have

658
00:28:25,310 --> 00:28:23,700
um I've changed my mind perhaps our

659
00:28:26,750 --> 00:28:25,320
experience will help with the current

660
00:28:28,850 --> 00:28:26,760
research

661
00:28:30,710 --> 00:28:28,860
as such I would like to make my

662
00:28:32,570 --> 00:28:30,720
intention clear that myself and any

663
00:28:35,450 --> 00:28:32,580

person's mentioned please retain

664

00:28:38,269 --> 00:28:35,460

anonymity at this time and they later

665

00:28:40,490 --> 00:28:38,279

came out and were able to identify them

666

00:28:42,710 --> 00:28:40,500

which they approved

667

00:28:44,510 --> 00:28:42,720

reporting at Bigfoot or even a UFO

668

00:28:46,850 --> 00:28:44,520

sighting is one thing but this was

669

00:28:49,909 --> 00:28:46,860

somewhat different

670

00:28:52,430 --> 00:28:49,919

now an evening a question in question a

671

00:28:55,090 --> 00:28:52,440

friend and I were returning from the job

672

00:28:57,350 --> 00:28:55,100

that I had performed in Williamsburg

673

00:29:00,230 --> 00:28:57,360

Williamsburg Pennsylvania

674

00:29:01,010 --> 00:29:00,240

uh they got a band actually and they

675

00:29:03,649 --> 00:29:01,020

were

676
00:29:06,169 --> 00:29:03,659
back

677
00:29:08,690 --> 00:29:06,179
my friend was driving to the best of my

678
00:29:11,750 --> 00:29:08,700
record recollection the incident

679
00:29:15,470 --> 00:29:11,760
occurred somewhere between 1 30 a.m and

680
00:29:19,130 --> 00:29:15,480
2 A.M on the morning of March 17th

681
00:29:22,250 --> 00:29:19,140
we were traveling Southwest on Route 22

682
00:29:24,470 --> 00:29:22,260
through what is locally known as geezy

683
00:29:26,090 --> 00:29:24,480
town is a real suburb of Hollidaysburg

684
00:29:28,610 --> 00:29:26,100
Pennsylvania

685
00:29:30,470 --> 00:29:28,620
now as we rounded a little curve in the

686
00:29:33,110 --> 00:29:30,480
road our attention was drawn to the left

687
00:29:35,090 --> 00:29:33,120
when the opposite side of the roads

688
00:29:37,250 --> 00:29:35,100

standing and squatting in a clear

689

00:29:38,029 --> 00:29:37,260

clearing a few feet off the side of the

690

00:29:40,669 --> 00:29:38,039

road

691

00:29:43,730 --> 00:29:40,679

with some kind of creature

692

00:29:46,549 --> 00:29:43,740

my friend wasn't driving very fast and

693

00:29:49,070 --> 00:29:46,559

slowed a bit as we approached now our

694

00:29:52,789 --> 00:29:49,080

initial view of it was from its dorsal

695

00:29:56,269 --> 00:29:52,799

side as it was facing away from us it

696

00:29:58,370 --> 00:29:56,279

came into profile as we passed with its

697

00:29:59,990 --> 00:29:58,380

right side to us it struck me

698

00:30:02,690 --> 00:30:00,000

immediately that the creature had a

699

00:30:04,490 --> 00:30:02,700

combination of both human and canine

700

00:30:07,010 --> 00:30:04,500

features

701
00:30:09,889 --> 00:30:07,020
it was squatting down on its legs close

702
00:30:11,690 --> 00:30:09,899
to the ground but was doing so in a

703
00:30:15,110 --> 00:30:11,700
bipedal fashion

704
00:30:17,630 --> 00:30:15,120
the legs had the stifled joint and Hawk

705
00:30:18,950 --> 00:30:17,640
characteristic of a canine not like a

706
00:30:21,769 --> 00:30:18,960
human leg

707
00:30:24,470 --> 00:30:21,779
it had its front limbs arms in front of

708
00:30:27,350 --> 00:30:24,480
it and I believe it was possibly crossed

709
00:30:29,690 --> 00:30:27,360
over something maybe a smaller animal

710
00:30:31,610 --> 00:30:29,700
the arms are long and proportion to its

711
00:30:33,169 --> 00:30:31,620
body and I recall thinking the hands

712
00:30:34,970 --> 00:30:33,179
were more human light as opposed to

713
00:30:37,730 --> 00:30:34,980

poles

714

00:30:38,510 --> 00:30:37,740

his torsos seem to be somewhat hunched

715

00:30:41,389 --> 00:30:38,520

forward

716

00:30:43,070 --> 00:30:41,399

I had the impression that any moment it

717

00:30:44,630 --> 00:30:43,080

could have gone on all fours quite

718

00:30:47,090 --> 00:30:44,640

comfortably

719

00:30:49,250 --> 00:30:47,100

the creatures the creature's chest was

720

00:30:51,350 --> 00:30:49,260

not broad like a human's but had a

721

00:30:53,630 --> 00:30:51,360

pronounce forward angled breast bone

722

00:30:55,370 --> 00:30:53,640

like a Canaan

723

00:30:56,930 --> 00:30:55,380

it gave me the impression of great

724

00:30:59,690 --> 00:30:56,940

strength having distinct and

725

00:31:02,570 --> 00:30:59,700

well-defined musculature but was not

726
00:31:04,430 --> 00:31:02,580
built on a massive frame it seemed more

727
00:31:08,210 --> 00:31:04,440
thin and sinuate

728
00:31:09,710 --> 00:31:08,220
if it had stood fully erect I would

729
00:31:11,990 --> 00:31:09,720
estimate that the creature would have

730
00:31:14,210 --> 00:31:12,000
been close to seven foot tall

731
00:31:16,070 --> 00:31:14,220
it was covered in fur that was a gray

732
00:31:18,769 --> 00:31:16,080
silver in color

733
00:31:20,450 --> 00:31:18,779
the creature seemed unnaturally shiny

734
00:31:22,010 --> 00:31:20,460
although this could have been a

735
00:31:23,149 --> 00:31:22,020
reflexive from the headlights on the

736
00:31:26,090 --> 00:31:23,159
moon

737
00:31:29,690 --> 00:31:26,100
he had pointy erect canine ears that

738
00:31:32,330 --> 00:31:29,700

were somewhat laid back on its head

739

00:31:35,029 --> 00:31:32,340

the head was large and very wolf-like in

740

00:31:37,669 --> 00:31:35,039

overall appearance the muzzle was also

741

00:31:41,450 --> 00:31:37,679

very wolf-like painted although this the

742

00:31:43,970 --> 00:31:41,460

snout wasn't exceptionally elongated

743

00:31:46,130 --> 00:31:43,980

it had canine like teeth to the best of

744

00:31:48,710 --> 00:31:46,140

my recollection the eyes were amber

745

00:31:50,389 --> 00:31:48,720

color but they have been a reddish glow

746

00:31:52,730 --> 00:31:50,399

reflection to them

747

00:31:54,950 --> 00:31:52,740

it had a wolf-like tail it turned its

748

00:31:56,149 --> 00:31:54,960

head to watch us and practice as we

749

00:31:59,690 --> 00:31:56,159

passed

750

00:32:02,149 --> 00:31:59,700

is seemed quite aware of our presence

751
00:32:04,130 --> 00:32:02,159
now my friend and I continued in stunned

752
00:32:05,990 --> 00:32:04,140
silence for a few moments

753
00:32:08,029 --> 00:32:06,000
when the creature was no longer in view

754
00:32:09,830 --> 00:32:08,039
I turned and asked my friend what we had

755
00:32:13,909 --> 00:32:09,840
just seen

756
00:32:16,010 --> 00:32:13,919
he said we just saw a friggin wolf

757
00:32:18,169 --> 00:32:16,020
were exact words

758
00:32:19,610 --> 00:32:18,179
I agree that this is pretty much my own

759
00:32:21,529 --> 00:32:19,620
assessment

760
00:32:24,049 --> 00:32:21,539
I asked if we could turn the car around

761
00:32:26,149 --> 00:32:24,059
but he absolutely refused to do so

762
00:32:27,590 --> 00:32:26,159
we spent the rest of trip debating on

763
00:32:30,409 --> 00:32:27,600

whether it could have been a dog or

764

00:32:32,690 --> 00:32:30,419

someone's Escape that wolf but to be

765

00:32:35,750 --> 00:32:32,700

honest it it just wasn't

766

00:32:37,549 --> 00:32:35,760

I'm sure I'm sure that both my friend

767

00:32:39,289 --> 00:32:37,559

and I are experienced Outdoorsman and

768

00:32:41,990 --> 00:32:39,299

neither one of us have ever seen them

769

00:32:44,090 --> 00:32:42,000

fitting that description before

770

00:32:45,950 --> 00:32:44,100

I was actually raising that four from

771

00:32:48,529 --> 00:32:45,960

the area and know it well

772

00:32:50,269 --> 00:32:48,539

I have spoken to my friend about this

773

00:32:52,190 --> 00:32:50,279

and neither one of us would be willing

774

00:32:54,769 --> 00:32:52,200

to take a polygraph

775

00:32:57,470 --> 00:32:54,779

uh concerning this incident please feel

776

00:32:58,789 --> 00:32:57,480

free to contact me if you have any

777

00:33:01,730 --> 00:32:58,799

questions

778

00:33:03,110 --> 00:33:01,740

now you know at the up at that time I

779

00:33:05,930 --> 00:33:03,120

had the opportunity to talk to both

780

00:33:07,789 --> 00:33:05,940

Witnesses each mentioned an interesting

781

00:33:09,529 --> 00:33:07,799

point which Butch and I found pretty

782

00:33:11,990 --> 00:33:09,539

interesting as well is that this

783

00:33:13,130 --> 00:33:12,000

creature had like a silvery Aura around

784

00:33:18,169 --> 00:33:13,140

it

785

00:33:20,269 --> 00:33:18,179

and I'll be honest I don't think we've

786

00:33:22,009 --> 00:33:20,279

ever received anything similar to that

787

00:33:24,850 --> 00:33:22,019

before

788

00:33:27,769 --> 00:33:24,860

uh this kind of raised my hackles a bit

789

00:33:30,529 --> 00:33:27,779

and so suggesting that this may have

790

00:33:32,930 --> 00:33:30,539

been Supernatural

791

00:33:36,860 --> 00:33:32,940

now

792

00:33:39,529 --> 00:33:36,870

with the uh

793

00:33:42,289 --> 00:33:39,539

[Music]

794

00:33:45,470 --> 00:33:42,299

folklore concerning

795

00:33:48,289 --> 00:33:45,480

concerning these canids uh these dogmen

796

00:33:51,649 --> 00:33:48,299

or whatever you want to call them uh we

797

00:33:53,110 --> 00:33:51,659

did we did consult a shaman or Elder it

798

00:33:58,850 --> 00:33:53,120

was actually but it was actually a

799

00:34:00,409 --> 00:33:58,860

Cherokee Shaman or Elder and uh

800

00:34:02,269 --> 00:34:00,419

you know we did look into more

801
00:34:04,190 --> 00:34:02,279
Millennial Lenape traditions for

802
00:34:06,350 --> 00:34:04,200
possibly Lincoln as being

803
00:34:08,329 --> 00:34:06,360
I I don't know I don't know if we got

804
00:34:10,490 --> 00:34:08,339
much information or not I don't really

805
00:34:13,490 --> 00:34:10,500
think we did

806
00:34:16,070 --> 00:34:13,500
but quite frankly

807
00:34:18,909 --> 00:34:16,080
these cases that we have received since

808
00:34:22,190 --> 00:34:18,919
Butch and I started looking into this

809
00:34:23,990 --> 00:34:22,200
uh Roy did concentrate me in central

810
00:34:28,430 --> 00:34:24,000
Pennsylvania for the most part you know

811
00:34:31,849 --> 00:34:28,440
we we used that term the like and loop

812
00:34:34,730 --> 00:34:31,859
um certain Counties have

813
00:34:38,270 --> 00:34:34,740

have been have had decent activity uh

814

00:34:41,149 --> 00:34:38,280

that was Blair County Center County

815

00:34:45,409 --> 00:34:41,159

we had one in juniana

816

00:34:49,970 --> 00:34:48,169

yeah in those areas had an exceptional

817

00:34:52,669 --> 00:34:49,980

amount of activity

818

00:34:55,010 --> 00:34:52,679

which is unusual because

819

00:34:58,010 --> 00:34:55,020

um we're not getting as much in those

820

00:35:00,890 --> 00:34:58,020

areas as as before we're getting more

821

00:35:03,950 --> 00:35:00,900

now in the eastern part of the state

822

00:35:05,810 --> 00:35:03,960

in fact I talked to a newspaper reporter

823

00:35:07,310 --> 00:35:05,820

today about the activity in and around

824

00:35:08,510 --> 00:35:07,320

the Pocono area in northeast

825

00:35:12,829 --> 00:35:08,520

Pennsylvania

826

00:35:13,849 --> 00:35:12,839

and um yeah those those are hot areas so

827

00:35:16,370 --> 00:35:13,859

um

828

00:35:18,170 --> 00:35:16,380

you know we'll have to see what else

829

00:35:21,470 --> 00:35:18,180

comes up but of course we're still

830

00:35:23,690 --> 00:35:21,480

looking into this one case and we will

831

00:35:25,970 --> 00:35:23,700

be having the witness to the Berks

832

00:35:28,609 --> 00:35:25,980

County case

833

00:35:30,650 --> 00:35:28,619

um coming on the show in a couple of

834

00:35:32,630 --> 00:35:30,660

weeks

835

00:35:35,750 --> 00:35:32,640

um

836

00:35:38,270 --> 00:35:35,760

Tim Renner and uh Chad reading are going

837

00:35:39,230 --> 00:35:38,280

to be with me on that show as well from

838

00:35:43,310 --> 00:35:39,240

our team

839

00:35:46,010 --> 00:35:43,320

so they have talked to the individual

840

00:35:48,770 --> 00:35:46,020

so that should be interesting this

841

00:35:51,230 --> 00:35:48,780

gentleman's name is Matt he he's I tell

842

00:35:54,170 --> 00:35:51,240

the actor he had his encounter he has

843

00:35:56,210 --> 00:35:54,180

really gone deeply into all this I gotta

844

00:35:58,730 --> 00:35:56,220

give him credit he's he's really done a

845

00:36:03,589 --> 00:35:58,740

lot of research so it should be a very

846

00:36:08,750 --> 00:36:04,910

I don't know do we have any more

847

00:36:16,690 --> 00:36:11,569

I guess not well the other show we can

848

00:36:16,700 --> 00:36:21,410

I was speaking of cases

849

00:36:28,609 --> 00:36:23,930

this was a

850

00:36:32,349 --> 00:36:30,230

encounter

851

00:36:37,190 --> 00:36:32,359

abduction

852

00:36:40,510 --> 00:36:37,200

uh from Indiana it was um

853

00:36:44,690 --> 00:36:40,520

you know we we put it as part of the um

854

00:36:47,690 --> 00:36:44,700

the sightings in around Chicago area we

855

00:36:52,310 --> 00:36:47,700

have been collecting data and sightings

856

00:36:55,250 --> 00:36:52,320

within a 200 250 mile radius of Chicago

857

00:36:57,109 --> 00:36:55,260

and just fit in there

858

00:36:59,329 --> 00:36:57,119

and be honest with you honestly and

859

00:37:01,490 --> 00:36:59,339

quite frankly we we have had cases

860

00:37:04,550 --> 00:37:01,500

reported to us from Indiana

861

00:37:08,290 --> 00:37:04,560

uh Indiana for whatever reason there's a

862

00:37:12,349 --> 00:37:10,609

and uh it's pretty weird for the most

863

00:37:15,290 --> 00:37:12,359

part

864

00:37:17,270 --> 00:37:15,300

but anyway let me read this um

865

00:37:18,829 --> 00:37:17,280

I received a phone call describing a

866

00:37:22,730 --> 00:37:18,839

harrowing account

867

00:37:26,089 --> 00:37:22,740

from the eyewitness FH

868

00:37:28,430 --> 00:37:26,099

though his name is Floyd so I'll just go

869

00:37:32,329 --> 00:37:28,440

you know he he's going ahead and allowed

870

00:37:38,270 --> 00:37:34,609

um the incident occurred a night of uh

871

00:37:42,230 --> 00:37:38,280

October 27th 1969.

872

00:37:45,650 --> 00:37:42,240

in rowing Prairie Indiana and uh Lloyd

873

00:37:47,569 --> 00:37:45,660

was a young child at the time

874

00:37:49,430 --> 00:37:47,579

he states that he and his family mother

875

00:37:50,890 --> 00:37:49,440

father sister and grandmother were

876

00:37:54,230 --> 00:37:50,900

living in a trailer

877

00:37:56,569 --> 00:37:54,240

situated on their family's land

878

00:37:59,690 --> 00:37:56,579

the trailer had sustained damage on the

879

00:38:02,030 --> 00:37:59,700

roof leaving a large hole now the hole

880

00:38:04,310 --> 00:38:02,040

was covered with a wide waterproof tarp

881

00:38:06,770 --> 00:38:04,320

until it was to be repaired

882

00:38:07,910 --> 00:38:06,780

now he and his baby sister shared a

883

00:38:10,849 --> 00:38:07,920

bedroom

884

00:38:12,829 --> 00:38:10,859

he was awakened by a strange noise and a

885

00:38:15,890 --> 00:38:12,839

strong disagreeable odor

886

00:38:18,650 --> 00:38:15,900

as he looked towards his sister's crib

887

00:38:20,510 --> 00:38:18,660

he said he saw a tall winged humanoid

888

00:38:23,030 --> 00:38:20,520

staring down at her

889

00:38:26,210 --> 00:38:23,040

the being slowly turned

890

00:38:29,089 --> 00:38:26,220

and looked at the horrified Witness

891

00:38:32,030 --> 00:38:29,099

the description was a very tall being

892

00:38:34,250 --> 00:38:32,040

that was crafted a bit he estimated said

893

00:38:37,310 --> 00:38:34,260

it stood seven to eight foot in height

894

00:38:39,589 --> 00:38:37,320

the body and face had black hair

895

00:38:42,230 --> 00:38:39,599

the leather-like wings were huge and

896

00:38:45,950 --> 00:38:42,240

shaped like that of a bat or gargoyle

897

00:38:48,109 --> 00:38:45,960

it had muscular detached arms and legs

898

00:38:50,150 --> 00:38:48,119

the body and face were thin and looked

899

00:38:51,470 --> 00:38:50,160

like a human skeleton an obvious sharp

900

00:38:54,170 --> 00:38:51,480

teeth

901
00:38:57,170 --> 00:38:54,180
the eyes were dark and also made it also

902
00:38:59,030 --> 00:38:57,180
made a little garbled sound

903
00:39:00,890 --> 00:38:59,040
he screamed in order to alert his

904
00:39:02,510 --> 00:39:00,900
parents in the adjoining room but they

905
00:39:04,790 --> 00:39:02,520
never responded

906
00:39:06,650 --> 00:39:04,800
his grandmother was alerted and came to

907
00:39:10,550 --> 00:39:06,660
his aid though she was stunned at the

908
00:39:13,069 --> 00:39:10,560
site and immediately fell to her knees

909
00:39:15,550 --> 00:39:13,079
the creature picked him up in his arms

910
00:39:18,109 --> 00:39:15,560
he made its way into the living room

911
00:39:19,609 --> 00:39:18,119
where it ascended through the hole in

912
00:39:21,890 --> 00:39:19,619
the ceiling

913
00:39:23,750 --> 00:39:21,900

it's obvious that I had moved the tarp

914

00:39:24,829 --> 00:39:23,760

in order to gain access inside the

915

00:39:27,710 --> 00:39:24,839

trailer

916

00:39:29,690 --> 00:39:27,720

he remembers being very cold and wet and

917

00:39:33,770 --> 00:39:29,700

hearing his grandmother screaming as the

918

00:39:36,410 --> 00:39:33,780

winged humanoid took off into the sky

919

00:39:38,210 --> 00:39:36,420

he has no idea how long he was gone but

920

00:39:41,089 --> 00:39:38,220

he only remembers waking in his bed

921

00:39:43,550 --> 00:39:41,099

among his Panic parents and grandmother

922

00:39:46,069 --> 00:39:43,560

now a state says grandmother witnessed

923

00:39:48,710 --> 00:39:46,079

the entire event and documented it

924

00:39:50,690 --> 00:39:48,720

his living relatives concur with the

925

00:39:53,030 --> 00:39:50,700

account since his grandmother recalled

926
00:39:55,970 --> 00:39:53,040
what had happened to each of them his

927
00:39:58,970 --> 00:39:55,980
grandmother passed away in 1985.

928
00:40:01,190 --> 00:39:58,980
now his parent parents woke after the

929
00:40:04,069 --> 00:40:01,200
adoption it seemed that they were

930
00:40:06,829 --> 00:40:04,079
somehow placed in a hypnotic State until

931
00:40:07,609 --> 00:40:06,839
the wing being left the premises with

932
00:40:09,770 --> 00:40:07,619
him

933
00:40:12,170 --> 00:40:09,780
and after several minutes they all heard

934
00:40:12,950 --> 00:40:12,180
scratching noises and a loud thud on the

935
00:40:15,410 --> 00:40:12,960
roof

936
00:40:18,670 --> 00:40:15,420
his father immediately gained access to

937
00:40:21,170 --> 00:40:18,680
the roof where he saw uh

938
00:40:23,210 --> 00:40:21,180

sulfoid laying unconscious

939

00:40:25,490 --> 00:40:23,220

they were able to bring quickly bring

940

00:40:27,290 --> 00:40:25,500

him into the trail or dry him off and

941

00:40:28,790 --> 00:40:27,300

place him in his bed

942

00:40:31,069 --> 00:40:28,800

they were reluctant to call the

943

00:40:34,310 --> 00:40:31,079

authorities or seek medical assistant

944

00:40:36,710 --> 00:40:34,320

because of the bizarre event

945

00:40:39,050 --> 00:40:36,720

he recovered but has endured emotional

946

00:40:41,030 --> 00:40:39,060

problems his entire life which

947

00:40:42,770 --> 00:40:41,040

attributes to the abduction

948

00:40:45,109 --> 00:40:42,780

now at the time of the Mothman

949

00:40:47,510 --> 00:40:45,119

Prophecies film release

950

00:40:49,550 --> 00:40:47,520

he had a mental breakdown after watching

951
00:40:51,250 --> 00:40:49,560
in a theater he literally had to leave

952
00:40:54,829 --> 00:40:51,260
during the scene where The Malt man

953
00:40:56,690 --> 00:40:54,839
caused the automobile crash in debt

954
00:40:57,950 --> 00:40:56,700
he has not attempted to watch the film

955
00:41:00,230 --> 00:40:57,960
since

956
00:41:02,089 --> 00:41:00,240
now I asked him why he called me he

957
00:41:04,609 --> 00:41:02,099
stated that he had received a call from

958
00:41:06,790 --> 00:41:04,619
his cousin who's aware of the winged

959
00:41:11,329 --> 00:41:06,800
humanoid sightings in Indiana

960
00:41:13,130 --> 00:41:11,339
and uh he gave me my contact information

961
00:41:19,910 --> 00:41:13,140
now um

962
00:41:25,250 --> 00:41:22,370
that Vince has put it up there

963
00:41:27,109 --> 00:41:25,260

so he seems very forthright and but

964

00:41:28,970 --> 00:41:27,119

quite nervous he's seen relieved that

965

00:41:33,290 --> 00:41:28,980

there have been other eyewitness to send

966

00:41:34,670 --> 00:41:33,300

her winged beings and you know honestly

967

00:41:36,770 --> 00:41:34,680

he um

968

00:41:39,349 --> 00:41:36,780

he was a good Witness

969

00:41:43,190 --> 00:41:39,359

he did seem like something really

970

00:41:46,490 --> 00:41:43,200

happened to him and uh

971

00:41:49,730 --> 00:41:46,500

and I I will say you know

972

00:41:51,770 --> 00:41:49,740

through this all these ordeals and Saga

973

00:41:54,290 --> 00:41:51,780

with the the wing humanoid the Chicago

974

00:41:57,230 --> 00:41:54,300

Mothman her hair and Mothman you the

975

00:41:59,450 --> 00:41:57,240

Witnesses are been very forthcoming and

976
00:42:01,849 --> 00:41:59,460
do not embellish on these sightings you

977
00:42:03,650 --> 00:42:01,859
know they make their report to us

978
00:42:07,310 --> 00:42:03,660
and um

979
00:42:13,010 --> 00:42:09,530
so that's going to be the last report

980
00:42:15,470 --> 00:42:13,020
for the night so if you have questions

981
00:42:17,210 --> 00:42:15,480
feel free to ask me you want to put them

982
00:42:20,690 --> 00:42:17,220
up Vincent I can

983
00:42:29,630 --> 00:42:24,230
uh Carol asked where do they come from

984
00:42:35,210 --> 00:42:32,270
we have indicate some indications that

985
00:42:37,849 --> 00:42:35,220
they're interdimensional beings

986
00:42:40,310 --> 00:42:37,859
brought to terrestrial beings

987
00:42:43,010 --> 00:42:40,320
that

988
00:42:45,890 --> 00:42:43,020

exist on a

989

00:42:49,370 --> 00:42:45,900

a dimension that's very linear and close

990

00:42:52,130 --> 00:42:49,380

to our our Earth Dimension our Earth

991

00:42:57,050 --> 00:42:54,530

um you know I I had this theory about

992

00:42:59,030 --> 00:42:57,060

most Cryptids anyway for a long time

993

00:43:00,410 --> 00:42:59,040

that I think they're interdimensional

994

00:43:02,450 --> 00:43:00,420

beings

995

00:43:05,510 --> 00:43:02,460

that they do have abilities to move in

996

00:43:06,589 --> 00:43:05,520

and out for for and we but we really

997

00:43:09,050 --> 00:43:06,599

haven't

998

00:43:10,430 --> 00:43:09,060

found the mechanism for that a reason

999

00:43:11,089 --> 00:43:10,440

for that

1000

00:43:13,490 --> 00:43:11,099

[Music]

1001
00:43:20,450 --> 00:43:15,650
and it's all based on Theory at this

1002
00:43:24,050 --> 00:43:22,309
I think it's very close to what's really

1003
00:43:26,450 --> 00:43:24,060
going on

1004
00:43:28,370 --> 00:43:26,460
anything new from David Eckhart now I

1005
00:43:30,349 --> 00:43:28,380
haven't heard I haven't really had any

1006
00:43:31,190 --> 00:43:30,359
new information from David I have talked

1007
00:43:33,589 --> 00:43:31,200
to him

1008
00:43:36,349 --> 00:43:33,599
but uh it's basically about the same

1009
00:43:39,349 --> 00:43:36,359
thing they show up occasionally

1010
00:43:43,010 --> 00:43:39,359
now the the uh

1011
00:43:44,750 --> 00:43:43,020
the beings that do show up They do

1012
00:43:47,450 --> 00:43:44,760
change up once a while you know he's had

1013
00:43:49,069 --> 00:43:47,460

several groups of different beings that

1014

00:43:50,089 --> 00:43:49,079

have been a part of this whole scenario

1015

00:43:54,109 --> 00:43:50,099

with him

1016

00:43:58,190 --> 00:43:54,119

uh but as far as new uh

1017

00:44:00,170 --> 00:43:58,200

photos or new information or evidence I

1018

00:44:04,849 --> 00:44:00,180

I just have not received that much from

1019

00:44:06,829 --> 00:44:04,859

him and if I do I I will put it up I um

1020

00:44:10,190 --> 00:44:06,839

I I guess I should try to get him on the

1021

00:44:12,170 --> 00:44:10,200

show again in the near future so I'll

1022

00:44:17,569 --> 00:44:12,180

talk to him about and see if he uh he

1023

00:44:22,910 --> 00:44:20,690

um Crawley has heard a correlation with

1024

00:44:25,970 --> 00:44:22,920

the Mothman and Jersey Devil Due to the

1025

00:44:30,829 --> 00:44:28,190

you know

1026

00:44:34,250 --> 00:44:30,839

I guess it could be

1027

00:44:37,069 --> 00:44:34,260

I um I've had people

1028

00:44:38,870 --> 00:44:37,079

give that correlation before

1029

00:44:42,950 --> 00:44:38,880

uh

1030

00:44:48,710 --> 00:44:45,170

I don't discount people I don't believe

1031

00:44:50,990 --> 00:44:48,720

the lure behind it you know the leads

1032

00:44:53,750 --> 00:44:51,000

story I don't believe that

1033

00:44:56,870 --> 00:44:53,760

quite frankly the

1034

00:44:59,329 --> 00:44:56,880

the Jersey Devil didn't initially start

1035

00:45:02,210 --> 00:44:59,339

so sightings didn't initially start in

1036

00:45:03,890 --> 00:45:02,220

New Jersey on the Pine Barrens they

1037

00:45:05,210 --> 00:45:03,900

actually started down in Eastern Shore

1038

00:45:08,809 --> 00:45:05,220

Maryland

1039

00:45:12,829 --> 00:45:08,819

and they started gravitating North

1040

00:45:16,990 --> 00:45:12,839

uh and then the the the the Leeds Legend

1041

00:45:20,510 --> 00:45:17,000

came into fact into Point not not fact

1042

00:45:21,530 --> 00:45:20,520

so um I don't know what to make of that

1043

00:45:24,589 --> 00:45:21,540

um

1044

00:45:27,589 --> 00:45:24,599

you know the descriptions of the

1045

00:45:30,829 --> 00:45:27,599

the Jersey Devil were very distinct

1046

00:45:34,130 --> 00:45:30,839

uh with the horse-like face and the

1047

00:45:36,650 --> 00:45:34,140

strange shape to it the long tail

1048

00:45:39,530 --> 00:45:36,660

in some cases sometimes it doesn't uh

1049

00:45:43,309 --> 00:45:39,540

has the bat leg wing

1050

00:45:44,150 --> 00:45:43,319

the uh the very heavy flapping that you

1051
00:45:46,790 --> 00:45:44,160
hear

1052
00:45:49,910 --> 00:45:46,800
you know with the uh with these cases in

1053
00:45:51,890 --> 00:45:49,920
Chicago and around Chicago we don't hear

1054
00:45:54,290 --> 00:45:51,900
the flapping a whole lot

1055
00:45:55,849 --> 00:45:54,300
um these beings seem to have some type

1056
00:46:03,230 --> 00:45:55,859
of

1057
00:46:04,609 --> 00:46:03,240
wings they have a

1058
00:46:08,390 --> 00:46:04,619
propulsion

1059
00:46:10,250 --> 00:46:08,400
understand

1060
00:46:12,589 --> 00:46:10,260
not all of them some of them do flap

1061
00:46:14,390 --> 00:46:12,599
their wings they have seen flat their

1062
00:46:16,730 --> 00:46:14,400
legs and take off

1063
00:46:21,290 --> 00:46:16,740

oh no yeah I don't know if there's much

1064

00:46:25,390 --> 00:46:23,510

now when you say flaps I guess maybe you

1065

00:46:27,829 --> 00:46:25,400

thought about the settings I don't know

1066

00:46:31,430 --> 00:46:27,839

again I don't know if

1067

00:46:35,089 --> 00:46:33,470

uh do you want to go down to Eckert's

1068

00:46:37,609 --> 00:46:35,099

again and put yourself in the middle of

1069

00:46:39,710 --> 00:46:37,619

that I've never been to David's

1070

00:46:42,109 --> 00:46:39,720

I had never been there and the reason

1071

00:46:43,370 --> 00:46:42,119

why I never went down there you know my

1072

00:46:45,470 --> 00:46:43,380

my wife

1073

00:46:48,890 --> 00:46:45,480

when she was alive she

1074

00:46:51,589 --> 00:46:48,900

she did not want me going down there

1075

00:46:53,930 --> 00:46:51,599

she was very familiar with the case and

1076
00:46:56,390 --> 00:46:53,940
she kept on top of it and she had a bad

1077
00:46:58,730 --> 00:46:56,400
feeling about it from the very beginning

1078
00:47:01,730 --> 00:46:58,740
and she did not want to be going down

1079
00:47:03,470 --> 00:47:01,740
now she passed in 2015 so I but I

1080
00:47:04,730 --> 00:47:03,480
haven't been down there said David has

1081
00:47:06,410 --> 00:47:04,740
asked me to come down on numerous

1082
00:47:09,470 --> 00:47:06,420
occasions

1083
00:47:12,230 --> 00:47:09,480
so um I don't know

1084
00:47:14,809 --> 00:47:12,240
you know I I know of instances where

1085
00:47:16,910 --> 00:47:14,819
other people have gone there

1086
00:47:18,230 --> 00:47:16,920
and some of the stories I have heard

1087
00:47:19,130 --> 00:47:18,240
from them

1088
00:47:20,809 --> 00:47:19,140

because there have been other

1089

00:47:23,690 --> 00:47:20,819

investigators that have gone there and

1090

00:47:25,010 --> 00:47:23,700

who have contacted me directly to tell

1091

00:47:26,809 --> 00:47:25,020

me some of the things that they

1092

00:47:28,370 --> 00:47:26,819

experienced and then a lot of them were

1093

00:47:31,790 --> 00:47:28,380

not good

1094

00:47:33,950 --> 00:47:31,800

uh one investigator

1095

00:47:36,410 --> 00:47:33,960

was physically attacked on many

1096

00:47:38,530 --> 00:47:36,420

occasions and had some really horrific

1097

00:47:40,670 --> 00:47:38,540

bruising

1098

00:47:43,630 --> 00:47:40,680

so um

1099

00:47:46,430 --> 00:47:43,640

it's not been good for a lot of people

1100

00:47:49,849 --> 00:47:46,440

I just don't think that they like David

1101
00:47:54,050 --> 00:47:52,010
and uh

1102
00:47:56,329 --> 00:47:54,060
you know that his now his

1103
00:47:59,809 --> 00:47:56,339
daughter-in-law

1104
00:48:02,690 --> 00:47:59,819
has has been involved with some of this

1105
00:48:04,730 --> 00:48:02,700
as well and um they don't seem to mind

1106
00:48:09,050 --> 00:48:04,740
her

1107
00:48:11,750 --> 00:48:09,060
don't really seem to want to be involved

1108
00:48:13,069 --> 00:48:11,760
with it anymore so um

1109
00:48:15,710 --> 00:48:13,079
yeah

1110
00:48:16,730 --> 00:48:15,720
so that's about where it stands I don't

1111
00:48:20,150 --> 00:48:16,740
know if I'm ever going to make it down

1112
00:48:23,210 --> 00:48:20,160
to Davis be honest with you I I may

1113
00:48:25,309 --> 00:48:23,220

uh I do have apprehension about it I I

1114

00:48:27,290 --> 00:48:25,319

just got that little Sixth Sense thing

1115

00:48:29,809 --> 00:48:27,300

tell me that it might not turn out well

1116

00:48:31,790 --> 00:48:29,819

though they do know I've been involved

1117

00:48:34,010 --> 00:48:31,800

with David's investigation they haven't

1118

00:48:35,990 --> 00:48:34,020

I have encountered them

1119

00:48:38,150 --> 00:48:36,000

in my residence

1120

00:48:40,430 --> 00:48:38,160

uh I believe they were the same beings

1121

00:48:43,069 --> 00:48:40,440

that abducted me

1122

00:48:45,650 --> 00:48:43,079

or the the words are associated with

1123

00:48:49,250 --> 00:48:45,660

those beings that abducted me

1124

00:48:51,589 --> 00:48:49,260

uh and I was warned when I got involved

1125

00:48:53,690 --> 00:48:51,599

with David's case that this may very

1126

00:48:55,609 --> 00:48:53,700

well happen as well

1127

00:48:57,829 --> 00:48:55,619

so um

1128

00:49:00,230 --> 00:48:57,839

uh Andrew asked are government

1129

00:49:02,930 --> 00:49:00,240

investigators been around citing areas

1130

00:49:04,730 --> 00:49:02,940

yeah they occasionally show up I mean

1131

00:49:10,190 --> 00:49:04,740

I've had

1132

00:49:12,050 --> 00:49:10,200

government folks before

1133

00:49:14,750 --> 00:49:12,060

um

1134

00:49:17,510 --> 00:49:14,760

but of course you know you think about

1135

00:49:19,010 --> 00:49:17,520

the story with my Bigfoot encounter back

1136

00:49:21,890 --> 00:49:19,020

in 81 there were definitely government

1137

00:49:25,130 --> 00:49:21,900

investigators there

1138

00:49:27,170 --> 00:49:25,140

um yeah I mean they're involved I mean

1139

00:49:28,910 --> 00:49:27,180

there's no disputing that

1140

00:49:30,410 --> 00:49:28,920

they definitely have they definitely

1141

00:49:33,290 --> 00:49:30,420

have an interest in a lot of the

1142

00:49:35,630 --> 00:49:33,300

phenomena that happens as far as the uh

1143

00:49:38,150 --> 00:49:35,640

winged humanoids

1144

00:49:40,910 --> 00:49:38,160

I don't know you know early on

1145

00:49:43,730 --> 00:49:40,920

we had some black helicopter sightings

1146

00:49:48,410 --> 00:49:43,740

and actual troops that may have actually

1147

00:49:52,250 --> 00:49:49,670

um

1148

00:49:54,410 --> 00:49:52,260

you know it was kind of a bizarre case

1149

00:49:56,210 --> 00:49:54,420

because there was gunfire involved and

1150

00:49:58,430 --> 00:49:56,220

then they came out and

1151
00:50:00,470 --> 00:49:58,440
the the witness stated that they don't

1152
00:50:02,390 --> 00:50:00,480
they he didn't really see them carrying

1153
00:50:04,490 --> 00:50:02,400
anything out but it was dark

1154
00:50:06,589 --> 00:50:04,500
but he said it was definitely uh he was

1155
00:50:08,329 --> 00:50:06,599
definitely some type of um

1156
00:50:10,430 --> 00:50:08,339
military

1157
00:50:12,170 --> 00:50:10,440
uh with the vehicles and everything else

1158
00:50:15,109 --> 00:50:12,180
as far as government and of course you

1159
00:50:17,329 --> 00:50:15,119
know military is government so

1160
00:50:18,950 --> 00:50:17,339
um as far as the wing humanoids and

1161
00:50:21,530 --> 00:50:18,960
knows I don't really I haven't really

1162
00:50:23,870 --> 00:50:21,540
seen much association with that it's

1163
00:50:25,670 --> 00:50:23,880

it's a lot of uh incidental stuff that

1164

00:50:27,589 --> 00:50:25,680

very well could be connected but I I

1165

00:50:29,770 --> 00:50:27,599

really don't know

1166

00:50:33,430 --> 00:50:29,780

foreign

1167

00:50:35,690 --> 00:50:33,440

what are your thoughts on these being

1168

00:50:39,410 --> 00:50:35,700

ultra-terrestrials or interdimensional I

1169

00:50:44,390 --> 00:50:42,410

I think they are I they don't like to be

1170

00:50:46,309 --> 00:50:44,400

you know through our

1171

00:50:48,530 --> 00:50:46,319

bit of communication we have had they

1172

00:50:51,770 --> 00:50:48,540

don't they don't like to be known as

1173

00:50:53,990 --> 00:50:51,780

aliens or extraterrestrials they do

1174

00:50:56,030 --> 00:50:54,000

acknowledge that

1175

00:50:59,230 --> 00:50:56,040

they're inner dimensional to a degree

1176

00:51:01,910 --> 00:50:59,240

but the the ultra terrestrial

1177

00:51:04,990 --> 00:51:01,920

moniker is probably as close as what

1178

00:51:07,490 --> 00:51:05,000

they will accept as far as calling them

1179

00:51:09,770 --> 00:51:07,500

we have had people on the team who have

1180

00:51:11,750 --> 00:51:09,780

had some connections with them

1181

00:51:13,670 --> 00:51:11,760

but at this point

1182

00:51:16,190 --> 00:51:13,680

you know I don't really know what to

1183

00:51:18,349 --> 00:51:16,200

think about any of that I I know I

1184

00:51:20,150 --> 00:51:18,359

haven't had any connection with them

1185

00:51:23,089 --> 00:51:20,160

I'm not saying that the people in the

1186

00:51:25,250 --> 00:51:23,099

team who did state-to-head connection

1187

00:51:27,349 --> 00:51:25,260

may have had been imagining it I don't

1188

00:51:30,410 --> 00:51:27,359

think so I think something there was a

1189

00:51:36,530 --> 00:51:30,420

connection but all I know is I have not

1190

00:51:36,540 --> 00:51:43,490

anything else

1191

00:51:48,290 --> 00:51:45,890

okay

1192

00:51:50,030 --> 00:51:48,300

well folks thanks for coming on tonight
