00:02:57,300 --> 00:03:02,270

57
00:03:07,430 --> 00:03:04,070
but turn him up a little bit Vincent I

58
00:03:11,690 --> 00:03:09,710
we even have a little issues tonight so

59
00:03:13,369 --> 00:03:11,700
just bear with us we'll get this all

60
00:03:16,009 --> 00:03:13,379
straightened out

61
00:03:17,330 --> 00:03:16,019
a problem your audio is a little tinny

62
00:03:23,750 --> 00:03:17,340
though I can hear you pick your little

63
00:03:23,760 --> 00:03:29,649

foreign

64

00:03:35,930 --> 00:03:32,210

welcome tonight I I'm glad to have you

65

00:03:37,850 --> 00:03:35,940

again uh what's been going on I mean I

66

00:03:40,190 --> 00:03:37,860

you and I have been conversing back and

67

00:03:43,610 --> 00:03:40,200

forth there seems to be a lot of stuff

68

00:03:44,869 --> 00:03:43,620

going on this summer especially what uh

69

00:03:46,850 --> 00:03:44,879

what have you been seeing out there in

70

00:03:49,430 --> 00:03:46,860

Western PA

71

00:03:52,250 --> 00:03:49,440

well it's been busy actually all year

72

00:03:55,430 --> 00:03:52,260

it's been unusually active all year long

73

00:03:58,250 --> 00:03:55,440

right through the Fallen winter of uh

74

00:04:00,949 --> 00:03:58,260

last year right in through this year and

75

00:04:02,990 --> 00:04:00,959

and the last few weeks have been

76

00:04:04,270 --> 00:04:03,000

active with some very unusual reports

77

00:04:07,850 --> 00:04:04,280

were

78

00:04:11,030 --> 00:04:07,860

hearing UFO activity uh there's been

79

00:04:14,030 --> 00:04:11,040

daylight incidents we've had uh Bigfoot

80

00:04:16,250 --> 00:04:14,040

encounters uh we're hearing all kinds of

81

00:04:19,550 --> 00:04:16,260

things but very interesting and you and

82

00:04:21,349 --> 00:04:19,560

I talked about this is uh for years and

83

00:04:23,330 --> 00:04:21,359

years I've investigated what I call many

84

00:04:25,490 --> 00:04:23,340

UFOs or some people might refer to them

85

00:04:28,550 --> 00:04:25,500

as orbs I haven't looked at them since

86

00:04:31,850 --> 00:04:28,560

the 1960s these cases over the years

87

00:04:34,370 --> 00:04:31,860

were hearing more and more cases but

88

00:04:36,469 --> 00:04:34,380

um actually since March of this year and

89

00:04:38,570 --> 00:04:36,479

right through the last few days we're

90

00:04:39,469 --> 00:04:38,580

just seeing the surge of these reports

91

00:04:43,129 --> 00:04:39,479

of these

92

00:04:45,290 --> 00:04:43,139

generally smaller objects um they range

93

00:04:47,330 --> 00:04:45,300

anywhere from the smallest was about one

94

00:04:48,650 --> 00:04:47,340

to two inches in diameter like oversized

95

00:04:51,350 --> 00:04:48,660

fireflies

96

00:04:54,409 --> 00:04:51,360

to objects that are again generally

97

00:04:56,990 --> 00:04:54,419

spherical but not always they're about

98

00:04:58,909 --> 00:04:57,000

the size of a golf ball to a baseball

99

00:05:02,030 --> 00:04:58,919

but a lot of them are about a foot or

100

00:05:04,490 --> 00:05:02,040

two in diameter right in some cases it

101
00:05:06,409 --> 00:05:04,500
could be solid metallic in most cases

102
00:05:08,689 --> 00:05:06,419
just bright light sources of various

103
00:05:10,610 --> 00:05:08,699
colors but what's so intriguing about

104
00:05:13,310 --> 00:05:10,620
them over the years I've had incidents

105
00:05:14,810 --> 00:05:13,320
where one they're close they're most of

106
00:05:17,330 --> 00:05:14,820
these are closest Brown

107
00:05:19,909 --> 00:05:17,340
uh I've had him actually follow Vehicles

108
00:05:21,950 --> 00:05:19,919
I've had them enter vehicles in people's

109
00:05:23,930 --> 00:05:21,960
homes to open Windows then gently just

110
00:05:25,430 --> 00:05:23,940
fly back out the window even though

111
00:05:26,810 --> 00:05:25,440
we've had some reports that go through

112
00:05:30,230 --> 00:05:26,820
the walls of homes

113
00:05:32,090 --> 00:05:30,240

uh but and again very intriguing what

114

00:05:34,670 --> 00:05:32,100

we're getting in recent months is a

115

00:05:37,010 --> 00:05:34,680

surge of activity and not just avoided

116

00:05:38,990 --> 00:05:37,020

areas but even a more populated areas uh

117

00:05:41,029 --> 00:05:39,000

people security cameras are going off

118

00:05:44,090 --> 00:05:41,039

and they're getting some of these uh on

119

00:05:46,670 --> 00:05:44,100

video but these objects even in daylight

120

00:05:49,550 --> 00:05:46,680

in recent weeks are coming very close to

121

00:05:51,830 --> 00:05:49,560

people with this view of daylight and

122

00:05:53,629 --> 00:05:51,840

some of these cases are startling which

123

00:05:55,909 --> 00:05:53,639

I give us a lot more detail in some of

124

00:05:57,409 --> 00:05:55,919

those cases as well but sure yeah that's

125

00:05:59,510 --> 00:05:57,419

what we're that's what we want to hear

126

00:06:02,270 --> 00:05:59,520

you know I will tell you you're right it

127

00:06:04,010 --> 00:06:02,280

has been pretty active I um we've been

128

00:06:07,909 --> 00:06:04,020

getting a lot of these cryptic canine

129

00:06:10,310 --> 00:06:07,919

reports this this year especially uh in

130

00:06:12,129 --> 00:06:10,320

fact we're actively looking at four

131

00:06:15,350 --> 00:06:12,139

cases right now

132

00:06:19,310 --> 00:06:15,360

uh and uh this Friday we're gonna have

133

00:06:22,370 --> 00:06:19,320

somebody on from the Berks County case

134

00:06:26,450 --> 00:06:22,380

um uh Matt hirak and uh

135

00:06:28,249 --> 00:06:26,460

yeah it is it's been crazy and uh I

136

00:06:30,950 --> 00:06:28,259

haven't been really getting a lot of UFO

137

00:06:33,529 --> 00:06:30,960

reports but I normally don't the Europe

138

00:06:35,270 --> 00:06:33,539

the UFO reports don't normally come to

139

00:06:39,110 --> 00:06:35,280

me now of course with butchers around he

140

00:06:41,390 --> 00:06:39,120

was getting a lot of that but uh yeah um

141

00:06:44,390 --> 00:06:41,400

we I haven't really been seeing much of

142

00:06:46,370 --> 00:06:44,400

that you talk about the orbs it's it's

143

00:06:48,409 --> 00:06:46,380

pretty crazy not necessarily in

144

00:06:50,110 --> 00:06:48,419

Pennsylvania but a lot of the Bigfoot

145

00:06:52,550 --> 00:06:50,120

encounters that we've I've been getting

146

00:06:54,529 --> 00:06:52,560

uh from all over the country and all

147

00:06:56,150 --> 00:06:54,539

over North America there have been a lot

148

00:06:57,469 --> 00:06:56,160

of War activity involved with it I'm

149

00:07:00,770 --> 00:06:57,479

talking about

150

00:07:03,650 --> 00:07:00,780

anywhere from grapefruit size to bait

151
00:07:14,570 --> 00:07:03,660
basketball size orbs so they're

152
00:07:22,070 --> 00:07:18,350
started noticing some unusual phenomena

153
00:07:23,689 --> 00:07:22,080
going on in certain areas and it was an

154
00:07:25,610 --> 00:07:23,699
area actually a few miles away from

155
00:07:26,990 --> 00:07:25,620
where I live where things have been

156
00:07:29,210 --> 00:07:27,000
quiet

157
00:07:31,730 --> 00:07:29,220
if I want to win an air again and

158
00:07:34,010 --> 00:07:31,740
different landowners independently began

159
00:07:34,969 --> 00:07:34,020
to contact me about all of a sudden

160
00:07:37,309 --> 00:07:34,979
seeing

161
00:07:40,070 --> 00:07:37,319
strange lights in the sky

162
00:07:42,770 --> 00:07:40,080
weird streams and house from the woods

163
00:07:44,150 --> 00:07:42,780

unusual Footprints something heavy pipe

164

00:07:46,790 --> 00:07:44,160

that are walking

165

00:07:48,529 --> 00:07:46,800

people saw a broad shoulder creature

166

00:07:50,270 --> 00:07:48,539

chasing dogs in the woods strange

167

00:07:52,870 --> 00:07:50,280

Footprints are showing up but they're

168

00:07:55,189 --> 00:07:52,880

also reporting these small little tiny

169

00:07:56,930 --> 00:07:55,199

spheres of light right around their

170

00:07:59,809 --> 00:07:56,940

homes and in the bushes

171

00:08:02,749 --> 00:07:59,819

and then 1973 comes around and that's

172

00:08:05,210 --> 00:08:02,759

when we have that that massive wave that

173

00:08:07,129 --> 00:08:05,220

we've never had since then uh from

174

00:08:10,189 --> 00:08:07,139

hundreds of UFO sightings all year in

175

00:08:12,409 --> 00:08:10,199

Pennsylvania in the summer of 73

176

00:08:14,089 --> 00:08:12,419

is when we had that the biggest Bigfoot

177

00:08:16,010 --> 00:08:14,099

outbreak ever document that went on to

178

00:08:18,950 --> 00:08:16,020

1974.

179

00:08:21,650 --> 00:08:18,960

that's when a lot of strange things came

180

00:08:23,390 --> 00:08:21,660

to my my research group's attention

181

00:08:25,490 --> 00:08:23,400

one of the first things was the fact

182

00:08:27,890 --> 00:08:25,500

that my teams would get to some of these

183

00:08:29,270 --> 00:08:27,900

locations within minutes hours after the

184

00:08:32,690 --> 00:08:29,280

incident occurred

185

00:08:35,209 --> 00:08:32,700

and even in various ground conditions

186

00:08:37,730 --> 00:08:35,219

including snow we have these very large

187

00:08:40,010 --> 00:08:37,740

unusual Footprints with big strides

188

00:08:42,529 --> 00:08:40,020

between them that would go for this and

189

00:08:45,889 --> 00:08:42,539

that's abruptly just bend when there

190

00:08:47,750 --> 00:08:45,899

should have been more tracks and then we

191

00:08:50,750 --> 00:08:47,760

began to have that pattern where we have

192

00:08:52,550 --> 00:08:50,760

a UFO sighting and then with Menace

193

00:08:54,949 --> 00:08:52,560

hours of days later we have a Bigfoot

194

00:08:57,350 --> 00:08:54,959

sighting or vice versa and then we had

195

00:08:58,850 --> 00:08:57,360

those very bizarre cases with UFOs of

196

00:09:03,350 --> 00:08:58,860

Bigfoot seen together at the same time

197

00:09:05,090 --> 00:09:03,360

and place but uh the balls of light were

198

00:09:06,650 --> 00:09:05,100

interesting uh we had some reports

199

00:09:10,130 --> 00:09:06,660

during that time we had that one case

200

00:09:11,750 --> 00:09:10,140

north of Pittsburgh September 73

201
00:09:13,250 --> 00:09:11,760
when he had the two witnesses were

202
00:09:15,530 --> 00:09:13,260
outside waiting for a friend to pick him

203
00:09:17,630 --> 00:09:15,540
up when they see this about seven eight

204
00:09:19,990 --> 00:09:17,640
foot tall hair covered Bigfoot with

205
00:09:23,389 --> 00:09:20,000
white hair running across the road

206
00:09:25,790 --> 00:09:23,399
towards the woods but in one of his hand

207
00:09:26,750 --> 00:09:25,800
is carrying a small luminous ball of

208
00:09:29,150 --> 00:09:26,760
light

209
00:09:31,250 --> 00:09:29,160
a short time later is when that strange

210
00:09:33,350 --> 00:09:31,260
object moved across the sky in that area

211
00:09:35,930 --> 00:09:33,360
and protected a female like down into

212
00:09:39,350 --> 00:09:35,940
the woods would a creature ran into

213
00:09:42,250 --> 00:09:39,360

the first things that began to raise our

214

00:09:45,769 --> 00:09:42,260

attention to it and then over the years

215

00:09:47,509 --> 00:09:45,779

more cases came to my attention and I I

216

00:09:49,430 --> 00:09:47,519

talked about this years ago and you and

217

00:09:52,009 --> 00:09:49,440

I talked about this that we're getting

218

00:09:54,710 --> 00:09:52,019

reports in areas

219

00:09:57,290 --> 00:09:54,720

body history of Bigfoot activity where

220

00:09:58,910 --> 00:09:57,300

Witnesses or investigators were starting

221

00:10:00,949 --> 00:09:58,920

to report

222

00:10:04,430 --> 00:10:00,959

small spheres of Light low the ground

223

00:10:06,829 --> 00:10:04,440

some cases coming towards them and

224

00:10:08,210 --> 00:10:06,839

um in more recent years now it's

225

00:10:10,190 --> 00:10:08,220

intensifying here in Pennsylvania

226

00:10:12,590 --> 00:10:10,200

actually I could say more recent months

227

00:10:15,650 --> 00:10:12,600

and all over the country now you're

228

00:10:18,829 --> 00:10:15,660

hearing these kind of reports it's it's

229

00:10:20,509 --> 00:10:18,839

a lot more complicated phenomena it is

230

00:10:22,910 --> 00:10:20,519

much stranger than any of us ever

231

00:10:25,490 --> 00:10:22,920

imagined there's a lot more to this than

232

00:10:27,170 --> 00:10:25,500

just the Bigfoot connection I had the

233

00:10:28,790 --> 00:10:27,180

indication that found a lot of

234

00:10:30,769 --> 00:10:28,800

correlation on what other Cryptids and

235

00:10:33,050 --> 00:10:30,779

some of the strange things are going on

236

00:10:35,509 --> 00:10:33,060

it's a very complex phenomena whatever

237

00:10:36,769 --> 00:10:35,519

we're dealing with oh absolutely yeah

238

00:10:40,490 --> 00:10:36,779

there's definitely connections between

239

00:10:43,550 --> 00:10:40,500

all the Paranormal aspects uh you know

240

00:10:45,290 --> 00:10:43,560

and in particular last this past year

241

00:10:46,370 --> 00:10:45,300

I've been hearing all kinds of crazy

242

00:10:48,829 --> 00:10:46,380

things

243

00:10:51,530 --> 00:10:48,839

um like you said the balls of Light have

244

00:10:54,050 --> 00:10:51,540

really become prominent this year with

245

00:10:56,150 --> 00:10:54,060

all types of activity

246

00:10:58,850 --> 00:10:56,160

um now you you were

247

00:11:02,690 --> 00:10:58,860

and I know um

248

00:11:05,329 --> 00:11:02,700

uh Eric had been Eric Altman had been

249

00:11:07,310 --> 00:11:05,339

involved with that investigation on the

250

00:11:08,210 --> 00:11:07,320

Chestnut Ridge starting earlier this

251
00:11:10,550 --> 00:11:08,220
year

252
00:11:13,490 --> 00:11:10,560
and uh like all the life phenomena that

253
00:11:15,170 --> 00:11:13,500
he was experiencing him and his team

254
00:11:16,430 --> 00:11:15,180
I think you were involved with some of

255
00:11:18,470 --> 00:11:16,440
that as well

256
00:11:20,810 --> 00:11:18,480
uh that kind of seemed to start things

257
00:11:24,110 --> 00:11:20,820
off and then all of a sudden we started

258
00:11:34,190 --> 00:11:24,120
getting reports a lot of reports uh the

259
00:11:37,490 --> 00:11:36,350
it's unbelievable let me ask you

260
00:11:39,710 --> 00:11:37,500
something real quick let me ask you

261
00:11:41,090 --> 00:11:39,720
something real quick Bernadette just

262
00:11:43,269 --> 00:11:41,100
brought this up and she's the one that

263
00:11:47,150 --> 00:11:43,279

reported to me about the booming sounds

264

00:11:49,310 --> 00:11:47,160

in Somerset County I reported to you

265

00:11:51,590 --> 00:11:49,320

then apparently some other people have

266

00:11:54,290 --> 00:11:51,600

been here and had heard it you have any

267

00:11:55,970 --> 00:11:54,300

idea what was going on

268

00:11:57,769 --> 00:11:55,980

no actually

269

00:11:59,810 --> 00:11:57,779

um I did not want to send me the report

270

00:12:02,329 --> 00:11:59,820

I I received the information you sent me

271

00:12:04,970 --> 00:12:02,339

you know and over the last year or so

272

00:12:07,069 --> 00:12:04,980

there we continue to hear some alleged

273

00:12:09,230 --> 00:12:07,079

reports of what we call mystery booms

274

00:12:10,910 --> 00:12:09,240

and in a few of these cases we were able

275

00:12:13,490 --> 00:12:10,920

to pretty much figure out what they were

276

00:12:15,889 --> 00:12:13,500

but there's some we did not and I

277

00:12:18,050 --> 00:12:15,899

believe and I got I have hundreds of

278

00:12:21,290 --> 00:12:18,060

hundreds of reports in this file from

279

00:12:25,370 --> 00:12:21,300

this year or so and I believe it was

280

00:12:28,190 --> 00:12:25,380

I think it was uh December 31st of last

281

00:12:31,670 --> 00:12:28,200

year when we had very interesting

282

00:12:32,990 --> 00:12:31,680

mystery boom that extended all along the

283

00:12:35,449 --> 00:12:33,000

Chestnut Ridge

284

00:12:36,590 --> 00:12:35,459

from Westmore County side up the Indiana

285

00:12:38,870 --> 00:12:36,600

County

286

00:12:39,530 --> 00:12:38,880

and so that's right along the ridge

287

00:12:40,910 --> 00:12:39,540

where

288

00:12:43,490 --> 00:12:40,920

it's been a history of all kind of

289

00:12:45,230 --> 00:12:43,500

phenomena for years yearly Bigfoot

290

00:12:47,170 --> 00:12:45,240

sightings including one this year in the

291

00:12:49,370 --> 00:12:47,180

afternoon and Mother's Day

292

00:12:50,750 --> 00:12:49,380

but that one we've never been able to

293

00:12:52,449 --> 00:12:50,760

find a source for it I mean that was

294

00:12:55,370 --> 00:12:52,459

well over 20 miles

295

00:12:57,350 --> 00:12:55,380

I mean we weren't weren't they saying

296

00:12:59,389 --> 00:12:57,360

you thought it was a meteorite that that

297

00:13:02,990 --> 00:12:59,399

exploded

298

00:13:04,730 --> 00:13:03,000

father was two different ones right when

299

00:13:07,129 --> 00:13:04,740

uh and again I have to look at the dates

300

00:13:10,730 --> 00:13:07,139

but but there was one the date one

301
00:13:12,550 --> 00:13:10,740
wasn't apparently was connected to

302
00:13:15,170 --> 00:13:12,560
but the other incident

303
00:13:17,449 --> 00:13:15,180
involved that incidence that happened up

304
00:13:18,829 --> 00:13:17,459
along the Chestnut Ridge that one we've

305
00:13:21,050 --> 00:13:18,839
never been able to come up with a

306
00:13:22,550 --> 00:13:21,060
solution for okay

307
00:13:25,790 --> 00:13:22,560
okay

308
00:13:27,590 --> 00:13:25,800
well uh whatever whatever you want to

309
00:13:29,990 --> 00:13:27,600
talk about you know you got anything new

310
00:13:32,690 --> 00:13:30,000
let us know Stan

311
00:13:34,610 --> 00:13:32,700
okay hold on I'm gonna get you into some

312
00:13:36,290 --> 00:13:34,620
of these more recent and and some of

313
00:13:38,090 --> 00:13:36,300

this activity I mean again there's been

314

00:13:41,509 --> 00:13:38,100

Bigfoot sightings there's been Cryptid

315

00:13:43,490 --> 00:13:41,519

reports uh lots of low-level UFO

316

00:13:45,949 --> 00:13:43,500

sightings a lot of reports in daylight

317

00:13:48,470 --> 00:13:45,959

over the past several months of large

318

00:13:50,449 --> 00:13:48,480

solids to guard shaped objects even a

319

00:13:52,850 --> 00:13:50,459

beautiful clear skies that don't

320

00:13:55,370 --> 00:13:52,860

accelerate and take off these things

321

00:13:58,009 --> 00:13:55,380

just suddenly vanish and disappear right

322

00:14:02,090 --> 00:13:58,019

well we've had we've had some intriguing

323

00:14:03,350 --> 00:14:02,100

uh cases uh of large triangular objects

324

00:14:05,750 --> 00:14:03,360

being reported

325

00:14:07,310 --> 00:14:05,760

uh one was about I believe about two

326

00:14:10,129 --> 00:14:07,320

weeks ago and I'll try to find our

327

00:14:11,990 --> 00:14:10,139

report for you but there's some much

328

00:14:14,030 --> 00:14:12,000

more interesting things here I'm just

329

00:14:15,949 --> 00:14:14,040

trying to find some of the pages here

330

00:14:18,470 --> 00:14:15,959

trying to get up through the last few

331

00:14:20,150 --> 00:14:18,480

weeks and we should be here in a minute

332

00:14:22,730 --> 00:14:20,160

here's here's an interesting case this

333

00:14:25,910 --> 00:14:22,740

was a a huge triangular object uh

334

00:14:27,710 --> 00:14:25,920

mid-july this year now for years we've

335

00:14:30,050 --> 00:14:27,720

had reports of black take down the Mon

336

00:14:32,509 --> 00:14:30,060

Valley area outside of Pittsburgh so

337

00:14:35,329 --> 00:14:32,519

this is areas down along the Monongahela

338

00:14:36,769 --> 00:14:35,339

River where they've been for years and

339

00:14:39,110 --> 00:14:36,779

years I've been down there since the 70s

340

00:14:41,210 --> 00:14:39,120

investigating Bigfoot and UFOs and all

341

00:14:43,189 --> 00:14:41,220

kinds of strange things and objects seen

342

00:14:45,889 --> 00:14:43,199

uh around the river and over the river

343

00:14:47,990 --> 00:14:45,899

going in and out of the river it is not

344

00:14:49,430 --> 00:14:48,000

just there but across Pennsylvania for

345

00:14:51,769 --> 00:14:49,440

years if I'm just going to have a

346

00:14:54,470 --> 00:14:51,779

lengths and rivers of Pennsylvania but

347

00:14:56,509 --> 00:14:54,480

on this particular case there were two

348

00:14:59,030 --> 00:14:56,519

people riding across the bridge down

349

00:15:01,790 --> 00:14:59,040

near Elizabeth and they observed this

350

00:15:04,009 --> 00:15:01,800

huge black triangle object hovering

351

00:15:07,009 --> 00:15:04,019

above the river about 150 to 200 feet

352

00:15:10,430 --> 00:15:07,019

over the river it was hovering but but

353

00:15:13,490 --> 00:15:10,440

pivoting in position and this thing was

354

00:15:16,009 --> 00:15:13,500

so big that that is that two of the tips

355

00:15:18,170 --> 00:15:16,019

of the object extended and covered both

356

00:15:20,569 --> 00:15:18,180

sides of the river so this thing's at

357

00:15:24,590 --> 00:15:20,579

least probably around 300 in length

358

00:15:26,269 --> 00:15:24,600

and uh that was interesting but as I'm

359

00:15:28,009 --> 00:15:26,279

going up here a little further things

360

00:15:31,250 --> 00:15:28,019

are going to get even more interesting

361

00:15:33,530 --> 00:15:31,260

again a lot of the reports again of

362

00:15:36,050 --> 00:15:33,540

different objects being reported but

363

00:15:38,329 --> 00:15:36,060

it's just these reports um

364

00:15:40,129 --> 00:15:38,339

of these small spherical here's now

365

00:15:42,110 --> 00:15:40,139

here's the report from I know somebody

366

00:15:44,629 --> 00:15:42,120

supports for one of my research says is

367

00:15:46,990 --> 00:15:44,639

Jim Brown so this is from Greene County

368

00:15:50,090 --> 00:15:47,000

in August of this year

369

00:15:52,790 --> 00:15:50,100

with this Observer bright sphere about

370

00:15:54,410 --> 00:15:52,800

20 feet away about 10 inches diameter

371

00:15:56,449 --> 00:15:54,420

kind of yellowish White

372

00:15:58,610 --> 00:15:56,459

uh they see this thing and move from

373

00:16:00,170 --> 00:15:58,620

window to window and it's still there so

374

00:16:01,490 --> 00:16:00,180

here's what's interesting they try to

375

00:16:02,689 --> 00:16:01,500

get a picture of it with their phone

376

00:16:05,810 --> 00:16:02,699

camera

377

00:16:08,090 --> 00:16:05,820

and they could see the surroundings

378

00:16:10,189 --> 00:16:08,100

through the viewfinder through the uh

379

00:16:12,829 --> 00:16:10,199

imager but they couldn't see the object

380

00:16:17,150 --> 00:16:12,839

itself so actually they were they were

381

00:16:18,829 --> 00:16:17,160

able to about get uh let me see a

382

00:16:24,590 --> 00:16:18,839

digital camera

383

00:16:27,590 --> 00:16:24,600

and uh they still could only see the

384

00:16:30,889 --> 00:16:27,600

surroundings not the orb then they felt

385

00:16:33,050 --> 00:16:30,899

there was an old SLR film camera

386

00:16:35,150 --> 00:16:33,060

uh with of course just a different type

387

00:16:36,410 --> 00:16:35,160

of optical viewfinder and when they

388

00:16:38,329 --> 00:16:36,420

looked through it they could actually

389

00:16:40,610 --> 00:16:38,339

see the orb through it but of course it

390

00:16:42,470 --> 00:16:40,620

didn't operate but that ore began to

391

00:16:44,810 --> 00:16:42,480

move slowly away then stopped a couple

392

00:16:46,610 --> 00:16:44,820

seconds to move quickly higher and

393

00:16:49,030 --> 00:16:46,620

banished over the field

394

00:16:52,129 --> 00:16:49,040

uh that was a kind of interesting report

395

00:16:54,230 --> 00:16:52,139

but these cases are getting much more

396

00:16:55,269 --> 00:16:54,240

interesting as I'm going down trying to

397

00:16:58,850 --> 00:16:55,279

go

398

00:17:02,329 --> 00:16:58,860

my uh the investigator on our team James

399

00:17:06,470 --> 00:17:02,339

West he was talking to me about these um

400

00:17:08,090 --> 00:17:06,480

these donut-shaped uh UFOs that he seen

401
00:17:11,449 --> 00:17:08,100
he lives in Greene County

402
00:17:12,890 --> 00:17:11,459
uh I think he lives near Nemascolin in

403
00:17:15,350 --> 00:17:12,900
that area around there

404
00:17:17,329 --> 00:17:15,360
and uh

405
00:17:19,850 --> 00:17:17,339
you know that's something that's that

406
00:17:21,350 --> 00:17:19,860
Butch and I looked into a lot we used to

407
00:17:23,750 --> 00:17:21,360
get a lot of those here

408
00:17:28,549 --> 00:17:23,760
in Susquehanna Valley of these uh

409
00:17:31,970 --> 00:17:28,559
donut-shaped uh undulating type

410
00:17:35,510 --> 00:17:31,980
UFOs are seem to morph and stuff I

411
00:17:38,330 --> 00:17:35,520
I I used to call them uh you know the

412
00:17:40,250 --> 00:17:38,340
some type of Bio form uh they'd come in

413
00:17:43,190 --> 00:17:40,260

all types of colors and all but they

414

00:17:45,049 --> 00:17:43,200

always had that donut hole in them uh

415

00:17:46,669 --> 00:17:45,059

really weird stuff and then of course he

416

00:17:50,029 --> 00:17:46,679

had then James had that sighting

417

00:17:52,490 --> 00:17:50,039

recently uh near his place so uh yeah

418

00:17:54,590 --> 00:17:52,500

that was down in Greene County

419

00:17:56,570 --> 00:17:54,600

yeah there's been reports from all over

420

00:17:59,330 --> 00:17:56,580

the Greater Pittsburgh area again

421

00:18:02,450 --> 00:17:59,340

daylight was this night of various types

422

00:18:04,810 --> 00:18:02,460

of objects being seen and now here's

423

00:18:07,730 --> 00:18:04,820

some really interesting very recent

424

00:18:10,370 --> 00:18:07,740

these small spheres of light reports so

425

00:18:12,590 --> 00:18:10,380

this was uh from Jim Brown this was

426

00:18:14,810 --> 00:18:12,600

early October this year outside of

427

00:18:16,190 --> 00:18:14,820

Uniontown Fayette County so I'm sure

428

00:18:17,810 --> 00:18:16,200

we'll talk a lot about Fayette County

429

00:18:19,730 --> 00:18:17,820

it's one of the most active areas in the

430

00:18:22,549 --> 00:18:19,740

country a lot of these areas along the

431

00:18:24,230 --> 00:18:22,559

Chestnut Ridge so what I know about this

432

00:18:27,409 --> 00:18:24,240

right now and I'll on some point I'll

433

00:18:29,810 --> 00:18:27,419

get Jim's uh report up on the website so

434

00:18:32,150 --> 00:18:29,820

this man's awaken around six o'clock in

435

00:18:34,310 --> 00:18:32,160

the morning decided he went to go out

436

00:18:35,810 --> 00:18:34,320

and read the newspaper so he puts on his

437

00:18:39,350 --> 00:18:35,820

robe and slippers

438

00:18:41,570 --> 00:18:39,360

and he starts walking outside he sees

439

00:18:43,510 --> 00:18:41,580

this glowing white ball at eye level

440

00:18:46,970 --> 00:18:43,520

about 10 to 12 inches in diameter

441

00:18:48,110 --> 00:18:46,980

between him and the paper box

442

00:18:49,850 --> 00:18:48,120

um

443

00:18:52,070 --> 00:18:49,860

as he's watching this thing is making

444

00:18:54,230 --> 00:18:52,080

like small circular motions

445

00:18:56,570 --> 00:18:54,240

and all of a sudden he's getting very

446

00:18:59,090 --> 00:18:56,580

very sleepy as he's at right as he's

447

00:19:00,470 --> 00:18:59,100

watching this thing and it's at seven

448

00:19:03,409 --> 00:19:00,480

o'clock in the morning his wife's

449

00:19:06,289 --> 00:19:03,419

looking for him and she finds him

450

00:19:08,690 --> 00:19:06,299

outside in the chair on the porch in his

451
00:19:10,310 --> 00:19:08,700
pajamas in 40 degree weather tried to

452
00:19:13,430 --> 00:19:10,320
wake him up it was very hard to wake him

453
00:19:15,710 --> 00:19:13,440
up and he was groggy but he banned he

454
00:19:18,470 --> 00:19:15,720
could tell her about seeing this fear so

455
00:19:20,810 --> 00:19:18,480
that caught about being very tired is

456
00:19:23,450 --> 00:19:20,820
very significant because listen to this

457
00:19:26,390 --> 00:19:23,460
report so this is now a few days later

458
00:19:28,250 --> 00:19:26,400
up in the Laurel Highlands where we have

459
00:19:31,549 --> 00:19:28,260
a lot of reports so between

460
00:19:34,010 --> 00:19:31,559
Chestnut Ridge and the Laurel Ridge is a

461
00:19:36,250 --> 00:19:34,020
significant active area for years of all

462
00:19:38,510 --> 00:19:36,260
kind of a strange ongoing phenomena

463
00:19:40,730 --> 00:19:38,520

anyhow so here's this report I

464

00:19:43,370 --> 00:19:40,740

interviewed the witness again yesterday

465

00:19:44,990 --> 00:19:43,380

so by 2 30 in the morning this person's

466

00:19:47,390 --> 00:19:45,000

awakened she goes into the restroom

467

00:19:50,090 --> 00:19:47,400

comes out of the restroom and looking

468

00:19:52,789 --> 00:19:50,100

about five about seven no excuse me

469

00:19:54,190 --> 00:19:52,799

about five feet away I believe in the

470

00:19:57,350 --> 00:19:54,200

living room

471

00:19:59,750 --> 00:19:57,360

PCS that's foot and a half diameter gray

472

00:20:01,909 --> 00:19:59,760

blue sphere about five feet away from

473

00:20:05,270 --> 00:20:01,919

her now it's one of those older homes

474

00:20:08,029 --> 00:20:05,280

has a very tall very high ceiling and

475

00:20:10,430 --> 00:20:08,039

this thing's about seven feet above the

476
00:20:13,370 --> 00:20:10,440
head of the witness but it's about five

477
00:20:15,409 --> 00:20:13,380
feet away it's perfectly round inside

478
00:20:17,870 --> 00:20:15,419
the house again the deep blue color

479
00:20:20,390 --> 00:20:17,880
inside of that sphere looks like a

480
00:20:22,010 --> 00:20:20,400
swirling mass of the great color teach

481
00:20:23,630 --> 00:20:22,020
how to look like when those old lava

482
00:20:25,970 --> 00:20:23,640
lamps the way is moving around there was

483
00:20:28,490 --> 00:20:25,980
no sound from it she remembers taking

484
00:20:30,350 --> 00:20:28,500
one step towards it and then this is

485
00:20:32,450 --> 00:20:30,360
interesting she thought a tingling

486
00:20:34,549 --> 00:20:32,460
sensation she used to have it was like a

487
00:20:36,650 --> 00:20:34,559
pretty short electricity like you get

488
00:20:38,330 --> 00:20:36,660

when you touch an electric fence which I

489

00:20:40,610 --> 00:20:38,340

recall having done that over my

490

00:20:43,130 --> 00:20:40,620

investigations over the years and she

491

00:20:46,970 --> 00:20:43,140

said she looked at it and after about 10

492

00:20:50,029 --> 00:20:46,980

seconds she became very sleepy and she

493

00:20:52,010 --> 00:20:50,039

said it was so weird like why didn't she

494

00:20:53,630 --> 00:20:52,020

keep watching for whatever reason she

495

00:20:55,310 --> 00:20:53,640

went and went right in the bed to lay

496

00:20:57,950 --> 00:20:55,320

down out and it quickly went to sleep

497

00:21:00,590 --> 00:20:57,960

and she said that is not normal for me

498

00:21:02,930 --> 00:21:00,600

she said I'm an insomniac takes me hours

499

00:21:05,390 --> 00:21:02,940

to fall asleep when she awakened the

500

00:21:07,430 --> 00:21:05,400

next morning she was very groggiest

501
00:21:09,529 --> 00:21:07,440
luggish the whole next afternoon

502
00:21:12,049 --> 00:21:09,539
so here's two interesting case with

503
00:21:14,210 --> 00:21:12,059
various similar physiological effects

504
00:21:15,289 --> 00:21:14,220
reported by the people with these small

505
00:21:18,049 --> 00:21:15,299
spear

506
00:21:19,789 --> 00:21:18,059
and uh and again and some really

507
00:21:22,190 --> 00:21:19,799
interesting they put reports to coming

508
00:21:24,409 --> 00:21:22,200
in I'm looking into them one was the

509
00:21:26,450 --> 00:21:24,419
very interesting one happened the day

510
00:21:28,909 --> 00:21:26,460
after that happened but up and outside

511
00:21:30,710 --> 00:21:28,919
in the Pittsburgh area and I'm still

512
00:21:33,770 --> 00:21:30,720
trying to obtaining some more detail it

513
00:21:36,890 --> 00:21:33,780

was a very close range very detailed

514

00:21:39,890 --> 00:21:36,900

Bigfoot encounter with two witnesses and

515

00:21:42,590 --> 00:21:39,900

it's just on and on and on the reports

516

00:21:44,690 --> 00:21:42,600

coming in as recent as last night and

517

00:21:46,730 --> 00:21:44,700

just a lot of mysterious things

518

00:21:48,010 --> 00:21:46,740

happening

519

00:21:51,529 --> 00:21:48,020

wow

520

00:21:55,310 --> 00:21:51,539

well you know it doesn't surprise me I

521

00:21:57,230 --> 00:21:55,320

mean you you know we've had some

522

00:21:59,570 --> 00:21:57,240

we've had some pretty LAX years

523

00:22:01,730 --> 00:21:59,580

especially during covet though we did

524

00:22:04,310 --> 00:22:01,740

still get reports but all of a sudden it

525

00:22:06,169 --> 00:22:04,320

seems like this year it's just the way

526

00:22:09,289 --> 00:22:06,179

things feel I mean we're getting stuff

527

00:22:11,750 --> 00:22:09,299

around here as well so um

528

00:22:14,690 --> 00:22:11,760

you know I'm not really surprised I

529

00:22:20,210 --> 00:22:17,090

give you another really interesting

530

00:22:22,789 --> 00:22:20,220

uh daylight encounter with one of these

531

00:22:25,610 --> 00:22:22,799

spheres from April 6th uh Again Jim

532

00:22:27,970 --> 00:22:25,620

Brown Report from Fayette County so this

533

00:22:31,190 --> 00:22:27,980

is a a very nice day

534

00:22:34,010 --> 00:22:31,200

some cloud cover dry no rain in the

535

00:22:35,029 --> 00:22:34,020

forecast wind mostly calm and it's

536

00:22:36,890 --> 00:22:35,039

around three o'clock in the afternoon

537

00:22:39,710 --> 00:22:36,900

husband and wife are out in their yard

538

00:22:41,630 --> 00:22:39,720

doing some yard work doing some digging

539

00:22:44,630 --> 00:22:41,640

when they noticed about 50 feet away

540

00:22:47,330 --> 00:22:44,640

they see this round silver object about

541

00:22:48,950 --> 00:22:47,340

two feet in diameter slowly moving

542

00:22:50,750 --> 00:22:48,960

drifting in their Direction about 10

543

00:22:52,789 --> 00:22:50,760

feet above the fence line

544

00:22:55,130 --> 00:22:52,799

the first thought was was a mylar

545

00:22:57,289 --> 00:22:55,140

balloon but that's getting closer to

546

00:22:59,330 --> 00:22:57,299

them they realize this was not a balloon

547

00:23:01,130 --> 00:22:59,340

and this object is getting brighter and

548

00:23:03,950 --> 00:23:01,140

brighter in illumination

549

00:23:06,350 --> 00:23:03,960

it gets very close to them

550

00:23:09,289 --> 00:23:06,360

all of a sudden

551
00:23:11,270 --> 00:23:09,299
um it like explodes but there was no

552
00:23:15,049 --> 00:23:11,280
sound oh well excuse me it was it was

553
00:23:17,570 --> 00:23:15,059
like a small lightning bolt that shot uh

554
00:23:19,730 --> 00:23:17,580
from the object to the ground the

555
00:23:22,909 --> 00:23:19,740
explosive sound was like a stab of small

556
00:23:25,310 --> 00:23:22,919
firecracker like a snap like a spark the

557
00:23:27,110 --> 00:23:25,320
spark started a small fire in on the

558
00:23:29,210 --> 00:23:27,120
field the man immediately put it out

559
00:23:30,770 --> 00:23:29,220
with a shovel they noticed about a

560
00:23:32,450 --> 00:23:30,780
hundred feet away Along the path it came

561
00:23:35,210 --> 00:23:32,460
there was another small fire they put

562
00:23:37,490 --> 00:23:35,220
out as well so Jim Brown who's a very

563
00:23:39,169 --> 00:23:37,500

high tech guy with a lot of equipment he

564

00:23:41,810 --> 00:23:39,179

got on the scene there I believe within

565

00:23:44,630 --> 00:23:41,820

45 minutes and he's checked over the

566

00:23:47,690 --> 00:23:44,640

whole area and he was just surprised at

567

00:23:49,190 --> 00:23:47,700

one there's no residue whatsoever had it

568

00:23:50,690 --> 00:23:49,200

been in my lower balloon or a

569

00:23:52,430 --> 00:23:50,700

firecracker though shouldn't have been a

570

00:23:54,590 --> 00:23:52,440

lot of debris there was absolutely

571

00:23:58,310 --> 00:23:54,600

nothing there that's just the kind of

572

00:24:01,370 --> 00:23:58,320

things that are going on hmm

573

00:24:03,950 --> 00:24:01,380

dude um you know I mentioned earlier

574

00:24:06,470 --> 00:24:03,960

about uh Eric and uh what was going on

575

00:24:09,010 --> 00:24:06,480

up during the ridge have they resolved

576

00:24:14,149 --> 00:24:11,810

uh well they have not come up with an

577

00:24:15,169 --> 00:24:14,159

explanation and they've got an area

578

00:24:17,750 --> 00:24:15,179

where

579

00:24:19,250 --> 00:24:17,760

uh one Fayette County that's the area I

580

00:24:22,370 --> 00:24:19,260

believe they're calling Airy X right now

581

00:24:23,990 --> 00:24:22,380

which is not this closed location I I

582

00:24:26,390 --> 00:24:24,000

think you and I've talked about this can

583

00:24:30,350 --> 00:24:26,400

I again I started noticing some of these

584

00:24:32,750 --> 00:24:30,360

particular areas back in the 70s and

585

00:24:35,810 --> 00:24:32,760

More in more recent years

586

00:24:38,570 --> 00:24:35,820

well we're at certain locations where

587

00:24:39,590 --> 00:24:38,580

for whatever it is this phenomena seems

588

00:24:41,690 --> 00:24:39,600

to Target

589

00:24:44,210 --> 00:24:41,700

uh certain geographical occasions

590

00:24:47,090 --> 00:24:44,220

certain properties some of them have had

591

00:24:49,250 --> 00:24:47,100

a long history of paranormal experiences

592

00:24:52,970 --> 00:24:49,260

and people hearing screams in the house

593

00:24:56,149 --> 00:24:52,980

and seeing Bigfoot or cryptos or UFOs

594

00:24:59,750 --> 00:24:56,159

and um so that's fascinating but I'm

595

00:25:01,669 --> 00:24:59,760

aware of one area uh up in the New York

596

00:25:03,409 --> 00:25:01,679

PA border where there's been a lot of

597

00:25:05,630 --> 00:25:03,419

ongoing activity which they can only

598

00:25:07,130 --> 00:25:05,640

have some very good video of some of

599

00:25:09,350 --> 00:25:07,140

these most views of white below the

600

00:25:10,730 --> 00:25:09,360

ground but they have a whole history of

601
00:25:13,250 --> 00:25:10,740
all kinds of things up there with

602
00:25:14,750 --> 00:25:13,260
Bigfoot sightings and all kind of

603
00:25:17,090 --> 00:25:14,760
mysterious events going out there as

604
00:25:18,830 --> 00:25:17,100
well and there's other areas we know up

605
00:25:20,930 --> 00:25:18,840
here in Pennsylvania where there's a

606
00:25:24,950 --> 00:25:20,940
history as well but this is kind of a

607
00:25:27,409 --> 00:25:24,960
newer active area now and again I I've

608
00:25:29,870 --> 00:25:27,419
been receiving reports from other people

609
00:25:31,909 --> 00:25:29,880
very close to that area about about the

610
00:25:33,289 --> 00:25:31,919
Spheres these people have no idea about

611
00:25:36,110 --> 00:25:33,299
this other location

612
00:25:37,909 --> 00:25:36,120
and um it's not just one area where

613
00:25:39,950 --> 00:25:37,919

these reports are coming in I'm getting

614

00:25:41,090 --> 00:25:39,960

widespread reports from different parts

615

00:25:42,529 --> 00:25:41,100

of the state

616

00:25:44,930 --> 00:25:42,539

a lot over here in Southwest

617

00:25:48,110 --> 00:25:44,940

Pennsylvania and around the Greater

618

00:25:49,909 --> 00:25:48,120

Pittsburgh area and and again a lot of

619

00:25:52,430 --> 00:25:49,919

these a lot of these are not just in

620

00:25:55,610 --> 00:25:52,440

wooded areas we're hearing reports from

621

00:25:57,590 --> 00:25:55,620

people who live in housing developments

622

00:25:59,450 --> 00:25:57,600

and they're having encounters as well be

623

00:26:01,490 --> 00:25:59,460

poured around a property in more

624

00:26:04,010 --> 00:26:01,500

populated areas

625

00:26:07,430 --> 00:26:04,020

interesting

626
00:26:09,590 --> 00:26:07,440
um we had a we had a strange trail cam

627
00:26:11,750 --> 00:26:09,600
photo that came I think I sent it to you

628
00:26:13,909 --> 00:26:11,760
from up on Laurel Mountain and I knew

629
00:26:16,370 --> 00:26:13,919
Laurel Mountain is notorious for having

630
00:26:20,149 --> 00:26:16,380
some weird stuff uh have you heard

631
00:26:28,430 --> 00:26:23,149
I I'm sorry I'm going to get cut out

632
00:26:30,950 --> 00:26:28,440
we we were having we had a an unusual

633
00:26:33,350 --> 00:26:30,960
um trail cam photo come from up in

634
00:26:35,630 --> 00:26:33,360
Laurel Mountain

635
00:26:37,549 --> 00:26:35,640
um and uh I know the area is notorious

636
00:26:44,390 --> 00:26:37,559
for a lot of strange activity have you

637
00:26:49,970 --> 00:26:47,330
take a look at your map of Western PA so

638
00:26:52,070 --> 00:26:49,980

you've got the Chestnut Ridge and then

639

00:26:55,909 --> 00:26:52,080

just a short distance away you've got

640

00:26:59,110 --> 00:26:55,919

the Laurel Ridge right so now so in the

641

00:27:02,269 --> 00:26:59,120

Chestnut Ridge area that area basically

642

00:27:05,090 --> 00:27:02,279

encompasses Westmoreland Fayette Indiana

643

00:27:07,370 --> 00:27:05,100

county and Southwest PA that extends

644

00:27:09,730 --> 00:27:07,380

down to a few miles outside of uh

645

00:27:12,890 --> 00:27:09,740

Morgantown West Virginia Preston County

646

00:27:14,510 --> 00:27:12,900

the westmorel or Fayette areas is very

647

00:27:16,789 --> 00:27:14,520

active and then you go to Laurel Ridge

648

00:27:19,850 --> 00:27:16,799

so you're looking at like Westmoreland

649

00:27:21,590 --> 00:27:19,860

Fayette Somerset counties and and then

650

00:27:23,930 --> 00:27:21,600

we'll go into Cambria which is very

651
00:27:26,269 --> 00:27:23,940
active right now too so yeah we've been

652
00:27:28,370 --> 00:27:26,279
getting a lot of reports

653
00:27:29,930 --> 00:27:28,380
um and again that incident I just talked

654
00:27:31,610 --> 00:27:29,940
about where the small sphere was inside

655
00:27:32,450 --> 00:27:31,620
the home that is in the Laurel Ridge

656
00:27:34,850 --> 00:27:32,460
area

657
00:27:36,350 --> 00:27:34,860
and uh that was again just some recent

658
00:27:38,750 --> 00:27:36,360
voice other people were calling me about

659
00:27:43,130 --> 00:27:38,760
other things going on up there as well

660
00:27:45,169 --> 00:27:43,140
and um I can tell you this past April in

661
00:27:48,110 --> 00:27:45,179
the afternoon so we're talking outside

662
00:27:50,450 --> 00:27:48,120
of Ligonier now so very close to those

663
00:27:53,269 --> 00:27:50,460

same areas and I never put the

664

00:27:55,490 --> 00:27:53,279

description out but we did receive

665

00:27:59,630 --> 00:27:55,500

independent confirmation that afternoon

666

00:28:02,210 --> 00:27:59,640

a beautiful day of a huge solid metallic

667

00:28:04,549 --> 00:28:02,220

object but multiple lights on a hovering

668

00:28:06,649 --> 00:28:04,559

right on top of the trees

669

00:28:08,029 --> 00:28:06,659

um not far off of Route 30 which is one

670

00:28:11,330 --> 00:28:08,039

of the main highways going through there

671

00:28:13,490 --> 00:28:11,340

right what's going on as well I've had

672

00:28:16,370 --> 00:28:13,500

other UFO cases being reported from that

673

00:28:18,470 --> 00:28:16,380

same general area uh in recent weeks as

674

00:28:20,210 --> 00:28:18,480

well again a lot of reports of these

675

00:28:22,370 --> 00:28:20,220

cigar-shaped objects being reported

676

00:28:25,250 --> 00:28:22,380

around the area even in daylight

677

00:28:27,289 --> 00:28:25,260

again don't accelerate and go into the

678

00:28:30,049 --> 00:28:27,299

sky they just physically vanish and

679

00:28:32,090 --> 00:28:30,059

disappear and then also on I believe was

680

00:28:34,190 --> 00:28:32,100

May 14th you get on my website and see

681

00:28:36,409 --> 00:28:34,200

the picture it was a very interesting

682

00:28:39,049 --> 00:28:36,419

photograph taken in the afternoon from

683

00:28:42,649 --> 00:28:39,059

Latrobe looking towards the Chestnut

684

00:28:44,450 --> 00:28:42,659

Ridge towards Ligonier of this kind of

685

00:28:47,149 --> 00:28:44,460

um well you take a look at the picture

686

00:28:48,649 --> 00:28:47,159

it is a very well-defined object that

687

00:28:50,630 --> 00:28:48,659

we've never been able to come up with a

688

00:28:52,130 --> 00:28:50,640

good explanation for

689

00:28:55,610 --> 00:28:52,140

hmm

690

00:28:57,590 --> 00:28:55,620

Yeah you mentioned Cambria County yeah

691

00:28:59,390 --> 00:28:57,600

we're we're looking into an area with

692

00:29:02,029 --> 00:28:59,400

that had a cryptic canine possible

693

00:29:05,390 --> 00:29:02,039

cryptic canine sighting earlier this

694

00:29:07,730 --> 00:29:05,400

year uh I posted a report the other day

695

00:29:11,149 --> 00:29:07,740

but uh you know notoriously up around

696

00:29:14,090 --> 00:29:11,159

Wilmore around Ebensburg and then down

697

00:29:15,649 --> 00:29:14,100

into Portage we've been having we've

698

00:29:18,590 --> 00:29:15,659

been having a lot of cryptic canine

699

00:29:21,950 --> 00:29:18,600

reports in that area

700

00:29:24,470 --> 00:29:21,960

okay so that's interesting because I've

701
00:29:26,210 --> 00:29:24,480
been getting multiple reports for the

702
00:29:29,510 --> 00:29:26,220
last two years and this year and in the

703
00:29:31,549 --> 00:29:29,520
last few weeks of a lot of activity a

704
00:29:32,810 --> 00:29:31,559
lot of strange activity from Black

705
00:29:35,810 --> 00:29:32,820
Panthers

706
00:29:39,049 --> 00:29:35,820
to I believe one of the I I know there's

707
00:29:41,090 --> 00:29:39,059
been other Cryptid reports spheres many

708
00:29:43,130 --> 00:29:41,100
many reports of these small spheres of

709
00:29:44,990 --> 00:29:43,140
Light low to the ground as recent as

710
00:29:47,510 --> 00:29:45,000
last night

711
00:29:49,370 --> 00:29:47,520
um yeah there's so much strange things

712
00:29:51,470 --> 00:29:49,380
going online I can't even begin to tell

713
00:29:53,029 --> 00:29:51,480

you what's been going on I'm just trying

714

00:29:55,610 --> 00:29:53,039

to look through my pages here and just

715

00:29:57,230 --> 00:29:55,620

try to uh find some things to tell you

716

00:29:59,630 --> 00:29:57,240

about I'm going to tell you about one is

717

00:30:03,529 --> 00:29:59,640

really interesting if I can find this

718

00:30:05,269 --> 00:30:03,539

page here uh of these recent cases and

719

00:30:07,909 --> 00:30:05,279

this is um

720

00:30:10,029 --> 00:30:07,919

and we go into October because I know

721

00:30:13,190 --> 00:30:10,039

that's where some of this is going to be

722

00:30:15,350 --> 00:30:13,200

and it's not again just your some of

723

00:30:18,710 --> 00:30:15,360

these standardized reports some of this

724

00:30:20,330 --> 00:30:18,720

stuff is getting even more bizarre and I

725

00:30:22,789 --> 00:30:20,340

should be getting to this year pretty

726

00:30:24,470 --> 00:30:22,799

quickly and I'm open

727

00:30:26,810 --> 00:30:24,480

um yeah and again I'm looking here for

728

00:30:29,930 --> 00:30:26,820

other sightings uh and yes there was

729

00:30:31,570 --> 00:30:29,940

another Bigfoot sighting reported this

730

00:30:33,710 --> 00:30:31,580

would be up in

731

00:30:37,310 --> 00:30:33,720

Cambria County

732

00:30:40,070 --> 00:30:37,320

uh early October this year

733

00:30:42,889 --> 00:30:40,080

um people on vehicles observe a Bigfoot

734

00:30:45,049 --> 00:30:42,899

uh at least seven foot tall arms were

735

00:30:46,850 --> 00:30:45,059

down had dark black matted hair grows

736

00:30:48,529 --> 00:30:46,860

no smell

737

00:30:51,590 --> 00:30:48,539

um that's being looked into that was

738

00:30:56,149 --> 00:30:51,600

just up in that area as well what's the

739

00:31:02,630 --> 00:30:56,159

general location in uh Cambria

740

00:31:09,710 --> 00:31:03,830

okay

741

00:31:12,110 --> 00:31:09,720

about just some of the weirdness that's

742

00:31:15,350 --> 00:31:12,120

being reported this was uh up in Cambria

743

00:31:16,010 --> 00:31:15,360

County this is early October

744

00:31:17,870 --> 00:31:16,020

um

745

00:31:20,630 --> 00:31:17,880

there's many history of things going on

746

00:31:24,289 --> 00:31:20,640

in this area but what's interesting is

747

00:31:26,269 --> 00:31:24,299

other people are reporting some and

748

00:31:29,630 --> 00:31:26,279

confirming some of these reports from it

749

00:31:32,930 --> 00:31:29,640

from this area as well so anyhow

750

00:31:36,470 --> 00:31:32,940

uh in this rural area or in the evening

751
00:31:39,830 --> 00:31:36,480
there's a tree about 150 feet high about

752
00:31:42,529 --> 00:31:39,840
about 75 feet above the ground Witnesses

753
00:31:44,230 --> 00:31:42,539
a pale orange Mist appear looks like a

754
00:31:46,430 --> 00:31:44,240
large blob that came down to the ground

755
00:31:48,289 --> 00:31:46,440
suddenly the Mist turned to a white

756
00:31:50,389 --> 00:31:48,299
figure that was taller than a human and

757
00:31:53,149 --> 00:31:50,399
very slim you can see a possibly happen

758
00:31:55,190 --> 00:31:53,159
to arms or legs look somewhere like a uh

759
00:31:57,110 --> 00:31:55,200
some kind of a figure than two more

760
00:31:59,149 --> 00:31:57,120
smaller white figures also appeared

761
00:32:01,130 --> 00:31:59,159
behind him a small white ball appeared

762
00:32:03,169 --> 00:32:01,140
to be about the size of baseball

763
00:32:04,490 --> 00:32:03,179

it went from Winter to wind and you can

764

00:32:06,049 --> 00:32:04,500

still see it and after about four

765

00:32:09,409 --> 00:32:06,059

minutes all the anomalies says

766

00:32:10,730 --> 00:32:09,419

management sites hmm

767

00:32:13,669 --> 00:32:10,740

it's just

768

00:32:17,649 --> 00:32:13,679

strangeness very very very strange

769

00:32:23,090 --> 00:32:21,350

yeah well you know it's it's kind of par

770

00:32:26,149 --> 00:32:23,100

for the course I mean we've been hearing

771

00:32:27,769 --> 00:32:26,159

a lot of weird stuff uh you know the

772

00:32:29,930 --> 00:32:27,779

investigators we've got here in

773

00:32:30,909 --> 00:32:29,940

Pennsylvania and it's we've got several

774

00:32:33,470 --> 00:32:30,919

now

775

00:32:35,769 --> 00:32:33,480

uh we've been hearing all over the state

776

00:32:38,029 --> 00:32:35,779

a lot of weird just really weird

777

00:32:41,269 --> 00:32:38,039

unexplained stuff

778

00:32:43,970 --> 00:32:41,279

um Jose asked a question could these

779

00:32:47,330 --> 00:32:43,980

ball orbs be more of a spiritual realm

780

00:32:50,330 --> 00:32:47,340

than actually actual physical alien

781

00:32:51,889 --> 00:32:50,340

ships I I will say one thing I I believe

782

00:32:54,409 --> 00:32:51,899

a lot of it

783

00:32:57,350 --> 00:32:54,419

may actually be spiritual Realms a

784

00:33:00,230 --> 00:32:57,360

connection with these these Cryptids uh

785

00:33:03,409 --> 00:33:00,240

what what are your thoughts on that Stan

786

00:33:07,370 --> 00:33:04,909

what's going on I don't think anybody

787

00:33:10,669 --> 00:33:07,380

does it and again you know some of these

788

00:33:12,470 --> 00:33:10,679

reports I'm not always just luminous uh

789

00:33:15,049 --> 00:33:12,480

objects and they're not always fearful

790

00:33:16,130 --> 00:33:15,059

many times they are but sometimes they

791

00:33:18,230 --> 00:33:16,140

are not sometimes there's other

792

00:33:19,990 --> 00:33:18,240

complications being reported and some of

793

00:33:22,669 --> 00:33:20,000

them tend to be solid metallic looking

794

00:33:24,649 --> 00:33:22,679

but uh and again you know when I talk

795

00:33:26,630 --> 00:33:24,659

about these reports of these spheres of

796

00:33:29,090 --> 00:33:26,640

light associated with some of the UFO

797

00:33:32,509 --> 00:33:29,100

sightings over the years or Bigfoot and

798

00:33:33,950 --> 00:33:32,519

UFOs once again I'm stressing this I am

799

00:33:35,810 --> 00:33:33,960

not suggesting these things are

800

00:33:38,389 --> 00:33:35,820

extraterrestrial from another planet

801
00:33:40,610 --> 00:33:38,399
right or I know what we're dealing with

802
00:33:42,649 --> 00:33:40,620
with Bigfoot and some other cryptic

803
00:33:44,690 --> 00:33:42,659
and some of these other ongoing things

804
00:33:47,450 --> 00:33:44,700
we're dealing with there's a physical

805
00:33:49,310 --> 00:33:47,460
and a non-physical aspect to it

806
00:33:52,370 --> 00:33:49,320
for a lack of a better term I'll call it

807
00:33:54,230 --> 00:33:52,380
interdimensional right and you know what

808
00:33:55,250 --> 00:33:54,240
it is we just don't know or understand I

809
00:33:57,049 --> 00:33:55,260
I think we're dealing with something

810
00:33:59,029 --> 00:33:57,059
that won't be under pressure scientific

811
00:34:01,430 --> 00:33:59,039
understanding or a lot of it makes

812
00:34:03,950 --> 00:34:01,440
absolutely no sense at all I mean

813
00:34:07,130 --> 00:34:03,960

there's similarities there's patterns to

814

00:34:09,290 --> 00:34:07,140

some of these things going on but it is

815

00:34:11,869 --> 00:34:09,300

so beyond our comprehension right now to

816

00:34:14,329 --> 00:34:11,879

figure out what's going on and why we're

817

00:34:16,490 --> 00:34:14,339

seeing this increase in these close

818

00:34:18,889 --> 00:34:16,500

encounter reports of these small objects

819

00:34:20,810 --> 00:34:18,899

even in daylight coming very close to

820

00:34:22,609 --> 00:34:20,820

people I mean that's something that's

821

00:34:25,849 --> 00:34:22,619

just really amazing what's happening

822

00:34:27,710 --> 00:34:25,859

yeah I know I know and like I said even

823

00:34:29,530 --> 00:34:27,720

I mean all around the country we're

824

00:34:33,349 --> 00:34:29,540

getting more I'm getting more and more

825

00:34:36,109 --> 00:34:33,359

of these uh these Bigfoot orb settings

826

00:34:39,649 --> 00:34:36,119

that are closer to witnesses witnesses

827

00:34:42,109 --> 00:34:39,659

have seen these creatures uh interact

828

00:34:44,690 --> 00:34:42,119

with them as well it's strange

829

00:34:47,329 --> 00:34:44,700

um Mothman 46 as standard you receive

830

00:34:48,109 --> 00:34:47,339

any pterodactyl like sightings on the

831

00:34:50,810 --> 00:34:48,119

ridge

832

00:34:53,149 --> 00:34:50,820

I mean even that or Thunderbird you've

833

00:34:56,990 --> 00:34:53,159

been hearing anything with wind

834

00:34:57,000 --> 00:35:04,250

um I

835

00:35:07,910 --> 00:35:05,570

I right

836

00:35:09,410 --> 00:35:07,920

I can't think of any up on the ridge

837

00:35:11,690 --> 00:35:09,420

recently

838

00:35:13,790 --> 00:35:11,700

uh there was a very good sighting and

839

00:35:15,650 --> 00:35:13,800

Eric and I looked into I believe was

840

00:35:18,290 --> 00:35:15,660

April this year outside of Delmont

841

00:35:20,510 --> 00:35:18,300

Pennsylvania where some people in a

842

00:35:22,250 --> 00:35:20,520

rural area had experienced something and

843

00:35:24,290 --> 00:35:22,260

one witness got a really good look of

844

00:35:26,990 --> 00:35:24,300

this huge flying creature right over top

845

00:35:28,910 --> 00:35:27,000

of his head I believe the es made around

846

00:35:31,730 --> 00:35:28,920

a 15-foot wingspan

847

00:35:35,150 --> 00:35:31,740

uh we've heard some other elect reports

848

00:35:36,650 --> 00:35:35,160

uh in recent months but we get those

849

00:35:38,329 --> 00:35:36,660

reports here at the end there was a

850

00:35:39,589 --> 00:35:38,339

number of very interesting cases last

851
00:35:42,650 --> 00:35:39,599
year in the area

852
00:35:44,569 --> 00:35:42,660
and um so these are going on too but the

853
00:35:46,849 --> 00:35:44,579
Black Panther reports we've had several

854
00:35:49,490 --> 00:35:46,859
of them this year already and you know I

855
00:35:51,589 --> 00:35:49,500
found that interesting tie-in

856
00:35:53,930 --> 00:35:51,599
over the years with Bigfoot and UFOs

857
00:35:56,569 --> 00:35:53,940
especially and some of those repeat

858
00:35:58,430 --> 00:35:56,579
areas where you have these ongoing

859
00:36:00,230 --> 00:35:58,440
things taking place

860
00:36:04,010 --> 00:36:00,240
and um

861
00:36:07,010 --> 00:36:04,020
back in I believe the summer of 1979.

862
00:36:09,410 --> 00:36:07,020
on the border of Westmoreland and

863
00:36:11,569 --> 00:36:09,420

Armstrong County

864

00:36:13,790 --> 00:36:11,579

some very strange things began to happen

865

00:36:16,310 --> 00:36:13,800

in that area after an object fell from

866

00:36:19,250 --> 00:36:16,320

the sky went after to a field and the

867

00:36:22,310 --> 00:36:19,260

locals began report screams and howls

868

00:36:23,770 --> 00:36:22,320

and uh Bigfoot activity but it was

869

00:36:27,170 --> 00:36:23,780

uh

870

00:36:29,329 --> 00:36:27,180

1981 and 82 I believe when things really

871

00:36:32,510 --> 00:36:29,339

began to testify in that area when

872

00:36:35,569 --> 00:36:32,520

numerous people began to report UFOs and

873

00:36:38,510 --> 00:36:35,579

screams and paranormal phenomena strange

874

00:36:41,990 --> 00:36:38,520

Footprints the Spheres of white below

875

00:36:44,150 --> 00:36:42,000

the ground the orbs a Bigfoot activity

876

00:36:46,730 --> 00:36:44,160

but at the same time black panther

877

00:36:49,190 --> 00:36:46,740

activity going on I mean this was such a

878

00:36:51,829 --> 00:36:49,200

big deal back at that time

879

00:36:53,630 --> 00:36:51,839

won the big TV station Pittsburgh did a

880

00:36:56,270 --> 00:36:53,640

special report on it and one of the big

881

00:36:58,250 --> 00:36:56,280

papers did a very serious story about it

882

00:37:00,470 --> 00:36:58,260

and

883

00:37:01,609 --> 00:37:00,480

as you recall on you know I talk about

884

00:37:03,470 --> 00:37:01,619

these black

885

00:37:06,829 --> 00:37:03,480

s for years and years in Pennsylvania

886

00:37:08,870 --> 00:37:06,839

we're not talking about mountain lions

887

00:37:11,569 --> 00:37:08,880

or cougars or Panthers which of course

888

00:37:13,370 --> 00:37:11,579

we all know they're out there they were

889

00:37:16,010 --> 00:37:13,380

in Pennsylvania for years and years I

890

00:37:17,810 --> 00:37:16,020

mean officially they're extirpated but

891

00:37:19,670 --> 00:37:17,820

people were seeing them year after year

892

00:37:22,370 --> 00:37:19,680

but they were not talking about

893

00:37:23,450 --> 00:37:22,380

connecting that with black panthers you

894

00:37:25,670 --> 00:37:23,460

know what we're talking about the Black

895

00:37:27,410 --> 00:37:25,680

Panther reports people are talking about

896

00:37:30,230 --> 00:37:27,420

seeing what they believe to be a black

897

00:37:31,550 --> 00:37:30,240

leopard or black jaguar somewhere what

898

00:37:33,410 --> 00:37:31,560

you would be seeing in other parts of

899

00:37:35,510 --> 00:37:33,420

the world not around here they've been

900

00:37:38,990 --> 00:37:35,520

seeing them for years and years yeah oh

901
00:37:41,690 --> 00:37:39,000
yeah I know I know and and I had that

902
00:37:45,650 --> 00:37:41,700
one very bizarre case

903
00:37:48,470 --> 00:37:45,660
back in February I believe it was 83 up

904
00:37:50,930 --> 00:37:48,480
in Fayette County that was the case it

905
00:37:52,430 --> 00:37:50,940
convinced me among some others I

906
00:37:55,490 --> 00:37:52,440
investigated I get into some of these in

907
00:37:57,530 --> 00:37:55,500
my in my recent book that there's more

908
00:37:59,690 --> 00:37:57,540
to the Black Panther phenomenon as well

909
00:38:02,270 --> 00:37:59,700
now I'll tell you the story because it's

910
00:38:04,910 --> 00:38:02,280
such an interesting one yeah February of

911
00:38:06,349 --> 00:38:04,920
83 the very cold morning the sky's

912
00:38:08,930 --> 00:38:06,359
coming home around one o'clock in the

913
00:38:10,849 --> 00:38:08,940

morning his car is overheating

914

00:38:12,530 --> 00:38:10,859

it wasn't through this driveway opens

915

00:38:15,410 --> 00:38:12,540

the garage door goes there to get the

916

00:38:16,609 --> 00:38:15,420

Canon antifreeze putting antifreeze in

917

00:38:19,550 --> 00:38:16,619

his vehicle

918

00:38:20,270 --> 00:38:19,560

and a few minutes later here's a plowed

919

00:38:22,250 --> 00:38:20,280

ground

920

00:38:24,710 --> 00:38:22,260

so he turns around about 20 feet away

921

00:38:26,210 --> 00:38:24,720

his is large black

922

00:38:27,829 --> 00:38:26,220

cat

923

00:38:29,150 --> 00:38:27,839

sitting there growling at him and he

924

00:38:30,589 --> 00:38:29,160

didn't think too much of it because he's

925

00:38:32,690 --> 00:38:30,599

out in the country and they're there's

926

00:38:34,069 --> 00:38:32,700

cats around so he goes back to putting

927

00:38:36,410 --> 00:38:34,079

more antifreeze in the car in a few

928

00:38:39,470 --> 00:38:36,420

minutes later he hears an even louder

929

00:38:42,770 --> 00:38:39,480

growl and he turns around the roof and

930

00:38:45,349 --> 00:38:42,780

this time he is very shaken because this

931

00:38:47,569 --> 00:38:45,359

large black house cat has now physically

932

00:38:52,490 --> 00:38:47,579

grown to twice its size

933

00:38:54,650 --> 00:38:52,500

so we froze that empty uh can at it and

934

00:38:57,410 --> 00:38:54,660

uh it's ground at him fiercely and it

935

00:38:59,810 --> 00:38:57,420

turns around starts walking out out uh

936

00:39:01,910 --> 00:38:59,820

up to the front outside up the road

937

00:39:03,710 --> 00:39:01,920

where it's well illuminated he runs

938

00:39:05,510 --> 00:39:03,720

inside the garage to grab this pistol

939

00:39:08,750 --> 00:39:05,520

when he comes down a couple of minutes

940

00:39:11,089 --> 00:39:08,760

later here's a huge that big cat that's

941

00:39:12,950 --> 00:39:11,099

double its side but now it's even bigger

942

00:39:15,170 --> 00:39:12,960

and it looks just like a black panther

943

00:39:17,450 --> 00:39:15,180

he said like you see in the zoo it has

944

00:39:19,430 --> 00:39:17,460

glowing yellow eyes and it's staring at

945

00:39:21,650 --> 00:39:19,440

him and it's growling at him and he

946

00:39:23,810 --> 00:39:21,660

takes a shot at it he went to sure if he

947

00:39:25,370 --> 00:39:23,820

hit it but moments later it just

948

00:39:28,250 --> 00:39:25,380

physically vanished and disappeared

949

00:39:34,190 --> 00:39:32,510

you know I I I I know for a fact these

950

00:39:36,770 --> 00:39:34,200

black panther sightings these big black

951
00:39:39,470 --> 00:39:36,780
cats have been seen up on the ridge like

952
00:39:42,109 --> 00:39:39,480
I told you before we had I was up at

953
00:39:45,230 --> 00:39:42,119
Linden Hall up along the menager up

954
00:39:47,210 --> 00:39:45,240
along the yacht and uh that guy came

955
00:39:48,950 --> 00:39:47,220
round and then off the golf course

956
00:39:51,770 --> 00:39:48,960
telling us that he saw a black panther

957
00:39:53,329 --> 00:39:51,780
out there and I've had other reports up

958
00:39:55,849 --> 00:39:53,339
there as well so I know for a fact

959
00:39:58,069 --> 00:39:55,859
people are seeing them

960
00:40:00,050 --> 00:39:58,079
yeah and again it's been going on for

961
00:40:02,329 --> 00:40:00,060
years and years and you know it's just

962
00:40:04,490 --> 00:40:02,339
like all these other reports with the

963
00:40:06,230 --> 00:40:04,500

Bigfoot with the Thunderbirds what the

964

00:40:08,690 --> 00:40:06,240

outer Place animals like black panthers

965

00:40:09,829 --> 00:40:08,700

all these other strange creature reports

966

00:40:10,490 --> 00:40:09,839

were getting

967

00:40:12,470 --> 00:40:10,500

um

968

00:40:14,569 --> 00:40:12,480

oh you've got so many credible people

969

00:40:16,550 --> 00:40:14,579

see them who are reluctant to even tell

970

00:40:19,609 --> 00:40:16,560

you about it you've got patterns to it

971

00:40:21,410 --> 00:40:19,619

but you never find any bodies and these

972

00:40:23,089 --> 00:40:21,420

things again they they seem to come and

973

00:40:24,890 --> 00:40:23,099

they go you know with some of the

974

00:40:28,069 --> 00:40:24,900

Bigfoot reports I've had over the years

975

00:40:30,050 --> 00:40:28,079

A lot of them look physically solid but

976

00:40:32,569 --> 00:40:30,060

then I have people tell me that they're

977

00:40:34,069 --> 00:40:32,579

riding down the road and suddenly this

978

00:40:36,109 --> 00:40:34,079

huge hairy creature just suddenly

979

00:40:38,210 --> 00:40:36,119

appears out of nowhere they see it from

980

00:40:39,470 --> 00:40:38,220

head to toe they watch and walk and

981

00:40:41,810 --> 00:40:39,480

suddenly it's gone

982

00:40:43,609 --> 00:40:41,820

and then in some cases I have reports of

983

00:40:46,430 --> 00:40:43,619

these things where you've got a partial

984

00:40:49,730 --> 00:40:46,440

physically solid body but sometimes part

985

00:40:51,230 --> 00:40:49,740

of the body is kind of Misty or foggy or

986

00:40:53,870 --> 00:40:51,240

out of focus

987

00:40:56,329 --> 00:40:53,880

uh and then we had those wood reports

988

00:40:57,890 --> 00:40:56,339

back in the 70s where people were seeing

989

00:40:59,690 --> 00:40:57,900

this Bigfoot and daylight right there

990

00:41:02,089 --> 00:40:59,700

near them suddenly it physically

991

00:41:03,230 --> 00:41:02,099

vanishes and reappears a short distance

992

00:41:06,230 --> 00:41:03,240

away

993

00:41:07,370 --> 00:41:06,240

I mean it is it is so strange and so

994

00:41:10,069 --> 00:41:07,380

unusual

995

00:41:12,170 --> 00:41:10,079

and um to get more and more reports like

996

00:41:14,870 --> 00:41:12,180

this going on and again you know we talk

997

00:41:16,790 --> 00:41:14,880

about this a long time ago years ago and

998

00:41:19,010 --> 00:41:16,800

now all over the country you're getting

999

00:41:21,410 --> 00:41:19,020

similar reports and you know we're

1000

00:41:24,050 --> 00:41:21,420

talking about the cases with these small

1001
00:41:26,870 --> 00:41:24,060
Spears being reported in the Bigfoot but

1002
00:41:29,510 --> 00:41:26,880
here's an interesting case this was uh

1003
00:41:31,310 --> 00:41:29,520
in May of 2019 in a rural area outside

1004
00:41:33,950 --> 00:41:31,320
of Pittsburgh where in more recent years

1005
00:41:35,329 --> 00:41:33,960
various people reporting screams in the

1006
00:41:38,210 --> 00:41:35,339
house and where things from the same

1007
00:41:39,829 --> 00:41:38,220
area now so it's early morning the guy

1008
00:41:42,109 --> 00:41:39,839
was up have to look out his kitchen

1009
00:41:43,730 --> 00:41:42,119
window but his backyard is well

1010
00:41:45,589 --> 00:41:43,740
illuminated because near the woods you

1011
00:41:47,510 --> 00:41:45,599
can see everything well here's a smaller

1012
00:41:50,030 --> 00:41:47,520
Bigfoot four and a half to five feet

1013
00:41:52,430 --> 00:41:50,040

tall dark hair long hair and they head

1014

00:41:54,910 --> 00:41:52,440

in the back area walking upright armed

1015

00:41:58,069 --> 00:41:54,920

for extended almost down to the knees

1016

00:42:02,750 --> 00:41:58,079

and as he's watching this thing take a

1017

00:42:05,990 --> 00:42:02,760

long stride it's uh enters a wooded area

1018

00:42:09,050 --> 00:42:06,000

three seconds after it enters the wood

1019

00:42:10,550 --> 00:42:09,060

in that exact location a bright sphere

1020

00:42:12,950 --> 00:42:10,560

of light about three to four inches in

1021

00:42:14,510 --> 00:42:12,960

diameter suddenly appears he sounds

1022

00:42:16,190 --> 00:42:14,520

similar looking directly to the front of

1023

00:42:18,230 --> 00:42:16,200

a flashlight it's about four feet off

1024

00:42:20,390 --> 00:42:18,240

the ground the light then move the short

1025

00:42:23,030 --> 00:42:20,400

distance and vanishes a few seconds

1026
00:42:25,370 --> 00:42:23,040
later the light reappears about 10 feet

1027
00:42:28,130 --> 00:42:25,380
away but this time the small sphere

1028
00:42:30,710 --> 00:42:28,140
emits a bright beam of light that

1029
00:42:32,329 --> 00:42:30,720
extends up to about 10 to 12 feet and

1030
00:42:36,310 --> 00:42:32,339
then suddenly a few seconds later that

1031
00:42:41,510 --> 00:42:39,770
well yeah I mean that's that's pretty

1032
00:42:42,950 --> 00:42:41,520
close to the kind of stuff we're here as

1033
00:42:45,230 --> 00:42:42,960
well I mean

1034
00:42:47,210 --> 00:42:45,240
uh

1035
00:42:49,250 --> 00:42:47,220
jeez

1036
00:42:50,930 --> 00:42:49,260
um let me ask you this

1037
00:42:53,750 --> 00:42:50,940
um

1038
00:42:55,609 --> 00:42:53,760

we we have had a lot of strange reports

1039

00:42:57,290 --> 00:42:55,619

coming out of Greene County

1040

00:43:02,089 --> 00:42:57,300

have you heard anything down that way

1041

00:43:06,069 --> 00:43:04,190

I get another there's a research that I

1042

00:43:08,630 --> 00:43:06,079

know pretty well named Kevin Paul

1043

00:43:10,430 --> 00:43:08,640

number up in that area up in Greene

1044

00:43:12,589 --> 00:43:10,440

County I know I talked to him I think

1045

00:43:14,510 --> 00:43:12,599

yesterday before and he said he's

1046

00:43:18,770 --> 00:43:14,520

getting uh apparently at some increase

1047

00:43:22,490 --> 00:43:18,780

in some paranormal type of activity but

1048

00:43:24,050 --> 00:43:22,500

not so much um with UFOs or Bigfoot that

1049

00:43:26,390 --> 00:43:24,060

I'm aware of now I've heard some reports

1050

00:43:28,190 --> 00:43:26,400

in the last few years of some activity

1051
00:43:30,650 --> 00:43:28,200
up there but again the surrounding

1052
00:43:32,450 --> 00:43:30,660
counties you know outside of there uh

1053
00:43:35,089 --> 00:43:32,460
you know there's uh Cambria and

1054
00:43:36,589 --> 00:43:35,099
Allegheny and Butler and a lot of these

1055
00:43:38,809 --> 00:43:36,599
areas here in the southwest via where

1056
00:43:41,569 --> 00:43:38,819
we're getting reports right

1057
00:43:43,970 --> 00:43:41,579
um you know the whole point is this even

1058
00:43:45,710 --> 00:43:43,980
though we're not hearing it very

1059
00:43:47,210 --> 00:43:45,720
possible things are going on because I'm

1060
00:43:49,190 --> 00:43:47,220
getting a lot of reports from people

1061
00:43:51,589 --> 00:43:49,200
who've had these things going on for

1062
00:43:53,150 --> 00:43:51,599
weeks and months we're reluctant to tell

1063
00:43:55,309 --> 00:43:53,160

anybody and none of these people made a

1064

00:43:56,809 --> 00:43:55,319

report so it's really hard to say how

1065

00:43:58,609 --> 00:43:56,819

much this is really going

1066

00:44:00,410 --> 00:43:58,619

right

1067

00:44:04,130 --> 00:44:00,420

have

1068

00:44:06,950 --> 00:44:04,140

recently

1069

00:44:11,270 --> 00:44:06,960

have felt threatened by any of the

1070

00:44:16,790 --> 00:44:14,210

um not really I mean with a lot of

1071

00:44:19,430 --> 00:44:16,800

Bigfoot sightings now for years of the

1072

00:44:21,890 --> 00:44:19,440

hundreds of the cases I've investigated

1073

00:44:23,290 --> 00:44:21,900

includes many daylight sightings many a

1074

00:44:25,790 --> 00:44:23,300

very close range

1075

00:44:27,530 --> 00:44:25,800

these objects always seem cure as a

1076

00:44:29,990 --> 00:44:27,540

human activity

1077

00:44:32,089 --> 00:44:30,000

but for them to go after somebody and

1078

00:44:34,309 --> 00:44:32,099

physically hurt them I just don't have

1079

00:44:36,650 --> 00:44:34,319

those kind of reports now yes in some

1080

00:44:38,630 --> 00:44:36,660

cases they'll throw some pretty

1081

00:44:40,910 --> 00:44:38,640

good-sized rocks like small Borders or

1082

00:44:43,970 --> 00:44:40,920

branches towards people have to scare

1083

00:44:47,630 --> 00:44:43,980

them away yeah but that's about it they

1084

00:44:49,490 --> 00:44:47,640

just seem very curious to human activity

1085

00:44:51,890 --> 00:44:49,500

hmm

1086

00:44:54,650 --> 00:44:51,900

yeah it does seem that they're curious

1087

00:44:56,809 --> 00:44:54,660

and you know honestly I uh

1088

00:44:58,849 --> 00:44:56,819

and it seems mostly out in the west out

1089

00:45:02,390 --> 00:44:58,859

in the western part of the state

1090

00:45:04,370 --> 00:45:02,400

we do get a lot of sightings of Bigfoot

1091

00:45:06,410 --> 00:45:04,380

along the river along the rivers for

1092

00:45:09,349 --> 00:45:06,420

whatever reason I know we've had several

1093

00:45:13,790 --> 00:45:09,359

up and out up on the Allegheny River

1094

00:45:18,829 --> 00:45:16,069

um people seeing them out in the water

1095

00:45:20,089 --> 00:45:18,839

or throwing stuff at people fishing in

1096

00:45:22,370 --> 00:45:20,099

the river

1097

00:45:24,410 --> 00:45:22,380

uh it seems to be I don't know how

1098

00:45:26,450 --> 00:45:24,420

active it is now but I I know for a

1099

00:45:30,290 --> 00:45:26,460

while though we I got a lot of several

1100

00:45:32,569 --> 00:45:30,300

reports uh so I don't know you know we

1101
00:45:34,970 --> 00:45:32,579
also get that with the upright canines

1102
00:45:38,329 --> 00:45:34,980
as well have you gotten any upright

1103
00:45:41,630 --> 00:45:38,339
Keenan or Dogman sightings lately

1104
00:45:43,130 --> 00:45:41,640
uh I do hear of them on occasion I I do

1105
00:45:45,109 --> 00:45:43,140
get these kind of reports but you know

1106
00:45:47,510 --> 00:45:45,119
what that this

1107
00:45:51,170 --> 00:45:47,520
the dog man reports are really not that

1108
00:45:52,849 --> 00:45:51,180
new uh go back go back to some of those

1109
00:45:55,550 --> 00:45:52,859
cases of my solid Invasion book and we

1110
00:45:57,770 --> 00:45:55,560
had that massive wave in 73. you know

1111
00:45:59,809 --> 00:45:57,780
many sightings of Bigfoot that were your

1112
00:46:02,030 --> 00:45:59,819
so-called typical description of

1113
00:46:04,370 --> 00:46:02,040

something six and nine feet tall with a

1114

00:46:06,829 --> 00:46:04,380

long dark matted hair and no neck and

1115

00:46:09,109 --> 00:46:06,839

sometimes voluminous hair but not all

1116

00:46:11,870 --> 00:46:09,119

cases but there were some variations

1117

00:46:14,870 --> 00:46:11,880

with some of those reports as well some

1118

00:46:16,790 --> 00:46:14,880

were shorter and more muscular some were

1119

00:46:20,089 --> 00:46:16,800

taller and thinner

1120

00:46:22,790 --> 00:46:20,099

and then I had some cases where people I

1121

00:46:24,650 --> 00:46:22,800

mean literally were face to face with

1122

00:46:27,530 --> 00:46:24,660

these creatures within feet

1123

00:46:29,270 --> 00:46:27,540

some of those cases they gave very

1124

00:46:32,089 --> 00:46:29,280

detailed descriptions

1125

00:46:33,710 --> 00:46:32,099

and I'll give you one example because I

1126

00:46:36,050 --> 00:46:33,720

remember this really well

1127

00:46:39,290 --> 00:46:36,060

uh this was I believe in August the

1128

00:46:40,550 --> 00:46:39,300

strict 73 this was between Greensburg

1129

00:46:43,309 --> 00:46:40,560

and Jeanette

1130

00:46:44,750 --> 00:46:43,319

uh this woman was visiting some friends

1131

00:46:46,069 --> 00:46:44,760

out in the country where there have been

1132

00:46:48,710 --> 00:46:46,079

a lot of people sightings around there

1133

00:46:50,510 --> 00:46:48,720

at the time it was a very low Foundation

1134

00:46:52,250 --> 00:46:50,520

to the ground

1135

00:46:54,589 --> 00:46:52,260

it was an early morning around three

1136

00:46:56,750 --> 00:46:54,599

o'clock in the morning and the woman

1137

00:46:57,890 --> 00:46:56,760

went to use the restroom so she's

1138

00:47:00,349 --> 00:46:57,900

sitting there

1139

00:47:02,630 --> 00:47:00,359

and directly in front of her maybe a

1140

00:47:04,609 --> 00:47:02,640

foot or two in front of her is the

1141

00:47:07,490 --> 00:47:04,619

window that's I believe it was a

1142

00:47:09,650 --> 00:47:07,500

screened in window and she began to hear

1143

00:47:13,309 --> 00:47:09,660

these strange sounds outside and

1144

00:47:15,230 --> 00:47:13,319

suddenly this thing Rises up and it's

1145

00:47:17,270 --> 00:47:15,240

looking from the other side of the

1146

00:47:20,050 --> 00:47:17,280

window directly into her face

1147

00:47:22,490 --> 00:47:20,060

I mean she gave a detailed description

1148

00:47:24,710 --> 00:47:22,500

this thing the face was covered with

1149

00:47:27,230 --> 00:47:24,720

hair but you said it was description but

1150

00:47:29,870 --> 00:47:27,240

more like a wolf or a dog when it was

1151
00:47:33,650 --> 00:47:29,880
luminous glowing orangish red eyes thing

1152
00:47:36,829 --> 00:47:33,660
like Teeth little more pointed ears

1153
00:47:38,390 --> 00:47:36,839
um I mean she was hysterical

1154
00:47:40,490 --> 00:47:38,400
um they immediately called the state

1155
00:47:41,329 --> 00:47:40,500
police the state police connected her to

1156
00:47:43,309 --> 00:47:41,339
me

1157
00:47:44,930 --> 00:47:43,319
uh I interviewed her soon after it

1158
00:47:46,910 --> 00:47:44,940
happened within minutes

1159
00:47:49,010 --> 00:47:46,920
uh Troopa went out there and found some

1160
00:47:50,750 --> 00:47:49,020
possible tracks around the area

1161
00:47:53,030 --> 00:47:50,760
now here's the interesting part of this

1162
00:47:55,430 --> 00:47:53,040
story which you rarely ever hear but I

1163
00:47:57,770 --> 00:47:55,440

have more than one case for this she was

1164

00:48:00,890 --> 00:47:57,780

so scared that she asked her friends to

1165

00:48:03,770 --> 00:48:00,900

take her to her home several miles away

1166

00:48:05,930 --> 00:48:03,780

within the hour the same or similar

1167

00:48:08,510 --> 00:48:05,940

Bigfoot type creature showed up at her

1168

00:48:15,589 --> 00:48:08,520

property is that right

1169

00:48:20,270 --> 00:48:17,329

yeah yeah

1170

00:48:22,370 --> 00:48:20,280

Bernadette asked in the chat if um

1171

00:48:24,470 --> 00:48:22,380

what's the strangest case you have

1172

00:48:26,089 --> 00:48:24,480

that's come from Laurel Mountain can you

1173

00:48:32,569 --> 00:48:26,099

think of one

1174

00:48:37,670 --> 00:48:35,210

forest and you know along the highways

1175

00:48:40,190 --> 00:48:37,680

up there off of Route 30. I've heard a

1176

00:48:42,410 --> 00:48:40,200

lot I'm actually I'm involved in a case

1177

00:48:44,870 --> 00:48:42,420

that happened just a few years ago but I

1178

00:48:46,550 --> 00:48:44,880

just got uh information on it for the

1179

00:48:48,290 --> 00:48:46,560

witness and I want to try to do some

1180

00:48:52,069 --> 00:48:48,300

more backup before I tell you the story

1181

00:48:54,109 --> 00:48:52,079

it's been a very very French incident

1182

00:48:56,630 --> 00:48:54,119

um it's a Cryptid incident but there's a

1183

00:48:59,390 --> 00:48:56,640

lot more to it uh there might be a time

1184

00:49:01,309 --> 00:48:59,400

lapse involved in it um but yeah that

1185

00:49:03,230 --> 00:49:01,319

that was up there I've heard many many

1186

00:49:06,410 --> 00:49:03,240

accounts of Bigfoot sightings up in the

1187

00:49:08,510 --> 00:49:06,420

Laurel Highlands uh lots of UFO cases

1188

00:49:10,910 --> 00:49:08,520

around there there's just so many

1189

00:49:13,430 --> 00:49:10,920

reports that I couldn't begin

1190

00:49:15,589 --> 00:49:13,440

to pick down when it went out and again

1191

00:49:17,450 --> 00:49:15,599

so many interesting cases all along the

1192

00:49:19,370 --> 00:49:17,460

Chestnut Ridge and in other areas but

1193

00:49:23,210 --> 00:49:19,380

Fayette County

1194

00:49:24,650 --> 00:49:23,220

but it's very very intriguing and um and

1195

00:49:27,109 --> 00:49:24,660

of course some of the strangest cases

1196

00:49:28,550 --> 00:49:27,119

I've investigated happened

1197

00:49:32,270 --> 00:49:28,560

um up in Fayette County as well

1198

00:49:34,490 --> 00:49:32,280

especially during 1973 and 1974 but it's

1199

00:49:35,569 --> 00:49:34,500

just ongoing I mean he never know where

1200

00:49:37,970 --> 00:49:35,579

the next phone call was going to bring

1201

00:49:41,809 --> 00:49:37,980

in oh yeah yeah

1202

00:49:46,190 --> 00:49:41,819

so what do you think what do you think

1203

00:49:50,150 --> 00:49:46,200

is the whole the whole Nexus for why

1204

00:49:53,210 --> 00:49:50,160

the the Chestnut Ridge is so active I

1205

00:49:55,790 --> 00:49:53,220

mean what what is your theory on that

1206

00:49:57,710 --> 00:49:55,800

well you know I've I've tried to find it

1207

00:49:59,210 --> 00:49:57,720

out we've looked into the geography of

1208

00:50:02,030 --> 00:49:59,220

the area we've looked in the different

1209

00:50:03,530 --> 00:50:02,040

aspects of it and so far we just have

1210

00:50:05,450 --> 00:50:03,540

been able to come up with

1211

00:50:07,730 --> 00:50:05,460

them up with uh you know the Saturday

1212

00:50:11,750 --> 00:50:07,740

night found years ago

1213

00:50:14,450 --> 00:50:11,760

is that many low-level close range UFO

1214

00:50:16,849 --> 00:50:14,460

sightings and many accounts with Bigfoot

1215

00:50:18,470 --> 00:50:16,859

and other Cryptids occur in the vicinity

1216

00:50:20,390 --> 00:50:18,480

of high energy sources

1217

00:50:23,390 --> 00:50:20,400

which is a lot of them along the ridge

1218

00:50:26,390 --> 00:50:23,400

so that would Encompass high tension

1219

00:50:29,750 --> 00:50:26,400

power lines power plants

1220

00:50:32,569 --> 00:50:29,760

uh gas Wells gas lines

1221

00:50:35,870 --> 00:50:32,579

bodies of water railroad tracks it goes

1222

00:50:37,490 --> 00:50:35,880

on and on and on uh cell phone towers I

1223

00:50:39,109 --> 00:50:37,500

mean this is in more recent years you're

1224

00:50:41,870 --> 00:50:39,119

hearing more and more incidents I mean

1225

00:50:43,370 --> 00:50:41,880

it's funny Eric and I and myself and

1226

00:50:44,870 --> 00:50:43,380

others are going out investigate a lot

1227

00:50:46,550 --> 00:50:44,880

of these incidents and they're looking

1228

00:50:48,290 --> 00:50:46,560

around and sometimes we look up and

1229

00:50:50,210 --> 00:50:48,300

there's high tension power lines going

1230

00:50:51,770 --> 00:50:50,220

right right over top of where the

1231

00:50:55,190 --> 00:50:51,780

incident or Carter right in your gas

1232

00:50:57,290 --> 00:50:55,200

line the gas Wells and you talked about

1233

00:51:00,890 --> 00:50:57,300

bodies of water I've had reports for

1234

00:51:03,170 --> 00:51:00,900

years of Bigfoot and other Cryptids from

1235

00:51:05,569 --> 00:51:03,180

near the water and in the water and I

1236

00:51:06,290 --> 00:51:05,579

think it's a big swimming under the

1237

00:51:08,510 --> 00:51:06,300

water

1238

00:51:11,210 --> 00:51:08,520

and and many cities have occurred in

1239

00:51:13,069 --> 00:51:11,220

recent years right along Riverbanks uh

1240

00:51:15,710 --> 00:51:13,079

and yes I've had reports of people told

1241

00:51:17,690 --> 00:51:15,720

me they were in kayaks or canoes or

1242

00:51:19,670 --> 00:51:17,700

whatever and and these things were

1243

00:51:21,470 --> 00:51:19,680

throwing huge pretty good-sized Boulders

1244

00:51:24,410 --> 00:51:21,480

or rocks towards them in the water so

1245

00:51:25,730 --> 00:51:24,420

I've heard that for years

1246

00:51:27,710 --> 00:51:25,740

hmm

1247

00:51:30,650 --> 00:51:27,720

interesting

1248

00:51:32,030 --> 00:51:30,660

yeah it it is weird I mean of course

1249

00:51:35,510 --> 00:51:32,040

I've been hearing about the Chester

1250

00:51:37,309 --> 00:51:35,520

Ridge long before I even met you and

1251
00:51:39,950 --> 00:51:37,319
people tell in fact I used to go hunting

1252
00:51:41,510 --> 00:51:39,960
up there so you know I

1253
00:51:43,790 --> 00:51:41,520
you know I used to travel up there to go

1254
00:51:45,849 --> 00:51:43,800
hunting heard people tell me all kinds

1255
00:51:49,849 --> 00:51:45,859
of strange stories

1256
00:51:52,010 --> 00:51:49,859
uh it and

1257
00:51:53,750 --> 00:51:52,020
you know it is it's it's just one of

1258
00:51:55,790 --> 00:51:53,760
those areas you know how it is in

1259
00:51:57,710 --> 00:51:55,800
Pennsylvania it's weirder than

1260
00:52:01,069 --> 00:51:57,720
Pennsylvania actually it's just all

1261
00:52:03,650 --> 00:52:01,079
kinds of crazy stuff hot areas but the

1262
00:52:08,870 --> 00:52:03,660
ridge does seem to be the most active

1263
00:52:11,750 --> 00:52:08,880

area overall uh but um

1264

00:52:13,609 --> 00:52:11,760

yeah and again it is very active

1265

00:52:15,109 --> 00:52:13,619

um especially the dairy side of the

1266

00:52:18,470 --> 00:52:15,119

ridge for whatever reason year after

1267

00:52:21,710 --> 00:52:18,480

year this past Mother's Day Afternoon a

1268

00:52:23,390 --> 00:52:21,720

woman was walking there and an eight

1269

00:52:26,030 --> 00:52:23,400

foot tall Bigfoot came out of the woods

1270

00:52:28,010 --> 00:52:26,040

probably 30 40 feet away from her she

1271

00:52:31,849 --> 00:52:28,020

got a very good look at her her one dog

1272

00:52:34,010 --> 00:52:31,859

to stop and uh just the hair was raised

1273

00:52:36,230 --> 00:52:34,020

up on it wouldn't move wouldn't bark and

1274

00:52:38,510 --> 00:52:36,240

it just kept going never looked at her

1275

00:52:40,309 --> 00:52:38,520

and you know when you and I have talked

1276

00:52:41,990 --> 00:52:40,319

about this I know we have because I

1277

00:52:44,270 --> 00:52:42,000

think this is a fascinating detail that

1278

00:52:46,250 --> 00:52:44,280

I started noticing several years ago and

1279

00:52:49,190 --> 00:52:46,260

and you and I think have agreed that

1280

00:52:51,049 --> 00:52:49,200

you've heard this too but in some case

1281

00:52:53,690 --> 00:52:51,059

where people were physically close to

1282

00:52:56,930 --> 00:52:53,700

Bigfoot or other Cryptids

1283

00:52:59,390 --> 00:52:56,940

Witnesses commented that it seems as

1284

00:53:02,089 --> 00:52:59,400

though when the creatures realize that

1285

00:53:04,849 --> 00:53:02,099

the human observers could see them they

1286

00:53:07,790 --> 00:53:04,859

were there was a startled reaction that

1287

00:53:09,770 --> 00:53:07,800

they will take they could be seen and I

1288

00:53:13,010 --> 00:53:09,780

think that is a very important little

1289

00:53:15,530 --> 00:53:13,020

detail that might be giving us a clue

1290

00:53:18,589 --> 00:53:15,540

no I think it is too I mean I I think

1291

00:53:20,630 --> 00:53:18,599

for the most part uh they may think

1292

00:53:22,309 --> 00:53:20,640

there's some type of cloak either

1293

00:53:25,130 --> 00:53:22,319

cloaked or they're just we're just

1294

00:53:28,370 --> 00:53:25,140

unable to see them for some reason I

1295

00:53:30,109 --> 00:53:28,380

hear that a lot uh people saying that

1296

00:53:33,890 --> 00:53:30,119

they see you know when they're watching

1297

00:53:36,470 --> 00:53:33,900

these things and they notice that the uh

1298

00:53:40,190 --> 00:53:36,480

humans actually watching them

1299

00:53:42,530 --> 00:53:40,200

they do give that reaction like why why

1300

00:53:45,530 --> 00:53:42,540

are they looking this way why are they

1301
00:53:47,170 --> 00:53:45,540
looking at me can they see me and it you

1302
00:53:49,910 --> 00:53:47,180
know it startles them like you said

1303
00:54:00,589 --> 00:53:49,920
absolutely yeah you and I have talked

1304
00:54:05,210 --> 00:54:02,750
I've been given a lecture called strange

1305
00:54:07,430 --> 00:54:05,220
aspects if you lose some Bigfoot and I

1306
00:54:08,630 --> 00:54:07,440
get a lot of these things that very few

1307
00:54:11,870 --> 00:54:08,640
people have ever heard about with

1308
00:54:13,609 --> 00:54:11,880
Bigfoot and the one case it really

1309
00:54:16,010 --> 00:54:13,619
stands out for me and this is something

1310
00:54:17,270 --> 00:54:16,020
in Pennsylvania the case I worked on of

1311
00:54:19,430 --> 00:54:17,280
the hundreds of people I've interviewed

1312
00:54:22,069 --> 00:54:19,440
they rarely ever talk about it probably

1313
00:54:23,510 --> 00:54:22,079

and they have a handful of cases but you

1314

00:54:25,849 --> 00:54:23,520

know you hear about this in other parts

1315

00:54:27,410 --> 00:54:25,859

of the country of people who claim that

1316

00:54:29,870 --> 00:54:27,420

they've had some type of telepathic

1317

00:54:32,630 --> 00:54:29,880

communication with the creature yeah and

1318

00:54:35,270 --> 00:54:32,640

the one incident I will I do recall well

1319

00:54:36,650 --> 00:54:35,280

because I was there so I can vouch for

1320

00:54:39,829 --> 00:54:36,660

this one even though I've never seen the

1321

00:54:42,170 --> 00:54:39,839

ufoot with myself but in this case this

1322

00:54:43,730 --> 00:54:42,180

was back in the 80s along the Chestnut

1323

00:54:46,130 --> 00:54:43,740

Ridge and the West Milwaukee County side

1324

00:54:48,589 --> 00:54:46,140

I remember some of these local people

1325

00:54:50,450 --> 00:54:48,599

had called me and came up because this

1326
00:54:52,309 --> 00:54:50,460
you Terry creature was coming down from

1327
00:54:53,630 --> 00:54:52,319
the top of the ridge down below it

1328
00:54:55,790 --> 00:54:53,640
there's some of these people's

1329
00:55:00,470 --> 00:54:55,800
properties and they were their animals

1330
00:55:04,609 --> 00:55:02,690
and I remember going out with a couple

1331
00:55:06,170 --> 00:55:04,619
of my team members there was a small

1332
00:55:07,750 --> 00:55:06,180
group of people there

1333
00:55:10,010 --> 00:55:07,760
and one of the people in the group

1334
00:55:11,930 --> 00:55:10,020
reluctantly said

1335
00:55:13,630 --> 00:55:11,940
that it seemed as though this creature

1336
00:55:17,030 --> 00:55:13,640
was trying to communicate with them

1337
00:55:19,670 --> 00:55:17,040
while we were there this person says

1338
00:55:21,950 --> 00:55:19,680

this Bigfoot is telling me that tomorrow

1339

00:55:24,770 --> 00:55:21,960

morning the next morning

1340

00:55:27,290 --> 00:55:24,780

up in Indiana County so that's about 15

1341

00:55:29,329 --> 00:55:27,300

miles away in another County but up in

1342

00:55:31,790 --> 00:55:29,339

north in the Ridge area that there will

1343

00:55:34,450 --> 00:55:31,800

be a UFO incident tomorrow morning

1344

00:55:37,190 --> 00:55:34,460

and guess what early the next morning

1345

00:55:38,990 --> 00:55:37,200

multiple reports of this strange sound

1346

00:55:41,870 --> 00:55:39,000

of something right over top of Homer

1347

00:55:45,410 --> 00:55:41,880

City uh I think I believe summer City

1348

00:55:46,970 --> 00:55:45,420

and um anyhow it was sewing usually

1349

00:55:48,950 --> 00:55:46,980

called the fire department now that was

1350

00:55:51,230 --> 00:55:48,960

actually in the newspaper

1351

00:55:53,510 --> 00:55:51,240

wow

1352

00:55:57,049 --> 00:55:53,520

that is interesting

1353

00:55:58,970 --> 00:55:57,059

yep so Stan how can folks get a hold of

1354

00:56:00,770 --> 00:55:58,980

you and uh how they can get a hold of

1355

00:56:02,390 --> 00:56:00,780

your books and what do you have coming

1356

00:56:07,490 --> 00:56:02,400

up

1357

00:56:08,990 --> 00:56:07,500

lectures for the year and uh a lot of

1358

00:56:09,730 --> 00:56:09,000

things are being booked already for next

1359

00:56:12,530 --> 00:56:09,740

year

1360

00:56:14,930 --> 00:56:12,540

00:58:18,109 --> 00:58:15,119

encounter in Berks County Pennsylvania

1399

00:58:21,230 --> 00:58:18,119

this was I I'll be honest this is

1400

00:58:24,170 --> 00:58:21,240

probably the strangest

1401
00:58:26,630 --> 00:58:24,180
cryptic canine sighting that I have ever

1402
00:58:28,790 --> 00:58:26,640
had reported to me especially here in

1403
00:58:31,190 --> 00:58:28,800
Pennsylvania probably as strange as

1404
00:58:33,230 --> 00:58:31,200
anywhere so you'll definitely want

1405
00:58:36,410 --> 00:58:33,240
you'll definitely want to tune in for

1406
00:58:39,829 --> 00:58:36,420
that uh and if you have questions

1407
00:58:43,069 --> 00:58:39,839
for Matt or any of us please feel free

1408
00:58:44,990 --> 00:58:43,079
to do that join us in the chat now I do

1409
00:58:48,650 --> 00:58:45,000
want to mention

1410
00:58:51,410 --> 00:58:48,660
next week I am not going to be doing any

1411
00:58:54,650 --> 00:58:51,420
shows I'm going to be indisposed of

1412
00:58:58,430 --> 00:58:54,660
having surgery on the Thursday but on

1413
00:59:01,190 --> 00:58:58,440

Friday night the 28th uh Vincent and

1414

00:59:02,870 --> 00:59:01,200

Bernadette are going to be doing a uh

1415

00:59:07,250 --> 00:59:02,880

Halloween show

1416

00:59:10,010 --> 00:59:07,260

so we will get that posted up and uh you

1417

00:59:10,849 --> 00:59:10,020

you will be informed when when to tune

1418

00:59:25,069 --> 00:59:10,859

in

1419

00:59:28,309 --> 00:59:25,079

else it's much appreciated so uh so

1420

00:59:30,349 --> 00:59:28,319

until then until Friday uh stay healthy

1421

00:59:32,930 --> 00:59:30,359
