monsters they exist Among Us and

00:00:26,810 --> 00:00:23,039

sometimes they win even the devil was an

5
00:00:29,650 --> 00:00:26,820

angel once the world has its own rules

6
00:00:33,170 --> 00:00:29,660

and these rules are not human

7
00:00:35,630 --> 00:00:33,180

some of us seek answers to the origin

8
00:00:36,910 --> 00:00:35,640

and existence of Cryptids in The

9
00:00:40,610 --> 00:00:36,920

Unexplained

00:00:44,209 --> 00:00:40,620

join us as we venture beyond the known

11
00:00:46,690 --> 00:00:44,219

and accepted boundaries Welcome to our

13
00:01:04,070 --> 00:01:01,440

[Music]

14

00:01:06,770 --> 00:01:04,080

hello folks uh welcome to Phantoms and

15

00:01:09,109 --> 00:01:06,780

monsters radio I'm Vincent Richardson

your host co-hosting this evening we'll

17

00:01:15,289 --> 00:01:12,840

be Bernadette McDaniel and we got

18

00:01:18,590 --> 00:01:15,299

something uh fun for you guys tonight a

19

00:01:20,270 --> 00:01:18,600

little bit uh different than the usual

20

00:01:22,969 --> 00:01:20,280

um would like to say happy birthday to

21

00:01:27,050 --> 00:01:22,979

Mr lawn strickler today everybody happy

22

00:01:29,270 --> 00:01:27,060

birthday he's not with us today but he

23

00:01:30,350 --> 00:01:29,280

is on the mend and at home and in good

24

00:01:35,450 --> 00:01:30,360

spirits

25

00:01:36,530 --> 00:01:35,460

I've got a great show for you guys

26

00:01:43,210 --> 00:01:36,540

tonight

27

00:01:46,370 --> 00:01:43,220

we have the scariest of all artists Mr

28

00:01:51,770 --> 00:01:46,380

Sam's jiren will be joining us today

29

00:01:54,649 --> 00:01:51,780

and also tonight we have our lovely Anna

30

00:01:57,710 --> 00:01:54,659

Marie Manilow who will be joining us and

31

00:02:00,770 --> 00:01:57,720

she's got some creepy stories for us and

32

00:02:02,749 --> 00:02:00,780

then we've got Dr Dean Bertram I think

33

00:02:05,990 --> 00:02:02,759

that's Dr Dean I saw somebody else in

34

00:02:08,690 --> 00:02:06,000

the background kind of creepy but anyway

35

00:02:22,670 --> 00:02:08,700

here

36

00:02:27,170 --> 00:02:24,729

[Music]

37

00:02:29,690 --> 00:02:27,180

good I've been muffled if I did the show

38

00:02:32,990 --> 00:02:29,700

like this so I'm probably gonna have to

39

00:02:41,350 --> 00:02:33,000

take it off reveal my equally scary face

40

00:02:44,509 --> 00:02:43,790

Ron Murphy will be joining us here in a

41

00:02:46,670 --> 00:02:44,519

moment

42

00:02:48,470 --> 00:02:46,680

but anyway I want to get started with

43

00:02:50,449 --> 00:02:48,480

you guys how is everyone doing this

44

00:02:52,670 --> 00:02:50,459

evening perfect

45

00:02:54,770 --> 00:02:52,680

great it's the Halloween season spooky

46

00:02:58,130 --> 00:02:54,780

season so fantastic it is the Halloween

47

00:03:04,550 --> 00:03:00,530

I'm sorry Sam I didn't hear you

48

00:03:08,150 --> 00:03:04,560

I said ever closer to Christmas ah yes

49

00:03:10,250 --> 00:03:08,160

yes and uh Sam is actually uh got some

50

00:03:12,110 --> 00:03:10,260

really cool Christmas artwork too I'll

51
00:03:14,690 --> 00:03:12,120
be putting some of that up here in a

52
00:03:16,670 --> 00:03:14,700
little while anyway I wanted to get on

53
00:03:18,170 --> 00:03:16,680
started and start talking about this a

54
00:03:20,449 --> 00:03:18,180
little campfire thing we've got going on

55
00:03:23,690 --> 00:03:20,459
tonight I guess we're going to go around

56
00:03:25,729 --> 00:03:23,700
uh around and around and and

57
00:03:28,130 --> 00:03:25,739
tell stories to each other in the

58
00:03:31,970 --> 00:03:28,140
scariest things that may have happened

59
00:03:34,680 --> 00:03:31,980
to you personally or someone you know

60
00:03:36,190 --> 00:03:34,690
and that's that sounds like a plan to me

61
00:03:38,809 --> 00:03:36,200
[Music]

62
00:03:42,229 --> 00:03:38,819
who would like to start with with a

63
00:03:52,930 --> 00:03:45,490

not everybody at once

64

00:03:58,490 --> 00:03:56,270

so I I want to tell you this while it's

65

00:04:01,670 --> 00:03:58,500

fresh in my mind because this was just

66

00:04:04,610 --> 00:04:01,680

about three weeks ago when I was

67

00:04:06,770 --> 00:04:04,620

overseas and some folks don't know this

68

00:04:08,149 --> 00:04:06,780

I go overseas almost every year but he

69

00:04:11,089 --> 00:04:08,159

cramped my style the whole thing with

70

00:04:13,490 --> 00:04:11,099

the pandemic so I got stuck home for

71

00:04:17,449 --> 00:04:13,500

about two two and a half years and then

72

00:04:19,370 --> 00:04:17,459

finally I ended up um going to the

73

00:04:23,270 --> 00:04:19,380

original destination in this case my

74

00:04:26,330 --> 00:04:23,280

husband and I wanted to go to France now

75

00:04:28,790 --> 00:04:26,340

a lot of people think oh gosh it's so

76

00:04:32,870 --> 00:04:28,800

beautiful and it is don't get me wrong

77

00:04:34,370 --> 00:04:32,880

but there's some really remote lonely

78

00:04:37,249 --> 00:04:34,380

spots

79

00:04:40,129 --> 00:04:37,259

and because we're on the budget we don't

80

00:04:43,969 --> 00:04:40,139

necessarily go to the most popular spots

81

00:04:46,550 --> 00:04:43,979

if anything we try and head out for kind

82

00:04:47,870 --> 00:04:46,560

of like the places that people normally

83

00:04:50,930 --> 00:04:47,880

don't go

84

00:04:52,909 --> 00:04:50,940

so what we do is we ran out a cottage

85

00:04:55,010 --> 00:04:52,919

and in this case we ended up renting out

86

00:04:56,390 --> 00:04:55,020

a cottage that was kind of like off the

87

00:04:59,749 --> 00:04:56,400

beaten path

88

00:05:02,270 --> 00:04:59,759

uh it was very rural where we were

89

00:05:03,350 --> 00:05:02,280

and we stayed there for about three

90

00:05:07,070 --> 00:05:03,360

weeks

91

00:05:09,170 --> 00:05:07,080

uh this happened probably during the

92

00:05:12,050 --> 00:05:09,180

final week that we were there and we

93

00:05:15,530 --> 00:05:12,060

were just starting to get comfortable

94

00:05:18,530 --> 00:05:15,540

um The Cottage if I may explain is

95

00:05:22,129 --> 00:05:18,540

situated on the hill

96

00:05:24,590 --> 00:05:22,139

and around the hill are all these wooded

97

00:05:28,370 --> 00:05:24,600

areas and there's only a neighbor

98

00:05:30,469 --> 00:05:28,380

probably about maybe 100 yards from us

99

00:05:32,390 --> 00:05:30,479

and they're fenced in and then there's

100

00:05:35,210 --> 00:05:32,400

another eight neighbor down the hill

101
00:05:37,430 --> 00:05:35,220
from us yeah that's aproovins the way

102
00:05:39,409 --> 00:05:37,440
through the woods uh different country

103
00:05:42,290 --> 00:05:39,419
though I think this one is in Germany

104
00:05:44,689 --> 00:05:42,300
the the story I have is in France but

105
00:05:47,090 --> 00:05:44,699
anyway to try to make a long story short

106
00:05:50,050 --> 00:05:47,100
since I tend to go on and on and I'm not

107
00:05:54,110 --> 00:05:50,060
going to try and bore anybody

108
00:05:56,210 --> 00:05:54,120
behind behind the cottage that we stayed

109
00:05:58,189 --> 00:05:56,220
in and when I say Cottage it's a two

110
00:06:00,189 --> 00:05:58,199
bedroom basically it's like really small

111
00:06:04,249 --> 00:06:00,199
it's like probably

112
00:06:07,450 --> 00:06:04,259
400 square feet if that

113
00:06:11,090 --> 00:06:07,460

um it was just basically a place to stay

114

00:06:12,230 --> 00:06:11,100

behind us is a path that leads into the

115

00:06:16,670 --> 00:06:12,240

forest

116

00:06:20,570 --> 00:06:16,680

and eventually you get into a canal

117

00:06:22,129 --> 00:06:20,580

now the canal I would say is probably

118

00:06:25,129 --> 00:06:22,139

Maybe

119

00:06:27,409 --> 00:06:25,139

eight feet or nine feet wide

120

00:06:30,469 --> 00:06:27,419

and Vince I know I sent you a picture of

121

00:06:33,890 --> 00:06:30,479

that it looks nicer in the daytime

122

00:06:37,610 --> 00:06:33,900

believe me and very calm and very quiet

123

00:06:40,610 --> 00:06:37,620

uh but here's How The Story begins

124

00:06:43,309 --> 00:06:40,620

my husband and I had a bedroom that was

125

00:06:45,170 --> 00:06:43,319

on the first floor but there was also a

126

00:06:47,330 --> 00:06:45,180

bedroom on the second floor and for

127

00:06:48,650 --> 00:06:47,340

security reasons we decided to stay on

128

00:06:51,890 --> 00:06:48,660

the second floor bedroom which happened

129

00:06:54,590 --> 00:06:51,900

to have a huge window overlooking the

130

00:06:58,430 --> 00:06:54,600

path that led to the canal

131

00:07:00,170 --> 00:06:58,440

and in that particular window was a

132

00:07:02,150 --> 00:07:00,180

curtain and then you had like these real

133

00:07:03,730 --> 00:07:02,160

you know how like in the US you have

134

00:07:06,409 --> 00:07:03,740

shutters but they're only decorative

135

00:07:09,110 --> 00:07:06,419

well over there the shutters actually

136

00:07:11,450 --> 00:07:09,120

work Sam you probably can relate to this

137

00:07:13,790 --> 00:07:11,460

you could take the shutters and actually

138

00:07:15,890 --> 00:07:13,800

close them well we didn't close them

139

00:07:18,710 --> 00:07:15,900

because it was still warm

140

00:07:19,850 --> 00:07:18,720

so this was actually open to the

141

00:07:22,969 --> 00:07:19,860

elements

142

00:07:24,290 --> 00:07:22,979

and we kept the air conditioner off and

143

00:07:28,150 --> 00:07:24,300

it must have been like two in the

144

00:07:31,490 --> 00:07:28,160

morning I felt a light shining in

145

00:07:33,890 --> 00:07:31,500

so it woke me up from a dead sleep I get

146

00:07:35,870 --> 00:07:33,900

up I walk towards the window which is

147

00:07:38,029 --> 00:07:35,880

probably I would say give or take 30

148

00:07:40,670 --> 00:07:38,039

feet from the edge of the bed

149

00:07:42,290 --> 00:07:40,680

and I look out thinking somebody turned

150

00:07:43,909 --> 00:07:42,300

the street light on

151

00:07:47,230 --> 00:07:43,919

well there really is in the street

152

00:07:49,610 --> 00:07:47,240

there's only a path a very narrow path

153

00:07:51,110 --> 00:07:49,620

and then where there would be a street

154

00:07:53,210 --> 00:07:51,120

light there wasn't anything but there

155

00:07:56,510 --> 00:07:53,220

was something that was shining

156

00:07:59,270 --> 00:07:56,520

or I would have to say pulsating

157

00:08:02,570 --> 00:07:59,280

through the trees and I have no idea

158

00:08:04,309 --> 00:08:02,580

what that was and um if you see the

159

00:08:07,370 --> 00:08:04,319

pictures there you'll see it's really

160

00:08:08,570 --> 00:08:07,380

pretty wooded there's the path that I'm

161

00:08:10,969 --> 00:08:08,580

talking about

162

00:08:13,730 --> 00:08:10,979

and it's at the end of that path through

163

00:08:16,370 --> 00:08:13,740

those trees where you see the canal

164

00:08:19,969 --> 00:08:16,380

but anyway I could not I couldn't

165

00:08:22,309 --> 00:08:19,979

discern where the light was coming from

166

00:08:24,710 --> 00:08:22,319

um it I didn't really get any particular

167

00:08:26,510 --> 00:08:24,720

feeling from it except you know when you

168

00:08:28,249 --> 00:08:26,520

have your window open you hear night

169

00:08:30,589 --> 00:08:28,259

sounds and there was none

170

00:08:32,209 --> 00:08:30,599

okay and it was still pretty warm at

171

00:08:35,510 --> 00:08:32,219

that time

172

00:08:37,010 --> 00:08:35,520

so I headed downstairs to get a drink of

173

00:08:40,130 --> 00:08:37,020

water and next thing you know my husband

174

00:08:43,730 --> 00:08:40,140

got up because he the lights seemed to

175

00:08:46,670 --> 00:08:43,740

be getting closer and he woke him up

176
00:08:48,410 --> 00:08:46,680
so he came downstairs and said is there

177
00:08:50,329 --> 00:08:48,420
someone outside there's this intense

178
00:08:52,370 --> 00:08:50,339
light outside I looked out the window

179
00:08:56,210 --> 00:08:52,380
again we still couldn't tell what it was

180
00:08:58,850 --> 00:08:56,220
we let it go morning came and then we

181
00:08:59,949 --> 00:08:58,860
met the neighbors who happened to be

182
00:09:04,070 --> 00:08:59,959
British

183
00:09:05,449 --> 00:09:04,080
they were expats from the UK Sam so

184
00:09:07,430 --> 00:09:05,459
they've been living there for probably

185
00:09:10,250 --> 00:09:07,440
about nine ten years

186
00:09:12,650 --> 00:09:10,260
and so we were able to converse you know

187
00:09:14,870 --> 00:09:12,660
because sometimes when you're in a part

188
00:09:16,550 --> 00:09:14,880

of the country that's kind of remote the

189

00:09:18,470 --> 00:09:16,560

people only speak French in this case

190

00:09:20,389 --> 00:09:18,480

they only spoke French but we were very

191

00:09:24,470 --> 00:09:20,399

glad to hook up with them

192

00:09:26,690 --> 00:09:24,480

so they invited us over you know we had

193

00:09:28,850 --> 00:09:26,700

some tea and things of that nature and

194

00:09:31,009 --> 00:09:28,860

and then we got to talking

195

00:09:32,389 --> 00:09:31,019

and they said have you experienced

196

00:09:34,550 --> 00:09:32,399

anything strange

197

00:09:36,350 --> 00:09:34,560

and then we brought up what happened the

198

00:09:39,530 --> 00:09:36,360

night before

199

00:09:41,810 --> 00:09:39,540

and they said well not to alarm you but

200

00:09:43,670 --> 00:09:41,820

we normally take this path and walk

201
00:09:45,949 --> 00:09:43,680
towards the canal and we've stopped

202
00:09:48,710 --> 00:09:45,959
doing that and we'd like to caution you

203
00:09:50,570 --> 00:09:48,720
probably to refrain from doing something

204
00:09:53,269 --> 00:09:50,580
like that

205
00:09:54,230 --> 00:09:53,279
so we asked what happened what is going

206
00:09:56,570 --> 00:09:54,240
on

207
00:09:58,190 --> 00:09:56,580
and they said that just about a few

208
00:10:01,250 --> 00:09:58,200
weeks before

209
00:10:02,930 --> 00:10:01,260
they were walking out there they had a

210
00:10:04,250 --> 00:10:02,940
flashlight with them because it was

211
00:10:06,769 --> 00:10:04,260
getting dark

212
00:10:08,570 --> 00:10:06,779
and they were just taking a leisurely

213
00:10:11,930 --> 00:10:08,580

walk after dinner and you're in Europe

214

00:10:14,630 --> 00:10:11,940

they eat dinner around seven or eight pm

215

00:10:16,610 --> 00:10:14,640

so we're probably talking around 8 30 9

216

00:10:18,110 --> 00:10:16,620

o'clock at night at this point so it is

217

00:10:22,190 --> 00:10:18,120

getting darker

218

00:10:24,710 --> 00:10:22,200

they were walking down along the canal

219

00:10:27,590 --> 00:10:24,720

and if you see that picture you'll see

220

00:10:30,110 --> 00:10:27,600

there's trees all around there are some

221

00:10:33,530 --> 00:10:30,120

homes but not many

222

00:10:36,290 --> 00:10:33,540

and they start to see what they thought

223

00:10:38,449 --> 00:10:36,300

was almost like a

224

00:10:40,490 --> 00:10:38,459

cellophane

225

00:10:42,410 --> 00:10:40,500

or Saran wrap that was kind of

226

00:10:45,590 --> 00:10:42,420

glimmering

227

00:10:47,810 --> 00:10:45,600

okay and it was ahead of them

228

00:10:49,850 --> 00:10:47,820

a few feet

229

00:10:51,050 --> 00:10:49,860

and they were walking towards it and

230

00:10:52,730 --> 00:10:51,060

they stopped

231

00:10:55,850 --> 00:10:52,740

and his wife

232

00:10:57,530 --> 00:10:55,860

turned to him and said did you see that

233

00:11:00,829 --> 00:10:57,540

and he said

234

00:11:03,110 --> 00:11:00,839

what is it someone coming towards us

235

00:11:06,350 --> 00:11:03,120

with a flashlight and she said No it's

236

00:11:08,569 --> 00:11:06,360

it's something is moving out there and

237

00:11:11,569 --> 00:11:08,579

it's almost like a piece of cellophane

238

00:11:13,069 --> 00:11:11,579

maybe somebody dropped trash and now

239

00:11:15,949 --> 00:11:13,079

it's flying out

240

00:11:18,530 --> 00:11:15,959

and she said no I'm telling you it's got

241

00:11:21,769 --> 00:11:18,540

two feet and it's walking

242

00:11:24,710 --> 00:11:21,779

so they couldn't quite discern what it

243

00:11:27,170 --> 00:11:24,720

was and they kept walking and then

244

00:11:30,110 --> 00:11:27,180

suddenly whatever it was that she was

245

00:11:33,350 --> 00:11:30,120

seeing splashed into the water

246

00:11:37,490 --> 00:11:33,360

and proceeded and she could see

247

00:11:39,949 --> 00:11:37,500

almost like feet Rippling the canal

248

00:11:43,069 --> 00:11:39,959

and you could hear the water splashing

249

00:11:45,230 --> 00:11:43,079

as whatever it was crossed but when you

250

00:11:46,910 --> 00:11:45,240

looked up to see where the splashing was

251
00:11:47,750 --> 00:11:46,920
coming from there was just kind of like

252
00:11:50,269 --> 00:11:47,760
this

253
00:11:54,650 --> 00:11:50,279
shimmering or glimmering that was going

254
00:12:00,170 --> 00:11:57,590
anybody know what that was

255
00:12:03,110 --> 00:12:00,180
well I guess we we hear about similar

256
00:12:06,290 --> 00:12:03,120
things in some of the missing 4-1-1

257
00:12:08,389 --> 00:12:06,300
stories that David Pilates has recorded

258
00:12:11,150 --> 00:12:08,399
for example there's the the relatively

259
00:12:13,009 --> 00:12:11,160
now I suppose famous case of Bruce

260
00:12:15,650 --> 00:12:13,019
maccabee's wife I should know her first

261
00:12:18,050 --> 00:12:15,660
name I don't and she was she was out

262
00:12:19,790 --> 00:12:18,060
hunting in a tree stand and she saw

263
00:12:21,170 --> 00:12:19,800

something in front of her which she

264

00:12:23,389 --> 00:12:21,180

described as

265

00:12:25,730 --> 00:12:23,399

being somewhat like that effect we see

266

00:12:27,710 --> 00:12:25,740

in the Predator films much like what you

267

00:12:30,350 --> 00:12:27,720

described something shimmering there's a

268

00:12:32,090 --> 00:12:30,360

figure there but it's not there and I've

269

00:12:33,590 --> 00:12:32,100

heard that I've heard those stories more

270

00:12:35,750 --> 00:12:33,600

and more recently it seems to be

271

00:12:37,730 --> 00:12:35,760

something which more people are

272

00:12:39,470 --> 00:12:37,740

experiencing what it is I have no idea

273

00:12:41,509 --> 00:12:39,480

but it seems to be it seems to be

274

00:12:44,150 --> 00:12:41,519

attached to a number of different

275

00:12:46,250 --> 00:12:44,160

anomalous phenomena

276

00:12:48,650 --> 00:12:46,260

like it's straddling two different

277

00:12:50,930 --> 00:12:48,660

planes basically like it's here but it's

278

00:12:54,350 --> 00:12:50,940

also wherever it comes from

279

00:12:57,470 --> 00:12:54,360

that's how it sounds like to me

280

00:13:00,490 --> 00:12:57,480

so that's that's very scary yeah yeah

281

00:13:02,629 --> 00:13:00,500

and they had no explanations

282

00:13:04,730 --> 00:13:02,639

no go ahead go ahead

283

00:13:08,150 --> 00:13:04,740

oh someone even say that there are some

284

00:13:12,170 --> 00:13:08,160

Cryptids have the ability to uh uh to to

285

00:13:15,710 --> 00:13:12,180

go like that to turn translucent

286

00:13:21,110 --> 00:13:18,350

well we did not wander down there we

287

00:13:24,110 --> 00:13:21,120

went over In the Heat of the day and

288

00:13:26,150 --> 00:13:24,120

took some pictures I wanted to see if

289

00:13:28,850 --> 00:13:26,160

there was any kind of suggestion of

290

00:13:31,910 --> 00:13:28,860

footprints or anything you know strange

291

00:13:34,129 --> 00:13:31,920

or out of the ordinary at all all I

292

00:13:35,930 --> 00:13:34,139

noticed was there were some canoes there

293

00:13:37,190 --> 00:13:35,940

and it seemed like when you look at the

294

00:13:40,310 --> 00:13:37,200

water line

295

00:13:43,610 --> 00:13:40,320

the water used to be much higher

296

00:13:45,530 --> 00:13:43,620

and and now it's lower than it used to

297

00:13:48,829 --> 00:13:45,540

be

298

00:13:51,710 --> 00:13:48,839

um you know the the area around it is

299

00:13:54,650 --> 00:13:51,720

very quiet you could see some

300

00:13:57,230 --> 00:13:54,660

maybe ropes of houses

301
00:13:58,910 --> 00:13:57,240
but there's nothing there you know if

302
00:14:01,009 --> 00:13:58,920
you're walking down there it could get

303
00:14:03,769 --> 00:14:01,019
very lonely at night and I could just

304
00:14:05,990 --> 00:14:03,779
picture them just walking down this

305
00:14:08,449 --> 00:14:06,000
canal and seeing this shimmering that

306
00:14:10,730 --> 00:14:08,459
they don't understand

307
00:14:12,769 --> 00:14:10,740
um they have not walked there since then

308
00:14:14,329 --> 00:14:12,779
that when they told us they cautioned us

309
00:14:16,970 --> 00:14:14,339
to don't walk there at night because

310
00:14:19,509 --> 00:14:16,980
whatever it is we can't figure out what

311
00:14:26,810 --> 00:14:24,110
no wow that's spooky yeah definitely

312
00:14:30,110 --> 00:14:26,820
definitely a good story to kick off our

313
00:14:33,110 --> 00:14:30,120

campfire Halloween Round Table

314

00:14:35,569 --> 00:14:33,120

wow that is it's very yeah makes you

315

00:14:45,250 --> 00:14:40,009

yeah what is under the water yeah

316

00:14:48,050 --> 00:14:45,260

any questions from the chat fairies

317

00:14:50,389 --> 00:14:48,060

absolutely I've never heard of them

318

00:14:53,150 --> 00:14:50,399

under the water that's appropriate for

319

00:14:55,730 --> 00:14:53,160

this time of the you know the they the

320

00:14:57,710 --> 00:14:55,740

old Irish tale says that when they fell

321

00:15:00,910 --> 00:14:57,720

from heaven wherever they landed was

322

00:15:04,310 --> 00:15:00,920

where they stayed so that's why you get

323

00:15:07,069 --> 00:15:04,320

that's why you get the fair folk in

324

00:15:08,629 --> 00:15:07,079

sometimes in in water areas because

325

00:15:11,269 --> 00:15:08,639

that's where they landed supposedly

326

00:15:13,129 --> 00:15:11,279

according to the old Irish tales and I

327

00:15:15,590 --> 00:15:13,139

think that's a great tale to kick it off

328

00:15:18,050 --> 00:15:15,600

actually I wasn't going to tell a

329

00:15:19,850 --> 00:15:18,060

personal story but I was going to talk

330

00:15:23,150 --> 00:15:19,860

about the fair folk a little bit because

331

00:15:26,569 --> 00:15:23,160

at this time of the year of course we

332

00:15:28,730 --> 00:15:26,579

tend to think of ghosts and witches and

333

00:15:31,150 --> 00:15:28,740

demons and those kind of creatures but

334

00:15:34,310 --> 00:15:31,160

back in the old countries back in

335

00:15:36,829 --> 00:15:34,320

Scotland and Ireland at this time of the

336

00:15:38,329 --> 00:15:36,839

year what you were primarily concerned

337

00:15:39,889 --> 00:15:38,339

of although you were aware that the

338

00:15:42,590 --> 00:15:39,899

whole veil was down so the dead could be

339

00:15:44,990 --> 00:15:42,600

be looking in as well but what you would

340

00:15:47,629 --> 00:15:45,000

probably primarily concerned about was

341

00:15:49,730 --> 00:15:47,639

the fairies the other crowd because this

342

00:15:51,590 --> 00:15:49,740

was the time of the year just as May Day

343

00:15:53,509 --> 00:15:51,600

on the other end of the calendar on May

344

00:15:56,030 --> 00:15:53,519

1st which was when they would be

345

00:15:58,430 --> 00:15:56,040

traveling between their summer

346

00:15:59,689 --> 00:15:58,440

and winter residences between their

347

00:16:02,810 --> 00:15:59,699

forts

348

00:16:04,329 --> 00:16:02,820

as they're called in Ireland so you

349

00:16:07,790 --> 00:16:04,339

could go out any night of the year

350

00:16:09,949 --> 00:16:07,800

essentially and probably not be bothered

351

00:16:11,629 --> 00:16:09,959

by the fairies although it's not like

352

00:16:13,490 --> 00:16:11,639

it's the only time that the day appeared

353

00:16:16,550 --> 00:16:13,500

but you certainly had no business going

354

00:16:20,090 --> 00:16:16,560

out on November Eve going out on October

355

00:16:22,009 --> 00:16:20,100

31st because everybody knew that's when

356

00:16:24,110 --> 00:16:22,019

they traveled so there's a real irony

357

00:16:26,449 --> 00:16:24,120

today because Halloween is the day that

358

00:16:28,670 --> 00:16:26,459

people do go out later at night you know

359

00:16:31,850 --> 00:16:28,680

it's when children are going door to

360

00:16:33,650 --> 00:16:31,860

door and wandering dark streets but if

361

00:16:36,650 --> 00:16:33,660

you go back to where so much of these

362

00:16:38,870 --> 00:16:36,660

Traditions started from that was the

363

00:16:40,610 --> 00:16:38,880

night you battened down the hatches and

364

00:16:43,189 --> 00:16:40,620

there's an irony of course because those

365

00:16:45,530 --> 00:16:43,199

people were far closer to the origins

366

00:16:48,290 --> 00:16:45,540

and far closer to the creatures that

367

00:16:51,530 --> 00:16:48,300

started this kind of Mythology and they

368

00:16:53,569 --> 00:16:51,540

knew better than to to be out on those

369

00:16:55,189 --> 00:16:53,579

evenings so perhaps when you're going

370

00:16:57,350 --> 00:16:55,199

door-to-door with your children this

371

00:16:59,449 --> 00:16:57,360

Halloween it might be worth keeping an

372

00:17:00,949 --> 00:16:59,459

eye out over your shoulder because it is

373

00:17:02,749 --> 00:17:00,959

meant to be the night these things are

374

00:17:05,210 --> 00:17:02,759

out and about and you don't want to

375

00:17:06,590 --> 00:17:05,220

cross their path or so my ancestors

376

00:17:09,730 --> 00:17:06,600

would have told you in Ireland and

377

00:17:16,130 --> 00:17:13,250

oh yeah and it makes you wonder like

378

00:17:17,390 --> 00:17:16,140

that makes a good point Dean like they

379

00:17:19,130 --> 00:17:17,400

could probably be out with us

380

00:17:21,829 --> 00:17:19,140

trick-or-treating as well because they

381

00:17:24,230 --> 00:17:21,839

would be out causing mischief and other

382

00:17:26,270 --> 00:17:24,240

things and they would just blend in

383

00:17:27,949 --> 00:17:26,280

yeah who knows what that little figure

384

00:17:31,010 --> 00:17:27,959

that you walked past that you thought

385

00:17:32,810 --> 00:17:31,020

was you know that child in costume was

386

00:17:34,430 --> 00:17:32,820

something else and of course they have

387

00:17:36,950 --> 00:17:34,440

glamor as well they can appear whatever

388

00:17:38,390 --> 00:17:36,960

they want to appear like so there's this

389

00:17:40,310 --> 00:17:38,400

idea I think that they're going to be

390

00:17:41,750 --> 00:17:40,320

like Tinkerbell in you know Peter Pan

391

00:17:43,370 --> 00:17:41,760

they don't look like that at all and

392

00:17:45,110 --> 00:17:43,380

they don't normally look like that even

393

00:17:47,029 --> 00:17:45,120

when they show their true selves but

394

00:17:49,010 --> 00:17:47,039

they don't often show their true selves

395

00:17:51,110 --> 00:17:49,020

you're as likely to

396

00:17:52,370 --> 00:17:51,120

be sitting next to somebody in a

397

00:17:53,990 --> 00:17:52,380

restaurant that could be one of them

398

00:17:56,390 --> 00:17:54,000

that's what somebody told the great

399

00:17:57,950 --> 00:17:56,400

folklorist Eddie Lenahan who went out

400

00:17:58,850 --> 00:17:57,960

and interviewed hundreds of people about

401
00:18:01,610 --> 00:17:58,860
the

402
00:18:03,289 --> 00:18:01,620
continuing fairy folk in Ireland over

403
00:18:05,750 --> 00:18:03,299
the last you know several days or

404
00:18:07,970 --> 00:18:05,760
probably last four or five decades and

405
00:18:10,190 --> 00:18:07,980
one thing one old man told him which he

406
00:18:12,049 --> 00:18:10,200
said really stuck with him

407
00:18:13,549 --> 00:18:12,059
was that you know when he talked to them

408
00:18:15,350 --> 00:18:13,559
what do the fairies look like he said

409
00:18:16,789 --> 00:18:15,360
you could be sitting next to one at the

410
00:18:18,830 --> 00:18:16,799
pub and you wouldn't know

411
00:18:20,090 --> 00:18:18,840
they can appear however they like so

412
00:18:21,650 --> 00:18:20,100
yeah you wouldn't know you're right

413
00:18:24,490 --> 00:18:21,660

Bernadette if you passed one on the

414

00:18:26,270 --> 00:18:24,500

street on Halloween you'd have no idea

415

00:18:27,529 --> 00:18:26,280

that would that would be something

416

00:18:29,870 --> 00:18:27,539

though like you're sitting down

417

00:18:32,210 --> 00:18:29,880

somewhere and yeah you can be sitting

418

00:18:33,409 --> 00:18:32,220

next to one of them yeah that's a spooky

419

00:18:36,289 --> 00:18:33,419

thought

420

00:18:38,810 --> 00:18:36,299

okay I'm sure I'm sure Mr Sam is

421

00:18:41,210 --> 00:18:38,820

cognizant of most of this type of law as

422

00:18:43,730 --> 00:18:41,220

well hailing from the British Islands I

423

00:18:46,130 --> 00:18:43,740

mean yeah I grew up in and around

424

00:18:48,650 --> 00:18:46,140

um the whole folk mythology and the

425

00:18:51,470 --> 00:18:48,660

romance behind it all um but yeah you're

426

00:18:52,730 --> 00:18:51,480

very you're very right there with it you

427

00:18:54,770 --> 00:18:52,740

know

428

00:18:56,810 --> 00:18:54,780

it could be anything they could appear

429

00:18:59,570 --> 00:18:56,820

as anything it could be as large as a

430

00:19:03,350 --> 00:18:59,580

troll uh considered as a fairy

431

00:19:04,730 --> 00:19:03,360

um or as small as you know a frog or

432

00:19:06,110 --> 00:19:04,740

riding a frog I mean there's so many

433

00:19:08,090 --> 00:19:06,120

different stories there's just the

434

00:19:10,850 --> 00:19:08,100

Spectrum to put them all into the

435

00:19:12,350 --> 00:19:10,860

category of the Fey or the chi or the

436

00:19:14,390 --> 00:19:12,360

other ones as you say

437

00:19:16,370 --> 00:19:14,400

um it's fascinating to me because this

438

00:19:20,270 --> 00:19:16,380

appears in every culture around the

439

00:19:21,590 --> 00:19:20,280

world and uh it makes you wonder if all

440

00:19:22,789 --> 00:19:21,600

these people are seeing something they

441

00:19:24,289 --> 00:19:22,799

have to be seeing something because they

442

00:19:26,150 --> 00:19:24,299

can't all be lying and making it up

443

00:19:28,010 --> 00:19:26,160

because all the stories are so similar

444

00:19:29,029 --> 00:19:28,020

it reminds me

445

00:19:32,210 --> 00:19:29,039

um

446

00:19:33,590 --> 00:19:32,220

of a story I was told it's a very brief

447

00:19:36,169 --> 00:19:33,600

story

448

00:19:38,390 --> 00:19:36,179

um but I was staying with my girlfriend

449

00:19:40,669 --> 00:19:38,400

at the time in Wales many years ago

450

00:19:44,090 --> 00:19:40,679

maybe 15 16 years ago

451
00:19:45,529 --> 00:19:44,100
and um we were still we were visiting

452
00:19:47,090 --> 00:19:45,539
her parents and staying there in a

453
00:19:49,909 --> 00:19:47,100
little cottage that they had which had

454
00:19:50,990 --> 00:19:49,919
been a converted Vickery uh so it's a

455
00:19:53,150 --> 00:19:51,000
lovely little place in the middle of

456
00:19:55,370 --> 00:19:53,160
nowhere of course surrounded by Rolling

457
00:19:58,490 --> 00:19:55,380
Hills and and forests and valleys and

458
00:20:02,390 --> 00:19:58,500
things so perfect place for strange

459
00:20:04,310 --> 00:20:02,400
unusual beings or creatures or Fae

460
00:20:07,010 --> 00:20:04,320
and one evening we had dinner with our

461
00:20:10,610 --> 00:20:07,020
parents at their house of course and

462
00:20:14,150 --> 00:20:10,620
they invited uh a chap

463
00:20:15,590 --> 00:20:14,160

um a neighbor from a local Farm down the

464

00:20:17,510 --> 00:20:15,600

road maybe

465

00:20:18,710 --> 00:20:17,520

um and I'm not going to give you the

466

00:20:22,990 --> 00:20:18,720

real name but let's let's call him

467

00:20:29,090 --> 00:20:26,510

and uh you know we had dinner and we're

468

00:20:31,490 --> 00:20:29,100

all sat around just sort of reaching for

469

00:20:33,169 --> 00:20:31,500

the hoes out the bowl and you know

470

00:20:35,150 --> 00:20:33,179

filling up the orange juice and whatever

471

00:20:36,650 --> 00:20:35,160

just catching up on things and this was

472

00:20:38,150 --> 00:20:36,660

you know height of Summer

473

00:20:39,950 --> 00:20:38,160

and

474

00:20:41,390 --> 00:20:39,960

my girlfriend's dad whispered in my ear

475

00:20:43,010 --> 00:20:41,400

you should ask him about the little

476

00:20:44,810 --> 00:20:43,020

green men

477

00:20:46,669 --> 00:20:44,820

and I said what because he knew I was

478

00:20:49,190 --> 00:20:46,679

fascinated by you know anything strange

479

00:20:52,070 --> 00:20:49,200

so I said you know didn't want to

480

00:20:54,770 --> 00:20:52,080

embarrass him or put him on the spot but

481

00:20:56,029 --> 00:20:54,780

I just quietly asked him I said um I

482

00:20:57,830 --> 00:20:56,039

believe you have a story about Little

483

00:20:59,270 --> 00:20:57,840

Green Men and of course I'm initially

484

00:21:00,289 --> 00:20:59,280

just thinking aliens because that's

485

00:21:02,630 --> 00:21:00,299

where your head goes when you think

486

00:21:05,029 --> 00:21:02,640

Little Green Men but that wasn't what it

487

00:21:06,830 --> 00:21:05,039

was at all in fact I mean really it

488

00:21:08,150 --> 00:21:06,840

there's no explanation as to what it was

489

00:21:09,350 --> 00:21:08,160

but he

490

00:21:10,970 --> 00:21:09,360

swore

491

00:21:14,029 --> 00:21:10,980

and this is the bit that really got me

492

00:21:15,950 --> 00:21:14,039

he swore that he was washing the dishes

493

00:21:18,430 --> 00:21:15,960

and looking out of the kitchen window

494

00:21:21,470 --> 00:21:18,440

that was in front of him above the sink

495

00:21:23,990 --> 00:21:21,480

and he saw

496

00:21:26,210 --> 00:21:24,000

six or seven inch tall Little People

497

00:21:28,430 --> 00:21:26,220

stood on the windowsill looking in

498

00:21:30,409 --> 00:21:28,440

watching him wash the dishes and he

499

00:21:32,630 --> 00:21:30,419

dropped the dish into the sink Splash

500

00:21:35,330 --> 00:21:32,640

you know and froze and just looked at

501
00:21:36,710 --> 00:21:35,340
them and then they ran off in the blink

502
00:21:37,789 --> 00:21:36,720
of an eye off the windowsill and into

503
00:21:40,070 --> 00:21:37,799
the bushes

504
00:21:42,710 --> 00:21:40,080
and that was it that was the all of the

505
00:21:45,590 --> 00:21:42,720
story that he could tell me and I I

506
00:21:47,630 --> 00:21:45,600
pestered him as politely as I could to

507
00:21:48,890 --> 00:21:47,640
get you know any more information out of

508
00:21:51,230 --> 00:21:48,900
him what are they were they wearing

509
00:21:53,810 --> 00:21:51,240
clothes he would not talk about it it

510
00:21:54,470 --> 00:21:53,820
was almost as though he was scared

511
00:21:56,810 --> 00:21:54,480
um

512
00:21:58,490 --> 00:21:56,820
because they'd you know visited him at

513
00:22:01,070 --> 00:21:58,500

his home he said he'd never saw them

514

00:22:03,710 --> 00:22:01,080

again he didn't know what they were but

515

00:22:06,049 --> 00:22:03,720

he swears as the sun goes up and down

516

00:22:07,970 --> 00:22:06,059

that there were little green people on

517

00:22:09,289 --> 00:22:07,980

the windowsill watching him wash the

518

00:22:12,649 --> 00:22:09,299

dishes

519

00:22:19,789 --> 00:22:15,830

it's interesting

520

00:22:21,590 --> 00:22:19,799

that Sam said when they mentioned Little

521

00:22:24,350 --> 00:22:21,600

Green Man of course the first thing that

522

00:22:25,850 --> 00:22:24,360

comes to one's mind is aliens because

523

00:22:27,289 --> 00:22:25,860

that's been the term used so much

524

00:22:28,730 --> 00:22:27,299

although now it's probably little gray

525

00:22:31,909 --> 00:22:28,740

men but Little Green Men was the

526

00:22:34,130 --> 00:22:31,919

tradition but of course before the 1940s

527

00:22:35,990 --> 00:22:34,140

when we became conscious of that term

528

00:22:37,669 --> 00:22:36,000

the late 40s 50s of Little Green Men

529

00:22:39,370 --> 00:22:37,679

meaning aliens of course Little Green

530

00:22:41,930 --> 00:22:39,380

Man indeed met

531

00:22:43,850 --> 00:22:41,940

the fair folk or the she or the other

532

00:22:46,789 --> 00:22:43,860

crowd because traditionally they were

533

00:22:49,370 --> 00:22:46,799

often garbed in green for starters so

534

00:22:51,409 --> 00:22:49,380

you wonder if somehow we were cognizant

535

00:22:53,750 --> 00:22:51,419

even when we were throwing what we

536

00:22:55,730 --> 00:22:53,760

thought was a science fiction label on

537

00:22:57,529 --> 00:22:55,740

these entities if we still knew that

538

00:23:00,110 --> 00:22:57,539

somehow they really did belong to that

539

00:23:01,669 --> 00:23:00,120

tradition if the aliens and the she or

540

00:23:03,830 --> 00:23:01,679

the aliens and the Fey or whatever we

541

00:23:05,510 --> 00:23:03,840

want to call them weren't really so far

542

00:23:07,970 --> 00:23:05,520

removed from each other

543

00:23:10,610 --> 00:23:07,980

yeah there's lots of parallels and uh

544

00:23:11,870 --> 00:23:10,620

similarities there of course it all goes

545

00:23:14,810 --> 00:23:11,880

hand in hand isn't it people going

546

00:23:16,909 --> 00:23:14,820

missing missing time children being

547

00:23:20,330 --> 00:23:16,919

disappeared and returning years later

548

00:23:22,789 --> 00:23:20,340

much older all kinds of stories are so

549

00:23:25,070 --> 00:23:22,799

similar between alien abductions and of

550

00:23:26,630 --> 00:23:25,080

course fairies abducting children people

551
00:23:28,610 --> 00:23:26,640
who fall asleep in the woods strange

552
00:23:31,850 --> 00:23:28,620
sounds strange lights Magical Lights

553
00:23:34,610 --> 00:23:31,860
it's all the same thing I think I agree

554
00:23:35,990 --> 00:23:34,620
I agree with that absolutely and it

555
00:23:37,909 --> 00:23:36,000
makes you wonder if they were still

556
00:23:40,130 --> 00:23:37,919
watching him but he just didn't see them

557
00:23:41,690 --> 00:23:40,140
anymore like maybe that was just the

558
00:23:44,210 --> 00:23:41,700
one-off where they let their guard down

559
00:23:46,070 --> 00:23:44,220
and you know got caught basically well

560
00:23:48,110 --> 00:23:46,080
yeah I mean that's a good point I mean

561
00:23:51,350 --> 00:23:48,120
what scares me if we want to get the

562
00:23:52,669 --> 00:23:51,360
chills up our spines is how long have

563
00:23:54,289 --> 00:23:52,679

they been watching him were they

564

00:23:57,289 --> 00:23:54,299

watching him at night were they getting

565

00:23:59,870 --> 00:23:57,299

into the house have they always been

566

00:24:00,710 --> 00:23:59,880

did they visit him since

567

00:24:02,870 --> 00:24:00,720

um

568

00:24:04,430 --> 00:24:02,880

or were they just passing through and

569

00:24:06,230 --> 00:24:04,440

heard the clanking of dishes and water

570

00:24:09,049 --> 00:24:06,240

and thought what's that were they just

571

00:24:12,470 --> 00:24:09,059

curious or had they been all along and

572

00:24:15,649 --> 00:24:12,480

maybe for a moment just uh I got to put

573

00:24:16,080 --> 00:24:15,659

their little shimmery invisibility cloak

574

00:24:21,110 --> 00:24:16,090

on or whatever

575

00:24:24,669 --> 00:24:22,730

a kind of

576

00:24:27,590 --> 00:24:24,679

a long visit

577

00:24:31,130 --> 00:24:27,600

watching someone the same person because

578

00:24:34,490 --> 00:24:31,140

in Alien literature they talk about how

579

00:24:37,850 --> 00:24:34,500

families for Generations are watched

580

00:24:41,330 --> 00:24:37,860

absolutely by aliens and for some reason

581

00:24:43,789 --> 00:24:41,340

they get tagged and they study what

582

00:24:47,510 --> 00:24:43,799

they're doing uh some of them eventually

583

00:24:49,130 --> 00:24:47,520

do get abducted I mean it I I don't know

584

00:24:51,409 --> 00:24:49,140

how we tell the difference between

585

00:24:53,750 --> 00:24:51,419

something that's an alien visitation or

586

00:24:57,770 --> 00:24:53,760

it could be it as you said could be a

587

00:25:00,649 --> 00:24:57,780

Fae or Elemental type of visitation

588

00:25:04,070 --> 00:25:00,659

yeah yeah I mean are they the same thing

589

00:25:10,130 --> 00:25:06,169

coming from somewhere else that's that's

590

00:25:12,950 --> 00:25:10,140

definitely points to the same thing

591

00:25:15,049 --> 00:25:12,960

yeah we tend to always physicalize or

592

00:25:17,570 --> 00:25:15,059

literalize these things so we have to

593

00:25:20,510 --> 00:25:17,580

now imagine they're from out of space

594

00:25:22,970 --> 00:25:20,520

and we we perhaps when we were more

595

00:25:25,250 --> 00:25:22,980

immersed in fairy law we had to believe

596

00:25:27,890 --> 00:25:25,260

they came from the fort or they came

597

00:25:30,049 --> 00:25:27,900

from the hill but maybe they're maybe

598

00:25:32,870 --> 00:25:30,059

outer space in the hill are the same

599

00:25:34,730 --> 00:25:32,880

thing maybe they come from a space next

600

00:25:36,590 --> 00:25:34,740

to us but which which isn't ours and

601
00:25:38,149 --> 00:25:36,600
they come in and out and maybe that

602
00:25:39,529 --> 00:25:38,159
explains like I think Bernadette was

603
00:25:42,409 --> 00:25:39,539
suggesting before as well this

604
00:25:44,750 --> 00:25:42,419
shimmering effect might be them with one

605
00:25:47,090 --> 00:25:44,760
foot in our our world and one foot in

606
00:25:49,310 --> 00:25:47,100
theirs that's interesting that's a good

607
00:25:51,350 --> 00:25:49,320
point you bring up there that we always

608
00:25:54,049 --> 00:25:51,360
tend to especially these days we try to

609
00:25:56,029 --> 00:25:54,059
explain a mystery with another mystery

610
00:25:58,010 --> 00:25:56,039
and I think in if we're going to

611
00:26:00,649 --> 00:25:58,020
consider the aliens and fairies are the

612
00:26:02,390 --> 00:26:00,659
same thing then of course these days we

613
00:26:04,370 --> 00:26:02,400

have to explain it some way and the best

614

00:26:07,070 --> 00:26:04,380

way to explain it is to have something

615

00:26:10,490 --> 00:26:07,080

so far flung out that we can't prove it

616

00:26:12,049 --> 00:26:10,500

I.E it comes from space that though

617

00:26:13,310 --> 00:26:12,059

although that's the answer then now

618

00:26:15,289 --> 00:26:13,320

they're coming from another planet

619

00:26:18,230 --> 00:26:15,299

whereas before as you say they just came

620

00:26:20,870 --> 00:26:18,240

from the forest now we've explored

621

00:26:22,490 --> 00:26:20,880

forests and we can explore the forest if

622

00:26:24,890 --> 00:26:22,500

this strange thing these visitations

623

00:26:26,990 --> 00:26:24,900

happen now we tend to lean towards well

624

00:26:28,850 --> 00:26:27,000

they must be from further away that we

625

00:26:30,649 --> 00:26:28,860

can't explore

626

00:26:33,289 --> 00:26:30,659

absolutely there's no unknown

627

00:26:35,570 --> 00:26:33,299

territories it's like the movie King

628

00:26:37,669 --> 00:26:35,580

Kong it kind of made sense when it was

629

00:26:39,590 --> 00:26:37,679

made you know I think it was it made

630

00:26:41,330 --> 00:26:39,600

just pre-World War II because there

631

00:26:43,130 --> 00:26:41,340

hadn't been a battle on every island in

632

00:26:44,930 --> 00:26:43,140

the Pacific you know what I mean but

633

00:26:47,990 --> 00:26:44,940

after World War II there really were a

634

00:26:49,850 --> 00:26:48,000

few places where we hadn't trodden so as

635

00:26:51,649 --> 00:26:49,860

we go forward I think that's where

636

00:26:54,590 --> 00:26:51,659

there's also the popularity of secret

637

00:26:56,870 --> 00:26:54,600

U.S bases holding aliens underground or

638

00:26:58,909 --> 00:26:56,880

holding flying sources because they're

639

00:27:01,130 --> 00:26:58,919

the new forbidden territory that we

640

00:27:02,330 --> 00:27:01,140

can't tread so we we you're right we

641

00:27:04,130 --> 00:27:02,340

either have to put them in outer space

642

00:27:06,529 --> 00:27:04,140

so we have to put them as part of the

643

00:27:08,510 --> 00:27:06,539

National Security State but it might be

644

00:27:10,310 --> 00:27:08,520

in some ways far more complicated but

645

00:27:12,529 --> 00:27:10,320

far more simple it might just be

646

00:27:14,570 --> 00:27:12,539

somewhere we don't understand that

647

00:27:18,110 --> 00:27:14,580

they're from

648

00:27:20,269 --> 00:27:18,120

oh yeah yeah absolutely

649

00:27:22,490 --> 00:27:20,279

and I also think maybe in a way it's

650

00:27:24,590 --> 00:27:22,500

like we're protecting ourselves too like

651
00:27:27,350 --> 00:27:24,600
our minds protecting itself because we

652
00:27:29,029 --> 00:27:27,360
can say well it's not coming from you

653
00:27:31,190 --> 00:27:29,039
know the forest anymore it's coming from

654
00:27:33,289 --> 00:27:31,200
outer space so this way it's further

655
00:27:35,870 --> 00:27:33,299
away it can't hurt us

656
00:27:38,210 --> 00:27:35,880
does that make sense oh yeah like where

657
00:27:39,890 --> 00:27:38,220
as you know our ancestors were like it's

658
00:27:43,490 --> 00:27:39,900
the forest so we're going to stay out

659
00:27:46,490 --> 00:27:43,500
there or be careful you know yeah

660
00:27:48,230 --> 00:27:46,500
exactly exactly and I I think that's the

661
00:27:50,990 --> 00:27:48,240
way of our minds protecting ourselves

662
00:27:52,789 --> 00:27:51,000
you know from realizing that it's

663
00:27:55,250 --> 00:27:52,799

something beyond our control Beyond

664

00:27:57,350 --> 00:27:55,260

ourselves

665

00:27:58,669 --> 00:27:57,360

I think that's also one of the most

666

00:28:01,070 --> 00:27:58,679

frightening things as well that you're

667

00:28:03,830 --> 00:28:01,080

pointing on there is to sort of we

668

00:28:06,350 --> 00:28:03,840

automatically think oh you know fairies

669

00:28:07,909 --> 00:28:06,360

let's say for example you're washing the

670

00:28:10,130 --> 00:28:07,919

dishes and you see some little green

671

00:28:12,049 --> 00:28:10,140

people on the windowsill all of a sudden

672

00:28:13,810 --> 00:28:12,059

your brain almost snaps because you

673

00:28:15,950 --> 00:28:13,820

think that's not supposed to exist

674

00:28:18,529 --> 00:28:15,960

whereas you might be able to accept

675

00:28:20,510 --> 00:28:18,539

aliens oh they're out there you know

676

00:28:22,730 --> 00:28:20,520

we're not alone but for little people to

677

00:28:24,230 --> 00:28:22,740

be on the windowsill that's too much for

678

00:28:26,870 --> 00:28:24,240

the brain to sort of really wrap around

679

00:28:28,310 --> 00:28:26,880

and I think we do try to make things a

680

00:28:29,750 --> 00:28:28,320

little safe for ourselves and more

681

00:28:31,190 --> 00:28:29,760

comfortable by explaining it away

682

00:28:33,830 --> 00:28:31,200

whereas when you're presented with

683

00:28:35,450 --> 00:28:33,840

little green people on a windowsill

684

00:28:37,669 --> 00:28:35,460

um fairies aren't supposed to be

685

00:28:40,010 --> 00:28:37,679

existing here in this time this day and

686

00:28:41,450 --> 00:28:40,020

age what's going on that's terrifying to

687

00:28:45,830 --> 00:28:41,460

me

688

00:28:47,750 --> 00:28:45,840

looking in one's Windows is always

689

00:28:49,549 --> 00:28:47,760

terrifying which the the little green

690

00:28:51,890 --> 00:28:49,559

man's story in your point that they're

691

00:28:53,630 --> 00:28:51,900

outside what we would expect an alien to

692

00:28:56,029 --> 00:28:53,640

look like or we expect the other to look

693

00:28:57,830 --> 00:28:56,039

like I remember in a Jacques for Lay

694

00:28:59,510 --> 00:28:57,840

book he talked about somebody the man

695

00:29:01,250 --> 00:28:59,520

might even have been washing his wish

696

00:29:03,409 --> 00:29:01,260

dishes as well but I know he looked out

697

00:29:06,110 --> 00:29:03,419

of his kitchen window and he saw what

698

00:29:07,909 --> 00:29:06,120

was like a half-man half scorpion on his

699

00:29:10,310 --> 00:29:07,919

front lawn and valet took this report

700

00:29:12,169 --> 00:29:10,320

quite seriously the man was absolutely

701
00:29:14,810 --> 00:29:12,179
you know obviously flabbergasted and

702
00:29:16,430 --> 00:29:14,820
shocked and stunned and I mean how do

703
00:29:18,169 --> 00:29:16,440
you process something like that sitting

704
00:29:19,610 --> 00:29:18,179
on your front lawn looking at you it's

705
00:29:20,990 --> 00:29:19,620
easy now it'd still be scary if a

706
00:29:22,310 --> 00:29:21,000
Bigfoot was on your front lawn looking

707
00:29:24,110 --> 00:29:22,320
up at you but we can kind of process

708
00:29:26,570 --> 00:29:24,120
that we have a space we can put that in

709
00:29:28,149 --> 00:29:26,580
but little six inch you know Green Man

710
00:29:31,490 --> 00:29:28,159
or you know

711
00:29:33,710 --> 00:29:31,500
or or scorpion man on your front lawn

712
00:29:36,470 --> 00:29:33,720
how do we process that

713
00:29:38,750 --> 00:29:36,480

I remember being five years old I told

714

00:29:41,330 --> 00:29:38,760

this story on where did the road go with

715

00:29:42,769 --> 00:29:41,340

so I asked her maybe great show seven

716

00:29:45,830 --> 00:29:42,779

years ago or something

717

00:29:48,350 --> 00:29:45,840

um but I remember being around four or

718

00:29:50,630 --> 00:29:48,360

five years old and me and my mum were

719

00:29:52,549 --> 00:29:50,640

about to go to the shops in England and

720

00:29:54,649 --> 00:29:52,559

I just learned over a wall and I looked

721

00:29:55,850 --> 00:29:54,659

down and the wall was a drop of maybe

722

00:29:58,070 --> 00:29:55,860

six foot

723

00:29:59,590 --> 00:29:58,080

and I looked down and there was a green

724

00:30:02,870 --> 00:29:59,600

grasshopper

725

00:30:05,269 --> 00:30:02,880

but the weirdest thing was it it was and

726

00:30:07,070 --> 00:30:05,279

it sounds ridiculous but it was about a

727

00:30:09,590 --> 00:30:07,080

foot long now of course when you small

728

00:30:11,330 --> 00:30:09,600

things appear to be much larger but the

729

00:30:13,310 --> 00:30:11,340

really strange thing was is it turned

730

00:30:15,710 --> 00:30:13,320

its head there's sort of like an insect

731

00:30:18,130 --> 00:30:15,720

that sort of swivels swivels the head

732

00:30:22,070 --> 00:30:18,140

and it had an old man's face and so

733

00:30:24,950 --> 00:30:22,080

goodness I immediately ran inside

734

00:30:26,330 --> 00:30:24,960

and got my mom and came out and I was

735

00:30:28,010 --> 00:30:26,340

saying you know there's an old man he's

736

00:30:29,870 --> 00:30:28,020

a grasshopper but he's got an old man's

737

00:30:32,830 --> 00:30:29,880

face and

738

00:30:37,430 --> 00:30:35,930

it was gone you know so um yeah that's

739

00:30:39,230 --> 00:30:37,440

pretty tough what was that was that a

740

00:30:44,990 --> 00:30:39,240

Faye was that just a grasshopper with a

741

00:30:48,669 --> 00:30:46,970

I would have been scared of that I won't

742

00:30:51,470 --> 00:30:48,679

lie

743

00:30:53,269 --> 00:30:51,480

yeah oh my gosh

744

00:30:55,430 --> 00:30:53,279

no he didn't say anything else

745

00:30:57,669 --> 00:30:55,440

I think did you say anything to you I

746

00:31:01,730 --> 00:30:57,679

was about to ask

747

00:31:01,740 --> 00:31:06,049

Pinocchio

748

00:31:10,190 --> 00:31:08,029

I think it's those kind of reports that

749

00:31:11,810 --> 00:31:10,200

point to how strange the anomalous

750

00:31:14,090 --> 00:31:11,820

really is you know and they're the ones

751
00:31:16,250 --> 00:31:14,100
which are often ignored by the more

752
00:31:18,769 --> 00:31:16,260
mainstream books that want every you

753
00:31:20,149 --> 00:31:18,779
know a mainstream cryptozoologist who

754
00:31:22,370 --> 00:31:20,159
believes that there are Flesh and Blood

755
00:31:24,529 --> 00:31:22,380
Apes running around North American Woods

756
00:31:27,649 --> 00:31:24,539
wants to only put stories which seem to

757
00:31:29,210 --> 00:31:27,659
back up that in just the same way as you

758
00:31:30,950 --> 00:31:29,220
know a ufologist who believes we're

759
00:31:33,289 --> 00:31:30,960
being visited from outer space and

760
00:31:34,909 --> 00:31:33,299
there's a some type of genetic breeding

761
00:31:37,250 --> 00:31:34,919
program that the Grays have been doing

762
00:31:40,490 --> 00:31:37,260
they only want stories that fit exactly

763
00:31:42,649 --> 00:31:40,500

into that narrative so things like that

764

00:31:44,510 --> 00:31:42,659

um grasshopper you experienced they're

765

00:31:47,210 --> 00:31:44,520

traditionally just ignored what kind of

766

00:31:48,830 --> 00:31:47,220

books you know in include those but

767

00:31:50,450 --> 00:31:48,840

you've got to wonder how many of those

768

00:31:53,570 --> 00:31:50,460

type of reports are out there those

769

00:31:55,490 --> 00:31:53,580

totally over the top totally High

770

00:31:59,149 --> 00:31:55,500

strangeness accounts that don't fit any

771

00:32:00,529 --> 00:31:59,159

anything at first I I thought it was a

772

00:32:03,049 --> 00:32:00,539

toy

773

00:32:05,510 --> 00:32:03,059

um until it moved I really thought it

774

00:32:06,950 --> 00:32:05,520

was a big plastic toy grasshopper so I

775

00:32:08,630 --> 00:32:06,960

was really curious you know I was going

776

00:32:11,210 --> 00:32:08,640

to grab it like oh cool I found a new

777

00:32:14,149 --> 00:32:11,220

toy until it turned its head and it when

778

00:32:17,930 --> 00:32:14,159

it had an old man's face so yeah that's

779

00:32:17,940 --> 00:32:24,350

you know I fly

780

00:32:30,470 --> 00:32:27,529

a little miniature things around around

781

00:32:31,730 --> 00:32:30,480

my house once upon a time I've seen

782

00:32:34,549 --> 00:32:31,740

these things a couple different times

783

00:32:37,370 --> 00:32:34,559

but uh it looks like uh like like he

784

00:32:39,350 --> 00:32:37,380

would say maybe 10 inches tall and

785

00:32:41,990 --> 00:32:39,360

they've got little arms and legs pumping

786

00:32:43,970 --> 00:32:42,000

as they run off little conical head but

787

00:32:47,090 --> 00:32:43,980

there it was like a dark

788

00:32:49,310 --> 00:32:47,100

green brown black color and I've and and

789

00:32:51,529 --> 00:32:49,320

I've seen it in the house and

790

00:32:55,430 --> 00:32:51,539

my family's sitting in the house still

791

00:32:57,409 --> 00:32:55,440

that's terrifying yeah two of them at

792

00:32:58,610 --> 00:32:57,419

one time one time I have no idea where

793

00:33:04,730 --> 00:32:58,620

they're coming from or where they're

794

00:33:08,630 --> 00:33:04,740

going to the drawers yeah yep daytime

795

00:33:11,830 --> 00:33:08,640

you saw it and run around his alarms

796

00:33:16,730 --> 00:33:11,840

were pumping it was it was wild

797

00:33:21,889 --> 00:33:19,850

you know you need to invest in multiple

798

00:33:23,389 --> 00:33:21,899

cameras inside your house

799

00:33:25,909 --> 00:33:23,399

yeah yeah

800

00:33:29,950 --> 00:33:25,919

yes I do I should yeah this house you

801
00:33:35,930 --> 00:33:33,049
yeah that that would be scary did you

802
00:33:38,870 --> 00:33:35,940
just move in there Vince

803
00:33:39,529 --> 00:33:38,880
no no this is the house I was uh raised

804
00:33:43,970 --> 00:33:39,539
in

805
00:33:47,269 --> 00:33:43,980
and we've had uh like

806
00:33:49,430 --> 00:33:47,279
traffic before but uh nothing I mean I

807
00:33:51,830 --> 00:33:49,440
don't ever recall seeing any little guys

808
00:33:54,889 --> 00:33:51,840
running around when I was a kid

809
00:33:56,930 --> 00:33:54,899
I don't know did they follow me home

810
00:33:59,029 --> 00:33:56,940
from uh California or something who

811
00:34:01,130 --> 00:33:59,039
knows I don't know

812
00:34:03,230 --> 00:34:01,140
yeah you might be safer out on the road

813
00:34:06,470 --> 00:34:03,240

on on Halloween it might be safer to be

814

00:34:07,570 --> 00:34:06,480

outside of your house exactly

815

00:34:10,430 --> 00:34:07,580

yeah

816

00:34:12,349 --> 00:34:10,440

we have a go we have a ghost cat that we

817

00:34:15,770 --> 00:34:12,359

see a lot I think that's what we see the

818

00:34:18,109 --> 00:34:15,780

most uh besides the shadow thing but uh

819

00:34:19,849 --> 00:34:18,119

yeah we've got like a ghost cat a gray

820

00:34:22,849 --> 00:34:19,859

cat doesn't look like any cats we've

821

00:34:24,589 --> 00:34:22,859

ever had and I do have cats so right

822

00:34:27,230 --> 00:34:24,599

away I'm like ah was that one of my cats

823

00:34:29,450 --> 00:34:27,240

but no no this thing me and my father

824

00:34:31,790 --> 00:34:29,460

cornered it one time up in up in their

825

00:34:34,250 --> 00:34:31,800

bedroom okay and he swore up and down I

826

00:34:36,349 --> 00:34:34,260

got the cat I finally got the cat and

827

00:34:38,869 --> 00:34:36,359

we're like what's going on

828

00:34:40,849 --> 00:34:38,879

we go up there and he's got the door

829

00:34:41,869 --> 00:34:40,859

shut and he's like you go that side I'll

830

00:34:45,290 --> 00:34:41,879

go to this side we're gonna go we're

831

00:34:48,230 --> 00:34:45,300

gonna get this cat finally and I saw the

832

00:34:51,770 --> 00:34:48,240

thing under the bed it was a it was a

833

00:34:54,050 --> 00:34:51,780

great cat and we started to go after it

834

00:34:55,369 --> 00:34:54,060

and we never could get it again I saw it

835

00:34:58,510 --> 00:34:55,379

the one time

836

00:35:00,829 --> 00:34:58,520

up there and I we didn't see it again

837

00:35:03,410 --> 00:35:00,839

was it even a cat

838

00:35:06,950 --> 00:35:03,420

yeah right who knows it could have been

839

00:35:08,349 --> 00:35:06,960

that little guy I don't know could have

840

00:35:11,329 --> 00:35:08,359

been

841

00:35:14,390 --> 00:35:11,339

as Sam said before they can is it a cat

842

00:35:16,430 --> 00:35:14,400

any way that I want or was it alive at

843

00:35:18,829 --> 00:35:16,440

one point

844

00:35:20,510 --> 00:35:18,839

uh well see no it's not a cat that I

845

00:35:23,630 --> 00:35:20,520

read

846

00:35:26,210 --> 00:35:23,640

so and and we do have like a little pet

847

00:35:29,390 --> 00:35:26,220

cemetery out in the back but

848

00:35:31,930 --> 00:35:29,400

not nothing big detail there

849

00:35:45,190 --> 00:35:34,250

it's our pets so it's like only like

850

00:35:55,670 --> 00:35:48,650

go further through the trees to see if

851
00:36:07,670 --> 00:35:58,310
have you seen even things at Cemetery

852
00:36:11,750 --> 00:36:09,109
hahaha

853
00:36:14,150 --> 00:36:11,760
oh my gosh so I guess it's my turn since

854
00:36:16,430 --> 00:36:14,160
Vincent already went it's my turn

855
00:36:19,430 --> 00:36:16,440
so yeah I jumped in there sorry no

856
00:36:20,690 --> 00:36:19,440
you're fine no you're fine so this is

857
00:36:22,370 --> 00:36:20,700
going to be totally different than

858
00:36:25,609 --> 00:36:22,380
fairies and everything else this is

859
00:36:29,329 --> 00:36:25,619
personal this is something for my family

860
00:36:31,550 --> 00:36:29,339
so when I was growing up

861
00:36:33,349 --> 00:36:31,560
my mom and grandmother would always like

862
00:36:34,910 --> 00:36:33,359
have this argument about this woman

863
00:36:37,910 --> 00:36:34,920

named Helen

864

00:36:39,410 --> 00:36:37,920

I I didn't know because I was little you

865

00:36:41,030 --> 00:36:39,420

don't know these things when your

866

00:36:44,030 --> 00:36:41,040

parents or your grandparents and

867

00:36:47,030 --> 00:36:44,040

everyone argues so as I got older

868

00:36:48,589 --> 00:36:47,040

and I asked about her and my mom it was

869

00:36:51,530 --> 00:36:48,599

just me and my mom and my mom looked at

870

00:36:53,329 --> 00:36:51,540

me and she said I hate that woman you

871

00:36:55,190 --> 00:36:53,339

know I wish we had never met her all

872

00:36:58,270 --> 00:36:55,200

this and I'm just like what you know so

873

00:37:01,730 --> 00:36:58,280

she told me my grandmother had always

874

00:37:03,890 --> 00:37:01,740

wanted to be able to read tarot cards

875

00:37:06,410 --> 00:37:03,900

see the future and all this because my

876

00:37:09,650 --> 00:37:06,420

mom was very good at tarot cards

877

00:37:11,450 --> 00:37:09,660

and so Helen was apparently a tear a

878

00:37:13,790 --> 00:37:11,460

tarot card reader I used the term

879

00:37:16,849 --> 00:37:13,800

loosely because that's how my mom used

880

00:37:19,630 --> 00:37:16,859

it so my grandmother went to her

881

00:37:22,550 --> 00:37:19,640

and my girlfriend just worshiped her

882

00:37:26,030 --> 00:37:22,560

strangely okay

883

00:37:31,670 --> 00:37:26,040

and we have a dog

884

00:37:33,890 --> 00:37:31,680

and so sorry about that so it's okay so

885

00:37:37,069 --> 00:37:33,900

my grandmother was like my mom was like

886

00:37:38,870 --> 00:37:37,079

17 or 18 at the time she was like you

887

00:37:40,849 --> 00:37:38,880

have to come and see her she is

888

00:37:42,650 --> 00:37:40,859

wonderful you're going to love her

889

00:37:45,530 --> 00:37:42,660

she'll she'll read your tea leaves she's

890

00:37:49,430 --> 00:37:45,540

amazing and I was like whatever okay

891

00:37:51,109 --> 00:37:49,440

I'll go you know so she went to Helen's

892

00:37:53,870 --> 00:37:51,119

house and my mom said when I stepped

893

00:37:57,050 --> 00:37:53,880

inside I never got so sick she said the

894

00:37:59,510 --> 00:37:57,060

entire house was painted black

895

00:38:01,069 --> 00:37:59,520

I'm like okay she said except for her

896

00:38:03,410 --> 00:38:01,079

daughter's room which was painted pink

897

00:38:04,790 --> 00:38:03,420

and she said Helen had hated her

898

00:38:07,970 --> 00:38:04,800

daughter

899

00:38:10,670 --> 00:38:07,980

I said okay and so my mom said she got

900

00:38:12,349 --> 00:38:10,680

her tea leaves you know read by her and

901

00:38:15,170 --> 00:38:12,359

she said I didn't believe a word she

902

00:38:17,390 --> 00:38:15,180

said to me and she said she looked at me

903

00:38:19,790 --> 00:38:17,400

and she said you think I'm a fraud but

904

00:38:22,310 --> 00:38:19,800

you're going to see the truth soon

905

00:38:24,050 --> 00:38:22,320

and my mom said you know she outright

906

00:38:25,910 --> 00:38:24,060

called her a fraud and she said the cup

907

00:38:27,890 --> 00:38:25,920

she was holding flew out of her hand

908

00:38:29,510 --> 00:38:27,900

smashed into the wall

909

00:38:31,670 --> 00:38:29,520

hit the ground

910

00:38:35,990 --> 00:38:31,680

it didn't break

911

00:38:37,670 --> 00:38:36,000

and and yeah and so you know my mom said

912

00:38:39,589 --> 00:38:37,680

to my grandmother we're leaving you're

913

00:38:40,490 --> 00:38:39,599

coming with me or you're staying but I'm

914

00:38:43,250 --> 00:38:40,500

leaving

915

00:38:45,650 --> 00:38:43,260

and so they left and this was Pittsburgh

916

00:38:47,329 --> 00:38:45,660

this was where it took place

917

00:38:50,569 --> 00:38:47,339

and so they're driving over one of the

918

00:38:53,210 --> 00:38:50,579

bridges to get back to the house and

919

00:38:55,910 --> 00:38:53,220

this my mom said it was a cat that ran

920

00:38:58,609 --> 00:38:55,920

out in front of the car and the car spun

921

00:39:00,770 --> 00:38:58,619

and almost went off the bridge

922

00:39:02,930 --> 00:39:00,780

and my mom just turned to my grandmother

923

00:39:04,730 --> 00:39:02,940

and said it was her

924

00:39:06,829 --> 00:39:04,740

I'm never going back there and you

925

00:39:08,390 --> 00:39:06,839

you're not to go back there

926
00:39:10,790 --> 00:39:08,400
my grandmother said well I'm going back

927
00:39:12,770 --> 00:39:10,800
there she's a wonderful person she

928
00:39:14,810 --> 00:39:12,780
promised me all this blah blah blah my

929
00:39:17,030 --> 00:39:14,820
mom was just like I want nothing to do

930
00:39:18,349 --> 00:39:17,040
with you I want nothing to do with her

931
00:39:21,589 --> 00:39:18,359
okay

932
00:39:23,210 --> 00:39:21,599
so that was that was the beginning

933
00:39:25,250 --> 00:39:23,220
and then so I learned that my

934
00:39:26,930 --> 00:39:25,260
grandmother was very friendly with her

935
00:39:28,910 --> 00:39:26,940
up and to the point you know she found

936
00:39:30,710 --> 00:39:28,920
my mom found out her daughter Helen's

937
00:39:31,849 --> 00:39:30,720
daughter had committed suicide off the

938
00:39:34,550 --> 00:39:31,859

same Bridge

939

00:39:37,069 --> 00:39:34,560

okay this was maybe two years later

940

00:39:39,890 --> 00:39:37,079

there was no reason no rhyme the girl

941

00:39:43,849 --> 00:39:39,900

just committed suicide

942

00:39:45,290 --> 00:39:43,859

so then Helen Helen died and my

943

00:39:46,730 --> 00:39:45,300

grandmother was very insistent in going

944

00:39:47,930 --> 00:39:46,740

to the funeral she's like you're going

945

00:39:50,569 --> 00:39:47,940

to take me

946

00:39:52,730 --> 00:39:50,579

I have to be there my mom's like

947

00:39:54,950 --> 00:39:52,740

you know I'll take you but I'm not going

948

00:39:57,290 --> 00:39:54,960

in so my mom takes her

949

00:39:58,910 --> 00:39:57,300

my grandmother goes in my mom locks the

950

00:40:00,770 --> 00:39:58,920

car she's like I'm sitting here I'm

951
00:40:02,630 --> 00:40:00,780
locking the car don't want nothing to do

952
00:40:05,990 --> 00:40:02,640
with anyone she said everyone was

953
00:40:08,690 --> 00:40:06,000
walking past this guy comes up knocks on

954
00:40:10,370 --> 00:40:08,700
her window I was like okay she puts the

955
00:40:12,829 --> 00:40:10,380
window down this much

956
00:40:14,690 --> 00:40:12,839
she said he was the best looking man she

957
00:40:16,430 --> 00:40:14,700
had ever seen he looked like he stepped

958
00:40:19,910 --> 00:40:16,440
out of a magazine

959
00:40:22,910 --> 00:40:19,920
and he said to her because my mom went

960
00:40:24,550 --> 00:40:22,920
by Bernie he said hi Bernie we've been

961
00:40:28,310 --> 00:40:24,560
waiting for you

962
00:40:31,130 --> 00:40:28,320
oh look at him and she's like yeah she's

963
00:40:33,650 --> 00:40:31,140

like I've never met you before who are

964

00:40:35,930 --> 00:40:33,660

you she she's from Pittsburgh so she

965

00:40:37,910 --> 00:40:35,940

said something more colorful and she's

966

00:40:40,490 --> 00:40:37,920

like you know you know he's like why

967

00:40:42,710 --> 00:40:40,500

don't you come in it's a party you know

968

00:40:46,130 --> 00:40:42,720

we're all friends here come in

969

00:40:47,870 --> 00:40:46,140

I was like no I'm fine right here

970

00:40:49,190 --> 00:40:47,880

she said I'm waiting for that one in

971

00:40:51,349 --> 00:40:49,200

there when she comes out we're going

972

00:40:52,670 --> 00:40:51,359

home and he's like you don't know what

973

00:40:55,250 --> 00:40:52,680

you're missing he's like but I'll see

974

00:40:59,270 --> 00:40:55,260

you soon in a few years

975

00:41:00,770 --> 00:40:59,280

my mom was like okay sure and so after

976

00:41:02,810 --> 00:41:00,780

the funeral

977

00:41:04,190 --> 00:41:02,820

my grandmother was always insisted about

978

00:41:05,390 --> 00:41:04,200

this I didn't know what it was till my

979

00:41:07,790 --> 00:41:05,400

mom told me

980

00:41:09,589 --> 00:41:07,800

Helen had this book

981

00:41:12,410 --> 00:41:09,599

and I remember my mom saying it was a

982

00:41:14,990 --> 00:41:12,420

leather book and it was very nicely made

983

00:41:17,030 --> 00:41:15,000

and everything her husband Helen's

984

00:41:18,589 --> 00:41:17,040

husband had taken it and ran off into

985

00:41:20,210 --> 00:41:18,599

the woods with it

986

00:41:21,589 --> 00:41:20,220

and the book and him were never seen

987

00:41:24,050 --> 00:41:21,599

again

988

00:41:26,690 --> 00:41:24,060

nobody knew what happened to him there

989

00:41:28,970 --> 00:41:26,700

was no record of him and they they never

990

00:41:31,190 --> 00:41:28,980

found the book

991

00:41:34,010 --> 00:41:31,200

and my grandmother always said that

992

00:41:35,750 --> 00:41:34,020

Helen promised her that book that book

993

00:41:38,630 --> 00:41:35,760

was meant for her

994

00:41:41,329 --> 00:41:38,640

and my mom just my mom blew it off

995

00:41:43,250 --> 00:41:41,339

so a few years before my mom died she

996

00:41:45,230 --> 00:41:43,260

kind of looked at me once and said did

997

00:41:47,750 --> 00:41:45,240

you ever notice how your grandmother's

998

00:41:49,730 --> 00:41:47,760

face would change

999

00:41:51,650 --> 00:41:49,740

I said to her

1000

00:41:53,089 --> 00:41:51,660

that you know I thought about it at

1001
00:41:54,710 --> 00:41:53,099
first I said no because I brushed her

1002
00:41:55,910 --> 00:41:54,720
off and I'm like not really and I

1003
00:41:59,750 --> 00:41:55,920
thought about it

1004
00:42:00,650 --> 00:41:59,760
and I said yeah yeah it would it would

1005
00:42:02,870 --> 00:42:00,660
change

1006
00:42:05,329 --> 00:42:02,880
one minute she would look like you know

1007
00:42:06,710 --> 00:42:05,339
some of the pictures and the next she

1008
00:42:09,650 --> 00:42:06,720
would just look like a totally different

1009
00:42:12,230 --> 00:42:09,660
person that I didn't even know

1010
00:42:14,569 --> 00:42:12,240
and it was just the worst thing and her

1011
00:42:16,250 --> 00:42:14,579
she ended up passing away and it was it

1012
00:42:19,930 --> 00:42:16,260
was the worst

1013
00:42:22,370 --> 00:42:19,940

see that guy again

1014

00:42:23,510 --> 00:42:22,380

she did end up seeing him a few years

1015

00:42:25,490 --> 00:42:23,520

later yeah

1016

00:42:26,930 --> 00:42:25,500

and what happened when she saw that guy

1017

00:42:30,109 --> 00:42:26,940

again

1018

00:42:32,630 --> 00:42:30,119

he so what happened and it was it was

1019

00:42:35,210 --> 00:42:32,640

very strange so she was working she was

1020

00:42:37,550 --> 00:42:35,220

working as a nurse okay and she was

1021

00:42:39,410 --> 00:42:37,560

working with another nurse and the nurse

1022

00:42:41,750 --> 00:42:39,420

had asked her for a ride home everybody

1023

00:42:43,430 --> 00:42:41,760

my mom worked with was like don't give

1024

00:42:45,290 --> 00:42:43,440

her a ride home she's weird

1025

00:42:46,730 --> 00:42:45,300

and I was like I'm gonna give her a ride

1026

00:42:47,870 --> 00:42:46,740

home it's like right on the way it's

1027

00:42:50,630 --> 00:42:47,880

gonna be fine

1028

00:42:53,329 --> 00:42:50,640

my mom gave her a ride home my mom said

1029

00:42:55,130 --> 00:42:53,339

to me that the lady's name was Betty

1030

00:42:56,569 --> 00:42:55,140

she's like Betty never gave me

1031

00:42:58,970 --> 00:42:56,579

directions

1032

00:43:01,430 --> 00:42:58,980

but I got to her house she said it was

1033

00:43:04,550 --> 00:43:01,440

in the project complex she said I never

1034

00:43:07,250 --> 00:43:04,560

got directions but I got to her house

1035

00:43:09,589 --> 00:43:07,260

and I'm like okay and she said so Betty

1036

00:43:11,329 --> 00:43:09,599

invited me and she she complained that

1037

00:43:12,109 --> 00:43:11,339

like her kids never came around they

1038

00:43:16,609 --> 00:43:12,119

didn't

1039

00:43:17,930 --> 00:43:16,619

her friends were and she said to my mom

1040

00:43:19,250 --> 00:43:17,940

she's like do you want to see a really

1041

00:43:21,530 --> 00:43:19,260

neat trick

1042

00:43:22,849 --> 00:43:21,540

I was like okay so they because they

1043

00:43:25,309 --> 00:43:22,859

were in her house

1044

00:43:28,069 --> 00:43:25,319

Betty pulls back the rug

1045

00:43:30,530 --> 00:43:28,079

and opens like the floor and she pulls

1046

00:43:32,510 --> 00:43:30,540

out an almost identical book to what my

1047

00:43:35,510 --> 00:43:32,520

mom had said Helen had

1048

00:43:37,670 --> 00:43:35,520

and she set it down she said yeah she

1049

00:43:39,470 --> 00:43:37,680

said the pages started turning and

1050

00:43:40,190 --> 00:43:39,480

everything and my mom's like you know

1051

00:43:43,490 --> 00:43:40,200

what

1052

00:43:45,470 --> 00:43:43,500

she's like I I don't want anything to do

1053

00:43:46,849 --> 00:43:45,480

with you I don't want anything to do

1054

00:43:49,250 --> 00:43:46,859

with this I'm done

1055

00:43:51,530 --> 00:43:49,260

so I think it was a few weeks later my

1056

00:43:53,930 --> 00:43:51,540

mom gets into work and they're like

1057

00:43:57,290 --> 00:43:53,940

you're you're up on this floor

1058

00:43:59,390 --> 00:43:57,300

but it's a secured floor

1059

00:44:01,370 --> 00:43:59,400

and my mom's like why do we have

1060

00:44:03,589 --> 00:44:01,380

prisoners in what what do we have going

1061

00:44:05,630 --> 00:44:03,599

on and like just just go up there you'll

1062

00:44:08,450 --> 00:44:05,640

see she walks on the floor there was her

1063

00:44:10,490 --> 00:44:08,460

there was another uh mail orderly who

1064

00:44:12,530 --> 00:44:10,500

was studying to be a priest

1065

00:44:15,170 --> 00:44:12,540

there was two other nurses and a

1066

00:44:17,329 --> 00:44:15,180

security guard sitting outside the door

1067

00:44:19,370 --> 00:44:17,339

and yeah and the floor was basically

1068

00:44:21,290 --> 00:44:19,380

vacant other than that they had moved

1069

00:44:23,870 --> 00:44:21,300

all the patients out

1070

00:44:26,210 --> 00:44:23,880

and my mom was like so is it a VIP

1071

00:44:29,450 --> 00:44:26,220

what's going on and the one nurse said

1072

00:44:31,190 --> 00:44:29,460

to her it's Betty they brought Betty in

1073

00:44:33,290 --> 00:44:31,200

and she's bad

1074

00:44:36,050 --> 00:44:33,300

my mom's like what what do you mean

1075

00:44:38,030 --> 00:44:36,060

she's bad and the orderly who is

1076

00:44:39,650 --> 00:44:38,040

studying to be a priest said to her he

1077

00:44:41,030 --> 00:44:39,660

said a couple things and he's like I'm

1078

00:44:43,370 --> 00:44:41,040

not going in there because when I go in

1079

00:44:46,069 --> 00:44:43,380

there she freaks out she's already snap

1080

00:44:47,870 --> 00:44:46,079

restraints we've we've restrained her by

1081

00:44:48,950 --> 00:44:47,880

fours we're not go I'm not going in

1082

00:44:51,050 --> 00:44:48,960

there

1083

00:44:54,890 --> 00:44:51,060

I'm gonna you're overreacting I'm going

1084

00:44:56,750 --> 00:44:54,900

again she went in there and she calmed

1085

00:44:59,450 --> 00:44:56,760

down when she saw my mom my mom's like

1086

00:45:01,670 --> 00:44:59,460

what's going on and she's like

1087

00:45:03,829 --> 00:45:01,680

I don't want him in here

1088

00:45:05,690 --> 00:45:03,839

and and she started my mom said she

1089

00:45:07,490 --> 00:45:05,700

started speaking in tongues

1090

00:45:09,950 --> 00:45:07,500

she started hissing

1091

00:45:12,290 --> 00:45:09,960

and my mom turned around I was like yeah

1092

00:45:13,670 --> 00:45:12,300

she said too early you need to leave he

1093

00:45:15,170 --> 00:45:13,680

stood outside the door and I was like

1094

00:45:17,030 --> 00:45:15,180

what happened Betty you know what what

1095

00:45:19,670 --> 00:45:17,040

drugs did you take

1096

00:45:21,770 --> 00:45:19,680

and she looked at my mom and she said I

1097

00:45:23,809 --> 00:45:21,780

didn't take any drugs she's like they're

1098

00:45:25,790 --> 00:45:23,819

coming to get me don't let them take my

1099

00:45:27,589 --> 00:45:25,800

ring

1100

00:45:29,569 --> 00:45:27,599

and I was like well no one's gonna take

1101

00:45:31,190 --> 00:45:29,579

your jewelry you know you know you know

1102

00:45:33,470 --> 00:45:31,200

how the boss is we're all family here

1103

00:45:35,690 --> 00:45:33,480

you're fine she's like no you don't

1104

00:45:37,130 --> 00:45:35,700

understand they will do anything to get

1105

00:45:39,230 --> 00:45:37,140

me

1106

00:45:41,630 --> 00:45:39,240

my mom was like okay

1107

00:45:44,030 --> 00:45:41,640

so it was she said it was like six

1108

00:45:46,609 --> 00:45:44,040

o'clock when she came on so as the night

1109

00:45:47,750 --> 00:45:46,619

we're on they they shut the floor down

1110

00:45:49,730 --> 00:45:47,760

you know how in the hospital they shut

1111

00:45:51,349 --> 00:45:49,740

the floor down she said the doors

1112

00:45:53,809 --> 00:45:51,359

started flying open

1113

00:45:56,030 --> 00:45:53,819

the doors were slamming the monitors

1114

00:45:58,910 --> 00:45:56,040

were going all flatlining

1115

00:46:00,650 --> 00:45:58,920

in case she kept snapping the restraints

1116

00:46:01,910 --> 00:46:00,660

she said so around I think it was

1117

00:46:05,270 --> 00:46:01,920

midnight

1118

00:46:07,609 --> 00:46:05,280

she said that the doors open and two

1119

00:46:09,470 --> 00:46:07,619

guys walked in

1120

00:46:10,910 --> 00:46:09,480

and they just walked around the entire

1121

00:46:12,530 --> 00:46:10,920

nurses station they didn't see their

1122

00:46:16,309 --> 00:46:12,540

faces they walked around nurses station

1123

00:46:17,870 --> 00:46:16,319

and walked out and they they started

1124

00:46:20,990 --> 00:46:17,880

freaking out like how did these guys get

1125

00:46:22,970 --> 00:46:21,000

on this locked unit and Betty was being

1126
00:46:24,829 --> 00:46:22,980
transferred to Western Psych in the

1127
00:46:26,329 --> 00:46:24,839
morning Western Psych is a mental

1128
00:46:28,730 --> 00:46:26,339
hospital in Pittsburgh

1129
00:46:30,170 --> 00:46:28,740
so they they didn't know what else to do

1130
00:46:32,569 --> 00:46:30,180
with her

1131
00:46:35,270 --> 00:46:32,579
so my mom went in because you have to go

1132
00:46:38,030 --> 00:46:35,280
in and check the patient and Betty said

1133
00:46:41,450 --> 00:46:38,040
to my Mom they're outside the window

1134
00:46:43,190 --> 00:46:41,460
they're up about like eight ten floors

1135
00:46:45,290 --> 00:46:43,200
my mom's like nobody's outside the

1136
00:46:47,089 --> 00:46:45,300
window I'll go look she pulls open the

1137
00:46:49,130 --> 00:46:47,099
curtain there was a guy right outside

1138
00:46:50,990 --> 00:46:49,140

the window

1139

00:46:53,150 --> 00:46:51,000

and my mom was like

1140

00:46:55,010 --> 00:46:53,160

she she said I remember looking dead at

1141

00:46:57,650 --> 00:46:55,020

him and then closing the curtains and

1142

00:46:59,809 --> 00:46:57,660

like nope no I'm not doing this either

1143

00:47:02,569 --> 00:46:59,819

and she had the orderly because she had

1144

00:47:05,569 --> 00:47:02,579

holy water with him he doused the room

1145

00:47:07,550 --> 00:47:05,579

and Betty just screamed

1146

00:47:10,970 --> 00:47:07,560

she said oh my gosh

1147

00:47:12,290 --> 00:47:10,980

yeah it was the worst screaming so you

1148

00:47:13,790 --> 00:47:12,300

know they made they made it through the

1149

00:47:16,010 --> 00:47:13,800

morning they were getting her out and

1150

00:47:17,750 --> 00:47:16,020

she was she was settled she was just

1151

00:47:20,870 --> 00:47:17,760

panicking

1152

00:47:22,309 --> 00:47:20,880

and they got her downstairs and they

1153

00:47:24,530 --> 00:47:22,319

said well you have someone has to ride

1154

00:47:27,109 --> 00:47:24,540

with her from the hospital to do the

1155

00:47:29,270 --> 00:47:27,119

paperwork mine was like I guess I'll go

1156

00:47:30,890 --> 00:47:29,280

because they had they had a pump full of

1157

00:47:32,809 --> 00:47:30,900

drugs and everything and she said to the

1158

00:47:34,970 --> 00:47:32,819

ambulance guy she's like when we get in

1159

00:47:36,950 --> 00:47:34,980

you're going to hit the sirens and

1160

00:47:38,270 --> 00:47:36,960

you're just going to go I don't care if

1161

00:47:39,650 --> 00:47:38,280

it's the parkway we're going to make

1162

00:47:42,710 --> 00:47:39,660

room and go

1163

00:47:45,230 --> 00:47:42,720

and my mom said she got in and when she

1164

00:47:47,150 --> 00:47:45,240

got in she said she turned her head and

1165

00:47:48,890 --> 00:47:47,160

there were two guys

1166

00:47:51,230 --> 00:47:48,900

on the one corner

1167

00:47:53,450 --> 00:47:51,240

and they kind of moved apart and the guy

1168

00:47:55,730 --> 00:47:53,460

that was at Helen's funeral came and

1169

00:47:57,530 --> 00:47:55,740

stood in between them and he waved at

1170

00:47:59,870 --> 00:47:57,540

her

1171

00:48:00,890 --> 00:47:59,880

and my mom said she she looked at the

1172

00:48:03,530 --> 00:48:00,900

paramedic and she's like you're gonna

1173

00:48:05,750 --> 00:48:03,540

lock this door we're going now and the

1174

00:48:07,010 --> 00:48:05,760

guy was like she's she's unconscious

1175

00:48:10,069 --> 00:48:07,020

she's not gonna hurt her she's like I'm

1176

00:48:12,650 --> 00:48:10,079

not worried about her so they they start

1177

00:48:14,690 --> 00:48:12,660

going they have the sirens going and

1178

00:48:17,410 --> 00:48:14,700

everything suddenly the doors start

1179

00:48:20,990 --> 00:48:17,420

flying open on the parkway

1180

00:48:22,670 --> 00:48:21,000

my mom is like I told you we we need to

1181

00:48:24,349 --> 00:48:22,680

go so like they're holding the doors

1182

00:48:26,809 --> 00:48:24,359

they get the Western's like the

1183

00:48:28,609 --> 00:48:26,819

ambulance Cruise like we had enough we

1184

00:48:31,490 --> 00:48:28,619

had enough of this she's your problem

1185

00:48:34,550 --> 00:48:31,500

now you sign the paperwork we're done

1186

00:48:37,970 --> 00:48:34,560

and my mom was like that that was the

1187

00:48:38,990 --> 00:48:37,980

last time that Betty had walked into

1188

00:48:40,550 --> 00:48:39,000

um

1189

00:48:42,650 --> 00:48:40,560

the hospital I don't want named the

1190

00:48:44,750 --> 00:48:42,660

hospital because it's you know it's no

1191

00:48:46,190 --> 00:48:44,760

longer with us the hospital but then a

1192

00:48:48,829 --> 00:48:46,200

few years later when my parents got

1193

00:48:51,349 --> 00:48:48,839

engaged where my mom worked

1194

00:48:54,230 --> 00:48:51,359

she saw this really old woman

1195

00:48:55,970 --> 00:48:54,240

and she walked past her and my mom said

1196

00:48:58,790 --> 00:48:55,980

because my mom remembered everyone she

1197

00:49:00,290 --> 00:48:58,800

stopped and she's like I know you she's

1198

00:49:05,329 --> 00:49:00,300

like Betty

1199

00:49:07,849 --> 00:49:05,339

aged almost 100 years

1200

00:49:10,309 --> 00:49:07,859

and so like Betty didn't recognize her

1201

00:49:13,309 --> 00:49:10,319

Betty didn't know who my mom was

1202

00:49:15,530 --> 00:49:13,319

and you know my mom she felt awful and

1203

00:49:17,930 --> 00:49:15,540

so she had my dad had proposed to her

1204

00:49:19,790 --> 00:49:17,940

that day so she got you know she went

1205

00:49:21,230 --> 00:49:19,800

down she got in the car she said she had

1206

00:49:23,870 --> 00:49:21,240

yellow roses from him and everything

1207

00:49:27,170 --> 00:49:23,880

they got in the car he wanted to pull

1208

00:49:29,030 --> 00:49:27,180

out Betty jumped out the window and

1209

00:49:32,930 --> 00:49:29,040

landed on his car

1210

00:49:35,569 --> 00:49:32,940

she she had committed them yeah

1211

00:49:42,109 --> 00:49:35,579

yeah

1212

00:49:44,030 --> 00:49:42,119

don't need to watch a horror movie this

1213

00:49:45,829 --> 00:49:44,040

season now I just heard one that is some

1214

00:49:48,849 --> 00:49:45,839

of the craziest stuff I've ever heard

1215

00:49:52,569 --> 00:49:48,859

all right that's enough looks good night

1216

00:49:55,250 --> 00:49:52,579

wow yeah wow

1217

00:49:57,050 --> 00:49:55,260

it was I mean you could tell when she

1218

00:49:59,690 --> 00:49:57,060

told it she was just so uncomfortable

1219

00:50:02,990 --> 00:49:59,700

and it affected her so bad like she was

1220

00:50:05,150 --> 00:50:03,000

so she felt so bad for her that like she

1221

00:50:07,190 --> 00:50:05,160

said she it couldn't be more than six

1222

00:50:08,990 --> 00:50:07,200

months since she had seen her

1223

00:50:11,050 --> 00:50:09,000

and she looked like she had aged 100

1224

00:50:14,930 --> 00:50:11,060

years

1225

00:50:16,130 --> 00:50:14,940

and then to do that yeah

1226

00:50:18,230 --> 00:50:16,140

yeah

1227

00:50:21,309 --> 00:50:18,240

that's

1228

00:50:25,309 --> 00:50:21,319

makes me wonder how how much uh

1229

00:50:27,050 --> 00:50:25,319

possessions and and uh mental uh issues

1230

00:50:29,569 --> 00:50:27,060

uh

1231

00:50:30,829 --> 00:50:29,579

could could you know be crossed over

1232

00:50:33,530 --> 00:50:30,839

like uh

1233

00:50:36,410 --> 00:50:33,540

how many times has a possession been you

1234

00:50:39,230 --> 00:50:36,420

know somebody's got a mental disorder or

1235

00:50:40,490 --> 00:50:39,240

or the other way around

1236

00:50:44,210 --> 00:50:40,500

yeah

1237

00:50:46,730 --> 00:50:44,220

what to do with her so they shipped her

1238

00:50:49,670 --> 00:50:46,740

off to a psychiatric hospital

1239

00:50:53,270 --> 00:50:49,680

that's unbelievable yeah

1240

00:50:56,569 --> 00:50:53,280

I've I've heard similar stories that

1241

00:51:02,510 --> 00:50:56,579

um yeah that's close to home huh that's

1242

00:51:06,230 --> 00:51:03,549

yeah

1243

00:51:09,770 --> 00:51:06,240

when she speaks

1244

00:51:11,750 --> 00:51:09,780

that's that's an indicator I think that

1245

00:51:13,970 --> 00:51:11,760

there's something else going on that

1246

00:51:16,970 --> 00:51:13,980

that's I mean how how does a crazy

1247

00:51:19,250 --> 00:51:16,980

person know a foreign language they've

1248

00:51:21,950 --> 00:51:19,260

never learned you'd mentioned that

1249

00:51:23,630 --> 00:51:21,960

something about speaking in tongues so I

1250

00:51:25,490 --> 00:51:23,640

think that's a sign that it's something

1251

00:51:28,970 --> 00:51:25,500

else

1252

00:51:31,190 --> 00:51:28,980

right and I can guarantee you you know

1253

00:51:32,210 --> 00:51:31,200

knowing where my mom worked knowing the

1254

00:51:34,549 --> 00:51:32,220

area

1255

00:51:37,430 --> 00:51:34,559

that that wasn't being taught then to

1256

00:51:39,290 --> 00:51:37,440

anybody they like any school even if it

1257

00:51:40,190 --> 00:51:39,300

was a Catholic school they had phased

1258

00:51:43,130 --> 00:51:40,200

that out

1259

00:51:45,470 --> 00:51:43,140

you know wow and because my mom learns

1260

00:51:47,450 --> 00:51:45,480

in Latin when she she went to Catholic

1261

00:51:49,609 --> 00:51:47,460

school and she said she didn't even

1262

00:51:51,470 --> 00:51:49,619

understand what she was saying

1263

00:51:53,809 --> 00:51:51,480

you know and that must have been

1264

00:51:57,290 --> 00:51:53,819

terrible yeah

1265

00:52:00,230 --> 00:51:57,300

yeah I I could imagine I could only

1266

00:52:03,010 --> 00:52:00,240

imagine and she's she said that it was

1267

00:52:08,809 --> 00:52:03,020

it was one of the worst days

1268

00:52:10,309 --> 00:52:08,819

yeah well

1269

00:52:12,049 --> 00:52:10,319

yeah I can't think it would get much

1270

00:52:14,270 --> 00:52:12,059

worse than that to Vincent's Point as

1271

00:52:16,370 --> 00:52:14,280

well I do think that it's sometimes

1272

00:52:18,770 --> 00:52:16,380

difficult to determine

1273

00:52:21,349 --> 00:52:18,780

genuine possession from mental illness

1274

00:52:24,589 --> 00:52:21,359

and I'm sure there are people in

1275

00:52:26,930 --> 00:52:24,599

insane asylums who have other spiritual

1276

00:52:30,589 --> 00:52:26,940

problems and there are probably people

1277

00:52:31,970 --> 00:52:30,599

walking around that you know that think

1278

00:52:33,890 --> 00:52:31,980

they're just spiritually gifted or

1279

00:52:35,690 --> 00:52:33,900

something and you know a mentally

1280

00:52:38,210 --> 00:52:35,700

troubled but I have a good friend who's

1281

00:52:40,849 --> 00:52:38,220

an exorcist um or was an exorcist he's

1282

00:52:42,109 --> 00:52:40,859

not anymore and Ed Schultz is his name

1283

00:52:43,910 --> 00:52:42,119

he used to be an exorcist for the

1284

00:52:46,430 --> 00:52:43,920

Warrens Ed and Lorraine Warren amongst

1285

00:52:48,290 --> 00:52:46,440

others used to be known as the psychic

1286

00:52:50,990 --> 00:52:48,300

priest and he talks about how he was

1287

00:52:53,990 --> 00:52:51,000

very careful when he when he would do

1288

00:52:56,690 --> 00:52:54,000

exorcisms like he would do tests to try

1289

00:52:58,910 --> 00:52:56,700

to ensure that it wasn't just a mental

1290

00:53:00,710 --> 00:52:58,920

illness and in fact he's writing a book

1291

00:53:02,210 --> 00:53:00,720

now I can't wait to read his Memoirs

1292

00:53:03,650 --> 00:53:02,220

because I think he goes through a lot of

1293

00:53:06,230 --> 00:53:03,660

that in the book The difficulty

1294

00:53:08,990 --> 00:53:06,240

sometimes and how careful you had to be

1295

00:53:11,089 --> 00:53:09,000

trying to determine if it was just a

1296

00:53:13,790 --> 00:53:11,099

psychiatric disorder or whether somebody

1297

00:53:16,190 --> 00:53:13,800

had been you know taken over by

1298

00:53:19,609 --> 00:53:16,200

something which was from the other side

1299

00:53:22,490 --> 00:53:19,619

or which wasn't human right well Dean

1300

00:53:24,770 --> 00:53:22,500

um I have a question for you then uh for

1301
00:53:27,170 --> 00:53:24,780
everyone really to consider do you think

1302
00:53:30,349 --> 00:53:27,180
perhaps that it could

1303
00:53:32,390 --> 00:53:30,359
um and perhaps even many instances be

1304
00:53:35,030 --> 00:53:32,400
both in the sense that when someone is

1305
00:53:38,589 --> 00:53:35,040
vulnerable they maybe already have

1306
00:53:41,390 --> 00:53:38,599
mental issues and they are targeted

1307
00:53:43,549 --> 00:53:41,400
human and that they then become

1308
00:53:44,990 --> 00:53:43,559
possessed because they are fragile and

1309
00:53:46,970 --> 00:53:45,000
because they're already vulnerable

1310
00:53:48,430 --> 00:53:46,980
people do you think that that could be a

1311
00:53:51,349 --> 00:53:48,440
possibility

1312
00:53:53,690 --> 00:53:51,359
yeah I think I think with in some cases

1313
00:53:55,849 --> 00:53:53,700

that would definitely be in fact it's

1314

00:53:58,130 --> 00:53:55,859

hard to imagine somebody who is very

1315

00:54:00,950 --> 00:53:58,140

spiritually centered and very

1316

00:54:03,410 --> 00:54:00,960

psychologically stable to have the type

1317

00:54:06,530 --> 00:54:03,420

of problem one way or the other be it a

1318

00:54:08,630 --> 00:54:06,540

possession or a mental you know a mental

1319

00:54:10,730 --> 00:54:08,640

problem so I yeah I could imagine that

1320

00:54:13,490 --> 00:54:10,740

somebody who is weak would be

1321

00:54:15,349 --> 00:54:13,500

susceptible both to a psychic collapse

1322

00:54:16,790 --> 00:54:15,359

as well as to something from out side

1323

00:54:18,530 --> 00:54:16,800

taking advantage of them I think you're

1324

00:54:21,349 --> 00:54:18,540

dead on Sam I bet you that's the case a

1325

00:54:25,730 --> 00:54:21,359

lot of the time I also wonder uh whether

1326
00:54:27,950 --> 00:54:25,740
if someone is uh more inclined to and I

1327
00:54:30,430 --> 00:54:27,960
hate to use the word belief but

1328
00:54:33,670 --> 00:54:30,440
um when someone is particularly a

1329
00:54:37,069 --> 00:54:33,680
practicing Christian or someone who has

1330
00:54:38,210 --> 00:54:37,079
a deep rooted Faith that's incredibly

1331
00:54:41,569 --> 00:54:38,220
strong in their family and their

1332
00:54:43,430 --> 00:54:41,579
upbringing they also perhaps more likely

1333
00:54:45,530 --> 00:54:43,440
to be targeted because they're in that

1334
00:54:48,349 --> 00:54:45,540
world of understanding and that realm of

1335
00:54:49,609 --> 00:54:48,359
that species of attack whereas if an

1336
00:54:52,609 --> 00:54:49,619
atheist or someone who's not even

1337
00:54:55,329 --> 00:54:52,619
familiar with it may not be

1338
00:54:57,770 --> 00:54:55,339

um does it in in fact perhaps attract

1339

00:54:59,030 --> 00:54:57,780

possession by developing it you know

1340

00:55:00,589 --> 00:54:59,040

people always you know you should mess

1341

00:55:02,690 --> 00:55:00,599

with a Ouija board even though it was a

1342

00:55:04,430 --> 00:55:02,700

Victorian parlor game

1343

00:55:06,770 --> 00:55:04,440

um it's still a Gateway and when you

1344

00:55:08,930 --> 00:55:06,780

inflate something it's the intention so

1345

00:55:10,670 --> 00:55:08,940

perhaps to be fearful of demons might in

1346

00:55:14,930 --> 00:55:10,680

fact attract them

1347

00:55:18,890 --> 00:55:16,910

because sometimes it might attract them

1348

00:55:21,470 --> 00:55:18,900

but sometimes also there might be a

1349

00:55:23,270 --> 00:55:21,480

level of protection for people with a

1350

00:55:25,609 --> 00:55:23,280

strong faith in whatever the tradition

1351

00:55:27,589 --> 00:55:25,619

is there might be an idea that there are

1352

00:55:29,450 --> 00:55:27,599

barriers up that stop the evil from

1353

00:55:31,549 --> 00:55:29,460

coming and maybe it's the person in the

1354

00:55:33,290 --> 00:55:31,559

middle maybe it's the person who's the

1355

00:55:34,730 --> 00:55:33,300

lapse I mean I'm not a Catholic but

1356

00:55:36,230 --> 00:55:34,740

maybe it's the person who's the lapsed

1357

00:55:38,930 --> 00:55:36,240

Catholic who isn't practicing anymore

1358

00:55:41,930 --> 00:55:38,940

but is cognizant of demonic you know

1359

00:55:44,630 --> 00:55:41,940

possession who might be more susceptible

1360

00:55:46,250 --> 00:55:44,640

because they themselves then either they

1361

00:55:47,510 --> 00:55:46,260

don't have that protection anymore or

1362

00:55:48,950 --> 00:55:47,520

they don't believe they have the

1363

00:55:50,690 --> 00:55:48,960

protection anymore if we want to look at

1364

00:55:51,890 --> 00:55:50,700

it psychologically so I think you're

1365

00:55:53,210 --> 00:55:51,900

onto something I think there's probably

1366

00:55:55,849 --> 00:55:53,220

something to it it's the same in

1367

00:55:58,069 --> 00:55:55,859

Australia they used to talk about

1368

00:55:59,930 --> 00:55:58,079

um I guess the equivalent of sham and

1369

00:56:02,150 --> 00:55:59,940

the type of the wise men or the medicine

1370

00:56:04,190 --> 00:56:02,160

men types of Aboriginal people would do

1371

00:56:05,750 --> 00:56:04,200

something called point the bone and that

1372

00:56:08,349 --> 00:56:05,760

would essentially be a way you would

1373

00:56:11,569 --> 00:56:08,359

kill somebody with a psychic you know

1374

00:56:13,609 --> 00:56:11,579

bad mojo projection but it never worked

1375

00:56:15,530 --> 00:56:13,619

on it never worked on you know white

1376

00:56:17,210 --> 00:56:15,540

colonists because they they didn't

1377

00:56:19,309 --> 00:56:17,220

believe so if they but it would work

1378

00:56:21,049 --> 00:56:19,319

often on people who were in that belief

1379

00:56:23,630 --> 00:56:21,059

system so yeah you have to sometimes ask

1380

00:56:25,910 --> 00:56:23,640

too how much is that psychological

1381

00:56:28,250 --> 00:56:25,920

position of the person how much does it

1382

00:56:30,410 --> 00:56:28,260

put them In Harm's Way yeah so it's yeah

1383

00:56:31,490 --> 00:56:30,420

it's certainly a good question

1384

00:56:33,829 --> 00:56:31,500

um

1385

00:56:36,230 --> 00:56:33,839

I might add I think there's a couple of

1386

00:56:40,069 --> 00:56:36,240

factors that might make someone more

1387

00:56:42,049 --> 00:56:40,079

susceptible to possession and I mean I'm

1388

00:56:44,809 --> 00:56:42,059

not an expert but this is just the stuff

1389

00:56:46,910 --> 00:56:44,819

that I'm hearing and seeing from people

1390

00:56:50,329 --> 00:56:46,920

um they say that the devil is tempted by

1391

00:56:52,670 --> 00:56:50,339

someone who chose to be naive and chose

1392

00:56:55,730 --> 00:56:52,680

to be vulnerable and very open and

1393

00:56:58,990 --> 00:56:55,740

receptive to these kind of dark things

1394

00:57:01,670 --> 00:56:59,000

even displaying an inordinate interest

1395

00:57:03,710 --> 00:57:01,680

like tonight we're all you know we have

1396

00:57:05,510 --> 00:57:03,720

listeners who are obviously listening

1397

00:57:07,849 --> 00:57:05,520

you know for the purpose of hearing

1398

00:57:09,950 --> 00:57:07,859

about these strange things we ourselves

1399

00:57:13,430 --> 00:57:09,960

are interested in these types of topics

1400

00:57:16,970 --> 00:57:13,440

and that in itself attracts certain

1401

00:57:19,250 --> 00:57:16,980

negative energies to us

1402

00:57:21,230 --> 00:57:19,260

um you know and then some of us of

1403

00:57:23,809 --> 00:57:21,240

course are probably more I'm not saying

1404

00:57:26,990 --> 00:57:23,819

we are but maybe some are more

1405

00:57:29,329 --> 00:57:27,000

vulnerable to those intrusions

1406

00:57:33,470 --> 00:57:29,339

um you know someone who is seen as maybe

1407

00:57:36,770 --> 00:57:33,480

displaying a desire to work within the

1408

00:57:38,990 --> 00:57:36,780

dark arts or maybe dabble in what you

1409

00:57:42,470 --> 00:57:39,000

were talking about the Ouija board it

1410

00:57:44,510 --> 00:57:42,480

might be inviting something in

1411

00:57:46,970 --> 00:57:44,520

um and maybe they see this person as

1412

00:57:51,230 --> 00:57:46,980

being weaker than others and the easier

1413

00:57:53,210 --> 00:57:51,240

to possess or take over so that's just

1414

00:57:56,809 --> 00:57:53,220

my opinion I think that sometimes people

1415

00:57:58,910 --> 00:57:56,819

tend to show too much interest in the

1416

00:58:03,670 --> 00:57:58,920

negative entities and that in itself

1417

00:58:10,609 --> 00:58:07,069

yeah I think and I agree with that

1418

00:58:15,230 --> 00:58:12,470

you're on mute Sam

1419

00:58:22,250 --> 00:58:18,950

John Key John Keel made the point that

1420

00:58:25,069 --> 00:58:22,260

Albert K Bender the first person who had

1421

00:58:27,470 --> 00:58:25,079

the classic Men In Black experience he

1422

00:58:30,170 --> 00:58:27,480

was the person who shut down an early

1423

00:58:32,210 --> 00:58:30,180

Flying Saucer investigation type of Club

1424

00:58:34,609 --> 00:58:32,220

when he was visited by these three men

1425

00:58:35,750 --> 00:58:34,619

in black and as the legend is you know

1426

00:58:37,370 --> 00:58:35,760

he later said they were

1427

00:58:39,650 --> 00:58:37,380

extraterrestrials or whatever else but

1428

00:58:41,870 --> 00:58:39,660

Keel made the point of saying that

1429

00:58:43,789 --> 00:58:41,880

Bender was very much involved in the

1430

00:58:45,770 --> 00:58:43,799

occult and you know he was into you know

1431

00:58:48,109 --> 00:58:45,780

the Paranormal in a big way as well and

1432

00:58:50,690 --> 00:58:48,119

in fact Keel would say something very

1433

00:58:52,250 --> 00:58:50,700

similar he would say that the way if

1434

00:58:54,530 --> 00:58:52,260

you're being haunted by these type of

1435

00:58:57,289 --> 00:58:54,540

things be it extraterrestrial intrusions

1436

00:58:59,870 --> 00:58:57,299

or be a demonic manifestations a bit

1437

00:59:01,849 --> 00:58:59,880

Poltergeist activity you should burn all

1438

00:59:03,710 --> 00:59:01,859

of your books on UFOs burn all your

1439

00:59:06,109 --> 00:59:03,720

books on the Paranormal stop thinking

1440

00:59:08,270 --> 00:59:06,119

about it all together so I think Diana's

1441

00:59:09,770 --> 00:59:08,280

Point that's exactly true I think we I

1442

00:59:11,089 --> 00:59:09,780

think people can open themselves

1443

00:59:13,190 --> 00:59:11,099

particularly people are already

1444

00:59:14,809 --> 00:59:13,200

susceptible to this kind of stuff when

1445

00:59:16,910 --> 00:59:14,819

you have an interest in it it's like you

1446

00:59:18,829 --> 00:59:16,920

know the old saying if you stare long

1447

00:59:20,450 --> 00:59:18,839

enough into the abyss the nature quote

1448

00:59:22,430 --> 00:59:20,460

the abyss stares are back now of course

1449

00:59:24,650 --> 00:59:22,440

Nietzsche didn't mean that literally but

1450

00:59:26,150 --> 00:59:24,660

I think I think we can literalize it to

1451

00:59:27,589 --> 00:59:26,160

a degree in the Paranormal I think if

1452

00:59:28,549 --> 00:59:27,599

you're looking into this stuff all the

1453

00:59:31,130 --> 00:59:28,559

time

1454

00:59:33,950 --> 00:59:31,140

it can get your attention you know it

1455

00:59:35,870 --> 00:59:33,960

can you can notice that you noticed it I

1456

00:59:38,150 --> 00:59:35,880

think it takes a toll on some some of

1457

00:59:41,329 --> 00:59:38,160

the investigators and researchers yeah

1458

00:59:43,549 --> 00:59:41,339

absolutely yeah I think as I was going

1459

00:59:44,930 --> 00:59:43,559

to say before before I um foolishly

1460

00:59:45,609 --> 00:59:44,940

minted myself

1461

00:59:48,710 --> 00:59:45,619

um

1462

00:59:50,329 --> 00:59:48,720

no if you uh if you grab a tiger by the

1463

00:59:52,910 --> 00:59:50,339

tail there's only going to be so many

1464

00:59:57,950 --> 00:59:55,670

and that's true now

1465

01:00:04,150 --> 00:59:57,960

you know unless it's a stuffed toy or

1466

01:00:10,789 --> 01:00:08,329

but no I I agree with you Anna like in

1467

01:00:13,430 --> 01:00:10,799

in my case with my grandmother she she

1468

01:00:15,770 --> 01:00:13,440

embraced it because

1469

01:00:17,450 --> 01:00:15,780

I'm assuming there were things promised

1470

01:00:19,849 --> 01:00:17,460

and

1471

01:00:24,170 --> 01:00:19,859

I I don't know if she ever got anything

1472

01:00:26,329 --> 01:00:24,180

it's in that book ah man I tell you I oh

1473

01:00:28,250 --> 01:00:26,339

my God it was it was just she always

1474

01:00:30,589 --> 01:00:28,260

complained that that was her book that

1475

01:00:32,450 --> 01:00:30,599

was promised to her you know that was

1476

01:00:36,829 --> 01:00:32,460

supposed to be hers

1477

01:00:38,809 --> 01:00:36,839

and it's just in her case she wanted she

1478

01:00:41,210 --> 01:00:38,819

wanted to be able to

1479

01:00:42,650 --> 01:00:41,220

do what my mother was able to do do what

1480

01:00:44,210 --> 01:00:42,660

I was able to do

1481

01:00:48,170 --> 01:00:44,220

and then some

1482

01:00:51,829 --> 01:00:48,180

you know that's I think what she wanted

1483

01:00:53,270 --> 01:00:51,839

and somehow she got Lord in and

1484

01:00:56,569 --> 01:00:53,280

yeah

1485

01:00:58,690 --> 01:00:56,579

so I I agree you know she's the type who

1486

01:01:01,130 --> 01:00:58,700

embraced it

1487

01:01:04,030 --> 01:01:01,140

I think that's that's a big part of it

1488

01:01:08,270 --> 01:01:04,040

as well is embracing it uh again you you

1489

01:01:10,670 --> 01:01:08,280

can only poo poo it and woo-woo it so

1490

01:01:12,170 --> 01:01:10,680

much things start to happen and I think

1491

01:01:13,849 --> 01:01:12,180

it piques a lot of people's interests

1492

01:01:15,849 --> 01:01:13,859

and sometimes they go down the Avenue of

1493

01:01:17,809 --> 01:01:15,859

expectance and they're not really

1494

01:01:20,569 --> 01:01:17,819

entirely sure what they're going to get

1495

01:01:23,930 --> 01:01:20,579

but they go too far

1496

01:01:25,730 --> 01:01:23,940

um yeah yeah I uh

1497

01:01:26,809 --> 01:01:25,740

get the chills with those kind of things

1498

01:01:28,309 --> 01:01:26,819

for sure

1499

01:01:29,329 --> 01:01:28,319

all right I've got a question for the

1500

01:01:32,329 --> 01:01:29,339

panel

1501

01:01:36,470 --> 01:01:32,339

um have either of any of you guys ever

1502

01:01:40,970 --> 01:01:36,480

had a like a ghost uh um either siding

1503

01:01:46,789 --> 01:01:40,980

or or uh experience of some sort

1504

01:01:46,799 --> 01:01:51,049

could you tell us about one

1505

01:01:56,470 --> 01:01:52,670

you mean me

1506

01:01:58,789 --> 01:01:56,480

yes just please yes

1507

01:02:01,010 --> 01:01:58,799

well I I don't know

1508

01:02:03,609 --> 01:02:01,020

um many people know I was born and

1509

01:02:08,030 --> 01:02:03,619

raised in the Philippines and um

1510

01:02:08,690 --> 01:02:08,040

I actually grew up in a house that ended

1511

01:02:11,329 --> 01:02:08,700

up

1512

01:02:14,150 --> 01:02:11,339

uh being the graveyard an unofficial

1513

01:02:17,030 --> 01:02:14,160

graveyard for Japanese soldiers

1514

01:02:19,010 --> 01:02:17,040

uh it wasn't until much later when they

1515

01:02:21,170 --> 01:02:19,020

unearthed the fact that the backyard

1516

01:02:23,809 --> 01:02:21,180

had a lot of Bones

1517

01:02:25,789 --> 01:02:23,819

uh and there were relics of you know

1518

01:02:29,270 --> 01:02:25,799

uniforms and things of that nature

1519

01:02:31,670 --> 01:02:29,280

metals that were buried in their parts

1520

01:02:33,470 --> 01:02:31,680

of skeletons and things of that nature

1521

01:02:36,289 --> 01:02:33,480

the entire development that we found

1522

01:02:37,569 --> 01:02:36,299

ourselves in that my grand grandparents

1523

01:02:40,549 --> 01:02:37,579

bought

1524

01:02:43,370 --> 01:02:40,559

they built houses hastily right after

1525

01:02:46,370 --> 01:02:43,380

World War II without looking at what was

1526

01:02:48,589 --> 01:02:46,380

in the soil so it was replete with

1527

01:02:51,349 --> 01:02:48,599

hauntings there was a lot of stuff that

1528

01:02:53,270 --> 01:02:51,359

was um showing itself as soon as

1529

01:02:54,950 --> 01:02:53,280

Twilight hit you would go in the

1530

01:02:56,329 --> 01:02:54,960

backyard you don't want to be there but

1531

01:03:00,109 --> 01:02:56,339

you know a lot of people didn't know

1532

01:03:02,510 --> 01:03:00,119

this you would see a man who was sitting

1533

01:03:05,210 --> 01:03:02,520

uh right on the ground he had his legs

1534

01:03:07,670 --> 01:03:05,220

folded up and he looked like he was

1535

01:03:09,109 --> 01:03:07,680

wearing tethered clothing and he looked

1536

01:03:11,270 --> 01:03:09,119

like he starved to death or he was

1537

01:03:13,190 --> 01:03:11,280

starving to death and his eyes are

1538

01:03:16,849 --> 01:03:13,200

Furious he looks at you right at you

1539

01:03:18,829 --> 01:03:16,859

with red eyes full of Rage

1540

01:03:21,289 --> 01:03:18,839

um that was just one of many sightings

1541

01:03:23,750 --> 01:03:21,299

we've had ones where the open window if

1542

01:03:25,670 --> 01:03:23,760

you're standing right next to it you

1543

01:03:26,990 --> 01:03:25,680

know or you're in the bathroom on the

1544

01:03:28,190 --> 01:03:27,000

second floor I remember there's an uncle

1545

01:03:30,410 --> 01:03:28,200

we drew

1546

01:03:32,569 --> 01:03:30,420

went up to bed around 12 o'clock

1547

01:03:36,829 --> 01:03:32,579

midnight was brushing his teeth and he

1548

01:03:38,690 --> 01:03:36,839

distinctly felt the breath of someone by

1549

01:03:41,750 --> 01:03:38,700

his ear

1550

01:03:44,270 --> 01:03:41,760

there was one where uh there was a

1551

01:03:46,849 --> 01:03:44,280

servant that my family had hired and

1552

01:03:48,230 --> 01:03:46,859

that she was feeding the cats in the

1553

01:03:50,450 --> 01:03:48,240

backyard

1554

01:03:52,549 --> 01:03:50,460

um animals were not fed inside the house

1555

01:03:55,190 --> 01:03:52,559

not like here you know you give the dogs

1556

01:03:56,809 --> 01:03:55,200

their food inside it animals were fed

1557

01:03:59,089 --> 01:03:56,819

inside the house and usually they were

1558

01:04:00,230 --> 01:03:59,099

fed in the backyard and as she proceeded

1559

01:04:02,329 --> 01:04:00,240

down there

1560

01:04:04,910 --> 01:04:02,339

there was a man who was just standing

1561

01:04:07,130 --> 01:04:04,920

there looked like he had you know your

1562

01:04:10,970 --> 01:04:07,140

proverbial horns in his head

1563

01:04:12,970 --> 01:04:10,980

but he had a face that resembled

1564

01:04:16,970 --> 01:04:12,980

something like a cow

1565

01:04:19,490 --> 01:04:16,980

with huge pupils the eyes of a cat

1566

01:04:22,190 --> 01:04:19,500

who knows what that was

1567

01:04:24,890 --> 01:04:22,200

but there was just a sense of Madness a

1568

01:04:26,809 --> 01:04:24,900

sense of evil uh people who have visited

1569

01:04:29,210 --> 01:04:26,819

never came back people are very

1570

01:04:32,210 --> 01:04:29,220

reluctant to stay overnight this was a

1571

01:04:34,130 --> 01:04:32,220

pretty big house so we had guest rooms

1572

01:04:37,250 --> 01:04:34,140

and everything and people had difficult

1573

01:04:39,589 --> 01:04:37,260

difficulty after dinner staying they

1574

01:04:42,230 --> 01:04:39,599

they say they hear voices

1575

01:04:43,970 --> 01:04:42,240

uh when they go to the bathroom they say

1576

01:04:45,170 --> 01:04:43,980

they feel like they're being followed

1577

01:04:48,829 --> 01:04:45,180

when they're walking down the hallway

1578

01:04:51,829 --> 01:04:48,839

there's just a lot of activity

1579

01:04:53,710 --> 01:04:51,839

is there any cultural tradition there of

1580

01:04:56,150 --> 01:04:53,720

something with that strange looking

1581

01:05:00,049 --> 01:04:56,160

animalistic face or

1582

01:05:01,670 --> 01:05:00,059

any demon I was wrong a number of

1583

01:05:05,390 --> 01:05:01,680

stories

1584

01:05:06,890 --> 01:05:05,400

um we we also have the version of the

1585

01:05:10,010 --> 01:05:06,900

you know the the

1586

01:05:12,289 --> 01:05:10,020

um Elementals something called a capri

1587

01:05:14,690 --> 01:05:12,299

who lives to protect the trees and is

1588

01:05:17,450 --> 01:05:14,700

usually found folded within the trees

1589

01:05:20,630 --> 01:05:17,460

and it does have these horns and it's

1590

01:05:22,609 --> 01:05:20,640

about the size of a man uh but there's

1591

01:05:25,370 --> 01:05:22,619

also the other version where we just

1592

01:05:27,829 --> 01:05:25,380

because it's a very old country there's

1593

01:05:29,510 --> 01:05:27,839

a lot of Deep Forest where things have

1594

01:05:32,150 --> 01:05:29,520

never been seen you know some places

1595

01:05:35,510 --> 01:05:32,160

that are not charted yet

1596

01:05:40,370 --> 01:05:35,520

um but even the most busiest Suburban

1597

01:05:42,309 --> 01:05:40,380

areas have all kinds of manifestations

1598

01:05:45,829 --> 01:05:42,319

um even on the road at night

1599

01:05:48,109 --> 01:05:45,839

it tends to be a very dark country I

1600

01:05:50,329 --> 01:05:48,119

mean people say it's overpopulated but

1601
01:05:52,970 --> 01:05:50,339
you go into a given neighborhood there's

1602
01:05:55,609 --> 01:05:52,980
no Lighting in the streets so who knows

1603
01:05:57,710 --> 01:05:55,619
what you're going to stumble into

1604
01:06:00,049 --> 01:05:57,720
yeah you know that that's absolutely

1605
01:06:02,390 --> 01:06:00,059
terrifying it reminds me of a friend of

1606
01:06:05,030 --> 01:06:02,400
a friend of mine that uh I went to

1607
01:06:06,770 --> 01:06:05,040
university in England and we had a

1608
01:06:08,390 --> 01:06:06,780
number of foreign students that had

1609
01:06:10,069 --> 01:06:08,400
joined our course from various parts of

1610
01:06:12,530 --> 01:06:10,079
the world and one of them was a chap

1611
01:06:16,849 --> 01:06:12,540
named Joe jacana junior and he was from

1612
01:06:18,710 --> 01:06:16,859
Borneo and he told me that um his his

1613
01:06:21,349 --> 01:06:18,720

father would always tell him and his

1614

01:06:23,510 --> 01:06:21,359

friends to never go into the forests or

1615

01:06:25,309 --> 01:06:23,520

the jungle at night

1616

01:06:26,870 --> 01:06:25,319

um because it was haunted and it had all

1617

01:06:28,910 --> 01:06:26,880

kinds of spirits and demons that would

1618

01:06:30,289 --> 01:06:28,920

eat you and that kind of thing

1619

01:06:32,450 --> 01:06:30,299

um and most people sort of brushed it

1620

01:06:34,549 --> 01:06:32,460

off as okay well the jungle's just

1621

01:06:36,230 --> 01:06:34,559

dangerous and treacherous anyway there

1622

01:06:38,750 --> 01:06:36,240

are wild animals there are cats and

1623

01:06:40,970 --> 01:06:38,760

things that might take you away

1624

01:06:43,190 --> 01:06:40,980

um even big snakes perhaps so they

1625

01:06:45,289 --> 01:06:43,200

didn't really pay much attention to it

1626

01:06:48,049 --> 01:06:45,299

um and yet they were always told to to

1627

01:06:49,430 --> 01:06:48,059

be home before the sun goes down

1628

01:06:51,770 --> 01:06:49,440

um so they didn't worry their parents

1629

01:06:53,270 --> 01:06:51,780

and so they took the Jeep one night and

1630

01:06:55,430 --> 01:06:53,280

they went to the next town to sort of

1631

01:06:57,470 --> 01:06:55,440

find a place to drink

1632

01:06:59,210 --> 01:06:57,480

and uh they lived in the middle of

1633

01:07:00,710 --> 01:06:59,220

nowhere kind of thing and then they they

1634

01:07:03,170 --> 01:07:00,720

drove back and they thought oh God the

1635

01:07:04,490 --> 01:07:03,180

sun's going down and before they knew it

1636

01:07:06,710 --> 01:07:04,500

they were driving through the dirt road

1637

01:07:08,390 --> 01:07:06,720

to get back to their Village and and it

1638

01:07:10,549 --> 01:07:08,400

was night time and as you say there was

1639

01:07:12,950 --> 01:07:10,559

no lights it was Pitch Black and then

1640

01:07:15,410 --> 01:07:12,960

they saw a figure at the side of the

1641

01:07:16,490 --> 01:07:15,420

road ahead of them in the beams of their

1642

01:07:19,329 --> 01:07:16,500

Jeep

1643

01:07:22,130 --> 01:07:19,339

and it was a woman wearing a white dress

1644

01:07:23,690 --> 01:07:22,140

just stood with their arms outstretched

1645

01:07:24,950 --> 01:07:23,700

towards the vehicle stood at the side of

1646

01:07:27,470 --> 01:07:24,960

the road

1647

01:07:30,829 --> 01:07:27,480

and she didn't have a head

1648

01:07:34,670 --> 01:07:32,450

and so they they approached really

1649

01:07:36,589 --> 01:07:34,680

slowly and his friend said no no no keep

1650

01:07:38,029 --> 01:07:36,599

going keep going keep going and they

1651
01:07:40,609 --> 01:07:38,039
heard screaming

1652
01:07:42,109 --> 01:07:40,619
and they they would they were looking

1653
01:07:43,609 --> 01:07:42,119
around everywhere and then all of a

1654
01:07:45,470 --> 01:07:43,619
sudden one of their friends says oh my

1655
01:07:46,190 --> 01:07:45,480
god look up so they looked up out the

1656
01:07:49,069 --> 01:07:46,200
Jeep

1657
01:07:52,609 --> 01:07:49,079
and her head was floating maybe 50 feet

1658
01:07:54,890 --> 01:07:52,619
above them screaming down at them and so

1659
01:07:56,990 --> 01:07:54,900
they just pulled pour off and go back to

1660
01:08:01,430 --> 01:07:57,000
the Genesis to this day he doesn't know

1661
01:08:06,770 --> 01:08:04,910
good grief terrifying I believe I

1662
01:08:09,109 --> 01:08:06,780
believe there's a Cryptid that's uh

1663
01:08:11,450 --> 01:08:09,119

maybe even in the Philippines Anna maybe

1664

01:08:14,210 --> 01:08:11,460

you can help me with this uh that

1665

01:08:16,930 --> 01:08:14,220

separates the top part from the bottom

1666

01:08:20,689 --> 01:08:16,940

part on the top part flies around

1667

01:08:23,150 --> 01:08:20,699

screams and there there is it's uh it

1668

01:08:25,669 --> 01:08:23,160

I'm trying to remember what it is called

1669

01:08:26,630 --> 01:08:25,679

I I see the picture in my head it's a

1670

01:08:29,630 --> 01:08:26,640

female

1671

01:08:30,590 --> 01:08:29,640

uh and apparently it's vampiric in

1672

01:08:33,650 --> 01:08:30,600

nature

1673

01:08:35,150 --> 01:08:33,660

and the reason why it haunts that way is

1674

01:08:37,130 --> 01:08:35,160

that it's in trying to encourage people

1675

01:08:40,130 --> 01:08:37,140

to put the head back together with the

1676

01:08:44,269 --> 01:08:40,140

body from what I understand

1677

01:08:47,110 --> 01:08:44,279

um it's it's it's a very strange type of

1678

01:08:49,550 --> 01:08:47,120

I don't know where the story came from

1679

01:08:51,410 --> 01:08:49,560

uh this was something that was

1680

01:08:53,749 --> 01:08:51,420

circulating for a while as a matter of

1681

01:08:56,450 --> 01:08:53,759

fact on the internet and there are

1682

01:08:59,390 --> 01:08:56,460

several kinds of hauntings involving

1683

01:09:02,630 --> 01:08:59,400

this woman so Sam what you're talking

1684

01:09:04,849 --> 01:09:02,640

about that has a lot of commonality with

1685

01:09:06,890 --> 01:09:04,859

something I had heard of before I'm

1686

01:09:09,050 --> 01:09:06,900

trying it it's at the tip of my tongue

1687

01:09:11,209 --> 01:09:09,060

I'm trying to remember what it's called

1688

01:09:13,490 --> 01:09:11,219

um but we have something very similar

1689

01:09:15,590 --> 01:09:13,500

there where it there's a bride and

1690

01:09:18,349 --> 01:09:15,600

apparently the bride got run over by a

1691

01:09:21,910 --> 01:09:18,359

car on her uh evening before her wedding

1692

01:09:25,550 --> 01:09:21,920

she was carrying her bridal dress

1693

01:09:27,110 --> 01:09:25,560

uh and it was a taxi driver

1694

01:09:29,450 --> 01:09:27,120

that hit her

1695

01:09:34,010 --> 01:09:29,460

so now the story goes and it's called

1696

01:09:36,530 --> 01:09:34,020

The Legend of baliti Drive uh taxi

1697

01:09:38,870 --> 01:09:36,540

drivers going down this road and he's

1698

01:09:41,150 --> 01:09:38,880

got his last fare with him

1699

01:09:43,910 --> 01:09:41,160

he drops the man off and now he's alone

1700

01:09:46,550 --> 01:09:43,920

and he decides because it's so late that

1701

01:09:49,130 --> 01:09:46,560

he's going to take a shortcut

1702

01:09:52,849 --> 01:09:49,140

so of course he takes this shortcut

1703

01:09:56,330 --> 01:09:52,859

through the wooded area which happens to

1704

01:09:59,570 --> 01:09:56,340

span baliti drive beliti drive is an

1705

01:10:04,130 --> 01:09:59,580

actual Road in Manila it is probably I

1706

01:10:06,229 --> 01:10:04,140

would say maybe 50 miles uh outside of

1707

01:10:09,590 --> 01:10:06,239

the metropolitan area which means it's

1708

01:10:11,810 --> 01:10:09,600

pretty dark at night it quickly becomes

1709

01:10:14,270 --> 01:10:11,820

very dark when once you leave the city

1710

01:10:16,550 --> 01:10:14,280

you're in pitch dark you're just relying

1711

01:10:19,189 --> 01:10:16,560

on lines on the road

1712

01:10:21,530 --> 01:10:19,199

um so he's driving on here and there's

1713

01:10:24,110 --> 01:10:21,540

no one else and then in the distance

1714

01:10:26,209 --> 01:10:24,120

there's a woman who's wearing again

1715

01:10:29,330 --> 01:10:26,219

and she's waving

1716

01:10:30,709 --> 01:10:29,340

and of course he decides it's I think it

1717

01:10:32,570 --> 01:10:30,719

might have been like one o'clock or two

1718

01:10:34,910 --> 01:10:32,580

o'clock as the region goes at two

1719

01:10:36,950 --> 01:10:34,920

o'clock in the morning he stops the car

1720

01:10:40,070 --> 01:10:36,960

just because he doesn't want to leave

1721

01:10:42,770 --> 01:10:40,080

her to walk and uh opens the door lets

1722

01:10:45,350 --> 01:10:42,780

her in and wants to know where she's

1723

01:10:48,110 --> 01:10:45,360

going and she doesn't say a word so he

1724

01:10:49,790 --> 01:10:48,120

keeps glancing at the rear view mirror

1725

01:10:52,130 --> 01:10:49,800

and suddenly

1726

01:10:55,669 --> 01:10:52,140

she's gone

1727

01:10:56,570 --> 01:10:55,679

and then he turns around and it's a

1728

01:11:01,430 --> 01:10:56,580

skull

1729

01:11:03,310 --> 01:11:01,440

where the head was

1730

01:11:05,590 --> 01:11:03,320

wow

1731

01:11:09,729 --> 01:11:05,600

and uh

1732

01:11:17,209 --> 01:11:12,709

that looks familiar too

1733

01:11:19,970 --> 01:11:17,219

and uh what happens is he drives away

1734

01:11:22,490 --> 01:11:19,980

um and he never sees her again until the

1735

01:11:25,070 --> 01:11:22,500

next Taxi Driver comes along

1736

01:11:29,810 --> 01:11:25,080

and has the same exact experience around

1737

01:11:35,209 --> 01:11:32,810

it's it's interesting there's a there's

1738

01:11:37,729 --> 01:11:35,219

a predominance of a very similar story

1739

01:11:40,070 --> 01:11:37,739

to that cross-culturally like there are

1740

01:11:41,810 --> 01:11:40,080

many stories in America and I know there

1741

01:11:43,490 --> 01:11:41,820

are in the UK I believe and also I think

1742

01:11:47,450 --> 01:11:43,500

in Australia and probably all around the

1743

01:11:49,130 --> 01:11:47,460

world where often Brides who died or

1744

01:11:52,550 --> 01:11:49,140

other women who died in tragic

1745

01:11:55,010 --> 01:11:52,560

circumstances normally younger women

1746

01:11:57,050 --> 01:11:55,020

are picked up as hitchhikers along the

1747

01:11:58,610 --> 01:11:57,060

road or picked up by cab drivers or

1748

01:12:00,050 --> 01:11:58,620

picked up for one reason or another

1749

01:12:02,450 --> 01:12:00,060

because they're in the middle of nowhere

1750

01:12:04,550 --> 01:12:02,460

and they look lost or the driver feels

1751
01:12:06,830 --> 01:12:04,560
you know bad for them or they hail even

1752
01:12:09,229 --> 01:12:06,840
the car down and sure enough they get

1753
01:12:11,750 --> 01:12:09,239
into the car and then they disappear one

1754
01:12:14,090 --> 01:12:11,760
of the most there's a number of them in

1755
01:12:15,890 --> 01:12:14,100
America and for example they'll be

1756
01:12:17,930 --> 01:12:15,900
taking a woman to an address she's given

1757
01:12:19,850 --> 01:12:17,940
them and when they get there the house

1758
01:12:21,470 --> 01:12:19,860
that was once there where they where

1759
01:12:22,910 --> 01:12:21,480
they were taking was burnt down and

1760
01:12:25,130 --> 01:12:22,920
they'll look in their back and she's not

1761
01:12:27,290 --> 01:12:25,140
there or they'll go to the address this

1762
01:12:28,850 --> 01:12:27,300
is another very common one and some of

1763
01:12:30,530 --> 01:12:28,860

these are probably you know urban

1764

01:12:33,709 --> 01:12:30,540

legends but some of them are based I

1765

01:12:35,570 --> 01:12:33,719

think on actual experiences where they

1766

01:12:37,010 --> 01:12:35,580

the woman disappears in the car when

1767

01:12:38,570 --> 01:12:37,020

they're driving it or the address and

1768

01:12:40,910 --> 01:12:38,580

then they go and knock on the door where

1769

01:12:42,649 --> 01:12:40,920

they go and it's answered by somebody

1770

01:12:44,330 --> 01:12:42,659

who says oh yes she used to live here

1771

01:12:46,189 --> 01:12:44,340

often the parents or sometimes a

1772

01:12:47,870 --> 01:12:46,199

relative or somebody later they yeah

1773

01:12:50,570 --> 01:12:47,880

they know that sounds like you know oh

1774

01:12:52,430 --> 01:12:50,580

Mary Sue who died back in 1952 on that

1775

01:12:55,189 --> 01:12:52,440

bridge so it's interesting that the

1776

01:12:58,490 --> 01:12:55,199

these things these experiences and these

1777

01:13:00,590 --> 01:12:58,500

Tales seem to be much like the fair

1778

01:13:02,709 --> 01:13:00,600

Focus Mr Sam Sharon was saying before

1779

01:13:05,510 --> 01:13:02,719

tend to be

1780

01:13:07,189 --> 01:13:05,520

cross-culturally ubiquitous they seem to

1781

01:13:09,229 --> 01:13:07,199

appear all around the world and there

1782

01:13:11,510 --> 01:13:09,239

are many tales like that that that's

1783

01:13:13,910 --> 01:13:11,520

that they resonate at some archetypal

1784

01:13:16,189 --> 01:13:13,920

level whatever the reality of them or

1785

01:13:18,290 --> 01:13:16,199

not the reality they're a part of is

1786

01:13:20,630 --> 01:13:18,300

they're a part of the way we we tell

1787

01:13:22,970 --> 01:13:20,640

stories and the way we dream of the or

1788

01:13:25,130 --> 01:13:22,980

the way we imagine the afterlife and

1789

01:13:27,709 --> 01:13:25,140

these people coming back to visitors

1790

01:13:29,870 --> 01:13:27,719

these Lost Souls which is obviously also

1791

01:13:32,030 --> 01:13:29,880

particularly significant at Halloween

1792

01:13:34,010 --> 01:13:32,040

because Halloween's you know one of the

1793

01:13:36,290 --> 01:13:34,020

other things as long as well as the FAE

1794

01:13:39,350 --> 01:13:36,300

it's the lost souls who look in you know

1795

01:13:41,450 --> 01:13:39,360

on Halloween night

1796

01:13:43,850 --> 01:13:41,460

and some people set tables for the dead

1797

01:13:45,950 --> 01:13:43,860

on Halloween there are Traditions that

1798

01:13:47,390 --> 01:13:45,960

like to keep the dead away and so you

1799

01:13:49,010 --> 01:13:47,400

might put the jack-o-lant in the window

1800

01:13:52,310 --> 01:13:49,020

to scare them away but there are other

1801
01:13:54,169 --> 01:13:52,320
cultures that actually open the door and

1802
01:13:56,390 --> 01:13:54,179
set the table and the the light in the

1803
01:13:58,189 --> 01:13:56,400
window isn't to scare the debt away but

1804
01:14:00,890 --> 01:13:58,199
it's to welcome the dead in so they can

1805
01:14:02,510 --> 01:14:00,900
find them when they're traveling you

1806
01:14:04,970 --> 01:14:02,520
know in this world and they can come in

1807
01:14:06,169 --> 01:14:04,980
and eat and spend a night in the land of

1808
01:14:07,610 --> 01:14:06,179
the living again

1809
01:14:10,130 --> 01:14:07,620
so

1810
01:14:11,990 --> 01:14:10,140
you know I I it's I'm always very

1811
01:14:14,209 --> 01:14:12,000
cognizant of both the fair folk and

1812
01:14:16,490 --> 01:14:14,219
those tales of the Dead on Halloween I

1813
01:14:18,709 --> 01:14:16,500

like to remember the old meaning of the

1814

01:14:22,370 --> 01:14:18,719

of the holiday the old meaning of the

1815

01:14:22,380 --> 01:14:26,330

wow

1816

01:14:31,010 --> 01:14:29,149

do you think that the veil gets thinner

1817

01:14:32,930 --> 01:14:31,020

towards Halloween do you think it's

1818

01:14:35,090 --> 01:14:32,940

easier for these things to come through

1819

01:14:36,770 --> 01:14:35,100

on Halloween I think I think that's

1820

01:14:39,470 --> 01:14:36,780

what's believed I mean traditionally

1821

01:14:41,570 --> 01:14:39,480

that's been the idea and it makes it

1822

01:14:43,310 --> 01:14:41,580

makes sense as far it makes more sense

1823

01:14:46,250 --> 01:14:43,320

to me now because I'm obviously from

1824

01:14:48,590 --> 01:14:46,260

Australia and October in Australia is

1825

01:14:50,750 --> 01:14:48,600

when it's getting warmer and Sydney

1826

01:14:53,090 --> 01:14:50,760

unlike where I live in America sure it

1827

01:14:55,250 --> 01:14:53,100

gets a little bit colder but most a

1828

01:14:58,250 --> 01:14:55,260

brutal winter day is like a spring day

1829

01:15:00,709 --> 01:14:58,260

here or a fall day here in Sydney I mean

1830

01:15:02,510 --> 01:15:00,719

we we never get down to ridiculous

1831

01:15:05,689 --> 01:15:02,520

temperatures or we never did but when I

1832

01:15:08,390 --> 01:15:05,699

moved here I became very conscious of

1833

01:15:10,490 --> 01:15:08,400

that seasonal difference like here when

1834

01:15:12,050 --> 01:15:10,500

the days get so much shorter and I have

1835

01:15:13,970 --> 01:15:12,060

a garden and you've got to have been

1836

01:15:15,950 --> 01:15:13,980

harvested by that and there was one year

1837

01:15:17,510 --> 01:15:15,960

I didn't have a big enough chicken shed

1838

01:15:18,830 --> 01:15:17,520

or a chicken coop I had to build a

1839

01:15:20,390 --> 01:15:18,840

bigger Coop because there wasn't room

1840

01:15:22,370 --> 01:15:20,400

for my chickens before the cold weather

1841

01:15:24,470 --> 01:15:22,380

got here because they knew they wouldn't

1842

01:15:27,649 --> 01:15:24,480

make it and people here hunt during gun

1843

01:15:29,390 --> 01:15:27,659

season around this time of to bring

1844

01:15:31,550 --> 01:15:29,400

their venison in that they're going to

1845

01:15:33,830 --> 01:15:31,560

bring in for the winter so it's not like

1846

01:15:36,050 --> 01:15:33,840

it once was but there's the idea that

1847

01:15:38,149 --> 01:15:36,060

you're going into darker days and now of

1848

01:15:40,189 --> 01:15:38,159

course we have the benefits of

1849

01:15:42,110 --> 01:15:40,199

electricity and the internet and we can

1850

01:15:43,790 --> 01:15:42,120

we can be in our warm house and we can

1851

01:15:45,649 --> 01:15:43,800

get in our car and we can drive to our

1852

01:15:47,510 --> 01:15:45,659

cubicle at work and we're not really

1853

01:15:50,450 --> 01:15:47,520

cold for most of it certainly not City

1854

01:15:54,010 --> 01:15:50,460

people but in the olden days

1855

01:15:57,169 --> 01:15:54,020

you can see when the days got much

1856

01:15:58,850 --> 01:15:57,179

shorter and the night's got much longer

1857

01:16:01,070 --> 01:15:58,860

and you were often

1858

01:16:03,709 --> 01:16:01,080

frightened to go out at night

1859

01:16:05,270 --> 01:16:03,719

and if you hadn't put enough food aside

1860

01:16:07,669 --> 01:16:05,280

it could really be the end of you or

1861

01:16:11,209 --> 01:16:07,679

your family that you can imagine how

1862

01:16:13,250 --> 01:16:11,219

that other world seems so much closer

1863

01:16:16,010 --> 01:16:13,260

so I think I think some of it's

1864

01:16:18,410 --> 01:16:16,020

culturally bound but I do think there's

1865

01:16:20,570 --> 01:16:18,420

uh you know there where there's smoke

1866

01:16:22,310 --> 01:16:20,580

there's fire with these kind of Legends

1867

01:16:24,229 --> 01:16:22,320

you know I think people probably did

1868

01:16:25,910 --> 01:16:24,239

have more experiences

1869

01:16:27,709 --> 01:16:25,920

and I think some people probably still

1870

01:16:29,750 --> 01:16:27,719

do but again in our in our bright

1871

01:16:31,729 --> 01:16:29,760

electricity lit world today it's you

1872

01:16:34,010 --> 01:16:31,739

know it's not scary to go out so much on

1873

01:16:38,149 --> 01:16:34,020

Halloween night as it was if you were

1874

01:16:42,410 --> 01:16:38,159

you know an Irish peasant 200 years ago

1875

01:16:44,149 --> 01:16:42,420

do you think maybe also the belief in it

1876

01:16:46,850 --> 01:16:44,159

the belief that the veil is the thinnest

1877

01:16:49,790 --> 01:16:46,860

like a collective belief makes it the

1878

01:16:51,950 --> 01:16:49,800

thinnest the next time of the year yeah

1879

01:16:53,290 --> 01:16:51,960

possibly I think I think our

1880

01:16:55,850 --> 01:16:53,300

expectations

1881

01:16:57,590 --> 01:16:55,860

Greg Bishop who writes mainly in the

1882

01:16:59,570 --> 01:16:57,600

realm of ufology but he has something

1883

01:17:02,570 --> 01:16:59,580

called co-creation Theory when it

1884

01:17:05,149 --> 01:17:02,580

applies to UFOs and he thinks that we're

1885

01:17:07,189 --> 01:17:05,159

interacting with the phenomenon to to

1886

01:17:09,110 --> 01:17:07,199

have it present to us the way that we

1887

01:17:11,090 --> 01:17:09,120

kind of culturally expect it doesn't

1888

01:17:14,630 --> 01:17:11,100

mean there isn't an exterior phenomenon

1889

01:17:16,970 --> 01:17:14,640

but our beliefs interconnect with it and

1890

01:17:19,130 --> 01:17:16,980

yes I certainly think if there is a if

1891

01:17:21,050 --> 01:17:19,140

there's a broad cultural tradition that

1892

01:17:23,030 --> 01:17:21,060

these things are going to be more

1893

01:17:25,490 --> 01:17:23,040

Apparent at a specific time or a

1894

01:17:27,169 --> 01:17:25,500

specific date then yeah I have no doubt

1895

01:17:29,450 --> 01:17:27,179

that's a very good question Bernadette I

1896

01:17:31,490 --> 01:17:29,460

think that's very telling I do think it

1897

01:17:34,750 --> 01:17:31,500

probably impacts what we see and what we

1898

01:17:37,610 --> 01:17:34,760

experience those expectations

1899

01:17:40,550 --> 01:17:37,620

I don't know what you think of this but

1900

01:17:43,970 --> 01:17:40,560

um you know the equinoxes the Autumn

1901

01:17:46,850 --> 01:17:43,980

Equinox came about and then we also have

1902

01:17:49,370 --> 01:17:46,860

the Druid rights that happen in

1903

01:17:51,590 --> 01:17:49,380

Stonehedge and things of that nature I I

1904

01:17:54,709 --> 01:17:51,600

think there's some kind of planetary

1905

01:17:56,750 --> 01:17:54,719

alignment not just the seasons but

1906

01:18:00,530 --> 01:17:56,760

having to do with the alignment of the

1907

01:18:03,709 --> 01:18:00,540

planets that cause these um energies

1908

01:18:06,050 --> 01:18:03,719

maybe to thin the Veil

1909

01:18:08,390 --> 01:18:06,060

I don't know much about it to really

1910

01:18:11,450 --> 01:18:08,400

speak about it but I do know I used to

1911

01:18:14,450 --> 01:18:11,460

attend these equinoxes we had a holistic

1912

01:18:17,689 --> 01:18:14,460

lady here who used to dabble in natural

1913

01:18:20,750 --> 01:18:17,699

medicine and she would hold them four

1914

01:18:21,950 --> 01:18:20,760

times a year and she explained that it

1915

01:18:23,689 --> 01:18:21,960

was very

1916

01:18:27,110 --> 01:18:23,699

um certain medicines

1917

01:18:31,070 --> 01:18:27,120

uh for healing were much more effective

1918

01:18:34,070 --> 01:18:31,080

on certain Equinox days so if you

1919

01:18:35,810 --> 01:18:34,080

ingested something on an equinox it had

1920

01:18:38,810 --> 01:18:35,820

a different effect on your body than

1921

01:18:41,630 --> 01:18:38,820

others so talking about the veil being

1922

01:18:43,669 --> 01:18:41,640

thinner around this time for these types

1923

01:18:45,649 --> 01:18:43,679

of energies I think there might be some

1924

01:18:47,570 --> 01:18:45,659

case for that

1925

01:18:50,390 --> 01:18:47,580

yeah that's that's interesting I wonder

1926

01:18:53,510 --> 01:18:50,400

if it applies to the solstices as well

1927

01:18:55,370 --> 01:18:53,520

because I know that for example the the

1928

01:18:58,130 --> 01:18:55,380

Shakespeare play Midsummer's Night

1929

01:19:00,590 --> 01:18:58,140

Midsummer Night's Dream when those kind

1930

01:19:03,110 --> 01:19:00,600

of entities are more active that's the

1931

01:19:05,450 --> 01:19:03,120

that that falls upon the solstice or

1932

01:19:07,010 --> 01:19:05,460

close to the solstice right so I wonder

1933

01:19:09,470 --> 01:19:07,020

if these cultures did understand

1934

01:19:11,090 --> 01:19:09,480

something about those changes for

1935

01:19:13,490 --> 01:19:11,100

example

1936

01:19:16,250 --> 01:19:13,500

in Ireland it was all of the quarter

1937

01:19:19,189 --> 01:19:16,260

days which were dangerous to go out so

1938

01:19:21,350 --> 01:19:19,199

it was Halloween and it was Beltane and

1939

01:19:23,149 --> 01:19:21,360

it was all of the the other two as well

1940

01:19:25,250 --> 01:19:23,159

I always forget the actual the Gaelic

1941

01:19:27,050 --> 01:19:25,260

terms for them but yeah there does seem

1942

01:19:29,270 --> 01:19:27,060

to be those periods and whether it is

1943

01:19:31,310 --> 01:19:29,280

because of you know if there is some

1944

01:19:33,590 --> 01:19:31,320

astrological significance or whether it

1945

01:19:35,570 --> 01:19:33,600

is like Bernadette said that people have

1946

01:19:38,090 --> 01:19:35,580

that expectation

1947

01:19:39,890 --> 01:19:38,100

or whether it is somehow which I like

1948

01:19:42,830 --> 01:19:39,900

the most because it's charmingly more

1949

01:19:45,470 --> 01:19:42,840

literal if it really is when the fair

1950

01:19:47,630 --> 01:19:45,480

folk are moving between you know between

1951

01:19:49,310 --> 01:19:47,640

their residences they're actually we're

1952

01:19:51,290 --> 01:19:49,320

moving from here to here and you better

1953

01:19:53,570 --> 01:19:51,300

not get in our way but for whatever

1954

01:19:55,370 --> 01:19:53,580

reason those things certainly used to

1955

01:19:57,830 --> 01:19:55,380

ring very true and we've lost a lot of

1956

01:19:59,630 --> 01:19:57,840

that now because again even if you live

1957

01:20:02,450 --> 01:19:59,640

somewhere which gets brutally cold like

1958

01:20:04,910 --> 01:20:02,460

where I live we're still so protected by

1959

01:20:08,930 --> 01:20:04,920

you know protected by electricity and by

1960

01:20:10,910 --> 01:20:08,940

you know petroleum engines and by by big

1961

01:20:14,149 --> 01:20:10,920

big supplies of food and buy a

1962

01:20:15,470 --> 01:20:14,159

convenience store which is only you know

1963

01:20:16,850 --> 01:20:15,480

depending where you live for me it's

1964

01:20:19,010 --> 01:20:16,860

like 40 minutes away but most people

1965

01:20:20,630 --> 01:20:19,020

it's closer than that still we can go

1966

01:20:23,390 --> 01:20:20,640

and get something if we haven't got all

1967

01:20:24,590 --> 01:20:23,400

the food in by the end of the harvest

1968

01:20:26,630 --> 01:20:24,600

season we're not probably going to

1969

01:20:28,189 --> 01:20:26,640

starve to death in today's world but I

1970

01:20:29,990 --> 01:20:28,199

think we used to be very conscious of

1971

01:20:31,850 --> 01:20:30,000

those Seasons the same way that we would

1972

01:20:34,250 --> 01:20:31,860

want to make sure that we were planted

1973

01:20:37,729 --> 01:20:34,260

by a certain time in the spring there

1974

01:20:40,370 --> 01:20:37,739

was a real consciousness of how the the

1975

01:20:42,350 --> 01:20:40,380

seasons impacted life and during the

1976

01:20:44,510 --> 01:20:42,360

winter for the most part

1977

01:20:46,010 --> 01:20:44,520

it was a peaceful time if you were if

1978

01:20:47,930 --> 01:20:46,020

you were well stocked up you didn't do

1979

01:20:50,330 --> 01:20:47,940

very much in the old land in the winter

1980

01:20:52,310 --> 01:20:50,340

because you don't you you've done all

1981

01:20:54,229 --> 01:20:52,320

your your harvesting you bought

1982

01:20:57,229 --> 01:20:54,239

everything in it was a waiting time it

1983

01:20:59,990 --> 01:20:57,239

was a time for stories on long dark

1984

01:21:04,189 --> 01:21:00,000

nights around fireplaces so all of this

1985

01:21:05,810 --> 01:21:04,199

type of Legend could emerge well today I

1986

01:21:07,189 --> 01:21:05,820

think we're poorer culturally which I

1987

01:21:09,590 --> 01:21:07,199

guess is what I'm pointing at I think

1988

01:21:11,030 --> 01:21:09,600

that we've become so disconnected and

1989

01:21:13,430 --> 01:21:11,040

don't get me wrong I'm not saying I want

1990

01:21:16,490 --> 01:21:13,440

to go and live where you know if I don't

1991

01:21:18,530 --> 01:21:16,500

have my potato harvest in by you know by

1992

01:21:20,630 --> 01:21:18,540

October I'm going to starve right but

1993

01:21:23,750 --> 01:21:20,640

we've we've lost something culturally

1994

01:21:26,209 --> 01:21:23,760

we've lost a connection to the way the

1995

01:21:28,370 --> 01:21:26,219

world works and our our role in it and

1996

01:21:30,950 --> 01:21:28,380

and I think as a result of that I think

1997

01:21:32,930 --> 01:21:30,960

we've lost a lot of the fascinating

1998

01:21:34,430 --> 01:21:32,940

mythology that used to be connected with

1999

01:21:35,810 --> 01:21:34,440

it it's why now Halloween's just

2000

01:21:37,850 --> 01:21:35,820

trick-or-treating and watching how

2001

01:21:39,350 --> 01:21:37,860

horror movie marathons and getting drunk

2002

01:21:42,169 --> 01:21:39,360

at a party if you're in college or

2003

01:21:44,030 --> 01:21:42,179

something while back then it had a real

2004

01:21:46,310 --> 01:21:44,040

significance whether it was the old

2005

01:21:48,290 --> 01:21:46,320

Roman

2006

01:21:50,090 --> 01:21:48,300

um Harvest Festival which kind of

2007

01:21:52,430 --> 01:21:50,100

combined with those druidic traditions

2008

01:21:54,169 --> 01:21:52,440

and the idea of Sauron and the idea of

2009

01:21:56,270 --> 01:21:54,179

the lord of the dead and the idea that

2010

01:21:57,950 --> 01:21:56,280

you know it was the end of the season of

2011

01:21:59,990 --> 01:21:57,960

the Sun and now we were going into the

2012

01:22:01,790 --> 01:22:00,000

winter for whatever reason we really

2013

01:22:03,950 --> 01:22:01,800

connected seasonally

2014

01:22:07,070 --> 01:22:03,960

it wasn't just a date if the date

2015

01:22:09,770 --> 01:22:07,080

actually represented a massive change in

2016

01:22:11,570 --> 01:22:09,780

how our lifestyle would be affected by

2017

01:22:13,430 --> 01:22:11,580

the success of a crop or by the length

2018

01:22:16,010 --> 01:22:13,440

of the winter and today we don't have

2019

01:22:17,870 --> 01:22:16,020

that connection anymore it's gone and as

2020

01:22:23,330 --> 01:22:17,880

a result and mythologically we're poorer

2021

01:22:23,340 --> 01:22:27,110

yeah I agree

2022

01:22:32,930 --> 01:22:29,270

um so back to Vincent's question though

2023

01:22:34,970 --> 01:22:32,940

have have you guys seen any ghosting Mr

2024

01:22:38,050 --> 01:22:34,980

Sam

2025

01:22:43,910 --> 01:22:42,050

I think yeah I understand that

2026

01:22:46,310 --> 01:22:43,920

yeah I was just abducted there for a

2027

01:22:49,310 --> 01:22:46,320

second for some strange spooky reason

2028

01:22:53,169 --> 01:22:49,320

the internet just went out so

2029

01:22:55,610 --> 01:22:53,179

um okay it's a spooky day

2030

01:22:57,290 --> 01:22:55,620

it never happens as well so that's kind

2031

01:22:59,510 --> 01:22:57,300

of we shouldn't have been talking about

2032

01:23:03,649 --> 01:22:59,520

the she that's what they used to say you

2033

01:23:08,630 --> 01:23:06,169

a very intriguing thing to add before

2034

01:23:11,570 --> 01:23:08,640

Sam begins Sam I tell you this this is

2035

01:23:14,030 --> 01:23:11,580

true every time I used to come on and

2036

01:23:16,490 --> 01:23:14,040

I've been on Long show maybe three or

2037

01:23:18,470 --> 01:23:16,500

four times and the first couple of times

2038

01:23:20,450 --> 01:23:18,480

I was talking about the Demonic

2039

01:23:25,189 --> 01:23:20,460

infestation that was in my family's

2040

01:23:27,709 --> 01:23:25,199

house every time I mentioned that evil

2041

01:23:29,810 --> 01:23:27,719

the whatever for some reason the

2042

01:23:32,270 --> 01:23:29,820

internet would cut out the picture would

2043

01:23:33,709 --> 01:23:32,280

go or the sound would go and it got to

2044

01:23:35,330 --> 01:23:33,719

the point where it was like there's

2045

01:23:39,169 --> 01:23:35,340

something here that's preventing me from

2046

01:23:39,179 --> 01:23:52,689

what's that behind you

2047

01:23:52,699 --> 01:23:57,890

look at Vince

2048

01:24:01,010 --> 01:23:59,510

oh

2049

01:24:03,530 --> 01:24:01,020

were you going to tell a ghost story

2050

01:24:07,130 --> 01:24:03,540

though Sam one of yours oh sure

2051

01:24:10,850 --> 01:24:07,140

um I mean this is this is uh

2052

01:24:13,130 --> 01:24:10,860

this is an old one but it's true

2053

01:24:17,990 --> 01:24:13,140

um and I think that I have to start by

2054

01:24:18,950 --> 01:24:18,000

saying that it's 100 real

2055

01:24:20,750 --> 01:24:18,960

um

2056

01:24:22,130 --> 01:24:20,760

and this took place when I was seven

2057

01:24:24,590 --> 01:24:22,140

years old

2058

01:24:26,630 --> 01:24:24,600

in England where I grew up where it's

2059

01:24:29,209 --> 01:24:26,640

born and raised

2060

01:24:31,910 --> 01:24:29,219

and me and my mom used to live

2061

01:24:34,729 --> 01:24:31,920

in a town called runghorn

2062

01:24:37,729 --> 01:24:34,739

in Cheshire in the northwest of England

2063

01:24:39,649 --> 01:24:37,739

and we were on the edge of a big Forest

2064

01:24:42,110 --> 01:24:39,659

strangely enough

2065

01:24:43,970 --> 01:24:42,120

and uh

2066

01:24:45,530 --> 01:24:43,980

it was wonderful because of a day you

2067

01:24:48,169 --> 01:24:45,540

would walk around and you'd go to the

2068

01:24:49,729 --> 01:24:48,179

ponds and look at the you know the the

2069

01:24:52,729 --> 01:24:49,739

little swampy areas and there was a

2070

01:24:55,850 --> 01:24:52,739

stagnant Pond there which by the way uh

2071

01:24:57,830 --> 01:24:55,860

after several years of of being told to

2072

01:24:59,750 --> 01:24:57,840

never go near it because it was it was

2073

01:25:00,890 --> 01:24:59,760

almost like quicksand it was covered in

2074

01:25:03,770 --> 01:25:00,900

Duck oil and you couldn't really see

2075

01:25:05,450 --> 01:25:03,780

where the edge was and it was dangerous

2076

01:25:07,790 --> 01:25:05,460

um they drained it one year and they

2077

01:25:10,070 --> 01:25:07,800

found hundreds of skeletons of animals

2078

01:25:12,830 --> 01:25:10,080

pets all kinds of things

2079

01:25:15,410 --> 01:25:12,840

so it was literally a rotten bog of

2080

01:25:20,050 --> 01:25:16,090

um

2081

01:25:24,350 --> 01:25:20,060

that's not where the story starts

2082

01:25:25,850 --> 01:25:24,360

in my aunt and uncle had visited and I

2083

01:25:30,110 --> 01:25:25,860

hadn't seen them in a while

2084

01:25:32,570 --> 01:25:30,120

and my my uncle had had gifted me a book

2085

01:25:34,250 --> 01:25:32,580

on dinosaurs which I was obsessed with

2086

01:25:36,350 --> 01:25:34,260

still love them

2087

01:25:38,390 --> 01:25:36,360

um and so

2088

01:25:39,950 --> 01:25:38,400

it got to around 10 o'clock at night and

2089

01:25:41,810 --> 01:25:39,960

again I was seven years old so 10

2090

01:25:44,630 --> 01:25:41,820

o'clock at night was pretty late to be

2091

01:25:46,030 --> 01:25:44,640

staying up for me anyway in my family I

2092

01:25:48,649 --> 01:25:46,040

would normally have been in bed by then

2093

01:25:52,370 --> 01:25:48,659

but I was so happy with this Dinosaur

2094

01:25:54,950 --> 01:25:52,380

book and see my uncle I was wide awake

2095

01:25:57,709 --> 01:25:54,960

nevertheless I was sent to bed at 10

2096

01:26:01,669 --> 01:25:57,719

o'clock and it was you know that's it up

2097

01:26:03,169 --> 01:26:01,679

the apples and pears time to go to bed

2098

01:26:06,470 --> 01:26:03,179

um so I went to bed

2099

01:26:08,689 --> 01:26:06,480

it's a small house so

2100

01:26:10,550 --> 01:26:08,699

um you could hear people downstairs you

2101

01:26:14,330 --> 01:26:10,560

could hear the television

2102

01:26:17,629 --> 01:26:14,340

um it was pretty much uh

2103

01:26:21,950 --> 01:26:17,639

next next to you in a sense

2104

01:26:23,570 --> 01:26:21,960

um and so I had real trouble trying to

2105

01:26:25,790 --> 01:26:23,580

go to sleep I wanted to be downstairs

2106

01:26:27,229 --> 01:26:25,800

because I could hear clinking of glasses

2107

01:26:29,510 --> 01:26:27,239

laughter

2108

01:26:32,629 --> 01:26:29,520

and the television you know

2109

01:26:34,370 --> 01:26:32,639

um and so I'm sort of sitting up in bed

2110

01:26:35,870 --> 01:26:34,380

and I'm turning over and I'm turning

2111

01:26:39,649 --> 01:26:35,880

back

2112

01:26:41,990 --> 01:26:39,659

and it sort of dies down and my aunt and

2113

01:26:44,209 --> 01:26:42,000

uncle had come to say good night and

2114

01:26:46,070 --> 01:26:44,219

they stood in the doorway

2115

01:26:47,209 --> 01:26:46,080

and I was really happy because I wasn't

2116

01:26:49,070 --> 01:26:47,219

going to see them they were leaving

2117

01:26:52,430 --> 01:26:49,080

early the next day

2118

01:26:53,990 --> 01:26:52,440

um so I was I was glad that we're saying

2119

01:26:55,129 --> 01:26:54,000

good night so I sat up and and sort of

2120

01:26:57,709 --> 01:26:55,139

said you know thanks for the Dinosaur

2121

01:27:00,050 --> 01:26:57,719

book it was great to see you I hope to

2122

01:27:01,370 --> 01:27:00,060

see you soon you know sleep well I won't

2123

01:27:04,669 --> 01:27:01,380

see you in the morning

2124

01:27:06,350 --> 01:27:04,679

by and uh and they didn't answer me and

2125

01:27:08,330 --> 01:27:06,360

I just stood there

2126
01:27:10,490 --> 01:27:08,340
and of course I'm a kid and I'm a little

2127
01:27:11,810 --> 01:27:10,500
afraid of the dark at that point still

2128
01:27:12,410 --> 01:27:11,820
aiming away

2129
01:27:14,390 --> 01:27:12,420
um

2130
01:27:15,290 --> 01:27:14,400
and I have the hall light on the landing

2131
01:27:19,910 --> 01:27:15,300
light

2132
01:27:21,830 --> 01:27:19,920
floods my doorway so they're stood there

2133
01:27:22,970 --> 01:27:21,840
in silhouette I can't really make them

2134
01:27:25,010 --> 01:27:22,980
out

2135
01:27:27,590 --> 01:27:25,020
but then I rub my eyes and I look again

2136
01:27:29,330 --> 01:27:27,600
to sort of say good night

2137
01:27:31,010 --> 01:27:29,340
and they'd still don't answer me they're

2138
01:27:33,649 --> 01:27:31,020

just standing there

2139

01:27:36,110 --> 01:27:33,659

and that's when they they start to walk

2140

01:27:38,090 --> 01:27:36,120

into the room but not towards me almost

2141

01:27:40,669 --> 01:27:38,100

diagonally away from me and across from

2142

01:27:42,950 --> 01:27:40,679

me passed me in a sense and that's when

2143

01:27:44,090 --> 01:27:42,960

I realized they were a lot shorter than

2144

01:27:45,830 --> 01:27:44,100

they should have been

2145

01:27:48,830 --> 01:27:45,840

and it was a little boy and a little

2146

01:27:52,669 --> 01:27:48,840

girl wearing frilly clothes

2147

01:27:55,129 --> 01:27:52,679

and so immediately I screamed the walls

2148

01:27:57,890 --> 01:27:55,139

down I throw my pillow across the room

2149

01:28:01,370 --> 01:27:57,900

and I don't want to look and I look up

2150

01:28:03,649 --> 01:28:01,380

it's the only place I can go I look up

2151
01:28:05,810 --> 01:28:03,659
don't want to close my eyes because I

2152
01:28:08,450 --> 01:28:05,820
still want to know what's going on in

2153
01:28:09,830 --> 01:28:08,460
defense I just look away and I look up

2154
01:28:13,070 --> 01:28:09,840
and that's where it gets really weird

2155
01:28:14,870 --> 01:28:13,080
there's a green Fireball the size of a

2156
01:28:17,570 --> 01:28:14,880
soccer ball or a football

2157
01:28:19,310 --> 01:28:17,580
and it's traveling around the four

2158
01:28:21,350 --> 01:28:19,320
corners of my ceiling

2159
01:28:23,990 --> 01:28:21,360
and this green firewall when I when I

2160
01:28:27,890 --> 01:28:24,000
look up it comes down at me

2161
01:28:30,530 --> 01:28:27,900
almost as if to say you know look don't

2162
01:28:32,330 --> 01:28:30,540
look up here look at them and it's as

2163
01:28:34,430 --> 01:28:32,340

though it's forcing me to look because I

2164

01:28:35,990 --> 01:28:34,440

dodged I try and sort of car away from

2165

01:28:37,669 --> 01:28:36,000

this green firewall

2166

01:28:40,010 --> 01:28:37,679

and I look again I'm screaming and this

2167

01:28:43,310 --> 01:28:40,020

is all happening in seconds at which

2168

01:28:45,950 --> 01:28:43,320

point my mum runs into the room

2169

01:28:47,990 --> 01:28:45,960

and she grabs my arm pulls me out of the

2170

01:28:49,910 --> 01:28:48,000

room shuts the bedroom door and we run

2171

01:28:53,450 --> 01:28:49,920

downstairs

2172

01:28:57,290 --> 01:28:55,310

it's funny because

2173

01:28:59,930 --> 01:28:57,300

she told me at the time I was having a

2174

01:29:04,669 --> 01:28:59,940

bad dream and I knew very well

2175

01:29:07,729 --> 01:29:04,679

I wasn't and she said the next day

2176

01:29:09,470 --> 01:29:07,739

um I don't know what happened last night

2177

01:29:10,970 --> 01:29:09,480

uh I just know that there was something

2178

01:29:12,950 --> 01:29:10,980

going on in your room I didn't

2179

01:29:15,770 --> 01:29:12,960

understand and I had to get you out of

2180

01:29:20,870 --> 01:29:15,780

there but we won't talk about this again

2181

01:29:27,430 --> 01:29:23,990

so she saw something too have you talked

2182

01:29:30,890 --> 01:29:27,440

about it since like as an adult

2183

01:29:32,090 --> 01:29:30,900

yeah she I brought it up when I when I

2184

01:29:32,750 --> 01:29:32,100

was nine

2185

01:29:36,229 --> 01:29:32,760

um

2186

01:29:37,729 --> 01:29:36,239

and I was sort of uh it was nipped in

2187

01:29:38,930 --> 01:29:37,739

the bud very quickly we don't talk about

2188

01:29:42,530 --> 01:29:38,940

that

2189

01:29:44,570 --> 01:29:42,540

um and then later and she's explained to

2190

01:29:46,250 --> 01:29:44,580

me that she won't talk about it because

2191

01:29:49,010 --> 01:29:46,260

it terrifies her

2192

01:29:51,050 --> 01:29:49,020

and she's almost she kind of does the la

2193

01:29:52,790 --> 01:29:51,060

la la thing and she just doesn't want to

2194

01:29:54,050 --> 01:29:52,800

talk about it because she's genuinely

2195

01:29:56,149 --> 01:29:54,060

scared

2196

01:29:57,290 --> 01:29:56,159

that she and she just remains with the

2197

01:29:59,330 --> 01:29:57,300

same line

2198

01:30:00,950 --> 01:29:59,340

I knew something was going on in your

2199

01:30:02,330 --> 01:30:00,960

room I didn't understand and I just had

2200

01:30:04,250 --> 01:30:02,340

to get you out of there and that was it

2201
01:30:06,229 --> 01:30:04,260
and we moved house shortly after that's

2202
01:30:09,830 --> 01:30:06,239
the other funny thing

2203
01:30:09,840 --> 01:30:16,080
yeah we all slept downstairs that night

2204
01:30:22,970 --> 01:30:19,810
[Laughter]

2205
01:30:27,070 --> 01:30:22,980
incidentally the little town in runcorn

2206
01:30:30,530 --> 01:30:27,080
the town itself was called Murder Shore

2207
01:30:31,729 --> 01:30:30,540
goodness graciously spelled differently

2208
01:30:34,930 --> 01:30:31,739
but

2209
01:30:37,729 --> 01:30:34,940
um Legend has it no history

2210
01:30:39,830 --> 01:30:37,739
legendary history

2211
01:30:42,169 --> 01:30:39,840
um many hundreds of years ago people

2212
01:30:43,610 --> 01:30:42,179
used to be hung from the trees in the

2213
01:30:45,590 --> 01:30:43,620

forest because it was cheaper than

2214

01:30:47,270 --> 01:30:45,600

making The Gallows because there were so

2215

01:30:49,310 --> 01:30:47,280

many people who were being hung they

2216

01:30:51,649 --> 01:30:49,320

said we'll make this the capital so that

2217

01:30:53,870 --> 01:30:51,659

no one gets away and that became the

2218

01:30:57,649 --> 01:30:53,880

place to go and Beyond

2219

01:31:00,110 --> 01:30:57,659

and uh or hanged and um

2220

01:31:01,430 --> 01:31:00,120

yeah so there is a history there and it

2221

01:31:02,810 --> 01:31:01,440

was called Murder Shore they laid all

2222

01:31:05,209 --> 01:31:02,820

the bodies out and it looked like a

2223

01:31:10,729 --> 01:31:05,219

shoreline but other than that a pretty

2224

01:31:18,110 --> 01:31:15,490

was lovely you know free hedgehogs yeah

2225

01:31:21,830 --> 01:31:18,120

oh my God it's not the only time I've

2226

01:31:24,830 --> 01:31:21,840

I've heard the uh uh uh description of a

2227

01:31:28,729 --> 01:31:24,840

green like uh soccer ball sized Fireball

2228

01:31:31,070 --> 01:31:28,739

well and that's intriguing I've I've

2229

01:31:32,870 --> 01:31:31,080

looked since for stories similar and

2230

01:31:34,790 --> 01:31:32,880

I've yet to sort of I keep toying with

2231

01:31:37,610 --> 01:31:34,800

myself should I create some artwork to

2232

01:31:39,830 --> 01:31:37,620

recreate what I saw you know do a scene

2233

01:31:42,290 --> 01:31:39,840

a piece of artwork based on it and I'm

2234

01:31:45,830 --> 01:31:42,300

not sure if I want to but

2235

01:31:47,390 --> 01:31:45,840

um I've looked for a similar story and I

2236

01:31:48,950 --> 01:31:47,400

have a huge collection of unexplained

2237

01:31:50,450 --> 01:31:48,960

books and

2238

01:31:53,990 --> 01:31:50,460

um over the years I found very few but

2239

01:31:57,229 --> 01:31:54,000

there are one or two cases of green

2240

01:31:58,790 --> 01:31:57,239

glowing children uh not with a fireball

2241

01:32:01,070 --> 01:31:58,800

though and there are other cases of

2242

01:32:04,010 --> 01:32:01,080

green Fireballs but more in line with

2243

01:32:06,290 --> 01:32:04,020

meteors or UFOs that have been seen in

2244

01:32:08,209 --> 01:32:06,300

the sky certainly not flying around

2245

01:32:13,610 --> 01:32:08,219

someone's bedroom

2246

01:32:16,490 --> 01:32:13,620

um right and I was absolutely awake yeah

2247

01:32:18,530 --> 01:32:16,500

wow well your mom said she saw something

2248

01:32:21,530 --> 01:32:18,540

so well that's the thing and I've you

2249

01:32:24,229 --> 01:32:21,540

know I to this day I'm I'm begging her

2250

01:32:25,850 --> 01:32:24,239

what did you see you know and she says

2251

01:32:28,729 --> 01:32:25,860

she just didn't understand it

2252

01:32:30,669 --> 01:32:28,739

in my case it's that adult witness that

2253

01:32:33,470 --> 01:32:30,679

makes that so fascinating because

2254

01:32:36,410 --> 01:32:33,480

children whether we want to

2255

01:32:38,090 --> 01:32:36,420

think they actually can see through the

2256

01:32:40,430 --> 01:32:38,100

veil or whether they just have a more

2257

01:32:42,410 --> 01:32:40,440

vivid imagination often have these type

2258

01:32:44,030 --> 01:32:42,420

of experiences I know last time I was on

2259

01:32:46,189 --> 01:32:44,040

Phantoms and monsters so I won't talk

2260

01:32:48,890 --> 01:32:46,199

about it again tonight I talked about an

2261

01:32:50,990 --> 01:32:48,900

on-going bedroom visitation come dream I

2262

01:32:52,430 --> 01:32:51,000

had as a child and because it was just

2263

01:32:53,990 --> 01:32:52,440

me who experienced it I'm always like

2264

01:32:56,330 --> 01:32:54,000

well was it a dream or you know what was

2265

01:32:58,390 --> 01:32:56,340

it but the fact that your mother came in

2266

01:33:00,709 --> 01:32:58,400

and was so bothered by what she saw

2267

01:33:02,590 --> 01:33:00,719

indicates that there was more to your

2268

01:33:04,970 --> 01:33:02,600

experience than an overactive

2269

01:33:06,830 --> 01:33:04,980

imagination of a child or just a child

2270

01:33:09,950 --> 01:33:06,840

having more connection with the the

2271

01:33:12,169 --> 01:33:09,960

other there was something manifesting in

2272

01:33:13,850 --> 01:33:12,179

your room that went beyond just

2273

01:33:16,370 --> 01:33:13,860

childhood connection

2274

01:33:17,450 --> 01:33:16,380

yeah yeah I mean she she went on to say

2275

01:33:19,250 --> 01:33:17,460

that

2276

01:33:21,470 --> 01:33:19,260

um my description of the children were

2277

01:33:24,590 --> 01:33:21,480

really clothes like knit blockers and

2278

01:33:26,870 --> 01:33:24,600

stuff she's she's argued the point that

2279

01:33:28,310 --> 01:33:26,880

um I couldn't have known what they would

2280

01:33:31,129 --> 01:33:28,320

be wearing or how where did that come

2281

01:33:32,930 --> 01:33:31,139

from kind of thing I would say to play

2282

01:33:35,870 --> 01:33:32,940

Devil's Advocate maybe I saw something

2283

01:33:38,990 --> 01:33:35,880

on television you could explain that

2284

01:33:41,810 --> 01:33:39,000

um but at the same time it was just so

2285

01:33:43,669 --> 01:33:41,820

randomly Vivid to me

2286

01:33:45,350 --> 01:33:43,679

um and they didn't say anything they

2287

01:33:48,229 --> 01:33:45,360

didn't do anything they didn't attack me

2288

01:33:50,629 --> 01:33:48,239

they didn't run at me they simply walked

2289

01:33:51,890 --> 01:33:50,639

diagonally across the room in front of

2290

01:33:53,870 --> 01:33:51,900

me

2291

01:33:55,310 --> 01:33:53,880

um and it was horrific because there was

2292

01:33:57,590 --> 01:33:55,320

no reason for it it was almost as though

2293

01:33:59,930 --> 01:33:57,600

it was none of my business

2294

01:34:03,709 --> 01:33:59,940

um and it was just happening it was

2295

01:34:10,970 --> 01:34:07,610

so Sam that sounds like a almost like a

2296

01:34:13,250 --> 01:34:10,980

residual haunting that he wasn't planned

2297

01:34:15,830 --> 01:34:13,260

for you to see it but you were sensitive

2298

01:34:17,750 --> 01:34:15,840

enough to see it and apparently your

2299

01:34:20,270 --> 01:34:17,760

mother had the same experience which is

2300

01:34:22,970 --> 01:34:20,280

why she found it inexplicable

2301

01:34:25,070 --> 01:34:22,980

she was too terrified to repeat you she

2302

01:34:26,870 --> 01:34:25,080

didn't want to collaborate with you what

2303

01:34:29,209 --> 01:34:26,880

you had experienced

2304

01:34:30,950 --> 01:34:29,219

and I'm just thinking this that maybe it

2305

01:34:33,229 --> 01:34:30,960

you know as a mother I wouldn't want to

2306

01:34:36,290 --> 01:34:33,239

say to my son I saw it too and this is

2307

01:34:39,709 --> 01:34:36,300

how it looked because it might even lead

2308

01:34:41,990 --> 01:34:39,719

you to have more nightmares exactly yeah

2309

01:34:43,910 --> 01:34:42,000

yeah initially it was you know oh you

2310

01:34:46,189 --> 01:34:43,920

just had a bad dream but then afterwards

2311

01:34:49,310 --> 01:34:46,199

it was um we're not going to talk about

2312

01:34:50,810 --> 01:34:49,320

this so I knew she had seen something

2313

01:34:53,629 --> 01:34:50,820

you know

2314

01:34:55,850 --> 01:34:53,639

um and she admitted she has but won't

2315

01:34:58,070 --> 01:34:55,860

talk about it so yeah very very weird

2316

01:35:00,229 --> 01:34:58,080

stuff but it was a weird place as well

2317

01:35:02,149 --> 01:35:00,239

um it was strange things would always

2318

01:35:05,570 --> 01:35:02,159

happen in that house

2319

01:35:07,129 --> 01:35:05,580

um we you know everything from just

2320

01:35:09,530 --> 01:35:07,139

random things that you could explain

2321

01:35:11,930 --> 01:35:09,540

away like a pipe bursting under the sink

2322

01:35:14,030 --> 01:35:11,940

with an incredible noise flooding the

2323

01:35:15,770 --> 01:35:14,040

entire room of Kit the kitchen with

2324

01:35:17,689 --> 01:35:15,780

water instantly that kind of thing those

2325

01:35:19,910 --> 01:35:17,699

can be explained

2326

01:35:22,490 --> 01:35:19,920

um as terrifying as that was it was like

2327

01:35:24,470 --> 01:35:22,500

a scene from Poltergeist you know but um

2328

01:35:26,689 --> 01:35:24,480

and my mum scooped me up and ran outside

2329

01:35:28,669 --> 01:35:26,699

and you know it was just terrifying that

2330

01:35:30,350 --> 01:35:28,679

kind of stuff happened a lot

2331

01:35:31,970 --> 01:35:30,360

um but there was one other instance just

2332

01:35:35,209 --> 01:35:31,980

real quick where

2333

01:35:36,830 --> 01:35:35,219

and this happened in the daytime I have

2334

01:35:38,330 --> 01:35:36,840

a book I still have this book to this

2335

01:35:40,370 --> 01:35:38,340

day I recently found it in my parents

2336

01:35:43,490 --> 01:35:40,380

attic and it's a book on Hands Christian

2337

01:35:44,870 --> 01:35:43,500

Anderson's fairy tales funnily enough

2338

01:35:47,270 --> 01:35:44,880

and

2339

01:35:50,750 --> 01:35:47,280

as a child at the same age around six or

2340

01:35:52,430 --> 01:35:50,760

seven years old I I had a big old wooden

2341

01:35:54,590 --> 01:35:52,440

chest of drawers in the bedroom

2342

01:35:57,290 --> 01:35:54,600

and there was a gap under it maybe four

2343

01:36:00,169 --> 01:35:57,300

inches high and I always used to get a

2344

01:36:01,430 --> 01:36:00,179

horrible feeling about this cabinet and

2345

01:36:03,830 --> 01:36:01,440

underneath it

2346

01:36:06,169 --> 01:36:03,840

and I I didn't even want to go near it

2347

01:36:10,189 --> 01:36:06,179

at times it felt foreboding and I didn't

2348

01:36:11,629 --> 01:36:10,199

like this Chester drawers and one day

2349

01:36:12,770 --> 01:36:11,639

I'm stood sort of you know a few feet

2350

01:36:14,750 --> 01:36:12,780

from it

2351

01:36:16,370 --> 01:36:14,760

and I'm reading this Hans Christian

2352

01:36:18,290 --> 01:36:16,380

Anderson book that I've just got and it

2353

01:36:21,649 --> 01:36:18,300

was illustrated so there's lovely images

2354

01:36:24,290 --> 01:36:21,659

inside of the Snow Queen and you know

2355

01:36:25,490 --> 01:36:24,300

Mother Goose all that kind of stuff and

2356

01:36:27,709 --> 01:36:25,500

um

2357

01:36:30,410 --> 01:36:27,719

I I'm flicking through the images and

2358

01:36:31,970 --> 01:36:30,420

I'm reading some of the sort of intros

2359

01:36:33,590 --> 01:36:31,980

to some of the stories

2360

01:36:35,870 --> 01:36:33,600

and I go to the front of the book and

2361

01:36:37,490 --> 01:36:35,880

there's an overall portrait in color a

2362

01:36:40,010 --> 01:36:37,500

painting of Hans Christian and Anderson

2363

01:36:42,169 --> 01:36:40,020

and he sat under a tree

2364

01:36:44,629 --> 01:36:42,179

with a pen and a book and he's

2365

01:36:45,350 --> 01:36:44,639

surrounded by fairies and toadstools and

2366

01:36:49,010 --> 01:36:45,360

things

2367

01:36:51,290 --> 01:36:49,020

and he's gently looking towards you in a

2368

01:36:53,750 --> 01:36:51,300

sense and he's smiling almost like a

2369

01:36:57,110 --> 01:36:53,760

Mona Lisa Smile not a grin he's just

2370

01:36:59,629 --> 01:36:57,120

comfortably smoking in a way

2371

01:37:01,129 --> 01:36:59,639

and I look at it and I said to the book

2372

01:37:04,129 --> 01:37:01,139

I said to him

2373

01:37:08,090 --> 01:37:04,139

oh you're quite clever aren't you

2374

01:37:12,169 --> 01:37:08,100

and he nodded in the book

2375

01:37:15,950 --> 01:37:12,179

he nodded and I ordered this book across

2376

01:37:20,209 --> 01:37:15,960

the floor and it slid under that cabinet

2377

01:37:22,850 --> 01:37:20,219

and I did not retrieve it for years

2378

01:37:24,290 --> 01:37:22,860

how old were you when he nodded I was

2379

01:37:26,450 --> 01:37:24,300

six or seven

2380

01:37:27,890 --> 01:37:26,460

do you think that had an impact on you

2381

01:37:30,950 --> 01:37:27,900

wanting to become an artist to the

2382

01:37:34,129 --> 01:37:30,960

macabre possibly yeah

2383

01:37:35,990 --> 01:37:34,139

um I've never seen a picture but

2384

01:37:38,990 --> 01:37:36,000

um yeah absolutely nodded and it was a

2385

01:37:40,430 --> 01:37:39,000

gentle sort of you know yes I am kind of

2386

01:37:43,250 --> 01:37:40,440

thing

2387

01:37:57,709 --> 01:37:45,410

yeah

2388

01:37:59,930 --> 01:37:57,719

years old I think eight years old

2389

01:38:01,490 --> 01:37:59,940

um my grandfather who I was very close

2390

01:38:04,250 --> 01:38:01,500

with

2391

01:38:06,470 --> 01:38:04,260

um at my birthday party

2392

01:38:09,530 --> 01:38:06,480

announced everyone that he he was sick

2393

01:38:11,870 --> 01:38:09,540

and he was going to pass away soon and

2394

01:38:14,090 --> 01:38:11,880

he kept us a secret for you know all the

2395

01:38:15,950 --> 01:38:14,100

way up until the end he died very

2396

01:38:17,209 --> 01:38:15,960

shortly after I want to say like a month

2397

01:38:19,430 --> 01:38:17,219

or so

2398

01:38:21,410 --> 01:38:19,440

now we couldn't make it to the hospital

2399

01:38:23,390 --> 01:38:21,420

when he passed

2400

01:38:26,629 --> 01:38:23,400

but that night

2401

01:38:28,010 --> 01:38:26,639

I was woken up and so were my parents in

2402

01:38:30,050 --> 01:38:28,020

a different room

2403

01:38:33,649 --> 01:38:30,060

we could hear my grandfather downstairs

2404

01:38:36,350 --> 01:38:33,659

on the uh rocking chair saying my father

2405

01:38:38,330 --> 01:38:36,360

and I have the same name Saint Vincent

2406

01:38:41,629 --> 01:38:38,340

Saint Vince

2407

01:38:43,490 --> 01:38:41,639

and we we all three heard him and all

2408

01:38:45,530 --> 01:38:43,500

three of us were too scared to go

2409

01:38:49,310 --> 01:38:45,540

downstairs

2410

01:38:53,149 --> 01:38:49,320

but yeah we all heard it

2411

01:38:55,550 --> 01:38:53,159

is Grandpa coming to say bye wow and

2412

01:39:00,350 --> 01:38:55,560

that was one of the first

2413

01:39:05,590 --> 01:39:00,360

real solid paranormal ghost thing that

2414

01:39:11,870 --> 01:39:09,290

what about you Dean

2415

01:39:15,229 --> 01:39:11,880

I don't have anything quite as dramatic

2416

01:39:16,850 --> 01:39:15,239

as Sam's story or quite as visual

2417

01:39:19,010 --> 01:39:16,860

perhaps I should say either of those

2418

01:39:20,689 --> 01:39:19,020

although I did tell you like I said last

2419

01:39:22,430 --> 01:39:20,699

time I was seeing my little man story I

2420

01:39:25,610 --> 01:39:22,440

certainly had other bedroom visitations

2421

01:39:27,169 --> 01:39:25,620

when I was younger and I I tend to think

2422

01:39:29,090 --> 01:39:27,179

of those even though they fit a cult

2423

01:39:32,330 --> 01:39:29,100

patterns as probably being sleep

2424

01:39:34,430 --> 01:39:32,340

paralysis like a big black dog used to

2425

01:39:36,470 --> 01:39:34,440

walk into my room at night with the

2426
01:39:38,149 --> 01:39:36,480
lights were out and sit there and stare

2427
01:39:40,910 --> 01:39:38,159
at me and I was frozen

2428
01:39:43,129 --> 01:39:40,920
and I couldn't move but that's easy my

2429
01:39:45,169 --> 01:39:43,139
God that's terrifying it is terrifying

2430
01:39:48,169 --> 01:39:45,179
and the memory still makes me here on

2431
01:39:50,390 --> 01:39:48,179
the back of my neck stand up but it

2432
01:39:52,790 --> 01:39:50,400
still fits the sleep paralysis pattern

2433
01:39:56,750 --> 01:39:52,800
you know there were other paranormal

2434
01:39:58,970 --> 01:39:56,760
experiences in my childhood home and

2435
01:40:00,890 --> 01:39:58,980
I never saw anything other than those

2436
01:40:02,870 --> 01:40:00,900
things when I was in bed so again I said

2437
01:40:04,970 --> 01:40:02,880
sleep paralysis or something else but I

2438
01:40:07,790 --> 01:40:04,980

do remember clearly being home one day

2439

01:40:09,709 --> 01:40:07,800

from school both my brother and I were

2440

01:40:12,229 --> 01:40:09,719

sick and

2441

01:40:14,149 --> 01:40:12,239

my parents were both in fact it might

2442

01:40:15,709 --> 01:40:14,159

have been it might have been post my

2443

01:40:16,850 --> 01:40:15,719

parents divorce so maybe my mother was

2444

01:40:18,290 --> 01:40:16,860

just working when we were home alone

2445

01:40:21,550 --> 01:40:18,300

anyway was that I would have been around

2446

01:40:23,810 --> 01:40:21,560

11ish I think and I remember us hearing

2447

01:40:25,850 --> 01:40:23,820

very clearly because the house wasn't

2448

01:40:29,270 --> 01:40:25,860

massive it was just a ranch type design

2449

01:40:30,830 --> 01:40:29,280

house I remember very clearly me and my

2450

01:40:32,930 --> 01:40:30,840

brother being terrified because there

2451
01:40:34,310 --> 01:40:32,940
was something walking around our house

2452
01:40:35,750 --> 01:40:34,320
like there was no doubt there was

2453
01:40:37,129 --> 01:40:35,760
something walking around our house and

2454
01:40:38,629 --> 01:40:37,139
the doors were locked there was nothing

2455
01:40:40,669 --> 01:40:38,639
coming in

2456
01:40:42,470 --> 01:40:40,679
there were other experiences like that

2457
01:40:44,209 --> 01:40:42,480
when I was little and we used to also

2458
01:40:46,430 --> 01:40:44,219
foolishly perhaps fool around with

2459
01:40:49,189 --> 01:40:46,440
things like Ouija boards and other you

2460
01:40:51,950 --> 01:40:49,199
know paranormal things in our pre-teens

2461
01:40:53,810 --> 01:40:51,960
to early teen years but the most

2462
01:40:57,649 --> 01:40:53,820
fascinating and this is just weird and I

2463
01:41:00,229 --> 01:40:57,659

often wonder how much of it it explains

2464

01:41:01,669 --> 01:41:00,239

is when I was a little boy I remember

2465

01:41:03,050 --> 01:41:01,679

very clearly and it's something my

2466

01:41:05,030 --> 01:41:03,060

mother has confirmed so it wasn't me

2467

01:41:06,590 --> 01:41:05,040

imagining it we had a handyman that was

2468

01:41:09,590 --> 01:41:06,600

when my father and mother were still

2469

01:41:11,270 --> 01:41:09,600

married and my father was often away on

2470

01:41:13,129 --> 01:41:11,280

business internationally it's what he

2471

01:41:15,290 --> 01:41:13,139

did he also was I think he was still in

2472

01:41:16,790 --> 01:41:15,300

the Navy Reserve so he I believe he was

2473

01:41:18,470 --> 01:41:16,800

like a lieutenant commander in the

2474

01:41:20,330 --> 01:41:18,480

reserve so he was often away doing Navy

2475

01:41:22,669 --> 01:41:20,340

stuff his way well he was away a lot

2476

01:41:24,709 --> 01:41:22,679

anyway so we had a handyman to do a lot

2477

01:41:26,030 --> 01:41:24,719

of those things that you know a father

2478

01:41:27,890 --> 01:41:26,040

would normally do it wasn't that my

2479

01:41:30,110 --> 01:41:27,900

father wasn't handy in fact he was an

2480

01:41:31,669 --> 01:41:30,120

aircraft engineer he was very handy but

2481

01:41:34,430 --> 01:41:31,679

he often wasn't there and I remember the

2482

01:41:35,990 --> 01:41:34,440

handyman was supposedly a psychic and I

2483

01:41:37,490 --> 01:41:36,000

remember him he shouldn't have probably

2484

01:41:38,689 --> 01:41:37,500

said it in the earshot of me because you

2485

01:41:40,970 --> 01:41:38,699

don't want to hear this when you're a

2486

01:41:42,350 --> 01:41:40,980

little boy so he was allegedly a psychic

2487

01:41:43,970 --> 01:41:42,360

and I remember him explaining to my

2488

01:41:45,890 --> 01:41:43,980

mother that there was a body buried

2489

01:41:48,350 --> 01:41:45,900

under our house he was sure of it the

2490

01:41:50,750 --> 01:41:48,360

the thing was still here

2491

01:41:53,870 --> 01:41:50,760

so I think that probably was formative

2492

01:41:56,629 --> 01:41:53,880

when I was small for a lot of my

2493

01:41:59,030 --> 01:41:56,639

probably fear of the Paranormal and on a

2494

01:42:01,310 --> 01:41:59,040

perhaps a totally unrelated sense

2495

01:42:02,810 --> 01:42:01,320

because it could have been um it could

2496

01:42:04,010 --> 01:42:02,820

have just been a figment of my

2497

01:42:06,050 --> 01:42:04,020

imagination but it's like my mother

2498

01:42:08,030 --> 01:42:06,060

remembers too there are a couple of

2499

01:42:10,790 --> 01:42:08,040

tiles in our bathroom which had

2500

01:42:13,609 --> 01:42:10,800

increasingly

2501

01:42:17,149 --> 01:42:13,619

human looking faces develop on those

2502

01:42:19,189 --> 01:42:17,159

tiles now was that paradolia perhaps you

2503

01:42:21,410 --> 01:42:19,199

know or was it there's something buried

2504

01:42:24,530 --> 01:42:21,420

under the house that the psychic

2505

01:42:26,450 --> 01:42:24,540

handyman had been so convinced was down

2506

01:42:28,550 --> 01:42:26,460

below I don't know

2507

01:42:30,830 --> 01:42:28,560

but that's probably as closest to any

2508

01:42:32,030 --> 01:42:30,840

type of ghost story that I have to share

2509

01:42:35,090 --> 01:42:32,040

with you guys

2510

01:42:37,310 --> 01:42:35,100

yeah thank you that's pretty creepy um

2511

01:42:39,950 --> 01:42:37,320

speaking of faces appearing

2512

01:42:42,550 --> 01:42:39,960

um just a real quick one my grandmother

2513

01:42:44,090 --> 01:42:42,560

passed away a couple of years ago

2514

01:42:44,810 --> 01:42:44,100

and

2515

01:42:47,030 --> 01:42:44,820

um

2516

01:42:49,729 --> 01:42:47,040

hours later I was in the kitchen with

2517

01:42:53,390 --> 01:42:49,739

them with my mum you know and we had

2518

01:42:55,310 --> 01:42:53,400

spilled uh a little coffee on the side

2519

01:42:56,810 --> 01:42:55,320

and we sort of we were just talking and

2520

01:42:58,250 --> 01:42:56,820

I turned around and we looked at this

2521

01:43:00,109 --> 01:42:58,260

little puddle of coffee and I've got a

2522

01:43:03,290 --> 01:43:00,119

photograph of it

2523

01:43:05,030 --> 01:43:03,300

um and it was literally a portrait of my

2524

01:43:08,149 --> 01:43:05,040

grandmother it looked like her face

2525

01:43:10,030 --> 01:43:08,159

smiling and we both burst into tears and

2526

01:43:13,430 --> 01:43:10,040

it was as though she was saying I'm okay

2527

01:43:16,490 --> 01:43:13,440

I made it you know that's that's

2528

01:43:18,290 --> 01:43:16,500

beautiful that's wonderful wow

2529

01:43:20,090 --> 01:43:18,300

very strong

2530

01:43:23,330 --> 01:43:20,100

that's not something we would look for

2531

01:43:25,609 --> 01:43:23,340

or particularly in that kind of thing

2532

01:43:27,050 --> 01:43:25,619

but it was I mean it was uncanny and we

2533

01:43:28,609 --> 01:43:27,060

me and my mom looked at each other and

2534

01:43:31,729 --> 01:43:28,619

we were like wow

2535

01:43:31,739 --> 01:43:37,129

that's just great I love that

2536

01:43:44,270 --> 01:43:40,790

so I have one I've a lot but I have one

2537

01:43:46,189 --> 01:43:44,280

so my mom's stepsister died they were

2538

01:43:49,850 --> 01:43:46,199

they were very close

2539

01:43:52,250 --> 01:43:49,860

and she died on my mom's birthday

2540

01:43:53,930 --> 01:43:52,260

and we went to the funeral it was like

2541

01:43:55,310 --> 01:43:53,940

the first time I'd ever been to a

2542

01:43:56,090 --> 01:43:55,320

funeral and everything I was still

2543

01:43:59,689 --> 01:43:56,100

little

2544

01:44:01,550 --> 01:43:59,699

and afterwards you know we we stayed

2545

01:44:04,129 --> 01:44:01,560

because we knew the the funeral home and

2546

01:44:06,590 --> 01:44:04,139

everything and next day apparently like

2547

01:44:09,770 --> 01:44:06,600

my uncle wanted to

2548

01:44:11,990 --> 01:44:09,780

the building that my mom's sister had

2549

01:44:14,330 --> 01:44:12,000

lived in was a it was a family building

2550

01:44:16,910 --> 01:44:14,340

like my mom had lived in there my

2551

01:44:19,550 --> 01:44:16,920

grandfather was there my grandmother it

2552

01:44:20,810 --> 01:44:19,560

it was someplace they knew so I had

2553

01:44:24,350 --> 01:44:20,820

never been there

2554

01:44:25,669 --> 01:44:24,360

so we went in and my mom looked at me

2555

01:44:27,950 --> 01:44:25,679

she turned on she's like don't you touch

2556

01:44:30,470 --> 01:44:27,960

anything don't touch anything don't

2557

01:44:32,090 --> 01:44:30,480

climb on anything you know just just

2558

01:44:35,689 --> 01:44:32,100

stay right here

2559

01:44:38,090 --> 01:44:35,699

I don't listen very well so so her and

2560

01:44:40,790 --> 01:44:38,100

and my uncle they went off towards the

2561

01:44:42,590 --> 01:44:40,800

kitchen and they were talking and I went

2562

01:44:44,990 --> 01:44:42,600

off towards this room like there was

2563

01:44:47,330 --> 01:44:45,000

like a little bedroom and there was a

2564

01:44:49,550 --> 01:44:47,340

fireplace and a step stool and the bed

2565

01:44:51,290 --> 01:44:49,560

and everything and there was knickknacks

2566

01:44:53,629 --> 01:44:51,300

up on the fireplace

2567

01:44:54,890 --> 01:44:53,639

I'm like I'm gonna just climb up and

2568

01:44:56,750 --> 01:44:54,900

touch everything and play with

2569

01:44:58,729 --> 01:44:56,760

everything so I'm like playing with

2570

01:45:00,770 --> 01:44:58,739

everything and you know how you get the

2571

01:45:03,169 --> 01:45:00,780

sense when someone's watching you

2572

01:45:05,030 --> 01:45:03,179

I I looked and there was nobody and I

2573

01:45:06,410 --> 01:45:05,040

can't I kept playing I kept getting that

2574

01:45:07,550 --> 01:45:06,420

I looked right up and there was this

2575

01:45:10,310 --> 01:45:07,560

woman

2576

01:45:12,050 --> 01:45:10,320

she was like staring at me I'm thinking

2577

01:45:13,550 --> 01:45:12,060

I'm in trouble like I'm not supposed to

2578

01:45:15,350 --> 01:45:13,560

be touched I don't know who she is but

2579

01:45:17,270 --> 01:45:15,360

I'm I'm gonna get you know in a lot of

2580

01:45:20,030 --> 01:45:17,280

trouble she had her hair pulled back in

2581

01:45:22,490 --> 01:45:20,040

a tight bun she had glasses and she just

2582

01:45:24,530 --> 01:45:22,500

she kind of smiled at me and I'm like

2583

01:45:27,109 --> 01:45:24,540

you know and then I I turned around she

2584

01:45:30,470 --> 01:45:27,119

wasn't there turned back she is still

2585

01:45:32,930 --> 01:45:30,480

there looking at me I screamed so loud

2586

01:45:35,209 --> 01:45:32,940

and I I dropped the stuff I ran out the

2587

01:45:38,030 --> 01:45:35,219

door I got into the car locked the door

2588

01:45:39,770 --> 01:45:38,040

locked my mom out of the car and I'm

2589

01:45:41,629 --> 01:45:39,780

like curled in the back seat like I am

2590

01:45:43,729 --> 01:45:41,639

freaking out so bad

2591

01:45:45,470 --> 01:45:43,739

so like they're they're trying to get

2592

01:45:47,629 --> 01:45:45,480

the car door open you know they're

2593

01:45:49,390 --> 01:45:47,639

trying to get me to open the car door I

2594

01:45:52,729 --> 01:45:49,400

won't open the car door

2595

01:45:55,609 --> 01:45:52,739

behind them are two guys

2596

01:45:58,010 --> 01:45:55,619

two movers moving stuff out

2597

01:45:59,870 --> 01:45:58,020

and I remember he was the one was heavy

2598

01:46:02,990 --> 01:45:59,880

set and he had white overhauls and the

2599

01:46:04,669 --> 01:46:03,000

other guy was not heavy set but kind of

2600

01:46:06,890 --> 01:46:04,679

stocky kind of in the middle

2601

01:46:09,290 --> 01:46:06,900

and he said something to the guy who was

2602

01:46:11,390 --> 01:46:09,300

heavy set and the guy who was heavy set

2603

01:46:15,530 --> 01:46:11,400

looked at him and said don't you dare

2604

01:46:20,689 --> 01:46:17,930

and I just I looked at him he looked at

2605

01:46:24,109 --> 01:46:20,699

me and he just smiled and that was it

2606

01:46:26,570 --> 01:46:24,119

when I told my mom that later she said

2607

01:46:28,729 --> 01:46:26,580

there was nobody moving anything it was

2608

01:46:31,250 --> 01:46:28,739

just the three of us there

2609

01:46:32,810 --> 01:46:31,260

and I said no but but they were loading

2610

01:46:35,030 --> 01:46:32,820

stuff into a pickup truck the pickup

2611

01:46:37,550 --> 01:46:35,040

truck was behind your car

2612

01:46:39,890 --> 01:46:37,560

she's like there was no pickup truck

2613

01:46:44,149 --> 01:46:39,900

and I come to find out that the woman in

2614

01:46:51,050 --> 01:46:49,010

wow wow yeah because we were looking at

2615

01:46:52,729 --> 01:46:51,060

like old photos and I stuffed I'm like

2616

01:46:53,990 --> 01:46:52,739

that was her that was who was in the

2617

01:46:56,450 --> 01:46:54,000

mirror

2618

01:46:58,370 --> 01:46:56,460

and my grandmother she she freaked out

2619

01:47:00,050 --> 01:46:58,380

but my mom was like that's that's your

2620

01:47:02,930 --> 01:47:00,060

great grandmother

2621

01:47:02,940 --> 01:47:06,709

yeah gosh

2622

01:47:11,950 --> 01:47:09,669

I have a real quick story here

2623

01:47:15,109 --> 01:47:11,960

go ahead

2624

01:47:19,129 --> 01:47:15,119

no it's it's also about faces it's

2625

01:47:20,810 --> 01:47:19,139

someone looking in and it's very weird I

2626

01:47:22,669 --> 01:47:20,820

have these cousins who live out in the

2627

01:47:25,490 --> 01:47:22,679

country and this is out in the

2628

01:47:26,990 --> 01:47:25,500

Philippines I see them maybe about six

2629

01:47:32,930 --> 01:47:27,000

or seven years

2630

01:47:36,770 --> 01:47:32,940

apart because they're 22 miles 22 uh

2631

01:47:38,990 --> 01:47:36,780

hours away by playing so that's like 10

2632

01:47:42,050 --> 01:47:39,000

000 miles away

2633

01:47:44,810 --> 01:47:42,060

um they live in the same house where

2634

01:47:47,649 --> 01:47:44,820

they were raised uh eventually a few of

2635

01:47:51,649 --> 01:47:47,659

them had moved out but they talk about

2636

01:47:55,609 --> 01:47:51,659

this particular armoire it's kind of

2637

01:47:59,030 --> 01:47:55,619

like a a very old antique probably more

2638

01:48:02,169 --> 01:47:59,040

than 100 years old uh that has a door

2639

01:48:06,709 --> 01:48:02,179

that has Mirrors On It

2640

01:48:08,990 --> 01:48:06,719

and it is situated for some reason in a

2641

01:48:11,870 --> 01:48:09,000

spare bedroom that's in the very center

2642

01:48:14,209 --> 01:48:11,880

of the house so if you picture a house

2643

01:48:16,609 --> 01:48:14,219

that has four bedrooms the fifth bedroom

2644

01:48:19,010 --> 01:48:16,619

somehow is right in the middle of the

2645

01:48:20,930 --> 01:48:19,020

house and inside when you open it it's

2646

01:48:24,649 --> 01:48:20,940

got an armoire

2647

01:48:26,149 --> 01:48:24,659

uh before my grandmother passed away she

2648

01:48:29,030 --> 01:48:26,159

was very sick

2649

01:48:30,470 --> 01:48:29,040

and they put her in that bedroom next to

2650

01:48:33,169 --> 01:48:30,480

that armoire

2651

01:48:35,209 --> 01:48:33,179

and she loved the armoire she had all

2652

01:48:36,950 --> 01:48:35,219

her clothing in there and she always

2653

01:48:39,350 --> 01:48:36,960

said you know these are one of the

2654

01:48:42,169 --> 01:48:39,360

treasures one of the heirlooms in the

2655

01:48:44,870 --> 01:48:42,179

family and um you know when I passed

2656

01:48:48,770 --> 01:48:44,880

someone has to inherit it never sell the

2657

01:48:52,310 --> 01:48:48,780

house and have them take the armoire

2658

01:48:55,729 --> 01:48:52,320

so about a year later she did pass away

2659

01:48:59,330 --> 01:48:55,739

and and speaking of you know the image

2660

01:49:01,370 --> 01:48:59,340

of someone now even today when they

2661

01:49:04,669 --> 01:49:01,380

opened the door to that bedroom and it's

2662

01:49:07,550 --> 01:49:04,679

now basically a storage area they keep

2663

01:49:10,070 --> 01:49:07,560

everything kind of like away from that

2664

01:49:12,109 --> 01:49:10,080

particular mirror and when you look

2665

01:49:15,169 --> 01:49:12,119

through the mirror

2666

01:49:16,729 --> 01:49:15,179

um you could see someone's face on it I

2667

01:49:18,709 --> 01:49:16,739

don't know that it's my grandmother's

2668

01:49:20,149 --> 01:49:18,719

face but there's definitely someone's

2669

01:49:23,030 --> 01:49:20,159

face

2670

01:49:26,149 --> 01:49:23,040

um my cousin took a picture of it and

2671

01:49:28,970 --> 01:49:26,159

it's in the center fold of my first book

2672

01:49:31,790 --> 01:49:28,980

and when people look at it even people

2673

01:49:34,430 --> 01:49:31,800

who just buy the book they look at it

2674

01:49:37,850 --> 01:49:34,440

and they see the face immediately on the

2675

01:49:42,470 --> 01:49:37,860

lower left hand side I am the only one

2676

01:49:48,129 --> 01:49:42,480

who cannot see that face in that mirror

2677

01:49:48,139 --> 01:49:52,629

jeez go figure

2678

01:50:01,430 --> 01:49:56,930

whoa wow that is creepy

2679

01:50:04,430 --> 01:50:01,440

yeah that is yeah that's really creepy

2680

01:50:07,790 --> 01:50:04,440

it is an hour and 15 minutes into our

2681

01:50:09,470 --> 01:50:07,800

amazing Halloween special so I guess I

2682

01:50:12,470 --> 01:50:09,480

should ask each one of you guys uh what

2683

01:50:17,270 --> 01:50:12,480

you've got going on and uh where people

2684

01:50:19,189 --> 01:50:17,280

can find you and and whatnot so uh why

2685

01:50:21,590 --> 01:50:19,199

don't you go ahead and tell us Anna uh

2686

01:50:23,930 --> 01:50:21,600

what you got going on and and how people

2687

01:50:25,129 --> 01:50:23,940

can find you and find your amazing books

2688

01:50:26,270 --> 01:50:25,139

well

2689

01:50:28,790 --> 01:50:26,280

sure

2690

01:50:29,810 --> 01:50:28,800

um I'm on Facebook Instagram and Tick

2691

01:50:32,629 --> 01:50:29,820

Tock

2692

01:50:35,330 --> 01:50:32,639

um probably the fastest way to find me

2693

01:50:37,850 --> 01:50:35,340

is to type haunted heirlooms because the

2694

01:50:40,430 --> 01:50:37,860

latest book I have is about haunted

2695

01:50:42,890 --> 01:50:40,440

antiques which I just mentioned one of

2696

01:50:45,410 --> 01:50:42,900

the stories

2697

01:50:48,410 --> 01:50:45,420

um I also have another book coming out

2698

01:50:51,530 --> 01:50:48,420

actually next month in November which is

2699

01:50:53,930 --> 01:50:51,540

called Unholy structure so best way to

2700

01:50:58,250 --> 01:50:53,940

find me is on Facebook I also have a

2701
01:51:03,470 --> 01:50:59,930
um and um

2702
01:51:08,629 --> 01:51:03,480
watch out for the latest release it's

2703
01:51:08,639 --> 01:51:13,790
how about you sir Mr Sam

2704
01:51:18,770 --> 01:51:16,790
well uh this has been fun uh we'll have

2705
01:51:20,689 --> 01:51:18,780
to do it again for sure absolutely

2706
01:51:23,090 --> 01:51:20,699
absolutely you guys were great tonight

2707
01:51:26,330 --> 01:51:23,100
by the way thank you so much for doing

2708
01:51:29,209 --> 01:51:26,340
this I had a blast

2709
01:51:33,290 --> 01:51:29,219
yeah it went by so fast didn't it I mean

2710
01:51:37,129 --> 01:51:35,390
I had a bunch of other stuff just in

2711
01:51:42,530 --> 01:51:37,139
case we had to fill some time but I

2712
01:51:46,850 --> 01:51:44,209
yeah

2713
01:51:48,609 --> 01:51:46,860

two

2714

01:51:51,470 --> 01:51:48,619

um yeah

2715

01:51:54,050 --> 01:51:51,480

bizarre well you can uh you can find me

2716

01:51:57,410 --> 01:51:54,060

on uh all of my social media I'm not on

2717

01:51:59,390 --> 01:51:57,420

Tick Tock though I I I just I haven't

2718

01:52:02,090 --> 01:51:59,400

gotten around to it I guess

2719

01:52:02,750 --> 01:52:02,100

um maybe we should maybe I shouldn't

2720

01:52:06,109 --> 01:52:02,760

um

2721

01:52:07,850 --> 01:52:06,119

but I am on Instagram Facebook Twitter

2722

01:52:11,030 --> 01:52:07,860

um patreon YouTube

2723

01:52:12,530 --> 01:52:11,040

all of that jazz even Tumblr I think

2724

01:52:15,310 --> 01:52:12,540

um but you can find all of those links

2725

01:52:18,169 --> 01:52:15,320

on one website which is

2726

01:52:21,709 --> 01:52:18,179

mrsamsherron.com and that's the the word

2727

01:52:24,410 --> 01:52:21,719

Mr m-i-s-t-e-r Sam like Uncle Sam and

2728

01:52:27,709 --> 01:52:24,420

then Sharon like Ed Sheeran but spelled

2729

01:52:31,310 --> 01:52:27,719

correctly uh s-a-e-a-r-o-n

2730

01:52:33,530 --> 01:52:31,320

.com and so yeah you can look out for my

2731

01:52:35,510 --> 01:52:33,540

new creepy Christmas cards the third

2732

01:52:37,970 --> 01:52:35,520

season is coming out uh in a couple of

2733

01:52:40,550 --> 01:52:37,980

weeks so that's a whole new barrage of

2734

01:52:42,290 --> 01:52:40,560

Christmas yeah we should get you back on

2735

01:52:48,609 --> 01:52:42,300

for Christmas we'll we'll have you on

2736

01:52:48,619 --> 01:52:52,790

thank you

2737

01:52:59,030 --> 01:52:56,570

and Mr Dean Bertram

2738

01:53:01,550 --> 01:52:59,040

yeah I I do a a couple of different

2739

01:53:03,649 --> 01:53:01,560

things just quickly if there are any

2740

01:53:05,930 --> 01:53:03,659

filmmakers out there or people who make

2741

01:53:07,669 --> 01:53:05,940

paranormal type documentaries or the

2742

01:53:09,890 --> 01:53:07,679

like I run a film festival called

2743

01:53:12,770 --> 01:53:09,900

Midwest a weird Fest you know queer

2744

01:53:13,970 --> 01:53:12,780

Wisconsin it's a blast and it's an awful

2745

01:53:14,930 --> 01:53:13,980

lot of fun

2746

01:53:16,970 --> 01:53:14,940

um

2747

01:53:18,709 --> 01:53:16,980

our regular deadline is on Monday

2748

01:53:21,229 --> 01:53:18,719

although there is a later deadline in

2749

01:53:23,590 --> 01:53:21,239

December so think about entering any

2750

01:53:25,750 --> 01:53:23,600

content you've made and that's Midwest

2751

01:53:28,189 --> 01:53:25,760

weirdfest.com

2752

01:53:30,470 --> 01:53:28,199

midwestwedfest.com so that's pretty easy

2753

01:53:32,930 --> 01:53:30,480

to remember also if you live in the

2754

01:53:34,790 --> 01:53:32,940

Wisconsin area or all the Eau Claire

2755

01:53:35,990 --> 01:53:34,800

area think about think about coming to

2756

01:53:37,970 --> 01:53:36,000

the Fest it's always a blast there's

2757

01:53:39,950 --> 01:53:37,980

lots of guests it's every it's the first

2758

01:53:43,129 --> 01:53:39,960

weekend in March but what I do most of

2759

01:53:45,350 --> 01:53:43,139

the Year among other things is two live

2760

01:53:47,870 --> 01:53:45,360

streams and podcasts which are now on

2761

01:53:50,050 --> 01:53:47,880

the untold radio network and they're

2762

01:53:53,450 --> 01:53:50,060

both at Untold radio

2763

01:53:55,490 --> 01:53:53,460

am.com the brain Shield of Doug hi check

2764

01:53:57,229 --> 01:53:55,500

who most of us know is the creator of

2765

01:53:59,149 --> 01:53:57,239

MonsterQuest I have one show on there

2766

01:54:01,250 --> 01:53:59,159

which is a guest orientated show which

2767

01:54:02,930 --> 01:54:01,260

actually both you Vincent and you Sam

2768

01:54:04,250 --> 01:54:02,940

have both been on in the past but now

2769

01:54:05,750 --> 01:54:04,260

it's on

2770

01:54:08,149 --> 01:54:05,760

um Untold radio network and that's

2771

01:54:10,910 --> 01:54:08,159

called talking weird and I do that with

2772

01:54:12,950 --> 01:54:10,920

my partner in weird and girlfriend Jen

2773

01:54:15,470 --> 01:54:12,960

Darrell every Saturday night at 10 p.m

2774

01:54:17,810 --> 01:54:15,480

Central and I have a newer show on there

2775

01:54:20,810 --> 01:54:17,820

as well called mysterious Library which

2776

01:54:22,850 --> 01:54:20,820

is every 9 p.m Central with the always

2777

01:54:24,109 --> 01:54:22,860

yeah well thank you you're always you

2778

01:54:27,530 --> 01:54:24,119

always watch which I really appreciate

2779

01:54:29,209 --> 01:54:27,540

Vince with Jason McLean and as the title

2780

01:54:31,310 --> 01:54:29,219

perhaps suggests we talk about all

2781

01:54:33,229 --> 01:54:31,320

manner of weird books each week we pick

2782

01:54:35,330 --> 01:54:33,239

one weird book and it's you know

2783

01:54:38,030 --> 01:54:35,340

everything from Bigfoot to UFOs to

2784

01:54:39,770 --> 01:54:38,040

Paranormal documentaries we do do we do

2785

01:54:41,330 --> 01:54:39,780

do other things in the library articles

2786

01:54:42,950 --> 01:54:41,340

and documentaries as well but that's

2787

01:54:44,450 --> 01:54:42,960

yeah that's a blaster check those shows

2788

01:54:49,550 --> 01:54:44,460

out along with a bunch of other shows on

2789

01:54:52,010 --> 01:54:49,560

that Network at Untold radio am.com

2790

01:54:54,649 --> 01:54:52,020

wonderful wonderful well thanks again

2791

01:54:57,970 --> 01:54:54,659

2795

01:55:07,310 --> 01:55:05,580

tonight that uh Lon had a little bit of

2796

01:55:10,070 --> 01:55:07,320

a surgery that he went through it was

2797

01:55:12,410 --> 01:55:10,080

planned it was okay he threw it he's on

2798

01:55:16,970 --> 01:55:12,420

the mend and it's his birthday today so

2799

01:55:23,810 --> 01:55:19,970

Bernadette are going to talk to the

2803
01:55:33,590 --> 01:55:30,719
audience for a moment and then uh close

2804
01:55:35,290 --> 01:55:33,600
up the shop well thank you again thank

2805
01:55:37,910 --> 01:55:35,300
you guys

2806
01:55:41,410 --> 01:55:37,920
have a good night happy Halloween

2807
01:55:46,209 --> 01:55:41,420
everybody happy Halloween

2808
01:55:55,629 --> 01:55:50,090
all right well I'll talk soon thank you

2809
01:56:01,910 --> 01:55:58,970
alrighty Bernadette it's you and I now

2810
01:56:03,290 --> 01:56:01,920
Bernadette will be uh premiering a new

2811
01:56:04,790 --> 01:56:03,300
show soon Bernadette you want to give

2812
01:56:08,390 --> 01:56:04,800
him a little time and a little taste of

2813
01:56:12,410 --> 01:56:08,400

what you got coming up sure so next

2814

01:56:15,350 --> 01:56:12,420

Friday I believe November 2nd

2815

01:56:16,609 --> 01:56:15,360

November 7th yeah I want to say that's

2816

01:56:18,649 --> 01:56:16,619

next

2817

01:56:21,790 --> 01:56:18,659

yes wait

2818

01:56:24,530 --> 01:56:21,800

no I'm sorry November 4th

2819

01:56:26,870 --> 01:56:24,540

November 4th is next Friday

2820

01:56:29,470 --> 01:56:26,880

Excuse me yes so my first show will

2821

01:56:32,990 --> 01:56:29,480

Premiere November 4th right after Lawns

2822

01:56:35,330 --> 01:56:33,000

and we will have the incredible Steve

2823

01:56:38,209 --> 01:56:35,340

Stockton on and we will be talking about

2824

01:56:40,129 --> 01:56:38,219

missing persons and all of that fun

2825

01:56:42,590 --> 01:56:40,139

stuff so

2826

01:56:46,250 --> 01:56:42,600

um my goal with the show

2827

01:56:50,270 --> 01:56:46,260

is to have basically the experiencers on

2828

01:56:52,729 --> 01:56:50,280

as well as researchers and writers

2829

01:56:54,470 --> 01:56:52,739

um I do want to cover some true crime as

2830

01:56:57,530 --> 01:56:54,480

well because I'm interested in that fun

2831

01:56:59,149 --> 01:56:57,540

but mostly I want it to be experienced

2832

01:57:01,669 --> 01:56:59,159

orientated

2833

01:57:03,649 --> 01:57:01,679

so if anyone has experiences and they

2834

01:57:06,050 --> 01:57:03,659

want to talk to me about it

2835

01:57:08,990 --> 01:57:06,060

you know you can find me through Vincent

2836

01:57:10,910 --> 01:57:09,000

you can find me on Instagram at a

2837

01:57:13,129 --> 01:57:10,920

paranormal life

2838

01:57:15,589 --> 01:57:13,139

um I'm that on Tick Tock as well you can

2839

01:57:17,209 --> 01:57:15,599

reach out to me Vince and I have talked

2840

01:57:19,189 --> 01:57:17,219

about this there's a way that if you

2841

01:57:21,470 --> 01:57:19,199

don't want your face shown but you still

2842

01:57:25,129 --> 01:57:21,480

want to make your story public we can

2843

01:57:27,109 --> 01:57:25,139

work around that and do that so but it's

2844

01:57:28,790 --> 01:57:27,119

going to be a lot of fun I have a bunch

2845

01:57:31,970 --> 01:57:28,800

of incredible people who've agreed to

2846

01:57:33,890 --> 01:57:31,980

come on the show and I'm so excited

2847

01:57:36,770 --> 01:57:33,900

yeah we're excited to have it it's going

2848

01:57:38,990 --> 01:57:36,780

to be a great show yeah and then some

2849

01:57:40,669 --> 01:57:39,000

sometime very soon I'm going to also be

2850

01:57:43,609 --> 01:57:40,679

uh having a show it's going to be more

2851
01:57:45,890 --> 01:57:43,619
conspiracy and uh Alien driven and we're

2852
01:57:47,390 --> 01:57:45,900
going to have some cryptozoology and and

2853
01:57:49,550 --> 01:57:47,400
different other kind of Stories on there

2854
01:57:56,570 --> 01:57:49,560
too and it's going to be a whole lot of

2855
01:58:00,410 --> 01:57:58,729
I'm excited for that who doesn't love a

2856
01:58:02,290 --> 01:58:00,420
good conspiracy

2857
01:58:04,490 --> 01:58:02,300
right

2858
01:58:06,290 --> 01:58:04,500
conspiracy and all you guys who know me

2859
01:58:08,689 --> 01:58:06,300
personally you know I'm a big tin foil

2860
01:58:10,669 --> 01:58:08,699

2861
01:58:13,970 --> 01:58:10,679
