midwest his years as an investigator

64

00:03:00,350 --> 00:02:57,000

have served him best by illustrating

65

00:03:03,830 --> 00:03:00,360

that when uh when it comes to the

66

00:03:06,589 --> 00:03:03,840

anomalous the preacher natural and the

found at

94

00:04:14,770 --> 00:04:12,000

ufoclearinghouse.wordpress.com so guys

95

00:04:19,610 --> 00:04:14,780

thanks for joining me this evening

96

00:04:22,069 --> 00:04:19,620

nice to be here always a pleasure

97

00:04:23,930 --> 00:04:22,079

now I was just thinking how long we all

98

00:04:26,150 --> 00:04:23,940

known each other now

99

00:04:28,370 --> 00:04:26,160

I met Daniel well

100

00:04:29,450 --> 00:04:28,380

I don't know how long ago I know Manuel

101  
00:04:33,110 --> 00:04:29,460  
for

102  
00:04:37,010 --> 00:04:33,120  
I guess since the 2011 songs right Manny

103  
00:04:40,249 --> 00:04:37,020  
yeah 2011 we've known each other yeah

104  
00:04:42,890 --> 00:04:40,259  
and then Tobias we found you at when

105  
00:04:44,870 --> 00:04:42,900  
this all started again back in 2017 I

106  
00:04:47,990 --> 00:04:44,880  
guess wasn't it yeah no I didn't know

107  
00:04:50,870 --> 00:04:48,000  
you guys at all I didn't know you

108  
00:04:52,909 --> 00:04:50,880  
from from Adam uh until these signing

109  
00:04:55,550 --> 00:04:52,919  
reports started coming in and that's

110  
00:04:57,170 --> 00:04:55,560  
when I I reached out to you both uh

111  
00:04:58,550 --> 00:04:57,180  
separately to be you know because I was

112  
00:05:00,590 --> 00:04:58,560  
like well hell all these sightings are

113  
00:05:02,810 --> 00:05:00,600

are coming into these these websites and

114

00:05:04,670 --> 00:05:02,820

I should probably if I want to do my due

115

00:05:06,950 --> 00:05:04,680

diligence you know uh trying to cover

116

00:05:08,629 --> 00:05:06,960

this at the time trying to cover it

117

00:05:10,850 --> 00:05:08,639

journalistically you know I better reach

118

00:05:12,890 --> 00:05:10,860

out to these guys and so I I uh

119

00:05:16,670 --> 00:05:12,900

interviewed you both separately and that

120

00:05:19,010 --> 00:05:16,680

would have been summer of 2017. I think

121

00:05:20,990 --> 00:05:19,020

I I yeah I remember what order it was in

122

00:05:23,150 --> 00:05:21,000

but I interviewed one of you in June and

123

00:05:26,270 --> 00:05:23,160

then the other one in July of that year

124

00:05:28,550 --> 00:05:26,280

and then yeah the rest is history well

125

00:05:30,469 --> 00:05:28,560

it's been a long time I mean we've been

126

00:05:33,830 --> 00:05:30,479

doing this not together for almost five

127

00:05:36,170 --> 00:05:33,840

years I guess if not more and um

128

00:05:38,870 --> 00:05:36,180

you know it just keeps on going I mean

129

00:05:39,890 --> 00:05:38,880

it's the gift that keeps on giving and

130

00:05:42,110 --> 00:05:39,900

um

131

00:05:43,670 --> 00:05:42,120

you know it hasn't been as as much

132

00:05:46,189 --> 00:05:43,680

lately

133

00:05:48,529 --> 00:05:46,199

but we still occasionally get some

134

00:05:50,210 --> 00:05:48,539

sightings uh I know Manuel was telling

135

00:05:52,010 --> 00:05:50,220

me before the show he's got a few that

136

00:05:54,529 --> 00:05:52,020

he's working on right now

137

00:05:57,890 --> 00:05:54,539

uh he's got to do some interviews and

138

00:06:00,409 --> 00:05:57,900

some actual translations uh can you give

139

00:06:03,350 --> 00:06:00,419

us a little bit about that Manuel

140

00:06:05,510 --> 00:06:03,360

well the first two come from the Little

141

00:06:08,510 --> 00:06:05,520

Village area which

142

00:06:11,870 --> 00:06:08,520

you know if anybody's followed it's been

143

00:06:16,189 --> 00:06:11,880

a hotbed before of activity

144

00:06:17,930 --> 00:06:16,199

um and a lot of it has to do uh I my

145

00:06:22,010 --> 00:06:17,940

Terry's always been that those have been

146

00:06:25,490 --> 00:06:22,020

summon beings because that area has

147

00:06:28,070 --> 00:06:25,500

quite a large uh it is a massive

148

00:06:30,469 --> 00:06:28,080

Hispanic population a little village uh

149

00:06:33,650 --> 00:06:30,479

or La villita as it's as it's known to

150

00:06:36,710 --> 00:06:33,660

everybody is a one of the largest uh

151  
00:06:38,330 --> 00:06:36,720  
concentrations of Hispanics or Mexican

152  
00:06:39,409 --> 00:06:38,340  
Americans

153  
00:06:42,830 --> 00:06:39,419  
um in the city

154  
00:06:46,790 --> 00:06:42,840  
um it's a rich cultural area

155  
00:06:50,950 --> 00:06:46,800  
um and a lot of people have you know

156  
00:06:52,730 --> 00:06:50,960  
a very with Hispanics there's a very

157  
00:06:55,249 --> 00:06:52,740  
embedded

158  
00:06:56,870 --> 00:06:55,259  
um history with the Paranormal with you

159  
00:06:59,409 --> 00:06:56,880  
know witchcraft you know we have

160  
00:07:01,670 --> 00:06:59,419  
Santeria

161  
00:07:03,110 --> 00:07:01,680  
uh now you have things like the Santa

162  
00:07:06,650 --> 00:07:03,120  
Muerte

163  
00:07:09,469 --> 00:07:06,660

um things popping up so a lot of people

164

00:07:12,230 --> 00:07:09,479

you know are taught as children like we

165

00:07:15,950 --> 00:07:12,240

were uh growing up you know certain

166

00:07:18,170 --> 00:07:15,960

aspects of Witchcraft so something tells

167

00:07:21,950 --> 00:07:18,180

me that these things are you know being

168

00:07:24,830 --> 00:07:21,960

summoned but uh one person you know was

169

00:07:26,990 --> 00:07:24,840

saying that they saw it fly over trees

170

00:07:29,749 --> 00:07:27,000

and they said it was it was just the

171

00:07:32,749 --> 00:07:29,759

perfect you know outline of a person

172

00:07:34,189 --> 00:07:32,759

with wings and when I asked them you

173

00:07:35,710 --> 00:07:34,199

know could it have been something like a

174

00:07:38,510 --> 00:07:35,720

Canadian goose

175

00:07:40,749 --> 00:07:38,520

which we still have

176

00:07:44,809 --> 00:07:40,759

um or like a

177

00:07:47,330 --> 00:07:44,819

uh you know great Heron or uh you know

178

00:07:49,129 --> 00:07:47,340

um I forgot the other kind of uh Herring

179

00:07:50,029 --> 00:07:49,139

we have around here

180

00:07:53,150 --> 00:07:50,039

um

181

00:07:55,610 --> 00:07:53,160

and he said no this is distinctly had

182

00:07:57,710 --> 00:07:55,620

human legs had you know human body it

183

00:08:00,890 --> 00:07:57,720

just looked like it had wings he says

184

00:08:03,650 --> 00:08:00,900

whatever it was was going really fast I

185

00:08:06,529 --> 00:08:03,660

mean he said it was it was over and gone

186

00:08:09,230 --> 00:08:06,539

and down the block you know within

187

00:08:12,589 --> 00:08:09,240

seconds uh the other one was saying that

188

00:08:14,510 --> 00:08:12,599

it was in the field and um when he went

189

00:08:17,110 --> 00:08:14,520

out to the field the next day you know

190

00:08:20,749 --> 00:08:17,120

after Daybreak he found little satchels

191

00:08:24,110 --> 00:08:20,759

that are usually commonly used for uh

192

00:08:25,309 --> 00:08:24,120

Daryl ferendas or like offerings

193

00:08:27,350 --> 00:08:25,319

um

194

00:08:29,390 --> 00:08:27,360

which it can mean a couple of different

195

00:08:33,110 --> 00:08:29,400

things well friend is usually meant like

196

00:08:35,350 --> 00:08:33,120

an altar of sorts but Dells would be

197

00:08:38,029 --> 00:08:35,360

associated with like brujeria Santeria

198

00:08:41,389 --> 00:08:38,039

so that kind of leads me to think that

199

00:08:43,610 --> 00:08:41,399

maybe this thing was summoned and you

200

00:08:47,329 --> 00:08:43,620

know was there for a purpose

201

00:08:50,329 --> 00:08:47,339

um the third one which is uh

202

00:08:52,310 --> 00:08:50,339

just came in actually yesterday I have

203

00:08:54,290 --> 00:08:52,320

kind of having some trouble but

204

00:08:56,630 --> 00:08:54,300

considering where it's coming from it's

205

00:08:58,550 --> 00:08:56,640

you know kind of normal it comes from

206

00:09:04,130 --> 00:08:58,560

Ukraine

207

00:09:06,110 --> 00:09:04,140

um

208

00:09:08,870 --> 00:09:06,120

trying to get hold I've already sent out

209

00:09:11,030 --> 00:09:08,880

emails I've not heard anything back so

210

00:09:13,070 --> 00:09:11,040

until I have some kind of verification

211

00:09:15,410 --> 00:09:13,080

you know with this

212

00:09:16,130 --> 00:09:15,420

um they basically said they saw

213

00:09:21,170 --> 00:09:16,140

um

214

00:09:23,570 --> 00:09:21,180

red eyes and that they were standing on

215

00:09:25,370 --> 00:09:23,580

top of a building and when they saw them

216

00:09:29,329 --> 00:09:25,380

it took off

217

00:09:31,070 --> 00:09:29,339

um but they described it as you know you

218

00:09:33,050 --> 00:09:31,080

know a large creature with a very very

219

00:09:34,850 --> 00:09:33,060

large wingspan this one is they're

220

00:09:36,650 --> 00:09:34,860

actually saying it's 19 between 18 and

221

00:09:39,410 --> 00:09:36,660

20 feet

222

00:09:41,930 --> 00:09:39,420

um if I'm got my math correct

223

00:09:45,230 --> 00:09:41,940

um in width which is probably one of the

224

00:09:45,829 --> 00:09:45,240

larger wingspans we've ever seen

225

00:09:51,110 --> 00:09:45,839

um

226

00:09:53,530 --> 00:09:51,120

in a matter of seconds but you know this

227

00:09:55,550 --> 00:09:53,540

is coming from Ukraine where I mean

228

00:09:57,530 --> 00:09:55,560

unless you're living under a rock you

229

00:09:59,930 --> 00:09:57,540

know they're going through quite a lot

230

00:10:03,050 --> 00:09:59,940

so I'm kind of giving it some leeway to

231

00:10:03,769 --> 00:10:03,060

try to wait for somebody to get hold of

232

00:10:06,290 --> 00:10:03,779

um

233

00:10:08,150 --> 00:10:06,300

the gentleman with the uh the first

234

00:10:08,990 --> 00:10:08,160

Little Village

235

00:10:12,710 --> 00:10:09,000

um

236

00:10:15,170 --> 00:10:12,720

encounter I did talk to I just have to

237

00:10:18,170 --> 00:10:15,180

you know I've recorded most of it I want

238

00:10:19,790 --> 00:10:18,180

to just go through and uh I should

239

00:10:22,009 --> 00:10:19,800

hopefully be publishing by the end of

240

00:10:24,110 --> 00:10:22,019

the week or the end of the weekend it's

241

00:10:25,970 --> 00:10:24,120

just a matter of going through and you

242

00:10:29,150 --> 00:10:25,980

know translating everything because it

243

00:10:31,370 --> 00:10:29,160

was all done in Spanish the second one I

244

00:10:34,130 --> 00:10:31,380

will be talking to you tomorrow but uh

245

00:10:35,329 --> 00:10:34,140

they wrote me in Spanish so I'm trying

246

00:10:38,090 --> 00:10:35,339

to just make sure everything's

247

00:10:40,730 --> 00:10:38,100

translated I don't like posting things

248

00:10:42,410 --> 00:10:40,740

in Spanish unless you know I really have

249

00:10:43,970 --> 00:10:42,420

to because you know not everyone can

250

00:10:46,790 --> 00:10:43,980

speak Spanish

251

00:10:49,130 --> 00:10:46,800

um but this one that one is very very

252

00:10:52,069 --> 00:10:49,140

interesting I want them to point me out

253

00:10:54,110 --> 00:10:52,079

to the field so see if maybe I can find

254

00:10:55,430 --> 00:10:54,120

something you know there's little signs

255

00:10:57,290 --> 00:10:55,440

that you can look forward to see if you

256

00:11:01,250 --> 00:10:57,300

know somebody's been using it to do like

257

00:11:03,410 --> 00:11:01,260

a a ritual or even leaving behind things

258

00:11:06,410 --> 00:11:03,420

um I of course won't be picking anything

259

00:11:08,870 --> 00:11:06,420

up I know better than that but

260

00:11:11,750 --> 00:11:08,880

um you know there are little signs that

261

00:11:14,690 --> 00:11:11,760

you can tell uh especially in that area

262

00:11:17,150 --> 00:11:14,700

what you know whether somebody's been uh

263

00:11:19,550 --> 00:11:17,160

you know they're doing a ritual or or

264

00:11:21,530 --> 00:11:19,560

summon to some kind

265

00:11:23,210 --> 00:11:21,540

you know you you bring up two

266

00:11:25,370 --> 00:11:23,220

interesting points

267

00:11:28,550 --> 00:11:25,380

um first of all the fact that this thing

268

00:11:31,069 --> 00:11:28,560

is being seen over in Ukraine in our

269

00:11:33,230 --> 00:11:31,079

course we're we're always looking for

270

00:11:36,829 --> 00:11:33,240

Wayne giving those sightings around the

271

00:11:39,470 --> 00:11:36,839

world I mean you know I believe that

272

00:11:41,509 --> 00:11:39,480

this there there's all definitely a tie

273

00:11:43,009 --> 00:11:41,519

in there if we can get it but you know

274

00:11:45,350 --> 00:11:43,019

you're talking about these things being

275

00:11:48,230 --> 00:11:45,360

seen in war zones that

276

00:11:50,389 --> 00:11:48,240

yeah I don't think we've ever

277

00:11:52,250 --> 00:11:50,399

gotten into that but that would be

278

00:11:55,009 --> 00:11:52,260

interesting we start getting sightings

279

00:11:58,190 --> 00:11:55,019

and out that you know Out Easter year

280

00:12:00,470 --> 00:11:58,200

because of the war

281

00:12:02,090 --> 00:12:00,480

um and also you mentioned about the

282

00:12:03,670 --> 00:12:02,100

possibility of summoning and we have

283

00:12:07,430 --> 00:12:03,680

talked about that before

284

00:12:09,410 --> 00:12:07,440

uh you know we you and some others have

285

00:12:12,530 --> 00:12:09,420

had on the team have had connections

286

00:12:14,569 --> 00:12:12,540

with these things and I wonder if we've

287

00:12:16,190 --> 00:12:14,579

got other people especially in the

288

00:12:19,790 --> 00:12:16,200

Little Village area that are actually

289

00:12:22,670 --> 00:12:19,800  
getting contacted as well

290

00:12:24,829 --> 00:12:22,680  
you know that's a really good

291

00:12:27,829 --> 00:12:24,839  
possibility that you know maybe they are

292

00:12:29,329 --> 00:12:27,839  
but you know as we've known with uh

293

00:12:32,590 --> 00:12:29,339  
young teen ones

294

00:12:34,610 --> 00:12:32,600  
they don't like being summoned at all it

295

00:12:36,769 --> 00:12:34,620  
impacts that's the only one of the only

296

00:12:39,889 --> 00:12:36,779  
ways you can make them really upset is

297

00:12:41,930 --> 00:12:39,899  
by dragging them into this plane but

298

00:12:43,670 --> 00:12:41,940  
kind of uh

299

00:12:46,069 --> 00:12:43,680  
if you've ever read about Dermatology

300

00:12:48,050 --> 00:12:46,079  
and stuff like that nothing likes being

301

00:12:51,050 --> 00:12:48,060

summoned demons don't like being

302

00:12:52,670 --> 00:12:51,060

summoned they don't like being summoned

303

00:12:55,069 --> 00:12:52,680

um that's a great way to get yourself

304

00:12:56,990 --> 00:12:55,079

unalived

305

00:12:58,310 --> 00:12:57,000

um you know if you're not you don't know

306

00:12:59,629 --> 00:12:58,320

what you're doing is by summoning

307

00:13:01,610 --> 00:12:59,639

something that doesn't want to be here

308

00:13:05,030 --> 00:13:01,620

in the first place

309

00:13:06,829 --> 00:13:05,040

um and so I want to kind of think that

310

00:13:08,690 --> 00:13:06,839

you know there's something this is

311

00:13:12,050 --> 00:13:08,700

something that needs to be researched a

312

00:13:14,329 --> 00:13:12,060

little further and you know hopefully be

313

00:13:16,190 --> 00:13:14,339

um you know maybe that can draw some

314

00:13:22,970 --> 00:13:16,200

conclusions or bring us into some kind

315

00:13:28,790 --> 00:13:26,210

um now do you think because I'm I'm just

316

00:13:31,670 --> 00:13:28,800

you know thinking out out loud here

317

00:13:34,910 --> 00:13:31,680

um could that be related to some of the

318

00:13:38,389 --> 00:13:34,920

issues that that we've had performing uh

319

00:13:40,569 --> 00:13:38,399

Spirit box or s des method sessions to

320

00:13:45,110 --> 00:13:40,579

to contact these beings because I think

321

00:13:48,769 --> 00:13:45,120

that they work very similar to a a sort

322

00:13:51,470 --> 00:13:48,779

of of summoning ritual right

323

00:13:54,590 --> 00:13:51,480

um and so you know it seems like we've

324

00:13:57,949 --> 00:13:54,600

had some real reluctance with uh with

325

00:14:00,829 --> 00:13:57,959

with whatever we came in contact with uh

326

00:14:02,810 --> 00:14:00,839

um to to to communicate with us you know

327

00:14:06,889 --> 00:14:02,820

use using that method and so suddenly

328

00:14:09,829 --> 00:14:06,899

that that seems to to make more sense

329

00:14:12,530 --> 00:14:09,839

um also I'm not sure if you guys

330

00:14:16,910 --> 00:14:12,540

remember this or not but I was in

331

00:14:20,530 --> 00:14:16,920

contact with a a witch you know she was

332

00:14:23,690 --> 00:14:20,540

a self-described witch in uh in Chicago

333

00:14:27,949 --> 00:14:23,700

we had performed this summoning ritual

334

00:14:30,710 --> 00:14:27,959

with her girlfriend uh over a a Blood

335

00:14:34,610 --> 00:14:30,720

Moon uh prior to when these sightings

336

00:14:37,490 --> 00:14:34,620

kicked off again in 2017 and and during

337

00:14:40,069 --> 00:14:37,500

that their rituals she had achieved this

338

00:14:42,889 --> 00:14:40,079

this sort of state of gnosis which is

339

00:14:45,290 --> 00:14:42,899

what a a lot of magical practitioners

340

00:14:46,790 --> 00:14:45,300

are are looking for it's it's sort of a

341

00:14:50,030 --> 00:14:46,800

way to

342

00:14:52,910 --> 00:14:50,040

to align you know your Consciousness

343

00:14:54,949 --> 00:14:52,920

with your intention and and allow your

344

00:14:57,410 --> 00:14:54,959

your subconscious mind to sort of take

345

00:14:59,569 --> 00:14:57,420

over and uh and and enact your will on

346

00:15:01,550 --> 00:14:59,579

the universe and so she said that she

347

00:15:02,990 --> 00:15:01,560

had achieved that state during the

348

00:15:05,030 --> 00:15:03,000

summoning ritual it was right on the

349

00:15:09,230 --> 00:15:05,040

shores of of Lake Michigan

350

00:15:11,210 --> 00:15:09,240

and um and during that she had seen this

351

00:15:13,910 --> 00:15:11,220

uh sort of portal open and like all of

352

00:15:17,150 --> 00:15:13,920

these bat-like creatures come out

353

00:15:20,689 --> 00:15:17,160

and so she was confirmed thinking that

354

00:15:24,110 --> 00:15:20,699

you know maybe she had let some sort of

355

00:15:26,569 --> 00:15:24,120

of entity or entities uh you know loose

356

00:15:27,470 --> 00:15:26,579

in in that area prior to these these

357

00:15:28,870 --> 00:15:27,480

sightings and what was really

358

00:15:33,110 --> 00:15:28,880

interesting about talking to her

359

00:15:35,569 --> 00:15:33,120

honestly was that her main concern was

360

00:15:37,730 --> 00:15:35,579

for the The Entity you know because you

361

00:15:39,470 --> 00:15:37,740

didn't think that that that uh they were

362

00:15:41,810 --> 00:15:39,480

dangerous

363

00:15:43,430 --> 00:15:41,820

um you know she just she thought that uh

364

00:15:45,590 --> 00:15:43,440

she was worried that they would come out

365

00:15:49,730 --> 00:15:45,600

and sort of be misunderstood and and

366

00:15:51,590 --> 00:15:49,740

people would you know for no reason but

367

00:15:53,470 --> 00:15:51,600

um but yeah I you know I find that

368

00:15:57,170 --> 00:15:53,480

interesting because it really does uh

369

00:15:59,090 --> 00:15:57,180

align quite readily with what uh Manuel

370

00:16:02,090 --> 00:15:59,100

is talking about specifically with

371

00:16:03,350 --> 00:16:02,100

people's uh experiences in in uh uh

372

00:16:04,910 --> 00:16:03,360

Little Village

373

00:16:07,730 --> 00:16:04,920

mm-hmm

374

00:16:10,610 --> 00:16:07,740

I think so I mean

375

00:16:12,710 --> 00:16:10,620

um you kind of think about some of these

376

00:16:14,590 --> 00:16:12,720

entities they don't you know in their

377

00:16:17,030 --> 00:16:14,600

own world they're probably not

378

00:16:19,430 --> 00:16:17,040

malevolent turn that or anything but

379

00:16:22,430 --> 00:16:19,440

you're I mean how do you think it would

380

00:16:25,790 --> 00:16:22,440

feel if you took a wild hyena out of the

381

00:16:28,790 --> 00:16:25,800

Savannah of Africa and through that that

382

00:16:33,290 --> 00:16:28,800

uh we know that wild hyena into downtown

383

00:16:34,430 --> 00:16:33,300

Chicago I mean or maybe not hyena

384

00:16:36,769 --> 00:16:34,440

because they're

385

00:16:39,170 --> 00:16:36,779

you know they are predators but they say

386

00:16:42,350 --> 00:16:39,180

you take any any animal that's out of

387

00:16:43,610 --> 00:16:42,360

the Savannah that's maybe not inherently

388

00:16:45,410 --> 00:16:43,620

dangerous when it's in its own

389

00:16:47,569 --> 00:16:45,420

environment but now you threw it into an

390

00:16:49,850 --> 00:16:47,579

entirely different environment

391

00:16:52,670 --> 00:16:49,860

it's surrounded by a city

392

00:16:55,069 --> 00:16:52,680

you know and not just any cities the

393

00:16:57,829 --> 00:16:55,079

third largest city in the nation and

394

00:17:00,710 --> 00:16:57,839

also you know pretty much one of the

395

00:17:03,290 --> 00:17:00,720

most violent cities in the nation

396

00:17:04,970 --> 00:17:03,300

um now you're you know it'd probably be

397

00:17:07,130 --> 00:17:04,980

Century overload the first thing you'd

398

00:17:09,110 --> 00:17:07,140

want to do is defend itself

399

00:17:11,750 --> 00:17:09,120

um it doesn't know whether it's in

400

00:17:14,030 --> 00:17:11,760

danger or what's going on it's first

401

00:17:16,250 --> 00:17:14,040

instinct it's like the fight-or-flight

402

00:17:17,870 --> 00:17:16,260

Instinct itself you know it kind of

403

00:17:19,309 --> 00:17:17,880

kicks in

404

00:17:21,590 --> 00:17:19,319

um I would think that that's what would

405

00:17:25,130 --> 00:17:21,600

be happening with this you know you're

406

00:17:28,069 --> 00:17:25,140

you're taking an entity that is all of a

407

00:17:30,710 --> 00:17:28,079

sudden thrown into this environment and

408

00:17:32,450 --> 00:17:30,720

um you know you're you're taking them

409

00:17:35,930 --> 00:17:32,460

put them into a city such as Chicago

410

00:17:39,289 --> 00:17:35,940

where you know you have uh

411

00:17:42,049 --> 00:17:39,299

you know violent crime you have you know

412

00:17:43,970 --> 00:17:42,059

you know light Sirens especially if you

413

00:17:45,770 --> 00:17:43,980

live in this inside the city itself you

414

00:17:48,650 --> 00:17:45,780

know you're there's never really a

415

00:17:50,930 --> 00:17:48,660

moment of Peace you know peace and quiet

416

00:17:53,510 --> 00:17:50,940

like you know in the city

417

00:17:55,970 --> 00:17:53,520

um it's probably Century overload and I

418

00:17:56,990 --> 00:17:55,980

would think that they would lash out

419

00:18:02,090 --> 00:17:57,000

um

420

00:18:04,430 --> 00:18:02,100

mean you're dragging them out of a

421

00:18:06,830 --> 00:18:04,440

dimension where they're sitting you know

422

00:18:08,210 --> 00:18:06,840

and you're over you're trying to make

423

00:18:10,370 --> 00:18:08,220

them to do something that they don't

424

00:18:13,630 --> 00:18:10,380

want to inherently do

425

00:18:16,970 --> 00:18:13,640

um it's probably gonna be you know

426

00:18:18,590 --> 00:18:16,980

lashing out at you to or try to take the

427

00:18:19,909 --> 00:18:18,600

first opportunity you can to get away so

428

00:18:22,490 --> 00:18:19,919

it can get back to where it's going

429

00:18:24,169 --> 00:18:22,500

where it would come from

430

00:18:25,610 --> 00:18:24,179

um but I kind of agree with you on that

431

00:18:26,630 --> 00:18:25,620

you know

432

00:18:28,310 --> 00:18:26,640

um

433

00:18:30,409 --> 00:18:28,320

she has a right to be concerned for

434

00:18:34,610 --> 00:18:30,419

these entities but at the same time

435

00:18:35,450 --> 00:18:34,620

these um you know these summonings

436

00:18:37,730 --> 00:18:35,460

um

437

00:18:39,830 --> 00:18:37,740

they seem to be they seem to have a

438

00:18:42,710 --> 00:18:39,840

really big connection the one with the

439

00:18:45,770 --> 00:18:42,720

witch that Tobias is talking about I

440

00:18:48,409 --> 00:18:45,780

mean it could be very easily done

441

00:18:50,690 --> 00:18:48,419

um you know that's why most people who

442

00:18:53,029 --> 00:18:50,700

are in the in a in the Witchcraft who

443

00:18:55,850 --> 00:18:53,039

are in the craft of any kind you know

444

00:18:58,850 --> 00:18:55,860

you're not you're really you train for

445

00:19:00,350 --> 00:18:58,860

many many many years you know it's not

446

00:19:02,870 --> 00:19:00,360

this inherent thing that you have all

447

00:19:05,029 --> 00:19:02,880

you're here in a day no you usually are

448

00:19:06,110 --> 00:19:05,039

you have your Trainers for many many

449

00:19:07,370 --> 00:19:06,120

years

450

00:19:09,289 --> 00:19:07,380

um if you're in a cub and you're

451  
00:19:11,570 --> 00:19:09,299  
probably surrounded by older covered

452  
00:19:13,490 --> 00:19:11,580  
members at all times when you're doing

453  
00:19:15,470 --> 00:19:13,500  
this to prevent things from like this

454  
00:19:16,310 --> 00:19:15,480  
from happening

455  
00:19:18,470 --> 00:19:16,320  
um

456  
00:19:21,230 --> 00:19:18,480  
you know you're also putting your own

457  
00:19:23,630 --> 00:19:21,240  
intentions into this so if your

458  
00:19:26,390 --> 00:19:23,640  
intention to cause harm or cause you

459  
00:19:28,610 --> 00:19:26,400  
know chaos you know I would kind of

460  
00:19:32,450 --> 00:19:28,620  
think you're kind of imbuing that into

461  
00:19:33,890 --> 00:19:32,460  
this entity and this entities you're

462  
00:19:36,289 --> 00:19:33,900  
making this entity do something you

463  
00:19:39,350 --> 00:19:36,299

don't want it to do

464

00:19:42,710 --> 00:19:39,360

you know um now we've had a lot of

465

00:19:44,870 --> 00:19:42,720

sightings of of humanoids not

466

00:19:48,169 --> 00:19:44,880

necessarily Wing even though it's in the

467

00:19:50,870 --> 00:19:48,179

uh a lot of green areas especially in

468

00:19:54,350 --> 00:19:50,880

the Rosemont area in particular

469

00:19:55,190 --> 00:19:54,360

I remember the Des Plains River

470

00:19:58,610 --> 00:19:55,200

um

471

00:20:00,950 --> 00:19:58,620

maybe people maybe people are dabbling

472

00:20:03,950 --> 00:20:00,960

in the assault have been doing something

473

00:20:05,630 --> 00:20:03,960

similar to that as well

474

00:20:07,250 --> 00:20:05,640

I mean you know there's a lot of weird

475

00:20:09,590 --> 00:20:07,260

stuff that's been showing up in these

476

00:20:12,049 --> 00:20:09,600

Greenways these preserves

477

00:20:14,990 --> 00:20:12,059

and you know Chicago is well known for

478

00:20:16,250 --> 00:20:15,000

preserves and you know well the suburbs

479

00:20:19,190 --> 00:20:16,260

so um

480

00:20:23,870 --> 00:20:19,200

maybe there's something to that it could

481

00:20:25,430 --> 00:20:23,880

be easily I mean it's you know when

482

00:20:27,890 --> 00:20:25,440

um

483

00:20:30,230 --> 00:20:27,900

when we were learning you know you there

484

00:20:31,730 --> 00:20:30,240

was a word for it the people who come in

485

00:20:33,110 --> 00:20:31,740

here thinking that oh I'm going to be

486

00:20:35,150 --> 00:20:33,120

cool I'm going to be a witch I'm going

487

00:20:38,029 --> 00:20:35,160

to summon this this or that they're

488

00:20:39,950 --> 00:20:38,039

usually called fluffers in a derogatory

489

00:20:40,610 --> 00:20:39,960

term so

490

00:20:44,330 --> 00:20:40,620

um

491

00:20:46,370 --> 00:20:44,340

no one is you know

492

00:20:49,070 --> 00:20:46,380

most of this stuff is about balance and

493

00:20:50,289 --> 00:20:49,080

most of it is about you know

494

00:20:54,049 --> 00:20:50,299

um

495

00:20:57,350 --> 00:20:54,059

an intention it's not you trying to

496

00:20:59,150 --> 00:20:57,360

summon the devil you know per se

497

00:21:01,789 --> 00:20:59,160

um

498

00:21:03,230 --> 00:21:01,799

you know and if you're trying to do

499

00:21:04,909 --> 00:21:03,240

something you're not if you're not

500

00:21:06,770 --> 00:21:04,919

experienced enough

501  
00:21:08,870 --> 00:21:06,780  
in doing it or you know what you're

502  
00:21:10,370 --> 00:21:08,880  
doing you're not going to uh you're

503  
00:21:12,409 --> 00:21:10,380  
going to find yourself opening a door

504  
00:21:15,409 --> 00:21:12,419  
that you can't close

505  
00:21:18,590 --> 00:21:15,419  
um so yeah I wouldn't be surprised that

506  
00:21:20,930 --> 00:21:18,600  
you find you find things plus you also

507  
00:21:23,990 --> 00:21:20,940  
have to remember there's these are green

508  
00:21:26,150 --> 00:21:24,000  
areas I know Tobias are probably agreed

509  
00:21:27,289 --> 00:21:26,160  
um you know some of these areas have

510  
00:21:30,470 --> 00:21:27,299  
inherent

511  
00:21:34,549 --> 00:21:30,480  
Spirits you know that live in that area

512  
00:21:36,110 --> 00:21:34,559  
you know you have you know forced you

513  
00:21:37,730 --> 00:21:36,120

know Spirits you have faith you have

514

00:21:39,049 --> 00:21:37,740

things that live in that area that are

515

00:21:40,909 --> 00:21:39,059

gonna probably you know do something

516

00:21:43,070 --> 00:21:40,919

that gets you out of that area because

517

00:21:45,890 --> 00:21:43,080

of the inherent harm you're going to end

518

00:21:47,090 --> 00:21:45,900

up causing by you know meddling in

519

00:21:49,070 --> 00:21:47,100

things that you're not supposed to be

520

00:21:51,950 --> 00:21:49,080

meddling with

521

00:21:53,990 --> 00:21:51,960

that's certainly an interesting idea and

522

00:21:56,810 --> 00:21:54,000

and I think that

523

00:22:01,549 --> 00:21:56,820

um you know the fact that there are so

524

00:22:04,669 --> 00:22:01,559

many uh uh not just natural areas but uh

525

00:22:06,770 --> 00:22:04,679

just just areas in in general uh

526

00:22:10,190 --> 00:22:06,780

throughout the uh

527

00:22:11,350 --> 00:22:10,200

the United States where you have these

528

00:22:18,950 --> 00:22:11,360

sort of

529

00:22:22,130 --> 00:22:18,960

to that area I think speaks to some

530

00:22:26,450 --> 00:22:22,140

unique quality of of certain areas you

531

00:22:29,630 --> 00:22:26,460

know and so I wouldn't be against you

532

00:22:31,549 --> 00:22:29,640

know speculating that uh that that the

533

00:22:34,970 --> 00:22:31,559

quality that might be represented by

534

00:22:38,690 --> 00:22:34,980

that is some sort of of native

535

00:22:40,669 --> 00:22:38,700

otherworldly uh in intelligence you know

536

00:22:42,710 --> 00:22:40,679

and you can call it whatever you want

537

00:22:45,470 --> 00:22:42,720

you can call it a you know fairies or

538

00:22:48,770 --> 00:22:45,480

nature Spirits or or anything that that

539

00:22:50,510 --> 00:22:48,780

suits you but at the end of the day you

540

00:22:54,230 --> 00:22:50,520

know it does seem like there are certain

541

00:22:57,049 --> 00:22:54,240

areas that uh that that have

542

00:22:57,850 --> 00:22:57,059

um you know a spiritual or paranormal

543

00:23:01,010 --> 00:22:57,860

life

544

00:23:03,890 --> 00:23:01,020

all of of their own really you know the

545

00:23:06,950 --> 00:23:03,900

the uh Kettle Moraine State Forest for

546

00:23:10,130 --> 00:23:06,960

instance seems to be one of those areas

547

00:23:11,990 --> 00:23:10,140

um you know or you know you might even

548

00:23:16,070 --> 00:23:12,000

consider

549

00:23:18,710 --> 00:23:16,080

um just the entire area around uh O'Hare

550

00:23:21,230 --> 00:23:18,720

International Airport for instance you

551  
00:23:23,270 --> 00:23:21,240  
know that's that's one where you know if

552  
00:23:24,770 --> 00:23:23,280  
if you look at the history of of that

553  
00:23:27,169 --> 00:23:24,780  
area and all of the different sightings

554  
00:23:29,510 --> 00:23:27,179  
and things that we've seen you know from

555  
00:23:32,270 --> 00:23:29,520  
that relatively tight geographic area

556  
00:23:34,190 --> 00:23:32,280  
there certainly seems to be uh something

557  
00:23:35,990 --> 00:23:34,200  
to it you know because there doesn't

558  
00:23:37,970 --> 00:23:36,000  
seem like

559  
00:23:40,190 --> 00:23:37,980  
um you know like if if you're

560  
00:23:42,409 --> 00:23:40,200  
investigating a a haunted house or

561  
00:23:44,870 --> 00:23:42,419  
something right and and and you look at

562  
00:23:46,730 --> 00:23:44,880  
historical records and you see that you

563  
00:23:48,770 --> 00:23:46,740

know this person died there or was

564

00:23:51,230 --> 00:23:48,780

murdered there or committed suicide or

565

00:23:53,270 --> 00:23:51,240

something and that sort of ties into the

566

00:23:55,490 --> 00:23:53,280

the phenomena that people are

567

00:23:57,409 --> 00:23:55,500

experiencing in that house then you can

568

00:24:00,409 --> 00:23:57,419

say okay well that might be the origin

569

00:24:04,070 --> 00:24:00,419

of of these specific phenomena but you

570

00:24:06,649 --> 00:24:04,080

don't really have that uh in in an area

571

00:24:09,649 --> 00:24:06,659

like um all of the the little Villages

572

00:24:11,830 --> 00:24:09,659

and and everything surrounding O'Hare

573

00:24:15,049 --> 00:24:11,840

really all you've got

574

00:24:17,450 --> 00:24:15,059

is and you know this is for for most

575

00:24:19,909 --> 00:24:17,460

really spreading out in in into Chicago

576

00:24:21,950 --> 00:24:19,919

southeastern Wisconsin

577

00:24:24,169 --> 00:24:21,960

um really all you've got are these areas

578

00:24:28,010 --> 00:24:24,179

that just have all of this weird stuff

579

00:24:31,730 --> 00:24:28,020

happening and and no real discernible

580

00:24:33,830 --> 00:24:31,740

cause for any of it honestly unless we

581

00:24:36,830 --> 00:24:33,840

start getting into what we were talking

582

00:24:38,330 --> 00:24:36,840

about before you know and and start

583

00:24:43,430 --> 00:24:38,340

thinking about you know somebody

584

00:24:48,230 --> 00:24:45,649

um you know we've got some people in the

585

00:24:50,990 --> 00:24:48,240

chat who who may mention that you know

586

00:24:53,810 --> 00:24:51,000

because of all the uh the crime and

587

00:24:56,090 --> 00:24:53,820

everything in in the Chicago area and of

588

00:24:57,409 --> 00:24:56,100

course we talked about O'Hara you got a

589

00:24:59,750 --> 00:24:57,419

lot of different people coming in and

590

00:25:00,850 --> 00:24:59,760

out of there bringing a lot of different

591

00:25:05,090 --> 00:25:00,860

energy

592

00:25:06,590 --> 00:25:05,100

uh maybe there is an evil intent or some

593

00:25:09,409 --> 00:25:06,600

type of uh

594

00:25:11,390 --> 00:25:09,419

evil or malevolence see these things may

595

00:25:14,270 --> 00:25:11,400

be attracted to I mean we I don't think

596

00:25:16,549 --> 00:25:14,280

we've really ever established that uh

597

00:25:19,610 --> 00:25:16,559

you know we've had a slew of theories as

598

00:25:22,190 --> 00:25:19,620

to why all this has been going on in the

599

00:25:24,230 --> 00:25:22,200

Chicago area I mean you know this is

600

00:25:27,289 --> 00:25:24,240

probably the only

601  
00:25:30,049 --> 00:25:27,299  
uh urban area that's had a concentration

602  
00:25:32,090 --> 00:25:30,059  
of sightings like this of any phenomena

603  
00:25:34,430 --> 00:25:32,100  
that I could remember or ever figure out

604  
00:25:36,590 --> 00:25:34,440  
or ever know of

605  
00:25:40,370 --> 00:25:36,600  
um maybe there is something to that but

606  
00:25:42,169 --> 00:25:40,380  
you know what do you guys think

607  
00:25:45,529 --> 00:25:42,179  
well

608  
00:25:47,930 --> 00:25:45,539  
I mean there's a theory I've always had

609  
00:25:50,090 --> 00:25:47,940  
since I've been in ufology

610  
00:25:52,789 --> 00:25:50,100  
um I always wanted to bounce it off you

611  
00:25:53,930 --> 00:25:52,799  
guys especially you Tobias but

612  
00:25:57,169 --> 00:25:53,940  
um

613  
00:25:59,750 --> 00:25:57,179

you always hear these stories about how

614

00:26:03,769 --> 00:25:59,760

like typically let's say like the Grays

615

00:26:06,230 --> 00:26:03,779

they seem to feed off of motions

616

00:26:08,450 --> 00:26:06,240

you know they're more attracted to them

617

00:26:10,850 --> 00:26:08,460

to somebody who's you know

618

00:26:13,490 --> 00:26:10,860

going to emotion kind of like when you

619

00:26:14,990 --> 00:26:13,500

you know Yak you hear and ghost stories

620

00:26:17,149 --> 00:26:15,000

like Poltergeist stories you know

621

00:26:19,610 --> 00:26:17,159

there's usually somebody there who's

622

00:26:21,350 --> 00:26:19,620

like um a king or somebody who's going

623

00:26:22,870 --> 00:26:21,360

through the Nano puberty or something

624

00:26:24,830 --> 00:26:22,880

like that they're with a high emotion

625

00:26:27,470 --> 00:26:24,840

emotional state

626

00:26:30,830 --> 00:26:27,480

you know in the airport kind of has that

627

00:26:34,490 --> 00:26:30,840

concentrated area I mean you got people

628

00:26:36,230 --> 00:26:34,500

coming going you know happiness sadness

629

00:26:39,470 --> 00:26:36,240

you know

630

00:26:43,190 --> 00:26:39,480

um all these emotions just bundled up

631

00:26:45,769 --> 00:26:43,200

into one area you know and

632

00:26:48,590 --> 00:26:45,779

wouldn't that would probably I can't why

633

00:26:51,230 --> 00:26:48,600

you have a lot of UFO signings in that

634

00:26:53,810 --> 00:26:51,240

area maybe they are attracted to that

635

00:26:56,390 --> 00:26:53,820

emotion or the energy that that's been

636

00:26:58,490 --> 00:26:56,400

given off and maybe that's what attracts

637

00:27:00,830 --> 00:26:58,500

you know some of these other creatures

638

00:27:01,789 --> 00:27:00,840

there

639

00:27:05,090 --> 00:27:01,799

um

640

00:27:08,570 --> 00:27:05,100

that's kind of my theory but you know

641

00:27:10,850 --> 00:27:08,580

you know Chicago has so many different

642

00:27:14,169 --> 00:27:10,860

things I mean think of the history I

643

00:27:16,730 --> 00:27:14,179

mean some of some of the most you know

644

00:27:18,409 --> 00:27:16,740

deadliest you know incidences have

645

00:27:20,870 --> 00:27:18,419

happened here you have the same

646

00:27:24,529 --> 00:27:20,880

Valentine's Day Massacre it's you know

647

00:27:26,630 --> 00:27:24,539

right there off downtown uh you have you

648

00:27:28,789 --> 00:27:26,640

know some of these cemeteries especially

649

00:27:30,950 --> 00:27:28,799

like places like bastard Grove Cemetery

650

00:27:32,450 --> 00:27:30,960

are some of the most haunted places in

651  
00:27:34,310 --> 00:27:32,460  
the world

652  
00:27:36,769 --> 00:27:34,320  
um you have um

653  
00:27:38,269 --> 00:27:36,779  
oh there's a club there used to be a

654  
00:27:41,029 --> 00:27:38,279  
club downtown called the Excalibur that

655  
00:27:44,510 --> 00:27:41,039  
used to be a morgue and it was uh where

656  
00:27:46,370 --> 00:27:44,520  
they used a that morgue for when uh the

657  
00:27:48,830 --> 00:27:46,380  
orphanage burned down I think it was

658  
00:27:50,570 --> 00:27:48,840  
like 60 people died in that mostly

659  
00:27:52,490 --> 00:27:50,580  
children died in that

660  
00:27:55,850 --> 00:27:52,500  
and then there was another incident

661  
00:27:57,289 --> 00:27:55,860  
where a ship sank in this in the river

662  
00:27:58,669 --> 00:27:57,299  
and a bunch of people like hundreds of

663  
00:28:01,789 --> 00:27:58,679

people were drowned

664

00:28:04,070 --> 00:28:01,799

and you and think of all the just the

665

00:28:05,870 --> 00:28:04,080

different you know growing from the 20s

666

00:28:08,450 --> 00:28:05,880

you know I'm sorry all the violence that

667

00:28:11,210 --> 00:28:08,460

was associated with prohibition and the

668

00:28:14,029 --> 00:28:11,220

gangster Wars and then now you have all

669

00:28:18,649 --> 00:28:14,039

the violence that's going on you know in

670

00:28:21,230 --> 00:28:18,659

day-to-day you know life I mean all that

671

00:28:22,970 --> 00:28:21,240

emotion leaves an imprint and maybe

672

00:28:26,810 --> 00:28:22,980

that's something that attracts these

673

00:28:29,149 --> 00:28:26,820

things uh to this area

674

00:28:31,610 --> 00:28:29,159

you know it's worth it you know it's a

675

00:28:33,649 --> 00:28:31,620

thought I mean you know uh

676

00:28:35,630 --> 00:28:33,659

God knows how many theories we've had

677

00:28:39,350 --> 00:28:35,640

from the very beginning of this you know

678

00:28:41,750 --> 00:28:39,360

these encounters and uh sightings but

679

00:28:44,690 --> 00:28:41,760

um you know I you know the fact that we

680

00:28:47,330 --> 00:28:44,700

we started having all these sightings

681

00:28:51,710 --> 00:28:47,340

and I'd say maybe 75 to 80 percent

682

00:28:53,149 --> 00:28:51,720

around the airport since October 2019

683

00:28:55,250 --> 00:28:53,159

I mean there's definitely something

684

00:28:58,070 --> 00:28:55,260

about the airport and we're pretty sure

685

00:28:59,870 --> 00:28:58,080

that has something to do around that uh

686

00:29:05,450 --> 00:28:59,880

connection with that Cemetery or the

687

00:29:07,909 --> 00:29:05,460

area around there uh but still you know

688

00:29:10,130 --> 00:29:07,919

you got you gotta wonder what the

689

00:29:14,149 --> 00:29:10,140

attraction why they come you know we

690

00:29:19,430 --> 00:29:15,230

sure

691

00:29:23,510 --> 00:29:19,440

um you know I I don't think there is any

692

00:29:25,370 --> 00:29:23,520

causal relationship between

693

00:29:27,889 --> 00:29:25,380

um you know anything like criminal

694

00:29:30,370 --> 00:29:27,899

activity or

695

00:29:33,769 --> 00:29:30,380

um you know any anything similar really

696

00:29:35,870 --> 00:29:33,779

and uh winged humanoid sightings

697

00:29:42,049 --> 00:29:35,880

um they they do seem very very random

698

00:29:45,710 --> 00:29:42,059

outside of what we do know which is they

699

00:29:49,310 --> 00:29:45,720

they seem to occur in in specific areas

700

00:29:51,289 --> 00:29:49,320

um you know that's not that's not always

701  
00:29:53,930 --> 00:29:51,299  
the case though you know there there

702  
00:29:56,389 --> 00:29:53,940  
there are outliers I mean most of the

703  
00:29:59,930 --> 00:29:56,399  
the uh reports that I've investigated

704  
00:30:02,570 --> 00:29:59,940  
personally have been in more out of the

705  
00:30:05,630 --> 00:30:02,580  
way places you know so I had one in in

706  
00:30:06,350 --> 00:30:05,640  
Rockford just over this past summer

707  
00:30:08,810 --> 00:30:06,360  
um

708  
00:30:11,269 --> 00:30:08,820  
and you know Rockford's not a it's not a

709  
00:30:12,889 --> 00:30:11,279  
tiny town or anything but um but it's

710  
00:30:15,470 --> 00:30:12,899  
it's not Chicago

711  
00:30:17,750 --> 00:30:15,480  
and uh you know you you think back to

712  
00:30:20,350 --> 00:30:17,760  
some of the best uh cases we had you

713  
00:30:23,510 --> 00:30:20,360

know even going back to you know 2017

714

00:30:25,669 --> 00:30:23,520

and uh Woodstock for instance I mean

715

00:30:27,830 --> 00:30:25,679

Woodstock is is not a big town what's

716

00:30:29,389 --> 00:30:27,840

the population there maybe maybe 20 000

717

00:30:31,789 --> 00:30:29,399

people

718

00:30:35,090 --> 00:30:31,799

um and uh and and that was pretty out of

719

00:30:37,810 --> 00:30:35,100

the way and even many of the these

720

00:30:40,190 --> 00:30:37,820

sightings in the the more Chicago

721

00:30:42,169 --> 00:30:40,200

metropolitan area at least the the

722

00:30:44,930 --> 00:30:42,179

really credible ones you know where

723

00:30:46,430 --> 00:30:44,940

we've been able to speak with people and

724

00:30:47,990 --> 00:30:46,440

and we're and we're pretty like

725

00:30:50,690 --> 00:30:48,000

reasonably sure that it's not a

726

00:30:53,630 --> 00:30:50,700

misidentified bird or something you know

727

00:30:55,669 --> 00:30:53,640

those are often in out of the the way

728

00:30:58,789 --> 00:30:55,679

places too even a lot of those sightings

729

00:31:01,490 --> 00:30:58,799

around O'hare you know like it's pretty

730

00:31:03,710 --> 00:31:01,500

rare for somebody to see or even claim

731

00:31:06,950 --> 00:31:03,720

to see one of these things at that

732

00:31:08,810 --> 00:31:06,960

airport in a heavy populated part of

733

00:31:10,610 --> 00:31:08,820

that airport you know it's not like

734

00:31:12,830 --> 00:31:10,620

they're usually hanging out in the

735

00:31:13,990 --> 00:31:12,840

terminals or anything right you know

736

00:31:17,450 --> 00:31:14,000

yeah

737

00:31:19,250 --> 00:31:17,460

uh Cemetery by that's by nothing frankly

738

00:31:21,169 --> 00:31:19,260

it's like over in the cargo area and

739

00:31:23,810 --> 00:31:21,179

there's nothing over there

740

00:31:26,269 --> 00:31:23,820

um you know and those cargo areas like

741

00:31:29,029 --> 00:31:26,279

if if there doesn't happen like to be a

742

00:31:31,130 --> 00:31:29,039

trucker outside waiting or somebody

743

00:31:33,110 --> 00:31:31,140

walking to or from work like there's

744

00:31:36,049 --> 00:31:33,120

nobody out there you know why would they

745

00:31:38,269 --> 00:31:36,059

be they're all inside doing their job

746

00:31:40,430 --> 00:31:38,279

um and so like these what's what's weird

747

00:31:42,889 --> 00:31:40,440

is that they're they're in isolated

748

00:31:46,430 --> 00:31:42,899

areas within this this otherwise

749

00:31:48,049 --> 00:31:46,440

populated area and so you know I really

750

00:31:51,169 --> 00:31:48,059

think that there's there's something

751

00:31:53,389 --> 00:31:51,179

about these areas that

752

00:31:55,850 --> 00:31:53,399

um either we just can't discern because

753

00:31:57,950 --> 00:31:55,860

it's on a level that that we just can't

754

00:32:00,049 --> 00:31:57,960

perceive

755

00:32:01,610 --> 00:32:00,059

um or or there's something that's that

756

00:32:04,669 --> 00:32:01,620

that's being missed because it almost

757

00:32:07,430 --> 00:32:04,679

seems like uh the sightings are attached

758

00:32:10,070 --> 00:32:07,440

to these specific areas regardless of of

759

00:32:11,630 --> 00:32:10,080

what we as humans are are are doing with

760

00:32:14,269 --> 00:32:11,640

them you know like they don't seem to

761

00:32:17,029 --> 00:32:14,279

care that we built a city on this area

762

00:32:19,490 --> 00:32:17,039

that that they have a a particular

763

00:32:23,269 --> 00:32:19,500

interest in you know um they're still

764

00:32:26,930 --> 00:32:23,279

doing uh uh relatively it seems they're

765

00:32:28,789 --> 00:32:26,940

best to to uh avoid human interest

766

00:32:30,710 --> 00:32:28,799

um and uh and only show up in these

767

00:32:33,110 --> 00:32:30,720

these sort of out of the the the way

768

00:32:34,070 --> 00:32:33,120

areas at least as isolated as as they

769

00:32:35,149 --> 00:32:34,080

can be

770

00:32:38,870 --> 00:32:35,159

hmm

771

00:32:40,669 --> 00:32:38,880

yeah maybe uh you know the fact that it

772

00:32:43,549 --> 00:32:40,679

has been in the city but the portal

773

00:32:46,190 --> 00:32:43,559

where they're coming through is just uh

774

00:32:47,570 --> 00:32:46,200

uh really no relationship it just

775

00:32:49,669 --> 00:32:47,580

happens to be there and that's why

776

00:32:51,230 --> 00:32:49,679

they're showing up there that's a good

777

00:32:55,190 --> 00:32:51,240

point

778

00:32:58,430 --> 00:32:55,200

mean you could have a portal right there

779

00:33:01,190 --> 00:32:58,440

at Rest Haven and you know you've been

780

00:33:02,990 --> 00:33:01,200

out there just like I have Tobias at

781

00:33:06,230 --> 00:33:03,000

night and you know it's

782

00:33:08,090 --> 00:33:06,240

it's out of the way it's you are

783

00:33:10,909 --> 00:33:08,100

completely alone I mean even though

784

00:33:14,149 --> 00:33:10,919

across on one side you have a flight

785

00:33:15,769 --> 00:33:14,159

line and been uh an area or planes are

786

00:33:19,850 --> 00:33:15,779

playing and across the street you have

787

00:33:22,549 --> 00:33:19,860

the a large you know cargo facility with

788

00:33:23,870 --> 00:33:22,559

probably thousands of people inside you

789

00:33:26,990 --> 00:33:23,880

know if you're out there in the middle

790

00:33:28,789 --> 00:33:27,000

of the night there is no one around no

791

00:33:30,350 --> 00:33:28,799

one comes through there no one goes by

792

00:33:33,230 --> 00:33:30,360

there maybe the occasional truck that's

793

00:33:35,870 --> 00:33:33,240

checking into the facility but you are

794

00:33:37,430 --> 00:33:35,880

out there by yourself

795

00:33:39,470 --> 00:33:37,440

um something wanted to come out

796

00:33:41,930 --> 00:33:39,480

something wanted to be there and not be

797

00:33:45,110 --> 00:33:41,940

seen that's going to be the place

798

00:33:49,190 --> 00:33:45,120

you know where you can go

799

00:33:51,529 --> 00:33:49,200

um it's it's just that isolated and to

800

00:33:53,450 --> 00:33:51,539

think that it's surrounded I have to

801  
00:33:56,210 --> 00:33:53,460  
think that our hair has to be at least

802  
00:33:58,970 --> 00:33:56,220  
in the top three biggest and most

803  
00:34:01,549 --> 00:33:58,980  
busiest airports in the world

804  
00:34:03,289 --> 00:34:01,559  
um you know it's one I know for sure

805  
00:34:06,049 --> 00:34:03,299  
it's one of the largest airports in the

806  
00:34:07,789 --> 00:34:06,059  
world if not the largest yeah it's

807  
00:34:11,149 --> 00:34:07,799  
getting bigger yeah and it's getting

808  
00:34:16,250 --> 00:34:11,159  
bigger and it's this place is absolutely

809  
00:34:17,329 --> 00:34:16,260  
out in the middle of nowhere uh and if

810  
00:34:19,310 --> 00:34:17,339  
you're out there in the middle of the

811  
00:34:25,070 --> 00:34:19,320  
night like when I had the encounter with

812  
00:34:26,030 --> 00:34:25,080  
uh uru you're out there by yourself and

813  
00:34:28,750 --> 00:34:26,040

um even though you're probably

814

00:34:31,909 --> 00:34:28,760

surrounded by thousands of people

815

00:34:34,129 --> 00:34:31,919

No One's Gonna know you're there

816

00:34:34,139 --> 00:34:38,109

we do have one question

817

00:34:44,270 --> 00:34:41,030

oh I was I was basically just going to

818

00:34:45,829 --> 00:34:44,280

uh reiterate what what Manuel said I

819

00:34:47,329 --> 00:34:45,839

mean it's it's hard to describe to

820

00:34:49,909 --> 00:34:47,339

people who haven't been out there but

821

00:34:51,710 --> 00:34:49,919

like uh uh Rest Haven specifically you

822

00:34:54,109 --> 00:34:51,720

know like it's all hemmed in with trees

823

00:34:56,089 --> 00:34:54,119

so people can't even see what you're

824

00:34:57,410 --> 00:34:56,099

doing in there frankly you know you

825

00:34:59,570 --> 00:34:57,420

could be in there and anything could be

826  
00:35:02,150 --> 00:34:59,580  
happening and nobody would would even

827  
00:35:05,030 --> 00:35:02,160  
know despite the fact that you know it's

828  
00:35:07,310 --> 00:35:05,040  
it's nestled within one of the world's

829  
00:35:10,069 --> 00:35:07,320  
largest international airports like it's

830  
00:35:11,990 --> 00:35:10,079  
it's really something else it's bizarre

831  
00:35:14,690 --> 00:35:12,000  
isn't it I mean I mean the whole concept

832  
00:35:18,109 --> 00:35:14,700  
of that cemetery is still being there is

833  
00:35:19,670 --> 00:35:18,119  
just bizarre to me it always has been uh

834  
00:35:22,010 --> 00:35:19,680  
I've never been there but I've seen

835  
00:35:24,230 --> 00:35:22,020  
pictures of it and it is it's like uh

836  
00:35:26,150 --> 00:35:24,240  
this big anomaly sitting right there in

837  
00:35:28,970 --> 00:35:26,160  
the middle of the world's one of the

838  
00:35:30,770 --> 00:35:28,980

world's busiest airports it's strange

839

00:35:33,470 --> 00:35:30,780

I mean you got to figure there's got to

840

00:35:35,870 --> 00:35:33,480

be some connection there somewhere

841

00:35:38,089 --> 00:35:35,880

uh well we did get a question from

842

00:35:41,390 --> 00:35:38,099

Andrew Boyle who asked can they be

843

00:35:46,609 --> 00:35:42,849

I

844

00:35:48,650 --> 00:35:46,619

think we we have

845

00:35:50,569 --> 00:35:48,660

I I think from the information that we

846

00:35:53,990 --> 00:35:50,579

have gotten

847

00:35:56,089 --> 00:35:54,000

that they do not share themselves as

848

00:35:58,329 --> 00:35:56,099

what they look like in their own

849

00:36:01,310 --> 00:35:58,339

Dimension they change themselves

850

00:36:03,970 --> 00:36:01,320

uh they don't all look alike we've had

851

00:36:07,310 --> 00:36:03,980

different descriptions for the most part

852

00:36:09,050 --> 00:36:07,320

uh maybe they are shape shifters maybe

853

00:36:11,870 --> 00:36:09,060

they have the ability to shape shift

854

00:36:13,790 --> 00:36:11,880

maybe they have the ability to cloak you

855

00:36:16,849 --> 00:36:13,800

know we talked about cryptic cloaking

856

00:36:20,750 --> 00:36:16,859

and a lot of other strange weird

857

00:36:23,329 --> 00:36:20,760

phenomena uh associated with uh you know

858

00:36:26,290 --> 00:36:23,339

unexplained but maybe they are shape

859

00:36:29,990 --> 00:36:26,300

shifters what do you guys think

860

00:36:32,089 --> 00:36:30,000

well you know I I think that they're

861

00:36:36,890 --> 00:36:32,099

there's a possibility you know I I'm

862

00:36:39,950 --> 00:36:36,900

trying to think of any specific

863

00:36:43,190 --> 00:36:39,960

um report that I've received that

864

00:36:46,069 --> 00:36:43,200

mentions something like shape-shifting

865

00:36:49,490 --> 00:36:46,079

you know uh as as an attribute

866

00:36:52,430 --> 00:36:49,500

of uh of a winged humanoid and I'm

867

00:36:54,890 --> 00:36:52,440

drawing a blank and So based

868

00:36:56,930 --> 00:36:54,900

specifically on what people are

869

00:36:59,270 --> 00:36:56,940

reporting

870

00:37:02,150 --> 00:36:59,280

um I would say that it's unlikely

871

00:37:05,630 --> 00:37:02,160

however uh when you're dealing with

872

00:37:08,810 --> 00:37:05,640

something that is completely unknown

873

00:37:12,349 --> 00:37:08,820

um you have to allow for any possibility

874

00:37:15,410 --> 00:37:12,359

and so I I can't say that

875

00:37:17,329 --> 00:37:15,420

um it's it's not the the case all I can

876

00:37:19,609 --> 00:37:17,339

say is based on on what we've seen so

877

00:37:22,970 --> 00:37:19,619

far we haven't seen any any good

878

00:37:24,829 --> 00:37:22,980

evidence for that specifically

879

00:37:26,810 --> 00:37:24,839

no we have it

880

00:37:28,730 --> 00:37:26,820

um it's just a lot of

881

00:37:30,589 --> 00:37:28,740

a lot of different things that I guess

882

00:37:32,030 --> 00:37:30,599

we could speculate you know and then

883

00:37:34,130 --> 00:37:32,040

somebody earlier had mentioned something

884

00:37:37,310 --> 00:37:34,140

about UFO activity and of course we've

885

00:37:39,890 --> 00:37:37,320

had you know there's a well-known UFO

886

00:37:41,810 --> 00:37:39,900

case out at O'Hara back in what was that

887

00:37:44,750 --> 00:37:41,820

2006.

888

00:37:47,210 --> 00:37:44,760

but yes we have had we have had

889

00:37:49,130 --> 00:37:47,220

sightings associated with UFO activity

890

00:37:51,050 --> 00:37:49,140

uh

891

00:37:54,310 --> 00:37:51,060

at least two of them

892

00:37:56,650 --> 00:37:54,320

um the one that was over the um over the

893

00:38:00,109 --> 00:37:56,660

Cresthaven that was

894

00:38:03,230 --> 00:38:00,119

uh has some type of humanoid ascend from

895

00:38:06,589 --> 00:38:03,240

the cemetery up into the craft and then

896

00:38:10,670 --> 00:38:06,599

the security guard Who's down just south

897

00:38:14,210 --> 00:38:10,680

east Southwest of the uh cargo area

898

00:38:15,349 --> 00:38:14,220

who was uh in at night he was in there

899

00:38:18,589 --> 00:38:15,359

guarding

900

00:38:20,630 --> 00:38:18,599

a construction area and he was attracted

901  
00:38:22,550 --> 00:38:20,640  
by one of these Wing humanoids and and

902  
00:38:27,349 --> 00:38:22,560  
then a large

903  
00:38:28,810 --> 00:38:27,359  
uh triangular or wedge-shaped UFOs

904  
00:38:30,710 --> 00:38:28,820  
showed up

905  
00:38:33,770 --> 00:38:30,720  
so um

906  
00:38:36,530 --> 00:38:33,780  
I I don't think you know from what we

907  
00:38:38,690 --> 00:38:36,540  
have gathered I don't think they are

908  
00:38:42,050 --> 00:38:38,700  
associated with the UFOs I think the

909  
00:38:45,410 --> 00:38:42,060  
UFOs just show up at because of them

910  
00:38:47,510 --> 00:38:45,420  
uh there's something there but I don't

911  
00:38:49,329 --> 00:38:47,520  
think I don't think these Wing beings

912  
00:38:50,870 --> 00:38:49,339  
have any particular

913  
00:38:54,470 --> 00:38:50,880

uh

914

00:38:55,730 --> 00:38:54,480

connection with these with these UFOs I

915

00:38:57,470 --> 00:38:55,740

mean you know you guys may think

916

00:39:01,010 --> 00:38:57,480

different on that but that's just what

917

00:39:03,829 --> 00:39:01,020

I've been been told well let me um let

918

00:39:08,030 --> 00:39:03,839

me go over now this is a report that I

919

00:39:11,390 --> 00:39:08,040

received from a woman in uh Rockford

920

00:39:14,089 --> 00:39:11,400

Illinois and so this was a fork Kent

921

00:39:16,370 --> 00:39:14,099

Creek so there's there's this Creek and

922

00:39:18,410 --> 00:39:16,380

you know and it's kind of rings with uh

923

00:39:20,150 --> 00:39:18,420

uh well it's it's surrounded by trees

924

00:39:22,490 --> 00:39:20,160

and it's got a little walking path and

925

00:39:24,589 --> 00:39:22,500

everything and it's so you know as as

926

00:39:27,109 --> 00:39:24,599

far as Rockford is is concerned like

927

00:39:29,030 --> 00:39:27,119

it's it's a relatively isolated area

928

00:39:31,250 --> 00:39:29,040

sort of in the middle of all of this

929

00:39:32,870 --> 00:39:31,260

like industry and apartment buildings

930

00:39:34,370 --> 00:39:32,880

and and everything else so I'm not going

931

00:39:37,430 --> 00:39:34,380

to say you know you're not in the middle

932

00:39:40,010 --> 00:39:37,440

of nowhere but it is kind of set aside

933

00:39:43,490 --> 00:39:40,020

somewhat from uh from the surrounding

934

00:39:44,990 --> 00:39:43,500

area insofar as it's it's it has this

935

00:39:47,870 --> 00:39:45,000

wall of trees it's kind of blocking it

936

00:39:50,810 --> 00:39:47,880

off and everything and so anyway so I I

937

00:39:53,810 --> 00:39:50,820

spoke to this woman uh who said let's

938

00:39:55,150 --> 00:39:53,820

see this was June 20th of this past

939

00:39:59,150 --> 00:39:55,160

summer

940

00:40:01,550 --> 00:39:59,160

that she was outside with her mother and

941

00:40:02,710 --> 00:40:01,560

they saw this massive black winged

942

00:40:05,569 --> 00:40:02,720

humanoid

943

00:40:07,730 --> 00:40:05,579

followed almost immediately by this

944

00:40:10,430 --> 00:40:07,740

weird glowing UFO you know and we've

945

00:40:12,650 --> 00:40:10,440

we've already received multiple winged

946

00:40:13,970 --> 00:40:12,660

humanoid sightings out of Rockford some

947

00:40:16,069 --> 00:40:13,980

of like honestly some of the most

948

00:40:18,589 --> 00:40:16,079

credible sightings that I have

949

00:40:21,410 --> 00:40:18,599

personally investigated have come out of

950

00:40:23,690 --> 00:40:21,420

of this area you know one of one of the

951  
00:40:25,790 --> 00:40:23,700  
uh the witnesses that I worked with that

952  
00:40:28,430 --> 00:40:25,800  
was interviewed in the small town

953  
00:40:30,950 --> 00:40:28,440  
monsters on the trail of the Lake

954  
00:40:32,810 --> 00:40:30,960  
Michigan Mothman uh was one of the the

955  
00:40:34,970 --> 00:40:32,820  
Rockford witnesses that I had worked

956  
00:40:38,690 --> 00:40:34,980  
with and he was very credible

957  
00:40:42,650 --> 00:40:38,700  
and so what's interesting about this

958  
00:40:46,190 --> 00:40:42,660  
specifically to me is the way that this

959  
00:40:48,410 --> 00:40:46,200  
UFO is described

960  
00:40:50,990 --> 00:40:48,420  
um so let me get to that real quick

961  
00:40:53,390 --> 00:40:51,000  
because it was weird

962  
00:40:55,790 --> 00:40:53,400  
um so they see this this weird winged

963  
00:40:58,130 --> 00:40:55,800

being and they decide to go look for it

964

00:41:00,470 --> 00:40:58,140

um because they're they're very brave

965

00:41:03,950 --> 00:41:00,480

it's like you know two in the morning or

966

00:41:05,569 --> 00:41:03,960

something too and um and and see so they

967

00:41:07,010 --> 00:41:05,579

they go out there and they're looking

968

00:41:13,250 --> 00:41:07,020

for this thing

969

00:41:15,050 --> 00:41:13,260

and they see this weird thing this

970

00:41:18,349 --> 00:41:15,060

glowing object

971

00:41:21,950 --> 00:41:18,359

and it's it's sort of like

972

00:41:24,589 --> 00:41:21,960

swimming through the the sky that's how

973

00:41:26,870 --> 00:41:24,599

they described it moving like a a manta

974

00:41:29,210 --> 00:41:26,880

ray now it didn't have the the exact

975

00:41:30,890 --> 00:41:29,220

profile of a manta ray so don't picture

976

00:41:33,050 --> 00:41:30,900

something with like wings and like a

977

00:41:35,390 --> 00:41:33,060

long tail but the way it was sort of

978

00:41:38,569 --> 00:41:35,400

gliding and swimming through through the

979

00:41:40,609 --> 00:41:38,579

the sky reminded them of of something

980

00:41:44,569 --> 00:41:40,619

living

981

00:41:49,069 --> 00:41:46,430

oops

982

00:41:54,170 --> 00:41:49,079

I think we lost Tobias

983

00:41:55,670 --> 00:41:54,180

oh oh there he is that was so weird Okay

984

00:41:58,190 --> 00:41:55,680

um I don't know somebody didn't want you

985

00:41:59,750 --> 00:41:58,200

talking yeah I mean it has to happen at

986

00:42:02,089 --> 00:41:59,760

least once a show that I'm talking about

987

00:42:03,410 --> 00:42:02,099

Mothman right yeah you know somewhere

988

00:42:05,569 --> 00:42:03,420

kind of absolutely

989

00:42:07,310 --> 00:42:05,579

but uh yeah hopefully you guys didn't

990

00:42:09,170 --> 00:42:07,320

lose a lot but

991

00:42:11,630 --> 00:42:09,180

um no it was it was quick

992

00:42:15,589 --> 00:42:11,640

Okay Okay cool so yeah I mean it's like

993

00:42:19,670 --> 00:42:15,599

literally this UFO seems like this this

994

00:42:22,430 --> 00:42:19,680

being made out of of living light or or

995

00:42:26,270 --> 00:42:22,440

energy rather than some physical like

996

00:42:27,410 --> 00:42:26,280

piloted craft and and that was so weird

997

00:42:29,089 --> 00:42:27,420

to me

998

00:42:33,170 --> 00:42:29,099

um you know because you you talk about

999

00:42:35,870 --> 00:42:33,180

seeing UFOs in in the the same uh

1000

00:42:37,310 --> 00:42:35,880

geographic area as as these these

1001

00:42:38,990 --> 00:42:37,320

Mothman sightings and I think there's

1002

00:42:40,910 --> 00:42:39,000

something to that but then you have to

1003

00:42:42,890 --> 00:42:40,920

start asking yourself what the hell is a

1004

00:42:43,750 --> 00:42:42,900

a UFO you know like what does that even

1005

00:42:45,290 --> 00:42:43,760

mean

1006

00:42:48,290 --> 00:42:45,300

exactly

1007

00:42:51,650 --> 00:42:48,300

right and so you know like if there's

1008

00:42:54,050 --> 00:42:51,660

something to these these areas

1009

00:42:55,849 --> 00:42:54,060

um then you know maybe you know like

1010

00:43:00,050 --> 00:42:55,859

like you were saying Lon maybe they

1011

00:43:04,550 --> 00:43:00,060

aren't related in any way other than

1012

00:43:06,890 --> 00:43:04,560

um uh uh being perceptible in these

1013

00:43:09,109 --> 00:43:06,900

specific areas whether they're coming

1014

00:43:11,809 --> 00:43:09,119

through to us or we're able to see them

1015

00:43:13,790 --> 00:43:11,819

for whatever reason you know maybe maybe

1016

00:43:16,370 --> 00:43:13,800

it's just these these areas or maybe

1017

00:43:19,490 --> 00:43:16,380

it's just these areas for a specific uh

1018

00:43:22,250 --> 00:43:19,500

amount of of time or or something you

1019

00:43:24,470 --> 00:43:22,260

know where on a specific evening

1020

00:43:27,050 --> 00:43:24,480

um if you're out there you can just see

1021

00:43:29,690 --> 00:43:27,060

into these other areas or they're again

1022

00:43:32,569 --> 00:43:29,700

maybe they're able to come to us but it

1023

00:43:34,430 --> 00:43:32,579

doesn't seem like necessarily

1024

00:43:37,970 --> 00:43:34,440

again there's a very intimate

1025

00:43:40,849 --> 00:43:37,980

relationship between uh these winged

1026  
00:43:42,950 --> 00:43:40,859  
humanoids and and these UFOs uh in in

1027  
00:43:45,829 --> 00:43:42,960  
terms of them being you know strongly

1028  
00:43:47,690 --> 00:43:45,839  
connected Beyond just being seen in

1029  
00:43:50,030 --> 00:43:47,700  
these areas which I think speaks towards

1030  
00:43:52,790 --> 00:43:50,040  
the weirdness of the the areas

1031  
00:43:56,450 --> 00:43:52,800  
themselves

1032  
00:43:59,030 --> 00:43:56,460  
oh yeah yeah I agree I agree 100 I mean

1033  
00:44:02,750 --> 00:43:59,040  
you know it's um

1034  
00:44:04,490 --> 00:44:02,760  
you know it is interesting we have had a

1035  
00:44:08,050 --> 00:44:04,500  
lot of sightings and a lot of different

1036  
00:44:13,970 --> 00:44:11,510  
a particular geographic area or a region

1037  
00:44:18,170 --> 00:44:13,980  
but there are a lot of variables that

1038  
00:44:20,630 --> 00:44:18,180

associate with all this stuff uh

1039

00:44:22,370 --> 00:44:20,640

you know I I honestly after all these

1040

00:44:23,990 --> 00:44:22,380

years I'm still not surprised we don't

1041

00:44:27,230 --> 00:44:24,000

know a whole lot

1042

00:44:29,329 --> 00:44:27,240

uh you know I don't know I don't know

1043

00:44:31,030 --> 00:44:29,339

what you guys think about that I mean I

1044

00:44:34,970 --> 00:44:31,040

wish we did know more

1045

00:44:38,569 --> 00:44:34,980

uh I I think as this phenomena continues

1046

00:44:41,030 --> 00:44:39,109

um

1047

00:44:44,210 --> 00:44:41,040

there I think things are going to change

1048

00:44:46,670 --> 00:44:44,220

uh I think there will be more multiple

1049

00:44:47,690 --> 00:44:46,680

sightings

1050

00:44:50,510 --> 00:44:47,700

um

1051

00:44:52,250 --> 00:44:50,520

I mean I'm just saying this off top my

1052

00:44:54,650 --> 00:44:52,260

head you know it's not an intuition

1053

00:44:56,390 --> 00:44:54,660

thing or anything but I think there will

1054

00:44:58,849 --> 00:44:56,400

be multiple sightings

1055

00:45:01,010 --> 00:44:58,859

I think there will be areas of

1056

00:45:03,770 --> 00:45:01,020

concentration just like we've had

1057

00:45:08,150 --> 00:45:03,780

Bentonville which is real near airport

1058

00:45:10,910 --> 00:45:08,160

but it is a and it is a town or a a

1059

00:45:12,950 --> 00:45:10,920

community where we've had what nine

1060

00:45:15,109 --> 00:45:12,960

tennis sightings now

1061

00:45:16,490 --> 00:45:15,119

overall

1062

00:45:18,470 --> 00:45:16,500

um

1063

00:45:20,630 --> 00:45:18,480

you know we've had you know we've had

1064

00:45:22,790 --> 00:45:20,640

that in other communities within the

1065

00:45:25,130 --> 00:45:22,800

Chicago area in other towns like

1066

00:45:27,770 --> 00:45:25,140

Rockford Rockford and you know you talk

1067

00:45:29,150 --> 00:45:27,780

about Rockford it's crazy we have had

1068

00:45:31,130 --> 00:45:29,160

some of the weirdest sightings in the

1069

00:45:32,089 --> 00:45:31,140

Rockford area

1070

00:45:34,550 --> 00:45:32,099

um

1071

00:45:36,530 --> 00:45:34,560

so I I think this is going to continue I

1072

00:45:37,670 --> 00:45:36,540

don't know to what degree but I think it

1073

00:45:42,050 --> 00:45:37,680

will continue

1074

00:45:45,410 --> 00:45:42,060

yeah you know what this this just uh it

1075

00:45:47,630 --> 00:45:45,420

just now occurred to me that that one of

1076  
00:45:49,730 --> 00:45:47,640  
the other sightings that I investigated

1077  
00:45:52,550 --> 00:45:49,740  
out of Rockford

1078  
00:45:54,710 --> 00:45:52,560  
um this was the the the guy who actually

1079  
00:45:57,650 --> 00:45:54,720  
agreed to go on the the small town

1080  
00:46:00,770 --> 00:45:57,660  
Monsters uh Doc and everything uh he

1081  
00:46:05,150 --> 00:46:00,780  
actually had a UFO sighting in the same

1082  
00:46:08,030 --> 00:46:05,160  
area as he had his his wings too

1083  
00:46:11,210 --> 00:46:08,040  
um so yeah I just I it would be remiss

1084  
00:46:12,890 --> 00:46:11,220  
of me not to to mention that because it

1085  
00:46:15,410 --> 00:46:12,900  
is super weird

1086  
00:46:17,870 --> 00:46:15,420  
um that's you know that's probably the

1087  
00:46:18,770 --> 00:46:17,880  
third or fourth witness that I've talked

1088  
00:46:20,930 --> 00:46:18,780

to

1089

00:46:23,990 --> 00:46:20,940

specifically myself and I have I've

1090

00:46:27,170 --> 00:46:24,000

actually talked you know to directly who

1091

00:46:29,270 --> 00:46:27,180

has had uh some kind of UFO sighting

1092

00:46:32,750 --> 00:46:29,280

along with their their winged humanoid

1093

00:46:34,430 --> 00:46:32,760

setting yeah definitely weird and and

1094

00:46:37,970 --> 00:46:34,440

you're right I don't think this is going

1095

00:46:40,730 --> 00:46:37,980

anywhere I remember you know when I I

1096

00:46:43,130 --> 00:46:40,740

was riding the Lake Michigan Mothman you

1097

00:46:45,710 --> 00:46:43,140

know High strangeness in the midwest

1098

00:46:49,010 --> 00:46:45,720

um you know even then because that I I

1099

00:46:50,569 --> 00:46:49,020

published that I think end of 2019

1100

00:46:54,410 --> 00:46:50,579

um and so I was finishing up the writing

1101

00:46:56,450 --> 00:46:54,420

of it like july-ish of that year and

1102

00:46:59,030 --> 00:46:56,460

even then things had slowed down but

1103

00:47:01,430 --> 00:46:59,040

they hadn't stopped you know heck we

1104

00:47:04,609 --> 00:47:01,440

hadn't even started getting anything uh

1105

00:47:07,250 --> 00:47:04,619

uh around O'hare at that point but I

1106

00:47:09,710 --> 00:47:07,260

always said this once that you know

1107

00:47:12,050 --> 00:47:09,720

there's no ending to this story that's

1108

00:47:15,170 --> 00:47:12,060

not how these things work you know like

1109

00:47:17,450 --> 00:47:15,180

there's no convenient like three-act uh

1110

00:47:18,770 --> 00:47:17,460

novel here sorry it's just not going to

1111

00:47:22,130 --> 00:47:18,780

happen there's no beginning middle and

1112

00:47:23,809 --> 00:47:22,140

end this just is and it seems like it

1113

00:47:26,450 --> 00:47:23,819

just is forever

1114

00:47:28,309 --> 00:47:26,460

well I'm planning a third book I mean

1115

00:47:31,010 --> 00:47:28,319

it's going to be mostly concentrated

1116

00:47:33,829 --> 00:47:31,020

about the O'Hara size

1117

00:47:35,390 --> 00:47:33,839

so you know and I I you know of course

1118

00:47:37,250 --> 00:47:35,400

all the other ones involved you know

1119

00:47:39,050 --> 00:47:37,260

during that time period will be in there

1120

00:47:41,630 --> 00:47:39,060

but you know

1121

00:47:43,970 --> 00:47:41,640

I I kind of

1122

00:47:45,589 --> 00:47:43,980

I'm kind of on the fence about actually

1123

00:47:48,890 --> 00:47:45,599

writing it and putting it out there

1124

00:47:52,550 --> 00:47:48,900

because I know more coming uh in my in

1125

00:47:54,829 --> 00:47:52,560

my gut I just feel that more coming and

1126  
00:47:57,890 --> 00:47:54,839  
maybe some pretty substantial ones as

1127  
00:47:59,569 --> 00:47:57,900  
well that's just the feeling I get you

1128  
00:48:02,030 --> 00:47:59,579  
know I you know from the very beginning

1129  
00:48:04,790 --> 00:48:02,040  
I always had this thought

1130  
00:48:06,890 --> 00:48:04,800  
that this was going to be big and that

1131  
00:48:10,490 --> 00:48:06,900  
it was just going to keep on going and

1132  
00:48:12,650 --> 00:48:10,500  
going and going you know us and others

1133  
00:48:14,750 --> 00:48:12,660  
have been accused of manufacturing a lot

1134  
00:48:16,670 --> 00:48:14,760  
of this from the very beginning and

1135  
00:48:19,609 --> 00:48:16,680  
that's just not the case I mean this is

1136  
00:48:21,950 --> 00:48:19,619  
something that has just you know it's

1137  
00:48:23,690 --> 00:48:21,960  
it's self-manifesting it just continues

1138  
00:48:26,870 --> 00:48:23,700

on so

1139

00:48:32,210 --> 00:48:26,880

um yeah yeah you know people can talk to

1140

00:48:33,890 --> 00:48:32,220

the the witnesses uh for themselves you

1141

00:48:37,069 --> 00:48:33,900

know because they are real people and

1142

00:48:38,270 --> 00:48:37,079

and and and they do exist now you know I

1143

00:48:43,370 --> 00:48:38,280

don't have any problem with somebody

1144

00:48:45,770 --> 00:48:43,380

who's skeptical of a uh report that is

1145

00:48:47,870 --> 00:48:45,780

anonymous and you know maybe we weren't

1146

00:48:49,370 --> 00:48:47,880

able to follow up with the the witness

1147

00:48:51,410 --> 00:48:49,380

and so you know you've got like a

1148

00:48:53,569 --> 00:48:51,420

one-off email or something look I'm

1149

00:48:56,510 --> 00:48:53,579

skeptical of those too and and I get

1150

00:48:59,030 --> 00:48:56,520

that but you know too many people I

1151

00:49:01,190 --> 00:48:59,040

think in uh in looking into this

1152

00:49:04,010 --> 00:49:01,200

investigation want to throw the baby out

1153

00:49:06,290 --> 00:49:04,020

with the bath water and yeah and they

1154

00:49:08,210 --> 00:49:06,300

they disregard these these very credible

1155

00:49:11,030 --> 00:49:08,220

Witnesses many of whom have decided to

1156

00:49:13,010 --> 00:49:11,040

go on the record you know there are at

1157

00:49:15,190 --> 00:49:13,020

least two witnesses that I I worked with

1158

00:49:18,829 --> 00:49:15,200

uh directly and then a third witness

1159

00:49:22,069 --> 00:49:18,839

that uh Seth and and Heather found

1160

00:49:25,670 --> 00:49:22,079

um that that all went on camera in the

1161

00:49:28,190 --> 00:49:25,680

the the the uh STM uh uh documentary you

1162

00:49:30,890 --> 00:49:28,200

know the the on the trail of the uh Lake

1163

00:49:32,870 --> 00:49:30,900

Michigan Mothman you know so that's

1164

00:49:36,829 --> 00:49:32,880

that's three people on on camera even as

1165

00:49:39,410 --> 00:49:36,839

far back as as 2017 you had I boy I wish

1166

00:49:42,710 --> 00:49:39,420

I could remember his name um that uh

1167

00:49:45,050 --> 00:49:42,720

bouncer at the the uh owl you know like

1168

00:49:48,050 --> 00:49:45,060

yeah uh yeah I mean Jack down in in

1169

00:49:50,809 --> 00:49:48,060

Chicago he had had uh interviewed that

1170

00:49:52,790 --> 00:49:50,819

guy on on camera and he was he like he

1171

00:49:55,490 --> 00:49:52,800

was very forthcoming and so like there's

1172

00:49:58,370 --> 00:49:55,500

always been people who were willing to

1173

00:50:01,309 --> 00:49:58,380

to come forward uh about their

1174

00:50:03,349 --> 00:50:01,319

experiences it's not as many as some

1175

00:50:05,450 --> 00:50:03,359

people would probably like because you

1176  
00:50:06,650 --> 00:50:05,460  
know we've got dozens and dozens of

1177  
00:50:07,370 --> 00:50:06,660  
these sightings

1178  
00:50:10,609 --> 00:50:07,380  
um

1179  
00:50:12,890 --> 00:50:10,619  
and a very you know small percentage of

1180  
00:50:15,829 --> 00:50:12,900  
of the witnesses involved have actually

1181  
00:50:19,490 --> 00:50:15,839  
bothered to to come forward but

1182  
00:50:23,290 --> 00:50:19,500  
I mean it's it's a lot more I think than

1183  
00:50:26,210 --> 00:50:23,300  
people know you know and and

1184  
00:50:28,970 --> 00:50:26,220  
that's just too bad honestly you know I

1185  
00:50:30,470 --> 00:50:28,980  
I wish that there was a a way to

1186  
00:50:32,690 --> 00:50:30,480  
to

1187  
00:50:35,150 --> 00:50:32,700  
um you know just sort of guide people in

1188  
00:50:37,130 --> 00:50:35,160

the right direction to to see all of all

1189

00:50:40,250 --> 00:50:37,140

of that stuff because I hate you know

1190

00:50:41,329 --> 00:50:40,260

how the the uh uh how the internet works

1191

00:50:43,430 --> 00:50:41,339

you know you get a lot of nice

1192

00:50:46,130 --> 00:50:43,440

information things and of course people

1193

00:50:48,650 --> 00:50:46,140

want to accuse people of things for

1194

00:50:52,010 --> 00:50:48,660

whatever you know bitter personal

1195

00:50:54,890 --> 00:50:52,020

reasons and um and well we've got a lot

1196

00:50:57,049 --> 00:50:54,900

of that you know you know this is and

1197

00:50:59,750 --> 00:50:57,059

this has been the downfall of this whole

1198

00:51:02,750 --> 00:50:59,760

thing we've had people who have just

1199

00:51:06,770 --> 00:51:02,760

you know have interjected and caused

1200

00:51:08,870 --> 00:51:06,780

issues uh for selfish reasons and right

1201  
00:51:10,549 --> 00:51:08,880  
you know we try to avoid that as much as

1202  
00:51:13,549 --> 00:51:10,559  
possible and unfortunately it just

1203  
00:51:15,770 --> 00:51:13,559  
raised his ugly head too many times you

1204  
00:51:17,750 --> 00:51:15,780  
know you talk about the albar

1205  
00:51:21,589 --> 00:51:17,760  
um incident that's really the one that

1206  
00:51:25,130 --> 00:51:21,599  
put us on the map because you know Vice

1207  
00:51:27,470 --> 00:51:25,140  
actually they you know Vice uh

1208  
00:51:29,690 --> 00:51:27,480  
uh their article they did was

1209  
00:51:32,390 --> 00:51:29,700  
concentrated on the owl the outboard

1210  
00:51:34,609 --> 00:51:32,400  
setting and that's kind of what got

1211  
00:51:37,370 --> 00:51:34,619  
everything going uh when that got out

1212  
00:51:40,130 --> 00:51:37,380  
nationally and internationally

1213  
00:51:41,890 --> 00:51:40,140

and uh that was deciding it kind of got

1214

00:51:45,290 --> 00:51:41,900

everybody's attention

1215

00:51:47,329 --> 00:51:45,300

so uh yeah that was that was uh that was

1216

00:51:50,150 --> 00:51:47,339

an interesting that was an interesting

1217

00:51:52,130 --> 00:51:50,160

case now look I uh

1218

00:51:54,829 --> 00:51:52,140

I think while we're on here we ought to

1219

00:51:57,410 --> 00:51:54,839

go through some of the cases we have

1220

00:52:01,490 --> 00:51:57,420

picked up since the last time we talked

1221

00:52:02,990 --> 00:52:01,500

uh I think it started in I I think it I

1222

00:52:05,569 --> 00:52:03,000

can peg this was the Saint Joseph

1223

00:52:08,690 --> 00:52:05,579

Cemetery sighting in River Grove

1224

00:52:11,089 --> 00:52:08,700

Illinois and that was Manuel so Manuel

1225

00:52:13,130 --> 00:52:11,099

tell us a bit about that one

1226

00:52:16,010 --> 00:52:13,140

uh which one again

1227

00:52:17,630 --> 00:52:16,020

Everybody by the cemetery at St Joseph

1228

00:52:19,730 --> 00:52:17,640

oh the

1229

00:52:21,470 --> 00:52:19,740

um the one where we talked about that

1230

00:52:25,309 --> 00:52:21,480

they said was a pterodactyl or something

1231

00:52:29,150 --> 00:52:25,319

like that yeah yeah yep that place is

1232

00:52:33,950 --> 00:52:29,160

one of the strangest places in Chicago

1233

00:52:36,530 --> 00:52:33,960

um Chicago has quite a few very large

1234

00:52:38,390 --> 00:52:36,540

cemeteries and some of these cemeteries

1235

00:52:42,470 --> 00:52:38,400

have some

1236

00:52:45,349 --> 00:52:42,480

you have places like Resurrection with

1237

00:52:48,650 --> 00:52:45,359

Resurrection Mary you have

1238

00:52:51,410 --> 00:52:48,660

um there's one place in um

1239

00:52:53,870 --> 00:52:51,420

on the far end of Chicago called

1240

00:52:56,030 --> 00:52:53,880

Bachelor's Grove that is just you can

1241

00:52:57,530 --> 00:52:56,040

feel the energy even from across the

1242

00:53:00,589 --> 00:52:57,540

street

1243

00:53:03,230 --> 00:53:00,599

um of how bad this place is

1244

00:53:05,630 --> 00:53:03,240

um this particular one there is a legend

1245

00:53:09,230 --> 00:53:05,640

with it about a uh

1246

00:53:12,589 --> 00:53:09,240

a ghost that people see they think it's

1247

00:53:14,930 --> 00:53:12,599

a woman and they pick her up and you

1248

00:53:16,910 --> 00:53:14,940

know she sits in her car and then just

1249

00:53:19,790 --> 00:53:16,920

disappears

1250

00:53:21,829 --> 00:53:19,800

um or they they pass her and when they

1251

00:53:22,670 --> 00:53:21,839

come back she's gone

1252

00:53:25,010 --> 00:53:22,680

um

1253

00:53:28,190 --> 00:53:25,020

I forget what they have a name for her

1254

00:53:30,829 --> 00:53:28,200

but you know it's uh basically when a

1255

00:53:34,010 --> 00:53:30,839

it's a phantom hitchhiker basically uh

1256

00:53:36,170 --> 00:53:34,020

but this place has a very very spooky

1257

00:53:39,069 --> 00:53:36,180

vibe to it like

1258

00:53:43,010 --> 00:53:39,079

um and it's not been the first uh

1259

00:53:45,290 --> 00:53:43,020

sighting out there of winning humanoids

1260

00:53:47,750 --> 00:53:45,300

this one happened as they said was look

1261

00:53:51,710 --> 00:53:47,760

like a pterodactyl you know the large

1262

00:53:52,609 --> 00:53:51,720

membranous Wings on the crest on the Ted

1263

00:53:54,589 --> 00:53:52,619

um

1264

00:53:57,589 --> 00:53:54,599

quite honestly

1265

00:53:59,870 --> 00:53:57,599

um it was right after that investigating

1266

00:54:02,870 --> 00:53:59,880

that that I got to see my very very

1267

00:54:06,950 --> 00:54:02,880

first I've lived here all my life never

1268

00:54:09,650 --> 00:54:06,960

seen a great blue heron until recently

1269

00:54:11,690 --> 00:54:09,660

when we went to Wisconsin uh we're on my

1270

00:54:14,390 --> 00:54:11,700

way to our way to Clear Lake which is uh

1271

00:54:17,150 --> 00:54:14,400

where my wife is from and we saw some in

1272

00:54:21,410 --> 00:54:17,160

the field and I did not believe anybody

1273

00:54:23,630 --> 00:54:21,420

about the distincts are massive uh like

1274

00:54:25,849 --> 00:54:23,640

literally because I'm almost six feet

1275

00:54:27,349 --> 00:54:25,859

tall uh right at six foot and this thing

1276

00:54:28,309 --> 00:54:27,359

could probably look me straight in the

1277

00:54:33,250 --> 00:54:28,319

eyes

1278

00:54:35,569 --> 00:54:33,260

um they are big and they're just uh

1279

00:54:36,890 --> 00:54:35,579

stocking they're they're very large

1280

00:54:39,950 --> 00:54:36,900

animals

1281

00:54:43,970 --> 00:54:39,960

um but they say that this thing was uh

1282

00:54:46,190 --> 00:54:43,980

flying around and that it had a um just

1283

00:54:47,710 --> 00:54:46,200

it looked like a prehistoric you know

1284

00:54:50,390 --> 00:54:47,720

pterosaur

1285

00:54:52,069 --> 00:54:50,400

the most famous pterodactyl but I mean

1286

00:54:53,990 --> 00:54:52,079

there's multiple

1287

00:54:56,390 --> 00:54:54,000

you know they were from the size of

1288

00:54:58,670 --> 00:54:56,400

small little uh chickens to the size of

1289

00:55:01,010 --> 00:54:58,680

a of a small plane there's one called

1290

00:55:03,109 --> 00:55:01,020

Crux of collateralist that is if you go

1291

00:55:05,089 --> 00:55:03,119

to the field museum they have a a

1292

00:55:09,770 --> 00:55:05,099

full-size specimen this thing's the size

1293

00:55:13,849 --> 00:55:09,780

of a giraffe and capable of flight

1294

00:55:16,670 --> 00:55:13,859

um so it's just um they said it had a

1295

00:55:18,170 --> 00:55:16,680

Crest on it so I'm just for you know

1296

00:55:22,010 --> 00:55:18,180

sake of argument we're just gonna call

1297

00:55:25,069 --> 00:55:22,020

it pterodactyl but it's uh they said it

1298

00:55:26,930 --> 00:55:25,079

was it was over that cemetery and they

1299

00:55:29,630 --> 00:55:26,940

said they got a real spooky feeling from

1300

00:55:32,390 --> 00:55:29,640

that place and I want to agree this

1301

00:55:34,670 --> 00:55:32,400

place is very spooky

1302

00:55:36,890 --> 00:55:34,680

um and again one of the cemeteries

1303

00:55:39,530 --> 00:55:36,900

associated in Chicago with all sorts of

1304

00:55:40,069 --> 00:55:39,540

different Paranormal Activity

1305

00:55:41,809 --> 00:55:40,079

um

1306

00:55:45,230 --> 00:55:41,819

I believe they were there to visit

1307

00:55:47,809 --> 00:55:45,240

somebody at the cemetery uh and when

1308

00:55:49,609 --> 00:55:47,819

they had deciding and it scared them

1309

00:55:51,849 --> 00:55:49,619

you know you know you know we have

1310

00:55:53,690 --> 00:55:51,859

talked about and I'm I'm sorry for

1311

00:55:54,470 --> 00:55:53,700

interrupting but

1312

00:55:56,750 --> 00:55:54,480

um

1313

00:56:00,109 --> 00:55:56,760

we have talked about and heard about all

1314

00:56:02,390 --> 00:56:00,119

the decrypted activity around cemeteries

1315

00:56:05,170 --> 00:56:02,400

and of course we've been having this at

1316

00:56:09,049 --> 00:56:05,180

Rest Haven as well

1317

00:56:13,130 --> 00:56:09,059

uh do you think there's a actual draw to

1318

00:56:19,970 --> 00:56:16,970

I want to say that yes maybe because I

1319

00:56:22,069 --> 00:56:19,980

mean obviously the you know cemeteries

1320

00:56:23,990 --> 00:56:22,079

are

1321

00:56:26,329 --> 00:56:24,000

um you know obviously you know they're

1322

00:56:28,670 --> 00:56:26,339

full of dead people I mean your spirit

1323

00:56:29,210 --> 00:56:28,680

their Spirit energy there

1324

00:56:33,049 --> 00:56:29,220

um

1325

00:56:34,069 --> 00:56:33,059

you know whether it's uh good or bad you

1326

00:56:36,950 --> 00:56:34,079

know

1327

00:56:38,690 --> 00:56:36,960

um line you you you were you live not

1328

00:56:41,329 --> 00:56:38,700

too far from a Battleground it's also a

1329

00:56:43,370 --> 00:56:41,339

cemetery and I can only imagine the

1330

00:56:45,589 --> 00:56:43,380

spirit level out of that place is I

1331

00:56:48,109 --> 00:56:45,599

gotta Cemetery right beside me so I live

1332

00:56:50,750 --> 00:56:48,119

right beside a big Catholic Cemetery so

1333

00:56:52,670 --> 00:56:50,760

even though I don't get much from that

1334

00:56:54,710 --> 00:56:52,680

but yeah Gettysburg I mean I you know

1335

00:56:57,790 --> 00:56:54,720

it's almost anybody who's been to

1336

00:57:00,530 --> 00:56:57,800

Gettysburg and has any bit of uh

1337

00:57:03,410 --> 00:57:00,540

intuitive ability can really feel it

1338

00:57:06,650 --> 00:57:03,420

just pounding on top of it absolutely

1339

00:57:08,150 --> 00:57:06,660

yeah I mean you can get a lot if you're

1340

00:57:11,450 --> 00:57:08,160

if you have any kind of intuitive

1341

00:57:14,150 --> 00:57:11,460

ability which you know all three of us

1342

00:57:16,849 --> 00:57:14,160

have at least some form of it you could

1343

00:57:19,190 --> 00:57:16,859

feel it you know so it always seems to

1344

00:57:22,010 --> 00:57:19,200

be that there's always there I mean you

1345

00:57:25,010 --> 00:57:22,020

have Spirits there

1346

00:57:27,109 --> 00:57:25,020

um that come back and forth um you know

1347

00:57:28,250 --> 00:57:27,119

we just recently celebrated uh there's a

1348

00:57:31,430 --> 00:57:28,260

Mexican holiday we just recently

1349

00:57:33,650 --> 00:57:31,440

celebrated los Muertos where we actually

1350

00:57:36,109 --> 00:57:33,660

go to cemeteries and and you know

1351  
00:57:38,630 --> 00:57:36,119  
decorate them and celebrate them because

1352  
00:57:41,690 --> 00:57:38,640  
we believe the spirits come back you

1353  
00:57:44,329 --> 00:57:41,700  
know at that time to visit us so yeah I

1354  
00:57:46,609 --> 00:57:44,339  
think that there's a there is some even

1355  
00:57:47,990 --> 00:57:46,619  
if it's just you know

1356  
00:57:50,089 --> 00:57:48,000  
oh

1357  
00:57:53,089 --> 00:57:50,099  
I forget the word I want to say but you

1358  
00:57:55,130 --> 00:57:53,099  
know if there's not real factual you

1359  
00:57:58,309 --> 00:57:55,140  
know connections there's at least kind

1360  
00:58:01,370 --> 00:57:58,319  
of like a um folklore connection

1361  
00:58:04,010 --> 00:58:01,380  
that I think we that's can be said for

1362  
00:58:09,109 --> 00:58:06,049  
well I agree what do you think about

1363  
00:58:12,710 --> 00:58:09,119

that uh Tobias

1364

00:58:15,950 --> 00:58:12,720

well you know um I would agree that

1365

00:58:19,430 --> 00:58:15,960

there is a certain

1366

00:58:22,430 --> 00:58:19,440

energy I guess for lack of a a better

1367

00:58:25,910 --> 00:58:22,440

word with particular cemeteries you know

1368

00:58:28,430 --> 00:58:25,920

like there's one uh in in Madison

1369

00:58:31,490 --> 00:58:28,440

um Forest Hill Cemetery and it's got

1370

00:58:33,530 --> 00:58:31,500

like it's a it's a very old Cemetery you

1371

00:58:36,770 --> 00:58:33,540

know dating back uh well into the the

1372

00:58:39,710 --> 00:58:36,780

19th century and it got the uh

1373

00:58:42,650 --> 00:58:39,720

northernmost uh uh Confederate burial

1374

00:58:46,910 --> 00:58:42,660

plot because of the the pows that uh

1375

00:58:50,650 --> 00:58:46,920

that died in in Camp Randall there and

1376

00:58:53,569 --> 00:58:50,660

there doesn't seem to be a strong

1377

00:58:55,250 --> 00:58:53,579

intelligence you know to to this

1378

00:58:57,770 --> 00:58:55,260

haunting but you but you walk in there

1379

00:59:01,250 --> 00:58:57,780

and the place feels haunted there is

1380

00:59:03,710 --> 00:59:01,260

this this sense of uh oppression you

1381

00:59:06,230 --> 00:59:03,720

know I mean especially if if you go to

1382

00:59:09,130 --> 00:59:06,240

like that uh that that uh Confederate

1383

00:59:11,870 --> 00:59:09,140

burial plot it's just it's it's it's

1384

00:59:13,789 --> 00:59:11,880

overwhelming frankly um I don't I don't

1385

00:59:17,750 --> 00:59:13,799

like to spend a lot of time there

1386

00:59:19,789 --> 00:59:17,760

um so I can't even go to the cemeteries

1387

00:59:23,270 --> 00:59:19,799

anymore be honest with you I mean it's

1388

00:59:25,190 --> 00:59:23,280

just it's overwhelming to me right and I

1389

00:59:27,890 --> 00:59:25,200

have to wonder because it it doesn't

1390

00:59:30,829 --> 00:59:27,900

seem to be a lot of uh

1391

00:59:33,890 --> 00:59:30,839

um intelligence there I you know it

1392

00:59:36,230 --> 00:59:33,900

doesn't seem like some some evidence for

1393

00:59:38,930 --> 00:59:36,240

persistence a personality postmortem or

1394

00:59:41,270 --> 00:59:38,940

anything it almost feels like

1395

00:59:43,609 --> 00:59:41,280

um just this great emotional weight that

1396

00:59:46,670 --> 00:59:43,619

that however many you know living humans

1397

00:59:49,670 --> 00:59:46,680

have invested in this place over over

1398

00:59:53,089 --> 00:59:49,680

countless lifetimes and uh and and and

1399

00:59:54,950 --> 00:59:53,099

because of that I think you you can uh

1400

00:59:59,650 --> 00:59:54,960

walk in and sort of and sort of pick up

1401

01:00:01,910 --> 00:59:59,660

on the the weight of all of that

1402

01:00:04,910 --> 01:00:01,920

emotional energy that's that's that's

1403

01:00:07,130 --> 01:00:04,920

been in invested in these areas

1404

01:00:11,030 --> 01:00:07,140

um and so you know you have to wonder

1405

01:00:14,630 --> 01:00:11,040

like uh how much of say where we place

1406

01:00:17,450 --> 01:00:14,640

cemeteries is is related to uh areas

1407

01:00:18,770 --> 01:00:17,460

being strange in in the first place so

1408

01:00:19,549 --> 01:00:18,780

for instance

1409

01:00:23,329 --> 01:00:19,559

um

1410

01:00:27,770 --> 01:00:23,339

you know uh Forest Hill is is built sort

1411

01:00:31,130 --> 01:00:27,780

of uh around several uh uh ancient

1412

01:00:33,770 --> 01:00:31,140

um in indigenous burial mounds uh like

1413

01:00:35,750 --> 01:00:33,780

it's it's it's got you know a lot of

1414

01:00:37,490 --> 01:00:35,760

history there like this is an area where

1415

01:00:41,809 --> 01:00:37,500

people have been burying their dead for

1416

01:00:44,690 --> 01:00:41,819

you know uh thousands of years prior to

1417

01:00:46,490 --> 01:00:44,700

to any uh European settlers

1418

01:00:47,930 --> 01:00:46,500

doing so

1419

01:00:50,150 --> 01:00:47,940

um and so you have to wonder you know

1420

01:00:53,930 --> 01:00:50,160

how much could build up there you know

1421

01:00:56,270 --> 01:00:53,940

over that amount of of time and so

1422

01:00:59,690 --> 01:00:56,280

you know I think that's why cemeteries

1423

01:01:02,390 --> 01:00:59,700

are are weird is because of that emotion

1424

01:01:05,930 --> 01:01:02,400

emotional investment and you know and

1425

01:01:07,670 --> 01:01:05,940

maybe maybe uh sometimes they're uh

1426

01:01:09,250 --> 01:01:07,680

directed to be built on some of these

1427

01:01:13,190 --> 01:01:09,260

areas we've already been talking about

1428

01:01:15,349 --> 01:01:13,200

that are weird anyway and so you know if

1429

01:01:17,329 --> 01:01:15,359

if that happens

1430

01:01:20,569 --> 01:01:17,339

um then boy yeah you're probably looking

1431

01:01:24,789 --> 01:01:20,579

at uh at no end of of high strangeness

1432

01:01:31,309 --> 01:01:28,789

yep I agree I agree uh

1433

01:01:33,170 --> 01:01:31,319

we had some other sightings uh of course

1434

01:01:36,289 --> 01:01:33,180

you talked about the uh the Rockford

1435

01:01:38,930 --> 01:01:36,299

site can you go any deeper into that uh

1436

01:01:40,190 --> 01:01:38,940

what she actually saw and anything else

1437

01:01:41,270 --> 01:01:40,200

on that

1438

01:01:43,970 --> 01:01:41,280

yeah

1439

01:01:50,510 --> 01:01:46,270

I've got it right here I will just read

1440

01:01:53,329 --> 01:01:50,520

her testimony verbatim because it's it's

1441

01:01:56,470 --> 01:01:53,339

the best way to do it so absolutely okay

1442

01:01:59,450 --> 01:01:56,480

this sighting began at approximately 1am

1443

01:02:02,150 --> 01:01:59,460

uh when this woman uh who actually did

1444

01:02:05,390 --> 01:02:02,160

uh agree to having her her name used so

1445

01:02:08,210 --> 01:02:05,400

her name is is uh Shayna and her mother

1446

01:02:12,770 --> 01:02:08,220

uh Barbara were was also there they were

1447

01:02:14,210 --> 01:02:12,780

outside of shayna's a a house and well

1448

01:02:17,630 --> 01:02:14,220

it was in

1449

01:02:19,970 --> 01:02:17,640

apartment building and uh so anyway what

1450

01:02:21,950 --> 01:02:19,980

she said to me was uh there's my parking

1451

01:02:23,750 --> 01:02:21,960

lot and we were facing toward my

1452

01:02:26,569 --> 01:02:23,760

building and next to that between me and

1453

01:02:28,990 --> 01:02:26,579

and the canal so that's that that uh

1454

01:02:32,510 --> 01:02:29,000

that Creek I was I was talking about

1455

01:02:34,069 --> 01:02:32,520

uh so there's uh between me and and the

1456

01:02:35,809 --> 01:02:34,079

canal there's a parking lot that has

1457

01:02:38,450 --> 01:02:35,819

nothing just like a lot and then there's

1458

01:02:40,670 --> 01:02:38,460

a canal and I could see the overpass

1459

01:02:43,250 --> 01:02:40,680

bridge that runs down Auburn over the

1460

01:02:45,230 --> 01:02:43,260

canal across from that is a shop that

1461

01:02:48,349 --> 01:02:45,240

has lights on it and there's a very very

1462

01:02:51,950 --> 01:02:48,359

well lit uh I'm not sure what it is a a

1463

01:02:53,690 --> 01:02:51,960

hauling business I think uh but they

1464

01:02:56,030 --> 01:02:53,700

have trucks and garage doors and stuff

1465

01:02:57,950 --> 01:02:56,040

then there's a pretty thin tree line on

1466

01:03:01,010 --> 01:02:57,960

the canal and there's nothing on my side

1467

01:03:04,250 --> 01:03:01,020

of the the canal it's reasonably well

1468

01:03:06,530 --> 01:03:04,260

lit when the the creature as she

1469

01:03:09,049 --> 01:03:06,540

described it crawled out of of the canal

1470

01:03:11,150 --> 01:03:09,059

I could see the cement guardrail walls

1471

01:03:12,829 --> 01:03:11,160

of the canal because all the lights on

1472

01:03:14,450 --> 01:03:12,839

this side from that shop and the light

1473

01:03:17,510 --> 01:03:14,460

reflecting from the lights that are on

1474

01:03:19,190 --> 01:03:17,520

the side of my building the trees uh

1475

01:03:21,470 --> 01:03:19,200

were were dark

1476

01:03:23,450 --> 01:03:21,480

I heard a screech that made me turn my

1477

01:03:25,190 --> 01:03:23,460

head toward that direction then it

1478

01:03:26,809 --> 01:03:25,200

looked like it crawled from out of the

1479

01:03:30,049 --> 01:03:26,819

canal because I saw this black

1480

01:03:32,510 --> 01:03:30,059

silhouette following up and and onto the

1481

01:03:34,069 --> 01:03:32,520

embankment that's when you could see the

1482

01:03:36,410 --> 01:03:34,079

black silhouette against the light on

1483

01:03:39,109 --> 01:03:36,420

the other side you could clearly see

1484

01:03:40,789 --> 01:03:39,119

this black blob moving across and when

1485

01:03:42,589 --> 01:03:40,799

my mom looked over because she saw

1486

01:03:44,150 --> 01:03:42,599

something in the corner of her eye and

1487

01:03:46,549 --> 01:03:44,160

obviously I was already looking over

1488

01:03:48,770 --> 01:03:46,559

there she saw the black blob and then it

1489

01:03:50,390 --> 01:03:48,780

took flight within the tree line we

1490

01:03:52,430 --> 01:03:50,400

could clearly see the shape of the Wings

1491

01:03:55,789 --> 01:03:52,440

and the size of this thing going through

1492

01:03:58,010 --> 01:03:55,799

the the tree line obviously I can't say

1493

01:03:59,569 --> 01:03:58,020

uh it was it was through the the tree

1494

01:04:03,230 --> 01:03:59,579

line it could have just been above the

1495

01:04:06,109 --> 01:04:03,240

the canal like at the the water but we

1496

01:04:07,730 --> 01:04:06,119

saw it completely pass like we saw it uh

1497

01:04:09,950 --> 01:04:07,740

going through and so

1498

01:04:11,450 --> 01:04:09,960

and she she uh described it to me

1499

01:04:14,210 --> 01:04:11,460

further

1500

01:04:16,730 --> 01:04:14,220

um and she related it to and and now

1501  
01:04:19,190 --> 01:04:16,740  
we've seen this before not exactly this

1502  
01:04:21,589 --> 01:04:19,200  
but similar to this in Witnesses who

1503  
01:04:24,710 --> 01:04:21,599  
have related their sighting to the uh

1504  
01:04:28,370 --> 01:04:24,720  
the creature from Jeepers Creepers so

1505  
01:04:32,690 --> 01:04:28,380  
she used the the movie Underworld to try

1506  
01:04:35,930 --> 01:04:32,700  
to uh uh describe or or help her

1507  
01:04:37,609 --> 01:04:35,940  
describe her experience so she said that

1508  
01:04:39,470 --> 01:04:37,619  
this thing reminded her of the character

1509  
01:04:43,010 --> 01:04:39,480  
Marcus from the the film underworld

1510  
01:04:45,470 --> 01:04:43,020  
which is like a huge bat-like humanoid

1511  
01:04:48,770 --> 01:04:45,480  
monster right or at least even become

1512  
01:04:50,990 --> 01:04:48,780  
one I think and so she says that uh it

1513  
01:04:52,970 --> 01:04:51,000

was massive like hunched over when it

1514

01:04:54,770 --> 01:04:52,980

was coming out of the canal it looked

1515

01:04:56,930 --> 01:04:54,780

like the size of our dumpster that we

1516

01:04:59,930 --> 01:04:56,940

have in the back of our apartment

1517

01:05:02,150 --> 01:04:59,940

building it was huge I have no clue what

1518

01:05:04,370 --> 01:05:02,160

to even compare it to it was super tall

1519

01:05:06,289 --> 01:05:04,380

and big when it walked when it was on

1520

01:05:08,089 --> 01:05:06,299

the ground it was like hunched over and

1521

01:05:09,650 --> 01:05:08,099

crouched it looked like this this

1522

01:05:11,630 --> 01:05:09,660

massive blob

1523

01:05:13,849 --> 01:05:11,640

and then when it initially left the

1524

01:05:16,069 --> 01:05:13,859

ground it flapped its wings and it

1525

01:05:19,730 --> 01:05:16,079

wasn't a super fast flap because the the

1526

01:05:21,770 --> 01:05:19,740

wings were so big and the the canal goes

1527

01:05:24,109 --> 01:05:21,780

down into a vegetative spot so then they

1528

01:05:26,210 --> 01:05:24,119

they lost sight of it there

1529

01:05:29,329 --> 01:05:26,220

um and so you know you've got something

1530

01:05:32,809 --> 01:05:29,339

similar to the other Rockford sightings

1531

01:05:34,430 --> 01:05:32,819

uh saying the the uh deer bat and I

1532

01:05:35,930 --> 01:05:34,440

don't remember what the other gentleman

1533

01:05:38,450 --> 01:05:35,940

called it remember there there were two

1534

01:05:41,510 --> 01:05:38,460

witnesses who want separate occasions

1535

01:05:43,370 --> 01:05:41,520

outside of Rockford were cruising around

1536

01:05:44,990 --> 01:05:43,380

uh because there's there wasn't a whole

1537

01:05:46,490 --> 01:05:45,000

heck of a lot for them to do otherwise

1538

01:05:50,690 --> 01:05:46,500

so they're out cruising

1539

01:05:53,690 --> 01:05:50,700

and and they saw this huge winged a

1540

01:05:56,270 --> 01:05:53,700

humanoid completely black creature and

1541

01:05:58,549 --> 01:05:56,280

so that's very very similar to what she

1542

01:06:02,870 --> 01:05:58,559

had seen here and what's interesting

1543

01:06:05,210 --> 01:06:02,880

is that she was describing seeing this

1544

01:06:09,530 --> 01:06:05,220

thing in in relatively well-lit

1545

01:06:13,089 --> 01:06:09,540

conditions and yet at at the same time

1546

01:06:16,730 --> 01:06:13,099

it's just this like featureless black

1547

01:06:20,630 --> 01:06:16,740

blob uh that you know Springs up into

1548

01:06:23,030 --> 01:06:20,640

this this winged humanoid creature right

1549

01:06:25,609 --> 01:06:23,040

um which is what's one of the more

1550

01:06:27,230 --> 01:06:25,619

interesting things about these these

1551

01:06:28,670 --> 01:06:27,240

Rockford signings and some of the the

1552

01:06:31,670 --> 01:06:28,680

the other side is because they're not

1553

01:06:33,650 --> 01:06:31,680

the only witnesses to uh describe these

1554

01:06:36,710 --> 01:06:33,660

things this way

1555

01:06:38,990 --> 01:06:36,720

you know uh the the the uh Rockford uh

1556

01:06:42,230 --> 01:06:39,000

the other Rockford Witnesses

1557

01:06:44,210 --> 01:06:42,240

um who were out cruising now they uh had

1558

01:06:46,309 --> 01:06:44,220

this thing in their their headlights and

1559

01:06:48,109 --> 01:06:46,319

it was still completely black

1560

01:06:49,490 --> 01:06:48,119

um you know even even being in their

1561

01:06:53,630 --> 01:06:49,500

cars headlights

1562

01:06:54,710 --> 01:06:53,640

so um whatever it is it uh it seems to

1563

01:06:56,710 --> 01:06:54,720

be

1564

01:06:59,390 --> 01:06:56,720

um I mean darker than you can really

1565

01:07:02,270 --> 01:06:59,400

imagine really you know honestly like

1566

01:07:03,410 --> 01:07:02,280

darker than than seems to be uh entirely

1567

01:07:06,349 --> 01:07:03,420

natural

1568

01:07:08,990 --> 01:07:06,359

but just after

1569

01:07:11,750 --> 01:07:09,000

that that Wings humanoid sighting uh

1570

01:07:15,010 --> 01:07:11,760

Shayna and her mother uh saw something

1571

01:07:18,650 --> 01:07:15,020

else you know completely

1572

01:07:21,529 --> 01:07:18,660

inexplicable so as she you know said to

1573

01:07:24,049 --> 01:07:21,539

to me uh we walked to this broken down

1574

01:07:26,089 --> 01:07:24,059

fence that separates my area from this

1575

01:07:28,130 --> 01:07:26,099

lot that's on the other side between us

1576

01:07:29,809 --> 01:07:28,140

and the canal we were out there walking

1577

01:07:31,670 --> 01:07:29,819

and I asked my roommate to come

1578

01:07:33,710 --> 01:07:31,680

downstairs and bring a flashlight so we

1579

01:07:35,210 --> 01:07:33,720

can shine it in the tree line and see if

1580

01:07:37,970 --> 01:07:35,220

we can see anything

1581

01:07:39,710 --> 01:07:37,980

she came down in 15 minutes didn't see

1582

01:07:41,870 --> 01:07:39,720

anything and we drove down to the park

1583

01:07:43,430 --> 01:07:41,880

but the trees are so dense down there

1584

01:07:45,650 --> 01:07:43,440

that even if there was something in

1585

01:07:47,569 --> 01:07:45,660

there we wouldn't have seen it when we

1586

01:07:49,490 --> 01:07:47,579

drove back she went to the gas station

1587

01:07:51,829 --> 01:07:49,500

for about 10 minutes but my mom and I

1588

01:07:54,230 --> 01:07:51,839

were still outside in this light

1589

01:07:55,910 --> 01:07:54,240

it almost looked like it was glowing it

1590

01:07:58,490 --> 01:07:55,920

looked like if you were to see a sort of

1591

01:08:02,150 --> 01:07:58,500

stingray like a glowing stingray in the

1592

01:08:04,309 --> 01:08:02,160

mirror it it materialized above the air

1593

01:08:07,069 --> 01:08:04,319

like maybe 50 to 60 feet in the air

1594

01:08:09,470 --> 01:08:07,079

above the the empty lot and then it had

1595

01:08:12,230 --> 01:08:09,480

wings but they were very fluid moving

1596

01:08:15,710 --> 01:08:12,240

like very slow moving and very thin like

1597

01:08:17,870 --> 01:08:15,720

if you look on the side of a stingray

1598

01:08:19,430 --> 01:08:17,880

we could see that thing almost glowing

1599

01:08:20,870 --> 01:08:19,440

against the dark sky and there was

1600

01:08:23,090 --> 01:08:20,880

nothing that it could have reflected off

1601  
01:08:25,070 --> 01:08:23,100  
of it was a clear sky or that could have

1602  
01:08:28,669 --> 01:08:25,080  
caused that like a spotlight it was an

1603  
01:08:31,309 --> 01:08:28,679  
actual physical thing there in the air

1604  
01:08:33,470 --> 01:08:31,319  
it didn't look white it looked like

1605  
01:08:35,209 --> 01:08:33,480  
light that is to say like she was trying

1606  
01:08:38,809 --> 01:08:35,219  
to explain to me that it didn't look

1607  
01:08:41,329 --> 01:08:38,819  
like a white like reflection or anything

1608  
01:08:43,370 --> 01:08:41,339  
it didn't look like an object that just

1609  
01:08:46,249 --> 01:08:43,380  
itself was white it looked like it was

1610  
01:08:48,890 --> 01:08:46,259  
literally made of light

1611  
01:08:51,229 --> 01:08:48,900  
um and so yeah so so she says it didn't

1612  
01:08:54,349 --> 01:08:51,239  
look white it looked like light almost

1613  
01:08:55,849 --> 01:08:54,359

like a translucent whitish light uh it

1614

01:08:58,189 --> 01:08:55,859

wasn't just a white object because the

1615

01:09:00,110 --> 01:08:58,199

sky was Pitch Black we saw the whole

1616

01:09:02,150 --> 01:09:00,120

glowing silhouette and it flew very

1617

01:09:05,329 --> 01:09:02,160

smoothly and fluidly over to the street

1618

01:09:07,669 --> 01:09:05,339

it generally stayed the same height in

1619

01:09:09,410 --> 01:09:07,679

the air then it turned around and came

1620

01:09:11,570 --> 01:09:09,420

back over and literally and literally

1621

01:09:14,090 --> 01:09:11,580

disappeared in the same spot it

1622

01:09:17,390 --> 01:09:14,100

materialized didn't go down it didn't go

1623

01:09:20,329 --> 01:09:17,400

up it just vanished

1624

01:09:22,430 --> 01:09:20,339

and uh and you know like she gets into

1625

01:09:23,809 --> 01:09:22,440

some more detail there

1626

01:09:25,729 --> 01:09:23,819

um you know because when I'm

1627

01:09:27,110 --> 01:09:25,739

interviewing somebody I'll usually ask

1628

01:09:28,970 --> 01:09:27,120

them

1629

01:09:30,470 --> 01:09:28,980

um a lot of follow-up questions

1630

01:09:33,110 --> 01:09:30,480

um I mean because who wouldn't have a

1631

01:09:36,709 --> 01:09:33,120

lot of questions about that absolutely

1632

01:09:39,789 --> 01:09:36,719

but uh but also because I I want to be

1633

01:09:42,110 --> 01:09:39,799

completely clear about what they

1634

01:09:44,209 --> 01:09:42,120

experienced you know because it's very

1635

01:09:46,130 --> 01:09:44,219

very important to me that I am

1636

01:09:50,090 --> 01:09:46,140

accurately reflecting somebody's

1637

01:09:51,769 --> 01:09:50,100

experience when I'm reporting on it

1638

01:09:54,830 --> 01:09:51,779

um and so

1639

01:09:57,410 --> 01:09:54,840

yeah I mean it was uh it it was a very

1640

01:09:59,990 --> 01:09:57,420

interesting report you know I I talked

1641

01:10:02,750 --> 01:10:00,000

to her on the phone for probably an hour

1642

01:10:05,150 --> 01:10:02,760

or or so to get all this info and then I

1643

01:10:07,910 --> 01:10:05,160

actually I ended up going down there uh

1644

01:10:10,610 --> 01:10:07,920

with with Emily of course and then uh

1645

01:10:12,890 --> 01:10:10,620

our friend uh Adam Benedict from the the

1646

01:10:15,530 --> 01:10:12,900

pine Barons Institute and uh and his

1647

01:10:18,229 --> 01:10:15,540

wife and uh and we all went down there

1648

01:10:20,090 --> 01:10:18,239

and scoped out that area and uh you know

1649

01:10:21,649 --> 01:10:20,100

everything lined up everything was where

1650

01:10:25,250 --> 01:10:21,659

she said it was

1651  
01:10:27,350 --> 01:10:25,260  
um her obviously her uh account was was

1652  
01:10:30,410 --> 01:10:27,360  
very very detailed was very easy for us

1653  
01:10:32,930 --> 01:10:30,420  
to find everything and and um you know

1654  
01:10:35,030 --> 01:10:32,940  
she gave us the the address of where

1655  
01:10:37,070 --> 01:10:35,040  
everything was and so

1656  
01:10:39,530 --> 01:10:37,080  
um everything added up uh it's it's

1657  
01:10:41,870 --> 01:10:39,540  
exactly as she described it no I didn't

1658  
01:10:44,209 --> 01:10:41,880  
see uh like Mothman or anything while I

1659  
01:10:46,550 --> 01:10:44,219  
was down there but you know

1660  
01:10:49,370 --> 01:10:46,560  
um I didn't expect to frankly right

1661  
01:10:51,169 --> 01:10:49,380  
these there isn't uh there isn't a lot

1662  
01:10:52,910 --> 01:10:51,179  
of uh

1663  
01:10:55,970 --> 01:10:52,920

um repeatability like these aren't

1664

01:10:58,910 --> 01:10:55,980

repetitive phenomena really you know

1665

01:11:01,310 --> 01:10:58,920

like people don't usually see uh winged

1666

01:11:02,990 --> 01:11:01,320

humanoid in the exact same place very

1667

01:11:06,290 --> 01:11:03,000

often you know maybe in the same area

1668

01:11:08,390 --> 01:11:06,300

but not usually the same place and so

1669

01:11:09,890 --> 01:11:08,400

you know um this seems like a very

1670

01:11:11,570 --> 01:11:09,900

credible sighting to me you know I

1671

01:11:13,970 --> 01:11:11,580

certainly think that she and her mother

1672

01:11:15,110 --> 01:11:13,980

experience something that that they

1673

01:11:18,470 --> 01:11:15,120

can't explain

1674

01:11:19,550 --> 01:11:18,480

um it had a very powerful uh effect on

1675

01:11:21,350 --> 01:11:19,560

them both

1676

01:11:24,649 --> 01:11:21,360

um you know they were certainly very

1677

01:11:28,669 --> 01:11:24,659

terrified uh by what they they they saw

1678

01:11:31,130 --> 01:11:28,679

you know um and so yeah in in terms of

1679

01:11:33,050 --> 01:11:31,140

of Lake Michigan Mothman sightings

1680

01:11:36,350 --> 01:11:33,060

um you know this is a a really good one

1681

01:11:39,290 --> 01:11:36,360

this is this is a kind of of report that

1682

01:11:41,870 --> 01:11:39,300

I love to get where you know somebody it

1683

01:11:43,790 --> 01:11:41,880

had just happened fairly recently

1684

01:11:46,910 --> 01:11:43,800

um you know when when she she got a hold

1685

01:11:49,130 --> 01:11:46,920

of me I think she actually uh emailed me

1686

01:11:51,050 --> 01:11:49,140

um immediately afterwards you know so it

1687

01:11:54,350 --> 01:11:51,060

was it was right after she had this

1688

01:11:55,729 --> 01:11:54,360

experience she hops online which is nice

1689

01:11:59,030 --> 01:11:55,739

because that doesn't always happen right

1690

01:12:01,729 --> 01:11:59,040

yeah you know I like when we get those

1691

01:12:03,590 --> 01:12:01,739

reports within the hour people get them

1692

01:12:05,870 --> 01:12:03,600

you know go Googling and find us

1693

01:12:07,669 --> 01:12:05,880

absolutely yeah so I mean it's it's it's

1694

01:12:10,130 --> 01:12:07,679

all fresh on our mind when she's like

1695

01:12:11,750 --> 01:12:10,140

writing it out in in this email the the

1696

01:12:13,070 --> 01:12:11,760

first time

1697

01:12:15,709 --> 01:12:13,080

um you know and then I I talked to her

1698

01:12:17,870 --> 01:12:15,719

very soon after that and uh and and then

1699

01:12:19,850 --> 01:12:17,880

we went down there but um but yeah you

1700

01:12:22,610 --> 01:12:19,860

know every Everything adds up to a a

1701

01:12:25,310 --> 01:12:22,620

credible sighting here and you know it's

1702

01:12:27,590 --> 01:12:25,320

got so many parallels with uh with so

1703

01:12:31,310 --> 01:12:27,600

many other credible sightings that we've

1704

01:12:34,610 --> 01:12:31,320

uh received that um

1705

01:12:36,590 --> 01:12:34,620

you know it's it's it's difficult not to

1706

01:12:38,390 --> 01:12:36,600

take it seriously you know I I don't

1707

01:12:40,490 --> 01:12:38,400

know what she saw but it's weird you

1708

01:12:43,310 --> 01:12:40,500

know this all-black creature uh exactly

1709

01:12:47,090 --> 01:12:43,320

the same as as two other guys in in

1710

01:12:50,450 --> 01:12:47,100

Rockford have uh uh described separately

1711

01:12:51,110 --> 01:12:50,460

you know over the the past several years

1712

01:12:54,530 --> 01:12:51,120

um

1713

01:12:57,470 --> 01:12:54,540

you have like weird UFO in in in the the

1714

01:13:00,770 --> 01:12:57,480

same area just like another you know

1715

01:13:03,950 --> 01:13:00,780

fourth Rockford witness had had uh

1716

01:13:05,689 --> 01:13:03,960

described now now uh uh Jonathan Lane

1717

01:13:09,830 --> 01:13:05,699

that was the other uh Rockford witness

1718

01:13:11,750 --> 01:13:09,840

who had seen um a UFO in the same area

1719

01:13:14,030 --> 01:13:11,760

as as he had had his his Mothman

1720

01:13:16,010 --> 01:13:14,040

sighting now his UFO was a more

1721

01:13:18,590 --> 01:13:16,020

traditional sort of Craft

1722

01:13:20,930 --> 01:13:18,600

um so it wasn't exactly the same as like

1723

01:13:23,270 --> 01:13:20,940

this living light creature but it's

1724

01:13:26,689 --> 01:13:23,280

still weird that he had a UFO sighting

1725

01:13:29,689 --> 01:13:26,699

you know in in the same area uh as

1726

01:13:32,270 --> 01:13:29,699

really directly above almost his

1727

01:13:34,310 --> 01:13:32,280

uh where he had his his uh his Mothman

1728

01:13:37,850 --> 01:13:34,320

sighting and so there's just so many

1729

01:13:40,310 --> 01:13:37,860

parallels uh between these sightings and

1730

01:13:41,270 --> 01:13:40,320

these these people don't know each other

1731

01:13:44,350 --> 01:13:41,280

um

1732

01:13:46,070 --> 01:13:44,360

most of them have uh

1733

01:13:48,590 --> 01:13:46,080

basically

1734

01:13:50,090 --> 01:13:48,600

testified that um that they didn't

1735

01:13:52,370 --> 01:13:50,100

really have any knowledge of this case

1736

01:13:54,649 --> 01:13:52,380

you know I'm sure we've we've all talked

1737

01:13:56,630 --> 01:13:54,659

to tons of witnesses where

1738

01:14:00,110 --> 01:13:56,640

um basically what happened is they have

1739

01:14:01,250 --> 01:14:00,120

an experience like this this woman and

1740

01:14:02,689 --> 01:14:01,260

um they don't know what the hell it is

1741

01:14:04,189 --> 01:14:02,699

they don't know where the hell like they

1742

01:14:06,850 --> 01:14:04,199

should go to report it they don't know

1743

01:14:10,610 --> 01:14:06,860

anything about it and so they hop online

1744

01:14:12,470 --> 01:14:10,620

and uh they must find one of us through

1745

01:14:14,870 --> 01:14:12,480

Google and basically because who else

1746

01:14:17,330 --> 01:14:14,880

are you gonna find honestly

1747

01:14:19,550 --> 01:14:17,340

um and uh and and that's how they they

1748

01:14:22,189 --> 01:14:19,560

uh that's that's how they get it to us

1749

01:14:24,770 --> 01:14:22,199

but you know she certainly didn't seem

1750

01:14:27,229 --> 01:14:24,780

to have any any prior knowledge

1751

01:14:29,510 --> 01:14:27,239

um she certainly like she said she

1752

01:14:31,130 --> 01:14:29,520

didn't and I don't have any reason to to

1753

01:14:33,709 --> 01:14:31,140

disbelieve her

1754

01:14:35,630 --> 01:14:33,719

um I guess is is what I should say but

1755

01:14:37,010 --> 01:14:35,640

uh yeah it seems awfully strange I mean

1756

01:14:39,709 --> 01:14:37,020

you would have these four different

1757

01:14:42,290 --> 01:14:39,719

Witnesses reporting

1758

01:14:45,830 --> 01:14:42,300

uh these sightings with all of these

1759

01:14:48,470 --> 01:14:45,840

weird parallels uh just with within you

1760

01:14:51,470 --> 01:14:48,480

know Rockford without knowing each other

1761

01:14:54,530 --> 01:14:51,480

and really without being uh

1762

01:14:57,410 --> 01:14:54,540

aware of of anybody having seen anything

1763

01:15:00,050 --> 01:14:57,420

similar in in their relative

1764

01:15:02,270 --> 01:15:00,060

relatively you know mid-sized I guess

1765

01:15:06,169 --> 01:15:02,280

City smallish City

1766

01:15:07,850 --> 01:15:06,179

yeah I I agree I agree it's so

1767

01:15:09,410 --> 01:15:07,860

interesting how

1768

01:15:12,350 --> 01:15:09,420

um

1769

01:15:15,649 --> 01:15:12,360

so many reports are so far from each

1770

01:15:17,450 --> 01:15:15,659

other in time and in space and uh

1771

01:15:22,490 --> 01:15:17,460

they're so similar

1772

01:15:24,350 --> 01:15:22,500

it's uh it's it's uncanny and uh for the

1773

01:15:25,490 --> 01:15:24,360

most part the witnesses have been very

1774

01:15:27,709 --> 01:15:25,500

forthcoming

1775

01:15:31,790 --> 01:15:27,719

that's something we'd always get with

1776

01:15:35,390 --> 01:15:31,800

Cryptid investigations uh people

1777

01:15:37,189 --> 01:15:35,400

not embellishing on what they've seen

1778

01:15:38,270 --> 01:15:37,199

they stick to what they originally tell

1779

01:15:43,850 --> 01:15:38,280

you

1780

01:15:46,910 --> 01:15:43,860

this whole

1781

01:15:48,890 --> 01:15:46,920

ordeal I don't know I call it ordeal but

1782

01:15:52,149 --> 01:15:48,900

all this has been very interesting from

1783

01:15:56,630 --> 01:15:54,649

yeah I mean that's that that's

1784

01:15:58,189 --> 01:15:56,640

absolutely right um there have been so

1785

01:16:00,830 --> 01:15:58,199

many people

1786

01:16:03,050 --> 01:16:00,840

um that seem so very very credible you

1787

01:16:05,630 --> 01:16:03,060

know um I'm reminded of going down to

1788

01:16:08,750 --> 01:16:05,640

Woodstock you know and uh and and

1789

01:16:11,950 --> 01:16:08,760

talking to the the main siding witness

1790

01:16:14,090 --> 01:16:11,960

down there you know and this was in

1791

01:16:17,590 --> 01:16:14,100

incredible story

1792

01:16:20,030 --> 01:16:17,600

um and and you know you've you are uh

1793

01:16:22,430 --> 01:16:20,040

aware of that witness you've spoken to

1794

01:16:25,970 --> 01:16:22,440

him and communicated with with his wife

1795

01:16:29,450 --> 01:16:25,980

and so we both know uh significant

1796

01:16:33,530 --> 01:16:29,460

details about their their life

1797

01:16:36,590 --> 01:16:33,540

and it would be devastating for them to

1798

01:16:38,570 --> 01:16:36,600

have a story like that come out attached

1799

01:16:42,350 --> 01:16:38,580

to them so they had nothing to gain

1800

01:16:44,450 --> 01:16:42,360

everything to lose by contacting us

1801

01:16:46,610 --> 01:16:44,460

um and yet they were so gracious you

1802

01:16:49,610 --> 01:16:46,620

know and invited Emily and I down there

1803

01:16:51,290 --> 01:16:49,620

and took us around the siding area and

1804

01:16:52,910 --> 01:16:51,300

and uh and showed us where everything

1805

01:16:55,669 --> 01:16:52,920

happened

1806

01:16:57,950 --> 01:16:55,679

um and the only reason and it was

1807

01:17:02,570 --> 01:16:57,960

evident after speaking to them the only

1808

01:17:05,209 --> 01:17:02,580

reason that they they did so is because

1809

01:17:07,669 --> 01:17:05,219

something really happened to this guy he

1810

01:17:10,610 --> 01:17:07,679

had an experience that was very

1811

01:17:13,010 --> 01:17:10,620

impactful that he can't explain and he's

1812

01:17:14,870 --> 01:17:13,020

got to talk to somebody about it you

1813

01:17:16,970 --> 01:17:14,880

know and uh and there's nobody else to

1814

01:17:18,590 --> 01:17:16,980

talk to really and so he and his wife

1815

01:17:20,090 --> 01:17:18,600

they're they're just looking for for

1816

01:17:22,910 --> 01:17:20,100

answers they're looking for something

1817

01:17:25,430 --> 01:17:22,920

after running headlong into the

1818

01:17:28,430 --> 01:17:25,440

impossible you know

1819

01:17:31,310 --> 01:17:28,440

um and that's so many of of these these

1820

01:17:33,830 --> 01:17:31,320

Witnesses you know like they know yeah

1821

01:17:35,270 --> 01:17:33,840

this is something that I this is

1822

01:17:37,370 --> 01:17:35,280

something that's been very interesting

1823

01:17:39,410 --> 01:17:37,380

to me about all of this

1824

01:17:41,510 --> 01:17:39,420

is that we've had

1825

01:17:44,330 --> 01:17:41,520

politicians

1826

01:17:46,310 --> 01:17:44,340

we've had the local celebrities

1827

01:17:48,470 --> 01:17:46,320

we've had Sports personalities

1828

01:17:50,149 --> 01:17:48,480

professional sports people

1829

01:17:51,709 --> 01:17:50,159

that have been involved with these

1830

01:17:55,669 --> 01:17:51,719

settings

1831

01:17:58,550 --> 01:17:55,679

and the fact that they even came forward

1832

01:18:02,030 --> 01:17:58,560

is amazing to me

1833

01:18:04,250 --> 01:18:02,040

but uh that has been something that has

1834

01:18:07,250 --> 01:18:04,260

been very

1835

01:18:09,229 --> 01:18:07,260

you know I don't know is it are they

1836

01:18:11,209 --> 01:18:09,239

destined to see these things because of

1837

01:18:13,430 --> 01:18:11,219

the notoriety I don't know but it is

1838

01:18:15,110 --> 01:18:13,440

interesting hey guys look we're going to

1839

01:18:17,810 --> 01:18:15,120
