are interviewing Steve Stockton he is

the host of two YouTube channels 13 past

11  
00:01:34,490 --> 00:01:32,580

midnight as well as missing persons uh

12  
00:01:37,429 --> 00:01:34,500

Mysteries as well as the author of

13  
00:01:39,590 --> 00:01:37,439

various books so I would like to welcome

14

00:01:41,990 --> 00:01:39,600

Steve to the show

15

00:01:44,149 --> 00:01:42,000

hey there Bernadette how you doing good

16

00:01:46,490 --> 00:01:44,159

to be here I didn't know this was the

17

00:01:51,050 --> 00:01:46,500

premiere I wish I had a better act for

18

00:01:52,429 --> 00:01:51,060

you now oh no just me I'm just kidding

19

00:01:55,370 --> 00:01:52,439

we're going to have a great show I'm

20

00:01:57,289 --> 00:01:55,380

excited happy to be here I'm excited to

21

00:02:00,050 --> 00:01:57,299

have you thank you so much again for

22

00:02:02,270 --> 00:02:00,060

doing this so my pleasure

23

00:02:04,609 --> 00:02:02,280

so tell our audience a little bit about

24

00:02:07,069 --> 00:02:04,619

yourself for those who don't know you oh

25

00:02:08,809 --> 00:02:07,079

well so there I'm gonna have a couple

26  
00:02:11,089 --> 00:02:08,819  
YouTube channels

27  
00:02:12,830 --> 00:02:11,099  
13 past midnight and then missing

28  
00:02:16,190 --> 00:02:12,840  
persons and Mysteries that's the big one

29  
00:02:19,070 --> 00:02:16,200  
just passed uh 238 000 subscribers over

30  
00:02:20,630 --> 00:02:19,080  
there so that's that's what I enjoy over

31  
00:02:22,970 --> 00:02:20,640  
there like being a voice for the missing

32  
00:02:25,490 --> 00:02:22,980  
voice for the people that have no voice

33  
00:02:27,410 --> 00:02:25,500  
uh the mystery side of that we get into

34  
00:02:30,770 --> 00:02:27,420  
some strange things and some paranormal

35  
00:02:33,770 --> 00:02:30,780  
but our Focus will always first and

36  
00:02:35,869 --> 00:02:33,780  
foremost be the missing if we can bring

37  
00:02:38,809 --> 00:02:35,879  
one person home or give one family

38  
00:02:41,390 --> 00:02:38,819

closure than we've done what we're set

39

00:02:43,309 --> 00:02:41,400

out to do but uh I've been interested in

40

00:02:44,270 --> 00:02:43,319

the Paranormal all my life starting

41

00:02:46,490 --> 00:02:44,280

about

42

00:02:48,229 --> 00:02:46,500

age four so I started having strange

43

00:02:52,009 --> 00:02:48,239

experiences on my first full body

44

00:02:53,990 --> 00:02:52,019

Apparition at age six and just uh like

45

00:02:57,470 --> 00:02:54,000

like the name of your show I truly lived

46

00:03:00,050 --> 00:02:57,480

a paranormal life and uh love it write

47

00:03:02,509 --> 00:03:00,060

books and do the videos and voice over

48

00:03:04,610 --> 00:03:02,519

work and create content for some other

49

00:03:10,309 --> 00:03:04,620

channels and stuff I just I love what I

50

00:03:15,770 --> 00:03:12,470

we tend to gravitate towards this kind

51  
00:03:18,350 --> 00:03:15,780  
of life so yeah I'm not so much sure if

52  
00:03:20,509 --> 00:03:18,360  
I picked it or if it picked me because

53  
00:03:22,670 --> 00:03:20,519  
I've I've had that feeling before I was

54  
00:03:24,470 --> 00:03:22,680  
thinking a few years ago that every

55  
00:03:27,050 --> 00:03:24,480  
house I've ever lived in was haunted to

56  
00:03:29,030 --> 00:03:27,060  
some degree and then recently I've

57  
00:03:30,830 --> 00:03:29,040  
decided it's not the houses so much it's

58  
00:03:33,649 --> 00:03:30,840  
me that's haunted and the stuff just

59  
00:03:36,410 --> 00:03:33,659  
kind of I'm an attractor or seem to be

60  
00:03:38,089 --> 00:03:36,420  
I'm okay with that I I tend to agree

61  
00:03:40,309 --> 00:03:38,099  
with that I I have the same experience

62  
00:03:42,710 --> 00:03:40,319  
so I tend to agree with that so let's

63  
00:03:45,229 --> 00:03:42,720

talk about missing persons tonight

64

00:03:47,089 --> 00:03:45,239

okay so what would be the biggest story

65

00:03:49,250 --> 00:03:47,099

that sticks out to you

66

00:03:50,449 --> 00:03:49,260

the one that's that stuck with me the

67

00:03:52,910 --> 00:03:50,459

longest is the Dennis Martin

68

00:03:56,330 --> 00:03:52,920

disappearance out of the Great Smoky

69

00:03:58,729 --> 00:03:56,340

Mountains in 1969 Father's Day him and

70

00:03:59,930 --> 00:03:58,739

his father brother and grandfather had

71

00:04:02,330 --> 00:03:59,940

gone up there

72

00:04:04,610 --> 00:04:02,340

uh to a place called Spence field which

73

00:04:06,710 --> 00:04:04,620

is up above Cades Cove and I grew up in

74

00:04:08,869 --> 00:04:06,720

the area we lived in Knoxville just an

75

00:04:10,550 --> 00:04:08,879

hour or so away from the Smokies I was

76

00:04:12,050 --> 00:04:10,560

about the same age as Dennis when he

77

00:04:14,869 --> 00:04:12,060

disappeared I think he was about a year

78

00:04:17,090 --> 00:04:14,879

older and that just it really stuck with

79

00:04:18,770 --> 00:04:17,100

me and I watched the news every day

80

00:04:20,569 --> 00:04:18,780

somewhere I think they're at my

81

00:04:23,090 --> 00:04:20,579

brother's house I've got two scrapbooks

82

00:04:24,770 --> 00:04:23,100

full of newspaper clippings about that

83

00:04:27,830 --> 00:04:24,780

case and he was never found I mean they

84

00:04:30,530 --> 00:04:27,840

didn't find any sign of him

85

00:04:31,790 --> 00:04:30,540

yeah what was oh go ahead go ahead I was

86

00:04:34,550 --> 00:04:31,800

just gonna say that was the first time

87

00:04:36,230 --> 00:04:34,560

you know in my child like mine that I

88

00:04:37,670 --> 00:04:36,240

just you know kids can go missing

89  
00:04:41,749 --> 00:04:37,680  
something can happen and they can never

90  
00:04:43,610 --> 00:04:41,759  
be seen again and said just the age that

91  
00:04:45,230 --> 00:04:43,620  
I was I thought well you know we don't

92  
00:04:47,870 --> 00:04:45,240  
live that far from the Smokies maybe

93  
00:04:49,670 --> 00:04:47,880  
wandered down here now we were close but

94  
00:04:51,530 --> 00:04:49,680  
by car

95  
00:04:53,450 --> 00:04:51,540  
um but I got out on the country roads

96  
00:04:54,890 --> 00:04:53,460  
that we lived on and looked for him on

97  
00:04:56,390 --> 00:04:54,900  
my little Schwinn Stingray you know

98  
00:04:59,030 --> 00:04:56,400  
thought he might be hiding in the bushes

99  
00:05:02,629 --> 00:04:59,040  
or something and so that case has always

100  
00:05:04,490 --> 00:05:02,639  
stuck with me uh he's been missing

101

00:05:08,270 --> 00:05:04,500

I can't do math if I have but 50

102

00:05:10,189 --> 00:05:08,280

something years now and just no no clue

103

00:05:13,189 --> 00:05:10,199

no answer that's one of the strangest

104

00:05:14,870 --> 00:05:13,199

missing person cases ever and I mean

105

00:05:16,790 --> 00:05:14,880

they're all strange to a degree they're

106

00:05:19,730 --> 00:05:16,800

all sad some of them do have a

107

00:05:21,890 --> 00:05:19,740

supernatural element seems like uh some

108

00:05:23,930 --> 00:05:21,900

of them it's just pure misadventure but

109

00:05:25,070 --> 00:05:23,940

people being ill-prepared there's a

110

00:05:26,990 --> 00:05:25,080

little bit of everything in there it's

111

00:05:29,810 --> 00:05:27,000

kind of a mixed bag

112

00:05:32,450 --> 00:05:29,820

so what was the circumstance around his

113

00:05:34,850 --> 00:05:32,460

disappearance if you can tell us well

114

00:05:36,529 --> 00:05:34,860

they they were had hiked up the Spence

115

00:05:38,150 --> 00:05:36,539

field and they met another family

116

00:05:41,629 --> 00:05:38,160

they're also named the Martins no

117

00:05:43,550 --> 00:05:41,639

relation and uh the that family had some

118

00:05:46,370 --> 00:05:43,560

children and the kids were all playing

119

00:05:48,110 --> 00:05:46,380

together and they were playing depending

120

00:05:49,850 --> 00:05:48,120

on which store you hear either hide and

121

00:05:52,189 --> 00:05:49,860

seek or they were going to sneak up on

122

00:05:55,550 --> 00:05:52,199

the adults and scare them Dennis's dad

123

00:05:58,370 --> 00:05:55,560

watched Dennis go like behind some Bryce

124

00:05:59,870 --> 00:05:58,380

pilot or some bushes there and then when

125

00:06:02,689 --> 00:05:59,880

the other kids came out

126

00:06:03,890 --> 00:06:02,699

like where's Dennis and like we don't

127

00:06:06,110 --> 00:06:03,900

know we haven't seen him since we

128

00:06:07,850 --> 00:06:06,120

started playing his dad walked right to

129

00:06:10,070 --> 00:06:07,860

the clump of brush where he saw him go

130

00:06:12,830 --> 00:06:10,080

missing went all the way around it went

131

00:06:14,749 --> 00:06:12,840

in it there was no dentist no sign of

132

00:06:17,629 --> 00:06:14,759

him and that's right there in the edge

133

00:06:19,730 --> 00:06:17,639

of the Appalachian Trail so he sent the

134

00:06:22,790 --> 00:06:19,740

grandfather his father down to the

135

00:06:25,070 --> 00:06:22,800

ranger station and um

136

00:06:28,189 --> 00:06:25,080

he uh this dad took off down the

137

00:06:30,050 --> 00:06:28,199

Appalachian Trail in a dead run no sign

138

00:06:32,809 --> 00:06:30,060

of him and it turned into at that time

139

00:06:35,330 --> 00:06:32,819

the biggest uh search and rescue effort

140

00:06:37,990 --> 00:06:35,340

the Smokies had ever seen uh inclement

141

00:06:41,090 --> 00:06:38,000

weather rolled in hampered the search

142

00:06:43,249 --> 00:06:41,100

and uh I think the only thing they might

143

00:06:44,870 --> 00:06:43,259

have found there was one footprint that

144

00:06:47,749 --> 00:06:44,880

they thought might have been Dennis's

145

00:06:50,930 --> 00:06:47,759

but they weren't even sure about that

146

00:06:52,969 --> 00:06:50,940

and just no sign up now there's lots of

147

00:06:54,890 --> 00:06:52,979

theories there's stories about feral

148

00:06:56,990 --> 00:06:54,900

people that living in the mountains and

149

00:07:00,230 --> 00:06:57,000

they might have taken him or some people

150

00:07:01,790 --> 00:07:00,240

claim a Bigfoot got him uh others

151

00:07:03,850 --> 00:07:01,800

claimed it was like you know a human

152

00:07:08,270 --> 00:07:03,860

abduction or something like that but

153

00:07:10,909 --> 00:07:08,280

it's all speculation we just don't know

154

00:07:13,430 --> 00:07:10,919

and that seems to happen with like

155

00:07:17,210 --> 00:07:13,440

you had a video of cherry Mayhem on your

156

00:07:20,749 --> 00:07:17,220

uh on missing persons because I I'm very

157

00:07:23,450 --> 00:07:20,759

close to that area and how you said uh

158

00:07:25,070 --> 00:07:23,460

that affected your life Cherry mayhem's

159

00:07:27,770 --> 00:07:25,080

kind of affected mine because my mother

160

00:07:30,589 --> 00:07:27,780

told me about that yeah that's the baby

161

00:07:32,570 --> 00:07:30,599

at that time and she she was terrified

162

00:07:34,550 --> 00:07:32,580

that's another strange one she literally

163

00:07:36,830 --> 00:07:34,560

got off the school bus and disappeared

164

00:07:38,930 --> 00:07:36,840

in the two blocks or so to her house

165

00:07:41,990 --> 00:07:38,940

right and I think her dad was standing

166

00:07:45,110 --> 00:07:42,000

outside watching for there was a van

167

00:07:46,550 --> 00:07:45,120

that had a mural of somebody skiing on a

168

00:07:49,370 --> 00:07:46,560

mountain on both sides of it that was

169

00:07:51,350 --> 00:07:49,380

parked near where the bus let out I mean

170

00:07:53,749 --> 00:07:51,360

obviously people would remember a van

171

00:07:55,370 --> 00:07:53,759

like that nobody ever came forward and

172

00:07:57,350 --> 00:07:55,380

said they owned it or they knew who

173

00:08:00,350 --> 00:07:57,360

owned it there was a rumor that it was

174

00:08:01,730 --> 00:08:00,360

spray painted black afterwards there's a

175

00:08:04,490 --> 00:08:01,740

lot of different theories in that one

176

00:08:06,409 --> 00:08:04,500

either the shoes abducted and again I

177

00:08:08,749 --> 00:08:06,419

don't like the victim shame or victim

178

00:08:11,510 --> 00:08:08,759

family shame but there's even one theory

179

00:08:13,249 --> 00:08:11,520

that her parents sold her or you know

180

00:08:15,469 --> 00:08:13,259

did something with her and that they

181

00:08:17,210 --> 00:08:15,479

know what happened so and this

182

00:08:20,450 --> 00:08:17,220

unfortunate as is that does happen

183

00:08:22,070 --> 00:08:20,460

sometimes there are cases where in the

184

00:08:23,930 --> 00:08:22,080

end you know find out that the parents

185

00:08:25,790 --> 00:08:23,940

were either involved or knew what

186

00:08:28,369 --> 00:08:25,800

happened or were in some way complicit

187

00:08:30,950 --> 00:08:28,379

right and that from what I was told that

188

00:08:32,449 --> 00:08:30,960

van was seen everywhere around the

189

00:08:34,909 --> 00:08:32,459

surrounding areas and even into

190

00:08:36,709 --> 00:08:34,919

Pittsburgh and everything if somebody

191

00:08:38,389 --> 00:08:36,719

had to have known what happened to her

192

00:08:39,949 --> 00:08:38,399

but it was it was just a very strange

193

00:08:42,409 --> 00:08:39,959

case that I know affected my life

194

00:08:44,449 --> 00:08:42,419

because my mom had said you know I was I

195

00:08:46,730 --> 00:08:44,459

was a little bit over a year old and she

196

00:08:48,410 --> 00:08:46,740

she had seen it and she had freaked out

197

00:08:50,269 --> 00:08:48,420

there was something similar to it and

198

00:08:52,009 --> 00:08:50,279

she had called the police so when you

199

00:08:55,070 --> 00:08:52,019

did that story I was just like very

200

00:08:56,509 --> 00:08:55,080

shocked to see it yeah that was we we

201

00:08:57,829 --> 00:08:56,519

tried to find those older cases

202

00:08:59,329 --> 00:08:57,839

sometimes and bring them to light

203

00:09:02,030 --> 00:08:59,339

especially the unsolved ones because

204

00:09:04,250 --> 00:09:02,040

like you said somebody out there knows

205

00:09:07,310 --> 00:09:04,260

something somebody knows who that man

206

00:09:10,370 --> 00:09:07,320

belonged to or you know there's just

207

00:09:12,949 --> 00:09:10,380

again there's a cover-up or something

208

00:09:14,990 --> 00:09:12,959

just a lot of people oh I mean look at

209

00:09:17,269 --> 00:09:15,000

the Delphi case that that's you know

210

00:09:20,030 --> 00:09:17,279

those horrible murders that's a very

211

00:09:21,769 --> 00:09:20,040

very small community in Indiana speaking

212

00:09:23,870 --> 00:09:21,779

of Indiana I want to say hi to my friend

213

00:09:26,090 --> 00:09:23,880

katson parade who stayed up late tonight

214

00:09:28,430 --> 00:09:26,100

to watch me from Indiana hey Tina good

215

00:09:30,710 --> 00:09:28,440

to see you but that that whole Community

216

00:09:32,630 --> 00:09:30,720

as small as it is somebody had to know

217

00:09:35,269 --> 00:09:32,640

something and now you know they think

218

00:09:38,030 --> 00:09:35,279

they've arrested that rich Richard Allen

219

00:09:39,949 --> 00:09:38,040

and I don't know it looks strange that

220

00:09:42,470 --> 00:09:39,959

I've heard some rumors that maybe the

221

00:09:43,550 --> 00:09:42,480

wife was complicit on that yeah there's

222

00:09:45,889 --> 00:09:43,560

Sherry

223

00:09:47,870 --> 00:09:45,899

yeah he's a beautiful little girl she

224

00:09:50,150 --> 00:09:47,880

was and that's it's just such a sad case

225

00:09:53,269 --> 00:09:50,160

because I remember was it two years ago

226

00:09:55,070 --> 00:09:53,279

the local news did a new thing about it

227

00:09:56,570 --> 00:09:55,080

and her mother showed where they lived

228

00:09:59,210 --> 00:09:56,580

and you could just look down the

229

00:10:01,670 --> 00:09:59,220

driveway at where the bus stop was and

230

00:10:04,310 --> 00:10:01,680

how she disappeared from that you know

231

00:10:06,290 --> 00:10:04,320

that far of a distance is just and that

232

00:10:09,230 --> 00:10:06,300

that's the hardest cases for me are the

233

00:10:11,150 --> 00:10:09,240

ones involving children I'm I'm empathic

234

00:10:13,790 --> 00:10:11,160

to a degree I don't have

235

00:10:16,430 --> 00:10:13,800

uh any abilities or anything like that

236

00:10:18,949 --> 00:10:16,440

that I climb but my feelings tend to be

237

00:10:21,110 --> 00:10:18,959

Amplified and some of these kid cases

238

00:10:23,389 --> 00:10:21,120

literally I have to stop and compose

239

00:10:25,009 --> 00:10:23,399

myself when I'm making the video and

240

00:10:27,530 --> 00:10:25,019

just because it's just it's so sad

241

00:10:30,889 --> 00:10:27,540

they're heartbreaking I mean any missing

242

00:10:32,269 --> 00:10:30,899

person is sad no one missing person is

243

00:10:35,030 --> 00:10:32,279

more important than another but it's

244

00:10:37,730 --> 00:10:35,040

just it's really sad for the children

245

00:10:40,730 --> 00:10:37,740

what do you think paranormal aspect of

246

00:10:42,590 --> 00:10:40,740

some of these cases well some of the the

247

00:10:46,490 --> 00:10:42,600

really strange ones are the people that

248

00:10:48,710 --> 00:10:46,500

go missing and then are found alive and

249

00:10:50,930 --> 00:10:48,720

then some of the stories they tell and

250

00:10:52,910 --> 00:10:50,940

it happens to children as well as adults

251  
00:10:55,310 --> 00:10:52,920  
there was one little girl covered

252  
00:10:57,590 --> 00:10:55,320  
recently that went missing uh she was

253  
00:10:59,269 --> 00:10:57,600  
picking berries that's another odd thing

254  
00:11:01,790 --> 00:10:59,279  
a lot of times people go missing in or

255  
00:11:03,230 --> 00:11:01,800  
near Berry patches she's picking berries

256  
00:11:05,569 --> 00:11:03,240  
with her family and they literally just

257  
00:11:08,090 --> 00:11:05,579  
looked around and she was gone she was

258  
00:11:11,030 --> 00:11:08,100  
missing for two days and then uh

259  
00:11:12,710 --> 00:11:11,040  
searches finally found her and she was

260  
00:11:15,530 --> 00:11:12,720  
cool comic collected didn't look like

261  
00:11:17,810 --> 00:11:15,540  
she had been out in the woods for two

262  
00:11:20,949 --> 00:11:17,820  
days and nights and still had some

263  
00:11:24,230 --> 00:11:20,959

berries in her hand but she claimed that

264

00:11:26,630 --> 00:11:24,240

wherever she was that the sun shined the

265

00:11:28,250 --> 00:11:26,640

whole time that it was never dark you

266

00:11:30,350 --> 00:11:28,260

know that's that's a really

267

00:11:32,090 --> 00:11:30,360

creepy part of it and then I've heard

268

00:11:35,210 --> 00:11:32,100

other stories like that where somebody

269

00:11:36,590 --> 00:11:35,220

would maybe be missing for days but it

270

00:11:38,810 --> 00:11:36,600

would seem like to them that only

271

00:11:41,090 --> 00:11:38,820

minutes had passed that they could not

272

00:11:42,650 --> 00:11:41,100

believe they've been gone for two or

273

00:11:44,690 --> 00:11:42,660

three days or whatever it just seemed

274

00:11:46,790 --> 00:11:44,700

like an hour or two and then there's the

275

00:11:49,250 --> 00:11:46,800

obverse there where there's people that

276

00:11:51,829 --> 00:11:49,260

are only missing for a few hours but in

277

00:11:54,230 --> 00:11:51,839

their memory they saw the sun rise and

278

00:11:55,850 --> 00:11:54,240

set several times so there's I don't

279

00:11:59,329 --> 00:11:55,860

know I've heard all kinds of theories

280

00:12:02,509 --> 00:11:59,339

put forth on that uh portals glitches in

281

00:12:05,030 --> 00:12:02,519

time uh something intended in The Matrix

282

00:12:06,590 --> 00:12:05,040

It glitch in The Matrix you know but

283

00:12:08,389 --> 00:12:06,600

that that's the thing about there's a

284

00:12:10,910 --> 00:12:08,399

lot of this there there are no answers

285

00:12:12,470 --> 00:12:10,920

and that's been my experience with the

286

00:12:13,670 --> 00:12:12,480

Paranormal too because when I first

287

00:12:16,009 --> 00:12:13,680

started out

288

00:12:18,590 --> 00:12:16,019

you know it was a quest for answers but

289

00:12:20,750 --> 00:12:18,600

the more I've looked into it it's become

290

00:12:22,550 --> 00:12:20,760

more of a

291

00:12:25,370 --> 00:12:22,560

looking for the next set of questions

292

00:12:26,870 --> 00:12:25,380

because there are no answers plus I

293

00:12:30,769 --> 00:12:26,880

think if we had answers it wouldn't be

294

00:12:33,590 --> 00:12:30,779

anywhere near as much fun no if we had a

295

00:12:35,810 --> 00:12:33,600

big foot or if we captured a UFO that

296

00:12:37,190 --> 00:12:35,820

would kind of just ruin all the mistakes

297

00:12:40,310 --> 00:12:37,200

for it for me

298

00:12:42,650 --> 00:12:40,320

no I agree I agree and

299

00:12:44,569 --> 00:12:42,660

you know with me I I keep looking for

300

00:12:46,250 --> 00:12:44,579

answers as to why I've experienced what

301  
00:12:49,430 --> 00:12:46,260  
I've experienced but I just keep getting

302  
00:12:51,829 --> 00:12:49,440  
more more questions the further and I go

303  
00:12:54,230 --> 00:12:51,839  
but yeah sure I asked Kathy who has a

304  
00:12:56,090 --> 00:12:54,240  
show called where'd the road go uh he

305  
00:12:58,790 --> 00:12:56,100  
analyzed it one time and said it's like

306  
00:13:00,710 --> 00:12:58,800  
trying to put a puzzle together and but

307  
00:13:01,970 --> 00:13:00,720  
you don't have the box to look at to see

308  
00:13:04,250 --> 00:13:01,980  
what the picture is even supposed to

309  
00:13:06,410 --> 00:13:04,260  
look like and then you realize that it's

310  
00:13:08,449 --> 00:13:06,420  
probably three or four puzzles mixed

311  
00:13:10,190 --> 00:13:08,459  
together and it's impossible to put

312  
00:13:11,870 --> 00:13:10,200  
together and that's that's kind of what

313  
00:13:14,750 --> 00:13:11,880

we're dealing with I think I like the

314

00:13:16,250 --> 00:13:14,760

analogy I really yeah that's great and

315

00:13:18,590 --> 00:13:16,260

you bring up you know how some missing

316

00:13:19,850 --> 00:13:18,600

show are found and you know they've

317

00:13:21,170 --> 00:13:19,860

experienced different things that

318

00:13:22,490 --> 00:13:21,180

reminds me of the little boy who was

319

00:13:23,810 --> 00:13:22,500

found a few months ago the little boy

320

00:13:27,350 --> 00:13:23,820

from Montana

321

00:13:31,009 --> 00:13:27,360

and the picture of him yeah his name was

322

00:13:32,449 --> 00:13:31,019

I'm not just I can't remember Max Weber

323

00:13:34,730 --> 00:13:32,459

or something like that something like

324

00:13:37,190 --> 00:13:34,740

that but we had we had some of the

325

00:13:39,530 --> 00:13:37,200

oddest comments on that people were

326

00:13:42,050 --> 00:13:39,540

saying whatever that is put it back in

327

00:13:46,870 --> 00:13:42,060

the woods that's not the same kid that's

328

00:13:49,490 --> 00:13:46,880

a changeling but uh he had that

329

00:13:51,050 --> 00:13:49,500

when I was a kid I saw a lot of Vietnam

330

00:13:52,910 --> 00:13:51,060

War veterans come home and they would

331

00:13:54,949 --> 00:13:52,920

have that shell-shocked look you know

332

00:13:57,110 --> 00:13:54,959

that thousand yard stare and that's the

333

00:14:00,110 --> 00:13:57,120

way it was his eyes were big and he was

334

00:14:02,210 --> 00:14:00,120

just look I hate saying some stuff yeah

335

00:14:04,430 --> 00:14:02,220

and that's another strange when he was

336

00:14:06,110 --> 00:14:04,440

wearing those little footy pajamas and

337

00:14:08,090 --> 00:14:06,120

they were just barely dirty on the

338

00:14:10,069 --> 00:14:08,100

bottoms and this was supposedly a kid

339

00:14:11,810 --> 00:14:10,079

that had been out in the woods for two

340

00:14:14,210 --> 00:14:11,820

or three days and had walked several

341

00:14:16,190 --> 00:14:14,220

miles and was hiding in somebody's

342

00:14:17,810 --> 00:14:16,200

garden shed and that was how they fed

343

00:14:20,389 --> 00:14:17,820

them they heard him in this garden shed

344

00:14:23,150 --> 00:14:20,399

talking and laughing to himself

345

00:14:25,129 --> 00:14:23,160

so that's a weird one now I love the

346

00:14:27,050 --> 00:14:25,139

ones like that I mean it did have a

347

00:14:29,269 --> 00:14:27,060

happy ending but where was he what

348

00:14:31,370 --> 00:14:29,279

happened to him there's a lot of cases

349

00:14:33,050 --> 00:14:31,380

like that where children will be found

350

00:14:34,129 --> 00:14:33,060

miles from where they started and

351

00:14:37,670 --> 00:14:34,139

toddlers

352

00:14:39,170 --> 00:14:37,680

and uh but they won't have any scratches

353

00:14:42,230 --> 00:14:39,180

or dirt on them or anything it's like

354

00:14:44,629 --> 00:14:42,240

they were just teleported or taken and

355

00:14:47,689 --> 00:14:44,639

carried if it was uh some sort of a

356

00:14:48,889 --> 00:14:47,699

human activity involved and it just it

357

00:14:50,870 --> 00:14:48,899

makes you wonder because they're just

358

00:14:53,329 --> 00:14:50,880

small enough that they can't tell you

359

00:14:55,430 --> 00:14:53,339

like a full story of what happened there

360

00:14:57,769 --> 00:14:55,440

he is there he is yeah

361

00:14:59,569 --> 00:14:57,779

and it doesn't it doesn't look like the

362

00:15:01,610 --> 00:14:59,579

same little boy it doesn't look like

363

00:15:03,530 --> 00:15:01,620

he's he's like I said he's been through

364

00:15:06,050 --> 00:15:03,540

something it looks like he's got PTSD

365

00:15:07,670 --> 00:15:06,060

and look at the feet on those little

366

00:15:10,189 --> 00:15:07,680

pajamas that he was in there's no way

367

00:15:11,389 --> 00:15:10,199

that kid walked for miles in the woods

368

00:15:13,610 --> 00:15:11,399

and uh

369

00:15:15,050 --> 00:15:13,620

I think it was even raining in the area

370

00:15:17,569 --> 00:15:15,060

where he went missing or had been

371

00:15:19,610 --> 00:15:17,579

raining yeah and I mean kids are

372

00:15:21,290 --> 00:15:19,620

unsteady that small on their feet I mean

373

00:15:23,689 --> 00:15:21,300

he should have he should have fallen

374

00:15:25,430 --> 00:15:23,699

somewhere if he was in the woods and I

375

00:15:28,610 --> 00:15:25,440

mean that his pajamas looked perfect

376

00:15:30,350 --> 00:15:28,620

almost but yeah like I said we got a lot

377

00:15:32,930 --> 00:15:30,360

of strange comments that's not the same

378

00:15:34,610 --> 00:15:32,940

kid uh whatever that is put it back in

379

00:15:37,670 --> 00:15:34,620

the woods and go find the real kid I

380

00:15:39,590 --> 00:15:37,680

mean there was some of humorous ones

381

00:15:41,569 --> 00:15:39,600

that's not really a laughing matter but

382

00:15:44,329 --> 00:15:41,579

you know I can see their point it does

383

00:15:46,129 --> 00:15:44,339

not look like the same kid no but you're

384

00:15:48,170 --> 00:15:46,139

I agree with you he looks very very

385

00:15:50,150 --> 00:15:48,180

stunned and everything have have there

386

00:15:52,910 --> 00:15:50,160

ever been any cases of adults coming

387

00:15:56,509 --> 00:15:52,920

back and being able to say you know hey

388

00:15:58,310 --> 00:15:56,519

this is what happened this is what I saw

389

00:16:01,250 --> 00:15:58,320

or they've just clammed up and not

390

00:16:03,170 --> 00:16:01,260

wanted to say anything uh there are

391

00:16:05,689 --> 00:16:03,180

people like that that do come back and

392

00:16:07,970 --> 00:16:05,699

they don't want to discuss whatever they

393

00:16:10,310 --> 00:16:07,980

experience what they saw and I said the

394

00:16:13,069 --> 00:16:10,320

ones that do it will be some sort of

395

00:16:15,050 --> 00:16:13,079

almost fanciful tale like they were in a

396

00:16:15,889 --> 00:16:15,060

place where the Sun never sat or where

397

00:16:19,370 --> 00:16:15,899

they were

398

00:16:22,129 --> 00:16:19,380

I saw it sent and Rise several times

399

00:16:24,410 --> 00:16:22,139

but they had no memory and sometimes

400

00:16:27,350 --> 00:16:24,420

it'll be just like I was walking

401  
00:16:29,150 --> 00:16:27,360  
on the trail and suddenly I realized I

402  
00:16:31,189 --> 00:16:29,160  
wasn't on the trail anymore I didn't

403  
00:16:32,449 --> 00:16:31,199  
know where I was I didn't know how to

404  
00:16:34,610 --> 00:16:32,459  
get back

405  
00:16:37,129 --> 00:16:34,620  
and there's been cases where people have

406  
00:16:39,170 --> 00:16:37,139  
even heard and seen searches in the

407  
00:16:40,610 --> 00:16:39,180  
distance like within shouting business

408  
00:16:42,889 --> 00:16:40,620  
they're yelling they're waving their

409  
00:16:46,189 --> 00:16:42,899  
arms but it's like they're in some kind

410  
00:16:48,889 --> 00:16:46,199  
of other place where they can't be seen

411  
00:16:51,769 --> 00:16:48,899  
or heard or vice versa

412  
00:16:53,449 --> 00:16:51,779  
do you do you think so in your personal

413  
00:16:54,769 --> 00:16:53,459

opinion what do you think

414

00:16:56,329 --> 00:16:54,779

you think it could be

415

00:16:57,550 --> 00:16:56,339

berries a portal

416

00:17:01,490 --> 00:16:57,560

portal yes

417

00:17:04,189 --> 00:17:01,500

I think it could be any or else above it

418

00:17:05,390 --> 00:17:04,199

just it depends on the case uh like I

419

00:17:07,730 --> 00:17:05,400

said sometimes it's just pure

420

00:17:09,770 --> 00:17:07,740

misadventure people being unprepared

421

00:17:12,409 --> 00:17:09,780

there are people that want to go missing

422

00:17:15,289 --> 00:17:12,419

you have people that uh just wander off

423

00:17:18,230 --> 00:17:15,299

and start a new life and that happens

424

00:17:20,870 --> 00:17:18,240

sometimes and there's no logins that you

425

00:17:23,210 --> 00:17:20,880

can go missing if you want to but I I

426

00:17:25,669 --> 00:17:23,220

think it's sad when they do that because

427

00:17:27,549 --> 00:17:25,679

uh the money that's spent for search and

428

00:17:30,950 --> 00:17:27,559

rescue if somebody wants to disappear

429

00:17:33,590 --> 00:17:30,960

but uh some cases it looks like it could

430

00:17:36,650 --> 00:17:33,600

be uh some sort of entity or Cryptid

431

00:17:38,570 --> 00:17:36,660

like Bigfoot some of it is uh I gave a

432

00:17:41,870 --> 00:17:38,580

talk about this in San Francisco back in

433

00:17:45,289 --> 00:17:41,880

March a lot of the uh disappearances are

434

00:17:47,450 --> 00:17:45,299

similar to alien abductee experiences is

435

00:17:50,330 --> 00:17:47,460

what they saw and what they remember I

436

00:17:52,490 --> 00:17:50,340

drew a nice parallel between that I I

437

00:17:54,890 --> 00:17:52,500

thought uh you know I said is it screen

438

00:17:57,289 --> 00:17:54,900

memories is it something that's been put

439

00:17:59,390 --> 00:17:57,299

there like quickly streamer remembers

440

00:18:02,570 --> 00:17:59,400

owls but then under hypnosis it was gray

441

00:18:04,010 --> 00:18:02,580

aliens so stuff that people see and

442

00:18:06,110 --> 00:18:04,020

experience in the woods is that really

443

00:18:08,029 --> 00:18:06,120

what they saw or experienced or was it

444

00:18:08,870 --> 00:18:08,039

something else

445

00:18:11,150 --> 00:18:08,880

um

446

00:18:13,130 --> 00:18:11,160

there there are animals there are no

447

00:18:14,690 --> 00:18:13,140

predators in the woods when you're out

448

00:18:17,930 --> 00:18:14,700

in the woods you're not the top of the

449

00:18:19,549 --> 00:18:17,940

food chain anymore but the bear attacks

450

00:18:22,789 --> 00:18:19,559

big cat attacks and things like that

451  
00:18:24,409 --> 00:18:22,799  
they're few and far between like in the

452  
00:18:25,850 --> 00:18:24,419  
the Great Smoky Mountains which is the

453  
00:18:28,070 --> 00:18:25,860  
most visited national park in the

454  
00:18:30,890 --> 00:18:28,080  
country sees anywhere from 12 to 15

455  
00:18:33,470 --> 00:18:30,900  
million visitors a year there's been I

456  
00:18:35,570 --> 00:18:33,480  
believe it's five fatal bear attacks

457  
00:18:38,930 --> 00:18:35,580  
since the park was founded back in the

458  
00:18:41,330 --> 00:18:38,940  
30s uh actually the the thing that's

459  
00:18:42,890 --> 00:18:41,340  
killed most people in the Smokies is

460  
00:18:45,950 --> 00:18:42,900  
flying over it in a small plane there's

461  
00:18:47,570 --> 00:18:45,960  
been 50 something plane crashes so don't

462  
00:18:51,110 --> 00:18:47,580  
mind the bears but stay out of those

463  
00:18:53,450 --> 00:18:51,120

small airplanes yeah really well

464

00:18:56,090 --> 00:18:53,460

together just it could be anything it's

465

00:18:57,650 --> 00:18:56,100

part of the above all the above I I said

466

00:18:58,630 --> 00:18:57,660

some of them do have a supernatural

467

00:19:01,010 --> 00:18:58,640

element

468

00:19:03,110 --> 00:19:01,020

but what I was getting to with the the

469

00:19:05,630 --> 00:19:03,120

animal attacks like that there would be

470

00:19:07,789 --> 00:19:05,640

some evidence I've seen forensic

471

00:19:11,210 --> 00:19:07,799

photographs of people that were killed

472

00:19:13,850 --> 00:19:11,220

by bear or of our moose or by a big cat

473

00:19:15,830 --> 00:19:13,860

there's blood there's torn clothing you

474

00:19:17,570 --> 00:19:15,840

know a bear is not going to eat your

475

00:19:19,370 --> 00:19:17,580

belt buckle or eat your hiking boots

476

00:19:22,370 --> 00:19:19,380

they'll they'll eat all they can and

477

00:19:24,590 --> 00:19:22,380

some of those animals will cash their

478

00:19:25,669 --> 00:19:24,600

kills to come back later but I mean

479

00:19:27,650 --> 00:19:25,679

there's going to be a disturbance

480

00:19:29,930 --> 00:19:27,660

there's going to be blood or some sort

481

00:19:32,210 --> 00:19:29,940

of forensic evidence it would be very

482

00:19:34,010 --> 00:19:32,220

rare for a big cat to just grab somebody

483

00:19:37,789 --> 00:19:34,020

and then take off with it with their

484

00:19:39,890 --> 00:19:37,799

being no evidence left whatsoever right

485

00:19:41,870 --> 00:19:39,900

but a lot of people try to explain it

486

00:19:43,310 --> 00:19:41,880

away like that and somebody was

487

00:19:44,450 --> 00:19:43,320

mentioned in the chat just a few minutes

488

00:19:47,029 --> 00:19:44,460

ago there was a little boy that went

489

00:19:50,049 --> 00:19:47,039

missing and claimed that a bear found

490

00:19:52,970 --> 00:19:50,059

him carried him back to its cave

491

00:19:54,289 --> 00:19:52,980

cuddled with him kept him warm and fed

492

00:19:56,870 --> 00:19:54,299

in berries

493

00:19:57,890 --> 00:19:56,880

well you and I know that bears don't do

494

00:20:00,770 --> 00:19:57,900

that

495

00:20:02,630 --> 00:20:00,780

I I would like for somebody to show the

496

00:20:04,430 --> 00:20:02,640

little boy a picture of like you've got

497

00:20:05,990 --> 00:20:04,440

on the screen there and say did the bear

498

00:20:08,210 --> 00:20:06,000

look like this

499

00:20:10,430 --> 00:20:08,220

but again usually when that happens it's

500

00:20:13,909 --> 00:20:10,440

children's that are so small they can't

501  
00:20:15,230 --> 00:20:13,919  
fully articulate what happened and then

502  
00:20:18,650 --> 00:20:15,240  
when they get older they may not even

503  
00:20:20,570 --> 00:20:18,660  
remember it fully yeah and I mean that

504  
00:20:22,549 --> 00:20:20,580  
brings me to a good point too and brings

505  
00:20:24,169 --> 00:20:22,559  
you to the point like somebody would

506  
00:20:25,909 --> 00:20:24,179  
show this to a kid and the kids will go

507  
00:20:27,529 --> 00:20:25,919  
yeah but they would also show them say

508  
00:20:28,730 --> 00:20:27,539  
your picture my picture and the kids

509  
00:20:31,669 --> 00:20:28,740  
would go yeah

510  
00:20:33,710 --> 00:20:31,679  
I mean and depending how small they are

511  
00:20:35,990 --> 00:20:33,720  
because I I have a toddler so I

512  
00:20:37,970 --> 00:20:36,000  
understand you know yeah and if you've

513  
00:20:40,430 --> 00:20:37,980

never seen or had no concept of a

514

00:20:43,970 --> 00:20:40,440

Bigfoot it might look like a bear to it

515

00:20:45,409 --> 00:20:43,980

yeah Donnie Cho there's asking yeah come

516

00:20:47,750 --> 00:20:45,419

across the stories accounts of people

517

00:20:50,630 --> 00:20:47,760

possibly being killed by Bigfoot or

518

00:20:52,850 --> 00:20:50,640

Dogman yes I've heard those often

519

00:20:55,789 --> 00:20:52,860

there's uh one video we're working on

520

00:20:58,070 --> 00:20:55,799

now about the Bennington triangle in uh

521

00:21:00,289 --> 00:20:58,080

Vermont a lot of strangers up there

522

00:21:03,230 --> 00:21:00,299

there's been Bigfoot sightings that go

523

00:21:06,950 --> 00:21:03,240

back to like the stagecoach days and the

524

00:21:08,330 --> 00:21:06,960

one story uh the stagecoach was stuck in

525

00:21:10,789 --> 00:21:08,340

the mud the driver is trying to get it

526

00:21:12,950 --> 00:21:10,799

unstuck this big hairy creature comes

527

00:21:15,350 --> 00:21:12,960

out of the woods looks in the coaches to

528

00:21:16,610 --> 00:21:15,360

people screams turns it over runs back

529

00:21:19,250 --> 00:21:16,620

into the woods I guess he didn't like

530

00:21:22,070 --> 00:21:19,260

what he saw but but in that same area

531

00:21:23,930 --> 00:21:22,080

they found a man a hunter a seasoned

532

00:21:25,730 --> 00:21:23,940

hunter that looked like he'd been

533

00:21:28,430 --> 00:21:25,740

crushed to death but he was just out in

534

00:21:30,529 --> 00:21:28,440

the woods and there's speculation that

535

00:21:33,409 --> 00:21:30,539

that was some kind of whatever the

536

00:21:36,110 --> 00:21:33,419

scripted or creature is that happens

537

00:21:37,909 --> 00:21:36,120

sometimes with missing person cases they

538

00:21:40,610 --> 00:21:37,919

will find somebody in a Boulder Field

539

00:21:42,409 --> 00:21:40,620

that looks like they've fallen from a

540

00:21:44,930 --> 00:21:42,419

considerable height but there's no

541

00:21:47,029 --> 00:21:44,940

height for them to have fallen from well

542

00:21:50,149 --> 00:21:47,039

some of the different tribes I think

543

00:21:51,529 --> 00:21:50,159

it's the Algonquin on in New England and

544

00:21:53,870 --> 00:21:51,539

I can't remember which tribe it is the

545

00:21:58,010 --> 00:21:53,880

Pacific Northwest but they have a legend

546

00:22:00,289 --> 00:21:58,020

of a creature that appears as a rock and

547

00:22:02,570 --> 00:22:00,299

it has the ability to open up and

548

00:22:04,789 --> 00:22:02,580

swallow people and then when it closes

549

00:22:08,390 --> 00:22:04,799

back it literally crushes him and then

550

00:22:10,370 --> 00:22:08,400

spits them back out so these people that

551  
00:22:12,950 --> 00:22:10,380  
they find in Boulder Fields I think if

552  
00:22:15,110 --> 00:22:12,960  
you've been crushed inside of a rock a

553  
00:22:17,330 --> 00:22:15,120  
rock creature you might look like you'd

554  
00:22:19,130 --> 00:22:17,340  
fallen from a great height that's just

555  
00:22:21,890 --> 00:22:19,140  
there's some stuff that there is no

556  
00:22:24,230 --> 00:22:21,900  
rational or scientific explanation and

557  
00:22:26,270 --> 00:22:24,240  
in a lot of these cases Occam's razor

558  
00:22:28,130 --> 00:22:26,280  
does work you know the the simplest

559  
00:22:29,930 --> 00:22:28,140  
explanation is usually the most accurate

560  
00:22:32,270 --> 00:22:29,940  
but some of these they're just there is

561  
00:22:34,669 --> 00:22:32,280  
no simple explanation

562  
00:22:36,289 --> 00:22:34,679  
no I totally agree with that we also

563  
00:22:37,190 --> 00:22:36,299

have another question from Vincent

564

00:22:40,610 --> 00:22:37,200

Richardson

565

00:22:45,169 --> 00:22:42,529

you thinkable is due to occult violence

566

00:22:46,490 --> 00:22:45,179

and rituals now there is some of that I

567

00:22:48,710 --> 00:22:46,500

went up into

568

00:22:51,110 --> 00:22:48,720

um Olympic National Park Olympic

569

00:22:52,909 --> 00:22:51,120

National Forest recently it's been a few

570

00:22:54,649 --> 00:22:52,919

months ago looking into some some

571

00:22:58,490 --> 00:22:54,659

missing and disappearances up there Ted

572

00:23:01,370 --> 00:22:58,500

Gunderson ex-fbi agent uh he has a whole

573

00:23:03,289 --> 00:23:01,380

theory about what's gone on there in the

574

00:23:06,169 --> 00:23:03,299

Olympic National Park in National Forest

575

00:23:08,810 --> 00:23:06,179

he claims that he knows of a place where

576  
00:23:11,930 --> 00:23:08,820  
there are dozens of bodies buried from

577  
00:23:14,390 --> 00:23:11,940  
people that were used in occult rituals

578  
00:23:15,950 --> 00:23:14,400  
blood sacrifice type stuff so I'm sure

579  
00:23:16,909 --> 00:23:15,960  
there's there's some of that that those

580  
00:23:19,909 --> 00:23:16,919  
go on

581  
00:23:22,370 --> 00:23:19,919  
uh I've in some of my wandering I've

582  
00:23:26,390 --> 00:23:22,380  
came across what I believe to be ritual

583  
00:23:28,130 --> 00:23:26,400  
sites but there wasn't any human uh

584  
00:23:29,570 --> 00:23:28,140  
victim or anything it was in there but

585  
00:23:30,789 --> 00:23:29,580  
I've seen where animals have been

586  
00:23:33,230 --> 00:23:30,799  
sacrificed

587  
00:23:34,789 --> 00:23:33,240  
and that that's frightening when you

588  
00:23:38,029 --> 00:23:34,799

come across a tableau like that and

589

00:23:39,409 --> 00:23:38,039

realize you know this is people that do

590

00:23:40,909 --> 00:23:39,419

things like that they're they're hiding

591

00:23:43,730 --> 00:23:40,919

in in the woods and doing it for a

592

00:23:46,010 --> 00:23:43,740

reason and I've got a story in my first

593

00:23:48,770 --> 00:23:46,020

book strange things in the woods about

594

00:23:50,630 --> 00:23:48,780

somebody that Came Upon a ritual site

595

00:23:53,090 --> 00:23:50,640

and they'd driven their car as far as

596

00:23:55,669 --> 00:23:53,100

they could and then walked in and they

597

00:23:58,789 --> 00:23:55,679

found like uh arrows and things made out

598

00:24:01,010 --> 00:23:58,799

of logs like Trail markers and they came

599

00:24:03,649 --> 00:24:01,020

out in this clearing and there was a a

600

00:24:06,230 --> 00:24:03,659

big circle there with logs that looked

601  
00:24:09,169 --> 00:24:06,240  
like maybe altars it was arranged in the

602  
00:24:11,149 --> 00:24:09,179  
the shape of a pentagram or Pentacle

603  
00:24:13,549 --> 00:24:11,159  
depending on which way it pointed but

604  
00:24:15,830 --> 00:24:13,559  
there was evidence there that uh a goose

605  
00:24:19,250 --> 00:24:15,840  
or some type of Big Bird had been

606  
00:24:22,669 --> 00:24:19,260  
sacrificed the guy gets kind of spooked

607  
00:24:24,529 --> 00:24:22,679  
and heads back to his car and he gets to

608  
00:24:26,990 --> 00:24:24,539  
his car where he parked and somebody had

609  
00:24:30,470 --> 00:24:27,000  
written beware on the windshield in mud

610  
00:24:32,149 --> 00:24:30,480  
so again people that do things in secret

611  
00:24:35,390 --> 00:24:32,159  
there there's a reason that it's in

612  
00:24:37,909 --> 00:24:35,400  
secret yeah no I I agree and to follow

613  
00:24:40,730 --> 00:24:37,919

that trail I mean he was pretty brave I

614

00:24:42,950 --> 00:24:40,740

mean I I wouldn't have well he wanted to

615

00:24:45,649 --> 00:24:42,960

see where it went and didn't really get

616

00:24:47,450 --> 00:24:45,659

an idea of what it was until he got to

617

00:24:49,669 --> 00:24:47,460

this clearing and there's a log

618

00:24:51,470 --> 00:24:49,679

pentagram an upside down crosses and

619

00:24:53,630 --> 00:24:51,480

things and then it's like okay maybe

620

00:24:57,669 --> 00:24:53,640

that wasn't such a good idea maybe I

621

00:25:00,110 --> 00:24:57,679

should go home how many of these cases

622

00:25:01,909 --> 00:25:00,120

do you think maybe involved the

623

00:25:03,710 --> 00:25:01,919

staircases in the woods do you think

624

00:25:05,330 --> 00:25:03,720

that has anything to do or do you just

625

00:25:08,750 --> 00:25:05,340

think it's you know like an urban legend

626

00:25:10,930 --> 00:25:08,760

I I I'm kind of in the middle on that

627

00:25:12,770 --> 00:25:10,940

one uh it's supposedly like a

628

00:25:14,750 --> 00:25:12,780

creepypasta or something that's just

629

00:25:16,610 --> 00:25:14,760

been made up but then I've talked to

630

00:25:18,710 --> 00:25:16,620

people that swear they came across the

631

00:25:20,330 --> 00:25:18,720

staircases in the woods now I've seen

632

00:25:22,850 --> 00:25:20,340

old home sites and things like that

633

00:25:24,529 --> 00:25:22,860

where there might be you know some steps

634

00:25:26,810 --> 00:25:24,539

or Foundation or something left but

635

00:25:29,510 --> 00:25:26,820

they're talking about actual staircases

636

00:25:31,970 --> 00:25:29,520

but my thinking on that that if it is

637

00:25:34,190 --> 00:25:31,980

something Supernatural or paranormal if

638

00:25:36,830 --> 00:25:34,200

you had some kind of craft that you had

639

00:25:38,390 --> 00:25:36,840

to land in the woods regularly in a

640

00:25:40,730 --> 00:25:38,400

certain place or you say you had a

641

00:25:43,090 --> 00:25:40,740

portal that could open up that's you'd

642

00:25:45,710 --> 00:25:43,100

want a set of stairs there

643

00:25:47,690 --> 00:25:45,720

I'm old enough to remember the old jet

644

00:25:50,149 --> 00:25:47,700

planes when you landed and they would

645

00:25:51,409 --> 00:25:50,159

roll the stairway out onto the tarmac

646

00:25:53,390 --> 00:25:51,419

and you would come off the plane and

647

00:25:56,090 --> 00:25:53,400

down the stairs same concept maybe

648

00:25:58,190 --> 00:25:56,100

something lands or something opens up

649

00:26:00,169 --> 00:25:58,200

and oh here's your stairs there you go

650

00:26:03,529 --> 00:26:00,179

watch your step thank you for

651

00:26:08,930 --> 00:26:06,169

actually a good one I actually

652

00:26:10,669 --> 00:26:08,940

but I I don't know who would be like I

653

00:26:13,549 --> 00:26:10,679

don't want to say dumb enough but brave

654

00:26:15,289 --> 00:26:13,559

enough maybe to go up the stairs I've

655

00:26:18,350 --> 00:26:15,299

been asked that question if I ever came

656

00:26:20,390 --> 00:26:18,360

across a set of stairs would I go up or

657

00:26:22,610 --> 00:26:20,400

if I've ever saw what looked like a

658

00:26:24,769 --> 00:26:22,620

portal would I stepped through it uh if

659

00:26:26,450 --> 00:26:24,779

I had my dog with me I would I've got a

660

00:26:29,330 --> 00:26:26,460

cat now too so I'd have to have both of

661

00:26:32,630 --> 00:26:29,340

them got a cat for my birthday but uh

662

00:26:34,909 --> 00:26:32,640

yeah but Sandy my channel manager gave

663

00:26:37,310 --> 00:26:34,919

me a black cat named Ben's always wanted

664

00:26:39,470 --> 00:26:37,320

a cat and always wanted the black one my

665

00:26:41,210 --> 00:26:39,480

mom would let me have cats and she was

666

00:26:43,610 --> 00:26:41,220

so superstitious I could have never had

667

00:26:45,890 --> 00:26:43,620

a black one so but anyway yeah if I had

668

00:26:48,470 --> 00:26:45,900

my animals with me I would like to step

669

00:26:50,690 --> 00:26:48,480

through but a part of me with the kiddos

670

00:26:53,149 --> 00:26:50,700

is it going to be like the old old Land

671

00:26:55,370 --> 00:26:53,159

of the Lost TV show from the 70s where

672

00:26:58,909 --> 00:26:55,380

I'd be fighting dinosaurs and sleest

673

00:27:01,190 --> 00:26:58,919

acts and you know that sort of thing but

674

00:27:02,630 --> 00:27:01,200

I just oh go ahead I don't know you know

675

00:27:04,549 --> 00:27:02,640

just because what if she couldn't come

676  
00:27:06,710 --> 00:27:04,559  
back but then again maybe you wouldn't

677  
00:27:09,110 --> 00:27:06,720  
want to what if it was a wonderful ice

678  
00:27:10,669 --> 00:27:09,120  
and and you liked it maybe that's why

679  
00:27:12,710 --> 00:27:10,679  
sometimes people go missing and don't

680  
00:27:15,590 --> 00:27:12,720  
come back they don't want to come back

681  
00:27:18,230 --> 00:27:15,600  
yeah no I agree it's hard to think about

682  
00:27:19,789 --> 00:27:18,240  
it right and I I have to say black cats

683  
00:27:21,890 --> 00:27:19,799  
are the best I have two of them they're

684  
00:27:25,250 --> 00:27:21,900  
the best animals they they're just so

685  
00:27:27,110 --> 00:27:25,260  
loving yeah Thomas Carroll says that uh

686  
00:27:29,330 --> 00:27:27,120  
cats on Parade says hi to business

687  
00:27:31,970 --> 00:27:29,340  
that's my new cat now I know she's got

688  
00:27:34,250 --> 00:27:31,980

four black cats uh Sandy my channel

689

00:27:37,130 --> 00:27:34,260

manager here she's got uh seven cats

690

00:27:38,990 --> 00:27:37,140

five of them were black but Benton's

691

00:27:41,570 --> 00:27:39,000

just immediately decided I was her

692

00:27:44,570 --> 00:27:41,580

favorite human and attached herself to

693

00:27:47,810 --> 00:27:44,580

me as soon as I got here so that's how

694

00:27:50,210 --> 00:27:47,820

she ended up because mine or I'm hers or

695

00:27:51,830 --> 00:27:50,220

whatever but uh I think cats are

696

00:27:54,169 --> 00:27:51,840

intuitive I've seen these cats this

697

00:27:55,730 --> 00:27:54,179

house has some activity in it and I've

698

00:27:57,230 --> 00:27:55,740

seen the cats like staring at something

699

00:27:59,390 --> 00:27:57,240

down at the end of the hall that nobody

700

00:28:02,390 --> 00:27:59,400

else can see and then after a little

701  
00:28:04,610 --> 00:28:02,400  
research we did find out that uh back in

702  
00:28:07,250 --> 00:28:04,620  
86 a lady passed away in that back

703  
00:28:09,830 --> 00:28:07,260  
bathroom uh she had a stage four breast

704  
00:28:13,250 --> 00:28:09,840  
cancer and didn't want to go out like

705  
00:28:16,130 --> 00:28:13,260  
that so she uh overdosed and uh died in

706  
00:28:18,890 --> 00:28:16,140  
the bathroom back there and uh I've seen

707  
00:28:20,570 --> 00:28:18,900  
what looked like the Hem of a house coat

708  
00:28:22,070 --> 00:28:20,580  
or something go around the corner into

709  
00:28:26,269 --> 00:28:22,080  
that room when there was nobody back

710  
00:28:28,850 --> 00:28:26,279  
there and had some uh audio some clear

711  
00:28:31,789 --> 00:28:28,860  
audience experiences here too

712  
00:28:34,789 --> 00:28:31,799  
oh my goodness so your house is really

713  
00:28:36,830 --> 00:28:34,799

really a good house then yeah there's at

714

00:28:38,630 --> 00:28:36,840

least three Spirits here but this isn't

715

00:28:41,450 --> 00:28:38,640

even the most active house I lived in I

716

00:28:42,830 --> 00:28:41,460

lived in one in Las Vegas that was built

717

00:28:46,010 --> 00:28:42,840

back in the 30s

718

00:28:47,750 --> 00:28:46,020

in an area where at that time there was

719

00:28:49,730 --> 00:28:47,760

no Las Vegas strip until the 40s

720

00:28:51,890 --> 00:28:49,740

everything was down on Fremont Street

721

00:28:54,169 --> 00:28:51,900

and where this house was would have been

722

00:28:56,990 --> 00:28:54,179

in the middle of the desert and it had

723

00:29:00,010 --> 00:28:57,000

been a mob safe house uh that had a

724

00:29:02,810 --> 00:29:00,020

hidden room behind a bookcase downstairs

725

00:29:04,430 --> 00:29:02,820

I was out checking my mail one day and I

726  
00:29:06,230 --> 00:29:04,440  
felt somebody looking at me and I turned

727  
00:29:07,850 --> 00:29:06,240  
around there's a elderly gentleman

728  
00:29:10,370 --> 00:29:07,860  
standing there and I'm like can I help

729  
00:29:12,350 --> 00:29:10,380  
you and he said forgive me for staring

730  
00:29:14,870 --> 00:29:12,360  
but I just wondered what kind of person

731  
00:29:17,570 --> 00:29:14,880  
could live in that house and then he

732  
00:29:19,850 --> 00:29:17,580  
he'd lived there since the 50s I think

733  
00:29:23,269 --> 00:29:19,860  
and he knew all these stories there was

734  
00:29:25,190 --> 00:29:23,279  
uh so the Bob safe house I think that

735  
00:29:27,350 --> 00:29:25,200  
basement room behind the bookcase it was

736  
00:29:29,029 --> 00:29:27,360  
just a bare room with a drain in the

737  
00:29:30,830 --> 00:29:29,039  
floor I think there was people that went

738  
00:29:33,430 --> 00:29:30,840

in there that didn't come back out in

739

00:29:38,389 --> 00:29:36,409

and uh he also said that during the 70s

740

00:29:40,549 --> 00:29:38,399

there was some kind of religious cult

741

00:29:42,889 --> 00:29:40,559

that lived there and held ceremonies and

742

00:29:45,409 --> 00:29:42,899

uh my roommate actually heard people

743

00:29:46,549 --> 00:29:45,419

talking and chanting once coming from

744

00:29:49,250 --> 00:29:46,559

the downstairs where there was nobody

745

00:29:50,570 --> 00:29:49,260

there she thought it was me uh called me

746

00:29:53,090 --> 00:29:50,580

on my phone and said were you just

747

00:29:54,590 --> 00:29:53,100

downstairs I'm like I was doing a photo

748

00:29:56,870 --> 00:29:54,600

shoot I'm like no I'm out in Red Rock

749

00:29:59,470 --> 00:29:56,880

Canyon I've been out here since daylight

750

00:30:03,289 --> 00:29:59,480

she's like can I come out there

751

00:30:06,049 --> 00:30:03,299

but uh there's other times like uh

752

00:30:08,029 --> 00:30:06,059

it has it had a like a Roman tub in the

753

00:30:10,130 --> 00:30:08,039

upstairs bathroom anytime I ever tried

754

00:30:12,830 --> 00:30:10,140

to take a soak it sounded would sound

755

00:30:15,470 --> 00:30:12,840

like somebody dragging a metal garbage

756

00:30:17,930 --> 00:30:15,480

can full of scrap metal up and down the

757

00:30:20,570 --> 00:30:17,940

hallway and never could find anything

758

00:30:23,210 --> 00:30:20,580

would hear people sounded like walking

759

00:30:26,330 --> 00:30:23,220

either on the roof or up in the attic

760

00:30:28,789 --> 00:30:26,340

and we had motion detectors and alarms

761

00:30:30,649 --> 00:30:28,799

and cameras never saw anything but

762

00:30:33,470 --> 00:30:30,659

that's the most active house I've ever

763

00:30:35,570 --> 00:30:33,480

made in I've got a video about it over

764

00:30:37,549 --> 00:30:35,580

on 13 past midnight I think I was into a

765

00:30:40,310 --> 00:30:37,559

lot more detail

766

00:30:42,049 --> 00:30:40,320

so we also have two questions

767

00:30:44,450 --> 00:30:42,059

um one from Thomas Carroll what are your

768

00:30:45,710 --> 00:30:44,460

thoughts there's a sleep stack so I

769

00:30:47,570 --> 00:30:45,720

might have to fight if I go through a

770

00:30:49,970 --> 00:30:47,580

portal

771

00:30:52,970 --> 00:30:49,980

what is your thoughts on the Devoto pass

772

00:30:55,070 --> 00:30:52,980

incident in Russia uh yeah we'll pass

773

00:30:57,529 --> 00:30:55,080

that that's a strange one I don't

774

00:30:59,450 --> 00:30:57,539

believe the official explanation that it

775

00:31:00,409 --> 00:30:59,460

was an avalanche

776

00:31:02,149 --> 00:31:00,419

um

777

00:31:03,889 --> 00:31:02,159

some of those people were found with

778

00:31:05,810 --> 00:31:03,899

their tongues ripped out

779

00:31:07,250 --> 00:31:05,820

I don't think an avalanche can rip your

780

00:31:08,990 --> 00:31:07,260

tongue out I mean I guess Anything could

781

00:31:11,690 --> 00:31:09,000

happen if you're being covered in

782

00:31:13,730 --> 00:31:11,700

rushing snow and ice but there were

783

00:31:16,850 --> 00:31:13,740

people that looked like they had

784

00:31:19,490 --> 00:31:16,860

literally cut the tent and ran out with

785

00:31:21,649 --> 00:31:19,500

uh either no or very little clothes on

786

00:31:24,169 --> 00:31:21,659

I I think there was something else

787

00:31:25,789 --> 00:31:24,179

entirely happened there and if I'm

788

00:31:28,549 --> 00:31:25,799

remembering correctly I think the

789

00:31:31,549 --> 00:31:28,559

there's High radiation levels Mary did

790

00:31:34,190 --> 00:31:31,559

uh measured in that area too

791

00:31:36,049 --> 00:31:34,200

so I just again I don't believe the

792

00:31:38,690 --> 00:31:36,059

official explanation there's more to

793

00:31:40,070 --> 00:31:38,700

that story right

794

00:31:42,769 --> 00:31:40,080

um so I'm gonna probably butcher her

795

00:31:47,090 --> 00:31:42,779

name and I'm so I'm so sorry uh

796

00:31:50,029 --> 00:31:47,100

Gray says or asks is the little girl who

797

00:31:52,970 --> 00:31:50,039

was berry picking from Tennessee in the

798

00:31:54,230 --> 00:31:52,980

1950s I believe yeah that that's a

799

00:31:56,690 --> 00:31:54,240

different case than the one I was

800

00:31:58,250 --> 00:31:56,700

speaking of that was a recent one I

801  
00:31:59,990 --> 00:31:58,260  
believe I've done so many of these

802  
00:32:03,409 --> 00:32:00,000  
sometimes they get jumbled up in my head

803  
00:32:05,330 --> 00:32:03,419  
I've got a a master spreadsheet that's

804  
00:32:07,610 --> 00:32:05,340  
got just about every case we've ever

805  
00:32:09,950 --> 00:32:07,620  
covered and there's literally hundreds

806  
00:32:12,409 --> 00:32:09,960  
if not thousands of them on there but I

807  
00:32:15,049 --> 00:32:12,419  
I know the one you're talking about and

808  
00:32:17,690 --> 00:32:15,059  
that that's a different one there's I

809  
00:32:20,149 --> 00:32:17,700  
said a prevalence of that sometimes

810  
00:32:22,310 --> 00:32:20,159  
people that are picking berries tend to

811  
00:32:26,090 --> 00:32:22,320  
go missing

812  
00:32:27,590 --> 00:32:26,100  
picking berries I don't know if the

813  
00:32:29,870 --> 00:32:27,600

berry picking had anything to do with it

814

00:32:31,190 --> 00:32:29,880

uh people that go rare or they're

815

00:32:35,990 --> 00:32:31,200

wearing red

816

00:32:38,769 --> 00:32:36,000

I'll get it phrased right here they also

817

00:32:41,570 --> 00:32:38,779

tend to be of German descent

818

00:32:43,549 --> 00:32:41,580

a lot of times it's uh people that are

819

00:32:45,590 --> 00:32:43,559

in Peak physical condition

820

00:32:47,450 --> 00:32:45,600

that that go missing you think it'd be

821

00:32:49,549 --> 00:32:47,460

just the opposite somebody that that

822

00:32:50,690 --> 00:32:49,559

wasn't very Trail Hardy you could see

823

00:32:53,389 --> 00:32:50,700

something happen to them but there's

824

00:32:55,370 --> 00:32:53,399

people that are like Trail Runners the

825

00:32:56,210 --> 00:32:55,380

before the show I was talking about that

826

00:32:58,070 --> 00:32:56,220

uh

827

00:33:00,889 --> 00:32:58,080

guy that went missing upon molo's past

828

00:33:02,570 --> 00:33:00,899

when I went up there recently to film an

829

00:33:05,690 --> 00:33:02,580

intro and outro for the video about him

830

00:33:07,310 --> 00:33:05,700

he was uh setting up a trail run up

831

00:33:09,830 --> 00:33:07,320

there like a 30 mile run through the

832

00:33:11,690 --> 00:33:09,840

mountains so these are people that that

833

00:33:14,269 --> 00:33:11,700

know the mountains and know these trails

834

00:33:16,970 --> 00:33:14,279

and things and that seems strange to me

835

00:33:18,889 --> 00:33:16,980

that people like that could go missing

836

00:33:20,810 --> 00:33:18,899

and uh

837

00:33:22,009 --> 00:33:20,820

what are some of the other factors I

838

00:33:23,930 --> 00:33:22,019

said people wearing red people with

839

00:33:27,110 --> 00:33:23,940

German descent people in Peak physical

840

00:33:29,570 --> 00:33:27,120

condition people that uh go missing tend

841

00:33:33,230 --> 00:33:29,580

to be either very very highly educated

842

00:33:35,570 --> 00:33:33,240

like PhD level or on the autism spectrum

843

00:33:38,450 --> 00:33:35,580

there's not a lot of people in the

844

00:33:40,490 --> 00:33:38,460

middle there the the missing it makes

845

00:33:44,149 --> 00:33:40,500

you wonder why it's almost like

846

00:33:46,430 --> 00:33:44,159

something is picking certain people like

847

00:33:48,889 --> 00:33:46,440

but I you know I don't know it's it's

848

00:33:50,389 --> 00:33:48,899

something to think about and the red you

849

00:33:53,690 --> 00:33:50,399

would think that anybody wearing red

850

00:33:55,490 --> 00:33:53,700

would be easy to spot but uh Dennis

851  
00:33:58,149 --> 00:33:55,500  
Martin was wearing a red jacket when he

852  
00:34:00,950 --> 00:33:58,159  
disappeared there was a college age girl

853  
00:34:04,070 --> 00:34:00,960  
disappeared in I think the 40s maybe

854  
00:34:06,049 --> 00:34:04,080  
before in the the Bennington triangle

855  
00:34:08,030 --> 00:34:06,059  
that I was talking about there she was

856  
00:34:10,970 --> 00:34:08,040  
wearing a red coat

857  
00:34:12,889 --> 00:34:10,980  
so there's I think one of the strangest

858  
00:34:14,810 --> 00:34:12,899  
ones we ever

859  
00:34:17,869 --> 00:34:14,820  
covered was a guy that went missing from

860  
00:34:19,250 --> 00:34:17,879  
a bus he had ridden to have dinner with

861  
00:34:21,649 --> 00:34:19,260  
his family

862  
00:34:22,510 --> 00:34:21,659  
got back on the bus people saw him on

863  
00:34:27,169 --> 00:34:22,520

the bus

864

00:34:29,389 --> 00:34:27,179

was supposed to get off he was no longer

865

00:34:32,629 --> 00:34:29,399

on the bus the bus hadn't stopped

866

00:34:35,030 --> 00:34:32,639

anywhere he didn't go out the window out

867

00:34:36,889 --> 00:34:35,040

the back door or anything and his stuff

868

00:34:38,810 --> 00:34:36,899

was still on the bus he'd had I think a

869

00:34:39,829 --> 00:34:38,820

notebook and a pencil and a backpack

870

00:34:43,190 --> 00:34:39,839

with him

871

00:34:45,349 --> 00:34:43,200

and uh his wife had also disappeared I

872

00:34:48,349 --> 00:34:45,359

think that they believed that was she

873

00:34:51,290 --> 00:34:48,359

and I just took off and uh he was a

874

00:34:54,169 --> 00:34:51,300

veteran but yeah he disappeared from a

875

00:34:56,869 --> 00:34:54,179

bus from a vehicle so that that's really

876

00:34:58,790 --> 00:34:56,879

starting circumstance yeah that that

877

00:35:00,230 --> 00:34:58,800

seems odd that like no not even the bus

878

00:35:02,510 --> 00:35:00,240

driver you would think the bus driver

879

00:35:04,370 --> 00:35:02,520

would have saw him even get up or move

880

00:35:06,589 --> 00:35:04,380

because they're supposed to be able to

881

00:35:08,150 --> 00:35:06,599

you know a bus driver and the people

882

00:35:10,430 --> 00:35:08,160

there

883

00:35:12,410 --> 00:35:10,440

you know said no he was on the bus and

884

00:35:13,910 --> 00:35:12,420

then suddenly he just wasn't anymore he

885

00:35:16,310 --> 00:35:13,920

didn't get off any of the stops he

886

00:35:18,109 --> 00:35:16,320

wasn't on the bus at the final stop and

887

00:35:20,569 --> 00:35:18,119

this stuff was still there

888

00:35:22,730 --> 00:35:20,579

and uh catheter gray is also asked you

889

00:35:24,170 --> 00:35:22,740

know she's a friend of mine too uh also

890

00:35:25,790 --> 00:35:24,180

the thoughts about the weather that

891

00:35:28,849 --> 00:35:25,800

takes a bad turn when looking for the

892

00:35:31,310 --> 00:35:28,859

missing that happens very frequently but

893

00:35:32,750 --> 00:35:31,320

now the the debunkers will say that in a

894

00:35:34,970 --> 00:35:32,760

lot of these places where people go

895

00:35:37,130 --> 00:35:34,980

missing national parks and things for

896

00:35:39,710 --> 00:35:37,140

example the weather can change real

897

00:35:41,270 --> 00:35:39,720

quick and the Smokies of hiked up to

898

00:35:43,430 --> 00:35:41,280

Clingmans Dome before the highest point

899

00:35:46,550 --> 00:35:43,440

in the smokies and by the time I got up

900

00:35:48,170 --> 00:35:46,560

to the The Overlook there uh fog had

901  
00:35:50,210 --> 00:35:48,180  
rolled in or it started raining or

902  
00:35:52,550 --> 00:35:50,220  
something so bad weather can happen

903  
00:35:55,430 --> 00:35:52,560  
anywhere in the outdoors but it does

904  
00:35:58,130 --> 00:35:55,440  
seem strange that it coincides when

905  
00:36:00,589 --> 00:35:58,140  
people go missing a lot of times when

906  
00:36:02,450 --> 00:36:00,599  
people have gone missing a kind of a

907  
00:36:04,849 --> 00:36:02,460  
freak rainstorm will come in or a

908  
00:36:07,609 --> 00:36:04,859  
snowstorm or something that's it's

909  
00:36:09,470 --> 00:36:07,619  
almost like something is manipulating

910  
00:36:12,410 --> 00:36:09,480  
the weather to hamper these search

911  
00:36:14,930 --> 00:36:12,420  
efforts now again that's it's easy to uh

912  
00:36:17,630 --> 00:36:14,940  
connect the dots going backwards but

913  
00:36:19,370 --> 00:36:17,640

I it happens too often I think to be

914

00:36:22,550 --> 00:36:19,380

coincidence I'm not a big believer in

915

00:36:25,069 --> 00:36:22,560

coincidence anyway I think things happen

916

00:36:27,410 --> 00:36:25,079

for a reason or people do things for a

917

00:36:31,310 --> 00:36:29,150

um a case and I can't remember the guy's

918

00:36:33,230 --> 00:36:31,320

name but he I think he was leaving a

919

00:36:35,990 --> 00:36:33,240

restaurant he was on the phone with like

920

00:36:38,870 --> 00:36:36,000

his girlfriend or something he was very

921

00:36:41,630 --> 00:36:38,880

frantic and she could hear him either

922

00:36:44,750 --> 00:36:41,640

being abducted or something along those

923

00:36:45,950 --> 00:36:44,760

lines yeah that's uh there's a few cases

924

00:36:47,810 --> 00:36:45,960

like that but I think the one in

925

00:36:50,569 --> 00:36:47,820

particular you're talking about is the

926  
00:36:51,890 --> 00:36:50,579  
Henry McCabe case uh he had been out

927  
00:36:52,970 --> 00:36:51,900  
with some friends I think they've been

928  
00:36:56,210 --> 00:36:52,980  
to a meeting and then they had some

929  
00:36:58,490 --> 00:36:56,220  
drinks and instead of taking him at home

930  
00:36:59,750 --> 00:36:58,500  
they took his keys from him instead of

931  
00:37:02,089 --> 00:36:59,760  
giving him a ride home they dropped him

932  
00:37:04,390 --> 00:37:02,099  
at a gas station and he was trying to

933  
00:37:06,829 --> 00:37:04,400  
walk and find somebody that's the one

934  
00:37:09,170 --> 00:37:06,839  
where you could that's some of the most

935  
00:37:10,730 --> 00:37:09,180  
chilling audio I've ever heard it

936  
00:37:13,190 --> 00:37:10,740  
literally sounds like he's being held

937  
00:37:15,410 --> 00:37:13,200  
underwater and he's screaming and you

938  
00:37:18,290 --> 00:37:15,420

can hear what sounds like a voice

939

00:37:20,990 --> 00:37:18,300

in the background say quiet or hush or

940

00:37:22,490 --> 00:37:21,000

something like that and there's been

941

00:37:24,890 --> 00:37:22,500

some others like that we covered one

942

00:37:26,450 --> 00:37:24,900

case where a guy had been to uh some

943

00:37:28,910 --> 00:37:26,460

kind of sporting event I think that was

944

00:37:31,190 --> 00:37:28,920

in Boston and he was outside the stadium

945

00:37:33,050 --> 00:37:31,200

called his girlfriend she was coming to

946

00:37:35,150 --> 00:37:33,060

pick him up and literally she was just

947

00:37:37,490 --> 00:37:35,160

around the corner she comes around the

948

00:37:38,990 --> 00:37:37,500

corner he's nowhere to be seen she gets

949

00:37:42,170 --> 00:37:39,000

out looks for him they found his cell

950

00:37:43,849 --> 00:37:42,180

phone smashed on the ground and uh

951  
00:37:44,990 --> 00:37:43,859  
I'm trying to remember because there's

952  
00:37:46,790 --> 00:37:45,000  
been a lot of these people that are

953  
00:37:49,310 --> 00:37:46,800  
found later in the water

954  
00:37:50,810 --> 00:37:49,320  
but uh but no evidence of them having

955  
00:37:52,730 --> 00:37:50,820  
ground like

956  
00:37:54,829 --> 00:37:52,740  
I can't remember if he was found in the

957  
00:37:56,210 --> 00:37:54,839  
water if he wasn't found at all but

958  
00:37:58,910 --> 00:37:56,220  
there's there's some like that there was

959  
00:38:01,130 --> 00:37:58,920  
a case in Ohio where a guy was seen on

960  
00:38:04,310 --> 00:38:01,140  
CCTV going into a bar

961  
00:38:06,890 --> 00:38:04,320  
and he never came back out of the bar

962  
00:38:07,730 --> 00:38:06,900  
but uh he was never found never seen

963  
00:38:09,950 --> 00:38:07,740

again

964

00:38:12,109 --> 00:38:09,960

right and then like I said there's some

965

00:38:14,390 --> 00:38:12,119

cases where people are found in the

966

00:38:16,490 --> 00:38:14,400

water and they may have been missing for

967

00:38:18,890 --> 00:38:16,500

a couple of weeks but the body's only

968

00:38:21,290 --> 00:38:18,900

been in the water for a few days so

969

00:38:24,470 --> 00:38:21,300

where were they who had them who put

970

00:38:26,150 --> 00:38:24,480

them in the water there's a smiley face

971

00:38:28,430 --> 00:38:26,160

killer Theory that's another one that

972

00:38:30,410 --> 00:38:28,440

Ted Gunderson the the one that talks

973

00:38:32,690 --> 00:38:30,420

about the occult ritual killings and

974

00:38:34,730 --> 00:38:32,700

stuff he talks about that too that he

975

00:38:37,730 --> 00:38:34,740

thinks there's a a group of people

976

00:38:41,089 --> 00:38:37,740

somehow organized group of serial

977

00:38:43,730 --> 00:38:41,099

killers as it were that that take these

978

00:38:47,210 --> 00:38:43,740

people and then leave them places and uh

979

00:38:49,190 --> 00:38:47,220

usually near or right exactly where

980

00:38:51,589 --> 00:38:49,200

bodies found there'll be a smiley face

981

00:38:53,569 --> 00:38:51,599

painted spray painted there but then

982

00:38:54,770 --> 00:38:53,579

again you've got to explain that away

983

00:38:57,829 --> 00:38:54,780

that's probably the most popular

984

00:39:00,170 --> 00:38:57,839

graffiti in the world is a smiley face

985

00:39:03,109 --> 00:39:00,180

so is it coincidence that that's found

986

00:39:05,390 --> 00:39:03,119

near these murder science or is that you

987

00:39:07,370 --> 00:39:05,400

know some sort of clue or a hint there

988

00:39:09,530 --> 00:39:07,380

are killers like that who like to taunt

989

00:39:12,230 --> 00:39:09,540

the police people like the Zodiac Killer

990

00:39:15,829 --> 00:39:12,240

Jack the Ripper people that would send

991

00:39:17,210 --> 00:39:15,839

letters you know so yeah who knows and

992

00:39:19,670 --> 00:39:17,220

you would think if somebody was being

993

00:39:22,430 --> 00:39:19,680

abducted from a public place

994

00:39:24,650 --> 00:39:22,440

people would Witnesses yeah and that's

995

00:39:26,569 --> 00:39:24,660

like the little girl that we talked

996

00:39:29,569 --> 00:39:26,579

about to Sherry

997

00:39:32,030 --> 00:39:29,579

um somebody their other mothers there

998

00:39:34,010 --> 00:39:32,040

picking up their children her dad was

999

00:39:35,390 --> 00:39:34,020

standing at the end of the driveway and

1000

00:39:37,730 --> 00:39:35,400

like you said it's you could literally

1001  
00:39:40,069 --> 00:39:37,740  
see down to where the bus stop was but

1002  
00:39:42,890 --> 00:39:40,079  
nobody saw a thing and there was also

1003  
00:39:45,530 --> 00:39:42,900  
strange weather in that case as well

1004  
00:39:47,270 --> 00:39:45,540  
and uh Vincent's asking there are the

1005  
00:39:49,430 --> 00:39:47,280  
faith to blame for some of the missing

1006  
00:39:52,250 --> 00:39:49,440  
now the odd thing about that

1007  
00:39:54,109 --> 00:39:52,260  
you can find people to talk about UFOs

1008  
00:39:55,790 --> 00:39:54,119  
with you all day you can find people

1009  
00:39:58,250 --> 00:39:55,800  
that will talk about Bigfoot with you

1010  
00:40:00,710 --> 00:39:58,260  
all day but you mentioned the FAE and

1011  
00:40:03,950 --> 00:40:00,720  
people will literally laugh at you but

1012  
00:40:05,270 --> 00:40:03,960  
if you look into that we've got some

1013  
00:40:06,890 --> 00:40:05,280

videos over there called the missing and

1014

00:40:09,530 --> 00:40:06,900

the faith Theory

1015

00:40:11,630 --> 00:40:09,540

and uh if you look into that

1016

00:40:13,609 --> 00:40:11,640

especially in some of the Celtic

1017

00:40:16,730 --> 00:40:13,619

countries where the FAE belief in the

1018

00:40:18,950 --> 00:40:16,740

fairy folk is almost a religion right

1019

00:40:22,670 --> 00:40:18,960

they they have stories going back to

1020

00:40:24,349 --> 00:40:22,680

like 17 1800s of uh Little Men coming

1021

00:40:27,950 --> 00:40:24,359

out of the sky in a Horseless Carriage

1022

00:40:30,650 --> 00:40:27,960

well that's a UFO incident or they talk

1023

00:40:32,270 --> 00:40:30,660

about hairy Giants the the Cherokee and

1024

00:40:34,430 --> 00:40:32,280

some of the other tribes have Legends of

1025

00:40:37,130 --> 00:40:34,440

Harry Giants but if you put that all

1026

00:40:40,190 --> 00:40:37,140

into the context of the FAE and you

1027

00:40:41,450 --> 00:40:40,200

study all the different types of fake

1028

00:40:43,670 --> 00:40:41,460

creatures there are some of them are

1029

00:40:45,829 --> 00:40:43,680

like Elementals they're it's not like

1030

00:40:48,170 --> 00:40:45,839

these little Tinkerbell things they're

1031

00:40:49,670 --> 00:40:48,180

they're like scary and they like to they

1032

00:40:52,190 --> 00:40:49,680

don't like humans

1033

00:40:54,650 --> 00:40:52,200

and uh if you kind of put the faith

1034

00:40:56,150 --> 00:40:54,660

Theory into thought there it sort of

1035

00:40:59,089 --> 00:40:56,160

ties everything together with a nice

1036

00:41:01,069 --> 00:40:59,099

little bow uh the fair supposedly known

1037

00:41:03,230 --> 00:41:01,079

to steal children to keep their

1038

00:41:06,109 --> 00:41:03,240

bloodlines going or they'll steal a kid

1039

00:41:08,930 --> 00:41:06,119

and put a fake head back you know a

1040

00:41:10,250 --> 00:41:08,940

changeling uh they have creatures like I

1041

00:41:13,069 --> 00:41:10,260

said they come out of the sky and they

1042

00:41:15,710 --> 00:41:13,079

have hairy giant type creatures you can

1043

00:41:18,490 --> 00:41:15,720

solve a lot of this paranormal stuff by

1044

00:41:20,510 --> 00:41:18,500

putting it in that context so

1045

00:41:22,910 --> 00:41:20,520

I don't know

1046

00:41:25,730 --> 00:41:22,920

but it it's interesting to think about

1047

00:41:29,089 --> 00:41:25,740

it to put it in that that context

1048

00:41:33,829 --> 00:41:31,190

teddy bear took care

1049

00:41:36,290 --> 00:41:33,839

this took care I mean

1050

00:41:38,870 --> 00:41:36,300

you just you have to wonder with that

1051

00:41:41,089 --> 00:41:38,880

and I I tend to lean towards the faith

1052

00:41:43,069 --> 00:41:41,099

area on some of it I I tend to fall on

1053

00:41:45,770 --> 00:41:43,079

the camp where it's possibly Faye and

1054

00:41:48,230 --> 00:41:45,780

maybe a portal you know that's that's

1055

00:41:50,390 --> 00:41:48,240

where I tend to fall in between yeah and

1056

00:41:52,730 --> 00:41:50,400

like I said there's there's depending on

1057

00:41:54,109 --> 00:41:52,740

the case you can make an argument for a

1058

00:41:56,270 --> 00:41:54,119

lot of different things like that and

1059

00:41:59,030 --> 00:41:56,280

some of them the ones that don't fit any

1060

00:42:02,329 --> 00:41:59,040

rational or scientific explanation yeah

1061

00:42:04,069 --> 00:42:02,339

I think Bigfoot UFOs portals the FAE I

1062

00:42:05,630 --> 00:42:04,079

think it could be any water mixture of

1063

00:42:08,030 --> 00:42:05,640

all those and maybe they even work in

1064

00:42:10,010 --> 00:42:08,040

conjunction with one another but the

1065

00:42:13,069 --> 00:42:10,020

faith Theory makes the most sense to me

1066

00:42:15,349 --> 00:42:13,079

as far as tying it all up together like

1067

00:42:17,329 --> 00:42:15,359

I said with a nice red bow on top if

1068

00:42:19,550 --> 00:42:17,339

it's the fade then it could be all these

1069

00:42:22,190 --> 00:42:19,560

other things are a part of that under

1070

00:42:23,630 --> 00:42:22,200

that hierarchy and that umbrella right

1071

00:42:25,010 --> 00:42:23,640

and there's there's stories in the

1072

00:42:27,410 --> 00:42:25,020

Smokies I mean the Cherokee up there

1073

00:42:30,170 --> 00:42:27,420

called the talk about the I'm gonna

1074

00:42:32,329 --> 00:42:30,180

butcher this one day to Sunday a race of

1075

00:42:34,670 --> 00:42:32,339

little people that they that lived up

1076

00:42:37,430 --> 00:42:34,680

there that they battled with uh there's

1077

00:42:39,530 --> 00:42:37,440

uh evidence of the like fairy lights and

1078

00:42:40,849 --> 00:42:39,540

things in the Smokies of somebody years

1079

00:42:43,250 --> 00:42:40,859

and years ago seeing what they thought

1080

00:42:44,270 --> 00:42:43,260

was somebody with a lantern follow that

1081

00:42:47,569 --> 00:42:44,280

thinking they're going to get out of the

1082

00:42:49,970 --> 00:42:47,579

woods and they get even further lost

1083

00:42:52,010 --> 00:42:49,980

now there are people that have been Led

1084

00:42:53,810 --> 00:42:52,020

Out of the Woods by these things but

1085

00:42:56,390 --> 00:42:53,820

there's so many things that will anger

1086

00:42:57,470 --> 00:42:56,400

the fairies and the faith and one of the

1087

00:42:59,530 --> 00:42:57,480

things one of the most interesting

1088

00:43:02,329 --> 00:42:59,540

things is they don't like the color red

1089

00:43:03,890 --> 00:43:02,339

so that could be a possible explanation

1090

00:43:05,750 --> 00:43:03,900

of why people wearing rainbow missing

1091

00:43:08,930 --> 00:43:05,760

the Fate took them

1092

00:43:11,270 --> 00:43:08,940

um also the berry patches that's not

1093

00:43:13,550 --> 00:43:11,280

only the Fey people's food but that's

1094

00:43:16,250 --> 00:43:13,560

also where they have their Rebels and

1095

00:43:17,930 --> 00:43:16,260

their mating so you know you're in there

1096

00:43:19,550 --> 00:43:17,940

picking berries you're taking their food

1097

00:43:21,470 --> 00:43:19,560

and keeping them from getting their

1098

00:43:24,050 --> 00:43:21,480

groove on because they don't like that

1099

00:43:26,270 --> 00:43:24,060

and then they'll get rid of you yeah I

1100

00:43:28,069 --> 00:43:26,280

mean I think just like anyone else you

1101  
00:43:30,170 --> 00:43:28,079  
know you deserve them they're going to

1102  
00:43:32,450 --> 00:43:30,180  
be in trouble

1103  
00:43:35,030 --> 00:43:32,460  
um we have another question from

1104  
00:43:37,730 --> 00:43:35,040  
Phantoms and monsters radio what is your

1105  
00:43:40,190 --> 00:43:37,740  
opinion on upright canines

1106  
00:43:42,170 --> 00:43:40,200  
uh I believe there's something to that I

1107  
00:43:46,430 --> 00:43:42,180  
mean if you look back at the Historical

1108  
00:43:48,470 --> 00:43:46,440  
like the werewolf stories in uh Europe

1109  
00:43:50,870 --> 00:43:48,480  
Eastern Europe and the Middle Ages and

1110  
00:43:53,210 --> 00:43:50,880  
things the

1111  
00:43:55,910 --> 00:43:53,220  
it's there's not a whole lot of

1112  
00:43:57,770 --> 00:43:55,920  
difference between a canine and or a dog

1113  
00:44:00,470 --> 00:43:57,780

and a wolf now people will argue with me

1114

00:44:02,589 --> 00:44:00,480

on that I'm sure but I believe there are

1115

00:44:06,109 --> 00:44:02,599

upright canines there's stories out here

1116

00:44:07,910 --> 00:44:06,119

of uh where there was a family this has

1117

00:44:11,630 --> 00:44:07,920

been years ago in New Mexico that had

1118

00:44:15,589 --> 00:44:11,640

been mauled by a wolf like creature but

1119

00:44:18,589 --> 00:44:15,599

it was seen running away on two legs so

1120

00:44:19,849 --> 00:44:18,599

um Dogman Skin Walkers I'm I'm right in

1121

00:44:22,370 --> 00:44:19,859

the middle of all that now when I moved

1122

00:44:24,550 --> 00:44:22,380

out here to New Mexico I'm in the four

1123

00:44:27,230 --> 00:44:24,560

corners area there's a lot of

1124

00:44:29,990 --> 00:44:27,240

interesting stories out here a lot of uh

1125

00:44:32,750 --> 00:44:30,000

Native uh Magic and curses and things

1126

00:44:35,630 --> 00:44:32,760

been flung back and forth over the years

1127

00:44:37,910 --> 00:44:35,640

so uh I I believe that the upright

1128

00:44:40,250 --> 00:44:37,920

canines are possible

1129

00:44:42,290 --> 00:44:40,260

do you also think maybe a Glimmer Man

1130

00:44:45,109 --> 00:44:42,300

would be possible I've heard about that

1131

00:44:47,210 --> 00:44:45,119

I'm actually familiar with it I've

1132

00:44:50,390 --> 00:44:47,220

actually had an experience with a

1133

00:44:51,950 --> 00:44:50,400

whatever it was I've got a video about

1134

00:44:54,290 --> 00:44:51,960

it over on my channel I'll give you the

1135

00:44:56,210 --> 00:44:54,300

short version I was living in Portland

1136

00:44:58,250 --> 00:44:56,220

at the time I've been to an event at

1137

00:44:59,630 --> 00:44:58,260

Powell's world of books which is I think

1138

00:45:01,609 --> 00:44:59,640

it's the world's largest independent

1139

00:45:03,349 --> 00:45:01,619

bookstore they have over a million

1140

00:45:05,750 --> 00:45:03,359

titles on the Shelf it's an impressive

1141

00:45:08,089 --> 00:45:05,760

place takes up a couple city blocks it's

1142

00:45:09,829 --> 00:45:08,099

five stories tall I think they literally

1143

00:45:11,930 --> 00:45:09,839

hand you a map when you walk in there

1144

00:45:14,809 --> 00:45:11,940

but they'd had some kind of event that

1145

00:45:16,609 --> 00:45:14,819

I'd gone to and I had to walk back down

1146

00:45:18,950 --> 00:45:16,619

to the what they call the transit mall

1147

00:45:20,930 --> 00:45:18,960

to catch the train to get back to my

1148

00:45:22,190 --> 00:45:20,940

neighborhood and I was waiting for the

1149

00:45:25,069 --> 00:45:22,200

Orange Line it was late at night

1150

00:45:27,290 --> 00:45:25,079

probably around 11 midnight something

1151

00:45:29,150 --> 00:45:27,300

like that whatever one it was I think it

1152

00:45:30,950 --> 00:45:29,160

was the last one for that evening

1153

00:45:33,230 --> 00:45:30,960

and uh I'm waiting there and I was the

1154

00:45:36,530 --> 00:45:33,240

only one at this particular train stop

1155

00:45:39,349 --> 00:45:36,540

and first I saw what looked like heat

1156

00:45:41,150 --> 00:45:39,359

rising off pavement or steam coming out

1157

00:45:42,470 --> 00:45:41,160

of a grade or something like that and I

1158

00:45:44,089 --> 00:45:42,480

just walked out because it was in the

1159

00:45:45,230 --> 00:45:44,099

summertime and they all walked over to

1160

00:45:48,470 --> 00:45:45,240

take a look

1161

00:45:51,170 --> 00:45:48,480

and it was actually between a lamp post

1162

00:45:53,210 --> 00:45:51,180

and a permanent garbage can

1163

00:45:55,790 --> 00:45:53,220

and it looked like the outline of a

1164

00:45:58,550 --> 00:45:55,800

human I'll be at a very won a very short

1165

00:46:01,130 --> 00:45:58,560

stature maybe only four feet tall or so

1166

00:46:03,770 --> 00:46:01,140

and when I looked at it it's like it

1167

00:46:05,510 --> 00:46:03,780

noticed me looking at it and it squatted

1168

00:46:08,569 --> 00:46:05,520

down and like hunched down behind the

1169

00:46:11,750 --> 00:46:08,579

garbage can and every hair on my body

1170

00:46:13,730 --> 00:46:11,760

stood up and I I was afraid that if I

1171

00:46:15,890 --> 00:46:13,740

ran that it would come after me and try

1172

00:46:17,390 --> 00:46:15,900

to catch me so I just kind of ambled

1173

00:46:19,670 --> 00:46:17,400

around acting like I wasn't paying any

1174

00:46:21,770 --> 00:46:19,680

attention to it and then when I got to

1175

00:46:24,170 --> 00:46:21,780

the corner like I was waiting for the

1176

00:46:26,510 --> 00:46:24,180

light to change I just darted out into

1177

00:46:28,010 --> 00:46:26,520

traffic ran ran through the traffic had

1178

00:46:30,710 --> 00:46:28,020

people honking and scratching their

1179

00:46:33,109 --> 00:46:30,720

brakes and then kept on up the sidewalk

1180

00:46:34,910 --> 00:46:33,119

until I got to the next train station

1181

00:46:38,450 --> 00:46:34,920

and thankfully there were people there

1182

00:46:40,130 --> 00:46:38,460

but uh after that happened anytime I was

1183

00:46:43,370 --> 00:46:40,140

downtown late at night I took it over

1184

00:46:45,770 --> 00:46:43,380

home but uh I don't know what it was but

1185

00:46:47,450 --> 00:46:45,780

it was like I said it was see-through it

1186

00:46:49,970 --> 00:46:47,460

looked like looking through Saran Wrap

1187

00:46:53,030 --> 00:46:49,980

or the haze that you see coming off the

1188

00:46:55,309 --> 00:46:53,040

road uh in the summertime but it was

1189

00:46:57,950 --> 00:46:55,319

shaped it had a humanoid shaped

1190

00:47:02,210 --> 00:46:57,960

and uh there's a really really good book

1191

00:47:04,609 --> 00:47:02,220

called uh camilio by Robert Guffey talks

1192

00:47:07,609 --> 00:47:04,619

about how he believes that was some sort

1193

00:47:09,470 --> 00:47:07,619

of uh military experiment going along

1194

00:47:11,690 --> 00:47:09,480

and they used people with short stature

1195

00:47:13,370 --> 00:47:11,700

because obviously something that you can

1196

00:47:15,349 --> 00:47:13,380

just barely see or maybe a little bit

1197

00:47:18,829 --> 00:47:15,359

the smaller it is the easier it's going

1198

00:47:20,089 --> 00:47:18,839

to be to get in some place and uh he

1199

00:47:22,490 --> 00:47:20,099

believed they were testing on like

1200

00:47:23,990 --> 00:47:22,500

homeless people and drug addicts and

1201  
00:47:26,690 --> 00:47:24,000  
people like that that would just

1202  
00:47:28,130 --> 00:47:26,700  
automatically be discredited where they

1203  
00:47:30,170 --> 00:47:28,140  
didn't tell what happened to them or

1204  
00:47:31,990 --> 00:47:30,180  
mentioned it and he had a lot of

1205  
00:47:35,450 --> 00:47:32,000  
interaction with this guy named Dion

1206  
00:47:37,990 --> 00:47:35,460  
that uh had seen these creatures but I

1207  
00:47:40,490 --> 00:47:38,000  
think there's something to that I know

1208  
00:47:43,609 --> 00:47:40,500  
a few people that have had encounters

1209  
00:47:46,670 --> 00:47:43,619  
we've covered some uh Bruce mcabee a UFO

1210  
00:47:49,670 --> 00:47:46,680  
researcher his wife was uh bow hunting

1211  
00:47:52,190 --> 00:47:49,680  
and in a tree stand and saw some sort of

1212  
00:47:54,470 --> 00:47:52,200  
creature in a tree a couple trees over

1213  
00:47:56,030 --> 00:47:54,480

that she could see through and I think

1214

00:47:58,430 --> 00:47:56,040

she took some pictures and tried to make

1215

00:48:00,410 --> 00:47:58,440

a video of it and at the very same time

1216

00:48:02,390 --> 00:48:00,420

that was happening just on the other

1217

00:48:04,970 --> 00:48:02,400

side of the woods there was a high

1218

00:48:06,589 --> 00:48:04,980

school and people were out at the

1219

00:48:08,750 --> 00:48:06,599

football field like practice or

1220

00:48:11,210 --> 00:48:08,760

something and there was a UFO encounter

1221

00:48:13,190 --> 00:48:11,220

over there people saw something in the

1222

00:48:15,650 --> 00:48:13,200

sky so was it connected to her

1223

00:48:17,569 --> 00:48:15,660

glimmerman deciding I don't know but

1224

00:48:19,370 --> 00:48:17,579

that's again that's kind of a strange

1225

00:48:22,190 --> 00:48:19,380

coincidence I don't really believe in

1226

00:48:25,609 --> 00:48:22,200

coincidence right I agree

1227

00:48:30,230 --> 00:48:25,619

um so Jose Sanchez says has your guest

1228

00:48:34,370 --> 00:48:30,240

heard of the case I stated time anomaly

1229

00:48:40,370 --> 00:48:37,670

um I didn't see the the previous what

1230

00:48:42,290 --> 00:48:40,380

you stated but uh I have heard some time

1231

00:48:45,050 --> 00:48:42,300

anomalies uh

1232

00:48:47,450 --> 00:48:45,060

there's uh all kinds of cases of missing

1233

00:48:49,190 --> 00:48:47,460

time and some of the disappearances and

1234

00:48:52,609 --> 00:48:49,200

things I'm scrolling back here to see if

1235

00:48:55,490 --> 00:48:52,619

I can find here first question but I've

1236

00:48:57,770 --> 00:48:55,500

had missing time myself as a that was

1237

00:49:00,410 --> 00:48:57,780

very strange it was all the time that's

1238

00:49:02,329 --> 00:49:00,420

ever happened I was a teenager I lived

1239

00:49:05,089 --> 00:49:02,339

in a subdivision that was being built in

1240

00:49:07,490 --> 00:49:05,099

three phases phase one had been done I

1241

00:49:10,010 --> 00:49:07,500

lived in phase two those are the newer

1242

00:49:12,170 --> 00:49:10,020

houses and then up above that was phase

1243

00:49:15,290 --> 00:49:12,180

three and they were just developing that

1244

00:49:17,089 --> 00:49:15,300

up there to have the paved Road in but

1245

00:49:20,270 --> 00:49:17,099

everything else was just wooded Lots at

1246

00:49:21,650 --> 00:49:20,280

that point and a neighbor guy about my

1247

00:49:23,809 --> 00:49:21,660

same age we were both in high school

1248

00:49:26,809 --> 00:49:23,819

together we were riding bicycles in the

1249

00:49:28,790 --> 00:49:26,819

undeveloped part and uh

1250

00:49:30,770 --> 00:49:28,800

remember riding by this one particular

1251

00:49:34,069 --> 00:49:30,780

area and I heard some sort of weird

1252

00:49:35,930 --> 00:49:34,079

metallic noise up in the woods and then

1253

00:49:38,210 --> 00:49:35,940

the next thing I remember I'm still on

1254

00:49:40,130 --> 00:49:38,220

my bike I'm still moving but I'm going

1255

00:49:42,290 --> 00:49:40,140

the other direction

1256

00:49:44,990 --> 00:49:42,300

and I'm just like I didn't say anything

1257

00:49:46,970 --> 00:49:45,000

but I'm thinking what just happened and

1258

00:49:48,890 --> 00:49:46,980

then we went on down back into our part

1259

00:49:50,990 --> 00:49:48,900

of the subdivision he went in his

1260

00:49:52,790 --> 00:49:51,000

driveway I went to my house my parents

1261

00:49:54,109 --> 00:49:52,800

like where have you been we were getting

1262

00:49:56,270 --> 00:49:54,119

worried about you

1263

00:49:58,309 --> 00:49:56,280

and uh when we went out it was like

1264

00:50:01,970 --> 00:49:58,319

seven or eight o'clock it was after 11

1265

00:50:03,530 --> 00:50:01,980

when I got home so and I talked to the

1266

00:50:06,290 --> 00:50:03,540

guy's name was Danny I talked to him

1267

00:50:07,970 --> 00:50:06,300

later and that night he was like me said

1268

00:50:10,370 --> 00:50:07,980

it was just so weird I didn't know what

1269

00:50:12,770 --> 00:50:10,380

to think I didn't even mention it and I

1270

00:50:14,690 --> 00:50:12,780

didn't either it was sometime later that

1271

00:50:17,930 --> 00:50:14,700

we actually talked about it but I lost

1272

00:50:19,670 --> 00:50:17,940

about three hours there no idea and same

1273

00:50:21,650 --> 00:50:19,680

thing with him

1274

00:50:23,630 --> 00:50:21,660

um he just remembers we were riding our

1275

00:50:26,210 --> 00:50:23,640

bikes and then suddenly we were riding

1276

00:50:28,550 --> 00:50:26,220

the other direction and three hours to

1277

00:50:30,770 --> 00:50:28,560

go by oh wow have you ever been

1278

00:50:32,690 --> 00:50:30,780

regressed or wanted to be regressed I've

1279

00:50:35,390 --> 00:50:32,700

thought about it but a part of me

1280

00:50:37,430 --> 00:50:35,400

doesn't want to know just in case you

1281

00:50:39,349 --> 00:50:37,440

know I don't want it to be so horrific I

1282

00:50:41,930 --> 00:50:39,359

don't want to know if I was probed by

1283

00:50:44,390 --> 00:50:41,940

aliens or something fair enough fair

1284

00:50:46,430 --> 00:50:44,400

enough I've also heard that you've had a

1285

00:50:48,650 --> 00:50:46,440

black-eyed kids encounter is that true

1286

00:50:50,630 --> 00:50:48,660

yeah that's true that happened back in

1287

00:50:52,190 --> 00:50:50,640

the 90s again I've got a video about

1288

00:50:54,170 --> 00:50:52,200

that when I played that uh during

1289

00:50:58,089 --> 00:50:54,180

Halloween week over at busy persons and

1290

00:50:59,750 --> 00:50:58,099

Mysteries short version of that I was uh

1291

00:51:01,609 --> 00:50:59,760

Moonlighting doing the computer

1292

00:51:05,750 --> 00:51:01,619

networking I was installing a network

1293

00:51:07,370 --> 00:51:05,760

and a medical office building

1294

00:51:09,890 --> 00:51:07,380

and uh

1295

00:51:12,650 --> 00:51:09,900

is in an industrial medical Industrial

1296

00:51:14,210 --> 00:51:12,660

Area came out was finished for that

1297

00:51:16,309 --> 00:51:14,220

night it's about two o'clock in the

1298

00:51:18,829 --> 00:51:16,319

morning and there were two little girls

1299

00:51:21,410 --> 00:51:18,839

over at the edge of the parking lot and

1300

00:51:22,849 --> 00:51:21,420

again this was in like an industrial

1301  
00:51:24,109 --> 00:51:22,859  
area there was no houses and things

1302  
00:51:25,370 --> 00:51:24,119  
around and I thought you know that's

1303  
00:51:27,650 --> 00:51:25,380  
kind of weird

1304  
00:51:29,690 --> 00:51:27,660  
and uh

1305  
00:51:32,390 --> 00:51:29,700  
let's get my stuff in my car and every

1306  
00:51:34,910 --> 00:51:32,400  
time I like look over they were closer

1307  
00:51:37,250 --> 00:51:34,920  
to me I never saw them walk

1308  
00:51:38,809 --> 00:51:37,260  
but they were they kept getting closer

1309  
00:51:40,130 --> 00:51:38,819  
it's like whenever I looked they were

1310  
00:51:41,510 --> 00:51:40,140  
just standing there and then the next

1311  
00:51:43,670 --> 00:51:41,520  
time I looked they were a little closer

1312  
00:51:44,930 --> 00:51:43,680  
and then finally they got under one of

1313  
00:51:47,030 --> 00:51:44,940

the street lights in this parking lot

1314

00:51:49,069 --> 00:51:47,040

and I could see that

1315

00:51:51,950 --> 00:51:49,079

they had no eyes or it's like they have

1316

00:51:54,829 --> 00:51:51,960

lumps of coal for eyes uh Dressed

1317

00:51:57,170 --> 00:51:54,839

similarly uh dark clothing a lighter

1318

00:51:58,790 --> 00:51:57,180

colored hoodie one I would guess would

1319

00:52:01,549 --> 00:51:58,800

probably be about nine or ten the other

1320

00:52:03,950 --> 00:52:01,559

one was probably 12 or 13 just based on

1321

00:52:06,230 --> 00:52:03,960

their size the smaller one never said

1322

00:52:08,450 --> 00:52:06,240

anything but the taller the two when

1323

00:52:10,970 --> 00:52:08,460

they got close enough for me to hear it

1324

00:52:12,829 --> 00:52:10,980

was like a litany just over and over he

1325

00:52:15,410 --> 00:52:12,839

won't leave us out here he'll let us in

1326

00:52:18,049 --> 00:52:15,420

the car he'll take us with it it's dark

1327

00:52:20,990 --> 00:52:18,059

it's cold and it wasn't cold it was in

1328

00:52:23,329 --> 00:52:21,000

the summertime but they never talked to

1329

00:52:26,690 --> 00:52:23,339

me but she was talking to the smaller

1330

00:52:28,190 --> 00:52:26,700

one about me and so I'm freaking out by

1331

00:52:30,890 --> 00:52:28,200

this point I finally got everything in

1332

00:52:33,049 --> 00:52:30,900

the car I jumped in the car and by that

1333

00:52:35,210 --> 00:52:33,059

time they were right up by the passenger

1334

00:52:36,950 --> 00:52:35,220

side door well first of all if it was

1335

00:52:39,710 --> 00:52:36,960

two actual kids

1336

00:52:42,530 --> 00:52:39,720

I wouldn't feel comfortable putting two

1337

00:52:44,210 --> 00:52:42,540

underage children in a seat that's just

1338

00:52:46,190 --> 00:52:44,220

meant for one person

1339

00:52:49,430 --> 00:52:46,200

because it's warm weather and left the

1340

00:52:51,049 --> 00:52:49,440

top down but it it frightened me so bad

1341

00:52:54,410 --> 00:52:51,059

you'd have to hear me tell the whole

1342

00:52:56,750 --> 00:52:54,420

story but that was the most irrational

1343

00:52:58,609 --> 00:52:56,760

fear I've ever felt it just it was I

1344

00:53:01,790 --> 00:52:58,619

think it was demonic in nature it just

1345

00:53:03,890 --> 00:53:01,800

washed over me and uh it wasn't even a

1346

00:53:06,589 --> 00:53:03,900

fight or flight thing it was just pure

1347

00:53:08,530 --> 00:53:06,599

flight uh it got like thunder with the

1348

00:53:10,670 --> 00:53:08,540

keys got my car started

1349

00:53:12,710 --> 00:53:10,680

instead of backing and going the way

1350

00:53:13,910 --> 00:53:12,720

normally because they were right there I

1351  
00:53:16,190 --> 00:53:13,920  
jumped the curb and took off down

1352  
00:53:18,890 --> 00:53:16,200  
through the lawn of the place and then

1353  
00:53:21,049 --> 00:53:18,900  
all the way to where I was going I had a

1354  
00:53:22,549 --> 00:53:21,059  
girlfriend who lived close by usually if

1355  
00:53:24,290 --> 00:53:22,559  
I worked late I'd go and spend the night

1356  
00:53:27,170 --> 00:53:24,300  
at her house I could be

1357  
00:53:28,250 --> 00:53:27,180  
back to my day job on time but that

1358  
00:53:31,609 --> 00:53:28,260  
night I turned the opposite direction

1359  
00:53:33,109 --> 00:53:31,619  
drove 25 miles to my parents house and

1360  
00:53:35,270 --> 00:53:33,119  
the whole time I'm driving down this

1361  
00:53:37,849 --> 00:53:35,280  
four-lane highway and I keep looking

1362  
00:53:40,430 --> 00:53:37,859  
over in the seat or in my mirror but

1363  
00:53:43,190 --> 00:53:40,440

it's like I expected to see them in the

1364

00:53:45,650 --> 00:53:43,200

car with me or run along beside it or

1365

00:53:47,150 --> 00:53:45,660

something that that's the strangest

1366

00:53:49,549 --> 00:53:47,160

thing I've ever experienced in the most

1367

00:53:52,670 --> 00:53:49,559

frightened I've ever been I've had some

1368

00:53:55,849 --> 00:53:52,680

I've been in some hairy situations but

1369

00:53:58,250 --> 00:53:55,859

that was that one tops the

1370

00:53:59,930 --> 00:53:58,260

Takes the Cake as they say and I've had

1371

00:54:03,410 --> 00:53:59,940

people ask me would you want to see them

1372

00:54:05,630 --> 00:54:03,420

again and I'm like part of me wants to

1373

00:54:08,930 --> 00:54:05,640

and then a part of me hopes I never do

1374

00:54:12,530 --> 00:54:08,940

and uh went until recently somebody else

1375

00:54:14,750 --> 00:54:12,540

told my story and it was the first time

1376  
00:54:16,309 --> 00:54:14,760  
because I've told it several times and

1377  
00:54:17,630 --> 00:54:16,319  
I've had weird things happen usually

1378  
00:54:20,270 --> 00:54:17,640  
when I talk about it we'll see if

1379  
00:54:23,690 --> 00:54:20,280  
anything happens tonight but hearing

1380  
00:54:25,790 --> 00:54:23,700  
somebody else tell me Tell it and me

1381  
00:54:29,109 --> 00:54:25,800  
listening to it is the first time that I

1382  
00:54:31,370 --> 00:54:29,119  
ever felt anything other than

1383  
00:54:34,670 --> 00:54:31,380  
fright from these little girls I

1384  
00:54:36,049 --> 00:54:34,680  
actually felt compassion and a sense of

1385  
00:54:38,450 --> 00:54:36,059  
melancholy I'm thinking those poor

1386  
00:54:41,690 --> 00:54:38,460  
little girls and I just left them out

1387  
00:54:43,190 --> 00:54:41,700  
there but I don't I think again Willie

1388  
00:54:45,770 --> 00:54:43,200

Streeter in his house I don't think he

1389

00:54:48,170 --> 00:54:45,780

was really two little kids I think that

1390

00:54:50,089 --> 00:54:48,180

that's what whatever it was that's how

1391

00:54:52,010 --> 00:54:50,099

it appeared to me

1392

00:54:55,730 --> 00:54:52,020

I I don't blame you for leaving them

1393

00:55:00,290 --> 00:54:57,890

do you think maybe that you know the

1394

00:55:02,089 --> 00:55:00,300

black-eyed kids are responsible for some

1395

00:55:05,450 --> 00:55:02,099

disappearances

1396

00:55:07,970 --> 00:55:05,460

uh that's an interesting Theory

1397

00:55:10,010 --> 00:55:07,980

um if I mean who knows what would have

1398

00:55:12,290 --> 00:55:10,020

happened if I'd let him in the car I've

1399

00:55:14,750 --> 00:55:12,300

heard stories of people letting them in

1400

00:55:16,069 --> 00:55:14,760

their homes and uh one story in

1401

00:55:20,870 --> 00:55:16,079

particular the

1402

00:55:23,150 --> 00:55:20,880

the lady let two of them in and uh

1403

00:55:24,770 --> 00:55:23,160

then like a car showed up in the

1404

00:55:27,230 --> 00:55:24,780

driveway and all the lights in the house

1405

00:55:29,510 --> 00:55:27,240

went out and the kids left and then the

1406

00:55:31,450 --> 00:55:29,520

husband started he had some kind of

1407

00:55:33,530 --> 00:55:31,460

weird uh

1408

00:55:35,690 --> 00:55:33,540

hemorrhaging thing that happened to him

1409

00:55:37,309 --> 00:55:35,700

right after and he passed away and then

1410

00:55:40,130 --> 00:55:37,319

she ended up with some really rare form

1411

00:55:42,049 --> 00:55:40,140

of cancer and I I don't know if she's

1412

00:55:45,170 --> 00:55:42,059

still alive or not but there's there's

1413

00:55:48,109 --> 00:55:45,180

something to it it's almost and there's

1414

00:55:49,910 --> 00:55:48,119

a really good book log out of print uh

1415

00:55:51,710 --> 00:55:49,920

about author named Jim Brandon he wrote

1416

00:55:53,630 --> 00:55:51,720

a book called weird America is like a

1417

00:55:56,210 --> 00:55:53,640

guidebook but then he wrote another book

1418

00:55:59,450 --> 00:55:56,220

called The Rebirth of pan and it talked

1419

00:56:02,030 --> 00:55:59,460

about this pan got pan as a cosmic

1420

00:56:02,750 --> 00:56:02,040

trickster figure and he sort of surmised

1421

00:56:05,150 --> 00:56:02,760

that

1422

00:56:07,609 --> 00:56:05,160

whatever this is is responsible for

1423

00:56:09,349 --> 00:56:07,619

things like the Men in Black you know

1424

00:56:11,870 --> 00:56:09,359

the Men in Black show up they wear nice

1425

00:56:12,589 --> 00:56:11,880

clothes they're driving shiny cars that

1426

00:56:15,589 --> 00:56:12,599

are

1427

00:56:17,450 --> 00:56:15,599

maybe decades out of date but they talk

1428

00:56:19,370 --> 00:56:17,460

weird and they ask weird questions you

1429

00:56:21,410 --> 00:56:19,380

know you think well they're driving nice

1430

00:56:22,730 --> 00:56:21,420

cars they're wearing nice clothes why

1431

00:56:24,290 --> 00:56:22,740

wouldn't people want to talk to them

1432

00:56:26,690 --> 00:56:24,300

because they scare people they

1433

00:56:28,910 --> 00:56:26,700

intimidate Witnesses and then you have

1434

00:56:32,089 --> 00:56:28,920

like the the whole Phantom clown

1435

00:56:34,670 --> 00:56:32,099

phenomena that uh Lauren Coleman first

1436

00:56:37,250 --> 00:56:34,680

wrote about that like back in the 80s

1437

00:56:39,349 --> 00:56:37,260

uh then you know well we'll send clowns

1438

00:56:40,849 --> 00:56:39,359

out everybody loves clowns but these are

1439

00:56:43,910 --> 00:56:40,859

creepy clowns that come out of the woods

1440

00:56:46,130 --> 00:56:43,920

at night same thing with this well kids

1441

00:56:48,290 --> 00:56:46,140

you know we can send kids out everybody

1442

00:56:49,849 --> 00:56:48,300

loves kids people will talk to kids but

1443

00:56:52,309 --> 00:56:49,859

these are creepy kids with black eyes

1444

00:56:55,190 --> 00:56:52,319

that that you know beg to be let in and

1445

00:56:56,210 --> 00:56:55,200

stuff it's almost I was on with uh Clyde

1446

00:56:58,849 --> 00:56:56,220

Lewis

1447

00:57:00,069 --> 00:56:58,859

uh right before Halloween uh Sandy and I

1448

00:57:02,930 --> 00:57:00,079

were on there and we talked about

1449

00:57:04,370 --> 00:57:02,940

vampires and vampirism and that's kind

1450

00:57:07,370 --> 00:57:04,380

of the same thing with the black-eyed

1451

00:57:09,470 --> 00:57:07,380

kids you have to let them in they have

1452

00:57:11,510 --> 00:57:09,480

to ask to come in you have to let them

1453

00:57:13,790 --> 00:57:11,520

in and that's true with a lot of stuff

1454

00:57:16,130 --> 00:57:13,800

in the Paranormal I've known people that

1455

00:57:18,770 --> 00:57:16,140

would contact an entity on a Ouija board

1456

00:57:20,510 --> 00:57:18,780

that would uh ask to please come through

1457

00:57:23,569 --> 00:57:20,520

or there's been people that have

1458

00:57:25,730 --> 00:57:23,579

willingly lent stuff in I was on a

1459

00:57:27,770 --> 00:57:25,740

channel called Amber's pair world the

1460

00:57:30,650 --> 00:57:27,780

other night and she recommended not

1461

00:57:33,049 --> 00:57:30,660

putting a welcome mat out your doorstep

1462

00:57:34,910 --> 00:57:33,059

that that's you know some kind of

1463

00:57:37,069 --> 00:57:34,920

wandering Spirit or someone could say

1464

00:57:38,690 --> 00:57:37,079

that you've already welcomed it in yeah

1465

00:57:40,370 --> 00:57:38,700

and I said well what if you flipped it

1466

00:57:42,490 --> 00:57:40,380

upside down she's like no that could be

1467

00:57:45,410 --> 00:57:42,500

even worse because then something from

1468

00:57:47,809 --> 00:57:45,420

underneath could see that and come up

1469

00:57:50,450 --> 00:57:47,819

she said just either get one that says

1470

00:57:52,730 --> 00:57:50,460

go away or don't have one at all I've

1471

00:57:55,130 --> 00:57:52,740

heard of that I have it's it's almost

1472

00:57:57,470 --> 00:57:55,140

like it's trying to figure out what we

1473

00:58:00,410 --> 00:57:57,480

would be comfortable letting in like the

1474

00:58:03,230 --> 00:58:00,420

clowns and I I jokingly said on a show

1475

00:58:05,990 --> 00:58:03,240

one time that if they ever come out with

1476  
00:58:08,390 --> 00:58:06,000  
Uh Black-eyed bikini models with pizza

1477  
00:58:09,790 --> 00:58:08,400  
and metal albums you'll know what

1478  
00:58:12,290 --> 00:58:09,800  
happened to me

1479  
00:58:14,630 --> 00:58:12,300  
I just saw a question from Karen

1480  
00:58:17,630 --> 00:58:14,640  
Peterson and it was a good one she asked

1481  
00:58:20,870 --> 00:58:17,640  
if they were energy vampires

1482  
00:58:22,670 --> 00:58:20,880  
ask yourself what is energy vampires uh

1483  
00:58:24,589 --> 00:58:22,680  
I'm assuming the black-eyed kids I can't

1484  
00:58:27,650 --> 00:58:24,599  
find a question now but I'm thinking I

1485  
00:58:29,210 --> 00:58:27,660  
didn't see it I I think so I think a lot

1486  
00:58:31,910 --> 00:58:29,220  
of those entities

1487  
00:58:35,870 --> 00:58:31,920  
our our energy vampires are psychic

1488  
00:58:37,609 --> 00:58:35,880

vampires and there are

1489

00:58:39,530 --> 00:58:37,619

yeah there's something about because

1490

00:58:41,089 --> 00:58:39,540

that that fear that I felt like I said

1491

00:58:42,950 --> 00:58:41,099

it was nothing that I'd ever felt before

1492

00:58:44,990 --> 00:58:42,960

and I've seen some scary stuff I mean

1493

00:58:47,390 --> 00:58:45,000

run out of the woods screaming type

1494

00:58:50,630 --> 00:58:47,400

stuff when I was a kid but this was

1495

00:58:53,030 --> 00:58:50,640

beyond that but there was a Darkness

1496

00:58:56,030 --> 00:58:53,040

there was a dark energy about them and

1497

00:58:58,010 --> 00:58:56,040

I've had experiences with that before

1498

00:59:00,049 --> 00:58:58,020

um right after my daughter was born she

1499

00:59:02,150 --> 00:59:00,059

was jaundiced and had to spend the night

1500

00:59:05,270 --> 00:59:02,160

in East Tennessee Children's Hospital

1501

00:59:07,910 --> 00:59:05,280

under uh the ultraviolet lights or

1502

00:59:10,250 --> 00:59:07,920

whatever they use there to to fix that

1503

00:59:12,950 --> 00:59:10,260

condition and that was like the worst

1504

00:59:15,289 --> 00:59:12,960

place I'd ever been in I could feel

1505

00:59:18,109 --> 00:59:15,299

in my mind's eye it looked like a just a

1506

00:59:20,630 --> 00:59:18,119

Darkness or a dark shapeless form that

1507

00:59:23,450 --> 00:59:20,640

was hanging over that hospital and

1508

00:59:25,250 --> 00:59:23,460

drawing the energy from the pain of

1509

00:59:27,470 --> 00:59:25,260

these innocent children

1510

00:59:29,930 --> 00:59:27,480

and uh I think there are things out

1511

00:59:32,030 --> 00:59:29,940

there like that that draw energy and

1512

00:59:33,650 --> 00:59:32,040

I've had that happen like I said I don't

1513

00:59:37,069 --> 00:59:33,660

claim to have any powers or anything but

1514

00:59:39,349 --> 00:59:37,079

I am empathic uh the the feelings I have

1515

00:59:42,289 --> 00:59:39,359

and stuff that I sense and things it's

1516

00:59:45,470 --> 00:59:42,299

intensified but uh I've had that happen

1517

00:59:47,450 --> 00:59:45,480

in an old folks home retirement home or

1518

00:59:49,910 --> 00:59:47,460

hospital go in there and you can feel

1519

00:59:52,190 --> 00:59:49,920

people just pulling the energy off of it

1520

00:59:53,750 --> 00:59:52,200

and you know an Alzheimer's patient or

1521

00:59:56,089 --> 00:59:53,760

somebody with dementia they don't even

1522

00:59:58,730 --> 00:59:56,099

know that they're doing it and you have

1523

01:00:00,770 --> 00:59:58,740

to you have to guard yourself against

1524

01:00:03,650 --> 01:00:00,780

that you have to either I know people

1525

01:00:05,870 --> 01:00:03,660

that do use visualization techniques to

1526

01:00:07,490 --> 01:00:05,880

put a white light around you or some

1527

01:00:08,809 --> 01:00:07,500

kind of protection around you I know

1528

01:00:11,630 --> 01:00:08,819

people that carry certain type of

1529

01:00:13,549 --> 01:00:11,640

crystals and things like that to prevent

1530

01:00:15,370 --> 01:00:13,559

that from hanging but I believe it's

1531

01:00:18,109 --> 01:00:15,380

real I believe that there are

1532

01:00:19,549 --> 01:00:18,119

intentional and unintentional energy

1533

01:00:22,250 --> 01:00:19,559

vampires

1534

01:00:24,289 --> 01:00:22,260

I agree I I totally agree in hospitals

1535

01:00:27,530 --> 01:00:24,299

and nursing some homes just like you

1536

01:00:30,410 --> 01:00:27,540

said I I think they they birthed them

1537

01:00:32,750 --> 01:00:30,420

basically or at least some form of them

1538

01:00:36,589 --> 01:00:32,760

because of everything that happens there

1539

01:00:39,589 --> 01:00:36,599

um so James West asked have you ever had

1540

01:00:42,410 --> 01:00:39,599

any experience with shadow people or a

1541

01:00:45,589 --> 01:00:42,420

shadow creature I've seen shadow figures

1542

01:00:47,870 --> 01:00:45,599

a house that I lived in in Oregon

1543

01:00:50,210 --> 01:00:47,880

um one night I was in walking into the

1544

01:00:51,349 --> 01:00:50,220

kitchen and I saw what looked like a

1545

01:00:53,569 --> 01:00:51,359

shadow

1546

01:00:56,150 --> 01:00:53,579

of a person but there was no person that

1547

01:00:56,990 --> 01:00:56,160

came out of the laundry room through the

1548

01:01:11,390 --> 01:00:57,000

the

1549

01:01:13,609 --> 01:01:11,400

renting from about that and she said oh

1550

01:01:16,329 --> 01:01:13,619

that's just my husband that passed away

1551  
01:01:20,030 --> 01:01:16,339  
her husband had died in a car accident

1552  
01:01:21,829 --> 01:01:20,040  
and she would see this shadow in the

1553  
01:01:24,049 --> 01:01:21,839  
house now I don't know you know if it

1554  
01:01:26,510 --> 01:01:24,059  
was him or if that was just her belief

1555  
01:01:28,370 --> 01:01:26,520  
but I saw my dog saw it too he didn't

1556  
01:01:30,710 --> 01:01:28,380  
bark at it but he's watching his ears

1557  
01:01:32,809 --> 01:01:30,720  
are up and he's wagging his tail but it

1558  
01:01:36,349 --> 01:01:32,819  
it looked like a person's Shadow with no

1559  
01:01:39,109 --> 01:01:36,359  
person casting a shadow now that's I

1560  
01:01:41,809 --> 01:01:39,119  
haven't seen much stuff like that but

1561  
01:01:44,030 --> 01:01:41,819  
I've seen it happen what do you think

1562  
01:01:47,150 --> 01:01:44,040  
they are what is your personal opinion

1563  
01:01:49,430 --> 01:01:47,160

I think it's just some other kind of uh

1564

01:01:50,329 --> 01:01:49,440

spirit or entity maybe one that that

1565

01:01:53,390 --> 01:01:50,339

can't

1566

01:01:55,609 --> 01:01:53,400

uh turn into a full Apparition I think

1567

01:01:56,450 --> 01:01:55,619

they seem to work on energy if you

1568

01:01:58,789 --> 01:01:56,460

notice

1569

01:02:01,910 --> 01:01:58,799

ghosts and haughties and things it tend

1570

01:02:03,829 --> 01:02:01,920

to only last so long it's like they run

1571

01:02:05,390 --> 01:02:03,839

out of energy or their batteries drained

1572

01:02:07,970 --> 01:02:05,400

down I mean I've never heard of a ghost

1573

01:02:10,069 --> 01:02:07,980

of a dinosaur or ghost in the caveman

1574

01:02:12,589 --> 01:02:10,079

anything like that the oldest haunting

1575

01:02:14,650 --> 01:02:12,599

that I'm aware of is uh one in England

1576

01:02:16,789 --> 01:02:14,660

where a guy had uh

1577

01:02:19,130 --> 01:02:16,799

apparitions is more of a residual

1578

01:02:21,770 --> 01:02:19,140

Haunting of Roman soldiers marching

1579

01:02:24,049 --> 01:02:21,780

through his basement and uh did some

1580

01:02:25,970 --> 01:02:24,059

research and he found out that that

1581

01:02:28,370 --> 01:02:25,980

where his basement was that was the

1582

01:02:29,630 --> 01:02:28,380

level of the old road to the area with

1583

01:02:33,109 --> 01:02:29,640

the Romans

1584

01:02:35,329 --> 01:02:33,119

were around but uh again there was Stone

1585

01:02:38,150 --> 01:02:35,339

and I believe Stone tape theory that

1586

01:02:40,849 --> 01:02:38,160

sometimes things can get captured in

1587

01:02:42,650 --> 01:02:40,859

stone particularly quartz or granite and

1588

01:02:45,109 --> 01:02:42,660

somehow atmospheric conditions or

1589

01:02:47,329 --> 01:02:45,119

whatever can cause that to replay over

1590

01:02:50,870 --> 01:02:47,339

and over like a videotape you think

1591

01:02:54,410 --> 01:02:50,880

about video all that is it's a mylar

1592

01:02:56,329 --> 01:02:54,420

with ferrous oxide on there and then you

1593

01:02:58,370 --> 01:02:56,339

run it over the recording heads it

1594

01:03:01,250 --> 01:02:58,380

records to that tape and then you run it

1595

01:03:02,990 --> 01:03:01,260

over the playback heads and it's it's

1596

01:03:05,510 --> 01:03:03,000

kind of a roundabout way of getting

1597

01:03:08,690 --> 01:03:05,520

there but it's the same thing I think as

1598

01:03:10,430 --> 01:03:08,700

uh the the whatever's in Granite in

1599

01:03:12,410 --> 01:03:10,440

courts and things like that and you know

1600

01:03:14,450 --> 01:03:12,420

they might go watches out of Courts you

1601

01:03:17,150 --> 01:03:14,460

can make a what they call a foxhole

1602

01:03:18,950 --> 01:03:17,160

radio with a quartz crystal they have

1603

01:03:21,970 --> 01:03:18,960

energy they're able to pick up things

1604

01:03:24,349 --> 01:03:21,980

and and amplify it they're very powerful

1605

01:03:26,750 --> 01:03:24,359

I'm probably showing my age there but

1606

01:03:29,089 --> 01:03:26,760

back when I was in the scouts we made a

1607

01:03:30,650 --> 01:03:29,099

crystal radio you had like a a court a

1608

01:03:32,870 --> 01:03:30,660

piece of quartz and a razor blade and

1609

01:03:34,910 --> 01:03:32,880

some copper wire and a nail and you

1610

01:03:37,130 --> 01:03:34,920

could actually connect a little earphone

1611

01:03:39,349 --> 01:03:37,140

to it you could pick up radio signals

1612

01:03:41,030 --> 01:03:39,359

through chords A lot of people have

1613

01:03:44,410 --> 01:03:41,040

quartz watches so there's there's

1614

01:03:48,289 --> 01:03:44,420

something to all that oh wow

1615

01:03:50,750 --> 01:03:48,299

yeah Google uh uh so they called it a

1616

01:03:53,870 --> 01:03:50,760

foxhole radio but Google a crystal radio

1617

01:03:55,609 --> 01:03:53,880

and that's you can make one

1618

01:03:58,670 --> 01:03:55,619

so I have one more question before we

1619

01:04:03,770 --> 01:04:01,549

theory about wild people in the national

1620

01:04:06,230 --> 01:04:03,780

parks like do you think they exist do

1621

01:04:08,750 --> 01:04:06,240

you think well I can see how they can

1622

01:04:10,430 --> 01:04:08,760

exist because I've heard people try to

1623

01:04:11,750 --> 01:04:10,440

debunk that and say well you know

1624

01:04:14,089 --> 01:04:11,760

there's no way people could live in

1625

01:04:15,410 --> 01:04:14,099

there and you not know about it well my

1626  
01:04:16,970 --> 01:04:15,420  
answer to that is you just haven't been

1627  
01:04:19,069 --> 01:04:16,980  
far enough back in some of these

1628  
01:04:22,010 --> 01:04:19,079  
national parks and I like to point

1629  
01:04:24,289 --> 01:04:22,020  
toward uh Eric Rudolph the abortion

1630  
01:04:26,750 --> 01:04:24,299  
clinic bomber he was on the top of the

1631  
01:04:28,990 --> 01:04:26,760  
FBI's most wanted list he hid in

1632  
01:04:32,630 --> 01:04:29,000  
Nantahala National Forest

1633  
01:04:36,650 --> 01:04:32,640  
for about five or six years and this was

1634  
01:04:39,650 --> 01:04:36,660  
somebody with no real uh outdoor or

1635  
01:04:41,089 --> 01:04:39,660  
survival experience he just the only

1636  
01:04:43,190 --> 01:04:41,099  
reason he got caught he was sneaking

1637  
01:04:45,770 --> 01:04:43,200  
into some little town there in North

1638  
01:04:47,809 --> 01:04:45,780

Carolina and getting a Dale bread and

1639

01:04:49,730 --> 01:04:47,819

snack cakes out of the dumpster and a

1640

01:04:51,910 --> 01:04:49,740

rookie cop recognized it from the poster

1641

01:04:54,049 --> 01:04:51,920

but if somebody like that would know

1642

01:04:57,109 --> 01:04:54,059

woodlower Woodcraft experience could

1643

01:04:59,750 --> 01:04:57,119

hide for that long There Are Places

1644

01:05:02,030 --> 01:04:59,760

in those national parks that you might

1645

01:05:04,430 --> 01:05:02,040

be the the first human that's ever set

1646

01:05:08,270 --> 01:05:04,440

foot in there or at least the first one

1647

01:05:10,970 --> 01:05:08,280

in a long time and uh Dwight McCarter

1648

01:05:13,849 --> 01:05:10,980

he's a Great Smokies National Park he

1649

01:05:16,549 --> 01:05:13,859

was a lead tracker and he worked the

1650

01:05:18,049 --> 01:05:16,559

Dennis Martin cases of uh he's got some

1651

01:05:19,930 --> 01:05:18,059

interesting theories about that he said

1652

01:05:22,670 --> 01:05:19,940

there are

1653

01:05:25,430 --> 01:05:22,680

not necessarily feral people but

1654

01:05:28,130 --> 01:05:25,440

off-grid people that live in the Parks

1655

01:05:30,829 --> 01:05:28,140

there's another guy here on YouTube that

1656

01:05:32,569 --> 01:05:30,839

has a channel called South course 10 and

1657

01:05:34,789 --> 01:05:32,579

he talks about before it became a

1658

01:05:36,650 --> 01:05:34,799

national park the smokies that some of

1659

01:05:38,870 --> 01:05:36,660

his relatives were hired by the

1660

01:05:41,150 --> 01:05:38,880

government to go in and Hunt these feral

1661

01:05:44,690 --> 01:05:41,160

people and thin them out not only are

1662

01:05:46,609 --> 01:05:44,700

they feral they're cannibals too and he

1663

01:05:49,190 --> 01:05:46,619

claims they're what got Dennis Martin

1664

01:05:50,510 --> 01:05:49,200

either for breeding purposes or they ate

1665

01:05:52,250 --> 01:05:50,520

him I don't even want to think about

1666

01:05:54,650 --> 01:05:52,260

that but yeah

1667

01:05:56,990 --> 01:05:54,660

but it's I believe they can exist I've

1668

01:06:00,770 --> 01:05:57,000

been far enough back in some places that

1669

01:06:03,530 --> 01:06:00,780

if you wanted to and if if you had grown

1670

01:06:05,870 --> 01:06:03,540

up in those woods say a few whole family

1671

01:06:08,390 --> 01:06:05,880

or whole generations of your family had

1672

01:06:10,069 --> 01:06:08,400

lived way back in those woods and

1673

01:06:12,349 --> 01:06:10,079

offered there's there's plenty of food

1674

01:06:14,089 --> 01:06:12,359

there's plenty of water there's shelter

1675

01:06:16,490 --> 01:06:14,099

if you know what you're doing it would

1676

01:06:18,289 --> 01:06:16,500

be possible to get far enough in just

1677

01:06:20,750 --> 01:06:18,299

about any national it's a state park

1678

01:06:22,490 --> 01:06:20,760

even to where nobody could find you if

1679

01:06:24,829 --> 01:06:22,500

you didn't want to be found

1680

01:06:26,990 --> 01:06:24,839

I totally agree with that I really do

1681

01:06:29,270 --> 01:06:27,000

well it has been a pleasure talking with

1682

01:06:30,890 --> 01:06:29,280

you tonight Steve thank you so much for

1683

01:06:32,450 --> 01:06:30,900

coming every minute of it Bernadette

1684

01:06:34,069 --> 01:06:32,460

thank you for having me on like I said I

1685

01:06:38,210 --> 01:06:34,079

didn't realize this was your Premiere

1686

01:06:40,069 --> 01:06:38,220

episode oh no it's fine I think this is

1687

01:06:41,630 --> 01:06:40,079

going to do well you're engaging and

1688

01:06:43,609 --> 01:06:41,640

entertaining you ask the right questions

1689

01:06:45,710 --> 01:06:43,619

thank you and I would love to have you

1690

01:06:47,390 --> 01:06:45,720

back I really would absolutely and

1691

01:06:49,430 --> 01:06:47,400

likewise I won't have you on 13 past

1692

01:06:52,089 --> 01:06:49,440

midnight sometime I would love to be on

1693

01:06:54,770 --> 01:06:52,099

your stories okay we'll talk uh offline

1694

01:06:56,630 --> 01:06:54,780

yeah exactly so tell tell people where

1695

01:06:58,670 --> 01:06:56,640

they can find you

1696

01:07:01,730 --> 01:06:58,680

um the main Channel missing persons and

1697

01:07:04,549 --> 01:07:01,740

Mysteries here on YouTube and then also

1698

01:07:06,829 --> 01:07:04,559

13 past midnight thanks for putting my

1699

01:07:08,450 --> 01:07:06,839

books up there uh strange things in the

1700

01:07:11,150 --> 01:07:08,460

woods is the one that started all that's

1701

01:07:12,950 --> 01:07:11,160

other people's stories and it's not all

1702

01:07:14,870 --> 01:07:12,960

paranormal there's some things that are

1703

01:07:17,270 --> 01:07:14,880

poignant there's some things that tend

1704

01:07:19,370 --> 01:07:17,280

out to be humorous when they find out it

1705

01:07:21,829 --> 01:07:19,380

wasn't paranormal but there's some scary

1706

01:07:24,049 --> 01:07:21,839

scary stuff in there this was originally

1707

01:07:25,430 --> 01:07:24,059

two volumes my publisher when I went

1708

01:07:28,970 --> 01:07:25,440

with a traditional publisher they

1709

01:07:31,430 --> 01:07:28,980

combined it into one and then I used to

1710

01:07:33,170 --> 01:07:31,440

go on shows and talk about this book and

1711

01:07:35,690 --> 01:07:33,180

the host or if it was calling show

1712

01:07:36,950 --> 01:07:35,700

callers would inevitably ask well these

1713

01:07:39,770 --> 01:07:36,960

are other people's stories do you have

1714

01:07:40,970 --> 01:07:39,780

any stories and that's where my strange

1715

01:07:43,370 --> 01:07:40,980

world came about this is

1716

01:07:46,130 --> 01:07:43,380

autobiographical this is just some of my

1717

01:07:49,010 --> 01:07:46,140

personal paranormal experiences and then

1718

01:07:51,410 --> 01:07:49,020

the new ones the NASA Park Mysteries and

1719

01:07:53,390 --> 01:07:51,420

disappearances series these are about

1720

01:07:57,130 --> 01:07:53,400

disappearances of people that go missing

1721

01:08:00,950 --> 01:07:57,140

strange cases but also when

1722

01:08:03,109 --> 01:08:00,960

to the next level includes lore ghost

1723

01:08:05,150 --> 01:08:03,119

stories a little bit of everything so

1724

01:08:07,309 --> 01:08:05,160

it's not just missing people especially

1725

01:08:08,690 --> 01:08:07,319

the one about the Smokies placing there

1726

01:08:11,450 --> 01:08:08,700

and dear to my heart I've got Cherokee

1727

01:08:14,569 --> 01:08:11,460

Legends in here I've got haunted hotels

1728

01:08:16,849 --> 01:08:14,579

and attractions and things and places

1729

01:08:18,410 --> 01:08:16,859

you can go and maybe see spirits that

1730

01:08:21,410 --> 01:08:18,420

was the first Vibe I dedicated a whole

1731

01:08:24,470 --> 01:08:21,420

book to the Smokies next Vibe was just a

1732

01:08:26,930 --> 01:08:24,480

little bit of California Yosemite Joshua

1733

01:08:29,269 --> 01:08:26,940

Tree at Mount Shasta places where I've

1734

01:08:32,090 --> 01:08:29,279

all had personal experiences uh Bill

1735

01:08:35,510 --> 01:08:32,100

melder the other half of missing persons

1736

01:08:38,749 --> 01:08:35,520

and Mysteries he was lost in Joshua Tree

1737

01:08:40,849 --> 01:08:38,759

I had a really strange experience out

1738

01:08:42,410 --> 01:08:40,859

there after Joshua tree and a bit up on

1739

01:08:44,030 --> 01:08:42,420

Mount Shastan saying some stuff up there

1740

01:08:46,550 --> 01:08:44,040

third book in the series Pacific

1741

01:08:48,709 --> 01:08:46,560

Northwest Oregon Washington and Idaho

1742

01:08:50,990 --> 01:08:48,719

there's more in all this series coming

1743

01:08:53,809 --> 01:08:51,000

I'm working on three more right now but

1744

01:08:55,130 --> 01:08:53,819

those are all available on Amazon or as

1745

01:08:57,829 --> 01:08:55,140

my publisher likes for me to say

1746

01:08:59,870 --> 01:08:57,839

wherever fine books are sold they've got

1747

01:09:01,669 --> 01:08:59,880

barcodes they're listed in books in

1748

01:09:03,530 --> 01:09:01,679

print but if you just go on Amazon

1749

01:09:05,930 --> 01:09:03,540

search for Steve Stockton books you can

1750

01:09:07,430 --> 01:09:05,940

find them they are all wonderful books

1751

01:09:09,169 --> 01:09:07,440

they really are and I recommend them

1752

01:09:12,050 --> 01:09:09,179

they do enjoy the ones that I sent you

1753

01:09:13,910 --> 01:09:12,060

that I did they were really good I think

1754

01:09:16,249 --> 01:09:13,920

I just sent you the Paranormal ones I'll

1755

01:09:18,410 --> 01:09:16,259

send you the The Disappearance of the

1756

01:09:19,910 --> 01:09:18,420

kids too perfect I've read one of them I

1757

01:09:21,829 --> 01:09:19,920

picked one of them up on

1758

01:09:23,930 --> 01:09:21,839

them

1759

01:09:25,249 --> 01:09:23,940

oh my goodness I have to read the other

1760

01:09:27,650 --> 01:09:25,259

ones for sure

1761

01:09:29,209 --> 01:09:27,660

well thank you well thank you again so

1762

01:09:31,130 --> 01:09:29,219

much for being here I truly appreciate

1763

01:09:32,570 --> 01:09:31,140

it you will have to come back I will

1764

01:09:34,729 --> 01:09:32,580

come back anytime you'll have me thanks

1765

01:09:37,910 --> 01:09:34,739
