so uh well first of all I want to thank

21

00:02:08,389 --> 00:02:06,060

everybody for all their uh their kind

22

00:02:10,070 --> 00:02:08,399

kind regards as far as me and the

23

00:02:12,170 --> 00:02:10,080

surgery and the recovery and everything

24

00:02:12,890 --> 00:02:12,180

I went through the past two three weeks

25

00:02:16,190 --> 00:02:12,900

so

26

00:02:18,170 --> 00:02:16,200

I appreciate all that and uh

27

00:02:19,970 --> 00:02:18,180

yeah it's uh it's been a different

28

00:02:21,949 --> 00:02:19,980

experience believe me

29

00:02:25,070 --> 00:02:21,959

so anyway

30

00:02:28,850 --> 00:02:25,080

we're going to start off tonight

31

00:02:30,589 --> 00:02:28,860

with we're a Miami Florida resident had

32

00:02:34,430 --> 00:02:30,599

a sudden encounter

33

00:02:36,470 --> 00:02:34,440

with a red-eyed winged reptilian that

34

00:02:37,790 --> 00:02:36,480

was perched in a large tree on their

35

00:02:40,970 --> 00:02:37,800

property

36

00:02:43,309 --> 00:02:40,980

and so you know I was contacted by this

37

00:02:44,390 --> 00:02:43,319

woman in the Town Square community of

38

00:02:49,850 --> 00:02:44,400

Miami

39

00:02:52,009 --> 00:02:49,860  
back in October 23rd of this year

40

00:02:54,770 --> 00:02:52,019  
um she had found my ad on Google while

41

00:02:56,210 --> 00:02:54,780  
searching for information on Mothman

42

00:02:58,790 --> 00:02:56,220  
uh

43

00:03:02,390 --> 00:02:58,800  
she had stated that she had always had

44

00:03:04,790 --> 00:03:02,400  
an affinity for maltman phenomena and uh

45

00:03:07,070 --> 00:03:04,800  
especially after she watched the Milkman

46

00:03:09,350 --> 00:03:07,080  
prophecies film when she was a child you

47

00:03:12,229 --> 00:03:09,360  
know and I have heard that before there

48

00:03:14,869 --> 00:03:12,239  
seems to be a lot of connections between

49

00:03:16,610 --> 00:03:14,879  
that film and what people have later on

50

00:03:19,850 --> 00:03:16,620  
with his encounters

51  
00:03:22,610 --> 00:03:19,860  
and because of her preoccupation with

52  
00:03:23,690 --> 00:03:22,620  
the series of events documented by John

53  
00:03:26,649 --> 00:03:23,700  
keel

54  
00:03:29,089 --> 00:03:26,659  
I I believe that she may have somehow

55  
00:03:30,589 --> 00:03:29,099  
unconsciously summoned this winged

56  
00:03:32,930 --> 00:03:30,599  
humanoid being

57  
00:03:34,970 --> 00:03:32,940  
well anyway she she tells me that in

58  
00:03:37,369 --> 00:03:34,980  
2013

59  
00:03:39,770 --> 00:03:37,379  
she experienced traumatic personal

60  
00:03:41,210 --> 00:03:39,780  
events in her life including the loss of

61  
00:03:44,630 --> 00:03:41,220  
her parents

62  
00:03:47,930 --> 00:03:44,640  
so one day also in 2013 while at home

63  
00:03:50,330 --> 00:03:47,940

and standing by her boat in the driveway

64

00:03:51,530 --> 00:03:50,340

She was drawn to the large tree on her

65

00:03:54,410 --> 00:03:51,540

property

66

00:03:56,809 --> 00:03:54,420

now she looked up into the the foilage

67

00:03:58,789 --> 00:03:56,819

she noticed something perched on a large

68

00:04:01,190 --> 00:03:58,799

bow of the tree

69

00:04:03,589 --> 00:04:01,200

and while staring at this unknown being

70

00:04:07,550 --> 00:04:03,599

her first thought was that it resembled

71

00:04:11,869 --> 00:04:07,560

a crouching reptilian humanoid with red

72

00:04:14,570 --> 00:04:11,879

eyes is seen to project bright red light

73

00:04:17,270 --> 00:04:14,580

now Sheikh continued to watch the

74

00:04:20,030 --> 00:04:17,280

crouching humanoid and then noticed that

75

00:04:21,710 --> 00:04:20,040

there were gargoyle-like Wings attached

76

00:04:24,710 --> 00:04:21,720

to its back

77

00:04:27,050 --> 00:04:24,720

the uh the being was thinning body and

78

00:04:30,409 --> 00:04:27,060

dark in color though it was hard to make

79

00:04:32,629 --> 00:04:30,419

out uh the Hue since it was in the

80

00:04:36,409 --> 00:04:32,639

shadows uh the humanoids seemed to be

81

00:04:38,330 --> 00:04:36,419

looking back at her an entire time

82

00:04:40,010 --> 00:04:38,340

now not knowing what to do and

83

00:04:42,409 --> 00:04:40,020

remembering that she had always wanted

84

00:04:44,870 --> 00:04:42,419

to see her encounter a Mothman

85

00:04:47,870 --> 00:04:44,880

she attempted to communicate with it

86

00:04:52,010 --> 00:04:47,880

psychically in her mind she projected to

87

00:04:54,790 --> 00:04:52,020

it why are you talk not talking to me

88

00:04:56,629 --> 00:04:54,800

and in that instance the wing humanite

89

00:04:59,810 --> 00:04:56,639

unfurled its wings which were

90

00:05:02,210 --> 00:04:59,820

approximate eight foot in total wingspan

91

00:05:05,390 --> 00:05:02,220

and literally transformed from a

92

00:05:09,110 --> 00:05:05,400

Corporal corporeal being into a

93

00:05:11,990 --> 00:05:09,120

smattering of tiny colored particles

94

00:05:14,629 --> 00:05:12,000

then it completely disappeared uh from

95

00:05:16,610 --> 00:05:14,639

her description I believe that this may

96

00:05:20,030 --> 00:05:16,620

have been an ultra terrestrial enthusi

97

00:05:21,710 --> 00:05:20,040

that kind of moved into a portal now her

98

00:05:23,629 --> 00:05:21,720

setting experience lasts for

99

00:05:25,330 --> 00:05:23,639

approximately three minutes

100

00:05:28,189 --> 00:05:25,340

now this witness

101  
00:05:30,050 --> 00:05:28,199  
uh you know I she gave me some of the

102  
00:05:32,510 --> 00:05:30,060  
background in her background and such

103  
00:05:34,670 --> 00:05:32,520  
she'd State licensed professional and

104  
00:05:36,350 --> 00:05:34,680  
her field of work uh and she provided

105  
00:05:39,350 --> 00:05:36,360  
her background and other information

106  
00:05:40,610 --> 00:05:39,360  
that I also verified

107  
00:05:43,249 --> 00:05:40,620  
um and of course all her personal

108  
00:05:45,710 --> 00:05:43,259  
information will remain confidential but

109  
00:05:48,110 --> 00:05:45,720  
we have talked we have talked since then

110  
00:05:50,810 --> 00:05:48,120  
several times and um

111  
00:05:52,550 --> 00:05:50,820  
I I do believe she did encounter

112  
00:05:54,230 --> 00:05:52,560  
something so that was that was quite

113  
00:05:56,510 --> 00:05:54,240

interesting and not really a lot

114

00:05:59,990 --> 00:05:56,520

different than what we've been having

115

00:06:02,810 --> 00:06:00,000

reported to us in the Chicago area so uh

116

00:06:05,330 --> 00:06:02,820

I mean is it a similar type being or

117

00:06:07,990 --> 00:06:05,340

Ultra terrestrial or whatever I don't

118

00:06:10,969 --> 00:06:08,000

know I think it's very possible

119

00:06:13,070 --> 00:06:10,979

uh so um

120

00:06:14,689 --> 00:06:13,080

yeah if anybody's got any questions look

121

00:06:17,570 --> 00:06:14,699

you know if you want if you want to ask

122

00:06:21,950 --> 00:06:17,580

me any questions during the show or um

123

00:06:25,790 --> 00:06:21,960

at the end of me reading uh these events

124

00:06:28,370 --> 00:06:25,800

and these reports uh we can do that

125

00:06:31,629 --> 00:06:28,380

so anyway

126  
00:06:34,309 --> 00:06:31,639  
the next instance was where a Floridian

127  
00:06:35,809 --> 00:06:34,319  
described the encounter that he and his

128  
00:06:38,689 --> 00:06:35,819  
mother had

129  
00:06:41,330 --> 00:06:38,699  
with a large skunky when he was a boy

130  
00:06:42,350 --> 00:06:41,340  
living near green swamp in Polk County

131  
00:06:45,469 --> 00:06:42,360  
Florida

132  
00:06:46,850 --> 00:06:45,479  
the Beast had mutilated and killed a

133  
00:06:50,510 --> 00:06:46,860  
calf now

134  
00:06:51,370 --> 00:06:50,520  
the green swamp area

135  
00:06:54,909 --> 00:06:51,380  
um

136  
00:06:56,510 --> 00:06:54,919  
that area is well known for

137  
00:06:57,950 --> 00:06:56,520  
Swampy

138  
00:07:00,230 --> 00:06:57,960

activity

139

00:07:03,969 --> 00:07:00,240

uh we we've had a lot of reports over

140

00:07:07,189 --> 00:07:03,979

the years uh we had a former

141

00:07:09,950 --> 00:07:07,199

investigator who lived not far from

142

00:07:13,129 --> 00:07:09,960

there and was in that that area a lot

143

00:07:15,830 --> 00:07:13,139

and she had also had a lot of reports

144

00:07:18,230 --> 00:07:15,840

submitted to her well anyway the witness

145

00:07:20,990 --> 00:07:18,240

states that as a native Floridian an

146

00:07:22,909 --> 00:07:21,000

avid Hunter growing up I've seen and

147

00:07:25,010 --> 00:07:22,919

Have Heard lots of things in the woods

148

00:07:27,050 --> 00:07:25,020

around our great state

149

00:07:29,570 --> 00:07:27,060

now some things were easy to understand

150

00:07:31,070 --> 00:07:29,580

and other things were just not

151  
00:07:35,510 --> 00:07:31,080  
explainable

152  
00:07:38,330 --> 00:07:35,520  
anyway this is my and my mother's story

153  
00:07:40,070 --> 00:07:38,340  
I had her proofread this before sending

154  
00:07:43,670 --> 00:07:40,080  
it to make sure I remembered to

155  
00:07:45,890 --> 00:07:43,680  
correctly it was the fall of 1976.

156  
00:07:48,529 --> 00:07:45,900  
I was five years old my mother and I

157  
00:07:50,870 --> 00:07:48,539  
lived in Kathleen Florida on the edge of

158  
00:07:53,150 --> 00:07:50,880  
green swamp

159  
00:07:54,950 --> 00:07:53,160  
now back then it was a dirt road and

160  
00:07:57,770 --> 00:07:54,960  
there were only a couple houses on the

161  
00:07:59,330 --> 00:07:57,780  
road and a relatively new trailer park

162  
00:08:02,210 --> 00:07:59,340  
at the end of it

163  
00:08:04,930 --> 00:08:02,220

we had we had to drive a little less

164

00:08:08,450 --> 00:08:04,940

than half a mile back down our trail of

165

00:08:11,089 --> 00:08:08,460

a driveway to get to our home

166

00:08:13,070 --> 00:08:11,099

uh it was an old wood frame home that

167

00:08:15,950 --> 00:08:13,080

was over 100 years old

168

00:08:17,990 --> 00:08:15,960

we had an Artesian well pump into the

169

00:08:20,150 --> 00:08:18,000

kitchen and for first few months we

170

00:08:22,070 --> 00:08:20,160

lived we lived there we had to heat the

171

00:08:24,469 --> 00:08:22,080

water on a gas stove and have to have a

172

00:08:26,510 --> 00:08:24,479

hot bath

173

00:08:28,969 --> 00:08:26,520

um this was an old cracker house on

174

00:08:32,870 --> 00:08:28,979

blocks and had a front porch that used

175

00:08:35,630 --> 00:08:32,880

to I used to play under all the time

176

00:08:38,930 --> 00:08:35,640

the roof of the porch was on a pitch and

177

00:08:41,570 --> 00:08:38,940

the edge was over the wooden stairs

178

00:08:43,490 --> 00:08:41,580

it measures seven foot six from the

179

00:08:46,670 --> 00:08:43,500

ground to the roof line

180

00:08:50,630 --> 00:08:46,680

so it was nearly dust when my mom and I

181

00:08:54,230 --> 00:08:50,640

were coming down the drive in her VW bus

182

00:08:56,870 --> 00:08:54,240

she had lights on high to spot any deer

183

00:08:59,030 --> 00:08:56,880

that might be on the property and as we

184

00:09:00,769 --> 00:08:59,040

rounded the curve in the driveway and

185

00:09:03,110 --> 00:09:00,779

the lights shined on the house that's

186

00:09:05,570 --> 00:09:03,120

when we both saw it and it was big and

187

00:09:08,930 --> 00:09:05,580

Broad and looked directly at her car

188

00:09:12,050 --> 00:09:08,940

now I'm not going to tell you it had big

189

00:09:14,750 --> 00:09:12,060

red eyes yeah I shined that I saw for

190

00:09:17,630 --> 00:09:14,760

only a split second was golden

191

00:09:20,030 --> 00:09:17,640

it turned and walked down the side of

192

00:09:21,410 --> 00:09:20,040

the house between the cow pasture fence

193

00:09:23,990 --> 00:09:21,420

in the house

194

00:09:25,790 --> 00:09:24,000

my mom hit the gas and went her around

195

00:09:27,290 --> 00:09:25,800

the Great Oak tree that was at the

196

00:09:30,230 --> 00:09:27,300

corner of the porch

197

00:09:32,509 --> 00:09:30,240

she got around the side of the house and

198

00:09:34,790 --> 00:09:32,519

we saw nothing she grabbed the 38

199

00:09:37,490 --> 00:09:34,800

revolver and jumped out of the car

200

00:09:39,470 --> 00:09:37,500

telling me to lock the doors

201  
00:09:41,389 --> 00:09:39,480  
a little good that would have done

202  
00:09:43,790 --> 00:09:41,399  
looking back at it though

203  
00:09:48,110 --> 00:09:43,800  
so when the car

204  
00:09:50,810 --> 00:09:48,120  
uh with the car uh headlights uh shining

205  
00:09:52,430 --> 00:09:50,820  
and my mom at the fence line she stood

206  
00:09:54,350 --> 00:09:52,440  
and stayed quiet

207  
00:09:56,389 --> 00:09:54,360  
our hunting dogs that were in their

208  
00:09:58,610 --> 00:09:56,399  
kennels were whimpering

209  
00:10:00,889 --> 00:09:58,620  
they normally barked at anything when we

210  
00:10:03,230 --> 00:10:00,899  
came home not this night they were

211  
00:10:04,370 --> 00:10:03,240  
scared uh there's and there's more to

212  
00:10:07,730 --> 00:10:04,380  
that story

213  
00:10:10,550 --> 00:10:07,740

uh the next day we looked for prints

214

00:10:12,889 --> 00:10:10,560

the porch and the oak tree signs is

215

00:10:15,530 --> 00:10:12,899

relative relevant because

216

00:10:18,230 --> 00:10:15,540

it's what we used to size up our our

217

00:10:20,870 --> 00:10:18,240

guests uh the Creech was standing next

218

00:10:22,610 --> 00:10:20,880

to our porch and his head was just under

219

00:10:25,070 --> 00:10:22,620

the edge of the roof

220

00:10:26,030 --> 00:10:25,080

uh seven foot six at the edge of the

221

00:10:28,730 --> 00:10:26,040

error hang

222

00:10:31,250 --> 00:10:28,740

so now being older and having a firm

223

00:10:33,290 --> 00:10:31,260

grasp on measurement I'm guessing this

224

00:10:36,650 --> 00:10:33,300

thing was seven foot tall

225

00:10:38,690 --> 00:10:36,660

it was nearly as thicker one as the

226

00:10:41,090 --> 00:10:38,700

Great Oak Tree and based on what our

227

00:10:43,750 --> 00:10:41,100

landlord later told us it was about 90

228

00:10:47,810 --> 00:10:43,760

years old

229

00:10:50,810 --> 00:10:47,820

uh we had cows and hunting dogs

230

00:10:52,190 --> 00:10:50,820

we even had a calf that was about 400

231

00:10:54,230 --> 00:10:52,200

pounds or so

232

00:10:56,870 --> 00:10:54,240

that I would hand feed and had bottle

233

00:10:58,970 --> 00:10:56,880

fed because my mother its mother had

234

00:11:01,430 --> 00:10:58,980

died shortly after birthing

235

00:11:03,170 --> 00:11:01,440

anyway my mom was calling the cab to get

236

00:11:04,069 --> 00:11:03,180

him to come to the fence and it wouldn't

237

00:11:06,829 --> 00:11:04,079

come

238

00:11:08,090 --> 00:11:06,839

she called again there was nothing just

239

00:11:10,009 --> 00:11:08,100

silence

240

00:11:12,110 --> 00:11:10,019

and all of a sudden we heard the most

241

00:11:15,050 --> 00:11:12,120

god-awful scream from what we thought

242

00:11:17,630 --> 00:11:15,060

was the calf and then nothing

243

00:11:19,970 --> 00:11:17,640

so this whole time I'm in the car the

244

00:11:21,110 --> 00:11:19,980

door's locked and the windows cracked so

245

00:11:23,509 --> 00:11:21,120

I could hear

246

00:11:25,190 --> 00:11:23,519

my mom ran back to the car I opened the

247

00:11:27,290 --> 00:11:25,200

door and she backed us out of there

248

00:11:30,650 --> 00:11:27,300

quick and went to her girlfriend's house

249

00:11:32,870 --> 00:11:30,660

who lived about a half hour away

250

00:11:36,230 --> 00:11:32,880

mom was rattled she talked the whole way

251

00:11:38,389 --> 00:11:36,240

did you see it yes Mama I saw it it was

252

00:11:41,569 --> 00:11:38,399

big and hairy did you hear the Caps she

253

00:11:44,569 --> 00:11:41,579

asked mom I did you think it's dead Mama

254

00:11:46,370 --> 00:11:44,579

do you do you smell it she slammed on

255

00:11:47,090 --> 00:11:46,380

the brakes and nearly put me into the

256

00:11:50,030 --> 00:11:47,100

dish

257

00:11:52,069 --> 00:11:50,040

you could smell it too yeah it stunk bad

258

00:11:54,769 --> 00:11:52,079

worse than the dogs

259

00:11:57,530 --> 00:11:54,779

uh we got to my mom's friend's house and

260

00:11:59,930 --> 00:11:57,540

she got on the phone with Mr goldsby

261

00:12:03,050 --> 00:11:59,940

he was the landlord she nervously told

262

00:12:07,970 --> 00:12:05,569

but she nearly dropped the phone

263

00:12:10,550 --> 00:12:07,980

he said it was a skunky

264

00:12:13,069 --> 00:12:10,560

it's been around for years and he said

265

00:12:15,290 --> 00:12:13,079

the damn thing stinks too

266

00:12:18,170 --> 00:12:15,300

well

267

00:12:19,550 --> 00:12:18,180

the next day we went home and met with

268

00:12:22,430 --> 00:12:19,560

Mr goldsby

269

00:12:24,530 --> 00:12:22,440

uh he came to the house to see if he

270

00:12:27,290 --> 00:12:24,540

could find anything uh we found

271

00:12:30,290 --> 00:12:27,300

Footprints right by the porch where it

272

00:12:32,509 --> 00:12:30,300

stood when we saw it uh we measured him

273

00:12:35,150 --> 00:12:32,519

and neighbor just over 15 inches long

274

00:12:37,850 --> 00:12:35,160

several tracks led to the fence

275

00:12:39,590 --> 00:12:37,860

and these tracks had nearly a 60 inch

276

00:12:41,870 --> 00:12:39,600

stride in between

277

00:12:43,129 --> 00:12:41,880

so Mom and Mr goldsby went to the cow

278

00:12:45,110 --> 00:12:43,139

pasture

279

00:12:46,910 --> 00:12:45,120

she wouldn't let me come because there

280

00:12:49,310 --> 00:12:46,920

was a lot of dog fennel growing around

281

00:12:51,769 --> 00:12:49,320

and some Palmetto patches

282

00:12:53,870 --> 00:12:51,779

they found the calf though it was dead

283

00:12:56,210 --> 00:12:53,880

and its neck and head had been pulled up

284

00:12:58,370 --> 00:12:56,220

and backward to where his spine

285

00:12:59,389 --> 00:12:58,380

was pulled up past his shoulders and

286

00:13:02,690 --> 00:12:59,399

broken

287

00:13:05,090 --> 00:13:02,700

now Mom said there was a lot of blood

288

00:13:07,370 --> 00:13:05,100

around Jesus my mom asked Mr goldsby why

289

00:13:10,490 --> 00:13:07,380

he didn't tell us about this before

290

00:13:12,350 --> 00:13:10,500

about you know skunk ape being around he

291

00:13:14,329 --> 00:13:12,360

simply said he was so used to it coming

292

00:13:16,370 --> 00:13:14,339

around and not bothering anything that

293

00:13:19,129 --> 00:13:16,380

he didn't think he needed to

294

00:13:20,990 --> 00:13:19,139

so uh in the end he said that we moved

295

00:13:22,970 --> 00:13:21,000

two weeks later because he weren't going

296

00:13:24,470 --> 00:13:22,980

to stay there

297

00:13:26,870 --> 00:13:24,480

um you know I've heard a lot of stories

298

00:13:28,850 --> 00:13:26,880

about skunk a very rarely

299

00:13:31,190 --> 00:13:28,860

dude

300

00:13:34,190 --> 00:13:31,200

do you get a case where these things

301

00:13:35,810 --> 00:13:34,200

have caused any type of problems uh they

302

00:13:37,250 --> 00:13:35,820

seem to be pretty docile for the most

303

00:13:39,769 --> 00:13:37,260

part

304

00:13:42,889 --> 00:13:39,779

now there's several areas but then

305

00:13:45,769 --> 00:13:42,899

uh especially western Florida Southwest

306

00:13:48,470 --> 00:13:45,779

Florida where these things congregate at

307

00:13:50,509 --> 00:13:48,480

now the green swamp is kind of north of

308

00:13:52,190 --> 00:13:50,519

uh if I remember right just north of

309

00:13:55,490 --> 00:13:52,200

Orlando

310

00:13:57,769 --> 00:13:55,500

uh and a bit away from Ocala so but

311

00:14:00,530 --> 00:13:57,779

Ocala's got several you've got skunk

312

00:14:04,129 --> 00:14:00,540

apes and other Bigfoot in there as well

313

00:14:05,750 --> 00:14:04,139

so uh but moving closer to St Petersburg

314

00:14:08,990 --> 00:14:05,760  
and Tampa

315

00:14:11,389 --> 00:14:09,000  
as you get into uh

316

00:14:13,850 --> 00:14:11,399  
Malacca State Forest and all they're

317

00:14:17,870 --> 00:14:13,860  
pretty thick in there and they've been

318

00:14:24,350 --> 00:14:21,590  
so this this next report a former

319

00:14:27,170 --> 00:14:24,360  
resident Madera Pennsylvania detailed a

320

00:14:31,850 --> 00:14:27,180  
siding that she and her

321

00:14:34,009 --> 00:14:31,860  
son had near the town in two in 2017.

322

00:14:37,370 --> 00:14:34,019  
now this is not the first setting or

323

00:14:40,670 --> 00:14:37,380  
encounter with these Cryptid quadrupeds

324

00:14:41,870 --> 00:14:40,680  
I received a report on October 25th this

325

00:14:44,329 --> 00:14:41,880  
year

326

00:14:46,069 --> 00:14:44,339

as she said my son came across this by

327

00:14:47,930 --> 00:14:46,079

chance this morning while listening to

328

00:14:50,389 --> 00:14:47,940

stories on his phone

329

00:14:53,509 --> 00:14:50,399

and he was talking about one of the

330

00:14:55,129 --> 00:14:53,519

cases that I had talked about earlier in

331

00:14:57,710 --> 00:14:55,139

Madeira

332

00:14:59,930 --> 00:14:57,720

uh he was taken aback when he heard the

333

00:15:02,210 --> 00:14:59,940

name of the town of Madera Pennsylvania

334

00:15:05,509 --> 00:15:02,220

which is in Clearfield County

335

00:15:07,250 --> 00:15:05,519

uh I heard it mentioned uh because I

336

00:15:09,590 --> 00:15:07,260

also grew up in Madera

337

00:15:11,990 --> 00:15:09,600

I never really heard any serious stories

338

00:15:13,850 --> 00:15:12,000

about strange things in the woods and we

339

00:15:16,490 --> 00:15:13,860

were always in those woods

340

00:15:18,650 --> 00:15:16,500

it was truly creepy at night though

341

00:15:21,110 --> 00:15:18,660

none of us ventured Into the Woods at

342

00:15:23,569 --> 00:15:21,120

night and it always felt like something

343

00:15:25,970 --> 00:15:23,579

was out there watching

344

00:15:28,730 --> 00:15:25,980

we usually didn't go anywhere alone not

345

00:15:31,370 --> 00:15:28,740

even to the neighbor's house it was kind

346

00:15:33,530 --> 00:15:31,380

of unspoken understanding

347

00:15:35,870 --> 00:15:33,540

I had eventually married and moved to

348

00:15:38,269 --> 00:15:35,880

another part of the state and my sons

349

00:15:39,949 --> 00:15:38,279

were grown my sons also loved Madeira

350

00:15:42,230 --> 00:15:39,959

and roaming the woods there

351  
00:15:44,269 --> 00:15:42,240  
we visited often

352  
00:15:47,090 --> 00:15:44,279  
and my youngest son and I had planned to

353  
00:15:49,670 --> 00:15:47,100  
drive up to visit my sister and her

354  
00:15:52,189 --> 00:15:49,680  
family who had remained living in Madera

355  
00:15:54,710 --> 00:15:52,199  
it's a quite beautiful little town where

356  
00:15:56,449 --> 00:15:54,720  
everyone knows everyone else and and the

357  
00:15:59,269 --> 00:15:56,459  
neighbors help Neighbors

358  
00:16:01,310 --> 00:15:59,279  
so here's her encounter so she said my

359  
00:16:02,509 --> 00:16:01,320  
son and I were near

360  
00:16:05,210 --> 00:16:02,519  
home

361  
00:16:06,230 --> 00:16:05,220  
when we saw it crossing the road it was

362  
00:16:09,650 --> 00:16:06,240  
huge

363  
00:16:11,750 --> 00:16:09,660

it had a massive dog-like head and my

364

00:16:13,069 --> 00:16:11,760

son swears it looked like it had a

365

00:16:15,050 --> 00:16:13,079

lion's mane

366

00:16:17,389 --> 00:16:15,060

those shoulders are very large and

367

00:16:19,310 --> 00:16:17,399

muscular and the back end was almost

368

00:16:21,889 --> 00:16:19,320

deer-like

369

00:16:24,769 --> 00:16:21,899

it looked like it had dark fur but

370

00:16:27,410 --> 00:16:24,779

darker fur in places that resembled kind

371

00:16:29,810 --> 00:16:27,420

of stripes or large spots

372

00:16:32,389 --> 00:16:29,820

it also had a very long tail now my son

373

00:16:34,790 --> 00:16:32,399

and I disagree on a few details but the

374

00:16:35,930 --> 00:16:34,800

size head tail and black patches we both

375

00:16:38,509 --> 00:16:35,940

agree on

376

00:16:41,030 --> 00:16:38,519

and neither of us had ever seen anything

377

00:16:43,550 --> 00:16:41,040

like it before since

378

00:16:45,650 --> 00:16:43,560

now we got to the spot where we had seen

379

00:16:47,990 --> 00:16:45,660

it and it was long gone

380

00:16:50,210 --> 00:16:48,000

I swear across that road in just one

381

00:16:52,430 --> 00:16:50,220

giant leap and it's halfway up the embed

382

00:16:55,009 --> 00:16:52,440

me where they hit the ground running

383

00:16:57,829 --> 00:16:55,019

and when I got to my sister's house

384

00:17:00,350 --> 00:16:57,839

we told them what we had seen and of

385

00:17:02,810 --> 00:17:00,360

course they didn't believe us they said

386

00:17:05,990 --> 00:17:02,820

it was probably a big dog or a bear we

387

00:17:08,030 --> 00:17:06,000

know what we saw and we didn't you know

388

00:17:11,270 --> 00:17:08,040

we still don't know what it was but it

389

00:17:14,569 --> 00:17:11,280

was something we never forget that was

390

00:17:15,949 --> 00:17:14,579

in 2017. now we keep our eyes open every

391

00:17:18,890 --> 00:17:15,959

time we go home

392

00:17:21,710 --> 00:17:18,900

uh it wasn't a dog man but it was some

393

00:17:24,169 --> 00:17:21,720

kind of Beast and it ran on all fours

394

00:17:27,230 --> 00:17:24,179

awful wonder how many other people have

395

00:17:29,330 --> 00:17:27,240

seen it now it's interesting

396

00:17:31,610 --> 00:17:29,340

this Witness

397

00:17:34,490 --> 00:17:31,620

uh was talking about a case that in

398

00:17:36,590 --> 00:17:34,500

Clearfield County which is about oh at

399

00:17:38,029 --> 00:17:36,600

least 200 miles from me and she just

400

00:17:38,990 --> 00:17:38,039

happened to live down the road from me

401  
00:17:42,350 --> 00:17:39,000  
here

402  
00:17:45,169 --> 00:17:42,360  
uh outside of mccherrystown she lives in

403  
00:17:46,970 --> 00:17:45,179  
Hanover so it was interesting when I

404  
00:17:50,750 --> 00:17:46,980  
found that out but anyway she did send

405  
00:17:54,049 --> 00:17:50,760  
me an update and uh and I talked to her

406  
00:17:57,169 --> 00:17:54,059  
well she talked to me about it and she

407  
00:17:59,810 --> 00:17:57,179  
said the root was 253 she believes a

408  
00:18:02,150 --> 00:17:59,820  
road from Viola ceramic closer to the

409  
00:18:03,890 --> 00:18:02,160  
rammy side

410  
00:18:06,169 --> 00:18:03,900  
um it was in a big dip with the hill

411  
00:18:08,990 --> 00:18:06,179  
coming down and then back up

412  
00:18:12,350 --> 00:18:09,000  
and like I said before this wasn't the

413  
00:18:15,050 --> 00:18:12,360

the only sighting of this quadruped

414

00:18:16,549 --> 00:18:15,060

uh like the dog-headed quadruped that

415

00:18:19,130 --> 00:18:16,559

[Music]

416

00:18:20,690 --> 00:18:19,140

yeah

417

00:18:23,210 --> 00:18:20,700

um

418

00:18:25,070 --> 00:18:23,220

one of our investigators Ryan cavallini

419

00:18:27,409 --> 00:18:25,080

lives up there in Clearfield so he's

420

00:18:29,630 --> 00:18:27,419

looking into all this see if there have

421

00:18:31,250 --> 00:18:29,640

been other sightings but um

422

00:18:34,570 --> 00:18:31,260

I don't know what this is the previous

423

00:18:37,130 --> 00:18:34,580

setting that I had received was from the

424

00:18:39,350 --> 00:18:37,140

1970s where this thing and I did talk

425

00:18:41,990 --> 00:18:39,360

about it here on the show but this thing

426  
00:18:43,430 --> 00:18:42,000  
had come up onto the porch of this home

427  
00:18:45,650 --> 00:18:43,440  
in Madera

428  
00:18:48,770 --> 00:18:45,660  
and uh

429  
00:18:50,890 --> 00:18:48,780  
they described it looked like a hyena

430  
00:18:54,289 --> 00:18:50,900  
a huge hind actually

431  
00:18:56,390 --> 00:18:54,299  
and uh they did describe the head being

432  
00:18:58,310 --> 00:18:56,400  
very dog-like but there were other

433  
00:19:01,010 --> 00:18:58,320  
aspects of it that just did not look

434  
00:19:02,690 --> 00:19:01,020  
like a dog so um I don't know if it's

435  
00:19:04,250 --> 00:19:02,700  
the same thing if there's a bunch of

436  
00:19:06,529 --> 00:19:04,260  
them in the area

437  
00:19:09,890 --> 00:19:06,539  
but it is something that we are going to

438  
00:19:15,830 --> 00:19:12,110

well let me take a look here if

439

00:19:21,049 --> 00:19:18,440

I don't know what's going on with my uh

440

00:19:23,450 --> 00:19:21,059

[Music]

441

00:19:26,029 --> 00:19:23,460

my chat thing here

442

00:19:27,650 --> 00:19:26,039

are there any questions uh Vincent will

443

00:19:31,070 --> 00:19:27,660

put them up there and I'll look them

444

00:19:37,370 --> 00:19:34,190

so anyway uh the next

445

00:19:39,529 --> 00:19:37,380

the next encounter we have is maybe kind

446

00:19:41,810 --> 00:19:39,539

of related to the Chicago sightings

447

00:19:44,450 --> 00:19:41,820

though it's different

448

00:19:46,730 --> 00:19:44,460

um this was in Orland Park Illinois

449

00:19:49,190 --> 00:19:46,740

where a woman described an encounter

450

00:19:51,950 --> 00:19:49,200

with a pterosaur like creature

451  
00:19:53,750 --> 00:19:51,960  
that attempted to grab her small dog

452  
00:19:56,630 --> 00:19:53,760  
from the front yard

453  
00:19:59,390 --> 00:19:56,640  
the creature's flight abilities were

454  
00:20:01,370 --> 00:19:59,400  
remarkable as it was described to us

455  
00:20:04,310 --> 00:20:01,380  
so um

456  
00:20:06,770 --> 00:20:04,320  
she states I saw a flying creature last

457  
00:20:09,110 --> 00:20:06,780  
night which was October 19th this year

458  
00:20:11,690 --> 00:20:09,120  
in front of my house

459  
00:20:14,810 --> 00:20:11,700  
I live in Orland Park Illinois and lived

460  
00:20:18,950 --> 00:20:14,820  
the same house for 16 years

461  
00:20:20,690 --> 00:20:18,960  
I would see a coyote every couple once

462  
00:20:22,549 --> 00:20:20,700  
every couple years in the winter and a

463  
00:20:25,070 --> 00:20:22,559

few foxes here and there

464

00:20:28,430 --> 00:20:25,080

two months ago I started to see a coyote

465

00:20:30,710 --> 00:20:28,440

wolf hybrid creature at at least twice a

466

00:20:33,049 --> 00:20:30,720

week which is not normal

467

00:20:35,270 --> 00:20:33,059

I'm unable to walk my dogs like I

468

00:20:37,310 --> 00:20:35,280

normally do because this hybrid creature

469

00:20:38,390 --> 00:20:37,320

coming face to face with me and chasing

470

00:20:41,090 --> 00:20:38,400

me away

471

00:20:43,310 --> 00:20:41,100

uh actually it may have been a koi wolf

472

00:20:46,130 --> 00:20:43,320

but I don't know it hurt she doesn't

473

00:20:48,409 --> 00:20:46,140

really specific on the description

474

00:20:50,930 --> 00:20:48,419

so she states that last night I was with

475

00:20:53,090 --> 00:20:50,940

my dogs in the front only since I can't

476  
00:20:55,070 --> 00:20:53,100  
walk them around anymore

477  
00:20:57,049 --> 00:20:55,080  
now one dog was leashed and the other

478  
00:20:59,510 --> 00:20:57,059  
one was grazing the grass a few feet

479  
00:21:01,730 --> 00:20:59,520  
away from me and while I was standing

480  
00:21:05,090 --> 00:21:01,740  
while I was standing on the porch

481  
00:21:07,789 --> 00:21:05,100  
a creature with no fur no feathers Brown

482  
00:21:08,870 --> 00:21:07,799  
grease color long legs and an extra long

483  
00:21:11,690 --> 00:21:08,880  
tail

484  
00:21:13,549 --> 00:21:11,700  
swept down in an attempt to grab my

485  
00:21:15,830 --> 00:21:13,559  
Unleashed dog

486  
00:21:18,049 --> 00:21:15,840  
the creature saw me and flapped its

487  
00:21:20,090 --> 00:21:18,059  
leather-like wings once and wrapped its

488  
00:21:24,230 --> 00:21:20,100

wings around its body in intent to

489

00:21:26,690 --> 00:21:24,240

conceal itself from me and glide It Off

490

00:21:29,570 --> 00:21:26,700

uh while gliding away it dropped some

491

00:21:32,930 --> 00:21:29,580

liquid waste and a lot of it and landed

492

00:21:36,350 --> 00:21:32,940

in the grass so I wasn't able to see the

493

00:21:40,909 --> 00:21:36,360

color of texture of this uh this being

494

00:21:43,010 --> 00:21:40,919

it happened between 9 45 p.m and 10 p.m

495

00:21:46,310 --> 00:21:43,020

and she said she was super freaked out

496

00:21:48,289 --> 00:21:46,320

well anyway I contacted the witness

497

00:21:51,289 --> 00:21:48,299

um

498

00:21:52,909 --> 00:21:51,299

you know I I received phone call with

499

00:21:53,930 --> 00:21:52,919

actually I contacted her and then she

500

00:21:55,970 --> 00:21:53,940

called me

501  
00:21:58,070 --> 00:21:55,980  
she has lived in her home in the

502  
00:22:00,110 --> 00:21:58,080  
neighborhood along 123rd Street and

503  
00:22:02,510 --> 00:22:00,120  
across from the cap Sawyers holding

504  
00:22:05,330 --> 00:22:02,520  
nature preserves for those people who

505  
00:22:07,370 --> 00:22:05,340  
knew the area uh the winged creature

506  
00:22:09,890 --> 00:22:07,380  
swooped down and attempt to grab her

507  
00:22:11,149 --> 00:22:09,900  
small older dog while I was in the front

508  
00:22:13,490 --> 00:22:11,159  
yard

509  
00:22:15,770 --> 00:22:13,500  
the witness reacted to the attempt and

510  
00:22:19,010 --> 00:22:15,780  
the creature immediately retracted its

511  
00:22:21,649 --> 00:22:19,020  
long legs after seeing her it flapped

512  
00:22:24,470 --> 00:22:21,659  
its wings once ascended and wrapped the

513  
00:22:27,350 --> 00:22:24,480

Wings Around itself as it did so it

514

00:22:30,289 --> 00:22:27,360

defecated and glotted off now you know

515

00:22:32,510 --> 00:22:30,299

that's interesting because we have heard

516

00:22:33,710 --> 00:22:32,520

before with with the wing humanoid

517

00:22:37,010 --> 00:22:33,720

sightings

518

00:22:40,130 --> 00:22:37,020

that these beings have an ability to

519

00:22:41,270 --> 00:22:40,140

to fly Glide or whatever without use of

520

00:22:43,610 --> 00:22:41,280

the Wings

521

00:22:45,649 --> 00:22:43,620

and apparently this creature had some

522

00:22:47,750 --> 00:22:45,659

similar type of ability that was able to

523

00:22:50,750 --> 00:22:47,760

uh locomote somehow

524

00:22:52,430 --> 00:22:50,760

are able to jettison himself without

525

00:22:54,110 --> 00:22:52,440

using the wings well anyway her

526

00:22:56,930 --> 00:22:54,120

description was some was similar to a

527

00:22:59,690 --> 00:22:56,940

pterosaur even though the total beak

528

00:23:03,049 --> 00:22:59,700

length was concealed by the wings

529

00:23:05,270 --> 00:23:03,059

uh it had a very distinctive long thin

530

00:23:06,409 --> 00:23:05,280

tail with a spade-like structure at the

531

00:23:08,149 --> 00:23:06,419

end

532

00:23:10,430 --> 00:23:08,159

now she described the wings as

533

00:23:13,130 --> 00:23:10,440

leather-like and shaped like a manta ray

534

00:23:14,930 --> 00:23:13,140

approximately five feet wide each total

535

00:23:17,390 --> 00:23:14,940

10 foot wingspan

536

00:23:19,970 --> 00:23:17,400

the body was grayish brown in color with

537

00:23:21,590 --> 00:23:19,980

smooth skin it made no noise other than

538

00:23:23,630 --> 00:23:21,600

the flapping sound

539

00:23:26,149 --> 00:23:23,640

I explained to her

540

00:23:27,649 --> 00:23:26,159

at the overall Region's known

541

00:23:30,110 --> 00:23:27,659

historically for pterosaur and

542

00:23:31,750 --> 00:23:30,120

Thunderbird sightings as well as the you

543

00:23:34,390 --> 00:23:31,760

know the winged humanoids now of course

544

00:23:37,310 --> 00:23:34,400

anybody familiar with the Longdale

545

00:23:38,750 --> 00:23:37,320

encounter where this large bird-like

546

00:23:42,649 --> 00:23:38,760

creature

547

00:23:44,210 --> 00:23:42,659

attempted to pick up a young boy

548

00:23:47,450 --> 00:23:44,220

um and then they actually did grab him

549

00:23:50,390 --> 00:23:47,460

and carried him for a small distance

550

00:23:52,250 --> 00:23:50,400

but that's a pretty well known phenomena

551  
00:23:55,210 --> 00:23:52,260  
that acts actually happened in Illinois

552  
00:23:58,190 --> 00:23:55,220  
as well so and you know Illinois Indiana

553  
00:24:00,950 --> 00:23:58,200  
and some parts of Wisconsin have been

554  
00:24:02,510 --> 00:24:00,960  
well known for these Thunderbird and

555  
00:24:05,029 --> 00:24:02,520  
pterosaur like settings even before

556  
00:24:07,750 --> 00:24:05,039  
these Wing humanoid settings started

557  
00:24:10,370 --> 00:24:07,760  
it's a historical thing I mean you know

558  
00:24:13,270 --> 00:24:10,380  
uh some of the native peoples had even

559  
00:24:16,310 --> 00:24:13,280  
talked about it and and had drawn

560  
00:24:18,710 --> 00:24:16,320  
pictographs and such of these beings so

561  
00:24:21,770 --> 00:24:18,720  
um are they real are they Spirits I

562  
00:24:24,649 --> 00:24:21,780  
don't know but uh it is a well-known it

563  
00:24:27,350 --> 00:24:24,659

is a well-known Cryptid

564

00:24:29,149 --> 00:24:27,360

um see we have a

565

00:24:31,070 --> 00:24:29,159

Vincent wants to know do you think

566

00:24:33,289 --> 00:24:31,080

there's a breeding population he's win

567

00:24:34,310 --> 00:24:33,299

cryptic very what could be

568

00:24:37,490 --> 00:24:34,320

um

569

00:24:39,649 --> 00:24:37,500

it just seems unusual that it keeps

570

00:24:41,090 --> 00:24:39,659

showing up in these same areas

571

00:24:44,630 --> 00:24:41,100

uh

572

00:24:47,149 --> 00:24:44,640

about

573

00:24:49,070 --> 00:24:47,159

some type of um

574

00:24:50,750 --> 00:24:49,080

Ultra terrestrial some type of

575

00:24:53,510 --> 00:24:50,760

interdimensional being are these

576  
00:24:56,510 --> 00:24:53,520  
creatures that you know that are able to

577  
00:25:02,090 --> 00:24:56,520  
be in the area and I do breed uh I don't

578  
00:25:03,890 --> 00:25:02,100  
know it's hard to tell but uh it's um

579  
00:25:07,549 --> 00:25:03,900  
this was an interesting sign and that's

580  
00:25:08,330 --> 00:25:07,559  
that that graphic that Vincent put up

581  
00:25:12,350 --> 00:25:08,340  
there

582  
00:25:16,610 --> 00:25:12,360  
is is very close to what she described

583  
00:25:18,470 --> 00:25:16,620  
uh as to what it looked like so uh

584  
00:25:20,230 --> 00:25:18,480  
you know we get these pterosaur

585  
00:25:23,230 --> 00:25:20,240  
pterodactyl

586  
00:25:26,390 --> 00:25:23,240  
relics lightings a lot

587  
00:25:29,690 --> 00:25:26,400  
are we really dealing with uh some type

588  
00:25:33,470 --> 00:25:29,700

of dinosaur from the past or something

589

00:25:35,810 --> 00:25:33,480

that still lives on it's hard to tell

590

00:25:38,570 --> 00:25:35,820

so um

591

00:25:40,669 --> 00:25:38,580

this next this next report a group of

592

00:25:43,490 --> 00:25:40,679

friends in North Louisiana is riding

593

00:25:46,430 --> 00:25:43,500

around when they spot two huge wolf-like

594

00:25:48,110 --> 00:25:46,440

creatures both running on all fours then

595

00:25:50,750 --> 00:25:48,120

bipedally

596

00:25:53,810 --> 00:25:50,760

they were shocked by the sighting

597

00:25:56,510 --> 00:25:53,820

now the witness tells me I have lived in

598

00:25:58,669 --> 00:25:56,520

North Louisiana my whole life and grew

599

00:25:59,810 --> 00:25:58,679

up on a large cotton farm that my father

600

00:26:02,810 --> 00:25:59,820

owns

601  
00:26:04,549 --> 00:26:02,820  
my mother is a Cherokee descent so I was

602  
00:26:07,310 --> 00:26:04,559  
always raised to believe in things that

603  
00:26:09,230 --> 00:26:07,320  
most Americans think are imaginary

604  
00:26:10,789 --> 00:26:09,240  
now my sighting happened in the early

605  
00:26:12,590 --> 00:26:10,799  
1990s

606  
00:26:14,630 --> 00:26:12,600  
it was February

607  
00:26:15,890 --> 00:26:14,640  
in our hunting season had already ended

608  
00:26:18,230 --> 00:26:15,900  
a month before

609  
00:26:20,029 --> 00:26:18,240  
so animals were backed to not being

610  
00:26:22,250 --> 00:26:20,039  
hunted and less scared of people and

611  
00:26:23,450 --> 00:26:22,260  
cars now my friends and I were out

612  
00:26:26,690 --> 00:26:23,460  
riding around

613  
00:26:28,130 --> 00:26:26,700

the form trying to see some big buck or

614

00:26:29,870 --> 00:26:28,140

a deer that made it through the season

615

00:26:32,510 --> 00:26:29,880

to hunt next year

616

00:26:34,789 --> 00:26:32,520

well it was starting to get dark and we

617

00:26:37,669 --> 00:26:34,799

were heading back to town to hang out

618

00:26:40,010 --> 00:26:37,679

with friends now it's a 20-mile ride or

619

00:26:42,230 --> 00:26:40,020

so from my house so we had just pulled

620

00:26:45,169 --> 00:26:42,240

out onto the road

621

00:26:47,630 --> 00:26:45,179

now maybe two miles or so we saw

622

00:26:50,149 --> 00:26:47,640

something running out of a cotton field

623

00:26:52,970 --> 00:26:50,159

now I remember saying what the hell are

624

00:26:55,549 --> 00:26:52,980

those and like it was two huge dog-like

625

00:26:58,970 --> 00:26:55,559

animals running on all fours but

626  
00:27:01,430 --> 00:26:58,980  
something sometimes on two legs also

627  
00:27:04,850 --> 00:27:01,440  
they both jumped the whole two-lane

628  
00:27:06,830 --> 00:27:04,860  
Highway like nothing like nothing to it

629  
00:27:09,110 --> 00:27:06,840  
uh now when I say these things are

630  
00:27:12,230 --> 00:27:09,120  
running I mean they were probably going

631  
00:27:14,690 --> 00:27:12,240  
60 mile an hour it was it was amazing I

632  
00:27:16,010 --> 00:27:14,700  
remember saying it kind of looked like

633  
00:27:17,750 --> 00:27:16,020  
the hellhounds from the movie

634  
00:27:20,090 --> 00:27:17,760  
Ghostbusters

635  
00:27:23,090 --> 00:27:20,100  
now my friends agreed with me as soon as

636  
00:27:25,970 --> 00:27:23,100  
I said that now these creatures had huge

637  
00:27:29,330 --> 00:27:25,980  
upper bodies but their waist to their

638  
00:27:30,890 --> 00:27:29,340

butt were kind of small or maybe that's

639

00:27:33,649 --> 00:27:30,900

just the way it looked that when it was

640

00:27:35,690 --> 00:27:33,659

running so fast it was a very strange

641

00:27:38,110 --> 00:27:35,700

sight now both of them had wolf-like

642

00:27:41,690 --> 00:27:38,120

heads but black fur

643

00:27:44,390 --> 00:27:41,700

and they did go up on two legs and they

644

00:27:46,850 --> 00:27:44,400

both well were eight foot tall

645

00:27:49,370 --> 00:27:46,860

now I remember the woods on the other

646

00:27:51,830 --> 00:27:49,380

side of the field were like 400 yards

647

00:27:55,490 --> 00:27:51,840

away and they made it to cover and

648

00:27:58,130 --> 00:27:55,500

simply take seconds we all were like

649

00:27:59,690 --> 00:27:58,140

what the you know what the hell and um

650

00:28:00,950 --> 00:27:59,700

we immediately turned around to go back

651  
00:28:04,370 --> 00:28:00,960  
to my house

652  
00:28:06,169 --> 00:28:04,380  
now when we got home we ran into the

653  
00:28:08,269 --> 00:28:06,179  
house screaming at my mother

654  
00:28:11,390 --> 00:28:08,279  
guess what just happened she was telling

655  
00:28:14,269 --> 00:28:11,400  
us to calm down and speak one at a time

656  
00:28:15,769 --> 00:28:14,279  
well anyway uh we told her what we had

657  
00:28:18,950 --> 00:28:15,779  
saw and

658  
00:28:21,110 --> 00:28:18,960  
um she kept saying some strange Cherokee

659  
00:28:23,090 --> 00:28:21,120  
name for these animals

660  
00:28:25,549 --> 00:28:23,100  
I eventually stopped talking about it

661  
00:28:27,950 --> 00:28:25,559  
because people were making fun of us

662  
00:28:29,570 --> 00:28:27,960  
I remember later asking my mom about the

663  
00:28:32,210 --> 00:28:29,580

dog creatures and I wish I could

664

00:28:34,130 --> 00:28:32,220

remember how she to say and spell the

665

00:28:37,310 --> 00:28:34,140

name she called them

666

00:28:39,110 --> 00:28:37,320

but you know that's my story so anyway

667

00:28:41,810 --> 00:28:39,120

that's the last report

668

00:28:44,330 --> 00:28:41,820

but that is interesting because we have

669

00:28:46,909 --> 00:28:44,340

had you know in Louisiana of course we

670

00:28:48,769 --> 00:28:46,919

we get a lot of these especially in the

671

00:28:51,110 --> 00:28:48,779

southern part of Louisiana down into the

672

00:28:52,669 --> 00:28:51,120

Bayou area we get a lot of these lucaroo

673

00:28:55,010 --> 00:28:52,679

sightings or

674

00:28:56,810 --> 00:28:55,020

possible werewolf or

675

00:28:59,750 --> 00:28:56,820

strange cryptic

676

00:29:00,409 --> 00:28:59,760

canine so I don't know what that was

677

00:29:02,750 --> 00:29:00,419

um

678

00:29:04,490 --> 00:29:02,760

James says have you ever heard of one of

679

00:29:06,169 --> 00:29:04,500

these creatures successfully carrying

680

00:29:08,930 --> 00:29:06,179

off a person I guess she's talking about

681

00:29:13,250 --> 00:29:08,940

the winged humanoids

682

00:29:16,130 --> 00:29:13,260

no not that I know of I I do remember

683

00:29:18,049 --> 00:29:16,140

I do did have a

684

00:29:20,210 --> 00:29:18,059

um

685

00:29:22,610 --> 00:29:20,220

a citing report

686

00:29:24,830 --> 00:29:22,620

it wasn't in the United States it was in

687

00:29:27,470 --> 00:29:24,840

a it was in a

688

00:29:28,490 --> 00:29:27,480

a Latin country I forget the name of the

689

00:29:31,730 --> 00:29:28,500

country

690

00:29:34,730 --> 00:29:31,740

where somebody had observed one of these

691

00:29:38,630 --> 00:29:34,740

beings similar to this with

692

00:29:40,850 --> 00:29:38,640

possibly a human in its clutches flying

693

00:29:43,490 --> 00:29:40,860

away with it that's the only one I've

694

00:29:50,090 --> 00:29:43,500

ever heard of that I was convinced me

695

00:30:07,970 --> 00:29:52,789

anybody got any other questions here to

696

00:30:13,370 --> 00:30:10,549

well anyway

697

00:30:16,250 --> 00:30:13,380

uh I I do appreciate you all coming in

698

00:30:20,750 --> 00:30:16,260

tonight and listening to this um

699

00:30:22,070 --> 00:30:20,760

we you know for me being out and um

700

00:30:24,889 --> 00:30:22,080

being in the hospital and everything

701  
00:30:27,710 --> 00:30:24,899  
having surgery I I haven't gotten a lot

702  
00:30:30,230 --> 00:30:27,720  
of actual reports so I didn't have a

703  
00:30:32,630 --> 00:30:30,240  
whole lot to choose from though I I like

704  
00:30:34,310 --> 00:30:32,640  
I said before now last time I did this I

705  
00:30:36,470 --> 00:30:34,320  
was reading

706  
00:30:38,570 --> 00:30:36,480  
I read some of my book I read some

707  
00:30:40,549 --> 00:30:38,580  
encounters or some sightings and

708  
00:30:41,990 --> 00:30:40,559  
incidents from my book and I may

709  
00:30:43,370 --> 00:30:42,000  
actually do that once a while as well

710  
00:30:46,490 --> 00:30:43,380  
I've had some pretty interesting

711  
00:30:49,070 --> 00:30:46,500  
investigations in the past including one

712  
00:30:51,350 --> 00:30:49,080  
in particular that involved a remote

713  
00:30:52,549 --> 00:30:51,360

view so maybe I'll talk about that the

714

00:30:55,190 --> 00:30:52,559

next time

715

00:30:56,870 --> 00:30:55,200

uh see we got another question here from

716

00:30:59,210 --> 00:30:56,880

Bernadette

717

00:31:00,610 --> 00:30:59,220

anywhere War Stories off the top of your

718

00:31:02,750 --> 00:31:00,620

head

719

00:31:04,789 --> 00:31:02,760

oh God

720

00:31:05,930 --> 00:31:04,799

that's kind of a loaded question you

721

00:31:07,789 --> 00:31:05,940

know I don't know if the wearable

722

00:31:09,169 --> 00:31:07,799

phenomena is real or not or people

723

00:31:11,570 --> 00:31:09,179

actually

724

00:31:13,850 --> 00:31:11,580

uh

725

00:31:15,230 --> 00:31:13,860

can they transform into these beings you

726

00:31:17,750 --> 00:31:15,240

know not really

727

00:31:21,649 --> 00:31:17,760

I I you know I hear a lot of different

728

00:31:24,289 --> 00:31:21,659

things especially with the um

729

00:31:26,690 --> 00:31:24,299

the dueyo sightings of some of the dog

730

00:31:28,430 --> 00:31:26,700

Man sightings and upright canine sags

731

00:31:29,149 --> 00:31:28,440

that we've had here in this part of the

732

00:31:31,970 --> 00:31:29,159

country

733

00:31:33,529 --> 00:31:31,980

uh Pennsylvania Maryland so uh some

734

00:31:35,510 --> 00:31:33,539

people call them werewolves some people

735

00:31:37,430 --> 00:31:35,520

believe that's actually what they are

736

00:31:39,169 --> 00:31:37,440

I don't necessarily believe that's what

737

00:31:41,210 --> 00:31:39,179

they are but um

738

00:31:44,090 --> 00:31:41,220

you know there are different aspects of

739

00:31:45,950 --> 00:31:44,100

these beings that do look uh almost like

740

00:31:47,090 --> 00:31:45,960

they could be humanoid to some some

741

00:31:49,850 --> 00:31:47,100

degree

742

00:31:51,830 --> 00:31:49,860

uh where do they come from I don't know

743

00:31:54,110 --> 00:31:51,840

are they inter-dimensional or the ultra

744

00:31:55,789 --> 00:31:54,120

terrestrial I I think most Cryptids are

745

00:31:59,930 --> 00:31:55,799

interdimensional

746

00:32:02,210 --> 00:31:59,940

so I think these may very well be and uh

747

00:32:04,070 --> 00:32:02,220

uh you know I just don't I just don't

748

00:32:05,750 --> 00:32:04,080

see the proof to where they're actually

749

00:32:08,269 --> 00:32:05,760

indigenous beings

750

00:32:10,310 --> 00:32:08,279

uh like I've said before I I think there

751  
00:32:13,370 --> 00:32:10,320  
are some Bigfoot

752  
00:32:15,529 --> 00:32:13,380  
uh groups in some parts of the country

753  
00:32:17,269 --> 00:32:15,539  
in some parts of North America where

754  
00:32:20,930 --> 00:32:17,279  
they are indigenous

755  
00:32:22,909 --> 00:32:20,940  
but as far as these these canines I I

756  
00:32:27,230 --> 00:32:22,919  
don't know it's hard for me to imagine

757  
00:32:28,490 --> 00:32:27,240  
that they're there are uh areas though

758  
00:32:31,130 --> 00:32:28,500  
that's something that we are looking

759  
00:32:33,830 --> 00:32:31,140  
into you know this Berks County

760  
00:32:37,730 --> 00:32:33,840  
first County encounter

761  
00:32:39,289 --> 00:32:37,740  
and uh with Matt hyra had kuryak had

762  
00:32:40,730 --> 00:32:39,299  
talked about he's done a lot of

763  
00:32:42,889 --> 00:32:40,740

Investigation in

764

00:32:45,169 --> 00:32:42,899

and there may be a possibility that they

765

00:32:47,090 --> 00:32:45,179

they may very well be indigenous to some

766

00:32:48,289 --> 00:32:47,100

degree maybe he believes they're

767

00:32:51,049 --> 00:32:48,299

underground

768

00:32:53,210 --> 00:32:51,059

whoever's to some degree

769

00:32:55,310 --> 00:32:53,220

and uh you know it does seem a lot of

770

00:32:57,549 --> 00:32:55,320

the the times we're in areas where these

771

00:33:00,710 --> 00:32:57,559

things are seen they're due to him to be

772

00:33:02,930 --> 00:33:00,720

underground areas of caverns and such so

773

00:33:05,570 --> 00:33:02,940

that's something we're looking into

774

00:33:08,630 --> 00:33:05,580

uh has anyone ever map settings for a

775

00:33:11,710 --> 00:33:08,640

pattern yeah we've I do have the uh

776

00:33:14,389 --> 00:33:11,720

the Pennsylvania upright Canine dog man

777

00:33:16,549 --> 00:33:14,399

citing uh the reports we've seen I do

778

00:33:19,130 --> 00:33:16,559

have it on a map uh if you go to the

779

00:33:21,590 --> 00:33:19,140

website you can find a link to it

780

00:33:23,330 --> 00:33:21,600

uh I don't know James I don't know about

781

00:33:25,310 --> 00:33:23,340

werewolves but I know the upper Canyon

782

00:33:27,230 --> 00:33:25,320

is 100 here in our backyard and I know

783

00:33:29,810 --> 00:33:27,240

he's got he lives in Greene County

784

00:33:32,090 --> 00:33:29,820

Pennsylvania he's had two personal

785

00:33:33,830 --> 00:33:32,100

encounters himself

786

00:33:36,590 --> 00:33:33,840

so um

787

00:33:38,149 --> 00:33:36,600

yeah uh he's totally convinced they're

788

00:33:40,549 --> 00:33:38,159

around and of course he's had physical

789

00:33:42,169 --> 00:33:40,559

encounters with him literally shot one

790

00:33:45,409 --> 00:33:42,179

of them

791

00:33:48,710 --> 00:33:45,419

um GM 80 asked anything new from Chicago

792

00:33:50,029 --> 00:33:48,720

I know we we did a show last week with

793

00:33:54,590 --> 00:33:50,039

um

794

00:33:56,750 --> 00:33:54,600

with Tobias and uh Manuel

795

00:33:58,310 --> 00:33:56,760

there have been a few sightings nothing

796

00:34:00,169 --> 00:33:58,320

really major

797

00:34:02,450 --> 00:34:00,179

uh

798

00:34:05,149 --> 00:34:02,460

we have had sightings in the Bensenville

799

00:34:07,730 --> 00:34:05,159

area again it seems to be the hot area

800

00:34:10,129 --> 00:34:07,740

though it's very close to the airport

801  
00:34:11,810 --> 00:34:10,139  
so uh if you might want to go back and

802  
00:34:15,169 --> 00:34:11,820  
listen to that show

803  
00:34:17,990 --> 00:34:15,179  
uh uh we detailed a lot of uh some of

804  
00:34:21,710 --> 00:34:18,000  
the sightings that we have received and

805  
00:34:23,810 --> 00:34:21,720  
in fact he um Manuel has a few that he's

806  
00:34:26,450 --> 00:34:23,820  
working on right now so there are

807  
00:34:28,790 --> 00:34:26,460  
settings but as far as the details and

808  
00:34:30,470 --> 00:34:28,800  
and what the witness described I I

809  
00:34:33,950 --> 00:34:30,480  
really don't know yet I have to wait

810  
00:34:36,290 --> 00:34:33,960  
till he gets it all all flushed out

811  
00:34:37,490 --> 00:34:36,300  
um most of these sightings were from

812  
00:34:39,829 --> 00:34:37,500  
Hispanic

813  
00:34:42,290 --> 00:34:39,839

uh Witnesses and he's trying to do the

814

00:34:45,470 --> 00:34:42,300

translations and Gathering

815

00:34:49,369 --> 00:34:45,480

up to speed as far as that goes so that

816

00:34:55,490 --> 00:34:53,030

any uh overbuilt Automotive anyone ever

817

00:34:58,609 --> 00:34:55,500

reported Cryptid physical evidence and

818

00:35:02,270 --> 00:34:58,619

before you get to see something happen

819

00:35:06,230 --> 00:35:04,430

it's rare

820

00:35:09,410 --> 00:35:06,240

um you know the only physical evidence

821

00:35:11,750 --> 00:35:09,420

that we usually get are prints

822

00:35:13,069 --> 00:35:11,760

maybe we will get a photograph I don't

823

00:35:16,430 --> 00:35:13,079

really know if that's physical evidence

824

00:35:19,790 --> 00:35:16,440

but uh prints are about the only thing

825

00:35:22,310 --> 00:35:19,800

we do get that's why I think there are

826

00:35:24,650 --> 00:35:22,320

some Supernatural aspects of these

827

00:35:28,010 --> 00:35:24,660

creatures for the most part and uh

828

00:35:30,230 --> 00:35:28,020

because of that I think that um it's

829

00:35:32,329 --> 00:35:30,240

going to be hard to get evidence uh just

830

00:35:33,890 --> 00:35:32,339

like the Bigfoot you know we've had we

831

00:35:36,170 --> 00:35:33,900

have thousands and thousands of Bigfoot

832

00:35:38,870 --> 00:35:36,180

sightings every year

833

00:35:41,030 --> 00:35:38,880

and have we ever found any real physical

834

00:35:43,310 --> 00:35:41,040

evidence to prove

835

00:35:45,470 --> 00:35:43,320

their existence though many people have

836

00:35:48,710 --> 00:35:45,480

seen these things have had encounters I

837

00:35:52,370 --> 00:35:48,720

had an encounter back in 81. I totally

838

00:35:55,550 --> 00:35:52,380

believe that was a Bigfoot

839

00:35:57,470 --> 00:35:55,560

um so uh yeah so you know as far as

840

00:35:58,370 --> 00:35:57,480

physical evidence it's all subjective I

841

00:36:00,890 --> 00:35:58,380

suppose

842

00:36:03,170 --> 00:36:00,900

but um

843

00:36:06,349 --> 00:36:03,180

hopefully we're gonna get more you know

844

00:36:08,630 --> 00:36:06,359

as technology increases and it starts to

845

00:36:10,310 --> 00:36:08,640

be more refined maybe we'll come up with

846

00:36:13,130 --> 00:36:10,320

something

847

00:36:16,370 --> 00:36:13,140

um but uh till then you know we're kind

848

00:36:20,390 --> 00:36:16,380

of out there harassment straws and

849

00:36:23,690 --> 00:36:20,400

and uh making a lot of theories and a

850

00:36:25,609 --> 00:36:23,700

lot of con uh conjecture about all these

851  
00:36:28,130 --> 00:36:25,619  
Cryptids

852  
00:36:30,230 --> 00:36:28,140  
um so uh you know we do the best we can

853  
00:36:31,970 --> 00:36:30,240  
but who knows

854  
00:36:32,990 --> 00:36:31,980  
so folks I want to thank you for coming

855  
00:36:38,810 --> 00:36:33,000  
here

which will also be presentable fans of

883

00:37:44,210 --> 00:37:42,060

monsters radio a few other bits of high

884

00:37:46,430 --> 00:37:44,220

strain is a conspiracy so until then
