00:01:05,109 --> 00:00:00,950

[Music]

2
00:01:11,090 --> 00:01:08,149

hi everyone I'm Bernadette welcome to

3
00:01:14,570 --> 00:01:11,100

the show I want to remind you to like

4
00:01:17,750 --> 00:01:14,580

subscribe and share the Super Chat is

5
00:01:22,310 --> 00:01:17,760

also open tonight my guest is Mr Barry

6
00:01:25,010 --> 00:01:22,320

Littleton Barry is an alien contact D he

7
00:01:27,350 --> 00:01:25,020

is a paranormal experiencer he has had a

8
00:01:29,929 --> 00:01:27,360

near-death experience and he has also

9
00:01:32,690 --> 00:01:29,939

done work with crossing over Earthbound

10
00:01:34,609 --> 00:01:32,700

Spirits as well as relieving people of

11
00:01:37,670 --> 00:01:34,619

spiritual attachments let's welcome

12
00:01:39,710 --> 00:01:37,680

Barry to the show hi Barry

13
00:01:41,810 --> 00:01:39,720

hello how you doing I appreciate you

14

00:01:44,390 --> 00:01:41,820

having me on it's a real pleasure oh

15

00:01:46,850 --> 00:01:44,400

thank you so much for being here so for

16

00:01:48,170 --> 00:01:46,860

those who don't know you let's get to

17

00:01:49,850 --> 00:01:48,180

know you and can you tell us a little

18

00:01:51,889 --> 00:01:49,860

bit about yourself

19

00:01:55,190 --> 00:01:51,899

sure I'm uh

20

00:01:57,710 --> 00:01:55,200

what I think is um actually a great deal

21

00:02:00,889 --> 00:01:57,720

more common than what

22

00:02:03,050 --> 00:02:00,899

Society has allowed us to know

23

00:02:05,690 --> 00:02:03,060

um I've been a contactee and I was kind

24

00:02:07,370 --> 00:02:05,700

of born awake to a degree with past life

25

00:02:09,650 --> 00:02:07,380

memories and things that you can't quite

26

00:02:11,869 --> 00:02:09,660

associate especially as you grow up with

27

00:02:14,030 --> 00:02:11,879

uh the school system and the stuff that

28

00:02:16,550 --> 00:02:14,040

we learn about history and and all that

29

00:02:19,190 --> 00:02:16,560

but it started off you know waking up in

30

00:02:21,410 --> 00:02:19,200

my and like on board these crafts

31

00:02:23,930 --> 00:02:21,420

sometimes or in a room where I'm doing

32

00:02:26,210 --> 00:02:23,940

something working with my mind and it

33

00:02:27,949 --> 00:02:26,220

was um like they call it I found some

34

00:02:30,290 --> 00:02:27,959

contact these call it the mystery school

35

00:02:32,570 --> 00:02:30,300

and things like that so that's what I

36

00:02:35,690 --> 00:02:32,580

had went through a lot of that and also

37

00:02:39,050 --> 00:02:35,700

encountering sub being that was an

38

00:02:40,369 --> 00:02:39,060

insectoid when um I was a kid also and

39

00:02:42,470 --> 00:02:40,379

he come around and played with me a few

40

00:02:44,930 --> 00:02:42,480

times but I think it says a lot because

41

00:02:47,869 --> 00:02:44,940

when he would play with me he appeared

42

00:02:50,809 --> 00:02:47,879

to be a normal person you know I think

43

00:02:52,430 --> 00:02:50,819

it says I was supervised always so he

44

00:02:55,130 --> 00:02:52,440

was seen by others and other kids he

45

00:02:56,809 --> 00:02:55,140

appeared to be a kid like me so it says

46

00:02:58,790 --> 00:02:56,819

a lot with these beings I think can do

47

00:03:00,710 --> 00:02:58,800

through their Optical nerves you know

48

00:03:02,809 --> 00:03:00,720

what they can present to us consciously

49

00:03:05,150 --> 00:03:02,819

it's a whole other thing going on there

50

00:03:06,589 --> 00:03:05,160

so um that is I think actually quite

51
00:03:08,089 --> 00:03:06,599
common probably with a lot of your

52
00:03:10,369 --> 00:03:08,099
audience here they experience stuff like

53
00:03:12,170 --> 00:03:10,379
that when they're a child and when as

54
00:03:14,990 --> 00:03:12,180
you grow up it starts kind of either

55
00:03:17,630 --> 00:03:15,000
fading away or changing you know I call

56
00:03:19,729 --> 00:03:17,640
those childhood experiences Network went

57
00:03:21,350 --> 00:03:19,739
on to what I call adult onset

58
00:03:23,690 --> 00:03:21,360
experiences that started when I was

59
00:03:25,369 --> 00:03:23,700
about 18. and it was somebody else with

60
00:03:26,990 --> 00:03:25,379
me on three of those that involved

61
00:03:29,869 --> 00:03:27,000
seeing some of these ships and missing

62
00:03:31,910 --> 00:03:29,879
time and you see like technology you see

63
00:03:34,670 --> 00:03:31,920

some of these beings non-humans

64

00:03:37,009 --> 00:03:34,680

sometimes and then when you get away

65

00:03:39,530 --> 00:03:37,019

from the Event Horizon it starts

66

00:03:40,850 --> 00:03:39,540

becoming fragmented you know and that's

67

00:03:43,430 --> 00:03:40,860

why you have to do things like deep

68

00:03:45,470 --> 00:03:43,440

meditation hypnosis things even if

69

00:03:48,050 --> 00:03:45,480

you're a conscious experiencer you know

70

00:03:51,170 --> 00:03:48,060

physically like I was so I would say a

71

00:03:53,210 --> 00:03:51,180

lot of times oh I'm not like uh Travis

72

00:03:55,070 --> 00:03:53,220

Walton or Barney Hill and them they all

73

00:03:57,410 --> 00:03:55,080

got their minds wiped but the truth is

74

00:04:00,589 --> 00:03:57,420

what I could remember for a physical

75

00:04:02,210 --> 00:04:00,599

contact that involved missing time each

76

00:04:04,309 --> 00:04:02,220

of the experiences that I'm describing

77

00:04:06,229 --> 00:04:04,319

that started when I was adult onset

78

00:04:08,390 --> 00:04:06,239

experiences involved four and a half

79

00:04:10,250 --> 00:04:08,400

hours of missing Time Each one so I

80

00:04:12,410 --> 00:04:10,260

wound up missing 20 hours of missing

81

00:04:14,809 --> 00:04:12,420

time three of these times somebody else

82

00:04:16,310 --> 00:04:14,819

was with me so when you see these crafts

83

00:04:18,110 --> 00:04:16,320

come up in something you're in some sort

84

00:04:19,789 --> 00:04:18,120

of communication with them and then

85

00:04:21,229 --> 00:04:19,799

obviously you have this experience and

86

00:04:24,050 --> 00:04:21,239

you're missing all this time that you

87

00:04:26,030 --> 00:04:24,060

can you can't fully account for I mean

88

00:04:28,790 --> 00:04:26,040

that type of delusion is not shared

89

00:04:31,909 --> 00:04:28,800

thankfully

90

00:04:34,850 --> 00:04:31,919

no right but you know do you think you

91

00:04:36,230 --> 00:04:34,860

also I'm sorry oh no it's the same but

92

00:04:38,330 --> 00:04:36,240

coming along with this that I want to

93

00:04:41,629 --> 00:04:38,340

say that some of this like being quote

94

00:04:43,730 --> 00:04:41,639

unquote a contactee or experiencer is

95

00:04:46,070 --> 00:04:43,740

not the separate things that I think the

96

00:04:47,749 --> 00:04:46,080

media and society makes it a lot of us

97

00:04:50,210 --> 00:04:47,759

that have these type of things happen to

98

00:04:53,749 --> 00:04:50,220

us also have encounters with non-humans

99

00:04:55,670 --> 00:04:53,759

as in ghost Earthbound spirits that are

100

00:04:57,710 --> 00:04:55,680

trapped here and other things that are

101
00:04:59,210 --> 00:04:57,720
entities that you know that inhabit the

102
00:05:01,370 --> 00:04:59,220
Earth and walk here with us in different

103
00:05:02,950 --> 00:05:01,380
dimensions and astral form and things

104
00:05:05,810 --> 00:05:02,960
like that a lot of us have that happen

105
00:05:07,550 --> 00:05:05,820
and uh some of us can even be a beacon

106
00:05:08,930 --> 00:05:07,560
when we're children like when I was

107
00:05:10,850 --> 00:05:08,940
seven all sorts of stuff started

108
00:05:12,830 --> 00:05:10,860
happening to me and I got attacked by an

109
00:05:14,870 --> 00:05:12,840
Earthbound spirit and we have to be

110
00:05:17,510 --> 00:05:14,880
aware that some of the things that hold

111
00:05:19,850 --> 00:05:17,520
people here from crossing over you have

112
00:05:22,010 --> 00:05:19,860
some people so full of hate or uh

113
00:05:24,290 --> 00:05:22,020

whatever demonic type of thing is in

114

00:05:26,629 --> 00:05:24,300

them they cross over they don't cross

115

00:05:28,909 --> 00:05:26,639

over and they turn into something worse

116

00:05:30,950 --> 00:05:28,919

so I was in the house I got attacked by

117

00:05:33,230 --> 00:05:30,960

an Earthbound spirit and since I know

118

00:05:35,570 --> 00:05:33,240

now being older it was trying to join

119

00:05:37,189 --> 00:05:35,580

with me but since it couldn't you know I

120

00:05:39,050 --> 00:05:37,199

was protected and I knew how to do that

121

00:05:41,990 --> 00:05:39,060

but what it's doing is telling me get

122

00:05:44,510 --> 00:05:42,000

out get out and it felt like a bear hug

123

00:05:46,189 --> 00:05:44,520

and when an Earthbound will do is seek

124

00:05:47,930 --> 00:05:46,199

out somebody who's a child like that

125

00:05:50,570 --> 00:05:47,940

that can see that can communicate with

126

00:05:53,150 --> 00:05:50,580

them and it's like a beacon to them okay

127

00:05:55,490 --> 00:05:53,160

and they'll try to scare them or join

128

00:05:57,350 --> 00:05:55,500

with them to definitely stop them from

129

00:05:58,969 --> 00:05:57,360

losing their using their abilities

130

00:06:00,409 --> 00:05:58,979

so be aware of that I'm feeling there's

131

00:06:02,570 --> 00:06:00,419

a couple of people listening to us now

132

00:06:04,249 --> 00:06:02,580

that have been attacked by about spirits

133

00:06:05,390 --> 00:06:04,259

when they're kids yeah it can be

134

00:06:07,010 --> 00:06:05,400

traumatizing especially if you're

135

00:06:08,689 --> 00:06:07,020

sleeping and they come and put that

136

00:06:11,270 --> 00:06:08,699

sleep paralysis on you or something like

137

00:06:12,770 --> 00:06:11,280

that so yeah I I was very interested

138

00:06:14,870 --> 00:06:12,780

because I've heard you speak about you

139

00:06:17,029 --> 00:06:14,880

know Earthbound Spirits before and

140

00:06:18,770 --> 00:06:17,039

attachments on other shows and I was

141

00:06:21,309 --> 00:06:18,780

very interested in that topic so if you

142

00:06:24,409 --> 00:06:21,319

want to speak more about that like so

143

00:06:25,969 --> 00:06:24,419

dear from what I've heard you say that

144

00:06:28,550 --> 00:06:25,979

they're all around us that they're

145

00:06:30,890 --> 00:06:28,560

basically every day and how what perked

146

00:06:32,330 --> 00:06:30,900

my interest is that I've actually seen

147

00:06:35,150 --> 00:06:32,340

you know like

148

00:06:36,830 --> 00:06:35,160

people who are not alive and you know if

149

00:06:38,210 --> 00:06:36,840

you've made eye contact with them they

150

00:06:40,550 --> 00:06:38,220

make eye contact with you and it's like

151
00:06:42,890 --> 00:06:40,560
you can see me and then they're right up

152
00:06:44,689 --> 00:06:42,900
on you so it's best if you just like I

153
00:06:47,930 --> 00:06:44,699
don't see it like you're not here I

154
00:06:48,890 --> 00:06:47,940
don't see you so that that very piqued

155
00:06:50,990 --> 00:06:48,900
my interest because I'm like somebody

156
00:06:53,749 --> 00:06:51,000
else has seen that too like you know

157
00:06:55,850 --> 00:06:53,759
yeah so you see that's interesting so

158
00:06:58,129 --> 00:06:55,860
you're a medium a natural medium and

159
00:07:01,370 --> 00:06:58,139
that's really cool because we have you

160
00:07:03,110 --> 00:07:01,380
know every medium is a psychic but every

161
00:07:05,150 --> 00:07:03,120
psychic is not a medium they're

162
00:07:07,550 --> 00:07:05,160
different gifts definitely

163
00:07:09,290 --> 00:07:07,560

um but uh when seeing that and when

164

00:07:10,969 --> 00:07:09,300

dealing with these Earthbound Spirits I

165

00:07:12,230 --> 00:07:10,979

there's two types and one is the one

166

00:07:14,629 --> 00:07:12,240

that like you're seeing you're talking

167

00:07:16,550 --> 00:07:14,639

about that is attached to the outside of

168

00:07:18,710 --> 00:07:16,560

a person's energy field or kind of

169

00:07:20,570 --> 00:07:18,720

following energy following a person in

170

00:07:22,969 --> 00:07:20,580

that way but they're on the outside for

171

00:07:24,650 --> 00:07:22,979

the most point part and if I'm going to

172

00:07:26,870 --> 00:07:24,660

communicate you know with this

173

00:07:28,850 --> 00:07:26,880

Earthbound Spirit it'll normally give me

174

00:07:30,950 --> 00:07:28,860

some type of uh survival evidence

175

00:07:33,409 --> 00:07:30,960

because it's attached to that person for

176
00:07:35,150 --> 00:07:33,419
a reason and it wants to delivered me to

177
00:07:37,730 --> 00:07:35,160
deliver a message so that's something

178
00:07:40,610 --> 00:07:37,740
that's you know definite now there's

179
00:07:43,730 --> 00:07:40,620
these others that are Earthbound spirits

180
00:07:45,950 --> 00:07:43,740
that are so entwined in the people's

181
00:07:48,350 --> 00:07:45,960
energy field that they're not detectable

182
00:07:50,749 --> 00:07:48,360
and they express their cell themselves

183
00:07:52,909 --> 00:07:50,759
as negative behavior and behavior

184
00:07:55,189 --> 00:07:52,919
patterns normally the ones that kept

185
00:07:59,510 --> 00:07:55,199
them trapped here so it can be addiction

186
00:08:01,430 --> 00:07:59,520
uh hatred uh even love a loved one a

187
00:08:03,469 --> 00:08:01,440
person all sorts of things that were

188
00:08:05,749 --> 00:08:03,479

property that keeps people trapped here

189

00:08:08,029 --> 00:08:05,759

you know it's much easier than we think

190

00:08:09,230 --> 00:08:08,039

and the more these Earthbound Spirits

191

00:08:11,749 --> 00:08:09,240

I've worked with I'm a little bit

192

00:08:14,089 --> 00:08:11,759

shocked how easy it is and I always look

193

00:08:16,309 --> 00:08:14,099

for forgive me everyone listening but

194

00:08:17,990 --> 00:08:16,319

always look for references and

195

00:08:20,689 --> 00:08:18,000

entertainment I've got one of those

196

00:08:23,150 --> 00:08:20,699

Minds I see a line from or a scene from

197

00:08:24,710 --> 00:08:23,160

any movie whatever I remember all of

198

00:08:26,689 --> 00:08:24,720

them you know so it's a used to be a

199

00:08:29,270 --> 00:08:26,699

curse when I was a kid because heck HBO

200

00:08:31,550 --> 00:08:29,280

showed the same damn movies every every

201
00:08:34,370 --> 00:08:31,560
year every couple of days there's

202
00:08:35,570 --> 00:08:34,380
nothing to be seen again but anyway um I

203
00:08:38,329 --> 00:08:35,580
always used to I always look for

204
00:08:40,790 --> 00:08:38,339
references of frames of reference within

205
00:08:41,990 --> 00:08:40,800
entertainment and one I think is the

206
00:08:45,110 --> 00:08:42,000
movie Ghost

207
00:08:47,389 --> 00:08:45,120
with Patrick Swayze and uh Demi Moore

208
00:08:50,030 --> 00:08:47,399
you know when before he actually passed

209
00:08:52,070 --> 00:08:50,040
when he chases after the brother in the

210
00:08:53,930 --> 00:08:52,080
alley and the gun goes off he's chasing

211
00:08:55,130 --> 00:08:53,940
him he goes back and he starts seeing

212
00:08:56,990 --> 00:08:55,140
his body

213
00:08:58,310 --> 00:08:57,000

you know and then and then when he sees

214

00:08:59,630 --> 00:08:58,320

that he's shocked because he's telling

215

00:09:01,670 --> 00:08:59,640

him to breathe and stuff and he's what's

216

00:09:03,710 --> 00:09:01,680

going on he starts going through what we

217

00:09:05,030 --> 00:09:03,720

would call panoramic Life review it's

218

00:09:06,530 --> 00:09:05,040

starting to flash in front of his eyes

219

00:09:08,210 --> 00:09:06,540

he's seen something he had just done

220

00:09:10,670 --> 00:09:08,220

then he starts seeing the lights coming

221

00:09:12,530 --> 00:09:10,680

down he said what is this

222

00:09:14,690 --> 00:09:12,540

energy and then you know that he looks

223

00:09:17,509 --> 00:09:14,700

back at his body looks a little light he

224

00:09:19,430 --> 00:09:17,519

says no no and he starts running towards

225

00:09:21,769 --> 00:09:19,440

his body and it stayed on for a second

226

00:09:24,710 --> 00:09:21,779

and then it went out

227

00:09:27,710 --> 00:09:24,720

I can't tell you how many Earthbound

228

00:09:29,990 --> 00:09:27,720

spirits that have communicated that to

229

00:09:32,329 --> 00:09:30,000

me and something quite similar and it

230

00:09:33,590 --> 00:09:32,339

says a lot about our Free Will and

231

00:09:36,110 --> 00:09:33,600

people say that we don't have really

232

00:09:38,810 --> 00:09:36,120

yeah how far does that go

233

00:09:41,030 --> 00:09:38,820

as being parts of the Creator the

234

00:09:43,070 --> 00:09:41,040

creative principle passes through us on

235

00:09:44,690 --> 00:09:43,080

the soul level we do have a free will

236

00:09:47,870 --> 00:09:44,700

and we're strong enough to deny that

237

00:09:51,230 --> 00:09:47,880

light okay and they'll tell me that like

238

00:09:53,030 --> 00:09:51,240

sometimes it's the sheer shock of the

239

00:09:55,190 --> 00:09:53,040

death that makes them run for the light

240

00:09:57,530 --> 00:09:55,200

or they feel that they got cheated or

241

00:09:59,750 --> 00:09:57,540

I've come across this quite a bit too uh

242

00:10:02,329 --> 00:09:59,760

I'm not going in that light why well

243

00:10:04,550 --> 00:10:02,339

because I really hurt a lot of people

244

00:10:06,110 --> 00:10:04,560

and I think I'm gonna burn in there I

245

00:10:08,570 --> 00:10:06,120

think it's hell

246

00:10:12,590 --> 00:10:08,580

very powerful Auto suggestion there

247

00:10:15,410 --> 00:10:12,600

Heaven and Hell very powerful right

248

00:10:17,150 --> 00:10:15,420

and that makes that you break a good

249

00:10:18,710 --> 00:10:17,160

point when you said that some Spirits

250

00:10:20,329 --> 00:10:18,720

you know have a message to tell and when

251

00:10:22,850 --> 00:10:20,339

they get a hold of a person they try to

252

00:10:25,630 --> 00:10:22,860

direct them to tell the message my very

253

00:10:28,850 --> 00:10:25,640

first experience was when I was about

254

00:10:31,310 --> 00:10:28,860

five around four or five I was running

255

00:10:34,250 --> 00:10:31,320

through like the house you know how kids

256

00:10:35,389 --> 00:10:34,260

are and I was stopped like somebody had

257

00:10:37,190 --> 00:10:35,399

just put their hand on my chest and

258

00:10:39,110 --> 00:10:37,200

stopped me and was like you have to go

259

00:10:41,690 --> 00:10:39,120

to the window and watch this

260

00:10:44,210 --> 00:10:41,700

and I went to the window and I I watched

261

00:10:45,610 --> 00:10:44,220

the neighbor across the street commit

262

00:10:48,829 --> 00:10:45,620

suicide

263

00:10:50,030 --> 00:10:48,839

and the more I you know when I

264

00:10:51,410 --> 00:10:50,040

originally happened and when I

265

00:10:53,509 --> 00:10:51,420

remembered it years later and everything

266

00:10:55,430 --> 00:10:53,519

I thought it was the old lady who had

267

00:10:57,530 --> 00:10:55,440

passed away the house who protected the

268

00:10:59,150 --> 00:10:57,540

house basically you know she wanted me

269

00:11:02,329 --> 00:10:59,160

to see it but the more I think about it

270

00:11:04,490 --> 00:11:02,339

I'm wondering if it wasn't him like you

271

00:11:06,889 --> 00:11:04,500

you have to watch me do this

272

00:11:08,810 --> 00:11:06,899

you know so somebody knows you know and

273

00:11:10,850 --> 00:11:08,820

of course when I told my mom she she

274

00:11:11,930 --> 00:11:10,860

kind of looked at me and she's like and

275

00:11:13,670 --> 00:11:11,940

she looked at my grandmother and she's

276

00:11:15,710 --> 00:11:13,680

like what are you letting her watch

277

00:11:17,630 --> 00:11:15,720

like are you letting her watch sofa what

278

00:11:20,030 --> 00:11:17,640

are you watching and then the sirens

279

00:11:21,590 --> 00:11:20,040

started and there was screaming and my

280

00:11:23,150 --> 00:11:21,600

mom's like we'll just keep her in the

281

00:11:24,769 --> 00:11:23,160

house or just you know I'm gonna go

282

00:11:27,530 --> 00:11:24,779

outside and when she came back in there

283

00:11:30,650 --> 00:11:27,540

was a lot of whispering and yeah so I it

284

00:11:32,150 --> 00:11:30,660

makes you know that makes me wonder wow

285

00:11:33,949 --> 00:11:32,160

that is that's a powerful powerful

286

00:11:36,050 --> 00:11:33,959

statement you just had there yeah you

287

00:11:38,930 --> 00:11:36,060

know what I've encountered

288

00:11:40,130 --> 00:11:38,940

suicides a lot of times they they at

289

00:11:43,009 --> 00:11:40,140

least the once they're outside the

290

00:11:45,050 --> 00:11:43,019

energy field they tend to step back or

291

00:11:46,850 --> 00:11:45,060

go back and they won't give me that

292

00:11:49,550 --> 00:11:46,860

survival evidence you know there's

293

00:11:51,829 --> 00:11:49,560

normally an immense amount of normally

294

00:11:53,990 --> 00:11:51,839

shame and embarrassment you feel with it

295

00:11:56,870 --> 00:11:54,000

also and I think that's an account of

296

00:11:58,550 --> 00:11:56,880

because when they commit this act they

297

00:12:00,290 --> 00:11:58,560

didn't realize how hard it hurts

298

00:12:02,329 --> 00:12:00,300

everyone around them that does love them

299

00:12:04,069 --> 00:12:02,339

and it comes back like a million fold

300

00:12:06,949 --> 00:12:04,079

when I died I had a near-death

301
00:12:10,069 --> 00:12:06,959
experience myself I um has a bad car

302
00:12:12,710 --> 00:12:10,079
accident in 2010 and uh I had a coma and

303
00:12:13,970 --> 00:12:12,720
then after that uh just a long story me

304
00:12:16,730 --> 00:12:13,980
when I died on the way to the hospital

305
00:12:18,530 --> 00:12:16,740
and I encountered loved ones and during

306
00:12:20,509 --> 00:12:18,540
the time I was in the coma or I thought

307
00:12:22,970 --> 00:12:20,519
it was then but apparently right after

308
00:12:25,670 --> 00:12:22,980
this accident happened I encountered

309
00:12:28,310 --> 00:12:25,680
loved ones you know and I when I came

310
00:12:29,930 --> 00:12:28,320
back when I actually I'd survived I

311
00:12:31,610 --> 00:12:29,940
actually took four catastrophic

312
00:12:35,329 --> 00:12:31,620
traumatic brain injuries

313
00:12:37,190 --> 00:12:35,339

and um this was hematoma to the frontal

314

00:12:39,530 --> 00:12:37,200

lobe hematoma to the quarter lobe

315

00:12:41,870 --> 00:12:39,540

hematoma to the brain stem and also

316

00:12:43,670 --> 00:12:41,880

something called diffusal axonal which

317

00:12:45,769 --> 00:12:43,680

is like a chicken baby syndrome where

318

00:12:48,769 --> 00:12:45,779

your head turns in the case and the

319

00:12:50,569 --> 00:12:48,779

spotting of the brain blood spots and uh

320

00:12:54,170 --> 00:12:50,579

actually my brain turned back in the

321

00:12:55,790 --> 00:12:54,180

case I was blessed I survived so 95 of

322

00:12:58,190 --> 00:12:55,800

people that have DFA never regain

323

00:13:00,530 --> 00:12:58,200

Consciousness so anyway the near death

324

00:13:02,210 --> 00:13:00,540

experience definitely changed my life I

325

00:13:04,730 --> 00:13:02,220

thought I was a little spiritual before

326

00:13:06,530 --> 00:13:04,740

and I lived by the Golden Rule when I

327

00:13:08,509 --> 00:13:06,540

come home from school at in elementary

328

00:13:10,629 --> 00:13:08,519

GI Joe and all over top of the golden

329

00:13:14,449 --> 00:13:10,639

rule I try to live by that you know

330

00:13:17,150 --> 00:13:14,459

right yeah you know but nonetheless even

331

00:13:18,769 --> 00:13:17,160

with that and having studied the death

332

00:13:21,050 --> 00:13:18,779

process and trying to learn about it

333

00:13:22,970 --> 00:13:21,060

when I actually went through it a lot of

334

00:13:24,410 --> 00:13:22,980

people say once you see this and that as

335

00:13:25,850 --> 00:13:24,420

opposed to saying because it's not the

336

00:13:28,269 --> 00:13:25,860

cool Hollywood stuff a lot of people

337

00:13:32,210 --> 00:13:28,279

have talked about what I will say this

338

00:13:35,870 --> 00:13:32,220

is definitely that I underestimate mated

339

00:13:38,150 --> 00:13:35,880

the impact that our relationships have

340

00:13:40,550 --> 00:13:38,160

on each other period

341

00:13:42,530 --> 00:13:40,560

it's much more than you think you know

342

00:13:44,690 --> 00:13:42,540

that so I would say you know if you can

343

00:13:46,610 --> 00:13:44,700

every day try to put a smile on one

344

00:13:48,530 --> 00:13:46,620

person's face try to do something like

345

00:13:51,110 --> 00:13:48,540

that it means a lot you know what I mean

346

00:13:53,629 --> 00:13:51,120

it's not that hard and the vibration is

347

00:13:57,129 --> 00:13:53,639

planted it's uh anyway sorry I feel like

348

00:14:01,550 --> 00:13:59,629

the Earthbound things that Earthbound

349

00:14:04,430 --> 00:14:01,560

spirits that are inside the energy field

350

00:14:06,050 --> 00:14:04,440

they're really deep and they they

351

00:14:08,449 --> 00:14:06,060

express themselves these negative

352

00:14:10,910 --> 00:14:08,459

behavior patterns like what you just

353

00:14:12,769 --> 00:14:10,920

described and it can't be things like

354

00:14:15,949 --> 00:14:12,779

that they join with somebody and they

355

00:14:18,790 --> 00:14:15,959

start forcing them to do a suicide you

356

00:14:22,970 --> 00:14:18,800

know and I want to throw this out too

357

00:14:25,430 --> 00:14:22,980

when I find out I was I'm curious where

358

00:14:27,230 --> 00:14:25,440

these Earthbound join with the people at

359

00:14:30,290 --> 00:14:27,240

the clients

360

00:14:34,069 --> 00:14:30,300

and the amount of times I've gotten not

361

00:14:37,430 --> 00:14:34,079

just hospitals but incubator rooms

362

00:14:41,269 --> 00:14:37,440

is most disconcerting okay yeah

363

00:14:43,430 --> 00:14:41,279

and um we especially I think here in the

364

00:14:45,350 --> 00:14:43,440

United States don't particularly

365

00:14:49,930 --> 00:14:45,360

practice not just the probably

366

00:14:53,150 --> 00:14:49,940

appropriate death rituals but also

367

00:14:55,730 --> 00:14:53,160

protecting our children energetically

368

00:14:58,009 --> 00:14:55,740

putting a womb in a cocoon over them

369

00:15:00,949 --> 00:14:58,019

when they're born especially they're in

370

00:15:03,710 --> 00:15:00,959

their incubator rooms you know to the

371

00:15:06,590 --> 00:15:03,720

point of where I had a client this this

372

00:15:08,990 --> 00:15:06,600

about a year ago now and uh they knew

373

00:15:11,090 --> 00:15:09,000

how to protect themselves all right so

374

00:15:13,009 --> 00:15:11,100

sometimes what will happen during a

375

00:15:14,569 --> 00:15:13,019

surgery or something you're in there the

376

00:15:16,129 --> 00:15:14,579

Earth bound will try to join with you

377

00:15:19,009 --> 00:15:16,139

because it's trying to help you it

378

00:15:21,949 --> 00:15:19,019

thinks you know and this Earthbound is

379

00:15:25,550 --> 00:15:21,959

telling me well I didn't um

380

00:15:26,990 --> 00:15:25,560

join with it all right I joined with

381

00:15:28,970 --> 00:15:27,000

this this person

382

00:15:31,009 --> 00:15:28,980

and I was the only one stronger strong

383

00:15:33,829 --> 00:15:31,019

enough in in the room to do it

384

00:15:36,110 --> 00:15:33,839

and kept making reference to others so

385

00:15:38,030 --> 00:15:36,120

before I crossed him over I asked how

386

00:15:40,790 --> 00:15:38,040

many other are in this room this

387

00:15:45,250 --> 00:15:40,800

hospital room oh somewhere between about

388

00:15:47,509 --> 00:15:45,260

34 and 50. and that's just radio move

389

00:15:49,610 --> 00:15:47,519

when you think about something like that

390

00:15:51,470 --> 00:15:49,620

that's really really quite quite

391

00:15:54,230 --> 00:15:51,480

traumatizing and I've seen it people

392

00:15:56,509 --> 00:15:54,240

have as many 10 or more earthbounds

393

00:15:58,670 --> 00:15:56,519

attached to them and sadly a lot of

394

00:16:00,650 --> 00:15:58,680

people will get a little bit weirded out

395

00:16:03,050 --> 00:16:00,660

after the session is done because this

396

00:16:05,569 --> 00:16:03,060

happens especially in the person I take

397

00:16:06,710 --> 00:16:05,579

them real deep hypnosis and that's

398

00:16:08,990 --> 00:16:06,720

actually when these things will show

399

00:16:11,210 --> 00:16:09,000

themselves otherwise they're not really

400

00:16:12,889 --> 00:16:11,220

distinguishable and that's period I've

401
00:16:14,689 --> 00:16:12,899
been doing it for a minute now it's just

402
00:16:16,910 --> 00:16:14,699
the way it is and it's like it's

403
00:16:18,530 --> 00:16:16,920
disconcerting to a degree to know there

404
00:16:20,810 --> 00:16:18,540
are that many Earthbound Spirits walking

405
00:16:22,970 --> 00:16:20,820
around down here and I promise you from

406
00:16:24,710 --> 00:16:22,980
what I've seen their population I think

407
00:16:27,650 --> 00:16:24,720
is a bit more numerous than the living

408
00:16:29,150 --> 00:16:27,660
it's very serious down here and there's

409
00:16:31,490 --> 00:16:29,160
layers of things so what we're talking

410
00:16:32,870 --> 00:16:31,500
about here Bernadette it's not the

411
00:16:33,949 --> 00:16:32,880
Demonic I'm not going with that I'm

412
00:16:36,170 --> 00:16:33,959
seeing somebody putting up their

413
00:16:37,970 --> 00:16:36,180

attachments this attachments that we

414

00:16:39,769 --> 00:16:37,980

could say a lot of things like that but

415

00:16:41,629 --> 00:16:39,779

here we're talking about not the Demonic

416

00:16:44,090 --> 00:16:41,639

we're talking about Earthbound Spirits

417

00:16:46,430 --> 00:16:44,100

there's these layers and that's like Mom

418

00:16:48,470 --> 00:16:46,440

and Dad Grandpa grandmother didn't cross

419

00:16:49,970 --> 00:16:48,480

over you know and like saying you know

420

00:16:51,530 --> 00:16:49,980

they're probably a lot of times what do

421

00:16:53,329 --> 00:16:51,540

they say to you that how the house the

422

00:16:54,650 --> 00:16:53,339

spiritual say that you also say well I

423

00:16:56,810 --> 00:16:54,660

wanted them out of here they're changing

424

00:16:58,790 --> 00:16:56,820

everything I put my whole life into this

425

00:17:01,069 --> 00:16:58,800

place and so they can't cross over it

426

00:17:04,490 --> 00:17:01,079

because of that you know or when we say

427

00:17:06,230 --> 00:17:04,500

to a loved one oh please don't go

428

00:17:07,549 --> 00:17:06,240

please don't

429

00:17:09,890 --> 00:17:07,559

and you know they're hearing that and

430

00:17:12,049 --> 00:17:09,900

they don't they join with us to not

431

00:17:14,270 --> 00:17:12,059

leave we're strong enough to keep them

432

00:17:16,309 --> 00:17:14,280

and hold them back instead of saying go

433

00:17:17,750 --> 00:17:16,319

into the light and I'm gonna throw one

434

00:17:21,110 --> 00:17:17,760

last thing actually we're gonna go with

435

00:17:24,710 --> 00:17:21,120

this I know I've heard this whole thing

436

00:17:27,949 --> 00:17:24,720

amongst the new AIDS communities and the

437

00:17:30,530 --> 00:17:27,959

UFO communities don't go into the light

438

00:17:31,909 --> 00:17:30,540

when you die it's a reincarnation cycle

439

00:17:34,250 --> 00:17:31,919

it's a trap

440

00:17:36,289 --> 00:17:34,260

well learn something about that first

441

00:17:39,289 --> 00:17:36,299

all right when you're out of the body

442

00:17:40,909 --> 00:17:39,299

when you're dying at first it's like

443

00:17:42,950 --> 00:17:40,919

from Lionel it's like when you've been

444

00:17:45,650 --> 00:17:42,960

sleeping for 10 hours you're really in

445

00:17:47,810 --> 00:17:45,660

rem you hit that alarm and when you wake

446

00:17:49,430 --> 00:17:47,820

up you know you're kind of just foggy

447

00:17:51,650 --> 00:17:49,440

for a second and then you get on with

448

00:17:53,990 --> 00:17:51,660

your day you make your coffee whatever

449

00:17:56,570 --> 00:17:54,000

the death process can be like that

450

00:17:58,070 --> 00:17:56,580

especially that shock that comes with it

451
00:18:00,529 --> 00:17:58,080
when you come out of the body and so

452
00:18:04,270 --> 00:18:00,539
when you realize this it's a big shock

453
00:18:10,730 --> 00:18:08,330
anyway um telling people going to the

454
00:18:12,650 --> 00:18:10,740
light and when that light goes out and

455
00:18:14,630 --> 00:18:12,660
at the point of death use your

456
00:18:16,250 --> 00:18:14,640
discernment okay when you come out of

457
00:18:17,630 --> 00:18:16,260
that fog real quick because it's when

458
00:18:20,390 --> 00:18:17,640
you're in that little fog I just

459
00:18:22,370 --> 00:18:20,400
described that uh you have others that

460
00:18:25,010 --> 00:18:22,380
can come and try to present some type of

461
00:18:27,529 --> 00:18:25,020
a soul trap or some type of a trick well

462
00:18:29,090 --> 00:18:27,539
use your discernment like when I died I

463
00:18:31,970 --> 00:18:29,100

knew it was my loved ones I encountered

464

00:18:33,830 --> 00:18:31,980

it felt like them period my uncle had

465

00:18:35,870 --> 00:18:33,840

just died we just buried him a day

466

00:18:37,789 --> 00:18:35,880

before I had that accident and he was

467

00:18:39,110 --> 00:18:37,799

there and he's talking to me and I'm

468

00:18:41,150 --> 00:18:39,120

communicating with him like I'm talking

469

00:18:42,590 --> 00:18:41,160

to you it wasn't like some Vision you

470

00:18:45,049 --> 00:18:42,600

know my grandmother's standing behind

471

00:18:46,370 --> 00:18:45,059

him and her best friend and she never

472

00:18:49,370 --> 00:18:46,380

talked though she's kind of blinking

473

00:18:50,870 --> 00:18:49,380

like an owl you know and he was totally

474

00:18:52,730 --> 00:18:50,880

giving me some information

475

00:18:56,870 --> 00:18:52,740

you know but the point being that it

476

00:19:01,190 --> 00:18:56,880

wasn't like some uh big false and I've

477

00:19:03,110 --> 00:19:01,200

seen through portals loved ones come and

478

00:19:05,270 --> 00:19:03,120

get the people to cross over that

479

00:19:07,130 --> 00:19:05,280

EarthBound

480

00:19:09,470 --> 00:19:07,140

you know they can't you know a lot of

481

00:19:10,789 --> 00:19:09,480

times they can't these beings are

482

00:19:12,289 --> 00:19:10,799

already there the Portal's already there

483

00:19:14,630 --> 00:19:12,299

I'm seeing it when the when the before

484

00:19:17,390 --> 00:19:14,640

the session even starts and then when

485

00:19:19,730 --> 00:19:17,400

they're deep under almost Delta deep

486

00:19:21,830 --> 00:19:19,740

Theta they see it too

487

00:19:24,110 --> 00:19:21,840

but you know the Earthbound can't see it

488

00:19:25,370 --> 00:19:24,120

until they start focusing on love and

489

00:19:27,890 --> 00:19:25,380

you start talking to them about love

490

00:19:29,330 --> 00:19:27,900

then they start seeing this light it's

491

00:19:31,610 --> 00:19:29,340

connected

492

00:19:33,830 --> 00:19:31,620

so whoever it is that's telling you oh

493

00:19:36,130 --> 00:19:33,840

don't go into light we're remote viewed

494

00:19:40,210 --> 00:19:36,140

it we do this and that okay first of all

495

00:19:42,950 --> 00:19:40,220

are they a medium themselves

496

00:19:44,450 --> 00:19:42,960

secondly have they had a near-death

497

00:19:46,310 --> 00:19:44,460

experience

498

00:19:47,090 --> 00:19:46,320

have they crossed over a bit and come

499

00:19:51,230 --> 00:19:47,100

back

500

00:19:53,870 --> 00:19:51,240

three have they worked with a population

501
00:19:56,570 --> 00:19:53,880
of Earthbound Spirits if they have let's

502
00:19:58,490 --> 00:19:56,580
hear about it tell me all about it how

503
00:20:01,010 --> 00:19:58,500
many of these how come I've dealt with

504
00:20:03,110 --> 00:20:01,020
over almost 300 now and they all say the

505
00:20:04,610 --> 00:20:03,120
same thing it's dark here it's dark here

506
00:20:06,350 --> 00:20:04,620
I'm hearing people in these communities

507
00:20:07,789 --> 00:20:06,360
tell people oh don't go to the first one

508
00:20:10,610 --> 00:20:07,799
don't go to the first light wait for

509
00:20:12,350 --> 00:20:10,620
another winner go to the darkness what

510
00:20:13,730 --> 00:20:12,360
you don't go to the doctor that's not

511
00:20:16,430 --> 00:20:13,740
it's not that's not what's happening

512
00:20:18,830 --> 00:20:16,440
there when I died I encountered these

513
00:20:22,549 --> 00:20:18,840

angelics before I could remember who I

514

00:20:25,850 --> 00:20:22,559

was and for reference I took my tbis

515

00:20:26,990 --> 00:20:25,860

when I was 36. I had experiences long

516

00:20:29,150 --> 00:20:27,000

before that that has nothing to do with

517

00:20:30,890 --> 00:20:29,160

my experience as a child certainly so

518

00:20:34,630 --> 00:20:30,900

I'm not going to be discredited because

519

00:20:39,529 --> 00:20:37,430

cognitively cognizant but anyway

520

00:20:41,390 --> 00:20:39,539

um point being when I even before I

521

00:20:43,970 --> 00:20:41,400

remembered who I was when I woke up I'd

522

00:20:46,610 --> 00:20:43,980

seen these angelics in my mind's eye and

523

00:20:49,190 --> 00:20:46,620

when I say that they weren't

524

00:20:52,370 --> 00:20:49,200

people these were like proportions of

525

00:20:53,870 --> 00:20:52,380

light thou hundreds of them bright all

526

00:20:56,210 --> 00:20:53,880

right with these things around them I

527

00:20:58,669 --> 00:20:56,220

like Star Trek it looked like Shields to

528

00:21:01,070 --> 00:20:58,679

me kinda okay and I can't tell you

529

00:21:03,650 --> 00:21:01,080

enough Bernadette the love I felt coming

530

00:21:06,470 --> 00:21:03,660

off them I think a little bit more would

531

00:21:08,810 --> 00:21:06,480

have maybe burned me up burned out my

532

00:21:10,970 --> 00:21:08,820

chakras we don't think about that type

533

00:21:13,130 --> 00:21:10,980

of intense love hurting like that not

534

00:21:15,409 --> 00:21:13,140

like that and it's pure creative love I

535

00:21:17,270 --> 00:21:15,419

think they're so close to the Creator so

536

00:21:19,130 --> 00:21:17,280

when I remembered who I was get all this

537

00:21:20,570 --> 00:21:19,140

you know like my mama said before she

538

00:21:22,250 --> 00:21:20,580

died she's like when you first woke up

539

00:21:23,810 --> 00:21:22,260

they said you were conscious but your

540

00:21:25,310 --> 00:21:23,820

eyes would roll in your head once a day

541

00:21:26,870 --> 00:21:25,320

and then when you start talking you

542

00:21:29,510 --> 00:21:26,880

start talking about these angels purple

543

00:21:33,409 --> 00:21:29,520

Angel and this and that and her her

544

00:21:36,409 --> 00:21:33,419

brother just had died you know so

545

00:21:38,870 --> 00:21:36,419

anyway this point being um these beings

546

00:21:41,690 --> 00:21:38,880

they were Regal and the amount of love I

547

00:21:44,210 --> 00:21:41,700

felt off them I had to really take and

548

00:21:46,630 --> 00:21:44,220

compare to what I had experienced with

549

00:21:48,649 --> 00:21:46,640

some of these interdimensionals or

550

00:21:50,510 --> 00:21:48,659

extraterrestrials wherever they are both

551
00:21:53,390 --> 00:21:50,520
of some of these craft that are

552
00:21:55,370 --> 00:21:53,400
non-corporeal non-humans non-physical

553
00:21:57,350 --> 00:21:55,380
all the way around they're different

554
00:21:59,029 --> 00:21:57,360
containers for Consciousness you've got

555
00:22:01,669 --> 00:21:59,039
plasma you've got

556
00:22:03,049 --> 00:22:01,679
uh bit light You've Got Crystal you've

557
00:22:06,230 --> 00:22:03,059
got several different configures for

558
00:22:08,630 --> 00:22:06,240
Consciousness beyond the humanity Adam

559
00:22:14,830 --> 00:22:08,640
Cadman frame

560
00:22:21,110 --> 00:22:18,370
I normally filmed in so anyway

561
00:22:23,930 --> 00:22:21,120
oh you're fine

562
00:22:26,029 --> 00:22:23,940
um I had to compare those those

563
00:22:28,970 --> 00:22:26,039

non-physicals with these Angelic side

564

00:22:30,950 --> 00:22:28,980

and encountered a death and these

565

00:22:32,390 --> 00:22:30,960

angelics you know I've I've got a few

566

00:22:35,270 --> 00:22:32,400

issues with this thing called the uranta

567

00:22:37,430 --> 00:22:35,280

book but once I got past my personal

568

00:22:38,810 --> 00:22:37,440

bias with it there's certain parts in

569

00:22:39,950 --> 00:22:38,820

that book that are very valid

570

00:22:42,490 --> 00:22:39,960

information

571

00:22:45,049 --> 00:22:42,500

and what would be the way they describe

572

00:22:47,450 --> 00:22:45,059

seraphim and Angelic especially Earth

573

00:22:49,490 --> 00:22:47,460

Angels all the way up and they called

574

00:22:52,669 --> 00:22:49,500

there's a classification they call Super

575

00:22:55,370 --> 00:22:52,679

nanofem okay and the super nanofem are a

576

00:22:57,409 --> 00:22:55,380

type of Archangel like but a slightly

577

00:22:58,310 --> 00:22:57,419

different I'm sure that this is what I

578

00:23:00,350 --> 00:22:58,320

saw

579

00:23:02,450 --> 00:23:00,360

and not just seeing them but feeling in

580

00:23:04,549 --> 00:23:02,460

the love I think that I had 100 some

581

00:23:07,370 --> 00:23:04,559

people come by and really stop their day

582

00:23:09,529 --> 00:23:07,380

and come visit me and wish me well I

583

00:23:11,930 --> 00:23:09,539

think they took that psychokinetic

584

00:23:14,090 --> 00:23:11,940

energy along with that in my family my

585

00:23:17,450 --> 00:23:14,100

loved ones and channeled that through

586

00:23:19,789 --> 00:23:17,460

the Creator to heal me to where I am now

587

00:23:22,010 --> 00:23:19,799

and there's been a great deal of yeah

588

00:23:23,990 --> 00:23:22,020

questions about why I'm still the way I

589

00:23:26,149 --> 00:23:24,000

am after what happened so you know but

590

00:23:27,230 --> 00:23:26,159

it goes to things that are Beyond we

591

00:23:28,130 --> 00:23:27,240

start dealing with the Creator and

592

00:23:30,470 --> 00:23:28,140

people don't want to deal with that

593

00:23:31,549 --> 00:23:30,480

right now they want to turn to something

594

00:23:33,590 --> 00:23:31,559

else you know you're supposed to say the

595

00:23:34,909 --> 00:23:33,600

word God oh my God don't say that oh

596

00:23:36,350 --> 00:23:34,919

because the other knife he goes into

597

00:23:38,690 --> 00:23:36,360

religion yeah

598

00:23:40,549 --> 00:23:38,700

they can it conforms people and really

599

00:23:42,350 --> 00:23:40,559

is about that it's about us are

600

00:23:44,570 --> 00:23:42,360

exploring who we are and what we are and

601
00:23:45,950 --> 00:23:44,580
you know anyway so I don't want to take

602
00:23:48,470 --> 00:23:45,960
this too far on one thing and you

603
00:23:50,930 --> 00:23:48,480
probably won't talk about other stuff

604
00:23:52,610 --> 00:23:50,940
no you're fine no when I when I had my

605
00:23:55,850 --> 00:23:52,620
new year death experience because my

606
00:23:57,529 --> 00:23:55,860
appendix burst they like I was very

607
00:23:59,750 --> 00:23:57,539
almost out of it when they put me under

608
00:24:02,690 --> 00:23:59,760
anesthesia so I wasn't fully under

609
00:24:04,070 --> 00:24:02,700
anesthesia so I ended up having a

610
00:24:06,710 --> 00:24:04,080
cardiac arrest

611
00:24:08,810 --> 00:24:06,720
and I'm seeing my mom sitting in the

612
00:24:10,610 --> 00:24:08,820
waiting room and she was like crying and

613
00:24:12,110 --> 00:24:10,620

she was with someone she knew and and

614

00:24:13,970 --> 00:24:12,120

she was laying like what if she doesn't

615

00:24:15,770 --> 00:24:13,980

make it and everything and then

616

00:24:17,390 --> 00:24:15,780

everything just went really dark for me

617

00:24:19,970 --> 00:24:17,400

but it was like a comforting lyric like

618

00:24:22,669 --> 00:24:19,980

I wasn't afraid like I was okay with it

619

00:24:24,890 --> 00:24:22,679

you know and I and it was like starting

620

00:24:26,930 --> 00:24:24,900

to turn gray like it was starting to

621

00:24:29,930 --> 00:24:26,940

turn light I'm like I'm okay with

622

00:24:36,250 --> 00:24:29,940

someone was just like no you're going

623

00:24:39,950 --> 00:24:38,450

when they were pushing me to in the

624

00:24:41,690 --> 00:24:39,960

hallway

625

00:24:43,730 --> 00:24:41,700

in other words I told my mom I was like

626

00:24:44,870 --> 00:24:43,740

I I know I I had the cardiac arrest on

627

00:24:47,149 --> 00:24:44,880

the table and she looked at me and she's

628

00:24:48,890 --> 00:24:47,159

like no no you didn't like you I could

629

00:24:50,330 --> 00:24:48,900

tell she was like they didn't I'm like

630

00:24:51,890 --> 00:24:50,340

well then why were you sitting with so

631

00:24:54,049 --> 00:24:51,900

and so crying

632

00:24:56,029 --> 00:24:54,059

and she just like her face she just

633

00:24:58,850 --> 00:24:56,039

turned so pale and she's like how did

634

00:25:01,490 --> 00:24:58,860

you I'm like I saw you I saw you crying

635

00:25:03,289 --> 00:25:01,500

like I was fine you know did you see

636

00:25:06,529 --> 00:25:03,299

your body

637

00:25:07,970 --> 00:25:06,539

too

638

00:25:09,770 --> 00:25:07,980

I did yes

639

00:25:12,049 --> 00:25:09,780

and now when this happened were you

640

00:25:13,970 --> 00:25:12,059

fully aware what happened were you kind

641

00:25:15,350 --> 00:25:13,980

of aware of what was going on at that

642

00:25:17,630 --> 00:25:15,360

point

643

00:25:19,430 --> 00:25:17,640

I was yeah and I I seen them he he

644

00:25:21,049 --> 00:25:19,440

pulled my appendix out and it broke in

645

00:25:22,610 --> 00:25:21,059

his hand and it what you know it just

646

00:25:24,230 --> 00:25:22,620

whenever he just he started like

647

00:25:25,730 --> 00:25:24,240

swearing the doctor started swearing

648

00:25:28,850 --> 00:25:25,740

he's like she should have been up in the

649

00:25:31,669 --> 00:25:28,860

or sooner and yeah that's yeah it was

650

00:25:33,049 --> 00:25:31,679

pretty bad wow yeah

651
00:25:36,230 --> 00:25:33,059
yeah

652
00:25:38,090 --> 00:25:36,240
um you know it was a mess that day you

653
00:25:39,350 --> 00:25:38,100
know and it's it's worth mentioning I'm

654
00:25:41,390 --> 00:25:39,360
kind of looking over at the comments a

655
00:25:44,750 --> 00:25:41,400
little it's worth mentioning that you

656
00:25:47,990 --> 00:25:44,760
know we have the ability in this body

657
00:25:50,090 --> 00:25:48,000
still to put our cognitive awareness

658
00:25:51,710 --> 00:25:50,100
like into What's called the dream body

659
00:25:53,390 --> 00:25:51,720
the astral body

660
00:25:55,370 --> 00:25:53,400
and that's what happens when you know we

661
00:25:57,470 --> 00:25:55,380
when we transition that's partially what

662
00:25:59,750 --> 00:25:57,480
happens we have another body that you

663
00:26:01,850 --> 00:25:59,760

know we've come but right now a lot of

664

00:26:03,409 --> 00:26:01,860

us it's super hard to put our cognitive

665

00:26:05,570 --> 00:26:03,419

abilities we go lay down and go to sleep

666

00:26:07,070 --> 00:26:05,580

a lot of us are out you got a few of

667

00:26:08,450 --> 00:26:07,080

those I know I am but I got to do

668

00:26:11,090 --> 00:26:08,460

certain things to where I can dream

669

00:26:12,350 --> 00:26:11,100

lucidly and have dream attention so you

670

00:26:14,269 --> 00:26:12,360

know there's some things like that but

671

00:26:15,710 --> 00:26:14,279

what you just described is and that's

672

00:26:17,450 --> 00:26:15,720

interesting so did you see you didn't

673

00:26:18,590 --> 00:26:17,460

see the light at all or was it starting

674

00:26:21,230 --> 00:26:18,600

or

675

00:26:24,110 --> 00:26:21,240

it it was black it was like pitch black

676
00:26:26,210 --> 00:26:24,120
and then it turned slightly Gray

677
00:26:27,590 --> 00:26:26,220
like I don't know how to describe it but

678
00:26:30,049 --> 00:26:27,600
it was just pitch black and then

679
00:26:31,970 --> 00:26:30,059
slightly gray and I was like it was so

680
00:26:34,190 --> 00:26:31,980
comforting and warm and I'm like I'm

681
00:26:36,230 --> 00:26:34,200
okay here like this is fine and somebody

682
00:26:38,990 --> 00:26:36,240
was basically like no you have to go

683
00:26:40,669 --> 00:26:39,000
back and I'm like you have to wake up

684
00:26:41,810 --> 00:26:40,679
and I'm like I don't want to and then I

685
00:26:43,730 --> 00:26:41,820
ended up waking up when they were

686
00:26:46,250 --> 00:26:43,740
pushing me like I could see the light

687
00:26:48,169 --> 00:26:46,260
slowly from the you know the ceiling is

688
00:26:51,710 --> 00:26:48,179

there pushing me to my room

689

00:26:53,990 --> 00:26:51,720

you know I I think where you were is

690

00:26:56,330 --> 00:26:54,000

kind of that's about where I was when I

691

00:26:59,269 --> 00:26:56,340

was talking to my loved ones I was still

692

00:27:01,610 --> 00:26:59,279

under the delusion that I was normal as

693

00:27:03,049 --> 00:27:01,620

well because I my uncle said I got I got

694

00:27:04,850 --> 00:27:03,059

hurt I'm like no I didn't what are you

695

00:27:06,470 --> 00:27:04,860

talking about he said if you get hurt

696

00:27:08,630 --> 00:27:06,480

like that again you'll be here with us

697

00:27:10,430 --> 00:27:08,640

and he points to my grandma that's like

698

00:27:12,350 --> 00:27:10,440

there's something wrong and you know the

699

00:27:14,090 --> 00:27:12,360

thing is that he was very strong

700

00:27:16,010 --> 00:27:14,100

Brothers muscular cat he's really cool

701
00:27:17,990 --> 00:27:16,020
but he had on this

702
00:27:18,890 --> 00:27:18,000
it was this hat all right it looked like

703
00:27:36,590 --> 00:27:18,900
a

704
00:27:37,610 --> 00:27:36,600
there's something wrong there's nothing

705
00:27:39,950 --> 00:27:37,620
wrong there's something wrong with you

706
00:27:41,870 --> 00:27:39,960
why are you dressed like that

707
00:27:43,549 --> 00:27:41,880
you know and he's telling me I crossed

708
00:27:44,630 --> 00:27:43,559
over it you just can't remember it right

709
00:27:48,230 --> 00:27:44,640
now

710
00:27:50,090 --> 00:27:48,240
turns back says something else and I

711
00:27:52,370 --> 00:27:50,100
can't tell you what it was to this day

712
00:27:55,549 --> 00:27:52,380
but it scared me it made me jump back

713
00:27:57,890 --> 00:27:55,559

for whatever reason and uh and I came up

714

00:28:00,049 --> 00:27:57,900

in this fall wristband

715

00:28:02,149 --> 00:28:00,059

and that's actually what I had as a

716

00:28:04,250 --> 00:28:02,159

brain injury patient what they call a

717

00:28:06,769 --> 00:28:04,260

clearing out I'd actually been conscious

718

00:28:08,090 --> 00:28:06,779

for quite a while but I can't remember

719

00:28:11,090 --> 00:28:08,100

it you know what I mean I hadn't cleared

720

00:28:13,490 --> 00:28:11,100

out yet so for me the near-death

721

00:28:15,409 --> 00:28:13,500

experience happened right then

722

00:28:16,789 --> 00:28:15,419

but as my mother told me before she

723

00:28:17,930 --> 00:28:16,799

passed she said whatever happened to you

724

00:28:20,330 --> 00:28:17,940

happened to you when you were in that

725

00:28:22,370 --> 00:28:20,340

coma before that you were talking and it

726

00:28:24,890 --> 00:28:22,380

was so you know what I mean so as a

727

00:28:26,870 --> 00:28:24,900

Survivor I spent a lot of time trying to

728

00:28:28,610 --> 00:28:26,880

evaluate before I people started asking

729

00:28:30,049 --> 00:28:28,620

me to speak about it okay how much of

730

00:28:32,269 --> 00:28:30,059

this could have been the last oxygen

731

00:28:34,370 --> 00:28:32,279

going and processing through my brain

732

00:28:37,250 --> 00:28:34,380

how much of it the various things that

733

00:28:38,810 --> 00:28:37,260

described and to explain nde to be less

734

00:28:40,970 --> 00:28:38,820

than what they are and I would tell

735

00:28:43,490 --> 00:28:40,980

anyone listen my answer to this that is

736

00:28:45,590 --> 00:28:43,500

this reality is real to the perceiver

737

00:28:48,470 --> 00:28:45,600

and had I not come back here I would

738

00:28:50,029 --> 00:28:48,480

have been there period they can say what

739

00:28:52,610 --> 00:28:50,039

they want

740

00:28:54,350 --> 00:28:52,620

yeah no I totally free with you I

741

00:28:55,330 --> 00:28:54,360

totally agree I mean I think you were

742

00:28:57,890 --> 00:28:55,340

right there too

743

00:28:59,090 --> 00:28:57,900

Corridor yeah it's like a corridor I

744

00:29:03,409 --> 00:28:59,100

think

745

00:29:05,690 --> 00:29:03,419

what it was because I was just me I was

746

00:29:07,490 --> 00:29:05,700

totally by myself there was nobody else

747

00:29:10,250 --> 00:29:07,500

except you know towards the end I got

748

00:29:11,870 --> 00:29:10,260

that I I didn't hear a voice outright

749

00:29:14,210 --> 00:29:11,880

but I could kind of hear it in my head

750

00:29:16,730 --> 00:29:14,220

if that makes sense you know that I had

751

00:29:19,430 --> 00:29:16,740

to go back like there was nobody else

752

00:29:21,529 --> 00:29:19,440

yeah I have another question Bernadette

753

00:29:23,570 --> 00:29:21,539

could you see

754

00:29:27,710 --> 00:29:23,580

um spirits and dead people before you

755

00:29:30,169 --> 00:29:27,720

died or after that well it was it was

756

00:29:32,570 --> 00:29:30,179

both so when I was little I had that

757

00:29:34,370 --> 00:29:32,580

experience and I could I saw other

758

00:29:37,370 --> 00:29:34,380

things but my mother was always like no

759

00:29:39,169 --> 00:29:37,380

no you didn't and we don't talk about it

760

00:29:41,029 --> 00:29:39,179

so you know she's like you don't want

761

00:29:42,950 --> 00:29:41,039

people think you're crazy you're gonna

762

00:29:45,710 --> 00:29:42,960

keep it down you're not going to talk

763

00:29:48,110 --> 00:29:45,720

about it and I I pushed it down you know

764

00:29:50,810 --> 00:29:48,120

I ignored things and there were things

765

00:29:53,570 --> 00:29:50,820

that happened along the way that you

766

00:29:55,789 --> 00:29:53,580

know made me question as I got older and

767

00:29:57,350 --> 00:29:55,799

before she passed she you know she would

768

00:29:59,529 --> 00:29:57,360

speak to me about it she would say well

769

00:30:02,810 --> 00:29:59,539

you weren't crazy this is what we saw

770

00:30:04,490 --> 00:30:02,820

she actually had a friend who was a

771

00:30:06,409 --> 00:30:04,500

psychic towards you know towards the end

772

00:30:09,830 --> 00:30:06,419

of his life you know I told him

773

00:30:12,110 --> 00:30:09,840

basically that I knew he had cancer

774

00:30:13,669 --> 00:30:12,120

you know but right before he had come to

775

00:30:15,049 --> 00:30:13,679

the house I said I had this weird dream

776

00:30:17,210 --> 00:30:15,059

about you I'd never met this person

777

00:30:19,250 --> 00:30:17,220

before I said this weird dream about you

778

00:30:21,590 --> 00:30:19,260

and he looked at me and he's like

779

00:30:24,049 --> 00:30:21,600

I I have cancer how did you know that

780

00:30:25,190 --> 00:30:24,059

and I was just like I don't know you

781

00:30:26,690 --> 00:30:25,200

know and he looked at my mom and he's

782

00:30:28,669 --> 00:30:26,700

like you need to stop telling her that

783

00:30:31,370 --> 00:30:28,679

she's crazy you need you need to tell

784

00:30:34,010 --> 00:30:31,380

stop telling her what she sees is not

785

00:30:35,990 --> 00:30:34,020

there stop trying to protect her

786

00:30:38,029 --> 00:30:36,000

you know and he's like you're you're

787

00:30:40,310 --> 00:30:38,039

seeing as much as she is and you're

788

00:30:41,450 --> 00:30:40,320

trying to push it down you both need to

789

00:30:43,909 --> 00:30:41,460

stop

790

00:30:46,549 --> 00:30:43,919

so once I once I had the near-death

791

00:30:49,549 --> 00:30:46,559

experience it it took off more I think

792

00:30:51,110 --> 00:30:49,559

because in the elevator going up there

793

00:30:53,330 --> 00:30:51,120

was the doctor it was like the emergency

794

00:30:55,549 --> 00:30:53,340

elevator so it was the doctor the gurney

795

00:30:56,990 --> 00:30:55,559

and my mom but at the foot of my bed

796

00:30:59,570 --> 00:30:57,000

there was a nurse

797

00:31:01,370 --> 00:30:59,580

and my mom had been the nurse and like

798

00:31:03,470 --> 00:31:01,380

this nurse was dressed in the

799

00:31:06,110 --> 00:31:03,480

old-fashioned way in pictures I had seen

800

00:31:08,570 --> 00:31:06,120

But it she had blonde hair and she had

801
00:31:11,149 --> 00:31:08,580
green eyes and she was at the foot of my

802
00:31:13,250 --> 00:31:11,159
bed and I I had sat up and I looked

803
00:31:15,049 --> 00:31:13,260
straight at her and I looked around and

804
00:31:17,330 --> 00:31:15,059
I laid back down

805
00:31:18,889 --> 00:31:17,340
and I you know afterwards I said well

806
00:31:20,450 --> 00:31:18,899
where's the nurse who had taken care of

807
00:31:22,850 --> 00:31:20,460
me in the elevator and my mom said there

808
00:31:25,430 --> 00:31:22,860
was no nurse in the elevator

809
00:31:27,950 --> 00:31:25,440
and I said yes there was and I just

810
00:31:29,810 --> 00:31:27,960
grabbed her my mom said they don't dress

811
00:31:31,970 --> 00:31:29,820
like that anymore because this was like

812
00:31:33,470 --> 00:31:31,980
the early 2000s she's like not even

813
00:31:34,549 --> 00:31:33,480

nursing students dressed like that

814

00:31:37,130 --> 00:31:34,559

anymore

815

00:31:40,549 --> 00:31:37,140

I said that's what I saw and then I said

816

00:31:42,049 --> 00:31:40,559

where where was my night nurse and then

817

00:31:43,070 --> 00:31:42,059

you want me to say this but they want me

818

00:31:45,350 --> 00:31:43,080

to say something I'm going to say

819

00:31:48,230 --> 00:31:45,360

something they want me to say that

820

00:31:50,149 --> 00:31:48,240

be aware for people listening that there

821

00:31:52,490 --> 00:31:50,159

are many different forms of death angels

822

00:31:53,930 --> 00:31:52,500

and that there do different things what

823

00:31:55,669 --> 00:31:53,940

you're seeing would describe me a death

824

00:31:57,289 --> 00:31:55,679

angel I keep I start picking that up

825

00:31:59,029 --> 00:31:57,299

immediately you know and they're not

826
00:32:01,250 --> 00:31:59,039
always the Sinister things we think the

827
00:32:02,690 --> 00:32:01,260
green Ripper it's not like that always

828
00:32:04,850 --> 00:32:02,700
you know what I mean but anyway sorry

829
00:32:06,830 --> 00:32:04,860
please keep talking no she she was right

830
00:32:10,789 --> 00:32:06,840
I wasn't afraid of her she

831
00:32:15,110 --> 00:32:12,649
my mom went home

832
00:32:16,669 --> 00:32:15,120
this this young nurse came in and she's

833
00:32:18,409 --> 00:32:16,679
like do you want anything to eat or

834
00:32:20,570 --> 00:32:18,419
anything and I'm like I'm starving sure

835
00:32:22,130 --> 00:32:20,580
so she brought me Sherbert and then

836
00:32:24,350 --> 00:32:22,140
she's like you know if you need anything

837
00:32:25,730 --> 00:32:24,360
else call and she left this older nurse

838
00:32:27,830 --> 00:32:25,740

came in she's like where did you get

839

00:32:29,690 --> 00:32:27,840

that I'm like my nurse brought it for me

840

00:32:31,190 --> 00:32:29,700

oh wow she took it she threw it in the

841

00:32:33,549 --> 00:32:31,200

garbage and she's like I'm your nurse

842

00:32:35,990 --> 00:32:33,559

and you're not to eat that yet

843

00:32:37,730 --> 00:32:36,000

I'm like the younger nurse brought it

844

00:32:40,430 --> 00:32:37,740

for me she's like there's a younger

845

00:32:42,110 --> 00:32:40,440

nurse on it's just me

846

00:32:43,610 --> 00:32:42,120

I'm like what do you mean it's just you

847

00:32:45,409 --> 00:32:43,620

she's like she seemed completely

848

00:32:47,210 --> 00:32:45,419

corporeal didn't she she seemed

849

00:32:48,889 --> 00:32:47,220

completely corporeal didn't she that she

850

00:32:51,649 --> 00:32:48,899

brought strong enough to bring you

851
00:32:53,029 --> 00:32:51,659
something that is physical you know yeah

852
00:32:55,190 --> 00:32:53,039
that's interesting you know that that

853
00:32:56,870 --> 00:32:55,200
normal Earth bounce can't do that that

854
00:32:58,669 --> 00:32:56,880
takes a whole lot of energy for them

855
00:33:00,710 --> 00:32:58,679
that that's something else you know I

856
00:33:03,169 --> 00:33:00,720
mean completely right there that's uh

857
00:33:05,870 --> 00:33:03,179
yeah she was very young I mean she was

858
00:33:08,330 --> 00:33:05,880
very nice and she just she put it right

859
00:33:09,769 --> 00:33:08,340
down and she like told me if I knew

860
00:33:11,269 --> 00:33:09,779
anything and I told the older nurse that

861
00:33:14,330 --> 00:33:11,279
she's like there's nobody else but me

862
00:33:16,610 --> 00:33:14,340
and I'm just like lady I know what I saw

863
00:33:18,169 --> 00:33:16,620

you know I I said I'm getting a really

864

00:33:19,789 --> 00:33:18,179

good feeling from this that's very cool

865

00:33:21,409 --> 00:33:19,799

I'm getting a really good feeling from

866

00:33:22,750 --> 00:33:21,419

what you're saying thank you that's very

867

00:33:25,009 --> 00:33:22,760

cool

868

00:33:27,590 --> 00:33:25,019

oh sorry

869

00:33:29,930 --> 00:33:27,600

no go ahead it's okay no no interrupt

870

00:33:31,549 --> 00:33:29,940

you twice go ahead please oh well I was

871

00:33:33,049 --> 00:33:31,559

gonna say I just had major surgery there

872

00:33:34,610 --> 00:33:33,059

was no way I could even gotten up and

873

00:33:36,169 --> 00:33:34,620

walked at that point

874

00:33:37,490 --> 00:33:36,179

you know without pulling

875

00:33:39,649 --> 00:33:37,500

pool is kind of like well how did this

876

00:33:41,029 --> 00:33:39,659

you know how did I get this and she just

877

00:33:42,409 --> 00:33:41,039

didn't want to hear it all she's just

878

00:33:44,570 --> 00:33:42,419

like you're not to have it I'll get you

879

00:33:47,389 --> 00:33:44,580

ice chips you'll be fine I'm like

880

00:33:49,789 --> 00:33:47,399

okay like if you want to

881

00:33:51,769 --> 00:33:49,799

but yeah you know you said you said

882

00:33:53,630 --> 00:33:51,779

something I think is really vital and

883

00:33:56,149 --> 00:33:53,640

it's something I experienced too like

884

00:34:00,350 --> 00:33:56,159

you know I've always been quote medium

885

00:34:03,110 --> 00:34:00,360

psychic but you know I was Mr obsessed

886

00:34:04,610 --> 00:34:03,120

with hiding everything you know no idea

887

00:34:06,169 --> 00:34:04,620

I was never going to tell people when I

888

00:34:07,970 --> 00:34:06,179

got attacked by that by that

889

00:34:09,950 --> 00:34:07,980

disincarnate at seven years old I was

890

00:34:11,810 --> 00:34:09,960

like oh God please take this I don't see

891

00:34:13,129 --> 00:34:11,820

this anymore I don't want that you know

892

00:34:14,510 --> 00:34:13,139

what I mean trying to trying to get rid

893

00:34:16,310 --> 00:34:14,520

of it and things you know so I never

894

00:34:20,089 --> 00:34:16,320

wanted to tell anyone or wanted anybody

895

00:34:23,030 --> 00:34:20,099

to know even when I got blasted as being

896

00:34:24,649 --> 00:34:23,040

a contactee and nde person I never won

897

00:34:27,290 --> 00:34:24,659

anyone know as a hypnotist are you

898

00:34:29,629 --> 00:34:27,300

kidding me no way you know stuff like

899

00:34:31,550 --> 00:34:29,639

that but I was obsessed about hiney in

900

00:34:33,889 --> 00:34:31,560

all ways and I was successful with it

901
00:34:35,210 --> 00:34:33,899
for the most part and then I have this

902
00:34:39,770 --> 00:34:35,220
accident

903
00:34:42,290 --> 00:34:39,780
and after recovering my gifts changed in

904
00:34:44,629 --> 00:34:42,300
a way that they became so intense more

905
00:34:46,010 --> 00:34:44,639
like a wave that I couldn't hide it

906
00:34:48,649 --> 00:34:46,020
anymore and I started getting detected

907
00:34:51,109 --> 00:34:48,659
by people I've known for years I've been

908
00:34:52,730 --> 00:34:51,119
tricking them for years and they started

909
00:34:54,290 --> 00:34:52,740
realizing that something was different

910
00:34:56,149 --> 00:34:54,300
So eventually I had to just step forward

911
00:34:58,910 --> 00:34:56,159
and you know embrace it and try to go

912
00:35:00,890 --> 00:34:58,920
forward I became really interested when

913
00:35:02,570 --> 00:35:00,900

I am I met a lady

914

00:35:04,250 --> 00:35:02,580

actually I followed her work for a while

915

00:35:08,690 --> 00:35:04,260

but I've spoke with her just before

916

00:35:09,770 --> 00:35:08,700

covet hit in uh 2019 February uh Mary

917

00:35:12,170 --> 00:35:09,780

Rodwell

918

00:35:13,730 --> 00:35:12,180

and I had become interested in her work

919

00:35:16,190 --> 00:35:13,740

especially when I was recovering because

920

00:35:20,089 --> 00:35:16,200

she started talking about these lifetime

921

00:35:22,370 --> 00:35:20,099

experiencers contactees who have this

922

00:35:24,770 --> 00:35:22,380

traumatic accident of some type

923

00:35:26,750 --> 00:35:24,780

and how for her she was mentioning star

924

00:35:31,190 --> 00:35:26,760

beings would stop the space-time

925

00:35:33,349 --> 00:35:31,200

Continuum and pull the contactee out of

926

00:35:36,349 --> 00:35:33,359

the situation for a millisecond or two

927

00:35:38,210 --> 00:35:36,359

and then put them back and how certain

928

00:35:40,490 --> 00:35:38,220

how certain of the people that have this

929

00:35:42,170 --> 00:35:40,500

happen these contactees there's odd

930

00:35:44,210 --> 00:35:42,180

things about the recovery they recover

931

00:35:45,230 --> 00:35:44,220

quick they recover in a way that they

932

00:35:47,210 --> 00:35:45,240

shouldn't have been for the way that

933

00:35:49,370 --> 00:35:47,220

they were hurt and it's very unusual

934

00:35:51,109 --> 00:35:49,380

well you know I click interested in that

935

00:35:53,270 --> 00:35:51,119

because I had a lot of medical

936

00:35:55,190 --> 00:35:53,280

professionals you know telling me I

937

00:35:57,230 --> 00:35:55,200

shouldn't be the way that I was or

938

00:35:59,690 --> 00:35:57,240

something similar to that you know why

939

00:36:01,069 --> 00:35:59,700

it's how odd it was so I just took an

940

00:36:03,710 --> 00:36:01,079

interest in that you know what I mean of

941

00:36:05,150 --> 00:36:03,720

how often that might actually happen and

942

00:36:07,130 --> 00:36:05,160

the work she was doing trying to record

943

00:36:08,690 --> 00:36:07,140

the data of that so it's something you

944

00:36:10,730 --> 00:36:08,700

know I think that's worthy of mentioning

945

00:36:13,430 --> 00:36:10,740

how often that happens and I think

946

00:36:16,849 --> 00:36:13,440

angelics can do it star beings can do it

947

00:36:19,790 --> 00:36:16,859

when you're dealing with any species or

948

00:36:22,790 --> 00:36:19,800

creation that can stop manipulate the

949

00:36:32,810 --> 00:36:22,800

space-time Continuum I'll get all bets

950

00:36:37,310 --> 00:36:34,970

you know experiences because I I think

951
00:36:39,829 --> 00:36:37,320
my mom had had a bunch of experiences

952
00:36:41,030 --> 00:36:39,839
that she did not want to talk about and

953
00:36:44,270 --> 00:36:41,040
she didn't want to acknowledge that's

954
00:36:47,150 --> 00:36:44,280
why she tried to protect me because what

955
00:36:49,150 --> 00:36:47,160
my one memory was was I was I was a

956
00:36:52,550 --> 00:36:49,160
teenager and we were going into a Kmart

957
00:36:55,730 --> 00:36:52,560
and above the Kmart was like this disc

958
00:36:58,250 --> 00:36:55,740
it was like a cigar shaped thing and it

959
00:36:59,450 --> 00:36:58,260
was like weirdly fire it didn't it

960
00:37:01,910 --> 00:36:59,460
didn't look like a balloon but it was

961
00:37:04,010 --> 00:37:01,920
just weirdly vibrating and there was a

962
00:37:06,290 --> 00:37:04,020
man and woman off to the left standing

963
00:37:09,349 --> 00:37:06,300

by the car and they were talking and

964

00:37:11,089 --> 00:37:09,359

just kind of looking at it and we looked

965

00:37:12,650 --> 00:37:11,099

at it too but it was just them but

966

00:37:15,230 --> 00:37:12,660

there's a bunch of other people just

967

00:37:16,910 --> 00:37:15,240

like the four of us only saw it I

968

00:37:20,089 --> 00:37:16,920

stopped bad and I'm like what is that

969

00:37:21,710 --> 00:37:20,099

like do you see that and they just kind

970

00:37:23,990 --> 00:37:21,720

of glanced over but then they kind of

971

00:37:25,430 --> 00:37:24,000

looked back up and my mom's like looked

972

00:37:27,470 --> 00:37:25,440

up and she's just like yeah I see it

973

00:37:30,109 --> 00:37:27,480

let's go in the store I mean she put her

974

00:37:32,630 --> 00:37:30,119

hand on my back and she pushed me

975

00:37:34,069 --> 00:37:32,640

and I'm like what was that like did you

976

00:37:36,650 --> 00:37:34,079

and she's like we're not talking about

977

00:37:39,770 --> 00:37:36,660

it it's done it's over

978

00:37:45,170 --> 00:37:42,410

um so so something worth mentioning

979

00:37:48,230 --> 00:37:45,180

about that is that so often I found out

980

00:37:49,970 --> 00:37:48,240

now especially um that when someone sees

981

00:37:51,950 --> 00:37:49,980

a UFO like that

982

00:37:53,450 --> 00:37:51,960

and there's people around sorry trying

983

00:37:55,250 --> 00:37:53,460

to plug this in that that don't actually

984

00:37:57,890 --> 00:37:55,260

yeah okay

985

00:37:59,630 --> 00:37:57,900

um uh that is actually a targeted

986

00:38:02,030 --> 00:37:59,640

contact a lot of times if this is not

987

00:38:04,310 --> 00:38:02,040

some type of a government creation a lot

988

00:38:05,690 --> 00:38:04,320

of time this is a targeted contact and

989

00:38:08,329 --> 00:38:05,700

the amount of information we get

990

00:38:10,250 --> 00:38:08,339

subliminal under subliminal and also

991

00:38:11,990 --> 00:38:10,260

super conscious is unreal because

992

00:38:13,730 --> 00:38:12,000

sometimes those creatures in those craft

993

00:38:16,130 --> 00:38:13,740

where they're from their vibration is

994

00:38:17,870 --> 00:38:16,140

quicker than others than ours so it's

995

00:38:19,370 --> 00:38:17,880

like we get things subconsciously and we

996

00:38:21,470 --> 00:38:19,380

don't know it till we start messing with

997

00:38:23,450 --> 00:38:21,480

things like hypnosis which record our

998

00:38:24,950 --> 00:38:23,460

subconscious records everything you can

999

00:38:26,510 --> 00:38:24,960

start accessing it

1000

00:38:28,130 --> 00:38:26,520

and the amount of people that get

1001

00:38:30,170 --> 00:38:28,140

information just like the way you

1002

00:38:32,150 --> 00:38:30,180

described and it most frequently happens

1003

00:38:34,069 --> 00:38:32,160

when you're in a a crowd of people

1004

00:38:35,450 --> 00:38:34,079

there's 10 of you until you're going

1005

00:38:37,730 --> 00:38:35,460

right there right there and everybody's

1006

00:38:39,710 --> 00:38:37,740

going okay where you know what I mean

1007

00:38:41,569 --> 00:38:39,720

yeah and you don't think that like I'm

1008

00:38:44,690 --> 00:38:41,579

not important enough for

1009

00:38:47,030 --> 00:38:44,700

a whole sip of beings or maybe a whole

1010

00:38:49,730 --> 00:38:47,040

let's talk talk Star Trek a whole

1011

00:38:51,950 --> 00:38:49,740

Federation of beings to stop what

1012

00:38:53,450 --> 00:38:51,960

they're doing to communicate just with

1013

00:38:56,089 --> 00:38:53,460

me on the collective conscious level

1014

00:38:59,089 --> 00:38:56,099

yeah that's happening a lot and we need

1015

00:39:00,650 --> 00:38:59,099

to expand our parameters of contact and

1016

00:39:03,890 --> 00:39:00,660

someone want to hit real quick on here

1017

00:39:05,990 --> 00:39:03,900

in the in the um in the comment section

1018

00:39:10,069 --> 00:39:06,000

I'm watching somebody I keep it keeps

1019

00:39:11,630 --> 00:39:10,079

drawing my eye they're going by ajk they

1020

00:39:13,010 --> 00:39:11,640

had they said some really heavy stuff

1021

00:39:14,510 --> 00:39:13,020

about their dealing with the air

1022

00:39:16,370 --> 00:39:14,520

conditioner and other things I think

1023

00:39:18,170 --> 00:39:16,380

they're referring to a ghost messing

1024

00:39:20,270 --> 00:39:18,180

with them at their house you know when I

1025

00:39:21,950 --> 00:39:20,280

go into a lot of the houses I've been in

1026

00:39:23,690 --> 00:39:21,960

the first thing that I see that the

1027

00:39:25,310 --> 00:39:23,700

ghosts will start the the Earth bounds

1028

00:39:27,170 --> 00:39:25,320

will start doing the ghost to get the

1029

00:39:28,730 --> 00:39:27,180

people out is they start messing with

1030

00:39:30,589 --> 00:39:28,740

the plumbing there's something wrong

1031

00:39:32,510 --> 00:39:30,599

with the plumbing the black stuff coming

1032

00:39:34,130 --> 00:39:32,520

up out of the drains and stuff like that

1033

00:39:36,589 --> 00:39:34,140

and then they start trying to the people

1034

00:39:38,390 --> 00:39:36,599

get that fixed the plumbing fix and then

1035

00:39:40,069 --> 00:39:38,400

they jump over to the car especially if

1036

00:39:41,990 --> 00:39:40,079

it's in the garage they get in the

1037

00:39:43,970 --> 00:39:42,000

liquids in there the water in the things

1038

00:39:45,349 --> 00:39:43,980

in there and start messing with that you

1039

00:39:47,510 --> 00:39:45,359

know then they mess with the electronics

1040

00:39:51,109 --> 00:39:47,520

a little bit the lights and they always

1041

00:39:53,150 --> 00:39:51,119

tend to use closets especially if it's a

1042

00:39:54,650 --> 00:39:53,160

kid that passed they love to play with

1043

00:39:57,829 --> 00:39:54,660

other kids that are still living in

1044

00:40:01,069 --> 00:39:57,839

closets and how I think ghosts use the

1045

00:40:03,950 --> 00:40:01,079

cashmere effect like it's an Oregon box

1046

00:40:06,470 --> 00:40:03,960

to generate more free energy more life

1047

00:40:08,690 --> 00:40:06,480

energy to be able to move out of there

1048

00:40:10,670 --> 00:40:08,700

and interact with us more or mess with

1049

00:40:12,589 --> 00:40:10,680

us but anyway what you're talking about

1050

00:40:14,329 --> 00:40:12,599

air conditioning yeah it's got liquids

1051

00:40:15,829 --> 00:40:14,339

in there and air freon in there they'll

1052

00:40:17,390 --> 00:40:15,839

mess with it and that's a big one

1053

00:40:19,069 --> 00:40:17,400

that'll cause you to get out of there oh

1054

00:40:20,150 --> 00:40:19,079

gosh how many times all this stuff going

1055

00:40:21,130 --> 00:40:20,160

to break in here I'm gonna get out of

1056

00:40:25,130 --> 00:40:21,140

here

1057

00:40:27,230 --> 00:40:25,140

or that weird black soot that's on the

1058

00:40:30,170 --> 00:40:27,240

wall or in the door handle sometimes

1059

00:40:32,329 --> 00:40:30,180

really odd or flies in there Amityville

1060

00:40:34,130 --> 00:40:32,339

horse type of stuff flashing a couple of

1061

00:40:35,569 --> 00:40:34,140

those places a lot just you know just

1062

00:40:37,609 --> 00:40:35,579

the things I've seen that some of these

1063

00:40:39,890 --> 00:40:37,619

haunted locations if you really do work

1064

00:40:41,569 --> 00:40:39,900

in them it's it's interesting we we

1065

00:40:43,310 --> 00:40:41,579

actually had that with the Flies it's

1066

00:40:44,630 --> 00:40:43,320

funny you mentioned that we actually had

1067

00:40:47,390 --> 00:40:44,640

that with the Flies and they were coming

1068

00:40:49,069 --> 00:40:47,400

up in the basement we could not find out

1069

00:40:51,170 --> 00:40:49,079

how they were getting into the basement

1070

00:40:53,329 --> 00:40:51,180

and even coming into the I mean it was

1071

00:40:55,609 --> 00:40:53,339

it was awful it was

1072

00:40:57,710 --> 00:40:55,619

it was just unimaginable I've never seen

1073

00:41:00,410 --> 00:40:57,720

so many flies in my life and then that's

1074

00:41:02,329 --> 00:41:00,420

how I you know contacted Lund strickler

1075

00:41:04,490 --> 00:41:02,339

along with the other stuff that was

1076
00:41:05,810 --> 00:41:04,500
happening I mean it was it was okay

1077
00:41:08,030 --> 00:41:05,820
sometimes when they'd just be gone

1078
00:41:10,510 --> 00:41:08,040
sometimes just gone and then they'll be

1079
00:41:12,770 --> 00:41:10,520
back just like gone yeah

1080
00:41:15,410 --> 00:41:12,780
and and it's funny that you mentioned

1081
00:41:17,450 --> 00:41:15,420
the closet as well because my son has

1082
00:41:19,670 --> 00:41:17,460
actually saw something in his closet it

1083
00:41:21,530 --> 00:41:19,680
was it was very funny because

1084
00:41:22,310 --> 00:41:21,540
um the closet door had come off the

1085
00:41:25,010 --> 00:41:22,320
wrong

1086
00:41:27,770 --> 00:41:25,020
and he had started saying that he sees a

1087
00:41:29,930 --> 00:41:27,780
little girl and tonight he actually told

1088
00:41:33,069 --> 00:41:29,940

me that like since you broke the closet

1089

00:41:37,010 --> 00:41:33,079

door that's that's where she came from

1090

00:41:39,290 --> 00:41:37,020

and I'm like okay if it's an Oregon box

1091

00:41:41,329 --> 00:41:39,300

the Box you broke it open not as many

1092

00:41:43,069 --> 00:41:41,339

free energy radicals getting out she

1093

00:41:44,270 --> 00:41:43,079

came out with it yeah and it was

1094

00:41:46,130 --> 00:41:44,280

probably where she stayed most of the

1095

00:41:48,050 --> 00:41:46,140

time in the house as the place to kind

1096

00:41:49,849 --> 00:41:48,060

of you know a lot of these houses like

1097

00:41:51,710 --> 00:41:49,859

that probably have two portals in it

1098

00:41:53,329 --> 00:41:51,720

there's like a male and a female portal

1099

00:41:54,710 --> 00:41:53,339

a lot of people don't realize I see them

1100

00:41:56,210 --> 00:41:54,720

go in these houses they're going to

1101

00:41:58,490 --> 00:41:56,220

close the portal but they don't close

1102

00:42:00,470 --> 00:41:58,500

both of them you know what I mean if

1103

00:42:09,290 --> 00:42:00,480

people still have activity after that so

1104

00:42:13,550 --> 00:42:11,390

the problem with her was that she played

1105

00:42:16,430 --> 00:42:13,560

with his toys he did not like her

1106

00:42:18,230 --> 00:42:16,440

because she played with his toys and she

1107

00:42:20,030 --> 00:42:18,240

wanted him she wanted him to play with

1108

00:42:22,010 --> 00:42:20,040

her and she touched his trucks and he

1109

00:42:25,069 --> 00:42:22,020

did not like that and I'm like

1110

00:42:26,569 --> 00:42:25,079

I I think I've seen her at the bottom of

1111

00:42:29,569 --> 00:42:26,579

the stairs

1112

00:42:31,310 --> 00:42:29,579

and yeah it was it was very odd because

1113

00:42:32,990 --> 00:42:31,320

I was upstairs now the corner of my eye

1114

00:42:38,170 --> 00:42:33,000

I saw what looked like a little girl

1115

00:42:47,030 --> 00:42:40,790

he he has told me he saw her but since

1116

00:42:51,050 --> 00:42:49,490

have to tell us and it's weird because

1117

00:42:53,270 --> 00:42:51,060

we don't talk about any of this in front

1118

00:42:55,430 --> 00:42:53,280

of him we will not because I don't want

1119

00:42:57,650 --> 00:42:55,440

him to to hear it and then start making

1120

00:42:59,450 --> 00:42:57,660

things up but he just he came to us and

1121

00:43:02,150 --> 00:42:59,460

he told us that there's a little girl in

1122

00:43:05,530 --> 00:43:02,160

his room and she's on fire

1123

00:43:10,550 --> 00:43:08,450

there's the fire in that house huh yeah

1124

00:43:12,170 --> 00:43:10,560

it will not hear there there was a fire

1125

00:43:15,170 --> 00:43:12,180

in this house but when I asked him I

1126

00:43:19,450 --> 00:43:15,180

said did she live here he said no no up

1127

00:43:23,930 --> 00:43:21,829

about anyone else's house but I'm just

1128

00:43:26,390 --> 00:43:23,940

like okay I'm like well you need to tell

1129

00:43:29,089 --> 00:43:26,400

her she needs to go home and he goes I

1130

00:43:34,430 --> 00:43:29,099

did but she doesn't listen I'm like okay

1131

00:43:36,349 --> 00:43:34,440

but now she's she's gone so yeah

1132

00:43:37,790 --> 00:43:36,359

yeah she needs to be crossed she should

1133

00:43:39,589 --> 00:43:37,800

be crossed over

1134

00:43:40,970 --> 00:43:39,599

um you know um this important you're

1135

00:43:43,309 --> 00:43:40,980

saying this because you know I just got

1136

00:43:45,770 --> 00:43:43,319

through doing um show with my friend uh

1137

00:43:47,270 --> 00:43:45,780

Jessica Jones we talked about you know

1138

00:43:49,550 --> 00:43:47,280

some of these

1139

00:43:51,589 --> 00:43:49,560

haunted locations that they do these

1140

00:43:53,870 --> 00:43:51,599

tours and everything and oh they do

1141

00:43:56,750 --> 00:43:53,880

cleansing and stuff are they going out

1142

00:43:58,370 --> 00:43:56,760

but the bottom line is they're trapping

1143

00:44:00,410 --> 00:43:58,380

souls in some of these places keeping

1144

00:44:02,210 --> 00:44:00,420

them trapped there you know trying to go

1145

00:44:05,470 --> 00:44:02,220

in and feeding them emotions and things

1146

00:44:07,790 --> 00:44:05,480

like that and touring them and you know

1147

00:44:09,829 --> 00:44:07,800

they need to be crossed over you know

1148

00:44:11,329 --> 00:44:09,839

I've said several of these places like

1149

00:44:12,770 --> 00:44:11,339

when Jessica's remote viewing a couple

1150

00:44:14,569 --> 00:44:12,780

of them were showing it you knew they're

1151
00:44:16,730 --> 00:44:14,579
haunted already but showing kids being

1152
00:44:18,170 --> 00:44:16,740
trapped there on the soul level yeah and

1153
00:44:20,329 --> 00:44:18,180
that's that's terrible you know what I

1154
00:44:21,950 --> 00:44:20,339
mean or just people overall so these

1155
00:44:23,990 --> 00:44:21,960
some of these ghost location the ghost

1156
00:44:25,250 --> 00:44:24,000
tours be very careful with people that

1157
00:44:27,290 --> 00:44:25,260
go through that go through those places

1158
00:44:29,089 --> 00:44:27,300
it's just not or control that type of

1159
00:44:31,490 --> 00:44:29,099
property it's really not what this is

1160
00:44:33,950 --> 00:44:31,500
about and it's exploitations of Earth

1161
00:44:35,530 --> 00:44:33,960
valves you know that means bad enough

1162
00:44:37,970 --> 00:44:35,540
anyway whatever they're stuck here for

1163
00:44:39,890 --> 00:44:37,980

I'll come across them I've come across

1164

00:44:41,150 --> 00:44:39,900

some now that it's odd when you cross

1165

00:44:44,329 --> 00:44:41,160

one of them over and they start talking

1166

00:44:46,010 --> 00:44:44,339

to you in a way that's not even common

1167

00:44:47,809 --> 00:44:46,020

inflections

1168

00:44:50,390 --> 00:44:47,819

you know and I asked her where did you

1169

00:44:53,329 --> 00:44:50,400

join with the client at and they say

1170

00:44:54,530 --> 00:44:53,339

it's such a such Castle in Germany or

1171

00:44:56,450 --> 00:44:54,540

somewhere because they traveled the

1172

00:44:58,970 --> 00:44:56,460

world and they're touring these ancient

1173

00:45:00,410 --> 00:44:58,980

places and they picked this person up

1174

00:45:01,910 --> 00:45:00,420

you know and they've been here what

1175

00:45:04,790 --> 00:45:01,920

they're talking about you know

1176

00:45:07,730 --> 00:45:04,800

hundreds and hundreds of years yeah and

1177

00:45:10,069 --> 00:45:07,740

I've got ones way longer than that

1178

00:45:12,349 --> 00:45:10,079

so and time for them is nothing like it

1179

00:45:14,270 --> 00:45:12,359

is for us but just long enough to where

1180

00:45:16,069 --> 00:45:14,280

they can tell me

1181

00:45:18,170 --> 00:45:16,079

it was before y'all messed up the world

1182

00:45:19,510 --> 00:45:18,180

it's not even a world anymore

1183

00:45:23,450 --> 00:45:19,520

right

1184

00:45:26,329 --> 00:45:23,460

yeah no I understand I understand that

1185

00:45:28,430 --> 00:45:26,339

we went my my boyfriend took me to this

1186

00:45:29,990 --> 00:45:28,440

Museum I'm going to call the museum I'm

1187

00:45:31,849 --> 00:45:30,000

not going to say where it is and we

1188

00:45:34,069 --> 00:45:31,859

walked around the outside of it it is

1189

00:45:36,710 --> 00:45:34,079

the most eeriest place I've ever been to

1190

00:45:39,589 --> 00:45:36,720

there are no birds there are no bugs you

1191

00:45:42,470 --> 00:45:39,599

cannot hear anything it's so quiet

1192

00:45:44,569 --> 00:45:42,480

and we went down we walked around uh

1193

00:45:46,130 --> 00:45:44,579

this one path and there were there were

1194

00:45:48,650 --> 00:45:46,140

people on the other side and the lady

1195

00:45:50,510 --> 00:45:48,660

she was she was not alive she was

1196

00:45:51,710 --> 00:45:50,520

standing there glaring at everyone and

1197

00:45:53,450 --> 00:45:51,720

she's like

1198

00:45:55,130 --> 00:45:53,460

I'm trying to figure out how to say it

1199

00:45:56,690 --> 00:45:55,140

without because we're on there she said

1200

00:45:58,670 --> 00:45:56,700

they you know they come here and they

1201

00:46:02,390 --> 00:45:58,680

look at us like we're in a zoo but she

1202

00:46:04,609 --> 00:46:02,400

she used a different word you know and I

1203

00:46:06,349 --> 00:46:04,619

I looked at her and I like stared at her

1204

00:46:07,790 --> 00:46:06,359

and there was a gentleman next to her

1205

00:46:09,950 --> 00:46:07,800

and I'm just like staring at them and

1206

00:46:11,390 --> 00:46:09,960

she's like can you see me you you can

1207

00:46:14,150 --> 00:46:11,400

see you're looking at me I'm like no no

1208

00:46:16,790 --> 00:46:14,160

I'm not no one I turned to him I'm like

1209

00:46:18,170 --> 00:46:16,800

we need to go like and she started like

1210

00:46:20,450 --> 00:46:18,180

coming towards us I'm like no we're

1211

00:46:22,430 --> 00:46:20,460

leaving now and I just turned my back on

1212

00:46:24,950 --> 00:46:22,440

her and I walked away and I could hear

1213

00:46:26,930 --> 00:46:24,960

her yelling at me like that I could see

1214

00:46:28,910 --> 00:46:26,940

her and I'm just like no I cannot see

1215

00:46:31,370 --> 00:46:28,920

you I I don't

1216

00:46:32,930 --> 00:46:31,380

you know at the time of he didn't know

1217

00:46:34,430 --> 00:46:32,940

that I could see these things he didn't

1218

00:46:35,870 --> 00:46:34,440

know hardly anything he didn't even

1219

00:46:36,950 --> 00:46:35,880

really want to believe this house was

1220

00:46:41,109 --> 00:46:36,960

haunted

1221

00:46:45,950 --> 00:46:43,849

you know I'll I'll do an interesting one

1222

00:46:47,930 --> 00:46:45,960

at you okay and somebody mentioned

1223

00:46:49,849 --> 00:46:47,940

somebody mentioned generational curses

1224

00:46:51,050 --> 00:46:49,859

let's talk about that too but okay but

1225

00:46:52,250 --> 00:46:51,060

this this is something interesting here

1226

00:46:53,930 --> 00:46:52,260

okay so

1227

00:46:57,530 --> 00:46:53,940

this has been a couple years ago now but

1228

00:46:59,390 --> 00:46:57,540

this client all right and um

1229

00:47:02,510 --> 00:46:59,400

this particular

1230

00:47:04,849 --> 00:47:02,520

Earthbound that I crossed over okay it

1231

00:47:05,750 --> 00:47:04,859

was it was a female but before this is a

1232

00:47:09,530 --> 00:47:05,760

female

1233

00:47:13,010 --> 00:47:09,540

and it had told me you know that it um

1234

00:47:15,470 --> 00:47:13,020

kept referring to this individual

1235

00:47:17,990 --> 00:47:15,480

and uh that was a friend of the clients

1236

00:47:19,849 --> 00:47:18,000

all right and like a group of them that

1237

00:47:23,450 --> 00:47:19,859

went out for like football or something

1238

00:47:26,569 --> 00:47:23,460

right a football group or something and

1239

00:47:28,790 --> 00:47:26,579

um they keep saying that um they look

1240

00:47:30,410 --> 00:47:28,800

just like they did last time

1241

00:47:32,450 --> 00:47:30,420

I started inquiring more what do you

1242

00:47:33,950 --> 00:47:32,460

mean and referring to this individual

1243

00:47:36,230 --> 00:47:33,960

saying that they still looked like they

1244

00:47:37,430 --> 00:47:36,240

did before the long dark hair they're

1245

00:47:41,510 --> 00:47:37,440

tall

1246

00:47:43,550 --> 00:47:41,520

and they're describing a spirit that had

1247

00:47:45,349 --> 00:47:43,560

they'd been with married to

1248

00:47:48,170 --> 00:47:45,359

that died

1249

00:47:50,390 --> 00:47:48,180

has reincarnated and they're still here

1250

00:47:53,150 --> 00:47:50,400

trapped as an Earthbound spirit

1251
00:47:55,250 --> 00:47:53,160
and they've joined with the client

1252
00:47:56,930 --> 00:47:55,260
and the client has gone they expressed

1253
00:47:59,630 --> 00:47:56,940
itself as a negative behavior pattern

1254
00:48:02,450 --> 00:47:59,640
and what happens the client is gone and

1255
00:48:05,150 --> 00:48:02,460
had an affair with this person

1256
00:48:07,430 --> 00:48:05,160
when they're happily married and had no

1257
00:48:11,030 --> 00:48:07,440
problems at all but this desire for this

1258
00:48:13,550 --> 00:48:11,040
person you know then I cross over

1259
00:48:16,309 --> 00:48:13,560
this the spirit and the individual's

1260
00:48:17,809 --> 00:48:16,319
saying well gosh that person oh gosh

1261
00:48:19,190 --> 00:48:17,819
ain't even attracts you don't even look

1262
00:48:21,589 --> 00:48:19,200
like my loved one and stuff like that

1263
00:48:23,950 --> 00:48:21,599

but that that that desire and how it

1264

00:48:26,750 --> 00:48:23,960

goes away and so that can be addictions

1265

00:48:28,910 --> 00:48:26,760

uh love a whole bunch of different

1266

00:48:30,589 --> 00:48:28,920

things all right and it's an issue to

1267

00:48:32,990 --> 00:48:30,599

deal with this how do you deal with this

1268

00:48:34,790 --> 00:48:33,000

when our society doesn't want to talk

1269

00:48:37,010 --> 00:48:34,800

about and believe in past lives

1270

00:48:38,510 --> 00:48:37,020

we're talking about not just one

1271

00:48:40,790 --> 00:48:38,520

earth-bound Spirit but somebody that's

1272

00:48:43,309 --> 00:48:40,800

been here incarnate and come back

1273

00:48:45,589 --> 00:48:43,319

that died and come back that's real

1274

00:48:47,630 --> 00:48:45,599

serious you know yeah

1275

00:48:49,370 --> 00:48:47,640

or like the one I talk about a lot you

1276

00:48:52,849 --> 00:48:49,380

know is is one of the earlier ones I had

1277

00:48:56,690 --> 00:48:52,859

had he this gentleman the guy and he

1278

00:48:58,790 --> 00:48:56,700

tells me uh one is in a female client

1279

00:49:00,589 --> 00:48:58,800

all right and first thing starts telling

1280

00:49:02,270 --> 00:49:00,599

me Oh

1281

00:49:03,770 --> 00:49:02,280

I heard you were coming

1282

00:49:04,970 --> 00:49:03,780

and you can try to trick me you're

1283

00:49:07,069 --> 00:49:04,980

trying to trick me

1284

00:49:08,690 --> 00:49:07,079

I said they told me you're coming first

1285

00:49:10,849 --> 00:49:08,700

of all who's they that told you I was

1286

00:49:13,550 --> 00:49:10,859

coming first then you never get that a

1287

00:49:15,109 --> 00:49:13,560

straight answer the second is um how am

1288

00:49:16,910 --> 00:49:15,119

I trying to trick you we're gonna try to

1289

00:49:18,890 --> 00:49:16,920

make me go on that line I'm not going in

1290

00:49:21,050 --> 00:49:18,900

that light I won't do it I won't do it

1291

00:49:23,630 --> 00:49:21,060

uh so why not you know what the answer

1292

00:49:25,670 --> 00:49:23,640

was yeah well because I've done some bad

1293

00:49:28,730 --> 00:49:25,680

things to some people it could be hell

1294

00:49:33,230 --> 00:49:28,740

and also if I go in there I'll have to

1295

00:49:35,450 --> 00:49:33,240

change I can't get another drink

1296

00:49:37,550 --> 00:49:35,460

and then this individual tells me they

1297

00:49:39,770 --> 00:49:37,560

was at this bar

1298

00:49:41,569 --> 00:49:39,780

because the client went to a bar and

1299

00:49:42,950 --> 00:49:41,579

they jumped on him at this bar said oh

1300

00:49:44,270 --> 00:49:42,960

they were light they had a lot of light

1301

00:49:46,550 --> 00:49:44,280

on them they were brighter than the

1302

00:49:48,050 --> 00:49:46,560

other people in there so they didn't

1303

00:49:50,089 --> 00:49:48,060

know how they didn't have fun they're

1304

00:49:51,950 --> 00:49:50,099

kind of awkward so I want to help them

1305

00:49:52,790 --> 00:49:51,960

have fun so I joined with them to have a

1306

00:49:56,390 --> 00:49:52,800

drink

1307

00:49:57,770 --> 00:49:56,400

and in says this but you know now you

1308

00:50:00,170 --> 00:49:57,780

can really put them away

1309

00:50:03,230 --> 00:50:00,180

and when I get them so drunk that they

1310

00:50:05,089 --> 00:50:03,240

black out I feel the most alive

1311

00:50:07,849 --> 00:50:05,099

and the way he had passed in is actually

1312

00:50:09,890 --> 00:50:07,859

by my high school that I went to across

1313

00:50:11,329 --> 00:50:09,900

the street over there's like a bar and

1314

00:50:12,770 --> 00:50:11,339

across the street is like all these

1315

00:50:14,030 --> 00:50:12,780

houses I mean they're right there on

1316

00:50:16,430 --> 00:50:14,040

this bar it's in the middle of the

1317

00:50:18,589 --> 00:50:16,440

neighborhood and he said he lived in one

1318

00:50:20,510 --> 00:50:18,599

of those houses and he went like a last

1319

00:50:23,210 --> 00:50:20,520

call he went back over this house to do

1320

00:50:24,710 --> 00:50:23,220

a couple of rails of cocaine got real

1321

00:50:26,930 --> 00:50:24,720

good and wired and came back for last

1322

00:50:28,790 --> 00:50:26,940

call and his chest started hurting and

1323

00:50:31,550 --> 00:50:28,800

he fell out in the street and died out

1324

00:50:34,130 --> 00:50:31,560

in the street but his last thoughts last

1325

00:50:35,450 --> 00:50:34,140

drink that last drink that last drink so

1326

00:50:36,710 --> 00:50:35,460

what happened when he crossed over he

1327

00:50:37,490 --> 00:50:36,720

didn't cross over he went over to the

1328

00:50:38,870 --> 00:50:37,500

bar

1329

00:50:41,270 --> 00:50:38,880

and he told me I've been hanging out

1330

00:50:42,650 --> 00:50:41,280

that park for years jumping on people

1331

00:50:44,150 --> 00:50:42,660

but everybody's all burned out in there

1332

00:50:46,130 --> 00:50:44,160

now what have you been draining them all

1333

00:50:48,349 --> 00:50:46,140

is the drugs anyway you know and then

1334

00:50:50,030 --> 00:50:48,359

yeah and so I looked up how long is this

1335

00:50:52,270 --> 00:50:50,040

and then you make it work

1336

00:50:55,130 --> 00:50:52,280

yeah the bar's been there like 55 years

1337

00:50:57,589 --> 00:50:55,140

oh my God you know what I mean yeah yeah

1338

00:50:58,910 --> 00:50:57,599

so stuff like that that won't go too far

1339

00:51:00,470 --> 00:50:58,920

on it but it's just these little things

1340

00:51:02,809 --> 00:51:00,480

like that that people are talking about

1341

00:51:04,910 --> 00:51:02,819

on here that I think is worthy and the

1342

00:51:07,069 --> 00:51:04,920

other is these spiritual attack these

1343

00:51:08,510 --> 00:51:07,079

generational attachments and I will say

1344

00:51:10,549 --> 00:51:08,520

that the ones that I've seen and dealt

1345

00:51:12,950 --> 00:51:10,559

with a lot of times it will come through

1346

00:51:14,990 --> 00:51:12,960

land too there'll be cursed land that

1347

00:51:16,849 --> 00:51:15,000

people are on like maybe it's Native

1348

00:51:18,950 --> 00:51:16,859

American land like where I live here a

1349

00:51:21,230 --> 00:51:18,960

lot of blood shed around here so some of

1350

00:51:22,910 --> 00:51:21,240

this land is cursed in a way that you

1351
00:51:24,589 --> 00:51:22,920
know you've got not just souls or some

1352
00:51:26,990 --> 00:51:24,599
settlers that were there trapped there

1353
00:51:28,970 --> 00:51:27,000
going forward but uh these generational

1354
00:51:30,589 --> 00:51:28,980
curses come like that you know and then

1355
00:51:33,049 --> 00:51:30,599
you pass them to your kids they go from

1356
00:51:35,690 --> 00:51:33,059
person to person or skip a generation or

1357
00:51:37,790 --> 00:51:35,700
two and it's the same things it's like

1358
00:51:39,349 --> 00:51:37,800
these chains they have to be broken you

1359
00:51:41,750 --> 00:51:39,359
know what I mean and sometimes these

1360
00:51:43,790 --> 00:51:41,760
generational curses go so far back you

1361
00:51:46,309 --> 00:51:43,800
don't even know who those relatives were

1362
00:51:48,710 --> 00:51:46,319
it's Generations ago or someone that

1363
00:51:51,970 --> 00:51:48,720

made an act a lot of people making packs

1364

00:51:57,609 --> 00:51:55,010

your Offspring has to carry that burden

1365

00:52:00,710 --> 00:51:57,619

yeah very generous

1366

00:52:02,569 --> 00:52:00,720

right who do you think they are that's

1367

00:52:05,030 --> 00:52:02,579

that's very interesting that you said he

1368

00:52:08,809 --> 00:52:05,040

said they were coming that they told him

1369

00:52:12,589 --> 00:52:10,010

you know

1370

00:52:14,750 --> 00:52:12,599

um two things one would be the other

1371

00:52:16,609 --> 00:52:14,760

earthbounds some of them because some of

1372

00:52:17,870 --> 00:52:16,619

them will jump from person to person

1373

00:52:20,569 --> 00:52:17,880

they don't always stay with the same

1374

00:52:22,809 --> 00:52:20,579

person like I've dealt with like a group

1375

00:52:25,010 --> 00:52:22,819

of kids that was like in an accident

1376

00:52:27,410 --> 00:52:25,020

that you know several of them may have

1377

00:52:29,809 --> 00:52:27,420

passed at the same time but they didn't

1378

00:52:31,190 --> 00:52:29,819

all go to the same place and you got a

1379

00:52:33,170 --> 00:52:31,200

couple of them that are jumping into

1380

00:52:35,030 --> 00:52:33,180

people and what are they doing they're

1381

00:52:37,549 --> 00:52:35,040

getting these people to go party a lot

1382

00:52:39,290 --> 00:52:37,559

because they were kids saying I was in

1383

00:52:40,609 --> 00:52:39,300

high school but I went to like this and

1384

00:52:41,750 --> 00:52:40,619

this school and I was involved this and

1385

00:52:43,730 --> 00:52:41,760

this and my parents were so strict I

1386

00:52:45,770 --> 00:52:43,740

never got to do anything so they never

1387

00:52:47,630 --> 00:52:45,780

got to go to any parties they find

1388

00:52:49,069 --> 00:52:47,640

somebody who's a college student and

1389

00:52:50,510 --> 00:52:49,079

they can go to parties they give them to

1390

00:52:53,329 --> 00:52:50,520

partying real hard getting real tore up

1391

00:52:55,190 --> 00:52:53,339

but then as any addiction they don't

1392

00:52:57,049 --> 00:52:55,200

keep getting the same Buzz out of it

1393

00:52:59,329 --> 00:52:57,059

that they did it doesn't last it starts

1394

00:53:01,430 --> 00:52:59,339

fading so they jump to another person to

1395

00:53:02,690 --> 00:53:01,440

another person and then there that

1396

00:53:04,130 --> 00:53:02,700

person burns out so what do they start

1397

00:53:05,750 --> 00:53:04,140

doing before they leave the person a lot

1398

00:53:07,910 --> 00:53:05,760

of times they start pushing them well

1399

00:53:10,370 --> 00:53:07,920

such and such comes around you can't

1400

00:53:11,630 --> 00:53:10,380

stand them you to argue with them stuff

1401

00:53:13,430 --> 00:53:11,640

like that in your mind especially if

1402

00:53:15,650 --> 00:53:13,440

you're married to somebody that they

1403

00:53:17,870 --> 00:53:15,660

don't like let's say it's it like the

1404

00:53:19,309 --> 00:53:17,880

female that had that that guy in her you

1405

00:53:20,510 --> 00:53:19,319

know what I mean he's telling me I'm not

1406

00:53:21,890 --> 00:53:20,520

gonna cross her I'm not gonna cross over

1407

00:53:24,230 --> 00:53:21,900

you know how I got him to cross over

1408

00:53:26,210 --> 00:53:24,240

because his loved one's already there I

1409

00:53:29,210 --> 00:53:26,220

finally got him at a love frequency he

1410

00:53:31,490 --> 00:53:29,220

could see that all right and then uh you

1411

00:53:32,870 --> 00:53:31,500

know what I used is this basic content

1412

00:53:35,270 --> 00:53:32,880

behavioral that's what I've done my

1413

00:53:37,970 --> 00:53:35,280

whole my whole adult life career-wise is

1414

00:53:40,069 --> 00:53:37,980

cognitive behavioral and I I said well

1415

00:53:43,010 --> 00:53:40,079

you know his dad's there and I'm like

1416

00:53:44,870 --> 00:53:43,020

it's very chatty until that happened so

1417

00:53:47,809 --> 00:53:44,880

you notice that I said what's going on

1418

00:53:50,329 --> 00:53:47,819

and they'll say without suggestion oh

1419

00:53:51,829 --> 00:53:50,339

listen my dad is standing there and I'm

1420

00:53:53,809 --> 00:53:51,839

still not going that late I said that's

1421

00:53:55,730 --> 00:53:53,819

fine but you notice something about your

1422

00:53:57,109 --> 00:53:55,740

dad what

1423

00:53:59,030 --> 00:53:57,119

I say he's a little bit younger than

1424

00:54:00,650 --> 00:53:59,040

what he was when he died huh

1425

00:54:02,390 --> 00:54:00,660

yes

1426
00:54:05,270 --> 00:54:02,400
that was something else got a perfect

1427
00:54:07,069 --> 00:54:05,280
body doesn't he

1428
00:54:08,750 --> 00:54:07,079
you want a perfect body isn't that worth

1429
00:54:10,490 --> 00:54:08,760
changing for you want to keep living

1430
00:54:12,829 --> 00:54:10,500
through this female

1431
00:54:15,170 --> 00:54:12,839
and you know you start yelling at me no

1432
00:54:17,809 --> 00:54:15,180
I don't like it when she has sex I don't

1433
00:54:20,870 --> 00:54:17,819
like it you know I bet you don't you

1434
00:54:22,549 --> 00:54:20,880
know I said but I mean so it's a trip to

1435
00:54:24,410 --> 00:54:22,559
use somebody that's you know very

1436
00:54:27,049 --> 00:54:24,420
effeminate talking like a trucker for a

1437
00:54:28,730 --> 00:54:27,059
second yeah yeah it's very very bizarre

1438
00:54:30,410 --> 00:54:28,740

when really they technically what we

1439

00:54:31,910 --> 00:54:30,420

would call is in hypnosis a Flopper

1440

00:54:33,589 --> 00:54:31,920

they're about like this you know what I

1441

00:54:35,870 --> 00:54:33,599

mean but I mean these these That's when

1442

00:54:38,390 --> 00:54:35,880

these these Earth bounds will come

1443

00:54:40,490 --> 00:54:38,400

forward if you know how but anyway the

1444

00:54:41,630 --> 00:54:40,500

point of that being that uh a lot of

1445

00:54:45,049 --> 00:54:41,640

times they join with people because

1446

00:54:46,490 --> 00:54:45,059

nobody was they can get acknowledged you

1447

00:54:49,549 --> 00:54:46,500

know I've had a couple of them tell me

1448

00:54:52,190 --> 00:54:49,559

um I I don't talk to me about God one

1449

00:54:54,770 --> 00:54:52,200

said to me I said why not well because

1450

00:54:57,829 --> 00:54:54,780

if there was a god

1451
00:54:59,569 --> 00:54:57,839
it wouldn't allow us to be all down here

1452
00:55:02,569 --> 00:54:59,579
bumping into each other and you all

1453
00:55:04,609 --> 00:55:02,579
ignoring us forever

1454
00:55:08,089 --> 00:55:04,619
boy that sounds a lot like hell doesn't

1455
00:55:10,930 --> 00:55:08,099
it yeah a type of hell anyway sorry I'm

1456
00:55:18,349 --> 00:55:10,940
gonna go into that no no

1457
00:55:23,630 --> 00:55:20,870
see like what do you do you can't just

1458
00:55:25,190 --> 00:55:23,640
stand there and talk to basically air if

1459
00:55:27,230 --> 00:55:25,200
that's what everyone else is going to

1460
00:55:29,930 --> 00:55:27,240
see you know

1461
00:55:31,670 --> 00:55:29,940
I mean it's it's difficult you're it's

1462
00:55:34,069 --> 00:55:31,680
it's being alive you're trapped between

1463
00:55:37,730 --> 00:55:34,079

the Rock and Hard Place when you see you

1464

00:55:39,890 --> 00:55:37,740

know a spirit that's that's bad so I do

1465

00:55:41,990 --> 00:55:39,900

have a couple questions for you sure

1466

00:55:44,150 --> 00:55:42,000

thank you and they're all from Vincent

1467

00:55:49,130 --> 00:55:44,160

so Vincent asks can you tell us about

1468

00:55:53,030 --> 00:55:50,870

first of all great name a little name

1469

00:55:55,370 --> 00:55:53,040

Vincent uh Rob Pearlman played Vincent

1470

00:55:56,170 --> 00:55:55,380

beating the Beast my favorite characters

1471

00:55:58,370 --> 00:55:56,180

um

1472

00:56:00,770 --> 00:55:58,380

what I can remember him starting really

1473

00:56:02,630 --> 00:56:00,780

is five and that was waking up in my bed

1474

00:56:03,530 --> 00:56:02,640

and being startled because I wouldn't be

1475

00:56:06,049 --> 00:56:03,540

at home

1476

00:56:09,109 --> 00:56:06,059

and I'd be in this like this room

1477

00:56:11,329 --> 00:56:09,119

there's a room with like um uh a black

1478

00:56:13,430 --> 00:56:11,339

table on it and like kind of gray walls

1479

00:56:16,250 --> 00:56:13,440

on this black table you had some things

1480

00:56:18,950 --> 00:56:16,260

on there like a feather a bowl of water

1481

00:56:21,290 --> 00:56:18,960

and these balls these silver balls look

1482

00:56:23,150 --> 00:56:21,300

like steelies and the first thing is you

1483

00:56:24,109 --> 00:56:23,160

have to actually move the feather with

1484

00:56:26,030 --> 00:56:24,119

your mind

1485

00:56:28,430 --> 00:56:26,040

then you try to start moving the water

1486

00:56:30,890 --> 00:56:28,440

stirring it then you can start moving

1487

00:56:32,510 --> 00:56:30,900

the ball the the balls and the balls did

1488

00:56:35,210 --> 00:56:32,520

different things and I could circle

1489

00:56:37,490 --> 00:56:35,220

around each other and to me those balls

1490

00:56:40,430 --> 00:56:37,500

looked a lot like I said I use

1491

00:56:43,069 --> 00:56:40,440

movie references in the movie star man

1492

00:56:44,990 --> 00:56:43,079

with Jeff Bridges he has these balls

1493

00:56:46,790 --> 00:56:45,000

these steelies that he uses quite a bit

1494

00:56:48,470 --> 00:56:46,800

they look like that but there's several

1495

00:56:50,630 --> 00:56:48,480

of them and he can manipulate them with

1496

00:56:54,290 --> 00:56:50,640

your mind but that's like the last task

1497

00:56:56,030 --> 00:56:54,300

and task in that room but to me that now

1498

00:56:57,470 --> 00:56:56,040

as I got older you know I kind of think

1499

00:56:59,030 --> 00:56:57,480

that was some type of a ship or

1500

00:57:01,250 --> 00:56:59,040

something so I count that as

1501
00:57:04,069 --> 00:57:01,260
extraterrestrial type of some sort of

1502
00:57:06,770 --> 00:57:04,079
contact and then they got even more

1503
00:57:08,270 --> 00:57:06,780
prolific as I got a little older until I

1504
00:57:10,849 --> 00:57:08,280
got to the sixth grade and had something

1505
00:57:12,470 --> 00:57:10,859
called the acid rain experience I call

1506
00:57:14,210 --> 00:57:12,480
it all this is on my YouTube channel

1507
00:57:15,710 --> 00:57:14,220
I've got some illustrations of it also

1508
00:57:17,690 --> 00:57:15,720
but that's when

1509
00:57:19,910 --> 00:57:17,700
in the sixth grade the experiences

1510
00:57:21,890 --> 00:57:19,920
actually crossed over from the stuff at

1511
00:57:23,450 --> 00:57:21,900
night not going to sleep and waking up

1512
00:57:24,710 --> 00:57:23,460
not at home just when you drift off for

1513
00:57:26,270 --> 00:57:24,720

a minute on one of these crafts or

1514

00:57:27,470 --> 00:57:26,280

whatever and then the next day you're

1515

00:57:29,270 --> 00:57:27,480

feeling like you've not slept you've

1516

00:57:30,349 --> 00:57:29,280

been awake like the whole time it's a

1517

00:57:31,549 --> 00:57:30,359

kind of miserable feeling when you're

1518

00:57:34,430 --> 00:57:31,559

younger you can deal with it a little

1519

00:57:38,030 --> 00:57:34,440

more you know insomnia type of thing but

1520

00:57:40,549 --> 00:57:38,040

uh that uh happened and real quick ought

1521

00:57:43,190 --> 00:57:40,559

to say what it was it was uh I woke up

1522

00:57:44,770 --> 00:57:43,200

on this craft and I see these in this

1523

00:57:47,930 --> 00:57:44,780

what in this

1524

00:57:50,630 --> 00:57:47,940

projector these were over this like a

1525

00:57:52,430 --> 00:57:50,640

Snow Mountain Pass and there are two two

1526

00:57:54,589 --> 00:57:52,440

crafts out here UFO looking things

1527

00:57:56,049 --> 00:57:54,599

saucers sucking like they're pretty big

1528

00:57:58,309 --> 00:57:56,059

but they're sucking up what looks like

1529

00:57:59,750 --> 00:57:58,319

clouds under them and then they're

1530

00:58:02,270 --> 00:57:59,760

emitting like a light coming out

1531

00:58:04,370 --> 00:58:02,280

underneath after that and this being

1532

00:58:07,430 --> 00:58:04,380

floating on these deck plates this

1533

00:58:09,290 --> 00:58:07,440

insectoid is telling me telepathically

1534

00:58:10,910 --> 00:58:09,300

and first let me say it's a little

1535

00:58:13,490 --> 00:58:10,920

disconcerting because in those

1536

00:58:15,530 --> 00:58:13,500

situations like that I've been in these

1537

00:58:18,349 --> 00:58:15,540

beings are answering me telepathically

1538

00:58:19,609 --> 00:58:18,359

before I can formulate my questions you

1539

00:58:21,230 --> 00:58:19,619

know what I mean the questions are there

1540

00:58:23,329 --> 00:58:21,240

but you've not really thought it out yet

1541

00:58:26,569 --> 00:58:23,339

and they're answering it that's very

1542

00:58:29,089 --> 00:58:26,579

disconcerting to a degree yeah yeah you

1543

00:58:31,370 --> 00:58:29,099

know things like that anyway um

1544

00:58:33,890 --> 00:58:31,380

point being though that they're telling

1545

00:58:36,890 --> 00:58:33,900

me one is they something I call the M M

1546

00:58:39,049 --> 00:58:36,900

effect that the mag the metals in our

1547

00:58:41,030 --> 00:58:39,059

atmosphere and the mat the microwaves

1548

00:58:42,170 --> 00:58:41,040

are very dangerous for them and

1549

00:58:44,809 --> 00:58:42,180

hazardous

1550

00:58:46,789 --> 00:58:44,819

and that the acid rain is causing great

1551

00:58:48,349 --> 00:58:46,799

problems on our planet and they're

1552

00:58:50,270 --> 00:58:48,359

trying to do some reverse engineering

1553

00:58:52,910 --> 00:58:50,280

type of stuff but it wasn't going that

1554

00:58:55,010 --> 00:58:52,920

good now um they're having trouble with

1555

00:58:57,829 --> 00:58:55,020

it or something now I never heard that

1556

00:58:59,809 --> 00:58:57,839

those terms at all okay and I always I

1557

00:59:01,130 --> 00:58:59,819

was trying to think out are you lying to

1558

00:59:03,950 --> 00:59:01,140

me and things like that and they're

1559

00:59:05,690 --> 00:59:03,960

already answering you know but anyway um

1560

00:59:08,569 --> 00:59:05,700

about two weeks later

1561

00:59:09,829 --> 00:59:08,579

I'm in the class in the sixth grade and

1562

00:59:12,950 --> 00:59:09,839

our teacher had us read this thing

1563

00:59:14,329 --> 00:59:12,960

called uh the Scholastic News and once a

1564

00:59:16,190 --> 00:59:14,339

week on Friday she'd have somebody get

1565

00:59:19,069 --> 00:59:16,200

up there and read the main article and

1566

00:59:21,549 --> 00:59:19,079

that week I got shows always traumatic

1567

00:59:27,010 --> 00:59:21,559

as you can imagine

1568

00:59:33,470 --> 00:59:30,410

yeah you know on Front Street you know

1569

00:59:36,049 --> 00:59:33,480

but um but this I never forget it but

1570

00:59:38,510 --> 00:59:36,059

this this particular Scholastic News had

1571

00:59:41,030 --> 00:59:38,520

the front of it the Statue of Liberty

1572

00:59:43,430 --> 00:59:41,040

and the article was about the Statue of

1573

00:59:46,309 --> 00:59:43,440

Liberty at that time was uh parts of it

1574

00:59:49,549 --> 00:59:46,319

were shut down due to it being repainted

1575

00:59:51,829 --> 00:59:49,559

and Reconstruction from damage from acid

1576

00:59:53,270 --> 00:59:51,839

rain and when I read that re in that

1577

00:59:55,789 --> 00:59:53,280

article I yelled it out people started

1578

00:59:58,849 --> 00:59:55,799

laughing but nonetheless long story

1579

01:00:00,829 --> 00:59:58,859

short that's when this crossed over so

1580

01:00:02,210 --> 01:00:00,839

much in my life there's no doubt this

1581

01:00:04,069 --> 01:00:02,220

was really happening you know what I

1582

01:00:06,530 --> 01:00:04,079

mean scientifically that's why I like

1583

01:00:08,809 --> 01:00:06,540

really science to back up some of my

1584

01:00:10,910 --> 01:00:08,819

experiences it's a good foundation

1585

01:00:13,910 --> 01:00:10,920

because the stuff is so freaking weird

1586

01:00:17,530 --> 01:00:13,920

what else are you gonna use you know I

1587

01:00:23,049 --> 01:00:20,630

no that sounds perfect to me Vince and

1588

01:00:25,789 --> 01:00:23,059

ours also asked uh what do the

1589

01:00:27,289 --> 01:00:25,799

extraterrestrials want

1590

01:00:29,450 --> 01:00:27,299

um oh you said around puberty somebody

1591

01:00:32,329 --> 01:00:29,460

said for me my experience has stopped

1592

01:00:35,030 --> 01:00:32,339

from about 12 to about 17. I didn't have

1593

01:00:37,430 --> 01:00:35,040

as many in that that that age group

1594

01:00:39,410 --> 01:00:37,440

right there and in the 17 they kicked in

1595

01:00:41,390 --> 01:00:39,420

hard that's the difference between the

1596

01:00:44,510 --> 01:00:41,400

childhood experiences onto the adult

1597

01:00:45,710 --> 01:00:44,520

onset experiences I was describing I'm

1598

01:00:47,990 --> 01:00:45,720

sorry you asked a question I'm sorry

1599

01:00:50,870 --> 01:00:48,000

about that that came off last oh you're

1600

01:00:53,089 --> 01:00:50,880

okay no you're fine uh

1601

01:00:55,490 --> 01:00:53,099

the extraterrestrials want

1602

01:00:57,049 --> 01:00:55,500

the ones I dealt with or all of them I

1603

01:00:58,849 --> 01:00:57,059

mean the heart he's got I think we have

1604

01:01:00,770 --> 01:00:58,859

to deal with we've got about a thousand

1605

01:01:02,990 --> 01:01:00,780

or thousands of factions coming here

1606

01:01:05,210 --> 01:01:03,000

it's much more than just the Grays and

1607

01:01:07,670 --> 01:01:05,220

the reptilians and that's all we really

1608

01:01:10,849 --> 01:01:07,680

hear about in the media when you look at

1609

01:01:12,289 --> 01:01:10,859

things like the free Foundation ccra

1610

01:01:14,030 --> 01:01:12,299

it's called now

1611

01:01:16,309 --> 01:01:14,040

um the former Foundation researcher

1612

01:01:19,849 --> 01:01:16,319

extraterrestrial encounters ran by Ray

1613

01:01:22,910 --> 01:01:19,859

Hernandez a friend of mine uh great

1614

01:01:25,490 --> 01:01:22,920

great survey they did four or five-phase

1615

01:01:28,430 --> 01:01:25,500

survey to real contactees and

1616

01:01:30,589 --> 01:01:28,440

experiencers worldwide thousands and

1617

01:01:32,150 --> 01:01:30,599

thousands of real contactees took it and

1618

01:01:34,250 --> 01:01:32,160

it's great the information they're

1619

01:01:36,349 --> 01:01:34,260

consolidating and the graphs they've got

1620

01:01:39,170 --> 01:01:36,359

and you know it turns out that we would

1621

01:01:40,730 --> 01:01:39,180

think we'd listen to media that when

1622

01:01:43,010 --> 01:01:40,740

they asked about negative and positive

1623

01:01:45,049 --> 01:01:43,020

encounters you think that it would be

1624

01:01:47,089 --> 01:01:45,059

skewed tremendously towards the negative

1625

01:01:50,210 --> 01:01:47,099

we it's all we hear about is abduction

1626

01:01:53,089 --> 01:01:50,220

and cloning and you know cattle

1627

01:01:55,069 --> 01:01:53,099

mutilations but in reality it was skewed

1628

01:01:57,470 --> 01:01:55,079

the other way the amount of positive

1629

01:02:00,349 --> 01:01:57,480

encounters was much more

1630

01:02:02,329 --> 01:02:00,359

as as opposed to the negative I

1631

01:02:04,849 --> 01:02:02,339

represent that although my encounters

1632

01:02:06,589 --> 01:02:04,859

were life disrupting in terms of its

1633

01:02:08,030 --> 01:02:06,599

different vibration you can't think

1634

01:02:10,670 --> 01:02:08,040

about anything else after this stuff

1635

01:02:12,770 --> 01:02:10,680

happens to you you know um but it wasn't

1636

01:02:16,069 --> 01:02:12,780

negative there was no sexual connotation

1637

01:02:18,230 --> 01:02:16,079

to it there was no torture nothing like

1638

01:02:20,329 --> 01:02:18,240

that you know sickness being on these

1639

01:02:21,829 --> 01:02:20,339

crafts but that's some natural thing

1640

01:02:24,829 --> 01:02:21,839

that they're calling temporal Aphasia

1641

01:02:25,609 --> 01:02:24,839

that happens there but anyway

1642

01:02:28,010 --> 01:02:25,619

um

1643

01:02:29,210 --> 01:02:28,020

as far as what they want so you've got

1644

01:02:31,849 --> 01:02:29,220

the ones that obviously wanted

1645

01:02:34,069 --> 01:02:31,859

domination and you could tell whoever

1646

01:02:36,049 --> 01:02:34,079

our government is working with whether

1647

01:02:38,809 --> 01:02:36,059

it's a little Grays the ebns the

1648

01:02:40,549 --> 01:02:38,819

reptilians they're dark it's a dark

1649

01:02:42,650 --> 01:02:40,559

thing going on here with whatever is

1650

01:02:44,210 --> 01:02:42,660

going on government wise a lot of The

1651
01:02:46,430 --> 01:02:44,220
Craft we're seeing government related

1652
01:02:48,770 --> 01:02:46,440
and they're working with are just I

1653
01:02:51,289 --> 01:02:48,780
think dark entities they're dark species

1654
01:02:53,390 --> 01:02:51,299
or ones lower vibration and you've got

1655
01:02:54,950 --> 01:02:53,400
the other ones like I've dealt with and

1656
01:02:56,450 --> 01:02:54,960
I was forced to deal with it you know

1657
01:02:57,890 --> 01:02:56,460
like when I dealt with people like Rudy

1658
01:02:59,390 --> 01:02:57,900
Shields and a couple of these

1659
01:03:00,829 --> 01:02:59,400
astrophysicists that took the time to

1660
01:03:03,170 --> 01:03:00,839
talk to me and took an interest in my

1661
01:03:05,930 --> 01:03:03,180
encounters Rudy Shields is telling me

1662
01:03:08,150 --> 01:03:05,940
things like you know I like for example

1663
01:03:10,609 --> 01:03:08,160

this being this insectoid had told me

1664

01:03:13,430 --> 01:03:10,619

that they come from the area to focus on

1665

01:03:15,530 --> 01:03:13,440

is about was it 900 million light years

1666

01:03:17,930 --> 01:03:15,540

out and uh beyond the space-time

1667

01:03:20,589 --> 01:03:17,940

continual and that took me to a place

1668

01:03:23,390 --> 01:03:20,599

out there called a bell

1669

01:03:25,130 --> 01:03:23,400

225-2237 that's a cluster of super

1670

01:03:27,230 --> 01:03:25,140

galaxies out there close to the Big Bang

1671

01:03:29,030 --> 01:03:27,240

they think so anyway

1672

01:03:29,750 --> 01:03:29,040

um going forward so

1673

01:03:33,829 --> 01:03:29,760

um

1674

01:03:35,750 --> 01:03:33,839

them I think it's a lot about one the

1675

01:03:38,390 --> 01:03:35,760

Earth Matrix is important

1676

01:03:40,130 --> 01:03:38,400

and our soul life memories and

1677

01:03:42,710 --> 01:03:40,140

remembering who we are in the soul life

1678

01:03:44,150 --> 01:03:42,720

memory you know we incarnate here I

1679

01:03:46,789 --> 01:03:44,160

think a lot of people listening weren't

1680

01:03:48,289 --> 01:03:46,799

agree that we're some type of Immortal

1681

01:03:51,589 --> 01:03:48,299

Souls

1682

01:03:55,069 --> 01:03:51,599

to a degree but you know what we

1683

01:03:57,589 --> 01:03:55,079

incarnate here as Immortal Souls

1684

01:03:58,609 --> 01:03:57,599

almost completely devoid of Soul life

1685

01:04:01,910 --> 01:03:58,619

memories

1686

01:04:03,530 --> 01:04:01,920

what the hell is that that sucks

1687

01:04:04,670 --> 01:04:03,540

that's like being told you're in 12th

1688

01:04:07,789 --> 01:04:04,680

grade but guess what you can't remember

1689

01:04:09,470 --> 01:04:07,799

kindergarten until 11th grade that sucks

1690

01:04:12,170 --> 01:04:09,480

it does

1691

01:04:14,390 --> 01:04:12,180

yeah and it's something fundamentally

1692

01:04:15,890 --> 01:04:14,400

that we incarnate here like that and our

1693

01:04:18,530 --> 01:04:15,900

soul-life memories don't get the help

1694

01:04:20,630 --> 01:04:18,540

the human race and we're in all this

1695

01:04:22,309 --> 01:04:20,640

Darkness down here with these beings are

1696

01:04:24,109 --> 01:04:22,319

incarnating here just like you and I

1697

01:04:25,849 --> 01:04:24,119

that are obviously demonic that maybe

1698

01:04:28,130 --> 01:04:25,859

walk around in bodies but they're

1699

01:04:30,230 --> 01:04:28,140

destroying our biosphere

1700

01:04:32,589 --> 01:04:30,240

all this dark stuff you know that's why

1701

01:04:34,910 --> 01:04:32,599

I take a line I I don't mean anything

1702

01:04:36,710 --> 01:04:34,920

rude towards the SS people and those

1703

01:04:38,329 --> 01:04:36,720

people having contact like that I've

1704

01:04:39,770 --> 01:04:38,339

dealt up interacting with a few like

1705

01:04:42,049 --> 01:04:39,780

Tony Rodriguez and people like that

1706

01:04:44,569 --> 01:04:42,059

they're very cool but there is a dark

1707

01:04:45,589 --> 01:04:44,579

thing kind of on that SSP what they're

1708

01:04:47,690 --> 01:04:45,599

doing to the people they've been

1709

01:04:50,089 --> 01:04:47,700

involved in that how they're using that

1710

01:04:51,470 --> 01:04:50,099

to psychically control a lot of us uh

1711

01:04:53,150 --> 01:04:51,480

you know I'm picking up okay all right

1712

01:04:54,829 --> 01:04:53,160

all right sorry

1713

01:04:56,930 --> 01:04:54,839

um they want me to mention this there's

1714

01:04:58,609 --> 01:04:56,940

this thing like when you incarnate into

1715

01:05:00,829 --> 01:04:58,619

this solar system

1716

01:05:03,049 --> 01:05:00,839

you come through this net

1717

01:05:05,390 --> 01:05:03,059

and what it does it's electrical in a

1718

01:05:06,950 --> 01:05:05,400

way I think and it wipes you of your

1719

01:05:09,770 --> 01:05:06,960

soul life memories

1720

01:05:10,970 --> 01:05:09,780

and you incarnate here in devoid of that

1721

01:05:12,950 --> 01:05:10,980

then that's when you start getting

1722

01:05:15,410 --> 01:05:12,960

caught in a reincycle

1723

01:05:16,789 --> 01:05:15,420

deal you can't remember so you may have

1724

01:05:19,130 --> 01:05:16,799

incarnate here 100 times though remember

1725

01:05:21,770 --> 01:05:19,140

that's a problem right that's personal

1726

01:05:24,470 --> 01:05:21,780

prison planet type of stuff

1727

01:05:26,390 --> 01:05:24,480

I I agree with you I one of my earliest

1728

01:05:29,750 --> 01:05:26,400

memories is I remember being in the car

1729

01:05:32,150 --> 01:05:29,760

as a child and seeing people on the edge

1730

01:05:35,089 --> 01:05:32,160

of the clouds just standing there

1731

01:05:37,549 --> 01:05:35,099

and I you know I was afraid of them and

1732

01:05:39,950 --> 01:05:37,559

my mom was like I don't see anything but

1733

01:05:41,450 --> 01:05:39,960

why are you afraid they're angry at me

1734

01:05:43,490 --> 01:05:41,460

like I don't know why but they're

1735

01:05:46,609 --> 01:05:43,500

staring and they're angry at me

1736

01:05:49,609 --> 01:05:46,619

and she's like okay but I I haven't seen

1737

01:05:51,230 --> 01:05:49,619

them since but I I have that very vivid

1738

01:05:53,210 --> 01:05:51,240

memory of it

1739

01:05:55,430 --> 01:05:53,220

and it's just it's like one of those

1740

01:05:57,589 --> 01:05:55,440

memories that I have and I can picture

1741

01:05:59,630 --> 01:05:57,599

them and I can picture I mean these were

1742

01:06:01,069 --> 01:05:59,640

literal people standing on the edge of

1743

01:06:04,250 --> 01:06:01,079

the clouds

1744

01:06:06,349 --> 01:06:04,260

you know that's not

1745

01:06:08,150 --> 01:06:06,359

I think as far out as it sounds at all

1746

01:06:10,430 --> 01:06:08,160

the reason why I say that you know when

1747

01:06:12,470 --> 01:06:10,440

I was younger like um High School about

1748

01:06:15,289 --> 01:06:12,480

to get out of high school I took a real

1749

01:06:16,910 --> 01:06:15,299

interest in like um Trevor constable and

1750

01:06:18,530 --> 01:06:16,920

William Reich and I started making

1751

01:06:20,870 --> 01:06:18,540

cloudbusters they're really not that

1752

01:06:22,309 --> 01:06:20,880

hard and you know I started working with

1753

01:06:24,829 --> 01:06:22,319

them a little bit and I started trying

1754

01:06:27,109 --> 01:06:24,839

to combust

1755

01:06:28,730 --> 01:06:27,119

um nimbus clouds

1756

01:06:31,130 --> 01:06:28,740

and it's actually you know and I found

1757

01:06:32,510 --> 01:06:31,140

out later that the nimbus clouds would

1758

01:06:36,230 --> 01:06:32,520

actually holds them together is what's

1759

01:06:37,430 --> 01:06:36,240

called dor deadly organ radiation hey a

1760

01:06:39,109 --> 01:06:37,440

lot of people talking about Oregon but

1761

01:06:40,430 --> 01:06:39,119

they don't talk about that they're

1762

01:06:44,390 --> 01:06:40,440

pyramids and everything else but they

1763

01:06:45,770 --> 01:06:44,400

don't talk about dor why not anyway get

1764

01:06:47,809 --> 01:06:45,780

off that but

1765

01:06:50,510 --> 01:06:47,819

um what I started I didn't know without

1766

01:06:53,089 --> 01:06:50,520

grounding these correctly into a running

1767

01:06:55,609 --> 01:06:53,099

water at the time I was actually

1768

01:06:57,529 --> 01:06:55,619

collecting dor which is nimbus cloud in

1769

01:06:59,270 --> 01:06:57,539

these in these devices I started not

1770

01:07:01,849 --> 01:06:59,280

feeling good sometimes work with these

1771

01:07:04,789 --> 01:07:01,859

things you know I what got this uh got

1772

01:07:07,010 --> 01:07:04,799

the Kodak with the infrared film and a

1773

01:07:08,750 --> 01:07:07,020

UV light on and start taking pictures

1774

01:07:10,370 --> 01:07:08,760

around these machines these Cloud

1775

01:07:11,870 --> 01:07:10,380

Busters and you start seeing these

1776

01:07:14,630 --> 01:07:11,880

things around there on the film that

1777

01:07:16,510 --> 01:07:14,640

look like these amoebas or almost

1778

01:07:18,529 --> 01:07:16,520

unicellular

1779

01:07:20,690 --> 01:07:18,539

organisms a little bit bigger and

1780

01:07:21,950 --> 01:07:20,700

they're hanging around the machine you

1781

01:07:24,170 --> 01:07:21,960

know what they are they're feeding them

1782

01:07:26,870 --> 01:07:24,180

that dor people have asked me are those

1783

01:07:29,270 --> 01:07:26,880

archons hey I don't know to me they

1784

01:07:31,609 --> 01:07:29,280

looked more like amoeba almost

1785

01:07:32,990 --> 01:07:31,619

biological very much so you know I think

1786

01:07:35,089 --> 01:07:33,000

they're in our atmosphere all the time

1787

01:07:37,549 --> 01:07:35,099

anyway we just don't quite see them

1788

01:07:39,950 --> 01:07:37,559

things like the movie uh from Beyond by

1789

01:07:41,990 --> 01:07:39,960

H.G Lovecraft they turn on the resonator

1790

01:07:43,609 --> 01:07:42,000

they start seeing the stuff well you

1791

01:07:45,370 --> 01:07:43,619

know so they're always there just don't

1792

01:07:49,490 --> 01:07:45,380

move in the field of energy

1793

01:07:51,349 --> 01:07:49,500

anyway right no and I I mean still I

1794

01:07:54,470 --> 01:07:51,359

still look for them like I had forgot

1795

01:07:56,809 --> 01:07:54,480

about them for a very long time and just

1796

01:07:59,089 --> 01:07:56,819

one day I thought about it and I'm just

1797

01:08:00,349 --> 01:07:59,099

like oh my God I remember that what

1798

01:08:03,289 --> 01:08:00,359

happened to it and I'm like looking up

1799

01:08:05,809 --> 01:08:03,299

I'm like but I don't see it now like was

1800

01:08:07,970 --> 01:08:05,819

it a dream was you know probably not you

1801
01:08:10,849 --> 01:08:07,980
have the ability to see so you may have

1802
01:08:12,950 --> 01:08:10,859
been perceiving one of these beings and

1803
01:08:14,510 --> 01:08:12,960
we have the cognitive dissonance thing

1804
01:08:16,430 --> 01:08:14,520
that will make them into something

1805
01:08:19,189 --> 01:08:16,440
slightly different but the point is

1806
01:08:21,110 --> 01:08:19,199
receiving the awareness of it the the

1807
01:08:22,550 --> 01:08:21,120
consciousness of it you know when when

1808
01:08:24,349 --> 01:08:22,560
you go through really the gates of

1809
01:08:26,990 --> 01:08:24,359
Dreaming or people talk about and really

1810
01:08:28,970 --> 01:08:27,000
all these cool things people are doing

1811
01:08:31,309 --> 01:08:28,980
with dreaming what I found out when I

1812
01:08:32,329 --> 01:08:31,319
passed that last gate I found out I'm

1813
01:08:33,890 --> 01:08:32,339

just standing in the middle of an

1814

01:08:35,749 --> 01:08:33,900

electron impulse

1815

01:08:37,510 --> 01:08:35,759

and then it becomes the information do

1816

01:08:41,510 --> 01:08:37,520

you have enough dream attention

1817

01:08:44,990 --> 01:08:41,520

perception to see the other energy and

1818

01:08:46,550 --> 01:08:45,000

other energy generating beings in your

1819

01:08:49,789 --> 01:08:46,560

field of perception

1820

01:08:52,430 --> 01:08:49,799

because they hide in a phantasmagorical

1821

01:08:55,370 --> 01:08:52,440

images of our Dreamscape

1822

01:08:58,130 --> 01:08:55,380

they're masters of that and what they do

1823

01:09:00,590 --> 01:08:58,140

is they show up as one these odd objects

1824

01:09:01,669 --> 01:09:00,600

in your dream super odd you know when I

1825

01:09:03,410 --> 01:09:01,679

first got a little bit better does it

1826
01:09:05,209 --> 01:09:03,420
happen I walk into my apartment I was

1827
01:09:07,970 --> 01:09:05,219
working these 12-hour days I walk in I

1828
01:09:10,789 --> 01:09:07,980
was so proud I had this first dynasty

1829
01:09:12,169 --> 01:09:10,799
mean boss on the table the glass table I

1830
01:09:14,150 --> 01:09:12,179
was like man I forgot I broke that table

1831
01:09:15,229 --> 01:09:14,160
years before you know but it's sitting

1832
01:09:16,970 --> 01:09:15,239
there and I was like man I was so proud

1833
01:09:18,590 --> 01:09:16,980
took me a shower and got back out look

1834
01:09:20,689 --> 01:09:18,600
at that man that looks great that's

1835
01:09:22,610 --> 01:09:20,699
actually not thinking man I guess

1836
01:09:24,950 --> 01:09:22,620
I live in this apartment

1837
01:09:26,329 --> 01:09:24,960
and I got a first main boss this thing's

1838
01:09:28,550 --> 01:09:26,339

worth millions and millions I got no

1839

01:09:30,110 --> 01:09:28,560

alarm system you start clicking like you

1840

01:09:32,450 --> 01:09:30,120

know something's wrong you know what I

1841

01:09:34,010 --> 01:09:32,460

mean yeah you didn't yeah and then Focus

1842

01:09:36,470 --> 01:09:34,020

then you start focusing on that odd

1843

01:09:39,289 --> 01:09:36,480

object and allow it to turn into what it

1844

01:09:41,030 --> 01:09:39,299

is and then try to interact or follow or

1845

01:09:44,390 --> 01:09:41,040

whatever the case may be but it's about

1846

01:09:46,930 --> 01:09:44,400

identifying it or the worst things the

1847

01:09:49,849 --> 01:09:46,940

worst ones that are met

1848

01:09:51,709 --> 01:09:49,859

masquerading in our Dreamscape they come

1849

01:09:53,749 --> 01:09:51,719

like our loved ones they show up like

1850

01:09:55,610 --> 01:09:53,759

our loved ones in your dreams and

1851

01:09:57,650 --> 01:09:55,620

they're always being just Pricks or

1852

01:09:58,910 --> 01:09:57,660

something excuse my language doing

1853

01:10:01,070 --> 01:09:58,920

something doing something where you know

1854

01:10:02,510 --> 01:10:01,080

where it's like man you know why what

1855

01:10:03,770 --> 01:10:02,520

why would my father be doing it why

1856

01:10:05,090 --> 01:10:03,780

would my mom be doing get away from me

1857

01:10:06,350 --> 01:10:05,100

you know things like that because

1858

01:10:08,870 --> 01:10:06,360

they're getting your emotions going

1859

01:10:10,790 --> 01:10:08,880

they're rallying you up and they're

1860

01:10:12,590 --> 01:10:10,800

feeding yeah like the Shadows do that

1861

01:10:14,450 --> 01:10:12,600

I've seen on the outside of energy field

1862

01:10:16,010 --> 01:10:14,460

when you know when walking around

1863

01:10:17,209 --> 01:10:16,020

they're doing the same thing they jump

1864

01:10:21,070 --> 01:10:17,219

on people too

1865

01:10:23,570 --> 01:10:21,080

yeah so why do you why do you think

1866

01:10:25,970 --> 01:10:23,580

extraterrestrials choose a person or a

1867

01:10:28,669 --> 01:10:25,980

family why why do you think they would

1868

01:10:30,709 --> 01:10:28,679

just choose like is it random is there

1869

01:10:33,649 --> 01:10:30,719

something about them about their

1870

01:10:35,570 --> 01:10:33,659

families I I think one is you know a lot

1871

01:10:37,610 --> 01:10:35,580

of people want to go in as an O negative

1872

01:10:39,770 --> 01:10:37,620

blood this and that that may be

1873

01:10:41,510 --> 01:10:39,780

definitely connection too but I think a

1874

01:10:43,430 --> 01:10:41,520

lot of us they've been following us on

1875

01:10:46,850 --> 01:10:43,440

the soul level also

1876

01:10:48,410 --> 01:10:46,860

and also what kind of interactions have

1877

01:10:51,350 --> 01:10:48,420

we had with these beings on the soul

1878

01:10:54,290 --> 01:10:51,360

level previous incarnations on Earth

1879

01:10:56,689 --> 01:10:54,300

have we been these beings a lot we can't

1880

01:10:58,310 --> 01:10:56,699

remember these civilizations Incarnation

1881

01:11:00,410 --> 01:10:58,320

we can't remember our incarnations here

1882

01:11:03,229 --> 01:11:00,420

let alone is the one that are extra

1883

01:11:04,729 --> 01:11:03,239

Galactic maybe extra Universal you know

1884

01:11:06,890 --> 01:11:04,739

like I was saying Rudy Shields said when

1885

01:11:08,510 --> 01:11:06,900

I said they're from a bell out there and

1886

01:11:10,790 --> 01:11:08,520

he's saying bury them from Another

1887

01:11:12,649 --> 01:11:10,800

Universe that's that's another galaxy

1888

01:11:14,390 --> 01:11:12,659

he's like Barry that doesn't hold up

1889

01:11:20,330 --> 01:11:14,400

mathematically what you're saying but it

1890

01:11:25,850 --> 01:11:22,270

you know what I mean

1891

01:11:27,410 --> 01:11:25,860

when looking at it in parameters of like

1892

01:11:30,770 --> 01:11:27,420

some of the things I've seen it makes

1893

01:11:32,689 --> 01:11:30,780

more sense you know I've seen a craft

1894

01:11:34,310 --> 01:11:32,699

gotta have my sketches with me I'm sorry

1895

01:11:37,070 --> 01:11:34,320

I'm a YouTube channel on my YouTube

1896

01:11:38,870 --> 01:11:37,080

channel I call this the organ the

1897

01:11:42,290 --> 01:11:38,880

organic you the the

1898

01:11:44,270 --> 01:11:42,300

um metamorphing metamorphing organic UFO

1899

01:11:46,790 --> 01:11:44,280

and what this thing did at first it

1900

01:11:49,130 --> 01:11:46,800

looks like a metal saucer palladian type

1901

01:11:51,830 --> 01:11:49,140

of craft like that type of thing and it

1902

01:11:54,110 --> 01:11:51,840

morphs into what looks like this what's

1903

01:11:56,390 --> 01:11:54,120

called a tripyramidal merkabah these

1904

01:11:58,970 --> 01:11:56,400

crystals with staglamites on it with

1905

01:12:00,649 --> 01:11:58,980

light pulsing on the inside like a

1906

01:12:02,570 --> 01:12:00,659

chemical or bioluminescence from the

1907

01:12:04,689 --> 01:12:02,580

inside all the crystals I've seen them

1908

01:12:07,550 --> 01:12:04,699

using seem to do that something Earth

1909

01:12:10,310 --> 01:12:07,560

crystals don't do except for the quasies

1910

01:12:13,010 --> 01:12:10,320

but we're just starting into that anyway

1911

01:12:15,290 --> 01:12:13,020

um when I see this thing change this

1912

01:12:18,110 --> 01:12:15,300

pattern or configuration this this

1913

01:12:20,390 --> 01:12:18,120

change someone else saw this one it was

1914

01:12:22,970 --> 01:12:20,400

hard to take perceptually okay

1915

01:12:24,590 --> 01:12:22,980

cognitively which is hard to watch right

1916

01:12:27,590 --> 01:12:24,600

let's see this thing change but what I

1917

01:12:31,790 --> 01:12:27,600

know now is that this was actually a

1918

01:12:35,990 --> 01:12:31,800

ship that was changing its configuration

1919

01:12:37,850 --> 01:12:36,000

to um a pattern of configuration to its

1920

01:12:40,010 --> 01:12:37,860

destination when it goes through one of

1921

01:12:42,590 --> 01:12:40,020

these Mako things to another Universe

1922

01:12:44,510 --> 01:12:42,600

okay so it's changing its pattern of

1923

01:12:47,330 --> 01:12:44,520

configuration and this pattern of

1924

01:12:49,729 --> 01:12:47,340

unfoldment is to match its destination

1925

01:12:51,950 --> 01:12:49,739

in Another Universe which may be based

1926

01:12:53,689 --> 01:12:51,960

on the crystal maybe based on something

1927

01:12:56,030 --> 01:12:53,699

different than the spin that our

1928

01:12:58,189 --> 01:12:56,040

universe is everything here is based on

1929

01:13:00,350 --> 01:12:58,199

the spin from the atoms all the way up

1930

01:13:03,110 --> 01:13:00,360

to the galaxies in that way to the

1931

01:13:05,090 --> 01:13:03,120

planet's circular spherical and the spin

1932

01:13:06,470 --> 01:13:05,100

but if you go to something that's a

1933

01:13:08,510 --> 01:13:06,480

different Universe it could be based on

1934

01:13:11,330 --> 01:13:08,520

the cube it could be based on the

1935

01:13:13,370 --> 01:13:11,340

pyramid amorphous metals and if it's

1936

01:13:15,050 --> 01:13:13,380

based on the cube is that why we have

1937

01:13:17,270 --> 01:13:15,060

some cubes like I've seen on these craft

1938

01:13:19,370 --> 01:13:17,280

the big ones that are more than just

1939

01:13:21,350 --> 01:13:19,380

inertial adapters but it's actually way

1940

01:13:23,990 --> 01:13:21,360

to transfer

1941

01:13:26,630 --> 01:13:24,000

information and matter from one

1942

01:13:29,750 --> 01:13:26,640

dimension one Universe to another

1943

01:13:31,729 --> 01:13:29,760

that's done through certain shapes very

1944

01:13:34,070 --> 01:13:31,739

food for thought when expanding the

1945

01:13:36,290 --> 01:13:34,080

parameters of contact it's a lot more

1946

01:13:38,030 --> 01:13:36,300

than what we're what we're told and for

1947

01:13:39,890 --> 01:13:38,040

me very little of it is what I

1948

01:13:41,810 --> 01:13:39,900

experienced I what I read about in the

1949

01:13:44,330 --> 01:13:41,820

media only now we I think we're starting

1950

01:13:47,750 --> 01:13:44,340

to breach that and how much the

1951

01:13:49,610 --> 01:13:47,760

conscious Consciousness and the contact

1952

01:13:50,689 --> 01:13:49,620

experience are connected they're not

1953

01:13:53,990 --> 01:13:50,699

separate

1954

01:13:56,270 --> 01:13:54,000

right you know and I I wonder about that

1955

01:13:59,510 --> 01:13:56,280

because like I said I had had I haven't

1956

01:14:00,890 --> 01:13:59,520

had any contact with a Alien aliens I

1957

01:14:03,709 --> 01:14:00,900

don't know how you would like term

1958

01:14:05,630 --> 01:14:03,719

aliens but I haven't designed their work

1959

01:14:08,149 --> 01:14:05,640

I've only seen the one craft when I was

1960

01:14:10,729 --> 01:14:08,159

a teenager and then I saw one about two

1961

01:14:12,649 --> 01:14:10,739

years ago I would say and it was very

1962

01:14:14,450 --> 01:14:12,659

odd because I was sitting in the yard

1963

01:14:17,090 --> 01:14:14,460

and my son was playing in the lower yard

1964

01:14:18,709 --> 01:14:17,100

and I thought it was a glimpse I I

1965

01:14:21,709 --> 01:14:18,719

honestly thought it was a blimp it was

1966

01:14:23,689 --> 01:14:21,719

very shiny and I have been talking my

1967

01:14:25,310 --> 01:14:23,699

boyfriend on the phone and I'm like why

1968

01:14:26,930 --> 01:14:25,320

didn't you tell me that you know there's

1969

01:14:28,850 --> 01:14:26,940

a blimp flying around I would have made

1970

01:14:30,410 --> 01:14:28,860

sure that we were watching for it he's

1971

01:14:32,270 --> 01:14:30,420

like there's there's no blunt flying

1972

01:14:34,010 --> 01:14:32,280

around I don't see anything because he

1973

01:14:36,410 --> 01:14:34,020

could see it coming you know from where

1974

01:14:38,990 --> 01:14:36,420

he's coming from work and I'm like yeah

1975

01:14:41,510 --> 01:14:39,000

and I I said you know let's I'll hang up

1976

01:14:42,950 --> 01:14:41,520

and I'll take a picture and it gone past

1977

01:14:44,930 --> 01:14:42,960

the neighbor's house I'm like well it's

1978

01:14:47,630 --> 01:14:44,940

too late I missed my chance of taking a

1979

01:14:49,669 --> 01:14:47,640

picture he's like okay and I went to say

1980

01:14:51,770 --> 01:14:49,679

something and I froze because here it

1981

01:14:53,870 --> 01:14:51,780

comes back like it was like oh you

1982

01:14:56,090 --> 01:14:53,880

missed me here I am and I'm like

1983

01:14:57,890 --> 01:14:56,100

something's not right about that and it

1984

01:15:00,830 --> 01:14:57,900

went you know back the other way it came

1985

01:15:03,169 --> 01:15:00,840

and then I watched it circle around and

1986

01:15:06,229 --> 01:15:03,179

it was just it was making the weirdest

1987

01:15:08,410 --> 01:15:06,239

patterns that was not normal at all no

1988

01:15:11,209 --> 01:15:08,420

you know let me just fill this in okay

1989

01:15:12,950 --> 01:15:11,219

you I think you're wrong I think you're

1990

01:15:14,990 --> 01:15:12,960

a total contactee I think you're a big

1991

01:15:19,070 --> 01:15:15,000

one and you feel like one to me all

1992

01:15:21,050 --> 01:15:19,080

right and when I say that I there's okay

1993

01:15:22,790 --> 01:15:21,060

um I will probably get laughed at this

1994

01:15:24,830 --> 01:15:22,800

but what I'm going to say is valid I

1995

01:15:26,630 --> 01:15:24,840

stole this certain term from Doctor Who

1996

01:15:28,729 --> 01:15:26,640

I'm a doctor who fan but they used a

1997

01:15:30,890 --> 01:15:28,739

term called archon Energy all right and

1998

01:15:33,950 --> 01:15:30,900

it's a way that they detect people that

1999

01:15:35,570 --> 01:15:33,960

are um been into Tardis all right and

2000

01:15:37,610 --> 01:15:35,580

the truth I think that that's a reality

2001
01:15:39,590 --> 01:15:37,620
to that because some of us that have

2002
01:15:41,270 --> 01:15:39,600
been on board some of these craft or

2003
01:15:43,870 --> 01:15:41,280
around some of these beings that use

2004
01:15:47,570 --> 01:15:43,880
their energy and their Kundalini to fuel

2005
01:15:49,070 --> 01:15:47,580
biofuel the craft itself and these

2006
01:15:51,470 --> 01:15:49,080
things have been through these makos

2007
01:15:54,110 --> 01:15:51,480
these black holes these wormholes okay

2008
01:15:56,810 --> 01:15:54,120
they admit this energy that they admit

2009
01:16:00,709 --> 01:15:56,820
that gets in our cells I think it

2010
01:16:01,970 --> 01:16:00,719
saturates ourselves as contactees and

2011
01:16:04,010 --> 01:16:01,980
then I can detect that on another

2012
01:16:06,050 --> 01:16:04,020
contact T I can feel it

2013
01:16:07,610 --> 01:16:06,060

you know what I mean like for example I

2014

01:16:08,630 --> 01:16:07,620

came into contact a few years ago with

2015

01:16:10,669 --> 01:16:08,640

probably one of the biggest

2016

01:16:12,470 --> 01:16:10,679

whistleblowers more crap surrounding

2017

01:16:14,510 --> 01:16:12,480

them that I won't even go into that I

2018

01:16:16,910 --> 01:16:14,520

don't like okay a lot of like that stuff

2019

01:16:18,950 --> 01:16:16,920

it's just but right when they want to

2020

01:16:21,649 --> 01:16:18,960

come up and hug me first I'm not the

2021

01:16:24,050 --> 01:16:21,659

Huggy type all right let us do it so I

2022

01:16:25,970 --> 01:16:24,060

can get a read on this person and the

2023

01:16:28,310 --> 01:16:25,980

first thing I had to accept is I felt

2024

01:16:30,470 --> 01:16:28,320

this artron energy on them this note so

2025

01:16:31,610 --> 01:16:30,480

I knew they either have been on board a

2026

01:16:34,010 --> 01:16:31,620

craft that's going through these

2027

01:16:35,630 --> 01:16:34,020

wormholes or they've been around beings

2028

01:16:37,970 --> 01:16:35,640

that have done it I have to accept that

2029

01:16:40,130 --> 01:16:37,980

first then go into the bureaucracy you

2030

01:16:42,290 --> 01:16:40,140

know what I mean but anyway um but I

2031

01:16:44,410 --> 01:16:42,300

feel that coming off you all right so I

2032

01:16:46,790 --> 01:16:44,420

would say this the ways you've described

2033

01:16:47,810 --> 01:16:46,800

these two experiences the one he just

2034

01:16:50,090 --> 01:16:47,820

said

2035

01:16:52,669 --> 01:16:50,100

goodness that's contact if I've ever

2036

01:16:53,810 --> 01:16:52,679

heard it too so I think that you should

2037

01:16:56,330 --> 01:16:53,820

definitely if you've never been through

2038

01:16:59,810 --> 01:16:56,340

a hypnotic regression find yourself a

2039

01:17:01,970 --> 01:16:59,820

good hypnotist and see what was recorded

2040

01:17:04,370 --> 01:17:01,980

on your subconscious and super conscious

2041

01:17:07,669 --> 01:17:04,380

during the time you saw that and I

2042

01:17:11,810 --> 01:17:09,649

I guess you probably had some weird

2043

01:17:14,630 --> 01:17:11,820

dreams a few nights after that you might

2044

01:17:17,209 --> 01:17:14,640

want to think about that what I think I

2045

01:17:20,810 --> 01:17:17,219

I think I did I also had strange verses

2046

01:17:24,470 --> 01:17:20,820

I did it was it was very weird bruises

2047

01:17:26,570 --> 01:17:24,480

bruises yeah it was was very weird and I

2048

01:17:28,310 --> 01:17:26,580

maybe I bumped into something but I

2049

01:17:30,830 --> 01:17:28,320

can't remember if I did

2050

01:17:33,649 --> 01:17:30,840

so I'm not 100 sure where I got them but

2051

01:17:35,630 --> 01:17:33,659

when I saw that when I saw you know that

2052

01:17:37,490 --> 01:17:35,640

I I'm gonna call it a blip because

2053

01:17:40,850 --> 01:17:37,500

that's what it looked like to me and

2054

01:17:43,130 --> 01:17:40,860

like I got really bad pictures of it and

2055

01:17:46,189 --> 01:17:43,140

when I saw it like my son was down in

2056

01:17:47,450 --> 01:17:46,199

the yard I had just this gut fear this

2057

01:17:49,669 --> 01:17:47,460

this

2058

01:17:51,590 --> 01:17:49,679

I I don't know how else to explain it

2059

01:17:53,630 --> 01:17:51,600

but I just I literally I don't care if

2060

01:17:55,490 --> 01:17:53,640

the whole town heard me I screamed for

2061

01:17:57,709 --> 01:17:55,500

him to come up by me

2062

01:17:59,630 --> 01:17:57,719

and just like I it must have been such a

2063

01:18:02,870 --> 01:17:59,640

bad scream because the look on his face

2064

01:18:04,910 --> 01:18:02,880

like and he came up and he's like what

2065

01:18:07,610 --> 01:18:04,920

did I do I'm like you stay up here you

2066

01:18:09,530 --> 01:18:07,620

just you stay by me you just you stay by

2067

01:18:11,810 --> 01:18:09,540

me until your father gets home

2068

01:18:15,110 --> 01:18:11,820

and it was it was just like panic I

2069

01:18:17,570 --> 01:18:15,120

started to panic and I don't know why

2070

01:18:19,250 --> 01:18:17,580

it was just so yeah you just went on a

2071

01:18:21,530 --> 01:18:19,260

negative encounter yeah I mean you're

2072

01:18:23,510 --> 01:18:21,540

describing bruises great fear and

2073

01:18:25,790 --> 01:18:23,520

remember once again it happens in real

2074

01:18:27,950 --> 01:18:25,800

quick if you have beings of this type

2075

01:18:30,110 --> 01:18:27,960

that you'd communicate or take you and

2076

01:18:31,970 --> 01:18:30,120

bring you back within a millisecond it's

2077

01:18:33,410 --> 01:18:31,980

not going to be I mean that's not that's

2078

01:18:35,870 --> 01:18:33,420

not joking either you know what I mean

2079

01:18:37,550 --> 01:18:35,880

that that happens a lot of people and so

2080

01:18:39,830 --> 01:18:37,560

that you know that but it's still worth

2081

01:18:40,790 --> 01:18:39,840

exploring yeah and I'll say this you

2082

01:18:43,490 --> 01:18:40,800

know a lot of times there are people's

2083

01:18:45,229 --> 01:18:43,500

oh whatever happens don't don't use

2084

01:18:47,750 --> 01:18:45,239

hypnosis don't do that because you don't

2085

01:18:49,970 --> 01:18:47,760

want any who are they to tell you not to

2086

01:18:51,470 --> 01:18:49,980

explore your own Consciousness your own

2087

01:18:53,930 --> 01:18:51,480

memories there's no they have no right

2088

01:18:55,850 --> 01:18:53,940

to tell you that no I wouldn't want to

2089

01:18:58,070 --> 01:18:55,860

know I certainly would want to know yeah

2090

01:18:59,570 --> 01:18:58,080

yeah I think do you remember the dreams

2091

01:19:00,950 --> 01:18:59,580

you had were they dreams about were they

2092

01:19:03,050 --> 01:19:00,960

like Monsters after you saw that they

2093

01:19:05,090 --> 01:19:03,060

were in monster dreams or were they what

2094

01:19:06,950 --> 01:19:05,100

what were the beings and the dreams do

2095

01:19:10,010 --> 01:19:06,960

you remember that

2096

01:19:13,010 --> 01:19:10,020

I don't fully remember I remember having

2097

01:19:15,229 --> 01:19:13,020

a dream about I think my my mother and

2098

01:19:17,570 --> 01:19:15,239

someone else and they just they weren't

2099

01:19:19,430 --> 01:19:17,580

acting right and I I started waking up

2100

01:19:21,290 --> 01:19:19,440

in the dream and I'm like this is not

2101

01:19:24,470 --> 01:19:21,300

right you're not them that you're not

2102

01:19:27,229 --> 01:19:24,480

acting right and I just I woke up I woke

2103

01:19:29,510 --> 01:19:27,239

straight up after that it was and I

2104

01:19:31,550 --> 01:19:29,520

didn't feel like I had slept I I was

2105

01:19:33,770 --> 01:19:31,560

sore and I didn't feel like I slept yeah

2106

01:19:35,870 --> 01:19:33,780

that's totally yeah that's total

2107

01:19:37,910 --> 01:19:35,880

contacty stuff so that that would be my

2108

01:19:39,229 --> 01:19:37,920

that would be my advice on that find a

2109

01:19:40,910 --> 01:19:39,239

hypnotist that you're comfortable with

2110

01:19:43,910 --> 01:19:40,920

you can get with me I'll do it for you

2111

01:19:45,770 --> 01:19:43,920

and um you know just uh explore that a

2112

01:19:47,450 --> 01:19:45,780

little bit and when people do that of

2113

01:19:49,250 --> 01:19:47,460

course you gotta Embrace ourselves

2114

01:19:51,229 --> 01:19:49,260

because sometimes it may not be all

2115

01:19:53,510 --> 01:19:51,239

positive stuff like I had you know what

2116

01:19:55,250 --> 01:19:53,520

I mean not and some of it was positive

2117

01:19:56,870 --> 01:19:55,260

but it's still it's like you're getting

2118

01:19:58,490 --> 01:19:56,880

sick on there or whatever the case might

2119

01:19:59,870 --> 01:19:58,500

be or just stuff that blows you away you

2120

01:20:01,550 --> 01:19:59,880

don't have a frame of reference for it

2121

01:20:04,130 --> 01:20:01,560

you know you know what I mean stuff like

2122

01:20:06,350 --> 01:20:04,140

that but but you know finding out is we

2123

01:20:08,209 --> 01:20:06,360

owe that to ourselves and I think that's

2124

01:20:11,090 --> 01:20:08,219

kind of what is happening in our society

2125

01:20:12,590 --> 01:20:11,100

right now that's gonna push us into what

2126
01:20:14,990 --> 01:20:12,600
they call quote unquote type one

2127
01:20:17,570 --> 01:20:15,000
civilization where we're using the Sun

2128
01:20:18,830 --> 01:20:17,580
as our primary power source but also

2129
01:20:20,990 --> 01:20:18,840
when we start becoming part of the

2130
01:20:22,970 --> 01:20:21,000
galactic Community which this planet has

2131
01:20:25,370 --> 01:20:22,980
been before look it's obvious it's on

2132
01:20:27,470 --> 01:20:25,380
it's on hieroglyphs it's on Cave walls

2133
01:20:29,630 --> 01:20:27,480
it's happened before and for us to think

2134
01:20:31,790 --> 01:20:29,640
that ancient man was quite as Primitives

2135
01:20:34,070 --> 01:20:31,800
as they're telling us now is I think not

2136
01:20:35,870 --> 01:20:34,080
accurate but that's another story uh

2137
01:20:38,270 --> 01:20:35,880
anyway the other thing that really

2138
01:20:41,330 --> 01:20:38,280

bothered like the the gut reaction that

2139

01:20:43,310 --> 01:20:41,340

I had like I I have never like there was

2140

01:20:45,050 --> 01:20:43,320

there was a possum wandering through the

2141

01:20:46,310 --> 01:20:45,060

yard at one point and I didn't even have

2142

01:20:48,530 --> 01:20:46,320

that reaction

2143

01:20:50,570 --> 01:20:48,540

you know like I wasn't that afraid of

2144

01:20:51,770 --> 01:20:50,580

like my kid getting bit by a possum I

2145

01:20:53,930 --> 01:20:51,780

didn't like scream at him to come up

2146

01:20:56,990 --> 01:20:53,940

like that but when I saw this craft I

2147

01:20:59,270 --> 01:20:57,000

just I had the worst like even thinking

2148

01:21:00,830 --> 01:20:59,280

about it my stomach starts to turn it's

2149

01:21:03,110 --> 01:21:00,840

um there was just something that right

2150

01:21:05,090 --> 01:21:03,120

do you have a reaction to any of the

2151

01:21:07,010 --> 01:21:05,100

alien images you see like those

2152

01:21:08,510 --> 01:21:07,020

reptilians those Grays do you have a bad

2153

01:21:10,910 --> 01:21:08,520

reaction to any of those

2154

01:21:13,070 --> 01:21:10,920

when you see those characters

2155

01:21:14,149 --> 01:21:13,080

when I see them I just have an uneasy

2156

01:21:16,010 --> 01:21:14,159

feeling

2157

01:21:18,709 --> 01:21:16,020

I mean I could take it or leave it

2158

01:21:20,630 --> 01:21:18,719

basically but just like I I don't if I

2159

01:21:23,090 --> 01:21:20,640

don't have to look at it I won't

2160

01:21:25,189 --> 01:21:23,100

I I think I think that's valid I think

2161

01:21:26,570 --> 01:21:25,199

that's valid that I think just I think

2162

01:21:28,510 --> 01:21:26,580

there's a connection there you know what

2163

01:21:31,430 --> 01:21:28,520

I mean it's it's interesting and and

2164

01:21:33,470 --> 01:21:31,440

what I found too is this and it's

2165

01:21:36,790 --> 01:21:33,480

disconcerting the amount of people that

2166

01:21:39,229 --> 01:21:36,800

are possibly contact these or

2167

01:21:41,750 --> 01:21:39,239

Clairvoyant mediums have this ability

2168

01:21:44,689 --> 01:21:41,760

they get inundated by not just the field

2169

01:21:48,729 --> 01:21:44,699

I mentioned but also so much

2170

01:21:51,649 --> 01:21:48,739

stuff that concerns negativity around uh

2171

01:21:53,689 --> 01:21:51,659

Grays reptilians negative abductions and

2172

01:21:55,430 --> 01:21:53,699

that's all we hear and then that starts

2173

01:21:57,709 --> 01:21:55,440

we start actually using that when we

2174

01:21:59,209 --> 01:21:57,719

start maybe getting the Divine field and

2175

01:22:01,250 --> 01:21:59,219

beings are trying to interact with us

2176
01:22:02,870 --> 01:22:01,260
from the higher Consciousness we're

2177
01:22:04,130 --> 01:22:02,880
turning it into this negative encounter

2178
01:22:06,229 --> 01:22:04,140
because that's what we've been saturated

2179
01:22:09,290 --> 01:22:06,239
with with our Consciousness and we are

2180
01:22:11,270 --> 01:22:09,300
that strong to mold the contact into

2181
01:22:12,770 --> 01:22:11,280
that and you maybe have beings like the

2182
01:22:14,810 --> 01:22:12,780
one I'm dealing with that are these

2183
01:22:16,430 --> 01:22:14,820
higher vibrational beings try to

2184
01:22:17,689 --> 01:22:16,440
interact with you and you're warping

2185
01:22:20,450 --> 01:22:17,699
into something different through pure

2186
01:22:21,649 --> 01:22:20,460
fear it's easy you know what I mean so I

2187
01:22:24,110 --> 01:22:21,659
think that's really something to be

2188
01:22:27,050 --> 01:22:24,120

aware of and how some of the contact

2189

01:22:29,870 --> 01:22:27,060

goes much different how much our brain

2190

01:22:33,490 --> 01:22:29,880

is involved in the contact experience

2191

01:22:37,130 --> 01:22:33,500

itself and how much space itself

2192

01:22:39,950 --> 01:22:37,140

especially black holes operate a lot

2193

01:22:41,990 --> 01:22:39,960

like brain waves that's what the new

2194

01:22:44,510 --> 01:22:42,000

research is showing with the new data is

2195

01:22:46,729 --> 01:22:44,520

showing you know um

2196

01:22:48,110 --> 01:22:46,739

talked about this a little there's the

2197

01:22:49,610 --> 01:22:48,120

black hole Theory but there's something

2198

01:22:51,169 --> 01:22:49,620

that like Rudy Shields and the other

2199

01:22:53,270 --> 01:22:51,179

astrophysicists are calling makos

2200

01:22:54,470 --> 01:22:53,280

magnetically eternally collapsing

2201

01:22:56,870 --> 01:22:54,480

objects

2202

01:22:59,270 --> 01:22:56,880

and what they all are actually

2203

01:23:00,470 --> 01:22:59,280

um as opposed to being the black hole I

2204

01:23:01,910 --> 01:23:00,480

learned as a kid everything sucks

2205

01:23:04,250 --> 01:23:01,920

everything in and crushes it or whatever

2206

01:23:07,370 --> 01:23:04,260

actually things that go into the black

2207

01:23:10,490 --> 01:23:07,380

hole create an exact copy on the surface

2208

01:23:13,070 --> 01:23:10,500

okay so if I throw this pin in there

2209

01:23:14,330 --> 01:23:13,080

it's going to be exact copy of it on the

2210

01:23:16,910 --> 01:23:14,340

on the surface

2211

01:23:17,930 --> 01:23:16,920

all right and that that that actually is

2212

01:23:20,209 --> 01:23:17,940

what they're calling the quantum

2213

01:23:22,669 --> 01:23:20,219

hologram and those Quantum hologram

2214

01:23:24,830 --> 01:23:22,679

wraps around that Mako that's inside of

2215

01:23:27,530 --> 01:23:24,840

the like the crescent discs of the black

2216

01:23:30,470 --> 01:23:27,540

hole you know and what that is is these

2217

01:23:32,570 --> 01:23:30,480

black holes these makos operate as the

2218

01:23:34,490 --> 01:23:32,580

hard drives of the universe

2219

01:23:36,649 --> 01:23:34,500

that's very important you know we hear

2220

01:23:38,870 --> 01:23:36,659

so much about all the akashic records

2221

01:23:40,850 --> 01:23:38,880

okay take your cases first time I heard

2222

01:23:42,169 --> 01:23:40,860

that but it said the records of space

2223

01:23:45,290 --> 01:23:42,179

and time but really what is that

2224

01:23:47,209 --> 01:23:45,300

scientifically well I just told you and

2225

01:23:49,669 --> 01:23:47,219

the thing about these brain these makos

2226

01:23:51,350 --> 01:23:49,679

how they operate they operate off

2227

01:23:53,149 --> 01:23:51,360

something that we call that they call

2228

01:23:59,270 --> 01:23:53,159

conscious waves

2229

01:24:02,149 --> 01:23:59,280

two ways helical and spherical

2230

01:24:05,390 --> 01:24:02,159

now when

2231

01:24:06,830 --> 01:24:05,400

taking this to our bodies all right our

2232

01:24:08,870 --> 01:24:06,840

bodies are filled with these things

2233

01:24:11,330 --> 01:24:08,880

called microtubules

2234

01:24:14,870 --> 01:24:11,340

and for this discussion I'll relegate it

2235

01:24:22,910 --> 01:24:14,880

to brain microtubules everyone can look

2236

01:24:26,689 --> 01:24:25,370

right on it also makes up something

2237

01:24:28,070 --> 01:24:26,699

called

2238

01:24:31,790 --> 01:24:28,080

what's that

2239

01:24:33,350 --> 01:24:31,800

no I said right go ahead okay it also

2240

01:24:36,169 --> 01:24:33,360

makes up something called the mirror

2241

01:24:38,570 --> 01:24:36,179

neuron Network these microtubules do all

2242

01:24:40,370 --> 01:24:38,580

right and um the mirror neuron network

2243

01:24:42,530 --> 01:24:40,380

is like right now when I tell you about

2244

01:24:45,110 --> 01:24:42,540

my experiences you're seeing that ship

2245

01:24:48,050 --> 01:24:45,120

morphing things because you're using

2246

01:24:50,149 --> 01:24:48,060

actually the mirror neuron Network it's

2247

01:24:52,250 --> 01:24:50,159

similar to the grab reflex thing that

2248

01:24:54,530 --> 01:24:52,260

monkeys do to like it's similar but

2249

01:24:56,870 --> 01:24:54,540

that's the mirror Network and that's the

2250

01:24:59,030 --> 01:24:56,880

same as the quantum hologram I just

2251
01:25:01,070 --> 01:24:59,040
mentioned to you and the aggression disc

2252
01:25:04,010 --> 01:25:01,080
and all that that crushing disc is

2253
01:25:06,050 --> 01:25:04,020
actually the the um akashic records

2254
01:25:09,890 --> 01:25:06,060
that's wrapped around that Mako inside

2255
01:25:12,050 --> 01:25:09,900
of it anyway anyway so point being if

2256
01:25:13,270 --> 01:25:12,060
we're going to access these makos it's

2257
01:25:15,410 --> 01:25:13,280
not going to be through the Enterprise

2258
01:25:17,330 --> 01:25:15,420
or through something like that a ship

2259
01:25:21,110 --> 01:25:17,340
like that it's going to be consciously

2260
01:25:24,350 --> 01:25:21,120
because these microtubules in our brains

2261
01:25:26,330 --> 01:25:24,360
Function One Way spherical so they can

2262
01:25:30,050 --> 01:25:26,340
use the spherical

2263
01:25:31,850 --> 01:25:30,060

uh conscious waves of the Mako you know

2264

01:25:33,410 --> 01:25:31,860

and so that means we access this through

2265

01:25:35,270 --> 01:25:33,420

the power of thought

2266

01:25:36,649 --> 01:25:35,280

and you know I'd ask people like Rudy

2267

01:25:39,890 --> 01:25:36,659

Shields will

2268

01:25:42,169 --> 01:25:39,900

how fast do you think the uh speed the

2269

01:25:44,149 --> 01:25:42,179

speed of thought is and he gave me some

2270

01:25:47,570 --> 01:25:44,159

experiment that's well weird about

2271

01:25:49,430 --> 01:25:47,580

something something but uh he said we

2272

01:25:52,070 --> 01:25:49,440

think it's about a hundred thousand

2273

01:25:54,110 --> 01:25:52,080

times the speed of light

2274

01:25:55,970 --> 01:25:54,120

think about it so that's you know that

2275

01:25:58,729 --> 01:25:55,980

that's a whole different thing so that's

2276

01:26:01,070 --> 01:25:58,739

how this works so space function much

2277

01:26:02,330 --> 01:26:01,080

more like that and when dealing with

2278

01:26:04,729 --> 01:26:02,340

some of these ships like the one I've

2279

01:26:08,330 --> 01:26:04,739

been on I said some someone put up their

2280

01:26:10,970 --> 01:26:08,340

living UFOs believe that every craft

2281

01:26:12,590 --> 01:26:10,980

I've been on board was alive and I can

2282

01:26:14,209 --> 01:26:12,600

tell especially on the inside they would

2283

01:26:16,010 --> 01:26:14,219

even they're giving me information how

2284

01:26:17,450 --> 01:26:16,020

these things are constructed you know

2285

01:26:19,850 --> 01:26:17,460

how they use um

2286

01:26:23,930 --> 01:26:19,860

a type of a fungus okay

2287

01:26:27,229 --> 01:26:23,940

and also a type of metals that is uh

2288

01:26:29,450 --> 01:26:27,239

lined on planets that are devoid uh both

2289

01:26:31,910 --> 01:26:29,460

sometimes atmospheres and Van Allen

2290

01:26:34,250 --> 01:26:31,920

belts and how they get hit by Cosmic

2291

01:26:37,490 --> 01:26:34,260

solar radiation like nothing we know

2292

01:26:39,890 --> 01:26:37,500

they use that and they also use like uh

2293

01:26:41,629 --> 01:26:39,900

part of the DNA from the crew

2294

01:26:43,910 --> 01:26:41,639

take this all and they start growing

2295

01:26:46,669 --> 01:26:43,920

this over one of these makos okay

2296

01:26:50,290 --> 01:26:46,679

anyways Paul bakos black holes that's

2297

01:26:52,669 --> 01:26:50,300

why the engine is temporally displaced

2298

01:26:54,410 --> 01:26:52,679

dimensionally see what I'm saying so

2299

01:26:57,169 --> 01:26:54,420

it's a hold of the thing going on but

2300

01:26:58,790 --> 01:26:57,179

that's living like space organisms and

2301

01:27:00,649 --> 01:26:58,800

you know when taking this a step forward

2302

01:27:02,390 --> 01:27:00,659

I'm talking about this a long time but

2303

01:27:04,189 --> 01:27:02,400

I've been always watching our science to

2304

01:27:06,290 --> 01:27:04,199

see when they're coming up with stuff

2305

01:27:08,570 --> 01:27:06,300

like this not just the discovering of

2306

01:27:10,129 --> 01:27:08,580

Quasi crystals which is another part of

2307

01:27:11,330 --> 01:27:10,139

this compound I just mentioned quasi

2308

01:27:14,390 --> 01:27:11,340

Crystal sorry I might mentioned that

2309

01:27:18,010 --> 01:27:14,400

quasi crystals uh fungal type of part

2310

01:27:20,390 --> 01:27:18,020

the minerals and then the from that uh

2311

01:27:26,110 --> 01:27:20,400

metamaterial metal minerals what those

2312

01:27:29,870 --> 01:27:26,120

would be meta Metals sorry those things

2313

01:27:33,110 --> 01:27:29,880

that compound has grown over this uh

2314

01:27:35,149 --> 01:27:33,120

Mako thing all right so that gives us a

2315

01:27:37,129 --> 01:27:35,159

point of like a space organism living

2316

01:27:38,930 --> 01:27:37,139

space organism but looking at our

2317

01:27:41,209 --> 01:27:38,940

science now we're starting to just

2318

01:27:44,209 --> 01:27:41,219

Broach that look at what they're calling

2319

01:27:49,430 --> 01:27:47,030

they're or they're organic unlike any of

2320

01:27:52,330 --> 01:27:49,440

these other AI we've seen yet they're

2321

01:27:54,770 --> 01:27:52,340

self-replicating they're self-repairing

2322

01:27:58,570 --> 01:27:54,780

just like the things we see in science

2323

01:28:01,729 --> 01:27:58,580

fiction in uh the movie

2324

01:28:03,649 --> 01:28:01,739

2001 the Space Odyssey the old one you

2325

01:28:05,810 --> 01:28:03,659

know that monolith to the Earth and they

2326

01:28:07,550 --> 01:28:05,820

sent one to the moon the monkeys were

2327

01:28:10,070 --> 01:28:07,560

jumping around it but what the monolith

2328

01:28:11,930 --> 01:28:10,080

was was called a bracewell probe which

2329

01:28:14,090 --> 01:28:11,940

is a type of a self-replicating probe

2330

01:28:16,070 --> 01:28:14,100

that comes and rates for assault

2331

01:28:18,649 --> 01:28:16,080

civilization that's coming to a type one

2332

01:28:20,149 --> 01:28:18,659

civilization that it makes contact and

2333

01:28:22,030 --> 01:28:20,159

makes them part of the galactic cold

2334

01:28:24,410 --> 01:28:22,040

deal that's what that movie was about

2335

01:28:26,209 --> 01:28:24,420

bracewell probes another one called a

2336

01:28:28,490 --> 01:28:26,219

Schumann probe these are science fiction

2337

01:28:31,250 --> 01:28:28,500

Concepts that are coming real that's a

2338

01:28:33,770 --> 01:28:31,260

type of a war machine more that's a

2339

01:28:35,390 --> 01:28:33,780

self-replicating probe as well so we're

2340

01:28:37,070 --> 01:28:35,400

seeing this and more than that these

2341

01:28:38,750 --> 01:28:37,080

space organisms I'm describing we're

2342

01:28:40,430 --> 01:28:38,760

seeing that in the xenobots it's just

2343

01:28:41,750 --> 01:28:40,440

the beginning but think about where

2344

01:28:43,189 --> 01:28:41,760

we'll be with that in several hundred

2345

01:28:44,510 --> 01:28:43,199

years

2346

01:28:46,669 --> 01:28:44,520

yeah

2347

01:28:47,930 --> 01:28:46,679

my goodness I have a question from

2348

01:28:50,330 --> 01:28:47,940

Vincent

2349

01:28:52,790 --> 01:28:50,340

so who are you talking to are you

2350

01:28:55,850 --> 01:28:52,800

talking yeah right are you talking to

2351

01:29:00,290 --> 01:28:59,209

what oh what that's kind of a fake

2352

01:29:03,229 --> 01:29:00,300

question I need a little bit more

2353

01:29:05,510 --> 01:29:03,239

specific who am I talking to do you mean

2354

01:29:07,550 --> 01:29:05,520

do you mean extraterrestrials do you

2355

01:29:08,810 --> 01:29:07,560

mean angelics do you mean like beings do

2356

01:29:10,310 --> 01:29:08,820

you mean Earth Spirits do you mean

2357

01:29:12,890 --> 01:29:10,320

nature Spirits you got to be more

2358

01:29:15,709 --> 01:29:12,900

specific do you mean Bigfoot Sasquatch

2359

01:29:18,410 --> 01:29:15,719

communicated with about a lot of what do

2360

01:29:19,790 --> 01:29:18,420

you mean yeah it depends on this I guess

2361

01:29:22,010 --> 01:29:19,800

okay I guess

2362

01:29:24,229 --> 01:29:22,020

the I guess it depends on the experience

2363

01:29:26,510 --> 01:29:24,239

you know like when I went to that I

2364

01:29:28,310 --> 01:29:26,520

think it's in Washington

2365

01:29:30,770 --> 01:29:28,320

go ahead I'm sorry

2366

01:29:33,229 --> 01:29:30,780

I can't see I think he's uh I think yeah

2367

01:29:35,270 --> 01:29:33,239

it's okay I think he's asking

2368

01:29:38,930 --> 01:29:35,280

asking Spirit guides

2369

01:29:43,010 --> 01:29:40,790

right now

2370

01:29:44,570 --> 01:29:43,020

actually actually Spirit the spirit I

2371

01:29:47,209 --> 01:29:44,580

thought I taught for Spirit I'll call

2372

01:29:48,950 --> 01:29:47,219

that Spirit not guide Spirit direct yeah

2373

01:29:50,990 --> 01:29:48,960

that that's that's more specific thank

2374

01:29:52,910 --> 01:29:51,000

you uh yesterday yeah I don't I don't

2375

01:29:55,010 --> 01:29:52,920

always go so much heads down and break

2376

01:29:56,629 --> 01:29:55,020

it down to guides and stuff like that as

2377

01:29:58,189 --> 01:29:56,639

I do when you see me doing that it's

2378

01:30:00,110 --> 01:29:58,199

information coming directly from the

2379

01:30:01,550 --> 01:30:00,120

spirit which could be a whole host of

2380

01:30:09,010 --> 01:30:01,560

things that are with the Christ crutches

2381

01:30:15,189 --> 01:30:12,050

what I'm

2382

01:30:19,970 --> 01:30:15,199

right no I understand that trust me

2383

01:30:22,490 --> 01:30:19,980

ajk said uh AI or and AI is weird

2384

01:30:24,229 --> 01:30:22,500

basically so I want to talk about that

2385

01:30:25,970 --> 01:30:24,239

what do you think about AI do you think

2386

01:30:28,010 --> 01:30:25,980

it's it's going to become something

2387

01:30:29,270 --> 01:30:28,020

living because that's another topic that

2388

01:30:32,149 --> 01:30:29,280

I'm interested in

2389

01:30:35,930 --> 01:30:32,159

what are your thoughts on that you know

2390

01:30:37,129 --> 01:30:35,940

um I think the AI I just spoke of is

2391

01:30:39,169 --> 01:30:37,139

kind of maybe

2392

01:30:40,250 --> 01:30:39,179

a little more where things are going and

2393

01:30:41,810 --> 01:30:40,260

when looking I can't remember what they

2394

01:30:42,890 --> 01:30:41,820

call it the Brownian principle or

2395

01:30:46,610 --> 01:30:42,900

something that

2396

01:30:48,410 --> 01:30:46,620

every board transitions more

2397

01:30:50,510 --> 01:30:48,420

um information can get put on a

2398

01:30:52,310 --> 01:30:50,520

transistor on a microchip they keep

2399

01:30:53,930 --> 01:30:52,320

being smaller each year that's called

2400

01:30:55,790 --> 01:30:53,940

something of Browning or something like

2401
01:30:58,610 --> 01:30:55,800
that but anyway when dealing with that

2402
01:30:59,990 --> 01:30:58,620
and advanced civilizations you know that

2403
01:31:02,629 --> 01:31:00,000
are actually going to go that make them

2404
01:31:06,229 --> 01:31:02,639
so small and become almost not just a

2405
01:31:08,270 --> 01:31:06,239
micro and the Nano but the Pico Pico is

2406
01:31:09,770 --> 01:31:08,280
even smaller than the Nano and we start

2407
01:31:11,390 --> 01:31:09,780
we don't think about Advanced

2408
01:31:13,850 --> 01:31:11,400
civilizations

2409
01:31:16,430 --> 01:31:13,860
advancing in that way but when you start

2410
01:31:18,709 --> 01:31:16,440
dealing with that and the concept of

2411
01:31:21,709 --> 01:31:18,719
something they call a Dyson Sphere which

2412
01:31:25,129 --> 01:31:21,719
is um a basically like a death star type

2413
01:31:27,770 --> 01:31:25,139

of structure over a solar system over us

2414

01:31:30,350 --> 01:31:27,780

the sun over Pluto that would be a Dyson

2415

01:31:32,510 --> 01:31:30,360

Sphere now if you've got a civilization

2416

01:31:34,910 --> 01:31:32,520

that's gone to the Pico and they're like

2417

01:31:36,950 --> 01:31:34,920

a Type 4 or type five they're gonna

2418

01:31:38,810 --> 01:31:36,960

explore space through the Inner Space

2419

01:31:40,610 --> 01:31:38,820

really

2420

01:31:42,050 --> 01:31:40,620

in that way it's not it's gonna be a

2421

01:31:44,830 --> 01:31:42,060

whole nother thing if you think about

2422

01:31:47,270 --> 01:31:44,840

what Dr Lear was pulling out of certain

2423

01:31:50,810 --> 01:31:47,280

contactees or those there's implants

2424

01:31:52,129 --> 01:31:50,820

very little microscopic almost but they

2425

01:31:54,410 --> 01:31:52,139

were saying there were enough carbon

2426

01:31:57,050 --> 01:31:54,420

nanotubes in some of those to stretch

2427

01:31:59,510 --> 01:31:57,060

five miles

2428

01:32:01,250 --> 01:31:59,520

yeah yeah yeah that's incredible and

2429

01:32:04,250 --> 01:32:01,260

that's probably just a nano civilization

2430

01:32:06,649 --> 01:32:04,260

think about the Pico whole other thing

2431

01:32:08,330 --> 01:32:06,659

going on you know and when I

2432

01:32:11,290 --> 01:32:08,340

talk about things you know I bring up a

2433

01:32:13,910 --> 01:32:11,300

lot about melanin not just in

2434

01:32:16,209 --> 01:32:13,920

extraterrestrials and contactees but in

2435

01:32:18,770 --> 01:32:16,219

science as well you know we've got the

2436

01:32:20,930 --> 01:32:18,780

radiotropic fungus that was found on

2437

01:32:24,169 --> 01:32:20,940

Chernobyl and the walls of Fukushima

2438

01:32:26,030 --> 01:32:24,179

that uses gamma radiation and converts

2439

01:32:27,590 --> 01:32:26,040

it to the growth cycle

2440

01:32:29,090 --> 01:32:27,600

you know I had scientists telling me

2441

01:32:31,490 --> 01:32:29,100

secretly that they thought that maybe

2442

01:32:33,530 --> 01:32:31,500

that was sent from a type four or five

2443

01:32:36,470 --> 01:32:33,540

civilization on the Pico type of level

2444

01:32:39,110 --> 01:32:36,480

to help us combat radiation poisoning

2445

01:32:40,910 --> 01:32:39,120

That's fascinating we don't think about

2446

01:32:43,189 --> 01:32:40,920

that when I say that what that Trump

2447

01:32:45,110 --> 01:32:43,199

does it actually uses its melanin which

2448

01:32:47,810 --> 01:32:45,120

is pure black melon and you melanin in

2449

01:32:50,510 --> 01:32:47,820

this to convert it to the life cycle a

2450

01:32:52,189 --> 01:32:50,520

growth cycle gamma radiation heck man

2451

01:32:55,250 --> 01:32:52,199

that's what Lou Ferrigno did off Bill

2452

01:32:57,169 --> 01:32:55,260

Bixby that's the Hulk stuff right it is

2453

01:32:59,890 --> 01:32:57,179

that's that smoke stuff the Hulk was a

2454

01:33:03,189 --> 01:32:59,900

gamma ray needle

2455

01:33:08,330 --> 01:33:05,450

that's very interesting

2456

01:33:11,090 --> 01:33:08,340

what are the implants like what what are

2457

01:33:13,669 --> 01:33:11,100

they supposed to accomplish

2458

01:33:15,770 --> 01:33:13,679

because I I don't know very much about

2459

01:33:18,530 --> 01:33:15,780

like extra to be honest I do not know

2460

01:33:21,290 --> 01:33:18,540

much about extraterrestrials like aside

2461

01:33:23,229 --> 01:33:21,300

from what I've seen that and yeah so I'm

2462

01:33:26,390 --> 01:33:23,239

not sure what implants are supposed to

2463

01:33:28,129 --> 01:33:26,400

accomplish or you know you know there's

2464

01:33:30,110 --> 01:33:28,139

been a lot of talk that they might do

2465

01:33:33,229 --> 01:33:30,120

but they appear to be some type of a

2466

01:33:35,990 --> 01:33:33,239

tracking system I think you know uh for

2467

01:33:38,149 --> 01:33:36,000

the most part but uh that's what Lyrid

2468

01:33:39,770 --> 01:33:38,159

said mostly but you know I I don't know

2469

01:33:41,810 --> 01:33:39,780

I can say that I'll sweat all my

2470

01:33:44,629 --> 01:33:41,820

encounters I'm unaware of ever having an

2471

01:33:45,890 --> 01:33:44,639

implant or anything like that so but uh

2472

01:33:48,050 --> 01:33:45,900

yes I understand I think that they're

2473

01:33:51,229 --> 01:33:48,060

performing and who knows they could also

2474

01:33:53,209 --> 01:33:51,239

be doing subtle biological changes on

2475

01:33:55,490 --> 01:33:53,219

people too

2476

01:33:56,629 --> 01:33:55,500

you know when we start looking so look

2477

01:33:59,090 --> 01:33:56,639

at some of the stuff we're doing now

2478

01:34:01,550 --> 01:33:59,100

what they could be releasing and some of

2479

01:34:03,770 --> 01:34:01,560

the things that are more

2480

01:34:05,090 --> 01:34:03,780

yeah no that that makes sense I've

2481

01:34:06,530 --> 01:34:05,100

always wondered because I've heard the

2482

01:34:08,390 --> 01:34:06,540

little bits and pieces and I'm just like

2483

01:34:10,310 --> 01:34:08,400

I wonder what they do like what what

2484

01:34:13,010 --> 01:34:10,320

they're supposed to accomplish

2485

01:34:16,189 --> 01:34:13,020

oh you know in fact the AI thing real

2486

01:34:18,169 --> 01:34:16,199

quick um you know people laugh so much

2487

01:34:20,629 --> 01:34:18,179

now when people use the Terminator

2488

01:34:23,629 --> 01:34:20,639

reference but look at what's going on

2489

01:34:25,370 --> 01:34:23,639

here with the AI it's it seems to be a

2490

01:34:27,169 --> 01:34:25,380

lot like that when you look at the

2491

01:34:28,610 --> 01:34:27,179

internet I look at some of the things

2492

01:34:31,129 --> 01:34:28,620

that happen though people talk a lot

2493

01:34:34,790 --> 01:34:31,139

about the the black goo that's real

2494

01:34:38,270 --> 01:34:34,800

popular you know but in reality is the

2495

01:34:41,810 --> 01:34:38,280

black goo unrefined oil

2496

01:34:43,250 --> 01:34:41,820

is unrefined oil sentient to a degree

2497

01:34:44,870 --> 01:34:43,260

we're not aware of

2498

01:34:46,610 --> 01:34:44,880

food for thought it's actually a good

2499

01:34:47,810 --> 01:34:46,620

question yeah there's a whole lot of

2500

01:34:50,450 --> 01:34:47,820

things you know and when you look at

2501
01:34:52,930 --> 01:34:50,460
that was that oil spill and uh camera

2502
01:34:55,189 --> 01:34:52,940
which one it was but

2503
01:34:56,450 --> 01:34:55,199
where it looks like but they tried to

2504
01:34:59,330 --> 01:34:56,460
you know it looked like

2505
01:35:02,629 --> 01:34:59,340
the the oil and the water

2506
01:35:06,050 --> 01:35:02,639
oil coming from the earth as they say it

2507
01:35:08,750 --> 01:35:06,060
is created but yet what it has the worst

2508
01:35:10,729 --> 01:35:08,760
effect with water it completely destroys

2509
01:35:13,010 --> 01:35:10,739
water which is mostly what the Earth is

2510
01:35:15,649 --> 01:35:13,020
about something's wrong there why is it

2511
01:35:18,350 --> 01:35:15,659
underneath the platonic plates like that

2512
01:35:19,610 --> 01:35:18,360
really yeah is it trapped just saying

2513
01:35:21,470 --> 01:35:19,620

man things like that when people talk

2514

01:35:25,270 --> 01:35:21,480

about the black goo I I think maybe look

2515

01:35:27,830 --> 01:35:25,280

at what's really under our nose first is

2516

01:35:30,350 --> 01:35:27,840

what is it

2517

01:35:32,229 --> 01:35:30,360

no I agree I could be wrong but it's

2518

01:35:36,470 --> 01:35:32,239

food for thought you know

2519

01:35:39,830 --> 01:35:36,480

no oh ajk says mushrooms can clean up

2520

01:35:41,270 --> 01:35:39,840

oil I never knew that you know when I

2521

01:35:42,709 --> 01:35:41,280

you know people laughed at me when I

2522

01:35:44,209 --> 01:35:42,719

first started talking about mushrooms

2523

01:35:46,490 --> 01:35:44,219

and my celium being a part of these

2524

01:35:48,470 --> 01:35:46,500

crafts I've been on but since then you

2525

01:35:50,270 --> 01:35:48,480

know just a few years ago

2526

01:35:52,610 --> 01:35:50,280

um NASA announced that they're going to

2527

01:35:54,229 --> 01:35:52,620

be trying to make mycelium houses on

2528

01:35:56,270 --> 01:35:54,239

Mars and on the moon

2529

01:35:58,970 --> 01:35:56,280

and also for years now they've been

2530

01:36:01,370 --> 01:35:58,980

using mushrooms and mycelium to fix

2531

01:36:03,890 --> 01:36:01,380

infrastructures on Bridges and buildings

2532

01:36:05,750 --> 01:36:03,900

in cities that can be looked up you know

2533

01:36:07,729 --> 01:36:05,760

I mean so these things and I always look

2534

01:36:09,470 --> 01:36:07,739

for our science to start breaching this

2535

01:36:11,689 --> 01:36:09,480

and I've been talking about that since I

2536

01:36:13,250 --> 01:36:11,699

came forward in 2014. so it's not just

2537

01:36:15,229 --> 01:36:13,260

me being weird as things that are

2538

01:36:17,629 --> 01:36:15,239

scientifically provable that we start

2539

01:36:20,510 --> 01:36:17,639

going towards which is very interesting

2540

01:36:21,770 --> 01:36:20,520

you know no it is it really is I think

2541

01:36:24,110 --> 01:36:21,780

that's part that's part of one of the

2542

01:36:25,129 --> 01:36:24,120

things the extraterrestrials are wanting

2543

01:36:26,510 --> 01:36:25,139

at least the ones I've dealt with

2544

01:36:28,010 --> 01:36:26,520

because I've asked questions you don't

2545

01:36:29,149 --> 01:36:28,020

ask questions like one like what's gonna

2546

01:36:31,189 --> 01:36:29,159

happen in the future

2547

01:36:32,870 --> 01:36:31,199

and you know I'm not one of those school

2548

01:36:34,729 --> 01:36:32,880

contactees to get that information don't

2549

01:36:36,050 --> 01:36:34,739

ever tell they never told me nothing but

2550

01:36:39,350 --> 01:36:36,060

they've said this and gave me a vision

2551
01:36:41,149 --> 01:36:39,360
said uh this will never happen again and

2552
01:36:43,189 --> 01:36:41,159
they're showing me the past and the

2553
01:36:45,229 --> 01:36:43,199
Earth looking like what I see an orbit

2554
01:36:47,629 --> 01:36:45,239
looking a weird orbit looking kind of

2555
01:36:48,830 --> 01:36:47,639
like an ash or something some burned up

2556
01:36:50,689 --> 01:36:48,840
little

2557
01:36:53,149 --> 01:36:50,699
Chestnut or something

2558
01:36:57,830 --> 01:36:53,159
I said that won't happen again so how

2559
01:37:01,310 --> 01:36:59,810
Cycles have been through here how many

2560
01:37:03,110 --> 01:37:01,320
times has it been destroyed worse than

2561
01:37:04,370 --> 01:37:03,120
we are aware of you know use their own

2562
01:37:07,570 --> 01:37:04,380
food for thought things because I you

2563
01:37:09,950 --> 01:37:07,580

know I I'd even wondered like

2564

01:37:11,750 --> 01:37:09,960

why some of these beings will step

2565

01:37:13,669 --> 01:37:11,760

forward at certain ages for me then they

2566

01:37:14,930 --> 01:37:13,679

step back and others come forward you

2567

01:37:17,030 --> 01:37:14,940

know I mean why

2568

01:37:18,590 --> 01:37:17,040

and like one that interacts with me and

2569

01:37:20,030 --> 01:37:18,600

being that very few of them give me

2570

01:37:23,090 --> 01:37:20,040

names this one that had a name is called

2571

01:37:26,090 --> 01:37:23,100

Mata and it was m-a-n-a and it's being

2572

01:37:27,950 --> 01:37:26,100

tall say feet tall but it had a

2573

01:37:30,229 --> 01:37:27,960

brain look at the brain on the outside

2574

01:37:32,629 --> 01:37:30,239

but it's like kind of hard looking but

2575

01:37:34,490 --> 01:37:32,639

like this brain on the outside black

2576

01:37:37,430 --> 01:37:34,500

eyes and when I showed that illustration

2577

01:37:39,709 --> 01:37:37,440

I probably got more responses on that

2578

01:37:41,629 --> 01:37:39,719

illustration and the being that I have

2579

01:37:44,270 --> 01:37:41,639

that has your name actually with one

2580

01:37:46,550 --> 01:37:44,280

letter difference I got so many you know

2581

01:37:48,110 --> 01:37:46,560

people saying that they either had an

2582

01:37:49,669 --> 01:37:48,120

affinity with that being or something

2583

01:37:51,350 --> 01:37:49,679

about it you know what I mean but I

2584

01:37:54,050 --> 01:37:51,360

started wondering well I haven't seen no

2585

01:37:56,750 --> 01:37:54,060

Mana again and why was this being not

2586

01:38:00,470 --> 01:37:56,760

just dealing with me but what was its

2587

01:38:03,290 --> 01:38:00,480

deal with it Earth with the Earth Matrix

2588

01:38:05,810 --> 01:38:03,300

yeah and you know and I I wake up one

2589

01:38:08,330 --> 01:38:05,820

morning you know going for my walk by 4

2590

01:38:09,890 --> 01:38:08,340

am I survived for a catastrophic

2591

01:38:11,950 --> 01:38:09,900

traumatic brain injuries walk every

2592

01:38:14,149 --> 01:38:11,960

morning

2593

01:38:16,189 --> 01:38:14,159

I'm doing that you know if I wake up

2594

01:38:18,770 --> 01:38:16,199

there's information coming in about the

2595

01:38:21,410 --> 01:38:18,780

bleaching of the coral and you know when

2596

01:38:23,629 --> 01:38:21,420

looking at mana's head

2597

01:38:26,750 --> 01:38:23,639

on Earth the thing that looks the most

2598

01:38:28,910 --> 01:38:26,760

like it is brain coral

2599

01:38:31,189 --> 01:38:28,920

okay it looks like

2600

01:38:32,450 --> 01:38:31,199

and I was unaware even though I went to

2601
01:38:34,250 --> 01:38:32,460
Australia didn't know a whole lot about

2602
01:38:35,689 --> 01:38:34,260
the bleaching in the coral reef well I

2603
01:38:37,910 --> 01:38:35,699
started looking into this

2604
01:38:39,110 --> 01:38:37,920
and you know that that I started finding

2605
01:38:42,229 --> 01:38:39,120
out about something they're calling

2606
01:38:44,990 --> 01:38:42,239
super Coral to combat the bleach it's

2607
01:38:47,330 --> 01:38:45,000
resistant to the bleaching effect so the

2608
01:38:49,910 --> 01:38:47,340
engineering so that left me thinking

2609
01:38:51,530 --> 01:38:49,920
about the Samana being and the species

2610
01:38:54,830 --> 01:38:51,540
I've seen other ones that were smaller

2611
01:38:57,890 --> 01:38:54,840
this is obviously a species is this a

2612
01:38:59,390 --> 01:38:57,900
type of Earth Coral that became sentient

2613
01:39:02,990 --> 01:38:59,400

in the past

2614

01:39:05,750 --> 01:39:03,000

and went galactic or is this a type of

2615

01:39:08,030 --> 01:39:05,760

Earth Coral in our future this super

2616

01:39:10,850 --> 01:39:08,040

Coral that becomes sentient and goes

2617

01:39:13,070 --> 01:39:10,860

Galactic who knows but some reason or

2618

01:39:15,169 --> 01:39:13,080

another that being is here and connected

2619

01:39:17,149 --> 01:39:15,179

to the bleaching of the coral that the

2620

01:39:18,350 --> 01:39:17,159

coral reef gets bleached out we're in

2621

01:39:20,570 --> 01:39:18,360

bad trouble

2622

01:39:22,250 --> 01:39:20,580

no I

2623

01:39:24,350 --> 01:39:22,260

it makes me wonder because how you said

2624

01:39:26,510 --> 01:39:24,360

the bangs showed you the past Earth

2625

01:39:29,270 --> 01:39:26,520

house you know charred and everything it

2626

01:39:31,010 --> 01:39:29,280

was and then you say like the the dead

2627

01:39:34,310 --> 01:39:31,020

outnumbered the living

2628

01:39:36,830 --> 01:39:34,320

so you have to wonder you know is maybe

2629

01:39:39,830 --> 01:39:36,840

the past the reincarnations of the Earth

2630

01:39:41,990 --> 01:39:39,840

are they still here is that is that also

2631

01:39:44,390 --> 01:39:42,000

like you know what we're seeing as well

2632

01:39:46,610 --> 01:39:44,400

you know not just Grandma Grandpa and

2633

01:39:49,430 --> 01:39:46,620

Mom and Dad but you know

2634

01:39:50,870 --> 01:39:49,440

the way before the way the Earth used to

2635

01:39:52,070 --> 01:39:50,880

be you know those people who were here

2636

01:39:54,350 --> 01:39:52,080

before us

2637

01:39:55,910 --> 01:39:54,360

you know I wonder oh yeah yeah I

2638

01:39:58,370 --> 01:39:55,920

wondered about that too quite a bit you

2639

01:40:00,290 --> 01:39:58,380

know and uh Preston didn't really like

2640

01:40:02,330 --> 01:40:00,300

that guy's work okay he had wrote a book

2641

01:40:04,070 --> 01:40:02,340

in the early 90s called UFO healings

2642

01:40:05,629 --> 01:40:04,080

that changed my life I couldn't find

2643

01:40:07,550 --> 01:40:05,639

anybody talking about the type of stuff

2644

01:40:09,050 --> 01:40:07,560

I'd been through he's the only one so

2645

01:40:10,010 --> 01:40:09,060

he's done a ton of books though since

2646

01:40:12,530 --> 01:40:10,020

then

2647

01:40:15,590 --> 01:40:12,540

um but he did a deal over UFOs and

2648

01:40:17,870 --> 01:40:15,600

cemeteries and how often UFOs are seen

2649

01:40:20,149 --> 01:40:17,880

over both cemeteries and schools but

2650

01:40:22,010 --> 01:40:20,159

cemeteries was this one and you know it

2651
01:40:23,930 --> 01:40:22,020
makes you wonder really when dealing

2652
01:40:26,149 --> 01:40:23,940
with that concept one is when they're

2653
01:40:28,010 --> 01:40:26,159
shining these lights down on graves one

2654
01:40:32,149 --> 01:40:28,020
are they practicing some type of

2655
01:40:35,090 --> 01:40:32,159
necrophilia and resurrecting

2656
01:40:36,830 --> 01:40:35,100
cellular material for clone bodies for

2657
01:40:38,930 --> 01:40:36,840
these beings that are thought forms that

2658
01:40:40,129 --> 01:40:38,940
can't walk around down here with us is

2659
01:40:42,229 --> 01:40:40,139
that one thing they're doing I think

2660
01:40:44,330 --> 01:40:42,239
that's one thing and the other thing is

2661
01:40:46,790 --> 01:40:44,340
are some of these higher beings trying

2662
01:40:48,950 --> 01:40:46,800
to activate the Earthbound Spirit to

2663
01:40:50,629 --> 01:40:48,960

remember its Soul life memories one

2664

01:40:53,390 --> 01:40:50,639

that's being one of them

2665

01:40:55,310 --> 01:40:53,400

you know I mean a previous contract is

2666

01:40:56,990 --> 01:40:55,320

it both things going on what what are

2667

01:40:58,970 --> 01:40:57,000

they doing you know it's fruit for

2668

01:41:01,129 --> 01:40:58,980

thought I don't have the answers but I

2669

01:41:03,530 --> 01:41:01,139

think those are two things that are a

2670

01:41:04,850 --> 01:41:03,540

part of the equation definitely those

2671

01:41:07,310 --> 01:41:04,860

those are actually good thoughts

2672

01:41:08,689 --> 01:41:07,320

something to honestly think about I mean

2673

01:41:11,030 --> 01:41:08,699

that's yeah

2674

01:41:13,189 --> 01:41:11,040

and just you saying that it does make

2675

01:41:15,350 --> 01:41:13,199

you wonder it makes you wonder how many

2676

01:41:17,450 --> 01:41:15,360

you know how many people are here

2677

01:41:19,850 --> 01:41:17,460

because they were forced to be here by

2678

01:41:21,649 --> 01:41:19,860

you know whether it be extraterrestrials

2679

01:41:23,990 --> 01:41:21,659

or whether we've kept them here

2680

01:41:25,550 --> 01:41:24,000

ourselves and things like that yeah and

2681

01:41:28,189 --> 01:41:25,560

you know and so much like around here

2682

01:41:30,229 --> 01:41:28,199

where I live there's so much there's so

2683

01:41:31,310 --> 01:41:30,239

much Native American Bloodshed it comes

2684

01:41:33,050 --> 01:41:31,320

out of the land

2685

01:41:34,970 --> 01:41:33,060

you know what I mean so you have like a

2686

01:41:37,430 --> 01:41:34,980

lot that have trapped just by land they

2687

01:41:39,229 --> 01:41:37,440

may be doing that too it's it's hard to

2688

01:41:40,910 --> 01:41:39,239

tell but you know it's really really

2689

01:41:43,970 --> 01:41:40,920

interesting when looking at it in

2690

01:41:47,510 --> 01:41:43,980

retrospect yeah I I live in an old coal

2691

01:41:50,270 --> 01:41:47,520

mining town and I I can I wonder if the

2692

01:41:52,010 --> 01:41:50,280

land hasn't trapped a lot of people that

2693

01:41:54,050 --> 01:41:52,020

have been here I mean no no let me ask

2694

01:41:55,430 --> 01:41:54,060

the question you have Sasquatch activity

2695

01:41:58,430 --> 01:41:55,440

in your area

2696

01:41:59,930 --> 01:41:58,440

and not that I've seen I'm not sure if

2697

01:42:01,970 --> 01:41:59,940

it's on top of the mountain I've heard

2698

01:42:04,430 --> 01:42:01,980

rumors there is but I've never seen

2699

01:42:05,870 --> 01:42:04,440

anything so and and we're like this

2700

01:42:07,310 --> 01:42:05,880

small town here I haven't seen anything

2701
01:42:08,750 --> 01:42:07,320
but I wonder

2702
01:42:10,490 --> 01:42:08,760
you know I've heard a lot about

2703
01:42:13,070 --> 01:42:10,500
Sasquatch

2704
01:42:17,209 --> 01:42:13,080
being found around old mine calls coal

2705
01:42:19,189 --> 01:42:17,219
mines both inside and out around

2706
01:42:21,890 --> 01:42:19,199
even all the way down to like some of

2707
01:42:23,709 --> 01:42:21,900
the rumors of Solomon's Island they say

2708
01:42:25,970 --> 01:42:23,719
that there are Sasquatch they're golden

2709
01:42:27,590 --> 01:42:25,980
riches some different type of Sasquatch

2710
01:42:29,750 --> 01:42:27,600
but anyway I've heard a lot about them

2711
01:42:31,850 --> 01:42:29,760
being around mines though as I said in

2712
01:42:34,310 --> 01:42:31,860
mining areas especially abandoned ones

2713
01:42:36,290 --> 01:42:34,320

that's interesting yeah I I haven't seen

2714

01:42:38,629 --> 01:42:36,300

any so I'm not sure I mean I've heard

2715

01:42:41,750 --> 01:42:38,639

rumors but you know it's it's a very

2716

01:42:44,149 --> 01:42:41,760

small town but like here I mean it's

2717

01:42:46,189 --> 01:42:44,159

it's so many it's generational people

2718

01:42:49,729 --> 01:42:46,199

and so many

2719

01:42:51,350 --> 01:42:49,739

you know it's just like people who've

2720

01:42:54,590 --> 01:42:51,360

lived here have worked in this coal mine

2721

01:42:56,030 --> 01:42:54,600

and things like that it's very odd so it

2722

01:42:57,109 --> 01:42:56,040

just you have to wonder if the land

2723

01:43:00,470 --> 01:42:57,119

isn't

2724

01:43:03,590 --> 01:43:00,480

you know Loretta Lynn from here Loretta

2725

01:43:05,090 --> 01:43:03,600

Lynn from Yuri no no no she's not no

2726

01:43:10,370 --> 01:43:05,100

we're not that lucky

2727

01:43:13,910 --> 01:43:11,930

whatever he said or somebody said they

2728

01:43:15,410 --> 01:43:13,920

like Preston didn't me too he's super

2729

01:43:17,209 --> 01:43:15,420

cool he's interact with me a few times

2730

01:43:20,629 --> 01:43:17,219

but I will tell you this

2731

01:43:23,689 --> 01:43:20,639

his sister-in-law kasara Christine

2732

01:43:26,270 --> 01:43:23,699

Dennen has done like man 35 sketches for

2733

01:43:28,070 --> 01:43:26,280

me all my sketches have been done by her

2734

01:43:30,229 --> 01:43:28,080

she's super cool when I read that book

2735

01:43:31,910 --> 01:43:30,239

UFO healings I always said oh I'm gonna

2736

01:43:33,890 --> 01:43:31,920

write a book one day and when I do I

2737

01:43:35,149 --> 01:43:33,900

want her to do my my sketches you know

2738

01:43:36,890 --> 01:43:35,159

what I mean but yeah so she's done it

2739

01:43:39,169 --> 01:43:36,900

but so anything on my YouTube channel

2740

01:43:41,270 --> 01:43:39,179

Barry Littleton any of the in my

2741

01:43:42,470 --> 01:43:41,280

personal I've been Shadow band so if you

2742

01:43:44,510 --> 01:43:42,480

go to my playlist

2743

01:43:46,370 --> 01:43:44,520

um look into my personal encounters any

2744

01:43:48,530 --> 01:43:46,380

of the pictures I show illustrations

2745

01:43:51,709 --> 01:43:48,540

were done by her she was super patient

2746

01:43:53,390 --> 01:43:51,719

with me super patient yeah I I had a

2747

01:43:54,970 --> 01:43:53,400

chance to meet press didn't when I was

2748

01:43:57,950 --> 01:43:54,980

sitting in with law and strickler he

2749

01:44:00,350 --> 01:43:57,960

Preston's very nice yes yes that's cool

2750

01:44:02,770 --> 01:44:00,360

that's cool yeah he's very nice so I've

2751

01:44:05,510 --> 01:44:02,780

never met him

2752

01:44:07,370 --> 01:44:05,520

very nice she would like him is there

2753

01:44:09,229 --> 01:44:07,380

anything else that you want to tell our

2754

01:44:11,030 --> 01:44:09,239

audience about you or your experiences

2755

01:44:12,410 --> 01:44:11,040

before we go oh

2756

01:44:13,609 --> 01:44:12,420

um no not really you know I think that

2757

01:44:15,109 --> 01:44:13,619

what I'm feeling for your audience is

2758

01:44:16,370 --> 01:44:15,119

really about them you know I mean I

2759

01:44:18,169 --> 01:44:16,380

think you've got a lot of people there

2760

01:44:20,270 --> 01:44:18,179

that are having experiences probably

2761

01:44:22,970 --> 01:44:20,280

more than mine you know I mean I wish I

2762

01:44:25,910 --> 01:44:22,980

could tell you oh I'm special I'm Barry

2763

01:44:28,490 --> 01:44:25,920

Littleton I'm a contractee hello come on

2764

01:44:30,709 --> 01:44:28,500

I I've always had the idea that about

2765

01:44:33,290 --> 01:44:30,719

between 70 and 80 percent of our

2766

01:44:35,629 --> 01:44:33,300

population our contactees subliminally

2767

01:44:37,609 --> 01:44:35,639

like you are kind of and unaware of it

2768

01:44:39,649 --> 01:44:37,619

and since I've come forward I've had the

2769

01:44:43,010 --> 01:44:39,659

blessing on this platform to talk with

2770

01:44:44,810 --> 01:44:43,020

hundreds of contactees now and what I

2771

01:44:46,729 --> 01:44:44,820

can see I think that's definitely true

2772

01:44:49,250 --> 01:44:46,739

the amount of our population that has

2773

01:44:50,990 --> 01:44:49,260

had some type of contact as unaware of

2774

01:44:53,209 --> 01:44:51,000

it because it occurred on the super

2775

01:44:55,490 --> 01:44:53,219

conscious subconscious level the dream

2776

01:44:56,930 --> 01:44:55,500

levels you know what I mean that's the

2777

01:44:58,609 --> 01:44:56,940

so that's I think you've got a lot of

2778

01:44:59,810 --> 01:44:58,619

people in that audience and I'll say

2779

01:45:01,850 --> 01:44:59,820

don't be scared to explore your own

2780

01:45:04,850 --> 01:45:01,860

unconsciousness you know what I mean you

2781

01:45:07,250 --> 01:45:04,860

find a hypnotist explore that you know

2782

01:45:08,930 --> 01:45:07,260

what to focus on what's Happening uh go

2783

01:45:11,030 --> 01:45:08,940

for it you know don't let anybody deter

2784

01:45:13,129 --> 01:45:11,040

you and keep communicating amongst each

2785

01:45:15,229 --> 01:45:13,139

other amongst each other that's how we

2786

01:45:17,030 --> 01:45:15,239

turn this into type one civilization I

2787

01:45:19,149 --> 01:45:17,040

swear that's how it's done I think the

2788

01:45:22,370 --> 01:45:19,159

internet is our best resource for that

2789

01:45:24,410 --> 01:45:22,380

oh I agree I agree and it's myself

2790

01:45:26,689 --> 01:45:24,420

personally it's been

2791

01:45:28,430 --> 01:45:26,699

it's been fine people who have had the

2792

01:45:29,990 --> 01:45:28,440

same experience as me or at least

2793

01:45:32,570 --> 01:45:30,000

something similar it's like I'm not

2794

01:45:34,490 --> 01:45:32,580

alone you know I'm not crazy I'm not

2795

01:45:37,490 --> 01:45:34,500

alone and you know there are others out

2796

01:45:41,510 --> 01:45:37,500

there so you aren't alone I mean yeah no

2797

01:45:44,209 --> 01:45:41,520

no I I and I so far I I'll make just one

2798

01:45:46,070 --> 01:45:44,219

claim right so far when I've told

2799

01:45:48,350 --> 01:45:46,080

somebody what I've told you

2800

01:45:50,209 --> 01:45:48,360

about the contactee

2801

01:45:51,830 --> 01:45:50,219

um not been wrong but with you with the

2802

01:45:55,669 --> 01:45:51,840

stuff you said it's like major major

2803

01:46:00,129 --> 01:45:57,590

you're you're a magnet for the

2804

01:46:04,250 --> 01:46:00,139

Paranormal everything you said you know

2805

01:46:06,229 --> 01:46:04,260

I feel like it I honestly do I mean it's

2806

01:46:08,450 --> 01:46:06,239

a week we can talk more about that later

2807

01:46:10,129 --> 01:46:08,460

I I want to have you back on the show

2808

01:46:12,830 --> 01:46:10,139

you have been wonderful you've been an

2809

01:46:14,570 --> 01:46:12,840

amazing guest I I've enjoyed it I'm

2810

01:46:16,430 --> 01:46:14,580

pretty sure our audience enjoyed it too

2811

01:46:18,290 --> 01:46:16,440

well thank you for having me on it thank

2812

01:46:20,270 --> 01:46:18,300

you your audience I apologize I got

2813

01:46:22,609 --> 01:46:20,280

excited was knocking my thing out I get

2814

01:46:24,050 --> 01:46:22,619

excited and rambling on and I might have

2815

01:46:25,729 --> 01:46:24,060

went off what you were wanting to talk

2816

01:46:27,229 --> 01:46:25,739

about a few times I apologize for that

2817

01:46:29,570 --> 01:46:27,239

but thank you for having me on I'm very

2818

01:46:31,729 --> 01:46:29,580

honored so I know you're you were fine

2819

01:46:33,290 --> 01:46:31,739

you were wonderful and truly so tell

2820

01:46:35,030 --> 01:46:33,300

everyone where they can find you or get

2821

01:46:37,669 --> 01:46:35,040

a hold of you

2822

01:46:39,830 --> 01:46:37,679

um I have a website Barry littleton.com

2823

01:46:41,570 --> 01:46:39,840

it pretty much sucks I need to get it

2824

01:46:43,669 --> 01:46:41,580

redesigned a little bit I don't do a lot

2825

01:46:45,229 --> 01:46:43,679

on there the links are on there but the

2826

01:46:47,270 --> 01:46:45,239

main body of work I've done is on

2827

01:46:49,430 --> 01:46:47,280

patreon and on YouTube so please check

2828

01:46:50,870 --> 01:46:49,440

out my YouTube channel Barry Littleton I

2829

01:46:53,330 --> 01:46:50,880

don't have any cool handles or nothing

2830

01:46:54,709 --> 01:46:53,340

I'm also active on Facebook I try to

2831

01:46:57,050 --> 01:46:54,719

communicate with people a little bit on

2832

01:46:58,370 --> 01:46:57,060

there and Instagram all under Barry

2833

01:46:59,689 --> 01:46:58,380

Littleton so

2834

01:47:01,790 --> 01:46:59,699

um if you do go to my YouTube Channel

2835

01:47:04,010 --> 01:47:01,800

please look at the playlist because I've

2836

01:47:06,290 --> 01:47:04,020

been Shadow banned a couple of times now

2837

01:47:08,930 --> 01:47:06,300

but under playlist all the videos will

2838

01:47:10,490 --> 01:47:08,940

come up and uh hopefully it'll they're

2839

01:47:12,350 --> 01:47:10,500

all short but they're to the point and

2840

01:47:14,330 --> 01:47:12,360

they're just designed to help people do

2841

01:47:15,950 --> 01:47:14,340

their own research so thank you

2842

01:47:18,709 --> 01:47:15,960

and they're very interesting videos

2843

01:47:20,750 --> 01:47:18,719

because I I watched a couple during you

2844

01:47:22,550 --> 01:47:20,760

know for research and everything so I've

2845

01:47:24,890 --> 01:47:22,560

I've found them very interesting you're

2846

01:47:26,870 --> 01:47:24,900

you're a great speaker and it's

2847

01:47:28,790 --> 01:47:26,880

wonderful well thank you so thank you

2848

01:47:30,530 --> 01:47:28,800

again Barry I truly appreciate it I

2849

01:47:32,570 --> 01:47:30,540

think around me Bernadette next time

2850

01:47:33,770 --> 01:47:32,580

we'll talk about the throne beings that

2851

01:47:36,229 --> 01:47:33,780

have your name

2852

01:47:42,970 --> 01:47:36,239

all right all right it's good no I look

2853

01:47:48,169 --> 01:47:46,070

all right everyone thank you so much for

2854

01:47:51,530 --> 01:47:48,179

being with us and I want to thank Barry

2855

01:47:53,689 --> 01:47:51,540

Littleton again for being here and as of

2856

01:47:56,270 --> 01:47:53,699

right now we do not have a show title

2857

01:47:58,310 --> 01:47:56,280

but we will for next week and in the

2858

01:48:00,830 --> 01:47:58,320

meantime I will see you next week and
