00:01:32,090 --> 00:01:29,159  
encounters that are submitted to

9  
00:01:34,310 --> 00:01:32,100  
Phantoms and monsters I will also detail

10  
00:01:36,050 --> 00:01:34,320  
current past investigations which is on

11  
00:01:38,630 --> 00:01:36,060  
what I'm going to do tonight so thanks

12  
00:01:40,310 --> 00:01:38,640  
for joining me now uh the fans of

13  
00:01:41,890 --> 00:01:40,320

monsters radio channel is made possible

14

00:01:46,490 --> 00:01:41,900

by you liking

15

00:01:48,649 --> 00:01:46,500

uh and uh sharing and subscribing

16

00:01:50,510 --> 00:01:48,659

um our programming uh Super Chat and

17

00:01:53,210 --> 00:01:50,520

super thanks to nations are appreciated

18

00:01:55,969 --> 00:01:53,220

uh the buy me a coffee link is also

19

00:01:58,910 --> 00:01:55,979

available so your consideration is very

20

00:02:00,649 --> 00:01:58,920

much appreciated so um tonight's gonna

21

00:02:01,609 --> 00:02:00,659

be a little bit different

22

00:02:04,249 --> 00:02:01,619

um

23

00:02:07,609 --> 00:02:04,259

now I don't know if how many of these

24

00:02:09,350 --> 00:02:07,619

cases and you are familiar with

25

00:02:13,010 --> 00:02:09,360

I've been involved with a few of these

26  
00:02:17,390 --> 00:02:13,020  
in the past uh hauntings and a few other

27  
00:02:20,089 --> 00:02:17,400  
strange cases these aren't cryptic cases

28  
00:02:24,410 --> 00:02:20,099  
um and in fact one of these the last one

29  
00:02:26,750 --> 00:02:24,420  
I'm going to talk about is about

30  
00:02:28,850 --> 00:02:26,760  
over 40 years old

31  
00:02:30,530 --> 00:02:28,860  
but it was a personal case I'd

32  
00:02:32,510 --> 00:02:30,540  
investigated myself

33  
00:02:34,550 --> 00:02:32,520  
so um

34  
00:02:35,449 --> 00:02:34,560  
there's three cases so what I will do

35  
00:02:36,410 --> 00:02:35,459  
I'll

36  
00:02:38,390 --> 00:02:36,420  
um

37  
00:02:41,509 --> 00:02:38,400  
I'll talk I'll talk about and describe

38  
00:02:43,610 --> 00:02:41,519

them and I can stop after each one if

39

00:02:44,809 --> 00:02:43,620

you have questions you can put it up on

40

00:02:48,350 --> 00:02:44,819

the um

41

00:02:50,690 --> 00:02:48,360

you can put it up onto the chat and uh

42

00:02:52,910 --> 00:02:50,700

I'll do my best to answer them so let's

43

00:02:56,089 --> 00:02:52,920

get started

44

00:02:59,270 --> 00:02:56,099

um now this this first incident this

45

00:03:02,089 --> 00:02:59,280

first case it was a pretty long case uh

46

00:03:04,670 --> 00:03:02,099

the the victims of this ordeal

47

00:03:07,790 --> 00:03:04,680

have allowed me to disclose their story

48

00:03:10,690 --> 00:03:07,800

and agreed to make their names public I

49

00:03:14,270 --> 00:03:10,700

had done a video about this previously

50

00:03:16,190 --> 00:03:14,280

and but this case was presented publicly

51  
00:03:18,850 --> 00:03:16,200  
for the first time during an emotional

52  
00:03:24,470 --> 00:03:18,860  
interview that was broadcast live

53  
00:03:29,330 --> 00:03:24,480  
Beyond the Edge radio in June 15 2014.

54  
00:03:31,550 --> 00:03:29,340  
so in uh in February 2013

55  
00:03:33,890 --> 00:03:31,560  
while I was assisting another

56  
00:03:36,350 --> 00:03:33,900  
investigative group a request for help

57  
00:03:37,550 --> 00:03:36,360  
was received from a family in Sioux City

58  
00:03:39,830 --> 00:03:37,560  
Iowa

59  
00:03:42,649 --> 00:03:39,840  
the residents of the family home were

60  
00:03:44,030 --> 00:03:42,659  
twin sisters Erlene and Sabrina and

61  
00:03:46,850 --> 00:03:44,040  
their children

62  
00:03:49,850 --> 00:03:46,860  
now the initial complaint was presence

63  
00:03:52,250 --> 00:03:49,860

of a dark entity

64

00:03:54,589 --> 00:03:52,260

um the dark Apparition is seen by my

65

00:03:57,470 --> 00:03:54,599

family it has scratch family members and

66

00:03:59,770 --> 00:03:57,480

makes noise and there's been a Rotting

67

00:04:02,589 --> 00:03:59,780

Flesh odor

68

00:04:06,470 --> 00:04:02,599

so Sabrina

69

00:04:08,089 --> 00:04:06,480

stated that my sister has seen me write

70

00:04:10,789 --> 00:04:08,099

unknown words

71

00:04:13,970 --> 00:04:10,799

and I'm not aware of it I also talk in

72

00:04:16,129 --> 00:04:13,980

another language pupils black in color

73

00:04:17,930 --> 00:04:16,139

and also saying extremely bad things

74

00:04:20,210 --> 00:04:17,940

toward my children that I would never

75

00:04:24,050 --> 00:04:20,220

say consciously

76

00:04:26,150 --> 00:04:24,060

uh at times TBR or radio turn on we try

77

00:04:27,290 --> 00:04:26,160

to come up with an explanation but can't

78

00:04:29,450 --> 00:04:27,300

find one

79

00:04:31,490 --> 00:04:29,460

there's banging on the walls doors

80

00:04:34,189 --> 00:04:31,500

shutting dishes shaking

81

00:04:37,249 --> 00:04:34,199

uh feeling and not being able to move

82

00:04:39,770 --> 00:04:37,259

when lying down like I'm paralyzed that

83

00:04:43,249 --> 00:04:39,780

something was keeping me down

84

00:04:45,170 --> 00:04:43,259

uh this happened to me and my son

85

00:04:47,749 --> 00:04:45,180

the feeling of fear that my daughter

86

00:04:51,230 --> 00:04:47,759

feels and the women that she states she

87

00:04:54,290 --> 00:04:51,240

saw wearing a lace the woman that she's

88

00:04:56,450 --> 00:04:54,300

saw wearing a lace dress

89

00:04:59,330 --> 00:04:56,460

and my sister states she feels like

90

00:05:01,010 --> 00:04:59,340

she's being attacked spiritually and it

91

00:05:04,430 --> 00:05:01,020

doesn't like her

92

00:05:06,230 --> 00:05:04,440

and she later added that at my pres

93

00:05:08,390 --> 00:05:06,240

previous resonance

94

00:05:10,370 --> 00:05:08,400

this is where it began it started

95

00:05:12,350 --> 00:05:10,380

getting physical when my daughter was

96

00:05:15,350 --> 00:05:12,360

being pulled off the bed

97

00:05:17,150 --> 00:05:15,360

next to me and my niece lived with me

98

00:05:19,670 --> 00:05:17,160

for a short time and she experienced

99

00:05:21,290 --> 00:05:19,680

some of this type of sexual touch

100

00:05:23,270 --> 00:05:21,300

she was very emotional about and it

101  
00:05:25,430 --> 00:05:23,280  
frightened her severely

102  
00:05:28,189 --> 00:05:25,440  
there was an extensive amount of doors

103  
00:05:30,230 --> 00:05:28,199  
slamming and cupboards slamming

104  
00:05:32,510 --> 00:05:30,240  
my sister witnessed a measuring cup

105  
00:05:35,090 --> 00:05:32,520  
coming out of the drawer

106  
00:05:37,129 --> 00:05:35,100  
at the time she was talking about

107  
00:05:39,170 --> 00:05:37,139  
praying and something about ignoring

108  
00:05:41,510 --> 00:05:39,180  
what was happening in a house

109  
00:05:44,029 --> 00:05:41,520  
the lights would turn on and off the

110  
00:05:45,890 --> 00:05:44,039  
thermostat would get turned up

111  
00:05:48,469 --> 00:05:45,900  
in my son's room

112  
00:05:50,330 --> 00:05:48,479  
in my room there was a heavy feeling a

113  
00:05:53,029 --> 00:05:50,340

majority of the time

114

00:05:54,650 --> 00:05:53,039

knocking coming from the closets and

115

00:05:57,110 --> 00:05:54,660

could be heard even in the living room

116

00:05:59,629 --> 00:05:57,120

during one of the meetings

117

00:06:01,730 --> 00:05:59,639

with another investigation team There

118

00:06:03,290 --> 00:06:01,740

Was An Extremely Loud bang on the wall

119

00:06:06,110 --> 00:06:03,300

that was a joint

120

00:06:08,210 --> 00:06:06,120

to the closet in my son's room

121

00:06:10,790 --> 00:06:08,220

I asked my sister to see if the

122

00:06:12,590 --> 00:06:10,800

adjoining neighbor had done something or

123

00:06:14,029 --> 00:06:12,600

if anything could have been made that

124

00:06:16,070 --> 00:06:14,039

noise from the outside

125

00:06:18,290 --> 00:06:16,080

the neighbors were eating their dinner

126

00:06:19,249 --> 00:06:18,300

but stay to day they did hear a loud

127

00:06:23,570 --> 00:06:19,259

noise

128

00:06:25,309 --> 00:06:23,580

we all knew it came from the same wall

129

00:06:27,050 --> 00:06:25,319

which was the wall that was actually

130

00:06:29,029 --> 00:06:27,060

shared with the adjoined neighbors so

131

00:06:30,350 --> 00:06:29,039

the TV said turn on and off the house as

132

00:06:32,749 --> 00:06:30,360

well

133

00:06:35,570 --> 00:06:32,759

now the crosses

134

00:06:38,469 --> 00:06:35,580

crucifixes that my sister made

135

00:06:41,210 --> 00:06:38,479

and put above the doorway had been taken

136

00:06:43,129 --> 00:06:41,220

overpowering utter of death my sister

137

00:06:45,290 --> 00:06:43,139

had to leave the house because of the

138

00:06:47,330 --> 00:06:45,300

terrible odor made her wretch

139

00:06:48,770 --> 00:06:47,340

but when we went back down the hallway

140

00:06:51,110 --> 00:06:48,780

it was gone

141

00:06:52,490 --> 00:06:51,120

during this now during this period the

142

00:06:55,790 --> 00:06:52,500

twins mother

143

00:06:59,330 --> 00:06:55,800

was living with uh Sabrina in her in her

144

00:07:01,370 --> 00:06:59,340

residence uh her mother soon experienced

145

00:07:04,189 --> 00:07:01,380

symptoms of dementia

146

00:07:06,650 --> 00:07:04,199

and was taken to the Mayo Clinic

147

00:07:08,689 --> 00:07:06,660

she didn't respond to therapy and was

148

00:07:10,490 --> 00:07:08,699

placed in a nursing facility where

149

00:07:12,950 --> 00:07:10,500

Sabrina worked

150

00:07:15,050 --> 00:07:12,960

the doctors at the facility describe her

151  
00:07:17,290 --> 00:07:15,060  
illness as resembling post-traumatic

152  
00:07:20,570 --> 00:07:17,300  
stress disorder

153  
00:07:22,670 --> 00:07:20,580  
so uh Sabrina eventually moved in with

154  
00:07:25,550 --> 00:07:22,680  
erlina which was actually across the

155  
00:07:27,710 --> 00:07:25,560  
street not long after the move the

156  
00:07:29,570 --> 00:07:27,720  
activity from the previous house started

157  
00:07:31,610 --> 00:07:29,580  
into new residence

158  
00:07:33,589 --> 00:07:31,620  
when I gathered as many as four

159  
00:07:37,430 --> 00:07:33,599  
paranormal groups including a priest

160  
00:07:40,550 --> 00:07:37,440  
attempted to clear the locations

161  
00:07:43,550 --> 00:07:40,560  
the sisters were soon the sisters were

162  
00:07:46,249 --> 00:07:43,560  
soon contacted through Skype at the time

163  
00:07:49,070 --> 00:07:46,259

then this was the group well my group I

164

00:07:51,950 --> 00:07:49,080

was with at the time I had not read the

165

00:07:54,290 --> 00:07:51,960

contact form submitted by Sabrina

166

00:07:55,670 --> 00:07:54,300

now all I knew was that the clients

167

00:07:57,469 --> 00:07:55,680

lived in Iowa

168

00:08:00,589 --> 00:07:57,479

I was not given an address or

169

00:08:03,710 --> 00:08:00,599

information about the situation

170

00:08:05,150 --> 00:08:03,720

we had rather a short consultation when

171

00:08:07,850 --> 00:08:05,160

I sensed

172

00:08:10,370 --> 00:08:07,860

that there was an airport or aircraft or

173

00:08:12,469 --> 00:08:10,380

nearby I had a strong feeling of

174

00:08:13,490 --> 00:08:12,479

individual Spirit energy over a wide

175

00:08:15,529 --> 00:08:13,500

area

176

00:08:17,990 --> 00:08:15,539

now I asked the clients if there was an

177

00:08:20,150 --> 00:08:18,000

airport located in their area

178

00:08:22,249 --> 00:08:20,160

they responded by saying that the

179

00:08:23,330 --> 00:08:22,259

airport was directly across the

180

00:08:26,390 --> 00:08:23,340

thoroughfare from the house

181

00:08:28,730 --> 00:08:26,400

approximately a thousand foot away

182

00:08:30,710 --> 00:08:28,740

suddenly I sense some type of air

183

00:08:34,250 --> 00:08:30,720

disaster in which the peop many people

184

00:08:36,469 --> 00:08:34,260

were killed and after some research and

185

00:08:40,370 --> 00:08:36,479

uh some recollection I soon discovered

186

00:08:44,690 --> 00:08:40,380

that on July 19 1989 United Airline

187

00:08:47,210 --> 00:08:44,700

flight 232 a DC-10 crash landed at Sioux

188

00:08:50,389 --> 00:08:47,220

Gateway airport in Sioux City Iowa

189

00:08:52,910 --> 00:08:50,399

after suffering catastrophic failure in

190

00:08:56,269 --> 00:08:52,920

his tail mounted engine which led to the

191

00:08:59,269 --> 00:08:56,279

loss of all flight controls of the 296

192

00:09:02,690 --> 00:08:59,279

people on board 111 died in the action

193

00:09:04,430 --> 00:09:02,700

well 185 survived seven of the deaths

194

00:09:07,130 --> 00:09:04,440

were children

195

00:09:09,710 --> 00:09:07,140

now after seeing the reference to the

196

00:09:13,329 --> 00:09:09,720

action I started to remember the the

197

00:09:16,310 --> 00:09:13,339

events vividly uh

198

00:09:18,410 --> 00:09:16,320

soon became apparent that the energies I

199

00:09:21,590 --> 00:09:18,420

detected were probably from the crash

200

00:09:23,389 --> 00:09:21,600

eventually these energies were not the

201  
00:09:24,710 --> 00:09:23,399  
problem but did contribute to the

202  
00:09:26,269 --> 00:09:24,720  
activity

203  
00:09:28,370 --> 00:09:26,279  
for the first few months of the

204  
00:09:30,110 --> 00:09:28,380  
investigation I was still assisting with

205  
00:09:32,389 --> 00:09:30,120  
the original group

206  
00:09:34,190 --> 00:09:32,399  
uh two remote view sessions were

207  
00:09:37,130 --> 00:09:34,200  
conducted in order to gather evidence

208  
00:09:38,470 --> 00:09:37,140  
several conferences were held with the

209  
00:09:40,670 --> 00:09:38,480  
clients

210  
00:09:43,970 --> 00:09:40,680  
unfortunately Sabrina was still

211  
00:09:46,130 --> 00:09:43,980  
exhibiting extreme bipolar-like Behavior

212  
00:09:48,310 --> 00:09:46,140  
even though we were on Skype we could

213  
00:09:50,990 --> 00:09:48,320

still observe her fairly well on the cam

214

00:09:53,630 --> 00:09:51,000

she literally transformed physically

215

00:09:55,610 --> 00:09:53,640

especially in her face arlena had

216

00:09:57,590 --> 00:09:55,620

describes Sabrina's activity as well

217

00:09:59,630 --> 00:09:57,600

writing unknown words and take talking

218

00:10:01,970 --> 00:09:59,640

unknown languages

219

00:10:03,290 --> 00:10:01,980

her condition was affecting everybody in

220

00:10:05,750 --> 00:10:03,300

the house

221

00:10:08,090 --> 00:10:05,760

now we were told that Sabrina's bedroom

222

00:10:09,710 --> 00:10:08,100

was the most active so we placed the

223

00:10:12,290 --> 00:10:09,720

laptop in the middle of the room and

224

00:10:15,590 --> 00:10:12,300

directed the camera in an area we were

225

00:10:18,410 --> 00:10:15,600

toyed told that noises could be heard

226

00:10:21,350 --> 00:10:18,420

everybody left the room as we watched on

227

00:10:23,870 --> 00:10:21,360

Skype in a 10 minute period

228

00:10:26,269 --> 00:10:23,880

we observed the desk light

229

00:10:27,949 --> 00:10:26,279

twice fade in and out and the frame

230

00:10:29,750 --> 00:10:27,959

picture on the wall move a few inches

231

00:10:32,210 --> 00:10:29,760

across the wall

232

00:10:34,370 --> 00:10:32,220

soon we were convinced as some type of

233

00:10:37,850 --> 00:10:34,380

spirit energy was present

234

00:10:40,250 --> 00:10:37,860

Now by April 2013 it was obvious that we

235

00:10:42,290 --> 00:10:40,260

were getting nowhere with the case

236

00:10:44,449 --> 00:10:42,300

activity was occurring day and night

237

00:10:45,670 --> 00:10:44,459

everybody in the house was experiencing

238

00:10:48,170 --> 00:10:45,680

something

239

00:10:51,110 --> 00:10:48,180

Shadows were seen in the hallway banging

240

00:10:53,090 --> 00:10:51,120

on the walls objects going missing and

241

00:10:55,370 --> 00:10:53,100

items flowing across the room

242

00:10:57,650 --> 00:10:55,380

and as well as the menacing feeling

243

00:10:59,090 --> 00:10:57,660

anytime someone would walk into the

244

00:11:01,250 --> 00:10:59,100

house

245

00:11:03,410 --> 00:11:01,260

I decided to take on the case

246

00:11:06,410 --> 00:11:03,420

exclusively while the group worked on

247

00:11:07,790 --> 00:11:06,420

other projects not long after that I did

248

00:11:09,410 --> 00:11:07,800

leave the group but I personally

249

00:11:11,389 --> 00:11:09,420

continued to work with the Sioux City

250

00:11:13,430 --> 00:11:11,399

clients at the request

251  
00:11:17,090 --> 00:11:13,440  
I told the sisters that they needed me

252  
00:11:19,130 --> 00:11:17,100  
to contact me anytime 24 7. I was

253  
00:11:20,690 --> 00:11:19,140  
determined to find the actual cause of

254  
00:11:23,630 --> 00:11:20,700  
the disturbances

255  
00:11:26,030 --> 00:11:23,640  
I worked one-on-one with Sabrina erolina

256  
00:11:27,470 --> 00:11:26,040  
for the next eight months basically all

257  
00:11:28,850 --> 00:11:27,480  
learning all I could about the history

258  
00:11:31,610 --> 00:11:28,860  
of the family and investigating

259  
00:11:34,310 --> 00:11:31,620  
incidents during their lifetime

260  
00:11:36,470 --> 00:11:34,320  
now one particular incident occurred

261  
00:11:39,110 --> 00:11:36,480  
during this period that suggests to me

262  
00:11:41,949 --> 00:11:39,120  
that this entity was more than just a

263  
00:11:44,630 --> 00:11:41,959

malevolent Earthbound energy

264

00:11:48,170 --> 00:11:44,640

erlina had reported to me that an

265

00:11:50,990 --> 00:11:48,180

inverted peace symbol had manifested on

266

00:11:53,810 --> 00:11:51,000

the closet wall in one of the bedrooms

267

00:11:56,030 --> 00:11:53,820

it seemed as though it was painted on

268

00:11:58,970 --> 00:11:56,040

the drywall was but it was impossible to

269

00:12:00,710 --> 00:11:58,980

scrub off I instructed her to paint over

270

00:12:03,470 --> 00:12:00,720

it after I consulted with a known

271

00:12:07,730 --> 00:12:03,480

occultist who stayed at this this was a

272

00:12:09,829 --> 00:12:07,740

Sigil that implied hate and deceit

273

00:12:11,930 --> 00:12:09,839

now the ingest the investigative process

274

00:12:14,810 --> 00:12:11,940

was very slow and tedious but eventually

275

00:12:16,550 --> 00:12:14,820

some helpful information came forward

276  
00:12:19,269 --> 00:12:16,560  
at one point

277  
00:12:22,370 --> 00:12:19,279  
in one period at in the sister's life

278  
00:12:24,650 --> 00:12:22,380  
lives they lived with relatives in

279  
00:12:26,810 --> 00:12:24,660  
Arlington Texas

280  
00:12:28,610 --> 00:12:26,820  
I started to research the history of the

281  
00:12:31,310 --> 00:12:28,620  
house which was built by the grandmother

282  
00:12:33,829 --> 00:12:31,320  
and the property and the property and

283  
00:12:35,449 --> 00:12:33,839  
discovered a few interesting facts for

284  
00:12:37,670 --> 00:12:35,459  
whatever reason the house and the

285  
00:12:39,470 --> 00:12:37,680  
property were valued far less than any

286  
00:12:40,790 --> 00:12:39,480  
other house and property and a huge

287  
00:12:42,889 --> 00:12:40,800  
subdivision

288  
00:12:45,949 --> 00:12:42,899

the house has had several subsequent

289

00:12:48,470 --> 00:12:45,959

residents some had died there

290

00:12:50,389 --> 00:12:48,480

I decided that I needed to conduct a

291

00:12:52,550 --> 00:12:50,399

controlled remote view along with two

292

00:12:54,889 --> 00:12:52,560

Associates in a monitor

293

00:12:57,410 --> 00:12:54,899

now the session revealed

294

00:12:59,629 --> 00:12:57,420

that several rituals had been conducted

295

00:13:01,730 --> 00:12:59,639

on the property and that the property

296

00:13:04,370 --> 00:13:01,740

also had a stigma attached to it by

297

00:13:07,250 --> 00:13:04,380

others in the neighborhood

298

00:13:09,889 --> 00:13:07,260

the location also possessed a deep sense

299

00:13:11,750 --> 00:13:09,899

of sorrow and hate we also felt that

300

00:13:13,970 --> 00:13:11,760

there was a lot of lingering issues that

301

00:13:18,110 --> 00:13:13,980

revolved around the property

302

00:13:20,210 --> 00:13:18,120

the viewers each reached this conclusion

303

00:13:22,910 --> 00:13:20,220

I decided not to reveal this information

304

00:13:26,329 --> 00:13:22,920

to the clients at that time I'm glad I

305

00:13:28,610 --> 00:13:26,339

didn't because arlena soon asked me if I

306

00:13:30,410 --> 00:13:28,620

could determine the fate of her missing

307

00:13:33,050 --> 00:13:30,420

aunt

308

00:13:35,509 --> 00:13:33,060

well I they were living in Arlington her

309

00:13:38,329 --> 00:13:35,519

aunt disappeared after leaving with some

310

00:13:40,910 --> 00:13:38,339

people one afternoon at the house

311

00:13:42,769 --> 00:13:40,920

the last time they saw her was when she

312

00:13:45,590 --> 00:13:42,779

got into the car

313

00:13:47,629 --> 00:13:45,600

I conducted a distant reading a few days

314

00:13:49,190 --> 00:13:47,639

later which I used to discern

315

00:13:50,990 --> 00:13:49,200

information while I'm in a height

316

00:13:53,629 --> 00:13:51,000

perceptive state

317

00:13:55,430 --> 00:13:53,639

it can be described as my extension of

318

00:13:58,009 --> 00:13:55,440

my five senses

319

00:13:59,690 --> 00:13:58,019

I usually execute these sessions alone I

320

00:14:01,250 --> 00:13:59,700

don't want anybody accusing me of cold

321

00:14:03,949 --> 00:14:01,260

reading a client

322

00:14:05,990 --> 00:14:03,959

though it would be conducted on Skype

323

00:14:08,210 --> 00:14:06,000

voice reflect though it would be

324

00:14:10,190 --> 00:14:08,220

conducted on Skype on Skype voice

325

00:14:13,970 --> 00:14:10,200

inflection could still give the reader

326

00:14:16,069 --> 00:14:13,980

certain Clues so I just avoid Duality as

327

00:14:20,030 --> 00:14:16,079

much as I possibly can

328

00:14:20,990 --> 00:14:20,040

I sense the aunt was uh no longer among

329

00:14:23,569 --> 00:14:21,000

the living

330

00:14:26,449 --> 00:14:23,579

finding a body would require some field

331

00:14:28,490 --> 00:14:26,459

work which I wasn't into position to do

332

00:14:31,009 --> 00:14:28,500

this disappearance had weighed heavily

333

00:14:32,870 --> 00:14:31,019

on the family for many years I believe

334

00:14:34,910 --> 00:14:32,880

that much of this sorrow combined with

335

00:14:37,670 --> 00:14:34,920

the malevolent energies within the Texas

336

00:14:39,889 --> 00:14:37,680

house see it as something within the

337

00:14:42,710 --> 00:14:39,899

sisters

338

00:14:43,850 --> 00:14:42,720

the clients had moved to Nebraska then

339

00:14:46,129 --> 00:14:43,860

Iowa

340

00:14:49,670 --> 00:14:46,139

where they reside today

341

00:14:52,430 --> 00:14:49,680

now whatever this energy was it traveled

342

00:14:53,769 --> 00:14:52,440

with them continued continuing to grow

343

00:14:56,269 --> 00:14:53,779

many times

344

00:14:59,269 --> 00:14:56,279

continuing to grow when towns were tough

345

00:15:01,490 --> 00:14:59,279

and were life seemed out of control

346

00:15:03,949 --> 00:15:01,500

it became apparent that both Arlene and

347

00:15:06,410 --> 00:15:03,959

Sabrina or Spirit beacons

348

00:15:09,410 --> 00:15:06,420

that they attract Spirit energy and in

349

00:15:12,590 --> 00:15:09,420

fact much of the immediate family are

350

00:15:15,230 --> 00:15:12,600

impasse and uh seemed to easily take on

351  
00:15:16,850 --> 00:15:15,240  
emotions of other family members even at

352  
00:15:19,189 --> 00:15:16,860  
Great distances

353  
00:15:21,410 --> 00:15:19,199  
I have seen this phenomena before but

354  
00:15:22,790 --> 00:15:21,420  
not to the degree this family exists

355  
00:15:24,889 --> 00:15:22,800  
exhibited

356  
00:15:26,930 --> 00:15:24,899  
all this needed to be taken in

357  
00:15:28,610 --> 00:15:26,940  
consideration when determining the cause

358  
00:15:32,509 --> 00:15:28,620  
of the disturbances

359  
00:15:34,670 --> 00:15:32,519  
now erlina is a deeply devout Christian

360  
00:15:36,410 --> 00:15:34,680  
I truly believe that her faith and

361  
00:15:38,810 --> 00:15:36,420  
confidence allows her to keep this

362  
00:15:41,329 --> 00:15:38,820  
entity at Bay even though she did

363  
00:15:43,850 --> 00:15:41,339

experience Paranormal Activity but on

364

00:15:46,250 --> 00:15:43,860

the other hand Sabrina has more pressing

365

00:15:49,310 --> 00:15:46,260

personal issues and by the time 2012

366

00:15:51,110 --> 00:15:49,320

rode around this entity had grown to a

367

00:15:53,449 --> 00:15:51,120

point where she can no longer control it

368

00:15:54,829 --> 00:15:53,459

it followed her everywhere even to her

369

00:15:57,110 --> 00:15:54,839

workplace

370

00:15:59,569 --> 00:15:57,120

it was determined by me in some

371

00:16:02,689 --> 00:15:59,579

consultation colleagues that Sabrina had

372

00:16:05,449 --> 00:16:02,699

been plagued by fault form entity and

373

00:16:07,069 --> 00:16:05,459

mine created supernatural being possibly

374

00:16:09,290 --> 00:16:07,079

as Poltergeist

375

00:16:11,269 --> 00:16:09,300

regardless of what is presented on

376

00:16:13,250 --> 00:16:11,279

television in the movies Poltergeist

377

00:16:16,129 --> 00:16:13,260

activity is very rare

378

00:16:19,430 --> 00:16:16,139

there are several theories as to what a

379

00:16:22,069 --> 00:16:19,440

poltergeist is but it seems that it's

380

00:16:25,310 --> 00:16:22,079

always has two relative factors one

381

00:16:27,829 --> 00:16:25,320

would be uh psychokinesis or PK

382

00:16:30,410 --> 00:16:27,839

which is an ability that allows a person

383

00:16:32,569 --> 00:16:30,420

to influence objects or people without

384

00:16:35,030 --> 00:16:32,579

physical interaction

385

00:16:37,069 --> 00:16:35,040

the other Factor would be malevolency

386

00:16:38,090 --> 00:16:37,079

toward the oppressed and those around

387

00:16:40,610 --> 00:16:38,100

them

388

00:16:43,550 --> 00:16:40,620

a poltergeist haunting can be curtailed

389

00:16:45,590 --> 00:16:43,560

by the person generating The Entity this

390

00:16:48,530 --> 00:16:45,600

involves instruction in how to control

391

00:16:51,350 --> 00:16:48,540

emotions and fears as well as avoiding

392

00:16:54,050 --> 00:16:51,360

uncontrollable situations

393

00:16:56,329 --> 00:16:54,060

this is the point where the overwhelming

394

00:16:58,189 --> 00:16:56,339

Spirit energy at the location comes into

395

00:16:59,990 --> 00:16:58,199

play

396

00:17:02,329 --> 00:17:00,000

now

397

00:17:05,689 --> 00:17:02,339

as a result of the crash of the United

398

00:17:08,150 --> 00:17:05,699

Airlines flight 232 there are many

399

00:17:10,429 --> 00:17:08,160

wondering spirits in the vicinity

400

00:17:13,010 --> 00:17:10,439

many of which don't realize they are no

401  
00:17:15,829 --> 00:17:13,020  
longer part of a living body or re or

402  
00:17:19,669 --> 00:17:15,839  
remaining for other reasons malevolent

403  
00:17:22,490 --> 00:17:19,679  
entities require energy to remain viable

404  
00:17:24,890 --> 00:17:22,500  
if they cannot feed on human emotion and

405  
00:17:26,090 --> 00:17:24,900  
life force and they need to look

406  
00:17:28,549 --> 00:17:26,100  
elsewhere

407  
00:17:30,650 --> 00:17:28,559  
Earthbound Spirits are fodder for

408  
00:17:32,810 --> 00:17:30,660  
stronger entities and this was the

409  
00:17:34,549 --> 00:17:32,820  
reason it became so difficult to weaken

410  
00:17:37,250 --> 00:17:34,559  
his troubles and entity

411  
00:17:39,169 --> 00:17:37,260  
I inspector Arlene on how to form a

412  
00:17:41,990 --> 00:17:39,179  
barrier around the residence in order to

413  
00:17:43,430 --> 00:17:42,000

keep the Earthbound Spirits out of the

414

00:17:45,710 --> 00:17:43,440

house

415

00:17:47,630 --> 00:17:45,720

we were starting to see a change in the

416

00:17:50,270 --> 00:17:47,640

lessening of the activity now Sabrina

417

00:17:52,310 --> 00:17:50,280

still has an attachment with her but she

418

00:17:54,409 --> 00:17:52,320

moved down of her sister's home and has

419

00:17:56,810 --> 00:17:54,419

moved in with her fiance

420

00:17:58,909 --> 00:17:56,820

as well she is no longer living near the

421

00:18:00,049 --> 00:17:58,919

airport in the mass of Earthbound

422

00:18:02,210 --> 00:18:00,059

Energies

423

00:18:04,669 --> 00:18:02,220

the degree of her torment has

424

00:18:07,130 --> 00:18:04,679

significantly lessened I continue to

425

00:18:08,330 --> 00:18:07,140

provide support which includes guidance

426  
00:18:11,210 --> 00:18:08,340  
and instruction

427  
00:18:13,610 --> 00:18:11,220  
now Africa Aftercare can be a long-term

428  
00:18:15,950 --> 00:18:13,620  
commitment in certain cases these

429  
00:18:17,750 --> 00:18:15,960  
services are provided in no cost I only

430  
00:18:19,789 --> 00:18:17,760  
ask that the client have an open mind

431  
00:18:21,830 --> 00:18:19,799  
the discipline to follow my

432  
00:18:24,169 --> 00:18:21,840  
recommendations and to remain positive

433  
00:18:25,730 --> 00:18:24,179  
which is imperative in order to resolve

434  
00:18:27,409 --> 00:18:25,740  
their problem

435  
00:18:29,510 --> 00:18:27,419  
now

436  
00:18:31,430 --> 00:18:29,520  
after working with these clients for

437  
00:18:34,610 --> 00:18:31,440  
close to a decade I still keep in touch

438  
00:18:37,190 --> 00:18:34,620

with them uh the children have exhibited

439

00:18:40,010 --> 00:18:37,200

PK abilities and are most likely

440

00:18:42,470 --> 00:18:40,020

developing mediums the oldest has been

441

00:18:44,810 --> 00:18:42,480

attracting spear energy since she was

442

00:18:46,909 --> 00:18:44,820

very young I have worked with her

443

00:18:50,510 --> 00:18:46,919

individual as well in order to keep her

444

00:18:52,730 --> 00:18:50,520

help her to understand why she sees and

445

00:18:54,350 --> 00:18:52,740

senses occasional entities and as a

446

00:18:56,690 --> 00:18:54,360

result of my extended associated with

447

00:18:57,710 --> 00:18:56,700

the clients are considering ourselves

448

00:18:59,750 --> 00:18:57,720

family

449

00:19:02,990 --> 00:18:59,760

now recently

450

00:19:05,450 --> 00:19:03,000

within the year uh with the help of one

451  
00:19:08,450 --> 00:19:05,460  
of one of the team members we were able

452  
00:19:09,590 --> 00:19:08,460  
to clear whatever remaining

453  
00:19:11,810 --> 00:19:09,600  
uh

454  
00:19:14,630 --> 00:19:11,820  
the level energy was at this new

455  
00:19:16,909 --> 00:19:14,640  
location and for the past year I'd say

456  
00:19:18,470 --> 00:19:16,919  
the last nine or ten months everything

457  
00:19:22,310 --> 00:19:18,480  
seems to be pretty good

458  
00:19:24,350 --> 00:19:22,320  
I I still keep in contact with the girl

459  
00:19:25,070 --> 00:19:24,360  
um who's actually graduated from high

460  
00:19:29,330 --> 00:19:25,080  
school

461  
00:19:31,789 --> 00:19:29,340  
she's she's very talented she's very

462  
00:19:33,650 --> 00:19:31,799  
gifted and what she does occasionally

463  
00:19:35,390 --> 00:19:33,660

ask me questions and I try to help her

464

00:19:39,409 --> 00:19:35,400

as much as I can

465

00:19:41,150 --> 00:19:39,419

so um that's this case now if if you

466

00:19:43,190 --> 00:19:41,160

have any questions I'd be glad to answer

467

00:19:45,650 --> 00:19:43,200

them now or if you want to wait

468

00:19:47,930 --> 00:19:45,660

at another point

469

00:19:52,310 --> 00:19:47,940

all right to the show we can do it or

470

00:19:57,470 --> 00:19:55,549

I don't think we've had any questions

471

00:20:00,490 --> 00:19:57,480

I have two other cases I'm going to talk

472

00:20:03,770 --> 00:20:00,500

about and um

473

00:20:06,169 --> 00:20:03,780

we'll go ahead and get to those

474

00:20:09,230 --> 00:20:06,179

foreign

475

00:20:13,850 --> 00:20:11,570

and this is a pretty disturbing case but

476

00:20:16,850 --> 00:20:13,860

over the years I've had several readers

477

00:20:19,669 --> 00:20:16,860

ask me about the use of remove doing as

478

00:20:22,310 --> 00:20:19,679

part of a case investigation tool

479

00:20:24,409 --> 00:20:22,320

now the following details are from a

480

00:20:27,049 --> 00:20:24,419

removed release session conducted before

481

00:20:30,049 --> 00:20:27,059

the initial on-site investigation by my

482

00:20:33,590 --> 00:20:30,059

colleagues a residence in Leatherhead

483

00:20:36,830 --> 00:20:33,600

Surrey UK which is just south of London

484

00:20:38,930 --> 00:20:36,840

in November 2010 now part of my

485

00:20:40,730 --> 00:20:38,940

investigation follow-up notes are also

486

00:20:43,250 --> 00:20:40,740

included

487

00:20:46,549 --> 00:20:43,260

now my remote view colleague and I

488

00:20:48,650 --> 00:20:46,559

conducted a remote view on this case a

489

00:20:50,029 --> 00:20:48,660

few times a few days give me a few days

490

00:20:51,830 --> 00:20:50,039

before the initial one-site

491

00:20:53,750 --> 00:20:51,840

investigation

492

00:20:57,710 --> 00:20:53,760

now my colleagues set the target

493

00:20:59,930 --> 00:20:57,720

coordinate she was monitoring and um we

494

00:21:01,789 --> 00:20:59,940

systematically executed the five phases

495

00:21:04,610 --> 00:21:01,799

in order to perceive the target to

496

00:21:07,010 --> 00:21:04,620

gather as much information as possible

497

00:21:09,350 --> 00:21:07,020

now I'm going to go through a few of the

498

00:21:10,250 --> 00:21:09,360

steps try to do some explanation

499

00:21:12,289 --> 00:21:10,260

um

500

00:21:15,350 --> 00:21:12,299

and if you have questions about we can

501  
00:21:17,390 --> 00:21:15,360  
talk about that later in phase one

502  
00:21:19,610 --> 00:21:17,400  
the coordinates which are a set of two

503  
00:21:22,130 --> 00:21:19,620  
four digit numbers were given to me from

504  
00:21:24,770 --> 00:21:22,140  
which an idiogram a graphic symbol that

505  
00:21:25,789 --> 00:21:24,780  
represents an idea or concept was

506  
00:21:26,930 --> 00:21:25,799  
developed

507  
00:21:29,990 --> 00:21:26,940  
now

508  
00:21:31,850 --> 00:21:30,000  
I also have a pad of paper in front of

509  
00:21:34,490 --> 00:21:31,860  
me and I'm writing down as as I'm doing

510  
00:21:37,190 --> 00:21:34,500  
this keeping notes as well as the

511  
00:21:40,490 --> 00:21:37,200  
monitor as well

512  
00:21:43,789 --> 00:21:40,500  
the target was narrowed down to a

513  
00:21:46,430 --> 00:21:43,799

subject by the name of Anne

514

00:21:47,630 --> 00:21:46,440

who had died by her own hand in this

515

00:21:50,990 --> 00:21:47,640

house

516

00:21:53,330 --> 00:21:51,000

by probing the ideogram descriptors a

517

00:21:56,450 --> 00:21:53,340

function of describing the target

518

00:21:58,970 --> 00:21:56,460

were used to determine the specifics of

519

00:22:00,770 --> 00:21:58,980

the Target now several attempts was the

520

00:22:03,350 --> 00:22:00,780

same Target coordinates were done in

521

00:22:05,750 --> 00:22:03,360

order to get an average assessment

522

00:22:07,909 --> 00:22:05,760

now in phase two

523

00:22:10,430 --> 00:22:07,919

the target vignette

524

00:22:13,190 --> 00:22:10,440

was narrowed by probing for sounds

525

00:22:15,529 --> 00:22:13,200

textures temperature colors luminescence

526

00:22:18,110 --> 00:22:15,539

contrast and smells

527

00:22:20,870 --> 00:22:18,120

though this information through this

528

00:22:23,750 --> 00:22:20,880

information I was able to focus in on

529

00:22:26,630 --> 00:22:23,760

any verticals horizontals diagnosed

530

00:22:29,450 --> 00:22:26,640

topography mass and energetics as well

531

00:22:31,970 --> 00:22:29,460

as my overall feeling of the target

532

00:22:34,669 --> 00:22:31,980

in this instance Ann was a very

533

00:22:37,490 --> 00:22:34,679

withdrawn young woman who spent much of

534

00:22:39,890 --> 00:22:37,500

her time in the Attic reading and just

535

00:22:42,529 --> 00:22:39,900

keeping to herself

536

00:22:45,770 --> 00:22:42,539

I sense that she had been tormented by

537

00:22:47,630 --> 00:22:45,780

the possessive entity for many years and

538

00:22:49,370 --> 00:22:47,640

that this malevolent Spirit was

539

00:22:51,529 --> 00:22:49,380

originally part of the house when her

540

00:22:54,350 --> 00:22:51,539

family moved in

541

00:22:56,510 --> 00:22:54,360

I described The Entity as a middle-aged

542

00:22:59,450 --> 00:22:56,520

man of medium height

543

00:23:00,590 --> 00:22:59,460

at War Workman clothes this entity is

544

00:23:03,890 --> 00:23:00,600

pictured

545

00:23:06,169 --> 00:23:03,900

uh from a photo captured by one of my

546

00:23:09,169 --> 00:23:06,179

colleagues on the old site investigation

547

00:23:11,690 --> 00:23:09,179

I I hope that Vince is putting it up

548

00:23:16,070 --> 00:23:13,730

um in phase three

549

00:23:18,110 --> 00:23:16,080

I made a rough sketch of drawing of what

550

00:23:20,510 --> 00:23:18,120

was I was perceiving

551

00:23:23,510 --> 00:23:20,520

at this point the sketch included the

552

00:23:25,909 --> 00:23:23,520

attic area cornered directly above the

553

00:23:27,409 --> 00:23:25,919

master bedroom and suspect suspected

554

00:23:30,289 --> 00:23:27,419

vortex

555

00:23:33,649 --> 00:23:30,299

and and sitting in this corner

556

00:23:35,930 --> 00:23:33,659

it seemed that Anne was intensely

557

00:23:37,490 --> 00:23:35,940

depressed and frustrated by the attached

558

00:23:40,310 --> 00:23:37,500

entity

559

00:23:42,230 --> 00:23:40,320

so in phase four I went into a deeper

560

00:23:45,830 --> 00:23:42,240

perception of the target

561

00:23:50,210 --> 00:23:45,840

uh this included sense magnitudes

562

00:23:52,549 --> 00:23:50,220

emotions physicals Subspace and Concepts

563

00:23:53,450 --> 00:23:52,559

there are other specifics used but at

564

00:23:55,669 --> 00:23:53,460

this point

565

00:23:57,590 --> 00:23:55,679

there was no systematic procedure

566

00:24:00,049 --> 00:23:57,600

because of the observations are coming

567

00:24:01,909 --> 00:24:00,059

or starting to come together into a

568

00:24:05,690 --> 00:24:01,919

primary deduction

569

00:24:08,029 --> 00:24:05,700

the overall impression of of that the

570

00:24:10,070 --> 00:24:08,039

overall impression was that Anne

571

00:24:12,830 --> 00:24:10,080

committed suicide

572

00:24:16,130 --> 00:24:12,840

and she did this by positioning a rope

573

00:24:18,830 --> 00:24:16,140

or cord to a beam directly over the

574

00:24:21,110 --> 00:24:18,840

hatch used to enter the addict

575

00:24:23,149 --> 00:24:21,120

she sat on the edge of the open hatch

576  
00:24:26,870 --> 00:24:23,159  
and dropped through

577  
00:24:29,930 --> 00:24:26,880  
now I assumed Anne's Persona through her

578  
00:24:31,490 --> 00:24:29,940  
eyes just before and for some time at

579  
00:24:34,130 --> 00:24:31,500  
her death

580  
00:24:36,169 --> 00:24:34,140  
and I'll tell you that was a that was a

581  
00:24:39,110 --> 00:24:36,179  
freaky incident

582  
00:24:41,210 --> 00:24:39,120  
I experienced pain and sadness of this

583  
00:24:45,049 --> 00:24:41,220  
tragedy as well which will happen during

584  
00:24:48,350 --> 00:24:45,059  
a remote view as well and suffered acute

585  
00:24:50,210 --> 00:24:48,360  
regret for performing this act not only

586  
00:24:52,730 --> 00:24:50,220  
for the suffering that her mother would

587  
00:24:56,450 --> 00:24:52,740  
endure but anguish for taking her own

588  
00:25:00,049 --> 00:24:56,460

late her own for for taking another life

589

00:25:03,230 --> 00:25:00,059

and was with child

590

00:25:05,330 --> 00:25:03,240

after I experienced a spinning sensation

591

00:25:07,130 --> 00:25:05,340

it seemed that my entire body had

592

00:25:11,029 --> 00:25:07,140

drifted away no pain

593

00:25:14,510 --> 00:25:11,039

loss of identity zero being dead I

594

00:25:17,750 --> 00:25:14,520

opened my eyes and saw her and screaming

595

00:25:20,690 --> 00:25:17,760

back at me why

596

00:25:23,570 --> 00:25:20,700

why did you do that

597

00:25:24,289 --> 00:25:23,580

not long after I could see people below

598

00:25:26,870 --> 00:25:24,299

me

599

00:25:29,210 --> 00:25:26,880

wandering through the front room

600

00:25:32,750 --> 00:25:29,220

I was floating above them

601  
00:25:36,049 --> 00:25:32,760  
now I went into phase five

602  
00:25:38,810 --> 00:25:36,059  
a colleague asked me to draw to draw a

603  
00:25:41,750 --> 00:25:38,820  
vertical line then to retrace the line

604  
00:25:44,690 --> 00:25:41,760  
from top to bottom at that point I had

605  
00:25:46,130 --> 00:25:44,700  
drifted down into the front room among

606  
00:25:48,350 --> 00:25:46,140  
the people

607  
00:25:50,930 --> 00:25:48,360  
there were police officers and mother

608  
00:25:53,690 --> 00:25:50,940  
and others who I did not recognize

609  
00:25:56,570 --> 00:25:53,700  
then I looked towards the stairs and

610  
00:25:59,750 --> 00:25:56,580  
there he was Anne's Tormentor

611  
00:26:00,950 --> 00:25:59,760  
The Entity that helped perpetuate her

612  
00:26:03,049 --> 00:26:00,960  
sorrow

613  
00:26:05,630 --> 00:26:03,059

he was never going to leave and

614

00:26:08,210 --> 00:26:05,640

regardless of what she did

615

00:26:10,070 --> 00:26:08,220

now this unnamed entity was no longer

616

00:26:13,490 --> 00:26:10,080

attached to Anne since she had passed

617

00:26:15,830 --> 00:26:13,500

away but I feared it may escalate its

618

00:26:17,149 --> 00:26:15,840

harassment of any living resident in the

619

00:26:20,690 --> 00:26:17,159

house

620

00:26:22,490 --> 00:26:20,700

of Anne's father

621

00:26:25,190 --> 00:26:22,500

Ian

622

00:26:27,529 --> 00:26:25,200

he was not an Earthbound spirit and was

623

00:26:30,950 --> 00:26:27,539

able to move in and out of the planes

624

00:26:33,890 --> 00:26:30,960

separating Both Worlds Ian was there to

625

00:26:36,230 --> 00:26:33,900

protect and into comfort those affected

626  
00:26:38,510 --> 00:26:36,240  
by this malevolent entity

627  
00:26:40,250 --> 00:26:38,520  
there are other specifics but because of

628  
00:26:44,210 --> 00:26:40,260  
client confidential this information

629  
00:26:45,649 --> 00:26:44,220  
must remain private so

630  
00:26:47,690 --> 00:26:45,659  
I'm going to talk about the case

631  
00:26:49,669 --> 00:26:47,700  
investigation after the remote view of

632  
00:26:52,450 --> 00:26:49,679  
the on-site investigation

633  
00:26:55,430 --> 00:26:52,460  
uh This House was built in the early

634  
00:26:56,330 --> 00:26:55,440  
1950s a few years at the World War II

635  
00:26:58,490 --> 00:26:56,340  
ended

636  
00:27:00,830 --> 00:26:58,500  
as soon as money and Workforce became

637  
00:27:04,430 --> 00:27:00,840  
available in the UK the housing boom

638  
00:27:06,649 --> 00:27:04,440

began to allow houses to allow homes for

639

00:27:09,169 --> 00:27:06,659

um families that had been bombed others

640

00:27:10,789 --> 00:27:09,179

of our city by the cities are in the

641

00:27:12,110 --> 00:27:10,799

enemy during the war

642

00:27:14,390 --> 00:27:12,120

now

643

00:27:16,190 --> 00:27:14,400

whether this family moved into the house

644

00:27:17,990 --> 00:27:16,200

when it was for the first built or not

645

00:27:21,590 --> 00:27:18,000

I'm not sure

646

00:27:24,110 --> 00:27:21,600

um but we do know that there they were

647

00:27:27,230 --> 00:27:24,120

there in the 1970s

648

00:27:30,169 --> 00:27:27,240

thinking about it I would say that they

649

00:27:31,850 --> 00:27:30,179

were the second family to live there the

650

00:27:33,830 --> 00:27:31,860

family in question consisted of the

651  
00:27:35,450 --> 00:27:33,840  
mother the father Ian and the daughter

652  
00:27:37,850 --> 00:27:35,460  
Anne

653  
00:27:40,310 --> 00:27:37,860  
now we do know that the mother had a

654  
00:27:42,049 --> 00:27:40,320  
brother Ann's Uncle who suffered from

655  
00:27:45,230 --> 00:27:42,059  
schizophrenia

656  
00:27:48,110 --> 00:27:45,240  
which for many back in the 1970s and 80s

657  
00:27:49,970 --> 00:27:48,120  
was scorned by many families preferred

658  
00:27:53,570 --> 00:27:49,980  
not to talk about these things

659  
00:27:56,570 --> 00:27:53,580  
as soon as Ann was growing up

660  
00:27:58,310 --> 00:27:56,580  
as as Ann was growing up she was often

661  
00:27:59,750 --> 00:27:58,320  
seen playing or sneaking around the

662  
00:28:02,029 --> 00:27:59,760  
neighbor's Garden

663  
00:28:05,090 --> 00:28:02,039

with their Uncle picking or pinching the

664

00:28:07,430 --> 00:28:05,100

neighbor's flowers and was her father's

665

00:28:09,049 --> 00:28:07,440

daughter and the two of them doted on

666

00:28:12,470 --> 00:28:09,059

one another

667

00:28:15,950 --> 00:28:12,480

but in the 1980s the day before Anne was

668

00:28:16,789 --> 00:28:15,960

to get her exam results from the cses at

669

00:28:19,549 --> 00:28:16,799

school

670

00:28:21,830 --> 00:28:19,559

which will enable her to find work once

671

00:28:24,169 --> 00:28:21,840

she left school or go to the fir to

672

00:28:25,850 --> 00:28:24,179

further education or college her father

673

00:28:28,610 --> 00:28:25,860

suddenly died

674

00:28:30,769 --> 00:28:28,620

this is more than likely it was more

675

00:28:33,649 --> 00:28:30,779

than likely from a heart attack

676  
00:28:36,470 --> 00:28:33,659  
uh and was devastated and it was from

677  
00:28:38,690 --> 00:28:36,480  
this time on that she became depressed

678  
00:28:41,110 --> 00:28:38,700  
her life not without her father was gone

679  
00:28:43,789 --> 00:28:41,120  
and this totally shattered her

680  
00:28:45,529 --> 00:28:43,799  
depression did not lift but only got

681  
00:28:47,870 --> 00:28:45,539  
worse and worse

682  
00:28:50,690 --> 00:28:47,880  
she never recovered from her father's

683  
00:28:52,250 --> 00:28:50,700  
death because of her uncle's mental

684  
00:28:54,289 --> 00:28:52,260  
history her mother thought the same

685  
00:28:56,210 --> 00:28:54,299  
illness had overcome her daughter

686  
00:28:58,190 --> 00:28:56,220  
and because of the shame of it never

687  
00:28:59,570 --> 00:28:58,200  
sought medical help or medication for

688  
00:29:02,750 --> 00:28:59,580

her daughter

689

00:29:04,850 --> 00:29:02,760

now eight years slowly went by while her

690

00:29:07,310 --> 00:29:04,860

mother was out of the house one day

691

00:29:09,769 --> 00:29:07,320

and climbed up into the attic threw a

692

00:29:11,870 --> 00:29:09,779

rope around one of the Raptors and with

693

00:29:14,390 --> 00:29:11,880

the other end wrapped around her neck

694

00:29:16,130 --> 00:29:14,400

jumped back down through the hatchet

695

00:29:18,230 --> 00:29:16,140

hung herself

696

00:29:20,990 --> 00:29:18,240

at some point in those eight years

697

00:29:23,690 --> 00:29:21,000

during her deep depression

698

00:29:27,110 --> 00:29:23,700

and had attracted an attachment to

699

00:29:30,110 --> 00:29:27,120

herself an Earthbound male who had been

700

00:29:32,389 --> 00:29:30,120

a manic depressive it may have ended his

701

00:29:35,149 --> 00:29:32,399

life by Suicide as well

702

00:29:38,510 --> 00:29:35,159

this entity added to Anne's depression

703

00:29:40,789 --> 00:29:38,520

having not only her own distress but

704

00:29:43,310 --> 00:29:40,799

also the symptoms of the Earthbound and

705

00:29:45,769 --> 00:29:43,320

the control it had over her

706

00:29:47,750 --> 00:29:45,779

after Anne's death the Earthbound no

707

00:29:50,330 --> 00:29:47,760

longer had a hose to hold on to and

708

00:29:54,409 --> 00:29:50,340

released into the house but may still

709

00:30:00,049 --> 00:29:57,529

um these weren't the first two entities

710

00:30:01,549 --> 00:30:00,059

I found in the house now the third was

711

00:30:03,649 --> 00:30:01,559

that of Ian the father

712

00:30:06,590 --> 00:30:03,659

who was not Earthbound but free to come

713

00:30:08,870 --> 00:30:06,600

and go as desired uh he was most likely

714

00:30:11,510 --> 00:30:08,880

drawn to the house through the hole that

715

00:30:13,490 --> 00:30:11,520

has distress held on him not only while

716

00:30:15,289 --> 00:30:13,500

she was alive but after her death as

717

00:30:17,269 --> 00:30:15,299

well

718

00:30:20,269 --> 00:30:17,279

now Anne was not the problem in this

719

00:30:22,730 --> 00:30:20,279

house only being heard occasionally the

720

00:30:24,529 --> 00:30:22,740

problem was this Earthbound male uh who

721

00:30:27,649 --> 00:30:24,539

I at first thought may have been the

722

00:30:30,769 --> 00:30:27,659

uncle until I remotely saw the uncle who

723

00:30:33,769 --> 00:30:30,779

was short and kind of stocky this

724

00:30:34,850 --> 00:30:33,779

Earthbound male was of medium height and

725

00:30:37,669 --> 00:30:34,860

slim

726

00:30:38,990 --> 00:30:37,679

when he materialized to me

727

00:30:41,389 --> 00:30:39,000

now

728

00:30:43,430 --> 00:30:41,399

I do not believe this

729

00:30:46,370 --> 00:30:43,440

Earthbound mail had ever lived in this

730

00:30:48,590 --> 00:30:46,380

house but at one time during Anne's life

731

00:30:49,789 --> 00:30:48,600

saw the opportunity to hitch a ride onto

732

00:30:52,250 --> 00:30:49,799

end

733

00:30:54,230 --> 00:30:52,260

like I said previously he further

734

00:30:57,110 --> 00:30:54,240

complicated her life

735

00:30:59,210 --> 00:30:57,120

and the remote view verified all this

736

00:31:01,549 --> 00:30:59,220

and gave us a very helpful information

737

00:31:04,610 --> 00:31:01,559

now this Earthbound male and the entity

738

00:31:07,490 --> 00:31:04,620

and the events was shown to Me Through

739

00:31:09,350 --> 00:31:07,500

The Eyes Of Anne the Target that my

740

00:31:12,169 --> 00:31:09,360

colleagues set was the last day in the

741

00:31:14,750 --> 00:31:12,179

life of Anne herself

742

00:31:16,970 --> 00:31:14,760

now we started to remotely work on this

743

00:31:19,130 --> 00:31:16,980

case about two and a half weeks

744

00:31:20,690 --> 00:31:19,140

beforehand by altering the atmosphere in

745

00:31:23,090 --> 00:31:20,700

the house in preparation for the

746

00:31:24,889 --> 00:31:23,100

clearing the comfort of the family now

747

00:31:27,590 --> 00:31:24,899

living there

748

00:31:30,289 --> 00:31:27,600

then during the third week we came we

749

00:31:34,250 --> 00:31:30,299

went ahead with the clearing now today

750

00:31:35,870 --> 00:31:34,260

we had confirmation when I say today I'm

751  
00:31:38,169 --> 00:31:35,880  
talking about

752  
00:31:40,610 --> 00:31:38,179  
we maybe

753  
00:31:42,769 --> 00:31:40,620  
like 2010

754  
00:31:44,090 --> 00:31:42,779  
uh we have confirmation of the homeowner

755  
00:31:46,610 --> 00:31:44,100  
that it worked although it was before

756  
00:31:48,830 --> 00:31:46,620  
with previous case it'd be still

757  
00:31:51,049 --> 00:31:48,840  
we were still in what we call the

758  
00:31:52,730 --> 00:31:51,059  
probationary period this is

759  
00:31:55,190 --> 00:31:52,740  
approximately two to three weeks after

760  
00:31:58,430 --> 00:31:55,200  
clearing in which we eat the locations

761  
00:32:00,649 --> 00:31:58,440  
continually observed

762  
00:32:05,389 --> 00:32:02,750  
we knew that there was no need to clear

763  
00:32:08,330 --> 00:32:05,399

the father as he was not EarthBound

764

00:32:10,909 --> 00:32:08,340

so the first interview was uh Ann

765

00:32:13,669 --> 00:32:10,919

herself while working on Anne we saw her

766

00:32:16,130 --> 00:32:13,679

father come forward and take her

767

00:32:17,870 --> 00:32:16,140

we had to change her view as she could

768

00:32:20,510 --> 00:32:17,880

see her father Through The Eyes of what

769

00:32:22,430 --> 00:32:20,520

child she once was of that child that

770

00:32:25,850 --> 00:32:22,440

she once was in order to remove all the

771

00:32:28,070 --> 00:32:25,860

dark emotions that was holding her back

772

00:32:30,289 --> 00:32:28,080

this occurred quicker than we thought it

773

00:32:32,510 --> 00:32:30,299

would and once her energy had been

774

00:32:34,310 --> 00:32:32,520

changed it took only 20 minutes or so to

775

00:32:36,289 --> 00:32:34,320

get her to go through

776

00:32:38,510 --> 00:32:36,299

now the Earthbound male was more

777

00:32:41,330 --> 00:32:38,520

difficult

778

00:32:44,690 --> 00:32:41,340

if he was alive today one would say that

779

00:32:47,510 --> 00:32:44,700

he was an obstinate stubborn man racked

780

00:32:49,430 --> 00:32:47,520

with guilt through his eyes the world

781

00:32:52,010 --> 00:32:49,440

was very gray

782

00:32:53,389 --> 00:32:52,020

his depression level was an extremely

783

00:32:56,090 --> 00:32:53,399

high level

784

00:32:58,669 --> 00:32:56,100

this had to be altered in order to get

785

00:33:01,070 --> 00:32:58,679

him to cross over

786

00:33:03,289 --> 00:33:01,080

the sadness and frustration of this

787

00:33:06,230 --> 00:33:03,299

entity resulted in the banging and

788

00:33:08,149 --> 00:33:06,240

crashing never heard any EVPs

789

00:33:09,769 --> 00:33:08,159

this was apparently worse than the

790

00:33:11,510 --> 00:33:09,779

investigative team

791

00:33:13,490 --> 00:33:11,520

this was apparently worse when the

792

00:33:16,370 --> 00:33:13,500

investigative team visited for a second

793

00:33:18,889 --> 00:33:16,380

time as he felt threatened by them

794

00:33:21,110 --> 00:33:18,899

in one way he was crying out for help

795

00:33:24,350 --> 00:33:21,120

and the other he did not want anyone

796

00:33:28,070 --> 00:33:24,360

near him for fear of what would happen

797

00:33:29,690 --> 00:33:28,080

he had lost his host body and and his

798

00:33:33,110 --> 00:33:29,700

comfort zone was gone

799

00:33:35,450 --> 00:33:33,120

this made him more lost in himself

800

00:33:36,950 --> 00:33:35,460

he had no trust in anyone who attempted

801  
00:33:39,230 --> 00:33:36,960  
to help him

802  
00:33:41,330 --> 00:33:39,240  
this could only have been the conditions

803  
00:33:43,909 --> 00:33:41,340  
he had in life liter or no trust in

804  
00:33:46,070 --> 00:33:43,919  
anyone it took over an hour before we

805  
00:33:47,630 --> 00:33:46,080  
finally succeeded

806  
00:33:51,169 --> 00:33:47,640  
now

807  
00:33:53,029 --> 00:33:51,179  
at this time Anne's mother was quite old

808  
00:33:55,850 --> 00:33:53,039  
and frail

809  
00:33:58,610 --> 00:33:55,860  
she had sold the house to our clients

810  
00:34:00,409 --> 00:33:58,620  
but a few weeks after the sale came back

811  
00:34:03,169 --> 00:34:00,419  
one more time

812  
00:34:06,830 --> 00:34:03,179  
she asked the family our clients to go

813  
00:34:08,750 --> 00:34:06,840

if she could go upstairs by herself

814

00:34:10,609 --> 00:34:08,760

they gave her their permission she

815

00:34:11,990 --> 00:34:10,619

struggled up the stairs practically

816

00:34:13,970 --> 00:34:12,000

crawling on

817

00:34:17,270 --> 00:34:13,980

her hands and knees

818

00:34:19,129 --> 00:34:17,280

she should stop she stood silently on

819

00:34:20,750 --> 00:34:19,139

the landing just underneath the attic

820

00:34:23,450 --> 00:34:20,760

access hatch

821

00:34:25,550 --> 00:34:23,460

when she was ready to come down our male

822

00:34:26,930 --> 00:34:25,560

client actually carried her back down

823

00:34:29,810 --> 00:34:26,940

the stairs

824

00:34:30,950 --> 00:34:29,820

was this her saying goodbye to her loved

825

00:34:33,530 --> 00:34:30,960

ones

826

00:34:35,750 --> 00:34:33,540

we really think it was uh now none of

827

00:34:38,030 --> 00:34:35,760

these entities were direct threat to

828

00:34:40,730 --> 00:34:38,040

those client family the energies were

829

00:34:43,430 --> 00:34:40,740

just wrapped up in their own sadness and

830

00:34:44,930 --> 00:34:43,440

desolation and hopefully this case is

831

00:34:46,490 --> 00:34:44,940

closed and since then I haven't heard

832

00:34:49,129 --> 00:34:46,500

anything I haven't heard there's been

833

00:34:50,629 --> 00:34:49,139

any reoccurrence of anything

834

00:34:53,570 --> 00:34:50,639

from anyone

835

00:34:59,030 --> 00:34:58,310

it this was this was an interesting RV

836

00:35:02,030 --> 00:34:59,040

um

837

00:35:04,849 --> 00:35:02,040

it's not the only time that I've

838

00:35:06,890 --> 00:35:04,859

been able to sense things through the

839

00:35:07,730 --> 00:35:06,900

actual

840

00:35:09,770 --> 00:35:07,740

um

841

00:35:13,310 --> 00:35:09,780

Departed

842

00:35:16,310 --> 00:35:13,320

Spirit but um

843

00:35:17,750 --> 00:35:16,320

it is what it is so um but no this is a

844

00:35:20,089 --> 00:35:17,760

very interesting case

845

00:35:21,890 --> 00:35:20,099

so if you have questions I'll be more

846

00:35:24,829 --> 00:35:21,900

than happy to answer Let's see we got

847

00:35:26,150 --> 00:35:24,839

some stored questions here

848

00:35:28,730 --> 00:35:26,160

um

849

00:35:30,650 --> 00:35:28,740

how does someone become a remote viewer

850

00:35:32,690 --> 00:35:30,660

well in my case I was lucky enough to

851  
00:35:35,870 --> 00:35:32,700  
find somebody who had actually worked

852  
00:35:37,970 --> 00:35:35,880  
for MI6 and was it a train reviewer and

853  
00:35:39,290 --> 00:35:37,980  
psychic

854  
00:35:41,329 --> 00:35:39,300  
um

855  
00:35:43,490 --> 00:35:41,339  
you know I know people who have taken

856  
00:35:46,750 --> 00:35:43,500  
courses and and

857  
00:35:49,970 --> 00:35:46,760  
they believe that it has helped them

858  
00:35:52,310 --> 00:35:49,980  
uh if if you do

859  
00:35:53,750 --> 00:35:52,320  
learn how to remote view I would suggest

860  
00:35:56,510 --> 00:35:53,760  
either

861  
00:35:58,609 --> 00:35:56,520  
doing a society do it by scientific

862  
00:36:00,230 --> 00:35:58,619  
remove viewing or controlled removing

863  
00:36:02,510 --> 00:36:00,240

CRV

864

00:36:07,430 --> 00:36:02,520

uh that's how I learned

865

00:36:09,530 --> 00:36:07,440

and uh it takes time I literally

866

00:36:11,750 --> 00:36:09,540

I literally worked with

867

00:36:15,950 --> 00:36:11,760

this remote viewer for six months

868

00:36:18,109 --> 00:36:15,960

because she lived in Wales uh I did we

869

00:36:20,690 --> 00:36:18,119

did it through Skype

870

00:36:22,790 --> 00:36:20,700

but uh I did learn a lot and I have you

871

00:36:25,130 --> 00:36:22,800

and I still use it occasionally even for

872

00:36:27,349 --> 00:36:25,140

cryptic cases but it has come in handy

873

00:36:29,210 --> 00:36:27,359

but no that's the way I I think you can

874

00:36:32,690 --> 00:36:29,220

probably

875

00:36:35,089 --> 00:36:32,700

use it uh uh can these entities

876

00:36:36,530 --> 00:36:35,099

influence people or hurt them physically

877

00:36:39,650 --> 00:36:36,540

sure

878

00:36:43,490 --> 00:36:39,660

in some cases they can in this case

879

00:36:46,010 --> 00:36:43,500

the clients actually it was affecting

880

00:36:48,349 --> 00:36:46,020

their their young son he was seeing

881

00:36:53,690 --> 00:36:48,359

these entities Through the Mirror

882

00:36:57,589 --> 00:36:55,670

but uh that's the only way they knew

883

00:37:00,050 --> 00:36:57,599

about what that something was going on

884

00:37:02,210 --> 00:37:00,060

that he had described something

885

00:37:04,069 --> 00:37:02,220

uh what effect does the remote viewing

886

00:37:05,569 --> 00:37:04,079

have when you add towards like there are

887

00:37:08,630 --> 00:37:05,579

side effects in general yeah there can

888

00:37:11,390 --> 00:37:08,640

be um I you know during your remote view

889

00:37:14,150 --> 00:37:11,400

is probably the most dangerous time

890

00:37:16,250 --> 00:37:14,160

um I've had physical

891

00:37:18,710 --> 00:37:16,260

or psychic attacks

892

00:37:19,849 --> 00:37:18,720

I literally had a laceration I've talked

893

00:37:21,410 --> 00:37:19,859

about this before I had a lot of

894

00:37:24,109 --> 00:37:21,420

laceration done

895

00:37:28,010 --> 00:37:24,119

from my sternum to my belly button that

896

00:37:30,349 --> 00:37:28,020

needed treatment also uh bruised some

897

00:37:33,650 --> 00:37:30,359

ribs on my left side as well

898

00:37:35,870 --> 00:37:33,660

and psychic attacks are

899

00:37:37,970 --> 00:37:35,880

they were common in some cases

900

00:37:40,670 --> 00:37:37,980

especially if you get

901  
00:37:46,069 --> 00:37:40,680  
um if you get a really strong entity and

902  
00:37:50,030 --> 00:37:47,870  
um

903  
00:37:51,470 --> 00:37:50,040  
Vincent are these negative entities

904  
00:37:55,849 --> 00:37:51,480  
demons

905  
00:37:57,890 --> 00:37:55,859  
they're just evil

906  
00:38:01,250 --> 00:37:57,900  
um

907  
00:38:03,349 --> 00:38:01,260  
entities

908  
00:38:05,810 --> 00:38:03,359  
but they're

909  
00:38:08,410 --> 00:38:05,820  
they're malevolent and uh it's it's from

910  
00:38:12,290 --> 00:38:08,420  
their time from being alive

911  
00:38:14,390 --> 00:38:12,300  
so um it kind of It kind of

912  
00:38:17,870 --> 00:38:14,400  
takes on its own

913  
00:38:20,329 --> 00:38:17,880

form in death but they remain EarthBound

914

00:38:22,670 --> 00:38:20,339

and that if they become root bound they

915

00:38:25,430 --> 00:38:22,680

they usually will

916

00:38:28,130 --> 00:38:25,440

find a host like to do with Anne

917

00:38:30,589 --> 00:38:28,140

and um and an interesting thing I never

918

00:38:33,109 --> 00:38:30,599

did identify who this person was who

919

00:38:35,270 --> 00:38:33,119

this entity was in life

920

00:38:36,890 --> 00:38:35,280

do you feel that we all have capability

921

00:38:39,890 --> 00:38:36,900

to remove you absolutely I think

922

00:38:42,109 --> 00:38:39,900

everybody has the ability to even become

923

00:38:45,770 --> 00:38:42,119

an intuitive

924

00:38:47,750 --> 00:38:45,780

um sometimes this is easier for others

925

00:38:49,550 --> 00:38:47,760

um but no I think I think everybody's

926  
00:38:52,609 --> 00:38:49,560  
capable of it

927  
00:38:56,089 --> 00:38:52,619  
and Nancy asked has any entity tried to

928  
00:38:59,089 --> 00:38:56,099  
talk to them first case

929  
00:39:00,230 --> 00:38:59,099  
um it happens occasionally

930  
00:39:04,010 --> 00:39:00,240  
um

931  
00:39:06,470 --> 00:39:04,020  
I've only had a few cases like that

932  
00:39:09,290 --> 00:39:06,480  
but uh

933  
00:39:13,750 --> 00:39:09,300  
it's not like an audio

934  
00:39:20,990 --> 00:39:17,930  
psychically or intuitively

935  
00:39:22,910 --> 00:39:21,000  
um many times many times it occurs at

936  
00:39:24,829 --> 00:39:22,920  
night time right before the time they're

937  
00:39:29,089 --> 00:39:24,839  
going to sleep or that period of time

938  
00:39:34,130 --> 00:39:31,910

that happens to me occasionally uh if

939

00:39:36,349 --> 00:39:34,140

there's a spirit near me

940

00:39:37,910 --> 00:39:36,359

trying to get my attention they will try

941

00:39:42,050 --> 00:39:37,920

to talk to me

942

00:39:42,060 --> 00:39:47,210

okay

943

00:39:47,220 --> 00:39:51,650

so this last case

944

00:39:51,660 --> 00:39:54,890

now

945

00:39:59,510 --> 00:39:57,490

this is an old

946

00:40:01,609 --> 00:39:59,520

some of you may know I began

947

00:40:04,069 --> 00:40:01,619

investigating Paranormal Activity back

948

00:40:06,170 --> 00:40:04,079

in 1977.

949

00:40:08,510 --> 00:40:06,180

and back then there were very few

950

00:40:10,310 --> 00:40:08,520

investigators on explained phenomenon

951  
00:40:13,250 --> 00:40:10,320  
this particular investigation was

952  
00:40:16,910 --> 00:40:13,260  
conducted in 1984

953  
00:40:19,190 --> 00:40:16,920  
at a location near my former workplace

954  
00:40:21,170 --> 00:40:19,200  
some of Maryland's most interesting

955  
00:40:22,069 --> 00:40:21,180  
history occurred along the Patapsco

956  
00:40:24,710 --> 00:40:22,079  
River

957  
00:40:27,109 --> 00:40:24,720  
from pars spring to Elkridge the river

958  
00:40:30,829 --> 00:40:27,119  
Valley's geography goes from a cold

959  
00:40:32,930 --> 00:40:30,839  
Piedmont stream to a rugged Rocky Gorge

960  
00:40:36,349 --> 00:40:32,940  
into a coastal plain

961  
00:40:37,130 --> 00:40:36,359  
may my investigations at that time have

962  
00:40:39,410 --> 00:40:37,140  
been

963  
00:40:40,790 --> 00:40:39,420

in locations closely related to the

964

00:40:42,829 --> 00:40:40,800

river

965

00:40:45,290 --> 00:40:42,839

many paranormal investigators have

966

00:40:47,390 --> 00:40:45,300

concentrated on locales around Ellicott

967

00:40:50,230 --> 00:40:47,400

City Maryland I prefer to dive deeper

968

00:40:52,609 --> 00:40:50,240

into Patapsco River's haunted history

969

00:40:55,130 --> 00:40:52,619

so uh

970

00:40:58,550 --> 00:40:55,140

now this look this investigation took

971

00:41:00,770 --> 00:40:58,560

place in August of 1984.

972

00:41:03,290 --> 00:41:00,780

in a location about a half mile

973

00:41:06,470 --> 00:41:03,300

Downstream from the Frederick Road

974

00:41:08,390 --> 00:41:06,480

Bridge at Ellicott City on River Road

975

00:41:11,329 --> 00:41:08,400

now River Road beers right from

976  
00:41:12,829 --> 00:41:11,339  
Frederick Road he descends into

977  
00:41:15,290 --> 00:41:12,839  
the riverbank

978  
00:41:18,050 --> 00:41:15,300  
as soon as the road levels about 400

979  
00:41:21,589 --> 00:41:18,060  
foot from the turn you see a back wall

980  
00:41:24,349 --> 00:41:21,599  
of an old building against the hillside

981  
00:41:26,150 --> 00:41:24,359  
now above this wall was a Baltimore Gas

982  
00:41:28,190 --> 00:41:26,160  
and Electric substation which was

983  
00:41:31,430 --> 00:41:28,200  
located up on Frederick Road

984  
00:41:34,670 --> 00:41:31,440  
this uh property was also owned by BG e

985  
00:41:37,670 --> 00:41:34,680  
though at the time of this investigation

986  
00:41:41,030 --> 00:41:37,680  
there were more building structure in in

987  
00:41:44,210 --> 00:41:41,040  
the area was accessible to most anyone

988  
00:41:45,349 --> 00:41:44,220

this area is historically known as graze

989

00:41:47,390 --> 00:41:45,359

Mill

990

00:41:50,089 --> 00:41:47,400

it was originally a Methodist Church

991

00:41:54,370 --> 00:41:50,099

later enlarged and fitted as a paper

992

00:41:57,410 --> 00:41:54,380

mill in fact it was advertised in 1807

993

00:41:59,450 --> 00:41:57,420

as the largest paper mill in the U.S

994

00:42:02,030 --> 00:41:59,460

Edward gray and other investing

995

00:42:05,089 --> 00:42:02,040

investors soon purchased the mill

996

00:42:06,410 --> 00:42:05,099

and transform it into a major cotton

997

00:42:08,690 --> 00:42:06,420

duck plant

998

00:42:11,270 --> 00:42:08,700

now after the heat after a huge fire

999

00:42:14,150 --> 00:42:11,280

where he rebuilt the plant into the

1000

00:42:16,810 --> 00:42:14,160

largest cotton mill cotton cloth Mill in

1001

00:42:19,490 --> 00:42:16,820

the U.S and named it Patapsco

1002

00:42:21,950 --> 00:42:19,500

manufacturing company

1003

00:42:23,569 --> 00:42:21,960

now uh and I hope you all don't mind the

1004

00:42:26,329 --> 00:42:23,579

history I like to talk about the history

1005

00:42:29,089 --> 00:42:26,339

of my cases many times

1006

00:42:31,069 --> 00:42:29,099

so gray built a large Mansion adjacent

1007

00:42:34,670 --> 00:42:31,079

to the mill where he his wife and

1008

00:42:37,730 --> 00:42:34,680

daughters live happily for many years

1009

00:42:41,329 --> 00:42:37,740

in 1829 Gray's daughter Elizabeth

1010

00:42:43,550 --> 00:42:41,339

married John Pendleton Kennedy and a

1011

00:42:45,349 --> 00:42:43,560

couple lived in the Mansion now Kennedy

1012

00:42:46,670 --> 00:42:45,359

was a well-known writer and lawyer in

1013

00:42:48,530 --> 00:42:46,680

Baltimore

1014

00:42:51,770 --> 00:42:48,540

who had reached the Pinnacle of social

1015

00:42:54,710 --> 00:42:51,780

status at a fairly young age he had her

1016

00:42:56,750 --> 00:42:54,720

politics and was elected to congress

1017

00:43:00,230 --> 00:42:56,760

and later was appointed as Secretary of

1018

00:43:02,809 --> 00:43:00,240

the Navy under President Miller Fillmore

1019

00:43:04,910 --> 00:43:02,819

the list of guests and friends who

1020

00:43:06,410 --> 00:43:04,920

visited and stayed at his home was

1021

00:43:09,950 --> 00:43:06,420

pretty remarkable

1022

00:43:13,609 --> 00:43:09,960

Edgar Allan Poe James Fenimore Cooper

1023

00:43:16,970 --> 00:43:13,619

Washington Irving Charles Dickens Andrew

1024

00:43:19,550 --> 00:43:16,980

Jackson Commodore Perry James Madison

1025

00:43:21,349 --> 00:43:19,560

Francis Scott Key and many more

1026

00:43:23,569 --> 00:43:21,359

important writers and Statesman spent

1027

00:43:26,510 --> 00:43:23,579

time at this mansion

1028

00:43:28,670 --> 00:43:26,520

uh Kennedy's library was said to be the

1029

00:43:31,370 --> 00:43:28,680

most impressive private library in the

1030

00:43:33,410 --> 00:43:31,380

country continuing many European first

1031

00:43:36,349 --> 00:43:33,420

editions in the works of famous friends

1032

00:43:39,170 --> 00:43:36,359

that were never published

1033

00:43:43,370 --> 00:43:39,180

as well Kennedy had a spectacular Garden

1034

00:43:45,290 --> 00:43:43,380

Groove Washington Irving was known to

1035

00:43:47,569 --> 00:43:45,300

spend many evenings sitting among the

1036

00:43:49,790 --> 00:43:47,579

trees gazing upon the river

1037

00:43:52,309 --> 00:43:49,800

Elizabeth Kennedy would stand on the

1038

00:43:54,410 --> 00:43:52,319

riverbank and wave an American flag as

1039

00:43:55,970 --> 00:43:54,420

Union Soldiers with Hoot and Holler from

1040

00:43:58,069 --> 00:43:55,980

the train in the West Bank of the river

1041

00:44:01,910 --> 00:43:58,079

heading towards Baltimore

1042

00:44:03,589 --> 00:44:01,920

all this would change in 1868 when the

1043

00:44:05,210 --> 00:44:03,599

flood of the century swept through the

1044

00:44:07,010 --> 00:44:05,220

valley and watched most of the mansion

1045

00:44:09,290 --> 00:44:07,020

and contents away

1046

00:44:11,690 --> 00:44:09,300

the Kennedys were devastated and forced

1047

00:44:14,270 --> 00:44:11,700

to move from their beloved Valley

1048

00:44:17,270 --> 00:44:14,280

now for several years

1049

00:44:19,670 --> 00:44:17,280

I have been told about strange lice

1050

00:44:22,309 --> 00:44:19,680

lights and myths that emanated from the

1051

00:44:24,290 --> 00:44:22,319

mansionary on River Road

1052

00:44:26,750 --> 00:44:24,300

and this happened mostly at night for

1053

00:44:29,210 --> 00:44:26,760

many years previous

1054

00:44:31,910 --> 00:44:29,220

the riverbank was a hangout spot for

1055

00:44:33,950 --> 00:44:31,920

local kids until the state built mounds

1056

00:44:36,470 --> 00:44:33,960

and barriers on a riverbank to block

1057

00:44:39,290 --> 00:44:36,480

cars from parking

1058

00:44:41,990 --> 00:44:39,300

the sightings began after the parking

1059

00:44:44,030 --> 00:44:42,000

areas were removed and the area was

1060

00:44:47,270 --> 00:44:44,040

quiet in the evening hours

1061

00:44:50,390 --> 00:44:47,280

and I had personally noticed fog in this

1062

00:44:52,490 --> 00:44:50,400

area because it was Swampy and there is

1063

00:44:54,410 --> 00:44:52,500

a small drainage stream that flows

1064

00:44:57,410 --> 00:44:54,420

through the location

1065

00:44:59,210 --> 00:44:57,420

I decided to investigate on the night

1066

00:45:01,010 --> 00:44:59,220

and there would be minimal traffic on

1067

00:45:02,990 --> 00:45:01,020

River Road namely when the mill was down

1068

00:45:04,970 --> 00:45:03,000

or shut down

1069

00:45:07,309 --> 00:45:04,980

I received permission to park my car in

1070

00:45:09,589 --> 00:45:07,319

a small private lot on Frederick Road

1071

00:45:11,870 --> 00:45:09,599

and walk down to River Road to the Graze

1072

00:45:13,790 --> 00:45:11,880

Mill location

1073

00:45:16,670 --> 00:45:13,800

a friend who had worked with me

1074

00:45:19,130 --> 00:45:16,680

previously accompanied me to the site

1075

00:45:21,470 --> 00:45:19,140

we decided to walk around the grounds as

1076

00:45:23,450 --> 00:45:21,480

best as we could and see if we could

1077

00:45:26,450 --> 00:45:23,460

observe any activity

1078

00:45:29,150 --> 00:45:26,460

now we started at 7 30 p.m and used the

1079

00:45:30,050 --> 00:45:29,160

remaining light to get our bearings to

1080

00:45:34,250 --> 00:45:30,060

which

1081

00:45:37,970 --> 00:45:34,260

concentrate the area was the weather was

1082

00:45:39,589 --> 00:45:37,980

very warm humid in the mid 80s and clear

1083

00:45:43,490 --> 00:45:39,599

we I just decided we would stick

1084

00:45:46,490 --> 00:45:43,500

together because of the swampy Terrain

1085

00:45:49,069 --> 00:45:46,500

now we set up along the Mansion remnants

1086

00:45:51,710 --> 00:45:49,079

that included large pieces of granite

1087

00:45:53,690 --> 00:45:51,720

strewn randomly

1088

00:45:57,170 --> 00:45:53,700

it was a large part of the back wall

1089

00:45:59,569 --> 00:45:57,180

remaining so we sat there and waited as

1090

00:46:01,670 --> 00:45:59,579

dust came and the area became alive with

1091

00:46:03,890 --> 00:46:01,680

peepers which are small frogs that sing

1092

00:46:05,930 --> 00:46:03,900

in the Moonlight

1093

00:46:07,970 --> 00:46:05,940

behind the wall in the high bank that

1094

00:46:09,470 --> 00:46:07,980

extends up toward Nine Mile Hill into

1095

00:46:11,390 --> 00:46:09,480

Frederick Road

1096

00:46:13,730 --> 00:46:11,400

we could we could barely hear the

1097

00:46:14,990 --> 00:46:13,740

traffic on the main road above us and

1098

00:46:16,790 --> 00:46:15,000

behind us

1099

00:46:18,170 --> 00:46:16,800

it was very peaceful as the river

1100

00:46:19,670 --> 00:46:18,180

rippled through the valley and the

1101

00:46:22,250 --> 00:46:19,680

Moonlight bounced all the water

1102

00:46:24,470 --> 00:46:22,260

providing a dancing lights against the

1103

00:46:27,770 --> 00:46:24,480

opposite Bank

1104

00:46:30,650 --> 00:46:27,780

now around 10 30 p.m we started hearing

1105

00:46:32,990 --> 00:46:30,660

sounds on the hill directly behind us

1106

00:46:35,030 --> 00:46:33,000

I figured it was probably a raccoon or a

1107

00:46:37,490 --> 00:46:35,040

possum looking for a meal but after a

1108

00:46:39,410 --> 00:46:37,500

couple minutes I heard a rustling in the

1109

00:46:41,089 --> 00:46:39,420

high weeds to our left and could see

1110

00:46:43,190 --> 00:46:41,099

movement

1111

00:46:46,730 --> 00:46:43,200

I pointed the flashlight toward Jerry

1112

00:46:48,650 --> 00:46:46,740

and noticed nothing as soon as I turned

1113

00:46:50,930 --> 00:46:48,660

the flashlight off

1114

00:46:53,030 --> 00:46:50,940

since the presence of something my

1115

00:46:56,450 --> 00:46:53,040

friend suddenly commented that he felt a

1116

00:46:59,030 --> 00:46:56,460

chill sweep by his right ear

1117

00:47:00,770 --> 00:46:59,040

The Entity Essence was definitely that

1118

00:47:02,630 --> 00:47:00,780

of a woman

1119

00:47:05,030 --> 00:47:02,640

she seemed to be joyful and was

1120

00:47:06,890 --> 00:47:05,040

definitely enjoying herself I started to

1121

00:47:10,670 --> 00:47:06,900

get a deeper sense of the spirit and

1122

00:47:12,710 --> 00:47:10,680

started to see the name Catherine

1123

00:47:15,109 --> 00:47:12,720

there were a few cold spots along the

1124

00:47:18,290 --> 00:47:15,119

wall but there was no vibration normally

1125

00:47:20,510 --> 00:47:18,300

associated with a Vortex her presence

1126  
00:47:21,410 --> 00:47:20,520  
continued off and on for about a half an

1127  
00:47:23,690 --> 00:47:21,420  
hour

1128  
00:47:26,270 --> 00:47:23,700  
I tried to get an indication from the

1129  
00:47:29,270 --> 00:47:26,280  
spirit if out if it were was aware of

1130  
00:47:31,250 --> 00:47:29,280  
that we were present I walked around to

1131  
00:47:34,190 --> 00:47:31,260  
see if I could get a better gauge of her

1132  
00:47:36,950 --> 00:47:34,200  
presence the best sign I could get

1133  
00:47:39,170 --> 00:47:36,960  
was an occasional sweeping sound in high

1134  
00:47:41,690 --> 00:47:39,180  
grass

1135  
00:47:44,210 --> 00:47:41,700  
now this activity continued past

1136  
00:47:46,430 --> 00:47:44,220  
midnight until we noticed a scent of

1137  
00:47:50,510 --> 00:47:46,440  
honeysuckle

1138  
00:47:51,589 --> 00:47:50,520

the area and the scent was getting very

1139

00:47:54,950 --> 00:47:51,599

strong

1140

00:47:57,230 --> 00:47:54,960

almost to the point of being sickening

1141

00:47:59,750 --> 00:47:57,240

and then we noticed her

1142

00:48:01,670 --> 00:47:59,760

directly in front of us at a distance

1143

00:48:04,849 --> 00:48:01,680

about 20 yards

1144

00:48:07,309 --> 00:48:04,859

we became aware of a misty full-bodied

1145

00:48:08,630 --> 00:48:07,319

Apparition of a woman with blonder gray

1146

00:48:11,510 --> 00:48:08,640

hair

1147

00:48:15,109 --> 00:48:11,520

and a light blue dress moving left to

1148

00:48:17,210 --> 00:48:15,119

right then proceeding towards the road

1149

00:48:19,190 --> 00:48:17,220

and she would move back towards us it

1150

00:48:21,050 --> 00:48:19,200

was a very spooky sight because it

1151  
00:48:24,050 --> 00:48:21,060  
seemed she would light up occasionally

1152  
00:48:26,569 --> 00:48:24,060  
revealing her facial features in here

1153  
00:48:29,809 --> 00:48:26,579  
we watched this for a few minutes when I

1154  
00:48:31,849 --> 00:48:29,819  
decided to try to communicate

1155  
00:48:33,530 --> 00:48:31,859  
I slowly got on my feet and walked

1156  
00:48:35,870 --> 00:48:33,540  
towards her

1157  
00:48:38,390 --> 00:48:35,880  
I stopped and watched her move around me

1158  
00:48:39,349 --> 00:48:38,400  
when suddenly she started moving towards

1159  
00:48:41,510 --> 00:48:39,359  
me

1160  
00:48:45,109 --> 00:48:41,520  
instantly I was hitting the face with

1161  
00:48:48,410 --> 00:48:45,119  
that sickly sunnysuckle scent

1162  
00:48:50,750 --> 00:48:48,420  
this time he made my eyes and nose burn

1163  
00:48:52,970 --> 00:48:50,760

I tried to look around me but could not

1164

00:48:55,790 --> 00:48:52,980

see on our sense her my eyesight was

1165

00:48:57,890 --> 00:48:55,800

blurry and I was very uncomfortable

1166

00:49:00,050 --> 00:48:57,900

my partner said that she moved off

1167

00:49:01,010 --> 00:49:00,060

towards the road and he lost sight of

1168

00:49:04,069 --> 00:49:01,020

her

1169

00:49:05,690 --> 00:49:04,079

I then realized

1170

00:49:07,609 --> 00:49:05,700

that I should have restrained from

1171

00:49:09,410 --> 00:49:07,619

making any physical contact and believe

1172

00:49:11,990 --> 00:49:09,420

me I don't do that anymore

1173

00:49:13,970 --> 00:49:12,000

uh this could have easily been a serious

1174

00:49:16,550 --> 00:49:13,980

situation the spirit was benevolent

1175

00:49:18,770 --> 00:49:16,560

frankly I knew better all indications

1176

00:49:21,950 --> 00:49:18,780

are that this was a visiting Specter

1177

00:49:23,690 --> 00:49:21,960

that there was no residual haunting at

1178

00:49:26,270 --> 00:49:23,700

least by this spirit

1179

00:49:28,069 --> 00:49:26,280

and we waited another half an hour but

1180

00:49:29,870 --> 00:49:28,079

noticed nothing further frankly that

1181

00:49:32,450 --> 00:49:29,880

hood or a honeysuckle was still on me

1182

00:49:33,349 --> 00:49:32,460

and I was ready to go home and wash it

1183

00:49:35,750 --> 00:49:33,359

off

1184

00:49:39,290 --> 00:49:35,760

so one interesting side note is when I

1185

00:49:41,690 --> 00:49:39,300

got home my wife my first wife

1186

00:49:44,210 --> 00:49:41,700

thought I was crazy because

1187

00:49:46,790 --> 00:49:44,220

she did not notice any Sunny horoscycles

1188

00:49:49,490 --> 00:49:46,800

scent of honeysuckles

1189

00:49:52,130 --> 00:49:49,500

uh but later on

1190

00:49:54,230 --> 00:49:52,140

it it started to emanate for almost a

1191

00:49:55,910 --> 00:49:54,240

week and she wouldn't sleep in the bed I

1192

00:49:56,630 --> 00:49:55,920

mean she she slipped out in the living

1193

00:50:01,069 --> 00:49:56,640

room

1194

00:50:03,650 --> 00:50:01,079

now

1195

00:50:05,750 --> 00:50:03,660

I have checked the name Catherine for

1196

00:50:07,370 --> 00:50:05,760

many years and the best I can speculate

1197

00:50:09,530 --> 00:50:07,380

is that Catherine

1198

00:50:11,870 --> 00:50:09,540

was either a guest or friend of the

1199

00:50:13,250 --> 00:50:11,880

grayer Kennedy family who had drawn to

1200

00:50:16,130 --> 00:50:13,260

the location

1201  
00:50:19,010 --> 00:50:16,140  
I never received any indications of

1202  
00:50:21,230 --> 00:50:19,020  
sorrow or evil from her while she

1203  
00:50:23,450 --> 00:50:21,240  
visited us that August evening it's too

1204  
00:50:27,589 --> 00:50:23,460  
bad that this is not the case with most

1205  
00:50:33,530 --> 00:50:29,750  
so folks you have any questions I'll be

1206  
00:50:36,290 --> 00:50:33,540  
more than glad to ask them answer them

1207  
00:50:37,970 --> 00:50:36,300  
uh

1208  
00:50:40,370 --> 00:50:37,980  
what is that

1209  
00:50:42,530 --> 00:50:40,380  
hotel in California connected to royalty

1210  
00:50:44,089 --> 00:50:42,540  
back in the day Crowley stayed there

1211  
00:50:45,710 --> 00:50:44,099  
I don't know which one you're talking

1212  
00:50:49,010 --> 00:50:45,720  
about you know the only

1213  
00:50:52,010 --> 00:50:49,020

the only Hotel I know in California that

1214

00:50:54,230 --> 00:50:52,020

has been considered really haunted is

1215

00:50:56,450 --> 00:50:54,240

the Coronado which is in San Diego I

1216

00:50:59,569 --> 00:50:56,460

think they tore that down I had to check

1217

00:51:01,670 --> 00:50:59,579

with um Nicole Strickland but I think

1218

00:51:02,750 --> 00:51:01,680

they actually they they tore that place

1219

00:51:06,109 --> 00:51:02,760

down

1220

00:51:08,210 --> 00:51:06,119

uh off topic from Ferndale topic but

1221

00:51:10,250 --> 00:51:08,220

have you had any cases involving

1222

00:51:13,790 --> 00:51:10,260

doppelgangers

1223

00:51:15,349 --> 00:51:13,800

no cases that I investigated I have

1224

00:51:17,390 --> 00:51:15,359

received a lot of reports of

1225

00:51:20,750 --> 00:51:17,400

doppelgangers

1226

00:51:26,329 --> 00:51:22,250

I don't know what to say about

1227

00:51:28,670 --> 00:51:26,339

doppelgangers it's bizarre um

1228

00:51:30,890 --> 00:51:28,680

I think there's a good possibility that

1229

00:51:34,549 --> 00:51:30,900

some doppelgangers could be full form

1230

00:51:38,510 --> 00:51:34,559

manifestations but I'm not sure

1231

00:51:44,030 --> 00:51:40,250

I haven't actually investigated any

1232

00:51:45,950 --> 00:51:44,040

doppelganger cases Jose Sanchez has

1233

00:51:49,130 --> 00:51:45,960

maybe those lit up sections of the

1234

00:51:50,930 --> 00:51:49,140

spirit are ectoplasm you know I don't I

1235

00:51:52,849 --> 00:51:50,940

don't know if I even believe much in

1236

00:51:54,410 --> 00:51:52,859

ectoplasm

1237

00:51:57,589 --> 00:51:54,420

um

1238

00:51:59,089 --> 00:51:57,599

if a spirit has enough energy it can

1239

00:52:01,370 --> 00:51:59,099

pretty well do a lot of different things

1240

00:52:02,630 --> 00:52:01,380

I have I have seen them light up a bit

1241

00:52:04,670 --> 00:52:02,640

sometimes

1242

00:52:06,290 --> 00:52:04,680

uh I have seen areas around them light

1243

00:52:08,990 --> 00:52:06,300

up it's just like

1244

00:52:11,870 --> 00:52:09,000

you know people they feel cold spots

1245

00:52:13,609 --> 00:52:11,880

can you know are they are they

1246

00:52:15,710 --> 00:52:13,619

evacuating

1247

00:52:18,770 --> 00:52:15,720

warmth and such by being in certain

1248

00:52:19,970 --> 00:52:18,780

locations uh inadvertently maybe but

1249

00:52:22,790 --> 00:52:19,980

maybe it's something they cause

1250

00:52:25,190 --> 00:52:22,800

themselves uh I I don't know how to

1251

00:52:27,470 --> 00:52:25,200

really interactive plasma though it's in

1252

00:52:29,450 --> 00:52:27,480

you know it's in the Ghostbuster movies

1253

00:52:33,650 --> 00:52:29,460

plus many mediums

1254

00:52:36,770 --> 00:52:33,660

back in the um back in the uh Gilded Age

1255

00:52:39,109 --> 00:52:36,780

used to talk about ectoplasms I used to

1256

00:52:42,049 --> 00:52:39,119

use the fake ectopus just like in that

1257

00:52:44,630 --> 00:52:42,059

photograph of these ectoplasms emanating

1258

00:52:46,190 --> 00:52:44,640

from the medium or other areas during

1259

00:52:48,530 --> 00:52:46,200

seances

1260

00:52:51,230 --> 00:52:48,540

uh I don't know what to think about that

1261

00:52:53,809 --> 00:52:51,240

but uh no I think if a spirit has enough

1262

00:52:56,809 --> 00:52:53,819

energy and it can actually

1263

00:53:03,710 --> 00:52:56,819

emanate some light at some point

1264

00:53:09,589 --> 00:53:06,650

diesel yeah that's

1265

00:53:11,270 --> 00:53:09,599

that's in Skid Row in L.A yeah that that

1266

00:53:13,250 --> 00:53:11,280

hotel has had a lot of issues there's

1267

00:53:16,190 --> 00:53:13,260

been some murders and deaths there and

1268

00:53:18,230 --> 00:53:16,200

suicides and stuff as well

1269

00:53:24,410 --> 00:53:18,240

um in fact I wrote about that not long

1270

00:53:28,609 --> 00:53:27,109

uh Mr someone's comment Mr Strickland I

1271

00:53:30,650 --> 00:53:28,619

have been able to see Spirit Shadow

1272

00:53:32,510 --> 00:53:30,660

figures since and most recently and had

1273

00:53:35,150 --> 00:53:32,520

talked to me physically only two words

1274

00:53:37,430 --> 00:53:35,160

I'm here why can't I ever see my dad

1275

00:53:40,130 --> 00:53:37,440

that passed away

1276

00:53:44,270 --> 00:53:40,140

well if he's not EarthBound

1277

00:53:48,230 --> 00:53:46,670

then you probably won't see him unless

1278

00:53:50,210 --> 00:53:48,240

he has the ability to move in and out of

1279

00:53:51,589 --> 00:53:50,220

planes some Spirits have the energy to

1280

00:53:53,150 --> 00:53:51,599

do that

1281

00:53:54,230 --> 00:53:53,160

um I'm not saying that he doesn't want

1282

00:54:02,450 --> 00:53:54,240

to do it

1283

00:54:02,460 --> 00:54:07,130

any other questions

1284

00:54:11,150 --> 00:54:09,530

well I I appreciate you folks going on

1285

00:54:13,549 --> 00:54:11,160

here and putting up on me and listening

1286

00:54:14,930 --> 00:54:13,559

to these cases I you know occasionally I

1287

00:54:17,690 --> 00:54:14,940

will um

1288

00:54:20,030 --> 00:54:17,700

I will actually talk about other cases

1289

00:54:21,589 --> 00:54:20,040

as well

1290

00:54:23,510 --> 00:54:21,599

um

1291

00:54:27,790 --> 00:54:23,520

I don't normally talk a whole lot about

1292

00:54:30,950 --> 00:54:27,800

about paranormal cases because of

1293

00:54:33,230 --> 00:54:30,960

clients in in privacy and such

1294

00:54:35,390 --> 00:54:33,240

you know as far as early and Sabrina

1295

00:54:39,290 --> 00:54:35,400

they were a um

1296

00:54:42,950 --> 00:54:41,210

you know they were almost like family to

1297

00:54:45,589 --> 00:54:42,960

me and they they went ahead and allowed

1298

00:54:48,290 --> 00:54:45,599

me to talk about their case

1299

00:54:50,690 --> 00:54:48,300

and uh but very few people will let me

1300

00:54:52,309 --> 00:54:50,700

talk about it and I I do I do respect

1301

00:54:55,430 --> 00:54:52,319

that

1302

00:54:57,530 --> 00:54:55,440

so uh thanks again and uh thanks for

1303

00:55:00,049 --> 00:54:57,540

talking you know thanks for being in the

1304

00:55:01,430 --> 00:55:00,059

chat and listening to me your questions

1305

00:55:03,049 --> 00:55:01,440

were great

1306

00:55:05,270 --> 00:55:03,059

so

1307

00:55:07,069 --> 00:55:05,280

if you've had an unexplained Encounter

1308

00:55:09,470 --> 00:55:07,079

of sighting up feel free to contact me

1309

00:55:11,030 --> 00:55:09,480

through the family monster blog site and

1310

00:55:12,950 --> 00:55:11,040

um

1311

00:55:15,290 --> 00:55:12,960

you know thanks to each and all of you

1312

00:55:17,450 --> 00:55:15,300

for watching and chatting uh please like

1313

00:55:19,730 --> 00:55:17,460

subscribe and share

1314

00:55:22,790 --> 00:55:19,740

now um

1315

00:55:23,990 --> 00:55:22,800

now this Friday night at 9 00 PM Eastern

1316

00:55:25,970 --> 00:55:24,000

6 p.m

1317

00:55:29,329 --> 00:55:25,980

Pacific time

1318

00:55:31,130 --> 00:55:29,339

I am going to have Bill Bean with me no

1319

00:55:33,470 --> 00:55:31,140

it feels a bit with me before I've known

1320

00:55:34,549 --> 00:55:33,480

bill for a long time

1321

00:55:38,290 --> 00:55:34,559

um

1322

00:55:40,790 --> 00:55:38,300

he's a he he's an actual

1323

00:55:44,329 --> 00:55:40,800

Deliverance minister

1324

00:55:46,130 --> 00:55:44,339

Exorcist he's written a book recently

1325

00:55:48,250 --> 00:55:46,140

and we will be talking about some of

1326

00:55:51,170 --> 00:55:48,260

these cases in his book

1327

00:55:53,930 --> 00:55:51,180

so um I don't think Bernadette's going

1328

00:55:55,910 --> 00:55:53,940

to be doing a show this Friday

1329

00:55:58,490 --> 00:55:55,920

but you know that may change but anyway

1330

00:56:01,970 --> 00:55:58,500

if it does we will put it up there

1331

00:56:08,830 --> 00:56:01,980

so until Friday night stay healthy have

1332

00:56:32,950 --> 00:56:16,680
