00:01:30,469 --> 00:01:26,040
welcome Lan hi lawn

9
00:01:39,410 --> 00:01:35,990
Hi how are you huh hanging in there

10
00:01:41,870 --> 00:01:39,420
oh that's good so thank you so much for

11
00:01:44,569 --> 00:01:41,880
being here I appreciate sticking around

12
00:01:45,469 --> 00:01:44,579
that was a great show you had tonight by

13
00:01:49,370 --> 00:01:45,479

the way

14

00:01:52,010 --> 00:01:49,380

well Sam is he's a legend I mean he's a

15

00:01:55,850 --> 00:01:52,020

44 year old Legend so uh

16

00:01:58,069 --> 00:01:55,860

yeah he's uh he's a talented guy and uh

17

00:02:00,770 --> 00:01:58,079

I was glad to have him one and I'm going

18

00:02:01,670 --> 00:02:00,780

to try to utilize him more and more so

19

00:02:04,670 --> 00:02:01,680

uh

20

00:02:06,889 --> 00:02:04,680

yep so yeah he he does have a lot of

21

00:02:09,469 --> 00:02:06,899

interesting subjects and uh of course

22

00:02:10,910 --> 00:02:09,479

the artwork goes along with that and of

23

00:02:13,130 --> 00:02:10,920

course as you can see behind me I'm

24

00:02:19,910 --> 00:02:13,140

starting a little gallery of Sam shear

25

00:02:19,920 --> 00:02:28,850

foreign

26

00:02:32,089 --> 00:02:30,170

they are

27

00:02:34,490 --> 00:02:32,099

great pictures behind you they really

28

00:02:36,170 --> 00:02:34,500

are it makes a nice backdrop

29

00:02:38,270 --> 00:02:36,180

I'm gonna

30

00:02:39,410 --> 00:02:38,280

respond to the general how did you get

31

00:02:43,670 --> 00:02:39,420

into this

32

00:02:49,130 --> 00:02:45,589

I I didn't hear you kind of skipped out

33

00:02:53,930 --> 00:02:52,250

oh no sorry so I'm just going to ask you

34

00:02:56,270 --> 00:02:53,940

the basic question how did you get into

35

00:02:58,190 --> 00:02:56,280

the the field of the Paranormal for

36

00:03:01,070 --> 00:02:58,200

those who don't know

37

00:03:01,790 --> 00:03:01,080

well I kind of fell into it

38

00:03:04,850 --> 00:03:01,800

um

39

00:03:06,589 --> 00:03:04,860

for those people don't know my my story

40

00:03:07,790 --> 00:03:06,599

uh we'll kind of put it out there

41

00:03:08,930 --> 00:03:07,800

because

42

00:03:10,850 --> 00:03:08,940

um

43

00:03:12,649 --> 00:03:10,860

it is an interesting story I suppose

44

00:03:14,449 --> 00:03:12,659

most people like to hear about it but

45

00:03:18,229 --> 00:03:14,459

anyway I um

46

00:03:20,330 --> 00:03:18,239

it I knew from the very beginning or

47

00:03:23,530 --> 00:03:20,340

when I was old enough to realize things

48

00:03:26,750 --> 00:03:23,540

that something was different with me

49

00:03:29,149 --> 00:03:26,760

uh I

50

00:03:31,190 --> 00:03:29,159

in my first real encounter happened when

51

00:03:35,509 --> 00:03:31,200

I was around nine years old

52

00:03:37,670 --> 00:03:35,519

around that I I think was in 1967 Maybe

53

00:03:39,110 --> 00:03:37,680

so you know you guys do the math you

54

00:03:40,670 --> 00:03:39,120

know I'm an old guy so I've been around

55

00:03:43,490 --> 00:03:40,680

doing this for a while

56

00:03:45,229 --> 00:03:43,500

anyway I um

57

00:03:47,809 --> 00:03:45,239

I used to spend a lot of time at

58

00:03:50,210 --> 00:03:47,819

Gettysburg Battlefield

59

00:03:52,250 --> 00:03:50,220

and of course it took you and Tommy

60

00:03:53,869 --> 00:03:52,260

there last year's you you probably

61

00:03:54,830 --> 00:03:53,879

recognize the area I'm going to talk

62

00:03:58,190 --> 00:03:54,840

about

63

00:04:01,130 --> 00:03:58,200

uh that area that road that leads into

64

00:04:03,830 --> 00:04:01,140

uh Devil's Den and before you go up it

65

00:04:05,809 --> 00:04:03,840

take a left up into a little round top

66

00:04:07,610 --> 00:04:05,819

and by the wheat field

67

00:04:11,330 --> 00:04:07,620

um I was on my bike

68

00:04:13,970 --> 00:04:11,340

and uh all of a sudden

69

00:04:15,530 --> 00:04:13,980

it's like a big TV screen opened up in

70

00:04:18,890 --> 00:04:15,540

front of me

71

00:04:21,830 --> 00:04:18,900

and for about 30 seconds

72

00:04:24,950 --> 00:04:21,840

I was in the battle

73

00:04:27,890 --> 00:04:24,960

I was seeing soldiers hearing gunfire

74

00:04:30,909 --> 00:04:27,900

cannon fire smelling gunpowder all my

75

00:04:34,249 --> 00:04:30,919

senses were heightened

76

00:04:37,070 --> 00:04:34,259

and that it lasts for about 30 seconds

77

00:04:39,290 --> 00:04:37,080

and just suddenly vanished

78

00:04:41,689 --> 00:04:39,300

it was um

79

00:04:43,249 --> 00:04:41,699

it was eye-opening you know I that's the

80

00:04:44,990 --> 00:04:43,259

first time I

81

00:04:46,550 --> 00:04:45,000

anything like that had happened to me

82

00:04:48,530 --> 00:04:46,560

now I had a few things happen here in

83

00:04:50,629 --> 00:04:48,540

arrows and I knew something was going on

84

00:04:52,189 --> 00:04:50,639

with me but I just didn't really know

85

00:04:53,390 --> 00:04:52,199

what it was

86

00:04:55,370 --> 00:04:53,400

so anyway

87

00:04:59,210 --> 00:04:55,380

so that's where it began

88

00:05:01,010 --> 00:04:59,220

uh as time went on uh I started now I

89

00:05:03,770 --> 00:05:01,020

didn't live in a haunted house I didn't

90

00:05:05,510 --> 00:05:03,780

live in an area in a house that had a

91

00:05:07,969 --> 00:05:05,520

lot going there were a lot of things and

92

00:05:10,550 --> 00:05:07,979

I talked about this with Sam tonight I

93

00:05:12,770 --> 00:05:10,560

had things that were happening to me

94

00:05:14,749 --> 00:05:12,780

I I would see things that I just didn't

95

00:05:16,430 --> 00:05:14,759

really understand

96

00:05:19,310 --> 00:05:16,440

and I think most people that are

97

00:05:20,870 --> 00:05:19,320

intuitive do do experience things like

98

00:05:23,270 --> 00:05:20,880

that

99

00:05:25,370 --> 00:05:23,280

but I never mentioned all this stuff to

100

00:05:28,189 --> 00:05:25,380

my parents uh very conservative

101
00:05:29,590 --> 00:05:28,199
upbringing you know I was I was raised

102
00:05:31,909 --> 00:05:29,600
at the Lutheran

103
00:05:34,129 --> 00:05:31,919
uh in a very

104
00:05:36,350 --> 00:05:34,139
conservative town south central

105
00:05:38,390 --> 00:05:36,360
Pennsylvania

106
00:05:40,010 --> 00:05:38,400
and um

107
00:05:43,010 --> 00:05:40,020
you know people just didn't talk about

108
00:05:45,230 --> 00:05:43,020
especially back then and so after I I

109
00:05:47,629 --> 00:05:45,240
grew up a bit I was still in high school

110
00:05:49,310 --> 00:05:47,639
my senior year in particular

111
00:05:51,590 --> 00:05:49,320
I started doing paranormal

112
00:05:53,029 --> 00:05:51,600
investigations and and quite frankly it

113
00:05:54,290 --> 00:05:53,039

was all Word of Mouth back then there

114

00:05:57,409 --> 00:05:54,300

was no internet

115

00:05:59,390 --> 00:05:57,419

uh you know we didn't have till you know

116

00:06:01,550 --> 00:05:59,400

we'd have cell phones or anything

117

00:06:03,469 --> 00:06:01,560

so it was all word of mouth and

118

00:06:05,810 --> 00:06:03,479

eventually people would contact me and

119

00:06:07,490 --> 00:06:05,820

ask me to take a look at things

120

00:06:09,529 --> 00:06:07,500

I take a look at their you know where

121

00:06:11,450 --> 00:06:09,539

they lived at or businesses and stuff

122

00:06:13,010 --> 00:06:11,460

and I did and my senior year in high

123

00:06:15,590 --> 00:06:13,020

school I was pretty busy

124

00:06:17,749 --> 00:06:15,600

I was um I was going to a lot of places

125

00:06:19,550 --> 00:06:17,759

but when you it was hard to talk to

126

00:06:21,830 --> 00:06:19,560

people about it because

127

00:06:24,110 --> 00:06:21,840

back then when you said oh yeah I'm a

128

00:06:26,029 --> 00:06:24,120

Paranormal Investigator I and they'd

129

00:06:27,230 --> 00:06:26,039

look at you like you know the deer in a

130

00:06:28,790 --> 00:06:27,240

headlight they didn't know what the hell

131

00:06:30,050 --> 00:06:28,800

you were talking about

132

00:06:34,790 --> 00:06:30,060

so

133

00:06:37,610 --> 00:06:34,800

when I graduated

134

00:06:40,490 --> 00:06:37,620

uh I did go to college for a semester

135

00:06:42,170 --> 00:06:40,500

half a semester and uh I left there had

136

00:06:45,230 --> 00:06:42,180

to start a family

137

00:06:47,770 --> 00:06:45,240

and uh I moved down to Maryland

138

00:06:50,629 --> 00:06:47,780

and I was living in Sykesville Maryland

139

00:06:53,830 --> 00:06:50,639

and uh

140

00:06:56,990 --> 00:06:53,840

and you know I was with the work

141

00:07:00,050 --> 00:06:57,000

I was married for five years my first

142

00:07:01,510 --> 00:07:00,060

wife then I got a divorce I had custody

143

00:07:05,870 --> 00:07:01,520

of my daughter

144

00:07:08,749 --> 00:07:05,880

and uh that year of the separation

145

00:07:12,529 --> 00:07:08,759

before the divorce I had an encounter

146

00:07:14,629 --> 00:07:12,539

with a Bigfoot outside of uh Sykesville

147

00:07:16,969 --> 00:07:14,639

people call it the sightsville monster

148

00:07:19,070 --> 00:07:16,979

you know that there was a lot of stuff

149

00:07:20,930 --> 00:07:19,080

that had happened in that area but I

150

00:07:21,770 --> 00:07:20,940

happened to be fishing one day on the

151
00:07:24,290 --> 00:07:21,780
south

152
00:07:26,330 --> 00:07:24,300
branch of Patapsco River which is about

153
00:07:28,670 --> 00:07:26,340
a mile Downstream from

154
00:07:30,290 --> 00:07:28,680
Sykesville Maryland and I had an

155
00:07:32,990 --> 00:07:30,300
encounter and if you want to go into it

156
00:07:34,550 --> 00:07:33,000
we'll go into it further but uh after

157
00:07:38,270 --> 00:07:34,560
that

158
00:07:40,790 --> 00:07:38,280
several years later in 1988 I had also

159
00:07:43,610 --> 00:07:40,800
had a winged humanoid encounter

160
00:07:46,129 --> 00:07:43,620
uh here in Pennsylvania uh at Camp

161
00:07:48,290 --> 00:07:46,139
Conewago which is actually very close to

162
00:07:52,610 --> 00:07:48,300
me now who I live in I live in konawaga

163
00:07:54,589 --> 00:07:52,620

Township outside of Hanover and um it's

164

00:07:57,050 --> 00:07:54,599

uh you know it's an old boy scout camp

165

00:07:58,490 --> 00:07:57,060

but I was there as a favor to someone it

166

00:08:01,370 --> 00:07:58,500

was with three other with two other

167

00:08:02,510 --> 00:08:01,380

gentlemen who were Scout Masters and had

168

00:08:04,670 --> 00:08:02,520

asked me to come in and do the

169

00:08:07,270 --> 00:08:04,680

investigation we had this encounter with

170

00:08:10,610 --> 00:08:07,280

this red-eyed Wing being

171

00:08:12,110 --> 00:08:10,620

very similar to what's been going on in

172

00:08:14,270 --> 00:08:12,120

Chicago

173

00:08:16,490 --> 00:08:14,280

now of course I knew about the Mothman

174

00:08:18,890 --> 00:08:16,500

and all that but you know after I had

175

00:08:22,869 --> 00:08:18,900

the Bigfoot encounter I was very in very

176
00:08:26,330 --> 00:08:22,879
much into the Cryptids and uh you know

177
00:08:28,850 --> 00:08:26,340
40 some years later that's what I do so

178
00:08:39,649 --> 00:08:28,860
uh that has all culminated into the blog

179
00:08:44,630 --> 00:08:42,709
do you let me make sure okay do you

180
00:08:45,710 --> 00:08:44,640
think that you were kind of predestined

181
00:08:49,250 --> 00:08:45,720
for this

182
00:08:51,230 --> 00:08:49,260
I think so I I think the um

183
00:08:53,150 --> 00:08:51,240
you know I've been asked that I have

184
00:08:55,730 --> 00:08:53,160
thought about that I I think there's a

185
00:08:58,910 --> 00:08:55,740
possibility that may have happened

186
00:09:01,730 --> 00:08:58,920
I wasn't convinced of it until all this

187
00:09:05,389 --> 00:09:01,740
stuff started happening in Chicago

188
00:09:07,790 --> 00:09:05,399

I think my initial encounter

189

00:09:09,769 --> 00:09:07,800

was kind of a precursor to what I was

190

00:09:12,170 --> 00:09:09,779

going to end up investigating in in

191

00:09:14,810 --> 00:09:12,180

Chicago and it's what's interesting

192

00:09:17,690 --> 00:09:14,820

about the Chicago sightings is that

193

00:09:18,910 --> 00:09:17,700

myself and our team have been involved

194

00:09:21,350 --> 00:09:18,920

with that

195

00:09:23,449 --> 00:09:21,360

exclusively for the most part because a

196

00:09:25,190 --> 00:09:23,459

lot of other teams just have not really

197

00:09:27,650 --> 00:09:25,200

picked up on it

198

00:09:29,690 --> 00:09:27,660

from early on and we've been looking at

199

00:09:32,449 --> 00:09:29,700

this since 2011.

200

00:09:35,030 --> 00:09:32,459

so uh I don't know maybe it has been

201

00:09:36,829 --> 00:09:35,040

predestined but it's bizarre it has it's

202

00:09:39,829 --> 00:09:36,839

very bizarre how it kind of culminated

203

00:09:41,930 --> 00:09:39,839

into what we're doing now and uh it's

204

00:09:44,050 --> 00:09:41,940

been an amazing investigation for all

205

00:09:51,590 --> 00:09:44,060

these years

206

00:09:55,250 --> 00:09:54,110

oh no it's okay the video kind of went

207

00:09:58,490 --> 00:09:55,260

choppy and I thought you were done

208

00:10:02,810 --> 00:09:58,500

speaking go ahead no okay

209

00:10:03,650 --> 00:10:02,820

no and uh I I think um you know we kind

210

00:10:05,810 --> 00:10:03,660

of got

211

00:10:07,910 --> 00:10:05,820

you know I I put that's that's when that

212

00:10:10,550 --> 00:10:07,920

started I had what we called the the

213

00:10:13,130 --> 00:10:10,560

Chicago Phantom task force of Chicago

214

00:10:16,790 --> 00:10:13,140

Mothman task force uh I had some

215

00:10:19,550 --> 00:10:16,800

well-known people on there we had a um

216

00:10:20,389 --> 00:10:19,560

uh Rosemary Allan goddam is part of my

217

00:10:22,670 --> 00:10:20,399

team

218

00:10:23,930 --> 00:10:22,680

uh I kind of bounced a lot of this stuff

219

00:10:26,570 --> 00:10:23,940

off with her

220

00:10:30,110 --> 00:10:26,580

and she actually did the first

221

00:10:32,090 --> 00:10:30,120

presentation of 2017 at the Mothman

222

00:10:35,150 --> 00:10:32,100

Festival in Point Pleasant

223

00:10:37,850 --> 00:10:35,160

uh and she kind of put it out there for

224

00:10:40,610 --> 00:10:37,860

us and uh you know it's kind of evolved

225

00:10:43,430 --> 00:10:40,620

to this point so uh

226

00:10:45,170 --> 00:10:43,440

two books of mine and one book tobias

227

00:10:47,210 --> 00:10:45,180

later

228

00:10:50,690 --> 00:10:47,220

um you know this is where we're at uh

229

00:10:53,990 --> 00:10:50,700

We've we've currently at about a hundred

230

00:10:58,009 --> 00:10:54,000

about 158 sightings that we believe are

231

00:11:01,130 --> 00:10:58,019

are very very verifiable and uh it's

232

00:11:02,810 --> 00:11:01,140

continuing so uh you know it it goes on

233

00:11:04,850 --> 00:11:02,820

and on but uh

234

00:11:10,550 --> 00:11:04,860

you know it's kind of the investigation

235

00:11:16,430 --> 00:11:14,389

yeah no I agree with that I

236

00:11:18,769 --> 00:11:16,440

said I asked that is because I've had

237

00:11:20,810 --> 00:11:18,779

similar to you as well like my

238

00:11:22,190 --> 00:11:20,820

experience is starting childhood and led

239

00:11:24,110 --> 00:11:22,200

all the way up to

240

00:11:26,449 --> 00:11:24,120

to now and it's just you have to wonder

241

00:11:28,610 --> 00:11:26,459

if it's not something that's predestined

242

00:11:31,310 --> 00:11:28,620

to somebody you know that's why I asked

243

00:11:35,269 --> 00:11:31,320

if you thought that so no I'm getting

244

00:11:37,910 --> 00:11:35,279

back on jobs you had this week

245

00:11:39,650 --> 00:11:37,920

yeah I I really do it it makes you

246

00:11:41,990 --> 00:11:39,660

wonder you know

247

00:11:44,930 --> 00:11:42,000

um so this week you will put out a post

248

00:11:48,710 --> 00:11:44,940

about a Bigfoot being decapitated and

249

00:11:51,230 --> 00:11:48,720

hit by a bull I believe a trucker

250

00:11:54,290 --> 00:11:51,240

yeah that was kind of that was kind of a

251
00:11:56,810 --> 00:11:54,300
strange story it was um

252
00:11:58,730 --> 00:11:56,820
I I I saw it

253
00:12:01,850 --> 00:11:58,740
um

254
00:12:04,430 --> 00:12:01,860
I saw it posted at uh

255
00:12:07,310 --> 00:12:04,440
let's see

256
00:12:10,970 --> 00:12:07,320
you know I I saw it posted over at Steve

257
00:12:12,949 --> 00:12:10,980
isdov's website which is the facts of

258
00:12:15,710 --> 00:12:12,959
howtohunt.com

259
00:12:18,530 --> 00:12:15,720
so I did the transcription

260
00:12:21,530 --> 00:12:18,540
and I looked into it pretty much further

261
00:12:22,790 --> 00:12:21,540
but actually what happened was this was

262
00:12:25,670 --> 00:12:22,800
um

263
00:12:27,650 --> 00:12:25,680

it was it was a German immigrant

264

00:12:31,190 --> 00:12:27,660

who happened to be in Ontario Canada

265

00:12:34,269 --> 00:12:31,200

working uh on a Visa during the

266

00:12:38,090 --> 00:12:34,279

Christmas holidays of 2018.

267

00:12:41,210 --> 00:12:38,100

and uh he he later went on to a podcast

268

00:12:43,730 --> 00:12:41,220

it's a reality podcast

269

00:12:46,610 --> 00:12:43,740

and I think it's changed its name since

270

00:12:50,150 --> 00:12:46,620

then but he talked about it

271

00:12:52,550 --> 00:12:50,160

what what happened was he was um

272

00:12:57,710 --> 00:12:52,560

he was on uh

273

00:13:01,250 --> 00:12:57,720

uh Ontario route 502 northbound

274

00:13:02,990 --> 00:13:01,260

from Fort Francis to Dryden it was an

275

00:13:05,530 --> 00:13:03,000

evening

276

00:13:09,590 --> 00:13:05,540

uh the date was December 19

277

00:13:12,769 --> 00:13:09,600

2018. he was about 11 40 P.M

278

00:13:15,110 --> 00:13:12,779

and he said he suddenly saw a semi

279

00:13:17,090 --> 00:13:15,120

with its hazard lights on the side of

280

00:13:19,610 --> 00:13:17,100

the road

281

00:13:21,650 --> 00:13:19,620

and uh

282

00:13:24,170 --> 00:13:21,660

he he you know he didn't know what was

283

00:13:25,490 --> 00:13:24,180

going was happening but he could tell

284

00:13:27,350 --> 00:13:25,500

the front when he you know he looked

285

00:13:29,210 --> 00:13:27,360

back he saw the front was damaged on the

286

00:13:30,410 --> 00:13:29,220

truck so he stopped he pulled over and

287

00:13:34,069 --> 00:13:30,420

stopped

288

00:13:36,290 --> 00:13:34,079

and uh he got out and he tried to he

289

00:13:39,590 --> 00:13:36,300

knocked on the door of the cab the the

290

00:13:41,930 --> 00:13:39,600

truck and tried to contact whoever was

291

00:13:44,269 --> 00:13:41,940

you know whoever this was and he wasn't

292

00:13:45,829 --> 00:13:44,279

getting an answer well he eventually got

293

00:13:47,750 --> 00:13:45,839

in there I don't know if the guy opened

294

00:13:50,750 --> 00:13:47,760

it up or it was open but anyway he went

295

00:13:55,670 --> 00:13:50,760

in and he said this driver was coward in

296

00:13:57,889 --> 00:13:55,680

in the in the uh in the bed of the truck

297

00:14:00,710 --> 00:13:57,899

and he was saved as pale as a ghost he

298

00:14:03,350 --> 00:14:00,720

said he didn't know what happened

299

00:14:06,230 --> 00:14:03,360

but you know so

300

00:14:08,329 --> 00:14:06,240

this gentleman this witness he

301

00:14:09,889 --> 00:14:08,339

said well I'm going to call the I'm

302

00:14:12,110 --> 00:14:09,899

going to call the police and call the

303

00:14:14,329 --> 00:14:12,120

Provincial Police

304

00:14:16,550 --> 00:14:14,339

and when he um

305

00:14:17,990 --> 00:14:16,560

and when he got out of the cab he looked

306

00:14:20,750 --> 00:14:18,000

up the road and there was blood

307

00:14:21,889 --> 00:14:20,760

everywhere I mean it was like a ton of

308

00:14:23,690 --> 00:14:21,899

blood

309

00:14:25,490 --> 00:14:23,700

and the first thing he thought was this

310

00:14:27,769 --> 00:14:25,500

guy hit a bear

311

00:14:30,530 --> 00:14:27,779

so he he trial he followed the blood

312

00:14:31,610 --> 00:14:30,540

trail and I don't know how far back he

313

00:14:35,509 --> 00:14:31,620

went

314

00:14:38,150 --> 00:14:35,519

but when he came upon this huge massive

315

00:14:40,250 --> 00:14:38,160

fur dark fur

316

00:14:42,530 --> 00:14:40,260

and the first thing he thought was this

317

00:14:45,590 --> 00:14:42,540

is a humongous bear I don't know what

318

00:14:48,949 --> 00:14:45,600

this was but he has he got closer to it

319

00:14:51,470 --> 00:14:48,959

he could tell it was a Bigfoot and that

320

00:14:54,290 --> 00:14:51,480

the head was nearly decapitated from

321

00:14:58,550 --> 00:14:54,300

this thing thus all the blood

322

00:15:01,370 --> 00:14:58,560

so uh he he called Provincial Police

323

00:15:03,470 --> 00:15:01,380

and they came eventually

324

00:15:05,930 --> 00:15:03,480

and uh

325

00:15:08,269 --> 00:15:05,940

he said the strange thing about it was

326
00:15:13,009 --> 00:15:08,279
when he

327
00:15:16,009 --> 00:15:13,019
and told him what he saw they acted like

328
00:15:17,449 --> 00:15:16,019
yeah this they seem so nonchalant about

329
00:15:19,430 --> 00:15:17,459
it

330
00:15:21,410 --> 00:15:19,440
and um

331
00:15:23,389 --> 00:15:21,420
which is crazy

332
00:15:25,550 --> 00:15:23,399
and like they you know they've seen

333
00:15:27,949 --> 00:15:25,560
something like this before

334
00:15:30,530 --> 00:15:27,959
so they wanted to question him further

335
00:15:34,009 --> 00:15:30,540
as to what happened so what they did

336
00:15:36,470 --> 00:15:34,019
they took him back to the station

337
00:15:39,949 --> 00:15:36,480
they put him in the interrogation room

338
00:15:41,750 --> 00:15:39,959

and he had to wait there for a bit

339

00:15:44,689 --> 00:15:41,760

and he didn't you know he didn't know

340

00:15:47,750 --> 00:15:44,699

what what to expect

341

00:15:53,170 --> 00:15:47,760

so uh as he was there

342

00:15:58,790 --> 00:15:58,009

a female officer let's see what no he

343

00:16:01,610 --> 00:15:58,800

said

344

00:16:04,250 --> 00:16:01,620

room

345

00:16:07,430 --> 00:16:04,260

he said he looked really odd a bit like

346

00:16:10,490 --> 00:16:07,440

an ill person because

347

00:16:13,670 --> 00:16:10,500

he uh had the grayish colored skin bald

348

00:16:17,870 --> 00:16:13,680

head and sort of sunken cheeks

349

00:16:21,290 --> 00:16:17,880

they said he had like a Quebec accent

350

00:16:23,810 --> 00:16:21,300

and spoke very gently and calmly without

351

00:16:27,050 --> 00:16:23,820

any expression at all

352

00:16:29,689 --> 00:16:27,060

and uh he had to recall everything that

353

00:16:32,389 --> 00:16:29,699

he experienced and all all his personal

354

00:16:33,710 --> 00:16:32,399

information his reason for being in

355

00:16:36,829 --> 00:16:33,720

Canada

356

00:16:39,530 --> 00:16:36,839

and they fingerprinted him and took a

357

00:16:41,030 --> 00:16:39,540

DNA sample of saliva

358

00:16:43,550 --> 00:16:41,040

he said it felt like he was being

359

00:16:46,790 --> 00:16:43,560

interrogated like a criminal

360

00:16:49,670 --> 00:16:46,800

and uh then after he he had told his

361

00:16:53,030 --> 00:16:49,680

story they made him sign a

362

00:16:56,150 --> 00:16:53,040

non-disclosure agreement

363

00:16:58,490 --> 00:16:56,160

and uh he said the agreement was bizarre

364

00:17:00,889 --> 00:16:58,500

because it didn't have any type of coat

365

00:17:03,290 --> 00:17:00,899

of arms or anything from Ontario or

366

00:17:05,929 --> 00:17:03,300

anything it was just like a like a piece

367

00:17:09,770 --> 00:17:05,939

of paper with all this stuff on there

368

00:17:12,710 --> 00:17:09,780

and he said when he signed it

369

00:17:14,329 --> 00:17:12,720

he this this guy

370

00:17:18,829 --> 00:17:14,339

told him

371

00:17:21,230 --> 00:17:18,839

that you did not see anything

372

00:17:23,689 --> 00:17:21,240

you know he told him that you know he

373

00:17:28,250 --> 00:17:23,699

was going to have to leave Canada

374

00:17:32,450 --> 00:17:28,260

within a week by the end of the year

375

00:17:34,430 --> 00:17:32,460

and uh that you know he he would not be

376

00:17:37,610 --> 00:17:34,440

allowed

377

00:17:39,049 --> 00:17:37,620

to come back into the into Canada he

378

00:17:41,450 --> 00:17:39,059

can't even get back into the United

379

00:17:44,150 --> 00:17:41,460

States so he's he's been cut off in

380

00:17:46,730 --> 00:17:44,160

North America altogether

381

00:17:48,470 --> 00:17:46,740

so of course when I read this first

382

00:17:49,850 --> 00:17:48,480

thing I thought was this is very similar

383

00:17:52,549 --> 00:17:49,860

to what we see

384

00:17:56,510 --> 00:17:52,559

with Men In Black encounters very

385

00:17:58,490 --> 00:17:56,520

similar so I mean the question is why

386

00:18:00,409 --> 00:17:58,500

did why is this going on

387

00:18:02,210 --> 00:18:00,419

um

388

00:18:04,250 --> 00:18:02,220

you know things like this seem to happen

389

00:18:06,710 --> 00:18:04,260

in Canada I don't know what it is I've

390

00:18:08,090 --> 00:18:06,720

talked to Dave Scott at based out radio

391

00:18:12,169 --> 00:18:08,100

about this

392

00:18:14,450 --> 00:18:12,179

and uh I mean I don't understand why

393

00:18:17,390 --> 00:18:14,460

this does seem to happen a lot in Canada

394

00:18:19,310 --> 00:18:17,400

oh sorry go ahead

395

00:18:21,049 --> 00:18:19,320

hey

396

00:18:26,029 --> 00:18:21,059

it

397

00:18:28,010 --> 00:18:26,039

wonder like is that actually like a

398

00:18:30,770 --> 00:18:28,020

binding document though

399

00:18:33,470 --> 00:18:30,780

he signed if there was no

400

00:18:35,409 --> 00:18:33,480

you know no heading or a thing on it I

401
00:18:38,210 --> 00:18:35,419
mean

402
00:18:40,430 --> 00:18:38,220
it's a scare tactic

403
00:18:42,770 --> 00:18:40,440
oh sure it was a scare tactic but the

404
00:18:47,650 --> 00:18:42,780
thing is he has tried to get back into

405
00:18:49,970 --> 00:18:47,660
North America uh into Canada he's he's

406
00:18:51,529 --> 00:18:49,980
blacklisted he's blacklisted for the

407
00:18:54,350 --> 00:18:51,539
United States

408
00:18:56,510 --> 00:18:54,360
so of course uh U.S immigration is part

409
00:18:58,730 --> 00:18:56,520
of this as well

410
00:19:01,430 --> 00:18:58,740
so the thing you got to think about is

411
00:19:03,409 --> 00:19:01,440
um well maybe there's a cooperation

412
00:19:05,810 --> 00:19:03,419
thing there and um

413
00:19:07,789 --> 00:19:05,820

he's been blocked out of coming into uh

414

00:19:09,830 --> 00:19:07,799

into North America now for over three

415

00:19:12,590 --> 00:19:09,840

years so uh apparently I mean to you

416

00:19:14,510 --> 00:19:12,600

know according to his story now I you

417

00:19:16,310 --> 00:19:14,520

know when you read something like this

418

00:19:17,990 --> 00:19:16,320

you start to wonder what did this

419

00:19:23,630 --> 00:19:18,000

actually

420

00:19:26,690 --> 00:19:23,640

there any information about this

421

00:19:28,310 --> 00:19:26,700

and I did look at it and I I did listen

422

00:19:31,070 --> 00:19:28,320

to the guy

423

00:19:32,110 --> 00:19:31,080

on the video I think he's very sincere

424

00:19:35,029 --> 00:19:32,120

about it

425

00:19:37,850 --> 00:19:35,039

uh and you know

426
00:19:39,950 --> 00:19:37,860
peop people things like this do happen I

427
00:19:42,549 --> 00:19:39,960
mean there's you know the whole Bigfoot

428
00:19:47,810 --> 00:19:45,710
seems to to raise the stakes for

429
00:19:50,570 --> 00:19:47,820
whatever reason uh it happens here in

430
00:19:52,610 --> 00:19:50,580
the United States as well my encounter

431
00:19:58,190 --> 00:19:52,620
uh

432
00:20:01,549 --> 00:19:58,200
investigators

433
00:20:03,409 --> 00:20:01,559
back then that was back in 81 so um I

434
00:20:05,150 --> 00:20:03,419
know it does happen

435
00:20:07,250 --> 00:20:05,160
and I haven't questioned about a lot of

436
00:20:11,870 --> 00:20:07,260
different things over the years as well

437
00:20:15,289 --> 00:20:11,880
so I'm kind of on the radar also so um

438
00:20:16,250 --> 00:20:15,299

yeah it's it's it's a bizarre story but

439

00:20:18,590 --> 00:20:16,260

uh

440

00:20:32,450 --> 00:20:18,600

I I believe think I believed it I

441

00:20:36,830 --> 00:20:34,430

do you think it happens more with

442

00:20:38,870 --> 00:20:36,840

Bigfoot than the other Cryptid that this

443

00:20:42,169 --> 00:20:38,880

you know that people get saved you know

444

00:20:44,270 --> 00:20:42,179

a visit from the Men in Black or you

445

00:20:46,610 --> 00:20:44,280

know like what happened to you or the

446

00:20:49,490 --> 00:20:46,620

guy in Canada

447

00:20:52,730 --> 00:20:49,500

or is it just yeah all around

448

00:20:55,610 --> 00:20:52,740

I I think as far as Cryptids go it it

449

00:20:58,010 --> 00:20:55,620

probably happens more so with Bigfoot

450

00:21:00,169 --> 00:20:58,020

and the reason I say that is there's

451
00:21:02,150 --> 00:21:00,179
many more Bigfoot reports as opposed to

452
00:21:05,630 --> 00:21:02,160
other crypt is like malt Manor dog man

453
00:21:08,210 --> 00:21:05,640
or all that but I I think there's an

454
00:21:10,070 --> 00:21:08,220
ulterior motive there somewhere I I

455
00:21:12,230 --> 00:21:10,080
think the government in particular

456
00:21:16,130 --> 00:21:12,240
United States has got some type of

457
00:21:18,890 --> 00:21:16,140
involvement with Bigfoot uh for whatever

458
00:21:21,650 --> 00:21:18,900
reason or the militarizing Bigfoot are

459
00:21:24,409 --> 00:21:21,660
they using for some other type of

460
00:21:26,750 --> 00:21:24,419
beans I don't know but there does seem

461
00:21:29,090 --> 00:21:26,760
to be something there and um you know

462
00:21:32,750 --> 00:21:29,100
this is something I've been looking into

463
00:21:35,270 --> 00:21:32,760

oh my God for over 40 years now and uh I

464

00:21:38,470 --> 00:21:35,280

still really have an answer got a lot of

465

00:21:41,990 --> 00:21:38,480

you know a lot of conjecture a lot of

466

00:21:45,110 --> 00:21:42,000

stories a lot of eyewitness reports of

467

00:21:46,970 --> 00:21:45,120

different things but um

468

00:21:51,169 --> 00:21:46,980

there you know there does seem to be

469

00:21:51,179 --> 00:21:54,010

foreign

470

00:21:58,010 --> 00:21:56,270

so I have a question for you from

471

00:22:00,230 --> 00:21:58,020

Vincent

472

00:22:01,970 --> 00:22:00,240

didn't the authorities arrive unusually

473

00:22:03,470 --> 00:22:01,980

fast after the sighting of the

474

00:22:06,350 --> 00:22:03,480

Sykesville monster

475

00:22:09,470 --> 00:22:06,360

well in my case he did

476

00:22:12,289 --> 00:22:09,480

um after I had reported to the

477

00:22:14,210 --> 00:22:12,299

Sykesville police I drove back to the

478

00:22:17,090 --> 00:22:14,220

location I was asked to go back there

479

00:22:18,830 --> 00:22:17,100

and wait for an officer to get there it

480

00:22:21,590 --> 00:22:18,840

was only like a three minute drive from

481

00:22:24,110 --> 00:22:21,600

where I got on the phone with them

482

00:22:25,909 --> 00:22:24,120

and when I got there there was a

483

00:22:28,610 --> 00:22:25,919

Maryland State Police Officer already

484

00:22:30,350 --> 00:22:28,620

there with a wooden barrier across the

485

00:22:32,870 --> 00:22:30,360

road

486

00:22:35,270 --> 00:22:32,880

and uh when I did go up to him he told

487

00:22:37,010 --> 00:22:35,280

me he said you got to leave and I did

488

00:22:38,450 --> 00:22:37,020

and I you know I told him I was the one

489

00:22:40,490 --> 00:22:38,460

that made the report he said I didn't

490

00:22:42,710 --> 00:22:40,500

care he didn't care just get out of here

491

00:22:44,870 --> 00:22:42,720

so I did I went back home

492

00:22:48,289 --> 00:22:44,880

but then when I did come back an hour

493

00:22:49,990 --> 00:22:48,299

later it was like it was like a circus

494

00:22:53,149 --> 00:22:50,000

there I mean there were

495

00:22:55,190 --> 00:22:53,159

uh there were people with dogs going

496

00:22:57,409 --> 00:22:55,200

through the woods and all around the

497

00:23:00,470 --> 00:22:57,419

area there was a large white tent set up

498

00:23:03,409 --> 00:23:00,480

on the North Bank of the um uh the

499

00:23:04,669 --> 00:23:03,419

Patapsco River there

500

00:23:08,390 --> 00:23:04,679

um

501
00:23:10,970 --> 00:23:08,400
I heard helicopters I I saw the black s

502
00:23:12,350 --> 00:23:10,980
well it wasn't SUVs back then the old

503
00:23:14,690 --> 00:23:12,360
wagoneers

504
00:23:16,430 --> 00:23:14,700
uh were what they used to drive back

505
00:23:19,669 --> 00:23:16,440
then and there were two of those there

506
00:23:21,350 --> 00:23:19,679
there were there were authorities from

507
00:23:23,450 --> 00:23:21,360
all the jurisdictions

508
00:23:25,490 --> 00:23:23,460
Howard County

509
00:23:27,350 --> 00:23:25,500
um Baltimore County on the other side

510
00:23:29,630 --> 00:23:27,360
and uh

511
00:23:32,110 --> 00:23:29,640
uh Sykesville police Carroll County

512
00:23:35,270 --> 00:23:32,120
Sheriff I mean all of them were there

513
00:23:37,850 --> 00:23:35,280

so uh yeah and um

514

00:23:40,070 --> 00:23:37,860

why that happened and you know I did

515

00:23:42,230 --> 00:23:40,080

find out later because I have talked I

516

00:23:44,750 --> 00:23:42,240

did look into it pretty closely

517

00:23:46,909 --> 00:23:44,760

uh there had been a sighting about

518

00:23:47,930 --> 00:23:46,919

Downstream about three hours prior to

519

00:23:50,210 --> 00:23:47,940

mine

520

00:23:52,850 --> 00:23:50,220

that a woman had seen a Bigfoot

521

00:23:54,289 --> 00:23:52,860

in Marysville and

522

00:23:57,289 --> 00:23:54,299

um

523

00:24:00,110 --> 00:23:57,299

she she made a call the police

524

00:24:02,149 --> 00:24:00,120

and for whatever reason they had been

525

00:24:05,570 --> 00:24:02,159

tracking this thing now

526
00:24:07,070 --> 00:24:05,580
for those people who who are familiar or

527
00:24:08,810 --> 00:24:07,080
aren't familiar with the Baltimore

528
00:24:11,630 --> 00:24:08,820
Washington area there's a lot of

529
00:24:14,570 --> 00:24:11,640
buildings a lot of facilities

530
00:24:16,789 --> 00:24:14,580
that are unmarked or people don't really

531
00:24:19,669 --> 00:24:16,799
know what the hell's going on there

532
00:24:22,010 --> 00:24:19,679
now did this thing escape from somewhere

533
00:24:23,870 --> 00:24:22,020
did it get out into the open and they

534
00:24:26,330 --> 00:24:23,880
were hunting it down I I don't know it

535
00:24:29,570 --> 00:24:26,340
may very well be I I have some evidence

536
00:24:32,390 --> 00:24:29,580
to point that direction

537
00:24:34,789 --> 00:24:32,400
but I you know it a lot of those

538
00:24:36,590 --> 00:24:34,799

conjecture at this point and uh I don't

539

00:24:38,570 --> 00:24:36,600

know if I ever find out

540

00:24:40,850 --> 00:24:38,580

but there had been sightings in

541

00:24:42,950 --> 00:24:40,860

Sykesville about seven or eight years

542

00:24:44,570 --> 00:24:42,960

prior to that which would take hold the

543

00:24:47,990 --> 00:24:44,580

place full Monster

544

00:24:50,870 --> 00:24:48,000

that area of

545

00:24:53,029 --> 00:24:50,880

Carroll County in Baltimore County has

546

00:24:55,250 --> 00:24:53,039

well it's mostly Carroll County

547

00:24:57,289 --> 00:24:55,260

has have had sightings around the

548

00:24:58,730 --> 00:24:57,299

Liberty Reservoir and in the Patapsco

549

00:25:00,710 --> 00:24:58,740

River Valley

550

00:25:03,950 --> 00:25:00,720

uh of Bigfoot there have been several

551
00:25:06,409 --> 00:25:03,960
Class A sightings reported to pfro

552
00:25:10,250 --> 00:25:06,419
and um

553
00:25:13,310 --> 00:25:10,260
these folks that lived in uh Sykesville

554
00:25:15,049 --> 00:25:13,320
I was lucky enough to to find one of

555
00:25:17,450 --> 00:25:15,059
their relatives who I actually worked

556
00:25:19,310 --> 00:25:17,460
with and he introduced me to the law the

557
00:25:22,310 --> 00:25:19,320
the previous Witnesses

558
00:25:25,330 --> 00:25:22,320
and I found a few other ones as well so

559
00:25:27,710 --> 00:25:25,340
I I had you know I had I was on getting

560
00:25:30,649 --> 00:25:27,720
first-hand information as to what people

561
00:25:34,430 --> 00:25:30,659
were experiencing

562
00:25:37,370 --> 00:25:34,440
and uh this at the time this was around

563
00:25:40,310 --> 00:25:37,380

the time of the Agnes flood back in 72

564

00:25:44,029 --> 00:25:40,320

you end this beginning of 73.

565

00:25:45,830 --> 00:25:44,039

and uh this Bigfoot or this Sykesville

566

00:25:48,110 --> 00:25:45,840

monster what they called in was breaking

567

00:25:48,909 --> 00:25:48,120

into homes breaking into garages and

568

00:25:51,769 --> 00:25:48,919

such

569

00:25:53,570 --> 00:25:51,779

uh one of the sexual police officers had

570

00:25:57,470 --> 00:25:53,580

a personal encounter with this thing in

571

00:25:58,970 --> 00:25:57,480

fact what happened was uh he heard noise

572

00:26:00,649 --> 00:25:58,980

in the garage

573

00:26:06,230 --> 00:26:00,659

and

574

00:26:07,970 --> 00:26:06,240

thing literally broke the door down of

575

00:26:09,769 --> 00:26:07,980

the garage from the out from the inside

576

00:26:12,529 --> 00:26:09,779

out knocked the policeman to the ground

577

00:26:15,110 --> 00:26:12,539

and took off

578

00:26:16,850 --> 00:26:15,120

um I talked to one person who had one of

579

00:26:18,430 --> 00:26:16,860

these had this being get into their

580

00:26:22,190 --> 00:26:18,440

kitchen

581

00:26:24,409 --> 00:26:22,200

uh and several people down the river

582

00:26:26,029 --> 00:26:24,419

used to keep chickens and pens and stuff

583

00:26:27,549 --> 00:26:26,039

and they had pets and pens and it was

584

00:26:29,870 --> 00:26:27,559

breaking into those

585

00:26:32,810 --> 00:26:29,880

so there was definitely something going

586

00:26:35,269 --> 00:26:32,820

on now it was was the it was the being I

587

00:26:38,330 --> 00:26:35,279

encountered part of that I don't know it

588

00:26:40,669 --> 00:26:38,340

very well could have been but uh you

589

00:26:43,789 --> 00:26:40,679

know it's it's interesting you know it's

590

00:26:45,710 --> 00:26:43,799

very interesting and very close to what

591

00:26:47,570 --> 00:26:45,720

you know I got the composite that

592

00:26:50,210 --> 00:26:47,580

Vincent has up there now

593

00:26:52,549 --> 00:26:50,220

uh I got all their descriptions put it

594

00:26:55,070 --> 00:26:52,559

all together and I later sent it to a

595

00:26:58,310 --> 00:26:55,080

forensic ordinance down in Florida

596

00:27:00,710 --> 00:26:58,320

who did that sketch for me and uh that's

597

00:27:03,409 --> 00:27:00,720

what I saw I mean when I did see this

598

00:27:07,310 --> 00:27:03,419

thing it was like 40 foot away from you

599

00:27:08,450 --> 00:27:07,320

very close wow we were eye to eye and uh

600

00:27:10,789 --> 00:27:08,460

this thing was about eight foot in

601
00:27:13,310 --> 00:27:10,799
height dark brown hair

602
00:27:15,649 --> 00:27:13,320
uh dark skin

603
00:27:19,370 --> 00:27:15,659
but the face looked more Neanderthal

604
00:27:22,370 --> 00:27:19,380
more human like than opposed to an ape

605
00:27:23,870 --> 00:27:22,380
and uh you know if I'd had a gun or

606
00:27:25,250 --> 00:27:23,880
something with me I don't think I could

607
00:27:27,890 --> 00:27:25,260
have shot it because it looked more

608
00:27:30,169 --> 00:27:27,900
human to me than it did in ape so I

609
00:27:33,730 --> 00:27:30,179
didn't know what I was doing with

610
00:27:38,930 --> 00:27:36,830
Vincent wants to know were you scared

611
00:27:40,789 --> 00:27:38,940
I was just so shocked

612
00:27:41,940 --> 00:27:40,799
was probably more shocked than I was

613
00:27:42,529 --> 00:27:41,950

scared

614

00:27:43,250 --> 00:27:42,539

[Music]

615

00:27:45,230 --> 00:27:43,260

um

616

00:27:47,210 --> 00:27:45,240

you know I'd heard a Bigfoot I had heard

617

00:27:49,130 --> 00:27:47,220

about the uh Boggy Creek incident that

618

00:27:50,870 --> 00:27:49,140

had you know had been reported around

619

00:27:52,970 --> 00:27:50,880

that period of time

620

00:27:55,250 --> 00:27:52,980

uh that was out had the movie out and

621

00:27:58,070 --> 00:27:55,260

they had the whole story of Boggy Creek

622

00:28:00,110 --> 00:27:58,080

and I knew of Bigfoot I had seen the

623

00:28:03,470 --> 00:28:00,120

Patterson gimlet film I had you know the

624

00:28:05,330 --> 00:28:03,480

Freeman film and other things and um

625

00:28:07,549 --> 00:28:05,340

I I knew people had reported these

626

00:28:09,289 --> 00:28:07,559

things but I had no idea I was ever

627

00:28:11,390 --> 00:28:09,299

going to run across it

628

00:28:13,909 --> 00:28:11,400

but I do believe that's what I did

629

00:28:16,850 --> 00:28:13,919

encounter and uh you look at the picture

630

00:28:19,850 --> 00:28:16,860

this is probably what you know what what

631

00:28:23,029 --> 00:28:19,860

it was and uh but no that that that

632

00:28:25,789 --> 00:28:23,039

rendering there is very very close to

633

00:28:29,830 --> 00:28:25,799

what I encountered

634

00:28:33,950 --> 00:28:31,970

something like that because I've I've

635

00:28:35,690 --> 00:28:33,960

never seen one but I think I would I

636

00:28:38,870 --> 00:28:35,700

would be just as shocked

637

00:28:40,549 --> 00:28:38,880

I mean that's amazing

638

00:28:42,409 --> 00:28:40,559

um Vincent Elsa wants to know do you

639

00:28:44,990 --> 00:28:42,419

think there's a breeding population a

640

00:28:47,330 --> 00:28:45,000

Bigfoot in that area do you think that's

641

00:28:49,430 --> 00:28:47,340

why they all come like all the

642

00:28:52,310 --> 00:28:49,440

authorities Converge on it like somehow

643

00:28:54,169 --> 00:28:52,320

how they were trying to maybe track a

644

00:28:56,090 --> 00:28:54,179

population that was there and one of

645

00:28:58,789 --> 00:28:56,100

them just happened to like show himself

646

00:29:00,529 --> 00:28:58,799

I don't know uh it could be a breeding

647

00:29:02,269 --> 00:29:00,539

population there have been so many

648

00:29:05,210 --> 00:29:02,279

sightings that it's a good possibility

649

00:29:07,370 --> 00:29:05,220

there is a breeding population but for

650

00:29:09,710 --> 00:29:07,380

the fact but the fact that the feds got

651
00:29:11,750 --> 00:29:09,720
involved with this I think it was

652
00:29:14,149 --> 00:29:11,760
something to do with them uh maybe

653
00:29:15,710 --> 00:29:14,159
something escaped from a facility that

654
00:29:18,049 --> 00:29:15,720
they had

655
00:29:19,310 --> 00:29:18,059
um uh or something else I don't know

656
00:29:21,470 --> 00:29:19,320
what happened

657
00:29:23,930 --> 00:29:21,480
but and I never really got enough

658
00:29:24,769 --> 00:29:23,940
information to figure out what has did

659
00:29:26,870 --> 00:29:24,779
happen

660
00:29:28,610 --> 00:29:26,880
uh but like I said before there have

661
00:29:33,409 --> 00:29:28,620
been a lot of reports

662
00:29:35,930 --> 00:29:33,419
so uh now that area now is pretty well

663
00:29:38,510 --> 00:29:35,940

you know it's kind of built up

664

00:29:41,690 --> 00:29:38,520

they put a lot of subdivisions in these

665

00:29:43,370 --> 00:29:41,700

this area uh over re over years but I do

666

00:29:45,529 --> 00:29:43,380

occasionally get another sighting report

667

00:29:51,470 --> 00:29:45,539

a close encounter actually

668

00:29:55,850 --> 00:29:53,630

so how long do you think they live how

669

00:29:56,930 --> 00:29:55,860

long do you think a Bigfoot lives in

670

00:30:00,230 --> 00:29:56,940

general

671

00:30:04,010 --> 00:30:02,870

I think their lifespan is pretty similar

672

00:30:05,930 --> 00:30:04,020

to ours

673

00:30:09,169 --> 00:30:05,940

now of course they're living out in the

674

00:30:12,110 --> 00:30:09,179

elements uh I think

675

00:30:14,510 --> 00:30:12,120

in general that would probably be

676

00:30:18,289 --> 00:30:14,520

detrimental to their lifespan

677

00:30:19,909 --> 00:30:18,299

but uh I I do believe that and I've been

678

00:30:24,169 --> 00:30:19,919

asked this before I think they probably

679

00:30:29,930 --> 00:30:24,179

live between 50 to 70 years

680

00:30:33,049 --> 00:30:31,789

see I was wondering about that because I

681

00:30:34,730 --> 00:30:33,059

didn't know if you know people thought

682

00:30:36,769 --> 00:30:34,740

they left hundreds of years things like

683

00:30:39,409 --> 00:30:36,779

that because no I don't think they live

684

00:30:42,470 --> 00:30:39,419

that long but I think they're I think

685

00:30:45,529 --> 00:30:42,480

they're uh I think they're um

686

00:30:47,450 --> 00:30:45,539

their DNA and makeup is very close to

687

00:30:49,789 --> 00:30:47,460

ours and uh

688

00:30:51,769 --> 00:30:49,799

that's why I think even though they live

689

00:30:57,010 --> 00:30:51,779

in the elements that their life spans

690

00:31:04,250 --> 00:31:00,529

so Thomas Carroll asks do you ever have

691

00:31:06,470 --> 00:31:04,260

any sightings up near Camp David

692

00:31:10,130 --> 00:31:06,480

there have been sightings up there up

693

00:31:12,470 --> 00:31:10,140

the Kentucky mountains um

694

00:31:15,970 --> 00:31:12,480

they're having a few sightings up there

695

00:31:18,649 --> 00:31:15,980

now that that whole area of the talking

696

00:31:20,750 --> 00:31:18,659

is pretty well known for a lot of

697

00:31:22,430 --> 00:31:20,760

strange things anyway

698

00:31:24,049 --> 00:31:22,440

uh

699

00:31:26,289 --> 00:31:24,059

you know I used to do a lot of fishing

700

00:31:29,389 --> 00:31:26,299

up there a lot of fly fishing

701
00:31:31,370 --> 00:31:29,399
and uh I I know the area pretty well of

702
00:31:33,470 --> 00:31:31,380
course I can't get into Camp David but

703
00:31:35,269 --> 00:31:33,480
you know people who knew the area knew

704
00:31:38,630 --> 00:31:35,279
the access to Camp David is right off

705
00:31:39,409 --> 00:31:38,640
the main road up going up the hill so

706
00:31:41,029 --> 00:31:39,419
um

707
00:31:45,830 --> 00:31:41,039
but yeah there have been Bigfoot

708
00:31:50,870 --> 00:31:48,169
you and you wonder what happens to them

709
00:31:52,370 --> 00:31:50,880
if they get near Camp David itself I

710
00:31:55,370 --> 00:31:52,380
mean

711
00:31:58,310 --> 00:31:55,380
like if they're ever spotted within I

712
00:32:00,769 --> 00:31:58,320
guess the perimeter that's protected

713
00:32:02,690 --> 00:32:00,779

you know yeah I mean that perimeter is

714

00:32:03,889 --> 00:32:02,700

one too

715

00:32:06,649 --> 00:32:03,899

okay

716

00:32:10,909 --> 00:32:08,510

go ahead no if you had anything else

717

00:32:12,710 --> 00:32:10,919

said that no no that's it I mean it is a

718

00:32:15,049 --> 00:32:12,720

wide perimeter

719

00:32:16,610 --> 00:32:15,059

um I had been on the Edge at the edge of

720

00:32:19,370 --> 00:32:16,620

the perimeter before

721

00:32:20,389 --> 00:32:19,380

uh I don't know what it's like now but I

722

00:32:22,690 --> 00:32:20,399

know

723

00:32:24,950 --> 00:32:22,700

the perimeter extended almost out into

724

00:32:28,669 --> 00:32:24,960

onto the main road there which is

725

00:32:30,730 --> 00:32:28,679

Cunningham Falls Road I think so uh

726

00:32:34,190 --> 00:32:30,740

the the actual

727

00:32:37,010 --> 00:32:34,200

facility or the you know the home and

728

00:32:38,990 --> 00:32:37,020

the the whole complex is about a mile

729

00:32:43,610 --> 00:32:39,000

off the main road so it's at least a

730

00:32:48,649 --> 00:32:46,430

oh wow

731

00:32:52,610 --> 00:32:48,659

um so Vincent also asks do you think

732

00:32:56,330 --> 00:32:52,620

seeing Bigfoot Wing humanoid uh is

733

00:33:04,250 --> 00:33:01,490

probably not though I can't prove that

734

00:33:05,149 --> 00:33:04,260

um I I think the abduction scenario with

735

00:33:07,190 --> 00:33:05,159

me

736

00:33:08,690 --> 00:33:07,200

was a result of my work with David

737

00:33:12,230 --> 00:33:08,700

Eckhart

738

00:33:14,149 --> 00:33:12,240

uh David warned me that they may

739

00:33:16,130 --> 00:33:14,159

actually

740

00:33:17,690 --> 00:33:16,140

encount I might have encounters with

741

00:33:19,070 --> 00:33:17,700

them after I started working with him

742

00:33:22,669 --> 00:33:19,080

now it took a while

743

00:33:25,310 --> 00:33:22,679

you know I was with David for about

744

00:33:26,570 --> 00:33:25,320

six or seven years before I had my first

745

00:33:31,430 --> 00:33:26,580

encounter

746

00:33:33,529 --> 00:33:31,440

about it was during the year that my

747

00:33:35,930 --> 00:33:33,539

wife was sick with cancer

748

00:33:37,850 --> 00:33:35,940

and uh

749

00:33:42,289 --> 00:33:37,860

I had two encounters at home and each

750

00:33:44,090 --> 00:33:42,299

time it was three told alien Graves

751
00:33:46,490 --> 00:33:44,100
um very tall and I'm talking about seven

752
00:33:47,450 --> 00:33:46,500
to eight foot in height

753
00:33:49,310 --> 00:33:47,460
um

754
00:33:51,409 --> 00:33:49,320
I had the Encounters in the living room

755
00:33:54,529 --> 00:33:51,419
at night

756
00:33:56,149 --> 00:33:54,539
and then I had one encounter where I was

757
00:33:57,549 --> 00:33:56,159
literally I believe I was literally

758
00:34:04,009 --> 00:33:57,559
taken

759
00:34:05,570 --> 00:34:04,019
I don't know if it was on a craft or

760
00:34:07,549 --> 00:34:05,580
somewhere else I don't know what it was

761
00:34:10,490 --> 00:34:07,559
at but all I knew was

762
00:34:12,530 --> 00:34:10,500
when I when I was uh when I was taken I

763
00:34:14,690 --> 00:34:12,540

was taken to a location where they were

764

00:34:18,109 --> 00:34:14,700
showing me historical

765

00:34:20,750 --> 00:34:18,119
data and and actually showing

766

00:34:22,250 --> 00:34:20,760
uh

767

00:34:25,129 --> 00:34:22,260
things that happened in history

768

00:34:27,950 --> 00:34:25,139
particular and in particular they they

769

00:34:30,230 --> 00:34:27,960
showed me a large

770

00:34:32,389 --> 00:34:30,240
circular craft

771

00:34:35,149 --> 00:34:32,399
that landed and they showed me the

772

00:34:36,290 --> 00:34:35,159
location in what is now the um the Nile

773

00:34:39,230 --> 00:34:36,300
Delta

774

00:34:40,970 --> 00:34:39,240
out into the Mediterranean

775

00:34:42,889 --> 00:34:40,980
and you know when I saw that the first

776

00:34:45,050 --> 00:34:42,899

thing I know what I did I asked them I

777

00:34:46,730 --> 00:34:45,060

said was this Atlantis and they never

778

00:34:49,310 --> 00:34:46,740

did answer me

779

00:34:50,990 --> 00:34:49,320

but they did show me were

780

00:34:54,409 --> 00:34:51,000

these these

781

00:34:57,050 --> 00:34:54,419

um these beings that were on this craft

782

00:34:59,810 --> 00:34:57,060

intermingled with uh the civilizations

783

00:35:02,170 --> 00:34:59,820

around them and I'm talking about it the

784

00:35:04,490 --> 00:35:02,180

Greeks the Sumerians

785

00:35:06,589 --> 00:35:04,500

he um

786

00:35:09,230 --> 00:35:06,599

in Mesopotamia around the Fertile

787

00:35:10,970 --> 00:35:09,240

Crescent and especially down into uh

788

00:35:14,030 --> 00:35:10,980

Egypt

789

00:35:16,069 --> 00:35:14,040

and I think that um

790

00:35:19,010 --> 00:35:16,079

I I do think that there has been some

791

00:35:21,770 --> 00:35:19,020

intervention with the Egyptians over

792

00:35:24,890 --> 00:35:21,780

over the I mean with the early Egyptians

793

00:35:27,710 --> 00:35:24,900

over the years uh during several the

794

00:35:30,050 --> 00:35:27,720

dynasties in particular the 18th Dynasty

795

00:35:31,670 --> 00:35:30,060

and um

796

00:35:34,730 --> 00:35:31,680

you know some of the things they did

797

00:35:37,130 --> 00:35:34,740

show me did indicate that you know

798

00:35:38,510 --> 00:35:37,140

um so I don't know I mean all I can do

799

00:35:41,270 --> 00:35:38,520

is just

800

00:35:44,329 --> 00:35:41,280

tell you or tell whoever what I did

801
00:35:46,190 --> 00:35:44,339
encounter but um yeah they kind of were

802
00:35:47,810 --> 00:35:46,200
trying to show me what their

803
00:35:51,290 --> 00:35:47,820
interpretation of History

804
00:35:53,089 --> 00:35:51,300
and uh that they were involved with the

805
00:35:56,089 --> 00:35:53,099
the um

806
00:35:58,130 --> 00:35:56,099
with the uh advancement of uh several

807
00:36:01,670 --> 00:35:58,140
our civilizations or Western

808
00:36:07,849 --> 00:36:01,680
civilizations uh and in particular the

809
00:36:13,430 --> 00:36:11,089
I believe that I truly do

810
00:36:14,810 --> 00:36:13,440
um so I I hate to butcher anyone's name

811
00:36:17,750 --> 00:36:14,820
but I'm probably going to butcher her

812
00:36:20,210 --> 00:36:17,760
name Maury Gaddy S Lawn have you ever

813
00:36:25,430 --> 00:36:20,220

had any strange happenings at your home

814

00:36:29,710 --> 00:36:26,589

um

815

00:36:32,450 --> 00:36:29,720

well other than this aliens showing up

816

00:36:34,390 --> 00:36:32,460

uh I used to I used to get a lot of blue

817

00:36:37,730 --> 00:36:34,400

word activity

818

00:36:40,310 --> 00:36:37,740

I was uh I did notice a lot of blue orb

819

00:36:42,470 --> 00:36:40,320

activity in my apartment and I was I was

820

00:36:43,990 --> 00:36:42,480

living down in in Randallstown Maryland

821

00:36:47,750 --> 00:36:44,000

at the time

822

00:36:49,550 --> 00:36:47,760

uh and my my wife had seen that as well

823

00:36:51,770 --> 00:36:49,560

so we were seeing a lot of strange

824

00:36:53,390 --> 00:36:51,780

things there

825

00:36:55,730 --> 00:36:53,400

um

826

00:36:57,829 --> 00:36:55,740

but other than that I I really haven't

827

00:36:59,810 --> 00:36:57,839

had much happen at home

828

00:37:02,030 --> 00:36:59,820

and even now I live you know you know

829

00:37:05,990 --> 00:37:02,040

where I live I live right beside a large

830

00:37:09,109 --> 00:37:06,000

uh Cemetery yeah and outside in

831

00:37:11,930 --> 00:37:09,119

mcjerrystown Pennsylvania and uh

832

00:37:15,410 --> 00:37:11,940

I had I very rarely sense anything here

833

00:37:22,250 --> 00:37:15,420

so uh you know I I haven't had much

834

00:37:22,260 --> 00:37:27,410

well that's good you're lucky yeah

835

00:37:29,329 --> 00:37:28,730

so

836

00:37:32,089 --> 00:37:29,339

um

837

00:37:34,870 --> 00:37:32,099

yeah no I'm I'm jealous you know how my

838

00:37:38,930 --> 00:37:34,880

house is I'm very jealous

839

00:37:42,950 --> 00:37:41,569

so what about they also before the show

840

00:37:44,750 --> 00:37:42,960

we're also talking about the Andrew

841

00:37:47,569 --> 00:37:44,760

Dawson case because you posted about

842

00:37:49,849 --> 00:37:47,579

that as well yeah do you want to tell

843

00:37:53,450 --> 00:37:49,859

everyone about that yeah I'll talk about

844

00:37:54,290 --> 00:37:53,460

that uh what happened was

845

00:37:57,370 --> 00:37:54,300

um

846

00:38:00,710 --> 00:37:57,380

let's copy the name of Andrew Dawson

847

00:38:03,230 --> 00:38:00,720

reported that he saw

848

00:38:07,849 --> 00:38:03,240

some type of either giant or large

849

00:38:11,270 --> 00:38:07,859

Bigfoot on on one of the uh The Whistler

850

00:38:13,550 --> 00:38:11,280

Mountain ridges in British Columbia

851

00:38:18,050 --> 00:38:13,560

it's called whistler's Peak

852

00:38:20,390 --> 00:38:18,060

and uh there were it was video of it

853

00:38:22,790 --> 00:38:20,400

um he did report it

854

00:38:25,609 --> 00:38:22,800

uh then he started reporting that he was

855

00:38:26,930 --> 00:38:25,619

being followed and told not to disclose

856

00:38:29,270 --> 00:38:26,940

any of this

857

00:38:30,609 --> 00:38:29,280

then

858

00:38:32,990 --> 00:38:30,619

um

859

00:38:37,069 --> 00:38:33,000

you know several months after that

860

00:38:41,450 --> 00:38:40,190

now was he trying to be silenced I don't

861

00:38:47,750 --> 00:38:41,460

know

862

00:38:50,690 --> 00:38:47,760

people who knew of this guy

863

00:38:53,030 --> 00:38:50,700

that said that he died under a very

864

00:38:56,030 --> 00:38:53,040

mysterious circumstances

865

00:38:58,630 --> 00:38:56,040

and that he was told he actually before

866

00:39:02,390 --> 00:38:58,640

he passed he was actually trying to

867

00:39:05,569 --> 00:39:02,400

to say that this was um that he made

868

00:39:06,829 --> 00:39:05,579

this up and that this did not happen

869

00:39:09,410 --> 00:39:06,839

but

870

00:39:11,210 --> 00:39:09,420

he was still being harassed and like you

871

00:39:14,690 --> 00:39:11,220

said to me tonight

872

00:39:16,670 --> 00:39:14,700

uh his girlfriend is trying to say now

873

00:39:19,130 --> 00:39:16,680

that this was a hoax but

874

00:39:20,390 --> 00:39:19,140

there's still a lot of question about it

875

00:39:21,470 --> 00:39:20,400

so

876

00:39:24,530 --> 00:39:21,480

um

877

00:39:26,089 --> 00:39:24,540

we really don't know what happened here

878

00:39:28,550 --> 00:39:26,099

um

879

00:39:30,770 --> 00:39:28,560

now I did post some I did post something

880

00:39:33,950 --> 00:39:30,780

back in in October

881

00:39:35,390 --> 00:39:33,960

uh where it did have his um it did have

882

00:39:37,910 --> 00:39:35,400

his obituary

883

00:39:40,790 --> 00:39:37,920

and I did verify that the guy did pass

884

00:39:43,670 --> 00:39:40,800

it's the same guy that had the encounter

885

00:39:45,290 --> 00:39:43,680

so is this something

886

00:39:47,270 --> 00:39:45,300

you know is this something like before

887

00:39:49,190 --> 00:39:47,280

with the guy who saw the decapitated

888

00:39:50,569 --> 00:39:49,200

Bigfoot is is this something where the

889

00:39:53,089 --> 00:39:50,579

powers that be

890

00:39:54,710 --> 00:39:53,099

are trying to hush us up I don't know it

891

00:39:59,270 --> 00:39:54,720

very well could be

892

00:40:01,190 --> 00:39:59,280

but this this stuff does happen and um

893

00:40:02,569 --> 00:40:01,200

you know I've got a lot of examples over

894

00:40:04,430 --> 00:40:02,579

the years of

895

00:40:08,089 --> 00:40:04,440

weird stuff like this happening

896

00:40:10,430 --> 00:40:08,099

especially involving Bigfoot uh I I

897

00:40:12,109 --> 00:40:10,440

don't know what it is I I don't know if

898

00:40:14,030 --> 00:40:12,119

there's something about Bigfoot that

899

00:40:17,390 --> 00:40:14,040

they want to keep quiet

900

00:40:21,170 --> 00:40:17,400

or whatever I mean it it's an enigma to

901
00:40:25,849 --> 00:40:23,150
when I when you post

902
00:40:27,710 --> 00:40:25,859
you post very nosy so I went to take

903
00:40:30,349 --> 00:40:27,720
to count and I watched you know his

904
00:40:35,030 --> 00:40:30,359
videos and he posted the giant video

905
00:40:38,089 --> 00:40:35,040
when he found it it's crazy it really

906
00:40:40,130 --> 00:40:38,099
is I mean it's that's up there and then

907
00:40:41,930 --> 00:40:40,140
the other videos you know when he he

908
00:40:43,849 --> 00:40:41,940
denies it himself like he literally

909
00:40:45,589 --> 00:40:43,859
comes on and he's like it was a hoax

910
00:40:47,329 --> 00:40:45,599
you're not gonna hear from me he looks

911
00:40:49,010 --> 00:40:47,339
off camera when he's saying and you

912
00:40:52,190 --> 00:40:49,020
could tell he's scared

913
00:40:54,349 --> 00:40:52,200

so then like I went back and I I found

914

00:40:55,670 --> 00:40:54,359

his girlfriend's account and she you

915

00:40:58,730 --> 00:40:55,680

know she came on she was basically

916

00:41:00,470 --> 00:40:58,740

saying don't leave me alone he hoaxed it

917

00:41:03,349 --> 00:41:00,480

you know he pulled the wool over your

918

00:41:06,349 --> 00:41:03,359

eyes and and that you it was real but it

919

00:41:08,569 --> 00:41:06,359

wasn't real those were her exact words

920

00:41:10,849 --> 00:41:08,579

so then something was real but something

921

00:41:12,349 --> 00:41:10,859

what you know and it's just like you

922

00:41:14,270 --> 00:41:12,359

could tell she was afraid she just

923

00:41:16,609 --> 00:41:14,280

wanted left alone

924

00:41:18,290 --> 00:41:16,619

so there's something there there's you

925

00:41:19,910 --> 00:41:18,300

know whether she's being threatened and

926
00:41:21,530 --> 00:41:19,920
they they have a child so I could

927
00:41:23,690 --> 00:41:21,540
understand that as a mother she would

928
00:41:24,770 --> 00:41:23,700
want you know to protect her child with

929
00:41:27,710 --> 00:41:24,780
him

930
00:41:31,010 --> 00:41:27,720
but yeah it that whole thing is just

931
00:41:32,510 --> 00:41:31,020
it's it's crazy it really is I think

932
00:41:34,910 --> 00:41:32,520
she's being PR I think she's being

933
00:41:37,790 --> 00:41:34,920
pressured to keep quiet like he was and

934
00:41:39,470 --> 00:41:37,800
they're kind of coaching her to to say

935
00:41:41,930 --> 00:41:39,480
certain things to try to get people off

936
00:41:43,010 --> 00:41:41,940
of it because it has created quite a

937
00:41:45,530 --> 00:41:43,020
stir

938
00:41:49,010 --> 00:41:45,540

uh I I know several people in British

939

00:41:51,230 --> 00:41:49,020

Columbia who know all about this and um

940

00:41:56,089 --> 00:41:51,240

yeah it's it's causing people to

941

00:42:01,069 --> 00:41:58,790

yeah or what's on that mountain top I

942

00:42:03,109 --> 00:42:01,079

mean well exactly I I even looked at it

943

00:42:06,410 --> 00:42:03,119

and I'm like what the heck is yeah he's

944

00:42:08,150 --> 00:42:06,420

he's in the car he's pretty far away

945

00:42:11,329 --> 00:42:08,160

what the heck is this giant thing

946

00:42:15,170 --> 00:42:11,339

walking up on on the mountain it's you

947

00:42:17,630 --> 00:42:15,180

know it's not a person obviously so

948

00:42:20,089 --> 00:42:17,640

it's yeah and I I feel bad for her I

949

00:42:21,650 --> 00:42:20,099

truly do I feel I feel bad for my heart

950

00:42:23,329 --> 00:42:21,660

goes out to her

951
00:42:26,630 --> 00:42:23,339
um so I have a question before we move

952
00:42:29,990 --> 00:42:26,640
on from Marla do you believe in the

953
00:42:31,370 --> 00:42:30,000
Bigfoot alien connection

954
00:42:33,470 --> 00:42:31,380
yeah

955
00:42:37,010 --> 00:42:33,480
uh there have been a few examples of it

956
00:42:39,410 --> 00:42:37,020
uh historically but of course I I guess

957
00:42:43,069 --> 00:42:39,420
uh this is something that

958
00:42:45,290 --> 00:42:43,079
was a is a theory of uh Stan Gordon

959
00:42:47,690 --> 00:42:45,300
uh of an incident that happened up on

960
00:42:51,050 --> 00:42:47,700
the the Chestnut Ridge in in uh

961
00:42:52,730 --> 00:42:51,060
Westmoreland County Pennsylvania

962
00:42:54,589 --> 00:42:52,740
and not far from you

963
00:42:56,210 --> 00:42:54,599

and uh

964

00:42:59,569 --> 00:42:56,220

where

965

00:43:01,550 --> 00:42:59,579

that there was uh there were sightings

966

00:43:04,309 --> 00:43:01,560

of UFOs

967

00:43:06,470 --> 00:43:04,319

that apparently landed in the woods near

968

00:43:09,109 --> 00:43:06,480

a certain location

969

00:43:12,290 --> 00:43:09,119

and not long after that there were

970

00:43:14,569 --> 00:43:12,300

several Bigfoot creatures with shining

971

00:43:16,309 --> 00:43:14,579

eyes showing up walking along the fence

972

00:43:18,230 --> 00:43:16,319

line

973

00:43:20,450 --> 00:43:18,240

uh that's not the only time it happened

974

00:43:22,370 --> 00:43:20,460

in in fact it had happened in

975

00:43:25,730 --> 00:43:22,380

Pennsylvania before up near Presque

976

00:43:28,849 --> 00:43:25,740

island or off just outside of Erie which

977

00:43:31,190 --> 00:43:28,859

extends out into uh Lake Erie

978

00:43:34,370 --> 00:43:31,200

where there was an encounter with the

979

00:43:36,710 --> 00:43:34,380

UFO and then a Bigfoot at the same time

980

00:43:38,510 --> 00:43:36,720

yeah I do believe it happens and you

981

00:43:41,630 --> 00:43:38,520

know I've had people tell me over the

982

00:43:44,089 --> 00:43:41,640

years that a similar type of sightings

983

00:43:47,030 --> 00:43:44,099

that may or may not have been related to

984

00:43:48,710 --> 00:43:47,040

the UFO but it's quite a coincidence so

985

00:43:52,130 --> 00:43:48,720

yeah I think there is a connection there

986

00:43:52,140 --> 00:43:56,450

now do Bigfoot did

987

00:44:00,410 --> 00:43:58,190

that or the glowing

988

00:44:02,450 --> 00:44:00,420

is it was it just these ones that came

989

00:44:05,329 --> 00:44:02,460

out of the craft you've ever heard of

990

00:44:07,190 --> 00:44:05,339

well that particular sighting on the on

991

00:44:09,109 --> 00:44:07,200

does that make sense

992

00:44:10,730 --> 00:44:09,119

yeah at that particular setting in

993

00:44:13,490 --> 00:44:10,740

Chester Ridge they seem to have

994

00:44:16,490 --> 00:44:13,500

extraordinarily Bright Eyes now I have

995

00:44:19,010 --> 00:44:16,500

had people or Witnesses talk about

996

00:44:20,690 --> 00:44:19,020

you know the eye shine of Bigfoot on

997

00:44:24,349 --> 00:44:20,700

many occasions

998

00:44:26,990 --> 00:44:24,359

but this this this particular eye shine

999

00:44:29,089 --> 00:44:27,000

seems somewhat Supernatural it was more

1000

00:44:30,050 --> 00:44:29,099

projecting like as opposed to reflecting

1001

00:44:31,970 --> 00:44:30,060

light

1002

00:44:34,550 --> 00:44:31,980

just like we have had with the the

1003

00:44:35,690 --> 00:44:34,560

Mothman phenomena like a projection of

1004

00:44:39,050 --> 00:44:35,700

light

1005

00:44:41,270 --> 00:44:39,060

so um I I think uh

1006

00:44:43,550 --> 00:44:41,280

you know were these alien beings or I

1007

00:44:45,410 --> 00:44:43,560

mean is Bigfoot related to aliens

1008

00:44:49,190 --> 00:44:45,420

somehow because of that it very well

1009

00:44:51,349 --> 00:44:49,200

could be uh I did a uh I was involved

1010

00:44:55,010 --> 00:44:51,359

with the habituation

1011

00:44:57,950 --> 00:44:55,020

in uh Northern Nova Scotia

1012

00:44:59,690 --> 00:44:57,960

uh along the Bay of funded back in uh

1013

00:45:03,470 --> 00:44:59,700

about

1014

00:45:05,870 --> 00:45:03,480

six or seven years ago where a farmer on

1015

00:45:08,270 --> 00:45:05,880

in Nova Scotia

1016

00:45:09,410 --> 00:45:08,280

was documenting Bigfoot activity on his

1017

00:45:11,870 --> 00:45:09,420

form

1018

00:45:13,430 --> 00:45:11,880

and he used to encounter a lot of UFO

1019

00:45:15,470 --> 00:45:13,440

activity

1020

00:45:17,870 --> 00:45:15,480

and uh he believed that there was

1021

00:45:19,430 --> 00:45:17,880

something there was something to it he

1022

00:45:23,150 --> 00:45:19,440

had actually seen one of these creatures

1023

00:45:26,390 --> 00:45:23,160

leave a circular craft at one point

1024

00:45:28,609 --> 00:45:26,400

so um yeah I don't know you know I don't

1025

00:45:30,230 --> 00:45:28,619

know if it really is that but there have

1026

00:45:37,130 --> 00:45:30,240

been there have been some encounters

1027

00:45:40,190 --> 00:45:38,630

say I was going to ask you if you

1028

00:45:42,650 --> 00:45:40,200

thought maybe they were

1029

00:45:45,170 --> 00:45:42,660

the cloaked away or they were something

1030

00:45:47,930 --> 00:45:45,180

appearing as Bigfoot that weren't really

1031

00:45:50,569 --> 00:45:47,940

Bigfoot with that kind of I shine

1032

00:45:52,849 --> 00:45:50,579

it could be that could be glowing eyes

1033

00:45:55,790 --> 00:45:52,859

was common yeah yeah it could be an

1034

00:45:57,650 --> 00:45:55,800

imitation maybe but um

1035

00:45:59,450 --> 00:45:57,660

uh I don't know

1036

00:46:01,730 --> 00:45:59,460

I don't know I mean you know the

1037

00:46:03,609 --> 00:46:01,740

descriptions that we have received that

1038

00:46:07,010 --> 00:46:03,619

have historically been

1039

00:46:08,510 --> 00:46:07,020

reported it's very similar to a you know

1040

00:46:11,030 --> 00:46:08,520

a Bigfoot you know or what people

1041

00:46:13,670 --> 00:46:11,040

describe as a Bigfoot so um

1042

00:46:16,130 --> 00:46:13,680

I don't know if there's there's an alien

1043

00:46:17,809 --> 00:46:16,140

connection there or not but um in those

1044

00:46:22,550 --> 00:46:17,819

instances it seems like they're very

1045

00:46:27,050 --> 00:46:24,230

we're gonna this is gonna be a question

1046

00:46:29,210 --> 00:46:27,060

I think what is your what is the case

1047

00:46:31,130 --> 00:46:29,220

that most stands out to you like what is

1048

00:46:32,589 --> 00:46:31,140

you know

1049

00:46:39,770 --> 00:46:32,599

the case

1050

00:46:45,109 --> 00:46:42,829

and it's always been like your case oh

1051

00:46:49,309 --> 00:46:45,119

yeah well this whole yeah this whole

1052

00:46:51,470 --> 00:46:49,319

Chicago Mothman Wing humanoid thing is

1053

00:46:52,910 --> 00:46:51,480

I mean this is the case that keeps on

1054

00:46:55,609 --> 00:46:52,920

giving I mean you know we've been

1055

00:46:59,030 --> 00:46:55,619

looking at this now since 2011.

1056

00:47:01,370 --> 00:46:59,040

and of course it kind of died off for a

1057

00:47:02,750 --> 00:47:01,380

while but then in 2017 it really started

1058

00:47:04,970 --> 00:47:02,760

picking up

1059

00:47:07,309 --> 00:47:04,980

and uh

1060

00:47:08,510 --> 00:47:07,319

you know I got real deep into it and

1061

00:47:10,730 --> 00:47:08,520

then

1062

00:47:13,609 --> 00:47:10,740

Emmanuel was that with me from the very

1063

00:47:17,150 --> 00:47:13,619

beginning with it manual navarrette and

1064

00:47:19,569 --> 00:47:17,160

of course uh Tobias Whalen who lives in

1065

00:47:22,790 --> 00:47:19,579

Wisconsin just over the Border it was

1066

00:47:24,410 --> 00:47:22,800

you know was looking into it as well so

1067

00:47:26,990 --> 00:47:24,420

we kind of pulled our resources together

1068

00:47:27,829 --> 00:47:27,000

and started doing the investigation as a

1069

00:47:30,589 --> 00:47:27,839

trio

1070

00:47:32,210 --> 00:47:30,599

and uh we had a few people with us on

1071

00:47:35,030 --> 00:47:32,220

the way I told you about Bruce Mary

1072

00:47:37,910 --> 00:47:35,040

Ellen Godley was part of that but uh

1073

00:47:39,829 --> 00:47:37,920

yeah we'd uh you know like I said it's

1074

00:47:41,930 --> 00:47:39,839

the case that keeps on giving and we

1075

00:47:43,089 --> 00:47:41,940

have had some really bizarre reports

1076

00:47:45,349 --> 00:47:43,099

over the years

1077

00:47:47,809 --> 00:47:45,359

and I think there's an alien connection

1078

00:47:48,829 --> 00:47:47,819

there somehow

1079

00:47:51,650 --> 00:47:48,839

um

1080

00:47:53,210 --> 00:47:51,660

in recent years most of the reports the

1081

00:47:54,349 --> 00:47:53,220

most most of the best reports were

1082

00:47:57,290 --> 00:47:54,359

coming out of O'Hare International

1083

00:47:58,910 --> 00:47:57,300

O'Hara

1084

00:48:00,890 --> 00:47:58,920

I don't know what it is about that

1085

00:48:02,870 --> 00:48:00,900

airport there's a lot of weird things

1086

00:48:05,930 --> 00:48:02,880

that happen at airports but O'Hara just

1087

00:48:08,450 --> 00:48:05,940

seems to have that certain aura about it

1088

00:48:11,630 --> 00:48:08,460

where a lot of weird things do happen

1089

00:48:13,309 --> 00:48:11,640

and uh yeah but that's the case I mean

1090

00:48:15,050 --> 00:48:13,319

you know this is the you know when you

1091

00:48:16,910 --> 00:48:15,060

think about it

1092

00:48:19,010 --> 00:48:16,920

very rarely

1093

00:48:21,470 --> 00:48:19,020

do you get Cryptid cases in a

1094

00:48:23,349 --> 00:48:21,480

metropolitan area and to the degree it

1095

00:48:27,530 --> 00:48:23,359

has been reported

1096

00:48:29,809 --> 00:48:27,540

it's um it's remarkable I mean it's you

1097

00:48:32,089 --> 00:48:29,819

know this just does not happen now of

1098

00:48:35,690 --> 00:48:32,099

course it has spread out into other

1099

00:48:38,450 --> 00:48:35,700

areas into other uh locations

1100

00:48:40,690 --> 00:48:38,460

west south and north of Chicago it's

1101
00:48:43,670 --> 00:48:40,700
going up as far north as Milwaukee

1102
00:48:46,430 --> 00:48:43,680
Wisconsin and as far south as almost

1103
00:48:49,309 --> 00:48:46,440
near Indianapolis Indiana and into

1104
00:48:52,010 --> 00:48:49,319
Southern into Central Illinois so it

1105
00:48:54,170 --> 00:48:52,020
it's it's kind of spread out uh we've

1106
00:48:57,050 --> 00:48:54,180
had some sightings also into Michigan

1107
00:49:00,530 --> 00:48:57,060
and some sightings out over the Lake

1108
00:49:03,650 --> 00:49:00,540
Michigan so um yeah it's um you know

1109
00:49:06,170 --> 00:49:03,660
there's there's a lot involved with this

1110
00:49:08,030 --> 00:49:06,180
I you know I think we we do think that

1111
00:49:11,030 --> 00:49:08,040
there there is an interdimensional

1112
00:49:15,470 --> 00:49:11,040
aspect to these things

1113
00:49:17,089 --> 00:49:15,480

um but you know we really don't know oh

1114

00:49:21,170 --> 00:49:17,099

go ahead

1115

00:49:25,370 --> 00:49:21,180

yeah

1116

00:49:27,950 --> 00:49:25,380

now is O'Hare is Denver just as bad as

1117

00:49:30,470 --> 00:49:27,960

O'Hare in terms of Supernatural anything

1118

00:49:32,470 --> 00:49:30,480

because I've heard things about Denver

1119

00:49:35,870 --> 00:49:32,480

Airport I believe it's Denver Airport

1120

00:49:38,870 --> 00:49:35,880

yeah Denver Airport

1121

00:49:39,530 --> 00:49:38,880

is just bizarre

1122

00:49:42,710 --> 00:49:39,540

um

1123

00:49:45,170 --> 00:49:42,720

the people who built that put a lot of

1124

00:49:47,690 --> 00:49:45,180

different things into that airport

1125

00:49:49,309 --> 00:49:47,700

that just have the real conspiratorial

1126

00:49:53,690 --> 00:49:49,319

aspect to it

1127

00:49:56,750 --> 00:49:53,700

um I I know the Masons had some input on

1128

00:49:59,450 --> 00:49:56,760

that some of the artwork is just really

1129

00:50:02,030 --> 00:49:59,460

bizarre they've got some large murals

1130

00:50:05,630 --> 00:50:02,040

there that are just really out there

1131

00:50:07,849 --> 00:50:05,640

uh I have had people report reptilian

1132

00:50:09,530 --> 00:50:07,859

type activity in the bowels of that

1133

00:50:11,210 --> 00:50:09,540

airport

1134

00:50:13,910 --> 00:50:11,220

I've had people

1135

00:50:16,010 --> 00:50:13,920

who have um who have had some weird

1136

00:50:17,150 --> 00:50:16,020

encounters like missing time in the

1137

00:50:20,450 --> 00:50:17,160

airport

1138

00:50:22,250 --> 00:50:20,460

so we we do occasionally get a you know

1139

00:50:23,690 --> 00:50:22,260

we do occasionally get a report out of

1140

00:50:26,150 --> 00:50:23,700

there

1141

00:50:28,010 --> 00:50:26,160

so uh but that's to the that's about the

1142

00:50:32,870 --> 00:50:28,020

extent of what people experience there

1143

00:50:37,910 --> 00:50:35,990

yeah do you think maybe like airports

1144

00:50:39,890 --> 00:50:37,920

like that no hair they're hubs for

1145

00:50:42,530 --> 00:50:39,900

something like incoming

1146

00:50:47,089 --> 00:50:42,540

say like the winged humanoids for O'Hare

1147

00:50:51,829 --> 00:50:49,250

I I just think it's the actual location

1148

00:50:53,809 --> 00:50:51,839

I I think something was there before

1149

00:50:56,150 --> 00:50:53,819

they built the airport

1150

00:50:57,829 --> 00:50:56,160

of course you know a hair's got a

1151

00:51:00,650 --> 00:50:57,839

cemetery that's still there there was

1152

00:51:02,450 --> 00:51:00,660

another one there but that was mood

1153

00:51:03,950 --> 00:51:02,460

um has that got something to do but very

1154

00:51:06,349 --> 00:51:03,960

well could be

1155

00:51:08,930 --> 00:51:06,359

um but it just seems to be a

1156

00:51:13,549 --> 00:51:08,940

it just seems to be a hot area uh yeah

1157

00:51:15,470 --> 00:51:13,559

there is leyline activity in that area

1158

00:51:17,450 --> 00:51:15,480

uh does that is that a contributing

1159

00:51:19,490 --> 00:51:17,460

factoring very well could be as far as

1160

00:51:22,849 --> 00:51:19,500

uh and there are some of the murals from

1161

00:51:24,770 --> 00:51:22,859

uh Denver it's it's really bizarre uh

1162

00:51:26,690 --> 00:51:24,780

I've had people tell me that they have

1163

00:51:30,890 --> 00:51:26,700

stood there and looked at those murals

1164

00:51:32,510 --> 00:51:30,900

and have just lost time and um yeah it's

1165

00:51:34,370 --> 00:51:32,520

it's a weird and I think it's I think

1166

00:51:35,990 --> 00:51:34,380

the location is weird anyway you know

1167

00:51:37,609 --> 00:51:36,000

that airport is not that old it's about

1168

00:51:39,950 --> 00:51:37,619

20 years old

1169

00:51:42,710 --> 00:51:39,960

but when they uh when they built this

1170

00:51:45,290 --> 00:51:42,720

airport uh you know the other airport

1171

00:51:46,790 --> 00:51:45,300

was I don't know why all of a sudden

1172

00:51:50,030 --> 00:51:46,800

they had to build it like maybe it was

1173

00:51:52,790 --> 00:51:50,040

space but uh yeah it kind of went up

1174

00:51:55,730 --> 00:51:52,800

quickly without much

1175

00:51:58,549 --> 00:51:55,740

opposition and uh they put a lot of

1176

00:52:09,309 --> 00:51:58,559

weird things into it

1177

00:52:13,490 --> 00:52:11,390

that's weird because you would think

1178

00:52:15,170 --> 00:52:13,500

that they would you know exhume the

1179

00:52:16,609 --> 00:52:15,180

bodies and move them to somewhere else

1180

00:52:18,230 --> 00:52:16,619

so they could

1181

00:52:19,730 --> 00:52:18,240

you know because who wants a cemetery

1182

00:52:23,089 --> 00:52:19,740

right there at the airport that's just

1183

00:52:25,030 --> 00:52:23,099

weird to me that really is

1184

00:52:29,870 --> 00:52:25,040

yeah

1185

00:52:33,109 --> 00:52:29,880

that cemetery and um

1186

00:52:35,510 --> 00:52:33,119

we've had other humanoid sightings we've

1187

00:52:36,890 --> 00:52:35,520

had the wing humanoid sightings and a

1188

00:52:38,630 --> 00:52:36,900

lot of weird stuff that's happened there

1189

00:52:41,450 --> 00:52:38,640

it's in it it's actually there's court

1190

00:52:42,710 --> 00:52:41,460

it's portable large cargo area that

1191

00:52:44,569 --> 00:52:42,720

surrounds it

1192

00:52:48,049 --> 00:52:44,579

so a lot of these people who work in

1193

00:52:50,150 --> 00:52:48,059

those cargo areas have um

1194

00:52:56,390 --> 00:52:50,160

you know have had these encounters and

1195

00:53:01,730 --> 00:52:59,690

which is it's just odd it really is so

1196

00:53:04,190 --> 00:53:01,740

what is the case that has made you

1197

00:53:06,950 --> 00:53:04,200

almost want to give all this up to hang

1198

00:53:09,410 --> 00:53:06,960

to hang it up and just walk away

1199

00:53:12,049 --> 00:53:09,420

have you had a case like that yeah I did

1200

00:53:14,030 --> 00:53:12,059

have one case like that it was um it was

1201
00:53:17,150 --> 00:53:14,040
an induction case

1202
00:53:18,049 --> 00:53:17,160
where uh the individual Acura had talked

1203
00:53:20,390 --> 00:53:18,059
to her

1204
00:53:22,609 --> 00:53:20,400
I knew something was going on I knew

1205
00:53:24,829 --> 00:53:22,619
something was wrong but I did find out

1206
00:53:28,309 --> 00:53:24,839
later that she was abduct possibly

1207
00:53:31,309 --> 00:53:28,319
abducted and she has never returned

1208
00:53:34,370 --> 00:53:31,319
and uh that was almost a decade ago and

1209
00:53:36,410 --> 00:53:34,380
I there's still no indication that she

1210
00:53:38,630 --> 00:53:36,420
has come back

1211
00:53:41,450 --> 00:53:38,640
um I have checked with the uh the state

1212
00:53:44,210 --> 00:53:41,460
police happened in Washington State

1213
00:53:44,930 --> 00:53:44,220

and she just vanished out the face of

1214

00:53:47,030 --> 00:53:44,940

the Earth

1215

00:53:49,250 --> 00:53:47,040

um you know her core was left her

1216

00:53:52,370 --> 00:53:49,260

personal effects were left

1217

00:53:55,190 --> 00:53:52,380

and uh they had had you know they had

1218

00:53:57,349 --> 00:53:55,200

had some possible alien activity UFO

1219

00:54:00,230 --> 00:53:57,359

activity at the time

1220

00:54:02,809 --> 00:54:00,240

and it was ramping up

1221

00:54:05,450 --> 00:54:02,819

and then one night her mother found her

1222

00:54:07,970 --> 00:54:05,460

missing she was nowhere to be found

1223

00:54:09,770 --> 00:54:07,980

and you know I was supposed to talk to

1224

00:54:12,470 --> 00:54:09,780

her the next day

1225

00:54:14,690 --> 00:54:12,480

and I never got a phone call and her

1226

00:54:17,630 --> 00:54:14,700

mother called me about five days later

1227

00:54:20,390 --> 00:54:17,640

and she told me that she was missing and

1228

00:54:22,609 --> 00:54:20,400

that they're looking for and uh

1229

00:54:23,990 --> 00:54:22,619

but the police at the time thought she

1230

00:54:26,569 --> 00:54:24,000

might have just took off with a

1231

00:54:28,250 --> 00:54:26,579

boyfriend or something which she babes

1232

00:54:31,970 --> 00:54:28,260

out of character with her

1233

00:54:34,910 --> 00:54:31,980

and uh she has not been seen since

1234

00:54:36,589 --> 00:54:34,920

and I I you know I I felt bad about it

1235

00:54:38,569 --> 00:54:36,599

because I had talked to her about three

1236

00:54:40,730 --> 00:54:38,579

hours that evening

1237

00:54:44,210 --> 00:54:40,740

and um

1238

00:54:46,849 --> 00:54:44,220

it kind of left a hole in me I um

1239

00:54:48,589 --> 00:54:46,859

I almost I almost hung up everything I

1240

00:54:51,049 --> 00:54:48,599

just I almost gave up on all of it

1241

00:54:53,390 --> 00:54:51,059

because it did affect me until I

1242

00:54:55,790 --> 00:54:53,400

realized that yeah well you know this

1243

00:54:57,770 --> 00:54:55,800

wasn't my fault I mean I could have

1244

00:54:59,329 --> 00:54:57,780

warned her but what would me warning her

1245

00:55:02,329 --> 00:54:59,339

do

1246

00:55:05,089 --> 00:55:02,339

so uh yeah I kind of got over it but

1247

00:55:06,650 --> 00:55:05,099

it's probably affected me as much if not

1248

00:55:14,510 --> 00:55:06,660

more than any other

1249

00:55:18,710 --> 00:55:17,030

yeah what do you think they wanted with

1250

00:55:19,730 --> 00:55:18,720

her like why do you think they picked

1251
00:55:22,309 --> 00:55:19,740
her

1252
00:55:24,530 --> 00:55:22,319
in Europe oh why why do they pick

1253
00:55:27,829 --> 00:55:24,540
anybody

1254
00:55:30,290 --> 00:55:27,839
um that's the big question why did they

1255
00:55:32,150 --> 00:55:30,300
take me why did they take a lot of other

1256
00:55:36,770 --> 00:55:32,160
people why did they take David

1257
00:55:38,210 --> 00:55:36,780
uh you know their motives are unknown

1258
00:55:39,589 --> 00:55:38,220
um

1259
00:55:42,950 --> 00:55:39,599
is there something to do with

1260
00:55:44,290 --> 00:55:42,960
Generations DNA you know a lot of times

1261
00:55:46,430 --> 00:55:44,300
families

1262
00:55:48,710 --> 00:55:46,440
experience a lot of this through

1263
00:55:52,670 --> 00:55:48,720

generations

1264

00:55:56,390 --> 00:55:52,680

uh I I think there's something to that

1265

00:55:59,030 --> 00:55:56,400

uh I also believe I personally believe

1266

00:56:00,349 --> 00:55:59,040

that they believe that these beings

1267

00:56:01,790 --> 00:56:00,359

believe

1268

00:56:09,470 --> 00:56:01,800

that

1269

00:56:14,030 --> 00:56:09,480

the belief

1270

00:56:17,450 --> 00:56:14,040

of um of us having a soul having a life

1271

00:56:20,210 --> 00:56:17,460

force that extends Beyond life that you

1272

00:56:22,309 --> 00:56:20,220

know when they die they die and that

1273

00:56:25,490 --> 00:56:22,319

when humans die

1274

00:56:29,569 --> 00:56:25,500

there seems to be a life force a spirit

1275

00:56:30,530 --> 00:56:29,579

if you may that extends Beyond mortal

1276

00:56:33,770 --> 00:56:30,540

life

1277

00:56:36,410 --> 00:56:33,780

and I think I think that may be an

1278

00:56:37,910 --> 00:56:36,420

explanation as to why there are

1279

00:56:45,170 --> 00:56:37,920

abductions because I think they're

1280

00:56:50,210 --> 00:56:47,390

I mean that's as good explanation as any

1281

00:56:52,069 --> 00:56:50,220

because it it fascinates me like why

1282

00:56:55,790 --> 00:56:52,079

what makes somebody so special to take

1283

00:56:58,970 --> 00:56:55,800

them as opposed to maybe like you if you

1284

00:57:01,609 --> 00:56:58,980

get taken why why not your wife or if

1285

00:57:04,910 --> 00:57:01,619

you know why not your son or you know

1286

00:57:06,349 --> 00:57:04,920

just it makes you wonder what is

1287

00:57:07,670 --> 00:57:06,359

different about you than like someone

1288

00:57:10,130 --> 00:57:07,680

else in your family who doesn't get

1289

00:57:11,930 --> 00:57:10,140

taken you know

1290

00:57:14,750 --> 00:57:11,940

um Vincent asked does the Paranormal

1291

00:57:17,210 --> 00:57:14,760

take a toll on you would you warn people

1292

00:57:19,010 --> 00:57:17,220

about getting into the field that's a

1293

00:57:21,109 --> 00:57:19,020

really good question

1294

00:57:23,809 --> 00:57:21,119

I think it has taken a toll on me excuse

1295

00:57:29,329 --> 00:57:25,670

I think it has taken a toll on me

1296

00:57:31,549 --> 00:57:29,339

physically and maybe a bit mentally

1297

00:57:34,970 --> 00:57:31,559

but um

1298

00:57:38,569 --> 00:57:34,980

I have had psychic attacks uh I had been

1299

00:57:41,750 --> 00:57:38,579

injured during removed views and cases

1300

00:57:43,010 --> 00:57:41,760

so that's the physical side of it

1301
00:57:45,410 --> 00:57:43,020
um

1302
00:57:48,109 --> 00:57:45,420
you know when I when I started working

1303
00:57:49,910 --> 00:57:48,119
with people a lot of the people I was

1304
00:57:51,730 --> 00:57:49,920
working with the people that got into

1305
00:57:54,470 --> 00:57:51,740
the Paranormal

1306
00:57:55,910 --> 00:57:54,480
calling himself paranormal investigators

1307
00:57:58,130 --> 00:57:55,920
and then getting themselves in trouble

1308
00:58:00,230 --> 00:57:58,140
and picking up attachments

1309
00:58:02,329 --> 00:58:00,240
and then they call us wanting to know

1310
00:58:04,490 --> 00:58:02,339
what the hell happened why are they

1311
00:58:06,710 --> 00:58:04,500
experiencing this stuff and

1312
00:58:08,750 --> 00:58:06,720
I mean the simple answer is they didn't

1313
00:58:10,370 --> 00:58:08,760

protect themselves and they let

1314

00:58:11,930 --> 00:58:10,380

themselves wide open

1315

00:58:14,809 --> 00:58:11,940

for an attachment

1316

00:58:16,609 --> 00:58:14,819

and that's what happens a lot of times

1317

00:58:19,970 --> 00:58:16,619

um

1318

00:58:23,089 --> 00:58:19,980

so you know I I believe that anybody

1319

00:58:25,130 --> 00:58:23,099

that gets involved with the Paranormal

1320

00:58:29,089 --> 00:58:25,140

needs to learn how to protect themselves

1321

00:58:32,030 --> 00:58:29,099

and it's just not fun in games this is a

1322

00:58:36,410 --> 00:58:32,040

very serious thing there are forces out

1323

00:58:37,670 --> 00:58:36,420

there that people just can't control and

1324

00:58:39,650 --> 00:58:37,680

they need to learn how to protect

1325

00:58:41,089 --> 00:58:39,660

themselves and uh if they don't they're

1326

00:58:48,069 --> 00:58:41,099

going to get in trouble themselves and

1327

00:58:53,870 --> 00:58:51,829

yeah I mean I I agree with you and you

1328

00:58:56,569 --> 00:58:53,880

you know people see this stuff on TV and

1329

00:58:59,210 --> 00:58:56,579

they think oh just a joke until it's not

1330

00:59:00,289 --> 00:58:59,220

a joke until bad things start to happen

1331

00:59:03,589 --> 00:59:00,299

to them

1332

00:59:05,450 --> 00:59:03,599

you know and I've had people say to me

1333

00:59:07,910 --> 00:59:05,460

well I wish I could see what you see no

1334

00:59:11,329 --> 00:59:07,920

no you don't like when people say that I

1335

00:59:13,069 --> 00:59:11,339

cringe yeah no you you don't or you

1336

00:59:15,470 --> 00:59:13,079

don't want to hear what I hear things

1337

00:59:17,750 --> 00:59:15,480

and it does it makes me cringe as

1338

00:59:19,670 --> 00:59:17,760

somebody who can see things that has

1339

00:59:21,950 --> 00:59:19,680

seen things like you don't want to see

1340

00:59:23,630 --> 00:59:21,960

this stuff like you don't want to be you

1341

00:59:26,150 --> 00:59:23,640

know like seven eight years old with

1342

00:59:29,450 --> 00:59:26,160

that a hat man which I didn't know at

1343

00:59:31,670 --> 00:59:29,460

the time like leaning over your bed

1344

00:59:33,530 --> 00:59:31,680

like you you don't want like a strange

1345

00:59:36,349 --> 00:59:33,540

man at that age sitting over your bed

1346

00:59:37,789 --> 00:59:36,359

and then just you know it was it was you

1347

00:59:41,569 --> 00:59:37,799

don't want that but oh you have the

1348

00:59:45,109 --> 00:59:41,579

people who do I yeah uh so mortal clown

1349

00:59:47,990 --> 00:59:45,119

asks how does uh the Paranormal work to

1350

00:59:49,670 --> 00:59:48,000

make your life better

1351
00:59:50,750 --> 00:59:49,680
yeah that sounds like a question coming

1352
00:59:53,930 --> 00:59:50,760
from her

1353
00:59:59,230 --> 00:59:53,940
uh I know her personally

1354
01:00:04,250 --> 01:00:02,030
yeah it's made it more it's made it more

1355
01:00:06,589 --> 01:00:04,260
interesting

1356
01:00:12,170 --> 01:00:09,170
I I don't know if it's made it better I

1357
01:00:14,150 --> 01:00:12,180
I it has made it more interesting I I've

1358
01:00:17,210 --> 01:00:14,160
probably

1359
01:00:19,010 --> 01:00:17,220
that you know that's a tough question I

1360
01:00:20,569 --> 01:00:19,020
can't really say it's made it better but

1361
01:00:23,630 --> 01:00:20,579
it has made it more interesting and I've

1362
01:00:25,910 --> 01:00:23,640
learned a lot I mean you know

1363
01:00:28,609 --> 01:00:25,920

if you've been involved with this the

1364

01:00:32,329 --> 01:00:28,619

way I have been you do learn and uh it

1365

01:00:33,650 --> 01:00:32,339

has led to certain things down the road

1366

01:00:36,230 --> 01:00:33,660

um

1367

01:00:39,470 --> 01:00:36,240

I don't know if notoriety is a good

1368

01:00:41,030 --> 01:00:39,480

thing in some point at some point um

1369

01:00:44,390 --> 01:00:41,040

but

1370

01:00:47,030 --> 01:00:44,400

um you know one thing that I I do know

1371

01:00:48,950 --> 01:00:47,040

it has allowed me to go out there and to

1372

01:00:51,470 --> 01:00:48,960

express myself and express my

1373

01:00:54,890 --> 01:00:51,480

experiences and to give my thoughts as

1374

01:00:57,349 --> 01:00:54,900

to what's going on and um

1375

01:01:00,470 --> 01:00:57,359

yeah and I've had the opportunity to

1376

01:01:03,230 --> 01:01:00,480

help people as well so um

1377

01:01:05,750 --> 01:01:03,240

and and she knows I I've um

1378

01:01:07,789 --> 01:01:05,760

I've helped a lot of people and her and

1379

01:01:11,030 --> 01:01:07,799

I have talked about this before as well

1380

01:01:13,910 --> 01:01:11,040

so yeah it you know when you when you do

1381

01:01:16,430 --> 01:01:13,920

that when you get involved with a case

1382

01:01:19,789 --> 01:01:16,440

uh especially a case with kids

1383

01:01:23,530 --> 01:01:19,799

and you can you can help them and to

1384

01:01:25,069 --> 01:01:23,540

alleviate their their pain and suffering

1385

01:01:27,349 --> 01:01:25,079

uh

1386

01:01:29,329 --> 01:01:27,359

that is worth it it really is I mean

1387

01:01:30,130 --> 01:01:29,339

that's a feeling that it's hard to

1388

01:01:32,690 --> 01:01:30,140

express

1389

01:01:34,609 --> 01:01:32,700

and uh I've been lucky enough to

1390

01:01:36,470 --> 01:01:34,619

experience that so if you know if that

1391

01:01:42,710 --> 01:01:36,480

has changed my life then yeah that

1392

01:01:48,410 --> 01:01:45,349

yeah

1393

01:01:49,490 --> 01:01:48,420

and I've been since Ted he said I think

1394

01:01:51,589 --> 01:01:49,500

I could

1395

01:01:52,789 --> 01:01:51,599

speak from us to everyone I think you've

1396

01:01:55,730 --> 01:01:52,799

helped

1397

01:01:57,470 --> 01:01:55,740

at least each one of us in the chat like

1398

01:01:59,390 --> 01:01:57,480

myself included

1399

01:02:02,510 --> 01:01:59,400

I mean you're just you're very very

1400

01:02:04,609 --> 01:02:02,520

appreciate to help so yeah

1401

01:02:06,770 --> 01:02:04,619

I appreciate that

1402

01:02:09,109 --> 01:02:06,780

what is before I asked David Jones

1403

01:02:11,930 --> 01:02:09,119

question if you could go back what is

1404

01:02:14,510 --> 01:02:11,940

one thing that you oh no it's it's the

1405

01:02:16,250 --> 01:02:14,520

truth one trust me if you could go back

1406

01:02:17,990 --> 01:02:16,260

was one thing you would change about

1407

01:02:20,990 --> 01:02:18,000

being an investigator

1408

01:02:24,589 --> 01:02:21,000

knowing what you know now

1409

01:02:28,670 --> 01:02:24,599

um I I had a problem taking a a more

1410

01:02:30,230 --> 01:02:28,680

a better approach early on uh it was

1411

01:02:32,930 --> 01:02:30,240

like you know

1412

01:02:35,150 --> 01:02:32,940

I had to go through the hard knocks of

1413

01:02:37,849 --> 01:02:35,160

the whole thing early on

1414

01:02:39,530 --> 01:02:37,859

I you know I have

1415

01:02:41,329 --> 01:02:39,540

you know I started doing this back in

1416

01:02:42,130 --> 01:02:41,339

the late 70s and I you know there have

1417

01:02:49,450 --> 01:02:42,140

been

1418

01:02:52,370 --> 01:02:49,460

where I did some really stupid things

1419

01:02:54,109 --> 01:02:52,380

and I know better now I did know better

1420

01:02:55,730 --> 01:02:54,119

back then but I still did it but you

1421

01:02:57,349 --> 01:02:55,740

know that's being young so when you're

1422

01:02:58,430 --> 01:02:57,359

young you're stupid so you do stupid

1423

01:03:00,950 --> 01:02:58,440

stuff

1424

01:03:02,390 --> 01:03:00,960

I I think a lot of that I would not have

1425

01:03:04,490 --> 01:03:02,400

done now

1426

01:03:06,650 --> 01:03:04,500

but you live and learn and uh it's just

1427

01:03:08,990 --> 01:03:06,660

like anything else I mean the experience

1428

01:03:13,849 --> 01:03:09,000

you know that that's part of doing this

1429

01:03:17,270 --> 01:03:13,859

and uh that's why I um

1430

01:03:20,329 --> 01:03:17,280

that's why I tried to to still

1431

01:03:21,890 --> 01:03:20,339

and try to help people with uh with what

1432

01:03:23,930 --> 01:03:21,900

they you know what they encounter and

1433

01:03:26,569 --> 01:03:23,940

people who do want to do this

1434

01:03:30,430 --> 01:03:26,579

uh to kind of give them an idea what

1435

01:03:37,309 --> 01:03:33,349

David Jones wants to know will you be

1436

01:03:41,990 --> 01:03:39,950

I you know I known David for

1437

01:03:43,730 --> 01:03:42,000

a long time over a decade I've never

1438

01:03:47,089 --> 01:03:43,740

been there

1439

01:03:49,069 --> 01:03:47,099

he has asked me to come there

1440

01:04:02,510 --> 01:03:49,079

I

1441

01:04:04,990 --> 01:04:02,520

um

1442

01:04:08,150 --> 01:04:05,000

I will be prepared

1443

01:04:10,250 --> 01:04:08,160

you know you know that you know I'll

1444

01:04:11,690 --> 01:04:10,260

tell you when I was when my wife was

1445

01:04:13,670 --> 01:04:11,700

still alive

1446

01:04:15,349 --> 01:04:13,680

I was working with David I would work on

1447

01:04:19,250 --> 01:04:15,359

a lot of people but particularly with

1448

01:04:20,089 --> 01:04:19,260

David uh she did not want me going down

1449

01:04:22,730 --> 01:04:20,099

there

1450

01:04:25,250 --> 01:04:22,740

because she knew what was going on

1451

01:04:26,809 --> 01:04:25,260

uh there was one time where I was

1452

01:04:28,370 --> 01:04:26,819

seriously thinking about going down

1453

01:04:30,710 --> 01:04:28,380

there but I promised her I wouldn't go

1454

01:04:33,109 --> 01:04:30,720

down there and in fact when I wrote the

1455

01:04:34,910 --> 01:04:33,119

book the book alien disclosure she

1456

01:04:38,329 --> 01:04:34,920

didn't want me to write that

1457

01:04:41,390 --> 01:04:38,339

uh that book that book came out at and I

1458

01:04:43,490 --> 01:04:41,400

wrote that book after she passed so

1459

01:04:45,410 --> 01:04:43,500

um yeah I mean come to a point where I

1460

01:04:48,530 --> 01:04:45,420

will go see David in person

1461

01:04:51,530 --> 01:04:48,540

and uh well maybe something will happen

1462

01:04:53,510 --> 01:04:51,540

maybe you know I'll have a personal

1463

01:04:56,030 --> 01:04:53,520

experience I you know I I'll be honest

1464

01:04:58,670 --> 01:04:56,040

with you I think if I do go down to

1465

01:05:01,010 --> 01:04:58,680

David's it's going to be it's going to

1466

01:05:02,569 --> 01:05:01,020

be interesting and uh I think things

1467

01:05:05,569 --> 01:05:02,579

will open up

1468

01:05:07,250 --> 01:05:05,579

um and I know mortal clown is does not

1469

01:05:09,410 --> 01:05:07,260

want me to go she has warned me about

1470

01:05:11,210 --> 01:05:09,420

going down there

1471

01:05:15,530 --> 01:05:11,220

um

1472

01:05:18,109 --> 01:05:15,540

she thinks David's kind of over his head

1473

01:05:25,510 --> 01:05:18,119

I don't know I I'm I'm still debating it

1474

01:05:30,109 --> 01:05:27,829

I agree with you I think they might be

1475

01:05:32,349 --> 01:05:30,119

waiting for you if you get down there so

1476

01:05:36,230 --> 01:05:32,359

maybe take things

1477

01:05:38,150 --> 01:05:36,240

this way this way you're safe yeah I'll

1478

01:05:39,710 --> 01:05:38,160

put I put him in front and he'll take

1479

01:05:41,410 --> 01:05:39,720

the Flack yeah

1480

01:05:43,910 --> 01:05:41,420

thank you

1481

01:05:46,250 --> 01:05:43,920

there you go just be like here take

1482

01:05:47,040 --> 01:05:46,260

Vincent there he'll be the decoy give me

1483

01:05:51,589 --> 01:05:47,050

the decoy yeah

1484

01:05:55,910 --> 01:05:53,510

it's Nest have you ever had any

1485

01:05:57,829 --> 01:05:55,920

experiences with extraterrestrials since

1486

01:06:05,089 --> 01:05:57,839

your first encounter

1487

01:06:09,890 --> 01:06:06,710

I think I may very well have been

1488

01:06:14,630 --> 01:06:09,900

abducting but I cannot recall it uh I I

1489

01:06:17,150 --> 01:06:14,640

am not a fan of uh hypnotic regression

1490

01:06:19,970 --> 01:06:17,160

uh I've seen too many

1491

01:06:21,710 --> 01:06:19,980

bad experiences because I have witnessed

1492

01:06:24,109 --> 01:06:21,720

several

1493

01:06:26,569 --> 01:06:24,119

and uh I don't think I want to put

1494

01:06:28,430 --> 01:06:26,579

myself through that so if I do recall it

1495

01:06:30,289 --> 01:06:28,440

later on down the road then fine but

1496

01:06:35,029 --> 01:06:30,299

until then I I just think I'm gonna let

1497

01:06:39,410 --> 01:06:37,430

you don't want to be regressed or I

1498

01:06:42,230 --> 01:06:39,420

think that's what's called regressed to

1499

01:06:43,309 --> 01:06:42,240

find out what went on yeah I'm not a fan

1500

01:06:46,730 --> 01:06:43,319

of it

1501

01:06:51,230 --> 01:06:46,740

know

1502

01:06:52,490 --> 01:06:51,240

regressions I'm not saying they're not

1503

01:06:54,589 --> 01:06:52,500

I'm not saying that they're not

1504

01:06:57,410 --> 01:06:54,599

professional but

1505

01:06:58,609 --> 01:06:57,420

different people react to these things

1506

01:07:00,349 --> 01:06:58,619

um

1507

01:07:03,470 --> 01:07:00,359

in different ways

1508

01:07:04,730 --> 01:07:03,480

and it's not all you know it's not all

1509

01:07:06,430 --> 01:07:04,740

um

1510

01:07:14,210 --> 01:07:06,440

you know

1511

01:07:19,730 --> 01:07:17,510

yeah and I I would I would I don't think

1512

01:07:21,890 --> 01:07:19,740

I would want to do that either that I

1513

01:07:22,970 --> 01:07:21,900

think that would be a little scary

1514

01:07:25,490 --> 01:07:22,980

um

1515

01:07:27,589 --> 01:07:25,500

so in your book because I did I did get

1516

01:07:29,390 --> 01:07:27,599

a chance off Kindle unlimited to read

1517

01:07:31,910 --> 01:07:29,400

your book alien disclosure

1518

01:07:33,410 --> 01:07:31,920

you had a story in there about a

1519

01:07:36,650 --> 01:07:33,420

gentleman I believe he was in the

1520

01:07:40,549 --> 01:07:36,660

military and he had seen something he

1521

01:07:42,230 --> 01:07:40,559

came back and he had told his wife that

1522

01:07:45,170 --> 01:07:42,240

they were going to take him

1523

01:07:46,670 --> 01:07:45,180

and in the end he basically I don't know

1524

01:07:48,710 --> 01:07:46,680

how YouTube is so I'm gonna say it this

1525

01:07:50,930 --> 01:07:48,720

way he analyzed himself

1526

01:07:52,670 --> 01:07:50,940

and he had left her a note basically

1527

01:07:54,950 --> 01:07:52,680

saying that they had come the day before

1528

01:07:59,710 --> 01:07:54,960

to tell him that he was going with them

1529

01:08:04,930 --> 01:08:03,770

he was stationed at Fort Campbell down

1530

01:08:08,329 --> 01:08:04,940

in Kentucky

1531

01:08:11,089 --> 01:08:08,339

uh and he um

1532

01:08:13,150 --> 01:08:11,099

something that happened to him now

1533

01:08:17,749 --> 01:08:13,160

I don't know exactly what

1534

01:08:19,669 --> 01:08:17,759

but he told his wife eventually that and

1535

01:08:22,789 --> 01:08:19,679

I don't know if they contacted him what

1536

01:08:25,189 --> 01:08:22,799

he told her she'd be he'd be leaving

1537

01:08:26,630 --> 01:08:25,199

he wouldn't he didn't go into any uh

1538

01:08:30,289 --> 01:08:26,640

details

1539

01:08:32,450 --> 01:08:30,299

but she knew the um

1540

01:08:34,130 --> 01:08:32,460

she knew pretty well what it may have

1541

01:08:36,470 --> 01:08:34,140

what may happen

1542

01:08:38,930 --> 01:08:36,480

and um

1543

01:08:40,430 --> 01:08:38,940

it got to the point where he just offed

1544

01:08:42,470 --> 01:08:40,440

himself

1545

01:08:45,410 --> 01:08:42,480

yeah I think he I think he was fearful

1546

01:08:49,070 --> 01:08:45,420

what would happen with his family

1547

01:08:50,689 --> 01:08:49,080

so um you know if he thought it was

1548

01:08:53,150 --> 01:08:50,699

going to be abducted

1549

01:08:56,150 --> 01:08:53,160

and uh how can you how can his wife

1550

01:08:59,090 --> 01:08:56,160

explain that to the military or you know

1551

01:09:00,709 --> 01:08:59,100

I I think he did that to be able for her

1552

01:09:03,229 --> 01:09:00,719

to claim his pen to her you know the

1553

01:09:05,450 --> 01:09:03,239

pension he had

1554

01:09:08,030 --> 01:09:05,460

um coming to her so I think you know he

1555

01:09:11,030 --> 01:09:08,040

was fearful for his family's safety and

1556

01:09:16,030 --> 01:09:11,040

life and I think that's why he uh he

1557

01:09:20,689 --> 01:09:18,890

see I was going to ask you though if you

1558

01:09:26,030 --> 01:09:20,699

had a theory about why they were going

1559

01:09:29,090 --> 01:09:26,040

to take him or any of that something

1560

01:09:30,309 --> 01:09:29,100

it's just he's so afraid that they were

1561

01:09:33,349 --> 01:09:30,319

[Music]

1562

01:09:35,269 --> 01:09:33,359

yeah he he was fearful

1563

01:09:37,849 --> 01:09:35,279

um

1564

01:09:40,010 --> 01:09:37,859

you know it was it was an encounter it

1565

01:09:41,749 --> 01:09:40,020

was something that happened on the base

1566

01:09:46,669 --> 01:09:41,759

previous to that

1567

01:09:48,650 --> 01:09:46,679

and uh he was very general about it and

1568

01:09:51,410 --> 01:09:48,660

uh I I think

1569

01:09:55,010 --> 01:09:51,420

he may have had an experience

1570

01:09:57,470 --> 01:09:55,020

while earlier on possibly during combat

1571

01:09:59,990 --> 01:09:57,480

at some point you know there's a lot of

1572

01:10:01,850 --> 01:10:00,000

there's a lot of these veterans combat

1573

01:10:03,550 --> 01:10:01,860

veterans who have had some bizarre

1574

01:10:05,930 --> 01:10:03,560

experiences

1575

01:10:07,189 --> 01:10:05,940

and a lot of times they just can't

1576

01:10:08,450 --> 01:10:07,199

handle it

1577

01:10:11,030 --> 01:10:08,460

um you know I've heard all kinds of

1578

01:10:12,830 --> 01:10:11,040

stories coming out of Vietnam I heard a

1579

01:10:14,650 --> 01:10:12,840

lot of stories coming out of Iraq and

1580

01:10:17,570 --> 01:10:14,660

Afghanistan

1581

01:10:21,410 --> 01:10:17,580

uh even a few in Korea

1582

01:10:23,830 --> 01:10:21,420

so uh you know I I think conflict

1583

01:10:28,390 --> 01:10:23,840

attracts

1584

01:10:29,930 --> 01:10:28,400

other worldly beings

1585

01:10:32,450 --> 01:10:29,940

and

1586

01:10:34,910 --> 01:10:32,460

um I think at some point they try to get

1587

01:10:36,290 --> 01:10:34,920

involved somehow but I think when they

1588

01:10:39,709 --> 01:10:36,300

do that

1589

01:10:44,030 --> 01:10:39,719

it affects those that are

1590

01:10:46,250 --> 01:10:44,040

doing the actual fighting and um I think

1591

01:10:48,830 --> 01:10:46,260

that's what happened to him and uh you

1592

01:10:50,570 --> 01:10:48,840

know I think yeah

1593

01:10:52,130 --> 01:10:50,580

but it does happen you know and I've

1594

01:10:55,490 --> 01:10:52,140

written a lot of stuff about it aren't

1595

01:11:00,830 --> 01:10:58,550

aren't there UFOs being seen

1596

01:11:03,290 --> 01:11:00,840

over Ukraine crane Ukraine or it's being

1597

01:11:04,729 --> 01:11:03,300

seen like they're seeing them now as the

1598

01:11:06,649 --> 01:11:04,739

war is going on

1599

01:11:08,030 --> 01:11:06,659

yeah there have been some slightly you

1600

01:11:10,669 --> 01:11:08,040

have to wonder like if they're trying to

1601

01:11:13,669 --> 01:11:10,679

get him like you said

1602

01:11:15,590 --> 01:11:13,679

yeah oh I I think I've been trying to

1603

01:11:19,070 --> 01:11:15,600

get involved like you said

1604

01:11:21,290 --> 01:11:19,080

I I think all conflict on Earth

1605

01:11:23,209 --> 01:11:21,300

has had some involvement with the other

1606

01:11:25,550 --> 01:11:23,219

worldly ones um

1607

01:11:27,649 --> 01:11:25,560

to some degree you know we talk about

1608

01:11:29,870 --> 01:11:27,659

World War II and the Foo Fighters and

1609

01:11:31,310 --> 01:11:29,880

all that happened over Europe there was

1610

01:11:32,030 --> 01:11:31,320

something out there

1611

01:11:34,490 --> 01:11:32,040

um

1612

01:11:37,130 --> 01:11:34,500

you know I've heard of UFO sightings as

1613

01:11:38,870 --> 01:11:37,140

far back as a revolutionary war that you

1614

01:11:41,990 --> 01:11:38,880

know they saw something they saw

1615

01:11:43,729 --> 01:11:42,000

apparitions they saw beings that they

1616

01:11:45,290 --> 01:11:43,739

interpreted as just ghosts they didn't

1617

01:11:48,229 --> 01:11:45,300

know anything about alien beings or

1618

01:11:50,510 --> 01:11:48,239

anything what you know uh I think it has

1619

01:11:51,770 --> 01:11:50,520

happened throughout history

1620

01:11:54,709 --> 01:11:51,780

um

1621

01:11:57,830 --> 01:11:54,719

during the Civil War as well

1622

01:12:00,890 --> 01:11:57,840

uh these the these soldiers I I used to

1623

01:12:03,649 --> 01:12:00,900

I used to collect a lot of soldier

1624

01:12:06,950 --> 01:12:03,659

letters that they sent back home

1625

01:12:09,410 --> 01:12:06,960

and uh occasionally something would come

1626

01:12:11,990 --> 01:12:09,420

up to where they saw an orb or something

1627

01:12:13,910 --> 01:12:12,000

that they described as an orb or they

1628

01:12:16,070 --> 01:12:13,920

thought they saw a ghost to someone they

1629

01:12:18,530 --> 01:12:16,080

recognized or a ghost of someone they

1630

01:12:20,450 --> 01:12:18,540

didn't recognize

1631

01:12:23,090 --> 01:12:20,460

um there has been Bigfoot activity

1632

01:12:25,070 --> 01:12:23,100

reported by Civil War soldiers on both

1633

01:12:26,330 --> 01:12:25,080

sides

1634

01:12:30,050 --> 01:12:26,340

um

1635

01:12:31,430 --> 01:12:30,060

so paranormal just goes hand in hand you

1636

01:12:32,570 --> 01:12:31,440

know just goes hand in hand with

1637

01:12:40,370 --> 01:12:32,580

conflict

1638

01:12:45,590 --> 01:12:42,229

I wonder they're they're trying to get

1639

01:12:50,330 --> 01:12:45,600

involved to stop it or to just

1640

01:12:52,970 --> 01:12:50,340

be witness to it or what's your theory

1641

01:12:58,070 --> 01:12:55,729

you know I I think since um

1642

01:13:00,290 --> 01:12:58,080

ever since the use of nuclear weapons

1643

01:13:01,910 --> 01:13:00,300

during the end of World War II I think

1644

01:13:04,250 --> 01:13:01,920

they've come more involved with it that

1645

01:13:07,010 --> 01:13:04,260

they don't want to see that happen again

1646

01:13:10,010 --> 01:13:07,020

uh I I think of it I think if it comes

1647

01:13:12,410 --> 01:13:10,020

to a point where some country or

1648

01:13:14,810 --> 01:13:12,420

countries start

1649

01:13:16,490 --> 01:13:14,820

using nuclear weapons they may very well

1650

01:13:20,209 --> 01:13:16,500

step in

1651

01:13:24,070 --> 01:13:20,219

I think the um I I think the being the

1652

01:13:29,090 --> 01:13:24,080

alien beings that people see today

1653

01:13:31,910 --> 01:13:29,100

or evolved humans from their their past

1654

01:13:34,910 --> 01:13:31,920

or evolved humans from our future

1655

01:13:37,310 --> 01:13:34,920

and I think they have come back

1656

01:13:40,850 --> 01:13:37,320

to either stop conflict or stop some

1657

01:13:43,490 --> 01:13:40,860

type of cataclysm from happening

1658

01:13:45,350 --> 01:13:43,500

that has caused their evolution to

1659

01:13:48,470 --> 01:13:45,360

change somehow

1660

01:13:50,390 --> 01:13:48,480

uh I I truly believe that I really do I

1661

01:13:53,689 --> 01:13:50,400

I think that they have the ability to go

1662

01:13:56,090 --> 01:13:53,699

back in time uh either through some type

1663

01:13:57,350 --> 01:13:56,100

of Wormhole or however they do it time

1664

01:13:58,689 --> 01:13:57,360

travel

1665

01:14:02,209 --> 01:13:58,699

per se

1666

01:14:03,290 --> 01:14:02,219

but I think that's why people do see

1667

01:14:05,450 --> 01:14:03,300

them

1668

01:14:08,209 --> 01:14:05,460

and I think that they are are living

1669

01:14:10,490 --> 01:14:08,219

among us in some degree

1670

01:14:12,709 --> 01:14:10,500

uh

1671

01:14:14,270 --> 01:14:12,719

and I I think they're here

1672

01:14:17,090 --> 01:14:14,280

to monitor

1673

01:14:18,709 --> 01:14:17,100

uh and that they know the history and

1674

01:14:21,530 --> 01:14:18,719

that they they will do everything they

1675

01:14:23,990 --> 01:14:21,540

can to change history if it turns out to

1676

01:14:25,250 --> 01:14:24,000

be like that that's why I'm not really

1677

01:14:28,669 --> 01:14:25,260

afraid of

1678

01:14:30,950 --> 01:14:28,679

you know this may sound naive but that's

1679

01:14:32,750 --> 01:14:30,960

why I'm not really afraid of a nuclear

1680

01:14:37,790 --> 01:14:32,760

conflict because I think something like

1681

01:14:37,800 --> 01:14:43,130

mm-hmm

1682

01:14:48,110 --> 01:14:45,709

that's yeah that's very interesting like

1683

01:14:49,790 --> 01:14:48,120

I you have to wonder like I I tend to

1684

01:14:52,910 --> 01:14:49,800

agree with you like are they are they

1685

01:14:54,890 --> 01:14:52,920

Time Travelers like from either the past

1686

01:14:56,870 --> 01:14:54,900

or the future Maybe

1687

01:14:59,450 --> 01:14:56,880

because there's there's been people

1688

01:15:01,070 --> 01:14:59,460

saying you know there's been I I don't

1689

01:15:02,930 --> 01:15:01,080

know what they're called because I don't

1690

01:15:05,630 --> 01:15:02,940

know much about aliens but they're

1691

01:15:08,090 --> 01:15:05,640

blonde they look human I don't know the

1692

01:15:09,290 --> 01:15:08,100

names but there's there's been sightings

1693

01:15:13,550 --> 01:15:09,300

of them

1694

01:15:16,130 --> 01:15:13,560

yeah I I think so they look like us then

1695

01:15:18,950 --> 01:15:16,140

yeah I think the human species is a

1696

01:15:21,770 --> 01:15:18,960

universal I think the human species

1697

01:15:22,970 --> 01:15:21,780

is a universal species in other words I

1698

01:15:25,729 --> 01:15:22,980

think

1699

01:15:27,649 --> 01:15:25,739

that our universe or our known universe

1700

01:15:30,890 --> 01:15:27,659

is inhabited

1701

01:15:34,729 --> 01:15:30,900

by human-like beings

1702

01:15:37,370 --> 01:15:34,739

and I think those those you know

1703

01:15:39,530 --> 01:15:37,380

people talk about alien beings that are

1704

01:15:41,270 --> 01:15:39,540

always got a humanoid type form arms

1705

01:15:43,310 --> 01:15:41,280

legs head you know very similar to

1706

01:15:46,970 --> 01:15:43,320

humans though it's it's different

1707

01:15:50,090 --> 01:15:46,980

I I think those beings are you evolved

1708

01:15:52,790 --> 01:15:50,100

from possibly us or we evolved from them

1709

01:15:54,290 --> 01:15:52,800

but I think that there is and I think

1710

01:15:56,510 --> 01:15:54,300

there's some

1711

01:16:01,250 --> 01:15:56,520

possible evidence to that

1712

01:16:05,330 --> 01:16:01,260

that the human the human species

1713

01:16:10,850 --> 01:16:05,340

is a is a universal species

1714

01:16:13,189 --> 01:16:10,860

and uh as far as our evolution

1715

01:16:14,930 --> 01:16:13,199

on this planet I think there has been

1716

01:16:18,410 --> 01:16:14,940

intervention

1717

01:16:19,729 --> 01:16:18,420

I think there are there are skips in the

1718

01:16:21,350 --> 01:16:19,739

timeline

1719

01:16:23,570 --> 01:16:21,360

you know they used to always talk about

1720

01:16:25,370 --> 01:16:23,580

well the missing link and this and that

1721

01:16:27,890 --> 01:16:25,380

yeah there very well could have been

1722

01:16:29,930 --> 01:16:27,900

early man or early humans but I think

1723

01:16:33,709 --> 01:16:29,940

I I think there has been intervention

1724

01:16:36,470 --> 01:16:34,370

um

1725

01:16:39,110 --> 01:16:36,480

even with other animals I think some

1726

01:16:42,530 --> 01:16:39,120

animals have also been

1727

01:16:44,770 --> 01:16:42,540

you know have also been modified or you

1728

01:16:48,229 --> 01:16:44,780

know there's been some interjection

1729

01:16:51,050 --> 01:16:48,239

uh so um

1730

01:16:52,970 --> 01:16:51,060

yeah I don't think there's I think I do

1731

01:16:55,070 --> 01:16:52,980

believe in evolution to a degree but I

1732

01:16:56,450 --> 01:16:55,080

think there is intelligent design to

1733

01:16:59,390 --> 01:16:56,460

another degree

1734

01:17:01,790 --> 01:16:59,400

uh I I think a good organ that could be

1735

01:17:03,169 --> 01:17:01,800

made for most and you know when I grew

1736

01:17:05,570 --> 01:17:03,179

up when I was growing up I believe

1737

01:17:07,610 --> 01:17:05,580

entirely on evolution

1738

01:17:09,950 --> 01:17:07,620

but um

1739

01:17:11,450 --> 01:17:09,960

you know you look into this you do this

1740

01:17:12,350 --> 01:17:11,460

for a number of years you work with

1741

01:17:14,750 --> 01:17:12,360

people

1742

01:17:16,850 --> 01:17:14,760

you document what they see and what they

1743

01:17:18,350 --> 01:17:16,860

experience and you you've gotta you

1744

01:17:20,110 --> 01:17:18,360

eventually start thinking you know

1745

01:17:23,330 --> 01:17:20,120

there's something more to this

1746

01:17:25,550 --> 01:17:23,340

and uh

1747

01:17:29,930 --> 01:17:25,560

that you know that there has been

1748

01:17:34,910 --> 01:17:31,850

yeah

1749

01:17:36,649 --> 01:17:34,920

a little handling and everything I here

1750

01:17:39,110 --> 01:17:36,659

and there I believe that I truly do

1751

01:17:41,630 --> 01:17:39,120

because some of the stuff that that

1752

01:17:44,630 --> 01:17:41,640

happens you just have to look at like

1753

01:17:45,590 --> 01:17:44,640

it just seems so Advanced at times you

1754

01:17:48,229 --> 01:17:45,600

know

1755

01:17:49,850 --> 01:17:48,239

my other question for you is when do you

1756

01:17:51,110 --> 01:17:49,860

think the gov it's it's the same

1757

01:17:53,090 --> 01:17:51,120

question I'm sure you get all the time

1758

01:17:54,950 --> 01:17:53,100

when do you think the government will do

1759

01:17:58,370 --> 01:17:54,960

full disclosure

1760

01:18:05,149 --> 01:18:02,090

um unless unless it's need to be I mean

1761

01:18:07,070 --> 01:18:05,159

in other words if if they land on the

1762

01:18:09,169 --> 01:18:07,080

White House lawner on the the mall in

1763

01:18:10,910 --> 01:18:09,179

Washington yeah then they may they may

1764

01:18:13,550 --> 01:18:10,920

have no choice but to say that there's

1765

01:18:15,709 --> 01:18:13,560

something going on you know they they

1766

01:18:17,030 --> 01:18:15,719

are kind of spoon feeding us with the

1767

01:18:19,189 --> 01:18:17,040

UFO

1768

01:18:20,810 --> 01:18:19,199

reports I mean these are reports that

1769

01:18:22,610 --> 01:18:20,820

have been out there for a long time that

1770

01:18:23,930 --> 01:18:22,620

just was never really part of the public

1771

01:18:26,590 --> 01:18:23,940

knowledge

1772

01:18:29,510 --> 01:18:26,600

uh people have been involved with UFO

1773

01:18:30,830 --> 01:18:29,520

investigations and activity knew of a

1774

01:18:33,830 --> 01:18:30,840

lot of this stuff

1775

01:18:35,810 --> 01:18:33,840

and uh I think we're being spoon fit but

1776

01:18:39,530 --> 01:18:35,820

as far as alien beings other worldly

1777

01:18:41,209 --> 01:18:39,540

beings uh evolved humans

1778

01:18:43,669 --> 01:18:41,219

I don't think that's gonna happen until

1779

01:18:50,030 --> 01:18:43,679

it would absolutely have to be you know

1780

01:18:54,110 --> 01:18:52,010

do you think people would be ready for

1781

01:18:55,430 --> 01:18:54,120

it like accept it as

1782

01:18:57,290 --> 01:18:55,440

population

1783

01:19:02,209 --> 01:18:57,300

nope

1784

01:19:04,010 --> 01:19:02,219

part I would think there would be one

1785

01:19:05,930 --> 01:19:04,020

part that would accept it

1786

01:19:07,430 --> 01:19:05,940

I think there'd be a greater part that

1787

01:19:10,250 --> 01:19:07,440

would freak out

1788

01:19:13,010 --> 01:19:10,260

and uh the last thing

1789

01:19:16,010 --> 01:19:13,020

that any government wants is mass

1790

01:19:18,709 --> 01:19:16,020

hysteria because they can't control that

1791

01:19:22,250 --> 01:19:18,719

and uh that's why they're not going to

1792

01:19:22,260 --> 01:19:27,590

right no I agree I mean look how

1793

01:19:32,270 --> 01:19:30,050

fighting over toilet paper how would we

1794

01:19:34,970 --> 01:19:32,280

handle like an alien invasion I mean or

1795

01:19:37,130 --> 01:19:34,980

daily and not even an invasion but you

1796

01:19:39,050 --> 01:19:37,140

know full disclosure like would some of

1797

01:19:40,850 --> 01:19:39,060

us would just lose our minds come

1798

01:19:44,030 --> 01:19:40,860

completely well I just look at the

1799

01:19:47,390 --> 01:19:44,040

pandemic I mean the pandemic was utter

1800

01:19:50,149 --> 01:19:47,400

chaos worldwide uh different governments

1801

01:19:52,430 --> 01:19:50,159

handled in different ways but it

1802

01:19:54,649 --> 01:19:52,440

affected us and it will affect us for

1803

01:19:57,229 --> 01:19:54,659

years to come

1804

01:19:59,750 --> 01:19:57,239

um they they probably have a better way

1805

01:20:01,490 --> 01:19:59,760

of handling if it happens again

1806

01:20:03,229 --> 01:20:01,500

but it was something new and that's

1807

01:20:06,110 --> 01:20:03,239

exactly what would happen if we had

1808

01:20:07,610 --> 01:20:06,120

alien disclosure at some point uh I

1809

01:20:09,890 --> 01:20:07,620

think the closest we're going to get to

1810

01:20:12,890 --> 01:20:09,900

alien disclosures by people reporting

1811

01:20:14,689 --> 01:20:12,900

what they encounter uh experiences are

1812

01:20:16,790 --> 01:20:14,699

going to have to give us are going to

1813

01:20:19,250 --> 01:20:16,800

have to give us what reality is is

1814

01:20:20,090 --> 01:20:19,260

actually out there and

1815

01:20:23,209 --> 01:20:20,100

um

1816

01:20:25,490 --> 01:20:23,219

you know for people to come forward

1817

01:20:27,410 --> 01:20:25,500

and brave enough to come forward and for

1818

01:20:28,970 --> 01:20:27,420

investigators to be brave enough to put

1819

01:20:30,350 --> 01:20:28,980

it out there I think that's what you're

1820

01:20:31,669 --> 01:20:30,360

going to get that's as far as you're

1821

01:20:37,370 --> 01:20:31,679

going to get

1822

01:20:41,810 --> 01:20:39,649

yeah and I I like what you said for

1823

01:20:43,970 --> 01:20:41,820

experiences who are brave enough to come

1824

01:20:46,010 --> 01:20:43,980

forward because it is a brave thing to

1825

01:20:48,290 --> 01:20:46,020

come forward it's Brave that you've had

1826

01:20:50,870 --> 01:20:48,300

this experience and to like go to

1827

01:20:52,790 --> 01:20:50,880

somebody like you or like Vincent or

1828

01:20:54,830 --> 01:20:52,800

anyone else who's a researcher and say

1829

01:20:56,390 --> 01:20:54,840

this is my experience this is what

1830

01:20:58,610 --> 01:20:56,400

happened

1831

01:21:00,350 --> 01:20:58,620

and then hold your breath like waiting

1832

01:21:02,090 --> 01:21:00,360

oh there and then when they don't say

1833

01:21:05,510 --> 01:21:02,100

you're crazy

1834

01:21:07,970 --> 01:21:05,520

like Rush of relief and like you've

1835

01:21:12,229 --> 01:21:07,980

heard this before or you understand me

1836

01:21:13,850 --> 01:21:12,239

you know that I that was I think a good

1837

01:21:15,649 --> 01:21:13,860

thing that you just said that too like

1838

01:21:17,330 --> 01:21:15,659

that yeah

1839

01:21:19,189 --> 01:21:17,340

and what would you tell somebody who's

1840

01:21:22,550 --> 01:21:19,199

had an experience and looking to come

1841

01:21:26,209 --> 01:21:22,560

forward to speak to somebody like you

1842

01:21:29,149 --> 01:21:26,219

thank you well you know I I'm pretty

1843

01:21:31,610 --> 01:21:29,159

open with the people I talk to

1844

01:21:33,709 --> 01:21:31,620

um you know I try I try to call them

1845

01:21:36,470 --> 01:21:33,719

their fears I I tell them that I will

1846

01:21:39,169 --> 01:21:36,480

not disclose any personal information

1847

01:21:41,810 --> 01:21:39,179

uh uh what what information they don't

1848

01:21:44,390 --> 01:21:41,820

want me to disclose you know let me know

1849

01:21:47,390 --> 01:21:44,400

I'm you know I'm pretty tight about that

1850

01:21:49,010 --> 01:21:47,400

I mean I tell the investigators are on

1851

01:21:50,209 --> 01:21:49,020

our team that that's the way it's going

1852

01:21:53,810 --> 01:21:50,219

to have to be

1853

01:21:57,410 --> 01:21:53,820

personal information is not disclosed

1854

01:21:59,149 --> 01:21:57,420

uh so you got to put them at ease and um

1855

01:22:01,370 --> 01:21:59,159

occasionally you'll get somebody who

1856

01:22:05,270 --> 01:22:01,380

doesn't mind putting it out there

1857

01:22:07,790 --> 01:22:05,280

uh but no you've got a um yeah you gotta

1858

01:22:11,030 --> 01:22:07,800

put them at ease and um

1859

01:22:12,470 --> 01:22:11,040

and you know kind of tap down their

1860

01:22:15,350 --> 01:22:12,480

fears

1861

01:22:17,330 --> 01:22:15,360

but you know with the internet and uh

1862

01:22:21,050 --> 01:22:17,340

more of these paranormal shows and

1863

01:22:23,570 --> 01:22:21,060

encrypted shows that are on TV now

1864

01:22:25,130 --> 01:22:23,580

uh I think people are much more open to

1865

01:22:28,010 --> 01:22:25,140

coming forward

1866

01:22:31,250 --> 01:22:28,020

uh I have found that to be the case

1867

01:22:33,229 --> 01:22:31,260

you know so um

1868

01:22:35,390 --> 01:22:33,239

I think but I think for the most part

1869

01:22:37,790 --> 01:22:35,400

people are sincere you know people say

1870

01:22:39,709 --> 01:22:37,800

ah you got a bunch of crackpots that are

1871

01:22:42,050 --> 01:22:39,719

coming forward and talking all this

1872

01:22:43,070 --> 01:22:42,060

nonsense well I haven't found that to be

1873

01:22:44,750 --> 01:22:43,080

the case

1874

01:22:46,430 --> 01:22:44,760

uh you're going to occasionally get

1875

01:22:48,590 --> 01:22:46,440

somebody to try to pull a wool over your

1876

01:22:50,450 --> 01:22:48,600

eyes but that that for the most part

1877

01:22:53,149 --> 01:22:50,460

that just does not happen

1878

01:22:54,770 --> 01:22:53,159

and uh I've had Witnesses I've talked to

1879

01:22:56,510 --> 01:22:54,780

that just break down when you're talking

1880

01:22:59,270 --> 01:22:56,520

to them

1881

01:23:02,149 --> 01:22:59,280

um it happens a lot and uh they they

1882

01:23:03,709 --> 01:23:02,159

just want answers and uh you know that's

1883

01:23:05,450 --> 01:23:03,719

why they come to you they want answers

1884

01:23:07,189 --> 01:23:05,460

it's not necessarily they want their

1885

01:23:09,470 --> 01:23:07,199

story out there

1886

01:23:11,930 --> 01:23:09,480

many times I get a report from somebody

1887

01:23:13,689 --> 01:23:11,940

they just want answers and then I had to

1888

01:23:17,030 --> 01:23:13,699

talk them into letting me

1889

01:23:20,510 --> 01:23:17,040

uh write or disclose what they encounter

1890

01:23:22,550 --> 01:23:20,520

and uh reassure them that their names

1891

01:23:24,410 --> 01:23:22,560

will not be used their location will be

1892

01:23:28,250 --> 01:23:24,420

very general

1893

01:23:31,610 --> 01:23:28,260

and uh you know so uh it's like pulling

1894

01:23:32,870 --> 01:23:31,620

teeth sometimes but you know people

1895

01:23:35,149 --> 01:23:32,880

sincere

1896

01:23:37,550 --> 01:23:35,159

and I I think that's I think that's the

1897

01:23:38,510 --> 01:23:37,560

big knock on paranormal investigations I

1898

01:23:42,649 --> 01:23:38,520

I think

1899

01:23:44,930 --> 01:23:42,659

public who who are not involved with

1900

01:23:46,550 --> 01:23:44,940

this just think they're a bunch of nuts

1901

01:23:49,850 --> 01:23:46,560

out there that just want to try to look

1902

01:23:52,250 --> 01:23:49,860

for fame or looking for recognition and

1903

01:23:53,990 --> 01:23:52,260

that that in some cases it happens but

1904

01:23:55,790 --> 01:23:54,000

for the most part it just does not

1905

01:23:57,850 --> 01:23:55,800

happen that way

1906

01:24:00,169 --> 01:23:57,860

mm-hmm

1907

01:24:03,050 --> 01:24:00,179

yeah and most of the people they just

1908

01:24:06,250 --> 01:24:03,060

want to like you said why them you know

1909

01:24:10,310 --> 01:24:06,260

I I myself searched for that for years

1910

01:24:13,370 --> 01:24:10,320

why me and how you said it's becoming

1911

01:24:15,070 --> 01:24:13,380

more normal it you know like my mom told

1912

01:24:17,270 --> 01:24:15,080

me you don't talk about these things you

1913

01:24:19,729 --> 01:24:17,280

you don't want to be seeing this crazy

1914

01:24:21,350 --> 01:24:19,739

talk about these things here and there

1915

01:24:23,870 --> 01:24:21,360

she would talk to me about them but then

1916

01:24:25,910 --> 01:24:23,880

she'd stop she she'd clam up until

1917

01:24:27,470 --> 01:24:25,920

towards the end and then she would talk

1918

01:24:28,790 --> 01:24:27,480

about it more but it was just more like

1919

01:24:29,870 --> 01:24:28,800

you don't want people to think you're

1920

01:24:32,990 --> 01:24:29,880

crazy

1921

01:24:35,450 --> 01:24:33,000

you know and yeah no I I agree with you

1922

01:24:37,610 --> 01:24:35,460

I really do and I do I hope more

1923

01:24:38,810 --> 01:24:37,620

experiencers do come forward so others

1924

01:24:40,490 --> 01:24:38,820

can see

1925

01:24:43,070 --> 01:24:40,500

that they're not alone I think that big

1926

01:24:45,950 --> 01:24:43,080

thing because when you have the

1927

01:24:50,149 --> 01:24:48,830

well it's human nature not to want to be

1928

01:24:53,090 --> 01:24:50,159

ridiculed

1929

01:24:55,130 --> 01:24:53,100

and uh to want to be believed and I

1930

01:24:56,570 --> 01:24:55,140

don't want people putting you in a A

1931

01:24:59,090 --> 01:24:56,580

different light

1932

01:25:03,050 --> 01:24:59,100

that's uncomfortable for you and that's

1933

01:25:05,870 --> 01:25:03,060

just human nature and um but I I think

1934

01:25:07,669 --> 01:25:05,880

as time has gone on and uh

1935

01:25:09,470 --> 01:25:07,679

there's more disclosure

1936

01:25:12,010 --> 01:25:09,480

uh people have come forward you know I

1937

01:25:14,990 --> 01:25:12,020

get a lot of cases that are very old

1938

01:25:16,729 --> 01:25:15,000

uh you know I get 70 year old man who

1939

01:25:18,169 --> 01:25:16,739

calls me oh I had this happen when I was

1940

01:25:21,290 --> 01:25:18,179

a teenager you know

1941

01:25:24,290 --> 01:25:21,300

you know that's I and I do I I like the

1942

01:25:28,550 --> 01:25:24,300

old stories it'd be nicer if it happened

1943

01:25:31,070 --> 01:25:28,560

you know a little closer to the timeline

1944

01:25:33,229 --> 01:25:31,080

but uh

1945

01:25:35,030 --> 01:25:33,239

you know you you gotta you gotta

1946

01:25:38,209 --> 01:25:35,040

understand where they're coming from

1947

01:25:42,950 --> 01:25:38,219

they they probably grew up in a very

1948

01:25:44,810 --> 01:25:42,960

uh conservative environment and um

1949

01:25:49,850 --> 01:25:44,820

you know they just didn't want to come

1950

01:25:54,709 --> 01:25:52,430

I agree with you because that

1951

01:25:56,930 --> 01:25:54,719

um Dogma in case that Tommy and I went

1952

01:25:59,149 --> 01:25:56,940

on that you sent this on when we had

1953

01:26:01,250 --> 01:25:59,159

talked to the witness and I had you know

1954

01:26:03,530 --> 01:26:01,260

said what I saw what I experienced well

1955

01:26:05,990 --> 01:26:03,540

Tommy was looking at that track he he

1956

01:26:08,030 --> 01:26:06,000

got very quiet and he said well my

1957

01:26:10,790 --> 01:26:08,040

father said he had had a wing humanoid

1958

01:26:12,709 --> 01:26:10,800

experience you know but wasn't even a

1959

01:26:14,750 --> 01:26:12,719

mile down the road

1960

01:26:17,270 --> 01:26:14,760

um I believe it was the reservoir or

1961

01:26:20,629 --> 01:26:17,280

something that's down that way or the

1962

01:26:23,149 --> 01:26:20,639

dam the dam it's down that way and he

1963

01:26:25,310 --> 01:26:23,159

said that he was stunned yeah

1964

01:26:28,010 --> 01:26:25,320

yeah he was done that his father had

1965

01:26:30,410 --> 01:26:28,020

that experience

1966

01:26:32,870 --> 01:26:30,420

so I mean it's it's just like you know

1967

01:26:34,790 --> 01:26:32,880

you don't really talk about it and he

1968

01:26:36,830 --> 01:26:34,800

was like I said he was very yeah Tommy

1969

01:26:38,629 --> 01:26:36,840

said will more down you know I've had a

1970

01:26:41,149 --> 01:26:38,639

lot of reports around one more day and

1971

01:26:42,950 --> 01:26:41,159

that's in Cambria County yeah yeah

1972

01:26:46,970 --> 01:26:42,960

um that whole area has had a lot of

1973

01:26:50,750 --> 01:26:49,970

yeah and I've only had we when we went

1974

01:26:54,709 --> 01:26:50,760

there to

1975

01:26:57,649 --> 01:26:54,719

investigate it was there was no birds no

1976

01:26:59,750 --> 01:26:57,659

bugs I've only had that happen up here

1977

01:27:02,810 --> 01:26:59,760

at flight 93. that's that's the only

1978

01:27:05,750 --> 01:27:02,820

place that I've had it happen at and it

1979

01:27:07,970 --> 01:27:05,760

was just so disconcerting it was just it

1980

01:27:10,189 --> 01:27:07,980

was so weird and I felt so uncomfortable

1981

01:27:12,290 --> 01:27:10,199

there it was it was something but when

1982

01:27:14,270 --> 01:27:12,300

Tommy went back by himself

1983

01:27:16,129 --> 01:27:14,280

you know to double check everything he

1984

01:27:18,830 --> 01:27:16,139

said it was totally different there were

1985

01:27:21,229 --> 01:27:18,840

Birds there were bugs it was

1986

01:27:22,729 --> 01:27:21,239

you know it was normal so there was

1987

01:27:24,590 --> 01:27:22,739

something in the area that day I believe

1988

01:27:26,990 --> 01:27:24,600

and it changes the environment it really

1989

01:27:29,330 --> 01:27:27,000

does I mean these things come in there

1990

01:27:31,910 --> 01:27:29,340

things change things quiet you know

1991

01:27:35,330 --> 01:27:31,920

anybody who's a hunter can can recognize

1992

01:27:39,950 --> 01:27:35,340

that right away and uh I know Tommy has

1993

01:27:44,930 --> 01:27:42,110

yeah and that's that's why he was like

1994

01:27:46,610 --> 01:27:44,940

check out that track we found he just he

1995

01:27:49,370 --> 01:27:46,620

didn't know and he was complaining about

1996

01:27:51,649 --> 01:27:49,380

it I I can't I can tell dear tracks I

1997

01:27:53,030 --> 01:27:51,659

can tell Bear Tracks I didn't know what

1998

01:27:54,890 --> 01:27:53,040

it was and that's why I was just

1999

01:27:56,450 --> 01:27:54,900

standing there when that whatever it was

2000

01:27:59,570 --> 01:27:56,460

rushed at me and

2001
01:28:00,649 --> 01:27:59,580
and I screamed because I didn't know

2002
01:28:03,290 --> 01:28:00,659
what else to do because I wasn't

2003
01:28:05,090 --> 01:28:03,300
expecting it you know

2004
01:28:06,770 --> 01:28:05,100
um I do have one last question for you

2005
01:28:11,270 --> 01:28:06,780
from David Jones have you ever

2006
01:28:15,310 --> 01:28:13,189
well people knew me know what I'm gonna

2007
01:28:18,530 --> 01:28:15,320
say evil is evil

2008
01:28:20,570 --> 01:28:18,540
uh there are lots of a lot of evil

2009
01:28:21,590 --> 01:28:20,580
out there

2010
01:28:23,450 --> 01:28:21,600
um

2011
01:28:26,390 --> 01:28:23,460
you know the conic the religious

2012
01:28:27,410 --> 01:28:26,400
connotation of demon I don't use that

2013
01:28:29,030 --> 01:28:27,420

word

2014

01:28:31,310 --> 01:28:29,040

um

2015

01:28:35,270 --> 01:28:31,320

malevolent evil

2016

01:28:37,910 --> 01:28:35,280

ill intention yeah uh there are a lot of

2017

01:28:40,669 --> 01:28:37,920

energies that that

2018

01:28:42,770 --> 01:28:40,679

cause issues with the living

2019

01:28:44,570 --> 01:28:42,780

uh

2020

01:28:46,910 --> 01:28:44,580

and when people talk about demons

2021

01:28:50,209 --> 01:28:46,920

they're talking about something coming

2022

01:28:52,129 --> 01:28:50,219

from Hell or wherever these things come

2023

01:28:54,830 --> 01:28:52,139

from uh

2024

01:28:58,550 --> 01:28:54,840

you know I I'm not a very religious

2025

01:28:59,629 --> 01:28:58,560

person I I do I do use some of it in my

2026

01:29:03,830 --> 01:28:59,639

work

2027

01:29:08,629 --> 01:29:03,840

uh I I do use the um

2028

01:29:11,270 --> 01:29:08,639

the cabal I do know some cabal I I I'd

2029

01:29:15,110 --> 01:29:11,280

use the the Lesser Keys of Solomon in

2030

01:29:16,729 --> 01:29:15,120

some of my uh in some of my clearings

2031

01:29:22,610 --> 01:29:16,739

um

2032

01:29:25,370 --> 01:29:22,620

I I do know of it I do some divination

2033

01:29:28,750 --> 01:29:25,380

use crystals in the whole nine yards if

2034

01:29:31,850 --> 01:29:28,760

I need to if I need to as far as a demon

2035

01:29:35,689 --> 01:29:31,860

I don't buy into that I mean evil is

2036

01:29:39,169 --> 01:29:35,699

evil uh they're simple there are simply

2037

01:29:41,209 --> 01:29:39,179

different degrees of evil malevolences

2038

01:29:43,910 --> 01:29:41,219

uh if it's really

2039

01:29:45,709 --> 01:29:43,920

really bad and some people say oh it's a

2040

01:29:46,610 --> 01:29:45,719

demon okay you call what you want to

2041

01:29:49,850 --> 01:29:46,620

call it

2042

01:29:52,430 --> 01:29:49,860

you know so no I but I have dealt with

2043

01:29:55,070 --> 01:29:52,440

some pretty bad things

2044

01:29:58,729 --> 01:29:55,080

um you know the uh the case that I did

2045

01:30:01,970 --> 01:29:58,739

which I called the uh Sioux City entity

2046

01:30:03,950 --> 01:30:01,980

uh that thing was evil

2047

01:30:05,750 --> 01:30:03,960

it was um

2048

01:30:08,050 --> 01:30:05,760

it wasn't even an Earthbound it was

2049

01:30:10,370 --> 01:30:08,060

something that was not human

2050

01:30:12,709 --> 01:30:10,380

if you want to call that a demon that's

2051

01:30:16,010 --> 01:30:12,719

fine but it was uh it was pretty strong

2052

01:30:17,270 --> 01:30:16,020

it was feeding off of dead energy

2053

01:30:20,090 --> 01:30:17,280

the Dead

2054

01:30:20,890 --> 01:30:20,100

as well as a living

2055

01:30:23,990 --> 01:30:20,900

um

2056

01:30:27,129 --> 01:30:24,000

do you want to tell us about that before

2057

01:30:30,110 --> 01:30:27,139

well you know I I

2058

01:30:31,850 --> 01:30:30,120

did talk about it in my last

2059

01:30:34,490 --> 01:30:31,860

um

2060

01:30:37,490 --> 01:30:34,500

personal report but it's the case I've

2061

01:30:39,169 --> 01:30:37,500

worked on in Sioux City Iowa

2062

01:30:48,830 --> 01:30:39,179

uh

2063

01:30:51,770 --> 01:30:48,840

some type of attachment of some type of

2064

01:30:53,450 --> 01:30:51,780

evil entity and I think that actually I

2065

01:30:55,070 --> 01:30:53,460

think it originated in Arlington Texas

2066

01:30:56,330 --> 01:30:55,080

and when he moved up there was attached

2067

01:31:00,050 --> 01:30:56,340

to them

2068

01:31:01,790 --> 01:31:00,060

and as time went on it was uh it was

2069

01:31:04,189 --> 01:31:01,800

really affecting the family and in fact

2070

01:31:05,990 --> 01:31:04,199

I think their mother actually died from

2071

01:31:08,930 --> 01:31:06,000

this this evil entity

2072

01:31:11,750 --> 01:31:08,940

uh I think it led to her eventual

2073

01:31:13,910 --> 01:31:11,760

Dimension her eventual death

2074

01:31:18,970 --> 01:31:13,920

um when she went to the Mayo Clinic they

2075

01:31:21,470 --> 01:31:18,980

said that she was suffering PS uh PS

2076

01:31:24,110 --> 01:31:21,480

post-traumatic PTSD

2077

01:31:25,189 --> 01:31:24,120

and uh I think it was a result of this

2078

01:31:27,169 --> 01:31:25,199

entity

2079

01:31:29,930 --> 01:31:27,179

well this thing stuck around it was

2080

01:31:32,330 --> 01:31:29,940

feeding off it was feeding off the

2081

01:31:34,970 --> 01:31:32,340

speared energy that was around the area

2082

01:31:37,010 --> 01:31:34,980

as a result of a plane crash it lived

2083

01:31:40,250 --> 01:31:37,020

right across the street across the road

2084

01:31:43,010 --> 01:31:40,260

the thoroughfare from uh the Gateway

2085

01:31:44,450 --> 01:31:43,020

Sioux City Gateway uh

2086

01:31:47,750 --> 01:31:44,460

Airport

2087

01:31:50,090 --> 01:31:47,760

where there was a horrendous

2088

01:31:53,030 --> 01:31:50,100

plane crash there years ago

2089

01:31:56,030 --> 01:31:53,040

and there was a lot of a lot of roaming

2090

01:31:58,430 --> 01:31:56,040

energy people who were Earthbound that

2091

01:32:00,470 --> 01:31:58,440

didn't even know they were dead and this

2092

01:32:03,830 --> 01:32:00,480

thing was feeding off the sisters energy

2093

01:32:07,149 --> 01:32:03,840

the family's energy as well as the

2094

01:32:09,290 --> 01:32:07,159

energy of these these these dead beings

2095

01:32:12,590 --> 01:32:09,300

these Spirit beings

2096

01:32:15,050 --> 01:32:12,600

and I worked with these girls for uh

2097

01:32:17,330 --> 01:32:15,060

girls these ladies for

2098

01:32:19,790 --> 01:32:17,340

over a decade

2099

01:32:23,209 --> 01:32:19,800

and um

2100

01:32:25,790 --> 01:32:23,219

you know it took time and uh it was hard

2101
01:32:29,510 --> 01:32:25,800
you know she was the one sister was

2102
01:32:32,750 --> 01:32:29,520
really experiencing some bad effects

2103
01:32:37,310 --> 01:32:32,760
she was uh she was contorting

2104
01:32:41,030 --> 01:32:37,320
she was speaking in tongues uh

2105
01:32:44,450 --> 01:32:41,040
she was causing PK activity

2106
01:32:50,930 --> 01:32:48,649
had PK abilities was an intuitive she's

2107
01:32:52,250 --> 01:32:50,940
now grown she is a very good psychic

2108
01:32:55,129 --> 01:32:52,260
medium

2109
01:32:57,410 --> 01:32:55,139
I worked with her directly

2110
01:32:59,750 --> 01:32:57,420
and this is something I do when I when I

2111
01:33:01,550 --> 01:32:59,760
go into these places and a lot of times

2112
01:33:04,370 --> 01:33:01,560
it's um

2113
01:33:07,070 --> 01:33:04,380

it has to do with um

2114

01:33:09,590 --> 01:33:07,080

uh the kids are also affected and many

2115

01:33:11,450 --> 01:33:09,600

times the experiences are also have

2116

01:33:12,590 --> 01:33:11,460

gifts and abilities which these these

2117

01:33:15,350 --> 01:33:12,600

ladies did

2118

01:33:17,090 --> 01:33:15,360

and their children had it as well

2119

01:33:19,669 --> 01:33:17,100

and uh

2120

01:33:21,290 --> 01:33:19,679

so that happens a lot and I do a lot of

2121

01:33:23,149 --> 01:33:21,300

work with kids

2122

01:33:26,209 --> 01:33:23,159

so um

2123

01:33:28,250 --> 01:33:26,219

yeah So eventually it did it did calm

2124

01:33:30,649 --> 01:33:28,260

down and um

2125

01:33:32,030 --> 01:33:30,659

about a year ago we were able to

2126

01:33:34,550 --> 01:33:32,040

eventually

2127

01:33:37,189 --> 01:33:34,560

alleviate what was going on there well

2128

01:33:39,189 --> 01:33:37,199

she had moved to another place and it

2129

01:33:41,570 --> 01:33:39,199

followed her there

2130

01:33:43,970 --> 01:33:41,580

and uh

2131

01:33:47,930 --> 01:33:43,980

I I think I think it's pretty well

2132

01:33:53,810 --> 01:33:51,229

well that's good that really is and yeah

2133

01:33:55,550 --> 01:33:53,820

I I tend to agree with you that runs in

2134

01:33:58,850 --> 01:33:55,560

the family I'm finding that out myself

2135

01:34:00,610 --> 01:33:58,860

with my son that it's it's starting to

2136

01:34:06,169 --> 01:34:00,620

you know

2137

01:34:08,090 --> 01:34:06,179

did with his age and it's just like yeah

2138

01:34:09,950 --> 01:34:08,100

it was some of the things that have been

2139

01:34:11,750 --> 01:34:09,960

coming out of his mouth lately is just

2140

01:34:14,270 --> 01:34:11,760

shocking and we don't we don't talk

2141

01:34:16,729 --> 01:34:14,280

about this in front of him like we don't

2142

01:34:20,330 --> 01:34:16,739

we don't say any of this and it's just

2143

01:34:22,850 --> 01:34:20,340

like this is just like God

2144

01:34:26,090 --> 01:34:22,860

um so I want to thank you so much for

2145

01:34:28,910 --> 01:34:26,100

coming on I truly appreciate it you have

2146

01:34:30,890 --> 01:34:28,920

2147

01:34:32,030 --> 01:34:30,900

2148

01:34:34,970 --> 01:34:32,040

you want to talk about those real quick

2163
01:35:14,990 --> 01:35:12,060

I don't have it well my upcoming shows

2164

01:35:15,850 --> 01:35:15,000

you mean here on yeah uh next week next

2165

01:35:20,629 --> 01:35:15,860

Friday

2166

01:35:22,850 --> 01:35:20,639

I'm probably going to do another

2167

01:35:26,270 --> 01:35:22,860

personal report show

2168

01:35:28,370 --> 01:35:26,280

uh on this channel and next Friday we're

2169

01:35:31,370 --> 01:35:28,380

going to be doing an alien abduction

2170

01:35:32,890 --> 01:35:31,380

round table which should be interesting

2171

01:35:39,550 --> 01:35:32,900

yeah

2172

01:35:44,810 --> 01:35:42,290

after I do my first reward stay on there

2173

01:35:46,610 --> 01:35:44,820

for Vincent's show so I gotta get that

2174

01:35:49,790 --> 01:35:46,620

out there

2175

01:35:51,350 --> 01:35:49,800

yeah exactly exactly looks like that too

2176

01:35:53,510 --> 01:35:51,360

um he had a really great first episode

2177

01:35:55,430 --> 01:35:53,520

with David Eckhart that was such a great

2178

01:35:57,470 --> 01:35:55,440

episode so if you guys didn't get to see

2179

01:35:59,450 --> 01:35:57,480

that go back and watch it because it's

2180

01:36:01,250 --> 01:35:59,460

up on the channel that was a really

2181

01:36:02,870 --> 01:36:01,260

great episode with Vincent the day with

2182

01:36:05,209 --> 01:36:02,880

that card

2183

01:36:07,129 --> 01:36:05,219

um again Lon I want to thank you so much

2184

01:36:09,110 --> 01:36:07,139

2186

01:36:14,090 --> 01:36:12,120

everyone else loves your stories so if

2187

01:36:17,270 --> 01:36:14,100

you'll come back at any time you know

2188

01:36:19,189 --> 01:36:17,280
