00:01:34,190 --> 00:01:31,860  
and unexplained sightings and encounters

9  
00:01:36,609 --> 00:01:34,200  
submitted to Phantoms and monsters I

10  
00:01:38,810 --> 00:01:36,619  
occasional detail current passivation

11  
00:01:41,510 --> 00:01:38,820  
investigations as well so thanks for

12  
00:01:43,850 --> 00:01:41,520

coffee link our Banner right there below

20

00:02:04,490 --> 00:02:02,520

as well so uh thanks for your

21

00:02:05,450 --> 00:02:04,500

consideration

22

00:02:08,210 --> 00:02:05,460

so

23

00:02:10,550 --> 00:02:08,220

our first story is a little weird but um

24

00:02:12,770 --> 00:02:10,560

you know I have actually I've had a lot

25

00:02:13,910 --> 00:02:12,780

of people commenting after I posted this

26

00:02:18,410 --> 00:02:13,920

thing

27

00:02:19,850 --> 00:02:18,420

uh a German immigrant who was working in

28

00:02:22,729 --> 00:02:19,860

Ontario Canada over the Christmas

29

00:02:24,530 --> 00:02:22,739

holidays back in 2018.

30

00:02:27,670 --> 00:02:24,540

when you know when he had a weird

31

00:02:29,990 --> 00:02:27,680

encounter he shared it with a podcast

32

00:02:32,990 --> 00:02:30,000

which I don't even know is still in the

33

00:02:35,570 --> 00:02:33,000

air anymore who confirmed that there

34

00:02:36,589 --> 00:02:35,580

indeed was a road closure in the very

35

00:02:39,949 --> 00:02:36,599

place

36

00:02:41,750 --> 00:02:39,959

uh at the same time period where uh this

37

00:02:43,430 --> 00:02:41,760

this German immigrant indicated the

38

00:02:46,190 --> 00:02:43,440

accident happened

39

00:02:48,229 --> 00:02:46,200

so he writes what I'm about to tell you

40

00:02:50,330 --> 00:02:48,239

is absolutely true

41

00:02:53,030 --> 00:02:50,340

my name is Matt

42

00:02:56,930 --> 00:02:53,040

I'm a 21 year old guy from Germany and I

43

00:02:58,610 --> 00:02:56,940

was taking a working holiday in Canada

44

00:03:00,949 --> 00:02:58,620

this was always a dream for me to

45

00:03:02,869 --> 00:03:00,959

explore and experience this large and

46

00:03:05,630 --> 00:03:02,879

beautiful country it was really a

47

00:03:08,750 --> 00:03:05,640

pleasure for me I arrived here in August

48

00:03:10,430 --> 00:03:08,760

and had the best time of my life until a

49

00:03:12,949 --> 00:03:10,440

certain Wednesday

50

00:03:15,710 --> 00:03:12,959

but now it's turning but then it turned

51

00:03:17,809 --> 00:03:15,720

into an absolute nightmare

52

00:03:20,449 --> 00:03:17,819

I always loved driving late at night

53

00:03:23,089 --> 00:03:20,459

especially on relatively remote roads

54

00:03:26,449 --> 00:03:23,099

now that's why I chose to take Ontario

55

00:03:29,089 --> 00:03:26,459

502 Northbound from Fort branches

56

00:03:32,170 --> 00:03:29,099

to Dryden that evening

57

00:03:35,210 --> 00:03:32,180

it was December 19 2018

58

00:03:38,210 --> 00:03:35,220

around 11 40 P.M

59

00:03:41,030 --> 00:03:38,220

on a long bent part of the road suddenly

60

00:03:43,309 --> 00:03:41,040

a semi with its hazards flashing stood

61

00:03:46,190 --> 00:03:43,319

on it was on the right side of the the

62

00:03:48,350 --> 00:03:46,200

road near a ditch

63

00:03:50,210 --> 00:03:48,360

I stopped in front of the truck and got

64

00:03:51,289 --> 00:03:50,220

out to ask the driver if I could help

65

00:03:53,750 --> 00:03:51,299

him

66

00:03:56,449 --> 00:03:53,760

I immediately noticed that the left part

67

00:03:58,550 --> 00:03:56,459

of its front was really heavily damaged

68

00:04:01,309 --> 00:03:58,560

the headlight and Grille were broken the

69

00:04:03,170 --> 00:04:01,319

hood was pushed backward and smashed

70

00:04:05,690 --> 00:04:03,180

a bitter the windshield and everything

71

00:04:08,089 --> 00:04:05,700

was covered in blood

72

00:04:10,610 --> 00:04:08,099

only then I realized there was a lot

73

00:04:12,830 --> 00:04:10,620

more blood on the road as well from what

74

00:04:14,929 --> 00:04:12,840

I could see in the dark with a small

75

00:04:16,090 --> 00:04:14,939

amount of light that came from my tail

76

00:04:19,909 --> 00:04:16,100

lights

77

00:04:22,490 --> 00:04:19,919

his intact right headlight and his

78

00:04:24,950 --> 00:04:22,500

marker lights

79

00:04:27,650 --> 00:04:24,960

I thought to myself oh God he hit a bear

80

00:04:29,390 --> 00:04:27,660

that was the first thought uh from the

81

00:04:31,310 --> 00:04:29,400

amount of damage I could see I walked up

82

00:04:33,290 --> 00:04:31,320

to the driver's side door and knocked a

83

00:04:35,629 --> 00:04:33,300

few times he didn't answer

84

00:04:37,909 --> 00:04:35,639

at first I thought perhaps he was going

85

00:04:39,590 --> 00:04:37,919

to get some help but then I reflected

86

00:04:43,249 --> 00:04:39,600

that we were in the middle of nowhere

87

00:04:45,770 --> 00:04:43,259

and Dryden is about 50 kilometers away

88

00:04:48,409 --> 00:04:45,780

and that he more likely used his cell

89

00:04:51,409 --> 00:04:48,419

phone or CB to call for help

90

00:04:54,290 --> 00:04:51,419

I knocked again and no response then I

91

00:04:56,450 --> 00:04:54,300

opened the door he was huddled back in

92

00:04:58,550 --> 00:04:56,460

the cabin he was shaking his skin was

93

00:05:00,890 --> 00:04:58,560

pale like a dead person's

94

00:05:02,870 --> 00:05:00,900

and he looked like he had so much fear

95

00:05:03,890 --> 00:05:02,880

and shock as if he'd seen the devil in

96

00:05:05,450 --> 00:05:03,900

person

97

00:05:07,189 --> 00:05:05,460

can I help you

98

00:05:09,230 --> 00:05:07,199

looks like you had a really serious

99

00:05:11,870 --> 00:05:09,240

accident here are you injured I asked

100

00:05:13,010 --> 00:05:11,880

him no response hello are you all right

101  
00:05:16,129 --> 00:05:13,020  
sir

102  
00:05:19,189 --> 00:05:16,139  
he said I'm not sure he mumbled does

103  
00:05:21,290 --> 00:05:19,199  
anything does anything hurt no but I I

104  
00:05:24,469 --> 00:05:21,300  
hit it

105  
00:05:26,450 --> 00:05:24,479  
I said I see that I don't think that the

106  
00:05:29,090 --> 00:05:26,460  
bearer is still alive to be honest

107  
00:05:30,650 --> 00:05:29,100  
it wasn't a bear he responded there's so

108  
00:05:33,409 --> 00:05:30,660  
much fear in his voice

109  
00:05:34,909 --> 00:05:33,419  
I got confused are there elk in this

110  
00:05:37,010 --> 00:05:34,919  
part of Ontario

111  
00:05:39,110 --> 00:05:37,020  
I'm not a native so that was the first

112  
00:05:43,010 --> 00:05:39,120  
what I thought

113  
00:05:44,510 --> 00:05:43,020

it's okay you're in shock take a breath

114

00:05:47,090 --> 00:05:44,520

did you call

115

00:05:49,610 --> 00:05:47,100

he didn't even react

116

00:05:52,430 --> 00:05:49,620

I left him alone his rig and he got and

117

00:05:54,830 --> 00:05:52,440

got to my van to get my cell phone I was

118

00:05:57,110 --> 00:05:54,840

glad that I even received service in

119

00:05:58,850 --> 00:05:57,120

that part of the province I told the

120

00:06:00,650 --> 00:05:58,860

operator what happened and she assured

121

00:06:03,050 --> 00:06:00,660

me that she was sending an officer and

122

00:06:05,330 --> 00:06:03,060

an ambulance to the scene

123

00:06:07,129 --> 00:06:05,340

she asked me which operator the truck

124

00:06:09,170 --> 00:06:07,139

was driving I couldn't give her an

125

00:06:11,870 --> 00:06:09,180

answer but she said that there would be

126

00:06:13,790 --> 00:06:11,880

roadside assistance coming as well

127

00:06:15,770 --> 00:06:13,800

I then hung up and went to the semi

128

00:06:17,390 --> 00:06:15,780

driver to tell him that he called I

129

00:06:19,310 --> 00:06:17,400

called for help the only thing he did

130

00:06:20,870 --> 00:06:19,320

was nod

131

00:06:24,050 --> 00:06:20,880

so I got my flashlight out of the car

132

00:06:26,090 --> 00:06:24,060

and searched for the dead animal

133

00:06:28,370 --> 00:06:26,100

I was still convinced that he had hit a

134

00:06:30,409 --> 00:06:28,380

bear because I was very curious about

135

00:06:32,450 --> 00:06:30,419

what he really hit and determined to

136

00:06:35,809 --> 00:06:32,460

tell him that it was a bear

137

00:06:37,490 --> 00:06:35,819

the blood was spread all over the road I

138

00:06:38,809 --> 00:06:37,500

could see where the the bear was

139

00:06:42,469 --> 00:06:38,819

flinching too

140

00:06:45,110 --> 00:06:42,479

then I saw its body holy crap that is

141

00:06:46,129 --> 00:06:45,120

indeed a very large bear I thought to

142

00:06:49,010 --> 00:06:46,139

myself

143

00:06:52,370 --> 00:06:49,020

the creature was approximately 2.8

144

00:06:54,650 --> 00:06:52,380

meters in height the head was partially

145

00:06:57,290 --> 00:06:54,660

decapitated and its face wasn't like

146

00:06:59,330 --> 00:06:57,300

anything I'd ever seen before

147

00:07:02,150 --> 00:06:59,340

it was like I was looking at a gorilla

148

00:07:04,610 --> 00:07:02,160

human type face it was so unreal the

149

00:07:07,189 --> 00:07:04,620

teeth looked like they you'd see on a

150

00:07:10,010 --> 00:07:07,199

great white shark its eyes were partly

151  
00:07:12,350 --> 00:07:10,020  
closed but it was like you could see the

152  
00:07:14,450 --> 00:07:12,360  
people's glow underneath

153  
00:07:16,309 --> 00:07:14,460  
they weren't really glowing but it's the

154  
00:07:19,730 --> 00:07:16,319  
best way I could describe it it was some

155  
00:07:23,930 --> 00:07:21,529  
do you know when you really got

156  
00:07:25,550 --> 00:07:23,940  
uncomfortable all of a sudden

157  
00:07:27,950 --> 00:07:25,560  
that's when I was that's what I was

158  
00:07:30,170 --> 00:07:27,960  
feeling then I didn't believe in Bigfoot

159  
00:07:32,689 --> 00:07:30,180  
before but I watched something about a

160  
00:07:35,029 --> 00:07:32,699  
few years ago on Monster Quest

161  
00:07:37,010 --> 00:07:35,039  
I couldn't believe what I saw but I knew

162  
00:07:38,870 --> 00:07:37,020  
exactly what I was looking at

163  
00:07:41,689 --> 00:07:38,880

I never thought I'd experienced

164

00:07:44,089 --> 00:07:41,699

something like this in my entire life

165

00:07:44,749 --> 00:07:44,099

this can't be real where's the hidden

166

00:07:46,969 --> 00:07:44,759

camera

167

00:07:49,070 --> 00:07:46,979

I hope there would be a TV crew coming

168

00:07:51,290 --> 00:07:49,080

out of the woods to admit their hoax but

169

00:07:53,150 --> 00:07:51,300

there was no TV crew

170

00:07:55,010 --> 00:07:53,160

there was alone with the truck driver

171

00:07:57,890 --> 00:07:55,020

in this thing

172

00:07:59,689 --> 00:07:57,900

so I went back to my car and I I threw

173

00:08:00,529 --> 00:07:59,699

up on the road and sat in the driver's

174

00:08:02,749 --> 00:08:00,539

seat

175

00:08:05,689 --> 00:08:02,759

I think it must have been the trance and

176

00:08:07,909 --> 00:08:05,699

then in the distance a saw

177

00:08:10,430 --> 00:08:07,919

the emergency lights flipping it was a

178

00:08:12,950 --> 00:08:10,440

police officer or OPP which is Ontario

179

00:08:15,409 --> 00:08:12,960

Provincial Police patrolman

180

00:08:17,330 --> 00:08:15,419

I can't recall it anymore he asked me

181

00:08:18,890 --> 00:08:17,340

what happened and I told him exactly

182

00:08:21,650 --> 00:08:18,900

what I'm telling you

183

00:08:22,550 --> 00:08:21,660

at first he was very suspicious about my

184

00:08:25,969 --> 00:08:22,560

story

185

00:08:28,610 --> 00:08:25,979

but he knew that he knew but I knew that

186

00:08:30,770 --> 00:08:28,620

he knew I was speaking the truth

187

00:08:32,810 --> 00:08:30,780

he went back to his patrol car and

188

00:08:34,070 --> 00:08:32,820

radioed something in then went to the

189

00:08:36,290 --> 00:08:34,080

trucker

190

00:08:37,909 --> 00:08:36,300

in the distance I saw more headlights

191

00:08:41,510 --> 00:08:37,919

and the whole crew from the fire

192

00:08:43,550 --> 00:08:41,520

department another police car showed up

193

00:08:45,769 --> 00:08:43,560

the police officer was directing the men

194

00:08:47,990 --> 00:08:45,779

at the fire department to the to the rig

195

00:08:51,350 --> 00:08:48,000

like he wanted them to only take care of

196

00:08:53,870 --> 00:08:51,360

the broken semi and its driver

197

00:08:55,910 --> 00:08:53,880

he then talked to the other officer and

198

00:08:57,530 --> 00:08:55,920

I could see that he went pale

199

00:09:00,170 --> 00:08:57,540

immediately

200

00:09:03,590 --> 00:09:00,180

second the first officer ended his

201  
00:09:05,990 --> 00:09:03,600  
sentence I was absolutely sure about the

202  
00:09:09,769 --> 00:09:06,000  
fact they both knew that these creatures

203  
00:09:12,590 --> 00:09:09,779  
existed and that they have like a plan

204  
00:09:14,870 --> 00:09:12,600  
or what to do or and not to do in cases

205  
00:09:17,269 --> 00:09:14,880  
like this because none of them went to

206  
00:09:20,210 --> 00:09:17,279  
the place where I told the first officer

207  
00:09:22,370 --> 00:09:20,220  
where the body of the Creech was located

208  
00:09:24,590 --> 00:09:22,380  
the Second Officer came up to me and

209  
00:09:27,170 --> 00:09:24,600  
told me that I had to follow him to the

210  
00:09:29,210 --> 00:09:27,180  
police department for a full report so I

211  
00:09:31,850 --> 00:09:29,220  
drove behind him to Dryden

212  
00:09:35,509 --> 00:09:31,860  
now at the time we drove up to the city

213  
00:09:38,150 --> 00:09:35,519

maybe over 40 kilometers a convoy of

214

00:09:40,370 --> 00:09:38,160

dark Vehicles passed us a high speed to

215

00:09:43,370 --> 00:09:40,380

the scene where we'll be coming from

216

00:09:46,910 --> 00:09:43,380

The Junction on Ontario 502 and Ontario

217

00:09:50,509 --> 00:09:46,920

594 was blocked and no car was allowed

218

00:09:52,490 --> 00:09:50,519

to drive onto Ontario 502 southbound

219

00:09:54,949 --> 00:09:52,500

arriving at the police station the

220

00:09:58,670 --> 00:09:54,959

officer took me to the interrogation

221

00:10:00,769 --> 00:09:58,680

room and offered me something to drink

222

00:10:03,290 --> 00:10:00,779

I had to wait until somebody arrives to

223

00:10:06,050 --> 00:10:03,300

interview me and I had to give away my

224

00:10:08,230 --> 00:10:06,060

phone and personal belongings first

225

00:10:11,930 --> 00:10:08,240

I refused because I didn't understand

226

00:10:15,530 --> 00:10:11,940

why but his voice got very specific

227

00:10:18,290 --> 00:10:15,540

and I handed over my things

228

00:10:20,389 --> 00:10:18,300

after what felt like an eternity a man

229

00:10:23,030 --> 00:10:20,399

in the suit came into the room

230

00:10:25,370 --> 00:10:23,040

it looked very odd a bit like an ill

231

00:10:27,949 --> 00:10:25,380

person because of his gray-skinned bald

232

00:10:31,430 --> 00:10:27,959

head and sort of sunken cheeks

233

00:10:33,530 --> 00:10:31,440

it had a thick Quebec accent and spoke

234

00:10:35,090 --> 00:10:33,540

gently and calmly without any expression

235

00:10:37,550 --> 00:10:35,100

at all

236

00:10:39,050 --> 00:10:37,560

I had to recall the details of what I

237

00:10:42,350 --> 00:10:39,060

experienced all my personal information

238

00:10:44,690 --> 00:10:42,360

and the purpose of my journey to Canada

239

00:10:46,850 --> 00:10:44,700

and he took fingerprints at me and even

240

00:10:49,370 --> 00:10:46,860

a sample of my Salama

241

00:10:51,829 --> 00:10:49,380

I felt like a criminal

242

00:10:53,569 --> 00:10:51,839

so ashamed and uncomfortable like I'd

243

00:10:55,910 --> 00:10:53,579

done something horrible

244

00:10:57,889 --> 00:10:55,920

then I had to sign a document like a

245

00:10:59,750 --> 00:10:57,899

non-disclosure agreement but there

246

00:11:01,250 --> 00:10:59,760

weren't any coat of arms banners or

247

00:11:04,430 --> 00:11:01,260

stamps on it

248

00:11:08,269 --> 00:11:04,440

now after that he looked dead in my eyes

249

00:11:11,630 --> 00:11:08,279

and asked if I'd seen what I had seen I

250

00:11:14,509 --> 00:11:11,640

said yes this tone got really Stern

251  
00:11:16,069 --> 00:11:14,519  
and he asked begin and I know that I had

252  
00:11:18,710 --> 00:11:16,079  
to decline this question

253  
00:11:21,290 --> 00:11:18,720  
and to that he explained to me that they

254  
00:11:23,870 --> 00:11:21,300  
will know everything I do it's crazy

255  
00:11:25,790 --> 00:11:23,880  
that they're so open about it he then

256  
00:11:28,490 --> 00:11:25,800  
left the room

257  
00:11:29,870 --> 00:11:28,500  
shortly after that a female officer came

258  
00:11:33,590 --> 00:11:29,880  
in and gave me back my personal

259  
00:11:35,509 --> 00:11:33,600  
belongings and explained to me that when

260  
00:11:38,150 --> 00:11:35,519  
they checked my immigration information

261  
00:11:42,110 --> 00:11:38,160  
the system informed them

262  
00:11:44,449 --> 00:11:42,120  
that I have to leave Canada by January

263  
00:11:46,790 --> 00:11:44,459

better a command that I must take a

264

00:11:49,610 --> 00:11:46,800

direct flight to Germany my current ETA

265

00:11:54,470 --> 00:11:49,620

got declined and I can't apply for any

266

00:11:56,569 --> 00:11:54,480

future UTA and even my ETS ta as well

267

00:11:59,269 --> 00:11:56,579

I can't believe it only because I've

268

00:12:01,850 --> 00:11:59,279

seen this thing I can't travel to North

269

00:12:04,130 --> 00:12:01,860

America for the rest of my life

270

00:12:06,350 --> 00:12:04,140

and that includes the United States

271

00:12:09,530 --> 00:12:06,360

I am now on a blacklist like a terrorist

272

00:12:11,569 --> 00:12:09,540

when I turned on my phone it sent me to

273

00:12:14,030 --> 00:12:11,579

the first instruction screen like it was

274

00:12:16,610 --> 00:12:14,040

the first time I took it out of the box

275

00:12:18,110 --> 00:12:16,620

the same with my laptop

276

00:12:20,210 --> 00:12:18,120

so these people you've reached

277

00:12:22,069 --> 00:12:20,220

everything on my electronic devices to

278

00:12:24,110 --> 00:12:22,079

be sure that there isn't any information

279

00:12:26,389 --> 00:12:24,120

going public

280

00:12:28,490 --> 00:12:26,399

all my pictures were gone they even

281

00:12:29,930 --> 00:12:28,500

placed all the things in my van upside

282

00:12:32,150 --> 00:12:29,940

down like they were searching for

283

00:12:34,130 --> 00:12:32,160

evidence

284

00:12:35,930 --> 00:12:34,140

now I'm really sure I'm being taped

285

00:12:38,810 --> 00:12:35,940

right now and I'm lucky I I could write

286

00:12:41,030 --> 00:12:38,820

my story about this until now

287

00:12:44,569 --> 00:12:41,040

um to be honest I'm currently here in

288

00:12:47,269 --> 00:12:44,579

this disgusting a w here in Marathon and

289

00:12:49,370 --> 00:12:47,279

I would drive back to Toronto now I

290

00:12:51,530 --> 00:12:49,380

really don't know what to do from now on

291

00:12:54,530 --> 00:12:51,540

I have to sell this van cancel my

292

00:12:56,870 --> 00:12:54,540

insurance and get on a flight back home

293

00:12:59,269 --> 00:12:56,880

in only six days and New Year's Eve is

294

00:13:01,250 --> 00:12:59,279

between all of this

295

00:13:03,290 --> 00:13:01,260

please wish me all your luck the truth

296

00:13:05,930 --> 00:13:03,300

must be spoken I won't be intimidated by

297

00:13:09,769 --> 00:13:05,940

anyone but I also won't risk my own life

298

00:13:11,690 --> 00:13:09,779

well that's the encounter now

299

00:13:12,710 --> 00:13:11,700

you know I have heard similar things

300

00:13:15,410 --> 00:13:12,720

before

301  
00:13:17,269 --> 00:13:15,420  
and for whatever reason

302  
00:13:19,190 --> 00:13:17,279  
some of these come out of Canada as well

303  
00:13:22,670 --> 00:13:19,200  
now of course

304  
00:13:24,710 --> 00:13:22,680  
when I had my encounter back in 81 you

305  
00:13:26,870 --> 00:13:24,720  
know the feds and the locals all showed

306  
00:13:28,430 --> 00:13:26,880  
up and uh but I you know of course I

307  
00:13:31,370 --> 00:13:28,440  
wasn't asking any questions or anything

308  
00:13:33,170 --> 00:13:31,380  
so um you know I just acted nonchalant

309  
00:13:34,730 --> 00:13:33,180  
like you know I'm

310  
00:13:37,370 --> 00:13:34,740  
I have nothing that I don't know

311  
00:13:39,410 --> 00:13:37,380  
anything about it so um now Vincent ass

312  
00:13:41,389 --> 00:13:39,420  
have you heard of other men in black

313  
00:13:43,250 --> 00:13:41,399

showing up with Sasquatch Cryptid

314

00:13:45,650 --> 00:13:43,260

sightings

315

00:13:47,210 --> 00:13:45,660

yeah there was one out in British

316

00:13:48,769 --> 00:13:47,220

Columbia not long ago where the guy

317

00:13:50,930 --> 00:13:48,779

actually ended up dead

318

00:13:52,970 --> 00:13:50,940

I don't I don't know who he encountered

319

00:13:55,250 --> 00:13:52,980

he seemed to think it was mounties I

320

00:13:57,650 --> 00:13:55,260

don't think there was any Men in Black

321

00:13:58,910 --> 00:13:57,660

but uh there was something going on

322

00:14:01,610 --> 00:13:58,920

there

323

00:14:03,530 --> 00:14:01,620

so uh yeah but as far as anything in the

324

00:14:07,129 --> 00:14:03,540

United States I don't know

325

00:14:10,310 --> 00:14:07,139

uh I I just really had no idea

326

00:14:13,310 --> 00:14:10,320

what had happened so um

327

00:14:15,889 --> 00:14:13,320

you know it's a strange story but

328

00:14:17,930 --> 00:14:15,899

I think these things do happen

329

00:14:20,509 --> 00:14:17,940

um for whatever reason the powers that

330

00:14:21,949 --> 00:14:20,519

be want to know about Bigfoot and

331

00:14:24,410 --> 00:14:21,959

whatever they find out or whatever

332

00:14:26,210 --> 00:14:24,420

somebody discloses you know they want to

333

00:14:28,069 --> 00:14:26,220

keep it between them

334

00:14:29,810 --> 00:14:28,079

so uh you know when I get stuff like

335

00:14:31,310 --> 00:14:29,820

this I'll put it out there but you know

336

00:14:32,870 --> 00:14:31,320

it's pretty strange

337

00:14:34,730 --> 00:14:32,880

so

338

00:14:36,769 --> 00:14:34,740

anyway

339

00:14:39,110 --> 00:14:36,779

this is a this is a story it broke about

340

00:14:42,949 --> 00:14:39,120

six months ago

341

00:14:46,730 --> 00:14:42,959

uh maybe you all know about the um the

342

00:14:49,670 --> 00:14:46,740

supposed Admiral a zoo werewolf

343

00:14:52,670 --> 00:14:49,680

Vincent will put a picture of

344

00:14:54,410 --> 00:14:52,680

um so anyway a zookeeper at the Amarillo

345

00:14:57,710 --> 00:14:54,420

Zoo posts an anonymous report

346

00:14:59,750 --> 00:14:57,720

description about the werewolf captured

347

00:15:02,150 --> 00:14:59,760

on security cameras

348

00:15:03,889 --> 00:15:02,160

he verifies the event and subsequent

349

00:15:07,550 --> 00:15:03,899

incidents

350

00:15:12,410 --> 00:15:09,769

you know I'm going to go through this I

351

00:15:15,829 --> 00:15:12,420

it's kind of some of it is kind of hard

352

00:15:17,930 --> 00:15:15,839

to believe but in a way

353

00:15:20,150 --> 00:15:17,940

there's some validation there I believe

354

00:15:21,290 --> 00:15:20,160

so uh you know listen to it and tell me

355

00:15:23,870 --> 00:15:21,300

what you think

356

00:15:27,050 --> 00:15:23,880

now before we get started I'm writing

357

00:15:28,850 --> 00:15:27,060

this on a burner account for anonymity

358

00:15:30,230 --> 00:15:28,860

I could get into some real trouble for

359

00:15:32,090 --> 00:15:30,240

doing this since I'm revealing

360

00:15:34,310 --> 00:15:32,100

information I don't need the Amarillo

361

00:15:36,829 --> 00:15:34,320

Zoo management really knows

362

00:15:38,150 --> 00:15:36,839

before we get hired most of us sign a

363

00:15:39,949 --> 00:15:38,160

DNA

364

00:15:42,170 --> 00:15:39,959

it's standard stuff but it means if

365

00:15:43,670 --> 00:15:42,180

anybody finds out who wrote it this

366

00:15:46,670 --> 00:15:43,680

could be there could be some serious

367

00:15:52,189 --> 00:15:49,670

I tempted to post this on 4chan

368

00:15:54,710 --> 00:15:52,199

but it was largely ignored or told me I

369

00:15:57,350 --> 00:15:54,720

was a liar maybe you guys will hear me

370

00:15:59,870 --> 00:15:57,360

out though even if you don't I need to

371

00:16:02,210 --> 00:15:59,880

get this out of my mind

372

00:16:04,009 --> 00:16:02,220

so about that photo

373

00:16:06,290 --> 00:16:04,019

it's a photo from a security camera

374

00:16:07,730 --> 00:16:06,300

footage at the zoo as you probably

375

00:16:10,009 --> 00:16:07,740

already know

376

00:16:11,689 --> 00:16:10,019

the city finally released it to the

377

00:16:14,569 --> 00:16:11,699

public on Twitter because long story

378

00:16:17,210 --> 00:16:14,579

short they're frightened

379

00:16:19,670 --> 00:16:17,220

we are I've never believed in

380

00:16:21,590 --> 00:16:19,680

Supernatural cryptozoology seeing as

381

00:16:24,530 --> 00:16:21,600

I've been working with and studying real

382

00:16:26,870 --> 00:16:24,540

animals for most of my life

383

00:16:28,790 --> 00:16:26,880

but I don't have words for what we've

384

00:16:31,069 --> 00:16:28,800

experienced lately I'm genuinely

385

00:16:33,410 --> 00:16:31,079

incapable of explaining it science

386

00:16:35,150 --> 00:16:33,420

doesn't touch events like this and I'm

387

00:16:37,550 --> 00:16:35,160

at a loss to explain

388

00:16:40,490 --> 00:16:37,560

explain it because the conclusions we've

389

00:16:43,189 --> 00:16:40,500

all come what up with is that you know

390

00:16:45,110 --> 00:16:43,199

which I'll explain later anyway

391

00:16:48,710 --> 00:16:45,120

all this started about two months ago

392

00:16:51,949 --> 00:16:48,720

back in April 1st of this year

393

00:16:53,930 --> 00:16:51,959

uh I was with a few of those zookeepers

394

00:16:56,629 --> 00:16:53,940

doing the usual route to clean them up

395

00:16:58,730 --> 00:16:56,639

pens feeding the animals and whatnot it

396

00:17:02,389 --> 00:16:58,740

was something somewhat late at night

397

00:17:04,970 --> 00:17:02,399

after closing time about 11 pm or so

398

00:17:07,250 --> 00:17:04,980

I'm filling the feed in the exotic bird

399

00:17:09,409 --> 00:17:07,260

area what I noticed two or three parrots

400

00:17:12,350 --> 00:17:09,419

are dead

401  
00:17:14,270 --> 00:17:12,360  
this was obviously concerning to us as

402  
00:17:15,409 --> 00:17:14,280  
we all care a lot about the animals we

403  
00:17:18,169 --> 00:17:15,419  
care for

404  
00:17:19,789 --> 00:17:18,179  
we aren't exactly flush with cash and

405  
00:17:22,429 --> 00:17:19,799  
the Aboriginal Zoo although popular

406  
00:17:24,890 --> 00:17:22,439  
doesn't make a lot of money

407  
00:17:27,049 --> 00:17:24,900  
losing Critters out of nowhere can be a

408  
00:17:28,730 --> 00:17:27,059  
real blow to revenue since it can cost a

409  
00:17:31,669 --> 00:17:28,740  
lot to replace animals

410  
00:17:34,909 --> 00:17:31,679  
anyways I'm getting off track the point

411  
00:17:35,930 --> 00:17:34,919  
is birds are dead out of nowhere might I

412  
00:17:39,169 --> 00:17:35,940  
add

413  
00:17:41,750 --> 00:17:39,179

it was only a few sh it was only a few

414

00:17:44,270 --> 00:17:41,760

sure but it they kept dropping off like

415

00:17:46,370 --> 00:17:44,280

you know it'd be bad news

416

00:17:49,070 --> 00:17:46,380

so I let the other zookeepers know about

417

00:17:51,890 --> 00:17:49,080

it and we decide to search the cage

418

00:17:53,570 --> 00:17:51,900

perhaps some snot-nosed kid had fed the

419

00:17:55,370 --> 00:17:53,580

bird something poisonous or maybe there

420

00:17:56,390 --> 00:17:55,380

was an illness of fire spreading among

421

00:17:58,789 --> 00:17:56,400

the birds

422

00:18:00,529 --> 00:17:58,799

this was nothing too big so when we let

423

00:18:02,810 --> 00:18:00,539

management know about it the next day

424

00:18:04,789 --> 00:18:02,820

they largely Shrugged It Off

425

00:18:07,610 --> 00:18:04,799

we sent the carcasses to the vet to get

426  
00:18:09,470 --> 00:18:07,620  
them tested anyways to see what killed

427  
00:18:11,930 --> 00:18:09,480  
them well the test that the vet's office

428  
00:18:13,270 --> 00:18:11,940  
did not turn anything did not turn

429  
00:18:16,549 --> 00:18:13,280  
anything up

430  
00:18:17,690 --> 00:18:16,559  
uh like at all no poison no evidence of

431  
00:18:20,690 --> 00:18:17,700  
illness

432  
00:18:22,669 --> 00:18:20,700  
not so much as a feather out of place

433  
00:18:25,130 --> 00:18:22,679  
they had just dropped dead it was weird

434  
00:18:26,630 --> 00:18:25,140  
but we sort of forgot about it so a few

435  
00:18:29,090 --> 00:18:26,640  
weeks later

436  
00:18:32,029 --> 00:18:29,100  
we find more animals dead we find three

437  
00:18:34,430 --> 00:18:32,039  
goats larging the same enters the birds

438  
00:18:37,430 --> 00:18:34,440

we get them tested too because clearly

439

00:18:40,130 --> 00:18:37,440

this was not something random

440

00:18:42,169 --> 00:18:40,140

management catches wind of this so we

441

00:18:44,090 --> 00:18:42,179

start beefing up security and keep an

442

00:18:46,310 --> 00:18:44,100

eye on the visitors

443

00:18:49,730 --> 00:18:46,320

we start making more announcements to

444

00:18:51,529 --> 00:18:49,740

not feed the animals Etc you guys might

445

00:18:53,870 --> 00:18:51,539

not know this but zookeepers have a

446

00:18:56,450 --> 00:18:53,880

pretty demanding schedule

447

00:18:58,549 --> 00:18:56,460

it can vary by Zoo

448

00:19:00,049 --> 00:18:58,559

but many of us sleep in bunks at the zoo

449

00:19:03,169 --> 00:19:00,059

so that we can take care of the animals

450

00:19:05,210 --> 00:19:03,179

24 7. you know in case a liner chimp

451  
00:19:07,549 --> 00:19:05,220  
breaks out and we need to make

452  
00:19:09,350 --> 00:19:07,559  
you know some type of

453  
00:19:10,970 --> 00:19:09,360  
you know it's tragic you know we you

454  
00:19:13,669 --> 00:19:10,980  
know we had to go after them

455  
00:19:16,130 --> 00:19:13,679  
we tend to rotate in schedules so each

456  
00:19:17,870 --> 00:19:16,140  
of us gets the chance to sleep at home a

457  
00:19:19,669 --> 00:19:17,880  
few days a week

458  
00:19:21,409 --> 00:19:19,679  
so in addition to the other stuff we

459  
00:19:24,049 --> 00:19:21,419  
start taking turns watching the security

460  
00:19:26,570 --> 00:19:24,059  
footage at night

461  
00:19:29,210 --> 00:19:26,580  
the deaths don't stop happening though

462  
00:19:31,610 --> 00:19:29,220  
and we aren't seeing anything at night

463  
00:19:34,669 --> 00:19:31,620

in early may we noticed a few of the

464

00:19:36,529 --> 00:19:34,679

sheep in our petting zoo section missing

465

00:19:37,789 --> 00:19:36,539

they just straight up vanished it was

466

00:19:39,650 --> 00:19:37,799

very frustrating

467

00:19:42,470 --> 00:19:39,660

by this point we started getting the

468

00:19:44,330 --> 00:19:42,480

police involved we call them up and tell

469

00:19:46,070 --> 00:19:44,340

them what's been happening they say

470

00:19:48,350 --> 00:19:46,080

they'll leave an officer around along

471

00:19:49,850 --> 00:19:48,360

with our security to watch things at

472

00:19:52,669 --> 00:19:49,860

night until the weird stuff stops

473

00:19:54,950 --> 00:19:52,679

happening and we zookeepers start really

474

00:19:57,049 --> 00:19:54,960

watching our security cameras as well

475

00:19:59,570 --> 00:19:57,059

whatever was happening it was probably

476  
00:20:01,310 --> 00:19:59,580  
some crappy creep who got kicked out of

477  
00:20:04,310 --> 00:20:01,320  
killing animals for fun I and my

478  
00:20:06,470 --> 00:20:04,320  
colleagues were getting pissed off

479  
00:20:08,390 --> 00:20:06,480  
the animals were clearly stressed and a

480  
00:20:09,890 --> 00:20:08,400  
few of them stopped eating regularly we

481  
00:20:12,470 --> 00:20:09,900  
hated the thought of someone trying to

482  
00:20:14,450 --> 00:20:12,480  
hurt anyone since the animals for fun

483  
00:20:16,789 --> 00:20:14,460  
well then they're really scary scary

484  
00:20:19,310 --> 00:20:16,799  
stuff starts happening

485  
00:20:21,409 --> 00:20:19,320  
we got up in the morning and find the

486  
00:20:22,310 --> 00:20:21,419  
sheep that are missing or what was left

487  
00:20:24,770 --> 00:20:22,320  
of them

488  
00:20:27,289 --> 00:20:24,780

their skins were all found strewn about

489

00:20:29,990 --> 00:20:27,299

the sidewalk near the zoo's entrance

490

00:20:32,210 --> 00:20:30,000

we knew as our sheep because the ID tags

491

00:20:34,130 --> 00:20:32,220

were included with the firm

492

00:20:36,350 --> 00:20:34,140

police say that they didn't see anything

493

00:20:38,930 --> 00:20:36,360

the night before security says the same

494

00:20:41,330 --> 00:20:38,940

thing we're all baffled we managed to

495

00:20:43,370 --> 00:20:41,340

get all cleared up before the zoo opens

496

00:20:46,010 --> 00:20:43,380

we decided to keep the strange

497

00:20:48,169 --> 00:20:46,020

happenings in the wrap as to not alert

498

00:20:51,110 --> 00:20:48,179

the individuals doing this we don't want

499

00:20:53,690 --> 00:20:51,120

them to know we're on to them

500

00:20:56,330 --> 00:20:53,700

so full day pass without incident

501  
00:20:58,549 --> 00:20:56,340  
we had a normal day the next day too

502  
00:20:59,990 --> 00:20:58,559  
when at night I heard a bunch of

503  
00:21:02,390 --> 00:21:00,000  
shouting

504  
00:21:04,970 --> 00:21:02,400  
it was around 2 2 A.M and the security

505  
00:21:06,830 --> 00:21:04,980  
guard is running for his life

506  
00:21:08,510 --> 00:21:06,840  
he's shouting for the cops and is

507  
00:21:11,570 --> 00:21:08,520  
shaking all over

508  
00:21:14,150 --> 00:21:11,580  
says it was covered in fur

509  
00:21:16,970 --> 00:21:14,160  
please have him show them

510  
00:21:19,850 --> 00:21:16,980  
you know where it is at and you know

511  
00:21:22,010 --> 00:21:19,860  
when all we get there there's nothing

512  
00:21:23,930 --> 00:21:22,020  
we checked the security footage and only

513  
00:21:26,570 --> 00:21:23,940

managed to capture is some loom in the

514

00:21:28,789 --> 00:21:26,580

darkness in the Lions area

515

00:21:30,890 --> 00:21:28,799

the security guard is crying and saying

516

00:21:33,049 --> 00:21:30,900

it was a werewolf

517

00:21:34,610 --> 00:21:33,059

we laughed him out of the room we kept

518

00:21:36,649 --> 00:21:34,620

him so he kept insisting it was a

519

00:21:38,090 --> 00:21:36,659

werewolf like something out of Harry

520

00:21:40,730 --> 00:21:38,100

Potter he says

521

00:21:42,409 --> 00:21:40,740

we laugh at him for sure at this point

522

00:21:44,750 --> 00:21:42,419

it was probably some coyote that managed

523

00:21:47,930 --> 00:21:44,760

to find its way into the zoo at night

524

00:21:49,970 --> 00:21:47,940

sheepskin was weird but maybe the thing

525

00:21:52,490 --> 00:21:49,980

had been eating the carces nearby in the

526

00:21:54,590 --> 00:21:52,500

wooded area by the zoo

527

00:21:58,909 --> 00:21:54,600

it's called Thompson Memorial Park it's

528

00:22:01,430 --> 00:21:58,919

small but it could hide a coyote or two

529

00:22:03,590 --> 00:22:01,440

but the Innocence don't stop

530

00:22:06,350 --> 00:22:03,600

we start finding organs in the

531

00:22:08,690 --> 00:22:06,360

enclosures just out of nowhere

532

00:22:10,610 --> 00:22:08,700

and they weren't random intestines in

533

00:22:14,390 --> 00:22:10,620

the shape of a heart on the floor of the

534

00:22:17,029 --> 00:22:14,400

porcupine exhibit two sheep eyeballs in

535

00:22:18,950 --> 00:22:17,039

the holes of our wooden fences

536

00:22:20,570 --> 00:22:18,960

we have been watching the cameras and we

537

00:22:23,570 --> 00:22:20,580

couldn't really see anything except for

538

00:22:26,510 --> 00:22:23,580

quick flashes of white from time to time

539

00:22:28,669 --> 00:22:26,520

the animals were still acting strange

540

00:22:30,470 --> 00:22:28,679

normally friendly animals suddenly just

541

00:22:31,430 --> 00:22:30,480

stay in their sleeping areas even when

542

00:22:33,350 --> 00:22:31,440

fed

543

00:22:34,730 --> 00:22:33,360

we were really freaking out at this

544

00:22:38,570 --> 00:22:34,740

point the police started sending more

545

00:22:45,350 --> 00:22:41,270

but it all accumulated

546

00:22:47,990 --> 00:22:45,360

on May 21st it was 3 A.M the usual night

547

00:22:50,450 --> 00:22:48,000

it was quiet out and I was watching the

548

00:22:51,950 --> 00:22:50,460

cameras with a security guard

549

00:22:55,250 --> 00:22:51,960

we were looking at one of the outside

550

00:22:57,350 --> 00:22:55,260

camera areas when we noticed it

551  
00:23:00,470 --> 00:22:57,360  
now the photo

552  
00:23:02,930 --> 00:23:00,480  
that infants that has a above captures

553  
00:23:05,090 --> 00:23:02,940  
exactly what we saw

554  
00:23:06,830 --> 00:23:05,100  
I was stunned when I first saw it at

555  
00:23:08,810 --> 00:23:06,840  
first it sort of reminded me of that

556  
00:23:12,169 --> 00:23:08,820  
clown who was walking around during the

557  
00:23:14,510 --> 00:23:12,179  
2021 Capital riots in DC

558  
00:23:16,909 --> 00:23:14,520  
some guy wearing a coyote pelt on his

559  
00:23:18,830 --> 00:23:16,919  
body but it wasn't right his limbs were

560  
00:23:20,870 --> 00:23:18,840  
strange animalistic and yet very

561  
00:23:23,630 --> 00:23:20,880  
strangely human

562  
00:23:25,789 --> 00:23:23,640  
not only that but I don't know if any of

563  
00:23:27,590 --> 00:23:25,799

you have noticed it it was holding some

564

00:23:30,230 --> 00:23:27,600

kind of stick

565

00:23:33,830 --> 00:23:30,240

it was doing this weird freezing jerking

566

00:23:36,049 --> 00:23:33,840

motion it would pace and then freeze

567

00:23:37,789 --> 00:23:36,059

it will stay perfectly still then it

568

00:23:38,870 --> 00:23:37,799

would Jitter about and start pacing

569

00:23:40,789 --> 00:23:38,880

again

570

00:23:43,010 --> 00:23:40,799

we found the police obviously and they

571

00:23:44,450 --> 00:23:43,020

say there's and say there's an intruder

572

00:23:46,789 --> 00:23:44,460

on the fence

573

00:23:50,029 --> 00:23:46,799

that it might be our guy well three or

574

00:23:52,010 --> 00:23:50,039

four officers go right toward the fence

575

00:23:54,230 --> 00:23:52,020

I'm out there since I wanted to see this

576  
00:23:56,029 --> 00:23:54,240  
individual get arrested

577  
00:23:57,890 --> 00:23:56,039  
the police decide to split up and they

578  
00:23:59,990 --> 00:23:57,900  
Point their guns at it they start

579  
00:24:03,049 --> 00:24:00,000  
yelling at it to stop right where it's

580  
00:24:04,370 --> 00:24:03,059  
it is and not to move and that it was

581  
00:24:06,409 --> 00:24:04,380  
under arrest

582  
00:24:08,750 --> 00:24:06,419  
the thing starts heaving

583  
00:24:11,450 --> 00:24:08,760  
the security footage uses night vision

584  
00:24:13,250 --> 00:24:11,460  
so it may seem like we could see it

585  
00:24:14,690 --> 00:24:13,260  
easily but in real life it was Pitch

586  
00:24:16,909 --> 00:24:14,700  
blackout

587  
00:24:19,010 --> 00:24:16,919  
they get the flashlights out and point

588  
00:24:21,409 --> 00:24:19,020

them at this thing it's the scariest

589

00:24:24,409 --> 00:24:21,419

thing I've ever seen in my life

590

00:24:26,690 --> 00:24:24,419

eyes totally devoid a color just milky

591

00:24:27,770 --> 00:24:26,700

white like some kind of demon sharp

592

00:24:30,470 --> 00:24:27,780

teeth

593

00:24:32,750 --> 00:24:30,480

I begin to wonder if the security guy

594

00:24:35,630 --> 00:24:32,760

was right after all

595

00:24:37,549 --> 00:24:35,640

maybe it was some kind of sort of

596

00:24:39,470 --> 00:24:37,559

werewolf

597

00:24:42,470 --> 00:24:39,480

but I've had time to think about it and

598

00:24:45,350 --> 00:24:42,480

the moon wasn't full that day our night

599

00:24:46,850 --> 00:24:45,360

it sounds childish and dumb but when

600

00:24:48,830 --> 00:24:46,860

you've seen something so unexplained you

601  
00:24:50,690 --> 00:24:48,840  
start grasping sprawls trying to figure

602  
00:24:52,549 --> 00:24:50,700  
it out

603  
00:24:54,350 --> 00:24:52,559  
so the thing is making this jittery

604  
00:24:56,149 --> 00:24:54,360  
movement and it starts to make a

605  
00:24:58,130 --> 00:24:56,159  
rattling sound

606  
00:25:00,350 --> 00:24:58,140  
sort of like when you hear sprinklers go

607  
00:25:02,450 --> 00:25:00,360  
off in your yard

608  
00:25:04,130 --> 00:25:02,460  
the thing is furry and the police start

609  
00:25:05,690 --> 00:25:04,140  
yelling louder because it's moving

610  
00:25:07,310 --> 00:25:05,700  
toward the options on the other side of

611  
00:25:10,190 --> 00:25:07,320  
the fence

612  
00:25:11,870 --> 00:25:10,200  
it starts screaming and it was the most

613  
00:25:14,510 --> 00:25:11,880

god-awful sound

614

00:25:17,090 --> 00:25:14,520

like blowing a puppy alive

615

00:25:19,909 --> 00:25:17,100

the officers are terrified like we were

616

00:25:21,710 --> 00:25:19,919

as well and that they start shooting at

617

00:25:32,029 --> 00:25:21,720

it

618

00:25:34,190 --> 00:25:32,039

didn't even flinch

619

00:25:35,149 --> 00:25:34,200

the officers see this and shoot at it

620

00:25:37,669 --> 00:25:35,159

more

621

00:25:39,409 --> 00:25:37,679

but it just takes it without much as

622

00:25:40,669 --> 00:25:39,419

much as a Flinch still screaming but

623

00:25:43,549 --> 00:25:40,679

louder now

624

00:25:46,130 --> 00:25:43,559

it suddenly goes moves lightning fast

625

00:25:47,870 --> 00:25:46,140

and is on the other side of the fence I

626

00:25:50,690 --> 00:25:47,880

gasp and started running

627

00:25:52,909 --> 00:25:50,700

I could hear screams in the rattling

628

00:25:54,230 --> 00:25:52,919

the offers realize that their guns are

629

00:25:56,510 --> 00:25:54,240

useless against this thing and they

630

00:25:59,570 --> 00:25:56,520

start backing away we all start booking

631

00:26:01,070 --> 00:25:59,580

it back the zookeeper's bunk area

632

00:26:03,289 --> 00:26:01,080

we sat there in that room in the

633

00:26:05,269 --> 00:26:03,299

officers called for backup meanwhile the

634

00:26:07,850 --> 00:26:05,279

thing was jerking its way around the

635

00:26:09,590 --> 00:26:07,860

enclosure and making its way around the

636

00:26:11,930 --> 00:26:09,600

zoo

637

00:26:13,669 --> 00:26:11,940

we waited in the security camera room

638

00:26:15,649 --> 00:26:13,679

watching the security cameras waiting

639

00:26:17,269 --> 00:26:15,659

for other police to come we watched this

640

00:26:20,570 --> 00:26:17,279

thing walk in the zoo like it's nothing

641

00:26:23,690 --> 00:26:20,580

jittering around in its weird way we can

642

00:26:27,110 --> 00:26:23,700

hear it screaming to some extent still

643

00:26:29,330 --> 00:26:27,120

suddenly we watch this thing vanish

644

00:26:31,610 --> 00:26:29,340

I can't really describe it it was there

645

00:26:33,529 --> 00:26:31,620

and then it wasn't

646

00:26:34,669 --> 00:26:33,539

the backup arrives and they searched the

647

00:26:37,190 --> 00:26:34,679

park

648

00:26:38,990 --> 00:26:37,200

officers take their stories

649

00:26:40,610 --> 00:26:39,000

they find nothing in the zoo they check

650

00:26:42,769 --> 00:26:40,620

the footage again

651  
00:26:44,750 --> 00:26:42,779  
we have it on camera we didn't have good

652  
00:26:46,610 --> 00:26:44,760  
footage of it inside the zoo but the

653  
00:26:48,409 --> 00:26:46,620  
footage outside the fence is clearly

654  
00:26:50,210 --> 00:26:48,419  
crystal clear

655  
00:26:51,649 --> 00:26:50,220  
we're all freaked out I didn't sleep a

656  
00:26:54,169 --> 00:26:51,659  
wink that night

657  
00:26:57,470 --> 00:26:54,179  
we start debating as to what you know

658  
00:26:59,510 --> 00:26:57,480  
what this thing was and you know

659  
00:27:02,090 --> 00:26:59,520  
you know we're trying to pass time as

660  
00:27:04,730 --> 00:27:02,100  
well it is all we can talk about when we

661  
00:27:07,610 --> 00:27:04,740  
get to work we wonder if it was really a

662  
00:27:08,930 --> 00:27:07,620  
werewolf I agree that werewolf is a bad

663  
00:27:10,850 --> 00:27:08,940

explanation

664

00:27:12,350 --> 00:27:10,860

we start wondering if it's an alien a

665

00:27:14,750 --> 00:27:12,360

demon or something else one of our

666

00:27:15,950 --> 00:27:14,760

colleagues those said he knows what it

667

00:27:17,990 --> 00:27:15,960

is

668

00:27:20,930 --> 00:27:18,000

says he heard stories about things like

669

00:27:23,630 --> 00:27:20,940

it when he was growing up in Arizona he

670

00:27:25,310 --> 00:27:23,640

mentions what he thinks it is and I

671

00:27:26,330 --> 00:27:25,320

realize I've actually heard this thing

672

00:27:29,090 --> 00:27:26,340

before

673

00:27:30,470 --> 00:27:29,100

given everything we had seen it makes a

674

00:27:32,630 --> 00:27:30,480

lot of sense it matches up with

675

00:27:35,810 --> 00:27:32,640

everything

676  
00:27:37,850 --> 00:27:35,820  
I'm gonna say what it is here if the

677  
00:27:40,250 --> 00:27:37,860  
Legends I've heard are true and believe

678  
00:27:42,169 --> 00:27:40,260  
that they're 100 true now it's bad mojo

679  
00:27:45,049 --> 00:27:42,179  
to even talk about it it's dark and evil

680  
00:27:46,490 --> 00:27:45,059  
into Navajo take it very seriously you

681  
00:27:47,630 --> 00:27:46,500  
still can't figure out what I'm talking

682  
00:27:50,210 --> 00:27:47,640  
about

683  
00:27:52,430 --> 00:27:50,220  
Google Navajo and scary stories

684  
00:27:54,110 --> 00:27:52,440  
and I bring it up as you know what you

685  
00:27:57,950 --> 00:27:54,120  
need to know

686  
00:28:00,350 --> 00:27:57,960  
things is stalking the zoom

687  
00:28:01,610 --> 00:28:00,360  
the footage is remarkable it made it to

688  
00:28:03,950 --> 00:28:01,620

the mayor's office

689

00:28:07,909 --> 00:28:03,960

has had the police department totally

690

00:28:09,590 --> 00:28:07,919

stumped has had the entire city spooked

691

00:28:11,029 --> 00:28:09,600

they've been looking at the footage over

692

00:28:13,669 --> 00:28:11,039

and over again trying to come up with a

693

00:28:16,070 --> 00:28:13,679

rational explanation they can't

694

00:28:17,390 --> 00:28:16,080

that's why the city Amarillo tweeted out

695

00:28:19,610 --> 00:28:17,400

the footage

696

00:28:21,830 --> 00:28:19,620

a lot of people are taking this all as a

697

00:28:23,870 --> 00:28:21,840

joke but I sure knew none of us are

698

00:28:25,669 --> 00:28:23,880

laughing we are all terrified the whole

699

00:28:27,890 --> 00:28:25,679

world knows now

700

00:28:29,810 --> 00:28:27,900

the only good news about all this is

701  
00:28:31,909 --> 00:28:29,820  
that the weird stuff start stopped

702  
00:28:35,029 --> 00:28:31,919  
happening we all hear ratty night though

703  
00:28:37,070 --> 00:28:35,039  
we're walking around the zoo

704  
00:28:38,450 --> 00:28:37,080  
you might have noticed the zoo put out a

705  
00:28:40,310 --> 00:28:38,460  
statement saying no that animals have

706  
00:28:42,890 --> 00:28:40,320  
died that's definitely true but only

707  
00:28:44,090 --> 00:28:42,900  
because we had listed the earlier deaths

708  
00:28:46,909 --> 00:28:44,100  
as natural

709  
00:28:49,250 --> 00:28:46,919  
that was before we realized they weren't

710  
00:28:51,230 --> 00:28:49,260  
I'm typing all this right now on little

711  
00:28:53,330 --> 00:28:51,240  
sleep I haven't been able to sleep well

712  
00:28:55,010 --> 00:28:53,340  
since I've seen this thing's eyes I've

713  
00:28:58,430 --> 00:28:55,020

finally had a day or two off from Zoo

714

00:29:01,310 --> 00:28:58,440

Duty so I'm at home typing this

715

00:29:02,870 --> 00:29:01,320

I'm using a VPN so hopefully nobody can

716

00:29:05,210 --> 00:29:02,880

trace this back to me

717

00:29:08,269 --> 00:29:05,220

but maybe I suppose I shouldn't mind if

718

00:29:11,090 --> 00:29:08,279

I get fired truth is at this point I'm

719

00:29:15,350 --> 00:29:11,100

not sure I want to go back

720

00:29:18,110 --> 00:29:15,360

so that's quite that's quite a tale

721

00:29:19,909 --> 00:29:18,120

I can't verify it

722

00:29:23,330 --> 00:29:19,919

but I tell you

723

00:29:26,930 --> 00:29:23,340

um I talked a couple people about it

724

00:29:28,850 --> 00:29:26,940

and uh I actually talked to a couple

725

00:29:29,990 --> 00:29:28,860

people who have worked in zoos I have a

726

00:29:33,409 --> 00:29:30,000

friend that actually works down the

727

00:29:38,690 --> 00:29:35,330

he was kind of surprised about it he

728

00:29:42,289 --> 00:29:40,669

a lot of what he described could

729

00:29:43,190 --> 00:29:42,299

actually have happened

730

00:29:45,590 --> 00:29:43,200

um

731

00:29:47,210 --> 00:29:45,600

he said occasionally we get some weird

732

00:29:48,529 --> 00:29:47,220

stuff that we just can't explain either

733

00:29:50,149 --> 00:29:48,539

now I'm not saying he's not saying

734

00:29:51,710 --> 00:29:50,159

there's a werewolves or something out in

735

00:29:55,310 --> 00:29:51,720

the Maryland Zoo

736

00:29:56,810 --> 00:29:55,320

but he said strange things happens

737

00:30:01,669 --> 00:29:56,820

so

738

00:30:08,810 --> 00:30:03,169

and if you've got a question about it

739

00:30:13,010 --> 00:30:11,510

so there's other this other account this

740

00:30:15,110 --> 00:30:13,020

is another strange but I heard about

741

00:30:17,090 --> 00:30:15,120

this a long time ago

742

00:30:19,130 --> 00:30:17,100

but I didn't necessarily have the

743

00:30:21,529 --> 00:30:19,140

explanation but I did find out about it

744

00:30:22,310 --> 00:30:21,539

recently and um that's what I'm going to

745

00:30:24,409 --> 00:30:22,320

talk about

746

00:30:26,630 --> 00:30:24,419

it's one of the Soviet Russian Navy

747

00:30:28,909 --> 00:30:26,640

divers encountered a 10 foot tall

748

00:30:31,970 --> 00:30:28,919

aquatic humanoids wearing skin type

749

00:30:35,149 --> 00:30:31,980

bodysuits and jellyfish-like helmets

750

00:30:36,289 --> 00:30:35,159

during a 1982 diving exercise in Lake

751  
00:30:38,810 --> 00:30:36,299  
Baikal

752  
00:30:41,510 --> 00:30:38,820  
now Lake by call is located in

753  
00:30:43,310 --> 00:30:41,520  
northeastern Russia in Sudbury

754  
00:30:45,889 --> 00:30:43,320  
deepest lake on Earth and it's the

755  
00:30:48,649 --> 00:30:45,899  
deepest depth of 1.6 miles it covers

756  
00:30:53,210 --> 00:30:48,659  
about 31 000 square kilometers

757  
00:30:55,310 --> 00:30:53,220  
or 12 500 square miles approximately the

758  
00:30:59,330 --> 00:30:55,320  
state size of the state of Maryland or

759  
00:31:02,510 --> 00:30:59,340  
Belgium and holds 6 000 cubic miles of

760  
00:31:04,370 --> 00:31:02,520  
water or 23 cubic kilometers it's the

761  
00:31:06,110 --> 00:31:04,380  
largest freshwater lake on Earth holding

762  
00:31:08,510 --> 00:31:06,120  
one-fifth of the fresh water on the

763  
00:31:14,810 --> 00:31:11,210

now saying that the encounter between

764

00:31:17,810 --> 00:31:14,820

the seven Soviet Russian Navy divers and

765

00:31:20,269 --> 00:31:17,820

the humanoids occurred in 1982 while

766

00:31:21,409 --> 00:31:20,279

diving during a training exercise in the

767

00:31:23,990 --> 00:31:21,419

winter

768

00:31:26,810 --> 00:31:24,000

now at the time there was a 5 to 10

769

00:31:29,690 --> 00:31:26,820

meter thick ice sheet at a depth of

770

00:31:31,610 --> 00:31:29,700

about 50 meters

771

00:31:33,710 --> 00:31:31,620

above entering the water they soon

772

00:31:36,529 --> 00:31:33,720

realized that they were being watched

773

00:31:38,450 --> 00:31:36,539

and observed something approaching them

774

00:31:40,250 --> 00:31:38,460

from the distance where the illuminated

775

00:31:41,269 --> 00:31:40,260

creatures and as they approached and got

776

00:31:43,430 --> 00:31:41,279

closer

777

00:31:46,130 --> 00:31:43,440

they look to be humanoid in shape only

778

00:31:48,590 --> 00:31:46,140

but these beings were much larger than

779

00:31:49,789 --> 00:31:48,600

humans at about 10 foot or three meters

780

00:31:52,010 --> 00:31:49,799

in height

781

00:31:54,049 --> 00:31:52,020

there were several of them

782

00:31:56,690 --> 00:31:54,059

now the Russian divers froze the first

783

00:31:58,250 --> 00:31:56,700

figuratively speaking as they observed

784

00:32:00,710 --> 00:31:58,260

these creatures

785

00:32:04,250 --> 00:32:00,720

they were wearing what looked like skin

786

00:32:06,529 --> 00:32:04,260

type bodysuits that were silver shiny

787

00:32:08,389 --> 00:32:06,539

silver gray or light bluesian color

788

00:32:10,190 --> 00:32:08,399

over their heads they had what looked

789

00:32:11,389 --> 00:32:10,200

like a helmet made of jellyfish or

790

00:32:12,529 --> 00:32:11,399

something similar because it was

791

00:32:15,409 --> 00:32:12,539

flexible

792

00:32:17,510 --> 00:32:15,419

but seemed to be maintain an unbreakable

793

00:32:20,870 --> 00:32:17,520

bubble of air inside it there was no

794

00:32:23,810 --> 00:32:20,880

oxygen tank no pipes or wires just a

795

00:32:26,269 --> 00:32:23,820

skin tight suit a jellyfish-like helmet

796

00:32:28,669 --> 00:32:26,279

clearly this was technology unknown to

797

00:32:30,289 --> 00:32:28,679

man and it did an admiral job of

798

00:32:31,730 --> 00:32:30,299

sustaining these creatures against the

799

00:32:35,149 --> 00:32:31,740

cold enabling them the freedom of

800

00:32:37,789 --> 00:32:35,159

movement with no risk of water leaks

801  
00:32:39,590 --> 00:32:37,799  
and plenty of oxygen

802  
00:32:41,570 --> 00:32:39,600  
so um

803  
00:32:43,010 --> 00:32:41,580  
the Russian divers radioed to the

804  
00:32:44,149 --> 00:32:43,020  
service describing what they were

805  
00:32:46,430 --> 00:32:44,159  
encountering

806  
00:32:47,930 --> 00:32:46,440  
they received an order to try to capture

807  
00:32:49,669 --> 00:32:47,940  
one of these creatures and to bring it

808  
00:32:51,889 --> 00:32:49,679  
to the surface

809  
00:32:54,409 --> 00:32:51,899  
so according to the divers as he moved

810  
00:32:57,950 --> 00:32:54,419  
in unison towards one of these creatures

811  
00:33:00,470 --> 00:32:57,960  
with a net in a roof a wave or sonar

812  
00:33:02,870 --> 00:33:00,480  
frequency explosion occurred

813  
00:33:05,510 --> 00:33:02,880

and the Seven Russian divers were thrust

814

00:33:06,710 --> 00:33:05,520

thrust upwards through the ice and onto

815

00:33:08,990 --> 00:33:06,720

the surface

816

00:33:11,090 --> 00:33:09,000

because of the rapid ascent and the ice

817

00:33:12,710 --> 00:33:11,100

they suffered injuries from the bends

818

00:33:14,750 --> 00:33:12,720

and compression sickness that can be

819

00:33:15,950 --> 00:33:14,760

deadly let alone the injuries the hitting

820

00:33:18,350 --> 00:33:15,960

ice

821

00:33:19,789 --> 00:33:18,360

it was reported that three of the divers

822

00:33:22,070 --> 00:33:19,799

died

823

00:33:23,750 --> 00:33:22,080

and the other four were saved inside a

824

00:33:25,549 --> 00:33:23,760

compression chamber

825

00:33:27,649 --> 00:33:25,559

at the remaining and critical Edition

826  
00:33:29,450 --> 00:33:27,659  
for several days he all suffered

827  
00:33:31,130 --> 00:33:29,460  
long-term disabilities as the result of

828  
00:33:34,009 --> 00:33:31,140  
the incident

829  
00:33:36,350 --> 00:33:34,019  
now the images that Vince is putting up

830  
00:33:38,090 --> 00:33:36,360  
were created by Discovery plus and are

831  
00:33:40,669 --> 00:33:38,100  
based on descriptions given by the

832  
00:33:42,590 --> 00:33:40,679  
surviving divers and to confirm that

833  
00:33:44,810 --> 00:33:42,600  
these interpretations closely resemble

834  
00:33:46,970 --> 00:33:44,820  
what they actually saw

835  
00:33:49,310 --> 00:33:46,980  
the accounts are their experience were

836  
00:33:50,870 --> 00:33:49,320  
long held as classified secret of the

837  
00:33:52,850 --> 00:33:50,880  
Soviet Army

838  
00:33:55,850 --> 00:33:52,860

the details were later leaked to a

839

00:33:58,310 --> 00:33:55,860

professor of Vladimir assasha

840

00:34:00,769 --> 00:33:58,320

a former Soviet naval officer and a

841

00:34:03,049 --> 00:34:00,779

known sovietologist who first documented

842

00:34:05,990 --> 00:34:03,059

a story in a book titled Russia's Uso

843

00:34:07,970 --> 00:34:06,000

secrets he was he was told about the

844

00:34:10,790 --> 00:34:07,980

incident by diving trainer Mark

845

00:34:13,010 --> 00:34:10,800

Steinberg and an unnamed former Soviet

846

00:34:16,490 --> 00:34:13,020

senior officer in charge of the diving

847

00:34:18,589 --> 00:34:16,500

team at the time of the incident so

848

00:34:20,629 --> 00:34:18,599

you know and I was telling Vincent

849

00:34:22,669 --> 00:34:20,639

earlier

850

00:34:25,070 --> 00:34:22,679

the Soviets

851  
00:34:26,510 --> 00:34:25,080  
had a lot of weird stuff that they were

852  
00:34:28,310 --> 00:34:26,520  
keeping secret they weren't you know

853  
00:34:30,589 --> 00:34:28,320  
nobody out in the western world was

854  
00:34:33,669 --> 00:34:30,599  
getting any of his information and of

855  
00:34:37,790 --> 00:34:33,679  
course when the Soviet Union fell

856  
00:34:40,070 --> 00:34:37,800  
and uh the KGB you know kind of went

857  
00:34:42,950 --> 00:34:40,080  
under and you know some of the security

858  
00:34:44,990 --> 00:34:42,960  
was less and then a lot of things got

859  
00:34:47,210 --> 00:34:45,000  
released

860  
00:34:50,210 --> 00:34:47,220  
um you know I was talking about Albert

861  
00:34:53,089 --> 00:34:50,220  
Rosales he got a lot of stuff from some

862  
00:34:55,010 --> 00:34:53,099  
of these Soviet ufologists uh he had had

863  
00:34:56,930 --> 00:34:55,020

connections anyway before before the

864

00:35:00,589 --> 00:34:56,940

Soviet Union fell

865

00:35:04,010 --> 00:35:00,599

so if you go and look at his um

866

00:35:07,010 --> 00:35:04,020

his uh uh database you might find some

867

00:35:09,170 --> 00:35:07,020

very interesting events that happened in

868

00:35:10,550 --> 00:35:09,180

Soviet Russia I don't know if he has

869

00:35:12,290 --> 00:35:10,560

this story or not I got this from

870

00:35:13,970 --> 00:35:12,300

somebody else I got it from somebody who

871

00:35:15,770 --> 00:35:13,980

had actually got looked at the actual

872

00:35:20,510 --> 00:35:15,780

documentation so

873

00:35:22,430 --> 00:35:20,520

who knows uh it's pretty weird but um

874

00:35:24,470 --> 00:35:22,440

you know we talk about a lot of humanoid

875

00:35:26,089 --> 00:35:24,480

like beings and you know what's the

876

00:35:29,690 --> 00:35:26,099

difference of this one

877

00:35:34,130 --> 00:35:32,270

now this is another humanoid story and

878

00:35:36,290 --> 00:35:34,140

this is interesting uh because this is

879

00:35:38,630 --> 00:35:36,300

sent directly to me an unnamed human

880

00:35:39,650 --> 00:35:38,640

owner was recently photographed in a

881

00:35:42,790 --> 00:35:39,660

tree

882

00:35:45,230 --> 00:35:42,800

while feeding on a live canine at San

883

00:35:47,630 --> 00:35:45,240

timoteo Canyon into Redlands California

884

00:35:50,569 --> 00:35:47,640

what is this creature

885

00:35:53,930 --> 00:35:50,579

so I received the following report one

886

00:35:56,690 --> 00:35:53,940

morning about two weeks ago

887

00:35:58,550 --> 00:35:56,700

uh and the witness stated

888

00:36:02,089 --> 00:35:58,560

that this photo was taken last week

889

00:36:05,329 --> 00:36:02,099

fourth week in November 2022. this thing

890

00:36:06,770 --> 00:36:05,339

was in San timoteo Canyon in Redlands

891

00:36:10,310 --> 00:36:06,780

California

892

00:36:12,650 --> 00:36:10,320

we could hear the dog possibly coyote it

893

00:36:14,270 --> 00:36:12,660

was feeding on screaming in pain until

894

00:36:16,609 --> 00:36:14,280

it was dead

895

00:36:18,349 --> 00:36:16,619

we could hear the bones crunching and

896

00:36:20,089 --> 00:36:18,359

the hair was standing up on the back of

897

00:36:22,250 --> 00:36:20,099

my neck

898

00:36:24,589 --> 00:36:22,260

I immediately ran to the vehicle and

899

00:36:27,170 --> 00:36:24,599

locked the door but my friend used his

900

00:36:29,990 --> 00:36:27,180

phone to take a photo with a flash to

901  
00:36:32,329 --> 00:36:30,000  
see what this awful noise was this is

902  
00:36:34,970 --> 00:36:32,339  
the photo I took and Vincent puts it up

903  
00:36:36,109 --> 00:36:34,980  
there he proceeded to attempt to shoot

904  
00:36:38,089 --> 00:36:36,119  
this thing

905  
00:36:39,890 --> 00:36:38,099  
but he hissed at him and he appears to

906  
00:36:42,950 --> 00:36:39,900  
jump or fly away

907  
00:36:45,650 --> 00:36:42,960  
that Canyon has always given me a very

908  
00:36:47,750 --> 00:36:45,660  
eerie feeling we asked some locals but

909  
00:36:49,730 --> 00:36:47,760  
no one wanted to talk about it

910  
00:36:52,250 --> 00:36:49,740  
if you said that they'd just keep the

911  
00:36:53,750 --> 00:36:52,260  
doors and windows locked please let me

912  
00:36:56,030 --> 00:36:53,760  
know what you think

913  
00:36:59,770 --> 00:36:56,040

now

914

00:37:02,870 --> 00:36:59,780

Santi material uh Canyon is a river

915

00:37:05,870 --> 00:37:02,880

valley Canyon in southeast of Redlands

916

00:37:08,030 --> 00:37:05,880

and four Northwestern foothills of San

917

00:37:11,630 --> 00:37:08,040

Jacinto mountains and in the Empire

918

00:37:14,329 --> 00:37:11,640

region of Southern Cal now I can only

919

00:37:16,010 --> 00:37:14,339

recall and I did look I can only recall

920

00:37:18,770 --> 00:37:16,020

one of the instant reported me from the

921

00:37:21,109 --> 00:37:18,780

area uh specifically it was a pale

922

00:37:22,910 --> 00:37:21,119

crawler humanoid seen rooming through

923

00:37:25,069 --> 00:37:22,920

the underbrush

924

00:37:26,690 --> 00:37:25,079

uh is this what was seen I don't know

925

00:37:29,089 --> 00:37:26,700

it's similar to what some people have

926

00:37:32,510 --> 00:37:29,099

described as Trolls but even though

927

00:37:34,430 --> 00:37:32,520

that's only a very general term so what

928

00:37:36,230 --> 00:37:34,440

are your thoughts on it you know I had

929

00:37:38,930 --> 00:37:36,240

somebody contact me and I don't know how

930

00:37:42,050 --> 00:37:38,940

true this is let me contacted me and

931

00:37:44,569 --> 00:37:42,060

said they had seen this photo before but

932

00:37:47,329 --> 00:37:44,579

they couldn't come up with it and they

933

00:37:48,710 --> 00:37:47,339

never gave me any location as to where

934

00:37:51,050 --> 00:37:48,720

it was I don't know it was somebody

935

00:37:52,849 --> 00:37:51,060

trying to pull the war on my eyes or not

936

00:37:55,250 --> 00:37:52,859

I think this person actually took this

937

00:37:59,810 --> 00:37:55,260

maybe something very similar

938

00:38:04,490 --> 00:38:01,430

uh

939

00:38:06,650 --> 00:38:04,500

Vincent could this have been a lucusa

940

00:38:08,870 --> 00:38:06,660

well look who's an owl

941

00:38:11,750 --> 00:38:08,880

uh I don't think this looks like an owl

942

00:38:15,109 --> 00:38:11,760

I don't know I mean the Coosa Legend is

943

00:38:17,450 --> 00:38:15,119

in the area of the Rio Grande Valley in

944

00:38:19,010 --> 00:38:17,460

southern Texas uh this was in

945

00:38:23,770 --> 00:38:19,020

California's I don't think that's what

946

00:38:29,089 --> 00:38:27,349

uh don MC Douglas asked

947

00:38:31,670 --> 00:38:29,099

will you do another

948

00:38:33,470 --> 00:38:31,680

collab stream with Albert Rosales in the

949

00:38:35,510 --> 00:38:33,480

future sure if I can get out I get

950

00:38:37,550 --> 00:38:35,520

Albert to come on I'll do it

951  
00:38:38,810 --> 00:38:37,560  
I always like to get Albert but you know

952  
00:38:41,870 --> 00:38:38,820  
Albert's not that easy to get on

953  
00:38:43,849 --> 00:38:41,880  
sometimes uh

954  
00:38:46,670 --> 00:38:43,859  
you know since he retired he's kind of

955  
00:38:48,710 --> 00:38:46,680  
doing his own thing but you know we did

956  
00:38:50,329 --> 00:38:48,720  
have him on a round table

957  
00:38:51,770 --> 00:38:50,339  
and I think he's more comfortable in

958  
00:38:54,410 --> 00:38:51,780  
that in that

959  
00:38:57,950 --> 00:38:54,420  
um environment so you know we'll see I

960  
00:38:57,960 --> 00:39:03,530  
any other questions

961  
00:39:11,510 --> 00:39:05,450  
that's what I'm here for folks

962  
00:39:17,630 --> 00:39:13,550  
I think you gotta agree these are pretty

963  
00:39:19,250 --> 00:39:17,640

weird stories I are reports

964

00:39:21,530 --> 00:39:19,260

um

965

00:39:23,630 --> 00:39:21,540

and I I did try to check them out as

966

00:39:25,970 --> 00:39:23,640

best I could

967

00:39:28,130 --> 00:39:25,980

but uh you know these humanoids these

968

00:39:29,930 --> 00:39:28,140

humanoid stories are pretty bizarre for

969

00:39:31,790 --> 00:39:29,940

the most part anyway and this thing here

970

00:39:32,569 --> 00:39:31,800

I had no idea what the hell this thing

971

00:39:35,210 --> 00:39:32,579

is

972

00:39:37,910 --> 00:39:35,220

uh Vince I asked what do you think was

973

00:39:40,670 --> 00:39:37,920

the beast in the uh

974

00:39:41,569 --> 00:39:40,680

in the lake between the Land Between the

975

00:39:42,349 --> 00:39:41,579

Lakes

976  
00:39:44,089 --> 00:39:42,359  
um

977  
00:39:48,109 --> 00:39:44,099  
I don't know

978  
00:39:53,390 --> 00:39:50,990  
uh cryptic canines

979  
00:39:55,130 --> 00:39:53,400  
in that area they talk about Bigfoot

980  
00:39:57,650 --> 00:39:55,140  
they talk about a lot of things I even

981  
00:40:00,589 --> 00:39:57,660  
had a I even had a human noise like

982  
00:40:02,270 --> 00:40:00,599  
sighting there at one point that was

983  
00:40:06,109 --> 00:40:02,280  
driving a car

984  
00:40:08,569 --> 00:40:06,119  
hmm what the hell was that

985  
00:40:10,550 --> 00:40:08,579  
um I'll try to dig that up and put it

986  
00:40:15,109 --> 00:40:10,560  
one time but um

987  
00:40:17,150 --> 00:40:15,119  
I don't know uh lbl is is legendary for

988  
00:40:20,329 --> 00:40:17,160

some of the weird stuff uh I've got some

989

00:40:22,849 --> 00:40:20,339

lbl stories and and reports so maybe

990

00:40:25,250 --> 00:40:22,859

I'll pull all those up and and do a show

991

00:40:27,230 --> 00:40:25,260

about lbl so we'll see

992

00:40:29,810 --> 00:40:27,240

Bernadette asked how common are mer

993

00:40:31,430 --> 00:40:29,820

people stories not too common but I get

994

00:40:32,210 --> 00:40:31,440

them

995

00:40:34,010 --> 00:40:32,220

um

996

00:40:36,290 --> 00:40:34,020

most of the time it has to do with

997

00:40:37,790 --> 00:40:36,300

bigger Lakes but I've had some stories

998

00:40:41,150 --> 00:40:37,800

around the Black Sea I've had some

999

00:40:42,230 --> 00:40:41,160

stories around the Caspian Sea

1000

00:40:44,210 --> 00:40:42,240

um

1001

00:40:45,770 --> 00:40:44,220

we get we get a few down the

1002

00:40:49,250 --> 00:40:45,780

Mediterranean maybe that'll be another

1003

00:40:52,550 --> 00:40:49,260

show itself maybe I'll dig all those out

1004

00:40:56,750 --> 00:40:54,950

Nancy says lawn you do a great job

1005

00:40:58,670 --> 00:40:56,760

collecting these reports and who knows

1006

00:41:01,250 --> 00:40:58,680

there may be proof to them in the future

1007

00:41:03,050 --> 00:41:01,260

well that's exact reason why we do this

1008

00:41:05,390 --> 00:41:03,060

we that's what we're hoping for maybe

1009

00:41:07,370 --> 00:41:05,400

there will be some type of proof that

1010

00:41:09,410 --> 00:41:07,380

comes forward

1011

00:41:10,609 --> 00:41:09,420

um you know it's not like this stuff is

1012

00:41:13,730 --> 00:41:10,619

going to be proved and we're going to

1013

00:41:15,109 --> 00:41:13,740

stop that's it's just the opposite you

1014

00:41:16,490 --> 00:41:15,119

know if I start getting proof of things

1015

00:41:17,870 --> 00:41:16,500

I'm going to get out there and do more

1016

00:41:20,870 --> 00:41:17,880

so

1017

00:41:25,730 --> 00:41:20,880

uh Vincent said ask do you think aliens

1018

00:41:29,829 --> 00:41:27,770

there's a lot of conjecture about that

1019

00:41:34,609 --> 00:41:29,839

you know in in Hollywood

1020

00:41:37,010 --> 00:41:34,619

it depicts this type of scenario

1021

00:41:40,490 --> 00:41:37,020

I don't know I don't know I I don't know

1022

00:41:42,349 --> 00:41:40,500

necessarily bases you know

1023

00:41:43,970 --> 00:41:42,359

of course if you're familiar with David

1024

00:41:45,770 --> 00:41:43,980

Eckhart

1025

00:41:48,650 --> 00:41:45,780

he believed that he was taken to another

1026  
00:41:49,609 --> 00:41:48,660  
water base in the Bay of Pensacola at

1027  
00:41:52,730 --> 00:41:49,619  
one point

1028  
00:41:55,130 --> 00:41:52,740  
uh I don't know it could be

1029  
00:41:56,690 --> 00:41:55,140  
you hear a lot about Uso stuff but you

1030  
00:41:58,490 --> 00:41:56,700  
don't hear a whole lot about

1031  
00:42:01,550 --> 00:41:58,500  
um bases

1032  
00:42:08,450 --> 00:42:03,770  
Lon do you get reports of face sightings

1033  
00:42:13,970 --> 00:42:11,510  
um Peter hastel lawn give us your

1034  
00:42:15,770 --> 00:42:13,980  
opinion on the lbl murders walk us

1035  
00:42:17,329 --> 00:42:15,780  
through your thoughts and theories on I

1036  
00:42:19,910 --> 00:42:17,339  
don't think it happened

1037  
00:42:22,069 --> 00:42:19,920  
I you know if we're talking about the

1038  
00:42:23,750 --> 00:42:22,079

same one I think you're talking about

1039

00:42:27,170 --> 00:42:23,760

I I don't think that occurred because

1040

00:42:28,490 --> 00:42:27,180

there's really no decent proof of it

1041

00:42:30,829 --> 00:42:28,500

um you know that's been bouncing around

1042

00:42:33,530 --> 00:42:30,839

for years and years and has changed

1043

00:42:37,490 --> 00:42:33,540

uh when that story first came out it was

1044

00:42:39,890 --> 00:42:37,500

fairly innocuous but it has been

1045

00:42:41,750 --> 00:42:39,900

uh it has been embellished upon over

1046

00:42:44,810 --> 00:42:41,760

time

1047

00:42:46,670 --> 00:42:44,820

I if somebody has more evidence I I'll

1048

00:42:47,990 --> 00:42:46,680

be glad to look at it but at this point

1049

00:42:51,589 --> 00:42:48,000

I really can't

1050

00:42:53,930 --> 00:42:51,599

say what actually happened

1051  
00:42:55,730 --> 00:42:53,940  
Karen Peterson asked does the zoo have

1052  
00:42:57,109 --> 00:42:55,740  
any camera footage of the image moving

1053  
00:42:59,750 --> 00:42:57,119  
or just still friends oh they got

1054  
00:43:01,370 --> 00:42:59,760  
footage when I I was told but they

1055  
00:43:04,130 --> 00:43:01,380  
haven't released it of course the city

1056  
00:43:05,930 --> 00:43:04,140  
has got that you know since they own the

1057  
00:43:08,089 --> 00:43:05,940  
zoo I think the city has that footage

1058  
00:43:09,650 --> 00:43:08,099  
but that hasn't been released the only

1059  
00:43:11,510 --> 00:43:09,660  
thing that has been released from what I

1060  
00:43:14,150 --> 00:43:11,520  
understand is that's still taken from

1061  
00:43:16,490 --> 00:43:14,160  
the footage so that one right there

1062  
00:43:20,750 --> 00:43:16,500  
so um that's that's all we know at this

1063  
00:43:24,349 --> 00:43:22,670

well folks I want to thank you for

1064

00:43:26,390 --> 00:43:24,359

donation it's great uh like share

1070

00:43:43,370 --> 00:43:41,160

you know make comments

1071

00:43:44,870 --> 00:43:43,380

so um

1072

00:43:46,730 --> 00:43:44,880

but anyway if you you have an

1073

00:43:48,650 --> 00:43:46,740

unexplained counter citing feel free to
