

PHANTOMS & MONSTERS

R A D I O

ALIEN ABDUCTION ROUNDTABLE

PRESTON DENNETT, LYNN WALLINGTON,
& DOLLY SAFRAN

FRIDAY DEC. 9TH AT 9PM EASTERN / 6PM PACIFIC

1
00:00:00,240 --> 00:00:10,270

[Music]

2
00:00:16,910 --> 00:00:13,610

we live in a reality of phantoms and

3
00:00:20,929 --> 00:00:16,920

monsters they exist Among Us and

4
00:00:24,650 --> 00:00:20,939

sometimes they win even the devil was an

5
00:00:27,550 --> 00:00:24,660

angel once the world has its own rules

6
00:00:31,070 --> 00:00:27,560

and these rules are not human

7
00:00:33,470 --> 00:00:31,080

some of us seek answers to the origin

8
00:00:34,750 --> 00:00:33,480

and existence of Cryptids and The

9
00:00:38,510 --> 00:00:34,760

Unexplained

10
00:00:42,110 --> 00:00:38,520

join us as we venture beyond the known

11
00:00:44,270 --> 00:00:42,120

and accepted boundaries Welcome to our

12
00:00:49,020 --> 00:00:44,280

nightmare I think you're going to like

13
00:00:49,030 --> 00:00:55,930

[Music]

14

00:00:55,940 --> 00:00:59,330

thank you

15

00:01:03,470 --> 00:01:01,369

hey folks good evening and welcome to

16

00:01:05,750 --> 00:01:03,480

another episode of phantoms and monsters

17

00:01:07,609 --> 00:01:05,760

radio where we explore the strange and

18

00:01:10,370 --> 00:01:07,619

The Unexplained I'm your host lawn

19

00:01:12,530 --> 00:01:10,380

Stricker and thanks for joining me

20

00:01:15,649 --> 00:01:12,540

um if you enjoy our content Please

21

00:01:18,350 --> 00:01:15,659

Subscribe like and share

22

00:01:20,210 --> 00:01:18,360

um and also comment uh super chats actor

23

00:01:22,070 --> 00:01:20,220

during the show so uh please support

24

00:01:24,410 --> 00:01:22,080

fans of monsters radio by clicking the

25

00:01:27,050 --> 00:01:24,420

dollar icon underneath the chat you can

26
00:01:29,810 --> 00:01:27,060
also support us uh by using super thanks

27
00:01:32,870 --> 00:01:29,820
icon and also to buy me a coffee link or

28
00:01:34,429 --> 00:01:32,880
Banner your consideration is very much

29
00:01:37,310 --> 00:01:34,439
appreciated

30
00:01:40,370 --> 00:01:37,320
so tonight we have Preston Dennett who

31
00:01:43,550 --> 00:01:40,380
began his inter investigating UFOs and

32
00:01:45,230 --> 00:01:43,560
uh paranormal in 1986 when he discovered

33
00:01:47,450 --> 00:01:45,240
that his family friends and co-workers

34
00:01:49,670 --> 00:01:47,460
were having dramatic unexplained

35
00:01:52,010 --> 00:01:49,680
encounters and since then has

36
00:01:53,510 --> 00:01:52,020
interviewed hundreds of witnesses and

37
00:01:55,730 --> 00:01:53,520
investigated a wide variety of

38
00:01:57,950 --> 00:01:55,740

paranormal phenomena is a field

39

00:02:00,230 --> 00:01:57,960

investigators for the mutual UFO Network

40

00:02:03,289 --> 00:02:00,240

a ghost hunter

41

00:02:05,149 --> 00:02:03,299

a paranormal researcher and author of 28

42

00:02:07,130 --> 00:02:05,159

books and more than 100 articles and

43

00:02:09,169 --> 00:02:07,140

UFOs in the Paranormal

44

00:02:12,290 --> 00:02:09,179

uh several of his books have been on

45

00:02:14,390 --> 00:02:12,300

Amazon UFO best sellers

46

00:02:16,130 --> 00:02:14,400

I has appeared on numerous radio and

47

00:02:17,869 --> 00:02:16,140

television programs including midnight

48

00:02:20,630 --> 00:02:17,879

in the desert with Art Bell Coast to

49

00:02:23,690 --> 00:02:20,640

Coast AM and also the History Channel's

50

00:02:25,729 --> 00:02:23,700

deep sea UFOs and UFO Hunters his

51
00:02:27,949 --> 00:02:25,739
research has been presented in the LA

52
00:02:31,010 --> 00:02:27,959
Times La Daily News the Dallas Morning

53
00:02:32,809 --> 00:02:31,020
News and other newspapers

54
00:02:35,750 --> 00:02:32,819
Lynn Hurley

55
00:02:37,369 --> 00:02:35,760
lives a life amidst the strange and the

56
00:02:39,410 --> 00:02:37,379
unusual

57
00:02:41,570 --> 00:02:39,420
her first paranormal experience happened

58
00:02:43,130 --> 00:02:41,580
at a young age where she saw her great

59
00:02:45,110 --> 00:02:43,140
grandmother sitting on the edge of her

60
00:02:47,089 --> 00:02:45,120
bed one night only to find out the next

61
00:02:49,309 --> 00:02:47,099
morning that she had passed away

62
00:02:51,050 --> 00:02:49,319
her interest in the Paranormal and how

63
00:02:53,210 --> 00:02:51,060

it affects people led her to get a

64

00:02:54,710 --> 00:02:53,220
degree in Psychology from the University

65

00:02:56,690 --> 00:02:54,720
of Massachusetts

66

00:02:58,610 --> 00:02:56,700
after Lynn graduation she worked for

67

00:03:00,110 --> 00:02:58,620
Harvard Medical School doing research

68

00:03:01,670 --> 00:03:00,120
and working with clients who got

69

00:03:03,410 --> 00:03:01,680
schizophrenia and other forms of

70

00:03:05,630 --> 00:03:03,420
psychosis

71

00:03:08,390 --> 00:03:05,640
in her 30s Lynn had her first experience

72

00:03:10,850 --> 00:03:08,400
with the UFO and shortly after had an

73

00:03:12,830 --> 00:03:10,860
experience with a mantis being her

74

00:03:15,710 --> 00:03:12,840
interest in the field of Pathologists

75

00:03:17,330 --> 00:03:15,720
had was sparked using her own

76

00:03:19,850 --> 00:03:17,340

experiences and her background in

77

00:03:22,850 --> 00:03:19,860

Psychology she helps to develop and run

78

00:03:24,830 --> 00:03:22,860

a support program for experiencers and

79

00:03:27,170 --> 00:03:24,840

is also certified as a regression

80

00:03:29,390 --> 00:03:27,180

therapist and work with experiencers to

81

00:03:32,030 --> 00:03:29,400

help recover memories and understand the

82

00:03:33,410 --> 00:03:32,040

role these experiences have played in

83

00:03:37,729 --> 00:03:33,420

their lives

84

00:03:38,869 --> 00:03:37,739

now on January 1973 14 year old Dolly

85

00:03:40,789 --> 00:03:38,879

saffron

86

00:03:43,550 --> 00:03:40,799

gazed out the window of her home near

87

00:03:45,710 --> 00:03:43,560

the Florida Everglades without warning a

88

00:03:48,350 --> 00:03:45,720

UFO dropped from the sky and hovered in

89

00:03:51,350 --> 00:03:48,360

her backyard to her shock

90

00:03:53,630 --> 00:03:51,360

uh Dolly had seen thin gray-skinned

91

00:03:54,770 --> 00:03:53,640

figures with large dark eyes staring

92

00:03:57,170 --> 00:03:54,780

back at her

93

00:03:58,250 --> 00:03:57,180

frightened she dived under the bed to

94

00:04:00,770 --> 00:03:58,260

hide

95

00:04:02,690 --> 00:04:00,780

at that moment her bedroom filled with a

96

00:04:05,149 --> 00:04:02,700

blazing blue light the next thing she

97

00:04:06,770 --> 00:04:05,159

knew morning had arrived she was lying

98

00:04:08,210 --> 00:04:06,780

on the floor wearing someone else's

99

00:04:10,309 --> 00:04:08,220

pajamas

100

00:04:12,530 --> 00:04:10,319

she had been taken again this was not

101
00:04:15,170 --> 00:04:12,540
her first episode of missing time and it

102
00:04:17,270 --> 00:04:15,180
happened many times before only this

103
00:04:19,189 --> 00:04:17,280
time something different happened thou

104
00:04:20,150 --> 00:04:19,199
Remembered in fact she remembered

105
00:04:22,370 --> 00:04:20,160
everything

106
00:04:24,469 --> 00:04:22,380
over the next few days Dar recalled

107
00:04:26,270 --> 00:04:24,479
being taken aboard a craft where she was

108
00:04:28,610 --> 00:04:26,280
examined by gray ETS

109
00:04:30,650 --> 00:04:28,620
she then had a long conversation with

110
00:04:32,990 --> 00:04:30,660
them was given a tour of the craft and

111
00:04:33,830 --> 00:04:33,000
was told she would soon be contacted

112
00:04:36,170 --> 00:04:33,840
again

113
00:04:37,969 --> 00:04:36,180

only a few days later The et's Returned

114

00:04:40,070 --> 00:04:37,979

and took her on board again

115

00:04:42,830 --> 00:04:40,080

now he had no fear she spoke with the

116

00:04:45,590 --> 00:04:42,840

Grays who reminded her that she had been

117

00:04:47,330 --> 00:04:45,600

contacting many times before

118

00:04:49,550 --> 00:04:47,340

she was asked if she would like to work

119

00:04:51,170 --> 00:04:49,560

with them and learn from them and what

120

00:04:53,629 --> 00:04:51,180

she would like and what what she'd like

121

00:04:55,850 --> 00:04:53,639

to learn Amazed by the opportunity Dolly

122

00:04:56,870 --> 00:04:55,860

chose to learn about how to Pilot or

123

00:04:59,090 --> 00:04:56,880

craft

124

00:05:01,370 --> 00:04:59,100

the UT's agreed

125

00:05:03,950 --> 00:05:01,380

so it began dollars lifelong experiences

126

00:05:05,870 --> 00:05:03,960

with extraterrestrials she recalled all

127

00:05:08,090 --> 00:05:05,880

of her early childhood experiences and

128

00:05:10,010 --> 00:05:08,100

finally understood that he had what had

129

00:05:12,050 --> 00:05:10,020

been happening to her she remembered

130

00:05:13,909 --> 00:05:12,060

being taken to another planet where she

131

00:05:15,890 --> 00:05:13,919

and her and other children were taught

132

00:05:18,890 --> 00:05:15,900

by the Grays about a wide variety of

133

00:05:21,890 --> 00:05:18,900

subjects science histories philosophy

134

00:05:24,230 --> 00:05:21,900

spirituality and more more encounters

135

00:05:27,290 --> 00:05:24,240

followed so folks thanks for coming on

136

00:05:34,610 --> 00:05:28,490

thank you

137

00:05:36,350 --> 00:05:34,620

so uh

138

00:05:38,450 --> 00:05:36,360

each of us have

139

00:05:40,550 --> 00:05:38,460

either worked with experiences or been

140

00:05:43,010 --> 00:05:40,560

experiencers

141

00:05:45,469 --> 00:05:43,020

um so let me ask each one of you what

142

00:05:47,150 --> 00:05:45,479

does the term alien abduction mean to

143

00:05:49,510 --> 00:05:47,160

you does it mean

144

00:05:52,370 --> 00:05:49,520

does it mean physical contact

145

00:05:54,830 --> 00:05:52,380

or does it mean something different I

146

00:05:57,770 --> 00:05:54,840

mean you know kind of explain to us what

147

00:05:59,870 --> 00:05:57,780

your thoughts on on alien ducks and I'll

148

00:06:02,990 --> 00:05:59,880

just start repressing

149

00:06:05,689 --> 00:06:03,000

all right um alien abducts to me a

150

00:06:07,370 --> 00:06:05,699

little bit of a misnomer because I don't

151

00:06:11,029 --> 00:06:07,380

I know having talked to a lot of people

152

00:06:12,170 --> 00:06:11,039

that some do not like that term I prefer

153

00:06:16,070 --> 00:06:12,180

the term that's a little bit more

154

00:06:18,050 --> 00:06:16,080

neutral on board uh contact or you know

155

00:06:20,029 --> 00:06:18,060

contact d experiencer

156

00:06:23,110 --> 00:06:20,039

but to me it means someone who's had

157

00:06:27,590 --> 00:06:23,120

contact face to face encounters with ETS

158

00:06:30,050 --> 00:06:27,600

missing time perhaps uh I have had

159

00:06:32,210 --> 00:06:30,060

contact myself so it goes beyond just

160

00:06:34,070 --> 00:06:32,220

researching it for me I did have a

161

00:06:36,050 --> 00:06:34,080

missing time encounter

162

00:06:39,110 --> 00:06:36,060

uh yeah to me it just means simply

163

00:06:40,790 --> 00:06:39,120

people who are having encounters that

164

00:06:41,809 --> 00:06:40,800

are more extensive than perhaps a simple

165

00:06:43,730 --> 00:06:41,819

sighting

166

00:06:47,330 --> 00:06:43,740

people who have a relationship of some

167

00:06:52,430 --> 00:06:50,029

okay Lynn your turn

168

00:06:54,650 --> 00:06:52,440

uh well I agree with Preston uh a lot of

169

00:06:58,010 --> 00:06:54,660

people that I've talked to also don't

170

00:06:59,570 --> 00:06:58,020

tend to like the term abduction

171

00:07:01,550 --> 00:06:59,580

um and I can understand that because to

172

00:07:03,830 --> 00:07:01,560

me when I think of abduction it's a very

173

00:07:06,650 --> 00:07:03,840

specific type of interaction it's you

174

00:07:07,370 --> 00:07:06,660

know maybe one that wasn't

175

00:07:09,650 --> 00:07:07,380

um

176

00:07:12,170 --> 00:07:09,660

they're not okay with it let's just put

177

00:07:13,909 --> 00:07:12,180

it that way it wasn't their choice they

178

00:07:14,990 --> 00:07:13,919

don't want anything to do with it these

179

00:07:17,629 --> 00:07:15,000

are the people that are really

180

00:07:19,129 --> 00:07:17,639

struggling with this and

181

00:07:21,650 --> 00:07:19,139

um they just have a very hard time

182

00:07:23,930 --> 00:07:21,660

processing what has happened to them so

183

00:07:26,089 --> 00:07:23,940

they do as an abduction

184

00:07:29,210 --> 00:07:26,099

um but yeah there are also experiencers

185

00:07:31,370 --> 00:07:29,220

and I I think too that I'm not going to

186

00:07:33,890 --> 00:07:31,380

limit it to just the physical you know

187

00:07:36,050 --> 00:07:33,900

I'm gonna say there are a lot of

188

00:07:37,969 --> 00:07:36,060

um psychic experiences that people are

189

00:07:40,370 --> 00:07:37,979

having as well and I find those equally

190

00:07:43,850 --> 00:07:40,380

fascinating and equally valid

191

00:07:44,629 --> 00:07:43,860

yeah the eth roll encounters fascinate

192

00:07:48,110 --> 00:07:44,639

me

193

00:07:51,830 --> 00:07:48,120

uh I I you know and I I do know of one

194

00:07:54,290 --> 00:07:51,840

experience I had which was physical but

195

00:07:56,210 --> 00:07:54,300

you know as far as others and I'm pretty

196

00:07:59,029 --> 00:07:56,220

sure I've had others I just don't recall

197

00:08:01,550 --> 00:07:59,039

them golly what's your thoughts on this

198

00:08:04,129 --> 00:08:01,560

uh you've had a lifetime of these

199

00:08:06,050 --> 00:08:04,139

experiences

200

00:08:08,510 --> 00:08:06,060

um I've seen it from both sides of the

201
00:08:11,749 --> 00:08:08,520
gate when I was younger I wasn't sure

202
00:08:12,469 --> 00:08:11,759
what was happening it was never ever

203
00:08:16,249 --> 00:08:12,479
um

204
00:08:18,589 --> 00:08:16,259
uh scary to me I'm not I've never maybe

205
00:08:20,330 --> 00:08:18,599
because I was so young and had memories

206
00:08:22,369 --> 00:08:20,340
so young I'm not really afraid of

207
00:08:23,990 --> 00:08:22,379
anything anyway

208
00:08:25,550 --> 00:08:24,000
um when I got older and I started

209
00:08:28,070 --> 00:08:25,560
realizing what was really going on and

210
00:08:31,369 --> 00:08:28,080
understood why contact and that's my

211
00:08:33,230 --> 00:08:31,379
preferred word for it is is contact or

212
00:08:35,630 --> 00:08:33,240
you can say you're an experience or what

213
00:08:38,870 --> 00:08:35,640

you are if you've had contact

214

00:08:41,389 --> 00:08:38,880

UM it's all very positive because of of

215

00:08:42,769 --> 00:08:41,399

my experiences with them and the

216

00:08:45,650 --> 00:08:42,779

knowledge that I've gained and I

217

00:08:47,210 --> 00:08:45,660

understand the why and wherefore of it

218

00:08:50,030 --> 00:08:47,220

so

219

00:08:53,090 --> 00:08:50,040

um I wish other people weren't afraid we

220

00:08:54,829 --> 00:08:53,100

live in a world where that's the norm

221

00:08:57,230 --> 00:08:54,839

you know you're taught to be afraid from

222

00:09:00,290 --> 00:08:57,240

a very young age uh

223

00:09:02,150 --> 00:09:00,300

in a multitude of ways and it's really

224

00:09:04,190 --> 00:09:02,160

hard to overcome when it's happening to

225

00:09:05,690 --> 00:09:04,200

you when you're a nurse and you're in

226

00:09:08,269 --> 00:09:05,700

the ER and you've got a patient coming

227

00:09:10,430 --> 00:09:08,279

in and it's their first time ever in a

228

00:09:12,530 --> 00:09:10,440

hospital they freak completely out a lot

229

00:09:14,050 --> 00:09:12,540

of them and they don't know what's

230

00:09:16,490 --> 00:09:14,060

happening they don't understand anything

231

00:09:19,070 --> 00:09:16,500

and it takes quite a bit to calm them

232

00:09:21,949 --> 00:09:19,080

down and explain things to them as

233

00:09:24,230 --> 00:09:21,959

patiently as you can and when on board

234

00:09:25,910 --> 00:09:24,240

ET does do that they do take people

235

00:09:28,370 --> 00:09:25,920

around they do show them what's going on

236

00:09:30,050 --> 00:09:28,380

and what's happening and why uh whether

237

00:09:32,570 --> 00:09:30,060

they remember it or not it's entirely up

238

00:09:34,790 --> 00:09:32,580

to them a lot of people understand that

239

00:09:38,150 --> 00:09:34,800

they're being contacted multiple times

240

00:09:40,130 --> 00:09:38,160

and wish to remain oblivious to it while

241

00:09:42,050 --> 00:09:40,140

they're here uh in normal time with

242

00:09:43,730 --> 00:09:42,060

themselves and that's just so they can

243

00:09:46,310 --> 00:09:43,740

live their life and be happy and it's

244

00:09:48,889 --> 00:09:46,320

okay because they're still experiencing

245

00:09:50,870 --> 00:09:48,899

the overwhelming information that's

246

00:09:52,310 --> 00:09:50,880

coming at them and they want the time to

247

00:09:54,350 --> 00:09:52,320

assimilate it

248

00:09:57,710 --> 00:09:54,360

yeah I do think it is primarily physical

249

00:10:02,269 --> 00:09:59,269

people are being actually physically

250

00:10:08,030 --> 00:10:05,690

yeah I've um I've had well I've

251
00:10:10,610 --> 00:10:08,040
I've had people I've worked with who are

252
00:10:13,790 --> 00:10:10,620
experiencers and you know who've had

253
00:10:15,530 --> 00:10:13,800
you meet eth roll in fact I have the I

254
00:10:18,290 --> 00:10:15,540
do have one abduction

255
00:10:21,710 --> 00:10:18,300
that was videotaped or well it was

256
00:10:23,990 --> 00:10:21,720
recorded where the young woman

257
00:10:25,790 --> 00:10:24,000
had been taken

258
00:10:30,350 --> 00:10:25,800
and um

259
00:10:32,269 --> 00:10:30,360
she was telling me that uh

260
00:10:34,670 --> 00:10:32,279
he was like you know her dog her

261
00:10:36,590 --> 00:10:34,680
boyfriend would be knocked out and she'd

262
00:10:38,449 --> 00:10:36,600
be taken but she'd never remembered

263
00:10:41,329 --> 00:10:38,459

anything physical happening

264

00:10:42,110 --> 00:10:41,339

and we'd literally put a camera out

265

00:10:44,030 --> 00:10:42,120

there

266

00:10:46,910 --> 00:10:44,040

in her bedroom

267

00:10:49,370 --> 00:10:46,920

and watched her levitate through about

268

00:10:51,590 --> 00:10:49,380

three or four inches off the bed

269

00:10:54,350 --> 00:10:51,600

for about 20 seconds and then she

270

00:10:58,190 --> 00:10:54,360

dropped down a bit

271

00:11:00,170 --> 00:10:58,200

and um she did remember any of it

272

00:11:02,269 --> 00:11:00,180

so

273

00:11:05,269 --> 00:11:02,279

you know I don't know if you how you can

274

00:11:08,569 --> 00:11:05,279

Define that was that ethereal was that

275

00:11:10,610 --> 00:11:08,579

um some type of uh I don't know

276

00:11:12,650 --> 00:11:10,620

she was in control of that her

277

00:11:15,530 --> 00:11:12,660

Consciousness was doing that

278

00:11:18,650 --> 00:11:15,540

I think so conscious beings yes

279

00:11:20,269 --> 00:11:18,660

um whether you're in control of the

280

00:11:22,130 --> 00:11:20,279

pathway to it in other words you have a

281

00:11:24,410 --> 00:11:22,140

physical mind and you have a

282

00:11:25,790 --> 00:11:24,420

Consciousness that indwells his body and

283

00:11:29,449 --> 00:11:25,800

tries to communicate with your physical

284

00:11:31,790 --> 00:11:29,459

mind our pineal glands are primarily

285

00:11:34,430 --> 00:11:31,800

responsible for that connection it's

286

00:11:37,610 --> 00:11:34,440

your psychic connection to yourself and

287

00:11:40,130 --> 00:11:37,620

if you're not using it it becomes a

288

00:11:42,410 --> 00:11:40,140

really hard thing where all intuitive

289

00:11:46,430 --> 00:11:42,420

psychic beings we have that in our DNA

290

00:11:48,410 --> 00:11:46,440

it's absolutely true and uh if she's

291

00:11:50,329 --> 00:11:48,420

levitating and she doesn't remember it

292

00:11:51,889 --> 00:11:50,339

it's her it's her Consciousness that's

293

00:11:55,130 --> 00:11:51,899

doing it it's her physical mind that's

294

00:11:57,050 --> 00:11:55,140

not remembering we dream because we Obe

295

00:11:59,389 --> 00:11:57,060

you leave your body every single night

296

00:12:01,250 --> 00:11:59,399

and you perceive it as an Obe because

297

00:12:03,050 --> 00:12:01,260

you're not widely open and connected to

298

00:12:05,269 --> 00:12:03,060

it psychically yet

299

00:12:07,670 --> 00:12:05,279

um if you were you would remember all of

300

00:12:10,490 --> 00:12:07,680

it that's my experience that's how I

301
00:12:13,610 --> 00:12:10,500
woke up I decided that I was going to

302
00:12:16,009 --> 00:12:13,620
break the bonds of being told no I'm not

303
00:12:19,069 --> 00:12:16,019
psychic and oh yes I am and I worked at

304
00:12:21,710 --> 00:12:19,079
it and everybody else came to it

305
00:12:23,750 --> 00:12:21,720
and it comes with abilities and

306
00:12:25,550 --> 00:12:23,760
levitating is one of them

307
00:12:27,410 --> 00:12:25,560
yeah that's really interesting to me

308
00:12:29,389 --> 00:12:27,420
because I just did a study of that and I

309
00:12:31,009 --> 00:12:29,399
found a lot of contactees physically

310
00:12:32,569 --> 00:12:31,019
levitate

311
00:12:34,850 --> 00:12:32,579
and it is connected to out-of-body

312
00:12:37,310 --> 00:12:34,860
experiences I think but also people are

313
00:12:39,410 --> 00:12:37,320

pulled physically on board UFO but when

314

00:12:42,290 --> 00:12:39,420

you describe something like that long I

315

00:12:44,750 --> 00:12:42,300

mean that could be either way well in

316

00:12:48,769 --> 00:12:44,760

her case which is interesting

317

00:12:50,629 --> 00:12:48,779

and um she she was very young uh she was

318

00:12:53,889 --> 00:12:50,639

in her early 20s

319

00:12:56,629 --> 00:12:53,899

she had been losing pregnancies

320

00:12:58,370 --> 00:12:56,639

and after the after the end of the first

321

00:13:00,410 --> 00:12:58,380

trimester

322

00:13:02,569 --> 00:13:00,420

the fetus was always gone and it's

323

00:13:04,610 --> 00:13:02,579

happened to her four times that we could

324

00:13:07,009 --> 00:13:04,620

document

325

00:13:08,870 --> 00:13:07,019

um and and I mean there were X-rays and

326

00:13:12,350 --> 00:13:08,880

she was going to the doctor

327

00:13:15,470 --> 00:13:12,360

and uh you know you know the pregnancy

328

00:13:17,509 --> 00:13:15,480

was determined to be there then it was

329

00:13:19,190 --> 00:13:17,519

gone

330

00:13:20,150 --> 00:13:19,200

you know

331

00:13:22,129 --> 00:13:20,160

um

332

00:13:25,370 --> 00:13:22,139

that's that was the premise for

333

00:13:27,530 --> 00:13:25,380

contacting me and um it was weird it was

334

00:13:29,810 --> 00:13:27,540

really weird and I now it has stopped it

335

00:13:32,750 --> 00:13:29,820

hasn't continued on

336

00:13:35,870 --> 00:13:32,760

but uh yeah I'm just wondering what you

337

00:13:37,970 --> 00:13:35,880

know if she was really taken physically

338

00:13:42,110 --> 00:13:37,980

are if

339

00:13:43,790 --> 00:13:42,120

being taken etherally somehow

340

00:13:47,870 --> 00:13:43,800

could have caused some type of physical

341

00:13:50,269 --> 00:13:47,880

manifestation like losing a fetus no you

342

00:13:53,269 --> 00:13:50,279

we are autonomous beings

343

00:13:55,370 --> 00:13:53,279

and nobody has the ability to rip you

344

00:13:58,310 --> 00:13:55,380

from your Consciousness from your body

345

00:14:01,370 --> 00:13:58,320

that is impossible you are locked in you

346

00:14:04,250 --> 00:14:01,380

are in total control of that only you

347

00:14:07,490 --> 00:14:04,260

um to think otherwise as a misnomer it's

348

00:14:09,110 --> 00:14:07,500

it's a false fallacy it's not true

349

00:14:11,930 --> 00:14:09,120

um

350

00:14:14,210 --> 00:14:11,940

do not lift your spirit your soul your

351
00:14:15,889 --> 00:14:14,220
Consciousness from your body they can

352
00:14:16,430 --> 00:14:15,899
communicate with you

353
00:14:18,350 --> 00:14:16,440
um

354
00:14:20,870 --> 00:14:18,360
spiritually anytime they want they can

355
00:14:23,269 --> 00:14:20,880
remote view you they can remote view to

356
00:14:25,509 --> 00:14:23,279
you yourself they can meet you halfway

357
00:14:28,069 --> 00:14:25,519
they can make the psychic connection

358
00:14:28,910 --> 00:14:28,079
where everything in this universe is

359
00:14:31,129 --> 00:14:28,920
light

360
00:14:34,129 --> 00:14:31,139
and it's all connected every every

361
00:14:36,769 --> 00:14:34,139
single proton every single element in

362
00:14:39,110 --> 00:14:36,779
this universe communicates with every

363
00:14:41,930 --> 00:14:39,120

other one uh Einstein was totally

364

00:14:44,210 --> 00:14:41,940

correct you can attraction at a distance

365

00:14:45,889 --> 00:14:44,220

you can do that when you're a psychic

366

00:14:49,069 --> 00:14:45,899

and you know that your child in Europe

367

00:14:50,689 --> 00:14:49,079

just got hurt that's the connection and

368

00:14:53,090 --> 00:14:50,699

you don't there's no space and time

369

00:14:55,490 --> 00:14:53,100

involved that's what psychic means to go

370

00:14:57,949 --> 00:14:55,500

outside space and time so they don't

371

00:15:00,530 --> 00:14:57,959

have to rip you from your body to take

372

00:15:02,629 --> 00:15:00,540

you somewhere when ET contacts you they

373

00:15:04,610 --> 00:15:02,639

contact you physically they actually

374

00:15:07,370 --> 00:15:04,620

bring you on board they have the ability

375

00:15:10,129 --> 00:15:07,380

to do that their reasons for doing that

376

00:15:13,550 --> 00:15:10,139

are very simple it's not a hard one to

377

00:15:15,350 --> 00:15:13,560

walk through and that is simply we have

378

00:15:16,850 --> 00:15:15,360

too much gamma radiation hitting us we

379

00:15:19,550 --> 00:15:16,860

have for the last hundred years our

380

00:15:22,310 --> 00:15:19,560

magnetosphere is going down it causes

381

00:15:25,269 --> 00:15:22,320

DNA breakdown NASA proved this with two

382

00:15:26,990 --> 00:15:25,279

astronauts it's not a joke it's real any

383

00:15:30,230 --> 00:15:27,000

astrophysicist will tell you the

384

00:15:32,449 --> 00:15:30,240

validity of this they contact us to hold

385

00:15:35,449 --> 00:15:32,459

up our DNA they have the ability to help

386

00:15:37,790 --> 00:15:35,459

us walk through it and walk through the

387

00:15:39,470 --> 00:15:37,800

process of what's happening around us to

388

00:15:41,269 --> 00:15:39,480

hold us up we're their children that's

389

00:15:43,189 --> 00:15:41,279

all it is

390

00:15:45,170 --> 00:15:43,199

um there's no if ands or buts about it

391

00:15:47,870 --> 00:15:45,180

and it's a physical process they have to

392

00:15:50,629 --> 00:15:47,880

bring you on board they give you a drink

393

00:15:52,910 --> 00:15:50,639

to drink and it helps repair your DNA

394

00:15:55,189 --> 00:15:52,920

literally

395

00:15:57,050 --> 00:15:55,199

what amazes me is that our governments

396

00:15:59,329 --> 00:15:57,060

know this they've worked it out for

397

00:16:02,090 --> 00:15:59,339

themselves they absolutely understand

398

00:16:04,430 --> 00:16:02,100

what's going on and yet they don't tell

399

00:16:06,410 --> 00:16:04,440

the truth about it at all and but it's

400

00:16:07,910 --> 00:16:06,420

out there to find you can find it and

401
00:16:09,350 --> 00:16:07,920
there are scientists all over this

402
00:16:11,870 --> 00:16:09,360
planet that will tell you this is

403
00:16:14,750 --> 00:16:11,880
happening it's real it's true

404
00:16:16,970 --> 00:16:14,760
so now Lynn you've been involved with

405
00:16:18,530 --> 00:16:16,980
regression therapy and you you

406
00:16:21,710 --> 00:16:18,540
interviewed

407
00:16:25,370 --> 00:16:21,720
um experiences in the past how does this

408
00:16:30,949 --> 00:16:27,889
um well

409
00:16:33,829 --> 00:16:30,959
as far as the

410
00:16:36,170 --> 00:16:33,839
the type of experiences yeah

411
00:16:38,150 --> 00:16:36,180
um I've I've talked with people who have

412
00:16:39,590 --> 00:16:38,160
had both types

413
00:16:41,389 --> 00:16:39,600

um you know there are certainly people

414

00:16:43,790 --> 00:16:41,399

and I think that maybe we all have a

415

00:16:46,370 --> 00:16:43,800

combination of them I don't know

416

00:16:48,470 --> 00:16:46,380

um but it seems like there's so many

417

00:16:51,350 --> 00:16:48,480

different types of experiences that we

418

00:16:53,509 --> 00:16:51,360

can have you know whether it is

419

00:16:55,370 --> 00:16:53,519

um you know a psychic connection kind of

420

00:16:57,050 --> 00:16:55,380

like dolly was talking about or physical

421

00:16:59,569 --> 00:16:57,060

interaction like Preston was talking

422

00:17:00,889 --> 00:16:59,579

about or maybe some combination of the

423

00:17:03,170 --> 00:17:00,899

two uh

424

00:17:05,870 --> 00:17:03,180

it seems to be that there's there are so

425

00:17:07,250 --> 00:17:05,880

many different ways that we can interact

426

00:17:09,710 --> 00:17:07,260

um but what I found really interesting

427

00:17:11,030 --> 00:17:09,720

what you were saying though about when

428

00:17:13,490 --> 00:17:11,040

um the woman that you were talking about

429

00:17:14,569 --> 00:17:13,500

was videotaped how she levitated what I

430

00:17:17,210 --> 00:17:14,579

think you said for like three or four

431

00:17:20,390 --> 00:17:17,220

seconds and then she she came back 20

432

00:17:22,789 --> 00:17:20,400

seconds actually yeah 20. wow okay well

433

00:17:24,350 --> 00:17:22,799

I'm curious and maybe Preston or Dolly

434

00:17:25,850 --> 00:17:24,360

can speak to this because I've heard of

435

00:17:27,590 --> 00:17:25,860

it and I'm sure you probably have heard

436

00:17:29,510 --> 00:17:27,600

of it too people talk about time

437

00:17:31,430 --> 00:17:29,520

Distortion when they have experiences

438

00:17:33,710 --> 00:17:31,440

and I'm wondering if maybe that's what

439

00:17:36,529 --> 00:17:33,720

you captured on there was just time

440

00:17:38,690 --> 00:17:36,539

Distortion like in action and that way

441

00:17:40,490 --> 00:17:38,700

you didn't see the interactions or

442

00:17:42,650 --> 00:17:40,500

whether it's simply as dolly was saying

443

00:17:45,650 --> 00:17:42,660

that was her doing it herself I'd be

444

00:17:47,810 --> 00:17:45,660

curious exactly yeah been my experience

445

00:17:50,510 --> 00:17:47,820

that if a camera's rolling and contact

446

00:17:53,930 --> 00:17:50,520

is being initiated the camera will go

447

00:17:56,330 --> 00:17:53,940

down there's a huge empty em EMP pulse

448

00:17:58,850 --> 00:17:56,340

into the room and nothing electronic

449

00:18:00,890 --> 00:17:58,860

will work anymore so they were not

450

00:18:04,430 --> 00:18:00,900

interrupted they actually got 20 seconds

451
00:18:07,789 --> 00:18:04,440
so I'm saying that that is not ET that

452
00:18:09,409 --> 00:18:07,799
was her okay anytime ET interacts with

453
00:18:11,390 --> 00:18:09,419
you they're going to come in with their

454
00:18:14,210 --> 00:18:11,400
craft they're gonna

455
00:18:16,250 --> 00:18:14,220
bring down an electromagnetic uh field

456
00:18:18,529 --> 00:18:16,260
with them that'll knock your entire

457
00:18:21,650 --> 00:18:18,539
house out there will be no power on at

458
00:18:23,510 --> 00:18:21,660
all whatsoever so I'm leaning toward

459
00:18:25,490 --> 00:18:23,520
that was her

460
00:18:27,470 --> 00:18:25,500
yeah I would second that I do have a

461
00:18:28,370 --> 00:18:27,480
case where a guy set up a camera in his

462
00:18:29,690 --> 00:18:28,380
bedroom because he was having

463
00:18:34,610 --> 00:18:29,700

experiences

464

00:18:36,470 --> 00:18:34,620

got up to go to the bathroom and that's

465

00:18:38,510 --> 00:18:36,480

when they got him so the camera didn't

466

00:18:40,610 --> 00:18:38,520

catch anything I think they're very much

467

00:18:42,770 --> 00:18:40,620

aware of when people are setting that

468

00:18:44,330 --> 00:18:42,780

sort of thing up and yeah absolutely

469

00:18:46,789 --> 00:18:44,340

there are the cases I know of where

470

00:18:47,990 --> 00:18:46,799

cameras have failed security cameras and

471

00:18:51,350 --> 00:18:48,000

so forth

472

00:18:53,390 --> 00:18:51,360

but I do think uh speaking to what Lynn

473

00:18:55,250 --> 00:18:53,400

said that it is a combination when

474

00:18:57,770 --> 00:18:55,260

someone has a physical experience it's

475

00:18:59,150 --> 00:18:57,780

very much telepathic as well I mean

476

00:19:01,370 --> 00:18:59,160

they're communicating with the et's

477

00:19:03,350 --> 00:19:01,380

telepathic there's a very strong psychic

478

00:19:07,909 --> 00:19:03,360

component to all of this

479

00:19:14,330 --> 00:19:09,590

um and now any of you can answer this

480

00:19:17,570 --> 00:19:14,340

I'm not going to do specifics but um

481

00:19:20,510 --> 00:19:17,580

the the actual alien abduction or

482

00:19:24,049 --> 00:19:20,520

experience or scenario now

483

00:19:26,390 --> 00:19:24,059

I've been investigating this now for uh

484

00:19:28,850 --> 00:19:26,400

you know I you know I've been interested

485

00:19:31,310 --> 00:19:28,860

in with severson's Betty of Barney Hill

486

00:19:33,590 --> 00:19:31,320

I'm that old so you know I I I

487

00:19:35,630 --> 00:19:33,600

understand I you know I know about this

488

00:19:37,610 --> 00:19:35,640

but um

489

00:19:40,730 --> 00:19:37,620

you know that did fascinate me a lot

490

00:19:43,789 --> 00:19:40,740

when I was younger but it does seem that

491

00:19:46,789 --> 00:19:43,799

the the scenarios for the most part

492

00:19:49,310 --> 00:19:46,799

after researching this and looking into

493

00:19:51,470 --> 00:19:49,320

these these uh encounters

494

00:19:54,049 --> 00:19:51,480

that they have changed someone

495

00:19:57,470 --> 00:19:54,059

now when I say change

496

00:19:59,210 --> 00:19:57,480

uh and I just like uh let's say with

497

00:20:01,430 --> 00:19:59,220

Betty Barney Hill they had an experience

498

00:20:03,830 --> 00:20:01,440

with a UFO that was in front of them

499

00:20:06,950 --> 00:20:03,840

they saw these these beings in the craft

500

00:20:09,890 --> 00:20:06,960

they were taken on board uh there was

501
00:20:13,310 --> 00:20:09,900
experiments done on them and uh she was

502
00:20:16,010 --> 00:20:13,320
shown certain things but it seems to

503
00:20:18,890 --> 00:20:16,020
evolve somehow to where

504
00:20:20,110 --> 00:20:18,900
there was more there seemed to be a lot

505
00:20:23,830 --> 00:20:20,120
more

506
00:20:26,750 --> 00:20:23,840
uh emphasis on hybridization later on

507
00:20:30,110 --> 00:20:26,760
and as time has gone on that's kind of a

508
00:20:33,350 --> 00:20:30,120
backed off a bit now some of these

509
00:20:37,310 --> 00:20:33,360
scenarios seem to involve a multitude of

510
00:20:39,350 --> 00:20:37,320
alien beings or unknown beings for the

511
00:20:40,850 --> 00:20:39,360
most part I mean sometimes a lot of

512
00:20:43,549 --> 00:20:40,860
these experiences they talk about

513
00:20:45,710 --> 00:20:43,559

different types of beings

514

00:20:47,630 --> 00:20:45,720

um even humans I mean I've had so many

515

00:20:48,470 --> 00:20:47,640

where there have been humans involved as

516

00:20:51,110 --> 00:20:48,480

well

517

00:20:53,990 --> 00:20:51,120

but of course you know graze and you

518

00:20:55,630 --> 00:20:54,000

know even some type of Nordic or

519

00:20:58,250 --> 00:20:55,640

human-like being

520

00:21:00,650 --> 00:20:58,260

reptilians insectoids the whole nine

521

00:21:02,630 --> 00:21:00,660

yards but it does seem that more and

522

00:21:05,270 --> 00:21:02,640

more that I have

523

00:21:08,810 --> 00:21:05,280

researched more of these beings seem to

524

00:21:11,930 --> 00:21:10,310

um they've always cooperated with one

525

00:21:15,169 --> 00:21:11,940

another you're just seeing them more

526

00:21:17,390 --> 00:21:15,179

often now and yes perception perspective

527

00:21:19,730 --> 00:21:17,400

changes over the years what people

528

00:21:22,370 --> 00:21:19,740

understood back then is not what they

529

00:21:24,830 --> 00:21:22,380

understand now they've been a lot more

530

00:21:27,770 --> 00:21:24,840

educated in what's happening and there's

531

00:21:30,770 --> 00:21:27,780

a lot more Consciousness raising now as

532

00:21:34,250 --> 00:21:30,780

opposed to then so you're receiving more

533

00:21:36,289 --> 00:21:34,260

information from them as a result uh the

534

00:21:37,909 --> 00:21:36,299

amount of beings that are incorporated

535

00:21:39,289 --> 00:21:37,919

into this

536

00:21:42,350 --> 00:21:39,299

um

537

00:21:45,110 --> 00:21:42,360

Paradigm of people coming to visit here

538

00:21:46,669 --> 00:21:45,120

is high a lot of them have lived on this

539

00:21:48,110 --> 00:21:46,679

planet with us for a long time they've

540

00:21:50,750 --> 00:21:48,120

interacted Among Us you just don't

541

00:21:53,029 --> 00:21:50,760

realize it uh they've had to pack up for

542

00:21:55,370 --> 00:21:53,039

a while and leave and that's an exodus

543

00:21:58,190 --> 00:21:55,380

that you can't miss and there's a lot

544

00:22:01,970 --> 00:21:58,200

more sighting because of that

545

00:22:03,669 --> 00:22:01,980

um they also have a uh deep interest in

546

00:22:06,710 --> 00:22:03,679

what's going on right now with us

547

00:22:07,850 --> 00:22:06,720

especially now so you're going to see

548

00:22:09,649 --> 00:22:07,860

more of them you're going to understand

549

00:22:11,690 --> 00:22:09,659

it

550

00:22:13,549 --> 00:22:11,700

um more people are more interested in

551

00:22:15,409 --> 00:22:13,559

love as well I mean I don't I don't

552

00:22:17,630 --> 00:22:15,419

think I don't run into one person at

553

00:22:19,490 --> 00:22:17,640

least once a week now that is absolutely

554

00:22:21,710 --> 00:22:19,500

aware of what's Happening can talk about

555

00:22:24,049 --> 00:22:21,720

it and it's educated somewhat into

556

00:22:26,270 --> 00:22:24,059

what's going on and that's I find that

557

00:22:29,570 --> 00:22:26,280

wonderful so yeah you're gonna hear

558

00:22:31,730 --> 00:22:29,580

about it way more than you used to yes

559

00:22:34,490 --> 00:22:31,740

yeah I would underline that because I

560

00:22:35,930 --> 00:22:34,500

think in the beginning uh we were really

561

00:22:38,649 --> 00:22:35,940

struggling to understand what's going on

562

00:22:41,570 --> 00:22:38,659

here the Betty and Barney Hill case

563

00:22:43,610 --> 00:22:41,580

1961 I think is when it occurred that's

564

00:22:46,310 --> 00:22:43,620

still not that long ago this is

565

00:22:47,690 --> 00:22:46,320

relatively a new phenomena I think we're

566

00:22:49,370 --> 00:22:47,700

beginning to recognize it's more than

567

00:22:52,730 --> 00:22:49,380

just being taken on board and physically

568

00:22:54,169 --> 00:22:52,740

examined all kinds of things happen you

569

00:22:54,950 --> 00:22:54,179

know there are people are putting these

570

00:22:56,750 --> 00:22:54,960

little

571

00:22:59,149 --> 00:22:56,760

pools of liquid which they can breathe

572

00:23:01,669 --> 00:22:59,159

in the liquid they're giving drinks

573

00:23:03,649 --> 00:23:01,679

Dolly mentioned uh they're healed

574

00:23:05,990 --> 00:23:03,659

they're given a tour of the craft you

575

00:23:08,149 --> 00:23:06,000

turn the engine room tall to fly the

576

00:23:10,570 --> 00:23:08,159

craft take into an observation deck all

577

00:23:13,430 --> 00:23:10,580

kinds of they're given messages warnings

578

00:23:17,690 --> 00:23:13,440

there's I think we're beginning to

579

00:23:20,149 --> 00:23:17,700

recognize just how varied contact can be

580

00:23:21,529 --> 00:23:20,159

where in the beginning we're focusing on

581

00:23:23,450 --> 00:23:21,539

really just trying to even prove this

582

00:23:25,970 --> 00:23:23,460

and there was a lot of focus on the

583

00:23:28,549 --> 00:23:25,980

fear-based aspects of it

584

00:23:30,470 --> 00:23:28,559

so I think it's been definitely an

585

00:23:32,570 --> 00:23:30,480

evolution there bar like always is our

586

00:23:33,529 --> 00:23:32,580

perception of what's going on here and

587

00:23:35,510 --> 00:23:33,539

we're really beginning to get a good

588

00:23:39,350 --> 00:23:35,520

handle on what

589

00:23:44,510 --> 00:23:42,230

Vinci you got anything

590

00:23:47,029 --> 00:23:44,520

yeah I think that it's quite possible

591

00:23:50,090 --> 00:23:47,039

that we are seeing several different

592

00:23:54,230 --> 00:23:50,100

groups with several different agendas I

593

00:23:57,590 --> 00:23:54,240

love uh Preston and and Dolly's uh

594

00:23:59,210 --> 00:23:57,600

encounter and and and how that is and I

595

00:24:02,090 --> 00:23:59,220

love the positive encounters but there

596

00:24:04,450 --> 00:24:02,100

seems to be a flip side to this too uh

597

00:24:07,570 --> 00:24:04,460

there seems to be some nefarious group

598

00:24:10,310 --> 00:24:07,580

was was it in the ET

599

00:24:13,070 --> 00:24:10,320

aces that that don't have our best

600

00:24:15,890 --> 00:24:13,080

interests and that could be in League

601
00:24:18,230 --> 00:24:15,900
with our government and they could be

602
00:24:20,330 --> 00:24:18,240
taking a lot of people that don't want

603
00:24:23,270 --> 00:24:20,340
to be taken I've talking to a lot of

604
00:24:25,310 --> 00:24:23,280
folks that it's ruined their lives

605
00:24:27,289 --> 00:24:25,320
and I would like to speak to this the

606
00:24:29,930 --> 00:24:27,299
positive stories are wonderful

607
00:24:33,649 --> 00:24:29,940
this is not true absolutely you come

608
00:24:35,169 --> 00:24:33,659
from a planet where humans have Ward

609
00:24:37,850 --> 00:24:35,179
with each other hurt each other

610
00:24:39,350 --> 00:24:37,860
decimated one another I'm very well

611
00:24:40,970 --> 00:24:39,360
aware of our history and I've seen

612
00:24:43,070 --> 00:24:40,980
things that most people today don't know

613
00:24:44,930 --> 00:24:43,080

about uh that humans are capable of

614

00:24:48,169 --> 00:24:44,940

doing to one another

615

00:24:49,850 --> 00:24:48,179

um I find it deplorable uh ET is an

616

00:24:53,990 --> 00:24:49,860

advanced race there are billions of

617

00:24:57,230 --> 00:24:54,000

years our senior they are evolved Beyond

618

00:24:58,909 --> 00:24:57,240

this action this thinking they do not do

619

00:25:01,490 --> 00:24:58,919

this they do not need your money they do

620

00:25:04,010 --> 00:25:01,500

not need your supplies your avarice your

621

00:25:06,230 --> 00:25:04,020

ego or any of that they are highly

622

00:25:09,649 --> 00:25:06,240

highly evolved beings and they would not

623

00:25:11,750 --> 00:25:09,659

could not and will not uh harm us single

624

00:25:15,230 --> 00:25:11,760

hair on anybody's head here if they can

625

00:25:18,049 --> 00:25:15,240

help it but we have egos they're so big

626

00:25:19,970 --> 00:25:18,059

we're supplementing them with our ego

627

00:25:21,470 --> 00:25:19,980

and I'll tell you something there's a

628

00:25:23,390 --> 00:25:21,480

whole group of people out there who want

629

00:25:25,610 --> 00:25:23,400

you to think that because they have

630

00:25:28,610 --> 00:25:25,620

plans for you and everybody else on this

631

00:25:30,890 --> 00:25:28,620

planet that isn't so copacetic it isn't

632

00:25:32,690 --> 00:25:30,900

so pleasant to think about

633

00:25:34,490 --> 00:25:32,700

um I would like you to so do you think

634

00:25:37,090 --> 00:25:34,500

it's the humans that are doing this to

635

00:25:40,730 --> 00:25:37,100

other humans absolutely

636

00:25:43,130 --> 00:25:40,740

started with MK Ultra mk12 all the way

637

00:25:45,169 --> 00:25:43,140

up to my lab absolutely Lynn is aware of

638

00:25:47,510 --> 00:25:45,179

it I'm aware of it Preston's aware of it

639

00:25:49,850 --> 00:25:47,520

please look it up yourself they exist

640

00:25:51,350 --> 00:25:49,860

they are harming people and making you

641

00:25:54,049 --> 00:25:51,360

believe it's ET that's doing it

642

00:25:55,610 --> 00:25:54,059

absolutely I'm very well connected with

643

00:25:57,890 --> 00:25:55,620

the military I'm very well connected

644

00:26:00,230 --> 00:25:57,900

with things that go on this planet and

645

00:26:02,750 --> 00:26:00,240

I've seen it myself it's bad

646

00:26:04,549 --> 00:26:02,760

now I know people have a hard time with

647

00:26:07,010 --> 00:26:04,559

this I'm not going to deny that there

648

00:26:09,490 --> 00:26:07,020

are scary encounters out there and it

649

00:26:12,110 --> 00:26:09,500

does traumatize people they have PTSD

650

00:26:13,789 --> 00:26:12,120

insomnia can't sleep unless the lights

651
00:26:15,830 --> 00:26:13,799
are on and all the doors are locked and

652
00:26:17,090 --> 00:26:15,840
they're double checking those locks

653
00:26:19,070 --> 00:26:17,100
but I have to tell you having

654
00:26:22,190 --> 00:26:19,080
interviewed a lot of people the very

655
00:26:24,950 --> 00:26:22,200
worst I hear in terms of these guys hurt

656
00:26:28,149 --> 00:26:24,960
me was the is the physical examination

657
00:26:31,190 --> 00:26:28,159
and this can be very scary for people

658
00:26:33,649 --> 00:26:31,200
and occasionally there is pain involved

659
00:26:35,570 --> 00:26:33,659
in some of these procedures almost every

660
00:26:37,310 --> 00:26:35,580
time but the people I've interviewed if

661
00:26:39,169 --> 00:26:37,320
they express I'm feeling pain the ETS

662
00:26:42,110 --> 00:26:39,179
will relieve it

663
00:26:44,690 --> 00:26:42,120

uh but yeah I don't have any accounts

664

00:26:47,750 --> 00:26:44,700

what I would call outright sadism or

665

00:26:50,750 --> 00:26:47,760

et's intentionally causing fear or pain

666

00:26:53,149 --> 00:26:50,760

or trying to torture people or anything

667

00:26:55,250 --> 00:26:53,159

like that but I'm not going to deny that

668

00:26:58,789 --> 00:26:55,260

some people absolutely do not like this

669

00:27:01,070 --> 00:26:58,799

right and wish it never happened

670

00:27:04,490 --> 00:27:01,080

and uh I feel like they did not choose

671

00:27:06,529 --> 00:27:04,500

this and just plain old don't like it

672

00:27:07,789 --> 00:27:06,539

it's very very scary for them I

673

00:27:10,370 --> 00:27:07,799

understand that

674

00:27:12,110 --> 00:27:10,380

but the first thing the et's will tell

675

00:27:15,049 --> 00:27:12,120

you when they come into your room is

676
00:27:16,490 --> 00:27:15,059
Don't Be Afraid have no fear no harm

677
00:27:18,409 --> 00:27:16,500
will come to you

678
00:27:20,450 --> 00:27:18,419
and if you look at what actually happens

679
00:27:21,169 --> 00:27:20,460
objectively when people are taken on

680
00:27:24,289 --> 00:27:21,179
board

681
00:27:26,990 --> 00:27:24,299
I don't think it supports a negative

682
00:27:30,409 --> 00:27:27,000
ET scenario I don't think they're here

683
00:27:32,990 --> 00:27:30,419
to take over or hurt people or you know

684
00:27:35,090 --> 00:27:33,000
do nefarious activities yes they do want

685
00:27:36,830 --> 00:27:35,100
genetic material and this can be

686
00:27:38,330 --> 00:27:36,840
upsetting for people with the missing

687
00:27:40,430 --> 00:27:38,340
fetus syndrome

688
00:27:43,549 --> 00:27:40,440

but most of the contactes I've talked to

689

00:27:46,610 --> 00:27:43,559

who have repeated contact often get over

690

00:27:48,529 --> 00:27:46,620

this intense fear and realize that the

691

00:27:50,390 --> 00:27:48,539

et's are not there to hurt them they've

692

00:27:52,570 --> 00:27:50,400

been healed they've gotten enormous

693

00:27:56,149 --> 00:27:52,580

amounts of spiritual information

694

00:27:58,730 --> 00:27:56,159

to a level Spiritual Enlightenment from

695

00:28:02,269 --> 00:27:58,740

this by that I mean psychic abilities

696

00:28:03,710 --> 00:28:02,279

often manifest among contactees really

697

00:28:05,210 --> 00:28:03,720

profound ones

698

00:28:06,830 --> 00:28:05,220

I know some people have negative

699

00:28:09,890 --> 00:28:06,840

experiences my heart goes out to them

700

00:28:11,990 --> 00:28:09,900

and the my labs are a real problem and

701
00:28:12,710 --> 00:28:12,000
that's part of this disinformation as

702
00:28:17,510 --> 00:28:12,720
well

703
00:28:20,510 --> 00:28:17,520
labs um

704
00:28:22,730 --> 00:28:20,520
the uh let's see Dave McGuinness I asked

705
00:28:25,549 --> 00:28:22,740
uh do any of the guests have thoughts on

706
00:28:28,490 --> 00:28:25,559
my lab experiences

707
00:28:31,970 --> 00:28:28,500
I do and it's not good I'm very upset

708
00:28:35,210 --> 00:28:31,980
that our own tax dollars are being put

709
00:28:38,090 --> 00:28:35,220
you know to this and made to put forth a

710
00:28:40,010 --> 00:28:38,100
false ET threat narrative we have to

711
00:28:42,470 --> 00:28:40,020
remember ETS have been around a very

712
00:28:44,630 --> 00:28:42,480
long time they're not here to take over

713
00:28:46,010 --> 00:28:44,640

it's our government that we have to

714

00:28:48,529 --> 00:28:46,020

worry about if you look at the history

715

00:28:51,289 --> 00:28:48,539

of our governments it's not good and

716

00:28:54,529 --> 00:28:51,299

it's not just in this field in your

717

00:28:57,110 --> 00:28:54,539

field the history is heinous but in many

718

00:28:59,029 --> 00:28:57,120

different fields they have treated the

719

00:29:01,370 --> 00:28:59,039

populace very poorly

720

00:29:03,409 --> 00:29:01,380

them I'm worried about not so much the

721

00:29:06,289 --> 00:29:03,419

ETS

722

00:29:08,450 --> 00:29:06,299

yeah yeah I was going to say Lynn what

723

00:29:10,850 --> 00:29:08,460

are your thoughts on that

724

00:29:13,070 --> 00:29:10,860

well

725

00:29:14,690 --> 00:29:13,080

author experiences I definitely have

726

00:29:18,769 --> 00:29:14,700

hope

727

00:29:20,690 --> 00:29:18,779

um so I I agree with Preston uh and I

728

00:29:23,630 --> 00:29:20,700

agree with Dolly um with everything

729

00:29:26,269 --> 00:29:23,640

they've been saying now granted I I do

730

00:29:28,730 --> 00:29:26,279

agree um just to kind of to go back just

731

00:29:30,529 --> 00:29:28,740

a tad uh where Preston said something

732

00:29:31,190 --> 00:29:30,539

that was really really

733

00:29:33,529 --> 00:29:31,200

um

734

00:29:35,690 --> 00:29:33,539

pertinent which is it's the person's

735

00:29:38,450 --> 00:29:35,700

perception of their experience that

736

00:29:39,830 --> 00:29:38,460

leads to the fear of what they believe

737

00:29:41,750 --> 00:29:39,840

happened

738

00:29:44,210 --> 00:29:41,760

um Time After Time people that I worked

739

00:29:46,130 --> 00:29:44,220

with over time the more understanding

740

00:29:48,529 --> 00:29:46,140

that they've had the more experiences

741

00:29:50,510 --> 00:29:48,539

they've had where they've maybe tried to

742

00:29:52,669 --> 00:29:50,520

like calm themselves in the moment and

743

00:29:54,710 --> 00:29:52,679

understand it a little bit better their

744

00:29:57,289 --> 00:29:54,720

perception of those experiences does

745

00:30:00,230 --> 00:29:57,299

inevitably change almost 100 percent of

746

00:30:03,470 --> 00:30:00,240

the time but having said that my lab

747

00:30:05,029 --> 00:30:03,480

experiences yes I I think it's the

748

00:30:06,409 --> 00:30:05,039

government but I'll actually go one step

749

00:30:08,870 --> 00:30:06,419

further I think the government is

750

00:30:10,669 --> 00:30:08,880

actually more of a puppet I think it is

751
00:30:13,070 --> 00:30:10,679
like Eisenhower said Beware the

752
00:30:14,690 --> 00:30:13,080
military-industrial complex absolutely I

753
00:30:17,090 --> 00:30:14,700
think it is the military

754
00:30:20,330 --> 00:30:17,100
corporations I think that is who is

755
00:30:21,889 --> 00:30:20,340
running it like things behind the scenes

756
00:30:23,990 --> 00:30:21,899
um so

757
00:30:26,570 --> 00:30:24,000
yes not so great

758
00:30:29,029 --> 00:30:26,580
um have had experiences of that myself I

759
00:30:31,789 --> 00:30:29,039
know Dolly has as well so they are very

760
00:30:33,649 --> 00:30:31,799
real and um it is a difficult one for

761
00:30:36,409 --> 00:30:33,659
people to swallow I understand that you

762
00:30:37,549 --> 00:30:36,419
don't want to think that you know humans

763
00:30:39,230 --> 00:30:37,559

are doing this to each other but as

764

00:30:40,970 --> 00:30:39,240

Dolly said we've done horrible things to

765

00:30:43,909 --> 00:30:40,980

each other for thousands and thousands

766

00:30:48,470 --> 00:30:43,919

of years so unfortunately we haven't

767

00:30:54,470 --> 00:30:51,049

okay

768

00:30:56,649 --> 00:30:54,480

uh we do have another question here uh P

769

00:30:59,510 --> 00:30:56,659

says do you know anything about

770

00:31:00,590 --> 00:30:59,520

reptilians any personal experiences with

771

00:31:03,070 --> 00:31:00,600

them

772

00:31:05,810 --> 00:31:03,080

I have a personal experience and okay

773

00:31:06,710 --> 00:31:05,820

learned from it

774

00:31:08,570 --> 00:31:06,720

um

775

00:31:10,010 --> 00:31:08,580

when I was a teenager I used to go out

776

00:31:12,110 --> 00:31:10,020

in the Glades and I used to dig up

777

00:31:14,750 --> 00:31:12,120

Indian burial mounds

778

00:31:16,250 --> 00:31:14,760

I used to collect things and uh let the

779

00:31:18,649 --> 00:31:16,260

museum know I had them and sometimes

780

00:31:20,930 --> 00:31:18,659

they let me keep certain things

781

00:31:23,990 --> 00:31:20,940

um I had a canoe and a tent and you know

782

00:31:25,370 --> 00:31:24,000

a campfire starter and everything and I

783

00:31:28,370 --> 00:31:25,380

would just go out under these mountains

784

00:31:30,169 --> 00:31:28,380

and The Glades and um I was packing down

785

00:31:33,409 --> 00:31:30,179

it was a long weekend for me and I was

786

00:31:35,570 --> 00:31:33,419

getting ready to go my canoe was two

787

00:31:38,810 --> 00:31:35,580

Mounds were together but there was uh

788

00:31:40,549 --> 00:31:38,820

water and Sawgrass between them and uh I

789

00:31:43,070 --> 00:31:40,559

was getting ready to you know take my

790

00:31:45,350 --> 00:31:43,080

pack and float it over to my canoe and

791

00:31:47,330 --> 00:31:45,360

there on the back of my neck went off

792

00:31:49,010 --> 00:31:47,340

and I felt something behind me and I

793

00:31:52,130 --> 00:31:49,020

looked over my right shoulder and there

794

00:31:55,730 --> 00:31:52,140

it stood right in front of me uh showing

795

00:31:57,409 --> 00:31:55,740

its teeth and I thought oh no and I just

796

00:32:00,049 --> 00:31:57,419

I didn't even think too much about it it

797

00:32:01,669 --> 00:32:00,059

had lunch on its mind and I ran the

798

00:32:04,250 --> 00:32:01,679

fastest I've ever run in my entire life

799

00:32:06,590 --> 00:32:04,260

straight into Sawgrass water didn't care

800

00:32:08,269 --> 00:32:06,600

chewed me up got to my boat didn't even

801
00:32:10,970 --> 00:32:08,279
climb in the boat I kept pushing the

802
00:32:12,889 --> 00:32:10,980
boat along get out get out get out

803
00:32:14,690 --> 00:32:12,899
um got away from it I was very lucky I

804
00:32:17,029 --> 00:32:14,700
thought about it for a long time that it

805
00:32:22,070 --> 00:32:17,039
let me get away it had to have

806
00:32:24,470 --> 00:32:22,080
years went by and I my contacts uh

807
00:32:26,149 --> 00:32:24,480
knew that I was very upset about it and

808
00:32:29,029 --> 00:32:26,159
I couldn't help myself I'd talk about it

809
00:32:30,830 --> 00:32:29,039
frequently these guys are not okay and I

810
00:32:33,049 --> 00:32:30,840
got talked to about it and basically

811
00:32:34,789 --> 00:32:33,059
this what I learned from my contacts is

812
00:32:38,690 --> 00:32:34,799
this

813
00:32:40,610 --> 00:32:38,700

have been from the very beginning they

814

00:32:43,669 --> 00:32:40,620

they've been here since the dinosaurs

815

00:32:47,990 --> 00:32:43,679

they didn't did not die from the impacts

816

00:32:50,029 --> 00:32:48,000

from the Sun uh micronova and uh they

817

00:32:52,610 --> 00:32:50,039

survived they belong here they are part

818

00:32:54,590 --> 00:32:52,620

of this place they're very good at

819

00:32:56,210 --> 00:32:54,600

hiding they're very good at staying on

820

00:32:59,090 --> 00:32:56,220

their own they come up every now and

821

00:33:00,889 --> 00:32:59,100

then I have not heard you'd have to

822

00:33:02,450 --> 00:33:00,899

prove to me they've eaten anybody I mean

823

00:33:05,029 --> 00:33:02,460

it thought about eat me it was hungry

824

00:33:08,149 --> 00:33:05,039

okay but it let me go

825

00:33:09,649 --> 00:33:08,159

um I respect their existence I expect I

826

00:33:12,529 --> 00:33:09,659

respect the fact that they're evolving

827

00:33:15,230 --> 00:33:12,539

also I know they're psychic because I

828

00:33:17,029 --> 00:33:15,240

could read its mind I did get lunch from

829

00:33:20,330 --> 00:33:17,039

it okay

830

00:33:22,250 --> 00:33:20,340

um I was taught by the tall Grays and by

831

00:33:24,769 --> 00:33:22,260

talada who's a fifth dimensional being

832

00:33:27,470 --> 00:33:24,779

just let them be you know they're okay

833

00:33:29,630 --> 00:33:27,480

just respect them and they'll you know

834

00:33:31,250 --> 00:33:29,640

stay away from you too they living out

835

00:33:34,310 --> 00:33:31,260

their lives here this is their Planet

836

00:33:36,289 --> 00:33:34,320

not ours we did not originate here they

837

00:33:38,029 --> 00:33:36,299

did and that's what I was taught about

838

00:33:39,830 --> 00:33:38,039

now

839

00:33:41,450 --> 00:33:39,840

I've also had

840

00:33:43,370 --> 00:33:41,460

um quite a few experiences actually most

841

00:33:45,830 --> 00:33:43,380

of my experiences that I remember are

842

00:33:48,289 --> 00:33:45,840

with reptilians um I do agree with dolly

843

00:33:49,310 --> 00:33:48,299

that there are reptilians on this planet

844

00:33:50,810 --> 00:33:49,320

um but I do believe there are also

845

00:33:52,970 --> 00:33:50,820

reptilians from other places I mean it's

846

00:33:54,470 --> 00:33:52,980

a big universe everybody like there's

847

00:33:55,909 --> 00:33:54,480

all kinds of different beings all over

848

00:33:57,470 --> 00:33:55,919

the place right

849

00:33:59,210 --> 00:33:57,480

um the ones that I've had experiences

850

00:34:01,190 --> 00:33:59,220

with I believe are from a different

851

00:34:02,630 --> 00:34:01,200

planet but it is also possible that

852

00:34:05,990 --> 00:34:02,640

somewhere from here

853

00:34:08,510 --> 00:34:06,000

um most of mine were in the capacity of

854

00:34:12,290 --> 00:34:08,520

um not even my lab secret space program

855

00:34:13,970 --> 00:34:12,300

type situations really is where I worked

856

00:34:15,889 --> 00:34:13,980

with them I actually quite like the

857

00:34:18,589 --> 00:34:15,899

reptilians I have no problems with them

858

00:34:21,349 --> 00:34:18,599

I've never had any issues with them

859

00:34:24,230 --> 00:34:21,359

um you know I think oftentimes too they

860

00:34:25,909 --> 00:34:24,240

they look very scary right it's a giant

861

00:34:29,149 --> 00:34:25,919

lizard coming at you with giant teeth

862

00:34:32,149 --> 00:34:29,159

and they're gonna look very scary to you

863

00:34:33,770 --> 00:34:32,159

um and and they're individual beings as

864

00:34:35,149 --> 00:34:33,780

are all of them like they're individual

865

00:34:37,369 --> 00:34:35,159

beings right so they're all going to

866

00:34:39,349 --> 00:34:37,379

have kind of not their own agendas but

867

00:34:41,149 --> 00:34:39,359

their own personality is just like we do

868

00:34:41,869 --> 00:34:41,159

to a certain extent

869

00:34:43,609 --> 00:34:41,879

um

870

00:34:46,129 --> 00:34:43,619

but yeah I actually quite like The

871

00:34:49,490 --> 00:34:46,139

Reptilian so I don't have a negative

872

00:34:50,869 --> 00:34:49,500

perception of the reptilians myself but

873

00:34:52,190 --> 00:34:50,879

it's a big like I said it's a big

874

00:34:53,690 --> 00:34:52,200

universe a bunch of different kinds out

875

00:34:55,730 --> 00:34:53,700

there so

876

00:34:57,650 --> 00:34:55,740

yeah I don't get many reptilian

877

00:34:59,450 --> 00:34:57,660

encounters I have to tell you talking to

878

00:35:02,270 --> 00:34:59,460

a lot of people it's mostly Grays some

879

00:35:04,970 --> 00:35:02,280

variation of Grays praying mantis human

880

00:35:08,089 --> 00:35:04,980

looking et's small blue beings light

881

00:35:11,990 --> 00:35:08,099

beings tall whites strange humanoids of

882

00:35:14,750 --> 00:35:12,000

all kinds and a couple of uh reptilians

883

00:35:16,970 --> 00:35:14,760

here and there of a few that I have did

884

00:35:18,530 --> 00:35:16,980

not involve UFOs so I think that they

885

00:35:19,370 --> 00:35:18,540

would pertain to what dolly is saying

886

00:35:20,530 --> 00:35:19,380

that

887

00:35:23,150 --> 00:35:20,540

uh

888

00:35:24,890 --> 00:35:23,160

they're perhaps not extraterrestrial so

889

00:35:27,470 --> 00:35:24,900

much as that new term we're hearing

890

00:35:29,510 --> 00:35:27,480

crypto terrestrials I think it's kind of

891

00:35:31,430 --> 00:35:29,520

intriguing I did talk to a lady named

892

00:35:33,950 --> 00:35:31,440

Pamela who said that her reptilian

893

00:35:37,569 --> 00:35:33,960

encounter was great she had an Amorous

894

00:35:40,670 --> 00:35:37,579

an intimate relationship which one yeah

895

00:35:42,890 --> 00:35:40,680

I've heard a few of those

896

00:35:45,050 --> 00:35:42,900

I promised and I know Barbara lamb you

897

00:35:46,670 --> 00:35:45,060

know who's well known said she had a

898

00:35:48,230 --> 00:35:46,680

face-to-face encounter with one and

899

00:35:50,810 --> 00:35:48,240

shook its hand and it was very friendly

900

00:35:53,329 --> 00:35:50,820

yeah uh so I think yeah they're probably

901
00:35:56,210 --> 00:35:53,339
people to a certain extension like us

902
00:35:58,370 --> 00:35:56,220
but I do have a lot of questions I know

903
00:35:59,930 --> 00:35:58,380
John Rhodes I think that's his name is a

904
00:36:03,170 --> 00:35:59,940
research who really focused on this but

905
00:36:04,609 --> 00:36:03,180
I honestly have so few cases I'm not I

906
00:36:08,210 --> 00:36:04,619
don't feel qualified to speak too much

907
00:36:12,109 --> 00:36:09,710
and very

908
00:36:15,109 --> 00:36:12,119
it's interesting you mentioned

909
00:36:17,210 --> 00:36:15,119
um The Reptilian cases that are

910
00:36:20,690 --> 00:36:17,220
important that you received had nothing

911
00:36:23,569 --> 00:36:20,700
to do with any type of craft and uh yeah

912
00:36:27,470 --> 00:36:23,579
everyone that I have received

913
00:36:30,109 --> 00:36:27,480

uh has something to do with either them

914

00:36:33,770 --> 00:36:30,119

entering some portals into a room or

915

00:36:36,230 --> 00:36:33,780

into another location and not

916

00:36:38,990 --> 00:36:36,240

uh and not having any type of craft

917

00:36:43,069 --> 00:36:41,089

some work with the military that's why

918

00:36:45,050 --> 00:36:43,079

you don't see because they are working

919

00:36:47,329 --> 00:36:45,060

with our our military whether they are

920

00:36:50,450 --> 00:36:47,339

familiar or from somewhere else I can't

921

00:36:51,550 --> 00:36:50,460

really say I'm I'm not 100

922

00:36:54,829 --> 00:36:51,560

um but

923

00:36:56,270 --> 00:36:54,839

uh the majority people have asked me you

924

00:36:57,410 --> 00:36:56,280

know in the secret space program and

925

00:36:59,390 --> 00:36:57,420

Dolly you may have had different

926

00:37:01,609 --> 00:36:59,400

experiences but for me like they say

927

00:37:03,290 --> 00:37:01,619

what types of beings did you see and

928

00:37:05,329 --> 00:37:03,300

majority of the ones that I worked with

929

00:37:06,410 --> 00:37:05,339

were reptilians

930

00:37:09,349 --> 00:37:06,420

um

931

00:37:12,829 --> 00:37:09,359

so but that maybe was just where I was

932

00:37:14,329 --> 00:37:12,839

at again it's a big program sure people

933

00:37:16,190 --> 00:37:14,339

have a really difficult time with it but

934

00:37:19,370 --> 00:37:16,200

it is immense

935

00:37:21,589 --> 00:37:19,380

um in lots of different facets to it but

936

00:37:24,589 --> 00:37:21,599

yeah well we did have a question from

937

00:37:26,870 --> 00:37:24,599

space cadet Lottie who asked uh to ask

938

00:37:28,370 --> 00:37:26,880

Dolly I'm gonna ask all of you your

939

00:37:33,550 --> 00:37:28,380

opinion the secret space program

940

00:37:37,310 --> 00:37:36,050

everybody's quiet

941

00:37:41,210 --> 00:37:37,320

um

942

00:37:42,770 --> 00:37:41,220

I have no knowledge of the secret space

943

00:37:44,810 --> 00:37:42,780

program whatsoever

944

00:37:48,710 --> 00:37:44,820

and there are a few things that are said

945

00:37:49,730 --> 00:37:48,720

about it give me pause okay because

946

00:37:52,490 --> 00:37:49,740

um there are some things that I

947

00:37:56,630 --> 00:37:52,500

absolutely know scientifically

948

00:37:59,150 --> 00:37:56,640

um and it it interrupts the uh rhetoric

949

00:38:00,770 --> 00:37:59,160

of the program itself and I'm going to

950

00:38:03,470 --> 00:38:00,780

speak to the one that I absolutely know

951
00:38:04,370 --> 00:38:03,480
and that is that Mars is not a viable

952
00:38:08,030 --> 00:38:04,380
planet

953
00:38:11,390 --> 00:38:08,040
is outgassing it was destroyed it has no

954
00:38:13,490 --> 00:38:11,400
core it has no magnetosphere and it's

955
00:38:15,349 --> 00:38:13,500
hit with full-on gamma radiation from

956
00:38:17,510 --> 00:38:15,359
the entire universe you wouldn't

957
00:38:19,430 --> 00:38:17,520
physically last there five minutes no

958
00:38:21,230 --> 00:38:19,440
biological being would last Summer's

959
00:38:23,870 --> 00:38:21,240
five minutes there is no protection

960
00:38:25,970 --> 00:38:23,880
there's no inside nothing this is a

961
00:38:29,270 --> 00:38:25,980
planet that blew off the entire outside

962
00:38:32,210 --> 00:38:29,280
of its surface it is twice as small as

963
00:38:34,430 --> 00:38:32,220

it used to be and it is outgassing it is

964

00:38:36,950 --> 00:38:34,440

crushing in upon itself it is a dead

965

00:38:38,990 --> 00:38:36,960

Planet I've seen it I've been there I've

966

00:38:42,710 --> 00:38:39,000

circled it and I've been educated in it

967

00:38:45,050 --> 00:38:42,720

you ask any astronomer any scientist on

968

00:38:47,690 --> 00:38:45,060

this planet and they will agree 100 with

969

00:38:50,150 --> 00:38:47,700

me it is a dead Planet it cannot support

970

00:38:53,030 --> 00:38:50,160

life there is no terraforming the fact

971

00:38:54,710 --> 00:38:53,040

that Elon must talk about it amazed me

972

00:38:56,690 --> 00:38:54,720

because I thought man this guy's either

973

00:38:58,790 --> 00:38:56,700

completely cracked out of his mind or

974

00:39:01,010 --> 00:38:58,800

he's just using the thought of it to

975

00:39:04,310 --> 00:39:01,020

help him Finance what he really wants to

976

00:39:07,010 --> 00:39:04,320

do and that is create Ai and AI for

977

00:39:08,990 --> 00:39:07,020

humans and Chip your brain you needed

978

00:39:11,810 --> 00:39:09,000

funding for that and he's almost at it

979

00:39:12,410 --> 00:39:11,820

now he's about to put it into your head

980

00:39:14,510 --> 00:39:12,420

um

981

00:39:17,030 --> 00:39:14,520

so that's my only

982

00:39:19,310 --> 00:39:17,040

thing I'm gonna say about it because I

983

00:39:21,290 --> 00:39:19,320

can't talk to what everybody else knows

984

00:39:23,930 --> 00:39:21,300

I mean everybody has their perspective

985

00:39:27,109 --> 00:39:23,940

and everybody has their experiences so I

986

00:39:29,270 --> 00:39:27,119

will respect those and I but I will tell

987

00:39:30,829 --> 00:39:29,280

you that there is nobody on Mars period

988

00:39:33,349 --> 00:39:30,839

the end not

989

00:39:37,089 --> 00:39:33,359

nope well I will say I don't want a chip

990

00:39:40,790 --> 00:39:37,099

in my head just going to start with that

991

00:39:43,910 --> 00:39:40,800

as far as I mean there's no there's no

992

00:39:45,109 --> 00:39:43,920

question that our governments or as Lynn

993

00:39:47,030 --> 00:39:45,119

pointed out not even our governments

994

00:39:48,170 --> 00:39:47,040

this military-industrial complex highest

995

00:39:51,290 --> 00:39:48,180

levels of the military the one

996

00:39:54,109 --> 00:39:51,300

percenters the cabal

997

00:39:56,150 --> 00:39:54,119

no question that they have some of this

998

00:39:58,849 --> 00:39:56,160

technology and are reverse engineering

999

00:40:01,790 --> 00:39:58,859

it and our building craft that to some

1000

00:40:04,550 --> 00:40:01,800

degree mimic UFOs

1001
00:40:06,730 --> 00:40:04,560
so I think there's some truth to what's

1002
00:40:09,530 --> 00:40:06,740
going on I'm not so sure that they're

1003
00:40:11,270 --> 00:40:09,540
traveling to other planets or not

1004
00:40:14,630 --> 00:40:11,280
certainly looked at the books like

1005
00:40:17,390 --> 00:40:14,640
project Serpa which claims that I don't

1006
00:40:19,849 --> 00:40:17,400
know that that's true I've looked at the

1007
00:40:21,050 --> 00:40:19,859
stuff from Gary McKinnon which I wonder

1008
00:40:23,329 --> 00:40:21,060
about

1009
00:40:25,550 --> 00:40:23,339
but I don't know that I personally have

1010
00:40:28,190 --> 00:40:25,560
any good information of an actual secret

1011
00:40:31,010 --> 00:40:28,200
space program other than that we are

1012
00:40:33,530 --> 00:40:31,020
absolutely have our hands on this

1013
00:40:36,109 --> 00:40:33,540

technology and are using it to create

1014

00:40:38,450 --> 00:40:36,119

craft that do have anti-gravity there's

1015

00:40:41,150 --> 00:40:38,460

no doubt in my mind of that how far it's

1016

00:40:43,370 --> 00:40:41,160

gone into space I don't know

1017

00:40:45,230 --> 00:40:43,380

they they can't I'm going to tell you

1018

00:40:47,450 --> 00:40:45,240

about how E.T operates a little bit

1019

00:40:50,630 --> 00:40:47,460

maybe this will help you

1020

00:40:53,630 --> 00:40:50,640

um E.T craft are half biological and

1021

00:40:55,370 --> 00:40:53,640

half driven psychically uh they're

1022

00:40:57,710 --> 00:40:55,380

indwelt every single one of them are

1023

00:40:59,450 --> 00:40:57,720

biological entity and uh in themselves

1024

00:41:01,670 --> 00:40:59,460

in other words it's a body that's

1025

00:41:04,849 --> 00:41:01,680

provided to an entity they can indwell

1026
00:41:06,950 --> 00:41:04,859
it they are so far Advanced of us

1027
00:41:09,290 --> 00:41:06,960
they're fifth dimensional non-corporeal

1028
00:41:11,329 --> 00:41:09,300
beings their intelligence is required to

1029
00:41:13,370 --> 00:41:11,339
run those craft because what they do

1030
00:41:15,410 --> 00:41:13,380
with light supersedes anything you'll

1031
00:41:17,450 --> 00:41:15,420
ever figure out in your lifetime you're

1032
00:41:19,670 --> 00:41:17,460
no one no one here isn't anywhere close

1033
00:41:20,569 --> 00:41:19,680
to what it is

1034
00:41:23,690 --> 00:41:20,579
um

1035
00:41:26,870 --> 00:41:23,700
the amount of power it takes to run that

1036
00:41:29,270 --> 00:41:26,880
craft is incredibly high and there is no

1037
00:41:32,210 --> 00:41:29,280
Source here that they have generated or

1038
00:41:34,430 --> 00:41:32,220

can even come close to producing the two

1039

00:41:37,609 --> 00:41:34,440

Fields gravitational fields they're

1040

00:41:40,430 --> 00:41:37,619

called graviton fields around the craft

1041

00:41:41,990 --> 00:41:40,440

to take it into outer space they can fly

1042

00:41:43,970 --> 00:41:42,000

in our space because they can stay

1043

00:41:45,770 --> 00:41:43,980

pressurized here that's the only reason

1044

00:41:48,050 --> 00:41:45,780

they can fly in our skies like that

1045

00:41:50,210 --> 00:41:48,060

anti-graph and they do have anti-graph

1046

00:41:51,650 --> 00:41:50,220

but beyond that they do not have those

1047

00:41:54,050 --> 00:41:51,660

capabilities

1048

00:41:57,710 --> 00:41:54,060

ET does not travel by speed they travel

1049

00:42:00,829 --> 00:41:57,720

by light when they transfer from here to

1050

00:42:02,930 --> 00:42:00,839

some other points in the Galaxy or the

1051
00:42:04,250 --> 00:42:02,940
universe they travel through a light

1052
00:42:06,530 --> 00:42:04,260
gate

1053
00:42:08,569 --> 00:42:06,540
that takes an incredible amount of power

1054
00:42:11,690 --> 00:42:08,579
that's why they love our electricity so

1055
00:42:13,849 --> 00:42:11,700
much because they do not fully power how

1056
00:42:16,609 --> 00:42:13,859
they power outside our magnetosphere

1057
00:42:18,589 --> 00:42:16,619
they come in on battery power to protect

1058
00:42:20,870 --> 00:42:18,599
us from them because we would outright

1059
00:42:22,490 --> 00:42:20,880
die in their presence anywhere near

1060
00:42:24,410 --> 00:42:22,500
their Craft

1061
00:42:26,750 --> 00:42:24,420
um they love our power lines they the

1062
00:42:29,390 --> 00:42:26,760
pyramids were made to generate power for

1063
00:42:31,910 --> 00:42:29,400

them uh there's a million ways to make a

1064

00:42:33,410 --> 00:42:31,920

battery and they knew it our ancestors

1065

00:42:36,050 --> 00:42:33,420

knew it they were taught by them how to

1066

00:42:41,050 --> 00:42:36,060

do it and it is obvious and it is

1067

00:42:44,930 --> 00:42:41,060

absolute science proven uh every every

1068

00:42:47,690 --> 00:42:44,940

ancient civilization points toward that

1069

00:42:49,550 --> 00:42:47,700

they've pointed with their pyramids and

1070

00:42:51,650 --> 00:42:49,560

every astronomical calculation that they

1071

00:42:54,050 --> 00:42:51,660

landed on the ground in their buildings

1072

00:42:55,970 --> 00:42:54,060

to show you where they're from there's

1073

00:42:57,530 --> 00:42:55,980

no way in your lifetime you could have

1074

00:43:00,230 --> 00:42:57,540

made it to any one of those points in

1075

00:43:03,470 --> 00:43:00,240

this in the sky they travel through a

1076

00:43:05,150 --> 00:43:03,480

light gate it is done psychically there

1077

00:43:07,490 --> 00:43:05,160

are no calculations since there are no

1078

00:43:09,470 --> 00:43:07,500

computers on board it's all intelligence

1079

00:43:11,930 --> 00:43:09,480

and psychic ability that takes you there

1080

00:43:13,790 --> 00:43:11,940

we do not have that ability yet I will

1081

00:43:15,530 --> 00:43:13,800

tell you that Elon Musk has been working

1082

00:43:17,870 --> 00:43:15,540

for years and I know programmers

1083

00:43:19,970 --> 00:43:17,880

personally programmers who work for him

1084

00:43:22,190 --> 00:43:19,980

who have been developing this for the

1085

00:43:24,349 --> 00:43:22,200

last 40 years and that is AI that can

1086

00:43:25,970 --> 00:43:24,359

hear you psychically

1087

00:43:28,490 --> 00:43:25,980

you know if you don't believe you can be

1088

00:43:31,730 --> 00:43:28,500

psychic understand that they figured out

1089

00:43:34,670 --> 00:43:31,740

how to make psychic Machinery now from

1090

00:43:38,390 --> 00:43:34,680

back in engineering because it takes

1091

00:43:39,710 --> 00:43:38,400

some of that to develop their AI so that

1092

00:43:42,349 --> 00:43:39,720

they can communicate with them and

1093

00:43:43,010 --> 00:43:42,359

that's the technology they picked off

1094

00:43:45,109 --> 00:43:43,020

um

1095

00:43:48,290 --> 00:43:45,119

it goes on and on and on and on and on

1096

00:43:50,990 --> 00:43:48,300

there's no way that they can go past

1097

00:43:54,109 --> 00:43:51,000

mimicking only in our Stratosphere our

1098

00:43:56,870 --> 00:43:54,119

atmosphere the technology

1099

00:43:58,849 --> 00:43:56,880

ET is not here right now and they're

1100

00:44:00,710 --> 00:43:58,859

working with impunity if you want to

1101

00:44:02,930 --> 00:44:00,720

know that my lab is off the dot it is

1102

00:44:04,490 --> 00:44:02,940

because they know that ET is not

1103

00:44:07,309 --> 00:44:04,500

interacting with us right now they had

1104

00:44:09,650 --> 00:44:07,319

to move out because our magnetosphere is

1105

00:44:11,630 --> 00:44:09,660

down 40 percent our poles are changing

1106

00:44:14,329 --> 00:44:11,640

and they've had to vacate for a while

1107

00:44:16,309 --> 00:44:14,339

because they fly our magnetic field

1108

00:44:17,930 --> 00:44:16,319

lines and they are jumbled up and

1109

00:44:19,970 --> 00:44:17,940

dangerous and they keep crashing they

1110

00:44:23,210 --> 00:44:19,980

have been crashing for some time for 80

1111

00:44:26,809 --> 00:44:23,220

years off and on because of it

1112

00:44:28,370 --> 00:44:26,819

um we need to wake up to the truth and

1113

00:44:30,290 --> 00:44:28,380

the people on this planet Are Not

1114

00:44:33,050 --> 00:44:30,300

educated to understand this but Bob

1115

00:44:34,910 --> 00:44:33,060

Lazar knows this he's tried to speak to

1116

00:44:36,470 --> 00:44:34,920

it as well he's opened his mouth and

1117

00:44:39,050 --> 00:44:36,480

explained the technology to everybody

1118

00:44:40,790 --> 00:44:39,060

and yet they tried to you know ruin his

1119

00:44:44,150 --> 00:44:40,800

life take away all his education and

1120

00:44:46,490 --> 00:44:44,160

everything you know this this mental

1121

00:44:49,370 --> 00:44:46,500

respect for anything the man knows or

1122

00:44:51,069 --> 00:44:49,380

can talk to make him look out to be a

1123

00:44:54,829 --> 00:44:51,079

liar and he's telling the absolute truth

1124

00:44:56,809 --> 00:44:54,839

absolute truth we need to educate

1125

00:44:58,730 --> 00:44:56,819

ourselves we need to understand more

1126
00:45:00,170 --> 00:44:58,740
than the government or the government is

1127
00:45:02,510 --> 00:45:00,180
LIN says because you that right about

1128
00:45:04,309 --> 00:45:02,520
that they're puppets walking around in

1129
00:45:06,770 --> 00:45:04,319
front of us and they have no clue what's

1130
00:45:08,930 --> 00:45:06,780
going on behind the scenes none it is a

1131
00:45:10,790 --> 00:45:08,940
worldwide effort in

1132
00:45:13,550 --> 00:45:10,800
we just need to educate ourselves in

1133
00:45:15,770 --> 00:45:13,560
what technology is what science is

1134
00:45:19,130 --> 00:45:15,780
what's really capable or not capable in

1135
00:45:21,050 --> 00:45:19,140
the universe and you know we need to

1136
00:45:22,550 --> 00:45:21,060
push for that real quick

1137
00:45:26,210 --> 00:45:22,560
real quick

1138
00:45:28,910 --> 00:45:26,220

DF ask a question uh what are the people

1139

00:45:32,770 --> 00:45:28,920

on earth going to be informed and what

1140

00:45:35,450 --> 00:45:32,780

of or why uh when will the truth be

1141

00:45:37,910 --> 00:45:35,460

revealed in a grand scale I mean is that

1142

00:45:39,770 --> 00:45:37,920

ever going to happen no not according to

1143

00:45:41,450 --> 00:45:39,780

the all governments no way they have

1144

00:45:43,329 --> 00:45:41,460

plans for you and it does not mean

1145

00:45:46,730 --> 00:45:43,339

telling you the truth about anything

1146

00:45:48,589 --> 00:45:46,740

their plans are specific they've been in

1147

00:45:50,809 --> 00:45:48,599

place for 80 years now and they are not

1148

00:45:52,910 --> 00:45:50,819

going to deter from them whatsoever not

1149

00:45:56,150 --> 00:45:52,920

at all yeah just based on their history

1150

00:45:58,550 --> 00:45:56,160

I would say no they haven't yet so why

1151
00:46:00,470 --> 00:45:58,560
would they now I think the only you know

1152
00:46:02,150 --> 00:46:00,480
the recent so-called disclosure we're

1153
00:46:05,750 --> 00:46:02,160
seeing now I don't think they're doing

1154
00:46:08,030 --> 00:46:05,760
it for our benefits it's their efforts

1155
00:46:09,290 --> 00:46:08,040
to control the narrative correct they

1156
00:46:11,109 --> 00:46:09,300
don't start saying there's something to

1157
00:46:13,910 --> 00:46:11,119
this they're going to be completely

1158
00:46:16,069 --> 00:46:13,920
irrelevant and no longer credible

1159
00:46:18,290 --> 00:46:16,079
so I think yeah there's some little bits

1160
00:46:20,870 --> 00:46:18,300
of disclosure going here and there but I

1161
00:46:22,250 --> 00:46:20,880
do not trust them one bit they've never

1162
00:46:24,349 --> 00:46:22,260
been truthful and I don't think they

1163
00:46:25,970 --> 00:46:24,359

ever will be oh should you I would say

1164

00:46:29,089 --> 00:46:25,980

the only time we will ever get

1165

00:46:31,370 --> 00:46:29,099

information is when it will benefit the

1166

00:46:33,230 --> 00:46:31,380

military and the corporations that are

1167

00:46:38,650 --> 00:46:33,240

involved in controlling things behind

1168

00:46:45,250 --> 00:46:41,710

come down in large numbers

1169

00:46:48,490 --> 00:46:45,260

they're not going to have much choice

1170

00:46:51,050 --> 00:46:48,500

so so sorry

1171

00:46:54,730 --> 00:46:51,060

this is this is you know this is a

1172

00:46:57,290 --> 00:46:54,740

situation A I was educated to understand

1173

00:46:58,790 --> 00:46:57,300

the cycles that we have on this planet

1174

00:47:01,190 --> 00:46:58,800

okay

1175

00:47:03,290 --> 00:47:01,200

um 280 million years worth of Cycles

1176
00:47:05,329 --> 00:47:03,300
because we didn't originate here we did

1177
00:47:07,309 --> 00:47:05,339
originate on March we are from that

1178
00:47:09,230 --> 00:47:07,319
planet and before that we're from the

1179
00:47:13,069 --> 00:47:09,240
Orion cluster that's where we originated

1180
00:47:15,230 --> 00:47:13,079
to begin with humans us okay uh we are

1181
00:47:17,510 --> 00:47:15,240
definitely related to The Grace we uh

1182
00:47:19,430 --> 00:47:17,520
can interbreed with them yet ask

1183
00:47:21,349 --> 00:47:19,440
yourself if I can breed with you does

1184
00:47:23,030 --> 00:47:21,359
that mean I'm like you oh you bet you

1185
00:47:25,130 --> 00:47:23,040
are you just look a little different

1186
00:47:27,230 --> 00:47:25,140
they've had time to evolve past what we

1187
00:47:28,730 --> 00:47:27,240
are and they look different and the fact

1188
00:47:30,650 --> 00:47:28,740

that they have no hair is literally

1189

00:47:32,390 --> 00:47:30,660

easily explained it's called electricity

1190

00:47:34,609 --> 00:47:32,400

you work in that environment it

1191

00:47:36,890 --> 00:47:34,619

electrolyzes you all over your body you

1192

00:47:38,870 --> 00:47:36,900

lose all your air okay I mean I'm going

1193

00:47:40,849 --> 00:47:38,880

thin now I have nobody anywhere on my

1194

00:47:43,190 --> 00:47:40,859

air except on my face on my head that's

1195

00:47:44,630 --> 00:47:43,200

it it's all gone and it's from being in

1196

00:47:47,750 --> 00:47:44,640

Craft

1197

00:47:50,329 --> 00:47:47,760

um I fully expect to go bald

1198

00:47:53,690 --> 00:47:50,339

this is this is important to understand

1199

00:47:57,050 --> 00:47:53,700

that they are us we are them we really

1200

00:48:00,050 --> 00:47:57,060

all are one DNA is throughout the entire

1201
00:48:02,329 --> 00:48:00,060
universe not one piece of it the whole

1202
00:48:04,609 --> 00:48:02,339
thing you're related to everything on

1203
00:48:06,530 --> 00:48:04,619
this Earth You are genetically related

1204
00:48:08,030 --> 00:48:06,540
to everything here you're related to

1205
00:48:10,130 --> 00:48:08,040
them they're related to us they're

1206
00:48:14,510 --> 00:48:10,140
related to everything else the human

1207
00:48:18,069 --> 00:48:14,520
genome is prime it is how we all exist

1208
00:48:20,030 --> 00:48:18,079
well I agree with you on that okay

1209
00:48:22,089 --> 00:48:20,040
I would definitely agree with you on

1210
00:48:26,329 --> 00:48:22,099
that I think there that

1211
00:48:28,609 --> 00:48:26,339
the the beings that we see may actually

1212
00:48:30,710 --> 00:48:28,619
be some type of evolved human or the

1213
00:48:32,930 --> 00:48:30,720

human species that has evolved at some

1214

00:48:36,710 --> 00:48:32,940

point as well

1215

00:48:40,550 --> 00:48:36,720

uh I believe human species is a

1216

00:48:45,170 --> 00:48:43,550

I I I truly believe that

1217

00:48:47,930 --> 00:48:45,180

yeah it does seem to be the common

1218

00:48:51,230 --> 00:48:47,940

template in all contacted cases of the

1219

00:48:52,970 --> 00:48:51,240

humanoid farm right and uh I'll take you

1220

00:48:54,829 --> 00:48:52,980

back to the original part of this I want

1221

00:48:57,170 --> 00:48:54,839

to get this one out I've never said this

1222

00:49:00,530 --> 00:48:57,180

to anybody and it needs to be heard your

1223

00:49:02,750 --> 00:49:00,540

DNA is a key and it when it opens up and

1224

00:49:05,510 --> 00:49:02,760

it starts producing your body it

1225

00:49:08,630 --> 00:49:05,520

generates electricity your heart is a

1226
00:49:11,030 --> 00:49:08,640
generator okay and it's an attractor and

1227
00:49:13,490 --> 00:49:11,040
your Consciousness is attracted to your

1228
00:49:16,490 --> 00:49:13,500
DNA and you are specifically who you are

1229
00:49:21,050 --> 00:49:16,500
and you're meant for this okay

1230
00:49:22,790 --> 00:49:21,060
it is implausible to think that being an

1231
00:49:24,950 --> 00:49:22,800
electrical being a being made of light

1232
00:49:27,410 --> 00:49:24,960
because we're in a gravity heavy uh

1233
00:49:29,450 --> 00:49:27,420
third dimensional space right now that

1234
00:49:31,190 --> 00:49:29,460
you couldn't move on or do something

1235
00:49:33,109 --> 00:49:31,200
else somewhere else or evolve to it

1236
00:49:35,210 --> 00:49:33,119
where you lose your corporeal form but

1237
00:49:37,790 --> 00:49:35,220
you become light like a light being like

1238
00:49:41,630 --> 00:49:37,800

an angel okay

1239

00:49:43,670 --> 00:49:41,640

we we don't we're so locked into our

1240

00:49:45,589 --> 00:49:43,680

little narrow vision and our ego of

1241

00:49:47,930 --> 00:49:45,599

ourselves that we don't

1242

00:49:49,849 --> 00:49:47,940

search out for the truth of everything

1243

00:49:51,530 --> 00:49:49,859

and one of the reasons that we're not

1244

00:49:53,510 --> 00:49:51,540

doing that is we're not using our innate

1245

00:49:56,030 --> 00:49:53,520

abilities you're not linked up with your

1246

00:49:57,950 --> 00:49:56,040

Consciousness and it's pretty smart and

1247

00:50:00,829 --> 00:49:57,960

your physical mind needs to know what

1248

00:50:02,809 --> 00:50:00,839

it's thinking it needs to hear it and uh

1249

00:50:05,210 --> 00:50:02,819

the one message that I've gotten from

1250

00:50:07,970 --> 00:50:05,220

the ET from all of them not just the

1251

00:50:10,609 --> 00:50:07,980

Grays or the tall whites or the minteds

1252

00:50:13,069 --> 00:50:10,619

all of them they all want us to grow up

1253

00:50:15,710 --> 00:50:13,079

and realize that we need to develop this

1254

00:50:18,589 --> 00:50:15,720

Talent you know it's imperative or we're

1255

00:50:21,290 --> 00:50:18,599

just going to stay in the same

1256

00:50:23,930 --> 00:50:21,300

horrible existence that we're all in we

1257

00:50:25,910 --> 00:50:23,940

need to crawl out of it

1258

00:50:27,589 --> 00:50:25,920

yeah I do find that interesting as well

1259

00:50:29,150 --> 00:50:27,599

from the beginning even if you're

1260

00:50:31,970 --> 00:50:29,160

looking at the contact the era of the

1261

00:50:33,770 --> 00:50:31,980

1950s all the way up to today the ETS

1262

00:50:34,910 --> 00:50:33,780

are giving pretty much the same message

1263

00:50:36,470 --> 00:50:34,920

to people

1264

00:50:39,410 --> 00:50:36,480

which is you know warnings against

1265

00:50:42,170 --> 00:50:39,420

nuclear proliferation pollution our

1266

00:50:43,970 --> 00:50:42,180

war-like ways these sort of things that

1267

00:50:46,810 --> 00:50:43,980

does seem to be a very much consistent

1268

00:50:49,250 --> 00:50:46,820

message among all the ETS

1269

00:50:52,069 --> 00:50:49,260

[Music]

1270

00:50:54,049 --> 00:50:52,079

so it seems that we're the bad guys in

1271

00:50:56,510 --> 00:50:54,059

this situation then huh like the

1272

00:50:58,670 --> 00:50:56,520

government is is doing the nefarious

1273

00:51:02,030 --> 00:50:58,680

acts now do you think this is leading to

1274

00:51:04,010 --> 00:51:02,040

uh to a false flag invasion of some sort

1275

00:51:05,990 --> 00:51:04,020

absolutely it's already begun don't dot

1276

00:51:08,210 --> 00:51:06,000

it it's already begun they've already

1277

00:51:09,410 --> 00:51:08,220

launched it yeah you look for the signs

1278

00:51:10,670 --> 00:51:09,420

of it you'll see it clearly you'll

1279

00:51:12,650 --> 00:51:10,680

understand yeah

1280

00:51:15,170 --> 00:51:12,660

now there's definitely a lot of Buzz

1281

00:51:17,470 --> 00:51:15,180

about that in the UFO community

1282

00:51:20,450 --> 00:51:17,480

I worry about it

1283

00:51:22,490 --> 00:51:20,460

because I mean the ETS have been around

1284

00:51:24,230 --> 00:51:22,500

for such a long time

1285

00:51:26,630 --> 00:51:24,240

uh they have not come down and

1286

00:51:27,589 --> 00:51:26,640

annihilated you know done genocide like

1287

00:51:29,270 --> 00:51:27,599

we do

1288

00:51:31,490 --> 00:51:29,280

I don't have any accounts he's coming

1289

00:51:34,069 --> 00:51:31,500

down and eating someone up you know what

1290

00:51:37,250 --> 00:51:34,079

I mean or

1291

00:51:38,750 --> 00:51:37,260

I am worried about how our government is

1292

00:51:41,569 --> 00:51:38,760

portraying this as a national security

1293

00:51:44,210 --> 00:51:41,579

threat during the Congressional hearings

1294

00:51:45,650 --> 00:51:44,220

uh that came up several times

1295

00:51:47,450 --> 00:51:45,660

because from the beginning they said

1296

00:51:50,030 --> 00:51:47,460

this is not there's nothing to it you

1297

00:51:51,730 --> 00:51:50,040

think you saw a UFO you are lying your

1298

00:51:54,049 --> 00:51:51,740

hoaxing hallucinating or misperceiving

1299

00:51:56,329 --> 00:51:54,059

there's no national security threat

1300

00:51:57,890 --> 00:51:56,339

there's nothing to this and now they're

1301

00:51:59,690 --> 00:51:57,900

saying 180 degrees well there's

1302

00:52:02,089 --> 00:51:59,700

something to it we don't know what it is

1303

00:52:04,450 --> 00:52:02,099

might not even be technology could be

1304

00:52:07,069 --> 00:52:04,460

Chinese but it's a threat

1305

00:52:09,130 --> 00:52:07,079

hold on that's why yeah I also don't

1306

00:52:11,569 --> 00:52:09,140

like hearing and this bothers me a lot

1307

00:52:13,250 --> 00:52:11,579

humankind would go crazy if they knew

1308

00:52:15,710 --> 00:52:13,260

the truth that is the biggest ball face

1309

00:52:19,490 --> 00:52:15,720

lie there is we we're challengeable

1310

00:52:21,410 --> 00:52:19,500

people okay we do our best in adversity

1311

00:52:24,170 --> 00:52:21,420

we do our best when things are going

1312

00:52:26,809 --> 00:52:24,180

wrong around us that is our talent okay

1313

00:52:29,510 --> 00:52:26,819

so don't tell me that I'm more afraid of

1314

00:52:31,069 --> 00:52:29,520

the truth and won't assimilate it

1315

00:52:33,230 --> 00:52:31,079

properly that's the biggest lie they

1316

00:52:35,690 --> 00:52:33,240

tell period the end they want you to be

1317

00:52:36,790 --> 00:52:35,700

afraid they want you innately to be

1318

00:52:40,549 --> 00:52:36,800

afraid

1319

00:52:41,870 --> 00:52:40,559

get off the slave train please start

1320

00:52:44,210 --> 00:52:41,880

thinking for yourself you're an

1321

00:52:46,010 --> 00:52:44,220

autonomous being you're supposed to be

1322

00:52:47,630 --> 00:52:46,020

thinking this through yourself you don't

1323

00:52:49,270 --> 00:52:47,640

need somebody giving you all kinds of

1324

00:52:51,950 --> 00:52:49,280

stupid bad information

1325

00:52:56,150 --> 00:52:51,960

throwing negative at you constantly and

1326
00:52:58,190 --> 00:52:56,160
we are in a negative Pond here okay turn

1327
00:53:00,770 --> 00:52:58,200
the TV off quit listening to the news

1328
00:53:02,569 --> 00:53:00,780
this is all propoganda specifically

1329
00:53:04,790 --> 00:53:02,579
designed to get out of you what they

1330
00:53:07,849 --> 00:53:04,800
want not what you really need or want

1331
00:53:09,890 --> 00:53:07,859
okay you're impressed to buy this and

1332
00:53:12,530 --> 00:53:09,900
have that and I need to be you know this

1333
00:53:14,569 --> 00:53:12,540
that or the other oh you need to be

1334
00:53:16,730 --> 00:53:14,579
cultivating your intelligence you need

1335
00:53:18,470 --> 00:53:16,740
to be cultivating your mind your your

1336
00:53:20,630 --> 00:53:18,480
your Consciousness you need to be

1337
00:53:23,329 --> 00:53:20,640
elevating yourself and trying to get off

1338
00:53:25,069 --> 00:53:23,339

this planet not stay here literally

1339

00:53:28,190 --> 00:53:25,079

period

1340

00:53:30,410 --> 00:53:28,200

uh now you did mention the signs can you

1341

00:53:32,569 --> 00:53:30,420

kind of give us uh your interpretations

1342

00:53:33,770 --> 00:53:32,579

as the signs

1343

00:53:34,670 --> 00:53:33,780

sure

1344

00:53:36,890 --> 00:53:34,680

um

1345

00:53:40,430 --> 00:53:36,900

uh okay here's a big one they just

1346

00:53:42,470 --> 00:53:40,440

unrolled a new uh stealth bumper have

1347

00:53:45,290 --> 00:53:42,480

they not it looks like the UFO does it

1348

00:53:47,569 --> 00:53:45,300

not they have tr3 bees that are triangle

1349

00:53:49,010 --> 00:53:47,579

vehicles that fly with the three big

1350

00:53:52,370 --> 00:53:49,020

lights and the one big light in the

1351

00:53:55,250 --> 00:53:52,380

middle of it that is a UFO to you but

1352

00:53:57,890 --> 00:53:55,260

it's not it's ours they have rectangular

1353

00:53:59,809 --> 00:53:57,900

vehicles with lights on each end those

1354

00:54:01,609 --> 00:53:59,819

are crowd controllers they're armed with

1355

00:54:04,370 --> 00:54:01,619

laser cannons and they can put you out

1356

00:54:08,390 --> 00:54:04,380

they have all kinds of Technology they

1357

00:54:11,030 --> 00:54:08,400

have 7D uh holographics that can make

1358

00:54:14,569 --> 00:54:11,040

you think that there's a giant whale in

1359

00:54:16,609 --> 00:54:14,579

your garage okay literally make you

1360

00:54:18,230 --> 00:54:16,619

think that do you think that they could

1361

00:54:20,450 --> 00:54:18,240

shine that up in the sky and make you

1362

00:54:23,870 --> 00:54:20,460

think there's a UFO you bet and they've

1363

00:54:25,910 --> 00:54:23,880

done it on a grand scale they have

1364

00:54:29,270 --> 00:54:25,920

Machinery that can do all kinds of crazy

1365

00:54:31,730 --> 00:54:29,280

things to make it look like UFOs the one

1366

00:54:34,309 --> 00:54:31,740

thing they can't do though the one thing

1367

00:54:37,309 --> 00:54:34,319

is they don't have ET speed in other

1368

00:54:39,349 --> 00:54:37,319

words military craft can move from zero

1369

00:54:41,089 --> 00:54:39,359

to eleven thousand miles an hour in

1370

00:54:43,730 --> 00:54:41,099

under two seconds not even that long

1371

00:54:46,190 --> 00:54:43,740

they can't move that fast they also

1372

00:54:48,950 --> 00:54:46,200

can't stop on a dime and they physically

1373

00:54:51,829 --> 00:54:48,960

can't stay in the air long because their

1374

00:54:53,630 --> 00:54:51,839

electricity is not as good as ETS and

1375

00:54:55,609 --> 00:54:53,640

they can't run them for as long as ET

1376

00:54:57,109 --> 00:54:55,619

can so if you see one and it's only

1377

00:54:58,730 --> 00:54:57,119

going to be there for 30 minutes it's

1378

00:55:00,770 --> 00:54:58,740

just me it's running out of fuel right

1379

00:55:03,170 --> 00:55:00,780

now and it's going to go land somewhere

1380

00:55:05,569 --> 00:55:03,180

but it'll annihilate as many things as

1381

00:55:07,910 --> 00:55:05,579

it possibly can before it's done and

1382

00:55:09,650 --> 00:55:07,920

then blame ET they'll lie about it

1383

00:55:11,329 --> 00:55:09,660

they'll tell you that's E.T coming and

1384

00:55:13,849 --> 00:55:11,339

they're already breeding you for it

1385

00:55:16,370 --> 00:55:13,859

right now they talk about it it's a

1386

00:55:18,890 --> 00:55:16,380

thing uh if I hear one more time

1387

00:55:20,510 --> 00:55:18,900

national security threat I'm going to

1388

00:55:22,370 --> 00:55:20,520

cry okay

1389

00:55:25,430 --> 00:55:22,380

ET are not a national security threat

1390

00:55:27,829 --> 00:55:25,440

who decides that our airspace we're

1391

00:55:30,470 --> 00:55:27,839

going to defend our airspace from what

1392

00:55:32,630 --> 00:55:30,480

they're not attacking us and yet we have

1393

00:55:34,670 --> 00:55:32,640

a neural net allowed around us a

1394

00:55:36,890 --> 00:55:34,680

satellite net that's so tight and so

1395

00:55:39,530 --> 00:55:36,900

thick with a computer somewhere that can

1396

00:55:41,030 --> 00:55:39,540

is conscious thinking and aware of

1397

00:55:43,690 --> 00:55:41,040

everything you do here they watch

1398

00:55:46,549 --> 00:55:43,700

everything you do tell me that's okay

1399

00:55:48,890 --> 00:55:46,559

tell me you're you feel safe under those

1400

00:55:51,290 --> 00:55:48,900

conditions tell me you feel like you

1401

00:55:54,349 --> 00:55:51,300

know they got your best interest at

1402

00:55:55,790 --> 00:55:54,359

heart I don't think so yeah the my labs

1403

00:55:57,410 --> 00:55:55,800

are a clear sign that they're putting

1404

00:55:59,450 --> 00:55:57,420

forth an ET threat narrative the

1405

00:56:01,730 --> 00:55:59,460

suppression of the benevolent cases

1406

00:56:04,010 --> 00:56:01,740

which they absolutely failed to mention

1407

00:56:06,650 --> 00:56:04,020

at all in the Congressional hearings the

1408

00:56:08,690 --> 00:56:06,660

fact that most major researchers out

1409

00:56:11,990 --> 00:56:08,700

there and I will point to John Mack

1410

00:56:15,230 --> 00:56:12,000

David Jacobs Bud Hopkins Philip mantle

1411

00:56:19,190 --> 00:56:15,240

Edith Fiore Timothy good I mean I can go

1412

00:56:21,109 --> 00:56:19,200

on all have healing cases uh and this is

1413

00:56:23,030 --> 00:56:21,119

not talked about that's pushed into The

1414

00:56:26,089 --> 00:56:23,040

Fringe it's not going in the mainstream

1415

00:56:28,970 --> 00:56:26,099

media it absolutely should the mufon

1416

00:56:31,250 --> 00:56:28,980

handbook for field investigators

1417

00:56:33,410 --> 00:56:31,260

has a section on

1418

00:56:35,569 --> 00:56:33,420

physical physiological effects and it's

1419

00:56:38,270 --> 00:56:35,579

titled medical injuries as a result of

1420

00:56:40,130 --> 00:56:38,280

UFOs they do not mention healings

1421

00:56:42,530 --> 00:56:40,140

whatsoever

1422

00:56:44,750 --> 00:56:42,540

this is another sign the cuddle

1423

00:56:46,910 --> 00:56:44,760

mutilation phenomena is being blamed on

1424

00:56:48,650 --> 00:56:46,920

ET but if you look at the researchers

1425

00:56:51,890 --> 00:56:48,660

who have really dug deep into it like

1426

00:56:53,750 --> 00:56:51,900

Gabe Valdez uh he says it's our

1427

00:56:55,490 --> 00:56:53,760

government who had to answer to this

1428

00:56:59,150 --> 00:56:55,500

they are the ones who are behind it

1429

00:57:01,309 --> 00:56:59,160

that's very sneaky what they're doing

1430

00:57:03,710 --> 00:57:01,319

uh and it's I think if you really have

1431

00:57:06,530 --> 00:57:03,720

to take an objective deep look into it

1432

00:57:09,410 --> 00:57:06,540

and you'll see that there is an ET

1433

00:57:10,670 --> 00:57:09,420

threat narrative the media loves a lurid

1434

00:57:12,650 --> 00:57:10,680

scary

1435

00:57:14,930 --> 00:57:12,660

ET story and they're not putting forth

1436

00:57:18,530 --> 00:57:14,940

the benevolent

1437

00:57:20,270 --> 00:57:18,540

truth that's they're not here to hurt us

1438

00:57:21,710 --> 00:57:20,280

I'm not going to say everyone again I'll

1439

00:57:24,190 --> 00:57:21,720

just underline it I know people have a

1440

00:57:25,990 --> 00:57:24,200

hard time with some of their encounters

1441

00:57:29,750 --> 00:57:26,000

absolutely

1442

00:57:32,450 --> 00:57:29,760

but the my labs a lot of these people

1443

00:57:34,069 --> 00:57:32,460

are victims of my labs I know people

1444

00:57:36,410 --> 00:57:34,079

who've had both

1445

00:57:38,930 --> 00:57:36,420

uh well I see a Davidson she was cured

1446

00:57:40,370 --> 00:57:38,940

of cancer she was also abducted by the

1447

00:57:42,950 --> 00:57:40,380

military and she says I did not like

1448

00:57:45,589 --> 00:57:42,960

that at all I'm much more scared of our

1449

00:57:49,089 --> 00:57:45,599

government than of the ETS she told me

1450

00:57:55,549 --> 00:57:52,790

yeah I I have to agree I've had several

1451

00:57:58,250 --> 00:57:55,559

clients who have had um have had good

1452

00:58:01,490 --> 00:57:58,260

experiences where they've been cured of

1453

00:58:03,589 --> 00:58:01,500

uh some pretty horrific diseases

1454

00:58:04,549 --> 00:58:03,599

uh by these beings

1455

00:58:06,829 --> 00:58:04,559

um

1456

00:58:09,670 --> 00:58:06,839

actually most of them live in Puerto

1457

00:58:11,990 --> 00:58:09,680

Rico to be honest with you yeah

1458

00:58:14,390 --> 00:58:12,000

they're helping everybody

1459

00:58:16,130 --> 00:58:14,400

you know ask yourself why we have more

1460

00:58:17,809 --> 00:58:16,140

cancer nowadays why we have more

1461

00:58:19,549 --> 00:58:17,819

autoimmune disorders why we have more

1462

00:58:22,370 --> 00:58:19,559

mental health problems why we have more

1463

00:58:24,829 --> 00:58:22,380

heart problems what's going on and the

1464

00:58:26,990 --> 00:58:24,839

reason is is our DNA is unraveling it's

1465

00:58:29,329 --> 00:58:27,000

it's this you know coming apart because

1466

00:58:31,730 --> 00:58:29,339

of the gamma coming in on us gamma

1467

00:58:34,130 --> 00:58:31,740

radiation look it up destroys all

1468

00:58:36,049 --> 00:58:34,140

biological life and it takes your DNA

1469

00:58:37,309 --> 00:58:36,059

out first that's where it hits you

1470

00:58:39,170 --> 00:58:37,319

hardest

1471

00:58:41,510 --> 00:58:39,180

they're protecting that they're doing

1472

00:58:44,089 --> 00:58:41,520

what they can if you're meant to be here

1473

00:58:45,109 --> 00:58:44,099

if your karma says and they know the

1474

00:58:47,030 --> 00:58:45,119

difference

1475

00:58:49,010 --> 00:58:47,040

says that you need to be here active and

1476
00:58:50,569 --> 00:58:49,020
viable they will keep you going so that

1477
00:58:51,950 --> 00:58:50,579
you are

1478
00:58:53,450 --> 00:58:51,960
um I want to I want to speak to

1479
00:58:56,030 --> 00:58:53,460
something else you know we have clear

1480
00:58:57,950 --> 00:58:56,040
evidence of different iterations on this

1481
00:59:01,250 --> 00:58:57,960
planet whole civilizations have come and

1482
00:59:04,190 --> 00:59:01,260
gone here and uh over the over you know

1483
00:59:06,890 --> 00:59:04,200
Millennia and uh but the science doesn't

1484
00:59:09,770 --> 00:59:06,900
want you to understand that or or figure

1485
00:59:11,809 --> 00:59:09,780
that out every 12 000 years there's an

1486
00:59:13,430 --> 00:59:11,819
event and humankind just sort of

1487
00:59:16,190 --> 00:59:13,440
disappears for a while and then it comes

1488
00:59:19,430 --> 00:59:16,200

back we're at the end of an event we're

1489

00:59:21,829 --> 00:59:19,440

at our 12 000 year cycle in and ET does

1490

00:59:23,150 --> 00:59:21,839

not leave us here to fend for ourselves

1491

00:59:25,789 --> 00:59:23,160

because we couldn't what's about to

1492

00:59:27,710 --> 00:59:25,799

happen we won't survive it at all

1493

00:59:31,010 --> 00:59:27,720

the only reason they're not here right

1494

00:59:32,390 --> 00:59:31,020

now is because of the pull change is too

1495

00:59:34,309 --> 00:59:32,400

dangerous for them to be here they've

1496

00:59:36,530 --> 00:59:34,319

done everything they can for us up to

1497

00:59:39,049 --> 00:59:36,540

this point they know we're cognizant of

1498

00:59:41,750 --> 00:59:39,059

them we know we have disclosure we all

1499

00:59:43,490 --> 00:59:41,760

have disclosure don't ask yourself when

1500

00:59:46,130 --> 00:59:43,500

you're going to get it you got it you

1501
00:59:47,750 --> 00:59:46,140
already know most people have seen a UFO

1502
00:59:50,510 --> 00:59:47,760
most people have had the feelings most

1503
00:59:52,609 --> 00:59:50,520
people are waking up

1504
00:59:54,170 --> 00:59:52,619
they will come as soon as our polls

1505
00:59:56,210 --> 00:59:54,180
finish changing before our son

1506
00:59:57,829 --> 00:59:56,220
micronovas there's a period of time

1507
00:59:59,809 --> 00:59:57,839
where they can they don't land

1508
01:00:03,049 --> 00:59:59,819
everywhere on this planet open the doors

1509
01:00:04,970 --> 01:00:03,059
and say get on now and they mean it but

1510
01:00:06,289 --> 01:00:04,980
we have to survive what the one

1511
01:00:08,329 --> 01:00:06,299
percenters here think they're going to

1512
01:00:09,530 --> 01:00:08,339
do to us you know they say oh well

1513
01:00:11,890 --> 01:00:09,540

there's too many people on the planet

1514

01:00:14,270 --> 01:00:11,900

you know we need to call the hurt

1515

01:00:16,010 --> 01:00:14,280

and they've had billions of ways of

1516

01:00:18,829 --> 01:00:16,020

doing it China had the one job thing

1517

01:00:21,410 --> 01:00:18,839

Africa was just genociding everybody and

1518

01:00:22,990 --> 01:00:21,420

still is and now we have what's going on

1519

01:00:25,990 --> 01:00:23,000

now which is

1520

01:00:28,010 --> 01:00:26,000

not good it's unpleasant to think about

1521

01:00:29,630 --> 01:00:28,020

they're not done they're not going to

1522

01:00:31,549 --> 01:00:29,640

finish being done because when they go

1523

01:00:33,530 --> 01:00:31,559

underground to survive all this stuff

1524

01:00:35,450 --> 01:00:33,540

ask yourself why do so many underground

1525

01:00:37,010 --> 01:00:35,460

spaces for these people why is there a

1526

01:00:39,109 --> 01:00:37,020

seed depository why do they have this

1527

01:00:40,849 --> 01:00:39,119

this and this they're planning for

1528

01:00:42,470 --> 01:00:40,859

what's going to happen they know it is

1529

01:00:44,569 --> 01:00:42,480

and there are too many of us eight

1530

01:00:47,450 --> 01:00:44,579

billion people on this planet 8 billion

1531

01:00:49,430 --> 01:00:47,460

people okay there's a lot of people and

1532

01:00:52,130 --> 01:00:49,440

we'll fight them for it come on we're

1533

01:00:53,750 --> 01:00:52,140

we're humans we'll fight to survive they

1534

01:00:55,309 --> 01:00:53,760

can't have us here for that and they

1535

01:00:57,829 --> 01:00:55,319

want us gone

1536

01:00:59,630 --> 01:00:57,839

they know that et's not here now and

1537

01:01:01,910 --> 01:00:59,640

that's the reason those false flags have

1538

01:01:04,670 --> 01:01:01,920

started they are going to start calling

1539

01:01:06,289 --> 01:01:04,680

the herd big time and you see it every

1540

01:01:08,270 --> 01:01:06,299

day now you see people dropping dead

1541

01:01:10,490 --> 01:01:08,280

from a shot do you not

1542

01:01:12,890 --> 01:01:10,500

this is not good there's a four-year

1543

01:01:14,089 --> 01:01:12,900

limit on that shot watch what happens at

1544

01:01:15,470 --> 01:01:14,099

the end of four years from when they

1545

01:01:18,230 --> 01:01:15,480

started giving them out

1546

01:01:20,630 --> 01:01:18,240

this is not good we need to wake up to

1547

01:01:22,490 --> 01:01:20,640

the truth you can make up your mind and

1548

01:01:24,829 --> 01:01:22,500

Preston says this and I believe it with

1549

01:01:27,109 --> 01:01:24,839

all my heart it's a good thing

1550

01:01:29,990 --> 01:01:27,119

knowing what's coming is more important

1551

01:01:32,270 --> 01:01:30,000

than being stupid until it hits you flat

1552

01:01:34,970 --> 01:01:32,280

in the face you have every reason to

1553

01:01:36,589 --> 01:01:34,980

evolve as much as you can until those

1554

01:01:38,630 --> 01:01:36,599

moments where you make up your mind

1555

01:01:40,430 --> 01:01:38,640

which way are you going with this okay

1556

01:01:45,770 --> 01:01:40,440

live till you die

1557

01:01:47,990 --> 01:01:45,780

be free be a real person wake up enjoy

1558

01:01:49,910 --> 01:01:48,000

what you got and work your way through

1559

01:01:52,970 --> 01:01:49,920

it and decide which way you want this to

1560

01:01:56,630 --> 01:01:52,980

happen to you okay you can either go

1561

01:02:00,650 --> 01:01:56,640

from them or go with ET take your pick

1562

01:02:02,870 --> 01:02:00,660

it's a big deal and we're sadly in this

1563

01:02:06,710 --> 01:02:02,880

shape because the people on this planet

1564

01:02:09,650 --> 01:02:06,720

did not wake up sooner than this and and

1565

01:02:11,089 --> 01:02:09,660

it's like a mess this time around it

1566

01:02:12,710 --> 01:02:11,099

happened to At Last those people didn't

1567

01:02:17,150 --> 01:02:12,720

know what hit them

1568

01:02:19,190 --> 01:02:17,160

trust me they did not it took them out

1569

01:02:21,410 --> 01:02:19,200

let's wake up let's let's face this

1570

01:02:23,450 --> 01:02:21,420

let's all decide not to get on the slave

1571

01:02:24,589 --> 01:02:23,460

train anymore and it's as easy as just

1572

01:02:26,270 --> 01:02:24,599

saying no

1573

01:02:27,470 --> 01:02:26,280

not gonna believe you anymore don't want

1574

01:02:29,329 --> 01:02:27,480

to hear what you have to say we're going

1575

01:02:31,130 --> 01:02:29,339

to go off and do it our way and see what

1576

01:02:33,650 --> 01:02:31,140

happens if the whole world did that at

1577

01:02:35,870 --> 01:02:33,660

one time there would be a giant Paradigm

1578

01:02:37,670 --> 01:02:35,880

Shift across this planet and ET would do

1579

01:02:40,250 --> 01:02:37,680

everything in their power to make sure

1580

01:02:41,870 --> 01:02:40,260

we all got off okay they're helpless

1581

01:02:44,690 --> 01:02:41,880

right now to help us because it's just

1582

01:02:46,789 --> 01:02:44,700

dangerous to be here I won't even I mean

1583

01:02:49,010 --> 01:02:46,799

I grounded myself I'm here because I

1584

01:02:51,170 --> 01:02:49,020

want you all to hear this I'm 64 years

1585

01:02:52,730 --> 01:02:51,180

old going on 65 I've lived a nice long

1586

01:02:54,829 --> 01:02:52,740

life I've had a good time and if

1587

01:02:57,470 --> 01:02:54,839

something happens to me yeah okay I'm

1588

01:03:00,349 --> 01:02:57,480

gonna still go on I don't die neither do

1589

01:03:01,730 --> 01:03:00,359

you okay but I'm gonna tell everybody I

1590

01:03:04,309 --> 01:03:01,740

know what's happening because God

1591

01:03:07,069 --> 01:03:04,319

deserving I mean I wouldn't want anybody

1592

01:03:09,109 --> 01:03:07,079

not to know the truth about this

1593

01:03:10,609 --> 01:03:09,119

you have a fighting chance to go live on

1594

01:03:13,910 --> 01:03:10,619

another world and live out the rest of

1595

01:03:16,069 --> 01:03:13,920

your life and evolve and become more

1596

01:03:19,069 --> 01:03:16,079

than you are that's a big deal that's a

1597

01:03:20,569 --> 01:03:19,079

prize you know that's the bucket of gold

1598

01:03:23,030 --> 01:03:20,579

at the end of the rainbow as far as I'm

1599

01:03:25,430 --> 01:03:23,040

concerned we just need to work it up for

1600

01:03:29,750 --> 01:03:27,230

yeah one thing's for sure the path we're

1601
01:03:34,540 --> 01:03:29,760
on now is not sustainable so I'm I'd

1602
01:03:36,410 --> 01:03:35,150
[Music]

1603
01:03:39,289 --> 01:03:36,420
um

1604
01:03:41,630 --> 01:03:39,299
Nancy Malcolm asked what and it is to

1605
01:03:44,089 --> 01:03:41,640
dolly or I guess to anyone what is the

1606
01:03:46,970 --> 01:03:44,099
difference in intent

1607
01:03:49,490 --> 01:03:46,980
between God and et's

1608
01:03:51,470 --> 01:03:49,500
there is no difference

1609
01:03:53,630 --> 01:03:51,480
ET believes in God they just call it

1610
01:03:56,870 --> 01:03:53,640
something else they believe they call

1611
01:03:58,849 --> 01:03:56,880
God the all mind they believe that God

1612
01:04:01,069 --> 01:03:58,859
is every every

1613
01:04:02,990 --> 01:04:01,079

um thought everything everybody has God

1614

01:04:06,349 --> 01:04:03,000

this all-knowledgeable we're part of it

1615

01:04:09,530 --> 01:04:06,359

we're in that with with God okay so they

1616

01:04:11,690 --> 01:04:09,540

call God the almighty and God's intent or

1617

01:04:13,609 --> 01:04:11,700

the all Minds intent is purely what they

1618

01:04:17,089 --> 01:04:13,619

are trying to teach us and that's to

1619

01:04:20,690 --> 01:04:17,099

love one another it's to love your your

1620

01:04:25,549 --> 01:04:20,700

your life to evolve to find out new

1621

01:04:28,250 --> 01:04:25,559

things to become wise to ascend that's

1622

01:04:31,609 --> 01:04:28,260

what they do and that's how they act

1623

01:04:34,849 --> 01:04:31,619

they're not out to get us the god the

1624

01:04:37,789 --> 01:04:34,859

all mind wants us to catch up

1625

01:04:39,950 --> 01:04:37,799

period it's the same agenda

1626

01:04:41,870 --> 01:04:39,960

yeah I think so there's an ET agenda

1627

01:04:43,490 --> 01:04:41,880

definitely to wake people up to our own

1628

01:04:45,230 --> 01:04:43,500

and I won't call them supernatural

1629

01:04:47,270 --> 01:04:45,240

abilities they're natural

1630

01:04:49,670 --> 01:04:47,280

and I see this all the time with

1631

01:04:53,089 --> 01:04:49,680

contactees I've mentioned this earlier

1632

01:04:55,010 --> 01:04:53,099

contact uses a general rule not only are

1633

01:04:57,190 --> 01:04:55,020

surrounded by paranormal events but

1634

01:05:01,430 --> 01:04:57,200

display abilities like levitation

1635

01:05:04,930 --> 01:05:01,440

healing precognition astral travel

1636

01:05:09,470 --> 01:05:04,940

past life recall remote viewing

1637

01:05:13,010 --> 01:05:09,480

Clairvoyance mediumship and this is I've

1638

01:05:15,349 --> 01:05:13,020

heard the same exact thing from several

1639

01:05:19,069 --> 01:05:15,359

contactees they were told by the ETS

1640

01:05:19,910 --> 01:05:19,079

this is our gift to you for working with

1641

01:05:25,609 --> 01:05:19,920

us

1642

01:05:28,250 --> 01:05:25,619

this explosion of psychic abilities and

1643

01:05:29,630 --> 01:05:28,260

you know if there's I is I think a

1644

01:05:32,690 --> 01:05:29,640

connection between

1645

01:05:34,309 --> 01:05:32,700

God and et's and religion one lady was

1646

01:05:38,690 --> 01:05:34,319

told flat out who you thought were

1647

01:05:41,150 --> 01:05:38,700

Angels was us but I do think that there

1648

01:05:43,130 --> 01:05:41,160

is a pathway I mean towards

1649

01:05:46,069 --> 01:05:43,140

Enlightenment and that Earth is in

1650

01:05:47,930 --> 01:05:46,079

essence a school and if you look at the

1651

01:05:51,410 --> 01:05:47,940

history of like the Saints I read

1652

01:05:54,170 --> 01:05:51,420

Butler's lives of the Saints which tells

1653

01:05:56,450 --> 01:05:54,180

the autobiographies of thousands of the

1654

01:05:59,150 --> 01:05:56,460

very prominent religious figures they

1655

01:06:02,030 --> 01:05:59,160

all display all these abilities that we

1656

01:06:04,069 --> 01:06:02,040

call Supernatural but the ETS are

1657

01:06:05,950 --> 01:06:04,079

absolutely trying to wake us up to these

1658

01:06:09,349 --> 01:06:05,960

and they have these abilities themselves

1659

01:06:12,829 --> 01:06:09,359

telepathy levitation healing all of them

1660

01:06:19,130 --> 01:06:14,329

I had a discussion with my contact

1661

01:06:24,829 --> 01:06:21,589

and we've talked about the online and I

1662

01:06:26,569 --> 01:06:24,839

we've talked about religion here and a

1663

01:06:28,670 --> 01:06:26,579

lot of things and he gave me a statement

1664

01:06:30,710 --> 01:06:28,680

he made me write it down word for word

1665

01:06:32,089 --> 01:06:30,720

and I gave it to Preston and Preston put

1666

01:06:33,589 --> 01:06:32,099

it in the book and I want you to hear it

1667

01:06:36,410 --> 01:06:33,599

okay I want to read it to you real quick

1668

01:06:37,970 --> 01:06:36,420

if you want to know what God is it says

1669

01:06:40,730 --> 01:06:37,980

be strong in love

1670

01:06:43,490 --> 01:06:40,740

love is what carries through love is

1671

01:06:47,089 --> 01:06:43,500

what heals love is the strength of life

1672

01:06:50,510 --> 01:06:47,099

love has no limit therefore let love

1673

01:06:53,690 --> 01:06:50,520

become who you are let love evolve to

1674

01:06:55,069 --> 01:06:53,700

its fruition let the light that is love

1675

01:06:57,410 --> 01:06:55,079

burn bright

1676

01:07:00,410 --> 01:06:57,420

but its wisdom guide you to higher

1677

01:07:03,529 --> 01:07:00,420

understanding and let its power move you

1678

01:07:05,930 --> 01:07:03,539

to teach its power to others love be

1679

01:07:10,549 --> 01:07:05,940

strong in love that is their concept of

1680

01:07:15,049 --> 01:07:12,109

hmm

1681

01:07:17,270 --> 01:07:15,059

go ahead Vincent

1682

01:07:19,130 --> 01:07:17,280

yeah and Dolly that's that's not the

1683

01:07:20,569 --> 01:07:19,140

first time I've heard that and that's

1684

01:07:23,329 --> 01:07:20,579

quite beautiful thank you for reading

1685

01:07:27,950 --> 01:07:23,339

that uh a question from the uh chat room

1686

01:07:29,990 --> 01:07:27,960

uh space Lottie she says

1687

01:07:31,849 --> 01:07:30,000

what does the panel think about uh David

1688

01:07:33,049 --> 01:07:31,859

Eckhart case now why you guys are

1689

01:07:35,450 --> 01:07:33,059

talking I've been thinking a lot about

1690

01:07:36,950 --> 01:07:35,460

David eckhart's case uh Preston and

1691

01:07:38,270 --> 01:07:36,960

Dally are you familiar with David

1692

01:07:41,390 --> 01:07:38,280

Eckhart

1693

01:07:43,549 --> 01:07:41,400

I am not a Preston probably is yeah

1694

01:07:47,750 --> 01:07:43,559

you'd have to refresh me

1695

01:07:50,529 --> 01:07:47,760

um I may be he uh he's been um dealing

1696

01:07:52,730 --> 01:07:50,539

with reptilian uh contact the

1697

01:07:53,450 --> 01:07:52,740

experiencer for

1698

01:07:55,250 --> 01:07:53,460

um

1699

01:07:56,930 --> 01:07:55,260

all of his life pretty much but he's

1700

01:07:59,690 --> 01:07:56,940

been talking about it for about the last

1701

01:08:02,049 --> 01:07:59,700

15 years one and uh yeah I mean I've

1702

01:08:06,109 --> 01:08:02,059

been working with 12 years so yeah yeah

1703

01:08:08,690 --> 01:08:06,119

and he's been experiencing a lot of uh

1704

01:08:10,970 --> 01:08:08,700

what what all of you have been saying

1705

01:08:14,150 --> 01:08:10,980

he's been healed he had terrible

1706

01:08:15,829 --> 01:08:14,160

arthritis and he was actually taken

1707

01:08:17,930 --> 01:08:15,839

apart which was quite scary at the time

1708

01:08:20,390 --> 01:08:17,940

but actually healed and he does remember

1709

01:08:22,610 --> 01:08:20,400

that experience but I would love to hear

1710

01:08:24,769 --> 01:08:22,620

what what you all think about the

1711

01:08:27,169 --> 01:08:24,779

Eckhart case

1712

01:08:29,870 --> 01:08:27,179

um I guess Lynn are you familiar with

1713

01:08:32,030 --> 01:08:29,880

the herd case at all

1714

01:08:35,150 --> 01:08:32,040

um I don't know all of the particulars

1715

01:08:38,390 --> 01:08:35,160

about it but I will say kind of what I

1716

01:08:40,550 --> 01:08:38,400

say about all cases which is

1717

01:08:42,470 --> 01:08:40,560

um I am open to it because I don't

1718

01:08:44,689 --> 01:08:42,480

really know you know unless we are there

1719

01:08:46,490 --> 01:08:44,699

unless we are experiencing it we can't

1720

01:08:48,530 --> 01:08:46,500

say for certain one way or another

1721

01:08:50,870 --> 01:08:48,540

whether or not a person's experience is

1722

01:08:52,970 --> 01:08:50,880

valid and in fact if their experience is

1723

01:08:54,650 --> 01:08:52,980

valid to them then it is in fact valid

1724

01:08:55,870 --> 01:08:54,660

so

1725

01:08:58,610 --> 01:08:55,880

um

1726

01:09:00,169 --> 01:08:58,620

it's always difficult when we get asked

1727

01:09:01,789 --> 01:09:00,179

those those questions you know what we

1728

01:09:04,370 --> 01:09:01,799

think about it do we think that they're

1729

01:09:06,650 --> 01:09:04,380

real is it real to him then yes it's

1730

01:09:08,930 --> 01:09:06,660

real that's the way I go with it now I

1731

01:09:10,729 --> 01:09:08,940

can say you know most of my experiences

1732

01:09:12,950 --> 01:09:10,739

have been with the reptilians as well so

1733

01:09:14,930 --> 01:09:12,960

of course I'm going to be like yes

1734

01:09:16,849 --> 01:09:14,940

that's definitely true

1735

01:09:19,370 --> 01:09:16,859

um but

1736

01:09:20,930 --> 01:09:19,380

um you know it's it's one of those

1737

01:09:22,970 --> 01:09:20,940

things that it's a tough call we can't

1738

01:09:25,370 --> 01:09:22,980

really say because we're not him and we

1739

01:09:27,650 --> 01:09:25,380

haven't experienced it I never want to

1740

01:09:30,769 --> 01:09:27,660

write anyone off because how can we say

1741

01:09:34,010 --> 01:09:30,779

that it hasn't happened 100 lack of

1742

01:09:37,130 --> 01:09:34,020

proof is not proof correct I agree 100

1743

01:09:39,590 --> 01:09:37,140

with Dylan absolutely your perspective

1744

01:09:41,870 --> 01:09:39,600

what you know in your mind to be true is

1745

01:09:43,729 --> 01:09:41,880

true to you and the only way that you

1746

01:09:47,209 --> 01:09:43,739

can prove or disprove yourself and this

1747

01:09:49,910 --> 01:09:47,219

should be how all humans understand how

1748

01:09:51,950 --> 01:09:49,920

to Fair through this is to shine a light

1749

01:09:53,749 --> 01:09:51,960

in it on your own mind in your own mind

1750

01:09:55,550 --> 01:09:53,759

in other words work it out for yourself

1751

01:09:58,669 --> 01:09:55,560

one way or the other get help for it

1752

01:10:00,650 --> 01:09:58,679

talk about it work it through look for

1753

01:10:03,290 --> 01:10:00,660

proof for yourself prove or disprove it

1754

01:10:05,750 --> 01:10:03,300

and if you can't then do everything you

1755

01:10:07,910 --> 01:10:05,760

can to be okay with yourself to heal

1756

01:10:09,470 --> 01:10:07,920

yourself about it because that's the

1757

01:10:11,930 --> 01:10:09,480

most important thing any human being can

1758

01:10:13,850 --> 01:10:11,940

do you don't let things eat you to the

1759

01:10:16,850 --> 01:10:13,860

point that it destroys you you have to

1760

01:10:19,130 --> 01:10:16,860

stay okay you have to love yourself you

1761

01:10:21,290 --> 01:10:19,140

have to want to be healed you have to

1762

01:10:23,390 --> 01:10:21,300

know that sometimes things happen to us

1763

01:10:26,870 --> 01:10:23,400

that we can't explain and we still have

1764

01:10:28,850 --> 01:10:26,880

to go on and live and it's important and

1765

01:10:30,229 --> 01:10:28,860

I would never ever tell somebody that

1766

01:10:32,630 --> 01:10:30,239

they're crazy or anything like that

1767

01:10:35,870 --> 01:10:32,640

that's your experience and

1768

01:10:38,630 --> 01:10:35,880

it's valid to you and it's important to

1769

01:10:41,270 --> 01:10:38,640

hear them if we go unheard we're we're

1770

01:10:43,250 --> 01:10:41,280

not helping each other at all and that's

1771

01:10:45,229 --> 01:10:43,260

important right but I also think we have

1772

01:10:47,870 --> 01:10:45,239

to stop looking for external validation

1773

01:10:50,030 --> 01:10:47,880

too we have to like stay strong in our

1774

01:10:52,189 --> 01:10:50,040

experience like you know our experiences

1775

01:10:54,110 --> 01:10:52,199

are different you say well I don't think

1776

01:10:55,610 --> 01:10:54,120

that the secret space program is what

1777

01:10:57,530 --> 01:10:55,620

people say that it is I'm going to say

1778

01:10:59,270 --> 01:10:57,540

I've experienced it so I have a

1779

01:11:01,310 --> 01:10:59,280

different opinion of that I've been out

1780

01:11:03,890 --> 01:11:01,320

on those ships you know and both of

1781

01:11:06,350 --> 01:11:03,900

those opinions are equally valid because

1782

01:11:08,330 --> 01:11:06,360

those are our experiences

1783

01:11:11,270 --> 01:11:08,340

yeah I've written about a lot of

1784

01:11:14,689 --> 01:11:11,280

people's experiences and I do not edit I

1785

01:11:16,310 --> 01:11:14,699

put them forth what they tell me uh it's

1786

01:11:18,169 --> 01:11:16,320

their story they know what happened to

1787

01:11:21,410 --> 01:11:18,179

them far better than I do

1788

01:11:24,250 --> 01:11:21,420

and uh I don't know David eckhart's

1789

01:11:31,130 --> 01:11:28,310

yeah David um David has and he and his

1790

01:11:34,010 --> 01:11:31,140

family actually had experienced a lot of

1791

01:11:37,250 --> 01:11:34,020

um a lot of abduction uh at their home

1792

01:11:41,090 --> 01:11:37,260

in Pensacola but near Pensacola for oh

1793

01:11:43,669 --> 01:11:41,100

over 15 years now that's about it

1794

01:11:46,550 --> 01:11:43,679

um you know he had he had gotten real

1795

01:11:47,590 --> 01:11:46,560

big real specific detail would be over

1796

01:11:51,290 --> 01:11:47,600

the years

1797

01:11:53,450 --> 01:11:51,300

uh but the the one thing that has

1798

01:11:54,950 --> 01:11:53,460

fascinated me more than anything with

1799

01:11:58,910 --> 01:11:54,960

his cases

1800

01:12:02,090 --> 01:11:58,920

uh first of all they they did work on

1801

01:12:04,490 --> 01:12:02,100

him they did cure him of arthritis they

1802

01:12:07,130 --> 01:12:04,500

uh they showed him a lot of different

1803

01:12:09,229 --> 01:12:07,140

things on earth

1804

01:12:11,630 --> 01:12:09,239

um but

1805

01:12:13,970 --> 01:12:11,640

the one thing and the one statement that

1806

01:12:16,610 --> 01:12:13,980

was made to him from his Handler because

1807

01:12:18,649 --> 01:12:16,620

he had a Handler he had a reptilian who

1808

01:12:21,290 --> 01:12:18,659

every time they took him

1809

01:12:23,570 --> 01:12:21,300

he was the one that worked with him

1810

01:12:28,370 --> 01:12:23,580

told David that

1811

01:12:32,090 --> 01:12:28,380

yeah we do believe in a Supreme Being

1812

01:12:34,250 --> 01:12:32,100

and uh you know it's not necessarily the

1813

01:12:37,970 --> 01:12:34,260

way you see God

1814

01:12:41,209 --> 01:12:37,980

but we do all believe and he was he met

1815

01:12:44,510 --> 01:12:41,219

those other than reptilians as well do

1816

01:12:48,890 --> 01:12:46,790

what are your thoughts on that

1817

01:12:52,790 --> 01:12:48,900

not surprising

1818

01:12:55,370 --> 01:12:52,800

it's true I mean if you think about it I

1819

01:12:57,890 --> 01:12:55,380

mean even science came to that the point

1820

01:12:59,990 --> 01:12:57,900

at some point in the 80s that it's all

1821

01:13:03,590 --> 01:13:00,000

intelligent design they quit trying to

1822

01:13:06,649 --> 01:13:03,600

just to to devalue the idea that there

1823

01:13:08,570 --> 01:13:06,659

is a supreme intelligence or not

1824

01:13:10,550 --> 01:13:08,580

um and everybody woke up to the reality

1825

01:13:14,330 --> 01:13:10,560

of it it's it's

1826

01:13:17,570 --> 01:13:14,340

um it's provable not disprovable and so

1827

01:13:20,090 --> 01:13:17,580

yeah even even the animals know there's

1828

01:13:22,070 --> 01:13:20,100

something going on even all animals are

1829

01:13:24,229 --> 01:13:22,080

sentient like we are they love one

1830

01:13:25,910 --> 01:13:24,239

another they'll protect one another they

1831

01:13:26,810 --> 01:13:25,920

protect us

1832

01:13:29,870 --> 01:13:26,820

um

1833

01:13:32,930 --> 01:13:29,880

you can't have that kind of communion

1834

01:13:36,770 --> 01:13:32,940

with one another without somebody having

1835

01:13:40,990 --> 01:13:36,780

designed it import you know in

1836

01:13:43,729 --> 01:13:41,000

employed it with us and so yeah I I

1837

01:13:48,229 --> 01:13:43,739

firmly believe that any sentient being

1838

01:13:53,229 --> 01:13:50,510

interesting you know I um

1839

01:13:56,209 --> 01:13:53,239

I used to be a strictly evolutionary

1840

01:13:58,850 --> 01:13:56,219

theory for years and years and years

1841

01:14:02,030 --> 01:13:58,860

until I started working with abductees

1842

01:14:03,709 --> 01:14:02,040

and experiencers then I had my own

1843

01:14:06,470 --> 01:14:03,719

encounter

1844

01:14:09,770 --> 01:14:06,480

and I was showing a lot of historical

1845

01:14:11,990 --> 01:14:09,780

things according to them and now these

1846

01:14:14,209 --> 01:14:12,000

beings who took me were what I called

1847

01:14:16,910 --> 01:14:14,219

tall Grays that were always three of

1848

01:14:19,189 --> 01:14:16,920

them together and they took me to a

1849

01:14:23,689 --> 01:14:19,199

location it should be historic what they

1850

01:14:26,450 --> 01:14:23,699

considered to be historical how they um

1851

01:14:29,090 --> 01:14:26,460

how the uh

1852

01:14:31,390 --> 01:14:29,100

you know became part of our history how

1853

01:14:35,270 --> 01:14:31,400

they interjected themselves

1854

01:14:41,570 --> 01:14:39,050

I I do believe that uh

1855

01:14:43,970 --> 01:14:41,580

he talked about intelligent design

1856

01:14:46,490 --> 01:14:43,980

uh I I do I do believe there's something

1857

01:14:49,070 --> 01:14:46,500

to that I I do believe there has been an

1858

01:14:51,770 --> 01:14:49,080

interjection along the line it has all

1859

01:14:54,649 --> 01:14:51,780

been strictly evolutionary

1860

01:14:57,169 --> 01:14:54,659

um I I believe they have changed us

1861

01:15:00,709 --> 01:14:57,179

at some point it was interesting we

1862

01:15:04,610 --> 01:15:00,719

talked about the the 12 000 year cycle

1863

01:15:07,669 --> 01:15:04,620

uh according to them to me 12 500 years

1864

01:15:09,890 --> 01:15:07,679

ago was when they first well the most

1865

01:15:11,390 --> 01:15:09,900

important time when they came here now I

1866

01:15:13,790 --> 01:15:11,400

don't know if it had anything to do with

1867

01:15:18,229 --> 01:15:13,800

the last time they were here but they

1868

01:15:20,990 --> 01:15:18,239

did they did show me 12 500 years ago

1869

01:15:24,410 --> 01:15:21,000

here um that's what I was taught

1870

01:15:26,930 --> 01:15:24,420

um every uh ethnicity of ET takes turns

1871

01:15:28,370 --> 01:15:26,940

and the iterations on this planning

1872

01:15:30,590 --> 01:15:28,380

um every time we're brought back here

1873

01:15:33,590 --> 01:15:30,600

after the Calamity of what happens here

1874

01:15:36,530 --> 01:15:33,600

they uh another group of them uh become

1875

01:15:39,950 --> 01:15:36,540

more uh are

1876

01:15:42,110 --> 01:15:39,960

guides uh and teach us what we need to

1877

01:15:44,930 --> 01:15:42,120

know and help us get on our feet so that

1878

01:15:47,750 --> 01:15:44,940

we can move through this quickly

1879

01:15:49,250 --> 01:15:47,760

um and the tall Grays have been more

1880

01:15:50,870 --> 01:15:49,260

um

1881

01:15:54,470 --> 01:15:50,880

Paramount

1882

01:15:57,410 --> 01:15:54,480

in that this iteration time as you speak

1883

01:15:58,669 --> 01:15:57,420

at that's what I was taught also so we

1884

01:16:01,970 --> 01:15:58,679

have more to do with them than anybody

1885

01:16:05,450 --> 01:16:01,980

the Anunnaki were Transporters they

1886

01:16:06,649 --> 01:16:05,460

brought us here as well and uh they had

1887

01:16:09,950 --> 01:16:06,659

something to do with this for a while

1888

01:16:12,770 --> 01:16:09,960

while we were getting on our feet

1889

01:16:14,810 --> 01:16:12,780

not even sure how to describe that and

1890

01:16:17,209 --> 01:16:14,820

uh and then they backed out and it's

1891

01:16:20,209 --> 01:16:17,219

been mostly the grace the great peoples

1892

01:16:25,189 --> 01:16:23,149

any other thoughts on that

1893

01:16:27,350 --> 01:16:25,199

I can say that from all the cases I've

1894

01:16:28,729 --> 01:16:27,360

interviewed no contact these have told

1895

01:16:32,270 --> 01:16:28,739

me anything about et's having an

1896

01:16:34,010 --> 01:16:32,280

organized religion like we do or a

1897

01:16:36,649 --> 01:16:34,020

figure that they worship or anything

1898

01:16:38,630 --> 01:16:36,659

like that they don't have a federal

1899

01:16:40,370 --> 01:16:38,640

assistant there's no money it's all

1900

01:16:42,110 --> 01:16:40,380

cooperation it's all working together

1901

01:16:44,510 --> 01:16:42,120

yeah

1902

01:16:47,090 --> 01:16:44,520

this sort of thing um they do seem to be

1903

01:16:50,570 --> 01:16:47,100

very much spiritual and very much into

1904

01:16:53,209 --> 01:16:50,580

collecting knowledge and Science and

1905

01:16:57,110 --> 01:16:53,219

this sort of thing it's all about growth

1906

01:16:59,990 --> 01:16:57,120

and learning but as far as you know

1907

01:17:02,090 --> 01:17:00,000

an organized religion I don't see any

1908

01:17:03,770 --> 01:17:02,100

evidence of that I know Betty andreasen

1909

01:17:06,649 --> 01:17:03,780

talked about seeing

1910

01:17:08,570 --> 01:17:06,659

you know very Advanced beings I think

1911

01:17:12,530 --> 01:17:08,580

Dolly talked about seeing visiting some

1912

01:17:15,290 --> 01:17:12,540

of the Elders of the Grays who are ones

1913

01:17:17,870 --> 01:17:15,300

that they go to for advanced knowledge

1914

01:17:20,209 --> 01:17:17,880

but as far as religion

1915

01:17:22,310 --> 01:17:20,219

I don't I don't see any evidence of that

1916

01:17:24,709 --> 01:17:22,320

in the cases I've had the privilege to

1917

01:17:27,290 --> 01:17:24,719

investigate

1918

01:17:30,590 --> 01:17:27,300

they're wide open psychic they hear

1919

01:17:33,229 --> 01:17:30,600

everything everybody hears they hear us

1920

01:17:34,870 --> 01:17:33,239

um they know everything that goes on all

1921

01:17:37,490 --> 01:17:34,880

the way through their entire population

1922

01:17:40,910 --> 01:17:37,500

uh if there's an issue or something's

1923

01:17:42,470 --> 01:17:40,920

going on they strictly go to wisdom

1924

01:17:44,570 --> 01:17:42,480

before they will do anything else and

1925

01:17:46,250 --> 01:17:44,580

their Elders among them who have that

1926

01:17:48,709 --> 01:17:46,260

kind of wisdom that kind of knowledge to

1927

01:17:50,810 --> 01:17:48,719

back up their decision making and

1928

01:17:53,209 --> 01:17:50,820

everybody is autonomous and so there's

1929

01:17:56,390 --> 01:17:53,219

usually a consensus or an agreement

1930

01:17:58,850 --> 01:17:56,400

among groups to work together at a

1931

01:18:00,649 --> 01:17:58,860

certain project or a specific thing they

1932

01:18:03,169 --> 01:18:00,659

take turns as a matter of fact they're

1933

01:18:06,169 --> 01:18:03,179

very open and giving to one another and

1934

01:18:08,870 --> 01:18:06,179

so you'll you'll see things change among

1935

01:18:11,209 --> 01:18:08,880

them but it's a consensus change it

1936

01:18:15,110 --> 01:18:11,219

isn't somebody's ordering them to do it

1937

01:18:17,149 --> 01:18:15,120

they they choose to do it so that's how

1938

01:18:19,189 --> 01:18:17,159

they are well I think Vincent has one

1939

01:18:22,130 --> 01:18:19,199

last question yeah

1940

01:18:24,290 --> 01:18:22,140

yeah I got a two uh part question for

1941

01:18:26,930 --> 01:18:24,300

the for the whole real quick now I've

1942

01:18:29,330 --> 01:18:26,940

got an ongoing weird fascination with

1943

01:18:30,950 --> 01:18:29,340

the moon and I've heard some pretty

1944

01:18:33,530 --> 01:18:30,960

strange things about the moon and I was

1945

01:18:35,990 --> 01:18:33,540

wondering if you all have an idea of

1946

01:18:37,729 --> 01:18:36,000

what the moon actually is and if you've

1947

01:18:39,790 --> 01:18:37,739

ever heard of something called the

1948

01:18:42,229 --> 01:18:39,800

Council of five

1949

01:18:44,290 --> 01:18:42,239

that's David's term

1950

01:18:48,530 --> 01:18:44,300

yeah

1951

01:18:51,350 --> 01:18:48,540

uh the Moon is fascinating I degree I

1952

01:18:52,790 --> 01:18:51,360

love the moon as well and there are a

1953

01:18:54,709 --> 01:18:52,800

lot of weird things about it right the

1954

01:18:56,870 --> 01:18:54,719

Moon is much too big for the size of the

1955

01:18:59,870 --> 01:18:56,880

planet that we're on why is the moon

1956

01:19:01,790 --> 01:18:59,880

tidally locked there's so many questions

1957

01:19:02,689 --> 01:19:01,800

that Perfect Circle unlike any other

1958

01:19:05,209 --> 01:19:02,699

Moon

1959

01:19:07,430 --> 01:19:05,219

why does the moon ring when it's struck

1960

01:19:09,610 --> 01:19:07,440

you know we crashed a I can't remember

1961

01:19:12,590 --> 01:19:09,620

what it was one of our

1962

01:19:15,290 --> 01:19:12,600

vehicles into it and the movie wrong you

1963

01:19:18,110 --> 01:19:15,300

know why does so the Moon is fascinating

1964

01:19:20,930 --> 01:19:18,120

and I too um am kind of enthralled with

1965

01:19:23,930 --> 01:19:20,940

the moon I I do love it

1966

01:19:27,110 --> 01:19:23,940

um and the Council of five is that what

1967

01:19:30,530 --> 01:19:27,120

you said I've heard that but I don't

1968

01:19:34,189 --> 01:19:30,540

know that I can remember what that is so

1969

01:19:38,270 --> 01:19:34,199

now you have to tell me well apparently

1970

01:19:41,689 --> 01:19:38,280

this is a group of extraterrestrials

1971

01:19:43,490 --> 01:19:41,699

that have some type of get together on

1972

01:19:46,430 --> 01:19:43,500

The Far Side of the Moon

1973

01:19:48,370 --> 01:19:46,440

uh it's five different races of beings

1974

01:19:50,590 --> 01:19:48,380

or species of beings

1975

01:19:53,450 --> 01:19:50,600

and David

1976

01:19:55,610 --> 01:19:53,460

conkurs that he has been taken there at

1977

01:19:56,689 --> 01:19:55,620

least one point and met with these

1978

01:19:58,850 --> 01:19:56,699

beings

1979

01:20:01,790 --> 01:19:58,860

and they call themselves the Council of

1980

01:20:02,950 --> 01:20:01,800

five now you know I don't know how true

1981

01:20:06,050 --> 01:20:02,960

that is

1982

01:20:07,970 --> 01:20:06,060

uh I have had only ever had one other

1983

01:20:09,410 --> 01:20:07,980

person tell me about that who was an

1984

01:20:12,110 --> 01:20:09,420

experiencer

1985

01:20:13,850 --> 01:20:12,120

so uh yeah that's I

1986

01:20:15,950 --> 01:20:13,860

yeah I'm interested what you all think

1987

01:20:17,630 --> 01:20:15,960

about that I think it's interesting and

1988

01:20:20,510 --> 01:20:17,640

one thing that I always like have to

1989

01:20:22,490 --> 01:20:20,520

remind myself of too is that the things

1990

01:20:25,010 --> 01:20:22,500

that we hear from different experiences

1991

01:20:27,350 --> 01:20:25,020

are based on their experiences right so

1992

01:20:30,410 --> 01:20:27,360

we can't like I'm always very careful

1993

01:20:31,970 --> 01:20:30,420

not to generalize so you know David's

1994

01:20:33,530 --> 01:20:31,980

experiences are based on David's

1995

01:20:35,990 --> 01:20:33,540

experiences that he's had with the

1996

01:20:37,550 --> 01:20:36,000

beings that he's been around and so

1997

01:20:40,250 --> 01:20:37,560

that's where his knowledge base is

1998

01:20:42,050 --> 01:20:40,260

coming from so it's very difficult to

1999

01:20:44,570 --> 01:20:42,060

like you know maybe there is a council

2000

01:20:47,149 --> 01:20:44,580

of five that are associated with the

2001

01:20:48,709 --> 01:20:47,159

beings that he has worked with

2002

01:20:51,110 --> 01:20:48,719

um but you know maybe someone else

2003

01:20:52,729 --> 01:20:51,120

hasn't like myself hasn't heard of that

2004

01:20:54,470 --> 01:20:52,739

I don't know it's an interesting idea

2005

01:20:56,990 --> 01:20:54,480

though

2006

01:20:59,689 --> 01:20:57,000

oh okay well I can tell you what I've

2007

01:21:02,870 --> 01:20:59,699

learned and what my experiences uh first

2008

01:21:05,750 --> 01:21:02,880

of all the Moon is a solid object it is

2009

01:21:10,669 --> 01:21:05,760

a moon a genuine Moon it is not from

2010

01:21:13,610 --> 01:21:10,679

this planet it uh came in during uh

2011

01:21:15,649 --> 01:21:13,620

one of the iterations uh wave way back

2012

01:21:18,890 --> 01:21:15,659

way back

2013

01:21:19,669 --> 01:21:18,900

um right after the atomic dinosaurs

2014

01:21:22,970 --> 01:21:19,679

um

2015

01:21:25,490 --> 01:21:22,980

the all planets ring just so you know

2016

01:21:28,669 --> 01:21:25,500

they all have a resonance sound that

2017

01:21:31,790 --> 01:21:28,679

they make even Earth Earth has a sound

2018

01:21:33,410 --> 01:21:31,800

and it does ring uh some planets ring

2019

01:21:35,930 --> 01:21:33,420

better than others and the moon just

2020

01:21:39,709 --> 01:21:35,940

seems to ring pretty good if you hit it

2021

01:21:42,830 --> 01:21:39,719

it will go it makes a sound

2022

01:21:45,229 --> 01:21:42,840

um it is not Hollow it is a solid object

2023

01:21:49,030 --> 01:21:45,239

E.T does use the moon as a vantage point

2024

01:21:53,570 --> 01:21:49,040

uh it uses the moon as a stationary post

2025

01:21:56,090 --> 01:21:53,580

uh when they're there to observe

2026

01:21:58,669 --> 01:21:56,100

and just uh

2027

01:22:01,250 --> 01:21:58,679

think about what's going on after the

2028

01:22:02,450 --> 01:22:01,260

Apollo missions humans were discouraged

2029

01:22:05,030 --> 01:22:02,460

the governments of this world were

2030

01:22:06,950 --> 01:22:05,040

discouraged by Ed not in direct contact

2031

01:22:09,229 --> 01:22:06,960

with them but just letting them know by

2032

01:22:10,550 --> 01:22:09,239

showing up that we really don't think

2033

01:22:12,050 --> 01:22:10,560

you need to be hanging around here right

2034

01:22:15,050 --> 01:22:12,060

now and they stop

2035

01:22:18,350 --> 01:22:15,060

you noticed after the Apollo last one

2036

01:22:20,209 --> 01:22:18,360

came back they stopped cold the fact

2037

01:22:21,830 --> 01:22:20,219

that E.T bugged out about a year and a

2038

01:22:24,050 --> 01:22:21,840

half or two years ago you've seen

2039

01:22:25,729 --> 01:22:24,060

activity pick back up and we're now

2040

01:22:27,410 --> 01:22:25,739

going back to the Moon again because

2041

01:22:29,630 --> 01:22:27,420

they're literally not there to interfere

2042

01:22:31,550 --> 01:22:29,640

with them at all and they feel they have

2043

01:22:33,290 --> 01:22:31,560

impunity now to go there and check

2044

01:22:35,689 --> 01:22:33,300

everything out

2045

01:22:38,090 --> 01:22:35,699

what they will find is some structures

2046

01:22:39,830 --> 01:22:38,100

there that EP has left behind that's

2047

01:22:41,990 --> 01:22:39,840

absolute proof they've left structures

2048

01:22:44,750 --> 01:22:42,000

on this Earth as well

2049

01:22:48,169 --> 01:22:44,760

um so that's all there is with that

2050

01:22:49,970 --> 01:22:48,179

um there is no in my experience there is

2051

01:22:52,729 --> 01:22:49,980

no council of five I have never come in

2052

01:22:55,430 --> 01:22:52,739

contact with it I have never seen it and

2053

01:23:00,310 --> 01:22:55,440

I've gotten around pretty good they just

2054

01:23:04,250 --> 01:23:00,320

don't exist that's another uh uh myth or

2055

01:23:08,870 --> 01:23:06,169

point you know

2056

01:23:10,910 --> 01:23:08,880

data point that somebody pushes here for

2057

01:23:13,430 --> 01:23:10,920

you to think about no there's no

2058

01:23:16,209 --> 01:23:13,440

Galactic Federation at all none of that

2059

01:23:18,290 --> 01:23:16,219

it does not exist ET is a

2060

01:23:20,870 --> 01:23:18,300

conglomeration of entities that are

2061

01:23:22,729 --> 01:23:20,880

highly evolved they work together and

2062

01:23:24,709 --> 01:23:22,739

they get a whole universe to play in

2063

01:23:28,610 --> 01:23:24,719

they don't need

2064

01:23:31,970 --> 01:23:28,620

we don't need to keep impounding them

2065

01:23:33,950 --> 01:23:31,980

with our value systems and how we see

2066

01:23:35,810 --> 01:23:33,960

things they don't even use the word

2067

01:23:37,610 --> 01:23:35,820

Federation at all it's not even in their

2068

01:23:40,790 --> 01:23:37,620

vocabulary

2069

01:23:42,290 --> 01:23:40,800

understand it at all if you do talk to

2070

01:23:43,669 --> 01:23:42,300

the peoples though that have been on

2071

01:23:45,709 --> 01:23:43,679

this planet and have had contact

2072

01:23:47,750 --> 01:23:45,719

constant contact with them like the

2073

01:23:49,370 --> 01:23:47,760

natives around this world they will tell

2074

01:23:50,209 --> 01:23:49,380

you the same thing that they are the

2075

01:23:52,510 --> 01:23:50,219

people

2076

01:23:54,709 --> 01:23:52,520

they have no government they don't

2077

01:23:57,770 --> 01:23:54,719

native peoples don't really have a

2078

01:24:00,290 --> 01:23:57,780

government they have councils and their

2079

01:24:02,570 --> 01:24:00,300

Elders work with them you know we've got

2080

01:24:04,070 --> 01:24:02,580

lots of pointers to what the reality is

2081

01:24:06,890 --> 01:24:04,080

we just need to open our eyes a little

2082

01:24:09,229 --> 01:24:06,900

bit better and you know take it a step

2083

01:24:12,590 --> 01:24:09,239

further and understand it this was given

2084

01:24:15,770 --> 01:24:12,600

to us to understand a long time ago so

2085

01:24:17,450 --> 01:24:15,780

yeah yeah I I think I agree with what

2086

01:24:19,850 --> 01:24:17,460

doll is saying I don't have any evidence

2087

01:24:21,770 --> 01:24:19,860

that there was a Galactic Federation I

2088

01:24:24,050 --> 01:24:21,780

think there's some terminology issues

2089

01:24:25,430 --> 01:24:24,060

that we're dealing with because I do

2090

01:24:27,709 --> 01:24:25,440

think people will might perceive

2091

01:24:29,630 --> 01:24:27,719

something as a council but are in

2092

01:24:32,750 --> 01:24:29,640

essence imposing our own

2093

01:24:34,250 --> 01:24:32,760

cultural and societal values because I

2094

01:24:35,810 --> 01:24:34,260

don't have any evidence et's have a

2095

01:24:37,610 --> 01:24:35,820

federalized system of government

2096

01:24:39,709 --> 01:24:37,620

whatsoever

2097

01:24:41,630 --> 01:24:39,719

and I've heard of the Council of five

2098

01:24:43,669 --> 01:24:41,640

the Council of nine and this sort of

2099

01:24:45,890 --> 01:24:43,679

thing I don't have any first-hand

2100

01:24:49,010 --> 01:24:45,900

reporting on that I would say put it

2101
01:24:51,470 --> 01:24:49,020
that way but as far as the moon oh yeah

2102
01:24:53,810 --> 01:24:51,480
I've talked to contactees who have been

2103
01:24:55,250 --> 01:24:53,820
there and have seen structures I first

2104
01:24:57,050 --> 01:24:55,260
became interested when I interviewed a

2105
01:24:59,510 --> 01:24:57,060
gentleman who was on the boat that

2106
01:25:01,250 --> 01:24:59,520
picked up the astronauts it was a petty

2107
01:25:03,649 --> 01:25:01,260
photographer and he talked to the

2108
01:25:05,450 --> 01:25:03,659
astronauts first hand and he said that

2109
01:25:07,550 --> 01:25:05,460
they told him their stuff up there that

2110
01:25:10,070 --> 01:25:07,560
we're not being told about he saw

2111
01:25:11,689 --> 01:25:10,080
photographs of it firsthand that got me

2112
01:25:14,270 --> 01:25:11,699
interested in it and I realized okay

2113
01:25:16,970 --> 01:25:14,280

there's Glenn Steckling's book we found

2114

01:25:19,430 --> 01:25:16,980

alien bases on the moon George Leonard's

2115

01:25:22,310 --> 01:25:19,440

book someone else is on the moon there's

2116

01:25:24,350 --> 01:25:22,320

a whole slew of literature out there and

2117

01:25:26,149 --> 01:25:24,360

a lot of NASA whistleblowers and people

2118

01:25:28,910 --> 01:25:26,159

within the military-industrial complex

2119

01:25:31,189 --> 01:25:28,920

who are reporting on seeing structures

2120

01:25:33,830 --> 01:25:31,199

on the moon I have no doubt their stuff

2121

01:25:36,830 --> 01:25:33,840

up there oh I think this is going to be

2122

01:25:39,350 --> 01:25:36,840

one of the big stories that will at some

2123

01:25:40,910 --> 01:25:39,360

point break that NASA is hiding

2124

01:25:41,770 --> 01:25:40,920

information about what they found up

2125

01:25:49,550 --> 01:25:41,780

there

2126
01:25:50,450 --> 01:25:49,560
uh alien bases very old ones this sort

2127
01:25:52,910 --> 01:25:50,460
of thing

2128
01:25:54,950 --> 01:25:52,920
uh and just to close that off there's

2129
01:25:57,290 --> 01:25:54,960
it's scientifically proven pretty much

2130
01:25:58,729 --> 01:25:57,300
that there's stuff going on there

2131
01:26:02,510 --> 01:25:58,739
uh it's been seen ever since we've

2132
01:26:04,370 --> 01:26:02,520
gotten telescopes changes in the surface

2133
01:26:07,129 --> 01:26:04,380
of the Moon lights and organized

2134
01:26:09,770 --> 01:26:07,139
structures are called TLP transient

2135
01:26:11,750 --> 01:26:09,780
lunar phenomena and if you look that up

2136
01:26:13,729 --> 01:26:11,760
you'll see there's an enormous amount of

2137
01:26:15,050 --> 01:26:13,739
evidence of people seeing all kinds of

2138
01:26:18,770 --> 01:26:15,060

stuff up there

2139

01:26:22,729 --> 01:26:18,780

mm-hmm I would say one of my first like

2140

01:26:27,470 --> 01:26:22,739

uh real memories was being in one of our

2141

01:26:28,370 --> 01:26:27,480

craft a human craft hovering right above

2142

01:26:29,870 --> 01:26:28,380

the Moon

2143

01:26:32,030 --> 01:26:29,880

um I looked out and there was the moon

2144

01:26:34,490 --> 01:26:32,040

right down there like

2145

01:26:36,470 --> 01:26:34,500

you were flying on an airplane it was

2146

01:26:37,970 --> 01:26:36,480

pretty crazy we weren't on the surface

2147

01:26:40,550 --> 01:26:37,980

of the Moon but we were hovering right

2148

01:26:45,590 --> 01:26:40,560

above it it was pretty incredible

2149

01:26:48,649 --> 01:26:45,600

yeah well I'm uh going to uh end the

2150

01:26:50,390 --> 01:26:48,659

show and ask you all each of you to give

2151

01:26:52,490 --> 01:26:50,400

us some give the folks an idea how they

2152

01:26:54,890 --> 01:26:52,500

can contact you what your projects are

2153

01:26:57,649 --> 01:26:54,900

coming up and uh anything else you'd

2154

01:27:00,350 --> 01:26:57,659

like to to say go ahead Preston

2155

01:27:01,729 --> 01:27:00,360

oh thanks thanks very much Lon I do have

2156

01:27:03,770 --> 01:27:01,739

a website if you want to reach out to me

2157

01:27:05,629 --> 01:27:03,780

just punch my name in there I've got a

2158

01:27:08,450 --> 01:27:05,639

bunch of books out my most recent ones

2159

01:27:10,250 --> 01:27:08,460

are symmetry A true UFO Adventure which

2160

01:27:12,110 --> 01:27:10,260

is all about Dolly's lifelong

2161

01:27:15,350 --> 01:27:12,120

experiences is a fully conscious contact

2162

01:27:17,689 --> 01:27:15,360

D I just put out a fourth volume of my

2163

01:27:20,450 --> 01:27:17,699

not from here series but the more

2164

01:27:22,250 --> 01:27:20,460

unusual aspects of UFO encounters you

2165

01:27:25,189 --> 01:27:22,260

can find my stuff on Amazon and other

2166

01:27:29,270 --> 01:27:25,199

online retailers I'm also on YouTube and

2167

01:27:30,830 --> 01:27:29,280

other social media platforms and yeah I

2168

01:27:32,570 --> 01:27:30,840

really appreciate you having us on the

2169

01:27:34,250 --> 01:27:32,580

show I think this is an important topic

2170

01:27:37,490 --> 01:27:34,260

very delighted to see it's going

2171

01:27:41,510 --> 01:27:37,500

mainstream so thanks very much

2172

01:27:43,610 --> 01:27:41,520

uh yulin uh you can find me on YouTube

2173

01:27:44,870 --> 01:27:43,620

at rebellious ufology I've taken a

2174

01:27:46,310 --> 01:27:44,880

little bit of a break but I'll be coming

2175

01:27:48,410 --> 01:27:46,320

back

2176
01:27:51,169 --> 01:27:48,420
um so very excited about that hopefully

2177
01:27:52,430 --> 01:27:51,179
maybe next week we'll see uh if I can

2178
01:27:55,490 --> 01:27:52,440
get it pulled together in that amount of

2179
01:27:57,229 --> 01:27:55,500
time I'm also on Twitter rebellious UFO

2180
01:27:58,790 --> 01:27:57,239
and

2181
01:28:00,229 --> 01:27:58,800
um Instagram you can find me as well I

2182
01:28:01,850 --> 01:28:00,239
think I'm just under Lynn Hurley on

2183
01:28:04,010 --> 01:28:01,860
Instagram

2184
01:28:07,070 --> 01:28:04,020
and Dolly

2185
01:28:09,410 --> 01:28:07,080
um I'm uh just striking out still um I

2186
01:28:11,629 --> 01:28:09,420
started a YouTube channel and I'm there

2187
01:28:14,570 --> 01:28:11,639
and I've started to put my first video

2188
01:28:16,610 --> 01:28:14,580

out and then had some issues that I had

2189

01:28:19,070 --> 01:28:16,620

to back down for a bit but I'm getting

2190

01:28:20,930 --> 01:28:19,080

ready to throw out again and I've been

2191

01:28:22,610 --> 01:28:20,940

doing some work still with Preston about

2192

01:28:24,770 --> 01:28:22,620

the book and everything tour put videos

2193

01:28:26,390 --> 01:28:24,780

about that if you look me up on

2194

01:28:29,810 --> 01:28:26,400

messenger I'll answer you I try to

2195

01:28:32,510 --> 01:28:29,820

answer you in chats and uh you can ask

2196

01:28:34,850 --> 01:28:32,520

me questions on my YouTube as well and

2197

01:28:36,290 --> 01:28:34,860

for right now that's As Good As It Gets

2198

01:28:38,030 --> 01:28:36,300

Pizza

2199

01:28:39,410 --> 01:28:38,040

okay well I want to thank each of you

2200

01:28:42,050 --> 01:28:39,420

for coming on tonight it was very

2201

01:28:43,790 --> 01:28:42,060

interesting conversation and uh and

2202

01:28:44,689 --> 01:28:43,800

invitations opened you all for the

2203

01:28:46,669 --> 01:28:44,699

future

2204

01:28:49,250 --> 01:28:46,679

thank you thanks so much for having us

2205

01:28:51,709 --> 01:28:49,260

very much yeah yeah thank you so much

2206

01:28:54,350 --> 01:28:51,719

guys for coming on tonight I really

2207

01:28:57,729 --> 01:28:54,360

appreciate it you're most welcome

2208

01:29:00,770 --> 01:28:57,739

and you all have a great weekend

2209

01:29:04,149 --> 01:29:00,780

happy holidays enjoy your family and

2210

01:29:11,410 --> 01:29:06,830

I'm glad to see you again we got a new

2211

01:29:15,830 --> 01:29:11,420

phone okay all right okay bye guys

2212

01:29:19,550 --> 01:29:18,169

now if you have a citing your encounter

2213

01:29:21,229 --> 01:29:19,560

report that you would like to be

2214

01:29:23,689 --> 01:29:21,239

considered for the personal report show

2215

01:29:26,770 --> 01:29:23,699

or Postal fans of monsters feel free to

2216

01:29:28,490 --> 01:29:26,780

contact now my email lawn

2217

01:29:30,470 --> 01:29:28,500

stricklerfamousthemonsters.com I want to

2218

01:29:33,050 --> 01:29:30,480

again thank Preston Lynn and Dolly for

2219

01:29:34,490 --> 01:29:33,060

joining me this evening and thanks to

2220

01:29:36,169 --> 01:29:34,500

each and all of you for watching and

2221

01:29:38,870 --> 01:29:36,179

chatting if you made a Super Chat

2222

01:29:40,430 --> 01:29:38,880

donation is truly appreciated your

2223

01:29:42,590 --> 01:29:40,440

support is what makes makes all this

2224

01:29:44,810 --> 01:29:42,600

possible so please like And subscribe

2225

01:29:47,030 --> 01:29:44,820

and um share

2226

01:29:49,490 --> 01:29:47,040

so next Friday my guests will be

2227

01:29:52,610 --> 01:29:49,500

paranormal researcher investigator and

2228

01:29:54,410 --> 01:29:52,620

author Steve Stockton uh we're going to

2229

01:29:56,390 --> 01:29:54,420

be discussing his current practice

2230

01:29:59,270 --> 01:29:56,400

project projects and get into the

2231

01:30:01,729 --> 01:29:59,280

nitty-gritty of the Paranormal encrypted

2232

01:30:04,189 --> 01:30:01,739

world and you know how Steve is he he

2233

01:30:05,930 --> 01:30:04,199

will get in there so uh should be an

2234

01:30:08,030 --> 01:30:05,940

interesting conversation

2235

01:30:09,590 --> 01:30:08,040

so stay tuned for Bernadette McDaniel's

2236

01:30:12,169 --> 01:30:09,600

a paranormal life here on fans of

2237

01:30:15,590 --> 01:30:12,179

monsters radio at 11 PM Eastern 8 P.M

2238

01:30:17,090 --> 01:30:15,600

Pacific so until I see you against a

2239

01:30:27,560 --> 01:30:17,100

healthy have a safe enjoyable weekend

2240

01:31:17,649 --> 01:30:44,340

[Music]

2241

01:31:21,160 --> 01:31:19,550

thank you
