this evening well glad to be here Lon

62
00:02:56,350 --> 00:02:53,879
thanks for that introduction I wish I

63
00:02:59,449 --> 00:02:56,360

had a better show for you now

64

00:03:01,309 --> 00:02:59,459

all right we're gonna have some fun well

65

00:03:03,650 --> 00:03:01,319

you know what I'm gonna do tonight I'm

66

00:03:06,410 --> 00:03:03,660

gonna open it up for the audience to ask

67

00:03:08,930 --> 00:03:06,420

you questions and uh but there is one

68

00:03:10,309 --> 00:03:08,940

question I do want to ask you and that

69

00:03:13,729 --> 00:03:10,319

is you know

70

00:03:16,610 --> 00:03:13,739

out of all your encounters or and you

71

00:03:19,130 --> 00:03:16,620

know your investigations which one of

72

00:03:21,589 --> 00:03:19,140

those sticks with you the most

73

00:03:24,649 --> 00:03:21,599

well as as far as the the missing

74

00:03:26,449 --> 00:03:24,659

persons cases uh it would have to be the

75

00:03:30,470 --> 00:03:26,459

Dennis Martin case and the Great Smoky

76
00:03:32,869 --> 00:03:30,480
Mountains happened Father's Day 1969. uh

77
00:03:34,070 --> 00:03:32,879
Dennis was just about a year older than

78
00:03:37,729 --> 00:03:34,080
I am

79
00:03:41,089 --> 00:03:37,739
was at the time and um we're from the

80
00:03:42,770 --> 00:03:41,099
same town same Knoxville and uh he'd

81
00:03:44,809 --> 00:03:42,780
gone up there with his father and

82
00:03:46,910 --> 00:03:44,819
brother and grandfather to spend

83
00:03:49,789 --> 00:03:46,920
Father's Day in Spence field which is up

84
00:03:51,890 --> 00:03:49,799
above Kate's Cove and uh met another

85
00:03:53,930 --> 00:03:51,900
family up there also named the Martins

86
00:03:55,550 --> 00:03:53,940
one of just those little 40 and

87
00:03:57,830 --> 00:03:55,560
coincidences that happened a lot of

88
00:03:58,850 --> 00:03:57,840

times in these cases uh no relation I

89

00:04:01,729 --> 00:03:58,860

don't think

90

00:04:03,470 --> 00:04:01,739

and the kids were playing together and

91

00:04:06,130 --> 00:04:03,480

they either played hide and seek or

92

00:04:08,270 --> 00:04:06,140

trying to sneak up and scare the adults

93

00:04:10,250 --> 00:04:08,280

Dennis's father watched him go around

94

00:04:13,009 --> 00:04:10,260

behind some brush

95

00:04:15,949 --> 00:04:13,019

and then later when the other boys

96

00:04:17,930 --> 00:04:15,959

came out no Dennis and they said we

97

00:04:19,729 --> 00:04:17,940

haven't seen him since we were playing

98

00:04:22,450 --> 00:04:19,739

his father walked around the pile of

99

00:04:24,950 --> 00:04:22,460

brush into the pile of brush no dinners

100

00:04:27,650 --> 00:04:24,960

the grandfather took off down to the

101
00:04:29,390 --> 00:04:27,660
ranger station to get some help and his

102
00:04:31,129 --> 00:04:29,400
dad took off in a run down the

103
00:04:32,930 --> 00:04:31,139
Appalachian Trail which is just right

104
00:04:36,110 --> 00:04:32,940
there at the edge of Spence field

105
00:04:38,450 --> 00:04:36,120
and uh no sign of him been missing ever

106
00:04:39,530 --> 00:04:38,460
since in that case has always stuck with

107
00:04:40,909 --> 00:04:39,540
me

108
00:04:42,590 --> 00:04:40,919
um now I'd already had paranormal

109
00:04:45,409 --> 00:04:42,600
experiences and Things by then and

110
00:04:47,749 --> 00:04:45,419
Things by then but

111
00:04:49,370 --> 00:04:47,759
I I really lost my innocence it was the

112
00:04:52,070 --> 00:04:49,380
first time I realized that yes a kid can

113
00:04:54,350 --> 00:04:52,080

go missing and not show up no sign of

114

00:04:58,310 --> 00:04:54,360

him nothing ever found I followed the

115

00:05:00,170 --> 00:04:58,320

local news uh for years and and clipped

116

00:05:01,790 --> 00:05:00,180

out to everything I could find I still

117

00:05:04,790 --> 00:05:01,800

have a couple scrapbooks full of stuff

118

00:05:07,249 --> 00:05:04,800

but that one more than anything as far

119

00:05:09,530 --> 00:05:07,259

as a missing person's case no that

120

00:05:10,490 --> 00:05:09,540

sticks with me that one haunts me

121

00:05:12,770 --> 00:05:10,500

okay

122

00:05:16,730 --> 00:05:12,780

well you know they're and you and I

123

00:05:20,030 --> 00:05:16,740

talked about this uh we had family that

124

00:05:21,350 --> 00:05:20,040

you know from that area and um you know

125

00:05:22,969 --> 00:05:21,360

you've mentioned to me that your

126

00:05:24,790 --> 00:05:22,979

great-grandmother was full blood

127

00:05:28,070 --> 00:05:24,800

Cherokee mine was too

128

00:05:30,050 --> 00:05:28,080

and uh I've heard so many tales from up

129

00:05:31,390 --> 00:05:30,060

there in the Smoky Mountains from from

130

00:05:35,330 --> 00:05:31,400

relatives

131

00:05:38,570 --> 00:05:35,340

uh and uh it's just a strange area I

132

00:05:40,610 --> 00:05:38,580

mean you know people talk about well

133

00:05:42,409 --> 00:05:40,620

some call them the booger some of them

134

00:05:44,270 --> 00:05:42,419

call them wild men my own great uncle

135

00:05:46,850 --> 00:05:44,280

used to call it a wild man used to mess

136

00:05:49,730 --> 00:05:46,860

with these still all the time

137

00:05:51,650 --> 00:05:49,740

um you know so uh yeah the stories are

138

00:05:52,850 --> 00:05:51,660

are there's a lot of them that come out

139

00:05:55,189 --> 00:05:52,860

of there you know of course you got

140

00:05:57,350 --> 00:05:55,199

people that come across the the

141

00:05:59,810 --> 00:05:57,360

Appalachian Trail and they come down and

142

00:06:02,210 --> 00:05:59,820

you hear lots of stories from them

143

00:06:03,170 --> 00:06:02,220

but it's just it's just an interesting

144

00:06:05,689 --> 00:06:03,180

area

145

00:06:08,150 --> 00:06:05,699

yeah the whole Appalachian range starts

146

00:06:10,370 --> 00:06:08,160

in Georgia goes all the way up uh into

147

00:06:13,310 --> 00:06:10,380

Maine and I've never through hiked it

148

00:06:14,390 --> 00:06:13,320

but I've hiked on a lot of it and

149

00:06:15,710 --> 00:06:14,400

there's just some strange places

150

00:06:18,050 --> 00:06:15,720

particularly in the southern

151

00:06:19,790 --> 00:06:18,060

Appalachians and my granny on my

152

00:06:22,370 --> 00:06:19,800

mother's side she was from the Cades

153

00:06:23,990 --> 00:06:22,380

Cove area grew up there and according to

154

00:06:26,930 --> 00:06:24,000

her there was a hint or a booger and

155

00:06:29,570 --> 00:06:26,940

never holler and yeah the booger could

156

00:06:32,090 --> 00:06:29,580

be anything a wild man some kind of

157

00:06:34,189 --> 00:06:32,100

weird Cryptid there was always some

158

00:06:36,650 --> 00:06:34,199

story of something you had to be careful

159

00:06:39,290 --> 00:06:36,660

out there in the woods and then on the

160

00:06:42,409 --> 00:06:39,300

Cherokee side they had all kinds of

161

00:06:44,510 --> 00:06:42,419

Legends and lore and shapeshifters of

162

00:06:46,249 --> 00:06:44,520

things like spear finger things like

163

00:06:49,070 --> 00:06:46,259

that that they would admonish you for

164

00:06:50,990 --> 00:06:49,080

even talking about don't even speak its

165

00:06:53,450 --> 00:06:51,000

name aloud you'll draw it to you don't

166

00:06:55,070 --> 00:06:53,460

even think about it and you'd get in

167

00:06:58,010 --> 00:06:55,080

trouble for some of that but the smokies

168

00:07:00,469 --> 00:06:58,020

in particular you know there's hauntings

169

00:07:02,890 --> 00:07:00,479

there's Bigfoot sightings there's other

170

00:07:06,770 --> 00:07:02,900

Cryptids there's strange disappearances

171

00:07:09,650 --> 00:07:06,780

uh just the whole gamut

172

00:07:11,809 --> 00:07:09,660

yeah I I know it it's been it was

173

00:07:13,610 --> 00:07:11,819

difficult to get stories out of out of

174

00:07:15,710 --> 00:07:13,620

the uh First Nations people and the

175

00:07:16,430 --> 00:07:15,720

people in Cherokee

176

00:07:18,890 --> 00:07:16,440

um

177

00:07:21,650 --> 00:07:18,900

you know very similar to what we

178

00:07:24,730 --> 00:07:21,660

experience out in uh the Donate Navajo

179

00:07:28,370 --> 00:07:24,740

reservation uh the older folks out there

180

00:07:30,230 --> 00:07:28,380

they will not talk about Skin Walkers or

181

00:07:31,670 --> 00:07:30,240

anything related to that and it's you

182

00:07:33,290 --> 00:07:31,680

know a little correction there he said I

183

00:07:36,710 --> 00:07:33,300

lived in Portland Oregon I moved from

184

00:07:39,350 --> 00:07:36,720

there in July I'm in uh the high desert

185

00:07:42,010 --> 00:07:39,360

in New Mexico now right in the edge oh

186

00:07:44,330 --> 00:07:42,020

really Navajo Nation reservation the DNA

187

00:07:46,790 --> 00:07:44,340

I went in the post office the other day

188

00:07:49,249 --> 00:07:46,800

to mail some books off had on a Bigfoot

189

00:07:52,430 --> 00:07:49,259

t-shirt now the whole guy waited on me

190

00:07:55,070 --> 00:07:52,440

he said let me get some info from you

191

00:07:57,170 --> 00:07:55,080

I've got some stories I'll tell you so

192

00:08:01,010 --> 00:07:57,180

I'm looking forward to that but yeah out

193

00:08:02,390 --> 00:08:01,020

here of Skin Walkers uh shape shifters a

194

00:08:04,790 --> 00:08:02,400

little bit everything the Four Corners

195

00:08:07,969 --> 00:08:04,800

isn't that far away

196

00:08:10,129 --> 00:08:07,979

um are you around Farmington yeah I'm in

197

00:08:13,790 --> 00:08:10,139

Farmington good girl yes there I just

198

00:08:17,330 --> 00:08:13,800

just a few miles south of Durango

199

00:08:20,089 --> 00:08:17,340

Colorado and I love it up here

200

00:08:21,589 --> 00:08:20,099

yeah you know I promised JC so many

201
00:08:23,450 --> 00:08:21,599
times I was going to come out there and

202
00:08:26,029 --> 00:08:23,460
tag along with him just did

203
00:08:28,070 --> 00:08:26,039
unfortunately it just never happened but

204
00:08:30,050 --> 00:08:28,080
uh man I'm telling you some of the stuff

205
00:08:34,250 --> 00:08:30,060
had come out of it over the years just

206
00:08:38,209 --> 00:08:34,260
unbelievable the DNA magic there was a

207
00:08:39,649 --> 00:08:38,219
Infamous Syria or a murder uh just over

208
00:08:42,589 --> 00:08:39,659
the hill here in a place called Choke

209
00:08:44,810 --> 00:08:42,599
Cherry Canyon I know what I heard 70s

210
00:08:46,430 --> 00:08:44,820
you know about that one well the kids

211
00:08:49,130 --> 00:08:46,440
that perpetrated that they were high

212
00:08:52,550 --> 00:08:49,140
school kids but they ended up killing a

213
00:08:54,730 --> 00:08:52,560

native of the Navajo dine person and

214

00:08:58,070 --> 00:08:54,740

they got off with a slap on the wrist

215

00:08:59,930 --> 00:08:58,080

and there was a shaman thought that

216

00:09:01,730 --> 00:08:59,940

ain't going to happen but a curse on

217

00:09:03,350 --> 00:09:01,740

them every single one of them died under

218

00:09:05,210 --> 00:09:03,360

mysterious circumstances there's a

219

00:09:06,470 --> 00:09:05,220

really good book about that can't

220

00:09:09,050 --> 00:09:06,480

remember the gentleman's name but I

221

00:09:12,230 --> 00:09:09,060

believe it's called the circle

222

00:09:14,570 --> 00:09:12,240

well yeah I have to look for that I love

223

00:09:17,210 --> 00:09:14,580

I love those stories I love those uh and

224

00:09:20,110 --> 00:09:17,220

I've been up there Choke Cherry Canyon

225

00:09:22,070 --> 00:09:20,120

um if you go to My Band Camp Page

226
00:09:23,750 --> 00:09:22,080
bandcamp.stevesstockton.com I'm doing

227
00:09:27,110 --> 00:09:23,760
some spoken word over there my picture

228
00:09:29,269 --> 00:09:27,120
that I use for that is uh that was made

229
00:09:32,210 --> 00:09:29,279
in silk Cherry Canyon and there's just

230
00:09:34,009 --> 00:09:32,220
there's an eerie feeling up there I mean

231
00:09:36,290 --> 00:09:34,019
not only because of the murder but just

232
00:09:38,570 --> 00:09:36,300
because of the other stuff I've got a

233
00:09:41,030 --> 00:09:38,580
really good friend that's lived here for

234
00:09:43,190 --> 00:09:41,040
a long time went to high school here and

235
00:09:44,990 --> 00:09:43,200
uh she told me about an encounter she'd

236
00:09:47,210 --> 00:09:45,000
had her her and some friends are out

237
00:09:49,970 --> 00:09:47,220
near Choke Cherry Canyon one night

238
00:09:52,430 --> 00:09:49,980

and an old lady came up this dirt road

239

00:09:55,009 --> 00:09:52,440

just just booking a little old granny

240

00:09:56,630 --> 00:09:55,019

lady and uh scared him out of there they

241

00:09:59,329 --> 00:09:56,640

thought that was probably some kind

242

00:10:01,030 --> 00:09:59,339

there we go Rodney Barker the broken

243

00:10:05,150 --> 00:10:01,040

Circle

244

00:10:07,130 --> 00:10:05,160

that is an excellent excellent read

245

00:10:09,590 --> 00:10:07,140

definitely gonna have to put that on my

246

00:10:11,690 --> 00:10:09,600

list I gotta yeah I love those stories

247

00:10:13,070 --> 00:10:11,700

uh you know every once in a while you

248

00:10:16,610 --> 00:10:13,080

can get one of the younger ones to

249

00:10:17,750 --> 00:10:16,620

entice them to talk about it a story

250

00:10:21,530 --> 00:10:17,760

that came out of their their

251
00:10:24,949 --> 00:10:21,540
grandparents or whoever but uh the older

252
00:10:27,829 --> 00:10:24,959
folks nope it ain't gonna happen I I

253
00:10:30,590 --> 00:10:27,839
have tried and it just is not gonna it's

254
00:10:34,310 --> 00:10:30,600
just not gonna happen so um it's

255
00:10:35,990 --> 00:10:34,320
interesting I uh but I I you know those

256
00:10:40,070 --> 00:10:36,000
years that I did

257
00:10:41,269 --> 00:10:40,080
work with JC and and listen to his tales

258
00:10:43,550 --> 00:10:41,279
and the things that he had been

259
00:10:46,790 --> 00:10:43,560
investigating up and also some of the

260
00:10:48,829 --> 00:10:46,800
the guys who were with the Navajo police

261
00:10:51,650 --> 00:10:48,839
and some of the cases they were involved

262
00:10:54,350 --> 00:10:51,660
with it yeah cops show watch that

263
00:10:55,850 --> 00:10:54,360

episode called the howler yeah that'll

264

00:10:57,650 --> 00:10:55,860

put they'll stand the hair up on the

265

00:11:00,949 --> 00:10:57,660

back of your neck

266

00:11:02,750 --> 00:11:00,959

yeah and uh you know I have I have

267

00:11:05,449 --> 00:11:02,760

talked to one of the guys that did that

268

00:11:07,610 --> 00:11:05,459

show and JC said that's absolutely true

269

00:11:09,889 --> 00:11:07,620

he said they have been talking about

270

00:11:11,329 --> 00:11:09,899

that thing for years and years and years

271

00:11:13,850 --> 00:11:11,339

and um

272

00:11:16,009 --> 00:11:13,860

well it's just uh there's just a lot of

273

00:11:18,370 --> 00:11:16,019

things that are unexplained the fact

274

00:11:20,630 --> 00:11:18,380

that there have been so many residents

275

00:11:22,370 --> 00:11:20,640

reservation residents who have had

276

00:11:24,230 --> 00:11:22,380

encounters with Bigfoot and some of

277

00:11:26,870 --> 00:11:24,240

these these uh

278

00:11:28,850 --> 00:11:26,880

even even crypto canines other than Skin

279

00:11:32,210 --> 00:11:28,860

Walkers I mean you know

280

00:11:34,310 --> 00:11:32,220

um it's it's interesting I mean and uh

281

00:11:36,410 --> 00:11:34,320

you know when I can get it when I can

282

00:11:38,690 --> 00:11:36,420

get a story like that I look oh I'm

283

00:11:40,790 --> 00:11:38,700

looking forward to it uh you know that's

284

00:11:43,310 --> 00:11:40,800

the first thing that goes up

285

00:11:45,290 --> 00:11:43,320

yeah definitely and that's the thing

286

00:11:47,569 --> 00:11:45,300

about skin walker at The Shape Shifter

287

00:11:50,750 --> 00:11:47,579

it can be anything it Compares a person

288

00:11:53,269 --> 00:11:50,760

an animal uh some sort of weird creature

289

00:11:56,150 --> 00:11:53,279

and that's that's all throughout this

290

00:11:59,150 --> 00:11:56,160

area and uh not only the Navajo or the

291

00:12:00,650 --> 00:11:59,160

DNA but uh the youth the sleeping youth

292

00:12:03,530 --> 00:12:00,660

they're just up the road going toward

293

00:12:06,530 --> 00:12:03,540

Durango and they've got a lot of stories

294

00:12:08,569 --> 00:12:06,540

now the Legends differ somewhat just

295

00:12:10,670 --> 00:12:08,579

more of a colloquial killing of it but

296

00:12:12,829 --> 00:12:10,680

it's still kind of the same thing it's

297

00:12:15,829 --> 00:12:12,839

they've all got those the same with the

298

00:12:18,350 --> 00:12:15,839

Cherokee in the Smokies the Western band

299

00:12:19,850 --> 00:12:18,360

of the Cherokee there they've got shape

300

00:12:21,530 --> 00:12:19,860

shifters they've got Skin Walkers

301

00:12:25,730 --> 00:12:21,540

they've got Harry Giants they've got

302

00:12:28,490 --> 00:12:25,740

little people a little bit of everything

303

00:12:31,490 --> 00:12:28,500

yeah I don't think you can really find a

304

00:12:33,170 --> 00:12:31,500

a First Nations tribe that doesn't have

305

00:12:36,530 --> 00:12:33,180

some type of folklore that's very

306

00:12:38,569 --> 00:12:36,540

similar to that you know around here we

307

00:12:40,250 --> 00:12:38,579

have a few that from the old Susquehanna

308

00:12:43,009 --> 00:12:40,260

that most of those died out pretty

309

00:12:45,170 --> 00:12:43,019

quickly or have gotten moved off uh but

310

00:12:46,910 --> 00:12:45,180

there's been a lot of uh a lot of Shawn

311

00:12:50,269 --> 00:12:46,920

details here and of course they moved

312

00:12:52,310 --> 00:12:50,279

back down south into uh into Ohio and

313

00:12:53,750 --> 00:12:52,320

West Virginia but

314

00:12:55,250 --> 00:12:53,760

um yeah there's been a lot of tribes

315

00:12:57,949 --> 00:12:55,260

here so we have heard a lot of different

316

00:12:59,810 --> 00:12:57,959

things and it's it's Nationwide you go

317

00:13:02,329 --> 00:12:59,820

up into New England or the Algonquins

318

00:13:04,730 --> 00:13:02,339

they've got similar stories uh when I

319

00:13:06,949 --> 00:13:04,740

lived in the Pacific Northwest uh the

320

00:13:09,290 --> 00:13:06,959

Yakima tribe and there's another one

321

00:13:10,610 --> 00:13:09,300

there in Washington state I can't

322

00:13:13,009 --> 00:13:10,620

remember but they had the same thing

323

00:13:15,829 --> 00:13:13,019

with the little people and and spoke

324

00:13:18,949 --> 00:13:15,839

lights in the woods and hairy Giants a

325

00:13:22,250 --> 00:13:18,959

lot a lot of Bigfoot Sasquatch activity

326

00:13:24,050 --> 00:13:22,260

in the Pacific Northwest only had one

327

00:13:26,930 --> 00:13:24,060

Brief Encounter where I saw something

328

00:13:29,150 --> 00:13:26,940

that I thought may have been in a

329

00:13:31,730 --> 00:13:29,160

Bigfoot it was it looked like a person

330

00:13:33,889 --> 00:13:31,740

but it was huge and it was walking down

331

00:13:36,710 --> 00:13:33,899

a country road and when it passed under

332

00:13:40,490 --> 00:13:36,720

a Street Lamp it had a Sheen or a shine

333

00:13:42,230 --> 00:13:40,500

to it I walked past the stop sign I went

334

00:13:43,970 --> 00:13:42,240

up there because I first I was going to

335

00:13:46,129 --> 00:13:43,980

go after it and try to get a picture

336

00:13:47,449 --> 00:13:46,139

heard my granny in the back of my head

337

00:13:50,990 --> 00:13:47,459

saying you need to get in the house

338

00:13:53,090 --> 00:13:51,000

that's what you need to do so the next

339

00:13:54,769 --> 00:13:53,100

day I went up there and measured where

340

00:13:56,629 --> 00:13:54,779

the stop sign was then whoever it was

341

00:13:58,910 --> 00:13:56,639

would have been seven or eight feet tall

342

00:14:01,550 --> 00:13:58,920

to see where I saw the top of their

343

00:14:04,670 --> 00:14:01,560

their head that domed head you know it

344

00:14:06,949 --> 00:14:04,680

just it looked like a Sasquatch and it

345

00:14:08,870 --> 00:14:06,959

just just walking down the road I never

346

00:14:12,530 --> 00:14:08,880

thought of anything like that

347

00:14:15,410 --> 00:14:12,540

uh and then I saw a footprint uh below

348

00:14:17,810 --> 00:14:15,420

the snow line up near uh I think that

349

00:14:20,569 --> 00:14:17,820

was I was around your Colt Washington

350

00:14:22,310 --> 00:14:20,579

that time and the mountains near there

351

00:14:25,430 --> 00:14:22,320

that was in the Gifford Pinchot National

352

00:14:28,509 --> 00:14:25,440

Forest a lot of sightings there I've

353

00:14:30,650 --> 00:14:28,519

been up Mount St Helens uh Mount Rainier

354

00:14:33,650 --> 00:14:30,660

Olympic National Park Olympic National

355

00:14:34,610 --> 00:14:33,660

Forest it's just it's Rife with him up

356

00:14:35,210 --> 00:14:34,620

there

357

00:14:37,850 --> 00:14:35,220

um

358

00:14:40,189 --> 00:14:37,860

absolutely and folks if you've got a

359

00:14:43,009 --> 00:14:40,199

question in the chat feel free to put it

360

00:14:46,550 --> 00:14:43,019

up there and uh we'll we'll get it over

361

00:14:49,189 --> 00:14:46,560

to Steve you know he talked about around

362

00:14:51,170 --> 00:14:49,199

the uh up in New England around what

363

00:14:53,509 --> 00:14:51,180

people call the Bridgewater Triangle

364

00:14:55,670 --> 00:14:53,519

that area up there you know I think that

365

00:14:57,530 --> 00:14:55,680

one of the scariest incidents I and I

366

00:14:58,610 --> 00:14:57,540

was young too I was in my senior year

367

00:15:01,129 --> 00:14:58,620

Hospital

368

00:15:03,350 --> 00:15:01,139

we were up in uh we were up in Plymouth

369

00:15:06,650 --> 00:15:03,360

Massachusetts we were doing actually an

370

00:15:09,590 --> 00:15:06,660

exchange concert up there and I you know

371

00:15:10,790 --> 00:15:09,600

I knew that I had some abilities that by

372

00:15:14,689 --> 00:15:10,800

that time

373

00:15:17,870 --> 00:15:14,699

and uh we I happened to go out with my

374

00:15:20,090 --> 00:15:17,880

host that night it was at night and uh

375

00:15:22,910 --> 00:15:20,100

they were driving us around the out in

376

00:15:24,129 --> 00:15:22,920

the rural areas and we went over to mile

377

00:15:27,889 --> 00:15:24,139

Standish

378

00:15:30,290 --> 00:15:27,899

uh Park I guess it's a state park

379

00:15:32,689 --> 00:15:30,300

and I don't know what the hell it was at

380

00:15:33,949 --> 00:15:32,699

night but we walked out I I tell you I

381

00:15:36,290 --> 00:15:33,959

walked out there

382

00:15:38,870 --> 00:15:36,300

and I couldn't stand there more than

383

00:15:40,670 --> 00:15:38,880

five minutes I had to get in the car it

384

00:15:42,350 --> 00:15:40,680

was like I've been in some places like

385

00:15:44,930 --> 00:15:42,360

that and just yeah it's like other

386

00:15:46,490 --> 00:15:44,940

places up there in New England the the

387

00:15:48,769 --> 00:15:46,500

infamous Bridgewater Triangle and

388

00:15:51,889 --> 00:15:48,779

there's also Bennington triangle I've

389

00:15:53,449 --> 00:15:51,899

covered some disappearances up there and

390

00:15:56,629 --> 00:15:53,459

uh there was one place in particular

391

00:15:58,310 --> 00:15:56,639

there was a Bigfoot signing a guy on the

392

00:16:00,650 --> 00:15:58,320

uh Stagecoach Road had gotten the

393

00:16:03,829 --> 00:16:00,660

stagecoach stuck in the mud and was

394

00:16:05,750 --> 00:16:03,839

trying to get that taken care of and

395

00:16:08,030 --> 00:16:05,760

some kind of hairy giant thing came out

396

00:16:10,189 --> 00:16:08,040

of the woods appeared in the stagecoach

397

00:16:11,990 --> 00:16:10,199

at the people flipped it over and then

398

00:16:14,629 --> 00:16:12,000

screamed and ran off into the woods I

399

00:16:17,689 --> 00:16:14,639

guess he didn't like their look and uh

400

00:16:19,790 --> 00:16:17,699

another interesting case up there there

401
00:16:21,769 --> 00:16:19,800
was a person found that looked like they

402
00:16:23,689 --> 00:16:21,779
had been squeezed to death in the woods

403
00:16:26,150 --> 00:16:23,699
a hunter that had gone missing

404
00:16:29,150 --> 00:16:26,160
and then you hear a lot about Boulder

405
00:16:31,970 --> 00:16:29,160
Fields well the Algonquin have a story

406
00:16:34,670 --> 00:16:31,980
of a creature that can appear as a

407
00:16:37,370 --> 00:16:34,680
boulder and when somebody passes by it

408
00:16:39,290 --> 00:16:37,380
opens up and swallows you and then spits

409
00:16:42,050 --> 00:16:39,300
you back out well there's been cases

410
00:16:44,329 --> 00:16:42,060
where people that have been missing have

411
00:16:46,730 --> 00:16:44,339
are found in a Boulder Field that's been

412
00:16:48,470 --> 00:16:46,740
searched previously and they look like

413
00:16:49,970 --> 00:16:48,480

they've fallen from a considerable

414

00:16:51,829 --> 00:16:49,980

height when there was no place for them

415

00:16:54,230 --> 00:16:51,839

to fall from is that right well you

416

00:16:56,749 --> 00:16:54,240

think about that if some kind of rock

417

00:16:58,189 --> 00:16:56,759

creature swallows you smashed you got

418

00:17:00,230 --> 00:16:58,199

whatever it needed out of it and spit

419

00:17:01,850 --> 00:17:00,240

you back out in a Boulder Field you

420

00:17:03,949 --> 00:17:01,860

might look like you'd fallen from a

421

00:17:06,289 --> 00:17:03,959

considerable height

422

00:17:07,970 --> 00:17:06,299

you know that reminds me some stories I

423

00:17:11,090 --> 00:17:07,980

had gotten from an area around

424

00:17:13,549 --> 00:17:11,100

Cooperstown New York uh

425

00:17:15,770 --> 00:17:13,559

were and I had a couple people tell me

426

00:17:18,530 --> 00:17:15,780

about this apparently there's a bluff

427

00:17:20,809 --> 00:17:18,540

not far out of town where people have

428

00:17:22,069 --> 00:17:20,819

actually seen the Rocks open up and

429

00:17:24,409 --> 00:17:22,079

they've seen

430

00:17:26,449 --> 00:17:24,419

gnomes or fairies or whatever come out

431

00:17:29,090 --> 00:17:26,459

of these things and they they're said to

432

00:17:31,490 --> 00:17:29,100

grab people I I think they have a couple

433

00:17:34,850 --> 00:17:31,500

of incidents where people have been

434

00:17:36,350 --> 00:17:34,860

supposedly taken just never returned uh

435

00:17:38,690 --> 00:17:36,360

you know you do hear a lot of weird

436

00:17:41,029 --> 00:17:38,700

stuff like that up in these older areas

437

00:17:42,650 --> 00:17:41,039

of you know the older populated areas of

438

00:17:44,690 --> 00:17:42,660

the United States and New England in

439

00:17:47,570 --> 00:17:44,700

particular yeah a lot a lot of folklore

440

00:17:49,970 --> 00:17:47,580

a lot of stories up there out west too I

441

00:17:53,630 --> 00:17:49,980

spent some time on Mount Shasta back in

442

00:17:55,549 --> 00:17:53,640

the spring yeah boy that place I was

443

00:17:56,930 --> 00:17:55,559

outside at about two o'clock in the

444

00:17:59,210 --> 00:17:56,940

morning and I'd already seen some lights

445

00:18:01,549 --> 00:17:59,220

way up on the mountains just I don't

446

00:18:03,110 --> 00:18:01,559

know what it was it was weird but I'd

447

00:18:04,970 --> 00:18:03,120

gone out about two o'clock in the

448

00:18:07,070 --> 00:18:04,980

morning and I felt like I was being

449

00:18:09,289 --> 00:18:07,080

watched and I just wheeled around real

450

00:18:11,090 --> 00:18:09,299

quick and it was the mountain the

451

00:18:12,770 --> 00:18:11,100

mountain it feels like the mountains

452

00:18:14,750 --> 00:18:12,780

watching you up there that's a strange

453

00:18:16,130 --> 00:18:14,760

strange place up there and they have

454

00:18:18,230 --> 00:18:16,140

those strange lights they have the

455

00:18:20,390 --> 00:18:18,240

lenticular clouds a lot of

456

00:18:24,169 --> 00:18:20,400

disappearances there Tales of an

457

00:18:27,710 --> 00:18:24,179

underground city Lemire the infamous

458

00:18:29,570 --> 00:18:27,720

robot Grandma uh case up there where the

459

00:18:32,690 --> 00:18:29,580

little boy was supposedly taken into a

460

00:18:35,150 --> 00:18:32,700

cave and it's just I I want to go back

461

00:18:38,810 --> 00:18:35,160

I've got plans to go back to Shasta this

462

00:18:43,610 --> 00:18:38,820

summer and uh it's just that whole area

463

00:18:46,070 --> 00:18:43,620

around there uh dunsmere weed McLeod

464

00:18:49,010 --> 00:18:46,080

there's been all kind of fairy sightings

465

00:18:51,650 --> 00:18:49,020

and Bigfoot and strange creatures of

466

00:18:54,770 --> 00:18:51,660

mountain opening up uh people in white

467

00:18:57,770 --> 00:18:54,780

robes that they've spotted way up on the

468

00:18:59,990 --> 00:18:57,780

slope with a telescope and one of the

469

00:19:01,669 --> 00:19:00,000

most interesting Bigfoot accounts I

470

00:19:04,310 --> 00:19:01,679

heard ever came from there

471

00:19:07,070 --> 00:19:04,320

a lady claimed that she was there in the

472

00:19:10,610 --> 00:19:07,080

springtime and saw what she described as

473

00:19:13,070 --> 00:19:10,620

a female Bigfoot giving birth on the

474

00:19:14,930 --> 00:19:13,080

slope and then another lady totally

475

00:19:17,330 --> 00:19:14,940

unrelated didn't know one another didn't

476
00:19:20,750 --> 00:19:17,340
know about one another a year later she

477
00:19:23,330 --> 00:19:20,760
claimed to have seen in the same area a

478
00:19:26,330 --> 00:19:23,340
female Bigfoot nursing a baby Bigfoot so

479
00:19:29,210 --> 00:19:26,340
there you go Mr verse the other a year

480
00:19:31,430 --> 00:19:29,220
later saw her nursing the baby so

481
00:19:34,430 --> 00:19:31,440
you know I've heard a couple Tales from

482
00:19:36,950 --> 00:19:34,440
back in the late 1800s and he was around

483
00:19:39,710 --> 00:19:36,960
that time where people had would be on

484
00:19:41,690 --> 00:19:39,720
train you know uh going around Mount

485
00:19:43,130 --> 00:19:41,700
Shasta and talk about seeing Bigfoot up

486
00:19:46,010 --> 00:19:43,140
on the mountain or out on the fields

487
00:19:47,570 --> 00:19:46,020
down on the downslope and stuff uh yeah

488
00:19:50,450 --> 00:19:47,580

I mean there are a lot of Story I mean

489

00:19:53,029 --> 00:19:50,460

Mount Shasta is just bizarre uh I've got

490

00:19:56,510 --> 00:19:53,039

a friend who goes out there every year

491

00:19:58,510 --> 00:19:56,520

on Retreat and uh yeah it's uh he

492

00:20:01,190 --> 00:19:58,520

wouldn't miss it it's

493

00:20:02,750 --> 00:20:01,200

compelling uh like I was coming down

494

00:20:04,789 --> 00:20:02,760

from Portland and when you come down the

495

00:20:06,890 --> 00:20:04,799

I-5 and you first go around that curve

496

00:20:09,350 --> 00:20:06,900

where you can see shast off in the

497

00:20:11,810 --> 00:20:09,360

distance it's just it's Majestic but

498

00:20:13,970 --> 00:20:11,820

it's it's eerie there's just there's

499

00:20:16,370 --> 00:20:13,980

some strange energy some strange forces

500

00:20:18,710 --> 00:20:16,380

at work there you go down into the town

501
00:20:21,350 --> 00:20:18,720
there there's still a lot of uh New Age

502
00:20:23,390 --> 00:20:21,360
shops a lot of influence there from some

503
00:20:25,850 --> 00:20:23,400
of the occult and medical metaphysical

504
00:20:27,590 --> 00:20:25,860
practices that were popular around the

505
00:20:32,090 --> 00:20:27,600
turn of the last century but it's it's

506
00:20:35,650 --> 00:20:32,100
definitely a strange energy there hmm

507
00:20:38,650 --> 00:20:35,660
well I do have some questions uh ajk

508
00:20:42,470 --> 00:20:38,660
asks Steve is your current house haunted

509
00:20:44,210 --> 00:20:42,480
yes in fact it is this very room that

510
00:20:46,730 --> 00:20:44,220
I'm in here I've got I've turned this

511
00:20:49,549 --> 00:20:46,740
into a basically a broadcast house I've

512
00:20:52,070 --> 00:20:49,559
got a live studio in the living room of

513
00:20:53,690 --> 00:20:52,080

the fireplace Studio A is in one of the

514

00:20:56,210 --> 00:20:53,700

middle rooms that's where I do my audio

515

00:20:58,730 --> 00:20:56,220

recording and then I've got this set up

516

00:21:01,549 --> 00:20:58,740

in here now for uh live streams and

517

00:21:04,370 --> 00:21:01,559

stuff uh there's a bathroom here to my

518

00:21:05,870 --> 00:21:04,380

left well in the 80s there was a lady

519

00:21:08,630 --> 00:21:05,880

that lived here that had terminal breast

520

00:21:11,330 --> 00:21:08,640

cancer she decided she wasn't going to

521

00:21:12,950 --> 00:21:11,340

let it take her so um she took matters

522

00:21:15,230 --> 00:21:12,960

into her own hands and swallowed a

523

00:21:18,470 --> 00:21:15,240

bottle of something and died in the

524

00:21:20,630 --> 00:21:18,480

bathroom floor there and um

525

00:21:22,490 --> 00:21:20,640

there's there's been some activity here

526

00:21:23,690 --> 00:21:22,500

I mean prior to me living here and since

527

00:21:25,669 --> 00:21:23,700

I've been here

528

00:21:27,350 --> 00:21:25,679

and uh

529

00:21:29,270 --> 00:21:27,360

well I'll just I'll go ahead and tell

530

00:21:31,549 --> 00:21:29,280

the story one morning I was praying I'm

531

00:21:34,190 --> 00:21:31,559

a Christian I pray and several times a

532

00:21:36,350 --> 00:21:34,200

day I was praying and I heard this older

533

00:21:39,649 --> 00:21:36,360

female voice from this end of the house

534

00:21:41,149 --> 00:21:39,659

say God gave me breast cancer and that

535

00:21:43,430 --> 00:21:41,159

was before I knew the history of the

536

00:21:45,890 --> 00:21:43,440

house well I rebuked that you know that

537

00:21:48,230 --> 00:21:45,900

that's not the way God works and after

538

00:21:51,049 --> 00:21:48,240

that it seemed to clear up back here but

539

00:21:52,549 --> 00:21:51,059

there was a a heaviness a darkness in

540

00:21:55,370 --> 00:21:52,559

this end of the house especially in that

541

00:21:58,130 --> 00:21:55,380

bathroom I'm not sure how long she was

542

00:22:00,529 --> 00:21:58,140

there before they found her and then uh

543

00:22:02,690 --> 00:22:00,539

Sandy the lady that I bought the house

544

00:22:05,270 --> 00:22:02,700

from she's my channel manager and

545

00:22:07,610 --> 00:22:05,280

partner over on 13 past midnight she had

546

00:22:10,610 --> 00:22:07,620

lived here and uh she seen a little boy

547

00:22:13,130 --> 00:22:10,620

about eight or nine years old face to

548

00:22:15,730 --> 00:22:13,140

face and uh one night back in the summer

549

00:22:18,169 --> 00:22:15,740

we were sitting out on the the back deck

550

00:22:19,789 --> 00:22:18,179

patio area back there had our computers

551
00:22:23,690 --> 00:22:19,799
out there it's nice in the desert at

552
00:22:25,970 --> 00:22:23,700
night and I saw the the kitchen curtain

553
00:22:28,070 --> 00:22:25,980
on the the door there doesn't come right

554
00:22:31,430 --> 00:22:28,080
all the way down there's about a five or

555
00:22:33,490 --> 00:22:31,440
six inch Gap a window below that and I

556
00:22:36,289 --> 00:22:33,500
saw the top of some kid's head

557
00:22:37,610 --> 00:22:36,299
passed through the kitchen and also

558
00:22:40,250 --> 00:22:37,620
while we were out there A lot of times

559
00:22:42,590 --> 00:22:40,260
the lights in both bathrooms would come

560
00:22:44,029 --> 00:22:42,600
on and I would come in and it wasn't a

561
00:22:45,950 --> 00:22:44,039
short or anything like that the switch

562
00:22:48,830 --> 00:22:45,960
would actually physically be flipped up

563
00:22:50,270 --> 00:22:48,840

and have to turn it back off so yeah

564

00:22:53,690 --> 00:22:50,280

there's some things here now I've

565

00:22:56,210 --> 00:22:53,700

smudged I believe that that part from my

566

00:22:59,090 --> 00:22:56,220

Cherokee Heritage I smudge I use sea

567

00:23:01,010 --> 00:22:59,100

salt things like that and haven't had

568

00:23:02,570 --> 00:23:01,020

any trouble or anything recently but

569

00:23:05,570 --> 00:23:02,580

there was there's definitely been some

570

00:23:07,370 --> 00:23:05,580

activity here hmm

571

00:23:09,950 --> 00:23:07,380

yeah you know I can't say I've ever

572

00:23:10,850 --> 00:23:09,960

lived in a haunted house you know I

573

00:23:13,310 --> 00:23:10,860

don't know

574

00:23:14,270 --> 00:23:13,320

have

575

00:23:16,430 --> 00:23:14,280

um

576

00:23:18,169 --> 00:23:16,440

which is interesting I the place I live

577

00:23:21,409 --> 00:23:18,179

right now I'm right beside a big

578

00:23:24,049 --> 00:23:21,419

Catholic Cemetery and I haven't felt a

579

00:23:26,390 --> 00:23:24,059

thing and I've been here this is St

580

00:23:29,510 --> 00:23:26,400

John's the Revelator said that the dead

581

00:23:32,510 --> 00:23:29,520

don't come back but sometimes they stay

582

00:23:34,490 --> 00:23:32,520

um yeah and I I'm just the opposite of

583

00:23:36,529 --> 00:23:34,500

every house I've ever lived in was

584

00:23:38,930 --> 00:23:36,539

haunted to a degree or had some sort of

585

00:23:40,789 --> 00:23:38,940

activity and I came to realization a few

586

00:23:43,190 --> 00:23:40,799

years ago talking with a friend of mine

587

00:23:45,110 --> 00:23:43,200

who's a sensitive towards such things

588

00:23:48,950 --> 00:23:45,120

she said it's not the houses it's you

589

00:23:51,169 --> 00:23:48,960

it's that activity is attracted to you

590

00:23:53,690 --> 00:23:51,179

and for example when I lived in Las

591

00:23:56,510 --> 00:23:53,700

Vegas for about 10 years very very

592

00:23:58,850 --> 00:23:56,520

active house there my housemate she

593

00:24:00,409 --> 00:23:58,860

didn't see or hear anything I saw all

594

00:24:02,630 --> 00:24:00,419

kinds of stuff she did have one

595

00:24:05,630 --> 00:24:02,640

experience that finally made a Believer

596

00:24:08,149 --> 00:24:05,640

out of her but uh other than that it all

597

00:24:09,649 --> 00:24:08,159

happened to me

598

00:24:19,730 --> 00:24:09,659

um

599

00:24:22,789 --> 00:24:19,740

Faye Etc are increasing and if so why I

600

00:24:24,770 --> 00:24:22,799

do I've talked to people about that and

601
00:24:27,230 --> 00:24:24,780
for whatever reason and however you

602
00:24:29,930 --> 00:24:27,240
believe the veil whatever the veil is

603
00:24:31,669 --> 00:24:29,940
the thing between this world and the

604
00:24:33,370 --> 00:24:31,679
next one you know there's certain times

605
00:24:36,470 --> 00:24:33,380
of the year that they claim it's thin

606
00:24:40,130 --> 00:24:36,480
All Hallows Eve that's that's one of the

607
00:24:42,110 --> 00:24:40,140
nights but I've heard people say oh

608
00:24:45,049 --> 00:24:42,120
sorry my cat knocked something over here

609
00:24:48,289 --> 00:24:45,059
hey don't don't feel bad I got one too

610
00:24:50,750 --> 00:24:48,299
but I've heard people say that that Veil

611
00:24:54,230 --> 00:24:50,760
is thinning and not just certain times a

612
00:24:57,890 --> 00:24:54,240
year or during a certain times of the

613
00:24:59,270 --> 00:24:57,900

the moon or um The Equinox or uh

614

00:25:01,310 --> 00:24:59,280

Solstice or whatever but it's getting

615

00:25:03,230 --> 00:25:01,320

thinner all the time so I think yeah

616

00:25:06,470 --> 00:25:03,240

we're seeing more activity we're seeing

617

00:25:09,350 --> 00:25:06,480

things ramp up and again I don't know if

618

00:25:11,810 --> 00:25:09,360

it's just that the internet you know has

619

00:25:14,810 --> 00:25:11,820

made the world a smaller place and we're

620

00:25:16,310 --> 00:25:14,820

more aware of stuff or if it has

621

00:25:19,610 --> 00:25:16,320

actually

622

00:25:21,470 --> 00:25:19,620

I I believe it's it's getting uh thinner

623

00:25:23,210 --> 00:25:21,480

I believe that what what that person

624

00:25:27,169 --> 00:25:23,220

told me and the way they explained it to

625

00:25:29,390 --> 00:25:27,179

me because everything's on the increase

626

00:25:32,450 --> 00:25:29,400

you know I uh I I kind of agree with

627

00:25:34,310 --> 00:25:32,460

that because uh it's true more people

628

00:25:36,950 --> 00:25:34,320

are talking about it less people are

629

00:25:39,049 --> 00:25:36,960

inhibitive about talking about it they

630

00:25:40,730 --> 00:25:39,059

feel less chance of being ridiculed

631

00:25:42,850 --> 00:25:40,740

because it's way out in the mainstream

632

00:25:47,269 --> 00:25:42,860

now with the internet and TV and such

633

00:25:48,890 --> 00:25:47,279

and I think because of that the the veil

634

00:25:51,110 --> 00:25:48,900

may be thinning somewhat it may be

635

00:25:53,090 --> 00:25:51,120

opening up more and I think so because

636

00:25:54,710 --> 00:25:53,100

there's been other times when there's

637

00:25:56,630 --> 00:25:54,720

like a golden age you know the

638

00:25:58,310 --> 00:25:56,640

spiritualism movement and things around

639

00:26:01,130 --> 00:25:58,320

the turn of the last century people were

640

00:26:02,810 --> 00:26:01,140

aware of it people talked about it uh my

641

00:26:06,049 --> 00:26:02,820

granny on my mother's side that's what

642

00:26:09,529 --> 00:26:06,059

they came out of my mother was born in

643

00:26:11,570 --> 00:26:09,539

1927 and I'm a late in life unexpected

644

00:26:15,169 --> 00:26:11,580

baby but uh when she was a little girl

645

00:26:17,810 --> 00:26:15,179

her family routinely had seances held

646

00:26:20,510 --> 00:26:17,820

table tappings use the spirit board or

647

00:26:22,430 --> 00:26:20,520

Ouija board my grandmother was a

648

00:26:23,870 --> 00:26:22,440

self-proclaimed Gypsy witch now I don't

649

00:26:26,269 --> 00:26:23,880

know where she got the Gypsy part

650

00:26:28,370 --> 00:26:26,279

because she was from Cades Cove but I'm

651
00:26:30,529 --> 00:26:28,380
thinking somewhere are way back in the

652
00:26:33,649 --> 00:26:30,539
lineage there was some old country that

653
00:26:37,250 --> 00:26:33,659
they came from but uh she told fortunes

654
00:26:38,870 --> 00:26:37,260
red tea leaves coffee grounds uh

655
00:26:40,490 --> 00:26:38,880
different types of cars she wouldn't

656
00:26:42,950 --> 00:26:40,500
touch tarot cards she said there was

657
00:26:45,890 --> 00:26:42,960
something dark about tarot cards that

658
00:26:48,230 --> 00:26:45,900
she didn't like but they were into that

659
00:26:49,669 --> 00:26:48,240
whole thing so I come by it honest on on

660
00:26:53,870 --> 00:26:49,679
that side

661
00:26:56,570 --> 00:26:53,880
but yeah well me too I uh I come from

662
00:26:59,810 --> 00:26:56,580
pow wows and uh you know the southern

663
00:27:02,149 --> 00:26:59,820

root conjures and stuff and uh

664

00:27:03,649 --> 00:27:02,159

yeah it's almost the same you go up and

665

00:27:06,049 --> 00:27:03,659

down the Appalachians you're going to

666

00:27:08,210 --> 00:27:06,059

run into all kinds of uh folk healing

667

00:27:10,010 --> 00:27:08,220

and such and uh yeah here in

668

00:27:10,730 --> 00:27:10,020

Pennsylvania it was the pow hours I've

669

00:27:13,370 --> 00:27:10,740

had

670

00:27:15,769 --> 00:27:13,380

some relatives that was on my mother's

671

00:27:17,810 --> 00:27:15,779

side now my dad's side uh his mother

672

00:27:19,310 --> 00:27:17,820

they back in the Hills where they lived

673

00:27:21,529 --> 00:27:19,320

over on the Cumberland plateau of Middle

674

00:27:25,490 --> 00:27:21,539

Tennessee they called her a yard doctor

675

00:27:27,890 --> 00:27:25,500

or an herb doctor and she also cut hair

676

00:27:31,010 --> 00:27:27,900

pulled teeth and ran the post office

677

00:27:33,830 --> 00:27:31,020

from her front porch and uh what used to

678

00:27:35,990 --> 00:27:33,840

be called been Stockton Tennessee it's a

679

00:27:38,529 --> 00:27:36,000

DNX by Jamestown it's part of Jamestown

680

00:27:41,810 --> 00:27:38,539

now but yeah the old family home there

681

00:27:43,310 --> 00:27:41,820

there was a like a Dutch door to one

682

00:27:45,470 --> 00:27:43,320

side of the porch and that's where you

683

00:27:47,149 --> 00:27:45,480

can come do your business I've still got

684

00:27:49,850 --> 00:27:47,159

the old things that she used to cancel

685

00:27:52,010 --> 00:27:49,860

the letters with and the pen set that

686

00:27:54,169 --> 00:27:52,020

she had on her desk but yeah you come

687

00:27:56,510 --> 00:27:54,179

get your mail should pull your teeth cut

688

00:27:58,190 --> 00:27:56,520

your hair fix up some kind of herbal

689

00:28:01,490 --> 00:27:58,200

poultice or something that either carry

690

00:28:03,169 --> 00:28:01,500

or kill you according to my dad one time

691

00:28:05,450 --> 00:28:03,179

I think they they had he and his

692

00:28:08,330 --> 00:28:05,460

siblings had the measles and she made

693

00:28:10,010 --> 00:28:08,340

sheep manure tea and made them drink it

694

00:28:12,409 --> 00:28:10,020

and he said you talk about something

695

00:28:14,930 --> 00:28:12,419

that'll carry you he said I didn't want

696

00:28:16,669 --> 00:28:14,940

another dose he said I will those

697

00:28:19,730 --> 00:28:16,679

measles to go away because I wasn't

698

00:28:21,710 --> 00:28:19,740

drinking any more sheep manure tea so

699

00:28:24,590 --> 00:28:21,720

let's run into a lot of stuff like that

700

00:28:26,690 --> 00:28:24,600

but she was wise inner wise a lot of

701
00:28:28,610 --> 00:28:26,700
wisdom she taught me that you know out

702
00:28:30,590 --> 00:28:28,620
in the woods anything that will hurt you

703
00:28:33,049 --> 00:28:30,600
there's something near there that will

704
00:28:35,930 --> 00:28:33,059
either cure you heal you or help you

705
00:28:37,909 --> 00:28:35,940
like if you get snake bit there's plants

706
00:28:39,830 --> 00:28:37,919
that grow or snakes are that you can

707
00:28:42,230 --> 00:28:39,840
treat a snake bite with if you get

708
00:28:43,850 --> 00:28:42,240
poison ivy there's something that grows

709
00:28:46,190 --> 00:28:43,860
near that that you can put on the poison

710
00:28:49,190 --> 00:28:46,200
ivy so there's I mean those people

711
00:28:52,210 --> 00:28:49,200
survived uh the Great Depression the

712
00:28:55,669 --> 00:28:52,220
world wars the the Spanish-American War

713
00:28:58,070 --> 00:28:55,679

those great influenza epidemics and

714

00:29:00,049 --> 00:28:58,080

pandemics that happened back then they

715

00:29:01,789 --> 00:29:00,059

had something going for them oh

716

00:29:03,890 --> 00:29:01,799

absolutely they lived I mean the

717

00:29:05,630 --> 00:29:03,900

absolute middle of nowhere it was miles

718

00:29:09,230 --> 00:29:05,640

to town

719

00:29:11,630 --> 00:29:09,240

you know my uh my grandparents all grew

720

00:29:14,409 --> 00:29:11,640

up during the uh during the Depression

721

00:29:17,210 --> 00:29:14,419

and even before that and uh

722

00:29:19,190 --> 00:29:17,220

it's uh

723

00:29:21,230 --> 00:29:19,200

some of the stories you hear and you

724

00:29:24,769 --> 00:29:21,240

think you know even you know you hear

725

00:29:27,409 --> 00:29:24,779

that term the Greek the the uh

726

00:29:28,970 --> 00:29:27,419

uh the greatest generation and there's

727

00:29:31,909 --> 00:29:28,980

something to that because those people

728

00:29:34,190 --> 00:29:31,919

put up a lot of different stuff you talk

729

00:29:36,529 --> 00:29:34,200

about World War One and the Spanish flu

730

00:29:40,070 --> 00:29:36,539

then the depression and you know it's

731

00:29:42,830 --> 00:29:40,080

like oh my God they you know yeah and uh

732

00:29:44,510 --> 00:29:42,840

my dad's family it was almost like the

733

00:29:47,450 --> 00:29:44,520

the Potato Famine over there he said

734

00:29:49,669 --> 00:29:47,460

there was days and weeks that potatoes

735

00:29:51,350 --> 00:29:49,679

was all they had to eat he said they ate

736

00:29:55,430 --> 00:29:51,360

so many potatoes at all the tummel bugs

737

00:30:00,889 --> 00:29:58,490

but uh occasionally you know they they

738

00:30:04,370 --> 00:30:00,899

were farmers and uh yeah the crop

739

00:30:07,430 --> 00:30:04,380

farmers and rice tobacco Hogs the cattle

740

00:30:08,930 --> 00:30:07,440

things like that and uh and he said he

741

00:30:11,810 --> 00:30:08,940

remembers one time that all they had to

742

00:30:14,630 --> 00:30:11,820

eat was potatoes for a long time and uh

743

00:30:17,029 --> 00:30:14,640

his dad poppy they call him poppy sold a

744

00:30:20,750 --> 00:30:17,039

calf and uh went to town and came back

745

00:30:23,330 --> 00:30:20,760

with uh sacks of flour and meal and uh

746

00:30:24,889 --> 00:30:23,340

bacon and all this stuff that uh I mean

747

00:30:26,750 --> 00:30:24,899

they had animals but they they didn't

748

00:30:28,490 --> 00:30:26,760

process the meat themselves they just

749

00:30:31,549 --> 00:30:28,500

sold the livestock

750

00:30:33,529 --> 00:30:31,559

so they they had it rough I mean uh

751

00:30:36,169 --> 00:30:33,539

electricity they didn't have electricity

752

00:30:38,630 --> 00:30:36,179

until my dad was in elementary school

753

00:30:41,450 --> 00:30:38,640

anyway and even then it was a series of

754

00:30:44,090 --> 00:30:41,460

batteries that looked like fish tanks

755

00:30:47,870 --> 00:30:44,100

I've got one of the old batteries and

756

00:30:49,610 --> 00:30:47,880

casinos maybe one light bulb and the

757

00:30:51,649 --> 00:30:49,620

radio they would listen to the Grand Ole

758

00:30:52,909 --> 00:30:51,659

Opry and stuff like that whatever they

759

00:30:55,850 --> 00:30:52,919

could pick up over there in the

760

00:30:57,409 --> 00:30:55,860

mountains well I can't imagine they

761

00:30:59,149 --> 00:30:57,419

didn't have running water in that house

762

00:31:01,430 --> 00:30:59,159

until

763

00:31:04,970 --> 00:31:01,440

um probably sometime in the 80s there

764

00:31:07,070 --> 00:31:04,980

was uh a well outside that you could you

765

00:31:10,370 --> 00:31:07,080

know the old the pump handle that you

766

00:31:12,590 --> 00:31:10,380

could draw water from but after my my

767

00:31:14,930 --> 00:31:12,600

dad's last brother passed away and my

768

00:31:16,490 --> 00:31:14,940

cousin moved in over there that's and

769

00:31:19,789 --> 00:31:16,500

sometime in the early 80s probably

770

00:31:22,070 --> 00:31:19,799

around 83. but before they had the house

771

00:31:23,690 --> 00:31:22,080

plumbed so though that was a Hard

772

00:31:26,330 --> 00:31:23,700

Scrabble existence

773

00:31:30,470 --> 00:31:26,340

and uh oh absolutely I mean I've heard

774

00:31:32,090 --> 00:31:30,480

so many things and um you know thank God

775

00:31:33,710 --> 00:31:32,100

for our grandmas and grandfathers

776

00:31:36,769 --> 00:31:33,720

because some of the stories we have been

777

00:31:38,330 --> 00:31:36,779

told I mean you really appreciate what

778

00:31:40,669 --> 00:31:38,340

you've got after hearing what they've

779

00:31:44,389 --> 00:31:40,679

gone through and and how they became

780

00:31:48,289 --> 00:31:44,399

successful in life and had families and

781

00:31:50,510 --> 00:31:48,299

it is it it's um and

782

00:31:51,889 --> 00:31:50,520

you know I I will cherish all that I

783

00:31:54,889 --> 00:31:51,899

mean you know especially my grandmother

784

00:31:57,110 --> 00:31:54,899

my grandmother told me and she insisted

785

00:32:01,490 --> 00:31:57,120

that I knew the family history she lived

786

00:32:05,210 --> 00:32:01,500

103. and uh born born the year of the

787

00:32:06,950 --> 00:32:05,220

Titanic and the Titanic's thinking and

788

00:32:09,289 --> 00:32:06,960

she uh

789

00:32:11,330 --> 00:32:09,299

she did she she made sure that her

790

00:32:13,549 --> 00:32:11,340

grandson was going to know about the

791

00:32:17,149 --> 00:32:13,559

family and you know but all sides of the

792

00:32:19,250 --> 00:32:17,159

family and uh yeah and my grandmother on

793

00:32:20,930 --> 00:32:19,260

my mom's side was that way but not so

794

00:32:23,330 --> 00:32:20,940

much with the family history but all the

795

00:32:26,090 --> 00:32:23,340

folklore the superstitions

796

00:32:29,149 --> 00:32:26,100

um I was your favorite child uh she had

797

00:32:31,789 --> 00:32:29,159

10 kids uh nine boys and one girl my mom

798

00:32:33,350 --> 00:32:31,799

being the only girl so I had a lot of

799

00:32:36,049 --> 00:32:33,360

cousins because each one of those boys

800

00:32:37,789 --> 00:32:36,059

was married at least once some of them

801
00:32:41,210 --> 00:32:37,799
multiple times had one uncle that used

802
00:32:43,430 --> 00:32:41,220
to say uh he'd been married uh six times

803
00:32:45,169 --> 00:32:43,440
to seven women or seven times the six

804
00:32:46,789 --> 00:32:45,179
women and he said that was the only

805
00:32:49,130 --> 00:32:46,799
mistake I ever made was marrying the

806
00:32:51,830 --> 00:32:49,140
same one twice it sounds like you made

807
00:32:54,649 --> 00:32:51,840
more than one mistake there huh but uh

808
00:32:57,850 --> 00:32:54,659
out of all those cousins uh I was born

809
00:33:00,710 --> 00:32:57,860
with a veil or a call over my face

810
00:33:03,950 --> 00:33:00,720
it's the after birth the amniotic sack

811
00:33:05,750 --> 00:33:03,960
my grandmother was there for my birth uh

812
00:33:08,389 --> 00:33:05,760
my mom they'd given her Twilight sleep

813
00:33:10,610 --> 00:33:08,399

and she was out of it but in my granny's

814

00:33:12,950 --> 00:33:10,620

Superstition size that marked me as a

815

00:33:14,750 --> 00:33:12,960

special child oh absolutely second side

816

00:33:18,230 --> 00:33:14,760

and all this so out of all the cousins

817

00:33:20,330 --> 00:33:18,240

all our grandchildren I was the one and

818

00:33:21,889 --> 00:33:20,340

uh go to her house she'd take me into

819

00:33:23,750 --> 00:33:21,899

her sewing room she lived in a big old

820

00:33:25,610 --> 00:33:23,760

Victorian farmhouse

821

00:33:27,470 --> 00:33:25,620

and uh

822

00:33:30,409 --> 00:33:27,480

take her take me into the what had been

823

00:33:32,930 --> 00:33:30,419

the dining room big formal dining room

824

00:33:34,370 --> 00:33:32,940

she turned it into a sewing room uh in

825

00:33:38,210 --> 00:33:34,380

the wintertime she'd sit in there with

826

00:33:40,549 --> 00:33:38,220

one of my aunts and piece quilts and uh

827

00:33:43,430 --> 00:33:40,559

she would get me in there by myself and

828

00:33:45,649 --> 00:33:43,440

and make me tell her back you know

829

00:33:47,870 --> 00:33:45,659

whatever story she was telling me to how

830

00:33:50,930 --> 00:33:47,880

to avoid bad luck how to get good luck

831

00:33:52,370 --> 00:33:50,940

to you all that stuff you know and and I

832

00:33:54,529 --> 00:33:52,380

was afraid of it to be honest with you

833

00:33:56,630 --> 00:33:54,539

when I was a kid she looked like a witch

834

00:33:59,330 --> 00:33:56,640

she had arthritis so she's kind of

835

00:34:01,250 --> 00:33:59,340

humped over and hands are kind of

836

00:34:03,409 --> 00:34:01,260

and uh

837

00:34:06,110 --> 00:34:03,419

but she passed away when I was 13 years

838

00:34:08,450 --> 00:34:06,120

old and I wish I'd had another 13 years

839

00:34:10,609 --> 00:34:08,460

to spend with her I'm working on a book

840

00:34:12,050 --> 00:34:10,619

about her and some of the things she

841

00:34:14,750 --> 00:34:12,060

told me and some of the things she said

842

00:34:16,790 --> 00:34:14,760

but she knew things she had no way of

843

00:34:18,770 --> 00:34:16,800

knowing I remember one time we were

844

00:34:21,290 --> 00:34:18,780

going to visit her and there was a about

845

00:34:23,930 --> 00:34:21,300

25 miles away and there was a house we

846

00:34:26,389 --> 00:34:23,940

had to drive by where years and years

847

00:34:27,889 --> 00:34:26,399

prior uh the kid was playing in the yard

848

00:34:30,829 --> 00:34:27,899

chased a ball out into the street

849

00:34:31,550 --> 00:34:30,839

tragically got ran over and killed and

850

00:34:33,710 --> 00:34:31,560

uh

851
00:34:35,930 --> 00:34:33,720
my mom had told me that's a cautionary

852
00:34:37,970 --> 00:34:35,940
tale and just had pointed the house out

853
00:34:40,129 --> 00:34:37,980
to me at one time well every time I

854
00:34:42,169 --> 00:34:40,139
drove by there that house I'd just feel

855
00:34:44,389 --> 00:34:42,179
get to the weird feeling you know that

856
00:34:46,609 --> 00:34:44,399
little tingling in the back of my head

857
00:34:48,109 --> 00:34:46,619
and uh one day we were headed to her

858
00:34:49,609 --> 00:34:48,119
house and I was laying down in the back

859
00:34:51,369 --> 00:34:49,619
seat reading the comic book wasn't

860
00:34:53,690 --> 00:34:51,379
paying any attention to where we're at

861
00:34:55,669 --> 00:34:53,700
felt that little tingle I looked up sure

862
00:34:59,450 --> 00:34:55,679
enough there's that house where that

863
00:35:01,550 --> 00:34:59,460

happened at my grandmother's you know a

864

00:35:03,290 --> 00:35:01,560

little while later Mom Dad are carrying

865

00:35:06,290 --> 00:35:03,300

stuff in she whisked me off to the

866

00:35:08,030 --> 00:35:06,300

sewing room she's told me uh something

867

00:35:11,390 --> 00:35:08,040

or other about the feelings feeling

868

00:35:12,650 --> 00:35:11,400

things and um and I'm like well yeah

869

00:35:14,210 --> 00:35:12,660

that was about eight years old I said

870

00:35:16,250 --> 00:35:14,220

well yeah I got feelings I get my

871

00:35:18,890 --> 00:35:16,260

feelings hurt and stuff she said no I

872

00:35:21,349 --> 00:35:18,900

don't mean like that she said I mean you

873

00:35:23,150 --> 00:35:21,359

feel things like that spot on the

874

00:35:25,250 --> 00:35:23,160

highway on the way here tonight

875

00:35:27,130 --> 00:35:25,260

and my jaw just dropped open it's like

876

00:35:29,630 --> 00:35:27,140

she's in my head she can read my mind

877

00:35:32,390 --> 00:35:29,640

scared the the pee water out of me you

878

00:35:34,310 --> 00:35:32,400

know I decided didn't like granny being

879

00:35:36,230 --> 00:35:34,320

able to know my thoughts but she knew

880

00:35:39,890 --> 00:35:36,240

about that and I had other people

881

00:35:41,690 --> 00:35:39,900

tell me stories like that uh uh ladies

882

00:35:44,270 --> 00:35:41,700

I'd met much later in life after my

883

00:35:46,370 --> 00:35:44,280

grandma was passed uh told me that when

884

00:35:49,490 --> 00:35:46,380

she was a teenager her and some other

885

00:35:51,170 --> 00:35:49,500

girls around the same age 14 15 went to

886

00:35:53,210 --> 00:35:51,180

see my grandmother to get their fortunes

887

00:35:56,329 --> 00:35:53,220

told had to walk several miles out to

888

00:35:57,890 --> 00:35:56,339

where she lived and uh the two of them

889

00:35:59,270 --> 00:35:57,900

were really into it they wanted to find

890

00:36:01,730 --> 00:35:59,280

out if they were going to marry well and

891

00:36:03,290 --> 00:36:01,740

stuff and this particular lady said ah

892

00:36:04,849 --> 00:36:03,300

I'll go along with you and hear what

893

00:36:07,310 --> 00:36:04,859

she's got to say but I I don't believe

894

00:36:08,990 --> 00:36:07,320

in all that crap well they get there

895

00:36:11,089 --> 00:36:09,000

they come into my granny's reading room

896

00:36:13,730 --> 00:36:11,099

and she kind of looks at him and she

897

00:36:16,310 --> 00:36:13,740

says I'll read for you and I'll read for

898

00:36:18,829 --> 00:36:16,320

you but you I won't read for because you

899

00:36:21,170 --> 00:36:18,839

don't believe in me and the lady's name

900

00:36:23,030 --> 00:36:21,180

was Anna she said you could have knocked

901
00:36:25,970 --> 00:36:23,040
me over with a feathers she said there

902
00:36:27,829 --> 00:36:25,980
was no way she said we were walking you

903
00:36:31,010 --> 00:36:27,839
know down the old dirt road country road

904
00:36:33,829 --> 00:36:31,020
miles away from where she lived when I

905
00:36:36,650 --> 00:36:33,839
uttered those words but she knew what I

906
00:36:38,870 --> 00:36:36,660
had said and there you go so that that

907
00:36:40,550 --> 00:36:38,880
was my granny who couldn't put nothing

908
00:36:42,829 --> 00:36:40,560
past her of course having nine voice

909
00:36:44,569 --> 00:36:42,839
same with my mother she had nine

910
00:36:46,750 --> 00:36:44,579
brothers so she knew all the boy tricks

911
00:36:49,550 --> 00:36:46,760
I didn't get away with much

912
00:36:53,089 --> 00:36:49,560
yeah I was spoiled too I mean My

913
00:36:55,130 --> 00:36:53,099

Grandmother Had Me me a grandson and

914

00:36:57,829 --> 00:36:55,140

four granddaughters and

915

00:37:00,349 --> 00:36:57,839

yeah I'll admit I was spoiled rotten but

916

00:37:02,630 --> 00:37:00,359

you know I got more attention than

917

00:37:05,390 --> 00:37:02,640

uh I was better for it I think so

918

00:37:08,089 --> 00:37:05,400

absolutely I was a late Life Unexpected

919

00:37:11,450 --> 00:37:08,099

baby my only sibling older brother he

920

00:37:13,250 --> 00:37:11,460

was 17 years older than I am uh and by

921

00:37:15,710 --> 00:37:13,260

the time I was cognizant or anything

922

00:37:17,690 --> 00:37:15,720

he'd already married and moved out uh my

923

00:37:19,970 --> 00:37:17,700

nephew who's four years younger than me

924

00:37:21,950 --> 00:37:19,980

he was like my little brother my little

925

00:37:24,589 --> 00:37:21,960

my actual brother seemed like an uncle

926
00:37:27,170 --> 00:37:24,599
or something we weren't closer to much

927
00:37:29,030 --> 00:37:27,180
much later in life but uh my dad used to

928
00:37:30,349 --> 00:37:29,040
kid me because you know they knew my

929
00:37:32,210 --> 00:37:30,359
brother was getting married moving out

930
00:37:34,750 --> 00:37:32,220
and he said you know you were supposed

931
00:37:37,370 --> 00:37:34,760
to be a 63 Corvette

932
00:37:39,349 --> 00:37:37,380
that they'd had plans and after my

933
00:37:41,690 --> 00:37:39,359
brother moved on and they were empty

934
00:37:45,230 --> 00:37:41,700
nesters they were going to buy a 63

935
00:37:47,510 --> 00:37:45,240
Corvette uh Route 66 was a popular TV

936
00:37:49,190 --> 00:37:47,520
show back then they wanted to travel the

937
00:37:52,490 --> 00:37:49,200
highway it's like Todd and Buzz well

938
00:37:54,109 --> 00:37:52,500

surprise and he I think he was only half

939

00:37:56,569 --> 00:37:54,119

kid and when he said that but if I've

940

00:37:58,430 --> 00:37:56,579

done something in particular that he

941

00:38:01,430 --> 00:37:58,440

didn't like he'd laugh he'd bring it up

942

00:38:04,550 --> 00:38:01,440

he was supposed to be a Corvette

943

00:38:07,069 --> 00:38:04,560

but I was I was raised as an only and

944

00:38:08,930 --> 00:38:07,079

therefore was was totally indulged I was

945

00:38:12,589 --> 00:38:08,940

spoiled my brother used to resent that I

946

00:38:14,630 --> 00:38:12,599

think because he was born in 46. so he

947

00:38:17,270 --> 00:38:14,640

came up kind of rough just after the war

948

00:38:19,790 --> 00:38:17,280

my parents uh worked together out at Oak

949

00:38:22,490 --> 00:38:19,800

Ridge Tennessee met on the Manhattan

950

00:38:25,490 --> 00:38:22,500

Project my dad worked at a Oak Ridge

951
00:38:27,950 --> 00:38:25,500
National Laboratory later on as a

952
00:38:30,530 --> 00:38:27,960
scientist and that was a weird mix too

953
00:38:32,569 --> 00:38:30,540
where we lived out in the country uh

954
00:38:35,150 --> 00:38:32,579
lived in Knox County Oak Ridge was just

955
00:38:37,609 --> 00:38:35,160
across uh Melton Hill Lake used to be

956
00:38:40,790 --> 00:38:37,619
the the Clinch River until TVA damned it

957
00:38:43,069 --> 00:38:40,800
up but uh at one time Oak Ridge

958
00:38:45,410 --> 00:38:43,079
Tennessee had more phds per capita than

959
00:38:46,970 --> 00:38:45,420
anywhere in the world and then like

960
00:38:48,829 --> 00:38:46,980
where I went to elementary schools a

961
00:38:52,010 --> 00:38:48,839
small country school where my mom had

962
00:38:55,490 --> 00:38:52,020
gone to uh 200 kids total first through

963
00:38:58,250 --> 00:38:55,500

the eighth grade you had children of uh

964

00:39:00,770 --> 00:38:58,260

physicists and Rocket heads and then you

965

00:39:04,010 --> 00:39:00,780

had kids at their dads farmed tobacco

966

00:39:07,370 --> 00:39:04,020

you know so it was just a strange odd

967

00:39:09,710 --> 00:39:07,380

mix but just the stories that that you

968

00:39:12,410 --> 00:39:09,720

would hear everybody had a story that

969

00:39:15,290 --> 00:39:12,420

school was supposedly haunted I've got a

970

00:39:17,109 --> 00:39:15,300

story about that in my book about the uh

971

00:39:19,970 --> 00:39:17,119

my uh

972

00:39:21,650 --> 00:39:19,980

not entirely legal incursion in there

973

00:39:23,810 --> 00:39:21,660

one night while it was still school I

974

00:39:25,790 --> 00:39:23,820

didn't go there anymore but uh

975

00:39:27,109 --> 00:39:25,800

something chased me and a friend out of

976
00:39:28,250 --> 00:39:27,119
there

977
00:39:30,589 --> 00:39:28,260
um

978
00:39:34,190 --> 00:39:30,599
uh yeah I want to thank the folks who

979
00:39:37,430 --> 00:39:34,200
have uh given donations and and uh

980
00:39:40,370 --> 00:39:37,440
super chats tonight so far appreciate it

981
00:39:43,970 --> 00:39:40,380
very much appreciated uh man let's get

982
00:39:49,250 --> 00:39:47,270
uh do you believe Steve in the Bigfoot

983
00:39:52,730 --> 00:39:49,260
UFO connection

984
00:39:56,089 --> 00:39:52,740
I I do to an extent just in for the fact

985
00:39:58,670 --> 00:39:56,099
that a lot of times in areas where there

986
00:40:01,130 --> 00:39:58,680
are a lot of Bigfoot encounters that

987
00:40:03,050 --> 00:40:01,140
there's a lot of UFO activity as well

988
00:40:06,470 --> 00:40:03,060

and there have been times when people

989

00:40:09,710 --> 00:40:06,480

have seen Bigfoot either shortly before

990

00:40:12,410 --> 00:40:09,720

or shortly after seeing a UFO so I think

991

00:40:13,970 --> 00:40:12,420

there is maybe some correlation there

992

00:40:17,270 --> 00:40:13,980

that's one of those things that's hard

993

00:40:18,950 --> 00:40:17,280

to say but I think everything paranormal

994

00:40:21,950 --> 00:40:18,960

strange Supernatural I think it's all

995

00:40:23,810 --> 00:40:21,960

connected to some degree or another yeah

996

00:40:25,910 --> 00:40:23,820

I tend to agree with that you know

997

00:40:27,530 --> 00:40:25,920

different aspects of the Paranormal

998

00:40:31,010 --> 00:40:27,540

there's a fine line between all of them

999

00:40:34,010 --> 00:40:31,020

I believe and uh you know the more and

1000

00:40:35,390 --> 00:40:34,020

more you do this and you know you go

1001
00:40:37,970 --> 00:40:35,400
into a case thinking you're going to

1002
00:40:40,370 --> 00:40:37,980
have one one thing and you're going to

1003
00:40:42,250 --> 00:40:40,380
get a whole slew of things as as you go

1004
00:40:44,930 --> 00:40:42,260
deeper and deeper into it

1005
00:40:47,089 --> 00:40:44,940
so yeah that's that's just the nature of

1006
00:40:49,010 --> 00:40:47,099
the Beast I suppose and uh one of the

1007
00:40:51,710 --> 00:40:49,020
ways that that's fascinated me in the

1008
00:40:53,510 --> 00:40:51,720
last few years is the faith Theory I'd

1009
00:40:54,890 --> 00:40:53,520
never put a lot of credence in that or a

1010
00:40:57,109 --> 00:40:54,900
lot of thought into it until I started

1011
00:40:59,930 --> 00:40:57,119
looking into it and reading some of

1012
00:41:02,030 --> 00:40:59,940
those texts from uh 1800s in the Celtic

1013
00:41:04,069 --> 00:41:02,040

countries where the the belief in the

1014

00:41:06,890 --> 00:41:04,079

faith was almost a religion and probably

1015

00:41:09,290 --> 00:41:06,900

still is in parts of Ireland and places

1016

00:41:12,589 --> 00:41:09,300

like that but uh some of those old

1017

00:41:15,530 --> 00:41:12,599

stories uh the the FAE is kind of the

1018

00:41:17,390 --> 00:41:15,540

umbrella which everything can fit uh

1019

00:41:19,970 --> 00:41:17,400

there was one account I was reading from

1020

00:41:22,849 --> 00:41:19,980

uh I think it's mid-1800s where they

1021

00:41:24,530 --> 00:41:22,859

talked about a Horseless buggy came down

1022

00:41:27,290 --> 00:41:24,540

out of the sky with some little men in

1023

00:41:29,510 --> 00:41:27,300

it well that's a UFO story they talk

1024

00:41:31,609 --> 00:41:29,520

about some of the Fate they're not all

1025

00:41:32,950 --> 00:41:31,619

this tinker Bell Disney fight things

1026

00:41:35,089 --> 00:41:32,960

that we've been

1027

00:41:36,410 --> 00:41:35,099

convinced that they are there there's

1028

00:41:39,069 --> 00:41:36,420

some of them that are big and scary

1029

00:41:42,890 --> 00:41:39,079

they're almost like Elementals and stuff

1030

00:41:45,290 --> 00:41:42,900

and I I think that's the only theory

1031

00:41:47,150 --> 00:41:45,300

that I've heard that kind of neatly puts

1032

00:41:49,370 --> 00:41:47,160

everything together in a box and ties it

1033

00:41:52,490 --> 00:41:49,380

up with a bow but is is there something

1034

00:41:54,530 --> 00:41:52,500

beyond the FAE and a lot of those uh

1035

00:41:56,990 --> 00:41:54,540

Indian stories and legends and things

1036

00:41:59,630 --> 00:41:57,000

that ties into the Fey too some of the

1037

00:42:01,310 --> 00:41:59,640

same types of encounters that the

1038

00:42:03,589 --> 00:42:01,320

natives here have I think again it

1039

00:42:05,089 --> 00:42:03,599

there's there's this connection there's

1040

00:42:07,250 --> 00:42:05,099

String Theory or whatever you want to

1041

00:42:09,410 --> 00:42:07,260

call it uh there there's a thread that

1042

00:42:11,150 --> 00:42:09,420

runs through the Paranormal

1043

00:42:13,370 --> 00:42:11,160

yeah and we've got more and more

1044

00:42:15,890 --> 00:42:13,380

researchers and investigators involved

1045

00:42:17,870 --> 00:42:15,900

with Faye research and uh and that it's

1046

00:42:20,089 --> 00:42:17,880

becoming more prominent now

1047

00:42:22,670 --> 00:42:20,099

which uh is good because it's something

1048

00:42:25,190 --> 00:42:22,680

that really wasn't covered yeah and I'm

1049

00:42:27,950 --> 00:42:25,200

glad to see it just a few years ago uh

1050

00:42:29,810 --> 00:42:27,960

Arden Bigfoot Believers hardcore UFO

1051

00:42:31,730 --> 00:42:29,820

enthusiasts even abductees and

1052

00:42:33,950 --> 00:42:31,740

experiencers they've kind of Snicker at

1053

00:42:35,270 --> 00:42:33,960

you if you mentioned the fight but now

1054

00:42:37,490 --> 00:42:35,280

they're kind of saying hmm you know

1055

00:42:41,210 --> 00:42:37,500

maybe there is something to this

1056

00:42:43,790 --> 00:42:41,220

so yeah yeah I mean uh Vince has put up

1057

00:42:45,530 --> 00:42:43,800

Joshua Kutchen's book and he he and

1058

00:42:48,530 --> 00:42:45,540

Timothy Renner have been writing about

1059

00:42:50,410 --> 00:42:48,540

that for the last couple years and such

1060

00:42:53,810 --> 00:42:50,420

and it's been some really interesting

1061

00:42:55,550 --> 00:42:53,820

research and and cases that they've come

1062

00:42:58,069 --> 00:42:55,560

up with and I'm glad it is happening

1063

00:43:00,410 --> 00:42:58,079

because it you know it's opening up

1064

00:43:02,390 --> 00:43:00,420

everybody's mind and yeah you're right I

1065

00:43:04,370 --> 00:43:02,400

think there is a a definite connection

1066

00:43:06,550 --> 00:43:04,380

between a lot of what we people

1067

00:43:09,589 --> 00:43:06,560

experienced a lot of what we investigate

1068

00:43:11,630 --> 00:43:09,599

uh that is related like that definitely

1069

00:43:13,609 --> 00:43:11,640

and that's you know Charles Fort said

1070

00:43:16,130 --> 00:43:13,619

one measures a circle beginning anywhere

1071

00:43:18,230 --> 00:43:16,140

well that that Circle can include a lot

1072

00:43:20,270 --> 00:43:18,240

of different things within it and some

1073

00:43:22,250 --> 00:43:20,280

stuff just outside the circle the the

1074

00:43:24,349 --> 00:43:22,260

overlapping circles you know that sort

1075

00:43:25,790 --> 00:43:24,359

of thing there's part of this part of

1076

00:43:28,250 --> 00:43:25,800

that and it's the same with those

1077

00:43:30,230 --> 00:43:28,260

missing person cases people ask me what

1078

00:43:32,569 --> 00:43:30,240

do you think it is Steve I think it's

1079

00:43:34,069 --> 00:43:32,579

it's a whole bunch of different things I

1080

00:43:36,349 --> 00:43:34,079

think there's human predation there's

1081

00:43:38,450 --> 00:43:36,359

serial killers out there there's simple

1082

00:43:40,150 --> 00:43:38,460

death by misadvantage you're being ill

1083

00:43:43,190 --> 00:43:40,160

prepared or ill-equipped or

1084

00:43:46,069 --> 00:43:43,200

overestimating your abilities but then

1085

00:43:49,010 --> 00:43:46,079

there's cases where something took those

1086

00:43:54,230 --> 00:43:49,020

people whether it be a UFO some sort of

1087

00:43:57,290 --> 00:43:54,240

government entity or um program or you

1088

00:44:00,050 --> 00:43:57,300

know another encrypted or based or

1089

00:44:01,849 --> 00:44:00,060

I don't know they're just the the only

1090

00:44:04,609 --> 00:44:01,859

answer is there is no answer at this

1091

00:44:06,890 --> 00:44:04,619

point and you're right you're right and

1092

00:44:08,089 --> 00:44:06,900

you know that's that's what I found and

1093

00:44:11,809 --> 00:44:08,099

you you mentioned that in your intro

1094

00:44:13,609 --> 00:44:11,819

there that I'm no longer looking for for

1095

00:44:16,730 --> 00:44:13,619

answers I'm looking for the next set of

1096

00:44:19,910 --> 00:44:16,740

questions uh Sarai ascath over on where

1097

00:44:21,349 --> 00:44:19,920

the road go he compared it to uh the

1098

00:44:23,750 --> 00:44:21,359

Paranormal is like trying to put

1099

00:44:25,849 --> 00:44:23,760

together a jigsaw puzzle but you don't

1100

00:44:28,010 --> 00:44:25,859

have the picture on the box to even see

1101

00:44:30,470 --> 00:44:28,020

what picture you're supposed to come up

1102

00:44:32,150 --> 00:44:30,480

with and then you find out some Joker is

1103

00:44:35,510 --> 00:44:32,160

maybe mixed in five or six different

1104

00:44:37,970 --> 00:44:35,520

puzzles and uh there you go have fun and

1105

00:44:39,349 --> 00:44:37,980

I like that analogy that is a good

1106

00:44:42,829 --> 00:44:39,359

analogy

1107

00:44:45,230 --> 00:44:42,839

uh let's see Vincent wants to know

1108

00:44:47,390 --> 00:44:45,240

do you use crystals or other things like

1109

00:44:49,670 --> 00:44:47,400

Sage to clear your area and I guess he

1110

00:44:52,670 --> 00:44:49,680

includes other divination and stuff yeah

1111

00:44:54,890 --> 00:44:52,680

I'd already mentioned Sage I used that I

1112

00:44:56,450 --> 00:44:54,900

smudge often I do have crystals I

1113

00:44:58,910 --> 00:44:56,460

believe in the power of rocks and

1114

00:45:02,089 --> 00:44:58,920

gemstones some people trying to poo poo

1115

00:45:04,069 --> 00:45:02,099

that but to look at a there's a watches

1116

00:45:06,170 --> 00:45:04,079

that have a quartz moving in them when I

1117

00:45:09,890 --> 00:45:06,180

was in the scouts we made what they call

1118

00:45:12,170 --> 00:45:09,900

a foxhole radio with a quartz crystal a

1119

00:45:14,990 --> 00:45:12,180

nail a piece of copper wire a razor

1120

00:45:16,370 --> 00:45:15,000

blade and a thumbtack I think and if you

1121

00:45:18,170 --> 00:45:16,380

hooked it up just right you could

1122

00:45:20,990 --> 00:45:18,180

actually pick up radio signals

1123

00:45:23,150 --> 00:45:21,000

absolutely there's power and not only

1124

00:45:26,210 --> 00:45:23,160

crystals but lots of different kinds of

1125

00:45:28,190 --> 00:45:26,220

rocks and things and uh I believe like

1126

00:45:30,410 --> 00:45:28,200

the stone tape Theory and things like

1127

00:45:32,870 --> 00:45:30,420

that you think about that and an audio

1128

00:45:34,809 --> 00:45:32,880

tape or videotape that's just a piece of

1129

00:45:37,670 --> 00:45:34,819

mylar plastic with ferrous oxide

1130

00:45:39,410 --> 00:45:37,680

particles on there when it runs across

1131

00:45:41,990 --> 00:45:39,420

the playheads it does whatever it does

1132

00:45:44,089 --> 00:45:42,000

to those heads or the recording hand the

1133

00:45:46,130 --> 00:45:44,099

playhead plays it back fact I think

1134

00:45:48,589 --> 00:45:46,140

there are residual hauntings and things

1135

00:45:50,210 --> 00:45:48,599

that that's what that is there's uh one

1136

00:45:52,550 --> 00:45:50,220

of the oldest hauntings I've ever heard

1137

00:45:54,349 --> 00:45:52,560

of was a man in England that would see

1138

00:45:57,650 --> 00:45:54,359

Roman soldiers marching through his

1139

00:45:59,270 --> 00:45:57,660

basement and uh I forget what type of

1140

00:46:01,790 --> 00:45:59,280

stone the walls were they're probably

1141

00:46:05,329 --> 00:46:01,800

Granite but something was that had a

1142

00:46:07,490 --> 00:46:05,339

high quartz content in it and uh and he

1143

00:46:10,130 --> 00:46:07,500

did some research and sure enough the

1144

00:46:13,670 --> 00:46:10,140

level that his house was on that was the

1145

00:46:15,170 --> 00:46:13,680

old road through the area when uh those

1146

00:46:16,910 --> 00:46:15,180

Roman soldiers would have marched

1147

00:46:19,089 --> 00:46:16,920

through there and he said it was always

1148

00:46:21,230 --> 00:46:19,099

the same he would see the same

1149

00:46:23,630 --> 00:46:21,240

apparitions doing the same thing and you

1150

00:46:25,609 --> 00:46:23,640

have that at Gettysburg and places like

1151

00:46:27,890 --> 00:46:25,619

that where it's like a loop just a

1152

00:46:29,150 --> 00:46:27,900

continuous loop and you know there's a

1153

00:46:31,370 --> 00:46:29,160

difference between those residual

1154

00:46:33,890 --> 00:46:31,380

hauntings like that and intelligent

1155

00:46:35,750 --> 00:46:33,900

active awnings or Poltergeist or or

1156

00:46:37,849 --> 00:46:35,760

whatever you want to call it so I think

1157

00:46:39,430 --> 00:46:37,859

there's a lot that science just hadn't

1158

00:46:41,809 --> 00:46:39,440

figured out or that we don't understand

1159

00:46:44,750 --> 00:46:41,819

uh things were not meant to understand

1160

00:46:47,390 --> 00:46:44,760

just yet I mean if if you look how much

1161

00:46:48,290 --> 00:46:47,400

technology has grown just since we were

1162

00:46:52,190 --> 00:46:48,300

kids

1163

00:46:55,250 --> 00:46:52,200

wow what what will the next 20 40 60

1164

00:46:58,250 --> 00:46:55,260

years hold I I probably won't be around

1165

00:47:00,650 --> 00:46:58,260

to see it but I'm sure it'll be amazing

1166

00:47:02,329 --> 00:47:00,660

yeah and if you're ever in the area I

1167

00:47:05,450 --> 00:47:02,339

mean I live just down the street from

1168

00:47:07,730 --> 00:47:05,460

Gettysburg uh make sure you let me know

1169

00:47:10,089 --> 00:47:07,740

because I you know oh I'd love to meet

1170

00:47:13,069 --> 00:47:10,099

up with you I kind of have plans to go

1171

00:47:15,230 --> 00:47:13,079

uh the the next bash I know Cisco

1172

00:47:18,410 --> 00:47:15,240

Murdock is big on that she's invited me

1173

00:47:20,329 --> 00:47:18,420

a couple times uh my girlfriend lives in

1174

00:47:22,670 --> 00:47:20,339

Indiana she wants to go so I'm thinking

1175

00:47:24,470 --> 00:47:22,680

it's not it's still a good drive but I

1176

00:47:26,089 --> 00:47:24,480

can fly into Indy pick her up in a real

1177

00:47:28,670 --> 00:47:26,099

car and we'll we'll take off to

1178

00:47:31,309 --> 00:47:28,680

Gettysburg for the The Bash or whatever

1179

00:47:33,710 --> 00:47:31,319

they call it I'm I'm unfamiliar but uh

1180

00:47:36,290 --> 00:47:33,720

Cisco Murdock is turning through the

1181

00:47:39,050 --> 00:47:36,300

gate paranormal portal podcast her and

1182

00:47:40,790 --> 00:47:39,060

her crew uh they rent a bed and

1183

00:47:43,910 --> 00:47:40,800

breakfast a haunted bed and breakfast is

1184

00:47:46,190 --> 00:47:43,920

just right near where everything takes

1185

00:47:48,770 --> 00:47:46,200

place and that's probably is it the

1186

00:47:50,690 --> 00:47:48,780

Farnsworth Inn that sounds familiar I

1187

00:47:52,490 --> 00:47:50,700

can't say for sure but it's it's

1188

00:47:53,870 --> 00:47:52,500

something like that and it's just right

1189

00:47:56,089 --> 00:47:53,880

there

1190

00:48:00,230 --> 00:47:56,099

yeah that place is haunted I'll agree I

1191

00:48:01,970 --> 00:48:00,240

I I will attest to that uh I have seen a

1192

00:48:04,250 --> 00:48:01,980

few things in that place and felt a few

1193

00:48:06,109 --> 00:48:04,260

things so absolutely and in fact that

1194

00:48:07,790 --> 00:48:06,119

was there when most haunted was there

1195

00:48:11,089 --> 00:48:07,800

when they were here in the United States

1196

00:48:13,550 --> 00:48:11,099

about a decade ago I was there with them

1197

00:48:15,050 --> 00:48:13,560

and uh God that was that was that was

1198

00:48:16,430 --> 00:48:15,060

one of the strangest things I've ever

1199

00:48:18,470 --> 00:48:16,440

been with because we all walked in the

1200

00:48:21,710 --> 00:48:18,480

attic and all and I was helping with

1201
00:48:24,109 --> 00:48:21,720
helping the crew that was that was an

1202
00:48:26,089 --> 00:48:24,119
interesting night but no absolutely that

1203
00:48:28,370 --> 00:48:26,099
place is definitely haunted

1204
00:48:29,990 --> 00:48:28,380
yeah that to me that that's a fun time

1205
00:48:32,690 --> 00:48:30,000
that's that's a great date right there

1206
00:48:34,430 --> 00:48:32,700
to go stay in a haunted BNB and then

1207
00:48:37,250 --> 00:48:34,440
tour a haunted Battlefield I'm all about

1208
00:48:38,750 --> 00:48:37,260
it there you go I've often wondered

1209
00:48:41,510 --> 00:48:38,760
about that I'd like to get your opinion

1210
00:48:43,730 --> 00:48:41,520
on this what is it in particular about

1211
00:48:46,430 --> 00:48:43,740
the Civil War battlefields now I've been

1212
00:48:48,650 --> 00:48:46,440
all over the world I've uh I spent a

1213
00:48:51,349 --> 00:48:48,660

year in Southeast Asia I've seen The

1214

00:48:54,410 --> 00:48:51,359

Killing Fields there in Cambodia I've

1215

00:48:57,710 --> 00:48:54,420

been to Vietnam I've been to uh some of

1216

00:48:59,450 --> 00:48:57,720

those areas in France uh where World War

1217

00:49:02,089 --> 00:48:59,460

One you know the trench warfare and all

1218

00:49:05,089 --> 00:49:02,099

that happened and it it has a certain

1219

00:49:07,490 --> 00:49:05,099

feeling to it but I've been to a lot of

1220

00:49:09,829 --> 00:49:07,500

battlefields Civil War battlefields here

1221

00:49:12,890 --> 00:49:09,839

in the states there's just there is a

1222

00:49:15,349 --> 00:49:12,900

difference I don't know what it is uh

1223

00:49:17,470 --> 00:49:15,359

Chickamauga in Georgia Fort Oglethorpe

1224

00:49:20,809 --> 00:49:17,480

down there they've had all kinds of

1225

00:49:22,069 --> 00:49:20,819

Terror stuff there old green eyes but

1226

00:49:24,470 --> 00:49:22,079

there were people that claimed to have

1227

00:49:26,890 --> 00:49:24,480

seen that floating around during the

1228

00:49:29,390 --> 00:49:26,900

battle amongst the dead and dying yeah

1229

00:49:31,790 --> 00:49:29,400

Snodgrass Hill that that Tower there

1230

00:49:35,089 --> 00:49:31,800

that whole place just gives me the

1231

00:49:37,730 --> 00:49:35,099

creeps but I I think it has to do with

1232

00:49:39,890 --> 00:49:37,740

the times itself I think and you're

1233

00:49:42,710 --> 00:49:39,900

right I mean I've been to several field

1234

00:49:44,630 --> 00:49:42,720

battlefields and there's a specific type

1235

00:49:45,770 --> 00:49:44,640

of energy there

1236

00:49:48,349 --> 00:49:45,780

um

1237

00:49:52,030 --> 00:49:48,359

and you know it's a lot of it's residual

1238

00:49:55,010 --> 00:49:52,040

but there are some very active activity

1239

00:49:57,710 --> 00:49:55,020

and I think it has to do with the time I

1240

00:49:58,550 --> 00:49:57,720

think you know these people for the most

1241

00:50:00,470 --> 00:49:58,560

part

1242

00:50:02,450 --> 00:50:00,480

they were it was a civil war they were

1243

00:50:04,010 --> 00:50:02,460

brothers they were you know these were

1244

00:50:06,770 --> 00:50:04,020

people whose families fought the

1245

00:50:10,430 --> 00:50:06,780

Revolutionary War the Mexican war

1246

00:50:12,530 --> 00:50:10,440

together yeah and uh you know I I think

1247

00:50:15,230 --> 00:50:12,540

because of their

1248

00:50:19,130 --> 00:50:15,240

what they believed in and I think they

1249

00:50:20,510 --> 00:50:19,140

just fought really much harder I I think

1250

00:50:23,270 --> 00:50:20,520

they were more committed to the battle

1251

00:50:25,190 --> 00:50:23,280

and I think a lot of that has what you

1252

00:50:28,069 --> 00:50:25,200

know left the imprint on the field

1253

00:50:31,130 --> 00:50:28,079

itself yeah and and I agree with you

1254

00:50:33,650 --> 00:50:31,140

there because it was the first time that

1255

00:50:35,750 --> 00:50:33,660

Americans had killed other Americans on

1256

00:50:38,750 --> 00:50:35,760

American soil and it was literally

1257

00:50:41,089 --> 00:50:38,760

brother against brother in some cases uh

1258

00:50:43,550 --> 00:50:41,099

I had family on both sides during the

1259

00:50:47,089 --> 00:50:43,560

war not depending yeah me too uh who you

1260

00:50:49,849 --> 00:50:47,099

talked to and and how it was but um

1261

00:50:52,549 --> 00:50:49,859

there's a story I've got over on 13 past

1262

00:50:54,230 --> 00:50:52,559

midnight about a place up in the Johnson

1263

00:50:54,890 --> 00:50:54,240

County

1264

00:50:58,010 --> 00:50:54,900

um

1265

00:50:59,750 --> 00:50:58,020

near Mountain City we talked about Roan

1266

00:51:02,390 --> 00:50:59,760

Mountain it's near there a place called

1267

00:51:04,849 --> 00:51:02,400

The jingling hole and it was square that

1268

00:51:07,549 --> 00:51:04,859

uh one side or the other once they

1269

00:51:10,430 --> 00:51:07,559

captured prisoners of War they had a an

1270

00:51:12,410 --> 00:51:10,440

iron bar laid across a some sort of an

1271

00:51:13,190 --> 00:51:12,420

open cave or open pit or Shaft or

1272

00:51:15,530 --> 00:51:13,200

something

1273

00:51:16,790 --> 00:51:15,540

and uh they would that was their

1274

00:51:19,250 --> 00:51:16,800

punishment they would have to climb out

1275

00:51:21,170 --> 00:51:19,260

there and hang off that bar and then

1276

00:51:23,450 --> 00:51:21,180

once they let go that was the end of

1277

00:51:25,549 --> 00:51:23,460

them and the ones that rode horses had

1278

00:51:27,829 --> 00:51:25,559

Spurs and you would hear the Spurs

1279

00:51:29,750 --> 00:51:27,839

jingling supposedly to this day if you

1280

00:51:31,730 --> 00:51:29,760

go there you can hear bones and cries

1281

00:51:33,829 --> 00:51:31,740

come down there and still hear the

1282

00:51:36,349 --> 00:51:33,839

jingling of Spurs but there's some

1283

00:51:39,170 --> 00:51:36,359

places up there where there's still a

1284

00:51:41,569 --> 00:51:39,180

lot of animosity still some family feuds

1285

00:51:44,870 --> 00:51:41,579

because of who picked what side on the

1286

00:51:47,030 --> 00:51:44,880

war exactly I mean people did Blood kin

1287

00:51:49,250 --> 00:51:47,040

that don't speak to one another haven't

1288

00:51:50,750 --> 00:51:49,260

spoken to one another since the Civil

1289

00:51:53,210 --> 00:51:50,760

War there's some of those Mountain feuds

1290

00:51:56,829 --> 00:51:53,220

you know the Hatfields and McCoys that's

1291

00:52:01,609 --> 00:51:59,690

areas like that yeah between the West

1292

00:52:03,470 --> 00:52:01,619

Virginia Kentucky side you had all I

1293

00:52:05,750 --> 00:52:03,480

mean there's yeah it was the same here

1294

00:52:08,089 --> 00:52:05,760

because you had you had families in

1295

00:52:09,710 --> 00:52:08,099

Maryland who you know the brothers one

1296

00:52:11,990 --> 00:52:09,720

would be on the union one would be on

1297

00:52:13,309 --> 00:52:12,000

the Confederate side and many of them

1298

00:52:17,329 --> 00:52:13,319

actually followed each other at

1299

00:52:19,609 --> 00:52:17,339

Gettysburg so uh yeah I mean and another

1300

00:52:22,010 --> 00:52:19,619

thing I don't think people were prepared

1301
00:52:23,870 --> 00:52:22,020
for how much of a loss of life there was

1302
00:52:25,730 --> 00:52:23,880
going to be in houses exactly the

1303
00:52:27,829 --> 00:52:25,740
fighting actually was I remember one

1304
00:52:29,569 --> 00:52:27,839
time my brother showed me a picture it

1305
00:52:32,089 --> 00:52:29,579
was just it was amazing it was some

1306
00:52:33,609 --> 00:52:32,099
people up on a kind of a bluff and they

1307
00:52:35,990 --> 00:52:33,619
were overlooking a battlefield

1308
00:52:38,329 --> 00:52:36,000
absolutely and the lines were drawn

1309
00:52:40,549 --> 00:52:38,339
there was a unit over here of one side

1310
00:52:42,710 --> 00:52:40,559
the unit over here the other and these

1311
00:52:44,450 --> 00:52:42,720
people in their Victorian finery are

1312
00:52:46,790 --> 00:52:44,460
having a picnic they've got a blanket

1313
00:52:48,829 --> 00:52:46,800

spread out there they've got baskets and

1314

00:52:51,710 --> 00:52:48,839

stuff and then in the next photograph

1315

00:52:54,049 --> 00:52:51,720

those people are gone the picnic baskets

1316

00:52:56,510 --> 00:52:54,059

turned over down below who they were

1317

00:52:59,329 --> 00:52:56,520

watching there's like bodies and and

1318

00:53:01,069 --> 00:52:59,339

dead and dying people down there and you

1319

00:53:02,690 --> 00:53:01,079

wonder what did they think was it going

1320

00:53:04,730 --> 00:53:02,700

to be like a football game or something

1321

00:53:07,069 --> 00:53:04,740

and there was going to be just a little

1322

00:53:08,390 --> 00:53:07,079

Skirmish but no these were people being

1323

00:53:10,250 --> 00:53:08,400

killed right in front of you and they

1324

00:53:11,930 --> 00:53:10,260

they hightailed it out of there but yeah

1325

00:53:16,190 --> 00:53:11,940

I mean you know you hear the stories

1326

00:53:17,569 --> 00:53:16,200

about you know after uh Fort Sumter you

1327

00:53:18,890 --> 00:53:17,579

know they thought well you know

1328

00:53:20,750 --> 00:53:18,900

especially in the union side they

1329

00:53:22,910 --> 00:53:20,760

thought this was going to be some some

1330

00:53:26,150 --> 00:53:22,920

walk over and of course when they

1331

00:53:28,430 --> 00:53:26,160

started mustering in in DC and went

1332

00:53:31,370 --> 00:53:28,440

across the Chain Bridge into uh Virginia

1333

00:53:34,490 --> 00:53:31,380

over at Manassas and over first Bull Run

1334

00:53:35,390 --> 00:53:34,500

well you had people from town from DC

1335

00:53:38,650 --> 00:53:35,400

area

1336

00:53:40,670 --> 00:53:38,660

with picnic passes can in courts and and

1337

00:53:42,950 --> 00:53:40,680

Buggies and stuff and they were going to

1338

00:53:44,870 --> 00:53:42,960

watch the battle well that didn't last

1339

00:53:46,430 --> 00:53:44,880

for so long because the Yankees got

1340

00:53:47,990 --> 00:53:46,440

their asses run out of there real quick

1341

00:53:51,730 --> 00:53:48,000

and they were rolling up on these people

1342

00:53:54,109 --> 00:53:51,740

in the buggies so uh that wasn't unusual

1343

00:53:56,450 --> 00:53:54,119

but I just again I don't know what

1344

00:53:58,010 --> 00:53:56,460

people expected but it was it was a

1345

00:54:00,049 --> 00:53:58,020

surprise and I think just you know just

1346

00:54:02,150 --> 00:54:00,059

the loss of life and not only from the

1347

00:54:05,630 --> 00:54:02,160

battle I think probably just about as

1348

00:54:08,390 --> 00:54:05,640

many people died from uh dysentery or

1349

00:54:10,549 --> 00:54:08,400

from being operated on oh yeah it was

1350

00:54:13,190 --> 00:54:10,559

terrible I went to a museum in Tennessee

1351
00:54:14,630 --> 00:54:13,200
one time that had some instruments the

1352
00:54:17,210 --> 00:54:14,640
surgical instruments that were used

1353
00:54:19,750 --> 00:54:17,220
during the Civil War it was brutal I

1354
00:54:22,010 --> 00:54:19,760
mean like hacksaws and bone saws and

1355
00:54:23,630 --> 00:54:22,020
they literally you know the biting the

1356
00:54:25,390 --> 00:54:23,640
bullet they would give you a bullet or

1357
00:54:27,170 --> 00:54:25,400
something to bite on there was no real

1358
00:54:29,510 --> 00:54:27,180
anesthetic I think they might have had

1359
00:54:32,210 --> 00:54:29,520
opium or something like that but yeah

1360
00:54:34,490 --> 00:54:32,220
they'd cut you off uh you know cut off a

1361
00:54:37,130 --> 00:54:34,500
limb cauterized as best they could dig a

1362
00:54:39,770 --> 00:54:37,140
bullet out of you if it was where my

1363
00:54:42,170 --> 00:54:39,780

dad's mother one of her brothers was a

1364

00:54:44,510 --> 00:54:42,180

Civil War veteran and he had one of

1365

00:54:47,089 --> 00:54:44,520

those lead mini balls embedded in the

1366

00:54:49,309 --> 00:54:47,099

back of his skull it is then carried it

1367

00:54:50,870 --> 00:54:49,319

just enough that it stayed there but not

1368

00:54:53,390 --> 00:54:50,880

enough as far as I know it was because

1369

00:54:55,130 --> 00:54:53,400

of many permanent damage but she said

1370

00:54:57,650 --> 00:54:55,140

she can remember giving him a hug and

1371

00:55:00,349 --> 00:54:57,660

and put her hand around the back of his

1372

00:55:02,510 --> 00:55:00,359

head and feeling that the the remains of

1373

00:55:05,089 --> 00:55:02,520

that mini ball in there if you've ever

1374

00:55:07,970 --> 00:55:05,099

seen those slugs there I found them for

1375

00:55:09,530 --> 00:55:07,980

it they're huge but to get smacked in

1376

00:55:12,410 --> 00:55:09,540

the head and walk away with it that's

1377

00:55:14,270 --> 00:55:12,420

that's something that's a he's got got a

1378

00:55:16,549 --> 00:55:14,280

thick skull and then Happy of it I guess

1379

00:55:18,349 --> 00:55:16,559

in that situation yeah I've heard all

1380

00:55:20,750 --> 00:55:18,359

kinds of stories there was one guy in

1381

00:55:22,670 --> 00:55:20,760

particular I I just heard the story the

1382

00:55:25,730 --> 00:55:22,680

other night he got shot right between

1383

00:55:28,670 --> 00:55:25,740

the eyes up and up in the uh up in his

1384

00:55:31,849 --> 00:55:28,680

forehead and he that hole stayed open

1385

00:55:34,190 --> 00:55:31,859

all his life and um you know they left

1386

00:55:37,190 --> 00:55:34,200

him for dead he shows up across the

1387

00:55:40,490 --> 00:55:37,200

lines back on the union side and uh he

1388

00:55:42,829 --> 00:55:40,500

was from Illinois actually and uh he

1389

00:55:46,190 --> 00:55:42,839

lived his entire life

1390

00:55:50,030 --> 00:55:46,200

up until the he was in his early 90s I

1391

00:55:52,970 --> 00:55:50,040

think and uh he three on three occasions

1392

00:55:54,589 --> 00:55:52,980

parts of that mini ball broke off and

1393

00:55:57,049 --> 00:55:54,599

popped out of the out of the room but

1394

00:55:59,210 --> 00:55:57,059

the wound stayed open but uh trepidation

1395

00:56:00,829 --> 00:55:59,220

by a musket you know the ancient

1396

00:56:02,809 --> 00:56:00,839

Egyptians used to do that they had

1397

00:56:05,390 --> 00:56:02,819

chisel a hole between the eye there

1398

00:56:08,390 --> 00:56:05,400

supposedly in the third eye and uh so

1399

00:56:10,549 --> 00:56:08,400

that guy had it done as a battle award

1400

00:56:13,010 --> 00:56:10,559

there's pictures of him with that Holy

1401
00:56:15,890 --> 00:56:13,020
forehead so yeah I I was kind of

1402
00:56:17,630 --> 00:56:15,900
surprised I've covered true crime cases

1403
00:56:19,970 --> 00:56:17,640
before where somebody got shot in the

1404
00:56:22,670 --> 00:56:19,980
head and the bullet would actually

1405
00:56:24,950 --> 00:56:22,680
travel around the curve of the skull and

1406
00:56:26,750 --> 00:56:24,960
and exit the skin on the other side I

1407
00:56:29,829 --> 00:56:26,760
mean you talk about lucky that's amazing

1408
00:56:32,230 --> 00:56:29,839
I'd go buy a lottery ticket if I got it

1409
00:56:36,549 --> 00:56:32,240
at the bullet

1410
00:56:42,170 --> 00:56:39,710
uh Amy wants to know Steve do you still

1411
00:56:44,569 --> 00:56:42,180
astral dream

1412
00:56:47,450 --> 00:56:44,579
I that's one of those things I think I

1413
00:56:50,030 --> 00:56:47,460

do I believe in dream travel I believe

1414

00:56:53,210 --> 00:56:50,040

that happens and I've dreamed some

1415

00:56:55,549 --> 00:56:53,220

really really really weird dreams uh I'm

1416

00:56:57,230 --> 00:56:55,559

lifelong Insomniac I don't sleep much at

1417

00:56:59,870 --> 00:56:57,240

all maybe two or three hours a night if

1418

00:57:01,790 --> 00:56:59,880

I'm lucky and I don't go into the

1419

00:57:04,790 --> 00:57:01,800

different levels of sleep I go right

1420

00:57:06,650 --> 00:57:04,800

into REM sleep uh rapid eye movement I'm

1421

00:57:09,290 --> 00:57:06,660

Dreaming sometimes before my eyes are

1422

00:57:11,450 --> 00:57:09,300

closed I'm already seeing it in my head

1423

00:57:13,609 --> 00:57:11,460

or wherever it is that you dream but

1424

00:57:15,770 --> 00:57:13,619

there's some places I go to

1425

00:57:17,150 --> 00:57:15,780

that I've been several times that are

1426

00:57:19,549 --> 00:57:17,160

familiar to me

1427

00:57:21,109 --> 00:57:19,559

and I'm I'm somebody different but the

1428

00:57:23,030 --> 00:57:21,119

people there seem to know me they've

1429

00:57:25,549 --> 00:57:23,040

never called me by name but there's

1430

00:57:27,829 --> 00:57:25,559

places that I go to and then some of

1431

00:57:29,690 --> 00:57:27,839

it's modern some of it's older but

1432

00:57:32,150 --> 00:57:29,700

there's one particular place that I go

1433

00:57:33,829 --> 00:57:32,160

I'm going through a pass between some

1434

00:57:35,210 --> 00:57:33,839

mountains and there's a couple of

1435

00:57:37,309 --> 00:57:35,220

different convenience stores there

1436

00:57:38,990 --> 00:57:37,319

there's a little service station on the

1437

00:57:41,270 --> 00:57:39,000

right that I always stop at and get a

1438

00:57:43,370 --> 00:57:41,280

cup of coffee and if I go up a road just

1439

00:57:45,410 --> 00:57:43,380

behind there there's a house that I'm

1440

00:57:48,410 --> 00:57:45,420

familiar with up on the hill now it

1441

00:57:49,970 --> 00:57:48,420

looks like uh my cousin's house over in

1442

00:57:52,010 --> 00:57:49,980

Fentress County but it's not their house

1443

00:57:54,049 --> 00:57:52,020

but it reminds me of that house I've

1444

00:57:57,250 --> 00:57:54,059

been up that road a few times I don't

1445

00:58:02,569 --> 00:58:00,109

in some dreams when I was a kid I used

1446

00:58:05,329 --> 00:58:02,579

to dream about a house where I had to

1447

00:58:07,370 --> 00:58:05,339

walk down the long hallway to get to a

1448

00:58:09,470 --> 00:58:07,380

door at the other end and there was

1449

00:58:10,849 --> 00:58:09,480

about four or five doors on each side

1450

00:58:13,549 --> 00:58:10,859

some of them were open some of them were

1451

00:58:15,109 --> 00:58:13,559

closed and I knew that in some of those

1452

00:58:17,510 --> 00:58:15,119

rooms there was something that was going

1453

00:58:19,309 --> 00:58:17,520

to get me and I had to get from one end

1454

00:58:22,069 --> 00:58:19,319

to the other and something would always

1455

00:58:23,809 --> 00:58:22,079

chase me and I never made it out the

1456

00:58:25,670 --> 00:58:23,819

door the door would either be locked or

1457

00:58:27,829 --> 00:58:25,680

I'd wake up and I was talking to a

1458

00:58:29,750 --> 00:58:27,839

friend of mine Susan woodcarver she may

1459

00:58:32,569 --> 00:58:29,760

be in the chat here tonight she said

1460

00:58:35,089 --> 00:58:32,579

she'd had that same exact dream since

1461

00:58:37,309 --> 00:58:35,099

childhood so again maybe that's just

1462

00:58:39,890 --> 00:58:37,319

some kind of anxiety dream some kind of

1463

00:58:42,589 --> 00:58:39,900

mind game or something there but I've

1464

00:58:44,690 --> 00:58:42,599

I've and I've dreamed about places that

1465

00:58:47,089 --> 00:58:44,700

I've never been and then gone there and

1466

00:58:48,770 --> 00:58:47,099

it was just like I saw I remember one

1467

00:58:51,650 --> 00:58:48,780

time when I was a kid I dreamed about a

1468

00:58:53,450 --> 00:58:51,660

place in Ohio it was a farmhouse there

1469

00:58:55,069 --> 00:58:53,460

were some little outbuildings and three

1470

00:58:56,270 --> 00:58:55,079

of them and each one was in just a

1471

00:58:58,130 --> 00:58:56,280

little worse shape in the other weather

1472

00:59:01,250 --> 00:58:58,140

and out behind the house there was a

1473

00:59:03,710 --> 00:59:01,260

swing set well I'm probably a preteen

1474

00:59:05,750 --> 00:59:03,720

was driving through Ohio with my parents

1475

00:59:08,329 --> 00:59:05,760

my parents had an antique shop they're

1476

00:59:10,130 --> 00:59:08,339

antique dealers and some Summers instead

1477

00:59:12,349 --> 00:59:10,140

of going on vacation well they'd just

1478

00:59:14,329 --> 00:59:12,359

take a buying trip and hit these estate

1479

00:59:16,490 --> 00:59:14,339

sales and farm auctions and things like

1480

00:59:18,650 --> 00:59:16,500

that and all of a sudden I just this

1481

00:59:21,410 --> 00:59:18,660

place just seemed really familiar to me

1482

00:59:23,030 --> 00:59:21,420

and I'm talking about yeah just up the

1483

00:59:24,589 --> 00:59:23,040

road there's a lighthouse and there's

1484

00:59:27,109 --> 00:59:24,599

three buildings and there's a swing set

1485

00:59:28,849 --> 00:59:27,119

in the backyard and I'd never been there

1486

00:59:30,470 --> 00:59:28,859

before and my parents let me know that

1487

00:59:33,289 --> 00:59:30,480

real quick we've never been through this

1488

00:59:34,789 --> 00:59:33,299

area and not with you certainly and sure

1489

00:59:36,829 --> 00:59:34,799

enough we went around a curve on

1490

00:59:38,390 --> 00:59:36,839

whatever State Highway we're on there

1491

00:59:40,609 --> 00:59:38,400

was The Farmhouse there was those three

1492

00:59:42,109 --> 00:59:40,619

out buildings and once we got past the

1493

00:59:44,870 --> 00:59:42,119

house there was a swing set in the

1494

00:59:47,630 --> 00:59:44,880

backyard I dreamed about that years

1495

00:59:49,490 --> 00:59:47,640

prior now what does that even mean I've

1496

00:59:52,069 --> 00:59:49,500

had stuff like that where I dream about

1497

00:59:54,410 --> 00:59:52,079

something that is this cognition or

1498

00:59:57,049 --> 00:59:54,420

something like that yeah I used to ask

1499

00:59:59,210 --> 00:59:57,059

my Granny about that and she said well

1500

01:00:01,609 --> 00:59:59,220

there's some things that you're meant to

1501

01:00:04,190 --> 01:00:01,619

see and the reason may or may not be

1502

01:00:06,410 --> 01:00:04,200

obvious to you even in retrospect you

1503

01:00:09,109 --> 01:00:06,420

may never know but she said sometimes

1504

01:00:11,150 --> 01:00:09,119

things are meant for somebody else and

1505

01:00:13,010 --> 01:00:11,160

you just happen to see it it may not

1506

01:00:15,770 --> 01:00:13,020

mean a thing to you ever and wasn't

1507

01:00:18,109 --> 01:00:15,780

meant for you but because of what she

1508

01:00:20,809 --> 01:00:18,119

believed I had that I was capable of

1509

01:00:23,210 --> 01:00:20,819

seeing stuff that other people were

1510

01:00:25,010 --> 01:00:23,220

meant to say so you know take that with

1511

01:00:27,470 --> 01:00:25,020

a grain of salt but it kind of makes

1512

01:00:30,289 --> 01:00:27,480

sense because that would explain I've

1513

01:00:33,349 --> 01:00:30,299

had some some premonitions some flashes

1514

01:00:34,809 --> 01:00:33,359

of things some tragedies even but no way

1515

01:00:37,730 --> 01:00:34,819

to stop it

1516

01:00:40,549 --> 01:00:37,740

one time I had like a

1517

01:00:42,170 --> 01:00:40,559

I just fallen asleep and I had this

1518

01:00:43,789 --> 01:00:42,180

incredible dream I was on a construction

1519

01:00:46,430 --> 01:00:43,799

site somewhere I knew it was in the

1520

01:00:48,170 --> 01:00:46,440

South because the red clay mud was on a

1521

01:00:49,370 --> 01:00:48,180

job site there are people walking around

1522

01:00:51,770 --> 01:00:49,380

with their flannel shirts and their

1523

01:00:53,630 --> 01:00:51,780

boots and their hard hats and there was

1524

01:00:56,690 --> 01:00:53,640

a pyramid of uh

1525

01:00:59,569 --> 01:00:56,700

pipe there like the concrete pipe about

1526

01:01:01,609 --> 01:00:59,579

oh probably each pipe was three feet

1527

01:01:03,589 --> 01:01:01,619

tall they were five over six of them in

1528

01:01:06,230 --> 01:01:03,599

a pyramid and I thought man that's

1529

01:01:08,150 --> 01:01:06,240

unsecured that's dangerous and about the

1530

01:01:11,329 --> 01:01:08,160

time I thought that in the dream

1531

01:01:13,430 --> 01:01:11,339

the pyramid pipes collapsed and they

1532

01:01:16,069 --> 01:01:13,440

rolled over guy I mean I saw these pipes

1533

01:01:20,390 --> 01:01:16,079

go down a hill and mash a guy just into

1534

01:01:22,130 --> 01:01:20,400

Oblivion and I started up in bed and my

1535

01:01:24,470 --> 01:01:22,140

girlfriend at the time said are you okay

1536

01:01:26,450 --> 01:01:24,480

you look like you've seen a ghost and I

1537

01:01:28,670 --> 01:01:26,460

said I think I just saw somebody become

1538

01:01:30,230 --> 01:01:28,680

one but again I couldn't identify the

1539

01:01:31,970 --> 01:01:30,240

area I couldn't tell you when where

1540

01:01:34,250 --> 01:01:31,980

other than I believe it was in the South

1541

01:01:35,750 --> 01:01:34,260

because of that red clay sure enough a

1542

01:01:37,970 --> 01:01:35,760

few weeks a couple months later whatever

1543

01:01:40,910 --> 01:01:37,980

it was I heard of a news account it was

1544

01:01:43,250 --> 01:01:40,920

in Tennessee and uh not even a

1545

01:01:45,710 --> 01:01:43,260

neighboring City where that exact same

1546

01:01:47,390 --> 01:01:45,720

thing happened and unsecured stack of

1547

01:01:49,430 --> 01:01:47,400

pipes broke loose and crushed a man to

1548

01:01:51,530 --> 01:01:49,440

death why would I even see something

1549

01:01:54,170 --> 01:01:51,540

like that if I can't prevent it but

1550

01:01:56,150 --> 01:01:54,180

again goes back to my granny said even

1551

01:01:57,950 --> 01:01:56,160

if you know things there's some things

1552

01:02:00,589 --> 01:01:57,960

you can't change they're going to happen

1553

01:02:03,950 --> 01:02:00,599

no matter what you do or try to do it

1554

01:02:06,829 --> 01:02:03,960

just is that so I heard that was her one

1555

01:02:09,470 --> 01:02:06,839

of her catchphrases it just is I I think

1556

01:02:11,930 --> 01:02:09,480

she was right yeah I I've heard so many

1557

01:02:14,390 --> 01:02:11,940

different things like that and I think

1558

01:02:17,030 --> 01:02:14,400

they do occur

1559

01:02:19,549 --> 01:02:17,040

um Carol wants to know do Sprites talk

1560

01:02:21,289 --> 01:02:19,559

to you when you are sleeping I guess

1561

01:02:23,930 --> 01:02:21,299

that's kind of tied in not not that I'm

1562

01:02:25,849 --> 01:02:23,940

aware of the other strike I ever

1563

01:02:28,430 --> 01:02:25,859

encountered was in the woods as a child

1564

01:02:30,890 --> 01:02:28,440

and it chased me scared the Daylights

1565

01:02:33,530 --> 01:02:30,900

out of me I couldn't see it and I didn't

1566

01:02:35,750 --> 01:02:33,540

know what it was but uh I'll just I'll

1567

01:02:37,309 --> 01:02:35,760

go ahead and tell that story uh it's in

1568

01:02:39,410 --> 01:02:37,319

my book it's called the thing in the

1569

01:02:41,270 --> 01:02:39,420

ditch and we lived out in the country

1570

01:02:44,089 --> 01:02:41,280

when I was a kid I was eight years old

1571

01:02:46,309 --> 01:02:44,099

wandered around we had 26 Acres out

1572

01:02:48,589 --> 01:02:46,319

there had about five of it cleared off

1573

01:02:51,770 --> 01:02:48,599

the rest of it was old growth forest

1574

01:02:54,109 --> 01:02:51,780

and uh there was an old ditch line uh to

1575

01:02:55,370 --> 01:02:54,119

one side of the property and I didn't

1576

01:02:57,049 --> 01:02:55,380

know it at the time but that had

1577

01:02:59,109 --> 01:02:57,059

originally been the Old Stagecoach Road

1578

01:03:01,690 --> 01:02:59,119

through that area dating back to the

1579

01:03:05,569 --> 01:03:01,700

Revolutionary War and probably before

1580

01:03:07,069 --> 01:03:05,579

and uh I just I played in that ditch and

1581

01:03:09,710 --> 01:03:07,079

the other end of it but I was on the

1582

01:03:11,630 --> 01:03:09,720

upper end of it and my brother used to

1583

01:03:13,970 --> 01:03:11,640

keep hunting dogs and he'd had a dog

1584

01:03:16,010 --> 01:03:13,980

enclosure up there that hadn't been used

1585

01:03:18,530 --> 01:03:16,020

in years and it was kind of just rusting

1586

01:03:20,809 --> 01:03:18,540

into the ground and I walked up into

1587

01:03:23,089 --> 01:03:20,819

that ditch and it was probably 10 12

1588

01:03:25,370 --> 01:03:23,099

feet deep kind of looked down in there

1589

01:03:27,530 --> 01:03:25,380

didn't see anything to hold my interest

1590

01:03:29,569 --> 01:03:27,540

turned around started back down the hill

1591

01:03:31,970 --> 01:03:29,579

all of a sudden I heard something down

1592

01:03:33,589 --> 01:03:31,980

in the ditch in the leaves and I turned

1593

01:03:36,710 --> 01:03:33,599

around and looked and whatever it was

1594

01:03:38,390 --> 01:03:36,720

came up over the lip of the ditch and

1595

01:03:40,010 --> 01:03:38,400

was headed straight for me

1596

01:03:42,589 --> 01:03:40,020

but there was nothing there I couldn't

1597

01:03:44,750 --> 01:03:42,599

see it but I could see the effect it was

1598

01:03:46,250 --> 01:03:44,760

having the tree limbs were being brushed

1599

01:03:49,190 --> 01:03:46,260

out of the way it was kicking leaves up

1600

01:03:52,309 --> 01:03:49,200

when it's wake I could feel footfalls it

1601
01:03:54,349 --> 01:03:52,319
was big whatever it was I turned tail

1602
01:03:54,780 --> 01:03:54,359
ran down the hill screaming and cried I

1603
01:03:56,630 --> 01:03:54,790
was probably

1604
01:03:58,370 --> 01:03:56,640
[Music]

1605
01:03:59,750 --> 01:03:58,380
probably a quarter mile eighth of a mile

1606
01:04:02,450 --> 01:03:59,760
or something like that from the house it

1607
01:04:04,250 --> 01:04:02,460
seemed like a long way and I was making

1608
01:04:06,650 --> 01:04:04,260
such commotion my mom came out on the

1609
01:04:09,049 --> 01:04:06,660
back porch to see what was wrong I ran

1610
01:04:09,950 --> 01:04:09,059
past her and went my house and head but

1611
01:04:15,530 --> 01:04:09,960
uh

1612
01:04:18,049 --> 01:04:15,540
got me calmed down by then I recounted

1613
01:04:20,210 --> 01:04:18,059

my story you know was it a deer was it a

1614

01:04:22,609 --> 01:04:20,220

bear no I knew what all those things

1615

01:04:24,650 --> 01:04:22,619

were I'd seen all those things this I

1616

01:04:25,789 --> 01:04:24,660

couldn't see but uh they went up there

1617

01:04:27,289 --> 01:04:25,799

and looked they could see where

1618

01:04:28,730 --> 01:04:27,299

something had broke tree limbs and

1619

01:04:33,109 --> 01:04:28,740

kicked leaves up

1620

01:04:35,150 --> 01:04:33,119

uh no idea what it was well uh I just

1621

01:04:37,250 --> 01:04:35,160

stayed away from there I did lure a kid

1622

01:04:38,990 --> 01:04:37,260

that came home with me from school one

1623

01:04:41,809 --> 01:04:39,000

time I got him to go up there and stand

1624

01:04:43,190 --> 01:04:41,819

he didn't know why but like Johnny go up

1625

01:04:45,650 --> 01:04:43,200

there and stand and look in the ditch

1626

01:04:47,329 --> 01:04:45,660

and tell me if you see anything and I

1627

01:04:49,490 --> 01:04:47,339

head back down the hill behind the tree

1628

01:04:51,049 --> 01:04:49,500

and watched so he didn't know why but

1629

01:04:53,150 --> 01:04:51,059

he's just like Duke to do no don't see

1630

01:04:55,490 --> 01:04:53,160

anything didn't chase him didn't bother

1631

01:04:57,890 --> 01:04:55,500

him nothing ever got after my dad or my

1632

01:05:00,410 --> 01:04:57,900

brother and before I was born my brother

1633

01:05:03,049 --> 01:05:00,420

had hunted in those woods before we

1634

01:05:06,109 --> 01:05:03,059

built a house on the property well Flash

1635

01:05:08,210 --> 01:05:06,119

Forward uh I'm 15 years old at this

1636

01:05:09,770 --> 01:05:08,220

point we had sold that property and then

1637

01:05:12,049 --> 01:05:09,780

we're getting ready to move to a new

1638

01:05:13,970 --> 01:05:12,059

house and my father folks that had built

1639

01:05:16,190 --> 01:05:13,980

and I was just out walking around the

1640

01:05:18,470 --> 01:05:16,200

woods exploring some of my old childhood

1641

01:05:21,230 --> 01:05:18,480

Halls so I spent a lot of time in those

1642

01:05:22,730 --> 01:05:21,240

woods I taught myself uh Woodcraft and

1643

01:05:24,410 --> 01:05:22,740

and wood lore and things like that

1644

01:05:27,230 --> 01:05:24,420

learned to identify plants there was

1645

01:05:29,750 --> 01:05:27,240

ginseng That Grew there naturally and uh

1646

01:05:31,789 --> 01:05:29,760

knew what to stay away from and and what

1647

01:05:35,210 --> 01:05:31,799

was really neat there was a bee tree and

1648

01:05:38,150 --> 01:05:35,220

a little almost like a cave is really

1649

01:05:40,190 --> 01:05:38,160

just a hole in the side of a hill

1650

01:05:41,750 --> 01:05:40,200

um but uh I walked back up to the ditch

1651

01:05:44,089 --> 01:05:41,760

and I'm just kind of chuckling I'm like

1652

01:05:45,349 --> 01:05:44,099

I wonder what scared me all those years

1653

01:05:46,730 --> 01:05:45,359

ago because at that point it's been

1654

01:05:50,089 --> 01:05:46,740

about seven years

1655

01:05:52,190 --> 01:05:50,099

and uh turned around walk away sure

1656

01:05:54,170 --> 01:05:52,200

enough I hear that noise again turn

1657

01:05:55,730 --> 01:05:54,180

around here comes that thing out of the

1658

01:05:57,470 --> 01:05:55,740

ditch can't see it but I can see what

1659

01:05:59,809 --> 01:05:57,480

it's doing now I didn't run screaming

1660

01:06:02,150 --> 01:05:59,819

and crying that time but I didn't waste

1661

01:06:03,470 --> 01:06:02,160

any time getting back down the hill and

1662

01:06:05,870 --> 01:06:03,480

that was the last time I was ever there

1663

01:06:09,650 --> 01:06:05,880

we moved away from there a few months

1664

01:06:12,170 --> 01:06:09,660

after that well Flash Forward another uh

1665

01:06:14,089 --> 01:06:12,180

six years or so I was probably 21 or so

1666

01:06:16,370 --> 01:06:14,099

I was working at a place in West

1667

01:06:18,230 --> 01:06:16,380

Knoxville and um

1668

01:06:20,270 --> 01:06:18,240

a guy that I worked with only knew him

1669

01:06:22,730 --> 01:06:20,280

from work invited me to a party after

1670

01:06:24,049 --> 01:06:22,740

work so I went it was at somebody's

1671

01:06:26,089 --> 01:06:24,059

apartment a bunch of people there I

1672

01:06:27,470 --> 01:06:26,099

didn't know anybody except for the guy

1673

01:06:30,170 --> 01:06:27,480

that invited me and didn't really know

1674

01:06:32,630 --> 01:06:30,180

him and uh some girls that were there

1675

01:06:35,210 --> 01:06:32,640

found a Ouija board he's a behind the

1676
01:06:37,370 --> 01:06:35,220
couch or under the couch so they decided

1677
01:06:38,630 --> 01:06:37,380
you know let's do this so they're

1678
01:06:40,970 --> 01:06:38,640
they're going around the room they're

1679
01:06:43,309 --> 01:06:40,980
asking questions came around to my turn

1680
01:06:45,710 --> 01:06:43,319
I thought boy I've got a doozy for you

1681
01:06:48,890 --> 01:06:45,720
and this is exactly what I said word for

1682
01:06:51,170 --> 01:06:48,900
word what scared me as a child

1683
01:06:52,670 --> 01:06:51,180
and uh the Ouija board they're doing its

1684
01:06:57,370 --> 01:06:52,680
thing there it's pretty great and it

1685
01:07:01,910 --> 01:07:00,049
w-a-t-e-r-s-p-r-i-t-e they look to me I

1686
01:07:04,010 --> 01:07:01,920
just Shrugged my shoulders they're like

1687
01:07:05,510 --> 01:07:04,020
water Sprite is it is it Thursdays that

1688
01:07:08,690 --> 01:07:05,520

want a drink of water does it want a

1689

01:07:10,250 --> 01:07:08,700

Sprite so I left it at that well this

1690

01:07:12,109 --> 01:07:10,260

was in the days before the internet the

1691

01:07:14,210 --> 01:07:12,119

next day I had off which I think was the

1692

01:07:16,309 --> 01:07:14,220

next day was the reason why I went to

1693

01:07:18,170 --> 01:07:16,319

the party anyway but I went to the big

1694

01:07:20,150 --> 01:07:18,180

library downtown and I went up to the

1695

01:07:22,130 --> 01:07:20,160

reference library and I said what can

1696

01:07:24,770 --> 01:07:22,140

you tell me about a water Sprite

1697

01:07:27,230 --> 01:07:24,780

well she goes off into the stacks comes

1698

01:07:29,569 --> 01:07:27,240

back with some books and she brought out

1699

01:07:32,029 --> 01:07:29,579

some stuff and it was about uh like

1700

01:07:34,309 --> 01:07:32,039

Elementals in the FAE there are spirits

1701

01:07:36,829 --> 01:07:34,319

and and I always get confused but

1702

01:07:38,809 --> 01:07:36,839

there's either a niad or a dryad one of

1703

01:07:40,910 --> 01:07:38,819

them is a guardian of the trees the

1704

01:07:43,190 --> 01:07:40,920

other is a guardian of the waters on

1705

01:07:45,049 --> 01:07:43,200

this particular property that we lived

1706

01:07:47,630 --> 01:07:45,059

on there were seven natural springs

1707

01:07:50,210 --> 01:07:47,640

there six of them float out of hillsides

1708

01:07:52,250 --> 01:07:50,220

a seventh one was an Artesian spring

1709

01:07:54,890 --> 01:07:52,260

they all flowed together into a bigger

1710

01:07:57,829 --> 01:07:54,900

Creek which flowed down into the the

1711

01:07:59,630 --> 01:07:57,839

lake that used to be the river so it

1712

01:08:02,390 --> 01:07:59,640

would be the perfect place for a water

1713

01:08:05,150 --> 01:08:02,400

Sprite or a water spirit now why it got

1714

01:08:07,549 --> 01:08:05,160

after me and chased me out there who

1715

01:08:10,970 --> 01:08:07,559

knows but that's that's as good an

1716

01:08:13,130 --> 01:08:10,980

explanation as I've ever heard from a

1717

01:08:15,049 --> 01:08:13,140

Ouija board from people who had no

1718

01:08:17,570 --> 01:08:15,059

foreknowledge at all of what I was even

1719

01:08:19,669 --> 01:08:17,580

talking about and it all fit together

1720

01:08:22,669 --> 01:08:19,679

that's in my book They're My Strange

1721

01:08:26,349 --> 01:08:24,349

um man here's here's an interesting

1722

01:08:29,329 --> 01:08:26,359

question involving your cat do you

1723

01:08:32,689 --> 01:08:29,339

Cather ask

1724

01:08:35,269 --> 01:08:32,699

uh is your cat aware of or in tune with

1725

01:08:36,829 --> 01:08:35,279

the resonant ghost in your place I I

1726

01:08:38,990 --> 01:08:36,839

think they are I definitely think they

1727

01:08:40,309 --> 01:08:39,000

are one day I was sitting in the living

1728

01:08:42,590 --> 01:08:40,319

room and I could see down the hallway

1729

01:08:45,349 --> 01:08:42,600

and at that time Sandy and her husband

1730

01:08:47,450 --> 01:08:45,359

were still here she had uh seven cats

1731

01:08:50,150 --> 01:08:47,460

five of them were black they had a dog

1732

01:08:52,070 --> 01:08:50,160

and uh my dog Mulder was here with me

1733

01:08:54,349 --> 01:08:52,080

well I was sitting in the living room to

1734

01:08:57,410 --> 01:08:54,359

the fireplace and I watched and every

1735

01:08:59,630 --> 01:08:57,420

single animal one at a time came down

1736

01:09:01,309 --> 01:08:59,640

the hallway and looked into the the

1737

01:09:04,010 --> 01:09:01,319

doorway of the room where I'm sitting

1738

01:09:05,630 --> 01:09:04,020

now walked back and it's like they then

1739

01:09:08,570 --> 01:09:05,640

another one would come down but every

1740

01:09:11,090 --> 01:09:08,580

single one of them individually and that

1741

01:09:13,309 --> 01:09:11,100

that was the weirdest thing and even now

1742

01:09:15,470 --> 01:09:13,319

A Mother's not too happy to be in there

1743

01:09:17,090 --> 01:09:15,480

he didn't want to come in here and I

1744

01:09:19,669 --> 01:09:17,100

didn't want me to shut the door but I

1745

01:09:21,829 --> 01:09:19,679

finally got him to to lay down and then

1746

01:09:23,630 --> 01:09:21,839

one of the cats is still in here there's

1747

01:09:27,050 --> 01:09:23,640

actually two cats here now one of them's

1748

01:09:28,309 --> 01:09:27,060

not mine I'm watching it for a friend

1749

01:09:30,709 --> 01:09:28,319

um

1750

01:09:32,390 --> 01:09:30,719

Lieutenant Dan he's only got three legs

1751

01:09:38,050 --> 01:09:32,400

but uh

1752

01:09:40,789 --> 01:09:38,060

the that's a from a Forester Gump

1753

01:09:42,769 --> 01:09:40,799

against the reference there but uh

1754

01:09:44,990 --> 01:09:42,779

Benton's my black cat that I got on

1755

01:09:47,030 --> 01:09:45,000

Halloween is a birthday gift she doesn't

1756

01:09:48,709 --> 01:09:47,040

like it in here now she'll come in if

1757

01:09:50,749 --> 01:09:48,719

the door's open I have to shut the door

1758

01:09:53,030 --> 01:09:50,759

because she likes to come in and walk on

1759

01:09:54,470 --> 01:09:53,040

the keyboard and climb on me and climb

1760

01:09:57,430 --> 01:09:54,480

on the back of the chair I saw one of

1761

01:10:00,229 --> 01:09:57,440

your cats up there earlier but yeah

1762

01:10:02,810 --> 01:10:00,239

first cat I've ever had my mom didn't

1763

01:10:05,209 --> 01:10:02,820

like cats was afraid of him to some

1764

01:10:06,709 --> 01:10:05,219

degree and she was superstitious enough

1765

01:10:09,890 --> 01:10:06,719

I couldn't have had a black cat

1766

01:10:11,570 --> 01:10:09,900

regardless so my first cat now my

1767

01:10:14,330 --> 01:10:11,580

daughter had cats when she was younger

1768

01:10:16,370 --> 01:10:14,340

but this is my first cat black cat named

1769

01:10:18,590 --> 01:10:16,380

bins but yeah she don't like this room

1770

01:10:21,350 --> 01:10:18,600

either none of the animals are too happy

1771

01:10:23,030 --> 01:10:21,360

with it well I I tell you I've had cats

1772

01:10:25,910 --> 01:10:23,040

all my life and they are the weirdest

1773

01:10:28,850 --> 01:10:25,920

damn creatures I mean they they do some

1774

01:10:30,890 --> 01:10:28,860

strange things and then I've seen two or

1775

01:10:32,990 --> 01:10:30,900

three of them sit down here at the end

1776

01:10:35,090 --> 01:10:33,000

of the hall and not in this room but

1777

01:10:37,610 --> 01:10:35,100

looking up in the hallway looking at

1778

01:10:39,470 --> 01:10:37,620

something it's not there that's what

1779

01:10:41,090 --> 01:10:39,480

they do a pair of flies their moth

1780

01:10:43,250 --> 01:10:41,100

there's nothing there there's only three

1781

01:10:45,290 --> 01:10:43,260

of them three of the black ones and they

1782

01:10:46,729 --> 01:10:45,300

were watching whatever it was and then

1783

01:10:49,310 --> 01:10:46,739

all of a sudden they just ran back down

1784

01:10:53,510 --> 01:10:49,320

the hallway so yeah cats are so strange

1785

01:10:56,750 --> 01:10:53,520

creatures this cat Vinnie my cat I I got

1786

01:10:59,630 --> 01:10:56,760

him but I had two dogs when we got him

1787

01:11:01,310 --> 01:10:59,640

and uh those dogs used to sleep on the

1788

01:11:02,450 --> 01:11:01,320

couch so he'd get up on the top of the

1789

01:11:05,330 --> 01:11:02,460

couch

1790

01:11:07,430 --> 01:11:05,340

and uh he'd be looking around and you

1791

01:11:10,010 --> 01:11:07,440

could watch his eyes like he's following

1792

01:11:12,590 --> 01:11:10,020

something coming to the sofa and he's

1793

01:11:15,590 --> 01:11:12,600

seeing something and as he's looking

1794

01:11:18,110 --> 01:11:15,600

down at the dog the dog jumps up off the

1795

01:11:21,110 --> 01:11:18,120

couch like something startled him

1796

01:11:22,910 --> 01:11:21,120

this cat saw something and he's done he

1797

01:11:25,130 --> 01:11:22,920

did that he's done that all the time I

1798

01:11:27,290 --> 01:11:25,140

see him do it all the time now the dogs

1799

01:11:29,270 --> 01:11:27,300

have passed since then but he does some

1800

01:11:32,570 --> 01:11:29,280

weird things

1801

01:11:35,209 --> 01:11:32,580

yeah and uh my dog the only the real

1802

01:11:36,649 --> 01:11:35,219

shadow person encounter I've ever had it

1803

01:11:37,970 --> 01:11:36,659

happened at a place I was living in

1804

01:11:40,010 --> 01:11:37,980

Oregon

1805

01:11:42,229 --> 01:11:40,020

um I was walking into the kitchen one

1806

01:11:43,729 --> 01:11:42,239

night and I saw what looked like a

1807

01:11:45,830 --> 01:11:43,739

shadow but there was no person there

1808

01:11:48,290 --> 01:11:45,840

just the shadow came out of the laundry

1809

01:11:50,390 --> 01:11:48,300

room across the kitchen or across the

1810

01:11:52,310 --> 01:11:50,400

dining room through the kitchen and out

1811

01:11:55,729 --> 01:11:52,320

the wall which would have went into the

1812

01:11:57,709 --> 01:11:55,739

garage and my my dog was with me and he

1813

01:11:59,450 --> 01:11:57,719

saw it he didn't growl he didn't bark

1814

01:12:02,270 --> 01:11:59,460

but he was wagging his tail like oh

1815

01:12:04,490 --> 01:12:02,280

who's this he's not as somebody new but

1816

01:12:06,350 --> 01:12:04,500

the lady that lived there she was a

1817

01:12:08,630 --> 01:12:06,360

widow and her husband had died

1818

01:12:10,669 --> 01:12:08,640

tragically in a car crash and she said

1819

01:12:12,410 --> 01:12:10,679

oh that that's my husband he visits here

1820

01:12:15,470 --> 01:12:12,420

he usually likes to play with the

1821

01:12:18,410 --> 01:12:15,480

electronics but uh I've seen this Shadow

1822

01:12:20,689 --> 01:12:18,420

too but I I saw that just as sure as I'm

1823

01:12:22,430 --> 01:12:20,699

sitting here looking at you it was a the

1824

01:12:24,709 --> 01:12:22,440

shadow of a person and it walked through

1825

01:12:26,930 --> 01:12:24,719

the room and out through the wall That's

1826

01:12:29,630 --> 01:12:26,940

I've I've seen some other partial

1827

01:12:31,790 --> 01:12:29,640

shadows and some black Misty shapes and

1828

01:12:34,729 --> 01:12:31,800

things like this but this was the only

1829

01:12:37,370 --> 01:12:34,739

clearly defined outline of a person I've

1830

01:12:39,110 --> 01:12:37,380

ever seen like that wow but I didn't I

1831

01:12:41,330 --> 01:12:39,120

didn't feel scared or feel the fear off

1832

01:12:43,310 --> 01:12:41,340

of it it was just like wow and I said

1833

01:12:45,890 --> 01:12:43,320

Mulder he was happy to see whoever it

1834

01:12:46,790 --> 01:12:45,900

was so there you go

1835

01:12:50,090 --> 01:12:46,800

um

1836

01:12:52,810 --> 01:12:50,100

uh Davey Jones Locker asked if you've

1837

01:12:55,430 --> 01:12:52,820

ever had an Angelic encounter

1838

01:12:59,090 --> 01:12:55,440

I believe so I mean that's one of those

1839

01:13:02,209 --> 01:12:59,100

things you don't really know whether it

1840

01:13:04,010 --> 01:13:02,219

was or not but uh I was sitting outside

1841

01:13:07,729 --> 01:13:04,020

a church one night

1842

01:13:10,250 --> 01:13:07,739

a friend of mine was in a an AAA meeting

1843

01:13:12,290 --> 01:13:10,260

and they'd asked for a ride and I

1844

01:13:15,350 --> 01:13:12,300

dropped them off there and I was waiting

1845

01:13:17,689 --> 01:13:15,360

outside and uh

1846

01:13:19,250 --> 01:13:17,699

is in downtown Knoxville

1847

01:13:22,250 --> 01:13:19,260

and I could take you to the spot today

1848

01:13:24,169 --> 01:13:22,260

as an old church and um

1849

01:13:26,750 --> 01:13:24,179

I was listening to some guy on the radio

1850

01:13:28,430 --> 01:13:26,760

uh with those radio preaches I think

1851

01:13:31,490 --> 01:13:28,440

it's Bob Larson or somebody like that

1852

01:13:33,410 --> 01:13:31,500

you remember him and the satanic panic

1853

01:13:36,410 --> 01:13:33,420

in the background and all that stuff

1854

01:13:38,750 --> 01:13:36,420

that tells you how long ago this was and

1855

01:13:40,189 --> 01:13:38,760

uh so I've been watching my parts where

1856

01:13:41,870 --> 01:13:40,199

I could see the the door of the church

1857

01:13:42,770 --> 01:13:41,880

where they'd be coming out of so I'm

1858

01:13:47,209 --> 01:13:42,780

sitting there watching downtown

1859

01:13:49,010 --> 01:13:47,219

Knoxville's late at night uh it's maybe

1860

01:13:52,370 --> 01:13:49,020

dangerous down there now but it wasn't

1861

01:13:55,910 --> 01:13:52,380

then but uh all of a sudden there's this

1862

01:13:57,590 --> 01:13:55,920

guy right behind my car and and that

1863

01:13:59,630 --> 01:13:57,600

night the guy has listened to like I

1864

01:14:01,669 --> 01:13:59,640

said I believe it was Bob Larson he was

1865

01:14:03,649 --> 01:14:01,679

talking about angels I was just like no

1866

01:14:06,110 --> 01:14:03,659

wonder and then all of a sudden there's

1867

01:14:09,050 --> 01:14:06,120

this guy just up here right behind my

1868

01:14:11,990 --> 01:14:09,060

car and he he walks around to the window

1869

01:14:13,370 --> 01:14:12,000

and he asks me for some money and he

1870

01:14:15,709 --> 01:14:13,380

said I know a place I can get a chicken

1871

01:14:17,209 --> 01:14:15,719

dinner for two dollars well this this is

1872

01:14:18,229 --> 01:14:17,219

in the 80s I mean even in the 80s I

1873

01:14:21,950 --> 01:14:18,239

don't think you could get a chicken

1874

01:14:24,410 --> 01:14:21,960

dinner anywhere for two dollars well I

1875

01:14:26,630 --> 01:14:24,420

reached in my pocket in two dollars was

1876

01:14:28,970 --> 01:14:26,640

exactly the amount of cash I had on me

1877

01:14:31,010 --> 01:14:28,980

and I gave it to him and I do this when

1878

01:14:33,110 --> 01:14:31,020

I when I give to somebody I said now you

1879

01:14:35,450 --> 01:14:33,120

asked for this for food and I'm gonna

1880

01:14:37,610 --> 01:14:35,460

give it to you in the name of Jesus for

1881

01:14:40,310 --> 01:14:37,620

food if you spend it on something else

1882

01:14:43,490 --> 01:14:40,320

that's between you and your maker I gave

1883

01:14:46,070 --> 01:14:43,500

it in a giving spirit and he took the

1884

01:14:47,689 --> 01:14:46,080

money and he said one more thing he said

1885

01:14:50,090 --> 01:14:47,699

then this was in the summertime he said

1886

01:14:52,189 --> 01:14:50,100

cold weather will be here soon you don't

1887

01:14:55,189 --> 01:14:52,199

happen to have an Overcoat I can have do

1888

01:14:57,709 --> 01:14:55,199

you and like nobody I sure don't think I

1889

01:15:00,470 --> 01:14:57,719

do and I just you know made a show out I

1890

01:15:02,810 --> 01:15:00,480

reached behind my seat and put my hands

1891

01:15:04,490 --> 01:15:02,820

on a raincoat that I have bought at

1892

01:15:06,169 --> 01:15:04,500

Goodwill a while back and it just left

1893

01:15:08,689 --> 01:15:06,179

it in the car

1894

01:15:12,410 --> 01:15:08,699

and I pulled it up and I said how about

1895

01:15:15,169 --> 01:15:12,420

this will this fit you the guy put it on

1896

01:15:17,090 --> 01:15:15,179

thanked me God blessed me walked around

1897

01:15:18,110 --> 01:15:17,100

the corner of the church there the end

1898

01:15:20,030 --> 01:15:18,120

of the block

1899

01:15:21,890 --> 01:15:20,040

and I thought that's weird that don't

1900

01:15:24,649 --> 01:15:21,900

make no sense

1901

01:15:25,970 --> 01:15:24,659

I mean I'd even forgotten that Overcoat

1902

01:15:27,290 --> 01:15:25,980

was in the car reached behind my car

1903

01:15:30,649 --> 01:15:27,300

seat that's the first thing I put my

1904

01:15:33,050 --> 01:15:30,659

hand on it was in the floor so I start

1905

01:15:34,550 --> 01:15:33,060

the car I mean this guy had just went

1906

01:15:35,930 --> 01:15:34,560

outside around the corner I was like I

1907

01:15:37,430 --> 01:15:35,940

want to see where this guy goes and see

1908

01:15:40,729 --> 01:15:37,440

about this two dollar chicken dinner I

1909

01:15:42,590 --> 01:15:40,739

might want one of those and uh drove

1910

01:15:44,750 --> 01:15:42,600

around the corner the side of the church

1911

01:15:47,390 --> 01:15:44,760

there there was a park on the other side

1912

01:15:49,550 --> 01:15:47,400

it was gated and shut they had the gates

1913

01:15:50,649 --> 01:15:49,560

padlocked that guy was nowhere to be

1914

01:15:54,709 --> 01:15:50,659

found

1915

01:15:57,169 --> 01:15:54,719

not there and I believe as I just been

1916

01:15:59,510 --> 01:15:57,179

listening to this show about angels this

1917

01:16:01,490 --> 01:15:59,520

guy comes up out of nowhere

1918

01:16:04,250 --> 01:16:01,500

asked me for two dollars which is

1919

01:16:06,890 --> 01:16:04,260

exactly what I had in cash and then

1920

01:16:08,510 --> 01:16:06,900

asked for an Overcoat which I had and

1921

01:16:10,790 --> 01:16:08,520

didn't even remember I had it in there

1922

01:16:12,590 --> 01:16:10,800

and it disappears throughout the corner

1923

01:16:14,510 --> 01:16:12,600

I think that was my answer to the

1924

01:16:17,330 --> 01:16:14,520

questions I would say I think it was not

1925

01:16:20,689 --> 01:16:17,340

Angels now my brother was a Pentecostal

1926

01:16:22,490 --> 01:16:20,699

Minister and a preacher and he had a lot

1927

01:16:24,709 --> 01:16:22,500

of Angel stories I could I could do a

1928

01:16:25,750 --> 01:16:24,719

whole show on other people's Angels

1929

01:16:28,250 --> 01:16:25,760

stories

1930

01:16:31,250 --> 01:16:28,260

I believe they exist I believe they

1931

01:16:32,990 --> 01:16:31,260

visit us and you know even uh like in

1932

01:16:35,209 --> 01:16:33,000

the Mormon religion some of those you

1933

01:16:36,770 --> 01:16:35,219

have the the neophytes the three uh

1934

01:16:39,590 --> 01:16:36,780

neophytes I think it is that travel

1935

01:16:41,990 --> 01:16:39,600

around and and ask people for things and

1936

01:16:44,689 --> 01:16:42,000

I think there are people whether it's

1937

01:16:46,490 --> 01:16:44,699

Angels or Spirits or whatever people

1938

01:16:49,070 --> 01:16:46,500

things that are put here to see how you

1939

01:16:52,490 --> 01:16:49,080

treat people I've often heard that that

1940

01:16:54,709 --> 01:16:52,500

uh if you believe in karma that how you

1941

01:16:57,169 --> 01:16:54,719

treat people is your karma and how they

1942

01:16:58,910 --> 01:16:57,179

treat you as theirs so I try to give

1943

01:17:02,149 --> 01:16:58,920

everybody a fair Shake be nice to people

1944

01:17:05,750 --> 01:17:02,159

help somebody if I can like this missing

1945

01:17:08,750 --> 01:17:05,760

persons thing we anonymously donate to

1946

01:17:11,450 --> 01:17:08,760

uh Charlie project name us any kind of a

1947

01:17:14,270 --> 01:17:11,460

missing person fund to the families to

1948

01:17:16,729 --> 01:17:14,280

help have posters made or hire private

1949

01:17:18,830 --> 01:17:16,739

investigators or whatever and again

1950

01:17:21,169 --> 01:17:18,840

that's all done and obviously that's not

1951

01:17:23,689 --> 01:17:21,179

the point of what we're doing uh we're

1952

01:17:25,430 --> 01:17:23,699

just there to get the word out and our

1953

01:17:28,790 --> 01:17:25,440

mission statement if you want to call it

1954

01:17:31,729 --> 01:17:28,800

that if we can bring one person home or

1955

01:17:34,010 --> 01:17:31,739

in the the other end of that give one

1956

01:17:35,870 --> 01:17:34,020

family closure then we're doing what

1957

01:17:38,090 --> 01:17:35,880

we've been called to do what we feel has

1958

01:17:40,430 --> 01:17:38,100

been laid on our heart to do exactly now

1959

01:17:42,790 --> 01:17:40,440

the mystery side of that we get into a

1960

01:17:45,530 --> 01:17:42,800

little bit of woo over there

1961

01:17:47,930 --> 01:17:45,540

missing persons that'll always be first

1962

01:17:50,870 --> 01:17:47,940

and foremost the focus of the channel

1963

01:17:52,790 --> 01:17:50,880

yeah I I'm a strong believer in angels

1964

01:17:55,850 --> 01:17:52,800

um a lot of people who are in this check

1965

01:17:58,070 --> 01:17:55,860

and tell you that and uh I I believe

1966

01:18:00,950 --> 01:17:58,080

I've personally worked with them and I

1967

01:18:03,350 --> 01:18:00,960

think I've got at least one strongman

1968

01:18:05,090 --> 01:18:03,360

around me all the time so yeah I'm I'm a

1969

01:18:08,510 --> 01:18:05,100

strong believer in it I believe that I

1970

01:18:11,209 --> 01:18:08,520

believe you have Guardian Angels uh

1971

01:18:13,010 --> 01:18:11,219

I mean and Angelic beings I don't now I

1972

01:18:14,510 --> 01:18:13,020

may believe differently than other

1973

01:18:16,490 --> 01:18:14,520

people in the chat here and again that's

1974

01:18:20,689 --> 01:18:16,500

you know no harm no foul everybody

1975

01:18:22,070 --> 01:18:20,699

believes what they believe but uh y'all

1976

01:18:24,229 --> 01:18:22,080

heard people say oh my God my granny

1977

01:18:26,990 --> 01:18:24,239

died and went to heaven and became an

1978

01:18:29,750 --> 01:18:27,000

angel well the way I look at that God

1979

01:18:32,030 --> 01:18:29,760

created those beings those ancilly

1980

01:18:34,610 --> 01:18:32,040

beings and sends them out on specific

1981

01:18:36,770 --> 01:18:34,620

tasks now I'm not saying your granny

1982

01:18:39,890 --> 01:18:36,780

isn't an angel or wasn't an angel in

1983

01:18:41,930 --> 01:18:39,900

Life or in death but uh I believe that

1984

01:18:44,149 --> 01:18:41,940

people have assigned angels that are

1985

01:18:46,970 --> 01:18:44,159

assigned to them probably from birth or

1986

01:18:48,350 --> 01:18:46,980

even before birth I mean the Bible says

1987

01:18:51,350 --> 01:18:48,360

um and God's speaking they said even in

1988

01:18:52,550 --> 01:18:51,360

the womb I knew you so if if he knows

1989

01:18:54,530 --> 01:18:52,560

you and he's going to send something to

1990

01:18:56,990 --> 01:18:54,540

protect you it's been there at least

1991

01:18:59,990 --> 01:18:57,000

since you were born and I think I've had

1992

01:19:02,209 --> 01:19:00,000

some encounters that were an Angelic per

1993

01:19:04,970 --> 01:19:02,219

se but definitely divine intervention

1994

01:19:06,950 --> 01:19:04,980

where if I've just been a minute sooner

1995

01:19:09,350 --> 01:19:06,960

or a minute later I probably wouldn't be

1996

01:19:12,410 --> 01:19:09,360

sitting here right now um oh that's

1997

01:19:13,970 --> 01:19:12,420

close close calls definitely I said

1998

01:19:17,689 --> 01:19:13,980

divine intervention the guardian angel

1999

01:19:19,130 --> 01:19:17,699

something watching over me and uh I just

2000

01:19:21,470 --> 01:19:19,140

I don't believe in coincidence I believe

2001

01:19:23,450 --> 01:19:21,480

everything happens for a reason I I

2002

01:19:25,669 --> 01:19:23,460

agree with you there my granny used to

2003

01:19:27,890 --> 01:19:25,679

say you may not ever know the reason and

2004

01:19:29,810 --> 01:19:27,900

if you do it may only be in retrospect

2005

01:19:33,290 --> 01:19:29,820

but everything happens for a reason

2006

01:19:35,689 --> 01:19:33,300

there is a plan out there hmm

2007

01:19:37,250 --> 01:19:35,699

so um Steve why don't you tell the folks

2008

01:19:38,930 --> 01:19:37,260

how they can get in contact with you

2009

01:19:40,550 --> 01:19:38,940

find your books and anything else you

2010

01:19:42,590 --> 01:19:40,560

want to tell them well my books are

2011

01:19:44,390 --> 01:19:42,600

available on Amazon or whoever find

2012

01:19:46,550 --> 01:19:44,400

books are sold they're listed in books

2013

01:19:48,649 --> 01:19:46,560

in print any bookstore or Library can

2014

01:19:51,590 --> 01:19:48,659

order you for it if they don't have it

2015

01:19:53,689 --> 01:19:51,600

uh sometimes I see them in the wild uh

2016

01:19:55,550 --> 01:19:53,699

had a person send me a picture of one of

2017

01:19:57,890 --> 01:19:55,560

my books they found it in a Target in

2018

01:19:59,630 --> 01:19:57,900

Florida you know how it ended up there I

2019

01:20:01,610 --> 01:19:59,640

don't know I'm still waiting for the

2020

01:20:03,950 --> 01:20:01,620

Piggly Wiggly now when my books make it

2021

01:20:06,470 --> 01:20:03,960

into this I don't know if you have those

2022

01:20:08,149 --> 01:20:06,480

in your area but when I was a kid down

2023

01:20:09,970 --> 01:20:08,159

south that was a big thing to get to

2024

01:20:12,430 --> 01:20:09,980

kill the Piggly Wiggly

2025

01:20:15,530 --> 01:20:12,440

I don't know if you know

2026

01:20:17,090 --> 01:20:15,540

Bigfoot and on Connor but uh he'll go

2027

01:20:19,250 --> 01:20:17,100

and set up outside a comic book shop

2028

01:20:21,470 --> 01:20:19,260

with a little table just start signing

2029

01:20:22,990 --> 01:20:21,480

his books until they figure out he's not

2030

01:20:25,430 --> 01:20:23,000

supposed to be there and run him away

2031

01:20:27,169 --> 01:20:25,440

one day I'm going to have a surprise

2032

01:20:29,330 --> 01:20:27,179

book signing in front of a Piggly Wiggly

2033

01:20:31,750 --> 01:20:29,340

somewhere there you go but there you go

2034

01:20:35,330 --> 01:20:31,760

you can you can find them on amazon.com

2035

01:20:37,310 --> 01:20:35,340

and uh I'm on missing persons and

2036

01:20:41,209 --> 01:20:37,320

Mysteries that's my main YouTube channel

2037

01:20:43,010 --> 01:20:41,219

that I have 13 past midnight and uh I

2038

01:20:44,510 --> 01:20:43,020

want to thank my partner bill melder for

2039

01:20:46,250 --> 01:20:44,520

including me and missing persons and

2040

01:20:49,070 --> 01:20:46,260

Mysteries without him that wouldn't

2041

01:20:51,709 --> 01:20:49,080

exist we're just about to the quarter

2042

01:20:54,050 --> 01:20:51,719
