in with uh for Vincent tonight Vincent's

20
00:02:11,330 --> 00:02:09,239
kind of under the weather and his show

21
00:02:14,390 --> 00:02:11,340
will not be going on tonight so I just

22
00:02:17,150 --> 00:02:14,400
wanted to let you know ahead of time

23
00:02:19,809 --> 00:02:17,160
so uh let's get started

24
00:02:23,030 --> 00:02:19,819
with a few of these

25
00:02:26,869 --> 00:02:23,040
uh reports that I received and most of

26

00:02:31,729 --> 00:02:29,449

uh the first one is where a girl heard

27

00:02:34,369 --> 00:02:31,739

knocking at her front door and soon

28

00:02:35,750 --> 00:02:34,379

discovered two young children asking to

29

00:02:38,089 --> 00:02:35,760

come in

30

00:02:40,430 --> 00:02:38,099

so she later noticed that they had black

31

00:02:42,949 --> 00:02:40,440

eyes and they became more aggressive and

32

00:02:44,390 --> 00:02:42,959

vandalized the house after they were

33

00:02:48,229 --> 00:02:44,400

rebuked

34

00:02:51,290 --> 00:02:48,239

now this is what was forward to me uh on

35

00:02:54,050 --> 00:02:51,300

November 3rd 2020

36

00:02:56,990 --> 00:02:54,060

it was a little past midnight and I had

37

00:02:59,089 --> 00:02:57,000

woken up to a banging sound on my door

38

00:03:02,509 --> 00:02:59,099

my parents were out voting it was

39

00:03:04,190 --> 00:03:02,519

actually uh it was um election day and I

40

00:03:05,750 --> 00:03:04,200

think they they left early got in line

41

00:03:07,009 --> 00:03:05,760

or whatever but my sister was still

42

00:03:09,650 --> 00:03:07,019

asleep

43

00:03:11,990 --> 00:03:09,660

I I went downstairs quietly so I

44

00:03:15,350 --> 00:03:12,000

wouldn't wake my sister up I had cameras

45

00:03:17,330 --> 00:03:15,360

but I decided not to to look at them

46

00:03:20,809 --> 00:03:17,340

now when I looked through the little

47

00:03:22,910 --> 00:03:20,819

peephole in the door I saw children

48

00:03:26,089 --> 00:03:22,920

and they did look quite normal though

49

00:03:28,309 --> 00:03:26,099

the little boy around eight years old uh

50

00:03:31,009 --> 00:03:28,319

had these weird shoes and outfit that

51
00:03:33,470 --> 00:03:31,019
looked like someone from the 40s where

52
00:03:35,869 --> 00:03:33,480
the girl who was around six or so did

53
00:03:37,970 --> 00:03:35,879
not look much better she had this

54
00:03:40,130 --> 00:03:37,980
haircut that a woman would wear in the

55
00:03:42,050 --> 00:03:40,140
90s in an outfit that a woman would wear

56
00:03:43,910 --> 00:03:42,060
in the 70s besides that they look

57
00:03:47,149 --> 00:03:43,920
perfectly normal

58
00:03:50,630 --> 00:03:47,159
uh so I asked are you lost

59
00:03:53,449 --> 00:03:50,640
and um our parents will will be here

60
00:03:56,570 --> 00:03:53,459
soon they both said in unison

61
00:03:58,670 --> 00:03:56,580
do you need anything can we come in

62
00:04:00,170 --> 00:03:58,680
right away I knew that something was off

63
00:04:02,330 --> 00:04:00,180

with these kids

64

00:04:04,610 --> 00:04:02,340

not just the fact that they were dressed

65

00:04:06,830 --> 00:04:04,620

weirdly but the fact that their voices

66

00:04:09,110 --> 00:04:06,840

were somewhat off

67

00:04:11,570 --> 00:04:09,120

they had voices that no eight-year-old

68

00:04:14,869 --> 00:04:11,580

or six-year-old should have

69

00:04:17,509 --> 00:04:14,879

suddenly felt dizzy and I I knew that

70

00:04:19,550 --> 00:04:17,519

something weird was going on with these

71

00:04:22,009 --> 00:04:19,560

kids

72

00:04:24,230 --> 00:04:22,019

now if your parents are almost here then

73

00:04:26,510 --> 00:04:24,240

can't you just wait out here

74

00:04:28,670 --> 00:04:26,520

I asked them it was perfectly safe

75

00:04:30,830 --> 00:04:28,680

neighborhood and not not

76
00:04:32,210 --> 00:04:30,840
prune the robberies or anything had ever

77
00:04:35,510 --> 00:04:32,220
going on here

78
00:04:37,129 --> 00:04:35,520
I I never even saw a shitty person

79
00:04:39,530 --> 00:04:37,139
walking around

80
00:04:41,749 --> 00:04:39,540
can we come in they asked once more but

81
00:04:43,909 --> 00:04:41,759
this time they weren't asking

82
00:04:46,730 --> 00:04:43,919
they were starting to get angry

83
00:04:49,189 --> 00:04:46,740
no you may not I yelled

84
00:04:51,830 --> 00:04:49,199
I know this sounds bad that I'm saying

85
00:04:53,629 --> 00:04:51,840
this to a little kid that's lost that

86
00:04:55,550 --> 00:04:53,639
they can't come into my house but there

87
00:04:57,409 --> 00:04:55,560
was something really off and it was it

88
00:04:59,570 --> 00:04:57,419

was really bothering me

89

00:05:02,510 --> 00:04:59,580

that yell

90

00:05:04,490 --> 00:05:02,520

uh woke up my sister uh she turned on

91

00:05:07,310 --> 00:05:04,500

the the porch light which helped me see

92

00:05:10,430 --> 00:05:07,320

these kids had black eyes

93

00:05:12,590 --> 00:05:10,440

I screamed and shut the door in her face

94

00:05:15,650 --> 00:05:12,600

now my sister asked what was going on

95

00:05:17,749 --> 00:05:15,660

who was that and why I yelled and I told

96

00:05:21,469 --> 00:05:17,759

her to just go to bed and don't worry

97

00:05:23,390 --> 00:05:21,479

about it and she did as I asked the kids

98

00:05:26,029 --> 00:05:23,400

eventually left

99

00:05:28,129 --> 00:05:26,039

but they did do some damage to my house

100

00:05:30,170 --> 00:05:28,139

when I shut you know when I shut the

101
00:05:32,029 --> 00:05:30,180
door they ripped some plants and they

102
00:05:34,490 --> 00:05:32,039
actually cracked a window

103
00:05:36,529 --> 00:05:34,500
now later that night I did some research

104
00:05:38,629 --> 00:05:36,539
on on them and found out these

105
00:05:41,629 --> 00:05:38,639
black-eyed kids can only come into your

106
00:05:43,550 --> 00:05:41,639
house and give them permission

107
00:05:44,570 --> 00:05:43,560
there's slight chance that they will

108
00:05:47,570 --> 00:05:44,580
come back

109
00:05:50,150 --> 00:05:47,580
soon and I'll be ready but uh when the

110
00:05:53,330 --> 00:05:50,160
kids left they went in a black car with

111
00:05:55,610 --> 00:05:53,340
two tall dudes in in suits

112
00:05:57,350 --> 00:05:55,620
uh just remember if you ever see a kid

113
00:05:59,330 --> 00:05:57,360

with black eyes and pale skin coming

114

00:06:00,950 --> 00:05:59,340

toward your house or car don't let them

115

00:06:03,290 --> 00:06:00,960

in and you know that's the warning we

116

00:06:04,270 --> 00:06:03,300

always get with these things

117

00:06:08,150 --> 00:06:04,280

um

118

00:06:10,010 --> 00:06:08,160

very rarely do they they strike out I

119

00:06:11,570 --> 00:06:10,020

mean you know I don't know what the

120

00:06:14,870 --> 00:06:11,580

situation was here

121

00:06:16,730 --> 00:06:14,880

uh the fact that two guys in Black

122

00:06:18,110 --> 00:06:16,740

picked them up was kind of strange now

123

00:06:20,870 --> 00:06:18,120

I'm just saying it's a Men In Black

124

00:06:23,270 --> 00:06:20,880

scenario but it's interesting it's

125

00:06:25,790 --> 00:06:23,280

pretty weird so um

126

00:06:27,830 --> 00:06:25,800

so I'll go ahead and and if you have any

127

00:06:31,129 --> 00:06:27,840

questions go ahead and put them up and

128

00:06:32,570 --> 00:06:31,139

uh I'll I'll get them on the way after I

129

00:06:35,029 --> 00:06:32,580

you know later on when I do the other

130

00:06:37,249 --> 00:06:35,039

one or you know we'll get toward the end

131

00:06:39,230 --> 00:06:37,259

of the show

132

00:06:42,170 --> 00:06:39,240

oh we do have a question let me look

133

00:06:44,990 --> 00:06:42,180

here Nancy asked uh could black-eyed

134

00:06:47,390 --> 00:06:45,000

children be ailing human cross breeds

135

00:06:50,210 --> 00:06:47,400

where the genes didn't go as planned you

136

00:06:51,050 --> 00:06:50,220

know I guess anything's possible

137

00:06:54,290 --> 00:06:51,060

um

138

00:06:57,469 --> 00:06:54,300

I I know of some researchers who believe

139

00:06:58,490 --> 00:06:57,479

that they are alien beings

140

00:07:01,430 --> 00:06:58,500

um

141

00:07:03,950 --> 00:07:01,440

that they're possessed somehow with with

142

00:07:07,249 --> 00:07:03,960

aliens or by aliens that they've been

143

00:07:09,050 --> 00:07:07,259

manipulated at some point

144

00:07:12,230 --> 00:07:09,060

um

145

00:07:14,570 --> 00:07:12,240

you know this phenomena is really hasn't

146

00:07:16,249 --> 00:07:14,580

been too prevalent until maybe the last

147

00:07:17,930 --> 00:07:16,259

decade or a little bit more

148

00:07:19,730 --> 00:07:17,940

but uh

149

00:07:22,010 --> 00:07:19,740

I don't know I mean you know I guess

150

00:07:25,070 --> 00:07:22,020

you're I mean anybody guess I guess

151
00:07:28,309 --> 00:07:25,080
could be part of it you know I've had um

152
00:07:31,610 --> 00:07:28,319
I've had some local scenarios occur over

153
00:07:34,189 --> 00:07:31,620
the years where people had encountered

154
00:07:37,129 --> 00:07:34,199
these these kids I mean there was one I

155
00:07:38,350 --> 00:07:37,139
had happened in a state park not far

156
00:07:40,249 --> 00:07:38,360
from here

157
00:07:42,110 --> 00:07:40,259
and um

158
00:07:44,990 --> 00:07:42,120
you know

159
00:07:46,730 --> 00:07:45,000
they they actually tried to get away

160
00:07:48,589 --> 00:07:46,740
from these kids and then they saw them

161
00:07:51,950 --> 00:07:48,599
about a week later

162
00:07:53,150 --> 00:07:51,960
at a location about 30 miles away so I

163
00:07:54,890 --> 00:07:53,160

don't know if people had been picking

164

00:07:56,450 --> 00:07:54,900

them up or they had been walking that

165

00:07:59,330 --> 00:07:56,460

distance or whatever

166

00:08:01,850 --> 00:07:59,340

but uh yeah it's a it's an odd scenario

167

00:08:03,350 --> 00:08:01,860

it's an odd phenomena but um you know I

168

00:08:07,850 --> 00:08:03,360

don't know if there's real really any

169

00:08:14,330 --> 00:08:10,969

oh the next one

170

00:08:16,790 --> 00:08:14,340

so you know um last week when fans of

171

00:08:19,909 --> 00:08:16,800

monsters radio Steve Stockton and I were

172

00:08:21,589 --> 00:08:19,919

talking about our families

173

00:08:23,390 --> 00:08:21,599

and their Heritage in the southern

174

00:08:26,749 --> 00:08:23,400

Appalachians

175

00:08:28,909 --> 00:08:26,759

uh a listener then forwarded this

176

00:08:31,369 --> 00:08:28,919

account to me

177

00:08:33,350 --> 00:08:31,379

my grandmother was half Cherokee Indian

178

00:08:35,750 --> 00:08:33,360

and her mother my great-grandmother was

179

00:08:39,050 --> 00:08:35,760

full blood Cherokee

180

00:08:41,510 --> 00:08:39,060

we think she was born in or around 1840

181

00:08:44,449 --> 00:08:41,520

in Eastern Tennessee near North Carolina

182

00:08:46,490 --> 00:08:44,459

border in the Great Smoky Mountains

183

00:08:49,130 --> 00:08:46,500

my great-grandmother married a white

184

00:08:51,650 --> 00:08:49,140

Frenchman who was a Trapper now this

185

00:08:54,949 --> 00:08:51,660

story was passed down and told to me

186

00:08:57,829 --> 00:08:54,959

my great-grandmother uh

187

00:08:59,870 --> 00:08:57,839

when she was a youth was told that the

188

00:09:01,730 --> 00:08:59,880

creatures we call Bigfoot were just

189

00:09:03,590 --> 00:09:01,740

another inhabitant of the Wilderness of

190

00:09:05,870 --> 00:09:03,600

the Appalachian Mountains

191

00:09:08,810 --> 00:09:05,880

the native Cherokee called them to

192

00:09:12,590 --> 00:09:08,820

sulkalu and I've heard that name before

193

00:09:15,050 --> 00:09:12,600

roughly translated as the sloping Giant

194

00:09:17,449 --> 00:09:15,060

it was told that these creatures stood

195

00:09:20,150 --> 00:09:17,459

twice as tall as humans covered in brown

196

00:09:22,670 --> 00:09:20,160

coarse hair with large shoulders large

197

00:09:23,930 --> 00:09:22,680

dark eyes and slurring almost conical

198

00:09:27,829 --> 00:09:23,940

head

199

00:09:30,050 --> 00:09:27,839

it is said that these Bigfoot lived and

200

00:09:34,190 --> 00:09:30,060

in ways associated with the indigenous

201
00:09:35,870 --> 00:09:34,200
native Cherokee People the Appalachians

202
00:09:38,030 --> 00:09:35,880
now the story told by my

203
00:09:41,210 --> 00:09:38,040
great-grandmother was that one evening

204
00:09:43,490 --> 00:09:41,220
as the fires were burning down a soft

205
00:09:46,670 --> 00:09:43,500
moaning noise was heard from an area not

206
00:09:49,730 --> 00:09:46,680
far from the travel settlement

207
00:09:52,130 --> 00:09:49,740
it came from uh from near a large Creek

208
00:09:55,310 --> 00:09:52,140
now several the Elder men took torches

209
00:09:57,230 --> 00:09:55,320
and began walking down a trail towards a

210
00:09:58,430 --> 00:09:57,240
creek where the moaning noise was coming

211
00:10:00,710 --> 00:09:58,440
from

212
00:10:03,290 --> 00:10:00,720
now supposedly

213
00:10:04,610 --> 00:10:03,300

a few of the women falling behind and at

214

00:10:07,370 --> 00:10:04,620

one point near the creek everyone

215

00:10:09,650 --> 00:10:07,380

stopped to listen to the noise

216

00:10:11,750 --> 00:10:09,660

after a few minutes the moaning Was

217

00:10:14,750 --> 00:10:11,760

Heard and as the men moved towards the

218

00:10:16,670 --> 00:10:14,760

location of the sound they soon realized

219

00:10:18,769 --> 00:10:16,680

the source of the moaning was a

220

00:10:20,990 --> 00:10:18,779

human-sized creature

221

00:10:23,150 --> 00:10:21,000

it was a juvenile Bigfoot

222

00:10:25,550 --> 00:10:23,160

it seemed that it had been separated

223

00:10:28,730 --> 00:10:25,560

from its mother now this seemed very

224

00:10:32,090 --> 00:10:28,740

unusual the Cherokee otters as some of

225

00:10:34,490 --> 00:10:32,100

the women made their way down to the men

226

00:10:35,870 --> 00:10:34,500

uh the women instinctively knew

227

00:10:37,850 --> 00:10:35,880

something wasn't right about the

228

00:10:39,889 --> 00:10:37,860

situation and convinced the men to allow

229

00:10:41,509 --> 00:10:39,899

them to bring the young Bigfoot back to

230

00:10:44,389 --> 00:10:41,519

the encampment

231

00:10:46,910 --> 00:10:44,399

the young Bigfoot was obviously scared

232

00:10:49,910 --> 00:10:46,920

and and lost the um

233

00:10:51,889 --> 00:10:49,920

the women stayed up all night with this

234

00:10:53,870 --> 00:10:51,899

young Bigfoot giving it food and drink

235

00:10:56,750 --> 00:10:53,880

as it stayed mostly in a fetal position

236

00:10:58,970 --> 00:10:56,760

and moaning wanting its mother

237

00:11:01,130 --> 00:10:58,980

the fires of the camp frighten the young

238

00:11:03,290 --> 00:11:01,140

Bigfoot but the women did their best to

239

00:11:05,690 --> 00:11:03,300

comfort it during the night

240

00:11:08,090 --> 00:11:05,700

so in the morning the young Bigfoot had

241

00:11:10,190 --> 00:11:08,100

fallen asleep for a short time and awoke

242

00:11:11,509 --> 00:11:10,200

scared as it was surrounded by tribal

243

00:11:13,490 --> 00:11:11,519

inhabitants

244

00:11:16,310 --> 00:11:13,500

the women again stepped in to comfort

245

00:11:18,530 --> 00:11:16,320

the young creature as it calmed down

246

00:11:20,810 --> 00:11:18,540

the nurturing of a mother transcends

247

00:11:24,110 --> 00:11:20,820

from different species now later in the

248

00:11:26,030 --> 00:11:24,120

day after the cooking fires had been lit

249

00:11:27,829 --> 00:11:26,040

some young Cherokee children came

250

00:11:29,630 --> 00:11:27,839

running into the camps singing that a

251
00:11:31,850 --> 00:11:29,640
bigger creature like the young one was

252
00:11:34,910 --> 00:11:31,860
following them from the creek

253
00:11:38,150 --> 00:11:34,920
it was lingering outside the encampment

254
00:11:39,650 --> 00:11:38,160
then the tribe heard a loud roar sending

255
00:11:41,810 --> 00:11:39,660
Shivers through every animal and human

256
00:11:43,910 --> 00:11:41,820
in the near area

257
00:11:46,130 --> 00:11:43,920
a larger creature entered the outer

258
00:11:48,410 --> 00:11:46,140
brush that surrounded the camp

259
00:11:50,930 --> 00:11:48,420
the young creature began to whimper and

260
00:11:53,150 --> 00:11:50,940
stood on its feet it ran into the brush

261
00:11:55,430 --> 00:11:53,160
as the entire Camp watched the two

262
00:11:57,590 --> 00:11:55,440
creatures embrace

263
00:11:59,509 --> 00:11:57,600

in the background an even larger

264

00:12:01,430 --> 00:11:59,519

creature was then seen as it stood

265

00:12:03,769 --> 00:12:01,440

quietly

266

00:12:05,690 --> 00:12:03,779

now a few of the elders got up and

267

00:12:07,370 --> 00:12:05,700

walked towards the creatures

268

00:12:09,170 --> 00:12:07,380

there were no signs of aggression

269

00:12:11,269 --> 00:12:09,180

displayed by either the creatures or the

270

00:12:13,370 --> 00:12:11,279

Elder men of the tribe there was nothing

271

00:12:15,410 --> 00:12:13,380

but silence as both the creatures and

272

00:12:17,329 --> 00:12:15,420

humans looked at each other

273

00:12:19,490 --> 00:12:17,339

the creatures then turned and walked

274

00:12:21,410 --> 00:12:19,500

into the forest

275

00:12:24,829 --> 00:12:21,420

it has been said that there were

276

00:12:26,449 --> 00:12:24,839

numerous occasions when contact was made

277

00:12:28,910 --> 00:12:26,459

between tribes and these creatures

278

00:12:31,370 --> 00:12:28,920

throughout the region and each time they

279

00:12:32,870 --> 00:12:31,380

passed without having to say a word they

280

00:12:34,970 --> 00:12:32,880

were both inhabitants in the mountains

281

00:12:38,990 --> 00:12:34,980

and forests living as brothers you know

282

00:12:42,050 --> 00:12:39,000

I heard a similar story from my family

283

00:12:45,050 --> 00:12:42,060

and I don't know where it originated

284

00:12:47,090 --> 00:12:45,060

from but I uh it was probably on the

285

00:12:49,910 --> 00:12:47,100

Cherokee side of the family

286

00:12:51,290 --> 00:12:49,920

but uh I heard something very similar

287

00:12:53,509 --> 00:12:51,300

now

288

00:12:56,509 --> 00:12:53,519

um this area that they were talking

289

00:12:58,370 --> 00:12:56,519

about where this person had lived in her

290

00:13:00,290 --> 00:12:58,380

family that was not far from where my

291

00:13:02,690 --> 00:13:00,300

family was raised

292

00:13:04,430 --> 00:13:02,700

uh so um

293

00:13:05,990 --> 00:13:04,440

I don't know you know it could have very

294

00:13:07,790 --> 00:13:06,000

well been the same story it was a little

295

00:13:10,310 --> 00:13:07,800

bit different but of course you know we

296

00:13:15,530 --> 00:13:10,320

we hear all kinds of Legends and such

297

00:13:20,810 --> 00:13:17,090

now I got another

298

00:13:23,269 --> 00:13:20,820

another interesting account here

299

00:13:26,210 --> 00:13:23,279

after discovering a ritual location

300

00:13:29,449 --> 00:13:26,220

along a river near Lima Ohio

301
00:13:31,550 --> 00:13:29,459
a witnessed mother not long after it had

302
00:13:35,269 --> 00:13:31,560
a horrifying encounter with a seven foot

303
00:13:37,430 --> 00:13:35,279
tall upright cryptic canine outside of

304
00:13:40,430 --> 00:13:37,440
their home

305
00:13:42,470 --> 00:13:40,440
so the uh the individual contacted me

306
00:13:44,389 --> 00:13:42,480
and this is what they ruined hello I

307
00:13:46,310 --> 00:13:44,399
don't read all the stories posed on your

308
00:13:49,310 --> 00:13:46,320
site but this one struck me

309
00:13:51,410 --> 00:13:49,320
and I I think they're referring to a

310
00:13:52,310 --> 00:13:51,420
another cryptic canine account I had

311
00:13:54,769 --> 00:13:52,320
posted

312
00:13:56,389 --> 00:13:54,779
I grew up in a town called Lima Ohio and

313
00:13:58,610 --> 00:13:56,399

this is my story and I'm very familiar

314

00:14:02,810 --> 00:13:58,620

with Lima because I went to college

315

00:14:04,970 --> 00:14:02,820

in Findlay Ohio and uh I was actually on

316

00:14:08,569 --> 00:14:04,980

the Lima Orchestra

317

00:14:09,889 --> 00:14:08,579

for about a half a semester so I know

318

00:14:12,170 --> 00:14:09,899

the area well

319

00:14:14,509 --> 00:14:12,180

now for many years the old timers coming

320

00:14:15,590 --> 00:14:14,519

in from the middle rural areas south of

321

00:14:18,410 --> 00:14:15,600

Lima

322

00:14:21,230 --> 00:14:18,420

would talk about three sightings

323

00:14:23,629 --> 00:14:21,240

of Ohio grass man

324

00:14:25,910 --> 00:14:23,639

one of them I'd spoken to as a teenager

325

00:14:28,790 --> 00:14:25,920

even claimed to have trapped one in his

326

00:14:30,949 --> 00:14:28,800

barn to prove that he wasn't crazy

327

00:14:34,009 --> 00:14:30,959

he awoke to find the black barndorn

328

00:14:35,870 --> 00:14:34,019

splinters in the field surrounding it

329

00:14:39,230 --> 00:14:35,880

these are the stories that first got me

330

00:14:41,210 --> 00:14:39,240

interested in cryptids in our area

331

00:14:43,910 --> 00:14:41,220

but this isn't about the grass man

332

00:14:45,769 --> 00:14:43,920

neither is about the strange lights and

333

00:14:49,310 --> 00:14:45,779

stories that were featured in a film

334

00:14:51,110 --> 00:14:49,320

about High School Shawnee on Amazon

335

00:14:53,329 --> 00:14:51,120

Prime

336

00:14:55,790 --> 00:14:53,339

there is a place Southwest of Lima

337

00:14:58,490 --> 00:14:55,800

Bridge actually that the locals referred

338

00:15:02,090 --> 00:14:58,500

to as the coven Bridge

339

00:15:04,189 --> 00:15:02,100

far out there in the form area and not a

340

00:15:06,350 --> 00:15:04,199

lot of residences

341

00:15:08,449 --> 00:15:06,360

not many of the kids in the area know

342

00:15:09,829 --> 00:15:08,459

about it because it was far out in the

343

00:15:12,050 --> 00:15:09,839

country

344

00:15:13,610 --> 00:15:12,060

now the legend was that this bridge was

345

00:15:15,710 --> 00:15:13,620

a meeting place

346

00:15:17,509 --> 00:15:15,720

for a group of people who practice black

347

00:15:19,910 --> 00:15:17,519

magic in the sort

348

00:15:22,730 --> 00:15:19,920

it was also said that they believed in

349

00:15:24,910 --> 00:15:22,740

lycanthropy and were there to summon

350

00:15:28,970 --> 00:15:24,920

that power

351

00:15:32,090 --> 00:15:28,980

now on that at this place a group of

352

00:15:34,189 --> 00:15:32,100

about eight of us hopped into a into a

353

00:15:36,710 --> 00:15:34,199

car on the uh on a Friday night looking

354

00:15:37,670 --> 00:15:36,720

for a thrill not much to do in a small

355

00:15:39,470 --> 00:15:37,680

town

356

00:15:41,870 --> 00:15:39,480

now the shortness story I'll tell you

357

00:15:43,850 --> 00:15:41,880

that shortly after arriving in this dank

358

00:15:46,610 --> 00:15:43,860

black water

359

00:15:49,550 --> 00:15:46,620

in the middle of nowhere my friend and I

360

00:15:51,290 --> 00:15:49,560

decided that we could Venture down to

361

00:15:52,910 --> 00:15:51,300

the underside of this very old metal

362

00:15:54,470 --> 00:15:52,920

frame Bridge

363

00:15:56,269 --> 00:15:54,480

it was a full moon

364

00:15:57,410 --> 00:15:56,279

and I know this sounds like a horror

365

00:16:00,410 --> 00:15:57,420

movie set up but the Moonlight

366

00:16:03,650 --> 00:16:00,420

reflecting off the uh Still Waters the

367

00:16:05,210 --> 00:16:03,660

only way we noticed that we what we

368

00:16:07,850 --> 00:16:05,220

discovered under there

369

00:16:10,370 --> 00:16:07,860

the old bridge was supported along the

370

00:16:12,230 --> 00:16:10,380

shallow banks by uh Flat River Rock and

371

00:16:15,290 --> 00:16:12,240

from the Moonlight appeared to some dark

372

00:16:16,550 --> 00:16:15,300

oozing fluid was running down the sides

373

00:16:18,829 --> 00:16:16,560

of this wall

374

00:16:22,009 --> 00:16:18,839

and when my friend lit his Zippo we

375

00:16:23,930 --> 00:16:22,019

realized it was not blood but candle wax

376

00:16:25,670 --> 00:16:23,940

some person had gone through the trouble

377

00:16:28,610 --> 00:16:25,680

drilling out the Rock

378

00:16:31,610 --> 00:16:28,620

in over a dozen places to insert brass

379

00:16:33,530 --> 00:16:31,620

leaves and to place candlesticks

380

00:16:36,050 --> 00:16:33,540

the place had been used for quite some

381

00:16:38,449 --> 00:16:36,060

time based on the amount of Wax

382

00:16:40,430 --> 00:16:38,459

it was probably for some ritualistic

383

00:16:42,829 --> 00:16:40,440

purposes based on the drawings of

384

00:16:45,110 --> 00:16:42,839

animals and symbols

385

00:16:46,790 --> 00:16:45,120

now a few months later in the summer I

386

00:16:49,550 --> 00:16:46,800

took my mother there as she was

387

00:16:52,430 --> 00:16:49,560

interested to see this type of thing

388

00:16:54,590 --> 00:16:52,440

so fast forward a short time later into

389

00:16:57,110 --> 00:16:54,600

the summer and fall

390

00:16:59,389 --> 00:16:57,120

my mom was arriving home from work after

391

00:17:01,610 --> 00:16:59,399

dark where we lived in our quiet

392

00:17:04,069 --> 00:17:01,620

neighborhood our backyard ended in a

393

00:17:07,010 --> 00:17:04,079

farmer's field for about 50 acres or so

394

00:17:08,210 --> 00:17:07,020

then Woods now we lived in a rural area

395

00:17:10,490 --> 00:17:08,220

ourselves

396

00:17:12,650 --> 00:17:10,500

she drives a car up to the house and as

397

00:17:16,010 --> 00:17:12,660

she Parks her headlights are shining on

398

00:17:18,350 --> 00:17:16,020

the glows the closed garage door

399

00:17:20,270 --> 00:17:18,360

now she stated that she thought my dad

400

00:17:23,150 --> 00:17:20,280

was outside standing in front of the

401
00:17:24,530 --> 00:17:23,160
garage door until whatever it was stood

402
00:17:27,049 --> 00:17:24,540
straight up

403
00:17:30,830 --> 00:17:27,059
and it was about seven foot tall hunched

404
00:17:33,650 --> 00:17:30,840
with long arms about like a dog

405
00:17:35,930 --> 00:17:33,660
it looked directly at the car with the

406
00:17:38,690 --> 00:17:35,940
headlights shouting on it then quickly

407
00:17:41,330 --> 00:17:38,700
hopped over the hood of our Buick and

408
00:17:43,850 --> 00:17:41,340
ran across the field to the woods now

409
00:17:45,830 --> 00:17:43,860
she was very shaken by the ordeal when

410
00:17:49,130 --> 00:17:45,840
she finally came into the house and was

411
00:17:50,990 --> 00:17:49,140
unexpected visibly upset and crying it

412
00:17:54,049 --> 00:17:51,000
took a while for my dad to calm her down

413
00:17:56,150 --> 00:17:54,059

and for decades after the incident even

414

00:17:58,610 --> 00:17:56,160

until we passed this year until she

415

00:18:01,490 --> 00:17:58,620

passed this year she refused to talk

416

00:18:04,010 --> 00:18:01,500

about it she said it upset her too much

417

00:18:05,990 --> 00:18:04,020

and she wanted to forget it

418

00:18:08,330 --> 00:18:06,000

so um

419

00:18:09,950 --> 00:18:08,340

I do know and it was a lot of parts of

420

00:18:11,930 --> 00:18:09,960

you know there are a lot of parts of

421

00:18:13,970 --> 00:18:11,940

Ohio where these cryptic canines have

422

00:18:17,570 --> 00:18:13,980

been reported and I know that area

423

00:18:20,870 --> 00:18:17,580

around Lima and Finley and and such and

424

00:18:22,610 --> 00:18:20,880

that's kind of the uh West Central part

425

00:18:24,770 --> 00:18:22,620

of the state

426
00:18:26,750 --> 00:18:24,780
they do have Cryptid sightings around

427
00:18:28,370 --> 00:18:26,760
there uh cryptocanine sightings around

428
00:18:30,669 --> 00:18:28,380
there so

429
00:18:35,210 --> 00:18:30,679
you know the story kind of rings true

430
00:18:37,310 --> 00:18:35,220
now was it related to the um

431
00:18:39,470 --> 00:18:37,320
you know was it related to some type of

432
00:18:40,370 --> 00:18:39,480
occult lycanthropy or something like I

433
00:18:42,289 --> 00:18:40,380
don't know

434
00:18:44,270 --> 00:18:42,299
I guess that's uh

435
00:18:46,810 --> 00:18:44,280
for you to decide but it is an

436
00:18:50,690 --> 00:18:46,820
interesting it is an interesting account

437
00:18:52,070 --> 00:18:50,700
so um does anybody have any questions I

438
00:18:54,230 --> 00:18:52,080

guess not

439

00:18:56,090 --> 00:18:54,240

so we'll we'll pick this up if you have

440

00:18:58,970 --> 00:18:56,100

questions wait till the end and you know

441

00:19:01,070 --> 00:18:58,980

until I'm done uh discussing

442

00:19:02,630 --> 00:19:01,080

and reading these and then you can ask

443

00:19:04,430 --> 00:19:02,640

anything you want it doesn't have to

444

00:19:07,310 --> 00:19:04,440

necessarily be just what I post either

445

00:19:09,650 --> 00:19:07,320

or what I read so um

446

00:19:12,409 --> 00:19:09,660

so this next account

447

00:19:14,630 --> 00:19:12,419

and this is a local account here uh a

448

00:19:17,690 --> 00:19:14,640

local man his daughter were hiking in

449

00:19:20,510 --> 00:19:17,700

misho State Forest now Misha State

450

00:19:24,770 --> 00:19:20,520

Forest is a um

451
00:19:26,810 --> 00:19:24,780
a a large long

452
00:19:29,270 --> 00:19:26,820
um Park

453
00:19:30,710 --> 00:19:29,280
that has other smaller parks in it and

454
00:19:33,950 --> 00:19:30,720
it's west of me

455
00:19:36,289 --> 00:19:33,960
about oh I don't know about 25 miles

456
00:19:38,330 --> 00:19:36,299
it's only like 15 miles west of

457
00:19:40,850 --> 00:19:38,340
Gettysburg

458
00:19:43,130 --> 00:19:40,860
so I received this this account about a

459
00:19:45,830 --> 00:19:43,140
month ago

460
00:19:48,169 --> 00:19:45,840
and they write um I was in

461
00:19:49,669 --> 00:19:48,179
woods from the time I could walk so I

462
00:19:51,169 --> 00:19:49,679
know every creature that lives in the

463
00:19:52,610 --> 00:19:51,179

forest and mountains around my home in

464

00:19:54,409 --> 00:19:52,620

Adams County and south central

465

00:19:56,390 --> 00:19:54,419

Pennsylvania

466

00:19:58,310 --> 00:19:56,400

I've even seen tracks of a couple

467

00:20:00,590 --> 00:19:58,320

animals that the Game Commission say

468

00:20:02,990 --> 00:20:00,600

don't exist here such as wolves and

469

00:20:04,310 --> 00:20:03,000

mountain lions and they're here they

470

00:20:06,950 --> 00:20:04,320

will deny it

471

00:20:09,710 --> 00:20:06,960

uh but the story I must tell you isn't

472

00:20:11,810 --> 00:20:09,720

about any of those uh it's about an

473

00:20:15,890 --> 00:20:11,820

encounter my daughter and I had

474

00:20:18,169 --> 00:20:15,900

in the spring of 2019 with a Bigfoot

475

00:20:20,810 --> 00:20:18,179

now we were hiking in misho State Forest

476

00:20:23,830 --> 00:20:20,820

close to my home

477

00:20:26,990 --> 00:20:23,840

we would do this at least once a week

478

00:20:29,870 --> 00:20:27,000

we always took the same Trail an unused

479

00:20:32,690 --> 00:20:29,880

Forester road to be precise

480

00:20:34,789 --> 00:20:32,700

we would walk along the road for about a

481

00:20:36,289 --> 00:20:34,799

mile and a half to a spring that ran

482

00:20:39,529 --> 00:20:36,299

across it

483

00:20:42,830 --> 00:20:39,539

uh there we would sit down and uh rest

484

00:20:44,930 --> 00:20:42,840

before we'd hike back out now sometimes

485

00:20:46,610 --> 00:20:44,940

we would bring something along to eat

486

00:20:48,590 --> 00:20:46,620

but most of the time we just sat there

487

00:20:50,810 --> 00:20:48,600

and listened

488

00:20:53,029 --> 00:20:50,820

as she had gotten interested in a couple

489

00:20:54,950 --> 00:20:53,039

of the YouTube channels about Bigfoot

490

00:20:58,370 --> 00:20:54,960

and especially

491

00:21:01,070 --> 00:20:58,380

where there was some talk about gifting

492

00:21:03,350 --> 00:21:01,080

them now on that day in question we had

493

00:21:05,930 --> 00:21:03,360

brought some apples to leave

494

00:21:08,090 --> 00:21:05,940

I thought to myself some raccoon or deer

495

00:21:10,669 --> 00:21:08,100

going to eat or get a free meal but it

496

00:21:14,930 --> 00:21:10,679

made my daughter happy anyway

497

00:21:16,909 --> 00:21:14,940

so we had um just left the spring when

498

00:21:18,049 --> 00:21:16,919

my census told me that we were being

499

00:21:20,870 --> 00:21:18,059

watched

500

00:21:23,930 --> 00:21:20,880

now I know that sensation because I've

501
00:21:25,970 --> 00:21:23,940
I've been in combat I've been hunt being

502
00:21:28,490 --> 00:21:25,980
hunted is like no other feeling

503
00:21:30,169 --> 00:21:28,500
I stopped and looked around I didn't see

504
00:21:32,870 --> 00:21:30,179
anything and I turned to catch up with

505
00:21:35,090 --> 00:21:32,880
my daughter a few steps ahead of me

506
00:21:37,549 --> 00:21:35,100
that's when I heard a slight coughing

507
00:21:41,390 --> 00:21:37,559
sound to our right now my daughter heard

508
00:21:44,570 --> 00:21:41,400
it too because I saw her eyes grew he

509
00:21:46,549 --> 00:21:44,580
said what was that I I said it's just

510
00:21:47,990 --> 00:21:46,559
the deer warning the rest of the herd

511
00:21:51,169 --> 00:21:48,000
that we're around here

512
00:21:54,169 --> 00:21:51,179
I knew it wasn't there so um

513
00:21:55,789 --> 00:21:54,179

so she just kept walking

514

00:21:58,190 --> 00:21:55,799

uh and I told her you know just keep

515

00:22:00,950 --> 00:21:58,200

walking ignore it so we started on again

516

00:22:03,770 --> 00:22:00,960

we hadn't gone too much further when a

517

00:22:06,169 --> 00:22:03,780

tree limb snapped

518

00:22:08,630 --> 00:22:06,179

uh this happened behind us it was pretty

519

00:22:12,110 --> 00:22:08,640

close but off in the brush we both

520

00:22:14,270 --> 00:22:12,120

stopped and turned around uh turned

521

00:22:16,850 --> 00:22:14,280

towards the South

522

00:22:19,490 --> 00:22:16,860

and we stood here quietly looking into

523

00:22:21,470 --> 00:22:19,500

the dense brush for a couple minutes

524

00:22:23,690 --> 00:22:21,480

when I saw movement out of the corner of

525

00:22:26,870 --> 00:22:23,700

my eye now turning my head I saw a

526
00:22:29,930 --> 00:22:26,880
creature standing about 40 yards down

527
00:22:32,090 --> 00:22:29,940
the trail from where we had come from

528
00:22:34,430 --> 00:22:32,100
a daughter saw it too she took a deep

529
00:22:37,490 --> 00:22:34,440
breath to stay quiet

530
00:22:39,049 --> 00:22:37,500
we stood there looking at it him and yes

531
00:22:41,870 --> 00:22:39,059
it was a male

532
00:22:44,090 --> 00:22:41,880
he was about 78 foot tall Broad and

533
00:22:46,730 --> 00:22:44,100
shoulders he was very muscular his hair

534
00:22:49,250 --> 00:22:46,740
was about three to four inches long

535
00:22:51,350 --> 00:22:49,260
and was a rushed cover

536
00:22:54,350 --> 00:22:51,360
he stood there looking at us we didn't

537
00:22:56,810 --> 00:22:54,360
make a sound neither did we after what

538
00:22:58,970 --> 00:22:56,820

felt neither did we act what we felt

539

00:23:00,590 --> 00:22:58,980

like an attorney but it really was only

540

00:23:03,830 --> 00:23:00,600

a couple minutes

541

00:23:06,529 --> 00:23:03,840

he then raised his left hand with his

542

00:23:08,510 --> 00:23:06,539

palm toward us and moved it like he was

543

00:23:10,190 --> 00:23:08,520

pushing something

544

00:23:12,909 --> 00:23:10,200

my daughter and I just looked at him

545

00:23:16,789 --> 00:23:12,919

then at each other and then back at him

546

00:23:19,789 --> 00:23:16,799

I Shrugged he made the motion again but

547

00:23:22,370 --> 00:23:19,799

this time he grunted softly this time

548

00:23:24,289 --> 00:23:22,380

uh we got the message he was telling us

549

00:23:25,970 --> 00:23:24,299

that it was time for us to go

550

00:23:28,549 --> 00:23:25,980

so he turned around and started walking

551
00:23:30,950 --> 00:23:28,559
now my daughter wanted to go look back

552
00:23:35,029 --> 00:23:30,960
but somebody told me not to let her let

553
00:23:36,950 --> 00:23:35,039
her do it so we just walked to the truck

554
00:23:38,630 --> 00:23:36,960
now once we reached the truck and before

555
00:23:41,090 --> 00:23:38,640
we could get in

556
00:23:43,130 --> 00:23:41,100
we heard a series of loud whoop sounds

557
00:23:44,510 --> 00:23:43,140
coming from the area that we had just

558
00:23:45,950 --> 00:23:44,520
exited

559
00:23:47,570 --> 00:23:45,960
we just looked at each other and

560
00:23:49,909 --> 00:23:47,580
promised not to tell her mother about

561
00:23:52,490 --> 00:23:49,919
this if her mother found out she'd never

562
00:23:54,710 --> 00:23:52,500
let my daughter into the woods again

563
00:23:56,450 --> 00:23:54,720

uh we had been back to the area many

564

00:23:58,190 --> 00:23:56,460

times but have never come across

565

00:24:00,710 --> 00:23:58,200

anything other than one distinct

566

00:24:03,590 --> 00:24:00,720

impression of a big of a footprint

567

00:24:04,549 --> 00:24:03,600

measuring roughly 19 and a half inches

568

00:24:07,490 --> 00:24:04,559

long

569

00:24:09,470 --> 00:24:07,500

also I have been there to by myself on

570

00:24:12,049 --> 00:24:09,480

one occasion while I didn't see or hear

571

00:24:14,810 --> 00:24:12,059

anything I just got the feeling that I

572

00:24:17,029 --> 00:24:14,820

wasn't welcome now

573

00:24:19,490 --> 00:24:17,039

I contacted the witness and got the

574

00:24:22,669 --> 00:24:19,500

location of the encounter

575

00:24:25,850 --> 00:24:22,679

uh I don't know for those who may be

576

00:24:28,610 --> 00:24:25,860

who know a bit about me show

577

00:24:30,470 --> 00:24:28,620

uh it was a long Woodrow Road which is

578

00:24:32,630 --> 00:24:30,480

approximately a quarter mile east of the

579

00:24:35,270 --> 00:24:32,640

Appalachian Trail the Appalachian Trail

580

00:24:37,789 --> 00:24:35,280

goes right through the park uh it's an

581

00:24:41,029 --> 00:24:37,799

area close to what locals refer to as

582

00:24:43,130 --> 00:24:41,039

the Primitive campsite number four and I

583

00:24:44,570 --> 00:24:43,140

had been in that area many times

584

00:24:46,850 --> 00:24:44,580

there have been numerous sightings

585

00:24:49,370 --> 00:24:46,860

throughout the park in the past Misha

586

00:24:51,649 --> 00:24:49,380

State Forest is well known for Bigfoot

587

00:24:53,570 --> 00:24:51,659

and Cryptid canine activity

588

00:24:56,270 --> 00:24:53,580

I've had several reports out of there

589

00:25:00,049 --> 00:24:56,280

over the years uh of both

590

00:25:02,870 --> 00:25:00,059

and um a couple people on our team Tim

591

00:25:06,669 --> 00:25:02,880

Renner in particular has done research

592

00:25:09,409 --> 00:25:06,679

there so uh yeah it's uh and it's it's

593

00:25:10,490 --> 00:25:09,419

classified as a hot spot here in

594

00:25:13,730 --> 00:25:10,500

Pennsylvania

595

00:25:16,570 --> 00:25:13,740

uh of course the BFRO also classifies it

596

00:25:20,149 --> 00:25:16,580

as a hot spot in Pennsylvania because

597

00:25:23,210 --> 00:25:20,159

Route 30 runs right through the park

598

00:25:26,029 --> 00:25:23,220

and a lot of the sightings of Bigfoot

599

00:25:29,330 --> 00:25:26,039

are seen by motorists

600

00:25:32,330 --> 00:25:29,340

on this four-lane highway who actually

601
00:25:35,990 --> 00:25:32,340
have seen especially at night Bigfoot

602
00:25:40,370 --> 00:25:36,000
picking up roadkill dead deer off

603
00:25:44,330 --> 00:25:40,380
of the uh of the payment so um yeah

604
00:25:46,370 --> 00:25:44,340
so uh it does have a lot of activity

605
00:25:49,310 --> 00:25:46,380
now this um

606
00:25:51,769 --> 00:25:49,320
this last encounter

607
00:25:54,529 --> 00:25:51,779
is another one from Pennsylvania it's

608
00:25:56,870 --> 00:25:54,539
interesting account too

609
00:25:58,970 --> 00:25:56,880
a Somerset County Pennsylvania woman and

610
00:26:02,330 --> 00:25:58,980
her husband were driving around Mount

611
00:26:04,970 --> 00:26:02,340
Davis when they caught a glimpse of a

612
00:26:07,669 --> 00:26:04,980
gray alien humanoid standing in the

613
00:26:10,430 --> 00:26:07,679

trees to their left

614

00:26:12,289 --> 00:26:10,440

now during the pandemic this is what the

615

00:26:14,149 --> 00:26:12,299

witness wrote to me my husband and I

616

00:26:16,789 --> 00:26:14,159

would go for rides around Mount Davis

617

00:26:19,909 --> 00:26:16,799

Pennsylvania in southern Somerset County

618

00:26:21,890 --> 00:26:19,919

approximately five miles north of the

619

00:26:23,350 --> 00:26:21,900

Maryland line

620

00:26:25,970 --> 00:26:23,360

it's the highest point in Pennsylvania

621

00:26:28,250 --> 00:26:25,980

neither of us is working

622

00:26:29,390 --> 00:26:28,260

it was during the lockdown no one was

623

00:26:32,630 --> 00:26:29,400

out

624

00:26:35,149 --> 00:26:32,640

the date was June 22nd 2020. we would

625

00:26:38,029 --> 00:26:35,159

ride around looking for deer Wildlife

626
00:26:40,970 --> 00:26:38,039
Etc nothing else to do

627
00:26:43,070 --> 00:26:40,980
um there's also a state game land SGL

628
00:26:45,769 --> 00:26:43,080
271

629
00:26:47,990 --> 00:26:45,779
we would very rarely see another vehicle

630
00:26:51,409 --> 00:26:48,000
now that night the deer were bedded down

631
00:26:54,529 --> 00:26:51,419
along the side of the roads

632
00:26:56,570 --> 00:26:54,539
uh they were acting unusual unusually uh

633
00:26:59,029 --> 00:26:56,580
we were on the main road coming up the

634
00:27:01,490 --> 00:26:59,039
mountain from High Point Lake

635
00:27:03,529 --> 00:27:01,500
a deer ran out in front of us stopped

636
00:27:05,029 --> 00:27:03,539
and turned around and ran in the

637
00:27:07,010 --> 00:27:05,039
direction it came from

638
00:27:10,310 --> 00:27:07,020

which was from the right

639

00:27:12,110 --> 00:27:10,320

as we sat there for a moment we were

640

00:27:14,510 --> 00:27:12,120

watching to make sure that more deer

641

00:27:16,430 --> 00:27:14,520

didn't run out behind it

642

00:27:18,289 --> 00:27:16,440

there was an opening in the brush and

643

00:27:20,330 --> 00:27:18,299

the trees on the left

644

00:27:22,190 --> 00:27:20,340

something caught both our eyes now

645

00:27:24,169 --> 00:27:22,200

neither of us said a word

646

00:27:26,090 --> 00:27:24,179

my husband had a flashlight and was

647

00:27:27,470 --> 00:27:26,100

holding it out the window that was after

648

00:27:29,750 --> 00:27:27,480

11 pm

649

00:27:31,669 --> 00:27:29,760

so it was illegal to use a spotlight at

650

00:27:33,769 --> 00:27:31,679

that time in Pennsylvania

651
00:27:35,510 --> 00:27:33,779
I was in shock and I could not believe

652
00:27:37,789 --> 00:27:35,520
what we were seeing

653
00:27:41,210 --> 00:27:37,799
in the opening right along the side of

654
00:27:44,090 --> 00:27:41,220
the road stood a humanoid alien

655
00:27:45,590 --> 00:27:44,100
it turned as if in slow motion bending

656
00:27:48,230 --> 00:27:45,600
its knees to turn

657
00:27:50,390 --> 00:27:48,240
lifted its arms to reach for a limb it

658
00:27:53,330 --> 00:27:50,400
just stood there staring at us and us at

659
00:27:55,490 --> 00:27:53,340
it I had my phone my lap I wanted to

660
00:27:57,049 --> 00:27:55,500
take a photo but I had so many thoughts

661
00:27:59,870 --> 00:27:57,059
running through my mind

662
00:28:02,690 --> 00:27:59,880
I thought what if I take a picture and

663
00:28:03,590 --> 00:28:02,700

it pisses it off needless to say I

664

00:28:05,930 --> 00:28:03,600
didn't

665

00:28:07,549 --> 00:28:05,940
we just sat there looking and in

666

00:28:08,870 --> 00:28:07,559
disbelief and it was standing there

667

00:28:11,690 --> 00:28:08,880
looking at us

668

00:28:12,769 --> 00:28:11,700
I told my husband to just go so he

669

00:28:15,110 --> 00:28:12,779
pulled away

670

00:28:17,269 --> 00:28:15,120
now once we got on the road a little way

671

00:28:19,789 --> 00:28:17,279
I asked him what kind of species would

672

00:28:22,370 --> 00:28:19,799
you say that was he replied that he

673

00:28:24,890 --> 00:28:22,380
would say it was an alien because it

674

00:28:27,289 --> 00:28:24,900
exactly looked exactly like what was in

675

00:28:29,930 --> 00:28:27,299
the movies agree humanoid type

676

00:28:31,610 --> 00:28:29,940

so in my opinion I think uh there was

677

00:28:33,590 --> 00:28:31,620

more going on during The Cove at

678

00:28:34,789 --> 00:28:33,600

lockdown than we were told

679

00:28:39,049 --> 00:28:34,799

now

680

00:28:41,570 --> 00:28:39,059

deer hunting when I lived in Maryland

681

00:28:43,730 --> 00:28:41,580

right across the border in the uh what

682

00:28:46,490 --> 00:28:43,740

they called The Negro mountains

683

00:28:48,529 --> 00:28:46,500

uh it was just south of there

684

00:28:51,289 --> 00:28:48,539

and you can see Mount actually see Mount

685

00:28:53,269 --> 00:28:51,299

Davis from from that Park

686

00:28:54,789 --> 00:28:53,279

well in Maryland so I used to do a lot

687

00:28:58,310 --> 00:28:54,799

of deer hunting there

688

00:29:00,470 --> 00:28:58,320

so um yeah I do know the area and that

689

00:29:02,450 --> 00:29:00,480

doesn't surprise me but you know a great

690

00:29:05,149 --> 00:29:02,460

humanoid alien I mean that's hard to

691

00:29:08,750 --> 00:29:05,159

imagine I guess

692

00:29:10,789 --> 00:29:08,760

um I I get very rarely get reports like

693

00:29:13,850 --> 00:29:10,799

that in Pennsylvania but occasionally we

694

00:29:16,070 --> 00:29:13,860

will get something so I don't know why I

695

00:29:17,690 --> 00:29:16,080

was there what was the reason could they

696

00:29:20,750 --> 00:29:17,700

have seen a um

697

00:29:22,669 --> 00:29:20,760

a crore humanoid I don't know maybe you

698

00:29:24,049 --> 00:29:22,679

know sometimes they do look from reports

699

00:29:25,970 --> 00:29:24,059

they look like that

700

00:29:28,430 --> 00:29:25,980

but I don't know

701
00:29:30,649 --> 00:29:28,440
so folks if you've got any questions uh

702
00:29:32,690 --> 00:29:30,659
please feel free to ask me I'm going to

703
00:29:34,310 --> 00:29:32,700
try to go back here and see if you did

704
00:29:37,010 --> 00:29:34,320
post anything

705
00:29:38,870 --> 00:29:37,020
but um yeah if you have a question for

706
00:29:41,330 --> 00:29:38,880
anything I talked about or even anything

707
00:29:44,330 --> 00:29:41,340
else that we've been you know we have

708
00:29:47,049 --> 00:29:44,340
been posting recently please uh please

709
00:29:50,330 --> 00:29:47,059
put it up there please ask me

710
00:29:58,490 --> 00:29:50,340
he had to excuse me I've got

711
00:29:58,500 --> 00:30:05,750
so I guess we don't have any questions

712
00:30:11,330 --> 00:30:08,269
okay well

713
00:30:16,269 --> 00:30:13,370

yeah if you do have questions put it in

714

00:30:19,190 --> 00:30:16,279

caps um you know I'll hang around here

715

00:30:21,470 --> 00:30:19,200

uh but um

716

00:30:23,450 --> 00:30:21,480

I will say that if if you haven't

717

00:30:25,250 --> 00:30:23,460

unexplained encounter sudden feel free

718

00:30:28,190 --> 00:30:25,260

to comment contact me through the fans

719

00:30:29,630 --> 00:30:28,200

And subscribe and share and please

725

00:30:42,470 --> 00:30:39,600

comment uh we're always interested in

your comments what you think's going on

727

00:30:45,110 --> 00:30:43,380

um

728

00:30:46,850 --> 00:30:45,120

if you have a site in your encounter

729

00:30:48,769 --> 00:30:46,860

report that you'd like to be considered

730

00:30:51,049 --> 00:30:48,779

for the personal report show

731

00:30:54,049 --> 00:30:51,059

or even for the blog let me know send it

732

00:30:55,970 --> 00:30:54,059

to lawn stricklerfamilismmonsters.com uh

733

00:30:57,769 --> 00:30:55,980

we do have a question

734

00:31:00,950 --> 00:30:57,779

Davey Jones Locker what's the best

735

00:31:02,870 --> 00:31:00,960

Crystal for clearing Darkness oh

736

00:31:05,389 --> 00:31:02,880

uh

737

00:31:07,549 --> 00:31:05,399

well it's it's just not the crystal is

738

00:31:10,430 --> 00:31:07,559

so if you want to clear if you want to

739

00:31:11,810 --> 00:31:10,440

clear some malevolency out

740

00:31:13,850 --> 00:31:11,820

it's going to take more than just having

741

00:31:16,370 --> 00:31:13,860

a crystal it's going to take some

742

00:31:19,549 --> 00:31:16,380

divination maybe some affirmation and

743

00:31:22,909 --> 00:31:19,559

other work as all with with it as well

744

00:31:24,950 --> 00:31:22,919

you know honestly when I when I do

745

00:31:28,549 --> 00:31:24,960

when I do that even even distance

746

00:31:30,470 --> 00:31:28,559

clearing I use uh certain types of uh

747

00:31:32,169 --> 00:31:30,480

either candle magic along with the

748

00:31:36,470 --> 00:31:32,179

Divination

749

00:31:40,370 --> 00:31:36,480

uh affirmations I I also use the Lesser

750

00:31:43,250 --> 00:31:40,380

Keys of Solomon uh I I have an occasion

751
00:31:46,070 --> 00:31:43,260
made uh talismans that I have sent to

752
00:31:49,430 --> 00:31:46,080
people to use at locations

753
00:31:52,909 --> 00:31:49,440
but I would say the one Crystal

754
00:31:56,870 --> 00:31:52,919
that that is effective uh is something

755
00:31:59,330 --> 00:31:56,880
dark particularly black tourmaline or uh

756
00:32:02,029 --> 00:31:59,340
obsidian something like that

757
00:32:03,529 --> 00:32:02,039
uh some people believe that rose quartz

758
00:32:06,289 --> 00:32:03,539
is another good one others believe

759
00:32:09,110 --> 00:32:06,299
amethyst is another one

760
00:32:10,850 --> 00:32:09,120
um I I there's one stone in particular

761
00:32:12,529 --> 00:32:10,860
that I always use is you get your

762
00:32:14,510 --> 00:32:12,539
fluorite you've probably heard me talk

763
00:32:18,230 --> 00:32:14,520

about it before it's fairly rare to find

764

00:32:19,130 --> 00:32:18,240

but as a very strong and very energetic

765

00:32:23,630 --> 00:32:19,140

Stone

766

00:32:25,730 --> 00:32:23,640

uh I use it in everything I do so uh you

767

00:32:28,490 --> 00:32:25,740

know if you can find it I would I would

768

00:32:30,230 --> 00:32:28,500

try to obtain some it might not work for

769

00:32:32,090 --> 00:32:30,240

you like it does for me and every every

770

00:32:34,549 --> 00:32:32,100

person has a different vibration with

771

00:32:37,190 --> 00:32:34,559

each Stone there Crystal they use

772

00:32:39,889 --> 00:32:37,200

so um

773

00:32:42,950 --> 00:32:39,899

Jose Sanchez How big tall is the average

774

00:32:46,490 --> 00:32:42,960

dog man or Bigfoot uh versus Bigfoot um

775

00:32:48,230 --> 00:32:46,500

versus Bigfoot uh you know in

776

00:32:50,029 --> 00:32:48,240

Pennsylvania in particular the upright

777

00:32:51,950 --> 00:32:50,039

canines

778

00:32:53,510 --> 00:32:51,960

and some of the signs we've gotten some

779

00:32:56,090 --> 00:32:53,520

huge animals

780

00:32:58,190 --> 00:32:56,100

um nine to ten foot

781

00:33:01,490 --> 00:32:58,200

you know I mean they're big and they're

782

00:33:03,950 --> 00:33:01,500

muscular and they're well defined

783

00:33:04,810 --> 00:33:03,960

Bigfoot seven to eight foot from the

784

00:33:07,370 --> 00:33:04,820

average

785

00:33:09,049 --> 00:33:07,380

uh around here they they try to stay

786

00:33:12,230 --> 00:33:09,059

away from each other

787

00:33:15,230 --> 00:33:12,240

uh I think they do move along

788

00:33:17,210 --> 00:33:15,240

the mountains from north to south

789

00:33:19,850 --> 00:33:17,220

occasionally

790

00:33:21,230 --> 00:33:19,860

uh Butch and I had thought that

791

00:33:24,049 --> 00:33:21,240

that they do travel along the

792

00:33:26,029 --> 00:33:24,059

Appalachians uh from some parts here in

793

00:33:28,130 --> 00:33:26,039

Pennsylvania down south and across into

794

00:33:30,950 --> 00:33:28,140

Maryland into West Virginia

795

00:33:33,110 --> 00:33:30,960

yeah I think they do the Bigfoot tend to

796

00:33:35,269 --> 00:33:33,120

stay in the valleys

797

00:33:37,430 --> 00:33:35,279

the evidence that we have gotten and it

798

00:33:40,850 --> 00:33:37,440

seems like the upright canines are are

799

00:33:43,070 --> 00:33:40,860

dog man seem to move a little higher up

800

00:33:44,810 --> 00:33:43,080

Along The Ridges as such so they do try

801
00:33:47,930 --> 00:33:44,820
to stay away from each other

802
00:33:50,090 --> 00:33:47,940
uh Andrew Maselli Lon what's your

803
00:33:52,009 --> 00:33:50,100
favorite freaky scary dog man Karen

804
00:33:53,090 --> 00:33:52,019
you've heard of him God I've heard so

805
00:33:55,430 --> 00:33:53,100
many of them

806
00:33:58,070 --> 00:33:55,440
uh

807
00:33:59,930 --> 00:33:58,080
it's hard it's hard to say one

808
00:34:01,970 --> 00:33:59,940
uh something that we've had here in

809
00:34:04,250 --> 00:34:01,980
Pennsylvania were pretty bad uh pretty

810
00:34:05,509 --> 00:34:04,260
freaky if you ask me

811
00:34:09,349 --> 00:34:05,519
um

812
00:34:11,510 --> 00:34:09,359
we did have a uh an individual

813
00:34:14,450 --> 00:34:11,520

who worked for the state worked for the

814

00:34:17,450 --> 00:34:14,460

Game Commission and and it also did some

815

00:34:20,270 --> 00:34:17,460

work with the uh state parks

816

00:34:22,010 --> 00:34:20,280

or the DNR uh

817

00:34:24,889 --> 00:34:22,020

had just

818

00:34:27,109 --> 00:34:24,899

got done working in an area around

819

00:34:29,210 --> 00:34:27,119

Rothrock State Park that was that had

820

00:34:31,490 --> 00:34:29,220

been out just opened up and he and his

821

00:34:34,609 --> 00:34:31,500

wife and two other couples

822

00:34:36,589 --> 00:34:34,619

were out one day one Saturday looking

823

00:34:39,889 --> 00:34:36,599

around

824

00:34:42,349 --> 00:34:39,899

and uh now he was armed

825

00:34:43,970 --> 00:34:42,359

but you know these three couples were

826
00:34:45,950 --> 00:34:43,980
walking down one of the trails and there

827
00:34:47,510 --> 00:34:45,960
were wide Trails too they were heading

828
00:34:50,149 --> 00:34:47,520
back to the parking lot

829
00:34:52,609 --> 00:34:50,159
and one of the women happened to turn

830
00:34:55,250 --> 00:34:52,619
around and saw this huge upright canine

831
00:34:57,950 --> 00:34:55,260
standing in the in the trail from where

832
00:35:00,950 --> 00:34:57,960
they had come from and she screamed and

833
00:35:03,349 --> 00:35:00,960
this thing kind of bluff charged them

834
00:35:06,470 --> 00:35:03,359
uh but you jump back into the bushes

835
00:35:09,650 --> 00:35:06,480
before the guy pulled a gun on it

836
00:35:10,849 --> 00:35:09,660
so they hurried to the uh to the parking

837
00:35:13,870 --> 00:35:10,859
lot

838
00:35:18,109 --> 00:35:13,880

same

839

00:35:19,370 --> 00:35:18,119
of the parking lot so he had gone

840

00:35:20,930 --> 00:35:19,380
through the weeds and through the

841

00:35:22,370 --> 00:35:20,940
brushing going the other way around it

842

00:35:24,349 --> 00:35:22,380
knew where it was going

843

00:35:26,930 --> 00:35:24,359
but they got to their core quickly

844

00:35:29,329 --> 00:35:26,940
enough and uh got in and left so it

845

00:35:31,609 --> 00:35:29,339
didn't bother him so that's probably one

846

00:35:36,589 --> 00:35:31,619
of the weird ones we've had um Maria

847

00:35:41,450 --> 00:35:39,290
um Maria Snyder any more or less not I'm

848

00:35:44,510 --> 00:35:41,460
sorry any recent reports of the hyena

849

00:35:46,990 --> 00:35:44,520
type creatures I guess the last one of

850

00:35:51,290 --> 00:35:47,000
course was with Matt hurryack

851
00:35:52,849 --> 00:35:51,300
out in French uh Creek State Park we had

852
00:35:56,270 --> 00:35:52,859
him on the show

853
00:35:59,210 --> 00:35:56,280
that's the last hyena type or similar to

854
00:36:01,730 --> 00:35:59,220
a hyena but we do get them

855
00:36:04,370 --> 00:36:01,740
I mean the these these creatures are out

856
00:36:06,770 --> 00:36:04,380
there the mostly quadrupeds um but this

857
00:36:08,990 --> 00:36:06,780
one the out of French Creek was an

858
00:36:11,630 --> 00:36:09,000
upright it was actually both and it was

859
00:36:13,069 --> 00:36:11,640
on all fours and it was standing up but

860
00:36:15,470 --> 00:36:13,079
the markings and some of the

861
00:36:17,829 --> 00:36:15,480
characteristics were very similar to

862
00:36:20,990 --> 00:36:17,839
um to hyena types

863
00:36:23,750 --> 00:36:21,000

uh most of the quarter pads though that

864

00:36:25,010 --> 00:36:23,760

we do get or I have gotten and Butch and

865

00:36:28,069 --> 00:36:25,020

I had gotten

866

00:36:30,710 --> 00:36:28,079

did resemble hyenas they had the sloping

867

00:36:32,750 --> 00:36:30,720

back the large head

868

00:36:35,990 --> 00:36:32,760

though the head had like a wolf-like

869

00:36:38,150 --> 00:36:36,000

look to it very muscular

870

00:36:40,790 --> 00:36:38,160

and large like a hyena he even had the

871

00:36:43,010 --> 00:36:40,800

spots on it so uh yeah I don't I don't

872

00:36:45,109 --> 00:36:43,020

know what that is uh I guess you know we

873

00:36:47,150 --> 00:36:45,119

just classified as dog man

874

00:36:49,430 --> 00:36:47,160

but you know they're when you look at it

875

00:36:53,510 --> 00:36:49,440

there are some you know the way it

876

00:36:55,310 --> 00:36:53,520

reacts the way it looks at certain folks

877

00:36:58,069 --> 00:36:55,320

um it does kind of give you that human

878

00:36:59,750 --> 00:36:58,079

quality to it so is it similar to a

879

00:37:01,730 --> 00:36:59,760

human I don't know you know I guess

880

00:37:04,609 --> 00:37:01,740

that's how the doll man name got you

881

00:37:06,470 --> 00:37:04,619

know put into it but

882

00:37:09,050 --> 00:37:06,480

and some of the descriptions we've had

883

00:37:09,890 --> 00:37:09,060

over the years are different I mean they

884

00:37:12,230 --> 00:37:09,900

are different

885

00:37:14,390 --> 00:37:12,240

uh you just can't put them in classify

886

00:37:16,550 --> 00:37:14,400

them into two sections there there are a

887

00:37:18,349 --> 00:37:16,560

lot of a lot of varieties

888

00:37:23,089 --> 00:37:18,359

so

889

00:37:27,950 --> 00:37:25,430

sighting oh yeah I I had my encountered

890

00:37:29,030 --> 00:37:27,960

back in 81 down outside Sykesville

891

00:37:31,790 --> 00:37:29,040

Maryland

892

00:37:34,790 --> 00:37:31,800

I've talked about that forever you I I

893

00:37:36,290 --> 00:37:34,800

suggest you go to the um go to my blog

894

00:37:40,430 --> 00:37:36,300

site

895

00:37:43,430 --> 00:37:40,440

and search uh Sykesville monster

896

00:37:47,510 --> 00:37:43,440

and uh it tells about my personal

897

00:37:47,520 --> 00:37:56,270

okay let's see anything else

898

00:38:00,950 --> 00:37:58,550

Nancy Malcolm asked lawn have you had

899

00:38:04,250 --> 00:38:00,960

reports or know about using shards of

900

00:38:06,470 --> 00:38:04,260

crystal quartz to attract orbs

901
00:38:09,290 --> 00:38:06,480
um no

902
00:38:11,089 --> 00:38:09,300
no I I don't know about that I I've

903
00:38:12,349 --> 00:38:11,099
never done that I don't know of anybody

904
00:38:14,030 --> 00:38:12,359
who has them

905
00:38:15,770 --> 00:38:14,040
you know people a lot of people use

906
00:38:18,109 --> 00:38:15,780
crystals for a lot of different things

907
00:38:19,730 --> 00:38:18,119
uh they can be used to attract certain

908
00:38:23,210 --> 00:38:19,740
phenomena

909
00:38:25,730 --> 00:38:23,220
um but no I've never done it mad skull

910
00:38:28,190 --> 00:38:25,740
on have you had any recent or new

911
00:38:29,270 --> 00:38:28,200
Mothman sightings reported you lately

912
00:38:34,069 --> 00:38:29,280
um

913
00:38:35,210 --> 00:38:34,079

no I can't say that we are investigating

914

00:38:37,670 --> 00:38:35,220

some

915

00:38:39,470 --> 00:38:37,680

uh I I know Manuel is still

916

00:38:41,150 --> 00:38:39,480

investigating a couple reports that came

917

00:38:43,910 --> 00:38:41,160

into him

918

00:38:46,250 --> 00:38:43,920

I uh there's a gentleman who lives in

919

00:38:49,190 --> 00:38:46,260

Chicago who's a genealogist and a

920

00:38:50,930 --> 00:38:49,200

historical researcher

921

00:38:53,690 --> 00:38:50,940

um

922

00:38:56,750 --> 00:38:53,700

I'm waiting for him to get back to me it

923

00:39:00,650 --> 00:38:56,760

involves his roommate

924

00:39:02,569 --> 00:39:00,660

who uh who died two years ago after an

925

00:39:04,250 --> 00:39:02,579

encounter with the supposed Chicago

926

00:39:07,069 --> 00:39:04,260

Mothman

927

00:39:08,630 --> 00:39:07,079

uh so I'm waiting to get all that uh

928

00:39:11,210 --> 00:39:08,640

it's an interesting account from what

929

00:39:13,849 --> 00:39:11,220

I've heard but he's also

930

00:39:16,069 --> 00:39:13,859

933

00:39:23,930 --> 00:39:21,480

934

00:39:26,690 --> 00:39:23,940

935

00:39:29,510 --> 00:39:26,700

report I don't know the extent of that

936

00:39:32,930 --> 00:39:29,520
