unexplained sightings and encounters

submitted to fans and monsters

00:01:37,370 --> 00:01:34,799  
I also detail current and past

donations are always appreciated and

18

00:01:55,670 --> 00:01:52,380

there is a buy me a coffee link and

19

00:01:57,289 --> 00:01:55,680

banner so uh I thank you for your

20

00:01:59,270 --> 00:01:57,299

consideration

21

00:02:01,969 --> 00:01:59,280

so tonight's going to be a little bit

22

00:02:04,490 --> 00:02:01,979

different we're gonna I'm gonna

23

00:02:06,410 --> 00:02:04,500

talk about a few new reports that we've

24

00:02:08,630 --> 00:02:06,420

received not necessarily well one's new

25

00:02:10,969 --> 00:02:08,640

and one's an older report doing with

26

00:02:12,710 --> 00:02:10,979

Chicago and we've been getting we've

27

00:02:15,050 --> 00:02:12,720

been getting more Chicago sightings in

28

00:02:17,449 --> 00:02:15,060

recently so we'll be catching up on that

29

00:02:19,550 --> 00:02:17,459

at another time

30

00:02:23,809 --> 00:02:19,560

but the one in particular I want to talk

31

00:02:26,330 --> 00:02:23,819

about was fairly recent uh a Mariah

32

00:02:29,630 --> 00:02:26,340

Pennsylvania resident report

33

00:02:32,030 --> 00:02:29,640

that a uh a recent sighting of an eight

34

00:02:35,809 --> 00:02:32,040

foot tall black upright canine that was

35

00:02:37,729 --> 00:02:35,819

observed Crossing the road

36

00:02:40,790 --> 00:02:37,739

um you know in front of her sister and

37

00:02:43,250 --> 00:02:40,800

Son and the witness also stated that

38

00:02:46,610 --> 00:02:43,260

that Beast howled

39

00:02:49,250 --> 00:02:46,620

so uh it's not real long but it's an

40

00:02:51,650 --> 00:02:49,260

interesting report on Saturday the 17th

41

00:02:53,990 --> 00:02:51,660

of December at around midnight on

42

00:02:55,850 --> 00:02:54,000

Industrial Road near where I live in

43

00:02:58,369 --> 00:02:55,860

Maria Pennsylvania

44

00:03:01,070 --> 00:02:58,379

my sister and Son were driving back from

45

00:03:04,970 --> 00:03:01,080

dinner and shopping

46

00:03:07,369 --> 00:03:04,980

they both saw a jet black upright

47

00:03:10,550 --> 00:03:07,379

wolf-like creature the size of an

48

00:03:12,890 --> 00:03:10,560

outhouse or a foot tall or so uh run

49

00:03:16,130 --> 00:03:12,900

across the road in front of him

50

00:03:17,690 --> 00:03:16,140

now my son said the moon was bright and

51  
00:03:20,210 --> 00:03:17,700  
there were three inches of snow on the

52  
00:03:22,610 --> 00:03:20,220  
ground he said it looked human-like

53  
00:03:25,190 --> 00:03:22,620  
he also states that it moved extremely

54  
00:03:26,449 --> 00:03:25,200  
fast as it ran across the road in front

55  
00:03:29,630 --> 00:03:26,459  
of them

56  
00:03:32,149 --> 00:03:29,640  
now this is a Road located about one

57  
00:03:34,670 --> 00:03:32,159  
mile from Frackville Pennsylvania and

58  
00:03:38,390 --> 00:03:34,680  
nearly two miles from Maria

59  
00:03:40,910 --> 00:03:38,400  
Pennsylvania my son said that it howled

60  
00:03:43,910 --> 00:03:40,920  
thought you should know about it and you

61  
00:03:46,130 --> 00:03:43,920  
know I do know the the writer

62  
00:03:48,530 --> 00:03:46,140  
um she's a friend on Facebook and she

63  
00:03:50,470 --> 00:03:48,540

listens a lot to the show and reads a

64

00:03:53,509 --> 00:03:50,480

lot of what I post

65

00:03:56,630 --> 00:03:53,519

and uh I have been aware of her many

66

00:04:00,050 --> 00:03:56,640

years of Bigfoot contact and gifting

67

00:04:01,970 --> 00:04:00,060

uh so I I do trust her instincts she

68

00:04:04,490 --> 00:04:01,980

lives up like you said Maria

69

00:04:05,690 --> 00:04:04,500

Pennsylvania adds up in school County I

70

00:04:07,490 --> 00:04:05,700

think that's what it is I used to go to

71

00:04:09,350 --> 00:04:07,500

Maria I used to actually go up to

72

00:04:12,530 --> 00:04:09,360

Frackville a lot

73

00:04:14,210 --> 00:04:12,540

because my uh my first wife

74

00:04:17,030 --> 00:04:14,220

was from there

75

00:04:18,430 --> 00:04:17,040

and uh he had family up there so I I

76

00:04:22,490 --> 00:04:18,440

know the area

77

00:04:24,950 --> 00:04:22,500

it's uh it's all was that route 80

78

00:04:29,570 --> 00:04:24,960

between uh

79

00:04:31,310 --> 00:04:29,580

15 and uh Scranton so it's up in the

80

00:04:32,810 --> 00:04:31,320

mountains up in the eastern mountains in

81

00:04:35,749 --> 00:04:32,820

Pennsylvania

82

00:04:37,850 --> 00:04:35,759

now she did state that also that the

83

00:04:41,450 --> 00:04:37,860

funny thing is that I did not hear of

84

00:04:44,689 --> 00:04:41,460

this until just now which was 8 8 P.M on

85

00:04:47,030 --> 00:04:44,699

December 21st and that she was in the

86

00:04:48,290 --> 00:04:47,040

woods at a Bigfoot gifting site that

87

00:04:50,870 --> 00:04:48,300

very day

88

00:04:52,969 --> 00:04:50,880

and according to her the atmosphere was

89

00:04:55,129 --> 00:04:52,979

not the same now this may have been a

90

00:04:57,950 --> 00:04:55,139

warning from Bigfoot

91

00:05:01,550 --> 00:04:57,960

they only ever felt something like this

92

00:05:03,710 --> 00:05:01,560

uh previously once previous seen they

93

00:05:05,390 --> 00:05:03,720

think that this cryptic canine may have

94

00:05:07,670 --> 00:05:05,400

been in the area

95

00:05:09,530 --> 00:05:07,680

so uh

96

00:05:11,689 --> 00:05:09,540

she said she didn't hear any birds or

97

00:05:15,409 --> 00:05:11,699

any of the regular noise in the woods

98

00:05:17,030 --> 00:05:15,419

the whole time she was out there so

99

00:05:19,550 --> 00:05:17,040

we're going to have some team members

100

00:05:20,390 --> 00:05:19,560

look look look into this

101  
00:05:24,590 --> 00:05:20,400  
um I don't know if they've been

102  
00:05:27,290 --> 00:05:24,600  
contacted by contacted her yet or not

103  
00:05:29,090 --> 00:05:27,300  
but uh you can find the sighting on the

104  
00:05:31,790 --> 00:05:29,100  
Pennsylvania dog man upright canine

105  
00:05:36,050 --> 00:05:31,800  
interactive map too

106  
00:05:38,629 --> 00:05:36,060  
so the next uh the next situation was a

107  
00:05:41,450 --> 00:05:38,639  
uh an East Side Chicago resident reports

108  
00:05:44,749 --> 00:05:41,460  
a 2013 sighting

109  
00:05:46,670 --> 00:05:44,759  
of a large humanoid gargoyle

110  
00:05:48,830 --> 00:05:46,680  
that they observed in a neighbor's tree

111  
00:05:51,170 --> 00:05:48,840  
from across the street

112  
00:05:52,129 --> 00:05:51,180  
uh they actually saw it flying to the

113  
00:05:54,650 --> 00:05:52,139

tree

114

00:05:56,570 --> 00:05:54,660

now the witness States I'm a current

115

00:05:58,129 --> 00:05:56,580

resident of Chicago Illinois I live in

116

00:06:00,890 --> 00:05:58,139

the east side of Chicago and I've been

117

00:06:03,350 --> 00:06:00,900

living here since 1988.

118

00:06:05,570 --> 00:06:03,360

we moved to my current residence in the

119

00:06:07,370 --> 00:06:05,580

summer of 2006 for my childhood

120

00:06:09,830 --> 00:06:07,380

residence which is just a few minutes

121

00:06:16,430 --> 00:06:14,390

now in the uh December 2013 my sister

122

00:06:19,150 --> 00:06:16,440

and I were sitting outside in front of

123

00:06:22,370 --> 00:06:19,160

our house at East

124

00:06:25,129 --> 00:06:22,380

108th Street and South Avenue in

125

00:06:27,650 --> 00:06:25,139

which is in the East Side Community uh

126

00:06:29,870 --> 00:06:27,660

it was late at night when we noticed a

127

00:06:31,850 --> 00:06:29,880

large human-like bat

128

00:06:36,170 --> 00:06:31,860

in my neighbor's tree across the street

129

00:06:37,070 --> 00:06:36,180

I described it as uh a gargoyle looking

130

00:06:39,529 --> 00:06:37,080

thing

131

00:06:41,930 --> 00:06:39,539

when I read the article on your website

132

00:06:43,850 --> 00:06:41,940

and he described as a gargoy convinced

133

00:06:45,110 --> 00:06:43,860

me to email you because that's how I

134

00:06:47,270 --> 00:06:45,120

described it

135

00:06:49,430 --> 00:06:47,280

now I haven't even told my sister about

136

00:06:51,170 --> 00:06:49,440

this it was it was really weird we

137

00:06:52,909 --> 00:06:51,180

didn't hear any noises or anything it

138

00:06:54,890 --> 00:06:52,919

was just sitting in the tree

139

00:06:56,629 --> 00:06:54,900

I saw it when it flew there and I

140

00:06:59,150 --> 00:06:56,639

couldn't believe it

141

00:07:01,309 --> 00:06:59,160

uh so you wonder if it was the same

142

00:07:02,990 --> 00:07:01,319

thing that I've been reporting about and

143

00:07:04,850 --> 00:07:03,000

sure I mean this is very similar to what

144

00:07:07,249 --> 00:07:04,860

we've been getting they said it was

145

00:07:09,770 --> 00:07:07,259

about five four to five foot in height

146

00:07:12,590 --> 00:07:09,780

great black skin like body

147

00:07:14,689 --> 00:07:12,600

and wings I don't even know if it was

148

00:07:16,010 --> 00:07:14,699

looking at us or not but it was just

149

00:07:18,290 --> 00:07:16,020

sitting there so there wasn't anything

150

00:07:20,450 --> 00:07:18,300

about the eyes which we don't get them

151

00:07:24,409 --> 00:07:20,460

on all the reports

152

00:07:27,550 --> 00:07:24,419

so um like I said we we have been

153

00:07:31,909 --> 00:07:27,560

reporting some new um some new sightings

154

00:07:33,650 --> 00:07:31,919

uh or uh that actually men will reported

155

00:07:35,150 --> 00:07:33,660

one the other the other day which I

156

00:07:36,529 --> 00:07:35,160

posted on the blog so if you go to the

157

00:07:39,170 --> 00:07:36,539

blog there's a lot of different stuff

158

00:07:41,210 --> 00:07:39,180

there and I'll be talking about those in

159

00:07:45,110 --> 00:07:41,220

the future

160

00:07:47,990 --> 00:07:45,120

so um we got another one here

161

00:07:50,089 --> 00:07:48,000

where a woman from Maine recalls her

162

00:07:53,150 --> 00:07:50,099

horrific experience

163

00:07:55,189 --> 00:07:53,160

while living in a rural cabin an unknown

164

00:07:57,290 --> 00:07:55,199

screaming Beast literally attacked the

165

00:07:59,930 --> 00:07:57,300

cabin stalking the woman and her friend

166

00:08:00,589 --> 00:07:59,940

who were inside now

167

00:08:02,809 --> 00:08:00,599

um

168

00:08:04,930 --> 00:08:02,819

I just wanted to stay I'm not going to

169

00:08:07,670 --> 00:08:04,940

stop between the the

170

00:08:09,770 --> 00:08:07,680

encounter reports we'll just grab

171

00:08:12,110 --> 00:08:09,780

everything at the end and uh if you have

172

00:08:15,529 --> 00:08:12,120

a question save it for then because I am

173

00:08:17,390 --> 00:08:15,539

going to talk about my encounter in 81

174

00:08:19,550 --> 00:08:17,400

of the sliceville monster of what people

175

00:08:20,930 --> 00:08:19,560

call this ice spell monster the last

176

00:08:22,670 --> 00:08:20,940

time I did this show I had a lot of

177

00:08:24,170 --> 00:08:22,680

people asking about it and wouldn't be

178

00:08:25,670 --> 00:08:24,180

to describe it so I decided to do it

179

00:08:29,570 --> 00:08:25,680

this time around

180

00:08:32,389 --> 00:08:29,580

so in in this case in 1981 my friends

181

00:08:35,449 --> 00:08:32,399

lived in a very rural cabin near Baxter

182

00:08:37,790 --> 00:08:35,459

State Park in Maine

183

00:08:40,010 --> 00:08:37,800

the road was only traveled by the

184

00:08:42,469 --> 00:08:40,020

residents you could drive on it and not

185

00:08:44,750 --> 00:08:42,479

expect to see any other cars

186

00:08:46,310 --> 00:08:44,760

I was driving up there one night and as

187

00:08:49,130 --> 00:08:46,320

I went around the last Bend before

188

00:08:51,590 --> 00:08:49,140

reaching the cabinet an eight foot tall

189

00:08:54,110 --> 00:08:51,600

Sasquatch was standing on the side of

190

00:08:56,690 --> 00:08:54,120

the road it was massive

191

00:08:59,269 --> 00:08:56,700

it had to be four foot across the

192

00:09:02,570 --> 00:08:59,279

shoulders with brownish blonde hair

193

00:09:05,449 --> 00:09:02,580

I then noticed that it was a male

194

00:09:07,490 --> 00:09:05,459

his skin was dark his face had a long

195

00:09:09,889 --> 00:09:07,500

beard and looked both ape light and

196

00:09:11,930 --> 00:09:09,899

human-like he stood there emotions

197

00:09:13,610 --> 00:09:11,940

looking at me I was freaked out when my

198

00:09:15,350 --> 00:09:13,620

headlights were on him and we actually

199

00:09:18,410 --> 00:09:15,360

made contact

200

00:09:20,570 --> 00:09:18,420

he was not 20 foot from me I sped past

201  
00:09:22,670 --> 00:09:20,580  
and then into my friend's driveway I ran

202  
00:09:24,829 --> 00:09:22,680  
into the cabin screaming that had seen a

203  
00:09:27,710 --> 00:09:24,839  
huge gas Sasquatch

204  
00:09:30,470 --> 00:09:27,720  
so a few years later I bought a small

205  
00:09:33,949 --> 00:09:30,480  
property near Mount Blue State Park

206  
00:09:36,410 --> 00:09:33,959  
which is in Maine One winner a friend

207  
00:09:39,110 --> 00:09:36,420  
was visiting from Utah

208  
00:09:42,350 --> 00:09:39,120  
now my boyfriend and his friends went

209  
00:09:44,750 --> 00:09:42,360  
out on the snowbills at night later we

210  
00:09:46,970 --> 00:09:44,760  
were inside the uh the cabin and started

211  
00:09:49,490 --> 00:09:46,980  
hearing these bizarre growls

212  
00:09:50,750 --> 00:09:49,500  
like uh no noise I'd ever heard before

213  
00:09:51,769 --> 00:09:50,760

since

214

00:09:53,630 --> 00:09:51,779

um

215

00:09:57,410 --> 00:09:53,640

the grouse

216

00:09:59,870 --> 00:09:57,420

got louder and louder then whatever this

217

00:10:01,130 --> 00:09:59,880

was started screaming literally shaking

218

00:10:02,930 --> 00:10:01,140

the cabin

219

00:10:05,509 --> 00:10:02,940

it was right outside

220

00:10:08,030 --> 00:10:05,519

I ran toward the door and placed a board

221

00:10:10,430 --> 00:10:08,040

barricade through the loop

222

00:10:12,050 --> 00:10:10,440

as soon as I did that something was

223

00:10:13,190 --> 00:10:12,060

pulling and shaking the door on the

224

00:10:16,070 --> 00:10:13,200

other side

225

00:10:18,530 --> 00:10:16,080

now each time we changed our position in

226

00:10:20,030 --> 00:10:18,540

the cabin that part of the cabin would

227

00:10:22,550 --> 00:10:20,040

be attacked

228

00:10:24,650 --> 00:10:22,560

we were terrified my boyfriend had

229

00:10:27,230 --> 00:10:24,660

bought a brought a pistol so I grabbed

230

00:10:30,350 --> 00:10:27,240

it we climbed a ladder into the bedroom

231

00:10:32,150 --> 00:10:30,360

whatever that thing was landed on the

232

00:10:34,490 --> 00:10:32,160

roof above us

233

00:10:36,710 --> 00:10:34,500

its screams were the scariest thing

234

00:10:39,829 --> 00:10:36,720

you've ever you have ever wanted to hear

235

00:10:41,829 --> 00:10:39,839

and they're impossible to repeat now

236

00:10:44,269 --> 00:10:41,839

just as we thought our lives were over

237

00:10:47,509 --> 00:10:44,279

we could hear the snowmobiles coming

238

00:10:48,949 --> 00:10:47,519

back now whatever that thing was finally

239

00:10:52,009 --> 00:10:48,959

ran off

240

00:10:54,650 --> 00:10:52,019

we told the guys what had happened and

241

00:10:56,389 --> 00:10:54,660

they went out to look for tracks at

242

00:10:58,730 --> 00:10:56,399

first they thought we were crazy until

243

00:11:01,310 --> 00:10:58,740

they saw the huge unknown Prince with

244

00:11:03,350 --> 00:11:01,320

long claw marks in the snow

245

00:11:05,449 --> 00:11:03,360

there were deep scratches on the window

246

00:11:07,310 --> 00:11:05,459

frames and outside walls now my

247

00:11:09,110 --> 00:11:07,320

boyfriend was an experienced Hunter he

248

00:11:10,790 --> 00:11:09,120

couldn't explain the prince or the Deep

249

00:11:13,250 --> 00:11:10,800

claw marks

250

00:11:15,290 --> 00:11:13,260

I soon moved West to California there's

251  
00:11:17,630 --> 00:11:15,300  
no way I was staying in that cabin let

252  
00:11:19,009 --> 00:11:17,640  
alone in Maine so I don't know what they

253  
00:11:20,389 --> 00:11:19,019  
saw

254  
00:11:22,910 --> 00:11:20,399  
um

255  
00:11:25,069 --> 00:11:22,920  
or had an encounter with

256  
00:11:26,630 --> 00:11:25,079  
was it a Bigfoot it could have very well

257  
00:11:28,730 --> 00:11:26,640  
been a Bigfoot

258  
00:11:31,730 --> 00:11:28,740  
um but then again you know you'll

259  
00:11:33,650 --> 00:11:31,740  
normally have them act like an attack

260  
00:11:34,310 --> 00:11:33,660  
someone who's inside of a camera banging

261  
00:11:35,690 --> 00:11:34,320  
on

262  
00:11:40,130 --> 00:11:35,700  
it's very rare

263  
00:11:45,410 --> 00:11:40,140

so maybe it was something else who knows

264

00:11:46,850 --> 00:11:45,420

so uh now back in 2 2011 and

265

00:11:48,590 --> 00:11:46,860

this has to do

266

00:11:52,430 --> 00:11:48,600

with something that had done some

267

00:11:55,009 --> 00:11:52,440

research on and uh of course

268

00:11:56,449 --> 00:11:55,019

I had been involved with looking into

269

00:12:00,889 --> 00:11:56,459

the

270

00:12:03,050 --> 00:12:00,899

Pennsylvania and Maryland

271

00:12:04,910 --> 00:12:03,060

uh and at that time I was living in

272

00:12:06,110 --> 00:12:04,920

Maryland so I was interested in some of

273

00:12:08,329 --> 00:12:06,120

the sightings that have been occurring

274

00:12:11,210 --> 00:12:08,339

in Maryland summer historical sightings

275

00:12:14,090 --> 00:12:11,220

so back in May of 2011 I posed to the

276

00:12:17,750 --> 00:12:14,100

narrative describing the snallygaster

277

00:12:19,250 --> 00:12:17,760

which is a legendary beast from uh from

278

00:12:21,290 --> 00:12:19,260

my neck of the woods when I was living

279

00:12:23,690 --> 00:12:21,300

in Maryland another Cryptid from that

280

00:12:26,329 --> 00:12:23,700

region is the dueyo

281

00:12:28,370 --> 00:12:26,339

not as well known as the snally gaster

282

00:12:30,530 --> 00:12:28,380

but just as terrifying to those who

283

00:12:32,030 --> 00:12:30,540

encountered the creature

284

00:12:35,210 --> 00:12:32,040

now

285

00:12:37,490 --> 00:12:35,220

in the late 18th century

286

00:12:39,230 --> 00:12:37,500

the Pennsylvania Dutch started to settle

287

00:12:40,910 --> 00:12:39,240

on the other side of the Mason-Dixon

288

00:12:43,069 --> 00:12:40,920

Line in Carol Frederick and Washington

289

00:12:45,590 --> 00:12:43,079

counties

290

00:12:48,290 --> 00:12:45,600

they were all farmers

291

00:12:50,870 --> 00:12:48,300

now not long after settling setting down

292

00:12:54,230 --> 00:12:50,880

the roots tales of the hexen wolf

293

00:12:56,269 --> 00:12:54,240

started to circulate

294

00:12:58,430 --> 00:12:56,279

um now the Hexum woofers

295

00:13:00,710 --> 00:12:58,440

I I guess it was kind of like the

296

00:13:02,629 --> 00:13:00,720

werewolf from the old world uh that was

297

00:13:03,889 --> 00:13:02,639

the name that they gave to it back in

298

00:13:06,170 --> 00:13:03,899

Germany

299

00:13:08,990 --> 00:13:06,180

anyway the description of this Beast was

300

00:13:12,170 --> 00:13:09,000

similar to the dwail on the mailing in

301

00:13:16,610 --> 00:13:12,180

biped with features similar to a wolf

302

00:13:21,350 --> 00:13:19,129

now these Farmers raised livestock for

303

00:13:23,509 --> 00:13:21,360

food and revenue so it was important

304

00:13:25,550 --> 00:13:23,519

that their domestic animals be protected

305

00:13:28,310 --> 00:13:25,560

from this Beast

306

00:13:31,430 --> 00:13:28,320

uh they used to decorate their barns

307

00:13:33,710 --> 00:13:31,440

with uh the five-pointed barn stars

308

00:13:36,170 --> 00:13:33,720

people knowing about hex signs and barn

309

00:13:39,580 --> 00:13:36,180

stars they're supposed to protect the

310

00:13:40,129 --> 00:13:39,590

property and the people living there

311

00:13:42,650 --> 00:13:40,139

[Music]

312

00:13:46,970 --> 00:13:44,750

but I was actually told the real reason

313

00:13:49,250 --> 00:13:46,980

for the Stars was the belief that it was

314

00:13:51,710 --> 00:13:49,260

a Talisman against painful Spirits or

315

00:13:54,769 --> 00:13:51,720

other dark entities which would include

316

00:13:59,090 --> 00:13:54,779

these hex and wolves or you know these

317

00:14:03,050 --> 00:14:00,650

um

318

00:14:06,470 --> 00:14:03,060

now the first mention of the name dwail

319

00:14:09,650 --> 00:14:06,480

are d-wayo comes from a citing

320

00:14:12,110 --> 00:14:09,660

in 1944 in West Middleton Frederick

321

00:14:15,110 --> 00:14:12,120

County Maryland the witnesses heard the

322

00:14:17,990 --> 00:14:15,120

creature make frightful screams

323

00:14:20,449 --> 00:14:18,000

and now we're Footprints testing to the

324

00:14:22,790 --> 00:14:20,459

claims of the sightings

325

00:14:23,870 --> 00:14:22,800

now the creature had come first come to

326

00:14:26,329 --> 00:14:23,880

prominence

327

00:14:30,170 --> 00:14:26,339

after a story ran into Frederick News

328

00:14:32,509 --> 00:14:30,180

Post in November 1965.

329

00:14:35,210 --> 00:14:32,519

uh reporter George May wrote in the

330

00:14:37,730 --> 00:14:35,220

article mysterious dueya loose in the

331

00:14:40,610 --> 00:14:37,740

county that a young man named

332

00:14:43,009 --> 00:14:40,620

anonymously is John Becker

333

00:14:45,590 --> 00:14:43,019

heard a strange noise in the backyard

334

00:14:48,050 --> 00:14:45,600

which was situated on the outskirts at

335

00:14:49,970 --> 00:14:48,060

Gambrell state park now gamble State

336

00:14:50,810 --> 00:14:49,980

Park

337

00:14:53,569 --> 00:14:50,820

um

338

00:14:55,250 --> 00:14:53,579

is known for bigfoot activity now I I

339

00:14:58,189 --> 00:14:55,260

don't know

340

00:15:00,530 --> 00:14:58,199

how much or you know as far as some of

341

00:15:02,449 --> 00:15:00,540

these sightings with uh cryptic canines

342

00:15:03,829 --> 00:15:02,459

but I do know there's Bigfoot activity

343

00:15:06,230 --> 00:15:03,839

ported there

344

00:15:07,970 --> 00:15:06,240

upon going out to investigate the noise

345

00:15:09,949 --> 00:15:07,980

you initially saw him nothing so he

346

00:15:12,110 --> 00:15:09,959

headed back in

347

00:15:13,670 --> 00:15:12,120

it was then that he called sight of the

348

00:15:16,009 --> 00:15:13,680

creature

349

00:15:18,350 --> 00:15:16,019

uh something was moving toward him in

350

00:15:21,470 --> 00:15:18,360

the dark Becker was quoted that it was

351  
00:15:24,470 --> 00:15:21,480  
as big as a bear had long black hair and

352  
00:15:26,269 --> 00:15:24,480  
a bushy tail and grabbed like a wolf or

353  
00:15:28,910 --> 00:15:26,279  
dog in anger

354  
00:15:31,730 --> 00:15:28,920  
the thing quickly moved toward him on

355  
00:15:33,650 --> 00:15:31,740  
its hind legs and began to attack him

356  
00:15:35,509 --> 00:15:33,660  
he felled off the creature and drove it

357  
00:15:38,090 --> 00:15:35,519  
back into the woods later calling police

358  
00:15:40,189 --> 00:15:38,100  
to report the incident

359  
00:15:43,790 --> 00:15:40,199  
now

360  
00:15:46,970 --> 00:15:43,800  
in the summer of 1966

361  
00:15:48,650 --> 00:15:46,980  
a creature was again sighted uh RV

362  
00:15:50,449 --> 00:15:48,660  
creature it may have been that the same

363  
00:15:52,730 --> 00:15:50,459

one or another one on the outskirts of

364

00:15:56,449 --> 00:15:52,740

gambrill State Park and man we're only

365

00:15:59,090 --> 00:15:56,459

referred to as Jim a encountered the

366

00:16:01,970 --> 00:15:59,100

duayos he was heading toward a campsite

367

00:16:04,009 --> 00:16:01,980

it was described as a Shaggy two-legged

368

00:16:06,410 --> 00:16:04,019

creature the size of a deer

369

00:16:08,509 --> 00:16:06,420

that had a triangle-shaped head with

370

00:16:11,269 --> 00:16:08,519

pointed ears and Chin

371

00:16:13,490 --> 00:16:11,279

it was dark brown in color and then and

372

00:16:15,530 --> 00:16:13,500

when approached it made a hard scream

373

00:16:18,050 --> 00:16:15,540

and backed away from the man

374

00:16:21,650 --> 00:16:18,060

Jim described it as having an odd walk

375

00:16:24,170 --> 00:16:21,660

as it retreated its legs stuck out from

376

00:16:26,569 --> 00:16:24,180

the side of the trunk of the body making

377

00:16:29,870 --> 00:16:26,579

its movements appear almost spider-like

378

00:16:36,290 --> 00:16:34,009

so uh in the in Fall of 1976 another

379

00:16:38,269 --> 00:16:36,300

sighting of the duo took place in

380

00:16:40,730 --> 00:16:38,279

Frederick County near Thurmont between

381

00:16:44,449 --> 00:16:40,740

uh Cunningham Falls State Park in

382

00:16:46,670 --> 00:16:44,459

Kentucky Mountain National Park and for

383

00:16:49,910 --> 00:16:46,680

people who don't know that's where Camp

384

00:16:53,030 --> 00:16:49,920

David is actually located in

385

00:16:55,670 --> 00:16:53,040

two men drove off Route 77 onto a

386

00:16:58,370 --> 00:16:55,680

private road so they could spot deer by

387

00:17:00,530 --> 00:16:58,380

their headlights in order to see how uh

388

00:17:02,389 --> 00:17:00,540

thick the native population had become

389

00:17:05,030 --> 00:17:02,399

before deer season

390

00:17:06,829 --> 00:17:05,040

now to their surprise they did not catch

391

00:17:08,750 --> 00:17:06,839

a deer in their lights but instead a

392

00:17:10,069 --> 00:17:08,760

large animal ran across the front of

393

00:17:12,169 --> 00:17:10,079

their car

394

00:17:14,809 --> 00:17:12,179

they described the creature as at least

395

00:17:17,809 --> 00:17:14,819

six foot tall but inclined inclined

396

00:17:19,909 --> 00:17:17,819

forward since it was moving quickly its

397

00:17:21,829 --> 00:17:19,919

head was fairly large and similar to the

398

00:17:24,289 --> 00:17:21,839

profile of a wolf

399

00:17:26,990 --> 00:17:24,299

the body was covered in brown or brindle

400

00:17:28,970 --> 00:17:27,000

color fur but the lower half had a

401  
00:17:30,830 --> 00:17:28,980  
straight pattern of goodness little dark

402  
00:17:33,590 --> 00:17:30,840  
and lighter banding

403  
00:17:37,190 --> 00:17:33,600  
the four legs or arms were Slimmer and

404  
00:17:39,350 --> 00:17:37,200  
held out in front as it moved

405  
00:17:40,909 --> 00:17:39,360  
now the back legs were very muscular

406  
00:17:46,070 --> 00:17:40,919  
Muscular

407  
00:17:48,590 --> 00:17:46,080  
and thick similar to perhaps a kangaroo

408  
00:17:50,870 --> 00:17:48,600  
this was not a hominid type creature it

409  
00:17:53,630 --> 00:17:50,880  
did not have the characteristics of an

410  
00:17:55,610 --> 00:17:53,640  
ape it was much more similar to a wolf

411  
00:17:58,250 --> 00:17:55,620  
or ferocious dog however it was

412  
00:18:01,010 --> 00:17:58,260  
definitely moving upright it appeared to

413  
00:18:03,169 --> 00:18:01,020

be adapted to that type of Mobility it

414

00:18:05,029 --> 00:18:03,179

was particularly impressed he I was

415

00:18:08,210 --> 00:18:05,039

particularly impressed by the sides and

416

00:18:10,669 --> 00:18:08,220

strength of the back legs the stripes on

417

00:18:15,169 --> 00:18:10,679

the lower half of the body and canine

418

00:18:21,650 --> 00:18:19,730

um so later in 1978 two Park Rangers

419

00:18:23,630 --> 00:18:21,660

were nearest Cunningham Falls when they

420

00:18:26,090 --> 00:18:23,640

encountered a large hairy creature

421

00:18:28,909 --> 00:18:26,100

running on two legs

422

00:18:31,909 --> 00:18:28,919

now a dish rendition of the dwayo

423

00:18:35,810 --> 00:18:31,919

witnessed in West Middleton

424

00:18:37,250 --> 00:18:35,820

was related by uh paranormalist Robin

425

00:18:38,930 --> 00:18:37,260

Swope

426

00:18:40,430 --> 00:18:38,940

um some people know him as the

427

00:18:44,150 --> 00:18:40,440

Paranormal preacher

428

00:18:47,810 --> 00:18:45,710

um witness said she was driving on

429

00:18:49,190 --> 00:18:47,820

coxley Brown Road near Myersville

430

00:18:52,610 --> 00:18:49,200

Maryland

431

00:18:53,870 --> 00:18:52,620

late in December 2009 when she had a

432

00:18:56,750 --> 00:18:53,880

strange feeling

433

00:18:59,450 --> 00:18:56,760

it was if she had been was being watched

434

00:19:01,490 --> 00:18:59,460

the road was lined with trees

435

00:19:03,830 --> 00:19:01,500

she was on the outer edge of gambrill

436

00:19:05,930 --> 00:19:03,840

state park again and the forest was

437

00:19:08,390 --> 00:19:05,940

beginning to grow thicker now according

438

00:19:10,669 --> 00:19:08,400

to her as she turned on Hall Bottom Road

439

00:19:13,010 --> 00:19:10,679

where her friend lived the feeling

440

00:19:15,770 --> 00:19:13,020

became overwhelming

441

00:19:17,870 --> 00:19:15,780

the hairs in the back of her neck Rose

442

00:19:19,430 --> 00:19:17,880

and tear as she sensed the Unseen Eyes

443

00:19:21,650 --> 00:19:19,440

Upon her

444

00:19:24,409 --> 00:19:21,660

she wanted to stop the car and take her

445

00:19:26,210 --> 00:19:24,419

breath she was afraid that she would

446

00:19:28,130 --> 00:19:26,220

Veer off the road and hit a tree because

447

00:19:31,430 --> 00:19:28,140

she said her nerves were getting so

448

00:19:33,289 --> 00:19:31,440

unsteady that she began to shake

449

00:19:35,870 --> 00:19:33,299

but she knew that whatever was watching

450

00:19:37,909 --> 00:19:35,880

her and following her was out there and

451  
00:19:42,049 --> 00:19:37,919  
she took that what little Comfort she

452  
00:19:44,150 --> 00:19:42,059  
had by being safe inside the car

453  
00:19:45,770 --> 00:19:44,160  
still to prevent a wreck she slowed down

454  
00:19:48,110 --> 00:19:45,780  
as she headed south

455  
00:19:50,510 --> 00:19:48,120  
and that was when she saw the creature

456  
00:19:53,390 --> 00:19:50,520  
now first it was a blur to the right of

457  
00:19:55,130 --> 00:19:53,400  
her peripheral vision

458  
00:19:57,590 --> 00:19:55,140  
something that was moving you through

459  
00:20:00,230 --> 00:19:57,600  
the trees a shadow that flickered as it

460  
00:20:01,549 --> 00:20:00,240  
went in and out of sight on the edge of

461  
00:20:04,430 --> 00:20:01,559  
her vision

462  
00:20:08,750 --> 00:20:04,440  
it was a brown smear color that popped

463  
00:20:11,510 --> 00:20:08,760

out in contrast to the dull gray trees

464

00:20:13,730 --> 00:20:11,520

that she passed now whatever it was it

465

00:20:15,950 --> 00:20:13,740

bobbed through the underbrush and

466

00:20:16,909 --> 00:20:15,960

between the trees to keep Pace with her

467

00:20:18,950 --> 00:20:16,919

car

468

00:20:21,529 --> 00:20:18,960

now she thinks at the time she was going

469

00:20:23,270 --> 00:20:21,539

around 25 mile an hour she then slowed

470

00:20:24,710 --> 00:20:23,280

down and once more to take a good look

471

00:20:27,110 --> 00:20:24,720

to her right

472

00:20:28,909 --> 00:20:27,120

and make sure that she wasn't seeing

473

00:20:31,549 --> 00:20:28,919

things and that's her car slowed to her

474

00:20:33,710 --> 00:20:31,559

crawl the brown blurry smear of color

475

00:20:34,850 --> 00:20:33,720

seemed to bound out the woods closer to

476  
00:20:37,010 --> 00:20:34,860  
the road

477  
00:20:41,570 --> 00:20:37,020  
with a massive leap the hazy color

478  
00:20:45,049 --> 00:20:41,580  
became flesh as a huge dog-like creature

479  
00:20:47,570 --> 00:20:45,059  
on two legs emerged from the foliage

480  
00:20:49,730 --> 00:20:47,580  
the fangs were burned into her memory

481  
00:20:51,350 --> 00:20:49,740  
huge fangs from the mouth grimaced in

482  
00:20:53,510 --> 00:20:51,360  
anger and Hate

483  
00:20:55,190 --> 00:20:53,520  
he could feel the fangs as if they were

484  
00:20:57,110 --> 00:20:55,200  
ripping her skin while the creature

485  
00:20:57,890 --> 00:20:57,120  
stood there panting on the side of the

486  
00:21:00,409 --> 00:20:57,900  
road

487  
00:21:02,690 --> 00:21:00,419  
drill drip from its huge map that she

488  
00:21:04,430 --> 00:21:02,700

heard a loud growl and she looked into

489

00:21:07,490 --> 00:21:04,440

the dark eyes

490

00:21:10,789 --> 00:21:07,500

Darkness took up its entire eye

491

00:21:12,950 --> 00:21:10,799

there was no white at all it was if she

492

00:21:15,590 --> 00:21:12,960

was staring at death and hell and headed

493

00:21:17,690 --> 00:21:15,600

into a Disney Madness

494

00:21:20,330 --> 00:21:17,700

then it leaped arms outstretched but

495

00:21:22,190 --> 00:21:20,340

claws grasping the wind instinctively

496

00:21:23,090 --> 00:21:22,200

she stepped on the gas but it was all

497

00:21:26,930 --> 00:21:23,100

her might

498

00:21:29,450 --> 00:21:26,940

squeal the tire steamed as if a car 2

499

00:21:32,450 --> 00:21:29,460

was screaming in horror as at the thing

500

00:21:34,970 --> 00:21:32,460

that emerged from a dark looming Forest

501  
00:21:36,890 --> 00:21:34,980  
uh she did not look back she didn't want

502  
00:21:38,570 --> 00:21:36,900  
to know if the thing was following her

503  
00:21:40,909 --> 00:21:38,580  
she didn't feel the eyes upon her

504  
00:21:43,190 --> 00:21:40,919  
anymore she was too shaken to really

505  
00:21:44,510 --> 00:21:43,200  
feeling at all and when she made it to

506  
00:21:47,270 --> 00:21:44,520  
her friend's house she sat in the

507  
00:21:49,130 --> 00:21:47,280  
driveway shaking as she looked around to

508  
00:21:50,029 --> 00:21:49,140  
make sure the creature had not followed

509  
00:21:52,490 --> 00:21:50,039  
her there

510  
00:21:54,710 --> 00:21:52,500  
now the house was also in the woods and

511  
00:21:57,230 --> 00:21:54,720  
at the opposite side of the State Park

512  
00:21:59,390 --> 00:21:57,240  
when she felt safe she made a Mad Dash

513  
00:22:01,789 --> 00:21:59,400

for her friend's door and banged on her

514

00:22:03,110 --> 00:22:01,799

frantically

515

00:22:05,149 --> 00:22:03,120

um

516

00:22:07,310 --> 00:22:05,159

now he did not know what to make her

517

00:22:09,590 --> 00:22:07,320

story uh the witness knew he didn't

518

00:22:11,630 --> 00:22:09,600

believe her he had lived in the woods

519

00:22:13,250 --> 00:22:11,640

all his life and never encountered what

520

00:22:15,710 --> 00:22:13,260

she had seen

521

00:22:18,289 --> 00:22:15,720

he assured her that it must have been a

522

00:22:20,510 --> 00:22:18,299

dog perhaps a rabid one at that

523

00:22:22,850 --> 00:22:20,520

her mind was playing tricks on her but

524

00:22:25,490 --> 00:22:22,860

the young woman knew

525

00:22:27,169 --> 00:22:25,500

that she had seen what she had seen that

526

00:22:29,630 --> 00:22:27,179

late summer day

527

00:22:31,310 --> 00:22:29,640

uh it was no dog it was something out a

528

00:22:34,130 --> 00:22:31,320

horror movie come to life before her

529

00:22:36,049 --> 00:22:34,140

eyes though she told nobody what she

530

00:22:37,370 --> 00:22:36,059

felt it really was she called her the

531

00:22:39,350 --> 00:22:37,380

werewolf

532

00:22:41,390 --> 00:22:39,360

that is until after she did some

533

00:22:43,190 --> 00:22:41,400

research in a local College library and

534

00:22:46,250 --> 00:22:43,200

came up with the name that others have

535

00:22:47,870 --> 00:22:46,260

called this thing uh she may have

536

00:22:49,789 --> 00:22:47,880

encountered the dwell

537

00:22:53,330 --> 00:22:49,799

now

538

00:22:55,870 --> 00:22:53,340

I probably talked

539

00:22:58,789 --> 00:22:55,880

to five or six people who have

540

00:22:59,570 --> 00:22:58,799

Encounters in Western Maryland with this

541

00:23:01,850 --> 00:22:59,580

thing

542

00:23:04,310 --> 00:23:01,860

uh

543

00:23:05,570 --> 00:23:04,320

and it's the the deciding reports are

544

00:23:08,690 --> 00:23:05,580

pretty similar

545

00:23:10,669 --> 00:23:08,700

uh in fact one gentleman who I had

546

00:23:12,590 --> 00:23:10,679

talked to who actually talked to Butch

547

00:23:15,890 --> 00:23:12,600

and I at one point

548

00:23:18,230 --> 00:23:15,900

he lived out west of northwest of

549

00:23:20,810 --> 00:23:18,240

Frederick Maryland

550

00:23:22,730 --> 00:23:20,820

and he was staying at his grandmother's

551  
00:23:24,169 --> 00:23:22,740  
house and she lived out in the Boondocks

552  
00:23:25,549 --> 00:23:24,179  
she was out in the country

553  
00:23:28,010 --> 00:23:25,559  
and

554  
00:23:30,230 --> 00:23:28,020  
as she as you have it there was she had

555  
00:23:31,909 --> 00:23:30,240  
an outhouse so if he had to use the

556  
00:23:34,549 --> 00:23:31,919  
facilities he had to

557  
00:23:36,529 --> 00:23:34,559  
walk through the Garden on the sidewalk

558  
00:23:37,789 --> 00:23:36,539  
to the Outhouse and do his business

559  
00:23:42,590 --> 00:23:37,799  
there

560  
00:23:45,110 --> 00:23:42,600  
and I now his grandmother always

561  
00:23:47,210 --> 00:23:45,120  
insisted that she'd go with him

562  
00:23:49,070 --> 00:23:47,220  
but this one particular night I don't

563  
00:23:50,810 --> 00:23:49,080

know if he was having trouble waking her

564

00:23:51,890 --> 00:23:50,820

up or he just didn't feel like bothering

565

00:23:54,649 --> 00:23:51,900

her

566

00:23:57,350 --> 00:23:54,659

uh he went out during his own

567

00:23:59,990 --> 00:23:57,360

and when he was in the Outhouse he heard

568

00:24:01,909 --> 00:24:00,000

these sounds he wasn't sure what they

569

00:24:04,730 --> 00:24:01,919

were

570

00:24:07,370 --> 00:24:04,740

and as he left and walking up past the

571

00:24:12,110 --> 00:24:07,380

Garden on the sidewalk he looked back

572

00:24:15,350 --> 00:24:12,120

and he saw this um he describes about 78

573

00:24:17,470 --> 00:24:15,360

foot tall upright canine and he said it

574

00:24:20,390 --> 00:24:17,480

looked it looked like a wolf

575

00:24:22,130 --> 00:24:20,400

and uh he said he started running and he

576

00:24:23,810 --> 00:24:22,140

got back to the house and he told his

577

00:24:26,810 --> 00:24:23,820

grandmother and she didn't she didn't

578

00:24:28,549 --> 00:24:26,820

say much about it uh he believes that

579

00:24:30,770 --> 00:24:28,559

she knew about it

580

00:24:33,169 --> 00:24:30,780

so these are some of the stories that

581

00:24:35,090 --> 00:24:33,179

we've heard before now I did tell you

582

00:24:36,649 --> 00:24:35,100

about the one encounter up at Cunningham

583

00:24:39,289 --> 00:24:36,659

State Falls

584

00:24:41,810 --> 00:24:39,299

Cunningham Falls State Park I'm sorry

585

00:24:44,930 --> 00:24:41,820

uh like I said that's an area near well

586

00:24:47,930 --> 00:24:44,940

that's that's actually where Camp David

587

00:24:49,789 --> 00:24:47,940

is the presidential retreat

588

00:24:52,250 --> 00:24:49,799

there have been a lot of sightings up

589

00:24:53,330 --> 00:24:52,260

there of a lot of different things

590

00:24:55,430 --> 00:24:53,340

um

591

00:24:57,409 --> 00:24:55,440

and these due sightings were one of them

592

00:25:00,230 --> 00:24:57,419

there have been Bigfoot sightings

593

00:25:02,090 --> 00:25:00,240

uh I also believe there was a a winged

594

00:25:03,529 --> 00:25:02,100

humanoid sighting there years and years

595

00:25:05,210 --> 00:25:03,539

ago but I never got a whole lot of

596

00:25:07,490 --> 00:25:05,220

information on that

597

00:25:09,169 --> 00:25:07,500

I used to go up for trout fishing a lot

598

00:25:11,450 --> 00:25:09,179

so

599

00:25:13,430 --> 00:25:11,460

um you know you used to always bug me

600

00:25:15,350 --> 00:25:13,440

because sometimes I would go up there

601  
00:25:17,029 --> 00:25:15,360  
and this happened to me twice I would

602  
00:25:20,529 --> 00:25:17,039  
actually go up there

603  
00:25:23,510 --> 00:25:20,539  
and I'd be fly fishing the creek

604  
00:25:25,730 --> 00:25:23,520  
and after driving up there I'd get

605  
00:25:27,110 --> 00:25:25,740  
turned around because the secret

606  
00:25:32,149 --> 00:25:27,120  
uh

607  
00:25:33,649 --> 00:25:32,159  
the road you couldn't go any closer so

608  
00:25:35,930 --> 00:25:33,659  
of course I had to find somebody else

609  
00:25:39,529 --> 00:25:35,940  
someplace else to fish that day

610  
00:25:43,370 --> 00:25:39,539  
but uh that was back in the um

611  
00:25:48,230 --> 00:25:43,380  
that was back in the early 80s and uh

612  
00:25:53,029 --> 00:25:51,350  
um now I what I am going to do I'm going

613  
00:25:56,090 --> 00:25:53,039

to talk about my Sykesville monster

614

00:25:58,730 --> 00:25:56,100

encounter and you know the last time I

615

00:26:00,890 --> 00:25:58,740

did the personal reports there were some

616

00:26:02,750 --> 00:26:00,900

people I had mentioned some people

617

00:26:03,890 --> 00:26:02,760

wanted me to tell them about I didn't

618

00:26:07,310 --> 00:26:03,900

have time

619

00:26:09,409 --> 00:26:07,320

but I started to talk about it today now

620

00:26:10,490 --> 00:26:09,419

before I talk about that if you have any

621

00:26:13,130 --> 00:26:10,500

questions

622

00:26:17,570 --> 00:26:13,140

that you want me to answer let me know

623

00:26:22,490 --> 00:26:20,269

Double D any dog Man sightings in south

624

00:26:25,789 --> 00:26:22,500

central Pennsylvania lately

625

00:26:31,370 --> 00:26:27,830

not lately

626  
00:26:32,570 --> 00:26:31,380  
I have had reports in uh misho State

627  
00:26:34,850 --> 00:26:32,580  
Forest

628  
00:26:37,130 --> 00:26:34,860  
in the southern part of uh Michigan

629  
00:26:38,750 --> 00:26:37,140  
State Forest not actually not too far

630  
00:26:40,310 --> 00:26:38,760  
from the Waynesboro

631  
00:26:43,190 --> 00:26:40,320  
um Reservoir

632  
00:26:45,950 --> 00:26:43,200  
where the actual the Bigfoot tracks

633  
00:26:48,350 --> 00:26:45,960  
encounter or Bigfoot track sighting or

634  
00:26:51,289 --> 00:26:48,360  
incident had taken place years ago back

635  
00:26:52,730 --> 00:26:51,299  
in the uh oh God one was that about 20

636  
00:26:56,210 --> 00:26:52,740  
years ago

637  
00:26:58,730 --> 00:26:56,220  
uh the early 2000s

638  
00:27:01,310 --> 00:26:58,740

so um that

639

00:27:03,769 --> 00:27:01,320

that is probably the last one that I've

640

00:27:06,110 --> 00:27:03,779

had is but we've had some we've had some

641

00:27:08,810 --> 00:27:06,120

sightings

642

00:27:12,110 --> 00:27:08,820

in other areas that we weren't really

643

00:27:15,710 --> 00:27:12,120

sure if they were cryptic canines

644

00:27:17,570 --> 00:27:15,720

uh we had something that somebody saw a

645

00:27:20,230 --> 00:27:17,580

new Oxford a while back we had something

646

00:27:23,470 --> 00:27:20,240

up in Shippensburg

647

00:27:26,930 --> 00:27:23,480

uh we get a few

648

00:27:29,210 --> 00:27:26,940

unsubstantiated sightings

649

00:27:31,669 --> 00:27:29,220

closer to the Susquehanna and York

650

00:27:37,130 --> 00:27:32,990

um

651  
00:27:38,330 --> 00:27:37,140  
but nothing really definitive but there

652  
00:27:40,310 --> 00:27:38,340  
are I mean these things are around

653  
00:27:43,730 --> 00:27:40,320  
there's no doubt about them

654  
00:27:45,830 --> 00:27:43,740  
so yeah we but most of studying is that

655  
00:27:48,590 --> 00:27:45,840  
one sighting in particular up at Misha

656  
00:27:53,149 --> 00:27:48,600  
was probably the most prevalent

657  
00:27:57,769 --> 00:27:55,730  
what kind of fluorite did you use for

658  
00:28:00,230 --> 00:27:57,779  
Spiritual protection line any other

659  
00:28:02,330 --> 00:28:00,240  
advice for warning banishing dangerous

660  
00:28:04,669 --> 00:28:02,340  
criticism I don't know I I don't know

661  
00:28:07,310 --> 00:28:04,679  
how it will work works on Cryptids I

662  
00:28:09,649 --> 00:28:07,320  
always keep um

663  
00:28:12,049 --> 00:28:09,659

I use ytter and fluorite

664

00:28:16,570 --> 00:28:12,059

that's what it's yttrium fluoride's belt

665

00:28:20,450 --> 00:28:16,580

with a y t t r i u m fluorite

666

00:28:23,330 --> 00:28:20,460

excuse me it's a

667

00:28:24,110 --> 00:28:23,340

it's it's not easy to find and actually

668

00:28:30,590 --> 00:28:24,120

it's

669

00:28:33,950 --> 00:28:30,600

opaque color

670

00:28:35,330 --> 00:28:33,960

sometimes you'll find it in a very gel

671

00:28:38,210 --> 00:28:35,340

like

672

00:28:41,750 --> 00:28:38,220

uh lavender color

673

00:28:43,970 --> 00:28:41,760

the best examples come from caves down

674

00:28:46,549 --> 00:28:43,980

in in Mexico

675

00:28:48,950 --> 00:28:46,559

uh normally when it becomes available I

676

00:28:50,409 --> 00:28:48,960

buy as many as I possibly can as much as

677

00:28:53,450 --> 00:28:50,419

I possibly can

678

00:28:56,330 --> 00:28:53,460

and uh like I said it is quite expensive

679

00:28:58,669 --> 00:28:56,340

and when you you can find it on eBay

680

00:29:00,409 --> 00:28:58,679

but you're gonna usually end up paying

681

00:29:03,110 --> 00:29:00,419

if you're going to get actual getting

682

00:29:10,430 --> 00:29:07,370

um it's for me it works for me I mean I

683

00:29:12,169 --> 00:29:10,440

keep it with me most of the time

684

00:29:13,730 --> 00:29:12,179

um

685

00:29:16,610 --> 00:29:13,740

it's just a there's just a certain

686

00:29:19,010 --> 00:29:16,620

energy about it I can literally feel the

687

00:29:21,529 --> 00:29:19,020

vibration when I'm holding it and when I

688

00:29:24,830 --> 00:29:21,539

have it in a pocket or something it is

689

00:29:27,169 --> 00:29:24,840

and I use it to work when I do work uh

690

00:29:30,590 --> 00:29:27,179

when I use it for crystals I actually do

691

00:29:33,409 --> 00:29:30,600

use it so as far as Vanishing warding

692

00:29:35,330 --> 00:29:33,419

off you know for me it works I I just

693

00:29:38,269 --> 00:29:35,340

want you know I don't know I've I've had

694

00:29:40,549 --> 00:29:38,279

I've given pieces to other people

695

00:29:42,830 --> 00:29:40,559

and um

696

00:29:45,289 --> 00:29:42,840

they have used it and they like it so

697

00:29:47,330 --> 00:29:45,299

maybe you want to try at some point

698

00:29:51,010 --> 00:29:47,340

Vincent wants to know do you think the

699

00:29:55,010 --> 00:29:51,020

Beast of seven shoots could be a

700

00:29:57,409 --> 00:29:55,020

gugway Bigfoot creature oh I don't know

701  
00:29:59,269 --> 00:29:57,419  
you know I don't know what that was you

702  
00:30:00,470 --> 00:29:59,279  
know it does look more canine than

703  
00:30:02,870 --> 00:30:00,480  
anything else it could have been a

704  
00:30:04,909 --> 00:30:02,880  
Bigfoot some people say it was a Bigfoot

705  
00:30:08,570 --> 00:30:04,919  
you know all we have is the one picture

706  
00:30:13,370 --> 00:30:11,029  
I don't know what that was

707  
00:30:17,029 --> 00:30:13,380  
frankly I've never received any upright

708  
00:30:19,430 --> 00:30:17,039  
K-9 reports in that area other than what

709  
00:30:21,529 --> 00:30:19,440  
you know that that photograph

710  
00:30:23,570 --> 00:30:21,539  
so um

711  
00:30:25,310 --> 00:30:23,580  
the head on that thing looks almost like

712  
00:30:27,769 --> 00:30:25,320  
a baboon

713  
00:30:29,810 --> 00:30:27,779

but uh it's strange it's one of the

714

00:30:32,149 --> 00:30:29,820

strangest photographs

715

00:30:34,070 --> 00:30:32,159

you know and actually

716

00:30:36,950 --> 00:30:34,080

some people don't know this but that

717

00:30:39,110 --> 00:30:36,960

photograph was actually sent to me

718

00:30:41,690 --> 00:30:39,120

at the same at the same period of time

719

00:30:42,649 --> 00:30:41,700

that was uh it was released to the

720

00:30:46,430 --> 00:30:42,659

public

721

00:30:48,289 --> 00:30:46,440

so I had known about it and seven shoots

722

00:30:50,990 --> 00:30:48,299

is up in Quebec

723

00:30:52,130 --> 00:30:51,000

uh Canada so I don't know what that

724

00:30:54,110 --> 00:30:52,140

thing was

725

00:30:55,669 --> 00:30:54,120

but it's a remarkable picture there's no

726

00:30:58,730 --> 00:30:55,679

doubt about that

727

00:31:01,190 --> 00:30:58,740

uh Vincent asked could the dewayo be a

728

00:31:01,970 --> 00:31:01,200

not deer or possibly a skinwalk it could

729

00:31:04,850 --> 00:31:01,980

be

730

00:31:07,250 --> 00:31:04,860

uh I know some that some of that

731

00:31:10,010 --> 00:31:07,260

description of it with the legs playing

732

00:31:11,269 --> 00:31:10,020

out and the boeing like a spider is kind

733

00:31:13,549 --> 00:31:11,279

of different

734

00:31:16,250 --> 00:31:13,559

you know it would kind of tend

735

00:31:19,970 --> 00:31:16,260

towards a maybe a not deer or some other

736

00:31:22,250 --> 00:31:19,980

type of creature uh of course Skinwalker

737

00:31:24,169 --> 00:31:22,260

goes I don't know

738

00:31:26,210 --> 00:31:24,179

um

739

00:31:27,610 --> 00:31:26,220

you know I don't know I don't really

740

00:31:29,210 --> 00:31:27,620

know

741

00:31:31,909 --> 00:31:29,220

uh

742

00:31:34,190 --> 00:31:31,919

Don MC Douglas I'm new here curious if

743

00:31:36,409 --> 00:31:34,200

you had ever had

744

00:31:38,330 --> 00:31:36,419

personally had an encounter and if yes

745

00:31:41,149 --> 00:31:38,340

you can briefly let us know and I'm

746

00:31:44,450 --> 00:31:41,159

going to talk about that next so I have

747

00:31:46,789 --> 00:31:44,460

had two actual encounters I had a

748

00:31:49,669 --> 00:31:46,799

Bigfoot encounter and I had a uh a

749

00:31:51,409 --> 00:31:49,679

winged cumulating counter later on and

750

00:31:53,510 --> 00:31:51,419

I'll talk about the winged humanoid

751  
00:31:56,269 --> 00:31:53,520  
another time

752  
00:31:59,149 --> 00:31:56,279  
uh space cadet Lottie

753  
00:32:01,549 --> 00:31:59,159  
does Pennsylvania Dutch powwow magic

754  
00:32:04,310 --> 00:32:01,559  
attract dark entities possibly I guess

755  
00:32:09,110 --> 00:32:04,320  
if it's used incorrectly

756  
00:32:11,750 --> 00:32:09,120  
um you know if you're familiar with um

757  
00:32:12,850 --> 00:32:11,760  
if you're familiar with root Conjuring

758  
00:32:16,430 --> 00:32:12,860  
especially

759  
00:32:18,710 --> 00:32:16,440  
Appalachian root Conjuring

760  
00:32:22,850 --> 00:32:18,720  
it's very similar

761  
00:32:27,049 --> 00:32:22,860  
um but there are those people who use it

762  
00:32:29,450 --> 00:32:27,059  
the black dark side of it and um

763  
00:32:31,669 --> 00:32:29,460

there had been people who swore that

764

00:32:34,310 --> 00:32:31,679

they were cursed by it or these

765

00:32:36,769 --> 00:32:34,320

practitioners

766

00:32:38,930 --> 00:32:36,779

I I have never run a cross that it's

767

00:32:41,029 --> 00:32:38,940

it's mostly a healing

768

00:32:44,450 --> 00:32:41,039

uh art

769

00:32:48,350 --> 00:32:44,460

that uses uh Christian symbols and

770

00:32:50,930 --> 00:32:48,360

Christian uh Dogma

771

00:32:52,909 --> 00:32:50,940

um most people who are practitioners use

772

00:32:55,310 --> 00:32:52,919

the Bible as well

773

00:32:57,769 --> 00:32:55,320

uh the book that they use is called the

774

00:32:59,149 --> 00:32:57,779

long lost friend it's a it's a variety

775

00:33:02,990 --> 00:32:59,159

of um

776

00:33:06,590 --> 00:33:03,000

what they call recipes and and uh what

777

00:33:07,510 --> 00:33:06,600

they use to take illness away or to ward

778

00:33:11,750 --> 00:33:07,520

off

779

00:33:14,149 --> 00:33:11,760

uh curses and such but um

780

00:33:18,889 --> 00:33:14,159

yeah I guess anything could attract dark

781

00:33:22,070 --> 00:33:18,899

entities if it's used in the wrong way

782

00:33:24,830 --> 00:33:22,080

Jose Sanchez can some of the winged

783

00:33:26,509 --> 00:33:24,840

Cryptids be confused for Fox or vampire

784

00:33:30,230 --> 00:33:26,519

bats

785

00:33:30,950 --> 00:33:30,240

well I I guess if they're big enough but

786

00:33:32,810 --> 00:33:30,960

um

787

00:33:34,850 --> 00:33:32,820

you know normally when we're talking

788

00:33:39,230 --> 00:33:34,860

about these Wing Cryptids they're

789

00:33:47,090 --> 00:33:41,210

I don't know I mean it could be you know

790

00:33:51,049 --> 00:33:49,549

sightings that are hard to describe I

791

00:33:53,330 --> 00:33:51,059

had one today

792

00:33:54,889 --> 00:33:53,340

that I received today from a guy in

793

00:33:58,730 --> 00:33:54,899

Chicago

794

00:34:00,769 --> 00:33:58,740

who's and if you look on the blog uh he

795

00:34:04,190 --> 00:34:00,779

swears that he encountered

796

00:34:06,470 --> 00:34:04,200

a winged upright canine

797

00:34:08,690 --> 00:34:06,480

and the characteristics the way this

798

00:34:10,669 --> 00:34:08,700

thing flew in the react it was very

799

00:34:12,849 --> 00:34:10,679

similar to the um

800

00:34:15,290 --> 00:34:12,859

the winged humanoids that we've been

801  
00:34:18,950 --> 00:34:15,300  
investigating in the Chicago area for

802  
00:34:21,649 --> 00:34:18,960  
all these years so I'm a little I feel

803  
00:34:23,450 --> 00:34:21,659  
it's a bit dubious but I I'm going to

804  
00:34:25,250 --> 00:34:23,460  
look into it and see what else I did

805  
00:34:27,889 --> 00:34:25,260  
talk to the witness

806  
00:34:29,570 --> 00:34:27,899  
but uh yeah you know a lot of this stuff

807  
00:34:31,669 --> 00:34:29,580  
could be a lot of things and of course

808  
00:34:39,710 --> 00:34:31,679  
we've gotten

809  
00:34:43,970 --> 00:34:42,109  
you know it could be anything I guess uh

810  
00:34:45,889 --> 00:34:43,980  
Thomas Carroll wants to know we talk

811  
00:34:49,129 --> 00:34:45,899  
about upright Canyons quite a bit but

812  
00:34:52,270 --> 00:34:49,139  
any upright beeline settings well

813  
00:34:56,210 --> 00:34:52,280

I have had a few uh spec uh normally

814

00:34:58,250 --> 00:34:56,220

those were seen down in Florida

815

00:35:00,530 --> 00:34:58,260

um

816

00:35:02,030 --> 00:35:00,540

seems that Florida has had these upright

817

00:35:03,890 --> 00:35:02,040

felines

818

00:35:06,829 --> 00:35:03,900

but as far as other places I really

819

00:35:13,609 --> 00:35:10,250

so um anyway oh and I did notice in the

820

00:35:16,130 --> 00:35:13,619

chat that peace who's in the chat stated

821

00:35:17,930 --> 00:35:16,140

that she lives in in Zephyr Hills now

822

00:35:20,390 --> 00:35:17,940

Zephyr Hills

823

00:35:26,050 --> 00:35:20,400

is

824

00:35:29,690 --> 00:35:26,060

humanoid encounter sightings

825

00:35:31,970 --> 00:35:29,700

uh especially back in 2017 we had three

826

00:35:33,589 --> 00:35:31,980

sightings in Zephyr Hills or outside of

827

00:35:35,990 --> 00:35:33,599

Zephyrhills

828

00:35:38,930 --> 00:35:36,000

so I thought that was I didn't know that

829

00:35:40,370 --> 00:35:38,940

peace was from that location but yeah

830

00:35:41,930 --> 00:35:40,380

we've um

831

00:35:44,210 --> 00:35:41,940

if you want me to talk about that

832

00:35:45,650 --> 00:35:44,220

sometime I will I'll dig them out and

833

00:35:47,210 --> 00:35:45,660

talk about them

834

00:35:48,710 --> 00:35:47,220

uh

835

00:35:50,150 --> 00:35:48,720

now I've been keeping an another

836

00:35:52,550 --> 00:35:50,160

question we've been keeping an eye out

837

00:35:54,550 --> 00:35:52,560

for updates on Brenda Hamilton here in

838

00:35:56,630 --> 00:35:54,560

North Carolina she was attacked by an

839

00:35:58,790 --> 00:35:56,640

undocumented canine

840

00:36:00,650 --> 00:35:58,800

the news went hush as if it never

841

00:36:03,410 --> 00:36:00,660

happened have you heard any reports on

842

00:36:08,150 --> 00:36:03,420

this nope I have not and if I did I'd

843

00:36:12,410 --> 00:36:11,329

so let me talk about the uh let me talk

844

00:36:16,970 --> 00:36:12,420

about

845

00:36:22,609 --> 00:36:20,089

now for those who have never heard it

846

00:36:24,710 --> 00:36:22,619

it's going to be a little unusual I I

847

00:36:26,089 --> 00:36:24,720

think most people who know me have heard

848

00:36:28,130 --> 00:36:26,099

it before

849

00:36:29,410 --> 00:36:28,140

that picture that

850

00:36:33,829 --> 00:36:29,420

that

851

00:36:36,950 --> 00:36:33,839

this on

852

00:36:39,829 --> 00:36:36,960

on the screen is um

853

00:36:41,569 --> 00:36:39,839

is a actually a forensic rendition of

854

00:36:44,030 --> 00:36:41,579

what I saw

855

00:36:47,650 --> 00:36:44,040

and what others had seen in and around

856

00:36:52,250 --> 00:36:47,660

Sykesville between

857

00:36:54,290 --> 00:36:52,260

1972 and 1981 because I had taught there

858

00:36:56,690 --> 00:36:54,300

was the Bigfoot the the Sykesville

859

00:36:59,750 --> 00:36:56,700

monster sightings

860

00:37:01,730 --> 00:36:59,760

it's 72 and 73 and of course I had mine

861

00:37:04,010 --> 00:37:01,740

sighting in 81.

862

00:37:05,870 --> 00:37:04,020

but that's the rendition that's what I

863

00:37:08,750 --> 00:37:05,880

had a forensic artist down Florida who

864

00:37:11,930 --> 00:37:08,760

was actually a former retired police

865

00:37:14,450 --> 00:37:11,940

forensic artist make that uh rendition

866

00:37:17,089 --> 00:37:14,460

for me but that's what I saw that's what

867

00:37:18,050 --> 00:37:17,099

I encountered well anyway

868

00:37:21,290 --> 00:37:18,060

um

869

00:37:23,530 --> 00:37:21,300

this was May 9 1981 I was living a cycle

870

00:37:25,609 --> 00:37:23,540

Maryland at the time

871

00:37:28,670 --> 00:37:25,619

and um

872

00:37:31,670 --> 00:37:28,680

I used to do a lot of fly fishing

873

00:37:33,710 --> 00:37:31,680

back then and uh I would go down on the

874

00:37:35,690 --> 00:37:33,720

South Branch of the Patapsco River what

875

00:37:39,290 --> 00:37:35,700

Downstream was like a mile down the

876

00:37:42,770 --> 00:37:39,300

street from slakesville or route 32.

877

00:37:45,530 --> 00:37:42,780

and I was out there uh fly fishing for

878

00:37:48,170 --> 00:37:45,540

rock bass and small mouths and whatever

879

00:37:50,510 --> 00:37:48,180

else was in the river at the time

880

00:37:52,069 --> 00:37:50,520

and I had been there a lot I I knew the

881

00:37:54,950 --> 00:37:52,079

area very well

882

00:37:58,490 --> 00:37:54,960

so I was I had my hip waders on and I

883

00:38:00,710 --> 00:37:58,500

was in in the river and it's not a real

884

00:38:02,810 --> 00:38:00,720

wide area there it's a lot of riffles

885

00:38:05,690 --> 00:38:02,820

and such and a lot of pools

886

00:38:08,450 --> 00:38:05,700

but I was standing in the river

887

00:38:12,349 --> 00:38:08,460

nice day nice sunny day

888

00:38:13,490 --> 00:38:12,359

and uh as I was standing on the uh on

889

00:38:16,069 --> 00:38:13,500

the um

890

00:38:19,130 --> 00:38:16,079

the south side of the river

891

00:38:21,530 --> 00:38:19,140

I looked over across the north side on

892

00:38:23,150 --> 00:38:21,540

the bank and there was a large stray dog

893

00:38:25,010 --> 00:38:23,160

kind of moving in and out of the weeds

894

00:38:27,109 --> 00:38:25,020

back then

895

00:38:29,450 --> 00:38:27,119

and I didn't pay much attention but I

896

00:38:30,829 --> 00:38:29,460

knew it was out there so you know but I

897

00:38:33,650 --> 00:38:30,839

kept fishing

898

00:38:35,450 --> 00:38:33,660

but then I heard the dog Yelp

899

00:38:37,609 --> 00:38:35,460

it was pretty loud

900

00:38:39,470 --> 00:38:37,619

so I raised up and looked in that

901  
00:38:42,230 --> 00:38:39,480  
direction there were a lot of weeds they

902  
00:38:45,230 --> 00:38:42,240  
were really pretty high five six foot in

903  
00:38:50,290 --> 00:38:47,450  
and it was uh it was kind of a Gravel

904  
00:38:53,210 --> 00:38:50,300  
Bar Bank there it was all gravel along

905  
00:38:55,790 --> 00:38:53,220  
among the bank of the river

906  
00:38:57,530 --> 00:38:55,800  
uh it was about maybe 40 50 feet from

907  
00:38:59,930 --> 00:38:57,540  
from me

908  
00:39:02,030 --> 00:38:59,940  
and after I heard this yup I looked in

909  
00:39:05,030 --> 00:39:02,040  
that direction I saw something

910  
00:39:06,890 --> 00:39:05,040  
huge and dark in color stand up in the

911  
00:39:09,349 --> 00:39:06,900  
weeds

912  
00:39:11,450 --> 00:39:09,359  
and when it raised up I didn't know what

913  
00:39:14,089 --> 00:39:11,460

the hell I was looking at but it was it

914

00:39:18,890 --> 00:39:14,099

was dark brown in color

915

00:39:21,230 --> 00:39:18,900

and uh it started moving to my left and

916

00:39:23,630 --> 00:39:21,240

eventually walked out in the weeds and

917

00:39:25,670 --> 00:39:23,640

standing on the gravel

918

00:39:27,530 --> 00:39:25,680

Bank of the river

919

00:39:31,550 --> 00:39:27,540

I was about it was about 40 foot from me

920

00:39:34,430 --> 00:39:31,560

it turned and was looking directly at me

921

00:39:37,730 --> 00:39:34,440

and I think we locked eyes for about 10

922

00:39:39,410 --> 00:39:37,740

seconds I uh

923

00:39:40,730 --> 00:39:39,420

honestly I didn't know what I was

924

00:39:43,370 --> 00:39:40,740

looking at the time

925

00:39:45,589 --> 00:39:43,380

uh I don't know if I was scared or I was

926  
00:39:47,329 --> 00:39:45,599  
more shocked than anything else but this

927  
00:39:49,190 --> 00:39:47,339  
thing was massive

928  
00:39:50,810 --> 00:39:49,200  
it was about seven and a half to eight

929  
00:39:54,650 --> 00:39:50,820  
foot high

930  
00:39:56,329 --> 00:39:54,660  
um very very muscular very wide

931  
00:39:58,609 --> 00:39:56,339  
definitely male I could see the

932  
00:40:00,650 --> 00:39:58,619  
genitalia on this thing it was a very

933  
00:40:03,230 --> 00:40:00,660  
dark brown

934  
00:40:07,910 --> 00:40:06,710  
the um the skin on the face and the in

935  
00:40:10,130 --> 00:40:07,920  
the hands

936  
00:40:11,870 --> 00:40:10,140  
was very dark

937  
00:40:14,569 --> 00:40:11,880  
almost black

938  
00:40:17,030 --> 00:40:14,579

the um

939

00:40:18,470 --> 00:40:17,040

well you know I didn't like I said

940

00:40:19,609 --> 00:40:18,480

before I didn't know what I was looking

941

00:40:21,650 --> 00:40:19,619

at

942

00:40:24,050 --> 00:40:21,660

now I had heard a Bigfoot before of

943

00:40:27,530 --> 00:40:24,060

course about that time you know the the

944

00:40:29,329 --> 00:40:27,540

boggy creek thing was big the film had

945

00:40:32,569 --> 00:40:29,339

been out

946

00:40:35,390 --> 00:40:32,579

so people were familiar with that I knew

947

00:40:37,849 --> 00:40:35,400

about the the the Patty film and and

948

00:40:41,390 --> 00:40:37,859

other stuff but

949

00:40:43,730 --> 00:40:41,400

this thing as I looked at it it actually

950

00:40:45,530 --> 00:40:43,740

looked more human if I had a gun I would

951  
00:40:47,690 --> 00:40:45,540  
have never shot it because it did look

952  
00:40:49,730 --> 00:40:47,700  
more human and you see the photo you see

953  
00:40:52,310 --> 00:40:49,740  
the the picture of the rendition

954  
00:40:54,770 --> 00:40:52,320  
it does look real human but I described

955  
00:40:58,069 --> 00:40:54,780  
as looking more Neanderthal than

956  
00:41:00,950 --> 00:40:58,079  
than you know ape-like but anyway

957  
00:41:02,990 --> 00:41:00,960  
like I said we we stood there both of us

958  
00:41:05,930 --> 00:41:03,000  
for about 10 seconds

959  
00:41:09,050 --> 00:41:05,940  
and then it's it just literally turned

960  
00:41:10,550 --> 00:41:09,060  
on a heel and started quickly moving up

961  
00:41:12,730 --> 00:41:10,560  
into the woods it wasn't running but it

962  
00:41:16,069 --> 00:41:12,740  
was moving quickly

963  
00:41:22,430 --> 00:41:20,450

I'm I'm standing here and I I don't know

964

00:41:24,770 --> 00:41:22,440

what I look like I don't know if my jaw

965

00:41:27,290 --> 00:41:24,780

was gaped or what was going on but I was

966

00:41:29,569 --> 00:41:27,300

I was shocked at what I was looking at

967

00:41:31,670 --> 00:41:29,579

so the first thing I did was I I got out

968

00:41:33,710 --> 00:41:31,680

of the river and I walked up onto the

969

00:41:35,690 --> 00:41:33,720

road into my car and started driving

970

00:41:38,089 --> 00:41:35,700

into Sykesville because I was going to

971

00:41:39,770 --> 00:41:38,099

call the local authorities

972

00:41:42,050 --> 00:41:39,780

now it was only like a three minute

973

00:41:44,990 --> 00:41:42,060

drive and the first thing I came to was

974

00:41:48,470 --> 00:41:45,000

a a pay phone by the bar that was

975

00:41:49,970 --> 00:41:48,480

located on the side of the river

976

00:41:51,290 --> 00:41:49,980

um I actually thought about going in

977

00:41:53,870 --> 00:41:51,300

there and getting a drink but I didn't

978

00:41:56,750 --> 00:41:53,880

do that I got on the phone

979

00:41:58,849 --> 00:41:56,760

and uh I called the Sykesville police

980

00:42:00,650 --> 00:41:58,859

and I told them about what I had

981

00:42:04,130 --> 00:42:00,660

encountered

982

00:42:06,589 --> 00:42:04,140

and they um

983

00:42:08,510 --> 00:42:06,599

I I don't I don't think they believed me

984

00:42:10,430 --> 00:42:08,520

but the woman on the who answered the

985

00:42:13,190 --> 00:42:10,440

phone said well go back to the location

986

00:42:15,410 --> 00:42:13,200

which I'm thinking I don't want to go

987

00:42:17,030 --> 00:42:15,420

back there and you know who what what's

988

00:42:18,650 --> 00:42:17,040

to say that thing isn't back there again

989

00:42:20,990 --> 00:42:18,660

well anyway

990

00:42:23,390 --> 00:42:21,000

said go back there we'll have somebody

991

00:42:25,010 --> 00:42:23,400

there to meet you so I think I'm going

992

00:42:27,470 --> 00:42:25,020

to drive back and probably wait an hour

993

00:42:30,170 --> 00:42:27,480

to a sexual cop shows up

994

00:42:32,870 --> 00:42:30,180

so I get back in the car I drive the

995

00:42:34,790 --> 00:42:32,880

three minutes back to the location when

996

00:42:38,390 --> 00:42:34,800

I get there

997

00:42:41,150 --> 00:42:38,400

there's a pen there's a Maryland State

998

00:42:46,069 --> 00:42:41,160

Police Officer standing there with one

999

00:42:49,910 --> 00:42:48,349

so when I pull up he comes to the window

1000

00:42:51,770 --> 00:42:49,920

and says you got to get out of here and

1001

00:42:54,770 --> 00:42:51,780

I said look I just called Sykesville

1002

00:42:56,030 --> 00:42:54,780

police and told them I had reported this

1003

00:42:59,930 --> 00:42:56,040

thing I had to encounter while I was

1004

00:43:01,430 --> 00:42:59,940

fishing I don't care you got to leave

1005

00:43:03,290 --> 00:43:01,440

um he wasn't going to let me stay so I

1006

00:43:04,970 --> 00:43:03,300

backed up and turned around drove back

1007

00:43:06,470 --> 00:43:04,980

home so

1008

00:43:09,589 --> 00:43:06,480

anyway

1009

00:43:11,930 --> 00:43:09,599

I was sitting at home for about an hour

1010

00:43:13,550 --> 00:43:11,940

I you know I changed clothes and

1011

00:43:15,349 --> 00:43:13,560

everything and I decided Well you know

1012

00:43:16,609 --> 00:43:15,359

I'm driving back out to see what the

1013

00:43:19,550 --> 00:43:16,619

hell's going on

1014

00:43:21,170 --> 00:43:19,560

and I did so I drove back up and that

1015

00:43:22,970 --> 00:43:21,180

was River Road that's what it was called

1016

00:43:26,750 --> 00:43:22,980

back then

1017

00:43:28,730 --> 00:43:26,760

and uh I grew back up there

1018

00:43:31,790 --> 00:43:28,740

and this uh

1019

00:43:32,990 --> 00:43:31,800

you know I I was about a a quarter of a

1020

00:43:35,270 --> 00:43:33,000

mile

1021

00:43:37,670 --> 00:43:35,280

from the location and cars were already

1022

00:43:39,770 --> 00:43:37,680

parked up and down the road so I had to

1023

00:43:42,589 --> 00:43:39,780

park on the side of the road and walk up

1024

00:43:44,390 --> 00:43:42,599

to the location and when I walked up

1025

00:43:46,790 --> 00:43:44,400

there there were people standing there

1026  
00:43:49,250 --> 00:43:46,800  
at the barricade and there was a Howard

1027  
00:43:51,230 --> 00:43:49,260  
County police officer there

1028  
00:43:52,910 --> 00:43:51,240  
so I walked up to the police officer

1029  
00:43:54,890 --> 00:43:52,920  
asked him said what's going on he said

1030  
00:43:57,050 --> 00:43:54,900  
he started laughing as I asked somebody

1031  
00:43:59,150 --> 00:43:57,060  
must have saw a Bigfoot or said they saw

1032  
00:44:00,710 --> 00:43:59,160  
a Bigfoot well I didn't tell him I was

1033  
00:44:03,470 --> 00:44:00,720  
the one that made the report

1034  
00:44:05,329 --> 00:44:03,480  
but I as I looked out there were I mean

1035  
00:44:07,970 --> 00:44:05,339  
the woods were filled with people they

1036  
00:44:11,690 --> 00:44:07,980  
had dogs and Searchers out there

1037  
00:44:13,550 --> 00:44:11,700  
and um they had a big white tent set up

1038  
00:44:16,329 --> 00:44:13,560

on the other side of the river where I'd

1039

00:44:19,430 --> 00:44:16,339

seen this thing

1040

00:44:21,790 --> 00:44:19,440

and uh there were a whole there were

1041

00:44:25,670 --> 00:44:21,800

cars from every jurisdiction in the area

1042

00:44:28,849 --> 00:44:25,680

State please Howard County I think the

1043

00:44:30,050 --> 00:44:28,859

Carroll County Sheriff was there

1044

00:44:31,970 --> 00:44:30,060

um

1045

00:44:33,950 --> 00:44:31,980

but there were two black wagoneers

1046

00:44:37,010 --> 00:44:33,960

sitting there now back then that's what

1047

00:44:39,650 --> 00:44:37,020

the feds used to use the black wagoneers

1048

00:44:41,870 --> 00:44:39,660

so I knew the feds were in the area

1049

00:44:43,609 --> 00:44:41,880

and I did hear a helicopter didn't see

1050

00:44:44,930 --> 00:44:43,619

one but I heard the chopping of a

1051

00:44:47,450 --> 00:44:44,940

helicopter

1052

00:44:49,250 --> 00:44:47,460

so I stood there a couple minutes and I

1053

00:44:51,109 --> 00:44:49,260

was thinking well you know I'm

1054

00:44:53,390 --> 00:44:51,119

you know I'm getting out of here so I

1055

00:44:56,089 --> 00:44:53,400

did I left and went back home and when I

1056

00:44:59,210 --> 00:44:56,099

went when I got back home

1057

00:45:00,650 --> 00:44:59,220

I called the three television stations

1058

00:45:03,650 --> 00:45:00,660

in Baltimore

1059

00:45:05,750 --> 00:45:03,660

to tell them about what had happened

1060

00:45:07,250 --> 00:45:05,760

and the all three the news desks all

1061

00:45:09,109 --> 00:45:07,260

three of them sounded very interested

1062

00:45:11,390 --> 00:45:09,119

they said well a couple days give us a

1063

00:45:14,150 --> 00:45:11,400

call back or we'll call you and we'll do

1064

00:45:16,790 --> 00:45:14,160

an interview I said okay well five days

1065

00:45:19,430 --> 00:45:16,800

later I hadn't received a phone call so

1066

00:45:20,450 --> 00:45:19,440

I called wmar which is channel 2 in

1067

00:45:22,790 --> 00:45:20,460

Baltimore

1068

00:45:25,490 --> 00:45:22,800

and I talked to the the news editor

1069

00:45:26,569 --> 00:45:25,500

there and he literally hung up on me he

1070

00:45:28,790 --> 00:45:26,579

said I don't want to talk to you and

1071

00:45:31,730 --> 00:45:28,800

hung up

1072

00:45:33,790 --> 00:45:31,740

so I knew something weird was going on

1073

00:45:37,730 --> 00:45:33,800

but anyway

1074

00:45:40,849 --> 00:45:37,740

ever since that encounter

1075

00:45:43,370 --> 00:45:40,859

and even now I still get try to find out

1076

00:45:45,530 --> 00:45:43,380

information about what had I had seen

1077

00:45:48,730 --> 00:45:45,540

and you know then I found out about the

1078

00:45:51,770 --> 00:45:48,740

Sykesville monster incident

1079

00:45:54,290 --> 00:45:51,780

and um

1080

00:45:57,109 --> 00:45:54,300

one of the guys who I was working with

1081

00:45:59,930 --> 00:45:57,119

had family down there on that Riverbank

1082

00:46:03,290 --> 00:45:59,940

where the the original sites back in 72

1083

00:46:05,990 --> 00:46:03,300

and 73 had occurred now down there in

1084

00:46:08,089 --> 00:46:06,000

that they called the Oklahoma road area

1085

00:46:10,609 --> 00:46:08,099

and it was right down on the Patapsco

1086

00:46:12,410 --> 00:46:10,619

River that's an African-American

1087

00:46:15,050 --> 00:46:12,420

community

1088

00:46:18,370 --> 00:46:15,060

and uh but I knew some of the people I

1089

00:46:22,550 --> 00:46:18,380

knew some of the people lived down there

1090

00:46:24,650 --> 00:46:22,560

and I had access because of my friend to

1091

00:46:26,990 --> 00:46:24,660

talk to a lot of the original Witnesses

1092

00:46:28,849 --> 00:46:27,000

from the Sykesville monster case and

1093

00:46:32,170 --> 00:46:28,859

insightful monster case was actually

1094

00:46:34,670 --> 00:46:32,180

reported originally to the Baltimore

1095

00:46:36,710 --> 00:46:34,680

Afro-American newspaper and they did the

1096

00:46:39,170 --> 00:46:36,720

original story and then it got out into

1097

00:46:41,750 --> 00:46:39,180

the public from there

1098

00:46:44,270 --> 00:46:41,760

but I did talk to most of the witnesses

1099

00:46:45,890 --> 00:46:44,280

and I actually had a few other Witnesses

1100

00:46:48,589 --> 00:46:45,900

I talked to

1101  
00:46:52,190 --> 00:46:48,599  
that had never reported their encounter

1102  
00:46:55,190 --> 00:46:52,200  
in fact this this little monster or this

1103  
00:46:57,050 --> 00:46:55,200  
Bigfoot had literally got into two homes

1104  
00:46:58,910 --> 00:46:57,060  
at one point it got into somebody's

1105  
00:47:00,530 --> 00:46:58,920  
kitchen they ran into the kitchen and

1106  
00:47:01,970 --> 00:47:00,540  
saw this thing in there and busted out

1107  
00:47:05,450 --> 00:47:01,980  
the door

1108  
00:47:07,730 --> 00:47:05,460  
and then one of them got stuck and took

1109  
00:47:10,430 --> 00:47:07,740  
in a garage

1110  
00:47:11,569 --> 00:47:10,440  
and they called the police the police

1111  
00:47:14,450 --> 00:47:11,579  
went

1112  
00:47:16,670 --> 00:47:14,460  
to investigate the cop was standing

1113  
00:47:18,710 --> 00:47:16,680

outside the door and this Bigfoot

1114

00:47:21,170 --> 00:47:18,720

literally smashed the door down onto the

1115

00:47:22,970 --> 00:47:21,180

cop and ran off

1116

00:47:25,250 --> 00:47:22,980

I think the cop had me put in the

1117

00:47:27,050 --> 00:47:25,260

hospital but I I talked to some of the

1118

00:47:29,870 --> 00:47:27,060

people that done the investigation they

1119

00:47:31,430 --> 00:47:29,880

weren't sure if the cop was hurt or not

1120

00:47:34,309 --> 00:47:31,440

but anyway

1121

00:47:35,990 --> 00:47:34,319

this Bigfoot was getting into um and

1122

00:47:39,770 --> 00:47:36,000

people down there were keeping chicken

1123

00:47:41,390 --> 00:47:39,780

pens and and uh they had dogs and stuff

1124

00:47:43,450 --> 00:47:41,400

and they were getting this thing was

1125

00:47:47,030 --> 00:47:43,460

getting into chicken pens

1126

00:47:49,190 --> 00:47:47,040

so um yeah so that was if you if you

1127

00:47:51,829 --> 00:47:49,200

look at the Sykesville monster other

1128

00:47:54,109 --> 00:47:51,839

than what's written about my encounter

1129

00:47:56,450 --> 00:47:54,119

it's it's a whole long

1130

00:47:59,750 --> 00:47:56,460

thing but I had known nothing about that

1131

00:48:02,270 --> 00:47:59,760

before I had my encounter

1132

00:48:04,069 --> 00:48:02,280

so since then I've been uh doing an

1133

00:48:06,710 --> 00:48:04,079

investigation and I've had other people

1134

00:48:08,150 --> 00:48:06,720

who've had sightings down there that

1135

00:48:10,790 --> 00:48:08,160

area

1136

00:48:13,069 --> 00:48:10,800

has had and if you look in in Maryland

1137

00:48:14,690 --> 00:48:13,079

and Carroll County in in Howard County

1138

00:48:17,569 --> 00:48:14,700

Baltimore County

1139

00:48:19,730 --> 00:48:17,579

there have been four Class A sightings

1140

00:48:22,190 --> 00:48:19,740

other than mine

1141

00:48:24,950 --> 00:48:22,200

reported to BFRO

1142

00:48:26,750 --> 00:48:24,960

so uh it is hot area now the last the

1143

00:48:29,089 --> 00:48:26,760

last one I heard of about five or six

1144

00:48:31,150 --> 00:48:29,099

years ago in an area called Daniels it's

1145

00:48:34,309 --> 00:48:31,160

a little town down on the river

1146

00:48:35,930 --> 00:48:34,319

uh a woman had an encounter her and her

1147

00:48:38,569 --> 00:48:35,940

son

1148

00:48:41,150 --> 00:48:38,579

but uh even though a lot of the areas

1149

00:48:42,650 --> 00:48:41,160

build up it's there's still sightings

1150

00:48:44,990 --> 00:48:42,660

down there

1151

00:48:47,630 --> 00:48:45,000

so um

1152

00:48:49,309 --> 00:48:47,640

anyway if you have any questions put

1153

00:48:53,650 --> 00:48:49,319

them up here I'll see what I can answer

1154

00:48:53,660 --> 00:48:59,390

let's see

1155

00:49:03,050 --> 00:49:01,430

Bernadette wants to know you ever go

1156

00:49:05,150 --> 00:49:03,060

back to where you had to encounter I had

1157

00:49:08,030 --> 00:49:05,160

been back several times

1158

00:49:09,349 --> 00:49:08,040

the last time I was back there was

1159

00:49:11,390 --> 00:49:09,359

um

1160

00:49:13,430 --> 00:49:11,400

who

1161

00:49:15,650 --> 00:49:13,440

since I moved to Pennsylvania I was back

1162

00:49:16,609 --> 00:49:15,660

down there and I the area is all built

1163

00:49:18,290 --> 00:49:16,619

up

1164

00:49:20,930 --> 00:49:18,300

but it

1165

00:49:24,170 --> 00:49:20,940

overall it looks about the same

1166

00:49:26,170 --> 00:49:24,180

you know it's funny when um

1167

00:49:29,329 --> 00:49:26,180

when Monsters and Mysteries in America

1168

00:49:30,970 --> 00:49:29,339

in their second season interviewed me

1169

00:49:34,490 --> 00:49:30,980

about my encounter

1170

00:49:35,329 --> 00:49:34,500

uh it was actually initiated by when the

1171

00:49:42,290 --> 00:49:35,339

town

1172

00:49:43,250 --> 00:49:42,300

she had she was she had a uh a haunted

1173

00:49:45,710 --> 00:49:43,260

tour

1174

00:49:47,870 --> 00:49:45,720

of Sykesville and she included my

1175

00:49:49,670 --> 00:49:47,880

Bigfoot sighting in that tour and she

1176

00:49:51,890 --> 00:49:49,680

got interested and she was actually

1177

00:49:53,930 --> 00:49:51,900

digging into the police records of

1178

00:49:55,970 --> 00:49:53,940

Sykesville police and there was nothing

1179

00:49:57,770 --> 00:49:55,980

in there there was no report of it and

1180

00:49:59,349 --> 00:49:57,780

actually I checked into other with other

1181

00:50:01,730 --> 00:49:59,359

people about it

1182

00:50:04,069 --> 00:50:01,740

and um

1183

00:50:05,030 --> 00:50:04,079

I'll I actually talked to a cop too at

1184

00:50:07,250 --> 00:50:05,040

one point

1185

00:50:12,349 --> 00:50:07,260

and he remembers that he verifies

1186

00:50:17,569 --> 00:50:14,750

isn't Bigfoot all already considered a

1187

00:50:19,130 --> 00:50:17,579

feral man no not really

1188

00:50:21,170 --> 00:50:19,140

I mean there's some sightings of people

1189

00:50:22,910 --> 00:50:21,180

say that's what it is but I don't think

1190

00:50:24,650 --> 00:50:22,920

that's what I don't think that's what it

1191

00:50:25,849 --> 00:50:24,660

was this this definitely was a feral

1192

00:50:28,970 --> 00:50:25,859

human

1193

00:50:33,410 --> 00:50:28,980

this was some type of primate mix or

1194

00:50:35,270 --> 00:50:33,420

whatever it was uh and you know I still

1195

00:50:38,390 --> 00:50:35,280

believe that these are interdimensional

1196

00:50:40,490 --> 00:50:38,400

creatures for the most part I really do

1197

00:50:43,250 --> 00:50:40,500

uh Vincent wants to know how did they

1198

00:50:45,829 --> 00:50:43,260

show up so fast well

1199

00:50:48,589 --> 00:50:45,839

from what I gathered

1200

00:50:50,390 --> 00:50:48,599

a woman down in Marysville which was

1201

00:50:51,890 --> 00:50:50,400

about three miles Downstream from where

1202

00:50:54,589 --> 00:50:51,900

I had my encounter

1203

00:50:57,650 --> 00:50:54,599

had seen it and made a report and they

1204

00:50:59,270 --> 00:50:57,660

were out looking for for whatever reason

1205

00:51:01,790 --> 00:50:59,280

and this is the reason the feds and

1206

00:51:04,250 --> 00:51:01,800

everybody got involved I think

1207

00:51:05,870 --> 00:51:04,260

and I got a first preface this by saying

1208

00:51:07,250 --> 00:51:05,880

people who know the Baltimore Washington

1209

00:51:09,890 --> 00:51:07,260

area

1210

00:51:11,750 --> 00:51:09,900

know that there are a lot of facilities

1211

00:51:15,170 --> 00:51:11,760

that people don't know what's going on

1212

00:51:17,329 --> 00:51:15,180

there they're unmarked or you know I

1213

00:51:19,609 --> 00:51:17,339

think there was something going on in a

1214

00:51:20,569 --> 00:51:19,619

facility along the river and I think it

1215

00:51:22,490 --> 00:51:20,579

was Federal

1216

00:51:24,970 --> 00:51:22,500

and I've heard a lot of stories over the

1217

00:51:27,890 --> 00:51:24,980

years I've I've actually written about a

1218

00:51:32,390 --> 00:51:27,900

of what it could have been

1219

00:51:34,910 --> 00:51:32,400

but um and I made good at some point but

1220

00:51:36,290 --> 00:51:34,920

uh I I think that this thing escaped and

1221

00:51:37,750 --> 00:51:36,300

it was they were being they were looking

1222

00:51:41,049 --> 00:51:37,760

for it

1223

00:51:44,630 --> 00:51:41,059

uh there had been an incident up in Edge

1224

00:51:46,370 --> 00:51:44,640

uh Edgewood up near Aberdeen Proving

1225

00:51:48,190 --> 00:51:46,380

Grounds where there was supposedly a

1226

00:51:51,349 --> 00:51:48,200

facility up there

1227

00:51:53,990 --> 00:51:51,359

where uh I had an Air Force officer tell

1228

00:51:56,569 --> 00:51:54,000

me after he retired that there was they

1229

00:51:59,690 --> 00:51:56,579

had been keeping Bigfoot up there

1230

00:52:00,770 --> 00:51:59,700

and there was an escape at one point and

1231

00:52:02,870 --> 00:52:00,780

uh

1232

00:52:05,270 --> 00:52:02,880

that's another story

1233

00:52:07,130 --> 00:52:05,280

you know I I have heard so many

1234

00:52:09,290 --> 00:52:07,140

different things over the years

1235

00:52:10,490 --> 00:52:09,300

but and it gets to the point where you

1236

00:52:12,650 --> 00:52:10,500

almost it's hard to believe whatever

1237

00:52:14,630 --> 00:52:12,660

everything you're told but that was an

1238

00:52:16,490 --> 00:52:14,640

interesting account Vince wants to know

1239

00:52:19,190 --> 00:52:16,500

have you ever tried remove doing a crypt

1240

00:52:21,589 --> 00:52:19,200

oh absolutely I do it now when I do my

1241

00:52:23,569 --> 00:52:21,599

crypto investigations I do that and it

1242

00:52:26,630 --> 00:52:23,579

works sometimes I mean it does help give

1243

00:52:32,030 --> 00:52:29,210

uh the remote views work both better for

1244

00:52:33,890 --> 00:52:32,040

Spirit or paranormal entities but as far

1245

00:52:37,250 --> 00:52:33,900

as Crypt is go I have used it on

1246

00:52:39,349 --> 00:52:37,260

locations occasionally Nancy Malcolm

1247

00:52:42,109 --> 00:52:39,359

have you heard the newest theory of

1248

00:52:43,370 --> 00:52:42,119

Bigfoot having DNA tracing back to Java

1249

00:52:47,930 --> 00:52:43,380

Man

1250

00:52:53,569 --> 00:52:50,750

when the the kitchen investigation was

1251  
00:52:55,370 --> 00:52:53,579  
going on and I I knew JC Johnson he was

1252  
00:52:58,790 --> 00:52:55,380  
involved with that

1253  
00:53:01,069 --> 00:52:58,800  
somebody and this was this wasn't made

1254  
00:53:02,809 --> 00:53:01,079  
public but some of the DNA was actually

1255  
00:53:07,609 --> 00:53:02,819  
going back

1256  
00:53:11,990 --> 00:53:09,130  
um

1257  
00:53:14,750 --> 00:53:12,000  
Brian Sykes actually

1258  
00:53:16,970 --> 00:53:14,760  
posted some of this as well

1259  
00:53:18,349 --> 00:53:16,980  
so as far as going back to forth to the

1260  
00:53:21,109 --> 00:53:18,359  
job but man I guess that could be

1261  
00:53:22,130 --> 00:53:21,119  
possible I mean absolutely I I do

1262  
00:53:24,230 --> 00:53:22,140  
believe

1263  
00:53:26,630 --> 00:53:24,240

there is some DNA connection between

1264

00:53:30,309 --> 00:53:26,640

these creatures and humans I absolutely

1265

00:53:35,809 --> 00:53:33,770

uh I love the meme humanoid book any

1266

00:53:39,049 --> 00:53:35,819

new notable crawling reports thank you

1267

00:53:40,430 --> 00:53:39,059

not really I get one once in a while

1268

00:53:44,809 --> 00:53:40,440

oh

1269

00:53:46,370 --> 00:53:44,819

you know nothing really outstanding you

1270

00:53:48,470 --> 00:53:46,380

know there was a period of time that we

1271

00:53:49,490 --> 00:53:48,480

were getting some really bizarre

1272

00:53:51,530 --> 00:53:49,500

settings

1273

00:53:52,549 --> 00:53:51,540

I just have not received a whole lot

1274

00:53:56,270 --> 00:53:52,559

lately

1275

00:53:58,190 --> 00:53:56,280

nothing really notable that stands out

1276

00:54:00,589 --> 00:53:58,200

um you know if it gets to the point if I

1277

00:54:02,690 --> 00:54:00,599

do get citing reports of these crawlers

1278

00:54:04,309 --> 00:54:02,700

I I will post them on the blog but right

1279

00:54:06,829 --> 00:54:04,319

now I I can't really think of all

1280

00:54:08,870 --> 00:54:06,839

anything offhand that that really stands

1281

00:54:11,270 --> 00:54:08,880

out since I've written a book

1282

00:54:13,490 --> 00:54:11,280

Alpha Omega what are your thoughts on

1283

00:54:16,010 --> 00:54:13,500

Todd's standing

1284

00:54:19,609 --> 00:54:16,020

uh

1285

00:54:22,730 --> 00:54:19,619

I'd rather not say I I don't buy into a

1286

00:54:26,470 --> 00:54:22,740

lot of what he proposes

1287

00:54:29,329 --> 00:54:26,480

um I I think

1288

00:54:31,790 --> 00:54:29,339

I'm not going to go deep into it but I I

1289

00:54:33,710 --> 00:54:31,800

don't believe what he's saying

1290

00:54:36,170 --> 00:54:33,720

or what he's showing

1291

00:54:38,930 --> 00:54:36,180

uh I I just don't and I know several

1292

00:54:40,670 --> 00:54:38,940

people who have talked to Kim and have

1293

00:54:44,089 --> 00:54:40,680

been involved with him

1294

00:54:45,950 --> 00:54:44,099

and uh I just don't I just don't buy

1295

00:54:51,190 --> 00:54:45,960

into what he's you know what he's

1296

00:54:56,089 --> 00:54:54,589

oh let's see here anybody else got any

1297

00:54:58,069 --> 00:54:56,099

more questions

1298

00:54:59,990 --> 00:54:58,079

any new settings that are here are not

1299

00:55:02,270 --> 00:55:00,000

O'Hara

1300

00:55:03,890 --> 00:55:02,280

not O'Hare but we've had sightings in

1301

00:55:05,150 --> 00:55:03,900

Bensenville which is just outside of

1302

00:55:08,690 --> 00:55:05,160

O'Hare

1303

00:55:09,849 --> 00:55:08,700

uh but as far as in the area around the

1304

00:55:14,270 --> 00:55:09,859

um

1305

00:55:16,490 --> 00:55:14,280

Cemetery in the uh

1306

00:55:18,290 --> 00:55:16,500

in the cargo area the Western Cargo area

1307

00:55:20,390 --> 00:55:18,300

we haven't had anything new

1308

00:55:23,030 --> 00:55:20,400

I I think they're keeping a pretty tight

1309

00:55:25,490 --> 00:55:23,040

lid on a lot of that but who knows I I

1310

00:55:28,250 --> 00:55:25,500

think just like everything else

1311

00:55:29,870 --> 00:55:28,260

I I think this is this isn't going away

1312

00:55:31,970 --> 00:55:29,880

I think we're going to get new reports

1313

00:55:34,790 --> 00:55:31,980

we have had new reports

1314

00:55:36,410 --> 00:55:34,800

uh where people we have a team are

1315

00:55:38,089 --> 00:55:36,420

working on new reports it's just a

1316

00:55:39,470 --> 00:55:38,099

matter of getting to the witnesses and

1317

00:55:41,809 --> 00:55:39,480

talking to the witnesses and getting

1318

00:55:43,490 --> 00:55:41,819

more information

1319

00:55:49,790 --> 00:55:43,500

so um

1320

00:55:54,170 --> 00:55:52,130
