host Bob Hicks and Brittany Clark

32

00:01:54,710 --> 00:01:50,100

Bob and Brittany started Tales from the

33

00:01:57,170 --> 00:01:54,720

dark podcast in December of 2020 or

34

00:01:59,450 --> 00:01:57,180

excuse me yeah 2000 that's right 2020

I'm sorry and where they cover all

36

00:02:04,730 --> 00:02:02,280

things weird from Bigfoot and aliens to

37

00:02:06,770 --> 00:02:04,740

Ghost and conspiracy theories nothing is

38

00:02:08,449 --> 00:02:06,780

off limits for this show

39

00:02:10,430 --> 00:02:08,459

Bob has been investigating the

40

00:02:12,229 --> 00:02:10,440

Paranormal for the past 15 years and

41

00:02:15,410 --> 00:02:12,239

Brittany is a practicing witch and

42

00:02:17,990 --> 00:02:15,420

ufologist Brittany also hosts the tales

43

00:02:19,850 --> 00:02:18,000

from the dark True Crime podcast where

44

00:02:22,910 --> 00:02:19,860

she covers the other side of Horror by

45

00:02:24,589 --> 00:02:22,920

diving into one specific subject per

46

00:02:27,110 --> 00:02:24,599

season the first season of The Black

47

00:02:29,330 --> 00:02:27,120

Widow Killers is out now

48

00:02:31,309 --> 00:02:29,340

they are also working on a documentary

49

00:02:34,190 --> 00:02:31,319

that will be out by the end of this year

50

00:02:36,410 --> 00:02:34,200

maybe coming out soon and uh where they

51  
00:02:38,990 --> 00:02:36,420  
investigated a haunted infirmary and

52  
00:02:41,030 --> 00:02:39,000  
call it what they believe to be some of

53  
00:02:44,089 --> 00:02:41,040  
the most convincing paranormal evidence

54  
00:02:47,330 --> 00:02:44,099  
they have ever seen the podcast could be

55  
00:02:49,910 --> 00:02:47,340  
found at [talesthe-dark.net](http://talesthe-dark.net)

56  
00:02:51,770 --> 00:02:49,920  
so Bob and Brittany thank you for

57  
00:02:53,330 --> 00:02:51,780  
joining me this evening

58  
00:02:55,850 --> 00:02:53,340  
thanks for having us mom we really

59  
00:02:59,869 --> 00:02:55,860  
appreciate it yeah absolutely

60  
00:03:01,790 --> 00:02:59,879  
so uh I I know you sent um some images

61  
00:03:03,890 --> 00:03:01,800  
of some of the areas you've been

62  
00:03:05,990 --> 00:03:03,900  
investigating and some other things so

63  
00:03:08,630 --> 00:03:06,000

why don't you uh first of all tell us

64

00:03:10,430 --> 00:03:08,640

about what you're working on or whatever

65

00:03:13,850 --> 00:03:10,440

you want to talk about

66

00:03:15,350 --> 00:03:13,860

well so we uh in our podcast we kind of

67

00:03:16,729 --> 00:03:15,360

believe in the the old Practice What You

68

00:03:19,190 --> 00:03:16,739

Preach we don't like to discuss things

69

00:03:22,130 --> 00:03:19,200

that we haven't experienced firsthand so

70

00:03:23,390 --> 00:03:22,140

we travel all across the U.S uh we

71

00:03:25,070 --> 00:03:23,400

recently went out all the way out to

72

00:03:27,110 --> 00:03:25,080

mount Schuster Mount Shasta I'm not sure

73

00:03:29,390 --> 00:03:27,120

the correct pronunciation uh in

74

00:03:31,309 --> 00:03:29,400

California we went to Area 51 skin

75

00:03:32,750 --> 00:03:31,319

walker Ranch we've spent the night more

76

00:03:35,089 --> 00:03:32,760

time so we can count over in Point

77

00:03:36,350 --> 00:03:35,099

Pleasant looking for the Mothman we've

78

00:03:38,630 --> 00:03:36,360

been down to Hell here Kentucky looking

79

00:03:41,270 --> 00:03:38,640

for the Goblins we go all over the place

80

00:03:42,710 --> 00:03:41,280

and recently uh our primary focus has

81

00:03:44,089 --> 00:03:42,720

been on the documentary like you said we

82

00:03:45,890 --> 00:03:44,099

have a documentary where we're actually

83

00:03:47,869 --> 00:03:45,900

going to I think tell the name for the

84

00:03:49,070 --> 00:03:47,879

first time tonight uh so it's an

85

00:03:54,050 --> 00:03:49,080

exclusive for the show it's called

86

00:03:55,789 --> 00:03:54,060

Phantom farm and it's we we uh had a

87

00:03:57,770 --> 00:03:55,799

weird little synchronicity uh some

88

00:04:00,110 --> 00:03:57,780

investigators that I know through other

89

00:04:02,030 --> 00:04:00,120

walks of life reached out and they said

90

00:04:04,970 --> 00:04:02,040

hey we we had this really weird thing

91

00:04:07,610 --> 00:04:04,980

happen and it was it was a scratch is

92

00:04:09,289 --> 00:04:07,620

what kind of got us interested and my

93

00:04:11,570 --> 00:04:09,299

first thought was okay paranormal

94

00:04:14,570 --> 00:04:11,580

investigators got scratched I'm sure you

95

00:04:17,449 --> 00:04:14,580

know because every show has that as a

96

00:04:19,370 --> 00:04:17,459

that old tired Trope and yet we went

97

00:04:22,490 --> 00:04:19,380

there and my mind was blown I've been

98

00:04:24,890 --> 00:04:22,500

doing this for 15 years and we you know

99

00:04:26,570 --> 00:04:24,900

captured something that we've sent to

100

00:04:29,090 --> 00:04:26,580

people that are on National Television

101  
00:04:31,189 --> 00:04:29,100  
we sent to uh audio Engineers I've sent

102  
00:04:33,530 --> 00:04:31,199  
it to everyone that'll listen and nobody

103  
00:04:34,310 --> 00:04:33,540  
can explain what we what we caught on

104  
00:04:36,230 --> 00:04:34,320  
video

105  
00:04:38,990 --> 00:04:36,240  
and that'll be coming out we actually

106  
00:04:40,550 --> 00:04:39,000  
just uh we we cut everything we're

107  
00:04:41,990 --> 00:04:40,560  
exporting it now and it's going to be

108  
00:04:43,730 --> 00:04:42,000  
available probably by the end of this

109  
00:04:45,890 --> 00:04:43,740  
month or the middle of next month at the

110  
00:04:48,230 --> 00:04:45,900  
absolute latest so definitely pretty

111  
00:04:50,810 --> 00:04:48,240  
excited for all that

112  
00:04:52,610 --> 00:04:50,820  
well that's great I mean I hope I hope

113  
00:04:55,189 --> 00:04:52,620

the best for you on that

114

00:04:57,770 --> 00:04:55,199

um so why don't you tell us a bit about

115

00:05:00,290 --> 00:04:57,780

some of your investigations and and what

116

00:05:02,390 --> 00:05:00,300

you've been up to the last couple years

117

00:05:05,210 --> 00:05:02,400

uh you know I know everybody would like

118

00:05:06,590 --> 00:05:05,220

to hear about it okay yeah uh Tales from

119

00:05:09,890 --> 00:05:06,600

the dark actually has a pretty

120

00:05:11,150 --> 00:05:09,900

interesting uh I guess origin story yeah

121

00:05:12,290 --> 00:05:11,160

origin story

122

00:05:14,330 --> 00:05:12,300

um

123

00:05:15,830 --> 00:05:14,340

Brittany moved uh we actually I met

124

00:05:18,469 --> 00:05:15,840

Brittany online playing a online video

125

00:05:19,969 --> 00:05:18,479

game League of Legends and you know she

126

00:05:22,189 --> 00:05:19,979

had no real interest in ufology

127

00:05:25,129 --> 00:05:22,199

paranormal uh witchcraft any of that

128

00:05:27,110 --> 00:05:25,139

kind of stuff and I had an idea a couple

129

00:05:28,850 --> 00:05:27,120

years ago uh where I wanted to start I

130

00:05:30,050 --> 00:05:28,860

really wanted to go the YouTube route I

131

00:05:32,990 --> 00:05:30,060

wanted to kind of dive into some

132

00:05:35,090 --> 00:05:33,000

internet Mysteries and I came across

133

00:05:36,830 --> 00:05:35,100

this weird internet mystery about these

134

00:05:39,050 --> 00:05:36,840

phone booths believe it or not this

135

00:05:41,390 --> 00:05:39,060

weird phone booth connection where I

136

00:05:42,830 --> 00:05:41,400

know 2022 you hear hearing or 2023 now

137

00:05:45,469 --> 00:05:42,840

hearing about phone booths is kind of

138

00:05:48,110 --> 00:05:45,479

crazy and there was this weird kind of

139

00:05:49,790 --> 00:05:48,120

background connection to it so I I did a

140

00:05:52,969 --> 00:05:49,800

full video series and that kind of took

141

00:05:54,590 --> 00:05:52,979

off and next thing we know we are

142

00:05:56,689 --> 00:05:54,600

sitting in Geraldine Sutton's kitchen

143

00:05:59,150 --> 00:05:56,699

hearing about the Hopkinsville Goblin

144

00:06:01,249 --> 00:05:59,160

incident that was an amazing

145

00:06:02,689 --> 00:06:01,259

I just point in our lives it's kind of

146

00:06:03,710 --> 00:06:02,699

been a roller coaster ever since it

147

00:06:05,029 --> 00:06:03,720

seems like every other week we're

148

00:06:06,650 --> 00:06:05,039

getting we're getting called to go do

149

00:06:09,350 --> 00:06:06,660

something rather that's look for injured

150

00:06:12,710 --> 00:06:09,360

Cold's house uh in a random Saturday

151  
00:06:14,270 --> 00:06:12,720  
afternoon or getting you know chased out

152  
00:06:16,070 --> 00:06:14,280  
of skin walk a ranch we're kind of all

153  
00:06:18,770 --> 00:06:16,080  
over the place right now and it's uh

154  
00:06:23,390 --> 00:06:18,780  
kind of a never-ending but always

155  
00:06:25,969 --> 00:06:23,400  
growing uh adventure for us

156  
00:06:27,950 --> 00:06:25,979  
well let's let's start with the certain

157  
00:06:30,529 --> 00:06:27,960  
form that and I find that interesting

158  
00:06:32,210 --> 00:06:30,539  
because you know ever since the the

159  
00:06:36,529 --> 00:06:32,220  
Nexus of that

160  
00:06:40,629 --> 00:06:36,539  
uh of that incident it's kind of

161  
00:06:43,330 --> 00:06:40,639  
I don't know if it's kind of uh

162  
00:06:45,830 --> 00:06:43,340  
expanded or

163  
00:06:48,230 --> 00:06:45,840

morphed over years

164

00:06:51,110 --> 00:06:48,240

but you actually talked to her and and

165

00:06:53,450 --> 00:06:51,120

what what did you gather from her did is

166

00:06:55,150 --> 00:06:53,460

it is it like the original story or was

167

00:06:58,129 --> 00:06:55,160

it something different

168

00:06:59,990 --> 00:06:58,139

absolutely so how how we kind of got

169

00:07:03,950 --> 00:07:00,000

connected with her was a synchronistic

170

00:07:06,710 --> 00:07:03,960

way all of itself we met the guys from

171

00:07:08,450 --> 00:07:06,720

Ohio and uh after Bob did an interview

172

00:07:10,249 --> 00:07:08,460

with them this was pre this is all

173

00:07:12,770 --> 00:07:10,259

during like the six months before we

174

00:07:14,930 --> 00:07:12,780

started the podcast in December so this

175

00:07:17,330 --> 00:07:14,940

was I think around September time if I

176  
00:07:19,670 --> 00:07:17,340  
remember correctly yeah and we actually

177  
00:07:27,589 --> 00:07:19,680  
met Geraldine around Thanksgiving that

178  
00:07:30,650 --> 00:07:29,809  
sorry we had a little audio incident

179  
00:07:32,990 --> 00:07:30,660  
there

180  
00:07:36,170 --> 00:07:33,000  
um basically what what had happened was

181  
00:07:38,150 --> 00:07:36,180  
uh like Britain was saying we had a

182  
00:07:40,670 --> 00:07:38,160  
weird synchronicity where I was I guess

183  
00:07:42,290 --> 00:07:40,680  
on the broio podcast and they you know

184  
00:07:44,689 --> 00:07:42,300  
he just kind of like nonchalantly threw

185  
00:07:45,950 --> 00:07:44,699  
it to me of hey I know Geraldine Sutton

186  
00:07:48,409 --> 00:07:45,960  
so Britney's back I'll kind of give it

187  
00:07:51,350 --> 00:07:48,419  
back to her now

188  
00:07:53,930 --> 00:07:51,360

sorry about that guys so anyway Rob he

189

00:07:55,790 --> 00:07:53,940

uh met Geraldine through the brahaya

190

00:07:57,890 --> 00:07:55,800

podcast and

191

00:07:59,270 --> 00:07:57,900

the craziest thing happened because Bob

192

00:08:01,189 --> 00:07:59,280

was like we'd love to come talk to you

193

00:08:03,950 --> 00:08:01,199

we'd love to talk about the Hopkinsville

194

00:08:06,890 --> 00:08:03,960

goblins uh can we come down and meet you

195

00:08:09,589 --> 00:08:06,900

and Geraldine invited us into our home

196

00:08:12,469 --> 00:08:09,599

we had like a 200 subscriber YouTube

197

00:08:14,330 --> 00:08:12,479

channel at that point no podcast we

198

00:08:16,430 --> 00:08:14,340

didn't really have a lot to our name and

199

00:08:19,730 --> 00:08:16,440

she still invited us to her home to come

200

00:08:22,010 --> 00:08:19,740

film an interview with her and Bob was

201  
00:08:24,290 --> 00:08:22,020  
skeptical I wasn't because she seemed

202  
00:08:26,270 --> 00:08:24,300  
very genuine she seemed very sweet but

203  
00:08:28,610 --> 00:08:26,280  
Bob and our friend Tyler who traveled

204  
00:08:31,730 --> 00:08:28,620  
with us were very skeptical about the

205  
00:08:32,990 --> 00:08:31,740  
story and when they sat down and I

206  
00:08:36,350 --> 00:08:33,000  
watched the whole thing from behind the

207  
00:08:38,930 --> 00:08:36,360  
camera Geraldine is so genuine and one

208  
00:08:42,110 --> 00:08:38,940  
thing that she really tells you and and

209  
00:08:44,449 --> 00:08:42,120  
expresses very well is the fact that

210  
00:08:46,070 --> 00:08:44,459  
this was a family they didn't ask for

211  
00:08:48,290 --> 00:08:46,080  
this they weren't you know going after

212  
00:08:51,530 --> 00:08:48,300  
this for fame and money they were

213  
00:08:53,329 --> 00:08:51,540

genuinely hurt and upset by what was

214

00:08:55,730 --> 00:08:53,339

happening to them and their family in

215

00:08:58,790 --> 00:08:55,740

the aftermath of the media and the

216

00:09:01,250 --> 00:08:58,800

critics and being called crazies like

217

00:09:02,570 --> 00:09:01,260

this is traumatic for them and they live

218

00:09:04,970 --> 00:09:02,580

the rest of their life not really wanted

219

00:09:07,610 --> 00:09:04,980

to talk about it and Geraldine actually

220

00:09:09,050 --> 00:09:07,620

found out through a interview the guy

221

00:09:11,449 --> 00:09:09,060

who came to the house was doing an

222

00:09:13,610 --> 00:09:11,459

interview for a book and she was like I

223

00:09:15,350 --> 00:09:13,620

think eight years old yeah

224

00:09:17,030 --> 00:09:15,360

and that was the first time she'd ever

225

00:09:19,130 --> 00:09:17,040

even heard about this incident and her

226

00:09:22,310 --> 00:09:19,140

dad didn't even want to tell her

227

00:09:24,769 --> 00:09:22,320

so I I mean from my perspective is a

228

00:09:28,430 --> 00:09:24,779

extremely genuine story and I love

229

00:09:31,430 --> 00:09:28,440

Geraldine to death she is so sweet

230

00:09:33,410 --> 00:09:31,440

so what exactly did she tell you did uh

231

00:09:36,650 --> 00:09:33,420

did it match with the story

232

00:09:39,829 --> 00:09:36,660

so that was what surprised me so I had

233

00:09:41,870 --> 00:09:39,839

um like really well versed myself with

234

00:09:44,509 --> 00:09:41,880

the the dates who was involved who

235

00:09:46,009 --> 00:09:44,519

wasn't involved and I was kind of and I

236

00:09:47,750 --> 00:09:46,019

told Geraldine so I can say it publicly

237

00:09:49,250 --> 00:09:47,760

I was thinking she was gonna trip up in

238

00:09:52,610 --> 00:09:49,260

the story somewhere that it was gonna

239

00:09:54,290 --> 00:09:52,620

this is my big aha moment of okay this

240

00:09:57,889 --> 00:09:54,300

story's nonsense because when you you

241

00:09:59,570 --> 00:09:57,899

listen to the story of a family that is

242

00:10:01,970 --> 00:09:59,580

literally protecting their farm with

243

00:10:04,730 --> 00:10:01,980

shotguns and rifles from Little Green

244

00:10:07,790 --> 00:10:04,740

Men it just it sounds like it's out of a

245

00:10:09,530 --> 00:10:07,800

Spielberg movie but she she actually

246

00:10:11,150 --> 00:10:09,540

corrects some of the dates and she said

247

00:10:13,610 --> 00:10:11,160

you know it's my biggest gripe is they

248

00:10:15,110 --> 00:10:13,620

got my daddy's name wrong and I said

249

00:10:16,550 --> 00:10:15,120

well what do you mean and then she she

250

00:10:19,370 --> 00:10:16,560

you know she explains it to me then I

251

00:10:22,070 --> 00:10:19,380

verified this later I'm like oh they did

252

00:10:24,110 --> 00:10:22,080

okay so so kind of what else and it was

253

00:10:25,430 --> 00:10:24,120

a pretty much verbatim story to what I

254

00:10:27,949 --> 00:10:25,440

have heard but it was she kind of

255

00:10:29,389 --> 00:10:27,959

expanded on some of the details as you

256

00:10:30,829 --> 00:10:29,399

know there's a big misconception that

257

00:10:33,350 --> 00:10:30,839

the military just came out out of

258

00:10:35,750 --> 00:10:33,360

nowhere well that was kind of a it was a

259

00:10:37,130 --> 00:10:35,760

accompanied by local law enforcement

260

00:10:39,050 --> 00:10:37,140

local law enforcement said hey we don't

261

00:10:41,870 --> 00:10:39,060

know what this is something strange is

262

00:10:43,430 --> 00:10:41,880

happening we do trust these people and

263

00:10:44,569 --> 00:10:43,440

then the military police I think I'm not

264

00:10:46,250 --> 00:10:44,579

sure if it was Fort Campbell but a

265

00:10:48,470 --> 00:10:46,260

nearby military police came out and

266

00:10:50,569 --> 00:10:48,480

checked it out as well and she's

267

00:10:52,250 --> 00:10:50,579

actually one of the biggest debunkers of

268

00:10:53,810 --> 00:10:52,260

misinformation of the story and that's

269

00:10:55,130 --> 00:10:53,820

what I really appreciate about Geraldine

270

00:10:57,530 --> 00:10:55,140

and she'll go on the offensive if a

271

00:10:59,630 --> 00:10:57,540

podcast has it wrong she has no problem

272

00:11:00,829 --> 00:10:59,640

saying hey this is what's incorrect

273

00:11:04,130 --> 00:11:00,839

about the story or this is what you're

274

00:11:05,870 --> 00:11:04,140

not telling us about the story and you

275

00:11:07,610 --> 00:11:05,880

know I went from someone who I approach

276

00:11:10,069 --> 00:11:07,620

everything is it's nonsense and I'm

277

00:11:12,350 --> 00:11:10,079

known on my uh my podcast as being the

278

00:11:13,970 --> 00:11:12,360

just harbinger of bad news because it's

279

00:11:15,170 --> 00:11:13,980

a bunker yeah every time someone sends

280

00:11:16,790 --> 00:11:15,180

me a video Bob what do you think of this

281

00:11:19,069 --> 00:11:16,800

well let me explain to you how I would

282

00:11:21,650 --> 00:11:19,079

recreate this if I can recreate it it's

283

00:11:23,389 --> 00:11:21,660

probably fake and to have Geraldine

284

00:11:25,610 --> 00:11:23,399

convince me that something did happen

285

00:11:26,990 --> 00:11:25,620

now am I going to outright say without a

286

00:11:29,150 --> 00:11:27,000

shadow of a doubt Little Green Men came

287

00:11:31,730 --> 00:11:29,160

out I can't say that because I wasn't

288

00:11:33,290 --> 00:11:31,740

there but did something strange happen

289

00:11:35,509 --> 00:11:33,300

to her and her family that has since

290

00:11:37,009 --> 00:11:35,519

taken light in her life in in ways of

291

00:11:38,630 --> 00:11:37,019

hauntings and other paranormal events

292

00:11:40,490 --> 00:11:38,640

absolutely I would I would put my entire

293

00:11:41,930 --> 00:11:40,500

reputation on something did happen that

294

00:11:43,910 --> 00:11:41,940

night

295

00:11:48,230 --> 00:11:43,920

interesting

296

00:11:51,170 --> 00:11:48,240

dude how um did she talk to you or go

297

00:11:54,650 --> 00:11:51,180

into the Project Blue Book's involvement

298

00:11:55,970 --> 00:11:54,660

with this and what they uncovered or

299

00:11:57,949 --> 00:11:55,980

what they said

300

00:11:59,389 --> 00:11:57,959

so the only thing regarding Blue Book

301

00:12:02,329 --> 00:11:59,399

that her and I have talked about was

302

00:12:04,370 --> 00:12:02,339

there was a lot of reporters that gauged

303

00:12:06,290 --> 00:12:04,380

interest in her and her father

304

00:12:07,670 --> 00:12:06,300

um and he he stopped doing interviews

305

00:12:09,590 --> 00:12:07,680

for a while because they were kind of

306

00:12:12,350 --> 00:12:09,600

just painting him as the dumb hillbilly

307

00:12:14,389 --> 00:12:12,360

and they weren't really taking his story

308

00:12:16,370 --> 00:12:14,399

or taking what he had to say is truth

309

00:12:18,829 --> 00:12:16,380

they would kind of start twisting and

310

00:12:20,090 --> 00:12:18,839

and manipulating the words so she didn't

311

00:12:22,610 --> 00:12:20,100

mention too much about Project Blue Book

312

00:12:24,170 --> 00:12:22,620

but I do know her her dad was very

313

00:12:25,610 --> 00:12:24,180

adamant that this is what happened and

314

00:12:28,850 --> 00:12:25,620

this is what should be printed and that

315

00:12:30,470 --> 00:12:28,860

wasn't always the case so I I'm not I'm

316

00:12:31,910 --> 00:12:30,480

always kind of leery and I actually run

317

00:12:33,949 --> 00:12:31,920

a lot of things by her when I read them

318

00:12:35,509 --> 00:12:33,959

in various books like hey does this

319

00:12:36,530 --> 00:12:35,519

match up with the story that you know to

320

00:12:39,050 --> 00:12:36,540

be true

321

00:12:41,930 --> 00:12:39,060

interesting

322

00:12:43,910 --> 00:12:41,940

now you mentioned earlier about uh the

323

00:12:47,449 --> 00:12:43,920

injured cold house what's that all about

324

00:12:48,530 --> 00:12:47,459

I I'm somewhat familiar with the case

325

00:12:52,550 --> 00:12:48,540

um

326

00:12:55,250 --> 00:12:52,560

you know I of course know about Woody uh

327

00:12:57,949 --> 00:12:55,260

darenberger and what he said happened

328

00:13:00,590 --> 00:12:57,959

and then darenberger's daughter wrote

329

00:13:03,410 --> 00:13:00,600

this book basically talking about

330

00:13:06,310 --> 00:13:03,420

uh that she hadn't met injured Coles

331

00:13:09,710 --> 00:13:06,320

some other supposed

332

00:13:12,009 --> 00:13:09,720

venetians and the family

333

00:13:16,310 --> 00:13:12,019

um what's the deal on the house

334

00:13:17,750 --> 00:13:16,320

so we like to go and investigate things

335

00:13:20,269 --> 00:13:17,760

and you know a lot of the Facebook

336

00:13:22,069 --> 00:13:20,279

groups posed about recent sightings

337

00:13:23,750 --> 00:13:22,079

whether that be UFOs or that's

338

00:13:25,550 --> 00:13:23,760

conspiracies we like to actually go to

339

00:13:28,490 --> 00:13:25,560

the place like Bob said earlier in the

340

00:13:31,850 --> 00:13:28,500

podcast well in one of the hell your

341

00:13:33,769 --> 00:13:31,860

groups Andy Colvin which was a writer

342

00:13:35,509 --> 00:13:33,779

and publisher who worked with John Keel

343

00:13:38,210 --> 00:13:35,519

and a couple other really famous artists

344

00:13:41,750 --> 00:13:38,220

or excuse me writers during that time

345

00:13:44,030 --> 00:13:41,760

period was making a lot of posts

346

00:13:45,650 --> 00:13:44,040

um about he he recently became active in

347

00:13:48,230 --> 00:13:45,660

that group and I don't I think he

348

00:13:51,230 --> 00:13:48,240

stopped yeah what was what name was he

349

00:13:53,329 --> 00:13:51,240

under the saucer uh the the was it the

350

00:13:54,949 --> 00:13:53,339

salsarian which was the name of his

351

00:13:56,269 --> 00:13:54,959

publishing group or well I think it was

352

00:13:59,449 --> 00:13:56,279

actually

353

00:14:03,350 --> 00:13:59,459

um a reinvention of a previous publisher

354

00:14:05,990 --> 00:14:03,360

yeah so he was posting as a cesarean and

355

00:14:09,050 --> 00:14:06,000

he was also messaging people as his

356

00:14:11,449 --> 00:14:09,060

actual Facebook profile picture uh under

357

00:14:13,670 --> 00:14:11,459

Andy Colvin but he posted in the Hellyer

358

00:14:15,470 --> 00:14:13,680

group that he knew where injured Cold's

359

00:14:17,949 --> 00:14:15,480

house was the one that he resided in

360

00:14:19,970 --> 00:14:17,959

near Point Pleasant the one where he

361

00:14:22,910 --> 00:14:19,980

allegedly was at for a couple years

362

00:14:24,949 --> 00:14:22,920

before he had he was forced to move and

363

00:14:28,009 --> 00:14:24,959

he swore up and down he knew where this

364

00:14:30,170 --> 00:14:28,019

was and Bob interacted with the post and

365

00:14:31,430 --> 00:14:30,180

was like okay give me the dates and I

366

00:14:34,269 --> 00:14:31,440

think it was about a three and a half

367

00:14:36,889 --> 00:14:34,279

hour drive for us to was it Middletown

368

00:14:38,930 --> 00:14:36,899

midpoint I think it was midpoint it's

369

00:14:41,030 --> 00:14:38,940

it's about an hour or so outside of

370

00:14:42,710 --> 00:14:41,040

Point Pleasant yeah

371

00:14:45,050 --> 00:14:42,720

and so he claimed that there was going

372

00:14:46,250 --> 00:14:45,060

to be this really old cabin that was

373

00:14:48,710 --> 00:14:46,260

going to be there like almost like a

374

00:14:50,090 --> 00:14:48,720

shed and he said that inside of it was

375

00:14:52,910 --> 00:14:50,100

going to have a bunch of symbols and

376

00:14:54,769 --> 00:14:52,920

things like that for protection and uh

377

00:14:56,329 --> 00:14:54,779

so we just kind of got up and went and

378

00:14:58,310 --> 00:14:56,339

we're like okay if you're saying it's

379

00:15:00,170 --> 00:14:58,320

gonna be here we're gonna go check we

380

00:15:02,030 --> 00:15:00,180

went there and what was weird was there

381

00:15:04,189 --> 00:15:02,040

was this brand new house that was built

382

00:15:05,750 --> 00:15:04,199

like I'm talking Turf still you can

383

00:15:06,889 --> 00:15:05,760

still see the dirt under the turf kind

384

00:15:09,590 --> 00:15:06,899

of brand new

385

00:15:11,090 --> 00:15:09,600

and uh there was no shed there was

386

00:15:13,009 --> 00:15:11,100

nothing there

387

00:15:14,810 --> 00:15:13,019

um no lights we didn't see anything in

388

00:15:17,449 --> 00:15:14,820

the sky really while we were there but

389

00:15:19,129 --> 00:15:17,459

we still went and checked and uh at that

390

00:15:21,290 --> 00:15:19,139

point I think Andy kind of dived down

391

00:15:23,269 --> 00:15:21,300

once we told him it wasn't there but

392

00:15:26,750 --> 00:15:23,279

yeah that was kind of a crazy experience

393

00:15:29,389 --> 00:15:26,760

in a wow yeah I've had my I've had my

394

00:15:31,189 --> 00:15:29,399

issues with Andy Coleman in the past uh

395

00:15:32,269 --> 00:15:31,199

you know I've had some copyright issues

396

00:15:35,810 --> 00:15:32,279

with him

397

00:15:37,730 --> 00:15:35,820

so I I know he he has a tendency to

398

00:15:39,590 --> 00:15:37,740

embellish on things so and I'm going to

399

00:15:43,189 --> 00:15:39,600

say that right out

400

00:15:46,129 --> 00:15:43,199

um so I I understand

401  
00:15:48,590 --> 00:15:46,139  
uh if he he says something and it just

402  
00:15:51,949 --> 00:15:48,600  
doesn't exactly turn out to be what he

403  
00:15:54,769 --> 00:15:51,959  
said it was so that's it I mean

404  
00:15:57,009 --> 00:15:54,779  
I'm you know I'm that's interesting

405  
00:16:00,050 --> 00:15:57,019  
um but anyway

406  
00:16:02,569 --> 00:16:00,060  
uh so you you don't believe it was

407  
00:16:04,370 --> 00:16:02,579  
actual housing no

408  
00:16:05,269 --> 00:16:04,380  
um and I kind of went on the offensive

409  
00:16:06,009 --> 00:16:05,279  
with him

410  
00:16:09,470 --> 00:16:06,019  
um

411  
00:16:11,629 --> 00:16:09,480  
solely for the uh the fact that the

412  
00:16:13,550 --> 00:16:11,639  
story kind of started to fall apart once

413  
00:16:16,189 --> 00:16:13,560

we were there so he ghosted us initially

414

00:16:18,590 --> 00:16:16,199

wouldn't message us back for 30 40 45

415

00:16:20,750 --> 00:16:18,600

minutes uh then he messaged back and he

416

00:16:22,490 --> 00:16:20,760

he had kind of blamed the Secret order

417

00:16:24,889 --> 00:16:22,500

and the government and the government

418

00:16:26,030 --> 00:16:24,899

for you know changing things around and

419

00:16:27,949 --> 00:16:26,040

again uh

420

00:16:30,110 --> 00:16:27,959

I will give everyone the benefit of the

421

00:16:31,970 --> 00:16:30,120

doubt until I have a reason not to right

422

00:16:34,310 --> 00:16:31,980

and it was one of those situations where

423

00:16:35,870 --> 00:16:34,320

if he all he had to say in my in my mind

424

00:16:37,850 --> 00:16:35,880

and this is what I told him so I can say

425

00:16:39,769 --> 00:16:37,860

it publicly you just had to say you

426

00:16:42,410 --> 00:16:39,779

weren't sure and I wouldn't have said

427

00:16:44,569 --> 00:16:42,420

now was it interesting that the uh the

428

00:16:46,129 --> 00:16:44,579

house is brand new sure was this a

429

00:16:48,050 --> 00:16:46,139

location that has a very similar feeling

430

00:16:50,569 --> 00:16:48,060

to Point Pleasant absolutely and anyone

431

00:16:53,389 --> 00:16:50,579

who's been to Point Pleasant knows that

432

00:16:55,610 --> 00:16:53,399

dreamy weird feeling this this place

433

00:16:58,129 --> 00:16:55,620

shared it but you know I also approach

434

00:17:00,170 --> 00:16:58,139

it from a skeptical perspective of uh

435

00:17:02,210 --> 00:17:00,180

if you go with the anticipation of

436

00:17:04,909 --> 00:17:02,220

finding injured Cold's house you might

437

00:17:06,829 --> 00:17:04,919

your your mind very well could recreate

438

00:17:08,809 --> 00:17:06,839

those feelings for you in a new location

439

00:17:10,850 --> 00:17:08,819

and the only thing I really want to add

440

00:17:12,710 --> 00:17:10,860

to that as well is if you are going to

441

00:17:14,990 --> 00:17:12,720

go investigate and look at into these

442

00:17:16,549 --> 00:17:15,000

locations that you know seemingly random

443

00:17:19,010 --> 00:17:16,559

people send you you have to be very

444

00:17:21,409 --> 00:17:19,020

careful uh this isn't our first rodeo

445

00:17:22,909 --> 00:17:21,419

and we make sure that we are aware of

446

00:17:24,770 --> 00:17:22,919

our surroundings and we're watching for

447

00:17:26,150 --> 00:17:24,780

anything sketchy

448

00:17:28,549 --> 00:17:26,160

um but yeah it's actually pretty

449

00:17:31,130 --> 00:17:28,559

dangerous to kind of go out when someone

450

00:17:34,250 --> 00:17:31,140

sends you random information so we stuck

451

00:17:36,230 --> 00:17:34,260

in the car but we yeah it's just be

452

00:17:38,450 --> 00:17:36,240

careful if you do decide to go follow

453

00:17:41,750 --> 00:17:38,460

someone's lead that way

454

00:17:44,210 --> 00:17:41,760

hmm yeah I I get you I understand that

455

00:17:45,289 --> 00:17:44,220

uh now when you were that you went to

456

00:17:46,850 --> 00:17:45,299

point you said you've been to Point

457

00:17:48,350 --> 00:17:46,860

Pleasant several times what's your

458

00:17:50,870 --> 00:17:48,360

thoughts on Point Pleasant the whole

459

00:17:52,850 --> 00:17:50,880

Mothman phenomena and uh some of the

460

00:17:55,250 --> 00:17:52,860

other stuff that occurred there it

461

00:17:59,210 --> 00:17:55,260

changes like every time we go there it

462

00:18:01,730 --> 00:17:59,220

almost feels like I I think personally I

463

00:18:03,710 --> 00:18:01,740

do think there is some validity to the

464

00:18:07,190 --> 00:18:03,720

people who saw Mothman seeing something

465

00:18:09,650 --> 00:18:07,200

weird but I mean one time we can go out

466

00:18:11,330 --> 00:18:09,660

to the shooting range out there and it

467

00:18:13,970 --> 00:18:11,340

feel completely dead like nothing ever

468

00:18:16,430 --> 00:18:13,980

weird happened another time it can be

469

00:18:19,070 --> 00:18:16,440

synchronicity after synchronicity and

470

00:18:20,810 --> 00:18:19,080

it's just really back and forth yeah for

471

00:18:22,850 --> 00:18:20,820

me no no I would completely agree with

472

00:18:24,110 --> 00:18:22,860

that so uh like Britney just said that's

473

00:18:26,510 --> 00:18:24,120

one of our favorite places to go and

474

00:18:28,610 --> 00:18:26,520

practice our our firearm shooting is is

475

00:18:30,169 --> 00:18:28,620

that Point Pleasant they have a uh a

476

00:18:32,510 --> 00:18:30,179

free range of public range that you can

477

00:18:33,950 --> 00:18:32,520

use out there and but we but we've been

478

00:18:35,750 --> 00:18:33,960

on the opposite side of we've you know

479

00:18:38,390 --> 00:18:35,760

we spent the night we've literally been

480

00:18:41,930 --> 00:18:38,400

out for 12 14 hours staying all night

481

00:18:44,330 --> 00:18:41,940

out in the TNT area and it always it's

482

00:18:46,070 --> 00:18:44,340

always different I kind of am with

483

00:18:47,029 --> 00:18:46,080

Brittany I do believe that something did

484

00:18:48,950 --> 00:18:47,039

happen

485

00:18:50,090 --> 00:18:48,960

um but I also think there's a lot of

486

00:18:53,630 --> 00:18:50,100

things that are blown out of proportion

487

00:18:56,390 --> 00:18:53,640

and that that's unfortunate but uh it's

488

00:18:57,650 --> 00:18:56,400

one of those things where I feel like

489

00:18:59,690 --> 00:18:57,660

it's a place that if you have any kind

490

00:19:01,190 --> 00:18:59,700

of interest in cryptozoology you have to

491

00:19:03,289 --> 00:19:01,200

make a trip at some point it is an

492

00:19:05,450 --> 00:19:03,299

amazing and the people there are great

493

00:19:07,190 --> 00:19:05,460

and it's just one of those situations

494

00:19:09,289 --> 00:19:07,200

where

495

00:19:10,430 --> 00:19:09,299

the town I think is completely safe at

496

00:19:12,529 --> 00:19:10,440

night I think you could walk through

497

00:19:13,970 --> 00:19:12,539

downtown take pictures of the the old uh

498

00:19:15,950 --> 00:19:13,980

Hotel take pictures of everything just

499

00:19:17,450 --> 00:19:15,960

fine I don't know that I would say the

500

00:19:20,029 --> 00:19:17,460

same about the

501  
00:19:20,930 --> 00:19:20,039  
uh I'm sorry the TNT area because we

502  
00:19:22,549 --> 00:19:20,940  
actually went out there and shot a

503  
00:19:24,490 --> 00:19:22,559  
little mini documentary for our patrons

504  
00:19:28,549 --> 00:19:24,500  
and while we were out there

505  
00:19:30,289 --> 00:19:28,559  
we were kind of sharing the the set with

506  
00:19:31,730 --> 00:19:30,299  
like coyotes that were very close to us

507  
00:19:35,029 --> 00:19:31,740  
we went out to where the power plant had

508  
00:19:36,590 --> 00:19:35,039  
has now been removed and I mean we could

509  
00:19:37,909 --> 00:19:36,600  
hear the coyotes moving around you could

510  
00:19:40,730 --> 00:19:37,919  
hear them howling and we're talking

511  
00:19:42,169 --> 00:19:40,740  
probably a group of eight or ten so it's

512  
00:19:43,970 --> 00:19:42,179  
like anywhere else it's a wildlife

513  
00:19:45,770 --> 00:19:43,980

refuge now and it's not the most safe

514

00:19:47,870 --> 00:19:45,780

especially if you're not used to being

515

00:19:49,370 --> 00:19:47,880

in the woods you're not used to that

516

00:19:50,690 --> 00:19:49,380

sort of thing

517

00:19:53,930 --> 00:19:50,700

right

518

00:19:56,029 --> 00:19:53,940

yeah I mean I I've been going to uh

519

00:19:58,370 --> 00:19:56,039

Point Pleasant since the 80s so I'm

520

00:20:01,490 --> 00:19:58,380

pretty familiar with it and everything

521

00:20:02,810 --> 00:20:01,500

that's going on there over time

522

00:20:08,330 --> 00:20:02,820

um

523

00:20:10,990 --> 00:20:08,340

let me ask you this the in let me uh the

524

00:20:13,850 --> 00:20:11,000

inner cold phenomenon

525

00:20:15,230 --> 00:20:13,860

and Point Pleasant in general you think

526

00:20:18,169 --> 00:20:15,240

there's a connection

527

00:20:20,330 --> 00:20:18,179

uh I don't actually and that's I'm the

528

00:20:21,409 --> 00:20:20,340

same as you yeah I get some major Flack

529

00:20:23,390 --> 00:20:21,419

for that because people watch The

530

00:20:25,789 --> 00:20:23,400

Mothman Prophecies the Richard uh gear

531

00:20:28,130 --> 00:20:25,799

flick and they think hey these things

532

00:20:29,270 --> 00:20:28,140

were overlapping and related no they

533

00:20:31,310 --> 00:20:29,280

really weren't even when you look at the

534

00:20:32,570 --> 00:20:31,320

date ranges they were they were not they

535

00:20:34,789 --> 00:20:32,580

were pretty far apart from one another

536

00:20:36,529 --> 00:20:34,799

and uh yeah I get some pretty major

537

00:20:37,909 --> 00:20:36,539

Flack when people are like well how did

538

00:20:39,710 --> 00:20:37,919

you cover moth Bambi you didn't bother

539

00:20:40,789 --> 00:20:39,720

covering injured cold because they had

540

00:20:44,210 --> 00:20:40,799

nothing to do with one another that's

541

00:20:46,909 --> 00:20:44,220

that's why I know several ufologists who

542

00:20:49,370 --> 00:20:46,919

believe there is a connection

543

00:20:51,890 --> 00:20:49,380

um but I'm like you I don't believe

544

00:20:54,289 --> 00:20:51,900

there's any connection whatsoever the

545

00:20:56,150 --> 00:20:54,299

only connection that there may be is

546

00:20:58,190 --> 00:20:56,160

that of course in The Point Pleasant

547

00:21:00,350 --> 00:20:58,200

area and even the Mason County area in

548

00:21:03,529 --> 00:21:00,360

general there was a lot of UFO activity

549

00:21:05,570 --> 00:21:03,539

and still is uh there may be a

550

00:21:07,370 --> 00:21:05,580

connection with what happened up closer

551  
00:21:10,909 --> 00:21:07,380  
to Parkersburg with what happened to

552  
00:21:13,490 --> 00:21:10,919  
Derringer and injured cold but

553  
00:21:16,669 --> 00:21:13,500  
you know that's kind of that's a stretch

554  
00:21:17,750 --> 00:21:16,679  
so but as far as with the Mothman I just

555  
00:21:20,690 --> 00:21:17,760  
don't believe there's any connection

556  
00:21:23,090 --> 00:21:20,700  
whatsoever the only connection that I

557  
00:21:26,210 --> 00:21:23,100  
could even see from like a Outsider

558  
00:21:27,590 --> 00:21:26,220  
perspective would be maybe one theory

559  
00:21:29,930 --> 00:21:27,600  
that we have been exploring pretty

560  
00:21:32,270 --> 00:21:29,940  
recently has been you know

561  
00:21:34,850 --> 00:21:32,280  
the things of high strangeness whether

562  
00:21:37,610 --> 00:21:34,860  
that be UFO Cryptid or even paranormal

563  
00:21:40,310 --> 00:21:37,620

like hauntings you usually come in

564

00:21:44,149 --> 00:21:40,320

threes so maybe injured was the alien

565

00:21:45,770 --> 00:21:44,159

and Mothman was the uh Cryptid you know

566

00:21:47,390 --> 00:21:45,780

and there are less Poltergeist like

567

00:21:49,610 --> 00:21:47,400

activity around that time period as well

568

00:21:51,770 --> 00:21:49,620

that was very prominent Around The Point

569

00:21:53,930 --> 00:21:51,780

Pleasant area yeah uh John Keel wrote

570

00:21:55,430 --> 00:21:53,940

about the the window areas of and not

571

00:21:57,409 --> 00:21:55,440

window areas of high strangers but the

572

00:21:59,510 --> 00:21:57,419

window areas of fear which is something

573

00:22:01,130 --> 00:21:59,520

that's that's so often overlooked in

574

00:22:02,750 --> 00:22:01,140

both the Tower and the Mothman

575

00:22:05,390 --> 00:22:02,760

Prophecies is those windows area because

576

00:22:07,190 --> 00:22:05,400

we I've experienced those myself and

577

00:22:09,110 --> 00:22:07,200

it's one thing to read them it's another

578

00:22:10,490 --> 00:22:09,120

thing to experience one and if the

579

00:22:12,730 --> 00:22:10,500

listeners are unfamiliar what the window

580

00:22:15,649 --> 00:22:12,740

areas of fear that they're speaking of

581

00:22:16,970 --> 00:22:15,659

is you'll walk into you'll you know

582

00:22:19,310 --> 00:22:16,980

you'll be driving or you'll be walking

583

00:22:20,110 --> 00:22:19,320

and then all of a sudden for no apparent

584

00:22:23,390 --> 00:22:20,120

reason

585

00:22:25,610 --> 00:22:23,400

your adrenaline starts to pump you are

586

00:22:27,230 --> 00:22:25,620

borderline terrified your heart's right

587

00:22:29,450 --> 00:22:27,240

your heart's racing anxieties at an

588

00:22:31,190 --> 00:22:29,460

all-time uh all-time high and you're

589

00:22:33,049 --> 00:22:31,200

looking around it's kind of like the the

590

00:22:34,370 --> 00:22:33,059

Predator prey kicks in and you're like

591

00:22:36,770 --> 00:22:34,380

what's going to hurt me with something

592

00:22:38,630 --> 00:22:36,780

going to attack me and it's it's a very

593

00:22:40,970 --> 00:22:38,640

bizarre phenomenon that's in my opinion

594

00:22:43,010 --> 00:22:40,980

not talked about nearly enough and it's

595

00:22:44,390 --> 00:22:43,020

been present when we've looked for UFOs

596

00:22:46,430 --> 00:22:44,400

we've looked for Cryptids and when we

597

00:22:47,810 --> 00:22:46,440

looked for ghost I've had this happen in

598

00:22:49,549 --> 00:22:47,820

all three instances so I think there is

599

00:22:52,730 --> 00:22:49,559

something to it

600

00:22:54,350 --> 00:22:52,740

yeah I think the um and John Keel talked

601  
00:22:58,070 --> 00:22:54,360  
about this I even talked to him about

602  
00:22:59,930 --> 00:22:58,080  
this years ago uh about the uh the

603  
00:23:02,930 --> 00:22:59,940  
portals and the interdimensional

604  
00:23:04,730 --> 00:23:02,940  
theories and ultra-terrestrials and he

605  
00:23:07,250 --> 00:23:04,740  
wrote about it in the Mothman Prophecies

606  
00:23:09,049 --> 00:23:07,260  
he even talked about it on occasion now

607  
00:23:11,270 --> 00:23:09,059  
of course a lot of what was in the book

608  
00:23:14,570 --> 00:23:11,280  
was never got on the film

609  
00:23:16,370 --> 00:23:14,580  
but uh and which is unfortunate but of

610  
00:23:20,630 --> 00:23:16,380  
course it's Hollywood so you know it's

611  
00:23:23,149 --> 00:23:20,640  
it's entertainment but uh yeah I mean I

612  
00:23:25,930 --> 00:23:23,159  
I do believe there there are a lot of

613  
00:23:29,210 --> 00:23:25,940

there's a lot of phenomena that happened

614

00:23:31,130 --> 00:23:29,220

uh at Point Pleasant that was connected

615

00:23:34,330 --> 00:23:31,140

and of course you talked about all the

616

00:23:37,010 --> 00:23:34,340

uh the Poltergeist and and other

617

00:23:38,330 --> 00:23:37,020

paranormal activity which was prevalent

618

00:23:41,510 --> 00:23:38,340

there

619

00:23:44,990 --> 00:23:41,520

decades before that because Point

620

00:23:47,870 --> 00:23:45,000

Pleasant has a very very

621

00:23:49,130 --> 00:23:47,880

strong indigenous

622

00:23:51,649 --> 00:23:49,140

spirit

623

00:23:53,990 --> 00:23:51,659

presence oh and I'm talking about the

624

00:23:56,330 --> 00:23:54,000

rule throughout it uh because the

625

00:23:58,250 --> 00:23:56,340

Shawnee and used to they battled even

626

00:24:00,830 --> 00:23:58,260

tribes that were there before that they

627

00:24:02,450 --> 00:24:00,840

battled other tribes and of course the

628

00:24:04,130 --> 00:24:02,460

settlers that were there there was a lot

629

00:24:07,490 --> 00:24:04,140

of Warring in that area

630

00:24:09,830 --> 00:24:07,500

and it it's palpable uh

631

00:24:13,610 --> 00:24:09,840

people who are sensitive go there it's

632

00:24:15,470 --> 00:24:13,620

it's like you know you can feel it and I

633

00:24:17,510 --> 00:24:15,480

mean that's the first thing I I sensed

634

00:24:21,169 --> 00:24:17,520

with the first time I went there

635

00:24:23,630 --> 00:24:21,179

so um there's a lot of connection there

636

00:24:24,770 --> 00:24:23,640

yeah no absolutely and and what's kind

637

00:24:27,110 --> 00:24:24,780

of funny this is kind of getting away

638

00:24:28,610 --> 00:24:27,120

from Mothman for a second but uh a lot

639

00:24:31,730 --> 00:24:28,620

of what Point Pleasant reminds me of is

640

00:24:33,409 --> 00:24:31,740

it's that trickster Vibe and uh if we if

641

00:24:34,909 --> 00:24:33,419

we want to go into it we have a pretty

642

00:24:37,730 --> 00:24:34,919

interesting little trickster story we

643

00:24:39,950 --> 00:24:37,740

were doing a YouTube video uh completely

644

00:24:41,930 --> 00:24:39,960

non-paranormal related yeah we were

645

00:24:44,029 --> 00:24:41,940

covering a a strange app and we're

646

00:24:45,289 --> 00:24:44,039

actually looking to kind of explain how

647

00:24:46,430 --> 00:24:45,299

the app worked the app's called Rando

648

00:24:49,490 --> 00:24:46,440

Nautica I'm sure you've talked about it

649

00:24:51,230 --> 00:24:49,500

on the show before and uh we had this

650

00:24:52,490 --> 00:24:51,240

very weird experience where like I said

651  
00:24:53,690 --> 00:24:52,500  
we were filming a video and we're just

652  
00:24:56,149 --> 00:24:53,700  
kind of trying to explain how the app

653  
00:24:57,770 --> 00:24:56,159  
works how it you know you kind of plant

654  
00:24:58,730 --> 00:24:57,780  
the idea out then your brain will start

655  
00:25:01,610 --> 00:24:58,740  
to point things out like if you're

656  
00:25:03,649 --> 00:25:01,620  
thinking of the color red or or you know

657  
00:25:06,049 --> 00:25:03,659  
anger or something you'll start to to

658  
00:25:07,850 --> 00:25:06,059  
see things like that in this app when

659  
00:25:10,130 --> 00:25:07,860  
you go to the random locations well we

660  
00:25:13,610 --> 00:25:10,140  
were at a golf course in tip City Ohio

661  
00:25:17,210 --> 00:25:13,620  
it was a disc golf course and the points

662  
00:25:18,950 --> 00:25:17,220  
led us to a a small wooded area and

663  
00:25:20,750 --> 00:25:18,960

again this wasn't supposed to be high

664

00:25:21,770 --> 00:25:20,760

strangest paranormal related to any any

665

00:25:24,350 --> 00:25:21,780

sort

666

00:25:26,450 --> 00:25:24,360

and we are filming at this time and the

667

00:25:28,190 --> 00:25:26,460

videos up on our YouTube channel we walk

668

00:25:30,470 --> 00:25:28,200

into the small wooded area and we

669

00:25:32,769 --> 00:25:30,480

capture on film this

670

00:25:35,510 --> 00:25:32,779

I don't know what to call it creature

671

00:25:36,950 --> 00:25:35,520

we've changed our opinions and Minds

672

00:25:40,610 --> 00:25:36,960

about a hundred times on what this thing

673

00:25:43,310 --> 00:25:40,620

could be but it moves so quickly that we

674

00:25:45,289 --> 00:25:43,320

had to slow it down 120x just to be able

675

00:25:47,450 --> 00:25:45,299

to see a glimpse of this thing and I was

676  
00:25:49,610 --> 00:25:47,460  
filming and what kind of stood out to me

677  
00:25:51,830 --> 00:25:49,620  
is like Brittany said at the before we

678  
00:25:54,769 --> 00:25:51,840  
started the show I'm six six six seven

679  
00:25:57,169 --> 00:25:54,779  
this thing was as big as I was and it

680  
00:25:58,789 --> 00:25:57,179  
was moving so fast that it it frightened

681  
00:26:01,430 --> 00:25:58,799  
me it scared me because I've never seen

682  
00:26:03,529 --> 00:26:01,440  
something as big as me move that fast

683  
00:26:05,269 --> 00:26:03,539  
and it just kind of reminds you of a lot

684  
00:26:07,070 --> 00:26:05,279  
of the stories in Point Pleasant where

685  
00:26:08,570 --> 00:26:07,080  
most of the things were happening in

686  
00:26:10,070 --> 00:26:08,580  
Point Pleasant were they weren't

687  
00:26:11,630 --> 00:26:10,080  
paranormal investigators they were

688  
00:26:13,730 --> 00:26:11,640

farmers they were just local residents

689

00:26:14,990 --> 00:26:13,740

who were taking the trash out and then

690

00:26:17,269 --> 00:26:15,000

all of a sudden mothman's on top of

691

00:26:18,950 --> 00:26:17,279

their you know on top of their barn or

692

00:26:20,510 --> 00:26:18,960

they were going to check out the crops

693

00:26:22,490 --> 00:26:20,520

and they would find mutilated you know

694

00:26:25,190 --> 00:26:22,500

dogs out in the field those sorts of

695

00:26:26,810 --> 00:26:25,200

things were very common back then and it

696

00:26:29,090 --> 00:26:26,820

just kind of brings up the like I said

697

00:26:30,289 --> 00:26:29,100

the trickster Vibe or the randomness of

698

00:26:31,730 --> 00:26:30,299

high strangest and I think Point

699

00:26:34,250 --> 00:26:31,740

Pleasant really

700

00:26:37,970 --> 00:26:34,260

just is the home of that embodies that

701  
00:26:41,450 --> 00:26:39,470  
um I'm gonna ask you a couple questions

702  
00:26:44,090 --> 00:26:41,460  
if you guys don't mind

703  
00:26:46,730 --> 00:26:44,100  
um Nancy Malcolm is has anyone heard any

704  
00:26:47,990 --> 00:26:46,740  
news from injured cold concerning UFOs

705  
00:26:49,430 --> 00:26:48,000  
et's

706  
00:26:51,769 --> 00:26:49,440  
Etc

707  
00:26:53,690 --> 00:26:51,779  
so uh about that no I don't know I

708  
00:26:55,549 --> 00:26:53,700  
mentioned I don't know and look I I'm

709  
00:26:57,169 --> 00:26:55,559  
gonna answer that too but I want to hear

710  
00:26:59,870 --> 00:26:57,179  
what you have to say

711  
00:27:01,430 --> 00:26:59,880  
I I know a few years ago there was uh

712  
00:27:02,870 --> 00:27:01,440  
maybe a year and a half ago someone was

713  
00:27:04,490 --> 00:27:02,880

posting on Reddit and a few other

714

00:27:07,070 --> 00:27:04,500

various forms saying that they were in

715

00:27:09,470 --> 00:27:07,080

contact with injured cold

716

00:27:12,350 --> 00:27:09,480

um through a ghost box app on their

717

00:27:14,149 --> 00:27:12,360

phone and the problem with this ghostbox

718

00:27:16,549 --> 00:27:14,159

app and I'm not going to drag the person

719

00:27:17,930 --> 00:27:16,559

publicly because I it's just one of

720

00:27:19,810 --> 00:27:17,940

those things but the the person who

721

00:27:23,930 --> 00:27:19,820

created the app was a well-known Hoster

722

00:27:25,610 --> 00:27:23,940

and this app when we we looked at it on

723

00:27:27,830 --> 00:27:25,620

our show and kind of tore it down a

724

00:27:30,409 --> 00:27:27,840

little bit and we found that it was

725

00:27:32,210 --> 00:27:30,419

playing very popular sound clips from

726

00:27:34,549 --> 00:27:32,220

various television shows movies and

727

00:27:36,289 --> 00:27:34,559

radio and it was adding a filter or

728

00:27:39,950 --> 00:27:36,299

playing it back or just slowing it down

729

00:27:42,230 --> 00:27:39,960

so I don't necessarily uh I don't know

730

00:27:43,909 --> 00:27:42,240

of anyone that I have come in contact

731

00:27:45,890 --> 00:27:43,919

with or I investigate with her trust

732

00:27:47,510 --> 00:27:45,900

that that has had contact with injury

733

00:27:49,130 --> 00:27:47,520

cold with the exception of if you want

734

00:27:50,149 --> 00:27:49,140

to go the hell you're I was gonna say

735

00:27:52,430 --> 00:27:50,159

hell yeah

736

00:27:54,529 --> 00:27:52,440

um you know I I do think that some of

737

00:27:56,570 --> 00:27:54,539

the injured Mystique rather it's injured

738

00:27:58,130 --> 00:27:56,580

himself his family or what have you I

739

00:28:00,169 --> 00:27:58,140

think that made it itself apparent in

740

00:28:02,090 --> 00:28:00,179

the Hellyer series but we we are aware

741

00:28:05,090 --> 00:28:02,100

of anyone as far as I know

742

00:28:06,250 --> 00:28:05,100

well here I had an incident with a team

743

00:28:09,110 --> 00:28:06,260

member

744

00:28:11,210 --> 00:28:09,120

uh or somebody who's affiliated with the

745

00:28:12,710 --> 00:28:11,220

team and I don't know if I talked about

746

00:28:15,529 --> 00:28:12,720

this when I was on your show I don't

747

00:28:17,870 --> 00:28:15,539

think I did but anyway

748

00:28:19,669 --> 00:28:17,880

um this this friend of his lives up in

749

00:28:23,690 --> 00:28:19,679

Upstate New York

750

00:28:26,510 --> 00:28:23,700

and she was outside outside her house

751  
00:28:28,490 --> 00:28:26,520  
and she saw a winged humanoid

752  
00:28:31,630 --> 00:28:28,500  
and it really shocked her she you know

753  
00:28:34,549 --> 00:28:31,640  
she was absolutely shocked

754  
00:28:36,409 --> 00:28:34,559  
and she ran into the house

755  
00:28:39,350 --> 00:28:36,419  
and she called

756  
00:28:41,269 --> 00:28:39,360  
this a friend of mine this affiliate and

757  
00:28:42,649 --> 00:28:41,279  
was telling him about it and as she was

758  
00:28:46,610 --> 00:28:42,659  
on the phone with him

759  
00:28:50,029 --> 00:28:46,620  
she got a she got a phone call that came

760  
00:28:53,870 --> 00:28:50,039  
up on her phone and the uh the eye the

761  
00:28:57,110 --> 00:28:53,880  
caller ID was injured cold and she she

762  
00:28:59,690 --> 00:28:57,120  
actually so spelled it out

763  
00:29:03,289 --> 00:28:59,700

to this gentleman

764

00:29:05,750 --> 00:29:03,299

and when she when she answered the phone

765

00:29:07,789 --> 00:29:05,760

and this is like five minutes or 10

766

00:29:09,970 --> 00:29:07,799

minutes after she had the encounter and

767

00:29:13,130 --> 00:29:09,980

she hadn't talked to anybody

768

00:29:16,310 --> 00:29:13,140

and when she

769

00:29:19,730 --> 00:29:16,320

you know put him on pause and and call

770

00:29:21,950 --> 00:29:19,740

waiting and and answered the call

771

00:29:24,130 --> 00:29:21,960

the person on the other side of the of

772

00:29:30,049 --> 00:29:24,140

the phone said

773

00:29:34,370 --> 00:29:32,389

and that was it

774

00:29:35,990 --> 00:29:34,380

now she didn't know anything about

775

00:29:38,510 --> 00:29:36,000

injured cold

776

00:29:42,590 --> 00:29:38,520

but that's what came up on the phone ID

777

00:29:45,769 --> 00:29:42,600

the caller ID so he did he went up there

778

00:29:48,590 --> 00:29:45,779

uh she did see this winged humanoid

779

00:29:49,909 --> 00:29:48,600

later that day got a glimpse of it

780

00:29:52,250 --> 00:29:49,919

outside

781

00:29:54,889 --> 00:29:52,260

the you know with the window

782

00:29:56,810 --> 00:29:54,899

but when he went up there there has

783

00:29:58,430 --> 00:29:56,820

there was some paranormal activity in

784

00:29:59,990 --> 00:29:58,440

the house but other than that that was

785

00:30:02,210 --> 00:30:00,000

and I actually

786

00:30:04,130 --> 00:30:02,220

I actually put this past a couple

787

00:30:06,789 --> 00:30:04,140

ufologists a couple of people who were

788

00:30:09,470 --> 00:30:06,799

pretty well versed and injured cold

789

00:30:12,529 --> 00:30:09,480

and uh

790

00:30:17,690 --> 00:30:12,539

the one gentleman who I'm very familiar

791

00:30:22,430 --> 00:30:19,730

uh Ray Keller who's the history

792

00:30:25,730 --> 00:30:22,440

Professor but he's a ufologist in fact

793

00:30:27,950 --> 00:30:25,740

he he has a lot of the great worker

794

00:30:30,350 --> 00:30:27,960

files uh

795

00:30:32,810 --> 00:30:30,360

that you know in his in his collection

796

00:30:34,430 --> 00:30:32,820

and stuff but anyway

797

00:30:36,350 --> 00:30:34,440

he's written several books about the

798

00:30:38,690 --> 00:30:36,360

venetians and such

799

00:30:39,830 --> 00:30:38,700

uh he believes that intercold is still

800

00:30:41,389 --> 00:30:39,840

around

801  
00:30:44,510 --> 00:30:41,399  
and he believes it's working with the

802  
00:30:48,529 --> 00:30:44,520  
government and I asked him I said why

803  
00:30:50,630 --> 00:30:48,539  
why how how did this supposed injured

804  
00:30:52,430 --> 00:30:50,640  
cold on the phone get in contact with

805  
00:30:54,470 --> 00:30:52,440  
her I mean it's almost like the Men in

806  
00:30:57,110 --> 00:30:54,480  
Black scenario I was literally just

807  
00:30:59,330 --> 00:30:57,120  
about to say yeah you see something and

808  
00:31:01,549 --> 00:30:59,340  
then you get you know they show up

809  
00:31:04,909 --> 00:31:01,559  
uh before you even have time to report

810  
00:31:06,769 --> 00:31:04,919  
it but yeah that's this is still an

811  
00:31:09,110 --> 00:31:06,779  
enigma with us

812  
00:31:12,529 --> 00:31:09,120  
um but yeah that but that did actually

813  
00:31:14,690 --> 00:31:12,539

happen bizarre bizarre well to kind of

814

00:31:17,269 --> 00:31:14,700

piggyback off that um and this is just a

815

00:31:19,610 --> 00:31:17,279

Men In Black story less than it is a uh

816

00:31:21,529 --> 00:31:19,620

Android store we have a listener who has

817

00:31:24,169 --> 00:31:21,539

been a one of the day one listeners and

818

00:31:26,810 --> 00:31:24,179

it's a gentleman that I trust a lot and

819

00:31:31,970 --> 00:31:26,820

he I can't say the state but he he works

820

00:31:33,350 --> 00:31:31,980

at a jail and um pretty nearby is a

821

00:31:35,029 --> 00:31:33,360

couple different mines that are still

822

00:31:37,850 --> 00:31:35,039

being actively used here in the US and

823

00:31:40,430 --> 00:31:37,860

then uh SpaceX has a a pretty good

824

00:31:41,930 --> 00:31:40,440

foothold in this area and he's over the

825

00:31:44,389 --> 00:31:41,940

past couple years sent me several

826

00:31:47,750 --> 00:31:44,399

stories of saying hey Bob you know I was

827

00:31:49,130 --> 00:31:47,760

working night shift and we we had a and

828

00:31:51,769 --> 00:31:49,140

there's an awesome Air Force Base

829

00:31:53,930 --> 00:31:51,779

relatively nearby and I'll say you know

830

00:31:55,490 --> 00:31:53,940

we had an Airman come in he had too much

831

00:31:56,950 --> 00:31:55,500

to drink and you know he got thrown in

832

00:32:00,230 --> 00:31:56,960

the drunk tank for the night

833

00:32:01,789 --> 00:32:00,240

Well normally he says you know they'll

834

00:32:03,470 --> 00:32:01,799

call the commander it'll kind of turn

835

00:32:05,090 --> 00:32:03,480

into a thing and then the guy will sleep

836

00:32:07,490 --> 00:32:05,100

it off the next day he'll get released

837

00:32:10,850 --> 00:32:07,500

what have you well in a couple of these

838

00:32:13,370 --> 00:32:10,860

instances he's had these guys pull up

839

00:32:15,289 --> 00:32:13,380

and they always park right off the

840

00:32:16,909 --> 00:32:15,299

camera angles of the jail that he works

841

00:32:18,830 --> 00:32:16,919

in it's like they know exactly where the

842

00:32:21,710 --> 00:32:18,840

camera angles are and they'll walk into

843

00:32:23,450 --> 00:32:21,720

frame and they they do match the Men in

844

00:32:25,430 --> 00:32:23,460

Black type of tire that we've kind of

845

00:32:27,710 --> 00:32:25,440

come accustomed to but it's more modern

846

00:32:30,289 --> 00:32:27,720

it's more you know the Armani suits

847

00:32:31,669 --> 00:32:30,299

versus the old you know JC Penney suits

848

00:32:33,950 --> 00:32:31,679

that we've come to imagine through the

849

00:32:35,090 --> 00:32:33,960

various books and they'll come in and

850

00:32:38,090 --> 00:32:35,100

say hey

851  
00:32:39,710 --> 00:32:38,100  
um so and so has been arrested uh here's

852  
00:32:40,669 --> 00:32:39,720  
our ID we're taking him into custody for

853  
00:32:42,889 --> 00:32:40,679  
the night

854  
00:32:44,149 --> 00:32:42,899  
go ahead and release them to our custody

855  
00:32:45,529 --> 00:32:44,159  
and every single time we'll call his

856  
00:32:47,570 --> 00:32:45,539  
boss and his boss will say yep you have

857  
00:32:49,789 --> 00:32:47,580  
to release them uh they have you know

858  
00:32:51,529 --> 00:32:49,799  
ultimate Authority well he started to

859  
00:32:53,149 --> 00:32:51,539  
research into some of these Airmen that

860  
00:32:54,830 --> 00:32:53,159  
have been arrested put in the drunk tank

861  
00:32:56,510 --> 00:32:54,840  
for various things and it turns out that

862  
00:32:58,010 --> 00:32:56,520  
every single one of these guys has a

863  
00:32:59,750 --> 00:32:58,020

connection with SpaceX they're working

864

00:33:01,490 --> 00:32:59,760

on the contract doing security for the

865

00:33:03,830 --> 00:33:01,500

mines or what have you

866

00:33:05,750 --> 00:33:03,840

and he's pretty confident this is a Men

867

00:33:07,310 --> 00:33:05,760

In Black type scenario that that there's

868

00:33:08,690 --> 00:33:07,320

some interconnection that they have the

869

00:33:10,370 --> 00:33:08,700

ultimate poll to just come and say hey

870

00:33:12,769 --> 00:33:10,380

this guy's not going into jail don't

871

00:33:14,990 --> 00:33:12,779

don't publish it in public record he's

872

00:33:16,430 --> 00:33:15,000

he was never here and that seems to

873

00:33:17,450 --> 00:33:16,440

happen about once every three or four

874

00:33:19,549 --> 00:33:17,460

months they'll send me a message saying

875

00:33:21,230 --> 00:33:19,559

hey it happened again here's here's the

876

00:33:23,570 --> 00:33:21,240

story here's the details and it's he's

877

00:33:25,009 --> 00:33:23,580

the guy's a straight shooter uh call us

878

00:33:26,090 --> 00:33:25,019

I don't know it calls a bunch of the

879

00:33:27,590 --> 00:33:26,100

stories we talk about on the show he's

880

00:33:30,169 --> 00:33:27,600

like hey I don't buy into this crap this

881

00:33:31,370 --> 00:33:30,179

is nonsense but he's one of the types of

882

00:33:33,350 --> 00:33:31,380

guys who when he says something you

883

00:33:35,810 --> 00:33:33,360

listen and it he always has so much

884

00:33:38,630 --> 00:33:35,820

detail it's either this guy is a much

885

00:33:39,889 --> 00:33:38,640

better writer than I'll ever be or what

886

00:33:41,090 --> 00:33:39,899

he's is claiming is happening is

887

00:33:42,350 --> 00:33:41,100

actually happening and we've been trying

888

00:33:45,529 --> 00:33:42,360

to get him on the show we've offered to

889

00:33:47,870 --> 00:33:45,539

do a uh like a voice over you know like

890

00:33:49,310 --> 00:33:47,880

a deep throat type of uh you know voice

891

00:33:50,330 --> 00:33:49,320

effect and he just he doesn't want to

892

00:33:51,649 --> 00:33:50,340

come on the show he's afraid of what

893

00:33:53,930 --> 00:33:51,659

will happen he said that he's had some

894

00:33:56,330 --> 00:33:53,940

other people that he's worked with uh

895

00:33:57,889 --> 00:33:56,340

Speak out spill the beans Spill the

896

00:34:00,110 --> 00:33:57,899

Beans tell folks and then all of a

897

00:34:01,730 --> 00:34:00,120

sudden they no longer have jobs or they

898

00:34:03,470 --> 00:34:01,740

will get incarcerated themselves for

899

00:34:06,710 --> 00:34:03,480

something and he said these guys will be

900

00:34:08,030 --> 00:34:06,720

you know ex-military you know non uh

901  
00:34:09,369 --> 00:34:08,040  
recreational drug users and suddenly

902  
00:34:12,530 --> 00:34:09,379  
look at your drug charge out of nowhere

903  
00:34:14,510 --> 00:34:12,540  
and they will get 10 15 years in jail

904  
00:34:16,129 --> 00:34:14,520  
and it's it's crazy that this it's one

905  
00:34:17,629 --> 00:34:16,139  
it's happened to him I think he said six

906  
00:34:19,669 --> 00:34:17,639  
or seven times he said the first few he

907  
00:34:21,889 --> 00:34:19,679  
kind of looked and he's like oh well a

908  
00:34:23,389 --> 00:34:21,899  
couple Bad Eggs things happen but after

909  
00:34:24,470 --> 00:34:23,399  
we said like the sixth seventh time he's

910  
00:34:26,450 --> 00:34:24,480  
like and these are people that he

911  
00:34:27,589 --> 00:34:26,460  
trained on his shift he knew him he

912  
00:34:30,109 --> 00:34:27,599  
would go to dinner with their families

913  
00:34:31,369 --> 00:34:30,119

and he knew that he wasn't uh you know

914

00:34:32,750 --> 00:34:31,379

that those kind of guys weren't doing

915

00:34:34,310 --> 00:34:32,760

those sorts of things and then all of a

916

00:34:36,349 --> 00:34:34,320

sudden they would talk to Media they

917

00:34:37,849 --> 00:34:36,359

would post it on Facebook two three days

918

00:34:42,050 --> 00:34:37,859

later they'd lose their jobs and be in

919

00:34:45,829 --> 00:34:43,970

hmm

920

00:34:48,829 --> 00:34:45,839

that's interesting

921

00:34:51,349 --> 00:34:48,839

now you know I've been I you know it is

922

00:34:54,530 --> 00:34:51,359

I've been approached by um

923

00:34:56,089 --> 00:34:54,540

the government types in the past

924

00:34:57,349 --> 00:34:56,099

um about certain things I'd be

925

00:35:00,530 --> 00:34:57,359

investigating

926  
00:35:03,530 --> 00:35:00,540  
and I'd be asked very nicely to back off

927  
00:35:05,690 --> 00:35:03,540  
and I I would comply I mean I'm not

928  
00:35:06,890 --> 00:35:05,700  
getting into trouble for anybody quite

929  
00:35:08,210 --> 00:35:06,900  
Frank with you

930  
00:35:11,329 --> 00:35:08,220  
and

931  
00:35:13,490 --> 00:35:11,339  
um they do that they they do I mean they

932  
00:35:16,130 --> 00:35:13,500  
will do that but as far as the Men in

933  
00:35:17,690 --> 00:35:16,140  
Black and all that behind that

934  
00:35:20,930 --> 00:35:17,700  
that is scary

935  
00:35:27,710 --> 00:35:25,069  
hmm I uh I got another question here

936  
00:35:30,170 --> 00:35:27,720  
uh from Vincent he said could Mothman be

937  
00:35:32,630 --> 00:35:30,180  
a century from the Native Americans now

938  
00:35:37,010 --> 00:35:32,640

he's piggybacking off one of my theories

939

00:35:40,670 --> 00:35:38,450

um I mean that's an interesting thought

940

00:35:41,930 --> 00:35:40,680

I mean the thing is with what we found

941

00:35:44,630 --> 00:35:41,940

so we have a series called United

942

00:35:47,329 --> 00:35:44,640

strangest of America and we will

943

00:35:49,970 --> 00:35:47,339

literally dive into uh three to five

944

00:35:52,490 --> 00:35:49,980

stories of Cryptids paranormal and UFOs

945

00:35:53,870 --> 00:35:52,500

in each state individually and the goal

946

00:35:55,849 --> 00:35:53,880

of the series is to kind of draw

947

00:35:57,470 --> 00:35:55,859

parallels between them and okay well

948

00:35:59,810 --> 00:35:57,480

this happened in Minnesota it's also

949

00:36:01,910 --> 00:35:59,820

happening in Oklahoma so this has you

950

00:36:04,490 --> 00:36:01,920

know a consistent uh

951  
00:36:06,410 --> 00:36:04,500  
history of happening so what I've

952  
00:36:09,230 --> 00:36:06,420  
learned with Native American lore and

953  
00:36:11,270 --> 00:36:09,240  
folklore specifically there is so much

954  
00:36:14,270 --> 00:36:11,280  
not talked about that I would not be

955  
00:36:17,150 --> 00:36:14,280  
shocked that if in 10 years we suddenly

956  
00:36:19,430 --> 00:36:17,160  
have stories of a flying humanoid out of

957  
00:36:22,069 --> 00:36:19,440  
Utah that has been passed down in the

958  
00:36:24,710 --> 00:36:22,079  
Uinta Basin for the past 300 years so I

959  
00:36:26,210 --> 00:36:24,720  
could definitely see that I think we at

960  
00:36:28,250 --> 00:36:26,220  
least right now if you ask me in a month

961  
00:36:30,290 --> 00:36:28,260  
it'll change I think right now we kind

962  
00:36:32,089 --> 00:36:30,300  
of are on the uh the thought process of

963  
00:36:33,770 --> 00:36:32,099

the interdimensional Mothman just

964

00:36:36,050 --> 00:36:33,780

because of as we talked about on your

965

00:36:38,450 --> 00:36:36,060

when you were on our show here right

966

00:36:40,370 --> 00:36:38,460

um the the Chicago sightings and then we

967

00:36:42,890 --> 00:36:40,380

have the sightings we cover over in

968

00:36:44,690 --> 00:36:42,900

Chernobyl and all these various uh it

969

00:36:49,450 --> 00:36:44,700

could be a family of Mothman but my only

970

00:36:52,130 --> 00:36:49,460

issue with the the family theory is the

971

00:36:54,109 --> 00:36:52,140

the the personalities seem to line up

972

00:36:56,390 --> 00:36:54,119

one to one and the majority of these

973

00:36:57,770 --> 00:36:56,400

cases and there are a few outliers but

974

00:36:59,150 --> 00:36:57,780

in the majority of the cases they see

975

00:37:00,589 --> 00:36:59,160

they seems to be describing the exact

976

00:37:03,470 --> 00:37:00,599

same creature doing the exact same

977

00:37:07,849 --> 00:37:05,930

well my theory on the Mothman Point

978

00:37:09,410 --> 00:37:07,859

Pleasant and I may have talked about

979

00:37:10,790 --> 00:37:09,420

this on the show but then again I don't

980

00:37:13,190 --> 00:37:10,800

know if I did and I know people here

981

00:37:15,349 --> 00:37:13,200

have heard me before but I think it's a

982

00:37:18,109 --> 00:37:15,359

summoned entity

983

00:37:19,730 --> 00:37:18,119

and the reason I say that is I have done

984

00:37:22,190 --> 00:37:19,740

a lot of

985

00:37:24,170 --> 00:37:22,200

worked over at the West Virginia

986

00:37:26,589 --> 00:37:24,180

Ordinance Works the TNT plan whatever

987

00:37:30,410 --> 00:37:26,599

you want to call it early on

988

00:37:31,370 --> 00:37:30,420

and uh there is a very strong in

989

00:37:33,890 --> 00:37:31,380

business

990

00:37:37,190 --> 00:37:33,900

Spirit energy there

991

00:37:38,870 --> 00:37:37,200

I think around the time when the Mothman

992

00:37:40,790 --> 00:37:38,880

started showing up people started

993

00:37:44,150 --> 00:37:40,800

noticing it around the plant and around

994

00:37:47,870 --> 00:37:44,160

town and around Mason County

995

00:37:50,450 --> 00:37:47,880

um I think that Energy felt threatened

996

00:37:52,310 --> 00:37:50,460

because all the young adults and young

997

00:37:53,569 --> 00:37:52,320

kids and stuff hanging around at the

998

00:37:56,810 --> 00:37:53,579

plant

999

00:37:59,150 --> 00:37:56,820

and I think the Mothman was a summon

1000

00:38:03,910 --> 00:37:59,160

being from another dimension as a

1001

00:38:10,310 --> 00:38:08,150

I think it's remained since then

1002

00:38:12,530 --> 00:38:10,320

I I love that you that you said that

1003

00:38:13,970 --> 00:38:12,540

that it was summoned because uh when we

1004

00:38:15,710 --> 00:38:13,980

first started Tales from the dark and

1005

00:38:17,150 --> 00:38:15,720

you kind of just like reminded me of

1006

00:38:19,130 --> 00:38:17,160

this

1007

00:38:21,230 --> 00:38:19,140

um I was in contact with somebody over

1008

00:38:22,490 --> 00:38:21,240

on Reddit if I I don't I know I don't

1009

00:38:24,710 --> 00:38:22,500

have the conversations anymore because

1010

00:38:25,910 --> 00:38:24,720

Reddit doesn't allow you to save them if

1011

00:38:28,609 --> 00:38:25,920

you don't communicate with the person

1012

00:38:32,630 --> 00:38:28,619

right but I had someone bring up

1013

00:38:34,609 --> 00:38:32,640

um hey I I am in touch with a local uh

1014

00:38:36,170 --> 00:38:34,619

they kept saying satanic cult over and

1015

00:38:37,910 --> 00:38:36,180

over and over and and I when I hear

1016

00:38:40,310 --> 00:38:37,920

something at quote I roll my eyes nine

1017

00:38:42,470 --> 00:38:40,320

times out of ten but they said you know

1018

00:38:44,150 --> 00:38:42,480

this was I think in Indianapolis or

1019

00:38:45,530 --> 00:38:44,160

somewhere in Indiana and they said these

1020

00:38:48,109 --> 00:38:45,540

guys are responsible for the Chicago

1021

00:38:49,790 --> 00:38:48,119

Mothman sightings and I said well what

1022

00:38:51,170 --> 00:38:49,800

do you what do you mean responsible can

1023

00:38:53,690 --> 00:38:51,180

you explain it's like well I talked to

1024

00:38:55,069 --> 00:38:53,700

the girl uh she's my uh co-worker's

1025

00:38:57,530 --> 00:38:55,079

sister or something along those lines I

1026  
00:39:00,290 --> 00:38:57,540  
don't remember the lineage exactly but

1027  
00:39:01,910 --> 00:39:00,300  
they had done some type of a ritual and

1028  
00:39:03,470 --> 00:39:01,920  
they were consistently doing this ritual

1029  
00:39:05,150 --> 00:39:03,480  
because they thought that something

1030  
00:39:07,310 --> 00:39:05,160  
horrible was coming to this part of the

1031  
00:39:08,390 --> 00:39:07,320  
country and they summoned the Mothman

1032  
00:39:11,390 --> 00:39:08,400  
and that was their

1033  
00:39:13,190 --> 00:39:11,400  
goal and it was one of those things that

1034  
00:39:14,329 --> 00:39:13,200  
at the time I kind of just pushed the

1035  
00:39:16,069 --> 00:39:14,339  
back of my head I'm like yeah sure

1036  
00:39:17,390 --> 00:39:16,079  
because when I press for information hey

1037  
00:39:19,790 --> 00:39:17,400  
can you get me in contact with these

1038  
00:39:21,650 --> 00:39:19,800

people of course they couldn't oh well

1039

00:39:23,150 --> 00:39:21,660

I'm just telling you second hand or

1040

00:39:24,829 --> 00:39:23,160

they're not interested in talking to

1041

00:39:26,210 --> 00:39:24,839

anybody you know they'll be upset if I

1042

00:39:27,349 --> 00:39:26,220

even if they knew that I told you and

1043

00:39:29,030 --> 00:39:27,359

I'm sure you get these all the time you

1044

00:39:30,650 --> 00:39:29,040

get people who tell you crazy stories

1045

00:39:31,910 --> 00:39:30,660

but it it's just weird that it kind of

1046

00:39:33,349 --> 00:39:31,920

lines up with your theory there that

1047

00:39:35,329 --> 00:39:33,359

they were summoned so I kind of kind of

1048

00:39:37,609 --> 00:39:35,339

loved that little connection there well

1049

00:39:40,670 --> 00:39:37,619

we have looked into that theory

1050

00:39:42,109 --> 00:39:40,680

during the Chicago investigation and we

1051

00:39:44,630 --> 00:39:42,119

looked into a lot of different stuff

1052

00:39:47,630 --> 00:39:44,640

I've had people down in Indiana have had

1053

00:39:49,730 --> 00:39:47,640

people in Chicago itself who were

1054

00:39:53,329 --> 00:39:49,740

classified themselves as witches

1055

00:39:56,710 --> 00:39:53,339

occultists that that literally

1056

00:40:01,190 --> 00:39:56,720

attempted to summon some type of being

1057

00:40:04,910 --> 00:40:01,200

one actually contacted Tobias Whalen uh

1058

00:40:06,170 --> 00:40:04,920

and told him that they had done a ritual

1059

00:40:09,010 --> 00:40:06,180

where they thought they opened the

1060

00:40:11,990 --> 00:40:09,020

doorway and then released the Mothman or

1061

00:40:14,630 --> 00:40:12,000

winged humanoids onto the public I don't

1062

00:40:16,790 --> 00:40:14,640

know uh it was an interesting it was an

1063

00:40:19,550 --> 00:40:16,800

interesting story but you know I I don't

1064

00:40:20,390 --> 00:40:19,560

know how much I put into it

1065

00:40:23,150 --> 00:40:20,400

um

1066

00:40:25,010 --> 00:40:23,160

but you know this theory about the

1067

00:40:26,930 --> 00:40:25,020

Mothman at Point Pleasant has been

1068

00:40:30,410 --> 00:40:26,940

something I've been

1069

00:40:31,670 --> 00:40:30,420

I I felt strong about for at least 15

1070

00:40:33,710 --> 00:40:31,680

years now

1071

00:40:37,250 --> 00:40:33,720

and um

1072

00:40:40,010 --> 00:40:37,260

when we started working on the Chicago

1073

00:40:43,190 --> 00:40:40,020

investigation especially when it started

1074

00:40:45,470 --> 00:40:43,200

happening at O'Hara res I mean very

1075

00:40:48,890 --> 00:40:45,480

regularly and there was one part over

1076

00:40:52,130 --> 00:40:48,900

here where it was showing up a lot

1077

00:40:56,030 --> 00:40:52,140

that kind of reinforced my

1078

00:40:58,730 --> 00:40:56,040

thoughts that if it wasn't summoned

1079

00:41:02,030 --> 00:40:58,740

it was coming in through a portal of

1080

00:41:06,650 --> 00:41:02,040

some type or from a linear dimension

1081

00:41:09,829 --> 00:41:06,660

like a rip in reality absolutely yeah

1082

00:41:12,650 --> 00:41:09,839

and that that image that that he's that

1083

00:41:14,990 --> 00:41:12,660

uh Vincent is showing right now is one

1084

00:41:17,990 --> 00:41:15,000

of the the entities we have had contact

1085

00:41:20,630 --> 00:41:18,000

with who refer to themselves as the

1086

00:41:23,150 --> 00:41:20,640

Unseen ones and they they do explain the

1087

00:41:25,069 --> 00:41:23,160

different types of beings and the

1088

00:41:27,589 --> 00:41:25,079

different looks they have and you know

1089

00:41:30,950 --> 00:41:27,599

but um

1090

00:41:33,550 --> 00:41:30,960

but I I do believe regardless of that

1091

00:41:38,210 --> 00:41:33,560

that there there is an interdimensional

1092

00:41:41,210 --> 00:41:38,220

aspect to these creatures so um you know

1093

00:41:43,849 --> 00:41:41,220

it it kind of piggybacks on top of what

1094

00:41:46,550 --> 00:41:43,859

we that my theory was which with the

1095

00:41:51,650 --> 00:41:50,030

I could absolutely see that being the

1096

00:41:54,589 --> 00:41:51,660

case and and when it comes to the

1097

00:41:56,569 --> 00:41:54,599

summoning of of these creatures and and

1098

00:41:58,730 --> 00:41:56,579

looking Beyond the Veil or behind the

1099

00:42:00,410 --> 00:41:58,740

veil or however you want to say it I

1100

00:42:02,030 --> 00:42:00,420

think one thing that we definitely want

1101  
00:42:06,530 --> 00:42:02,040  
to keep in mind

1102  
00:42:08,210 --> 00:42:06,540  
during that kind of research is if you

1103  
00:42:10,250 --> 00:42:08,220  
talk to let's say we could talk to

1104  
00:42:12,410 --> 00:42:10,260  
animals right let's say we talk to a

1105  
00:42:14,270 --> 00:42:12,420  
lion the lion would say that they're top

1106  
00:42:16,250 --> 00:42:14,280  
of the food chain and lion would say

1107  
00:42:18,230 --> 00:42:16,260  
that they could do anything that a human

1108  
00:42:20,210 --> 00:42:18,240  
could do they would say that you know

1109  
00:42:22,010 --> 00:42:20,220  
all these different things I think when

1110  
00:42:24,230 --> 00:42:22,020  
we talk about these different creatures

1111  
00:42:26,210 --> 00:42:24,240  
or phenomena in these different camps

1112  
00:42:29,329 --> 00:42:26,220  
we have to keep in mind that their food

1113  
00:42:33,650 --> 00:42:29,339

chain analysis might be

1114

00:42:35,690 --> 00:42:33,660

swayed by biased so the let's say

1115

00:42:37,849 --> 00:42:35,700

Mothman might say that he rules over the

1116

00:42:41,329 --> 00:42:37,859

Unseen ones or the Unseen ones say well

1117

00:42:43,790 --> 00:42:41,339

we actually rule over the menusians sure

1118

00:42:47,089 --> 00:42:43,800

um the connection I feel that we are

1119

00:42:49,069 --> 00:42:47,099

trying to place between these beings and

1120

00:42:50,450 --> 00:42:49,079

and whether it be in summonings or

1121

00:42:53,089 --> 00:42:50,460

whether it be through Spirit Box

1122

00:42:54,770 --> 00:42:53,099

Communications uh because there has

1123

00:42:57,530 --> 00:42:54,780

actually been some very compelling

1124

00:43:00,050 --> 00:42:57,540

evidence when it comes to uh spearbox

1125

00:43:02,930 --> 00:43:00,060

sessions in the domes when it comes to

1126

00:43:05,150 --> 00:43:02,940

uh the Estus method and using that as a

1127

00:43:07,849 --> 00:43:05,160

way to communicate with higher beings

1128

00:43:09,890 --> 00:43:07,859

I've got I've got several very

1129

00:43:13,309 --> 00:43:09,900

compelling EVPs out of one of those

1130

00:43:16,190 --> 00:43:13,319

Dooms yeah the domes are very very

1131

00:43:18,650 --> 00:43:16,200

energized in my opinion yeah absolutely

1132

00:43:20,930 --> 00:43:18,660

but with these connections we have to

1133

00:43:23,089 --> 00:43:20,940

kind of make a mental note of the bias

1134

00:43:25,970 --> 00:43:23,099

that would come from

1135

00:43:28,010 --> 00:43:25,980

these beings and and their place when it

1136

00:43:31,370 --> 00:43:28,020

comes to the universe or the universes

1137

00:43:33,109 --> 00:43:31,380

or however however our Ultimate Reality

1138

00:43:34,670 --> 00:43:33,119

is built

1139

00:43:36,309 --> 00:43:34,680

um so that's just something I just kind

1140

00:43:39,650 --> 00:43:36,319

of want to put in there

1141

00:43:43,069 --> 00:43:39,660

yeah uh and people who are asking about

1142

00:43:46,550 --> 00:43:43,079

recent sightings in the chat at Chicago

1143

00:43:49,250 --> 00:43:46,560

we did have one sighting recently it in

1144

00:43:51,470 --> 00:43:49,260

little little village again

1145

00:43:54,950 --> 00:43:51,480

and I will be covering that on Wednesday

1146

00:43:57,650 --> 00:43:54,960

we just got a report in today from

1147

00:43:59,329 --> 00:43:57,660

O'Hare from the fire department some

1148

00:44:02,510 --> 00:43:59,339

people who worked set worked at the fire

1149

00:44:05,089 --> 00:44:02,520

department at O'Hare they have sightings

1150

00:44:07,130 --> 00:44:05,099

so we will be talking about that we will

1151

00:44:10,490 --> 00:44:07,140

be posting that we got to talk to the

1152

00:44:12,950 --> 00:44:10,500

witnesses uh Manuel is going to follow

1153

00:44:14,329 --> 00:44:12,960

up on that so yeah the the sightings are

1154

00:44:16,790 --> 00:44:14,339

picking up again

1155

00:44:18,230 --> 00:44:16,800

so I am just going to say that I'm sorry

1156

00:44:19,970 --> 00:44:18,240

to interrupt you all but I just want to

1157

00:44:21,530 --> 00:44:19,980

mention that yeah I know you're totally

1158

00:44:23,569 --> 00:44:21,540

fine

1159

00:44:28,490 --> 00:44:26,809

yeah so Jose as which is funny one was

1160

00:44:31,670 --> 00:44:28,500

the most recent Mothman sighting and

1161

00:44:33,230 --> 00:44:31,680

where well there you go O'Hare was

1162

00:44:35,990 --> 00:44:33,240

a couple weeks ago

1163

00:44:38,030 --> 00:44:36,000

so in in October there was one in like I

1164

00:44:40,490 --> 00:44:38,040

said little village so uh another

1165

00:44:45,050 --> 00:44:40,500

neighborhood in Chicago where we've had

1166

00:44:51,050 --> 00:44:48,470

so uh Bob and Brittany what other

1167

00:44:55,430 --> 00:44:51,060

investigation I I saw some photographs

1168

00:44:58,670 --> 00:44:55,440

of images you had of uh the the area 51.

1169

00:45:03,470 --> 00:44:58,680

oh God can you tell us a bit about that

1170

00:45:05,329 --> 00:45:03,480

yeah so for my birthday I don't I don't

1171

00:45:06,710 --> 00:45:05,339

like to uh I don't like to have parties

1172

00:45:10,010 --> 00:45:06,720

I don't like that people are like I'm

1173

00:45:12,950 --> 00:45:10,020

it's kind of weird like I'm the same way

1174

00:45:15,770 --> 00:45:12,960

I don't I I can understand we are not

1175

00:45:19,069 --> 00:45:15,780

very social with when it comes to like

1176

00:45:21,770 --> 00:45:19,079

in our home or or you know locally we'd

1177

00:45:23,569 --> 00:45:21,780

rather travel and CNC things so that's

1178

00:45:25,730 --> 00:45:23,579

what we did for Bob's birthday yeah well

1179

00:45:27,890 --> 00:45:25,740

we we initially uh we were gonna go to

1180

00:45:28,970 --> 00:45:27,900

Eastern Kentucky which next time we're

1181

00:45:30,470 --> 00:45:28,980

on the show we'll tell you all the

1182

00:45:33,050 --> 00:45:30,480

Eastern Kentucky crazy stories because

1183

00:45:34,670 --> 00:45:33,060

that's that's an hour on its own yeah

1184

00:45:36,230 --> 00:45:34,680

um but I said you know Eastern Kentucky

1185

00:45:37,790 --> 00:45:36,240

is going to rain for two straight weeks

1186

00:45:39,650 --> 00:45:37,800

and that's about how long we had for my

1187

00:45:42,290 --> 00:45:39,660

birthday to kind of get off work and to

1188

00:45:44,510 --> 00:45:42,300

just go and do something you know I've

1189

00:45:45,410 --> 00:45:44,520

never seen Colorado I I I'd like to go

1190

00:45:50,390 --> 00:45:45,420

to Denver

1191

00:45:53,089 --> 00:45:50,400

um we spent a few nights there Denver's

1192

00:45:54,530 --> 00:45:53,099

cool it's just too too City for me so

1193

00:45:55,970 --> 00:45:54,540

then we decide well let's go out to

1194

00:45:59,210 --> 00:45:55,980

Estes Park I want to see the Stanley

1195

00:46:01,130 --> 00:45:59,220

Hotel so we got the Stanley Hotel uh we

1196

00:46:02,870 --> 00:46:01,140

had a ton of fun out in Colorado and

1197

00:46:04,790 --> 00:46:02,880

then we were like well let's just keep

1198

00:46:06,109 --> 00:46:04,800

going let's I knew I wanted to go to

1199

00:46:09,470 --> 00:46:06,119

Vegas at some point because I've never

1200

00:46:11,210 --> 00:46:09,480

been so we make our way to California so

1201

00:46:13,790 --> 00:46:11,220

again we're in Ohio so we drove from

1202

00:46:15,470 --> 00:46:13,800

Ohio to California to mount uh Shasta

1203

00:46:19,309 --> 00:46:15,480

and

1204

00:46:21,589 --> 00:46:19,319

got a ton of crazy stories there uh from

1205

00:46:23,930 --> 00:46:21,599

different cult groups to the underground

1206

00:46:25,490 --> 00:46:23,940

civilization yeah the lumerians all

1207

00:46:28,190 --> 00:46:25,500

those conversations we went up on the

1208

00:46:30,710 --> 00:46:28,200

mountain uh I I recorded some very cool

1209

00:46:32,569 --> 00:46:30,720

audio of a uh I don't know if it was a

1210

00:46:35,089 --> 00:46:32,579

native American group or who they were

1211

00:46:38,270 --> 00:46:35,099

they were actually um like doing uh like

1212

00:46:40,790 --> 00:46:38,280

a chance drum Mantra which is amazing

1213

00:46:42,710 --> 00:46:40,800

just to see uh saw some strange lights

1214

00:46:45,589 --> 00:46:42,720

in the sky out on top of the mountain

1215

00:46:47,569 --> 00:46:45,599

and then we made our way to Vegas and so

1216

00:46:49,250 --> 00:46:47,579

uh the Black Mailbox they just showed on

1217

00:46:51,109 --> 00:46:49,260

the screen that's anyone that's that

1218

00:46:54,410 --> 00:46:51,119

knows Area 51 Lord knows all about the

1219

00:46:58,069 --> 00:46:54,420

Black Mailbox we stopped there and then

1220

00:47:01,250 --> 00:46:58,079

we we went out to Area 51 and first we

1221

00:47:03,530 --> 00:47:01,260

went to the little alien which you know

1222

00:47:05,150 --> 00:47:03,540

I I think I had romanticized that a

1223

00:47:07,210 --> 00:47:05,160

little too much in my mind and it wasn't

1224

00:47:10,010 --> 00:47:07,220

what I anticipated

1225

00:47:12,829 --> 00:47:10,020

everybody goes there says the same thing

1226  
00:47:14,510 --> 00:47:12,839  
yeah so then we went out to to Area 51

1227  
00:47:16,069 --> 00:47:14,520  
oh I completely forgot on the way to

1228  
00:47:19,550 --> 00:47:16,079  
California we stopped the he went to

1229  
00:47:21,650 --> 00:47:19,560  
Basin went to Skinwalker language oh my

1230  
00:47:23,809 --> 00:47:21,660  
God yeah we told that story on the

1231  
00:47:25,370 --> 00:47:23,819  
podcast that we got chased out by a dog

1232  
00:47:28,130 --> 00:47:25,380  
there were lights in the sky there were

1233  
00:47:30,050 --> 00:47:28,140  
synchronicities that was an insane story

1234  
00:47:31,930 --> 00:47:30,060  
all on its own yeah if you want to hear

1235  
00:47:34,730 --> 00:47:31,940  
that let us know but

1236  
00:47:37,490 --> 00:47:34,740  
that was a crazy night but anyway the

1237  
00:47:39,589 --> 00:47:37,500  
area 51 yeah the Aryan 51 the center he

1238  
00:47:42,290 --> 00:47:39,599

just showed attached to that is a alien

1239

00:47:44,329 --> 00:47:42,300

brothel hilariously yeah

1240

00:47:46,490 --> 00:47:44,339

um it was like 2 30 in the morning three

1241

00:47:48,349 --> 00:47:46,500

o'clock when we got there and I I drove

1242

00:47:50,930 --> 00:47:48,359

past it I'm like oh I'm just tired that

1243

00:47:52,309 --> 00:47:50,940

didn't say alien brothel and then I

1244

00:47:54,190 --> 00:47:52,319

looked I'm like oh that says alien

1245

00:47:56,329 --> 00:47:54,200

brothel that's the thing

1246

00:47:58,790 --> 00:47:56,339

I didn't attach those photos because

1247

00:48:00,890 --> 00:47:58,800

it's YouTube but it it's like the

1248

00:48:02,569 --> 00:48:00,900

whole thing is just crazy out there and

1249

00:48:05,210 --> 00:48:02,579

it's every you know our Art Bell is

1250

00:48:06,589 --> 00:48:05,220

buried out out uh outside of Vegas and

1251  
00:48:07,970 --> 00:48:06,599  
there's so much history out there when

1252  
00:48:09,890 --> 00:48:07,980  
it comes to ufology it's kind of

1253  
00:48:12,770 --> 00:48:09,900  
impossible not to uh

1254  
00:48:16,250 --> 00:48:12,780  
you know see when you're out there just

1255  
00:48:18,890 --> 00:48:16,260  
the the historical significance of UFOs

1256  
00:48:20,210 --> 00:48:18,900  
to that town and it's so weird uh

1257  
00:48:21,349 --> 00:48:20,220  
because you know Vegas has so much going

1258  
00:48:23,030 --> 00:48:21,359  
on they have an entire underground

1259  
00:48:24,530 --> 00:48:23,040  
civilization living in the sewers that

1260  
00:48:27,530 --> 00:48:24,540  
no one talks about that that's a crazy

1261  
00:48:30,770 --> 00:48:27,540  
part of Vegas but uh it was a lot of fun

1262  
00:48:32,569 --> 00:48:30,780  
my childhood uh my inner child was just

1263  
00:48:34,130 --> 00:48:32,579

screaming the entire time we pulled up

1264

00:48:36,530 --> 00:48:34,140

there there were no other vehicles there

1265

00:48:37,430 --> 00:48:36,540

and it was just one of those things that

1266

00:48:39,890 --> 00:48:37,440

um

1267

00:48:41,690 --> 00:48:39,900

if if you were at all interested in UFOs

1268

00:48:43,550 --> 00:48:41,700

you have to make the trip it's

1269

00:48:45,710 --> 00:48:43,560

terrifying I'm gonna tell you it is

1270

00:48:48,349 --> 00:48:45,720

absolutely terrifying to drive out

1271

00:48:53,270 --> 00:48:48,359

because okay so how it works is to get

1272

00:48:55,510 --> 00:48:53,280

to the town outside of area 51. it is

1273

00:48:58,190 --> 00:48:55,520

what a two-hour drive from Vegas

1274

00:48:59,270 --> 00:48:58,200

in the middle of the desert middle it's

1275

00:49:01,849 --> 00:48:59,280

on by Rachel

1276

00:49:03,650 --> 00:49:01,859

I think so yep Rachel

1277

00:49:05,089 --> 00:49:03,660

um and they have like a little uh in

1278

00:49:08,329 --> 00:49:05,099

there and they also have food and that's

1279

00:49:10,069 --> 00:49:08,339

like the only thing for miles and it's

1280

00:49:11,690 --> 00:49:10,079

in the middle of the desert

1281

00:49:14,569 --> 00:49:11,700

kind of back roads the roads weren't

1282

00:49:17,809 --> 00:49:14,579

that rough but to get to Area 51 you

1283

00:49:22,010 --> 00:49:17,819

actually had to drive behind the Inn

1284

00:49:25,130 --> 00:49:22,020

slash Diner and on this dirt and gravel

1285

00:49:27,710 --> 00:49:25,140

and sand Road Drive I I think it was

1286

00:49:29,329 --> 00:49:27,720

like two miles back drive two miles back

1287

00:49:32,150 --> 00:49:29,339

to actually get to the entrance of Area

1288

00:49:34,430 --> 00:49:32,160

51 and once you get past like this

1289

00:49:36,829 --> 00:49:34,440

little Hill you don't see nothing but

1290

00:49:40,010 --> 00:49:36,839

just desert a couple mountains in The

1291

00:49:42,470 --> 00:49:40,020

Descent no houses no nothing it was

1292

00:49:44,150 --> 00:49:42,480

crazy and there was no one there too

1293

00:49:46,370 --> 00:49:44,160

like I didn't see a single person at

1294

00:49:48,530 --> 00:49:46,380

that entrance at you know cars no

1295

00:49:49,790 --> 00:49:48,540

nothing yeah so what's what's being

1296

00:49:51,170 --> 00:49:49,800

shown on the screen right now that's the

1297

00:49:53,950 --> 00:49:51,180

actual entrance uh if you guys are

1298

00:49:56,510 --> 00:49:53,960

familiar with the raid Area 51

1299

00:49:58,370 --> 00:49:56,520

yeah that's where it took place and you

1300

00:50:01,190 --> 00:49:58,380

know it's interesting because

1301  
00:50:02,870 --> 00:50:01,200  
there was a time and I I said and I've

1302  
00:50:03,770 --> 00:50:02,880  
had people tell me that they don't do it

1303  
00:50:06,230 --> 00:50:03,780  
anymore

1304  
00:50:08,210 --> 00:50:06,240  
they used to the hill above that area

1305  
00:50:10,970 --> 00:50:08,220  
used to have they used to sit up there

1306  
00:50:14,089 --> 00:50:10,980  
and they used to literally come out to

1307  
00:50:17,450 --> 00:50:14,099  
anybody who was within 100 yards of that

1308  
00:50:19,790 --> 00:50:17,460  
that fence yeah it was it was dead I

1309  
00:50:22,790 --> 00:50:19,800  
didn't see nobody I didn't even on the

1310  
00:50:25,130 --> 00:50:22,800  
drive-in no cars there were tracks but I

1311  
00:50:27,290 --> 00:50:25,140  
didn't see any cars yeah oddly enough

1312  
00:50:29,329 --> 00:50:27,300  
right Patterson Air Force Base uh has

1313  
00:50:31,370 --> 00:50:29,339

more higher Security in my opinion than

1314

00:50:33,349 --> 00:50:31,380

Area 51 did because I agree with you

1315

00:50:34,790 --> 00:50:33,359

because I've been there and they do yeah

1316

00:50:36,170 --> 00:50:34,800

you try and sneak on the right path you

1317

00:50:38,450 --> 00:50:36,180

got about five seconds before you're

1318

00:50:40,250 --> 00:50:38,460

tackled it's uh absolutely I love

1319

00:50:42,770 --> 00:50:40,260

Wright-Patt I grew up you know 10 miles

1320

00:50:45,349 --> 00:50:42,780

15 miles away from Wright-Patterson I've

1321

00:50:47,510 --> 00:50:45,359

heard all the stories and it's it's

1322

00:50:49,010 --> 00:50:47,520

I I don't know it was a different vibe

1323

00:50:51,589 --> 00:50:49,020

that that's for sure you can definitely

1324

00:50:53,390 --> 00:50:51,599

tell that yes you're in the uh you're

1325

00:50:54,829 --> 00:50:53,400

you're in somewhere you shouldn't be

1326

00:50:57,230 --> 00:50:54,839

when you pull up on the sign saying no

1327

00:50:58,549 --> 00:50:57,240

photography you will be arrested don't

1328

00:50:59,750 --> 00:50:58,559

do this and we're like we're taking

1329

00:51:00,650 --> 00:50:59,760

pictures yeah we're gonna take the

1330

00:51:02,329 --> 00:51:00,660

pictures

1331

00:51:05,510 --> 00:51:02,339

yeah

1332

00:51:07,309 --> 00:51:05,520

but it was it was crazy well I saw you

1333

00:51:09,230 --> 00:51:07,319

know I knew I knew you sent them these

1334

00:51:11,329 --> 00:51:09,240

pictures to the Vincent so I did want to

1335

00:51:14,089 --> 00:51:11,339

ask you about it uh

1336

00:51:16,309 --> 00:51:14,099

yeah well you guys hit a lot of stuff I

1337

00:51:18,670 --> 00:51:16,319

mean that is a pretty wild like Vince

1338

00:51:22,010 --> 00:51:18,680

has said a pretty crazy

1339

00:51:23,990 --> 00:51:22,020

road trip hitting all that I think I'm

1340

00:51:28,250 --> 00:51:24,000

gone for like a week and a half so we

1341

00:51:32,270 --> 00:51:28,260

drove from Ohio Denver to Shasta Shasta

1342

00:51:35,809 --> 00:51:32,280

to uh Reno Reno to Vegas is that is that

1343

00:51:38,450 --> 00:51:35,819

the route we took yep yeah wow

1344

00:51:40,609 --> 00:51:38,460

yeah I go to Vegas I'm there a week I

1345

00:51:43,069 --> 00:51:40,619

mean you know I'm not going there and

1346

00:51:44,930 --> 00:51:43,079

spend a couple days I'm there a week

1347

00:51:47,270 --> 00:51:44,940

um reach enough for me because I'm tired

1348

00:51:48,890 --> 00:51:47,280

after a week yeah I I think we're kind

1349

00:51:50,210 --> 00:51:48,900

of like Drifters when it comes to us

1350

00:51:52,250 --> 00:51:50,220

going these different places because

1351  
00:51:54,049 --> 00:51:52,260  
we're always like okay we're gonna spend

1352  
00:51:55,490 --> 00:51:54,059  
the entire week here we're gonna do all

1353  
00:51:56,990 --> 00:51:55,500  
these things and then after day two

1354  
00:51:58,849 --> 00:51:57,000  
we're like no let's go somewhere else

1355  
00:52:01,069 --> 00:51:58,859  
yeah it well it reminds me of a few

1356  
00:52:03,230 --> 00:52:01,079  
years ago we went on vacation uh to New

1357  
00:52:06,049 --> 00:52:03,240  
Orleans and we're in New Orleans which

1358  
00:52:08,210 --> 00:52:06,059  
is a place that we absolutely love and

1359  
00:52:11,270 --> 00:52:08,220  
um I happen to see a Reddit post summer

1360  
00:52:12,829 --> 00:52:11,280  
at Summerset Kentucky goblins black SUVs

1361  
00:52:14,270 --> 00:52:12,839  
Men In Black I'm like Brittany we gotta

1362  
00:52:15,589 --> 00:52:14,280  
pack up unfortunately we gotta go home

1363  
00:52:18,890 --> 00:52:15,599

get our equipment we gotta go back down

1364

00:52:21,710 --> 00:52:18,900

to Somerset so I drove from uh summer or

1365

00:52:23,210 --> 00:52:21,720

from New Orleans Louisiana up to the

1366

00:52:24,710 --> 00:52:23,220

northern Peninsula of Michigan because

1367

00:52:26,750 --> 00:52:24,720

this guy had a piece of equipment that

1368

00:52:29,930 --> 00:52:26,760

I've been looking for as an original sb7

1369

00:52:31,309 --> 00:52:29,940

uh the Gen one from Saint Augustine and

1370

00:52:34,250 --> 00:52:31,319

the Gen ones for anyone that's familiar

1371

00:52:35,270 --> 00:52:34,260

that's like the Holy Grail of sb7s I

1372

00:52:36,829 --> 00:52:35,280

drove all the way to Northern Michigan

1373

00:52:40,549 --> 00:52:36,839

then back down down to Somerset Kentucky

1374

00:52:42,829 --> 00:52:40,559

in a day just so wow so we can go chase

1375

00:52:44,990 --> 00:52:42,839

down these uh these goblins yeah we were

1376

00:52:48,410 --> 00:52:45,000

going we went caving that time soon that

1377

00:52:54,230 --> 00:52:50,870

I'm I'm speechless that that's that's

1378

00:52:56,930 --> 00:52:54,240

amazing that's a lot of Drive

1379

00:52:59,630 --> 00:52:56,940

I always feel so bad for our rentals

1380

00:53:02,150 --> 00:52:59,640

yeah what's funny is the girl who uh who

1381

00:53:04,430 --> 00:53:02,160

works at the the the Avis which is where

1382

00:53:07,030 --> 00:53:04,440

we get our rentals she's a fan of the

1383

00:53:09,230 --> 00:53:07,040

show and she's always like

1384

00:53:12,170 --> 00:53:09,240

yeah and it's like how far are you

1385

00:53:13,309 --> 00:53:12,180

really driving and I'm like the plan is

1386

00:53:16,190 --> 00:53:13,319

to go to Louisiana we might hit

1387

00:53:18,230 --> 00:53:16,200

California she's like okay okay that's

1388

00:53:20,750 --> 00:53:18,240

fine like for the the California trip we

1389

00:53:23,030 --> 00:53:20,760

rented a brand new uh Ford Bronco and we

1390

00:53:24,650 --> 00:53:23,040

I said yeah we're gonna go to Denver and

1391

00:53:27,410 --> 00:53:24,660

back and then I brought it back like a

1392

00:53:29,030 --> 00:53:27,420

thousand plus extra miles

1393

00:53:30,770 --> 00:53:29,040

I did see some folks want to know what

1394

00:53:33,109 --> 00:53:30,780

happened at Skinwalker so the brief

1395

00:53:36,650 --> 00:53:33,119

synopsis is we we arrived in the Uinta

1396

00:53:39,890 --> 00:53:36,660

Basin we were we drove from Denver to uh

1397

00:53:41,329 --> 00:53:39,900

the through the Uinta Basin at and we

1398

00:53:42,950 --> 00:53:41,339

ended up in the town that what's the

1399

00:53:44,450 --> 00:53:42,960

town that Skinwalker Ranch is at I don't

1400

00:53:45,950 --> 00:53:44,460

remember I don't remember but one for

1401  
00:53:47,390 --> 00:53:45,960  
one I don't ever recommend anyone drive

1402  
00:53:49,190 --> 00:53:47,400  
through Rocky Mountain National Park at

1403  
00:53:51,470 --> 00:53:49,200  
night oh my God that was terrifying that

1404  
00:53:53,809 --> 00:53:51,480  
was horrifying um I saw the biggest elk

1405  
00:53:56,390 --> 00:53:53,819  
the elk was bigger than the uh car the

1406  
00:53:58,609 --> 00:53:56,400  
Bronco Bronco by far yeah I grew up in

1407  
00:54:00,829 --> 00:53:58,619  
Appalachia Appalachian Mountains and

1408  
00:54:05,569 --> 00:54:00,839  
being on top of those mountains I was

1409  
00:54:07,790 --> 00:54:05,579  
having an absolute panic attack yes

1410  
00:54:09,589 --> 00:54:07,800  
um we make it to the the town outside of

1411  
00:54:11,510 --> 00:54:09,599  
Skinwalker Ranch and I stopped at a gas

1412  
00:54:13,670 --> 00:54:11,520  
station I wake up because I've been

1413  
00:54:14,930 --> 00:54:13,680

sleeping yeah and this the the girl the

1414

00:54:16,609 --> 00:54:14,940

the clerk with the gas station she's

1415

00:54:18,950 --> 00:54:16,619

looking at something on her phone and I

1416

00:54:20,930 --> 00:54:18,960

said hey uh I always have the same Trope

1417

00:54:23,510 --> 00:54:20,940

have you ever seen anything strange in

1418

00:54:24,950 --> 00:54:23,520

the area any strange lights noises

1419

00:54:26,630 --> 00:54:24,960

anything that that's just out of the

1420

00:54:28,370 --> 00:54:26,640

ordinary I try and check up a

1421

00:54:29,569 --> 00:54:28,380

conversation she's like like well

1422

00:54:31,069 --> 00:54:29,579

funnily enough I'm watching a live

1423

00:54:34,010 --> 00:54:31,079

stream of my friend right now out at

1424

00:54:36,470 --> 00:54:34,020

Skinwalker Ranch who's UFO hunting and

1425

00:54:38,210 --> 00:54:36,480

I'm like no that's yeah there's no way

1426

00:54:40,370 --> 00:54:38,220

that's what you just said yeah and I

1427

00:54:42,849 --> 00:54:40,380

kind of stopped and I'm like do you know

1428

00:54:45,410 --> 00:54:42,859

who I am you know

1429

00:54:46,970 --> 00:54:45,420

that's a weird thing for you to say and

1430

00:54:48,890 --> 00:54:46,980

she shows me on the screen she goes well

1431

00:54:50,510 --> 00:54:48,900

hey I'll text him and tell him you're

1432

00:54:52,910 --> 00:54:50,520

coming out there a whole watch for you

1433

00:54:55,010 --> 00:54:52,920

so I'm like absolutely meeting strangers

1434

00:54:58,069 --> 00:54:55,020

and yeah in the middle of the night it's

1435

00:55:00,049 --> 00:54:58,079

like 12 in the morning yeah so we make

1436

00:55:02,150 --> 00:55:00,059

it out there and uh we couldn't find

1437

00:55:03,770 --> 00:55:02,160

this guy and she's like well he's on the

1438

00:55:05,809 --> 00:55:03,780

screen he's like laying on the side of

1439

00:55:08,690 --> 00:55:05,819

some Hill with night vision on his his

1440

00:55:11,450 --> 00:55:08,700

Facebook camera and I I don't know what

1441

00:55:13,970 --> 00:55:11,460

to make of that but we uh she just said

1442

00:55:16,730 --> 00:55:13,980

look for a red car a red truck I think

1443

00:55:18,349 --> 00:55:16,740

is what she said yeah so we we pull up

1444

00:55:19,670 --> 00:55:18,359

to the entrance of Skinwalker Ranch

1445

00:55:22,010 --> 00:55:19,680

which hilariously enough you can put

1446

00:55:24,250 --> 00:55:22,020

that into your your GPS and it'll just

1447

00:55:26,690 --> 00:55:24,260

take you this is the Skinwalker Ranch

1448

00:55:28,609 --> 00:55:26,700

and like I said I know we're gonna press

1449

00:55:30,290 --> 00:55:28,619

for time but basically long story short

1450

00:55:32,210 --> 00:55:30,300

we end up getting we see some strange

1451  
00:55:34,250 --> 00:55:32,220  
lights in the sky and we told the the

1452  
00:55:37,790 --> 00:55:34,260  
full story on the podcast

1453  
00:55:39,530 --> 00:55:37,800  
um we get chased out by these dogs and

1454  
00:55:42,170 --> 00:55:39,540  
you know I've been chased by wild dogs

1455  
00:55:43,069 --> 00:55:42,180  
before I'm not I I understand that

1456  
00:55:45,049 --> 00:55:43,079  
they'll chase you for a little bit

1457  
00:55:47,510 --> 00:55:45,059  
usually to the end of the lane if we're

1458  
00:55:49,730 --> 00:55:47,520  
talking about Appalachian terms well as

1459  
00:55:51,109 --> 00:55:49,740  
we're driving out of Skinwalker Ranch

1460  
00:55:53,930 --> 00:55:51,119  
and we get near the town we're talking

1461  
00:55:55,670 --> 00:55:53,940  
two three four miles I I look at

1462  
00:55:57,589 --> 00:55:55,680  
Brittany I'm like I think

1463  
00:55:59,690 --> 00:55:57,599

we might have like ran into a skin

1464

00:56:00,470 --> 00:55:59,700

walker and she's like stop don't say

1465

00:56:05,210 --> 00:56:00,480

that

1466

00:56:06,950 --> 00:56:05,220

sudden you hear dogs barking behind us

1467

00:56:10,430 --> 00:56:06,960

and chasing the car

1468

00:56:11,990 --> 00:56:10,440

several miles away and the entire night

1469

00:56:13,910 --> 00:56:12,000

was just one thing after the next where

1470

00:56:15,410 --> 00:56:13,920

it was just strange feelings then we

1471

00:56:17,630 --> 00:56:15,420

would see these dogs that would chase us

1472

00:56:19,849 --> 00:56:17,640

and lights in the sky well we were

1473

00:56:22,130 --> 00:56:19,859

actually gonna stay in the town once we

1474

00:56:24,770 --> 00:56:22,140

hit scan Walker Ranch we were we were

1475

00:56:27,650 --> 00:56:24,780

exhausted and there was absolutely after

1476

00:56:29,329 --> 00:56:27,660

that encounter there was no way in he

1477

00:56:33,049 --> 00:56:29,339

double hockey sticks that we were saying

1478

00:56:35,089 --> 00:56:33,059

in that town we left immediately and

1479

00:56:38,030 --> 00:56:35,099

drove all the way to Mount Shasta after

1480

00:56:39,470 --> 00:56:38,040

that there was no way it was terrifying

1481

00:56:41,089 --> 00:56:39,480

wow

1482

00:56:43,430 --> 00:56:41,099

well you know I'm gonna have to have you

1483

00:56:45,770 --> 00:56:43,440

two come back on the show because look

1484

00:56:47,870 --> 00:56:45,780

anytime you you something working on

1485

00:56:50,690 --> 00:56:47,880

something or you go somewhere and you

1486

00:56:52,370 --> 00:56:50,700

seem to be going everywhere uh

1487

00:56:53,930 --> 00:56:52,380

you know let me know I can bring you

1488

00:56:55,730 --> 00:56:53,940

back and we could talk about some things

1489

00:56:58,670 --> 00:56:55,740

we didn't cover tonight but uh

1490

00:57:00,950 --> 00:56:58,680

absolutely this has been great

1491

00:57:03,950 --> 00:57:00,960

um I really appreciate that one we had a

1492

00:57:05,450 --> 00:57:03,960

great time talking to you well yeah you

1493

00:57:07,370 --> 00:57:05,460

know why don't you tell everybody what

1494

00:57:08,690 --> 00:57:07,380

you you know how they can get in contact

1495

00:57:09,230 --> 00:57:08,700

with you

1496

00:57:11,690 --> 00:57:09,240

um

1497

00:57:13,910 --> 00:57:11,700

uh about the podcast and you know

1498

00:57:15,410 --> 00:57:13,920

anything you want to tell them okay uh

1499

00:57:17,030 --> 00:57:15,420

yeah so the number one way we

1500

00:57:18,470 --> 00:57:17,040

communicate and we we are very active in

1501  
00:57:20,390 --> 00:57:18,480  
our Facebook group called Tales from the

1502  
00:57:22,069 --> 00:57:20,400  
dark uh you have to answer two questions

1503  
00:57:23,569 --> 00:57:22,079  
to get in if you don't answer both uh I

1504  
00:57:26,510 --> 00:57:23,579  
I don't care if I know you personally I

1505  
00:57:28,130 --> 00:57:26,520  
do not accept them into this that's just

1506  
00:57:30,109 --> 00:57:28,140  
that's how we kind of weaned out the

1507  
00:57:33,349 --> 00:57:30,119  
crazies over the years not not again the

1508  
00:57:34,970 --> 00:57:33,359  
Bots mainly yeah I should say uh the

1509  
00:57:36,230 --> 00:57:34,980  
website Tales from the dark net where we

1510  
00:57:38,329 --> 00:57:36,240  
have our merchandise you can listen to

1511  
00:57:40,970 --> 00:57:38,339  
our show there uh we have a bunch of

1512  
00:57:42,950 --> 00:57:40,980  
pictures or a bunch of episode uh like

1513  
00:57:44,809 --> 00:57:42,960

synopsis is up there and then we're on

1514

00:57:46,250 --> 00:57:44,819

1515

00:57:47,870 --> 00:57:46,260

we're on it just search Tales from the

1516

00:57:49,549 --> 00:57:47,880

dark we have we're coming up I think on

1517

00:57:51,650 --> 00:57:49,559

200 episodes we might be over 200

1518

00:57:53,510 --> 00:57:51,660

episodes we're over yeah uh we also have

1519

00:57:55,309 --> 00:57:53,520

a YouTube channel uh Tales from the dark

1520

00:57:57,230 --> 00:57:55,319

we have our documentary coming out this

1521

00:57:59,750 --> 00:57:57,240

1522

00:58:02,329 --> 00:57:59,760

farm and uh if you're looking for more

1523

00:58:03,710 --> 00:58:02,339

True Crime again also on every major

1526

00:58:09,530 --> 00:58:07,920

podcast platform and then I uh edit

1527

00:58:11,089 --> 00:58:09,540

videos and I do some co-narration with

1528

00:58:13,549 --> 00:58:11,099

the missing persons mysteries YouTube

1529

00:58:14,809 --> 00:58:13,559

channel so I think that's everywhere

1530

00:58:16,490 --> 00:58:14,819

that I can think of right now but I'm

1531

00:58:18,049 --> 00:58:16,500

sure I forgot something yeah we got a

1532

00:58:22,430 --> 00:58:18,059

lot of irons in the fire that's for sure

1533

00:58:23,569 --> 00:58:22,440

I I understand that I I actually concur

1534

00:58:25,790 --> 00:58:23,579

you know

1535

00:58:28,670 --> 00:58:25,800

1536

00:58:30,890 --> 00:58:28,680
