is also listed below so thanks for your

22

00:02:02,450 --> 00:02:01,259

consideration so tonight yeah we're

23

00:02:03,950 --> 00:02:02,460

going to do a little bit different

24

00:02:07,609 --> 00:02:03,960

tonight because it's going to be mostly

25

00:02:10,729 --> 00:02:07,619

stuff I've received recently

26

00:02:13,130 --> 00:02:10,739

and a lot of it has to do with the um

27

00:02:15,050 --> 00:02:13,140

the Chicago Mothman O'Hare Mothman

28

00:02:16,729 --> 00:02:15,060

O'Hare Batman or whatever you want to

29

00:02:19,449 --> 00:02:16,739

call this thing

30

00:02:22,309 --> 00:02:19,459

uh we got a few new sightings recently

31

00:02:24,650 --> 00:02:22,319

uh that we posted up on the blog and

32

00:02:28,790 --> 00:02:24,660

we're actually involved in more

33

00:02:31,729 --> 00:02:28,800

Witnesses and investigations as well

34

00:02:33,830 --> 00:02:31,739

then at the end uh and I look do me a

35

00:02:35,809 --> 00:02:33,840

favor and save all your questions before

36

00:02:38,210 --> 00:02:35,819

the end you can post them during the

37

00:02:39,729 --> 00:02:38,220

show but Vincent will save them and I'll

38

00:02:43,910 --> 00:02:39,739

answer them at the end

39

00:02:47,509 --> 00:02:43,920

uh but at the last the last presentation

40

00:02:49,790 --> 00:02:47,519

I'm going to make is about my 1988

41

00:02:52,070 --> 00:02:49,800

encounter with a red-eyed Wing humanoid

42

00:02:54,530 --> 00:02:52,080

which happened here in Pennsylvania with

43

00:02:56,270 --> 00:02:54,540

two other individuals and I'm going to

44

00:02:58,250 --> 00:02:56,280

talk about that I know many of you

45

00:02:59,869 --> 00:02:58,260

probably heard this before but you know

46

00:03:02,330 --> 00:02:59,879

if you have questions about it in

47

00:03:05,089 --> 00:03:02,340

particular just you know just post it on

48

00:03:07,490 --> 00:03:05,099

the chat and I'll answer as best I can

49

00:03:08,809 --> 00:03:07,500

so let's start off

50

00:03:12,410 --> 00:03:08,819

um

51  
00:03:15,530 --> 00:03:12,420  
a Chicago fireman station at O'Hare or

52  
00:03:18,170 --> 00:03:15,540  
Airport Station number three

53  
00:03:20,869 --> 00:03:18,180  
was outside by his vehicle when he

54  
00:03:23,449 --> 00:03:20,879  
encountered a chirping red-eyed bat-wing

55  
00:03:26,270 --> 00:03:23,459  
humanoid Standing On Top edge of a

56  
00:03:29,330 --> 00:03:26,280  
nearby building now this report was

57  
00:03:31,250 --> 00:03:29,340  
received uh by the fans of monsters

58  
00:03:33,890 --> 00:03:31,260  
Fortune research team

59  
00:03:36,530 --> 00:03:33,900  
and sent to investigator Emmanuel

60  
00:03:38,930 --> 00:03:36,540  
navarrette over and he posted over UFO

61  
00:03:43,130 --> 00:03:38,940  
Clearinghouse as well

62  
00:03:44,750 --> 00:03:43,140  
so uh this is what he sent the Manuel I

63  
00:03:46,850 --> 00:03:44,760

worked for the Chicago fire department

64

00:03:48,770 --> 00:03:46,860

and it had been stationed at O'Hare

65

00:03:50,149 --> 00:03:48,780

International Airport for the last seven

66

00:03:54,309 --> 00:03:50,159

years

67

00:03:58,910 --> 00:03:54,319

this occurred on Thursday December 29th

68

00:04:00,890 --> 00:03:58,920

2022 at about 2300 hours at O'Hare

69

00:04:03,830 --> 00:04:00,900

station number three

70

00:04:07,430 --> 00:04:03,840

which is just past Terminal 2 and next

71

00:04:09,229 --> 00:04:07,440

to the HVAC plant that sits across the

72

00:04:11,390 --> 00:04:09,239

street

73

00:04:14,630 --> 00:04:11,400

now Vincent will be posting some of the

74

00:04:17,030 --> 00:04:14,640

uh the images I posted from this

75

00:04:19,490 --> 00:04:17,040

uh I was in the middle of my shift and

76  
00:04:21,949 --> 00:04:19,500  
as usual I would bring my laptop with me

77  
00:04:24,950 --> 00:04:21,959  
to watch movies and play games on and I

78  
00:04:27,409 --> 00:04:24,960  
was sitting at my uh laptop when I

79  
00:04:28,310 --> 00:04:27,419  
realized I left my charging cord in my

80  
00:04:30,710 --> 00:04:28,320  
pickup

81  
00:04:32,990 --> 00:04:30,720  
so I got up and ran outside to go and

82  
00:04:36,710 --> 00:04:33,000  
grab it and head back in

83  
00:04:39,830 --> 00:04:36,720  
now as I got my cord I heard what

84  
00:04:41,810 --> 00:04:39,840  
sounded like a chirping sound followed

85  
00:04:43,670 --> 00:04:41,820  
by what sounded like shuffling coming

86  
00:04:46,490 --> 00:04:43,680  
from nearby

87  
00:04:48,770 --> 00:04:46,500  
I looked around and that's when I heard

88  
00:04:49,790 --> 00:04:48,780

the clicking coming from across the

89

00:04:52,550 --> 00:04:49,800

street

90

00:04:56,689 --> 00:04:52,560

I looked up and standing on the edge of

91

00:04:58,490 --> 00:04:56,699

the HVAC plant was a very tall thin

92

00:05:01,909 --> 00:04:58,500

human-like creature

93

00:05:04,330 --> 00:05:01,919

with huge wings that were spread out

94

00:05:07,430 --> 00:05:04,340

the creature was looking directly at me

95

00:05:10,270 --> 00:05:07,440

with a pair of large red eyes that had

96

00:05:13,490 --> 00:05:10,280

the intensity of a pair of tail lights

97

00:05:16,070 --> 00:05:13,500

or one of the lights on the engine

98

00:05:18,770 --> 00:05:16,080

it just stood there and looked at me and

99

00:05:21,469 --> 00:05:18,780

made this rapid clicking sound

100

00:05:23,930 --> 00:05:21,479

I was in complete shock at what I was

101  
00:05:26,990 --> 00:05:23,940  
seeing and just how large this creature

102  
00:05:29,749 --> 00:05:27,000  
was and how enormous its wings were they

103  
00:05:33,170 --> 00:05:29,759  
had to be close to 15 feet from tip to

104  
00:05:34,370 --> 00:05:33,180  
tip and had to be at least seven feet in

105  
00:05:37,189 --> 00:05:34,380  
height

106  
00:05:39,290 --> 00:05:37,199  
the body was thin and its limbs were

107  
00:05:41,150 --> 00:05:39,300  
very thin and long

108  
00:05:43,129 --> 00:05:41,160  
they looked like they were unable to

109  
00:05:45,170 --> 00:05:43,139  
support the tall body but apparently

110  
00:05:46,370 --> 00:05:45,180  
looks can be deceiving from what I was

111  
00:05:49,129 --> 00:05:46,380  
looking at

112  
00:05:51,469 --> 00:05:49,139  
we stared at each other for about six to

113  
00:05:54,770 --> 00:05:51,479

seven seconds before this thing flapped

114

00:05:58,189 --> 00:05:54,780

its wings and silently took to the air

115

00:06:00,529 --> 00:05:58,199

and within a few seconds it disappeared

116

00:06:02,510 --> 00:06:00,539

I stood it out there for at least a

117

00:06:04,850 --> 00:06:02,520

minute before coming to my senses and

118

00:06:07,730 --> 00:06:04,860

realized I should get inside

119

00:06:09,110 --> 00:06:07,740

so when I went inside I told some of my

120

00:06:11,749 --> 00:06:09,120

co-workers

121

00:06:14,810 --> 00:06:11,759

besides the general ribbing there was

122

00:06:16,909 --> 00:06:14,820

also an air of caution more than usual

123

00:06:19,610 --> 00:06:16,919

considering our profession

124

00:06:21,770 --> 00:06:19,620

a few of them spoke up and said that

125

00:06:24,290 --> 00:06:21,780

this was not the first time that had

126

00:06:27,170 --> 00:06:24,300

been seen that it had been seen around

127

00:06:28,850 --> 00:06:27,180

the ABC plant a few times by people and

128

00:06:33,409 --> 00:06:28,860

around the airport by hundreds of

129

00:06:35,870 --> 00:06:33,419

employees passengers and Pilots

130

00:06:38,390 --> 00:06:35,880

they said it had been seen by a few in

131

00:06:41,450 --> 00:06:38,400

the firehouse but are never stuck around

132

00:06:44,029 --> 00:06:41,460

long enough and was working and uh was

133

00:06:47,270 --> 00:06:44,039

more content with just staring at you

134

00:06:49,670 --> 00:06:47,280

and scaring the bejesus out of people

135

00:06:51,170 --> 00:06:49,680

you can't work at O'Hare or for any

136

00:06:52,909 --> 00:06:51,180

length of time without hearing about

137

00:06:55,309 --> 00:06:52,919

your hair Batman

138

00:06:57,409 --> 00:06:55,319

it's practically a legend in and around

139

00:07:00,110 --> 00:06:57,419

the airport and people always claim to

140

00:07:01,909 --> 00:07:00,120

see it all over the airport we spent the

141

00:07:03,710 --> 00:07:01,919

better part of two hours talking about

142

00:07:07,249 --> 00:07:03,720

these sightings and many of my

143

00:07:10,129 --> 00:07:07,259

co-workers shared their own experiences

144

00:07:11,809 --> 00:07:10,139

so after Manuel had talked to this

145

00:07:15,469 --> 00:07:11,819

individual

146

00:07:17,029 --> 00:07:15,479

he he put in his his final notes I was

147

00:07:18,890 --> 00:07:17,039

able to sit down and speak with the

148

00:07:20,749 --> 00:07:18,900

witness during the weekend and

149

00:07:22,370 --> 00:07:20,759

discovered that this witness is a

150

00:07:24,650 --> 00:07:22,380

10-year veteran of the Chicago fire

151  
00:07:26,510 --> 00:07:24,660  
department and has been stationed at

152  
00:07:28,790 --> 00:07:26,520  
O'Hare for at least five years before

153  
00:07:29,990 --> 00:07:28,800  
that was in the military for over 10

154  
00:07:32,150 --> 00:07:30,000  
years

155  
00:07:33,710 --> 00:07:32,160  
he has been a lifelong resident of the

156  
00:07:35,990 --> 00:07:33,720  
city of Chicago and has deep family

157  
00:07:38,089 --> 00:07:36,000  
Roots within his community

158  
00:07:40,969 --> 00:07:38,099  
now the witness stated that his ship

159  
00:07:42,350 --> 00:07:40,979  
began at any normal shift would and that

160  
00:07:44,510 --> 00:07:42,360  
there was nothing

161  
00:07:46,790 --> 00:07:44,520  
particularly of Interest going on during

162  
00:07:48,770 --> 00:07:46,800  
this time he did state that the weekend

163  
00:07:50,749 --> 00:07:48,780

before

164

00:07:52,430 --> 00:07:50,759

it had been record-setting low

165

00:07:54,710 --> 00:07:52,440

temperatures and winds that caused the

166

00:07:56,510 --> 00:07:54,720

airport to basically shut down

167

00:07:58,430 --> 00:07:56,520

now the following we brought

168

00:08:01,189 --> 00:07:58,440

temperatures that were well above normal

169

00:08:03,230 --> 00:08:01,199

in the 60s and low 70s and the sky was

170

00:08:06,110 --> 00:08:03,240

overcast with light drizzle coming down

171

00:08:07,850 --> 00:08:06,120

on the night of the sighting now the

172

00:08:10,129 --> 00:08:07,860

witness stated that he had brought his

173

00:08:11,930 --> 00:08:10,139

laptop as usual so that he could catch

174

00:08:14,390 --> 00:08:11,940

up on a movie that he had been watching

175

00:08:16,249 --> 00:08:14,400

and that he was setting up his laptop

176  
00:08:18,890 --> 00:08:16,259  
when we remember he forgot his charger

177  
00:08:20,450 --> 00:08:18,900  
that was in his truck now he stated that

178  
00:08:23,390 --> 00:08:20,460  
he went outside retrieved his charger

179  
00:08:26,210 --> 00:08:23,400  
from his vehicle and was on his way back

180  
00:08:28,730 --> 00:08:26,220  
inside when he heard a series of clicks

181  
00:08:30,050 --> 00:08:28,740  
and had an overwhelming feeling of being

182  
00:08:32,930 --> 00:08:30,060  
watched

183  
00:08:35,089 --> 00:08:32,940  
I stated that he heard what sounded like

184  
00:08:37,370 --> 00:08:35,099  
shuffling that reminded him of one of

185  
00:08:39,769 --> 00:08:37,380  
his children dragging their feet along

186  
00:08:41,449 --> 00:08:39,779  
he started looking around and that is

187  
00:08:42,829 --> 00:08:41,459  
when he looked to the top of the

188  
00:08:44,269 --> 00:08:42,839

building next door that houses the

189

00:08:46,310 --> 00:08:44,279

heating and cooling plant for the

190

00:08:48,949 --> 00:08:46,320

airport

191

00:08:51,170 --> 00:08:48,959

I stated that he saw a tall thin person

192

00:08:54,710 --> 00:08:51,180

standing on the edge and that person was

193

00:08:57,170 --> 00:08:54,720

looking directly at him with Glock eyes

194

00:08:59,329 --> 00:08:57,180

that glowed brilliant red

195

00:09:02,090 --> 00:08:59,339

he stated that the entity was looking

196

00:09:04,670 --> 00:09:02,100

directly at him and made no motion why

197

00:09:06,350 --> 00:09:04,680

they had eye contact now when asked if

198

00:09:08,930 --> 00:09:06,360

he felt anything while staring at this

199

00:09:10,970 --> 00:09:08,940

entity he stated other than the obvious

200

00:09:13,430 --> 00:09:10,980

shock he did not feel any feeling or

201  
00:09:16,130 --> 00:09:13,440  
dread or impending doom

202  
00:09:18,769 --> 00:09:16,140  
when asked to describe the person or

203  
00:09:20,389 --> 00:09:18,779  
entity that was staring back at him he

204  
00:09:23,449 --> 00:09:20,399  
stated that it was thin

205  
00:09:24,949 --> 00:09:23,459  
and at least seven feet tall and had a

206  
00:09:26,210 --> 00:09:24,959  
pair of wings that were extended from

207  
00:09:28,790 --> 00:09:26,220  
its back

208  
00:09:31,550 --> 00:09:28,800  
he stayed at the wings must have been at

209  
00:09:35,509 --> 00:09:31,560  
least 50 feet in width

210  
00:09:38,750 --> 00:09:35,519  
50 50 I I think it was 15 feet in width

211  
00:09:40,850 --> 00:09:38,760  
and uh looked thin in membrane he stated

212  
00:09:43,070 --> 00:09:40,860  
that the answer he had arms and legs

213  
00:09:46,850 --> 00:09:43,080

that were very thin and abnormally long

214

00:09:49,490 --> 00:09:46,860

and that the entire entity was a shade

215

00:09:52,430 --> 00:09:49,500

of black that was so black that it stood

216

00:09:54,470 --> 00:09:52,440

out against the night sky he stated that

217

00:09:56,090 --> 00:09:54,480

no obvious features were recognizable

218

00:09:57,710 --> 00:09:56,100

other than the two eyes that were

219

00:10:01,430 --> 00:09:57,720

brilliant red

220

00:10:03,949 --> 00:10:01,440

he stated at the entity then

221

00:10:06,530 --> 00:10:03,959

uh that the answer they then began to

222

00:10:08,210 --> 00:10:06,540

slowly flap its wings and took off by

223

00:10:09,769 --> 00:10:08,220

jumping off the building and flying away

224

00:10:11,210 --> 00:10:09,779

into the night in the southerly

225

00:10:13,070 --> 00:10:11,220

direction

226

00:10:14,690 --> 00:10:13,080

when asked if it disappeared in the

227

00:10:16,310 --> 00:10:14,700

night he stated that it was visible

228

00:10:17,990 --> 00:10:16,320

because of the

229

00:10:20,389 --> 00:10:18,000

um because the blacks stood out against

230

00:10:21,949 --> 00:10:20,399

the gray sky that was backlit by all the

231

00:10:24,470 --> 00:10:21,959

lights at the airport for a few seconds

232

00:10:26,509 --> 00:10:24,480

before it was out of sight

233

00:10:28,550 --> 00:10:26,519

now the witness states that he stood

234

00:10:30,350 --> 00:10:28,560

there almost transfixed for upper to a

235

00:10:32,030 --> 00:10:30,360

minute before he decided that it was

236

00:10:34,670 --> 00:10:32,040

prudent for him to get back inside and

237

00:10:37,190 --> 00:10:34,680

tell somebody what he had seen

238

00:10:39,350 --> 00:10:37,200

now once inside the witness stated that

239

00:10:41,630 --> 00:10:39,360

he told his co-workers about what he had

240

00:10:43,490 --> 00:10:41,640

seen and even went into detail as to the

241

00:10:45,590 --> 00:10:43,500

description of the entity now he stated

242

00:10:46,310 --> 00:10:45,600

that besides the usual ribbing that he

243

00:10:48,530 --> 00:10:46,320

used

244

00:10:50,990 --> 00:10:48,540

uh that he got from his co-workers there

245

00:10:53,090 --> 00:10:51,000

was a palpable air of disbelief among

246

00:10:55,250 --> 00:10:53,100

those in the firehouse

247

00:10:56,990 --> 00:10:55,260

the witness stated that he was told by

248

00:10:59,210 --> 00:10:57,000

his co-workers that the entity has

249

00:11:01,970 --> 00:10:59,220

dubbed you a hair Batman by some of the

250

00:11:03,230 --> 00:11:01,980

air some people at the airport and it

251  
00:11:05,329 --> 00:11:03,240  
had been seen by members of the

252  
00:11:08,269 --> 00:11:05,339  
firehouse multiple times

253  
00:11:11,329 --> 00:11:08,279  
The Entity seems to like perching itself

254  
00:11:13,970 --> 00:11:11,339  
on the HVAC building and observing the

255  
00:11:16,610 --> 00:11:13,980  
comings and goings of the firehouse and

256  
00:11:18,530 --> 00:11:16,620  
startling the members who worked there

257  
00:11:20,449 --> 00:11:18,540  
the witness stated that he was told

258  
00:11:22,250 --> 00:11:20,459  
multiple stories by co-workers of

259  
00:11:23,569 --> 00:11:22,260  
sightings and encounters with this

260  
00:11:25,850 --> 00:11:23,579  
winged entity

261  
00:11:28,850 --> 00:11:25,860  
I documented all of them and had my

262  
00:11:30,889 --> 00:11:28,860  
contact information to to the witness to

263  
00:11:32,630 --> 00:11:30,899

pass along to his co-workers in hopes

264

00:11:35,269 --> 00:11:32,640

that they will come forward

265

00:11:37,610 --> 00:11:35,279

I will detail these other signs another

266

00:11:39,650 --> 00:11:37,620

report to be published soon and he has

267

00:11:41,509 --> 00:11:39,660

contacted a few of these these other

268

00:11:43,009 --> 00:11:41,519

firemen

269

00:11:45,710 --> 00:11:43,019

um

270

00:11:50,389 --> 00:11:45,720

there has been interest generated from

271

00:11:53,870 --> 00:11:50,399

Again by The Press and and uh Chicago

272

00:11:55,970 --> 00:11:53,880

uh I talked to two individuals today

273

00:12:00,170 --> 00:11:55,980

or to the newspapers

274

00:12:02,269 --> 00:12:00,180

and uh actually they want to listen to

275

00:12:04,130 --> 00:12:02,279

this uh and see this uh the video

276

00:12:05,210 --> 00:12:04,140

tonight that will be sent to them as

277

00:12:07,550 --> 00:12:05,220

well

278

00:12:09,889 --> 00:12:07,560

so uh yeah this is a pretty important

279

00:12:12,110 --> 00:12:09,899

sighting uh it's always good to get

280

00:12:15,710 --> 00:12:12,120

individuals who work at O'Hare

281

00:12:18,410 --> 00:12:15,720

to come forward now of course

282

00:12:20,449 --> 00:12:18,420

when this happens we normally have a

283

00:12:22,250 --> 00:12:20,459

pushback by the powers that be at the

284

00:12:24,410 --> 00:12:22,260

airport and of course these being city

285

00:12:26,810 --> 00:12:24,420

employees are probably going to be

286

00:12:29,750 --> 00:12:26,820

pushed back as well because

287

00:12:31,850 --> 00:12:29,760

frankly the the city of Chicago and the

288

00:12:35,630 --> 00:12:31,860

mayor's office have not been very condos

289

00:12:38,269 --> 00:12:35,640

as far as actually helping us out which

290

00:12:41,210 --> 00:12:38,279

you know is poor for the course

291

00:12:42,829 --> 00:12:41,220

so anyway that's we'll see what happens

292

00:12:45,350 --> 00:12:42,839

we'll see what else we get out of this

293

00:12:47,629 --> 00:12:45,360

so um save your questions you can go

294

00:12:49,310 --> 00:12:47,639

ahead and post them but but Vincent will

295

00:12:50,750 --> 00:12:49,320

hold on to them and I'll answer them at

296

00:12:53,269 --> 00:12:50,760

the end of the show

297

00:12:56,509 --> 00:12:53,279

so also we had another sighting

298

00:12:59,030 --> 00:12:56,519

a a couple weeks earlier that a little

299

00:13:01,009 --> 00:12:59,040

village woman and her father had just

300

00:13:03,710 --> 00:13:01,019

left the grocery store and crossed the

301  
00:13:06,050 --> 00:13:03,720  
street when they observed a red-eyed

302  
00:13:08,090 --> 00:13:06,060  
batwing humanoid looking directly at

303  
00:13:11,150 --> 00:13:08,100  
them they fled in Terror

304  
00:13:13,310 --> 00:13:11,160  
now this report was also uh sent to

305  
00:13:15,530 --> 00:13:13,320  
Manuel who had posted on UFO

306  
00:13:16,310 --> 00:13:15,540  
Clearinghouse

307  
00:13:18,769 --> 00:13:16,320  
um

308  
00:13:21,230 --> 00:13:18,779  
the witness States my father and I just

309  
00:13:25,009 --> 00:13:21,240  
left the LA barbuya

310  
00:13:27,530 --> 00:13:25,019  
grocery store and we're crossing 32 32nd

311  
00:13:30,769 --> 00:13:27,540  
to go toward my car when we heard what

312  
00:13:32,569 --> 00:13:30,779  
sounded like a baby crying

313  
00:13:34,490 --> 00:13:32,579

we thought it was maybe one of the

314

00:13:36,350 --> 00:13:34,500

neighbors babies but then my father said

315

00:13:38,750 --> 00:13:36,360

you're on Mia

316

00:13:40,850 --> 00:13:38,760

and I was and was pointing towards the

317

00:13:43,250 --> 00:13:40,860

house across the street

318

00:13:46,730 --> 00:13:43,260

I looked and saw a thin black figure

319

00:13:49,730 --> 00:13:46,740

perched on the brick fence post

320

00:13:52,069 --> 00:13:49,740

and looking directly at us this thing

321

00:13:54,350 --> 00:13:52,079

was dark dark black it looked like it

322

00:13:56,690 --> 00:13:54,360

was absorbing the light around it

323

00:13:59,150 --> 00:13:56,700

it was very easy to make out the body

324

00:14:02,329 --> 00:13:59,160

the wings and the long pointed tail that

325

00:14:05,810 --> 00:14:02,339

it swished around much like a cat does

326

00:14:08,930 --> 00:14:05,820

when it is interested in something now

327

00:14:10,310 --> 00:14:08,940

let me note this tail that's something

328

00:14:14,150 --> 00:14:10,320

new

329

00:14:16,430 --> 00:14:14,160

we have not had any uh sightings that

330

00:14:18,889 --> 00:14:16,440

include or details so

331

00:14:20,569 --> 00:14:18,899

you know I I'm sure and you know you've

332

00:14:22,970 --> 00:14:20,579

heard me before I believe we're dealing

333

00:14:25,490 --> 00:14:22,980

with a multiple entities here

334

00:14:27,470 --> 00:14:25,500

so uh the eyes are the most striking

335

00:14:29,150 --> 00:14:27,480

feature as they were glowing bright red

336

00:14:30,410 --> 00:14:29,160

and were locked directly on my father

337

00:14:33,110 --> 00:14:30,420

and me

338

00:14:35,210 --> 00:14:33,120

I was frozen in fear and the only thing

339

00:14:37,490 --> 00:14:35,220

going through my mind was how to defend

340

00:14:38,930 --> 00:14:37,500

my elderly father if this thing decided

341

00:14:41,509 --> 00:14:38,940

to attack us

342

00:14:43,490 --> 00:14:41,519

I could care less about myself but my

343

00:14:45,470 --> 00:14:43,500

father's 70 years old and not able to

344

00:14:46,850 --> 00:14:45,480

move or defend himself if he were

345

00:14:48,650 --> 00:14:46,860

attacked

346

00:14:51,250 --> 00:14:48,660

I could hear my father praying and

347

00:14:55,490 --> 00:14:51,260

asking La version to Guadalupe for

348

00:14:57,889 --> 00:14:55,500

protection and to send this thing away

349

00:14:59,629 --> 00:14:57,899

I managed to tell my father that we

350

00:15:02,030 --> 00:14:59,639

needed to get to the car as quickly as

351

00:15:04,490 --> 00:15:02,040

possible so we could be safe

352

00:15:07,370 --> 00:15:04,500

I press the button to the remote and the

353

00:15:09,530 --> 00:15:07,380

horn chirped as the alarm was

354

00:15:11,569 --> 00:15:09,540

deactivating the car's on the door is

355

00:15:13,490 --> 00:15:11,579

unlocked at the sound of the horn

356

00:15:15,949 --> 00:15:13,500

chirping this thing opened its wings

357

00:15:17,629 --> 00:15:15,959

stood up on the fence post and chirped

358

00:15:19,910 --> 00:15:17,639

back at us

359

00:15:22,610 --> 00:15:19,920

it took off and hover for a few seconds

360

00:15:24,290 --> 00:15:22,620

Wings flapping and making a light

361

00:15:26,449 --> 00:15:24,300

whooshing sound

362

00:15:28,550 --> 00:15:26,459

my father and I dove into the relatively

363

00:15:30,590 --> 00:15:28,560

safety relative safety of the chorus

364

00:15:32,569 --> 00:15:30,600

thing the thing flew away and was gone

365

00:15:35,030 --> 00:15:32,579

from our site

366

00:15:37,910 --> 00:15:35,040

now this thing was maybe three to four

367

00:15:40,850 --> 00:15:37,920

feet tall and thin but its wings were

368

00:15:43,129 --> 00:15:40,860

large and maybe 10 feet when spread out

369

00:15:45,530 --> 00:15:43,139

it looked a lot like bat wings no

370

00:15:47,210 --> 00:15:45,540

feathers were visible I was jet black we

371

00:15:49,189 --> 00:15:47,220

drove straight home my father told my

372

00:15:52,009 --> 00:15:49,199

mother and my sister about our encounter

373

00:15:54,530 --> 00:15:52,019

with this thing and what had happened my

374

00:15:57,889 --> 00:15:54,540

mother said it was probably a bruja

375

00:15:59,750 --> 00:15:57,899

disguised as a lekusa and that we were

376

00:16:02,030 --> 00:15:59,760

lucky we were not attacked either way

377

00:16:05,150 --> 00:16:02,040

she refused to let anyone out of the

378

00:16:08,030 --> 00:16:05,160

house for the rest of the night now

379

00:16:09,590 --> 00:16:08,040

I will note the chirping sounds of

380

00:16:11,449 --> 00:16:09,600

something that have been coming up in

381

00:16:13,189 --> 00:16:11,459

the past year

382

00:16:15,410 --> 00:16:13,199

um I don't think we've had any chirping

383

00:16:19,610 --> 00:16:15,420

sounds of anything on the airport

384

00:16:21,530 --> 00:16:19,620

grounds but areas around the airport uh

385

00:16:24,889 --> 00:16:21,540

particularly

386

00:16:26,930 --> 00:16:24,899

uh in in the suburbs just just outside

387

00:16:29,090 --> 00:16:26,940

the airport we have heard chirping

388

00:16:31,490 --> 00:16:29,100

sounds and clicking sounds from the

389

00:16:33,650 --> 00:16:31,500

witnesses so of course I believe now

390

00:16:38,030 --> 00:16:33,660

this with the tail I think we're getting

391

00:16:40,550 --> 00:16:38,040

into another series of uh these entities

392

00:16:43,430 --> 00:16:40,560

line that this thing was three to four

393

00:16:45,949 --> 00:16:43,440

foot in height and with a tail it may

394

00:16:48,650 --> 00:16:45,959

have been a juvenile so I don't know

395

00:16:52,009 --> 00:16:48,660

well anyway uh Manuel States the

396

00:16:56,329 --> 00:16:52,019

encounter happened on October 25th 2022

397

00:16:58,370 --> 00:16:56,339

in Little Village Chicago about 8 P.M

398

00:17:00,110 --> 00:16:58,380

I spoke with both Witnesses and the

399

00:17:01,790 --> 00:17:00,120

father was quite reluctant to discuss

400

00:17:03,470 --> 00:17:01,800

the matter for fear of invoking the

401  
00:17:05,210 --> 00:17:03,480  
entity and bringing it back to attack

402  
00:17:05,870 --> 00:17:05,220  
him which is something we hear about a

403  
00:17:08,270 --> 00:17:05,880  
lot

404  
00:17:10,010 --> 00:17:08,280  
uh the father spoke mostly through the

405  
00:17:11,809 --> 00:17:10,020  
daughter and I assure him that I

406  
00:17:13,669 --> 00:17:11,819  
understood if he was hesitant to speak

407  
00:17:16,610 --> 00:17:13,679  
regarding the incident

408  
00:17:18,049 --> 00:17:16,620  
the daughter he told her story and said

409  
00:17:19,909 --> 00:17:18,059  
that they had gone to the neighborhood

410  
00:17:21,890 --> 00:17:19,919  
grocery store to get a few grocery items

411  
00:17:23,569 --> 00:17:21,900  
and they were leaving the store and

412  
00:17:24,890 --> 00:17:23,579  
walking toward her car when he incident

413  
00:17:27,169 --> 00:17:24,900

occurred

414

00:17:29,630 --> 00:17:27,179

now when asked about the creature

415

00:17:31,730 --> 00:17:29,640

she said it was small and thin but that

416

00:17:33,590 --> 00:17:31,740

the wings were very noticeable as it set

417

00:17:36,110 --> 00:17:33,600

on the fence post

418

00:17:38,690 --> 00:17:36,120

she said that it had a long pointed tail

419

00:17:41,029 --> 00:17:38,700

that it moved as it observed and the

420

00:17:43,190 --> 00:17:41,039

witness said it reminded of her of a of

421

00:17:45,710 --> 00:17:43,200

her cat and how it moved its tail when

422

00:17:48,110 --> 00:17:45,720

interested or observing something

423

00:17:50,630 --> 00:17:48,120

she described the eyes as very large and

424

00:17:53,330 --> 00:17:50,640

glowing a bright red but the face lacked

425

00:17:55,970 --> 00:17:53,340

any visible features except for the eyes

426  
00:17:57,590 --> 00:17:55,980  
she noted that he observed it that they

427  
00:17:59,510 --> 00:17:57,600  
had observed a remained in complete

428  
00:18:01,549 --> 00:17:59,520  
darkness almost as if it was deserving

429  
00:18:03,470 --> 00:18:01,559  
the surrounding light itself in order to

430  
00:18:05,510 --> 00:18:03,480  
remain invisible

431  
00:18:07,909 --> 00:18:05,520  
she noted that there was a street light

432  
00:18:10,130 --> 00:18:07,919  
right in front of its position even that

433  
00:18:12,770 --> 00:18:10,140  
failed to illuminate the creature

434  
00:18:14,630 --> 00:18:12,780  
as she stated when it took off it was it

435  
00:18:16,730 --> 00:18:14,640  
was thin and that it hovered in place

436  
00:18:18,470 --> 00:18:16,740  
while looking at them and making it

437  
00:18:20,270 --> 00:18:18,480  
sound that sounded like a cross between

438  
00:18:24,230 --> 00:18:20,280

a baby crying

439

00:18:26,810 --> 00:18:24,240

and a cat hissing but much much louder

440

00:18:29,029 --> 00:18:26,820

the witness stated that she and her

441

00:18:31,789 --> 00:18:29,039

father drove into the dove into the car

442

00:18:33,890 --> 00:18:31,799

and that just entered the flew North it

443

00:18:35,810 --> 00:18:33,900

was quickly out of sight

444

00:18:37,730 --> 00:18:35,820

this sighting is one of several that

445

00:18:39,409 --> 00:18:37,740

have been reported in the past at a

446

00:18:41,450 --> 00:18:39,419

little village in Chicago and this

447

00:18:43,730 --> 00:18:41,460

entity so far has been the smallest one

448

00:18:45,950 --> 00:18:43,740

reported by a witness

449

00:18:49,250 --> 00:18:45,960

it is also not the first entry to be

450

00:18:51,470 --> 00:18:49,260

reported as a lekusa which which lends

451  
00:18:53,090 --> 00:18:51,480  
to the very very heavy Hispanic

452  
00:18:54,590 --> 00:18:53,100  
population that makes up the little

453  
00:18:57,710 --> 00:18:54,600  
village neighborhood

454  
00:18:59,450 --> 00:18:57,720  
this citing Report with 48 fans of

455  
00:19:03,110 --> 00:18:59,460  
monsters 14 Research for further

456  
00:19:05,810 --> 00:19:03,120  
investigation now this is the 10th

457  
00:19:07,210 --> 00:19:05,820  
reported citing in uh the little village

458  
00:19:10,549 --> 00:19:07,220  
community

459  
00:19:12,350 --> 00:19:10,559  
uh you know I had stated earlier and I

460  
00:19:15,350 --> 00:19:12,360  
had posted that

461  
00:19:17,870 --> 00:19:15,360  
a large percentage of our sightings

462  
00:19:20,830 --> 00:19:17,880  
throughout the city not necessarily in

463  
00:19:25,490 --> 00:19:20,840

uh Little Village have been by Hispanic

464

00:19:26,090 --> 00:19:25,500

Witnesses which is an interesting note

465

00:19:30,409 --> 00:19:26,100

um

466

00:19:33,529 --> 00:19:30,419

many of them call them lekusas or some

467

00:19:35,110 --> 00:19:33,539

type of bruja or witch or something to

468

00:19:37,909 --> 00:19:35,120

do with the occult

469

00:19:40,549 --> 00:19:37,919

uh so uh

470

00:19:43,070 --> 00:19:40,559

again we're you know we're doing with

471

00:19:44,870 --> 00:19:43,080

some pretty recent sightings

472

00:19:46,789 --> 00:19:44,880

and it looks like we're getting some

473

00:19:48,830 --> 00:19:46,799

changes we're getting different entities

474

00:19:50,330 --> 00:19:48,840

so um

475

00:19:52,669 --> 00:19:50,340

of course we're going to follow up on

476  
00:19:55,730 --> 00:19:52,679  
this and we'll see what goes on in the

477  
00:19:58,850 --> 00:19:55,740  
in the airport as well so

478  
00:20:01,850 --> 00:19:58,860  
I also received some other

479  
00:20:05,029 --> 00:20:01,860  
sightings and reports from

480  
00:20:06,529 --> 00:20:05,039  
the in the recent past

481  
00:20:08,930 --> 00:20:06,539  
um

482  
00:20:12,049 --> 00:20:08,940  
I got this in from a Memphis Tennessee

483  
00:20:14,390 --> 00:20:12,059  
police officer he recalls his bizarre

484  
00:20:18,110 --> 00:20:14,400  
encounter with a lizard humanoid while

485  
00:20:20,990 --> 00:20:18,120  
on special assignment in the late 1980s

486  
00:20:23,810 --> 00:20:21,000  
uh it's pretty interesting and quite

487  
00:20:27,289 --> 00:20:26,029  
now this this incident curtain this is

488  
00:20:29,390 --> 00:20:27,299

what he writes

489

00:20:30,950 --> 00:20:29,400

this incident occurred in Memphis

490

00:20:33,710 --> 00:20:30,960

Tennessee

491

00:20:35,990 --> 00:20:33,720

I started my career as a Memphis police

492

00:20:37,970 --> 00:20:36,000

officer a few years previous to the

493

00:20:40,130 --> 00:20:37,980

1980s

494

00:20:42,590 --> 00:20:40,140

I was on a special assignment at the

495

00:20:44,930 --> 00:20:42,600

time it was 2 A.M and it was a clear

496

00:20:47,029 --> 00:20:44,940

summer night but quite humid

497

00:20:49,010 --> 00:20:47,039

I was in my personal vehicle with the

498

00:20:51,230 --> 00:20:49,020

top down the radio playing I was still

499

00:20:53,150 --> 00:20:51,240

in my uniform including my bulletproof

500

00:20:55,310 --> 00:20:53,160

vest and a gun belt with all the regular

501  
00:20:57,770 --> 00:20:55,320  
equipment attached to it

502  
00:21:00,409 --> 00:20:57,780  
I was heading south on Covington Pike at

503  
00:21:01,970 --> 00:21:00,419  
a good rate of speed and was the only

504  
00:21:04,610 --> 00:21:01,980  
one on the road this part of the road

505  
00:21:07,430 --> 00:21:04,620  
connects the Raleigh Bartlett area in

506  
00:21:09,289 --> 00:21:07,440  
Berkeley in the Berkeley on the to the

507  
00:21:12,289 --> 00:21:09,299  
Berkeley area excuse me

508  
00:21:14,029 --> 00:21:12,299  
the road is slightly elevated as the

509  
00:21:17,029 --> 00:21:14,039  
surrounding area is low and running

510  
00:21:19,250 --> 00:21:17,039  
through is the Wolf River which is a few

511  
00:21:20,510 --> 00:21:19,260  
miles from here it connects to the

512  
00:21:22,970 --> 00:21:20,520  
Mississippi

513  
00:21:26,390 --> 00:21:22,980

uh this area is common referred to by

514

00:21:29,149 --> 00:21:26,400

the locals as Wolf River bottoms

515

00:21:31,070 --> 00:21:29,159

as I was driving in my peripheral vision

516

00:21:32,930 --> 00:21:31,080

over to my right just outside the

517

00:21:36,350 --> 00:21:32,940

headlight Beams I noticed something was

518

00:21:37,430 --> 00:21:36,360

moving fast directly toward the front of

519

00:21:39,049 --> 00:21:37,440

the car

520

00:21:41,390 --> 00:21:39,059

immediately slammed on the brakes

521

00:21:42,770 --> 00:21:41,400

thinking that a deer was running across

522

00:21:45,049 --> 00:21:42,780

the road

523

00:21:47,570 --> 00:21:45,059

but I couldn't have been more wrong it

524

00:21:49,070 --> 00:21:47,580

it came to a screeching halt right in

525

00:21:51,289 --> 00:21:49,080

the middle of the road right in front of

526  
00:21:52,789 --> 00:21:51,299  
the headlights not more than seven feet

527  
00:21:55,610 --> 00:21:52,799  
from my bumper

528  
00:21:58,250 --> 00:21:55,620  
as we both froze in place staring at

529  
00:22:01,070 --> 00:21:58,260  
each other for several seconds

530  
00:22:04,070 --> 00:22:01,080  
it appeared to be three to four feet in

531  
00:22:06,470 --> 00:22:04,080  
tall but it was also crouched

532  
00:22:08,270 --> 00:22:06,480  
it could have been closer to five if it

533  
00:22:09,770 --> 00:22:08,280  
stood straight up but I got the

534  
00:22:13,669 --> 00:22:09,780  
impression that it's current body

535  
00:22:16,010 --> 00:22:13,679  
posture was his normal way of standing

536  
00:22:17,810 --> 00:22:16,020  
and a large head at least compared to a

537  
00:22:19,970 --> 00:22:17,820  
skinny slender body

538  
00:22:21,649 --> 00:22:19,980

it appeared to be dark gray and greenish

539

00:22:23,390 --> 00:22:21,659

in color like the color of an alligator

540

00:22:25,970 --> 00:22:23,400

but the appearance of his skin looks

541

00:22:29,029 --> 00:22:25,980

similar to that of a human's

542

00:22:30,529 --> 00:22:29,039

it had a dark large oval eyes on each

543

00:22:32,270 --> 00:22:30,539

side of the upper part of its face

544

00:22:34,669 --> 00:22:32,280

running slanted

545

00:22:36,950 --> 00:22:34,679

from the top portion of its head to

546

00:22:39,169 --> 00:22:36,960

almost the midsection of the head

547

00:22:43,850 --> 00:22:39,179

it was kind of pointing

548

00:22:45,649 --> 00:22:43,860

you would expect to be a nose however

549

00:22:47,330 --> 00:22:45,659

from what I could tell there was no

550

00:22:50,690 --> 00:22:47,340

distinct nose

551  
00:22:52,789 --> 00:22:50,700  
at least none like a human anyway uh

552  
00:22:55,549 --> 00:22:52,799  
below the eyes was a very thin dark

553  
00:22:56,690 --> 00:22:55,559  
almost black line that I assumed was its

554  
00:22:59,690 --> 00:22:56,700  
mouth

555  
00:23:01,909 --> 00:22:59,700  
it ran from about the same position to a

556  
00:23:04,610 --> 00:23:01,919  
human's mouth would be of however the

557  
00:23:06,830 --> 00:23:04,620  
line ran straight across the lower face

558  
00:23:09,830 --> 00:23:06,840  
in front and then turn upward and

559  
00:23:11,210 --> 00:23:09,840  
slightly back on the head it had no ears

560  
00:23:13,730 --> 00:23:11,220  
that I could see

561  
00:23:16,490 --> 00:23:13,740  
it's body and chest area were rounded

562  
00:23:18,169 --> 00:23:16,500  
like a human but vastly smaller almost

563  
00:23:20,090 --> 00:23:18,179

like a child's

564

00:23:22,970 --> 00:23:20,100

its arms appeared to be longer and

565

00:23:25,070 --> 00:23:22,980

somewhat disproportionate to uh its body

566

00:23:27,110 --> 00:23:25,080

and they were skinny and had a insect

567

00:23:29,330 --> 00:23:27,120

type look to them

568

00:23:31,669 --> 00:23:29,340

I could have made out I could make out

569

00:23:33,649 --> 00:23:31,679

hands but they were also completely

570

00:23:36,110 --> 00:23:33,659

folded at the wrist joint

571

00:23:38,390 --> 00:23:36,120

the legs were long because even with

572

00:23:40,549 --> 00:23:38,400

this thing's shortness I could make out

573

00:23:42,350 --> 00:23:40,559

the top of them even it was with it

574

00:23:45,310 --> 00:23:42,360

being so close to the bumper which is

575

00:23:48,169 --> 00:23:45,320

obscuring the bottom half somewhat

576

00:23:50,149 --> 00:23:48,179

uh they were like the arms then an

577

00:23:52,850 --> 00:23:50,159

insect like that appeared to be jointed

578

00:23:55,370 --> 00:23:52,860

now I did notice its chest area moving

579

00:23:57,470 --> 00:23:55,380

slightly like it was breathing but it it

580

00:24:00,409 --> 00:23:57,480

seemed slow and steady I never noticed

581

00:24:02,750 --> 00:24:00,419

anything like genitalia

582

00:24:03,950 --> 00:24:02,760

uh there was no hair any place that I

583

00:24:05,930 --> 00:24:03,960

could see

584

00:24:09,409 --> 00:24:05,940

and I'm not even sure if it was wearing

585

00:24:11,029 --> 00:24:09,419

any type of clothing what if it was it

586

00:24:13,250 --> 00:24:11,039

had to be in skid and tight and I never

587

00:24:15,950 --> 00:24:13,260

noticed a tail at any point

588

00:24:18,590 --> 00:24:15,960

now my adrenaline was pumping and it was

589

00:24:20,390 --> 00:24:18,600

only a brief period of observation it

590

00:24:22,430 --> 00:24:20,400

again took off like a shot and it was

591

00:24:24,529 --> 00:24:22,440

out of my headlights

592

00:24:27,110 --> 00:24:24,539

I could still make out its outline in

593

00:24:29,690 --> 00:24:27,120

the darkness and it was moving like a

594

00:24:31,430 --> 00:24:29,700

sprinter it leaped over the guard rail

595

00:24:34,010 --> 00:24:31,440

onto the other side of the road and down

596

00:24:36,110 --> 00:24:34,020

the embankment I will admit that this

597

00:24:37,669 --> 00:24:36,120

was not the only bizarre incident that I

598

00:24:40,370 --> 00:24:37,679

had during my career but it definitely

599

00:24:42,409 --> 00:24:40,380

was the strangest I never told anyone on

600

00:24:44,690 --> 00:24:42,419

the force about the encounter in fact I

601  
00:24:47,149 --> 00:24:44,700  
only mentioned it to a close friend

602  
00:24:49,130 --> 00:24:47,159  
during these many years I can only

603  
00:24:50,470 --> 00:24:49,140  
identify as a lizard man or unknown

604  
00:24:53,570 --> 00:24:50,480  
humanoid

605  
00:24:58,190 --> 00:24:53,580  
and I would never believed it unless I

606  
00:25:02,090 --> 00:25:01,130  
that's an interesting story you know it

607  
00:25:06,230 --> 00:25:02,100  
was

608  
00:25:09,950 --> 00:25:06,240  
another

609  
00:25:13,250 --> 00:25:09,960  
Olympus final Memphis associate who's an

610  
00:25:15,890 --> 00:25:13,260  
investigator it was told to him

611  
00:25:17,450 --> 00:25:15,900  
so I found that quite interesting we

612  
00:25:20,270 --> 00:25:17,460  
don't get a whole lot of these Lizard

613  
00:25:22,850 --> 00:25:20,280

Man or type humanoid sightings but I

614

00:25:25,490 --> 00:25:22,860

thought that was quite interesting

615

00:25:28,610 --> 00:25:25,500

now here's something else that we have

616

00:25:30,649 --> 00:25:28,620

gotten recently and um

617

00:25:33,169 --> 00:25:30,659

I don't know what to make of this

618

00:25:35,149 --> 00:25:33,179

but we did get another sighting that

619

00:25:37,010 --> 00:25:35,159

followed this initial setting even

620

00:25:39,409 --> 00:25:37,020

though it was the earlier one was

621

00:25:41,990 --> 00:25:39,419

somewhat older

622

00:25:45,470 --> 00:25:42,000

uh a San Bernardino County California

623

00:25:48,950 --> 00:25:45,480

realtor recounts an incident that he

624

00:25:50,269 --> 00:25:48,960

when he hit a cryptic canine with his

625

00:25:53,510 --> 00:25:50,279

car

626  
00:25:56,630 --> 00:25:53,520  
26 years later he encounters a similar

627  
00:25:58,610 --> 00:25:56,640  
beast in his residential neighborhood

628  
00:26:02,149 --> 00:25:58,620  
now I recently received this account

629  
00:26:05,750 --> 00:26:04,250  
I tucked this away and never told anyone

630  
00:26:08,029 --> 00:26:05,760  
before

631  
00:26:11,149 --> 00:26:08,039  
we live in Southern California east of

632  
00:26:13,390 --> 00:26:11,159  
L.A and this incident occurred in 1996.

633  
00:26:15,529 --> 00:26:13,400  
my wife and I were leaving home early

634  
00:26:17,510 --> 00:26:15,539  
that morning

635  
00:26:19,310 --> 00:26:17,520  
it was still dark and as we were trying

636  
00:26:21,409 --> 00:26:19,320  
to get onto the major highway near our

637  
00:26:23,750 --> 00:26:21,419  
home when we hit something coming out of

638  
00:26:25,850 --> 00:26:23,760

a residential construction area

639

00:26:28,010 --> 00:26:25,860

it ran extremely fast in front of the

640

00:26:29,029 --> 00:26:28,020

car I had no time to stop so I hit this

641

00:26:31,310 --> 00:26:29,039

thing

642

00:26:33,590 --> 00:26:31,320

I came to a stop as soon as possible I

643

00:26:36,049 --> 00:26:33,600

told my wife I was going to get out and

644

00:26:39,950 --> 00:26:36,059

look at what I hit she begged me not to

645

00:26:42,350 --> 00:26:39,960

get out I was sure that I hit a dog

646

00:26:44,690 --> 00:26:42,360

I stepped out and as I rounded the car

647

00:26:46,010 --> 00:26:44,700

the headlights of my car Shone upon

648

00:26:48,230 --> 00:26:46,020

something

649

00:26:50,090 --> 00:26:48,240

that I never seen before

650

00:26:52,190 --> 00:26:50,100

it was Disturbed

651  
00:26:54,529 --> 00:26:52,200  
I backed up a little bit and I realized

652  
00:26:56,630 --> 00:26:54,539  
what I had hit wasn't a dog

653  
00:26:58,549 --> 00:26:56,640  
I have owned and trained large dogs for

654  
00:27:00,230 --> 00:26:58,559  
most of my life but nothing compared to

655  
00:27:02,630 --> 00:27:00,240  
the size of this thing

656  
00:27:05,390 --> 00:27:02,640  
nothing about it resembled what I would

657  
00:27:08,750 --> 00:27:05,400  
say was a domesticated canine everything

658  
00:27:11,210 --> 00:27:08,760  
about it was wild and bulky it had what

659  
00:27:12,769 --> 00:27:11,220  
looked like a lion's mane it had teeth

660  
00:27:14,690 --> 00:27:12,779  
that looked like it came out of a

661  
00:27:17,510 --> 00:27:14,700  
Hollywood horror movie

662  
00:27:20,990 --> 00:27:17,520  
I can't even describe begin to describe

663  
00:27:23,510 --> 00:27:21,000

the Fright I had seen this thing

664

00:27:25,430 --> 00:27:23,520

I backed up a bit more I could see its

665

00:27:27,110 --> 00:27:25,440

teeth for unusually big and sharp and

666

00:27:28,909 --> 00:27:27,120

there was a pull of blood forming

667

00:27:31,430 --> 00:27:28,919

underneath its mouth

668

00:27:34,549 --> 00:27:31,440

its eyes were open but it wasn't moving

669

00:27:36,830 --> 00:27:34,559

I could see the bright Amber eye color

670

00:27:39,350 --> 00:27:36,840

my wife stepped out of the car and asked

671

00:27:43,610 --> 00:27:39,360

what it was I said I don't know we got

672

00:27:47,029 --> 00:27:43,620

in and I backed up and drove around it

673

00:27:48,950 --> 00:27:47,039

I said it was still there I said if it's

674

00:27:51,289 --> 00:27:48,960

still there when we get back home I'll

675

00:27:53,210 --> 00:27:51,299

take a closer look

676  
00:27:56,210 --> 00:27:53,220  
so later that day

677  
00:27:57,830 --> 00:27:56,220  
when we got back it was gone a dried

678  
00:28:00,049 --> 00:27:57,840  
pool of blood it was the only evidence

679  
00:28:03,649 --> 00:28:00,059  
that remained to this day we kept quiet

680  
00:28:05,810 --> 00:28:03,659  
about the incident so 26 years later

681  
00:28:08,149 --> 00:28:05,820  
I now feel felt compelled to come

682  
00:28:11,210 --> 00:28:08,159  
forward not because I feel guilty about

683  
00:28:13,789 --> 00:28:11,220  
the experience because I had another

684  
00:28:16,789 --> 00:28:13,799  
unexplained sighting

685  
00:28:19,549 --> 00:28:16,799  
now we live in the same home as we did

686  
00:28:21,649 --> 00:28:19,559  
when the previous incident occurred one

687  
00:28:24,049 --> 00:28:21,659  
evening I was a few blocks away from my

688  
00:28:26,210 --> 00:28:24,059

house going through a house that I was

689

00:28:28,549 --> 00:28:26,220

getting ready to sell I'm a realtor and

690

00:28:30,769 --> 00:28:28,559

own a real estate business

691

00:28:32,810 --> 00:28:30,779

when I was finished I exited the front

692

00:28:35,330 --> 00:28:32,820

door of the house walked to my car that

693

00:28:37,669 --> 00:28:35,340

was parked in the driveway and got in

694

00:28:40,250 --> 00:28:37,679

as I backed up into the street I

695

00:28:41,870 --> 00:28:40,260

observed a large upright Beast cross

696

00:28:43,789 --> 00:28:41,880

behind me

697

00:28:45,649 --> 00:28:43,799

I immediately stopped and looked out the

698

00:28:47,690 --> 00:28:45,659

passenger window this creature was

699

00:28:49,610 --> 00:28:47,700

running on two legs in between the house

700

00:28:52,010 --> 00:28:49,620

and the neighbor's property

701  
00:28:54,590 --> 00:28:52,020  
I said in the car dumbfounded but what I

702  
00:28:57,590 --> 00:28:54,600  
just witnessed then I had a flashback of

703  
00:28:59,390 --> 00:28:57,600  
the incident in 1996. I quickly realized

704  
00:29:02,810 --> 00:28:59,400  
that this was either the same creature

705  
00:29:05,210 --> 00:29:02,820  
or something very similar

706  
00:29:07,730 --> 00:29:05,220  
what was that was the last time I saw

707  
00:29:10,310 --> 00:29:07,740  
this creature but now I realize that

708  
00:29:12,649 --> 00:29:10,320  
there's an unknown upright canine like

709  
00:29:15,169 --> 00:29:12,659  
Beast living in the area

710  
00:29:17,149 --> 00:29:15,179  
thinking back to the latest encounter I

711  
00:29:19,370 --> 00:29:17,159  
estimate that it easily stood eight foot

712  
00:29:20,930 --> 00:29:19,380  
in height and had a very human-like gate

713  
00:29:23,389 --> 00:29:20,940

when it was running

714

00:29:25,490 --> 00:29:23,399

I read your post about Dogman and

715

00:29:27,830 --> 00:29:25,500

upright canines and I believe that's

716

00:29:32,029 --> 00:29:27,840

what I witnessed on both occasions

717

00:29:34,669 --> 00:29:32,039

if I see it again I will inform you now

718

00:29:37,130 --> 00:29:34,679

I did talk to the witness by telephone

719

00:29:39,590 --> 00:29:37,140

and he's reluctant to give me his exact

720

00:29:41,930 --> 00:29:39,600

location currently only telling me that

721

00:29:44,049 --> 00:29:41,940

he lives in San Bernardino Cana San

722

00:29:46,789 --> 00:29:44,059

Bernardino County

723

00:29:50,330 --> 00:29:46,799

uh now I'm sure if he has another

724

00:29:52,190 --> 00:29:50,340

encounter he'll be contacting me quite

725

00:29:53,870 --> 00:29:52,200

fearful about this upright canine room

726

00:29:57,049 --> 00:29:53,880

in the neighborhood

727

00:29:58,669 --> 00:29:57,059

so a few days later after I posted that

728

00:30:01,490 --> 00:29:58,679

account

729

00:30:02,870 --> 00:30:01,500

a San Bernardino California resident

730

00:30:06,049 --> 00:30:02,880

recalls

731

00:30:07,850 --> 00:30:06,059

a sighting of a cryptic canine in the

732

00:30:09,649 --> 00:30:07,860

area near his home

733

00:30:11,750 --> 00:30:09,659

now this is a follow-up to the recent

734

00:30:16,310 --> 00:30:11,760

post it also mentioned the conversation

735

00:30:19,310 --> 00:30:16,320

that he had with a serrano native

736

00:30:23,149 --> 00:30:21,049

and you know of course this was the

737

00:30:25,430 --> 00:30:23,159

report and response to the upright dog

738

00:30:28,250 --> 00:30:25,440

man twice encountered by the San

739

00:30:30,169 --> 00:30:28,260

Bernardino County realtor

740

00:30:32,690 --> 00:30:30,179

now he states to me I just read about

741

00:30:35,090 --> 00:30:32,700

the realtor who saw the werewolf in San

742

00:30:37,730 --> 00:30:35,100

Bernardino County California

743

00:30:42,529 --> 00:30:37,740

I saw a dog man in the North verdemont

744

00:30:44,389 --> 00:30:42,539

Area a Devore California in 1998.

745

00:30:46,610 --> 00:30:44,399

I grew up there and I personally know

746

00:30:49,909 --> 00:30:46,620

others who have seen the same creature

747

00:30:52,310 --> 00:30:49,919

in the same general area it's not a hoax

748

00:30:54,769 --> 00:30:52,320

anyone who lived in that area for a long

749

00:30:56,870 --> 00:30:54,779

time could tell you that either that

750

00:30:58,730 --> 00:30:56,880

they either experienced or heard stories

751  
00:30:59,870 --> 00:30:58,740  
of strange things roaming around the

752  
00:31:02,990 --> 00:30:59,880  
wilderness

753  
00:31:05,570 --> 00:31:03,000  
at that time it was a very still very

754  
00:31:07,430 --> 00:31:05,580  
rural and undeveloped now I had a

755  
00:31:09,950 --> 00:31:07,440  
conversation with a native man from the

756  
00:31:13,130 --> 00:31:09,960  
San Manuel tribal band of mission

757  
00:31:15,230 --> 00:31:13,140  
Indians which are serrano peoples he

758  
00:31:18,169 --> 00:31:15,240  
told me that he believed it may have

759  
00:31:20,930 --> 00:31:18,179  
been a medicine man from his tribe and

760  
00:31:23,029 --> 00:31:20,940  
that we were lucky to to have seen the

761  
00:31:25,730 --> 00:31:23,039  
creature as many other people have only

762  
00:31:27,409 --> 00:31:25,740  
ever heard stories and never seen it for

763  
00:31:30,409 --> 00:31:27,419

themselves

764

00:31:31,130 --> 00:31:30,419

I said I was 13 or 14 years old at the

765

00:31:34,250 --> 00:31:31,140

time

766

00:31:36,230 --> 00:31:34,260

that night my band had played a battle

767

00:31:37,669 --> 00:31:36,240

of the band show at the Showcase Theater

768

00:31:40,130 --> 00:31:37,679

in Corona

769

00:31:42,769 --> 00:31:40,140

when we came home from the show I went

770

00:31:44,630 --> 00:31:42,779

to the side of the house there shed to

771

00:31:47,810 --> 00:31:44,640

relieve myself and smoke a cigarette

772

00:31:49,909 --> 00:31:47,820

that I had stashed I looked out into the

773

00:31:52,010 --> 00:31:49,919

field and gazed upon the trees and a

774

00:31:52,909 --> 00:31:52,020

familiar scenery that I've known all my

775

00:31:55,430 --> 00:31:52,919

life

776

00:31:58,010 --> 00:31:55,440

I know the landscape perfectly

777

00:32:00,590 --> 00:31:58,020

but one thing that was out of place and

778

00:32:02,750 --> 00:32:00,600

at first I could tell what it was I was

779

00:32:05,630 --> 00:32:02,760

seeing what I saw was what appeared at

780

00:32:08,090 --> 00:32:05,640

first to be a man walking then running

781

00:32:10,310 --> 00:32:08,100

through the field on the side of my

782

00:32:12,350 --> 00:32:10,320

parents house in the early am hours

783

00:32:14,510 --> 00:32:12,360

maybe one or two A.M

784

00:32:16,789 --> 00:32:14,520

this was extremely out of the ordinary

785

00:32:18,289 --> 00:32:16,799

for the time and place and no one will

786

00:32:20,870 --> 00:32:18,299

ever be out there

787

00:32:23,149 --> 00:32:20,880

its movements didn't look normal its

788

00:32:25,310 --> 00:32:23,159

legs were funny when then I noticed that

789

00:32:29,029 --> 00:32:25,320

they had a head of a dog like a coyote

790

00:32:29,039 --> 00:32:31,549

um

791

00:32:35,690 --> 00:32:33,710

it was heading north towards the

792

00:32:37,669 --> 00:32:35,700

mountains with the strangest movements I

793

00:32:38,630 --> 00:32:37,679

can't describe it it just didn't look

794

00:32:40,850 --> 00:32:38,640

natural

795

00:32:42,529 --> 00:32:40,860

eventually it was out of my view I can't

796

00:32:44,269 --> 00:32:42,539

remember if I heard any sound from it

797

00:32:46,250 --> 00:32:44,279

running it was far enough away that I

798

00:32:48,169 --> 00:32:46,260

don't recall how it sounded

799

00:32:50,750 --> 00:32:48,179

I just can't forget how strange it

800

00:32:53,269 --> 00:32:50,760

looked while I was running or galloping

801  
00:32:55,549 --> 00:32:53,279  
not sure there's a word to describe its

802  
00:32:57,769 --> 00:32:55,559  
movements well that's my story exactly

803  
00:32:59,269 --> 00:32:57,779  
how it happened so I absolutely believe

804  
00:33:02,710 --> 00:32:59,279  
the realtor

805  
00:33:03,169 --> 00:33:02,720  
now our team is is following up on this

806  
00:33:04,730 --> 00:33:03,179  
[Music]

807  
00:33:06,889 --> 00:33:04,740  
um

808  
00:33:08,450 --> 00:33:06,899  
you know the native Serrano theory is is

809  
00:33:10,970 --> 00:33:08,460  
intriguing

810  
00:33:13,370 --> 00:33:10,980  
and I I have put feelers out to the

811  
00:33:15,289 --> 00:33:13,380  
tribe in order to find out more

812  
00:33:18,730 --> 00:33:15,299  
you know I'm just wondering it was like

813  
00:33:22,130 --> 00:33:18,740

you know the skin walker in the native

814

00:33:24,590 --> 00:33:22,140

Navajo tradition so uh we'll see we'll

815

00:33:25,549 --> 00:33:24,600

see what kind of uh feedback I get on

816

00:33:28,130 --> 00:33:25,559

this

817

00:33:30,769 --> 00:33:28,140

so um

818

00:33:33,889 --> 00:33:30,779

that's the last

819

00:33:35,690 --> 00:33:33,899

reading you know uh count on reading but

820

00:33:38,710 --> 00:33:35,700

I am going to talk about

821

00:33:41,570 --> 00:33:38,720

what I had encountered myself back in

822

00:33:44,750 --> 00:33:41,580

1998 at Camp konawag of Pennsylvania

823

00:33:49,909 --> 00:33:47,810

about 12 miles north of me it's just

824

00:33:52,130 --> 00:33:49,919

north of New Oxford Pennsylvania I live

825

00:33:53,649 --> 00:33:52,140

in conowoga Township myself where I live

826

00:33:56,690 --> 00:33:53,659

in the borough materialist town but

827

00:33:58,549 --> 00:33:56,700

Conewago Township is all around us

828

00:34:01,130 --> 00:33:58,559

so um

829

00:34:04,430 --> 00:34:01,140

anyway I uh

830

00:34:07,730 --> 00:34:04,440

it was 1998 it was the fall of 1998 I

831

00:34:09,829 --> 00:34:07,740

was living in Baltimore at the time

832

00:34:12,230 --> 00:34:09,839

and I had um

833

00:34:14,810 --> 00:34:12,240

I had you know I used to be an antique

834

00:34:17,450 --> 00:34:14,820

collector and I used to go to a lot of

835

00:34:19,970 --> 00:34:17,460

the shows local shows and it was that

836

00:34:22,450 --> 00:34:19,980

Timonium Fairground and they had a few

837

00:34:26,089 --> 00:34:22,460

things going on that day

838

00:34:30,889 --> 00:34:28,129

there was also in one of the other

839

00:34:33,649 --> 00:34:30,899

buildings A Boy Scout Jamboree or

840

00:34:38,030 --> 00:34:33,659

something going on so I went over there

841

00:34:40,730 --> 00:34:38,040

and by by happenstance I ran across

842

00:34:42,530 --> 00:34:40,740

a guy I went to school with and was in

843

00:34:45,230 --> 00:34:42,540

Boy Scouts with together he was at the

844

00:34:48,829 --> 00:34:45,240

time was a uh a scout master

845

00:34:51,470 --> 00:34:48,839

uh for troop up here in Pennsylvania

846

00:34:53,570 --> 00:34:51,480

so um you know we had seen each other

847

00:34:56,389 --> 00:34:53,580

for almost

848

00:34:59,390 --> 00:34:56,399

God I guess about 12 years

849

00:35:00,950 --> 00:34:59,400

so we were catching up and uh we started

850

00:35:04,310 --> 00:35:00,960

talking

851  
00:35:06,589 --> 00:35:04,320  
and uh

852  
00:35:09,170 --> 00:35:06,599  
he knew I was involved the Paranormal

853  
00:35:11,870 --> 00:35:09,180  
but because actually he used to sneak

854  
00:35:14,569 --> 00:35:11,880  
onto the Gettysburg Battlefield with me

855  
00:35:17,089 --> 00:35:14,579  
at night and we used to camp out

856  
00:35:18,410 --> 00:35:17,099  
and he'd seen a few things with me so he

857  
00:35:20,569 --> 00:35:18,420  
was aware of everything I had been

858  
00:35:24,290 --> 00:35:20,579  
involved with so anyway

859  
00:35:27,770 --> 00:35:24,300  
so this in 1988 this is uh

860  
00:35:31,790 --> 00:35:27,780  
several years ago many years ago

861  
00:35:34,250 --> 00:35:31,800  
so he you know knowing what I did

862  
00:35:35,810 --> 00:35:34,260  
he mentioned to me he said you know I

863  
00:35:37,550 --> 00:35:35,820

know you're into the Paranormal a lot of

864

00:35:39,230 --> 00:35:37,560

weird stuff I

865

00:35:41,750 --> 00:35:39,240

there's something going on but Camp

866

00:35:44,150 --> 00:35:41,760

Conewago now this is a this is a camps

867

00:35:44,990 --> 00:35:44,160

that I used to go to a lot when I was a

868

00:35:47,030 --> 00:35:45,000

kid

869

00:35:48,650 --> 00:35:47,040

because I knew the place you know

870

00:35:51,349 --> 00:35:48,660

intimately

871

00:35:52,910 --> 00:35:51,359

he said what's been going on is a lot of

872

00:35:55,010 --> 00:35:52,920

the uh

873

00:35:58,670 --> 00:35:55,020

I mean you know during the summer and

874

00:36:00,589 --> 00:35:58,680

during the fall a lot of the the uh the

875

00:36:02,270 --> 00:36:00,599

local troops had been camping out in the

876

00:36:05,089 --> 00:36:02,280

woods

877

00:36:07,069 --> 00:36:05,099

and they were leaving early because they

878

00:36:10,430 --> 00:36:07,079

were hearing screaming sounds and

879

00:36:13,490 --> 00:36:12,530

so he and another guy wanted to go up

880

00:36:16,069 --> 00:36:13,500

there

881

00:36:18,230 --> 00:36:16,079

to investigate and try to find out what

882

00:36:20,510 --> 00:36:18,240

was going on what people were seeing or

883

00:36:22,970 --> 00:36:20,520

not saying by hearing

884

00:36:25,130 --> 00:36:22,980

so he asked me he said look we're going

885

00:36:27,829 --> 00:36:25,140

up next weekend do you want to tag along

886

00:36:30,109 --> 00:36:27,839

I said sure So I yeah

887

00:36:32,690 --> 00:36:30,119

this you know this is a time when I

888

00:36:34,310 --> 00:36:32,700

didn't mind camping out and laying on

889

00:36:36,410 --> 00:36:34,320

the ground I couldn't do it now because

890

00:36:38,630 --> 00:36:36,420

I never get up but you know

891

00:36:40,310 --> 00:36:38,640

back then I could do it so anyway I met

892

00:36:41,870 --> 00:36:40,320

them up there the next weekend it was a

893

00:36:46,609 --> 00:36:41,880

Friday night

894

00:36:51,950 --> 00:36:49,250

and uh we got there hiked into the woods

895

00:36:54,230 --> 00:36:51,960

and we set up camp

896

00:36:56,450 --> 00:36:54,240

and uh by the time we get everything set

897

00:36:58,130 --> 00:36:56,460

up had a fire going and sitting around

898

00:36:59,690 --> 00:36:58,140

the fire gives us about six or seven

899

00:37:01,490 --> 00:36:59,700

o'clock in the evening so we just sat

900

00:37:02,990 --> 00:37:01,500

around her talking nothing happened that

901  
00:37:06,290 --> 00:37:03,000  
night

902  
00:37:09,589 --> 00:37:06,300  
so uh we each had a tent so we were you

903  
00:37:11,569 --> 00:37:09,599  
know we packed it in that night we uh we

904  
00:37:15,050 --> 00:37:11,579  
slept and next morning we woke up

905  
00:37:16,730 --> 00:37:15,060  
nothing had happened but the other guy

906  
00:37:19,490 --> 00:37:16,740  
who was with us mentioned did you guys

907  
00:37:21,170 --> 00:37:19,500  
hear see anything walking through the

908  
00:37:23,390 --> 00:37:21,180  
campsite that night

909  
00:37:24,829 --> 00:37:23,400  
and I did I heard something walking

910  
00:37:26,270 --> 00:37:24,839  
through I thought it was one of them

911  
00:37:27,650 --> 00:37:26,280  
going out in the woods and relieving

912  
00:37:29,750 --> 00:37:27,660  
themselves but I didn't know what it was

913  
00:37:31,790 --> 00:37:29,760

so I didn't you know nothing in the

914

00:37:33,829 --> 00:37:31,800

campsite was Disturbed so we didn't

915

00:37:35,450 --> 00:37:33,839

really think much about it

916

00:37:36,650 --> 00:37:35,460

we thought maybe it's a deer or

917

00:37:39,890 --> 00:37:36,660

something coming in there a lot of

918

00:37:46,970 --> 00:37:43,490

so that's Saturday we we spent in the

919

00:37:49,790 --> 00:37:46,980

woods and uh it's a it's a large wooded

920

00:37:51,650 --> 00:37:49,800

area and uh we were probably gone at

921

00:37:53,150 --> 00:37:51,660

least six hours I mean I don't know how

922

00:37:55,250 --> 00:37:53,160

far we hiked

923

00:37:56,630 --> 00:37:55,260

but it had to have been 15 miles or more

924

00:38:00,470 --> 00:37:56,640

of that day

925

00:38:02,569 --> 00:38:00,480

so uh we got back I guess about six in

926

00:38:05,870 --> 00:38:02,579

the evening was just starting to get

927

00:38:09,589 --> 00:38:05,880

dark or was dark it was getting dark

928

00:38:11,930 --> 00:38:09,599

we got the fire going again and um we

929

00:38:14,690 --> 00:38:11,940

just sat around talking football and

930

00:38:17,870 --> 00:38:14,700

whatever else came to our mind

931

00:38:19,670 --> 00:38:17,880

so as we were sitting there

932

00:38:21,829 --> 00:38:19,680

and I don't know what time it was but it

933

00:38:23,510 --> 00:38:21,839

was late I got 10 30 11 o'clock we heard

934

00:38:24,589 --> 00:38:23,520

this screaming sound

935

00:38:26,950 --> 00:38:24,599

now

936

00:38:28,730 --> 00:38:26,960

it came from deep in the woods

937

00:38:31,849 --> 00:38:28,740

uh

938

00:38:33,530 --> 00:38:31,859

but it wasn't really that terrifying I I

939

00:38:34,870 --> 00:38:33,540

thought it could have either been an

940

00:38:39,349 --> 00:38:34,880

animal

941

00:38:41,930 --> 00:38:39,359

of weird sounds

942

00:38:43,790 --> 00:38:41,940

so um

943

00:38:45,290 --> 00:38:43,800

we weren't sure what it was so we just

944

00:38:49,010 --> 00:38:45,300

kind of ignored it and just sat around

945

00:38:50,450 --> 00:38:49,020

her but we decided that you know you

946

00:38:52,790 --> 00:38:50,460

know we're gonna stick around not go to

947

00:38:54,890 --> 00:38:52,800

bed for a while so

948

00:38:56,870 --> 00:38:54,900

I um

949

00:38:58,790 --> 00:38:56,880

I guess we sat there about another half

950

00:39:02,030 --> 00:38:58,800

hour or so but then we heard another

951  
00:39:03,890 --> 00:39:02,040  
screen now this time

952  
00:39:05,510 --> 00:39:03,900  
it's pretty blood curdling it actually

953  
00:39:07,970 --> 00:39:05,520  
sounded like a woman or a child

954  
00:39:09,410 --> 00:39:07,980  
screaming and it was kind of moving in

955  
00:39:13,030 --> 00:39:09,420  
and out like this thing was moving

956  
00:39:15,530 --> 00:39:13,040  
through the woods or flying or whatever

957  
00:39:17,750 --> 00:39:15,540  
and uh

958  
00:39:20,030 --> 00:39:17,760  
then we decided we're staying up the

959  
00:39:22,430 --> 00:39:20,040  
whole night because if this thing was

960  
00:39:25,790 --> 00:39:22,440  
gonna show itself we wanted to we wanted

961  
00:39:28,370 --> 00:39:25,800  
to see it well anyway

962  
00:39:31,370 --> 00:39:28,380  
so we were sitting around the farm

963  
00:39:34,849 --> 00:39:31,380

I guess around one o'clock or so I got

964

00:39:35,690 --> 00:39:34,859

up to stretch my legs and uh I walked

965

00:39:37,790 --> 00:39:35,700

out

966

00:39:39,710 --> 00:39:37,800

now that we had the campsite and there

967

00:39:41,329 --> 00:39:39,720

was a trail right beside the campsite

968

00:39:45,230 --> 00:39:41,339

and on the other side of the trail it

969

00:39:48,829 --> 00:39:45,240

was right along the conewater creek

970

00:39:50,450 --> 00:39:48,839

so I walked out onto the trail and I was

971

00:39:53,349 --> 00:39:50,460

standing here

972

00:39:56,150 --> 00:39:53,359

you know you get that feeling like

973

00:39:59,150 --> 00:39:56,160

something just isn't right

974

00:40:00,770 --> 00:39:59,160

so I I walked back and I told him I said

975

00:40:02,569 --> 00:40:00,780

look let's get our flashlights and go

976

00:40:04,490 --> 00:40:02,579

out on the trail a bit and see what we

977

00:40:06,770 --> 00:40:04,500

can find anything

978

00:40:10,250 --> 00:40:06,780

oh we did we got our flashlights and in

979

00:40:12,890 --> 00:40:10,260

a line we walked up the narrow Trail

980

00:40:15,650 --> 00:40:12,900

and we didn't get the 50 foot away from

981

00:40:19,010 --> 00:40:15,660

the from the campsite when we all saw

982

00:40:20,510 --> 00:40:19,020

these red eyes in the middle of the

983

00:40:22,730 --> 00:40:20,520

creek now

984

00:40:24,829 --> 00:40:22,740

this dark figure was standing in the

985

00:40:27,650 --> 00:40:24,839

creek and at this point time of year the

986

00:40:28,670 --> 00:40:27,660

creek was really low but it was standing

987

00:40:31,310 --> 00:40:28,680

there

988

00:40:34,670 --> 00:40:31,320

and these red eyes

989

00:40:38,270 --> 00:40:34,680

were looking in our Direction and they

990

00:40:41,210 --> 00:40:38,280

weren't like lights they were like

991

00:40:43,910 --> 00:40:41,220

emitting light it was weird

992

00:40:46,010 --> 00:40:43,920

and by the time we got our flashlights

993

00:40:50,630 --> 00:40:46,020

on this thing

994

00:40:57,829 --> 00:40:53,870

and when it reached an apex it let out a

995

00:40:59,930 --> 00:40:57,839

terrible scream and took off into the

996

00:41:01,430 --> 00:40:59,940

Western Direction and we could hear it

997

00:41:04,370 --> 00:41:01,440

going away

998

00:41:07,790 --> 00:41:04,380

uh well you know that was pretty

999

00:41:11,630 --> 00:41:07,800

harrowing and we were running back

1000

00:41:13,190 --> 00:41:11,640

and uh we got to the campsite set at the

1001  
00:41:19,849 --> 00:41:13,200  
at the

1002  
00:41:22,069 --> 00:41:19,859  
at all he looked he was away as a ghost

1003  
00:41:24,650 --> 00:41:22,079  
the other guy mentioned to me said look

1004  
00:41:26,450 --> 00:41:24,660  
did you see anything on its back and I

1005  
00:41:27,890 --> 00:41:26,460  
did it looked like it had structures on

1006  
00:41:30,589 --> 00:41:27,900  
the back and

1007  
00:41:31,849 --> 00:41:30,599  
I figured but maybe it had wings I don't

1008  
00:41:33,349 --> 00:41:31,859  
know but it was they were high

1009  
00:41:35,990 --> 00:41:33,359  
structures they were stick protruding

1010  
00:41:39,290 --> 00:41:36,000  
out of the back and above the head

1011  
00:41:41,810 --> 00:41:39,300  
but these Wings never never unfurled

1012  
00:41:44,630 --> 00:41:41,820  
when it took off it was like this thing

1013  
00:41:46,970 --> 00:41:44,640

shot out a rocket I mean like a rocket

1014

00:41:49,370 --> 00:41:46,980

or out of a cannon and straight up into

1015

00:41:51,970 --> 00:41:49,380

the air it actually let the you heard a

1016

00:41:54,950 --> 00:41:51,980

whooshing sound when it took off

1017

00:41:57,230 --> 00:41:54,960

so um

1018

00:41:59,450 --> 00:41:57,240

we were talking about it my buddy isn't

1019

00:42:01,069 --> 00:41:59,460

talking so I tried to get him to talk he

1020

00:42:03,349 --> 00:42:01,079

wouldn't say anything but then he said

1021

00:42:04,790 --> 00:42:03,359

look I'm not sticking around here

1022

00:42:07,190 --> 00:42:04,800

tonight I'm going up the administration

1023

00:42:09,950 --> 00:42:07,200

building to spend the night

1024

00:42:11,750 --> 00:42:09,960

so he and the other guy they both walked

1025

00:42:13,250 --> 00:42:11,760

up to the administration building I

1026  
00:42:15,829 --> 00:42:13,260  
stood at the campsite I wanted to see

1027  
00:42:18,770 --> 00:42:15,839  
what the hell this thing was

1028  
00:42:20,390 --> 00:42:18,780  
um but nothing happened I mean the rest

1029  
00:42:21,770 --> 00:42:20,400  
of the night was pretty quiet and you

1030  
00:42:23,750 --> 00:42:21,780  
know the next morning they came back

1031  
00:42:28,069 --> 00:42:23,760  
down the campsite and we packed up and

1032  
00:42:32,630 --> 00:42:30,770  
I I had told a few people about this

1033  
00:42:34,550 --> 00:42:32,640  
story at the time

1034  
00:42:37,250 --> 00:42:34,560  
about this encounter

1035  
00:42:39,970 --> 00:42:37,260  
uh I I you know I wasn't writing the

1036  
00:42:42,470 --> 00:42:39,980  
blog back then I I had a few

1037  
00:42:44,329 --> 00:42:42,480  
investigated local investigators I told

1038  
00:42:49,250 --> 00:42:44,339

about it

1039

00:42:53,930 --> 00:42:51,950

16 15 years later well not even that

1040

00:42:56,210 --> 00:42:53,940

long yeah it was that long when I

1041

00:42:58,190 --> 00:42:56,220

started the blog I actually wrote about

1042

00:43:01,609 --> 00:42:58,200

it I think it was 2008 when I actually

1043

00:43:07,609 --> 00:43:04,609

and not long after I posted I got a an

1044

00:43:10,190 --> 00:43:07,619

email from a um from a

1045

00:43:13,190 --> 00:43:10,200

a troop leader

1046

00:43:15,950 --> 00:43:13,200

who contacted me and told me look my my

1047

00:43:18,250 --> 00:43:15,960

troop was up at Camp Conewago several

1048

00:43:20,210 --> 00:43:18,260

weeks ago

1049

00:43:23,030 --> 00:43:20,220

and uh

1050

00:43:25,370 --> 00:43:23,040

while we were there the boys would go

1051  
00:43:29,030 --> 00:43:25,380  
out onto the trail during the daytime

1052  
00:43:31,370 --> 00:43:29,040  
and one day they came running back

1053  
00:43:34,010 --> 00:43:31,380  
screaming and carrying on and told me

1054  
00:43:37,730 --> 00:43:34,020  
they saw what they called a dragon

1055  
00:43:41,390 --> 00:43:39,770  
he said they were pretty upset but he

1056  
00:43:43,309 --> 00:43:41,400  
said he thought they were pulling his

1057  
00:43:44,510 --> 00:43:43,319  
leg he didn't he didn't believe him you

1058  
00:43:47,930 --> 00:43:44,520  
know

1059  
00:43:49,309 --> 00:43:47,940  
so uh he said they worked they did seem

1060  
00:43:51,109 --> 00:43:49,319  
concerned they stayed the rest of the

1061  
00:43:54,109 --> 00:43:51,119  
weekend but they you know they were

1062  
00:43:57,829 --> 00:43:54,119  
talking about it and so when he read my

1063  
00:43:59,750 --> 00:43:57,839

account that's when he contacted me

1064

00:44:02,210 --> 00:43:59,760

so he said and he did tell me he kind of

1065

00:44:03,770 --> 00:44:02,220

felt bad because now he believes they

1066

00:44:05,390 --> 00:44:03,780

actually saw something and apparently

1067

00:44:07,250 --> 00:44:05,400

from where

1068

00:44:09,349 --> 00:44:07,260

they saw this thing on the trail was

1069

00:44:10,970 --> 00:44:09,359

pretty close to where I we were set up

1070

00:44:12,170 --> 00:44:10,980

camp in the encounter who had the

1071

00:44:15,230 --> 00:44:12,180

encounter

1072

00:44:17,750 --> 00:44:15,240

so not long after that I got another

1073

00:44:19,970 --> 00:44:17,760

email from a gentleman that who lived

1074

00:44:21,290 --> 00:44:19,980

near Dick's Dam which is Upstream from

1075

00:44:23,329 --> 00:44:21,300

there

1076

00:44:25,190 --> 00:44:23,339

who told me that

1077

00:44:28,370 --> 00:44:25,200

um he had been hearing that screaming

1078

00:44:29,930 --> 00:44:28,380

sound for the past 20 years had no idea

1079

00:44:33,950 --> 00:44:29,940

what it was

1080

00:44:36,410 --> 00:44:33,960

but that he did hear it and uh so

1081

00:44:38,750 --> 00:44:36,420

so over the years and I think the last

1082

00:44:40,849 --> 00:44:38,760

sudden report I got was about four or

1083

00:44:44,150 --> 00:44:40,859

five years ago but along the the

1084

00:44:46,670 --> 00:44:44,160

conewaga creek which is it actually runs

1085

00:44:49,609 --> 00:44:46,680

West then East again

1086

00:44:53,510 --> 00:44:49,619

uh it empties into the Susquehanna River

1087

00:44:55,730 --> 00:44:53,520

so along its length which is about

1088

00:44:59,089 --> 00:44:55,740

18 20 miles

1089

00:45:01,550 --> 00:44:59,099

I have gotten or received five reports

1090

00:45:02,510 --> 00:45:01,560

of encounters with this or sightings of

1091

00:45:07,190 --> 00:45:02,520

this

1092

00:45:09,050 --> 00:45:07,200

so um

1093

00:45:11,150 --> 00:45:09,060

you know I don't know what this thing is

1094

00:45:13,970 --> 00:45:11,160

uh

1095

00:45:17,210 --> 00:45:13,980

not far from where the Colorado Creek

1096

00:45:19,309 --> 00:45:17,220

empties into the Susquehanna just south

1097

00:45:20,930 --> 00:45:19,319

of there the Codorus Creek entries into

1098

00:45:24,470 --> 00:45:20,940

the Susquehanna

1099

00:45:27,349 --> 00:45:24,480

and Timothy Renner has a um

1100

00:45:29,089 --> 00:45:27,359

has uh investigation area there a

1101

00:45:31,370 --> 00:45:29,099

research area

1102

00:45:32,930 --> 00:45:31,380

and he's seen a lot of strangers and

1103

00:45:34,130 --> 00:45:32,940

heard a lot of strange things there as

1104

00:45:36,950 --> 00:45:34,140

well and not

1105

00:45:37,849 --> 00:45:36,960

not too much long after we had talked

1106

00:45:41,930 --> 00:45:37,859

about it

1107

00:45:43,490 --> 00:45:41,940

I received a uh report of another winged

1108

00:45:45,349 --> 00:45:43,500

humanoid

1109

00:45:47,690 --> 00:45:45,359

from this woman and her mother where

1110

00:45:49,670 --> 00:45:47,700

this thing was standing behind their car

1111

00:45:52,670 --> 00:45:49,680

one night

1112

00:45:54,890 --> 00:45:52,680

and uh that was very near to where the

1113

00:45:57,710 --> 00:45:54,900

kind of the Codorus Creek actually ended

1114

00:46:01,790 --> 00:45:57,720

and emptied into the Susquehanna River

1115

00:46:04,490 --> 00:46:01,800

so look this area where I live at the

1116

00:46:08,150 --> 00:46:04,500

south central Pennsylvania area uh York

1117

00:46:11,450 --> 00:46:08,160

and Adams County we haven't had numerous

1118

00:46:13,730 --> 00:46:11,460

sightings of winged humanoids now

1119

00:46:17,210 --> 00:46:13,740

it's interesting that I had that

1120

00:46:18,770 --> 00:46:17,220

encounter back then and of course when

1121

00:46:19,970 --> 00:46:18,780

all this stuff started going on in

1122

00:46:22,790 --> 00:46:19,980

Chicago

1123

00:46:25,670 --> 00:46:22,800

I mean is there a connection is there a

1124

00:46:28,069 --> 00:46:25,680

connection to what I have seen to what

1125

00:46:29,210 --> 00:46:28,079

is being reported in Chicago area and

1126

00:46:31,309 --> 00:46:29,220

why is

1127

00:46:34,130 --> 00:46:31,319

why am I and the team getting these

1128

00:46:36,890 --> 00:46:34,140

sightings as opposed to other people who

1129

00:46:38,809 --> 00:46:36,900

it just doesn't seem that there's many

1130

00:46:39,829 --> 00:46:38,819

people getting reports from individuals

1131

00:46:48,950 --> 00:46:39,839

so

1132

00:46:53,270 --> 00:46:48,960

take questions here and see if I can

1133

00:46:53,280 --> 00:46:57,770

um

1134

00:47:01,370 --> 00:46:59,750

William Nighthawk chimed in said he's

1135

00:47:03,290 --> 00:47:01,380

listening while he's getting ready for

1136

00:47:04,910 --> 00:47:03,300

his podcast well I appreciate that

1137

00:47:07,430 --> 00:47:04,920

William

1138

00:47:09,290 --> 00:47:07,440

uh Karen Peterson asks is a clicking

1139

00:47:11,150 --> 00:47:09,300

sound associated with other sayings I

1140

00:47:14,150 --> 00:47:11,160

wonder if they use echolocation you know

1141

00:47:15,829 --> 00:47:14,160

that's something we had thought about

1142

00:47:19,569 --> 00:47:15,839

now the clicking and chirping sounds

1143

00:47:22,849 --> 00:47:19,579

hadn't been mentioned

1144

00:47:24,950 --> 00:47:22,859

for the first several years and in fact

1145

00:47:26,750 --> 00:47:24,960

the first sighting

1146

00:47:29,690 --> 00:47:26,760

where it was actually mentioned was a

1147

00:47:32,390 --> 00:47:29,700

sighting last year in Bensenville

1148

00:47:34,910 --> 00:47:32,400

which Bensenville is just south east

1149

00:47:37,190 --> 00:47:34,920

Southwest of O'Hara

1150

00:47:39,109 --> 00:47:37,200

uh not far from the cargo area where

1151

00:47:41,870 --> 00:47:39,119

we've gotten a lot of sightings and I

1152

00:47:44,089 --> 00:47:41,880

think we have had nine sightings in the

1153

00:47:46,190 --> 00:47:44,099

Bensenville area and many of those

1154

00:47:48,530 --> 00:47:46,200

included the chirping sound

1155

00:47:51,470 --> 00:47:48,540

so who knows what it is

1156

00:47:53,630 --> 00:47:51,480

um Vincent wants to know do you think

1157

00:47:58,190 --> 00:47:53,640

these are reptilian

1158

00:48:02,569 --> 00:48:00,230

what do you think these reptilian

1159

00:48:04,309 --> 00:48:02,579

humanoids are

1160

00:48:05,809 --> 00:48:04,319

I don't know

1161

00:48:10,910 --> 00:48:05,819

you know

1162

00:48:13,069 --> 00:48:10,920

sighting of something like that

1163

00:48:16,910 --> 00:48:13,079

is this some type of unknown creature

1164

00:48:18,770 --> 00:48:16,920

that is mistaken for a humanoid or I

1165

00:48:21,230 --> 00:48:18,780

don't think so but I mean I think people

1166

00:48:24,470 --> 00:48:21,240

are seeing something of course we had to

1167

00:48:27,170 --> 00:48:24,480

escape War lizard man

1168

00:48:29,030 --> 00:48:27,180

or we've had numerous people investigate

1169

00:48:30,530 --> 00:48:29,040

that and look there's if there's if you

1170

00:48:31,790 --> 00:48:30,540

want to

1171

00:48:33,349 --> 00:48:31,800

um

1172

00:48:35,930 --> 00:48:33,359

there was a book written by a loud

1173

00:48:37,910 --> 00:48:35,940

Blackburn about the lizard man

1174

00:48:39,589 --> 00:48:37,920

in South Carolina you may want to read

1175

00:48:41,329 --> 00:48:39,599

that I I think it's one of the better

1176

00:48:44,030 --> 00:48:41,339

books on it is one of the better books

1177

00:48:46,970 --> 00:48:44,040

on in my opinion so yeah

1178

00:48:50,030 --> 00:48:46,980

I would get that Vincent Richardson do

1179

00:48:53,390 --> 00:48:50,040

you first think Bigfoot when you hear

1180

00:48:54,829 --> 00:48:53,400

that screams not necessarily

1181

00:48:56,750 --> 00:48:54,839

you know I wasn't even thinking about

1182

00:48:58,790 --> 00:48:56,760

Bigfoot I didn't I don't know what it

1183

00:49:00,829 --> 00:48:58,800

was um

1184

00:49:02,569 --> 00:49:00,839

could have been sure we've had Bigfoot

1185

00:49:04,609 --> 00:49:02,579

sightings around this area

1186

00:49:06,890 --> 00:49:04,619

but uh I don't think I was thinking

1187

00:49:09,230 --> 00:49:06,900

Bigfoot it just didn't sound similar to

1188

00:49:12,170 --> 00:49:09,240

some of their the screams I had heard in

1189

00:49:14,930 --> 00:49:12,180

the past it was too shrill

1190

00:49:16,849 --> 00:49:14,940

um it sounded really human too I don't

1191

00:49:18,650 --> 00:49:16,859

know maybe I would I don't know what I

1192

00:49:20,870 --> 00:49:18,660

was thinking at the time

1193

00:49:22,730 --> 00:49:20,880

uh

1194

00:49:25,370 --> 00:49:22,740

do you think your settings relate to the

1195

00:49:29,030 --> 00:49:25,380

Unseen ones of the Chicago flap yeah I

1196

00:49:31,309 --> 00:49:29,040

think there's some connection somewhere

1197

00:49:33,109 --> 00:49:31,319

um it's it's like I said it's kind of

1198

00:49:34,910 --> 00:49:33,119

interesting that we have gotten these

1199

00:49:38,569 --> 00:49:34,920

reports

1200

00:49:40,010 --> 00:49:38,579

long after I reported this incident

1201  
00:49:42,470 --> 00:49:40,020  
with me

1202  
00:49:46,010 --> 00:49:44,630  
I do believe in synchronicity to some

1203  
00:49:49,130 --> 00:49:46,020  
degree

1204  
00:49:51,589 --> 00:49:49,140  
is that why we got the reports possibly

1205  
00:49:53,030 --> 00:49:51,599  
was it young seamless I I believe that's

1206  
00:49:58,250 --> 00:49:53,040  
very possible

1207  
00:50:03,890 --> 00:50:00,530  
I mean another group of these

1208  
00:50:08,270 --> 00:50:03,900  
individuals showing up more recently

1209  
00:50:14,390 --> 00:50:11,030  
oh

1210  
00:50:16,309 --> 00:50:14,400  
how big do you think it was

1211  
00:50:17,870 --> 00:50:16,319  
I don't know which are you talking about

1212  
00:50:19,069 --> 00:50:17,880  
my encounter

1213  
00:50:20,870 --> 00:50:19,079

I don't know

1214

00:50:24,950 --> 00:50:20,880

I I think it was about six foot in

1215

00:50:29,510 --> 00:50:26,930

do you think these flying humanoids are

1216

00:50:32,210 --> 00:50:29,520

coming from portals or do you think they

1217

00:50:33,230 --> 00:50:32,220

are always in here always here or here

1218

00:50:34,670 --> 00:50:33,240

always

1219

00:50:36,970 --> 00:50:34,680

I think for the most part I think

1220

00:50:39,530 --> 00:50:36,980

they're International Ultra terrestrial

1221

00:50:41,750 --> 00:50:39,540

you know I don't know if I'd necessarily

1222

00:50:44,150 --> 00:50:41,760

believe that from the beginning

1223

00:50:46,430 --> 00:50:44,160

uh because of what's been going on in

1224

00:50:49,069 --> 00:50:46,440

Chicago and that's also been my thoughts

1225

00:50:51,470 --> 00:50:49,079

in relation to like the um

1226

00:50:53,390 --> 00:50:51,480

a Mothman of Point Pleasant

1227

00:50:56,510 --> 00:50:53,400

I think that was a summoned being I

1228

00:50:58,069 --> 00:50:56,520

think it was interdimensional

1229

00:51:00,410 --> 00:50:58,079

um I don't know how much relationship

1230

00:51:02,089 --> 00:51:00,420

there is between that and what's been

1231

00:51:04,130 --> 00:51:02,099

going on in Chicago but I believe

1232

00:51:05,750 --> 00:51:04,140

they're interdimensional beings to some

1233

00:51:08,150 --> 00:51:05,760

degree I think they're coming from a

1234

00:51:10,970 --> 00:51:08,160

linear dimension

1235

00:51:13,670 --> 00:51:10,980

uh the contact with the Unseen ones kind

1236

00:51:16,609 --> 00:51:13,680

of lends to that theory but you know you

1237

00:51:20,390 --> 00:51:17,569

um

1238

00:51:22,130 --> 00:51:20,400

you just don't know I mean and and we're

1239

00:51:24,950 --> 00:51:22,140

going to get need to get more evidence

1240

00:51:27,410 --> 00:51:24,960

now of course these sightings

1241

00:51:29,630 --> 00:51:27,420

that we've received recently are pretty

1242

00:51:31,190 --> 00:51:29,640

profound sightings so um hopefully

1243

00:51:33,049 --> 00:51:31,200

something will come up you know there

1244

00:51:34,670 --> 00:51:33,059

have been some changes there is some

1245

00:51:36,650 --> 00:51:34,680

difference between these and the earlier

1246

00:51:39,470 --> 00:51:36,660

ones so we'll see

1247

00:51:41,030 --> 00:51:39,480

just goes to BC how long appreciate your

1248

00:51:43,250 --> 00:51:41,040

hard work do you have any thoughts on

1249

00:51:45,890 --> 00:51:43,260

stories on the strange staircases found

1250

00:51:47,089 --> 00:51:45,900

the Deep Woods yeah I've heard a few of

1251  
00:51:47,870 --> 00:51:47,099  
those

1252  
00:51:49,750 --> 00:51:47,880  
um

1253  
00:51:53,150 --> 00:51:49,760  
some

1254  
00:51:55,190 --> 00:51:53,160  
search and rescue people

1255  
00:51:56,990 --> 00:51:55,200  
uh there have been a few floating around

1256  
00:51:58,010 --> 00:51:57,000  
over the years

1257  
00:52:01,069 --> 00:51:58,020  
um

1258  
00:52:03,829 --> 00:52:01,079  
mostly up in Northern California

1259  
00:52:05,870 --> 00:52:03,839  
I don't know what to think of that

1260  
00:52:07,450 --> 00:52:05,880  
um who knows

1261  
00:52:08,030 --> 00:52:07,460  
pretty strange though

1262  
00:52:08,990 --> 00:52:08,040  
[Music]

1263  
00:52:11,030 --> 00:52:09,000

um

1264

00:52:13,490 --> 00:52:11,040

so we'll see him I mean maybe I'll get

1265

00:52:15,829 --> 00:52:13,500

something in the in in the future I have

1266

00:52:18,109 --> 00:52:15,839

written about a few of them

1267

00:52:20,089 --> 00:52:18,119

but it is uh

1268

00:52:22,549 --> 00:52:20,099

pretty interesting

1269

00:52:24,710 --> 00:52:22,559

Mandy Butler Lon did you sense evil or

1270

00:52:26,930 --> 00:52:24,720

smell sulfur a foul smell with my

1271

00:52:29,210 --> 00:52:26,940

encounter an iron smell a thing

1272

00:52:31,970 --> 00:52:29,220

no I didn't though

1273

00:52:33,410 --> 00:52:31,980

some of the sightings in Chicago uh

1274

00:52:35,950 --> 00:52:33,420

especially the ones that started around

1275

00:52:38,809 --> 00:52:35,960

the airport back in October of

1276

00:52:41,089 --> 00:52:38,819

2019 and one other one

1277

00:52:42,290 --> 00:52:41,099

there was a SM there was an odor of

1278

00:52:46,549 --> 00:52:42,300

ammonia

1279

00:52:50,990 --> 00:52:49,309

real truth do you believe that the

1280

00:52:53,390 --> 00:52:51,000

curtain is thinning

1281

00:52:56,990 --> 00:52:53,400

where more people are seeing paranormal

1282

00:52:59,089 --> 00:52:57,000

happens well I I think

1283

00:53:03,049 --> 00:52:59,099

I don't know if you want to call it the

1284

00:53:05,569 --> 00:53:03,059

veil or then or whatever is is thinning

1285

00:53:09,530 --> 00:53:05,579

I think

1286

00:53:15,950 --> 00:53:11,329

moving in and out

1287

00:53:18,230 --> 00:53:15,960

between one dimension in our airplane

1288

00:53:20,450 --> 00:53:18,240

I don't know if it's anymore now than

1289

00:53:23,870 --> 00:53:20,460

what it had been before but people are

1290

00:53:26,990 --> 00:53:24,710

um

1291

00:53:29,329 --> 00:53:27,000

are they making themselves more known

1292

00:53:32,030 --> 00:53:29,339

than before possibly

1293

00:53:34,309 --> 00:53:32,040

you know these sightings in Chicago I

1294

00:53:37,370 --> 00:53:34,319

mean they seem to want to show

1295

00:53:40,130 --> 00:53:37,380

themselves for whatever reason

1296

00:53:42,589 --> 00:53:40,140

so um you know

1297

00:53:44,030 --> 00:53:42,599

but is the the veil thinning sure could

1298

00:53:45,770 --> 00:53:44,040

very well be but you know I've been

1299

00:53:48,530 --> 00:53:45,780

saying that for

1300

00:53:50,270 --> 00:53:48,540

over a decade now so

1301

00:53:51,530 --> 00:53:50,280

you know some of the sightings are some

1302

00:53:54,950 --> 00:53:51,540

of the reports we get are pretty

1303

00:53:57,049 --> 00:53:54,960

interesting uh very unexplained

1304

00:54:00,109 --> 00:53:57,059

who knows what's going on

1305

00:54:01,549 --> 00:54:00,119

we try to get as the best answers we can

1306

00:54:05,510 --> 00:54:01,559

and of course that's why we keep

1307

00:54:07,430 --> 00:54:05,520

investigating this stuff but um

1308

00:54:09,770 --> 00:54:07,440

that's the most I that's the best I can

1309

00:54:11,870 --> 00:54:09,780

tell you at this point

1310

00:54:14,210 --> 00:54:11,880

so uh folks you got any more questions

1311

00:54:23,870 --> 00:54:14,220

and real truth thanks for uh for the

1312

00:54:27,950 --> 00:54:25,609

okay well

1313

00:54:29,990 --> 00:54:27,960

I I appreciate you all coming in here

1314

00:54:31,490 --> 00:54:30,000

site

1318

00:54:41,450 --> 00:54:39,359

and uh for you for those who uh made a

1319

00:54:43,130 --> 00:54:41,460

donation that's very much appreciated

1320

00:54:46,130 --> 00:54:43,140

your support is what makes all this

1321

00:54:46,140 --> 00:54:49,490

see here

1322

00:54:54,230 --> 00:54:52,010

Jose Sanchez are these creatures similar

1323

00:54:55,790 --> 00:54:54,240

in color to Dogman and or like the

1324

00:54:58,609 --> 00:54:55,800

Bigfoot

1325

00:55:00,109 --> 00:54:58,619

I don't know uh I don't think so it

1326

00:55:02,329 --> 00:55:00,119

doesn't seem that way

1327

00:55:08,690 --> 00:55:02,339

uh there seems to be some distinct

1328

00:55:12,950 --> 00:55:11,569

I'll see my buddy Travis Scott short is

1329

00:55:14,690 --> 00:55:12,960

in there I appreciate you coming in

1330

00:55:18,770 --> 00:55:14,700

Travis

1331

00:55:20,329 --> 00:55:18,780

1334

00:55:27,890 --> 00:55:24,180

a pretty diverse group great group that

1335

00:55:30,530 --> 00:55:27,900

comes in here every show and uh

1336

00:55:32,630 --> 00:55:30,540

I I get comments from people who come

1337

00:55:34,430 --> 00:55:32,640

into the chat for the first time and

1338

00:55:38,089 --> 00:55:34,440

they appreciate

1339

00:55:40,849 --> 00:55:38,099

the way people behave and treat others

1340

00:55:42,829 --> 00:55:40,859

that come in here so again I I thank

1341

00:55:43,809 --> 00:55:42,839

1342

00:55:47,630 --> 00:55:43,819
