

PHANTOMS & MONSTERS

R A D I O

KYLE PHILSON & CAM HALE 'EXPANDED PERSPECTIVES' PODCAST

WEDNESDAY, JANUARY 18TH AT 9PM ET / 6PM PT

1
00:01:46,249 --> 00:01:44,630
hey folks good evening and welcome to

2
00:01:48,170 --> 00:01:46,259
another episode of fans of monsters

3
00:01:50,149 --> 00:01:48,180
radio where we explore the strange and

4
00:01:52,069 --> 00:01:50,159
The Unexplained I'm your host Lana

5
00:01:53,990 --> 00:01:52,079
Stricker and thanks for joining me

6
00:01:55,429 --> 00:01:54,000
now if you enjoy our content Please

7
00:01:57,830 --> 00:01:55,439
Subscribe like and share our

8
00:02:00,590 --> 00:01:57,840
presentations and please feel free to

9
00:02:02,810 --> 00:02:00,600
comment as well Super Chat is active

10
00:02:04,670 --> 00:02:02,820
during the show so please share your

11
00:02:06,770 --> 00:02:04,680
support fans of monsters radio by

12
00:02:09,229 --> 00:02:06,780
clicking the dollar icon

13
00:02:12,290 --> 00:02:09,239

under the chat and uh you can also

14

00:02:14,330 --> 00:02:12,300

support the channel by clicking the uh

15

00:02:17,210 --> 00:02:14,340

super thanks icon or buy me a coffee

16

00:02:19,190 --> 00:02:17,220

link your consideration is very much

17

00:02:21,050 --> 00:02:19,200

needed and appreciated

18

00:02:23,330 --> 00:02:21,060

so tonight I've got two of my favorite

19

00:02:25,070 --> 00:02:23,340

guys on here tonight and I know these

20

00:02:27,229 --> 00:02:25,080

gentlemen now for quite a while we've

21

00:02:28,070 --> 00:02:27,239

exchanged a lot of a lot of stories a

22

00:02:33,890 --> 00:02:28,080

lot of

23

00:02:37,190 --> 00:02:33,900

a great radio show as well so Cal

24

00:02:38,630 --> 00:02:37,200

philson was born in Fort Worth Texas his

25

00:02:40,550 --> 00:02:38,640

mother and father were lifelong

26
00:02:42,949 --> 00:02:40,560
residents in New Jersey and moved South

27
00:02:45,589 --> 00:02:42,959
only a few years before he's burnt

28
00:02:47,630 --> 00:02:45,599
to seek a Better Living growing up in

29
00:02:50,869 --> 00:02:47,640
rural Texas in a small town outside of

30
00:02:52,369 --> 00:02:50,879
the Dallas Fort Worth Metroplex Kyle

31
00:02:54,530 --> 00:02:52,379
spent a lot of his time in the woods

32
00:02:56,570 --> 00:02:54,540
hunting fishing and camping

33
00:02:58,250 --> 00:02:56,580
his father and uncles first sparked his

34
00:03:00,530 --> 00:02:58,260
early interest in the Paranormal

35
00:03:02,449 --> 00:03:00,540
watching shows like Unsolved Mystery in

36
00:03:06,229 --> 00:03:02,459
search of along with reading numerous

37
00:03:08,869 --> 00:03:06,239
books by John Keel Ivan T Sanderson Cal

38
00:03:12,649 --> 00:03:08,879

became fascinated with UFOs Bigfoot Time

39

00:03:15,649 --> 00:03:12,659

Slips and parallel universes

40

00:03:18,649 --> 00:03:15,659

keeping an open mind and exploring these

41

00:03:21,170 --> 00:03:18,659

topics he strives to present these

42

00:03:23,930 --> 00:03:21,180

stories and experiences shared by only a

43

00:03:25,610 --> 00:03:23,940

few and a fun and lighthearted way and a

44

00:03:27,850 --> 00:03:25,620

cow currently lives in Texas with his

45

00:03:30,710 --> 00:03:27,860

wife and three sons

46

00:03:33,530 --> 00:03:30,720

was born and raised in Texas and comes

47

00:03:35,149 --> 00:03:33,540

from a long Family Heritage Texans that

48

00:03:37,490 --> 00:03:35,159

can be traced back to before the Lone

49

00:03:40,250 --> 00:03:37,500

Star State gained its independence and

50

00:03:42,070 --> 00:03:40,260

growing up in the rural Country Town he

51
00:03:44,990 --> 00:03:42,080
spent the majority of his time Outdoors

52
00:03:46,910 --> 00:03:45,000
receiving his first taste of archery at

53
00:03:49,190 --> 00:03:46,920
the age of five he started down a path

54
00:03:51,830 --> 00:03:49,200
to led him into solo camping and hunting

55
00:03:52,970 --> 00:03:51,840
trips across the state as well as many

56
00:03:55,550 --> 00:03:52,980
other states

57
00:03:58,070 --> 00:03:55,560
like most is fascination with the

58
00:03:59,990 --> 00:03:58,080
strange and unusual started young with

59
00:04:01,910 --> 00:04:00,000
shows like search of and Unsolved

60
00:04:04,610 --> 00:04:01,920
Mysteries diving deeper into these

61
00:04:06,589 --> 00:04:04,620
subjects at his local library only feel

62
00:04:08,750 --> 00:04:06,599
the Flames that led to him to where he

63
00:04:11,030 --> 00:04:08,760

is today and with an open mind

64

00:04:13,130 --> 00:04:11,040

Adventures heart cam looks to present

65

00:04:15,949 --> 00:04:13,140

the stories of the strange

66

00:04:17,390 --> 00:04:15,959

in a fun and intriguing manner so cam

67

00:04:20,270 --> 00:04:17,400

still lives in the great state of Texas

68

00:04:23,570 --> 00:04:20,280

with his wife and two children and the

69

00:04:25,670 --> 00:04:23,580

show has expanded uh perspectives if you

70

00:04:27,770 --> 00:04:25,680

do get a chance to to look at it

71

00:04:28,850 --> 00:04:27,780

sometime please do it's a great show so

72

00:04:31,790 --> 00:04:28,860

guys

73

00:04:34,969 --> 00:04:31,800

thanks for coming on tonight Nan thank

74

00:04:37,610 --> 00:04:34,979

you thanks man glad to be here

75

00:04:38,990 --> 00:04:37,620

you know we correspond a lot but I

76

00:04:42,110 --> 00:04:39,000

haven't had you on in about two years

77

00:04:44,090 --> 00:04:42,120

that's right yeah I I know it the

78

00:04:46,430 --> 00:04:44,100

scheduling is a bear so that you know

79

00:04:48,710 --> 00:04:46,440

that's the biggest problem but I know

80

00:04:51,590 --> 00:04:48,720

you guys are busy on Friday nights

81

00:04:54,590 --> 00:04:51,600

so uh we started doing some Wednesdays

82

00:04:55,189 --> 00:04:54,600

so that's where we got you on so

83

00:04:58,010 --> 00:04:55,199

um

84

00:04:59,689 --> 00:04:58,020

yeah so what's been going on lately what

85

00:05:02,090 --> 00:04:59,699

you guys been looking into you know I

86

00:05:05,030 --> 00:05:02,100

know you guys getting in these tangents

87

00:05:06,950 --> 00:05:05,040

with with certain subjects uh just like

88

00:05:09,730 --> 00:05:06,960

you did with the Glimmer Man years ago

89

00:05:12,530 --> 00:05:09,740

and that kind of but mainstream

90

00:05:17,170 --> 00:05:12,540

uh what's some of what people are

91

00:05:22,550 --> 00:05:19,850

man we've been getting a lot of stuff

92

00:05:23,810 --> 00:05:22,560

sent to us about we still get the

93

00:05:25,430 --> 00:05:23,820

Glimmer Man stuff but we've been getting

94

00:05:27,290 --> 00:05:25,440

a lot of stuff sent to us about the pale

95

00:05:29,330 --> 00:05:27,300

crawlers recently like within the last

96

00:05:31,610 --> 00:05:29,340

few months and

97

00:05:34,490 --> 00:05:31,620

it's one of those things

98

00:05:36,170 --> 00:05:34,500

I don't know it's like Kyle and I was

99

00:05:37,969 --> 00:05:36,180

discussing like they bring up the rake

100

00:05:40,010 --> 00:05:37,979

and the history of the rig they try to

101
00:05:41,570 --> 00:05:40,020
trace back to Creepypasta but then we

102
00:05:43,189 --> 00:05:41,580
start seeing these things where people

103
00:05:46,909 --> 00:05:43,199
are reporting like no that's exactly

104
00:05:48,710 --> 00:05:46,919
what I saw or some resemblance to what

105
00:05:50,510 --> 00:05:48,720
was originally reported so then it

106
00:05:52,249 --> 00:05:50,520
starts making you think well did it did

107
00:05:54,350 --> 00:05:52,259
it take that form or did this

108
00:05:56,330 --> 00:05:54,360
Creepypasta riding actually come from

109
00:05:57,770 --> 00:05:56,340
something an experience someone had

110
00:05:59,510 --> 00:05:57,780
something that was going on and that's

111
00:06:01,129 --> 00:05:59,520
what got it going or is it all thought

112
00:06:02,689 --> 00:06:01,139
forms is it the fact that everybody

113
00:06:05,090 --> 00:06:02,699

thinking and dwelling and seeing is

114

00:06:06,650 --> 00:06:05,100

what's created it that's one of them

115

00:06:08,390 --> 00:06:06,660

that spiked up pretty good and then we

116

00:06:10,430 --> 00:06:08,400

still get the Glimmer Man stuff right

117

00:06:12,710 --> 00:06:10,440

those still trickle in from time to time

118

00:06:15,170 --> 00:06:12,720

and they're still just as unexplained

119

00:06:17,210 --> 00:06:15,180

like I feel out of everything that we've

120

00:06:18,710 --> 00:06:17,220

all discussed the Glimmer Man seems to

121

00:06:21,170 --> 00:06:18,720

be the thing that we absolutely know the

122

00:06:23,570 --> 00:06:21,180

least about like it's just almost like

123

00:06:25,249 --> 00:06:23,580

smoke it just passes and then that's it

124

00:06:28,010 --> 00:06:25,259

like because there's they don't see

125

00:06:30,170 --> 00:06:28,020

anything you see nothing exactly you

126
00:06:33,469 --> 00:06:30,180
don't see really anything manifest yeah

127
00:06:35,330 --> 00:06:33,479
it's weird I um I've heard so many

128
00:06:36,890 --> 00:06:35,340
different stories about from people who

129
00:06:39,469 --> 00:06:36,900
have seen the you know the the

130
00:06:40,370 --> 00:06:39,479
glimmering effect the glass scene-like

131
00:06:45,290 --> 00:06:40,380
effect

132
00:06:48,290 --> 00:06:45,300
and uh you and I were to we were talking

133
00:06:52,309 --> 00:06:48,300
about this before the show about you

134
00:06:53,930 --> 00:06:52,319
know the origins of the predator and uh

135
00:06:55,909 --> 00:06:53,940
tell us about that a bit you you

136
00:06:58,249 --> 00:06:55,919
mentioned something about heinekson

137
00:07:00,830 --> 00:06:58,259
being involved with this

138
00:07:03,650 --> 00:07:00,840

uh yeah apparently Jay Allen heineck's

139

00:07:06,590 --> 00:07:03,660

son uh worked on the production set of

140

00:07:08,629 --> 00:07:06,600

the very first Predator movie so it has

141

00:07:11,450 --> 00:07:08,639

to make you wonder you know did his

142

00:07:13,189 --> 00:07:11,460

father uh you know tell him something as

143

00:07:15,469 --> 00:07:13,199

a small child that he remembered that

144

00:07:16,730 --> 00:07:15,479

helped and that helped create that idea

145

00:07:18,590 --> 00:07:16,740

of what the Predator should look like

146

00:07:21,350 --> 00:07:18,600

when it's cloaking itself maybe it's

147

00:07:23,510 --> 00:07:21,360

just a coincidence but you know there

148

00:07:26,089 --> 00:07:23,520

are sightings where sometimes people see

149

00:07:28,010 --> 00:07:26,099

glowing yellow eyes there are sightings

150

00:07:29,510 --> 00:07:28,020

where it has glowing red eyes and

151

00:07:33,050 --> 00:07:29,520

there's a lot of signs where they don't

152

00:07:34,969 --> 00:07:33,060

see eyes at all and like we were talking

153

00:07:36,650 --> 00:07:34,979

before we were on the air

154

00:07:38,990 --> 00:07:36,660

when it comes to the Glimmer Man I've

155

00:07:41,270 --> 00:07:39,000

heard all types of theories whether it's

156

00:07:44,150 --> 00:07:41,280

in fact Bigfoot has the ability to cloak

157

00:07:46,189 --> 00:07:44,160

itself it in fact some type of top

158

00:07:48,469 --> 00:07:46,199

secret military camouflage system

159

00:07:50,930 --> 00:07:48,479

they've developed I've even heard that

160

00:07:52,430 --> 00:07:50,940

it's extraterrestrials just like the

161

00:07:54,290 --> 00:07:52,440

movie Predator where it's camouflaging

162

00:07:56,930 --> 00:07:54,300

itself I've heard that it's time

163

00:07:59,629 --> 00:07:56,940

travelers and when you go back in time

164

00:08:01,969 --> 00:07:59,639

it creates this shimmering or glimmering

165

00:08:04,249 --> 00:08:01,979

effect and someone in the future can go

166

00:08:07,070 --> 00:08:04,259

back and explore what the world was like

167

00:08:09,650 --> 00:08:07,080

say in 2023 and but if people see you

168

00:08:11,749 --> 00:08:09,660

that's what it looks like and then I've

169

00:08:14,450 --> 00:08:11,759

heard the possibility that it's Faye

170

00:08:18,469 --> 00:08:14,460

that it start uh it falls in line with a

171

00:08:19,730 --> 00:08:18,479

lot of early fairy encounters where a

172

00:08:22,010 --> 00:08:19,740

lot of people talk about that have the

173

00:08:23,930 --> 00:08:22,020

sightings of these gnomes or do Wendy's

174

00:08:25,369 --> 00:08:23,940

or whatever name Sprite whatever you

175

00:08:26,930 --> 00:08:25,379

want whatever they want to go by depends

176
00:08:28,850 --> 00:08:26,940
on the region in the world where these

177
00:08:30,830 --> 00:08:28,860
Fair encountered

178
00:08:34,310 --> 00:08:30,840
it's almost like

179
00:08:36,110 --> 00:08:34,320
the FAE are shocked that you can see

180
00:08:38,449 --> 00:08:36,120
them and that's very similar to a lot of

181
00:08:39,889 --> 00:08:38,459
these Glimmer Man sightings I've read so

182
00:08:42,230 --> 00:08:39,899
many where somebody's out hunting

183
00:08:44,630 --> 00:08:42,240
someone's out just for a walk with their

184
00:08:47,210 --> 00:08:44,640
dog someone is just you know working

185
00:08:49,430 --> 00:08:47,220
outside and all of a sudden something

186
00:08:52,570 --> 00:08:49,440
catches their eye they look in the trees

187
00:08:55,250 --> 00:08:52,580
and they see this blurry looking

188
00:08:57,410 --> 00:08:55,260

silhouette of something that's shaped

189

00:09:00,110 --> 00:08:57,420

like a man it's not gigantic proportions

190

00:09:02,090 --> 00:09:00,120

most the time it's the average size of

191

00:09:03,710 --> 00:09:02,100

an adult man like six foot sometimes

192

00:09:04,730 --> 00:09:03,720

their sightings or they're larger but

193

00:09:07,009 --> 00:09:04,740

sometimes I think people are a little

194

00:09:09,350 --> 00:09:07,019

freaked out so you know they think it's

195

00:09:11,030 --> 00:09:09,360

bigger but and then almost every time

196

00:09:14,750 --> 00:09:11,040

when the creature or whatever it is

197

00:09:17,210 --> 00:09:14,760

notices that you see it it like freezes

198

00:09:19,490 --> 00:09:17,220

and then usually like tries to run away

199

00:09:21,410 --> 00:09:19,500

I've never had an encounter or I've

200

00:09:22,970 --> 00:09:21,420

never heard of an encounter where the

201
00:09:24,889 --> 00:09:22,980
thing is aggressive where it tries to

202
00:09:28,190 --> 00:09:24,899
harm anyone there was one sighting that

203
00:09:29,870 --> 00:09:28,200
was sent to us where a kid was playing

204
00:09:32,630 --> 00:09:29,880
in his backyard

205
00:09:34,730 --> 00:09:32,640
and didn't see it but like ran into it

206
00:09:35,449 --> 00:09:34,740
and knocked down and it like picked him

207
00:09:37,850 --> 00:09:35,459
up

208
00:09:41,630 --> 00:09:37,860
and held him for a second but it didn't

209
00:09:42,949 --> 00:09:41,640
try to hurt him so I don't and a lot of

210
00:09:44,630 --> 00:09:42,959
the stories when it comes to fairy

211
00:09:47,210 --> 00:09:44,640
stories are the same way people see

212
00:09:48,829 --> 00:09:47,220
these things and it's like the the FAE

213
00:09:50,389 --> 00:09:48,839

will be like oh crap you're not supposed

214

00:09:52,370 --> 00:09:50,399

to be able to see me why do you see me

215

00:09:55,250 --> 00:09:52,380

and then they slink off into the woods

216

00:09:57,829 --> 00:09:55,260

and run away you know so it's kind of

217

00:09:59,630 --> 00:09:57,839

like that I don't know Perhaps it is

218

00:10:01,850 --> 00:09:59,640

extraterrestrial perhaps Bigfoot can

219

00:10:04,490 --> 00:10:01,860

clone itself perhaps Bigfoot's an

220

00:10:06,829 --> 00:10:04,500

extraterrestrial answers

221

00:10:09,290 --> 00:10:06,839

but the sightings uh are definitely

222

00:10:10,430 --> 00:10:09,300

increasing I don't know if the volume of

223

00:10:11,990 --> 00:10:10,440

sightings are increasing or the

224

00:10:15,050 --> 00:10:12,000

reporting of them but we've definitely

225

00:10:17,930 --> 00:10:15,060

you know five years ago we would get one

226

00:10:21,050 --> 00:10:17,940

two a year and then now I would say

227

00:10:23,329 --> 00:10:21,060

we've we probably get 15 20 a year now

228

00:10:27,110 --> 00:10:23,339

yeah you guys have sent me a few really

229

00:10:29,090 --> 00:10:27,120

good ones over the years and um

230

00:10:32,449 --> 00:10:29,100

I've gotten a few from other people but

231

00:10:35,690 --> 00:10:32,459

it's and debris thanks for your uh

232

00:10:38,449 --> 00:10:35,700

support I very much appreciate it and uh

233

00:10:40,550 --> 00:10:38,459

I I don't know I there's got to be a

234

00:10:43,070 --> 00:10:40,560

Nexus to this somehow

235

00:10:45,050 --> 00:10:43,080

um you know this is something about

236

00:10:47,690 --> 00:10:45,060

about a decade ago

237

00:10:50,030 --> 00:10:47,700

Stan Gordon and I were talking

238

00:10:51,949 --> 00:10:50,040

because we we talk a lot about sightings

239

00:10:54,530 --> 00:10:51,959

here in Pennsylvania and he started

240

00:10:56,449 --> 00:10:54,540

mentioning to me that

241

00:10:59,150 --> 00:10:56,459

you know he said did you do you notice

242

00:11:00,829 --> 00:10:59,160

that people are starting to see these

243

00:11:03,170 --> 00:11:00,839

Bigfoot now he's talking about Bigfoot

244

00:11:05,150 --> 00:11:03,180

in particular but seeing Bigfoot and

245

00:11:07,190 --> 00:11:05,160

when they look at them

246

00:11:09,829 --> 00:11:07,200

the Bigfoot looks back at him like their

247

00:11:11,930 --> 00:11:09,839

surprise they're seeing them you know

248

00:11:15,050 --> 00:11:11,940

like they're shocked they're they're

249

00:11:17,210 --> 00:11:15,060

being seen and they I mean they they

250

00:11:20,150 --> 00:11:17,220

make an extra effort to get out you know

251
00:11:22,329 --> 00:11:20,160
to take off somewhere and uh many times

252
00:11:24,410 --> 00:11:22,339
he just simply disappear

253
00:11:26,810 --> 00:11:24,420
and um

254
00:11:28,490 --> 00:11:26,820
I started I started thinking about it

255
00:11:30,170 --> 00:11:28,500
and yeah of course this is about the

256
00:11:32,630 --> 00:11:30,180
time this Glimmer Man stuff started

257
00:11:35,750 --> 00:11:32,640
coming well it had it was before that

258
00:11:37,250 --> 00:11:35,760
but it you know as time has gone on and

259
00:11:39,530 --> 00:11:37,260
if people have told me about their

260
00:11:42,530 --> 00:11:39,540
sightings of Bigfoot and where they just

261
00:11:43,850 --> 00:11:42,540
seemed simply seem to manifest from

262
00:11:47,210 --> 00:11:43,860
nowhere

263
00:11:51,230 --> 00:11:47,220

you gotta Wonder well is is this Glimmer

264

00:11:52,850 --> 00:11:51,240

Man affect something related to it

265

00:12:05,690 --> 00:11:52,860

it

266

00:12:07,790 --> 00:12:05,700

gotten like Kyle had talked about where

267

00:12:09,050 --> 00:12:07,800

they've been in people's bedrooms or in

268

00:12:10,970 --> 00:12:09,060

the middle of town and they catch

269

00:12:13,190 --> 00:12:10,980

something the ones Outdoors do have the

270

00:12:14,630 --> 00:12:13,200

Hallmark of it but it's also strange

271

00:12:16,850 --> 00:12:14,640

because we get reports of different

272

00:12:18,710 --> 00:12:16,860

sizes you get some reported nothing is

273

00:12:20,090 --> 00:12:18,720

massive like I don't remember us getting

274

00:12:23,090 --> 00:12:20,100

reports of any of them that are like

275

00:12:25,790 --> 00:12:23,100

eight ten foot tall massives no they all

276

00:12:27,470 --> 00:12:25,800

seem to be five to six Footers which I

277

00:12:29,449 --> 00:12:27,480

guess could be juvenile if you wanted to

278

00:12:31,370 --> 00:12:29,459

go that route could be juvenile could be

279

00:12:32,810 --> 00:12:31,380

something along those lines it always

280

00:12:36,050 --> 00:12:32,820

makes me wonder how many we've gone

281

00:12:38,329 --> 00:12:36,060

walking past that nobody's ever seen

282

00:12:40,190 --> 00:12:38,339

because it only seems like they they

283

00:12:42,410 --> 00:12:40,200

view them or they catch glimpses of them

284

00:12:44,810 --> 00:12:42,420

while they're moving whether it's while

285

00:12:46,129 --> 00:12:44,820

they're following people or something

286

00:12:47,629 --> 00:12:46,139

along those lines of while they're

287

00:12:49,190 --> 00:12:47,639

tracking watching whatever it's almost

288

00:12:51,350 --> 00:12:49,200

like they kind of accidentally give

289

00:12:53,389 --> 00:12:51,360

themselves away right that's whenever

290

00:12:54,949 --> 00:12:53,399

people start noticing them so I wonder

291

00:12:56,389 --> 00:12:54,959

if that's whenever people are discussing

292

00:12:58,490 --> 00:12:56,399

things of feeling like someone's being

293

00:13:00,050 --> 00:12:58,500

watched in the woods but they look

294

00:13:02,150 --> 00:13:00,060

around and there's nothing because

295

00:13:03,410 --> 00:13:02,160

unless you were glassing unless you were

296

00:13:05,329 --> 00:13:03,420

setting up with some really good

297

00:13:06,949 --> 00:13:05,339

binoculars and you're watching the

298

00:13:09,530 --> 00:13:06,959

Woodline and all that to order to pick

299

00:13:11,569 --> 00:13:09,540

that out would be near impossible if it

300

00:13:14,210 --> 00:13:11,579

wasn't moving if it was laid down or

301

00:13:15,769 --> 00:13:14,220

sitting down or just back backlit you

302

00:13:17,329 --> 00:13:15,779

know with a lot of brush and Blended in

303

00:13:19,730 --> 00:13:17,339

it would be hard to see it without it

304

00:13:21,370 --> 00:13:19,740

moving so it almost feels as if

305

00:13:25,129 --> 00:13:21,380

something is there

306

00:13:27,889 --> 00:13:25,139

simply to monitor us or just to watch us

307

00:13:30,949 --> 00:13:27,899

and I don't know if that's alien I don't

308

00:13:32,930 --> 00:13:30,959

know if it's Faye what it is it just it

309

00:13:34,550 --> 00:13:32,940

doesn't fit anything because like we've

310

00:13:36,170 --> 00:13:34,560

said it there's really no crazy

311

00:13:37,370 --> 00:13:36,180

interactions there's not all the stories

312

00:13:39,410 --> 00:13:37,380

where you hear where it's walking around

313

00:13:41,269 --> 00:13:39,420

tents as you get with Bigfoot or it's

314

00:13:43,790 --> 00:13:41,279

leaving handprints or it's taking things

315

00:13:46,430 --> 00:13:43,800

or banging on houses or all that it's

316

00:13:49,610 --> 00:13:46,440

just on the periphery of interactions

317

00:13:51,650 --> 00:13:49,620

with people just it just feels like they

318

00:13:53,569 --> 00:13:51,660

are voyeurs they're just there to watch

319

00:13:55,610 --> 00:13:53,579

and when you bring up the idea of like

320

00:13:58,009 --> 00:13:55,620

Time Travelers or something along those

321

00:13:59,509 --> 00:13:58,019

lines it almost fits that too that's

322

00:14:02,629 --> 00:13:59,519

what I said is it's my favorite because

323

00:14:05,449 --> 00:14:02,639

you can't we can't grasp it it truly is

324

00:14:07,310 --> 00:14:05,459

grabbing smoke we we love to categorize

325

00:14:08,509 --> 00:14:07,320

things it helps us easy to understand it

326

00:14:11,810 --> 00:14:08,519

that's the reason we put certain things

327

00:14:13,190 --> 00:14:11,820

in boxes of Cryptids or Fae or humanoid

328

00:14:14,930 --> 00:14:13,200

or however we want to break them down

329

00:14:18,650 --> 00:14:14,940

for our own personal benefit

330

00:14:20,930 --> 00:14:18,660

this is humanoid shaped that's pretty

331

00:14:22,970 --> 00:14:20,940

much all we got like that's as far as it

332

00:14:25,190 --> 00:14:22,980

goes I've never seen a report where

333

00:14:28,490 --> 00:14:25,200

someone said it was once there and then

334

00:14:30,290 --> 00:14:28,500

I saw it drop its cloak and there it was

335

00:14:33,290 --> 00:14:30,300

it was it was an alien or it was a

336

00:14:35,690 --> 00:14:33,300

Bigfoot or it was whatever it's they

337

00:14:37,069 --> 00:14:35,700

seem to remain cloaked and of course

338

00:14:39,590 --> 00:14:37,079

they're easy I mean you you think about

339

00:14:41,629 --> 00:14:39,600

easy to lose if you went after it if you

340

00:14:43,550 --> 00:14:41,639

decided I got to go find out it runs

341

00:14:45,470 --> 00:14:43,560

around the corner 20 30 yards ahead of

342

00:14:46,550 --> 00:14:45,480

you steps off in the brush and stops

343

00:14:49,910 --> 00:14:46,560

well you're never going to see it again

344

00:14:52,310 --> 00:14:49,920

it's gone so it

345

00:14:54,170 --> 00:14:52,320

I I think most of the settings that I

346

00:14:55,910 --> 00:14:54,180

have gotten from folks have been deer

347

00:14:58,310 --> 00:14:55,920

hunters that are up in tree stands and

348

00:15:00,710 --> 00:14:58,320

just have to incidentally see movement

349

00:15:02,569 --> 00:15:00,720

in in another tree and then there they

350

00:15:06,110 --> 00:15:02,579

start concentrating on and they see it

351

00:15:08,750 --> 00:15:06,120

yeah and uh that you know it never

352

00:15:10,490 --> 00:15:08,760

manifests into anything other than you

353

00:15:12,769 --> 00:15:10,500

know that form

354

00:15:14,810 --> 00:15:12,779

so I don't know like you said maybe they

355

00:15:17,389 --> 00:15:14,820

are just Watchers you know

356

00:15:20,030 --> 00:15:17,399

and this is another thing about the

357

00:15:22,970 --> 00:15:20,040

whole aspect of Cryptids and such it

358

00:15:25,610 --> 00:15:22,980

seems to me and this is something that

359

00:15:28,430 --> 00:15:25,620

I've become more aware of since we've

360

00:15:33,710 --> 00:15:28,440

been working with the um the Chicago

361

00:15:35,689 --> 00:15:33,720

sightings is that I believe that these

362

00:15:38,569 --> 00:15:35,699

these beings

363

00:15:39,410 --> 00:15:38,579

allow themselves to be seen by certain

364

00:15:42,230 --> 00:15:39,420

people

365

00:15:45,170 --> 00:15:42,240

now do they do they have some type of

366

00:15:47,629 --> 00:15:45,180

ability to do that it seems that way

367

00:15:49,370 --> 00:15:47,639

because you know we've had sightings

368

00:15:52,670 --> 00:15:49,380

where there have been hundreds of people

369

00:15:54,829 --> 00:15:52,680

around and only a few people or one

370

00:15:59,870 --> 00:15:54,839

person even sees them

371

00:16:02,329 --> 00:15:59,880

uh I I don't know it it is strange

372

00:16:04,610 --> 00:16:02,339

I've often wondered when it comes to

373

00:16:06,769 --> 00:16:04,620

Glimmer Man and and we'll get on but

374

00:16:08,090 --> 00:16:06,779

we'll get into the Chicago sightings too

375

00:16:10,790 --> 00:16:08,100

but I've always wondered if like with

376

00:16:12,290 --> 00:16:10,800

the Glimmer Man are certain people more

377

00:16:14,509 --> 00:16:12,300

sensitive

378

00:16:16,370 --> 00:16:14,519

to see this thing like because you hear

379

00:16:17,870 --> 00:16:16,380

the stories a lot with mediums and

380

00:16:20,090 --> 00:16:17,880

people that are sensitive that they have

381

00:16:21,889 --> 00:16:20,100

paranormal experiences their whole life

382

00:16:23,750 --> 00:16:21,899

like somehow they're more sensitive

383

00:16:25,189 --> 00:16:23,760

that's why they grow up they see ghosts

384

00:16:27,710 --> 00:16:25,199

they see things other people don't see

385

00:16:29,090 --> 00:16:27,720

so perhaps it's the same I'm not saying

386

00:16:30,889 --> 00:16:29,100

that the gloomer man is picking them out

387

00:16:32,449 --> 00:16:30,899

it's just a coincidence when someone who

388

00:16:34,610 --> 00:16:32,459

is a little bit more sensitive they may

389

00:16:36,110 --> 00:16:34,620

not know that they are even they're the

390

00:16:38,870 --> 00:16:36,120

ones that's seeing this because you're

391

00:16:41,090 --> 00:16:38,880

right there are countless stories of

392

00:16:43,550 --> 00:16:41,100

people seeing things like we're in the

393

00:16:46,069 --> 00:16:43,560

Chicago area the Batman the flying

394

00:16:47,689 --> 00:16:46,079

winged humanoid and you'll it'll be lots

395

00:16:49,490 --> 00:16:47,699

of people around that like only one

396

00:16:51,110 --> 00:16:49,500

person saw it and they'll even like have

397

00:16:52,730 --> 00:16:51,120

their friend or whatever do you see that

398

00:16:54,829 --> 00:16:52,740

and the person's like I didn't see

399

00:16:57,110 --> 00:16:54,839

anything he's like he was standing right

400

00:16:58,310 --> 00:16:57,120

there yeah and the Chicago thing is wild

401
00:17:00,829 --> 00:16:58,320
because

402
00:17:02,569 --> 00:17:00,839
you know growing up as a kid when you

403
00:17:03,769 --> 00:17:02,579
heard about the original Mothman that

404
00:17:06,770 --> 00:17:03,779
was something that really blew my hair

405
00:17:08,449 --> 00:17:06,780
back back when I had hair it was that

406
00:17:10,549 --> 00:17:08,459
was a long time ago it was very

407
00:17:12,970 --> 00:17:10,559
intriguing to me right the The Moth Man

408
00:17:15,110 --> 00:17:12,980
and you read about it and the the the

409
00:17:17,750 --> 00:17:15,120
harbinger of death and bad things to

410
00:17:19,730 --> 00:17:17,760
come and now fast forward I never knew

411
00:17:21,829 --> 00:17:19,740
as a teenager that I would be hosting a

412
00:17:24,230 --> 00:17:21,839
paranormal show Friends with other

413
00:17:27,829 --> 00:17:24,240

paranormal shows and there's literally a

414

00:17:30,289 --> 00:17:27,839

mothman-like wave happening in in my

415

00:17:31,850 --> 00:17:30,299

time in real time yeah there's a lot of

416

00:17:33,110 --> 00:17:31,860

people up there seeing this has been

417

00:17:34,789 --> 00:17:33,120

going on for what like three or four

418

00:17:39,110 --> 00:17:34,799

years now

419

00:17:43,370 --> 00:17:39,120

11 years 11. see you know we started you

420

00:17:45,169 --> 00:17:43,380

know the in 2011 team excuse me 2011 was

421

00:17:47,029 --> 00:17:45,179

the first year where we really started

422

00:17:49,430 --> 00:17:47,039

getting a bunch of sightings together

423

00:17:51,710 --> 00:17:49,440

was three sightings in a three-month

424

00:17:55,549 --> 00:17:51,720

period and uh then it kind of waned off

425

00:17:58,430 --> 00:17:55,559

until of course 2017 then it just went

426

00:18:02,930 --> 00:17:58,440

absolutely nuts I mean that two that two

427

00:18:06,049 --> 00:18:02,940

year 2017 was crazy I was literally

428

00:18:08,690 --> 00:18:06,059

getting telephone calls 24 7 from people

429

00:18:10,610 --> 00:18:08,700

in Chicago not people who were having

430

00:18:12,470 --> 00:18:10,620

sightings but people who were worried

431

00:18:14,810 --> 00:18:12,480

about why are these sightings occurring

432

00:18:17,029 --> 00:18:14,820

and I'd had

433

00:18:19,970 --> 00:18:17,039

sit down on the phone and try to dispel

434

00:18:23,210 --> 00:18:19,980

people's fears I mean I'd say in July

435

00:18:24,830 --> 00:18:23,220

and August 2017 I was just all the time

436

00:18:27,049 --> 00:18:24,840

answering the phone middle of night all

437

00:18:28,909 --> 00:18:27,059

the time because people were literally

438

00:18:31,970 --> 00:18:28,919

frightened you know they knew about the

439

00:18:34,130 --> 00:18:31,980

Mothman and they knew the The Harbinger

440

00:18:35,930 --> 00:18:34,140

Theory and all that with the bridge and

441

00:18:39,169 --> 00:18:35,940

they thought well maybe some type of

442

00:18:41,630 --> 00:18:39,179

disaster is going to befall Chicago and

443

00:18:43,310 --> 00:18:41,640

and people were really scared

444

00:18:45,710 --> 00:18:43,320

yeah I've heard people say you know

445

00:18:48,169 --> 00:18:45,720

before 2020 that that was the precursor

446

00:18:50,330 --> 00:18:48,179

to covid outbreak that's why the Mothman

447

00:18:51,890 --> 00:18:50,340

was being seen there I've heard of the

448

00:18:54,049 --> 00:18:51,900

the lot of the violence on the south

449

00:18:56,029 --> 00:18:54,059

side of Chicago you know there's a lot

450

00:18:58,190 --> 00:18:56,039

of shootings there on a daily basis I

451
00:19:00,590 --> 00:18:58,200
mean they call it Chiraq for a reason

452
00:19:01,730 --> 00:19:00,600
like that's why it's there it's wherever

453
00:19:05,510 --> 00:19:01,740
there's despair wherever there's

454
00:19:07,310 --> 00:19:05,520
problems this mothman-like entity

455
00:19:08,750 --> 00:19:07,320
reveals itself I mean it could be

456
00:19:11,510 --> 00:19:08,760
happening in other places of the world

457
00:19:13,370 --> 00:19:11,520
that we're just not reported on right so

458
00:19:15,830 --> 00:19:13,380
maybe maybe that's what it is I don't

459
00:19:17,690 --> 00:19:15,840
know but it's all walks of life have

460
00:19:20,990 --> 00:19:17,700
reported this thing from old ladies that

461
00:19:23,330 --> 00:19:21,000
are shopping to you know uh directors at

462
00:19:25,850 --> 00:19:23,340
the airport to police officers to

463
00:19:28,970 --> 00:19:25,860

recently I saw on your website firemen

464

00:19:30,470 --> 00:19:28,980

my brother's a fireman several firemen

465

00:19:35,150 --> 00:19:30,480

have reported seeing this thing more

466

00:19:37,190 --> 00:19:35,160

than once right it's crazy yeah yeah you

467

00:19:40,250 --> 00:19:37,200

know we had the first firemen come

468

00:19:42,770 --> 00:19:40,260

forward to Manuel and um

469

00:19:44,810 --> 00:19:42,780

when when he started talking to this guy

470

00:19:46,430 --> 00:19:44,820

he was telling yeah I mean this isn't

471

00:19:47,990 --> 00:19:46,440

the first time we've got farming all

472

00:19:49,310 --> 00:19:48,000

over the airport they've got five

473

00:19:52,669 --> 00:19:49,320

stations

474

00:19:53,750 --> 00:19:52,679

uh of Chicago City Fire Department at

475

00:19:57,230 --> 00:19:53,760

O'Hare

476

00:19:59,330 --> 00:19:57,240

and uh apparently they all talk about it

477

00:20:01,730 --> 00:19:59,340

among each other so of course everybody

478

00:20:03,049 --> 00:20:01,740

knows about the O'Hara Batman that's

479

00:20:06,470 --> 00:20:03,059

what they call him

480

00:20:08,630 --> 00:20:06,480

so um and of course even the people who

481

00:20:12,230 --> 00:20:08,640

work the terminal and people that are

482

00:20:15,710 --> 00:20:12,240

security and air traffic and pilots and

483

00:20:16,930 --> 00:20:15,720

they all knowed about it so uh yeah it's

484

00:20:20,450 --> 00:20:16,940

um

485

00:20:23,390 --> 00:20:20,460

you know like I told you guys earlier in

486

00:20:25,730 --> 00:20:23,400

in October 2019 when deciding you know

487

00:20:27,470 --> 00:20:25,740

we got the first sighting at O'Hare it

488

00:20:30,230 --> 00:20:27,480

was attacked when those taxi drivers

489

00:20:32,330 --> 00:20:30,240

that was picking people up and they used

490

00:20:33,650 --> 00:20:32,340

to Stage outside the airport property

491

00:20:35,990 --> 00:20:33,660

until they'd get a call and of course

492

00:20:37,970 --> 00:20:36,000

they'd go to the terminal pick people up

493

00:20:39,770 --> 00:20:37,980

and that's where the first sighting

494

00:20:41,990 --> 00:20:39,780

happened right there beside this guy's

495

00:20:45,409 --> 00:20:42,000

going to want a cab it was like an Uber

496

00:20:47,750 --> 00:20:45,419

and uh he's the he's the first one and

497

00:20:50,810 --> 00:20:47,760

boy since then I'd say 80 85 percent of

498

00:20:53,090 --> 00:20:50,820

the sightings that we get not now and

499

00:20:55,730 --> 00:20:53,100

since then have been from O'Hare

500

00:20:58,430 --> 00:20:55,740

yeah it's bizarre you know

501
00:21:01,130 --> 00:20:58,440
there are other other regions of the

502
00:21:03,650 --> 00:21:01,140
world where like I it comes to mind is

503
00:21:05,210 --> 00:21:03,660
like Mexico and Mexico City in

504
00:21:06,830 --> 00:21:05,220
particular there's a lot there they call

505
00:21:08,930 --> 00:21:06,840
them witches right these flying

506
00:21:11,029 --> 00:21:08,940
humanoids they call them witches but the

507
00:21:13,970 --> 00:21:11,039
descriptions are fairly similar

508
00:21:16,850 --> 00:21:13,980
uh a winged human uh they mentioned the

509
00:21:20,150 --> 00:21:16,860
glowing eyes they mentioned the ominous

510
00:21:22,070 --> 00:21:20,160
feeling and just seeing it uh there are

511
00:21:25,070 --> 00:21:22,080
some videos you can look at on YouTube

512
00:21:27,650 --> 00:21:25,080
of various flying humanoids or witches

513
00:21:29,510 --> 00:21:27,660

but you know it makes you wonder like

514

00:21:32,090 --> 00:21:29,520

for the same reasons that is happening

515

00:21:34,190 --> 00:21:32,100

in the south side of Chicago is this

516

00:21:36,590 --> 00:21:34,200

Mothman other people call it the owl man

517

00:21:38,930 --> 00:21:36,600

which is whatever the name is it drawn

518

00:21:40,970 --> 00:21:38,940

to yeah there you go there's a picture

519

00:21:42,470 --> 00:21:40,980

is it drawn to Mexico City because a lot

520

00:21:46,549 --> 00:21:42,480

of the violence there you know with the

521

00:21:48,830 --> 00:21:46,559

cartels and things like maybe it's drawn

522

00:21:50,810 --> 00:21:48,840

and it's like like much like the Glimmer

523

00:21:54,350 --> 00:21:50,820

Man like it's it's a voyeur like it's

524

00:21:56,990 --> 00:21:54,360

watching is it a demon is it an

525

00:21:58,549 --> 00:21:57,000

ultra-terrestrial uh is it an

526

00:22:00,590 --> 00:21:58,559

extraterrestrial is it something that's

527

00:22:02,029 --> 00:22:00,600

just intrigued by mankind like what are

528

00:22:04,130 --> 00:22:02,039

these people doing

529

00:22:06,169 --> 00:22:04,140

you know it's it's just generally

530

00:22:08,990 --> 00:22:06,179

interested it's not there to cause harm

531

00:22:11,810 --> 00:22:09,000

we're just terrified because of stories

532

00:22:12,890 --> 00:22:11,820

like of the Mothman you know I don't

533

00:22:14,450 --> 00:22:12,900

know but it's but yeah there's another

534

00:22:16,549 --> 00:22:14,460

great image there's all kinds of images

535

00:22:17,930 --> 00:22:16,559

I've seen and some of them are different

536

00:22:19,250 --> 00:22:17,940

some of them that one looks like it has

537

00:22:21,409 --> 00:22:19,260

wings I've seen somewhere it looks like

538

00:22:23,330 --> 00:22:21,419

it's a guy with a jet pack you know

539

00:22:24,230 --> 00:22:23,340

you've seen the guys with those but a

540

00:22:25,250 --> 00:22:24,240

lot of the sightings in and around

541

00:22:26,750 --> 00:22:25,260

O'hare

542

00:22:29,029 --> 00:22:26,760

in particular they don't have they don't

543

00:22:30,470 --> 00:22:29,039

mention any sounds of like a jet pack or

544

00:22:32,149 --> 00:22:30,480

nothing like that most of the time they

545

00:22:33,830 --> 00:22:32,159

just if there isn't it just sound

546

00:22:34,789 --> 00:22:33,840

described it's the sound of flapping

547

00:22:39,289 --> 00:22:34,799

wings

548

00:22:41,870 --> 00:22:39,299

most

549

00:22:44,090 --> 00:22:41,880

ly 90 and 95 percent of the sightings

550

00:22:46,789 --> 00:22:44,100

that we have in Chicago the the wings

551
00:22:49,370 --> 00:22:46,799
are actually seen and most of those are

552
00:22:56,450 --> 00:22:49,380
bat-like wings now I got a report today

553
00:22:58,909 --> 00:22:56,460
from from August to 22 2022 in um in

554
00:23:00,890 --> 00:22:58,919
Waukegan was just north of Chicago and

555
00:23:04,090 --> 00:23:00,900
I'm going to post that tomorrow but uh

556
00:23:08,210 --> 00:23:04,100
this was a sighting that four people had

557
00:23:10,850 --> 00:23:08,220
uh that it did have wings law

558
00:23:12,409 --> 00:23:10,860
and this thing was seen flying and it

559
00:23:15,649 --> 00:23:12,419
was close enough that they could see

560
00:23:17,870 --> 00:23:15,659
detail on the body and all but uh

561
00:23:19,070 --> 00:23:17,880
you know of course this was something a

562
00:23:21,529 --> 00:23:19,080
little bit different than what people

563
00:23:23,750 --> 00:23:21,539

have been seeing so is it all connected

564

00:23:26,149 --> 00:23:23,760

oh I believe so because I I believe

565

00:23:28,010 --> 00:23:26,159

there have been so many different

566

00:23:29,510 --> 00:23:28,020

subtle you know subtle differences

567

00:23:31,549 --> 00:23:29,520

between all these sightings is

568

00:23:33,770 --> 00:23:31,559

something's definitely going on but I

569

00:23:35,390 --> 00:23:33,780

think I I think the origin is the same

570

00:23:38,510 --> 00:23:35,400

wherever they're coming from I think

571

00:23:39,590 --> 00:23:38,520

it's the same yeah so I agree and and a

572

00:23:41,149 --> 00:23:39,600

lot of the sightings oddly enough

573

00:23:43,250 --> 00:23:41,159

whether they see the wings the wings

574

00:23:44,990 --> 00:23:43,260

aren't ever flapping like they're

575

00:23:47,510 --> 00:23:45,000

stationary it's like

576

00:23:49,669 --> 00:23:47,520

it's not moving it's it's what is it

577

00:23:52,430 --> 00:23:49,679

gliding I don't know but like oddly

578

00:23:54,830 --> 00:23:52,440

enough they don't see it flapping well

579

00:23:57,529 --> 00:23:54,840

you know when I had my encounter back in

580

00:24:02,270 --> 00:23:57,539

two in in 1988 with two other

581

00:24:04,909 --> 00:24:02,280

individuals and we saw a red-eyed Bean

582

00:24:07,270 --> 00:24:04,919

that literally jettisoned itself without

583

00:24:09,950 --> 00:24:07,280

the use of its wings though it had wings

584

00:24:12,590 --> 00:24:09,960

it didn't unfurl the wings but it was

585

00:24:15,409 --> 00:24:12,600

able to Genesis itself quickly into the

586

00:24:17,090 --> 00:24:15,419

air without flapping a wing or anything

587

00:24:19,669 --> 00:24:17,100

like that it was just like this thing

588

00:24:21,010 --> 00:24:19,679

had the ability to move without the

589

00:24:23,630 --> 00:24:21,020

propulsion

590

00:24:25,370 --> 00:24:23,640

so um and we get a lot of that in

591

00:24:27,110 --> 00:24:25,380

Chicago you know and this is another

592

00:24:30,289 --> 00:24:27,120

thing

593

00:24:34,070 --> 00:24:30,299

I had I had that encounter way back in

594

00:24:38,570 --> 00:24:34,080

you know in 1988

595

00:24:41,029 --> 00:24:38,580

was I chosen or was I predisposed to

596

00:24:44,330 --> 00:24:41,039

getting these citing reports out of

597

00:24:45,169 --> 00:24:44,340

Chicago because of that because what I

598

00:24:47,570 --> 00:24:45,179

saw

599

00:24:50,810 --> 00:24:47,580

was very similar to what people are

600

00:24:54,669 --> 00:24:50,820

describing to me in Chicago

601
00:24:58,070 --> 00:24:54,679
so I don't know was it a precursor

602
00:25:00,710 --> 00:24:58,080
in some way the human Earth Marquee in

603
00:25:02,870 --> 00:25:00,720
some form or fashion yeah

604
00:25:09,230 --> 00:25:06,529
like what is the benefit what are they

605
00:25:10,730 --> 00:25:09,240
benefiting from for being there because

606
00:25:12,350 --> 00:25:10,740
it to me it's one of those things like

607
00:25:13,909 --> 00:25:12,360
they have to be feeding off of something

608
00:25:15,830 --> 00:25:13,919
I always bring this up

609
00:25:17,690 --> 00:25:15,840
is it's because without the interaction

610
00:25:20,029 --> 00:25:17,700
it's almost like they feed off of your

611
00:25:22,250 --> 00:25:20,039
fear or your anxiety whatever your

612
00:25:24,350 --> 00:25:22,260
energy that you're putting off is

613
00:25:26,450 --> 00:25:24,360

something that they enjoy they enjoy

614

00:25:29,029 --> 00:25:26,460

giving you those glimpses of it

615

00:25:31,370 --> 00:25:29,039

whether it's cortisol spikes whatever it

616

00:25:32,870 --> 00:25:31,380

is they seem to be enjoying and so it

617

00:25:35,870 --> 00:25:32,880

always makes me wonder when we see these

618

00:25:38,090 --> 00:25:35,880

flaps is what's going on there it's

619

00:25:40,430 --> 00:25:38,100

affecting everyone there and enough so

620

00:25:42,169 --> 00:25:40,440

that more of them show up to feed it's

621

00:25:43,490 --> 00:25:42,179

almost like feeding seagulls right like

622

00:25:45,590 --> 00:25:43,500

you get one or two but the minute you

623

00:25:47,630 --> 00:25:45,600

start feeding they all show up that's

624

00:25:49,970 --> 00:25:47,640

almost what this feels like

625

00:25:51,289 --> 00:25:49,980

is that flap has started and it may be

626
00:25:52,549 --> 00:25:51,299
like you're talking about all the stuff

627
00:25:54,950 --> 00:25:52,559
that's been going on in and around

628
00:25:56,570 --> 00:25:54,960
Chicago but it's strange that it's

629
00:25:59,149 --> 00:25:56,580
flapped over so much we keep his word

630
00:26:02,090 --> 00:25:59,159
flat with wings it's hilarious but it's

631
00:26:04,250 --> 00:26:02,100
it's at the airport it's just so crazy

632
00:26:06,950 --> 00:26:04,260
that it's all in and around this one

633
00:26:08,870 --> 00:26:06,960
area is so concentrated and it seems to

634
00:26:11,029 --> 00:26:08,880
be more concentrated like as it's

635
00:26:13,250 --> 00:26:11,039
trickled down it's like they've moved to

636
00:26:16,010 --> 00:26:13,260
this area I want to know what what went

637
00:26:18,289 --> 00:26:16,020
on there where they built the airport or

638
00:26:21,049 --> 00:26:18,299

what's still going on there it could

639

00:26:22,789 --> 00:26:21,059

possibly be drawing this in that's

640

00:26:24,350 --> 00:26:22,799

something we've tried to you know this

641

00:26:27,169 --> 00:26:24,360

is something we've tried to figure out

642

00:26:29,210 --> 00:26:27,179

the very beginning uh of course even

643

00:26:31,430 --> 00:26:29,220

before before I wrote the first book and

644

00:26:33,110 --> 00:26:31,440

we hadn't been getting sightings at the

645

00:26:35,990 --> 00:26:33,120

airport but of course since like I said

646

00:26:37,490 --> 00:26:36,000

before October 2019 we started getting

647

00:26:40,490 --> 00:26:37,500

the sightings and there was definitely a

648

00:26:43,250 --> 00:26:40,500

draw to the airport uh there is one area

649

00:26:44,830 --> 00:26:43,260

of the airport where there is actually a

650

00:26:48,529 --> 00:26:44,840

cemetery

651
00:26:52,190 --> 00:26:48,539
and uh there are several

652
00:26:54,529 --> 00:26:52,200
uh carriers that you know cargo carriers

653
00:26:57,950 --> 00:26:54,539
that are are there located in that area

654
00:26:59,149 --> 00:26:57,960
that's the uh south west side of the

655
00:27:02,029 --> 00:26:59,159
airport

656
00:27:03,890 --> 00:27:02,039
and I I'd say

657
00:27:07,130 --> 00:27:03,900
at least 50 percent of the sightings

658
00:27:10,789 --> 00:27:07,140
have been concentrated around that area

659
00:27:13,430 --> 00:27:10,799
and uh I I believe that the I believe

660
00:27:15,110 --> 00:27:13,440
that that cemetery is a draw is there a

661
00:27:17,409 --> 00:27:15,120
portal there is there something there I

662
00:27:20,750 --> 00:27:17,419
I think there's something about it

663
00:27:22,490 --> 00:27:20,760

and uh there's definitely connection

664

00:27:24,470 --> 00:27:22,500

there's definitely connection there has

665

00:27:26,149 --> 00:27:24,480

to be something that's that's pulling

666

00:27:27,950 --> 00:27:26,159

this energy or pulling whatever this is

667

00:27:29,750 --> 00:27:27,960

to this spot

668

00:27:31,909 --> 00:27:29,760

they're not just showing up randomly

669

00:27:33,769 --> 00:27:31,919

otherwise they would be random spots all

670

00:27:34,610 --> 00:27:33,779

over the world that would be getting

671

00:27:36,490 --> 00:27:34,620

this

672

00:27:39,409 --> 00:27:36,500

yeah you say 50

673

00:27:40,690 --> 00:27:39,419

that is a large sum given the number of

674

00:27:43,970 --> 00:27:40,700

sightings that you've collected since

675

00:27:46,370 --> 00:27:43,980

2011. that is a giant pile of them being

676

00:27:48,769 --> 00:27:46,380

concentrated in a very close area so any

677

00:27:50,390 --> 00:27:48,779

of y'all listening if you want to go try

678

00:27:52,370 --> 00:27:50,400

to see something crazy go hang out

679

00:27:54,409 --> 00:27:52,380

around that area there's your hot spot

680

00:27:56,330 --> 00:27:54,419

you might bump into one now you're gonna

681

00:27:58,490 --> 00:27:56,340

you're gonna do it on your own you're

682

00:28:00,529 --> 00:27:58,500

gonna pick it on all in on your own risk

683

00:28:02,930 --> 00:28:00,539

if you go there yeah you see something

684

00:28:03,890 --> 00:28:02,940

crazy coming down there you don't want

685

00:28:05,269 --> 00:28:03,900

that happening you don't want that

686

00:28:07,070 --> 00:28:05,279

flying and landing in the bed of the

687

00:28:08,269 --> 00:28:07,080

truck like especially that you don't

688

00:28:10,010 --> 00:28:08,279

want that Landing in the bed of the

689

00:28:12,289 --> 00:28:10,020

truck yeah well I was I was not aware

690

00:28:14,090 --> 00:28:12,299

about the the cemetery the graveyard

691

00:28:16,310 --> 00:28:14,100

being on the uh grounds of the airport

692

00:28:18,230 --> 00:28:16,320

that that's really interesting that

693

00:28:19,970 --> 00:28:18,240

changes well my mind

694

00:28:22,190 --> 00:28:19,980

you know um

695

00:28:24,710 --> 00:28:22,200

O'Hare

696

00:28:27,769 --> 00:28:24,720

O'Hara used for the most part that whole

697

00:28:29,750 --> 00:28:27,779

area was Old Orchards that's why when

698

00:28:32,450 --> 00:28:29,760

you see the the designation the airport

699

00:28:34,789 --> 00:28:32,460

it's Ord

700

00:28:36,049 --> 00:28:34,799

that's abbreviated for Orchards I got

701

00:28:39,289 --> 00:28:36,059

you

702

00:28:41,090 --> 00:28:39,299

um so uh but there were two cemeteries

703

00:28:43,130 --> 00:28:41,100

at that location

704

00:28:44,930 --> 00:28:43,140

now they did move the one they you know

705

00:28:47,269 --> 00:28:44,940

they dug everything up and moved to put

706

00:28:48,710 --> 00:28:47,279

this particular Cemetery the Rest Haven

707

00:28:52,250 --> 00:28:48,720

Cemetery

708

00:28:54,769 --> 00:28:52,260

it's not big at all I mean you know uh

709

00:28:57,230 --> 00:28:54,779

it might be an acre or so maybe a little

710

00:28:58,630 --> 00:28:57,240

more than an acre but everything was

711

00:29:03,230 --> 00:28:58,640

kept there

712

00:29:06,769 --> 00:29:03,240

and we have had a variety of phenomena

713

00:29:10,010 --> 00:29:06,779

happen at that at that location I mean

714

00:29:12,169 --> 00:29:10,020

we've had UFO activity we've had yeah uh

715

00:29:14,570 --> 00:29:12,179

we had a uh

716

00:29:17,570 --> 00:29:14,580

a individual who worked at one of the

717

00:29:20,330 --> 00:29:17,580

docks who was out there and sold a

718

00:29:21,409 --> 00:29:20,340

egg-shaped UFO hovering above the

719

00:29:25,310 --> 00:29:21,419

cemetery

720

00:29:27,889 --> 00:29:25,320

and and some type of humanoid ascended

721

00:29:31,250 --> 00:29:27,899

up into it from the cemetery

722

00:29:33,409 --> 00:29:31,260

uh a lot of weird stuff uh one of our

723

00:29:35,810 --> 00:29:33,419

one of our investigators

724

00:29:38,750 --> 00:29:35,820

actually got there went there and he has

725

00:29:40,789 --> 00:29:38,760

a he's got the ability to get into the

726

00:29:42,769 --> 00:29:40,799

airport because his work so he's got you

727

00:29:45,110 --> 00:29:42,779

know he's got permission to be there and

728

00:29:47,870 --> 00:29:45,120

he went into the cemetery at night

729

00:29:52,310 --> 00:29:47,880

and he had a physical contact with one

730

00:29:55,810 --> 00:29:52,320

of these beings so uh I I we do believe

731

00:29:58,610 --> 00:29:55,820

that there is a very important

732

00:30:02,210 --> 00:29:58,620

part of this whole story associated with

733

00:30:05,450 --> 00:30:02,220

that Cemetery in that whole area now

734

00:30:07,850 --> 00:30:05,460

is that the original area where they're

735

00:30:10,130 --> 00:30:07,860

coming in at that could be but I of

736

00:30:14,269 --> 00:30:10,140

course we're getting sightings

737

00:30:16,669 --> 00:30:14,279

like a 200 250 mile radius of Chicago

738

00:30:19,549 --> 00:30:16,679

uh so there's got to be something else

739

00:30:21,850 --> 00:30:19,559

going on here but the sightings in of

740

00:30:25,010 --> 00:30:21,860

course have been very similar

741

00:30:26,750 --> 00:30:25,020

and uh it just keeps on going like I

742

00:30:29,210 --> 00:30:26,760

told you guys it's the crypto that keeps

743

00:30:31,490 --> 00:30:29,220

on giving man because you know when you

744

00:30:33,769 --> 00:30:31,500

think when you think it's it's it's over

745

00:30:35,870 --> 00:30:33,779

then it starts springing up again but it

746

00:30:39,169 --> 00:30:35,880

always seems to come in waves

747

00:30:41,169 --> 00:30:39,179

and uh you know we had had not had a

748

00:30:44,149 --> 00:30:41,179

sighting for almost three or four months

749

00:30:46,430 --> 00:30:44,159

lately and all of a sudden we started

750

00:30:49,310 --> 00:30:46,440

having people coming forward

751

00:30:52,250 --> 00:30:49,320

so it it it's I it's hard to it's hard

752

00:30:54,289 --> 00:30:52,260

to understand why it is what it is

753

00:30:56,090 --> 00:30:54,299

but uh yeah this whole thing with the

754

00:30:57,830 --> 00:30:56,100

fireman you get one guy talking about

755

00:31:00,289 --> 00:30:57,840

then all you know all the other ones

756

00:31:02,870 --> 00:31:00,299

want to talk about it too so yeah that's

757

00:31:04,070 --> 00:31:02,880

people feel okay coming forward and like

758

00:31:05,630 --> 00:31:04,080

yeah talked about how many of the

759

00:31:08,210 --> 00:31:05,640

sightings are there that people haven't

760

00:31:09,830 --> 00:31:08,220

come forward well that's just it you

761

00:31:12,950 --> 00:31:09,840

know of course we know it's happening

762

00:31:14,570 --> 00:31:12,960

sure and uh and the powers to be at the

763

00:31:18,049 --> 00:31:14,580

airport are trying to keep this thing as

764

00:31:20,450 --> 00:31:18,059

quiet as possible you know all these

765

00:31:22,850 --> 00:31:20,460

we've had and I've talked to people at

766

00:31:24,710 --> 00:31:22,860

the airport there are people getting

767

00:31:26,630 --> 00:31:24,720

picked up and arrested and thrown off

768

00:31:28,250 --> 00:31:26,640

the airport all the time they're coming

769

00:31:30,529 --> 00:31:28,260

on there trying to sneak them on there

770

00:31:33,889 --> 00:31:30,539

that are not you know not supposed to be

771

00:31:37,490 --> 00:31:33,899

there and uh that's a big problem

772

00:31:40,010 --> 00:31:37,500

but uh yeah anytime uh there's a but in

773

00:31:40,970 --> 00:31:40,020

the past year or so anytime there's a

774

00:31:43,789 --> 00:31:40,980

report

775

00:31:45,529 --> 00:31:43,799

uh from a witness who's like a

776

00:31:47,750 --> 00:31:45,539

supervisor for one of the carriers or

777

00:31:50,029 --> 00:31:47,760

something especially in the cargo areas

778

00:31:53,870 --> 00:31:50,039

when they call in security they are

779

00:31:57,889 --> 00:31:53,880

there in an instant and it's it's either

780

00:31:59,210 --> 00:31:57,899

the Chicago O'Hara security that the

781

00:32:02,990 --> 00:31:59,220

private security

782

00:32:05,210 --> 00:32:03,000

or it's TSA yeah and they don't play

783

00:32:06,769 --> 00:32:05,220

well they make them play and play around

784

00:32:08,630 --> 00:32:06,779

they're not doing this just for fun now

785

00:32:10,070 --> 00:32:08,640

I mean any how many people are actually

786

00:32:11,330 --> 00:32:10,080

looking up I mean every all these young

787

00:32:12,889 --> 00:32:11,340

people all they're doing is looking at

788

00:32:14,870 --> 00:32:12,899

their phones you're looking down all the

789

00:32:17,330 --> 00:32:14,880

time if you just lift your head

790

00:32:18,710 --> 00:32:17,340

how many more sightings would there be I

791

00:32:20,990 --> 00:32:18,720

want to know what the pilots have seen

792

00:32:22,430 --> 00:32:21,000

well when it comes to UFOs and some of

793

00:32:24,409 --> 00:32:22,440

the sightings you can go on YouTube and

794

00:32:26,750 --> 00:32:24,419

you can find the the radio conversations

795

00:32:29,210 --> 00:32:26,760

between the the flight Tower

796

00:32:30,590 --> 00:32:29,220

and and the pilots like did you see that

797

00:32:31,669 --> 00:32:30,600

and they'll have there's actual

798

00:32:33,409 --> 00:32:31,679

recordings I've heard them in like

799

00:32:34,970 --> 00:32:33,419

luggage handlers and stuff they'll come

800

00:32:38,389 --> 00:32:34,980

on and be like oh yeah we saw it on

801
00:32:40,909 --> 00:32:38,399
Runway 17. so lots of people have been

802
00:32:43,430 --> 00:32:40,919
seeing not just the UFOs but the

803
00:32:46,010 --> 00:32:43,440
humanoids as well so yeah I'm not

804
00:32:48,590 --> 00:32:46,020
documented not just on lawn site but in

805
00:32:50,930 --> 00:32:48,600
our show it's nuts I mean I I wish I had

806
00:32:52,130 --> 00:32:50,940
a better answer for everybody but you

807
00:32:55,070 --> 00:32:52,140
know you know

808
00:32:57,049 --> 00:32:55,080
I and the first thing I I hear well why

809
00:33:00,169 --> 00:32:57,059
isn't anybody getting a photograph of it

810
00:33:02,570 --> 00:33:00,179
well yeah that's a good point but

811
00:33:04,130 --> 00:33:02,580
if you're out there not expecting this

812
00:33:04,970 --> 00:33:04,140
thing and the phone's in your in your

813
00:33:07,190 --> 00:33:04,980

pocket

814

00:33:09,049 --> 00:33:07,200

by the time you grab this thing and try

815

00:33:11,510 --> 00:33:09,059

to get a photograph if you're even

816

00:33:13,789 --> 00:33:11,520

thinking about doing that at all from

817

00:33:15,529 --> 00:33:13,799

the shock right that's not the easiest

818

00:33:16,789 --> 00:33:15,539

thing in the world to do take your phone

819

00:33:19,009 --> 00:33:16,799

and take a picture of a commercial

820

00:33:20,570 --> 00:33:19,019

airliner in the in the sky at night tell

821

00:33:21,769 --> 00:33:20,580

me how that works yeah you know what I

822

00:33:23,630 --> 00:33:21,779

mean it's like they're great for taking

823

00:33:26,210 --> 00:33:23,640

pictures from me to you or across the

824

00:33:27,950 --> 00:33:26,220

table or over your food all of that but

825

00:33:29,630 --> 00:33:27,960

they're not so great when you're trying

826
00:33:32,529 --> 00:33:29,640
to document something at Great distance

827
00:33:35,570 --> 00:33:32,539
in the air yeah yeah

828
00:33:36,889 --> 00:33:35,580
all right yeah I still love it it's

829
00:33:39,049 --> 00:33:36,899
still one of my all-time favorite

830
00:33:40,130 --> 00:33:39,059
Mysteries is whenever I'm thinking I'm

831
00:33:41,690 --> 00:33:40,140
always like well what I'm going to look

832
00:33:44,330 --> 00:33:41,700
at and I'll go in and see what Lawns

833
00:33:47,930 --> 00:33:44,340
found I'm like let's see what Madness is

834
00:33:50,509 --> 00:33:47,940
going on this week up around Chicago you

835
00:33:52,730 --> 00:33:50,519
can guarantee you'll find something it's

836
00:33:55,190 --> 00:33:52,740
it's the one spot that it truly like

837
00:33:57,830 --> 00:33:55,200
imagine if they were Bigfoot sightings

838
00:34:01,070 --> 00:33:57,840

like this if they was one area that you

839

00:34:03,110 --> 00:34:01,080

could go and you know how many is going

840

00:34:05,750 --> 00:34:03,120

to go on there imagine the odds of it

841

00:34:06,889 --> 00:34:05,760

that's what's so crazy is I don't feel

842

00:34:08,389 --> 00:34:06,899

like they have to be feeding off

843

00:34:10,129 --> 00:34:08,399

something something has to be drawn them

844

00:34:12,230 --> 00:34:10,139

there and it sounds like it's in the

845

00:34:14,149 --> 00:34:12,240

cemetery whether it's the the burial of

846

00:34:16,550 --> 00:34:14,159

an old Shaman or an occultist or

847

00:34:19,070 --> 00:34:16,560

whatever is out there that's caused this

848

00:34:20,629 --> 00:34:19,080

who knows but something is definitely

849

00:34:22,190 --> 00:34:20,639

popping off well that's what makes it

850

00:34:23,930 --> 00:34:22,200

around there it makes it so exciting is

851
00:34:26,450 --> 00:34:23,940
like I said I've read a ton about

852
00:34:28,310 --> 00:34:26,460
different things over the last 20 30

853
00:34:30,109 --> 00:34:28,320
years researching paranormal stuff but

854
00:34:32,570 --> 00:34:30,119
I've never actually lived through an

855
00:34:34,909 --> 00:34:32,580
actual wave so it's kind of cool to be

856
00:34:36,109 --> 00:34:34,919
in the middle of it well my niece was a

857
00:34:37,730 --> 00:34:36,119
flight attendant she lived in

858
00:34:39,950 --> 00:34:37,740
Wrigleyville for a few years up there

859
00:34:41,869 --> 00:34:39,960
and so I was always asking her about it

860
00:34:43,369 --> 00:34:41,879
now she never had anything like that but

861
00:34:45,470 --> 00:34:43,379
she did tell me that she had heard

862
00:34:48,829 --> 00:34:45,480
people talk about it in and around the

863
00:34:51,829 --> 00:34:48,839

airport and all that sure yeah they talk

864

00:34:54,050 --> 00:34:51,839

about it all the time I mean I I told

865

00:34:55,790 --> 00:34:54,060

you earlier I've got a um I've got a

866

00:34:56,690 --> 00:34:55,800

supervisor who works with one of the

867

00:34:59,750 --> 00:34:56,700

carriers

868

00:35:01,609 --> 00:34:59,760

and they they tell me what they hear at

869

00:35:03,490 --> 00:35:01,619

the terminal what their employees are

870

00:35:05,510 --> 00:35:03,500

telling them what other

871

00:35:07,010 --> 00:35:05,520

carriers are telling them but

872

00:35:08,210 --> 00:35:07,020

supervisors some other they all know

873

00:35:09,829 --> 00:35:08,220

about it

874

00:35:11,810 --> 00:35:09,839

so everyone listening right now imagine

875

00:35:14,690 --> 00:35:11,820

you were at your job your place of

876

00:35:17,210 --> 00:35:14,700

employment and this was openly discussed

877

00:35:19,310 --> 00:35:17,220

like it's been being done now like

878

00:35:21,170 --> 00:35:19,320

actually taken serious enough to where

879

00:35:23,089 --> 00:35:21,180

supervisors are like hey

880

00:35:24,349 --> 00:35:23,099

something went down last night this is

881

00:35:26,030 --> 00:35:24,359

what you're going to hear this is what

882

00:35:27,829 --> 00:35:26,040

they saw just want to bring it out so

883

00:35:29,750 --> 00:35:27,839

everybody's attention all right have a

884

00:35:32,089 --> 00:35:29,760

good day today boom and that's it like

885

00:35:33,589 --> 00:35:32,099

if that was imagine going into any job

886

00:35:35,210 --> 00:35:33,599

any job and that's what they were

887

00:35:37,550 --> 00:35:35,220

talking about oh by the way last night

888

00:35:40,490 --> 00:35:37,560

not shift this is what they saw get

889

00:35:43,370 --> 00:35:40,500

ready I mean and like you said security

890

00:35:45,230 --> 00:35:43,380

shows up undoubtedly this is a very

891

00:35:48,710 --> 00:35:45,240

serious topic for all of those involved

892

00:35:50,870 --> 00:35:48,720

not just us looking in on it

893

00:35:52,670 --> 00:35:50,880

I mean that a lot of these people who

894

00:35:54,410 --> 00:35:52,680

have been Witnesses have had their jobs

895

00:35:57,829 --> 00:35:54,420

threatened

896

00:36:00,349 --> 00:35:57,839

we had an incident where

897

00:36:03,290 --> 00:36:00,359

one of the witnesses actually got

898

00:36:06,349 --> 00:36:03,300

footage on their cell phone and they

899

00:36:08,870 --> 00:36:06,359

they told them if you do not

900

00:36:10,069 --> 00:36:08,880

hand it over or do not clear it you're

901
00:36:12,710 --> 00:36:10,079
going to be gone

902
00:36:13,430 --> 00:36:12,720
I mean in no uncertain terms they tell

903
00:36:15,890 --> 00:36:13,440
them

904
00:36:18,770 --> 00:36:15,900
I've had several people who worked there

905
00:36:21,290 --> 00:36:18,780
who you know have told me the same story

906
00:36:22,849 --> 00:36:21,300
and Manuel hears it as well I mean he

907
00:36:25,370 --> 00:36:22,859
lives there so he's there all the time

908
00:36:28,910 --> 00:36:25,380
and he works for a trucking company so

909
00:36:31,550 --> 00:36:28,920
he's hearing the stories so um

910
00:36:33,170 --> 00:36:31,560
yeah it's crazy now you guys said you

911
00:36:35,750 --> 00:36:33,180
guys have brought up the

912
00:36:39,230 --> 00:36:35,760
the crawler humanoids now I wrote a book

913
00:36:41,329 --> 00:36:39,240

about this and I honestly I still don't

914

00:36:43,069 --> 00:36:41,339

know what the hell this thing is or what

915

00:36:44,750 --> 00:36:43,079

these things are

916

00:36:48,589 --> 00:36:44,760

um you know you brought up a good point

917

00:36:50,690 --> 00:36:48,599

yeah a lot of it seem to start off with

918

00:36:54,530 --> 00:36:50,700

the Slenderman phenomena which was just

919

00:36:56,569 --> 00:36:54,540

a meme but uh it's before that there

920

00:36:59,630 --> 00:36:56,579

have been these these memes of these

921

00:37:02,030 --> 00:36:59,640

humanoid beings from a long time ago

922

00:37:04,310 --> 00:37:02,040

and um

923

00:37:06,410 --> 00:37:04,320

or are they thought form sure they could

924

00:37:08,089 --> 00:37:06,420

be false forms that was that I I wrote a

925

00:37:10,329 --> 00:37:08,099

chapter about thought forms and the

926

00:37:13,250 --> 00:37:10,339

possibility but

927

00:37:15,890 --> 00:37:13,260

why all of a sudden are people talking

928

00:37:18,349 --> 00:37:15,900

about this I mean

929

00:37:21,290 --> 00:37:18,359

the encounters that they just continue

930

00:37:22,730 --> 00:37:21,300

on and continue on uh you know I don't

931

00:37:25,790 --> 00:37:22,740

know what people are seeing or what

932

00:37:27,829 --> 00:37:25,800

people are experiencing but there's no

933

00:37:29,030 --> 00:37:27,839

real Rhyme or Reason for it there's no

934

00:37:30,490 --> 00:37:29,040

actual

935

00:37:33,829 --> 00:37:30,500

um

936

00:37:35,569 --> 00:37:33,839

reason to why they're there it just

937

00:37:36,950 --> 00:37:35,579

seems that they show up for whatever

938

00:37:39,950 --> 00:37:36,960

reason

939

00:37:41,630 --> 00:37:39,960

yeah uh and I think a lot of people are

940

00:37:44,750 --> 00:37:41,640

coming forward now because of the

941

00:37:46,609 --> 00:37:44,760

popularity of podcasts because of the

942

00:37:48,950 --> 00:37:46,619

popularity of shows like this on YouTube

943

00:37:50,810 --> 00:37:48,960

because of your books and things like

944

00:37:52,490 --> 00:37:50,820

that people and just the younger

945

00:37:54,530 --> 00:37:52,500

generation that people don't feel the

946

00:37:56,630 --> 00:37:54,540

ridicule that say our great grandfathers

947

00:37:58,130 --> 00:37:56,640

would have felt felt you know my

948

00:37:59,690 --> 00:37:58,140

grandfather was a Stern man he wouldn't

949

00:38:01,069 --> 00:37:59,700

he would if he saw something like that

950

00:38:03,170 --> 00:38:01,079

he would never tell anybody I mean he

951
00:38:05,390 --> 00:38:03,180
just wouldn't but nowadays people feel

952
00:38:06,950 --> 00:38:05,400
more comfortable sharing so I think a

953
00:38:08,089 --> 00:38:06,960
lot of people are sharing their strange

954
00:38:10,430 --> 00:38:08,099
encounters

955
00:38:11,990 --> 00:38:10,440
and you're right I've read all

956
00:38:13,910 --> 00:38:12,000
everything about you know that this is a

957
00:38:15,470 --> 00:38:13,920
new creation that was on Creepypasta and

958
00:38:17,089 --> 00:38:15,480
stuff like that but there are sightings

959
00:38:19,250 --> 00:38:17,099
that go back hundreds of years where

960
00:38:21,230 --> 00:38:19,260
it's a description very similar now

961
00:38:23,329 --> 00:38:21,240
they're not calling it a rake they're

962
00:38:25,550 --> 00:38:23,339
not calling it a pale crawler they're

963
00:38:26,750 --> 00:38:25,560

calling it a golem-like creature because

964

00:38:28,910 --> 00:38:26,760

that's what that's what they associate

965

00:38:29,870 --> 00:38:28,920

because of tolkien's books and things

966

00:38:31,130 --> 00:38:29,880

like that you know that's the

967

00:38:33,950 --> 00:38:31,140

description they're giving and I'm sure

968

00:38:36,050 --> 00:38:33,960

before those books it was given a name

969

00:38:37,430 --> 00:38:36,060

of some other name by you know wherever

970

00:38:40,790 --> 00:38:37,440

it was seen whether it's in Germany

971

00:38:42,890 --> 00:38:40,800

Hungary South America North America the

972

00:38:44,270 --> 00:38:42,900

United Kingdom I believe that these

973

00:38:46,069 --> 00:38:44,280

things have been seen for a long time

974

00:38:47,030 --> 00:38:46,079

and that they just went under different

975

00:38:48,530 --> 00:38:47,040

names

976
00:38:51,230 --> 00:38:48,540
and

977
00:38:53,510 --> 00:38:51,240
they seem demonic to me now I don't know

978
00:38:55,010 --> 00:38:53,520
but I know that people I've read

979
00:38:56,569 --> 00:38:55,020
societies where people had an encounter

980
00:38:59,089 --> 00:38:56,579
they got kind of freaked out they jumped

981
00:39:00,650 --> 00:38:59,099
in their car they drove off

982
00:39:02,510 --> 00:39:00,660
they thought about it for a little bit

983
00:39:04,130 --> 00:39:02,520
then they decided the next morning or

984
00:39:05,810 --> 00:39:04,140
even an hour or two later when they calm

985
00:39:06,770 --> 00:39:05,820
down to go back to where they had the

986
00:39:08,930 --> 00:39:06,780
encounter and then they look and there's

987
00:39:11,210 --> 00:39:08,940
no Footprints there's no traces of

988
00:39:13,370 --> 00:39:11,220

anything like this happening I've seen

989

00:39:17,030 --> 00:39:13,380

several pictures off of trail cams

990

00:39:19,550 --> 00:39:17,040

of things that you know looks like what

991

00:39:21,050 --> 00:39:19,560

we're calling a pale crawler now but I

992

00:39:22,849 --> 00:39:21,060

think it's something demonic but I don't

993

00:39:24,890 --> 00:39:22,859

know and again it's the same question as

994

00:39:26,930 --> 00:39:24,900

we had with the with the the Mothman and

995

00:39:29,150 --> 00:39:26,940

the Glimmer Man are certain people

996

00:39:32,210 --> 00:39:29,160

sensitive to seeing these things

997

00:39:33,950 --> 00:39:32,220

or can anybody see them you know I think

998

00:39:37,790 --> 00:39:33,960

there's something to that I really do I

999

00:39:39,829 --> 00:39:37,800

think there's something to that and um

1000

00:39:42,710 --> 00:39:39,839

you know the fact that

1001
00:39:43,790 --> 00:39:42,720
I don't know you know it it kind of it

1002
00:39:46,670 --> 00:39:43,800
gets to the point where it almost all

1003
00:39:49,130 --> 00:39:46,680
runs together you know you gotta and I I

1004
00:39:51,170 --> 00:39:49,140
I I think the one thing that fascinates

1005
00:39:54,109 --> 00:39:51,180
me about

1006
00:39:56,270 --> 00:39:54,119
about this phenomena and other other

1007
00:39:58,690 --> 00:39:56,280
phenomena like the wing humanoids but

1008
00:40:01,010 --> 00:39:58,700
there always seems to be a connection

1009
00:40:02,870 --> 00:40:01,020
with films

1010
00:40:05,990 --> 00:40:02,880
for whatever reason just like with the

1011
00:40:08,270 --> 00:40:06,000
Glimmer Man you know the Predator uh

1012
00:40:12,890 --> 00:40:08,280
the the wing humanoids and jeepers

1013
00:40:15,470 --> 00:40:12,900

creepers and you know there always seems

1014

00:40:18,310 --> 00:40:15,480

you know and a lot of people who who

1015

00:40:22,069 --> 00:40:18,320

have these experiences do bring it up

1016

00:40:25,490 --> 00:40:22,079

you know of course the Slender Man was a

1017

00:40:27,770 --> 00:40:25,500

meme uh but why all of a sudden are

1018

00:40:28,910 --> 00:40:27,780

people seeing something very similar to

1019

00:40:30,710 --> 00:40:28,920

this

1020

00:40:32,270 --> 00:40:30,720

uh and the first thing you can think

1021

00:40:35,810 --> 00:40:32,280

about it's a tall bar a thought form

1022

00:40:36,950 --> 00:40:35,820

it's mind manifested just like a

1023

00:40:38,329 --> 00:40:36,960

poltergeist

1024

00:40:42,050 --> 00:40:38,339

um but

1025

00:40:43,609 --> 00:40:42,060

who knows yeah and I mean and like I

1026
00:40:44,930 --> 00:40:43,619
believe the two of those girls convinced

1027
00:40:46,849 --> 00:40:44,940
another friend of theirs to murder

1028
00:40:50,150 --> 00:40:46,859
somebody didn't they sure no matter

1029
00:40:52,730 --> 00:40:50,160
girls yeah I was up in up in Wisconsin

1030
00:40:55,370 --> 00:40:52,740
he's up in Wisconsin the two girls were

1031
00:40:58,010 --> 00:40:55,380
into this whole Creepypasta thing with

1032
00:41:00,710 --> 00:40:58,020
the Slender Man yeah and they convinced

1033
00:41:05,510 --> 00:41:00,720
themselves that it was real and that uh

1034
00:41:08,270 --> 00:41:05,520
they were going to uh kill this girl for

1035
00:41:10,670 --> 00:41:08,280
it you know for the Slender Man

1036
00:41:13,250 --> 00:41:10,680
and they just went totally nuts on it

1037
00:41:16,069 --> 00:41:13,260
and uh yeah they almost killed a girl

1038
00:41:19,069 --> 00:41:16,079

yeah so perhaps it manifested itself to

1039

00:41:21,770 --> 00:41:19,079

them and I sure actually carried out a

1040

00:41:23,450 --> 00:41:21,780

sacrifice to it you know if it's is this

1041

00:41:25,790 --> 00:41:23,460

demon that's feeding off of

1042

00:41:26,810 --> 00:41:25,800

your soul or energy or something you

1043

00:41:29,030 --> 00:41:26,820

know like that I mean it actually

1044

00:41:31,250 --> 00:41:29,040

succeeded in that circumstance

1045

00:41:32,990 --> 00:41:31,260

and like you talk about with thought

1046

00:41:35,870 --> 00:41:33,000

projection and stuff maybe the

1047

00:41:37,849 --> 00:41:35,880

collective thinking and the fear of this

1048

00:41:39,349 --> 00:41:37,859

is actually created it

1049

00:41:41,569 --> 00:41:39,359

you know it reminds me a lot of like

1050

00:41:43,430 --> 00:41:41,579

them black-eyed kids yeah same thing

1051
00:41:45,470 --> 00:41:43,440
it's the same deal it almost feels like

1052
00:41:48,109 --> 00:41:45,480
they are again it's they're feeding off

1053
00:41:50,870 --> 00:41:48,119
of it it's something that they need to

1054
00:41:52,970 --> 00:41:50,880
be their habitats need to be pleased by

1055
00:41:56,390 --> 00:41:52,980
whatever this energy is so they will

1056
00:41:58,670 --> 00:41:56,400
assume whatever it's almost like if you

1057
00:42:01,849 --> 00:41:58,680
have the everybody's on the same group

1058
00:42:04,250 --> 00:42:01,859
thinking right you have a hive mind and

1059
00:42:05,930 --> 00:42:04,260
if whatever's the majority is thinking

1060
00:42:08,030 --> 00:42:05,940
about is what this thing will manifest

1061
00:42:10,490 --> 00:42:08,040
it into Kyle and I discussed this off

1062
00:42:12,890 --> 00:42:10,500
here all the time about hat man why is

1063
00:42:14,569 --> 00:42:12,900

this Shadow Man the exact same thing

1064

00:42:16,970 --> 00:42:14,579

that everybody sees it doesn't make

1065

00:42:20,030 --> 00:42:16,980

sense that there's a shadow with a hat

1066

00:42:22,490 --> 00:42:20,040

why and why is it this certain Fedora or

1067

00:42:24,710 --> 00:42:22,500

this certain style hat none of that

1068

00:42:27,530 --> 00:42:24,720

makes sense but again it almost is like

1069

00:42:29,270 --> 00:42:27,540

it preys on the fear it knows that you

1070

00:42:32,210 --> 00:42:29,280

don't like it and you bring up

1071

00:42:33,470 --> 00:42:32,220

being able to see it I'm colorblind so I

1072

00:42:35,390 --> 00:42:33,480

don't see the world the way other people

1073

00:42:37,790 --> 00:42:35,400

see the world anybody that's colorblind

1074

00:42:39,710 --> 00:42:37,800

any of that so it always makes me think

1075

00:42:41,030 --> 00:42:39,720

that if that little bit can affect well

1076
00:42:43,790 --> 00:42:41,040
there's got to be people that can sense

1077
00:42:46,069 --> 00:42:43,800
and see other things we all have that

1078
00:42:47,990 --> 00:42:46,079
friend everybody listening has that

1079
00:42:49,550 --> 00:42:48,000
friend that's like man they always seem

1080
00:42:51,050 --> 00:42:49,560
to know what I'm going to call or they

1081
00:42:52,730 --> 00:42:51,060
always seem to know and if you don't

1082
00:42:55,490 --> 00:42:52,740
have that friend you're that friend

1083
00:42:57,530 --> 00:42:55,500
that's how this is so we always have

1084
00:43:00,650 --> 00:42:57,540
that we both have a very close personal

1085
00:43:03,349 --> 00:43:00,660
in our family that seems to be

1086
00:43:05,750 --> 00:43:03,359
I hate to say Affliction but almost with

1087
00:43:07,490 --> 00:43:05,760
this to where if something weird and

1088
00:43:09,950 --> 00:43:07,500

strange and unusual is ever going to

1089

00:43:11,630 --> 00:43:09,960

happen it happens to them first they're

1090

00:43:12,950 --> 00:43:11,640

the first one that notices the first one

1091

00:43:16,430 --> 00:43:12,960

that has something happened to them

1092

00:43:19,069 --> 00:43:16,440

because they get a response whatever

1093

00:43:21,050 --> 00:43:19,079

this thing is whatever this energy good

1094

00:43:22,790 --> 00:43:21,060

bad or indifferent when it finds

1095

00:43:25,069 --> 00:43:22,800

something that it can get or someone it

1096

00:43:27,109 --> 00:43:25,079

can get a response from it's almost like

1097

00:43:29,390 --> 00:43:27,119

feeding the Stray the Stray then knows

1098

00:43:33,050 --> 00:43:29,400

this is where I'm going this is where I

1099

00:43:35,450 --> 00:43:33,060

can go now to somewhat milk what I need

1100

00:43:37,430 --> 00:43:35,460

from this individual and then go on to

1101

00:43:39,950 --> 00:43:37,440

others and go on to others

1102

00:43:41,690 --> 00:43:39,960

when you look at these sightings

1103

00:43:43,490 --> 00:43:41,700

I always look at the age for which

1104

00:43:46,370 --> 00:43:43,500

they're reported I always go back to

1105

00:43:48,230 --> 00:43:46,380

like the idea of the nordics the the

1106

00:43:49,790 --> 00:43:48,240

alien nordics of the blonde-haired

1107

00:43:53,150 --> 00:43:49,800

blue-eyed where they don't make sense

1108

00:43:55,430 --> 00:43:53,160

they're almost human but not quite human

1109

00:43:57,230 --> 00:43:55,440

well there was a window of those reports

1110

00:44:00,050 --> 00:43:57,240

and then they seem to have fallen off

1111

00:44:02,329 --> 00:44:00,060

it's almost like it's morphed or changed

1112

00:44:04,910 --> 00:44:02,339

into whatever we see now and it comes in

1113

00:44:06,710 --> 00:44:04,920

these waves and to me it always feels

1114

00:44:09,050 --> 00:44:06,720

like they're adapting they're overcoming

1115

00:44:10,849 --> 00:44:09,060

they're moving in whatever it is whether

1116

00:44:12,430 --> 00:44:10,859

it gets told that that's an old wives

1117

00:44:15,530 --> 00:44:12,440

tale or we don't believe in that anymore

1118

00:44:17,990 --> 00:44:15,540

whatever it sticks away it almost Finds

1119

00:44:19,730 --> 00:44:18,000

Its way to find you and it just keeps

1120

00:44:22,069 --> 00:44:19,740

adjusting itself to stay ahead of the

1121

00:44:23,210 --> 00:44:22,079

curve and I know it doesn't explain all

1122

00:44:26,150 --> 00:44:23,220

of it because I don't feel that

1123

00:44:27,890 --> 00:44:26,160

Bigfoot's that way I for some reason and

1124

00:44:30,950 --> 00:44:27,900

again we tell everybody this all the

1125

00:44:32,809 --> 00:44:30,960

time I am a day by day Bigfoot believer

1126

00:44:34,670 --> 00:44:32,819

One morning I get up and I'm dead said

1127

00:44:37,069 --> 00:44:34,680

it's there the next one and I get up and

1128

00:44:40,010 --> 00:44:37,079

I'm like there is no way that's out

1129

00:44:41,930 --> 00:44:40,020

there and that changes every 24 hours

1130

00:44:45,050 --> 00:44:41,940

because it might be a little bit of

1131

00:44:47,030 --> 00:44:45,060

something up I can't shake that off and

1132

00:44:48,710 --> 00:44:47,040

I guess we know people that have

1133

00:44:50,870 --> 00:44:48,720

personally had encounters that we have

1134

00:44:53,210 --> 00:44:50,880

set across the table from and spoke to

1135

00:44:54,530 --> 00:44:53,220

and I know they believe it and like we

1136

00:44:57,710 --> 00:44:54,540

always tell our favorite my favorite

1137

00:44:59,030 --> 00:44:57,720

Bigfoot story is about a non-bigfoot

1138

00:45:01,910 --> 00:44:59,040

it's about what they thought was a

1139

00:45:04,970 --> 00:45:01,920

Bigfoot but they believe it it has the

1140

00:45:06,890 --> 00:45:04,980

same effect so it unless I have a siding

1141

00:45:09,170 --> 00:45:06,900

myself and if I do I'm never going to

1142

00:45:11,030 --> 00:45:09,180

tell anybody I'm never going to kill a

1143

00:45:12,890 --> 00:45:11,040

school if I give you this I'm just going

1144

00:45:14,630 --> 00:45:12,900

to be like well I kind of changed my

1145

00:45:16,190 --> 00:45:14,640

mind and then that that's that'll be the

1146

00:45:17,569 --> 00:45:16,200

dead giveaway when I'm everywhere you're

1147

00:45:19,069 --> 00:45:17,579

not flip-flopping when you're just one

1148

00:45:20,750 --> 00:45:19,079

way all the time that'll be the shoes

1149

00:45:23,390 --> 00:45:20,760

that's the giveaway that something

1150

00:45:25,309 --> 00:45:23,400

happened because we always joke I'll go

1151
00:45:27,530 --> 00:45:25,319
hunt Bigfoot but I won't go hunt ghosts

1152
00:45:29,210 --> 00:45:27,540
because Bigfoot can attach itself to you

1153
00:45:32,030 --> 00:45:29,220
or hide in the back of your truck right

1154
00:45:34,490 --> 00:45:32,040
but something with evil this hat man

1155
00:45:36,290 --> 00:45:34,500
these shadow men whatever this is

1156
00:45:39,410 --> 00:45:36,300
something about it seems to have the

1157
00:45:41,809 --> 00:45:39,420
ability to connect itself to you or to

1158
00:45:44,510 --> 00:45:41,819
somebody or to a place to where these

1159
00:45:46,370 --> 00:45:44,520
others seem like somewhat natural and I

1160
00:45:48,470 --> 00:45:46,380
know they're not but they do seem

1161
00:45:50,510 --> 00:45:48,480
somewhat natural and I don't know why

1162
00:45:52,370 --> 00:45:50,520
that is but I just that's the route that

1163
00:45:54,589 --> 00:45:52,380

I go every time I think of anything like

1164

00:45:56,870 --> 00:45:54,599

that and it could be Fey related well

1165

00:45:59,030 --> 00:45:56,880

and one of my favorite stories I ever

1166

00:46:02,210 --> 00:45:59,040

received here at the show from a

1167

00:46:04,010 --> 00:46:02,220

listener regarding the like Hat Man and

1168

00:46:05,089 --> 00:46:04,020

the rake and stuff is this person I

1169

00:46:08,270 --> 00:46:05,099

don't remember his name I think it was

1170

00:46:10,550 --> 00:46:08,280

Anonymous anyways but several years ago

1171

00:46:12,530 --> 00:46:10,560

he started having trouble in his

1172

00:46:14,990 --> 00:46:12,540

marriage and he began to drink and

1173

00:46:16,670 --> 00:46:15,000

started getting addicted to pain pills I

1174

00:46:18,349 --> 00:46:16,680

think he hurt his back at work you know

1175

00:46:20,510 --> 00:46:18,359

and was given a prescription like normal

1176

00:46:22,569 --> 00:46:20,520

but then it just got out of hand and his

1177

00:46:25,910 --> 00:46:22,579

life was like spiraling out of control

1178

00:46:29,150 --> 00:46:25,920

and that's when he started having these

1179

00:46:31,490 --> 00:46:29,160

encounters with the hat man and he

1180

00:46:34,130 --> 00:46:31,500

actually saw a rake more than once in

1181

00:46:36,650 --> 00:46:34,140

his home and you know and he was plagued

1182

00:46:38,089 --> 00:46:36,660

by this thing for about two years uh he

1183

00:46:39,710 --> 00:46:38,099

would see it you know just randomly

1184

00:46:41,390 --> 00:46:39,720

sometimes in the hallway one time I

1185

00:46:44,210 --> 00:46:41,400

think it was in his kitchen

1186

00:46:46,130 --> 00:46:44,220

anyways slowly he you know he was

1187

00:46:47,870 --> 00:46:46,140

eventually divorced and eventually he

1188

00:46:50,930 --> 00:46:47,880

was able to clean his life up he found

1189

00:46:52,550 --> 00:46:50,940

God joined a church I went to rehab and

1190

00:46:54,530 --> 00:46:52,560

kicked all his addictions and now he's

1191

00:46:57,890 --> 00:46:54,540

you know 100 better but once he did that

1192

00:46:59,630 --> 00:46:57,900

he never had an encounter again he never

1193

00:47:01,849 --> 00:46:59,640

saw a crawler again he never had a visit

1194

00:47:04,970 --> 00:47:01,859

from the Hat man so it makes you wonder

1195

00:47:07,250 --> 00:47:04,980

too is do these things not only attack

1196

00:47:08,750 --> 00:47:07,260

or attach themselves to people who are

1197

00:47:10,970 --> 00:47:08,760

sensitive but

1198

00:47:13,329 --> 00:47:10,980

it depends on your state and mind and

1199

00:47:16,309 --> 00:47:13,339

your spirit like how you are spiritually

1200

00:47:18,530 --> 00:47:16,319

uh if you're having a rough time if you

1201
00:47:20,329 --> 00:47:18,540
just lost a loved one you know are you

1202
00:47:22,370 --> 00:47:20,339
more sensitive can they sense that and

1203
00:47:24,109 --> 00:47:22,380
then they you know they try to manifest

1204
00:47:25,609 --> 00:47:24,119
themselves to weaker people

1205
00:47:27,410 --> 00:47:25,619
because they're not he's someone who's

1206
00:47:29,510 --> 00:47:27,420
spiritually strong these things don't

1207
00:47:32,210 --> 00:47:29,520
have a chance right they're not going to

1208
00:47:34,370 --> 00:47:32,220
be able to sway yeah I don't feel it

1209
00:47:37,250 --> 00:47:34,380
somebody that's in despair has a bad

1210
00:47:38,630 --> 00:47:37,260
addiction problem these are these are

1211
00:47:40,370 --> 00:47:38,640
someone that there's things if they are

1212
00:47:43,910 --> 00:47:40,380
truly demonic that's who they're going

1213
00:47:46,069 --> 00:47:43,920

to select to pick on right well I think

1214

00:47:48,170 --> 00:47:46,079

I think a lot of these entities and

1215

00:47:49,930 --> 00:47:48,180

beings are attracted to dysfunction for

1216

00:47:52,609 --> 00:47:49,940

the most part anyway

1217

00:47:54,770 --> 00:47:52,619

you hear people talk about Shadow People

1218

00:47:58,010 --> 00:47:54,780

and those being

1219

00:48:01,670 --> 00:47:58,020

uh something other than what a normal

1220

00:48:03,770 --> 00:48:01,680

Spirit or Earthbound entity would be uh

1221

00:48:06,530 --> 00:48:03,780

possibly extraterrestrial they seem to

1222

00:48:09,050 --> 00:48:06,540

feed off of dysfunction and misery and

1223

00:48:11,750 --> 00:48:09,060

such and I just don't think that's

1224

00:48:13,970 --> 00:48:11,760

associated only with with the the shadow

1225

00:48:16,490 --> 00:48:13,980

people I think of course this may be

1226

00:48:20,210 --> 00:48:16,500

something else again we're talking about

1227

00:48:23,089 --> 00:48:20,220

uh predisposition people who are

1228

00:48:26,089 --> 00:48:23,099

I mean these things attract to

1229

00:48:29,210 --> 00:48:26,099

yeah and you know a lot of times when I

1230

00:48:33,109 --> 00:48:29,220

get Witnesses or people I'm working with

1231

00:48:34,790 --> 00:48:33,119

who who do have these encounters many of

1232

00:48:39,290 --> 00:48:34,800

them were gifted many of them are either

1233

00:48:40,430 --> 00:48:39,300

impasse or beacons or psychic or or

1234

00:48:43,450 --> 00:48:40,440

something

1235

00:48:46,790 --> 00:48:43,460

that have some type of intuitive gift

1236

00:48:50,210 --> 00:48:46,800

uh that they they

1237

00:48:52,910 --> 00:48:50,220

you know to pre you know that they're

1238

00:48:54,109 --> 00:48:52,920

actually uh attracted to it for that

1239

00:48:55,910 --> 00:48:54,119

reason

1240

00:48:58,910 --> 00:48:55,920

I have the opposite of that I can't even

1241

00:49:00,829 --> 00:48:58,920

find my car keys in the morning oh 100.

1242

00:49:03,530 --> 00:49:00,839

nothing's ever going to show itself to

1243

00:49:05,750 --> 00:49:03,540

me you know it's funny uh yeah but it's

1244

00:49:07,790 --> 00:49:05,760

funny you know I think each of us do

1245

00:49:09,890 --> 00:49:07,800

have to question our sanity sometimes

1246

00:49:11,450 --> 00:49:09,900

you know we wake up like you said you

1247

00:49:14,450 --> 00:49:11,460

wake up and you're you got a different

1248

00:49:17,930 --> 00:49:14,460

position on Bigfoot I I do it all the

1249

00:49:20,750 --> 00:49:17,940

time I I I look at my morning mail

1250

00:49:22,609 --> 00:49:20,760

and I'm thinking what in the hell is

1251
00:49:25,010 --> 00:49:22,619
going how did I get involved with this

1252
00:49:26,750 --> 00:49:25,020
what the what am I doing doing this you

1253
00:49:29,390 --> 00:49:26,760
know it just brought more questions

1254
00:49:32,930 --> 00:49:29,400
that's all absolutely it's just made me

1255
00:49:35,510 --> 00:49:32,940
crazy ER it's all it's done I'm like now

1256
00:49:37,130 --> 00:49:35,520
there's it's it just opens a can of

1257
00:49:39,290 --> 00:49:37,140
worms but we say that all the time like

1258
00:49:41,089 --> 00:49:39,300
when you start digging into it you won't

1259
00:49:43,550 --> 00:49:41,099
find answers and anybody listening you

1260
00:49:46,130 --> 00:49:43,560
won't find answers all you're going to

1261
00:49:47,930 --> 00:49:46,140
do is go deeper and deeper and deeper

1262
00:49:51,430 --> 00:49:47,940
down that hole until it just makes you

1263
00:49:56,750 --> 00:49:54,470

thank God you are cataloging and keeping

1264

00:49:58,609 --> 00:49:56,760

all these stories because your website

1265

00:50:02,030 --> 00:49:58,619

is the mecca for these sightings yeah I

1266

00:50:04,370 --> 00:50:02,040

mean literally uh yeah well I tell you

1267

00:50:06,710 --> 00:50:04,380

it's uh it's a chore sometimes but and

1268

00:50:09,290 --> 00:50:06,720

you know but you gotta Wade through all

1269

00:50:10,550 --> 00:50:09,300

of it uh you talk about the separating

1270

00:50:12,370 --> 00:50:10,560

the week from the champ well you know

1271

00:50:15,230 --> 00:50:12,380

what you you guys get stuff all the time

1272

00:50:17,990 --> 00:50:15,240

and uh I mean

1273

00:50:20,210 --> 00:50:18,000

if you took everything literal you would

1274

00:50:22,130 --> 00:50:20,220

be crazy oh oh yeah yeah yeah yeah

1275

00:50:24,230 --> 00:50:22,140

absolutely well and that's what's so

1276

00:50:28,309 --> 00:50:24,240

wild is some of the stories that we get

1277

00:50:30,050 --> 00:50:28,319

it will be a quick concise hey I just

1278

00:50:32,270 --> 00:50:30,060

happen to have this little thing happen

1279

00:50:34,849 --> 00:50:32,280

and I went back and it wasn't there but

1280

00:50:37,250 --> 00:50:34,859

I know for a fact what I saw and it's

1281

00:50:39,470 --> 00:50:37,260

just those little bitty it's almost like

1282

00:50:41,270 --> 00:50:39,480

they were poking to find just a weakness

1283

00:50:43,550 --> 00:50:41,280

in the armor of whatever these people

1284

00:50:45,589 --> 00:50:43,560

walked by whatever they did and then you

1285

00:50:46,910 --> 00:50:45,599

find other people that are like I had

1286

00:50:49,250 --> 00:50:46,920

this siding and I didn't think anything

1287

00:50:50,990 --> 00:50:49,260

of it and then I couldn't get it out of

1288

00:50:52,970 --> 00:50:51,000

my mind and then it started plaguing me

1289

00:50:54,950 --> 00:50:52,980

and then the next thing you know is this

1290

00:50:56,990 --> 00:50:54,960

thing or whatever it is they've had

1291

00:50:58,849 --> 00:50:57,000

multiple encounters with it after that

1292

00:51:00,349 --> 00:50:58,859

and you brought up the empath's and all

1293

00:51:01,670 --> 00:51:00,359

that I I don't feel like there's

1294

00:51:03,470 --> 00:51:01,680

something too oh maybe that's something

1295

00:51:06,290 --> 00:51:03,480

to that maybe that's literally happening

1296

00:51:07,730 --> 00:51:06,300

maybe these things are everybody on the

1297

00:51:08,930 --> 00:51:07,740

planet they're just picking up the ones

1298

00:51:10,190 --> 00:51:08,940

that really notice it and that's the

1299

00:51:11,510 --> 00:51:10,200

ones they mess with they're tapping me

1300

00:51:12,890 --> 00:51:11,520

on the left shoulder and I'm turning to

1301
00:51:15,770 --> 00:51:12,900
the right it's one of those like what

1302
00:51:17,750 --> 00:51:15,780
yeah that's yeah

1303
00:51:19,670 --> 00:51:17,760
one could be living in here right now I

1304
00:51:21,170 --> 00:51:19,680
wouldn't know it

1305
00:51:24,349 --> 00:51:21,180
get to some of the questions because

1306
00:51:26,569 --> 00:51:24,359
they're plowing up so um

1307
00:51:29,150 --> 00:51:26,579
Grand Master UV

1308
00:51:33,290 --> 00:51:29,160
they want to know what you guys think

1309
00:51:35,390 --> 00:51:33,300
about UFOs and how they work uh Electro

1310
00:51:38,870 --> 00:51:35,400
gravity

1311
00:51:42,109 --> 00:51:38,880
revito or magnetic kinetic force fields

1312
00:51:44,530 --> 00:51:42,119
what are your thoughts on UFOs well

1313
00:51:47,089 --> 00:51:44,540

having never seen one I do not know but

1314

00:51:48,890 --> 00:51:47,099

uh some information that was leaked many

1315

00:51:51,049 --> 00:51:48,900

years ago and is now being leaked again

1316

00:51:52,190 --> 00:51:51,059

by the government I'd have to say I

1317

00:51:55,309 --> 00:51:52,200

would believe

1318

00:51:57,290 --> 00:51:55,319

what Bob Lazar described uh talking

1319

00:51:59,329 --> 00:51:57,300

about the the blue like aura that

1320

00:52:02,450 --> 00:51:59,339

surrounds the craft it uses a Rare

1321

00:52:04,010 --> 00:52:02,460

Element moscovium Element 115 I believe

1322

00:52:06,230 --> 00:52:04,020

maybe the number of the minerals

1323

00:52:08,569 --> 00:52:06,240

definitely moscovium uh and that that

1324

00:52:10,430 --> 00:52:08,579

uses with no wires somehow device and

1325

00:52:12,349 --> 00:52:10,440

it's anti-gravidic and that's how it

1326
00:52:14,030 --> 00:52:12,359
moves through space he even talked about

1327
00:52:16,010 --> 00:52:14,040
how it would shift and move that way

1328
00:52:18,049 --> 00:52:16,020
right and when you look at the the

1329
00:52:21,049 --> 00:52:18,059
videos that were released that's exactly

1330
00:52:22,670 --> 00:52:21,059
what this thing's doing and back in the

1331
00:52:24,290 --> 00:52:22,680
day you know they tried to discredit Bob

1332
00:52:25,790 --> 00:52:24,300
they tried to say he didn't work at Los

1333
00:52:27,589 --> 00:52:25,800
Alamos and all that but then you know it

1334
00:52:29,510 --> 00:52:27,599
comes out that he did he was in the

1335
00:52:31,670 --> 00:52:29,520
phone book they've talked to several

1336
00:52:33,049 --> 00:52:31,680
people that knew where he that worked

1337
00:52:35,510 --> 00:52:33,059
there with him so that was you know

1338
00:52:37,250 --> 00:52:35,520

thrown out they tried to say that he

1339

00:52:38,390 --> 00:52:37,260

didn't go to MIT it didn't go to

1340

00:52:39,589 --> 00:52:38,400

Berkeley but then there's people that

1341

00:52:42,650 --> 00:52:39,599

said that they would take them and drop

1342

00:52:45,470 --> 00:52:42,660

them off for school uh whether you get

1343

00:52:46,970 --> 00:52:45,480

hired with eg and G the guy that hired

1344

00:52:49,010 --> 00:52:46,980

him like everything Bob said has now

1345

00:52:51,950 --> 00:52:49,020

come to light it was 100 accurate even

1346

00:52:54,170 --> 00:52:51,960

the little bone uh x-raying thing that

1347

00:52:56,750 --> 00:52:54,180

was allowed to get them into the you

1348

00:52:59,210 --> 00:52:56,760

know fought the Janus flights into S4

1349

00:53:02,150 --> 00:52:59,220

like that's been proven so

1350

00:53:04,069 --> 00:53:02,160

without having ever seen a UFO myself I

1351
00:53:05,569 --> 00:53:04,079
think that they work anti-gravidically I

1352
00:53:08,270 --> 00:53:05,579
just have to believe Bob

1353
00:53:10,069 --> 00:53:08,280
I'm gonna defer to Bob Lazar yeah that's

1354
00:53:11,630 --> 00:53:10,079
that's the way I'm like I'm gonna have

1355
00:53:13,370 --> 00:53:11,640
to go with what he said it's the reason

1356
00:53:15,530 --> 00:53:13,380
how it moves the way it does yeah look

1357
00:53:18,170 --> 00:53:15,540
Los Angeles I mean the craft looks

1358
00:53:19,790 --> 00:53:18,180
almost identical to the same ones that

1359
00:53:21,470 --> 00:53:19,800
David fraver and then videotaped with

1360
00:53:22,849 --> 00:53:21,480
their Flier pods I don't even want to

1361
00:53:24,230 --> 00:53:22,859
get into that because I'll start having

1362
00:53:25,569 --> 00:53:24,240
a panic attack talking about those

1363
00:53:27,730 --> 00:53:25,579

things

1364

00:53:30,770 --> 00:53:27,740

oh

1365

00:53:32,870 --> 00:53:30,780

let's see here Vincent wants to know is

1366

00:53:35,870 --> 00:53:32,880

there a connection between the UFO

1367

00:53:37,150 --> 00:53:35,880

sightings over O'Hare and the winged

1368

00:53:40,130 --> 00:53:37,160

humanoids

1369

00:53:41,990 --> 00:53:40,140

I I think there is a connection because

1370

00:53:44,390 --> 00:53:42,000

we have

1371

00:53:47,270 --> 00:53:44,400

from what has been described to us now

1372

00:53:48,890 --> 00:53:47,280

I'm just going by what people on the

1373

00:53:50,690 --> 00:53:48,900

team have picked up

1374

00:53:53,329 --> 00:53:50,700

is that

1375

00:53:56,510 --> 00:53:53,339

they're not these winged humanoids are

1376

00:53:59,030 --> 00:53:56,520

not connected to the UFOs or those

1377

00:54:01,730 --> 00:53:59,040

beings that are you know that are

1378

00:54:04,250 --> 00:54:01,740

piloting these things but for whatever

1379

00:54:06,230 --> 00:54:04,260

reason

1380

00:54:08,750 --> 00:54:06,240

they're attracted to these winged

1381

00:54:10,970 --> 00:54:08,760

humanoids and they they seem to show up

1382

00:54:13,849 --> 00:54:10,980

after the sightings

1383

00:54:15,950 --> 00:54:13,859

with these beings uh we had a uh in

1384

00:54:19,309 --> 00:54:15,960

particular we had a um

1385

00:54:22,010 --> 00:54:19,319

uh we had a uh

1386

00:54:26,630 --> 00:54:22,020

security guard who saw one of these

1387

00:54:28,370 --> 00:54:26,640

beings in in a in a construction site in

1388

00:54:29,630 --> 00:54:28,380

the southwest area where they've been

1389

00:54:32,450 --> 00:54:29,640

doing construction there for a couple

1390

00:54:36,829 --> 00:54:32,460

years now and he went to look and he saw

1391

00:54:38,210 --> 00:54:36,839

it and then a big v-shaped UFO showed up

1392

00:54:41,390 --> 00:54:38,220

all of a sudden

1393

00:54:43,609 --> 00:54:41,400

uh and this thing took off because of

1394

00:54:44,750 --> 00:54:43,619

this this UFO showing up this crap

1395

00:54:47,150 --> 00:54:44,760

showing up

1396

00:54:50,630 --> 00:54:47,160

so I I don't think they're associated

1397

00:54:53,390 --> 00:54:50,640

with it but I I think these I think

1398

00:54:54,290 --> 00:54:53,400

these crafts show up because of it I

1399

00:54:55,849 --> 00:54:54,300

don't know I don't know what you guys

1400

00:54:58,609 --> 00:54:55,859

think about that they might be privy to

1401

00:55:01,609 --> 00:54:58,619

the idea I always I like to think that

1402

00:55:03,230 --> 00:55:01,619

they are chasing them like they are out

1403

00:55:04,970 --> 00:55:03,240

here trying to catch them trying to do

1404

00:55:07,130 --> 00:55:04,980

whatever like maybe that's what Earth is

1405

00:55:09,049 --> 00:55:07,140

Right is it's a Battleground for all of

1406

00:55:11,030 --> 00:55:09,059

this stuff and they're coming here to do

1407

00:55:13,609 --> 00:55:11,040

I mean we don't know then I mean any any

1408

00:55:15,349 --> 00:55:13,619

theory is good as any but it does it

1409

00:55:16,490 --> 00:55:15,359

does seem funny that they seem to show

1410

00:55:19,309 --> 00:55:16,500

up

1411

00:55:21,849 --> 00:55:19,319

after that I mean we get reports of them

1412

00:55:25,490 --> 00:55:21,859

people seeing UFOs around Bigfoot size

1413

00:55:26,809 --> 00:55:25,500

and there's a lot of that stuff that I

1414

00:55:28,069 --> 00:55:26,819

personally don't know that they're I

1415

00:55:30,349 --> 00:55:28,079

don't believe that they're connected

1416

00:55:32,809 --> 00:55:30,359

other than they're like us they want to

1417

00:55:34,250 --> 00:55:32,819

know they see it they go to it I don't

1418

00:55:36,349 --> 00:55:34,260

know maybe they want to be the only cool

1419

00:55:37,849 --> 00:55:36,359

guys in the on the planet so they want

1420

00:55:39,349 --> 00:55:37,859

to run all the rest of them off or get

1421

00:55:42,470 --> 00:55:39,359

them and put them maybe they got out of

1422

00:55:44,210 --> 00:55:42,480

the UFO zoo I don't know patch yeah my

1423

00:55:47,150 --> 00:55:44,220

favorite theory is that Bigfoot is

1424

00:55:48,890 --> 00:55:47,160

associated with UFOs and dog man is

1425

00:55:51,109 --> 00:55:48,900

actually Bigfoot's pet and like they

1426
00:55:52,849 --> 00:55:51,119
just stop here let him out yeah use the

1427
00:55:54,710 --> 00:55:52,859
bathroom they lose control it it gets

1428
00:55:57,710 --> 00:55:54,720
loose take him for a walk and he got

1429
00:55:59,750 --> 00:55:57,720
loose yeah I mean why not right I mean

1430
00:56:01,370 --> 00:55:59,760
it's that's a whole nother thing you get

1431
00:56:03,109 --> 00:56:01,380
into the dog man stories that's a whole

1432
00:56:05,630 --> 00:56:03,119
another can of worms there that I'm like

1433
00:56:07,370 --> 00:56:05,640
I don't even know well I'm working on

1434
00:56:09,230 --> 00:56:07,380
I'm working on a cryptic canine book

1435
00:56:11,270 --> 00:56:09,240
right now and um

1436
00:56:13,549 --> 00:56:11,280
I mean it's like that's a whole

1437
00:56:15,710 --> 00:56:13,559
different level of

1438
00:56:17,809 --> 00:56:15,720

craziness because you know there's

1439

00:56:19,430 --> 00:56:17,819

there's really no Rhyme or Reason for

1440

00:56:21,650 --> 00:56:19,440

those things

1441

00:56:23,270 --> 00:56:21,660

um we've had a lot of sightings here in

1442

00:56:24,950 --> 00:56:23,280

Pennsylvania you know when Butch was

1443

00:56:27,490 --> 00:56:24,960

around we used to work on it all the

1444

00:56:30,710 --> 00:56:27,500

time he was always on it

1445

00:56:34,910 --> 00:56:30,720

and then this year we started getting

1446

00:56:38,329 --> 00:56:34,920

sightings in the state we had like six

1447

00:56:41,390 --> 00:56:38,339

Active cases at one time going on so

1448

00:56:43,490 --> 00:56:41,400

I don't know God it it just it just

1449

00:56:46,190 --> 00:56:43,500

keeps going on and going on and there's

1450

00:56:49,750 --> 00:56:46,200

no real explanation of course

1451

00:56:51,950 --> 00:56:49,760

so well I I you know I don't know

1452

00:56:55,069 --> 00:56:51,960

oh me too I'm looking forward to the

1453

00:56:57,890 --> 00:56:55,079

book Lon yeah well that you know it's

1454

00:56:59,450 --> 00:56:57,900

gonna take a while you know I had I it

1455

00:57:01,970 --> 00:56:59,460

kind of got delayed because of surgery

1456

00:57:04,490 --> 00:57:01,980

and a few other things and uh I'm

1457

00:57:06,349 --> 00:57:04,500

starting to get back into it but I I

1458

00:57:08,150 --> 00:57:06,359

will I will get it out sometime this

1459

00:57:11,329 --> 00:57:08,160

year

1460

00:57:13,849 --> 00:57:11,339

um Tyson Davis asked could there be a

1461

00:57:16,250 --> 00:57:13,859

correlation between Rising crime in an

1462

00:57:19,309 --> 00:57:16,260

area and sightings the Cryptids

1463

00:57:21,530 --> 00:57:19,319

well I think it could be

1464

00:57:23,089 --> 00:57:21,540

um I think you know I know I told you

1465

00:57:25,130 --> 00:57:23,099

guys about Chicago and people were

1466

00:57:27,410 --> 00:57:25,140

worried about and scared

1467

00:57:29,569 --> 00:57:27,420

was there a crime was because of the

1468

00:57:31,849 --> 00:57:29,579

high crime in Chicago I don't know you

1469

00:57:33,349 --> 00:57:31,859

know I get a lot of people that that try

1470

00:57:35,690 --> 00:57:33,359

to connect that

1471

00:57:38,510 --> 00:57:35,700

but there just doesn't really seem to be

1472

00:57:39,950 --> 00:57:38,520

a connection overall to that I don't

1473

00:57:42,710 --> 00:57:39,960

know well you got to see the crime in

1474

00:57:44,390 --> 00:57:42,720

general as it is the suffering well that

1475

00:57:46,069 --> 00:57:44,400

may be you know what I'm saying is like

1476

00:57:47,390 --> 00:57:46,079

the suffering of things might be because

1477

00:57:51,049 --> 00:57:47,400

of where they always see it in and

1478

00:57:53,329 --> 00:57:51,059

around I'm curious to see what comes out

1479

00:57:55,910 --> 00:57:53,339

after the Russian Ukrainian War if there

1480

00:57:57,470 --> 00:57:55,920

was any strange sightings of UFOs if

1481

00:57:59,510 --> 00:57:57,480

there's any strange sightings of maybe

1482

00:58:01,609 --> 00:57:59,520

flying human notes anything like that

1483

00:58:03,770 --> 00:58:01,619

that was going on that gets reported

1484

00:58:05,809 --> 00:58:03,780

after all this goes well a few things

1485

00:58:07,670 --> 00:58:05,819

have been leaking out yeah because

1486

00:58:10,370 --> 00:58:07,680

there's always strange sightings so that

1487

00:58:12,109 --> 00:58:10,380

World War One World War II uh Vietnam

1488

00:58:13,790 --> 00:58:12,119

there's desert storms Desert Storm

1489

00:58:16,309 --> 00:58:13,800

there's always strange sightings during

1490

00:58:18,049 --> 00:58:16,319

conflicts of War especially UFO sighting

1491

00:58:19,490 --> 00:58:18,059

so yeah I'd be very interested to find

1492

00:58:22,549 --> 00:58:19,500

out what's going on in the Ukraine

1493

00:58:24,589 --> 00:58:22,559

Russian war well I mean until we get

1494

00:58:26,870 --> 00:58:24,599

actual boots in the ground if we do get

1495

00:58:29,750 --> 00:58:26,880

boots in the ground in in the Ukraine I

1496

00:58:30,950 --> 00:58:29,760

I or any type of War which I hope we

1497

00:58:33,410 --> 00:58:30,960

don't but

1498

00:58:35,030 --> 00:58:33,420

uh then stuff will come out I mean if

1499

00:58:36,950 --> 00:58:35,040

you get U.S Personnel going in there

1500

00:58:39,650 --> 00:58:36,960

then stories are going to get out

1501

00:58:41,750 --> 00:58:39,660

uh but there have been some sightings I

1502

00:58:45,289 --> 00:58:41,760

mean of some strange things particularly

1503

00:58:47,750 --> 00:58:45,299

UFO activity yeah so uh and I'm starting

1504

00:58:51,589 --> 00:58:47,760

to get all right I'm starting to get

1505

00:58:55,130 --> 00:58:51,599

Bigfoot in Crimea too and

1506

00:58:59,089 --> 00:58:55,140

you know it's nuts yeah

1507

00:59:02,089 --> 00:58:59,099

um Nancy Malcolm have have both men been

1508

00:59:04,670 --> 00:59:02,099

cited from Planes in Flight you know

1509

00:59:08,089 --> 00:59:04,680

so far I don't think I've gotten any of

1510

00:59:09,530 --> 00:59:08,099

those but who knows yeah I don't I don't

1511

00:59:11,270 --> 00:59:09,540

think I've ever heard of one no I don't

1512

00:59:14,750 --> 00:59:11,280

think I have yet

1513

00:59:16,250 --> 00:59:14,760

no not not not Mothman I do too high

1514

00:59:18,650 --> 00:59:16,260

they're like 500 Footers maybe they

1515

00:59:20,690 --> 00:59:18,660

can't breathe above 14 000 feet I do

1516

00:59:22,970 --> 00:59:20,700

oxygen there's a little breathe up there

1517

00:59:25,430 --> 00:59:22,980

not Mothman but I do remember the the

1518

00:59:28,190 --> 00:59:25,440

stories from World War II of several

1519

00:59:31,250 --> 00:59:28,200

Pilots fighter pilots and bombers having

1520

00:59:32,809 --> 00:59:31,260

not just Street Fighters but Gremlins on

1521

00:59:36,049 --> 00:59:32,819

the wings which inspired the Twilight

1522

00:59:37,510 --> 00:59:36,059

Zone show and and but like uh William

1523

00:59:39,829 --> 00:59:37,520

Shatner yeah

1524

00:59:41,930 --> 00:59:39,839

like but those stores that story was

1525

00:59:43,609 --> 00:59:41,940

showing our age now that story's from an

1526

00:59:45,109 --> 00:59:43,619

original stories that there are yeah

1527

00:59:47,270 --> 00:59:45,119

people that were claiming that there was

1528

00:59:49,010 --> 00:59:47,280

these straw encrypted looking Fey like

1529

00:59:50,210 --> 00:59:49,020

the windy creatures tampering with their

1530

00:59:51,950 --> 00:59:50,220

equipment

1531

00:59:53,870 --> 00:59:51,960

and they would see him on the wings and

1532

00:59:55,930 --> 00:59:53,880

stuff but that not never a Mothman not

1533

01:00:00,230 --> 00:59:55,940

in my you have not heard of one

1534

01:00:02,270 --> 01:00:00,240

yeah we've gotten pilots who have um who

1535

01:00:04,970 --> 01:00:02,280

I've seen them on the tarmac

1536

01:00:07,609 --> 01:00:04,980

but uh as far as actually up in in

1537

01:00:09,190 --> 01:00:07,619

Flight I I don't know of any

1538

01:00:13,970 --> 01:00:09,200

I don't know of any

1539

01:00:18,170 --> 01:00:13,980

uh Patty Filson is that a relationship

1540

01:00:20,630 --> 01:00:18,180

yeah that's my mom okay what about the

1541

01:00:23,270 --> 01:00:20,640

lights over Stevenson years ago yeah

1542

01:00:25,609 --> 01:00:23,280

yeah it's Stephenville not Stevenson but

1543

01:00:27,049 --> 01:00:25,619

uh yeah uh there's a lot of people

1544

01:00:29,210 --> 01:00:27,059

that's not that far from here it's about

1545

01:00:31,069 --> 01:00:29,220

30 miles 27 miles from right

1546

01:00:33,289 --> 01:00:31,079

alternatively reside so yeah back in the

1547

01:00:35,390 --> 01:00:33,299

day when it happened uh there was a lot

1548

01:00:37,970 --> 01:00:35,400

of people that I that I knew that didn't

1549

01:00:39,289 --> 01:00:37,980

see it but knew the guy that saw it so

1550

01:00:41,089 --> 01:00:39,299

it was seen by a couple of people

1551

01:00:43,609 --> 01:00:41,099

there's a bunch of stories that was

1552

01:00:46,010 --> 01:00:43,619

spread around it being flares and all

1553

01:00:47,930 --> 01:00:46,020

and it absolutely when you talk to the

1554

01:00:49,789 --> 01:00:47,940

people that did reports saying it was

1555

01:00:52,190 --> 01:00:49,799

nothing like what they tried to play it

1556

01:00:54,470 --> 01:00:52,200

off as and what's odd is you know like

1557

01:00:55,910 --> 01:00:54,480

it was being followed like there's it

1558

01:00:57,710 --> 01:00:55,920

fits into the same stuff as like the

1559

01:00:59,630 --> 01:00:57,720

lights in Arizona right they're the

1560

01:01:02,870 --> 01:00:59,640

Carswell Air Force Base it falls right

1561

01:01:04,549 --> 01:01:02,880

here f-16s that were you know sent out

1562

01:01:06,530 --> 01:01:04,559

to follow whatever it was and stuff so

1563

01:01:07,990 --> 01:01:06,540

you know if it was just a commercial

1564

01:01:10,670 --> 01:01:08,000

plane or something yeah

1565

01:01:12,410 --> 01:01:10,680

stevensonville thing has been that's

1566

01:01:15,650 --> 01:01:12,420

been an indignant to me because I had

1567

01:01:19,609 --> 01:01:15,660

talked to so many people who seen

1568

01:01:22,250 --> 01:01:19,619

those lights and has seen you know the

1569

01:01:24,950 --> 01:01:22,260

craft and such and uh

1570

01:01:26,630 --> 01:01:24,960

I I I really can't put my thumb on it

1571

01:01:28,910 --> 01:01:26,640

but I I know for a fact something

1572

01:01:32,089 --> 01:01:28,920

definitely happened out there and you

1573

01:01:33,410 --> 01:01:32,099

know it and it went on for so long

1574

01:01:36,349 --> 01:01:33,420

um yeah and one of the sightings of the

1575

01:01:39,770 --> 01:01:36,359

thing was massive yeah huge yeah like

1576

01:01:42,349 --> 01:01:39,780

multiple football fields in length

1577

01:01:44,089 --> 01:01:42,359

you know so I'm gonna forget that Aurora

1578

01:01:46,190 --> 01:01:44,099

is real close to us too

1579

01:01:49,010 --> 01:01:46,200

and that was an old UFO sighting one of

1580

01:01:52,309 --> 01:01:49,020

the first yeah or the correctional place

1581

01:01:55,010 --> 01:01:52,319

yeah people don't realize that that

1582

01:01:57,170 --> 01:01:55,020

Dallas Fort Worth area in the counties

1583

01:01:59,930 --> 01:01:57,180

around there had a lot of UFO activity

1584

01:02:01,789 --> 01:01:59,940

over years a lot

1585

01:02:03,589 --> 01:02:01,799

yeah well that's the fourth is where

1586

01:02:04,670 --> 01:02:03,599

they flew the the wreckage from Roswell

1587

01:02:10,549 --> 01:02:04,680

to first before it went to

1588

01:02:14,870 --> 01:02:12,650

yeah and you know what

1589

01:02:18,589 --> 01:02:16,730

I have heard I have heard so many

1590

01:02:22,730 --> 01:02:18,599

stories about

1591

01:02:24,770 --> 01:02:22,740

um about equipment from Roswell or some

1592

01:02:25,910 --> 01:02:24,780

of the debris that was picked up Roswell

1593

01:02:32,809 --> 01:02:25,920

ended up

1594

01:02:35,690 --> 01:02:32,819

Worth area in the in the Dallas area uh

1595

01:02:37,549 --> 01:02:35,700

before it went wherever it went and I

1596

01:02:41,089 --> 01:02:37,559

don't you know I I

1597

01:02:43,670 --> 01:02:41,099

my dad was in the 509th after oh or

1598

01:02:46,730 --> 01:02:43,680

during Korea this was this was after

1599

01:02:49,250 --> 01:02:46,740

Roswell but he he was stationed with a

1600

01:02:51,710 --> 01:02:49,260

lot of guys who were at Roswell so you

1601
01:02:53,750 --> 01:02:51,720
know over the years I got to talk to

1602
01:02:56,230 --> 01:02:53,760
some of these guys at reunions and stuff

1603
01:02:59,150 --> 01:02:56,240
and um something definitely happened

1604
01:03:01,190 --> 01:02:59,160
yeah something definitely happened but I

1605
01:03:04,730 --> 01:03:01,200
don't think you know everybody tries to

1606
01:03:06,950 --> 01:03:04,740
associate Roswell in the disposition of

1607
01:03:08,390 --> 01:03:06,960
everything going to Ray Patterson I just

1608
01:03:11,569 --> 01:03:08,400
don't believe that

1609
01:03:12,770 --> 01:03:11,579
right I I I believe and you know from

1610
01:03:14,990 --> 01:03:12,780
the evidence that I've gotten every

1611
01:03:18,049 --> 01:03:15,000
years it's down at one of the two air

1612
01:03:21,349 --> 01:03:18,059
bases in Florida but there is debris and

1613
01:03:24,530 --> 01:03:21,359

possibly bodies uh I I'm leading toward

1614

01:03:26,390 --> 01:03:24,540

Eglin Air Force base near Pensacola

1615

01:03:28,130 --> 01:03:26,400

sure yeah but

1616

01:03:30,589 --> 01:03:28,140

I definitely know that it was a weather

1617

01:03:32,270 --> 01:03:30,599

balloon all right it's definitely it

1618

01:03:34,309 --> 01:03:32,280

definitely wouldn't happen and those

1619

01:03:37,309 --> 01:03:34,319

guys will tell you that yeah you know

1620

01:03:39,530 --> 01:03:37,319

those guys will tell you that yeah uh

1621

01:03:41,870 --> 01:03:39,540

Nancy Malcolm have there been sightings

1622

01:03:44,270 --> 01:03:41,880

of Elementals where sightings of

1623

01:03:45,770 --> 01:03:44,280

crawlers Etc are gathering groups to

1624

01:03:48,710 --> 01:03:45,780

feed

1625

01:03:50,870 --> 01:03:48,720

hmm that's a good question it is funny

1626

01:03:53,089 --> 01:03:50,880

that you don't get a lot of I don't know

1627

01:03:55,910 --> 01:03:53,099

that I've ever read a story of there

1628

01:03:58,670 --> 01:03:55,920

being like multiple crawlers sided

1629

01:04:01,490 --> 01:03:58,680

together like we don't get like packs of

1630

01:04:03,890 --> 01:04:01,500

them yeah everything seems to be one-off

1631

01:04:06,410 --> 01:04:03,900

like all all of it seems to be solo

1632

01:04:08,390 --> 01:04:06,420

which is I'm not here I don't want to

1633

01:04:10,490 --> 01:04:08,400

come and turn into a whole Covey of

1634

01:04:12,470 --> 01:04:10,500

crawlers I don't need like a half a

1635

01:04:14,510 --> 01:04:12,480

dozen two dozen I don't care run it I

1636

01:04:15,710 --> 01:04:14,520

don't need that it always seems to just

1637

01:04:18,829 --> 01:04:15,720

be one

1638

01:04:23,150 --> 01:04:18,839

I only ever had one encounter one report

1639

01:04:26,569 --> 01:04:23,160

from Ontario where there was a farm

1640

01:04:29,390 --> 01:04:26,579

where multiple crawlers were seen it

1641

01:04:32,270 --> 01:04:29,400

and but that was it that's the only one

1642

01:04:35,089 --> 01:04:32,280

I can even think remember of being

1643

01:04:36,770 --> 01:04:35,099

multiples even more than one

1644

01:04:38,750 --> 01:04:36,780

well going back to Dogman we've always

1645

01:04:40,910 --> 01:04:38,760

talked about that one story of like

1646

01:04:42,289 --> 01:04:40,920

there was six or seven in the yard yeah

1647

01:04:43,910 --> 01:04:42,299

moved up around those people's houses

1648

01:04:45,410 --> 01:04:43,920

and then you know yeah you don't ever

1649

01:04:48,049 --> 01:04:45,420

hear about that either it's always there

1650

01:04:49,730 --> 01:04:48,059

to be singles I guess it could happen I

1651
01:04:51,890 --> 01:04:49,740
just I don't remember reading anywhere

1652
01:04:53,870 --> 01:04:51,900
where it did yeah

1653
01:04:56,030 --> 01:04:53,880
now multiple bigfoots seem to be a thing

1654
01:04:57,470 --> 01:04:56,040
they seem to be more like family units

1655
01:05:00,289 --> 01:04:57,480
if you come across those things like

1656
01:05:02,690 --> 01:05:00,299
that but not crawlers I don't need we

1657
01:05:04,609 --> 01:05:02,700
don't need to pass on a crawler it's a

1658
01:05:07,549 --> 01:05:04,619
bad news

1659
01:05:10,789 --> 01:05:07,559
those crawlers freaked me out it's not

1660
01:05:12,710 --> 01:05:10,799
cool yeah I uh you know and the more and

1661
01:05:15,349 --> 01:05:12,720
more I've talked to people about it who

1662
01:05:18,470 --> 01:05:15,359
have had encounters it's like

1663
01:05:20,809 --> 01:05:18,480

you know and this all started with with

1664

01:05:24,770 --> 01:05:20,819

this Penelope sightings that were going

1665

01:05:27,710 --> 01:05:24,780

on up in the Sierras and the um you know

1666

01:05:30,410 --> 01:05:27,720

that started getting out and then it

1667

01:05:33,049 --> 01:05:30,420

just seemed like it just spread all of a

1668

01:05:36,190 --> 01:05:33,059

sudden people were seeing these things

1669

01:05:38,990 --> 01:05:36,200

yeah I don't know oh

1670

01:05:41,750 --> 01:05:39,000

no I don't that's definitely something I

1671

01:05:43,309 --> 01:05:41,760

do not want to witness no me neither I'm

1672

01:05:46,849 --> 01:05:43,319

out neither

1673

01:05:49,549 --> 01:05:46,859

uh Mitzi do you think

1674

01:05:52,970 --> 01:05:49,559

the Chicago flying humanoid flap will be

1675

01:05:54,410 --> 01:05:52,980

ending in the near time future you know

1676

01:05:57,589 --> 01:05:54,420

what

1677

01:06:00,890 --> 01:05:57,599

I I keep saying that it's going to wane

1678

01:06:03,950 --> 01:06:00,900

it's gonna stop eventually

1679

01:06:07,549 --> 01:06:03,960

but it just never freaking ends I mean

1680

01:06:08,750 --> 01:06:07,559

it just keeps on going I don't know what

1681

01:06:13,309 --> 01:06:08,760

do you guys think about it everything

1682

01:06:16,069 --> 01:06:13,319

eventually ends everything yeah but this

1683

01:06:19,430 --> 01:06:16,079

I don't want to say this but I'm going

1684

01:06:20,690 --> 01:06:19,440

to I don't think we've seen the peak of

1685

01:06:23,210 --> 01:06:20,700

it yet

1686

01:06:26,270 --> 01:06:23,220

I don't think we've seen it Spike I

1687

01:06:28,309 --> 01:06:26,280

think that it is still building and

1688

01:06:31,549 --> 01:06:28,319

still building because

1689

01:06:33,650 --> 01:06:31,559

I thought it was it just doesn't feel

1690

01:06:34,970 --> 01:06:33,660

like it's letting up I thought it was

1691

01:06:40,670 --> 01:06:34,980

going to end when the Cubs won the World

1692

01:06:48,950 --> 01:06:44,630

that's funny yeah he was hoping that

1693

01:06:51,890 --> 01:06:48,960

didn't stop at least yeah yeah

1694

01:06:53,630 --> 01:06:51,900

that was a that was a misnumber anyway I

1695

01:06:55,010 --> 01:06:53,640

mean you know who the hell I ever

1696

01:06:56,930 --> 01:06:55,020

thought the Cubs are going to win the

1697

01:06:58,789 --> 01:06:56,940

world I never thought I'd see that never

1698

01:07:01,549 --> 01:06:58,799

thought glad I did

1699

01:07:01,559 --> 01:07:04,130

um

1700

01:07:09,230 --> 01:07:07,309

uh what do you this is from AG what do

1701

01:07:11,750 --> 01:07:09,240

you guys think of the Jersey Devil

1702

01:07:14,870 --> 01:07:11,760

similar to the Mothman

1703

01:07:16,190 --> 01:07:14,880

oh that's a that's another one oh now

1704

01:07:19,069 --> 01:07:16,200

that's another one like I'm very

1705

01:07:20,930 --> 01:07:19,079

interested in that because uh uh as you

1706

01:07:22,730 --> 01:07:20,940

mentioned in my bio my whole family's

1707

01:07:25,130 --> 01:07:22,740

from New Jersey and I grew up here but

1708

01:07:26,630 --> 01:07:25,140

like so as a little boy uh every time

1709

01:07:29,150 --> 01:07:26,640

every year we know we would go up there

1710

01:07:30,349 --> 01:07:29,160

to visit relatives uh my uncles and

1711

01:07:33,589 --> 01:07:30,359

stuff they would always tell me stories

1712

01:07:35,809 --> 01:07:33,599

of the Jersey Devil and you know as most

1713

01:07:37,069 --> 01:07:35,819

uncles do they just like to tease you

1714

01:07:39,349 --> 01:07:37,079

about it but I have one Uncle up there

1715

01:07:41,450 --> 01:07:39,359

that he believes in it and he's like he

1716

01:07:42,890 --> 01:07:41,460

won't go in the woods by himself without

1717

01:07:44,270 --> 01:07:42,900

his hunting dogs and stuff like that

1718

01:07:46,190 --> 01:07:44,280

because he's actually he's pretty scared

1719

01:07:47,750 --> 01:07:46,200

of the thing I don't remember I'm trying

1720

01:07:50,569 --> 01:07:47,760

to remember now if he said he heard it

1721

01:07:51,770 --> 01:07:50,579

one time I know he never saw it but

1722

01:07:53,990 --> 01:07:51,780

something freaked him out in the Pine

1723

01:07:56,690 --> 01:07:54,000

Barrens one time when he was hunting

1724

01:07:58,370 --> 01:07:56,700

and uh he definitely believes it so but

1725

01:08:00,170 --> 01:07:58,380

there is so there is a folklore to the

1726

01:08:02,450 --> 01:08:00,180

area now of course the stories range

1727

01:08:06,109 --> 01:08:02,460

from the thing has Hooves to the thing

1728

01:08:08,750 --> 01:08:06,119

has a pig like snout on it you know

1729

01:08:10,490 --> 01:08:08,760

other people say it's more bat-like out

1730

01:08:12,170 --> 01:08:10,500

like you know it's depicted as having

1731

01:08:13,670 --> 01:08:12,180

wings other people say it doesn't have

1732

01:08:15,829 --> 01:08:13,680

wings

1733

01:08:18,530 --> 01:08:15,839

I don't know I think a lot of the

1734

01:08:21,110 --> 01:08:18,540

sightings took place though in early

1735

01:08:23,390 --> 01:08:21,120

20th century I don't think that there's

1736

01:08:24,890 --> 01:08:23,400

been any like I haven't seen any recent

1737

01:08:26,930 --> 01:08:24,900

sightings of the Jersey Devil nothing

1738

01:08:29,930 --> 01:08:26,940

compelling all the stories were from

1739

01:08:32,329 --> 01:08:29,940

long ago well I have had some police

1740

01:08:35,809 --> 01:08:32,339

officers in the area who have seen

1741

01:08:37,370 --> 01:08:35,819

something oh yeah um yeah

1742

01:08:39,470 --> 01:08:37,380

um

1743

01:08:41,209 --> 01:08:39,480

they can't they don't understand what

1744

01:08:43,130 --> 01:08:41,219

the hell it is and

1745

01:08:45,530 --> 01:08:43,140

if they can't figure it out I don't know

1746

01:08:47,030 --> 01:08:45,540

you know but apparently there have been

1747

01:08:50,630 --> 01:08:47,040

there have been some more recent

1748

01:08:51,530 --> 01:08:50,640

sightings of these things I you know the

1749

01:08:59,510 --> 01:08:51,540

whole

1750

01:09:01,130 --> 01:08:59,520

Legend but

1751

01:09:03,050 --> 01:09:01,140

there were sightings of something

1752

01:09:04,849 --> 01:09:03,060

similar to that down in the eastern

1753

01:09:06,590 --> 01:09:04,859

shore of Maryland before all that

1754

01:09:09,490 --> 01:09:06,600

started in New Jersey

1755

01:09:13,309 --> 01:09:09,500

and uh I mean I've traced all this back

1756

01:09:15,890 --> 01:09:13,319

even before the the Leeds Legend

1757

01:09:17,510 --> 01:09:15,900

uh it seemed like something started down

1758

01:09:19,130 --> 01:09:17,520

there and started moving up toward New

1759

01:09:20,450 --> 01:09:19,140

Jersey now I don't know if there's a

1760

01:09:23,209 --> 01:09:20,460

connection or not

1761

01:09:24,950 --> 01:09:23,219

uh when you start talking about the pine

1762

01:09:27,829 --> 01:09:24,960

bearings and all the craziness that

1763

01:09:30,229 --> 01:09:27,839

happens in the Pine Barrens anyway uh

1764

01:09:33,289 --> 01:09:30,239

let alone all the the mafia bodies that

1765

01:09:36,490 --> 01:09:33,299

are stuck in there but you know it's you

1766

01:09:41,809 --> 01:09:39,289

yeah huh

1767

01:09:43,249 --> 01:09:41,819

what's that it's like the that whole

1768

01:09:44,930 --> 01:09:43,259

area and the pine Barons is like the

1769

01:09:48,709 --> 01:09:44,940

deserts outside of Las Vegas yeah well

1770

01:09:52,309 --> 01:09:50,450

get a hole in Vegas you don't find

1771

01:09:55,729 --> 01:09:52,319

anything oh yeah look at Lake Mead's

1772

01:09:58,970 --> 01:09:55,739

been drying up here

1773

01:10:01,370 --> 01:09:58,980

yeah again more Darkness whatever it was

1774

01:10:04,790 --> 01:10:01,380

it was living in in a good spot of

1775

01:10:06,610 --> 01:10:04,800

Darkness right right well you know The

1776

01:10:10,850 --> 01:10:06,620

Sopranos didn't help the whole

1777

01:10:14,510 --> 01:10:10,860

pioneering thing either true story

1778

01:10:16,850 --> 01:10:14,520

idea uh we've got another one Randy

1779

01:10:19,729 --> 01:10:16,860

Alexander any gargoyle settings you know

1780

01:10:21,709 --> 01:10:19,739

any gargle settings that I'm beginning

1781

01:10:23,030 --> 01:10:21,719

are associated with the winged humanoid

1782

01:10:25,130 --> 01:10:23,040

thing yeah

1783

01:10:26,390 --> 01:10:25,140

especially in Chicago because we've had

1784

01:10:29,330 --> 01:10:26,400

people

1785

01:10:30,290 --> 01:10:29,340

uh actually described him as being Gordo

1786

01:10:32,810 --> 01:10:30,300

like

1787

01:10:34,669 --> 01:10:32,820

and you know a different name for a

1788

01:10:37,189 --> 01:10:34,679

similar described creature you know

1789

01:10:39,890 --> 01:10:37,199

George is here they're gargoyles over

1790

01:10:41,030 --> 01:10:39,900

here yeah they're Jeepers Creepers over

1791

01:10:42,410 --> 01:10:41,040

here you know they just go by different

1792

01:10:43,790 --> 01:10:42,420

names but it's I mean I think it's all

1793

01:10:45,350 --> 01:10:43,800

the same thing

1794

01:10:46,610 --> 01:10:45,360

it seems to be in that yeah when you

1795

01:10:48,590 --> 01:10:46,620

look back in history that's kind of what

1796

01:10:50,270 --> 01:10:48,600

you have to think is the gargles are the

1797

01:10:51,649 --> 01:10:50,280

the winged humanoids that we're seeing

1798

01:10:55,850 --> 01:10:51,659

now

1799

01:10:57,590 --> 01:10:55,860

I think so I I think they're I

1800

01:10:59,930 --> 01:10:57,600

it's like Kyle was discussing that's the

1801

01:11:02,030 --> 01:10:59,940

only way that they had to name them to

1802

01:11:05,149 --> 01:11:02,040

describe them back then yeah they had to

1803

01:11:07,850 --> 01:11:05,159

refer to something other than what you

1804

01:11:10,970 --> 01:11:07,860

know that happens all the time oh yeah

1805

01:11:13,729 --> 01:11:10,980

sure sure um you know just on my people

1806

01:11:15,530 --> 01:11:13,739

were telling me and you know the people

1807

01:11:17,090 --> 01:11:15,540

on the team who have been investigating

1808

01:11:19,189 --> 01:11:17,100

this with me

1809

01:11:21,410 --> 01:11:19,199

that we've all had that people say they

1810

01:11:26,390 --> 01:11:21,420

look like Jeepers Creepers or you know

1811

01:11:28,490 --> 01:11:26,400

that that thing on in the movies and um

1812

01:11:31,790 --> 01:11:28,500

even when we had sightings of these

1813

01:11:33,970 --> 01:11:31,800

things out in the Navajo reservation the

1814

01:11:36,890 --> 01:11:33,980

Jeepers Creepers thing came up back then

1815

01:11:38,990 --> 01:11:36,900

uh we had sightings of winged humanoids

1816

01:11:41,090 --> 01:11:39,000

down in Pasco County Florida we had the

1817

01:11:45,169 --> 01:11:41,100

three sightings down there around the

1818

01:11:45,830 --> 01:11:45,179

same time 2017 uh Jeepers Creepers I

1819

01:11:48,050 --> 01:11:45,840

mean

1820

01:11:50,570 --> 01:11:48,060

can people associate these things with

1821

01:11:52,310 --> 01:11:50,580

something that they're familiar with and

1822

01:11:54,290 --> 01:11:52,320

just like with The Predator thing you

1823

01:11:55,669 --> 01:11:54,300

know of course when they started seeing

1824

01:11:57,590 --> 01:11:55,679

the Glimmer Man that's what they

1825

01:11:59,030 --> 01:11:57,600

associated with so right because that's

1826

01:12:00,350 --> 01:11:59,040

the only way they had to describe it you

1827

01:12:01,910 --> 01:12:00,360

know absolutely and you can tell someone

1828

01:12:03,770 --> 01:12:01,920

that they instantly know hey have you

1829

01:12:05,930 --> 01:12:03,780

seen that movie that's exactly what it

1830

01:12:07,310 --> 01:12:05,940

looked like you know and instead of hey

1831

01:12:08,810 --> 01:12:07,320

did you see that carving on top of that

1832

01:12:10,610 --> 01:12:08,820

church well that's exactly what it

1833

01:12:13,850 --> 01:12:10,620

looked like I always think of these like

1834

01:12:15,890 --> 01:12:13,860

lost in tribes that are in the Congo or

1835

01:12:17,209 --> 01:12:15,900

in the Amazon like maybe they're aware

1836

01:12:18,530 --> 01:12:17,219

of some of these Cryptids they just

1837

01:12:20,870 --> 01:12:18,540

don't ever tell anybody because they

1838

01:12:23,570 --> 01:12:20,880

don't know to tell anybody like if Von

1839

01:12:24,950 --> 01:12:23,580

was to come visit me in Texas I know

1840

01:12:26,810 --> 01:12:24,960

they don't have armadillos in

1841

01:12:28,130 --> 01:12:26,820

Pennsylvania so he came I'd be like hey

1842

01:12:31,070 --> 01:12:28,140

you want to check out an animal that we

1843

01:12:32,870 --> 01:12:31,080

see all the time here's an armadillo but

1844

01:12:34,970 --> 01:12:32,880

if you're an outsider and you visit one

1845

01:12:36,110 --> 01:12:34,980

of these tribes they don't know that you

1846

01:12:38,390 --> 01:12:36,120

don't know what some of these creatures

1847

01:12:40,490 --> 01:12:38,400

are so they would never even think to

1848

01:12:42,590 --> 01:12:40,500

tell you that oh yeah there's dinosaurs

1849

01:12:44,090 --> 01:12:42,600

back there and there's Wendy's over

1850

01:12:45,470 --> 01:12:44,100

there you've got them at your house sure

1851

01:12:47,510 --> 01:12:45,480

they would never occur to them they even

1852

01:12:48,410 --> 01:12:47,520

tell you so when an outdaughter comes in

1853

01:12:50,149 --> 01:12:48,420

you know they give them some free

1854

01:12:51,770 --> 01:12:50,159

t-shirts give them some Subway

1855

01:12:53,149 --> 01:12:51,780

sandwiches give them a couple Yankee

1856

01:12:56,330 --> 01:12:53,159

cats they don't ever

1857

01:12:58,850 --> 01:12:56,340

yeah it never bonds them so maybe these

1858

01:13:01,250 --> 01:12:58,860

indigenous cultures people out there in

1859

01:13:03,290 --> 01:13:01,260

these lost areas of you know Papua New

1860

01:13:05,090 --> 01:13:03,300

Guinea and stuff maybe they know that oh

1861

01:13:06,830 --> 01:13:05,100

yeah there's a ring pin deck still here

1862

01:13:08,090 --> 01:13:06,840

and I remember seeing the video a couple

1863

01:13:10,010 --> 01:13:08,100

years ago where the guy was only called

1864

01:13:11,030 --> 01:13:10,020

a scooter and looked like one ran across

1865

01:13:13,070 --> 01:13:11,040

the road

1866

01:13:14,530 --> 01:13:13,080

maybe they're there yeah

1867

01:13:16,970 --> 01:13:14,540

yeah

1868

01:13:19,610 --> 01:13:16,980

that was a story came out of India where

1869

01:13:21,770 --> 01:13:19,620

these guys were they saw the um

1870

01:13:23,330 --> 01:13:21,780

the wild man crossing in front of them

1871

01:13:25,610 --> 01:13:23,340

as they were on their scooters but you

1872

01:13:27,649 --> 01:13:25,620

hear about a lot of that you do and uh

1873

01:13:30,530 --> 01:13:27,659

you're right you know you gotta Wonder

1874

01:13:32,390 --> 01:13:30,540

in the deepest part of Africa what

1875

01:13:34,070 --> 01:13:32,400

they're seeing and if they're the things

1876

01:13:35,990 --> 01:13:34,080

that do get leaked out if they're

1877

01:13:37,790 --> 01:13:36,000

actually there

1878

01:13:39,770 --> 01:13:37,800

um

1879

01:13:43,430 --> 01:13:39,780

you know you remember that movie baby

1880

01:13:46,010 --> 01:13:43,440

that was out years ago uh about the the

1881

01:13:48,709 --> 01:13:46,020

dinosaur that was seen in the Congo or

1882

01:13:51,770 --> 01:13:48,719

yeah yeah yeah yeah yeah yeah

1883

01:13:54,229 --> 01:13:51,780

um I guess you gotta wonder if if people

1884

01:13:55,790 --> 01:13:54,239

are actually seeing these things or that

1885

01:13:57,410 --> 01:13:55,800

they're so used to them it's just part

1886

01:13:59,030 --> 01:13:57,420

of their culture and then when you hear

1887

01:14:00,350 --> 01:13:59,040

about it it's like

1888

01:14:02,630 --> 01:14:00,360

I don't know what the hell they're

1889

01:14:03,709 --> 01:14:02,640

seeing yeah God knows what else that

1890

01:14:05,030 --> 01:14:03,719

lives out there that they're aware of

1891

01:14:07,510 --> 01:14:05,040

that they just never think of everybody

1892

01:14:10,790 --> 01:14:07,520

yeah yeah

1893

01:14:12,830 --> 01:14:10,800

uh AG wants to know if we ever you guys

1894

01:14:15,970 --> 01:14:12,840

are me ever planning on doing a show on

1895

01:14:20,990 --> 01:14:18,410

I think we have done one I mean we've

1896

01:14:23,090 --> 01:14:21,000

been doing the show for 10 years so yeah

1897

01:14:25,430 --> 01:14:23,100

uh you can go back and look at our

1898

01:14:26,510 --> 01:14:25,440

entire catalog you could hold a gun on

1899

01:14:29,649 --> 01:14:26,520

me right now and I couldn't tell you

1900

01:14:35,030 --> 01:14:31,910

I think they all come together they're

1901

01:14:36,830 --> 01:14:35,040

all one big episode in my mind I get it

1902

01:14:39,709 --> 01:14:36,840

I understand I mean it's almost like

1903

01:14:42,950 --> 01:14:39,719

it's an incidental thing if it pops up

1904

01:14:44,750 --> 01:14:42,960

in a uh if it pops up in a in you know

1905

01:14:46,850 --> 01:14:44,760

in a show and we'll talk about it but

1906

01:14:49,550 --> 01:14:46,860

it's not necessarily something I really

1907

01:14:51,890 --> 01:14:49,560

concentrated only to do I guess I had to

1908

01:14:54,530 --> 01:14:51,900

find the way to do this or to find

1909

01:14:56,630 --> 01:14:54,540

people who are actually

1910

01:14:58,910 --> 01:14:56,640

you know that's part of the real

1911

01:15:00,649 --> 01:14:58,920

investigation yeah yeah you know the the

1912

01:15:02,330 --> 01:15:00,659

thing that's been going on that people

1913

01:15:04,550 --> 01:15:02,340

have been seeing much more now in the

1914

01:15:06,290 --> 01:15:04,560

Pine Barrens area has been Bigfoot and

1915

01:15:08,030 --> 01:15:06,300

we've gotten a lot of Bigfoot sightings

1916

01:15:10,850 --> 01:15:08,040

down there

1917

01:15:12,590 --> 01:15:10,860

um but as far as the Jersey Devil let's

1918

01:15:14,510 --> 01:15:12,600

just see something that pops up here and

1919

01:15:16,850 --> 01:15:14,520

there people say oh you know well we saw

1920

01:15:18,890 --> 01:15:16,860

this we saw that and of course you get a

1921

01:15:21,430 --> 01:15:18,900

lot of these sightings in that that

1922

01:15:24,530 --> 01:15:21,440

southern New Jersey area that

1923

01:15:26,270 --> 01:15:24,540

uh people say hey that the first thing

1924

01:15:27,709 --> 01:15:26,280

you see something flying or something it

1925

01:15:29,390 --> 01:15:27,719

looks like a horse with wings or

1926

01:15:32,689 --> 01:15:29,400

whatever you think well you know it's

1927

01:15:33,770 --> 01:15:32,699

the it's the Jersey Devil but uh I don't

1928

01:15:35,149 --> 01:15:33,780

know I think there's been a lot of

1929

01:15:37,790 --> 01:15:35,159

misidentification I think we could

1930

01:15:39,229 --> 01:15:37,800

easily say it's Mothman by now we did do

1931

01:15:41,510 --> 01:15:39,239

the Jersey Devil we did do a Jersey

1932

01:15:43,550 --> 01:15:41,520

Devil episode it appeared on November 13

1933

01:15:45,890 --> 01:15:43,560

2016.

1934

01:15:47,810 --> 01:15:45,900

you can just Google it

1935

01:15:49,390 --> 01:15:47,820

well there you go there it is if you

1936

01:15:51,830 --> 01:15:49,400

want to look there you go

1937

01:15:53,770 --> 01:15:51,840

I'll think about it I might I may do

1938

01:15:56,990 --> 01:15:53,780

something at one point

1939

01:16:00,890 --> 01:15:57,000

uh Corey nicklaw

1940

01:16:03,050 --> 01:16:00,900

any thoughts not on the not deer like

1941

01:16:05,209 --> 01:16:03,060

that are possibly Skinwalker you know

1942

01:16:07,250 --> 01:16:05,219

that not deer thing just freaks me out

1943

01:16:08,870 --> 01:16:07,260

yeah that's another one that's cool

1944

01:16:10,850 --> 01:16:08,880

never really heard about it a couple

1945

01:16:13,370 --> 01:16:10,860

years ago and it's like yeah now just

1946

01:16:16,070 --> 01:16:13,380

more and more sightings are being sent

1947

01:16:17,930 --> 01:16:16,080

to us well it seems to me that we've

1948

01:16:21,290 --> 01:16:17,940

been good we we first started getting

1949

01:16:23,990 --> 01:16:21,300

sightings on the Appalachia Trail or up

1950

01:16:25,790 --> 01:16:24,000

in Appalachia and um

1951

01:16:28,970 --> 01:16:25,800

that's where it'll seemed to be the

1952

01:16:32,090 --> 01:16:28,980

Nexus of the sightings mostly down in um

1953

01:16:33,410 --> 01:16:32,100

West Virginia Virginia South Southwest

1954

01:16:36,649 --> 01:16:33,420

Virginia

1955

01:16:39,410 --> 01:16:36,659

down into the Smokies we'd get a a not

1956

01:16:42,050 --> 01:16:39,420

deer sighting but it's kind of expanded

1957

01:16:44,270 --> 01:16:42,060

out since then and uh

1958

01:16:46,669 --> 01:16:44,280

we had a for a while there I was getting

1959

01:16:48,590 --> 01:16:46,679

a lot of sightings in Colorado so yeah I

1960

01:16:51,470 --> 01:16:48,600

I don't know what the hell that is you

1961

01:16:53,870 --> 01:16:51,480

know you think people say well it's it's

1962

01:16:55,970 --> 01:16:53,880

it's it's it's a diseased deer or

1963

01:16:59,270 --> 01:16:55,980

something else going on could have been

1964

01:17:01,130 --> 01:16:59,280

a mutation well you know there's a lot

1965

01:17:02,689 --> 01:17:01,140

of inner breeding within the deer

1966

01:17:04,610 --> 01:17:02,699

populations I mean there's so many

1967

01:17:08,149 --> 01:17:04,620

whitetail deer in particular in this

1968

01:17:10,729 --> 01:17:08,159

country it's just nuts and uh here in

1969

01:17:13,790 --> 01:17:10,739

the east coast I mean it's like a plague

1970

01:17:15,590 --> 01:17:13,800

oh yeah but you know with all those deer

1971

01:17:17,390 --> 01:17:15,600

you got to figure something weird's

1972

01:17:19,790 --> 01:17:17,400

gonna show up once in a while so I don't

1973

01:17:22,490 --> 01:17:19,800

know well seeing how how they react with

1974

01:17:24,229 --> 01:17:22,500

CWD as compared to whatever tell them

1975

01:17:27,169 --> 01:17:24,239

what these people it's chronic wasting

1976

01:17:29,570 --> 01:17:27,179

disease right so when you see them how

1977

01:17:31,430 --> 01:17:29,580

deer act with CWD as compared to what

1978

01:17:33,290 --> 01:17:31,440

people report to the not deer it's not

1979

01:17:36,050 --> 01:17:33,300

even remotely close to the same thing no

1980

01:17:39,530 --> 01:17:36,060

no it's different yeah it's very

1981

01:17:42,770 --> 01:17:39,540

different and it is again it's almost

1982

01:17:45,470 --> 01:17:42,780

like whatever that is is trying to hide

1983

01:17:47,030 --> 01:17:45,480

from you what it's doing is to just fool

1984

01:17:49,310 --> 01:17:47,040

you just enough to where you don't

1985

01:17:51,590 --> 01:17:49,320

really notice it but what they don't

1986

01:17:53,810 --> 01:17:51,600

realize is it instantly stands out

1987

01:17:56,330 --> 01:17:53,820

people are so used to seeing deer that

1988

01:17:58,010 --> 01:17:56,340

what it thinks it's doing it instantly

1989

01:18:00,290 --> 01:17:58,020

stands out people instantly are like

1990

01:18:01,669 --> 01:18:00,300

well its legs shouldn't been like that I

1991

01:18:04,729 --> 01:18:01,679

don't know why its head looks like that

1992

01:18:07,130 --> 01:18:04,739

why is its neck longer like none of it

1993

01:18:08,930 --> 01:18:07,140

makes sense none of it with the not deer

1994

01:18:11,330 --> 01:18:08,940

they are extremely disturbing yeah

1995

01:18:14,110 --> 01:18:11,340

extremely disturbing and they seem to be

1996

01:18:17,209 --> 01:18:14,120

limited as far as like we don't get

1997

01:18:18,950 --> 01:18:17,219

there's not a ton of reports of them no

1998

01:18:20,689 --> 01:18:18,960

there aren't so that's another thing

1999

01:18:22,010 --> 01:18:20,699

that makes me be like it's even more

2000

01:18:24,050 --> 01:18:22,020

disturbing because they're few and far

2001
01:18:25,910 --> 01:18:24,060
between when people see them but they

2002
01:18:27,110 --> 01:18:25,920
yet they all report seeing the exact

2003
01:18:29,030 --> 01:18:27,120
same thing

2004
01:18:30,649 --> 01:18:29,040
well of course we most the signs come

2005
01:18:32,149 --> 01:18:30,659
from Hunters I mean they see these

2006
01:18:35,030 --> 01:18:32,159
things out there and they're wondering

2007
01:18:36,169 --> 01:18:35,040
what the hell did I run across uh I I

2008
01:18:37,310 --> 01:18:36,179
think the thing that freaks them out

2009
01:18:40,550 --> 01:18:37,320
more than anything is the

2010
01:18:44,149 --> 01:18:40,560
forward-looking eyes yes yeah uh I'm not

2011
01:18:45,649 --> 01:18:44,159
gonna freaking me out yes only thing

2012
01:18:46,729 --> 01:18:45,659
that looks forward is Predators folks

2013
01:18:48,470 --> 01:18:46,739

that's it

2014

01:18:50,870 --> 01:18:48,480

forward-looking eyes are predators

2015

01:18:52,430 --> 01:18:50,880

that's how that works everything on its

2016

01:18:55,630 --> 01:18:52,440

side is trying to defend itself from

2017

01:18:59,990 --> 01:18:55,640

predators yeah

2018

01:19:02,030 --> 01:19:00,000

uh disco stew BC do you think dog man

2019

01:19:04,070 --> 01:19:02,040

Bigfoot humanoids

2020

01:19:06,709 --> 01:19:04,080

are responsible for the majority of

2021

01:19:09,050 --> 01:19:06,719

missing people reports oh God

2022

01:19:10,790 --> 01:19:09,060

that's a whole can of worms there I

2023

01:19:14,750 --> 01:19:10,800

don't think we have time to unpack this

2024

01:19:16,850 --> 01:19:14,760

yeah I agree that's a whole we go down

2025

01:19:19,729 --> 01:19:16,860

the missing people hole that's a whole

2026

01:19:22,430 --> 01:19:19,739

other show in itself because that opens

2027

01:19:24,649 --> 01:19:22,440

up doors to possible Time Slips to

2028

01:19:27,709 --> 01:19:24,659

possible Fey where they talk about

2029

01:19:29,870 --> 01:19:27,719

Granite fields and crazy all of this

2030

01:19:32,330 --> 01:19:29,880

stuff could go crazy I mean we get

2031

01:19:34,430 --> 01:19:32,340

reports where even in the missing 4-1-1

2032

01:19:37,130 --> 01:19:34,440

books and whatnot where they talk about

2033

01:19:39,290 --> 01:19:37,140

the kids reporting Bears carrying them

2034

01:19:41,689 --> 01:19:39,300

off well bear don't carry things in its

2035

01:19:43,250 --> 01:19:41,699

hands they carry things in their face so

2036

01:19:45,290 --> 01:19:43,260

they're not going to gather you up and

2037

01:19:48,229 --> 01:19:45,300

run off with you or the Guerrilla men

2038

01:19:50,630 --> 01:19:48,239

took me here or all of these I mean yeah

2039

01:19:54,530 --> 01:19:50,640

we could go on for hours on just that

2040

01:19:57,110 --> 01:19:54,540

because that is a huge mystery of work

2041

01:19:59,689 --> 01:19:57,120

and of course let's not forget accidents

2042

01:20:02,689 --> 01:19:59,699

happen Mother Nature is a

2043

01:20:04,310 --> 01:20:02,699

Sheed is unrelenting so you make a

2044

01:20:06,169 --> 01:20:04,320

mistake out there in anywhere in the

2045

01:20:08,270 --> 01:20:06,179

back country or just anything you'd be

2046

01:20:10,970 --> 01:20:08,280

surprised how fast exposure can take you

2047

01:20:12,530 --> 01:20:10,980

out of the game just yeah we're not near

2048

01:20:15,110 --> 01:20:12,540

as tough as we like to believe we are

2049

01:20:17,390 --> 01:20:15,120

when it comes to being in the wilds and

2050

01:20:19,189 --> 01:20:17,400

for whatever reason like they they a lot

2051
01:20:21,470 --> 01:20:19,199
of the adults they find are I mean don't

2052
01:20:23,450 --> 01:20:21,480
find are dead but the children not so

2053
01:20:25,550 --> 01:20:23,460
much I think my favorite stories are not

2054
01:20:27,050 --> 01:20:25,560
the fact the missing people but like the

2055
01:20:29,270 --> 01:20:27,060
children that went missing for a time

2056
01:20:30,770 --> 01:20:29,280
they're later founded in the area where

2057
01:20:33,050 --> 01:20:30,780
search and rescue workers already

2058
01:20:35,570 --> 01:20:33,060
searched numerous times or they're found

2059
01:20:37,850 --> 01:20:35,580
miles and miles away their clothes is

2060
01:20:41,149 --> 01:20:37,860
put on backwards inside out like just

2061
01:20:43,070 --> 01:20:41,159
their ears are clean no shoes yeah like

2062
01:20:45,050 --> 01:20:43,080
a three-year-old traveled two miles

2063
01:20:47,330 --> 01:20:45,060

through two Creeks through a barbed wire

2064

01:20:50,149 --> 01:20:47,340

fence and whatever reason they go up in

2065

01:20:51,890 --> 01:20:50,159

elevation you know and when sometimes

2066

01:20:54,410 --> 01:20:51,900

when they find these adults

2067

01:20:55,790 --> 01:20:54,420

that are still alive they're like under

2068

01:20:57,770 --> 01:20:55,800

a trance

2069

01:20:59,149 --> 01:20:57,780

the favorite something put them in a

2070

01:21:01,430 --> 01:20:59,159

trance they don't remember what happened

2071

01:21:02,689 --> 01:21:01,440

to them you know and that's just very

2072

01:21:04,630 --> 01:21:02,699

bizarre especially for some of these

2073

01:21:07,130 --> 01:21:04,640

people that are experienced Outdoors or

2074

01:21:09,530 --> 01:21:07,140

outdoorsmen Hunters hikers things like

2075

01:21:10,790 --> 01:21:09,540

that for them to not know to go down

2076

01:21:12,229 --> 01:21:10,800

everybody knows if you're stuck in the

2077

01:21:14,330 --> 01:21:12,239

on a mountain you go down that's where

2078

01:21:16,729 --> 01:21:14,340

the towns are you don't go up it only

2079

01:21:19,669 --> 01:21:16,739

gets colder there's less resources not a

2080

01:21:21,229 --> 01:21:19,679

lot of water up there you know I've got

2081

01:21:24,350 --> 01:21:21,239

General Vincent right now to make a note

2082

01:21:26,270 --> 01:21:24,360

let's do a a missing 4-1-1 show or

2083

01:21:27,290 --> 01:21:26,280

something like that I I gotta do

2084

01:21:31,070 --> 01:21:27,300

something

2085

01:21:32,810 --> 01:21:31,080

yeah oh okay absolutely I'd love to have

2086

01:21:34,850 --> 01:21:32,820

you guys come on talk about that that'd

2087

01:21:37,010 --> 01:21:34,860

be great uh you know I had a big

2088

01:21:38,390 --> 01:21:37,020

argument with David Pilates about a

2089

01:21:40,189 --> 01:21:38,400

dozen years ago

2090

01:21:42,410 --> 01:21:40,199

when he first started coming out with

2091

01:21:44,450 --> 01:21:42,420

this and I I mentioned on my blog about

2092

01:21:47,630 --> 01:21:44,460

well I think maybe Bigfoot may have been

2093

01:21:48,709 --> 01:21:47,640

part of that and he jumped all over me

2094

01:21:51,850 --> 01:21:48,719

about that

2095

01:21:56,270 --> 01:21:51,860

but now he's talking about it you know

2096

01:21:58,010 --> 01:21:56,280

you know and it's like well you know why

2097

01:22:00,470 --> 01:21:58,020

did you give me such a

2098

01:22:02,390 --> 01:22:00,480

bunch of crap about it back then but

2099

01:22:05,149 --> 01:22:02,400

yeah I guess maybe

2100

01:22:06,790 --> 01:22:05,159

you know time changes people's minds to

2101
01:22:08,990 --> 01:22:06,800
a point I don't know well I don't know

2102
01:22:10,970 --> 01:22:09,000
I'm pretty sure before those books

2103
01:22:13,250 --> 01:22:10,980
started coming out that his project his

2104
01:22:15,770 --> 01:22:13,260
website was kind of Bigfoot related yeah

2105
01:22:17,149 --> 01:22:15,780
it was yeah it was oh when his books

2106
01:22:18,229 --> 01:22:17,159
came out it was just like well why

2107
01:22:20,270 --> 01:22:18,239
wouldn't I assume that's what you're

2108
01:22:22,130 --> 01:22:20,280
getting at I mean it never really tells

2109
01:22:23,510 --> 01:22:22,140
you he doesn't give you any answers to

2110
01:22:25,790 --> 01:22:23,520
what his you know he is it kind of

2111
01:22:27,169 --> 01:22:25,800
leaves it open to interpretation which I

2112
01:22:28,430 --> 01:22:27,179
can appreciate but then you can't really

2113
01:22:30,050 --> 01:22:28,440

get mad if somebody thinks that that's

2114

01:22:32,270 --> 01:22:30,060

what you're implying yeah because that's

2115

01:22:35,270 --> 01:22:32,280

definitely what's implied well you know

2116

01:22:37,910 --> 01:22:35,280

that's that's him I mean you know he

2117

01:22:40,990 --> 01:22:37,920

does leave it kind of open-ended and he

2118

01:22:47,390 --> 01:22:44,209

let people do their own interpretation

2119

01:22:49,970 --> 01:22:47,400

of stuff that I write about or report

2120

01:22:52,669 --> 01:22:49,980

which I can understand because I I don't

2121

01:22:55,250 --> 01:22:52,679

want to really pigeonhole myself into a

2122

01:22:57,229 --> 01:22:55,260

theory for about everything yeah you

2123

01:23:00,169 --> 01:22:57,239

know I could but I'm just not going to

2124

01:23:02,090 --> 01:23:00,179

do that uh and maybe he's the same way

2125

01:23:04,130 --> 01:23:02,100

well you get so many stories that

2126

01:23:06,950 --> 01:23:04,140

literally it can change within 24 hours

2127

01:23:09,890 --> 01:23:06,960

sure that information I mean your hard

2128

01:23:12,290 --> 01:23:09,900

drive is probably physically heavy with

2129

01:23:14,890 --> 01:23:12,300

the amount of information that's in it

2130

01:23:18,709 --> 01:23:14,900

uh I'd kill a laptop every two years

2131

01:23:20,930 --> 01:23:18,719

yeah yeah yeah yeah I do I literally do

2132

01:23:23,750 --> 01:23:20,940

I mean it's it's like every two years I

2133

01:23:27,250 --> 01:23:23,760

gotta get a new laptop and it's it's I

2134

01:23:31,010 --> 01:23:27,260

just kill it I mean it just stops

2135

01:23:34,250 --> 01:23:31,020

yeah terrifying information yeah exactly

2136

01:23:37,070 --> 01:23:34,260

yeah well guys you know it's great

2137

01:23:39,110 --> 01:23:37,080

having you back on the show I I miss

2138

01:23:40,790 --> 01:23:39,120

talking to y'all I love having y'all

2139

01:23:44,990 --> 01:23:40,800

we're going to get you on more and more

2140

01:23:46,970 --> 01:23:45,000

if we can sure uh we get these um we we

2141

01:23:48,709 --> 01:23:46,980

get these round tables which we do more

2142

01:23:51,890 --> 01:23:48,719

and more now I got to bring in on that

2143

01:23:54,649 --> 01:23:51,900

as well uh if you can you know time yeah

2144

01:23:56,149 --> 01:23:54,659

time permits and such but um

2145

01:23:59,149 --> 01:23:56,159

yeah tell folks how they can get in

2146

01:24:01,910 --> 01:23:59,159

contact with you how they can access the

2147

01:24:04,370 --> 01:24:01,920

podcast and whatever you want to say

2148

01:24:06,050 --> 01:24:04,380

anywhere that y'all want to look and

2149

01:24:07,910 --> 01:24:06,060

find podcasts anywhere you get them

2150

01:24:11,030 --> 01:24:07,920

you're gonna find us look up expanded

2151
01:24:12,950 --> 01:24:11,040
perspectives we're on Spotify uh Apple

2152
01:24:14,750 --> 01:24:12,960
everything everywhere you can find it

2153
01:24:16,729 --> 01:24:14,760
we're on there we're on YouTube you can

2154
01:24:18,470 --> 01:24:16,739
pull us up we have Instagram Facebook we

2155
01:24:20,149 --> 01:24:18,480
got all the good stuff where you can

2156
01:24:22,250 --> 01:24:20,159
find us send us messages you can email

2157
01:24:24,709 --> 01:24:22,260
us at expanded perspectives yahoo.com

2158
01:24:26,510 --> 01:24:24,719
you can send any message any stories

2159
01:24:27,830 --> 01:24:26,520
that you have send them in and I want to

2160
01:24:30,590 --> 01:24:27,840
take the time too to say everybody

2161
01:24:33,830 --> 01:24:30,600
listening any story you have send them

2162
01:24:36,350 --> 01:24:33,840
to wait where's the to this guy see this

2163
01:24:38,149 --> 01:24:36,360

guy up here this is the man that

2164

01:24:40,729 --> 01:24:38,159

collects the store this is the man you

2165

01:24:43,310 --> 01:24:40,739

have to get them to make sure Lon has

2166

01:24:46,070 --> 01:24:43,320

them he is the collector of the stories

2167

01:24:48,890 --> 01:24:46,080

that will help us carry this on for

2168

01:24:50,990 --> 01:24:48,900

Generations as it goes I mean Albert

2169

01:24:53,510 --> 01:24:51,000

Rosales and Lon are the two that I

2170

01:24:55,550 --> 01:24:53,520

always think of that those men have the

2171

01:24:58,310 --> 01:24:55,560

Library of Alexandria of the strange and

2172

01:25:00,709 --> 01:24:58,320

unusual so whatever you find whatever is

2173

01:25:02,510 --> 01:25:00,719

crazy make sure they get it you send it

2174

01:25:04,550 --> 01:25:02,520

to us I'm going to tell you honestly

2175

01:25:06,830 --> 01:25:04,560

we're going to send it to him anyway so

2176

01:25:09,410 --> 01:25:06,840

if you want it you can just CC us both

2177

01:25:12,709 --> 01:25:09,420

together so much easier however it works

2178

01:25:15,410 --> 01:25:12,719

but yes that's the thing is like it is

2179

01:25:18,350 --> 01:25:15,420

the best we've read it for years and

2180

01:25:21,110 --> 01:25:18,360

years I mean I loved it love it

2181

01:25:22,729 --> 01:25:21,120

Evolution I appreciate it guys yeah I

2182

01:25:26,050 --> 01:25:22,739

love that word compared to the the

2183

01:25:29,149 --> 01:25:26,060

Alexandria yeah

2184

01:25:31,310 --> 01:25:29,159

but uh I I do appreciate it yeah we've

2185

01:25:35,709 --> 01:25:31,320

known each other for quite a while so uh

2186

01:25:42,229 --> 01:25:39,229

oh yeah absolutely absolutely

2187

01:25:43,669 --> 01:25:42,239

so um hey again thanks for coming on and

2188

01:25:46,550 --> 01:25:43,679

we're gonna we're gonna make this more

2189

01:25:48,110 --> 01:25:46,560

often and uh you know this is a great

2190

01:25:49,669 --> 01:25:48,120

show and I know everybody appreciate you

2191

01:25:51,290 --> 01:25:49,679

coming on and answering questions and

2192

01:25:52,970 --> 01:25:51,300

such so yeah you know we're getting

2193

01:25:54,649 --> 01:25:52,980

together we always we don't have and

2194

01:25:56,450 --> 01:25:54,659

there's I mean we're going to talk about

2195

01:25:58,270 --> 01:25:56,460

something there's there's always so much

2196

01:26:00,770 --> 01:25:58,280

out there

2197

01:26:02,870 --> 01:26:00,780

absolutely so you guys take it easy have

2198

01:26:05,990 --> 01:26:02,880

a good weekend or a week and a good

2199

01:26:11,689 --> 01:26:06,000

weekend and forward and uh we'll be

2200

01:26:11,699 --> 01:26:14,410

foreign

2201

01:26:19,070 --> 01:26:17,330

counter report uh that you'd like to be

2202

01:26:21,729 --> 01:26:19,080

considered for the personal report show

2203

01:26:24,530 --> 01:26:21,739

or for the fams of monsters blog or show

2204

01:26:27,649 --> 01:26:24,540

uh feel free to forward to my email at

2205

01:26:30,590 --> 01:26:27,659

lawn stricklerfamzammonsters.com I want

2206

01:26:33,350 --> 01:26:30,600

to again thank Kyle thilson and uh cam

2207

01:26:35,750 --> 01:26:33,360

Hale for joining me this evening it was

2208

01:26:37,310 --> 01:26:35,760

it was a pleasure having them on and

2209

01:26:40,189 --> 01:26:37,320

thanks to each and all you for watching

2210

01:26:42,530 --> 01:26:40,199

and chatting if you did make a donation

2211

01:26:44,350 --> 01:26:42,540

is truly appreciated please like

2212

01:26:48,169 --> 01:26:44,360

subscribe and share

2213

01:26:50,510 --> 01:26:48,179

so this coming Friday night at 9 00 PM

2214

01:26:53,930 --> 01:26:50,520

Eastern 6 p.m Pacific we're going to

2215

01:26:55,729 --> 01:26:53,940

conduct an aquatic Cryptids Round Table

2216

01:26:58,070 --> 01:26:55,739

and we're going to have four guests

2217

01:27:01,729 --> 01:26:58,080

we're going to have Kenny Irish Ron

2218

01:27:03,290 --> 01:27:01,739

Murphy Max Hawthorne and Steve calls is

2219

01:27:05,270 --> 01:27:03,300

going to join us

2220

01:27:06,950 --> 01:27:05,280

I haven't had Steve on the show before

2221

01:27:08,570 --> 01:27:06,960

I've known Steve for a long time but

2222

01:27:10,790 --> 01:27:08,580

I've never had him on the show that

2223

01:27:13,550 --> 01:27:10,800

should be interesting and stay tuned for

2224

01:27:16,550 --> 01:27:13,560

uh Vincent Richardson's V show here on

2225

01:27:19,129 --> 01:27:16,560

fans monster radio 11 pm Eastern 10 p.m

2226

01:27:37,700 --> 01:27:19,139

Central so until we meet again

2227

01:28:18,129 --> 01:27:47,440

[Music]
