consideration now

17

00:02:07,429 --> 00:02:04,259

if you're in the chat and have a

18

00:02:10,070 --> 00:02:07,439

question please use all caps

19

00:02:12,050 --> 00:02:10,080

uh Vincent will Mark each one of them

20

00:02:14,270 --> 00:02:12,060

for me and I'll answer them at the end

21

00:02:18,470 --> 00:02:14,280

of the narration

22

00:02:19,970 --> 00:02:18,480

so let's start off with a dog man

23

00:02:23,089 --> 00:02:19,980

um

24

00:02:24,229 --> 00:02:23,099

Western Massachusetts woman was with

25

00:02:27,350 --> 00:02:24,239

friends

26  
00:02:29,390 --> 00:02:27,360  
at a local cemetery and she notices the

27  
00:02:32,270 --> 00:02:29,400  
shadow of something moving

28  
00:02:35,630 --> 00:02:32,280  
uh she investigates and encounters a dog

29  
00:02:37,369 --> 00:02:35,640  
man with human-like eyes so um this is

30  
00:02:38,869 --> 00:02:37,379  
what she wrote

31  
00:02:41,570 --> 00:02:38,879  
now I'm

32  
00:02:45,290 --> 00:02:41,580  
um she says I grew up in a small Western

33  
00:02:48,050 --> 00:02:45,300  
Massachusetts town and the name of town

34  
00:02:49,430 --> 00:02:48,060  
was Adams which is situated below the

35  
00:02:53,750 --> 00:02:49,440  
Berkshires

36  
00:02:55,070 --> 00:02:53,760  
uh it was July 4 2017 I was working in a

37  
00:02:57,470 --> 00:02:55,080  
cafe in town

38  
00:03:00,170 --> 00:02:57,480

and had to work during the holidays so

39

00:03:02,869 --> 00:03:00,180

my shift ended around five o'clock and I

40

00:03:04,190 --> 00:03:02,879

had plans to go to the Bellevue Cemetery

41

00:03:06,589 --> 00:03:04,200

With Friends

42

00:03:08,809 --> 00:03:06,599

for some peace and quiet

43

00:03:10,790 --> 00:03:08,819

I was tired of all the noise in the day

44

00:03:11,750 --> 00:03:10,800

and wasn't interested in fireworks at

45

00:03:14,930 --> 00:03:11,760

night

46

00:03:17,089 --> 00:03:14,940

so I met up with everyone outside my

47

00:03:18,770 --> 00:03:17,099

house and we picked up some fast food

48

00:03:21,890 --> 00:03:18,780

before leaving

49

00:03:23,869 --> 00:03:21,900

there were about five of us and uh we

50

00:03:25,790 --> 00:03:23,879

all started walking down to the cemetery

51  
00:03:29,690 --> 00:03:25,800  
eating and chatting as we made our way

52  
00:03:31,850 --> 00:03:29,700  
to it uh now the cemetery isn't huge but

53  
00:03:33,710 --> 00:03:31,860  
it was big enough that we could find a

54  
00:03:34,970 --> 00:03:33,720  
quiet place to sit and hang out for a

55  
00:03:37,550 --> 00:03:34,980  
bit

56  
00:03:40,369 --> 00:03:37,560  
so after we got there

57  
00:03:42,890 --> 00:03:40,379  
we were all settled under a tree

58  
00:03:44,869 --> 00:03:42,900  
I relaxed and just listened to what

59  
00:03:46,850 --> 00:03:44,879  
everybody else was talking I was still

60  
00:03:48,110 --> 00:03:46,860  
reeling from working how busy the day

61  
00:03:50,570 --> 00:03:48,120  
was for me

62  
00:03:53,809 --> 00:03:50,580  
that's when I noticed something moving

63  
00:03:56,630 --> 00:03:53,819

in the distance behind a few mausoleums

64

00:03:58,250 --> 00:03:56,640

uh it was dark and I could only make out

65

00:04:00,050 --> 00:03:58,260

a shadow

66

00:04:02,149 --> 00:04:00,060

I couldn't tell what I was looking at

67

00:04:03,890 --> 00:04:02,159

and figured an animal had come down from

68

00:04:06,770 --> 00:04:03,900

the mountain and wandered into town

69

00:04:09,470 --> 00:04:06,780

after smelling all their barbecue

70

00:04:13,190 --> 00:04:09,480

then I saw whatever it was Sprint from

71

00:04:15,289 --> 00:04:13,200

behind one of the mausoleums to the next

72

00:04:17,390 --> 00:04:15,299

it's way too big to be a wolf or a

73

00:04:20,449 --> 00:04:17,400

mountain lion but too fast getting large

74

00:04:23,390 --> 00:04:20,459

like a bear it startled me for a minute

75

00:04:25,430 --> 00:04:23,400

and I couldn't imagine any animal I

76  
00:04:28,490 --> 00:04:25,440  
could think of being out in the light of

77  
00:04:31,129 --> 00:04:28,500  
day like this so it made me nervous

78  
00:04:33,710 --> 00:04:31,139  
my friends noticed a change in the look

79  
00:04:36,050 --> 00:04:33,720  
of my face and asked me what was wrong I

80  
00:04:38,629 --> 00:04:36,060  
I didn't want to say I saw a big scary

81  
00:04:40,969 --> 00:04:38,639  
shadow running around the cemetery

82  
00:04:42,409 --> 00:04:40,979  
so I thought they'd make fun of me so I

83  
00:04:44,270 --> 00:04:42,419  
just Shrugged it off and said it was

84  
00:04:47,090 --> 00:04:44,280  
nothing but I couldn't stop thinking

85  
00:04:50,210 --> 00:04:47,100  
about it what I had seen

86  
00:04:52,670 --> 00:04:50,220  
so right then I saw the figure again it

87  
00:04:54,830 --> 00:04:52,680  
sprinted back further into the cemetery

88  
00:04:56,990 --> 00:04:54,840

this time behind gravestones and then

89

00:04:59,510 --> 00:04:57,000

behind a tree

90

00:05:01,670 --> 00:04:59,520

my curiosity got the best of me at this

91

00:05:02,749 --> 00:05:01,680

point and I played it off like I needed

92

00:05:04,790 --> 00:05:02,759

to walk

93

00:05:08,330 --> 00:05:04,800

I headed off in the direction the shadow

94

00:05:11,210 --> 00:05:08,340

when I saw it take off again

95

00:05:13,670 --> 00:05:11,220

I noticed it had an unbelievably a large

96

00:05:15,530 --> 00:05:13,680

head I I couldn't tell how tall it was

97

00:05:18,409 --> 00:05:15,540

but I knew it was bigger than any of us

98

00:05:20,810 --> 00:05:18,419

and the Quick Glance that I got at it

99

00:05:21,950 --> 00:05:20,820

reminded me of a man completely covered

100

00:05:23,990 --> 00:05:21,960

in hair

101  
00:05:26,570 --> 00:05:24,000  
I just thought that my mind was playing

102  
00:05:28,909 --> 00:05:26,580  
tricks of me but I was still curious

103  
00:05:31,430 --> 00:05:28,919  
so I approached the mausoleum that had

104  
00:05:34,909 --> 00:05:31,440  
been hiding behind I looked down to be

105  
00:05:36,050 --> 00:05:34,919  
to be sure not to trip and froze there

106  
00:05:38,510 --> 00:05:36,060  
in the dirt

107  
00:05:39,710 --> 00:05:38,520  
was an enormous footprint the size of my

108  
00:05:42,290 --> 00:05:39,720  
forearm

109  
00:05:43,550 --> 00:05:42,300  
and complete with claws right there in

110  
00:05:45,710 --> 00:05:43,560  
the soil

111  
00:05:48,890 --> 00:05:45,720  
I started to panic a little puzzled by

112  
00:05:50,810 --> 00:05:48,900  
something I didn't yet understand

113  
00:05:53,150 --> 00:05:50,820

I had never heard of a creature with a

114

00:05:55,189 --> 00:05:53,160

footprint so big in my whole life I

115

00:05:57,650 --> 00:05:55,199

proceeded with caution toward the tree

116

00:06:00,170 --> 00:05:57,660

that had ducked behind

117

00:06:02,510 --> 00:06:00,180

I just needed to know if I was crazy or

118

00:06:04,430 --> 00:06:02,520

if we was actually in danger

119

00:06:07,249 --> 00:06:04,440

I got to the tree and found nothing

120

00:06:10,550 --> 00:06:07,259

behind it uh no one was crouching or

121

00:06:13,070 --> 00:06:10,560

hiding uh from us

122

00:06:15,830 --> 00:06:13,080

that's when a cluster of leaves fell

123

00:06:17,689 --> 00:06:15,840

from the tree above and hit me on the

124

00:06:19,850 --> 00:06:17,699

way down

125

00:06:22,370 --> 00:06:19,860

I heard a loud rustling too there was no

126

00:06:24,230 --> 00:06:22,380

Breeze I slowly licked in my head to

127

00:06:27,230 --> 00:06:24,240

look up there

128

00:06:29,689 --> 00:06:27,240

glaring down at me was a hideous dog

129

00:06:32,570 --> 00:06:29,699

creature with eyes shaped like a human

130

00:06:34,689 --> 00:06:32,580

but amber colored and terrifyingly

131

00:06:37,430 --> 00:06:34,699

piercing

132

00:06:40,129 --> 00:06:37,440

this dog creature was as long as the

133

00:06:41,809 --> 00:06:40,139

branch it was laying on as it slowly

134

00:06:44,090 --> 00:06:41,819

grouted me

135

00:06:46,790 --> 00:06:44,100

I ran back to my friends and told them

136

00:06:48,650 --> 00:06:46,800

we had to go immediately they protested

137

00:06:50,210 --> 00:06:48,660

at first but then one of them caught a

138

00:06:52,550 --> 00:06:50,220

glimpse of the creature jumping down

139

00:06:55,610 --> 00:06:52,560

from the tree

140

00:06:57,830 --> 00:06:55,620

he didn't get a good look at it only a

141

00:07:00,409 --> 00:06:57,840

shadow and all she could tell was that

142

00:07:03,290 --> 00:07:00,419

it was huge so we all grabbed our things

143

00:07:05,930 --> 00:07:03,300

and made our way out of the cemetery

144

00:07:08,029 --> 00:07:05,940

now the friend that had seen the shadow

145

00:07:10,370 --> 00:07:08,039

asked me what it was

146

00:07:12,890 --> 00:07:10,380

played it off saying I didn't see the

147

00:07:15,230 --> 00:07:12,900

shadow only signs of a coyote circling

148

00:07:17,090 --> 00:07:15,240

around and felt scared

149

00:07:19,550 --> 00:07:17,100

I didn't describe a dog creature

150

00:07:20,990 --> 00:07:19,560

acknowledge it now I no longer live in

151

00:07:23,089 --> 00:07:21,000

the area and haven't heard of any

152

00:07:25,550 --> 00:07:23,099

encounters with the adult creatures

153

00:07:29,029 --> 00:07:25,560

since my encounter maybe it went into

154

00:07:31,550 --> 00:07:29,039

the mountains and stayed there now

155

00:07:34,129 --> 00:07:31,560

I did contact Yahoo witness and I talked

156

00:07:37,129 --> 00:07:34,139

to her about the incident I believe

157

00:07:40,430 --> 00:07:37,139

she really did see it the way she

158

00:07:42,189 --> 00:07:40,440

described it it's typical dog man uh you

159

00:07:45,469 --> 00:07:42,199

know what people described

160

00:07:47,930 --> 00:07:45,479

uh it did seem to be by Peter went

161

00:07:49,490 --> 00:07:47,940

quadruped so uh you know we get a lot of

162

00:07:52,129 --> 00:07:49,500

those where they do the you know the

163

00:07:54,469 --> 00:07:52,139

both both run them all fours and and

164

00:07:56,930 --> 00:07:54,479

walk upright so um

165

00:07:59,029 --> 00:07:56,940

yeah and you know what I don't normally

166

00:08:02,689 --> 00:07:59,039

get sightings out of Massachusetts

167

00:08:04,670 --> 00:08:02,699

especially Crypt is like this so uh that

168

00:08:06,110 --> 00:08:04,680

was somewhat unusual

169

00:08:07,550 --> 00:08:06,120

now we got another one from

170

00:08:10,670 --> 00:08:07,560

Massachusetts we're a Boston

171

00:08:13,430 --> 00:08:10,680

Massachusetts couple observed a UFO in

172

00:08:17,330 --> 00:08:13,440

the sky outside of their residents

173

00:08:19,249 --> 00:08:17,340

not long after a black SUV pulls up in

174

00:08:21,830 --> 00:08:19,259

front of their home and three persons

175

00:08:26,749 --> 00:08:21,840

dressed in black appear

176

00:08:31,189 --> 00:08:26,759

now this happened in uh December 6th of

177

00:08:34,430 --> 00:08:31,199

last year 2022 at 2 am

178

00:08:36,230 --> 00:08:34,440

uh she writes a couple weeks ago my

179

00:08:37,969 --> 00:08:36,240

sister and her boyfriend were surfing

180

00:08:40,430 --> 00:08:37,979

the internet watching videos on

181

00:08:42,949 --> 00:08:40,440

astronauts seeing UFOs and other

182

00:08:45,769 --> 00:08:42,959

theories surrounding aliens such as

183

00:08:47,810 --> 00:08:45,779

plane Pilots encountering UFOs

184

00:08:50,030 --> 00:08:47,820

my sister's a huge believer in anything

185

00:08:51,230 --> 00:08:50,040

paranormal that must be where I got it

186

00:08:54,350 --> 00:08:51,240

from

187

00:08:56,090 --> 00:08:54,360

now about four nights ago my sister and

188

00:08:58,610 --> 00:08:56,100

her boyfriend went out to smoke a

189

00:09:00,530 --> 00:08:58,620

cigarette around 2 30 A.M

190

00:09:02,449 --> 00:09:00,540

they were looking up at the moon and

191

00:09:05,449 --> 00:09:02,459

talking about how these astronauts in

192

00:09:08,449 --> 00:09:05,459

the in the videos they watched weeks ago

193

00:09:10,430 --> 00:09:08,459

we had no reason to lie about UFO

194

00:09:11,570 --> 00:09:10,440

sightings and how crazy it must be in

195

00:09:14,030 --> 00:09:11,580

for them

196

00:09:16,910 --> 00:09:14,040

within less than five seconds of talking

197

00:09:19,430 --> 00:09:16,920

about that out loud they were peering up

198

00:09:21,889 --> 00:09:19,440

in the sky and saw an orb like bright

199

00:09:24,230 --> 00:09:21,899

light that's so bright that it

200

00:09:26,630 --> 00:09:24,240

illuminated their faces is this in the

201  
00:09:29,509 --> 00:09:26,640  
presence of fireworks

202  
00:09:31,610 --> 00:09:29,519  
it was going upwards in the sky not in a

203  
00:09:34,130 --> 00:09:31,620  
completely straight path but swerving a

204  
00:09:36,290 --> 00:09:34,140  
little and going upwards

205  
00:09:38,630 --> 00:09:36,300  
there were a few spark-like elements

206  
00:09:40,190 --> 00:09:38,640  
coming from the bottom of the craft and

207  
00:09:42,350 --> 00:09:40,200  
the craft itself was visible for about

208  
00:09:44,210 --> 00:09:42,360  
three seconds before it completely

209  
00:09:47,030 --> 00:09:44,220  
disappeared

210  
00:09:49,670 --> 00:09:47,040  
now the uh it was completely silent and

211  
00:09:52,130 --> 00:09:49,680  
appeared pretty close way too close to

212  
00:09:54,410 --> 00:09:52,140  
be a plane or some type of shooting star

213  
00:09:57,350 --> 00:09:54,420

they thought it could have been a comet

214

00:09:59,150 --> 00:09:57,360

but also too close to be that or a

215

00:10:02,030 --> 00:09:59,160

meteor landing on Earth but it was

216

00:10:04,730 --> 00:10:02,040

traveling upward and also disappeared

217

00:10:07,430 --> 00:10:04,740

now my sister said the size of it was

218

00:10:09,350 --> 00:10:07,440

about the size of a street light from

219

00:10:10,850 --> 00:10:09,360

the ground's point of view but she

220

00:10:13,550 --> 00:10:10,860

couldn't make out the shape of the

221

00:10:16,250 --> 00:10:13,560

object because it was so bright

222

00:10:19,130 --> 00:10:16,260

now I was close to them that they

223

00:10:21,590 --> 00:10:19,140

narrowed down to being a UFO

224

00:10:23,150 --> 00:10:21,600

so both she and her boyfriend saw it

225

00:10:25,490 --> 00:10:23,160

which means one of them wasn't

226

00:10:27,170 --> 00:10:25,500

hallucinating they were scared

227

00:10:29,269 --> 00:10:27,180

considering the fact that just seconds

228

00:10:32,570 --> 00:10:29,279

before the UFO appear they were talking

229

00:10:35,150 --> 00:10:32,580

about it only encounters

230

00:10:37,310 --> 00:10:35,160

um they felt as if whatever it was heard

231

00:10:39,769 --> 00:10:37,320

them talking about that and wanted to

232

00:10:42,110 --> 00:10:39,779

prove their existence it was more than

233

00:10:44,990 --> 00:10:42,120

just a coincidence

234

00:10:48,050 --> 00:10:45,000

now they went inside afterwards stunned

235

00:10:49,069 --> 00:10:48,060

not believing or knowing exactly what

236

00:10:51,530 --> 00:10:49,079

they saw

237

00:10:53,569 --> 00:10:51,540

and my sister admitted to me that she

238

00:10:55,550 --> 00:10:53,579

thought it was cool to finally see a UFO

239

00:10:57,769 --> 00:10:55,560

for the first time

240

00:10:59,870 --> 00:10:57,779

after about 45 minutes her boyfriend

241

00:11:01,970 --> 00:10:59,880

wanted another signature cigarette and

242

00:11:04,250 --> 00:11:01,980

as hesitant as they were to go back

243

00:11:06,650 --> 00:11:04,260

outside they went anyway

244

00:11:12,050 --> 00:11:06,660

after about two minutes of being outside

245

00:11:14,449 --> 00:11:12,060

the second time a black sedan SUV

246

00:11:18,110 --> 00:11:14,459

pulled up across the street seemingly

247

00:11:20,810 --> 00:11:18,120

out of nowhere with absolutely no sound

248

00:11:23,090 --> 00:11:20,820

a man in all black came out and opened

249

00:11:25,190 --> 00:11:23,100

the trunk of the SUV turned around and

250

00:11:26,930 --> 00:11:25,200

began to stare at them

251  
00:11:29,389 --> 00:11:26,940  
they could tell he was dressed in black

252  
00:11:31,730 --> 00:11:29,399  
but could make out his face

253  
00:11:33,710 --> 00:11:31,740  
within seconds of this she and her

254  
00:11:36,590 --> 00:11:33,720  
boyfriend noticed two other men in black

255  
00:11:38,870 --> 00:11:36,600  
standing at the End of the Street one

256  
00:11:40,730 --> 00:11:38,880  
house down from where they lived kind of

257  
00:11:43,610 --> 00:11:40,740  
swaying back and forth as if they were

258  
00:11:46,550 --> 00:11:43,620  
trying to make out who or what they were

259  
00:11:47,990 --> 00:11:46,560  
it seemed as if they were more intrigued

260  
00:11:50,990 --> 00:11:48,000  
by seeing my sister and her boyfriend

261  
00:11:52,550 --> 00:11:51,000  
than they were to see them they you know

262  
00:11:53,750 --> 00:11:52,560  
more than they were seeing these Men in

263  
00:11:56,150 --> 00:11:53,760

Black

264

00:11:58,310 --> 00:11:56,160

now my sister described him as also

265

00:12:00,170 --> 00:11:58,320

wearing all black attire

266

00:12:02,269 --> 00:12:00,180

and couldn't see their faces or even

267

00:12:05,030 --> 00:12:02,279

their skin color despite being only one

268

00:12:07,009 --> 00:12:05,040

house down from where they were standing

269

00:12:09,829 --> 00:12:07,019

now they were all blurred out and did

270

00:12:13,370 --> 00:12:09,839

not have distinct facial features

271

00:12:14,269 --> 00:12:13,380

it's also it was also about 3 30 a.m at

272

00:12:17,090 --> 00:12:14,279

this point

273

00:12:19,430 --> 00:12:17,100

now these men in black were talking to

274

00:12:22,190 --> 00:12:19,440

each other smoking or doing anything

275

00:12:24,949 --> 00:12:22,200

that that may you know they weren't

276

00:12:26,990 --> 00:12:24,959

talking or excuse me these men in black

277

00:12:29,210 --> 00:12:27,000

weren't talking to each other smoking or

278

00:12:32,090 --> 00:12:29,220

doing that made sense they were just

279

00:12:34,250 --> 00:12:32,100

staring at them as was the guy with the

280

00:12:35,210 --> 00:12:34,260

the trunk opening the SUV across the

281

00:12:36,949 --> 00:12:35,220

street

282

00:12:40,069 --> 00:12:36,959

she said it gave her a very fearful

283

00:12:42,230 --> 00:12:40,079

ominous impression

284

00:12:43,970 --> 00:12:42,240

now as soon as that happened she grabbed

285

00:12:47,750 --> 00:12:43,980

her boyfriend's hand and sprinted inside

286

00:12:50,090 --> 00:12:47,760

the house fearing and if if she wasn't

287

00:12:51,410 --> 00:12:50,100

physically touched wasn't physically

288

00:12:53,750 --> 00:12:51,420

touching him

289

00:12:56,030 --> 00:12:53,760

he could have mysteriously disappeared

290

00:12:58,009 --> 00:12:56,040

somewhere behind her as they were

291

00:13:00,590 --> 00:12:58,019

running

292

00:13:02,870 --> 00:13:00,600

uh she has not been able to sleep turn

293

00:13:05,569 --> 00:13:02,880

off any lights and doesn't feel safe

294

00:13:08,090 --> 00:13:05,579

being alone now she tried contacting the

295

00:13:10,430 --> 00:13:08,100

police authorities but they basically

296

00:13:12,470 --> 00:13:10,440

told her they only take crime reports

297

00:13:14,629 --> 00:13:12,480

and not UFO reports

298

00:13:16,730 --> 00:13:14,639

now my sister said this is the scariest

299

00:13:18,350 --> 00:13:16,740

thing she's ever encountered and UFO

300

00:13:21,230 --> 00:13:18,360

sighting was scary enough but the

301  
00:13:22,910 --> 00:13:21,240  
strange MIB he just so happened to be

302  
00:13:26,569 --> 00:13:22,920  
staring at them so late in the middle of

303  
00:13:28,430 --> 00:13:26,579  
the night or even more terrifying

304  
00:13:30,290 --> 00:13:28,440  
um now people have asked her why she

305  
00:13:32,690 --> 00:13:30,300  
didn't record the men with her phone and

306  
00:13:35,329 --> 00:13:32,700  
she said that she was too scared to

307  
00:13:37,730 --> 00:13:35,339  
stick around to find out what was what

308  
00:13:40,790 --> 00:13:37,740  
would happen if she did

309  
00:13:43,250 --> 00:13:40,800  
so uh what was the strange UFO she

310  
00:13:45,530 --> 00:13:43,260  
spotted in the sky with her boyfriend

311  
00:13:46,910 --> 00:13:45,540  
and uh who were the Men in Black who

312  
00:13:49,370 --> 00:13:46,920  
happened to appear in the same area

313  
00:13:52,490 --> 00:13:49,380

within less than an hour now this is a

314

00:13:54,350 --> 00:13:52,500

report that was submitted to new Fork so

315

00:13:56,569 --> 00:13:54,360

I don't have any contact I thought it

316

00:13:58,610 --> 00:13:56,579

was pretty interesting

317

00:14:00,530 --> 00:13:58,620

um and I'll if you have questions about

318

00:14:03,050 --> 00:14:00,540

Men In Black I'll ask him I'll answer

319

00:14:05,449 --> 00:14:03,060

them after I'm done doing the narrating

320

00:14:08,150 --> 00:14:05,459

but this is what they do they just

321

00:14:10,790 --> 00:14:08,160

suddenly show up for whatever reason

322

00:14:12,410 --> 00:14:10,800

like like I've said before I I think the

323

00:14:14,210 --> 00:14:12,420

Men in Black are the cleanup crew for

324

00:14:16,430 --> 00:14:14,220

aliens quite frankly I don't think

325

00:14:18,829 --> 00:14:16,440

there's any government

326

00:14:19,970 --> 00:14:18,839

um any government involvement at all I

327

00:14:22,129 --> 00:14:19,980

think that

328

00:14:23,690 --> 00:14:22,139

you know when something happens that and

329

00:14:25,730 --> 00:14:23,700

somebody sees something that shouldn't

330

00:14:28,310 --> 00:14:25,740

have been seen that they're there to try

331

00:14:31,129 --> 00:14:28,320

to dispel anything or try to get them

332

00:14:34,550 --> 00:14:31,139

from making a report

333

00:14:36,949 --> 00:14:34,560

so this next report and of course you

334

00:14:39,530 --> 00:14:36,959

know I wrote I read something about a

335

00:14:43,970 --> 00:14:39,540

sighting by Chicago firemen at O'Hare

336

00:14:47,449 --> 00:14:45,889

um about two weeks ago

337

00:14:49,730 --> 00:14:47,459

so

338

00:14:51,650 --> 00:14:49,740

at that time Manuel was talking about

339

00:14:53,629 --> 00:14:51,660

some of the other firemen that were at

340

00:14:54,769 --> 00:14:53,639

that station mentioning that they had

341

00:14:56,569 --> 00:14:54,779

seen

342

00:15:00,050 --> 00:14:56,579

that's what they called the O'Hare

343

00:15:03,590 --> 00:15:00,060

Batman at the location

344

00:15:06,949 --> 00:15:03,600

so um this uh this report that he and

345

00:15:09,110 --> 00:15:06,959

next report that he he put out was uh

346

00:15:10,490 --> 00:15:09,120

the Chicago City farm in O'Hare station

347

00:15:12,470 --> 00:15:10,500

three

348

00:15:15,290 --> 00:15:12,480

took one one of the engines to get

349

00:15:17,449 --> 00:15:15,300

fueled as they were approaching the fire

350

00:15:19,490 --> 00:15:17,459

station on their way back they observe

351  
00:15:21,949 --> 00:15:19,500  
at eight foot tall red-eyed Batman

352  
00:15:24,590 --> 00:15:21,959  
Shuffle across the road

353  
00:15:26,930 --> 00:15:24,600  
now of course Manuel who's a member of

354  
00:15:29,030 --> 00:15:26,940  
fam's monster Fortune research posted

355  
00:15:31,790 --> 00:15:29,040  
this on his website UFO Clearinghouse as

356  
00:15:35,030 --> 00:15:31,800  
well so this is what they uh this is

357  
00:15:38,870 --> 00:15:35,040  
what they wrote to um Emmanuel

358  
00:15:42,350 --> 00:15:38,880  
the witness who contacted him I was at

359  
00:15:43,790 --> 00:15:42,360  
work at station three at about uh to 4

360  
00:15:46,910 --> 00:15:43,800  
500 hours

361  
00:15:48,470 --> 00:15:46,920  
as part of the normal routine we take

362  
00:15:50,210 --> 00:15:48,480  
the engines to get fueled at the

363  
00:15:52,910 --> 00:15:50,220

maintenance yard

364

00:15:55,490 --> 00:15:52,920

it's about a two miles or so one way and

365

00:15:58,370 --> 00:15:55,500

the entire Endeavor takes about 45 to 60

366

00:15:59,509 --> 00:15:58,380

Minutes depending if you know on if you

367

00:16:01,790 --> 00:15:59,519

have to wait

368

00:16:03,710 --> 00:16:01,800

now as we were headed back we were

369

00:16:06,350 --> 00:16:03,720

approaching the firehouse when we saw

370

00:16:08,750 --> 00:16:06,360

something move across the street

371

00:16:10,069 --> 00:16:08,760

it walked in a sort of Shuffle as we

372

00:16:12,710 --> 00:16:10,079

approached

373

00:16:14,930 --> 00:16:12,720

we saw two glowing red eyes that looked

374

00:16:17,449 --> 00:16:14,940

right at us and then disappeared

375

00:16:20,030 --> 00:16:17,459

as we continue to approach of locations

376

00:16:20,990 --> 00:16:20,040

or headlights fill upon a large black

377

00:16:22,850 --> 00:16:21,000

figure

378

00:16:25,310 --> 00:16:22,860

it looked like a man wearing black

379

00:16:26,569 --> 00:16:25,320

clothing except he was at least eight

380

00:16:29,329 --> 00:16:26,579

foot tall

381

00:16:31,009 --> 00:16:29,339

super thin and had large pair of

382

00:16:33,350 --> 00:16:31,019

bat-like wings

383

00:16:35,509 --> 00:16:33,360

it took off into the air and was gone

384

00:16:37,069 --> 00:16:35,519

within a second or two and we lost it in

385

00:16:38,810 --> 00:16:37,079

the night sky

386

00:16:40,730 --> 00:16:38,820

it scared to living a hell out of

387

00:16:42,350 --> 00:16:40,740

everyone in the engine and then we got

388

00:16:44,810 --> 00:16:42,360

back to the Firehouse we all went

389

00:16:46,730 --> 00:16:44,820

outside to look for it but found nothing

390

00:16:48,410 --> 00:16:46,740

it was the damnest thing I'd ever seen

391

00:16:51,590 --> 00:16:48,420

in my life

392

00:16:53,329 --> 00:16:51,600

now this was the same station where they

393

00:16:55,249 --> 00:16:53,339

had seen this thing

394

00:16:57,650 --> 00:16:55,259

the witness had seen it across the

395

00:17:00,290 --> 00:16:57,660

street on top of the uh

396

00:17:02,810 --> 00:17:00,300

the HVAC building

397

00:17:05,329 --> 00:17:02,820

at O'Hare so um

398

00:17:07,130 --> 00:17:05,339

now Manuel notes that this is probably

399

00:17:09,289 --> 00:17:07,140

ongoing investigation looking into

400

00:17:11,809 --> 00:17:09,299

initial report of Chicago firefighters

401  
00:17:14,030 --> 00:17:11,819  
citing a winged humanoid of Chicago

402  
00:17:17,030 --> 00:17:14,040  
O'Hare International Airport

403  
00:17:18,890 --> 00:17:17,040  
the witness was able to convey sightings

404  
00:17:22,370 --> 00:17:18,900  
from Phil of firefighters at this

405  
00:17:23,929 --> 00:17:22,380  
station that were told to him the night

406  
00:17:26,390 --> 00:17:23,939  
of this sighting

407  
00:17:28,490 --> 00:17:26,400  
they were being presented separately and

408  
00:17:31,190 --> 00:17:28,500  
attempts are being made to contact the

409  
00:17:33,409 --> 00:17:31,200  
original Witnesses of each report now as

410  
00:17:36,350 --> 00:17:33,419  
the investigation progresses

411  
00:17:38,330 --> 00:17:36,360  
will make updates and and pass along to

412  
00:17:41,750 --> 00:17:38,340  
uh fams and monsters

413  
00:17:44,390 --> 00:17:41,760

so a couple days later

414

00:17:46,549 --> 00:17:44,400

we had Chicago firemen posted the O'Hare

415

00:17:49,130 --> 00:17:46,559

fire station number two

416

00:17:50,690 --> 00:17:49,140

this is about a mile north of station

417

00:17:53,029 --> 00:17:50,700

number three

418

00:17:56,150 --> 00:17:53,039

they came forward to describe a sighting

419

00:17:59,870 --> 00:17:56,160

of a screeching and chirping orange-eyed

420

00:18:04,010 --> 00:17:59,880

Wing humanoid flying over the location

421

00:18:08,049 --> 00:18:04,020

now the report States I was filling in

422

00:18:10,370 --> 00:18:08,059

at O'Hare Fire Station 2 on July 4th

423

00:18:12,710 --> 00:18:10,380

2022 weekend

424

00:18:14,630 --> 00:18:12,720

we were outside the patio area talking

425

00:18:17,510 --> 00:18:14,640

and watching the distant firework

426

00:18:19,850 --> 00:18:17,520

display as we talked we heard what

427

00:18:22,370 --> 00:18:19,860

sounded like a very loud screeching

428

00:18:24,770 --> 00:18:22,380

noise it sounded like the brakes on a

429

00:18:27,110 --> 00:18:24,780

large truck

430

00:18:28,549 --> 00:18:27,120

we didn't pay any mind because it was

431

00:18:30,409 --> 00:18:28,559

probably a semi or an airport

432

00:18:32,570 --> 00:18:30,419

maintenance vehicle that was nearby

433

00:18:34,610 --> 00:18:32,580

there is a cargo terminal with inside

434

00:18:36,350 --> 00:18:34,620

the station so we didn't give it a

435

00:18:40,130 --> 00:18:36,360

second thought until we heard a series

436

00:18:42,289 --> 00:18:40,140

of clicks rapid loud clicking followed

437

00:18:44,270 --> 00:18:42,299

by that sound again

438

00:18:47,150 --> 00:18:44,280

it was then that one of the other guys

439

00:18:49,370 --> 00:18:47,160

saw something and said

440

00:18:53,270 --> 00:18:49,380

what the f is that

441

00:18:55,669 --> 00:18:53,280

we looked up to see a figure in the sky

442

00:18:58,730 --> 00:18:55,679

it looked like a human with wings and it

443

00:19:00,830 --> 00:18:58,740

had a pair of bright orange eyes

444

00:19:02,390 --> 00:19:00,840

when the firefighters said it was the

445

00:19:04,250 --> 00:19:02,400

infamous Batman

446

00:19:06,409 --> 00:19:04,260

instead of a scene all over the airport

447

00:19:08,210 --> 00:19:06,419

and surrounding suburbs

448

00:19:09,950 --> 00:19:08,220

it was only visible for about five

449

00:19:11,690 --> 00:19:09,960

seconds before it flew out of sight

450

00:19:14,450 --> 00:19:11,700

towards the North

451

00:19:17,390 --> 00:19:14,460

now Manuel also States again this is

452

00:19:19,669 --> 00:19:17,400

part of the investigation and um

453

00:19:22,610 --> 00:19:19,679

I think we're going to have some more

454

00:19:25,070 --> 00:19:22,620

now I got a um

455

00:19:26,990 --> 00:19:25,080

I I had it's interesting because these

456

00:19:28,909 --> 00:19:27,000

things only seem to come in groups even

457

00:19:30,590 --> 00:19:28,919

when they're old sightings people I

458

00:19:33,409 --> 00:19:30,600

guess people see them

459

00:19:35,690 --> 00:19:33,419

and they recall something that they've

460

00:19:37,310 --> 00:19:35,700

experienced but I I got a report the

461

00:19:40,070 --> 00:19:37,320

other day I posted

462

00:19:42,669 --> 00:19:40,080

from Waukegan and we've had sightings up

463

00:19:46,070 --> 00:19:42,679

there that's north of Chicago

464

00:19:48,529 --> 00:19:46,080

and uh I got another one today west of

465

00:19:52,370 --> 00:19:48,539

Chicago that I'm looking into

466

00:19:53,930 --> 00:19:52,380

so uh yeah I mean

467

00:19:55,730 --> 00:19:53,940

I'm I'm sure we're going to be getting

468

00:19:57,710 --> 00:19:55,740

more this is just the way it seems to

469

00:20:00,409 --> 00:19:57,720

work you know we'll have a lull

470

00:20:03,169 --> 00:20:00,419

or months at a time and all of a sudden

471

00:20:05,210 --> 00:20:03,179

it starts it starts up again

472

00:20:07,070 --> 00:20:05,220

uh it doesn't matter if it's at the

473

00:20:08,750 --> 00:20:07,080

airport or out in the suburbs or in

474

00:20:12,110 --> 00:20:08,760

somewhere else in the city but this is

475

00:20:14,029 --> 00:20:12,120

just the way you know it seems to happen

476

00:20:16,909 --> 00:20:14,039

so this next account was actually

477

00:20:18,350 --> 00:20:16,919

transcribed from cryptic Canada the lady

478

00:20:20,810 --> 00:20:18,360

who runs that

479

00:20:24,950 --> 00:20:20,820

the YouTube channel she's been using

480

00:20:28,130 --> 00:20:24,960

something my um some of my um material

481

00:20:30,409 --> 00:20:28,140

so uh I actually saw this when she had

482

00:20:32,930 --> 00:20:30,419

posted about a year and a half ago and

483

00:20:35,090 --> 00:20:32,940

it caught my interest because

484

00:20:38,510 --> 00:20:35,100

you know it's kind of weird and uh you

485

00:20:41,630 --> 00:20:38,520

know I like the weird stuff so anyway

486

00:20:43,970 --> 00:20:41,640

a woman and her sister rented a cottage

487

00:20:46,990 --> 00:20:43,980

in the Woodland uh Woodlands of Northern

488

00:20:49,850 --> 00:20:47,000

Michigan and uh then

489

00:20:51,289 --> 00:20:49,860

they then encounter a neighbor with a

490

00:20:53,510 --> 00:20:51,299

creepy son

491

00:20:58,010 --> 00:20:53,520

soon afterward there are two encounters

492

00:21:02,930 --> 00:21:00,110

so

493

00:21:04,970 --> 00:21:02,940

here's the way the story goes I decided

494

00:21:07,970 --> 00:21:04,980

to run a cabin way up in northern

495

00:21:10,669 --> 00:21:07,980

Michigan for a week of my sister Tanya

496

00:21:12,230 --> 00:21:10,679

my sister is a writer and this was also

497

00:21:15,470 --> 00:21:12,240

what she needed because she hadn't

498

00:21:17,990 --> 00:21:15,480

written in two weeks so off we went it

499

00:21:19,610 --> 00:21:18,000

was late May and still quite chilly but

500

00:21:21,529 --> 00:21:19,620

we didn't care about the weather because

501  
00:21:23,090 --> 00:21:21,539  
we weren't there for sunbathing on the

502  
00:21:25,850 --> 00:21:23,100  
beach

503  
00:21:28,250 --> 00:21:25,860  
now the cottage was rustic but recently

504  
00:21:32,029 --> 00:21:28,260  
redone it was located on a small pond

505  
00:21:34,909 --> 00:21:32,039  
but was surrounded by thick Woods

506  
00:21:36,230 --> 00:21:34,919  
her Cottage was the last one down a long

507  
00:21:38,149 --> 00:21:36,240  
dirt road

508  
00:21:41,390 --> 00:21:38,159  
the Kylie Jenner had put in several

509  
00:21:44,990 --> 00:21:41,400  
really nice long Trails because it if

510  
00:21:47,149 --> 00:21:45,000  
not then nobody was enjoying the woods

511  
00:21:49,190 --> 00:21:47,159  
so the first day we were unloading our

512  
00:21:51,590 --> 00:21:49,200  
logic luggage from the car and a young

513  
00:21:53,990 --> 00:21:51,600

guy and his mom walked up the driveway

514

00:21:55,789 --> 00:21:54,000

they introduced themselves and said they

515

00:21:56,930 --> 00:21:55,799

owned the house a little way down the

516

00:21:58,970 --> 00:21:56,940

road

517

00:22:01,549 --> 00:21:58,980

and they went for walks a few times a

518

00:22:03,350 --> 00:22:01,559

week for exercise past the cottage

519

00:22:05,210 --> 00:22:03,360

the mother's name was Linda she

520

00:22:07,310 --> 00:22:05,220

mentioned that her husband had passed

521

00:22:10,010 --> 00:22:07,320

away a few years earlier

522

00:22:12,169 --> 00:22:10,020

and of course I told her that I lost my

523

00:22:13,549 --> 00:22:12,179

husband just a few months earlier as

524

00:22:17,450 --> 00:22:13,559

well

525

00:22:20,750 --> 00:22:17,460

so linda looks so sad from it looked so

526

00:22:23,029 --> 00:22:20,760

sad for me but her son Brendan

527

00:22:24,770 --> 00:22:23,039

had a smirk on his face which really

528

00:22:27,710 --> 00:22:24,780

creeped me out

529

00:22:29,630 --> 00:22:27,720

Linda also seemed to notice this as well

530

00:22:31,789 --> 00:22:29,640

and said okay let's leave these ladies

531

00:22:32,930 --> 00:22:31,799

to unpack and then they said they're

532

00:22:35,270 --> 00:22:32,940

good buys

533

00:22:36,830 --> 00:22:35,280

and I was unnerved by the way Brennan

534

00:22:40,850 --> 00:22:36,840

looked at me and I noticed he kept

535

00:22:45,950 --> 00:22:43,190

so on the first day we just hung out

536

00:22:48,770 --> 00:22:45,960

around the cabin the next day I went for

537

00:22:50,990 --> 00:22:48,780

a walk alone so time to get some writing

538

00:22:56,270 --> 00:22:53,510

I chose the path the owner said was the

539

00:22:57,350 --> 00:22:56,280

easiest I had been walking for about 10

540

00:22:59,750 --> 00:22:57,360

minutes

541

00:23:01,310 --> 00:22:59,760

when I heard the sound of a small animal

542

00:23:04,490 --> 00:23:01,320

moving through the underbrush maybe

543

00:23:06,409 --> 00:23:04,500

something the size of a rabbit

544

00:23:09,230 --> 00:23:06,419

so I stopped to listen and when I

545

00:23:11,690 --> 00:23:09,240

stopped the rustling stopped

546

00:23:13,310 --> 00:23:11,700

I happened to glance back and I saw the

547

00:23:16,549 --> 00:23:13,320

shape of a human

548

00:23:18,590 --> 00:23:16,559

standing behind the thicket

549

00:23:21,409 --> 00:23:18,600

I thought it was Brandon so I turned and

550

00:23:23,870 --> 00:23:21,419

kept walking I was almost halfway and

551  
00:23:24,649 --> 00:23:23,880  
I'd see a tree about 30 feet in front of

552  
00:23:28,549 --> 00:23:24,659  
me

553  
00:23:31,370 --> 00:23:28,559  
type of Thicket

554  
00:23:34,010 --> 00:23:31,380  
I saw what again I perceived to be a

555  
00:23:36,590 --> 00:23:34,020  
naked branded

556  
00:23:38,510 --> 00:23:36,600  
I couldn't see clearly because it was

557  
00:23:41,330 --> 00:23:38,520  
shrouded in darkness but I saw him

558  
00:23:45,590 --> 00:23:41,340  
perched on the bottom limb of a tree

559  
00:23:48,470 --> 00:23:45,600  
just crouched there staring at me

560  
00:23:50,750 --> 00:23:48,480  
I could see one hand holding the limb he

561  
00:23:53,210 --> 00:23:50,760  
was crouched on and the other arm was

562  
00:23:55,789 --> 00:23:53,220  
wrapped around the tree trunk

563  
00:23:58,070 --> 00:23:55,799

but now that I'd look back and I know

564

00:24:00,770 --> 00:23:58,080

what I was looking at I can't believe I

565

00:24:03,230 --> 00:24:00,780

thought it was Brandon

566

00:24:05,810 --> 00:24:03,240

a day or two later I was finally able to

567

00:24:09,049 --> 00:24:05,820

pull Tanya away from her laptop and we

568

00:24:11,930 --> 00:24:09,059

were on the porch to watch the sunset

569

00:24:14,210 --> 00:24:11,940

we distinctly heard a wolf howl from at

570

00:24:16,070 --> 00:24:14,220

least the other side of the pond we

571

00:24:17,750 --> 00:24:16,080

agreed it was really close but we

572

00:24:19,970 --> 00:24:17,760

weren't too worried

573

00:24:22,310 --> 00:24:19,980

we were more worried about the the

574

00:24:25,010 --> 00:24:22,320

mother bears as we were just told by

575

00:24:28,070 --> 00:24:25,020

Linda and the cabin owner that we needed

576

00:24:30,169 --> 00:24:28,080

to keep bear spray on us at all times

577

00:24:32,630 --> 00:24:30,179

call the Cubs were very young the mother

578

00:24:34,970 --> 00:24:32,640

was really protective

579

00:24:38,149 --> 00:24:34,980

so about 10 minutes later

580

00:24:40,730 --> 00:24:38,159

we heard an animal screaming

581

00:24:43,190 --> 00:24:40,740

oh my gosh both of us were saying and

582

00:24:45,890 --> 00:24:43,200

covering our ears Tanya was saying this

583

00:24:48,529 --> 00:24:45,900

is just too close to nature for me and

584

00:24:50,570 --> 00:24:48,539

she went in to use the bathroom and then

585

00:24:54,470 --> 00:24:50,580

she came back and she said

586

00:24:56,990 --> 00:24:54,480

what is that and pointed to the Woodline

587

00:24:59,390 --> 00:24:57,000

I saw the shrubs shaking then an animal

588

00:25:01,909 --> 00:24:59,400

came out of the woods with a baby deer

589

00:25:04,669 --> 00:25:01,919

hanging from its mouth

590

00:25:06,710 --> 00:25:04,679

the baby wasn't just a newborn it I we

591

00:25:08,330 --> 00:25:06,720

looked at pictures showing various ages

592

00:25:11,090 --> 00:25:08,340

and it was probably two weeks old

593

00:25:13,070 --> 00:25:11,100

approximately

594

00:25:15,649 --> 00:25:13,080

we're not country girls so please don't

595

00:25:17,630 --> 00:25:15,659

get on me for being wrong anyway Tanya

596

00:25:20,090 --> 00:25:17,640

said no I don't want to see this and she

597

00:25:25,310 --> 00:25:23,090

now I set looking at the animal I was uh

598

00:25:27,830 --> 00:25:25,320

fairly certain the Fawn was already dead

599

00:25:29,690 --> 00:25:27,840

or I would have done something at least

600

00:25:31,070 --> 00:25:29,700

that I think I would have done something

601  
00:25:33,470 --> 00:25:31,080  
about it

602  
00:25:37,250 --> 00:25:33,480  
I don't know but regardless I was trying

603  
00:25:39,529 --> 00:25:37,260  
to figure out what this animal was

604  
00:25:41,690 --> 00:25:39,539  
it was walking into the open from the

605  
00:25:43,930 --> 00:25:41,700  
woods it dropped the fawn from its mouth

606  
00:25:46,909 --> 00:25:43,940  
then it started sniffing it

607  
00:25:48,769 --> 00:25:46,919  
I was fairly certain that this was a

608  
00:25:50,570 --> 00:25:48,779  
very large wolf with a case of mange

609  
00:25:52,789 --> 00:25:50,580  
because its hair was stuck around the

610  
00:25:56,630 --> 00:25:52,799  
neck like a lion's mane

611  
00:25:58,909 --> 00:25:56,640  
and it was thin to Barren spots

612  
00:26:02,330 --> 00:25:58,919  
its rear end was bald

613  
00:26:04,730 --> 00:26:02,340

and I didn't see a tail I noticed it

614

00:26:07,730 --> 00:26:04,740

looked almost deformed because the back

615

00:26:10,190 --> 00:26:07,740

end set way lower than the front

616

00:26:12,529 --> 00:26:10,200

now the animals seemed almost mesmerized

617

00:26:15,350 --> 00:26:12,539

by the Fawn it stared and sniffed at it

618

00:26:17,269 --> 00:26:15,360

then it pushed it forward or over by

619

00:26:19,610 --> 00:26:17,279

using its nose

620

00:26:21,470 --> 00:26:19,620

and it picked up picked it up by the

621

00:26:23,330 --> 00:26:21,480

mouth and started shaking his side to

622

00:26:25,130 --> 00:26:23,340

side viciously

623

00:26:27,710 --> 00:26:25,140

and it started biting into the

624

00:26:29,930 --> 00:26:27,720

midsection and when it lifted its head

625

00:26:32,690 --> 00:26:29,940

to chew you could clear the city

626

00:26:35,029 --> 00:26:32,700

intestines hanging out of its mouth

627

00:26:36,890 --> 00:26:35,039

now I believe I let out a sound at that

628

00:26:39,409 --> 00:26:36,900

point because it looked at me surprised

629

00:26:40,909 --> 00:26:39,419

and then ran about 10 foot to a large

630

00:26:43,850 --> 00:26:40,919

tree

631

00:26:46,130 --> 00:26:43,860

he turned around and literally stood on

632

00:26:48,830 --> 00:26:46,140

its back legs

633

00:26:50,630 --> 00:26:48,840

I realized that this was the thing I saw

634

00:26:53,090 --> 00:26:50,640

in the tree

635

00:26:55,070 --> 00:26:53,100

I could clearly see the eyes were Rusty

636

00:26:59,149 --> 00:26:55,080

colored and they were illuminated

637

00:27:03,529 --> 00:27:01,850

starting to turn dusk I just continued

638

00:27:05,870 --> 00:27:03,539

to stand there it just continued to

639

00:27:07,789 --> 00:27:05,880

stand there behind that tree

640

00:27:09,649 --> 00:27:07,799

it seemed to be apprehensive a little

641

00:27:12,529 --> 00:27:09,659

but it was staring at me and then it

642

00:27:15,289 --> 00:27:12,539

would look towards the fawn

643

00:27:17,570 --> 00:27:15,299

at one point I thought I saw it lifted's

644

00:27:19,730 --> 00:27:17,580

lip and the whole muzzle started to

645

00:27:21,350 --> 00:27:19,740

vibrate like it was trying not to Bear

646

00:27:24,350 --> 00:27:21,360

its teeth

647

00:27:26,990 --> 00:27:24,360

finally it got down on all four feet and

648

00:27:29,090 --> 00:27:27,000

started walking slowly to the fawn

649

00:27:31,010 --> 00:27:29,100

and it was almost there it swung its

650

00:27:33,110 --> 00:27:31,020

head in my direction and let out a low

651  
00:27:35,990 --> 00:27:33,120  
menacing growl

652  
00:27:39,169 --> 00:27:36,000  
at the same time it bared its teeth

653  
00:27:41,390 --> 00:27:39,179  
this animal was at least 400 pounds it

654  
00:27:44,149 --> 00:27:41,400  
could be even bigger but I'm afraid that

655  
00:27:46,430 --> 00:27:44,159  
the naysayers would call me a liar

656  
00:27:48,950 --> 00:27:46,440  
this animal is at least three to four

657  
00:27:52,190 --> 00:27:48,960  
times as big as a German Shepherd

658  
00:27:54,830 --> 00:27:52,200  
all the way around its head was huge

659  
00:27:57,890 --> 00:27:54,840  
but what really terrified me was when it

660  
00:28:00,169 --> 00:27:57,900  
sneered at me and went down for the fawn

661  
00:28:03,230 --> 00:28:00,179  
its teeth were at least three inches

662  
00:28:05,029 --> 00:28:03,240  
long sharp and jagged when it got to the

663  
00:28:09,470 --> 00:28:05,039

fall and I picked it up in its mouth and

664

00:28:14,029 --> 00:28:11,990

we didn't leave for walks after that we

665

00:28:16,730 --> 00:28:14,039

barely left the cabin when we did leave

666

00:28:19,549 --> 00:28:16,740

the last day we drove over to that tree

667

00:28:20,630 --> 00:28:19,559

and I got out and Stood Beside where it

668

00:28:22,789 --> 00:28:20,640

stood

669

00:28:24,769 --> 00:28:22,799

and I can see without a doubt it was

670

00:28:27,049 --> 00:28:24,779

well over six and a half to seven foot

671

00:28:29,029 --> 00:28:27,059

in height

672

00:28:30,649 --> 00:28:29,039

the group passed Linda Sasson on a

673

00:28:32,690 --> 00:28:30,659

second thought I asked Tanya to turn

674

00:28:34,130 --> 00:28:32,700

back around I wanted to tell them what

675

00:28:36,110 --> 00:28:34,140

we saw

676

00:28:38,390 --> 00:28:36,120

Melinda was genuinely concerned and

677

00:28:40,730 --> 00:28:38,400

seemed shocked to hear what we saw

678

00:28:42,230 --> 00:28:40,740

she appreciated that we thought enough

679

00:28:44,529 --> 00:28:42,240

to stop

680

00:28:47,690 --> 00:28:44,539

when we got home I called the landlord

681

00:28:49,610 --> 00:28:47,700

and he said straight away that you were

682

00:28:51,710 --> 00:28:49,620

warned to carry bear spray so I just

683

00:28:54,350 --> 00:28:51,720

left it at that

684

00:28:56,510 --> 00:28:54,360

I figured he thought we wanted our money

685

00:28:58,549 --> 00:28:56,520

back and that just wasn't the case so

686

00:29:00,350 --> 00:28:58,559

that's her story I'm pretty sure it

687

00:29:01,909 --> 00:29:00,360

wasn't a Bigfoot

688

00:29:03,169 --> 00:29:01,919

so anyway

689

00:29:06,950 --> 00:29:03,179

um

690

00:29:09,230 --> 00:29:06,960

so when I I listened to this

691

00:29:11,330 --> 00:29:09,240

my first thought was it could have been

692

00:29:12,769 --> 00:29:11,340

a case of lycanthropy since she had

693

00:29:15,470 --> 00:29:12,779

originally thought the first encounter

694

00:29:18,470 --> 00:29:15,480

with the Beast was actually branded

695

00:29:21,289 --> 00:29:18,480

and uh you know was this a shape-shift

696

00:29:24,470 --> 00:29:21,299

or was just a wolf of mange

697

00:29:25,370 --> 00:29:24,480

uh it did stand by peely at one point

698

00:29:27,289 --> 00:29:25,380

um

699

00:29:29,810 --> 00:29:27,299

could have been a cryptic canine even a

700

00:29:32,750 --> 00:29:29,820

dog man so I don't know

701  
00:29:36,169 --> 00:29:34,490  
you know I've heard strange things and

702  
00:29:37,909 --> 00:29:36,179  
that that's that's about as strange as

703  
00:29:39,889 --> 00:29:37,919  
it gets but you know

704  
00:29:42,230 --> 00:29:39,899  
he's like Anthony restore he's kind of

705  
00:29:45,230 --> 00:29:42,240  
Razor ugly head every once in a while

706  
00:29:48,049 --> 00:29:45,240  
and this could have very well been it

707  
00:29:50,389 --> 00:29:48,059  
so um

708  
00:29:52,730 --> 00:29:50,399  
this last account a Pennsylvania couple

709  
00:29:56,450 --> 00:29:52,740  
had a credible sighting of a Bigfoot in

710  
00:29:58,850 --> 00:29:56,460  
October 2022 while biking on ghost town

711  
00:30:02,330 --> 00:29:58,860  
trails in Cambria County

712  
00:30:04,490 --> 00:30:02,340  
uh the BFRO had also classified this as

713  
00:30:07,490 --> 00:30:04,500

a Class A sighting

714

00:30:10,430 --> 00:30:07,500

now the witness actually contacted me

715

00:30:12,649 --> 00:30:10,440

to tell me about this and she mentioned

716

00:30:15,049 --> 00:30:12,659

that she had actually talked to Matt

717

00:30:17,149 --> 00:30:15,059

Money Maker about this letting I don't

718

00:30:20,690 --> 00:30:17,159

know if he went out there or not but

719

00:30:23,029 --> 00:30:20,700

anyway on um October 5th 2022

720

00:30:27,169 --> 00:30:23,039

my boyfriend and I were biking on ghost

721

00:30:30,049 --> 00:30:27,179

town trails near Ebensburg Pennsylvania

722

00:30:32,149 --> 00:30:30,059

now as we came around a bin

723

00:30:35,570 --> 00:30:32,159

we were looking straight ahead when we

724

00:30:37,250 --> 00:30:35,580

saw a huge dark figure on the right side

725

00:30:39,110 --> 00:30:37,260

of the trail

726

00:30:41,269 --> 00:30:39,120

we looked at it it was looking straight

727

00:30:43,010 --> 00:30:41,279

at us it turned and stepped into the

728

00:30:45,289 --> 00:30:43,020

woods

729

00:30:47,630 --> 00:30:45,299

now we couldn't see the face clearly

730

00:30:50,210 --> 00:30:47,640

because of the dishes my boyfriend is

731

00:30:51,830 --> 00:30:50,220

6'5 and it was much bigger than him as

732

00:30:54,529 --> 00:30:51,840

he stepped off the trail there was a

733

00:30:56,389 --> 00:30:54,539

huge distance between its legs

734

00:30:57,889 --> 00:30:56,399

we finally stopped down the trail and

735

00:30:59,330 --> 00:30:57,899

we're saying we couldn't believe what we

736

00:31:02,149 --> 00:30:59,340

saw

737

00:31:05,149 --> 00:31:02,159

we were biking fast we went back to look

738

00:31:07,549 --> 00:31:05,159

for the tracks Etc but didn't see any as

739

00:31:09,049 --> 00:31:07,559

there were so many leaves at that time

740

00:31:10,909 --> 00:31:09,059

now my bike

741

00:31:12,769 --> 00:31:10,919

we bike there every day and look for

742

00:31:15,049 --> 00:31:12,779

more tracks and signs there were no

743

00:31:15,769 --> 00:31:15,059

signs or smells sounds or smells there

744

00:31:19,789 --> 00:31:15,779

was

745

00:31:21,649 --> 00:31:19,799

experienced you said I want to uh Stan

746

00:31:22,970 --> 00:31:21,659

Gordon talk a couple weeks ago very

747

00:31:25,549 --> 00:31:22,980

interesting

748

00:31:27,950 --> 00:31:25,559

we live in live in Pennsylvania so our

749

00:31:30,590 --> 00:31:27,960

bike riding will be on hold because of

750

00:31:33,289 --> 00:31:30,600

the ice and snow and cold

751  
00:31:34,750 --> 00:31:33,299  
like I said before there was a full

752  
00:31:37,789 --> 00:31:34,760  
report

753  
00:31:40,250 --> 00:31:37,799  
uh made by Matt money maker

754  
00:31:42,409 --> 00:31:40,260  
so if you want to go and look after his

755  
00:31:45,409 --> 00:31:42,419  
report and his thoughts on it you can

756  
00:31:48,230 --> 00:31:45,419  
find it on BFRO again it's um

757  
00:31:51,110 --> 00:31:48,240  
Ghost Town Trails Cambria County

758  
00:31:53,090 --> 00:31:51,120  
Pennsylvania's Class A study so that was

759  
00:31:54,230 --> 00:31:53,100  
an interesting sighting and uh you know

760  
00:31:55,370 --> 00:31:54,240  
we've been getting some pretty

761  
00:31:57,110 --> 00:31:55,380  
interesting sightings in Pennsylvania

762  
00:31:58,909 --> 00:31:57,120  
lately

763  
00:32:01,850 --> 00:31:58,919

so folks you got any questions put them

764

00:32:05,090 --> 00:32:01,860

up there and uh we'll see what uh I'll

765

00:32:09,049 --> 00:32:05,100

see if I can answer for you

766

00:32:11,269 --> 00:32:09,059

oh let's see Nancy Malcolm questioned do

767

00:32:12,950 --> 00:32:11,279

any Hunters use dog whistles when

768

00:32:15,529 --> 00:32:12,960

hunting dog man

769

00:32:17,090 --> 00:32:15,539

all of this when there was no sound the

770

00:32:20,210 --> 00:32:17,100

first different vibration different

771

00:32:22,190 --> 00:32:20,220

hearing options you know

772

00:32:24,169 --> 00:32:22,200

I don't know one person who actually

773

00:32:26,090 --> 00:32:24,179

goes out hunting for those things quite

774

00:32:29,330 --> 00:32:26,100

honest with you

775

00:32:32,330 --> 00:32:29,340

um but I know Butch didn't

776

00:32:34,610 --> 00:32:32,340

I don't know if I would uh

777

00:32:36,289 --> 00:32:34,620

if I was at a distance to where I

778

00:32:38,690 --> 00:32:36,299

thought it would be I don't know if I'd

779

00:32:40,610 --> 00:32:38,700

use that or not but um

780

00:32:42,529 --> 00:32:40,620

I I

781

00:32:44,990 --> 00:32:42,539

you would almost have to have something

782

00:32:46,909 --> 00:32:45,000

that you knew it sounded like or a call

783

00:32:49,850 --> 00:32:46,919

or you're just gonna get nothing I mean

784

00:32:51,769 --> 00:32:49,860

this thing isn't going to show up

785

00:32:53,630 --> 00:32:51,779

um I don't know but I have never heard

786

00:32:56,389 --> 00:32:53,640

of that maybe somebody else has heard of

787

00:32:59,690 --> 00:32:56,399

that using a whistle or when hunting or

788

00:33:04,310 --> 00:33:02,029

Stuart Kerry could the dog man possibly

789

00:33:05,930 --> 00:33:04,320

a be a type a Bigfoot you know we've

790

00:33:07,490 --> 00:33:05,940

thought about that I have thought about

791

00:33:10,909 --> 00:33:07,500

that

792

00:33:15,649 --> 00:33:13,730

we've had Bigfoot sightings where they

793

00:33:17,029 --> 00:33:15,659

look like they did have a bit of a snout

794

00:33:21,610 --> 00:33:17,039

on them

795

00:33:25,250 --> 00:33:21,620

uh I think some people may very well

796

00:33:27,169 --> 00:33:25,260

misidentify a dog man or for Bigfoot and

797

00:33:29,570 --> 00:33:27,179

vice versa

798

00:33:31,490 --> 00:33:29,580

I think it's very possible I've talked

799

00:33:34,190 --> 00:33:31,500

to Stan about this and I think he

800

00:33:35,149 --> 00:33:34,200

believes the same thing

801  
00:33:37,430 --> 00:33:35,159  
um

802  
00:33:39,950 --> 00:33:37,440  
but yeah it could definitely be a type

803  
00:33:43,190 --> 00:33:39,960  
of Bigfoot absolutely

804  
00:33:45,710 --> 00:33:43,200  
Martha Snyder Marla Snyder has do you

805  
00:33:48,470 --> 00:33:45,720  
think there is an attraction to the fire

806  
00:33:51,289 --> 00:33:48,480  
stations for some reason you're talking

807  
00:33:55,909 --> 00:33:53,509  
um I don't know you know these guys are

808  
00:33:56,990 --> 00:33:55,919  
there all the time so they're gonna see

809  
00:33:59,570 --> 00:33:57,000  
stuff

810  
00:34:02,810 --> 00:33:59,580  
uh you know there are other employees

811  
00:34:07,490 --> 00:34:02,820  
that are at the airport all the time

812  
00:34:10,570 --> 00:34:07,500  
in fact we're we're starting to possibly

813  
00:34:13,369 --> 00:34:10,580

we may possibly be getting some

814

00:34:16,129 --> 00:34:13,379

reports coming out of the terminal in

815

00:34:18,290 --> 00:34:16,139

the baggage areas soon too

816

00:34:20,089 --> 00:34:18,300

so people who are at the airport are

817

00:34:21,829 --> 00:34:20,099

working at the airport are seeing these

818

00:34:22,609 --> 00:34:21,839

things

819

00:34:24,710 --> 00:34:22,619

um

820

00:34:27,109 --> 00:34:24,720

so you know these firemen of course

821

00:34:28,730 --> 00:34:27,119

they're out there at all hours you know

822

00:34:31,389 --> 00:34:28,740

when they run their shifts some of them

823

00:34:34,369 --> 00:34:31,399

are there at staged for days

824

00:34:35,990 --> 00:34:34,379

uh I I think it's very possible that

825

00:34:38,750 --> 00:34:36,000

they would see them

826

00:34:42,050 --> 00:34:38,760

more so than other people would

827

00:34:43,909 --> 00:34:42,060

but uh yeah no I I don't think there's a

828

00:34:46,250 --> 00:34:43,919

track to the fire station itself I just

829

00:34:48,349 --> 00:34:46,260

think that they're it's it's a it's an

830

00:34:50,450 --> 00:34:48,359

opportunity for them to see them

831

00:34:53,210 --> 00:34:50,460

Jose Sanchez first time I heard about

832

00:34:56,690 --> 00:34:53,220

the MIB faces being blurred out very

833

00:34:58,550 --> 00:34:56,700

strange it does it does happen I have um

834

00:35:00,230 --> 00:34:58,560

had some old reports

835

00:35:03,710 --> 00:35:00,240

where people have actually been

836

00:35:06,050 --> 00:35:03,720

interviewed by these Men in Black

837

00:35:07,970 --> 00:35:06,060

most of the time when they're they see

838

00:35:10,430 --> 00:35:07,980

their faces or they see their hands

839

00:35:13,430 --> 00:35:10,440

they're kind of an owl skin color

840

00:35:15,410 --> 00:35:13,440

but I've had people actually tell me

841

00:35:17,089 --> 00:35:15,420

that when they have

842

00:35:19,970 --> 00:35:17,099

been interviewed

843

00:35:22,430 --> 00:35:19,980

that their faces would sometimes look

844

00:35:24,770 --> 00:35:22,440

like they're glitching out

845

00:35:27,170 --> 00:35:24,780

I don't understand that but I have had

846

00:35:29,270 --> 00:35:27,180

people tell me that

847

00:35:31,730 --> 00:35:29,280

maybe that's what this maybe this

848

00:35:33,370 --> 00:35:31,740

happened you know in this instance but I

849

00:35:37,010 --> 00:35:33,380

have heard that

850

00:35:38,930 --> 00:35:37,020

uh that would get me thinking more along

851  
00:35:41,210 --> 00:35:38,940  
the lines that maybe they're

852  
00:35:42,290 --> 00:35:41,220  
shapeshifters or alien beings or

853  
00:35:46,069 --> 00:35:42,300  
something

854  
00:35:48,170 --> 00:35:46,079  
other worldly beings so um

855  
00:35:50,990 --> 00:35:48,180  
who knows

856  
00:35:55,670 --> 00:35:51,000  
Tommy Cooper have you ever heard of a

857  
00:36:01,130 --> 00:35:58,010  
there have been instances when people

858  
00:36:07,069 --> 00:36:04,730  
felt like they're in a trance

859  
00:36:09,650 --> 00:36:07,079  
in the in when they're in front of a dog

860  
00:36:11,270 --> 00:36:09,660  
man or a upright canine

861  
00:36:13,430 --> 00:36:11,280  
um I've heard a couple Hunters tell us

862  
00:36:16,370 --> 00:36:13,440  
that that have been armed

863  
00:36:18,290 --> 00:36:16,380

I I guess as a defense mechanism to try

864

00:36:20,810 --> 00:36:18,300

to dispel

865

00:36:23,450 --> 00:36:20,820

them have had not having any idea taking

866

00:36:25,010 --> 00:36:23,460

a shot at them

867

00:36:26,810 --> 00:36:25,020

um

868

00:36:31,190 --> 00:36:26,820

I don't know

869

00:36:32,210 --> 00:36:31,200

plenty instances with Dawn and with

870

00:36:34,130 --> 00:36:32,220

Bigfoot

871

00:36:36,890 --> 00:36:34,140

uh even with

872

00:36:39,109 --> 00:36:36,900

um winged humanoids where people have um

873

00:36:41,270 --> 00:36:39,119

seemed to been in a trance or have been

874

00:36:42,890 --> 00:36:41,280

transfixed by it

875

00:36:45,349 --> 00:36:42,900

um I'm not necessarily saying there's

876

00:36:47,329 --> 00:36:45,359

mind speak involved but I think I think

877

00:36:49,250 --> 00:36:47,339

there is um

878

00:36:52,550 --> 00:36:49,260

I think they can be put in some type of

879

00:36:52,560 --> 00:36:55,270

um

880

00:37:01,310 --> 00:36:59,210

18 any ideas of what the Mothman may

881

00:37:03,109 --> 00:37:01,320

want with this area could it be

882

00:37:04,790 --> 00:37:03,119

something to do with the Lake Naval Base

883

00:37:07,310 --> 00:37:04,800

Airport

884

00:37:09,470 --> 00:37:07,320

well that's the that's the 68 000

885

00:37:10,910 --> 00:37:09,480

question I mean what are they doing

886

00:37:12,650 --> 00:37:10,920

there I think the airport I think

887

00:37:15,410 --> 00:37:12,660

there's something to do with the uh

888

00:37:18,530 --> 00:37:15,420

Cemetery at the airport

889

00:37:20,329 --> 00:37:18,540

uh I think there's

890

00:37:22,790 --> 00:37:20,339

I think these are portal Travelers I

891

00:37:24,410 --> 00:37:22,800

think these they move within uh

892

00:37:27,730 --> 00:37:24,420

dimensions

893

00:37:29,569 --> 00:37:27,740

and I think that that

894

00:37:32,510 --> 00:37:29,579

particular

895

00:37:34,550 --> 00:37:32,520

Cemetery Rest Haven Cemetery on the west

896

00:37:36,890 --> 00:37:34,560

side in the cargo areas

897

00:37:38,810 --> 00:37:36,900

is is a point entry for the most part

898

00:37:41,030 --> 00:37:38,820

for a lot of these sightings at the

899

00:37:42,470 --> 00:37:41,040

airport but it could be for a lot of the

900

00:37:44,450 --> 00:37:42,480

settings throughout that part of the

901  
00:37:46,670 --> 00:37:44,460  
city too and you know that western part

902  
00:37:50,329 --> 00:37:46,680  
of the city and out in the suburbs

903  
00:37:52,069 --> 00:37:50,339  
I I've always said that I believe

904  
00:37:53,990 --> 00:37:52,079  
that we're not doing with just one being

905  
00:37:55,609 --> 00:37:54,000  
I mean we're I think we're dealing with

906  
00:37:57,230 --> 00:37:55,619  
several beings

907  
00:37:59,870 --> 00:37:57,240  
and could they be coming in from

908  
00:38:02,990 --> 00:37:59,880  
multiple portals or could they be

909  
00:38:05,930 --> 00:38:03,000  
manifesting somehow yeah absolutely

910  
00:38:08,630 --> 00:38:05,940  
it's still an enigma to us I mean

911  
00:38:11,510 --> 00:38:08,640  
you know we we have theories

912  
00:38:13,730 --> 00:38:11,520  
but quite frankly that's exactly what

913  
00:38:15,050 --> 00:38:13,740

they are just there is at this point

914

00:38:18,589 --> 00:38:15,060

and um

915

00:38:21,470 --> 00:38:18,599

you know by us taking reports and and

916

00:38:23,210 --> 00:38:21,480

looking into each one of them

917

00:38:27,050 --> 00:38:23,220

you know there's going to be little

918

00:38:28,970 --> 00:38:27,060

variate variations and maybe one point

919

00:38:31,010 --> 00:38:28,980

we're going to get a decent answer out

920

00:38:35,270 --> 00:38:31,020

of that

921

00:38:37,609 --> 00:38:35,280

this goes to BC Hylan have there been

922

00:38:41,510 --> 00:38:37,619

accounts of crawler rig Prince

923

00:38:43,670 --> 00:38:41,520

Footprints thanks you know

924

00:38:45,650 --> 00:38:43,680

I had thought about that of course I

925

00:38:47,510 --> 00:38:45,660

wrote that book about it about the mean

926  
00:38:50,810 --> 00:38:47,520  
humanoids

927  
00:38:54,109 --> 00:38:50,820  
I I don't ever recall anybody mentioning

928  
00:38:54,119 --> 00:38:57,470  
and that is strange

929  
00:38:57,480 --> 00:39:00,109  
um

930  
00:39:03,589 --> 00:39:01,609  
you know we don't get much physical

931  
00:39:07,130 --> 00:39:03,599  
evidence from any Cryptids anyway and

932  
00:39:08,690 --> 00:39:07,140  
with these crawlers we get very little

933  
00:39:11,030 --> 00:39:08,700  
if any

934  
00:39:13,310 --> 00:39:11,040  
but footprints

935  
00:39:16,550 --> 00:39:13,320  
no

936  
00:39:18,349 --> 00:39:16,560  
they've seen them in trees and they

937  
00:39:20,450 --> 00:39:18,359  
break branches and

938  
00:39:21,829 --> 00:39:20,460

you know so they're physical beings I'm

939

00:39:23,870 --> 00:39:21,839

quite sure but

940

00:39:26,150 --> 00:39:23,880

is there I mean are there are they

941

00:39:27,890 --> 00:39:26,160

leaving Footprints I don't have I

942

00:39:29,870 --> 00:39:27,900

haven't had anybody tell me that they've

943

00:39:31,730 --> 00:39:29,880

seen them

944

00:39:34,810 --> 00:39:31,740

good question though

945

00:39:37,670 --> 00:39:34,820

uh Tamara

946

00:39:39,829 --> 00:39:37,680

0142 do you think the glowing eyes make

947

00:39:43,430 --> 00:39:39,839

these dog men paranormal

948

00:39:45,650 --> 00:39:43,440

yeah yeah I think they're Supernatural

949

00:39:47,630 --> 00:39:45,660

I think most Cryptids are

950

00:39:49,430 --> 00:39:47,640

you know when I say Supernatural I mean

951  
00:39:51,770 --> 00:39:49,440  
either Ultra terrestrial or they've got

952  
00:39:54,829 --> 00:39:51,780  
some type of Supernatural aspect to them

953  
00:39:56,810 --> 00:39:54,839  
that causes the illuminating eyes the

954  
00:39:59,450 --> 00:39:56,820  
forward Illuminating illumination coming

955  
00:40:03,050 --> 00:39:59,460  
from the eyes it's it's not a reflection

956  
00:40:06,170 --> 00:40:03,060  
or anything it's actually

957  
00:40:07,550 --> 00:40:06,180  
you know it's actually light exuding

958  
00:40:10,310 --> 00:40:07,560  
from these eyes you know when I

959  
00:40:12,170 --> 00:40:10,320  
encounter back cam kanawaga with the

960  
00:40:14,870 --> 00:40:12,180  
winged humanoid

961  
00:40:16,730 --> 00:40:14,880  
that that red light was coming out of

962  
00:40:19,670 --> 00:40:16,740  
the eyes

963  
00:40:21,410 --> 00:40:19,680

it wasn't you know it wasn't any type of

964

00:40:24,230 --> 00:40:21,420

um reflection because it was so dark

965

00:40:26,930 --> 00:40:24,240

there was no light on the eyes anyway

966

00:40:28,670 --> 00:40:26,940

and um

967

00:40:30,050 --> 00:40:28,680

you know we hear that all the time it

968

00:40:32,690 --> 00:40:30,060

doesn't have to be a red-eye being

969

00:40:35,210 --> 00:40:32,700

they're you know the dog man most of the

970

00:40:36,349 --> 00:40:35,220

time they're Amber or golden or yellow

971

00:40:38,870 --> 00:40:36,359

eyed

972

00:40:40,970 --> 00:40:38,880

and um yeah I don't think it's

973

00:40:43,849 --> 00:40:40,980

reflection with them I think I I think

974

00:40:45,290 --> 00:40:43,859

they have some ability to actually exude

975

00:40:48,349 --> 00:40:45,300

the light

976

00:40:49,550 --> 00:40:48,359

uh almost like little spotlights so yeah

977

00:40:51,710 --> 00:40:49,560

it makes I think it makes them

978

00:40:53,510 --> 00:40:51,720

Supernatural

979

00:41:00,470 --> 00:40:53,520

thanks for the question

980

00:41:03,950 --> 00:41:02,210

well I want to thank you all for coming
