00:02:28,729 --> 00:02:27,060
fans of Masters Fortune research team

30
00:02:30,290 --> 00:02:28,739
joined Missy and we're going to talk

31
00:02:32,330 --> 00:02:30,300
about a few things

32
00:02:34,190 --> 00:02:32,340
so I hope you enjoy it then we're going

33
00:02:37,250 --> 00:02:34,200
to start off Carter Bouchard who has

34
00:02:40,550 --> 00:02:37,260

a lifetime of rooming the woods Hills

72

00:04:15,589 --> 00:04:12,540

and howls LED Chad to develop his

73

00:04:17,990 --> 00:04:15,599

passion skills as a Woodsman

74

00:04:20,689 --> 00:04:18,000

very very much an avid lover of old

75

00:04:22,730 --> 00:04:20,699

traditional ways and old things he his

76
00:04:25,129 --> 00:04:22,740
love of the forest and mountains no no

77
00:04:27,710 --> 00:04:25,139
bounds for he has camped rambled

78
00:04:28,909 --> 00:04:27,720
gathered canoed and fished in all four

79
00:04:30,890 --> 00:04:28,919
seasons

80
00:04:33,290 --> 00:04:30,900
as a lover of the local history and

81
00:04:35,990 --> 00:04:33,300

85
00:04:44,689 --> 00:04:43,199
familiar podcast Chad has also an

86
00:04:46,370 --> 00:04:44,699
active member of fans of monsters

87
00:04:48,290 --> 00:04:46,380
Fortune research team

88
00:04:50,150 --> 00:04:48,300

Chad became the proprietor of rock

89

00:04:52,310 --> 00:04:50,160

rabbit Outdoors a company that supplies

90

00:04:55,790 --> 00:04:52,320

old style crafted curated and

91

00:04:59,090 --> 00:04:55,800

refurbished and super Surplus geared to

92

00:05:02,570 --> 00:04:59,100

the woods Oak community so gentlemen

93

00:05:07,550 --> 00:05:05,530

well you're quite welcome

94

00:05:10,850 --> 00:05:07,560

you're going to get everybody up here

95

00:05:13,730 --> 00:05:10,860

Vincent I guess he did okay good thanks

96

00:05:16,070 --> 00:05:13,740

for having me yeah I'm glad you all made

97

00:05:18,710 --> 00:05:16,080

it um

98

00:05:21,170 --> 00:05:18,720

it's been kind of busy I mean you know

99

00:05:23,330 --> 00:05:21,180

then when I see busy for me it's mostly

100

00:05:25,670 --> 00:05:23,340

what's going on in Chicago but I'm going

101
00:05:27,409 --> 00:05:25,680
to go around the horn here uh Carter

102
00:05:29,749 --> 00:05:27,419
give us an idea of what you've been up

103
00:05:34,189 --> 00:05:29,759
to what you've been looking to recently

104
00:05:37,370 --> 00:05:34,199
well uh my habituation uh properties I

105
00:05:41,810 --> 00:05:37,380
manage uh or monitor let's just say four

106
00:05:46,070 --> 00:05:41,820
of them and one of them is off the

107
00:05:49,810 --> 00:05:46,080
charts crazy busy it's kept me it can be

108
00:05:52,070 --> 00:05:49,820
pretty busy since July when they had all

109
00:05:55,550 --> 00:05:52,080
still do have a lot of stuff going on

110
00:05:57,409 --> 00:05:55,560
but it uh that's been occupied most of

111
00:05:58,850 --> 00:05:57,419
my time and I just released my book so I

112
00:06:00,170 --> 00:05:58,860
just finished it

113
00:06:02,749 --> 00:06:00,180

uh

114

00:06:05,150 --> 00:06:02,759

three weeks ago I mean I literally I've

115

00:06:06,830 --> 00:06:05,160

been working on it since October and so

116

00:06:08,870 --> 00:06:06,840

I just got done with that so you know

117

00:06:13,129 --> 00:06:08,880

the winter I just kind of hibernated and

118

00:06:15,529 --> 00:06:13,139

wrote and monitored this uh bizarre

119

00:06:18,230 --> 00:06:15,539

place I have oh there's another one

120

00:06:21,770 --> 00:06:18,240

that's the other place I'm monitoring uh

121

00:06:23,749 --> 00:06:21,780

that's crazy right now uh that's uh I

122

00:06:27,409 --> 00:06:23,759

can't tell you where it is but

123

00:06:29,390 --> 00:06:27,419

um that book cover right there uh that's

124

00:06:32,270 --> 00:06:29,400

got a lot a very interesting story

125

00:06:33,409 --> 00:06:32,280

behind it the basically uh there's four

126
00:06:36,110 --> 00:06:33,419
seconds

127
00:06:38,689 --> 00:06:36,120
between

128
00:06:40,309 --> 00:06:38,699
the hunter the landowner walking

129
00:06:42,650 --> 00:06:40,319
checking his cameras

130
00:06:45,890 --> 00:06:42,660
four seconds later that Sasquatch

131
00:06:48,050 --> 00:06:45,900
appeared right isn't that right yeah

132
00:06:51,969 --> 00:06:48,060
look at the time date stamp it's like a

133
00:06:56,570 --> 00:06:51,979
3 12 in the afternoon and

134
00:07:00,730 --> 00:06:56,580
36 seconds the handprint is 312

135
00:07:06,230 --> 00:07:03,830
interesting it's the same place you can

136
00:07:08,210 --> 00:07:06,240
see the shadow beneath the hand you can

137
00:07:10,129 --> 00:07:08,220
see the shadow beneath the uh the hunter

138
00:07:11,809 --> 00:07:10,139

you can see the log laying in the

139

00:07:15,670 --> 00:07:11,819

background you see the log laying in the

140

00:07:17,990 --> 00:07:15,680

background there uh

141

00:07:21,469 --> 00:07:18,000

I've been there I've been there twice

142

00:07:23,270 --> 00:07:21,479

you know and uh I think Hulu actually we

143

00:07:27,909 --> 00:07:23,280

we taped the show that never was going

144

00:07:32,570 --> 00:07:30,290

mostly due to infighting with the

145

00:07:34,490 --> 00:07:32,580

production people I mean it was just it

146

00:07:37,249 --> 00:07:34,500

was a mess you know it's a it's a long

147

00:07:40,610 --> 00:07:37,259

story I mean it's very nice been there

148

00:07:43,730 --> 00:07:40,620

yeah you know uh you know somebody took

149

00:07:47,150 --> 00:07:43,740

over uh the uh filming

150

00:07:49,249 --> 00:07:47,160

uh halfway through and it screwed it all

151
00:07:51,230 --> 00:07:49,259
up so anyway but uh so that's what I've

152
00:07:53,089 --> 00:07:51,240
been doing the last six eight months is

153
00:07:55,370 --> 00:07:53,099
finishing that book right there you're

154
00:07:58,430 --> 00:07:55,380
looking at and there's something really

155
00:08:01,309 --> 00:07:58,440
awesome stories in there among others

156
00:08:03,650 --> 00:08:01,319
but uh uh that's what I've been up to

157
00:08:06,830 --> 00:08:03,660
pretty crazy stuff though actually it's

158
00:08:11,870 --> 00:08:06,840
it's pretty exciting you know

159
00:08:17,390 --> 00:08:11,880
and uh so uh uh they have ongoing

160
00:08:18,730 --> 00:08:17,400
activity they had chased a Sasquatch out

161
00:08:22,850 --> 00:08:18,740
of

162
00:08:30,890 --> 00:08:25,249
Quonset hut I'll call it it's they have

163
00:08:33,529 --> 00:08:30,900

three uh big buildings that are uh

164

00:08:35,690 --> 00:08:33,539

basically uh

165

00:08:38,089 --> 00:08:35,700

what do you call them they're they're

166

00:08:39,949 --> 00:08:38,099

vegetable growing uh they're growing

167

00:08:43,430 --> 00:08:39,959

vegetables in the winter so there's

168

00:08:47,630 --> 00:08:43,440

three uh basically uh tents in a row

169

00:08:50,750 --> 00:08:47,640

they're long uh tents uh with arched

170

00:08:56,710 --> 00:08:50,760

roof and uh you know heavy plastic got

171

00:08:58,550 --> 00:08:56,720

heaters in them uh to grow but they uh

172

00:09:01,490 --> 00:08:58,560

they have

173

00:09:03,710 --> 00:09:01,500

five or six Sasquatch monitoring their

174

00:09:06,949 --> 00:09:03,720

property they're standing there watching

175

00:09:09,170 --> 00:09:06,959

them literally standing behind the tree

176

00:09:11,690 --> 00:09:09,180

or standing out next to the tree just

177

00:09:14,150 --> 00:09:11,700

watching my people

178

00:09:17,410 --> 00:09:14,160

work their land I mean they're just they

179

00:09:19,610 --> 00:09:17,420

have no fear and this is in Missouri

180

00:09:21,410 --> 00:09:19,620

uh yeah

181

00:09:25,130 --> 00:09:21,420

yeah I can't say I can't say wherever

182

00:09:26,930 --> 00:09:25,140

yeah I I get it yeah I understand yeah

183

00:09:29,590 --> 00:09:26,940

that's Missouri here's here's the thing

184

00:09:33,590 --> 00:09:29,600

uh the

185

00:09:40,670 --> 00:09:37,670

has had two sightings class A's and now

186

00:09:42,949 --> 00:09:40,680

he has the son and two or three other

187

00:09:46,130 --> 00:09:42,959

Sons

188

00:09:48,470 --> 00:09:46,140

and they all have activity on their

189

00:09:49,850 --> 00:09:48,480

respective properties

190

00:09:53,509 --> 00:09:49,860

and so

191

00:09:55,550 --> 00:09:53,519

it's just crazy you know I mean you know

192

00:09:58,070 --> 00:09:55,560

I went and met everybody and there was

193

00:09:59,509 --> 00:09:58,080

like nine people in there I I couldn't I

194

00:10:01,550 --> 00:09:59,519

couldn't believe it they all just show

195

00:10:04,130 --> 00:10:01,560

me all these pictures and photos and

196

00:10:06,050 --> 00:10:04,140

stuff and I'm just oh my God

197

00:10:08,930 --> 00:10:06,060

I think I just hit the Powerball my

198

00:10:11,150 --> 00:10:08,940

goodness it was really it was awesome I

199

00:10:13,370 --> 00:10:11,160

mean they were just so energetic and

200

00:10:14,930 --> 00:10:13,380

excited and to have somebody down there

201
00:10:16,550 --> 00:10:14,940
you know and uh you know the the

202
00:10:18,310 --> 00:10:16,560
neighborhood has kind of ostracized them

203
00:10:21,970 --> 00:10:18,320
a little bit where they live

204
00:10:25,730 --> 00:10:21,980
but uh the stories are just

205
00:10:27,350 --> 00:10:25,740
Fantastical you know so

206
00:10:29,570 --> 00:10:27,360
um I've been down there twice and I'm

207
00:10:31,730 --> 00:10:29,580
going back again because we got to

208
00:10:32,509 --> 00:10:31,740
figure out a way to get uh camera traps

209
00:10:35,630 --> 00:10:32,519
set

210
00:10:39,050 --> 00:10:35,640
uh but some of the if we have time later

211
00:10:41,449 --> 00:10:39,060
maybe uh some of the photos uh okay I've

212
00:10:43,630 --> 00:10:41,459
sent them to uh Vince so he's got them

213
00:10:47,690 --> 00:10:43,640

but anyway that's what I've been up to

214

00:10:49,850 --> 00:10:47,700

okay finish the book and uh this thing

215

00:10:52,190 --> 00:10:49,860

fell in my lap as I was halfway through

216

00:10:55,550 --> 00:10:52,200

the book I mean I didn't even know these

217

00:10:58,310 --> 00:10:55,560

people right so a former witness who's

218

00:11:00,710 --> 00:10:58,320

knows them you know he's had two

219

00:11:03,470 --> 00:11:00,720

Sasquatch he's at two of my reports are

220

00:11:04,970 --> 00:11:03,480

class A visual face-to-face encounters

221

00:11:06,590 --> 00:11:04,980

with the Sasquatch you know one when he

222

00:11:09,350 --> 00:11:06,600

was up in a blind and when he was just

223

00:11:11,329 --> 00:11:09,360

standing there face to face you know 30

224

00:11:13,730 --> 00:11:11,339

40 feet away from each other this is

225

00:11:15,710 --> 00:11:13,740

crazy stuff but these people are

226
00:11:19,910 --> 00:11:15,720
attracted

227
00:11:23,750 --> 00:11:19,920
to these simple hard-working folks you

228
00:11:26,569 --> 00:11:23,760
know they they don't kill for sport they

229
00:11:30,530 --> 00:11:26,579
kill to feed their families

230
00:11:33,410 --> 00:11:30,540
um they they have Sasquatch on their

231
00:11:35,870 --> 00:11:33,420
property monitoring what's going on this

232
00:11:39,310 --> 00:11:35,880
family that uh where I got this here in

233
00:11:42,410 --> 00:11:39,320
Missouri they have three family members

234
00:11:46,730 --> 00:11:42,420
each with their own activity on their

235
00:11:48,110 --> 00:11:46,740
own properties so there's like and

236
00:11:50,569 --> 00:11:48,120
they're all related or know each other

237
00:11:52,610 --> 00:11:50,579
very well so there's like five people

238
00:11:56,150 --> 00:11:52,620

five separate properties all within

239

00:11:58,910 --> 00:11:56,160

about three or four mile area uh having

240

00:12:00,050 --> 00:11:58,920

all sorts of just crazy stuff I mean

241

00:12:02,090 --> 00:12:00,060

it's just

242

00:12:04,670 --> 00:12:02,100

they walk around like they they own the

243

00:12:07,970 --> 00:12:04,680

place and they do I mean they come and

244

00:12:11,810 --> 00:12:07,980

go you can watch them watching them you

245

00:12:13,730 --> 00:12:11,820

know it's it's just bizarre but that's

246

00:12:18,170 --> 00:12:13,740

what it's like when you're in a rural

247

00:12:20,750 --> 00:12:18,180

area in these Sasquatch trust you they

248

00:12:23,329 --> 00:12:20,760

come and they go the people come and go

249

00:12:24,769 --> 00:12:23,339

they took pictures they you know they

250

00:12:26,990 --> 00:12:24,779

try to take pictures I've got some

251
00:12:29,569 --> 00:12:27,000
pretty good photos uh which you might

252
00:12:33,590 --> 00:12:29,579
see later but it's just uh it's just

253
00:12:37,670 --> 00:12:33,600
bizarre and phenomenal that these beings

254
00:12:39,650 --> 00:12:37,680
there's five Sasquatch on that property

255
00:12:40,910 --> 00:12:39,660
that I'm speaking of

256
00:12:43,490 --> 00:12:40,920
and they

257
00:12:45,829 --> 00:12:43,500
they this they they see them all the

258
00:12:46,910 --> 00:12:45,839
time daily if they want to I mean it's

259
00:12:48,350 --> 00:12:46,920
just

260
00:12:51,290 --> 00:12:48,360
because they're in the middle of nowhere

261
00:12:52,370 --> 00:12:51,300
it's fantastic you know it's this is one

262
00:12:56,030 --> 00:12:52,380
of the best

263
00:12:58,250 --> 00:12:56,040

habituation families I've met so far and

264

00:12:59,990 --> 00:12:58,260

I've got two or three others that are

265

00:13:01,730 --> 00:13:00,000

pretty much off the charts but this

266

00:13:03,129 --> 00:13:01,740

one's this one's starting to take the

267

00:13:06,949 --> 00:13:03,139

cake we only see some of those photos

268

00:13:11,509 --> 00:13:06,959

it's mind-blowing anyway

269

00:13:13,910 --> 00:13:11,519

well um now Thomas and and Chad uh are

270

00:13:16,310 --> 00:13:13,920

part of the Pennsylvania team here and

271

00:13:18,170 --> 00:13:16,320

uh they've been doing some things I

272

00:13:21,050 --> 00:13:18,180

don't know if Chad's had a case that

273

00:13:22,910 --> 00:13:21,060

he's been part of one but uh which we're

274

00:13:26,269 --> 00:13:22,920

gonna look into I'm gonna talk about but

275

00:13:28,490 --> 00:13:26,279

Thomas he had an investigation up in

276

00:13:31,370 --> 00:13:28,500

Cambria County so why don't you give us

277

00:13:35,569 --> 00:13:31,380

a an Overlook of what you you saw up

278

00:13:37,310 --> 00:13:35,579

there well we went up there uh twice I

279

00:13:40,190 --> 00:13:37,320

went up in the spring

280

00:13:42,949 --> 00:13:40,200

and then later on in the summer in the

281

00:13:46,610 --> 00:13:42,959

first the first one in the spring

282

00:13:50,629 --> 00:13:46,620

we had actually found a several day old

283

00:13:52,190 --> 00:13:50,639

uh Bigfoot print and the witnesses there

284

00:13:56,090 --> 00:13:52,200

had

285

00:13:59,269 --> 00:13:56,100

uh several encounters over a short span

286

00:14:01,129 --> 00:13:59,279

in that very area and have had many

287

00:14:03,710 --> 00:14:01,139

encounters over the years which the

288

00:14:05,629 --> 00:14:03,720

Wilmore the Wilmore Reservoir site kind

289

00:14:08,389 --> 00:14:05,639
of seems to be a hotbed

290

00:14:11,810 --> 00:14:08,399
for canines now we

291

00:14:15,470 --> 00:14:11,820
I didn't find any sign of canines but we

292

00:14:17,210 --> 00:14:15,480
did see sign of Bigfoot uh they they had

293

00:14:19,370 --> 00:14:17,220
said that whatever it was they didn't

294

00:14:21,949 --> 00:14:19,380
see it they could hear it it was

295

00:14:24,530 --> 00:14:21,959
definitely walking on two legs

296

00:14:26,569 --> 00:14:24,540
and it more or less seemed to be just

297

00:14:29,389 --> 00:14:26,579
following around checking them out

298

00:14:30,949 --> 00:14:29,399
it never never did anything to have

299

00:14:32,449 --> 00:14:30,959
never bothered them

300

00:14:34,910 --> 00:14:32,459
uh

301
00:14:36,710 --> 00:14:34,920
but we went back in the summer and and

302
00:14:40,550 --> 00:14:36,720
found no

303
00:14:42,949 --> 00:14:40,560
no definitive sign there so I I'm of the

304
00:14:44,569 --> 00:14:42,959
belief that maybe the spring is more

305
00:14:48,290 --> 00:14:44,579
likely for them

306
00:14:50,210 --> 00:14:48,300
a migration of some sorts maybe that

307
00:14:54,470 --> 00:14:50,220
they come and go

308
00:14:56,750 --> 00:14:54,480
yeah in fact that area is well known for

309
00:14:58,550 --> 00:14:56,760
cryptic canines I mean we like I said I

310
00:15:00,350 --> 00:14:58,560
I told you earlier we've had

311
00:15:02,090 --> 00:15:00,360
well including what you looked into

312
00:15:04,670 --> 00:15:02,100
that's four sightings up there on that

313
00:15:06,530 --> 00:15:04,680

Reservoir that's Wilmore Reservoir and

314

00:15:10,189 --> 00:15:06,540

that's just north of Portage isn't it

315

00:15:12,710 --> 00:15:10,199

yeah well that area up there it's more

316

00:15:16,670 --> 00:15:12,720

west of Portage tonight but it's it's

317

00:15:19,370 --> 00:15:16,680

all within a couple mile area

318

00:15:21,250 --> 00:15:19,380

and it's it's very heavily wooded

319

00:15:23,990 --> 00:15:21,260

there's not much there of all Farmland

320

00:15:26,090 --> 00:15:24,000

like in fact we've never when we were

321

00:15:27,769 --> 00:15:26,100

there in the spring even uh Bernadette

322

00:15:29,689 --> 00:15:27,779

had

323

00:15:31,910 --> 00:15:29,699

an experience of something we're not

324

00:15:35,810 --> 00:15:31,920

sure what she could hear like something

325

00:15:38,509 --> 00:15:35,820

rushed up on her yeah I remember I

326

00:15:40,610 --> 00:15:38,519

I didn't hear it I was I was off to the

327

00:15:42,530 --> 00:15:40,620

woods a little bit and it

328

00:15:44,230 --> 00:15:42,540

whatever it was we never saw it but she

329

00:15:46,790 --> 00:15:44,240

said it was it was big

330

00:15:48,590 --> 00:15:46,800

like it was trying to just scare us out

331

00:15:49,610 --> 00:15:48,600

of there

332

00:15:52,310 --> 00:15:49,620

though

333

00:15:54,110 --> 00:15:52,320

well you know Butch uh Butch

334

00:15:55,670 --> 00:15:54,120

investigated a few of the sightings up

335

00:15:57,650 --> 00:15:55,680

there and in Portage we had three

336

00:16:01,550 --> 00:15:57,660

sightings right in Portage

337

00:16:04,310 --> 00:16:01,560

uh back in 20

338

00:16:06,769 --> 00:16:04,320

to 14 15 around that time

339

00:16:08,629 --> 00:16:06,779

uh then up there at the Wilmore

340

00:16:10,310 --> 00:16:08,639

Reservoir and this is all in Cambria

341

00:16:13,550 --> 00:16:10,320

County

342

00:16:16,069 --> 00:16:13,560

um we had a white

343

00:16:18,110 --> 00:16:16,079

cryptic canine sighting

344

00:16:19,430 --> 00:16:18,120

and it could I mean you know that's what

345

00:16:22,670 --> 00:16:19,440

they said it was it could have even been

346

00:16:25,189 --> 00:16:22,680

a Bigfoot I don't know but um you know I

347

00:16:27,290 --> 00:16:25,199

I do know we have had cases you know we

348

00:16:28,790 --> 00:16:27,300

had sightings up or reported to us and

349

00:16:30,710 --> 00:16:28,800

I've talked to um

350

00:16:32,569 --> 00:16:30,720

and I've talked to Stan about it he's

351

00:16:34,310 --> 00:16:32,579

also heard a few things up there so yeah

352

00:16:38,150 --> 00:16:34,320

Cambridge county is kind of a hot spot

353

00:16:41,629 --> 00:16:38,160

for us yeah another Witnesses they said

354

00:16:43,850 --> 00:16:41,639

their their family had had experiences

355

00:16:46,670 --> 00:16:43,860

uh for years even they said their father

356

00:16:50,990 --> 00:16:46,680

had seen a winged humanoid right at the

357

00:16:53,689 --> 00:16:51,000

reservoir itself years ago yeah

358

00:16:56,689 --> 00:16:53,699

don't surprise me

359

00:16:59,329 --> 00:16:56,699

so Chad oh what you been up to I I know

360

00:17:01,790 --> 00:16:59,339

you uh you know we we've been we've

361

00:17:04,850 --> 00:17:01,800

talked before uh you and I were at that

362

00:17:08,990 --> 00:17:04,860

uh Bigfoot meeting up by uh Biglerville

363

00:17:11,210 --> 00:17:09,000

up the other side of uh misho uh so what

364

00:17:14,329 --> 00:17:11,220

you've been looking into lately

365

00:17:16,490 --> 00:17:14,339

well back in October I went camping up

366

00:17:19,189 --> 00:17:16,500

in Tuscarora State Forest which is about

367

00:17:22,370 --> 00:17:19,199

an hour and a half north from where I'm

368

00:17:24,590 --> 00:17:22,380

located in York County yeah and I had I

369

00:17:27,770 --> 00:17:24,600

had a friend of mine well two friends of

370

00:17:31,010 --> 00:17:27,780

mine come from uh down from Canada

371

00:17:32,630 --> 00:17:31,020

and uh it was for their podcast and

372

00:17:34,970 --> 00:17:32,640

partially for ours

373

00:17:36,230 --> 00:17:34,980

and we spent basically two nights and

374

00:17:38,810 --> 00:17:36,240

three days

375

00:17:41,390 --> 00:17:38,820

in this place known as uh pandemonium

376

00:17:43,549 --> 00:17:41,400

which is listed as a ghost town

377

00:17:46,669 --> 00:17:43,559

literally as a ghost town

378

00:17:48,789 --> 00:17:46,679

it used to also be an old CCC camp

379

00:17:51,169 --> 00:17:48,799

and within those two nights we had

380

00:17:52,190 --> 00:17:51,179

multiple phenomenon

381

00:17:54,470 --> 00:17:52,200

um

382

00:17:57,710 --> 00:17:54,480

we actually had

383

00:17:59,330 --> 00:17:57,720

on the last night well the first night a

384

00:18:00,950 --> 00:17:59,340

friend of mine was sleeping in his tent

385

00:18:02,930 --> 00:18:00,960

he had something actually poked through

386

00:18:06,350 --> 00:18:02,940

his tent and rubbed the bottom of his

387

00:18:08,630 --> 00:18:06,360

foot which was quite interesting we had

388

00:18:11,270 --> 00:18:08,640

one or two

389

00:18:14,690 --> 00:18:11,280

Uh Wood knocks I guess you could say or

390

00:18:16,669 --> 00:18:14,700

bangs on trees they weren't actual tree

391

00:18:19,130 --> 00:18:16,679

noises we know we know what the tree

392

00:18:22,130 --> 00:18:19,140

noises we had the four guys that were

393

00:18:24,110 --> 00:18:22,140

counting me that were in this

394

00:18:26,150 --> 00:18:24,120

that were in this that were we were all

395

00:18:29,810 --> 00:18:26,160

camping together were all very

396

00:18:32,750 --> 00:18:29,820

experienced outdoorsmen all four of us

397

00:18:36,650 --> 00:18:32,760

so we had a lot of knowledge in that

398

00:18:38,810 --> 00:18:36,660

camp of different regions my friend

399

00:18:41,750 --> 00:18:38,820

Caleb who was from Canada he's been to

400

00:18:45,169 --> 00:18:41,760

the Amazon he's been out to Wyoming

401

00:18:48,350 --> 00:18:45,179

he's been to various places

402

00:18:50,930 --> 00:18:48,360

and um a lot of the the noises we heard

403

00:18:52,789 --> 00:18:50,940

we couldn't explain

404

00:18:54,650 --> 00:18:52,799

on the second night we actually had

405

00:18:56,590 --> 00:18:54,660

something come into camp and we saw it

406

00:19:01,250 --> 00:18:56,600

on the edge of the fire light

407

00:19:03,770 --> 00:19:01,260

the lantern light we had going it was

408

00:19:06,049 --> 00:19:03,780

huge and gray it actually came up behind

409

00:19:09,169 --> 00:19:06,059

my friend Tom's tent

410

00:19:12,470 --> 00:19:09,179

which was pretty darn spooky and then we

411

00:19:14,450 --> 00:19:12,480

had a lot of uh also the typical uh High

412

00:19:17,750 --> 00:19:14,460

strangeness phenomenon

413

00:19:21,110 --> 00:19:17,760

whites in the woods stuff like that

414

00:19:25,370 --> 00:19:21,120

didn't really hear any uh calls though

415

00:19:28,310 --> 00:19:25,380

me and Tim had camped in that area

416

00:19:31,669 --> 00:19:28,320

I think three years ago

417

00:19:34,430 --> 00:19:31,679

two or three years ago and we had we

418

00:19:37,070 --> 00:19:34,440

actually had uh calls in that area me

419

00:19:38,950 --> 00:19:37,080

and Tim were woken up by multiple wooden

420

00:19:41,690 --> 00:19:38,960

wood knocks that night

421

00:19:43,730 --> 00:19:41,700

uh on the second night like I said we

422

00:19:45,230 --> 00:19:43,740

had something come in the camp we

423

00:19:47,870 --> 00:19:45,240

decided that we were going to walk to

424

00:19:50,450 --> 00:19:47,880

Perimeter to try and you know establish

425

00:19:53,390 --> 00:19:50,460

a perimeter and my friend Caleb is

426

00:19:56,570 --> 00:19:53,400

actually indigenous Canadian

427

00:19:57,950 --> 00:19:56,580

and uh we saw multiple things moving up

428

00:19:59,630 --> 00:19:57,960

and down the hill

429

00:20:01,370 --> 00:19:59,640

because it was it was Moonlight you can

430

00:20:02,570 --> 00:20:01,380

see these things moving up and down we

431

00:20:04,070 --> 00:20:02,580

were camped on the side of a mountain

432

00:20:06,650 --> 00:20:04,080

and you could see it moving up and down

433

00:20:08,330 --> 00:20:06,660

the Mountainside down into a swamp down

434

00:20:10,370 --> 00:20:08,340

below us

435

00:20:12,830 --> 00:20:10,380

we ended up seeing this huge light we

436

00:20:16,490 --> 00:20:12,840

have no idea what it was it was it was

437

00:20:18,770 --> 00:20:16,500

bright it was I was

438

00:20:21,770 --> 00:20:18,780

I would say almost from my perspective

439

00:20:24,169 --> 00:20:21,780

for the distance it was probably about

440

00:20:26,150 --> 00:20:24,179

I would guess

441

00:20:27,650 --> 00:20:26,160

quarter of a mile away or something like

442

00:20:28,970 --> 00:20:27,660

that but you could see it lit up the

443

00:20:30,770 --> 00:20:28,980

whole Woods it was just look it looked

444

00:20:32,630 --> 00:20:30,780

like somebody was had a spotlight

445

00:20:34,850 --> 00:20:32,640

through a crystal and there was multiple

446

00:20:36,470 --> 00:20:34,860

beams coming up and you could just see

447

00:20:38,029 --> 00:20:36,480

it traveling through the woods down in

448

00:20:40,250 --> 00:20:38,039

the valley which was basically a swamp

449

00:20:42,529 --> 00:20:40,260

it was just this big bright white light

450

00:20:44,230 --> 00:20:42,539

there was nobody in that area at all

451
00:20:47,270 --> 00:20:44,240
there's no roads that go through there

452
00:20:50,390 --> 00:20:47,280
the the trees and the bushes were all

453
00:20:53,270 --> 00:20:50,400
lit up by this and then it just went out

454
00:20:55,370 --> 00:20:53,280
and then this this you'll like uh

455
00:20:57,350 --> 00:20:55,380
towards the end there's a spot where it

456
00:20:59,450 --> 00:20:57,360
kind of comes down it evens out and then

457
00:21:01,490 --> 00:20:59,460
there's a rock formations and it drops

458
00:21:03,590 --> 00:21:01,500
down I don't want to say a cliff but

459
00:21:05,390 --> 00:21:03,600
it's like a steep drop down into the uh

460
00:21:07,610 --> 00:21:05,400
where the swamp is where the creek runs

461
00:21:10,310 --> 00:21:07,620
through the valley and this is a this is

462
00:21:12,289 --> 00:21:10,320
a narrow Valley between two mountains

463
00:21:14,930 --> 00:21:12,299

and uh

464

00:21:18,350 --> 00:21:14,940

he saw what he said

465

00:21:20,810 --> 00:21:18,360

it's all something humanoid stand up

466

00:21:23,090 --> 00:21:20,820

lift its arms up or wings and then just

467

00:21:26,750 --> 00:21:23,100

go straight up into the sky is that

468

00:21:29,330 --> 00:21:26,760

right yes and all this was over the

469

00:21:32,390 --> 00:21:29,340

course of basically two days and three

470

00:21:34,370 --> 00:21:32,400

nights uh during the day we we thought

471

00:21:37,669 --> 00:21:34,380

we'd seen some weird rhombus shapes

472

00:21:38,450 --> 00:21:37,679

moving through the woods

473

00:21:41,270 --> 00:21:38,460

um

474

00:21:45,049 --> 00:21:41,280

up in the uh trees

475

00:21:47,029 --> 00:21:45,059

so which was kind of bizarre but we had

476
00:21:50,690 --> 00:21:47,039
that uh

477
00:21:52,250 --> 00:21:50,700
we have there's just one encounter down

478
00:21:54,169 --> 00:21:52,260
below York

479
00:21:55,490 --> 00:21:54,179
and Lake Redmond that we're going to be

480
00:21:58,430 --> 00:21:55,500
checking into

481
00:22:00,890 --> 00:21:58,440
a man had a an encounter with a

482
00:22:02,810 --> 00:22:00,900
Sasquatch which is pretty unusual

483
00:22:05,930 --> 00:22:02,820
because you know that area it's not Deep

484
00:22:10,130 --> 00:22:05,940
Woods at all well but I we have had

485
00:22:11,090 --> 00:22:10,140
sightings down there and uh uh there's a

486
00:22:12,590 --> 00:22:11,100
um

487
00:22:14,390 --> 00:22:12,600
for people who don't know York

488
00:22:16,730 --> 00:22:14,400

Pennsylvania you know it's it's just

489

00:22:19,310 --> 00:22:16,740

north of Maryland line but down there

490

00:22:22,310 --> 00:22:19,320

Lake Redmond I guess that's the water

491

00:22:24,110 --> 00:22:22,320

reservoir for York City yeah it's one of

492

00:22:26,149 --> 00:22:24,120

one of the reservoirs is actually like

493

00:22:29,149 --> 00:22:26,159

two or three lakes that kind of join

494

00:22:31,730 --> 00:22:29,159

each other right and it's kind of

495

00:22:34,070 --> 00:22:31,740

State Park lines or county park lands

496

00:22:36,470 --> 00:22:34,080

well there have been there had been a

497

00:22:38,870 --> 00:22:36,480

lot of sightings even down closer to and

498

00:22:41,090 --> 00:22:38,880

you know Tim knows this because Tim went

499

00:22:43,190 --> 00:22:41,100

down to Maryland so he he knows there's

500

00:22:46,789 --> 00:22:43,200

been a lot of sightings near the uh

501
00:22:48,529 --> 00:22:46,799
Mason-Dixon line and uh yeah we get a

502
00:22:50,630 --> 00:22:48,539
lot of crazy stuff around here well

503
00:22:53,090 --> 00:22:50,640
we've had a lot of activities down in

504
00:22:56,390 --> 00:22:53,100
there yeah especially especially in the

505
00:22:58,610 --> 00:22:56,400
one spot we call because these Woods

506
00:23:03,770 --> 00:22:58,620
um uh I just recently just this weekend

507
00:23:07,909 --> 00:23:03,780
had a gentleman contact me and he had a

508
00:23:10,250 --> 00:23:07,919
a sighting back in 2008 in Michelle stay

509
00:23:11,510 --> 00:23:10,260
forced which you know is one of my is

510
00:23:15,470 --> 00:23:11,520
one of my

511
00:23:18,110 --> 00:23:15,480
normal rambling spots and now this is

512
00:23:21,110 --> 00:23:18,120
older but basically he was camping down

513
00:23:22,330 --> 00:23:21,120

in a ridge and and he was one of these

514

00:23:24,950 --> 00:23:22,340

guys that do the Long Hunter

515

00:23:26,930 --> 00:23:24,960

reenactments so basically they were

516

00:23:29,270 --> 00:23:26,940

sleeping that with with wool blankets by

517

00:23:31,390 --> 00:23:29,280

a long fire so there was no tent or

518

00:23:34,070 --> 00:23:31,400

anything like that

519

00:23:37,010 --> 00:23:34,080

we're at Amisha do you know the general

520

00:23:39,110 --> 00:23:37,020

area I think he said Newman road so you

521

00:23:42,529 --> 00:23:39,120

think it's from the western side right

522

00:23:44,210 --> 00:23:42,539

and basically they had heard a noise and

523

00:23:47,450 --> 00:23:44,220

then they looked over and the woods was

524

00:23:49,010 --> 00:23:47,460

lit up with like a bluish light and then

525

00:23:50,990 --> 00:23:49,020

they were hearing the garbled noises

526

00:23:52,490 --> 00:23:51,000

which he said later on he went back and

527

00:23:54,409 --> 00:23:52,500

he checked over and it was similar to

528

00:23:57,350 --> 00:23:54,419

the samurai speech

529

00:23:59,149 --> 00:23:57,360

so oh my God I hear about that so many

530

00:24:01,730 --> 00:23:59,159

times people talking about that that

531

00:24:04,310 --> 00:24:01,740

Samurai speech Courtney have you ever

532

00:24:08,029 --> 00:24:04,320

heard that from anybody any Witnesses

533

00:24:11,930 --> 00:24:08,039

uh I've heard it myself oh have you yeah

534

00:24:13,430 --> 00:24:11,940

I went to I was having a rough week and

535

00:24:15,470 --> 00:24:13,440

I told my wife I'm gonna go down to my

536

00:24:18,049 --> 00:24:15,480

research area Ellington Missouri from

537

00:24:19,370 --> 00:24:18,059

get away and go and I had all my

538

00:24:22,070 --> 00:24:19,380

equipment and everything when I got

539

00:24:23,630 --> 00:24:22,080

there I said you know screw it I don't I

540

00:24:26,090 --> 00:24:23,640

don't want to put my equipment out so I

541

00:24:29,690 --> 00:24:26,100

sat there on the fire I had had a bad

542

00:24:31,850 --> 00:24:29,700

week and uh hours just drinking at the

543

00:24:33,830 --> 00:24:31,860

fire and had all my equipment sitting

544

00:24:36,350 --> 00:24:33,840

out and I told the

545

00:24:38,029 --> 00:24:36,360

the Sasquatch that says it said hey guys

546

00:24:40,070 --> 00:24:38,039

I'm here

547

00:24:42,830 --> 00:24:40,080

I don't have any cameras up I'm not

548

00:24:44,510 --> 00:24:42,840

doing anything I'm just sitting here

549

00:24:48,169 --> 00:24:44,520

I've had a bad week if you want to come

550

00:24:50,390 --> 00:24:48,179

talk to me throw a rock do something I'm

551
00:24:52,570 --> 00:24:50,400
here otherwise that's it there's no

552
00:24:54,830 --> 00:24:52,580
equipment there's no cameras

553
00:24:56,630 --> 00:24:54,840
just don't hit me with the rock though

554
00:24:59,810 --> 00:24:56,640
right yeah just don't hit me with the

555
00:25:03,490 --> 00:24:59,820
rock and so I hear this what did you go

556
00:25:06,409 --> 00:25:03,500
oh yeah what

557
00:25:08,930 --> 00:25:06,419
just bizarre stuff and I knew what it

558
00:25:11,810 --> 00:25:08,940
was but this is an area where I can go

559
00:25:13,850 --> 00:25:11,820
90 of the time I'm going to have some

560
00:25:16,850 --> 00:25:13,860
kind of activity so I heard that chatter

561
00:25:19,490 --> 00:25:16,860
it was just it was a million miles an

562
00:25:22,010 --> 00:25:19,500
hour and it didn't make and there was

563
00:25:24,169 --> 00:25:22,020

some laughing they were like laughing

564

00:25:26,570 --> 00:25:24,179

like kind of like hyenas

565

00:25:28,669 --> 00:25:26,580

you know snickering you know and like

566

00:25:30,409 --> 00:25:28,679

they were trying to hide it and then

567

00:25:32,390 --> 00:25:30,419

they would just laugh out loud it was

568

00:25:34,370 --> 00:25:32,400

just bizarre I almost thought it was

569

00:25:37,610 --> 00:25:34,380

juveniles you know because it you know

570

00:25:41,570 --> 00:25:37,620

the the tonality of the voice was it

571

00:25:43,909 --> 00:25:41,580

large so I've heard that you know yeah

572

00:25:48,130 --> 00:25:43,919

and Ron you know did commentary on my

573

00:25:51,890 --> 00:25:48,140

first book I mean he's like the guy for

574

00:25:55,310 --> 00:25:51,900

that that [h__h] chatter that that

575

00:25:57,529 --> 00:25:55,320

language but I've heard it other people

576
00:26:01,070 --> 00:25:57,539
have heard of several of my Witnesses

577
00:26:04,970 --> 00:26:01,080
have had their names called yeah

578
00:26:07,850 --> 00:26:04,980
it's the Romantic nickname that their

579
00:26:09,890 --> 00:26:07,860
spouses call them when they're it's them

580
00:26:15,110 --> 00:26:09,900
around the house you hear this since

581
00:26:17,269 --> 00:26:15,120
then since in chin chin which is Cindy

582
00:26:19,490 --> 00:26:17,279
since it because that's what his wife is

583
00:26:21,110 --> 00:26:19,500
this what her husband calls her like you

584
00:26:24,230 --> 00:26:21,120
know when there's just them around the

585
00:26:26,390 --> 00:26:24,240
house so yeah I've heard it it's it's

586
00:26:28,930 --> 00:26:26,400
like a real thing they have a language

587
00:26:33,049 --> 00:26:31,490
just tell me the same thing I mean I've

588
00:26:35,810 --> 00:26:33,059

never heard it but I mean I've had

589

00:26:37,810 --> 00:26:35,820

Witnesses tell me about it you know uh

590

00:26:41,590 --> 00:26:37,820

Chad I want to ask you this

591

00:26:43,669 --> 00:26:41,600

uh you talked about a CCC camp

592

00:26:45,890 --> 00:26:43,679

and uh

593

00:26:47,630 --> 00:26:45,900

and for people don't know what CCC is

594

00:26:49,810 --> 00:26:47,640

that I forget what it stood for

595

00:26:52,549 --> 00:26:49,820

conference conservations

596

00:26:56,090 --> 00:26:52,559

the CCC was the Civilian Conservation

597

00:26:58,130 --> 00:26:56,100

course exactly it was during the 19th

598

00:27:00,350 --> 00:26:58,140

1930s during the Great Depression they

599

00:27:02,990 --> 00:27:00,360

were establishing to put men to work and

600

00:27:05,690 --> 00:27:03,000

a lot of Pennsylvania state forests and

601
00:27:07,789 --> 00:27:05,700
state parks were created then well

602
00:27:10,490 --> 00:27:07,799
that's what I wanted to mention to you

603
00:27:13,730 --> 00:27:10,500
because I know there's one up in Misha

604
00:27:16,370 --> 00:27:13,740
yeah I've been there and that's that

605
00:27:18,649 --> 00:27:16,380
actually they used that for a pow camp

606
00:27:21,710 --> 00:27:18,659
for German prisoners award during World

607
00:27:23,210 --> 00:27:21,720
War II yeah I've actually recorded

608
00:27:25,850 --> 00:27:23,220
something crazy if you've ever been up

609
00:27:26,630 --> 00:27:25,860
there I've been there numerous times

610
00:27:29,029 --> 00:27:26,640
um

611
00:27:31,669 --> 00:27:29,039
yeah we're also we're currently working

612
00:27:32,690 --> 00:27:31,679
on something that has been happening

613
00:27:34,730 --> 00:27:32,700

there

614

00:27:37,010 --> 00:27:34,740

and uh

615

00:27:39,049 --> 00:27:37,020

I've recorded some crazy stuff there and

616

00:27:41,750 --> 00:27:39,059

I've camped there and have some odd

617

00:27:45,289 --> 00:27:41,760

bizarre things happen there so yeah it's

618

00:27:48,590 --> 00:27:45,299

definitely a active area

619

00:27:51,769 --> 00:27:48,600

um whether it's I don't know if it's

620

00:27:54,110 --> 00:27:51,779

paranormal you know Cryptid whatever

621

00:27:56,090 --> 00:27:54,120

there's been multiple things that have

622

00:27:58,549 --> 00:27:56,100

happened I've heard a few things over

623

00:28:00,649 --> 00:27:58,559

there um I've heard I've heard Bigfoot

624

00:28:03,230 --> 00:28:00,659

and uh you know Bigfoot sightings around

625

00:28:05,210 --> 00:28:03,240

there and what you know if anybody knows

626
00:28:06,710 --> 00:28:05,220
Misha you get Bigfoot sightings here and

627
00:28:09,830 --> 00:28:06,720
there everywhere I mean you know it's

628
00:28:11,690 --> 00:28:09,840
just uh of course people will know that

629
00:28:13,549 --> 00:28:11,700
the Appalachian Trail runs right in the

630
00:28:16,010 --> 00:28:13,559
middle of that thing North and South

631
00:28:19,190 --> 00:28:16,020
the actual halfway halfway point is

632
00:28:20,029 --> 00:28:19,200
there also yeah for the at

633
00:28:21,529 --> 00:28:20,039
um

634
00:28:25,850 --> 00:28:21,539
yeah

635
00:28:28,549 --> 00:28:25,860
mentioned something about dead woman's

636
00:28:30,950 --> 00:28:28,559
howl and uh it's we had a we had an

637
00:28:35,029 --> 00:28:30,960
upright canine setting up there

638
00:28:38,149 --> 00:28:35,039

and uh uh Butch and I looked into

639

00:28:40,490 --> 00:28:38,159

so uh yeah Misha and Deadwood Hollow is

640

00:28:42,649 --> 00:28:40,500

it it's an area up off the uh the pine

641

00:28:46,310 --> 00:28:42,659

Furnace Road that goes north

642

00:28:50,230 --> 00:28:46,320

uh from Khaled from Caledonia up North

643

00:28:54,049 --> 00:28:50,240

into the cabin areas into uh Laurel Lake

644

00:28:56,510 --> 00:28:54,059

but uh yeah that's uh

645

00:28:59,090 --> 00:28:56,520

yeah we've had we've had

646

00:29:00,950 --> 00:28:59,100

upright K-9 doll man encounters there as

647

00:29:03,590 --> 00:29:00,960

well Misha is an interesting place it

648

00:29:04,610 --> 00:29:03,600

really is it is it's got a lot of

649

00:29:07,010 --> 00:29:04,620

history

650

00:29:09,710 --> 00:29:07,020

um I mean even as far back as the

651
00:29:11,690 --> 00:29:09,720
indigenous peoples because there was

652
00:29:13,750 --> 00:29:11,700
actually uh it's very much been

653
00:29:16,669 --> 00:29:13,760
disturbed land for a lot of its history

654
00:29:18,649 --> 00:29:16,679
uh there's actually an Old Quarry that

655
00:29:21,350 --> 00:29:18,659
the indigenous peoples would Quarry Rio

656
00:29:22,970 --> 00:29:21,360
light out which is a material they would

657
00:29:25,070 --> 00:29:22,980
use for uh

658
00:29:28,070 --> 00:29:25,080
you know weapons and tools and it was

659
00:29:28,970 --> 00:29:28,080
traded all up and down the East Coast

660
00:29:32,210 --> 00:29:28,980
um

661
00:29:34,250 --> 00:29:32,220
the indigenous people's fault fault for

662
00:29:36,230 --> 00:29:34,260
control that land

663
00:29:38,450 --> 00:29:36,240

um I re so far my re I have an interest

664

00:29:40,010 --> 00:29:38,460

in the iron furnaces and I think I've

665

00:29:42,049 --> 00:29:40,020

I've covered

666

00:29:44,210 --> 00:29:42,059

I found

667

00:29:46,430 --> 00:29:44,220

remains well I've only found remains of

668

00:29:48,590 --> 00:29:46,440

five but I I know there's seven or eight

669

00:29:50,450 --> 00:29:48,600

of them up there and probably more yeah

670

00:29:51,889 --> 00:29:50,460

there are a lot of them up there and

671

00:29:54,350 --> 00:29:51,899

there's for some reason there's like

672

00:29:58,070 --> 00:29:54,360

some kind of connection with like

673

00:29:59,810 --> 00:29:58,080

the other and Cryptids and these iron

674

00:30:02,930 --> 00:29:59,820

furnaces whether it's just

675

00:30:04,789 --> 00:30:02,940

synchronicities or what but it's just

676

00:30:06,950 --> 00:30:04,799

it's just you seem to find some kind of

677

00:30:10,070 --> 00:30:06,960

like at least in our area yeah because

678

00:30:11,750 --> 00:30:10,080

we are we are close lawn Yeah in our in

679

00:30:13,669 --> 00:30:11,760

our area you seem to find like

680

00:30:15,769 --> 00:30:13,679

connections between these iron furnaces

681

00:30:18,889 --> 00:30:15,779

and and these cryptic sightings and so

682

00:30:20,750 --> 00:30:18,899

on yeah you're me and uh you me and Tim

683

00:30:23,810 --> 00:30:20,760

live within 20 miles of each other so

684

00:30:25,130 --> 00:30:23,820

yeah we're yeah we're pretty close yeah

685

00:30:27,710 --> 00:30:25,140

um

686

00:30:29,690 --> 00:30:27,720

yeah that Misha is a weird place I mean

687

00:30:31,789 --> 00:30:29,700

I you know I've I've been up ever since

688

00:30:33,710 --> 00:30:31,799

I was a kid I used to go trout fish I

689

00:30:36,169 --> 00:30:33,720

used to go fly fishing up there

690

00:30:39,430 --> 00:30:36,179

and I've had a few weird experiences but

691

00:30:42,710 --> 00:30:39,440

no you know and you know BFRO actually

692

00:30:44,750 --> 00:30:42,720

recognizes as you know a hot spot the

693

00:30:47,330 --> 00:30:44,760

United States as far as Bigfoot activity

694

00:30:49,190 --> 00:30:47,340

though I I never really thought that

695

00:30:52,669 --> 00:30:49,200

until

696

00:30:53,450 --> 00:30:52,679

getting more and more reports out of

697

00:30:56,389 --> 00:30:53,460

there

698

00:30:59,810 --> 00:30:56,399

uh for people who know the area Route 30

699

00:31:00,470 --> 00:30:59,820

runs right in the you know right below

700

00:31:02,590 --> 00:31:00,480

um

701

00:31:05,450 --> 00:31:02,600

right south of uh

702

00:31:06,889 --> 00:31:05,460

Caledonia but you know it goes in you

703

00:31:10,190 --> 00:31:06,899

know in the middle of one down the

704

00:31:12,950 --> 00:31:10,200

middle but it transects uh Misha State

705

00:31:14,750 --> 00:31:12,960

Forest but people used to tell me at

706

00:31:16,789 --> 00:31:14,760

night they used to see Bigfoot walk out

707

00:31:20,149 --> 00:31:16,799

there and pick up roadkill

708

00:31:22,430 --> 00:31:20,159

on Route 30. so I don't doubt it it went

709

00:31:24,590 --> 00:31:22,440

bad it don't tap yeah it's pretty weird

710

00:31:27,049 --> 00:31:24,600

there's there and then

711

00:31:28,549 --> 00:31:27,059

go ahead I'm sorry no I'm sorry I was

712

00:31:30,889 --> 00:31:28,559

gonna say and then you just have all the

713

00:31:32,870 --> 00:31:30,899

weird place names such as dead dead

714

00:31:34,970 --> 00:31:32,880

woman's Hollow you have haunted hollow

715

00:31:38,510 --> 00:31:34,980

you have devil ant or

716

00:31:40,450 --> 00:31:38,520

devil something Hollow uh Harry Springs

717

00:31:44,090 --> 00:31:40,460

you know which is

718

00:31:47,269 --> 00:31:44,100

h-a-i-r-y not Harry as an h-a-r-r-y

719

00:31:49,010 --> 00:31:47,279

and you know it's just there's just a

720

00:31:50,810 --> 00:31:49,020

lot of weirdness that goes on up there

721

00:31:52,490 --> 00:31:50,820

and it's and it's just not all Cryptid

722

00:31:54,889 --> 00:31:52,500

stuff there's all there's a lot that

723

00:31:57,830 --> 00:31:54,899

just happens up there so I mean I've had

724

00:32:00,230 --> 00:31:57,840

multiple encounters and experiences up

725

00:32:03,470 --> 00:32:00,240

there with and without Tim

726

00:32:05,389 --> 00:32:03,480

and you know it's just I don't know yeah

727

00:32:07,430 --> 00:32:05,399

I mean it's quite a place

728

00:32:09,830 --> 00:32:07,440

I've been going up or all ever since I

729

00:32:11,570 --> 00:32:09,840

was a little kid and uh it's it's always

730

00:32:12,970 --> 00:32:11,580

been weird I got chased out there by the

731

00:32:15,889 --> 00:32:12,980

reservoir one time

732

00:32:17,630 --> 00:32:15,899

uh I I pulled up and I was gonna go up

733

00:32:19,610 --> 00:32:17,640

to the reservoir and I didn't get but

734

00:32:21,649 --> 00:32:19,620

five foot into the the weeds and

735

00:32:23,269 --> 00:32:21,659

something big was coming through and I

736

00:32:26,510 --> 00:32:23,279

got in the car and got the hell out of

737

00:32:29,930 --> 00:32:26,520

there I mean that place it's there's

738

00:32:30,710 --> 00:32:29,940

there's a lot going on up there yeah go

739

00:32:32,990 --> 00:32:30,720

ahead

740

00:32:34,789 --> 00:32:33,000

I said yeah I've been rushed up up there

741

00:32:37,190 --> 00:32:34,799

too I had something come

742

00:32:39,470 --> 00:32:37,200

barreling through the uh

743

00:32:41,450 --> 00:32:39,480

brush at me which and then it ended up

744

00:32:43,370 --> 00:32:41,460

there was nothing there right but there

745

00:32:46,010 --> 00:32:43,380

was it wasn't a bear or a deer or

746

00:32:47,930 --> 00:32:46,020

anything like that so yeah I know I know

747

00:32:51,889 --> 00:32:47,940

the feeling

748

00:32:53,510 --> 00:32:51,899

good yeah uh we had a question here from

749

00:32:56,570 --> 00:32:53,520

King of

750

00:32:59,029 --> 00:32:56,580

Luca Mundo I'm gonna ask Carter or any

751

00:33:02,090 --> 00:32:59,039

any of y'all can answer this how tall

752

00:33:04,549 --> 00:33:02,100

has the how tall has been the size of

753

00:33:05,990 --> 00:33:04,559

the biggest Bigfoot ever recorded that's

754

00:33:08,990 --> 00:33:06,000

kind of a loaded question because

755

00:33:11,990 --> 00:33:09,000

there's so many areas where these hairy

756

00:33:14,630 --> 00:33:12,000

hominids had been recorded but let's

757

00:33:15,409 --> 00:33:14,640

just say in North America what do you

758

00:33:17,090 --> 00:33:15,419

think

759

00:33:20,149 --> 00:33:17,100

um

760

00:33:25,909 --> 00:33:20,159

what do you think Carter uh the biggest

761

00:33:29,870 --> 00:33:25,919

one a witness has described to me is 12

762

00:33:31,389 --> 00:33:29,880

feet okay and she was up in BC uh you

763

00:33:35,690 --> 00:33:31,399

know Canada

764

00:33:38,269 --> 00:33:35,700

the biggest ones that many people say is

765

00:33:42,230 --> 00:33:38,279

you get further and further north into

766

00:33:45,230 --> 00:33:42,240

the Hinterlands of Canada is 15 feet

767

00:33:47,350 --> 00:33:45,240

uh they they are claiming to see them

768

00:33:50,750 --> 00:33:47,360

right and that doesn't seem that

769

00:33:54,289 --> 00:33:50,760

outrageous you know to me but you know

770

00:33:58,370 --> 00:33:54,299

uh 12 feet is the biggest one uh

771

00:34:01,210 --> 00:33:58,380

reported to me and 15 is

772

00:34:05,509 --> 00:34:01,220

traditionally for the

773

00:34:07,850 --> 00:34:05,519

Hinterlands of Canada BC and uh you know

774

00:34:11,149 --> 00:34:07,860

up in that area well we know we've had

775

00:34:14,149 --> 00:34:11,159

reports you know down in um

776

00:34:17,990 --> 00:34:14,159

down in the day Navajo reservation of

777

00:34:19,970 --> 00:34:18,000

these behemoths down there so I mean you

778

00:34:21,950 --> 00:34:19,980

know of course these are indigenous

779

00:34:24,050 --> 00:34:21,960

people that are telling us the size of

780

00:34:26,089 --> 00:34:24,060

these things but some of them swear

781

00:34:28,070 --> 00:34:26,099

anywhere from 12 to 15 foot

782

00:34:29,750 --> 00:34:28,080

so I don't know I mean I don't know what

783

00:34:33,470 --> 00:34:29,760

the hell this is kind of a regular

784

00:34:36,770 --> 00:34:33,480

number you hear for the big big boys you

785

00:34:41,649 --> 00:34:36,780

know yeah and you know along with that

786

00:34:45,710 --> 00:34:41,659

size according to many goes the

787

00:34:49,010 --> 00:34:45,720

paranormal skills and aspects and the

788

00:34:52,010 --> 00:34:49,020

small ones may not have those skills

789

00:34:56,030 --> 00:34:52,020

well that may be and that that may very

790

00:34:58,370 --> 00:34:56,040

well be you get into the 1215 Footers

791

00:35:00,470 --> 00:34:58,380

up there and I've got I've got four

792

00:35:03,109 --> 00:35:00,480

people I communicate with regularly up

793

00:35:05,150 --> 00:35:03,119

there uh they say that's that's pretty

794

00:35:07,910 --> 00:35:05,160

average you know

795

00:35:09,890 --> 00:35:07,920

that's two humans you put it no I don't

796

00:35:11,870 --> 00:35:09,900

want to run your shoulders

797

00:35:13,730 --> 00:35:11,880

that is a yeah I don't want to run

798

00:35:15,829 --> 00:35:13,740

against anything that big I'll be honest

799

00:35:16,790 --> 00:35:15,839

with you yeah when I ran up against was

800

00:35:18,430 --> 00:35:16,800

big enough

801
00:35:21,530 --> 00:35:18,440
yeah

802
00:35:23,150 --> 00:35:21,540
I'll run from a woman with a pot belly

803
00:35:26,410 --> 00:35:23,160
so if you're like 12 feet tall I'm out

804
00:35:30,950 --> 00:35:28,790
but you know it would be fascinating

805
00:35:32,990 --> 00:35:30,960
what would you I mean I would love to

806
00:35:35,450 --> 00:35:33,000
see one that tall I I'm fairly certain I

807
00:35:37,970 --> 00:35:35,460
would do anything much over ten uh but

808
00:35:41,089 --> 00:35:37,980
even 10 is pretty good size when they're

809
00:35:44,030 --> 00:35:41,099
also triple quadruple your weight or

810
00:35:45,890 --> 00:35:44,040
worse you just go okay

811
00:35:49,010 --> 00:35:45,900
you are my new friend

812
00:35:50,930 --> 00:35:49,020
you know you know we a lot of these uh

813
00:35:52,670 --> 00:35:50,940

upright canine settings that we get here

814

00:35:55,130 --> 00:35:52,680

in Pennsylvania

815

00:35:57,530 --> 00:35:55,140

uh I'm talking about the the big

816

00:35:59,210 --> 00:35:57,540

muscular you know the ones that are

817

00:36:01,370 --> 00:35:59,220

really shaped

818

00:36:03,230 --> 00:36:01,380

I mean 10 foot is like nothing with

819

00:36:04,490 --> 00:36:03,240

those things what the what we're getting

820

00:36:05,510 --> 00:36:04,500

from people

821

00:36:07,430 --> 00:36:05,520

now I don't know if they're

822

00:36:10,970 --> 00:36:07,440

misidentifying them I I wouldn't think

823

00:36:13,069 --> 00:36:10,980

so just by the way they they talk to us

824

00:36:15,650 --> 00:36:13,079

but uh

825

00:36:19,250 --> 00:36:15,660

some of those sightings are huge I mean

826

00:36:22,550 --> 00:36:19,260

and now here we get into the the whole

827

00:36:25,970 --> 00:36:22,560

is it an actual being or is it something

828

00:36:30,430 --> 00:36:25,980

that's Supernatural or whatever but

829

00:36:33,290 --> 00:36:30,440

you know I I we we have regularly gotten

830

00:36:36,109 --> 00:36:33,300

sightings that size

831

00:36:38,630 --> 00:36:36,119

yeah here in Missouri it's usually in

832

00:36:42,290 --> 00:36:38,640

the eight to ten with an occasional trip

833

00:36:45,050 --> 00:36:42,300

up to the you know 11 or 12. but it's

834

00:36:47,510 --> 00:36:45,060

virtually always an approximation well

835

00:36:49,670 --> 00:36:47,520

it was uh one hand over that knot in

836

00:36:51,410 --> 00:36:49,680

that oak tree and that that knot is like

837

00:36:55,069 --> 00:36:51,420

a nine feet so it must have been at

838

00:36:58,010 --> 00:36:55,079

least 10. you know that's what you get

839

00:37:01,069 --> 00:36:58,020

but you know hey if you're off by a foot

840

00:37:02,329 --> 00:37:01,079

who cares that's a big boy that's true I

841

00:37:04,130 --> 00:37:02,339

mean really I mean if you if you're

842

00:37:06,290 --> 00:37:04,140

thinking about if you're describing a

843

00:37:08,450 --> 00:37:06,300

Sasquatch if you're off by a foot and

844

00:37:10,490 --> 00:37:08,460

you're saying well between 10 and 12 I

845

00:37:12,890 --> 00:37:10,500

mean it was huge it was at least as high

846

00:37:14,750 --> 00:37:12,900

as my my aunt's birdhouse back there you

847

00:37:17,089 --> 00:37:14,760

know and so

848

00:37:19,010 --> 00:37:17,099

what's a foot you know they could tell

849

00:37:21,710 --> 00:37:19,020

you a limb from limb if they want which

850

00:37:24,410 --> 00:37:21,720

they don't but you know they can so it's

851
00:37:25,910 --> 00:37:24,420
just by sheer volume and size that they

852
00:37:28,130 --> 00:37:25,920
can intimidate you you know that's all

853
00:37:31,069 --> 00:37:28,140
you need when you're that big you know

854
00:37:32,750 --> 00:37:31,079
and I almost want to answer that

855
00:37:34,910 --> 00:37:32,760
question with a question

856
00:37:37,250 --> 00:37:34,920
are they

857
00:37:39,349 --> 00:37:37,260
you know almost like bear different

858
00:37:41,990 --> 00:37:39,359
species get different sizes

859
00:37:44,510 --> 00:37:42,000
you know a grizzly bear gets

860
00:37:47,589 --> 00:37:44,520
you know twice the size of a black bear

861
00:37:53,810 --> 00:37:51,530
the skunk apes they're in the four and a

862
00:37:56,390 --> 00:37:53,820
half five foot range Maybe

863
00:37:58,250 --> 00:37:56,400

you get a little further you know West

864

00:37:59,930 --> 00:37:58,260

and North they get a little bigger you

865

00:38:01,670 --> 00:37:59,940

get up to you know Washington State and

866

00:38:05,270 --> 00:38:01,680

Oregon they're even bigger in California

867

00:38:07,010 --> 00:38:05,280

in the upper North so I I think it is

868

00:38:08,630 --> 00:38:07,020

regional dispersal you know and just

869

00:38:10,970 --> 00:38:08,640

different sizes for different species

870

00:38:12,710 --> 00:38:10,980

you know well I just like now Vincent

871

00:38:14,630 --> 00:38:12,720

put up here do you think the Sasquatch

872

00:38:20,569 --> 00:38:14,640

Behavior changes with region and climate

873

00:38:25,430 --> 00:38:23,390

yeah well

874

00:38:27,470 --> 00:38:25,440

if you're asking that to anybody I say

875

00:38:29,270 --> 00:38:27,480

did you say charge Behavior changes with

876

00:38:31,730 --> 00:38:29,280

region and climate well we were just

877

00:38:34,670 --> 00:38:31,740

talking about that you know uh the skunk

878

00:38:37,250 --> 00:38:34,680

apes are smaller but they appear to be

879

00:38:39,230 --> 00:38:37,260

considerably more aggressive and hostile

880

00:38:41,510 --> 00:38:39,240

yeah they seem to be aggressive they'd

881

00:38:43,609 --> 00:38:41,520

be the small man syndrome you know like

882

00:38:45,650 --> 00:38:43,619

you know you went to school the poor guy

883

00:38:47,450 --> 00:38:45,660

at school he was a foot shorter than

884

00:38:50,630 --> 00:38:47,460

everybody else he was he was always

885

00:38:53,870 --> 00:38:50,640

wanting to be a badass you know uh so it

886

00:38:55,550 --> 00:38:53,880

may be uh that it might change when

887

00:38:57,950 --> 00:38:55,560

you're like the biggest guy on the Block

888

00:38:59,210 --> 00:38:57,960

you don't have to mess with too much no

889

00:39:01,069 --> 00:38:59,220

one's going to mess with you you don't

890

00:39:03,770 --> 00:39:01,079

have to do much so you could be a little

891

00:39:05,930 --> 00:39:03,780

bit more laid back because you're the

892

00:39:07,370 --> 00:39:05,940

king of the Beast if you're a small guy

893

00:39:09,109 --> 00:39:07,380

well you're going to be like a little

894

00:39:13,069 --> 00:39:09,119

Chihuahua nipping in everybody's heels

895

00:39:15,050 --> 00:39:13,079

you know well I'll show you you know

896

00:39:17,690 --> 00:39:15,060

that would make sense I mean that's how

897

00:39:20,150 --> 00:39:17,700

humans are you know if you you're short

898

00:39:21,650 --> 00:39:20,160

some people get a chip you know you got

899

00:39:24,050 --> 00:39:21,660

you know a short guy with a big truck

900

00:39:25,849 --> 00:39:24,060

all those kind of you know

901
00:39:27,650 --> 00:39:25,859
comparisons but it's kind of the same

902
00:39:30,650 --> 00:39:27,660
thing I think in the in the animal world

903
00:39:31,910 --> 00:39:30,660
if you're small and diminutive you

904
00:39:33,290 --> 00:39:31,920
better have something else going for you

905
00:39:35,450 --> 00:39:33,300
or you're just gonna have to go to the

906
00:39:38,510 --> 00:39:35,460
you know back of the line and you know

907
00:39:41,030 --> 00:39:38,520
eat eat leftovers like everybody else I

908
00:39:42,890 --> 00:39:41,040
imagine if I was a hairy beast it had to

909
00:39:48,290 --> 00:39:42,900
live in the swamps to Florida in that

910
00:39:52,910 --> 00:39:50,810
and ducking pythons and everything else

911
00:39:55,069 --> 00:39:52,920
in it

912
00:39:56,569 --> 00:39:55,079
that's where the term swamp cooler came

913
00:39:57,650 --> 00:39:56,579

from because you know they didn't have

914

00:40:01,069 --> 00:39:57,660

them down there

915

00:40:04,190 --> 00:40:01,079

you know so but yeah I I I think you

916

00:40:07,849 --> 00:40:04,200

know the size of dispersal may be due to

917

00:40:09,530 --> 00:40:07,859

climate terrain who the if they get

918

00:40:10,670 --> 00:40:09,540

bigger up into into Canada and

919

00:40:11,810 --> 00:40:10,680

Washington State you got all the

920

00:40:15,109 --> 00:40:11,820

mountains you got to do all the hiking

921

00:40:17,690 --> 00:40:15,119

and climbing uh you know smaller oxygen

922

00:40:19,430 --> 00:40:17,700

uh the higher up you go so you might

923

00:40:22,609 --> 00:40:19,440

have to be bigger and better than

924

00:40:24,950 --> 00:40:22,619

everybody else in those areas where you

925

00:40:26,630 --> 00:40:24,960

know like here in Missouri uh we have

926

00:40:28,849 --> 00:40:26,640

some big boys eight to ten is usually

927

00:40:31,609 --> 00:40:28,859

the the range you know six and a half to

928

00:40:34,370 --> 00:40:31,619

eight is normal eight to ten is the

929

00:40:37,750 --> 00:40:34,380

upper limits with an occasional foray

930

00:40:42,589 --> 00:40:37,760

into 11 or 12 but that's rare here

931

00:40:45,290 --> 00:40:42,599

you know well now you guys all three of

932

00:40:47,710 --> 00:40:45,300

you guys have well haven't been on the

933

00:40:51,290 --> 00:40:47,720

team but but a couple years

934

00:40:53,510 --> 00:40:51,300

and uh of course you hear me in my foray

935

00:40:55,069 --> 00:40:53,520

talking about the wing humanoid

936

00:40:57,410 --> 00:40:55,079

phenomena and you know I've never really

937

00:41:01,849 --> 00:40:57,420

asked you guys about that

938

00:41:03,349 --> 00:41:01,859

so you know why don't you give me uh you

939

00:41:05,569 --> 00:41:03,359

know I'm quite sure you've read the

940

00:41:07,790 --> 00:41:05,579

reports what have we posting and all

941

00:41:12,069 --> 00:41:07,800

what are your thoughts on all that I'm

942

00:41:15,910 --> 00:41:14,450

like one of my thoughts on the Chicago

943

00:41:18,890 --> 00:41:15,920

stuff or just

944

00:41:22,010 --> 00:41:18,900

the whole winged humanoid though yeah

945

00:41:26,089 --> 00:41:22,020

the Mothman Wing humanoid phenomena

946

00:41:28,730 --> 00:41:26,099

I personally don't have too much

947

00:41:30,950 --> 00:41:28,740

experience with that okay

948

00:41:32,710 --> 00:41:30,960

um and I will say you know we do have

949

00:41:36,410 --> 00:41:32,720

our local one here

950

00:41:38,210 --> 00:41:36,420

which are very uh

951
00:41:41,030 --> 00:41:38,220
very familiar with

952
00:41:43,870 --> 00:41:41,040
I think you even had a maybe a possibly

953
00:41:46,790 --> 00:41:43,880
an encounter with it yourself yeah

954
00:41:49,270 --> 00:41:46,800
yep yep and

955
00:41:55,310 --> 00:41:53,510
that's probably the the best known one

956
00:41:57,530 --> 00:41:55,320
but there have been others too and of

957
00:41:59,690 --> 00:41:57,540
course yeah yeah and like I said I don't

958
00:42:01,849 --> 00:41:59,700
know I don't really it's hard for me to

959
00:42:04,010 --> 00:42:01,859
even say on that yeah

960
00:42:06,050 --> 00:42:04,020
you know because I haven't had too much

961
00:42:08,990 --> 00:42:06,060
experience with it

962
00:42:10,190 --> 00:42:09,000
so Chad where are you at exactly

963
00:42:12,290 --> 00:42:10,200

recently

964

00:42:13,550 --> 00:42:12,300

I am in York County Pennsylvania so I'm

965

00:42:17,210 --> 00:42:13,560

in South Central

966

00:42:19,790 --> 00:42:17,220

South Central PA I'm between Gettysburg

967

00:42:21,290 --> 00:42:19,800

and York gotcha if you're if you're

968

00:42:23,569 --> 00:42:21,300

familiar with that area yeah he's pretty

969

00:42:27,530 --> 00:42:23,579

close to me you're in Spring Grove right

970

00:42:30,370 --> 00:42:27,540

yeah yeah I'm literally probably like

971

00:42:32,990 --> 00:42:30,380

20 minutes from long yeah

972

00:42:35,690 --> 00:42:33,000

in Adams County but I'm right on the

973

00:42:39,230 --> 00:42:35,700

line so yeah I'm very close to the line

974

00:42:41,870 --> 00:42:39,240

with Adams County so I'm I'm I roam

975

00:42:43,310 --> 00:42:41,880

around most of PA though I do a lot of

976

00:42:45,050 --> 00:42:43,320

hiking and camping all throughout

977

00:42:49,190 --> 00:42:45,060

Pennsylvania

978

00:42:50,810 --> 00:42:49,200

so but um it seems to be at least in

979

00:42:53,750 --> 00:42:50,820

this area here and I'm just going by

980

00:42:56,150 --> 00:42:53,760

with what I know with folklore and the

981

00:42:58,430 --> 00:42:56,160

the accounts that we have collected or

982

00:43:01,970 --> 00:42:58,440

Tim has collected and I the one or two

983

00:43:04,010 --> 00:43:01,980

I've gotten from strange familiars they

984

00:43:07,670 --> 00:43:04,020

seem to follow the creeks

985

00:43:10,910 --> 00:43:07,680

at least here yeah they do uh especially

986

00:43:13,190 --> 00:43:10,920

specifically the Kanawaga now whether

987

00:43:14,809 --> 00:43:13,200

you have one that also comes from the

988

00:43:16,670 --> 00:43:14,819

Codorus furnace

989

00:43:18,109 --> 00:43:16,680

but in near the river there at the

990

00:43:20,690 --> 00:43:18,119

Susquehanna

991

00:43:23,030 --> 00:43:20,700

where the Codorus and the Kanawaga dump

992

00:43:24,650 --> 00:43:23,040

out are somewhat close so whether

993

00:43:26,150 --> 00:43:24,660

there's something traveling between

994

00:43:30,410 --> 00:43:26,160

those two creeks

995

00:43:32,809 --> 00:43:30,420

I don't know but it seems to be I I

996

00:43:33,589 --> 00:43:32,819

got one contact from somebody that was

997

00:43:35,150 --> 00:43:33,599

near

998

00:43:37,069 --> 00:43:35,160

um New Oxford

999

00:43:39,470 --> 00:43:37,079

which is where the little the little

1000

00:43:43,670 --> 00:43:39,480

Kanawaga comes in which is I guess they

1001
00:43:46,130 --> 00:43:43,680
were somewhat down uh Downstream from

1002
00:43:48,530 --> 00:43:46,140
Camp kanawaga right and this was

1003
00:43:50,390 --> 00:43:48,540
somewhat recently so I have to follow up

1004
00:43:53,809 --> 00:43:50,400
yeah I'm going to be following up with

1005
00:43:55,069 --> 00:43:53,819
them I want to hear that one I got their

1006
00:43:56,750 --> 00:43:55,079
information

1007
00:43:59,450 --> 00:43:56,760
so it's only a matter of time before

1008
00:44:02,290 --> 00:43:59,460
once we because we have a long list of

1009
00:44:05,690 --> 00:44:02,300
what we're working through

1010
00:44:08,150 --> 00:44:05,700
I know Tim has talked to me about and

1011
00:44:09,829 --> 00:44:08,160
it's hard to get into camp konawaga now

1012
00:44:13,130 --> 00:44:09,839
you got to know somebody to get in there

1013
00:44:15,589 --> 00:44:13,140

I've tried I've tried

1014

00:44:18,770 --> 00:44:15,599

um they don't want you in there I know

1015

00:44:22,010 --> 00:44:18,780

I'm gonna have I'm gonna see if I can

1016

00:44:24,530 --> 00:44:22,020

kind of pull some strings because uh I

1017

00:44:26,990 --> 00:44:24,540

have wanted to go back up there now of

1018

00:44:29,210 --> 00:44:27,000

course there's a um there's a state game

1019

00:44:31,849 --> 00:44:29,220

land not far from there either yeah

1020

00:44:35,270 --> 00:44:31,859

we've we've actually roamed that at

1021

00:44:37,430 --> 00:44:35,280

night uh along along the kanawaga and we

1022

00:44:39,950 --> 00:44:37,440

had some weird stuff going on

1023

00:44:41,329 --> 00:44:39,960

so whether it was that or something else

1024

00:44:44,809 --> 00:44:41,339

who knows

1025

00:44:46,069 --> 00:44:44,819

but uh if you do the history because I

1026

00:44:47,630 --> 00:44:46,079

like to go back to look at the history

1027

00:44:50,030 --> 00:44:47,640

and all that stuff

1028

00:44:52,550 --> 00:44:50,040

Camp Kanawaga has always been kind of

1029

00:44:54,410 --> 00:44:52,560

like a Gathering Spot I think they used

1030

00:44:56,270 --> 00:44:54,420

to gather there when when this area was

1031

00:44:57,109 --> 00:44:56,280

Frontier they actually used to gather

1032

00:44:59,510 --> 00:44:57,119

their

1033

00:45:02,030 --> 00:44:59,520

gather there to sell furs and all that

1034

00:45:03,970 --> 00:45:02,040

stuff the um

1035

00:45:06,530 --> 00:45:03,980

the Susquehanna

1036

00:45:08,030 --> 00:45:06,540

Indians used to that used to be a

1037

00:45:09,710 --> 00:45:08,040

meeting place for them and then when

1038

00:45:12,829 --> 00:45:09,720

they got moved out

1039

00:45:14,510 --> 00:45:12,839

some of the fur Trappers set up uh well

1040

00:45:17,870 --> 00:45:14,520

there was a trading post set up there

1041

00:45:20,290 --> 00:45:17,880

yep and then that was kind of the uh the

1042

00:45:22,309 --> 00:45:20,300

Gateway into the you know into the West

1043

00:45:24,950 --> 00:45:22,319

uh you know going into Western

1044

00:45:27,589 --> 00:45:24,960

Pennsylvania and uh there were a lot

1045

00:45:30,710 --> 00:45:27,599

there were a lot of trading posts up and

1046

00:45:33,470 --> 00:45:30,720

down there so I you know I uh but you're

1047

00:45:36,050 --> 00:45:33,480

right I mean it's a well-known area I

1048

00:45:38,750 --> 00:45:36,060

mean the Susquehanna used to hang out in

1049

00:45:41,450 --> 00:45:38,760

there I knew the Shawnee did as well

1050

00:45:43,910 --> 00:45:41,460

uh it's a little further south for the

1051

00:45:45,109 --> 00:45:43,920

the Delaware and the londonape but you

1052

00:45:46,309 --> 00:45:45,119

know there's been a lot of there's been

1053

00:45:48,410 --> 00:45:46,319

a lot

1054

00:45:53,390 --> 00:45:48,420

of uh

1055

00:45:55,970 --> 00:45:53,400

area or in this area

1056

00:45:58,309 --> 00:45:55,980

so a lot of Crossroads a lot of

1057

00:45:59,870 --> 00:45:58,319

Crossroads so yeah and you know and then

1058

00:46:02,390 --> 00:45:59,880

you think about it if it's a crossroad

1059

00:46:04,550 --> 00:46:02,400

it's a liminal space and a lot of these

1060

00:46:07,849 --> 00:46:04,560

things happen in liminal spaces

1061

00:46:10,609 --> 00:46:07,859

so and and I think I even had I think we

1062

00:46:12,950 --> 00:46:10,619

just talked to a guy recently and we're

1063

00:46:15,710 --> 00:46:12,960

going to be talking to him he has seen

1064

00:46:17,750 --> 00:46:15,720

it now this is down more towards where

1065

00:46:20,150 --> 00:46:17,760

where the kind of logger dumps into the

1066

00:46:22,010 --> 00:46:20,160

Susquehanna he's down near that area and

1067

00:46:23,210 --> 00:46:22,020

he has seen

1068

00:46:25,309 --> 00:46:23,220

something

1069

00:46:28,370 --> 00:46:25,319

along the lines of the conologic Phantom

1070

00:46:29,990 --> 00:46:28,380

so well that's one um there's one right

1071

00:46:31,609 --> 00:46:30,000

there was one scene right off iron

1072

00:46:35,710 --> 00:46:31,619

Furnace Road too

1073

00:46:38,030 --> 00:46:35,720

okay uh not far from uh from the the

1074

00:46:40,069 --> 00:46:38,040

Codorus furnace the dark the doors

1075

00:46:41,930 --> 00:46:40,079

furnace yep yeah that was probably the

1076

00:46:43,490 --> 00:46:41,940

one I was talking about that that seemed

1077

00:46:46,670 --> 00:46:43,500

to travel between the two furnaces

1078

00:46:48,230 --> 00:46:46,680

between the two Creeks yeah a woman a

1079

00:46:52,510 --> 00:46:48,240

mother and a daughter actually this

1080

00:46:58,730 --> 00:46:55,130

yeah but that I would have liked to seen

1081

00:47:01,370 --> 00:46:58,740

that conversation yeah

1082

00:47:03,650 --> 00:47:01,380

I mean I've seen enough of the other red

1083

00:47:05,210 --> 00:47:03,660

eye the glowing red eyes and when I say

1084

00:47:06,589 --> 00:47:05,220

glowing red eyes I don't mean the the

1085

00:47:08,210 --> 00:47:06,599

Eye shine I'm talking about literally

1086

00:47:10,849 --> 00:47:08,220

the glowing red eyes

1087

00:47:13,190 --> 00:47:10,859

um I don't know what I would do if I saw

1088

00:47:15,950 --> 00:47:13,200

like something like drop on the hood of

1089

00:47:17,930 --> 00:47:15,960

my car or something like that so it

1090

00:47:19,730 --> 00:47:17,940

would be quite interesting so but yeah

1091

00:47:21,950 --> 00:47:19,740

that's my experience you know what it is

1092

00:47:25,309 --> 00:47:21,960

I don't know and I don't think we'll

1093

00:47:27,530 --> 00:47:25,319

ever really really know wow so you know

1094

00:47:29,270 --> 00:47:27,540

and this is what I've been saying for a

1095

00:47:33,890 --> 00:47:29,280

long time you know I had my encounter in

1096

00:47:36,609 --> 00:47:33,900

1988 up at kennel up Conewago but the

1097

00:47:40,130 --> 00:47:36,619

the funny thing is

1098

00:47:42,470 --> 00:47:40,140

why am I getting the one involved

1099

00:47:44,270 --> 00:47:42,480

primarily in what course with Manuel and

1100

00:47:47,870 --> 00:47:44,280

and Tobias with this stuff in Chicago

1101
00:47:51,530 --> 00:47:47,880
because what they're seeing is very

1102
00:47:54,890 --> 00:47:53,150
you know I've been I was talking about

1103
00:47:57,109 --> 00:47:54,900
this thing

1104
00:47:59,150 --> 00:47:57,119
25 years before the things in Chicago

1105
00:48:01,430 --> 00:47:59,160
started

1106
00:48:03,069 --> 00:48:01,440
so I don't know I I don't I don't care

1107
00:48:05,030 --> 00:48:03,079
here's a question

1108
00:48:09,349 --> 00:48:05,040
I've been wanting to ask you this

1109
00:48:12,290 --> 00:48:09,359
forever but you know Illinois you're the

1110
00:48:15,410 --> 00:48:12,300
king of the Mothman

1111
00:48:20,170 --> 00:48:17,450
somewhat

1112
00:48:22,490 --> 00:48:20,180
Sasquatch but you you got the Mothman

1113
00:48:24,710 --> 00:48:22,500

and Dogman

1114

00:48:26,270 --> 00:48:24,720

especially up in the Northeast like

1115

00:48:27,589 --> 00:48:26,280

Pennsylvania so I'm just trying to

1116

00:48:30,170 --> 00:48:27,599

figure

1117

00:48:33,290 --> 00:48:30,180

are they dispersed because of the cave

1118

00:48:36,370 --> 00:48:33,300

system is no one reporting them do they

1119

00:48:39,170 --> 00:48:36,380

like the area because you know Missouri

1120

00:48:42,530 --> 00:48:39,180

I've taken out of

1121

00:48:45,170 --> 00:48:42,540

probably 450 to 500 Witnesses now I've

1122

00:48:49,849 --> 00:48:45,180

taken three dog man reports one I put in

1123

00:48:54,010 --> 00:48:49,859

the book uh with a photo two I just put

1124

00:48:57,050 --> 00:48:54,020

them as also noted dog man's just not

1125

00:48:59,150 --> 00:48:57,060

reported down here but for every

1126
00:49:02,089 --> 00:48:59,160
Sasquatch reporter I get you get three

1127
00:49:04,609 --> 00:49:02,099
mothmans so they love your Corridor up

1128
00:49:07,790 --> 00:49:04,619
there for whatever reason I don't know

1129
00:49:11,030 --> 00:49:07,800
what it is about the Chicago area cave

1130
00:49:13,849 --> 00:49:11,040
systems I don't know it's the water a

1131
00:49:15,829 --> 00:49:13,859
forest or whatever it is

1132
00:49:18,050 --> 00:49:15,839
that's something we just haven't been

1133
00:49:19,430 --> 00:49:18,060
able to figure out you know the fact

1134
00:49:22,430 --> 00:49:19,440
that we're getting all these settings

1135
00:49:25,609 --> 00:49:22,440
around that airport for more recently

1136
00:49:28,670 --> 00:49:25,619
that's crazy yeah it's crazy it is crazy

1137
00:49:31,510 --> 00:49:28,680
I mean 160 sightings

1138
00:49:35,569 --> 00:49:31,520

so far that we considered to even be

1139

00:49:36,589 --> 00:49:35,579

valid sightings and you know and you

1140

00:49:40,670 --> 00:49:36,599

know there's a lot more that aren't

1141

00:49:43,430 --> 00:49:40,680

getting reported and uh

1142

00:49:46,430 --> 00:49:43,440

yeah it's it's a hot spot now why that

1143

00:49:48,710 --> 00:49:46,440

is you know that area Illinois and

1144

00:49:52,730 --> 00:49:48,720

Indiana have always been known for

1145

00:49:54,530 --> 00:49:52,740

uh Thunderbird sightings and pterosaur

1146

00:49:58,190 --> 00:49:54,540

sightings and other Wing being sightings

1147

00:50:01,270 --> 00:49:58,200

I mean for deck for centuries I mean

1148

00:50:04,970 --> 00:50:01,280

even the indigenous people used to drop

1149

00:50:06,349 --> 00:50:04,980

petroglyphs and such of these things

1150

00:50:09,470 --> 00:50:06,359

um

1151
00:50:11,690 --> 00:50:09,480
but why these things are showing up now

1152
00:50:15,130 --> 00:50:11,700
I I don't know but they're so

1153
00:50:18,589 --> 00:50:15,140
concentrated like Chicago was like

1154
00:50:21,109 --> 00:50:18,599
the the

1155
00:50:24,230 --> 00:50:21,119
poster boy for Chicago would be the

1156
00:50:28,430 --> 00:50:24,240
Mothman you know Missouri is Sasquatch

1157
00:50:31,010 --> 00:50:28,440
you know I I just it's that they don't

1158
00:50:33,230 --> 00:50:31,020
trickle down what is it is it the cave

1159
00:50:34,430 --> 00:50:33,240
system that they're using to hide in it

1160
00:50:37,550 --> 00:50:34,440
I don't know

1161
00:50:42,349 --> 00:50:37,560
because it is odd that the Mothman

1162
00:50:44,569 --> 00:50:42,359
Dogman pale whites uh Slenderman they're

1163
00:50:46,490 --> 00:50:44,579

they're not around here Sasquatch they

1164

00:50:49,730 --> 00:50:46,500

are but you you just get

1165

00:50:51,589 --> 00:50:49,740

tiny little Snippets of reports of that

1166

00:50:55,130 --> 00:50:51,599

but up there you know you're probably

1167

00:50:58,130 --> 00:50:55,140

three or four to one on Sasha Sasquatch

1168

00:51:00,650 --> 00:50:58,140

reports versus Missouri you know we have

1169

00:51:04,370 --> 00:51:00,660

you outnumbered but you you the Mothman

1170

00:51:08,329 --> 00:51:04,380

it's just odd that they seem to have lit

1171

00:51:11,210 --> 00:51:08,339

into a certain region and like it there

1172

00:51:12,890 --> 00:51:11,220

uh you know this has been this has been

1173

00:51:15,109 --> 00:51:12,900

the big mystery from the very beginning

1174

00:51:18,829 --> 00:51:15,119

I mean you know this is something that

1175

00:51:21,650 --> 00:51:18,839

we've been trying to figure out yeah is

1176

00:51:24,250 --> 00:51:21,660

the do you not have a state income tax

1177

00:51:26,510 --> 00:51:24,260

in Illinois so that's why there's more

1178

00:51:29,030 --> 00:51:26,520

I'm just trying to figure out you know

1179

00:51:32,750 --> 00:51:29,040

what's the attraction you know is it a

1180

00:51:35,030 --> 00:51:32,760

cave system is it the climate or you

1181

00:51:37,609 --> 00:51:35,040

know the food sources Illinois I don't

1182

00:51:39,410 --> 00:51:37,619

know about cave systems in Illinois I

1183

00:51:41,630 --> 00:51:39,420

don't think it's it's as much as it

1184

00:51:42,950 --> 00:51:41,640

hears here in Pennsylvania I mean that

1185

00:51:45,470 --> 00:51:42,960

could be a factor here in Pennsylvania

1186

00:51:51,910 --> 00:51:45,480

we've got a lot of caves

1187

00:51:57,109 --> 00:51:54,890

I mean you know you go down into the the

1188

00:51:59,690 --> 00:51:57,119

Ozarks but I you know

1189

00:52:02,690 --> 00:51:59,700

and that's another story of Ozarks oh my

1190

00:52:05,510 --> 00:52:02,700

God it's crazy down there oh man and the

1191

00:52:08,990 --> 00:52:05,520

Sheep are nervous absolutely you know I

1192

00:52:11,390 --> 00:52:09,000

I I was actually thinking about that

1193

00:52:13,549 --> 00:52:11,400

today and I have a theory

1194

00:52:16,910 --> 00:52:13,559

you can talk about the portals and stuff

1195

00:52:19,150 --> 00:52:16,920

yeah what if they're not using portals

1196

00:52:22,010 --> 00:52:19,160

to come visit us but more of a shortcut

1197

00:52:24,109 --> 00:52:22,020

from this Dimension to the next yeah

1198

00:52:26,510 --> 00:52:24,119

that could be yeah

1199

00:52:29,329 --> 00:52:26,520

yeah they're here briefly enough to be

1200

00:52:31,370 --> 00:52:29,339

seen and then you know anything's on the

1201
00:52:35,569 --> 00:52:31,380
table you know and that's why there's

1202
00:52:38,930 --> 00:52:35,579
the argument with the of the the in my

1203
00:52:43,130 --> 00:52:38,940
specific area of Interest which is

1204
00:52:47,510 --> 00:52:43,140
Sasquatch was with the apers and the

1205
00:52:49,849 --> 00:52:47,520
paranormal or Quantum faction yeah you

1206
00:52:53,210 --> 00:52:49,859
know so that that's the the never-ending

1207
00:52:55,849 --> 00:52:53,220
argument is you know they can't do this

1208
00:52:57,230 --> 00:52:55,859
they can't be this and so we're we're in

1209
00:53:00,230 --> 00:52:57,240
loggerheads that's why there's all this

1210
00:53:03,710 --> 00:53:00,240
we know this is something we ran across

1211
00:53:05,690 --> 00:53:03,720
this week I mean you know and it's big

1212
00:53:07,490 --> 00:53:05,700
in the Sasquatch Community but it's big

1213
00:53:10,549 --> 00:53:07,500

everywhere why

1214

00:53:12,290 --> 00:53:10,559

why all the infighting and bickering and

1215

00:53:13,849 --> 00:53:12,300

moaning and groaning and nobody wants to

1216

00:53:16,849 --> 00:53:13,859

even want to work together

1217

00:53:19,609 --> 00:53:16,859

everybody wants to be number one well I

1218

00:53:22,069 --> 00:53:19,619

guess that's what it is I mean what else

1219

00:53:24,049 --> 00:53:22,079

is it your egos are like a million

1220

00:53:27,410 --> 00:53:24,059

dollar prize if you're the one or

1221

00:53:33,950 --> 00:53:31,250

it does not well it does make sense but

1222

00:53:36,109 --> 00:53:33,960

in that we're all in this together

1223

00:53:38,930 --> 00:53:36,119

there should be some

1224

00:53:41,809 --> 00:53:38,940

even loosen it camaraderie and there

1225

00:53:43,970 --> 00:53:41,819

isn't you know you know we we discussed

1226

00:53:48,470 --> 00:53:43,980

this earlier this week when yeah they

1227

00:53:50,270 --> 00:53:48,480

went Bonkers over my book cover yeah it

1228

00:53:52,069 --> 00:53:50,280

wouldn't let it be and would just

1229

00:53:54,230 --> 00:53:52,079

trashing me

1230

00:53:56,930 --> 00:53:54,240

he's a fellow researcher

1231

00:53:59,750 --> 00:53:56,940

it's like what

1232

00:54:01,490 --> 00:53:59,760

you don't have to trash me to disagree

1233

00:54:04,130 --> 00:54:01,500

and let's have a debate and conversation

1234

00:54:07,190 --> 00:54:04,140

so we all have our opinions as to

1235

00:54:09,950 --> 00:54:07,200

Paranormal Quantum Flesh and Blood only

1236

00:54:12,170 --> 00:54:09,960

blah blah blah uh you know

1237

00:54:15,230 --> 00:54:12,180

which is fine that's how we get

1238

00:54:16,549 --> 00:54:15,240

somewhere you know well that's why we

1239

00:54:19,010 --> 00:54:16,559

have the group

1240

00:54:20,390 --> 00:54:19,020

I mean you know but when it comes out of

1241

00:54:23,270 --> 00:54:20,400

the group

1242

00:54:25,130 --> 00:54:23,280

yeah and that's a problem and you know

1243

00:54:27,049 --> 00:54:25,140

I'm not putting up with that and you run

1244

00:54:28,670 --> 00:54:27,059

a nice tight ship you're right you have

1245

00:54:30,109 --> 00:54:28,680

one of the better

1246

00:54:33,049 --> 00:54:30,119

paranormal

1247

00:54:35,450 --> 00:54:33,059

operations that I've been a part of you

1248

00:54:39,890 --> 00:54:35,460

just don't appreciate that allow it you

1249

00:54:42,290 --> 00:54:39,900

know you don't allow it by mean you

1250

00:54:44,690 --> 00:54:42,300

don't allow it you actually take action

1251
00:54:47,030 --> 00:54:44,700
you don't just like go now you stop that

1252
00:54:49,569 --> 00:54:47,040
Bobby you be nice and harder you know

1253
00:54:52,549 --> 00:54:49,579
yeah I found that it doesn't work

1254
00:54:53,750 --> 00:54:52,559
get the hell out of here the thing is

1255
00:54:58,730 --> 00:54:53,760
the thing is

1256
00:55:00,410 --> 00:54:58,740
and you said about our about everybody's

1257
00:55:02,930 --> 00:55:00,420
opinions Carter

1258
00:55:04,430 --> 00:55:02,940
when you do this research you really

1259
00:55:06,410 --> 00:55:04,440
shouldn't put your opinion on things

1260
00:55:09,349 --> 00:55:06,420
because if and I'm not saying you in

1261
00:55:10,849 --> 00:55:09,359
general I mean everybody in general you

1262
00:55:13,250 --> 00:55:10,859
shouldn't put your opinions when you're

1263
00:55:16,430 --> 00:55:13,260

doing research because if you're doing

1264

00:55:18,470 --> 00:55:16,440

right right science okay

1265

00:55:20,750 --> 00:55:18,480

you look at everything

1266

00:55:22,549 --> 00:55:20,760

all the evidence and then you draw your

1267

00:55:24,109 --> 00:55:22,559

conclusions by looking at all the

1268

00:55:25,790 --> 00:55:24,119

evidence whether it's

1269

00:55:27,410 --> 00:55:25,800

and I'm just going to use the the

1270

00:55:29,569 --> 00:55:27,420

Bigfoot thing because like you said you

1271

00:55:31,490 --> 00:55:29,579

have the apers and The Relic hominids

1272

00:55:33,230 --> 00:55:31,500

and all and all that and the high

1273

00:55:35,210 --> 00:55:33,240

strangeness people and the Paranormal

1274

00:55:37,609 --> 00:55:35,220

and the whole dimension and all that

1275

00:55:40,190 --> 00:55:37,619

but you should look at all the evidence

1276
00:55:41,690 --> 00:55:40,200
no matter how small and and inconclusive

1277
00:55:44,089 --> 00:55:41,700
it is and just

1278
00:55:46,130 --> 00:55:44,099
and take it all into account

1279
00:55:48,710 --> 00:55:46,140
because a lot of times when you have the

1280
00:55:50,390 --> 00:55:48,720
Bigfoot reports you have the crazy

1281
00:55:52,910 --> 00:55:50,400
things like lights in the woods somebody

1282
00:55:54,410 --> 00:55:52,920
might have seen a UFO or whatever but

1283
00:55:56,750 --> 00:55:54,420
you should take all that into account

1284
00:55:58,130 --> 00:55:56,760
and and like you said we should all be

1285
00:56:01,250 --> 00:55:58,140
kind of working together and looking at

1286
00:56:03,829 --> 00:56:01,260
it as a as a whole holistically

1287
00:56:05,870 --> 00:56:03,839
I mean I think we would get a little

1288
00:56:07,370 --> 00:56:05,880

further that way if you know what I mean

1289

00:56:10,190 --> 00:56:07,380

we want to put the team together in the

1290

00:56:12,410 --> 00:56:10,200

first place I mean and you know exactly

1291

00:56:13,430 --> 00:56:12,420

yeah I felt like people might argue but

1292

00:56:15,530 --> 00:56:13,440

if you're going to start you know

1293

00:56:17,510 --> 00:56:15,540

calling me names and yeah well that

1294

00:56:18,950 --> 00:56:17,520

that's ridiculous that's just ridiculous

1295

00:56:22,190 --> 00:56:18,960

that's what we're talking about when you

1296

00:56:25,069 --> 00:56:22,200

take it yeah level that is far above

1297

00:56:27,349 --> 00:56:25,079

professional it is so beyond like are

1298

00:56:30,130 --> 00:56:27,359

you 12 years old or what what is wrong

1299

00:56:33,349 --> 00:56:30,140

with you you know exactly

1300

00:56:35,569 --> 00:56:33,359

I I saw one you didn't I mean it's just

1301

00:56:38,569 --> 00:56:35,579

gotten so high schoolish it's just

1302

00:56:40,190 --> 00:56:38,579

ridiculous I I'm very careful about when

1303

00:56:42,170 --> 00:56:40,200

I put an opinion out there I've done

1304

00:56:44,329 --> 00:56:42,180

like you said I do my homework best of

1305

00:56:47,030 --> 00:56:44,339

my ability I do my homework I vet my

1306

00:56:48,829 --> 00:56:47,040

Witnesses best I can you know and at the

1307

00:56:50,990 --> 00:56:48,839

end of the day you have to like have

1308

00:56:54,109 --> 00:56:51,000

some faith in your fellow man not too

1309

00:56:57,950 --> 00:56:54,119

much but just enough you know but it's

1310

00:57:00,349 --> 00:56:57,960

it's just bizarre that we are turning on

1311

00:57:05,030 --> 00:57:00,359

ourselves and it's for no other reason

1312

00:57:07,130 --> 00:57:05,040

than ego in the possible big prize at

1313

00:57:09,410 --> 00:57:07,140

the end of the thing I get to pull the

1314

00:57:12,770 --> 00:57:09,420

uh you know million dollar pot out of

1315

00:57:15,950 --> 00:57:12,780

the tree because I found a body it's

1316

00:57:18,710 --> 00:57:15,960

it's gone beyond research and it's all

1317

00:57:22,910 --> 00:57:18,720

satisfying our egos and our positions in

1318

00:57:24,650 --> 00:57:22,920

in the Sasquatch Community right the way

1319

00:57:27,349 --> 00:57:24,660

I look at it it's just like

1320

00:57:29,030 --> 00:57:27,359

it's gotten ridiculous you you know and

1321

00:57:30,530 --> 00:57:29,040

I'm building a website I'm just going to

1322

00:57:32,450 --> 00:57:30,540

get off a social here pretty quick

1323

00:57:34,910 --> 00:57:32,460

because I'm gonna I'm gonna share my

1324

00:57:36,829 --> 00:57:34,920

stuff on my web page because you know

1325

00:57:38,770 --> 00:57:36,839

this social media thing it's great to

1326

00:57:41,329 --> 00:57:38,780

connect but boy

1327

00:57:43,370 --> 00:57:41,339

you get the little keyboard Warrior guys

1328

00:57:45,530 --> 00:57:43,380

on there oh you

1329

00:57:46,910 --> 00:57:45,540

you you're so full of crap oh

1330

00:57:49,010 --> 00:57:46,920

I know it's just it's just like it's

1331

00:57:50,089 --> 00:57:49,020

like I'm back in high school junior high

1332

00:57:52,790 --> 00:57:50,099

even

1333

00:57:55,010 --> 00:57:52,800

kids are more mature in high school you

1334

00:57:56,450 --> 00:57:55,020

know I'm like in junior high if we all

1335

00:57:58,309 --> 00:57:56,460

experience it you know I'm not I'm not

1336

00:58:01,730 --> 00:57:58,319

preaching I am preaching to the choir we

1337

00:58:03,829 --> 00:58:01,740

all didn't hear it you know uh but when

1338

00:58:05,809 --> 00:58:03,839

you know uh some of this stuff went down

1339

00:58:08,630 --> 00:58:05,819

with you know people that should know

1340

00:58:11,150 --> 00:58:08,640

considerably better they're hurting all

1341

00:58:12,910 --> 00:58:11,160

of us for their own ego and

1342

00:58:15,170 --> 00:58:12,920

gratification that's all they care about

1343

00:58:19,190 --> 00:58:15,180

a lot of people that shouldn't be in

1344

00:58:21,170 --> 00:58:19,200

this are in it yeah and uh but you know

1345

00:58:23,510 --> 00:58:21,180

you see it you see it all throughout the

1346

00:58:26,530 --> 00:58:23,520

community you really do and some of

1347

00:58:30,470 --> 00:58:26,540

these arguments just really get bad yeah

1348

00:58:32,870 --> 00:58:30,480

uh and unfortunately

1349

00:58:35,569 --> 00:58:32,880

there are too many people that just like

1350

00:58:37,190 --> 00:58:35,579

to see it festering and get worse yeah

1351
00:58:38,569 --> 00:58:37,200
yeah

1352
00:58:40,370 --> 00:58:38,579
um but

1353
00:58:42,710 --> 00:58:40,380
but I will say that's not going to

1354
00:58:43,910 --> 00:58:42,720
happen on my bunch I mean that is just

1355
00:58:46,130 --> 00:58:43,920
not going to happen I'm not going to put

1356
00:58:48,049 --> 00:58:46,140
up with that yeah

1357
00:58:51,170 --> 00:58:48,059
you know I may get criticized for it

1358
00:58:53,150 --> 00:58:51,180
sometimes but I I'm you know I I just

1359
00:58:54,890 --> 00:58:53,160
just am not going to put up with that we

1360
00:58:56,630 --> 00:58:54,900
got too much other stuff going I've got

1361
00:59:00,349 --> 00:58:56,640
too much other stuff going on they'd be

1362
00:59:03,130 --> 00:59:00,359
worried about that yeah and uh you know

1363
00:59:06,530 --> 00:59:03,140

it we always want to

1364

00:59:07,789 --> 00:59:06,540

Kumbaya and be all all for one-on-one

1365

00:59:10,130 --> 00:59:07,799

for all

1366

00:59:11,170 --> 00:59:10,140

it doesn't happen it may not happen

1367

00:59:14,390 --> 00:59:11,180

because

1368

00:59:16,970 --> 00:59:14,400

everybody's you know most of the

1369

00:59:20,150 --> 00:59:16,980

critique comes from people who have been

1370

00:59:21,890 --> 00:59:20,160

in the woods very little if at all

1371

00:59:23,569 --> 00:59:21,900

they're just keyboard people I saw this

1372

00:59:25,910 --> 00:59:23,579

picture that can't be you know I mean

1373

00:59:27,829 --> 00:59:25,920

yeah comparing apples to you know

1374

00:59:29,870 --> 00:59:27,839

rutabagas you're not even close what

1375

00:59:32,809 --> 00:59:29,880

what's your comparison based on you know

1376

00:59:35,049 --> 00:59:32,819

it's just it's so silly and you know in

1377

00:59:39,109 --> 00:59:35,059

all of this turmoil that we create

1378

00:59:42,230 --> 00:59:39,119

amongst our investigator selves

1379

00:59:44,809 --> 00:59:42,240

Keeps Us in the Bog because the more

1380

00:59:47,089 --> 00:59:44,819

turmoil we have and we're generating the

1381

00:59:49,069 --> 00:59:47,099

less likely we're going to get to find

1382

00:59:51,589 --> 00:59:49,079

anything out because we're too busy

1383

00:59:54,049 --> 00:59:51,599

trying to be number one and point our

1384

00:59:56,450 --> 00:59:54,059

finger at him and her and you're not no

1385

00:59:58,910 --> 00:59:56,460

good you're my friend I like you and I

1386

01:00:01,430 --> 00:59:58,920

don't like you and I don't like you

1387

01:00:04,609 --> 01:00:01,440

God I got I quit doing that stuff like

1388

01:00:06,049 --> 01:00:04,619

you know 50 years ago Jesus come on

1389

01:00:07,730 --> 01:00:06,059

people you know it's just very

1390

01:00:09,829 --> 01:00:07,740

frustrating you know what I mean that is

1391

01:00:12,890 --> 01:00:09,839

it is all right well you know and that's

1392

01:00:15,049 --> 01:00:12,900

why I appreciate the team because I mean

1393

01:00:16,849 --> 01:00:15,059

we got a bunch of people on there

1394

01:00:18,470 --> 01:00:16,859

that are doing a lot of what I'm not

1395

01:00:20,510 --> 01:00:18,480

doing because I'm not out in the field

1396

01:00:22,609 --> 01:00:20,520

very rarely anymore

1397

01:00:25,490 --> 01:00:22,619

uh though I'm going to try to eventually

1398

01:00:26,990 --> 01:00:25,500

but you know I'm I'm behind the keyboard

1399

01:00:29,329 --> 01:00:27,000

doing all kinds of other stuff and

1400

01:00:31,069 --> 01:00:29,339

taking calls and stuff but yeah I got

1401

01:00:34,250 --> 01:00:31,079

you know I got folks like you and all

1402

01:00:37,309 --> 01:00:34,260

going out there and and with boots in

1403

01:00:40,549 --> 01:00:37,319

the ground and looking into cases and uh

1404

01:00:43,910 --> 01:00:40,559

I think it works but

1405

01:00:45,829 --> 01:00:43,920

well it just came to a head that did a

1406

01:00:48,250 --> 01:00:45,839

few days ago and it was just

1407

01:00:51,349 --> 01:00:48,260

so out of line you know

1408

01:00:53,690 --> 01:00:51,359

this person's calling my stuff crap and

1409

01:00:55,370 --> 01:00:53,700

I went and looked at his and other

1410

01:00:57,109 --> 01:00:55,380

people's stuff that were all chiming in

1411

01:00:59,690 --> 01:00:57,119

oh yeah that's that's garbage you're

1412

01:01:02,210 --> 01:00:59,700

right you're right they all got garbage

1413

01:01:05,270 --> 01:01:02,220

I mean they're all passing the same crap

1414

01:01:08,510 --> 01:01:05,280

around and saying the same stuff they're

1415

01:01:10,970 --> 01:01:08,520

it's not productive it's not mature it's

1416

01:01:13,549 --> 01:01:10,980

not like how do we

1417

01:01:15,230 --> 01:01:13,559

talk to one another and come to an

1418

01:01:16,849 --> 01:01:15,240

agreement like well I believe this I

1419

01:01:18,349 --> 01:01:16,859

believe this might be you know you don't

1420

01:01:20,690 --> 01:01:18,359

have to like somebody's work but you can

1421

01:01:22,609 --> 01:01:20,700

just you can question and debate how

1422

01:01:25,150 --> 01:01:22,619

they arrived in an opinion instead of

1423

01:01:27,230 --> 01:01:25,160

you're full of crap that's bull

1424

01:01:28,730 --> 01:01:27,240

you know I mean you might as well just

1425

01:01:31,309 --> 01:01:28,740

flip them off and kill their mothers you

1426
01:01:33,650 --> 01:01:31,319
know I mean what what what what's going

1427
01:01:35,630 --> 01:01:33,660
to stop you from just

1428
01:01:37,430 --> 01:01:35,640
driving by and throwing a Molotov

1429
01:01:40,670 --> 01:01:37,440
cocktail through my window you know I

1430
01:01:42,230 --> 01:01:40,680
mean you the the hate is just palatable

1431
01:01:44,150 --> 01:01:42,240
and everybody here knows what I'm

1432
01:01:47,210 --> 01:01:44,160
talking about you know what do you think

1433
01:01:49,069 --> 01:01:47,220
of it or not uh it's another thing but

1434
01:01:50,690 --> 01:01:49,079
everybody probably has or you see and

1435
01:01:53,089 --> 01:01:50,700
you go oh my God what's wrong with that

1436
01:01:56,089 --> 01:01:53,099
guy or that girl or woman you know it's

1437
01:01:59,150 --> 01:01:56,099
just it's just bizarre is it is it that

1438
01:02:02,030 --> 01:01:59,160

big a deal you know

1439

01:02:03,650 --> 01:02:02,040

well it is it is

1440

01:02:05,089 --> 01:02:03,660

yeah there's a book

1441

01:02:07,250 --> 01:02:05,099

that's a good book

1442

01:02:09,789 --> 01:02:07,260

oh wait maybe it's not I know the guy

1443

01:02:12,170 --> 01:02:09,799

that wrote that I think he's on drugs

1444

01:02:14,089 --> 01:02:12,180

you know what I mean so but you know

1445

01:02:15,589 --> 01:02:14,099

I've written three books and they're all

1446

01:02:17,630 --> 01:02:15,599

just

1447

01:02:20,930 --> 01:02:17,640

mostly

1448

01:02:22,490 --> 01:02:20,940

events from my Witnesses you know right

1449

01:02:24,190 --> 01:02:22,500

the last book the one I just put out

1450

01:02:27,470 --> 01:02:24,200

it's got

1451

01:02:30,890 --> 01:02:27,480

habituation and visitation paranormal

1452

01:02:33,589 --> 01:02:30,900

you know a very very little of it is

1453

01:02:36,170 --> 01:02:33,599

your aper your meat and potato I saw one

1454

01:02:38,750 --> 01:02:36,180

cross the road you know I've got a woman

1455

01:02:42,289 --> 01:02:38,760

who saw you know uh five Sasquatch herd

1456

01:02:43,490 --> 01:02:42,299

60 70 deer and uh kill five and they all

1457

01:02:45,289 --> 01:02:43,500

walk down with a deer over their

1458

01:02:46,670 --> 01:02:45,299

shoulder watch one night at midnight

1459

01:02:48,410 --> 01:02:46,680

while she was waiting for her friends to

1460

01:02:51,049 --> 01:02:48,420

meet her in the middle of the woods you

1461

01:02:54,289 --> 01:02:51,059

know I mean there's stuff going on that

1462

01:02:56,089 --> 01:02:54,299

people need to know about and we're busy

1463

01:02:57,710 --> 01:02:56,099

fighting amongst ourselves we're not

1464

01:02:59,870 --> 01:02:57,720

doing our Witnesses any favors or

1465

01:03:02,930 --> 01:02:59,880

anything like that you know

1466

01:03:05,510 --> 01:03:02,940

um but you know you know it's not

1467

01:03:07,849 --> 01:03:05,520

healthy for what we're trying to get

1468

01:03:09,289 --> 01:03:07,859

done it's just not not healthy and you

1469

01:03:12,109 --> 01:03:09,299

know some of the worst offenders or

1470

01:03:16,789 --> 01:03:14,930

uh got a question for Chad what's the

1471

01:03:19,190 --> 01:03:16,799

weirdest thing you've experienced in the

1472

01:03:27,349 --> 01:03:21,950

oh geez

1473

01:03:31,849 --> 01:03:29,089

I would say like the stuff that's

1474

01:03:33,890 --> 01:03:31,859

happened to me well I don't know the one

1475

01:03:36,530 --> 01:03:33,900

when we were down in Maryland in a place

1476

01:03:40,490 --> 01:03:36,540

we call gazoo's Woods

1477

01:03:42,109 --> 01:03:40,500

and I made the folkloric mistake of

1478

01:03:45,109 --> 01:03:42,119

asking for something which you normally

1479

01:03:48,470 --> 01:03:45,119

shouldn't do oh wow and and Tim cringed

1480

01:03:51,349 --> 01:03:48,480

when I did it I bet he did and the next

1481

01:03:53,390 --> 01:03:51,359

thing you know we had this weird just it

1482

01:03:55,730 --> 01:03:53,400

was almost like a it was like a

1483

01:03:57,890 --> 01:03:55,740

combination of like an eagle scream and

1484

01:04:01,490 --> 01:03:57,900

some other odd animal it was just

1485

01:04:04,910 --> 01:04:01,500

bizarre it was just this weird noise

1486

01:04:07,670 --> 01:04:04,920

and I was just like yeah it's time to go

1487

01:04:08,690 --> 01:04:07,680

but I would say recently the weirdest

1488

01:04:11,030 --> 01:04:08,700

one

1489

01:04:13,849 --> 01:04:11,040

had to be definitely when I was standing

1490

01:04:16,069 --> 01:04:13,859

there and I was recording my friend

1491

01:04:17,990 --> 01:04:16,079

Caleb at the campfire and I just kind of

1492

01:04:20,809 --> 01:04:18,000

looked up to my friend's tent and I just

1493

01:04:23,690 --> 01:04:20,819

saw that big gray shape Loom up

1494

01:04:26,569 --> 01:04:23,700

that that was the one I would say was

1495

01:04:28,309 --> 01:04:26,579

kind of the weirdest one you know

1496

01:04:30,770 --> 01:04:28,319

because that

1497

01:04:32,569 --> 01:04:30,780

that spooked me that was one of the few

1498

01:04:34,490 --> 01:04:32,579

times I've actually been spooked and

1499

01:04:37,490 --> 01:04:34,500

then and then

1500

01:04:39,049 --> 01:04:37,500

yeah yeah and then when you see like a

1501
01:04:40,609 --> 01:04:39,059
set of red eyes you're looking at them

1502
01:04:42,589 --> 01:04:40,619
and then you literally see them blink

1503
01:04:45,410 --> 01:04:42,599
slowly like a cat

1504
01:04:46,849 --> 01:04:45,420
and it's up in the tree that's bizarre

1505
01:04:52,849 --> 01:04:46,859
too so

1506
01:04:57,049 --> 01:04:55,250
but yeah here's here's an interesting

1507
01:04:59,690 --> 01:04:57,059
question

1508
01:05:02,150 --> 01:04:59,700
um king of huku Mundo have you guys

1509
01:05:05,569 --> 01:05:02,160
heard of a Canadian saying he has a

1510
01:05:08,089 --> 01:05:05,579
Bigfoot body I have heard so many people

1511
01:05:12,130 --> 01:05:08,099
who have claimed to have Bigfoot bodies

1512
01:05:15,230 --> 01:05:12,140
over the past 50 years I mean 45 years

1513
01:05:17,690 --> 01:05:15,240

uh it just drives me crazy

1514

01:05:21,410 --> 01:05:17,700

of course everybody remembers the

1515

01:05:23,630 --> 01:05:21,420

Georgia Bigfoot Fiasco and yeah and

1516

01:05:25,190 --> 01:05:23,640

we've had a few others in the past as

1517

01:05:26,930 --> 01:05:25,200

well that was probably the most

1518

01:05:28,430 --> 01:05:26,940

notorious

1519

01:05:31,069 --> 01:05:28,440

but uh

1520

01:05:31,910 --> 01:05:31,079

as far as a Canadian guy I don't know I

1521

01:05:33,950 --> 01:05:31,920

don't know

1522

01:05:35,450 --> 01:05:33,960

there's a lot of people who see talking

1523

01:05:38,089 --> 01:05:35,460

about the

1524

01:05:41,270 --> 01:05:38,099

dog trainer

1525

01:05:43,370 --> 01:05:41,280

that has all those videos oh I know who

1526

01:05:47,030 --> 01:05:43,380

you're talking about is that was he in

1527

01:05:50,450 --> 01:05:47,040

Canada yeah he is in Canada I think he

1528

01:05:52,010 --> 01:05:50,460

he has one on ice and he'll fall out and

1529

01:05:55,210 --> 01:05:52,020

show you parts of it and then put it

1530

01:06:00,530 --> 01:05:57,890

I'm trying to think of his name but he's

1531

01:06:04,609 --> 01:06:00,540

got a if you go on YouTube and look for

1532

01:06:07,609 --> 01:06:04,619

dog trainer Sasquatch videos you might

1533

01:06:09,890 --> 01:06:07,619

find the guy and he's

1534

01:06:11,230 --> 01:06:09,900

nuts I mean he is there's something

1535

01:06:15,049 --> 01:06:11,240

wrong

1536

01:06:16,730 --> 01:06:15,059

it is an awesome looking

1537

01:06:19,849 --> 01:06:16,740

body

1538

01:06:22,609 --> 01:06:19,859

but I don't believe it's yeah actually

1539

01:06:24,650 --> 01:06:22,619

but this is when his dad I think killed

1540

01:06:27,650 --> 01:06:24,660

or captured or something a long time ago

1541

01:06:30,470 --> 01:06:27,660

really got two vocal cords and two

1542

01:06:32,089 --> 01:06:30,480

larynx's that's kind of like all this

1543

01:06:33,349 --> 01:06:32,099

other stuff but yeah you know who I'm

1544

01:06:34,549 --> 01:06:33,359

talking about I can't remember the guy's

1545

01:06:36,349 --> 01:06:34,559

name

1546

01:06:40,430 --> 01:06:36,359

I think I know who you're talking about

1547

01:06:43,849 --> 01:06:40,440

he trains dogs or he's a dog Border and

1548

01:06:45,950 --> 01:06:43,859

that's what he does but he's also has a

1549

01:06:48,410 --> 01:06:45,960

Sasquatch on ice and it keeps Frozen in

1550

01:06:50,150 --> 01:06:48,420

his property I tell you what if I had a

1551
01:06:52,250 --> 01:06:50,160
Sasquatch if I came across the Sasquatch

1552
01:06:53,750 --> 01:06:52,260
body make sure first it wasn't some some

1553
01:06:56,210 --> 01:06:53,760
person and

1554
01:06:57,829 --> 01:06:56,220
pretending to be one but I would take

1555
01:06:59,630 --> 01:06:57,839
that thing load up my truck and I'd be

1556
01:07:01,069 --> 01:06:59,640
driving down the Smithsonian that day

1557
01:07:04,730 --> 01:07:01,079
you know what I mean

1558
01:07:06,230 --> 01:07:04,740
so I went through it in the freezer

1559
01:07:08,390 --> 01:07:06,240
well

1560
01:07:10,130 --> 01:07:08,400
you know you hear all these stories I

1561
01:07:14,630 --> 01:07:10,140
mean I

1562
01:07:18,529 --> 01:07:16,430
yeah I've heard too many people say

1563
01:07:21,109 --> 01:07:18,539

they've had Bigfoot bodies and this and

1564

01:07:22,970 --> 01:07:21,119

that yeah it just kind of goes over my

1565

01:07:24,529 --> 01:07:22,980

head now because uh

1566

01:07:27,470 --> 01:07:24,539

you know

1567

01:07:29,270 --> 01:07:27,480

that that whole Georgia Bigfoot thing

1568

01:07:31,490 --> 01:07:29,280

and then the same guy saying he killed

1569

01:07:34,190 --> 01:07:31,500

one down in Houston I mean

1570

01:07:36,289 --> 01:07:34,200

you know what a joke yeah I'm looking at

1571

01:07:38,750 --> 01:07:36,299

the guy Now dog trainer with Sasquatch I

1572

01:07:41,089 --> 01:07:38,760

Googled it uh Bigfoot used me to have a

1573

01:07:43,430 --> 01:07:41,099

baby grown man cries

1574

01:07:46,490 --> 01:07:43,440

Bigfoot and I have it he has a severed

1575

01:07:48,890 --> 01:07:46,500

head I'm looking at all the stuff oh I

1576

01:07:50,270 --> 01:07:48,900

know which one you're talking about yeah

1577

01:07:51,890 --> 01:07:50,280

I can't remember is that the guy with

1578

01:07:54,410 --> 01:07:51,900

the buffalo head

1579

01:07:56,029 --> 01:07:54,420

huh is that the guy that has the Frozen

1580

01:07:58,609 --> 01:07:56,039

buffalo head

1581

01:08:00,410 --> 01:07:58,619

well it looks like a Sasquatch head or a

1582

01:08:03,309 --> 01:08:00,420

bad model it looks like it's about you

1583

01:08:07,010 --> 01:08:03,319

know 20 feet long here

1584

01:08:09,109 --> 01:08:07,020

Peter Kane I think is his name Bigfoot

1585

01:08:13,190 --> 01:08:09,119

forced me to do it he's got all kinds of

1586

01:08:15,410 --> 01:08:13,200

stories oh my God uh but yeah uh he's a

1587

01:08:16,970 --> 01:08:15,420

content creator oh that's the guy that's

1588

01:08:20,150 --> 01:08:16,980

it that's the one I got right there

1589

01:08:24,530 --> 01:08:20,160

that's it that's the he that head looks

1590

01:08:28,070 --> 01:08:24,540

like a it looks like a dead bison's head

1591

01:08:31,309 --> 01:08:28,080

yeah it's it's bizarre it's got like 27

1592

01:08:35,749 --> 01:08:31,319

rows of teeth yeah I can't remember

1593

01:08:37,789 --> 01:08:35,759

but see this guy is comic relief but

1594

01:08:40,309 --> 01:08:37,799

when people who don't know anything

1595

01:08:43,249 --> 01:08:40,319

about Sasquatch see this

1596

01:08:44,990 --> 01:08:43,259

we look like buffoons oh I know your

1597

01:08:48,550 --> 01:08:45,000

research because this is the kind of

1598

01:08:50,930 --> 01:08:48,560

stuff I mean they lump you in with it

1599

01:08:53,150 --> 01:08:50,940

that's the guy thanks man that was good

1600

01:08:55,189 --> 01:08:53,160

one yeah that was good yeah I I I I knew

1601
01:09:00,610 --> 01:08:55,199
who it was now yeah that's the guy that

1602
01:09:05,749 --> 01:09:03,050
yeah it looks like yeah it's a bison hit

1603
01:09:07,849 --> 01:09:05,759
that's exactly what it is

1604
01:09:10,910 --> 01:09:07,859
because I called him out on it about two

1605
01:09:13,910 --> 01:09:10,920
years ago and you know

1606
01:09:19,789 --> 01:09:13,920
so that that's crazy yeah he's had it

1607
01:09:24,050 --> 01:09:21,950
keep waiting cowboy

1608
01:09:26,390 --> 01:09:24,060
but you know that kind of stuff does

1609
01:09:27,829 --> 01:09:26,400
hurt us yeah because you have the real

1610
01:09:29,809 --> 01:09:27,839
thing

1611
01:09:31,209 --> 01:09:29,819
oh

1612
01:09:34,130 --> 01:09:31,219
you know

1613
01:09:35,990 --> 01:09:34,140

so that that is him it's just funny man

1614

01:09:38,030 --> 01:09:36,000

he was crying about you know getting

1615

01:09:40,789 --> 01:09:38,040

assaulted sexually assaulted and I mean

1616

01:09:44,689 --> 01:09:40,799

it's just like yeah I didn't hear all

1617

01:09:46,490 --> 01:09:44,699

that yeah it's in there yeah Bigfoot

1618

01:09:47,829 --> 01:09:46,500

used to have a baby read that one that's

1619

01:09:50,269 --> 01:09:47,839

a pretty good one

1620

01:09:52,610 --> 01:09:50,279

yeah so that's what we're up against you

1621

01:09:55,729 --> 01:09:52,620

know yeah you know we're lumped in with

1622

01:09:57,890 --> 01:09:55,739

because it's crazy people believe in it

1623

01:10:00,709 --> 01:09:57,900

it's a fake it's a hoax it doesn't exist

1624

01:10:02,750 --> 01:10:00,719

anyway periods are all chasing rainbows

1625

01:10:04,490 --> 01:10:02,760

and so when somebody like that pops up

1626

01:10:06,350 --> 01:10:04,500

he gets all the attention because well

1627

01:10:08,150 --> 01:10:06,360

well look at that that's wild that's

1628

01:10:10,070 --> 01:10:08,160

crazy you know

1629

01:10:12,229 --> 01:10:10,080

he ought to be on uh you know tonight's

1630

01:10:14,330 --> 01:10:12,239

show I mean yeah

1631

01:10:15,830 --> 01:10:14,340

that's crazy stuff but that hurts us

1632

01:10:18,530 --> 01:10:15,840

that kind of stuff hurts us just like

1633

01:10:21,290 --> 01:10:18,540

the infighting does you know

1634

01:10:22,669 --> 01:10:21,300

the the guy's making a mockery of it I

1635

01:10:26,570 --> 01:10:22,679

would create

1636

01:10:28,310 --> 01:10:26,580

to think that he is actually got one I

1637

01:10:30,770 --> 01:10:28,320

would really probably jump off a

1638

01:10:32,570 --> 01:10:30,780

building if I knew that it was legit I

1639

01:10:34,970 --> 01:10:32,580

just

1640

01:10:36,890 --> 01:10:34,980

couldn't Carter uh here's one for you

1641

01:10:39,530 --> 01:10:36,900

from Vincent when was the moment you

1642

01:10:41,290 --> 01:10:39,540

made sure it made you sure if Bigfoot

1643

01:10:45,169 --> 01:10:41,300

exists

1644

01:10:49,550 --> 01:10:45,179

when I was leading an expedition

1645

01:10:52,130 --> 01:10:49,560

forbid for BFRO 2014

1646

01:10:55,790 --> 01:10:52,140

Missouri

1647

01:10:57,590 --> 01:10:55,800

I watched one flat out disappear while I

1648

01:11:00,229 --> 01:10:57,600

was watching it on thermal camera it

1649

01:11:01,970 --> 01:11:00,239

came around a corner

1650

01:11:04,610 --> 01:11:01,980

did not know we were there because we

1651
01:11:06,050 --> 01:11:04,620
were being quiet we were maintaining

1652
01:11:08,149 --> 01:11:06,060
radio silence because we had a party

1653
01:11:10,970 --> 01:11:08,159
that was lost so we were just

1654
01:11:14,090 --> 01:11:10,980
tape you're just watching the forest for

1655
01:11:16,010 --> 01:11:14,100
the glow so we could see them and this

1656
01:11:19,970 --> 01:11:16,020
Sasquatch walked around the corner it

1657
01:11:22,970 --> 01:11:19,980
did not see us and it just poof it just

1658
01:11:24,709 --> 01:11:22,980
vanished like a flash bug went off I was

1659
01:11:26,810 --> 01:11:24,719
watching it on my thermal beautiful

1660
01:11:29,149 --> 01:11:26,820
thermal signature coming around the

1661
01:11:31,250 --> 01:11:29,159
curve and poof took one step two step

1662
01:11:34,430 --> 01:11:31,260
Second Step boom it was gone just like

1663
01:11:37,490 --> 01:11:34,440

that really I was with the April crab so

1664

01:11:40,070 --> 01:11:37,500

at that point I was baptized and I went

1665

01:11:42,290 --> 01:11:40,080

from apes only because I'd just gotten

1666

01:11:44,450 --> 01:11:42,300

into it at that time to

1667

01:11:46,189 --> 01:11:44,460

okay we're on to something else here

1668

01:11:48,830 --> 01:11:46,199

this this is bizarre

1669

01:11:51,350 --> 01:11:48,840

well that was it for me I mean that's my

1670

01:11:53,090 --> 01:11:51,360

aha moment and no one will ever convince

1671

01:11:55,070 --> 01:11:53,100

me they're probably flesh and blood but

1672

01:11:57,229 --> 01:11:55,080

they probably have the ability to

1673

01:12:00,290 --> 01:11:57,239

operate in both planes of existence you

1674

01:12:02,750 --> 01:12:00,300

know all Dimensions all yeah yeah I mean

1675

01:12:06,530 --> 01:12:02,760

that's I mean of course that's what I

1676

01:12:08,510 --> 01:12:06,540

think uh Tommy let me ask you this

1677

01:12:09,470 --> 01:12:08,520

uh now you've been with us about a year

1678

01:12:11,390 --> 01:12:09,480

now

1679

01:12:13,669 --> 01:12:11,400

you weren't really into all this stuff

1680

01:12:16,370 --> 01:12:13,679

you you don't you've done you're a

1681

01:12:19,149 --> 01:12:16,380

hunter you've been Outdoorsman a lot for

1682

01:12:22,669 --> 01:12:19,159

a long time all your life

1683

01:12:25,310 --> 01:12:22,679

what phenomena

1684

01:12:28,790 --> 01:12:25,320

as far as Cryptids go do you believe and

1685

01:12:32,450 --> 01:12:30,709

you know if you'd asked me that two

1686

01:12:33,890 --> 01:12:32,460

years ago I said I don't believe in any

1687

01:12:35,510 --> 01:12:33,900

of it

1688

01:12:38,330 --> 01:12:35,520

but uh

1689

01:12:40,310 --> 01:12:38,340

the that that all changes the more you

1690

01:12:42,770 --> 01:12:40,320

see the more you experience the more you

1691

01:12:46,310 --> 01:12:42,780

talk to that that all has changed I I

1692

01:12:48,350 --> 01:12:46,320

mean to me now anything's on the table

1693

01:12:49,850 --> 01:12:48,360

I still personally have never seen a

1694

01:12:52,850 --> 01:12:49,860

Bigfoot

1695

01:12:55,070 --> 01:12:52,860

or a Cryptid of any type but

1696

01:12:58,790 --> 01:12:55,080

it's it's turned pretty wild the past

1697

01:13:08,750 --> 01:13:01,750

yeah

1698

01:13:10,910 --> 01:13:08,760

I've been in these Woods for 35 years

1699

01:13:13,189 --> 01:13:10,920

I've never seen one if they existed I'd

1700

01:13:15,410 --> 01:13:13,199

have seen it they don't exist then you

1701

01:13:18,050 --> 01:13:15,420

get a call a couple months later uh can

1702

01:13:20,149 --> 01:13:18,060

we talk you know because they they've

1703

01:13:22,430 --> 01:13:20,159

had the aha moment you know and you hear

1704

01:13:26,209 --> 01:13:22,440

that from a lot of people and I and I I

1705

01:13:29,209 --> 01:13:26,219

understand if you we are all taught from

1706

01:13:31,550 --> 01:13:29,219

the day we get out of the birth canal

1707

01:13:33,530 --> 01:13:31,560

how the world is what exists and what

1708

01:13:36,709 --> 01:13:33,540

doesn't so the first 20 years of your

1709

01:13:38,990 --> 01:13:36,719

life you're told how the world is

1710

01:13:41,390 --> 01:13:39,000

your books your teachers your professors

1711

01:13:43,189 --> 01:13:41,400

everybody is handing books and they just

1712

01:13:46,669 --> 01:13:43,199

tell you how things are

1713

01:13:48,890 --> 01:13:46,679

so by the time you're 20 to 22 if you go

1714

01:13:50,330 --> 01:13:48,900

to college maybe 23 or four you know

1715

01:13:53,510 --> 01:13:50,340

graduate

1716

01:13:56,270 --> 01:13:53,520

you've been brainwashed or conditioned

1717

01:13:58,550 --> 01:13:56,280

for 20 some idea the first 20 years of

1718

01:14:00,890 --> 01:13:58,560

your life your formative years what's

1719

01:14:03,770 --> 01:14:00,900

what exists what doesn't how the world

1720

01:14:05,689 --> 01:14:03,780

is and how it isn't that's all you know

1721

01:14:08,149 --> 01:14:05,699

you're trusting the people who teach you

1722

01:14:10,669 --> 01:14:08,159

and talk to you and show you things that

1723

01:14:12,350 --> 01:14:10,679

this is how the world is okay I believe

1724

01:14:14,149 --> 01:14:12,360

it

1725

01:14:16,430 --> 01:14:14,159

and I was

1726

01:14:18,169 --> 01:14:16,440

I was that guy that I've hunted the same

1727

01:14:20,510 --> 01:14:18,179

property my

1728

01:14:23,149 --> 01:14:20,520

my entire life and never experienced

1729

01:14:24,950 --> 01:14:23,159

anything but then last year one day

1730

01:14:27,830 --> 01:14:24,960

sitting in a deer stand

1731

01:14:31,130 --> 01:14:27,840

beautiful calm day nothing around

1732

01:14:32,750 --> 01:14:31,140

there was a a brilliant blue flashing

1733

01:14:34,910 --> 01:14:32,760

light that came from behind me no

1734

01:14:39,290 --> 01:14:34,920

Thunder no other noise

1735

01:14:41,510 --> 01:14:39,300

just a giant blue flashlight just

1736

01:14:44,149 --> 01:14:41,520

I I can't even begin to guess what that

1737

01:14:46,490 --> 01:14:44,159

was I don't know

1738

01:14:48,890 --> 01:14:46,500

interesting but what does it do to your

1739

01:14:51,530 --> 01:14:48,900

belief system

1740

01:14:54,229 --> 01:14:51,540

has it elevated you as it moves you up a

1741

01:14:56,930 --> 01:14:54,239

little a bit I mean definitely at least

1742

01:14:58,910 --> 01:14:56,940

have an open mind about it because it's

1743

01:15:01,310 --> 01:14:58,920

hard if you've been taught

1744

01:15:03,110 --> 01:15:01,320

these things can't happen and you see it

1745

01:15:04,790 --> 01:15:03,120

like the blue orbs my wife saw a blue

1746

01:15:07,490 --> 01:15:04,800

orb in our bedroom and I was having an

1747

01:15:09,950 --> 01:15:07,500

experience 325 miles away with a clan

1748

01:15:12,590 --> 01:15:09,960

she saw a blue orb flying through our

1749

01:15:14,570 --> 01:15:12,600

bedroom it nearly The Identical time

1750

01:15:15,890 --> 01:15:14,580

that I was having an event in in

1751

01:15:18,830 --> 01:15:15,900

Illinois

1752

01:15:21,350 --> 01:15:18,840

many hundreds of miles away so

1753

01:15:22,550 --> 01:15:21,360

at some point you have to go okay all

1754

01:15:24,709 --> 01:15:22,560

this weirdness

1755

01:15:26,330 --> 01:15:24,719

is there's something

1756

01:15:29,030 --> 01:15:26,340

going on

1757

01:15:30,470 --> 01:15:29,040

you know as long as it gives you a peek

1758

01:15:32,090 --> 01:15:30,480

into what's maybe going on because

1759

01:15:33,350 --> 01:15:32,100

that's all it took for me you know I saw

1760

01:15:35,390 --> 01:15:33,360

that I'm going

1761

01:15:37,910 --> 01:15:35,400

that just disappeared

1762

01:15:40,130 --> 01:15:37,920

what you know I wasn't drunk I wasn't

1763

01:15:43,030 --> 01:15:40,140

stoned my equipment was top-notch a nice

1764

01:15:45,590 --> 01:15:43,040

clear camera I mean everything was fine

1765

01:15:46,850 --> 01:15:45,600

and all of a sudden I'm watching this

1766

01:15:50,330 --> 01:15:46,860

thing I go

1767

01:15:51,830 --> 01:15:50,340

what you know it changes everything just

1768

01:15:53,810 --> 01:15:51,840

like for you Tommy I mean it just it

1769

01:15:55,010 --> 01:15:53,820

just it changes things it makes you

1770

01:15:56,630 --> 01:15:55,020

think

1771

01:16:00,050 --> 01:15:56,640

differently you don't necessarily

1772

01:16:01,910 --> 01:16:00,060

believe all the way but you're thinking

1773

01:16:03,430 --> 01:16:01,920

you know you're going well I can't

1774

01:16:07,850 --> 01:16:03,440

explain that

1775

01:16:09,709 --> 01:16:07,860

you know maybe you know it's bizarre the

1776

01:16:12,950 --> 01:16:09,719

baptism might take a couple of years

1777

01:16:14,390 --> 01:16:12,960

could take 20 minutes you know it just

1778

01:16:17,090 --> 01:16:14,400

depends on where you're at what happens

1779

01:16:18,890 --> 01:16:17,100

to you and I owe and I say you've always

1780

01:16:21,050 --> 01:16:18,900

got to be a little skeptical because

1781

01:16:23,030 --> 01:16:21,060

you're not you're going to be a sucker

1782

01:16:25,189 --> 01:16:23,040

yeah yeah

1783

01:16:28,970 --> 01:16:25,199

no yeah you got to be you know and I've

1784

01:16:32,330 --> 01:16:28,980

I've flat out asked anybody in my books

1785

01:16:34,070 --> 01:16:32,340

is this real did you stage this this is

1786

01:16:35,870 --> 01:16:34,080

your chance and if I'm standing in front

1787

01:16:38,689 --> 01:16:35,880

of them in person I'm looking them in

1788

01:16:42,410 --> 01:16:38,699

the eye if you're gonna lie to me

1789

01:16:44,090 --> 01:16:42,420

lie to my face let's go did you stage

1790

01:16:46,729 --> 01:16:44,100

this

1791

01:16:48,290 --> 01:16:46,739

you know I mean you just ask them flat

1792

01:16:50,149 --> 01:16:48,300

out most people don't even expect to be

1793

01:16:51,590 --> 01:16:50,159

asked that question you're just going to

1794

01:16:53,630 --> 01:16:51,600

take their word for it so when you ask

1795

01:16:55,970 --> 01:16:53,640

them they go oh that you could tell a

1796

01:16:59,030 --> 01:16:55,980

lot by money a language and the way they

1797

01:17:01,610 --> 01:16:59,040

answer or don't you know

1798

01:17:05,630 --> 01:17:03,350

well guys

1799

01:17:08,810 --> 01:17:05,640

um let's go around the horn and get some

1800

01:17:11,030 --> 01:17:08,820

final thoughts uh Chad you got anything

1801
01:17:13,850 --> 01:17:11,040
to say

1802
01:17:15,770 --> 01:17:13,860
uh no I'm pretty good I mean we've seen

1803
01:17:19,310 --> 01:17:15,780
this really we seem to really cover a

1804
01:17:22,130 --> 01:17:19,320
lot of stuff yeah tonight and uh

1805
01:17:23,209 --> 01:17:22,140
you know I just uh continuing on this

1806
01:17:25,729 --> 01:17:23,219
journey

1807
01:17:28,490 --> 01:17:25,739
with everybody else you know to try and

1808
01:17:30,410 --> 01:17:28,500
pick to try and to me it's not so much

1809
01:17:32,209 --> 01:17:30,420
I'm not trying to solve the big question

1810
01:17:34,070 --> 01:17:32,219
of what all this stuff is

1811
01:17:36,229 --> 01:17:34,080
because personally I don't think we're

1812
01:17:38,870 --> 01:17:36,239
never going to find out and honestly I

1813
01:17:41,689 --> 01:17:38,880

don't think we're meant to find out

1814

01:17:43,669 --> 01:17:41,699

and and if you get close you always have

1815

01:17:45,530 --> 01:17:43,679

that trickster element that kicks in and

1816

01:17:47,209 --> 01:17:45,540

kicks you back

1817

01:17:50,209 --> 01:17:47,219

and uh

1818

01:17:52,910 --> 01:17:50,219

so to me I'm just all about collecting

1819

01:17:55,870 --> 01:17:52,920

people's stories you know

1820

01:17:58,669 --> 01:17:55,880

bringing giving people the opportunity

1821

01:18:01,189 --> 01:17:58,679

to tell their stories and just

1822

01:18:04,250 --> 01:18:01,199

experiencing it you know

1823

01:18:06,229 --> 01:18:04,260

yeah that's pretty much how we go when

1824

01:18:08,209 --> 01:18:06,239

we go out we investigate and even when I

1825

01:18:11,030 --> 01:18:08,219

go out by myself and stuff you know I'm

1826

01:18:12,530 --> 01:18:11,040

not just like you Carter I was I'm not

1827

01:18:13,850 --> 01:18:12,540

out there banging on the trees or

1828

01:18:17,030 --> 01:18:13,860

anything like that I just go out and

1829

01:18:19,130 --> 01:18:17,040

just let it happen yeah and nine times

1830

01:18:20,750 --> 01:18:19,140

out of ten it just it just seems to be

1831

01:18:23,209 --> 01:18:20,760

like especially if me and Tim are in an

1832

01:18:25,430 --> 01:18:23,219

area where that's active and I'd say

1833

01:18:28,130 --> 01:18:25,440

that with air quotes if it's there it's

1834

01:18:30,530 --> 01:18:28,140

going to say hi you know it it seems to

1835

01:18:32,090 --> 01:18:30,540

be that the more you do this we call it

1836

01:18:33,770 --> 01:18:32,100

the eye of Sauron effect you know it's

1837

01:18:36,470 --> 01:18:33,780

like you put the One Ring On And for

1838

01:18:38,930 --> 01:18:36,480

those who know token war and it and it

1839

01:18:40,010 --> 01:18:38,940

likes it likes to say hi and say oh you

1840

01:18:43,430 --> 01:18:40,020

pay attention

1841

01:18:46,370 --> 01:18:43,440

and uh that seems to be the key so

1842

01:18:48,770 --> 01:18:46,380

but yeah but

1843

01:18:51,050 --> 01:18:48,780

how would you tell me what uh you know

1844

01:18:53,149 --> 01:18:51,060

what what do you expect I mean I know

1845

01:18:56,149 --> 01:18:53,159

like I said you you've been with us for

1846

01:18:58,910 --> 01:18:56,159

a year or so you you've read a lot of

1847

01:19:02,149 --> 01:18:58,920

what people have experienced you had a

1848

01:19:04,790 --> 01:19:02,159

few experiences of your own uh what what

1849

01:19:07,970 --> 01:19:04,800

do you expect in the future

1850

01:19:11,570 --> 01:19:07,980

look I have no idea a heck of a ride I'm

1851

01:19:13,850 --> 01:19:11,580

sure well let's hope I

1852

01:19:20,270 --> 01:19:13,860

I

1853

01:19:22,430 --> 01:19:20,280

Chad said just to go out in the woods

1854

01:19:25,610 --> 01:19:22,440

and be out and about and you know

1855

01:19:28,130 --> 01:19:25,620

whatever happens happens

1856

01:19:30,410 --> 01:19:28,140

I I'm I'm content just to spend the time

1857

01:19:34,010 --> 01:19:30,420

in the woods and

1858

01:19:39,410 --> 01:19:35,810

and you Carter I know you've got

1859

01:19:41,090 --> 01:19:39,420

something to say oh yeah well a couple

1860

01:19:43,790 --> 01:19:41,100

things you know

1861

01:19:45,649 --> 01:19:43,800

like Rodney King used to say before he

1862

01:19:48,070 --> 01:19:45,659

passed away can't we all just get along

1863

01:19:50,750 --> 01:19:48,080

you know the

1864

01:19:54,070 --> 01:19:50,760

Cryptid not just Sasquatch but Cryptid

1865

01:19:56,209 --> 01:19:54,080

research in general is

1866

01:19:58,510 --> 01:19:56,219

fraught with

1867

01:20:01,669 --> 01:19:58,520

just hate in

1868

01:20:04,070 --> 01:20:01,679

negativity and everybody wants to be

1869

01:20:07,189 --> 01:20:04,080

somebody everybody wants to be the one

1870

01:20:10,130 --> 01:20:07,199

we're never going to get anywhere if we

1871

01:20:12,890 --> 01:20:10,140

are always fighting each other for

1872

01:20:15,590 --> 01:20:12,900

camera time or Showtime

1873

01:20:18,110 --> 01:20:15,600

or whatever time you know we can't all

1874

01:20:22,910 --> 01:20:18,120

be no we're going to do this together

1875

01:20:24,350 --> 01:20:22,920

you know I mean you know and that that's

1876

01:20:26,330 --> 01:20:24,360

part of what I just want to say

1877

01:20:29,510 --> 01:20:26,340

investigators researchers whatever you

1878

01:20:32,930 --> 01:20:29,520

call yourselves quit trying to be so

1879

01:20:36,530 --> 01:20:32,940

important quit trying to be the one just

1880

01:20:40,070 --> 01:20:36,540

play well with find five researchers you

1881

01:20:41,990 --> 01:20:40,080

agree with not on your beliefs but you

1882

01:20:44,630 --> 01:20:42,000

agree to disagree and you discuss things

1883

01:20:46,189 --> 01:20:44,640

it's easy to do but nobody wants to do

1884

01:20:49,850 --> 01:20:46,199

it you know that that's the frustration

1885

01:20:52,970 --> 01:20:49,860

with me you know myself uh I'm not

1886

01:20:55,729 --> 01:20:52,980

getting out in the woods is often as I

1887

01:20:57,890 --> 01:20:55,739

am my habituation properties because my

1888

01:21:00,770 --> 01:20:57,900

habituation properties they have uh

1889

01:21:03,169 --> 01:21:00,780

three of the four have got some bizarre

1890

01:21:06,229 --> 01:21:03,179

awesome stuff going and that's where I'm

1891

01:21:08,630 --> 01:21:06,239

spending my time because they're open

1892

01:21:11,930 --> 01:21:08,640

and they're honest and they want to tell

1893

01:21:14,149 --> 01:21:11,940

you the stories and uh I'm getting some

1894

01:21:16,729 --> 01:21:14,159

incredible and I'm going to call it

1895

01:21:18,890 --> 01:21:16,739

evidence it's evidence of activity I

1896

01:21:20,390 --> 01:21:18,900

won't say it's proof if they exist but

1897

01:21:22,130 --> 01:21:20,400

it's evidence that there's something

1898

01:21:24,590 --> 01:21:22,140

going on and so that's where I'm

1899

01:21:26,030 --> 01:21:24,600

spending my time you know somebody comes

1900

01:21:28,370 --> 01:21:26,040

comes to you and starts telling you

1901

01:21:30,410 --> 01:21:28,380

weird stuff listen to them don't just

1902

01:21:31,790 --> 01:21:30,420

tune them out because there might be

1903

01:21:34,189 --> 01:21:31,800

something there

1904

01:21:36,590 --> 01:21:34,199

that's got that's where got me where I'm

1905

01:21:38,390 --> 01:21:36,600

at I'm five months later

1906

01:21:41,450 --> 01:21:38,400

I might be working on a six I don't even

1907

01:21:44,330 --> 01:21:41,460

want to do another one I'm tired people

1908

01:21:46,490 --> 01:21:44,340

keep calling me I got a call today you

1909

01:21:48,649 --> 01:21:46,500

know for an email not a call it's just

1910

01:21:50,930 --> 01:21:48,659

like it keeps coming in because they

1911

01:21:52,970 --> 01:21:50,940

know I'll listen so if you're ever

1912

01:21:56,330 --> 01:21:52,980

listening to somebody and you're not in

1913

01:21:59,030 --> 01:21:56,340

the Paranormal Quantum or Woo which I

1914

01:22:01,390 --> 01:21:59,040

think is a dirty word Factor listen to

1915

01:22:04,490 --> 01:22:01,400

some of these people because

1916

01:22:06,470 --> 01:22:04,500

they got things going on that you're not

1917

01:22:08,870 --> 01:22:06,480

going to hear because everybody laughs

1918

01:22:10,970 --> 01:22:08,880

at them you know my books are full of

1919

01:22:12,890 --> 01:22:10,980

that stuff and everybody's laughing at

1920

01:22:14,590 --> 01:22:12,900

me instead of my Witnesses so I I

1921

01:22:17,030 --> 01:22:14,600

designed it that way

1922

01:22:18,610 --> 01:22:17,040

you know listen to the people that are

1923

01:22:21,830 --> 01:22:18,620

telling you the weird stuff because

1924

01:22:24,770 --> 01:22:21,840

that's where it's at yeah the secret

1925

01:22:26,330 --> 01:22:24,780

you're at I agree it's always best to

1926

01:22:29,270 --> 01:22:26,340

listen yeah

1927

01:22:32,689 --> 01:22:29,280

so guys I I appreciate you coming on

1928

01:22:35,350 --> 01:22:32,699

with me tonight and uh we are going to

1929

01:22:38,570 --> 01:22:35,360

do future shows with the team

1930

01:22:42,430 --> 01:22:38,580

and uh you all have a good weekend I

1931

01:22:47,450 --> 01:22:42,440

would talk to you soon all right

1932

01:22:51,890 --> 01:22:49,970

now if you've had a citing or encounter

1933

01:22:54,110 --> 01:22:51,900

report that you'd like to be considered

1934

01:22:55,669 --> 01:22:54,120

for the personal report show or post on

1935

01:22:57,890 --> 01:22:55,679

fam's Monsters

1936

01:23:01,130 --> 01:22:57,900

um feel free to contact me at my email

1937

01:23:03,830 --> 01:23:01,140

lawn stricklerfamilismmonsters.com

1938

01:23:06,530 --> 01:23:03,840

I want to again thank Carter Tommy and

1939

01:23:09,229 --> 01:23:06,540

and Chad for joining me this evening

1940

01:23:10,790 --> 01:23:09,239

and uh thanks to each and all you uh for

1941

01:23:12,350 --> 01:23:10,800

watching and chatting if you did make a

1942

01:23:14,870 --> 01:23:12,360

donation it's very much appreciated

1943

01:23:16,010 --> 01:23:14,880

please like subscribe share and even

1944

01:23:18,649 --> 01:23:16,020

comment

1945

01:23:23,149 --> 01:23:18,659

uh so next Friday night

1946

01:23:26,270 --> 01:23:23,159

at 9 00 PM Eastern Time 6 p.m Pacific my

1947

01:23:27,410 --> 01:23:26,280

guest will be the alien Hunter Daryl

Sims

1949

01:23:31,550 --> 01:23:29,219

uh this be the first time I've

1950

01:23:34,189 --> 01:23:31,560

interviewed Daryl so it should be a very

1951

01:23:36,169 --> 01:23:34,199

informative show so make sure you you

1952

01:23:37,010 --> 01:23:36,179

come in next Friday night and listen to

1953

01:23:39,649 --> 01:23:37,020

that

1954

01:23:42,110 --> 01:23:39,659

and stay tuned for a paranormal life of

1955

01:23:44,689 --> 01:23:42,120

Bernadette McDaniel with her guest Duke

1956

01:23:46,490 --> 01:23:44,699

Sullivan here on fans of monsters radio

1957

01:23:49,370 --> 01:23:46,500

at 11 PM

1958

01:24:02,430 --> 01:23:49,380

uh eastern time so until we meet again

1959

01:24:02,440 --> 01:24:24,470

[Music]
