alien

and so Daryl thank you for joining me

64

00:04:06,110 --> 00:04:02,580

I'm delighted to be here a lot you're a

65

00:04:08,149 --> 00:04:06,120

you're a you're a historical marker on

66

00:04:10,369 --> 00:04:08,159

the radio program I'm telling you people

67

00:04:12,770 --> 00:04:10,379

know you everywhere

68

00:04:15,229 --> 00:04:12,780

I appreciate that

69

00:04:18,170 --> 00:04:15,239

um I know uh that you did have an

70

00:04:19,849 --> 00:04:18,180

encounter when you were younger and uh

71

00:04:24,310 --> 00:04:19,859

if you want to talk about that fine but

72

00:04:24,320 --> 00:04:31,010

yes uh

73

00:04:35,990 --> 00:04:34,070

uh first of all my

74

00:04:37,310 --> 00:04:36,000

I'm getting a lot of feedback I'm I'm

75

00:04:46,550 --> 00:04:37,320

hearing you and then I'm hearing myself

76

00:04:53,270 --> 00:04:50,050

maybe Vincent can fix that yeah yeah

77

00:04:55,310 --> 00:04:53,280

Daryl I'm gonna do a little uh little

78

00:04:56,930 --> 00:04:55,320

thing for you we're gonna have you I'm

79

00:04:59,090 --> 00:04:56,940

gonna I'm Gonna Get You Out of the

80

00:05:00,830 --> 00:04:59,100

studio and I'll have you come back in

81

00:05:02,930 --> 00:05:00,840

sometimes when you put the headphones on

82

00:05:04,969 --> 00:05:02,940

after you enter the studio you get this

83

00:05:06,770 --> 00:05:04,979

weird feedback loop

84

00:05:08,870 --> 00:05:06,780

so I'm going to take you out you just

85

00:05:11,390 --> 00:05:08,880

follow the same link that we gave you to

86

00:05:14,510 --> 00:05:11,400

come in okay press that again and it'll

87

00:05:16,730 --> 00:05:14,520

it'll walk you up very good okay

88

00:05:17,749 --> 00:05:16,740

so unfortunately until we do that

89

00:05:21,409 --> 00:05:17,759

um

90

00:05:22,850 --> 00:05:21,419

I I just want to say I've got a I've got

91

00:05:26,629 --> 00:05:22,860

some

92

00:05:29,330 --> 00:05:26,639

issues coming up medical wise and uh we

93

00:05:32,390 --> 00:05:29,340

may have some changes in the schedule

94

00:05:34,249 --> 00:05:32,400

towards the end of the month but um

95

00:05:35,510 --> 00:05:34,259

and we get that after I get that

96

00:05:37,189 --> 00:05:35,520

straightened out and I know more I'll

97

00:05:39,230 --> 00:05:37,199

let you know what's going on

98

00:05:41,029 --> 00:05:39,240

uh anyway

99

00:05:44,029 --> 00:05:41,039

um

100

00:05:45,590 --> 00:05:44,039

like us oh there we go see what Daryl's

101
00:05:48,529 --> 00:05:45,600
coming in now

102
00:05:51,590 --> 00:05:48,539
okay Daryl are we good to go I think

103
00:05:54,230 --> 00:05:51,600
we're all right let's okay sounds good

104
00:05:56,090 --> 00:05:54,240
so like I asked you before uh I I know

105
00:05:58,610 --> 00:05:56,100
you had some issues or you had an

106
00:06:00,110 --> 00:05:58,620
encounter when you were younger uh can

107
00:06:01,490 --> 00:06:00,120
you kind of tell us a bit about that

108
00:06:04,730 --> 00:06:01,500
plus uh

109
00:06:08,029 --> 00:06:04,740
how has that affected or okay had it you

110
00:06:09,950 --> 00:06:08,039
know impacted on what you do now

111
00:06:13,870 --> 00:06:09,960
learn

112
00:06:21,950 --> 00:06:16,990
Lon I'm still getting a huge feedback

113
00:06:26,870 --> 00:06:21,960

from you and also from my own voice and

114

00:06:33,950 --> 00:06:29,710

every time we talk aliens it happens

115

00:06:36,590 --> 00:06:33,960

okay so so if you'll bear with me we're

116

00:06:38,689 --> 00:06:36,600

I'm going to once again take take you

117

00:06:42,290 --> 00:06:38,699

out I want you to turn

118

00:06:44,930 --> 00:06:42,300

just re reboot your system and and then

119

00:06:46,730 --> 00:06:44,940

go back from there I think it's just

120

00:06:49,129 --> 00:06:46,740

you got a bad connection or something I

121

00:06:52,249 --> 00:06:49,139

can hear me on your feedback loop so

122

00:06:54,409 --> 00:06:52,259

yeah I can hear it as well okay

123

00:06:57,050 --> 00:06:54,419

okay folks just bear with us we'll we'll

124

00:06:59,689 --> 00:06:57,060

get Daryl in here

125

00:07:01,550 --> 00:06:59,699

yep yep you want me to reboot the

126
00:07:03,110 --> 00:07:01,560
computer yeah reboot everything if you

127
00:07:05,450 --> 00:07:03,120
could if you could

128
00:07:07,490 --> 00:07:05,460
I appreciate it yeah thank you for

129
00:07:14,570 --> 00:07:07,500
working with us I'm not sure what the

130
00:07:19,670 --> 00:07:16,909
okay folks well until we have him um

131
00:07:21,770 --> 00:07:19,680
then we until Daryl comes back if you've

132
00:07:23,270 --> 00:07:21,780
got a question that you want to put in

133
00:07:27,350 --> 00:07:23,280
the chat just go ahead and put it in

134
00:07:29,450 --> 00:07:27,360
there and uh and I can answer some

135
00:07:32,150 --> 00:07:29,460
questions and stuff until we get Daryl

136
00:07:34,670 --> 00:07:32,160
back on on the show

137
00:07:39,409 --> 00:07:36,710
yeah somebody asked if I'm okay yeah I

138
00:07:40,909 --> 00:07:39,419

am okay I I did have a uh I had a cancer

139

00:07:42,950 --> 00:07:40,919

diagnosis

140

00:07:44,990 --> 00:07:42,960

and I got to go through some lung

141

00:07:46,969 --> 00:07:45,000

surgery and uh we're gonna do that

142

00:07:49,189 --> 00:07:46,979

probably in the month

143

00:07:52,129 --> 00:07:49,199

but uh

144

00:07:53,930 --> 00:07:52,139

it's uh it's the way it looks it looks

145

00:07:55,790 --> 00:07:53,940

like it's going it you know

146

00:08:09,409 --> 00:07:55,800

we'll see but I think I'm gonna be fine

147

00:08:13,909 --> 00:08:11,689

yeah okay like I said if you have any

148

00:08:15,710 --> 00:08:13,919

questions just you know folks just hang

149

00:08:20,330 --> 00:08:15,720

in with us we'll get this straightened

150

00:08:26,689 --> 00:08:22,969

every time we had you know it's live

151
00:08:28,249 --> 00:08:26,699
radio and when uh we talk about aliens I

152
00:08:30,770 --> 00:08:28,259
don't know what the hell it is but

153
00:08:41,449 --> 00:08:30,780
there's something that does pop up once

154
00:08:41,459 --> 00:08:48,310
I hate the dead air

155
00:08:53,150 --> 00:08:51,350
oh God

156
00:08:55,130 --> 00:08:53,160
well I was going to save this for you

157
00:08:57,590 --> 00:08:55,140
into the show but I will say that I will

158
00:09:00,050 --> 00:08:57,600
tell you what's coming up um you know

159
00:09:01,970 --> 00:09:00,060
next Wednesday at 9 00 PM I I'm going to

160
00:09:03,889 --> 00:09:01,980
go ahead and present another personal

161
00:09:06,470 --> 00:09:03,899
reports episode

162
00:09:08,449 --> 00:09:06,480
and uh next Friday we're going to

163
00:09:10,370 --> 00:09:08,459

conduct a malevolent haunting round

164

00:09:11,570 --> 00:09:10,380

table that should be a very informative

165

00:09:15,889 --> 00:09:11,580

show

166

00:09:18,530 --> 00:09:15,899

as uh paranormal life with Bernadette

167

00:09:20,810 --> 00:09:18,540

mcganno and she has a uh

168

00:09:24,470 --> 00:09:20,820

a natural Life author as her guest

169

00:09:28,730 --> 00:09:24,480

Hadley of Laos and so uh that'll be 11

170

00:09:30,790 --> 00:09:28,740

o'clock Eastern 10 p.m Central Time

171

00:09:32,630 --> 00:09:30,800

foreign

172

00:09:34,670 --> 00:09:32,640

should be good

173

00:09:37,670 --> 00:09:34,680

okay Daryl can you is is the sound

174

00:09:40,009 --> 00:09:37,680

pretty good now uh so far I'll know as

175

00:09:42,110 --> 00:09:40,019

soon as I if I hear any feedback okay

176

00:09:43,790 --> 00:09:42,120

yeah you've you've got a clear signal

177

00:09:45,710 --> 00:09:43,800

Daryl thank you for putting up with us

178

00:09:47,210 --> 00:09:45,720

I'm sorry about the uh little discount

179

00:09:49,750 --> 00:09:47,220

that's quite all right these things

180

00:09:53,170 --> 00:09:49,760

happen believe me

181

00:09:56,990 --> 00:09:53,180

already knows this

182

00:09:58,910 --> 00:09:57,000

so uh like I asked before uh talk about

183

00:10:00,350 --> 00:09:58,920

your your early encounter and how it's

184

00:10:02,329 --> 00:10:00,360

affected you

185

00:10:05,170 --> 00:10:02,339

certainly the

186

00:10:09,829 --> 00:10:05,180

my event started at age four

187

00:10:12,110 --> 00:10:09,839

1952 and uh I I simply woke up because I

188

00:10:14,509 --> 00:10:12,120

realized some somebody's in my room

189

00:10:17,630 --> 00:10:14,519

and I didn't realize that he's already

190

00:10:20,570 --> 00:10:17,640

brought me back from the event and he's

191

00:10:22,610 --> 00:10:20,580

leaving and I as I I'll watch this

192

00:10:24,949 --> 00:10:22,620

skinny little

193

00:10:27,470 --> 00:10:24,959

super skinny person with huge head

194

00:10:28,790 --> 00:10:27,480

walking toward a wall and I'm thinking

195

00:10:32,389 --> 00:10:28,800

you know he's going to bump into the

196

00:10:35,509 --> 00:10:32,399

wall because uh I mean what is he doing

197

00:10:38,030 --> 00:10:35,519

in my room and um anyway I can't figure

198

00:10:40,190 --> 00:10:38,040

any of this out and and I as I thought

199

00:10:42,470 --> 00:10:40,200

he's going to bump into the wall he

200

00:10:44,329 --> 00:10:42,480

apparently heard me

201
00:10:47,150 --> 00:10:44,339
mentally

202
00:10:49,069 --> 00:10:47,160
because he turned and looked at me

203
00:10:51,889 --> 00:10:49,079
with these large black eyes that were

204
00:10:55,610 --> 00:10:51,899
perfectly round about an inch and a half

205
00:10:57,650 --> 00:10:55,620
across with no literally no nose and a

206
00:11:00,350 --> 00:10:57,660
slit for a mouth no ears

207
00:11:01,970 --> 00:11:00,360
and I heard him say something which is

208
00:11:04,490 --> 00:11:01,980
the first time I'd ever heard anybody

209
00:11:07,250 --> 00:11:04,500
else's voice in my head

210
00:11:09,470 --> 00:11:07,260
and he said it's awake

211
00:11:10,970 --> 00:11:09,480
and I realized at that point is there's

212
00:11:12,710 --> 00:11:10,980
only two people in the room he's not

213
00:11:16,550 --> 00:11:12,720

talking about himself

214

00:11:19,310 --> 00:11:16,560

um so I realized that uh

215

00:11:22,730 --> 00:11:19,320

there's a problem and when he turned and

216

00:11:24,949 --> 00:11:22,740

looked at me I was uh a sound and the

217

00:11:26,030 --> 00:11:24,959

reason this part of the story is really

218

00:11:29,150 --> 00:11:26,040

important

219

00:11:30,829 --> 00:11:29,160

for for me and for my life and uh and

220

00:11:31,910 --> 00:11:30,839

perhaps for some of the people in your

221

00:11:34,730 --> 00:11:31,920

audience

222

00:11:36,889 --> 00:11:34,740

is uh

223

00:11:38,389 --> 00:11:36,899

I noticed as I looked at him and kids

224

00:11:41,389 --> 00:11:38,399

look at look at

225

00:11:42,530 --> 00:11:41,399

things differently than adults adults

226

00:11:43,910 --> 00:11:42,540

look at something like that and they

227

00:11:46,850 --> 00:11:43,920

probably say oh it's an alien from

228

00:11:48,970 --> 00:11:46,860

another planet or I'm scared or a wow or

229

00:11:52,730 --> 00:11:48,980

I'm let's worship it or whatever

230

00:11:54,350 --> 00:11:52,740

little kids just look at them and uh as

231

00:11:57,290 --> 00:11:54,360

I looked at him I noticed he didn't have

232

00:11:59,630 --> 00:11:57,300

any mammary glands he didn't have any

233

00:12:01,430 --> 00:11:59,640

nipples he didn't have a belly button he

234

00:12:02,750 --> 00:12:01,440

didn't have any clothes on he didn't

235

00:12:04,490 --> 00:12:02,760

have a TT

236

00:12:08,509 --> 00:12:04,500

and I couldn't figure out what is wrong

237

00:12:11,210 --> 00:12:08,519

with this guy where is that I got all my

238

00:12:13,310 --> 00:12:11,220

stuff where's his you know so I just

239

00:12:16,850 --> 00:12:13,320

can't figure this out at all

240

00:12:19,550 --> 00:12:16,860

and uh long story short is he at some

241

00:12:24,050 --> 00:12:22,370

turned me off the uh some abductees will

242

00:12:26,030 --> 00:12:24,060

often refer to this as being switched

243

00:12:27,889 --> 00:12:26,040

off which basically means they take

244

00:12:29,449 --> 00:12:27,899

control of you and they don't allow you

245

00:12:31,790 --> 00:12:29,459

to remember anything

246

00:12:32,990 --> 00:12:31,800

uh but I was so traumatized by this part

247

00:12:35,690 --> 00:12:33,000

of the event

248

00:12:37,250 --> 00:12:35,700

that uh I've I don't know how I learned

249

00:12:41,449 --> 00:12:37,260

how to do this but I switched myself

250

00:12:45,410 --> 00:12:41,459

back on and he and he didn't notice it

251
00:12:47,750 --> 00:12:45,420
because I I I'm listening in his head

252
00:12:50,030 --> 00:12:47,760
now and he's thinking about what he's

253
00:12:52,190 --> 00:12:50,040
going to do to create a screen memory

254
00:12:54,350 --> 00:12:52,200
for me so that I will believe that I've

255
00:12:56,269 --> 00:12:54,360
had a bad dream

256
00:12:59,990 --> 00:12:56,279
that I'll never believe any of this to

257
00:13:02,269 --> 00:13:00,000
be true and he he conjures up this image

258
00:13:05,690 --> 00:13:02,279
of this horrific clown

259
00:13:07,370 --> 00:13:05,700
in his in my head at that point and I

260
00:13:09,650 --> 00:13:07,380
kept shaking my head back and forth no

261
00:13:11,629 --> 00:13:09,660
no no no no I I wanted to remember him

262
00:13:14,509 --> 00:13:11,639
for what he was not for

263
00:13:16,490 --> 00:13:14,519

the clown he wanted me to think he was

264

00:13:19,490 --> 00:13:16,500

so uh

265

00:13:21,829 --> 00:13:19,500

anyway long story short is I I wouldn't

266

00:13:24,590 --> 00:13:21,839

I would not allow him to do that to me

267

00:13:26,810 --> 00:13:24,600

and uh then all I remember after that is

268

00:13:30,350 --> 00:13:26,820

I woke up in the morning uh the cover's

269

00:13:32,690 --> 00:13:30,360

back on me it was uh my parents were I

270

00:13:34,610 --> 00:13:32,700

was noticeably traumatized and they kept

271

00:13:36,949 --> 00:13:34,620

asking me what happened what's wrong did

272

00:13:40,370 --> 00:13:36,959

you have a bad dream and I never told

273

00:13:44,750 --> 00:13:40,380

them I I mean I I just didn't my mother

274

00:13:49,069 --> 00:13:44,760

who passed away this last year was uh

275

00:13:51,350 --> 00:13:49,079

good night she was 89 years old and

276

00:13:55,670 --> 00:13:51,360

she

277

00:13:57,769 --> 00:13:55,680

everything and I know you're an

278

00:13:59,870 --> 00:13:57,779

investigator but they said you were an

279

00:14:03,710 --> 00:13:59,880

abductee that's just not right and I

280

00:14:05,750 --> 00:14:03,720

said well uh yeah it kind of is and so

281

00:14:07,610 --> 00:14:05,760

she was horrified by that and so well

282

00:14:09,290 --> 00:14:07,620

why did you never tell us

283

00:14:11,889 --> 00:14:09,300

and I said because of that dumb looking

284

00:14:15,170 --> 00:14:11,899

Boo Radley look on your face right now

285

00:14:16,069 --> 00:14:15,180

I did not want to see that at age four

286

00:14:19,009 --> 00:14:16,079

um

287

00:14:21,829 --> 00:14:19,019

so I said if I stand there and tell

288

00:14:23,389 --> 00:14:21,839

somebody the truth my soul and uh Nate

289

00:14:25,910 --> 00:14:23,399

sit there and look at me like you know I

290

00:14:27,949 --> 00:14:25,920

need medication or something uh that

291

00:14:30,530 --> 00:14:27,959

conversation is over and I didn't didn't

292

00:14:33,110 --> 00:14:30,540

want to have it with you at uh at age

293

00:14:39,470 --> 00:14:36,230

so obviously this impacted your life I

294

00:14:42,829 --> 00:14:39,480

mean did did it ever happen again for

295

00:14:45,650 --> 00:14:42,839

you it did happen again the the I had

296

00:14:47,829 --> 00:14:45,660

approximately 10 events over the next uh

297

00:14:51,110 --> 00:14:47,839

13 years okay

298

00:14:54,949 --> 00:14:51,120

the events um I can go into one or two

299

00:14:56,810 --> 00:14:54,959

of them if you like uh the uh we moved

300

00:14:59,689 --> 00:14:56,820

from Midland Texas that's where my first

301
00:15:02,569 --> 00:14:59,699
event occurred uh before I was in school

302
00:15:05,509 --> 00:15:02,579
then we moved to uh later moved to

303
00:15:07,550 --> 00:15:05,519
Mayhill New Mexico which is literally

304
00:15:08,990 --> 00:15:07,560
and I mean literally a wide place in the

305
00:15:11,210 --> 00:15:09,000
road I mean because there's nothing else

306
00:15:13,069 --> 00:15:11,220
but mountains on both sides

307
00:15:16,970 --> 00:15:13,079
so um

308
00:15:20,930 --> 00:15:16,980
uh the son of a a Baptist Minister and

309
00:15:22,370 --> 00:15:20,940
we were building a parsonage a house uh

310
00:15:24,590 --> 00:15:22,380
beside the church

311
00:15:26,030 --> 00:15:24,600
and uh so we lived in the basement of

312
00:15:26,870 --> 00:15:26,040
the churches we got the marshmall

313
00:15:28,550 --> 00:15:26,880

finished

314

00:15:29,810 --> 00:15:28,560

the reason that was significant is

315

00:15:33,230 --> 00:15:29,820

because I had to go out to go to the

316

00:15:36,230 --> 00:15:33,240

bathroom and the easiest place to go the

317

00:15:38,750 --> 00:15:36,240

bathroom was a what is we've referred to

318

00:15:40,250 --> 00:15:38,760

as the Outhouse this is literally a

319

00:15:42,949 --> 00:15:40,260

little wooden shed like you might see in

320

00:15:45,470 --> 00:15:42,959

the movies like Yellowstone or something

321

00:15:47,750 --> 00:15:45,480

that's literally what it was it was just

322

00:15:49,850 --> 00:15:47,760

an outdoor toilet an outdoor privy

323

00:15:51,290 --> 00:15:49,860

whatever you want to call it and I went

324

00:15:52,970 --> 00:15:51,300

out there used the bathroom shut the

325

00:15:56,509 --> 00:15:52,980

door and there was the same Cosmic

326

00:15:59,150 --> 00:15:56,519

skinhead looking at me uh I mean I was

327

00:16:00,290 --> 00:15:59,160

just stunned and uh and then I

328

00:16:04,250 --> 00:16:00,300

disappeared

329

00:16:07,009 --> 00:16:04,260

and uh with him and uh the next morning

330

00:16:09,110 --> 00:16:07,019

that was on her Friday the next morning

331

00:16:11,689 --> 00:16:09,120

was Saturday I went out to play as I

332

00:16:14,389 --> 00:16:11,699

always did and I loved insects loved

333

00:16:16,850 --> 00:16:14,399

animals I loved fishing I mean it was

334

00:16:20,269 --> 00:16:16,860

perfect environment for me I loved it

335

00:16:23,030 --> 00:16:20,279

but I did something that I never ever

336

00:16:26,870 --> 00:16:23,040

understood until I got got thinking

337

00:16:28,850 --> 00:16:26,880

about it I was killing uh grasshoppers

338

00:16:30,470 --> 00:16:28,860

as fast as I could catch them

339

00:16:33,290 --> 00:16:30,480

I would catch him and pull their heads

340

00:16:36,290 --> 00:16:33,300

off and this made no sense to me because

341

00:16:38,389 --> 00:16:36,300

I love insects I mean I I I love animals

342

00:16:40,670 --> 00:16:38,399

we've rescued more animals than most

343

00:16:42,230 --> 00:16:40,680

people have ever seen in their life and

344

00:16:43,490 --> 00:16:42,240

my daughter's still doing that now and

345

00:16:46,389 --> 00:16:43,500

and uh

346

00:16:48,829 --> 00:16:46,399

and that's in Scotland

347

00:16:51,110 --> 00:16:48,839

and anyway

348

00:16:53,389 --> 00:16:51,120

as I was got a caught another

349

00:16:54,470 --> 00:16:53,399

grasshopper had had literally hundreds

350

00:16:56,329 --> 00:16:54,480

of them laying there on the ground dead

351
00:16:59,210 --> 00:16:56,339
and I looked at him and I got him real

352
00:17:00,470 --> 00:16:59,220
close to my face and I realized what am

353
00:17:04,130 --> 00:17:00,480
I doing

354
00:17:08,270 --> 00:17:04,140
and I realized that's the wrong insect

355
00:17:11,090 --> 00:17:08,280
the insect I thought it was was that of

356
00:17:13,789 --> 00:17:11,100
a pragmatis a triangular head I looked

357
00:17:15,530 --> 00:17:13,799
at it closely and realized wrong insect

358
00:17:17,569 --> 00:17:15,540
and that was the one that got me the

359
00:17:19,490 --> 00:17:17,579
night before

360
00:17:21,770 --> 00:17:19,500
oh so you had an encounter with the

361
00:17:24,949 --> 00:17:21,780
sectoid then okay that was that was not

362
00:17:26,990 --> 00:17:24,959
a lot of fun so the the the the bottom

363
00:17:28,549 --> 00:17:27,000

line with with my events I don't I don't

364

00:17:31,130 --> 00:17:28,559

consider them that

365

00:17:33,590 --> 00:17:31,140

uh significant I have 2 000 cases

366

00:17:36,950 --> 00:17:33,600

worldwide that I work from India to

367

00:17:39,529 --> 00:17:36,960

Japan to South America to here even in

368

00:17:45,830 --> 00:17:42,529

um so I use my cases as an illustration

369

00:17:47,390 --> 00:17:45,840

for myself but I don't use them as a

370

00:17:50,210 --> 00:17:47,400

standard for everyone else because

371

00:17:53,570 --> 00:17:50,220

there's so many cases that are very good

372

00:17:56,630 --> 00:17:53,580

cases to look at I I choose to use those

373

00:17:58,669 --> 00:17:56,640

rather as illustrations but I use my own

374

00:18:00,409 --> 00:17:58,679

so people realize I have had the events

375

00:18:03,730 --> 00:18:00,419

and I I kind of know what I'm talking

376
00:18:07,730 --> 00:18:03,740
about but the what was most significant

377
00:18:10,669 --> 00:18:07,740
in in all of my events

378
00:18:13,669 --> 00:18:10,679
was the ability to switch myself back on

379
00:18:15,650 --> 00:18:13,679
when the alien turned me off

380
00:18:17,810 --> 00:18:15,660
now since I've learned how to do that

381
00:18:18,890 --> 00:18:17,820
accidentally in the first event at age

382
00:18:22,130 --> 00:18:18,900
four

383
00:18:24,470 --> 00:18:22,140
I still practice that over and over in

384
00:18:28,010 --> 00:18:24,480
these events and the wonderful thing was

385
00:18:30,230 --> 00:18:28,020
the alien didn't know I was listening

386
00:18:32,630 --> 00:18:30,240
and I never said anything never

387
00:18:34,730 --> 00:18:32,640
interacted with them just acted like I

388
00:18:36,650 --> 00:18:34,740

didn't hear it but now I'm listening to

389

00:18:38,990 --> 00:18:36,660

the what them talk about what it is

390

00:18:41,690 --> 00:18:39,000

they're doing or going to do and what

391

00:18:44,090 --> 00:18:41,700

some of their plans are that gave me a

392

00:18:46,549 --> 00:18:44,100

huge insight on the alien phenomena that

393

00:18:49,690 --> 00:18:46,559

I've never ever would have gotten as an

394

00:18:52,730 --> 00:18:49,700

abductee or or reading information

395

00:18:54,289 --> 00:18:52,740

you'll you it's like listening it's like

396

00:18:57,230 --> 00:18:54,299

being a spy

397

00:18:58,730 --> 00:18:57,240

in a room and everybody's speaking

398

00:19:00,529 --> 00:18:58,740

Russian and they don't realize you speak

399

00:19:04,250 --> 00:19:00,539

Russian too

400

00:19:06,049 --> 00:19:04,260

yeah it was really bizarre so I picked

401
00:19:07,549 --> 00:19:06,059
up a lot of information about the alien

402
00:19:10,130 --> 00:19:07,559
phenomena what they're up to who they

403
00:19:13,310 --> 00:19:10,140
are what's going on so to speak it gave

404
00:19:16,190 --> 00:19:13,320
me a a pretty decent insight from where

405
00:19:19,310 --> 00:19:16,200
I'm at because after my events ended at

406
00:19:25,909 --> 00:19:22,730
um I finally joined the Vietnam War uh

407
00:19:30,289 --> 00:19:25,919
joined the United States Army and uh as

408
00:19:32,390 --> 00:19:30,299
a volunteer and uh went into I was sheet

409
00:19:34,909 --> 00:19:32,400
dipped and for your audience what that

410
00:19:36,770 --> 00:19:34,919
simply means is when the CIA reaches

411
00:19:39,230 --> 00:19:36,780
into the military and they pick out

412
00:19:42,409 --> 00:19:39,240
somebody they want and I and several

413
00:19:44,029 --> 00:19:42,419

other people were chosen and uh we had

414

00:19:46,909 --> 00:19:44,039

no idea where we were going at the time

415

00:19:48,830 --> 00:19:46,919

and long story short is I ended up in

416

00:19:51,049 --> 00:19:48,840

Central Intelligence Agency in the in

417

00:19:54,049 --> 00:19:51,059

the Spy Camp and that's where I learned

418

00:19:57,230 --> 00:19:54,059

some of the trade craft of us of the

419

00:20:00,169 --> 00:19:57,240

spying business so on I was not a spy I

420

00:20:01,789 --> 00:20:00,179

was not hired to be a spy that those are

421

00:20:03,890 --> 00:20:01,799

called case officers there's no such

422

00:20:06,470 --> 00:20:03,900

thing as a CIA agent in that sense of

423

00:20:10,250 --> 00:20:06,480

the word they're case officers all of

424

00:20:12,970 --> 00:20:10,260

them and uh my my work primarily there

425

00:20:16,370 --> 00:20:12,980

was to uh

426

00:20:20,090 --> 00:20:16,380

uh make that look like a military base

427

00:20:22,190 --> 00:20:20,100

not a CIA base and number two uh my my

428

00:20:26,990 --> 00:20:22,200

second responsibility was his weapons

429

00:20:34,970 --> 00:20:30,830

interesting so how has uh your work with

430

00:20:36,730 --> 00:20:34,980

the agency uh impacted on your your work

431

00:20:40,190 --> 00:20:36,740

now as an alien Hunter

432

00:20:42,970 --> 00:20:40,200

uh I was rather stunned when I first

433

00:20:46,789 --> 00:20:42,980

began to learn some of the tradecraft

434

00:20:49,789 --> 00:20:46,799

I was amazed because it was stunning to

435

00:20:53,570 --> 00:20:49,799

me that how much the intelligence

436

00:20:55,669 --> 00:20:53,580

Community not just the CIA the KGB Assad

437

00:21:01,190 --> 00:20:55,679

all of them they function the same way

438

00:21:06,169 --> 00:21:04,850

like the alien the aliens do and by that

439

00:21:08,750 --> 00:21:06,179

I mean they lie and they lie

440

00:21:11,390 --> 00:21:08,760

consistently the substance the name of

441

00:21:12,770 --> 00:21:11,400

the game it always has been and when you

442

00:21:14,270 --> 00:21:12,780

get ready to tell the truth you tell

443

00:21:16,549 --> 00:21:14,280

them something that they truly will

444

00:21:19,909 --> 00:21:16,559

believe to be the truth and is still a

445

00:21:22,310 --> 00:21:19,919

lie and uh one person asked me so well

446

00:21:25,070 --> 00:21:22,320

what wait a minute what do you mean I

447

00:21:27,289 --> 00:21:25,080

said I said well it's real simple I said

448

00:21:29,690 --> 00:21:27,299

uh how did you like this story at

449

00:21:32,270 --> 00:21:29,700

Roswell we personally made a mistake and

450

00:21:33,950 --> 00:21:32,280

told you it was a flying disc

451
00:21:35,570 --> 00:21:33,960
Flying Saucer

452
00:21:37,730 --> 00:21:35,580
next day we told you it was a weather

453
00:21:39,770 --> 00:21:37,740
balloon

454
00:21:41,630 --> 00:21:39,780
I said majority of the people still it

455
00:21:43,610 --> 00:21:41,640
they did at the time believed it was a

456
00:21:46,610 --> 00:21:43,620
weather balloon that was our that was

457
00:21:48,890 --> 00:21:46,620
the LIE that was the cover Story aliens

458
00:21:50,930 --> 00:21:48,900
have cover stories just like we do we

459
00:21:52,909 --> 00:21:50,940
call them screen memories but they're

460
00:21:55,130 --> 00:21:52,919
cover stories they're things to hide

461
00:21:58,490 --> 00:21:55,140
over what really occurred in the

462
00:22:01,850 --> 00:21:59,330
um

463
00:22:03,409 --> 00:22:01,860

well I'm an experienter myself so I

464

00:22:06,890 --> 00:22:03,419

Concur and understand exactly what

465

00:22:08,570 --> 00:22:06,900

you're talking about it's um

466

00:22:10,970 --> 00:22:08,580

you know let me ask you this question

467

00:22:12,470 --> 00:22:10,980

now since you have had involvement with

468

00:22:15,289 --> 00:22:12,480

with these beings

469

00:22:18,230 --> 00:22:15,299

and uh you understand

470

00:22:19,669 --> 00:22:18,240

you know like you said their spycraft or

471

00:22:21,830 --> 00:22:19,679

their intelligence

472

00:22:24,770 --> 00:22:21,840

what do you believe their actual agenda

473

00:22:30,049 --> 00:22:27,950

well it's it's kind of a difficult

474

00:22:33,049 --> 00:22:30,059

answer because there's there's so many

475

00:22:35,149 --> 00:22:33,059

facets to it but in general the general

476

00:22:39,770 --> 00:22:35,159

aspect in my opinion

477

00:22:41,450 --> 00:22:39,780

after 50 years of research is that this

478

00:22:42,610 --> 00:22:41,460

phenomena first of all hasn't been going

479

00:22:45,169 --> 00:22:42,620

on over

480

00:22:47,630 --> 00:22:45,179

150 to 200 years

481

00:22:49,909 --> 00:22:47,640

we're we're new to the game so to speak

482

00:22:52,549 --> 00:22:49,919

this is the new program

483

00:22:54,830 --> 00:22:52,559

and uh the fascinating thing I've

484

00:22:58,610 --> 00:22:54,840

learned about it toward the end of my

485

00:23:00,710 --> 00:22:58,620

career so to speak uh is that that

486

00:23:02,750 --> 00:23:00,720

program is almost finished and they

487

00:23:05,149 --> 00:23:02,760

consider it to be a failure

488

00:23:07,130 --> 00:23:05,159

they do not consider the the pro

489

00:23:09,890 --> 00:23:07,140

whatever the program they will not tell

490

00:23:12,409 --> 00:23:09,900

you what it is but uh for our best

491

00:23:14,810 --> 00:23:12,419

information is that they consider it to

492

00:23:17,169 --> 00:23:14,820

have failed and that that this program

493

00:23:21,110 --> 00:23:17,179

eventually will end I don't know when

494

00:23:24,409 --> 00:23:21,120

but uh our our

495

00:23:27,049 --> 00:23:24,419

information that we retrieved was that

496

00:23:29,810 --> 00:23:27,059

it would be uh we were in the last

497

00:23:32,330 --> 00:23:29,820

hundred years of the entire program

498

00:23:34,070 --> 00:23:32,340

and uh by that we don't know whether

499

00:23:36,710 --> 00:23:34,080

we're in the last five years ten years

500

00:23:38,570 --> 00:23:36,720

three years we don't we don't know but

501
00:23:42,890 --> 00:23:38,580
we know most of most of it is over

502
00:23:47,330 --> 00:23:45,110
now you've been involved with an

503
00:23:48,529 --> 00:23:47,340
assortment of alien abduction scenarios

504
00:23:49,130 --> 00:23:48,539
and such

505
00:23:51,590 --> 00:23:49,140
um

506
00:23:54,950 --> 00:23:51,600
do you first believe there is an alien

507
00:23:57,049 --> 00:23:54,960
hybrid uh type of program or is it is

508
00:23:58,549 --> 00:23:57,059
there something else as the main

509
00:24:01,370 --> 00:23:58,559
objective

510
00:24:04,250 --> 00:24:01,380
well there is a there is a uh

511
00:24:08,510 --> 00:24:04,260
hybridization program going on by which

512
00:24:11,750 --> 00:24:08,520
it's on several Levels by the way uh and

513
00:24:14,570 --> 00:24:11,760

is a good example of this uh mufon the

514

00:24:17,270 --> 00:24:14,580

mutual UFO Network years ago told their

515

00:24:20,149 --> 00:24:17,280

doctors told uh a number of their people

516

00:24:23,149 --> 00:24:20,159

that uh these women making these claims

517

00:24:25,850 --> 00:24:23,159

of uh Alien pregnancies and that sort of

518

00:24:27,669 --> 00:24:25,860

thing it is it just ain't true they

519

00:24:30,590 --> 00:24:27,679

either don't know their bodies or they

520

00:24:32,450 --> 00:24:30,600

they're they went out and had sex with

521

00:24:35,510 --> 00:24:32,460

somebody and got pregnant and made up an

522

00:24:38,029 --> 00:24:35,520

alien story this sort of thing so when I

523

00:24:40,250 --> 00:24:38,039

was up in uh the Northwest part of the

524

00:24:42,409 --> 00:24:40,260

Northeast part of the country a friend

525

00:24:43,549 --> 00:24:42,419

of mine is a mufon investigator to one

526
00:24:45,649 --> 00:24:43,559
of the top ones

527
00:24:48,049 --> 00:24:45,659
said I want you to do a presentation for

528
00:24:50,690 --> 00:24:48,059
a lot of my muffron friends and then the

529
00:24:53,950 --> 00:24:50,700
investigator so I want you to show them

530
00:24:56,450 --> 00:24:53,960
tell them the truth and I said

531
00:24:59,149 --> 00:24:56,460
you sure you want me to do this and he

532
00:25:01,970 --> 00:24:59,159
said yes I do and I said okay

533
00:25:03,350 --> 00:25:01,980
and uh so I did a presentation on the

534
00:25:05,750 --> 00:25:03,360
alien implants

535
00:25:10,190 --> 00:25:05,760
the last implant that I showed

536
00:25:12,830 --> 00:25:10,200
was a I said there is this story that

537
00:25:16,190 --> 00:25:12,840
the some of these women have these less

538
00:25:19,669 --> 00:25:16,200

alien free pregnancies and this has been

539

00:25:21,049 --> 00:25:19,679

poo pooped by a lot of people as not true

540

00:25:22,909 --> 00:25:21,059

or correct

541

00:25:24,649 --> 00:25:22,919

I said I'm here to tell you that you're

542

00:25:28,549 --> 00:25:24,659

wrong

543

00:25:32,269 --> 00:25:28,559

and then I produced a a sonogram

544

00:25:33,169 --> 00:25:32,279

of an alien inside a woman in the

545

00:25:35,570 --> 00:25:33,179

pregnancy

546

00:25:37,250 --> 00:25:35,580

you could not you could hurt a pin drop

547

00:25:40,490 --> 00:25:37,260

on the carpet

548

00:25:42,110 --> 00:25:40,500

nobody said a word not one word

549

00:25:44,510 --> 00:25:42,120

and I said what you'd also don't

550

00:25:46,669 --> 00:25:44,520

understand is we have several people

551
00:25:49,070 --> 00:25:46,679
who've already been born as a result of

552
00:25:52,610 --> 00:25:49,080
some of these experiments and we know

553
00:25:58,610 --> 00:25:55,970
interesting I have um I have had clients

554
00:26:00,470 --> 00:25:58,620
who I have worked with who have been uh

555
00:26:03,529 --> 00:26:00,480
in particular one lady who was

556
00:26:05,450 --> 00:26:03,539
impregnated impregnated many times and

557
00:26:08,029 --> 00:26:05,460
at the third at the end of the first

558
00:26:11,330 --> 00:26:08,039
trimester the the baby would disappear

559
00:26:12,890 --> 00:26:11,340
yes it happened to her four times

560
00:26:15,649 --> 00:26:12,900
well the one of the most interesting

561
00:26:18,470 --> 00:26:15,659
ones uh was with Bud Hopkins doing a

562
00:26:22,250 --> 00:26:18,480
presentation and uh the the eastern part

563
00:26:24,409 --> 00:26:22,260

of the U.S years ago and uh a lady came

564

00:26:25,549 --> 00:26:24,419

up and uh asked us we would be

565

00:26:27,350 --> 00:26:25,559

interested in talking to her about her

566

00:26:29,090 --> 00:26:27,360

case it was quite late at night and I

567

00:26:31,070 --> 00:26:29,100

said well young lady we're fixing to all

568

00:26:34,310 --> 00:26:31,080

go to dinner we've been here for three

569

00:26:35,470 --> 00:26:34,320

days and all of that and and she was

570

00:26:38,450 --> 00:26:35,480

very

571

00:26:40,730 --> 00:26:38,460

devoted and I said uh here here's my 20

572

00:26:42,529 --> 00:26:40,740

Page form fill it up you're still here

573

00:26:45,350 --> 00:26:42,539

when I get back I'll work with you so

574

00:26:47,510 --> 00:26:45,360

thank you thank you thank you and I came

575

00:26:50,990 --> 00:26:47,520

back there she was forms all filled out

576

00:26:53,450 --> 00:26:51,000

and she said I I said well I I don't

577

00:26:55,970 --> 00:26:53,460

normally take women into my room or

578

00:26:58,130 --> 00:26:55,980

anything like that unless I know them uh

579

00:26:59,750 --> 00:26:58,140

and she's I'm a surgical nurse and all

580

00:27:01,490 --> 00:26:59,760

that and I said okay

581

00:27:04,549 --> 00:27:01,500

so we went in and talked and she said

582

00:27:07,549 --> 00:27:04,559

I've been under hypnosis and the uh I

583

00:27:10,549 --> 00:27:07,559

said well what's problem she said well

584

00:27:13,370 --> 00:27:10,559

the the problem is she said I the

585

00:27:16,070 --> 00:27:13,380

hypnotist uh all he could get me to do

586

00:27:18,710 --> 00:27:16,080

was to basically see two little Shadows

587

00:27:20,630 --> 00:27:18,720

running out of the room at some point

588

00:27:23,750 --> 00:27:20,640

and I said

589

00:27:27,590 --> 00:27:23,760

he he said there was a block in there I

590

00:27:29,210 --> 00:27:27,600

said sometimes they install blocks uh we

591

00:27:31,549 --> 00:27:29,220

found as many as three deep in an

592

00:27:32,870 --> 00:27:31,559

individual the reason is because you

593

00:27:34,730 --> 00:27:32,880

either saw or heard something you

594

00:27:37,370 --> 00:27:34,740

weren't supposed to see or hear and they

595

00:27:39,470 --> 00:27:37,380

know it and so the way they do that is

596

00:27:40,909 --> 00:27:39,480

to try to install blocks to keep

597

00:27:42,430 --> 00:27:40,919

hypnotists and other people from

598

00:27:44,930 --> 00:27:42,440

Gathering that information

599

00:27:46,789 --> 00:27:44,940

and she says well can you get past that

600

00:27:48,230 --> 00:27:46,799

and I said uh actually I'm pretty good

601
00:27:50,930 --> 00:27:48,240
at this sort of thing

602
00:27:53,750 --> 00:27:50,940
and uh so I gave her my background in

603
00:27:56,269 --> 00:27:53,760
medical and hypnotic anesthesia and the

604
00:27:57,830 --> 00:27:56,279
master hypnotherapist so

605
00:27:59,690 --> 00:27:57,840
um

606
00:28:02,029 --> 00:27:59,700
any of the amazing thing about this

607
00:28:04,730 --> 00:28:02,039
whole story is she did not have a clue

608
00:28:07,370 --> 00:28:04,740
about alien anything

609
00:28:08,810 --> 00:28:07,380
I mean I said well what happened she

610
00:28:10,010 --> 00:28:08,820
said well I divorced my husband over

611
00:28:11,930 --> 00:28:10,020
this event

612
00:28:12,830 --> 00:28:11,940
I said goodness sakes for for what

613
00:28:15,350 --> 00:28:12,840

reason

614

00:28:17,750 --> 00:28:15,360

she said well I'm a surgical nurse where

615

00:28:19,669 --> 00:28:17,760

I'm going to end my career here and then

616

00:28:22,310 --> 00:28:19,679

we're going to raise a family

617

00:28:24,710 --> 00:28:22,320

and we agreed not to have sex until I

618

00:28:27,890 --> 00:28:24,720

got out of the medical field and I said

619

00:28:29,810 --> 00:28:27,900

okay fine and she said I woke up in the

620

00:28:32,090 --> 00:28:29,820

middle of the night during this that

621

00:28:35,990 --> 00:28:32,100

dream thing with his two little Shadows

622

00:28:38,510 --> 00:28:36,000

were in the room and there's uh

623

00:28:40,789 --> 00:28:38,520

semen all over my stomach

624

00:28:43,010 --> 00:28:40,799

and

625

00:28:44,210 --> 00:28:43,020

I did I looked at I looked around the

626

00:28:45,590 --> 00:28:44,220

room and all I could see of course my

627

00:28:47,149 --> 00:28:45,600

husband over her asleep

628

00:28:49,310 --> 00:28:47,159

well I just went over started slapping

629

00:28:51,230 --> 00:28:49,320

him silly and he thought I was

630

00:28:52,490 --> 00:28:51,240

completely insane he said well what is

631

00:28:55,850 --> 00:28:52,500

wrong with you woman

632

00:28:57,830 --> 00:28:55,860

and she said you stupid and anyway she

633

00:29:01,130 --> 00:28:57,840

she thought he had done that

634

00:29:03,590 --> 00:29:01,140

and I said okay and then what she said

635

00:29:05,690 --> 00:29:03,600

well I divorced him what'd you expect I

636

00:29:08,750 --> 00:29:05,700

said okay

637

00:29:10,310 --> 00:29:08,760

um interesting I said I uh

638

00:29:12,350 --> 00:29:10,320

you got a couple other questions I said

639

00:29:14,149 --> 00:29:12,360

the the what happened she said well I

640

00:29:17,350 --> 00:29:14,159

got pregnant

641

00:29:20,750 --> 00:29:17,360

and I said okay and

642

00:29:22,610 --> 00:29:20,760

the story just gets worse so I said well

643

00:29:25,190 --> 00:29:22,620

uh

644

00:29:28,070 --> 00:29:25,200

well tell me

645

00:29:29,990 --> 00:29:28,080

fill me in here I said

646

00:29:31,730 --> 00:29:30,000

when you got pregnant did the fetus

647

00:29:32,990 --> 00:29:31,740

disappear in the first trimester see she

648

00:29:35,090 --> 00:29:33,000

didn't know anything about any of this

649

00:29:37,130 --> 00:29:35,100

she didn't have a clue no I got pregnant

650

00:29:41,750 --> 00:29:37,140

what do you think I'm supposed to do

651
00:29:44,870 --> 00:29:41,760
you have a baby and I said oh my uh the

652
00:29:47,510 --> 00:29:44,880
baby came to terms well of course it did

653
00:29:51,350 --> 00:29:47,520
I said um

654
00:29:55,430 --> 00:29:53,389
how's your how's your child now and she

655
00:29:57,230 --> 00:29:55,440
told me and I said okay was there

656
00:29:57,950 --> 00:29:57,240
anything unusual about his birth and she

657
00:30:00,110 --> 00:29:57,960
said

658
00:30:01,730 --> 00:30:00,120
now again she doesn't understand she

659
00:30:04,490 --> 00:30:01,740
didn't know a thing in the world about

660
00:30:07,130 --> 00:30:04,500
alien anything right she said the weird

661
00:30:08,990 --> 00:30:07,140
thing is she said the baby scared me

662
00:30:11,210 --> 00:30:09,000
half to death and I said well why would

663
00:30:15,409 --> 00:30:11,220

the baby scare you half to death She's

664

00:30:20,510 --> 00:30:17,810

and I said okay

665

00:30:23,269 --> 00:30:20,520

and I suspect that uh I've seen the baby

666

00:30:25,130 --> 00:30:23,279

pictures I got pictures of everything

667

00:30:27,529 --> 00:30:25,140

and he doesn't look like a praying he

668

00:30:30,289 --> 00:30:27,539

does look a little odd but the thing is

669

00:30:32,750 --> 00:30:30,299

I think she attacks the meaning

670

00:30:35,269 --> 00:30:32,760

of the alien that picked her up

671

00:30:38,450 --> 00:30:35,279

attached that memory to the child

672

00:30:39,110 --> 00:30:38,460

because of the weirdness of the event

673

00:30:42,010 --> 00:30:39,120

um

674

00:30:45,230 --> 00:30:42,020

so anyway it was uh very similar to The

675

00:30:49,250 --> 00:30:45,240

Betty Barney Hill case long bendable

676

00:30:50,930 --> 00:30:49,260

needle and uh she said well how did how

677

00:30:52,190 --> 00:30:50,940

are you gonna how are you gonna how are

678

00:30:54,470 --> 00:30:52,200

we gonna find out what happened I said

679

00:30:57,649 --> 00:30:54,480

it's real simple we just we're going to

680

00:31:01,430 --> 00:30:57,659

do something real interesting and uh

681

00:31:03,769 --> 00:31:01,440

and and I did the procedure and and she

682

00:31:05,450 --> 00:31:03,779

opened her eyes she was oh my God and

683

00:31:08,090 --> 00:31:05,460

she remembered everything in detail

684

00:31:11,029 --> 00:31:08,100

because what I did I did basically was

685

00:31:13,909 --> 00:31:11,039

to run her program

686

00:31:16,850 --> 00:31:13,919

whatever happened to her and this is

687

00:31:18,970 --> 00:31:16,860

going to sound a little odd if you're it

688

00:31:20,930 --> 00:31:18,980

unless you're very extremely skilled and

689

00:31:23,149 --> 00:31:20,940

hypnotherapy and memory recovery you're

690

00:31:25,909 --> 00:31:23,159

not going to probably understand this

691

00:31:27,529 --> 00:31:25,919

but I ran the program backwards

692

00:31:29,690 --> 00:31:27,539

now there's two reasons I did that

693

00:31:31,909 --> 00:31:29,700

number one because the blocks won't work

694

00:31:34,730 --> 00:31:31,919

that way and number two is because you

695

00:31:36,950 --> 00:31:34,740

can't lie backwards

696

00:31:38,529 --> 00:31:36,960

right one of the reasons police officers

697

00:31:41,210 --> 00:31:38,539

bring you into a room and question you

698

00:31:43,250 --> 00:31:41,220

for hours is they try to take apart your

699

00:31:45,529 --> 00:31:43,260

story and they start making you recall

700

00:31:47,450 --> 00:31:45,539

parts of it pieces of it that they're

701
00:31:49,850 --> 00:31:47,460
sure that wasn't true and are trying to

702
00:31:52,549 --> 00:31:49,860
get if you're not telling the truth

703
00:31:54,889 --> 00:31:52,559
you you can't fabricate that thing

704
00:31:58,070 --> 00:31:54,899
correctly you it did in other words your

705
00:32:00,049 --> 00:31:58,080
lie is not in in correct it's not in a

706
00:32:02,149 --> 00:32:00,059
memory succession that's why it's

707
00:32:04,490 --> 00:32:02,159
usually easy to get two people who are

708
00:32:07,370 --> 00:32:04,500
making up stuff you you can see holzner

709
00:32:09,350 --> 00:32:07,380
in their story well all this came to to

710
00:32:12,190 --> 00:32:09,360
her instantly and she realized oh my God

711
00:32:16,610 --> 00:32:12,200
I left my husband for no reason

712
00:32:19,610 --> 00:32:16,620
well yeah duh and uh I said well is

713
00:32:21,350 --> 00:32:19,620

there is your son alive and she says yes

714

00:32:24,950 --> 00:32:21,360

of course he is

715

00:32:27,889 --> 00:32:24,960

I said has he had a very troubled

716

00:32:30,830 --> 00:32:27,899

background and she said yes he did

717

00:32:34,549 --> 00:32:30,840

and I said would he you think be

718

00:32:36,110 --> 00:32:34,559

available for a DNA test and one doctor

719

00:32:37,669 --> 00:32:36,120

asked me he said well that's not going

720

00:32:38,930 --> 00:32:37,679

to prove anything he's going to prove

721

00:32:41,389 --> 00:32:38,940

that she went out and had sex with

722

00:32:44,570 --> 00:32:41,399

somebody else and I said you guys are

723

00:32:46,310 --> 00:32:44,580

all the same you know I these people no

724

00:32:47,510 --> 00:32:46,320

wonder they don't trust you they don't

725

00:32:50,690 --> 00:32:47,520

talk to you

726

00:32:52,430 --> 00:32:50,700

uh I said here's the deal I said we'll

727

00:32:56,149 --> 00:32:52,440

do the DNA test but what we're going to

728

00:32:59,990 --> 00:32:56,159

find in my opinion is that the father

729

00:33:01,370 --> 00:33:00,000

is in fact not her husband which you're

730

00:33:03,590 --> 00:33:01,380

not going to be surprised about at all

731

00:33:05,630 --> 00:33:03,600

it's going to in your opinion confirm

732

00:33:07,970 --> 00:33:05,640

that you got it

733

00:33:10,310 --> 00:33:07,980

so uh

734

00:33:15,110 --> 00:33:10,320

the second thing we're going to find is

735

00:33:21,169 --> 00:33:17,990

the DNA is also not hers

736

00:33:26,810 --> 00:33:24,110

I said listen to me carefully I said

737

00:33:29,230 --> 00:33:26,820

many accounts that you'll the women will

738

00:33:31,549 --> 00:33:29,240

talk about how they took their eggs

739

00:33:33,830 --> 00:33:31,559

Betty and Barney Hill a good example

740

00:33:36,049 --> 00:33:33,840

like they did with this woman

741

00:33:38,029 --> 00:33:36,059

and by the same token men they took

742

00:33:40,909 --> 00:33:38,039

their sperm what do you think they're

743

00:33:43,310 --> 00:33:40,919

doing with eggs and sperm

744

00:33:44,990 --> 00:33:43,320

it they take them to the milk factory

745

00:33:47,049 --> 00:33:45,000

and that's where they develop them into

746

00:33:49,610 --> 00:33:47,059

hybrids or whatever part of the program

747

00:33:54,649 --> 00:33:49,620

they're working on at the time which say

748

00:33:58,909 --> 00:33:56,210

um

749

00:34:01,009 --> 00:33:58,919

interesting yes

750

00:34:03,889 --> 00:34:01,019

um you know I have I have been working

751

00:34:06,769 --> 00:34:03,899

with experiences in that feeling I've

752

00:34:09,829 --> 00:34:06,779

done these for almost 30 years now

753

00:34:13,849 --> 00:34:09,839

do you let me ask you this do you

754

00:34:19,369 --> 00:34:16,550

protocol for alien abductions has

755

00:34:21,290 --> 00:34:19,379

changed over time in other words

756

00:34:23,690 --> 00:34:21,300

just like the Betty of Barney Hill they

757

00:34:25,389 --> 00:34:23,700

were brought upon a craft they were

758

00:34:28,669 --> 00:34:25,399

experimented on

759

00:34:31,310 --> 00:34:28,679

uh they were it was in a horrific

760

00:34:33,430 --> 00:34:31,320

experience and as time went on we had

761

00:34:37,970 --> 00:34:33,440

more and more of these uh

762

00:34:41,109 --> 00:34:37,980

these incidents where uh bodily fluids

763

00:34:44,389 --> 00:34:41,119

were taken and uh it seemed more of a

764

00:34:46,790 --> 00:34:44,399

hybridization type thing and in more

765

00:34:49,430 --> 00:34:46,800

recent years to me anyway

766

00:34:50,629 --> 00:34:49,440

it seems that when people have been

767

00:34:53,810 --> 00:34:50,639

taken

768

00:34:55,369 --> 00:34:53,820

they're experiencing a a wide variety of

769

00:34:57,290 --> 00:34:55,379

different types of beings I mean

770

00:35:00,950 --> 00:34:57,300

anywhere from the Grays up until the

771

00:35:04,550 --> 00:35:00,960

insectoids and uh it you know but it

772

00:35:08,030 --> 00:35:04,560

doesn't seem to be as invasive

773

00:35:10,069 --> 00:35:08,040

uh with them as it was previous have you

774

00:35:15,230 --> 00:35:10,079

noticed anything like that

775

00:35:17,630 --> 00:35:15,240

well I've I finished my last uh 26th

776

00:35:20,390 --> 00:35:17,640

surgical intervention for an alien

777

00:35:24,290 --> 00:35:20,400

implant in India right and that in that

778

00:35:27,170 --> 00:35:24,300

case uh they were as active as ever and

779

00:35:30,950 --> 00:35:27,180

in her case there were uh the nordics

780

00:35:33,050 --> 00:35:30,960

were involved a reptile uh in several

781

00:35:34,069 --> 00:35:33,060

aliens and they they all had distinct

782

00:35:38,710 --> 00:35:34,079

different

783

00:35:41,990 --> 00:35:38,720

uh things that they did with her to uh

784

00:35:43,730 --> 00:35:42,000

basically in my opinion to

785

00:35:46,670 --> 00:35:43,740

um

786

00:35:49,130 --> 00:35:46,680

give her memory whatever they wanted it

787

00:35:51,109 --> 00:35:49,140

to be so to speak with a screen screen

788

00:35:52,370 --> 00:35:51,119

or otherwise

789

00:35:55,190 --> 00:35:52,380

um

790

00:35:58,130 --> 00:35:55,200

I've got a lot I've got I've got some

791

00:35:59,930 --> 00:35:58,140

cases of uh A lady called the two people

792

00:36:01,490 --> 00:35:59,940

called us last week wanting me to do a

793

00:36:04,370 --> 00:36:01,500

TV program for him

794

00:36:06,170 --> 00:36:04,380

and one of the things they want to talk

795

00:36:08,270 --> 00:36:06,180

about was uh

796

00:36:11,089 --> 00:36:08,280

you know are there injuries and things

797

00:36:13,430 --> 00:36:11,099

like that and and these events and I

798

00:36:16,069 --> 00:36:13,440

laughed and I said uh in many of these

799

00:36:17,930 --> 00:36:16,079

events injuries are prominent because of

800

00:36:20,690 --> 00:36:17,940

the fact they take pieces of their skin

801
00:36:22,730 --> 00:36:20,700
either from scoop marks or from we've

802
00:36:25,730 --> 00:36:22,740
got cases of pieces of big chunks of

803
00:36:27,829 --> 00:36:25,740
skin missing out of a guy's neck uh a

804
00:36:29,690 --> 00:36:27,839
runner was abducted one time while I was

805
00:36:32,150 --> 00:36:29,700
running and out of the back top of his

806
00:36:34,310 --> 00:36:32,160
hip two inches wide four inches long a

807
00:36:37,609 --> 00:36:34,320
section of skin quarter inch deep taken

808
00:36:41,270 --> 00:36:37,619
out uh I said I've got cases of human

809
00:36:43,490 --> 00:36:41,280
mutilations one an elderly woman skinned

810
00:36:45,770 --> 00:36:43,500
alive in her bed we know and you can if

811
00:36:47,690 --> 00:36:45,780
you know anything about police where you

812
00:36:51,109 --> 00:36:47,700
can tell where people are alive or dead

813
00:36:53,450 --> 00:36:51,119

whenever they were a choked assaulted or

814

00:36:55,430 --> 00:36:53,460

whatever and there are reasons to

815

00:36:56,810 --> 00:36:55,440

understand that and it's that woman's

816

00:36:59,510 --> 00:36:56,820

skin alive in her own bed what

817

00:37:01,190 --> 00:36:59,520

scientific and medical procedure do you

818

00:37:02,630 --> 00:37:01,200

think was necessary to do that to that

819

00:37:04,609 --> 00:37:02,640

elderly woman

820

00:37:06,829 --> 00:37:04,619

of course you just get silence

821

00:37:08,569 --> 00:37:06,839

you know well there isn't any

822

00:37:10,250 --> 00:37:08,579

that's but we've got two dead children

823

00:37:12,410 --> 00:37:10,260

in Dallas Texas result of their

824

00:37:14,990 --> 00:37:12,420

abductions I said I have the autopsy

825

00:37:16,370 --> 00:37:15,000

reports I said it but people just

826

00:37:19,609 --> 00:37:16,380

started crying in the audience when they

827

00:37:21,650 --> 00:37:19,619

start seeing this stuff so uh I've been

828

00:37:23,150 --> 00:37:21,660

uh kind of on the business end of this

829

00:37:25,609 --> 00:37:23,160

saying

830

00:37:28,190 --> 00:37:25,619

um because I I do a lot of field work

831

00:37:30,530 --> 00:37:28,200

and it's not just people coming to me

832

00:37:34,370 --> 00:37:30,540

it's me going out after him and looking

833

00:37:39,770 --> 00:37:37,190

I could tell a thousand stories but it's

834

00:37:42,710 --> 00:37:39,780

it's a moot point I mean either it's

835

00:37:44,089 --> 00:37:42,720

true or it isn't and uh you know so that

836

00:37:46,910 --> 00:37:44,099

and that that's where I'd I guess I'd

837

00:37:49,550 --> 00:37:46,920

have to leave it but but the bottom line

838

00:37:52,910 --> 00:37:49,560

is that the procedures

839

00:37:54,890 --> 00:37:52,920

um do vary with different differing

840

00:37:57,250 --> 00:37:54,900

people depending on number one if you're

841

00:38:00,109 --> 00:37:57,260

an abductee or two if you're a contactee

842

00:38:02,030 --> 00:38:00,119

abductee being the person like me got

843

00:38:04,250 --> 00:38:02,040

taken and didn't like it you know

844

00:38:06,109 --> 00:38:04,260

especially when they came and got my son

845

00:38:08,390 --> 00:38:06,119

now that really that bent me out of

846

00:38:10,190 --> 00:38:08,400

shape uh you can mess with me all you

847

00:38:10,849 --> 00:38:10,200

want to I'll get over it I'll figure it

848

00:38:13,010 --> 00:38:10,859

out

849

00:38:15,530 --> 00:38:13,020

I'm a big guy but whenever you come

850

00:38:17,630 --> 00:38:15,540

after it's my six-year-old son we got

851
00:38:19,550 --> 00:38:17,640
problems and I'll hunt you down I don't

852
00:38:21,170 --> 00:38:19,560
care if you're from another planet or

853
00:38:23,030 --> 00:38:21,180
another dimension or where you think

854
00:38:24,290 --> 00:38:23,040
you're from you're eventually going to

855
00:38:25,550 --> 00:38:24,300
have to show up here again and I'll be

856
00:38:27,410 --> 00:38:25,560
waiting for you

857
00:38:29,150 --> 00:38:27,420
so I want to know a lot about what

858
00:38:32,089 --> 00:38:29,160
they're doing and so on

859
00:38:34,130 --> 00:38:32,099
and uh contactees on the other point of

860
00:38:36,710 --> 00:38:34,140
the other hand are people who've

861
00:38:38,510 --> 00:38:36,720
experienced these events and they feel

862
00:38:41,290 --> 00:38:38,520
like dalen's are here to help us fix

863
00:38:44,290 --> 00:38:41,300

those on hold do some great things

864

00:38:46,930 --> 00:38:44,300

upgrade our DNA or whatever whatever

865

00:38:50,030 --> 00:38:46,940

Whopper they want to tell you yeah

866

00:38:52,490 --> 00:38:50,040

because I just haven't seen any of it

867

00:38:55,910 --> 00:38:52,500

happen yet ozone hole hadn't been fixed

868

00:38:58,250 --> 00:38:55,920

DNA hasn't been upgraded and people are

869

00:39:02,410 --> 00:38:58,260

still as doing the same things that

870

00:39:07,069 --> 00:39:04,609

that whole scenario

871

00:39:09,230 --> 00:39:07,079

doesn't work for me yeah you know you

872

00:39:12,230 --> 00:39:09,240

mentioned your son was taken uh and I

873

00:39:14,210 --> 00:39:12,240

can understand if that may very well be

874

00:39:15,950 --> 00:39:14,220

a point where you've got more and more

875

00:39:19,069 --> 00:39:15,960

serious about this but that's the only

876

00:39:20,690 --> 00:39:19,079

family memory you know of that has had I

877

00:39:23,870 --> 00:39:20,700

mean I'm talking about even going back

878

00:39:27,230 --> 00:39:23,880

that has had encounters no my first of

879

00:39:29,270 --> 00:39:27,240

all my bro my brother was taken

880

00:39:30,890 --> 00:39:29,280

we later found it much much much later

881

00:39:33,950 --> 00:39:30,900

my father

882

00:39:37,190 --> 00:39:33,960

and all likelihood was taken

883

00:39:42,190 --> 00:39:37,200

uh I was taken my son was taken that's

884

00:39:47,390 --> 00:39:44,870

and then we found this we did we also

885

00:39:49,730 --> 00:39:47,400

did find some interesting stats too that

886

00:39:51,710 --> 00:39:49,740

your audience might be interested in uh

887

00:39:54,349 --> 00:39:51,720

45 of the people taking are Native

888

00:39:57,890 --> 00:39:54,359

American Indian Irish Celtic to Scottish

889

00:39:59,810 --> 00:39:57,900

uh now when I went to Turkey the Turks

890

00:40:02,390 --> 00:39:59,820

said Mr Sim we love your presentation

891

00:40:04,069 --> 00:40:02,400

better than anyone and but you made one

892

00:40:05,870 --> 00:40:04,079

big mistake and I said what's that I

893

00:40:08,630 --> 00:40:05,880

said tell me because I want to know

894

00:40:10,430 --> 00:40:08,640

it's well we're Turks we're not indians

895

00:40:13,190 --> 00:40:10,440

we're not Native Americans

896

00:40:16,730 --> 00:40:13,200

and I said well even if I were incorrect

897

00:40:18,710 --> 00:40:16,740

about that I said you would be the 55

898

00:40:21,890 --> 00:40:18,720

that weren't Native American and Irish

899

00:40:23,210 --> 00:40:21,900

Scottish celty but the fact is I'm right

900

00:40:26,030 --> 00:40:23,220

and you're still and you're wrong

901
00:40:28,910 --> 00:40:26,040
because no no no but anyway two years

902
00:40:32,450 --> 00:40:28,920
later a professor at Ankara that's the

903
00:40:36,290 --> 00:40:32,460
capital of Turkey at Ankara came to

904
00:40:38,030 --> 00:40:36,300
America and took the uh samples of

905
00:40:42,230 --> 00:40:38,040
Native American North in the north

906
00:40:46,089 --> 00:40:42,240
tribes and took it back to encira and

907
00:40:49,430 --> 00:40:46,099
did DNA testing on Turks all over turkey

908
00:40:52,130 --> 00:40:49,440
and did the DNA samplings and guess what

909
00:40:54,710 --> 00:40:52,140
he found what's that Turks are Native

910
00:40:57,530 --> 00:40:54,720
American as well

911
00:41:00,790 --> 00:40:57,540
they brought over and had the biggest

912
00:41:03,109 --> 00:41:00,800
powwow you ever saw in Ankara after that

913
00:41:04,670 --> 00:41:03,119

tertra and then my friends wrote me back

914

00:41:06,530 --> 00:41:04,680

and said oh Mr Sims you know you're

915

00:41:08,510 --> 00:41:06,540

correct you're you're corrected on 45

916

00:41:11,750 --> 00:41:08,520

Native American I said I told you I was

917

00:41:14,150 --> 00:41:11,760

I don't need your accolades pat on the

918

00:41:16,430 --> 00:41:14,160

head or anything else my stats are

919

00:41:18,050 --> 00:41:16,440

strong I know they are we know what

920

00:41:20,150 --> 00:41:18,060

we're doing we've done this for a long

921

00:41:21,829 --> 00:41:20,160

time

922

00:41:22,849 --> 00:41:21,839

interesting

923

00:41:25,069 --> 00:41:22,859

yeah

924

00:41:27,109 --> 00:41:25,079

quite interesting

925

00:41:29,870 --> 00:41:27,119

um

926
00:41:31,609 --> 00:41:29,880
yeah let me ask you this uh we we have

927
00:41:33,589 --> 00:41:31,619
been getting some questions

928
00:41:39,349 --> 00:41:33,599
um

929
00:41:41,630 --> 00:41:39,359
that you had figured out that aliens

930
00:41:44,930 --> 00:41:41,640
leave a residue when they touch things

931
00:41:48,230 --> 00:41:44,940
is that correct that is correct sir the

932
00:41:50,089 --> 00:41:48,240
uh the best way to think of that uh in a

933
00:41:52,849 --> 00:41:50,099
very simplistic form but it makes it it

934
00:41:53,870 --> 00:41:52,859
works real well is to think of the alien

935
00:41:56,630 --> 00:41:53,880
sweating

936
00:41:58,790 --> 00:41:56,640
and if he touches you on the hand on the

937
00:42:01,790 --> 00:41:58,800
arm this sort of thing or grabs you on

938
00:42:03,470 --> 00:42:01,800

the hand or you grab him on the arm if

939

00:42:05,210 --> 00:42:03,480

you grab him on the on his little arm

940

00:42:07,670 --> 00:42:05,220

when you're you're going somewhere with

941

00:42:11,210 --> 00:42:07,680

him on the inside of your hand there'll

942

00:42:14,690 --> 00:42:11,220

be a sweat like material that will be uh

943

00:42:17,450 --> 00:42:14,700

it's usually a a greenish in color

944

00:42:20,930 --> 00:42:17,460

it penetrates the skin subdermally on

945

00:42:23,230 --> 00:42:20,940

contact that means it's simply going to

946

00:42:25,849 --> 00:42:23,240

be uh it's going to penetrate your skin

947

00:42:28,790 --> 00:42:25,859

deeply so that you you can't wash it off

948

00:42:31,310 --> 00:42:28,800

we've had doctors use various chemicals

949

00:42:35,410 --> 00:42:31,320

you can't get it off it'll wear off in

950

00:42:38,890 --> 00:42:35,420

about 48 hours to several days

951
00:42:41,569 --> 00:42:38,900
the fact is that this chemistry

952
00:42:43,370 --> 00:42:41,579
some think it's a chemical signature or

953
00:42:45,410 --> 00:42:43,380
something is something else there are

954
00:42:48,290 --> 00:42:45,420
all kinds of theories about what I'm I

955
00:42:51,770 --> 00:42:48,300
made that Discovery in 1992.

956
00:42:54,109 --> 00:42:51,780
when I was uh working with one of our

957
00:42:58,970 --> 00:42:54,119
abductees my senior investigators and

958
00:43:01,069 --> 00:42:58,980
engineer and a a genius IQ by the way uh

959
00:43:04,010 --> 00:43:01,079
we were working with her and asked her I

960
00:43:05,809 --> 00:43:04,020
said may I look at your exposed arm and

961
00:43:08,450 --> 00:43:05,819
neck and everything

962
00:43:11,510 --> 00:43:08,460
um with a black light and she said why

963
00:43:14,630 --> 00:43:11,520

and I said I don't know I said my

964

00:43:16,910 --> 00:43:14,640

intuition tells me that we're we're

965

00:43:18,710 --> 00:43:16,920

seeing things in the visible range

966

00:43:21,349 --> 00:43:18,720

but we need to be looking in the

967

00:43:25,910 --> 00:43:21,359

invisible and uh I said one of the first

968

00:43:27,890 --> 00:43:25,920

areas I want to look at is uh UV and I

969

00:43:32,450 --> 00:43:27,900

took the UV light and found on the

970

00:43:36,050 --> 00:43:32,460

inside of her arm right there a large uh

971

00:43:38,030 --> 00:43:36,060

fluorescent mandelbrot set a Brandenburg

972

00:43:41,990 --> 00:43:38,040

said is a mathematical construction of

973

00:43:43,730 --> 00:43:42,000

fractal geometry which illustrates the

974

00:43:46,069 --> 00:43:43,740

order in chaos

975

00:43:48,290 --> 00:43:46,079

and that fractal was on the inside of

976
00:43:49,910 --> 00:43:48,300
her arm and of course when she saw it

977
00:43:53,150 --> 00:43:49,920
she's just like

978
00:43:56,450 --> 00:43:53,160
just like a rape victim she said what

979
00:43:58,670 --> 00:43:56,460
the blankety blank is that and I said I

980
00:44:01,130 --> 00:43:58,680
don't know and she ran to the bathroom

981
00:44:03,950 --> 00:44:01,140
and started scrubbing as hard as she

982
00:44:06,410 --> 00:44:03,960
could with the washcloth and the harder

983
00:44:08,630 --> 00:44:06,420
she scrubbed the brighter it got

984
00:44:10,790 --> 00:44:08,640
and I mean she started crying then

985
00:44:13,550 --> 00:44:10,800
because you feel you realize you've been

986
00:44:16,970 --> 00:44:13,560
violated to also what is that I mean

987
00:44:19,609 --> 00:44:16,980
there's there's two primary approaches

988
00:44:21,950 --> 00:44:19,619

to the the fluorescence as we call it

989

00:44:24,170 --> 00:44:21,960

the the ones where they touch you or you

990

00:44:26,510 --> 00:44:24,180

touch them and you get the fluorescence

991

00:44:28,430 --> 00:44:26,520

on you it's a good marker for you

992

00:44:31,569 --> 00:44:28,440

because it tells you that your event was

993

00:44:35,150 --> 00:44:31,579

you weren't asleep in an altered state

994

00:44:36,890 --> 00:44:35,160

uh your event was 3D it actually

995

00:44:38,809 --> 00:44:36,900

happened and they took you somewhere

996

00:44:41,930 --> 00:44:38,819

it's just that simple

997

00:44:44,390 --> 00:44:41,940

uh if they may about 80 percent of these

998

00:44:46,730 --> 00:44:44,400

subduction events or contact events

999

00:44:49,430 --> 00:44:46,740

uh is are not

1000

00:44:51,829 --> 00:44:49,440

are not physical like that many of them

1001
00:44:53,930 --> 00:44:51,839
occur in your bed or in your car or

1002
00:44:55,370 --> 00:44:53,940
whatever and you didn't go anywhere now

1003
00:44:57,290 --> 00:44:55,380
a lot of people get offended when you

1004
00:44:59,630 --> 00:44:57,300
say that she said well you're saying I'm

1005
00:45:01,809 --> 00:44:59,640
not a abductee or a contactee I'm not

1006
00:45:05,569 --> 00:45:01,819
saying that I'm saying the contact

1007
00:45:07,550 --> 00:45:05,579
methodology is 80 of the time is not to

1008
00:45:09,349 --> 00:45:07,560
take you anywhere they can do whatever

1009
00:45:12,530 --> 00:45:09,359
they want to do where they're going to

1010
00:45:14,569 --> 00:45:12,540
meet you it's that simple but in a

1011
00:45:16,309 --> 00:45:14,579
number of cases like in when I was four

1012
00:45:19,250 --> 00:45:16,319
I went out right through the wall with

1013
00:45:20,990 --> 00:45:19,260

him I mean it's just that simple uh but

1014

00:45:23,510 --> 00:45:21,000

I didn't no one knew anything about

1015

00:45:26,390 --> 00:45:23,520

fluorescence or anything like that until

1016

00:45:28,910 --> 00:45:26,400

I discovered it in 1992.

1017

00:45:30,770 --> 00:45:28,920

the second kind of fluorescence was the

1018

00:45:33,890 --> 00:45:30,780

one that was on the woman's Insider arm

1019

00:45:35,809 --> 00:45:33,900

that's called a procedural contact

1020

00:45:37,849 --> 00:45:35,819

that's done with a piece of equipment or

1021

00:45:38,690 --> 00:45:37,859

some other method

1022

00:45:42,890 --> 00:45:38,700

um

1023

00:45:46,490 --> 00:45:42,900

I'll be in Manchester and also uh with

1024

00:45:50,270 --> 00:45:46,500

our uh our I should say this is this is

1025

00:45:52,849 --> 00:45:50,280

really cool uh we've we got a conference

1026

00:45:57,050 --> 00:45:52,859

I'm going to demonstrate this in great

1027

00:46:01,190 --> 00:45:57,060

great detail uh uh when we go to

1028

00:46:02,770 --> 00:46:01,200

encounters quest in uh that's in in

1029

00:46:05,630 --> 00:46:02,780

Hamlet North Carolina

1030

00:46:08,210 --> 00:46:05,640

it's at encounterquest.com for your

1031

00:46:11,630 --> 00:46:08,220

listeners and I'm telling you that's uh

1032

00:46:13,910 --> 00:46:11,640

we're gonna have a blast there because

1033

00:46:17,150 --> 00:46:13,920

I'm going to demonstrate handwriting

1034

00:46:19,250 --> 00:46:17,160

analysis and how you can and and use

1035

00:46:21,589 --> 00:46:19,260

skills like this to spot whether people

1036

00:46:24,650 --> 00:46:21,599

are abductees and contactees even if

1037

00:46:27,710 --> 00:46:24,660

they don't know it uh it's just a it's

1038

00:46:29,210 --> 00:46:27,720

just a plethora of wonderful things I'm

1039

00:46:33,109 --> 00:46:29,220

going to be showing there that we've

1040

00:46:35,390 --> 00:46:33,119

kept quiet for a long time and uh and

1041

00:46:36,950 --> 00:46:35,400

now we would like to like to like to

1042

00:46:38,809 --> 00:46:36,960

share them with people and let people

1043

00:46:40,970 --> 00:46:38,819

see the way it's going to be but that's

1044

00:46:43,010 --> 00:46:40,980

going to be on April 1st in Hamlet North

1045

00:46:44,690 --> 00:46:43,020

Carolina and I'm telling you it's it's

1046

00:46:47,210 --> 00:46:44,700

it's going to be it's going to be a

1047

00:46:49,010 --> 00:46:47,220

Blockbuster

1048

00:46:52,190 --> 00:46:49,020

but I'll be demonstrating the the

1049

00:46:53,870 --> 00:46:52,200

fluorescence procedural and uh and I'll

1050

00:46:55,970 --> 00:46:53,880

be checking people there who want to be

1051
00:46:58,190 --> 00:46:55,980
checked for this sort of thing and also

1052
00:47:02,390 --> 00:46:58,200
be checking them for possible alien

1053
00:47:05,450 --> 00:47:04,069
good I mean that sounds like an

1054
00:47:08,270 --> 00:47:05,460
interesting conference

1055
00:47:11,329 --> 00:47:08,280
it's going to be a riot

1056
00:47:14,089 --> 00:47:11,339
uh Jose Sanchez asked could uh could

1057
00:47:16,010 --> 00:47:14,099
some of the great ETS be wearing suits

1058
00:47:18,530 --> 00:47:16,020
in order to cover up a more gruesome

1059
00:47:21,230 --> 00:47:18,540
appearance I've had one I've had one

1060
00:47:23,150 --> 00:47:21,240
abductee tell me that

1061
00:47:27,890 --> 00:47:23,160
um what are your thoughts on that

1062
00:47:29,329 --> 00:47:27,900
well I again uh uh Lon I'm a former

1063
00:47:33,530 --> 00:47:29,339

police officer and I've been a private

1064

00:47:35,030 --> 00:47:33,540

investigator for 40 years in a in a my

1065

00:47:36,589 --> 00:47:35,040

background in this in the intelligence

1066

00:47:38,390 --> 00:47:36,599

Community for two years the covert

1067

00:47:40,190 --> 00:47:38,400

operations I bring a strong

1068

00:47:43,069 --> 00:47:40,200

investigative background to this

1069

00:47:45,170 --> 00:47:43,079

phenomena and being an abductee on top

1070

00:47:48,710 --> 00:47:45,180

of that and being able to separate all

1071

00:47:51,410 --> 00:47:48,720

of that it gives me uh I I think a

1072

00:47:52,250 --> 00:47:51,420

pretty unique point of view

1073

00:47:54,470 --> 00:47:52,260

um

1074

00:47:58,970 --> 00:47:54,480

in this and uh

1075

00:47:59,990 --> 00:47:58,980

I've uh I I hear every story I think in

1076

00:48:02,990 --> 00:48:00,000

the world

1077

00:48:05,390 --> 00:48:03,000

and like you I've had one or two these

1078

00:48:08,290 --> 00:48:05,400

cases where people swear

1079

00:48:11,569 --> 00:48:08,300

the alien was wearing a suit

1080

00:48:15,050 --> 00:48:11,579

covering himself uh basically covering

1081

00:48:17,030 --> 00:48:15,060

his identity and by and large 99 of

1082

00:48:20,329 --> 00:48:17,040

people who do see the aliens so to speak

1083

00:48:24,349 --> 00:48:20,339

don't describe that they describe

1084

00:48:26,690 --> 00:48:24,359

that the end may be wearing a a body

1085

00:48:29,630 --> 00:48:26,700

suit or something like that or a tunic

1086

00:48:33,770 --> 00:48:29,640

or a hood or whatever but generally

1087

00:48:36,170 --> 00:48:33,780

speaking uh the alien uh

1088

00:48:39,230 --> 00:48:36,180

what you see is what you get I mean

1089

00:48:43,309 --> 00:48:39,240

you're looking at the real deal uh in in

1090

00:48:45,829 --> 00:48:43,319

most cases uh the the alien fake suit I

1091

00:48:48,170 --> 00:48:45,839

don't understand the logic for that uh

1092

00:48:49,970 --> 00:48:48,180

it doesn't mean it isn't true it just I

1093

00:48:52,670 --> 00:48:49,980

mean maybe an alien wanted to hide the

1094

00:48:54,530 --> 00:48:52,680

suit that's possible but I don't see the

1095

00:48:56,690 --> 00:48:54,540

value of it because there's so many

1096

00:48:58,790 --> 00:48:56,700

others that have been seen for what they

1097

00:49:01,250 --> 00:48:58,800

were and for what they did so to speak

1098

00:49:03,470 --> 00:49:01,260

so it doesn't that that doesn't hold a

1099

00:49:05,569 --> 00:49:03,480

lot of carry a lot of weight with with

1100

00:49:07,069 --> 00:49:05,579

me I have to go with a big body of

1101

00:49:09,950 --> 00:49:07,079

evidence and it's not what I believe

1102

00:49:11,990 --> 00:49:09,960

it's what what I can basically prove or

1103

00:49:14,630 --> 00:49:12,000

show evidence of and the strongest

1104

00:49:16,609 --> 00:49:14,640

evidence going to be that there are

1105

00:49:19,370 --> 00:49:16,619

about seven of these primary entities

1106

00:49:22,010 --> 00:49:19,380

that are showing up

1107

00:49:24,730 --> 00:49:22,020

and I call them The Usual Suspects and

1108

00:49:27,770 --> 00:49:24,740

for those of your audience that want to

1109

00:49:29,990 --> 00:49:27,780

see that in any degree they can email go

1110

00:49:31,910 --> 00:49:30,000

to alienhunter.com and the

1111

00:49:34,490 --> 00:49:31,920

alienhunter.com and just click on it and

1112

00:49:36,890 --> 00:49:34,500

you can it'll email me automatically and

1113

00:49:39,950 --> 00:49:36,900

ask for the you want to see spiers on

1114

00:49:42,530 --> 00:49:39,960

the moon or is he uh know things about

1115

00:49:44,210 --> 00:49:42,540

the alien or things about why they chose

1116

00:49:46,849 --> 00:49:44,220

you we can talk about that if you want

1117

00:49:49,130 --> 00:49:46,859

there are six primary reasons why they

1118

00:49:50,930 --> 00:49:49,140

choose abductees or contactees in my

1119

00:49:53,510 --> 00:49:50,940

opinion and there may be a hundred

1120

00:49:55,849 --> 00:49:53,520

reasons but there's six I'm extremely

1121

00:49:57,770 --> 00:49:55,859

confident of I'll I can go to court with

1122

00:50:01,190 --> 00:49:57,780

that one

1123

00:50:04,150 --> 00:50:01,200

can you detail those yes sir I will uh

1124

00:50:10,370 --> 00:50:07,910

a little more leaving questions here

1125

00:50:13,250 --> 00:50:10,380

um the uh

1126

00:50:16,130 --> 00:50:13,260

and and this is it's real important for

1127

00:50:17,870 --> 00:50:16,140

the for your audience to uh I'll give a

1128

00:50:20,930 --> 00:50:17,880

little bit of context for this I was

1129

00:50:23,950 --> 00:50:20,940

doing this presentation in uh good night

1130

00:50:27,410 --> 00:50:23,960

it's a 19 early 1990s

1131

00:50:31,490 --> 00:50:27,420

1994 five something like that in uh

1132

00:50:33,890 --> 00:50:31,500

Laughlin uh Nevada and uh Dr Carla

1133

00:50:36,050 --> 00:50:33,900

Turner and her husband uh and others

1134

00:50:38,390 --> 00:50:36,060

were in the audience and I was giving

1135

00:50:39,950 --> 00:50:38,400

this presentation and I said there are

1136

00:50:41,870 --> 00:50:39,960

at least six reasons why I think the

1137

00:50:44,510 --> 00:50:41,880

aliens thank you

1138

00:50:47,990 --> 00:50:44,520

and one woman in the audience stood up

1139

00:50:50,690 --> 00:50:48,000

and she hit the fan she was so mad

1140

00:50:52,970 --> 00:50:50,700

that's just not true and I said uh well

1141

00:50:56,210 --> 00:50:52,980

actually it is now I said

1142

00:50:59,030 --> 00:50:56,220

I said that I'll give you these six in

1143

00:51:02,630 --> 00:50:59,040

groups of twos the first two

1144

00:51:05,809 --> 00:51:02,640

uh is uh

1145

00:51:08,470 --> 00:51:05,819

they're interested in yours either or of

1146

00:51:14,930 --> 00:51:11,829

you're uh spiritual or psychical ability

1147

00:51:17,990 --> 00:51:14,940

and I said now before you everybody

1148

00:51:20,510 --> 00:51:18,000

takes off say oh yeah me I'm psychic or

1149

00:51:22,849 --> 00:51:20,520

I'm spiritual so they want me that's not

1150

00:51:26,210 --> 00:51:22,859

that's not what I said that's what you

1151
00:51:29,510 --> 00:51:26,220
think I said what I said was

1152
00:51:30,589 --> 00:51:29,520
your ability in spiritual or psychical

1153
00:51:32,390 --> 00:51:30,599
things

1154
00:51:33,650 --> 00:51:32,400
they don't care if you're Gene Dixon

1155
00:51:36,290 --> 00:51:33,660
they don't care if you're the top

1156
00:51:38,390 --> 00:51:36,300
psychic in the world they don't care if

1157
00:51:39,849 --> 00:51:38,400
you're Billy Graham that means nothing

1158
00:51:42,770 --> 00:51:39,859
to them

1159
00:51:46,130 --> 00:51:42,780
it's not the skill

1160
00:51:48,530 --> 00:51:46,140
it's the way you process you process

1161
00:51:51,829 --> 00:51:48,540
differently than other people and they

1162
00:51:54,370 --> 00:51:51,839
understand that they they

1163
00:51:56,870 --> 00:51:54,380

understand is not the right word

1164

00:51:58,569 --> 00:51:56,880

they're very interested in that

1165

00:52:01,370 --> 00:51:58,579

because you're not like other people

1166

00:52:05,329 --> 00:52:01,380

there's something wrong with you so to

1167

00:52:08,089 --> 00:52:05,339

speaking uh and it's Unique it is and the

1168

00:52:10,069 --> 00:52:08,099

second group is people that it it's a

1169

00:52:12,710 --> 00:52:10,079

science and Technical my uh engineer

1170

00:52:14,329 --> 00:52:12,720

would fall in with this one for sure and

1171

00:52:15,530 --> 00:52:14,339

again they don't care if you're an

1172

00:52:17,870 --> 00:52:15,540

engineer they don't care if you're

1173

00:52:20,089 --> 00:52:17,880

Einstein they could care less

1174

00:52:22,309 --> 00:52:20,099

they don't care about that none of it's

1175

00:52:25,490 --> 00:52:22,319

important to them what they do care

1176

00:52:27,829 --> 00:52:25,500

about is that your ability to learn and

1177

00:52:29,750 --> 00:52:27,839

to process data in the science and

1178

00:52:32,569 --> 00:52:29,760

Technical Realm

1179

00:52:36,650 --> 00:52:32,579

is not natural

1180

00:52:40,010 --> 00:52:36,660

you don't process like other people

1181

00:52:42,710 --> 00:52:40,020

I told the lady at this point I said

1182

00:52:45,349 --> 00:52:42,720

I fall into the last two categories and

1183

00:52:47,890 --> 00:52:45,359

she said what's that and I said I fall

1184

00:52:50,270 --> 00:52:47,900

in the category of people who learn

1185

00:52:53,270 --> 00:52:50,280

psychologically or physiological things

1186

00:52:55,790 --> 00:52:53,280

with little or no training

1187

00:52:58,250 --> 00:52:55,800

and she stood up rhyming stood up into a

1188

00:53:01,430 --> 00:52:58,260

whole meeting and said prove it and I

1189

00:53:03,890 --> 00:53:01,440

said well uh I was a third degree black

1190

00:53:07,010 --> 00:53:03,900

belt at the time and uh gojiru and

1191

00:53:08,329 --> 00:53:07,020

Shotokan karate and that's well I'm a

1192

00:53:10,670 --> 00:53:08,339

third degree black belt she said lots of

1193

00:53:13,250 --> 00:53:10,680

people got black belts nothing that's

1194

00:53:15,349 --> 00:53:13,260

true but it's not a black belt that you

1195

00:53:18,230 --> 00:53:15,359

can buy in advance go to school go to

1196

00:53:19,609 --> 00:53:18,240

classes and learn you know in you know a

1197

00:53:21,770 --> 00:53:19,619

year or two and come out with your black

1198

00:53:24,349 --> 00:53:21,780

belt I said if you know anything about

1199

00:53:26,329 --> 00:53:24,359

Shotokan and gojiru people if you ever

1200

00:53:28,730 --> 00:53:26,339

played them in a match

1201
00:53:30,170 --> 00:53:28,740
you may be them you might but they're

1202
00:53:33,049 --> 00:53:30,180
going to bring a piece of you back with

1203
00:53:34,190 --> 00:53:33,059
them you're going to understand you've

1204
00:53:36,410 --> 00:53:34,200
been in trouble

1205
00:53:38,510 --> 00:53:36,420
so she's well I have to leave my bed

1206
00:53:40,730 --> 00:53:38,520
okay that's true you're missing my whole

1207
00:53:42,109 --> 00:53:40,740
point you think this is about ego and

1208
00:53:44,750 --> 00:53:42,119
it's not

1209
00:53:48,049 --> 00:53:44,760
I said young lady I've never had an

1210
00:53:50,569 --> 00:53:48,059
instructor in the martial arts

1211
00:53:52,910 --> 00:53:50,579
the great mastazoyama the guy who killed

1212
00:53:55,730 --> 00:53:52,920
bulls with his left and right punches

1213
00:53:57,710 --> 00:53:55,740

the eighth degree black belt in Japan

1214

00:53:59,690 --> 00:53:57,720

he wrote personal letters to me I've got

1215

00:54:01,790 --> 00:53:59,700

the letters and can show them on the

1216

00:54:03,770 --> 00:54:01,800

internet if I wanted to

1217

00:54:05,690 --> 00:54:03,780

in fact one black belt did challenge me

1218

00:54:09,650 --> 00:54:05,700

to that he said there's no great the

1219

00:54:11,030 --> 00:54:09,660

great Yama would not would not uh talk

1220

00:54:13,130 --> 00:54:11,040

to you a white belts that's just

1221

00:54:16,010 --> 00:54:13,140

impossible and I said actually and I I

1222

00:54:19,250 --> 00:54:16,020

provided those uh email stream and

1223

00:54:20,870 --> 00:54:19,260

copies of the handwritten letters and he

1224

00:54:23,030 --> 00:54:20,880

freaked completely said my God he said

1225

00:54:25,790 --> 00:54:23,040

why would he do that I said because he

1226

00:54:28,069 --> 00:54:25,800

likes himself I said what he saw in me

1227

00:54:29,690 --> 00:54:28,079

was something different than all his

1228

00:54:31,430 --> 00:54:29,700

other students that's his he's got

1229

00:54:34,010 --> 00:54:31,440

students are 10 times better than I'll

1230

00:54:36,530 --> 00:54:34,020

ever be ever

1231

00:54:38,690 --> 00:54:36,540

but they're not they're not like him

1232

00:54:41,230 --> 00:54:38,700

there's something about me that I had

1233

00:54:45,530 --> 00:54:41,240

done I don't know what it is that he

1234

00:54:46,790 --> 00:54:45,540

just flipped him over he just loved it

1235

00:54:48,530 --> 00:54:46,800

um anyway

1236

00:54:50,630 --> 00:54:48,540

so she said well what else and I said

1237

00:54:53,809 --> 00:54:50,640

well I have two instructorships In Scuba

1238

00:54:55,490 --> 00:54:53,819

Diving Patty and SSI

1239

00:54:57,770 --> 00:54:55,500

well lots of people got scuba diving

1240

00:55:03,890 --> 00:54:57,780

instructorships I said yes but they

1241

00:55:07,970 --> 00:55:06,349

I said you're missing my whole point

1242

00:55:09,710 --> 00:55:07,980

you and you're thinking it's about

1243

00:55:12,290 --> 00:55:09,720

bragging and you're thinking it's about

1244

00:55:13,910 --> 00:55:12,300

ego and all that and it isn't and she's

1245

00:55:16,190 --> 00:55:13,920

well I think it's a bunch of crap and I

1246

00:55:18,290 --> 00:55:16,200

said I said I like the challenge and I

1247

00:55:19,549 --> 00:55:18,300

said and since you want to be just a a

1248

00:55:22,430 --> 00:55:19,559

three alarm idiot here in front

1249

00:55:25,849 --> 00:55:22,440

everybody let's just have some fun

1250

00:55:27,530 --> 00:55:25,859

I said if the hotel will allow it and if

1251

00:55:29,089 --> 00:55:27,540

everybody else would like to do it I

1252

00:55:32,930 --> 00:55:29,099

said I'll uh

1253

00:55:35,569 --> 00:55:32,940

I said I said I uh I said I I know how

1254

00:55:37,430 --> 00:55:35,579

to firewalk and she said lots of people

1255

00:55:40,010 --> 00:55:37,440

learn how to do that but Tony Robbins I

1256

00:55:41,930 --> 00:55:40,020

said sweetie I taught myself how to

1257

00:55:43,490 --> 00:55:41,940

firework when Tony Robbins was in

1258

00:55:46,010 --> 00:55:43,500

diapers

1259

00:55:48,109 --> 00:55:46,020

um you're not listening to me

1260

00:55:50,210 --> 00:55:48,119

I said if the hotel will allow it we'll

1261

00:55:53,270 --> 00:55:50,220

build a fire out there and I'll simply

1262

00:55:55,790 --> 00:55:53,280

transfer my immunity to you and you can

1263

00:55:57,410 --> 00:55:55,800

walk if you'd like to

1264

00:56:00,770 --> 00:55:57,420

then she said I'll never said another

1265

00:56:03,010 --> 00:56:00,780

word so I but I said the the whole thing

1266

00:56:05,630 --> 00:56:03,020

you I said you're making this into

1267

00:56:08,270 --> 00:56:05,640

it's it's like some kind of ego contest

1268

00:56:10,250 --> 00:56:08,280

it's not it's what the alien's looking

1269

00:56:12,190 --> 00:56:10,260

for it's not what how much you want to

1270

00:56:14,450 --> 00:56:12,200

brag about whatever you think you are

1271

00:56:16,490 --> 00:56:14,460

that's not it

1272

00:56:19,430 --> 00:56:16,500

I said I'm a hypnotic anesthesia

1273

00:56:21,950 --> 00:56:19,440

therapist I'm a uh I have a medical

1274

00:56:23,510 --> 00:56:21,960

hypnotherapy rating also I'm a Master

1275

00:56:25,730 --> 00:56:23,520

Level NLP

1276

00:56:26,930 --> 00:56:25,740

I said if I told you how that all

1277

00:56:29,270 --> 00:56:26,940

happened you probably wouldn't believe

1278

00:56:32,390 --> 00:56:29,280

it that's neither here nor there when we

1279

00:56:34,970 --> 00:56:32,400

go to the operating room and you come in

1280

00:56:37,430 --> 00:56:34,980

as the patient and uh you can either go

1281

00:56:39,230 --> 00:56:37,440

under general or local anesthetic or you

1282

00:56:43,010 --> 00:56:39,240

can go to hypnotic anesthesia heal up

1283

00:56:45,950 --> 00:56:43,020

three to five times faster and uh

1284

00:56:48,470 --> 00:56:45,960

that'll come out real well for you but I

1285

00:56:51,109 --> 00:56:48,480

said that's that's what we often do with

1286

00:56:52,609 --> 00:56:51,119

these abductees in these surgeries with

1287

00:56:55,910 --> 00:56:52,619

the implantation

1288

00:56:58,970 --> 00:56:55,920

oh really yes

1289

00:57:01,609 --> 00:56:58,980

um Vincent ass and if you do know have

1290

00:57:03,290 --> 00:57:01,619

you ever seen or been in in the presence

1291

00:57:07,190 --> 00:57:03,300

of a hybrid

1292

00:57:11,450 --> 00:57:07,200

I have oh have you uh it it it depends

1293

00:57:13,849 --> 00:57:11,460

on let me qualify the the answer it

1294

00:57:15,530 --> 00:57:13,859

depends on what you call a hybrid in

1295

00:57:18,470 --> 00:57:15,540

other words

1296

00:57:21,230 --> 00:57:18,480

uh the woman that I just mentioned that

1297

00:57:23,990 --> 00:57:21,240

had the hybrid had the sun because she

1298

00:57:26,270 --> 00:57:24,000

was artificially inseminated now there's

1299

00:57:28,190 --> 00:57:26,280

two different kinds of hybrid situations

1300

00:57:30,470 --> 00:57:28,200

and I think he's talking about the

1301

00:57:33,109 --> 00:57:30,480

sacrament the first hybrid situation

1302

00:57:35,150 --> 00:57:33,119

that person would be a hybrid from my

1303

00:57:37,549 --> 00:57:35,160

point of view because it's an artificial

1304

00:57:38,990 --> 00:57:37,559

insemination is what it is right but

1305

00:57:42,230 --> 00:57:39,000

it's from a human

1306

00:57:45,829 --> 00:57:42,240

now this first case I'm permitted with

1307

00:57:49,430 --> 00:57:45,839

the presented with the alien body inside

1308

00:57:52,010 --> 00:57:49,440

the the it was a fetus inside the woman

1309

00:57:54,109 --> 00:57:52,020

that would be more what most people are

1310

00:57:56,450 --> 00:57:54,119

referring to as a hybrid they look here

1311

00:57:59,450 --> 00:57:56,460

look human-like but they're not they're

1312

00:58:03,370 --> 00:57:59,460

something drastically different than

1313

00:58:07,309 --> 00:58:03,380

them yes uh those are

1314

00:58:08,030 --> 00:58:07,319

much more rare to see so to speak

1315

00:58:09,829 --> 00:58:08,040

um

1316

00:58:11,630 --> 00:58:09,839

although I get people send me pictures

1317

00:58:13,730 --> 00:58:11,640

all the time and most of them are

1318

00:58:16,730 --> 00:58:13,740

photoshopped they think you can't spot

1319

00:58:18,589 --> 00:58:16,740

that but our

1320

00:58:21,410 --> 00:58:18,599

our

1321

00:58:23,690 --> 00:58:21,420

tech people are really really good

1322

00:58:26,270 --> 00:58:23,700

I said you know you can Photoshop and

1323

00:58:27,650 --> 00:58:26,280

stuff all you want to but the fact is

1324

00:58:30,829 --> 00:58:27,660

I've got

1325

00:58:33,589 --> 00:58:30,839

in my opinion and I've seen hundreds of

1326

00:58:36,170 --> 00:58:33,599

pictures thousands probably of aliens on

1327

00:58:37,549 --> 00:58:36,180

the internet drawings paintings

1328

00:58:40,730 --> 00:58:37,559

everything

1329

00:58:43,010 --> 00:58:40,740

but I have a picture of

1330

00:58:46,309 --> 00:58:43,020

uh okay I'll back it up

1331

00:58:49,190 --> 00:58:46,319

I was doing a a support group meeting in

1332

00:58:51,349 --> 00:58:49,200

Dallas Texas and a friend of mine a

1333

00:58:53,870 --> 00:58:51,359

surgical nurse walked in butted in the

1334

00:58:55,730 --> 00:58:53,880

meat literally butted in and I said uh

1335

00:58:58,250 --> 00:58:55,740

hi hi how you doing uh we're having a

1336

00:58:59,809 --> 00:58:58,260

meeting here and she said I know and she

1337

00:59:05,390 --> 00:58:59,819

just walked over and hand me two eight

1338

00:59:10,609 --> 00:59:08,089

of what she took the night before

1339

00:59:15,109 --> 00:59:10,619

coming through the wall with several

1340

00:59:17,030 --> 00:59:15,119

people there that were abductees and it

1341

00:59:20,510 --> 00:59:17,040

shows the gray alien they don't look

1342

00:59:22,130 --> 00:59:20,520

exactly like the stuff on TV they don't

1343

00:59:24,230 --> 00:59:22,140

they really don't

1344

00:59:27,470 --> 00:59:24,240

but it's a picture of a gray alien and

1345

00:59:31,609 --> 00:59:27,480

it's a picture of a praying mantis

1346

00:59:33,710 --> 00:59:31,619

absolutely in credible and they're not

1347

00:59:36,710 --> 00:59:33,720

photoshopped it's before photoshopping

1348

00:59:39,470 --> 00:59:36,720

so to speak and we have the negative so

1349

00:59:42,170 --> 00:59:39,480

we we in the wonderful thing about it is

1350

00:59:44,210 --> 00:59:42,180

we we also have more evidence the aliens

1351

00:59:47,630 --> 00:59:44,220

actually touched the car

1352

00:59:49,190 --> 00:59:47,640

and left a handprint on the car and uh

1353

00:59:50,990 --> 00:59:49,200

since she is well known in the

1354

00:59:54,410 --> 00:59:51,000

neighborhood she went and had the police

1355

00:59:57,890 --> 00:59:54,420

take forensics and uh a forensic

1356

01:00:00,650 --> 00:59:57,900

handprint off the car so we have the DNA

1357

01:00:04,569 --> 01:00:00,660

and the handprint and I've studied that

1358

01:00:07,490 --> 01:00:04,579

hand print through hundreds of our uh

1359

01:00:09,770 --> 01:00:07,500

photographs of abductees who've had hand

1360

01:00:11,930 --> 01:00:09,780

prints on Windows Doors and things like

1361

01:00:14,270 --> 01:00:11,940

that of course they don't know what this

1362

01:00:16,809 --> 01:00:14,280

one looks like and I've had this one

1363

01:00:19,130 --> 01:00:16,819

picked up in a case in Pennsylvania

1364

01:00:21,049 --> 01:00:19,140

where it was on the wall I actually cut

1365

01:00:24,410 --> 01:00:21,059

the sheetrock out I've got the handprint

1366

01:00:27,170 --> 01:00:24,420

on the wall DNA and all and my in my

1367

01:00:30,410 --> 01:00:27,180

study and the second one was uh of

1368

01:00:31,809 --> 01:00:30,420

course from the car where we we uh we

1369

01:00:36,470 --> 01:00:31,819

got that one off the car for the police

1370

01:00:39,490 --> 01:00:36,480

and the third one was uh in uh

1371

01:00:42,349 --> 01:00:39,500

Pensacola Pensacola but in Tampa Florida

1372

01:00:44,809 --> 01:00:42,359

and the fourth one which was fascinating

1373

01:00:47,510 --> 01:00:44,819

was out of Romania now the ones in

1374

01:00:49,130 --> 01:00:47,520

Romania and the ones in uh in Tampa

1375

01:00:50,450 --> 01:00:49,140

Florida were three stories up and

1376

01:00:52,849 --> 01:00:50,460

there's no balcony

1377

01:00:54,230 --> 01:00:52,859

it's on the outside of the window where

1378

01:00:54,829 --> 01:00:54,240

they came in

1379

01:00:56,990 --> 01:00:54,839

um

1380

01:00:59,510 --> 01:00:57,000

it's the same handprint it's the same

1381

01:01:00,829 --> 01:00:59,520

alien same one

1382

01:01:04,789 --> 01:01:00,839

the wonderful thing about the

1383

01:01:06,829 --> 01:01:04,799

fluorescence for your other uh inquiry

1384

01:01:08,930 --> 01:01:06,839

the reason this is important to know

1385

01:01:10,549 --> 01:01:08,940

it's important for abductees to know

1386

01:01:12,829 --> 01:01:10,559

because then they get to realize oh my

1387

01:01:15,710 --> 01:01:12,839

gosh my event was real look at the look

1388

01:01:17,470 --> 01:01:15,720

at the evidence on me but something more

1389

01:01:20,870 --> 01:01:17,480

important than that ultimately for me

1390

01:01:23,630 --> 01:01:20,880

from an investigator's point of view is

1391

01:01:25,910 --> 01:01:23,640

that we've collected the samples of this

1392

01:01:28,730 --> 01:01:25,920

fluorescence and now we've built we're

1393

01:01:30,589 --> 01:01:28,740

building a database of aliens that have

1394

01:01:32,930 --> 01:01:30,599

touched people so we can find out if

1395

01:01:35,750 --> 01:01:32,940

it's the same one are they all the same

1396

01:01:37,849 --> 01:01:35,760

DNA or are they different that's that's

1397

01:01:38,930 --> 01:01:37,859

one of the things we want to test in the

1398

01:01:41,270 --> 01:01:38,940

University

1399

01:01:42,410 --> 01:01:41,280

hmm

1400

01:01:45,950 --> 01:01:42,420

um

1401

01:01:47,569 --> 01:01:45,960

Vincent wants to know and I do too uh do

1402

01:01:50,450 --> 01:01:47,579

you believe our government or any other

1403

01:01:55,010 --> 01:01:50,460

government is is working with hostile or

1404

01:02:01,309 --> 01:01:58,130

I suspect that uh

1405

01:02:04,069 --> 01:02:01,319

okay let me answer this from my I'm

1406

01:02:06,289 --> 01:02:04,079

gonna put my cop hat on to answer that

1407

01:02:07,849 --> 01:02:06,299

because my abductee hat can say all

1408

01:02:10,970 --> 01:02:07,859

kinds of things it's been fooled before

1409

01:02:14,150 --> 01:02:10,980

I don't like I don't like uh UFO hats

1410

01:02:17,270 --> 01:02:14,160

because uh they get fooled and they'll

1411

01:02:18,589 --> 01:02:17,280

believe just almost anything so my cop

1412

01:02:20,450 --> 01:02:18,599

hat doesn't believe much of anything

1413

01:02:22,490 --> 01:02:20,460

unless they can prove it or has strong

1414

01:02:23,870 --> 01:02:22,500

evidence to support it

1415

01:02:30,890 --> 01:02:23,880

uh

1416

01:02:32,930 --> 01:02:30,900

United States government and other

1417

01:02:34,910 --> 01:02:32,940

governments in particular are heavily

1418

01:02:37,190 --> 01:02:34,920

ensconced into the alien phenomena there

1419

01:02:39,589 --> 01:02:37,200

is no question about that anyone that

1420

01:02:41,630 --> 01:02:39,599

doesn't know that simply is not informed

1421

01:02:43,309 --> 01:02:41,640

and they're not well versed and

1422

01:02:46,910 --> 01:02:43,319

certainly not well read

1423

01:02:48,589 --> 01:02:46,920

in public and also very private and

1424

01:02:50,569 --> 01:02:48,599

secretive literature

1425

01:02:52,370 --> 01:02:50,579

some of which leaks out to the right

1426

01:02:53,630 --> 01:02:52,380

people

1427

01:02:58,789 --> 01:02:53,640

um

1428

01:03:01,250 --> 01:02:58,799

government is

1429

01:03:02,930 --> 01:03:01,260

involved with the aliens and signed

1430

01:03:04,190 --> 01:03:02,940

contracts and did okay first of all I

1431

01:03:07,910 --> 01:03:04,200

don't know an alien that can sign

1432

01:03:09,950 --> 01:03:07,920

anything I never saw an alien right I

1433

01:03:11,690 --> 01:03:09,960

the the the gray alien the small little

1434

01:03:15,289 --> 01:03:11,700

gradient that stands about three foot

1435

01:03:17,990 --> 01:03:15,299

tall the one that got me to begin with

1436

01:03:20,930 --> 01:03:18,000

they have an IQ of about 80.

1437

01:03:23,150 --> 01:03:20,940

80. that's a [h__\h]

1438

01:03:25,730 --> 01:03:23,160

they're made hatch cloned or

1439

01:03:27,170 --> 01:03:25,740

manufactured that way for the purpose of

1440

01:03:28,430 --> 01:03:27,180

making us think they're aliens from

1441

01:03:30,589 --> 01:03:28,440

other planets

1442

01:03:33,349 --> 01:03:30,599

they are alien in the sense of the word

1443

01:03:35,390 --> 01:03:33,359

they're weird and not like us and

1444

01:03:37,789 --> 01:03:35,400

they're working for someone else that is

1445

01:03:39,650 --> 01:03:37,799

alien in that sense of the word

1446

01:03:42,770 --> 01:03:39,660

but my point is

1447

01:03:45,589 --> 01:03:42,780

that the uh the

1448

01:03:47,089 --> 01:03:45,599

we've studied each one of these seven

1449

01:03:49,430 --> 01:03:47,099

primary

1450

01:03:52,910 --> 01:03:49,440

ones like the little gray alien that was

1451

01:03:57,170 --> 01:03:52,920

an IQ about 80. the tall tall alien

1452

01:03:58,069 --> 01:03:57,180

taller alien often referred to as the

1453

01:03:59,390 --> 01:03:58,079

um

1454

01:04:01,370 --> 01:03:59,400

doctor

1455

01:04:03,730 --> 01:04:01,380

so to speak and the little gray aliens

1456

01:04:06,650 --> 01:04:03,740

are terrified of me absolutely horrified

1457

01:04:08,030 --> 01:04:06,660

because people don't understand us they

1458

01:04:09,710 --> 01:04:08,040

think you know think well they're just

1459

01:04:11,809 --> 01:04:09,720

like us but they're just different no

1460

01:04:13,250 --> 01:04:11,819

they're not like you in any sense of the

1461

01:04:15,530 --> 01:04:13,260

word and they're a lot different than

1462

01:04:17,930 --> 01:04:15,540

you can imagine they're not like you

1463

01:04:19,430 --> 01:04:17,940

they don't live in a world like you and

1464

01:04:22,069 --> 01:04:19,440

they're not and you all these little

1465

01:04:25,010 --> 01:04:22,079

terms like well just like us they

1466

01:04:28,250 --> 01:04:25,020

implant us because we implant animals no

1467

01:04:29,510 --> 01:04:28,260

you're wrong I mean you can't be more

1468

01:04:31,910 --> 01:04:29,520

incorrect

1469

01:04:34,250 --> 01:04:31,920

uh it's that you can't make those uh

1470

01:04:36,650 --> 01:04:34,260

generalizations to make them stick not

1471

01:04:39,049 --> 01:04:36,660

in research now you can you put the UFO

1472

01:04:40,430 --> 01:04:39,059

hat on you can make anything work you

1473

01:04:42,710 --> 01:04:40,440

can imagine anything in the world they

1474

01:04:44,630 --> 01:04:42,720

can all be possibly true

1475

01:04:47,329 --> 01:04:44,640

but I don't know

1476

01:04:49,490 --> 01:04:47,339

that the How deep the government is

1477

01:04:51,950 --> 01:04:49,500

involved with the alien phenomena the

1478

01:04:54,530 --> 01:04:51,960

answer of the question I think I can

1479

01:04:57,589 --> 01:04:54,540

answer it in this way would the United

1480

01:05:00,770 --> 01:04:57,599

States intelligence community

1481

01:05:03,349 --> 01:05:00,780

sell us the general public to the alien

1482

01:05:04,609 --> 01:05:03,359

for technology if they needed to yes

1483

01:05:09,770 --> 01:05:04,619

they would

1484

01:05:12,349 --> 01:05:09,780

I don't know that they have but my

1485

01:05:15,410 --> 01:05:12,359

suspicious are strong toward the fact

1486

01:05:17,990 --> 01:05:15,420

that uh an Unholy Alliance has has been

1487

01:05:21,950 --> 01:05:18,000

done whatever whatever's necessary to

1488

01:05:29,089 --> 01:05:25,670

um and that being said uh chairman meow

1489

01:05:35,510 --> 01:05:31,250

do you think what do you think of Men In

1490

01:05:37,730 --> 01:05:35,520

Black I mean or are these uh

1491

01:05:39,410 --> 01:05:37,740

something to do with our government or

1492

01:05:41,809 --> 01:05:39,420

like I believe I think they're kind of

1493

01:05:44,569 --> 01:05:41,819

the the Extraterrestrial Cleanup Crew

1494

01:05:48,230 --> 01:05:44,579

when things are seen uh Lon you are so

1495

01:05:50,510 --> 01:05:48,240

sharp uh they're I've in in my research

1496

01:05:55,250 --> 01:05:50,520

for again over 50 years

1497

01:05:58,430 --> 01:05:55,260

uh uh we have found both to be true

1498

01:06:00,770 --> 01:05:58,440

the Men in Black so to speak were

1499

01:06:04,130 --> 01:06:00,780

originally off from the uh Air Force

1500

01:06:05,329 --> 01:06:04,140

office of special investigations that it

1501

01:06:08,030 --> 01:06:05,339

was the Air Force he was doing this

1502

01:06:10,789 --> 01:06:08,040

initially and they threatened people at

1503

01:06:12,349 --> 01:06:10,799

Roswell uh several of them I've talked

1504

01:06:13,670 --> 01:06:12,359

several talked several of the witnesses

1505

01:06:15,470 --> 01:06:13,680

one of the one of them was a little girl

1506

01:06:17,630 --> 01:06:15,480

at the time and they told her if you

1507

01:06:19,430 --> 01:06:17,640

ever tell anybody anything said this

1508

01:06:21,530 --> 01:06:19,440

desperate's an awful big place they'll

1509

01:06:24,650 --> 01:06:21,540

never find your body

1510

01:06:28,549 --> 01:06:24,660

she is I think probably 80 years old now

1511

01:06:29,990 --> 01:06:28,559

and she is scared to this day that they

1512

01:06:32,390 --> 01:06:30,000

might come get her

1513

01:06:33,710 --> 01:06:32,400

now these are the the Men in Black there

1514

01:06:35,950 --> 01:06:33,720

are

1515

01:06:39,549 --> 01:06:35,960

they uh

1516

01:06:43,010 --> 01:06:39,559

there's an uncanny

1517

01:06:46,370 --> 01:06:43,020

dichotomy here uh

1518

01:06:48,410 --> 01:06:46,380

of the two the alien men in black and

1519

01:06:49,549 --> 01:06:48,420

the government Men In Black are two

1520

01:06:51,349 --> 01:06:49,559

different things

1521

01:06:53,870 --> 01:06:51,359

do the Men in Black of the government

1522

01:06:55,250 --> 01:06:53,880

actually exist yes they do I promise you

1523

01:06:57,670 --> 01:06:55,260

they do

1524

01:06:59,870 --> 01:06:57,680

um ah

1525

01:07:02,870 --> 01:06:59,880

sometimes they'll they'll come in person

1526

01:07:03,849 --> 01:07:02,880

I have a friend of mine who obtained

1527

01:07:06,410 --> 01:07:03,859

some

1528

01:07:09,710 --> 01:07:06,420

illegal film let's say in an

1529

01:07:12,230 --> 01:07:09,720

inappropriate way from NASA

1530

01:07:16,190 --> 01:07:12,240

two men met him at a restaurant

1531

01:07:21,589 --> 01:07:19,250

just looked at him and said you have

1532

01:07:24,529 --> 01:07:21,599

something of ours

1533

01:07:28,490 --> 01:07:24,539

and he was scared half to death he was a

1534

01:07:31,250 --> 01:07:28,500

CBS producer by the way and he pulled

1535

01:07:32,390 --> 01:07:31,260

out of his coat pocket the film that he

1536

01:07:34,910 --> 01:07:32,400

had paid

1537

01:07:37,789 --> 01:07:34,920

thousands of dollars to get

1538

01:07:41,089 --> 01:07:37,799

NASA film of UFOs of course

1539

01:07:41,809 --> 01:07:41,099

on the moon and uh he handed it to him I

1540

01:07:44,270 --> 01:07:41,819

said

1541

01:07:45,289 --> 01:07:44,280

you three alarm idiot why would you do

1542

01:07:46,730 --> 01:07:45,299

that

1543

01:07:48,650 --> 01:07:46,740

I was scared to death I thought they

1544

01:07:50,450 --> 01:07:48,660

were going to kill me in the middle of a

1545

01:07:53,089 --> 01:07:50,460

restaurant

1546

01:07:54,950 --> 01:07:53,099

what's wrong with your brain

1547

01:07:57,049 --> 01:07:54,960

why did you start screaming for the

1548

01:07:59,990 --> 01:07:57,059

police these men are trying to abduct Me

1549

01:08:01,490 --> 01:08:00,000

these men are trying to kidnap me they'd

1550

01:08:03,470 --> 01:08:01,500

call the police and you'd at least found

1551

01:08:06,529 --> 01:08:03,480

out who the guys were

1552

01:08:10,130 --> 01:08:06,539

that at least got that information I

1553

01:08:12,230 --> 01:08:10,140

said you lost thousands of dollars for

1554

01:08:14,270 --> 01:08:12,240

the film for nothing you what is wrong

1555

01:08:14,990 --> 01:08:14,280

with you well I was scared to death I

1556

01:08:16,669 --> 01:08:15,000

said

1557

01:08:19,010 --> 01:08:16,679

that's why you don't need to be working

1558

01:08:21,289 --> 01:08:19,020

in this field

1559

01:08:22,729 --> 01:08:21,299

anyway he said well you wouldn't believe

1560

01:08:24,050 --> 01:08:22,739

the photographs tonight I started

1561

01:08:26,090 --> 01:08:24,060

pulling out some photographs out of my

1562

01:08:27,050 --> 01:08:26,100

file and started tossing them across the

1563

01:08:29,390 --> 01:08:27,060

table

1564

01:08:31,130 --> 01:08:29,400

and he looked at him and he said oh my

1565

01:08:33,169 --> 01:08:31,140

God those are the photographs I said

1566

01:08:33,890 --> 01:08:33,179

yeah they are look just like them don't

1567

01:08:35,870 --> 01:08:33,900

they

1568

01:08:37,789 --> 01:08:35,880

I bet you I didn't pay five thousand

1569

01:08:40,729 --> 01:08:37,799

dollars for them

1570

01:08:43,010 --> 01:08:40,739

my point is this

1571

01:08:44,749 --> 01:08:43,020

Men In Black exist and they are a

1572

01:08:47,809 --> 01:08:44,759

government related and they will scare

1573

01:08:49,849 --> 01:08:47,819

you half to death they will and I can

1574

01:08:51,410 --> 01:08:49,859

tell you story after Story on that but

1575

01:08:54,590 --> 01:08:51,420

let's go to the ones that you talked

1576
01:08:57,349 --> 01:08:54,600
about which are much more intimidating

1577
01:08:58,729 --> 01:08:57,359
and that are the Men in Black that are

1578
01:09:00,229 --> 01:08:58,739
from

1579
01:09:04,610 --> 01:09:00,239
something else

1580
01:09:07,610 --> 01:09:04,620
one day A lady called me from Brazil she

1581
01:09:09,530 --> 01:09:07,620
was a friend of mine and she begged she

1582
01:09:11,269 --> 01:09:09,540
wanted to fleeing from the alien trying

1583
01:09:13,490 --> 01:09:11,279
to get away and she wanted to know if

1584
01:09:16,189 --> 01:09:13,500
she could come live at her home and

1585
01:09:18,890 --> 01:09:16,199
uh Houston Texas and I I asked my wife

1586
01:09:20,630 --> 01:09:18,900
and she said yes tell her to come so we

1587
01:09:23,030 --> 01:09:20,640
let her come to our home and stay for

1588
01:09:26,809 --> 01:09:23,040

about a month

1589

01:09:29,269 --> 01:09:26,819

and long story short a MIB my wife and I

1590

01:09:31,309 --> 01:09:29,279

were eating lunch I was picking her up

1591

01:09:32,570 --> 01:09:31,319

for from work and we're eating

1592

01:09:36,110 --> 01:09:32,580

lunchiness

1593

01:09:37,249 --> 01:09:36,120

fish dinner and and uh and I we were

1594

01:09:39,769 --> 01:09:37,259

sitting there right in the middle of our

1595

01:09:43,189 --> 01:09:39,779

fish dinner and uh

1596

01:09:46,030 --> 01:09:43,199

I said oh my God they're in our home

1597

01:09:52,070 --> 01:09:46,040

my wife says what are you talking about

1598

01:09:58,189 --> 01:09:55,189

anyway at that time

1599

01:10:00,590 --> 01:09:58,199

that there was this knock on the door

1600

01:10:02,390 --> 01:10:00,600

and the girl that was staying with this

1601
01:10:04,729 --> 01:10:02,400
was helping me assemble some material

1602
01:10:06,650 --> 01:10:04,739
from my book I was working on she leaned

1603
01:10:08,090 --> 01:10:06,660
forward as she leaned forward whoever

1604
01:10:09,830 --> 01:10:08,100
had knocked on the door was already

1605
01:10:13,490 --> 01:10:09,840
inside the door

1606
01:10:16,250 --> 01:10:13,500
standing there tall Long Black Coat long

1607
01:10:17,930 --> 01:10:16,260
big black hat and looking at her version

1608
01:10:20,330 --> 01:10:17,940
he said it's the strangest looking man I

1609
01:10:22,189 --> 01:10:20,340
ever saw in my life I don't know what he

1610
01:10:23,810 --> 01:10:22,199
was and she kept trying to look around

1611
01:10:25,729 --> 01:10:23,820
and he didn't want her to see the lock

1612
01:10:27,770 --> 01:10:25,739
and she moved in a certain way and

1613
01:10:29,090 --> 01:10:27,780

looked and noticed that the lock was

1614

01:10:31,070 --> 01:10:29,100

still thrown

1615

01:10:33,290 --> 01:10:31,080

she realized he walked through that wall

1616

01:10:34,550 --> 01:10:33,300

and she realized she's in trouble at

1617

01:10:37,189 --> 01:10:34,560

this point

1618

01:10:39,530 --> 01:10:37,199

long story short is this was a Men In

1619

01:10:41,630 --> 01:10:39,540

Black encounter in my own home I'm

1620

01:10:44,689 --> 01:10:41,640

driving as fast as I can my wife's

1621

01:10:46,490 --> 01:10:44,699

holding all our food at her arms it's

1622

01:10:49,610 --> 01:10:46,500

the biggest mess you ever saw

1623

01:10:51,970 --> 01:10:49,620

and uh when I got home finally got there

1624

01:10:54,410 --> 01:10:51,980

about 15-20 minutes later

1625

01:10:56,270 --> 01:10:54,420

the girl was walking around with blood

1626

01:10:59,990 --> 01:10:56,280

pouring out of her ear

1627

01:11:01,970 --> 01:11:00,000

dried but it was a dripped down her neck

1628

01:11:02,930 --> 01:11:01,980

where they've taken an implant out of

1629

01:11:06,050 --> 01:11:02,940

her ear

1630

01:11:08,810 --> 01:11:06,060

I can't believe I did not ever check her

1631

01:11:10,669 --> 01:11:08,820

to see if she had an implant I um

1632

01:11:12,110 --> 01:11:10,679

it was biological anyway I probably

1633

01:11:14,209 --> 01:11:12,120

would have never found it it's not the

1634

01:11:15,729 --> 01:11:14,219

point she described it in detail that

1635

01:11:18,290 --> 01:11:15,739

was important I'll be doing a

1636

01:11:21,010 --> 01:11:18,300

presentation not only at the encounters

1637

01:11:24,290 --> 01:11:21,020

but also in Manchester England this year

1638

01:11:26,630 --> 01:11:24,300

uh with uh this particular phenomenon

1639

01:11:29,270 --> 01:11:26,640

it's absolutely incredible but the Men

1640

01:11:30,590 --> 01:11:29,280

in Black were there two of them in my

1641

01:11:33,290 --> 01:11:30,600

home

1642

01:11:37,490 --> 01:11:33,300

taking an implant out of this girl's ear

1643

01:11:46,490 --> 01:11:41,090

um

1644

01:11:49,390 --> 01:11:46,500

responsible for mutilations of cattle

1645

01:11:51,890 --> 01:11:49,400

and crop circles

1646

01:11:52,910 --> 01:11:51,900

brilliant question I love these smart

1647

01:11:54,250 --> 01:11:52,920

people

1648

01:11:56,810 --> 01:11:54,260

uh

1649

01:12:00,709 --> 01:11:56,820

two that's a two-fold question first one

1650

01:12:03,830 --> 01:12:00,719

I'll answer this way a friend of mine uh

1651

01:12:06,530 --> 01:12:03,840

Colin Andrews who was known very widely

1652

01:12:09,649 --> 01:12:06,540

known back in the early 90s for his

1653

01:12:11,149 --> 01:12:09,659

serial he was called a serologist those

1654

01:12:13,490 --> 01:12:11,159

were people who studied crop circles

1655

01:12:15,649 --> 01:12:13,500

back then they were called serologists

1656

01:12:17,570 --> 01:12:15,659

because these crop circles appeared in

1657

01:12:19,610 --> 01:12:17,580

serial fields and wheat fields and

1658

01:12:21,890 --> 01:12:19,620

things like that so everybody called

1659

01:12:23,689 --> 01:12:21,900

them cereal ologists a lot of UFO folks

1660

01:12:25,070 --> 01:12:23,699

now wouldn't know what what they were

1661

01:12:29,510 --> 01:12:25,080

talking about

1662

01:12:32,630 --> 01:12:29,520

uh anyway he was uh hired by Rockefeller

1663

01:12:34,790 --> 01:12:32,640

and other people to find out the real

1664

01:12:36,350 --> 01:12:34,800

story behind

1665

01:12:40,010 --> 01:12:36,360

crop circles

1666

01:12:41,570 --> 01:12:40,020

and he called me before he went public

1667

01:12:43,370 --> 01:12:41,580

he said Daryl I wanted you to know

1668

01:12:46,070 --> 01:12:43,380

before I told anybody

1669

01:12:47,810 --> 01:12:46,080

and I said okay he said I want to take a

1670

01:12:48,709 --> 01:12:47,820

guess how many of these crop circles are

1671

01:12:50,390 --> 01:12:48,719

fake

1672

01:12:54,950 --> 01:12:50,400

and how many are real

1673

01:12:57,229 --> 01:12:54,960

and I said I think it about 80 80

1674

01:12:59,450 --> 01:12:57,239

percent of them are absolutely 100 fake

1675

01:13:02,090 --> 01:12:59,460

and are beautiful

1676

01:13:04,189 --> 01:13:02,100

he said it's worse than that

1677

01:13:05,630 --> 01:13:04,199

closer to 90.

1678

01:13:08,689 --> 01:13:05,640

hmm

1679

01:13:10,250 --> 01:13:08,699

and I said

1680

01:13:11,750 --> 01:13:10,260

he said who do you think's doing the

1681

01:13:14,390 --> 01:13:11,760

fake stuff I said I know who's doing

1682

01:13:16,010 --> 01:13:14,400

it's the intelligence community

1683

01:13:17,630 --> 01:13:16,020

I said you can do this for microwave

1684

01:13:19,669 --> 01:13:17,640

radiation in a minute if you know what

1685

01:13:21,470 --> 01:13:19,679

you're doing and you don't need the UFO

1686

01:13:24,470 --> 01:13:21,480

you don't need anything you don't need

1687

01:13:25,850 --> 01:13:24,480

Advanced alien technology to do it I

1688

01:13:27,350 --> 01:13:25,860

said you'll feel if you'll fool

1689

01:13:29,270 --> 01:13:27,360

everybody out there if all you do is

1690

01:13:31,250 --> 01:13:29,280

print an alien face on the ground I

1691

01:13:32,870 --> 01:13:31,260

guarantee you they'll all run for it but

1692

01:13:34,550 --> 01:13:32,880

everyone will put their UFO head on run

1693

01:13:37,010 --> 01:13:34,560

out there oh my God I'm I'm feeling

1694

01:13:40,010 --> 01:13:37,020

weird vibrations right now I'm do you

1695

01:13:41,750 --> 01:13:40,020

feel it are you getting it and I said

1696

01:13:44,870 --> 01:13:41,760

about it about 10 percent of them I said

1697

01:13:47,149 --> 01:13:44,880

I said I was with Dusty Taylor flying in

1698

01:13:48,770 --> 01:13:47,159

his airplane above one of the one of the

1699

01:13:50,270 --> 01:13:48,780

few they only had a few crop circles

1700

01:13:54,169 --> 01:13:50,280

that year when I was there

1701

01:13:56,209 --> 01:13:54,179

I mean a very few which is real unusual

1702

01:13:58,610 --> 01:13:56,219

and I went down in the crop circle area

1703

01:14:02,090 --> 01:13:58,620

and got a piece of chalk

1704

01:14:04,490 --> 01:14:02,100

chalk rock out of the ground there and

1705

01:14:07,010 --> 01:14:04,500

it's magnetic and I thought that was

1706

01:14:10,250 --> 01:14:07,020

curious as well I still have that chalk

1707

01:14:11,169 --> 01:14:10,260

so in my opinion now I told this same

1708

01:14:13,430 --> 01:14:11,179

story

1709

01:14:14,870 --> 01:14:13,440

in Slovakia

1710

01:14:16,490 --> 01:14:14,880

where there were a bunch of other people

1711

01:14:19,010 --> 01:14:16,500

there in fact there were two Russian

1712

01:14:21,310 --> 01:14:19,020

three Russian scientists there and uh

1713

01:14:23,810 --> 01:14:21,320

after I finished the presentation

1714

01:14:27,709 --> 01:14:23,820

one your apologists got up when he's got

1715

01:14:29,570 --> 01:14:27,719

the UFO hat on he says what up oh my God

1716

01:14:33,229 --> 01:14:29,580

that's I don't believe that he said

1717

01:14:35,030 --> 01:14:33,239

they're all real and I said okay I don't

1718

01:14:37,070 --> 01:14:35,040

care that's you don't understand I don't

1719

01:14:37,850 --> 01:14:37,080

care I'm not here to convince anybody of

1720

01:14:40,910 --> 01:14:37,860

anything

1721

01:14:42,410 --> 01:14:40,920

it's information it's data

1722

01:14:44,209 --> 01:14:42,420

if you don't want to listen to the data

1723

01:14:46,310 --> 01:14:44,219

then go make up your own you know it's a

1724

01:14:47,689 --> 01:14:46,320

bite of me believe it's all real I don't

1725

01:14:49,850 --> 01:14:47,699

care it doesn't make any difference to

1726

01:14:52,729 --> 01:14:49,860

me I said but I have to know the truth

1727

01:14:55,729 --> 01:14:52,739

that's really important to me

1728

01:14:57,410 --> 01:14:55,739

so anyway the the young guy asked me he

1729

01:15:00,770 --> 01:14:57,420

says well

1730

01:15:03,470 --> 01:15:00,780

the I said the important thing is the 10

1731

01:15:06,050 --> 01:15:03,480

percent are detectable you can detect

1732

01:15:08,330 --> 01:15:06,060

that they're real

1733

01:15:09,950 --> 01:15:08,340

what method is that you've developed I

1734

01:15:12,350 --> 01:15:09,960

said no I'm not going to tell you that

1735

01:15:13,970 --> 01:15:12,360

here I said in an hour it'll be all over

1736

01:15:16,550 --> 01:15:13,980

the internet

1737

01:15:17,689 --> 01:15:16,560

and the intelligence Community will know

1738

01:15:19,189 --> 01:15:17,699

it as well

1739

01:15:21,350 --> 01:15:19,199

and guess what they're going to do to

1740

01:15:24,110 --> 01:15:21,360

the other 10 percent

1741

01:15:27,530 --> 01:15:24,120

remove that evidence so you won't know

1742

01:15:29,810 --> 01:15:27,540

which is what period I said no I said

1743

01:15:31,250 --> 01:15:29,820

listen you're not listening at all if

1744

01:15:33,229 --> 01:15:31,260

you had half a brain you would already

1745

01:15:35,390 --> 01:15:33,239

know what to do I've given you

1746

01:15:37,610 --> 01:15:35,400

sufficient hints in this conference I've

1747

01:15:39,470 --> 01:15:37,620

spoken for three hours solid and that's

1748

01:15:42,950 --> 01:15:39,480

enough and I'm not going to go any

1749

01:15:44,750 --> 01:15:42,960

further and so I stopped and then when I

1750

01:15:46,130 --> 01:15:44,760

there people are coming up and talking

1751

01:15:47,209 --> 01:15:46,140

everything and then after I finished

1752

01:15:49,970 --> 01:15:47,219

talking

1753

01:15:50,810 --> 01:15:49,980

these three Russians walked up hilarious

1754

01:15:52,610 --> 01:15:50,820

guys

1755

01:15:54,290 --> 01:15:52,620

and I mean they look like little Russian

1756

01:15:56,330 --> 01:15:54,300

scientists so with thick glasses and all

1757

01:15:58,970 --> 01:15:56,340

of that and uh just hilarious little

1758

01:16:00,530 --> 01:15:58,980

beards and everything

1759

01:16:01,910 --> 01:16:00,540

and they said looked at me and they

1760

01:16:04,149 --> 01:16:01,920

smiled and said

1761

01:16:08,090 --> 01:16:04,159

you're really RCI

1762

01:16:10,430 --> 01:16:08,100

and I said yeah you're really KGB

1763

01:16:12,590 --> 01:16:10,440

and they all looked at each other and

1764

01:16:15,350 --> 01:16:12,600

just smiled I said I think we all know

1765

01:16:17,709 --> 01:16:15,360

how to talk to each other

1766

01:16:21,470 --> 01:16:17,719

and that's how we communicated

1767

01:16:23,930 --> 01:16:21,480

so uh that's the first question and the

1768

01:16:27,229 --> 01:16:23,940

the crop circle thing the second one

1769

01:16:31,010 --> 01:16:27,239

which I think is uh pretty cool is

1770

01:16:32,450 --> 01:16:31,020

mutilations mutilations uh are I I have

1771

01:16:34,430 --> 01:16:32,460

several presentations I do on

1772

01:16:37,070 --> 01:16:34,440

mutilations some of them just for

1773

01:16:38,630 --> 01:16:37,080

doctors because believe me you they're

1774

01:16:39,530 --> 01:16:38,640

they're stuff out there you don't want

1775

01:16:43,130 --> 01:16:39,540

to see

1776

01:16:44,810 --> 01:16:43,140

uh if you don't know about it it's this

1777

01:16:47,810 --> 01:16:44,820

better because

1778

01:16:49,250 --> 01:16:47,820

it's better to think of them as some of

1779

01:16:52,010 --> 01:16:49,260

them are nice and some of them are not

1780

01:16:53,750 --> 01:16:52,020

nice and that's all you know I want I

1781

01:16:56,450 --> 01:16:53,760

want to know I have to know the whole

1782

01:16:58,790 --> 01:16:56,460

story all of them not some of it not a

1783

01:17:02,030 --> 01:16:58,800

piece of it all of it

1784

01:17:03,709 --> 01:17:02,040

and uh and I'll give you this a little

1785

01:17:07,010 --> 01:17:03,719

anecdotal story this is a wonderful

1786

01:17:08,810 --> 01:17:07,020

Story the pr the primary person that got

1787

01:17:11,390 --> 01:17:08,820

popularized

1788

01:17:15,590 --> 01:17:11,400

Academy relations more than anybody it

1789

01:17:16,790 --> 01:17:15,600

was a five Alabama cop named uh what is

1790

01:17:19,130 --> 01:17:16,800

his name right off hand I'll remember

1791

01:17:21,470 --> 01:17:19,140

here in a second but he's a really nice

1792

01:17:22,790 --> 01:17:21,480

guy and he's done some really good work

1793

01:17:25,010 --> 01:17:22,800

and of course Linda Howe and other

1794

01:17:27,110 --> 01:17:25,020

people did too but this guy really got

1795

01:17:30,290 --> 01:17:27,120

it cranked up he's a Fife Alabama police

1796

01:17:32,750 --> 01:17:30,300

officer and he wanted to meet me at a

1797

01:17:34,130 --> 01:17:32,760

conference and in San Francisco and I

1798

01:17:36,890 --> 01:17:34,140

said okay and so I'll buy you a steak

1799

01:17:39,050 --> 01:17:36,900

dinner that sounded like a winner to me

1800

01:17:40,550 --> 01:17:39,060

and I got there and I pulled out the

1801

01:17:42,890 --> 01:17:40,560

salt shaker and took the lid off and

1802

01:17:46,850 --> 01:17:42,900

sprinkled salt all over this steak and

1803

01:17:48,830 --> 01:17:46,860

he said oh my God that really is true

1804

01:17:50,810 --> 01:17:48,840

about abductees isn't it

1805

01:17:54,050 --> 01:17:50,820

that's about the salt intake he said

1806

01:17:56,810 --> 01:17:54,060

yeah I said you better believe it

1807

01:17:58,550 --> 01:17:56,820

and his uh the lady was with him just

1808

01:17:59,450 --> 01:17:58,560

leaned back against the wall with her

1809

01:18:01,970 --> 01:17:59,460

chair

1810

01:18:04,070 --> 01:18:01,980

and uh I realized course anytime this

1811

01:18:05,890 --> 01:18:04,080

guy offers you a steak you're the one

1812

01:18:09,290 --> 01:18:05,900

that's on the menu

1813

01:18:11,630 --> 01:18:09,300

and he looks at me and says yeah um he's

1814

01:18:13,310 --> 01:18:11,640

tough he's a cop he's tough he got that

1815

01:18:15,649 --> 01:18:13,320

cop hat on he said I want to know what

1816

01:18:18,649 --> 01:18:15,659

you know about cattle mutilations

1817

01:18:20,270 --> 01:18:18,659

that's well good night Ted oliphan I

1818

01:18:21,709 --> 01:18:20,280

said 10 of all people you're the expert

1819

01:18:24,290 --> 01:18:21,719

you're why in the world you ask somebody

1820

01:18:25,729 --> 01:18:24,300

like me a question about like that which

1821

01:18:27,189 --> 01:18:25,739

is your field you know more about

1822

01:18:29,810 --> 01:18:27,199

anybody

1823

01:18:31,130 --> 01:18:29,820

it that didn't work

1824

01:18:33,950 --> 01:18:31,140

he said I want to know what you know

1825

01:18:36,470 --> 01:18:33,960

about cattle mutilations

1826

01:18:37,669 --> 01:18:36,480

and I said I don't I've read I've read a

1827

01:18:40,790 --> 01:18:37,679

bunch of stuff but that doesn't mean

1828

01:18:43,430 --> 01:18:40,800

anything he gets real right face to face

1829

01:18:46,130 --> 01:18:43,440

I want to know what you know about

1830

01:18:48,470 --> 01:18:46,140

cattle mutilations

1831

01:18:50,030 --> 01:18:48,480

ah

1832

01:18:52,370 --> 01:18:50,040

I said you have at least three different

1833

01:18:55,850 --> 01:18:52,380

kinds

1834

01:18:58,910 --> 01:18:55,860

one of them they do he said who's they I

1835

01:19:01,189 --> 01:18:58,920

said the alien whatever you want to call

1836

01:19:05,270 --> 01:19:03,590

I said the second group is the

1837

01:19:06,890 --> 01:19:05,280

intelligence Community we did it and he

1838

01:19:09,950 --> 01:19:06,900

said who's that and I said the the

1839

01:19:12,050 --> 01:19:09,960

military intelligence people

1840

01:19:14,090 --> 01:19:12,060

that's them

1841

01:19:17,570 --> 01:19:14,100

and there's a third group

1842

01:19:19,490 --> 01:19:17,580

and he said who are them and I said

1843

01:19:21,229 --> 01:19:19,500

I said

1844

01:19:22,610 --> 01:19:21,239

this is going to sound a little off he

1845

01:19:25,189 --> 01:19:22,620

said just tell me

1846

01:19:27,830 --> 01:19:25,199

I said people who worship these beings

1847

01:19:29,689 --> 01:19:27,840

they'll give anything they want to be

1848

01:19:32,030 --> 01:19:29,699

abducted more than anybody out there

1849

01:19:35,270 --> 01:19:32,040

because they know if I could just get

1850

01:19:38,390 --> 01:19:35,280

abducted by them and they would know and

1851

01:19:40,250 --> 01:19:38,400

see me who I really am

1852

01:19:41,930 --> 01:19:40,260

they would love me they would they would

1853

01:19:44,030 --> 01:19:41,940

realize I'm one of the I'm one of the

1854

01:19:45,590 --> 01:19:44,040

ones that really came for I said those

1855

01:19:48,709 --> 01:19:45,600

people they're the ones cutting up

1856

01:19:51,470 --> 01:19:48,719

cattle and animals things like that too

1857

01:19:53,810 --> 01:19:51,480

that's much more rare

1858

01:19:55,850 --> 01:19:53,820

he said uh said a force group I said

1859

01:19:57,770 --> 01:19:55,860

there actually is the fourth but I don't

1860

01:20:00,410 --> 01:19:57,780

pay much attention to them I said these

1861

01:20:01,910 --> 01:20:00,420

are called to some weirdos oddballs out

1862

01:20:04,729 --> 01:20:01,920

there cutting up cattle just because

1863

01:20:06,590 --> 01:20:04,739

they can and they they're evil just evil

1864

01:20:08,689 --> 01:20:06,600

people who hurt animals

1865

01:20:11,750 --> 01:20:08,699

I said but every one of those have a

1866

01:20:13,490 --> 01:20:11,760

different signature every one of them

1867

01:20:16,250 --> 01:20:13,500

case we'll give them an example that

1868

01:20:17,990 --> 01:20:16,260

said your cattle glow in the dark

1869

01:20:19,370 --> 01:20:18,000

and I mean I thought he was going to

1870

01:20:21,410 --> 01:20:19,380

have a heart attack

1871

01:20:23,330 --> 01:20:21,420

who told you that where did you hear

1872

01:20:25,729 --> 01:20:23,340

that where did you find that out I want

1873

01:20:27,410 --> 01:20:25,739

to know right now and I said your cattle

1874

01:20:29,570 --> 01:20:27,420

glowing he said what color and so I told

1875

01:20:31,610 --> 01:20:29,580

him he said we never told anybody that

1876

01:20:33,410 --> 01:20:31,620

how did you find that out I said I said

1877

01:20:36,770 --> 01:20:33,420

Ted I used to be a cop I'm not stupid

1878

01:20:38,630 --> 01:20:36,780

you know I can find things out I used to

1879

01:20:42,290 --> 01:20:38,640

be along for the intelligence Community

1880

01:20:46,310 --> 01:20:42,300

I I I have a few skills left

1881

01:20:48,770 --> 01:20:47,149

um

1882

01:20:50,570 --> 01:20:48,780

well I think it's all the intelligence

1883

01:20:52,490 --> 01:20:50,580

Community he said the military that's

1884

01:20:54,290 --> 01:20:52,500

not the military it's the intelligence

1885

01:20:56,330 --> 01:20:54,300

Community what else to say I said no

1886

01:20:58,130 --> 01:20:56,340

it's not the same thing I said I was in

1887

01:21:00,890 --> 01:20:58,140

the military and I don't like you

1888

01:21:02,570 --> 01:21:00,900

blaming people like me doing stuff like

1889

01:21:03,709 --> 01:21:02,580

that that I would never ever done and I

1890

01:21:05,870 --> 01:21:03,719

don't know anybody else that would have

1891

01:21:07,490 --> 01:21:05,880

done it I said now the intelligence

1892

01:21:10,310 --> 01:21:07,500

Community these boys will do all kinds

1893

01:21:11,630 --> 01:21:10,320

of stuff have and will and will continue

1894

01:21:13,490 --> 01:21:11,640

to do

1895

01:21:15,350 --> 01:21:13,500

and he says well I think it's all the

1896

01:21:17,270 --> 01:21:15,360

same thing I said no it's not

1897

01:21:19,189 --> 01:21:17,280

what I say it is that's well you're

1898

01:21:22,490 --> 01:21:19,199

wrong I said how does it feel to be

1899

01:21:24,770 --> 01:21:22,500

wrong he said no I'm right and I said he

1900

01:21:27,350 --> 01:21:24,780

said you've got a case make it that

1901

01:21:29,570 --> 01:21:27,360

which is typical cop talk and I said

1902

01:21:31,850 --> 01:21:29,580

don't don't make me embarrass you in

1903

01:21:33,169 --> 01:21:31,860

front of God and everybody else in this

1904

01:21:36,770 --> 01:21:33,179

room

1905

01:21:38,450 --> 01:21:36,780

he said you got a case make it and I

1906

01:21:40,610 --> 01:21:38,460

said all right

1907

01:21:43,669 --> 01:21:40,620

and I gave him the case

1908

01:21:45,470 --> 01:21:43,679

I told him about uh tons of meat falling

1909

01:21:47,930 --> 01:21:45,480

from the air

1910

01:21:50,330 --> 01:21:47,940

tons of meat

1911

01:21:52,850 --> 01:21:50,340

all kinds of animals

1912

01:21:55,010 --> 01:21:52,860

including human

1913

01:21:57,050 --> 01:21:55,020

and the ones that were human

1914

01:21:59,570 --> 01:21:57,060

they found were heart

1915

01:22:03,169 --> 01:21:59,580

lungs and certain inferals that have

1916

01:22:04,729 --> 01:22:03,179

been sliced very thin

1917

01:22:06,709 --> 01:22:04,739

it still didn't prove it wasn't the

1918

01:22:09,470 --> 01:22:06,719

intelligence Community I said you

1919

01:22:12,290 --> 01:22:09,480

haven't let me finish my conversation I

1920

01:22:17,570 --> 01:22:12,300

said I'm fixing to nail you to the wall

1921

01:22:23,270 --> 01:22:20,689

who in the CIA do you think did that in

1922

01:22:24,709 --> 01:22:23,280

1880 .

1923

01:22:26,750 --> 01:22:24,719

I said you don't know what you talk

1924

01:22:29,030 --> 01:22:26,760

about my friend I see you're a brilliant

1925

01:22:30,770 --> 01:22:29,040

man you're sharp as a razor and you're

1926

01:22:33,830 --> 01:22:30,780

on the right track but there are three

1927

01:22:35,990 --> 01:22:33,840

other tracks besides yours that you

1928

01:22:38,470 --> 01:22:36,000

should be looking at and all of them

1929

01:22:40,189 --> 01:22:38,480

have different signatures

1930

01:22:41,149 --> 01:22:40,199

anyway

1931

01:22:43,370 --> 01:22:41,159

um

1932

01:22:46,010 --> 01:22:43,380

we went through that and then of course

1933

01:22:48,350 --> 01:22:46,020

then I I go into human mutilations as

1934

01:22:51,290 --> 01:22:48,360

well from like so I've got two dead

1935

01:22:53,450 --> 01:22:51,300

children in Dallas Texas a woman skinned

1936

01:22:55,070 --> 01:22:53,460

alive and in another country I mean

1937

01:22:57,530 --> 01:22:55,080

literally skinned alive in her own bed

1938

01:22:59,630 --> 01:22:57,540

not a drop of blood in that bed not a

1939

01:23:01,790 --> 01:22:59,640

drop and I've got pictures of the whole

1940

01:23:04,729 --> 01:23:01,800

thing and then of course the famous

1941

01:23:06,229 --> 01:23:04,739

water spanga case in Brazil the game was

1942

01:23:08,350 --> 01:23:06,239

found float dead floating in the water

1943

01:23:10,610 --> 01:23:08,360

and all that everybody

1944

01:23:13,250 --> 01:23:10,620

those that don't know about it if you

1945

01:23:16,010 --> 01:23:13,260

they want to write me I'll send you free

1946

01:23:18,649 --> 01:23:16,020

uh my write-up on the water sponge case

1947

01:23:21,770 --> 01:23:18,659

and why I think that it was true and so

1948

01:23:24,410 --> 01:23:21,780

on and so on but human mutilations are

1949

01:23:26,630 --> 01:23:24,420

everybody tends to thinking things like

1950

01:23:28,910 --> 01:23:26,640

things being dead you know they don't

1951

01:23:30,470 --> 01:23:28,920

have to be dead you know abductees come

1952

01:23:32,689 --> 01:23:30,480

back from their events without missing

1953

01:23:35,030 --> 01:23:32,699

with missing parts one lady came back

1954

01:23:36,950 --> 01:23:35,040

from her abduction event with a missing

1955

01:23:39,830 --> 01:23:36,960

labia

1956

01:23:42,649 --> 01:23:39,840

um well sometimes people come back with

1957

01:23:46,310 --> 01:23:42,659

scoop marks Missy missing pieces of

1958

01:23:50,510 --> 01:23:46,320

Flesh or if a reptile gets you you come

1959

01:23:52,970 --> 01:23:50,520

back with these huge three uh claw marks

1960

01:23:56,270 --> 01:23:52,980

down your back or your side

1961

01:23:59,450 --> 01:23:56,280

uh one one guy got I've got a picture of

1962

01:24:01,850 --> 01:23:59,460

him where he got uh the reptile grabbed

1963

01:24:03,410 --> 01:24:01,860

his arm and he claims he got cancer as a

1964

01:24:06,649 --> 01:24:03,420

result of it I don't know that to be

1965

01:24:09,110 --> 01:24:06,659

true I can't prove that yet but I'll

1966

01:24:12,649 --> 01:24:09,120

check into it and I am checking into it

1967

01:24:16,790 --> 01:24:12,659

but the the clearly whatever grabbed him

1968

01:24:19,550 --> 01:24:16,800

had huge claws probably three three four

1969

01:24:21,770 --> 01:24:19,560

inches long and uh razor sharp I mean

1970

01:24:23,570 --> 01:24:21,780

absolutely amazing stuff so to me these

1971

01:24:25,490 --> 01:24:23,580

are mutilations I don't care whether

1972

01:24:27,830 --> 01:24:25,500

you're dead or not but most most

1973

01:24:32,030 --> 01:24:27,840

important mutilation in my opinion

1974

01:24:34,790 --> 01:24:32,040

happened to one of my abductees and uh

1975

01:24:37,370 --> 01:24:34,800

outside Houston I get a call from her

1976

01:24:39,290 --> 01:24:37,380

and she tells me about it and I said

1977

01:24:41,570 --> 01:24:39,300

oh my god when did this happen she said

1978

01:24:45,709 --> 01:24:41,580

about two weeks ago

1979

01:24:48,890 --> 01:24:45,719

and this is typical abductees abductees

1980

01:24:52,430 --> 01:24:48,900

contact he's an abductees do this they

1981

01:24:55,130 --> 01:24:52,440

destroy hide or will ignore evidence

1982

01:24:57,950 --> 01:24:55,140

all the time all the time

1983

01:25:00,290 --> 01:24:57,960

and I said you're calling me two weeks

1984

01:25:02,930 --> 01:25:00,300

after your horse was mutilated

1985

01:25:05,149 --> 01:25:02,940

your favorite horse the your the horse

1986

01:25:07,310 --> 01:25:05,159

of your dreams your life and you've got

1987

01:25:09,530 --> 01:25:07,320

a half a dozen head of horses out there

1988

01:25:12,410 --> 01:25:09,540

and anyway she tells me the whole story

1989

01:25:14,330 --> 01:25:12,420

and I'm sitting there flabbergasted and

1990

01:25:17,870 --> 01:25:14,340

uh what was incredible about the story

1991

01:25:20,149 --> 01:25:17,880

she's the only case in the world

1992

01:25:25,790 --> 01:25:20,159

where the horse was mutilated and

1993

01:25:31,790 --> 01:25:28,729

unbelievable incredible it's one of the

1994

01:25:34,490 --> 01:25:31,800

best cases i i underscored as the the

1995

01:25:36,890 --> 01:25:34,500

case of the century for me because uh

1996

01:25:38,450 --> 01:25:36,900

the worst came back alive and uh we have

1997

01:25:40,370 --> 01:25:38,460

our own ideas about why that happened

1998

01:25:42,770 --> 01:25:40,380

but that's neither here there the horse

1999

01:25:46,070 --> 01:25:42,780

did come back alive they finally called

2000

01:25:48,530 --> 01:25:46,080

a vet and had it put down with uh

2001
01:25:50,750 --> 01:25:48,540
a drug of course to because they didn't

2002
01:25:53,270 --> 01:25:50,760
want it in agony anymore but the back

2003
01:25:57,470 --> 01:25:53,280
end of it had been literally eaten out

2004
01:25:59,990 --> 01:25:57,480
uh uh and it's just incredible and there

2005
01:26:01,550 --> 01:26:00,000
was no signs of fighting or kicking or

2006
01:26:03,050 --> 01:26:01,560
anything for the horse was laying on the

2007
01:26:07,070 --> 01:26:03,060
ground none

2008
01:26:09,649 --> 01:26:07,080
this was a huge horse and uh wasn't

2009
01:26:11,870 --> 01:26:09,659
afraid of anybody or anything this is

2010
01:26:13,189 --> 01:26:11,880
not a mountain lion and the bat and

2011
01:26:15,229 --> 01:26:13,199
everybody else said the same thing it

2012
01:26:16,310 --> 01:26:15,239
was not a mountain lion and what horse

2013
01:26:19,729 --> 01:26:16,320

are going to lay there and let them

2014

01:26:22,189 --> 01:26:19,739

outline chew they back into their it's

2015

01:26:23,750 --> 01:26:22,199

not going to happen besides that the

2016

01:26:25,250 --> 01:26:23,760

mountain lion's going to go for your

2017

01:26:28,729 --> 01:26:25,260

neck and gonna it's gonna break your

2018

01:26:31,810 --> 01:26:28,739

break your several vertebrae or cut off

2019

01:26:34,850 --> 01:26:31,820

your breathing I mean that's yeah anyway

2020

01:26:36,050 --> 01:26:34,860

I guarantee it was not about life it

2021

01:26:38,090 --> 01:26:36,060

wasn't anything because there was no

2022

01:26:39,890 --> 01:26:38,100

struggle none

2023

01:26:41,990 --> 01:26:39,900

there were no marks of any struggle

2024

01:26:42,950 --> 01:26:42,000

whatsoever it was brought back and laid

2025

01:26:45,649 --> 01:26:42,960

there

2026

01:26:48,229 --> 01:26:45,659

and she came out and found it it's an

2027

01:26:50,030 --> 01:26:48,239

incredible story incredible

2028

01:26:52,189 --> 01:26:50,040

so Daryl why don't you tell the folks

2029

01:26:54,050 --> 01:26:52,199

again where you're going to be appearing

2030

01:26:56,689 --> 01:26:54,060

at what conferences or whatever else you

2031

01:26:57,890 --> 01:26:56,699

got coming up and um anything else you

2032

01:27:00,770 --> 01:26:57,900

want to tell

2033

01:27:02,270 --> 01:27:00,780

well I'd be glad to uh there's a one of

2034

01:27:05,090 --> 01:27:02,280

my favorite conferences it's going to be

2035

01:27:07,850 --> 01:27:05,100

a big one uh for me uh and these are

2036

01:27:11,090 --> 01:27:07,860

friends of mine uh is encounterquest.com

2037

01:27:13,490 --> 01:27:11,100

and Connor and counterquest is a

2038

01:27:16,189 --> 01:27:13,500

conference we're going to have in Hamlet

2039

01:27:19,490 --> 01:27:16,199

North Carolina April 1st and you go to

2040

01:27:21,290 --> 01:27:19,500

like say encounterquest.com and uh I'm

2041

01:27:23,750 --> 01:27:21,300

telling you it's it's going to be a riot

2042

01:27:26,149 --> 01:27:23,760

I'll do be doing a presentation the

2043

01:27:28,550 --> 01:27:26,159

night before I'll do two workshops one

2044

01:27:30,350 --> 01:27:28,560

of alien evidence and and implant

2045

01:27:32,810 --> 01:27:30,360

testing I'll show you how to find

2046

01:27:37,129 --> 01:27:32,820

evidence on in if you've had an alien

2047

01:27:40,310 --> 01:27:37,139

contact event there's evidence on you in

2048

01:27:43,010 --> 01:27:40,320

you or around you and that's just the

2049

01:27:45,530 --> 01:27:43,020

fact then I'll do a second workshop on

2050

01:27:48,590 --> 01:27:45,540

uh it's called the right way which I'll

2051
01:27:50,510 --> 01:27:48,600
do insight into the character analysis

2052
01:27:52,490 --> 01:27:50,520
of your character have you analyze your

2053
01:27:54,649 --> 01:27:52,500
own handwriting and I'll show you how to

2054
01:27:57,530 --> 01:27:54,659
do it and tell you things about you'll

2055
01:28:00,709 --> 01:27:57,540
see things about your life that you

2056
01:28:02,149 --> 01:28:00,719
may have been surprised about and I'll

2057
01:28:03,770 --> 01:28:02,159
show you how that works with alien

2058
01:28:06,290 --> 01:28:03,780
abductions as well

2059
01:28:09,410 --> 01:28:06,300
and uh how how we use that for our

2060
01:28:13,610 --> 01:28:11,629
great

2061
01:28:14,689 --> 01:28:13,620

2089

01:29:28,790 --> 01:29:26,280

weird ones come in in recent weeks so

2090

01:29:31,490 --> 01:29:28,800

2096

01:29:44,930 --> 01:29:42,300
