00:01:47,270 --> 00:01:44,040

Care since 2016. she shares her stories

15

00:01:49,969 --> 00:01:47,280

on her social media nurse Hadley or at

16

00:01:51,710 --> 00:01:49,979

nurse Hadley sorry about her life as a

17

00:01:54,010 --> 00:01:51,720

mom and nurse as well as uplifting

18

00:01:57,530 --> 00:01:54,020

stories from her patients that she hears

19

00:02:00,710 --> 00:01:57,540

and the incredible advice they share

20

00:02:01,789 --> 00:02:00,720

uh Sorry my phone's just a little messed

21

00:02:03,170 --> 00:02:01,799

up tonight

22

00:02:05,149 --> 00:02:03,180

let's see

23

00:02:06,950 --> 00:02:05,159

we're just gonna bring her in and she

24

00:02:08,589 --> 00:02:06,960

can explain it more I'm so sorry about

25

00:02:14,890 --> 00:02:08,599

that

26

00:02:17,510 --> 00:02:14,900

everything was just so good on

27

00:02:20,229 --> 00:02:17,520

so thank you so much for being here

28

00:02:22,250 --> 00:02:20,239

thank you for having me

29

00:02:23,630 --> 00:02:22,260

so do you want to tell everyone a little

30

00:02:27,770 --> 00:02:23,640

bit about yourself

31

00:02:30,229 --> 00:02:27,780

yeah of course from your bio yeah you

32

00:02:32,990 --> 00:02:30,239

did a good job so basically I'm a

33

00:02:34,970 --> 00:02:33,000

registered nurse and I have worked in

34

00:02:37,010 --> 00:02:34,980

hospice for the vast majority of my

35

00:02:39,890 --> 00:02:37,020

career and for anyone who doesn't know

36

00:02:42,229 --> 00:02:39,900

what hospice is that is uh caring for

37

00:02:44,750 --> 00:02:42,239

people usually in their homes in the

38

00:02:46,130 --> 00:02:44,760

last six months of their life

39

00:02:48,229 --> 00:02:46,140

um they're not pursuing any aggressive

40

00:02:49,610 --> 00:02:48,239

treatment we're just there to keep them

41

00:02:50,930 --> 00:02:49,620

comfortable

42

00:02:54,410 --> 00:02:50,940

um until they pass

43

00:02:55,610 --> 00:02:54,420

and so we're we're their last nurse that

44

00:03:00,170 --> 00:02:55,620

they'll ever have

45

00:03:05,030 --> 00:03:02,930

and so what brought you into the field

46

00:03:07,550 --> 00:03:05,040

of hospice nursing

47

00:03:11,210 --> 00:03:07,560

yeah so I started in a nursing home

48

00:03:13,070 --> 00:03:11,220

really was one of my first big jobs and

49

00:03:15,530 --> 00:03:13,080

um that is where I was first introduced

50

00:03:17,270 --> 00:03:15,540

to hospice because you have hospice

51  
00:03:21,170 --> 00:03:17,280  
nurses come into the nursing home to

52  
00:03:23,089 --> 00:03:21,180  
care for patients and I got to see the

53  
00:03:25,369 --> 00:03:23,099  
hospice nurses be one-on-one with a

54  
00:03:27,710 --> 00:03:25,379  
patient instead of like running around

55  
00:03:30,410 --> 00:03:27,720  
like crazy just trying to do everything

56  
00:03:31,850 --> 00:03:30,420  
for so many patients at one time in

57  
00:03:34,430 --> 00:03:31,860  
hospice you get to sit one-on-one with

58  
00:03:36,050 --> 00:03:34,440  
patients for like an hour at a time and

59  
00:03:37,850 --> 00:03:36,060  
it's how medicine should be in my

60  
00:03:40,550 --> 00:03:37,860  
opinion

61  
00:03:43,430 --> 00:03:40,560  
yeah no I agree my mom was in there so I

62  
00:03:47,089 --> 00:03:43,440  
totally agree with that yeah

63  
00:03:49,490 --> 00:03:47,099

um yes so what was your first experience

64  
00:03:52,490 --> 00:03:49,500  
with somebody who was having a deathbed

65  
00:03:54,830 --> 00:03:52,500  
visit Vision or visitation

66  
00:03:57,110 --> 00:03:54,840  
yeah so one of my

67  
00:03:58,729 --> 00:03:57,120  
so you guys do like training you know

68  
00:04:02,570 --> 00:03:58,739  
for a few months when you first get in

69  
00:04:04,729 --> 00:04:02,580  
and so I remember my boss calling me and

70  
00:04:07,970 --> 00:04:04,739  
being like hey I need you to come meet

71  
00:04:10,670 --> 00:04:07,980  
me at this home so I go and she is

72  
00:04:13,610 --> 00:04:10,680  
talking to her deceased sister

73  
00:04:15,050 --> 00:04:13,620  
and she's just talking like

74  
00:04:17,509 --> 00:04:15,060  
um like she's there like we should be

75  
00:04:19,849 --> 00:04:17,519  
able to see her too and it's not that

76

00:04:22,189 --> 00:04:19,859

she's confused and she can't talk to us

77

00:04:23,390 --> 00:04:22,199

like she can still talk to us just like

78

00:04:24,790 --> 00:04:23,400

we're there it's just like someone's

79

00:04:27,590 --> 00:04:24,800

there that we couldn't see and she was

80

00:04:33,710 --> 00:04:27,600

laughing and it was just one of the most

81

00:04:37,730 --> 00:04:36,230

did what did that do to you seeing that

82

00:04:40,550 --> 00:04:37,740

I'm sure that's something you've never

83

00:04:43,189 --> 00:04:40,560

experienced at that time or at least not

84

00:04:46,189 --> 00:04:43,199

in that you know capacity

85

00:04:48,050 --> 00:04:46,199

yeah so at first I was very confused

86

00:04:49,430 --> 00:04:48,060

because you know in the hospital nursing

87

00:04:50,990 --> 00:04:49,440

home anywhere else had work it was just

88

00:04:53,330 --> 00:04:51,000

like oh they're having hallucinations

89

00:04:55,330 --> 00:04:53,340

let's medicate them you know for

90

00:04:58,430 --> 00:04:55,340

anything that's not that we can't see

91

00:05:00,650 --> 00:04:58,440

and so of course every time manager and

92

00:05:01,909 --> 00:05:00,660

was like I'm gonna need help with these

93

00:05:03,950 --> 00:05:01,919

medications I don't know how to do them

94

00:05:06,890 --> 00:05:03,960

in hospice and she was like we don't

95

00:05:08,870 --> 00:05:06,900

know this is normal they're seeing their

96

00:05:10,610 --> 00:05:08,880

loved one and we're not going to

97

00:05:12,230 --> 00:05:10,620

medicate them you just need to make sure

98

00:05:14,810 --> 00:05:12,240

that they're okay and it's like happy

99

00:05:17,150 --> 00:05:14,820

like they're comfortable

100

00:05:18,650 --> 00:05:17,160

um and then I was like okay my manager's

101  
00:05:21,890 --> 00:05:18,660

crazy

102  
00:05:24,650 --> 00:05:21,900

um so I went to a nurse one of my

103  
00:05:26,870 --> 00:05:24,660

co-workers and I was like hey tell me

104  
00:05:29,330 --> 00:05:26,880

about this yeah it happens to everyone

105  
00:05:31,070 --> 00:05:29,340

like it happens to everyone and then I

106  
00:05:36,110 --> 00:05:31,080

was like all right my co-worker's crazy

107  
00:05:39,830 --> 00:05:36,120

too so the doctor as well

108  
00:05:41,330 --> 00:05:39,840

what happens in hospice care and we just

109  
00:05:43,790 --> 00:05:41,340

don't talk about it much outside of

110  
00:05:46,070 --> 00:05:43,800

hospice care

111  
00:05:49,390 --> 00:05:46,080

and then I started to experience it

112  
00:05:52,430 --> 00:05:49,400

that's amazing what it is

113  
00:05:54,110 --> 00:05:52,440

what is it is it's it's interesting

114

00:05:55,969 --> 00:05:54,120

because you just you figure you go

115

00:05:58,129 --> 00:05:55,979

through it and there's there's nothing

116

00:05:59,990 --> 00:05:58,139

you're basically alone but from the

117

00:06:02,210 --> 00:06:00,000

stories I've seen that you present on

118

00:06:04,010 --> 00:06:02,220

Tick Tock you're not alone when you're

119

00:06:06,110 --> 00:06:04,020

starting to cry

120

00:06:09,650 --> 00:06:06,120

you know and then that's amazing it's

121

00:06:11,150 --> 00:06:09,660

comforting and amazing so what this you

122

00:06:13,189 --> 00:06:11,160

know one of the Visions they've stuck

123

00:06:15,950 --> 00:06:13,199

with the patient's story instead of

124

00:06:18,529 --> 00:06:15,960

stuck with you yeah so I had a patient

125

00:06:20,029 --> 00:06:18,539

that I was very very very close to

126

00:06:22,309 --> 00:06:20,039

um I had them for about eight months a

127

00:06:25,430 --> 00:06:22,319

little bit longer than normal

128

00:06:28,189 --> 00:06:25,440

um and he had lost his daughter when she

129

00:06:29,510 --> 00:06:28,199

was like two she drowned and she came

130

00:06:32,570 --> 00:06:29,520

and got him

131

00:06:34,249 --> 00:06:32,580

and that is first time I ever saw a

132

00:06:35,870 --> 00:06:34,259

child really one of the only times I've

133

00:06:38,529 --> 00:06:35,880

ever seen a child come and they're

134

00:06:43,189 --> 00:06:38,539

plating playing hide and seek

135

00:06:45,830 --> 00:06:43,199

and that was that was amazing but at the

136

00:06:48,170 --> 00:06:45,840

same time he recognized me he recognized

137

00:06:50,809 --> 00:06:48,180

his wife he was talking to me like he

138

00:06:52,790 --> 00:06:50,819

normally does but also he was playing

139

00:06:54,890 --> 00:06:52,800

hide and seek with his daughter that he

140

00:06:56,990 --> 00:06:54,900

had lost and he told me that they were

141

00:06:59,689 --> 00:06:57,000

gonna go somewhere and he passed like

142

00:07:03,610 --> 00:07:00,950

oh wow

143

00:07:09,830 --> 00:07:03,620

so he was very lucid

144

00:07:14,029 --> 00:07:11,990

because you don't you don't expect that

145

00:07:15,409 --> 00:07:14,039

you really don't it's especially like

146

00:07:17,629 --> 00:07:15,419

you said from medical standpoint you

147

00:07:20,689 --> 00:07:17,639

think they're having a hallucination

148

00:07:22,730 --> 00:07:20,699

yeah absolutely and I tell people that

149

00:07:24,230 --> 00:07:22,740

some people do have hallucinations but

150

00:07:28,129 --> 00:07:24,240

they're different they're seeing a

151  
00:07:29,210 --> 00:07:28,139  
spider or a rainbow or you know the fact

152  
00:07:31,010 --> 00:07:29,220  
that all these people with different

153  
00:07:32,210 --> 00:07:31,020  
religions different beliefs they're all

154  
00:07:36,469 --> 00:07:32,220  
seeing the same thing which is their

155  
00:07:42,730 --> 00:07:40,730  
do I have their patients ever see up

156  
00:07:45,050 --> 00:07:42,740  
or yes

157  
00:07:47,870 --> 00:07:45,060  
crossed over before them

158  
00:07:48,710 --> 00:07:47,880  
yeah I had one see her do what tell us

159  
00:07:51,529 --> 00:07:48,720  
about

160  
00:07:55,189 --> 00:07:51,539  
yeah it was her dog

161  
00:07:57,230 --> 00:07:55,199  
um she was she was homeless and I think

162  
00:07:59,270 --> 00:07:57,240  
that that's kind of all she had so she

163  
00:08:01,309 --> 00:07:59,280

had come into like our facility that we

164

00:08:02,270 --> 00:08:01,319

have and

165

00:08:04,189 --> 00:08:02,280

um

166

00:08:07,309 --> 00:08:04,199

I think that she kind of gave up after

167

00:08:10,189 --> 00:08:07,319

she lost the dog and um right before she

168

00:08:12,370 --> 00:08:10,199

passed she was like petting the air and

169

00:08:17,390 --> 00:08:12,380

she was like oh you're such a good girl

170

00:08:21,830 --> 00:08:20,029

oh that's and that's very comforting too

171

00:08:23,510 --> 00:08:21,840

to know that like your animals are

172

00:08:24,950 --> 00:08:23,520

waiting for you on the other side as

173

00:08:28,430 --> 00:08:24,960

well

174

00:08:30,589 --> 00:08:28,440

um yes what has been the most great one

175

00:08:32,649 --> 00:08:30,599

what has been the most heartbreaking one

176

00:08:35,149 --> 00:08:32,659

for you

177

00:08:36,370 --> 00:08:35,159

there's a lot

178

00:08:39,370 --> 00:08:36,380

um

179

00:08:42,889 --> 00:08:39,380

whenever you get close to them though

180

00:08:45,530 --> 00:08:42,899

you know that's really really hard

181

00:08:48,829 --> 00:08:45,540

um whenever they pass I will say that

182

00:08:49,790 --> 00:08:48,839

most of my patients thankfully are ready

183

00:08:51,290 --> 00:08:49,800

to go

184

00:08:53,930 --> 00:08:51,300

um but probably the most heartbreaking

185

00:08:56,810 --> 00:08:53,940

is when they're not ready so

186

00:08:58,910 --> 00:08:56,820

I have some of my age right now and

187

00:09:00,590 --> 00:08:58,920

that's very hard because I know that

188

00:09:04,190 --> 00:09:00,600

they're not ready they're not ready to

189

00:09:06,590 --> 00:09:04,200

lose their kids and I'm just preparing

190

00:09:08,150 --> 00:09:06,600

myself currently because I think that

191

00:09:11,570 --> 00:09:08,160

one's going to be really hard

192

00:09:14,570 --> 00:09:11,580

you know when they're not ready

193

00:09:18,230 --> 00:09:14,580

yeah that's understandable

194

00:09:20,509 --> 00:09:18,240

yeah I mean a picture of your book

195

00:09:23,210 --> 00:09:20,519

that's coming out I believe it's June

196

00:09:24,350 --> 00:09:23,220

13th if I'm not mistakes they actually

197

00:09:27,889 --> 00:09:24,360

have it

198

00:09:29,530 --> 00:09:27,899

hang on yeah it is June 13th so do you

199

00:09:32,570 --> 00:09:29,540

want to tell us about that

200

00:09:34,910 --> 00:09:32,580

yeah so it's um with penguin random

201  
00:09:36,290 --> 00:09:34,920  
house I've been writing it for two years

202  
00:09:39,350 --> 00:09:36,300  
now

203  
00:09:41,269 --> 00:09:39,360  
um with them and basically what it is is

204  
00:09:43,190 --> 00:09:41,279  
you get to see that first patient I took

205  
00:09:44,570 --> 00:09:43,200  
care of and it follows me for about two

206  
00:09:47,030 --> 00:09:44,580  
years

207  
00:09:49,550 --> 00:09:47,040  
um and it's the way I did it is it's 12

208  
00:09:51,949 --> 00:09:49,560  
chapters and 12 patients that I feel

209  
00:09:53,990 --> 00:09:51,959  
like were just like very impactful

210  
00:09:55,610 --> 00:09:54,000  
either helping me believe in the

211  
00:09:57,230 --> 00:09:55,620  
afterlife or just really teaching me

212  
00:09:59,030 --> 00:09:57,240  
something and then I have my own

213  
00:10:00,889 --> 00:09:59,040

personal story woven throughout it so

214

00:10:03,230 --> 00:10:00,899

you get to kind of see me go from being

215

00:10:05,090 --> 00:10:03,240

like a brand new hospice nurse and being

216

00:10:06,710 --> 00:10:05,100

like I don't know about all this

217

00:10:08,650 --> 00:10:06,720

afterlife stuff and all this stuff

218

00:10:13,070 --> 00:10:08,660

happening to really being very confident

219

00:10:15,650 --> 00:10:13,080

in it and confident in myself and

220

00:10:18,710 --> 00:10:15,660

um all of that so yeah that's what it's

221

00:10:20,570 --> 00:10:18,720

about I'm very excited for it

222

00:10:22,670 --> 00:10:20,580

and

223

00:10:24,350 --> 00:10:22,680

we're very excited I actually proved it

224

00:10:25,570 --> 00:10:24,360

when I was looking it up to make sure we

225

00:10:29,110 --> 00:10:25,580

had it

226

00:10:31,430 --> 00:10:29,120

I'm preparing it up already so

227

00:10:33,889 --> 00:10:31,440

of course

228

00:10:36,230 --> 00:10:33,899

um so did you believe in the afterlife

229

00:10:38,570 --> 00:10:36,240

did you believe in the afterlife before

230

00:10:40,490 --> 00:10:38,580

this before you became a hospice nurse

231

00:10:42,710 --> 00:10:40,500

and witnessed any you know any of the

232

00:10:45,769 --> 00:10:42,720

Visions or anything

233

00:10:49,130 --> 00:10:45,779

you know I did for I mean I was raised

234

00:10:52,610 --> 00:10:49,140

very very religious so I did and then I

235

00:10:55,970 --> 00:10:52,620

lost a friend very young and I started

236

00:10:57,230 --> 00:10:55,980

to kind of question things

237

00:10:58,970 --> 00:10:57,240

um and you know I was just kind of

238

00:11:01,250 --> 00:10:58,980

always told just like just believe don't

239

00:11:03,889 --> 00:11:01,260

don't ask questions like just believe

240

00:11:07,970 --> 00:11:03,899

and so I've had strayed from that a

241

00:11:09,590 --> 00:11:07,980

little bit and now that I work hospice I

242

00:11:11,630 --> 00:11:09,600

know that there's an afterlife from what

243

00:11:14,329 --> 00:11:11,640

I've seen I just don't really know if

244

00:11:15,949 --> 00:11:14,339

anyone really knows what it looks like

245

00:11:18,590 --> 00:11:15,959

like if anyone really has all those

246

00:11:20,389 --> 00:11:18,600

answers right

247

00:11:22,910 --> 00:11:20,399

yeah only the people who are actually

248

00:11:24,889 --> 00:11:22,920

going there I think have the answers so

249

00:11:27,590 --> 00:11:24,899

I agree yeah I think my patients know

250

00:11:29,230 --> 00:11:27,600

more than I do

251

00:11:32,269 --> 00:11:29,240

right

252

00:11:35,810 --> 00:11:32,279

what has been the most uplifting story

253

00:11:37,490 --> 00:11:35,820

or encounter you've seen with your

254

00:11:38,630 --> 00:11:37,500

with your yeah I've told this line on my

255

00:11:41,329 --> 00:11:38,640

Tick Tock before I'm gonna tell it again

256

00:11:44,509 --> 00:11:41,339

because I just love it it's um

257

00:11:47,269 --> 00:11:44,519

so I worked in a very tiny Beach town

258

00:11:48,530 --> 00:11:47,279

and um we've moved since then but my

259

00:11:50,990 --> 00:11:48,540

first job was in this little bitty Beach

260

00:11:52,850 --> 00:11:51,000

town in Florida and so we would get

261

00:11:54,949 --> 00:11:52,860

these patients that would come on

262

00:11:57,590 --> 00:11:54,959

vacation so like when you go on vacation

263

00:11:59,569 --> 00:11:57,600

on hospice they'll call a local company

264

00:12:01,370 --> 00:11:59,579

in the vacation town and be like hey if

265

00:12:04,009 --> 00:12:01,380

they have any emergencies

266

00:12:06,290 --> 00:12:04,019

like will you be the one to go there in

267

00:12:07,610 --> 00:12:06,300

case they need you so we would get a lot

268

00:12:09,829 --> 00:12:07,620

of those patients so we wouldn't really

269

00:12:11,449 --> 00:12:09,839

know anything about them we'd never see

270

00:12:12,949 --> 00:12:11,459

them before but we would show up for

271

00:12:15,410 --> 00:12:12,959

emergencies

272

00:12:16,730 --> 00:12:15,420

which was very interesting honestly uh

273

00:12:18,710 --> 00:12:16,740

so I go

274

00:12:20,210 --> 00:12:18,720

um I get a call one time and all I know

275

00:12:22,610 --> 00:12:20,220

is the address and the patient's name

276

00:12:24,110 --> 00:12:22,620

nothing else so I'm walking in just

277

00:12:25,610 --> 00:12:24,120

completely blind

278

00:12:29,750 --> 00:12:25,620

and

279

00:12:31,370 --> 00:12:29,760

girl

280

00:12:34,009 --> 00:12:31,380

um who's bald so I'm assuming she has

281

00:12:36,829 --> 00:12:34,019

cancer and she's like about to pass any

282

00:12:39,290 --> 00:12:36,839

minute and her friend is just like

283

00:12:42,050 --> 00:12:39,300

frantically walking around just freaking

284

00:12:45,829 --> 00:12:42,060

out and I have to like tell her like

285

00:12:47,629 --> 00:12:45,839

he's about to pass and she tells me like

286

00:12:49,490 --> 00:12:47,639

she just wanted to go to the beach one

287

00:12:52,190 --> 00:12:49,500

last time so I just like put her in the

288

00:12:54,530 --> 00:12:52,200

car and she like declined a lot while

289

00:12:56,870 --> 00:12:54,540

they were driving from a different state

290

00:12:59,210 --> 00:12:56,880

like she went completely downhill in

291

00:13:01,610 --> 00:12:59,220

that time and so I was like okay well

292

00:13:03,350 --> 00:13:01,620

she's she's about to pass like you know

293

00:13:05,210 --> 00:13:03,360

this this is what's happening

294

00:13:09,650 --> 00:13:05,220

and she ran out the door and I was like

295

00:13:13,730 --> 00:13:09,660

what is going on and she comes back with

296

00:13:16,910 --> 00:13:13,740

this bowl of sand geez and she opens up

297

00:13:18,829 --> 00:13:16,920

all the like sliding glass doors and she

298

00:13:20,870 --> 00:13:18,839

like puts her feet in this bowl of sand

299

00:13:22,670 --> 00:13:20,880

and like holds her hand and is like you

300

00:13:24,710 --> 00:13:22,680

made it to the beach like you got there

301  
00:13:26,750 --> 00:13:24,720  
you made it to the beach and she passed

302  
00:13:28,670 --> 00:13:26,760  
like right after that

303  
00:13:30,350 --> 00:13:28,680  
it was so sweet

304  
00:13:34,009 --> 00:13:30,360  
oh

305  
00:13:36,610 --> 00:13:34,019  
my goodness I know yeah I think you're

306  
00:13:39,650 --> 00:13:36,620  
gonna make everyone cry with that one

307  
00:13:43,730 --> 00:13:39,660  
that's very sweet

308  
00:13:46,610 --> 00:13:43,740  
um oh my goodness yeah

309  
00:13:47,990 --> 00:13:46,620  
uh what do you think you know what do

310  
00:13:51,050 --> 00:13:48,000  
you want people to take away from your

311  
00:13:53,930 --> 00:13:51,060  
book when they read it in the end

312  
00:13:57,230 --> 00:13:53,940  
I really don't want people to be afraid

313  
00:13:59,870 --> 00:13:57,240

of death because I used to be very very

314

00:14:03,110 --> 00:13:59,880

afraid of death and I know how

315

00:14:04,550 --> 00:14:03,120

paralyzing that can feel and I think

316

00:14:08,449 --> 00:14:04,560

that if you can walk away feeling very

317

00:14:10,370 --> 00:14:08,459

confident in an afterlife and really how

318

00:14:13,190 --> 00:14:10,380

like I know everyone says like life is

319

00:14:15,710 --> 00:14:13,200

short but like I want it to be in like a

320

00:14:18,949 --> 00:14:15,720

positive way like we've got this time to

321

00:14:22,370 --> 00:14:18,959

like live and we need to like take

322

00:14:24,590 --> 00:14:22,380

advantage of it but not in like a um

323

00:14:26,930 --> 00:14:24,600

like in a morbid way

324

00:14:29,150 --> 00:14:26,940

and like I really do believe in an

325

00:14:31,750 --> 00:14:29,160

afterlife no matter what you believe in

326

00:14:34,670 --> 00:14:31,760

like I think how you live here on Earth

327

00:14:36,650 --> 00:14:34,680

matters a lot and what you believe in

328

00:14:37,910 --> 00:14:36,660

does not matter that much as long as

329

00:14:41,389 --> 00:14:37,920

you're a good person

330

00:14:44,509 --> 00:14:41,399

and I want people to stop being so

331

00:14:46,129 --> 00:14:44,519

afraid of like what's to come and I

332

00:14:47,629 --> 00:14:46,139

think that those experiences that people

333

00:14:54,829 --> 00:14:47,639

can like be put in my shoes through my

334

00:15:00,230 --> 00:14:58,670

I I agree that's very well said one of

335

00:15:01,610 --> 00:15:00,240

the stories that caught my attention I

336

00:15:05,030 --> 00:15:01,620

found it was interesting on your Tick

337

00:15:07,250 --> 00:15:05,040

Tock was you said this woman was um

338

00:15:12,189 --> 00:15:07,260

getting ready to pass and one of her

339

00:15:16,850 --> 00:15:14,569

which one I'm talking about I think that

340

00:15:18,710 --> 00:15:16,860

was the only one yeah she had had a

341

00:15:22,870 --> 00:15:18,720

miscarriage and she was holding a baby

342

00:15:26,030 --> 00:15:22,880

and like none of her other children knew

343

00:15:27,710 --> 00:15:26,040

oh yes

344

00:15:29,449 --> 00:15:27,720

um well I think that one do you want to

345

00:15:31,610 --> 00:15:29,459

tell everyone that one

346

00:15:33,050 --> 00:15:31,620

yeah I've got I literally have taken

347

00:15:34,370 --> 00:15:33,060

care of like probably a thousand

348

00:15:36,470 --> 00:15:34,380

patients so I'm trying to think of which

349

00:15:38,210 --> 00:15:36,480

one that one

350

00:15:46,129 --> 00:15:38,220

um

351

00:15:47,269 --> 00:15:46,139

that was well if you can even if a

352

00:15:49,850 --> 00:15:47,279

random one

353

00:15:51,590 --> 00:15:49,860

yeah I think that one was um she was

354

00:15:54,410 --> 00:15:51,600

holding a baby and she was talking to it

355

00:15:56,750 --> 00:15:54,420

and her daughter I believe said

356

00:15:58,730 --> 00:15:56,760

something about like they didn't know

357

00:16:00,590 --> 00:15:58,740

and then her sister had came and said

358

00:16:02,329 --> 00:16:00,600

well she had had a miscarriage before

359

00:16:03,889 --> 00:16:02,339

she had had you and none of her kids

360

00:16:06,410 --> 00:16:03,899

knew

361

00:16:10,689 --> 00:16:06,420

yes okay now I know which one you're

362

00:16:14,150 --> 00:16:10,699

talking about I had to yeah

363

00:16:17,389 --> 00:16:14,160

no you don't it's me I always have to

364

00:16:19,550 --> 00:16:17,399

change things a little bit because of a

365

00:16:21,410 --> 00:16:19,560

privacy things

366

00:16:24,290 --> 00:16:21,420

you know so I like have to change a

367

00:16:28,310 --> 00:16:24,300

detail so like maybe it was like her son

368

00:16:30,710 --> 00:16:28,320

talking to her but yes that I was always

369

00:16:34,009 --> 00:16:30,720

amazing because I've had two separate

370

00:16:37,670 --> 00:16:34,019

instances where that happened where

371

00:16:39,949 --> 00:16:37,680

um I've been in the room and there's

372

00:16:43,490 --> 00:16:39,959

talking about people who died that they

373

00:16:47,629 --> 00:16:43,500

didn't know so another one was

374

00:16:49,370 --> 00:16:47,639

um she was very old and her

375

00:16:51,650 --> 00:16:49,380

daughter died the patient's daughter

376

00:16:53,870 --> 00:16:51,660

died and she had other kids and they

377

00:16:56,389 --> 00:16:53,880

decided to not tell her

378

00:16:57,829 --> 00:16:56,399

because they didn't want to upset her

379

00:16:59,269 --> 00:16:57,839

and

380

00:17:01,249 --> 00:16:59,279

um I didn't agree with that that's what

381

00:17:03,789 --> 00:17:01,259

they did and

382

00:17:06,590 --> 00:17:03,799

um when she was seeing these loved ones

383

00:17:10,309 --> 00:17:06,600

that daughter that passed came

384

00:17:12,289 --> 00:17:10,319

and so she said you know she's here and

385

00:17:15,770 --> 00:17:12,299

the other daughter was like no she's

386

00:17:19,610 --> 00:17:15,780

she's not here no no no she's not here

387

00:17:21,530 --> 00:17:19,620

because she's dead and um she's like no

388

00:17:23,270 --> 00:17:21,540

no she is here and I always thought that

389

00:17:25,850 --> 00:17:23,280

that was so

390

00:17:27,829 --> 00:17:25,860

like incredible that she did come and

391

00:17:31,070 --> 00:17:27,839

like see her

392

00:17:33,230 --> 00:17:31,080

and she was she was seeing her

393

00:17:34,850 --> 00:17:33,240

yeah yeah when that I heard that one

394

00:17:37,190 --> 00:17:34,860

story I was very amazed at that

395

00:17:39,169 --> 00:17:37,200

especially because nobody else knew but

396

00:17:42,289 --> 00:17:39,179

the sister who had just arrived and she

397

00:17:44,570 --> 00:17:42,299

was very natural and like oh yeah oh

398

00:17:47,930 --> 00:17:44,580

yeah you know all this how do you think

399

00:17:50,210 --> 00:17:47,940

that no your stories help people because

400

00:17:52,669 --> 00:17:50,220

I know it's one of the comments that you

401  
00:17:54,049 --> 00:17:52,679  
know from Deepak that you know he thinks

402  
00:17:56,630 --> 00:17:54,059  
this is going to help a lot of people

403  
00:17:59,330 --> 00:17:56,640  
hearing you talk about these visions and

404  
00:18:01,310 --> 00:17:59,340  
knowing basically your loved ones aren't

405  
00:18:03,350 --> 00:18:01,320  
alone or that we aren't alone as we're

406  
00:18:05,210 --> 00:18:03,360  
getting ready to pass

407  
00:18:07,549 --> 00:18:05,220  
yeah I mean I think it helps with

408  
00:18:09,409 --> 00:18:07,559  
people's fear of the afterlife but also

409  
00:18:12,110 --> 00:18:09,419  
a lot of comments that kind of surprised

410  
00:18:14,450 --> 00:18:12,120  
me is where people are sharing that um

411  
00:18:16,370 --> 00:18:14,460  
that happened with their loved one and

412  
00:18:18,590 --> 00:18:16,380  
they were like didn't know what was

413  
00:18:20,990 --> 00:18:18,600

happening and

414

00:18:22,970 --> 00:18:21,000

um you know with a lot of patience I'm

415

00:18:24,409 --> 00:18:22,980

the only common denominator there like

416

00:18:25,970 --> 00:18:24,419

the families don't get to go see other

417

00:18:27,830 --> 00:18:25,980

patients and see that it's happening

418

00:18:30,650 --> 00:18:27,840

with other people so they're just

419

00:18:32,630 --> 00:18:30,660

wondering like is my loved one confused

420

00:18:33,950 --> 00:18:32,640

so I think whenever I come and say like

421

00:18:35,630 --> 00:18:33,960

no this is something that happens to

422

00:18:38,090 --> 00:18:35,640

everyone it's very normal I think that

423

00:18:40,190 --> 00:18:38,100

gives like a comfort of like oh they

424

00:18:44,650 --> 00:18:40,200

really were seeing their parents or

425

00:18:50,810 --> 00:18:47,810

have you ever had anyone who's had maybe

426

00:18:53,690 --> 00:18:50,820

a bad Vision who's been afraid like

427

00:18:55,730 --> 00:18:53,700

something that they didn't want

428

00:18:57,350 --> 00:18:55,740

I've had one

429

00:18:59,510 --> 00:18:57,360

um if you want to talk about that that's

430

00:19:02,870 --> 00:18:59,520

fine if you don't that's okay

431

00:19:05,330 --> 00:19:02,880

you know you don't worry I don't want to

432

00:19:06,590 --> 00:19:05,340

talk about that no you know what I don't

433

00:19:09,590 --> 00:19:06,600

mind you know I think it's important

434

00:19:11,450 --> 00:19:09,600

because I did tell the story probably

435

00:19:15,230 --> 00:19:11,460

two and a half years ago on Tick Tock

436

00:19:19,130 --> 00:19:15,240

and it got tons of views and basically

437

00:19:20,510 --> 00:19:19,140

she yelled as she was dying and like she

438

00:19:21,650 --> 00:19:20,520

shouldn't have been medically able to

439

00:19:23,270 --> 00:19:21,660

yell

440

00:19:25,370 --> 00:19:23,280

um after being in a coma for like a week

441

00:19:30,890 --> 00:19:25,380

and

442

00:19:33,409 --> 00:19:30,900

um I was always concerned about what

443

00:19:36,049 --> 00:19:33,419

happened there but you know I wouldn't

444

00:19:37,430 --> 00:19:36,059

tell that story today because like if I

445

00:19:40,549 --> 00:19:37,440

could go back and redo it I wouldn't do

446

00:19:41,630 --> 00:19:40,559

it today because it's I've taken care of

447

00:19:44,150 --> 00:19:41,640

like I said like a thousand people and

448

00:19:46,070 --> 00:19:44,160

it's one person and I don't want people

449

00:19:48,350 --> 00:19:46,080

to think that that's the norm

450

00:19:50,510 --> 00:19:48,360

you know what I mean like I'd rather

451

00:19:52,730 --> 00:19:50,520

tell stories that are more like what the

452

00:19:54,529 --> 00:19:52,740

norm is because I don't want people to

453

00:19:57,049 --> 00:19:54,539

be like afraid to go into the profession

454

00:19:58,430 --> 00:19:57,059

because it's likely that that'll never

455

00:20:00,830 --> 00:19:58,440

happen to you

456

00:20:03,650 --> 00:20:00,840

I just was The Unlucky One in a Million

457

00:20:05,510 --> 00:20:03,660

that that happened exactly yeah it's

458

00:20:08,049 --> 00:20:05,520

it's basically that one in a million

459

00:20:11,330 --> 00:20:08,059

yeah

460

00:20:13,970 --> 00:20:11,340

I know when my when my grandmother when

461

00:20:17,270 --> 00:20:13,980

my grandmother was passing you know she

462

00:20:19,130 --> 00:20:17,280

she had been you know very of like she

463

00:20:22,130 --> 00:20:19,140

had not been a good person and I think

464

00:20:26,690 --> 00:20:22,140

that comes back and she's grandfather

465

00:20:28,490 --> 00:20:26,700

and in the nursing home she she had

466

00:20:31,789 --> 00:20:28,500

basically said you know that you like

467

00:20:35,510 --> 00:20:31,799

they had her in the recreation room

468

00:20:37,909 --> 00:20:35,520

bug to die and my husband's coming for

469

00:20:39,470 --> 00:20:37,919

me and this is kind of like okay that's

470

00:20:42,470 --> 00:20:39,480

enough we're gonna take you back to your

471

00:20:44,150 --> 00:20:42,480

room now yeah and that was that and then

472

00:20:46,330 --> 00:20:44,160

I think about two weeks later she had

473

00:20:48,950 --> 00:20:46,340

passed yeah yeah

474

00:20:52,010 --> 00:20:48,960

one brother and yeah because it was all

475

00:20:53,750 --> 00:20:52,020

documented in the notes yeah but I mean

476

00:20:56,390 --> 00:20:53,760

it was it was just that little outburst

477

00:20:58,130 --> 00:20:56,400

and it was just like oh okay yeah

478

00:21:00,289 --> 00:20:58,140

yeah that's that's why I was wondering

479

00:21:02,990 --> 00:21:00,299

if that was something that was common or

480

00:21:04,510 --> 00:21:03,000

it's in the personality because it seems

481

00:21:08,270 --> 00:21:04,520

like the people

482

00:21:10,190 --> 00:21:08,280

they are very good yeah they're very

483

00:21:11,990 --> 00:21:10,200

good people I mean they seem to have

484

00:21:14,150 --> 00:21:12,000

maybe had some sort of struggle but

485

00:21:16,310 --> 00:21:14,160

they're overall good people

486

00:21:20,029 --> 00:21:16,320

yeah and I like to think you know most

487

00:21:22,730 --> 00:21:20,039

people are you know good people

488

00:21:24,230 --> 00:21:22,740

um I did also say I had another video

489

00:21:26,990 --> 00:21:24,240

recently about that I am a little bit

490

00:21:30,549 --> 00:21:27,000

more proud of that said basically

491

00:21:33,230 --> 00:21:30,559

um where I have had patience try to

492

00:21:35,029 --> 00:21:33,240

guilt-trip their children to talking to

493

00:21:36,890 --> 00:21:35,039

them

494

00:21:39,350 --> 00:21:36,900

um when they've been estranged and be

495

00:21:41,270 --> 00:21:39,360

like hey call is a hospice nurse and say

496

00:21:44,630 --> 00:21:41,280

like I'm on my deathbed and they should

497

00:21:47,690 --> 00:21:44,640

talk to me and I won't do it you know

498

00:21:49,669 --> 00:21:47,700

I'll say you know I'll call them and say

499

00:21:51,890 --> 00:21:49,679

what the situation is but that is

500

00:21:53,450 --> 00:21:51,900

totally up to them like I'm not going to

501  
00:21:55,549 --> 00:21:53,460  
Guilt Trip them and I basically said if

502  
00:21:57,890 --> 00:21:55,559  
you don't want to talk to your parents

503  
00:21:59,930 --> 00:21:57,900  
you you don't have to and I don't think

504  
00:22:01,669 --> 00:21:59,940  
you're a bad person and I said you know

505  
00:22:03,890 --> 00:22:01,679  
I don't think that you owe people who

506  
00:22:06,049 --> 00:22:03,900  
abused you peace

507  
00:22:08,149 --> 00:22:06,059  
but you know I do have people like that

508  
00:22:09,950 --> 00:22:08,159  
that try to Guilt Trip people into

509  
00:22:11,810 --> 00:22:09,960  
talking yeah

510  
00:22:14,330 --> 00:22:11,820  
yeah

511  
00:22:18,230 --> 00:22:14,340  
she she was that type actually to be

512  
00:22:21,529 --> 00:22:18,240  
Honestly though but no I I yeah she a

513  
00:22:24,350 --> 00:22:21,539

lot of people related to it

514

00:22:26,390 --> 00:22:24,360

mm-hmm yeah and and it's it's

515

00:22:27,830 --> 00:22:26,400

interesting it really is because the way

516

00:22:30,710 --> 00:22:27,840

your stories are I mean they do they

517

00:22:33,230 --> 00:22:30,720

give hope and they're very inspirational

518

00:22:35,870 --> 00:22:33,240

and then you like you said you have that

519

00:22:37,750 --> 00:22:35,880

one little corner out of a million

520

00:22:40,310 --> 00:22:37,760

that's just like oh

521

00:22:42,230 --> 00:22:40,320

but no that's that's why I wondered I'm

522

00:22:43,610 --> 00:22:42,240

sure somebody was going to ask that too

523

00:22:45,470 --> 00:22:43,620

so I'm like I'm gonna beat them to the

524

00:22:47,570 --> 00:22:45,480

punch

525

00:22:49,370 --> 00:22:47,580

questions for you

526  
00:22:51,710 --> 00:22:49,380  
laughs

527  
00:22:53,390 --> 00:22:51,720  
so Marlo Trader wants to know is there

528  
00:22:55,990 --> 00:22:53,400  
one experience that has affected you

529  
00:23:00,950 --> 00:22:56,000  
more than the others

530  
00:23:02,390 --> 00:23:00,960  
yeah so a lot have

531  
00:23:04,970 --> 00:23:02,400  
um

532  
00:23:06,770 --> 00:23:04,980  
sometimes I feel you know actually my

533  
00:23:08,690 --> 00:23:06,780  
most one of my most recent videos

534  
00:23:10,610 --> 00:23:08,700  
honestly

535  
00:23:13,310 --> 00:23:10,620  
um affected me a lot which is basically

536  
00:23:15,950 --> 00:23:13,320  
where I have a 12 week old and a

537  
00:23:19,310 --> 00:23:15,960  
three-year-old and I was feeling

538  
00:23:21,350 --> 00:23:19,320

extremely overwhelmed by just domestic

539

00:23:23,149 --> 00:23:21,360

responsibilities lately you know toys

540

00:23:26,930 --> 00:23:23,159

everywhere

541

00:23:28,850 --> 00:23:26,940

um just a house a mess and I got a call

542

00:23:30,230 --> 00:23:28,860

I was going about my day as a nurse and

543

00:23:31,430 --> 00:23:30,240

I got a call from another nurse saying

544

00:23:33,710 --> 00:23:31,440

hey

545

00:23:34,850 --> 00:23:33,720

um I'm across town you're this patient's

546

00:23:36,710 --> 00:23:34,860

right by your house can you please go

547

00:23:38,750 --> 00:23:36,720

see him for me they're like they're one

548

00:23:42,289 --> 00:23:38,760

of our pediatric patients children

549

00:23:43,789 --> 00:23:42,299

patients which I don't normally see and

550

00:23:45,110 --> 00:23:43,799

they definitely didn't have me seeing

551  
00:23:47,810 --> 00:23:45,120  
any of them when I was pregnant of

552  
00:23:50,450 --> 00:23:47,820  
course and um

553  
00:23:52,370 --> 00:23:50,460  
so I was like sure I can go

554  
00:23:54,409 --> 00:23:52,380  
and I show up and basically what's going

555  
00:23:57,350 --> 00:23:54,419  
on is that the parents are concerned

556  
00:23:59,810 --> 00:23:57,360  
because the child is not playing with

557  
00:24:01,010 --> 00:23:59,820  
their toys anymore like they're too

558  
00:24:04,549 --> 00:24:01,020  
tired to get out of bed and play with

559  
00:24:07,310 --> 00:24:04,559  
their toys and for me I was like whoa

560  
00:24:09,230 --> 00:24:07,320  
okay like now I need to take a step back

561  
00:24:10,970 --> 00:24:09,240  
like I could not believe I was

562  
00:24:13,789 --> 00:24:10,980  
complaining about the toys all over the

563  
00:24:16,430 --> 00:24:13,799

house this morning like it's just like

564

00:24:19,610 --> 00:24:16,440

the perspective shift and it made me so

565

00:24:22,549 --> 00:24:19,620

much more grateful honestly

566

00:24:24,770 --> 00:24:22,559

yeah I I have a four-year-old so I can

567

00:24:27,230 --> 00:24:24,780

relate to that yeah and it's

568

00:24:30,350 --> 00:24:27,240

heartbreaking you know but

569

00:24:32,750 --> 00:24:30,360

yeah I do I mean I like I I was even

570

00:24:35,570 --> 00:24:32,760

complaining today actually about his

571

00:24:38,330 --> 00:24:35,580

stuff everywhere so because I stepped on

572

00:24:40,730 --> 00:24:38,340

something but and I get it and that I

573

00:24:42,409 --> 00:24:40,740

couldn't imagine this I feel bad for

574

00:24:44,450 --> 00:24:42,419

them I really do

575

00:24:52,490 --> 00:24:44,460

how do you take it and it's hard do you

576

00:24:57,590 --> 00:24:55,430

yeah is that your first okay I was going

577

00:24:59,450 --> 00:24:57,600

to ask if you had others and if you know

578

00:25:01,010 --> 00:24:59,460

they had had any Visions or anything

579

00:25:02,930 --> 00:25:01,020

that you know of

580

00:25:04,370 --> 00:25:02,940

yeah usually

581

00:25:07,430 --> 00:25:04,380

um what companies will do they'll train

582

00:25:10,070 --> 00:25:07,440

one person in it and they'll be like the

583

00:25:11,690 --> 00:25:10,080

Pediatric person and then we're just

584

00:25:12,770 --> 00:25:11,700

kind of there to help in case they get

585

00:25:13,789 --> 00:25:12,780

busy

586

00:25:16,370 --> 00:25:13,799

um so that's actually been the first

587

00:25:18,950 --> 00:25:16,380

time I've ever actually had to help so

588

00:25:20,450 --> 00:25:18,960

but I was telling my husband that I feel

589

00:25:22,789 --> 00:25:20,460

like I might need to start getting some

590

00:25:25,310 --> 00:25:22,799

training in it and helping because they

591

00:25:26,810 --> 00:25:25,320

they deserve you know they deserve just

592

00:25:28,909 --> 00:25:26,820

as much care as everyone else does even

593

00:25:32,390 --> 00:25:28,919

though it's hard to see

594

00:25:34,730 --> 00:25:32,400

yeah yeah I I totally agree and it takes

595

00:25:36,769 --> 00:25:34,740

a strong person to be able to work with

596

00:25:38,930 --> 00:25:36,779

the Pediatric kids especially towards

597

00:25:41,750 --> 00:25:38,940

the end like that so I give you a lot of

598

00:25:44,510 --> 00:25:41,760

credit for that thank you Vincent wants

599

00:25:47,090 --> 00:25:44,520

to know have you seen have you seen any

600

00:25:49,250 --> 00:25:47,100

paranormal activity at work does it

601  
00:25:52,070 --> 00:25:49,260  
follow you home

602  
00:25:53,750 --> 00:25:52,080  
yeah so I feel like it does I feel like

603  
00:25:56,690 --> 00:25:53,760  
it's more of like an energy thing

604  
00:25:58,190 --> 00:25:56,700  
sometimes where you can like feel

605  
00:26:00,110 --> 00:25:58,200  
um I should just describe and see

606  
00:26:02,990 --> 00:26:00,120  
someone the other day that sometimes you

607  
00:26:04,130 --> 00:26:03,000  
feel like someone's with you like you

608  
00:26:05,870 --> 00:26:04,140  
know how whenever you just like

609  
00:26:07,610 --> 00:26:05,880  
comfortably sitting in like a living

610  
00:26:08,690 --> 00:26:07,620  
room with someone and like you or not

611  
00:26:10,970 --> 00:26:08,700  
talking because you're both on your

612  
00:26:12,890 --> 00:26:10,980  
phones but like they're there it like

613  
00:26:14,630 --> 00:26:12,900

almost is like that feeling of like

614

00:26:17,930 --> 00:26:14,640

someone else being in the room with you

615

00:26:19,610 --> 00:26:17,940

and whenever I have those experiences

616

00:26:22,070 --> 00:26:19,620

where someone's seeing their deceased

617

00:26:23,510 --> 00:26:22,080

loved one I'll feel that a lot of times

618

00:26:25,130 --> 00:26:23,520

I feel like I'll like leave my car and

619

00:26:26,510 --> 00:26:25,140

I'll feel like someone in the passenger

620

00:26:28,370 --> 00:26:26,520

seat

621

00:26:29,870 --> 00:26:28,380

um with me

622

00:26:32,649 --> 00:26:29,880

um but

623

00:26:36,169 --> 00:26:32,659

there's like multiple

624

00:26:37,610 --> 00:26:36,179

times that I will wake up in the middle

625

00:26:39,529 --> 00:26:37,620

of night and I will know someone has

626  
00:26:42,590 --> 00:26:39,539  
passed

627  
00:26:44,510 --> 00:26:42,600  
um and I don't know how I know that but

628  
00:26:47,510 --> 00:26:44,520  
I'll go check it the next day and I'll

629  
00:26:49,430 --> 00:26:47,520  
be within you know 10 minutes so

630  
00:26:53,710 --> 00:26:49,440  
and that that's happened a few times

631  
00:26:58,370 --> 00:26:56,210  
is it do you think it's because you were

632  
00:27:00,169 --> 00:26:58,380  
close to that patient or do you just

633  
00:27:02,390 --> 00:27:00,179  
think it was instinct

634  
00:27:03,230 --> 00:27:02,400  
every single time I've been close to the

635  
00:27:04,909 --> 00:27:03,240  
patient

636  
00:27:07,430 --> 00:27:04,919  
you know it's never been someone that I

637  
00:27:08,750 --> 00:27:07,440  
like had just met so maybe it was like a

638  
00:27:16,070 --> 00:27:08,760

goodbye

639

00:27:20,750 --> 00:27:18,169

yeah yeah I I think that as well because

640

00:27:22,490 --> 00:27:20,760

that's what it would sound like to me

641

00:27:25,130 --> 00:27:22,500

um Vincent okay that was already we

642

00:27:27,110 --> 00:27:25,140

gotta get that one off there uh

643

00:27:29,690 --> 00:27:27,120

let's see I'm not gonna butcher this

644

00:27:32,409 --> 00:27:29,700

name have you had any experiences with

645

00:27:36,289 --> 00:27:35,450

you know I don't know if

646

00:27:38,930 --> 00:27:36,299

um

647

00:27:42,169 --> 00:27:38,940

Angels is what you know they would be

648

00:27:44,870 --> 00:27:42,179

called but more of like a guardian

649

00:27:46,250 --> 00:27:44,880

um kind of thing

650

00:27:48,409 --> 00:27:46,260

um

651  
00:27:51,890 --> 00:27:48,419  
I feel like there's been some instances

652  
00:27:54,230 --> 00:27:51,900  
where I had been like they've been my

653  
00:27:56,090 --> 00:27:54,240  
angels like my past patients

654  
00:27:58,789 --> 00:27:56,100  
um there was an instance a couple years

655  
00:28:03,769 --> 00:27:58,799  
ago uh where it's almost like things

656  
00:28:05,450 --> 00:28:03,779  
just align too odd so we um we had gone

657  
00:28:07,070 --> 00:28:05,460  
to Florida for the weekend we live near

658  
00:28:09,710 --> 00:28:07,080  
New Orleans so like a couple hours away

659  
00:28:13,190 --> 00:28:09,720  
to visit in-laws we get back to our

660  
00:28:15,409 --> 00:28:13,200  
house and we're like oh the house smells

661  
00:28:16,850 --> 00:28:15,419  
terrible we must have forgotten to take

662  
00:28:21,230 --> 00:28:16,860  
the trash out before we left for the

663  
00:28:23,870 --> 00:28:21,240

weekend so we take the trash out we go

664

00:28:26,269 --> 00:28:23,880

to the grocery store it's like a Sunday

665

00:28:29,210 --> 00:28:26,279

night and

666

00:28:31,010 --> 00:28:29,220

um I kept walking past this frozen pizza

667

00:28:32,750 --> 00:28:31,020

aisle and this patient that I had that

668

00:28:35,090 --> 00:28:32,760

would eat these frozen pizzas all the

669

00:28:38,149 --> 00:28:35,100

time I like could not get it off my mind

670

00:28:39,890 --> 00:28:38,159

to get this frozen pizza so I it sounds

671

00:28:41,750 --> 00:28:39,900

so silly but I was like okay I'm gonna

672

00:28:42,950 --> 00:28:41,760

try these frozen pizzas that you would

673

00:28:47,149 --> 00:28:42,960

always eat so I put it in my cart we

674

00:28:50,450 --> 00:28:47,159

keep going yeah and the pizza place that

675

00:28:52,549 --> 00:28:50,460

we always call to like to get actual

676

00:28:54,289 --> 00:28:52,559

like delivered Pizza would not pick up

677

00:28:56,690 --> 00:28:54,299

the phone so I was like you know what

678

00:28:59,570 --> 00:28:56,700

great I just picked up this frozen pizza

679

00:29:01,370 --> 00:28:59,580

so let's put it in the oven okay it just

680

00:29:03,529 --> 00:29:01,380

works forever that's what it was

681

00:29:06,470 --> 00:29:03,539

supposed to do so

682

00:29:08,390 --> 00:29:06,480

um I start breeding the oven and

683

00:29:11,630 --> 00:29:08,400

um it caught on fire the entire oven

684

00:29:14,510 --> 00:29:11,640

caught on fire and we had to call the

685

00:29:17,269 --> 00:29:14,520

fire department and um put it out I mean

686

00:29:20,389 --> 00:29:17,279

like the whole kitchen was ruined

687

00:29:23,330 --> 00:29:20,399

um and they later determined that that

688

00:29:25,310 --> 00:29:23,340

it was a gas leak and that smell that we

689

00:29:26,330 --> 00:29:25,320

had smelled was the gas leaking that we

690

00:29:27,649 --> 00:29:26,340

had thought that we had forgotten to

691

00:29:30,950 --> 00:29:27,659

take out the trash

692

00:29:32,570 --> 00:29:30,960

and if we had not started the oven that

693

00:29:35,029 --> 00:29:32,580

night they said we probably would have

694

00:29:37,630 --> 00:29:35,039

all died in our sleep

695

00:29:40,909 --> 00:29:37,640

so I was like oh wow

696

00:29:44,450 --> 00:29:40,919

over me like everything had to align for

697

00:29:49,970 --> 00:29:46,850

exactly and someone probably was

698

00:29:52,130 --> 00:29:49,980

watching over you oh my God yes

699

00:29:54,889 --> 00:29:52,140

um Marla wants to know have you ever

700

00:29:59,990 --> 00:29:54,899

felt that any of your patients have

701  
00:30:05,210 --> 00:30:02,029  
um yeah I think one patient comes and

702  
00:30:07,730 --> 00:30:05,220  
sees me as a bluebird

703  
00:30:09,230 --> 00:30:07,740  
um he had a blue bird that was always

704  
00:30:11,630 --> 00:30:09,240  
outside of his house like it lived in

705  
00:30:13,970 --> 00:30:11,640  
the tree outside of its house I think

706  
00:30:16,970 --> 00:30:13,980  
that would always like stare at me while

707  
00:30:19,490 --> 00:30:16,980  
I was charting and then it like flew

708  
00:30:21,830 --> 00:30:19,500  
alongside him as the funeral home took

709  
00:30:25,610 --> 00:30:21,840  
him out of his house

710  
00:30:27,110 --> 00:30:25,620  
um and then he's in my book and there

711  
00:30:29,810 --> 00:30:27,120  
was a time when I was writing my book

712  
00:30:31,549 --> 00:30:29,820  
that I was like kind of having a little

713  
00:30:33,590 --> 00:30:31,559

pan attack like am I doing these people

714

00:30:36,830 --> 00:30:33,600

Justice like am I doing their stories

715

00:30:38,330 --> 00:30:36,840

Justice and I

716

00:30:40,310 --> 00:30:38,340

um went outside like a couple hours

717

00:30:41,750 --> 00:30:40,320

later and a bluebird came and like

718

00:30:45,169 --> 00:30:41,760

landed by me

719

00:30:47,090 --> 00:30:45,179

and I was like oh hey okay like are you

720

00:30:49,669 --> 00:30:47,100

okay with things like I kind of talked

721

00:30:53,269 --> 00:30:49,679

to it and I feel like he comes and sees

722

00:30:57,710 --> 00:30:55,909

oh that's wonderful and I we put your

723

00:31:07,870 --> 00:30:57,720

Tick Tock up there for

724

00:31:16,190 --> 00:31:11,570

check it out I honestly think you do and

725

00:31:16,200 --> 00:31:19,909

you broke up for a second

726

00:31:24,169 --> 00:31:21,769

I

727

00:31:27,289 --> 00:31:24,179

sorry because everything froze on my end

728

00:31:29,029 --> 00:31:27,299

I'm sorry um I will love everyone yeah I

729

00:31:31,130 --> 00:31:29,039

will let everyone know too that like

730

00:31:33,409 --> 00:31:31,140

with the with the cold and everything my

731

00:31:36,110 --> 00:31:33,419

Internet is just awful so if I do freeze

732

00:31:36,769 --> 00:31:36,120

or pause that's the reason tonight

733

00:31:39,169 --> 00:31:36,779

um

734

00:31:41,149 --> 00:31:39,179

so like I said we put your Tick Tock up

735

00:31:43,549 --> 00:31:41,159

there and for everyone to go check it

736

00:31:45,649 --> 00:31:43,559

out and if they do they're going to need

737

00:31:48,350 --> 00:31:45,659

tissues because you do your patients

738

00:31:52,909 --> 00:31:48,360

more than Justice I mean they're they're

739

00:31:54,850 --> 00:31:52,919

amazing this Tick Tock so thank you uh

740

00:31:59,389 --> 00:31:54,860

let's you're welcome

741

00:32:01,669 --> 00:31:59,399

let's see uh good still I think you're

742

00:32:04,250 --> 00:32:01,679

very brave or he says you're very brave

743

00:32:05,690 --> 00:32:04,260

for what you do and what you're doing in

744

00:32:10,250 --> 00:32:05,700

wonderful service

745

00:32:10,260 --> 00:32:15,970

foreign

746

00:32:21,289 --> 00:32:18,529

Nancy says have you ever seen any ghosts

747

00:32:24,049 --> 00:32:21,299

that have come back to help any dying

748

00:32:27,649 --> 00:32:24,059

person pass on which

749

00:32:31,310 --> 00:32:27,659

yeah all the time I think yeah a lot of

750

00:32:33,230 --> 00:32:31,320

people will have oh you have okay well I

751

00:32:33,889 --> 00:32:33,240

mean I would say that

752

00:32:36,409 --> 00:32:33,899

um

753

00:32:39,110 --> 00:32:36,419

there to see family members come and I

754

00:32:42,350 --> 00:32:39,120

have had one patient where I

755

00:32:45,710 --> 00:32:42,360

took care of him and then I took care of

756

00:32:48,470 --> 00:32:45,720

his wife like six months later and she

757

00:32:50,090 --> 00:32:48,480

saw him so I was like oh hey hey Mr

758

00:32:54,049 --> 00:32:50,100

Smith

759

00:32:56,029 --> 00:32:54,059

you can hear me have you seen

760

00:32:57,730 --> 00:32:56,039

have you seen any of them physically

761

00:33:00,830 --> 00:32:57,740

though

762

00:33:03,590 --> 00:33:00,840

no I've not seen any they always just

763

00:33:08,510 --> 00:33:04,970

yeah

764

00:33:09,049 --> 00:33:08,520

I can't see him unfortunately I

765

00:33:11,930 --> 00:33:09,059

um

766

00:33:15,169 --> 00:33:11,940

I did hear actually from one of my

767

00:33:17,509 --> 00:33:15,179

co-workers though and you've uh

768

00:33:19,970 --> 00:33:17,519

we'll read

769

00:33:21,169 --> 00:33:19,980

I was saying one of my co-workers who

770

00:33:23,750 --> 00:33:21,179

has been a hospice nurse much much

771

00:33:27,350 --> 00:33:23,760

longer than me used to work at a

772

00:33:29,630 --> 00:33:27,360

different company and she said that one

773

00:33:31,669 --> 00:33:29,640

of her hospice nurse co-workers so

774

00:33:32,570 --> 00:33:31,679

someone I did not know

775

00:33:35,870 --> 00:33:32,580

um

776

00:33:37,250 --> 00:33:35,880

saw one of these deceased loved ones and

777

00:33:38,690 --> 00:33:37,260

she came back to the office and was like

778

00:33:40,389 --> 00:33:38,700

they were saying that they were seeing

779

00:33:42,950 --> 00:33:40,399

deceased loved ones and I saw them too

780

00:33:46,070 --> 00:33:42,960

and she like randomly got pneumonia and

781

00:33:46,080 --> 00:33:51,430

the hospitals yes

782

00:33:56,450 --> 00:33:53,630

told me

783

00:33:58,669 --> 00:33:56,460

oh wow hopefully hopefully maybe that's

784

00:34:00,409 --> 00:33:58,679

just a story is that is that maybe just

785

00:34:02,149 --> 00:34:00,419

a story or is that true

786

00:34:03,529 --> 00:34:02,159

no I'm pretty sure it's true just

787

00:34:05,690 --> 00:34:03,539

knowing her she's like one of those

788

00:34:07,850 --> 00:34:05,700

people you know those people who just

789

00:34:09,109 --> 00:34:07,860

like say really shocking things like

790

00:34:12,230 --> 00:34:09,119

it's just like they're talking about

791

00:34:16,369 --> 00:34:12,240

like their favorite flavor of chips

792

00:34:18,889 --> 00:34:16,379

and like yeah I was response yeah yeah

793

00:34:22,570 --> 00:34:18,899

she's one of those people so like I

794

00:34:25,430 --> 00:34:22,580

don't think that she was like kidding

795

00:34:26,750 --> 00:34:25,440

just me

796

00:34:28,190 --> 00:34:26,760

you know who I'm talking you know what

797

00:34:35,930 --> 00:34:28,200

I'm talking about yeah she's one of

798

00:34:41,030 --> 00:34:38,750

sorry I froze again oh no you're fine

799

00:34:42,109 --> 00:34:41,040

but yeah that's that's scary that really

800

00:34:45,589 --> 00:34:42,119

is

801  
00:34:46,790 --> 00:34:45,599  
yeah yeah so she yeah she's so she like

802  
00:34:49,010 --> 00:34:46,800  
totally believes in it because she's

803  
00:34:53,210 --> 00:34:49,020  
like oh she started seeing people too

804  
00:34:58,390 --> 00:34:55,550  
and you have to wonder if she wasn't on

805  
00:35:00,890 --> 00:34:58,400  
like the brink of you know

806  
00:35:02,510 --> 00:35:00,900  
like the illness came but she was on the

807  
00:35:03,410 --> 00:35:02,520  
rink and that's why she was able to see

808  
00:35:07,010 --> 00:35:03,420  
them

809  
00:35:11,930 --> 00:35:10,190  
yeah absolutely yeah no one knew and

810  
00:35:14,329 --> 00:35:11,940  
from what I understand actually they

811  
00:35:15,770 --> 00:35:14,339  
like she just didn't show up to work and

812  
00:35:17,270 --> 00:35:15,780  
after a couple days they called for a

813  
00:35:21,609 --> 00:35:17,280

wellness check and she had like passed

814

00:35:25,910 --> 00:35:24,710

oh my goodness wow and that's how they

815

00:35:29,990 --> 00:35:25,920

found out

816

00:35:32,089 --> 00:35:30,000

yeah see my mom my mom had passed

817

00:35:34,370 --> 00:35:32,099

suddenly but before that she kept saying

818

00:35:35,630 --> 00:35:34,380

to me she's like dude you don't we

819

00:35:37,849 --> 00:35:35,640

didn't keep the hall light on she was

820

00:35:40,970 --> 00:35:37,859

like I keep seeing this like bright

821

00:35:43,130 --> 00:35:40,980

circular flash of light in the hall

822

00:35:44,870 --> 00:35:43,140

and I really like him like maybe it's

823

00:35:46,849 --> 00:35:44,880

yeah I'm just like maybe it's a car

824

00:35:48,589 --> 00:35:46,859

light maybe you know I was trying to

825

00:35:50,810 --> 00:35:48,599

like think of something because she

826

00:35:53,450 --> 00:35:50,820

seemed in perfect health and she's like

827

00:35:55,370 --> 00:35:53,460

no it's it's like a flashing I mean she

828

00:35:57,890 --> 00:35:55,380

she looked like she was afraid not much

829

00:36:00,650 --> 00:35:57,900

scared her I mean she was she was a

830

00:36:03,710 --> 00:36:00,660

cardiac a critical care cardiac nurse

831

00:36:06,770 --> 00:36:03,720

yeah nothing scared her and she's like I

832

00:36:08,630 --> 00:36:06,780

I saw something and like yeah it's okay

833

00:36:11,089 --> 00:36:08,640

just ignore it it's whatever it is it's

834

00:36:13,310 --> 00:36:11,099

fine you know and before she had passed

835

00:36:15,589 --> 00:36:13,320

her dog had passed

836

00:36:18,470 --> 00:36:15,599

so and then she had passed suddenly

837

00:36:20,930 --> 00:36:18,480

after that it was like I said you wonder

838

00:36:22,609 --> 00:36:20,940

if like that nurse seeing somebody and

839

00:36:24,650 --> 00:36:22,619

then my mom saying you have to wonder if

840

00:36:27,170 --> 00:36:24,660

that's you know all connected

841

00:36:28,910 --> 00:36:27,180

yeah absolutely

842

00:36:31,310 --> 00:36:28,920

yeah

843

00:36:35,150 --> 00:36:31,320

so what

844

00:36:37,550 --> 00:36:35,160

what would you say to somebody who their

845

00:36:38,930 --> 00:36:37,560

loved one is saying these you know these

846

00:36:40,609 --> 00:36:38,940

visions and they're just thinking maybe

847

00:36:42,530 --> 00:36:40,619

we should medicate them they're pushing

848

00:36:44,569 --> 00:36:42,540

to medicate them

849

00:36:46,730 --> 00:36:44,579

yeah so we have

850

00:36:48,609 --> 00:36:46,740

um this book it's I've called the little

851  
00:36:51,170 --> 00:36:48,619  
blue book it's called Gone From My Sight

852  
00:36:53,390 --> 00:36:51,180  
and every company I've worked for has

853  
00:36:56,329 --> 00:36:53,400  
this book and

854  
00:36:58,910 --> 00:36:56,339  
um it describes it in this book as being

855  
00:37:01,010 --> 00:36:58,920  
very normal so I'll always pull out this

856  
00:37:03,109 --> 00:37:01,020  
book and say like you know it's not just

857  
00:37:05,510 --> 00:37:03,119  
me saying this like here's an official

858  
00:37:08,630 --> 00:37:05,520  
book it's like a thin book you know it

859  
00:37:10,490 --> 00:37:08,640  
has like kind of the pages of things and

860  
00:37:12,430 --> 00:37:10,500  
it'll say you know scene to see loved

861  
00:37:14,030 --> 00:37:12,440  
ones is normal

862  
00:37:15,770 --> 00:37:14,040  
and

863  
00:37:17,870 --> 00:37:15,780

um you know basically what we think of

864

00:37:20,089 --> 00:37:17,880

it is that you have one foot here and

865

00:37:22,790 --> 00:37:20,099

one foot over there

866

00:37:24,849 --> 00:37:22,800

and so you can start seeing things that

867

00:37:27,470 --> 00:37:24,859

we can't

868

00:37:30,410 --> 00:37:27,480

and that is like the actual scientific

869

00:37:34,609 --> 00:37:30,420

book we have and we have no explanation

870

00:37:38,569 --> 00:37:36,710

there's actually a doctor who had

871

00:37:40,990 --> 00:37:38,579

actually done the study on it I think it

872

00:37:43,910 --> 00:37:41,000

was he he ran a hospice

873

00:37:46,910 --> 00:37:43,920

uh practice or so I can't remember his

874

00:37:50,750 --> 00:37:46,920

name but he he had done a scientific

875

00:37:53,450 --> 00:37:50,760

study on it everything I remember his

876

00:37:55,250 --> 00:37:53,460

name off the top of my head

877

00:37:58,609 --> 00:37:55,260

I don't know if you

878

00:38:04,970 --> 00:37:58,619

no I mean he wrote a book and everything

879

00:38:10,849 --> 00:38:08,089

go ahead no no no I thought I thought

880

00:38:22,609 --> 00:38:10,859

you froze no I just was I wanted to hear

881

00:38:27,230 --> 00:38:24,770

are you there I think you froze for a

882

00:38:31,790 --> 00:38:27,240

second I think we're back okay so we're

883

00:38:33,710 --> 00:38:31,800

good sorry yeah yeah I'm so sorry Oh no

884

00:38:36,050 --> 00:38:33,720

you're fine I saw the one where they

885

00:38:37,609 --> 00:38:36,060

yeah he'd written a book on it and

886

00:38:42,349 --> 00:38:37,619

everything yeah

887

00:38:45,410 --> 00:38:43,550

yeah

888

00:38:47,990 --> 00:38:45,420

11

889

00:38:50,329 --> 00:38:48,000

forget I have it on my audible wish list

890

00:38:51,770 --> 00:38:50,339

to like get it eventually but I just I

891

00:38:55,250 --> 00:38:51,780

forget his name

892

00:38:56,990 --> 00:38:55,260

off the top of my head uh Marla asks

893

00:38:59,630 --> 00:38:57,000

have you had any patience to describe

894

00:39:02,270 --> 00:38:59,640

the light before they pass

895

00:39:05,270 --> 00:39:02,280

I have not actually

896

00:39:07,730 --> 00:39:05,280

I know that that said your mom saw it

897

00:39:10,250 --> 00:39:07,740

too I have not had any patients say that

898

00:39:13,609 --> 00:39:10,260

that means never happened they've just

899

00:39:17,690 --> 00:39:13,619

never you know said it to me

900

00:39:23,150 --> 00:39:20,870

so that yeah now do you your personal

901  
00:39:25,730 --> 00:39:23,160  
opinion what what do you think happens

902  
00:39:27,770 --> 00:39:25,740  
do you do you think they like you know

903  
00:39:30,050 --> 00:39:27,780  
the visitations they stay with them till

904  
00:39:31,730 --> 00:39:30,060  
the very end to escort them wherever

905  
00:39:33,349 --> 00:39:31,740  
they're going or do you think they go

906  
00:39:34,849 --> 00:39:33,359  
into some kind of light just your

907  
00:39:36,950 --> 00:39:34,859  
personal opinion

908  
00:39:38,630 --> 00:39:36,960  
I think that they say because I've had

909  
00:39:40,849 --> 00:39:38,640  
two patients tell me that their loved

910  
00:39:43,790 --> 00:39:40,859  
one said that they are gonna stay

911  
00:39:47,030 --> 00:39:43,800  
the whole time so most of our patients

912  
00:39:48,410 --> 00:39:47,040  
at the last day or two will be in like a

913  
00:39:50,510 --> 00:39:48,420

coma

914

00:39:53,450 --> 00:39:50,520

um so we can't we don't know what

915

00:39:56,690 --> 00:39:53,460

they're seeing or doing anymore

916

00:39:59,089 --> 00:39:56,700

um so before that though I've had

917

00:40:00,530 --> 00:39:59,099

multiple patients tell me that their

918

00:40:02,450 --> 00:40:00,540

loved one says they're going to stay

919

00:40:05,089 --> 00:40:02,460

they're going to be there

920

00:40:08,569 --> 00:40:05,099

until then and I had one patient who

921

00:40:10,550 --> 00:40:08,579

like her sister was there and then she

922

00:40:11,870 --> 00:40:10,560

took a nap and I was there that whole

923

00:40:14,870 --> 00:40:11,880

time and then when she woke up she was

924

00:40:16,849 --> 00:40:14,880

like oh my sister's still here and I was

925

00:40:19,550 --> 00:40:16,859

like oh yeah she's staying she's like

926  
00:40:22,069 --> 00:40:19,560  
yeah she said she's gonna stay until we

927  
00:40:23,210 --> 00:40:22,079  
leave and I was like okay like she says

928  
00:40:26,450 --> 00:40:23,220  
it like

929  
00:40:28,550 --> 00:40:26,460  
like she's just you know whatever

930  
00:40:31,490 --> 00:40:28,560  
you should always amazes me very

931  
00:40:33,170 --> 00:40:31,500  
nonchalantly yeah

932  
00:40:35,630 --> 00:40:33,180  
yeah now

933  
00:40:38,569 --> 00:40:35,640  
do you stay in the room with them when

934  
00:40:40,310 --> 00:40:38,579  
you're waiting basically you do

935  
00:40:41,630 --> 00:40:40,320  
so you're they're the in almost the

936  
00:40:45,050 --> 00:40:41,640  
entire time

937  
00:40:47,329 --> 00:40:45,060  
so what we normally do is it just kind

938  
00:40:49,069 --> 00:40:47,339

of depends on what's going on we can do

939

00:40:51,710 --> 00:40:49,079

something called Continuous Care which

940

00:40:53,630 --> 00:40:51,720

is like yappy in there all the time if

941

00:40:55,970 --> 00:40:53,640

they're having like a pain you know

942

00:40:57,410 --> 00:40:55,980

things that we need to help with

943

00:40:58,730 --> 00:40:57,420

um but if they're under control and

944

00:41:04,750 --> 00:40:58,740

they're fine we usually come for about

945

00:41:10,190 --> 00:41:07,310

what is your favorite story out of your

946

00:41:16,250 --> 00:41:13,190

um that's hard you know the reason it's

947

00:41:18,230 --> 00:41:16,260

hard is because you know I've had so

948

00:41:20,450 --> 00:41:18,240

many people at the Publishing House read

949

00:41:21,109 --> 00:41:20,460

it and

950

00:41:23,750 --> 00:41:21,119

um

951  
00:41:25,069 --> 00:41:23,760  
it seems like everyone takes away like

952  
00:41:26,990 --> 00:41:25,079  
everyone has a different favorite

953  
00:41:30,890 --> 00:41:27,000  
because everyone has like something

954  
00:41:33,710 --> 00:41:30,900  
different to take away from it

955  
00:41:36,530 --> 00:41:33,720  
um my favorite is the one I was telling

956  
00:41:38,810 --> 00:41:36,540  
you about with the daughter who drowned

957  
00:41:40,550 --> 00:41:38,820  
just because that's my favorite patient

958  
00:41:43,550 --> 00:41:40,560  
ever

959  
00:41:46,970 --> 00:41:43,560  
um he was like a grandfather to me

960  
00:41:47,810 --> 00:41:46,980  
whenever I didn't have that figure in my

961  
00:41:50,569 --> 00:41:47,820  
life

962  
00:41:52,430 --> 00:41:50,579  
so you know he's just my favorite person

963  
00:41:55,069 --> 00:41:52,440

ever

964

00:41:56,870 --> 00:41:55,079

um so that one the one where he had lost

965

00:41:58,010 --> 00:41:56,880

his toddler and she came back and got

966

00:42:01,130 --> 00:41:58,020

him and they were playing hide and seek

967

00:42:02,750 --> 00:42:01,140

is my favorite but it's very interesting

968

00:42:04,069 --> 00:42:02,760

to hear everyone's feedback and that

969

00:42:08,630 --> 00:42:04,079

everyone relates to a different story

970

00:42:15,950 --> 00:42:12,710

yeah yeah no I agree what made you want

971

00:42:17,510 --> 00:42:15,960

to bring besides you know wanting people

972

00:42:19,730 --> 00:42:17,520

to be more comfortable with death and

973

00:42:22,490 --> 00:42:19,740

everything what made you want to do the

974

00:42:27,790 --> 00:42:22,500

tick tocks and want to you know put your

975

00:42:33,710 --> 00:42:30,890

at times ridicule or some someone's like

976

00:42:36,470 --> 00:42:33,720

you know maybe this isn't true

977

00:42:39,470 --> 00:42:36,480

yeah oh yeah all the time

978

00:42:41,630 --> 00:42:39,480

um and I'm used to it by now but uh Tick

979

00:42:43,250 --> 00:42:41,640

Tock was an accident

980

00:42:46,250 --> 00:42:43,260

um I actually was looking for a video

981

00:42:48,770 --> 00:42:46,260

editor and so Tick Tock was the first

982

00:42:50,030 --> 00:42:48,780

thing three years ago that popped up and

983

00:42:51,710 --> 00:42:50,040

then like you just like go through the

984

00:42:53,870 --> 00:42:51,720

steps and then it saved you used to save

985

00:42:55,430 --> 00:42:53,880

to your phone when you posted it like

986

00:42:57,349 --> 00:42:55,440

that was the only way to save it was to

987

00:42:58,790 --> 00:42:57,359

post it so I just like went through it

988

00:43:01,730 --> 00:42:58,800

because I was gonna do a video on our

989

00:43:03,650 --> 00:43:01,740

like personal private Facebook pages and

990

00:43:05,329 --> 00:43:03,660

so I did that and then like the next

991

00:43:06,410 --> 00:43:05,339

morning I woke up to like two million

992

00:43:09,349 --> 00:43:06,420

views

993

00:43:11,270 --> 00:43:09,359

and I was like oh my gosh this is insane

994

00:43:14,030 --> 00:43:11,280

oh wow everyone in the comments was like

995

00:43:15,470 --> 00:43:14,040

what kind of nurse are you and so I

996

00:43:17,809 --> 00:43:15,480

ignored them for a little bit because I

997

00:43:22,130 --> 00:43:17,819

was used to people just being like Oh

998

00:43:24,770 --> 00:43:22,140

off the complaint you know and

999

00:43:26,450 --> 00:43:24,780

um so finally I was like okay I'm a

1000

00:43:28,089 --> 00:43:26,460

hospice nurse and like I think I have

1001

00:43:31,130 --> 00:43:28,099

cool stories if y'all want to hear them

1002

00:43:33,950 --> 00:43:31,140

and I was like probably No One's Gonna

1003

00:43:36,230 --> 00:43:33,960

want to and the amount of comments that

1004

00:43:38,750 --> 00:43:36,240

I got where people were like I lost my

1005

00:43:40,609 --> 00:43:38,760

mom or I lost my dad like please talk to

1006

00:43:42,170 --> 00:43:40,619

us like no one wants to talk about it

1007

00:43:44,329 --> 00:43:42,180

like none of my friends want to talk

1008

00:43:46,849 --> 00:43:44,339

about this like I want a place to go to

1009

00:43:48,650 --> 00:43:46,859

be able to talk about this and so I was

1010

00:43:52,190 --> 00:43:48,660

like okay

1011

00:43:54,829 --> 00:43:52,200

and then it's just kind of been you know

1012

00:43:57,530 --> 00:43:54,839

it's been throughout that but I would

1013

00:44:01,010 --> 00:43:57,540

say that 99 of the comments are positive

1014

00:44:02,690 --> 00:44:01,020

so I'm like you know as long as more

1015

00:44:06,650 --> 00:44:02,700

more of them are positive than negative

1016

00:44:09,170 --> 00:44:06,660

then I'm doing something right exactly

1017

00:44:11,510 --> 00:44:09,180

yeah like I like what Vince has said

1018

00:44:13,609 --> 00:44:11,520

like a safe yeah so for grieving yeah

1019

00:44:15,530 --> 00:44:13,619

exactly and that's that's what kind of

1020

00:44:17,990 --> 00:44:15,540

like I that caught my attention about

1021

00:44:19,910 --> 00:44:18,000

your tick tocks like you know that you

1022

00:44:21,950 --> 00:44:19,920

were basically doing that you were

1023

00:44:24,230 --> 00:44:21,960

giving people like showing them that

1024

00:44:25,849 --> 00:44:24,240

there is hope but you're also showing

1025

00:44:28,550 --> 00:44:25,859

them that you know it's okay to be sad

1026

00:44:30,290 --> 00:44:28,560

it's okay if you're not you know you

1027

00:44:32,870 --> 00:44:30,300

don't want Grandma to go or you don't

1028

00:44:35,569 --> 00:44:32,880

want you know your uncle to go and pass

1029

00:44:38,390 --> 00:44:35,579

on but they are going with their family

1030

00:44:40,849 --> 00:44:38,400

or their pet or something and that's

1031

00:44:43,250 --> 00:44:40,859

comforting that really is you know that

1032

00:44:45,770 --> 00:44:43,260

yeah that helps the grieving process

1033

00:44:49,190 --> 00:44:45,780

so yeah that is really good

1034

00:44:50,690 --> 00:44:49,200

yeah and so one of your tick tocks you

1035

00:44:53,470 --> 00:44:50,700

had talked about

1036

00:44:57,050 --> 00:44:53,480

um I believe I hope I don't watch this

1037

00:44:59,809 --> 00:44:57,060

that uh I believe one of your patients

1038

00:45:02,210 --> 00:44:59,819

wasn't able to have their loved ones

1039

00:45:03,589 --> 00:45:02,220

stay with them

1040

00:45:05,690 --> 00:45:03,599

trying to think of which one that would

1041

00:45:08,510 --> 00:45:05,700

be and that led you to wanting to start

1042

00:45:09,849 --> 00:45:08,520

yes start wanting to start your

1043

00:45:13,910 --> 00:45:09,859

non-profit

1044

00:45:15,410 --> 00:45:13,920

yes so yeah that one what you want me to

1045

00:45:16,790 --> 00:45:15,420

kind of share what it was yeah so if you

1046

00:45:19,430 --> 00:45:16,800

want to talk about that

1047

00:45:22,670 --> 00:45:19,440

yeah so there's this thing in hospice

1048

00:45:24,290 --> 00:45:22,680

called respite care go ahead is

1049

00:45:24,890 --> 00:45:24,300

basically like

1050

00:45:27,230 --> 00:45:24,900

um

1051

00:45:29,569 --> 00:45:27,240

if you if the caregiver needs a break

1052

00:45:32,450 --> 00:45:29,579

hospice will pay for up to five days for

1053

00:45:36,109 --> 00:45:32,460

them to go to a facility to stay so that

1054

00:45:37,670 --> 00:45:36,119

the caregiver can get a break and what I

1055

00:45:40,010 --> 00:45:37,680

was Finding was a lot of people wouldn't

1056

00:45:41,690 --> 00:45:40,020

take that because usually when you're

1057

00:45:43,069 --> 00:45:41,700

needing a break it's like near the end

1058

00:45:44,870 --> 00:45:43,079

of life because things are just getting

1059

00:45:46,609 --> 00:45:44,880

hard to manage

1060

00:45:48,470 --> 00:45:46,619

um and then they don't want to risk not

1061

00:45:52,190 --> 00:45:48,480

being there whenever their loved one

1062

00:45:54,589 --> 00:45:52,200

passes and then I had an incident where

1063

00:45:57,530 --> 00:45:54,599

the caregiver put them in respite care

1064

00:46:00,290 --> 00:45:57,540

and they tried to stay and they would

1065

00:46:03,349 --> 00:46:00,300

not let them stay and so they told them

1066

00:46:05,630 --> 00:46:03,359

to go home and her husband passed

1067

00:46:08,030 --> 00:46:05,640

and she was not there

1068

00:46:10,430 --> 00:46:08,040

and I was like this has got to change

1069

00:46:12,530 --> 00:46:10,440

like this is not acceptable that the

1070

00:46:15,050 --> 00:46:12,540

that only patients are welcome in a

1071

00:46:16,670 --> 00:46:15,060

place and you know we're expecting

1072

00:46:17,630 --> 00:46:16,680

caregivers to get a break when all

1073

00:46:18,890 --> 00:46:17,640

they're doing is sitting at home

1074

00:46:21,290 --> 00:46:18,900

worrying that they're not going to be

1075

00:46:24,530 --> 00:46:21,300

there when their loved ones

1076

00:46:27,050 --> 00:46:24,540

and so yeah I'm working on it I'm gonna

1077

00:46:30,290 --> 00:46:27,060

I feel like I'm gonna set the standard

1078

00:46:31,670 --> 00:46:30,300

for what a hospice house should be and

1079

00:46:34,730 --> 00:46:31,680

that we need to be taking care of

1080

00:46:37,370 --> 00:46:34,740

caregivers they need to be welcome their

1081

00:46:39,770 --> 00:46:37,380

pets need to be welcome they need an

1082

00:46:43,190 --> 00:46:39,780

actual good meal an actual bed to sleep

1083

00:46:45,170 --> 00:46:43,200

in like an actual break we need we need

1084

00:46:49,010 --> 00:46:45,180

to take better care of caregivers in

1085

00:46:51,530 --> 00:46:49,020

this country it's it's not good what's

1086

00:46:56,450 --> 00:46:54,470

okay so where are you in the process of

1087

00:46:59,930 --> 00:46:56,460

this non-profit

1088

00:47:01,849 --> 00:46:59,940

yeah so I'm currently trying to choose a

1089

00:47:03,890 --> 00:47:01,859

board of directors I was really worried

1090

00:47:07,970 --> 00:47:03,900

no one was going to apply but I actually

1091

00:47:08,890 --> 00:47:07,980

have like over 80 qualified people and I

1092

00:47:13,670 --> 00:47:08,900

am

1093

00:47:15,530 --> 00:47:13,680

board at make a wish and just you know

1094

00:47:18,050 --> 00:47:15,540

all these amazing people who can really

1095

00:47:20,690 --> 00:47:18,060

make it come true so it's had a little

1096

00:47:22,190 --> 00:47:20,700

bit of imposter syndrome lately but I'm

1097

00:47:23,690 --> 00:47:22,200

getting through it and I'm gonna choose

1098

00:47:26,750 --> 00:47:23,700

the board soon and then we'll start

1099

00:47:30,650 --> 00:47:29,030

okay and what you do please send us the

1100

00:47:32,150 --> 00:47:30,660

link and we'll be happy to put it up for

1101  
00:47:34,490 --> 00:47:32,160  
you because that was going to be my next

1102  
00:47:37,010 --> 00:47:34,500  
question how can if someone's looking to

1103  
00:47:40,370 --> 00:47:37,020  
help how can they help you do this

1104  
00:47:42,109 --> 00:47:40,380  
yes thank you yeah honestly by my book

1105  
00:47:43,250 --> 00:47:42,119  
pre-ordering my book that really helps

1106  
00:47:45,589 --> 00:47:43,260  
you know

1107  
00:47:47,270 --> 00:47:45,599  
um that's that has always been kind of a

1108  
00:47:49,490 --> 00:47:47,280  
way that I realized I could get that

1109  
00:47:50,930 --> 00:47:49,500  
idea out into the mainstream you know

1110  
00:47:53,270 --> 00:47:50,940  
the publishing world makes that pretty

1111  
00:47:55,730 --> 00:47:53,280  
easy so

1112  
00:47:58,970 --> 00:47:55,740  
um that and then you know proceeds of it

1113  
00:48:00,770 --> 00:47:58,980

helps me get to building it as well so

1114

00:48:03,109 --> 00:48:00,780

you know that's kind of how I'm telling

1115

00:48:05,690 --> 00:48:03,119

people now they can support me

1116

00:48:08,150 --> 00:48:05,700

okay that's wonderful and the chat is

1117

00:48:11,329 --> 00:48:08,160

very excited for you as well for what I

1118

00:48:12,770 --> 00:48:11,339

can see but like I said once you're up

1119

00:48:14,569 --> 00:48:12,780

and running and you're ready for

1120

00:48:16,190 --> 00:48:14,579

donations and things like that send us

1121

00:48:19,670 --> 00:48:16,200

the link we'll be more than happy to put

1122

00:48:22,130 --> 00:48:19,680

it up for you thank you so much no

1123

00:48:23,870 --> 00:48:22,140

problem is there any other stories that

1124

00:48:25,790 --> 00:48:23,880

you want to tell us about that it'd be

1125

00:48:27,589 --> 00:48:25,800

that really stuck with you anything you

1126  
00:48:28,370 --> 00:48:27,599  
can pick from any stories that come to

1127  
00:48:30,109 --> 00:48:28,380  
mind

1128  
00:48:31,970 --> 00:48:30,119  
hmm

1129  
00:48:33,530 --> 00:48:31,980  
let me think I'm trying to think of one

1130  
00:48:38,930 --> 00:48:33,540  
that's like not in my book so I can give

1131  
00:48:38,940 --> 00:48:42,170  
hmm

1132  
00:48:42,180 --> 00:48:46,490  
let me think

1133  
00:48:53,630 --> 00:48:48,470  
you know there was

1134  
00:48:58,910 --> 00:48:56,329  
trying to think of one I have so many

1135  
00:49:01,069 --> 00:48:58,920  
patients that I take care of you know

1136  
00:49:02,809 --> 00:49:01,079  
it's hard too no I totally understand

1137  
00:49:05,270 --> 00:49:02,819  
that I feel bad putting you on the spot

1138  
00:49:06,849 --> 00:49:05,280

but I know it's very interested to hear

1139

00:49:10,370 --> 00:49:06,859

your story so

1140

00:49:12,109 --> 00:49:10,380

yeah no I don't mind at all

1141

00:49:15,109 --> 00:49:12,119

um

1142

00:49:24,309 --> 00:49:15,119

I

1143

00:49:26,089 --> 00:49:24,319

have it in the back of my mind

1144

00:49:29,270 --> 00:49:26,099

all right

1145

00:49:31,670 --> 00:49:29,280

does anyone have any other questions

1146

00:49:33,770 --> 00:49:31,680

I just see Marlo's old question up there

1147

00:49:34,730 --> 00:49:33,780

but

1148

00:49:40,250 --> 00:49:34,740

I

1149

00:49:45,710 --> 00:49:43,370

but no and getting see what fascinates

1150

00:49:47,690 --> 00:49:45,720

me getting back to the animals like is

1151  
00:49:49,609 --> 00:49:47,700  
it just been dogs or has there been

1152  
00:49:51,589 --> 00:49:49,619  
other types of animals that you have

1153  
00:49:53,750 --> 00:49:51,599  
been you know

1154  
00:49:56,329 --> 00:49:53,760  
like your patients have seen

1155  
00:49:58,730 --> 00:49:56,339  
we had someone that I saw like petting

1156  
00:50:01,010 --> 00:49:58,740  
the air one time and their daughter said

1157  
00:50:02,930 --> 00:50:01,020  
that she had always had cats so she

1158  
00:50:04,670 --> 00:50:02,940  
could not speak to us because she had

1159  
00:50:06,650 --> 00:50:04,680  
dementia

1160  
00:50:10,130 --> 00:50:06,660  
um but the family felt very strongly

1161  
00:50:12,770 --> 00:50:10,140  
that those were her cats coming back

1162  
00:50:14,270 --> 00:50:12,780  
so that that would be the other one no I

1163  
00:50:16,430 --> 00:50:14,280

haven't seen any like snakes or anything

1164

00:50:18,650 --> 00:50:16,440

like that

1165

00:50:21,230 --> 00:50:18,660

thank God for that I'm just gonna say

1166

00:50:23,930 --> 00:50:21,240

yeah if that was the man the mistakes

1167

00:50:27,710 --> 00:50:23,940

like no I'm out you have to find a new

1168

00:50:30,890 --> 00:50:27,720

nurse I don't do snakes people have them

1169

00:50:32,450 --> 00:50:30,900

in their house people have crazy you

1170

00:50:34,430 --> 00:50:32,460

know what if y'all want I'll leave with

1171

00:50:36,230 --> 00:50:34,440

a funny story

1172

00:50:39,890 --> 00:50:36,240

um the one of the times I've ever been

1173

00:50:41,870 --> 00:50:39,900

fired from a patient is that

1174

00:50:44,450 --> 00:50:41,880

um oh what are they called they're like

1175

00:50:46,309 --> 00:50:44,460

little chipmunks they're called Flying

1176

00:50:48,190 --> 00:50:46,319

something

1177

00:50:50,930 --> 00:50:48,200

um they're like flying flying squirrels

1178

00:50:51,829 --> 00:50:50,940

yeah and yeah

1179

00:50:53,450 --> 00:50:51,839

um

1180

00:50:56,510 --> 00:50:53,460

they have like a name for them but

1181

00:50:58,970 --> 00:50:56,520

anyway she kept them in her bra

1182

00:51:02,049 --> 00:50:58,980

and apparently that's sugar gliders

1183

00:51:06,349 --> 00:51:02,059

that's it sugar gliders

1184

00:51:10,730 --> 00:51:06,359

when she kept them in her bra and no one

1185

00:51:13,849 --> 00:51:10,740

told me and so I know you put my

1186

00:51:17,390 --> 00:51:13,859

stethoscope to her chest and this head

1187

00:51:19,329 --> 00:51:17,400

popped out at me and I screamed and

1188

00:51:22,910 --> 00:51:19,339

probably peed myself

1189

00:51:26,329 --> 00:51:22,920

and she was like oh my God like you're

1190

00:51:30,309 --> 00:51:26,339

scaring them like calm down like

1191

00:51:33,770 --> 00:51:30,319

it's you're scaring them

1192

00:51:35,569 --> 00:51:33,780

oh my God and she yeah she had like

1193

00:51:37,490 --> 00:51:35,579

three of them

1194

00:51:39,950 --> 00:51:37,500

yeah

1195

00:51:42,410 --> 00:51:39,960

that's an interesting place to keep them

1196

00:51:44,690 --> 00:51:42,420

I mean I guess they were warm

1197

00:51:46,609 --> 00:51:44,700

yeah I don't and apparently it's normal

1198

00:51:48,170 --> 00:51:46,619

flag so of course I get in my car and I

1199

00:51:50,750 --> 00:51:48,180

start youtubing it apparently it's very

1200

00:51:50,760 --> 00:51:54,170

it is

1201  
00:52:10,809 --> 00:51:55,490  
yeah

1202  
00:52:17,390 --> 00:52:13,569  
is interesting let me tell you

1203  
00:52:19,990 --> 00:52:17,400  
uh I I was going to do that because I I

1204  
00:52:21,790 --> 00:52:20,000  
did work as like an aide for a while

1205  
00:52:24,049 --> 00:52:21,800  
yeah

1206  
00:52:25,790 --> 00:52:24,059  
I decided to work at the group home

1207  
00:52:27,770 --> 00:52:25,800  
instead of going to people's houses

1208  
00:52:31,670 --> 00:52:27,780  
because I was like I don't think I'd be

1209  
00:52:34,010 --> 00:52:31,680  
comfortable with that i i people but I

1210  
00:52:35,030 --> 00:52:34,020  
learned from my mom people

1211  
00:52:37,910 --> 00:52:35,040  
foreign

1212  
00:52:41,589 --> 00:52:37,920  
but no I couldn't somebody said in the

1213  
00:52:46,930 --> 00:52:44,450

I'm gonna have to agree I don't think

1214

00:52:49,670 --> 00:52:46,940

that's normal

1215

00:52:51,530 --> 00:52:49,680

and I just I don't understand how you're

1216

00:52:54,290 --> 00:52:51,540

gonna walk around with them in your bra

1217

00:52:56,510 --> 00:52:54,300

that's I mean your only people do y'all

1218

00:52:58,569 --> 00:52:56,520

should YouTube it too like I swear I did

1219

00:53:03,609 --> 00:52:58,579

see it apparently it's very normal

1220

00:53:05,150 --> 00:53:03,619

I'm getting a have to now because yeah

1221

00:53:07,730 --> 00:53:05,160

yeah

1222

00:53:10,250 --> 00:53:07,740

and they're very cute though I just was

1223

00:53:12,349 --> 00:53:10,260

shocked they're very cute

1224

00:53:14,150 --> 00:53:12,359

yeah mine would be too because you're

1225

00:53:15,349 --> 00:53:14,160

not expecting it then all of a sudden

1226

00:53:19,809 --> 00:53:15,359

these things you don't know if it's

1227

00:53:23,230 --> 00:53:19,819

gonna bite you or not too yeah

1228

00:53:25,430 --> 00:53:23,240

I know

1229

00:53:26,630 --> 00:53:25,440

she could have been like well you're not

1230

00:53:28,609 --> 00:53:26,640

gonna be able to hear my heart you're

1231

00:53:31,270 --> 00:53:28,619

gonna like get a little fluffy down

1232

00:53:33,349 --> 00:53:31,280

there or whatever yeah its name was like

1233

00:53:35,290 --> 00:53:33,359

did you

1234

00:53:38,210 --> 00:53:35,300

could you tell us any more about

1235

00:53:39,910 --> 00:53:38,220

non-human visitors thanks again that's

1236

00:53:44,030 --> 00:53:39,920

one of the questions

1237

00:53:48,950 --> 00:53:44,040

non-human visitors meaning like pets

1238

00:53:50,150 --> 00:53:48,960

I'm gonna guess meeting pets yeah okay

1239

00:53:51,650 --> 00:53:50,160

um yeah

1240

00:53:53,990 --> 00:53:51,660

so

1241

00:53:57,650 --> 00:53:54,000

the woman that we had that was at the

1242

00:53:58,910 --> 00:53:57,660

facility when she woke up she heard

1243

00:54:02,210 --> 00:53:58,920

barking

1244

00:54:04,250 --> 00:54:02,220

and she was like I did not know that

1245

00:54:06,890 --> 00:54:04,260

y'all like allowed pets in here and I

1246

00:54:08,270 --> 00:54:06,900

was like we don't let pets in here and I

1247

00:54:10,309 --> 00:54:08,280

was like

1248

00:54:12,170 --> 00:54:10,319

um but you know maybe something else is

1249

00:54:14,569 --> 00:54:12,180

outside she's like I just keep hearing

1250

00:54:16,549 --> 00:54:14,579

this barking and so I go out to the

1251

00:54:17,990 --> 00:54:16,559

nurse's station I was like y'all is

1252

00:54:20,390 --> 00:54:18,000

there a dog here like do y'all hear

1253

00:54:22,010 --> 00:54:20,400

barking they're like No And so I was

1254

00:54:24,770 --> 00:54:22,020

like okay my patient's hearing barking

1255

00:54:27,950 --> 00:54:24,780

and that's when I went back in and she

1256

00:54:31,730 --> 00:54:27,960

was like talking to her dog and like

1257

00:54:33,650 --> 00:54:31,740

petting her dog and I was like oh like

1258

00:54:36,349 --> 00:54:33,660

she's here she came because she had

1259

00:54:38,930 --> 00:54:36,359

talked about this dog beforehand and she

1260

00:54:40,549 --> 00:54:38,940

was like yeah yeah she came and she was

1261

00:54:43,490 --> 00:54:40,559

so happy and she had not been happy the

1262

00:54:49,549 --> 00:54:46,730

I I can imagine oh my gosh um they they

1263

00:54:52,730 --> 00:54:49,559

said like angels they mean like

1264

00:54:58,609 --> 00:54:52,740

non-human considers us and angels

1265

00:55:01,430 --> 00:54:58,619

so I think that at all the Angels like

1266

00:55:05,270 --> 00:55:01,440

um are deceased people that everything

1267

00:55:08,089 --> 00:55:05,280

I've seen is where um they know them and

1268

00:55:09,770 --> 00:55:08,099

their family members or friends and they

1269

00:55:12,530 --> 00:55:09,780

they knew them from when they were alive

1270

00:55:14,809 --> 00:55:12,540

that come to get them

1271

00:55:17,150 --> 00:55:14,819

so I guess they're not human anymore so

1272

00:55:20,390 --> 00:55:17,160

basically they're

1273

00:55:22,730 --> 00:55:20,400

yeah so that would make them their

1274

00:55:24,049 --> 00:55:22,740

guardian angel in a way that's how I

1275

00:55:26,750 --> 00:55:24,059

yeah

1276

00:55:28,970 --> 00:55:26,760

yes and they're usually um whatever age

1277

00:55:32,870 --> 00:55:28,980

they want to be um like not always the

1278

00:55:36,829 --> 00:55:34,910

they're like healthy looking

1279

00:55:39,170 --> 00:55:36,839

could you tell her about that that's

1280

00:55:41,870 --> 00:55:39,180

interesting

1281

00:55:44,569 --> 00:55:41,880

what was that dude

1282

00:55:46,790 --> 00:55:44,579

do they ever like go younger do they

1283

00:55:50,390 --> 00:55:46,800

ever go like younger Maybe

1284

00:55:52,490 --> 00:55:50,400

yeah maybe if uh the grandmother had

1285

00:55:55,069 --> 00:55:52,500

passed on okay

1286

00:55:58,490 --> 00:55:55,079

so do you have a story about that maybe

1287

00:56:00,829 --> 00:55:58,500

yeah so I had an older patient who saw

1288

00:56:03,710 --> 00:56:00,839

his mom and

1289

00:56:07,130 --> 00:56:03,720

um he had said like wow she looks how

1290

00:56:11,690 --> 00:56:07,140

she looked whenever I was a child so she

1291

00:56:15,710 --> 00:56:11,700

was probably in her 20s but I knew that

1292

00:56:19,910 --> 00:56:17,930

so she came back basically very young

1293

00:56:23,470 --> 00:56:19,920

and healthy

1294

00:56:29,329 --> 00:56:27,650

yes yes but still how he remembered her

1295

00:56:33,710 --> 00:56:29,339

too

1296

00:56:36,049 --> 00:56:33,720

you know that he recognized her but yeah

1297

00:56:38,089 --> 00:56:36,059

right right and I think that's that's

1298

00:56:40,250 --> 00:56:38,099

another thing too if you see them you

1299

00:56:42,170 --> 00:56:40,260

know if when she was older you see her

1300

00:56:43,609 --> 00:56:42,180

and maybe you're worried about her

1301  
00:56:45,349 --> 00:56:43,619  
because she's older but she comes back

1302  
00:56:47,510 --> 00:56:45,359  
healthy and Young

1303  
00:56:49,370 --> 00:56:47,520  
it's a comfort in a way because that's

1304  
00:56:50,930 --> 00:56:49,380  
that's your mom basically or at least

1305  
00:56:52,130 --> 00:56:50,940  
his mom you know

1306  
00:56:55,670 --> 00:56:52,140  
yeah

1307  
00:56:57,829 --> 00:56:55,680  
um

1308  
00:56:59,030 --> 00:56:57,839  
is there any other type of animal

1309  
00:57:03,890 --> 00:56:59,040  
stories

1310  
00:57:06,410 --> 00:57:03,900  
like you

1311  
00:57:08,690 --> 00:57:06,420  
you had told us earlier that like uh

1312  
00:57:12,650 --> 00:57:08,700  
children coming back

1313  
00:57:14,690 --> 00:57:12,660

yeah there's not too many of them

1314

00:57:16,790 --> 00:57:14,700

um you know that those 19 animal ones

1315

00:57:18,890 --> 00:57:16,800

and I think that the reason those

1316

00:57:21,710 --> 00:57:18,900

animals came is because that was what

1317

00:57:23,329 --> 00:57:21,720

was most important to the patient

1318

00:57:25,190 --> 00:57:23,339

um whereas usually what's most important

1319

00:57:28,370 --> 00:57:25,200

to patient is their spouse or their mom

1320

00:57:29,809 --> 00:57:28,380

or their dad you know what I mean and of

1321

00:57:32,089 --> 00:57:29,819

course thankfully it's not very common

1322

00:57:35,390 --> 00:57:32,099

to lose your children

1323

00:57:37,250 --> 00:57:35,400

um right thankfully I have had

1324

00:57:39,770 --> 00:57:37,260

um older patients who have their

1325

00:57:43,430 --> 00:57:39,780

children come that were adults when they

1326

00:57:45,530 --> 00:57:43,440

passed so like still their kids coming

1327

00:57:47,089 --> 00:57:45,540

um but they're adult you know

1328

00:57:49,790 --> 00:57:47,099

yeah

1329

00:57:51,890 --> 00:57:49,800

that's sad that's interesting and did

1330

00:57:53,270 --> 00:57:51,900

they say they look like adults or were

1331

00:57:55,849 --> 00:57:53,280

they children

1332

00:57:58,250 --> 00:57:55,859

so I had one saying

1333

00:58:00,109 --> 00:57:58,260

um so she had lost her son to diabetes

1334

00:58:03,049 --> 00:58:00,119

and he had had to have

1335

00:58:04,849 --> 00:58:03,059

um double leg amputation

1336

00:58:07,370 --> 00:58:04,859

um before he had passed because of his

1337

00:58:10,190 --> 00:58:07,380

diabetes and when I was in there she was

1338

00:58:15,530 --> 00:58:10,200

talking to his brother so her other son

1339

00:58:17,750 --> 00:58:15,540

who was alive and he she said oh um hey

1340

00:58:20,630 --> 00:58:17,760

his name is Richard Richard has his legs

1341

00:58:23,450 --> 00:58:20,640

his legs are back so he had come back

1342

00:58:25,190 --> 00:58:23,460

healthy before he'd had the amputations

1343

00:58:26,809 --> 00:58:25,200

no

1344

00:58:29,690 --> 00:58:26,819

yeah

1345

00:58:32,329 --> 00:58:29,700

oh that's wonderful that really is

1346

00:58:34,069 --> 00:58:32,339

so if you want to tell everyone where

1347

00:58:35,049 --> 00:58:34,079

they can find you where they can find

1348

00:58:38,270 --> 00:58:35,059

your book

1349

00:58:41,690 --> 00:58:38,280

and everything else

1350

00:58:45,289 --> 00:58:41,700

yeah so I'm on Tick Tock and Instagram

1351

00:58:47,930 --> 00:58:45,299

is Nurse Hadley and my book is in

1352

00:58:52,130 --> 00:58:47,940

00:59:11,870 --> 00:59:09,839

be on Kindle and audible as well just in

1358

00:59:14,809 --> 00:59:11,880

case every you know somebody has that

1359

00:59:17,390 --> 00:59:14,819

1360

00:59:21,770 --> 00:59:17,400

and I am recording the audiobook I just

1361

00:59:26,809 --> 00:59:24,770
