research team so thanks for joining me

programming

15

00:01:51,770 --> 00:01:50,159

um Super Chat super thanks to nations

16

00:01:54,170 --> 00:01:51,780

are appreciated

17

00:01:56,630 --> 00:01:54,180

uh the buy me coffee link and banner are

18

00:01:59,270 --> 00:01:56,640

also available so uh thanks for your

19

00:02:01,969 --> 00:01:59,280

consideration now if you're in the chat

20

00:02:03,830 --> 00:02:01,979

tonight and you have a question please

21

00:02:07,550 --> 00:02:03,840

use all caps

22

00:02:10,010 --> 00:02:07,560

Vincent or Mark um which each one and

23

00:02:12,350 --> 00:02:10,020

for me to answer and I'll get them at

24

00:02:16,190 --> 00:02:12,360

the end of the narration

25

00:02:17,990 --> 00:02:16,200

so tonight we got a few doozies uh been

26
00:02:19,790 --> 00:02:18,000
some strange things coming in the past

27
00:02:22,250 --> 00:02:19,800
couple weeks

28
00:02:24,110 --> 00:02:22,260
so this first one we're a young Evanston

29
00:02:28,010 --> 00:02:24,120
Illinois man

30
00:02:30,050 --> 00:02:28,020
is that a local self-storage facility uh

31
00:02:32,809 --> 00:02:30,060
and while there he hears banging sounds

32
00:02:35,330 --> 00:02:32,819
and eventually investigates

33
00:02:39,650 --> 00:02:35,340
where he encounters what he described as

34
00:02:41,690 --> 00:02:39,660
a white fleshy insect type humanoid

35
00:02:44,210 --> 00:02:41,700
now he wrote I live in Evanston Illinois

36
00:02:46,490 --> 00:02:44,220
just north of Chicago I was asked by my

37
00:02:48,890 --> 00:02:46,500
mother's friend to move some stuff to a

38
00:02:51,650 --> 00:02:48,900

storage unit nearby

39

00:02:53,869 --> 00:02:51,660

I had not been working because of covid

40

00:02:55,729 --> 00:02:53,879

and the pay was decent so I went ahead

41

00:02:57,290 --> 00:02:55,739

and agreed now it was raining all day

42

00:03:00,050 --> 00:02:57,300

off and on

43

00:03:01,850 --> 00:03:00,060

and but at times it got so heavy that I

44

00:03:04,610 --> 00:03:01,860

couldn't transfer even transfer the

45

00:03:06,589 --> 00:03:04,620

boxes from my car to the unit so

46

00:03:08,390 --> 00:03:06,599

I just get comfortable inside the unit

47

00:03:10,670 --> 00:03:08,400

and this is a music while wait for the

48

00:03:12,170 --> 00:03:10,680

rain to clear up it's cozy in there to

49

00:03:14,210 --> 00:03:12,180

be honest and the rain just keeps

50

00:03:15,770 --> 00:03:14,220

getting worse it's not very cold out

51
00:03:18,410 --> 00:03:15,780
though so

52
00:03:21,830 --> 00:03:18,420
I'm just chilling when I start hearing

53
00:03:23,750 --> 00:03:21,840
this banging noise from nearby

54
00:03:25,790 --> 00:03:23,760
now it sounds like something's hitting

55
00:03:28,430 --> 00:03:25,800
metal at first

56
00:03:30,830 --> 00:03:28,440
uh I think that maybe there was a car

57
00:03:32,990 --> 00:03:30,840
accident on the nearby Highway which is

58
00:03:35,809 --> 00:03:33,000
North Lincoln Avenue

59
00:03:38,089 --> 00:03:35,819
but then I realized it was coming from

60
00:03:40,369 --> 00:03:38,099
the other direction and I really don't

61
00:03:42,289 --> 00:03:40,379
want to go outside and get wet so I tell

62
00:03:43,130 --> 00:03:42,299
myself that someone probably dropped

63
00:03:45,530 --> 00:03:43,140

something

64

00:03:48,589 --> 00:03:45,540

like nothing serious but I continue

65

00:03:51,289 --> 00:03:48,599

hearing the various banging noises so I

66

00:03:52,490 --> 00:03:51,299

still didn't bother checking but as it

67

00:03:56,210 --> 00:03:52,500

continued

68

00:03:58,190 --> 00:03:56,220

I decided to check it out since um the

69

00:04:00,589 --> 00:03:58,200

rain had lit up a bit

70

00:04:03,170 --> 00:04:00,599

so I'll walk outside and turn the corner

71

00:04:05,089 --> 00:04:03,180

and see this massive hole in the fence

72

00:04:08,509 --> 00:04:05,099

leading to a little wooded

73

00:04:10,190 --> 00:04:08,519

uh area in at the North Shore Channel

74

00:04:13,070 --> 00:04:10,200

Trail

75

00:04:15,770 --> 00:04:13,080

I see this white thing moving near and

76

00:04:18,530 --> 00:04:15,780

under the dumpster by the fence

77

00:04:20,210 --> 00:04:18,540

I'm thinking that it was a large white

78

00:04:23,210 --> 00:04:20,220

trash bag

79

00:04:24,890 --> 00:04:23,220

um but it just didn't look right I'm

80

00:04:27,230 --> 00:04:24,900

confused and I'm trying to get a closer

81

00:04:29,330 --> 00:04:27,240

look at this thing

82

00:04:31,430 --> 00:04:29,340

it may be about a hundred feet or so

83

00:04:34,850 --> 00:04:31,440

away from it and I I see something

84

00:04:36,770 --> 00:04:34,860

sticking out of it and it it started

85

00:04:39,409 --> 00:04:36,780

making a clicking sound

86

00:04:41,990 --> 00:04:39,419

I say hello who's that I immediately

87

00:04:44,030 --> 00:04:42,000

regret yelling out uh something big

88

00:04:45,290 --> 00:04:44,040

squeezes out from underneath the

89

00:04:47,330 --> 00:04:45,300

dumpster

90

00:04:50,030 --> 00:04:47,340

now it looks like a pile of fleshy

91

00:04:53,210 --> 00:04:50,040

tissue with Spike Lake protrusions

92

00:04:55,670 --> 00:04:53,220

it stands four feet tall but then it

93

00:04:58,610 --> 00:04:55,680

extends up over six feet

94

00:05:01,550 --> 00:04:58,620

it looks like a humanoid spider or other

95

00:05:04,010 --> 00:05:01,560

insect but with white flesh

96

00:05:06,830 --> 00:05:04,020

now it doesn't have an exoskeleton just

97

00:05:09,590 --> 00:05:06,840

smooth white flesh the head is weird

98

00:05:11,689 --> 00:05:09,600

kind of insect-like with no mouth that I

99

00:05:14,930 --> 00:05:11,699

could see now the eyes

100

00:05:17,570 --> 00:05:14,940

were human-like and had a reddish glow

101
00:05:18,950 --> 00:05:17,580
it had long slits along the side of its

102
00:05:22,430 --> 00:05:18,960
head

103
00:05:24,529 --> 00:05:22,440
now it stood there clicking and watching

104
00:05:26,510 --> 00:05:24,539
me I could sense that it didn't want me

105
00:05:28,969 --> 00:05:26,520
there it was wondering I was wondering

106
00:05:31,189 --> 00:05:28,979
why I was still there I hadn't run off

107
00:05:34,129 --> 00:05:31,199
but I was frozen in place and terrified

108
00:05:36,529 --> 00:05:34,139
I had heard about the Chicago Mothman

109
00:05:38,990 --> 00:05:36,539
and was wondering if this may have been

110
00:05:40,850 --> 00:05:39,000
it but it didn't resemble anything that

111
00:05:43,610 --> 00:05:40,860
I had heard about

112
00:05:45,890 --> 00:05:43,620
then I felt a sudden Rush of calm come

113
00:05:47,629 --> 00:05:45,900

over me and I was able to break the

114

00:05:49,909 --> 00:05:47,639

trance I was in

115

00:05:51,890 --> 00:05:49,919

I hold butt back to the storage unit

116

00:05:53,689 --> 00:05:51,900

locked it up and got in my car and

117

00:05:55,790 --> 00:05:53,699

quickly left

118

00:05:57,710 --> 00:05:55,800

when I looked back in the direction the

119

00:05:59,629 --> 00:05:57,720

creature was gone now I returned the

120

00:06:02,510 --> 00:05:59,639

next day to finish egg loading the boxes

121

00:06:05,090 --> 00:06:02,520

from the chorus fast as I could

122

00:06:08,029 --> 00:06:05,100

now this happened in the spring of 2020

123

00:06:10,370 --> 00:06:08,039

I haven't told anyone about this

124

00:06:13,189 --> 00:06:10,380

now I did talk to the witness

125

00:06:15,350 --> 00:06:13,199

and uh his anxiety was pretty evident

126

00:06:16,790 --> 00:06:15,360

during the conversation I I think he

127

00:06:19,670 --> 00:06:16,800

encountered something

128

00:06:21,590 --> 00:06:19,680

I had no idea what I don't think it had

129

00:06:23,090 --> 00:06:21,600

anything to do with the Mothman I mean

130

00:06:25,010 --> 00:06:23,100

even though this was close to Chicago

131

00:06:26,510 --> 00:06:25,020

and we have had sightings up near the

132

00:06:29,450 --> 00:06:26,520

Evanston area

133

00:06:32,210 --> 00:06:29,460

so I don't know what this was

134

00:06:33,830 --> 00:06:32,220

so another tale from Chicago and look

135

00:06:35,870 --> 00:06:33,840

we've gotten a lot of weird things out

136

00:06:39,590 --> 00:06:35,880

of Chicago lately other than the winged

137

00:06:41,330 --> 00:06:39,600

humanoids so a Chicago woman is at her

138

00:06:44,390 --> 00:06:41,340

father's apartment

139

00:06:47,390 --> 00:06:44,400

and she's on the balcony taking a break

140

00:06:49,249 --> 00:06:47,400

when she observes a Glimmer Man in the

141

00:06:52,070 --> 00:06:49,259

tree below to her

142

00:06:54,770 --> 00:06:52,080

now as another witness as well so you

143

00:06:58,249 --> 00:06:54,780

know I recently received this account

144

00:07:00,830 --> 00:06:58,259

and uh she states in in what she sent me

145

00:07:03,830 --> 00:07:00,840

I'm no Storyteller but I will try to

146

00:07:06,350 --> 00:07:03,840

recall as much detail as possible

147

00:07:10,969 --> 00:07:06,360

now my experience happened on September

148

00:07:12,350 --> 00:07:10,979

2nd 2022 not that long ago I had been

149

00:07:13,909 --> 00:07:12,360

out through the day running a few

150

00:07:15,290 --> 00:07:13,919

errands here and there for my dad who

151
00:07:17,990 --> 00:07:15,300
was elderly

152
00:07:19,969 --> 00:07:18,000
now later that same day to return back

153
00:07:22,969 --> 00:07:19,979
to my Dad's apartment which just happens

154
00:07:26,210 --> 00:07:22,979
to be a tall residential building in

155
00:07:29,749 --> 00:07:26,220
Chicago his apartment is six floors up

156
00:07:31,969 --> 00:07:29,759
at some point during the earlier early

157
00:07:34,129 --> 00:07:31,979
evening I decided to go out on the

158
00:07:36,350 --> 00:07:34,139
balcony for a quick cigarette

159
00:07:37,969 --> 00:07:36,360
I was standing there just staring out in

160
00:07:41,089 --> 00:07:37,979
the thin air and not really thinking

161
00:07:42,650 --> 00:07:41,099
about much or doing much as I stood

162
00:07:46,070 --> 00:07:42,660
there with my cigarette in my hand I

163
00:07:48,110 --> 00:07:46,080

[h__\h] to position began to observe a very

164

00:07:50,689 --> 00:07:48,120

large tree about 20 foot away

165

00:07:51,770 --> 00:07:50,699

it was roughly about 15 feet down from

166

00:07:54,110 --> 00:07:51,780

me

167

00:07:56,510 --> 00:07:54,120

I noticed that one of the branches on

168

00:07:59,450 --> 00:07:56,520

the tree was billing quite heavily which

169

00:08:01,730 --> 00:07:59,460

I remember now thinking back and was

170

00:08:04,909 --> 00:08:01,740

quite on at the time

171

00:08:07,189 --> 00:08:04,919

as I'm staring at this branch and trying

172

00:08:09,230 --> 00:08:07,199

to make sense of what my eyes are seeing

173

00:08:10,730 --> 00:08:09,240

I have this horrible feeling come over

174

00:08:13,070 --> 00:08:10,740

me

175

00:08:15,469 --> 00:08:13,080

the most intense sense of dread in fear

176

00:08:17,689 --> 00:08:15,479

it was like almost every part of my body

177

00:08:19,249 --> 00:08:17,699

was screaming at me to turn around and

178

00:08:21,230 --> 00:08:19,259

run but I

179

00:08:24,170 --> 00:08:21,240

I didn't know why

180

00:08:26,570 --> 00:08:24,180

so at that very moment the Boeing branch

181

00:08:28,790 --> 00:08:26,580

that I had just been observing began to

182

00:08:32,570 --> 00:08:28,800

shake violently despite my internal

183

00:08:35,029 --> 00:08:32,580

instincts still screaming at me to leave

184

00:08:37,190 --> 00:08:35,039

a curiosity had gotten to better me and

185

00:08:38,990 --> 00:08:37,200

I started to move along the railing to

186

00:08:43,250 --> 00:08:39,000

get a closer look

187

00:08:46,130 --> 00:08:43,260

then I saw it as I now what I saw at

188

00:08:48,590 --> 00:08:46,140

first was a small glimmering form

189

00:08:51,350 --> 00:08:48,600

as I stared a bit closer this glimmer

190

00:08:52,490 --> 00:08:51,360

human figure that shimmered a yellow white

191

00:08:54,769 --> 00:08:52,500

color

192

00:08:56,509 --> 00:08:54,779

I snapped out of my fixated stair and

193

00:08:57,590 --> 00:08:56,519

quickly took a step back from the

194

00:08:59,930 --> 00:08:57,600

railing

195

00:09:01,310 --> 00:08:59,940

it suddenly hit me that what I was

196

00:09:03,110 --> 00:09:01,320

looking at

197

00:09:04,490 --> 00:09:03,120

was like something straight from the

198

00:09:07,070 --> 00:09:04,500

movie Predator

199

00:09:09,230 --> 00:09:07,080

more specifically when the Predator used

200

00:09:11,930 --> 00:09:09,240

to camouflage

201
00:09:14,449 --> 00:09:11,940
at that very moment when I realized what

202
00:09:17,509 --> 00:09:14,459
I had just seen this thing dropped out

203
00:09:20,509 --> 00:09:17,519
of the tree and hit the ground below

204
00:09:22,430 --> 00:09:20,519
it landed directly behind a man who had

205
00:09:24,650 --> 00:09:22,440
just happened to be walking past the

206
00:09:26,389 --> 00:09:24,660
time the man immediately spun around

207
00:09:28,009 --> 00:09:26,399
assuming that someone had thrown

208
00:09:30,410 --> 00:09:28,019
something at him

209
00:09:32,090 --> 00:09:30,420
the only thing I noticed was a cloud of

210
00:09:33,829 --> 00:09:32,100
smoke or dusterizing from the ground

211
00:09:36,350 --> 00:09:33,839
behind the man

212
00:09:38,030 --> 00:09:36,360
I waited for some time expecting to see

213
00:09:40,430 --> 00:09:38,040

this thing re-emerge from the dust or

214

00:09:42,889 --> 00:09:40,440

smoke but it was completely gone

215

00:09:45,170 --> 00:09:42,899

now at the same time another neighbor

216

00:09:47,449 --> 00:09:45,180

just a few floors below had also

217

00:09:49,910 --> 00:09:47,459

observed exactly the same thing that I

218

00:09:51,650 --> 00:09:49,920

had and they managed to confirm all the

219

00:09:53,750 --> 00:09:51,660

same details

220

00:09:55,850 --> 00:09:53,760

the neighbor and I then managed to track

221

00:09:57,110 --> 00:09:55,860

down the man who was walking past a few

222

00:09:59,389 --> 00:09:57,120

hours later

223

00:10:02,269 --> 00:09:59,399

we had a conversation with this man and

224

00:10:03,829 --> 00:10:02,279

he said that he felt an impact but

225

00:10:05,090 --> 00:10:03,839

didn't see anything when he turned

226

00:10:07,850 --> 00:10:05,100

around

227

00:10:09,889 --> 00:10:07,860

he also went on to report that he felt

228

00:10:12,350 --> 00:10:09,899

like the same dread that I'd experienced

229

00:10:14,930 --> 00:10:12,360

only a few hours before

230

00:10:17,090 --> 00:10:14,940

now does any anyone have any idea what

231

00:10:19,610 --> 00:10:17,100

these beings are I feel like they can be

232

00:10:21,889 --> 00:10:19,620

dangerous now

233

00:10:25,250 --> 00:10:21,899

I was eventually able to talk to both

234

00:10:27,769 --> 00:10:25,260

Witnesses by phone her and the neighbor

235

00:10:30,530 --> 00:10:27,779

um they both very apprehensive about

236

00:10:32,630 --> 00:10:30,540

this entity now this witness who wrote

237

00:10:34,130 --> 00:10:32,640

me leaves that this entity still

238

00:10:36,050 --> 00:10:34,140

inhabits the area

239

00:10:37,850 --> 00:10:36,060

and she occasionally experiences the

240

00:10:39,889 --> 00:10:37,860

feeling of dread when she visits her

241

00:10:42,769 --> 00:10:39,899

father and the location is the Groveland

242

00:10:46,730 --> 00:10:42,779

Park neighborhood which is actually

243

00:10:48,350 --> 00:10:46,740

just south of um downtown not far from

244

00:10:50,269 --> 00:10:48,360

the lakefront so

245

00:10:52,310 --> 00:10:50,279

um it's a high-rise I I know the

246

00:10:53,870 --> 00:10:52,320

building I I did dig it up and figured

247

00:10:57,050 --> 00:10:53,880

out which building it was

248

00:10:59,329 --> 00:10:57,060

so uh you know we're getting some weird

249

00:11:02,269 --> 00:10:59,339

stuff out of Chicago and uh let alone

250

00:11:04,370 --> 00:11:02,279

you know the wing humanoids this and

251
00:11:08,930 --> 00:11:04,380
other humanoid beings that we've had

252
00:11:11,389 --> 00:11:08,940
reported us as well as alien type beings

253
00:11:12,350 --> 00:11:11,399
um is it connected I don't know it could

254
00:11:16,550 --> 00:11:12,360
be

255
00:11:18,829 --> 00:11:16,560
but at this point I really don't know

256
00:11:22,009 --> 00:11:18,839
so the next account two feral hog

257
00:11:23,509 --> 00:11:22,019
Hunters are set up in a field using

258
00:11:25,850 --> 00:11:23,519
thermal scopes

259
00:11:28,790 --> 00:11:25,860
and the eyewitness observes an eight to

260
00:11:31,610 --> 00:11:28,800
ten foot tall hairy biped

261
00:11:35,389 --> 00:11:31,620
with a dog-like snout literally grab a

262
00:11:38,030 --> 00:11:35,399
large hog and rip it in half

263
00:11:39,530 --> 00:11:38,040

now this witness wrote to me I am a

264

00:11:42,170 --> 00:11:39,540

rancher in Oklahoma

265

00:11:44,150 --> 00:11:42,180

feral Hogs are a problem in this area

266

00:11:46,610 --> 00:11:44,160

now I live north of the red river of

267

00:11:48,290 --> 00:11:46,620

Oklahoma side close to the West cachet

268

00:11:51,230 --> 00:11:48,300

Creek

269

00:11:53,690 --> 00:11:51,240

uh one night a friend called me to go

270

00:11:55,610 --> 00:11:53,700

pig hunting with him on one of his

271

00:11:56,810 --> 00:11:55,620

friends Fields that's getting destroyed

272

00:11:59,150 --> 00:11:56,820

by pigs

273

00:12:00,949 --> 00:11:59,160

here in Oklahoma it is legal to hunt

274

00:12:04,490 --> 00:12:00,959

pigs and coyotes with thermal scopes

275

00:12:07,550 --> 00:12:04,500

feral pigs are mainly active at night

276

00:12:10,190 --> 00:12:07,560

so we rode by the river then walk

277

00:12:11,750 --> 00:12:10,200

possibly 150 yards set up behind a

278

00:12:13,490 --> 00:12:11,760

fallen log

279

00:12:15,710 --> 00:12:13,500

we sat and waited it was a beautiful

280

00:12:18,290 --> 00:12:15,720

calm night and Moonlight made visibility

281

00:12:21,110 --> 00:12:18,300

accidentally even without the thermal

282

00:12:22,730 --> 00:12:21,120

so after about 30 minutes we heard this

283

00:12:24,710 --> 00:12:22,740

screaming

284

00:12:27,290 --> 00:12:24,720

it was very loud we looked at each other

285

00:12:30,949 --> 00:12:27,300

thinking it was possibly a cougar but

286

00:12:33,110 --> 00:12:30,959

couldn't tell exactly where it came from

287

00:12:35,329 --> 00:12:33,120

now when we heard a pig squeal on our

288

00:12:37,250 --> 00:12:35,339

right in my head I was thinking a big

289

00:12:40,670 --> 00:12:37,260

cat called a pig

290

00:12:43,129 --> 00:12:40,680

I looked through my thermal I froze

291

00:12:46,190 --> 00:12:43,139

an eight to ten foot tall creature had

292

00:12:48,470 --> 00:12:46,200

this pig in his hands its hands

293

00:12:51,410 --> 00:12:48,480

it wasn't a small Pig maybe two of the

294

00:12:53,870 --> 00:12:51,420

250 pounds it was squealing and fighting

295

00:12:55,490 --> 00:12:53,880

the strength and size of this thing it

296

00:12:58,910 --> 00:12:55,500

was amazing

297

00:13:01,190 --> 00:12:58,920

it had a long beard dog-like snout and

298

00:13:03,470 --> 00:13:01,200

hairy but it in my thermal the images

299

00:13:05,569 --> 00:13:03,480

were white of course so as far as the

300

00:13:08,629 --> 00:13:05,579

color I'm not sure

301
00:13:10,790 --> 00:13:08,639
as I was watching it thing it literally

302
00:13:12,050 --> 00:13:10,800
ripped the pig in half with its bare

303
00:13:14,030 --> 00:13:12,060
hands

304
00:13:17,509 --> 00:13:14,040
sheet of paper and threw it on the

305
00:13:19,610 --> 00:13:17,519
ground it started walking towards us

306
00:13:23,210 --> 00:13:19,620
I nearly cracked myself I literally

307
00:13:25,370 --> 00:13:23,220
froze I couldn't pull the trigger in my

308
00:13:27,590 --> 00:13:25,380
mind I was telling my hand to pull the

309
00:13:30,829 --> 00:13:27,600
trigger but I physically couldn't

310
00:13:33,230 --> 00:13:30,839
then all of a sudden a massive log maybe

311
00:13:35,990 --> 00:13:33,240
30 foot long

312
00:13:37,430 --> 00:13:36,000
two to three foot round Flew Over the

313
00:13:39,769 --> 00:13:37,440

Top Of Us

314

00:13:43,009 --> 00:13:39,779

I jumped up and ran my buddy was right

315

00:13:45,410 --> 00:13:43,019

behind me we got in the ATV I started it

316

00:13:47,509 --> 00:13:45,420

and held my foot to the floor

317

00:13:50,210 --> 00:13:47,519

we were traveling about 60 miles an hour

318

00:13:53,750 --> 00:13:50,220

I it'll run 80 mile an hour but I don't

319

00:13:56,030 --> 00:13:53,760

believe it was at top speed yet

320

00:13:57,949 --> 00:13:56,040

we busted through the gate to the the

321

00:14:00,490 --> 00:13:57,959

pasture I didn't even have the thought

322

00:14:03,769 --> 00:14:00,500

of getting out and opening it

323

00:14:06,590 --> 00:14:03,779

uh we hit a ditch and went airborne and

324

00:14:08,810 --> 00:14:06,600

started to do a front roll thinking this

325

00:14:10,850 --> 00:14:08,820

was you know this was going to hurt the

326

00:14:13,970 --> 00:14:10,860

next thing I remember we were sitting

327

00:14:15,949 --> 00:14:13,980

still not moving and not hurt

328

00:14:17,150 --> 00:14:15,959

we were sitting next to my pickup and

329

00:14:18,829 --> 00:14:17,160

trailer

330

00:14:21,710 --> 00:14:18,839

what the hell

331

00:14:25,190 --> 00:14:21,720

we loaded it up and went in his house in

332

00:14:27,829 --> 00:14:25,200

silence not a word was said

333

00:14:31,190 --> 00:14:27,839

and we pulled up to his house

334

00:14:33,470 --> 00:14:31,200

went inside his wife asked what's wrong

335

00:14:35,389 --> 00:14:33,480

with you guys you look like you seen a

336

00:14:38,870 --> 00:14:35,399

ghost wear your guns

337

00:14:41,449 --> 00:14:38,880

I said I think that it can keep the guns

338

00:14:43,970 --> 00:14:41,459

I never even realized their guns were

339

00:14:46,430 --> 00:14:43,980

left lined by the stump but I didn't

340

00:14:49,129 --> 00:14:46,440

care I was glad to be out of there

341

00:14:51,650 --> 00:14:49,139

now I live about 40 miles from him now

342

00:14:54,050 --> 00:14:51,660

this is the creepiest part when I parked

343

00:14:56,449 --> 00:14:54,060

the truck and walk to my front door

344

00:14:59,210 --> 00:14:56,459

I noticed something in my yard

345

00:15:03,470 --> 00:14:59,220

about 20 yards from the front door is

346

00:15:07,670 --> 00:15:05,629

that thing knows where I live it's it's

347

00:15:10,430 --> 00:15:07,680

40 miles away

348

00:15:13,129 --> 00:15:10,440

nothing has happened since but I don't

349

00:15:15,050 --> 00:15:13,139

go out at dark unless I absolutely have

350

00:15:16,310 --> 00:15:15,060

to and haven't been back to the creek or

351
00:15:18,350 --> 00:15:16,320
river since

352
00:15:21,230 --> 00:15:18,360
and I don't plan to but I do feel

353
00:15:24,230 --> 00:15:21,240
something a natural sadness that night

354
00:15:25,610 --> 00:15:24,240
now that was actually transcribed by

355
00:15:28,310 --> 00:15:25,620
from

356
00:15:29,750 --> 00:15:28,320
uh the Youtube channel Roundtable

357
00:15:32,389 --> 00:15:29,760
knowledge

358
00:15:35,030 --> 00:15:32,399
that's um

359
00:15:37,189 --> 00:15:35,040
uh that's a that's a resource I use

360
00:15:38,810 --> 00:15:37,199
occasionally the gentleman does get some

361
00:15:40,550 --> 00:15:38,820
pretty interesting stories but that one

362
00:15:43,009 --> 00:15:40,560
in particular I thought was worth

363
00:15:44,870 --> 00:15:43,019

bringing on here and reading

364

00:15:48,290 --> 00:15:44,880

so um

365

00:15:50,870 --> 00:15:48,300

another strange account where our

366

00:15:53,269 --> 00:15:50,880

Lawrence County Kentucky Woman

367

00:15:55,670 --> 00:15:53,279

tells her son about a hairy humanoid

368

00:15:56,509 --> 00:15:55,680

creature that will come down from the

369

00:15:58,970 --> 00:15:56,519

mountain

370

00:16:00,949 --> 00:15:58,980

and into her backyard at night and she

371

00:16:03,710 --> 00:16:00,959

had seen it twice

372

00:16:06,470 --> 00:16:03,720

so this is what he wrote me

373

00:16:07,850 --> 00:16:06,480

this happened in the summer of 2020 in

374

00:16:10,069 --> 00:16:07,860

Lawrence County

375

00:16:12,410 --> 00:16:10,079

along Blaine Creek in Eastern Kentucky

376

00:16:13,430 --> 00:16:12,420

my mom's home where I grew up is

377

00:16:15,170 --> 00:16:13,440

situated in the middle of the

378

00:16:17,090 --> 00:16:15,180

Appalachian Mountains

379

00:16:19,250 --> 00:16:17,100

there are no houses or neighbors within

380

00:16:21,350 --> 00:16:19,260

a half mile of her house the area is

381

00:16:23,569 --> 00:16:21,360

simply beautiful mountains

382

00:16:25,670 --> 00:16:23,579

one night her old doll was barking

383

00:16:28,069 --> 00:16:25,680

whimpering and growling

384

00:16:30,590 --> 00:16:28,079

he just stopped back he just stopped

385

00:16:33,290 --> 00:16:30,600

acting he wouldn't stop acting up my mom

386

00:16:36,650 --> 00:16:33,300

was confused since there was no outside

387

00:16:39,050 --> 00:16:36,660

noises that she herself could hear

388

00:16:40,730 --> 00:16:39,060

the dog was pacing back and forth to the

389

00:16:42,889 --> 00:16:40,740

door and windows and after about 30

390

00:16:44,150 --> 00:16:42,899

minutes or so she decided to grab her

391

00:16:45,949 --> 00:16:44,160

flashlight

392

00:16:47,749 --> 00:16:45,959

and go outside to make sure everything

393

00:16:49,910 --> 00:16:47,759

was okay

394

00:16:51,769 --> 00:16:49,920

now no animal had been messing with her

395

00:16:53,689 --> 00:16:51,779

trash can so she figured a dog was

396

00:16:55,910 --> 00:16:53,699

picking up the smell of a wreck in

397

00:16:58,490 --> 00:16:55,920

another nocturnal creature

398

00:17:00,530 --> 00:16:58,500

she scanned her yard in the creek and

399

00:17:03,050 --> 00:17:00,540

didn't see anything out of the place so

400

00:17:05,689 --> 00:17:03,060

she turned to go back to the house and

401
00:17:07,429 --> 00:17:05,699
that's when she saw it

402
00:17:09,230 --> 00:17:07,439
I will give it give you the best

403
00:17:11,150 --> 00:17:09,240
description that I can from what she

404
00:17:13,549 --> 00:17:11,160
told me

405
00:17:15,289 --> 00:17:13,559
now I've never seen it myself and I hope

406
00:17:17,390 --> 00:17:15,299
I never do

407
00:17:18,890 --> 00:17:17,400
she said it was standing on its hind

408
00:17:24,110 --> 00:17:18,900
legs

409
00:17:26,750 --> 00:17:24,120
but the front looked more human

410
00:17:28,970 --> 00:17:26,760
it had patches along the light cord for

411
00:17:32,510 --> 00:17:28,980
all over the body and legs

412
00:17:34,430 --> 00:17:32,520
now the top looked like the humanoid man

413
00:17:35,390 --> 00:17:34,440

while the lower part looked like an

414

00:17:38,090 --> 00:17:35,400

animal

415

00:17:42,049 --> 00:17:38,100

the face was very odd

416

00:17:44,090 --> 00:17:42,059

she called it an alien ape man

417

00:17:46,789 --> 00:17:44,100

she said that it stood about seven foot

418

00:17:49,310 --> 00:17:46,799

in height and was muscular

419

00:17:50,750 --> 00:17:49,320

she stood paralyzed with fear shining

420

00:17:53,029 --> 00:17:50,760

her light on it

421

00:17:55,010 --> 00:17:53,039

you know as it looked at her and it

422

00:17:58,130 --> 00:17:55,020

started walking on all fours out of her

423

00:18:00,770 --> 00:17:58,140

yard toward the back toward the mountain

424

00:18:02,810 --> 00:18:00,780

it did stop and look back at her a few

425

00:18:04,070 --> 00:18:02,820

times but finally disappeared into the

426
00:18:06,350 --> 00:18:04,080
dark

427
00:18:08,810 --> 00:18:06,360
now there was another counter one night

428
00:18:10,250 --> 00:18:08,820
a few weeks later her dog began acting

429
00:18:12,950 --> 00:18:10,260
up again

430
00:18:14,990 --> 00:18:12,960
he decides to stay inside she turned her

431
00:18:16,430 --> 00:18:15,000
lights off and and looked out her dining

432
00:18:18,890 --> 00:18:16,440
room window

433
00:18:21,590 --> 00:18:18,900
there was a pole light in the yard she

434
00:18:24,110 --> 00:18:21,600
was able to see it again although she

435
00:18:25,610 --> 00:18:24,120
was further away from her and not as

436
00:18:27,830 --> 00:18:25,620
detailed

437
00:18:30,049 --> 00:18:27,840
she serves the same shape and it was the

438
00:18:32,510 --> 00:18:30,059

same thing she had seen weeks earlier

439

00:18:36,470 --> 00:18:32,520

she backed away

440

00:18:38,510 --> 00:18:36,480

a few minutes and looked out again and

441

00:18:40,610 --> 00:18:38,520

it was gone now after that

442

00:18:43,610 --> 00:18:40,620

she would walk out onto the back porch

443

00:18:46,490 --> 00:18:43,620

and fire her shotgun at dusk hoping the

444

00:18:48,409 --> 00:18:46,500

creature would heed her warning

445

00:18:50,870 --> 00:18:48,419

it's been over two years now and she

446

00:18:53,750 --> 00:18:50,880

still fires a shotgun every evening the

447

00:18:55,610 --> 00:18:53,760

creature hasn't returned

448

00:18:58,070 --> 00:18:55,620

so that was kind of creepy I don't know

449

00:19:00,470 --> 00:18:58,080

what this alien 8 man is

450

00:19:02,150 --> 00:19:00,480

it was probably an upright canine but

451
00:19:03,710 --> 00:19:02,160
who knows of course when you never see

452
00:19:05,330 --> 00:19:03,720
something like that and you're trying to

453
00:19:07,310 --> 00:19:05,340
figure out what it was

454
00:19:08,450 --> 00:19:07,320
I guess you kind of caught a lot of

455
00:19:09,710 --> 00:19:08,460
different things

456
00:19:11,930 --> 00:19:09,720
so we

457
00:19:13,549 --> 00:19:11,940
um now this account

458
00:19:15,890 --> 00:19:13,559
it's from about a group of friends

459
00:19:18,470 --> 00:19:15,900
driving at night in a remote area into

460
00:19:20,270 --> 00:19:18,480
your Farmington New York

461
00:19:22,970 --> 00:19:20,280
and when they stopped to relieve

462
00:19:25,549 --> 00:19:22,980
themselves a pair of tall pale crawler

463
00:19:27,529 --> 00:19:25,559

humanites are encountered nearby now

464

00:19:31,490 --> 00:19:27,539

this count came from Cam and Kyle my

465

00:19:34,549 --> 00:19:32,029

um

466

00:19:37,730 --> 00:19:34,559

and of course they give me permission to

467

00:19:40,909 --> 00:19:37,740

use it now what they wrote was what the

468

00:19:43,789 --> 00:19:40,919

witness wrote I believe it was 2005.

469

00:19:47,090 --> 00:19:43,799

I was driving around at probably 12 30

470

00:19:49,370 --> 00:19:47,100

a.m with three of my friends in my car

471

00:19:51,230 --> 00:19:49,380

now we stopped so my friend and I could

472

00:19:54,230 --> 00:19:51,240

relieve ourselves off a kind of Daga

473

00:19:56,090 --> 00:19:54,240

road down a dirt driveway I knew the

474

00:19:58,549 --> 00:19:56,100

driveway was there having seen it during

475

00:20:00,710 --> 00:19:58,559

the daytime it was just a place where

476
00:20:02,570 --> 00:20:00,720
the town of Farmington New York which is

477
00:20:05,390 --> 00:20:02,580
Ontario County

478
00:20:07,190 --> 00:20:05,400
with dump old asphalt

479
00:20:09,230 --> 00:20:07,200
I was on the driver's side of the car my

480
00:20:12,049 --> 00:20:09,240
friend was on the passenger side

481
00:20:13,070 --> 00:20:12,059
and uh both of us looking in opposite

482
00:20:14,990 --> 00:20:13,080
directions

483
00:20:18,230 --> 00:20:15,000
now I saw something on the top of a

484
00:20:20,450 --> 00:20:18,240
small hill maybe 50 Foot In Front of Me

485
00:20:22,610 --> 00:20:20,460
I thought it was a tree initially but it

486
00:20:25,250 --> 00:20:22,620
turned and started moving from my left

487
00:20:28,610 --> 00:20:25,260
to my right it was very tall at least

488
00:20:31,490 --> 00:20:28,620

eight foot maybe 10 foot extremely long

489

00:20:33,529 --> 00:20:31,500

arms that stretched down to their knees

490

00:20:36,289 --> 00:20:33,539

it was gray or white in color and had

491

00:20:39,409 --> 00:20:36,299

somewhat of a small head

492

00:20:42,049 --> 00:20:39,419

now the words that came to me were what

493

00:20:44,270 --> 00:20:42,059

the f is that but before I could utter

494

00:20:46,250 --> 00:20:44,280

it my friend said the same thing

495

00:20:47,510 --> 00:20:46,260

I turned to get back into the coral

496

00:20:49,970 --> 00:20:47,520

which was left running but the

497

00:20:51,770 --> 00:20:49,980

headlights but with headlights off and I

498

00:20:52,909 --> 00:20:51,780

saw another one in the direction he was

499

00:20:55,070 --> 00:20:52,919

facing

500

00:20:56,510 --> 00:20:55,080

it was absolutely terrifying and if I

501
00:20:58,610 --> 00:20:56,520
had a gun with me

502
00:21:01,970 --> 00:20:58,620
I wouldn't have done anything but what I

503
00:21:03,770 --> 00:21:01,980
did was drive away as fast as possible

504
00:21:05,330 --> 00:21:03,780
now the other people in a car caught a

505
00:21:07,789 --> 00:21:05,340
glimpse of these creatures but not as

506
00:21:09,590 --> 00:21:07,799
well as my friend Rob and I now

507
00:21:12,470 --> 00:21:09,600
initially

508
00:21:14,810 --> 00:21:12,480
I could only assume they were aliens

509
00:21:17,270 --> 00:21:14,820
they did not look like a monkey or a

510
00:21:19,430 --> 00:21:17,280
Bigfoot or anything like that it had no

511
00:21:21,590 --> 00:21:19,440
fur hair and was skinny and just very

512
00:21:24,350 --> 00:21:21,600
scary looking I assume they were very

513
00:21:26,210 --> 00:21:24,360

dangerous and of all the time I've spent

514

00:21:28,010 --> 00:21:26,220

outdoors in the woods in the rural

515

00:21:30,409 --> 00:21:28,020

mountainous areas I've never come across

516

00:21:32,870 --> 00:21:30,419

anything like it now after that

517

00:21:35,029 --> 00:21:32,880

I hadn't seen Robin several years as we

518

00:21:37,430 --> 00:21:35,039

lost contact with each other I ran into

519

00:21:39,770 --> 00:21:37,440

him at a gas station about eight years

520

00:21:41,930 --> 00:21:39,780

ago and the first thing he said to me

521

00:21:44,270 --> 00:21:41,940

was Hey do you remember when we saw

522

00:21:47,510 --> 00:21:44,280

those things in the middle of nowhere

523

00:21:49,970 --> 00:21:47,520

memory to to him was just the same as

524

00:21:51,710 --> 00:21:49,980

mine and upon seeing me that's the first

525

00:21:52,730 --> 00:21:51,720

thing that popped in his head as well as

526

00:21:55,190 --> 00:21:52,740

mine

527

00:21:57,110 --> 00:21:55,200

now recently speaking to a friend of

528

00:21:59,570 --> 00:21:57,120

mine who has a lot of interest in

529

00:22:01,789 --> 00:21:59,580

Supernatural and paranormal things I

530

00:22:03,890 --> 00:22:01,799

told her the story and she suggested

531

00:22:05,750 --> 00:22:03,900

that they were Skin Walkers

532

00:22:08,630 --> 00:22:05,760

she found some pictures that were

533

00:22:10,490 --> 00:22:08,640

animated of what they might look like I

534

00:22:13,010 --> 00:22:10,500

definitely think that is what we had

535

00:22:14,930 --> 00:22:13,020

seen out there at that that night

536

00:22:18,169 --> 00:22:14,940

I would absolutely love some insight

537

00:22:19,970 --> 00:22:18,179

into what these things are and why they

538

00:22:22,669 --> 00:22:19,980

may have been there

539

00:22:23,510 --> 00:22:22,679

it does terrify him to think some type

540

00:22:25,669 --> 00:22:23,520

of

541

00:22:27,710 --> 00:22:25,679

ominous purpose that they have some type

542

00:22:30,470 --> 00:22:27,720

of ominous purpose or could have been

543

00:22:32,029 --> 00:22:30,480

dangerous but I'd still love to know um

544

00:22:34,549 --> 00:22:32,039

thanks for taking the time to get back

545

00:22:37,850 --> 00:22:34,559

to me and read this I will attach a

546

00:22:40,070 --> 00:22:37,860

picture my friend sent me which was I

547

00:22:43,130 --> 00:22:40,080

didn't get any picture

548

00:22:45,649 --> 00:22:43,140

um now

549

00:22:48,470 --> 00:22:45,659

of course I I think they sold some pale

550

00:22:51,590 --> 00:22:48,480

humanoids some crawl or humanoids

551
00:22:53,990 --> 00:22:51,600
of course 2005 we weren't hearing a lot

552
00:22:56,029 --> 00:22:54,000
about these things and in fact I don't

553
00:22:58,909 --> 00:22:56,039
even know if I had heard about any of

554
00:23:00,770 --> 00:22:58,919
these things before that period of time

555
00:23:04,010 --> 00:23:00,780
but uh

556
00:23:06,470 --> 00:23:04,020
that area in that area is Ontario County

557
00:23:09,590 --> 00:23:06,480
is not far from Rochester

558
00:23:11,810 --> 00:23:09,600
uh which is just on Lake Ontario so

559
00:23:14,149 --> 00:23:11,820
there's um we have had a few sightings

560
00:23:16,310 --> 00:23:14,159
of a few alien type beings up there over

561
00:23:18,529 --> 00:23:16,320
time I don't know if I have had any pale

562
00:23:20,570 --> 00:23:18,539
Crow or sightings

563
00:23:21,950 --> 00:23:20,580

but um that's interesting so I don't

564

00:23:24,110 --> 00:23:21,960

know what they I don't know what they

565

00:23:26,510 --> 00:23:24,120

saw but I'm assuming they weren't Skin

566

00:23:28,070 --> 00:23:26,520

Walkers I'm assuming that they're Pro or

567

00:23:31,430 --> 00:23:28,080

humanoids

568

00:23:34,909 --> 00:23:31,440

now um I'm going to talk about

569

00:23:36,890 --> 00:23:34,919

two um winged humanoid cases we had in

570

00:23:39,409 --> 00:23:36,900

the Chicago area

571

00:23:41,810 --> 00:23:39,419

um one we just got the other day so this

572

00:23:43,490 --> 00:23:41,820

first one was a couple weeks ago a Wayne

573

00:23:45,770 --> 00:23:43,500

Illinois resident had an encounter with

574

00:23:46,789 --> 00:23:45,780

a winged humanoid or a trial wingnery's

575

00:23:48,470 --> 00:23:46,799

home

576

00:23:50,390 --> 00:23:48,480

now the humanoid flew in front of the

577

00:23:52,610 --> 00:23:50,400

vehicle without use of its wings a

578

00:23:55,490 --> 00:23:52,620

common trait with these incidents

579

00:23:58,909 --> 00:23:55,500

now I talked to my telephone the witness

580

00:24:00,950 --> 00:23:58,919

and I his initial am

581

00:24:03,350 --> 00:24:00,960

about the encounter that he had with

582

00:24:06,169 --> 00:24:03,360

this the wing humanoid in mid-september

583

00:24:10,370 --> 00:24:06,179

of 2022 at the intersection Smith Road

584

00:24:12,710 --> 00:24:10,380

and mount Ash Drive in Wayne Illinois

585

00:24:15,409 --> 00:24:12,720

it was approximately 10 p.m local time

586

00:24:17,870 --> 00:24:15,419

while a.m and a passenger for traveling

587

00:24:20,210 --> 00:24:17,880

south on Mountain Ash Drive which is

588

00:24:22,370 --> 00:24:20,220

near where they live when he reached the

589

00:24:25,250 --> 00:24:22,380

intersection with Smith Road

590

00:24:28,789 --> 00:24:25,260

he states that a six or seven foot long

591

00:24:30,830 --> 00:24:28,799

black human-like figure swiftly swooped

592

00:24:32,090 --> 00:24:30,840

in front of his vehicle about 10 foot in

593

00:24:33,830 --> 00:24:32,100

front of him

594

00:24:36,169 --> 00:24:33,840

the wings and arms were tucked against

595

00:24:38,450 --> 00:24:36,179

the body and it quickly glided from east

596

00:24:40,909 --> 00:24:38,460

to west very close to the road

597

00:24:44,270 --> 00:24:40,919

and the headlights illuminated the wing

598

00:24:46,190 --> 00:24:44,280

humanoid the encounter was so fast that

599

00:24:47,810 --> 00:24:46,200

he could not make out the facial

600

00:24:50,330 --> 00:24:47,820

features but the body and head were very

601
00:24:52,669 --> 00:24:50,340
human-like now em has not previously

602
00:24:55,010 --> 00:24:52,679
been aware of the wing

603
00:24:56,990 --> 00:24:55,020
humanoid phenomenon Chicagoland area and

604
00:24:58,789 --> 00:24:57,000
he found out later after searching for

605
00:25:02,149 --> 00:24:58,799
an answer to his encounter so of course

606
00:25:04,789 --> 00:25:02,159
that's how he contacted me now there was

607
00:25:08,210 --> 00:25:04,799
another setting nearby in Carol's Stream

608
00:25:09,770 --> 00:25:08,220
Illinois on this in the same year so uh

609
00:25:13,190 --> 00:25:09,780
you know it's possible it could have

610
00:25:18,950 --> 00:25:16,250
so this next report in this recent

611
00:25:21,289 --> 00:25:18,960
report this is pretty interesting

612
00:25:23,870 --> 00:25:21,299
um this was reported to manual navred or

613
00:25:26,049 --> 00:25:23,880

a UFO Clearinghouse and of course manual

614

00:25:28,130 --> 00:25:26,059

is part of the family

615

00:25:31,850 --> 00:25:28,140

research team

616

00:25:34,970 --> 00:25:31,860

now this witness stated in an email to

617

00:25:37,130 --> 00:25:34,980

Manuel I was just hanging out with my

618

00:25:39,350 --> 00:25:37,140

friends in the alley behind a pandiara

619

00:25:41,990 --> 00:25:39,360

which is a Mexican bakery

620

00:25:44,570 --> 00:25:42,000

we use the alley in the parking lot the

621

00:25:47,149 --> 00:25:44,580

skateboard and just hang out around and

622

00:25:48,710 --> 00:25:47,159

talk hang around and talk there were

623

00:25:50,269 --> 00:25:48,720

five of us and we saw this thing

624

00:25:52,130 --> 00:25:50,279

Standing On Top of the flea market

625

00:25:54,769 --> 00:25:52,140

across the parking lot

626

00:25:58,370 --> 00:25:54,779

it looked like a large man but it had

627

00:26:00,950 --> 00:25:58,380

wings that were wider than a car

628

00:26:03,289 --> 00:26:00,960

it was watching us and it had very

629

00:26:05,390 --> 00:26:03,299

bright red eyes that looked like the

630

00:26:07,490 --> 00:26:05,400

tail lights of a car

631

00:26:10,070 --> 00:26:07,500

it stood there making these chirping

632

00:26:12,169 --> 00:26:10,080

noises that we could clearly hear even

633

00:26:13,909 --> 00:26:12,179

from across the parking lot

634

00:26:15,649 --> 00:26:13,919

now it stood there for about a minute

635

00:26:17,870 --> 00:26:15,659

watching us

636

00:26:20,330 --> 00:26:17,880

it made us all feel like we were in

637

00:26:23,210 --> 00:26:20,340

danger and that it was it was after us

638

00:26:25,549 --> 00:26:23,220

it then shot straight into the air and

639

00:26:28,130 --> 00:26:25,559

flew over us the entire time it kept

640

00:26:30,890 --> 00:26:28,140

watching us as it flew over

641

00:26:33,890 --> 00:26:30,900

and my friend wanted to run but we told

642

00:26:35,750 --> 00:26:33,900

him to stay still or it might chase us

643

00:26:38,750 --> 00:26:35,760

and uh

644

00:26:41,810 --> 00:26:38,760

you know it would lead to where we lived

645

00:26:44,090 --> 00:26:41,820

um a silently prayed the leversion to

646

00:26:46,310 --> 00:26:44,100

Guadalupe for protection

647

00:26:48,049 --> 00:26:46,320

and this thing kept flying away from us

648

00:26:51,470 --> 00:26:48,059

and headed off in the direction of the

649

00:26:54,830 --> 00:26:51,480

arch now the arch is actually on that's

650

00:26:57,470 --> 00:26:54,840

26 North 26th Street

651

00:27:00,049 --> 00:26:57,480

which is like a Gateway this part of

652

00:27:01,549 --> 00:27:00,059

little village has gateways or arches

653

00:27:03,830 --> 00:27:01,559

that go across the road to welcome

654

00:27:07,130 --> 00:27:03,840

people into the area and this is we're

655

00:27:08,090 --> 00:27:07,140

actually right beside the uh the bakery

656

00:27:10,669 --> 00:27:08,100

um

657

00:27:12,890 --> 00:27:10,679

it made us all very scared and when we

658

00:27:14,690 --> 00:27:12,900

talked about it the next day we felt

659

00:27:17,810 --> 00:27:14,700

that one of my friends ex-girlfriends

660

00:27:19,250 --> 00:27:17,820

may have sent it after us she practiced

661

00:27:21,649 --> 00:27:19,260

progeria

662

00:27:22,669 --> 00:27:21,659

and it just seems like something she

663

00:27:26,390 --> 00:27:22,679

would do

664

00:27:29,750 --> 00:27:26,400

now if it was meant to scare us then it

665

00:27:32,210 --> 00:27:29,760

did what it was supposed to do as all of

666

00:27:35,870 --> 00:27:32,220

us were scared out a real witch now

667

00:27:37,370 --> 00:27:35,880

Manuel talked to the witness and

668

00:27:39,950 --> 00:27:37,380

um

669

00:27:43,730 --> 00:27:39,960

he said that this setting took place on

670

00:27:47,029 --> 00:27:43,740

Sunday February 5th which was just um

671

00:27:50,210 --> 00:27:47,039

three days ago at about 11 p.m in the

672

00:27:52,010 --> 00:27:50,220

little village neighborhood of Chicago

673

00:27:54,529 --> 00:27:52,020

he said I talked to the initial witness

674

00:27:56,810 --> 00:27:54,539

and made the report and he states that

675

00:27:59,149 --> 00:27:56,820

they usually go out

676

00:28:02,510 --> 00:27:59,159

uh to the parking lot and Alley area

677

00:28:04,370 --> 00:28:02,520

behind La bequette Bakery a local bakery

678

00:28:07,549 --> 00:28:04,380

that's been a staple the little village

679

00:28:10,130 --> 00:28:07,559

neighborhood for countless years

680

00:28:11,810 --> 00:28:10,140

they used the area to skateboard it was

681

00:28:14,090 --> 00:28:11,820

relatively safe place to hang out

682

00:28:16,130 --> 00:28:14,100

without having to leave the neighborhood

683

00:28:20,269 --> 00:28:16,140

now they asked me it was about

684

00:28:22,730 --> 00:28:20,279

11 to 11 30 PM it was clear and not as

685

00:28:25,370 --> 00:28:22,740

cool as it had been the last few weeks

686

00:28:27,350 --> 00:28:25,380

they report a clear moonlit night and

687

00:28:28,610 --> 00:28:27,360

that they were relatively alone in the

688

00:28:31,370 --> 00:28:28,620

parking lot

689

00:28:34,070 --> 00:28:31,380

now the entity was cited perched on the

690

00:28:36,169 --> 00:28:34,080

roof of the local flea market which sits

691

00:28:38,269 --> 00:28:36,179

on the same parking lot about 50 yards

692

00:28:40,690 --> 00:28:38,279

from where they were now the witness

693

00:28:43,010 --> 00:28:40,700

states that it was a pitch black

694

00:28:45,350 --> 00:28:43,020

humanoid-shaped entity that he guessed

695

00:28:48,350 --> 00:28:45,360

was at least seven foot tall but was

696

00:28:51,110 --> 00:28:48,360

unsure and I had Enormous Wings that he

697

00:28:53,330 --> 00:28:51,120

stated were as wide as a car

698

00:28:55,010 --> 00:28:53,340

now the witness describes the creature

699

00:28:57,289 --> 00:28:55,020

had bright red eyes

700

00:28:59,330 --> 00:28:57,299

and he compared it to the intensive

701
00:29:02,269 --> 00:28:59,340
Core

702
00:29:05,990 --> 00:29:02,279
headlights or you know back lights

703
00:29:07,850 --> 00:29:06,000
the uh the group said they felt scared

704
00:29:09,529 --> 00:29:07,860
like this thing was after them and one

705
00:29:10,970 --> 00:29:09,539
of the group felt like running but his

706
00:29:13,310 --> 00:29:10,980
friends stopped them they feared it

707
00:29:16,370 --> 00:29:13,320
would trigger pre-response by The Entity

708
00:29:17,750 --> 00:29:16,380
that would follow them home now the

709
00:29:19,669 --> 00:29:17,760
witness stated

710
00:29:22,070 --> 00:29:19,679
that I watched them from Atop The

711
00:29:24,470 --> 00:29:22,080
Building before taking flight even in

712
00:29:25,669 --> 00:29:24,480
Flight The Entity did not take its eyes

713
00:29:28,010 --> 00:29:25,679

off of them

714

00:29:30,049 --> 00:29:28,020
and eventually flew out of sight

715

00:29:31,669 --> 00:29:30,059
now when asked what the witnesses

716

00:29:33,649 --> 00:29:31,679
thoughts on the sighting were He

717

00:29:36,830 --> 00:29:33,659
suggests that maybe it was sent by his

718

00:29:39,110 --> 00:29:36,840
friend's ex-girlfriend he recounted that

719

00:29:41,810 --> 00:29:39,120
they had broken up recently and she had

720

00:29:43,850 --> 00:29:41,820
been very upset about the breakup the X

721

00:29:47,330 --> 00:29:43,860
was known to be a practitioner of

722

00:29:48,830 --> 00:29:47,340
Mexican witchcraft known as bruggerio

723

00:29:50,630 --> 00:29:48,840
I have reached out to the other

724

00:29:52,850 --> 00:29:50,640
Witnesses through their friend and have

725

00:29:54,830 --> 00:29:52,860
yet to hear back from them I will

726

00:29:57,049 --> 00:29:54,840

attempt to reach out again a few days

727

00:29:58,789 --> 00:29:57,059

and any updates will be posted on the

728

00:30:00,409 --> 00:29:58,799

website and of course I will update it

729

00:30:01,549 --> 00:30:00,419

as well

730

00:30:03,049 --> 00:30:01,559

um

731

00:30:06,350 --> 00:30:03,059

now

732

00:30:09,769 --> 00:30:06,360

Vincent's got the uh the map and some of

733

00:30:11,350 --> 00:30:09,779

the graphics I had made up for this

734

00:30:14,990 --> 00:30:11,360

um

735

00:30:17,630 --> 00:30:15,000

and uh now the Bakery location

736

00:30:22,010 --> 00:30:17,640

it's not it's not North 26 West 26

737

00:30:24,289 --> 00:30:22,020

excuse me is uh 3117 West 26th Street in

738

00:30:26,330 --> 00:30:24,299

the Little Village Plaza

739

00:30:28,610 --> 00:30:26,340

uh the flea market which is actually

740

00:30:30,710 --> 00:30:28,620

named the discount mall

741

00:30:32,450 --> 00:30:30,720

is southwest of the bakery on the

742

00:30:34,549 --> 00:30:32,460

opposite side of the parking lot the

743

00:30:36,889 --> 00:30:34,559

distance between the witnesses

744

00:30:39,470 --> 00:30:36,899

in the winged humanoid according to the

745

00:30:40,850 --> 00:30:39,480

map key was approximately 150 to 200

746

00:30:43,310 --> 00:30:40,860

feet

747

00:30:45,409 --> 00:30:43,320

now this is the eighth confirmed

748

00:30:47,990 --> 00:30:45,419

sighting encounter reported in Little

749

00:30:49,970 --> 00:30:48,000

Village along with three other possible

750

00:30:52,730 --> 00:30:49,980

sightings in the same Community that's

751
00:30:55,430 --> 00:30:52,740
since 2017.

752
00:30:56,870 --> 00:30:55,440
so of course uh you know we're gonna

753
00:30:58,610 --> 00:30:56,880
follow up on this and we're getting more

754
00:30:59,930 --> 00:30:58,620
information and of course we've been

755
00:31:01,430 --> 00:30:59,940
getting a lot of sightings lately

756
00:31:04,549 --> 00:31:01,440
especially at the airport

757
00:31:05,870 --> 00:31:04,559
but I I suspect and this is kind of how

758
00:31:07,730 --> 00:31:05,880
it happened

759
00:31:10,130 --> 00:31:07,740
a couple years

760
00:31:11,149 --> 00:31:10,140
when you know you're becoming out of the

761
00:31:13,850 --> 00:31:11,159
winner

762
00:31:16,250 --> 00:31:13,860
uh into early spring and then we start

763
00:31:18,710 --> 00:31:16,260

getting a bunch of sightings so maybe

764

00:31:22,370 --> 00:31:18,720

that's what's going on now if you've got

765

00:31:24,889 --> 00:31:22,380

questions uh post them and

766

00:31:27,049 --> 00:31:24,899

um I'll look at them

767

00:31:29,269 --> 00:31:27,059

Bernadette ass has anyone ever been

768

00:31:31,070 --> 00:31:29,279

attacked by a Glimmer Man not that I

769

00:31:32,570 --> 00:31:31,080

know of

770

00:31:35,029 --> 00:31:32,580

um

771

00:31:37,370 --> 00:31:35,039

it seems to me that they they don't

772

00:31:38,810 --> 00:31:37,380

really want to be known

773

00:31:40,130 --> 00:31:38,820

um that they're there

774

00:31:41,510 --> 00:31:40,140

there's been all kind you know there's

775

00:31:42,769 --> 00:31:41,520

been all kinds of theories about what

776
00:31:44,990 --> 00:31:42,779
they are

777
00:31:46,669 --> 00:31:45,000
uh cloaked

778
00:31:48,470 --> 00:31:46,679
um Bigfoot

779
00:31:50,510 --> 00:31:48,480
aliens

780
00:31:53,630 --> 00:31:50,520
whatever you know

781
00:31:56,389 --> 00:31:53,640
um but we always get this description of

782
00:31:59,810 --> 00:31:56,399
uh the cloaked glimmering effect or

783
00:32:01,610 --> 00:31:59,820
glass scene effect that people saw in

784
00:32:03,409 --> 00:32:01,620
the movie Predator or any other Predator

785
00:32:05,870 --> 00:32:03,419
movies

786
00:32:08,389 --> 00:32:05,880
and I always think I always think back

787
00:32:09,950 --> 00:32:08,399
that these glimmer men maybe the guy who

788
00:32:11,990 --> 00:32:09,960

wrote the script for this had actually

789

00:32:13,370 --> 00:32:12,000

seen something like this and used it I

790

00:32:14,750 --> 00:32:13,380

don't know

791

00:32:16,970 --> 00:32:14,760

but

792

00:32:20,330 --> 00:32:16,980

this does pop up once in a while this is

793

00:32:22,730 --> 00:32:20,340

a phenomena that has been somewhat known

794

00:32:26,510 --> 00:32:22,740

by us now for about a decade

795

00:32:28,490 --> 00:32:26,520

so uh just like the the the image that

796

00:32:30,110 --> 00:32:28,500

Vincent just put up that's what people

797

00:32:33,470 --> 00:32:30,120

describe it as sometimes they have

798

00:32:36,529 --> 00:32:33,480

bright yellow eyes bright red eyes

799

00:32:39,409 --> 00:32:36,539

uh but it's it's very similar to what is

800

00:32:42,289 --> 00:32:39,419

in the movie so I I don't know

801
00:32:44,510 --> 00:32:42,299
uh Jose Sanchez maybe it was a cloaked

802
00:32:47,510 --> 00:32:44,520
phase or some kind of evil spirit I

803
00:32:49,250 --> 00:32:47,520
don't know that I guess it could be

804
00:32:51,769 --> 00:32:49,260
um

805
00:32:52,610 --> 00:32:51,779
you know we have really no idea what it

806
00:33:01,190 --> 00:32:52,620
is

807
00:33:07,310 --> 00:33:04,070
it got me thinking I mean now why all of

808
00:33:09,470 --> 00:33:07,320
a sudden is Zach's showing up now you

809
00:33:11,029 --> 00:33:09,480
know it seems like for whatever reason

810
00:33:13,190 --> 00:33:11,039
Chicago is

811
00:33:15,830 --> 00:33:13,200
is a hub for a lot of this stuff and of

812
00:33:17,810 --> 00:33:15,840
course the UFO sightings we've had for

813
00:33:20,570 --> 00:33:17,820

years and of course the wing human noise

814

00:33:23,029 --> 00:33:20,580

we had these these humanoid sightings

815

00:33:25,310 --> 00:33:23,039

associated with the wing humanoids and

816

00:33:26,630 --> 00:33:25,320

in some of the green areas around the

817

00:33:31,370 --> 00:33:26,640

Chicago area

818

00:33:37,730 --> 00:33:33,529

we have had reptilian sightings along

819

00:33:39,830 --> 00:33:37,740

the lake front years before that

820

00:33:41,930 --> 00:33:39,840

um not necessarily in Chicago but along

821

00:33:45,590 --> 00:33:41,940

the lakefront even if the other side in

822

00:33:47,750 --> 00:33:45,600

in Michigan so uh who knows who knows

823

00:33:49,730 --> 00:33:47,760

what's what's going on is it associated

824

00:33:51,889 --> 00:33:49,740

with the lake is it just associated with

825

00:33:54,409 --> 00:33:51,899

whatever's going on there and of course

826

00:33:55,430 --> 00:33:54,419

Chicago is well known for Paranormal

827

00:33:58,190 --> 00:33:55,440

Activity

828

00:33:59,990 --> 00:33:58,200

you know it's there's a lot of hauntings

829

00:34:01,669 --> 00:34:00,000

a lot of stories that have come out of

830

00:34:06,590 --> 00:34:01,679

Chicago over the years

831

00:34:08,750 --> 00:34:06,600

so um who knows Jose asked uh how much

832

00:34:12,290 --> 00:34:08,760

can those Hogs weigh whatever it was

833

00:34:13,430 --> 00:34:12,300

extremely strong as Nancy mentioned

834

00:34:16,970 --> 00:34:13,440

um

835

00:34:19,310 --> 00:34:16,980

a 250 pound hog is a big Hulk

836

00:34:21,169 --> 00:34:19,320

um I don't know if you're used to seeing

837

00:34:23,089 --> 00:34:21,179

I've seen feral Hogs they get pretty

838

00:34:24,530 --> 00:34:23,099

good size

839

00:34:26,149 --> 00:34:24,540

um they're not they're not as big as

840

00:34:27,829 --> 00:34:26,159

domestics of course they're feral

841

00:34:29,869 --> 00:34:27,839

they're probably domestics that got

842

00:34:32,149 --> 00:34:29,879

loose and then turned feral

843

00:34:35,389 --> 00:34:32,159

but they're pretty muscular

844

00:34:38,030 --> 00:34:35,399

uh I kind of describe them looking a lot

845

00:34:39,770 --> 00:34:38,040

like a boar wild boar that's how big

846

00:34:41,210 --> 00:34:39,780

they are but that's a pretty good-sized

847

00:34:43,070 --> 00:34:41,220

hog now if this thing was that big and

848

00:34:44,869 --> 00:34:43,080

ripped it out well

849

00:34:50,810 --> 00:34:44,879

you know

850

00:34:53,149 --> 00:34:50,820

Vincent wants to know have you heard

851
00:34:55,070 --> 00:34:53,159
other missing time with Bigfoot or

852
00:34:57,650 --> 00:34:55,080
Dogman

853
00:35:00,230 --> 00:34:57,660
uh

854
00:35:02,810 --> 00:35:00,240
it's rare

855
00:35:05,150 --> 00:35:02,820
there have been not necessarily dog man

856
00:35:07,670 --> 00:35:05,160
but Bigfoot we have heard where people

857
00:35:09,950 --> 00:35:07,680
seem to go in some type of Trance

858
00:35:11,810 --> 00:35:09,960
and the thing is gone and they they

859
00:35:13,010 --> 00:35:11,820
realize they've lost a little bit of

860
00:35:15,349 --> 00:35:13,020
time

861
00:35:18,290 --> 00:35:15,359
is this some type of mechanism they use

862
00:35:19,490 --> 00:35:18,300
to kind of hide themselves and get away

863
00:35:21,710 --> 00:35:19,500

I don't know

864

00:35:24,589 --> 00:35:21,720

but it does seem that that that is very

865

00:35:31,609 --> 00:35:28,069

Boulder Nelson Bigfoot how do they find

866

00:35:33,890 --> 00:35:31,619

us I swear found my way home after many

867

00:35:35,630 --> 00:35:33,900

encounters five miles away through the

868

00:35:38,990 --> 00:35:35,640

woods mountains

869

00:35:42,109 --> 00:35:39,000

I mean do they get an imprint of

870

00:35:44,329 --> 00:35:42,119

somebody they encounter

871

00:35:46,430 --> 00:35:44,339

I guess it's possible

872

00:35:48,230 --> 00:35:46,440

I mean you know do they have did they

873

00:35:51,829 --> 00:35:48,240

have that instinct just like a dog would

874

00:35:53,870 --> 00:35:51,839

have where they would get a a sniff for

875

00:35:57,650 --> 00:35:53,880

somebody then then be able to pick them

876

00:35:59,210 --> 00:35:57,660

up you're you know miles and miles away

877

00:36:02,270 --> 00:35:59,220

I don't know I don't know if they have

878

00:36:05,810 --> 00:36:02,280

that ability or not in this case

879

00:36:07,670 --> 00:36:05,820

since it was probably an upright canine

880

00:36:10,250 --> 00:36:07,680

maybe it did have the ability now

881

00:36:12,290 --> 00:36:10,260

therefore as Bigfoot go I have heard

882

00:36:13,370 --> 00:36:12,300

stories where they have gone miles and

883

00:36:15,530 --> 00:36:13,380

miles

884

00:36:17,329 --> 00:36:15,540

and have been able to pick up on people

885

00:36:20,089 --> 00:36:17,339

that they've had an encounter with it's

886

00:36:22,490 --> 00:36:20,099

very rare but it does happen

887

00:36:25,490 --> 00:36:22,500

so who knows

888

00:36:27,650 --> 00:36:25,500

uh Vincent wants to know do you think

889

00:36:31,250 --> 00:36:27,660

this is tied to Hispanic dark magic

890

00:36:32,930 --> 00:36:31,260

Chicago yeah I you know it might be you

891

00:36:35,690 --> 00:36:32,940

know this is something we haven't we

892

00:36:37,970 --> 00:36:35,700

have talked about since the beginning

893

00:36:40,130 --> 00:36:37,980

uh especially with these sightings in

894

00:36:44,089 --> 00:36:40,140

the little village neighborhoods since

895

00:36:45,829 --> 00:36:44,099

it's in the most the uh Hispanic

896

00:36:48,050 --> 00:36:45,839

populations very

897

00:36:51,230 --> 00:36:48,060

very heavy

898

00:36:53,270 --> 00:36:51,240

um most of the stores are are Mexican or

899

00:36:55,730 --> 00:36:53,280

Hispanic in nature

900

00:36:58,550 --> 00:36:55,740

uh there's a lot of uh and of course

901
00:37:01,550 --> 00:36:58,560
Manuel since he's hispanic he knows of a

902
00:37:05,390 --> 00:37:01,560
lot of this the brugiera

903
00:37:08,450 --> 00:37:05,400
um the other forms the occult some

904
00:37:10,910 --> 00:37:08,460
related to religions such are very ripe

905
00:37:14,390 --> 00:37:10,920
many times we get sightings

906
00:37:17,810 --> 00:37:14,400
in these Hispanic areas and um

907
00:37:19,970 --> 00:37:17,820
people call them demons

908
00:37:22,910 --> 00:37:19,980
or some type of

909
00:37:24,290 --> 00:37:22,920
some type of summon being

910
00:37:26,870 --> 00:37:24,300
you know we have thought about that

911
00:37:29,270 --> 00:37:26,880
summon being possibility as well you

912
00:37:31,370 --> 00:37:29,280
know it may be related to what you know

913
00:37:33,290 --> 00:37:31,380

I believe the the multimed at Point

914

00:37:36,250 --> 00:37:33,300

Pleasant was summoned being

915

00:37:38,870 --> 00:37:36,260

and again I had mentioned this earlier

916

00:37:41,569 --> 00:37:38,880

uh most of the sightings that we have

917

00:37:44,329 --> 00:37:41,579

had in the Chicago area the Witnesses

918

00:37:46,069 --> 00:37:44,339

are Hispanic that's something we we

919

00:37:47,810 --> 00:37:46,079

haven't been able to track down or

920

00:37:51,710 --> 00:37:47,820

figure out why

921

00:37:54,770 --> 00:37:51,720

or because of their their

922

00:37:56,690 --> 00:37:54,780

the lore or their beliefs are they more

923

00:37:58,730 --> 00:37:56,700

prone to um

924

00:38:00,530 --> 00:37:58,740

to seeing these things I I guess that's

925

00:38:03,589 --> 00:38:00,540

entirely possible

926

00:38:05,750 --> 00:38:03,599

but uh it it is you know we have gone

927

00:38:07,910 --> 00:38:05,760

back and have looked at the witnesses

928

00:38:09,950 --> 00:38:07,920

and it is it's definitely over 50

929

00:38:11,450 --> 00:38:09,960

percent have been Hispanic

930

00:38:14,990 --> 00:38:11,460

so

931

00:38:18,230 --> 00:38:15,000

uh Jose asked uh he mentioned it had red

932

00:38:20,329 --> 00:38:18,240

eyes like tail light of a car so red not

933

00:38:21,829 --> 00:38:20,339

lit or with a light source it was

934

00:38:23,630 --> 00:38:21,839

projected light

935

00:38:25,910 --> 00:38:23,640

and which is what we're getting with a

936

00:38:28,069 --> 00:38:25,920

lot of these they're they're just not

937

00:38:30,349 --> 00:38:28,079

you know this just isn't reflected light

938

00:38:31,490 --> 00:38:30,359

with it like an animal's eyes or a dog's

939

00:38:33,589 --> 00:38:31,500

eyes or what

940

00:38:36,349 --> 00:38:33,599

these are projected like when I had my

941

00:38:38,810 --> 00:38:36,359

encounter with the the red-eyed winged

942

00:38:40,550 --> 00:38:38,820

humanoid it was projected light it's

943

00:38:43,910 --> 00:38:40,560

just like I had two spotlights looking

944

00:38:45,950 --> 00:38:43,920

at me and that's pretty well with people

945

00:38:48,109 --> 00:38:45,960

um but people mention

946

00:38:49,670 --> 00:38:48,119

uh here in Chicago in the areas around

947

00:38:51,290 --> 00:38:49,680

so um

948

00:38:54,109 --> 00:38:51,300

I don't know

949

00:38:56,690 --> 00:38:54,119

Nancy Malcolm could there be a family

950

00:38:58,490 --> 00:38:56,700

curse or some family ties between the

951
00:38:59,650 --> 00:38:58,500
Hispanics and the Mothman I guess it

952
00:39:04,730 --> 00:38:59,660
could be

953
00:39:09,290 --> 00:39:06,890
maybe it has something to do with the

954
00:39:12,050 --> 00:39:09,300
occult uh that's something we've looked

955
00:39:15,290 --> 00:39:12,060
into we haven't really found any any

956
00:39:16,730 --> 00:39:15,300
correlation for that

957
00:39:18,890 --> 00:39:16,740
um you know some of some of the

958
00:39:21,650 --> 00:39:18,900
sightings are some of these these

959
00:39:24,109 --> 00:39:21,660
Witnesses have been described as being a

960
00:39:25,069 --> 00:39:24,119
lekusas

961
00:39:31,430 --> 00:39:25,079
um

962
00:39:35,030 --> 00:39:31,440
and these weren't white but the light

963
00:39:37,750 --> 00:39:35,040

large white owl supernatural being

964

00:39:41,450 --> 00:39:37,760

that is pretty well known pretty well

965

00:39:43,550 --> 00:39:41,460

seen in the Rio Grande area both sides

966

00:39:46,069 --> 00:39:43,560

in Texas and Mexico

967

00:39:47,569 --> 00:39:46,079

so um

968

00:39:49,130 --> 00:39:47,579

I don't know I don't know if it is or

969

00:39:50,990 --> 00:39:49,140

not but you know it's it's worth

970

00:39:52,130 --> 00:39:51,000

considering and the fact that we do know

971

00:39:55,430 --> 00:39:52,140

now that

972

00:39:59,150 --> 00:39:55,440

a vast majority of these people who are

973

00:40:01,670 --> 00:39:59,160

witnesses are of Hispanic heritage

974

00:40:03,470 --> 00:40:01,680

yeah I mean uh I think there's something

975

00:40:06,230 --> 00:40:03,480

to that so that's something we'll

976

00:40:07,970 --> 00:40:06,240

continue to look into

977

00:40:13,609 --> 00:40:07,980

so is there anything else

978

00:40:17,210 --> 00:40:15,109

Vincent wants to know why are they

979

00:40:20,810 --> 00:40:17,220

showing up well if I knew that I'd

980

00:40:24,069 --> 00:40:22,550

you know this is you know we really

981

00:40:28,190 --> 00:40:24,079

don't know why

982

00:40:30,950 --> 00:40:28,200

uh but I wish I did

983

00:40:34,250 --> 00:40:30,960

maybe one day we'll we'll get some more

984

00:40:36,230 --> 00:40:34,260

evidence you know who knows

985

00:40:39,170 --> 00:40:36,240

but it's something really could continue

986

00:40:40,970 --> 00:40:39,180

to look into uh I think every time we

987

00:40:44,750 --> 00:40:40,980

have a sighting

988

00:40:48,109 --> 00:40:44,760

we uh we get more

989

00:40:50,390 --> 00:40:48,119

more evidence though anecdotal

990

00:40:53,329 --> 00:40:50,400

maybe one day we will get a photograph

991

00:40:55,670 --> 00:40:53,339

maybe we will get a video who knows but

992

00:40:57,650 --> 00:40:55,680

you know we're going to keep at it and

993

00:41:00,170 --> 00:40:57,660

swords do you believe Mothman is tied to

994

00:41:01,970 --> 00:41:00,180

cataclysms no I don't believe in that

995

00:41:03,710 --> 00:41:01,980

I don't believe in the Horizon Cherry

996

00:41:07,250 --> 00:41:03,720

for the most part

997

00:41:09,170 --> 00:41:07,260

uh the whole Mothman Point Pleasant malt

998

00:41:11,150 --> 00:41:09,180

man in the Silver Bridge I just think it

999

00:41:12,410 --> 00:41:11,160

was an excuse to explain why all those

1000

00:41:15,770 --> 00:41:12,420

people died

1001

00:41:18,950 --> 00:41:15,780

and as to why uh

1002

00:41:20,510 --> 00:41:18,960

you know maybe they should have heeded a

1003

00:41:21,890 --> 00:41:20,520

warning by the mall thing flying over

1004

00:41:23,510 --> 00:41:21,900

the bridge you know it's kind of after

1005

00:41:26,270 --> 00:41:23,520

the fact

1006

00:41:29,870 --> 00:41:26,280

and most of these most of these theories

1007

00:41:32,990 --> 00:41:29,880

are add to the fact after the uh the um

1008

00:41:36,589 --> 00:41:34,910

um Boulder Nelson Bigfoot any current

1009

00:41:38,630 --> 00:41:36,599

pictures of these flying creatures in

1010

00:41:40,849 --> 00:41:38,640

Chicago none whatsoever

1011

00:41:43,609 --> 00:41:40,859

we have had some very

1012

00:41:47,150 --> 00:41:43,619

indiscernible photographs but by the

1013

00:41:49,130 --> 00:41:47,160

time they got the the uh phones out

1014

00:41:51,829 --> 00:41:49,140

it was that too long a distance to even

1015

00:41:54,230 --> 00:41:51,839

get a discernible photograph

1016

00:41:56,210 --> 00:41:54,240

Jose Sanchez projected light may be a

1017

00:41:58,550 --> 00:41:56,220

ball loosens nature it could be maybe it

1018

00:42:01,970 --> 00:41:58,560

is a natural thing to them

1019

00:42:03,890 --> 00:42:01,980

but it does seem awful Supernatural the

1020

00:42:06,109 --> 00:42:03,900

projected light is just nothing that we

1021

00:42:08,690 --> 00:42:06,119

can explain now they are

1022

00:42:10,609 --> 00:42:08,700

they are Supernatural creature

1023

00:42:12,109 --> 00:42:10,619

maybe it is something that they can

1024

00:42:14,390 --> 00:42:12,119

project it's something that's that's

1025

00:42:16,370 --> 00:42:14,400

part of their nature

1026

00:42:19,010 --> 00:42:16,380

uh we don't know

1027

00:42:22,250 --> 00:42:19,020

we don't know wish we did but we don't

1028

00:42:24,470 --> 00:42:22,260

Carol uh where do they come from

1029

00:42:26,569 --> 00:42:24,480

we have theories I I believe they come

1030

00:42:27,650 --> 00:42:26,579

from another dimension a linear

1031

00:42:29,270 --> 00:42:27,660

dimension

1032

00:42:31,010 --> 00:42:29,280

and I think they have the ability to

1033

00:42:32,150 --> 00:42:31,020

move in and out of our Dimension or

1034

00:42:35,450 --> 00:42:32,160

Earth plane

1035

00:42:37,609 --> 00:42:35,460

uh why they do I don't know but I I do

1036

00:42:40,190 --> 00:42:37,619

believe that that and I think a couple

1037

00:42:43,250 --> 00:42:40,200

people on the team also believe that uh

1038

00:42:45,290 --> 00:42:43,260

that um they they may actually be uh

1039

00:42:47,390 --> 00:42:45,300

Ultra terrestrial beings that they are

1040

00:42:49,010 --> 00:42:47,400

moving in and out as well I think a lot

1041

00:42:52,790 --> 00:42:49,020

of I think a lot of Cryptids have that

1042

00:42:52,800 --> 00:42:56,870

so folks is that it

1043

00:43:00,710 --> 00:42:58,849

okay well I appreciate y'all coming in
