just welcome you I'm Bernadette McDaniel

00:01:22,850 --> 00:01:20,759

your host and tonight we're going to

9  
00:01:26,690 --> 00:01:22,860

have Bigfoot Michigan Rob as our guest

10  
00:01:26,700 --> 00:01:29,330

hello

11  
00:01:33,890 --> 00:01:32,149

how are you I'm pretty I'm pretty good

12  
00:01:37,249 --> 00:01:33,900

how are you thanks for having me tonight

13  
00:01:39,890 --> 00:01:37,259

that's good thank you for being here

14

00:01:41,090 --> 00:01:39,900

so for those who don't know you do you

15

00:01:42,649 --> 00:01:41,100

want to just tell everyone a little bit

16

00:01:45,350 --> 00:01:42,659

about you

17

00:01:46,850 --> 00:01:45,360

yeah well I can uh you know my name's uh

18

00:01:49,069 --> 00:01:46,860

well my name is Rob

19

00:01:51,649 --> 00:01:49,079

I go by Bigfoot Michigan Rob and it's

20

00:01:53,810 --> 00:01:51,659

kind of funny that uh that's that that's

21

00:01:56,210 --> 00:01:53,820

not my boring that's not my uh name at

22

00:01:57,950 --> 00:01:56,220

Birth I gotta tell everybody my mom

23

00:02:00,289 --> 00:01:57,960

didn't name me Bigfoot Rob or anything

24

00:02:01,910 --> 00:02:00,299

like that

25

00:02:04,010 --> 00:02:01,920

and uh

26

00:02:06,770 --> 00:02:04,020

you know I I basically his name though

27

00:02:08,930 --> 00:02:06,780

it would be quite unique yes I agree

28

00:02:10,910 --> 00:02:08,940

with that Bernadette you know and here's

29

00:02:12,830 --> 00:02:10,920

the thing you know yes a little about me

30

00:02:14,990 --> 00:02:12,840

you know I

31

00:02:17,750 --> 00:02:15,000

I have a YouTube channel Bigfoot

32

00:02:20,949 --> 00:02:17,760

Michigan Rob okay and I also I'm with

33

00:02:23,990 --> 00:02:20,959

Texas front porch and um

34

00:02:25,790 --> 00:02:24,000

I I really I had a Bigfoot encounter in

35

00:02:30,470 --> 00:02:25,800

2018.

36

00:02:33,229 --> 00:02:30,480

so when I had this encounter

37

00:02:34,910 --> 00:02:33,239

it kind of put me

38

00:02:36,949 --> 00:02:34,920

I'm gonna tell the story you know but

39

00:02:39,050 --> 00:02:36,959

about me it's how I got started this

40

00:02:40,790 --> 00:02:39,060

whole business of podcasting youtubing

41

00:02:43,490 --> 00:02:40,800

doing research

42

00:02:45,650 --> 00:02:43,500

I I uh

43

00:02:48,470 --> 00:02:45,660

when they had had an encounter and I and

44

00:02:50,330 --> 00:02:48,480

I I was looking for answers it was a

45

00:02:52,729 --> 00:02:50,340

traumatic encounter

46

00:02:54,949 --> 00:02:52,739

I didn't know where to turn then I found

47

00:02:56,630 --> 00:02:54,959

a couple people and they said you know

48

00:02:59,089 --> 00:02:56,640

Rob to talk about your experiences

49

00:03:04,009 --> 00:02:59,099

you've got to put it out there on video

50

00:03:06,710 --> 00:03:04,019

so in 2018 somewhere mid-2018

51  
00:03:09,890 --> 00:03:06,720  
uh the Bigfoot Michigan Rob Channel kind

52  
00:03:12,350 --> 00:03:09,900  
of evolved and again Bernadette I didn't

53  
00:03:14,690 --> 00:03:12,360  
know what I was doing I was just told to

54  
00:03:17,270 --> 00:03:14,700  
vote to speak on what happened to you to

55  
00:03:20,750 --> 00:03:17,280  
do that so I first went on Sasquatch

56  
00:03:24,170 --> 00:03:20,760  
Chronicles with germer and then I went

57  
00:03:26,630 --> 00:03:24,180  
on another uh show but then I put

58  
00:03:29,869 --> 00:03:26,640  
together the Bigfoot Mr Rob Channel and

59  
00:03:32,089 --> 00:03:29,879  
then it was I saw Bigfoot my name's Rob

60  
00:03:33,530 --> 00:03:32,099  
and I live in Michigan so the bigfooters

61  
00:03:37,250 --> 00:03:33,540  
can rob

62  
00:03:39,589 --> 00:03:37,260  
Mantra or the personality was born

63  
00:03:41,630 --> 00:03:39,599

and I took it out from there and now

64

00:03:44,630 --> 00:03:41,640

you know we do uh and now I've been

65

00:03:46,430 --> 00:03:44,640

doing this now for two years uh or there

66

00:03:48,350 --> 00:03:46,440

were tax and of course I have my channel

67

00:03:52,190 --> 00:03:48,360

along with Texas Channel

68

00:03:54,530 --> 00:03:52,200

and um really it's it's set me on a

69

00:03:56,630 --> 00:03:54,540

journey to seek answers I do

70

00:03:58,789 --> 00:03:56,640

investigations

71

00:04:00,410 --> 00:03:58,799

and I tell my story and I listen to

72

00:04:03,470 --> 00:04:00,420

other people's stories

73

00:04:06,949 --> 00:04:03,480

we do like five live shows a week we

74

00:04:08,509 --> 00:04:06,959

cover Cryptids strains encounters and

75

00:04:12,470 --> 00:04:08,519

hauntings

76

00:04:15,050 --> 00:04:12,480

we do UFOs now so we are expanding

77

00:04:16,969 --> 00:04:15,060

and again the premise for me was to help

78

00:04:19,670 --> 00:04:16,979

other people because I had nowhere to

79

00:04:21,409 --> 00:04:19,680

turn when I had my encounter in fact

80

00:04:23,749 --> 00:04:21,419

Bernadette and everyone listening I

81

00:04:26,629 --> 00:04:23,759

thought I was going crazy

82

00:04:28,790 --> 00:04:26,639

my first reaction to my experience was

83

00:04:30,170 --> 00:04:28,800

who's going to believe what I have to

84

00:04:31,909 --> 00:04:30,180

say right

85

00:04:34,370 --> 00:04:31,919

but when I got into the community

86

00:04:38,090 --> 00:04:34,380

everybody opened me with open arms

87

00:04:40,550 --> 00:04:38,100

so it was a great experience and uh so

88

00:04:43,249 --> 00:04:40,560

that's what I do so I am a show host

89

00:04:46,010 --> 00:04:43,259

I'm about to finish my first book

90

00:04:48,650 --> 00:04:46,020

I've got a podcast I so I got a lot

91

00:04:50,270 --> 00:04:48,660

going on and of course again that's my

92

00:04:52,010 --> 00:04:50,280

Channel's Bigfoot Mission Rob and I work

93

00:04:55,070 --> 00:04:52,020

with Texas front porch and you've been

94

00:04:56,990 --> 00:04:55,080

on there on that show with tax uh last

95

00:04:59,150 --> 00:04:57,000

week I think it was you did a fantastic

96

00:05:00,409 --> 00:04:59,160

job Bernadette I'm proud of you I

97

00:05:04,850 --> 00:05:00,419

applaud you

98

00:05:07,370 --> 00:05:04,860

thank you yeah so yes that's right it

99

00:05:09,770 --> 00:05:07,380

was actually one of my first interviews

100

00:05:12,350 --> 00:05:09,780

yeah well you did great you did very

101

00:05:16,010 --> 00:05:12,360

well and uh you were very entertaining

102

00:05:18,050 --> 00:05:16,020

and you you you uh were very informative

103

00:05:20,390 --> 00:05:18,060

so I do want to give you props for that

104

00:05:22,070 --> 00:05:20,400

because if anybody hasn't seen

105

00:05:24,650 --> 00:05:22,080

Bernadette

106

00:05:26,450 --> 00:05:24,660

she's on live with tax

107

00:05:30,469 --> 00:05:26,460

couple weeks ago I think it was right

108

00:05:33,590 --> 00:05:30,479

and uh so go check it out uh the six

109

00:05:36,409 --> 00:05:33,600

six so yeah four days ago see time flies

110

00:05:38,870 --> 00:05:36,419

we're gonna have a fun doesn't it yeah

111

00:05:42,110 --> 00:05:38,880

it does it's been a long week it really

112

00:05:43,790 --> 00:05:42,120

has yeah well you know it you know the

113

00:05:45,170 --> 00:05:43,800

snow is finally Mel you know today I was

114

00:05:49,010 --> 00:05:45,180

telling Bernadette backstage everybody

115

00:05:53,689 --> 00:05:49,020

that in Michigan it was uh 55 degrees

116

00:05:55,850 --> 00:05:53,699

when I I took my mom out to lunch

117

00:05:58,490 --> 00:05:55,860

and the snow melted

118

00:06:00,830 --> 00:05:58,500

and now it's pouring down rain and now

119

00:06:03,590 --> 00:06:00,840

it went from 55 degrees it's now 30

120

00:06:05,450 --> 00:06:03,600

degrees so tomorrow morning

121

00:06:07,670 --> 00:06:05,460

for those of us that have to get up and

122

00:06:10,790 --> 00:06:07,680

go to work Saturday hopefully not too

123

00:06:12,770 --> 00:06:10,800

many is in Michigan anyways it's going

124

00:06:15,230 --> 00:06:12,780

to be a nightmare it's just going to be

125

00:06:17,150 --> 00:06:15,240

a nightmare I'm glad I work from home

126

00:06:18,950 --> 00:06:17,160

and I'm glad that I have Saturdays off

127

00:06:20,270 --> 00:06:18,960

anyways

128

00:06:25,969 --> 00:06:20,280

so

129

00:06:28,070 --> 00:06:25,979

kind of the thing and you know before I

130

00:06:30,529 --> 00:06:28,080

get into the story I'm sure you want to

131

00:06:35,390 --> 00:06:30,539

hear it and I've told the story so many

132

00:06:40,730 --> 00:06:37,670

2018 I had a Bigfoot encounter and I've

133

00:06:43,790 --> 00:06:40,740

I've spoken on this at a nauseum

134

00:06:44,990 --> 00:06:43,800

and in fact right around 2020 I was like

135

00:06:46,850 --> 00:06:45,000

you know what I'm done telling my

136

00:06:48,110 --> 00:06:46,860

encounter because I would tell it over

137

00:06:51,890 --> 00:06:48,120

and over again

138

00:06:54,469 --> 00:06:51,900

but then a little birdie chirped into my

139

00:06:57,710 --> 00:06:54,479

ear and had said you know Rob I

140

00:06:59,029 --> 00:06:57,720

understand that but if you can reach one

141

00:07:02,150 --> 00:06:59,039

person

142

00:07:05,330 --> 00:07:02,160

then you did your job so now that is my

143

00:07:07,370 --> 00:07:05,340

goal in life really moving forward I was

144

00:07:09,170 --> 00:07:07,380

in the bar business I owned a bar for 13

145

00:07:11,749 --> 00:07:09,180

years

146

00:07:14,689 --> 00:07:11,759

I had I sold it right before the

147

00:07:17,510 --> 00:07:14,699

outbreak of kovid so really now I'm just

148

00:07:18,710 --> 00:07:17,520

a media personality on YouTube on

149

00:07:20,809 --> 00:07:18,720

podcasts

150

00:07:23,029 --> 00:07:20,819

and I tried to promote the messages

151  
00:07:24,110 --> 00:07:23,039  
there's always some place you can go on

152  
00:07:27,710 --> 00:07:24,120  
our Channel

153  
00:07:29,390 --> 00:07:27,720  
I do videos about people's encounters

154  
00:07:32,450 --> 00:07:29,400  
where they don't want to make it public

155  
00:07:35,330 --> 00:07:32,460  
they want to be remain anonymous some

156  
00:07:37,129 --> 00:07:35,340  
their voice and I'm not unique to it a

157  
00:07:39,650 --> 00:07:37,139  
lot of people do those shows Bernadette

158  
00:07:43,249 --> 00:07:39,660  
but the thing about me at least I can

159  
00:07:45,950 --> 00:07:43,259  
provide the empathy because I was there

160  
00:07:48,050 --> 00:07:45,960  
and I had nowhere to go so that's kind

161  
00:07:50,210 --> 00:07:48,060  
of what I do it's kind of my mission and

162  
00:07:52,850 --> 00:07:50,220  
now this is kind of my new career I'm

163  
00:07:55,189 --> 00:07:52,860

doing some research again do the podcast

164

00:07:56,930 --> 00:07:55,199

and everything else but I like to spread

165

00:08:00,050 --> 00:07:56,940

the word that you're not alone out there

166

00:08:01,969 --> 00:08:00,060

and your story should be told and uh and

167

00:08:04,309 --> 00:08:01,979

I'm a backer of that

168

00:08:06,710 --> 00:08:04,319

foreign

169

00:08:09,469 --> 00:08:06,720

yeah and I think that's really important

170

00:08:11,210 --> 00:08:09,479

that like you know you telling your

171

00:08:13,010 --> 00:08:11,220

story I totally agree with that that

172

00:08:14,749 --> 00:08:13,020

because someone might be sitting there

173

00:08:16,969 --> 00:08:14,759

and have almost the same exact encounter

174

00:08:19,189 --> 00:08:16,979

and be like no one's going to believe me

175

00:08:21,710 --> 00:08:19,199

just you know just like you said that

176

00:08:24,110 --> 00:08:21,720

you know like people you thought maybe

177

00:08:25,670 --> 00:08:24,120

you were going crazy or something

178

00:08:27,230 --> 00:08:25,680

I think most of us who have had

179

00:08:29,330 --> 00:08:27,240

encounters we all thought we were going

180

00:08:31,490 --> 00:08:29,340

crazy when it happened

181

00:08:33,170 --> 00:08:31,500

yeah you know I thought yeah you know I

182

00:08:36,529 --> 00:08:33,180

thought perhaps man you know this is

183

00:08:38,690 --> 00:08:36,539

such a it's just I just felt I just felt

184

00:08:41,209 --> 00:08:38,700

weird about it you know going ahead my

185

00:08:43,510 --> 00:08:41,219

first I did a video on YouTube the first

186

00:08:46,490 --> 00:08:43,520

thing I did I knew nothing about YouTube

187

00:08:49,490 --> 00:08:46,500

it was just a platform that I used to

188

00:08:51,050 --> 00:08:49,500

watch mute live rock and roll concerts

189

00:08:54,590 --> 00:08:51,060

that's what I use it for I do use

190

00:08:57,769 --> 00:08:54,600

YouTube to do to watch documentaries I

191

00:08:59,810 --> 00:08:57,779

didn't use it to learn how to fix a flat

192

00:09:02,150 --> 00:08:59,820

I mean just say just to throw that out

193

00:09:04,430 --> 00:09:02,160

there or to do anything it was just a

194

00:09:05,870 --> 00:09:04,440

music source and then I said wow there's

195

00:09:08,090 --> 00:09:05,880

chat rooms there's there's there's

196

00:09:12,050 --> 00:09:08,100

there's there's shows about the

197

00:09:13,670 --> 00:09:12,060

Paranormal about Bigfoot UFOs so I said

198

00:09:15,110 --> 00:09:13,680

yeah so I put I slapped that together

199

00:09:16,970 --> 00:09:15,120

and uh

200

00:09:18,530 --> 00:09:16,980

and there you know I'm glad I did I'm

201  
00:09:20,990 --> 00:09:18,540  
glad I found that uh that media Outlet

202  
00:09:26,389 --> 00:09:21,000  
so

203  
00:09:27,889 --> 00:09:26,399  
people your community yeah I did and I'm

204  
00:09:30,110 --> 00:09:27,899  
glad I made a lot of friends I've been

205  
00:09:32,690 --> 00:09:30,120  
to several Bigfoot conferences spoke at

206  
00:09:34,610 --> 00:09:32,700  
them and and it's great that you can

207  
00:09:36,050 --> 00:09:34,620  
kind of relate or you could come across

208  
00:09:37,910 --> 00:09:36,060  
people that have been following me

209  
00:09:40,310 --> 00:09:37,920  
following me now for a while that you

210  
00:09:41,630 --> 00:09:40,320  
can meet in person and so for me it's

211  
00:09:44,030 --> 00:09:41,640  
very humbling

212  
00:09:44,930 --> 00:09:44,040  
I I get a great satisfaction on doing

213  
00:09:48,590 --> 00:09:44,940

this

214

00:09:51,350 --> 00:09:48,600

and um with that being said enough uh

215

00:09:53,030 --> 00:09:51,360

spewing about that I I will uh tell

216

00:09:55,250 --> 00:09:53,040

about how I got into this with my

217

00:09:57,110 --> 00:09:55,260

encounter in 2018.

218

00:09:58,670 --> 00:09:57,120

and I appreciate everybody that's

219

00:10:02,449 --> 00:09:58,680

listening here in chat and listening

220

00:10:06,889 --> 00:10:03,889

and um

221

00:10:09,590 --> 00:10:06,899

here we go anyway so anyway what

222

00:10:12,170 --> 00:10:09,600

happened was back June June 15th of

223

00:10:13,490 --> 00:10:12,180

2018.

224

00:10:15,889 --> 00:10:13,500

I uh

225

00:10:17,210 --> 00:10:15,899

I just told my my girlfriend at the time

226

00:10:19,190 --> 00:10:17,220

Cindy

227

00:10:21,350 --> 00:10:19,200

I said hey you know what I got us a

228

00:10:25,970 --> 00:10:21,360

little trip planned

229

00:10:28,670 --> 00:10:25,980

we're going to uh Cadillac Michigan

230

00:10:32,090 --> 00:10:28,680

and we're gonna do some fishing

231

00:10:33,530 --> 00:10:32,100

and she looked at me like what see I'm

232

00:10:36,009 --> 00:10:33,540

an Outdoorsman

233

00:10:39,290 --> 00:10:36,019

and I love nature

234

00:10:41,150 --> 00:10:39,300

Cindy you know the the one thing that

235

00:10:43,310 --> 00:10:41,160

was missing in our relationship was the

236

00:10:48,050 --> 00:10:43,320

outdoorsy side and I wanted to introduce

237

00:10:50,329 --> 00:10:48,060

her to this so she reluctantly agrees

238

00:10:51,470 --> 00:10:50,339

so we pack up our gear we had the

239

00:10:53,990 --> 00:10:51,480

Cadillac

240

00:10:55,850 --> 00:10:54,000

I ran to the small little cottage

241

00:10:59,210 --> 00:10:55,860

a small little

242

00:11:03,470 --> 00:10:59,220

fishing boat very small

243

00:11:06,769 --> 00:11:03,480

and uh started about our day

244

00:11:08,990 --> 00:11:06,779

we got on the uh the lake uh about

245

00:11:13,310 --> 00:11:09,000

10 o'clock in the morning

246

00:11:18,230 --> 00:11:15,829

it's a very big lake anybody not

247

00:11:21,170 --> 00:11:18,240

familiar with Michigan or lake Cadillac

248

00:11:23,569 --> 00:11:21,180

if you want to Google Maps you could go

249

00:11:25,430 --> 00:11:23,579

to the northwest side Cadillac the lake

250

00:11:29,329 --> 00:11:25,440

is there it's a very big lake

251  
00:11:30,949 --> 00:11:29,339  
and it's also a join via a canal to

252  
00:11:33,110 --> 00:11:30,959  
another pretty big lake called Lake

253  
00:11:36,290 --> 00:11:33,120  
Mitchell

254  
00:11:39,230 --> 00:11:36,300  
Lake Cadillac is surrounded

255  
00:11:42,650 --> 00:11:39,240  
by lots of beautiful homes some are

256  
00:11:45,290 --> 00:11:42,660  
Mansions some are middle class so it's a

257  
00:11:48,590 --> 00:11:45,300  
it's a diverse community

258  
00:11:50,410 --> 00:11:48,600  
when it comes to economics

259  
00:11:54,350 --> 00:11:50,420  
there's also small businesses

260  
00:11:57,470 --> 00:11:54,360  
surrounding the lake Small industry

261  
00:11:59,810 --> 00:11:57,480  
so and it's very nice town to even visit

262  
00:12:02,389 --> 00:11:59,820  
or take a small vacation just to get

263  
00:12:04,850 --> 00:12:02,399

away a cute little town

264

00:12:06,170 --> 00:12:04,860

very nice town

265

00:12:07,790 --> 00:12:06,180

so

266

00:12:09,949 --> 00:12:07,800

again

267

00:12:15,110 --> 00:12:09,959

we finally launched a boat we loaded up

268

00:12:19,910 --> 00:12:17,930

so we're drifting about we're kind of

269

00:12:22,250 --> 00:12:19,920

looking at taking in nature looking at

270

00:12:24,650 --> 00:12:22,260

the houses

271

00:12:26,750 --> 00:12:24,660

Cindy who never fished I have to show

272

00:12:29,150 --> 00:12:26,760

her out of fish how to cast out of reel

273

00:12:30,829 --> 00:12:29,160

so that was a little of an experience

274

00:12:36,910 --> 00:12:30,839

and

275

00:12:43,250 --> 00:12:40,490

after about an hour or so we're not

276

00:12:46,250 --> 00:12:43,260

getting a single nibble not a bite

277

00:12:49,430 --> 00:12:46,260

Cindy's getting bored I can tell

278

00:12:51,829 --> 00:12:49,440

and I'm disappointed because it's not

279

00:12:54,370 --> 00:12:51,839

how I wanted it to go I I was expecting

280

00:12:57,430 --> 00:12:54,380

to grab a big bass out of my first cast

281

00:13:00,590 --> 00:12:57,440

none of that's happening

282

00:13:02,389 --> 00:13:00,600

so I said okay honey while we explore

283

00:13:05,810 --> 00:13:02,399

the lake a little bit so we take this

284

00:13:08,150 --> 00:13:05,820

boat we reel into the fishing line

285

00:13:09,889 --> 00:13:08,160

and I'm driving about Lake Cadillac and

286

00:13:12,470 --> 00:13:09,899

this is my first time by the way on this

287

00:13:12,480 --> 00:13:17,590

so

288

00:13:22,490 --> 00:13:20,750

upon cruising the lake

289

00:13:24,590 --> 00:13:22,500

we're looking at all the houses and I

290

00:13:27,290 --> 00:13:24,600

come upon this channel

291

00:13:30,170 --> 00:13:27,300

or Canal Channel Canal I don't know

292

00:13:33,050 --> 00:13:30,180

either either word fits and I cross

293

00:13:34,790 --> 00:13:33,060

through it and this this tributary

294

00:13:36,769 --> 00:13:34,800

connects us to

295

00:13:42,769 --> 00:13:36,779

Lake Mitchell

296

00:13:45,590 --> 00:13:42,779

but it's not as as built up as Lake

297

00:13:47,569 --> 00:13:45,600

Cadillac now this is back in 2018 as I

298

00:13:51,230 --> 00:13:47,579

mentioned earlier

299

00:13:56,389 --> 00:13:54,590

we see our houses we see

300

00:13:59,750 --> 00:13:56,399

a lot but they're spread apart better

301

00:14:02,329 --> 00:13:59,760

and it backs up to the

302

00:14:04,910 --> 00:14:02,339

um Manistee National Forest now Lake

303

00:14:07,790 --> 00:14:04,920

Cadillac or this or the village of

304

00:14:09,889 --> 00:14:07,800

Cadillac is surrounded by the Majesty

305

00:14:13,610 --> 00:14:09,899

Forest so there's a big big Wilderness

306

00:14:16,009 --> 00:14:13,620

that surrounds the the outlying area of

307

00:14:20,690 --> 00:14:18,110

so I proceed

308

00:14:23,990 --> 00:14:20,700

Southwest

309

00:14:26,810 --> 00:14:24,000

a Lake Mitchell and I get to this now it

310

00:14:30,290 --> 00:14:26,820

breaks off into this this Cove

311

00:14:32,389 --> 00:14:30,300

and this Cove is really secluded it's

312

00:14:34,610 --> 00:14:32,399

probably at the very is that the lower

313

00:14:36,650 --> 00:14:34,620

in fact on this map it's right at the

314

00:14:37,970 --> 00:14:36,660

very if you look at this map here that

315

00:14:40,490 --> 00:14:37,980

you have up

316

00:14:42,590 --> 00:14:40,500

it looks exactly like uh it looks

317

00:14:43,730 --> 00:14:42,600

identical really to like Mitch is this

318

00:14:44,689 --> 00:14:43,740

Lake Mitchell actually it looks very

319

00:14:46,970 --> 00:14:44,699

familiar

320

00:14:49,430 --> 00:14:46,980

Wexford County yes it is wow that's

321

00:14:51,350 --> 00:14:49,440

awesome I think it might be yeah I think

322

00:14:53,210 --> 00:14:51,360

it is because this see right here this

323

00:14:57,050 --> 00:14:53,220

is like a Cove there's on the far the

324

00:14:59,030 --> 00:14:57,060

bottom left so I'm right we drift 90

325

00:15:02,629 --> 00:14:59,040

feet yeah we're about

326

00:15:04,610 --> 00:15:02,639

we're south of the center point okay if

327

00:15:07,189 --> 00:15:04,620

you look on this little map here awesome

328

00:15:09,110 --> 00:15:07,199

that's pretty cool so

329

00:15:11,449 --> 00:15:09,120

I never had a visual when I told my

330

00:15:13,730 --> 00:15:11,459

story thank you so yeah we're down in

331

00:15:16,490 --> 00:15:13,740

the southwest corner of this of this um

332

00:15:19,310 --> 00:15:16,500

this area and again it backs up in the

333

00:15:22,970 --> 00:15:19,320

Manistee National Forest

334

00:15:26,269 --> 00:15:22,980

so we are um we're 90 feet we're 90 feet

335

00:15:32,090 --> 00:15:29,930

so I tell Cindy A-Okay uh I'm going to

336

00:15:33,889 --> 00:15:32,100

put our uh I'm gonna put our rods and

337

00:15:35,629 --> 00:15:33,899

reels together I'm gonna I'm gonna load

338

00:15:37,430 --> 00:15:35,639

them up with our bait our lures whatever

339

00:15:40,189 --> 00:15:37,440

we're going to use and we can start

340

00:15:41,990 --> 00:15:40,199

fishing again it's secluded no one's

341

00:15:43,910 --> 00:15:42,000

around it's beautiful

342

00:15:46,670 --> 00:15:43,920

we're drifting we see the beautiful

343

00:15:49,189 --> 00:15:46,680

forest and there'll be lots of fish

344

00:15:51,050 --> 00:15:49,199

there should be lots of fish you know I

345

00:15:52,670 --> 00:15:51,060

was I was hoping I was glad there was

346

00:15:55,490 --> 00:15:52,680

nobody around because I could give I

347

00:15:58,250 --> 00:15:55,500

could come home and give a big fishtail

348

00:16:01,610 --> 00:15:58,260

well the tale that I got home with was a

349

00:16:03,410 --> 00:16:01,620

lot more than a fishtail every time

350

00:16:05,569 --> 00:16:03,420

so

351  
00:16:08,509 --> 00:16:05,579  
again I'm putting together our lures our

352  
00:16:10,550 --> 00:16:08,519  
Rising reels putting it together

353  
00:16:12,949 --> 00:16:10,560  
I'm looking down

354  
00:16:14,030 --> 00:16:12,959  
preoccupied with putting together a

355  
00:16:16,790 --> 00:16:14,040  
tackle

356  
00:16:21,110 --> 00:16:16,800  
and then Cindy says to me hey Rob

357  
00:16:26,509 --> 00:16:24,110  
on my Cindy what honey I look up I Look

358  
00:16:29,990 --> 00:16:26,519  
to shore there's nobody there

359  
00:16:31,430 --> 00:16:30,000  
I said you know I don't see anybody

360  
00:16:33,530 --> 00:16:31,440  
I'm sure

361  
00:16:35,930 --> 00:16:33,540  
I said Cindy take a look there's no

362  
00:16:38,990 --> 00:16:35,940  
beach line it's pretty much the forest

363  
00:16:40,670 --> 00:16:39,000

dropped off right into the lake Sea Lake

364

00:16:42,050 --> 00:16:40,680

Mitchell it just drops there's nothing

365

00:16:44,870 --> 00:16:42,060

there

366

00:16:50,569 --> 00:16:47,150

I go about my business I kind of ignore

367

00:16:53,090 --> 00:16:50,579

her and then I go again

368

00:16:56,269 --> 00:16:53,100

putting the tackle together Cindy again

369

00:16:58,310 --> 00:16:56,279

for the second time says

370

00:17:01,129 --> 00:16:58,320

Rob

371

00:17:04,069 --> 00:17:01,139

someone saw Roxy at the boat and I'm

372

00:17:06,409 --> 00:17:04,079

like okay I'm a little perturbed I look

373

00:17:08,689 --> 00:17:06,419

up I tell her no one's there

374

00:17:11,210 --> 00:17:08,699

I said please honey let me get a rod and

375

00:17:13,970 --> 00:17:11,220

reel together then you and I

376

00:17:16,250 --> 00:17:13,980

can observe it together

377

00:17:18,470 --> 00:17:16,260

she like kind of you know she's

378

00:17:19,850 --> 00:17:18,480

frustrated with me but I said look it's

379

00:17:22,610 --> 00:17:19,860

gonna take me 10 more minutes five

380

00:17:25,490 --> 00:17:22,620

minutes at the most stop bugging me

381

00:17:27,350 --> 00:17:25,500

I go back about my business again but

382

00:17:29,570 --> 00:17:27,360

now for whatever reason Bernadette I

383

00:17:31,850 --> 00:17:29,580

look up I happen to look up

384

00:17:33,289 --> 00:17:31,860

and I see some object falling from the

385

00:17:35,990 --> 00:17:33,299

from the sky

386

00:17:37,970 --> 00:17:36,000

and I'm like what the hell is this and

387

00:17:39,710 --> 00:17:37,980

sure enough about three and a half four

388

00:17:43,130 --> 00:17:39,720

feet in front of the boat

389

00:17:45,490 --> 00:17:43,140

Iraq the size of a baseball plaps

390

00:17:49,430 --> 00:17:45,500

right directly in front of the boat

391

00:17:52,549 --> 00:17:49,440

and so now I feel kind of like dumb

392

00:17:57,590 --> 00:17:52,559

for you know distance Cindy so I go over

393

00:17:59,510 --> 00:17:57,600

to my right to to apologize to her and

394

00:18:01,669 --> 00:17:59,520

all I can see is this she's standing up

395

00:18:03,289 --> 00:18:01,679

at this point looking directly at the

396

00:18:05,510 --> 00:18:03,299

shoreline now everybody listening we're

397

00:18:08,810 --> 00:18:05,520

90 feet for sure we're drifting

398

00:18:12,650 --> 00:18:08,820

this is June 15th she already has a a

399

00:18:14,570 --> 00:18:12,660

great tan from head to toe nice tan but

400

00:18:16,730 --> 00:18:14,580

now when I look at her I can see that

401  
00:18:19,250 --> 00:18:16,740  
every color in her body is drained she

402  
00:18:21,830 --> 00:18:19,260  
almost looked white Bernadette

403  
00:18:24,710 --> 00:18:21,840  
and I'm like what is what is she looking

404  
00:18:28,909 --> 00:18:24,720  
at so I look to the Shoreline so I look

405  
00:18:33,409 --> 00:18:30,950  
and there's this creature there's this

406  
00:18:36,169 --> 00:18:33,419  
creature standing there

407  
00:18:40,430 --> 00:18:36,179  
it's got to be nine foot tall

408  
00:18:42,650 --> 00:18:40,440  
it is long reddish brown here from head

409  
00:18:45,230 --> 00:18:42,660  
to toe

410  
00:18:47,570 --> 00:18:45,240  
it is these long arms it like kind of go

411  
00:18:51,289 --> 00:18:47,580  
past the knees a little bit

412  
00:18:54,470 --> 00:18:51,299  
and the face and oh the chest is gray

413  
00:18:57,710 --> 00:18:54,480

not a lot of hair on the chest area

414

00:19:00,169 --> 00:18:57,720

and the face not hardly any here and the

415

00:19:03,470 --> 00:19:00,179

face is gray kind of wrinkled but it'll

416

00:19:06,590 --> 00:19:03,480

look like a human it looked like a human

417

00:19:07,850 --> 00:19:06,600

it looked like a human but it had

418

00:19:14,510 --> 00:19:07,860

it

419

00:19:17,330 --> 00:19:14,520

person had Down syndrome because the

420

00:19:19,970 --> 00:19:17,340

face looked odd the eyes were off set up

421

00:19:21,230 --> 00:19:19,980

they're offset they're drooping and he

422

00:19:24,650 --> 00:19:21,240

kind of looked

423

00:19:26,390 --> 00:19:24,660

you know not not all together there but

424

00:19:28,549 --> 00:19:26,400

it looked human but it was

425

00:19:30,590 --> 00:19:28,559

nine foot tall at least

426

00:19:34,730 --> 00:19:30,600

all this hair

427

00:19:40,130 --> 00:19:37,130

all of a sudden now

428

00:19:41,990 --> 00:19:40,140

it kind of and I know it's looking at us

429

00:19:44,690 --> 00:19:42,000

and now all of a sudden as I made

430

00:19:47,029 --> 00:19:44,700

mention the arms are on its side

431

00:19:48,409 --> 00:19:47,039

then all of a sudden it raises its arms

432

00:19:53,830 --> 00:19:48,419

parallel

433

00:19:57,710 --> 00:19:53,840

and all of a sudden now

434

00:20:02,210 --> 00:19:57,720

it kind of It kind of leans backward

435

00:20:06,490 --> 00:20:02,220

and now this this gray old Looking Down

436

00:20:10,789 --> 00:20:06,500

syndrome looking offset eyes person

437

00:20:13,970 --> 00:20:10,799

transforms the jaw drops six to eight

438

00:20:18,650 --> 00:20:13,980

inches I mean it drops completely down

439

00:20:21,289 --> 00:20:18,660

the gray wrinkled skin gets tight

440

00:20:24,110 --> 00:20:21,299

the Aurora's back his eyes

441

00:20:25,970 --> 00:20:24,120

they roll back exposing nothing but

442

00:20:28,610 --> 00:20:25,980

black pupils

443

00:20:32,690 --> 00:20:28,620

and as it drops its Jaw from ear to ear

444

00:20:35,390 --> 00:20:32,700

is this big engaging mouth it's so big

445

00:20:37,370 --> 00:20:35,400

you could probably fit a bowling ball in

446

00:20:40,130 --> 00:20:37,380

it literally

447

00:20:43,190 --> 00:20:40,140

shows two teeth I only saw two teeth two

448

00:20:46,669 --> 00:20:43,200

at the bottom or two in scissors coming

449

00:20:49,610 --> 00:20:46,679

up and at two eye teeth they're really

450

00:20:51,590 --> 00:20:49,620

quite frankly look like oversized

451  
00:20:53,210 --> 00:20:51,600  
I have a German Shepherd it looked kind

452  
00:20:55,669 --> 00:20:53,220  
of like my German Shepherd's eye teeth

453  
00:20:57,409 --> 00:20:55,679  
but way bigger and they're not they

454  
00:20:59,270 --> 00:20:57,419  
weren't pointy like a wolf or anything

455  
00:21:01,370 --> 00:20:59,280  
but they were big and you could tell

456  
00:21:04,270 --> 00:21:01,380  
they were like they look dog-like

457  
00:21:07,669 --> 00:21:04,280  
but the space for torts and

458  
00:21:11,330 --> 00:21:07,679  
metamorphosizes into what I call chill

459  
00:21:15,529 --> 00:21:11,340  
today to this day a demon

460  
00:21:17,870 --> 00:21:15,539  
it it looked it looked humanoid

461  
00:21:19,789 --> 00:21:17,880  
then it looked demonic it looked demonic

462  
00:21:22,130 --> 00:21:19,799  
something you've seen a Marvel comic

463  
00:21:26,570 --> 00:21:22,140

book or something that you would see

464

00:21:31,490 --> 00:21:29,270

but now

465

00:21:33,409 --> 00:21:31,500

you're looking at this creepy looking

466

00:21:40,070 --> 00:21:33,419

demon

467

00:21:45,409 --> 00:21:42,350

when it when it's excuse me I hit the

468

00:21:49,370 --> 00:21:45,419

wrong button when it drops his jaw okay

469

00:21:52,370 --> 00:21:49,380

in unison a scream a yell and a roar

470

00:21:55,490 --> 00:21:52,380

comes from the depths of his body and

471

00:21:57,409 --> 00:21:55,500

it's and it does not move the jaw first

472

00:21:59,570 --> 00:21:57,419

of all there's no lips it's just an

473

00:22:01,909 --> 00:21:59,580

opening gaping mouth and this big

474

00:22:04,130 --> 00:22:01,919

booming sound comes out

475

00:22:06,830 --> 00:22:04,140

screeching at us

476

00:22:09,230 --> 00:22:06,840

and I felt the Sonic I felt like a shock

477

00:22:10,730 --> 00:22:09,240

wave come at me literally but now the

478

00:22:14,210 --> 00:22:10,740

weird thing is this

479

00:22:17,149 --> 00:22:14,220

as soon as it starts yelling like this

480

00:22:19,370 --> 00:22:17,159

the beautiful green of the forest the

481

00:22:21,950 --> 00:22:19,380

blue of the sky the reddish brown color

482

00:22:24,169 --> 00:22:21,960

of this creature turns black and white

483

00:22:27,190 --> 00:22:24,179

like I'm looking through a filter it

484

00:22:29,390 --> 00:22:27,200

seems like time stands still

485

00:22:32,149 --> 00:22:29,400

and now

486

00:22:34,430 --> 00:22:32,159

as I said the Sonic Blast came at me I

487

00:22:36,770 --> 00:22:34,440

could almost see a Rippling in the water

488

00:22:41,330 --> 00:22:36,780

like a like awake

489

00:22:43,430 --> 00:22:41,340

I hear a splash occur plunk Cindy Cindy

490

00:22:45,350 --> 00:22:43,440

gets knocked off the boat and falls into

491

00:22:48,590 --> 00:22:45,360

the water

492

00:22:50,029 --> 00:22:48,600

and I myself now step back from the

493

00:22:53,570 --> 00:22:50,039

Sonic Blast

494

00:22:55,669 --> 00:22:53,580

my buddies do sell this as a sonic boom

495

00:22:57,169 --> 00:22:55,679

today I know about infrasound which

496

00:22:58,850 --> 00:22:57,179

we'll get into later but this is not

497

00:23:01,789 --> 00:22:58,860

even in for some this was something much

498

00:23:03,470 --> 00:23:01,799

different this reminded me of you ever

499

00:23:05,990 --> 00:23:03,480

see those movies where you're dropping a

500

00:23:09,230 --> 00:23:06,000

ton of a bomb and then on the movie show

501  
00:23:12,529 --> 00:23:09,240  
on the show you see the waves shot come

502  
00:23:14,810 --> 00:23:12,539  
out and at people you know a bomb caps

503  
00:23:16,549 --> 00:23:14,820  
at the center point okay that's what I

504  
00:23:17,450 --> 00:23:16,559  
didn't see that but that's what it felt

505  
00:23:19,909 --> 00:23:17,460  
like

506  
00:23:21,470 --> 00:23:19,919  
but now I go to get Cindy I try to move

507  
00:23:24,110 --> 00:23:21,480  
to my right again

508  
00:23:27,049 --> 00:23:24,120  
time slows down I'm now seeing in black

509  
00:23:29,390 --> 00:23:27,059  
and white or gray through a filter I

510  
00:23:32,330 --> 00:23:29,400  
can't move to my right I'm paralyzed

511  
00:23:34,789 --> 00:23:32,340  
I literally cannot move to my right

512  
00:23:36,350 --> 00:23:34,799  
oh geez but I know that I gotta get her

513  
00:23:38,810 --> 00:23:36,360

and there's this creature whatever the

514

00:23:40,669 --> 00:23:38,820

heck this is on the shoreline and I'm

515

00:23:43,370 --> 00:23:40,679

thinking in my head Rob Rob snap out of

516

00:23:47,390 --> 00:23:43,380

it I start shaking my head then finally

517

00:23:49,370 --> 00:23:47,400

I snap out of it now I can now I'm back

518

00:23:51,830 --> 00:23:49,380

to normal I can see in color

519

00:23:54,890 --> 00:23:51,840

I rush over

520

00:23:59,450 --> 00:23:54,900

to the boat I lift up Cindy I get her

521

00:24:02,390 --> 00:23:59,460

back into the boat so now Bernadette

522

00:24:04,310 --> 00:24:02,400

Bernadette I look I'm most scared

523

00:24:06,169 --> 00:24:04,320

because I now look too short to find

524

00:24:10,250 --> 00:24:06,179

this creature it's gone

525

00:24:11,510 --> 00:24:10,260

banished I panic I don't know if it's I

526

00:24:13,370 --> 00:24:11,520

don't know what the hell this is this is

527

00:24:14,990 --> 00:24:13,380

swimming underwater coming after us

528

00:24:17,690 --> 00:24:15,000

where is it

529

00:24:20,930 --> 00:24:17,700

so I just open up the throttle on the

530

00:24:22,850 --> 00:24:20,940

boat I did a complete 90 and here yeah I

531

00:24:24,770 --> 00:24:22,860

split all the way across we're down to

532

00:24:27,470 --> 00:24:24,780

this far left corner I sped all the way

533

00:24:29,570 --> 00:24:27,480

across that got the connect got to the

534

00:24:31,549 --> 00:24:29,580

canal or the channel ripped through

535

00:24:35,090 --> 00:24:31,559

there now got on the much bigger lake

536

00:24:37,010 --> 00:24:35,100

lake Cadillac and I took that all the

537

00:24:42,169 --> 00:24:37,020

way straight to

538

00:24:47,810 --> 00:24:44,470

I docked a boat

539

00:24:49,250 --> 00:24:47,820

Cindy shivering I put a blanket or a

540

00:24:51,110 --> 00:24:49,260

beach towel on her

541

00:24:55,130 --> 00:24:51,120

get her up out of the boat

542

00:25:02,990 --> 00:24:58,490

for the closest bar or restaurant we can

543

00:25:05,450 --> 00:25:03,000

find and a block up the road we find one

544

00:25:09,669 --> 00:25:05,460

and it's right around lunchtime now 12

545

00:25:15,529 --> 00:25:14,090

surprisingly there's this time lost time

546

00:25:19,130 --> 00:25:15,539

I

547

00:25:21,049 --> 00:25:19,140

it wasn't the weekend it was like a

548

00:25:24,230 --> 00:25:21,059

Tuesday or Wednesday so this bar was

549

00:25:26,630 --> 00:25:24,240

kind of empty for lunch which was good

550

00:25:29,510 --> 00:25:26,640

so I get in

551  
00:25:31,490 --> 00:25:29,520  
we get to we go to the Far Far booth in

552  
00:25:33,950 --> 00:25:31,500  
the back corner

553  
00:25:36,230 --> 00:25:33,960  
Cindy sits down I sit down

554  
00:25:38,590 --> 00:25:36,240  
The Borrowed maid the waitress she comes

555  
00:25:41,690 --> 00:25:38,600  
over asks us what we want

556  
00:25:44,630 --> 00:25:41,700  
Cindy out of her mouth now Cindy mind

557  
00:25:47,210 --> 00:25:44,640  
you guys she's not a drinker

558  
00:25:48,890 --> 00:25:47,220  
she orders a Bud Light and a shot of

559  
00:25:52,070 --> 00:25:48,900  
Jack Daniels

560  
00:25:54,110 --> 00:25:52,080  
I'm kind of like wow I said the same I

561  
00:25:58,370 --> 00:25:54,120  
said the same thing to the waitress but

562  
00:26:04,130 --> 00:26:00,769  
which is we still don't say a word

563  
00:26:06,110 --> 00:26:04,140

waitress comes back with our drinks she

564

00:26:08,649 --> 00:26:06,120

picks up that shot of Jack

565

00:26:11,750 --> 00:26:08,659

puts it back like a champ

566

00:26:13,610 --> 00:26:11,760

washes it back with her Bud Light I'm

567

00:26:17,210 --> 00:26:13,620

impressed wow honey I didn't know he

568

00:26:20,630 --> 00:26:17,220

could do that I do the same

569

00:26:22,450 --> 00:26:20,640

okay we got our drinks in us she's

570

00:26:25,130 --> 00:26:22,460

calmed down a little bit she goes honey

571

00:26:27,110 --> 00:26:25,140

what do you think that was

572

00:26:29,390 --> 00:26:27,120

and I said baby

573

00:26:30,830 --> 00:26:29,400

I don't really know what do you think

574

00:26:33,110 --> 00:26:30,840

that was

575

00:26:35,269 --> 00:26:33,120

she says hey Rob I think it was that

576  
00:26:38,169 --> 00:26:35,279  
Bigfoot creature

577  
00:26:42,409 --> 00:26:38,179  
and I says

578  
00:26:45,169 --> 00:26:42,419  
yeah I think it might have been

579  
00:26:48,409 --> 00:26:45,179  
now I have to tell everybody listening

580  
00:26:50,690 --> 00:26:48,419  
and in chat that

581  
00:26:54,470 --> 00:26:50,700  
I um

582  
00:26:57,289 --> 00:26:54,480  
I knew about Bigfoot I saw Leonard Nimoy

583  
00:26:59,570 --> 00:26:57,299  
did the uh what was it in search of I

584  
00:27:03,289 --> 00:26:59,580  
saw that show I did see the Patterson

585  
00:27:05,450 --> 00:27:03,299  
gimlin film and I growing up was always

586  
00:27:07,430 --> 00:27:05,460  
cool I always believed that monsters

587  
00:27:09,590 --> 00:27:07,440  
were out there right but you know you

588  
00:27:11,390 --> 00:27:09,600

get older I never investigated I just

589

00:27:14,690 --> 00:27:11,400

had an open mind to all of these things

590

00:27:15,890 --> 00:27:14,700

and now I finally seen a monster so I

591

00:27:18,769 --> 00:27:15,900

said yeah

592

00:27:21,049 --> 00:27:18,779

again I think we saw something

593

00:27:22,909 --> 00:27:21,059

so Cindy says Hey should we go to the

594

00:27:26,090 --> 00:27:22,919

DNR should we go to the authorities

595

00:27:26,930 --> 00:27:26,100

should we report this I said you know

596

00:27:29,269 --> 00:27:26,940

what

597

00:27:31,190 --> 00:27:29,279

we're two out-of-towners we've been

598

00:27:33,110 --> 00:27:31,200

sitting in a bar they ain't gonna

599

00:27:36,710 --> 00:27:33,120

believe us and they say quite frankly

600

00:27:38,870 --> 00:27:36,720

who would believe such such a story she

601  
00:27:40,310 --> 00:27:38,880  
goes yeah I think you're right

602  
00:27:42,710 --> 00:27:40,320  
so

603  
00:27:45,769 --> 00:27:42,720  
unfortunately we cut our weekend trip

604  
00:27:51,470 --> 00:27:45,779  
for our week our week's trip short

605  
00:27:56,630 --> 00:27:54,830  
and then we get home and now we we now

606  
00:27:58,850 --> 00:27:56,640  
we just immerse ourselves into like

607  
00:28:01,630 --> 00:27:58,860  
Bigfoot research we're on YouTube now

608  
00:28:04,130 --> 00:28:01,640  
you know we're on the internet

609  
00:28:06,350 --> 00:28:04,140  
we're trying we're going to like Barnes

610  
00:28:08,750 --> 00:28:06,360  
and Noble looking for books and nothing

611  
00:28:10,730 --> 00:28:08,760  
that we came across even look now

612  
00:28:12,590 --> 00:28:10,740  
nothing looked like that demon right

613  
00:28:14,390 --> 00:28:12,600

nothing looked like the Demonic figure I

614

00:28:16,970 --> 00:28:14,400

saw but there were a lot of similar

615

00:28:19,490 --> 00:28:16,980

pictures prior to the transformation

616

00:28:22,010 --> 00:28:19,500

there were a lot of Sasquatch that look

617

00:28:23,990 --> 00:28:22,020

human similar to what I saw before it

618

00:28:25,490 --> 00:28:24,000

transferred over

619

00:28:27,649 --> 00:28:25,500

so

620

00:28:31,730 --> 00:28:27,659

again

621

00:28:34,850 --> 00:28:31,740

we're immersed to the subject so

622

00:28:38,090 --> 00:28:34,860

two months later in August uh August

623

00:28:40,549 --> 00:28:38,100

18th now my Bigfoot encounter was June

624

00:28:43,490 --> 00:28:40,559

15th of 2018.

625

00:28:47,090 --> 00:28:43,500

and in August 18th

626  
00:28:49,070 --> 00:28:47,100  
2018 a month of three days to the date

627  
00:28:50,930 --> 00:28:49,080  
I get a call

628  
00:28:52,730 --> 00:28:50,940  
from Cindy's mom we didn't weren't

629  
00:29:02,110 --> 00:28:52,740  
living together

630  
00:29:07,130 --> 00:29:05,630  
the hell are you talking about

631  
00:29:09,830 --> 00:29:07,140  
apparently she had a heart attack

632  
00:29:12,529 --> 00:29:09,840  
apparently she was apparently she had a

633  
00:29:17,630 --> 00:29:16,130  
now I am playing Floyd

634  
00:29:24,289 --> 00:29:17,640  
and

635  
00:29:26,930 --> 00:29:24,299  
like me

636  
00:29:29,450 --> 00:29:26,940  
I try to get over there she won't let me

637  
00:29:31,669 --> 00:29:29,460  
get in the house she won't let me go to

638  
00:29:34,130 --> 00:29:31,679

the hospital she won't let me do in fact

639

00:29:36,350 --> 00:29:34,140

that's the last I heard from her mom

640

00:29:38,630 --> 00:29:36,360

because I said I can't believe this she

641

00:29:40,549 --> 00:29:38,640

was a young woman she didn't drink or

642

00:29:45,110 --> 00:29:40,559

smoke except for that one day you know

643

00:29:47,930 --> 00:29:45,120

after the encounter yeah and and so hard

644

00:29:50,149 --> 00:29:47,940

Chad well first of all back in 2018 in

645

00:29:51,230 --> 00:29:50,159

August I didn't believe that for one

646

00:29:53,630 --> 00:29:51,240

second

647

00:29:55,430 --> 00:29:53,640

I blame it on this this encounter

648

00:29:57,710 --> 00:29:55,440

because if you remember what I mentioned

649

00:30:00,649 --> 00:29:57,720

earlier in the story we got hit with

650

00:30:02,930 --> 00:30:00,659

that Sonic Boom she got hit so hard she

651  
00:30:04,990 --> 00:30:02,940  
flipped off the boat I

652  
00:30:07,970 --> 00:30:05,000  
200 pound dude

653  
00:30:10,610 --> 00:30:07,980  
stumble backwards and then all sorts of

654  
00:30:13,310 --> 00:30:10,620  
I couldn't see correctly I'm thinking

655  
00:30:16,010 --> 00:30:13,320  
that this thing killed her it messed up

656  
00:30:18,230 --> 00:30:16,020  
all of her organs inside her body

657  
00:30:20,029 --> 00:30:18,240  
I want to go back to Lake Cadillac with

658  
00:30:22,490 --> 00:30:20,039  
a bazooka and I'm gonna blow this place

659  
00:30:24,769 --> 00:30:22,500  
up that's the first thing that pops in

660  
00:30:26,210 --> 00:30:24,779  
my mind is just I mean that's reasonable

661  
00:30:28,490 --> 00:30:26,220  
to be honest

662  
00:30:30,110 --> 00:30:28,500  
you know I'm going back I'm ready to go

663  
00:30:32,450 --> 00:30:30,120

and I'm going to cause all sorts of

664

00:30:36,649 --> 00:30:32,460

Mayhem down there

665

00:30:42,110 --> 00:30:38,990

at the time I owned my bar well I owned

666

00:30:44,269 --> 00:30:42,120

a bar at this time as well and I I was I

667

00:30:46,850 --> 00:30:44,279

got a deep dark place I went to my bar

668

00:30:48,950 --> 00:30:46,860

manager and I said hey man

669

00:30:51,669 --> 00:30:48,960

I won't be back here for about six

670

00:30:54,370 --> 00:30:51,679

months do me a favor don't rip me off

671

00:30:57,830 --> 00:30:54,380

take all the receipts take all the cash

672

00:31:00,529 --> 00:30:57,840

put it in the business bank account

673

00:31:03,769 --> 00:31:00,539

and I'll come back when I come back and

674

00:31:08,389 --> 00:31:03,779

I didn't go back to her for six months

675

00:31:11,630 --> 00:31:08,399

I got I was first of all I was just so

676

00:31:13,730 --> 00:31:11,640

beside myself with this loss

677

00:31:16,789 --> 00:31:13,740

tragic

678

00:31:19,310 --> 00:31:16,799

thinking that and I started blaming

679

00:31:21,470 --> 00:31:19,320

myself I never should have taken her she

680

00:31:23,810 --> 00:31:21,480

didn't want to go fishing she's not an

681

00:31:27,169 --> 00:31:23,820

outdoors person so I put the guilt trip

682

00:31:28,970 --> 00:31:27,179

on myself so I had that problem then I

683

00:31:31,430 --> 00:31:28,980

had the problems what the hell did I see

684

00:31:34,549 --> 00:31:31,440

that I had the problem that I neglected

685

00:31:36,769 --> 00:31:34,559

to work friends family

686

00:31:38,690 --> 00:31:36,779

I stayed in my basement on the internet

687

00:31:41,810 --> 00:31:38,700

looking up crap

688

00:31:43,370 --> 00:31:41,820

about what the hell is this

689

00:31:45,350 --> 00:31:43,380

then I finally got a hold of some people

690

00:31:48,049 --> 00:31:45,360

in the Bigfoot community

691

00:31:49,549 --> 00:31:48,059

that talked me off the ledge and grief

692

00:31:52,970 --> 00:31:49,559

does a lot to you

693

00:31:54,289 --> 00:31:52,980

it really does

694

00:31:57,169 --> 00:31:54,299

you know

695

00:31:59,870 --> 00:31:57,179

it does I was grieving I was I was a

696

00:32:03,769 --> 00:31:59,880

combination of Greek grief stricken

697

00:32:05,269 --> 00:32:03,779

pissed off mad at the world wanted to go

698

00:32:07,669 --> 00:32:05,279

kill this creature

699

00:32:10,730 --> 00:32:07,679

I didn't care if I dropped a nuke on the

700

00:32:13,070 --> 00:32:10,740

whole entire Lake of Cadillac

701  
00:32:15,230 --> 00:32:13,080  
but

702  
00:32:17,090 --> 00:32:15,240  
I got calmed down

703  
00:32:20,570 --> 00:32:17,100  
talk to some good people from the

704  
00:32:24,769 --> 00:32:22,370  
and then that's kind of again how the

705  
00:32:27,049 --> 00:32:24,779  
channel started right because I had

706  
00:32:29,870 --> 00:32:27,059  
nowhere to go then I went on a Sasquatch

707  
00:32:31,850 --> 00:32:29,880  
Chronicles and a couple others then I

708  
00:32:34,730 --> 00:32:31,860  
said you know what

709  
00:32:36,830 --> 00:32:34,740  
I still don't have answers to this day I

710  
00:32:38,389 --> 00:32:36,840  
can't tell anybody in chat I can't tell

711  
00:32:42,169 --> 00:32:38,399  
people listening that I even saw a

712  
00:32:44,090 --> 00:32:42,179  
Bigfoot I saw something right

713  
00:32:46,970 --> 00:32:44,100

but I'm not going to say it was Bigfoot

714

00:32:48,830 --> 00:32:46,980

because you it's just metamorphosized

715

00:32:51,110 --> 00:32:48,840

since it's something

716

00:32:53,210 --> 00:32:51,120

that I'd never even heard a story like

717

00:32:55,610 --> 00:32:53,220

that and I take it and encounter stories

718

00:32:59,269 --> 00:32:55,620

on a daily basis I've interviewed over

719

00:33:02,269 --> 00:32:59,279

120 people on my show researchers and

720

00:33:05,269 --> 00:33:02,279

Witnesses nothing matches mine not to

721

00:33:08,630 --> 00:33:05,279

this day nothing and I still can't find

722

00:33:09,830 --> 00:33:08,640

a a picture of this thing that I saw on

723

00:33:12,649 --> 00:33:09,840

anywhere

724

00:33:15,289 --> 00:33:12,659

so today I'm still left with mystery

725

00:33:17,690 --> 00:33:15,299

I'm still I'm still mystified

726

00:33:20,389 --> 00:33:17,700

I don't know if this was flesh and blood

727

00:33:22,190 --> 00:33:20,399

or paranormal or what but it was

728

00:33:25,430 --> 00:33:22,200

something that I experienced

729

00:33:26,330 --> 00:33:25,440

I lost my girlfriend over it today you

730

00:33:29,090 --> 00:33:26,340

guys

731

00:33:31,430 --> 00:33:29,100

in 2023

732

00:33:33,470 --> 00:33:31,440

I don't think that this thing killed her

733

00:33:36,049 --> 00:33:33,480

okay now I don't think that I thought

734

00:33:40,130 --> 00:33:36,059

that for a long time

735

00:33:42,830 --> 00:33:40,140

I don't think that that's the case today

736

00:33:44,690 --> 00:33:42,840

but I am not going to tell people and

737

00:33:46,430 --> 00:33:44,700

chat that Bigfoot or whatever is the

738

00:33:50,149 --> 00:33:46,440

friendly Force giant

739

00:33:54,889 --> 00:33:52,730

and I get into arguments with people oh

740

00:33:56,570 --> 00:33:54,899

and it sounds like it

741

00:33:58,190 --> 00:33:56,580

I get arguments from people Bigfoot

742

00:33:59,690 --> 00:33:58,200

won't harm you but then I say did you

743

00:34:01,430 --> 00:33:59,700

listen to my story

744

00:34:03,889 --> 00:34:01,440

I don't really think this wasn't even a

745

00:34:06,470 --> 00:34:03,899

Bigfoot I get it Bigfoot crossing the

746

00:34:08,210 --> 00:34:06,480

road Bigfoot with Native Americans you

747

00:34:10,669 --> 00:34:08,220

know the spiritual Bigfoot the friendly

748

00:34:12,589 --> 00:34:10,679

I get those stories what you're not

749

00:34:13,849 --> 00:34:12,599

listening is this ain't why it's not no

750

00:34:17,930 --> 00:34:13,859

Bigfoot

751

00:34:19,609 --> 00:34:17,940

what was it

752

00:34:22,070 --> 00:34:19,619

hopefully one day I'll get the answers

753

00:34:24,050 --> 00:34:22,080

and I've spoken to many researchers many

754

00:34:26,690 --> 00:34:24,060

reputable people

755

00:34:28,070 --> 00:34:26,700

and they're kind of in a quandary too

756

00:34:32,810 --> 00:34:28,080

I'll get

757

00:34:34,369 --> 00:34:32,820

I'll even get alien people say oh it's

758

00:34:38,089 --> 00:34:34,379

an alien well you know what I believe in

759

00:34:39,710 --> 00:34:38,099

everything so I I can't discard that

760

00:34:42,050 --> 00:34:39,720

well that's why I do what I do today

761

00:34:43,730 --> 00:34:42,060

because uh there's there needs to be a

762

00:34:46,010 --> 00:34:43,740

voice for people who suffer from this

763

00:34:49,609 --> 00:34:46,020

today you guys I am good

764

00:34:51,409 --> 00:34:49,619

my grieving's over with I I miss Cindy

765

00:34:54,169 --> 00:34:51,419

every day certainly but life does go on

766

00:34:56,869 --> 00:34:54,179

and like any other experience you have

767

00:34:59,990 --> 00:34:56,879

it takes a long time to get closure I

768

00:35:02,930 --> 00:35:00,000

don't think I'll get closer perhaps on

769

00:35:07,250 --> 00:35:02,940

how it happened but I have closure that

770

00:35:09,410 --> 00:35:07,260

my girl friend is now no longer with us

771

00:35:12,550 --> 00:35:09,420

and I'm at peace with that but I'm not

772

00:35:17,750 --> 00:35:12,560

at peace with what went down

773

00:35:23,150 --> 00:35:19,790

so

774

00:35:23,160 --> 00:35:27,650

nope not yet

775

00:35:32,990 --> 00:35:30,470

okay I just I wondered if you had gone

776

00:35:34,569 --> 00:35:33,000

like back there just to see I've been

777

00:35:37,670 --> 00:35:34,579

through Canada

778

00:35:39,849 --> 00:35:37,680

I haven't been back on the lake

779

00:35:43,010 --> 00:35:39,859

I've driven through town

780

00:35:46,130 --> 00:35:43,020

I still don't have uh

781

00:35:48,550 --> 00:35:46,140

I still not get I looked on the on the

782

00:35:51,530 --> 00:35:48,560

map I know how to get to this location

783

00:35:53,210 --> 00:35:51,540

via the the back trails in the woods I

784

00:35:55,490 --> 00:35:53,220

do not get there

785

00:35:57,589 --> 00:35:55,500

I'm going to do that I can't tell you

786

00:35:59,270 --> 00:35:57,599

when Bernadette

787

00:36:01,550 --> 00:35:59,280

because there's something about that

788

00:36:03,410 --> 00:36:01,560

place that still does haunt me and and

789

00:36:05,030 --> 00:36:03,420

I'm doing well today I don't want to

790

00:36:06,170 --> 00:36:05,040

fall off

791

00:36:12,010 --> 00:36:06,180

I'm

792

00:36:15,170 --> 00:36:12,020

know if that would if I would snap

793

00:36:16,670 --> 00:36:15,180

so I'm not all that excited to get back

794

00:36:19,849 --> 00:36:16,680

I've been through the town one other

795

00:36:22,670 --> 00:36:19,859

time and I do know how to get there

796

00:36:24,890 --> 00:36:22,680

without going on the lake

797

00:36:26,690 --> 00:36:24,900

but that might be I don't know if I'm

798

00:36:29,030 --> 00:36:26,700

ready for that I mean it's been since

799

00:36:30,050 --> 00:36:29,040

2018 but you know what I think I'll know

800

00:36:33,170 --> 00:36:30,060

when I'm ready

801  
00:36:34,730 --> 00:36:33,180  
and I don't want to do it just now

802  
00:36:36,530 --> 00:36:34,740  
because I'm in a good place right now

803  
00:36:37,970 --> 00:36:36,540  
I'm in a great place right I'm in a

804  
00:36:40,010 --> 00:36:37,980  
great place right now I don't I don't

805  
00:36:43,370 --> 00:36:40,020  
want to mess that up

806  
00:36:44,870 --> 00:36:43,380  
right no that's understandable I just

807  
00:36:46,370 --> 00:36:44,880  
thought someone was going to ask it so

808  
00:36:48,890 --> 00:36:46,380  
I'll just beat them to the punch and ask

809  
00:36:52,490 --> 00:36:48,900  
it for them you know if you had gone

810  
00:36:54,890 --> 00:36:52,500  
back to see yeah no not yet it's in the

811  
00:36:55,849 --> 00:36:54,900  
works I'm sure I eventually will go to

812  
00:36:58,370 --> 00:36:55,859  
the in

813  
00:37:00,170 --> 00:36:58,380

I'll get back in the woods

814

00:37:01,970 --> 00:37:00,180

up to the Shoreline

815

00:37:04,010 --> 00:37:01,980

because I have been through the town one

816

00:37:06,410 --> 00:37:04,020

time and and that was not enjoyable

817

00:37:08,990 --> 00:37:06,420

either to be honest

818

00:37:11,510 --> 00:37:09,000

I'm sure it wasn't have you had any

819

00:37:14,510 --> 00:37:11,520

other paranormal encounters or Cryptid

820

00:37:19,069 --> 00:37:17,030

I well I I just want to answer Marco's

821

00:37:21,290 --> 00:37:19,079

Toledo did I get a hold of the autopsy

822

00:37:24,410 --> 00:37:21,300

for Cindy no I was trying to get that

823

00:37:26,870 --> 00:37:24,420

but again as I said earlier you're a mom

824

00:37:28,550 --> 00:37:26,880

pretty much she told me she had a heart

825

00:37:30,829 --> 00:37:28,560

attack and I could not get any records I

826

00:37:33,770 --> 00:37:30,839

went down to the records they wouldn't

827

00:37:35,329 --> 00:37:33,780

release records about the autopsy so I'm

828

00:37:38,210 --> 00:37:35,339

clueless on that

829

00:37:41,450 --> 00:37:38,220

and I kind of I kind of left it there

830

00:37:44,329 --> 00:37:41,460

Marcos so great question because I did

831

00:37:47,270 --> 00:37:44,339

try and I was shut down

832

00:37:49,069 --> 00:37:47,280

and uh in her mom was kind of

833

00:37:51,950 --> 00:37:49,079

influential

834

00:37:53,870 --> 00:37:51,960

she was a former executive of the major

835

00:37:54,770 --> 00:37:53,880

corporation and she had a lot of strings

836

00:37:57,710 --> 00:37:54,780

and

837

00:37:59,390 --> 00:37:57,720

at the time I knew that she could do a

838

00:38:01,790 --> 00:37:59,400

lot

839

00:38:03,470 --> 00:38:01,800

so that's even a mystery yeah

840

00:38:05,930 --> 00:38:03,480

and I don't even go there because I

841

00:38:11,210 --> 00:38:05,940

could care less about her mom

842

00:38:16,490 --> 00:38:14,270

but yeah you know uh

843

00:38:18,890 --> 00:38:16,500

I used to tell this story and I could

844

00:38:21,710 --> 00:38:18,900

never get past

845

00:38:23,690 --> 00:38:21,720

the uh Sonic booms I would start crying

846

00:38:26,450 --> 00:38:23,700

it took I would tell the story to get

847

00:38:28,430 --> 00:38:26,460

tears for my first two years Bernadette

848

00:38:31,910 --> 00:38:28,440

it's finally up until recently where I

849

00:38:33,650 --> 00:38:31,920

could tell it I can tell yeah because I

850

00:38:36,609 --> 00:38:33,660

was messed up for a long time I really

851  
00:38:41,329 --> 00:38:39,230  
some of these encounters do that that to

852  
00:38:42,890 --> 00:38:41,339  
you they really do they they tend to

853  
00:38:45,589 --> 00:38:42,900  
come out of nowhere and they just tend

854  
00:38:47,870 --> 00:38:45,599  
to hit you that hard and they stick with

855  
00:38:52,490 --> 00:38:50,569  
they do this forever this will forever

856  
00:38:55,010 --> 00:38:52,500  
stick with me but you know what today I

857  
00:38:56,569 --> 00:38:55,020  
turn it into a positive right

858  
00:38:58,190 --> 00:38:56,579  
you know that's the message I spent to

859  
00:39:00,710 --> 00:38:58,200  
spread everybody you got a counter story

860  
00:39:01,910 --> 00:39:00,720  
and you're don't want to tell it contact

861  
00:39:04,250 --> 00:39:01,920  
me

862  
00:39:06,410 --> 00:39:04,260  
I'll either tell your story or B more

863  
00:39:08,270 --> 00:39:06,420

importantly I'll listen to you I won't

864

00:39:09,410 --> 00:39:08,280

cut I won't call you crazy I won't call

865

00:39:12,589 --> 00:39:09,420

you nuts

866

00:39:13,670 --> 00:39:12,599

because I can empathize excuse me with

867

00:39:15,829 --> 00:39:13,680

people

868

00:39:17,510 --> 00:39:15,839

because no one can walk in my shoes and

869

00:39:20,329 --> 00:39:17,520

I certainly can't walk in anybody else's

870

00:39:23,150 --> 00:39:20,339

shoes that had a similar experience

871

00:39:24,890 --> 00:39:23,160

maybe not as dramatic as mine some

872

00:39:26,630 --> 00:39:24,900

people freak out just seeing a Bigfoot

873

00:39:28,670 --> 00:39:26,640

or a Cryptid

874

00:39:30,710 --> 00:39:28,680

just you know a dimension of it they

875

00:39:32,690 --> 00:39:30,720

don't oh my God you know lose my job if

876

00:39:34,550 --> 00:39:32,700

I tell my boss well no don't tell your

877

00:39:37,010 --> 00:39:34,560

boss for one right that's what I tell

878

00:39:39,050 --> 00:39:37,020

people just talk to me I'll guide you to

879

00:39:40,430 --> 00:39:39,060

tell you what to do because I was

880

00:39:42,530 --> 00:39:40,440

fortunate at a group of people that did

881

00:39:44,329 --> 00:39:42,540

that for me so I try to return I try to

882

00:39:47,870 --> 00:39:44,339

pay it forward now and that's why the

883

00:39:50,390 --> 00:39:47,880

Bigfoot Mission rap show is uh now uh

884

00:39:51,260 --> 00:39:50,400

who Dow out there for people to check

885

00:39:58,130 --> 00:39:51,270

out

886

00:40:04,550 --> 00:40:01,010

you know I have I have I tell you what

887

00:40:07,970 --> 00:40:04,560

that's my only Bigfoot encounter

888

00:40:09,829 --> 00:40:07,980

but yes I've had several I you know I

889

00:40:11,390 --> 00:40:09,839

thought I was seeing ghosts as early as

890

00:40:15,170 --> 00:40:11,400

seven years old

891

00:40:17,210 --> 00:40:15,180

uh which I found out that I I had I had

892

00:40:19,490 --> 00:40:17,220

I'm not gonna really get into that I

893

00:40:21,670 --> 00:40:19,500

just want to I just want to kind of tell

894

00:40:24,589 --> 00:40:21,680

you that I knew as a kid I saw a ghost

895

00:40:27,710 --> 00:40:24,599

and this is funny and you know I was

896

00:40:29,750 --> 00:40:27,720

always told once in 2018

897

00:40:32,030 --> 00:40:29,760

I was talking to this guy Bigfoot

898

00:40:34,190 --> 00:40:32,040

Germany before Bob from Germany and he

899

00:40:36,470 --> 00:40:34,200

was telling me Rob once you have a

900

00:40:38,630 --> 00:40:36,480

Bigfoot encounter

901  
00:40:41,030 --> 00:40:38,640  
or whatever it was or paranormal

902  
00:40:42,410 --> 00:40:41,040  
encounter you're marked you're going to

903  
00:40:44,329 --> 00:40:42,420  
see a lot more

904  
00:40:46,190 --> 00:40:44,339  
you're apt to see more encounters you're

905  
00:40:48,530 --> 00:40:46,200  
apt to see more Visions you have to see

906  
00:40:51,470 --> 00:40:48,540  
more things with the Paranormal

907  
00:40:55,010 --> 00:40:51,480  
and again I'm like okay Bob

908  
00:40:57,290 --> 00:40:55,020  
from 2018 forward I can I've seen a lot

909  
00:40:59,210 --> 00:40:57,300  
of things from 2018 moving forward

910  
00:41:01,670 --> 00:40:59,220  
including

911  
00:41:02,329 --> 00:41:01,680  
a couple experiences at my bar that I

912  
00:41:04,670 --> 00:41:02,339  
own

913  
00:41:06,170 --> 00:41:04,680

but before I get to a pretty cool story

914

00:41:08,569 --> 00:41:06,180

about that is

915

00:41:10,550 --> 00:41:08,579

again as a kid I thought I was I think I

916

00:41:12,470 --> 00:41:10,560

was seeing things earlier well before

917

00:41:14,270 --> 00:41:12,480

the Bigfoot encounter

918

00:41:16,430 --> 00:41:14,280

I think I might have seen Shadows of

919

00:41:18,890 --> 00:41:16,440

Bigfoot up North with my brother and so

920

00:41:20,329 --> 00:41:18,900

on and so forth I'm not going to get

921

00:41:23,089 --> 00:41:20,339

into that again that's another long

922

00:41:25,190 --> 00:41:23,099

story yeah I mean I've seen that but

923

00:41:29,270 --> 00:41:25,200

what I would like to get into

924

00:41:32,390 --> 00:41:29,280

this is this is a paranormal life

925

00:41:34,670 --> 00:41:32,400

I'll give yourself a paranormal here

926

00:41:36,650 --> 00:41:34,680

I used to when I was married back in the

927

00:41:39,589 --> 00:41:36,660

day when I was married

928

00:41:41,870 --> 00:41:39,599

my wife and I uh she turned me on to

929

00:41:45,050 --> 00:41:41,880

antique shopping

930

00:41:47,329 --> 00:41:45,060

we had a nice home uh we but we had a

931

00:41:49,370 --> 00:41:47,339

section of house it was a big foyer you

932

00:41:51,770 --> 00:41:49,380

open our front door we had a big huge

933

00:41:54,230 --> 00:41:51,780

floor here but it was empty and we

934

00:41:57,050 --> 00:41:54,240

wanted to fill it with something so the

935

00:42:00,230 --> 00:41:57,060

wife had the idea to get a bunch of

936

00:42:03,530 --> 00:42:00,240

glass curio cabinets and fill them up

937

00:42:03,540 --> 00:42:07,430

and

938

00:42:11,210 --> 00:42:09,230

by the way the channel is Bigfoot

939

00:42:13,190 --> 00:42:11,220

Michigan Rob or Texas from we're two

940

00:42:16,609 --> 00:42:13,200

separate channels by the way

941

00:42:18,950 --> 00:42:16,619

uh I just saw that flash up there but

942

00:42:21,470 --> 00:42:18,960

okay but we were but we worked together

943

00:42:24,349 --> 00:42:21,480

he asked his eye of mine but we all work

944

00:42:27,349 --> 00:42:24,359

in a Consortium anyways

945

00:42:29,930 --> 00:42:27,359

so we

946

00:42:32,150 --> 00:42:29,940

she has this foyer wants to fill it and

947

00:42:36,050 --> 00:42:32,160

get the the glass

948

00:42:37,790 --> 00:42:36,060

curio cabinets so we start filling with

949

00:42:40,190 --> 00:42:37,800

shrinkets and stuff that we'd find

950

00:42:42,710 --> 00:42:40,200

wherever and she said hey let's go to

951  
00:42:45,349 --> 00:42:42,720  
some craft shops first we fill it with

952  
00:42:49,250 --> 00:42:45,359  
those then we moved on to

953  
00:42:51,650 --> 00:42:49,260  
as I said earlier the um antique shops

954  
00:42:57,890 --> 00:42:51,660  
so we visited a whole bunch and we

955  
00:43:02,390 --> 00:43:01,010  
we had like we bought like little uh we

956  
00:43:05,750 --> 00:43:02,400  
bought anything that looked like little

957  
00:43:08,410 --> 00:43:05,760  
figurines to like little log cabins

958  
00:43:11,150 --> 00:43:08,420  
really old cars

959  
00:43:13,609 --> 00:43:11,160  
windmills I mean you name it a bunch of

960  
00:43:16,790 --> 00:43:13,619  
old stuff that you can tell was probably

961  
00:43:21,710 --> 00:43:19,069  
so

962  
00:43:24,710 --> 00:43:21,720  
we fill up the foyer we fill up the

963  
00:43:24,720 --> 00:43:27,770

so

964

00:43:32,270 --> 00:43:30,290

about a month or about two months after

965

00:43:33,530 --> 00:43:32,280

filling up this room with all these cool

966

00:43:36,950 --> 00:43:33,540

items

967

00:43:38,870 --> 00:43:36,960

I start seeing shadows

968

00:43:40,849 --> 00:43:38,880

first is Sarah coming like out of the

969

00:43:43,130 --> 00:43:40,859

corner of my eye

970

00:43:45,470 --> 00:43:43,140

and then in one of our one of our bigger

971

00:43:48,349 --> 00:43:45,480

rooms I could see on the back wall which

972

00:43:50,510 --> 00:43:48,359

was like shaded but I would see

973

00:43:53,150 --> 00:43:50,520

I would see darker Shadows over the

974

00:43:56,270 --> 00:43:53,160

shaded areas

975

00:43:59,690 --> 00:43:56,280

and they were again

976

00:44:02,510 --> 00:43:59,700

and it had like a human form to it

977

00:44:04,730 --> 00:44:02,520

and I'm like yeah

978

00:44:06,650 --> 00:44:04,740

so I go to my wife Rachel at the time

979

00:44:08,569 --> 00:44:06,660

and I says hey honey I gotta tell you

980

00:44:11,270 --> 00:44:08,579

something I've been experiencing some

981

00:44:13,910 --> 00:44:11,280

crazy things last couple weeks I just

982

00:44:16,550 --> 00:44:13,920

have to tell you and she says hey Rob

983

00:44:19,010 --> 00:44:16,560

were you seeing shadows

984

00:44:21,290 --> 00:44:19,020

again oh my God yes why she goes I've

985

00:44:23,089 --> 00:44:21,300

been seeing shadows too she goes oh my

986

00:44:24,530 --> 00:44:23,099

God we both didn't want to think we're

987

00:44:28,550 --> 00:44:24,540

both going nuts so we didn't tell each

988

00:44:32,630 --> 00:44:28,560

other I said yeah no doubt you know

989

00:44:35,150 --> 00:44:32,640

I said yeah yeah oh my God oh my God

990

00:44:37,730 --> 00:44:35,160

I've been seeing the same thing so what

991

00:44:40,190 --> 00:44:37,740

we did was we're kind of again everyone

992

00:44:43,370 --> 00:44:40,200

now you're back on the internet and so

993

00:44:45,650 --> 00:44:43,380

we brought a person over that was a a

994

00:44:48,829 --> 00:44:45,660

ghost investigator a paranormal

995

00:44:55,430 --> 00:44:52,690

they come over it was a lady

996

00:44:59,510 --> 00:44:55,440

and she's going through since she's

997

00:45:02,270 --> 00:44:59,520

she's we told her what was going on

998

00:45:04,309 --> 00:45:02,280

we did not tell her we just told her

999

00:45:06,829 --> 00:45:04,319

what we were seeing

1000

00:45:08,750 --> 00:45:06,839

she spends about 15 minutes by herself

1001  
00:45:12,589 --> 00:45:08,760  
then she asked us some more questions

1002  
00:45:14,870 --> 00:45:12,599  
and then her last question was this she

1003  
00:45:17,210 --> 00:45:14,880  
goes I'm getting a vibe and we're

1004  
00:45:19,910 --> 00:45:17,220  
standing in the in the four year where

1005  
00:45:22,130 --> 00:45:19,920  
the curio cabinets are with all those

1006  
00:45:23,569 --> 00:45:22,140  
things we've purchased from all of these

1007  
00:45:26,390 --> 00:45:23,579  
antique shops

1008  
00:45:28,430 --> 00:45:26,400  
she says I'm getting a bad Vibe right in

1009  
00:45:30,170 --> 00:45:28,440  
this room

1010  
00:45:32,390 --> 00:45:30,180  
she was tell me a little bit about these

1011  
00:45:33,950 --> 00:45:32,400  
antiques geez

1012  
00:45:36,829 --> 00:45:33,960  
so

1013  
00:45:38,990 --> 00:45:36,839

well yeah we've been kind of randomly

1014

00:45:42,349 --> 00:45:39,000

going to you you know antique shops

1015

00:45:44,750 --> 00:45:42,359

across Michigan a couple from Illinois

1016

00:45:48,109 --> 00:45:44,760

because we had friends she had family in

1017

00:45:50,329 --> 00:45:48,119

Chicago so we also made purchases down

1018

00:45:51,589 --> 00:45:50,339

there and of course throughout the state

1019

00:45:53,750 --> 00:45:51,599

and

1020

00:45:55,250 --> 00:45:53,760

yeah there's a bad Vibe coming here she

1021

00:45:57,710 --> 00:45:55,260

goes these antiques there's something

1022

00:46:00,470 --> 00:45:57,720

wrong with them if I was you I'd get

1023

00:46:03,890 --> 00:46:02,030

she goes let me tell you it's a lot of

1024

00:46:05,510 --> 00:46:03,900

work you have a lot of things here yeah

1025

00:46:07,010 --> 00:46:05,520

once you get them out of the house I'll

1026

00:46:09,170 --> 00:46:07,020

come back

1027

00:46:10,550 --> 00:46:09,180

with another person will bless your

1028

00:46:13,730 --> 00:46:10,560

house

1029

00:46:15,530 --> 00:46:13,740

we'll smudge it do whatever they do

1030

00:46:17,990 --> 00:46:15,540

so

1031

00:46:19,670 --> 00:46:18,000

I'm like okay

1032

00:46:22,490 --> 00:46:19,680

so

1033

00:46:24,050 --> 00:46:22,500

we look at each other like man come on

1034

00:46:26,329 --> 00:46:24,060

now you gotta remember we were in our

1035

00:46:28,370 --> 00:46:26,339

30s I had my this is well before my

1036

00:46:30,829 --> 00:46:28,380

encounter so this is kind of like our

1037

00:46:32,890 --> 00:46:30,839

first like wow episode for me of like oh

1038

00:46:36,109 --> 00:46:32,900

my God something's going on

1039

00:46:37,670 --> 00:46:36,119

so what we did was this we said yeah you

1040

00:46:40,010 --> 00:46:37,680

know what let's just do it see what

1041

00:46:42,530 --> 00:46:40,020

happens so we took all the trinkets

1042

00:46:43,550 --> 00:46:42,540

all the Antiques out of all the curio

1043

00:46:47,089 --> 00:46:43,560

cabinets

1044

00:46:50,510 --> 00:46:47,099

we go back and I put them in our garage

1045

00:46:53,750 --> 00:46:50,520

back right corner of the garage and I I

1046

00:46:56,809 --> 00:46:53,760

found an area and I stashed them all

1047

00:47:01,790 --> 00:46:58,910

day or two later the lady comes back

1048

00:47:02,870 --> 00:47:01,800

with some person I wasn't home I don't

1049

00:47:05,390 --> 00:47:02,880

know if it was a priest I don't know

1050

00:47:06,650 --> 00:47:05,400

what it was but supposedly they blessed

1051  
00:47:07,490 --> 00:47:06,660  
the house they did whatever they needed

1052  
00:47:09,589 --> 00:47:07,500  
to do

1053  
00:47:11,630 --> 00:47:09,599  
I get home from work Rachel says yeah

1054  
00:47:14,210 --> 00:47:11,640  
they were back and they did blah blah

1055  
00:47:16,430 --> 00:47:14,220  
did some ceremony

1056  
00:47:18,650 --> 00:47:16,440  
I said okay cool whatever

1057  
00:47:21,910 --> 00:47:18,660  
so I tell you what though Bernadette

1058  
00:47:24,950 --> 00:47:21,920  
from that point forward

1059  
00:47:26,690 --> 00:47:24,960  
the Shadows went away and even during

1060  
00:47:28,970 --> 00:47:26,700  
this time I did forget to mention

1061  
00:47:31,010 --> 00:47:28,980  
something prior to the Shadows it seemed

1062  
00:47:33,410 --> 00:47:31,020  
like during this time too a lot of

1063  
00:47:36,170 --> 00:47:33,420

negative Vibes were happening there were

1064

00:47:38,450 --> 00:47:36,180

people in my family losing their job a

1065

00:47:40,910 --> 00:47:38,460

friend of mine committed suicide a

1066

00:47:43,190 --> 00:47:40,920

person got a car accident so during this

1067

00:47:44,750 --> 00:47:43,200

time of seeing shadows other people that

1068

00:47:47,109 --> 00:47:44,760

I knew were having negative things

1069

00:47:49,130 --> 00:47:47,119

happen to them

1070

00:47:52,329 --> 00:47:49,140

I should have mentioned that earlier

1071

00:47:56,349 --> 00:47:52,339

that slipped my mind but so anyway

1072

00:47:59,690 --> 00:47:56,359

negativity's gone we see no Shadows

1073

00:48:01,490 --> 00:47:59,700

six months go by everything's more

1074

00:48:03,650 --> 00:48:01,500

positive in fact the wife got to raise

1075

00:48:07,609 --> 00:48:03,660

her work she closed a big deal out of

1076

00:48:12,470 --> 00:48:07,619

sale made a nice check Life's good so

1077

00:48:16,010 --> 00:48:14,630

time to do some spring cleaning and the

1078

00:48:18,470 --> 00:48:16,020

first place I go is to the garage

1079

00:48:21,410 --> 00:48:18,480

because quite frankly the garage is just

1080

00:48:24,290 --> 00:48:21,420

full of junk and we were going to like

1081

00:48:27,170 --> 00:48:24,300

you know get rid of a bunch of stuff

1082

00:48:29,329 --> 00:48:27,180

so I opened the garage door and you look

1083

00:48:31,910 --> 00:48:29,339

into the garage

1084

00:48:34,069 --> 00:48:31,920

and there's no light cast in the in the

1085

00:48:35,510 --> 00:48:34,079

garage there was natural light where I

1086

00:48:39,650 --> 00:48:35,520

could see into the garage without

1087

00:48:41,230 --> 00:48:39,660

tripping on my face but everything was

1088

00:48:44,150 --> 00:48:41,240

it was it was

1089

00:48:46,790 --> 00:48:44,160

the sun wasn't beating in you couldn't

1090

00:48:50,210 --> 00:48:46,800

cast any Shadows but the walls were

1091

00:48:52,809 --> 00:48:50,220

again darkened but you can see

1092

00:48:54,950 --> 00:48:52,819

so I'm rummaging around 10 12 15 minutes

1093

00:48:57,050 --> 00:48:54,960

and I look in the upper right hand

1094

00:48:58,849 --> 00:48:57,060

corner of the garage where of course I

1095

00:49:01,130 --> 00:48:58,859

placed all the trinkets

1096

00:49:02,630 --> 00:49:01,140

from inside the house from like six

1097

00:49:04,670 --> 00:49:02,640

seven months ago

1098

00:49:07,130 --> 00:49:04,680

I look in the area

1099

00:49:11,210 --> 00:49:07,140

can I go about my business now I look

1100

00:49:15,470 --> 00:49:11,220

back a second time and guess what I see

1101  
00:49:17,710 --> 00:49:15,480  
I see a Shadows the back wall of the

1102  
00:49:21,290 --> 00:49:17,720  
garage

1103  
00:49:23,589 --> 00:49:21,300  
inside my house

1104  
00:49:27,530 --> 00:49:23,599  
I about

1105  
00:49:29,089 --> 00:49:27,540  
yeah I I petrified I'm like you've got

1106  
00:49:31,550 --> 00:49:29,099  
to be kidding me

1107  
00:49:32,990 --> 00:49:31,560  
because you know prior to this this the

1108  
00:49:36,349 --> 00:49:33,000  
Spiel that we're given about the

1109  
00:49:38,510 --> 00:49:36,359  
Paranormal it goes I kind of half-assed

1110  
00:49:41,569 --> 00:49:38,520  
believed it but now

1111  
00:49:43,430 --> 00:49:41,579  
yeah now it's not a coincidence these

1112  
00:49:45,170 --> 00:49:43,440  
items are back in my house and my garage

1113  
00:49:47,210 --> 00:49:45,180

from the house in the garage now I'm

1114

00:49:50,050 --> 00:49:47,220

seeing these Shadows I yell into the

1115

00:49:52,970 --> 00:49:50,060

house Rachel get out here get out here

1116

00:49:55,069 --> 00:49:52,980

comes the outside she comes outside what

1117

00:49:57,050 --> 00:49:55,079

what the hell is going on you you're

1118

00:49:58,730 --> 00:49:57,060

breaking out you trip a fall like oh no

1119

00:50:01,550 --> 00:49:58,740

I'm not like that

1120

00:50:02,990 --> 00:50:01,560

you get her in a garage I said look at

1121

00:50:04,550 --> 00:50:03,000

the corner where our stuff is that we

1122

00:50:06,290 --> 00:50:04,560

have from the house she's looking

1123

00:50:08,329 --> 00:50:06,300

looking I don't see nothing

1124

00:50:10,490 --> 00:50:08,339

I said well maybe whatever it is those

1125

00:50:11,390 --> 00:50:10,500

were here or those I'm showing you she

1126  
00:50:15,349 --> 00:50:11,400  
goes what the hell are you talking about

1127  
00:50:16,849 --> 00:50:15,359  
I said let's just calm down

1128  
00:50:18,530 --> 00:50:16,859  
and let's start cleaning up the garage

1129  
00:50:20,990 --> 00:50:18,540  
and act like nothing happened so about

1130  
00:50:23,150 --> 00:50:21,000  
15 20 minutes goes by

1131  
00:50:25,370 --> 00:50:23,160  
and I said just keep your area you know

1132  
00:50:27,050 --> 00:50:25,380  
keep your mind set on that corner every

1133  
00:50:29,809 --> 00:50:27,060  
once in a while

1134  
00:50:33,170 --> 00:50:29,819  
again 20 minutes goes by

1135  
00:50:35,690 --> 00:50:33,180  
she looks up no doubt she tests me on

1136  
00:50:38,690 --> 00:50:35,700  
the shoulder I look and guess what we

1137  
00:50:40,930 --> 00:50:38,700  
both are looking at the same shadow on

1138  
00:50:43,430 --> 00:50:40,940

the back wall

1139

00:50:45,230 --> 00:50:43,440

we are like what's going on oh my

1140

00:50:47,569 --> 00:50:45,240

goodness

1141

00:50:49,490 --> 00:50:47,579

so

1142

00:50:51,470 --> 00:50:49,500

we freak out

1143

00:50:53,150 --> 00:50:51,480

should we call the person back I said

1144

00:50:55,730 --> 00:50:53,160

screw calling that person I know what

1145

00:50:58,309 --> 00:50:55,740

I'm doing I went into that corner I

1146

00:51:00,049 --> 00:50:58,319

grabbed everything from that corner I

1147

00:51:02,809 --> 00:51:00,059

threw it in the back of my pickup truck

1148

00:51:03,950 --> 00:51:02,819

at the time I knew of this city local

1149

00:51:07,670 --> 00:51:03,960

dump

1150

00:51:10,190 --> 00:51:07,680

it was open to the public I I drove

1151  
00:51:12,650 --> 00:51:10,200  
there took all the crap out and I threw

1152  
00:51:15,470 --> 00:51:12,660  
it in the dump

1153  
00:51:18,349 --> 00:51:15,480  
now left I don't blame you

1154  
00:51:20,390 --> 00:51:18,359  
I said hey you know what yeah we

1155  
00:51:21,770 --> 00:51:20,400  
probably spent about 500 bucks on stuff

1156  
00:51:23,870 --> 00:51:21,780  
but I tell you what

1157  
00:51:25,370 --> 00:51:23,880  
I think it's well worth it let's see

1158  
00:51:27,589 --> 00:51:25,380  
what happens

1159  
00:51:30,650 --> 00:51:27,599  
so we lived in a house for several years

1160  
00:51:33,109 --> 00:51:30,660  
yeah and Bernadette no Shadows no

1161  
00:51:34,609 --> 00:51:33,119  
nothing life was good no crazy

1162  
00:51:36,950 --> 00:51:34,619  
experiences

1163  
00:51:41,809 --> 00:51:36,960

now that I gotta tell you it was

1164

00:51:46,790 --> 00:51:45,470

yeah and honestly it it's it's worth it

1165

00:51:49,010 --> 00:51:46,800

just it doesn't matter how much you

1166

00:51:51,770 --> 00:51:49,020

spend on just to get it away from you at

1167

00:51:54,770 --> 00:51:51,780

the time you know whatever you have to

1168

00:51:57,049 --> 00:51:54,780

do do it to get it out is basically how

1169

00:51:59,990 --> 00:51:57,059

I feel we've been through something like

1170

00:52:05,390 --> 00:52:03,349

yeah I mean it it was something and I'll

1171

00:52:07,670 --> 00:52:05,400

never forget it and I'll never forget to

1172

00:52:09,290 --> 00:52:07,680

see these Shadows I could I couldn't

1173

00:52:11,569 --> 00:52:09,300

believe that a shadow could be

1174

00:52:13,430 --> 00:52:11,579

superimposed over over like like

1175

00:52:15,109 --> 00:52:13,440

Darkness

1176

00:52:19,670 --> 00:52:15,119

you know what I mean

1177

00:52:21,589 --> 00:52:19,680

very creepy very creepy yeah yeah

1178

00:52:24,890 --> 00:52:21,599

when I was younger and I had my shadow

1179

00:52:28,250 --> 00:52:24,900

man or hatman experience I totally know

1180

00:52:34,370 --> 00:52:28,260

what you mean it it's blacker than like

1181

00:52:39,230 --> 00:52:36,829

oh real okay it was Pitch Black in the

1182

00:52:42,950 --> 00:52:39,240

room and you saw a jail person yeah

1183

00:52:46,730 --> 00:52:42,960

yeah so the shadow person it was oh

1184

00:52:50,089 --> 00:52:46,740

it was it out defined the the darkness

1185

00:52:53,450 --> 00:52:50,099

overly did I should say yeah

1186

00:52:54,530 --> 00:52:53,460

yeah yes the whole bedroom was dark and

1187

00:52:56,089 --> 00:52:54,540

he was

1188

00:52:58,250 --> 00:52:56,099

yeah

1189

00:52:59,450 --> 00:52:58,260

see that's definitely not natural I mean

1190

00:53:01,970 --> 00:52:59,460

I don't see how that can even happen

1191

00:53:05,329 --> 00:53:01,980

yeah

1192

00:53:06,770 --> 00:53:05,339

because it looked like a man just

1193

00:53:08,390 --> 00:53:06,780

standing there

1194

00:53:09,410 --> 00:53:08,400

Connie is this the picture you threw up

1195

00:53:11,630 --> 00:53:09,420

right here

1196

00:53:14,089 --> 00:53:11,640

with the red eyes but that's creepy

1197

00:53:16,309 --> 00:53:14,099

looking too yeah this is this isn't mine

1198

00:53:17,930 --> 00:53:16,319

this is a sketch of instant did for

1199

00:53:20,150 --> 00:53:17,940

somebody I think

1200

00:53:27,049 --> 00:53:20,160

yeah that's pretty creepy yeah this

1201

00:53:31,849 --> 00:53:29,630

that I saw the mouth yeah face

1202

00:53:33,470 --> 00:53:31,859

yeah The Apparition or whatever it was

1203

00:53:35,930 --> 00:53:33,480

that I saw

1204

00:53:37,670 --> 00:53:35,940

was she had a human form to it but you

1205

00:53:39,890 --> 00:53:37,680

really couldn't you couldn't distinguish

1206

00:53:42,290 --> 00:53:39,900

the head the hands or a head but you

1207

00:53:45,290 --> 00:53:42,300

knew it just had a human outline

1208

00:53:48,349 --> 00:53:45,300

but it was very very strange very

1209

00:53:50,270 --> 00:53:48,359

strange so yeah that's that's the that

1210

00:53:52,930 --> 00:53:50,280

was uh my first really I think

1211

00:53:55,790 --> 00:53:52,940

paranormal experience

1212

00:53:58,849 --> 00:53:55,800

you know yeah

1213

00:54:00,770 --> 00:53:58,859

something like that you don't get either

1214

00:54:02,270 --> 00:54:00,780

I'll never forget that

1215

00:54:04,130 --> 00:54:02,280

and uh

1216

00:54:06,109 --> 00:54:04,140

you know I'll never forget my Bigfoot

1217

00:54:08,210 --> 00:54:06,119

counter or whatever that was I'll never

1218

00:54:10,430 --> 00:54:08,220

forget uh being married and having that

1219

00:54:13,130 --> 00:54:10,440

encounter

1220

00:54:15,890 --> 00:54:13,140

and then I guess I can if you want if we

1221

00:54:17,870 --> 00:54:15,900

have time because I'm rolling I got my

1222

00:54:21,410 --> 00:54:17,880

most recent if we have time if you don't

1223

00:54:22,790 --> 00:54:21,420

mind so we go from uh yeah sure and then

1224

00:54:24,950 --> 00:54:22,800

we have questions

1225

00:54:27,170 --> 00:54:24,960

okay well I'll tell you this really

1226

00:54:30,530 --> 00:54:27,180

quick too then

1227

00:54:32,150 --> 00:54:30,540

I had uh I was uh I owned a bar of

1228

00:54:34,549 --> 00:54:32,160

course as I told everybody

1229

00:54:37,130 --> 00:54:34,559

or told or told you and whoever's

1230

00:54:39,950 --> 00:54:37,140

listening and I had that for 13 years I

1231

00:54:42,829 --> 00:54:39,960

sold it in 2020 pre-covered

1232

00:54:44,930 --> 00:54:42,839

now this bar that I found out later was

1233

00:54:47,270 --> 00:54:44,940

built

1234

00:54:49,130 --> 00:54:47,280

uh during prohibition

1235

00:54:50,750 --> 00:54:49,140

just to throw that out there to give you

1236

00:54:53,150 --> 00:54:50,760

to set the stage

1237

00:54:56,150 --> 00:54:53,160

and

1238

00:54:58,370 --> 00:54:56,160

again I was here 13 years

1239

00:55:00,650 --> 00:54:58,380

and throughout the 13 years you know

1240

00:55:02,329 --> 00:55:00,660

there's you know a lot of the employees

1241

00:55:04,370 --> 00:55:02,339

they arrived at late at night because I

1242

00:55:06,589 --> 00:55:04,380

never really worked past like midnight

1243

00:55:09,049 --> 00:55:06,599

because I worked

1244

00:55:10,910 --> 00:55:09,059

like 10 to midnight typically seven days

1245

00:55:12,890 --> 00:55:10,920

a week so at midnight

1246

00:55:15,290 --> 00:55:12,900

and they would tell me they they thought

1247

00:55:17,210 --> 00:55:15,300

at night they would always hear things

1248

00:55:20,450 --> 00:55:17,220

going on especially when they went to

1249

00:55:22,730 --> 00:55:20,460

the basement or the offices

1250

00:55:25,190 --> 00:55:22,740

so I was like yeah okay I mean that's

1251

00:55:27,290 --> 00:55:25,200

that's all like okay you know

1252

00:55:28,309 --> 00:55:27,300

I did start spending some later nights

1253

00:55:30,470 --> 00:55:28,319

there till like three in the morning

1254

00:55:32,329 --> 00:55:30,480

because people did the day off I said

1255

00:55:34,910 --> 00:55:32,339

look how close the bar because typically

1256

00:55:36,770 --> 00:55:34,920

we close at two in the morning by time

1257

00:55:37,430 --> 00:55:36,780

we get paperwork done it's 3 30 in the

1258

00:55:41,450 --> 00:55:37,440

morning

1259

00:55:44,030 --> 00:55:41,460

now in the office of the of my bar

1260

00:55:45,770 --> 00:55:44,040

it's it's in a basement it's creepy and

1261

00:55:47,990 --> 00:55:45,780

I use it for storage my little office

1262

00:55:49,670 --> 00:55:48,000

here with the computer do paperwork and

1263

00:55:51,710 --> 00:55:49,680

I also set up an area where you could

1264

00:55:53,750 --> 00:55:51,720

crash to go to bed if you didn't want to

1265

00:55:57,109 --> 00:55:53,760

go home late at night for anybody to use

1266

00:56:03,049 --> 00:55:59,510

so

1267

00:56:04,910 --> 00:56:03,059

I'm working late it's about three

1268

00:56:07,910 --> 00:56:04,920

o'clock in the morning I'm closing up

1269

00:56:11,690 --> 00:56:10,609

now I'm and I'm down in the I'm down in

1270

00:56:14,089 --> 00:56:11,700

the basement

1271

00:56:20,329 --> 00:56:14,099

and

1272

00:56:22,970 --> 00:56:20,339

bar you know again the office is in the

1273

00:56:24,770 --> 00:56:22,980

basement and the bar area is upstairs so

1274

00:56:28,270 --> 00:56:24,780

I hear some like noises

1275

00:56:31,609 --> 00:56:28,280

kind of like talking I kind of hear like

1276  
00:56:33,349 --> 00:56:31,619  
glasses clicking or being you know

1277  
00:56:36,710 --> 00:56:33,359  
rummaged about

1278  
00:56:38,870 --> 00:56:36,720  
I go up the stairs

1279  
00:56:40,490 --> 00:56:38,880  
get to the top of the staircase now I

1280  
00:56:42,530 --> 00:56:40,500  
overlooked my bar now if you overlook

1281  
00:56:45,770 --> 00:56:42,540  
the bar right directly up the top of the

1282  
00:56:47,750 --> 00:56:45,780  
staircase I had a square bar

1283  
00:56:49,790 --> 00:56:47,760  
and then off to the left there was like

1284  
00:56:52,010 --> 00:56:49,800  
another longer bar so I had like two

1285  
00:56:53,870 --> 00:56:52,020  
bars inside the bar where you where

1286  
00:56:56,630 --> 00:56:53,880  
customers could come

1287  
00:56:59,390 --> 00:56:56,640  
but I get to the top I look around okay

1288  
00:57:02,150 --> 00:56:59,400

I don't hear any sounds so what I do is

1289

00:57:03,530 --> 00:57:02,160

because a lot of times trust me in the

1290

00:57:05,809 --> 00:57:03,540

bar business this has happened many

1291

00:57:08,210 --> 00:57:05,819

times you could find somebody passed out

1292

00:57:10,430 --> 00:57:08,220

in the bathroom in a stall

1293

00:57:13,309 --> 00:57:10,440

so I checked the bathrooms no one in

1294

00:57:15,890 --> 00:57:13,319

there I saw shouting hey anybody in here

1295

00:57:18,290 --> 00:57:15,900

anybody in here I go to all the doors

1296

00:57:20,150 --> 00:57:18,300

all the doors are locked I look checked

1297

00:57:22,370 --> 00:57:20,160

out under all the tables because trust

1298

00:57:23,870 --> 00:57:22,380

me what I'm doing it sounds crazy but

1299

00:57:28,130 --> 00:57:23,880

people

1300

00:57:30,710 --> 00:57:28,140

drunk yeah so

1301

00:57:32,990 --> 00:57:30,720

right all my tables are cleaned off the

1302

00:57:35,030 --> 00:57:33,000

bars cleaned off glasses are gone

1303

00:57:37,309 --> 00:57:35,040

everything's put away

1304

00:57:39,950 --> 00:57:37,319

I got a great crew they always do a

1305

00:57:42,109 --> 00:57:39,960

great job so I'm like yeah whatever I go

1306

00:57:45,589 --> 00:57:42,119

back to the basement finish up my

1307

00:57:50,210 --> 00:57:47,630

so

1308

00:57:54,170 --> 00:57:50,220

now I hear these voices again I hear

1309

00:57:57,170 --> 00:57:54,180

these glasses clinging clanking

1310

00:57:59,569 --> 00:57:57,180

I go upstairs again I said geez you know

1311

00:58:01,549 --> 00:57:59,579

this is driving me crazy

1312

00:58:02,930 --> 00:58:01,559

I go up the stairs now I get to the top

1313

00:58:06,349 --> 00:58:02,940

of my staircase

1314

00:58:09,890 --> 00:58:06,359

and now I look out at my my Square bar

1315

00:58:13,430 --> 00:58:09,900

and about 90 30 90 feet 120 feet away

1316

00:58:15,829 --> 00:58:13,440

from from the top of the landing there

1317

00:58:18,349 --> 00:58:15,839

there are four apparitions sitting at

1318

00:58:20,990 --> 00:58:18,359

the corner of the bar

1319

00:58:22,370 --> 00:58:21,000

they're ghostly figures I know they're

1320

00:58:24,170 --> 00:58:22,380

ghostly because I can see right through

1321

00:58:26,030 --> 00:58:24,180

them to the other side of the bar so

1322

00:58:28,250 --> 00:58:26,040

they're transparent

1323

00:58:30,230 --> 00:58:28,260

I I inch closer

1324

00:58:33,589 --> 00:58:30,240

maybe another I move forward maybe

1325

00:58:36,289 --> 00:58:33,599

another 10 10 15 feet and I see these

1326  
00:58:38,930 --> 00:58:36,299  
the these four apparitions and they're

1327  
00:58:41,930 --> 00:58:38,940  
all like conversely with the with each

1328  
00:58:44,930 --> 00:58:41,940  
other so it appeared and I mean I told

1329  
00:58:47,630 --> 00:58:44,940  
you this bar was built in prohibition

1330  
00:58:49,849 --> 00:58:47,640  
for a reason because when I'm looking at

1331  
00:58:52,789 --> 00:58:49,859  
these apparitions

1332  
00:58:54,470 --> 00:58:52,799  
there were two women and two men the

1333  
00:58:58,190 --> 00:58:54,480  
women were side by side the men were

1334  
00:59:00,710 --> 00:58:58,200  
side by side there's a 90 degree so at

1335  
00:59:02,890 --> 00:59:00,720  
one side is two girls or ladies and two

1336  
00:59:05,450 --> 00:59:02,900  
men so sitting there

1337  
00:59:07,789 --> 00:59:05,460  
and the two women appear like they look

1338  
00:59:10,549 --> 00:59:07,799

like Flappers it appeared that they had

1339

00:59:12,109 --> 00:59:10,559

those fairly short cocktail dresses you

1340

00:59:15,170 --> 00:59:12,119

know what I'm talking about kind of like

1341

00:59:17,329 --> 00:59:15,180

yeah along with friends it appeared they

1342

00:59:20,150 --> 00:59:17,339

had that little hat on and stuff like

1343

00:59:22,250 --> 00:59:20,160

that so A flapper I guess the two men

1344

00:59:24,470 --> 00:59:22,260

looked like they were they had like

1345

00:59:27,289 --> 00:59:24,480

appeared they had suits on they had top

1346

00:59:30,829 --> 00:59:27,299

hats on or not top hats but the fedoras

1347

00:59:33,589 --> 00:59:30,839

like this distorted like gangsters or

1348

00:59:35,809 --> 00:59:33,599

again back in prohibition so these

1349

00:59:38,089 --> 00:59:35,819

people I'm pegging for prohibition

1350

00:59:40,370 --> 00:59:38,099

I'm not thinking that at the time but

1351

00:59:42,530 --> 00:59:40,380

that's what it looks like

1352

00:59:44,450 --> 00:59:42,540

and they're kind of convincing and I

1353

00:59:46,190 --> 00:59:44,460

hear these low muffled sounds almost

1354

00:59:48,770 --> 00:59:46,200

like communication

1355

00:59:50,390 --> 00:59:48,780

and I'm standing I Edge now I'm not

1356

00:59:53,809 --> 00:59:50,400

scared for whatever reason Bernadette

1357

00:59:55,430 --> 00:59:53,819

I'm not I'm more intrigued than anything

1358

00:59:56,930 --> 00:59:55,440

and I look around the whole bar I said

1359

00:59:58,250 --> 00:59:56,940

no nobody's got a camera nobody's

1360

01:00:00,950 --> 00:59:58,260

filming nothing there's no one in here

1361

01:00:03,049 --> 01:00:00,960

so I'm seeing something now again of

1362

01:00:06,410 --> 01:00:03,059

course referring back to what I saw at

1363

01:00:08,270 --> 01:00:06,420

my wife years years in the past I'm like

1364

01:00:10,670 --> 01:00:08,280

well there's this is definitely

1365

01:00:12,829 --> 01:00:10,680

paranormal

1366

01:00:15,049 --> 01:00:12,839

but now I'm getting frustrated because I

1367

01:00:16,910 --> 01:00:15,059

yell out I yell out to this corner I

1368

01:00:18,710 --> 01:00:16,920

said hey

1369

01:00:20,569 --> 01:00:18,720

and they kind of go about their business

1370

01:00:25,730 --> 01:00:20,579

they don't they don't look at me they

1371

01:00:28,549 --> 01:00:25,740

they continue on and I said hey again

1372

01:00:31,789 --> 01:00:28,559

but I take my my fists and I get to the

1373

01:00:33,589 --> 01:00:31,799

other side of the bar and I smack it

1374

01:00:35,390 --> 01:00:33,599

at the end of the bar

1375

01:00:38,210 --> 01:00:35,400

the opposite end where they're all

1376

01:00:42,530 --> 01:00:39,890

so

1377

01:00:44,089 --> 01:00:42,540

yeah now I get there attached to now if

1378

01:00:45,829 --> 01:00:44,099

you all kind of stop what they're doing

1379

01:00:47,569 --> 01:00:45,839

and they look at me

1380

01:00:49,789 --> 01:00:47,579

and I could tell they're looking because

1381

01:00:52,609 --> 01:00:49,799

they actually turn their ghostly they

1382

01:00:55,370 --> 01:00:52,619

actually turn their ghostly heads

1383

01:00:57,289 --> 01:00:55,380

and they look now Bernadette I made

1384

01:01:00,349 --> 01:00:57,299

mention earlier

1385

01:01:03,170 --> 01:01:00,359

that the bark top was completely clean

1386

01:01:05,230 --> 01:01:03,180

free of glass free of bar bottles

1387

01:01:08,510 --> 01:01:05,240

whiskey bottles all the tables are clean

1388

01:01:10,910 --> 01:01:08,520

now I'm looking and I'm thinking to

1389

01:01:13,069 --> 01:01:10,920

myself holy cow

1390

01:01:14,990 --> 01:01:13,079

they're in front of the two ladies there

1391

01:01:18,170 --> 01:01:15,000

are two wine glasses

1392

01:01:20,690 --> 01:01:18,180

which appeared to have been

1393

01:01:22,970 --> 01:01:20,700

which appeared to have some wine in them

1394

01:01:25,309 --> 01:01:22,980

one in fact had some in and one was

1395

01:01:29,809 --> 01:01:25,319

maybe empty and in front of the two guys

1396

01:01:32,089 --> 01:01:29,819

there's two shot glasses now the two and

1397

01:01:34,069 --> 01:01:32,099

also in the middle there's a fifth of

1398

01:01:36,049 --> 01:01:34,079

Jack Daniels and there's a bottle of

1399

01:01:38,089 --> 01:01:36,059

wine now these are not ghostly

1400

01:01:39,950 --> 01:01:38,099

apparitions Bernadette these are these

1401

01:01:42,289 --> 01:01:39,960

are from my bar

1402

01:01:44,990 --> 01:01:42,299

they're they're animate objects not

1403

01:01:47,510 --> 01:01:45,000

inanimate they're solid from what I can

1404

01:01:49,910 --> 01:01:47,520

tell at this vantage point

1405

01:01:52,069 --> 01:01:49,920

they look Abby

1406

01:01:55,130 --> 01:01:52,079

they look at me

1407

01:01:57,829 --> 01:01:55,140

and now we're really kind of now gives

1408

01:02:00,770 --> 01:01:57,839

me the chills is this the one shot glass

1409

01:02:04,130 --> 01:02:00,780

is filled with whiskey

1410

01:02:07,010 --> 01:02:04,140

the ghost one of the ghostly men dressed

1411

01:02:10,430 --> 01:02:07,020

in the Fedora the big suit the suit

1412

01:02:14,329 --> 01:02:10,440

puts his his transparent hand towards

1413

01:02:17,750 --> 01:02:14,339

this shot glass now Bernadette the shot

1414

01:02:20,390 --> 01:02:17,760

glass elevates about 12 inches into the

1415

01:02:23,510 --> 01:02:20,400

air suspended in air

1416

01:02:26,990 --> 01:02:23,520

and the Ghostly apparition's hand

1417

01:02:29,210 --> 01:02:27,000

looks at me kind of grins at me

1418

01:02:31,609 --> 01:02:29,220

then all of a sudden

1419

01:02:33,230 --> 01:02:31,619

The Apparition is all four this this one

1420

01:02:36,589 --> 01:02:33,240

that I'm focused on with the shot glass

1421

01:02:39,410 --> 01:02:36,599

suspended they kind of start to to morph

1422

01:02:42,410 --> 01:02:39,420

the the shot glass falls out of the hand

1423

01:02:44,510 --> 01:02:42,420

hits the top of the bar the bar top and

1424

01:02:46,130 --> 01:02:44,520

it shatters now I got to tell you

1425

01:02:48,770 --> 01:02:46,140

something

1426

01:02:50,569 --> 01:02:48,780

oh my shot glass suspended 12 inches up

1427

01:02:53,089 --> 01:02:50,579

dropped to the top of bars should not

1428

01:02:54,589 --> 01:02:53,099

break it should not shatter number one

1429

01:02:57,530 --> 01:02:54,599

for those of you familiar with with

1430

01:02:59,630 --> 01:02:57,540

traditional shot glasses they're thick

1431

01:03:02,569 --> 01:02:59,640

they gotta I mean even if you drop it

1432

01:03:05,630 --> 01:03:02,579

from standing up five foot or whatever

1433

01:03:07,309 --> 01:03:05,640

however tall you are yeah it might the

1434

01:03:11,809 --> 01:03:07,319

edge might shift but they don't shatter

1435

01:03:13,309 --> 01:03:11,819

it completely shattered obliterated yeah

1436

01:03:16,010 --> 01:03:13,319

and then

1437

01:03:19,910 --> 01:03:16,020

wow I'm looking at these apparitions

1438

01:03:22,549 --> 01:03:19,920

they slowly morphed faded away and they

1439

01:03:25,250 --> 01:03:22,559

appear to get older and older and older

1440

01:03:27,770 --> 01:03:25,260

they all look young and they all they

1441

01:03:29,569 --> 01:03:27,780

seem to age just like you see just like

1442

01:03:32,470 --> 01:03:29,579

you might see in a movie actually you

1443

01:03:36,829 --> 01:03:32,480

know and then they boom faded away

1444

01:03:39,770 --> 01:03:36,839

I mesmerized I'm not as shocked I don't

1445

01:03:41,329 --> 01:03:39,780

think that I'm like holy cows wow what'd

1446

01:03:43,789 --> 01:03:41,339

I just see

1447

01:03:46,670 --> 01:03:43,799

so now I walk towards the corner where

1448

01:03:49,730 --> 01:03:46,680

they were at and sure enough

1449

01:03:53,030 --> 01:03:49,740

the Jack Daniel's whiskey bottle is mine

1450

01:03:55,910 --> 01:03:53,040

it's solid there the shot glass was

1451  
01:03:58,789 --> 01:03:55,920  
broken I put my hands on the bar top and

1452  
01:04:00,650 --> 01:03:58,799  
that's and I it's liquid it's I smell it

1453  
01:04:03,049 --> 01:04:00,660  
it's definitely whiskey

1454  
01:04:05,990 --> 01:04:03,059  
the wine bottle is definitely mine and

1455  
01:04:08,109 --> 01:04:06,000  
open the wine glasses had remnants of

1456  
01:04:13,549 --> 01:04:08,119  
wine left over

1457  
01:04:16,750 --> 01:04:15,710  
and then I yelled out you guys owe me 50

1458  
01:04:20,450 --> 01:04:16,760  
bucks

1459  
01:04:23,809 --> 01:04:20,460  
for the drinks exactly they're stealing

1460  
01:04:28,730 --> 01:04:26,870  
I mean you know I I did say that too I

1461  
01:04:30,170 --> 01:04:28,740  
said that I was kind of in shocked I saw

1462  
01:04:31,190 --> 01:04:30,180  
the first thing came my mind where's my

1463  
01:04:33,530 --> 01:04:31,200

money

1464

01:04:36,049 --> 01:04:33,540

50 bucks you owe me

1465

01:04:37,789 --> 01:04:36,059

so I cleaned up the bar I cleaned up

1466

01:04:53,690 --> 01:04:37,799

yeah

1467

01:04:55,730 --> 01:04:53,700

so I clean up everything

1468

01:04:56,870 --> 01:04:55,740

I come back I go to work the next

1469

01:04:59,329 --> 01:04:56,880

morning

1470

01:05:00,470 --> 01:04:59,339

in fact I just I was gonna spend the

1471

01:05:02,270 --> 01:05:00,480

night but I said you know what I'm gonna

1472

01:05:04,670 --> 01:05:02,280

go home

1473

01:05:06,530 --> 01:05:04,680

yeah that's the girls opened up the next

1474

01:05:08,630 --> 01:05:06,540

morning

1475

01:05:10,390 --> 01:05:08,640

yeah they're like and I said I told them

1476

01:05:12,950 --> 01:05:10,400

the story

1477

01:05:15,170 --> 01:05:12,960

see Rob we've been telling you along we

1478

01:05:16,789 --> 01:05:15,180

thought weird stuff was going on we've

1479

01:05:18,410 --> 01:05:16,799

never seen a ghost like you said but

1480

01:05:19,970 --> 01:05:18,420

we've heard glasses break all the time

1481

01:05:21,829 --> 01:05:19,980

we hear voices all the time you never

1482

01:05:23,809 --> 01:05:21,839

believe this well good you know they're

1483

01:05:26,510 --> 01:05:23,819

making fun of me and stuff like that but

1484

01:05:27,770 --> 01:05:26,520

they earnestly believe me and and there

1485

01:05:29,329 --> 01:05:27,780

was no reason for them not to because

1486

01:05:31,970 --> 01:05:29,339

they didn't experienced a lot of things

1487

01:05:35,089 --> 01:05:31,980

they just had seen an apparition

1488

01:05:37,309 --> 01:05:35,099

and um right I don't know what that was

1489

01:05:39,829 --> 01:05:37,319

there's some inter it was like a a time

1490

01:05:42,410 --> 01:05:39,839

another time thing to do with time like

1491

01:05:43,970 --> 01:05:42,420

as inter-dimensional slip time slip I

1492

01:05:46,970 --> 01:05:43,980

don't know what to call it but

1493

01:05:48,829 --> 01:05:46,980

it was crazy fantastic so yeah I've had

1494

01:05:49,730 --> 01:05:48,839

a lot of fantastic crazy stuff happened

1495

01:05:51,770 --> 01:05:49,740

to me

1496

01:05:55,069 --> 01:05:51,780

and I I thought you guys would enjoy

1497

01:05:59,329 --> 01:05:55,079

that one and that was uh that happened

1498

01:06:08,150 --> 01:05:59,339

like in 2020 2019 I sold the bar about a

1499

01:06:12,049 --> 01:06:10,309

so that did never happen again in the

1500

01:06:14,930 --> 01:06:12,059

time you still owned it

1501

01:06:15,950 --> 01:06:14,940

no time I ordered um I never seen

1502

01:06:17,809 --> 01:06:15,960

anything

1503

01:06:19,910 --> 01:06:17,819

and again I was the onlybody to see a

1504

01:06:21,650 --> 01:06:19,920

ghost but the girls every night said

1505

01:06:23,870 --> 01:06:21,660

yeah there's always you know the funny

1506

01:06:25,849 --> 01:06:23,880

thing is I was there for 13 years and no

1507

01:06:29,089 --> 01:06:25,859

one really told me about here's another

1508

01:06:31,609 --> 01:06:29,099

thing Bernadette 13 years now most of my

1509

01:06:34,430 --> 01:06:31,619

staff my my one cook was with me for 13

1510

01:06:35,630 --> 01:06:34,440

years my bar manager 13 years and two

1511

01:06:37,789 --> 01:06:35,640

servers

1512

01:06:41,750 --> 01:06:37,799

13 years

1513

01:06:43,069 --> 01:06:41,760

they the four of them always experience

1514

01:06:45,410 --> 01:06:43,079

weird stuff

1515

01:06:47,029 --> 01:06:45,420

because they usually were the ones I I

1516

01:06:49,190 --> 01:06:47,039

let stay till two three in the morning

1517

01:06:51,349 --> 01:06:49,200

doing the book work I trusted them

1518

01:06:53,210 --> 01:06:51,359

they've been with me forever but they

1519

01:06:56,089 --> 01:06:53,220

never really wanted to bring that up to

1520

01:06:58,010 --> 01:06:56,099

me full scale because they didn't want

1521

01:07:00,049 --> 01:06:58,020

me to think that they were drinking

1522

01:07:01,130 --> 01:07:00,059

after work or getting loaded during work

1523

01:07:03,049 --> 01:07:01,140

hours

1524

01:07:05,029 --> 01:07:03,059

yeah they thought that I would think

1525

01:07:07,010 --> 01:07:05,039

that of them right which they shouldn't

1526

01:07:08,870 --> 01:07:07,020

have because I'm a cool dude and I

1527

01:07:10,970 --> 01:07:08,880

allowed them to have some cocktails if a

1528

01:07:12,770 --> 01:07:10,980

customer buys you a drink go for it it's

1529

01:07:15,349 --> 01:07:12,780

money for the bar just don't get nothing

1530

01:07:17,930 --> 01:07:15,359

but it sounds so fantastical

1531

01:07:19,490 --> 01:07:17,940

yeah so they never bothered but they've

1532

01:07:21,349 --> 01:07:19,500

never seen an actual Apparition they

1533

01:07:23,390 --> 01:07:21,359

just always heard weird stuff they

1534

01:07:26,450 --> 01:07:23,400

always heard voices always shared

1535

01:07:28,549 --> 01:07:26,460

glasses and yes they also

1536

01:07:30,109 --> 01:07:28,559

up and down would swear that all the

1537

01:07:32,329 --> 01:07:30,119

tables would be cleaned off but every

1538

01:07:33,710 --> 01:07:32,339

once in a while there'd be an empty beer

1539

01:07:35,170 --> 01:07:33,720

bottle

1540

01:07:37,789 --> 01:07:35,180

you know

1541

01:07:39,349 --> 01:07:37,799

yeah there'd be so and they knew that

1542

01:07:41,750 --> 01:07:39,359

they put it away so there were things

1543

01:07:43,250 --> 01:07:41,760

like that going on that they really

1544

01:07:45,470 --> 01:07:43,260

didn't tell me

1545

01:07:47,510 --> 01:07:45,480

in fear of maybe I'd fire him which I

1546

01:07:49,250 --> 01:07:47,520

thought which I had I had heard feelings

1547

01:07:51,049 --> 01:07:49,260

over this whole episode you guys don't

1548

01:07:54,829 --> 01:07:51,059

know me by now you can tell me whatever

1549

01:07:55,670 --> 01:07:54,839

you want so but yeah but I but but then

1550

01:07:57,890 --> 01:07:55,680

again

1551

01:07:59,270 --> 01:07:57,900

I never told any of anybody about my

1552

01:08:01,010 --> 01:07:59,280

Bigfoot encounter thinking that was

1553

01:08:02,390 --> 01:08:01,020

far-fetched you know you don't want to

1554

01:08:04,990 --> 01:08:02,400

be ridiculed you don't want to be

1555

01:08:07,190 --> 01:08:05,000

ridiculed or put down again that's again

1556

01:08:09,970 --> 01:08:07,200

refracting back to why I do what I do

1557

01:08:13,130 --> 01:08:09,980

today just so people can have a platform

1558

01:08:16,910 --> 01:08:13,140

where they'll be uh not ridiculed they

1559

01:08:19,550 --> 01:08:16,920

won't be judged and will let you

1560

01:08:22,010 --> 01:08:19,560

tell me or even our channel members for

1561

01:08:23,630 --> 01:08:22,020

that for you know front porch Bigfoot

1562

01:08:27,650 --> 01:08:23,640

Rob across the board

1563

01:08:30,050 --> 01:08:27,660

so so yeah so yeah

1564

01:08:32,030 --> 01:08:30,060

so do you think do you think they were

1565

01:08:34,490 --> 01:08:32,040

ghosts do you think it was a time slip

1566

01:08:36,110 --> 01:08:34,500

maybe that you were expecting I'm not

1567

01:08:38,329 --> 01:08:36,120

the adversed in it I haven't really put

1568

01:08:40,550 --> 01:08:38,339

a lot of Investigation into it I was

1569

01:08:42,530 --> 01:08:40,560

told that by a you know the blinds of

1570

01:08:43,849 --> 01:08:42,540

booze are a part of our team and they're

1571

01:08:46,130 --> 01:08:43,859

thinking it was some sort of

1572

01:08:47,390 --> 01:08:46,140

Interventional interdimensional time

1573

01:08:49,249 --> 01:08:47,400

slip

1574

01:08:50,870 --> 01:08:49,259

Jessica Jones another friend of mine has

1575

01:08:52,849 --> 01:08:50,880

told me that

1576

01:08:54,709 --> 01:08:52,859

I just thought they were ghosts but now

1577

01:08:57,530 --> 01:08:54,719

the more I delve into the Paranormal and

1578

01:08:59,809 --> 01:08:57,540

spirit world then yeah but I mean it

1579

01:09:01,729 --> 01:08:59,819

does make sense the bar was you figured

1580

01:09:04,070 --> 01:09:01,739

the bar was built during prohibition it

1581

01:09:06,669 --> 01:09:04,080

was used during prohibition the people

1582

01:09:09,229 --> 01:09:06,679

or ghosts and they look like looked at

1583

01:09:10,610 --> 01:09:09,239

were kind of dressed from prohibition

1584

01:09:12,709 --> 01:09:10,620

era

1585

01:09:13,970 --> 01:09:12,719

so it makes sense to me that they were

1586

01:09:16,630 --> 01:09:13,980

from prohibition

1587

01:09:20,209 --> 01:09:16,640

some sort of time dimensional slip right

1588

01:09:22,849 --> 01:09:20,219

so yeah so that's where I'm looking now

1589

01:09:29,510 --> 01:09:25,570

so yeah

1590

01:09:33,829 --> 01:09:32,150

well yeah right the best way I can't

1591

01:09:36,289 --> 01:09:33,839

figure out they were that's why they

1592

01:09:37,669 --> 01:09:36,299

probably but you make a great point

1593

01:09:40,010 --> 01:09:37,679

because remember I was trying to get

1594

01:09:41,809 --> 01:09:40,020

their attention and they ignored me and

1595

01:09:43,370 --> 01:09:41,819

she like pounded on the end of the bar

1596

01:09:46,669 --> 01:09:43,380

yeah and they're like what are you doing

1597

01:09:48,410 --> 01:09:46,679

so maybe I was invading their space eh

1598

01:09:50,930 --> 01:09:48,420

at the time that's what they had thought

1599

01:09:52,910 --> 01:09:50,940

I guess yeah

1600

01:09:54,530 --> 01:09:52,920

that makes you wonder

1601  
01:09:56,870 --> 01:09:54,540  
it does mean it makes you wonder that

1602  
01:09:58,490 --> 01:09:56,880  
you know you're the ghost to them and in

1603  
01:10:02,450 --> 01:09:58,500  
their Dimension and they're the ghosts

1604  
01:10:06,229 --> 01:10:04,490  
yeah yes absolutely that's what I'm

1605  
01:10:08,030 --> 01:10:06,239  
trying to get my cat I'm trying to get a

1606  
01:10:10,970 --> 01:10:08,040  
grasp on that because that's exactly

1607  
01:10:12,770 --> 01:10:10,980  
what you just said I've been told so

1608  
01:10:15,350 --> 01:10:12,780  
so yeah

1609  
01:10:17,390 --> 01:10:15,360  
but yeah it was so weird that sounds

1610  
01:10:19,010 --> 01:10:17,400  
like to me but that that's scary and

1611  
01:10:20,750 --> 01:10:19,020  
interesting

1612  
01:10:23,990 --> 01:10:20,760  
yeah you know for whatever reason I

1613  
01:10:27,890 --> 01:10:24,000

wasn't scared I I don't know why

1614

01:10:31,310 --> 01:10:27,900

uh but yeah this was in 2019. I already

1615

01:10:33,830 --> 01:10:31,320

saw Bigfoot 2020 uh 2018.

1616

01:10:35,270 --> 01:10:33,840

I had my encounters with my wife so I

1617

01:10:38,209 --> 01:10:35,280

was kind of like

1618

01:10:40,850 --> 01:10:38,219

I don't want to see used to it but I was

1619

01:10:42,470 --> 01:10:40,860

not a novice either right to high

1620

01:10:44,149 --> 01:10:42,480

strangeness

1621

01:10:45,530 --> 01:10:44,159

but yeah I could see right through them

1622

01:10:47,870 --> 01:10:45,540

but you know I could tell what type of

1623

01:10:49,790 --> 01:10:47,880

clothes they wore and everything and you

1624

01:10:51,890 --> 01:10:49,800

know it was really weird really weird

1625

01:10:54,350 --> 01:10:51,900

that's amazing

1626

01:10:56,750 --> 01:10:54,360

yeah

1627

01:10:58,490 --> 01:10:56,760

so we have some questions for you are

1628

01:11:00,350 --> 01:10:58,500

you okay with taking some questions yeah

1629

01:11:01,430 --> 01:11:00,360

yeah no problem

1630

01:11:04,250 --> 01:11:01,440

okay

1631

01:11:08,810 --> 01:11:04,260

so Malcolm wants to know

1632

01:11:14,270 --> 01:11:08,820

uh what was the Brown Line uh when a

1633

01:11:17,030 --> 01:11:14,280

bridge uh like an a pass oh the oh oh

1634

01:11:20,750 --> 01:11:17,040

the the brow line he got the hit you

1635

01:11:23,990 --> 01:11:20,760

know well yeah from the original

1636

01:11:27,290 --> 01:11:24,000

creature that looks like a Down syndrome

1637

01:11:29,750 --> 01:11:27,300

it looks like a human being his hair was

1638

01:11:32,810 --> 01:11:29,760

pulled back all red it was there the

1639

01:11:35,330 --> 01:11:32,820

eyes were sunk back and offset it wasn't

1640

01:11:37,250 --> 01:11:35,340

like really protruding like you see in

1641

01:11:39,290 --> 01:11:37,260

the Patty video

1642

01:11:40,790 --> 01:11:39,300

but it was a little bit distinctive kind

1643

01:11:44,090 --> 01:11:40,800

of more like this picture right here

1644

01:11:50,330 --> 01:11:47,209

okay so it was more up like kind of

1645

01:11:51,649 --> 01:11:50,340

spiked maybe or just kind of the long

1646

01:11:53,810 --> 01:11:51,659

hair on the head was like kind of

1647

01:11:55,550 --> 01:11:53,820

slicked back at this long

1648

01:11:58,430 --> 01:11:55,560

you know with the point like this but

1649

01:12:01,729 --> 01:11:58,440

picture this picture here but the short

1650

01:12:04,790 --> 01:12:01,739

hair was exceedingly long it's I hear

1651  
01:12:05,689 --> 01:12:04,800  
from the heads draped over his shoulders

1652  
01:12:12,050 --> 01:12:05,699  
okay

1653  
01:12:15,169 --> 01:12:13,070  
yeah

1654  
01:12:18,950 --> 01:12:15,179  
Vincent wants to

1655  
01:12:23,030 --> 01:12:18,960  
what story you've heard that shocked you

1656  
01:12:25,669 --> 01:12:23,040  
well my old story shocked me for what

1657  
01:12:27,290 --> 01:12:25,679  
you know not these shocks me today let

1658  
01:12:29,630 --> 01:12:27,300  
me tell you Vincent and everybody

1659  
01:12:31,850 --> 01:12:29,640  
listening nothing really shocks me now

1660  
01:12:33,770 --> 01:12:31,860  
you know I do have quite a few stories

1661  
01:12:35,990 --> 01:12:33,780  
on my channel from encounters that

1662  
01:12:38,570 --> 01:12:36,000  
people have emailed in

1663  
01:12:41,510 --> 01:12:38,580

which I do read in a video format for

1664

01:12:44,870 --> 01:12:41,520

people to watch

1665

01:12:48,470 --> 01:12:44,880

um IPS was shocking ones where dog man

1666

01:12:49,430 --> 01:12:48,480

has clawed at people's animals I had one

1667

01:12:52,070 --> 01:12:49,440

where

1668

01:12:54,530 --> 01:12:52,080

a dog man killed

1669

01:12:57,950 --> 01:12:54,540

this guy's German Shepherd

1670

01:13:00,830 --> 01:12:57,960

that's shocking and that's probably when

1671

01:13:04,130 --> 01:13:00,840

I read that I had to do 10 takes on it

1672

01:13:07,250 --> 01:13:04,140

because I I started to really feel sad

1673

01:13:10,430 --> 01:13:07,260

and I had to I had to stop I had to stop

1674

01:13:12,709 --> 01:13:10,440

reading it and get my composure I wasn't

1675

01:13:14,090 --> 01:13:12,719

crying but it was very sad that you can

1676

01:13:16,130 --> 01:13:14,100

find those on the channel but I think

1677

01:13:18,649 --> 01:13:16,140

the ones that involved there's been two

1678

01:13:22,910 --> 01:13:18,659

that I've done one was the actual

1679

01:13:25,790 --> 01:13:22,920

Slaughter of this man's dog

1680

01:13:28,910 --> 01:13:25,800

and another one was the recent one I put

1681

01:13:32,209 --> 01:13:28,920

out about something clawed at his horse

1682

01:13:34,790 --> 01:13:32,219

and put an eight inch claw Mark in his

1683

01:13:39,470 --> 01:13:34,800

hindquarters and went about an inch deep

1684

01:13:40,850 --> 01:13:39,480

and it started to bleed and um well he

1685

01:13:43,490 --> 01:13:40,860

couldn't get it to stop because the

1686

01:13:45,709 --> 01:13:43,500

horse was bucking so yeah I just dropped

1687

01:13:51,050 --> 01:13:45,719

that today so yes when it involves

1688

01:13:53,450 --> 01:13:51,060

animals and and there and and something

1689

01:13:56,330 --> 01:13:53,460

bad happening to them those to me are

1690

01:14:00,530 --> 01:13:57,490

um

1691

01:14:02,689 --> 01:14:00,540

yeah yeah that that is I mean because

1692

01:14:05,149 --> 01:14:02,699

they can't really defend themselves or

1693

01:14:08,090 --> 01:14:05,159

they can't really call for help or tell

1694

01:14:10,450 --> 01:14:08,100

you what's happened so yeah I I totally

1695

01:14:15,050 --> 01:14:10,460

agree with you yeah in fact Pam

1696

01:14:17,209 --> 01:14:15,060

I order cook one wants to know oh sorry

1697

01:14:20,870 --> 01:14:17,219

no I know we're behind you're behind me

1698

01:14:22,729 --> 01:14:20,880

so but Pam Smith yeah you know she's a

1699

01:14:24,050 --> 01:14:22,739

great friend of the channel yeah sorry

1700

01:14:26,030 --> 01:14:24,060

for shows

1701

01:14:28,850 --> 01:14:26,040

and yeah I know what she's talking about

1702

01:14:30,649 --> 01:14:28,860

that was a tough one to swallow a tough

1703

01:14:41,209 --> 01:14:30,659

one

1704

01:14:47,450 --> 01:14:43,729

so now are you happy with having these

1705

01:14:51,709 --> 01:14:47,460

experiences uh do they add to your life

1706

01:14:56,030 --> 01:14:53,330

um

1707

01:15:01,130 --> 01:14:56,040

I don't know if I say happy

1708

01:15:06,770 --> 01:15:04,550

they do add to my life because as I made

1709

01:15:09,530 --> 01:15:06,780

mention several times is

1710

01:15:11,930 --> 01:15:09,540

I'm a voice for other people now you

1711

01:15:13,910 --> 01:15:11,940

know you can come to me and I can help

1712

01:15:17,270 --> 01:15:13,920

you gladly if you've had an encounter

1713

01:15:19,790 --> 01:15:17,280

and not to mention I'm I'm

1714

01:15:21,550 --> 01:15:19,800

very much an investigating Bigfoot in

1715

01:15:24,530 --> 01:15:21,560

the Paranormal and all these script is

1716

01:15:26,810 --> 01:15:24,540

I'm happy with that you know this is my

1717

01:15:29,750 --> 01:15:26,820

third career now you know I worked at

1718

01:15:32,090 --> 01:15:29,760

Ford I owned a bar now I kind of do this

1719

01:15:33,950 --> 01:15:32,100

now of course this is my least paying

1720

01:15:35,390 --> 01:15:33,960

job of all three of course as we all

1721

01:15:39,410 --> 01:15:35,400

know

1722

01:15:41,270 --> 01:15:39,420

satisfying but I'm going to tell you

1723

01:15:43,130 --> 01:15:41,280

guys something right now this is

1724

01:15:44,330 --> 01:15:43,140

probably the most satisfying work I've

1725

01:15:46,610 --> 01:15:44,340

ever done

1726

01:15:48,410 --> 01:15:46,620

and I'll be honest with you I enjoy

1727

01:15:50,930 --> 01:15:48,420

helping people I enjoy telling their

1728

01:15:53,450 --> 01:15:50,940

stories I enjoy interviewing researchers

1729

01:15:54,950 --> 01:15:53,460

and like Rod Moorhead I've had a lot of

1730

01:15:57,890 --> 01:15:54,960

great people on my show

1731

01:16:00,890 --> 01:15:57,900

I'm just I'm a sponge for knowledge

1732

01:16:07,430 --> 01:16:00,900

and you know it has it has added to my

1733

01:16:11,750 --> 01:16:09,590

do you think that

1734

01:16:13,669 --> 01:16:11,760

that you were meant to do this that like

1735

01:16:16,550 --> 01:16:13,679

you were meant to have your Bigfoot

1736

01:16:18,830 --> 01:16:16,560

encounter basically kind of suffer

1737

01:16:21,649 --> 01:16:18,840

everything you've done or gone through

1738

01:16:24,350 --> 01:16:21,659

just to be able to help people do you

1739

01:16:26,990 --> 01:16:24,360

think that there's some predestined plan

1740

01:16:28,310 --> 01:16:27,000

for you to do this well it's strange as

1741

01:16:32,870 --> 01:16:28,320

it sounds

1742

01:16:34,310 --> 01:16:32,880

happened you never would have met me I

1743

01:16:36,890 --> 01:16:34,320

never would have met the people and [h\_\_\h]

1744

01:16:40,370 --> 01:16:36,900

I never would have started a channel I

1745

01:16:43,970 --> 01:16:40,380

never would have any message to

1746

01:16:46,130 --> 01:16:43,980

to exude to the public

1747

01:16:48,649 --> 01:16:46,140

uh the only thing I regretted about the

1748

01:16:51,290 --> 01:16:48,659

Encounters of course the loss

1749

01:16:52,850 --> 01:16:51,300

but today I don't think that had

1750

01:16:54,470 --> 01:16:52,860

anything to do with it I just think

1751

01:16:57,709 --> 01:16:54,480

unfortunately

1752

01:16:59,990 --> 01:16:57,719

and again It reversed back to the mom

1753

01:17:02,050 --> 01:17:00,000

I don't I don't really know exactly what

1754

01:17:06,709 --> 01:17:02,060

happened with that death

1755

01:17:08,930 --> 01:17:06,719

so so yeah that's the only thing that I

1756

01:17:10,970 --> 01:17:08,940

if I could take back anything it would

1757

01:17:16,510 --> 01:17:10,980

be that

1758

01:17:20,090 --> 01:17:16,520

because that really hurt me it did

1759

01:17:21,290 --> 01:17:20,100

that's understandable that is

1760

01:17:23,630 --> 01:17:21,300

um

1761

01:17:26,270 --> 01:17:23,640

Marcus wants to know

1762

01:17:28,729 --> 01:17:26,280

what Rob and his wife buy at those

1763

01:17:30,290 --> 01:17:28,739

antique shops yeah

1764

01:17:32,330 --> 01:17:30,300

um we bought like little little

1765

01:17:34,610 --> 01:17:32,340

figurines of

1766

01:17:37,310 --> 01:17:34,620

of like animals there was like little

1767

01:17:38,689 --> 01:17:37,320

small cabins

1768

01:17:39,530 --> 01:17:38,699

um there was

1769

01:17:41,570 --> 01:17:39,540

um

1770

01:17:43,070 --> 01:17:41,580

guy remembering back like there's like I

1771

01:17:45,410 --> 01:17:43,080

remember a train

1772

01:17:47,510 --> 01:17:45,420

some cottage looking

1773

01:17:51,830 --> 01:17:47,520

houses

1774

01:17:54,350 --> 01:17:51,840

um there was like some deer you know

1775

01:17:56,330 --> 01:17:54,360

um gosh there's some Christmas stuff

1776

01:17:58,250 --> 01:17:56,340

mixed in there like older trees

1777

01:18:01,010 --> 01:17:58,260

Christmas trees kind of like a little

1778

01:18:04,550 --> 01:18:01,020

village so there's there was so many

1779

01:18:06,410 --> 01:18:04,560

different things it was oh you've I

1780

01:18:09,410 --> 01:18:06,420

actually if you named anything there was

1781

01:18:12,470 --> 01:18:09,420

like a gas there's like an old gas like

1782

01:18:14,570 --> 01:18:12,480

a old gas pump from the standard gas

1783

01:18:16,910 --> 01:18:14,580

you know not everything was wood there

1784

01:18:19,790 --> 01:18:16,920

was some wood ones some metal ones there

1785

01:18:22,189 --> 01:18:19,800

was some wicker type pieces some straw

1786

01:18:23,390 --> 01:18:22,199

type pieces so it was really a variety

1787

01:18:27,590 --> 01:18:23,400

of a lot of

1788

01:18:29,570 --> 01:18:27,600

I was just called a BS you know but it

1789

01:18:32,350 --> 01:18:29,580

was the way she put it all together it

1790

01:18:34,850 --> 01:18:32,360

looked cool the cabinets so I

1791

01:18:36,169 --> 01:18:34,860

said good knock yourself out honey it

1792

01:18:48,850 --> 01:18:36,179

looks good yeah

1793

01:18:54,590 --> 01:18:52,130

like 10 or 11 in Michigan and again we

1794

01:18:57,290 --> 01:18:54,600

brought some stuff back from Chicago so

1795

01:18:59,149 --> 01:18:57,300

it was even like Thrift Marts you know

1796

01:19:02,090 --> 01:18:59,159

they had like value Villages back then

1797

01:19:04,310 --> 01:19:02,100

she'd find like old hand-me-downs of a

1798

01:19:06,470 --> 01:19:04,320

figurines she would buy and a lot of the

1799

01:19:08,570 --> 01:19:06,480

stuff was even Crystal and quartz I mean

1800

01:19:12,410 --> 01:19:08,580

there was like that I remember she liked

1801  
01:19:14,630 --> 01:19:12,420  
those Swarovski like uh Swarovski doves

1802  
01:19:16,910 --> 01:19:14,640  
or angels

1803  
01:19:18,890 --> 01:19:16,920  
you know they're not necessarily they're

1804  
01:19:21,709 --> 01:19:18,900  
they're at these thrift stores you know

1805  
01:19:23,570 --> 01:19:21,719  
one of these pieces might be 50 bucks at

1806  
01:19:25,370 --> 01:19:23,580  
a retailer they're selling for ten

1807  
01:19:27,470 --> 01:19:25,380  
dollars so she said hell yeah I'll buy

1808  
01:19:30,050 --> 01:19:27,480  
one of these so not everything was old

1809  
01:19:33,950 --> 01:19:30,060  
and dated some of it was Modern but some

1810  
01:19:36,110 --> 01:19:33,960  
of it was old you know

1811  
01:19:38,530 --> 01:19:36,120  
yeah yeah

1812  
01:19:41,330 --> 01:19:38,540  
and you just have to wonder if like if

1813  
01:19:43,610 --> 01:19:41,340

they just picked up stuff along the way

1814

01:19:45,410 --> 01:19:43,620

or if it came from you know the antique

1815

01:19:47,750 --> 01:19:45,420

store itself

1816

01:19:49,970 --> 01:19:47,760

well I'm convinced that probably not

1817

01:19:52,850 --> 01:19:49,980

everything from the antique store was

1818

01:19:55,610 --> 01:19:52,860

was haunted or had an attachment but I

1819

01:19:58,310 --> 01:19:55,620

think a lot of it a lot of it did now if

1820

01:20:00,110 --> 01:19:58,320

that spread to everything else maybe

1821

01:20:02,330 --> 01:20:00,120

but it didn't spread through the whole

1822

01:20:04,370 --> 01:20:02,340

home it was just those objects because

1823

01:20:06,470 --> 01:20:04,380

as I said when I took the objects out of

1824

01:20:08,990 --> 01:20:06,480

the house all the weird stuff stopped

1825

01:20:10,010 --> 01:20:09,000

the Shadows stopped I put it in the

1826

01:20:14,209 --> 01:20:10,020

garage

1827

01:20:16,370 --> 01:20:14,219

all started all over again

1828

01:20:19,430 --> 01:20:16,380

so I think it was inherent just to the

1829

01:20:21,770 --> 01:20:19,440

some of those objects

1830

01:20:24,350 --> 01:20:21,780

yeah and then you finally took it to the

1831

01:20:26,450 --> 01:20:24,360

dump and that was their problem

1832

01:20:28,070 --> 01:20:26,460

yeah that's their problem now somebody

1833

01:20:29,870 --> 01:20:28,080

else probably has it you know they

1834

01:20:32,030 --> 01:20:29,880

probably matched it up you know I always

1835

01:20:34,070 --> 01:20:32,040

wonder I wonder about that though

1836

01:20:36,410 --> 01:20:34,080

Bernadette maybe that stuff got smashed

1837

01:20:38,330 --> 01:20:36,420

up and turned into dust but maybe that

1838

01:20:40,310 --> 01:20:38,340

got into the atmosphere

1839

01:20:42,169 --> 01:20:40,320

went down someone's chimney now maybe

1840

01:20:43,850 --> 01:20:42,179

it's in their house all over the house I

1841

01:20:46,130 --> 01:20:43,860

don't know I think weird like that but

1842

01:20:48,410 --> 01:20:46,140

you I don't know I think I probably

1843

01:20:50,510 --> 01:20:48,420

shouldn't have done that

1844

01:20:52,550 --> 01:20:50,520

well I mean what else are you supposed

1845

01:20:54,110 --> 01:20:52,560

to do to be honest at the time if you

1846

01:20:56,990 --> 01:20:54,120

didn't really it was the time at the

1847

01:20:58,910 --> 01:20:57,000

time yeah yeah I know nothing about the

1848

01:21:00,830 --> 01:20:58,920

Paranormal at the time or what the what

1849

01:21:02,750 --> 01:21:00,840

could happen or the after effects I

1850

01:21:05,630 --> 01:21:02,760

didn't know about hitchhikers and stuff

1851

01:21:08,270 --> 01:21:05,640

like that right or attachments so

1852

01:21:09,770 --> 01:21:08,280

exactly I think any normal person would

1853

01:21:12,350 --> 01:21:09,780

do what I did

1854

01:21:14,209 --> 01:21:12,360

yeah I mean I've done it I mean I I

1855

01:21:16,490 --> 01:21:14,219

honestly see nothing wrong with that if

1856

01:21:18,649 --> 01:21:16,500

you're in that kind of position you just

1857

01:21:21,770 --> 01:21:18,659

don't know what to do the other thing is

1858

01:21:23,630 --> 01:21:21,780

some Sur divers people who just go

1859

01:21:25,850 --> 01:21:23,640

either into landfills or things like

1860

01:21:26,810 --> 01:21:25,860

that and just pick it up they might you

1861

01:21:28,669 --> 01:21:26,820

know

1862

01:21:30,410 --> 01:21:28,679

have made the mistake and thought it's

1863

01:21:32,870 --> 01:21:30,420

really great Antiques and then got it

1864

01:21:36,530 --> 01:21:32,880

home and then they were like oh no

1865

01:21:37,870 --> 01:21:36,540

yeah oh no right exactly

1866

01:21:41,630 --> 01:21:37,880

yes

1867

01:21:43,729 --> 01:21:41,640

exactly that's never take anything off

1868

01:21:46,270 --> 01:21:43,739

the side of the road when it says free

1869

01:21:50,149 --> 01:21:46,280

it's always suspicious

1870

01:21:53,870 --> 01:21:50,159

yes yeah yeah I know it hurt you yeah no

1871

01:21:55,970 --> 01:21:53,880

if something's free yeah say no

1872

01:22:00,590 --> 01:21:55,980

or if it is free sell at your garage

1873

01:22:06,530 --> 01:22:03,229

exactly

1874

01:22:08,930 --> 01:22:06,540

um Prairie Life wants to know why do

1875

01:22:10,149 --> 01:22:08,940

ghosts have clothes

1876  
01:22:13,010 --> 01:22:10,159  
foreign

1877  
01:22:15,290 --> 01:22:13,020  
I have no idea to answer that one now

1878  
01:22:17,750 --> 01:22:15,300  
what I looked at wasn't a ghost

1879  
01:22:20,330 --> 01:22:17,760  
it wasn't like yeah this was an

1880  
01:22:22,490 --> 01:22:20,340  
apparition that took out a human form

1881  
01:22:24,830 --> 01:22:22,500  
they had human faces

1882  
01:22:27,410 --> 01:22:24,840  
they look like Flappers they look like

1883  
01:22:30,169 --> 01:22:27,420  
people from prohibition the men had

1884  
01:22:33,050 --> 01:22:30,179  
distinct jaw lines the women had frail

1885  
01:22:35,810 --> 01:22:33,060  
little faces they had hats

1886  
01:22:37,729 --> 01:22:35,820  
they had a suit they had dresses but

1887  
01:22:39,890 --> 01:22:37,739  
they were transparent they're

1888  
01:22:42,709 --> 01:22:39,900

transparent I mean I don't know what you

1889

01:22:45,290 --> 01:22:42,719

know I think what you know I think when

1890

01:22:47,990 --> 01:22:45,300

people think of ghosts you think about

1891

01:22:50,390 --> 01:22:48,000

you know I mean I don't know what you

1892

01:22:51,590 --> 01:22:50,400

think when you think ghosts as a kid I

1893

01:22:53,450 --> 01:22:51,600

saw a ghost and it looked like the

1894

01:22:55,729 --> 01:22:53,460

Scooby-Doo ghost you know what it looked

1895

01:22:58,130 --> 01:22:55,739

like it looked like a white sheet put

1896

01:23:00,649 --> 01:22:58,140

over a person's head and they had black

1897

01:23:02,870 --> 01:23:00,659

eyes I saw that as a kid thought I was

1898

01:23:05,990 --> 01:23:02,880

you know that's that's first ghost cyber

1899

01:23:07,550 --> 01:23:06,000

song did you really yeah I was

1900

01:23:09,470 --> 01:23:07,560

I mean at the time I thought it was

1901

01:23:11,570 --> 01:23:09,480

dreaming at the time I thought I was

1902

01:23:13,189 --> 01:23:11,580

dreaming now since I've had these

1903

01:23:14,570 --> 01:23:13,199

experiences someone told me no that was

1904

01:23:16,910 --> 01:23:14,580

a ghost I'm like you got to be kidding

1905

01:23:18,169 --> 01:23:16,920

me really Scooby-Doo ghosts it's kind of

1906

01:23:20,570 --> 01:23:18,179

funny

1907

01:23:23,990 --> 01:23:20,580

but what do ghosts actually look like I

1908

01:23:26,570 --> 01:23:24,000

don't know even showing itself yeah yeah

1909

01:23:29,209 --> 01:23:26,580

I mean yeah convince young itself in

1910

01:23:31,430 --> 01:23:29,219

something that made you comfortable yeah

1911

01:23:32,990 --> 01:23:31,440

so you know ghost Apparition whatever

1912

01:23:34,430 --> 01:23:33,000

your definition is that's what I saw

1913

01:23:36,290 --> 01:23:34,440

that's what I looked like I could tell

1914

01:23:38,390 --> 01:23:36,300

that he had clothes on I mean they

1915

01:23:46,550 --> 01:23:38,400

weren't naked and they look like human

1916

01:23:52,910 --> 01:23:50,410

because so when my mom's stepsister died

1917

01:23:54,169 --> 01:23:52,920

we went to the funeral it was on my

1918

01:23:57,590 --> 01:23:54,179

mom's birthday

1919

01:24:01,130 --> 01:23:57,600

and they've her and my uncle they went

1920

01:24:02,990 --> 01:24:01,140

to where you know my aunt died and my

1921

01:24:05,870 --> 01:24:03,000

mom we went in there my mom was like

1922

01:24:07,850 --> 01:24:05,880

don't touch anything I was like

1923

01:24:08,870 --> 01:24:07,860

seven or eight at the time don't touch

1924

01:24:10,669 --> 01:24:08,880

anything

1925

01:24:13,510 --> 01:24:10,679

I'm like okay that's not gonna happen

1926

01:24:15,709 --> 01:24:13,520

but okay so I they went into the kitchen

1927

01:24:18,050 --> 01:24:15,719

basically he was showing her where they

1928

01:24:20,209 --> 01:24:18,060

had found the body and everything I went

1929

01:24:23,149 --> 01:24:20,219

off into this like little bedroom

1930

01:24:25,130 --> 01:24:23,159

and there was a bed and there was a

1931

01:24:26,750 --> 01:24:25,140

table and it was there was a fireplace

1932

01:24:29,270 --> 01:24:26,760

and there were knickknacks and there was

1933

01:24:31,790 --> 01:24:29,280

a little stool in front of the fireplace

1934

01:24:33,709 --> 01:24:31,800

I climbed up on the stool and it was

1935

01:24:35,990 --> 01:24:33,719

like a horse there was a horse

1936

01:24:38,149 --> 01:24:36,000

knick-knack like Crystal knick-knack I

1937

01:24:40,970 --> 01:24:38,159

started playing with it because I don't

1938

01:24:43,010 --> 01:24:40,980

know how to listen and so I'm playing

1939

01:24:44,570 --> 01:24:43,020

with it and I'm trying to listen at the

1940

01:24:46,189 --> 01:24:44,580

same time for like my mom to come

1941

01:24:48,770 --> 01:24:46,199

yelling at me

1942

01:24:50,870 --> 01:24:48,780

and I I heard something and I kind of

1943

01:24:52,729 --> 01:24:50,880

like looked and then I looked back and I

1944

01:24:54,709 --> 01:24:52,739

looked up in the mirror there was an old

1945

01:24:57,590 --> 01:24:54,719

woman looking at me

1946

01:24:59,510 --> 01:24:57,600

had like dark glasses on that her hair

1947

01:25:02,149 --> 01:24:59,520

pulled back in the tight button she's

1948

01:25:04,430 --> 01:25:02,159

just like stared at me and she smiled

1949

01:25:05,870 --> 01:25:04,440

yeah and I looked back and there was no

1950

01:25:06,770 --> 01:25:05,880

one behind me but when I looked back she

1951

01:25:09,169 --> 01:25:06,780

was there

1952

01:25:10,910 --> 01:25:09,179

and I'm thinking I have to stand on this

1953

01:25:12,410 --> 01:25:10,920

stool it's up pretty high to reach this

1954

01:25:15,229 --> 01:25:12,420

mirror and I'm like

1955

01:25:17,570 --> 01:25:15,239

I screamed so loud and I ran out the

1956

01:25:19,430 --> 01:25:17,580

door got in my mom's car I locked the

1957

01:25:20,570 --> 01:25:19,440

doors I locked them out she comes

1958

01:25:22,850 --> 01:25:20,580

running out with Michael and they're

1959

01:25:25,610 --> 01:25:22,860

like yelling at me to open the door and

1960

01:25:30,770 --> 01:25:25,620

I'm like no no I'm just I was terrified

1961

01:25:34,370 --> 01:25:32,390

yes

1962

01:25:38,689 --> 01:25:34,380

it's like moving stuff

1963

01:25:40,910 --> 01:25:38,699

about like Movers heavy set and they

1964

01:25:44,030 --> 01:25:40,920

were carrying like it looked like a

1965

01:25:45,590 --> 01:25:44,040

chest or something like that they were

1966

01:25:47,750 --> 01:25:45,600

putting it into this like dinky pickup

1967

01:25:49,970 --> 01:25:47,760

chair that's behind my mom's car

1968

01:25:52,310 --> 01:25:49,980

and the thin guy said something to the

1969

01:25:54,470 --> 01:25:52,320

heavier set guy and he looked at him and

1970

01:25:56,750 --> 01:25:54,480

he's like the poor kid's scared enough

1971

01:25:58,970 --> 01:25:56,760

leave her alone

1972

01:26:00,410 --> 01:25:58,980

and like my mom's yanking on the door at

1973

01:26:01,250 --> 01:26:00,420

this time and I'm like looking at them

1974

01:26:06,530 --> 01:26:01,260

like

1975

01:26:09,350 --> 01:26:06,540

here so finally I let my mom in and

1976

01:26:11,209 --> 01:26:09,360

she's like giving me hell for it she's I

1977

01:26:13,970 --> 01:26:11,219

mean she's saying everything you can

1978

01:26:16,070 --> 01:26:13,980

imagine for doing it and I'm like there

1979

01:26:17,810 --> 01:26:16,080

was this old lady in the mirror you you

1980

01:26:20,629 --> 01:26:17,820

don't understand I'm like why don't you

1981

01:26:22,189 --> 01:26:20,639

go ask the movers that this is there's

1982

01:26:24,169 --> 01:26:22,199

something wrong with that place she's

1983

01:26:27,830 --> 01:26:24,179

like first of all there was no old lady

1984

01:26:30,950 --> 01:26:27,840

in there secondly what movers

1985

01:26:33,590 --> 01:26:30,960

oh I'm like she's like it's just my car

1986

01:26:36,590 --> 01:26:33,600

and yeah just my car and Uncle Remy's

1987

01:26:38,870 --> 01:26:36,600

car there's no one else here but us and

1988

01:26:40,850 --> 01:26:38,880

I'm like looking around up like there's

1989

01:26:43,310 --> 01:26:40,860

a truck behind you you didn't see them

1990

01:26:45,790 --> 01:26:43,320

she's like no I didn't she's like We're

1991

01:26:48,470 --> 01:26:45,800

going home now

1992

01:26:52,250 --> 01:26:48,480

I was so terrified

1993

01:26:55,010 --> 01:26:52,260

right so years yeah absolutely like this

1994

01:26:58,010 --> 01:26:55,020

uh I was going through like this uh

1995

01:26:59,930 --> 01:26:58,020

album this photo album I found the

1996

01:27:01,629 --> 01:26:59,940

picture of the old lady I saw in the

1997

01:27:04,189 --> 01:27:01,639

mirror

1998

01:27:06,890 --> 01:27:04,199

and I said to my mom I'm like this is

1999

01:27:09,530 --> 01:27:06,900

her this is that old lady I I told you

2000

01:27:12,110 --> 01:27:09,540

about and she said to me that was my

2001  
01:27:13,790 --> 01:27:12,120  
great-grandmother because that that

2002  
01:27:16,610 --> 01:27:13,800  
building had been owned by my

2003  
01:27:19,910 --> 01:27:16,620  
grandfather and then you know it got

2004  
01:27:22,970 --> 01:27:19,920  
passed down to my mom's like half-sister

2005  
01:27:25,189 --> 01:27:22,980  
stepsister and that's where she you know

2006  
01:27:27,410 --> 01:27:25,199  
my great-grandmother had died in that

2007  
01:27:29,930 --> 01:27:27,420  
room and I didn't know that I'm like

2008  
01:27:33,310 --> 01:27:29,940  
this is her yeah

2009  
01:27:37,070 --> 01:27:33,320  
so I mean wow

2010  
01:27:39,530 --> 01:27:37,080  
yeah yeah it's great stories creepy yeah

2011  
01:27:41,689 --> 01:27:39,540  
great elements you you blinked out on a

2012  
01:27:44,209 --> 01:27:41,699  
couple I couldn't hear a lot of it some

2013  
01:27:46,250 --> 01:27:44,219

of it because of the internet but that's

2014

01:27:47,270 --> 01:27:46,260

a fantastic thing no I don't I mean it's

2015

01:27:49,550 --> 01:27:47,280

the internet what are you gonna do but

2016

01:27:52,430 --> 01:27:49,560

yeah that's pretty that's that was fair

2017

01:27:55,070 --> 01:27:52,440

that's very uh right creepy and cool at

2018

01:27:58,030 --> 01:27:55,080

the same time mind-blowing as Vinnie

2019

01:28:01,430 --> 01:27:58,040

just said yeah

2020

01:28:03,649 --> 01:28:01,440

there and when they had lived there my

2021

01:28:06,350 --> 01:28:03,659

mom said that like after she had passed

2022

01:28:07,970 --> 01:28:06,360

my mom wanted that room because I guess

2023

01:28:09,950 --> 01:28:07,980

I had a really good view or something

2024

01:28:11,810 --> 01:28:09,960

and when my grandmother my

2025

01:28:14,810 --> 01:28:11,820

great-grandmother was dying she was like

2026

01:28:17,930 --> 01:28:14,820

uh mess with the pleats on the curtain

2027

01:28:20,390 --> 01:28:17,940

the plastic curtain okay and so like

2028

01:28:22,370 --> 01:28:20,400

when she had when she had done after she

2029

01:28:24,169 --> 01:28:22,380

had died my mom was in that room and she

2030

01:28:26,270 --> 01:28:24,179

said she would watch the pleats on the

2031

01:28:30,410 --> 01:28:26,280

curtain move

2032

01:28:33,709 --> 01:28:30,420

wow and she was like my grandmother had

2033

01:28:36,169 --> 01:28:33,719

freaked out so I mean that like my mom

2034

01:28:37,970 --> 01:28:36,179

look look at what she called her brother

2035

01:28:39,709 --> 01:28:37,980

and she said who it was my my

2036

01:28:40,970 --> 01:28:39,719

grandmother was like no no I'm taking

2037

01:28:43,010 --> 01:28:40,980

you out of that room and she was never

2038

01:28:47,090 --> 01:28:43,020

allowed in there again

2039

01:28:50,090 --> 01:28:47,100

okay wow oh that's that's wow

2040

01:28:51,590 --> 01:28:50,100

that's awesome story yeah

2041

01:28:54,470 --> 01:28:51,600

awesome story

2042

01:28:56,450 --> 01:28:54,480

yeah so yeah you never know exactly you

2043

01:28:59,090 --> 01:28:56,460

know

2044

01:29:03,050 --> 01:28:59,100

yeah I I get I relate with you on that

2045

01:29:05,090 --> 01:29:03,060

resonate with that and go figure I you

2046

01:29:08,870 --> 01:29:05,100

know

2047

01:29:11,270 --> 01:29:08,880

yeah I mean it's weird how life goes on

2048

01:29:14,149 --> 01:29:11,280

and a lot of things just growing up I

2049

01:29:16,129 --> 01:29:14,159

just blew off as just being life

2050

01:29:19,129 --> 01:29:16,139

well it was probably something a little

2051  
01:29:23,090 --> 01:29:19,139  
more than just life right there was some

2052  
01:29:25,189 --> 01:29:23,100  
other energy some other Force exactly

2053  
01:29:29,090 --> 01:29:25,199  
it's something that follows us and it

2054  
01:29:33,770 --> 01:29:32,149  
and that's another mystery exactly I can

2055  
01:29:37,250 --> 01:29:33,780  
agree with that

2056  
01:29:39,709 --> 01:29:37,260  
yeah it like you have to wonder like why

2057  
01:29:41,810 --> 01:29:39,719  
why are you seeing that ghost when you

2058  
01:29:44,390 --> 01:29:41,820  
were seven years old and then having the

2059  
01:29:45,709 --> 01:29:44,400  
experiences you know as you do up until

2060  
01:29:49,970 --> 01:29:45,719  
now

2061  
01:29:52,129 --> 01:29:49,980  
yes like I said was it because people

2062  
01:29:53,689 --> 01:29:52,139  
well you know I believe I firmly believe

2063  
01:29:56,030 --> 01:29:53,699

whatever's happened to me throughout my

2064

01:29:58,370 --> 01:29:56,040

entire life was to help people

2065

01:30:00,770 --> 01:29:58,380

you know because I I tell you this you

2066

01:30:03,950 --> 01:30:00,780

know maybe in closing you know when I

2067

01:30:06,830 --> 01:30:03,960

owned my bar business I Bernadette

2068

01:30:10,669 --> 01:30:06,840

lota 13 years and I started feeling

2069

01:30:12,950 --> 01:30:10,679

guilty right around year seven

2070

01:30:15,050 --> 01:30:12,960

now again it's a business

2071

01:30:16,669 --> 01:30:15,060

I made her to make money I don't force

2072

01:30:19,250 --> 01:30:16,679

anybody to drink

2073

01:30:21,350 --> 01:30:19,260

I don't force anybody to drive if you

2074

01:30:25,010 --> 01:30:21,360

walk in my place of business I'm going

2075

01:30:26,750 --> 01:30:25,020

to serve you and I expect to make money

2076

01:30:29,870 --> 01:30:26,760

that's how I thought the first seven

2077

01:30:31,790 --> 01:30:29,880

years I started feeling guilty maybe I

2078

01:30:33,470 --> 01:30:31,800

won't say after year seven probably

2079

01:30:36,830 --> 01:30:33,480

you're ten

2080

01:30:38,450 --> 01:30:36,840

I just started getting a guilt feeling

2081

01:30:41,270 --> 01:30:38,460

because

2082

01:30:42,709 --> 01:30:41,280

I knew a lot of people were alcoholics I

2083

01:30:44,870 --> 01:30:42,719

knew a lot of people were cheating on

2084

01:30:47,629 --> 01:30:44,880

their spouses I knew a lot of people

2085

01:30:50,570 --> 01:30:47,639

were losing their jobs I knew a lot of

2086

01:30:53,330 --> 01:30:50,580

people were dying young and I got a

2087

01:30:55,729 --> 01:30:53,340

guilt complex and I was contributing to

2088

01:30:59,090 --> 01:30:55,739

their demise

2089

01:31:00,530 --> 01:30:59,100

I I I I will tell people this and I

2090

01:31:02,750 --> 01:31:00,540

don't mind telling people this I always

2091

01:31:03,530 --> 01:31:02,760

saw a psychologist and told them this

2092

01:31:04,970 --> 01:31:03,540

stuff

2093

01:31:08,090 --> 01:31:04,980

they told me Rob it's not you're you're

2094

01:31:10,550 --> 01:31:08,100

not the one it's not you you're you're a

2095

01:31:12,410 --> 01:31:10,560

businessman you provide a service if

2096

01:31:14,930 --> 01:31:12,420

someone is an alcoholic they know damn

2097

01:31:16,910 --> 01:31:14,940

well they shouldn't walk in your bar

2098

01:31:19,310 --> 01:31:16,920

if someone has 20 dreams they know damn

2099

01:31:21,350 --> 01:31:19,320

what they're called yeah so it's not on

2100

01:31:23,689 --> 01:31:21,360

you but I had a guilt complex because I

2101  
01:31:25,910 --> 01:31:23,699  
love people I'm a people person I like

2102  
01:31:28,310 --> 01:31:25,920  
to help others so I felt bad about it

2103  
01:31:30,470 --> 01:31:28,320  
and I realized today that I had nothing

2104  
01:31:32,270 --> 01:31:30,480  
to do with any of these demises or

2105  
01:31:33,950 --> 01:31:32,280  
divorces or deaths

2106  
01:31:37,430 --> 01:31:33,960  
but you know when you hear enough of

2107  
01:31:38,990 --> 01:31:37,440  
them it kind of takes its toll but I

2108  
01:31:40,910 --> 01:31:39,000  
still got out I think at the right time

2109  
01:31:43,189 --> 01:31:40,920  
and Allah

2110  
01:31:46,430 --> 01:31:43,199  
you know what happened

2111  
01:31:48,770 --> 01:31:46,440  
cover hit I sold the bar the bars now

2112  
01:31:51,110 --> 01:31:48,780  
out of business along with 3 000 other

2113  
01:31:53,629 --> 01:31:51,120

businesses in Michigan bars and

2114

01:31:57,890 --> 01:31:53,639

restaurants alone that went out during

2115

01:32:01,850 --> 01:31:57,900

that time of the pandemic so I guess God

2116

01:32:03,950 --> 01:32:01,860

was on my side or a higher power and

2117

01:32:06,770 --> 01:32:03,960

um for me personally I think you're

2118

01:32:10,490 --> 01:32:06,780

right I think what I'm doing today

2119

01:32:13,790 --> 01:32:10,500

is a culmination of my life experiences

2120

01:32:16,129 --> 01:32:13,800

and things that I've walked so now I I

2121

01:32:18,050 --> 01:32:16,139

could probably say that I don't really

2122

01:32:22,550 --> 01:32:18,060

talk to talk but I walk to talk and I

2123

01:32:25,910 --> 01:32:23,110

yeah

2124

01:32:27,590 --> 01:32:25,920

exactly and that's wonderful that really

2125

01:32:30,709 --> 01:32:27,600

is and you were lucky to get out when

2126

01:32:32,689 --> 01:32:30,719

you did too I totally agree

2127

01:32:34,610 --> 01:32:32,699

um

2128

01:32:37,669 --> 01:32:34,620

go ahead

2129

01:32:39,410 --> 01:32:37,679

no I was uh I was you know we just got

2130

01:32:42,050 --> 01:32:39,420

the type like no I'm good that that was

2131

01:32:43,790 --> 01:32:42,060

my statement there and uh I love what I

2132

01:32:46,250 --> 01:32:43,800

do and yes I think I was here I think

2133

01:32:48,649 --> 01:32:46,260

I'm doing this for a reason

2134

01:32:50,870 --> 01:32:48,659

I think it kind of maybe has something

2135

01:32:56,030 --> 01:32:50,880

to agree with you I think it has

2136

01:33:01,010 --> 01:32:59,270

I totally agree thank you I I saw the

2155

01:34:01,970 --> 01:33:59,040

blinds of booze podcast another

2156

01:34:03,950 --> 01:34:01,980

affiliate of ours I also I'm coming out

2157

01:34:08,629 --> 01:34:03,960

with a book

2158

01:34:10,810 --> 01:34:08,639

probably hopefully by the next fall

2159

01:34:14,689 --> 01:34:10,820

I have another pie of a new podcast

2160

01:34:16,550 --> 01:34:14,699

about that yeah so it's combination the

2161

01:34:18,890 --> 01:34:16,560

first well I'm working on two my first

2162

01:34:21,530 --> 01:34:18,900

one those are coming at the culmination

2163

01:34:23,870 --> 01:34:21,540

of all the encounters that I've come

2164

01:34:25,790 --> 01:34:23,880

across from subscribers to my YouTube

2165

01:34:27,470 --> 01:34:25,800

channel and emails

2166

01:34:29,689 --> 01:34:27,480

so what I've done is with their

2167

01:34:32,270 --> 01:34:29,699

permission I've kind of collaborated and

2168

01:34:34,970 --> 01:34:32,280

I put together just a wealth of of

2169

01:34:37,669 --> 01:34:34,980

encounter stories with uh with Cryptids

2170

01:34:40,070 --> 01:34:37,679

so that'll be coming out I got a new

2171

01:34:45,169 --> 01:34:40,080

podcast called the Beyond BMR podcast

2172

01:34:47,030 --> 01:34:45,179

you can find that on Spotify and anchor

2173

01:34:49,910 --> 01:34:47,040
