

PHANTOMS & MONSTERS RADIO

MALEVOLENT HAUNTINGS ROUNDTABLE

**DAVE SPINKS, MORGAN KNUDSEN,
& RICHARD MOSCHELLA**

FRIDAY, FEBRUARY 10TH AT 9PM ET / 6PM PT

1
00:00:14,410 --> 00:00:22,390
[Music]

2
00:00:22,400 --> 00:00:27,630
you mean it could be done either way

3
00:00:41,750 --> 00:00:39,590
[Music]

4
00:00:48,810 --> 00:00:41,760
but

5
00:00:55,880 --> 00:00:53,510
[Music]

6
00:01:10,010 --> 00:00:55,890
so trees

7
00:01:10,020 --> 00:01:15,310
[Music]

8
00:01:23,850 --> 00:01:19,609
the eyes of a cat who knows

9
00:01:23,860 --> 00:01:35,870
[Music]

10
00:01:40,260 --> 00:01:37,969
all right let's not subscribed which and

11
00:01:44,450 --> 00:01:40,270
uh

12
00:01:46,789 --> 00:01:44,460
[Music]

13
00:01:48,469 --> 00:01:46,799

hey first good evening and welcome to

14

00:01:50,450 --> 00:01:48,479

another episode of fans of monsters

15

00:01:53,030 --> 00:01:50,460

radio where we've explored the strangely

16

00:01:54,590 --> 00:01:53,040

unexplained I'm your host lawn stricken

17

00:01:57,469 --> 00:01:54,600

thanks for joining me

18

00:01:58,969 --> 00:01:57,479

now if you enjoy our content uh please

19

00:02:01,850 --> 00:01:58,979

subscribe like and share our

20

00:02:04,130 --> 00:02:01,860

presentations and uh please feel free to

21

00:02:06,350 --> 00:02:04,140

place a comment as well uh the Super

22

00:02:08,029 --> 00:02:06,360

Chat is active during the show so please

23

00:02:09,710 --> 00:02:08,039

show your support for fans of monsters

24

00:02:11,150 --> 00:02:09,720

radio by clicking the dollar icon

25

00:02:15,530 --> 00:02:11,160

underneath the chat

26

00:02:18,050 --> 00:02:15,540

uh you can also use super thanks or buy

27

00:02:20,330 --> 00:02:18,060

me a coffee the link that are our Banner

28

00:02:22,970 --> 00:02:20,340

that's um that's posted on the website

29

00:02:25,190 --> 00:02:22,980

your consideration is very much needed

30

00:02:28,850 --> 00:02:25,200

and appreciated so tonight

31

00:02:30,170 --> 00:02:28,860

we've got a malevolent haunting Round

32

00:02:33,770 --> 00:02:30,180

Table

33

00:02:35,089 --> 00:02:33,780

and uh our guests include Dave Spinks

34

00:02:38,510 --> 00:02:35,099

who has been investigating and

35

00:02:41,030 --> 00:02:38,520

researching the supernatural since 1986.

36

00:02:42,949 --> 00:02:41,040

due to several experiences he had as a

37

00:02:45,229 --> 00:02:42,959

young man since that time he has

38

00:02:47,690 --> 00:02:45,239

conducted several hundred investigations

39

00:02:49,850 --> 00:02:47,700

in the U.S as well as Europe

40

00:02:51,830 --> 00:02:49,860

they've served in the U.S Air Force for

41

00:02:54,050 --> 00:02:51,840

eight years and went on to work as a

42

00:02:57,410 --> 00:02:54,060

federal law enforcement officer retiring

43

00:02:59,690 --> 00:02:57,420

in 2011. during his paranormal

44

00:03:02,930 --> 00:02:59,700

investigations Dave has experienced many

45

00:03:05,089 --> 00:03:02,940

hair raising and unnerving things as one

46

00:03:07,130 --> 00:03:05,099

might imagine having investigated

47

00:03:09,290 --> 00:03:07,140

strange phenomena for over 30 years she

48

00:03:10,729 --> 00:03:09,300

has built many friendships with some of

49

00:03:12,229 --> 00:03:10,739

the well-known investigators in the

50

00:03:14,270 --> 00:03:12,239

field today

51
00:03:17,270 --> 00:03:14,280
he has been seen on various television

52
00:03:19,729 --> 00:03:17,280
shows to include Expedition X tear in

53
00:03:22,309 --> 00:03:19,739
the woods paranormal 911 young explained

54
00:03:24,589 --> 00:03:22,319
In Search Of Monsters and these Woods

55
00:03:27,710 --> 00:03:24,599
are haunted just name a few

56
00:03:30,649 --> 00:03:27,720
is also featured in the film Flatwoods

57
00:03:32,030 --> 00:03:30,659
Monster a legacy of fear by small town

58
00:03:34,250 --> 00:03:32,040
monsters

59
00:03:37,070 --> 00:03:34,260
he has been a future guest on hundreds

60
00:03:39,350 --> 00:03:37,080
of paranormal related radio shows and

61
00:03:41,030 --> 00:03:39,360
podcast Dave has often featured guest

62
00:03:43,490 --> 00:03:41,040
speaker paranormal conferences around

63
00:03:45,770 --> 00:03:43,500

the country he is also the author of

64

00:03:49,009 --> 00:03:45,780

numerous books on the topics include uh

65

00:03:51,289 --> 00:03:49,019

Cryptids hauntings and ufology

66

00:03:53,809 --> 00:03:51,299

and co-founding and leading entity

67

00:03:58,250 --> 00:03:53,819

Seeker paranormal research and teaching

68

00:04:01,550 --> 00:03:58,260

since 2003 Morgan knutson's experiences

69

00:04:03,710 --> 00:04:01,560

and acknowledge and knowledge have led

70

00:04:05,690 --> 00:04:03,720

to researching and co-creating a unique

71

00:04:06,649 --> 00:04:05,700

investigative program called teaching

72

00:04:09,110 --> 00:04:06,659

the living

73

00:04:11,509 --> 00:04:09,120

and subsequently has been featured and

74

00:04:13,910 --> 00:04:11,519

hosted numerous specials live

75

00:04:18,349 --> 00:04:13,920

presentations and TV shows on the

76
00:04:20,270 --> 00:04:18,359
Discovery Channel a haunting uh tne

77
00:04:21,949 --> 00:04:20,280
Destination America the travel channel

78
00:04:23,390 --> 00:04:21,959
CBS

79
00:04:25,909 --> 00:04:23,400
among many

80
00:04:28,850 --> 00:04:25,919
as well as Coast to Coast AM now

81
00:04:30,650 --> 00:04:28,860
mortgage programs are now practiced in

82
00:04:32,150 --> 00:04:30,660
three different countries and are part

83
00:04:33,730 --> 00:04:32,160
of the numerous social work and

84
00:04:38,810 --> 00:04:33,740
psychological

85
00:04:41,930 --> 00:04:38,820
uh secondary education courses in Canada

86
00:04:44,990 --> 00:04:41,940
she is also a regular contributor to the

87
00:04:47,930 --> 00:04:45,000
number one magazine in UK a haunted

88
00:04:49,909 --> 00:04:47,940

magazine her work has been presented at

89

00:04:51,650 --> 00:04:49,919

the Rhine Research Institute in her book

90

00:04:54,409 --> 00:04:51,660

teaching the living a heartbreak to

91

00:04:55,610 --> 00:04:54,419

happiness in the haunted home is now

92

00:04:57,650 --> 00:04:55,620

available

93

00:04:59,990 --> 00:04:57,660

and Richard Michelle is a Paranormal

94

00:05:02,090 --> 00:05:00,000

Investigator intuitive and writer from

95

00:05:04,370 --> 00:05:02,100

Morris County New Jersey

96

00:05:06,290 --> 00:05:04,380

he is the unearned team leader of the

97

00:05:09,770 --> 00:05:06,300

New Jersey paranormal project an

98

00:05:11,870 --> 00:05:09,780

organization he founded back in 2007 his

99

00:05:13,310 --> 00:05:11,880

goal was to research and investigate

100

00:05:15,950 --> 00:05:13,320

spirit

101
00:05:17,870 --> 00:05:15,960
uh through the New Jersey paranormal

102
00:05:19,790 --> 00:05:17,880
project he has gotten to work on some of

103
00:05:21,650 --> 00:05:19,800
the with some of the best experts in the

104
00:05:24,409 --> 00:05:21,660
Paranormal field spiritual list and

105
00:05:26,270 --> 00:05:24,419
mediums the New Jersey paranormal

106
00:05:28,550 --> 00:05:26,280
project can be seen on YouTube and

107
00:05:30,469 --> 00:05:28,560
anyone can view the case files and be

108
00:05:32,870 --> 00:05:30,479
part of the investigation

109
00:05:34,790 --> 00:05:32,880
Richard is also a writer author and

110
00:05:37,129 --> 00:05:34,800
lecture his latest book is titled Case

111
00:05:40,670 --> 00:05:37,139
Files of the Paranormal in his website

112
00:05:43,370 --> 00:05:40,680
can be found at richardmachella.com so

113
00:05:45,409 --> 00:05:43,380

folks thanks for joining me this evening

114

00:05:47,270 --> 00:05:45,419

hey it's good to see everybody for

115

00:05:52,490 --> 00:05:47,280

having me thanks for having me along

116

00:05:54,230 --> 00:05:52,500

thank God good to see you all uh before

117

00:05:56,689 --> 00:05:54,240

we get started we're kind of keeping an

118

00:05:58,969 --> 00:05:56,699

eye on this UFO or whatever they all get

119

00:06:04,730 --> 00:05:58,979

shot down over

120

00:06:06,710 --> 00:06:04,740

um over Alaska today

121

00:06:08,749 --> 00:06:06,720

and I think Morgan's got the feed so if

122

00:06:11,810 --> 00:06:08,759

we get any updates she'll she'll go news

123

00:06:13,550 --> 00:06:11,820

give us a news flash that's kind of a

124

00:06:16,370 --> 00:06:13,560

crazy story up there and it's like you

125

00:06:19,189 --> 00:06:16,380

know yeah it's in for an update so if it

126
00:06:20,990 --> 00:06:19,199
happens well I mean no real time they

127
00:06:22,790 --> 00:06:21,000
kind of left us hanging the whole the

128
00:06:25,249 --> 00:06:22,800
whole day I mean you know that thing

129
00:06:25,930 --> 00:06:25,259
came out today and

130
00:06:29,689 --> 00:06:25,940
um

131
00:06:32,629 --> 00:06:29,699
then the Pentagon first they had the uh

132
00:06:33,650 --> 00:06:32,639
the Admiral came in at um at the White

133
00:06:35,809 --> 00:06:33,660
House

134
00:06:37,430 --> 00:06:35,819
and said a few things answered a few

135
00:06:40,309 --> 00:06:37,440
questions then they went to the Pentagon

136
00:06:42,710 --> 00:06:40,319
and the generals there started answering

137
00:06:44,749 --> 00:06:42,720
questions but

138
00:06:46,730 --> 00:06:44,759

I don't know answering questions is not

139

00:06:48,969 --> 00:06:46,740

really the the operative word for this

140

00:06:52,370 --> 00:06:48,979

they kind of uh

141

00:06:54,249 --> 00:06:52,380

it kind of kept it uh you know I don't

142

00:06:56,809 --> 00:06:54,259

know

143

00:06:58,430 --> 00:06:56,819

yeah you knew something was going on but

144

00:07:00,409 --> 00:06:58,440

they weren't even talking about it's I

145

00:07:02,510 --> 00:07:00,419

don't know you know you know it's I

146

00:07:04,249 --> 00:07:02,520

don't believe it was a balloon it seemed

147

00:07:06,230 --> 00:07:04,259

like some cracked or something was up

148

00:07:08,689 --> 00:07:06,240

there that they don't really know what

149

00:07:11,390 --> 00:07:08,699

to say about it over 40

150

00:07:12,890 --> 00:07:11,400

000 feet up you know very high altitude

151
00:07:15,170 --> 00:07:12,900
yeah

152
00:07:17,450 --> 00:07:15,180
that's strange well it makes you wonder

153
00:07:18,830 --> 00:07:17,460
how long it had been there as well I

154
00:07:21,050 --> 00:07:18,840
mean you know considering what happened

155
00:07:22,550 --> 00:07:21,060
recently with the balloon you know we

156
00:07:24,230 --> 00:07:22,560
just we hear about it being shot down

157
00:07:26,210 --> 00:07:24,240
but how you know how long was it

158
00:07:28,790 --> 00:07:26,220
actually there before they they decided

159
00:07:30,050 --> 00:07:28,800
that that was a good idea I don't know

160
00:07:31,670 --> 00:07:30,060
yeah

161
00:07:32,990 --> 00:07:31,680
I mean Dave you've been in service what

162
00:07:36,290 --> 00:07:33,000
do you think

163
00:07:39,170 --> 00:07:36,300

cover story for something something

164

00:07:40,490 --> 00:07:39,180

definitely went on we know that but yeah

165

00:07:42,050 --> 00:07:40,500

um you know typically in these

166

00:07:44,330 --> 00:07:42,060

situations

167

00:07:45,830 --> 00:07:44,340

newers people probably saw this thing as

168

00:07:47,870 --> 00:07:45,840

well so they had to come up with

169

00:07:50,210 --> 00:07:47,880

something right away to just kind of

170

00:07:52,070 --> 00:07:50,220

quell the people down

171

00:07:53,689 --> 00:07:52,080

um you know we'll probably never know

172

00:07:56,210 --> 00:07:53,699

like we were talking before the show you

173

00:07:58,249 --> 00:07:56,220

know what really happened we probably

174

00:07:59,990 --> 00:07:58,259

will never know they don't they only

175

00:08:01,430 --> 00:08:00,000

know what we what they want us to know

176

00:08:03,890 --> 00:08:01,440

they're only going to tell us what they

177

00:08:05,570 --> 00:08:03,900

want us to want to tell us so you know

178

00:08:07,850 --> 00:08:05,580

that's just how it goes with these

179

00:08:10,189 --> 00:08:07,860

things it could it could go it could run

180

00:08:12,170 --> 00:08:10,199

the Gambit on anything I mean it could

181

00:08:14,029 --> 00:08:12,180

be some kind of a top secret project

182

00:08:16,129 --> 00:08:14,039

that wouldn't arrive and they had to

183

00:08:18,230 --> 00:08:16,139

shoot it down it could have been who

184

00:08:19,850 --> 00:08:18,240

knows what I mean you can go down the

185

00:08:22,129 --> 00:08:19,860

rabbit hole all you want that's why I

186

00:08:24,350 --> 00:08:22,139

told people on my post today just sit

187

00:08:26,570 --> 00:08:24,360

back and pay attention see what happens

188

00:08:28,790 --> 00:08:26,580

see what they say and uh don't jump to

189

00:08:30,770 --> 00:08:28,800

any conclusions because you know that's

190

00:08:32,630 --> 00:08:30,780

how misinformation gets spread all over

191

00:08:35,029 --> 00:08:32,640

the planet you know people freaking out

192

00:08:38,089 --> 00:08:35,039

oh it's aliens coming well you know we

193

00:08:40,130 --> 00:08:38,099

don't know that you know so just and pay

194

00:08:42,230 --> 00:08:40,140

attention to what they say and what they

195

00:08:44,449 --> 00:08:42,240

don't say you got to read into stuff

196

00:08:46,790 --> 00:08:44,459

sometimes too when they're doing these

197

00:08:49,130 --> 00:08:46,800

uh Pentagon press conferences you know I

198

00:08:51,590 --> 00:08:49,140

mean uh

199

00:08:53,750 --> 00:08:51,600

if it's top secret just say let's say

200

00:08:55,430 --> 00:08:53,760

hypothetical if it was an alien craft

201
00:08:58,190 --> 00:08:55,440
and they shot it down they're not going

202
00:09:00,410 --> 00:08:58,200
to tell us that folks because number one

203
00:09:02,150 --> 00:09:00,420
why they want that Tech they're going to

204
00:09:04,790 --> 00:09:02,160
keep it for themselves and they're gonna

205
00:09:06,530 --> 00:09:04,800
come up with a cover story so well the

206
00:09:08,750 --> 00:09:06,540
newest update and Morgan just said the

207
00:09:10,490 --> 00:09:08,760
news update was that there were no

208
00:09:12,889 --> 00:09:10,500
humans on it that was kind of a crazy

209
00:09:14,449 --> 00:09:12,899
statement to make right yeah and that

210
00:09:16,250 --> 00:09:14,459
was really weird why would you even say

211
00:09:18,290 --> 00:09:16,260
that so what was on it was there

212
00:09:20,990 --> 00:09:18,300
anything on it or was there another

213
00:09:22,490 --> 00:09:21,000

living being or I mean what was it yeah

214

00:09:24,829 --> 00:09:22,500

well like I was saying we were talking

215

00:09:26,570 --> 00:09:24,839

before the show and um you know that's

216

00:09:28,190 --> 00:09:26,580

the one thing I always I always say to

217

00:09:29,930 --> 00:09:28,200

to people that are you looking to be

218

00:09:32,509 --> 00:09:29,940

investigators or anything like that is

219

00:09:34,310 --> 00:09:32,519

this not only Dave like you said you got

220

00:09:36,350 --> 00:09:34,320

to read in between the lines but also

221

00:09:38,750 --> 00:09:36,360

look for information that wasn't asked

222

00:09:40,190 --> 00:09:38,760

so you know if you've got somebody that

223

00:09:41,810 --> 00:09:40,200

comes forward and says you know well

224

00:09:44,150 --> 00:09:41,820

there are no humans on board well that's

225

00:09:46,910 --> 00:09:44,160

not typically human like our language

226

00:09:48,710 --> 00:09:46,920

our languages no one was injured or our

227

00:09:50,750 --> 00:09:48,720

languages uh you know no one was on

228

00:09:53,570 --> 00:09:50,760

board was on you know whatever that is

229

00:09:56,630 --> 00:09:53,580

but the human portion of that sentence

230

00:09:58,970 --> 00:09:56,640

was an unasked right yeah it was an

231

00:10:00,829 --> 00:09:58,980

unasked question right so you got to

232

00:10:02,509 --> 00:10:00,839

wonder like what hmm interesting I

233

00:10:07,070 --> 00:10:02,519

thought it was strange too how they said

234

00:10:09,710 --> 00:10:07,080

uh this was not a flying craft I mean it

235

00:10:11,090 --> 00:10:09,720

didn't make sense what was it then they

236

00:10:12,590 --> 00:10:11,100

open some kind of interdimensional

237

00:10:15,230 --> 00:10:12,600

doorway and there was something hanging

238

00:10:17,449 --> 00:10:15,240

in the sky would be interesting you know

239

00:10:19,190 --> 00:10:17,459

you know I wouldn't put it past anything

240

00:10:22,370 --> 00:10:19,200

anymore

241

00:10:24,110 --> 00:10:22,380

somebody said yep management craft is

242

00:10:26,389 --> 00:10:24,120

shot in from nowhere and we shot it down

243

00:10:27,949 --> 00:10:26,399

yeah sure yeah I mean what are we

244

00:10:29,449 --> 00:10:27,959

dealing with here but who knows you know

245

00:10:31,790 --> 00:10:29,459

we just got to kind of wait and see what

246

00:10:33,470 --> 00:10:31,800

trans

247

00:10:35,870 --> 00:10:33,480

well you know I've got friends and

248

00:10:38,449 --> 00:10:35,880

family that have been in the Air Force

249

00:10:40,850 --> 00:10:38,459

and you know but uh I talked to someone

250

00:10:43,190 --> 00:10:40,860

today who um I asked about it I said

251
00:10:45,530 --> 00:10:43,200
well what you know the area where they

252
00:10:49,250 --> 00:10:45,540
were and he used to be he was a full

253
00:10:52,009 --> 00:10:49,260
colonel in USAF but he retired and I

254
00:10:55,730 --> 00:10:52,019
asked him he told me he said well you

255
00:11:00,230 --> 00:10:58,550
and I thought well that's interesting I

256
00:11:02,569 --> 00:11:00,240
didn't really realize it was up there

257
00:11:04,610 --> 00:11:02,579
but uh and he said well that he said

258
00:11:08,090 --> 00:11:04,620
that Alaska and this is what he told me

259
00:11:09,769 --> 00:11:08,100
is Alaska has 26 defensive radar

260
00:11:12,590 --> 00:11:09,779
stations and there's several up there

261
00:11:15,310 --> 00:11:12,600
along that along that Arctic Coast

262
00:11:17,990 --> 00:11:15,320
so uh yeah

263
00:11:19,970 --> 00:11:18,000

yeah you know that's that's a primary

264

00:11:22,730 --> 00:11:19,980

jumping off point you know the guard

265

00:11:24,170 --> 00:11:22,740

from Russian bombers and missiles in

266

00:11:25,850 --> 00:11:24,180

there that's why they have so much radar

267

00:11:28,190 --> 00:11:25,860

up there so

268

00:11:30,050 --> 00:11:28,200

um I mean it's basically just across a

269

00:11:32,990 --> 00:11:30,060

small point in the ocean

270

00:11:34,250 --> 00:11:33,000

where where Russia is from us well yeah

271

00:11:36,230 --> 00:11:34,260

that's that's the quickest route to

272

00:11:37,850 --> 00:11:36,240

Russia and that's where the Alaskan Air

273

00:11:40,550 --> 00:11:37,860

Command is stationed at right up there

274

00:11:45,050 --> 00:11:40,560

along the uh the Arctic sea so yeah it's

275

00:11:47,829 --> 00:11:45,060

more called yeah yeah so who knows but

276

00:11:50,509 --> 00:11:47,839

anyway we're here to talk about

277

00:11:52,850 --> 00:11:50,519

something comes up over here talking

278

00:11:54,889 --> 00:11:52,860

about the level of hauntings now

279

00:11:57,190 --> 00:11:54,899

now each of us have been involved with

280

00:11:59,449 --> 00:11:57,200

the Paranormal in in cases and

281

00:12:01,610 --> 00:11:59,459

investigations and we may have actually

282

00:12:05,150 --> 00:12:01,620

one some of us may have actually had

283

00:12:08,150 --> 00:12:05,160

some malevolency in in uh you know

284

00:12:10,130 --> 00:12:08,160

personally but um I'm gonna go around

285

00:12:12,110 --> 00:12:10,140

the horn here and I'm going to ask you

286

00:12:14,269 --> 00:12:12,120

all which uh you know what have you

287

00:12:17,690 --> 00:12:14,279

experienced in the past and uh either

288

00:12:20,030 --> 00:12:17,700

cases or personally I'll start with Dave

289

00:12:22,130 --> 00:12:20,040

well I mean doing this for so long guys

290

00:12:24,829 --> 00:12:22,140

I mean I've had a quite a few hair

291

00:12:27,170 --> 00:12:24,839

raising like I say my bio I've had some

292

00:12:29,210 --> 00:12:27,180

pretty hair raving experiences uh I've

293

00:12:31,430 --> 00:12:29,220

been attacked by unseen things several

294

00:12:34,250 --> 00:12:31,440

times I actually have my arm uh

295

00:12:35,870 --> 00:12:34,260

fractured I can't say it was not

296

00:12:38,690 --> 00:12:35,880

coincidence because of what all

297

00:12:39,710 --> 00:12:38,700

transpired uh at another location I had

298

00:12:42,590 --> 00:12:39,720

something

299

00:12:44,329 --> 00:12:42,600

smack me on the head so to speak and I

300

00:12:45,710 --> 00:12:44,339

actually had a knock come up and I was

301
00:12:47,569 --> 00:12:45,720
bleeding

302
00:12:49,610 --> 00:12:47,579
um and that was witnessed by numerous

303
00:12:52,790 --> 00:12:49,620
people and that's during investigations

304
00:12:54,650 --> 00:12:52,800
during you know during

305
00:12:56,449 --> 00:12:54,660
um my young life I had a couple of

306
00:12:58,550 --> 00:12:56,459
paranormal experience that we've talked

307
00:13:00,769 --> 00:12:58,560
about on your show before that set me in

308
00:13:03,889 --> 00:13:00,779
my so you know my journey into the

309
00:13:07,910 --> 00:13:03,899
Paranormal if you will but yeah you know

310
00:13:10,430 --> 00:13:07,920
uh two very uh distinct things

311
00:13:13,129 --> 00:13:10,440
um I wrote a book about both of them but

312
00:13:15,170 --> 00:13:13,139
the wicked 46 house that we that I

313
00:13:18,290 --> 00:13:15,180

dubbed at the wicked 46 house that's in

314

00:13:20,690 --> 00:13:18,300

Pennsylvania is a case that uh I was a

315

00:13:23,449 --> 00:13:20,700

part of a team of people that went into

316

00:13:25,670 --> 00:13:23,459

this notorious haunted house that had

317

00:13:28,250 --> 00:13:25,680

ties to the Warrens from the early 80s

318

00:13:31,250 --> 00:13:28,260

and everything and uh we actually lived

319

00:13:33,530 --> 00:13:31,260

in it 24 7 for over 30 days just to

320

00:13:36,170 --> 00:13:33,540

investigate it you know to immerse

321

00:13:39,710 --> 00:13:36,180

ourselves into that situation

322

00:13:42,650 --> 00:13:39,720

and uh went back three more times for

323

00:13:44,389 --> 00:13:42,660

two more weeks at a time and uh had some

324

00:13:46,910 --> 00:13:44,399

really bad stuff happen

325

00:13:48,590 --> 00:13:46,920

um I had an attachment from it

326

00:13:51,009 --> 00:13:48,600

um after spending that much time in

327

00:13:53,150 --> 00:13:51,019

there where my personal life went

328

00:13:55,129 --> 00:13:53,160

completely upside down I went

329

00:13:56,810 --> 00:13:55,139

financially ruined I was having health

330

00:14:00,650 --> 00:13:56,820

problems I was having these horrible

331

00:14:02,269 --> 00:14:00,660

nightmares uh where every night uh this

332

00:14:04,790 --> 00:14:02,279

Dark Cloud was around me and these black

333

00:14:07,370 --> 00:14:04,800

arms would reach out and like physically

334

00:14:09,889 --> 00:14:07,380

try to grab me and every night it seemed

335

00:14:12,050 --> 00:14:09,899

as if they got closer you know in my

336

00:14:14,090 --> 00:14:12,060

dream and I would often wake up and I'd

337

00:14:17,269 --> 00:14:14,100

be pouring the sweat and it felt so real

338

00:14:20,629 --> 00:14:17,279

until finally one night one of them got

339

00:14:23,090 --> 00:14:20,639

a hold of my shirt in the dream and

340

00:14:25,970 --> 00:14:23,100

grabbed me and I woke up just terrified

341

00:14:28,129 --> 00:14:25,980

and I was sweating and everything and I

342

00:14:29,690 --> 00:14:28,139

noticed I had a little rip in my t-shirt

343

00:14:32,569 --> 00:14:29,700

that I was wearing when I was sleeping

344

00:14:34,790 --> 00:14:32,579

and had a scratch on my arm and then

345

00:14:35,750 --> 00:14:34,800

that's when I found out I had a tumor in

346

00:14:38,569 --> 00:14:35,760

my leg

347

00:14:40,430 --> 00:14:38,579

that just came out of nowhere uh within

348

00:14:42,410 --> 00:14:40,440

a within a week or so after that dream

349

00:14:44,810 --> 00:14:42,420

my foot started going numb so I went to

350

00:14:47,030 --> 00:14:44,820

the doctor and sure enough I had a mass

351

00:14:49,730 --> 00:14:47,040

in my leg the size of a softball

352

00:14:51,470 --> 00:14:49,740

and uh I was going was going I started

353

00:14:54,710 --> 00:14:51,480

going through a really really bad

354

00:14:56,629 --> 00:14:54,720

divorce finances were upside down and

355

00:14:58,009 --> 00:14:56,639

then this light bulb came on in my head

356

00:15:00,710 --> 00:14:58,019

and

357

00:15:02,210 --> 00:15:00,720

um it was like holy crap I better have

358

00:15:05,090 --> 00:15:02,220

an attachment from this I didn't even

359

00:15:06,949 --> 00:15:05,100

think about that aspect and I went and

360

00:15:09,470 --> 00:15:06,959

got blessed by a Catholic priest and I'm

361

00:15:12,889 --> 00:15:09,480

not even Catholic I'm Baptist it's all a

362

00:15:14,389 --> 00:15:12,899

Baptist Minister and saw Shaman and I

363

00:15:16,850 --> 00:15:14,399

kid you not within a week or two

364

00:15:18,350 --> 00:15:16,860

everything seemed to turn around I

365

00:15:21,290 --> 00:15:18,360

didn't have to go have surgery and have

366

00:15:23,269 --> 00:15:21,300

this thing taken out of my leg uh and

367

00:15:25,370 --> 00:15:23,279

other things too but

368

00:15:27,590 --> 00:15:25,380

um the financial part and the spiritual

369

00:15:29,569 --> 00:15:27,600

part you know it seemed like everything

370

00:15:31,550 --> 00:15:29,579

was falling apart and it all started

371

00:15:34,009 --> 00:15:31,560

when when I started immersing myself

372

00:15:36,110 --> 00:15:34,019

into that case and I never really put

373

00:15:38,329 --> 00:15:36,120

two and two together and that was early

374

00:15:40,189 --> 00:15:38,339

you know not early but that was before

375

00:15:42,230 --> 00:15:40,199

that I knew of anyone had actually

376

00:15:45,410 --> 00:15:42,240

physically done something to that length

377

00:15:47,870 --> 00:15:45,420

and that in depth and I I really got it

378

00:15:49,790 --> 00:15:47,880

really just turned my life upside down

379

00:15:52,370 --> 00:15:49,800

because before you know you usually go

380

00:15:54,530 --> 00:15:52,380

and you spend one night or two nights in

381

00:15:57,410 --> 00:15:54,540

a place and try to document as much

382

00:15:59,150 --> 00:15:57,420

evidence paranormally as you can and

383

00:16:01,370 --> 00:15:59,160

that was a whole new ball game back then

384

00:16:03,110 --> 00:16:01,380

that was back in 2013 when that happened

385

00:16:05,269 --> 00:16:03,120

and um

386

00:16:09,050 --> 00:16:05,279

and I've done many more cases like that

387

00:16:10,790 --> 00:16:09,060

but that first one was so some of the

388

00:16:13,670 --> 00:16:10,800

things we experienced in that house it

389

00:16:17,269 --> 00:16:13,680

was to me purely demonic and negative in

390

00:16:19,069 --> 00:16:17,279

nature um and several of the people

391

00:16:20,870 --> 00:16:19,079

involved in the first month of it they

392

00:16:23,930 --> 00:16:20,880

didn't last they were out of there they

393

00:16:25,850 --> 00:16:23,940

left they were one has seen two grown

394

00:16:28,430 --> 00:16:25,860

men cry like little babies they were so

395

00:16:30,769 --> 00:16:28,440

terrified of whatever was in that house

396

00:16:32,569 --> 00:16:30,779

and uh you know these things are you

397

00:16:34,550 --> 00:16:32,579

know for me and this is all opinion

398

00:16:37,129 --> 00:16:34,560

based guys I mean there's no experts in

399

00:16:38,870 --> 00:16:37,139

this stuff all we can do is base all of

400

00:16:42,470 --> 00:16:38,880

our stuff off of our own experiences

401
00:16:45,050 --> 00:16:42,480
other people's experiences and try to

402
00:16:47,689 --> 00:16:45,060
um you know put all that together and

403
00:16:50,230 --> 00:16:47,699
say well you know we can't we can't

404
00:16:52,550 --> 00:16:50,240
document that scientifically we can't

405
00:16:54,889 --> 00:16:52,560
recreate it scientifically therefore we

406
00:16:57,110 --> 00:16:54,899
think it could be and I stress could be

407
00:16:59,090 --> 00:16:57,120
paranormal in nature

408
00:17:02,150 --> 00:16:59,100
um so when you when you delve into this

409
00:17:03,590 --> 00:17:02,160
stuff you realize for me personally I

410
00:17:06,110 --> 00:17:03,600
know there's negative Spirits evil

411
00:17:07,610 --> 00:17:06,120
entities whatever name you want to use

412
00:17:09,710 --> 00:17:07,620
demonic

413
00:17:11,569 --> 00:17:09,720

they're out there and their Spirits all

414

00:17:15,169 --> 00:17:11,579

around us all the time in my personal

415

00:17:17,510 --> 00:17:15,179

opinion but there are very negative ones

416

00:17:18,949 --> 00:17:17,520

out there too what exactly they are I'm

417

00:17:22,189 --> 00:17:18,959

not going to say I just know what my

418

00:17:24,169 --> 00:17:22,199

opinion is and it's all based off of our

419

00:17:27,350 --> 00:17:24,179

cultural beliefs how we've been raised

420

00:17:28,970 --> 00:17:27,360

you know so you can't I can't tell Joe

421

00:17:31,070 --> 00:17:28,980

blow over here that his way is wrong

422

00:17:32,030 --> 00:17:31,080

when I don't even know his way you know

423

00:17:37,630 --> 00:17:32,040

so

424

00:17:42,409 --> 00:17:40,549

you know I've had many things that I've

425

00:17:44,570 --> 00:17:42,419

written about that were negative in

426

00:17:46,610 --> 00:17:44,580

nature so when you go out and look for

427

00:17:47,990 --> 00:17:46,620

this stuff you do experience bad stuff I

428

00:17:49,850 --> 00:17:48,000

mean that's just the nature of the game

429

00:17:51,470 --> 00:17:49,860

oh it's good and the more you look yeah

430

00:17:54,230 --> 00:17:51,480

the more you look the odds are guess

431

00:17:56,450 --> 00:17:54,240

what you're gonna find it absolutely

432

00:17:57,590 --> 00:17:56,460

how are you Morgan uh what can you tell

433

00:18:00,710 --> 00:17:57,600

us

434

00:18:03,110 --> 00:18:00,720

oh you're so well for me I've always had

435

00:18:05,090 --> 00:18:03,120

a fascination with this side of of the

436

00:18:06,529 --> 00:18:05,100

Paranormal because usually if you get a

437

00:18:07,850 --> 00:18:06,539

phone call it's not because people are

438

00:18:09,350 --> 00:18:07,860

having a good time usually they're

439

00:18:11,750 --> 00:18:09,360

having a good time you don't exactly

440

00:18:13,430 --> 00:18:11,760

which you know and I think that's a a

441

00:18:16,130 --> 00:18:13,440

huge misconception with with the

442

00:18:17,810 --> 00:18:16,140

Paranormal just out of the get-go uh is

443

00:18:19,610 --> 00:18:17,820

that you know statistically the majority

444

00:18:21,350 --> 00:18:19,620

of people have very very positive and

445

00:18:24,070 --> 00:18:21,360

happy experiences with paranormal

446

00:18:26,150 --> 00:18:24,080

statistically when you you look at it

447

00:18:27,890 --> 00:18:26,160

academically there it's it's

448

00:18:30,110 --> 00:18:27,900

overwhelmingly positive but then of

449

00:18:31,909 --> 00:18:30,120

course you get this small faction that

450

00:18:34,190 --> 00:18:31,919

gets a lot of attention because when

451
00:18:35,810 --> 00:18:34,200
people need help they really need help

452
00:18:37,490 --> 00:18:35,820
um so for me

453
00:18:40,130 --> 00:18:37,500
um it's been really interesting because

454
00:18:42,289 --> 00:18:40,140
really early on when I started to

455
00:18:43,970 --> 00:18:42,299
research some of this

456
00:18:45,830 --> 00:18:43,980
um and I had an experience when I was a

457
00:18:48,010 --> 00:18:45,840
kid that was it was really frightening I

458
00:18:50,630 --> 00:18:48,020
don't know whether it was you know

459
00:18:53,390 --> 00:18:50,640
quote-unquote evil or not but it was it

460
00:18:55,669 --> 00:18:53,400
was it scared me as a kid

461
00:18:58,190 --> 00:18:55,679
um and uh it but it fascinated me

462
00:19:00,650 --> 00:18:58,200
because it was it was a dynamic that I

463
00:19:02,990 --> 00:19:00,660

didn't understand so when my business

464

00:19:05,210 --> 00:19:03,000

partner Stephanie and I when we really

465

00:19:06,950 --> 00:19:05,220

started to research this over the years

466

00:19:09,710 --> 00:19:06,960

we realized something really interesting

467

00:19:12,650 --> 00:19:09,720

that there was a very strong tie to

468

00:19:13,909 --> 00:19:12,660

people's emotional energy and what type

469

00:19:16,610 --> 00:19:13,919

of Paranormal Activity they were

470

00:19:18,169 --> 00:19:16,620

experiencing so when we realized that

471

00:19:19,970 --> 00:19:18,179

there was a connection there instead of

472

00:19:22,070 --> 00:19:19,980

oh my God this stuff is just asserted on

473

00:19:24,350 --> 00:19:22,080

us and we can't do anything about it for

474

00:19:25,909 --> 00:19:24,360

me immediately I was like okay you know

475

00:19:27,710 --> 00:19:25,919

ever no matter how flat you make a

476

00:19:29,630 --> 00:19:27,720

pancake there's always two sides how how

477

00:19:31,490 --> 00:19:29,640

are we engaging and interacting with

478

00:19:33,230 --> 00:19:31,500

these energies in the environment that

479

00:19:34,210 --> 00:19:33,240

is helping to create this dynamic

480

00:19:38,090 --> 00:19:34,220

because

481

00:19:40,250 --> 00:19:38,100

nothing ever is one-sided so what I what

482

00:19:43,430 --> 00:19:40,260

we realized very early was that when you

483

00:19:45,770 --> 00:19:43,440

looked at studies where places say for

484

00:19:48,409 --> 00:19:45,780

example like um designated blue zones

485

00:19:50,990 --> 00:19:48,419

and things like that were um where

486

00:19:53,210 --> 00:19:51,000

people were really prioritizing uh like

487

00:19:55,190 --> 00:19:53,220

healthy relationships and joy and and

488

00:19:56,450 --> 00:19:55,200

things like that the people in these

489

00:19:58,970 --> 00:19:56,460

communities weren't having these same

490

00:20:01,730 --> 00:19:58,980

experiences as the people who were in

491

00:20:03,950 --> 00:20:01,740

like even in in the west here like you

492

00:20:06,710 --> 00:20:03,960

know we're stressed we you know we don't

493

00:20:08,210 --> 00:20:06,720

process in negative emotion well

494

00:20:10,370 --> 00:20:08,220

um we don't have any of that and what

495

00:20:11,930 --> 00:20:10,380

was interesting for us was that as we

496

00:20:12,950 --> 00:20:11,940

were you know taking clients and we were

497

00:20:15,169 --> 00:20:12,960

researching we were doing these

498

00:20:17,990 --> 00:20:15,179

interviews we were realizing just how

499

00:20:20,150 --> 00:20:18,000

much of the the stuff that we're

500

00:20:23,210 --> 00:20:20,160

carrying ends up manifesting or

501
00:20:24,289 --> 00:20:23,220
attracting in to our environment so for

502
00:20:26,570 --> 00:20:24,299
for me

503
00:20:28,549 --> 00:20:26,580
the the real Focus hasn't necessarily

504
00:20:30,590 --> 00:20:28,559
been the negative entity per se because

505
00:20:32,150 --> 00:20:30,600
it's exactly like what Dave said we

506
00:20:34,490 --> 00:20:32,160
don't know what they are we don't know

507
00:20:36,650 --> 00:20:34,500
what it is we we can't slap a label on

508
00:20:38,690 --> 00:20:36,660
it but the one thing we can look at is

509
00:20:40,010 --> 00:20:38,700
the human Dynamic that the interactions

510
00:20:41,870 --> 00:20:40,020
that are going on

511
00:20:43,310 --> 00:20:41,880
um so that was where my focus was and

512
00:20:45,710 --> 00:20:43,320
that's where my book teaching the living

513
00:20:49,669 --> 00:20:45,720

actually came from was was was that that

514

00:20:52,610 --> 00:20:49,679

idea and um and parapsychologically when

515

00:20:54,650 --> 00:20:52,620

you go back into the the literature uh

516

00:20:56,750 --> 00:20:54,660

people like Dr William roll Dr Scott

517

00:20:59,870 --> 00:20:56,760

rogo although a lot of the big names in

518

00:21:02,990 --> 00:20:59,880

parapsychology really tied this in early

519

00:21:05,330 --> 00:21:03,000

on from to this this emotional energy

520

00:21:07,870 --> 00:21:05,340

side of it almost as a form of

521

00:21:10,669 --> 00:21:07,880

psychokinesis where they're manifesting

522

00:21:12,370 --> 00:21:10,679

these these like intelligences almost

523

00:21:15,950 --> 00:21:12,380

like where the thought becomes a thinker

524

00:21:17,390 --> 00:21:15,960

and these things are there they exist

525

00:21:19,909 --> 00:21:17,400

and they're intelligent and they seem to

526

00:21:22,430 --> 00:21:19,919

interact what they are we don't know but

527

00:21:25,190 --> 00:21:22,440

there's there's hands down a a very

528

00:21:27,230 --> 00:21:25,200

close connection to the the the people

529

00:21:28,909 --> 00:21:27,240

and what they're experiencing and Trauma

530

00:21:31,190 --> 00:21:28,919

and and all of that all kind of rolled

531

00:21:33,649 --> 00:21:31,200

into one so the for me that's how I come

532

00:21:34,789 --> 00:21:33,659

at this and um and like like Dave I've

533

00:21:36,830 --> 00:21:34,799

had

534

00:21:40,970 --> 00:21:36,840

such a great experience it's

535

00:21:43,430 --> 00:21:40,980

so it's it but it's fascinating

536

00:21:45,230 --> 00:21:43,440

you know I that's that's probably the

537

00:21:47,630 --> 00:21:45,240

most interesting thing about all of this

538

00:21:50,450 --> 00:21:47,640

is how each investigator or each person

539

00:21:52,610 --> 00:21:50,460

who's involved with this approaches it

540

00:21:54,830 --> 00:21:52,620

because nobody's the same I mean it's

541

00:21:57,350 --> 00:21:54,840

all always different

542

00:21:59,570 --> 00:21:57,360

um I mean like me for instance it's more

543

00:22:02,029 --> 00:21:59,580

of an intuitive thing as opposed but of

544

00:22:04,250 --> 00:22:02,039

course I'm gonna you know I'm gonna talk

545

00:22:06,110 --> 00:22:04,260

to the people even if it's remotely or

546

00:22:07,669 --> 00:22:06,120

you know I'm going to talk to them and

547

00:22:09,710 --> 00:22:07,679

work on them

548

00:22:11,810 --> 00:22:09,720

um and listen to them and have them tell

549

00:22:13,370 --> 00:22:11,820

me what's going on but um

550

00:22:15,529 --> 00:22:13,380

yeah I mean

551
00:22:17,870 --> 00:22:15,539
um it is interesting how

552
00:22:19,669 --> 00:22:17,880
people you know each person describes it

553
00:22:22,549 --> 00:22:19,679
how about you Richard

554
00:22:25,669 --> 00:22:22,559
yeah I got a phone call and it was from

555
00:22:28,549 --> 00:22:25,679
a bar and uh the bar is in this location

556
00:22:31,070 --> 00:22:28,559
where it used to be a old hotel from the

557
00:22:33,830 --> 00:22:31,080
1800s

558
00:22:35,990 --> 00:22:33,840
and they said there was a lot of act a

559
00:22:39,350 --> 00:22:36,000
lot of activity that was being caught on

560
00:22:42,110 --> 00:22:39,360
cameras and it looked like Shadows

561
00:22:45,110 --> 00:22:42,120
so I went in with the team that I

562
00:22:48,169 --> 00:22:45,120
assembled and uh we go into the bar and

563
00:22:50,149 --> 00:22:48,179

we start to document you know the areas

564

00:22:53,090 --> 00:22:50,159

of the bar that we are picking up the

565

00:22:56,870 --> 00:22:53,100

activity at we brought a medium with us

566

00:22:59,390 --> 00:22:56,880

and the activity was coming from where a

567

00:23:01,730 --> 00:22:59,400

stairwell goes up to the second and

568

00:23:04,070 --> 00:23:01,740

third floor and I asked the owner of the

569

00:23:06,590 --> 00:23:04,080

bar I go well what's up on these floors

570

00:23:08,990 --> 00:23:06,600

and he says well we rent the rooms for

571

00:23:10,549 --> 00:23:09,000

people that are down on their luck

572

00:23:14,210 --> 00:23:10,559

um people that are getting out of prison

573

00:23:17,870 --> 00:23:14,220

people that you know need a place to

574

00:23:20,090 --> 00:23:17,880

stay some have minor drug issues

575

00:23:21,950 --> 00:23:20,100

um so all of a sudden I'm like wow

576

00:23:25,430 --> 00:23:21,960

you're experiencing these shadow

577

00:23:27,289 --> 00:23:25,440

entities at this section of the bar and

578

00:23:30,710 --> 00:23:27,299

they're going up the stairwell and

579

00:23:32,570 --> 00:23:30,720

people are experiencing these shadows as

580

00:23:34,850 --> 00:23:32,580

they're coming and going from the second

581

00:23:36,049 --> 00:23:34,860

in from the third floor coming down into

582

00:23:39,049 --> 00:23:36,059

the bar

583

00:23:41,090 --> 00:23:39,059

we had some REM pods that went off with

584

00:23:44,330 --> 00:23:41,100

intelligent questions asking them to

585

00:23:46,970 --> 00:23:44,340

step forward ask them to step away so we

586

00:23:49,010 --> 00:23:46,980

go upstairs and I want to go into the

587

00:23:50,570 --> 00:23:49,020

hallways where people are saying they're

588

00:23:54,049 --> 00:23:50,580

having these interactions with these

589

00:23:56,149 --> 00:23:54,059

shadow beings so we set up cameras and

590

00:23:58,750 --> 00:23:56,159

in one of the cameras I think I sent the

591

00:24:01,970 --> 00:23:58,760

picture to Vincent and one of the camera

592

00:24:05,210 --> 00:24:01,980

shots that we got we have a

593

00:24:07,370 --> 00:24:05,220

it looks like a shadowy mass in back of

594

00:24:09,950 --> 00:24:07,380

a door and my team are all in the room

595

00:24:13,010 --> 00:24:09,960

and I took a burst of photos and it only

596

00:24:14,750 --> 00:24:13,020

appeared in one of the photos and you

597

00:24:17,090 --> 00:24:14,760

could actually see the light coming in

598

00:24:19,070 --> 00:24:17,100

from the door well from like the doorway

599

00:24:21,890 --> 00:24:19,080

and it's lighting up it almost looks to

600

00:24:25,370 --> 00:24:21,900

be like a shoulder that's actually a

601
00:24:28,010 --> 00:24:25,380
another shadow that I took

602
00:24:31,190 --> 00:24:28,020
um right at my home

603
00:24:34,310 --> 00:24:31,200
um I woke up at three at 3 30 in the

604
00:24:36,730 --> 00:24:34,320
morning and that hit there it is

605
00:24:39,230 --> 00:24:36,740
and you can see this is the second floor

606
00:24:42,230 --> 00:24:39,240
this is one of the rooms where the

607
00:24:43,750 --> 00:24:42,240
residents live and they report seeing a

608
00:24:46,610 --> 00:24:43,760
shadow person

609
00:24:49,250 --> 00:24:46,620
and people that live in this place are

610
00:24:52,310 --> 00:24:49,260
saying that they feel uh

611
00:24:54,590 --> 00:24:52,320
oppressed they feel you know upset at

612
00:24:56,690 --> 00:24:54,600
times anger

613
00:24:59,630 --> 00:24:56,700

um very easily triggered even the people

614

00:25:02,029 --> 00:24:59,640

that are going to the bar are saying

615

00:25:03,350 --> 00:25:02,039

that you know it doesn't make them feel

616

00:25:05,630 --> 00:25:03,360

right

617

00:25:07,610 --> 00:25:05,640

um the the workers even say sometimes

618

00:25:10,090 --> 00:25:07,620

they feel like it follows them home and

619

00:25:13,310 --> 00:25:10,100

it takes a day or so for it to go away

620

00:25:17,510 --> 00:25:13,320

and it follows them into their home

621

00:25:20,330 --> 00:25:17,520

so malevolent uh it's definitely

622

00:25:22,610 --> 00:25:20,340

something that isn't positive right so

623

00:25:24,529 --> 00:25:22,620

we can agree that there's this negative

624

00:25:27,289 --> 00:25:24,539

vibe that's happening in this location

625

00:25:29,810 --> 00:25:27,299

which makes sense I mean this isn't an

626
00:25:31,669 --> 00:25:29,820
Applebee's so this is a bar where people

627
00:25:33,710 --> 00:25:31,679
are going that are already you know

628
00:25:35,990 --> 00:25:33,720
maybe drinking away problems and you

629
00:25:39,289 --> 00:25:36,000
could figure negative attracts negative

630
00:25:41,149 --> 00:25:39,299
if you know positive negative so if

631
00:25:44,690 --> 00:25:41,159
negative energy is attracting negative

632
00:25:48,350 --> 00:25:44,700
energies this would be a prime place for

633
00:25:50,750 --> 00:25:48,360
a malevolent Spirit or shadow person

634
00:25:53,149 --> 00:25:50,760
whatever they may be slipping out of

635
00:25:55,909 --> 00:25:53,159
another realm into this realm or to

636
00:25:59,149 --> 00:25:55,919
cause havoc in people's lives this would

637
00:26:01,490 --> 00:25:59,159
be an optimal place to do that you know

638
00:26:02,870 --> 00:26:01,500

you have a bar and then on the two

639

00:26:05,510 --> 00:26:02,880

floors you have people that are going

640

00:26:07,669 --> 00:26:05,520

through their own turmoil

641

00:26:10,909 --> 00:26:07,679

um and searching for God searching for

642

00:26:13,490 --> 00:26:10,919

you know what whatever it may be so I

643

00:26:14,590 --> 00:26:13,500

think that's a perfect storm for this

644

00:26:17,870 --> 00:26:14,600

kind of

645

00:26:19,310 --> 00:26:17,880

activity to move into a location if that

646

00:26:21,529 --> 00:26:19,320

makes any sense

647

00:26:23,930 --> 00:26:21,539

yeah that's that seems to be the

648

00:26:25,130 --> 00:26:23,940

overwhelming theme about these hauntings

649

00:26:28,130 --> 00:26:25,140

is

650

00:26:29,210 --> 00:26:28,140

a lot of times it has to do with the

651
00:26:32,570 --> 00:26:29,220
actual

652
00:26:34,970 --> 00:26:32,580
humans living I mean you got dysfunction

653
00:26:37,310 --> 00:26:34,980
you got something going on there

654
00:26:40,070 --> 00:26:37,320
or it's attracting all this negative

655
00:26:41,930 --> 00:26:40,080
energy I mean that where it's attracting

656
00:26:44,690 --> 00:26:41,940
this entity that's drawn to this

657
00:26:46,789 --> 00:26:44,700
negative energy it feeds upon it uh you

658
00:26:50,149 --> 00:26:46,799
know we've heard about the shadow people

659
00:26:52,610 --> 00:26:50,159
and all that you know these probably are

660
00:26:57,890 --> 00:26:56,029
human Spirit or former human Spirit they

661
00:27:00,649 --> 00:26:57,900
come from somewhere else who knows what

662
00:27:03,169 --> 00:27:00,659
they are but it seems like a lot of this

663
00:27:07,070 --> 00:27:03,179

malevolously is attracted to dysfunction

664

00:27:09,950 --> 00:27:07,080

or sickness or kids or you know any

665

00:27:13,190 --> 00:27:09,960

number of things that just crop up

666

00:27:15,110 --> 00:27:13,200

during life and people you know uh I

667

00:27:17,390 --> 00:27:15,120

have you know I've been attacked I've

668

00:27:22,130 --> 00:27:17,400

been psychically attacked during remote

669

00:27:25,850 --> 00:27:22,140

uh sessions uh I had a um I was in the

670

00:27:27,590 --> 00:27:25,860

middle of a remote viewing and uh I

671

00:27:30,230 --> 00:27:27,600

literally had a

672

00:27:32,690 --> 00:27:30,240

that laceration form for my sternum

673

00:27:34,730 --> 00:27:32,700

doubt to my belly button I mean it

674

00:27:37,010 --> 00:27:34,740

opened right up I I didn't feel it at

675

00:27:39,470 --> 00:27:37,020

first but I did later and then I knew

676

00:27:41,990 --> 00:27:39,480

something was going on I had I got

677

00:27:44,990 --> 00:27:42,000

attacked at a case I did on Prince

678

00:27:47,390 --> 00:27:45,000

Edward Island remotely where I was uh I

679

00:27:49,370 --> 00:27:47,400

had bruised ribs wow I mean I literally

680

00:27:51,830 --> 00:27:49,380

had to you know had to go to the doctor

681

00:27:54,289 --> 00:27:51,840

and get myself tightened up so I could

682

00:27:56,090 --> 00:27:54,299

breathe you know that's that kind of

683

00:27:58,370 --> 00:27:56,100

stuff and um

684

00:28:01,669 --> 00:27:58,380

you know I I haven't had a whole lot

685

00:28:03,649 --> 00:28:01,679

happened to me in person though I have

686

00:28:05,930 --> 00:28:03,659

had a few things

687

00:28:08,810 --> 00:28:05,940

but uh I don't know what it's if it's

688

00:28:11,510 --> 00:28:08,820

about the remote uh remote sessions and

689

00:28:14,510 --> 00:28:11,520

such where these things are just able to

690

00:28:18,110 --> 00:28:14,520

come through somehow and attack you

691

00:28:22,130 --> 00:28:19,909

um so I thought it was interesting

692

00:28:25,370 --> 00:28:22,140

Richard brought up a bar because

693

00:28:26,990 --> 00:28:25,380

spiritually I'm on the side of uh you

694

00:28:31,130 --> 00:28:27,000

know they don't call it Spirits at the

695

00:28:35,870 --> 00:28:32,990

um think about this and this is just

696

00:28:38,750 --> 00:28:35,880

opinion oriented okay right so

697

00:28:42,230 --> 00:28:38,760

I'm a firm believer and and it relates

698

00:28:45,049 --> 00:28:42,240

to to what Morgan said too that

699

00:28:48,649 --> 00:28:45,059

negative Spirits or energies whatever

700

00:28:51,890 --> 00:28:48,659

term you want to use they use cracks in

701

00:28:54,169 --> 00:28:51,900

people to get a foothold so to speak

702

00:28:56,690 --> 00:28:54,179

whether they're an alcoholic and drug

703

00:28:58,909 --> 00:28:56,700

addict or they just have regular turmoil

704

00:29:00,470 --> 00:28:58,919

in their life whatever it could be and

705

00:29:02,690 --> 00:29:00,480

this is more on the spiritual side of

706

00:29:05,510 --> 00:29:02,700

things okay so this is a totally opinion

707

00:29:08,390 --> 00:29:05,520

oriented oriented for me uh because I've

708

00:29:10,250 --> 00:29:08,400

seen it happen over and over again

709

00:29:12,529 --> 00:29:10,260

um a lot of times in these negative

710

00:29:14,390 --> 00:29:12,539

hauntings you know quotation marks uh

711

00:29:16,310 --> 00:29:14,400

negative cases

712

00:29:18,110 --> 00:29:16,320

um people do have a lot of strife and

713

00:29:21,049 --> 00:29:18,120

people that are alcoholics or they have

714

00:29:23,510 --> 00:29:21,059

drug addiction or they have a mental

715

00:29:26,590 --> 00:29:23,520

illness of some sort these Spirits in my

716

00:29:28,789 --> 00:29:26,600

opinion can gain a foothold by that by

717

00:29:30,830 --> 00:29:28,799

utilizing those cracks even grief

718

00:29:32,930 --> 00:29:30,840

someone Close to You dies and you have

719

00:29:35,450 --> 00:29:32,940

all that internal grief

720

00:29:38,149 --> 00:29:35,460

um they use that you know they can use

721

00:29:40,370 --> 00:29:38,159

that they can gain a foothold because if

722

00:29:41,269 --> 00:29:40,380

you are religious in the CR any

723

00:29:43,370 --> 00:29:41,279

Christian

724

00:29:45,590 --> 00:29:43,380

manner

725

00:29:47,029 --> 00:29:45,600

um the sole purpose of demonic entities

726

00:29:50,510 --> 00:29:47,039

is to what

727

00:29:53,330 --> 00:29:50,520

kill you and gain your soul correct no

728

00:29:55,610 --> 00:29:53,340

matter what what it takes that is what

729

00:29:57,289 --> 00:29:55,620

their sole mission is okay

730

00:29:59,389 --> 00:29:57,299

um a lot of people

731

00:30:02,510 --> 00:29:59,399

um get that little nudge they need by

732

00:30:03,649 --> 00:30:02,520

something negative to commit suicide you

733

00:30:05,149 --> 00:30:03,659

know because they're dealing with all

734

00:30:07,630 --> 00:30:05,159

this strife and turmoil in their life

735

00:30:11,090 --> 00:30:07,640

whatever it may be but how do we explain

736

00:30:13,909 --> 00:30:11,100

the ones that show no ideation of

737

00:30:15,769 --> 00:30:13,919

suicide no negative Strife in their life

738

00:30:17,870 --> 00:30:15,779

they're happy go lucky next thing you

739

00:30:21,049 --> 00:30:17,880

know next day they they off themselves

740

00:30:23,029 --> 00:30:21,059

so you know there's all different ways

741

00:30:24,710 --> 00:30:23,039

to look at this stuff

742

00:30:26,810 --> 00:30:24,720

um there's a thing called the tulpa I'm

743

00:30:29,389 --> 00:30:26,820

sure you guys have heard of that uh

744

00:30:31,610 --> 00:30:29,399

where we can manifest I'm a firm

745

00:30:32,990 --> 00:30:31,620

believer that we only use a time we know

746

00:30:35,029 --> 00:30:33,000

we only use a tiny percentage of our

747

00:30:37,510 --> 00:30:35,039

brain I think in each and every one of

748

00:30:41,149 --> 00:30:37,520

us as human beings we have a totally

749

00:30:44,590 --> 00:30:41,159

unlocked unused piece of our brain that

750

00:30:47,389 --> 00:30:44,600

we can do some amazing things with and

751

00:30:49,430 --> 00:30:47,399

I've seen it and I know you guys have

752

00:30:52,430 --> 00:30:49,440

seen cases too where people are capable

753

00:30:54,769 --> 00:30:52,440

of moving very heavy heavy objects with

754

00:30:56,389 --> 00:30:54,779

their mind uh and levitating and

755

00:30:59,990 --> 00:30:56,399

everything else

756

00:31:02,630 --> 00:31:00,000

um but when you talk about tulpas

757

00:31:05,269 --> 00:31:02,640

and you and you use that mindset

758

00:31:06,950 --> 00:31:05,279

that we are capable of manifesting just

759

00:31:09,769 --> 00:31:06,960

like Morgan said

760

00:31:11,090 --> 00:31:09,779

negative type energies just with our

761

00:31:13,130 --> 00:31:11,100

thought process

762

00:31:14,930 --> 00:31:13,140

you know I believe that is real as well

763

00:31:16,070 --> 00:31:14,940

yeah well then you're talking about I

764

00:31:18,110 --> 00:31:16,080

think it's like the collective

765

00:31:20,090 --> 00:31:18,120

Consciousness right yeah enough people

766

00:31:22,909 --> 00:31:20,100

concentrate on something it will

767

00:31:24,649 --> 00:31:22,919

physically manifest into something now

768

00:31:26,990 --> 00:31:24,659

what's to say demonic entities or

769

00:31:29,810 --> 00:31:27,000

Spirits cannot utilize that negative

770

00:31:31,490 --> 00:31:29,820

energy to manifest so you know there's a

771

00:31:33,950 --> 00:31:31,500

lot of ways you can go down the rabbit

772

00:31:35,630 --> 00:31:33,960

hole with this stuff I mean yeah uh we

773

00:31:37,190 --> 00:31:35,640

just don't know enough about it to say

774

00:31:38,930 --> 00:31:37,200

one way or the other you know I mean

775

00:31:41,510 --> 00:31:38,940

that's why we're all doing what we're

776

00:31:44,090 --> 00:31:41,520

doing you know because it is some of

777

00:31:45,950 --> 00:31:44,100

man's greatest unanswered questions you

778

00:31:47,750 --> 00:31:45,960

know what happens to us when we die are

779

00:31:49,610 --> 00:31:47,760

there Spirits walking Among Us yes there

780

00:31:52,190 --> 00:31:49,620

is and yes yes yes and we don't know

781

00:31:54,710 --> 00:31:52,200

what they are you know so you know it's

782

00:31:56,450 --> 00:31:54,720

fascinating stuff and you know I think

783

00:31:57,830 --> 00:31:56,460

these type of discussions are very

784

00:31:59,810 --> 00:31:57,840

important for us to have as

785

00:32:01,250 --> 00:31:59,820

investigators it doesn't matter what

786

00:32:03,350 --> 00:32:01,260

side of the pond you come from doesn't

787

00:32:05,330 --> 00:32:03,360

matter what your belief system is

788

00:32:07,490 --> 00:32:05,340

because all that information is very

789

00:32:09,470 --> 00:32:07,500

important to come together and talk

790

00:32:10,850 --> 00:32:09,480

about it you know that's knowledge is

791

00:32:13,070 --> 00:32:10,860

power and the more knowledge we have the

792

00:32:15,769 --> 00:32:13,080

more experiences we share then we can

793

00:32:18,830 --> 00:32:15,779

start you know making up some uh

794

00:32:21,409 --> 00:32:18,840

ideations and possible outcomes of these

795

00:32:23,029 --> 00:32:21,419

of these scenarios you know

796

00:32:25,310 --> 00:32:23,039

you know when I gotta get I get called

797

00:32:26,930 --> 00:32:25,320

into a case it's it's gotten to the

798

00:32:29,450 --> 00:32:26,940

point where it's not good

799

00:32:32,090 --> 00:32:29,460

and I knew that you know

800

00:32:34,789 --> 00:32:32,100

um and uh

801

00:32:36,230 --> 00:32:34,799

I mean from what you just do describe

802

00:32:38,389 --> 00:32:36,240

basically the top or a thought form

803

00:32:41,149 --> 00:32:38,399

manifestation that you know Poltergeist

804

00:32:43,190 --> 00:32:41,159

cases are just ridiculous I mean um

805

00:32:45,950 --> 00:32:43,200

you've got you you normally got somebody

806

00:32:48,010 --> 00:32:45,960

who's living in a family group usually a

807

00:32:49,630 --> 00:32:48,020

younger individual that's you know

808

00:32:54,049 --> 00:32:49,640

unconsciously

809

00:32:56,210 --> 00:32:54,059

experiencing PK and um psychokinetic

810

00:32:57,110 --> 00:32:56,220

energy and

811

00:33:00,110 --> 00:32:57,120

um

812

00:33:03,830 --> 00:33:00,120

something that reacts like a spirit or

813

00:33:05,750 --> 00:33:03,840

is is actually unconsciously manifested

814

00:33:07,190 --> 00:33:05,760

by the this certain person and it could

815

00:33:08,510 --> 00:33:07,200

be a lot of different things people talk

816

00:33:09,190 --> 00:33:08,520

about

817

00:33:12,950 --> 00:33:09,200

um

818

00:33:16,669 --> 00:33:12,960

kids going through puberty or breaking

819

00:33:18,769 --> 00:33:16,679

hormones or uh and I I have found most

820

00:33:20,810 --> 00:33:18,779

of times it has to do with dysfunction

821

00:33:23,330 --> 00:33:20,820

and then you know where there's problems

822

00:33:25,490 --> 00:33:23,340

in the family uh and that just seems

823

00:33:27,590 --> 00:33:25,500

that you know the person kind of holds

824

00:33:31,070 --> 00:33:27,600

up and all of a sudden their minds

825

00:33:34,310 --> 00:33:31,080

manifest in all this this energy and

826

00:33:36,350 --> 00:33:34,320

many times it'll attach itself to a an

827

00:33:40,009 --> 00:33:36,360

entity that's already there

828

00:33:41,630 --> 00:33:40,019

uh I have seen that so uh yeah I mean

829

00:33:44,990 --> 00:33:41,640

this is

830

00:33:47,570 --> 00:33:45,000

you know the mind the human mind if we

831

00:33:50,029 --> 00:33:47,580

ever get to the point where we start

832

00:33:53,210 --> 00:33:50,039

understanding the human mind to the

833

00:33:55,789 --> 00:33:53,220

degree that We Believe or what it Act

834

00:33:57,529 --> 00:33:55,799

improved or what it actually can do we

835

00:33:59,630 --> 00:33:57,539

might start getting some answers I don't

836

00:34:00,830 --> 00:33:59,640

know if we will or not but you know it's

837

00:34:02,330 --> 00:34:00,840

there's something there there's

838

00:34:05,149 --> 00:34:02,340

something about that

839

00:34:06,470 --> 00:34:05,159

uh Morgan what do you think about yeah I

840

00:34:10,129 --> 00:34:06,480

mean I think I think the bigger the

841

00:34:12,470 --> 00:34:10,139

biggest question no matter what angle

842

00:34:14,690 --> 00:34:12,480

anybody takes about the subject matter

843

00:34:17,030 --> 00:34:14,700

is it it really comes down to

844

00:34:19,490 --> 00:34:17,040

understanding Consciousness and what

845

00:34:21,950 --> 00:34:19,500

what is it where is it coming from how

846

00:34:23,810 --> 00:34:21,960

does it manifest and we know from

847

00:34:25,070 --> 00:34:23,820

multiple experiments including things

848

00:34:27,649 --> 00:34:25,080

like the Philip experiment and stuff

849

00:34:29,409 --> 00:34:27,659

like that that we we absolutely can

850

00:34:33,050 --> 00:34:29,419

manifest

851
00:34:35,089 --> 00:34:33,060
like working energies with our attention

852
00:34:36,649 --> 00:34:35,099
we know we can we know we can create it

853
00:34:38,750 --> 00:34:36,659
and interestingly enough what they've

854
00:34:40,849 --> 00:34:38,760
discovered is that you can't actually

855
00:34:44,210 --> 00:34:40,859
when like once once this Consciousness

856
00:34:47,329 --> 00:34:44,220
is developed outside of the person that

857
00:34:49,730 --> 00:34:47,339
Consciousness can't act or or think or

858
00:34:51,889 --> 00:34:49,740
answer outside of the person's knowledge

859
00:34:53,389 --> 00:34:51,899
which is always really interesting so

860
00:34:56,030 --> 00:34:53,399
you can ask it questions but if you've

861
00:34:58,730 --> 00:34:56,040
got the wrong information so will it so

862
00:35:00,050 --> 00:34:58,740
there's some really interesting studies

863
00:35:01,810 --> 00:35:00,060

that have been done over the years on

864

00:35:05,390 --> 00:35:01,820

the idea that we are actually

865

00:35:07,730 --> 00:35:05,400

manifesting these entities and like I've

866

00:35:09,170 --> 00:35:07,740

definitely leaned completely to that

867

00:35:10,910 --> 00:35:09,180

side at this point because I think

868

00:35:12,890 --> 00:35:10,920

there's there's a plethora of of

869

00:35:15,109 --> 00:35:12,900

evidence that have been tested that you

870

00:35:16,370 --> 00:35:15,119

can you can replicate Philip experiment

871

00:35:19,609 --> 00:35:16,380

was a great example of that because it

872

00:35:22,130 --> 00:35:19,619

was replicable in the in in studies

873

00:35:24,170 --> 00:35:22,140

um and it was really interesting so it's

874

00:35:26,089 --> 00:35:24,180

really really interesting because you

875

00:35:29,150 --> 00:35:26,099

know when Dave hit on such a great point

876

00:35:32,329 --> 00:35:29,160

is that the human mind is is phenomenal

877

00:35:33,890 --> 00:35:32,339

and we know very little about its

878

00:35:37,310 --> 00:35:33,900

capabilities because

879

00:35:39,230 --> 00:35:37,320

often when we look at the model of how

880

00:35:41,329 --> 00:35:39,240

we view things whether it be through you

881

00:35:43,190 --> 00:35:41,339

know materialism because very much like

882

00:35:45,230 --> 00:35:43,200

the medical system and biology is very

883

00:35:47,210 --> 00:35:45,240

materialistic based

884

00:35:48,950 --> 00:35:47,220

um where we're hitting a point now where

885

00:35:50,930 --> 00:35:48,960

we have to reevaluate that we have to

886

00:35:55,250 --> 00:35:50,940

reevaluate the idea that Consciousness

887

00:35:56,930 --> 00:35:55,260

is actually comes before that and so

888

00:35:59,089 --> 00:35:56,940

right now we've got this model of the

889

00:36:00,530 --> 00:35:59,099

brain where we think okay the brain is

890

00:36:02,569 --> 00:36:00,540

generating Consciousness all these

891

00:36:04,550 --> 00:36:02,579

neurons fire and then bam we can

892

00:36:06,410 --> 00:36:04,560

interpret our environment and what

893

00:36:08,990 --> 00:36:06,420

they're realizing now is that that model

894

00:36:10,490 --> 00:36:09,000

is likely wrong and that what what's

895

00:36:12,170 --> 00:36:10,500

happening is that the brain is like a

896

00:36:14,150 --> 00:36:12,180

translation devices translating

897

00:36:15,589 --> 00:36:14,160

Consciousness just in the same way our

898

00:36:17,690 --> 00:36:15,599

tongues translate taste our eyes

899

00:36:19,670 --> 00:36:17,700

translate light our eyes don't generate

900

00:36:21,170 --> 00:36:19,680

the pictures around us our eyes just

901
00:36:23,210 --> 00:36:21,180
translate the pictures around us and

902
00:36:25,609 --> 00:36:23,220
then our brain interprets it and they're

903
00:36:27,470 --> 00:36:25,619
starting to realize now that our brain

904
00:36:28,790 --> 00:36:27,480
might be acting in that exact way where

905
00:36:31,069 --> 00:36:28,800
it's actually interpreting this

906
00:36:32,990 --> 00:36:31,079
Consciousness and if that's the case

907
00:36:35,569 --> 00:36:33,000
then everything that we're talking about

908
00:36:38,030 --> 00:36:35,579
here tonight like the idea that you know

909
00:36:39,710 --> 00:36:38,040
our our negative Focus can manifest in

910
00:36:41,990 --> 00:36:39,720
intelligence that is separate from us

911
00:36:44,510 --> 00:36:42,000
begins to make a whole lot more sense

912
00:36:46,310 --> 00:36:44,520
when you don't need the brain to

913
00:36:47,810 --> 00:36:46,320

actually have that Consciousness there

914

00:36:49,790 --> 00:36:47,820

then you know you can start to build a

915

00:36:51,770 --> 00:36:49,800

case for things like life after death or

916

00:36:53,690 --> 00:36:51,780

you know negative entities that are are

917

00:36:56,329 --> 00:36:53,700

manifested on their own and stuff like

918

00:36:58,329 --> 00:36:56,339

that so it's it's pretty interesting

919

00:37:00,589 --> 00:36:58,339

yeah I know you've worked with some

920

00:37:02,329 --> 00:37:00,599

parapsychologists before and of course

921

00:37:06,470 --> 00:37:02,339

that fill up experiment in Toronto in

922

00:37:09,170 --> 00:37:06,480

1972 that yeah that that was kind of the

923

00:37:12,050 --> 00:37:09,180

Nexus of all this where people really

924

00:37:14,630 --> 00:37:12,060

just started understanding that hey you

925

00:37:17,210 --> 00:37:14,640

know you would talk about you talk about

926

00:37:20,810 --> 00:37:17,220

Poltergeist you talk about

927

00:37:22,910 --> 00:37:20,820

um my manifestations and how you know PK

928

00:37:25,569 --> 00:37:22,920

and all that and it that kind of

929

00:37:28,670 --> 00:37:25,579

experiment and I suggest people go and

930

00:37:31,490 --> 00:37:28,680

search the the Philip experiment

931

00:37:34,670 --> 00:37:31,500

definitely and read about it and uh it

932

00:37:37,190 --> 00:37:34,680

is it's intriguing it's a Cornerstone uh

933

00:37:39,230 --> 00:37:37,200

to parapsychology and it's it's

934

00:37:41,270 --> 00:37:39,240

interesting because a lot of Canadian

935

00:37:44,210 --> 00:37:41,280

parapsychology isn't looked at which is

936

00:37:45,770 --> 00:37:44,220

a shame because a lot of it the stuff

937

00:37:47,810 --> 00:37:45,780

that has happened here my great great

938

00:37:51,290 --> 00:37:47,820

grandfather was a Cornerstone of of

939

00:37:53,750 --> 00:37:51,300

Canadian parapsychology and there was so

940

00:37:57,290 --> 00:37:53,760

much that that occurred here that case

941

00:38:00,230 --> 00:37:57,300

specifically where it really really does

942

00:38:02,930 --> 00:38:00,240

alter how you look at cases going

943

00:38:04,609 --> 00:38:02,940

forward and once you can realize that

944

00:38:06,710 --> 00:38:04,619

it's like you know if you can get

945

00:38:08,690 --> 00:38:06,720

yourself out of that that sort of place

946

00:38:10,250 --> 00:38:08,700

where you know okay well it's just

947

00:38:12,589 --> 00:38:10,260

ghosts and goblins and stuff running

948

00:38:15,170 --> 00:38:12,599

around and you can start to move into

949

00:38:18,230 --> 00:38:15,180

the idea of wait a minute like we have a

950

00:38:20,930 --> 00:38:18,240

play in What's Happening Here we have a

951
00:38:22,790 --> 00:38:20,940
a position we have a role we have an

952
00:38:24,710 --> 00:38:22,800
influence we have all of that and then

953
00:38:26,329 --> 00:38:24,720
and to me that's where it gets really

954
00:38:28,130 --> 00:38:26,339
cool because you've got these

955
00:38:31,370 --> 00:38:28,140
intelligences out there that absolutely

956
00:38:33,290 --> 00:38:31,380
in my opinion exist and you know you can

957
00:38:35,630 --> 00:38:33,300
interact with them and you can do it but

958
00:38:37,670 --> 00:38:35,640
at the same time it's like to think that

959
00:38:39,470 --> 00:38:37,680
we have a role in that is is not only

960
00:38:41,510 --> 00:38:39,480
fascinating but it's also really

961
00:38:43,250 --> 00:38:41,520
empowering

962
00:38:46,250 --> 00:38:43,260
you know I I don't know if I've ever

963
00:38:48,710 --> 00:38:46,260

mentioned you this to you before but you

964

00:38:51,170 --> 00:38:48,720

know most of my Poltergeist cases have

965

00:38:53,210 --> 00:38:51,180

occurred in the Toronto area

966

00:38:55,250 --> 00:38:53,220

that's interesting that's really

967

00:38:57,109 --> 00:38:55,260

interesting yeah yeah I I used to live

968

00:39:00,050 --> 00:38:57,119

in Hamilton I lived up there for about a

969

00:39:02,750 --> 00:39:00,060

year and I don't know I don't know what

970

00:39:06,170 --> 00:39:02,760

it is and I I ran into a couple cases up

971

00:39:10,010 --> 00:39:06,180

there then but since I came back to the

972

00:39:13,069 --> 00:39:10,020

States and since that time I would say

973

00:39:16,430 --> 00:39:13,079

40 to 50 percent of my cases that

974

00:39:19,390 --> 00:39:16,440

involved Poltergeist activity happened

975

00:39:23,210 --> 00:39:19,400

in the Toronto or Toronto metro area

976
00:39:25,790 --> 00:39:23,220
interesting why that happens I have no

977
00:39:28,130 --> 00:39:25,800
idea but I I always found that bizarre

978
00:39:31,670 --> 00:39:28,140
yeah that is interesting like I know I

979
00:39:34,790 --> 00:39:31,680
mean there's a lot of of varied activity

980
00:39:37,970 --> 00:39:34,800
I find in in Canada like we have a very

981
00:39:40,370 --> 00:39:37,980
wide plethora of stuff that goes on here

982
00:39:41,410 --> 00:39:40,380
that doesn't necessarily happen in other

983
00:39:44,030 --> 00:39:41,420
places

984
00:39:45,470 --> 00:39:44,040
so it's it's interesting like it's a

985
00:39:47,450 --> 00:39:45,480
very different culture here when it

986
00:39:50,210 --> 00:39:47,460
comes to the Paranormal I'm I'm sort of

987
00:39:52,310 --> 00:39:50,220
the odd man out in a lot of ways but I

988
00:39:53,930 --> 00:39:52,320

think the Native American ties guys well

989

00:39:56,210 --> 00:39:53,940

I think there's something to say about

990

00:40:00,410 --> 00:39:56,220

that because there was a lot going on up

991

00:40:02,690 --> 00:40:00,420

there at the time and uh but you know I

992

00:40:05,030 --> 00:40:02,700

I think most Canadians are more

993

00:40:06,829 --> 00:40:05,040

open-minded to a lot of this as well

994

00:40:08,870 --> 00:40:06,839

yeah that's that's interesting that you

995

00:40:10,190 --> 00:40:08,880

say that because I've I've found a bit

996

00:40:10,810 --> 00:40:10,200

of both

997

00:40:13,370 --> 00:40:10,820

um

998

00:40:15,710 --> 00:40:13,380

where I it's either one or the other

999

00:40:18,170 --> 00:40:15,720

where you get people that are are

1000

00:40:20,630 --> 00:40:18,180

absolutely fascinated and they're dying

1001
00:40:22,370 --> 00:40:20,640
to they're dying to learn like I have no

1002
00:40:24,890 --> 00:40:22,380
problem filling classes and workshops

1003
00:40:28,010 --> 00:40:24,900
and shows and stuff here at all but

1004
00:40:30,230 --> 00:40:28,020
what's interesting is the oftentimes if

1005
00:40:31,790 --> 00:40:30,240
you go in say for example you know you

1006
00:40:33,410 --> 00:40:31,800
hear a report or something like that and

1007
00:40:35,990 --> 00:40:33,420
you sit down at a restaurant and say Hey

1008
00:40:38,030 --> 00:40:36,000
you know I hear there's activity here

1009
00:40:41,569 --> 00:40:38,040
you know waitress you know what have you

1010
00:40:43,130 --> 00:40:41,579
experienced and often you'll get we're

1011
00:40:44,930 --> 00:40:43,140
not allowed to talk about that don't ask

1012
00:40:46,250 --> 00:40:44,940
about that we're not allowed to speak

1013
00:40:48,230 --> 00:40:46,260

with that

1014

00:40:50,750 --> 00:40:48,240

um so it's it's really interesting like

1015

00:40:53,750 --> 00:40:50,760

whole companies have come forward like I

1016

00:40:56,089 --> 00:40:53,760

had a a theater this was a number of

1017

00:40:57,670 --> 00:40:56,099

years back historical Theater which all

1018

00:41:00,349 --> 00:40:57,680

the staff it was well known to be

1019

00:41:03,950 --> 00:41:00,359

extremely active with weird things going

1020

00:41:05,329 --> 00:41:03,960

on and I actually emailed the owner of

1021

00:41:06,829 --> 00:41:05,339

the theater and I said you know what

1022

00:41:08,390 --> 00:41:06,839

this is really interesting you know do

1023

00:41:09,589 --> 00:41:08,400

you have any information are you know

1024

00:41:11,349 --> 00:41:09,599

able to

1025

00:41:14,150 --> 00:41:11,359

sort of point me in the right direction

1026
00:41:16,730 --> 00:41:14,160
and he emailed me back and called every

1027
00:41:18,349 --> 00:41:16,740
single one of his staff a liar and he

1028
00:41:21,230 --> 00:41:18,359
just said you're he's like nope they're

1029
00:41:23,450 --> 00:41:21,240
all lying this didn't happen and it's

1030
00:41:25,490 --> 00:41:23,460
like what are you doing like what are

1031
00:41:28,010 --> 00:41:25,500
you doing and that's really common here

1032
00:41:29,870 --> 00:41:28,020
so you know going into places or asking

1033
00:41:31,310 --> 00:41:29,880
like you know would we be able to do a

1034
00:41:33,770 --> 00:41:31,320
study here

1035
00:41:35,990 --> 00:41:33,780
that's because he doesn't want that you

1036
00:41:38,450 --> 00:41:36,000
know let's say negative connotation for

1037
00:41:40,069 --> 00:41:38,460
his business you know sure because of

1038
00:41:42,470 --> 00:41:40,079

his paying customers that might get

1039

00:41:44,210 --> 00:41:42,480

freaked out right yeah so you know I

1040

00:41:46,250 --> 00:41:44,220

hear that all the time yeah I mean you

1041

00:41:48,650 --> 00:41:46,260

know yeah I hear that a lot I'm not

1042

00:41:50,690 --> 00:41:48,660

quite sure most of us do uh Richard

1043

00:41:53,750 --> 00:41:50,700

what's your thoughts on this

1044

00:41:56,390 --> 00:41:53,760

yeah I I I'm telling you I mean it's

1045

00:41:59,569 --> 00:41:56,400

it's really people you know fear when

1046

00:42:01,790 --> 00:41:59,579

you go into a location you know what

1047

00:42:03,050 --> 00:42:01,800

could get spun out like what is the

1048

00:42:05,690 --> 00:42:03,060

narrative that's really going to come

1049

00:42:07,670 --> 00:42:05,700

out of this so even if you're starting

1050

00:42:09,890 --> 00:42:07,680

to talk about the negative effects and

1051

00:42:11,930 --> 00:42:09,900

stuff there's going to be a filter on it

1052

00:42:14,990 --> 00:42:11,940

from the person that's allowing you in

1053

00:42:16,550 --> 00:42:15,000

there so it's going to change the

1054

00:42:20,690 --> 00:42:16,560

narrative it's going to be what they

1055

00:42:22,609 --> 00:42:20,700

want it to be I mean just just alone if

1056

00:42:25,670 --> 00:42:22,619

you think of Canada and you even think

1057

00:42:28,790 --> 00:42:25,680

of how open overseas the spiritualist

1058

00:42:30,430 --> 00:42:28,800

movement was accepted I mean overseas

1059

00:42:32,930 --> 00:42:30,440

everybody wants to talk about

1060

00:42:35,569 --> 00:42:32,940

communicating with you know the dead and

1061

00:42:36,770 --> 00:42:35,579

life after you come to the states and

1062

00:42:40,670 --> 00:42:36,780

all of a sudden you start getting looked

1063

00:42:43,670 --> 00:42:40,680

at like you're cool because I mean so

1064

00:42:46,430 --> 00:42:43,680

other people are more open to

1065

00:42:48,950 --> 00:42:46,440

um the Paranormal and the life life

1066

00:42:52,550 --> 00:42:48,960

after death and Seance and

1067

00:42:53,750 --> 00:42:52,560

so yeah I I I really what part of the

1068

00:42:55,670 --> 00:42:53,760

country you're from here in the United

1069

00:42:59,390 --> 00:42:55,680

States too if you're in the Bible Belt

1070

00:43:00,950 --> 00:42:59,400

or you know it's a lot more than like

1071

00:43:03,589 --> 00:43:00,960

say when I started doing this and I'm

1072

00:43:06,950 --> 00:43:03,599

sure for long he'll tell you too I mean

1073

00:43:08,630 --> 00:43:06,960

it wasn't that long ago 15 20 years you

1074

00:43:09,829 --> 00:43:08,640

had to really watch where you're at and

1075

00:43:11,870 --> 00:43:09,839

what you were saying to folks because

1076

00:43:13,370 --> 00:43:11,880

they'd be like you're you know you're

1077

00:43:15,530 --> 00:43:13,380

dealing with the devil and all this

1078

00:43:17,990 --> 00:43:15,540

other stuff they would really judge you

1079

00:43:20,329 --> 00:43:18,000

hardcore I started doing this in the

1080

00:43:22,670 --> 00:43:20,339

late 70s so look I I was you know I've

1081

00:43:24,410 --> 00:43:22,680

heard it all and this part of

1082

00:43:26,870 --> 00:43:24,420

Pennsylvania and you know this is where

1083

00:43:28,490 --> 00:43:26,880

I grew up at until I moved down to

1084

00:43:30,950 --> 00:43:28,500

Baltimore moved back

1085

00:43:33,890 --> 00:43:30,960

I call this the the belt buckle or the

1086

00:43:37,309 --> 00:43:33,900

Bible Belt in in Pennsylvania because

1087

00:43:39,410 --> 00:43:37,319

it's very conservative and uh you you

1088

00:43:42,910 --> 00:43:39,420

you know you do have to see you do have

1089

00:43:47,870 --> 00:43:45,770

so I mean can you imagine when you you

1090

00:43:50,030 --> 00:43:47,880

know hey you know he's a Catholic and

1091

00:43:51,950 --> 00:43:50,040

he's a medium you know and then you get

1092

00:43:53,930 --> 00:43:51,960

well you can't be a Catholic and be a

1093

00:43:56,150 --> 00:43:53,940

medium because you know and then there's

1094

00:43:58,069 --> 00:43:56,160

a whole other can of worms it's all

1095

00:43:59,329 --> 00:43:58,079

judgmental based you know I mean if it

1096

00:44:01,670 --> 00:43:59,339

doesn't say it in the Bible it's not

1097

00:44:03,950 --> 00:44:01,680

true and that's what we deal with you

1098

00:44:06,650 --> 00:44:03,960

know and that's unfortunate but

1099

00:44:09,710 --> 00:44:06,660

um you know I always when I have heated

1100

00:44:11,630 --> 00:44:09,720

discussions with ministers and and uh

1101
00:44:13,130 --> 00:44:11,640
priests and other people that don't want

1102
00:44:14,930 --> 00:44:13,140
to hear anything else but what's in the

1103
00:44:16,250 --> 00:44:14,940
Bible I always say I always throw them

1104
00:44:17,329 --> 00:44:16,260
for a loop you know what I tell them I

1105
00:44:19,609 --> 00:44:17,339
said what's the greatest Ghost Story

1106
00:44:20,630 --> 00:44:19,619
Ever Told and they're like what what are

1107
00:44:22,490 --> 00:44:20,640
you talking about I said what's the

1108
00:44:24,349 --> 00:44:22,500
greatest ghost story ever told the

1109
00:44:27,349 --> 00:44:24,359
resurrection of Jesus Christ the Holy

1110
00:44:29,030 --> 00:44:27,359
Ghost and they're like whoa you know and

1111
00:44:31,970 --> 00:44:29,040
I'm like well think about you gotta have

1112
00:44:34,609 --> 00:44:31,980
an open mind guys you know

1113
00:44:36,650 --> 00:44:34,619

and that's why I really like I identify

1114

00:44:38,510 --> 00:44:36,660

more with the spiritualist way of

1115

00:44:40,309 --> 00:44:38,520

thinking because you know they opened

1116

00:44:42,530 --> 00:44:40,319

the floor up at the end of every service

1117

00:44:44,150 --> 00:44:42,540

for Spirit to come through and bring

1118

00:44:46,849 --> 00:44:44,160

messages to you know their loved one

1119

00:44:49,670 --> 00:44:46,859

they're eliminating the middle guy you

1120

00:44:52,190 --> 00:44:49,680

know and you're not allowed to talk to

1121

00:44:54,050 --> 00:44:52,200

them because that's just no no but

1122

00:44:55,609 --> 00:44:54,060

when you're a spiritualist and you're

1123

00:44:57,410 --> 00:44:55,619

and you go to these Services it's

1124

00:44:59,329 --> 00:44:57,420

beautiful when people are going through

1125

00:45:00,650 --> 00:44:59,339

such hard moments in their lives and

1126

00:45:01,730 --> 00:45:00,660

their loved ones are coming through to

1127

00:45:03,890 --> 00:45:01,740

let them know that there is that

1128

00:45:05,809 --> 00:45:03,900

continuity and that they are there for

1129

00:45:07,370 --> 00:45:05,819

them and they're you know answering

1130

00:45:09,050 --> 00:45:07,380

things that their Consciousness thought

1131

00:45:11,329 --> 00:45:09,060

while they walked into that church

1132

00:45:13,250 --> 00:45:11,339

service so that just shows you how our

1133

00:45:16,130 --> 00:45:13,260

Consciousness is even connecting with

1134

00:45:18,050 --> 00:45:16,140

Spirits so it's beautiful and I wish

1135

00:45:20,210 --> 00:45:18,060

more people I mean when I start talking

1136

00:45:21,650 --> 00:45:20,220

about it they're like spiritual is what

1137

00:45:23,510 --> 00:45:21,660

and I you know have to tell them well

1138

00:45:25,670 --> 00:45:23,520

there's a spirit you know there's

1139

00:45:27,530 --> 00:45:25,680

a spiritualist church here there's one

1140

00:45:30,290 --> 00:45:27,540

in your town oh yeah and they have no

1141

00:45:32,510 --> 00:45:30,300

idea about this so and that's why I I

1142

00:45:34,130 --> 00:45:32,520

love when you start going overseas and

1143

00:45:35,630 --> 00:45:34,140

you start reading you know the

1144

00:45:38,030 --> 00:45:35,640

mediumship that's coming out of England

1145

00:45:41,450 --> 00:45:38,040

and you know just just Europe itself

1146

00:45:43,010 --> 00:45:41,460

it's just amazing so I just wish we get

1147

00:45:45,710 --> 00:45:43,020

to the point here in the states one day

1148

00:45:47,450 --> 00:45:45,720

that we are more open to it I tell you

1149

00:45:49,490 --> 00:45:47,460

what fascinates me guys so you guys know

1150

00:45:52,010 --> 00:45:49,500

I own a notorious haunted location

1151

00:45:53,870 --> 00:45:52,020

called Willow's weep right so

1152

00:45:56,569 --> 00:45:53,880

um when it comes down to malevolent

1153

00:45:57,890 --> 00:45:56,579

negative type hauntings so what

1154

00:46:00,170 --> 00:45:57,900

fascinates me and we're talking about

1155

00:46:03,050 --> 00:46:00,180

energies and what the human mind can be

1156

00:46:05,930 --> 00:46:03,060

uh capable of possibly doing

1157

00:46:07,970 --> 00:46:05,940

so what do you what do you make of when

1158

00:46:11,450 --> 00:46:07,980

you have a location okay my house was

1159

00:46:14,270 --> 00:46:11,460

built in 1890 and no one's lived

1160

00:46:17,270 --> 00:46:14,280

physically lived in that house

1161

00:46:20,630 --> 00:46:17,280

oh it's been

1162

00:46:22,970 --> 00:46:20,640

11 12 13 years now no one's physically

1163

00:46:25,550 --> 00:46:22,980

lived in that house and there's no

1164

00:46:27,829 --> 00:46:25,560

electric in the house I pulled it all so

1165

00:46:30,050 --> 00:46:27,839

there's no false EMF readings or

1166

00:46:32,510 --> 00:46:30,060

anything like that and you still have

1167

00:46:35,750 --> 00:46:32,520

unexplained activity going on inside the

1168

00:46:37,490 --> 00:46:35,760

house so are we saying nothing is the

1169

00:46:40,910 --> 00:46:37,500

land that's the first thing I'm thinking

1170

00:46:42,589 --> 00:46:40,920

of so that you know obviously that kind

1171

00:46:45,050 --> 00:46:42,599

of takes away a little bit what we've

1172

00:46:47,210 --> 00:46:45,060

talked about of the human mind manifest

1173

00:46:50,990 --> 00:46:47,220

and energy but does that energy linger

1174

00:46:54,010 --> 00:46:51,000

on and I'm a big energy guy I think for

1175

00:46:57,589 --> 00:46:54,020

me personally when there's murders

1176

00:47:00,530 --> 00:46:57,599

killings suicides I always feel like

1177

00:47:02,329 --> 00:47:00,540

that's a prime indicator for a possible

1178

00:47:05,150 --> 00:47:02,339

Paranormal Activity because that energy

1179

00:47:07,550 --> 00:47:05,160

lingers on there that horrible moment in

1180

00:47:09,170 --> 00:47:07,560

time when that Blood Stained the very

1181

00:47:10,910 --> 00:47:09,180

ground of that house is on you know

1182

00:47:12,829 --> 00:47:10,920

because somebody killed themselves or

1183

00:47:14,930 --> 00:47:12,839

somebody was murdered or there's

1184

00:47:18,230 --> 00:47:14,940

numerous deaths there's pedophilia just

1185

00:47:19,730 --> 00:47:18,240

bad energy stuff is to be later on

1186

00:47:21,050 --> 00:47:19,740

that's what we look into as an

1187

00:47:23,329 --> 00:47:21,060

investigators we're looking at the

1188

00:47:24,829 --> 00:47:23,339

energy aspect yeah absolutely you know I

1189

00:47:26,690 --> 00:47:24,839

think I think though everything that

1190

00:47:28,309 --> 00:47:26,700

we've we've talked about here it still

1191

00:47:30,050 --> 00:47:28,319

completely applies

1192

00:47:31,790 --> 00:47:30,060

um you know because as we know energy

1193

00:47:33,349 --> 00:47:31,800

cannot be created or destroyed to go

1194

00:47:35,450 --> 00:47:33,359

back to that Trope

1195

00:47:37,730 --> 00:47:35,460

um so depending on you know I think

1196

00:47:39,589 --> 00:47:37,740

what's happened there or whatever unless

1197

00:47:41,569 --> 00:47:39,599

something's been done to to change that

1198

00:47:43,970 --> 00:47:41,579

I mean it makes sense to me that you'd

1199

00:47:46,069 --> 00:47:43,980

either there would still be activity and

1200

00:47:48,050 --> 00:47:46,079

then there's another factor in in there

1201
00:47:49,430 --> 00:47:48,060
as well called delayed psychokinesis

1202
00:47:53,569 --> 00:47:49,440
delayed PK

1203
00:47:55,250 --> 00:47:53,579
you've got psychokinesis that energy has

1204
00:47:57,530 --> 00:47:55,260
been projected but it doesn't have to

1205
00:47:59,150 --> 00:47:57,540
happen in the in the immediate

1206
00:48:01,370 --> 00:47:59,160
um and oftentimes the misconception with

1207
00:48:03,349 --> 00:48:01,380
psychokinesis is that it's like well you

1208
00:48:05,150 --> 00:48:03,359
know somebody's really really frustrated

1209
00:48:07,130 --> 00:48:05,160
or angry or something like that and Bam

1210
00:48:08,450 --> 00:48:07,140
something has to happen immediately and

1211
00:48:10,430 --> 00:48:08,460
they've shown that that now that that's

1212
00:48:12,530 --> 00:48:10,440
not the case and and if anybody's

1213
00:48:14,030 --> 00:48:12,540

interested in that Dr William rollsworth

1214

00:48:15,550 --> 00:48:14,040

covers some of that

1215

00:48:18,710 --> 00:48:15,560

um

1216

00:48:20,930 --> 00:48:18,720

isn't it wild yeah so they've found that

1217

00:48:22,550 --> 00:48:20,940

that you can you can have that fit and

1218

00:48:24,349 --> 00:48:22,560

then you know like I don't know like a

1219

00:48:26,690 --> 00:48:24,359

day later say for example all of a

1220

00:48:28,490 --> 00:48:26,700

sudden a dish explodes

1221

00:48:30,109 --> 00:48:28,500

um or or something like that and they so

1222

00:48:32,870 --> 00:48:30,119

they found this this sort of delayed PK

1223

00:48:35,270 --> 00:48:32,880

so I it makes you wonder like

1224

00:48:36,589 --> 00:48:35,280

um just how number one how long that can

1225

00:48:38,030 --> 00:48:36,599

go on for which I mean they don't have

1226

00:48:40,670 --> 00:48:38,040

an answer for

1227

00:48:42,589 --> 00:48:40,680

um but also I think you know when you're

1228

00:48:44,089 --> 00:48:42,599

we're talking about the land like Dave

1229

00:48:45,710 --> 00:48:44,099

you brought up that and Lawn you've

1230

00:48:47,329 --> 00:48:45,720

mentioned that as well

1231

00:48:49,609 --> 00:48:47,339

um you know there's there's so much now

1232

00:48:51,829 --> 00:48:49,619

that they're starting to connect even

1233

00:48:55,010 --> 00:48:51,839

geologically to some of this stuff like

1234

00:48:57,650 --> 00:48:55,020

I know when um uh both in Edmonton and

1235

00:48:59,510 --> 00:48:57,660

in uh Gettysburg the battlefield as well

1236

00:49:01,069 --> 00:48:59,520

they're starting to look at

1237

00:49:03,410 --> 00:49:01,079

um uh quartz beds that are underneath

1238

00:49:04,910 --> 00:49:03,420

and pressure that's that's coming off

1239

00:49:07,790 --> 00:49:04,920

these quartz beds and things like that

1240

00:49:09,470 --> 00:49:07,800

that's projected like weird stuff and

1241

00:49:12,290 --> 00:49:09,480

the tie from that into things like

1242

00:49:14,809 --> 00:49:12,300

residual energy and and whatnot so like

1243

00:49:16,550 --> 00:49:14,819

if yeah you'd want to turn around and I

1244

00:49:18,829 --> 00:49:16,560

I don't know like do a deep dive even

1245

00:49:20,990 --> 00:49:18,839

geologically only what's going on we

1246

00:49:22,790 --> 00:49:21,000

know we know crystals hold energy and

1247

00:49:24,530 --> 00:49:22,800

store information we know it they're in

1248

00:49:26,809 --> 00:49:24,540

all of our cell phones our TVs and

1249

00:49:28,849 --> 00:49:26,819

everything else now so if you have a

1250

00:49:31,370 --> 00:49:28,859

hotbed like in Gettysburg full of quartz

1251

00:49:32,990 --> 00:49:31,380

crystal odds are that energy is stored

1252

00:49:35,329 --> 00:49:33,000

and how does it get released we don't

1253

00:49:38,329 --> 00:49:35,339

know I mean it's just like when someone

1254

00:49:40,250 --> 00:49:38,339

moves into a haunted house uh they start

1255

00:49:42,050 --> 00:49:40,260

Remodeling and all sudden they had no

1256

00:49:43,609 --> 00:49:42,060

activity to start Remodeling and all of

1257

00:49:46,370 --> 00:49:43,619

a sudden the activities goes off the

1258

00:49:49,130 --> 00:49:46,380

chain what is the precursor to causing

1259

00:49:52,010 --> 00:49:49,140

that energy to release you know so it's

1260

00:49:54,290 --> 00:49:52,020

fascinating stuff that kind of ties in

1261

00:49:56,569 --> 00:49:54,300

with what's been going on here I mean I

1262

00:49:58,370 --> 00:49:56,579

live 12 miles from the battle from

1263

00:49:59,690 --> 00:49:58,380

Gettysburg Battlefield I'm on the

1264

00:50:01,370 --> 00:49:59,700

battlefield a lot

1265

00:50:03,410 --> 00:50:01,380

so I talked to a lot of people who

1266

00:50:05,150 --> 00:50:03,420

worked there a lot of the people who and

1267

00:50:07,910 --> 00:50:05,160

now they've been doing construction work

1268

00:50:10,069 --> 00:50:07,920

around a little round top they're re

1269

00:50:11,450 --> 00:50:10,079

doing the whole area like a year and a

1270

00:50:13,550 --> 00:50:11,460

half project

1271

00:50:16,309 --> 00:50:13,560

I talked to one of the gentlemen who has

1272

00:50:18,290 --> 00:50:16,319

been working there this winter

1273

00:50:19,970 --> 00:50:18,300

and he told me you know we've been in

1274

00:50:21,710 --> 00:50:19,980

there putting trails in we've been

1275

00:50:26,150 --> 00:50:21,720

cleaning things up

1276

00:50:28,190 --> 00:50:26,160

and the activity is just off the chart

1277

00:50:29,630 --> 00:50:28,200

I mean it's almost like we're in there

1278

00:50:32,750 --> 00:50:29,640

moving stuff around or just even

1279

00:50:33,730 --> 00:50:32,760

cleaning up and we're being told not to

1280

00:50:36,710 --> 00:50:33,740

do it

1281

00:50:40,309 --> 00:50:36,720

the activity has really picked up there

1282

00:50:42,349 --> 00:50:40,319

and I you know I'm I'm I'm I'm trying to

1283

00:50:44,030 --> 00:50:42,359

get somebody to let me in the area now

1284

00:50:45,650 --> 00:50:44,040

even though they're doing the work and

1285

00:50:47,750 --> 00:50:45,660

they're they don't really want anybody

1286

00:50:50,089 --> 00:50:47,760

going in there but I'm just wondering

1287

00:50:52,329 --> 00:50:50,099

how that's going to translate and when

1288

00:50:54,710 --> 00:50:52,339

they reopen everything

1289

00:50:56,690 --> 00:50:54,720

and what kind of activity is going to

1290

00:50:59,450 --> 00:50:56,700

pick up at the battlefield it'd be great

1291

00:51:01,329 --> 00:50:59,460

to get all those workers and get and get

1292

00:51:06,970 --> 00:51:01,339

their stories

1293

00:51:14,510 --> 00:51:10,490

yeah I was uh you know it fascinated me

1294

00:51:16,609 --> 00:51:14,520

because you know I I have practically

1295

00:51:18,770 --> 00:51:16,619

we lived on that Battlefield most of my

1296

00:51:20,990 --> 00:51:18,780

life and back and forth and over the

1297

00:51:22,370 --> 00:51:21,000

years and uh I have seen and have

1298

00:51:25,609 --> 00:51:22,380

experienced a lot of different I've

1299

00:51:27,170 --> 00:51:25,619

heard a lot of different things and uh

1300

00:51:28,970 --> 00:51:27,180

you know I didn't really think much of

1301

00:51:31,010 --> 00:51:28,980

it but I knew they were shutting down

1302

00:51:32,270 --> 00:51:31,020

the little round top area and they were

1303

00:51:35,750 --> 00:51:32,280

going to do some work

1304

00:51:37,370 --> 00:51:35,760

and um I I was up in Gettysburg about

1305

00:51:41,030 --> 00:51:37,380

three weeks ago

1306

00:51:42,890 --> 00:51:41,040

and I was over by uh one of the shops

1307

00:51:46,069 --> 00:51:42,900

where they they sell a lot of artifacts

1308

00:51:47,569 --> 00:51:46,079

and stuff and um I I there was a guy in

1309

00:51:48,410 --> 00:51:47,579

there and he was telling me he said yeah

1310

00:51:51,410 --> 00:51:48,420

I've been doing some of the

1311

00:51:53,390 --> 00:51:51,420

Reconstruction work up there and he said

1312

00:51:55,069 --> 00:51:53,400

you know you want to talk about ghost

1313

00:51:56,750 --> 00:51:55,079

stories and stuff so I've been hearing

1314

00:51:58,250 --> 00:51:56,760

for years about all the activity at

1315

00:52:00,349 --> 00:51:58,260

Gettysburg I never really thought much

1316

00:52:01,549 --> 00:52:00,359

of it he said you know we're in there

1317

00:52:03,290 --> 00:52:01,559

during the day

1318

00:52:04,849 --> 00:52:03,300

now because nobody's working at night

1319

00:52:07,809 --> 00:52:04,859

and they're in there moving stuff around

1320

00:52:10,490 --> 00:52:07,819

and he said we got stuff going missing

1321

00:52:13,490 --> 00:52:10,500

we got uh

1322

00:52:17,210 --> 00:52:13,500

Boulders that are rolling on their own

1323

00:52:18,290 --> 00:52:17,220

all kinds of crazy stuff going on uh and

1324

00:52:19,549 --> 00:52:18,300

we don't you don't hear anything about

1325

00:52:21,650 --> 00:52:19,559

it I mean I would have heard anything

1326
00:52:23,690 --> 00:52:21,660
about I know some the people work at the

1327
00:52:27,109 --> 00:52:23,700
the battlefield wouldn't be saying

1328
00:52:29,150 --> 00:52:27,119
anything about it uh so uh yeah I

1329
00:52:31,190 --> 00:52:29,160
that'll be interesting to see I'm gonna

1330
00:52:35,630 --> 00:52:31,200
try to follow up on this eventually but

1331
00:52:37,670 --> 00:52:35,640
uh yeah that you know it's what you were

1332
00:52:38,930 --> 00:52:37,680
saying about you know the stored energy

1333
00:52:41,569 --> 00:52:38,940
and such

1334
00:52:43,549 --> 00:52:41,579
and uh I just thought about that but

1335
00:52:45,290 --> 00:52:43,559
yeah it's crazy well it's interesting

1336
00:52:47,809 --> 00:52:45,300
you bring you bring that up as well I've

1337
00:52:50,150 --> 00:52:47,819
got a uh a really good friend here and

1338
00:52:53,750 --> 00:52:50,160

uh she bought me I heard her husband

1339

00:52:55,970 --> 00:52:53,760

bought a uh an acreage in uh sort of

1340

00:52:58,549 --> 00:52:55,980

south of of where where I live here

1341

00:53:00,290 --> 00:52:58,559

about an hour from Edmonton and uh it

1342

00:53:04,069 --> 00:53:00,300

was interesting because they bought the

1343

00:53:05,990 --> 00:53:04,079

land and the land was completely like it

1344

00:53:07,250 --> 00:53:06,000

completely treated everything and they

1345

00:53:08,450 --> 00:53:07,260

were like no we really really want to

1346

00:53:09,890 --> 00:53:08,460

put our house here like right in the

1347

00:53:11,809 --> 00:53:09,900

middle of the trees this beautiful area

1348

00:53:13,609 --> 00:53:11,819

and whatever oh my podcast thank you

1349

00:53:16,730 --> 00:53:13,619

Vincent

1350

00:53:18,349 --> 00:53:16,740

um and uh it was so fascinating was like

1351

00:53:21,049 --> 00:53:18,359

they had no idea about the property

1352

00:53:23,450 --> 00:53:21,059

nothing like that and when they started

1353

00:53:26,030 --> 00:53:23,460

to dig is exactly what you were saying

1354

00:53:28,430 --> 00:53:26,040

started to happen everything went

1355

00:53:29,930 --> 00:53:28,440

haywire and I mean they were digging a

1356

00:53:33,290 --> 00:53:29,940

foundation for a house I mean it was

1357

00:53:35,829 --> 00:53:33,300

like no small job and um the first night

1358

00:53:38,150 --> 00:53:35,839

that they moved in to to the house

1359

00:53:39,770 --> 00:53:38,160

non-stop activity from beginning to end

1360

00:53:42,230 --> 00:53:39,780

and it hasn't stopped like it's been

1361

00:53:44,930 --> 00:53:42,240

really a phenomenal journey to be with

1362

00:53:46,670 --> 00:53:44,940

these and they're wonderful people

1363

00:53:49,549 --> 00:53:46,680

um but it's been a very fascinating

1364

00:53:51,710 --> 00:53:49,559

journey to to work on their property and

1365

00:53:54,650 --> 00:53:51,720

what they found was that whenever they

1366

00:53:56,349 --> 00:53:54,660

would disturb the land or dig like dig a

1367

00:53:59,030 --> 00:53:56,359

TR like pull something out or whatever

1368

00:54:01,549 --> 00:53:59,040

they would plant a tree they would

1369

00:54:04,309 --> 00:54:01,559

return something to it and the activity

1370

00:54:06,829 --> 00:54:04,319

would settle right down like an offering

1371

00:54:08,870 --> 00:54:06,839

yeah yeah that's so interesting yeah

1372

00:54:10,250 --> 00:54:08,880

isn't that interesting so that's what

1373

00:54:11,569 --> 00:54:10,260

they started to do was every time

1374

00:54:14,210 --> 00:54:11,579

they're like okay we're gonna dig a

1375

00:54:17,089 --> 00:54:14,220

garden but we're gonna put something in

1376
00:54:18,950 --> 00:54:17,099
and that seemed to really really balance

1377
00:54:21,430 --> 00:54:18,960
things out like it's almost as if the

1378
00:54:25,370 --> 00:54:21,440
the property itself had a Consciousness

1379
00:54:26,870 --> 00:54:25,380
it was so so cool yeah and I mean and

1380
00:54:29,030 --> 00:54:26,880
we've had it's just some incredible

1381
00:54:30,950 --> 00:54:29,040
experiences on this this property I mean

1382
00:54:33,230 --> 00:54:30,960
it's it's amazing

1383
00:54:35,089 --> 00:54:33,240
um but right yeah your story just

1384
00:54:36,770 --> 00:54:35,099
reminded me of that because it was it

1385
00:54:41,049 --> 00:54:36,780
was this real give and take with the

1386
00:54:43,790 --> 00:54:41,059
land it was really very interesting wow

1387
00:54:45,349 --> 00:54:43,800
does it have Native American ties is

1388
00:54:47,150 --> 00:54:45,359

there any Native American artifacts

1389

00:54:50,030 --> 00:54:47,160

found there yeah and well they haven't

1390

00:54:53,930 --> 00:54:50,040

found any artifacts um but there is

1391

00:54:57,470 --> 00:54:53,940

burials there we're pretty sure and they

1392

00:54:58,849 --> 00:54:57,480

are First Nations as well and so it's

1393

00:55:01,370 --> 00:54:58,859

it's been very interesting and there's

1394

00:55:04,370 --> 00:55:01,380

been a lot of uh activity in sort of in

1395

00:55:07,190 --> 00:55:04,380

relationship to the first nations in the

1396

00:55:09,770 --> 00:55:07,200

area that seems to have mirrored into

1397

00:55:11,569 --> 00:55:09,780

into the the property as well and stuff

1398

00:55:12,890 --> 00:55:11,579

I never encountered before like this has

1399

00:55:15,170 --> 00:55:12,900

been such a learning curve for me

1400

00:55:17,809 --> 00:55:15,180

because there was so much on this piece

1401
00:55:20,089 --> 00:55:17,819
of property that I had to really take a

1402
00:55:22,309 --> 00:55:20,099
step back and then learn about

1403
00:55:23,990 --> 00:55:22,319
um but it yeah it's it's so interesting

1404
00:55:25,250 --> 00:55:24,000
and it just yeah goes to show I mean we

1405
00:55:26,970 --> 00:55:25,260
just we don't know what the hell is

1406
00:55:28,609 --> 00:55:26,980
going on

1407
00:55:30,710 --> 00:55:28,619
[Music]

1408
00:55:32,210 --> 00:55:30,720
well let me ask a question here from uh

1409
00:55:34,130 --> 00:55:32,220
cat Gish

1410
00:55:37,730 --> 00:55:34,140
um how to determine the difference

1411
00:55:39,829 --> 00:55:37,740
between a demonic entity from just a

1412
00:55:42,290 --> 00:55:39,839
nasty malicious spirit

1413
00:55:43,430 --> 00:55:42,300

I'm gonna I'm gonna pipe in here you

1414

00:55:45,829 --> 00:55:43,440

know I don't think there's really much

1415

00:55:47,710 --> 00:55:45,839

difference I think evil is evil you know

1416

00:55:50,390 --> 00:55:47,720

I I've never really been one to

1417

00:55:52,970 --> 00:55:50,400

recognize demons but you know I know

1418

00:55:58,809 --> 00:55:52,980

people have their own opinion on this so

1419

00:56:05,450 --> 00:56:03,410

sure uh so uh for me I I think I think

1420

00:56:08,210 --> 00:56:05,460

the word demon gets thrown around a lot

1421

00:56:10,849 --> 00:56:08,220

because of religious connotations

1422

00:56:13,790 --> 00:56:10,859

um and every every culture I I taught

1423

00:56:15,109 --> 00:56:13,800

for a good number of years in uh my my

1424

00:56:16,790 --> 00:56:15,119

program teaching the living in

1425

00:56:19,250 --> 00:56:16,800

post-secondary psychology and social

1426
00:56:21,410 --> 00:56:19,260
work and what was interesting was that

1427
00:56:23,150 --> 00:56:21,420
the the the people were from all over

1428
00:56:25,010 --> 00:56:23,160
the place and these these programs

1429
00:56:26,569 --> 00:56:25,020
everywhere from indigenous to we had

1430
00:56:29,450 --> 00:56:26,579
people from Haiti we had people like all

1431
00:56:32,450 --> 00:56:29,460
over different cultures and every single

1432
00:56:34,549 --> 00:56:32,460
culture had a name for the phenomena and

1433
00:56:35,690 --> 00:56:34,559
it you know of course the the Christians

1434
00:56:38,089 --> 00:56:35,700
and the Catholics they were calling it

1435
00:56:39,650 --> 00:56:38,099
demons you know you had the the Haitians

1436
00:56:41,510 --> 00:56:39,660
calling it something different you had

1437
00:56:43,849 --> 00:56:41,520
the indigenous people calling it you

1438
00:56:46,730 --> 00:56:43,859

know everything from you know when to go

1439

00:56:49,430 --> 00:56:46,740

to you know pick pick a name

1440

00:56:51,770 --> 00:56:49,440

um everybody had different names or and

1441

00:56:53,870 --> 00:56:51,780

different stories behind where they felt

1442

00:56:56,030 --> 00:56:53,880

it came from uh but at the end of the

1443

00:56:58,010 --> 00:56:56,040

day it was all all came back actually

1444

00:57:00,170 --> 00:56:58,020

the same thing and and like we've talked

1445

00:57:02,569 --> 00:57:00,180

about throughout the show we don't know

1446

00:57:04,309 --> 00:57:02,579

what it is we don't know precisely what

1447

00:57:06,049 --> 00:57:04,319

it is but everybody's describing the

1448

00:57:08,750 --> 00:57:06,059

same phenomenon through the filter of

1449

00:57:11,569 --> 00:57:08,760

their culture so you know in terms of

1450

00:57:13,250 --> 00:57:11,579

you know what's what's this versus that

1451
00:57:15,530 --> 00:57:13,260
or whichever oftentimes when you start

1452
00:57:18,109 --> 00:57:15,540
to when you take the labels away and you

1453
00:57:19,490 --> 00:57:18,119
start looking at the behavior of of the

1454
00:57:21,230 --> 00:57:19,500
entity itself

1455
00:57:23,210 --> 00:57:21,240
it doesn't really matter what you label

1456
00:57:25,490 --> 00:57:23,220
it it's just the same behavior over and

1457
00:57:27,290 --> 00:57:25,500
over again so I I don't think there's

1458
00:57:28,910 --> 00:57:27,300
necessarily a difference but I I

1459
00:57:30,890 --> 00:57:28,920
encourage people to take the label off

1460
00:57:33,410 --> 00:57:30,900
of it and then just start looking at the

1461
00:57:35,329 --> 00:57:33,420
the behavior of the entity right she's

1462
00:57:37,010 --> 00:57:35,339
like with people so if something's

1463
00:57:40,130 --> 00:57:37,020

attacking you physically mentally and

1464

00:57:42,049 --> 00:57:40,140

spiritually uh and it's persistent and

1465

00:57:44,390 --> 00:57:42,059

it's making you sick

1466

00:57:46,609 --> 00:57:44,400

more likely you can label that as

1467

00:57:50,930 --> 00:57:46,619

whatever you want it's negative right so

1468

00:57:52,370 --> 00:57:50,940

exactly so you know I mean that's break

1469

00:57:54,589 --> 00:57:52,380

it down in the simplest terms like

1470

00:57:57,349 --> 00:57:54,599

Morgan said take away the label if it's

1471

00:57:59,510 --> 00:57:57,359

hurting you in any way shape or form you

1472

00:58:01,549 --> 00:57:59,520

can label it demonic negative evil

1473

00:58:03,829 --> 00:58:01,559

whatever whatever your Forte is whatever

1474

00:58:06,410 --> 00:58:03,839

your religious background is

1475

00:58:09,049 --> 00:58:06,420

and it was through like an EVP session

1476

00:58:12,950 --> 00:58:09,059

that a friend of mine was having and

1477

00:58:15,770 --> 00:58:12,960

we're listening to it and we hear demon

1478

00:58:17,870 --> 00:58:15,780

okay so right away he's like there's a

1479

00:58:20,750 --> 00:58:17,880

demon here I'm like how do you know it's

1480

00:58:22,309 --> 00:58:20,760

not a tricks for humans that's on the

1481

00:58:23,870 --> 00:58:22,319

other side that knows by saying that

1482

00:58:25,370 --> 00:58:23,880

word to you it's going to make you do

1483

00:58:27,410 --> 00:58:25,380

two things you're going to run out the

1484

00:58:29,329 --> 00:58:27,420

door or you're going to change the

1485

00:58:31,069 --> 00:58:29,339

investigation over to this whole we need

1486

00:58:33,710 --> 00:58:31,079

a priest I mean it could just be

1487

00:58:37,370 --> 00:58:33,720

somebody messing with you on on the

1488

00:58:40,130 --> 00:58:37,380

other side by saying demon to your EVP I

1489

00:58:42,710 --> 00:58:40,140

mean so you're just a recorder so

1490

00:58:44,990 --> 00:58:42,720

how do we know I mean like you said if

1491

00:58:46,730 --> 00:58:45,000

you feel physically fatigued and you

1492

00:58:49,130 --> 00:58:46,740

know like ailments start coming on then

1493

00:58:51,770 --> 00:58:49,140

you could think oh this could be that

1494

00:58:53,450 --> 00:58:51,780

negative you know

1495

00:58:56,150 --> 00:58:53,460

um attachment or something that you have

1496

00:58:58,370 --> 00:58:56,160

but I always say like when you hear the

1497

00:59:00,470 --> 00:58:58,380

word demon come through in an

1498

00:59:02,809 --> 00:59:00,480

investigation you know

1499

00:59:04,549 --> 00:59:02,819

just you take it for what it's worth it

1500

00:59:07,010 --> 00:59:04,559

could be coming from a spirit that's

1501
00:59:08,630 --> 00:59:07,020
just messing with you too yeah the other

1502
00:59:10,309 --> 00:59:08,640
thing you brought up some some great

1503
00:59:13,250 --> 00:59:10,319
points Richard and I think the other

1504
00:59:14,750 --> 00:59:13,260
thing that a really good Surefire way to

1505
00:59:18,049 --> 00:59:14,760
to figure out whether something is not

1506
00:59:21,349 --> 00:59:18,059
good or good is what state of mind are

1507
00:59:23,930 --> 00:59:21,359
you in and because you're not going to

1508
00:59:26,589 --> 00:59:23,940
attract something that's not in the same

1509
00:59:29,870 --> 00:59:26,599
frequency vibrationally as you are

1510
00:59:31,490 --> 00:59:29,880
yeah I mean and that's to me that's

1511
00:59:33,710 --> 00:59:31,500
that's what it comes down to is check

1512
00:59:35,690 --> 00:59:33,720
yourself like I have a chapter in one of

1513
00:59:37,970 --> 00:59:35,700

my books that's about you know if even

1514

00:59:40,190 --> 00:59:37,980

if you've got a negative entity

1515

00:59:41,990 --> 00:59:40,200

sometimes they're a gift because they're

1516

00:59:44,829 --> 00:59:42,000

clueing you into something you've got

1517

00:59:47,569 --> 00:59:44,839

going on that you need to clean up so

1518

00:59:50,569 --> 00:59:47,579

there's there's power in saying hey wait

1519

00:59:53,150 --> 00:59:50,579

a minute if if I'm seeing you there's

1520

00:59:55,849 --> 00:59:53,160

there's something going on with me and

1521

00:59:57,349 --> 00:59:55,859

usually they reflect the trauma that

1522

00:59:59,569 --> 00:59:57,359

you've got going on which is kind of

1523

01:00:01,789 --> 00:59:59,579

interesting I had a case uh this was a

1524

01:00:05,390 --> 01:00:01,799

number of years ago now but but uh it

1525

01:00:08,030 --> 01:00:05,400

was a lady who had had emailed and her

1526

01:00:09,170 --> 01:00:08,040

family was in a right mess to the point

1527

01:00:10,849 --> 01:00:09,180

where they were sleeping in their car

1528

01:00:12,170 --> 01:00:10,859

they couldn't sleep in their house

1529

01:00:15,109 --> 01:00:12,180

anymore

1530

01:00:17,750 --> 01:00:15,119

um and the The Entity that was there was

1531

01:00:19,910 --> 01:00:17,760

just making mincemeat out of this for a

1532

01:00:21,589 --> 01:00:19,920

family and what was interesting was that

1533

01:00:23,809 --> 01:00:21,599

it was very focused on her it wasn't

1534

01:00:25,609 --> 01:00:23,819

focused on the husband it was still it

1535

01:00:28,609 --> 01:00:25,619

wasn't nice to the husband but he was

1536

01:00:30,109 --> 01:00:28,619

away and I thought that's really

1537

01:00:31,849 --> 01:00:30,119

interesting so I started to ask her

1538

01:00:33,710 --> 01:00:31,859

questions I was like well you know tell

1539

01:00:35,329 --> 01:00:33,720

me about tell me about your past history

1540

01:00:37,069 --> 01:00:35,339

let's let's take a look at that because

1541

01:00:39,410 --> 01:00:37,079

immediately you have to start looking at

1542

01:00:41,089 --> 01:00:39,420

the the person at that point and I said

1543

01:00:43,069 --> 01:00:41,099

okay what what's what's going on with

1544

01:00:44,750 --> 01:00:43,079

you oh no everything's great my life's

1545

01:00:47,329 --> 01:00:44,760

been great everything's fine well that's

1546

01:00:49,250 --> 01:00:47,339

not true or this wouldn't be going on So

1547

01:00:51,589 --> 01:00:49,260

eventually after I'm talking to her long

1548

01:00:53,450 --> 01:00:51,599

enough what was interesting was that the

1549

01:00:57,530 --> 01:00:53,460

man that she was involved with before

1550

01:01:00,109 --> 01:00:57,540

her current husband was severely abusive

1551

01:01:02,329 --> 01:01:00,119

and like physically abusive would hit

1552

01:01:05,270 --> 01:01:02,339

her would you know you name it he was

1553

01:01:07,010 --> 01:01:05,280

just a jerk and she ended up leaving him

1554

01:01:08,930 --> 01:01:07,020

and got in a great relationship with

1555

01:01:12,170 --> 01:01:08,940

this new guy he was an amazing father

1556

01:01:14,809 --> 01:01:12,180

and he was awesome but she hadn't

1557

01:01:16,670 --> 01:01:14,819

cleaned up anything that she had she had

1558

01:01:18,890 --> 01:01:16,680

happened to her before so she's dragging

1559

01:01:20,569 --> 01:01:18,900

that baggage into the new relationship

1560

01:01:22,430 --> 01:01:20,579

and that's why she was saying oh my

1561

01:01:25,849 --> 01:01:22,440

life's great you know complete just

1562

01:01:27,650 --> 01:01:25,859

denial like push it down uh yeah she's

1563

01:01:30,309 --> 01:01:27,660

still sitting in her poop in her past

1564

01:01:34,130 --> 01:01:30,319

traumas or you know

1565

01:01:36,349 --> 01:01:34,140

there is mirroring the abuse so she

1566

01:01:39,289 --> 01:01:36,359

moved from one abuser to the next abuser

1567

01:01:40,849 --> 01:01:39,299

and and she hadn't cleaned up so so we

1568

01:01:42,950 --> 01:01:40,859

uh you know I told her at that point I

1569

01:01:44,089 --> 01:01:42,960

said I said you got it you gotta get

1570

01:01:46,730 --> 01:01:44,099

your stuff together you got to get

1571

01:01:49,010 --> 01:01:46,740

yourself cleaned up and I said this is

1572

01:01:51,470 --> 01:01:49,020

yeah this will go away you got to heal

1573

01:01:53,150 --> 01:01:51,480

this stuff and and she did and it you

1574

01:01:55,010 --> 01:01:53,160

know it's of course the it started to

1575

01:01:56,930 --> 01:01:55,020

dissipate but it was one of those things

1576

01:01:58,370 --> 01:01:56,940

where you know yeah so I that would be

1577

01:01:59,630 --> 01:01:58,380

another way that I would that I would

1578

01:02:01,130 --> 01:01:59,640

tell people you know if you've got

1579

01:02:04,870 --> 01:02:01,140

something like that going on check check

1580

01:02:07,849 --> 01:02:04,880

yourself it's it's it's it's

1581

01:02:09,710 --> 01:02:07,859

the high the low vibration entities and

1582

01:02:12,349 --> 01:02:09,720

energies cannot exist in high

1583

01:02:14,890 --> 01:02:12,359

vibrational people and um you know

1584

01:02:17,450 --> 01:02:14,900

that's I believe that 100 percent

1585

01:02:19,970 --> 01:02:17,460

I have found that that's really the only

1586

01:02:22,549 --> 01:02:19,980

way to deal with Poltergeist is

1587

01:02:24,109 --> 01:02:22,559

basically you you know you can't go in

1588

01:02:25,490 --> 01:02:24,119

there as an investigator or someone

1589

01:02:27,349 --> 01:02:25,500

who's going to start clearing think

1590

01:02:29,030 --> 01:02:27,359

they're going to clear something that's

1591

01:02:31,190 --> 01:02:29,040

you've got to talk to where you've got

1592

01:02:34,010 --> 01:02:31,200

to talk to the person where this is

1593

01:02:36,170 --> 01:02:34,020

coming from and and get them and get the

1594

01:02:38,390 --> 01:02:36,180

people around them to clean up their act

1595

01:02:40,370 --> 01:02:38,400

big time and this thing is going to move

1596

01:02:42,829 --> 01:02:40,380

on because it has nothing to feed upon

1597

01:02:44,630 --> 01:02:42,839

you know not one I just wanted to say

1598

01:02:46,309 --> 01:02:44,640

one more thing you know I've always

1599

01:02:48,890 --> 01:02:46,319

found it fascinating and I've done this

1600

01:02:50,930 --> 01:02:48,900

a couple times times say the word demon

1601
01:02:55,730 --> 01:02:50,940
in front of front of a clergyman or a

1602
01:02:59,930 --> 01:02:58,130
you know it's like that's it that's

1603
01:03:01,010 --> 01:02:59,940
that's that's it I mean they don't want

1604
01:03:02,410 --> 01:03:01,020
to talk anymore

1605
01:03:05,329 --> 01:03:02,420
yeah

1606
01:03:07,370 --> 01:03:05,339
I have always found that funny but you

1607
01:03:08,809 --> 01:03:07,380
know you know I have control myself I

1608
01:03:10,970 --> 01:03:08,819
didn't laugh at him or anything but I

1609
01:03:12,589 --> 01:03:10,980
just thought I found it fascinating we

1610
01:03:14,390 --> 01:03:12,599
got another question here this is

1611
01:03:17,030 --> 01:03:14,400
Vincent um

1612
01:03:18,710 --> 01:03:17,040
what are entities like the Hat man has

1613
01:03:25,730 --> 01:03:18,720

any of the guests dealt with this

1614

01:03:31,190 --> 01:03:28,549

Slenderman's definitely a top uh hat man

1615

01:03:32,930 --> 01:03:31,200

may be a tall bug we don't know but

1616

01:03:35,750 --> 01:03:32,940

yeah well the hot Mountain thing is so

1617

01:03:37,910 --> 01:03:35,760

strange too like the the history behind

1618

01:03:40,970 --> 01:03:37,920

that an associate I wrote an article for

1619

01:03:42,530 --> 01:03:40,980

haunted Magazine on on Hat Man and what

1620

01:03:45,770 --> 01:03:42,540

I found really fascinating about this

1621

01:03:51,289 --> 01:03:45,780

was how it spanned so many different

1622

01:03:52,910 --> 01:03:51,299

cultures and that it was linked to a I

1623

01:03:55,190 --> 01:03:52,920

can't remember now the of course the

1624

01:03:58,069 --> 01:03:55,200

name of the disorder has gone up one ear

1625

01:04:01,069 --> 01:03:58,079

note the other uh but it was linked to a

1626
01:04:03,530 --> 01:04:01,079
sleep disorder and it was so interesting

1627
01:04:07,190 --> 01:04:03,540
to me because it was primarily in one

1628
01:04:09,710 --> 01:04:07,200
particular culture and it it sort of got

1629
01:04:11,270 --> 01:04:09,720
drug over it seemed with that particular

1630
01:04:13,549 --> 01:04:11,280
culture

1631
01:04:15,710 --> 01:04:13,559
um but it seemed to be this like this

1632
01:04:18,410 --> 01:04:15,720
sort of sleep disorder

1633
01:04:20,450 --> 01:04:18,420
um slash I just I know Consciousness

1634
01:04:22,069 --> 01:04:20,460
that seems to be coming in like in like

1635
01:04:23,990 --> 01:04:22,079
Dave says I think I think at this point

1636
01:04:26,329 --> 01:04:24,000
now is some sort of a tulpa is some sort

1637
01:04:28,569 --> 01:04:26,339
of a thought form that keeps showing up

1638
01:04:32,750 --> 01:04:28,579

because I mean it's it's now bridging

1639

01:04:35,829 --> 01:04:32,760

cultures and gaps and and oceans that I

1640

01:04:38,270 --> 01:04:35,839

mean it's technically shouldn't be yeah

1641

01:04:40,190 --> 01:04:38,280

it's just like the old hag the sleep

1642

01:04:42,829 --> 01:04:40,200

paralysis thing you know it's it's

1643

01:04:45,410 --> 01:04:42,839

similar very similar to that in a lot of

1644

01:04:47,329 --> 01:04:45,420

ways I mean you know these things

1645

01:04:50,690 --> 01:04:47,339

does it does it truly happen to people

1646

01:04:52,490 --> 01:04:50,700

sure I believe it does I mean um but is

1647

01:04:54,349 --> 01:04:52,500

it some kind of subconscious

1648

01:04:56,809 --> 01:04:54,359

manifestation

1649

01:04:58,010 --> 01:04:56,819

of someone who has a lot of strife in

1650

01:04:59,750 --> 01:04:58,020

their life or whatever's going on

1651
01:05:01,970 --> 01:04:59,760
health-wise or whatever we don't know I

1652
01:05:04,789 --> 01:05:01,980
mean it's all interrelated to me I mean

1653
01:05:06,770 --> 01:05:04,799
all of it so big time I I think the Hat

1654
01:05:08,750 --> 01:05:06,780
Man phenomena is very similar to shadow

1655
01:05:11,210 --> 01:05:08,760
people for the most part but though the

1656
01:05:13,910 --> 01:05:11,220
Hat man thing in in cases I have been

1657
01:05:16,549 --> 01:05:13,920
involved were a person would describe to

1658
01:05:18,530 --> 01:05:16,559
me well they look like they had a hat a

1659
01:05:20,690 --> 01:05:18,540
lot of times they have the glowing eyes

1660
01:05:23,030 --> 01:05:20,700
or they've got another being with them

1661
01:05:27,109 --> 01:05:23,040
or they've got something else going on

1662
01:05:29,270 --> 01:05:27,119
uh but the overall characteristics

1663
01:05:30,950 --> 01:05:29,280

seemed the same are very similar to what

1664

01:05:34,010 --> 01:05:30,960

happens with the Shadow People is

1665

01:05:37,370 --> 01:05:34,020

they're there to feed off dysfunction or

1666

01:05:40,549 --> 01:05:37,380

bad energy or something like that and uh

1667

01:05:41,450 --> 01:05:40,559

you know I have always when I've had to

1668

01:05:44,270 --> 01:05:41,460

help

1669

01:05:46,030 --> 01:05:44,280

someone uh and I do think it's a talk I

1670

01:05:49,309 --> 01:05:46,040

think I think it is a self-manifestation

1671

01:05:51,289 --> 01:05:49,319

and uh I I think

1672

01:05:53,870 --> 01:05:51,299

um it's got to be handled like a

1673

01:05:54,710 --> 01:05:53,880

poltergeist situation it's not exactly

1674

01:06:01,609 --> 01:05:54,720

like

1675

01:06:05,210 --> 01:06:01,619

the energy this is something different

1676
01:06:07,309 --> 01:06:05,220
my grandmother told me a story and I've

1677
01:06:10,609 --> 01:06:07,319
for the longest I always thought it was

1678
01:06:12,829 --> 01:06:10,619
a ghost story when I was a kid and she

1679
01:06:14,450 --> 01:06:12,839
lost her husband she's in bed sleeping

1680
01:06:18,049 --> 01:06:14,460
and something woke her up in the middle

1681
01:06:19,730 --> 01:06:18,059
of the night and she wakes up and she

1682
01:06:21,650 --> 01:06:19,740
really couldn't move but she could see

1683
01:06:24,170 --> 01:06:21,660
the foot of her bed and she could make

1684
01:06:27,170 --> 01:06:24,180
out that there was a man and he had a

1685
01:06:29,870 --> 01:06:27,180
black trench coat and he had a fedora

1686
01:06:31,670 --> 01:06:29,880
and it scared her she put the covers

1687
01:06:34,069 --> 01:06:31,680
back on her head and said please please

1688
01:06:35,930 --> 01:06:34,079

please go away and when she put the

1689

01:06:37,789 --> 01:06:35,940

covers back down

1690

01:06:38,770 --> 01:06:37,799

what was ever at the foot of her bed was

1691

01:06:41,990 --> 01:06:38,780

gone

1692

01:06:43,250 --> 01:06:42,000

so that makes you think too you know she

1693

01:06:44,809 --> 01:06:43,260

was

1694

01:06:48,470 --> 01:06:44,819

going through the loss of her husband

1695

01:06:51,289 --> 01:06:48,480

maybe you know the energy I mean it was

1696

01:06:53,569 --> 01:06:51,299

very interesting though yeah

1697

01:06:56,450 --> 01:06:53,579

yeah like I said it's one of those grief

1698

01:06:59,750 --> 01:06:56,460

situations that those entities or energy

1699

01:07:01,370 --> 01:06:59,760

to try to manipulate and take advantage

1700

01:07:04,010 --> 01:07:01,380

of you know that's what I feel when

1701

01:07:06,410 --> 01:07:04,020

those type of situations happen yeah

1702

01:07:08,210 --> 01:07:06,420

and it she like said it was a split

1703

01:07:10,849 --> 01:07:08,220

second she swarmed she put the covers

1704

01:07:13,970 --> 01:07:10,859

back back over her head and then it was

1705

01:07:15,829 --> 01:07:13,980

gone and she remembered it as clear as

1706

01:07:17,210 --> 01:07:15,839

day up and to the point that when she

1707

01:07:19,730 --> 01:07:17,220

passed away she would always tell you

1708

01:07:21,589 --> 01:07:19,740

know the story over again and you know

1709

01:07:23,210 --> 01:07:21,599

as I got older and I knew what shadow

1710

01:07:25,910 --> 01:07:23,220

people were and then I learned about the

1711

01:07:28,970 --> 01:07:25,920

Hat Man uh I'm like wow this is more of

1712

01:07:31,609 --> 01:07:28,980

that than this well and there's weird

1713

01:07:33,289 --> 01:07:31,619

ties in again like we were talking about

1714

01:07:35,809 --> 01:07:33,299

cultures like these these interesting

1715

01:07:37,789 --> 01:07:35,819

ties with with the hatman culturally as

1716

01:07:39,650 --> 01:07:37,799

well like people creating the stories

1717

01:07:42,650 --> 01:07:39,660

about what they think that these things

1718

01:07:44,450 --> 01:07:42,660

might be like I did a an episode of of

1719

01:07:47,210 --> 01:07:44,460

this on my podcast Supernatural

1720

01:07:50,390 --> 01:07:47,220

circumstances where I had a I had a

1721

01:07:53,210 --> 01:07:50,400

guest on who was she was very religious

1722

01:07:55,490 --> 01:07:53,220

and firmly believed that that know this

1723

01:07:58,089 --> 01:07:55,500

had to be you know the devil this was

1724

01:08:00,529 --> 01:07:58,099

something like so it's interesting how

1725

01:08:02,510 --> 01:08:00,539

like we've mentioned before that there's

1726

01:08:04,430 --> 01:08:02,520

there's sort of these different cultural

1727

01:08:06,950 --> 01:08:04,440

takes on well this is what this is is

1728

01:08:09,049 --> 01:08:06,960

and often related oh thank you Vincent

1729

01:08:11,450 --> 01:08:09,059

um often related to

1730

01:08:13,730 --> 01:08:11,460

um just our own filters and I think the

1731

01:08:16,249 --> 01:08:13,740

stories we're telling ourselves about

1732

01:08:17,930 --> 01:08:16,259

what these things are and and that I

1733

01:08:19,669 --> 01:08:17,940

think is something people whether

1734

01:08:21,530 --> 01:08:19,679

they're seeing like things like hatman

1735

01:08:23,450 --> 01:08:21,540

or you know the Slenderman thing like

1736

01:08:25,550 --> 01:08:23,460

like you guys were mentioning you know

1737

01:08:27,410 --> 01:08:25,560

all of that is it's like you really got

1738

01:08:29,809 --> 01:08:27,420

to take a step back and think about what

1739

01:08:32,510 --> 01:08:29,819

what's your narrative about what this is

1740

01:08:35,209 --> 01:08:32,520

because I think that adds a lot to

1741

01:08:37,010 --> 01:08:35,219

people's Their Fear what their what

1742

01:08:38,329 --> 01:08:37,020

they're thinking about the situation how

1743

01:08:40,189 --> 01:08:38,339

they're moving through their world all

1744

01:08:42,550 --> 01:08:40,199

of that is like what is the narrative

1745

01:08:45,110 --> 01:08:42,560

you're telling yourself

1746

01:08:47,150 --> 01:08:45,120

well that all goes along with the

1747

01:08:48,950 --> 01:08:47,160

mainstream Church guys I I truly feel

1748

01:08:51,110 --> 01:08:48,960

we've been brain lost for Generations

1749

01:08:53,209 --> 01:08:51,120

we're only told what they want to tell

1750

01:08:56,150 --> 01:08:53,219

us we've we've had the old ways taken

1751

01:08:57,229 --> 01:08:56,160

from us and uh you know we can do a

1752

01:09:03,769 --> 01:08:57,239

whole another show or two on that

1753

01:09:06,950 --> 01:09:05,090

we don't even talk about that sometimes

1754

01:09:08,030 --> 01:09:06,960

I every once in a while I will talk

1755

01:09:10,729 --> 01:09:08,040

about

1756

01:09:12,709 --> 01:09:10,739

uh you know doing a case where somebody

1757

01:09:14,990 --> 01:09:12,719

has called a priest or called him a

1758

01:09:16,430 --> 01:09:15,000

pastor or somebody come in and they're

1759

01:09:19,309 --> 01:09:16,440

usually the first ones running out the

1760

01:09:21,169 --> 01:09:19,319

door yeah yeah you know well and what a

1761

01:09:24,709 --> 01:09:21,179

lot of people don't realize too is that

1762

01:09:27,769 --> 01:09:24,719

if you're if you're if you're acting in

1763

01:09:30,110 --> 01:09:27,779

any way out of fear you're putting Focus

1764

01:09:32,209 --> 01:09:30,120

where it shouldn't be if you you want to

1765

01:09:33,769 --> 01:09:32,219

shift the energy in your in your

1766

01:09:36,169 --> 01:09:33,779

environment and you want to change the

1767

01:09:37,910 --> 01:09:36,179

dynamic that's going on don't come at it

1768

01:09:40,189 --> 01:09:37,920

from a place of oh my God get out of my

1769

01:09:42,769 --> 01:09:40,199

house you know come at it from a place

1770

01:09:45,650 --> 01:09:42,779

of appreciation of joy of positive

1771

01:09:48,349 --> 01:09:45,660

aspects of get yourself into the good

1772

01:09:50,209 --> 01:09:48,359

energy first and then start to shift

1773

01:09:52,249 --> 01:09:50,219

what you're doing but if you're coming

1774

01:09:55,550 --> 01:09:52,259

at this as you know oh my God you know

1775

01:09:57,050 --> 01:09:55,560

fear and Terror and whatnot and you know

1776

01:09:59,510 --> 01:09:57,060

you're trying to use you know somebody

1777

01:10:02,090 --> 01:09:59,520

else's belief system to cure the problem

1778

01:10:04,370 --> 01:10:02,100

whatever that's not going to work it's

1779

01:10:05,930 --> 01:10:04,380

just not going to work so I think a lot

1780

01:10:07,970 --> 01:10:05,940

of the time like you're mentioned Dave

1781

01:10:10,570 --> 01:10:07,980

you mentioned the church you know people

1782

01:10:12,830 --> 01:10:10,580

think that they've got this Monopoly on

1783

01:10:14,630 --> 01:10:12,840

Paranormal Activity like you have to

1784

01:10:16,310 --> 01:10:14,640

have the priests come in and do the

1785

01:10:18,410 --> 01:10:16,320

thing and you know there's this whole

1786

01:10:20,090 --> 01:10:18,420

thing and it's like it's like no that's

1787

01:10:22,910 --> 01:10:20,100

there's there's a million ways whatever

1788

01:10:27,649 --> 01:10:22,920

makes you feel good whatever brings you

1789

01:10:29,750 --> 01:10:27,659

Joy do that yeah when I take a case I

1790

01:10:31,189 --> 01:10:29,760

ask the people what they're what they

1791

01:10:33,110 --> 01:10:31,199

believe in what's their denomination

1792

01:10:34,430 --> 01:10:33,120

what do they do because that's the only

1793

01:10:37,910 --> 01:10:34,440

way you're gonna be able to deal with it

1794

01:10:40,010 --> 01:10:37,920

you know yeah yeah 100 agree with you

1795

01:10:42,649 --> 01:10:40,020

100 you know I've had two instances

1796

01:10:44,870 --> 01:10:42,659

where I got called into something where

1797

01:10:46,310 --> 01:10:44,880

you know a family was scared or sleeping

1798

01:10:48,530 --> 01:10:46,320

in the living room

1799

01:10:51,169 --> 01:10:48,540

and they called me in the middle of the

1800

01:10:53,510 --> 01:10:51,179

night I I had one case in particular it

1801
01:10:56,270 --> 01:10:53,520
was local my son and I went out there

1802
01:10:57,770 --> 01:10:56,280
and you know I got to the house it was

1803
01:10:59,870 --> 01:10:57,780
very close to me

1804
01:11:01,550 --> 01:10:59,880
I walked in there and she said oh yeah I

1805
01:11:03,110 --> 01:11:01,560
called the priest too

1806
01:11:05,630 --> 01:11:03,120
what the hell did you call the police

1807
01:11:08,390 --> 01:11:05,640
for I mean what'd you even call me yeah

1808
01:11:10,370 --> 01:11:08,400
yeah you know and I go upstairs and

1809
01:11:12,110 --> 01:11:10,380
start nosing around priest I come back

1810
01:11:13,130 --> 01:11:12,120
downstairs the priest is standing in the

1811
01:11:15,890 --> 01:11:13,140
voyeur

1812
01:11:17,209 --> 01:11:15,900
and he asked me so what's going on I

1813
01:11:19,970 --> 01:11:17,219

told him I said I don't know what what

1814

01:11:23,270 --> 01:11:19,980

it is but it there's some knocking going

1815

01:11:26,410 --> 01:11:23,280

on up there okay well I I you know I'll

1816

01:11:30,530 --> 01:11:26,420

talk to you all that he he

1817

01:11:32,950 --> 01:11:30,540

yeah I mean it's like yeah and yeah what

1818

01:11:35,930 --> 01:11:32,960

happened in the movies I'm out of here

1819

01:11:37,669 --> 01:11:35,940

absolutely I mean you know unless he's

1820

01:11:38,990 --> 01:11:37,679

you know this is what gets me about the

1821

01:11:42,890 --> 01:11:39,000

Catholic church and I might get myself

1822

01:11:44,870 --> 01:11:42,900

in trouble saying this and look I I

1823

01:11:46,610 --> 01:11:44,880

you know I I understand the whole

1824

01:11:48,470 --> 01:11:46,620

Catholic race thing and you know the

1825

01:11:50,870 --> 01:11:48,480

whole thing with the church and as far

1826

01:11:53,870 --> 01:11:50,880

as exorcism and all but

1827

01:11:55,669 --> 01:11:53,880

you know you just can't call a priest

1828

01:11:57,590 --> 01:11:55,679

out of a local parish and have them

1829

01:11:59,570 --> 01:11:57,600

expect to do anything because first of

1830

01:12:03,229 --> 01:11:59,580

all they don't really want to do it

1831

01:12:05,689 --> 01:12:03,239

they're not trained to do that I am glad

1832

01:12:07,669 --> 01:12:05,699

now that especially here in the United

1833

01:12:09,790 --> 01:12:07,679

States that they're actually training

1834

01:12:13,910 --> 01:12:09,800

priests to do this or to recognize

1835

01:12:16,669 --> 01:12:13,920

what's going on uh I know in Baltimore

1836

01:12:18,890 --> 01:12:16,679

they've been doing that in recent years

1837

01:12:20,990 --> 01:12:18,900

they they actually hold it they actually

1838

01:12:23,270 --> 01:12:21,000

hold a symposium every year and they

1839

01:12:25,189 --> 01:12:23,280

bring them in there you know and they

1840

01:12:28,010 --> 01:12:25,199

have people from room come over and and

1841

01:12:30,590 --> 01:12:28,020

work with them and that's just been

1842

01:12:33,590 --> 01:12:30,600

going on the past decade but if you call

1843

01:12:36,229 --> 01:12:33,600

if you call the local guy he's not gonna

1844

01:12:37,910 --> 01:12:36,239

do anything yeah no they won't even help

1845

01:12:39,649 --> 01:12:37,920

people if they're not active in the

1846

01:12:41,390 --> 01:12:39,659

church either well that's true too if

1847

01:12:43,070 --> 01:12:41,400

they're if you're not active you might

1848

01:12:44,630 --> 01:12:43,080

as well not even call them because they

1849

01:12:46,010 --> 01:12:44,640

won't come and help you

1850

01:12:47,330 --> 01:12:46,020

or they're looking at their piece of

1851

01:12:50,750 --> 01:12:47,340

paper and be like you didn't make a

1852

01:12:55,850 --> 01:12:53,030

I've seen that too it's all money and

1853

01:12:57,590 --> 01:12:55,860

fear-based driven all of it so you think

1854

01:13:00,830 --> 01:12:57,600

about it think of how our ancient

1855

01:13:03,410 --> 01:13:00,840

cultures right we we Embrace death and

1856

01:13:06,890 --> 01:13:03,420

the communication with you know Spirit

1857

01:13:10,070 --> 01:13:06,900

and the land and our ancestors and how

1858

01:13:11,930 --> 01:13:10,080

that changed as time went on to now us

1859

01:13:15,470 --> 01:13:11,940

needing to go to a building and for us

1860

01:13:17,930 --> 01:13:15,480

needing to give money for uh it got lost

1861

01:13:20,390 --> 01:13:17,940

in translation right I mean that's

1862

01:13:21,850 --> 01:13:20,400

really you know oh make no mistake there

1863

01:13:25,010 --> 01:13:21,860

was an agenda

1864

01:13:26,990 --> 01:13:25,020

from way back

1865

01:13:29,510 --> 01:13:27,000

well I got one other question I'm going

1866

01:13:32,149 --> 01:13:29,520

to ask before we wrap it up here this is

1867

01:13:34,370 --> 01:13:32,159

from Tracy Hall do any of you have

1868

01:13:35,930 --> 01:13:34,380

suggestions for dealing with sleep

1869

01:13:37,930 --> 01:13:35,940

paralysis

1870

01:13:40,189 --> 01:13:37,940

yeah go to a doctor

1871

01:13:42,890 --> 01:13:40,199

go to a doctor

1872

01:13:45,350 --> 01:13:42,900

um you know that's it it really it

1873

01:13:47,030 --> 01:13:45,360

really comes down to that and I mean and

1874

01:13:49,490 --> 01:13:47,040

spiritually it's kind of interesting or

1875

01:13:50,810 --> 01:13:49,500

I should say scientifically is that

1876

01:13:53,149 --> 01:13:50,820

um there's been some interesting

1877

01:13:55,729 --> 01:13:53,159

Research into both the hypnagogic and

1878

01:13:57,709 --> 01:13:55,739

the hypnopic states of sleep the

1879

01:13:59,330 --> 01:13:57,719

hypnagogic being when you're going into

1880

01:14:00,590 --> 01:13:59,340

sleep The hypnobic Becoming when you're

1881

01:14:04,130 --> 01:14:00,600

coming out of sleep or you're kind of in

1882

01:14:05,990 --> 01:14:04,140

that hazy space and um they're realizing

1883

01:14:07,790 --> 01:14:06,000

now that it's becoming very difficult to

1884

01:14:10,669 --> 01:14:07,800

tell what is actually hallucination

1885

01:14:12,290 --> 01:14:10,679

versus what is real and that the

1886

01:14:15,169 --> 01:14:12,300

hallucinatory parts of the brain which

1887

01:14:17,870 --> 01:14:15,179

they thought were active are now it's

1888

01:14:19,610 --> 01:14:17,880

now a little the line is blurring a

1889

01:14:21,470 --> 01:14:19,620

little bit so it's sort of opening up a

1890

01:14:22,790 --> 01:14:21,480

new door in parapsychology research

1891

01:14:25,490 --> 01:14:22,800

right now because it's like well what

1892

01:14:27,649 --> 01:14:25,500

does that mean what people seeing that

1893

01:14:29,270 --> 01:14:27,659

but when it comes to things like like

1894

01:14:30,890 --> 01:14:29,280

sleep paralysis and stuff I think the

1895

01:14:31,850 --> 01:14:30,900

biggest thing is is don't jump to the

1896

01:14:33,709 --> 01:14:31,860

conclusion that it's something

1897

01:14:36,709 --> 01:14:33,719

Supernatural like you go to the doctor

1898

01:14:37,669 --> 01:14:36,719

get evaluated you know go go to a Sleep

1899

01:14:39,290 --> 01:14:37,679

Clinic

1900

01:14:40,850 --> 01:14:39,300

um and things like that and and deal

1901

01:14:42,110 --> 01:14:40,860

with it that way because I think the

1902

01:14:43,790 --> 01:14:42,120

worst thing you can do is kind of scare

1903

01:14:45,590 --> 01:14:43,800

yourself into thinking that there's you

1904

01:14:47,149 --> 01:14:45,600

know oh my God this is something because

1905

01:14:50,030 --> 01:14:47,159

the night terrors and stuff during sleep

1906

01:14:51,770 --> 01:14:50,040

paralysis are not like nightmares like

1907

01:14:54,350 --> 01:14:51,780

they are complete they're another ball

1908

01:14:57,350 --> 01:14:54,360

game they're it's really terrifying and

1909

01:14:58,790 --> 01:14:57,360

and what not so definitely uh yeah see a

1910

01:15:00,410 --> 01:14:58,800

doctor about it and you can always

1911

01:15:03,290 --> 01:15:00,420

record yourself when you're sleeping too

1912

01:15:04,070 --> 01:15:03,300

to see what you can pick up yeah you

1913

01:15:07,189 --> 01:15:04,080

know

1914

01:15:09,649 --> 01:15:07,199

and I think like energy work is huge too

1915

01:15:12,709 --> 01:15:09,659

I mean if you're if you believe in

1916

01:15:15,530 --> 01:15:12,719

energy I mean I I would go and have some

1917

01:15:18,050 --> 01:15:15,540

Reiki done and you know shop you know

1918

01:15:20,030 --> 01:15:18,060

your chakra is balanced I mean that also

1919

01:15:21,649 --> 01:15:20,040

is huge whether you're a big recent

1920

01:15:25,070 --> 01:15:21,659

normal yeah

1921

01:15:28,610 --> 01:15:25,080

ground yourself get grounded

1922

01:15:30,830 --> 01:15:28,620

yeah so maybe Marla Post in there about

1923

01:15:33,169 --> 01:15:30,840

drumming helps and yeah I have used that

1924

01:15:35,570 --> 01:15:33,179

in the past as well

1925

01:15:37,310 --> 01:15:35,580

um meditation you know there's a lot of

1926

01:15:39,649 --> 01:15:37,320

different ways of doing it I mean you

1927

01:15:40,810 --> 01:15:39,659

know I had sleep paralysis when I was a

1928

01:15:44,149 --> 01:15:40,820

kid

1929

01:15:46,669 --> 01:15:44,159

and the stuff that I was

1930

01:15:48,530 --> 01:15:46,679

even though I was in I was intuitive I

1931

01:15:51,709 --> 01:15:48,540

didn't realize it at the time as a kid

1932

01:15:53,990 --> 01:15:51,719

but I was sensing and seeing all kinds

1933

01:15:56,689 --> 01:15:54,000

of crazy stuff especially in the middle

1934

01:16:00,229 --> 01:15:56,699

of night I'd wake up and I'm just seeing

1935

01:16:03,350 --> 01:16:00,239

this whatever was up there hovering

1936

01:16:05,149 --> 01:16:03,360

above me and uh I don't ever I still

1937

01:16:07,250 --> 01:16:05,159

don't believe it was something that was

1938

01:16:08,390 --> 01:16:07,260

actually a manifestation I it was just

1939

01:16:11,570 --> 01:16:08,400

my mind

1940

01:16:14,390 --> 01:16:11,580

you know an overload you know but um

1941

01:16:18,490 --> 01:16:14,400

yeah I agree with what you said Morgan

1942

01:16:21,110 --> 01:16:18,500

you you if you do experience sleep route

1943

01:16:22,850 --> 01:16:21,120

paralysis or something to that degree I

1944

01:16:25,729 --> 01:16:22,860

think you should

1945

01:16:28,189 --> 01:16:25,739

go to a doctor or seek someone who

1946

01:16:30,530 --> 01:16:28,199

actually specializes in that yeah it's

1947

01:16:33,830 --> 01:16:30,540

the last thing you want is you know

1948

01:16:35,689 --> 01:16:33,840

going to you know some hobbyist or or

1949

01:16:37,250 --> 01:16:35,699

something like that and having them be

1950

01:16:38,570 --> 01:16:37,260

scared the hell out of you by saying oh

1951

01:16:40,250 --> 01:16:38,580

you know you're getting attacked by a

1952

01:16:42,050 --> 01:16:40,260

demon or something like that it's like

1953

01:16:43,370 --> 01:16:42,060

no get it treated you know and then if

1954

01:16:45,290 --> 01:16:43,380

you know if you still got weird stuff

1955

01:16:48,290 --> 01:16:45,300

going on then then work it from there

1956

01:16:52,189 --> 01:16:48,300

but get healthy first yeah

1957

01:16:53,750 --> 01:16:52,199

we'll kind of work on you yeah

1958

01:16:56,450 --> 01:16:53,760

well I'm going to go around the horn

1959

01:16:58,250 --> 01:16:56,460

here and folks I want you to tell uh you

1960

01:17:00,229 --> 01:16:58,260

know let everybody know how they get in

1961

01:17:02,030 --> 01:17:00,239

contact with you what you got coming up

1962

01:17:04,070 --> 01:17:02,040

and you know anything you want to say

1963

01:17:06,050 --> 01:17:04,080

I'm going to start with Dave

1964

01:17:08,030 --> 01:17:06,060

okay you can uh

1965

01:17:09,970 --> 01:17:08,040

find out about me or contact me through

1966

01:17:11,590 --> 01:17:09,980

my website

1967

01:17:14,209 --> 01:17:11,600

www.davespinks

1968

01:17:15,950 --> 01:17:14,219

paranormalinvestigator.com it lists of

1969

01:17:18,770 --> 01:17:15,960

all the upcoming events I'll be speaking

1970

01:17:22,490 --> 01:17:18,780

at this year how to get my books how to

1971

01:17:24,110 --> 01:17:22,500

contact me via email and whatnot so hope

1972

01:17:27,590 --> 01:17:24,120

to see you at Dave speaks world of weird

1973

01:17:30,470 --> 01:17:29,090

Morgan

1974

01:17:33,950 --> 01:17:30,480

okay

1975

01:17:37,070 --> 01:17:33,960

um my One-Stop shop is entity Seeker dot

1976

01:17:39,169 --> 01:17:37,080

CA and uh you can literally find

1977

01:17:41,330 --> 01:17:39,179

everything there including a link to my

1978

01:17:45,709 --> 01:17:41,340

podcast Supernatural circumstances with

1979

01:17:47,450 --> 01:17:45,719

Mike Brown and uh always have all the

1980

01:17:48,530 --> 01:17:47,460

books links to the books are there links

1981

01:17:50,330 --> 01:17:48,540

to the podcast you can download the

1982

01:17:52,610 --> 01:17:50,340

podcast on literally any platform

1983

01:17:54,470 --> 01:17:52,620

including I heart radio and audible

1984

01:17:56,450 --> 01:17:54,480

um both my books are available there the

1985

01:17:57,950 --> 01:17:56,460

gift of instincts paranormal lessons for

1986

01:17:59,510 --> 01:17:57,960

an extraordinary world and teaching the

1987

01:18:03,050 --> 01:17:59,520

living from heartbreak to happiness in a

1988

01:18:05,810 --> 01:18:03,060

haunted home and you can also see my

1989

01:18:08,090 --> 01:18:05,820

shows and lectures as well which are I'm

1990

01:18:11,030 --> 01:18:08,100

now booking for 2023 so if you want me

1991

01:18:12,709 --> 01:18:11,040

to come and speak and do any of the

1992

01:18:14,149 --> 01:18:12,719

theater shows and whatnot that I do I

1993

01:18:16,430 --> 01:18:14,159

teach with fire and all sorts of fun

1994

01:18:18,709 --> 01:18:16,440

stuff and you can get a hold of me there

1995

01:18:20,149 --> 01:18:18,719

as well for that

1996

01:18:22,729 --> 01:18:20,159

okay Richard

1997

01:18:25,370 --> 01:18:22,739

well you can find me on Facebook I'm on

1998

01:18:28,390 --> 01:18:25,380

Instagram I'm on Tick Tock I'm on all

1999

01:18:30,950 --> 01:18:28,400

the socials you can find me at

2000

01:18:32,870 --> 01:18:30,960

www.richardmichella.com and on there I

2001

01:18:35,030 --> 01:18:32,880

have my storefront and also through

2002

01:18:38,630 --> 01:18:35,040

there you can book a session for my

2003

01:18:41,090 --> 01:18:38,640

spirit art session so yeah everything's

2004

01:18:42,890 --> 01:18:41,100

on the website so thank you

2005

01:18:44,390 --> 01:18:42,900

well folks I appreciate you coming home

2006

01:18:46,669 --> 01:18:44,400

with me tonight I think we got a lot

2007

01:18:49,149 --> 01:18:46,679

done in the hour and 15 minutes when we

2008

01:18:52,070 --> 01:18:49,159

were on we did talk about a lot

2009

01:18:56,810 --> 01:18:52,080

should we check the CNN feed for the

2010

01:18:58,310 --> 01:18:56,820

yeah go ahead on the UFO let's see one

2011

01:19:04,430 --> 01:18:58,320

one last

2012

01:19:05,810 --> 01:19:04,440

updates on our our Strange UFO or UAP

2013

01:19:10,130 --> 01:19:05,820

phenomenon

2014

01:19:12,110 --> 01:19:10,140

not yet oh my God I think they've told

2015

01:19:14,090 --> 01:19:12,120

everybody to shut up now the narrative

2016

01:19:16,490 --> 01:19:14,100

is already going to start changing you

2017

01:19:18,290 --> 01:19:16,500

know exactly you know it'll be

2018

01:19:21,530 --> 01:19:18,300

interesting to watch YouTube tonight

2019

01:19:22,970 --> 01:19:21,540

because everybody beyond all the content

2020

01:19:26,950 --> 01:19:22,980

creators will be up there putting their

2021

01:19:31,970 --> 01:19:29,330

the next day they said it was a weather

2022

01:19:35,689 --> 01:19:31,980

balloon say that Dave I was gonna say

2023

01:19:41,450 --> 01:19:37,430

but yeah hate it when you have to shoot

2024

01:19:45,590 --> 01:19:44,090

well Dave Morgan and Richard I want to

2025

01:19:48,110 --> 01:19:45,600

thank you again for coming let's do this

2026

01:19:51,709 --> 01:19:48,120

again I like this group we had a really

2027

01:19:53,450 --> 01:19:51,719

good conversation so uh y'all have a

2028

01:19:56,390 --> 01:19:53,460

good evening you have a good rest of the

2029

01:19:59,169 --> 01:19:56,400

week good weekend and uh we will talking

2030

01:20:03,110 --> 01:19:59,179

soon all right thanks for having me

2031

01:20:07,130 --> 01:20:05,450

now if you have a cellular encounter

2032

01:20:08,930 --> 01:20:07,140

report that you'd like to be considered

2033

01:20:11,750 --> 01:20:08,940

for the personal report show or even a

2034

01:20:13,970 --> 01:20:11,760

Phantoms of monsters please uh feel free

2035

01:20:16,070 --> 01:20:13,980

to forward to me at lawn stricklander

2036

01:20:18,890 --> 01:20:16,080

fans monsters.com

2037

01:20:21,110 --> 01:20:18,900

I want to again thank David and uh

2038

01:20:22,310 --> 01:20:21,120

Morgan and Richard for joining me this

2039

01:20:24,649 --> 01:20:22,320

evening I thought it was really good

2040

01:20:26,630 --> 01:20:24,659

show and and thanks to each and all you

2041

01:20:28,130 --> 01:20:26,640

for watching and chatting we have a

2042

01:20:30,770 --> 01:20:28,140

great chat room

2043

01:20:32,990 --> 01:20:30,780

uh and I you know

2044

01:20:34,910 --> 01:20:33,000

whatever support you can offer please

2045

01:20:37,430 --> 01:20:34,920

like subscribe and share

2046

01:20:39,649 --> 01:20:37,440

and uh let's see next Wednesday and

2047

01:20:42,830 --> 01:20:39,659

we're gonna have a Wednesday show with a

2048

01:20:46,250 --> 01:20:42,840

guest uh next Wednesday 9 p.m Eastern 6

2049

01:20:49,790 --> 01:20:46,260

p.m Pacific I will be joined by the Nate

2050

01:20:52,189 --> 01:20:49,800

Navajo investigator Brenda Harris who

2051

01:20:54,890 --> 01:20:52,199

has actively looked into various

2052

01:20:57,169 --> 01:20:54,900

activity and P her people's native land

2053

01:20:59,270 --> 01:20:57,179

in the four corners area for several

2054

01:21:00,530 --> 01:20:59,280

years so uh this should be an

2055

01:21:04,310 --> 01:21:00,540

interesting show

2056

01:21:06,890 --> 01:21:04,320

and next Friday night at 9 00 PM 6 p.m

2057

01:21:09,590 --> 01:21:06,900

Pacific investigator filmmaker and fans

2058

01:21:13,430 --> 01:21:09,600

of monsters 14 Research affiliate Eric

2059

01:21:15,950 --> 01:21:13,440

mintel will join me to discuss uh recent

2060

01:21:19,669 --> 01:21:15,960

cases and upcoming projects that he and

2061

01:21:21,770 --> 01:21:19,679

his team have planned for 2023

2062

01:21:24,530 --> 01:21:21,780

and stay tuned for paranormal life of

2063

01:21:27,290 --> 01:21:24,540

Bernadette magana with her guest uh

2064

01:21:30,590 --> 01:21:27,300

podcaster Bigfoot Michigan Rob here on

2065

01:21:33,290 --> 01:21:30,600

fans of monsters radio 11 p.m Eastern so

2066

01:21:43,370 --> 01:21:33,300

until we meet again stay safe and stay

2067

01:21:43,380 --> 01:21:59,730

foreign
