[Music]

10  
00:01:49,910 --> 00:01:48,109  
hey first good evening welcome to

11  
00:01:51,590 --> 00:01:49,920  
another episode of fans and monsters

12  
00:01:53,749 --> 00:01:51,600  
radio where we explore the strangely

13  
00:01:55,190 --> 00:01:53,759

unexplained I'm your host lawn Stricker

14

00:01:57,830 --> 00:01:55,200

thanks for joining me

15

00:01:59,630 --> 00:01:57,840

now uh if you enjoy our content then

16

00:02:02,030 --> 00:01:59,640

please subscribe like and share our

17

00:02:04,730 --> 00:02:02,040

presentations and please feel free to

18

00:02:06,950 --> 00:02:04,740

comment as well uh Super Chat is open

19

00:02:09,169 --> 00:02:06,960

during the show so uh please show your

20

00:02:10,910 --> 00:02:09,179

support by clicking the dollar icon

21

00:02:13,070 --> 00:02:10,920

underneath the chat

22

00:02:15,530 --> 00:02:13,080

you can also support the channel by

23

00:02:17,750 --> 00:02:15,540

using the super thanks icon or either

24

00:02:20,930 --> 00:02:17,760

buy me a coffee link as well so your

25

00:02:25,309 --> 00:02:20,940

consideration is needed and appreciated

26

00:02:27,229 --> 00:02:25,319

now we're waiting for my guest uh she

27

00:02:28,970 --> 00:02:27,239

hasn't shown up yet I don't know if

28

00:02:32,150 --> 00:02:28,980

she's going to show up

29

00:02:35,630 --> 00:02:32,160

uh I think she's trying to get in

30

00:02:38,449 --> 00:02:35,640

so I you know before we even do anything

31

00:02:39,890 --> 00:02:38,459

with that if you've got I I decided to

32

00:02:42,949 --> 00:02:39,900

go ahead and do a question and answer

33

00:02:44,150 --> 00:02:42,959

session if uh if you know until she

34

00:02:46,670 --> 00:02:44,160

comes in here

35

00:02:48,350 --> 00:02:46,680

uh so if there's anything that's on your

36

00:02:50,589 --> 00:02:48,360

mind you know just go ahead and put it

37

00:02:53,270 --> 00:02:50,599

up in the chat and we'll go from there

38

00:02:54,170 --> 00:02:53,280

uh and I'll go ahead and answer the best

39

00:02:55,970 --> 00:02:54,180

I can

40

00:02:59,030 --> 00:02:55,980

uh first of all I'm going to announce

41

00:02:59,869 --> 00:02:59,040

that uh Vincent's show is not going to

42

00:03:04,850 --> 00:02:59,879

be

43

00:03:07,190 --> 00:03:04,860

got some issues and uh

44

00:03:10,610 --> 00:03:07,200

so uh Vince is not even with me tonight

45

00:03:12,890 --> 00:03:10,620

uh Bill's filling in I appreciate that

46

00:03:14,869 --> 00:03:12,900

so um

47

00:03:16,550 --> 00:03:14,879

yeah so if you image there's anything

48

00:03:18,649 --> 00:03:16,560

you want to talk about anything that's

49

00:03:21,770 --> 00:03:18,659

happened in the Paranormal anything new

50

00:03:24,770 --> 00:03:21,780

in you know just like this UFO

51  
00:03:26,509 --> 00:03:24,780  
balloon connection and shooting down

52  
00:03:29,449 --> 00:03:26,519  
thing that's the biggest thing in the

53  
00:03:31,850 --> 00:03:29,459  
news right now and quite frankly I don't

54  
00:03:32,509 --> 00:03:31,860  
know what to think about all that

55  
00:03:34,610 --> 00:03:32,519  
um

56  
00:03:37,130 --> 00:03:34,620  
I did post a few things today on the

57  
00:03:38,930 --> 00:03:37,140  
blog so if you go to fans.com we've got

58  
00:03:41,930 --> 00:03:38,940  
a lot of that up there

59  
00:03:44,270 --> 00:03:41,940  
uh some speculation some some stories

60  
00:03:46,190 --> 00:03:44,280  
that have been sent to me

61  
00:03:48,170 --> 00:03:46,200  
um

62  
00:03:50,990 --> 00:03:48,180  
but like I said and anything else you

63  
00:03:53,089 --> 00:03:51,000

want to talk about we can do that I I

64

00:03:56,089 --> 00:03:53,099

have um

65

00:03:58,250 --> 00:03:56,099

I have been posting a few odd things so

66

00:04:00,170 --> 00:03:58,260

I I guess we can talk about some of this

67

00:04:03,289 --> 00:04:00,180

stuff

68

00:04:07,009 --> 00:04:04,970

it's been a lot like I said I've been a

69

00:04:08,809 --> 00:04:07,019

lot of UFO activity I think because of

70

00:04:10,369 --> 00:04:08,819

all this stuff in the news people are

71

00:04:12,710 --> 00:04:10,379

kind of looking

72

00:04:15,589 --> 00:04:12,720

looking up in the sky I've been getting

73

00:04:17,750 --> 00:04:15,599

a bunch of um

74

00:04:21,170 --> 00:04:17,760

I've been getting a bunch of

75

00:04:28,550 --> 00:04:21,180

um reports from people

76

00:04:33,050 --> 00:04:30,650

okay Bernadette asked what are your

77

00:04:36,110 --> 00:04:33,060

thoughts on the angel found in Russia

78

00:04:40,550 --> 00:04:36,120

the angel found in Russia

79

00:04:45,170 --> 00:04:40,560

okay now that's I haven't heard that uh

80

00:04:47,629 --> 00:04:45,180

I I can you kind of expound on that so I

81

00:04:51,110 --> 00:04:47,639

can give you you know I haven't even

82

00:04:53,510 --> 00:04:51,120

heard anything about that until that uh

83

00:04:55,850 --> 00:04:53,520

David David Jones Locker asked do you

84

00:04:57,590 --> 00:04:55,860

think you ever encountered a reptilian

85

00:05:00,110 --> 00:04:57,600

and I don't think I have

86

00:05:02,749 --> 00:05:00,120

I uh

87

00:05:06,230 --> 00:05:02,759

you know of course being involved with

88

00:05:08,390 --> 00:05:06,240

David eckhardt's case

89

00:05:13,969 --> 00:05:08,400

I've

90

00:05:15,469 --> 00:05:13,979

know I have been known to them

91

00:05:18,350 --> 00:05:15,479

um

92

00:05:21,950 --> 00:05:18,360

but as far as actually having an

93

00:05:26,270 --> 00:05:24,710

um I can't say that I have uh and if I

94

00:05:28,730 --> 00:05:26,280

did it's inadvertent I don't I don't

95

00:05:30,770 --> 00:05:28,740

remember it or if it was you know or

96

00:05:33,469 --> 00:05:30,780

knew that they were around me

97

00:05:36,590 --> 00:05:33,479

uh David had mentioned in the past that

98

00:05:38,390 --> 00:05:36,600

they do they do cloak so you know it may

99

00:05:40,550 --> 00:05:38,400

have been I've

100

00:05:43,010 --> 00:05:40,560

you know I've had encounters I am an

101

00:05:46,070 --> 00:05:43,020

experiencer I've had uh I do have at

102

00:05:50,870 --> 00:05:46,080

least one abduction that I do know of

103

00:05:54,110 --> 00:05:50,880

uh but uh as far as encountering

104

00:05:56,990 --> 00:05:54,120

a reptilian I can't say that I have

105

00:05:59,330 --> 00:05:57,000

so Marla one wants to know how your take

106

00:06:02,930 --> 00:05:59,340

on what the objects are that are shot

107

00:06:09,370 --> 00:06:06,950

I believe that they're innocuous I I

108

00:06:11,330 --> 00:06:09,380

don't think they're

109

00:06:14,810 --> 00:06:11,340

interplanetary

110

00:06:17,990 --> 00:06:14,820

craft or that but then again you they're

111

00:06:20,330 --> 00:06:18,000

not really telling us a whole bunch

112

00:06:25,249 --> 00:06:23,029

the fact that so many of them showed up

113

00:06:26,469 --> 00:06:25,259

all of a sudden and and people are

114

00:06:28,070 --> 00:06:26,479

seeing them

115

00:06:30,529 --> 00:06:28,080

and

116

00:06:31,790 --> 00:06:30,539

um they're coming in all different sizes

117

00:06:34,670 --> 00:06:31,800

and stuff

118

00:06:35,390 --> 00:06:34,680

as opposed to the original one I I don't

119

00:06:40,309 --> 00:06:35,400

know

120

00:06:42,710 --> 00:06:40,319

um

121

00:06:44,510 --> 00:06:42,720

you know I'm kind of kind of put

122

00:06:46,670 --> 00:06:44,520

in a position where it's hard for me to

123

00:06:47,749 --> 00:06:46,680

understand what's really going on

124

00:06:51,830 --> 00:06:47,759

so

125

00:06:53,450 --> 00:06:51,840

what I'm gonna do I'm gonna go ahead and

126

00:06:56,450 --> 00:06:53,460

read her bio

127

00:06:58,909 --> 00:06:56,460

she has also appeared on Ghost

140

143

00:07:34,070 --> 00:07:31,919

remain Vigilant and careful so

144

00:07:36,710 --> 00:07:34,080

Brenda thank you for joining me this

145

00:07:36,720 --> 00:07:39,350

hey

146

00:07:41,749 --> 00:07:40,730

there you are

147

00:07:43,610 --> 00:07:41,759

hi

148

00:07:46,550 --> 00:07:43,620

can you hear me

149

00:07:49,610 --> 00:07:46,560

I hear you fine so how you been

150

00:07:50,749 --> 00:07:49,620

uh I am okay sorry I'm late I was trying

151  
00:07:52,550 --> 00:07:50,759  
to get in

152  
00:07:54,529 --> 00:07:52,560  
and I was having a little bit of issues

153  
00:07:56,150 --> 00:07:54,539  
here wow

154  
00:08:00,110 --> 00:07:56,160  
where you're in that's the important

155  
00:08:02,390 --> 00:08:00,120  
thing so uh I I know you know I have

156  
00:08:06,110 --> 00:08:02,400  
kind of kept in contact with you off and

157  
00:08:09,050 --> 00:08:06,120  
on for years uh even when um I was

158  
00:08:11,029 --> 00:08:09,060  
working a bit with uh with JC and a few

159  
00:08:12,950 --> 00:08:11,039  
other people in in the air the four

160  
00:08:15,529 --> 00:08:12,960  
corners area

161  
00:08:17,749 --> 00:08:15,539  
um kind of can you kind of give me a

162  
00:08:19,309 --> 00:08:17,759  
thumbnail what you know what you've been

163  
00:08:21,529 --> 00:08:19,319

involved with what your team has been

164

00:08:24,469 --> 00:08:21,539

involved with over the years

165

00:08:26,330 --> 00:08:24,479

uh doing uh some a big a lot of Bigfoot

166

00:08:29,029 --> 00:08:26,340

investigations

167

00:08:31,369 --> 00:08:29,039

uh um they're out on the reservation

168

00:08:34,130 --> 00:08:31,379

here in the area where I live like in uh

169

00:08:36,829 --> 00:08:34,140

upper field in Shiprock call back

170

00:08:41,510 --> 00:08:36,839

uh the local chicken mountains in

171

00:08:43,730 --> 00:08:41,520

Arizona uh whiskey Lake Area all up uh

172

00:08:44,389 --> 00:08:43,740

towards Arizona side

173

00:08:46,970 --> 00:08:44,399

um

174

00:08:48,650 --> 00:08:46,980

not only that but you know other things

175

00:08:49,310 --> 00:08:48,660

that have been roaming around in the

176  
00:08:52,190 --> 00:08:49,320  
area

177  
00:08:52,870 --> 00:08:52,200  
uh something of what they call

178  
00:09:01,610 --> 00:08:52,880  
um

179  
00:09:02,990 --> 00:09:01,620  
a dog man uh you know different uh

180  
00:09:05,329 --> 00:09:03,000  
different little thing you know things

181  
00:09:07,009 --> 00:09:05,339  
that are roaming around out here I've

182  
00:09:09,769 --> 00:09:07,019  
been checking into

183  
00:09:11,509 --> 00:09:09,779  
um quite a bit so but the last census

184  
00:09:13,130 --> 00:09:11,519  
covet thing everything's been kind of

185  
00:09:15,650 --> 00:09:13,140  
been put on hold

186  
00:09:18,410 --> 00:09:15,660  
until it's okay to go back out you know

187  
00:09:22,610 --> 00:09:18,420  
here on the reservation for the past

188  
00:09:24,769 --> 00:09:22,620

what three why would not three years

189

00:09:26,870 --> 00:09:24,779

um haven't really done anything because

190

00:09:30,290 --> 00:09:26,880

everybody's told to stay put you know

191

00:09:32,030 --> 00:09:30,300

don't be going out and going to people's

192

00:09:33,889 --> 00:09:32,040

houses or you know stuff like that

193

00:09:36,290 --> 00:09:33,899

because of covid and that's the reason

194

00:09:38,990 --> 00:09:36,300

why you know I haven't really posted

195

00:09:40,970 --> 00:09:39,000

anything not only that but also been

196

00:09:43,310 --> 00:09:40,980

dealing with my um taking care of my

197

00:09:46,790 --> 00:09:43,320

husband who's been ill with uh colon

198

00:09:49,490 --> 00:09:46,800

cancer and stuff like that so sorry

199

00:09:51,170 --> 00:09:49,500

um taking care of him so and then I had

200

00:09:52,370 --> 00:09:51,180

to put things back on the burner again

201  
00:09:57,350 --> 00:09:52,380  
for a while

202  
00:10:00,310 --> 00:09:57,360  
so everything as of right now is um

203  
00:10:03,110 --> 00:10:00,320  
so far good thank God

204  
00:10:07,430 --> 00:10:03,120  
so now I can start going back out and

205  
00:10:09,889 --> 00:10:07,440  
doing uh some more um field work you

206  
00:10:11,750 --> 00:10:09,899  
know checking into more sightings and

207  
00:10:14,329 --> 00:10:11,760  
stuff that's going on in different areas

208  
00:10:20,269 --> 00:10:17,870  
so um you know I I used to talk like I

209  
00:10:22,730 --> 00:10:20,279  
said I used to talk to JC a lot when he

210  
00:10:25,070 --> 00:10:22,740  
was when he was there at the reservation

211  
00:10:26,690 --> 00:10:25,080  
and he was looking into things and

212  
00:10:28,790 --> 00:10:26,700  
occasionally I would talk to you I would

213  
00:10:31,490 --> 00:10:28,800

talk to some of the other guys and

214

00:10:35,389 --> 00:10:31,500

people that were on the reservation had

215

00:10:38,210 --> 00:10:35,399

encounters and such but um

216

00:10:41,449 --> 00:10:38,220

what the Bigfoot in general

217

00:10:43,250 --> 00:10:41,459

what what is so distinctive about and I

218

00:10:45,650 --> 00:10:43,260

don't know if they call them the furry

219

00:10:48,350 --> 00:10:45,660

ones with you I I know many of the

220

00:10:52,970 --> 00:10:48,360

indigenous people there would refer to

221

00:10:55,370 --> 00:10:52,980

them to me as the furry ones but uh

222

00:10:57,829 --> 00:10:55,380

they do seem to be

223

00:11:04,790 --> 00:10:57,839

very

224

00:11:07,250 --> 00:11:04,800

and uh for the most part uh what is your

225

00:11:09,170 --> 00:11:07,260

assessment on that dude is does it seem

226

00:11:12,470 --> 00:11:09,180

to be a relationship between the people

227

00:11:14,389 --> 00:11:12,480

and these creatures more so there than

228

00:11:18,050 --> 00:11:14,399

in other places

229

00:11:20,810 --> 00:11:18,060

well I I wouldn't say like being the

230

00:11:23,329 --> 00:11:20,820

oh like in a like a friendly

231

00:11:25,790 --> 00:11:23,339

relationship or anything like that but

232

00:11:28,670 --> 00:11:25,800

it's it's more of

233

00:11:30,350 --> 00:11:28,680

um a lot of people are kind of afraid

234

00:11:32,269 --> 00:11:30,360

still

235

00:11:33,949 --> 00:11:32,279

um some you know a lot of them are just

236

00:11:36,050 --> 00:11:33,959

you know they um

237

00:11:38,389 --> 00:11:36,060

just leave it alone which is something

238

00:11:40,850 --> 00:11:38,399

you know that we're all told to do right

239

00:11:42,889 --> 00:11:40,860

uh just you know let it you know roam

240

00:11:44,690 --> 00:11:42,899

you know where everybody needs to go Let

241

00:11:46,009 --> 00:11:44,700

it go you know don't bother it and it

242

00:11:49,670 --> 00:11:46,019

won't bother you

243

00:11:53,090 --> 00:11:49,680

uh but in a lot of cases though a lot of

244

00:11:54,769 --> 00:11:53,100

um what's been coming through here

245

00:11:57,110 --> 00:11:54,779

um like right now that a lot of them are

246

00:11:59,150 --> 00:11:57,120

hungry uh we have a I believe a family

247

00:12:01,430 --> 00:11:59,160

of

248

00:12:03,350 --> 00:12:01,440

let's see

249

00:12:05,269 --> 00:12:03,360

I guess you could say that the male

250

00:12:07,730 --> 00:12:05,279

female and the young one that's together

251

00:12:10,670 --> 00:12:07,740

traveling through here

252

00:12:12,230 --> 00:12:10,680

and just recently they had killed it had

253

00:12:15,530 --> 00:12:12,240

killed um

254

00:12:17,449 --> 00:12:15,540

a family's uh chicken oh uh I think it

255

00:12:19,370 --> 00:12:17,459

killed all their chickens I'm not quite

256

00:12:22,490 --> 00:12:19,380

sure maybe

257

00:12:24,230 --> 00:12:22,500

I think they said between five and seven

258

00:12:26,870 --> 00:12:24,240

chickens that were killed in one night

259

00:12:29,269 --> 00:12:26,880

so the family was you know really upset

260

00:12:32,329 --> 00:12:29,279

with that and they're hungry you know

261

00:12:34,069 --> 00:12:32,339

yeah um they're looking for food so it's

262

00:12:36,290 --> 00:12:34,079

usually about this time is when they

263

00:12:38,990 --> 00:12:36,300

start doing stuff like that

264

00:12:41,569 --> 00:12:39,000

um after all the Harvest is done

265

00:12:43,310 --> 00:12:41,579

and then there's no more food so now

266

00:12:45,170 --> 00:12:43,320

they start going for a small life and

267

00:12:46,610 --> 00:12:45,180

they're going after small animals and

268

00:12:48,530 --> 00:12:46,620

stuff

269

00:12:50,329 --> 00:12:48,540

um a lot you know a lot of the people

270

00:12:51,889 --> 00:12:50,339

um especially this family did they were

271

00:12:53,629 --> 00:12:51,899

pretty upset about it

272

00:12:55,730 --> 00:12:53,639

and so now

273

00:12:57,949 --> 00:12:55,740

um you know they're really keeping an

274

00:13:00,530 --> 00:12:57,959

eye and understand because I tell them

275

00:13:02,150 --> 00:13:00,540

you know different ones that you know a

276

00:13:04,850 --> 00:13:02,160

lot of the film is hey you know put some

277

00:13:06,710 --> 00:13:04,860

put some light up um put cameras up

278

00:13:08,810 --> 00:13:06,720

because then they don't like cameras you

279

00:13:10,129 --> 00:13:08,820

know they'll they'll go elsewhere a lot

280

00:13:13,069 --> 00:13:10,139

of the times

281

00:13:15,110 --> 00:13:13,079

so a lot of the people

282

00:13:16,370 --> 00:13:15,120

you know there you go they don't like it

283

00:13:19,069 --> 00:13:16,380

around

284

00:13:21,410 --> 00:13:19,079

uh because of it always attacking their

285

00:13:24,290 --> 00:13:21,420

their livestock and stuff like that

286

00:13:26,030 --> 00:13:24,300

or not only that or they'll hit the side

287

00:13:28,069 --> 00:13:26,040

of the home or town

288

00:13:30,769 --> 00:13:28,079

the windows you know

289

00:13:33,050 --> 00:13:30,779

and so um a lot of people they do they

290

00:13:35,269 --> 00:13:33,060

get scared like what does it want what's

291

00:13:38,150 --> 00:13:35,279

it doing here you know majority of time

292

00:13:40,670 --> 00:13:38,160

is they're curious but like I said as of

293

00:13:43,430 --> 00:13:40,680

right now they're hungry so now they're

294

00:13:46,310 --> 00:13:43,440

going to be going uh after um

295

00:13:50,329 --> 00:13:46,320

uh livestock you know try to get what

296

00:13:51,590 --> 00:13:50,339

they can because they're hungry right

297

00:13:55,129 --> 00:13:51,600

um

298

00:13:57,949 --> 00:13:55,139

do they uh do these uh individuals or

299

00:14:00,889 --> 00:13:57,959

even family groups seem to migrate in

300

00:14:04,129 --> 00:14:00,899

certain areas either there I mean in New

301  
00:14:06,470 --> 00:14:04,139  
Mexico or over in Arizona uh are there

302  
00:14:09,949 --> 00:14:06,480  
certain areas where they they go to at

303  
00:14:13,910 --> 00:14:09,959  
certain time times a year

304  
00:14:15,829 --> 00:14:13,920  
oh well the ones uh that uh might been

305  
00:14:18,410 --> 00:14:15,839  
um kind of keeping an eye on they seem

306  
00:14:21,470 --> 00:14:18,420  
to hang around down at the river the San

307  
00:14:24,110 --> 00:14:21,480  
Juan River San Juan River yeah yeah uh

308  
00:14:26,449 --> 00:14:24,120  
so you know there's a family not only

309  
00:14:28,190 --> 00:14:26,459  
just that that the family I'm talking

310  
00:14:29,810 --> 00:14:28,200  
about

311  
00:14:31,670 --> 00:14:29,820  
um there's another

312  
00:14:34,550 --> 00:14:31,680  
um another I think it was another two

313  
00:14:37,730 --> 00:14:34,560

that's hanging around more in my area uh

314

00:14:39,050 --> 00:14:37,740

which is one uh that I've noticed but it

315

00:14:41,870 --> 00:14:39,060

came down to one

316

00:14:43,910 --> 00:14:41,880

so we've got one here like a family of

317

00:14:45,610 --> 00:14:43,920

them hanging in between Shiprock and the

318

00:14:49,910 --> 00:14:45,620

hallback area

319

00:14:52,670 --> 00:14:49,920

to my area is like one or two uh there's

320

00:14:55,189 --> 00:14:52,680

a one that was yelling uh last month

321

00:14:57,170 --> 00:14:55,199

along on the south side of our home

322

00:14:59,210 --> 00:14:57,180

uh on the little Mesa they're walking

323

00:15:00,889 --> 00:14:59,220

heading towards East and it was really

324

00:15:03,710 --> 00:15:00,899

yelling and that was about midnight when

325

00:15:05,870 --> 00:15:03,720

it was was screaming so

326

00:15:07,550 --> 00:15:05,880

they they move around a lot along the

327

00:15:10,370 --> 00:15:07,560

ivers

328

00:15:11,750 --> 00:15:10,380

um yeah a lot of them still hang up out

329

00:15:13,670 --> 00:15:11,760

in the course out in the mountains and

330

00:15:15,110 --> 00:15:13,680

they have caves up that way and where

331

00:15:17,210 --> 00:15:15,120

they

332

00:15:20,030 --> 00:15:17,220

um stay in so but along the river

333

00:15:22,490 --> 00:15:20,040

there's um I believe there's some areas

334

00:15:24,530 --> 00:15:22,500

that have maybe some small caves that

335

00:15:27,290 --> 00:15:24,540

they um hide in or you know

336

00:15:28,790 --> 00:15:27,300

so that's where they bunker down in

337

00:15:30,949 --> 00:15:28,800

um quite a bit so a lot of people have

338

00:15:33,050 --> 00:15:30,959

seen it down at the river not only along

339

00:15:34,490 --> 00:15:33,060

the San Juan River but also along the

340

00:15:36,949 --> 00:15:34,500

Animas River

341

00:15:39,829 --> 00:15:36,959

which is more towards Farmington New

342

00:15:46,970 --> 00:15:41,150

yeah

343

00:15:50,090 --> 00:15:46,980

big the uh the Navajo Nation is actually

344

00:15:51,949 --> 00:15:50,100

I mean I guess most of it is actually in

345

00:15:54,829 --> 00:15:51,959

Arizona but

346

00:15:57,050 --> 00:15:54,839

um it's a huge it's a huge reservation I

347

00:16:00,650 --> 00:15:57,060

mean it's it's

348

00:16:03,110 --> 00:16:00,660

you know it's huge it's it's a lot a lot

349

00:16:05,389 --> 00:16:03,120

of area to

350

00:16:07,129 --> 00:16:05,399

um go looking you know if you want to

351

00:16:08,569 --> 00:16:07,139

investigate you know and not only in

352

00:16:10,790 --> 00:16:08,579

Bigfoot but you're not different other

353

00:16:14,090 --> 00:16:10,800

creatures that's roaming around in those

354

00:16:16,910 --> 00:16:14,100

areas there's huge huge area you know it

355

00:16:19,670 --> 00:16:16,920

would take a lot of time to

356

00:16:23,269 --> 00:16:19,680

to check out those areas out that way in

357

00:16:26,210 --> 00:16:23,279

Arizona because there's just so rugged

358

00:16:26,990 --> 00:16:26,220

areas you know to get into you know you

359

00:16:28,910 --> 00:16:27,000

can't

360

00:16:30,889 --> 00:16:28,920

maybe you can get in there uh you can

361

00:16:31,730 --> 00:16:30,899

get in there through um or riding a

362

00:16:34,189 --> 00:16:31,740

horse

363

00:16:37,610 --> 00:16:34,199

but a lot of it would be do a lot of

364

00:16:42,350 --> 00:16:39,829

now you mentioned the chupacabra what

365

00:16:43,850 --> 00:16:42,360

what was that all about

366

00:16:45,230 --> 00:16:43,860

um that was

367

00:16:49,670 --> 00:16:45,240

um

368

00:16:52,129 --> 00:16:49,680

back in 2009 or 2010

369

00:16:54,290 --> 00:16:52,139

and let me see here maybe the latter

370

00:16:56,629 --> 00:16:54,300

part of 2009

371

00:16:57,889 --> 00:16:56,639

as um when

372

00:17:00,889 --> 00:16:57,899

um

373

00:17:04,010 --> 00:17:00,899

I had to gotten a call you know from the

374

00:17:07,370 --> 00:17:04,020

chapter house here I had two grandmas

375

00:17:09,530 --> 00:17:07,380

that were asking for me and crying and

376

00:17:12,470 --> 00:17:09,540

stuff and wanting me to come to their

377

00:17:14,929 --> 00:17:12,480

home because they had lost some sheep

378

00:17:17,630 --> 00:17:14,939

and when I get there they're all you

379

00:17:20,210 --> 00:17:17,640

know in tears like I said and they told

380

00:17:21,650 --> 00:17:20,220

me that well they're what they were

381

00:17:25,909 --> 00:17:21,660

thinking what killed her sheep was a

382

00:17:27,470 --> 00:17:25,919

Bigfoot right and so when I went back to

383

00:17:29,750 --> 00:17:27,480

their home they showed me what had

384

00:17:32,090 --> 00:17:29,760

happened and they showed me pictures of

385

00:17:34,370 --> 00:17:32,100

what happened to their sheep when what I

386

00:17:38,690 --> 00:17:34,380

Came Upon was um

387

00:17:40,970 --> 00:17:38,700

like a punctured hole in the neck a slit

388

00:17:43,850 --> 00:17:40,980

you know like a surgical slate me about

389

00:17:46,610 --> 00:17:43,860

you know so small I bought that small

390

00:17:49,490 --> 00:17:46,620

on the side and

391

00:17:51,230 --> 00:17:49,500

it's crazy just that little slit there a

392

00:17:54,230 --> 00:17:51,240

lot of their insides was hanging out

393

00:17:56,870 --> 00:17:54,240

none of that was touched at all

394

00:17:59,029 --> 00:17:56,880

uh all the blood was sucked out

395

00:18:01,190 --> 00:17:59,039

and usually right

396

00:18:02,990 --> 00:18:01,200

a Bigfoot usually doesn't do that you

397

00:18:05,270 --> 00:18:03,000

know this is something else you know and

398

00:18:08,210 --> 00:18:05,280

all the blood was sucked out

399

00:18:10,370 --> 00:18:08,220

and I usually want a Bigfoot kills uh

400

00:18:12,110 --> 00:18:10,380

the Sheep like that they usually just

401  
00:18:14,590 --> 00:18:12,120  
rip right into it and kind of shred it

402  
00:18:17,029 --> 00:18:14,600  
up you know uh just

403  
00:18:18,710 --> 00:18:17,039  
break their legs and all of that you

404  
00:18:20,570 --> 00:18:18,720  
know and then kind of tear it to pieces

405  
00:18:21,770 --> 00:18:20,580  
you know but this one was totally

406  
00:18:24,650 --> 00:18:21,780  
different

407  
00:18:29,210 --> 00:18:24,660  
um when I walked around the family's

408  
00:18:31,190 --> 00:18:29,220  
home I didn't find no big Bigfoot print

409  
00:18:34,570 --> 00:18:31,200  
I found a lot of

410  
00:18:36,669 --> 00:18:34,580  
um scratches on the Corral

411  
00:18:39,770 --> 00:18:36,679  
in whatever

412  
00:18:42,289 --> 00:18:39,780  
uh did that what kind of thing is that

413  
00:18:44,870 --> 00:18:42,299

it was a chupacabra but

414

00:18:47,990 --> 00:18:44,880

I don't know if it was it was it's got

415

00:18:51,110 --> 00:18:48,000

to be a huge chupacabra

416

00:18:52,850 --> 00:18:51,120

um that um so I had to tell you know

417

00:18:54,350 --> 00:18:52,860

because the grandma you know they were

418

00:18:55,549 --> 00:18:54,360

asking can you please can you just kill

419

00:18:57,070 --> 00:18:55,559

it you know they're asking me to kill

420

00:18:59,029 --> 00:18:57,080

bigfoot because of killing their

421

00:19:01,789 --> 00:18:59,039

livestock and

422

00:19:04,549 --> 00:19:01,799

and you know you know what do I say you

423

00:19:06,770 --> 00:19:04,559

know you know so I told her you know

424

00:19:10,070 --> 00:19:06,780

let's get some light up and I'll put

425

00:19:12,950 --> 00:19:10,080

some cameras up and I'll keep checking

426

00:19:15,289 --> 00:19:12,960

and I said I don't think this is a pick

427

00:19:18,230 --> 00:19:15,299

but this is something else that is

428

00:19:21,890 --> 00:19:18,240

killing um a lot of your sheep

429

00:19:24,890 --> 00:19:21,900

so the following week

430

00:19:27,529 --> 00:19:24,900

I had one of our church members came up

431

00:19:29,630 --> 00:19:27,539

to me and asked me to come to their home

432

00:19:33,230 --> 00:19:29,640

and I have something to show you I

433

00:19:36,110 --> 00:19:33,240

really need you to come over I said okay

434

00:19:38,150 --> 00:19:36,120

so um I believe it was my brother and I

435

00:19:39,169 --> 00:19:38,160

after church we went headed over to her

436

00:19:42,770 --> 00:19:39,179

home

437

00:19:45,529 --> 00:19:42,780

and she showed me they had a ram that

438

00:19:48,610 --> 00:19:45,539

weighed anywhere I believe three to four

439

00:19:51,890 --> 00:19:48,620

hundred pound Ram it's a huge RAM

440

00:19:54,770 --> 00:19:51,900

and um they had took me to the Corral

441

00:19:56,990 --> 00:19:54,780

and the same thing

442

00:19:58,549 --> 00:19:57,000

um punctured hole in the neck all the

443

00:20:01,250 --> 00:19:58,559

blood was sucked out and that little

444

00:20:03,470 --> 00:20:01,260

surgical slit on the side of them where

445

00:20:05,750 --> 00:20:03,480

all the insides was hanging out

446

00:20:07,250 --> 00:20:05,760

and none of that was touched you know

447

00:20:08,210 --> 00:20:07,260

all it did was suck the blood out of

448

00:20:11,930 --> 00:20:08,220

them

449

00:20:13,970 --> 00:20:11,940

and so she had 15 sheep

450

00:20:16,130 --> 00:20:13,980

in

451  
00:20:18,289 --> 00:20:16,140  
and see when I went over there she had

452  
00:20:20,210 --> 00:20:18,299  
showed me I didn't get to see that the

453  
00:20:22,909 --> 00:20:20,220  
ram itself but they did show me a

454  
00:20:25,430 --> 00:20:22,919  
picture of this Ram

455  
00:20:27,049 --> 00:20:25,440  
and what it did to this rim and the

456  
00:20:29,510 --> 00:20:27,059  
other sheet that they had in the Krell

457  
00:20:31,669 --> 00:20:29,520  
the legs you know you could see where

458  
00:20:34,490 --> 00:20:31,679  
this thing like just ripped off the uh

459  
00:20:37,490 --> 00:20:34,500  
the wool the skin

460  
00:20:40,909 --> 00:20:37,500  
um off their leg and a lot of the sheep

461  
00:20:42,830 --> 00:20:40,919  
that uh there was oh maybe I believed

462  
00:20:46,130 --> 00:20:42,840  
six or eight of them that were still

463  
00:20:48,529 --> 00:20:46,140

alive but they were badly badly injured

464

00:20:49,549 --> 00:20:48,539

and so

465

00:20:51,830 --> 00:20:49,559

um

466

00:20:54,470 --> 00:20:51,840

someone running around soon they had bad

467

00:20:56,990 --> 00:20:54,480

wounds and with really deep bad cuts and

468

00:20:58,130 --> 00:20:57,000

all and so they showed me the picture of

469

00:21:00,770 --> 00:20:58,140

this Ram

470

00:21:02,990 --> 00:21:00,780

like I said it weighed between three to

471

00:21:05,690 --> 00:21:03,000

four hundred pounds and whatever they

472

00:21:08,450 --> 00:21:05,700

said that it it drugged the Lamb by the

473

00:21:10,549 --> 00:21:08,460

back legs drug it out of the Corral and

474

00:21:12,710 --> 00:21:10,559

it looked like it sat on top on top of

475

00:21:17,810 --> 00:21:12,720

the ram

476  
00:21:18,470 --> 00:21:17,820  
and shoved its head down into the ground

477  
00:21:20,810 --> 00:21:18,480  
um

478  
00:21:24,049 --> 00:21:20,820  
really like that I mean just shoved it

479  
00:21:25,549 --> 00:21:24,059  
in a gallon and same thing in a wound on

480  
00:21:28,010 --> 00:21:25,559  
the neck all the blood was sucked out

481  
00:21:29,870 --> 00:21:28,020  
there's a cut on the side all the

482  
00:21:31,490 --> 00:21:29,880  
stuff's hanging out again

483  
00:21:34,070 --> 00:21:31,500  
and so that when they showed me that

484  
00:21:37,669 --> 00:21:34,080  
picture I was like oh man

485  
00:21:40,789 --> 00:21:37,679  
and so they had a hauled office he won

486  
00:21:43,490 --> 00:21:40,799  
two that night three

487  
00:21:47,570 --> 00:21:45,770  
the dog was killed that night that was

488  
00:21:50,210 --> 00:21:47,580

in one night so four animals were killed

489

00:21:51,830 --> 00:21:50,220

and so later on that afternoon after

490

00:21:55,010 --> 00:21:51,840

they showed me the pictures and stuff

491

00:21:55,970 --> 00:21:55,020

and they did take me to where

492

00:21:58,730 --> 00:21:55,980

um

493

00:22:00,230 --> 00:21:58,740

they had all that Rama

494

00:22:02,870 --> 00:22:00,240

um so they took me to and I took

495

00:22:05,270 --> 00:22:02,880

pictures of it and what I found the very

496

00:22:07,909 --> 00:22:05,280

strange on that um

497

00:22:09,590 --> 00:22:07,919

the ram

498

00:22:11,390 --> 00:22:09,600

is

499

00:22:14,210 --> 00:22:11,400

when I looked at the face of the ram

500

00:22:16,010 --> 00:22:14,220

there was so much dirt shoved into its

501  
00:22:17,750 --> 00:22:16,020  
nose like inside all the way up into his

502  
00:22:20,390 --> 00:22:17,760  
nostrils about halfway and then dirt in

503  
00:22:23,029 --> 00:22:20,400  
its mouth there was dirt in the eyes and

504  
00:22:25,549 --> 00:22:23,039  
like I said like it shoved its head down

505  
00:22:30,590 --> 00:22:25,559  
into the ground pretty hard

506  
00:22:32,470 --> 00:22:30,600  
and not only that but on the side where

507  
00:22:35,810 --> 00:22:32,480  
um

508  
00:22:38,450 --> 00:22:35,820  
what it looked like was you know your

509  
00:22:43,010 --> 00:22:38,460  
your nail okay so you got this if I had

510  
00:22:45,950 --> 00:22:43,020  
longer Nails here so it like ripped the

511  
00:22:48,710 --> 00:22:45,960  
skin off the side of the ram but it left

512  
00:22:51,470 --> 00:22:48,720  
an imprint of the nail and the outside

513  
00:22:52,909 --> 00:22:51,480

of the hand now on the eight uh see on

514

00:22:56,390 --> 00:22:52,919

the the

515

00:22:58,789 --> 00:22:56,400

oh like an imprint that was literally

516

00:23:00,710 --> 00:22:58,799

it's almost like it was branded onto

517

00:23:01,789 --> 00:23:00,720

that sheep and the skin was like pulled

518

00:23:03,529 --> 00:23:01,799

off

519

00:23:06,230 --> 00:23:03,539

on the edge it looked like little burn

520

00:23:08,570 --> 00:23:06,240

marks and left like a perfect fur Mario

521

00:23:11,450 --> 00:23:08,580

like at the edge of the um your hand and

522

00:23:14,770 --> 00:23:11,460

you could you could see that nail

523

00:23:18,350 --> 00:23:14,780

you and I'm like wow that that

524

00:23:19,250 --> 00:23:18,360

looks kind of I never seen anything like

525

00:23:22,789 --> 00:23:19,260

that

526

00:23:25,970 --> 00:23:22,799

and I'm like oh you know what is this

527

00:23:28,310 --> 00:23:25,980

okay so that had happened so

528

00:23:30,409 --> 00:23:28,320

it didn't come back from admin you know

529

00:23:32,210 --> 00:23:30,419

checking throughout the month you know a

530

00:23:34,549 --> 00:23:32,220

couple months well about two months ago

531

00:23:36,770 --> 00:23:34,559

was buying and she called me and she

532

00:23:37,730 --> 00:23:36,780

goes well

533

00:23:39,770 --> 00:23:37,740

um

534

00:23:41,810 --> 00:23:39,780

well after that that first incident with

535

00:23:44,090 --> 00:23:41,820

the three that died the three sheep and

536

00:23:46,430 --> 00:23:44,100

the RAM and it's a dog so that was for

537

00:23:49,430 --> 00:23:46,440

that died that that month

538

00:23:51,110 --> 00:23:49,440

okay and after I did my little um

539

00:23:53,090 --> 00:23:51,120

checking into it and checking all the

540

00:23:55,909 --> 00:23:53,100

other sheep and all

541

00:23:57,529 --> 00:23:55,919

um the ones that were badly injured they

542

00:24:00,470 --> 00:23:57,539

put all of those down and so she was

543

00:24:02,750 --> 00:24:00,480

left with only one one uh one sheep out

544

00:24:07,190 --> 00:24:02,760

of 15 that she had

545

00:24:10,630 --> 00:24:07,200

so the family that lives next to her

546

00:24:14,450 --> 00:24:10,640

two months goes by

547

00:24:16,789 --> 00:24:14,460

in in one I see her the family that

548

00:24:21,169 --> 00:24:16,799

lives across from them on the east side

549

00:24:22,490 --> 00:24:21,179

of them lost 25 sheep in one night to

550

00:24:24,710 --> 00:24:22,500

the same thing

551  
00:24:27,070 --> 00:24:24,720  
one night 25 sheep

552  
00:24:29,390 --> 00:24:27,080  
that wouldn't happen to be the Hogback

553  
00:24:32,510 --> 00:24:29,400  
isn't it would it

554  
00:24:36,289 --> 00:24:32,520  
though this is another one though I know

555  
00:24:37,610 --> 00:24:36,299  
I know I know JC did that one right this

556  
00:24:42,049 --> 00:24:37,620  
is another one that I'm talking about

557  
00:24:43,610 --> 00:24:42,059  
here okay so this one did uh 25 and I

558  
00:24:48,710 --> 00:24:43,620  
think the one you're talking about was

559  
00:24:50,810 --> 00:24:48,720  
30 or 35 sheep that was killed yeah

560  
00:24:53,870 --> 00:24:50,820  
so this one that I'm talking about was

561  
00:24:56,330 --> 00:24:53,880  
25 and they live right next door to the

562  
00:24:57,710 --> 00:24:56,340  
to the lady that I know uh same thing

563  
00:25:01,669 --> 00:24:57,720

happened to them

564

00:25:04,669 --> 00:25:01,679

and the following year or that later on

565

00:25:07,070 --> 00:25:04,679

another month goes by not another

566

00:25:10,010 --> 00:25:07,080

same thing was done to another family

567

00:25:13,130 --> 00:25:10,020

yeah I would say maybe a year or a

568

00:25:16,430 --> 00:25:13,140

couple let's see no I take that back

569

00:25:18,070 --> 00:25:16,440

it's been what Falls maybe eight years

570

00:25:21,529 --> 00:25:18,080

now

571

00:25:24,169 --> 00:25:21,539

that um is whatever this thing is it

572

00:25:26,630 --> 00:25:24,179

came back you know it did the same thing

573

00:25:30,350 --> 00:25:26,640

again but in the Shiprock area

574

00:25:32,210 --> 00:25:30,360

mm-hmm and um you know people are like

575

00:25:33,830 --> 00:25:32,220

what what is this you know what what the

576

00:25:36,169 --> 00:25:33,840

heck's going on

577

00:25:38,090 --> 00:25:36,179

you know it wasn't not just that family

578

00:25:39,590 --> 00:25:38,100

but there were several other family the

579

00:25:42,529 --> 00:25:39,600

same thing happened

580

00:25:44,450 --> 00:25:42,539

and so you know I don't you know same

581

00:25:46,310 --> 00:25:44,460

thing get get some light up and and

582

00:25:47,990 --> 00:25:46,320

let's see you know what we can pick up

583

00:25:50,029 --> 00:25:48,000

on camera and stuff like that and you

584

00:25:51,890 --> 00:25:50,039

know I never came back around hasn't

585

00:25:54,610 --> 00:25:51,900

come back around that that then not that

586

00:25:59,149 --> 00:25:54,620

I know of since then

587

00:26:02,830 --> 00:25:59,159

I um I remember when this the the

588

00:26:06,590 --> 00:26:02,840

Hogback that was back in March of 2010

589

00:26:08,769 --> 00:26:06,600

and uh JC had told me he he counted 24

590

00:26:10,850 --> 00:26:08,779

sheep for mutilated

591

00:26:14,330 --> 00:26:10,860

and um

592

00:26:15,529 --> 00:26:14,340

he he said that the um the livestock

593

00:26:18,710 --> 00:26:15,539

owner

594

00:26:21,649 --> 00:26:18,720

said that there were large Talent marks

595

00:26:22,610 --> 00:26:21,659

but very little blood no evisceration at

596

00:26:25,490 --> 00:26:22,620

all

597

00:26:28,370 --> 00:26:25,500

and uh you know

598

00:26:30,890 --> 00:26:28,380

I I don't know how long that

599

00:26:33,890 --> 00:26:30,900

that Jeezy looked into it but his

600

00:26:39,049 --> 00:26:33,900

thoughts to me were that it may actually

601  
00:26:42,470 --> 00:26:40,970  
now I don't I don't know what kind of

602  
00:26:44,510 --> 00:26:42,480  
evidence that's what I think you know

603  
00:26:47,630 --> 00:26:44,520  
and that's right for the family

604  
00:26:50,210 --> 00:26:47,640  
yeah the only kind of footprint that I

605  
00:26:53,029 --> 00:26:50,220  
found was

606  
00:26:54,110 --> 00:26:53,039  
um kind of looked like a horse's hoof

607  
00:26:55,430 --> 00:26:54,120  
okay

608  
00:26:57,649 --> 00:26:55,440  
um

609  
00:27:02,750 --> 00:26:57,659  
that was the only thing that I could

610  
00:27:06,470 --> 00:27:02,760  
find but now probably about so

611  
00:27:08,990 --> 00:27:06,480  
maybe 600 yards

612  
00:27:11,810 --> 00:27:09,000  
from the one that I was looking at way

613  
00:27:15,710 --> 00:27:11,820

more back into the tree lines that I did

614

00:27:18,289 --> 00:27:15,720

find a a Bigfoot footprint that way

615

00:27:20,810 --> 00:27:18,299

but more around the Corel of the family

616

00:27:22,549 --> 00:27:20,820

where they lost the Sheep the print that

617

00:27:24,049 --> 00:27:22,559

I found was more like almost like a

618

00:27:28,669 --> 00:27:24,059

horse's hoof

619

00:27:33,230 --> 00:27:28,679

and d uh scratches on the around the

620

00:27:35,330 --> 00:27:34,250

yeah

621

00:27:38,090 --> 00:27:35,340

um

622

00:27:40,190 --> 00:27:38,100

folks if you uh go to the if you go to

623

00:27:41,570 --> 00:27:40,200

families of monsters.com on the right

624

00:27:44,630 --> 00:27:41,580

hand column

625

00:27:47,870 --> 00:27:44,640

I've got a uh a link there to some of

626

00:27:50,930 --> 00:27:47,880

JC's investigations that I reported on

627

00:27:53,630 --> 00:27:50,940

and uh I've got I've got photographs of

628

00:27:55,430 --> 00:27:53,640

the sheep mutilation mystery over at

629

00:27:57,830 --> 00:27:55,440

Hogback so uh

630

00:28:01,010 --> 00:27:57,840

you want to check that out it it's it's

631

00:28:03,230 --> 00:28:01,020

very similar to what you described these

632

00:28:04,730 --> 00:28:03,240

uh these sheep just I mean it just looks

633

00:28:06,409 --> 00:28:04,740

like something went in there and just

634

00:28:09,730 --> 00:28:06,419

sucked the blood right out of every one

635

00:28:13,190 --> 00:28:09,740

of them it's uh it's very eerie

636

00:28:14,510 --> 00:28:13,200

but he did mention me that he did you

637

00:28:16,010 --> 00:28:14,520

know for that's the first thing he

638

00:28:17,870 --> 00:28:16,020

thought for at first of all maybe a

639

00:28:21,289 --> 00:28:17,880

Bigfoot was coming in there

640

00:28:23,870 --> 00:28:21,299

but then he he said whatever it was had

641

00:28:26,990 --> 00:28:23,880

to have been dropped in there like a

642

00:28:28,850 --> 00:28:27,000

bird or you know and uh he he just

643

00:28:30,830 --> 00:28:28,860

couldn't understand what it was and I

644

00:28:34,549 --> 00:28:30,840

don't think he really did come up with

645

00:28:36,950 --> 00:28:34,559

much of an answer no

646

00:28:40,010 --> 00:28:36,960

interesting

647

00:28:42,529 --> 00:28:40,020

now you did mention of um

648

00:28:45,649 --> 00:28:42,539

of canines upright canines and possibly

649

00:28:48,909 --> 00:28:45,659

dog man and and what what type of cases

650

00:28:52,549 --> 00:28:48,919

have you worked on or had been aware of

651  
00:28:56,450 --> 00:28:52,559  
involving that just uh what I've been

652  
00:28:59,810 --> 00:28:56,460  
aware of is up there towards uh

653  
00:29:01,870 --> 00:28:59,820  
oh what do you call that nappy area or

654  
00:29:03,769 --> 00:29:01,880  
they have the old

655  
00:29:05,810 --> 00:29:03,779  
agriculture place up there where they

656  
00:29:08,750 --> 00:29:05,820  
you know plant a lot of um

657  
00:29:10,789 --> 00:29:08,760  
uh corn and stuff up that way

658  
00:29:12,649 --> 00:29:10,799  
um there's been a lot of sightings of a

659  
00:29:15,590 --> 00:29:12,659  
huge what they call a dog man that's

660  
00:29:17,870 --> 00:29:15,600  
been running across the road

661  
00:29:20,510 --> 00:29:17,880  
um there and um

662  
00:29:22,190 --> 00:29:20,520  
I believe also on the hot back area I

663  
00:29:25,490 --> 00:29:22,200

went and uh

664

00:29:26,630 --> 00:29:25,500

was uh checking a family some boy big

665

00:29:28,250 --> 00:29:26,640

but they've been having a lot of big

666

00:29:31,149 --> 00:29:28,260

activity

667

00:29:34,070 --> 00:29:31,159

uh back in

668

00:29:37,130 --> 00:29:34,080

2011 I think it was

669

00:29:39,289 --> 00:29:37,140

between 10 and 11 I think um

670

00:29:41,690 --> 00:29:39,299

I went down towards the river at the end

671

00:29:43,370 --> 00:29:41,700

of the field to go to you know see what

672

00:29:45,649 --> 00:29:43,380

kind of like if I need to prints or any

673

00:29:49,909 --> 00:29:45,659

stuff you know it's just stuff like that

674

00:29:51,710 --> 00:29:49,919

and across the river there's a lot of um

675

00:29:52,970 --> 00:29:51,720

foliage you know really thick brushes

676  
00:29:55,370 --> 00:29:52,980  
and stuff

677  
00:29:58,549 --> 00:29:55,380  
excuse me and um

678  
00:30:00,590 --> 00:29:58,559  
I had seen some something move you know

679  
00:30:02,630 --> 00:30:00,600  
and

680  
00:30:04,430 --> 00:30:02,640  
I'm like what is that so I started

681  
00:30:06,889 --> 00:30:04,440  
taking pictures and stuff and so when I

682  
00:30:08,330 --> 00:30:06,899  
got home I uh was looking at the

683  
00:30:09,769 --> 00:30:08,340  
pictures and then these pictures it

684  
00:30:11,870 --> 00:30:09,779  
looks like um

685  
00:30:13,730 --> 00:30:11,880  
but there's something with red eyes in

686  
00:30:17,990 --> 00:30:13,740  
there and you can see teeth

687  
00:30:20,630 --> 00:30:18,000  
in the head uh it looks like a dog it

688  
00:30:24,230 --> 00:30:20,640

really does it's pretty big there was

689

00:30:25,909 --> 00:30:24,240

three images that came up like that and

690

00:30:27,529 --> 00:30:25,919

um he said there have been some

691

00:30:29,210 --> 00:30:27,539

sightings of uh what they what you're

692

00:30:31,549 --> 00:30:29,220

calling a dog man that's running around

693

00:30:34,970 --> 00:30:31,559

out that way as well

694

00:30:37,130 --> 00:30:34,980

um but not so much as dogmen but more of

695

00:30:39,649 --> 00:30:37,140

Bigfoot it seems to

696

00:30:42,289 --> 00:30:39,659

the dogmen in that area seems like it

697

00:30:43,850 --> 00:30:42,299

has kind of faded out

698

00:30:45,289 --> 00:30:43,860

um probably because of the Bigfoot

699

00:30:47,210 --> 00:30:45,299

that's hanging around there to kind of

700

00:30:49,250 --> 00:30:47,220

push them out that's what I'm kind of

701  
00:30:50,870 --> 00:30:49,260  
assuming so because I haven't heard any

702  
00:30:54,769 --> 00:30:50,880  
more about that one

703  
00:31:01,310 --> 00:30:56,330  
um

704  
00:31:04,970 --> 00:31:01,320  
I haven't heard of a whole lot about

705  
00:31:06,950 --> 00:31:04,980  
uh cryptic canines as well I um

706  
00:31:08,870 --> 00:31:06,960  
you know I know Jason would kind of

707  
00:31:10,250 --> 00:31:08,880  
bring it up once in a while but he

708  
00:31:11,750 --> 00:31:10,260  
really didn't mention a whole lot about

709  
00:31:14,269 --> 00:31:11,760  
it

710  
00:31:16,250 --> 00:31:14,279  
um now I know that the uh the Navajo

711  
00:31:19,370 --> 00:31:16,260  
Rangers had

712  
00:31:22,269 --> 00:31:19,380  
had some had had a situation and I think

713  
00:31:25,130 --> 00:31:22,279

it did a TV show about it as well

714

00:31:28,130 --> 00:31:25,140

about something in the caves the red

715

00:31:30,889 --> 00:31:28,140

eyes looking out and such I I know you

716

00:31:34,010 --> 00:31:30,899

did several TV shows um can you kind of

717

00:31:37,490 --> 00:31:34,020

tell me a bit about what those um you

718

00:31:41,870 --> 00:31:37,500

know what you uh described on on the

719

00:31:47,029 --> 00:31:44,389

um well the Finding Bigfoot is the one

720

00:31:50,269 --> 00:31:47,039

that we come across some uh small

721

00:31:52,029 --> 00:31:50,279

Footprints uh along the river there a

722

00:31:55,909 --> 00:31:52,039

lot of um

723

00:31:58,669 --> 00:31:55,919

Bigfoot activity in that area it happens

724

00:32:00,710 --> 00:31:58,679

to be in the area where I live a lot of

725

00:32:03,889 --> 00:32:00,720

river crossing

726

00:32:08,149 --> 00:32:03,899

um people hearing it yelling

727

00:32:10,669 --> 00:32:08,159

um also walking into the people's feels

728

00:32:13,010 --> 00:32:10,679

um the same thing out there in the

729

00:32:13,610 --> 00:32:13,020

hallback area

730

00:32:16,310 --> 00:32:13,620

um

731

00:32:19,310 --> 00:32:16,320

yeah just Roman roaming around the those

732

00:32:21,529 --> 00:32:19,320

areas and um if you're not careful you

733

00:32:23,810 --> 00:32:21,539

know they'll sometimes they'll walk out

734

00:32:25,490 --> 00:32:23,820

in front of you but not very close you

735

00:32:27,470 --> 00:32:25,500

know enough forward to where you can see

736

00:32:31,549 --> 00:32:27,480

it

737

00:32:35,570 --> 00:32:31,559

along the river

738

00:32:37,909 --> 00:32:35,580

know I always just you know thought that

739

00:32:39,110 --> 00:32:37,919

they would always go back up into the

740

00:32:41,090 --> 00:32:39,120

mountain I'm like why are they hanging

741

00:32:43,610 --> 00:32:41,100

around at the river what's listen we

742

00:32:45,830 --> 00:32:43,620

used to get a lot of uh deer

743

00:32:47,630 --> 00:32:45,840

that would come around but ever since

744

00:32:50,570 --> 00:32:47,640

these things have come in and we have to

745

00:32:52,970 --> 00:32:50,580

we don't see Deer uh around at all

746

00:32:54,470 --> 00:32:52,980

and if we do they're usually dead you

747

00:32:56,149 --> 00:32:54,480

know they've been eating and stuff

748

00:32:58,970 --> 00:32:56,159

ripped up

749

00:33:01,250 --> 00:32:58,980

and so that that's one

750

00:33:04,010 --> 00:33:01,260

um Finding Bigfoot the second time that

751  
00:33:05,690 --> 00:33:04,020  
we were all on I was my son when he

752  
00:33:07,130 --> 00:33:05,700  
actually

753  
00:33:11,990 --> 00:33:07,140  
um

754  
00:33:12,710 --> 00:33:12,000  
I'll tell you a story on that one real

755  
00:33:13,970 --> 00:33:12,720  
quick

756  
00:33:15,889 --> 00:33:13,980  
so

757  
00:33:17,330 --> 00:33:15,899  
you know there's a you know a lot of

758  
00:33:24,110 --> 00:33:17,340  
people

759  
00:33:25,430 --> 00:33:24,120  
this and that they're not real and you

760  
00:33:27,470 --> 00:33:25,440  
know it doesn't have to be just Bigfoot

761  
00:33:29,570 --> 00:33:27,480  
it could be any kind of cryptic thing

762  
00:33:31,210 --> 00:33:29,580  
that's out there oh you guys are lying

763  
00:33:37,130 --> 00:33:31,220

to making all of this up

764

00:33:39,710 --> 00:33:37,140

well my sister uh my niece her husband

765

00:33:42,769 --> 00:33:39,720

uh was making fun of us you know saying

766

00:33:45,289 --> 00:33:42,779

all kinds of stuff so one night they

767

00:33:47,870 --> 00:33:45,299

they showed up at our home here

768

00:33:50,029 --> 00:33:47,880

and he had brought along to to young

769

00:33:51,230 --> 00:33:50,039

guys and so they all had their shotguns

770

00:33:54,649 --> 00:33:51,240

with them

771

00:33:59,269 --> 00:33:57,110

so they're like it was probably about

772

00:34:01,850 --> 00:33:59,279

what nine

773

00:34:04,070 --> 00:34:01,860

nine o'clock I think it was nine or ten

774

00:34:06,110 --> 00:34:04,080

o'clock that they showed up here

775

00:34:10,550 --> 00:34:06,120

and

776

00:34:11,810 --> 00:34:10,560

uh can you take us down there you know I

777

00:34:14,210 --> 00:34:11,820

don't think you guys are just making

778

00:34:17,750 --> 00:34:14,220

this there's no Bigfoot down there

779

00:34:19,849 --> 00:34:17,760

so like okay and so I didn't go down

780

00:34:22,909 --> 00:34:19,859

there but I told my son I said take him

781

00:34:25,430 --> 00:34:22,919

down there and take him to on the the

782

00:34:27,169 --> 00:34:25,440

right side and take him into the field

783

00:34:28,849 --> 00:34:27,179

that's very dark

784

00:34:31,369 --> 00:34:28,859

I want you to take him there and don't

785

00:34:33,950 --> 00:34:31,379

shine your flashlight every once in a

786

00:34:36,169 --> 00:34:33,960

while to shine it

787

00:34:38,329 --> 00:34:36,179

so okay they're all laughing and

788

00:34:41,149 --> 00:34:38,339

giggling right making fun and now if

789

00:34:43,310 --> 00:34:41,159

they win now from where I live what

790

00:34:45,649 --> 00:34:43,320

probably about maybe less than a quarter

791

00:34:47,030 --> 00:34:45,659

mile to the river so be on the north

792

00:34:49,550 --> 00:34:47,040

side of our home

793

00:34:51,829 --> 00:34:49,560

so they take off to the backfield my son

794

00:34:54,109 --> 00:34:51,839

starts taking them back there

795

00:34:55,970 --> 00:34:54,119

once they I probably took him about

796

00:34:58,250 --> 00:34:55,980

maybe 20

797

00:35:00,710 --> 00:34:58,260

20 minutes to get to the end of the

798

00:35:02,810 --> 00:35:00,720

field way down in there about 25 about

799

00:35:04,370 --> 00:35:02,820

30 minutes for any total

800

00:35:07,010 --> 00:35:04,380

and all of a sudden they start hearing

801  
00:35:09,470 --> 00:35:07,020  
something you know I think it was a yell

802  
00:35:11,630 --> 00:35:09,480  
a slight Yale and so the guy's kind of

803  
00:35:14,450 --> 00:35:11,640  
like whoa what was that you know

804  
00:35:15,770 --> 00:35:14,460  
so he crosses onto another field heading

805  
00:35:18,230 --> 00:35:15,780  
west

806  
00:35:21,470 --> 00:35:18,240  
and so they finally get into this area

807  
00:35:24,530 --> 00:35:21,480  
so he tells the guys okay

808  
00:35:26,750 --> 00:35:24,540  
we're going to set up make our bags to

809  
00:35:29,150 --> 00:35:26,760  
the street so you guys sit one to the

810  
00:35:32,089 --> 00:35:29,160  
west east north to south

811  
00:35:34,550 --> 00:35:32,099  
okay so they're all sitting tree right

812  
00:35:37,250 --> 00:35:34,560  
behind so they'll like circled with

813  
00:35:40,250 --> 00:35:37,260

their bags on the tree

814

00:35:42,890 --> 00:35:40,260

and so they sat there for probably I

815

00:35:44,870 --> 00:35:42,900

think he's about oh

816

00:35:47,150 --> 00:35:44,880

must have been about hour and a half to

817

00:35:50,930 --> 00:35:47,160

almost two hours

818

00:35:53,210 --> 00:35:50,940

and they started hearing stuff

819

00:35:54,770 --> 00:35:53,220

and so the guys were kind of like

820

00:35:55,849 --> 00:35:54,780

getting kind of like what is that you

821

00:35:57,290 --> 00:35:55,859

know

822

00:36:05,089 --> 00:35:57,300

so

823

00:36:07,010 --> 00:36:05,099

maybe 20 20 yards in front of him

824

00:36:09,170 --> 00:36:07,020

there's some Bush here

825

00:36:11,270 --> 00:36:09,180

all of a sudden they hear something so

826

00:36:12,890 --> 00:36:11,280

they're like what is that so my son he

827

00:36:15,230 --> 00:36:12,900

didn't Flash the light real quick and

828

00:36:18,050 --> 00:36:15,240

they got eyes shining and whatever that

829

00:36:20,390 --> 00:36:18,060

thing was it was on all fours and it was

830

00:36:23,690 --> 00:36:20,400

crawling right towards them

831

00:36:26,450 --> 00:36:23,700

and they he jumped up and the guys

832

00:36:29,690 --> 00:36:26,460

jumped like what the what is that oh

833

00:36:31,910 --> 00:36:29,700

they got scared I don't mean that I bet

834

00:36:32,930 --> 00:36:31,920

that terrorizing because it was just

835

00:36:35,569 --> 00:36:32,940

right there

836

00:36:37,190 --> 00:36:35,579

so when they all jumped up and this

837

00:36:39,470 --> 00:36:37,200

thing stood up

838

00:36:43,370 --> 00:36:39,480

they all like looked and it took off

839

00:36:46,910 --> 00:36:43,380

back to the way that they all came in

840

00:36:48,230 --> 00:36:46,920

so the guys didn't know what to do they

841

00:36:50,690 --> 00:36:48,240

all freaked out

842

00:36:53,390 --> 00:36:50,700

um my son didn't but the the three guys

843

00:36:55,609 --> 00:36:53,400

that were all making fun and you know

844

00:36:57,589 --> 00:36:55,619

saying all kinds of stuff well

845

00:36:59,390 --> 00:36:57,599

you know they just experienced something

846

00:37:01,609 --> 00:36:59,400

you know and

847

00:37:03,650 --> 00:37:01,619

when they came back to the house which

848

00:37:05,569 --> 00:37:03,660

was probably around one o'clock in the

849

00:37:07,490 --> 00:37:05,579

morning

850

00:37:09,050 --> 00:37:07,500

okay like I said when they first got to

851  
00:37:11,150 --> 00:37:09,060  
our home they're all laughing and joking

852  
00:37:14,930 --> 00:37:11,160  
right so when they want to come back to

853  
00:37:18,230 --> 00:37:14,940  
my house guess what they were quiet and

854  
00:37:22,030 --> 00:37:18,240  
they didn't know what to say their eyes

855  
00:37:24,050 --> 00:37:22,040  
were so big they were like

856  
00:37:25,790 --> 00:37:24,060  
something's out there that shouldn't be

857  
00:37:29,030 --> 00:37:25,800  
there I don't know what the heck that

858  
00:37:31,190 --> 00:37:29,040  
was so before they came out of there my

859  
00:37:34,130 --> 00:37:31,200  
son tells them and they're like okay we

860  
00:37:36,770 --> 00:37:34,140  
got to go go I start heading out the way

861  
00:37:39,109 --> 00:37:36,780  
that thing ran out is the only way we

862  
00:37:41,210 --> 00:37:39,119  
can get out of here so that guys are

863  
00:37:42,710 --> 00:37:41,220

like what you know so they're all

864

00:37:44,810 --> 00:37:42,720

freaking like oh my God so they have

865

00:37:47,450 --> 00:37:44,820

their guns already walking out

866

00:37:48,470 --> 00:37:47,460

and so they can start walking out of

867

00:37:50,930 --> 00:37:48,480

there

868

00:37:52,910 --> 00:37:50,940

and all of a sudden they see this black

869

00:37:55,849 --> 00:37:52,920

something black running right towards

870

00:37:58,310 --> 00:37:55,859

them all the guys got my son was telling

871

00:38:01,190 --> 00:37:58,320

me because they got so scared

872

00:38:04,370 --> 00:38:01,200

and it it wasn't what it was it was a

873

00:38:06,650 --> 00:38:04,380

the neighbor's dog I guess that

874

00:38:09,050 --> 00:38:06,660

um that uh

875

00:38:11,630 --> 00:38:09,060

scared them but whatever you know was

876

00:38:14,150 --> 00:38:11,640

there that was crawling towards them

877

00:38:16,010 --> 00:38:14,160

that was my son was his he that was a

878

00:38:20,569 --> 00:38:16,020

probably a juvenile Bigfoot which was

879

00:38:25,430 --> 00:38:20,579

probably about some like five three

880

00:38:27,530 --> 00:38:25,440

so it was probably about maybe five five

881

00:38:30,230 --> 00:38:27,540

um he said was really kind of screen uh

882

00:38:34,910 --> 00:38:30,240

skinny Scraggy looking

883

00:38:36,770 --> 00:38:34,920

um it was all black uh like and um you

884

00:38:39,650 --> 00:38:36,780

know like I said when they finally I got

885

00:38:42,950 --> 00:38:39,660

back to the house they were quiet

886

00:38:45,829 --> 00:38:42,960

um the two young guys one was a 17 and a

887

00:38:48,890 --> 00:38:45,839

18 I believe

888

00:38:51,170 --> 00:38:48,900

about a week after that had happened my

889

00:38:53,510 --> 00:38:51,180

sister was telling me Go because boy

890

00:38:55,849 --> 00:38:53,520

when those boys got home they were so

891

00:38:56,510 --> 00:38:55,859

terrified

892

00:38:58,609 --> 00:38:56,520

um

893

00:39:00,829 --> 00:38:58,619

one of the guys he wouldn't sleep in his

894

00:39:02,390 --> 00:39:00,839

room he was so scared he ended up

895

00:39:05,390 --> 00:39:02,400

sleeping with his mom and dad's room

896

00:39:07,310 --> 00:39:05,400

that's how scared he was I said okay he

897

00:39:10,310 --> 00:39:07,320

said don't ever make fun of anybody that

898

00:39:12,710 --> 00:39:10,320

experiencing something you know exactly

899

00:39:14,950 --> 00:39:12,720

you know like you know it's it's easy

900

00:39:17,750 --> 00:39:14,960

for anybody to sit behind the computer

901  
00:39:20,329 --> 00:39:17,760  
and start rambling off all you guys all

902  
00:39:23,630 --> 00:39:20,339  
fake blah blah blah but what you don't

903  
00:39:25,790 --> 00:39:23,640  
understand is the family some of them

904  
00:39:28,089 --> 00:39:25,800  
what they're going through with these um

905  
00:39:30,530 --> 00:39:28,099  
creatures that are running around and

906  
00:39:34,430 --> 00:39:30,540  
terrorizing the family if you can only

907  
00:39:37,430 --> 00:39:34,440  
see for yourself the terror in their

908  
00:39:40,910 --> 00:39:37,440  
eyes you know that's that's something

909  
00:39:44,089 --> 00:39:40,920  
you know so so you people out there that

910  
00:39:47,390 --> 00:39:44,099  
make fun of people you just need to stop

911  
00:39:49,609 --> 00:39:47,400  
you know one day you're gonna be out

912  
00:39:52,069 --> 00:39:49,619  
there and it's Gonna Knock You down you

913  
00:39:54,109 --> 00:39:52,079

know so really be careful you know

914

00:39:56,690 --> 00:39:54,119

really my advice to you people out there

915

00:39:58,730 --> 00:39:56,700

that are are critics you know be careful

916

00:40:02,030 --> 00:39:58,740

what you say one day it'll come around

917

00:40:03,589 --> 00:40:02,040

bite you in the butt yeah I uh you know

918

00:40:06,650 --> 00:40:03,599

I have been for I was fortunate enough

919

00:40:08,690 --> 00:40:06,660

to talk to several people that lived in

920

00:40:10,910 --> 00:40:08,700

on the res and um

921

00:40:12,470 --> 00:40:10,920

yeah it's pretty harrowing some of the

922

00:40:14,450 --> 00:40:12,480

things that they have described and now

923

00:40:16,609 --> 00:40:14,460

not not some of the older folks wouldn't

924

00:40:18,230 --> 00:40:16,619

come forward some of the younger ones

925

00:40:20,270 --> 00:40:18,240

would I guess they would hear from their

926  
00:40:21,349 --> 00:40:20,280  
Elders or they would you know there are

927  
00:40:25,190 --> 00:40:21,359  
some things they did experience

928  
00:40:28,490 --> 00:40:25,200  
themselves but uh you know the years I I

929  
00:40:30,710 --> 00:40:28,500  
was involved with with uh documenting

930  
00:40:34,490 --> 00:40:30,720  
some of the studies and stuff I really

931  
00:40:36,109 --> 00:40:34,500  
learned a lot you know I um you know we

932  
00:40:38,630 --> 00:40:36,119  
do have a question I we did have a

933  
00:40:41,450 --> 00:40:38,640  
question here from Nancy Malcolm um is

934  
00:40:42,230 --> 00:40:41,460  
there any history of the people

935  
00:40:45,470 --> 00:40:42,240  
um

936  
00:40:47,930 --> 00:40:45,480  
you know worshiping or looking at the

937  
00:40:50,630 --> 00:40:47,940  
Bigfoot as a God or something what do

938  
00:40:53,690 --> 00:40:50,640

they refer to it as I mean is it a

939

00:40:56,089 --> 00:40:53,700

spirit or they do believe it's it's a

940

00:41:00,829 --> 00:40:56,099

natural being or what are their thoughts

941

00:41:02,810 --> 00:41:00,839

overall well a lot of them the native

942

00:41:04,790 --> 00:41:02,820

side a lot of them believe that they're

943

00:41:06,829 --> 00:41:04,800

evil spirits and that they shouldn't be

944

00:41:11,329 --> 00:41:06,839

dealt with they just need to be left

945

00:41:12,829 --> 00:41:11,339

alone yeah that's why we're told in in

946

00:41:14,630 --> 00:41:12,839

the naval culture that you don't bother

947

00:41:16,849 --> 00:41:14,640

these things you leave them alone if you

948

00:41:19,010 --> 00:41:16,859

look at one

949

00:41:21,470 --> 00:41:19,020

um you're gonna die in seven years

950

00:41:24,050 --> 00:41:21,480

now this is the reason why when we get

951

00:41:26,270 --> 00:41:24,060

if I get a report or they'll call it in

952

00:41:28,190 --> 00:41:26,280

to PD that's why a lot of them won't

953

00:41:30,109 --> 00:41:28,200

come and investigate it because it's a

954

00:41:31,910 --> 00:41:30,119

taboo if you start looking into

955

00:41:34,370 --> 00:41:31,920

something that's going to happen to you

956

00:41:36,650 --> 00:41:34,380

that's why a lot of them back away and

957

00:41:41,630 --> 00:41:36,660

they won't they won't look into it

958

00:41:43,550 --> 00:41:41,640

now some people think that other people

959

00:41:46,010 --> 00:41:43,560

um they think that they're all you know

960

00:41:48,410 --> 00:41:46,020

they're good and all and their hair

961

00:41:50,510 --> 00:41:48,420

protectors and stuff like that some

962

00:41:52,970 --> 00:41:50,520

believe you know every culture and every

963

00:41:56,569 --> 00:41:52,980

individual believes differently

964

00:41:58,190 --> 00:41:56,579

so a lot of the Native Americans they

965

00:42:02,329 --> 00:41:58,200

believe that they're evil

966

00:42:05,569 --> 00:42:02,339

some believe that they are Watchers

967

00:42:07,370 --> 00:42:05,579

um some are believe that they're they're

968

00:42:11,030 --> 00:42:07,380

here to help

969

00:42:14,270 --> 00:42:11,040

you know uh the native people

970

00:42:16,069 --> 00:42:14,280

and so you know like I said it's all

971

00:42:18,410 --> 00:42:16,079

different every individual is different

972

00:42:20,569 --> 00:42:18,420

on how they believe it's not just the

973

00:42:25,490 --> 00:42:20,579

one one belief so it's all different

974

00:42:29,810 --> 00:42:26,510

um

975

00:42:32,390 --> 00:42:29,820

Jose Sanchez asked or Bigfoot dog man

976  
00:42:39,890 --> 00:42:32,400  
other Cryptids considered natural

977  
00:42:45,349 --> 00:42:43,730  
I I would say yes that they are

978  
00:42:48,410 --> 00:42:45,359  
um because like I said there used to be

979  
00:42:51,230 --> 00:42:48,420  
uh uh I would get a lot of

980  
00:42:53,810 --> 00:42:51,240  
um Dogman reports out towards you know

981  
00:42:55,550 --> 00:42:53,820  
uh the shipwalk in the hub back area but

982  
00:42:58,130 --> 00:42:55,560  
since Bigfoot has come in it's like

983  
00:43:00,410 --> 00:42:58,140  
they've pushed them out you know like

984  
00:43:01,609 --> 00:43:00,420  
get out of here this is my area now you

985  
00:43:03,890 --> 00:43:01,619  
know

986  
00:43:05,750 --> 00:43:03,900  
um I I think they are I I believe some

987  
00:43:08,690 --> 00:43:05,760  
of them are enemies or some of them

988  
00:43:10,609 --> 00:43:08,700

maybe who knows but we get along you

989

00:43:12,410 --> 00:43:10,619

know in some areas but I haven't seen

990

00:43:14,390 --> 00:43:12,420

them like hanging around close to each

991

00:43:17,210 --> 00:43:14,400

other but

992

00:43:21,530 --> 00:43:19,670

that sounds about right I mean that's

993

00:43:24,890 --> 00:43:21,540

kind of what the impression I have

994

00:43:27,650 --> 00:43:24,900

gotten I mean not just at the you know

995

00:43:29,809 --> 00:43:27,660

Navajo Nation other places well it seems

996

00:43:32,510 --> 00:43:29,819

like they do not like being around each

997

00:43:35,030 --> 00:43:32,520

other yeah um yeah yeah

998

00:43:37,550 --> 00:43:35,040

uh Nancy Malcolm ass and this is in

999

00:43:39,349 --> 00:43:37,560

reference to the sheet mutilation uh

1000

00:43:43,130 --> 00:43:39,359

were there any pritz around

1001  
00:43:45,349 --> 00:43:43,140  
uh that you noticed could dogs have been

1002  
00:43:47,530 --> 00:43:45,359  
involved with this

1003  
00:43:50,510 --> 00:43:47,540  
um okay so the one that I was

1004  
00:43:52,790 --> 00:43:50,520  
investigating uh they thought it was a

1005  
00:43:55,550 --> 00:43:52,800  
pack of dogs so they wouldn't kill some

1006  
00:43:57,770 --> 00:43:55,560  
dogs but these were small dogs

1007  
00:43:58,730 --> 00:43:57,780  
and like I said the footprint that I

1008  
00:44:02,150 --> 00:43:58,740  
found

1009  
00:44:03,530 --> 00:44:02,160  
they look more like a horse's hoof what

1010  
00:44:07,609 --> 00:44:03,540  
I've come across

1011  
00:44:10,970 --> 00:44:07,619  
and so when I looked

1012  
00:44:12,829 --> 00:44:10,980  
um even inside the Corral again it

1013  
00:44:15,770 --> 00:44:12,839

looked like horse's hooves that I found

1014

00:44:17,990 --> 00:44:15,780

inside the Corral

1015

00:44:20,030 --> 00:44:18,000

and but they did kill some dogs they

1016

00:44:22,309 --> 00:44:20,040

thought maybe it was the dogs and these

1017

00:44:24,349 --> 00:44:22,319

were just puppies that they killed I

1018

00:44:27,829 --> 00:44:24,359

thought it was a pack of dogs but I'm

1019

00:44:29,990 --> 00:44:27,839

like no not what I've I've seen on the

1020

00:44:33,170 --> 00:44:30,000

uh that that Ram

1021

00:44:35,390 --> 00:44:33,180

like a hand imprint you know with that

1022

00:44:38,210 --> 00:44:35,400

sharp nail you know that that that's not

1023

00:44:41,930 --> 00:44:38,220

dog no yeah you know some of the

1024

00:44:44,150 --> 00:44:41,940

photographs that I saw from Hogback that

1025

00:44:46,069 --> 00:44:44,160

was not dogs I mean they would have been

1026  
00:44:49,130 --> 00:44:46,079  
ripped apart I mean there was just there

1027  
00:44:51,650 --> 00:44:49,140  
was just no blood anywhere

1028  
00:44:54,230 --> 00:44:51,660  
um you know it's like like you said I

1029  
00:44:56,750 --> 00:44:54,240  
mean that there were a few incisions on

1030  
00:44:59,750 --> 00:44:56,760  
the necks and there was a little bit of

1031  
00:45:02,030 --> 00:44:59,760  
blood around the incisions but you know

1032  
00:45:04,790 --> 00:45:02,040  
it was yeah it's just like it sucked it

1033  
00:45:09,170 --> 00:45:04,800  
right out yeah very very interesting

1034  
00:45:10,970 --> 00:45:09,180  
very interesting huh yeah but going back

1035  
00:45:13,309 --> 00:45:10,980  
to the the Bigfoot that's the second

1036  
00:45:15,890 --> 00:45:13,319  
show that was my son that did that one

1037  
00:45:19,550 --> 00:45:15,900  
there okay so um

1038  
00:45:21,050 --> 00:45:19,560

and then the uh what the other one did I

1039

00:45:23,450 --> 00:45:21,060

do well of course we did the Ghost

1040

00:45:26,809 --> 00:45:23,460

Adventures right that one was based on

1041

00:45:30,650 --> 00:45:26,819

what my son went through here at home

1042

00:45:33,410 --> 00:45:30,660

um can you talk about that a bit sure

1043

00:45:35,450 --> 00:45:33,420

um so there was one night before we

1044

00:45:36,770 --> 00:45:35,460

moved into our home here our house that

1045

00:45:39,230 --> 00:45:36,780

we're building

1046

00:45:42,470 --> 00:45:39,240

uh we stayed in a little uh I guess this

1047

00:45:46,370 --> 00:45:42,480

little uh trailer uh RV trailer we

1048

00:45:51,710 --> 00:45:46,380

stayed there for a while and my son

1049

00:45:54,230 --> 00:45:51,720

um I guess he was asleep in uh he um

1050

00:45:57,530 --> 00:45:54,240

I felt something that was sitting on him

1051  
00:46:00,650 --> 00:45:57,540  
and he tried to move he said that it was

1052  
00:46:02,630 --> 00:46:00,660  
on top of him and like it was choking

1053  
00:46:07,370 --> 00:46:02,640  
him

1054  
00:46:09,410 --> 00:46:07,380  
um what the strange thing is he came

1055  
00:46:11,450 --> 00:46:09,420  
when he got up I think when it finally

1056  
00:46:14,089 --> 00:46:11,460  
released him

1057  
00:46:16,069 --> 00:46:14,099  
um if I remember right he came in the

1058  
00:46:18,410 --> 00:46:16,079  
bedroom and

1059  
00:46:20,329 --> 00:46:18,420  
um woke me and asked me to come sit with

1060  
00:46:23,230 --> 00:46:20,339  
him and pray but okay now he didn't

1061  
00:46:26,450 --> 00:46:23,240  
describe to me what was on him okay

1062  
00:46:29,750 --> 00:46:26,460  
nothing I didn't ask what happened or

1063  
00:46:32,630 --> 00:46:29,760

you know what's going on I didn't ask at

1064

00:46:34,670 --> 00:46:32,640

anything of what had happened to him

1065

00:46:36,589 --> 00:46:34,680

he just asked me to read some verses

1066

00:46:39,109 --> 00:46:36,599

with him and sit and talk with him for a

1067

00:46:41,630 --> 00:46:39,119

few and pray with him that's all I did

1068

00:46:44,270 --> 00:46:41,640

okay so I went back to bed

1069

00:46:45,650 --> 00:46:44,280

and that was probably about maybe I

1070

00:46:46,730 --> 00:46:45,660

think it was about two in the morning I

1071

00:46:49,010 --> 00:46:46,740

believe

1072

00:46:50,990 --> 00:46:49,020

and so when I went back into my our

1073

00:46:52,849 --> 00:46:51,000

little room then I went to lay down and

1074

00:46:55,670 --> 00:46:52,859

go back to sleep

1075

00:46:57,230 --> 00:46:55,680

just a few minutes later I just had this

1076

00:47:00,170 --> 00:46:57,240

really

1077

00:47:02,809 --> 00:47:00,180

Eerie feeling that something was

1078

00:47:06,530 --> 00:47:02,819

watching watching us sleep

1079

00:47:09,050 --> 00:47:06,540

and so when I looked

1080

00:47:11,210 --> 00:47:09,060

I see what to me what looked like a

1081

00:47:14,870 --> 00:47:11,220

little boy

1082

00:47:17,390 --> 00:47:14,880

standing there at the uh at the entrance

1083

00:47:19,130 --> 00:47:17,400

of our doorway but wouldn't come in he

1084

00:47:22,069 --> 00:47:19,140

was just standing there

1085

00:47:25,370 --> 00:47:22,079

and he was wearing the blue jeans you

1086

00:47:28,550 --> 00:47:25,380

look like a little boy blue jeans and I

1087

00:47:29,390 --> 00:47:28,560

believe it was um a blue

1088

00:47:32,390 --> 00:47:29,400

um

1089

00:47:34,730 --> 00:47:32,400

plotted shirt I think it was is he the

1090

00:47:37,550 --> 00:47:34,740

blue or red I think the blue

1091

00:47:40,670 --> 00:47:37,560

and but it didn't have no face

1092

00:47:43,849 --> 00:47:40,680

the face was just black nothing

1093

00:47:46,309 --> 00:47:43,859

so when I looked up and I looked there

1094

00:47:48,770 --> 00:47:46,319

and what I said was in the name of Jesus

1095

00:47:51,829 --> 00:47:48,780

is get out of here and it was gone

1096

00:47:53,750 --> 00:47:51,839

okay so the next morning

1097

00:47:56,030 --> 00:47:53,760

when I got up

1098

00:47:57,710 --> 00:47:56,040

and my son that he finally got up and I

1099

00:48:02,270 --> 00:47:57,720

got myself and talked to him I said I'm

1100

00:48:07,670 --> 00:48:04,329

I said there was a little boy like

1101  
00:48:09,650 --> 00:48:07,680  
standing in front of our our Doorway to

1102  
00:48:10,970 --> 00:48:09,660  
the bedroom I told him what it was

1103  
00:48:13,790 --> 00:48:10,980  
learned

1104  
00:48:19,069 --> 00:48:13,800  
and it didn't have no face

1105  
00:48:21,349 --> 00:48:19,079  
his face just sunk he's just like mom

1106  
00:48:22,550 --> 00:48:21,359  
that thing was on top of me choking me

1107  
00:48:25,550 --> 00:48:22,560  
last night

1108  
00:48:27,890 --> 00:48:25,560  
I couldn't talk I couldn't scream it

1109  
00:48:29,870 --> 00:48:27,900  
held me down I tried to move I could

1110  
00:48:32,930 --> 00:48:29,880  
move

1111  
00:48:34,849 --> 00:48:32,940  
and finally when I said Jesus and then

1112  
00:48:36,950 --> 00:48:34,859  
that thing left it was gone he goes I

1113  
00:48:38,690 --> 00:48:36,960

was so scared

1114

00:48:41,630 --> 00:48:38,700

and so

1115

00:48:42,829 --> 00:48:41,640

what I described to him is what was on

1116

00:48:47,210 --> 00:48:42,839

him that night

1117

00:48:50,690 --> 00:48:47,220

and that really scared him and so

1118

00:48:52,849 --> 00:48:50,700

we've had some um like our kids at the

1119

00:48:55,010 --> 00:48:52,859

time like I said were building this home

1120

00:48:56,870 --> 00:48:55,020

and they would come in and kind of play

1121

00:48:59,569 --> 00:48:56,880

around in here you know run around and

1122

00:49:01,910 --> 00:48:59,579

they would hear footsteps

1123

00:49:04,370 --> 00:49:01,920

they would hear like a little girl

1124

00:49:06,470 --> 00:49:04,380

sitting in the corner and they could

1125

00:49:08,569 --> 00:49:06,480

hear a little girl laughing

1126  
00:49:10,370 --> 00:49:08,579  
and they would always tell me my mom

1127  
00:49:11,930 --> 00:49:10,380  
then there's there's something in their

1128  
00:49:13,609 --> 00:49:11,940  
house it's it's movie you know I can

1129  
00:49:15,290 --> 00:49:13,619  
hear we can hear it running running

1130  
00:49:17,890 --> 00:49:15,300  
around like no there's nothing you know

1131  
00:49:20,030 --> 00:49:17,900  
I always blew it off

1132  
00:49:21,109 --> 00:49:20,040  
they're just kids you know they're just

1133  
00:49:25,190 --> 00:49:21,119  
having fun

1134  
00:49:27,950 --> 00:49:25,200  
and so that that um episode that was

1135  
00:49:30,890 --> 00:49:27,960  
what we did on the Ghost Adventures that

1136  
00:49:33,410 --> 00:49:30,900  
was based off my son my oldest son uh he

1137  
00:49:35,569 --> 00:49:33,420  
went through through that and so he

1138  
00:49:38,690 --> 00:49:35,579

shared that on their

1139

00:49:40,609 --> 00:49:38,700

I had to go back and watch it yeah I

1140

00:49:42,589 --> 00:49:40,619

think it was called the uh the curse of

1141

00:49:44,750 --> 00:49:42,599

upper Fruitland something like that uh

1142

00:49:46,069 --> 00:49:44,760

of those Adventures yeah so if you guys

1143

00:49:48,290 --> 00:49:46,079

want to check that out I'll look for it

1144

00:49:50,030 --> 00:49:48,300

yeah look for it and watching us you

1145

00:49:53,750 --> 00:49:50,040

know some stuff on there that uh it's

1146

00:49:56,750 --> 00:49:53,760

like wow you'd be surprised have you had

1147

00:49:59,030 --> 00:49:56,760

any activity has the activity continued

1148

00:50:02,750 --> 00:49:59,040

at all there

1149

00:50:03,290 --> 00:50:02,760

um after they did that episode there

1150

00:50:06,109 --> 00:50:03,300

um

1151

00:50:08,270 --> 00:50:06,119

well it's changes it it just stopped

1152

00:50:10,130 --> 00:50:08,280

after they got really filming when they

1153

00:50:12,650 --> 00:50:10,140

left

1154

00:50:15,650 --> 00:50:12,660

um you know as I cat asked me if he uh

1155

00:50:18,170 --> 00:50:15,660

wanted to send the priest over I said no

1156

00:50:19,790 --> 00:50:18,180

um I can get my my at that time I can

1157

00:50:21,710 --> 00:50:19,800

get my dad here because he's a preacher

1158

00:50:23,390 --> 00:50:21,720

and he can do the blessing on the land

1159

00:50:24,410 --> 00:50:23,400

and stuff like that and we did do that

1160

00:50:28,730 --> 00:50:24,420

before

1161

00:50:29,329 --> 00:50:28,740

you know uh do we started building but

1162

00:50:31,670 --> 00:50:29,339

um

1163

00:50:34,030 --> 00:50:31,680

our Neighbor Next Door they've been

1164

00:50:36,589 --> 00:50:34,040

having the same activity too as well

1165

00:50:37,490 --> 00:50:36,599

they've been seeing a lot of ghosts and

1166

00:50:41,450 --> 00:50:37,500

stuff

1167

00:50:43,670 --> 00:50:41,460

and they got to talking to my husband

1168

00:50:45,230 --> 00:50:43,680

said well I've got to he told my husband

1169

00:50:47,630 --> 00:50:45,240

that the reason why we're having

1170

00:50:50,349 --> 00:50:47,640

activity here I mean we're having a lot

1171

00:50:53,990 --> 00:50:50,359

of activity here during that time

1172

00:50:57,290 --> 00:50:54,000

and some of the stuff that we've seen on

1173

00:50:59,750 --> 00:50:57,300

our home plot on our property alone is

1174

00:51:03,349 --> 00:50:59,760

I'm just like wow you know what are we

1175

00:51:06,049 --> 00:51:03,359

living on yeah so I uh

1176  
00:51:06,890 --> 00:51:06,059  
he told my husband our Neighbor Next

1177  
00:51:08,990 --> 00:51:06,900  
Door

1178  
00:51:10,250 --> 00:51:09,000  
that they've been having you know seeing

1179  
00:51:12,890 --> 00:51:10,260  
ghosts and stuff like that things

1180  
00:51:15,710 --> 00:51:12,900  
tapping on the windows and all and their

1181  
00:51:17,150 --> 00:51:15,720  
little boy one night I guess um they

1182  
00:51:18,650 --> 00:51:17,160  
were coming home like I said they live

1183  
00:51:20,750 --> 00:51:18,660  
next door to us

1184  
00:51:22,790 --> 00:51:20,760  
he said yeah you guys have some gnomes

1185  
00:51:24,890 --> 00:51:22,800  
on your yard which is because my my

1186  
00:51:27,910 --> 00:51:24,900  
little boy seen some gnomes on your yard

1187  
00:51:30,109 --> 00:51:27,920  
I'm like oh my God we have gnomes now

1188  
00:51:33,230 --> 00:51:30,119

everyone's like oh what else is there

1189

00:51:36,470 --> 00:51:33,240

yeah so he said that he got to talking

1190

00:51:38,690 --> 00:51:36,480

to you know I get asked a lot of people

1191

00:51:40,549 --> 00:51:38,700

always asking me what is it that these

1192

00:51:44,210 --> 00:51:40,559

things are are

1193

00:51:46,130 --> 00:51:44,220

are like um attracted to your property

1194

00:51:48,470 --> 00:51:46,140

what what what's on there what happened

1195

00:51:51,230 --> 00:51:48,480

on your property I'm like I don't know

1196

00:51:52,670 --> 00:51:51,240

you know so I guess the the guy like I

1197

00:51:55,010 --> 00:51:52,680

said next door he talked to a medicine

1198

00:51:55,849 --> 00:51:55,020

man and he said years ago probably back

1199

00:51:58,430 --> 00:51:55,859

in the

1200

00:52:00,230 --> 00:51:58,440

30s or 40s something like that I guess

1201

00:52:03,049 --> 00:52:00,240

there used to be Cemetery

1202

00:52:05,089 --> 00:52:03,059

on here on the property of your Lebanon

1203

00:52:06,950 --> 00:52:05,099

that's the reason why we're having a lot

1204

00:52:09,890 --> 00:52:06,960

of activity and they're having a lot of

1205

00:52:13,190 --> 00:52:09,900

activity too so as far as like a

1206

00:52:15,049 --> 00:52:13,200

graveyard here an odd plot I have never

1207

00:52:16,970 --> 00:52:15,059

heard of that I don't I don't know but

1208

00:52:19,730 --> 00:52:16,980

it's possible I don't know but that's

1209

00:52:21,710 --> 00:52:19,740

what this guy said so I don't know you

1210

00:52:23,150 --> 00:52:21,720

know maybe that explained that could

1211

00:52:25,970 --> 00:52:23,160

explain all this

1212

00:52:27,470 --> 00:52:25,980

things that we're seeing like what we

1213

00:52:31,069 --> 00:52:27,480

call it on camera what I call it ghost

1214

00:52:32,990 --> 00:52:31,079

the wolf that flies across the camera

1215

00:52:34,730 --> 00:52:33,000

you know and that's strange because I

1216

00:52:37,430 --> 00:52:34,740

don't have no head but you can see the

1217

00:52:41,030 --> 00:52:37,440

legs and the tail you know is that right

1218

00:52:42,710 --> 00:52:41,040

yeah and uh that's on our our you have a

1219

00:52:45,230 --> 00:52:42,720

YouTube channel it's called New Mexico

1220

00:52:47,089 --> 00:52:45,240

Chantal Seekers I have some videos on

1221

00:52:49,309 --> 00:52:47,099

there some of the investigations that

1222

00:52:50,230 --> 00:52:49,319

I've done so you can check those out on

1223

00:52:52,549 --> 00:52:50,240

this one

1224

00:52:55,069 --> 00:52:52,559

yeah that one I'm talking about this

1225

00:52:56,450 --> 00:52:55,079

call I believe it's called ghost dwarf I

1226

00:52:58,849 --> 00:52:56,460

think that's what it was

1227

00:53:00,589 --> 00:52:58,859

and then there's something else that

1228

00:53:03,230 --> 00:53:00,599

looks like it boils up from the ground

1229

00:53:05,750 --> 00:53:03,240

looks like a juvenile book ubiquid

1230

00:53:07,430 --> 00:53:05,760

that comes up it's really wow you're

1231

00:53:09,470 --> 00:53:07,440

just gonna have to check out that video

1232

00:53:12,530 --> 00:53:09,480

that's the video that they use on the

1233

00:53:14,329 --> 00:53:12,540

Ghost Adventures too as well okay so you

1234

00:53:17,329 --> 00:53:14,339

can check that out there

1235

00:53:19,790 --> 00:53:17,339

I I know you have had several I know you

1236

00:53:23,270 --> 00:53:19,800

have had several photographs that you

1237

00:53:25,430 --> 00:53:23,280

have released over the years uh I know I

1238

00:53:28,069 --> 00:53:25,440

remember the one of the Bigfoot that

1239

00:53:31,970 --> 00:53:28,079

kind of was coming over the hill

1240

00:53:33,530 --> 00:53:31,980

uh that that photograph and I think and

1241

00:53:34,250 --> 00:53:33,540

I don't know if it was I think it was

1242

00:53:37,069 --> 00:53:34,260

you

1243

00:53:39,950 --> 00:53:37,079

had taken a photograph of an upright

1244

00:53:41,710 --> 00:53:39,960

canine type creature near a well was

1245

00:53:46,970 --> 00:53:41,720

that you it did that

1246

00:53:49,309 --> 00:53:46,980

well maybe not I don't think so yeah not

1247

00:53:52,370 --> 00:53:49,319

that one you know I was getting

1248

00:53:54,130 --> 00:53:52,380

um I was I was getting a fair amount of

1249

00:54:00,530 --> 00:53:54,140

uh

1250

00:54:02,150 --> 00:54:00,540

out of the the Navajo Nation it was

1251

00:54:03,950 --> 00:54:02,160

mostly younger of course the older

1252

00:54:06,890 --> 00:54:03,960

people wouldn't talk about it at all

1253

00:54:10,309 --> 00:54:06,900

right but uh some of the younger ones

1254

00:54:12,470 --> 00:54:10,319

would and uh I guess they would talk

1255

00:54:13,910 --> 00:54:12,480

about either they had an experience or a

1256

00:54:15,170 --> 00:54:13,920

possible experience but they would talk

1257

00:54:17,690 --> 00:54:15,180

about the the

1258

00:54:20,930 --> 00:54:17,700

um about their grandparents for the most

1259

00:54:23,089 --> 00:54:20,940

part having experiences uh I I'm I'm

1260

00:54:26,390 --> 00:54:23,099

pretty sure that hasn't changed much

1261

00:54:31,849 --> 00:54:29,329

uh I mean I I you know do you get do you

1262

00:54:35,569 --> 00:54:31,859

get a lot of reports of a skin walker

1263

00:54:41,690 --> 00:54:38,990

I do but they they don't say a whole lot

1264

00:54:44,510 --> 00:54:41,700

you know they just keep it to themselves

1265

00:54:46,010 --> 00:54:44,520

um because they know how to they they a

1266

00:54:47,510 --> 00:54:46,020

lot of the the natives know how to deal

1267

00:54:50,390 --> 00:54:47,520

with that it's a lot of it they tell me

1268

00:54:52,790 --> 00:54:50,400

it's witchcraft don't don't don't don't

1269

00:54:56,750 --> 00:54:52,800

um you know get into it you know so just

1270

00:54:58,490 --> 00:54:56,760

leave it you know so it is true you know

1271

00:55:01,730 --> 00:54:58,500

as they say be careful with that one

1272

00:55:03,349 --> 00:55:01,740

because that one can can get you

1273

00:55:06,290 --> 00:55:03,359

um

1274

00:55:08,089 --> 00:55:06,300

which is true because like I said it's

1275

00:55:10,609 --> 00:55:08,099

witchcraft so they

1276

00:55:14,030 --> 00:55:10,619

um then they won't bother you know a lot

1277

00:55:16,010 --> 00:55:14,040

the elders oh my gosh they they have so

1278

00:55:18,890 --> 00:55:16,020

much stories and things that they have

1279

00:55:21,170 --> 00:55:18,900

seen in their lifetime that sometimes I

1280

00:55:23,630 --> 00:55:21,180

wish they would you know share with us

1281

00:55:27,049 --> 00:55:23,640

now the generation now but they're like

1282

00:55:32,530 --> 00:55:27,059

no you know you that you just that's all

1283

00:55:38,870 --> 00:55:35,569

I'm very I'm very respectful when I

1284

00:55:41,870 --> 00:55:38,880

talked to some of the elders and um

1285

00:55:43,549 --> 00:55:41,880

and I have in the past and I I no they

1286

00:55:45,950 --> 00:55:43,559

are they are uncomfortable talking about

1287

00:55:47,450 --> 00:55:45,960

it and uh yes occasionally when the

1288

00:55:49,069 --> 00:55:47,460

younger when their grandchildren

1289

00:55:53,390 --> 00:55:49,079

children will come out and say a little

1290

00:55:55,750 --> 00:55:53,400

bit but uh it's very

1291

00:55:58,970 --> 00:55:55,760

you know it's very hard

1292

00:56:01,130 --> 00:55:58,980

yeah yeah absolutely absolutely it's

1293

00:56:02,870 --> 00:56:01,140

just like when the Ghost Adventures that

1294

00:56:05,030 --> 00:56:02,880

the crew that came down I think they did

1295

00:56:07,609 --> 00:56:05,040

after we did our filming they did

1296

00:56:09,589 --> 00:56:07,619

another one with the uh the skinwalker

1297

00:56:12,890 --> 00:56:09,599

Canyon I don't know if you've seen that

1298

00:56:15,170 --> 00:56:12,900

one oh boy they got it they had a lot of

1299

00:56:16,670 --> 00:56:15,180

heat on that one and I told them I told

1300

00:56:19,130 --> 00:56:16,680

the producer because they were talking

1301

00:56:22,130 --> 00:56:19,140

about it I said I'm telling you right

1302

00:56:24,890 --> 00:56:22,140

now don't do it you're gonna get a lot

1303

00:56:28,910 --> 00:56:24,900

of backlash on the native people did

1304

00:56:30,650 --> 00:56:28,920

they believe me no they went ahead and

1305

00:56:32,990 --> 00:56:30,660

filmed you know and they went yeah did

1306

00:56:36,589 --> 00:56:33,000

one on the skinwalker and

1307

00:56:39,049 --> 00:56:36,599

no the backlash was pretty bad that's

1308

00:56:40,549 --> 00:56:39,059

pretty much what I understood for you

1309

00:56:42,770 --> 00:56:40,559

know with you know when I got involved

1310

00:56:44,569 --> 00:56:42,780

with some people that would you know

1311

00:56:46,549 --> 00:56:44,579

they wanted to know more they would and

1312

00:56:48,349 --> 00:56:46,559

talk try to talk to people and I I would

1313

00:56:50,329 --> 00:56:48,359

tell them I said no I've been warned not

1314

00:56:53,569 --> 00:56:50,339

to do it and I wouldn't advise you to do

1315

00:56:56,630 --> 00:56:53,579

it as well yeah so that's what I tell

1316

00:56:59,750 --> 00:56:56,640

people I I do I get a lot of phone calls

1317

00:57:02,750 --> 00:56:59,760

uh from L.A they want to talk about Skin

1318

00:57:04,609 --> 00:57:02,760

Walkers you're like no no I that is one

1319

00:57:07,190 --> 00:57:04,619

thing that I really don't wanna

1320

00:57:10,730 --> 00:57:07,200

do we go that stuff's real yeah it's

1321

00:57:12,950 --> 00:57:10,740

real it's it's real and then you it

1322

00:57:15,109 --> 00:57:12,960

could drive you nuts I have heard some

1323

00:57:17,770 --> 00:57:15,119

really harrowing Tales I really have and

1324

00:57:20,089 --> 00:57:17,780

uh I I absolutely believe it

1325

00:57:21,530 --> 00:57:20,099

well Brenda I thank you for coming on

1326

00:57:23,990 --> 00:57:21,540

why don't you tell the folks how they

1327

00:57:25,790 --> 00:57:24,000

can get in contact with you if they've

1328

00:57:28,970 --> 00:57:25,800

got something they want to discuss with

1329

00:57:30,470 --> 00:57:28,980

you and uh you know uh what you plan on

1330

00:57:32,329 --> 00:57:30,480

doing soon I hope you're getting out

1331

00:57:33,950 --> 00:57:32,339

there soon again because I'd like for

1332

00:57:36,410 --> 00:57:33,960

you I'd like for you to contact me and

1333

00:57:39,230 --> 00:57:36,420

let me know what's going on out there oh

1334

00:57:42,349 --> 00:57:39,240

I will I will I'm going to be doing uh

1335

00:57:43,849 --> 00:57:42,359

uh the one of the uh the one I saw me

1336

00:57:45,829 --> 00:57:43,859

earlier about the chickens that were

1337

00:57:47,329 --> 00:57:45,839

being killed so I'm gonna go do some

1338

00:57:49,490 --> 00:57:47,339

filming over there hopefully this

1339

00:57:52,490 --> 00:57:49,500

weekend right now we're going through a

1340

00:57:54,530 --> 00:57:52,500

storm uh snow snowstorm that's moving

1341

00:57:56,030 --> 00:57:54,540

through we got a lot of snow today kind

1342

00:57:58,130 --> 00:57:56,040

of a lot of snow but the weather's been

1343

00:58:00,230 --> 00:57:58,140

bad uh pretty much all week

1344

00:58:01,609 --> 00:58:00,240

so hopefully this week and I hope the

1345

00:58:03,470 --> 00:58:01,619

weather will be nice where I can get

1346

00:58:05,030 --> 00:58:03,480

back out and start doing some stuff but

1347

00:58:06,829 --> 00:58:05,040

I do have some videos that I need to

1348

00:58:08,990 --> 00:58:06,839

work on

1349

00:58:10,670 --> 00:58:09,000

um to get them posted and stuff once I

1350

00:58:13,309 --> 00:58:10,680

get those done and then I will share

1351

00:58:15,049 --> 00:58:13,319

with you and um let you know what's

1352

00:58:17,809 --> 00:58:15,059

going on but people if you want to get

1353

00:58:19,730 --> 00:58:17,819

in contact with me I'm on Facebook uh

1354

00:58:23,270 --> 00:58:19,740

Brenda Harris uh you can message me

1355

00:58:26,950 --> 00:58:23,280

there or my email address is it's all

1356

00:58:30,410 --> 00:58:26,960

lowercase Harris brenda46 yahoo.com

1357

00:58:33,589 --> 00:58:30,420

also I have a team Page New Mexico

1358

00:58:35,690 --> 00:58:33,599

Shadow Seekers on Facebook as well

1359

00:58:37,190 --> 00:58:35,700

so um yeah a lot of people ask me how

1360

00:58:40,430 --> 00:58:37,200

come you haven't posted well you know

1361

00:58:41,230 --> 00:58:40,440

due to the um like I said covet and

1362

00:58:45,770 --> 00:58:41,240

stuff

1363

00:58:47,510 --> 00:58:45,780

and then also uh what do you call the um

1364

00:58:50,089 --> 00:58:47,520

oh my husband's hell

1365

00:58:52,670 --> 00:58:50,099

right so I've been dealing a lot with

1366

00:58:55,130 --> 00:58:52,680

you well I feel for my wife my wife

1367

00:58:56,870 --> 00:58:55,140

passed from colon cancer and I I know

1368

00:58:58,970 --> 00:58:56,880

you know I know exactly what you're

1369

00:59:01,370 --> 00:58:58,980

going through yeah I'm sorry to hear

1370

00:59:03,430 --> 00:59:01,380

that but yeah it's been a roller coaster

1371

00:59:06,069 --> 00:59:03,440

this past three

1372

00:59:09,349 --> 00:59:06,079

last year we thought we almost lost him

1373

00:59:11,809 --> 00:59:09,359

but uh he's he's good now so just keep

1374

00:59:14,510 --> 00:59:11,819

us all in prayer and I will be um

1375

00:59:17,150 --> 00:59:14,520

getting back activity on my New Mexico

1376

00:59:19,250 --> 00:59:17,160

Shadow Seekers Facebook page so I'll be

1377

00:59:21,770 --> 00:59:19,260

posting some stuff there here uh pretty

1378

00:59:23,569 --> 00:59:21,780

soon again getting all my material uh

1379

00:59:25,430 --> 00:59:23,579

ready to get posted so but anything

1380

00:59:28,789 --> 00:59:25,440

comes up I'll I will be looking for

1381

00:59:30,230 --> 00:59:28,799

Yolanda absolutely I appreciate that and

1382

00:59:32,870 --> 00:59:30,240

is there anything you want me to report

1383

00:59:35,450 --> 00:59:32,880

on for you or to promote for you just

1384

00:59:38,690 --> 00:59:35,460

let me know oh yeah okay can I mention

1385

00:59:41,990 --> 00:59:38,700

one thing I will uh this year I will be

1386

00:59:45,170 --> 00:59:42,000

speaking uh at the Creek uh

1387

00:59:47,510 --> 00:59:45,180

paranormal conference May 19th through

1388

00:59:50,150 --> 00:59:47,520

the 21st so I hope you all can make it

1389

00:59:53,390 --> 00:59:50,160

I'm really excited about this

1390

00:59:57,470 --> 00:59:53,400

um it's going to be pretty awesome so

1391

01:00:00,349 --> 00:59:57,480

um also I I might be working the maybe

1392

01:00:02,210 --> 01:00:00,359

doing a little video with the Paranormal

1393

01:00:05,450 --> 01:00:02,220

Rangers which is they were the former

1394

01:00:07,130 --> 01:00:05,460

Navajo Rangers right so hopefully y'all

1395

01:00:09,650 --> 01:00:07,140

can get a little investigation going

1396

01:00:10,970 --> 01:00:09,660

with these guys so I'm excited to do

1397

01:00:12,530 --> 01:00:10,980

some work with these guys it'd be

1398

01:00:14,870 --> 01:00:12,540

awesome

1399

01:00:17,870 --> 01:00:14,880

1400

01:00:20,030 --> 01:00:17,880
