

PHANTOMS
& MONSTERS™
RADIO

ERIC MINTEL
PARANORMAL INVESTIGATOR
& FILMMAKER

FRIDAY, FEBRUARY 17TH - 9PM ET / 6PM PT

1
00:00:22,330 --> 00:00:14,330
[Music]

2
00:00:22,340 --> 00:00:27,540
you mean it could be done either way

3
00:00:27,550 --> 00:00:41,090
[Music]

4
00:00:41,100 --> 00:00:48,720
good

5
00:00:55,790 --> 00:00:52,490
[Music]

6
00:01:11,469 --> 00:00:55,800
let's take that trees

7
00:01:19,850 --> 00:01:13,550
thank you

8
00:01:23,750 --> 00:01:19,860
these the eyes of a cat who knows

9
00:01:23,760 --> 00:01:35,289
[Music]

10
00:01:35,299 --> 00:01:41,040
it's not described which is uh

11
00:01:46,190 --> 00:01:44,390
[Music]

12
00:01:47,929 --> 00:01:46,200
so hey folks good evening welcome to

13
00:01:49,910 --> 00:01:47,939

another episode of families of monsters

14

00:01:52,190 --> 00:01:49,920

radio where we explore the strange and

15

00:01:54,410 --> 00:01:52,200

unexplained I'm your host lawn Stricker

16

00:01:56,149 --> 00:01:54,420

and thanks for joining me now if you

17

00:01:58,130 --> 00:01:56,159

enjoy our content then please subscribe

18

00:02:00,590 --> 00:01:58,140

like and share our presentations and

19

00:02:02,870 --> 00:02:00,600

feel free to leave a comment as well

20

00:02:04,789 --> 00:02:02,880

Super Chat will be active during the

21

00:02:06,410 --> 00:02:04,799

show so please show your support for

22

00:02:08,870 --> 00:02:06,420

fans of monsters radio by clicking the

23

00:02:11,330 --> 00:02:08,880

dollar icon underneath the chat you can

24

00:02:13,309 --> 00:02:11,340

also support the channel by using uh

25

00:02:14,210 --> 00:02:13,319

super thanks icon or the buy me coffee

26

00:02:16,430 --> 00:02:14,220

link

27

00:02:19,130 --> 00:02:16,440

their consideration is very much needed

28

00:02:20,750 --> 00:02:19,140

and appreciated now I I did want to

29

00:02:22,729 --> 00:02:20,760

announce that you know because of my

30

00:02:26,150 --> 00:02:22,739

upcoming surgery

31

00:02:29,210 --> 00:02:26,160

which is in a week or so uh I have a and

32

00:02:32,089 --> 00:02:29,220

we have had a few issues to you know on

33

00:02:34,910 --> 00:02:32,099

the show as well uh we're going to go on

34

00:02:37,369 --> 00:02:34,920

hiatus for a bit starting next week so

35

00:02:39,650 --> 00:02:37,379

uh you know we'll keep you updated on

36

00:02:42,830 --> 00:02:39,660

what's going on I'll post things on blog

37

00:02:44,509 --> 00:02:42,840

on Facebook and whatever so um you know

38

00:02:45,650 --> 00:02:44,519

sorry for it thanks for understanding

39

00:02:48,470 --> 00:02:45,660

but

40

00:02:50,210 --> 00:02:48,480

it is what it is so I appreciate I

41

00:02:54,229 --> 00:02:50,220

appreciate your understanding

42

00:02:56,869 --> 00:02:54,239

so Tonight Eric mentel and for the more

43

00:02:59,630 --> 00:02:56,879

than 30 years Eric mintel is in a clean

44

00:03:03,050 --> 00:02:59,640

jazz musician with his group The Eric

45

00:03:05,570 --> 00:03:03,060

mantel quartet later at night Eric

46

00:03:07,790 --> 00:03:05,580

invest Eric mintel investigates the

47

00:03:09,350 --> 00:03:07,800

Paranormal Eric was advised to perform

48

00:03:13,210 --> 00:03:09,360

twice at the White House for President

49

00:03:15,830 --> 00:03:13,220

Clinton in 1998 and President Obama in

50

00:03:18,649 --> 00:03:15,840

2011. he is also invited to perform at

51
00:03:22,130 --> 00:03:18,659
the Kennedy Center over 10 times from

52
00:03:26,210 --> 00:03:22,140
1999 to 2005 and also has a special

53
00:03:27,530 --> 00:03:26,220
concert at the United Nations in 2010 he

54
00:03:29,390 --> 00:03:27,540
has toured and performed around the

55
00:03:31,550 --> 00:03:29,400
country in concert Halls high schools

56
00:03:34,610 --> 00:03:31,560
libraries elementary schools churches

57
00:03:36,110 --> 00:03:34,620
jazz clubs and many more venues the

58
00:03:37,670 --> 00:03:36,120
consummate professional in front of the

59
00:03:40,430 --> 00:03:37,680
camera Eric has been on television

60
00:03:42,710 --> 00:03:40,440
performing his music as well as being

61
00:03:44,330 --> 00:03:42,720
interviewed Eric and Dominic were

62
00:03:48,589 --> 00:03:44,340
recently featured in the cover American

63
00:03:50,509 --> 00:03:48,599

paranormal magazine in January 2023 and

64

00:03:52,789 --> 00:03:50,519

Eric also has stories written

65

00:03:54,949 --> 00:03:52,799

on his paranormal activities by various

66

00:03:57,649 --> 00:03:54,959

newspapers and has been featured on many

67

00:03:59,390 --> 00:03:57,659

radio stations and podcasts across the

68

00:04:01,369 --> 00:03:59,400

country and around the world

69

00:04:04,610 --> 00:04:01,379

interested in paranormal from a very

70

00:04:07,149 --> 00:04:04,620

young age Eric has led Eric mental

71

00:04:09,410 --> 00:04:07,159

investigate since 2016 seeking out

72

00:04:12,830 --> 00:04:09,420

strange stories that tell whether it's

73

00:04:15,470 --> 00:04:12,840

ghost UFOs Bigfoot or Dogman sightings

74

00:04:18,110 --> 00:04:15,480

fans of his music have eagerly followed

75

00:04:20,210 --> 00:04:18,120

him into the Paranormal World many

76

00:04:22,370 --> 00:04:20,220

investigation Eric and his team have

77

00:04:25,370 --> 00:04:22,380

captured groundbreaking video footage

78

00:04:27,170 --> 00:04:25,380

and captured strange Paranormal Activity

79

00:04:30,290 --> 00:04:27,180

to the likes of which have never been

80

00:04:33,050 --> 00:04:30,300

seen Eric is also a famous monster 14

81

00:04:34,790 --> 00:04:33,060

Research affiliate so Eric thanks for

82

00:04:37,129 --> 00:04:34,800

coming on and joining me this evening

83

00:04:38,810 --> 00:04:37,139

hey man thanks a lot I appreciate it

84

00:04:42,170 --> 00:04:38,820

thanks for having me

85

00:04:44,030 --> 00:04:42,180

I know you've been busy

86

00:04:46,129 --> 00:04:44,040

oh you know always we always got

87

00:04:47,810 --> 00:04:46,139

something going on man yeah

88

00:04:50,210 --> 00:04:47,820

you know I don't know if we ever talked

89

00:04:52,430 --> 00:04:50,220

about this on the show before uh you and

90

00:04:55,370 --> 00:04:52,440

I have talked about it but I I also

91

00:04:57,909 --> 00:04:55,380

played professionally uh years and years

92

00:05:01,249 --> 00:04:57,919

and years ago I mean a lot of years ago

93

00:05:03,350 --> 00:05:01,259

uh I was on a couple of professional

94

00:05:07,189 --> 00:05:03,360

jazz bands I actually played with

95

00:05:10,310 --> 00:05:07,199

Maynard Ferguson and uh a few other

96

00:05:13,670 --> 00:05:10,320

folks along the way Woody Herman and um

97

00:05:14,990 --> 00:05:13,680

yeah you know it's been a long time it's

98

00:05:18,110 --> 00:05:15,000

been a long time since I even picked a

99

00:05:21,469 --> 00:05:18,120

horn back up and you played yeah I

100

00:05:23,090 --> 00:05:21,479

played trumpet that's awesome and um you

101
00:05:26,029 --> 00:05:23,100
know I understand I mean I understand

102
00:05:28,730 --> 00:05:26,039
and the whole thing the whole thrill for

103
00:05:31,010 --> 00:05:28,740
it and and you know it becomes really

104
00:05:32,689 --> 00:05:31,020
part of your life and you know you've

105
00:05:35,029 --> 00:05:32,699
gone beyond what I ever could have

106
00:05:37,670 --> 00:05:35,039
achieved and I I really impressed with

107
00:05:40,670 --> 00:05:37,680
it and uh yeah and I've heard your music

108
00:05:42,650 --> 00:05:40,680
it's great it's fantastic thank you yeah

109
00:05:44,629 --> 00:05:42,660
you know just ever since I've been like

110
00:05:46,790 --> 00:05:44,639
three my parents could always find me at

111
00:05:48,409 --> 00:05:46,800
the piano and uh you know being an only

112
00:05:50,810 --> 00:05:48,419
child we didn't really have much you

113
00:05:54,409 --> 00:05:50,820

know but we did have a sort of intuned

114

00:05:58,730 --> 00:05:56,689

my my parents could always find me

115

00:06:00,770 --> 00:05:58,740

treating a plunking around at the keys

116

00:06:03,110 --> 00:06:00,780

and I just had this real fascinating

117

00:06:05,090 --> 00:06:03,120

interest with the piano and then you

118

00:06:08,510 --> 00:06:05,100

know it was around 14 and I found the

119

00:06:10,129 --> 00:06:08,520

music of Dave Brubeck and uh and Dave

120

00:06:12,110 --> 00:06:10,139

then you know I learned everything I

121

00:06:14,029 --> 00:06:12,120

could and I was going to I took a Year's

122

00:06:15,830 --> 00:06:14,039

worth of piano lessons and the piano

123

00:06:17,570 --> 00:06:15,840

teachers trying to teach me Twinkle

124

00:06:19,790 --> 00:06:17,580

Twinkle Little Star but I'm coming to

125

00:06:22,150 --> 00:06:19,800

the lessons playing like blue Rondo all

126

00:06:26,990 --> 00:06:22,160

of Turk and take five

127

00:06:28,909 --> 00:06:27,000

he's like I can't teach you yeah so and

128

00:06:31,370 --> 00:06:28,919

then Dave became a very good friend of

129

00:06:33,830 --> 00:06:31,380

mine uh and was wrote liner notes for

130

00:06:36,770 --> 00:06:33,840

our CDs so he was a great mentor you

131

00:06:39,290 --> 00:06:36,780

know and I think nowadays the a lot of

132

00:06:41,450 --> 00:06:39,300

kids need Heroes and mentors and Dave

133

00:06:43,969 --> 00:06:41,460

for me was a really like he's still one

134

00:06:45,830 --> 00:06:43,979

of my heroes and he's a great mentor to

135

00:06:48,290 --> 00:06:45,840

me as well in in music you know and in

136

00:06:50,150 --> 00:06:48,300

life too uh really great Straight Ahead

137

00:06:52,730 --> 00:06:50,160

guy

138

00:06:55,129 --> 00:06:52,740

yeah I was I was fortunate to know a few

139

00:06:57,469 --> 00:06:55,139

of these folks as well and um it you

140

00:06:59,870 --> 00:06:57,479

know it it's something that really took

141

00:07:01,550 --> 00:06:59,880

really dominated my life in high school

142

00:07:03,770 --> 00:07:01,560

and such and when I got out of high

143

00:07:05,749 --> 00:07:03,780

school for a bit you know a lot longer

144

00:07:08,090 --> 00:07:05,759

then then life happens and it takes you

145

00:07:10,249 --> 00:07:08,100

you know it takes you away from it but

146

00:07:12,770 --> 00:07:10,259

uh yeah those years I really did enjoy

147

00:07:15,409 --> 00:07:12,780

it yeah I mean it's great I mean we uh

148

00:07:16,850 --> 00:07:15,419

you know and now I'm in a position where

149

00:07:19,070 --> 00:07:16,860

you know we can kind of pick and choose

150

00:07:21,710 --> 00:07:19,080

where we want to play sure you know and

151

00:07:23,749 --> 00:07:21,720

what we want to do and it's uh it's a

152

00:07:26,409 --> 00:07:23,759

good thing and you know we're yeah 30

153

00:07:29,270 --> 00:07:26,419

years this year I started

154

00:07:31,370 --> 00:07:29,280

1993. and that's amazing and the guys

155

00:07:34,850 --> 00:07:31,380

that are with me now we've been together

156

00:07:36,529 --> 00:07:34,860

close to 22 years I think total I always

157

00:07:39,129 --> 00:07:36,539

say we've been together longer than most

158

00:07:42,529 --> 00:07:39,139

marriages absolutely

159

00:07:44,330 --> 00:07:42,539

absolutely yeah wow and then with the

160

00:07:46,249 --> 00:07:44,340

Paranormal stuff on top I just like

161

00:07:48,650 --> 00:07:46,259

being creative man I mean you know we

162

00:07:50,629 --> 00:07:48,660

all have to and you do it we have to

163

00:07:53,870 --> 00:07:50,639

just keep getting the stories out there

164

00:07:55,790 --> 00:07:53,880

there's so much going on around us that

165

00:07:58,850 --> 00:07:55,800

those stories need to be told especially

166

00:08:01,490 --> 00:07:58,860

nowadays yeah yeah

167

00:08:03,589 --> 00:08:01,500

well you know you and I since we met

168

00:08:06,050 --> 00:08:03,599

have kept in touch with a lot of stuff

169

00:08:08,510 --> 00:08:06,060

that been going on especially with this

170

00:08:10,510 --> 00:08:08,520

the dog man in upright canine sightings

171

00:08:14,870 --> 00:08:10,520

here in Pennsylvania for the most part

172

00:08:17,150 --> 00:08:14,880

and uh you know you have you have been

173

00:08:19,309 --> 00:08:17,160

out to uh Wisconsin you have been out to

174

00:08:22,369 --> 00:08:19,319

Bray Road you've done documentary out

175

00:08:24,890 --> 00:08:22,379

there you've uh followed that

176

00:08:26,570 --> 00:08:24,900

um and had an encounter with the with

177

00:08:29,510 --> 00:08:26,580

the dog had an encounter absolutely

178

00:08:31,369 --> 00:08:29,520

which was like you know for me this was

179

00:08:33,589 --> 00:08:31,379

October 3rd the night of October 3rd

180

00:08:35,510 --> 00:08:33,599

2021. you know I thought we were going

181

00:08:37,190 --> 00:08:35,520

to go out there it was it was me Dominic

182

00:08:39,949 --> 00:08:37,200

and I'm sure some of your listeners will

183

00:08:41,750 --> 00:08:39,959

remember this me Dominic Bell Ellen

184

00:08:43,790 --> 00:08:41,760

Collins who actually you know she made

185

00:08:45,769 --> 00:08:43,800

this video happen for us and her son

186

00:08:49,130 --> 00:08:45,779

Scott and you know you've interviewed

187

00:08:51,230 --> 00:08:49,140

Lee hampel and we were on Lee's property

188

00:08:52,850 --> 00:08:51,240

that night and honestly I went out there

189

00:08:54,470 --> 00:08:52,860

thinking hey we're going to get a great

190

00:08:57,650 --> 00:08:54,480

documentary we're gonna hear some great

191

00:08:59,389 --> 00:08:57,660

stories not ever thinking once that we'd

192

00:09:02,090 --> 00:08:59,399

actually encounter this thing that night

193

00:09:03,769 --> 00:09:02,100

of October 3rd and the stuff that

194

00:09:06,170 --> 00:09:03,779

happened that night it was like we hit

195

00:09:07,970 --> 00:09:06,180

the Paranormal Lottery man it was

196

00:09:09,889 --> 00:09:07,980

amazing and people could see that on our

197

00:09:13,190 --> 00:09:09,899

video It's called The Beast of Bray Road

198

00:09:16,970 --> 00:09:13,200

alive and well uh we had a trifecta of

199

00:09:19,310 --> 00:09:16,980

of activity and actually caught what we

200

00:09:20,810 --> 00:09:19,320

heard and saw on video which is

201
00:09:23,210 --> 00:09:20,820
incredible

202
00:09:25,009 --> 00:09:23,220
so I I know you're working on something

203
00:09:28,009 --> 00:09:25,019
now once you tell the folks a bit about

204
00:09:29,930 --> 00:09:28,019
it yeah well you know so you know in

205
00:09:32,150 --> 00:09:29,940
2016 you know I've always loved the

206
00:09:34,070 --> 00:09:32,160
Paranormal and in 2016 I started Eric

207
00:09:35,449 --> 00:09:34,080
mantel investigates it was originally

208
00:09:37,490 --> 00:09:35,459
called Bucks County paranormal

209
00:09:39,650 --> 00:09:37,500
investigation that's where we are here

210
00:09:42,949 --> 00:09:39,660
in Bucks County Pennsylvania love the

211
00:09:45,530 --> 00:09:42,959
area very rich in history a lot of

212
00:09:48,170 --> 00:09:45,540
paranormal history I mean just it's just

213
00:09:49,910 --> 00:09:48,180

off the charts with paranormal and I

214

00:09:52,310 --> 00:09:49,920

decided look I wanted to tell those

215

00:09:54,590 --> 00:09:52,320

stories I was I saw some of the programs

216

00:09:57,290 --> 00:09:54,600

on TV and I said to myself I can do that

217

00:09:59,449 --> 00:09:57,300

I can do that you know and when Dominic

218

00:10:01,850 --> 00:09:59,459

came into the and Dominic and I had

219

00:10:03,230 --> 00:10:01,860

known each other in high school and we

220

00:10:06,170 --> 00:10:03,240

used to practice martial arts together

221

00:10:08,630 --> 00:10:06,180

years ago but then he got married I

222

00:10:10,850 --> 00:10:08,640

wound up getting married and just we had

223

00:10:16,730 --> 00:10:10,860

a whole you know our lives went that way

224

00:10:19,070 --> 00:10:16,740

for like 26 27 years and then in 2017 he

225

00:10:20,750 --> 00:10:19,080

came back into the into the mix through

226

00:10:23,449 --> 00:10:20,760

a friend and then told me that he's also

227

00:10:26,030 --> 00:10:23,459

also a spirit medium which I never knew

228

00:10:27,829 --> 00:10:26,040

and I knew him all those years in high

229

00:10:29,930 --> 00:10:27,839

school and I never knew this about him

230

00:10:32,389 --> 00:10:29,940

so he's like I could probably be an

231

00:10:34,190 --> 00:10:32,399

asset to your shell and I said that'd be

232

00:10:36,410 --> 00:10:34,200

great so he's been working with us since

233

00:10:38,930 --> 00:10:36,420

2017 and I'll tell you it's been

234

00:10:41,509 --> 00:10:38,940

incredible because I will get the

235

00:10:43,490 --> 00:10:41,519

history of some of these venues and some

236

00:10:46,009 --> 00:10:43,500

of the locations that were that were

237

00:10:47,449 --> 00:10:46,019

going to investigate and I won't tell

238

00:10:49,670 --> 00:10:47,459

anything to Dominic I won't say anything

239

00:10:52,970 --> 00:10:49,680

where we're going what who you know what

240

00:10:54,949 --> 00:10:52,980

the history is until we get there and

241

00:10:56,630 --> 00:10:54,959

and all of a sudden he goes right to

242

00:10:57,410 --> 00:10:56,640

those hot spots which I already know

243

00:10:59,410 --> 00:10:57,420

about

244

00:11:02,389 --> 00:10:59,420

and that's really cool to get on camera

245

00:11:04,730 --> 00:11:02,399

and to corroborate what he's feeling to

246

00:11:06,889 --> 00:11:04,740

what actually is going on or has gone on

247

00:11:10,850 --> 00:11:06,899

there you know story-wise from people's

248

00:11:13,550 --> 00:11:10,860

accounts and and uh and feelings so we

249

00:11:16,130 --> 00:11:13,560

are now working on tomorrow as a matter

250

00:11:18,290 --> 00:11:16,140

of fact tomorrow uh which is uh February

251

00:11:20,930 --> 00:11:18,300

6 uh what is it eight the 18th tomorrow

252

00:11:23,870 --> 00:11:20,940

18. we're gonna we're gonna work on part

253

00:11:28,490 --> 00:11:23,880

two of hallowed grounds at the homestead

254

00:11:29,690 --> 00:11:28,500

this is a 1759 farmhouse in Boyertown

255

00:11:31,910 --> 00:11:29,700

Pennsylvania

256

00:11:34,250 --> 00:11:31,920

there's a story there that we did in

257

00:11:36,290 --> 00:11:34,260

part one that we didn't even get a

258

00:11:38,449 --> 00:11:36,300

chance to do the rest of the house we

259

00:11:41,329 --> 00:11:38,459

had to stop because the owner of the oak

260

00:11:44,030 --> 00:11:41,339

the house I say she got bum rushed by

261

00:11:45,829 --> 00:11:44,040

the spirit that was there that night it

262

00:11:47,269 --> 00:11:45,839

was it was a and people could see how

263

00:11:49,310 --> 00:11:47,279

the grounds of the homestead part one

264

00:11:50,630 --> 00:11:49,320

but this is part two we're gonna go

265

00:11:52,069 --> 00:11:50,640

through the we're gonna go through the

266

00:11:54,110 --> 00:11:52,079

rest of the house

267

00:11:56,269 --> 00:11:54,120

um and that's going to be tomorrow and

268

00:11:58,130 --> 00:11:56,279

I'll tell you what Lon this is like this

269

00:12:00,230 --> 00:11:58,140

is a really incredible story this uh

270

00:12:01,810 --> 00:12:00,240

Beth and Jacob are the owners of this

271

00:12:04,790 --> 00:12:01,820

home and they also own a great

272

00:12:07,190 --> 00:12:04,800

architectural salvage company uh uh it's

273

00:12:08,569 --> 00:12:07,200

called new spirit old soul great and you

274

00:12:10,850 --> 00:12:08,579

like kind of if you like Architectural

275

00:12:12,050 --> 00:12:10,860

Salvage it's the place to go so we're

276

00:12:13,730 --> 00:12:12,060

gonna go we're gonna be doing that

277

00:12:15,769 --> 00:12:13,740

tomorrow and uh that's going to be an

278

00:12:17,690 --> 00:12:15,779

all-day shoot and into the night which

279

00:12:19,550 --> 00:12:17,700

is going to be a lot of fun

280

00:12:20,990 --> 00:12:19,560

um so interesting to find out what

281

00:12:23,569 --> 00:12:21,000

happens tomorrow night so that's going

282

00:12:26,150 --> 00:12:23,579

to be cool uh and then we've got a video

283

00:12:28,069 --> 00:12:26,160

coming up actually in two weeks which

284

00:12:29,690 --> 00:12:28,079

has a connection with you

285

00:12:33,170 --> 00:12:29,700

uh we're gonna be at the Water Wheel

286

00:12:35,090 --> 00:12:33,180

restaurant in Doylestown and you had

287

00:12:37,790 --> 00:12:35,100

sent me a cup about a year or so ago

288

00:12:39,170 --> 00:12:37,800

there was a dog Man sighting literally

289

00:12:41,810 --> 00:12:39,180

right down the street from this

290

00:12:43,730 --> 00:12:41,820

restaurant right there at the bridge I

291

00:12:45,530 --> 00:12:43,740

mean yeah I couldn't believe it I said

292

00:12:46,910 --> 00:12:45,540

you've got to be kidding me so here

293

00:12:51,310 --> 00:12:46,920

we're gonna we're gonna look into that

294

00:12:56,150 --> 00:12:53,870

there's something about Doylestown I I

295

00:12:57,889 --> 00:12:56,160

don't know what it is but there's a lot

296

00:13:00,170 --> 00:12:57,899

goes on there I mean it really does I

297

00:13:03,050 --> 00:13:00,180

hear I hear dolestown pop up well I hear

298

00:13:06,650 --> 00:13:03,060

Bucks County coming up a lot but uh yeah

299

00:13:09,710 --> 00:13:06,660

dolestown we've had several

300

00:13:11,210 --> 00:13:09,720

canine sightings in in dolestown yeah

301

00:13:13,550 --> 00:13:11,220

I'll tell you what and the other thing

302

00:13:15,290 --> 00:13:13,560

that's going on right now too now we've

303

00:13:18,829 --> 00:13:15,300

got all these reports of the UFOs right

304

00:13:20,810 --> 00:13:18,839

the UAP yeah like that well now we've

305

00:13:22,970 --> 00:13:20,820

got we've been it's been an ongoing

306

00:13:25,730 --> 00:13:22,980

thing we're going we're doing a UFO

307

00:13:28,009 --> 00:13:25,740

video where we're getting I'm getting a

308

00:13:29,449 --> 00:13:28,019

lot of UFO reports from people that are

309

00:13:31,310 --> 00:13:29,459

drawing what they're seeing they're

310

00:13:33,410 --> 00:13:31,320

sending it to me they're taking video

311

00:13:35,990 --> 00:13:33,420

there was a nurse at Doylestown Hospital

312

00:13:39,050 --> 00:13:36,000

and you'll see this in our video she

313

00:13:41,449 --> 00:13:39,060

took a video in the daylight of three

314

00:13:43,670 --> 00:13:41,459

lights in a triangular formation right

315

00:13:45,470 --> 00:13:43,680

over 611.

316

00:13:48,110 --> 00:13:45,480

um it's right there and the weird thing

317

00:13:49,670 --> 00:13:48,120

is they go from a triangle to a straight

318

00:13:52,370 --> 00:13:49,680

line

319

00:13:55,910 --> 00:13:52,380

and it was very odd middle of the day

320

00:13:57,650 --> 00:13:55,920

so uh we did we did interviews we've got

321

00:14:00,230 --> 00:13:57,660

those in the can we've got that edited

322

00:14:02,569 --> 00:14:00,240

the last thing we're going to do is on

323

00:14:05,269 --> 00:14:02,579

this property we we interviewed Mitch

324

00:14:07,610 --> 00:14:05,279

and Robin Sherman these guys are great

325

00:14:09,769 --> 00:14:07,620

they they do not mind being on camera

326

00:14:11,629 --> 00:14:09,779

they want their story told he's been

327

00:14:14,870 --> 00:14:11,639

seeing this object and it's almost like

328

00:14:18,350 --> 00:14:14,880

a seasonal thing where between April May

329

00:14:20,269 --> 00:14:18,360

June it comes out almost every night and

330

00:14:22,190 --> 00:14:20,279

it looks like and he sent me his video

331

00:14:25,370 --> 00:14:22,200

and you'll see it in the video it's an

332

00:14:27,710 --> 00:14:25,380

orb with multiple lights coming off of

333

00:14:29,750 --> 00:14:27,720

it and it's moving it's not a stationary

334

00:14:32,150 --> 00:14:29,760

thing it's moving and there's other

335

00:14:34,490 --> 00:14:32,160

objects going to and from it

336

00:14:36,350 --> 00:14:34,500

so what we're going to do is we're going

337

00:14:38,750 --> 00:14:36,360

to do a night investigation on his

338

00:14:39,889 --> 00:14:38,760

property and he said it's no problem and

339

00:14:40,670 --> 00:14:39,899

we're going to try to get this thing on

340

00:14:42,530 --> 00:14:40,680

video

341

00:14:43,730 --> 00:14:42,540

so that's going to be really cool and

342

00:14:45,050 --> 00:14:43,740

we're gonna we're gonna wait till it

343

00:14:47,590 --> 00:14:45,060

warms up a little bit which is not too

344

00:14:50,569 --> 00:14:47,600

bad now so

345

00:14:52,129 --> 00:14:50,579

but uh yeah so we've got a bunch of

346

00:14:53,930 --> 00:14:52,139

stuff going on and then we're doing uh

347

00:14:56,389 --> 00:14:53,940

you know speaking of Bucks County we're

348

00:14:58,009 --> 00:14:56,399

going to do a new hope uh and that's in

349

00:15:00,230 --> 00:14:58,019

Bucks County too the uh the UFO video

350

00:15:02,689 --> 00:15:00,240

we're going to do the New Hope Railroad

351

00:15:04,610 --> 00:15:02,699

the haunted railroad line

352

00:15:06,650 --> 00:15:04,620

uh which is going to be cool so that's

353

00:15:08,689 --> 00:15:06,660

coming up too

354

00:15:10,910 --> 00:15:08,699

um a lot of history there and a lot of

355

00:15:12,889 --> 00:15:10,920

really strange occurrences

356

00:15:15,290 --> 00:15:12,899

um you're talking you know the reports

357

00:15:16,970 --> 00:15:15,300

that you're getting I saw the same thing

358

00:15:19,009 --> 00:15:16,980

and I got a report you probably heard

359

00:15:20,569 --> 00:15:19,019

this too there was a Bigfoot sighting

360

00:15:21,710 --> 00:15:20,579

here not too long ago maybe about four

361

00:15:24,550 --> 00:15:21,720

months ago

362

00:15:28,310 --> 00:15:24,560

uh Father and Son were driving on 611

363

00:15:29,210 --> 00:15:28,320

and they saw an eight foot Shadow across

364

00:15:31,970 --> 00:15:29,220

the road

365

00:15:32,870 --> 00:15:31,980

and uh and they swore it was a Bigfoot

366

00:15:34,250 --> 00:15:32,880

so

367

00:15:35,810 --> 00:15:34,260

um I tried to reach out to them try to

368

00:15:38,750 --> 00:15:35,820

get an interview happening so I'm still

369

00:15:41,269 --> 00:15:38,760

working on that but uh yeah some strange

370

00:15:43,670 --> 00:15:41,279

things going on here for sure

371

00:15:46,610 --> 00:15:43,680

yeah we've been getting we've been

372

00:15:49,250 --> 00:15:46,620

getting a fair amount of sightings of

373

00:15:52,430 --> 00:15:49,260

Cryptids and UFOs in eastern

374

00:15:54,050 --> 00:15:52,440

Pennsylvania more last couple years more

375

00:15:54,949 --> 00:15:54,060

so

376

00:15:57,530 --> 00:15:54,959

um

377

00:15:59,210 --> 00:15:57,540

I'd say east of the Susquehanna going

378

00:16:02,329 --> 00:15:59,220

towards the Delaware River I mean you

379

00:16:05,569 --> 00:16:02,339

know it in that area uh and of course

380

00:16:07,730 --> 00:16:05,579

you know we've been involved with Matt

381

00:16:08,689 --> 00:16:07,740

harack and what's going on out here

382

00:16:12,350 --> 00:16:08,699

right

383

00:16:14,810 --> 00:16:12,360

out there French Creek and um I he he

384

00:16:16,189 --> 00:16:14,820

gathered some photographs not long I

385

00:16:18,110 --> 00:16:16,199

don't know if he sent them to you did he

386

00:16:19,850 --> 00:16:18,120

he didn't send anything to me but he

387

00:16:21,769 --> 00:16:19,860

sent me the drawing that he made man I

388

00:16:25,009 --> 00:16:21,779

didn't get them I got it I got it oh

389

00:16:26,629 --> 00:16:25,019

yeah he's got some older he's got a

390

00:16:30,350 --> 00:16:26,639

photograph

391

00:16:33,889 --> 00:16:30,360

of a tree I I think it's probably a

392

00:16:35,750 --> 00:16:33,899

spruce but it like 15 foot up it's got

393

00:16:38,389 --> 00:16:35,760

claw marks on it like this thing is get

394

00:16:40,370 --> 00:16:38,399

they ripped all the bark off of it wow

395

00:16:41,629 --> 00:16:40,380

okay so I don't I don't know what the

396

00:16:44,389 --> 00:16:41,639

hell that was

397

00:16:45,949 --> 00:16:44,399

um you know the there's something in

398

00:16:48,530 --> 00:16:45,959

there though I mean there's something

399

00:16:50,650 --> 00:16:48,540

definitely in there he he's been mapping

400

00:16:53,990 --> 00:16:50,660

and scouting areas

401
00:16:55,550 --> 00:16:54,000
I got to reach back yeah we got uh we

402
00:16:57,590 --> 00:16:55,560
got sidetracked with a lot of stuff here

403
00:16:59,329 --> 00:16:57,600
but yeah we we wanted to get out there

404
00:17:00,530 --> 00:16:59,339
and do an investigation with him in the

405
00:17:02,749 --> 00:17:00,540
park to try to figure out what's going

406
00:17:04,490 --> 00:17:02,759
on so that is gonna that's gonna happen

407
00:17:06,110 --> 00:17:04,500
maybe in the spring but we just gotta

408
00:17:08,090 --> 00:17:06,120
kind of coordinate get our schedules

409
00:17:09,949 --> 00:17:08,100
together but yeah yeah because I

410
00:17:11,510 --> 00:17:09,959
definitely want to go up there I uh you

411
00:17:15,110 --> 00:17:11,520
know when I get all those other crap

412
00:17:17,150 --> 00:17:15,120
taken care of with me yeah I definitely

413
00:17:19,669 --> 00:17:17,160

want to get out there and and see what's

414

00:17:21,949 --> 00:17:19,679

going on because you know Butch Butch

415

00:17:24,890 --> 00:17:21,959

used to have his research area in there

416

00:17:27,230 --> 00:17:24,900

and uh wow you know he he always said

417

00:17:29,210 --> 00:17:27,240

there was a lot going on in there but he

418

00:17:30,770 --> 00:17:29,220

you know he never really got specific

419

00:17:33,830 --> 00:17:30,780

with me

420

00:17:36,590 --> 00:17:33,840

um but he was positive there was cryptic

421

00:17:38,570 --> 00:17:36,600

canine activity at French Creek yeah

422

00:17:41,210 --> 00:17:38,580

well I didn't you know then Matt has

423

00:17:42,830 --> 00:17:41,220

this encounter and then you know so oh

424

00:17:45,169 --> 00:17:42,840

yeah Matt's encounter I know that show

425

00:17:46,669 --> 00:17:45,179

came to his foundation man yeah like I

426
00:17:48,650 --> 00:17:46,679
mean he's he's still wrapping his head

427
00:17:50,630 --> 00:17:48,660
around what it was just like we were

428
00:17:51,710 --> 00:17:50,640
just like we are with with Elkhorn you

429
00:17:54,350 --> 00:17:51,720
know trying to figure out what that was

430
00:17:56,570 --> 00:17:54,360
you know the theory was could these

431
00:17:59,630 --> 00:17:56,580
things be traveling from portal to

432
00:18:02,330 --> 00:17:59,640
portal right this was an idea you know

433
00:18:04,430 --> 00:18:02,340
somebody said we should map where the

434
00:18:06,650 --> 00:18:04,440
sightings are taking place on those on

435
00:18:08,630 --> 00:18:06,660
that particular day and then the next

436
00:18:10,370 --> 00:18:08,640
day if there's a if there's a sighting

437
00:18:12,409 --> 00:18:10,380
of a dog man somewhere in in another

438
00:18:14,870 --> 00:18:12,419

part of the country or the world for

439

00:18:17,750 --> 00:18:14,880

that matter find out see if we can map

440

00:18:20,450 --> 00:18:17,760

these areas somehow and see where these

441

00:18:21,710 --> 00:18:20,460

occurrences are taking place I mean you

442

00:18:24,470 --> 00:18:21,720

know I mean it's really out there

443

00:18:26,690 --> 00:18:24,480

talking about this right but again would

444

00:18:30,010 --> 00:18:26,700

we even be talking about this not even

445

00:18:33,770 --> 00:18:30,020

10 years ago man wow

446

00:18:36,409 --> 00:18:33,780

it's so commonplace now I I I'm more

447

00:18:39,770 --> 00:18:36,419

convinced of the the ultra terrestrial

448

00:18:42,529 --> 00:18:39,780

or interdimensional Theory now than I

449

00:18:44,450 --> 00:18:42,539

ever have been because uh you know what

450

00:18:47,270 --> 00:18:44,460

especially since getting involved with

451
00:18:48,590 --> 00:18:47,280
this stuff in Chicago and uh you know

452
00:18:50,870 --> 00:18:48,600
I'm

453
00:18:54,350 --> 00:18:50,880
pretty sure that there's some type of

454
00:18:56,270 --> 00:18:54,360
involvement there Supernatural wise so

455
00:18:59,150 --> 00:18:56,280
um yeah I mean it's for and I've I've

456
00:19:01,850 --> 00:18:59,160
thought for a long time that cryptids in

457
00:19:04,250 --> 00:19:01,860
the for the most part are you know are

458
00:19:08,450 --> 00:19:04,260
Interventional beings and uh

459
00:19:10,610 --> 00:19:08,460
so yeah I mean absolutely that's an

460
00:19:13,010 --> 00:19:10,620
interest that's an interesting concept I

461
00:19:14,750 --> 00:19:13,020
mean maybe we could do something like

462
00:19:15,890 --> 00:19:14,760
that I don't know I don't know I mean

463
00:19:17,630 --> 00:19:15,900

that would be good to get with

464

00:19:18,830 --> 00:19:17,640

researchers in different parts of the

465

00:19:20,390 --> 00:19:18,840

country and see if you know because we

466

00:19:21,710 --> 00:19:20,400

all have to work together you know

467

00:19:24,409 --> 00:19:21,720

that's the whole thing we can work

468

00:19:25,850 --> 00:19:24,419

together and try to get that that

469

00:19:27,049 --> 00:19:25,860

information together that would be

470

00:19:29,090 --> 00:19:27,059

phenomenal

471

00:19:30,830 --> 00:19:29,100

um but yeah I mean it's just a lot of

472

00:19:33,169 --> 00:19:30,840

the stuff that's going on is just it's

473

00:19:35,870 --> 00:19:33,179

some of it you can explain but there's a

474

00:19:37,310 --> 00:19:35,880

lot that you can't explain and it's like

475

00:19:39,770 --> 00:19:37,320

um you know we're talking about those

476

00:19:42,110 --> 00:19:39,780

uaps and the Spy balloons and things

477

00:19:44,330 --> 00:19:42,120

like that I think what the what those

478

00:19:45,650 --> 00:19:44,340

Pilots are shooting down I don't think I

479

00:19:47,210 --> 00:19:45,660

you know I could be wrong but I don't

480

00:19:49,789 --> 00:19:47,220

think they're those Tic-Tac objects

481

00:19:51,770 --> 00:19:49,799

because because those things are moving

482

00:19:52,789 --> 00:19:51,780

at 15 000 miles an hour there's no way

483

00:19:55,610 --> 00:19:52,799

they're gonna be able to shoot those

484

00:19:58,430 --> 00:19:55,620

things down but you know the way uh

485

00:20:01,010 --> 00:19:58,440

favor you know described how it was

486

00:20:02,750 --> 00:20:01,020

moving and uh but these things that

487

00:20:04,070 --> 00:20:02,760

they're seeing now are moving very slow

488

00:20:05,930 --> 00:20:04,080

so

489

00:20:08,150 --> 00:20:05,940

um and then one I just heard I just read

490

00:20:09,950 --> 00:20:08,160

a report that a science club or

491

00:20:12,470 --> 00:20:09,960

something thinks it was one of their

492

00:20:14,090 --> 00:20:12,480

balloons that they were sending up and

493

00:20:15,529 --> 00:20:14,100

uh for like some kind of weather some

494

00:20:16,850 --> 00:20:15,539

kind of weather experiment so you're

495

00:20:18,049 --> 00:20:16,860

going to hear all kinds of stories right

496

00:20:19,430 --> 00:20:18,059

you're going to hear all kinds of

497

00:20:21,830 --> 00:20:19,440

different things now

498

00:20:23,510 --> 00:20:21,840

they're watching for this stuff now I

499

00:20:25,430 --> 00:20:23,520

mean you know it's something that they

500

00:20:28,490 --> 00:20:25,440

they probably wouldn't even thought of

501
00:20:30,669 --> 00:20:28,500
yeah you see a balloon-like object or

502
00:20:33,049 --> 00:20:30,679
something up in the sky it's it's slow

503
00:20:34,430 --> 00:20:33,059
and they just think well you know

504
00:20:36,409 --> 00:20:34,440
somebody's got a balloon or there's

505
00:20:39,650 --> 00:20:36,419
something you know and they're not even

506
00:20:41,930 --> 00:20:39,660
gonna fool with it but now you know now

507
00:20:43,669 --> 00:20:41,940
they're all high alerts oh yeah well you

508
00:20:45,409 --> 00:20:43,679
know we've gone from looking down at our

509
00:20:47,270 --> 00:20:45,419
phones now to looking up which is good

510
00:20:49,310 --> 00:20:47,280
you know which is a good thing that is

511
00:20:50,930 --> 00:20:49,320
good I mean we should have had eyes on

512
00:20:53,090 --> 00:20:50,940
the sky for the last 20 years here

513
00:20:55,010 --> 00:20:53,100

because that's what's been going on I

514

00:20:57,289 --> 00:20:55,020

mean you know this goes way back I mean

515

00:20:59,330 --> 00:20:57,299

it goes back to look at the Foo Fighters

516

00:21:02,750 --> 00:20:59,340

that the World War II Pilots were seeing

517

00:21:04,430 --> 00:21:02,760

right this goes way back to that

518

00:21:06,350 --> 00:21:04,440

um there was a picture I think right

519

00:21:09,049 --> 00:21:06,360

before Roswell or maybe a week after

520

00:21:12,470 --> 00:21:09,059

Roswell happened there was a picture

521

00:21:13,310 --> 00:21:12,480

taken of a UFO in Roswell scanning the

522

00:21:15,830 --> 00:21:13,320

area

523

00:21:17,990 --> 00:21:15,840

and this was a week after Roswell that

524

00:21:20,510 --> 00:21:18,000

some I forget who took the picture but

525

00:21:23,029 --> 00:21:20,520

it looks exactly like what was described

526

00:21:24,770 --> 00:21:23,039

that crashed at Roswell

527

00:21:29,029 --> 00:21:24,780

now here's the other here's the other

528

00:21:31,010 --> 00:21:29,039

idea was this looking for the crew

529

00:21:34,070 --> 00:21:31,020

was it looking for that you know it was

530

00:21:36,350 --> 00:21:34,080

looking for their their kind to you know

531

00:21:38,510 --> 00:21:36,360

to see what happened

532

00:21:40,490 --> 00:21:38,520

um you know and then you've got Usos you

533

00:21:41,930 --> 00:21:40,500

know I always thought I don't know what

534

00:21:43,669 --> 00:21:41,940

your feeling is about this but I always

535

00:21:46,490 --> 00:21:43,679

thought that they were already here

536

00:21:49,669 --> 00:21:46,500

they're already in the oceans

537

00:21:51,649 --> 00:21:49,679

well my thought on those is

538

00:21:54,350 --> 00:21:51,659

that um

539

00:21:56,450 --> 00:21:54,360

I I do believe in some areas there are

540

00:21:58,850 --> 00:21:56,460

underground facilities underwater

541

00:22:01,190 --> 00:21:58,860

facilities

542

00:22:03,770 --> 00:22:01,200

certain areas in particular

543

00:22:07,330 --> 00:22:03,780

um you know I used to get a lot of Uso

544

00:22:10,970 --> 00:22:07,340

sightings up in Lake Ontario

545

00:22:14,930 --> 00:22:10,980

that area up there for whatever reason

546

00:22:17,870 --> 00:22:14,940

has had a lot of sightings of crap

547

00:22:20,690 --> 00:22:17,880

coming out of the water uh Lake Michigan

548

00:22:24,430 --> 00:22:20,700

Lake Michigan's another one yep

549

00:22:27,770 --> 00:22:24,440

um down in the Gulf near uh Pensacola

550

00:22:30,409 --> 00:22:27,780

areas like that um Catalina Island

551

00:22:33,230 --> 00:22:30,419

Catalina of course yeah absolutely

552

00:22:37,370 --> 00:22:33,240

yeah so I I think there's something to

553

00:22:41,029 --> 00:22:37,380

it I I do I mean you know uh but um yeah

554

00:22:43,130 --> 00:22:41,039

that Uso phenomena is kind of bizarre of

555

00:22:45,710 --> 00:22:43,140

course we talk about the um

556

00:22:47,750 --> 00:22:45,720

the one that uh that happened in Nova

557

00:22:50,870 --> 00:22:47,760

Scotia what was that oh yeah that was

558

00:22:53,390 --> 00:22:50,880

the year I was born in 1967 yep yeah

559

00:22:55,430 --> 00:22:53,400

that was like those the orange lights

560

00:22:57,830 --> 00:22:55,440

that came down right into right into the

561

00:23:00,529 --> 00:22:57,840

ocean you know and the other thing is

562

00:23:02,870 --> 00:23:00,539

too even in Elkhorn I mean when we when

563

00:23:05,450 --> 00:23:02,880

we were in Elkhorn we saw the first

564

00:23:08,390 --> 00:23:05,460

thing we saw was the UFO

565

00:23:10,010 --> 00:23:08,400

um it was we had we thought we'd have to

566

00:23:11,570 --> 00:23:10,020

wind up scrubbing the investigation

567

00:23:13,490 --> 00:23:11,580

because it looked like it was going to

568

00:23:16,789 --> 00:23:13,500

rain we were in Lee's barn and he's

569

00:23:18,770 --> 00:23:16,799

showing us mind-blowing pictures of you

570

00:23:22,010 --> 00:23:18,780

know hair samples translucent hair

571

00:23:23,990 --> 00:23:22,020

samples weird lights in the woods these

572

00:23:26,510 --> 00:23:24,000

videos of of these weird lights in the

573

00:23:27,590 --> 00:23:26,520

woods and orbs and things like that so

574

00:23:36,830 --> 00:23:27,600

he

575

00:23:38,210 --> 00:23:36,840

were to it was totally clear Dominic

576
00:23:40,669 --> 00:23:38,220
looks up and that was the first thing he

577
00:23:42,529 --> 00:23:40,679
said is what the hell is that and he

578
00:23:44,990 --> 00:23:42,539
looks and we look over and here we look

579
00:23:47,330 --> 00:23:45,000
up and we caught it on video it's just a

580
00:23:49,190 --> 00:23:47,340
solid orb of what I remember seeing it

581
00:23:51,289 --> 00:23:49,200
yeah going over the field

582
00:23:52,970 --> 00:23:51,299
so that was I mean that was amazing and

583
00:23:54,830 --> 00:23:52,980
we tried it we tracked it where we said

584
00:23:56,870 --> 00:23:54,840
it was it was not a space station it

585
00:23:59,450 --> 00:23:56,880
wasn't a satellite

586
00:24:01,789 --> 00:23:59,460
um and then Pro maybe about two or three

587
00:24:03,830 --> 00:24:01,799
months prior to that we had a meeting

588
00:24:07,610 --> 00:24:03,840

with a woman in Doylestown again

589

00:24:10,549 --> 00:24:07,620

Doylestown where she looked out her

590

00:24:12,169 --> 00:24:10,559

window and sees these lights and all

591

00:24:14,630 --> 00:24:12,179

these white twinkling lights just

592

00:24:16,610 --> 00:24:14,640

hovering over the lake that's at that's

593

00:24:18,649 --> 00:24:16,620

here it's in Peace Valley Park there's a

594

00:24:21,289 --> 00:24:18,659

great man-made lake

595

00:24:22,669 --> 00:24:21,299

um well she goes outside because she

596

00:24:23,810 --> 00:24:22,679

didn't think it was it was maybe she

597

00:24:26,570 --> 00:24:23,820

thought it was reflection or something

598

00:24:29,270 --> 00:24:26,580

in the house she goes outside she's like

599

00:24:31,669 --> 00:24:29,280

yeah I am seeing this and here it was at

600

00:24:34,070 --> 00:24:31,679

least 50 of these white lights just

601
00:24:35,930 --> 00:24:34,080
blinking hovering blinking blink blink

602
00:24:37,730 --> 00:24:35,940
and you can see this on our videos UFOs

603
00:24:40,370 --> 00:24:37,740
over Doylestown this is our part one of

604
00:24:42,289 --> 00:24:40,380
that uh you could not believe and she

605
00:24:44,210 --> 00:24:42,299
got it on video she got this on video

606
00:24:45,890 --> 00:24:44,220
and then she was using a laser pointer

607
00:24:48,289 --> 00:24:45,900
to see if she could attract something

608
00:24:50,210 --> 00:24:48,299
and they were moving slightly and she

609
00:24:53,690 --> 00:24:50,220
put the laser pointer on one and then it

610
00:24:55,130 --> 00:24:53,700
stopped and that really scared her so

611
00:24:56,810 --> 00:24:55,140
she went back in the house and that was

612
00:24:58,610 --> 00:24:56,820
it and she that was that was the end of

613
00:25:00,470 --> 00:24:58,620

that but at least she shared and right

614

00:25:03,649 --> 00:25:00,480

after that she sent me the video and

615

00:25:05,990 --> 00:25:03,659

that was April of 2021.

616

00:25:08,330 --> 00:25:06,000

um and then and then I've got this nurse

617

00:25:10,190 --> 00:25:08,340

sending me the video then I've got uh

618

00:25:11,810 --> 00:25:10,200

the guy that's been documenting this

619

00:25:13,250 --> 00:25:11,820

this object for the last two and a half

620

00:25:16,549 --> 00:25:13,260

years

621

00:25:18,230 --> 00:25:16,559

so there's something going on I'm you

622

00:25:20,990 --> 00:25:18,240

know lawn and I've told you this before

623

00:25:23,210 --> 00:25:21,000

I'm more of a believer in the UFO

624

00:25:25,370 --> 00:25:23,220

phenomena the Bigfoot phenomena dog man

625

00:25:27,110 --> 00:25:25,380

phenomena but when it comes to the ghost

626

00:25:30,830 --> 00:25:27,120

situation I'm a little bit more

627

00:25:32,630 --> 00:25:30,840

skeptical uh that I really want to know

628

00:25:35,269 --> 00:25:32,640

what's going on maybe scientifically

629

00:25:36,950 --> 00:25:35,279

let's look at this or let's see could

630

00:25:38,570 --> 00:25:36,960

what's that sound in the basement could

631

00:25:40,730 --> 00:25:38,580

it be pipes in the basement or could it

632

00:25:43,430 --> 00:25:40,740

be you know footsteps from an animal on

633

00:25:46,010 --> 00:25:43,440

the roof or something but I do have to

634

00:25:48,529 --> 00:25:46,020

say though with that being said and with

635

00:25:51,950 --> 00:25:48,539

what we have caught on camera and during

636

00:25:54,710 --> 00:25:51,960

our Ghost Encounters and what we did

637

00:25:56,330 --> 00:25:54,720

what happened at the 1759 Farmhouse I'm

638

00:25:59,450 --> 00:25:56,340

more of a believer in that there's a

639

00:26:00,890 --> 00:25:59,460

very thin veil from here to there and

640

00:26:04,970 --> 00:26:00,900

that people are seeing something I mean

641

00:26:07,070 --> 00:26:04,980

people are seeing and sensing something

642

00:26:10,070 --> 00:26:07,080

because I always think that maybe

643

00:26:12,890 --> 00:26:10,080

people's antenna are more attuned to

644

00:26:16,549 --> 00:26:12,900

those uh entities you but whether it's

645

00:26:18,890 --> 00:26:16,559

UFOs Bigfoot ghosts dogmen whatever uh

646

00:26:21,110 --> 00:26:18,900

they're more attuned to that than the

647

00:26:23,029 --> 00:26:21,120

average person you know do you ever go

648

00:26:25,730 --> 00:26:23,039

into a place do you have that ability

649

00:26:27,110 --> 00:26:25,740

because I don't where you go into a

650

00:26:29,149 --> 00:26:27,120

place and you could feel what's going

651
00:26:31,190 --> 00:26:29,159
that energy there

652
00:26:33,590 --> 00:26:31,200
um Dominic has that which he can yeah

653
00:26:35,810 --> 00:26:33,600
I'm an intuitive so I I can sense a lot

654
00:26:37,310 --> 00:26:35,820
of different stuff at certain times I

655
00:26:39,230 --> 00:26:37,320
wish I had that maybe I do and I just

656
00:26:41,090 --> 00:26:39,240
haven't developed that musically for

657
00:26:43,190 --> 00:26:41,100
sure I have that but not you know that's

658
00:26:45,230 --> 00:26:43,200
another thing but going into a place

659
00:26:47,870 --> 00:26:45,240
there is one place that I do have to say

660
00:26:49,430 --> 00:26:47,880
that I did feel like that feeling of

661
00:26:51,890 --> 00:26:49,440
vertigo where it was like you're kind of

662
00:26:54,590 --> 00:26:51,900
like dizzy was um at The hanoverville

663
00:26:57,049 --> 00:26:54,600

Roadhouse in Bethlehem Pennsylvania we

664

00:26:59,450 --> 00:26:57,059

did a video there and the stuff that

665

00:27:01,970 --> 00:26:59,460

went on there was unbelievable and what

666

00:27:03,830 --> 00:27:01,980

we caught on video during our static

667

00:27:06,350 --> 00:27:03,840

camera that was in the Attic was just

668

00:27:07,730 --> 00:27:06,360

mind-blowing man and it was like the

669

00:27:10,850 --> 00:27:07,740

weirdest thing

670

00:27:13,010 --> 00:27:10,860

um and the the owner Mark has been

671

00:27:15,230 --> 00:27:13,020

getting so much activity ever since we

672

00:27:16,730 --> 00:27:15,240

left and even before that

673

00:27:18,169 --> 00:27:16,740

um whether his name his name is being

674

00:27:19,850 --> 00:27:18,179

called out

675

00:27:22,070 --> 00:27:19,860

um people are being pinched in the bar

676

00:27:24,409 --> 00:27:22,080

area by something

677

00:27:27,710 --> 00:27:24,419

um and uh he has security camera footage

678

00:27:30,169 --> 00:27:27,720

and you probably saw it of of a chair at

679

00:27:32,810 --> 00:27:30,179

the table and this is at night nobody's

680

00:27:34,850 --> 00:27:32,820

there and it just bolts out right bolts

681

00:27:36,890 --> 00:27:34,860

out from the from the table and then

682

00:27:38,390 --> 00:27:36,900

five seconds later you see an orb go

683

00:27:41,090 --> 00:27:38,400

over to where the chair just came out

684

00:27:44,029 --> 00:27:41,100

and then three seconds later boom you

685

00:27:45,230 --> 00:27:44,039

see a sugar packet container get thrown

686

00:27:47,210 --> 00:27:45,240

on the floor

687

00:27:49,310 --> 00:27:47,220

very weird now I looked at that video

688

00:27:50,930 --> 00:27:49,320

and I thought man could there be

689

00:27:52,370 --> 00:27:50,940

somebody behind that wall you know

690

00:27:55,310 --> 00:27:52,380

that's doing this because I wanted to

691

00:27:57,830 --> 00:27:55,320

look at it that way too but when we got

692

00:27:59,930 --> 00:27:57,840

there I didn't realize that there was a

693

00:28:02,450 --> 00:27:59,940

wall that was on the bottom that was

694

00:28:04,490 --> 00:28:02,460

built out far enough that you can't

695

00:28:05,570 --> 00:28:04,500

stand there and not be seen by the

696

00:28:07,490 --> 00:28:05,580

camera

697

00:28:09,470 --> 00:28:07,500

you would definitely be seen because the

698

00:28:12,289 --> 00:28:09,480

wall that was behind there was too short

699

00:28:14,630 --> 00:28:12,299

if that makes sense where this built out

700

00:28:16,610 --> 00:28:14,640

part you'd have to be out and you would

701
00:28:18,830 --> 00:28:16,620
be seen on camera so whoever was there

702
00:28:20,450 --> 00:28:18,840
would have been seen on camera but no

703
00:28:22,010 --> 00:28:20,460
nobody was there

704
00:28:24,350 --> 00:28:22,020
um and he didn't even realize he didn't

705
00:28:26,930 --> 00:28:24,360
even realize what happened he had heard

706
00:28:27,950 --> 00:28:26,940
a huge bang and went down to go check it

707
00:28:29,810 --> 00:28:27,960
out

708
00:28:32,029 --> 00:28:29,820
but didn't see anything didn't hear

709
00:28:33,289 --> 00:28:32,039
anybody went back upstairs but it was

710
00:28:36,110 --> 00:28:33,299
always in the back of his mind what the

711
00:28:38,390 --> 00:28:36,120
hell was that so he goes and he backs up

712
00:28:40,070 --> 00:28:38,400
the tape an hour and that's what he

713
00:28:43,070 --> 00:28:40,080

found

714

00:28:44,810 --> 00:28:43,080

unbelievable unbelievable and you can

715

00:28:46,730 --> 00:28:44,820

see that in our video too guys it's uh

716

00:28:48,350 --> 00:28:46,740

hallowed grounds at the homestead I mean

717

00:28:49,909 --> 00:28:48,360

uh I'm sorry haunting at the uh

718

00:28:53,630 --> 00:28:49,919

hanoverville Roadhouse and it's

719

00:28:56,510 --> 00:28:53,640

phenomenal and um look at him yeah oh

720

00:28:58,970 --> 00:28:56,520

man and Dominic Dominic was sensing

721

00:29:00,649 --> 00:28:58,980

stuff all night there it was incredible

722

00:29:05,090 --> 00:29:00,659

you know

723

00:29:07,130 --> 00:29:05,100

there's just certain areas I can't go

724

00:29:09,409 --> 00:29:07,140

into anymore like um

725

00:29:11,990 --> 00:29:09,419

certain antique stores I'll go into I I

726

00:29:14,930 --> 00:29:12,000

just can't stick in there too long oh

727

00:29:18,409 --> 00:29:14,940

yeah uh funeral homes sometimes Cemetery

728

00:29:21,710 --> 00:29:18,419

sometimes it it does bother me yeah come

729

00:29:24,909 --> 00:29:21,720

on haunted objects man yeah yeah

730

00:29:27,110 --> 00:29:24,919

I mean yeah I mean

731

00:29:28,310 --> 00:29:27,120

antique store is ridiculous I mean

732

00:29:31,250 --> 00:29:28,320

you're going to run into all kinds of

733

00:29:33,350 --> 00:29:31,260

stuff in an antique store well exactly

734

00:29:35,269 --> 00:29:33,360

and you know uh and what dominic was

735

00:29:36,950 --> 00:29:35,279

saying too was uh you know it's like

736

00:29:38,810 --> 00:29:36,960

people want to do investigations at

737

00:29:40,850 --> 00:29:38,820

graveyards and stuff he's like well I

738

00:29:43,070 --> 00:29:40,860

got news for you nobody's there

739

00:29:45,590 --> 00:29:43,080

there's nothing there there's just

740

00:29:49,190 --> 00:29:45,600

they're they're more interested in being

741

00:29:52,250 --> 00:29:49,200

at the places that they inhabited you

742

00:29:54,350 --> 00:29:52,260

know what I'm saying so uh like we and I

743

00:29:56,630 --> 00:29:54,360

always say too you know we've not we

744

00:29:57,830 --> 00:29:56,640

haven't we don't go into the Demonic or

745

00:30:00,769 --> 00:29:57,840

anything like that you know we really

746

00:30:02,630 --> 00:30:00,779

don't go there uh we haven't experienced

747

00:30:05,330 --> 00:30:02,640

anything malevolent you know what what

748

00:30:06,590 --> 00:30:05,340

we've experienced is if there is a place

749

00:30:08,750 --> 00:30:06,600

being haunted

750

00:30:10,610 --> 00:30:08,760

I think that those entities liked being

751
00:30:11,750 --> 00:30:10,620
there and that's why they're still there

752
00:30:12,950 --> 00:30:11,760
they're just being making themselves

753
00:30:16,490 --> 00:30:12,960
known

754
00:30:18,889 --> 00:30:16,500
you know and but you know other people

755
00:30:19,850 --> 00:30:18,899
are experiencing certain things now this

756
00:30:21,010 --> 00:30:19,860
video that we're going to do at the

757
00:30:24,590 --> 00:30:21,020
water wheel

758
00:30:26,210 --> 00:30:24,600
uh I've got some stories from from one

759
00:30:28,370 --> 00:30:26,220
of the workers there that just blew me

760
00:30:30,830 --> 00:30:28,380
away so I can't wait to tell everybody

761
00:30:32,990 --> 00:30:30,840
about that one and it's got to be

762
00:30:35,029 --> 00:30:33,000
incredible so I'm wondering if that

763
00:30:37,310 --> 00:30:35,039

property and with these dog Man

764

00:30:38,990 --> 00:30:37,320

sightings going on down there I wonder

765

00:30:41,389 --> 00:30:39,000

if there's some kind of thing going on

766

00:30:42,289 --> 00:30:41,399

on that property like a portal yeah it

767

00:30:45,350 --> 00:30:42,299

could be

768

00:30:48,350 --> 00:30:46,010

um

769

00:30:51,649 --> 00:30:48,360

you know somebody mentioned that place

770

00:30:53,870 --> 00:30:51,659

to me not long after I had had that

771

00:30:55,850 --> 00:30:53,880

sighting reported to me

772

00:30:57,889 --> 00:30:55,860

about it being haunted but I didn't

773

00:30:59,090 --> 00:30:57,899

really look into it

774

00:31:01,190 --> 00:30:59,100

um

775

00:31:01,930 --> 00:31:01,200

so yes you're going to be there so you

776

00:31:06,769 --> 00:31:01,940

know

777

00:31:09,649 --> 00:31:06,779

played there Believe It or Not years ago

778

00:31:11,630 --> 00:31:09,659

I had done we did Sunday brunches there

779

00:31:14,149 --> 00:31:11,640

and uh you know that's the thing Lon

780

00:31:16,610 --> 00:31:14,159

with this with my music and it's it's

781

00:31:19,549 --> 00:31:16,620

always gone into the Paranormal even

782

00:31:22,310 --> 00:31:19,559

playing in these wonderful concert halls

783

00:31:24,110 --> 00:31:22,320

and and theaters and things like that I

784

00:31:26,029 --> 00:31:24,120

won't even have before I even started

785

00:31:27,470 --> 00:31:26,039

the show people would come up to me and

786

00:31:30,549 --> 00:31:27,480

go oh yeah by the way the place is

787

00:31:35,870 --> 00:31:32,889

I'm like tell me more

788

00:31:37,850 --> 00:31:35,880

yeah so blonde I don't know if I ever

789

00:31:39,710 --> 00:31:37,860

told you about my ghost story though I

790

00:31:41,210 --> 00:31:39,720

don't know if it was ghost story or I

791

00:31:43,669 --> 00:31:41,220

want to say it was a guardian angel

792

00:31:47,149 --> 00:31:43,679

story I'll let you I'll let you decide

793

00:31:50,510 --> 00:31:47,159

this okay a couple minutes here but I'm

794

00:31:52,250 --> 00:31:50,520

on my way to a gig this is 1997.

795

00:31:54,649 --> 00:31:52,260

and I'm on my way to a gig and I haven't

796

00:31:57,110 --> 00:31:54,659

really told this to a lot of people

797

00:31:59,090 --> 00:31:57,120

um and I'm on my I'm racing down I'm in

798

00:32:01,130 --> 00:31:59,100

Bucks County and I'm going down this

799

00:32:04,610 --> 00:32:01,140

dark Road and there's no houses around

800

00:32:07,010 --> 00:32:04,620

just Woods and I'm going down uh this

801
00:32:10,070 --> 00:32:07,020
road and uh all of a sudden it out of

802
00:32:12,470 --> 00:32:10,080
nowhere this deer runs out and Bam I hit

803
00:32:14,029 --> 00:32:12,480
it I hit him there was nothing I could

804
00:32:17,090 --> 00:32:14,039
do to get away from it it was just there

805
00:32:19,370 --> 00:32:17,100
and I hit it and I put the brakes on I'm

806
00:32:21,889 --> 00:32:19,380
sliding with this deer like 60 feet and

807
00:32:23,570 --> 00:32:21,899
we're going at the same space you know

808
00:32:26,210 --> 00:32:23,580
the same space together

809
00:32:27,409 --> 00:32:26,220
so I'm like I stopped the car it's a

810
00:32:29,990 --> 00:32:27,419
little slick out that's why we're

811
00:32:31,730 --> 00:32:30,000
sliding and I slid I'm on the road I'm

812
00:32:33,110 --> 00:32:31,740
looking at I'm looking at this deer and

813
00:32:34,789 --> 00:32:33,120

I get out of my car

814

00:32:36,350 --> 00:32:34,799

and I looked down at this deer and I

815

00:32:39,049 --> 00:32:36,360

felt terrible I was like oh man you know

816

00:32:40,190 --> 00:32:39,059

and I just really felt bad and out of

817

00:32:44,149 --> 00:32:40,200

the dark

818

00:32:47,389 --> 00:32:44,159

a woman's voice goes how's your hands

819

00:32:48,830 --> 00:32:47,399

now me being a piano player right how's

820

00:32:51,049 --> 00:32:48,840

your hands

821

00:32:54,110 --> 00:32:51,059

and all of a sudden I look over and I

822

00:32:55,250 --> 00:32:54,120

see this this white figure come out of

823

00:32:57,649 --> 00:32:55,260

the woods

824

00:33:01,190 --> 00:32:57,659

and this is the creepy part she grabs

825

00:33:03,110 --> 00:33:01,200

this 200 pound deer by the ear and drags

826

00:33:05,210 --> 00:33:03,120

it off like it's nothing

827

00:33:07,310 --> 00:33:05,220

like it was not like she was superhuman

828

00:33:09,710 --> 00:33:07,320

like that it was just like like a

829

00:33:12,289 --> 00:33:09,720

feather you know and I'm looking at this

830

00:33:14,389 --> 00:33:12,299

I'm like dumbfounded and I go I I

831

00:33:16,370 --> 00:33:14,399

couldn't even say anything so do you

832

00:33:18,169 --> 00:33:16,380

know when you see somebody in like your

833

00:33:19,669 --> 00:33:18,179

headlights you know like and it's like

834

00:33:21,889 --> 00:33:19,679

that blurriness like if someone's

835

00:33:24,110 --> 00:33:21,899

standing in the car and it's dusk it was

836

00:33:27,470 --> 00:33:24,120

this was dark so yeah I couldn't really

837

00:33:30,230 --> 00:33:27,480

make out her facial features or you know

838

00:33:31,909 --> 00:33:30,240

I knew the figure she was in white and

839

00:33:33,230 --> 00:33:31,919

uh she and then she said to me you

840

00:33:36,289 --> 00:33:33,240

better get in your car and get off the

841

00:33:39,289 --> 00:33:36,299

road and then I got in my car

842

00:33:41,630 --> 00:33:39,299

I turn around she's gone

843

00:33:43,310 --> 00:33:41,640

I go to the gig I tell the guys what

844

00:33:45,470 --> 00:33:43,320

happened they were like freaked out

845

00:33:46,850 --> 00:33:45,480

I went back the next day thinking maybe

846

00:33:47,930 --> 00:33:46,860

there was a house there maybe there was

847

00:33:49,669 --> 00:33:47,940

somebody in the woods you know my

848

00:33:51,769 --> 00:33:49,679

rational brain is going maybe there was

849

00:33:54,590 --> 00:33:51,779

somebody in the woods I go back there

850

00:33:56,450 --> 00:33:54,600

there's no houses no nothing there's

851
00:33:59,990 --> 00:33:56,460
houses now since it's been built since

852
00:34:02,570 --> 00:34:00,000
then but uh there was nobody there

853
00:34:05,330 --> 00:34:02,580
and that was the weirdest night man it

854
00:34:07,009 --> 00:34:05,340
was just I never forgot that well that

855
00:34:09,790 --> 00:34:07,019
sounds like a guardian angel I mean it

856
00:34:12,649 --> 00:34:09,800
really does I you know I I really

857
00:34:15,530 --> 00:34:12,659
strongly believe in guardian angels I

858
00:34:18,109 --> 00:34:15,540
angels in general but I do particularly

859
00:34:21,109 --> 00:34:18,119
believe in guardian angels and and what

860
00:34:23,750 --> 00:34:21,119
they do for you yeah that's what it

861
00:34:25,609 --> 00:34:23,760
sounds like to me that have has it ever

862
00:34:28,129 --> 00:34:25,619
come you know have you ever seen or

863
00:34:30,349 --> 00:34:28,139

heard since then no

864

00:34:32,990 --> 00:34:30,359

I maybe I have but I don't know I don't

865

00:34:34,369 --> 00:34:33,000

know I mean I haven't but uh just since

866

00:34:37,609 --> 00:34:34,379

then no

867

00:34:41,389 --> 00:34:37,619

you know and uh yeah it's just uh very

868

00:34:44,089 --> 00:34:41,399

very it was very strange man but also I

869

00:34:45,950 --> 00:34:44,099

want to say comforting in a way too you

870

00:34:49,190 --> 00:34:45,960

know because it was just to know that

871

00:34:51,169 --> 00:34:49,200

that was that happened and uh yeah I

872

00:34:53,030 --> 00:34:51,179

mean just incredible and you know that

873

00:34:55,609 --> 00:34:53,040

so that was that story and you know then

874

00:34:57,650 --> 00:34:55,619

I've had we've had like a lot of UFO

875

00:34:59,990 --> 00:34:57,660

encounters that's why I'm more of a a

876

00:35:02,030 --> 00:35:00,000

believer in the UFO we uh you know these

877

00:35:05,210 --> 00:35:02,040

these orange orbs that people are seeing

878

00:35:08,089 --> 00:35:05,220

we saw the same thing in uh 2016 going

879

00:35:10,490 --> 00:35:08,099

over again in Bucks County outside of

880

00:35:13,250 --> 00:35:10,500

New Hope going over the center Bridge

881

00:35:15,589 --> 00:35:13,260

Inn or the center bridge bridge in

882

00:35:18,290 --> 00:35:15,599

centerbridge going over to New Jersey my

883

00:35:20,810 --> 00:35:18,300

girlfriend my girlfriend and I saw five

884

00:35:21,890 --> 00:35:20,820

of these orange orbs that just appeared

885

00:35:24,410 --> 00:35:21,900

out of nowhere

886

00:35:26,270 --> 00:35:24,420

and I'm looking at these things and I'm

887

00:35:28,550 --> 00:35:26,280

trying I'm trying to Fumble around for

888

00:35:30,470 --> 00:35:28,560

my camera to get a picture but while I'm

889

00:35:32,210 --> 00:35:30,480

doing this I'm thinking to myself in my

890

00:35:34,010 --> 00:35:32,220

rational brain I'm going well maybe

891

00:35:35,990 --> 00:35:34,020

these are like Chinese lanterns or

892

00:35:37,190 --> 00:35:36,000

something for there's a restaurant down

893

00:35:38,450 --> 00:35:37,200

there that maybe they're having a

894

00:35:40,430 --> 00:35:38,460

wedding or something like that and they

895

00:35:42,530 --> 00:35:40,440

just set these off but it was a

896

00:35:44,810 --> 00:35:42,540

Wednesday night it was called it was

897

00:35:46,370 --> 00:35:44,820

February it was cold and nobody was

898

00:35:48,530 --> 00:35:46,380

getting married that night and it just

899

00:35:50,030 --> 00:35:48,540

these things appeared they did like a

900

00:35:53,030 --> 00:35:50,040

little search pattern over the river

901
00:35:56,089 --> 00:35:53,040
they were only about three or 300 feet

902
00:35:57,650 --> 00:35:56,099
above the bridge it was really low and

903
00:36:00,109 --> 00:35:57,660
they did a little search pattern and

904
00:36:01,910 --> 00:36:00,119
then one by one they disappeared and I

905
00:36:04,130 --> 00:36:01,920
was able to get one picture

906
00:36:06,050 --> 00:36:04,140
of this thing and I'll say I'll send you

907
00:36:08,230 --> 00:36:06,060
the picture lawn now that was over the

908
00:36:10,609 --> 00:36:08,240
Delaware over the Delaware

909
00:36:13,130 --> 00:36:10,619
absolutely insane

910
00:36:15,650 --> 00:36:13,140
hmm I haven't you know haven't seen it

911
00:36:16,310 --> 00:36:15,660
since but uh but man

912
00:36:18,349 --> 00:36:16,320
um

913
00:36:21,290 --> 00:36:18,359

just a lot of those types of things

914

00:36:23,630 --> 00:36:21,300

happen all a lot and uh a lot of people

915

00:36:25,310 --> 00:36:23,640

are seeing that same kind of uh thing

916

00:36:28,609 --> 00:36:25,320

and I think I remember when it first saw

917

00:36:30,530 --> 00:36:28,619

it it was like swirling lava like coming

918

00:36:32,510 --> 00:36:30,540

through the atmosphere coming into the

919

00:36:35,569 --> 00:36:32,520

atmosphere but it wasn't anything like

920

00:36:36,530 --> 00:36:35,579

it wasn't a comet or any or a media or

921

00:36:38,930 --> 00:36:36,540

anything like that because they were

922

00:36:41,210 --> 00:36:38,940

there they were hovering and they were

923

00:36:42,829 --> 00:36:41,220

they were just moving like this and

924

00:36:45,050 --> 00:36:42,839

doing like a little search pattern and

925

00:36:47,569 --> 00:36:45,060

then and they weren't drones

926
00:36:49,430 --> 00:36:47,579
because they were and we thought she

927
00:36:51,650 --> 00:36:49,440
thought it was helicopter but it was

928
00:36:54,190 --> 00:36:51,660
nothing there was no sound

929
00:36:56,870 --> 00:36:54,200
it was completely silent

930
00:36:58,910 --> 00:36:56,880
so it was and plus there was five of

931
00:37:01,730 --> 00:36:58,920
them so they were five helicopters there

932
00:37:05,390 --> 00:37:03,410
um so yeah that was something that we're

933
00:37:07,849 --> 00:37:05,400
still wrapping our heads around I just

934
00:37:11,329 --> 00:37:07,859
did a uh a video or I was in a

935
00:37:13,730 --> 00:37:11,339
documentary for um Dockside media for um

936
00:37:16,250 --> 00:37:13,740
uh UFOs and the intelligent uh it's

937
00:37:17,990 --> 00:37:16,260
called in plain sight UFOs and the

938
00:37:19,849 --> 00:37:18,000

intelligence community and I had a

939

00:37:22,490 --> 00:37:19,859

little cameo in that where I told that

940

00:37:24,290 --> 00:37:22,500

story as well but you know there's there

941

00:37:26,750 --> 00:37:24,300

is so much going on and these dog Man

942

00:37:28,810 --> 00:37:26,760

sightings and are being more

943

00:37:31,910 --> 00:37:28,820

proliferated now throughout the country

944

00:37:33,589 --> 00:37:31,920

uh almost every day and I know you're

945

00:37:35,810 --> 00:37:33,599

getting so many reports yeah we're

946

00:37:39,050 --> 00:37:35,820

getting a lot of them

947

00:37:41,930 --> 00:37:39,060

um and the one thing and this this is

948

00:37:45,470 --> 00:37:41,940

something that's getting more and more

949

00:37:47,089 --> 00:37:45,480

prevalent with with cryptic sightings is

950

00:37:50,569 --> 00:37:47,099

uh other

951
00:37:53,750 --> 00:37:50,579
Paranormal Activity like orbs and uh

952
00:37:55,970 --> 00:37:53,760
other things and disembodied voices and

953
00:37:58,550 --> 00:37:55,980
such yeah we're just getting a lot of

954
00:38:02,270 --> 00:37:58,560
that and um

955
00:38:03,950 --> 00:38:02,280
you know I it's very rare now when we

956
00:38:06,650 --> 00:38:03,960
get a case

957
00:38:09,170 --> 00:38:06,660
that there's not something else involved

958
00:38:11,690 --> 00:38:09,180
with it uh I mean it's happened so many

959
00:38:14,630 --> 00:38:11,700
times in Chicago but even any other case

960
00:38:16,370 --> 00:38:14,640
that we get involved with uh just like

961
00:38:17,569 --> 00:38:16,380
here in Pennsylvania because we you know

962
00:38:18,650 --> 00:38:17,579
we've looked at a lot of different

963
00:38:21,290 --> 00:38:18,660

things here in south central

964

00:38:23,990 --> 00:38:21,300

Pennsylvania and there's usually

965

00:38:26,510 --> 00:38:24,000

something another aspect to it that just

966

00:38:28,069 --> 00:38:26,520

is hard to explain now you know it's

967

00:38:29,450 --> 00:38:28,079

interesting that you mentioned something

968

00:38:32,030 --> 00:38:29,460

about

969

00:38:33,530 --> 00:38:32,040

seeing certain things you know and this

970

00:38:35,270 --> 00:38:33,540

is a theory that I've had for a long

971

00:38:37,370 --> 00:38:35,280

time that I think certain people are

972

00:38:40,130 --> 00:38:37,380

susceptible to seeing things certain

973

00:38:41,810 --> 00:38:40,140

certain activity absolutely I believe

974

00:38:43,910 --> 00:38:41,820

that's what's going on in Chicago I

975

00:38:46,550 --> 00:38:43,920

think there have been many times when

976

00:38:48,890 --> 00:38:46,560

people have um

977

00:38:50,510 --> 00:38:48,900

had a siding with a lot of other people

978

00:38:52,010 --> 00:38:50,520

around them but they're the only ones to

979

00:38:52,990 --> 00:38:52,020

see it or just a few of them see it

980

00:38:56,089 --> 00:38:53,000

right right

981

00:38:57,050 --> 00:38:56,099

it seems to be happening more and more

982

00:38:57,710 --> 00:38:57,060

now

983

00:39:01,370 --> 00:38:57,720

um

984

00:39:04,849 --> 00:39:01,380

like these these unexplained beings or

985

00:39:08,390 --> 00:39:04,859

these Cryptids are are designating who

986

00:39:10,730 --> 00:39:08,400

can see them right they're picking and

987

00:39:12,530 --> 00:39:10,740

choosing who they could see who is yeah

988

00:39:13,550 --> 00:39:12,540

no I believe that I totally believe that

989

00:39:15,290 --> 00:39:13,560

yeah

990

00:39:17,329 --> 00:39:15,300

um and there is a uh there's another

991

00:39:19,790 --> 00:39:17,339

thing called thought manifestation too

992

00:39:21,410 --> 00:39:19,800

sure if they're thinking about these

993

00:39:23,569 --> 00:39:21,420

things they're gonna appear they're

994

00:39:25,490 --> 00:39:23,579

gonna they're gonna make I mean wouldn't

995

00:39:27,890 --> 00:39:25,500

it be nice to just manifest a million

996

00:39:31,130 --> 00:39:27,900

dollars though oh absolutely

997

00:39:34,730 --> 00:39:31,140

yeah I mean you know my last book was

998

00:39:36,770 --> 00:39:34,740

basically about mind manifesting of uh

999

00:39:39,530 --> 00:39:36,780

you know the crawler Sightings The

1000

00:39:42,770 --> 00:39:39,540

Crawling human only sightings

1001

00:39:45,589 --> 00:39:42,780

um a type of thought former tulpa and um

1002

00:39:48,650 --> 00:39:45,599

you know it all goes back to just like

1003

00:39:50,569 --> 00:39:48,660

the Poltergeist phenomena you know those

1004

00:39:53,690 --> 00:39:50,579

those are man manifest those are my

1005

00:39:56,930 --> 00:39:53,700

manifested beings basically yeah and um

1006

00:39:59,870 --> 00:39:56,940

you know the human mind can do some

1007

00:40:02,150 --> 00:39:59,880

crazy stuff man okay

1008

00:40:04,010 --> 00:40:02,160

so you have to when we go into these

1009

00:40:05,630 --> 00:40:04,020

investigations you know it's like a lot

1010

00:40:07,310 --> 00:40:05,640

of people that ask us do you guys like

1011

00:40:09,770 --> 00:40:07,320

bless yourselves are you blessed during

1012

00:40:12,170 --> 00:40:09,780

these things or do you ever get you know

1013

00:40:13,970 --> 00:40:12,180

saged and whatnot no we don't really do

1014

00:40:16,010 --> 00:40:13,980

that you know and uh maybe we should

1015

00:40:18,470 --> 00:40:16,020

maybe we should but I have a I have a

1016

00:40:21,170 --> 00:40:18,480

good strong faith that you know we're

1017

00:40:23,270 --> 00:40:21,180

going to be protected but I go into

1018

00:40:25,370 --> 00:40:23,280

these things again where I go in with an

1019

00:40:27,470 --> 00:40:25,380

open mind I want to basically you know

1020

00:40:29,690 --> 00:40:27,480

hear people's Story look I get the same

1021

00:40:31,910 --> 00:40:29,700

thing I get people saying to me you know

1022

00:40:33,290 --> 00:40:31,920

please help us our house is haunted uh

1023

00:40:35,690 --> 00:40:33,300

what could we do we need you know we

1024

00:40:38,270 --> 00:40:35,700

need your help and I have to politely

1025

00:40:40,910 --> 00:40:38,280

say look I that's something I don't do I

1026
00:40:42,650 --> 00:40:40,920
don't go into houses and and you know

1027
00:40:44,930 --> 00:40:42,660
and I don't want to mislead people there

1028
00:40:45,829 --> 00:40:44,940
but I tell them look I'll point you in

1029
00:40:48,829 --> 00:40:45,839
the right direction with some people

1030
00:40:50,390 --> 00:40:48,839
that I know that do do that and and then

1031
00:40:52,310 --> 00:40:50,400
they're you know then they feel a little

1032
00:40:52,970 --> 00:40:52,320
bit better but look hey people like

1033
00:40:56,210 --> 00:40:52,980
again

1034
00:40:59,630 --> 00:40:56,220
you know these people may be chosen ones

1035
00:41:03,349 --> 00:40:59,640
to see these things and again they can't

1036
00:41:07,130 --> 00:41:03,359
their mind can't rap rap around it uh

1037
00:41:08,270 --> 00:41:07,140
just like Beth at the 1759 farmhouse in

1038
00:41:10,670 --> 00:41:08,280

this video

1039

00:41:13,370 --> 00:41:10,680

there was a spirit that was trying to

1040

00:41:15,170 --> 00:41:13,380

that was communicating but it did not

1041

00:41:17,930 --> 00:41:15,180

want to talk to Dominic

1042

00:41:20,329 --> 00:41:17,940

and Dominic was that he didn't want to

1043

00:41:22,910 --> 00:41:20,339

talk to a man it wanted to talk to a

1044

00:41:25,250 --> 00:41:22,920

woman we were in this bedroom where this

1045

00:41:27,050 --> 00:41:25,260

all this activity's been going on and

1046

00:41:29,510 --> 00:41:27,060

what happened was I looked over and I

1047

00:41:32,569 --> 00:41:29,520

swear I saw the Vaz that was on this

1048

00:41:34,670 --> 00:41:32,579

table it moved it went like this and

1049

00:41:38,089 --> 00:41:34,680

nobody was around it and I had told Beth

1050

00:41:40,910 --> 00:41:38,099

I said Beth is a designer too a great

1051
00:41:44,210 --> 00:41:40,920
designer and uh and she looks at that

1052
00:41:46,430 --> 00:41:44,220
and immediately started getting very

1053
00:41:48,710 --> 00:41:46,440
angst and goes I did not put that there

1054
00:41:50,810 --> 00:41:48,720
I would I would have known to put that

1055
00:41:52,550 --> 00:41:50,820
there that I did not put that there that

1056
00:41:54,650 --> 00:41:52,560
was there that was no it was not there

1057
00:41:56,930 --> 00:41:54,660
and as she's doing this she's getting

1058
00:42:00,530 --> 00:41:56,940
more and more agitated and then all of a

1059
00:42:03,770 --> 00:42:00,540
sudden she got so she hyperventilated

1060
00:42:05,589 --> 00:42:03,780
she got so overwhelmed that that's why I

1061
00:42:08,210 --> 00:42:05,599
say that she got rushed by the spirit

1062
00:42:09,530 --> 00:42:08,220
because it was something that was trying

1063
00:42:11,810 --> 00:42:09,540

to communicate with her that she

1064

00:42:15,109 --> 00:42:11,820

couldn't she couldn't communicate with

1065

00:42:17,270 --> 00:42:15,119

it yet this was totally new she she had

1066

00:42:19,370 --> 00:42:17,280

has had those feelings about feeling

1067

00:42:20,810 --> 00:42:19,380

this energy there but this was

1068

00:42:22,010 --> 00:42:20,820

overwhelming to her and we had to get

1069

00:42:24,410 --> 00:42:22,020

her out of there and that's why we had

1070

00:42:26,630 --> 00:42:24,420

to stop video because we wanted to make

1071

00:42:29,569 --> 00:42:26,640

sure that she was safe

1072

00:42:32,450 --> 00:42:29,579

um and Dominic and the weird thing was

1073

00:42:36,109 --> 00:42:32,460

there was this weird smell of perfume in

1074

00:42:38,569 --> 00:42:36,119

that corner of of the room that Dominic

1075

00:42:40,609 --> 00:42:38,579

smelled I smelled it and it wasn't it

1076

00:42:43,130 --> 00:42:40,619

wasn't on Beth nobody nobody was wearing

1077

00:42:46,609 --> 00:42:43,140

perfume there but it was this weird very

1078

00:42:47,930 --> 00:42:46,619

strange scent in the corner and uh that

1079

00:42:49,910 --> 00:42:47,940

was one thing he's like do you smell out

1080

00:42:52,670 --> 00:42:49,920

I said yeah he's like well that's the

1081

00:42:54,230 --> 00:42:52,680

cat's out of the bag well it turns out

1082

00:42:56,150 --> 00:42:54,240

that there's a whole story that goes

1083

00:42:59,450 --> 00:42:56,160

along with this this thing that's and

1084

00:43:02,510 --> 00:42:59,460

then we found out later well who the who

1085

00:43:06,349 --> 00:43:02,520

the name of this Spirit was oh man it's

1086

00:43:08,690 --> 00:43:06,359

just been ongoing now now we're going

1087

00:43:11,150 --> 00:43:08,700

into this was this is an incredible

1088

00:43:12,829 --> 00:43:11,160

House lawn if you would see this is all

1089

00:43:15,349 --> 00:43:12,839

original there's nothing there's no

1090

00:43:17,990 --> 00:43:15,359

Wi-Fi in there there's no nothing like

1091

00:43:20,210 --> 00:43:18,000

any wiring or anything like that but

1092

00:43:22,609 --> 00:43:20,220

it's it's being lived in but it's not

1093

00:43:23,990 --> 00:43:22,619

you know there's nothing there but when

1094

00:43:26,210 --> 00:43:24,000

we're doing the magnetometer and we're

1095

00:43:28,490 --> 00:43:26,220

checking for electromagnetic energy the

1096

00:43:30,710 --> 00:43:28,500

things going off the charts

1097

00:43:32,630 --> 00:43:30,720

so that's what that's one of the things

1098

00:43:34,390 --> 00:43:32,640

so we're going to be looking at there

1099

00:43:36,770 --> 00:43:34,400

was a servants quarters at this place

1100

00:43:39,410 --> 00:43:36,780

there's basement

1101

00:43:42,470 --> 00:43:39,420

and also the attic which we didn't check

1102

00:43:44,930 --> 00:43:42,480

but uh we're thinking it may have ties

1103

00:43:48,950 --> 00:43:44,940

to the Underground Railroad

1104

00:43:51,710 --> 00:43:48,960

well yeah I mean Bucks County was very

1105

00:43:54,170 --> 00:43:51,720

very prevalent during the underground

1106

00:43:56,630 --> 00:43:54,180

river during during you know so yeah

1107

00:43:59,210 --> 00:43:56,640

absolutely well even here in where I'm

1108

00:44:01,730 --> 00:43:59,220

at I mean there were a lot of places so

1109

00:44:04,010 --> 00:44:01,740

yeah a lot of hauntings we we get

1110

00:44:05,870 --> 00:44:04,020

associated with that oh yeah big time

1111

00:44:08,630 --> 00:44:05,880

you know I wanted to tell you before I

1112

00:44:10,849 --> 00:44:08,640

forget I what uh a TV station I think

1113

00:44:13,250 --> 00:44:10,859

out in your area are you near York

1114

00:44:16,130 --> 00:44:13,260

yeah just down the road from York oh

1115

00:44:20,089 --> 00:44:16,140

perfect so uh White Rose Community TV

1116

00:44:22,550 --> 00:44:20,099

has picked up my station so yeah uh

1117

00:44:25,670 --> 00:44:22,560

Friday Sunday and Wednesdays they're

1118

00:44:29,270 --> 00:44:25,680

airing it uh Friday at uh eight or

1119

00:44:32,230 --> 00:44:29,280

Friday at nine Wednesdays at uh at I

1120

00:44:34,430 --> 00:44:32,240

think it was like 11 and then uh uh

1121

00:44:36,710 --> 00:44:34,440

Sundays at 11 Wednesdays at like

1122

00:44:38,930 --> 00:44:36,720

midnight but uh the Friday night nine

1123

00:44:40,849 --> 00:44:38,940

o'clock time frame I might I might have

1124

00:44:43,430 --> 00:44:40,859

public access to that be honest with you

1125

00:44:44,990 --> 00:44:43,440

cool I might yes I mean I don't know how

1126

00:44:47,089 --> 00:44:45,000

to look but I might

1127

00:44:49,130 --> 00:44:47,099

yeah I uh I was able to get I was able

1128

00:44:52,190 --> 00:44:49,140

to get it out here just to add it to my

1129

00:44:54,410 --> 00:44:52,200

smart TV so it's cool okay

1130

00:44:56,270 --> 00:44:54,420

um but yeah so uh yeah I mean there's

1131

00:44:58,550 --> 00:44:56,280

just so much going on Bucks County with

1132

00:45:00,890 --> 00:44:58,560

here's a funny not funny story but this

1133

00:45:02,750 --> 00:45:00,900

is a story that just blew me away we did

1134

00:45:05,510 --> 00:45:02,760

an investigation at the Wedgewood Inn in

1135

00:45:07,910 --> 00:45:05,520

New Hope and great bed and breakfast

1136

00:45:11,230 --> 00:45:07,920

Carl and Nadine great people they're the

1137

00:45:14,990 --> 00:45:11,240

innkeepers they bought the house in 1982

1138

00:45:19,190 --> 00:45:15,000

and uh lived in it for I guess 17 years

1139

00:45:22,010 --> 00:45:19,200

and this is 1999. he goes out to his his

1140

00:45:24,710 --> 00:45:22,020

uh grounds they were putting on uh an

1141

00:45:26,809 --> 00:45:24,720

addition on to uh the building and he

1142

00:45:29,510 --> 00:45:26,819

was wondering why why is the why is my

1143

00:45:32,870 --> 00:45:29,520

Foundation crumbling right here and he

1144

00:45:34,309 --> 00:45:32,880

looks and here there's a he looks in

1145

00:45:37,430 --> 00:45:34,319

there he puts a flashlight down there

1146

00:45:39,370 --> 00:45:37,440

here there's like a 17 foot tunnel under

1147

00:45:42,349 --> 00:45:39,380

the house

1148

00:45:44,150 --> 00:45:42,359

complete with an escape hatch and a

1149

00:45:45,349 --> 00:45:44,160

secret staircase in the house which he

1150

00:45:47,569 --> 00:45:45,359

never knew about

1151
00:45:51,050 --> 00:45:47,579
and what blew me away was they were

1152
00:45:53,530 --> 00:45:51,060
walking over this thing for 17 years and

1153
00:45:56,390 --> 00:45:53,540
didn't even know it was there

1154
00:45:59,870 --> 00:45:56,400
you find a lot of that around here oh

1155
00:46:06,050 --> 00:46:02,450
um let me get a question

1156
00:46:08,870 --> 00:46:06,060
SAS talks podcast said Eric show us your

1157
00:46:13,910 --> 00:46:10,370
I got my

1158
00:46:16,849 --> 00:46:13,920
at Cryptid HQ oh okay

1159
00:46:18,470 --> 00:46:16,859
my buddy uh yeah he's he's setting some

1160
00:46:20,410 --> 00:46:18,480
free merchandise so I said I got to give

1161
00:46:23,170 --> 00:46:20,420
him a little shout out

1162
00:46:26,630 --> 00:46:23,180
that's something wrong with that

1163
00:46:28,609 --> 00:46:26,640

uh I gotta get a phantom in Monsters

1164

00:46:31,490 --> 00:46:28,619

t-shirt so I could start promoting you

1165

00:46:34,010 --> 00:46:31,500

guys yeah I gotta get the merchandising

1166

00:46:35,210 --> 00:46:34,020

thing going we you know we just went

1167

00:46:37,730 --> 00:46:35,220

through

1168

00:46:41,390 --> 00:46:37,740

I I just trademarked everything

1169

00:46:45,290 --> 00:46:41,400

and we just went through a um

1170

00:46:47,750 --> 00:46:45,300

uh well there was a certain company that

1171

00:46:51,410 --> 00:46:47,760

was disputing my trademark because of my

1172

00:46:53,510 --> 00:46:51,420

color scheme okay oh my God what a Croc

1173

00:46:54,829 --> 00:46:53,520

I had to I had to go we finally got it

1174

00:46:57,950 --> 00:46:54,839

straightened out but I had to change the

1175

00:47:00,470 --> 00:46:57,960

color scheme so yeah

1176

00:47:02,930 --> 00:47:00,480

Swatch talks podcast that's Eric spinner

1177

00:47:05,329 --> 00:47:02,940

and uh and those guys are awesome but we

1178

00:47:07,970 --> 00:47:05,339

and actually Eric and I were on a

1179

00:47:09,230 --> 00:47:07,980

Bigfoot investigation in um in the New

1180

00:47:12,109 --> 00:47:09,240

Jersey Pine Barons I think I probably

1181

00:47:14,390 --> 00:47:12,119

told you about that one and uh yeah that

1182

00:47:16,670 --> 00:47:14,400

was phenomenal too that was uh we want

1183

00:47:18,650 --> 00:47:16,680

to try to do a a follow-up on that very

1184

00:47:21,190 --> 00:47:18,660

soon too one you know hopefully in the

1185

00:47:27,950 --> 00:47:24,349

uh decidertum I guess that's how you

1186

00:47:31,609 --> 00:47:27,960

pronounce it uh are there any dog man

1187

00:47:35,270 --> 00:47:31,619

cases that might be thought forms

1188

00:47:36,410 --> 00:47:35,280

I guess there could be I I don't know

1189

00:47:38,390 --> 00:47:36,420

um

1190

00:47:41,870 --> 00:47:38,400

I don't know if a thought can manifest

1191

00:47:43,490 --> 00:47:41,880

into a yell growl which we heard but you

1192

00:47:46,190 --> 00:47:43,500

know I mean it could be I mean it could

1193

00:47:48,770 --> 00:47:46,200

I mean you've heard people you know that

1194

00:47:50,690 --> 00:47:48,780

they would say I want to see UFO and all

1195

00:47:53,150 --> 00:47:50,700

of a sudden it yeah they're here right

1196

00:47:55,370 --> 00:47:53,160

yeah why could it be with the dog man

1197

00:47:58,130 --> 00:47:55,380

too oh I guess it could be I guess it

1198

00:48:00,470 --> 00:47:58,140

could be with anything yeah um I mean

1199

00:48:02,809 --> 00:48:00,480

we've heard I've heard of you know in my

1200

00:48:03,829 --> 00:48:02,819

research I've heard of Cryptids that

1201

00:48:08,030 --> 00:48:03,839

have been

1202

00:48:10,309 --> 00:48:08,040

possible fault forms were uh you know it

1203

00:48:13,130 --> 00:48:10,319

was my manifested by the person who who

1204

00:48:14,930 --> 00:48:13,140

reported it but um I think it's very

1205

00:48:16,130 --> 00:48:14,940

possible

1206

00:48:19,730 --> 00:48:16,140

yeah

1207

00:48:21,349 --> 00:48:19,740

you're gonna see as the years go on here

1208

00:48:23,210 --> 00:48:21,359

there's going to be a lot more theories

1209

00:48:26,329 --> 00:48:23,220

that happen there's going to be a lot

1210

00:48:28,430 --> 00:48:26,339

more science going into this yeah uh you

1211

00:48:31,130 --> 00:48:28,440

know we're talking about you know time

1212

00:48:33,470 --> 00:48:31,140

travel and things like that you know uh

1213

00:48:35,630 --> 00:48:33,480

you've Pro have you ever interviewed Tom

1214

00:48:37,370 --> 00:48:35,640

Carey I think you might maybe you have

1215

00:48:39,470 --> 00:48:37,380

I'm not sure if you have or not I don't

1216

00:48:42,470 --> 00:48:39,480

think so if not he's a good guy to talk

1217

00:48:45,290 --> 00:48:42,480

to but uh Tom turns out he he's a real

1218

00:48:47,930 --> 00:48:45,300

Authority on Roswell but he's also he's

1219

00:48:49,490 --> 00:48:47,940

also an anthropologist and gave us a

1220

00:48:50,930 --> 00:48:49,500

really good Insight on what Bigfoot

1221

00:48:52,730 --> 00:48:50,940

could be

1222

00:48:54,530 --> 00:48:52,740

um and so he might be a guy to talk to

1223

00:48:57,470 --> 00:48:54,540

but with the Roswell situation in time

1224

00:48:59,510 --> 00:48:57,480

travel the theory was back then that

1225

00:49:02,569 --> 00:48:59,520

they were the it wasn't extraterrestrial

1226

00:49:04,309 --> 00:49:02,579

it was extra dimensional and they were

1227

00:49:07,550 --> 00:49:04,319

us from the future

1228

00:49:10,190 --> 00:49:07,560

yeah so that's my theory yeah yeah I

1229

00:49:13,550 --> 00:49:10,200

mean it's amazing man yeah I I think I

1230

00:49:16,130 --> 00:49:13,560

think um I think the human species is a

1231

00:49:18,710 --> 00:49:16,140

universal species in other words I I

1232

00:49:21,650 --> 00:49:18,720

think what we do people do report as

1233

00:49:23,150 --> 00:49:21,660

being alien or extraterrestrial I think

1234

00:49:25,309 --> 00:49:23,160

may actually be for the most part

1235

00:49:28,730 --> 00:49:25,319

evolved humans that are coming back

1236

00:49:32,030 --> 00:49:28,740

through time travel oh yeah yeah I I I

1237

00:49:34,370 --> 00:49:32,040

strongly believe that yep yeah I mean

1238

00:49:35,990 --> 00:49:34,380

there's not really any proof for it but

1239

00:49:39,170 --> 00:49:36,000

you know if you start thinking about it

1240

00:49:41,089 --> 00:49:39,180

you know why do they seem to show up you

1241

00:49:42,829 --> 00:49:41,099

know are they manipulating time in

1242

00:49:45,170 --> 00:49:42,839

history are they changing things because

1243

00:49:46,609 --> 00:49:45,180

maybe something they screwed up at one

1244

00:49:48,770 --> 00:49:46,619

point or you know

1245

00:49:50,270 --> 00:49:48,780

but here's the other thing too now

1246

00:49:52,490 --> 00:49:50,280

you're getting a lot of these reports

1247

00:49:55,609 --> 00:49:52,500

happening now why is that because now

1248

00:49:58,069 --> 00:49:55,619

it's be it's in the news it's all in on

1249

00:50:00,829 --> 00:49:58,079

people's minds so again you've got all

1250

00:50:02,750 --> 00:50:00,839

this energy that's happening toward this

1251

00:50:05,569 --> 00:50:02,760

um look and look back in the 60s too

1252

00:50:07,010 --> 00:50:05,579

remember the Mothman sightings and

1253

00:50:08,290 --> 00:50:07,020

everybody in down in West Virginia was

1254

00:50:10,250 --> 00:50:08,300

seeing this thing

1255

00:50:11,930 --> 00:50:10,260

not only were they seeing Mothman

1256

00:50:15,349 --> 00:50:11,940

sightings but they're seeing UFOs along

1257

00:50:16,730 --> 00:50:15,359

with it so you had a whole thing going

1258

00:50:18,770 --> 00:50:16,740

on there

1259

00:50:21,050 --> 00:50:18,780

um which I don't think ever stopped I

1260

00:50:23,150 --> 00:50:21,060

think that's this stuff has gone on like

1261

00:50:25,190 --> 00:50:23,160

you just said I think it's just certain

1262

00:50:27,170 --> 00:50:25,200

people that are actually seeing these

1263

00:50:29,329 --> 00:50:27,180

things or chosen to see these things

1264

00:50:32,930 --> 00:50:29,339

yeah we're still getting reports down

1265

00:50:34,550 --> 00:50:32,940

there yeah you know it's that whole

1266

00:50:36,650 --> 00:50:34,560

County down there

1267

00:50:39,170 --> 00:50:36,660

um Mason County I mean it there's a lot

1268

00:50:43,069 --> 00:50:39,180

of stuff that goes on down there

1269

00:50:44,870 --> 00:50:43,079

quite frankly the Ohio River Valley from

1270

00:50:46,550 --> 00:50:44,880

Louisville the whole way up to

1271

00:50:48,250 --> 00:50:46,560

Pittsburgh it's got a lot of activity

1272

00:50:53,569 --> 00:50:48,260

yeah

1273

00:50:56,270 --> 00:50:53,579

and that extends down past what's down

1274

00:50:58,250 --> 00:50:56,280

into West Virginia as well so yeah yeah

1275

00:51:00,530 --> 00:50:58,260

there's a lot going on I mean we're

1276

00:51:02,329 --> 00:51:00,540

lucky I think we're lucky to live in an

1277

00:51:04,730 --> 00:51:02,339

area where there is a lot of weird stuff

1278

00:51:06,890 --> 00:51:04,740

that's just not explained exactly and

1279

00:51:09,230 --> 00:51:06,900

we're in a good area that we can kind of

1280

00:51:10,730 --> 00:51:09,240

get to these areas and it's not long to

1281

00:51:13,370 --> 00:51:10,740

get to it's only a couple of hours to

1282

00:51:15,710 --> 00:51:13,380

get to here and there yeah absolutely

1283

00:51:17,930 --> 00:51:15,720

that's why you have to get recovered man

1284

00:51:21,049 --> 00:51:17,940

and come out on site with us to some of

1285

00:51:22,910 --> 00:51:21,059

these things I promise you I will all

1286

00:51:26,089 --> 00:51:22,920

right no I really I promise you I will

1287

00:51:28,370 --> 00:51:26,099

we're going uh this this is my goal to

1288

00:51:31,430 --> 00:51:28,380

get myself healthy and to get myself

1289

00:51:34,250 --> 00:51:31,440

you know I'd expect the cancer diagnosis

1290

00:51:37,549 --> 00:51:34,260

that kind of came as an extra little

1291

00:51:39,770 --> 00:51:37,559

thing with the bariatric but uh when I

1292

00:51:41,710 --> 00:51:39,780

get all this straight I promise you I

1293

00:51:44,750 --> 00:51:41,720

will I've got people bugging me to go to

1294

00:51:46,549 --> 00:51:44,760

conferences and stuff now so absolutely

1295

00:51:49,370 --> 00:51:46,559

and you'll be there man that's that's

1296

00:51:52,490 --> 00:51:49,380

good you're in a good good mindset now

1297

00:51:55,430 --> 00:51:52,500

yeah yeah I am so

1298

00:51:56,450 --> 00:51:55,440

uh Carol asks why do spirits take your

1299

00:51:57,770 --> 00:51:56,460

energy

1300

00:51:59,030 --> 00:51:57,780

um

1301
00:52:01,309 --> 00:51:59,040
you know

1302
00:52:02,990 --> 00:52:01,319
the the weight the only way I can answer

1303
00:52:14,569 --> 00:52:03,000
that

1304
00:52:18,109 --> 00:52:14,579
they want to ex be able to exist as an

1305
00:52:20,329 --> 00:52:18,119
Earthbound for the most part but they

1306
00:52:23,510 --> 00:52:20,339
need to feed on something to be viable

1307
00:52:25,609 --> 00:52:23,520
enough to do that and uh of course

1308
00:52:28,010 --> 00:52:25,619
people talk about shadow people being

1309
00:52:30,470 --> 00:52:28,020
able to take your energy and take life

1310
00:52:32,270 --> 00:52:30,480
force and such and but that's a

1311
00:52:34,809 --> 00:52:32,280
different thing I mean you know these

1312
00:52:37,609 --> 00:52:34,819
nobody has any idea what

1313
00:52:39,109 --> 00:52:37,619

you know a shadow person really is I

1314

00:52:41,630 --> 00:52:39,119

don't think it's anything to do with

1315

00:52:42,829 --> 00:52:41,640

spirit I I think it's probably closer to

1316

00:52:45,250 --> 00:52:42,839

an extraterrestrial or an

1317

00:52:47,990 --> 00:52:45,260

extraterrestrial as opposed to a spirit

1318

00:52:49,609 --> 00:52:48,000

but uh they do seem to be able to feed

1319

00:52:51,470 --> 00:52:49,619

off of energy and I've been involved

1320

00:52:55,430 --> 00:52:51,480

with cases where that has been the case

1321

00:52:57,890 --> 00:52:55,440

they they are attracted to dysfunction

1322

00:52:59,690 --> 00:52:57,900

they're attracted to locations where

1323

00:53:02,690 --> 00:52:59,700

there's a lot of stuff going on that

1324

00:53:06,170 --> 00:53:02,700

isn't good a lot of bad energy and they

1325

00:53:08,390 --> 00:53:06,180

just love that bad energy oh so

1326

00:53:10,250 --> 00:53:08,400

um yeah that just seems to be you know

1327

00:53:12,410 --> 00:53:10,260

what I've I've experienced over the

1328

00:53:14,030 --> 00:53:12,420

years with these cases well no wonder

1329

00:53:18,589 --> 00:53:14,040

man there's a lot of dysfunction in the

1330

00:53:22,370 --> 00:53:18,599

world for sure tell me you know you know

1331

00:53:23,329 --> 00:53:22,380

yeah and I I honestly when when I I do a

1332

00:53:25,790 --> 00:53:23,339

case

1333

00:53:29,089 --> 00:53:25,800

where there's a lot of that going on I I

1334

00:53:30,710 --> 00:53:29,099

tell I tell the the people that you know

1335

00:53:32,630 --> 00:53:30,720

the people that are having the

1336

00:53:35,450 --> 00:53:32,640

experiences you know

1337

00:53:37,970 --> 00:53:35,460

you're gonna have to clean up your you

1338

00:53:39,950 --> 00:53:37,980

know your game here because you know

1339

00:53:41,569 --> 00:53:39,960

the things that are going on around here

1340

00:53:44,630 --> 00:53:41,579

are what's causing a lot of your

1341

00:53:48,589 --> 00:53:44,640

problems it's a yes Snowball Effect it

1342

00:53:51,049 --> 00:53:48,599

does it does I mean um dysfunction

1343

00:53:52,370 --> 00:53:51,059

as opposed to maybe illness or kids and

1344

00:53:55,870 --> 00:53:52,380

stuff like that or other thing but

1345

00:53:58,370 --> 00:53:55,880

dysfunction is probably the strongest

1346

00:54:01,490 --> 00:53:58,380

emotion and it comes in all different

1347

00:54:04,190 --> 00:54:01,500

facets and all where it causes issues

1348

00:54:05,750 --> 00:54:04,200

yep so that's why I got to get out there

1349

00:54:07,910 --> 00:54:05,760

with you because I want to I want to dig

1350

00:54:09,829 --> 00:54:07,920

into some of those places out there well

1351

00:54:11,809 --> 00:54:09,839

you that's the thing with us too we you

1352

00:54:14,650 --> 00:54:11,819

know we don't live in that world man we

1353

00:54:17,450 --> 00:54:14,660

live in a positive world

1354

00:54:19,430 --> 00:54:17,460

I have no time for negativity nothing

1355

00:54:21,410 --> 00:54:19,440

like that you know because um there's

1356

00:54:23,630 --> 00:54:21,420

too much of that I mean I had you know

1357

00:54:25,849 --> 00:54:23,640

in another life I had I had that I had

1358

00:54:27,609 --> 00:54:25,859

that with when when I was married you

1359

00:54:30,470 --> 00:54:27,619

know I don't want that again

1360

00:54:32,390 --> 00:54:30,480

yeah I was married I was married twice

1361

00:54:34,190 --> 00:54:32,400

too so I know

1362

00:54:37,430 --> 00:54:34,200

I I get it

1363

00:54:39,530 --> 00:54:37,440

um but yeah absolutely

1364

00:54:41,870 --> 00:54:39,540

have been attacked I have been attacked

1365

00:54:44,510 --> 00:54:41,880

during cases uh remotely for the most

1366

00:54:46,490 --> 00:54:44,520

part but I had been attacked uh David

1367

00:54:47,930 --> 00:54:46,500

Jones Locker asked have you ever had an

1368

00:54:51,349 --> 00:54:47,940

attachment

1369

00:54:55,849 --> 00:54:51,359

yeah I did I carried one for almost 30

1370

00:54:57,410 --> 00:54:55,859

years really yeah wow yeah I did and I

1371

00:55:00,230 --> 00:54:57,420

just got rid of it about a year and a

1372

00:55:03,049 --> 00:55:00,240

half ago wow I did knowing about it

1373

00:55:06,710 --> 00:55:03,059

until somebody removed it from me but it

1374

00:55:11,750 --> 00:55:06,720

was related to a case I had back in uh

1375

00:55:13,670 --> 00:55:11,760

oh God back in the 80s wow yeah down in

1376

00:55:17,510 --> 00:55:13,680

Maryland when I was living down there

1377

00:55:18,530 --> 00:55:17,520

and uh I had an encounter with a a

1378

00:55:22,549 --> 00:55:18,540

spirit

1379

00:55:25,010 --> 00:55:22,559

uh and it for whatever reason it I don't

1380

00:55:28,790 --> 00:55:25,020

think it was it wasn't malevolent

1381

00:55:31,010 --> 00:55:28,800

but it attached to me and uh I don't

1382

00:55:32,210 --> 00:55:31,020

think it really caused that much problem

1383

00:55:35,270 --> 00:55:32,220

with me

1384

00:55:38,750 --> 00:55:35,280

but it was there yeah and this person

1385

00:55:41,089 --> 00:55:38,760

recognized it right away wow wow so uh

1386

00:55:43,910 --> 00:55:41,099

yeah and I I felt like when I when I

1387

00:55:44,990 --> 00:55:43,920

when it was you know when I was released

1388

00:55:48,770 --> 00:55:45,000

from it

1389

00:55:50,450 --> 00:55:48,780

I was like a dish rag for 24 hours

1390

00:55:55,130 --> 00:55:50,460

exhausted

1391

00:55:57,290 --> 00:55:55,140

somebody took my spine and pulled it out

1392

00:56:01,130 --> 00:55:57,300

of my back I mean it was unbelievable

1393

00:56:02,510 --> 00:56:01,140

yeah but um yeah I mean I get that man I

1394

00:56:04,069 --> 00:56:02,520

get that on some of the investigations

1395

00:56:05,809 --> 00:56:04,079

that we've been on we've been like that

1396

00:56:08,089 --> 00:56:05,819

too you get done those investigations

1397

00:56:10,670 --> 00:56:08,099

you're just spent for the next couple of

1398

00:56:14,270 --> 00:56:10,680

days oh yeah until you get your energy

1399

00:56:15,829 --> 00:56:14,280

back but uh yeah I mean it's that's good

1400

00:56:18,650 --> 00:56:15,839

man that you got rid of that that's a

1401

00:56:20,870 --> 00:56:18,660

good thing yeah well I think that kind

1402

00:56:22,490 --> 00:56:20,880

of changed my mindset a lot too as far

1403

00:56:25,370 --> 00:56:22,500

as getting myself more healthy and

1404

00:56:27,829 --> 00:56:25,380

getting and and you know I'm not getting

1405

00:56:30,710 --> 00:56:27,839

any younger and I needed to lose weight

1406

00:56:33,829 --> 00:56:30,720

I needed to get my act together and I I

1407

00:56:36,170 --> 00:56:33,839

think I think a lot of that with that

1408

00:56:38,630 --> 00:56:36,180

attachment was kind of holding me back I

1409

00:56:41,150 --> 00:56:38,640

mean that could be an excuse but it just

1410

00:56:43,430 --> 00:56:41,160

seems awful

1411

00:56:45,410 --> 00:56:43,440

you know it seems relative to me that

1412

00:56:47,510 --> 00:56:45,420

that may have been what what happened so

1413

00:56:49,250 --> 00:56:47,520

I don't know it's the Mind man you know

1414

00:56:50,450 --> 00:56:49,260

just make that decision and that's it

1415

00:56:52,190 --> 00:56:50,460

that could have been blocking that

1416

00:56:54,230 --> 00:56:52,200

decision you know so that's the thing

1417

00:56:55,730 --> 00:56:54,240

absolutely you broke through that you

1418

00:56:58,370 --> 00:56:55,740

got rid of it you broke through it now

1419

00:56:59,990 --> 00:56:58,380

you're on the other side and now you've

1420

00:57:04,130 --> 00:57:00,000

got a lot more to do here man so that's

1421

00:57:05,930 --> 00:57:04,140

why you gotta stop I think I do so Eric

1422

00:57:08,030 --> 00:57:05,940

uh once you tell the folks how they get

1423

00:57:10,190 --> 00:57:08,040

in contact with you and uh whatever else

1424

00:57:11,630 --> 00:57:10,200

you want to let them know yeah man uh

1425

00:57:14,569 --> 00:57:11,640

thank you so much again for having me on

1426

00:57:17,329 --> 00:57:14,579

uh yeah so they could uh find us on

1427

00:57:19,670 --> 00:57:17,339

YouTube at ericmintel investigates you

1428

00:57:21,290 --> 00:57:19,680

can find us on uh Facebook Eric mantel

1429

00:57:23,690 --> 00:57:21,300

investigation also on my regular page

1430

00:57:26,210 --> 00:57:23,700

Eric mintel I post a lot of stuff there

1431

00:57:29,030 --> 00:57:26,220

uh find us on Instagram

1432

00:57:31,790 --> 00:57:29,040

um and if you're in your local area look

1433

00:57:35,329 --> 00:57:31,800

at some of uh your local TV stations um

1434

00:57:38,329 --> 00:57:35,339

right now if people uh can on their

1435

00:57:40,069 --> 00:57:38,339

Smart TV they can type in a central New

1436

00:57:41,930 --> 00:57:40,079

Jersey Network anywhere in the country

1437

00:57:44,390 --> 00:57:41,940

or anywhere in the world for that matter

1438

00:57:46,549 --> 00:57:44,400

and uh and they could see us on Saturday

1439

00:57:48,710 --> 00:57:46,559

nights at 11 o'clock

1440

00:57:50,569 --> 00:57:48,720

um and that's pretty much on Roku Amazon

1441

00:57:52,309 --> 00:57:50,579

all those different areas

1442

00:57:53,990 --> 00:57:52,319

um and then on Sunday nights if people

1443

00:57:56,089 --> 00:57:54,000

are up in the Allentown Lehigh Valley

1444

00:57:59,150 --> 00:57:56,099

area you could see us Sunday nights at

1445

00:58:02,030 --> 00:57:59,160

10 o'clock on Service Electric on cable

1446

00:58:04,190 --> 00:58:02,040

in about yeah you had been busy oh man

1447

00:58:06,470 --> 00:58:04,200

I'm just like you know this is it Lon

1448

00:58:08,630 --> 00:58:06,480

you know music and paranormal and who

1449

00:58:10,190 --> 00:58:08,640

better qualified who better qualified to

1450

00:58:13,210 --> 00:58:10,200

investigate the Paranormal than a jazz

1451

00:58:16,250 --> 00:58:13,220

musician so here you go there you go

1452

00:58:18,230 --> 00:58:16,260

well Eric thanks again you know we'll be

1453

00:58:19,730 --> 00:58:18,240

talking and uh anything comes up you

1454

00:58:22,549 --> 00:58:19,740

need me or anything just give me a call

1455

00:58:24,710 --> 00:58:22,559

absolutely and good luck on the surgery

1456

00:58:26,750 --> 00:58:24,720

man we appreciate it we'll be praying

1457

00:58:29,450 --> 00:58:26,760

for you I appreciate it you take care

1458

00:58:32,450 --> 00:58:29,460

all right buddy thanks so much bye

1459

00:58:36,349 --> 00:58:34,910

now if you have a citing or counter

1460

00:58:38,390 --> 00:58:36,359

report that you would like to be

1461

00:58:41,089 --> 00:58:38,400

considered for a personal report show or

1462

00:58:43,190 --> 00:58:41,099

personal fans Monster's blog uh feel

1463

00:58:45,230 --> 00:58:43,200

free to contact me at lawn strickler

1464

00:58:47,030 --> 00:58:45,240

fans of monsters.com

1465

00:58:48,589 --> 00:58:47,040

I want to again thank Eric Mattel for

1466

00:58:50,150 --> 00:58:48,599

joining me this evening and thanks to

1467

00:58:53,390 --> 00:58:50,160

each and all you for watching and

1468

00:58:55,549 --> 00:58:53,400

chatting uh we have a great chat we

1469

00:58:56,450 --> 00:58:55,559

always do and I appreciate folks coming

1470

00:58:58,849 --> 00:58:56,460

in there

1471

00:59:02,270 --> 00:58:58,859

so uh again please like subscribe and

1472

00:59:04,190 --> 00:59:02,280

share so tonight uh on a paranormal life

1473

00:59:07,010 --> 00:59:04,200

with Bernadette McDaniel when she her

1474

00:59:09,589 --> 00:59:07,020

guest will be Lily Nova who's an

1475

00:59:11,150 --> 00:59:09,599

astrophotographer an experiencer so that

1476

00:59:14,510 --> 00:59:11,160

should be quite interesting so that'll

1477

00:59:16,789 --> 00:59:14,520

be here at 11 p.m Eastern 10 p.m central

1478

00:59:19,069 --> 00:59:16,799

time and again

1479

00:59:20,990 --> 00:59:19,079

um just wanted to mention again uh with

1480

00:59:22,309 --> 00:59:21,000

the upcoming surgery and a few other

1481

00:59:25,069 --> 00:59:22,319

things going on with the show we're

1482

00:59:26,690 --> 00:59:25,079

going to be on Hiatus for a bit but uh

1483

00:59:29,809 --> 00:59:26,700

we'll let you know when things are back

1484

00:59:31,910 --> 00:59:29,819

to normal so uh that'll be starting uh

1485

00:59:34,370 --> 00:59:31,920

well this is my last show until we get

1486

00:59:36,530 --> 00:59:34,380

back up again so uh but stay tuned for

1487

00:59:38,270 --> 00:59:36,540

uh stay tuned for burn that show so

1488

00:59:49,620 --> 00:59:38,280

until we meet again stay healthy and

1489

01:00:39,849 --> 00:59:57,610

[Music]

1490

01:00:43,160 --> 01:00:41,510

thank you
