win

6  
00:00:29,210 --> 00:00:26,160

7  
00:00:30,669 --> 00:00:29,220  
world has its own rules and these rules

00:00:34,190 --> 00:00:30,679  
are not human

9  
00:00:36,590 --> 00:00:34,200  
some of us seek answers to the origin

10  
00:00:38,090 --> 00:00:36,600  
and existence of Cryptids in The

11  
00:00:41,630 --> 00:00:38,100  
Unexplained

join us as we venture beyond the known

13  
00:00:47,869 --> 00:00:45,239

34  
00:01:52,969 --> 00:01:50,040  
tonight

35  
00:01:57,730 --> 00:01:52,979  
we are going to talk about

36  
00:01:59,990 --> 00:01:57,740  
the must connect Kong River

37  
00:02:02,210 --> 00:02:00,000  
mantis man

38  
00:02:07,730 --> 00:02:02,220

and um

39

00:02:15,110 --> 00:02:11,510

after I received an encounter uh at the

40

00:02:18,350 --> 00:02:15,120

must connect gong river which is near uh

41

00:02:18,949 --> 00:02:18,360

Hackettstown New Jersey

42

00:02:20,869 --> 00:02:18,959

um

43

00:02:23,390 --> 00:02:20,879

but this was just the beginning of this

44

00:02:24,589 --> 00:02:23,400

phenomenon and uh you know quite Frank I

45

00:02:27,110 --> 00:02:24,599

don't know how

46

00:02:29,630 --> 00:02:27,120

how much of this has been going on

47

00:02:32,809 --> 00:02:29,640

before all this started

48

00:02:35,690 --> 00:02:32,819

you know when this settled down

49

00:02:38,089 --> 00:02:35,700

uh I haven't heard another of another

50

00:02:40,309 --> 00:02:38,099

sighting in the past oh my God I said

51

00:02:42,710 --> 00:02:40,319

maybe the past decade

52

00:02:44,869 --> 00:02:42,720

but anyway here's the original email I

53

00:02:46,910 --> 00:02:44,879

received

54

00:02:49,070 --> 00:02:46,920

um it was addressed to me line I have

55

00:02:53,570 --> 00:02:49,080

recently been doing research regarding

56

00:02:56,210 --> 00:02:53,580

an encounter I had about five years ago

57

00:03:00,589 --> 00:02:56,220

I was fly fishing on the musconikong

58

00:03:03,290 --> 00:03:00,599

river in New Jersey with my boss

59

00:03:06,650 --> 00:03:03,300

I saw briefly what I can only describe

60

00:03:08,750 --> 00:03:06,660

as a praying mantis man

61

00:03:10,430 --> 00:03:08,760

now although the water was clear there

62

00:03:12,250 --> 00:03:10,440

had been heavy rains the past couple

63

00:03:14,570 --> 00:03:12,260

days

64

00:03:16,430 --> 00:03:14,580

uh we should not have been out there the

65

00:03:18,229 --> 00:03:16,440

river was smooth but the current was

66

00:03:20,509 --> 00:03:18,239

exceptionally strong

67

00:03:22,550 --> 00:03:20,519

I was leaning backward and digging my

68

00:03:25,070 --> 00:03:22,560

heels into the gravel but the river was

69

00:03:27,290 --> 00:03:25,080

still kicking me along pretty well

70

00:03:31,250 --> 00:03:27,300

kind of sketchy navigating for those who

71

00:03:33,410 --> 00:03:31,260

fly fishing and where waiters uh you can

72

00:03:34,670 --> 00:03:33,420

understand under current how strong it

73

00:03:38,330 --> 00:03:34,680

can be

74

00:03:40,670 --> 00:03:38,340

so please know I'm a I'm privy to the

75

00:03:43,369 --> 00:03:40,680

Paranormal and always had been

76  
00:03:45,890 --> 00:03:43,379  
Shadow People ghost whatever but what I

77  
00:03:48,890 --> 00:03:45,900  
encountered that day was not a spirit

78  
00:03:51,110 --> 00:03:48,900  
it was a biological living creature but

79  
00:03:52,910 --> 00:03:51,120  
it disappeared Into Thin Air almost as

80  
00:03:55,490 --> 00:03:52,920  
soon as I saw it

81  
00:03:57,770 --> 00:03:55,500  
now for whatever reason my searches at

82  
00:04:00,830 --> 00:03:57,780  
the time turned up nothing

83  
00:04:04,250 --> 00:04:00,840  
and by then by but then by chance I came

84  
00:04:05,570 --> 00:04:04,260  
across an alien race type video on

85  
00:04:09,410 --> 00:04:05,580  
YouTube

86  
00:04:11,690 --> 00:04:09,420  
and there's the artwork that I saw uh

87  
00:04:13,729 --> 00:04:11,700  
with the ancient mantis leaders and I

88  
00:04:15,890 --> 00:04:13,739

don't have your artwork now but it was

89

00:04:17,390 --> 00:04:15,900

pretty similar to what the description

90

00:04:20,270 --> 00:04:17,400

was

91

00:04:23,330 --> 00:04:20,280

but uh he started looking into more and

92

00:04:25,909 --> 00:04:23,340

more so uh

93

00:04:28,189 --> 00:04:25,919

so they they say that they are

94

00:04:31,310 --> 00:04:28,199

interdimensional whatever that means but

95

00:04:33,469 --> 00:04:31,320

I did not get that impression now this

96

00:04:36,650 --> 00:04:33,479

creature was cloaked and because of both

97

00:04:39,230 --> 00:04:36,660

my innate sensory perception skills

98

00:04:40,909 --> 00:04:39,240

and the particular fiscal circumstances

99

00:04:44,090 --> 00:04:40,919

at the time

100

00:04:45,909 --> 00:04:44,100

I can add details if you're interested I

101  
00:04:48,170 --> 00:04:45,919  
just caught it

102  
00:04:51,950 --> 00:04:48,180  
uh for those

103  
00:04:53,710 --> 00:04:51,960  
that have Intuition or or kind of in

104  
00:04:56,210 --> 00:04:53,720  
tune to the Paranormal

105  
00:04:58,430 --> 00:04:56,220  
uh we kind of see things a little bit

106  
00:05:00,950 --> 00:04:58,440  
different I mean it's almost like

107  
00:05:02,810 --> 00:05:00,960  
you know it it shows up and then goes

108  
00:05:05,150 --> 00:05:02,820  
away real quickly and I I mean it

109  
00:05:07,310 --> 00:05:05,160  
happens to me a lot

110  
00:05:09,409 --> 00:05:07,320  
moving out of the corner mind to my left

111  
00:05:11,990 --> 00:05:09,419  
and there it was

112  
00:05:14,210 --> 00:05:12,000  
it was humanoid tall six foot at least

113  
00:05:16,610 --> 00:05:14,220

no reference points

114

00:05:20,629 --> 00:05:16,620

but I sent six and a half to seven foot

115

00:05:22,430 --> 00:05:20,639

moving away from me back up the bank

116

00:05:24,710 --> 00:05:22,440

so that was he was chest high in the

117

00:05:26,090 --> 00:05:24,720

river at this time so he had uh he had

118

00:05:28,610 --> 00:05:26,100

full waders on

119

00:05:29,629 --> 00:05:28,620

the first thing I see was a grasshopper

120

00:05:33,110 --> 00:05:29,639

thigh

121

00:05:35,570 --> 00:05:33,120

but bending forward like a human

122

00:05:37,670 --> 00:05:35,580

then the whole form

123

00:05:41,710 --> 00:05:37,680

it's looking at me over its shoulder

124

00:05:44,510 --> 00:05:41,720

moving up the bank astonished amazed

125

00:05:47,390 --> 00:05:44,520

what that I am in the water and the

126  
00:05:49,909 --> 00:05:47,400  
strong current can I you know can I see

127  
00:05:52,010 --> 00:05:49,919  
him why am I seeing him but yes we

128  
00:05:53,390 --> 00:05:52,020  
locked eyes and this creature is

129  
00:05:56,749 --> 00:05:53,400  
astonished

130  
00:05:58,310 --> 00:05:56,759  
I get the sense that it can't believe

131  
00:06:00,830 --> 00:05:58,320  
I'm in the water

132  
00:06:03,409 --> 00:06:00,840  
and that he can't believe that I've seen

133  
00:06:06,170 --> 00:06:03,419  
him and that I am not perturbed at all

134  
00:06:09,110 --> 00:06:06,180  
something of all three I still don't

135  
00:06:13,010 --> 00:06:09,120  
know just astonishment and it actually

136  
00:06:15,409 --> 00:06:13,020  
trying to get away from me and the water

137  
00:06:18,529 --> 00:06:15,419  
had a triangular head

138  
00:06:20,210 --> 00:06:18,539

huge slanted black eyes just like a

139

00:06:22,610 --> 00:06:20,220

praying man it's his whole body was

140

00:06:24,770 --> 00:06:22,620

gangly knobby

141

00:06:27,950 --> 00:06:24,780

but you could still sense it was

142

00:06:29,570 --> 00:06:27,960

powerful and you know no I would not say

143

00:06:32,029 --> 00:06:29,580

it was a big bug

144

00:06:35,270 --> 00:06:32,039

it was definitely humanoid despite the

145

00:06:38,150 --> 00:06:35,280

mantis insect qualities

146

00:06:40,070 --> 00:06:38,160

I did not tell my boss about this

147

00:06:42,950 --> 00:06:40,080

who was in the water too but about 50

148

00:06:46,129 --> 00:06:42,960

yards behind me at the time

149

00:06:48,830 --> 00:06:46,139

being privy to the Paranormal you just

150

00:06:51,350 --> 00:06:48,840

see these things and sort of go okay

151  
00:06:54,230 --> 00:06:51,360  
no fear into nothing but I do get the

152  
00:06:56,930 --> 00:06:54,240  
sense that my whatever attitude

153  
00:06:59,749 --> 00:06:56,940  
contributed to this creature's

154  
00:07:02,809 --> 00:06:59,759  
astonishment frankly I didn't give the

155  
00:07:05,090 --> 00:07:02,819  
encounter much thought until recently

156  
00:07:07,129 --> 00:07:05,100  
I can forward more details I just

157  
00:07:09,550 --> 00:07:07,139  
believe now that this encounter was

158  
00:07:12,590 --> 00:07:09,560  
somehow very important

159  
00:07:14,950 --> 00:07:12,600  
now before I go further I can understand

160  
00:07:17,450 --> 00:07:14,960  
you know this is something that

161  
00:07:20,330 --> 00:07:17,460  
we has come up in a lot of crypto

162  
00:07:22,490 --> 00:07:20,340  
societies I'd say the past decade or so

163  
00:07:24,110 --> 00:07:22,500

we're

164

00:07:27,770 --> 00:07:24,120

the Cryptid

165

00:07:29,809 --> 00:07:27,780

say it be a big foot or or whatever or

166

00:07:32,689 --> 00:07:29,819

even an upright canine

167

00:07:35,150 --> 00:07:32,699

will look at the individual look at the

168

00:07:37,909 --> 00:07:35,160

witness looking at them when they

169

00:07:39,230 --> 00:07:37,919

realized at that point that they can be

170

00:07:41,689 --> 00:07:39,240

seen

171

00:07:43,370 --> 00:07:41,699

and a lot of times they act surprised

172

00:07:46,010 --> 00:07:43,380

you can see it you know from what people

173

00:07:47,749 --> 00:07:46,020

described to me you can see it in the

174

00:07:51,529 --> 00:07:47,759

way they react

175

00:07:54,409 --> 00:07:51,539

and a lot of times they either disappear

176

00:07:56,330 --> 00:07:54,419

or get out of get out of Dodge as quick

177

00:07:58,550 --> 00:07:56,340

as they can and then you know get into

178

00:08:02,629 --> 00:07:58,560

an area where they're not seen

179

00:08:04,309 --> 00:08:02,639

so uh this this isn't unusual so then I

180

00:08:07,370 --> 00:08:04,319

wrote back to the witness requesting

181

00:08:10,550 --> 00:08:08,150

um

182

00:08:12,890 --> 00:08:10,560

the description of the head though you

183

00:08:15,589 --> 00:08:12,900

know was not too uncommon for most

184

00:08:16,850 --> 00:08:15,599

sightings that have been reported to me

185

00:08:19,010 --> 00:08:16,860

so

186

00:08:20,930 --> 00:08:19,020

he wrote back this took place in

187

00:08:24,110 --> 00:08:20,940

Hackettstown New Jersey the stretch of

188

00:08:26,270 --> 00:08:24,120

the this Comic-Con River here is unusual

189

00:08:28,490 --> 00:08:26,280

in that it's the West the West Bank

190

00:08:31,570 --> 00:08:28,500

borders Route 46 which is a local

191

00:08:34,370 --> 00:08:31,580

Highway congestive boat lots of stores

192

00:08:36,649 --> 00:08:34,380

but the East Bank where we were fishing

193

00:08:40,250 --> 00:08:36,659

borders fields in farmland and I'd been

194

00:08:43,610 --> 00:08:40,260

to the area as well uh no Bank to speak

195

00:08:46,310 --> 00:08:43,620

of on the developed side but the sloping

196

00:08:47,269 --> 00:08:46,320

Bank on the rural side was high about 10

197

00:08:49,850 --> 00:08:47,279

foot

198

00:08:52,070 --> 00:08:49,860

the stripper tree trees about 10 to 20

199

00:08:53,750 --> 00:08:52,080

yards thick separate the River from the

200

00:08:56,329 --> 00:08:53,760

fields Beyond

201  
00:08:59,389 --> 00:08:56,339  
but there was an occasional Gap or path

202  
00:09:01,550 --> 00:08:59,399  
each about 20 yards wide that allow

203  
00:09:04,009 --> 00:09:01,560  
clear access to the river

204  
00:09:06,889 --> 00:09:04,019  
as I mentioned the weather had been bad

205  
00:09:10,009 --> 00:09:06,899  
the previous several days and the sky

206  
00:09:13,430 --> 00:09:10,019  
was white and heavy it was mid-afternoon

207  
00:09:16,730 --> 00:09:13,440  
and when I saw the Mantis man it was one

208  
00:09:18,350 --> 00:09:16,740  
of those in one of those gaps moving

209  
00:09:20,690 --> 00:09:18,360  
back up the bank towards the field

210  
00:09:24,650 --> 00:09:20,700  
looking back at me at over its left

211  
00:09:27,530 --> 00:09:24,660  
shoulder about 15 to 20 yards away

212  
00:09:30,650 --> 00:09:27,540  
so understand that it was several feet

213  
00:09:34,190 --> 00:09:30,660

above me I looked up at it and framed

214

00:09:37,190 --> 00:09:34,200

clearly against the black or white sky

215

00:09:38,389 --> 00:09:37,200

like a full ghost Apparition was indeed

216

00:09:40,790 --> 00:09:38,399

clear

217

00:09:43,250 --> 00:09:40,800

but nevertheless nearly transparent and

218

00:09:45,110 --> 00:09:43,260

fading fast then it evaporated

219

00:09:47,630 --> 00:09:45,120

mid-stripe

220

00:09:50,509 --> 00:09:47,640

again I stress the strong impression

221

00:09:53,150 --> 00:09:50,519

that the Mantis man was cloaked and I

222

00:09:55,550 --> 00:09:53,160

caught it just right it abruptly found

223

00:09:57,769 --> 00:09:55,560

itself against a new blank background

224

00:10:00,350 --> 00:09:57,779

and was adjusting quickly

225

00:10:02,930 --> 00:10:00,360

uh no I do not believe it slipped into

226

00:10:05,870 --> 00:10:02,940

another dimension or plane

227

00:10:09,110 --> 00:10:05,880

I detected movement and first saw that

228

00:10:10,970 --> 00:10:09,120

strong left thigh or strong right calf

229

00:10:13,550 --> 00:10:10,980

then the whole thing and immediately

230

00:10:15,350 --> 00:10:13,560

those the eyes in the face

231

00:10:17,930 --> 00:10:15,360

the whole encounter was only a couple

232

00:10:19,610 --> 00:10:17,940

seconds I cannot tell you with any

233

00:10:22,009 --> 00:10:19,620

strong certainty

234

00:10:24,650 --> 00:10:22,019

what its feet or hands look like it

235

00:10:27,230 --> 00:10:24,660

wasn't looking there I wasn't looking

236

00:10:28,730 --> 00:10:27,240

there but I can tell you that its arms

237

00:10:31,970 --> 00:10:28,740

were normal

238

00:10:34,730 --> 00:10:31,980

and not the literal mantis forums I

239

00:10:37,430 --> 00:10:34,740

recently seen in drawings of these

240

00:10:42,949 --> 00:10:37,440

creatures that's really about it if you

241

00:10:47,870 --> 00:10:45,410

after I had gotten this from him I

242

00:10:50,150 --> 00:10:47,880

started doing some research

243

00:10:53,389 --> 00:10:50,160

and um

244

00:10:57,670 --> 00:10:53,399

I was actually keeping an eye on the

245

00:11:01,130 --> 00:10:57,680

hackett's town life online form

246

00:11:03,949 --> 00:11:01,140

and a couple days later after I received

247

00:11:06,710 --> 00:11:03,959

this response there was a post

248

00:11:10,610 --> 00:11:06,720

and this was the original entry mantis

249

00:11:12,769 --> 00:11:10,620

Man sighting on M Kong this is no joke

250

00:11:15,850 --> 00:11:12,779

that was the title

251

00:11:18,650 --> 00:11:15,860

now the person wrote

252

00:11:20,090 --> 00:11:18,660

hey excuse me I got a cough once in a

253

00:11:22,730 --> 00:11:20,100

while because you know

254

00:11:25,790 --> 00:11:22,740

because my lung issues

255

00:11:27,889 --> 00:11:25,800

uh person wrote I like a good story like

256

00:11:29,930 --> 00:11:27,899

anyone else

257

00:11:31,670 --> 00:11:29,940

but my friend told me a story today it

258

00:11:33,650 --> 00:11:31,680

was so profound

259

00:11:35,030 --> 00:11:33,660

that I felt the need to share with the

260

00:11:37,610 --> 00:11:35,040

rest of the town

261

00:11:40,730 --> 00:11:37,620

this friend of mine who told me this

262

00:11:43,190 --> 00:11:40,740

story is a very successful businessman

263

00:11:45,889 --> 00:11:43,200

deep into our conversation today he

264

00:11:48,170 --> 00:11:45,899  
started tearing up uncontrollably

265

00:11:50,509 --> 00:11:48,180  
and told me he had something to get off

266

00:11:52,550 --> 00:11:50,519  
his chest that had been eating at him

267

00:11:54,110 --> 00:11:52,560  
for some time

268

00:11:55,310 --> 00:11:54,120  
now I hope you're ready for this because

269

00:11:57,949 --> 00:11:55,320  
I wasn't

270

00:11:58,850 --> 00:11:57,959  
apparently a year ago my friend and his

271

00:12:01,610 --> 00:11:58,860  
brother

272

00:12:04,930 --> 00:12:01,620  
were down at Stevens State Park fishing

273

00:12:09,350 --> 00:12:04,940  
right around dusk now Steven state park

274

00:12:12,910 --> 00:12:09,360  
is uh is Upstream from where

275

00:12:16,009 --> 00:12:12,920  
the original sighting was uh this river

276

00:12:20,870 --> 00:12:16,019

is about 70 miles long so it goes pretty

277

00:12:25,670 --> 00:12:22,790

now during this time when his brother

278

00:12:28,130 --> 00:12:25,680

was roughly 50 yards Downstream fishing

279

00:12:29,810 --> 00:12:28,140

he said he felt this strange vibration

280

00:12:32,810 --> 00:12:29,820

in his right ear

281

00:12:35,269 --> 00:12:32,820

and from what he and from that he turned

282

00:12:38,329 --> 00:12:35,279

and looked to the right when he turned

283

00:12:41,569 --> 00:12:38,339

he looked to the right he said he saw

284

00:12:43,430 --> 00:12:41,579

the six to seven foot praying mantis

285

00:12:45,290 --> 00:12:43,440

looking man

286

00:12:47,750 --> 00:12:45,300

just standing there and unable to

287

00:12:50,090 --> 00:12:47,760

believe that he could see me

288

00:12:50,990 --> 00:12:50,100

uh he said the creature was black and

289

00:12:53,269 --> 00:12:51,000

gray

290

00:12:55,129 --> 00:12:53,279

and to be quite honest the way my buddy

291

00:12:56,990 --> 00:12:55,139

was telling his story it was having a

292

00:12:59,389 --> 00:12:57,000

tough time

293

00:13:01,670 --> 00:12:59,399

I I know he saw this thing because I

294

00:13:04,730 --> 00:13:01,680

could see it in his face

295

00:13:07,009 --> 00:13:04,740

anyhow we googled praying mantis man on

296

00:13:09,470 --> 00:13:07,019

the musconic con

297

00:13:11,810 --> 00:13:09,480

right after that and it turns out my

298

00:13:14,569 --> 00:13:11,820

friend is not alone

299

00:13:17,329 --> 00:13:14,579

I can't even emphasize enough how bad my

300

00:13:19,670 --> 00:13:17,339

friend was crying today or what he saw

301

00:13:21,470 --> 00:13:19,680

well as soon as I read this I started

302

00:13:24,769 --> 00:13:21,480

shooting off inquiries

303

00:13:28,449 --> 00:13:24,779

and when I came back a little bit later

304

00:13:30,889 --> 00:13:28,459

the following post was entered

305

00:13:33,590 --> 00:13:30,899

coincidentally I just happened to run

306

00:13:36,110 --> 00:13:33,600

into the teller of this story as I speak

307

00:13:37,490 --> 00:13:36,120

well I ought to dinner with my wife now

308

00:13:38,750 --> 00:13:37,500

this is another this is another

309

00:13:41,930 --> 00:13:38,760

individual

310

00:13:43,430 --> 00:13:41,940

I told him that I posted his tail on the

311

00:13:46,490 --> 00:13:43,440

local forum

312

00:13:48,590 --> 00:13:46,500

after freaking out he saw how some

313

00:13:50,870 --> 00:13:48,600

people actually believe him

314

00:13:54,590 --> 00:13:50,880

now when it comes to something like this

315

00:13:56,030 --> 00:13:54,600

I would never denigrate either of our

316

00:13:58,129 --> 00:13:56,040

credibility

317

00:14:00,410 --> 00:13:58,139

but I just had to tell him the story

318

00:14:02,750 --> 00:14:00,420

again if he's not telling the truth then

319

00:14:04,970 --> 00:14:02,760

he certainly believes this needless to

320

00:14:07,850 --> 00:14:04,980

say the incident and incidentally he

321

00:14:08,810 --> 00:14:07,860

freaks out he freaked out even all over

322

00:14:11,269 --> 00:14:08,820

again

323

00:14:13,509 --> 00:14:11,279

he actually just admitted that he wet

324

00:14:16,250 --> 00:14:13,519

himself during these three brief seconds

325

00:14:18,410 --> 00:14:16,260

and he what himself during the three

326

00:14:21,530 --> 00:14:18,420

brief seconds and sat down in the water

327

00:14:23,150 --> 00:14:21,540

so his brother wouldn't think that he

328

00:14:25,730 --> 00:14:23,160

would his pants

329

00:14:27,670 --> 00:14:25,740

I'm happy some of you take this to heart

330

00:14:30,550 --> 00:14:27,680

because of the karma which I live by

331

00:14:33,829 --> 00:14:30,560

whether this guy saw this being or not

332

00:14:35,629 --> 00:14:33,839

uh he is telling the truth a truth he

333

00:14:37,190 --> 00:14:35,639

believes wholeheartedly

334

00:14:39,350 --> 00:14:37,200

now

335

00:14:41,389 --> 00:14:39,360

this individual and I forget the guy's

336

00:14:43,730 --> 00:14:41,399

name but he was in the monsters of

337

00:14:47,090 --> 00:14:43,740

mysteries episode

338

00:14:49,550 --> 00:14:47,100

um so if you happen to catch it uh he's

339

00:14:50,329 --> 00:14:49,560

definitely a big part of that that

340

00:14:53,810 --> 00:14:50,339

episode

341

00:14:55,490 --> 00:14:53,820

so um about an hour or so later after I

342

00:14:58,490 --> 00:14:55,500

read that post

343

00:15:00,050 --> 00:14:58,500

something else is posted and I've been

344

00:15:03,050 --> 00:15:00,060

asking people if they have any

345

00:15:05,269 --> 00:15:03,060

information to contact me so this was

346

00:15:07,189 --> 00:15:05,279

posted line I would like to patch the

347

00:15:10,129 --> 00:15:07,199

truth together and would love for you

348

00:15:12,290 --> 00:15:10,139

for you two to speak it was the passion

349

00:15:14,329 --> 00:15:12,300

with which this guy who am I known for a

350

00:15:16,910 --> 00:15:14,339

number of years spoke today

351

00:15:19,189 --> 00:15:16,920

I am such a fan and proponent of topics

352

00:15:22,069 --> 00:15:19,199

like this that I would never slander or

353

00:15:24,530 --> 00:15:22,079

cry wolf I'm sure people see things

354

00:15:26,389 --> 00:15:24,540

every day and that's fine but my friend

355

00:15:28,730 --> 00:15:26,399

today was spooked apparently this

356

00:15:30,949 --> 00:15:28,740

happened two years ago and he told me

357

00:15:32,269 --> 00:15:30,959

his life has not been to since the same

358

00:15:34,310 --> 00:15:32,279

since

359

00:15:38,449 --> 00:15:34,320

well

360

00:15:40,370 --> 00:15:38,459

then a few days later this was posted

361

00:15:42,290 --> 00:15:40,380

I have to admit I do feel a little

362

00:15:43,490 --> 00:15:42,300

strange about sharing a story from

363

00:15:46,250 --> 00:15:43,500

yesterday

364

00:15:48,949 --> 00:15:46,260

honestly I've been trying to take myself

365

00:15:50,269 --> 00:15:48,959

out of believing anything this friend of

366

00:15:53,449 --> 00:15:50,279

mine told me

367

00:15:56,449 --> 00:15:53,459

and how worked up he got over it please

368

00:15:59,509 --> 00:15:56,459

know I didn't do this to Spin A Yarn

369

00:16:01,910 --> 00:15:59,519

that would take on a life of its own or

370

00:16:03,410 --> 00:16:01,920

am trying to make a story out of this or

371

00:16:06,110 --> 00:16:03,420

anything of the sort

372

00:16:08,449 --> 00:16:06,120

the only reason I shared it was that

373

00:16:11,030 --> 00:16:08,459

after hearing this wild tale I Googled

374

00:16:13,370 --> 00:16:11,040

it and found Ion's article which pretty

375

00:16:15,769 --> 00:16:13,380

much floored my friend and pretty much

376

00:16:18,050 --> 00:16:15,779

knocked him out of his chair

377

00:16:20,210 --> 00:16:18,060

there were just a few Eerie similarities

378

00:16:23,870 --> 00:16:20,220

and the fact that it took place on the

379

00:16:27,050 --> 00:16:23,880

Muskie just made it all the more bizarre

380

00:16:30,110 --> 00:16:27,060

I keep trying to Envision whatever it is

381

00:16:32,389 --> 00:16:30,120

that my friend the friend of mine saw to

382

00:16:34,670 --> 00:16:32,399

be truthful one second I find it to be

383

00:16:36,170 --> 00:16:34,680

silly rubbish and then the next second

384

00:16:38,870 --> 00:16:36,180

when I closed my eyes and really

385

00:16:42,410 --> 00:16:38,880

envisioned what he outlined to me I find

386

00:16:44,930 --> 00:16:42,420

it remarkably unnerving as always people

387

00:16:47,329 --> 00:16:44,940

believe what they want to believe and

388

00:16:49,670 --> 00:16:47,339

I'm still not sure if I really believe

389

00:16:52,189 --> 00:16:49,680

this but just to reiterate this friend

390

00:16:54,410 --> 00:16:52,199

of mine was downright spooked and the

391

00:16:57,110 --> 00:16:54,420

fact that he admitted the embarrassing

392

00:16:58,970 --> 00:16:57,120

fact that he wed himself upon seeing

393

00:17:00,530 --> 00:16:58,980

this and all the tears mixed into

394

00:17:02,629 --> 00:17:00,540

yesterday's Tale

395

00:17:04,250 --> 00:17:02,639

he must have seen something whatever it

396

00:17:06,470 --> 00:17:04,260

was

397

00:17:10,309 --> 00:17:06,480

now

398

00:17:11,390 --> 00:17:10,319

I did get to talk to this individual

399

00:17:14,329 --> 00:17:11,400

um

400

00:17:16,569 --> 00:17:14,339

he he described to me what you know

401

00:17:19,909 --> 00:17:16,579

pretty well what was written

402

00:17:23,689 --> 00:17:19,919

so um you know I left it at that I

403

00:17:26,270 --> 00:17:23,699

didn't go into much detail with him

404

00:17:28,970 --> 00:17:26,280

but I was keeping notes so now we've got

405

00:17:31,370 --> 00:17:28,980

we've got three Witnesses

406

00:17:33,169 --> 00:17:31,380

so about a year later this all

407

00:17:34,970 --> 00:17:33,179

eventually led to a few other

408

00:17:38,090 --> 00:17:34,980

unexplained sightings along the river

409

00:17:40,430 --> 00:17:38,100

not necessarily a mantis man but there's

410

00:17:41,990 --> 00:17:40,440

a lot of weird stuff going on so the

411

00:17:44,169 --> 00:17:42,000

producers

412

00:17:46,669 --> 00:17:44,179

Of Monsters and Mysteries in America

413

00:17:49,610 --> 00:17:46,679

contacted me about the incidents and

414

00:17:52,310 --> 00:17:49,620

subsequently an episode was presented

415

00:17:54,890 --> 00:17:52,320

and produced and presented during the

416

00:17:56,930 --> 00:17:54,900

show's third season so if you do go the

417

00:17:59,510 --> 00:17:56,940

old Monsters and Mysteries

418

00:18:00,890 --> 00:17:59,520

um it's in the third season

419

00:18:04,430 --> 00:18:00,900

but

420

00:18:06,470 --> 00:18:04,440

not long after I found out about that

421

00:18:08,810 --> 00:18:06,480

it happened again

422

00:18:11,150 --> 00:18:08,820

about a year later I received a supposed

423

00:18:12,770 --> 00:18:11,160

mantis Man sighting report on the

424

00:18:15,230 --> 00:18:12,780

musconikon river

425

00:18:16,070 --> 00:18:15,240

just south of downtown Hackettstown New

426

00:18:18,049 --> 00:18:16,080

Jersey

427

00:18:20,150 --> 00:18:18,059

now this is the third witness citing

428

00:18:22,909 --> 00:18:20,160

report from this area forward to me

429

00:18:25,370 --> 00:18:22,919

since July 2011.

430

00:18:27,529 --> 00:18:25,380

now the Hackettstown life Forum was kept

431

00:18:30,289 --> 00:18:27,539

has kept the thread going since the

432

00:18:32,270 --> 00:18:30,299

second sighting from time to time I'll

433

00:18:35,029 --> 00:18:32,280

post my contact information for further

434

00:18:36,169 --> 00:18:35,039

savings or information now if you if you

435

00:18:38,510 --> 00:18:36,179

go to Google

436

00:18:41,390 --> 00:18:38,520

and you put or you go to your browser

437

00:18:44,210 --> 00:18:41,400

and put in uh Hackettstown New Jersey

438

00:18:47,270 --> 00:18:44,220

form or um I don't know what else called

439

00:18:48,350 --> 00:18:47,280

life form Pakistan life form it's still

440

00:18:50,330 --> 00:18:48,360

up there

441

00:18:52,070 --> 00:18:50,340

so if you want to go back through the

442

00:18:53,330 --> 00:18:52,080

thread and read everything it's all

443

00:18:55,190 --> 00:18:53,340

there

444

00:18:58,549 --> 00:18:55,200

so anyway

445

00:18:59,750 --> 00:18:58,559

this is the report I received that that

446

00:19:03,230 --> 00:18:59,760

next night

447

00:19:05,390 --> 00:19:03,240

Mr strickler I saw something strange a

448

00:19:08,990 --> 00:19:05,400

few weeks ago on the M Kong river near

449

00:19:10,610 --> 00:19:09,000

my home here in Hackettstown New Jersey

450

00:19:13,370 --> 00:19:10,620

now I was driving home from the

451

00:19:15,590 --> 00:19:13,380

drugstore on Newburg Road

452

00:19:17,570 --> 00:19:15,600

as I drove near the bridge over the

453

00:19:19,850 --> 00:19:17,580

river I noticed to my left something and

454

00:19:22,669 --> 00:19:19,860

I thought it was a fisherman standing in

455

00:19:25,250 --> 00:19:22,679

the river just off the South Bank

456

00:19:27,950 --> 00:19:25,260

I slowed the car and looked closer it

457

00:19:31,610 --> 00:19:27,960

wasn't a person it was a transparent

458

00:19:33,350 --> 00:19:31,620

like with weird with a weird shape it

459

00:19:35,570 --> 00:19:33,360

moves slowly towards the bank and into

460

00:19:37,909 --> 00:19:35,580

the trees I drove further so I could see

461

00:19:39,590 --> 00:19:37,919

it coming out of the trees but that's

462

00:19:42,169 --> 00:19:39,600

the last I saw of it

463

00:19:44,990 --> 00:19:42,179

it was tall about eight foot or so and

464

00:19:47,210 --> 00:19:45,000

had long thin arms hanging off of it the

465

00:19:49,730 --> 00:19:47,220

color was a pale brown but I could see

466

00:19:52,370 --> 00:19:49,740

through it the head was small compared

467

00:19:53,630 --> 00:19:52,380

to the body now it was sunny that day so

468

00:19:56,029 --> 00:19:53,640

I thought it may have been glare from

469

00:19:58,669 --> 00:19:56,039

the water but after I thought back I

470

00:20:00,710 --> 00:19:58,679

realized I wasn't seeing Mirage or glare

471

00:20:01,909 --> 00:20:00,720

I checked the internet and I didn't sing

472

00:20:04,370 --> 00:20:01,919

about it

473

00:20:06,049 --> 00:20:04,380

I mentioned it to a co-worker mom as a

474

00:20:08,750 --> 00:20:06,059

lunch on Wednesday he gave me the

475

00:20:10,549 --> 00:20:08,760

strangest look I thought uh-oh he thinks

476

00:20:12,470 --> 00:20:10,559

I'm nuts

477

00:20:14,990 --> 00:20:12,480

we went back to his computer and we

478

00:20:17,270 --> 00:20:15,000

brought up the the Hackettstown Forum

479

00:20:19,430 --> 00:20:17,280

with the madness man witness your

480

00:20:21,169 --> 00:20:19,440

information there I mean your

481

00:20:23,450 --> 00:20:21,179

information was there so I decided to

482

00:20:27,230 --> 00:20:23,460

contact you today so can you get back to

483

00:20:29,570 --> 00:20:27,240

me so I did contact the witness

484

00:20:31,970 --> 00:20:29,580

at his work number his description the

485

00:20:34,490 --> 00:20:31,980

account hadn't changed he uh he stated

486

00:20:36,890 --> 00:20:34,500

that he thinks that he witnessed the

487

00:20:39,590 --> 00:20:36,900

same anomaly from the previous reports

488

00:20:42,409 --> 00:20:39,600

by the witnesses his estimation of the

489

00:20:45,350 --> 00:20:42,419

date of the siding was between July 22nd

490

00:20:50,110 --> 00:20:45,360

July 25th

491

00:20:54,049 --> 00:20:52,490

2013 I think

492

00:20:55,430 --> 00:20:54,059

I asked him if he had gotten the

493

00:20:57,710 --> 00:20:55,440

prescriptions since he was at the

494

00:21:01,010 --> 00:20:57,720

drugstore there was no prescription but

495

00:21:03,770 --> 00:21:01,020

he later found a receipt for July 25th

496

00:21:05,750 --> 00:21:03,780

and contacted me he forward a Google map

497

00:21:07,669 --> 00:21:05,760

image of the river and the spot where he

498

00:21:10,490 --> 00:21:07,679

first noticed the anomaly he did send me

499

00:21:12,950 --> 00:21:10,500

a a copy of the receipt

500

00:21:17,289 --> 00:21:14,630

he said I was at the previous location

501  
00:21:19,850 --> 00:21:17,299  
the muskanicon river in May of 2013

502  
00:21:22,130 --> 00:21:19,860  
taking photos and interviewing people in

503  
00:21:24,409 --> 00:21:22,140  
the area now that was me I mean I I was

504  
00:21:26,510 --> 00:21:24,419  
there and I I did go there and start

505  
00:21:28,250 --> 00:21:26,520  
taking pictures and interviewing

506  
00:21:28,909 --> 00:21:28,260  
Witnesses

507  
00:21:30,289 --> 00:21:28,919  
um

508  
00:21:37,549 --> 00:21:30,299  
so

509  
00:21:39,830 --> 00:21:37,559  
uh I plan to return for a follow-up I

510  
00:21:42,070 --> 00:21:39,840  
plead this witness and these people with

511  
00:21:44,149 --> 00:21:42,080  
the previous encounters be truthful

512  
00:21:45,830 --> 00:21:44,159  
uh there's something definitely

513  
00:21:47,570 --> 00:21:45,840

occurring in the area

514

00:21:49,430 --> 00:21:47,580

now uh

515

00:21:52,310 --> 00:21:49,440

like I said before the Monsters and

516

00:21:54,649 --> 00:21:52,320

Mysteries in America show detailed this

517

00:21:58,130 --> 00:21:54,659

account in their third season

518

00:22:00,649 --> 00:21:58,140

um all the accounts all the incidents

519

00:22:02,149 --> 00:22:00,659

the night before filming now get this

520

00:22:03,710 --> 00:22:02,159

the night before filming I was made

521

00:22:06,230 --> 00:22:03,720

aware

522

00:22:07,610 --> 00:22:06,240

of another sighting that it was going to

523

00:22:09,770 --> 00:22:07,620

be included in this segment because

524

00:22:11,810 --> 00:22:09,780

producers had called me

525

00:22:14,090 --> 00:22:11,820

the following information describes

526

00:22:16,070 --> 00:22:14,100

those sightings and came from the

527

00:22:18,230 --> 00:22:16,080

production notes the names were not

528

00:22:20,450 --> 00:22:18,240

closed until the sick TV segment was

529

00:22:22,610 --> 00:22:20,460

presented

530

00:22:24,710 --> 00:22:22,620

so what was sent to me was from this new

531

00:22:27,830 --> 00:22:24,720

Witness

532

00:22:30,169 --> 00:22:27,840

now in 2003 now this is almost a decade

533

00:22:32,210 --> 00:22:30,179

previous while staying at her mother's

534

00:22:35,029 --> 00:22:32,220

home in Hackettstown

535

00:22:38,029 --> 00:22:35,039

SM which is the witness and her husband

536

00:22:40,190 --> 00:22:38,039

experienced a series of bizarre events

537

00:22:42,789 --> 00:22:40,200

events that she claims had now begun to

538

00:22:45,169 --> 00:22:42,799

finally make sense but more recently

539

00:22:46,850 --> 00:22:45,179

reported his sightings as the Mantis man

540

00:22:48,710 --> 00:22:46,860

which proposed on the local internet

541

00:22:51,110 --> 00:22:48,720

message board

542

00:22:53,870 --> 00:22:51,120

uh SM is a

543

00:22:56,270 --> 00:22:53,880

the Hackettstown native this is really

544

00:23:00,289 --> 00:22:56,280

weird we were staying at my mom's house

545

00:23:02,750 --> 00:23:00,299

from May 2003 to August 2003

546

00:23:04,330 --> 00:23:02,760

behind her backyard is a big fish

547

00:23:06,350 --> 00:23:04,340

hatchery for the

548

00:23:08,270 --> 00:23:06,360

muscatacon river

549

00:23:11,390 --> 00:23:08,280

there's a fence at the end of the yard

550

00:23:13,130 --> 00:23:11,400

then there's the Hatchery we have a

551  
00:23:14,990 --> 00:23:13,140  
clear view of it the river is only a

552  
00:23:17,090 --> 00:23:15,000  
block away

553  
00:23:19,130 --> 00:23:17,100  
now she said we had been noticing weird

554  
00:23:20,450 --> 00:23:19,140  
noises and strange lights from back

555  
00:23:25,909 --> 00:23:20,460  
there

556  
00:23:26,810 --> 00:23:25,919  
and uh the Hatchery is normally pretty

557  
00:23:29,210 --> 00:23:26,820  
dark

558  
00:23:30,890 --> 00:23:29,220  
so we'd see red lights like beams from

559  
00:23:32,750 --> 00:23:30,900  
laser pointers

560  
00:23:35,330 --> 00:23:32,760  
they'd be there and then they'd be gone

561  
00:23:36,770 --> 00:23:35,340  
sometimes we see them like a pair of red

562  
00:23:40,909 --> 00:23:36,780  
eyes

563  
00:23:43,010 --> 00:23:40,919

looking into one window in the back of

564

00:23:44,810 --> 00:23:43,020

our house

565

00:23:47,630 --> 00:23:44,820

you'd have to be at least six or seven

566

00:23:50,270 --> 00:23:47,640

feet tall to see into that window

567

00:23:52,430 --> 00:23:50,280

and the noises were really strange they

568

00:23:53,990 --> 00:23:52,440

were like first the walkie-talkie static

569

00:23:56,270 --> 00:23:54,000

static

570

00:23:58,730 --> 00:23:56,280

it was like some kind of military like

571

00:24:01,490 --> 00:23:58,740

garbled talk and short burst

572

00:24:03,830 --> 00:24:01,500

we'd hear that often but two

573

00:24:05,810 --> 00:24:03,840

often too but couldn't figure out where

574

00:24:07,730 --> 00:24:05,820

it was coming from other than the

575

00:24:10,190 --> 00:24:07,740

Hatchery now my sister had stayed there

576  
00:24:11,810 --> 00:24:10,200  
before and said she had heard the same

577  
00:24:14,810 --> 00:24:11,820  
thing it was really strange

578  
00:24:18,169 --> 00:24:14,820  
then came the night of August 3rd 2003

579  
00:24:20,930 --> 00:24:18,179  
where the awareness ramped up to a level

580  
00:24:23,090 --> 00:24:20,940  
that led uh her and her husband to move

581  
00:24:25,130 --> 00:24:23,100  
out of the house altogether

582  
00:24:28,070 --> 00:24:25,140  
he states on the night of August 3rd

583  
00:24:29,810 --> 00:24:28,080  
just me and my husband were in the house

584  
00:24:32,330 --> 00:24:29,820  
we started seeing what looked like

585  
00:24:35,810 --> 00:24:32,340  
people running through the backyard

586  
00:24:38,090 --> 00:24:35,820  
but the people were very tall

587  
00:24:40,250 --> 00:24:38,100  
we would see something running away

588  
00:24:42,830 --> 00:24:40,260

towards the fish hatchery and another

589

00:24:45,169 --> 00:24:42,840

time you'd see something running back

590

00:24:47,870 --> 00:24:45,179

away from the window after seeing those

591

00:24:49,789 --> 00:24:47,880

red lights like eyes shining in

592

00:24:51,230 --> 00:24:49,799

there were lots of red lights and those

593

00:24:52,789 --> 00:24:51,240

noises that sounded like they were

594

00:24:55,130 --> 00:24:52,799

coming from the radio

595

00:24:57,409 --> 00:24:55,140

whatever we saw was very tall

596

00:25:00,110 --> 00:24:57,419

uh so terrified and confused by what was

597

00:25:02,210 --> 00:25:00,120

going on they called the police

598

00:25:04,430 --> 00:25:02,220

and she states about midnight we called

599

00:25:06,110 --> 00:25:04,440

the cops and they came out they looked

600

00:25:07,430 --> 00:25:06,120

around with flashlights they didn't see

601  
00:25:09,710 --> 00:25:07,440  
anything

602  
00:25:11,630 --> 00:25:09,720  
there were one or two cars about four

603  
00:25:14,029 --> 00:25:11,640  
officers but they didn't take it

604  
00:25:14,870 --> 00:25:14,039  
seriously my son remembers Al upsetto

605  
00:25:17,570 --> 00:25:14,880  
was

606  
00:25:19,430 --> 00:25:17,580  
after that they left it continued you

607  
00:25:22,190 --> 00:25:19,440  
know they left they continued on like

608  
00:25:27,830 --> 00:25:22,200  
before now being frustrated and scared

609  
00:25:33,409 --> 00:25:30,710  
now uh she said that when they went back

610  
00:25:35,330 --> 00:25:33,419  
it was momentarily quiet and I went to

611  
00:25:37,370 --> 00:25:35,340  
look with my husband I approached the

612  
00:25:39,049 --> 00:25:37,380  
perimeter of the yard by The Fish

613  
00:25:40,970 --> 00:25:39,059

Hatchery and it sounded like well we

614

00:25:42,110 --> 00:25:40,980

started hearing actual noises weird

615

00:25:45,049 --> 00:25:42,120

voices

616

00:25:46,850 --> 00:25:45,059

saying thank you thank you

617

00:25:48,529 --> 00:25:46,860

coming from the back in the fish

618

00:25:51,710 --> 00:25:48,539

hatchery that we didn't see anything

619

00:25:53,870 --> 00:25:51,720

saying it it was I was so scared I

620

00:25:55,549 --> 00:25:53,880

started running back to the house

621

00:25:58,190 --> 00:25:55,559

but I got this weird feeling like

622

00:26:00,950 --> 00:25:58,200

whatever it was was thanking me for

623

00:26:02,870 --> 00:26:00,960

acknowledging and existed

624

00:26:04,850 --> 00:26:02,880

we stayed up all night scared to death

625

00:26:07,610 --> 00:26:04,860

then the morning came on August 4th we

626

00:26:10,370 --> 00:26:07,620

went back outside to look around

627

00:26:12,470 --> 00:26:10,380

we saw actual footprints in the soft mud

628

00:26:14,810 --> 00:26:12,480

in the backyard they weren't human

629

00:26:17,330 --> 00:26:14,820

Footprints but they weren't animal

630

00:26:18,470 --> 00:26:17,340

either one or two tracks leading up to

631

00:26:20,990 --> 00:26:18,480

the window

632

00:26:23,510 --> 00:26:21,000

where we could see you know we we would

633

00:26:26,870 --> 00:26:23,520

see the lights they were deep prints

634

00:26:28,970 --> 00:26:26,880

almost like as if they had a very thick

635

00:26:30,950 --> 00:26:28,980

woman's high-heeled shoe that would

636

00:26:33,529 --> 00:26:30,960

stick into the ground

637

00:26:35,750 --> 00:26:33,539

while they were walking the outlines

638

00:26:38,090 --> 00:26:35,760

were almost like a fork they were deep

639

00:26:40,850 --> 00:26:38,100

like it was heavy and there were a lot

640

00:26:42,710 --> 00:26:40,860

of them in the area we were so freaked

641

00:26:45,470 --> 00:26:42,720

out by the experience that we packed up

642

00:26:48,230 --> 00:26:45,480

and moved out that day we actually moved

643

00:26:50,630 --> 00:26:48,240

to Florida within a year

644

00:26:53,390 --> 00:26:50,640

the footprint she described now the

645

00:26:56,330 --> 00:26:53,400

footprints you described to me were very

646

00:26:59,750 --> 00:26:56,340

mantis-like actually

647

00:27:02,330 --> 00:26:59,760

um that that spur

648

00:27:06,110 --> 00:27:02,340

or a deep and then like she said a high

649

00:27:07,669 --> 00:27:06,120

heel would go deep in uh there seems to

650

00:27:10,310 --> 00:27:07,679

be a spur in the back of the the

651  
00:27:12,409 --> 00:27:10,320  
footprint then there was this a very

652  
00:27:14,149 --> 00:27:12,419  
weird high frequency radio allowance

653  
00:27:16,730 --> 00:27:14,159  
sounds um

654  
00:27:19,010 --> 00:27:16,740  
you know the only way the human brain is

655  
00:27:21,649 --> 00:27:19,020  
interpreting oral communication of a

656  
00:27:24,890 --> 00:27:21,659  
seven foot tall insect

657  
00:27:25,909 --> 00:27:24,900  
and uh the way she described it was

658  
00:27:29,090 --> 00:27:25,919  
almost like

659  
00:27:31,250 --> 00:27:29,100  
the sound of a large cicada so anyway

660  
00:27:33,529 --> 00:27:31,260  
that's the way she described it like I

661  
00:27:36,169 --> 00:27:33,539  
said if you see the show he was in there

662  
00:27:37,789 --> 00:27:36,179  
briefly talked about it

663  
00:27:41,870 --> 00:27:37,799

so that's pretty well my all the

664

00:27:45,049 --> 00:27:41,880

information I I had on this the um

665

00:27:49,310 --> 00:27:45,059

you know I haven't had

666

00:27:50,510 --> 00:27:49,320

any citing reports since that time

667

00:27:53,750 --> 00:27:50,520

but

668

00:27:56,330 --> 00:27:53,760

I have talked to people who

669

00:27:58,730 --> 00:27:56,340

who did talk to others or supposed

670

00:28:00,049 --> 00:27:58,740

Witnesses they saw a lot of strange

671

00:28:02,450 --> 00:28:00,059

things in that River now there's

672

00:28:04,330 --> 00:28:02,460

something about that River especially in

673

00:28:07,789 --> 00:28:04,340

that stretch of like two or three miles

674

00:28:10,010 --> 00:28:07,799

Upstream from Hackettstown

675

00:28:13,010 --> 00:28:10,020

until it's Downstream until it empties

676

00:28:15,830 --> 00:28:13,020

into the um into the Delaware

677

00:28:17,269 --> 00:28:15,840

so um I don't know so if you have

678

00:28:19,850 --> 00:28:17,279

questions

679

00:28:21,350 --> 00:28:19,860

or anything that you'd like me to answer

680

00:28:22,549 --> 00:28:21,360

please put it up

681

00:28:24,470 --> 00:28:22,559

um

682

00:28:27,409 --> 00:28:24,480

I'm gonna go through here I haven't been

683

00:28:31,490 --> 00:28:29,570

if you have questions about that please

684

00:28:33,830 --> 00:28:31,500

uh please let me know and I'll see if I

685

00:28:35,930 --> 00:28:33,840

can answer them

686

00:28:38,210 --> 00:28:35,940

and if I do miss the question please

687

00:28:45,470 --> 00:28:38,220

post it again so I don't

688

00:28:45,480 --> 00:28:58,310

I'm not seeing anything so far

689

00:28:58,320 --> 00:29:04,730

anybody have any questions

690

00:29:04,740 --> 00:29:15,590

I guess not

691

00:29:20,510 --> 00:29:17,870

but anyway uh

692

00:29:22,850 --> 00:29:20,520

as some of you know that I'm coming back

693

00:29:25,730 --> 00:29:22,860

off of um

694

00:29:27,110 --> 00:29:25,740

of lung surgery I've been we've been out

695

00:29:29,570 --> 00:29:27,120

for a okay

696

00:29:31,669 --> 00:29:29,580

I guess three or four weeks

697

00:29:33,889 --> 00:29:31,679

but uh

698

00:29:36,649 --> 00:29:33,899

you know other than pain I'm I'm pretty

699

00:29:38,570 --> 00:29:36,659

well getting over everything so uh you

700

00:29:40,130 --> 00:29:38,580

know I expect things to they're going to

701  
00:29:41,330 --> 00:29:40,140  
be pretty good

702  
00:29:44,149 --> 00:29:41,340  
um

703  
00:29:46,010 --> 00:29:44,159  
so uh we're gonna try to pick up where

704  
00:29:49,010 --> 00:29:46,020  
we left off

705  
00:29:51,409 --> 00:29:49,020  
uh Bernadette had her show last night

706  
00:29:53,870 --> 00:29:51,419  
and uh her Show's gonna be on Thursday

707  
00:29:54,769 --> 00:29:53,880  
nights at eight o'clock for the time

708  
00:29:56,570 --> 00:29:54,779  
being

709  
00:29:59,029 --> 00:29:56,580  
uh we're gonna probably do a few

710  
00:30:01,789 --> 00:29:59,039  
specials and stuff

711  
00:30:04,570 --> 00:30:01,799  
um Andrew Boyle asks can you do a show

712  
00:30:06,710 --> 00:30:04,580  
on ferries wow

713  
00:30:08,389 --> 00:30:06,720

I guess I can't

714

00:30:11,750 --> 00:30:08,399

uh

715

00:30:14,149 --> 00:30:11,760

but um anyway we're gonna try to pick up

716

00:30:17,289 --> 00:30:14,159

where we left off at and

717

00:30:21,289 --> 00:30:17,299

what I'm going to do is um

718

00:30:24,049 --> 00:30:21,299

we they're going to be less interviews

719

00:30:26,930 --> 00:30:24,059

uh I'm still going I'm going to do the

720

00:30:29,269 --> 00:30:26,940

uh personal report show most of the time

721

00:30:30,049 --> 00:30:29,279

I'm going to be talking about cases and

722

00:30:33,049 --> 00:30:30,059

such

723

00:30:35,029 --> 00:30:33,059

a reports that I receive we'll do a

724

00:30:38,289 --> 00:30:35,039

round table every once in a while when

725

00:30:42,110 --> 00:30:38,299

we can put a real good one together

726

00:30:44,149 --> 00:30:42,120

uh and uh if I do have an interview I

727

00:30:46,310 --> 00:30:44,159

think is pertinent I'll I'll do an

728

00:30:48,470 --> 00:30:46,320

interview an individual interview

729

00:30:49,610 --> 00:30:48,480

but in the meantime I think that's what

730

00:30:50,690 --> 00:30:49,620

we're going to do we're going to do a

731

00:30:53,330 --> 00:30:50,700

weekly show

732

00:30:56,090 --> 00:30:53,340

and as I start feeling better and things

733
