[Music]

4
00:00:58,389 --> 00:00:48,610

foreign

5
00:01:03,110 --> 00:01:01,250

thank you guys for joining me I'm your

6
00:01:06,710 --> 00:01:03,120

host Bernadette McDaniel and welcome to

7
00:01:08,630 --> 00:01:06,720

a paranormal life uh a quick side note

8
00:01:10,429 --> 00:01:08,640

if there's any technical difficulties

9
00:01:11,990 --> 00:01:10,439

it's going to be me because I'm

10
00:01:14,390 --> 00:01:12,000

basically running the entire show

11
00:01:16,270 --> 00:01:14,400

tonight so a little glitch at the

12
00:01:20,630 --> 00:01:16,280

beginning if you saw anything that's me

13
00:01:23,810 --> 00:01:20,640

my guest tonight is Robin McRae and she

14

00:01:26,870 --> 00:01:23,820

is a Bigfoot contactee an experiencer

15

00:01:29,749 --> 00:01:26,880

and I've been very excited to speak with

16

00:01:33,830 --> 00:01:29,759

her so let's bring her on

17

00:01:35,569 --> 00:01:33,840

hi hi Robin so for those who don't know

18

00:01:36,890 --> 00:01:35,579

you do you want to tell everyone a

19

00:01:38,690 --> 00:01:36,900

little bit about you we heard a little

20

00:01:41,330 --> 00:01:38,700

bit about you when we had Duke Sullivan

21

00:01:43,130 --> 00:01:41,340

on who was a fantastic guest and he

22

00:01:45,910 --> 00:01:43,140

recommended you hi Elise I'm like let's

23

00:01:50,870 --> 00:01:49,429

he told me off air about you were just

24

00:01:53,929 --> 00:01:50,880

amazing

25

00:01:56,810 --> 00:01:53,939

yeah um I've been around them since I

26
00:01:59,030 --> 00:01:56,820
was the my youngest memories are you

27
00:02:01,609 --> 00:01:59,040
know two and three years of age I've

28
00:02:03,770 --> 00:02:01,619
been around the Bigfoot primarily the

29
00:02:08,029 --> 00:02:03,780
dogmen of course cat people

30
00:02:10,190 --> 00:02:08,039
um ets a variety of Cryptids

31
00:02:11,930 --> 00:02:10,200
um ghosts paranoid you know the whole

32
00:02:13,070 --> 00:02:11,940
paranormal thing

33
00:02:14,750 --> 00:02:13,080
um it's been like that my whole life

34
00:02:16,850 --> 00:02:14,760
everywhere I've ever lived they've been

35
00:02:20,330 --> 00:02:16,860
I didn't even know it was called

36
00:02:23,150 --> 00:02:20,340
habituation I was just they were there

37
00:02:26,630 --> 00:02:23,160
and I've always interacted with them I

38
00:02:28,970 --> 00:02:26,640

mean most of the time I can safely say

39

00:02:30,650 --> 00:02:28,980

that either I'm getting mine speak by

40

00:02:33,290 --> 00:02:30,660

somebody or we see something or

41

00:02:35,089 --> 00:02:33,300

something goes on on a daily basis a

42

00:02:36,530 --> 00:02:35,099

slow week around here is three or four

43

00:02:38,869 --> 00:02:36,540

times a week

44

00:02:41,270 --> 00:02:38,879

oh wow you know something's going on

45

00:02:42,949 --> 00:02:41,280

I've got spirits in the house which I've

46

00:02:46,250 --> 00:02:42,959

always everywhere I've ever lived they

47

00:02:48,350 --> 00:02:46,260

tend to show up and it's just an ongoing

48

00:02:50,509 --> 00:02:48,360

thing

49

00:02:52,550 --> 00:02:50,519

um I went to the conference the

50

00:02:55,430 --> 00:02:52,560

International Conference in Siberia when

51
00:02:57,110 --> 00:02:55,440
Igor borstaff had it I usually do the

52
00:02:59,630 --> 00:02:57,120
Georgia big book conference which I am

53
00:03:01,490 --> 00:02:59,640
at this weekend and the 21st and 22nd

54
00:03:03,290 --> 00:03:01,500
I'll be in Nebraska for their conference

55
00:03:05,589 --> 00:03:03,300
there

56
00:03:08,330 --> 00:03:05,599
I work with a large variety of people

57
00:03:10,009 --> 00:03:08,340
that contact me and just want to share

58
00:03:11,869 --> 00:03:10,019
their stories with me see if there's

59
00:03:14,809 --> 00:03:11,879
anything I can help them with maybe

60
00:03:17,089 --> 00:03:14,819
explain something I do not claim to be

61
00:03:19,850 --> 00:03:17,099
an expert I don't believe in my heart

62
00:03:22,009 --> 00:03:19,860
that there's any experts in this field

63
00:03:23,089 --> 00:03:22,019

I believe that it takes all of us

64

00:03:25,190 --> 00:03:23,099

together to learn the information

65

00:03:27,530 --> 00:03:25,200

nobody's better than anybody else I'm

66

00:03:29,509 --> 00:03:27,540

just like on that even playing field

67

00:03:32,030 --> 00:03:29,519

tight mentality

68

00:03:33,949 --> 00:03:32,040

I agree with that um because I've I've

69

00:03:35,990 --> 00:03:33,959

had experiences if anyone's seen the

70

00:03:38,690 --> 00:03:36,000

show or if you know if you've seen that

71

00:03:40,430 --> 00:03:38,700

I've had experiences

72

00:03:42,470 --> 00:03:40,440

um I have Spirits in my house as well

73

00:03:43,850 --> 00:03:42,480

I've had it growing up but like I said

74

00:03:46,490 --> 00:03:43,860

backstage you know I've never seen

75

00:03:48,649 --> 00:03:46,500

athlete or anything like that

76
00:03:52,009 --> 00:03:48,659
um can you tell us your earliest memory

77
00:03:54,770 --> 00:03:52,019
of a contact from

78
00:03:57,410 --> 00:03:54,780
anything well I remember my first DT

79
00:03:59,390 --> 00:03:57,420
abduction I was for I remember being on

80
00:04:02,570 --> 00:03:59,400
the ship I remember talking to them I

81
00:04:03,410 --> 00:04:02,580
remember what I saw inside the ship they

82
00:04:06,229 --> 00:04:03,420
had

83
00:04:08,270 --> 00:04:06,239
um what looked like a modern day cat

84
00:04:10,070 --> 00:04:08,280
scan machine like you would have seen

85
00:04:12,350 --> 00:04:10,080
like maybe three or four years ago that

86
00:04:14,390 --> 00:04:12,360
kind of a cat scan machine and they had

87
00:04:16,849 --> 00:04:14,400
that on that ship and they had a large

88
00:04:19,670 --> 00:04:16,859

uh very tall gentleman that was laying

89

00:04:21,590 --> 00:04:19,680

on their unconscious I had both the

90

00:04:24,670 --> 00:04:21,600

small Grays and the tall Grays were on

91

00:04:27,950 --> 00:04:24,680

that ship that I was on I remember

92

00:04:30,350 --> 00:04:27,960

seeing the forest people looking in the

93

00:04:33,110 --> 00:04:30,360

window when I was two and three

94

00:04:38,090 --> 00:04:33,120

I don't remember a time that I didn't

95

00:04:40,249 --> 00:04:38,100

mind speak with them I in my world I

96

00:04:42,050 --> 00:04:40,259

didn't know that not everybody did that

97

00:04:44,870 --> 00:04:42,060

was a shock to me when nobody else did

98

00:04:46,670 --> 00:04:44,880

and by the time I was you know four

99

00:04:47,870 --> 00:04:46,680

years old I would ask my parents about

100

00:04:50,390 --> 00:04:47,880

them and

101
00:04:54,650 --> 00:04:50,400
back then Patterson gimlin wasn't a

102
00:04:56,930 --> 00:04:54,660
thing yet I was born in 64. and so they

103
00:04:58,430 --> 00:04:56,940
had no frame of reference either and

104
00:04:59,810 --> 00:04:58,440
they were I was very blessed because

105
00:05:01,189 --> 00:04:59,820
they never said oh you're lying you're

106
00:05:03,830 --> 00:05:01,199
making it up your craze or anything like

107
00:05:05,629 --> 00:05:03,840
that they didn't know

108
00:05:07,249 --> 00:05:05,639
you know they they said they'd help me

109
00:05:09,830 --> 00:05:07,259
if they could but they couldn't help me

110
00:05:12,670 --> 00:05:09,840
at that point and then my mom would tell

111
00:05:17,390 --> 00:05:12,680
me stories about my imaginary friends

112
00:05:19,550 --> 00:05:17,400
that when I was a kid and the one that

113
00:05:21,830 --> 00:05:19,560

she described was a Dogman the other one

114

00:05:24,529 --> 00:05:21,840

that she would describe was the Bigfoot

115

00:05:26,090 --> 00:05:24,539

so it was pretty early on I would go

116

00:05:31,189 --> 00:05:26,100

outside and I would see them peeking in

117

00:05:35,270 --> 00:05:33,230

at one point

118

00:05:38,270 --> 00:05:35,280

um uh this was probably about well this

119

00:05:39,770 --> 00:05:38,280

was back from 2009.

120

00:05:42,890 --> 00:05:39,780

saying no

121

00:05:48,469 --> 00:05:45,469

sorry I think I think we lost signal

122

00:05:51,950 --> 00:05:48,479

there sorry about that that's all right

123

00:05:55,249 --> 00:05:51,960

um back from like 2009 to 2015 I was

124

00:05:57,170 --> 00:05:55,259

working with a group of forest people

125

00:05:58,550 --> 00:05:57,180

and I would go out nightly about two

126

00:05:59,890 --> 00:05:58,560

o'clock in the morning and sit out in

127

00:06:02,570 --> 00:05:59,900

the woods with them

128

00:06:03,650 --> 00:06:02,580

and I would either sit on my porch and

129

00:06:06,529 --> 00:06:03,660

then they would come out of the tree

130

00:06:07,730 --> 00:06:06,539

line and interact or I would go sit on a

131

00:06:09,170 --> 00:06:07,740

log out in the woods and they would just

132

00:06:11,210 --> 00:06:09,180

walk around me and they would chant and

133

00:06:13,189 --> 00:06:11,220

they'd talk and you know they were

134

00:06:15,590 --> 00:06:13,199

constant daily interaction from them

135

00:06:16,909 --> 00:06:15,600

throughout the day they had gotten

136

00:06:18,710 --> 00:06:16,919

comfortable enough where they would be

137

00:06:20,510 --> 00:06:18,720

uncloaked and just walk around the

138

00:06:22,249 --> 00:06:20,520

property

139

00:06:23,350 --> 00:06:22,259

um I would watch them cloak it from time

140

00:06:26,930 --> 00:06:23,360

to time

141

00:06:30,230 --> 00:06:26,940

but yeah it was it was a lot of fun

142

00:06:31,909 --> 00:06:30,240

yeah and like I was saying before I

143

00:06:34,129 --> 00:06:31,919

think we lost signal

144

00:06:35,990 --> 00:06:34,139

um that what your parents did was very

145

00:06:38,150 --> 00:06:36,000

important in my opinion like they didn't

146

00:06:41,029 --> 00:06:38,160

tell you you were crazy they didn't you

147

00:06:43,610 --> 00:06:41,039

know brush you off I as a you know as a

148

00:06:45,710 --> 00:06:43,620

child I think that's very important it

149

00:06:47,570 --> 00:06:45,720

was for me and then I never really

150

00:06:49,309 --> 00:06:47,580

talked about it for several years

151
00:06:51,230 --> 00:06:49,319
because I thought well they don't know

152
00:06:53,029 --> 00:06:51,240
you know anything about it and I didn't

153
00:06:54,469 --> 00:06:53,039
want to tell anybody that I was

154
00:06:56,330 --> 00:06:54,479
mind-speaking because I didn't know it

155
00:06:58,249 --> 00:06:56,340
was called Mind speak at the time right

156
00:07:00,170 --> 00:06:58,259
and I was seeing these things because I

157
00:07:03,290 --> 00:07:00,180
thought everybody's gonna think I'm nuts

158
00:07:05,749 --> 00:07:03,300
and as I got older

159
00:07:08,029 --> 00:07:05,759
and more things happened it was just too

160
00:07:11,090 --> 00:07:08,039
evident that this was what was going on

161
00:07:12,590 --> 00:07:11,100
and then when I was having children was

162
00:07:14,390 --> 00:07:12,600
married

163
00:07:16,370 --> 00:07:14,400

um

164

00:07:19,670 --> 00:07:16,380

there were other people that saw them as

165

00:07:21,409 --> 00:07:19,680

well it's harder to say that you know

166

00:07:23,570 --> 00:07:21,419

it's me when other people see what I'm

167

00:07:27,050 --> 00:07:23,580

seeing and are seeing this kind of

168

00:07:29,450 --> 00:07:27,060

interaction and then eventually my mom

169

00:07:30,770 --> 00:07:29,460

came to stay the weekend and at night

170

00:07:32,510 --> 00:07:30,780

they would come up and tap on the window

171

00:07:34,730 --> 00:07:32,520

and look in the window and you know they

172

00:07:36,770 --> 00:07:34,740

would want me to come outside so she was

173

00:07:39,950 --> 00:07:36,780

there and I didn't go outside that night

174

00:07:41,809 --> 00:07:39,960

because my mom was there you know and I

175

00:07:44,450 --> 00:07:41,819

don't want to frighten her and it

176

00:07:46,129 --> 00:07:44,460

literally woke her up tapping on the

177

00:07:47,689 --> 00:07:46,139

window so the next morning she's like I

178

00:07:50,029 --> 00:07:47,699

fully believe you now she said I never

179

00:07:52,070 --> 00:07:50,039

didn't believe you I just had never

180

00:07:54,350 --> 00:07:52,080

experienced it she said but they are

181

00:07:57,409 --> 00:07:54,360

definitely here she said I heard him and

182

00:07:59,270 --> 00:07:57,419

we had went to right before that

183

00:08:01,490 --> 00:07:59,280

my daughter had a soccer tournament when

184

00:08:02,510 --> 00:08:01,500

she was in school and I said to my mom I

185

00:08:04,249 --> 00:08:02,520

said we're going to be gone the whole

186

00:08:07,129 --> 00:08:04,259

weekend why don't you come it'll be fun

187

00:08:10,909 --> 00:08:07,139

we can hang out she's like okay so we

188

00:08:13,189 --> 00:08:10,919

shared the hotel room and she was asleep

189

00:08:14,450 --> 00:08:13,199

and because I work with people that are

190

00:08:16,790 --> 00:08:14,460

all over the globe

191

00:08:19,909 --> 00:08:16,800

so that means I do get phone calls in

192

00:08:22,309 --> 00:08:19,919

the middle of the night and somebody had

193

00:08:23,749 --> 00:08:22,319

called me and all day long I told

194

00:08:25,070 --> 00:08:23,759

everybody I'm going to be in my

195

00:08:27,290 --> 00:08:25,080

daughter's soccer tournament I'm not

196

00:08:29,029 --> 00:08:27,300

available if you are in trouble if

197

00:08:31,309 --> 00:08:29,039

you're in danger whatever just text me

198

00:08:34,510 --> 00:08:31,319

911 I will drop whatever I'm doing and I

199

00:08:36,709 --> 00:08:34,520

will contact you so I had gotten calls

200

00:08:38,630 --> 00:08:36,719

throughout the day and if it didn't come

201

00:08:41,089 --> 00:08:38,640

up 9-1-1 then you know this is my

202

00:08:43,310 --> 00:08:41,099

daughter's time I sat outside or I would

203

00:08:45,230 --> 00:08:43,320

text them to make sure they were safe we

204

00:08:47,329 --> 00:08:45,240

got to the hotel room that night and it

205

00:08:49,370 --> 00:08:47,339

was like 3 3 30 in the morning and my

206

00:08:50,870 --> 00:08:49,380

phone rang and I grabbed it and it was

207

00:08:53,090 --> 00:08:50,880

someone that I had been helping and they

208

00:08:54,889 --> 00:08:53,100

were pretty frightened and and I went

209

00:08:56,750 --> 00:08:54,899

into the bathroom so as not to wake my

210

00:08:58,430 --> 00:08:56,760

mom or my daughter

211

00:08:59,870 --> 00:08:58,440

and I'm sitting in the bathroom with the

212

00:09:01,190 --> 00:08:59,880

door closed and I'm talking to them I'm

213

00:09:03,590 --> 00:09:01,200

going okay this is why they're doing

214

00:09:05,509 --> 00:09:03,600

this you're okay and I'm just listening

215

00:09:07,850 --> 00:09:05,519

and trying to help them along as best as

216

00:09:09,889 --> 00:09:07,860

I could I came out of the bathroom after

217

00:09:11,509 --> 00:09:09,899

being on the phone for like an hour and

218

00:09:13,730 --> 00:09:11,519

my mom was sitting on the bed and I

219

00:09:15,290 --> 00:09:13,740

apologized profusely I'm like I'm so

220

00:09:17,870 --> 00:09:15,300

sorry I kept you up and she looked at me

221

00:09:19,970 --> 00:09:17,880

and she went this is all real

222

00:09:21,889 --> 00:09:19,980

and I said what she said all of it it's

223

00:09:24,290 --> 00:09:21,899

real every bit of it and I said yeah it

224

00:09:25,670 --> 00:09:24,300

is and she said your phone has blown up

225

00:09:28,910 --> 00:09:25,680

all day long with people trying to get

226

00:09:30,530 --> 00:09:28,920

hold of you she said I woke up on my own

227

00:09:32,030 --> 00:09:30,540

but she said I heard you in the bathroom

228

00:09:34,070 --> 00:09:32,040

and she said

229

00:09:36,050 --> 00:09:34,080

if it wasn't real all these people

230

00:09:39,290 --> 00:09:36,060

wouldn't be contacting you

231

00:09:40,910 --> 00:09:39,300

and I said no they wouldn't you know and

232

00:09:43,250 --> 00:09:40,920

after that she

233

00:09:44,930 --> 00:09:43,260

it was like you know she never she

234

00:09:46,970 --> 00:09:44,940

always believed me I never felt like she

235

00:09:48,410 --> 00:09:46,980

didn't she would just always say I don't

236

00:09:49,730 --> 00:09:48,420

know anything about it I know how she

237

00:09:52,610 --> 00:09:49,740

talks as ghosts you know she doesn't

238

00:09:54,889 --> 00:09:52,620

know anything about the Cryptids and

239

00:09:56,030 --> 00:09:54,899

so you know then she of course she came

240

00:09:57,949 --> 00:09:56,040

to the house and they were knocking on

241

00:10:01,070 --> 00:09:57,959

this she said I got you know I got my

242

00:10:04,570 --> 00:10:01,080

confirmation I'm good now

243

00:10:08,210 --> 00:10:04,580

but no and I think that is important so

244

00:10:11,690 --> 00:10:08,220

I am so sorry everybody's letting the

245

00:10:13,670 --> 00:10:11,700

dogs out I apologize no that's just me I

246

00:10:15,710 --> 00:10:13,680

love animals on the show if one dog

247

00:10:17,110 --> 00:10:15,720

should show up that's fine if you have a

248

00:10:19,550 --> 00:10:17,120

cat that's fine

249

00:10:21,889 --> 00:10:19,560

definitely trying to keep them quiet for

250

00:10:24,170 --> 00:10:21,899

me God love him but oh you know they're

251

00:10:26,750 --> 00:10:24,180

fine we love animals around here trust

252

00:10:28,970 --> 00:10:26,760

me when Logan says this show and his cat

253

00:10:31,970 --> 00:10:28,980

Vinnie jumps up everyone gives nuts so

254

00:10:33,590 --> 00:10:31,980

we love animals around here so that's

255

00:10:36,110 --> 00:10:33,600

totally fine

256

00:10:38,210 --> 00:10:36,120

um so that's basically a normal day for

257

00:10:40,430 --> 00:10:38,220

you your phone continuously blows up

258

00:10:42,889 --> 00:10:40,440

like what what do you do yeah today

259

00:10:45,710 --> 00:10:42,899

could you give an example my normal day

260

00:10:48,290 --> 00:10:45,720

yes like what time it's crazy though as

261

00:10:50,329 --> 00:10:48,300

soon as I get up I you know I there's we

262

00:10:52,310 --> 00:10:50,339

have 17 dogs here I have 13 that are

263

00:10:53,509 --> 00:10:52,320

mine four that are my daughters her and

264

00:10:55,550 --> 00:10:53,519

her husband are staying with us

265

00:10:58,490 --> 00:10:55,560

temporarily while they look for a home

266

00:10:59,810 --> 00:10:58,500

and so there's 17 dogs there so I get up

267

00:11:02,449 --> 00:10:59,820

and the first and I actually have too

268

00:11:05,030 --> 00:11:02,459

many pigs as well as I have cats and

269

00:11:07,250 --> 00:11:05,040

then I have feral cats that I've caged I

270

00:11:10,009 --> 00:11:07,260

have like 10 by 12 cages out there so as

271

00:11:11,870 --> 00:11:10,019

I tame them girls go in one cage boys go

272

00:11:14,690 --> 00:11:11,880

on the other so we can kind of slow down

273

00:11:16,970 --> 00:11:14,700

the wild feral cat population until I

274

00:11:19,069 --> 00:11:16,980

find them home

275

00:11:21,110 --> 00:11:19,079

I get up in the morning and it's I'm on

276

00:11:22,970 --> 00:11:21,120

dog Duty and while I'm on dog Duty I'm

277

00:11:24,530 --> 00:11:22,980

on the phone I have a dear friend of

278

00:11:25,850 --> 00:11:24,540

mine I check on every morning so I'm

279

00:11:28,430 --> 00:11:25,860

talking to her and dealing with the

280

00:11:31,610 --> 00:11:28,440

animals from that point which is usually

281

00:11:33,530 --> 00:11:31,620

about 11 or 12. I am solid on the phone

282

00:11:35,810 --> 00:11:33,540

with either someone that wants to talk

283

00:11:39,050 --> 00:11:35,820

to me about their experiences or someone

284

00:11:41,150 --> 00:11:39,060

that I'm helping to

285

00:11:44,870 --> 00:11:41,160

um work with their group

286

00:11:47,630 --> 00:11:44,880

or something involved with the Cryptids

287

00:11:49,310 --> 00:11:47,640

and my husband gets home about four

288

00:11:51,889 --> 00:11:49,320

o'clock I have dinner with him and then

289

00:11:53,930 --> 00:11:51,899

I'm generally back on it it doesn't stop

290

00:11:55,250 --> 00:11:53,940

it's a seven day week thing

291

00:11:57,470 --> 00:11:55,260

um every now and then I'll be like I'm

292

00:11:59,449 --> 00:11:57,480

burned out I need a day off I'll still

293

00:12:03,410 --> 00:11:59,459

talk to people but I won't do as much as

294

00:12:04,790 --> 00:12:03,420

I normally do but in that time frame

295

00:12:08,150 --> 00:12:04,800

they're still walking by the window

296

00:12:10,009 --> 00:12:08,160

they're still tapping on the window or

297

00:12:12,470 --> 00:12:10,019

you know the mind speaking is all the

298

00:12:14,150 --> 00:12:12,480

time my husband mine speaks and is

299

00:12:16,910 --> 00:12:14,160

heavily involved in all of this with me

300

00:12:19,910 --> 00:12:16,920

he's a great partner and he's tremendous

301
00:12:22,310 --> 00:12:19,920
at mind speaks so you know one of us is

302
00:12:24,710 --> 00:12:22,320
getting something at all times or

303
00:12:27,290 --> 00:12:24,720
they'll be a sighting of one of them in

304
00:12:28,910 --> 00:12:27,300
the backyard you know I've had to let my

305
00:12:31,130 --> 00:12:28,920
one neighbor know that they were there

306
00:12:33,350 --> 00:12:31,140
because I didn't want her frightened

307
00:12:35,569 --> 00:12:33,360
and so now they go by her house all the

308
00:12:37,190 --> 00:12:35,579
time you know she's not as afraid of as

309
00:12:39,290 --> 00:12:37,200
she used to be now she just kind of lets

310
00:12:42,170 --> 00:12:39,300
him do their thing but yeah this is it

311
00:12:45,110 --> 00:12:42,180
doesn't it's not like a nine to five

312
00:12:47,030 --> 00:12:45,120
type thing ever you don't make any money

313
00:12:48,889 --> 00:12:47,040

I mean I don't charge for anything to do

314

00:12:51,889 --> 00:12:48,899

when I work with people

315

00:12:54,470 --> 00:12:51,899

um I am under the belief that

316

00:12:55,910 --> 00:12:54,480

if you can help someone

317

00:12:58,370 --> 00:12:55,920

you should

318

00:13:00,590 --> 00:12:58,380

we need more of that in all aspects of

319

00:13:02,569 --> 00:13:00,600

our life and people have been there for

320

00:13:04,970 --> 00:13:02,579

me so I try to make sure I can be there

321

00:13:06,769 --> 00:13:04,980

for them I'm not always perfect at it

322

00:13:08,949 --> 00:13:06,779

but I do try my best

323

00:13:13,069 --> 00:13:08,959

right so yeah

324

00:13:14,509 --> 00:13:13,079

24 7. yeah yeah yeah and you know I can

325

00:13:15,530 --> 00:13:14,519

people come here that have seen him as

326

00:13:18,230 --> 00:13:15,540

well

327

00:13:20,930 --> 00:13:18,240

is it is it a generational thing you

328

00:13:23,629 --> 00:13:20,940

says your mom dealt with spirits and now

329

00:13:27,410 --> 00:13:23,639

you deal do your kids

330

00:13:29,750 --> 00:13:27,420

see any of this today yes or no all my

331

00:13:31,850 --> 00:13:29,760

kids whether they choose to remember it

332

00:13:34,250 --> 00:13:31,860

or not that they I don't think they were

333

00:13:35,810 --> 00:13:34,260

as thrilled about it as the mom was

334

00:13:37,310 --> 00:13:35,820

um they have seen them at some point in

335

00:13:40,250 --> 00:13:37,320

time in their life

336

00:13:42,829 --> 00:13:40,260

you know they most of them just wanted

337

00:13:44,750 --> 00:13:42,839

to ignore it because you know the stigma

338

00:13:46,550 --> 00:13:44,760

from their friends and so we were very

339

00:13:48,530 --> 00:13:46,560

careful in what friends we are allowed

340

00:13:49,970 --> 00:13:48,540

to know about it because we didn't want

341

00:13:51,949 --> 00:13:49,980

number one I don't want the poorest

342

00:13:53,870 --> 00:13:51,959

people hurt I've been protecting and

343

00:13:56,269 --> 00:13:53,880

defending them since I was little I will

344

00:13:57,829 --> 00:13:56,279

always continue to do so but I didn't

345

00:14:00,230 --> 00:13:57,839

want my children ridiculed at school

346

00:14:01,970 --> 00:14:00,240

either and so

347

00:14:05,690 --> 00:14:01,980

um you know I tried to keep them out as

348

00:14:08,569 --> 00:14:05,700

much as possible my younger three were

349

00:14:11,750 --> 00:14:08,579

more involved

350

00:14:13,790 --> 00:14:11,760

than the other ones only because

351

00:14:15,590 --> 00:14:13,800

by then I knew Igor bore stuff and he

352

00:14:19,550 --> 00:14:15,600

was out to the house

353

00:14:21,949 --> 00:14:19,560

and he was where

354

00:14:24,110 --> 00:14:21,959

um we would do bonfires and campouts and

355

00:14:25,730 --> 00:14:24,120

that kind of thing so not with a lot of

356

00:14:27,670 --> 00:14:25,740

people but with him and a couple others

357

00:14:30,590 --> 00:14:27,680

and so they were more involved that way

358

00:14:32,090 --> 00:14:30,600

now everybody's grown up and they've got

359

00:14:34,550 --> 00:14:32,100

their own families and they aren't

360

00:14:35,990 --> 00:14:34,560

involved in it at all anymore

361

00:14:38,150 --> 00:14:36,000

um my daughter that's being here

362

00:14:39,769 --> 00:14:38,160

obviously her and her husband are

363

00:14:40,730 --> 00:14:39,779

involved to the extent that they see

364

00:14:45,410 --> 00:14:40,740

them

365

00:14:47,750 --> 00:14:45,420

know that kind of thing my youngest

366

00:14:49,970 --> 00:14:47,760

daughter does have abilities and she

367

00:14:52,790 --> 00:14:49,980

wants nothing to do with them she sees

368

00:14:54,170 --> 00:14:52,800

what I go through because you know with

369

00:14:56,389 --> 00:14:54,180

the good there's always the bad I've

370

00:14:58,550 --> 00:14:56,399

been attacked you know not by Cryptids

371

00:15:00,350 --> 00:14:58,560

so much but I have dealt with some bad

372

00:15:02,629 --> 00:15:00,360

ones for other people but not here at my

373

00:15:05,210 --> 00:15:02,639

home but um

374

00:15:08,329 --> 00:15:05,220

I have an attack by 80s you know there's

375

00:15:10,790 --> 00:15:08,339

good ETS there's batting teeth and so

376

00:15:13,850 --> 00:15:10,800

you know there's a lot you know there's

377

00:15:15,470 --> 00:15:13,860

a lot that goes with it and so does she

378

00:15:17,990 --> 00:15:15,480

see him yeah her and her husband have

379

00:15:20,569 --> 00:15:18,000

seen them multiple times here so

380

00:15:22,310 --> 00:15:20,579

yeah my mom never dealt with any of this

381

00:15:24,889 --> 00:15:22,320

the only thing she ever dealt with were

382

00:15:26,750 --> 00:15:24,899

ghosts in spirits I mean she did that

383

00:15:27,889 --> 00:15:26,760

for years she does it on a regular basis

384

00:15:30,470 --> 00:15:27,899

now

385

00:15:32,389 --> 00:15:30,480

um but she always has

386

00:15:34,250 --> 00:15:32,399

you know and she always had the

387

00:15:38,090 --> 00:15:34,260

premonitions and that kind of stuff so

388

00:15:40,069 --> 00:15:38,100

this part where I'm at with the whole

389

00:15:42,350 --> 00:15:40,079

um all the Cryptids and the ETS and

390

00:15:44,269 --> 00:15:42,360

stuff that's just been with me

391

00:15:46,389 --> 00:15:44,279

I don't know why everybody asked me why

392

00:15:49,009 --> 00:15:46,399

I have no clue

393

00:15:52,250 --> 00:15:49,019

I don't know that there was ever a time

394

00:15:54,170 --> 00:15:52,260

that I wasn't you know didn't have it my

395

00:15:56,810 --> 00:15:54,180

last abduction was made that I'm aware

396

00:15:59,050 --> 00:15:56,820

of I suspect a few things in between but

397

00:16:01,069 --> 00:15:59,060

the last one was May

398

00:16:03,170 --> 00:16:01,079

there's there just has to be something

399

00:16:05,569 --> 00:16:03,180

maybe about your bloodline or maybe your

400

00:16:08,090 --> 00:16:05,579

mother's bloodline yeah and they know

401

00:16:10,069 --> 00:16:08,100

your car they know your heart like my

402

00:16:12,410 --> 00:16:10,079

mom I've asked her so many times and

403

00:16:13,970 --> 00:16:12,420

she's like none of the things that

404

00:16:16,490 --> 00:16:13,980

you're involved with have I ever

405

00:16:19,730 --> 00:16:16,500

experienced have I ever known about when

406

00:16:21,170 --> 00:16:19,740

she was a kid it was you know a time

407

00:16:23,210 --> 00:16:21,180

when they thought it was cool to do the

408

00:16:25,310 --> 00:16:23,220

seances you know and make the table rise

409

00:16:29,030 --> 00:16:25,320

and she did that a couple of times but

410

00:16:30,949 --> 00:16:29,040

she wasn't heavy into it you know my um

411

00:16:32,870 --> 00:16:30,959

aunt and uncle had a house that had a

412

00:16:34,490 --> 00:16:32,880

ghost in it my mom you know saw the

413

00:16:37,189 --> 00:16:34,500

ghost there but it wasn't something on a

414

00:16:38,629 --> 00:16:37,199

regular basis and she never went out

415

00:16:40,730 --> 00:16:38,639

really and looked for it after the time

416

00:16:42,470 --> 00:16:40,740

she was a teenager so and it's not

417

00:16:44,810 --> 00:16:42,480

happening with my sister it hasn't

418

00:16:47,629 --> 00:16:44,820

happened with my half Brothers it's just

419

00:16:50,710 --> 00:16:47,639

for whatever reason it's me I don't know

420

00:16:53,949 --> 00:16:50,720

I honestly don't know

421

00:16:57,710 --> 00:16:53,959

that's the question right why you yeah

422

00:16:58,550 --> 00:16:57,720

yeah yeah I feel really trust me I know

423

00:17:00,650 --> 00:16:58,560

that feeling

424

00:17:03,170 --> 00:17:00,660

yeah I feel really blessed because I get

425

00:17:04,850 --> 00:17:03,180

to see a part of the world that and

426

00:17:06,710 --> 00:17:04,860

there's thousands and thousands of

427

00:17:08,929 --> 00:17:06,720

people like me I'm not the only one but

428

00:17:10,730 --> 00:17:08,939

I'm fortunate enough that in this big

429

00:17:12,530 --> 00:17:10,740

grand scheme of things I have been able

430

00:17:13,990 --> 00:17:12,540

to see and interact with what I have

431

00:17:17,750 --> 00:17:14,000

done

432

00:17:19,730 --> 00:17:17,760

and so what is the main Crypt did you

433

00:17:21,610 --> 00:17:19,740

deal with is it Bigfoot because you said

434

00:17:25,309 --> 00:17:21,620

you've done yeah usually

435

00:17:27,710 --> 00:17:25,319

yeah I have like I have um most of the

436

00:17:29,690 --> 00:17:27,720

time it's it's the forest people yeah

437

00:17:31,430 --> 00:17:29,700

it's a Sasquatch

438

00:17:33,590 --> 00:17:31,440

um I have dogmen that run around here

439

00:17:34,970 --> 00:17:33,600

too and once in a while you know they'll

440

00:17:37,370 --> 00:17:34,980

speak or something and I have a picture

441

00:17:41,150 --> 00:17:37,380

of a baby Dogman and I have another one

442

00:17:42,890 --> 00:17:41,160

of one that was here but um and we have

443

00:17:45,169 --> 00:17:42,900

a picture of the head he's like a

444

00:17:46,850 --> 00:17:45,179

werewolf he was coming out of portal

445

00:17:49,610 --> 00:17:46,860

um but and I have a picture of the cat

446

00:17:52,909 --> 00:17:49,620

people I have pictures of dimensionals a

447

00:17:55,190 --> 00:17:52,919

couple of ET pictures UFO pictures I

448

00:17:58,070 --> 00:17:55,200

have a photograph outside my garage

449

00:18:00,830 --> 00:17:58,080

where there's a triangular craft and

450

00:18:02,330 --> 00:18:00,840

underneath of it is an open portal with

451

00:18:04,070 --> 00:18:02,340

the head coming out of it and that's

452

00:18:05,750 --> 00:18:04,080

kind of a cool one

453

00:18:08,750 --> 00:18:05,760

um I have a picture of a beam coming

454

00:18:11,870 --> 00:18:08,760

down from a craft onto my bedroom you

455

00:18:14,150 --> 00:18:11,880

know so it's yeah lots of we found that

456

00:18:16,190 --> 00:18:14,160

if I go out in the woods and and I don't

457

00:18:18,409 --> 00:18:16,200

like my photo taken but if you take my

458

00:18:19,730 --> 00:18:18,419

picture I'm out in the woods for a while

459

00:18:21,409 --> 00:18:19,740

I don't know if they're still doing it

460

00:18:23,810 --> 00:18:21,419

but for quite a while you would usually

461

00:18:25,130 --> 00:18:23,820

find one popping up in the background

462

00:18:28,190 --> 00:18:25,140

yeah

463

00:18:31,070 --> 00:18:28,200

see I I'm not like I told you backstage

464

00:18:33,169 --> 00:18:31,080

I have not had a Bigfoot encounter I

465

00:18:36,350 --> 00:18:33,179

don't think I have had a Dogman

466

00:18:38,330 --> 00:18:36,360

encounter I can explain this so

467

00:18:41,810 --> 00:18:38,340

um I do work with lawn and Lon had sent

468

00:18:44,570 --> 00:18:41,820

my boyfriend and I out to uh this place

469

00:18:46,970 --> 00:18:44,580

in Johnstown it's called Wilmore and

470

00:18:48,529 --> 00:18:46,980

there had been a sighting and it was

471

00:18:50,870 --> 00:18:48,539

like we got there and it was really

472

00:18:53,029 --> 00:18:50,880

eerily quiet there was no bugs there was

473

00:18:55,669 --> 00:18:53,039

no birds and we were walking around

474

00:18:56,390 --> 00:18:55,679

and he found that the tracks and he's a

475

00:18:58,789 --> 00:18:56,400

hunter

476

00:19:01,010 --> 00:18:58,799

so he knows his tracks he knows his

477

00:19:03,409 --> 00:19:01,020

stuff and he's like crouched down like

478

00:19:05,810 --> 00:19:03,419

talking to himself like it's it's not

479

00:19:07,310 --> 00:19:05,820

there it's not there he's like what is

480

00:19:09,409 --> 00:19:07,320

this and I'm just like standing there

481

00:19:12,470 --> 00:19:09,419

like I don't know I'm kind of useless

482

00:19:15,130 --> 00:19:12,480

when it comes to tracks I don't know out

483

00:19:19,190 --> 00:19:15,140

of the corner of my eye I see like this

484

00:19:24,970 --> 00:19:19,200

weird Wings just moving and it like

485

00:19:29,690 --> 00:19:27,890

it was like that and I thought I got

486

00:19:32,690 --> 00:19:29,700

this thought in my head like if I don't

487

00:19:35,570 --> 00:19:32,700

scream something bad's going to happen

488

00:19:37,370 --> 00:19:35,580

yeah and I I mean I screamed so bad that

489

00:19:40,730 --> 00:19:37,380

he had a gun he pulled his gun because

490

00:19:41,690 --> 00:19:40,740

he's able to he he pulled it yeah what

491

00:19:44,330 --> 00:19:41,700

I'm like

492

00:19:46,130 --> 00:19:44,340

I I saw something and I don't know what

493

00:19:48,529 --> 00:19:46,140

I saw I'm like I can't explain it he

494

00:19:50,510 --> 00:19:48,539

just like he's like just calm down I'm

495

00:19:52,390 --> 00:19:50,520

like I saw something though he's like

496

00:19:54,529 --> 00:19:52,400

but there's yeah

497

00:19:55,970 --> 00:19:54,539

there's more directions than what we

498

00:19:57,110 --> 00:19:55,980

know of

499

00:19:59,390 --> 00:19:57,120

yeah

500

00:20:00,950 --> 00:19:59,400

I mean we have some Cryptids that were

501
00:20:03,409 --> 00:20:00,960
naturally born here we have other

502
00:20:04,850 --> 00:20:03,419
Cryptids that were ET created we have

503
00:20:07,430 --> 00:20:04,860
other Cryptids that were government

504
00:20:11,150 --> 00:20:07,440
generated so you've got all of these

505
00:20:14,810 --> 00:20:11,160
things here and years ago I was told by

506
00:20:16,010 --> 00:20:14,820
the poorest people that the ones that we

507
00:20:18,110 --> 00:20:16,020
have some here that I don't know what

508
00:20:19,130 --> 00:20:18,120
they are we have this one that's it's

509
00:20:21,470 --> 00:20:19,140
big

510
00:20:23,510 --> 00:20:21,480
and it I don't know what it is it looks

511
00:20:24,770 --> 00:20:23,520
like a cross between an Alka kangaroo

512
00:20:26,630 --> 00:20:24,780
and a rabbit

513
00:20:28,610 --> 00:20:26,640

and it moves through the bushes yeah

514

00:20:30,470 --> 00:20:28,620

it's really weird looking it's it's so

515

00:20:32,330 --> 00:20:30,480

bizarre but it doesn't it's not

516

00:20:34,250 --> 00:20:32,340

aggressive and it can cloak I watched it

517

00:20:35,690 --> 00:20:34,260

cloak and come back in

518

00:20:38,270 --> 00:20:35,700

but

519

00:20:40,010 --> 00:20:38,280

um the bigfooted told me that what they

520

00:20:42,650 --> 00:20:40,020

do for the ones that don't have a name

521

00:20:44,750 --> 00:20:42,660

they call it a Makaya and it's a blanket

522

00:20:46,070 --> 00:20:44,760

term for thee that walks the Earth that

523

00:20:49,730 --> 00:20:46,080

has no name

524

00:20:51,350 --> 00:20:49,740

and so they would show me images of them

525

00:20:53,150 --> 00:20:51,360

in my mind and I would draw it out which

526

00:20:54,890 --> 00:20:53,160

I I can't draw I can barely draw an egg

527

00:20:56,750 --> 00:20:54,900

but

528

00:20:58,730 --> 00:20:56,760

I would do the best I could with what

529

00:21:00,289 --> 00:20:58,740

they would show me in my head and then

530

00:21:02,810 --> 00:21:00,299

within a few years somebody would

531

00:21:04,070 --> 00:21:02,820

contact me and say hey I just saw this I

532

00:21:05,270 --> 00:21:04,080

don't know what this is and they would

533

00:21:07,370 --> 00:21:05,280

send me a picture and it'd be the same

534

00:21:09,350 --> 00:21:07,380

thing would match my drawing

535

00:21:11,029 --> 00:21:09,360

so and I would say what is that they

536

00:21:12,710 --> 00:21:11,039

said they would just call them akaya

537

00:21:15,770 --> 00:21:12,720

because there's so much out there that

538

00:21:17,750 --> 00:21:15,780

we don't know is out there and I would

539

00:21:20,210 --> 00:21:17,760

get these bizarre pictures of these

540

00:21:22,850 --> 00:21:20,220

things out in the front yard or in the

541

00:21:24,590 --> 00:21:22,860

bushes or whatever and you don't have a

542

00:21:26,750 --> 00:21:24,600

name for everything you know I've seen

543

00:21:28,610 --> 00:21:26,760

the little people I've seen the FAE I've

544

00:21:32,990 --> 00:21:28,620

you know I've done all that because what

545

00:21:35,570 --> 00:21:33,000

you find is everything is energy based

546

00:21:37,909 --> 00:21:35,580

and so all these things have this

547

00:21:39,610 --> 00:21:37,919

intense energy and it tends to draw them

548

00:21:42,470 --> 00:21:39,620

around each other even if they aren't

549

00:21:44,090 --> 00:21:42,480

interacting and there's places that the

550

00:21:46,789 --> 00:21:44,100

dog men will not be where the bigfooter

551
00:21:49,010 --> 00:21:46,799
at my experience has been a little bit

552
00:21:50,810 --> 00:21:49,020
different and I know other people that

553
00:21:53,090 --> 00:21:50,820
have shared the same experience it's not

554
00:21:55,130 --> 00:21:53,100
just me mine even if they're not

555
00:21:56,450 --> 00:21:55,140
interacting with each other share the

556
00:21:58,430 --> 00:21:56,460
same land

557
00:21:59,270 --> 00:21:58,440
like we get both that come through my

558
00:22:03,169 --> 00:21:59,280
yard

559
00:22:04,730 --> 00:22:03,179
and there's we've not had any where

560
00:22:06,110 --> 00:22:04,740
they're fighting with each other I know

561
00:22:08,510 --> 00:22:06,120
there's other areas that are different

562
00:22:10,190 --> 00:22:08,520
than that but I've talked to a lot of

563
00:22:12,169 --> 00:22:10,200

habitators that have noticed that

564

00:22:14,210 --> 00:22:12,179

pattern as well so I think it just

565

00:22:16,730 --> 00:22:14,220

depends on the clan it depends on the

566

00:22:18,470 --> 00:22:16,740

area the location you know the thing

567

00:22:21,289 --> 00:22:18,480

that we have to remember with all of

568

00:22:23,390 --> 00:22:21,299

these are they're all in individual

569

00:22:24,649 --> 00:22:23,400

they're all individualized everyone is

570

00:22:26,690 --> 00:22:24,659

different everyone has a different

571

00:22:27,890 --> 00:22:26,700

temperament you know like with the

572

00:22:29,510 --> 00:22:27,900

forest people I think they're all

573

00:22:32,750 --> 00:22:29,520

predominantly good I think there's more

574

00:22:36,590 --> 00:22:32,760

good than bad but they are a type of

575

00:22:39,130 --> 00:22:36,600

people I assisted on the Sasquatch

576
00:22:42,470 --> 00:22:39,140
Genome Project with Dr Melba Ketchum

577
00:22:44,149 --> 00:22:42,480
and she is now embarking on the

578
00:22:46,070 --> 00:22:44,159
cryptogenome project of which I will be

579
00:22:49,070 --> 00:22:46,080
helping her as well

580
00:22:50,990 --> 00:22:49,080
and so that's now in full swing and and

581
00:22:53,330 --> 00:22:51,000
we do have some Dogma samples of course

582
00:22:55,070 --> 00:22:53,340
always looking for more and she's

583
00:22:59,570 --> 00:22:55,080
getting ready to start testing genomes

584
00:23:01,789 --> 00:22:59,580
on that so you know but again they are a

585
00:23:03,649 --> 00:23:01,799
type the bigfooter type of people they

586
00:23:05,690 --> 00:23:03,659
may not be our type of people but they

587
00:23:08,149 --> 00:23:05,700
are a type of people the DNA proves it

588
00:23:09,710 --> 00:23:08,159

and before I met Melba before I knew

589

00:23:10,730 --> 00:23:09,720

about the study they had already told me

590

00:23:16,970 --> 00:23:10,740

they were

591

00:23:18,770 --> 00:23:16,980

angry when you call them Nephilim and

592

00:23:20,270 --> 00:23:18,780

they I asked them I was out in the yard

593

00:23:21,830 --> 00:23:20,280

with them one day and I said when are

594

00:23:23,990 --> 00:23:21,840

you and there was three of them standing

595

00:23:26,090 --> 00:23:24,000

there and they said they pointed to me

596

00:23:27,770 --> 00:23:26,100

and they said we're human like you then

597

00:23:31,430 --> 00:23:27,780

they pointed at the sky in Southern Star

598

00:23:34,549 --> 00:23:31,440

people now you know in the DNA study it

599

00:23:35,810 --> 00:23:34,559

does not say that that's what I'm saying

600

00:23:38,090 --> 00:23:35,820

because that's what they told me so

601
00:23:40,070 --> 00:23:38,100
that's suffered from the DNA study the

602
00:23:41,930 --> 00:23:40,080
DNA study said that the mother's side

603
00:23:44,029 --> 00:23:41,940
was human the father's side is unknown

604
00:23:46,010 --> 00:23:44,039
because in order to clarify what it

605
00:23:48,529 --> 00:23:46,020
would be for that father's side it has

606
00:23:51,230 --> 00:23:48,539
to match something in genbank and they

607
00:23:53,930 --> 00:23:51,240
don't have that kind of a DNA sample in

608
00:23:56,870 --> 00:23:53,940
gen bait the government does but it's

609
00:23:58,549 --> 00:23:56,880
not accessible for the scientists so you

610
00:24:00,770 --> 00:23:58,559
know as far as I'm concerned I will back

611
00:24:02,510 --> 00:24:00,780
her study with every breath in my body

612
00:24:04,270 --> 00:24:02,520
because I know it's accurate even they

613
00:24:06,830 --> 00:24:04,280

said it was accurate that's why I never

614

00:24:08,390 --> 00:24:06,840

was because they told me to find her and

615

00:24:12,770 --> 00:24:08,400

I didn't even know she was doing a study

616

00:24:14,149 --> 00:24:12,780

at the time oh wow and I'm just going to

617

00:24:16,070 --> 00:24:14,159

say this I believe the government has

618

00:24:20,810 --> 00:24:16,080

much more than they let on so there's

619

00:24:22,210 --> 00:24:20,820

that yeah yeah I yeah they are knee-deep

620

00:24:25,070 --> 00:24:22,220

in there

621

00:24:28,070 --> 00:24:25,080

and they do they create

622

00:24:30,890 --> 00:24:28,080

various Cryptids for military use and

623

00:24:32,330 --> 00:24:30,900

for other reasons I'm sure as well

624

00:24:34,549 --> 00:24:32,340

um yeah

625

00:24:40,130 --> 00:24:38,090

I believe that now I I'm a big fairy

626

00:24:41,750 --> 00:24:40,140

person I love the FAE I love stories

627

00:24:43,250 --> 00:24:41,760

about the face so and you brought them

628

00:24:47,149 --> 00:24:43,260

so I'm gonna have to hear your stories

629

00:24:51,169 --> 00:24:47,159

about them well I only had a couple um

630

00:24:54,770 --> 00:24:51,179

experiences with the FAE and

631

00:24:57,830 --> 00:24:54,780

I was always told you know and I did you

632

00:25:00,409 --> 00:24:57,840

like I read energy I do energy work I

633

00:25:02,810 --> 00:25:00,419

have for years and they are powerful

634

00:25:05,690 --> 00:25:02,820

these Fae are nothing to mess with like

635

00:25:08,630 --> 00:25:05,700

you know and the fairies I've only seen

636

00:25:10,970 --> 00:25:08,640

a few of them it's not like

637

00:25:12,470 --> 00:25:10,980

in the you know in your books you know

638

00:25:15,049 --> 00:25:12,480

they're not these delicate little

639

00:25:16,850 --> 00:25:15,059

beautiful little creatures they pack a

640

00:25:18,950 --> 00:25:16,860

punch both of them do and they're not

641

00:25:22,010 --> 00:25:18,960

anything to play with they have a lot of

642

00:25:23,750 --> 00:25:22,020

ability a lot of power and there are

643

00:25:25,610 --> 00:25:23,760

supposed to be neutral but the problem

644

00:25:27,830 --> 00:25:25,620

when you're dealing with neutral and

645

00:25:30,769 --> 00:25:27,840

this is my opinion from what I've

646

00:25:33,409 --> 00:25:30,779

learned okay so other people may may

647

00:25:35,510 --> 00:25:33,419

vary but the neutral stuff everybody

648

00:25:37,490 --> 00:25:35,520

would think oh that's good you know it's

649

00:25:39,350 --> 00:25:37,500

not because the neutral in my opinion

650

00:25:40,549 --> 00:25:39,360

are more dangerous than knowing if

651
00:25:42,310 --> 00:25:40,559
they're good or if they're bad because

652
00:25:44,870 --> 00:25:42,320
at least then you know where they stand

653
00:25:47,390 --> 00:25:44,880
right when you have neutral they could

654
00:25:51,470 --> 00:25:47,400
do anything at any time to anybody and

655
00:25:53,149 --> 00:25:51,480
both the Fey and the fairy pack a punch

656
00:25:55,130 --> 00:25:53,159
they really do I mean they've got a lot

657
00:25:58,310 --> 00:25:55,140
of abilities a lot of strength to them

658
00:26:00,590 --> 00:25:58,320
they've got a lot of power and you

659
00:26:02,930 --> 00:26:00,600
really have to be careful with them

660
00:26:05,450 --> 00:26:02,940
right you know I interacted with them

661
00:26:08,750 --> 00:26:05,460
once actually

662
00:26:10,789 --> 00:26:08,760
um and I you know one other time I did

663
00:26:12,409 --> 00:26:10,799

but the longer of the two times that I

664

00:26:14,049 --> 00:26:12,419

did they were very kind I didn't have

665

00:26:17,870 --> 00:26:14,059

problems with them

666

00:26:19,909 --> 00:26:17,880

but I you know you show a lot of respect

667

00:26:21,289 --> 00:26:19,919

and you know you hope to God that

668

00:26:24,970 --> 00:26:21,299

they're going to be nice and they were

669

00:26:28,549 --> 00:26:24,980

they're gonna give it back right yeah

670

00:26:31,789 --> 00:26:28,559

if you want to go up against right you

671

00:26:34,010 --> 00:26:31,799

know regardless of size all of these

672

00:26:35,330 --> 00:26:34,020

Cryptids from what I have personally

673

00:26:38,149 --> 00:26:35,340

seen

674

00:26:40,130 --> 00:26:38,159

they can all shape-shift they all have

675

00:26:43,610 --> 00:26:40,140

abilities the difference with the

676
00:26:46,490 --> 00:26:43,620
abilities when it comes to the Sasquatch

677
00:26:47,810 --> 00:26:46,500
are they are all born with them and

678
00:26:49,310 --> 00:26:47,820
people will come to me and say well this

679
00:26:52,370 --> 00:26:49,320
group over here they didn't have any of

680
00:26:53,810 --> 00:26:52,380
them they actually do have them but we

681
00:26:56,269 --> 00:26:53,820
have Amish people

682
00:26:58,430 --> 00:26:56,279
that don't want to use electricity or

683
00:27:00,830 --> 00:26:58,440
modern day conveniences or those types

684
00:27:03,289 --> 00:27:00,840
of things and the Cryptids aren't any

685
00:27:05,870 --> 00:27:03,299
different they are Amish people but you

686
00:27:08,750 --> 00:27:05,880
have sectors that don't want to use

687
00:27:12,230 --> 00:27:08,760
those abilities they may also mind speak

688
00:27:14,210 --> 00:27:12,240

but if they don't teach the children hey

689

00:27:16,130 --> 00:27:14,220

you have this ability you can cloak you

690

00:27:18,110 --> 00:27:16,140

can do this you can do this they don't

691

00:27:20,210 --> 00:27:18,120

know they have them and I personally

692

00:27:21,830 --> 00:27:20,220

believe that we all have abilities but

693

00:27:23,630 --> 00:27:21,840

we have been dumbed down because we've

694

00:27:25,730 --> 00:27:23,640

been told from the get-go that we don't

695

00:27:27,710 --> 00:27:25,740

have them and if you don't know you have

696

00:27:29,330 --> 00:27:27,720

them how are you going to use them how

697

00:27:31,549 --> 00:27:29,340

are you going to know how to handle them

698

00:27:33,289 --> 00:27:31,559

or control them because you don't know

699

00:27:35,870 --> 00:27:33,299

you have them to begin with and it's

700

00:27:38,570 --> 00:27:35,880

very similar when it comes to Cryptids

701
00:27:40,190 --> 00:27:38,580
so especially with the forest people if

702
00:27:42,049 --> 00:27:40,200
their parents don't teach them that they

703
00:27:43,490 --> 00:27:42,059
have these things they have no knowledge

704
00:27:45,710 --> 00:27:43,500
that they do

705
00:27:50,269 --> 00:27:45,720
even though they do

706
00:27:53,930 --> 00:27:50,279
right and so what

707
00:27:55,730 --> 00:27:53,940
like when you go out into the woods say

708
00:27:57,890 --> 00:27:55,740
your working case

709
00:28:02,570 --> 00:27:57,900
how do you find them or do they just

710
00:28:04,070 --> 00:28:02,580
come to you how I generally I just walk

711
00:28:05,690 --> 00:28:04,080
through the woods

712
00:28:11,149 --> 00:28:05,700
um it

713
00:28:17,450 --> 00:28:13,970

I was part of a documentary searching

714

00:28:18,830 --> 00:28:17,460

for Sasquatch with Jason Kenzie and

715

00:28:20,810 --> 00:28:18,840

um

716

00:28:22,669 --> 00:28:20,820

in that I was only supposed to be there

717

00:28:24,049 --> 00:28:22,679

for a short time and they ended up they

718

00:28:26,090 --> 00:28:24,059

took all my interviews and they made it

719

00:28:29,570 --> 00:28:26,100

into a separate document

720

00:28:31,970 --> 00:28:29,580

uh documentary so it's I mean it's out

721

00:28:33,350 --> 00:28:31,980

there it's on to me it's on Amazon but

722

00:28:34,669 --> 00:28:33,360

um when I went out there with them of

723

00:28:37,370 --> 00:28:34,679

course I bet they were back in Michigan

724

00:28:38,870 --> 00:28:37,380

so I went back to Michigan for it I just

725

00:28:41,090 --> 00:28:38,880

go out in the woods I go there with

726

00:28:41,870 --> 00:28:41,100

peace and love in my heart I talk to

727

00:28:44,990 --> 00:28:41,880

them

728

00:28:46,850 --> 00:28:45,000

um I don't try to what people say you

729

00:28:48,590 --> 00:28:46,860

know we're hunting for bigfoot I never

730

00:28:50,990 --> 00:28:48,600

went out and hunted for bigfoot a day in

731

00:28:53,029 --> 00:28:51,000

my life I just show up

732

00:28:54,830 --> 00:28:53,039

um I know what signs to look for whether

733

00:28:57,350 --> 00:28:54,840

you know it would be structures or

734

00:28:59,870 --> 00:28:57,360

whatever and I talked to them

735

00:29:03,230 --> 00:28:59,880

even though you may not know how to

736

00:29:04,730 --> 00:29:03,240

recognize mind speak they do so if you

737

00:29:07,310 --> 00:29:04,740

speak to them in their in your mind

738

00:29:09,169 --> 00:29:07,320

they're going to hear you and so when I

739

00:29:11,330 --> 00:29:09,179

went down there for that

740

00:29:13,610 --> 00:29:11,340

and we went into the woods it literally

741

00:29:15,169 --> 00:29:13,620

took just a matter of minutes and I had

742

00:29:17,269 --> 00:29:15,179

the night vision glasses so I could see

743

00:29:18,529 --> 00:29:17,279

them with them and

744

00:29:21,230 --> 00:29:18,539

um I was letting them know okay you've

745

00:29:23,990 --> 00:29:21,240

got one over here this is his name you

746

00:29:25,970 --> 00:29:24,000

know he's gonna go down this way you can

747

00:29:27,470 --> 00:29:25,980

follow him and he was very adamant he

748

00:29:29,450 --> 00:29:27,480

wanted I think he was younger because he

749

00:29:32,090 --> 00:29:29,460

had to be an adolescent he was very

750

00:29:34,430 --> 00:29:32,100

intent at making sure that we knew his

751
00:29:36,289 --> 00:29:34,440
family was there you know so if anybody

752
00:29:40,070 --> 00:29:36,299
were going to try anything he was not by

753
00:29:42,110 --> 00:29:40,080
himself and but never felt any fear with

754
00:29:44,389 --> 00:29:42,120
them because I read energy the

755
00:29:45,769 --> 00:29:44,399
aggressive ones I can generally feel it

756
00:29:49,310 --> 00:29:45,779
yeah

757
00:29:50,750 --> 00:29:49,320
because it radiates differently and not

758
00:29:53,269 --> 00:29:50,760
that I haven't been around some like

759
00:29:55,310 --> 00:29:53,279
that before but the ones there that were

760
00:29:57,950 --> 00:29:55,320
there during the time of the show they

761
00:30:00,049 --> 00:29:57,960
were wonderful they really were and we

762
00:30:02,810 --> 00:30:00,059
had a lot of them walking around and

763
00:30:04,789 --> 00:30:02,820

then my friend Chad who had actually

764

00:30:07,130 --> 00:30:04,799

invited me there

765

00:30:09,769 --> 00:30:07,140

this was his project and he had very

766

00:30:11,510 --> 00:30:09,779

graciously invited me there and him and

767

00:30:13,730 --> 00:30:11,520

Jason and I went to another part of the

768

00:30:15,649 --> 00:30:13,740

woods and I was like okay I can pick up

769

00:30:18,049 --> 00:30:15,659

the energy signature here go that way

770

00:30:20,210 --> 00:30:18,059

and you know we could find the movie now

771

00:30:24,110 --> 00:30:20,220

we would get him more on the um

772

00:30:25,909 --> 00:30:24,120

the night vision than anything but yeah

773

00:30:27,950 --> 00:30:25,919

I don't usually

774

00:30:29,630 --> 00:30:27,960

like I don't go in the movie was

775

00:30:30,710 --> 00:30:29,640

searching for Sasquatch but it wasn't my

776

00:30:32,930 --> 00:30:30,720

movie

777

00:30:35,029 --> 00:30:32,940

um I don't like go out and try to hunt

778

00:30:36,649 --> 00:30:35,039

them down I actually prefer to go out in

779

00:30:38,870 --> 00:30:36,659

the daylight so I can see the scenery

780

00:30:40,430 --> 00:30:38,880

I've had more sightings during the day

781

00:30:43,310 --> 00:30:40,440

than I have at night they're not

782

00:30:45,289 --> 00:30:43,320

nocturnal they can be awake just like we

783

00:30:46,549 --> 00:30:45,299

can anytime day or night again it's an

784

00:30:48,830 --> 00:30:46,559

individual

785

00:30:50,570 --> 00:30:48,840

every one of them is different just like

786

00:30:53,029 --> 00:30:50,580

we are that their looks are different

787

00:30:54,649 --> 00:30:53,039

you know I have people that come to me

788

00:30:56,269 --> 00:30:54,659

and say well in this area they all have

789

00:30:58,909 --> 00:30:56,279

more of the colonial heads and this one

790

00:31:00,529 --> 00:30:58,919

they don't that very well may be but if

791

00:31:02,149 --> 00:31:00,539

you look at like even in the United

792

00:31:04,549 --> 00:31:02,159

States

793

00:31:06,769 --> 00:31:04,559

um different states might have similar

794

00:31:08,570 --> 00:31:06,779

traits but they move around I mean

795

00:31:10,310 --> 00:31:08,580

they're not they don't migrate that's

796

00:31:11,990 --> 00:31:10,320

that's a myth they may follow the food

797

00:31:13,669 --> 00:31:12,000

source to go get food and then go back

798

00:31:18,169 --> 00:31:13,679

to their original home but they don't

799

00:31:20,149 --> 00:31:18,179

migrate but okay they also they do go

800

00:31:21,590 --> 00:31:20,159

through portals I've watched the portals

801
00:31:22,789 --> 00:31:21,600
open I've watched them move through the

802
00:31:24,470 --> 00:31:22,799
portals

803
00:31:27,610 --> 00:31:24,480
um I hadn't experience years ago were

804
00:31:31,370 --> 00:31:27,620
actually very briefly went into one and

805
00:31:33,289 --> 00:31:31,380
so it was that intentional I didn't know

806
00:31:37,310 --> 00:31:33,299
nothing was gonna happen

807
00:31:39,830 --> 00:31:37,320
um but so you can have one in Michigan

808
00:31:42,049 --> 00:31:39,840
and I'll be here in South Carolina and

809
00:31:44,389 --> 00:31:42,059
in a blink of an eye here they are and a

810
00:31:46,730 --> 00:31:44,399
blink of an eye they'll go back you know

811
00:31:49,190 --> 00:31:46,740
it's really that quick so you end up

812
00:31:51,590 --> 00:31:49,200
like a Melting Pot of all these

813
00:31:52,909 --> 00:31:51,600

different shapes and sizes and colors

814

00:31:55,130 --> 00:31:52,919

and they're every different color there

815

00:31:57,889 --> 00:31:55,140

is some of them have more than one color

816

00:32:01,130 --> 00:31:57,899

to them and you know the facials like I

817

00:32:04,430 --> 00:32:01,140

want them very close to that has more of

818

00:32:06,049 --> 00:32:04,440

a human shaped head and his hair like a

819

00:32:08,570 --> 00:32:06,059

lot of them you get the bald face and

820

00:32:11,810 --> 00:32:08,580

their skin tones are different anywhere

821

00:32:13,430 --> 00:32:11,820

from the a Caucasian to a dark to

822

00:32:15,049 --> 00:32:13,440

anything in between them have got the

823

00:32:17,690 --> 00:32:15,059

gray or skin tone

824

00:32:20,269 --> 00:32:17,700

this particular individual has a

825

00:32:22,549 --> 00:32:20,279

Caucasian skin tone but he doesn't have

826

00:32:24,409 --> 00:32:22,559

bare skin on his face there's not one

827

00:32:27,110 --> 00:32:24,419

spot on this point he stood until like

828

00:32:29,690 --> 00:32:27,120

10 feet from me and there is not one

829

00:32:32,090 --> 00:32:29,700

spot on him that is not got hair but his

830

00:32:34,310 --> 00:32:32,100

hair on his face and his neck it was

831

00:32:36,769 --> 00:32:34,320

incredibly short like maybe a quarter of

832

00:32:39,529 --> 00:32:36,779

an inch long all over his face into his

833

00:32:41,210 --> 00:32:39,539

ears his eyebrow or his eyebrows and his

834

00:32:43,549 --> 00:32:41,220

eyelids everything was covered in hair

835

00:32:45,230 --> 00:32:43,559

but then when you got to his head it was

836

00:32:49,070 --> 00:32:45,240

almost like it was greased or slicked

837

00:32:50,990 --> 00:32:49,080

back and they do have a type of a grease

838

00:32:52,370 --> 00:32:51,000

I guess for lack of a better word all

839

00:32:55,850 --> 00:32:52,380

over their hands that's why their

840

00:32:58,190 --> 00:32:55,860

Footprints or hand prints are so hard to

841

00:33:01,850 --> 00:32:58,200

get off Windows because they have like

842

00:33:04,190 --> 00:33:01,860

that oil base and they you know they can

843

00:33:06,409 --> 00:33:04,200

go from physical form

844

00:33:08,090 --> 00:33:06,419

to Spirit form in the blink of an eye

845

00:33:09,950 --> 00:33:08,100

and they can be outside in spirit form

846

00:33:12,350 --> 00:33:09,960

and you'll literally and multiple people

847

00:33:13,610 --> 00:33:12,360

have seen this not just me and they go

848

00:33:14,690 --> 00:33:13,620

into Spirit form and they they're

849

00:33:16,909 --> 00:33:14,700

walking right through the wall and

850

00:33:19,909 --> 00:33:16,919

they're in the house and we get hand

851

00:33:22,070 --> 00:33:19,919

prints all over in here and we have

852

00:33:25,430 --> 00:33:22,080

a photo

853

00:33:27,590 --> 00:33:25,440

um that of a pillow a black pillow where

854

00:33:29,690 --> 00:33:27,600

there was this hand print on of them

855

00:33:31,970 --> 00:33:29,700

that they left in the bedroom I was the

856

00:33:34,009 --> 00:33:31,980

only one home and it wasn't there

857

00:33:35,269 --> 00:33:34,019

earlier my husband came home and took a

858

00:33:37,909 --> 00:33:35,279

shower and he's like hey so what's with

859

00:33:39,409 --> 00:33:37,919

the giant handprint on the pillow there

860

00:33:41,389 --> 00:33:39,419

wasn't a handprint on the pillow earlier

861

00:33:43,630 --> 00:33:41,399

I was just in there well there is now

862

00:33:49,009 --> 00:33:43,640

you know

863

00:33:51,350 --> 00:33:49,019

yeah so it's but basically we have it's

864

00:33:52,610 --> 00:33:51,360

kind of like we put down ground rules it

865

00:33:55,070 --> 00:33:52,620

doesn't mean they're gonna follow them

866

00:33:57,710 --> 00:33:55,080

all you can do is in a respectful way

867

00:34:00,830 --> 00:33:57,720

say and this is what I tell them if you

868

00:34:02,690 --> 00:34:00,840

are going to be here on our land or in

869

00:34:04,370 --> 00:34:02,700

the home or whatever if you come with a

870

00:34:06,830 --> 00:34:04,380

pure heart and love in your heart and

871

00:34:09,470 --> 00:34:06,840

peace you are welcome to stay if not I

872

00:34:11,329 --> 00:34:09,480

don't want you to leave we don't have

873

00:34:12,950 --> 00:34:11,339

control over what they do people say we

874

00:34:15,649 --> 00:34:12,960

do I've yet to figure that part of it

875

00:34:19,310 --> 00:34:15,659

out because I they're pretty respectful

876

00:34:21,770 --> 00:34:19,320

when I ask things they they don't get

877

00:34:23,629 --> 00:34:21,780

intrusive and I don't have problems with

878

00:34:26,329 --> 00:34:23,639

them I know some people do

879

00:34:27,470 --> 00:34:26,339

and they seem to respect what I ask but

880

00:34:29,629 --> 00:34:27,480

that's just because of the group I'm

881

00:34:32,329 --> 00:34:29,639

interacting with it's nothing to do with

882

00:34:35,089 --> 00:34:32,339

me personally it's just I approach them

883

00:34:35,990 --> 00:34:35,099

with respect and they send it back that

884

00:34:37,609 --> 00:34:36,000

way

885

00:34:38,869 --> 00:34:37,619

I'm not sure how comfortable I am

886

00:34:40,669 --> 00:34:38,879

knowing that they could walk through

887

00:34:43,250 --> 00:34:40,679

walls and come in the house I did not

888

00:34:45,290 --> 00:34:43,260

know that that's the first time they did

889

00:34:46,369 --> 00:34:45,300

it I had heard other people talk about

890

00:34:48,050 --> 00:34:46,379

that

891

00:34:50,149 --> 00:34:48,060

and I thought well there's been times

892

00:34:52,669 --> 00:34:50,159

I've wondered but I never really had

893

00:34:55,669 --> 00:34:52,679

proof I was laying in bed one night I

894

00:34:58,310 --> 00:34:55,679

was actually visiting someone out of

895

00:35:00,530 --> 00:34:58,320

state and I was awake I was wide awake

896

00:35:02,690 --> 00:35:00,540

and it literally he walked right through

897

00:35:04,070 --> 00:35:02,700

the wall across the end of the bed kind

898

00:35:05,750 --> 00:35:04,080

of looked at me like this and then just

899

00:35:08,270 --> 00:35:05,760

kept right on walking on out the other

900

00:35:09,410 --> 00:35:08,280

side and I was like oh my God and my

901
00:35:11,450 --> 00:35:09,420
husband and I have seen it happen

902
00:35:13,310 --> 00:35:11,460
multiple times

903
00:35:14,930 --> 00:35:13,320
you know they aren't like they're

904
00:35:16,370 --> 00:35:14,940
popping in and out 24 hours a day I

905
00:35:18,109 --> 00:35:16,380
don't want people to get confused by

906
00:35:19,130 --> 00:35:18,119
that it happens rarely but it does

907
00:35:21,530 --> 00:35:19,140
happen

908
00:35:22,930 --> 00:35:21,540
outside yeah they're walking around 24

909
00:35:25,250 --> 00:35:22,940
hours a day

910
00:35:27,470 --> 00:35:25,260
you know they don't seem to be shy we

911
00:35:29,030 --> 00:35:27,480
had and I think it was like I want to

912
00:35:32,750 --> 00:35:29,040
say two or three weeks ago I might be

913
00:35:34,550 --> 00:35:32,760

off a little bit but I was sitting here

914

00:35:36,050 --> 00:35:34,560

and my husband gets up like at four in

915

00:35:38,390 --> 00:35:36,060

the morning for work so he obviously

916

00:35:41,710 --> 00:35:38,400

falls asleep before I do I'm more of a

917

00:35:45,650 --> 00:35:41,720

night owl and he was sleeping

918

00:35:47,150 --> 00:35:45,660

and the dogs were acting crazy and they

919

00:35:48,530 --> 00:35:47,160

ran to the window and I thought they

920

00:35:50,329 --> 00:35:48,540

don't freak out from Deer they don't

921

00:35:52,250 --> 00:35:50,339

freak out from cats but whatever it was

922

00:35:53,569 --> 00:35:52,260

they were torqued up and then they like

923

00:35:55,730 --> 00:35:53,579

jumped back

924

00:35:57,430 --> 00:35:55,740

I mean it was just O'Reilly they all

925

00:35:59,990 --> 00:35:57,440

flew back from the window and I thought

926
00:36:02,510 --> 00:36:00,000
what in the world is going on so I

927
00:36:03,890 --> 00:36:02,520
looked outside and I saw a deer and I

928
00:36:05,210 --> 00:36:03,900
thought that there's got to be more out

929
00:36:07,370 --> 00:36:05,220
there because they don't react like that

930
00:36:09,109 --> 00:36:07,380
to Deer they see them all the time so I

931
00:36:11,390 --> 00:36:09,119
went into our sitting room which is

932
00:36:14,569 --> 00:36:11,400
outside my bedroom and by the foyer and

933
00:36:17,630 --> 00:36:14,579
the door and this dough was out there

934
00:36:19,310 --> 00:36:17,640
and I could see something walking on the

935
00:36:21,650 --> 00:36:19,320
other side of her I immediately assumed

936
00:36:24,410 --> 00:36:21,660
a fawn which we did find out later she

937
00:36:26,630 --> 00:36:24,420
did have a fun but I saw her out there

938
00:36:27,650 --> 00:36:26,640

and I kept seeing little glimpses of a

939

00:36:29,510 --> 00:36:27,660

shadow

940

00:36:31,190 --> 00:36:29,520

and I thought what is going on so she

941

00:36:33,950 --> 00:36:31,200

walked across the yard walked down I'm

942

00:36:35,630 --> 00:36:33,960

on a like a two-track dirt road she

943

00:36:37,670 --> 00:36:35,640

walked up the road and she was standing

944

00:36:40,069 --> 00:36:37,680

across from the driveway

945

00:36:43,010 --> 00:36:40,079

and there's a 200 acre Tree Farm across

946

00:36:45,050 --> 00:36:43,020

from me and so she's standing over there

947

00:36:48,109 --> 00:36:45,060

on the side and she's eating grass and

948

00:36:49,910 --> 00:36:48,119

her tail is lightly very relaxed and I'm

949

00:36:52,069 --> 00:36:49,920

like I know I see a fawn over there and

950

00:36:55,130 --> 00:36:52,079

I look at the end of my driveway and

951
00:36:57,230 --> 00:36:55,140
honestly it and I mean no disrespect it

952
00:36:59,630 --> 00:36:57,240
looked like a chimpanzee sitting at the

953
00:37:01,550 --> 00:36:59,640
end of my driveway it was about three

954
00:37:03,050 --> 00:37:01,560
foot tall sitting on its butt it was a

955
00:37:05,030 --> 00:37:03,060
baby

956
00:37:07,190 --> 00:37:05,040
and it's sitting there and it's watching

957
00:37:09,470 --> 00:37:07,200
her and she has completely immune to it

958
00:37:10,790 --> 00:37:09,480
even being there it does the belly crawl

959
00:37:12,770 --> 00:37:10,800
because they do that crab crawler they

960
00:37:14,390 --> 00:37:12,780
go down on their belly and they they

961
00:37:15,410 --> 00:37:14,400
crawl and it went right up next to her

962
00:37:17,810 --> 00:37:15,420
on the ground and she's still

963
00:37:19,250 --> 00:37:17,820

non-reactive and I'm thinking obviously

964

00:37:21,470 --> 00:37:19,260

they've transfer because they do know

965

00:37:23,390 --> 00:37:21,480

how to do the trancing thing they've

966

00:37:25,730 --> 00:37:23,400

done it to me before and I've watched

967

00:37:27,890 --> 00:37:25,740

them do it to animals all the time and

968

00:37:30,410 --> 00:37:27,900

so I'm thinking what's going on so I did

969

00:37:32,930 --> 00:37:30,420

ask I said okay you know what's going on

970

00:37:35,329 --> 00:37:32,940

and they said we're teaching and I said

971

00:37:37,190 --> 00:37:35,339

okay so I waited a few minutes and I

972

00:37:38,810 --> 00:37:37,200

said you know what is this lesson

973

00:37:40,510 --> 00:37:38,820

because I assumed I knew what it was but

974

00:37:43,250 --> 00:37:40,520

I wanted to find out and they wanted

975

00:37:46,069 --> 00:37:43,260

their baby to learn how to stalk the

976

00:37:48,349 --> 00:37:46,079

deer and so basically they had trans

977

00:37:50,030 --> 00:37:48,359

this deer and when they trans you it's

978

00:37:52,790 --> 00:37:50,040

not like you're Frozen and you can't

979

00:37:54,470 --> 00:37:52,800

move your brain reacts but your body

980

00:37:57,230 --> 00:37:54,480

doesn't your body goes through the

981

00:37:59,030 --> 00:37:57,240

natural flow of things but and when they

982

00:38:01,730 --> 00:37:59,040

did me anyway I mean I'm not saying that

983

00:38:03,710 --> 00:38:01,740

to everybody's experience but this dough

984

00:38:05,390 --> 00:38:03,720

was like he wasn't even there he did

985

00:38:07,069 --> 00:38:05,400

this belly crawl right up next to her

986

00:38:09,710 --> 00:38:07,079

and he stayed right by her feet for the

987

00:38:11,390 --> 00:38:09,720

longest time before he went up on the

988

00:38:13,970 --> 00:38:11,400

bank of the road and then he just walked

989

00:38:16,310 --> 00:38:13,980

into the woods but it was quite exciting

990

00:38:18,710 --> 00:38:16,320

because I was like I don't have a statue

991

00:38:20,390 --> 00:38:18,720

at the end of my driveway yeah it was

992

00:38:22,730 --> 00:38:20,400

like if a little kid was sitting Indian

993

00:38:23,870 --> 00:38:22,740

style or you see like when you go to the

994

00:38:26,089 --> 00:38:23,880

zoo or whatever and you see the

995

00:38:28,010 --> 00:38:26,099

chimpanzees sitting there on their butt

996

00:38:29,810 --> 00:38:28,020

with their knees in front of them you

997

00:38:31,310 --> 00:38:29,820

know that's what he looked like yeah and

998

00:38:32,630 --> 00:38:31,320

when he said he wasn't very big I mean

999

00:38:33,829 --> 00:38:32,640

you could tell he was little but he was

1000

00:38:36,710 --> 00:38:33,839

cute because he did the belly crawl

1001
00:38:38,270 --> 00:38:36,720
right across I kind of feel bad for the

1002
00:38:40,250 --> 00:38:38,280
deer I mean I know it's like the cycle

1003
00:38:41,930 --> 00:38:40,260
of life but I feel bad for the tears

1004
00:38:43,849 --> 00:38:41,940
yeah they didn't hurt her they never

1005
00:38:45,410 --> 00:38:43,859
bothered I mean if they I don't believe

1006
00:38:47,750 --> 00:38:45,420
they got her at all because the next

1007
00:38:49,130 --> 00:38:47,760
night she came in without him but she

1008
00:38:51,589 --> 00:38:49,140
still had fun with her so they didn't

1009
00:38:53,030 --> 00:38:51,599
take the fun either but they'll you know

1010
00:38:54,829 --> 00:38:53,040
they'll watch him they've never killed

1011
00:38:56,450 --> 00:38:54,839
him in my front yard and I don't know if

1012
00:38:58,550 --> 00:38:56,460
it's because they know I like the deer

1013
00:39:01,310 --> 00:38:58,560

I'm sure they get deer over here all the

1014

00:39:02,930 --> 00:39:01,320

time but you know I've not found it now

1015

00:39:04,849 --> 00:39:02,940

I have had

1016

00:39:06,349 --> 00:39:04,859

where I've seen them outside the deer

1017

00:39:08,510 --> 00:39:06,359

outside and they ignore the deer and

1018

00:39:09,710 --> 00:39:08,520

they don't bother them but then there

1019

00:39:11,870 --> 00:39:09,720

are other times I go out there and I

1020

00:39:14,510 --> 00:39:11,880

find a deer bone in my yard

1021

00:39:16,550 --> 00:39:14,520

and I'm like okay you know as long as

1022

00:39:18,470 --> 00:39:16,560

you don't have to see the the gruesome

1023

00:39:22,010 --> 00:39:18,480

part I don't yeah yeah I know how they

1024

00:39:26,450 --> 00:39:22,020

do it I don't I'd rather not yeah

1025

00:39:28,190 --> 00:39:26,460

um so what is the most you know the the

1026
00:39:30,589 --> 00:39:28,200
most terrifying Crypt did you have come

1027
00:39:32,270 --> 00:39:30,599
in contact with because I know you said

1028
00:39:34,310 --> 00:39:32,280
there's I think if you want to talk

1029
00:39:35,810 --> 00:39:34,320
about it that's fine if you don't no

1030
00:39:38,210 --> 00:39:35,820
you're fine

1031
00:39:40,609 --> 00:39:38,220
um the I mean there's one that they've

1032
00:39:42,170 --> 00:39:40,619
been warning me about for years and I

1033
00:39:44,870 --> 00:39:42,180
know people that have seen it I've not

1034
00:39:46,490 --> 00:39:44,880
seen it yet I've seen people that have

1035
00:39:48,170 --> 00:39:46,500
drawn pictures of it and sent it to me

1036
00:39:49,970 --> 00:39:48,180
and said I don't know what this is and

1037
00:39:52,730 --> 00:39:49,980
I'm like this is the same thing I drew

1038
00:39:54,770 --> 00:39:52,740

two years ago at that time

1039

00:39:57,230 --> 00:39:54,780

um but they've warned me about it but

1040

00:39:59,270 --> 00:39:57,240

I've not encountered it as of yet I

1041

00:40:01,010 --> 00:39:59,280

think probably when I get back to

1042

00:40:02,930 --> 00:40:01,020

Michigan is when I will

1043

00:40:04,430 --> 00:40:02,940

because the sightings of them have come

1044

00:40:07,069 --> 00:40:04,440

from there

1045

00:40:09,470 --> 00:40:07,079

um I really haven't had a specific

1046

00:40:12,589 --> 00:40:09,480

Cryptid that scares me more than others

1047

00:40:15,290 --> 00:40:12,599

I mean if they're being calm if they're

1048

00:40:18,170 --> 00:40:15,300

you know not being aggressive I don't

1049

00:40:20,030 --> 00:40:18,180

feel fearful the only time I get fearful

1050

00:40:21,410 --> 00:40:20,040

is I don't like it if I'm out in the

1051
00:40:23,150 --> 00:40:21,420
woods at night and they come up behind

1052
00:40:25,550 --> 00:40:23,160
me and I don't know they're there

1053
00:40:26,930 --> 00:40:25,560
but I'm the same way if right if one of

1054
00:40:29,270 --> 00:40:26,940
our people came up behind me in the

1055
00:40:30,950 --> 00:40:29,280
woods because I can't see that bothers

1056
00:40:34,609 --> 00:40:30,960
me

1057
00:40:36,410 --> 00:40:34,619
know any of the aggressive ones I've

1058
00:40:38,390 --> 00:40:36,420
dealt with I'm not gonna lie and say I

1059
00:40:40,849 --> 00:40:38,400
wasn't scared but it I had to do what I

1060
00:40:43,430 --> 00:40:40,859
had to do but it doesn't mean you don't

1061
00:40:44,510 --> 00:40:43,440
get scared walking out like I can walk

1062
00:40:46,670 --> 00:40:44,520
out in the middle of the night here

1063
00:40:48,890 --> 00:40:46,680

outside and I'm not fearful

1064

00:40:52,430 --> 00:40:48,900

you know I'm used to the ones around me

1065

00:40:53,630 --> 00:40:52,440

the dog men the Bigfoot you know the ET

1066

00:40:55,550 --> 00:40:53,640

stuff

1067

00:40:56,930 --> 00:40:55,560

we've had a couple et's that have shown

1068

00:40:58,310 --> 00:40:56,940

up that are really bad and they scare

1069

00:41:00,470 --> 00:40:58,320

you know they're scary and they make you

1070

00:41:03,349 --> 00:41:00,480

scared but I've also had just as many

1071

00:41:06,170 --> 00:41:03,359

good ones come up that I just didn't

1072

00:41:08,270 --> 00:41:06,180

have that issue with so I think it just

1073

00:41:11,810 --> 00:41:08,280

for me it depends on the situation more

1074

00:41:14,589 --> 00:41:11,820

than the Cryptid itself okay I see I see

1075

00:41:17,329 --> 00:41:14,599

Duke is in the chat hi Duke

1076

00:41:19,010 --> 00:41:17,339

I feel bad I normally try to talk to him

1077

00:41:24,130 --> 00:41:19,020

every day and I have been swarmed all

1078

00:41:30,109 --> 00:41:26,630

if anybody wants to see any of my photos

1079

00:41:32,750 --> 00:41:30,119

or the video of the UFO everything I

1080

00:41:35,870 --> 00:41:32,760

have the first Contact I make to send

1081

00:41:37,490 --> 00:41:35,880

pictures to is Duke so all my stuff goes

1082

00:41:40,069 --> 00:41:37,500

up on his channel on world Bigfoot radio

1083

00:41:41,690 --> 00:41:40,079

on YouTube and if he wants to put that

1084

00:41:44,270 --> 00:41:41,700

in the chat he can go right ahead and

1085

00:41:47,470 --> 00:41:44,280

we'll we'll put that up so okay good

1086

00:41:51,950 --> 00:41:50,150

I love him he is one of my closest

1087

00:41:55,250 --> 00:41:51,960

Dearest

1088

00:41:56,930 --> 00:41:55,260

he's very nice yeah I was very happy

1089

00:41:59,750 --> 00:41:56,940

when he came on he was a wonderful

1090

00:42:02,270 --> 00:41:59,760

interact with in Montana and they

1091

00:42:05,170 --> 00:42:02,280

absolutely adore him

1092

00:42:07,730 --> 00:42:05,180

he is very loved by his group

1093

00:42:10,190 --> 00:42:07,740

yeah some of the stories he told they

1094

00:42:12,230 --> 00:42:10,200

were just amazing they really oh they're

1095

00:42:14,089 --> 00:42:12,240

a spherical and it's like every time he

1096

00:42:16,069 --> 00:42:14,099

goes he'll be like you know because he

1097

00:42:17,810 --> 00:42:16,079

doesn't mind speak and he'll say ask him

1098

00:42:20,170 --> 00:42:17,820

what they want he's like the bacon King

1099

00:42:23,450 --> 00:42:20,180

he's got him obsessed with bacon

1100

00:42:25,130 --> 00:42:23,460

God bless him he buys it and he cooks it

1101

00:42:28,010 --> 00:42:25,140

for him so they get it cooked on top of

1102

00:42:29,990 --> 00:42:28,020

it oh so every time I ask him they'll

1103

00:42:31,730 --> 00:42:30,000

give him like a shopping list of the

1104

00:42:33,970 --> 00:42:31,740

things that they want Bacon's always on

1105

00:42:40,010 --> 00:42:36,470

yeah he even brought him up boys at

1106

00:42:46,870 --> 00:42:43,790

peanut butter and bacon he said yes

1107

00:42:53,810 --> 00:42:49,870

there you go

1108

00:42:55,370 --> 00:42:53,820

but yeah so and I had asked Duke this

1109

00:42:57,530 --> 00:42:55,380

but I'm interested in what you have to

1110

00:42:59,510 --> 00:42:57,540

say to her hang on let me like I said

1111

00:43:02,089 --> 00:42:59,520

I'm still learning so if I put something

1112

00:43:02,809 --> 00:43:02,099

up and I don't mean to bear with me

1113

00:43:05,930 --> 00:43:02,819

um

1114

00:43:09,770 --> 00:43:05,940

why does no one ever found the body like

1115

00:43:10,670 --> 00:43:09,780

just a natural body I mean because your

1116

00:43:13,370 --> 00:43:10,680

hair

1117

00:43:15,950 --> 00:43:13,380

I will say this I think probably people

1118

00:43:17,829 --> 00:43:15,960

and I you know I'm just speculation I

1119

00:43:19,849 --> 00:43:17,839

think people probably have however

1120

00:43:21,170 --> 00:43:19,859

nobody's going to come forward you've

1121

00:43:22,550 --> 00:43:21,180

got to deal with the government if you

1122

00:43:24,589 --> 00:43:22,560

come forward with it I know when I

1123

00:43:27,650 --> 00:43:24,599

worked on the study

1124

00:43:29,630 --> 00:43:27,660

um there were people that thought that

1125

00:43:31,190 --> 00:43:29,640

they had it or they had it and then they

1126
00:43:33,349 --> 00:43:31,200
would just quietly go away and we would

1127
00:43:35,150 --> 00:43:33,359
never hear from them again but to begin

1128
00:43:38,210 --> 00:43:35,160
with they bury their dead

1129
00:43:39,530 --> 00:43:38,220
they will do a funeral they have a

1130
00:43:41,270 --> 00:43:39,540
certain way that they place the body

1131
00:43:43,550 --> 00:43:41,280
they have certain rituals that they do

1132
00:43:44,990 --> 00:43:43,560
when they die they don't give up their

1133
00:43:46,849 --> 00:43:45,000
dead easily

1134
00:43:49,190 --> 00:43:46,859
like if they have to fight you for their

1135
00:43:50,950 --> 00:43:49,200
dead they will

1136
00:43:53,870 --> 00:43:50,960
um but they do bury them

1137
00:43:55,609 --> 00:43:53,880
and I mean you know and if there is

1138
00:43:57,650 --> 00:43:55,619

occasionally one that doesn't get buried

1139

00:44:00,230 --> 00:43:57,660

which is very few and far between if

1140

00:44:02,150 --> 00:44:00,240

ever look at the decomposition on

1141

00:44:05,990 --> 00:44:02,160

anything in the woods how often you find

1142

00:44:09,290 --> 00:44:06,000

a dead bear or a dead cougar rarely not

1143

00:44:11,089 --> 00:44:09,300

that it doesn't happen but rarely but in

1144

00:44:13,490 --> 00:44:11,099

their particular case they you know

1145

00:44:16,550 --> 00:44:13,500

again they're a type of human not an

1146

00:44:19,730 --> 00:44:16,560

animal any more than we are

1147

00:44:21,470 --> 00:44:19,740

um and they will be very protective of

1148

00:44:23,990 --> 00:44:21,480

their debt of the grounds that they bury

1149

00:44:25,790 --> 00:44:24,000

their debt on and they do they will have

1150

00:44:28,010 --> 00:44:25,800

funeral they observe four days of

1151

00:44:30,829 --> 00:44:28,020

Silence afterwards

1152

00:44:34,609 --> 00:44:30,839

when one passes out of respect

1153

00:44:37,190 --> 00:44:34,619

and they will bury them they will

1154

00:44:38,510 --> 00:44:37,200

put a structure not all structures are

1155

00:44:40,370 --> 00:44:38,520

engraved so don't anybody go out

1156

00:44:41,870 --> 00:44:40,380

thinking that's a grave there's certain

1157

00:44:43,550 --> 00:44:41,880

ways that they'll make a structure for

1158

00:44:45,650 --> 00:44:43,560

them they'll put rocks on them I've seen

1159

00:44:46,970 --> 00:44:45,660

where they've had Graves where they've

1160

00:44:49,309 --> 00:44:46,980

taken trees out of the ground and

1161

00:44:51,290 --> 00:44:49,319

replanted it on top or they'll plant

1162

00:44:54,349 --> 00:44:51,300

flowers on top so that people don't

1163

00:44:56,630 --> 00:44:54,359

realize that it's a grave they've had me

1164

00:44:58,309 --> 00:44:56,640

go to various places and bless the

1165

00:45:00,650 --> 00:44:58,319

graves and do various things like that

1166

00:45:02,150 --> 00:45:00,660

so they're not easily found

1167

00:45:04,190 --> 00:45:02,160

they are by somebody that would know

1168

00:45:06,050 --> 00:45:04,200

what to look for maybe but

1169

00:45:07,430 --> 00:45:06,060

um not even I think I don't care who you

1170

00:45:09,290 --> 00:45:07,440

are how good you are at spotting your

1171

00:45:11,329 --> 00:45:09,300

Graves there's ways that they will do it

1172

00:45:13,309 --> 00:45:11,339

where you wouldn't even know

1173

00:45:15,829 --> 00:45:13,319

so you could be walking on top of it in

1174

00:45:21,290 --> 00:45:18,290

did they have some cemeteries or did

1175

00:45:23,750 --> 00:45:21,300

they just basically bury wherever the

1176

00:45:25,970 --> 00:45:23,760

ones that I have gone where they've had

1177

00:45:28,309 --> 00:45:25,980

me go to to bless them

1178

00:45:30,410 --> 00:45:28,319

um they were I don't want to say it's a

1179

00:45:32,930 --> 00:45:30,420

cemetery but maybe that particular Clan

1180

00:45:34,430 --> 00:45:32,940

would bury their dead there I do know of

1181

00:45:36,109 --> 00:45:34,440

some places where there's been an

1182

00:45:39,470 --> 00:45:36,119

individual grave site there for whatever

1183

00:45:41,270 --> 00:45:39,480

reason but I you know to say a hundred

1184

00:45:43,069 --> 00:45:41,280

percent with Clarity I can't say that

1185

00:45:45,349 --> 00:45:43,079

they're all in like a Bigfoot Cemetery

1186

00:45:47,390 --> 00:45:45,359

type area but I have known them to bury

1187

00:45:49,270 --> 00:45:47,400

a lot like one clan might use this area

1188

00:45:52,190 --> 00:45:49,280

to bury their dad

1189

00:45:53,990 --> 00:45:52,200

at you know there's been depend again

1190

00:45:56,630 --> 00:45:54,000

you go back to the individuality of the

1191

00:45:59,569 --> 00:45:56,640

pla of the clan some of them might take

1192

00:46:01,790 --> 00:45:59,579

theirs and bury theirs far away one here

1193

00:46:03,950 --> 00:46:01,800

maybe one over there it comes down to

1194

00:46:06,890 --> 00:46:03,960

that individual plan

1195

00:46:08,569 --> 00:46:06,900

from what I've seen yeah see I wasn't

1196

00:46:10,730 --> 00:46:08,579

sure really how that worked and

1197

00:46:12,410 --> 00:46:10,740

everything that's why I thought yeah but

1198

00:46:14,150 --> 00:46:12,420

they will hold a natural funeral they

1199

00:46:15,530 --> 00:46:14,160

have you know different things that they

1200

00:46:18,910 --> 00:46:15,540

do and honor

1201
00:46:21,170 --> 00:46:18,920
of the ones that pass

1202
00:46:22,670 --> 00:46:21,180
and I like you said you didn't like the

1203
00:46:24,589 --> 00:46:22,680
word Cemetery I wasn't sure what word

1204
00:46:26,089 --> 00:46:24,599
they would use no but I mean that's your

1205
00:46:27,950 --> 00:46:26,099
lack of a better word that's what we

1206
00:46:30,530 --> 00:46:27,960
would call it for our people so I mean I

1207
00:46:31,670 --> 00:46:30,540
think the word suited it perfectly you

1208
00:46:33,230 --> 00:46:31,680
know I don't know that they would call

1209
00:46:35,930 --> 00:46:33,240
it that but

1210
00:46:38,990 --> 00:46:35,940
that I mean that's what we would call it

1211
00:46:40,490 --> 00:46:39,000
yeah exactly that's I was like so what

1212
00:46:42,530 --> 00:46:40,500
would they I was going to try to inform

1213
00:46:44,770 --> 00:46:42,540

the question like please I'm just like

1214

00:46:47,030 --> 00:46:44,780

no I mean

1215

00:46:48,069 --> 00:46:47,040

yeah yeah I thought that explained it

1216

00:46:51,410 --> 00:46:48,079

beautifully

1217

00:46:53,210 --> 00:46:51,420

I think that was good okay so I do have

1218

00:46:55,910 --> 00:46:53,220

some questions for you if you don't mind

1219

00:46:58,550 --> 00:46:55,920

taking them no that's right let's see

1220

00:47:00,410 --> 00:46:58,560

Boulder Nelson Bigfoot says let's get

1221

00:47:02,390 --> 00:47:00,420

this up here let's hope I did that right

1222

00:47:06,109 --> 00:47:02,400

there it goes

1223

00:47:09,349 --> 00:47:06,119

it is real but why

1224

00:47:12,710 --> 00:47:09,359

but what is it meaning what

1225

00:47:14,809 --> 00:47:12,720

it's actually a human hybrid it's a type

1226

00:47:17,329 --> 00:47:14,819

of an ancient people it is not to be

1227

00:47:20,150 --> 00:47:17,339

clear it is not our type of people but

1228

00:47:21,770 --> 00:47:20,160

they are a type of people these are

1229

00:47:25,490 --> 00:47:21,780

people that have their own language

1230

00:47:27,770 --> 00:47:25,500

their own culture their own laws they

1231

00:47:30,650 --> 00:47:27,780

have their own alphabet they can read

1232

00:47:33,710 --> 00:47:30,660

they can do all of these things that we

1233

00:47:36,050 --> 00:47:33,720

do it's just not our ways

1234

00:47:37,550 --> 00:47:36,060

okay so just because it's not our way it

1235

00:47:40,069 --> 00:47:37,560

does not take anything away from them

1236

00:47:41,270 --> 00:47:40,079

being a people they are they can they

1237

00:47:42,770 --> 00:47:41,280

have their own language but they can

1238

00:47:45,470 --> 00:47:42,780

speaking ours as well

1239

00:47:47,150 --> 00:47:45,480

you know the ones in Russia when I was

1240

00:47:49,849 --> 00:47:47,160

in Russia for the conference they spoke

1241

00:47:51,589 --> 00:47:49,859

to me in Russia and I had to tell them I

1242

00:47:53,150 --> 00:47:51,599

can't do that like Igor burst I've tried

1243

00:47:55,190 --> 00:47:53,160

for years I can't do it I'm illiterate

1244

00:47:56,930 --> 00:47:55,200

when it comes to Russian and so they

1245

00:47:59,870 --> 00:47:56,940

would then switch it over and speak to

1246

00:48:00,730 --> 00:47:59,880

me in in English so that I could

1247

00:48:03,290 --> 00:48:00,740

understand

1248

00:48:05,329 --> 00:48:03,300

so they can speak any language they want

1249

00:48:10,569 --> 00:48:05,339

but they do have their own language as

1250

00:48:16,730 --> 00:48:13,370

they are not Nephilim

1251

00:48:19,069 --> 00:48:16,740

so were they here before the Native

1252

00:48:21,530 --> 00:48:19,079

Americans yeah they were here before us

1253

00:48:22,910 --> 00:48:21,540

I think as far as I can see

1254

00:48:24,829 --> 00:48:22,920

okay

1255

00:48:27,050 --> 00:48:24,839

that was gonna be my like I wasn't sure

1256

00:48:29,870 --> 00:48:27,060

if they were either yeah after and you

1257

00:48:32,150 --> 00:48:29,880

know most of nothing yeah not all tribes

1258

00:48:34,910 --> 00:48:32,160

but they for the most part we find that

1259

00:48:38,870 --> 00:48:34,920

they got along very well and they

1260

00:48:40,670 --> 00:48:38,880

interacted as well as traded with the

1261

00:48:43,010 --> 00:48:40,680

Native Americans there were tribes they

1262

00:48:44,510 --> 00:48:43,020

did not that actually they were enemies

1263

00:48:46,130 --> 00:48:44,520

with they try to steal each other's

1264

00:48:49,010 --> 00:48:46,140

children they had territory lines that

1265

00:48:50,630 --> 00:48:49,020

neither one would cross so again and I

1266

00:48:53,089 --> 00:48:50,640

hate to sound like the broken record it

1267

00:48:54,950 --> 00:48:53,099

depends on the individual plan and the

1268

00:48:57,230 --> 00:48:54,960

location and what the beliefs of that

1269

00:49:01,550 --> 00:48:57,240

Clan were

1270

00:49:04,309 --> 00:49:01,560

Oh no you're fine trust me so Jose wants

1271

00:49:07,130 --> 00:49:04,319

to know what is a habituator a

1272

00:49:09,410 --> 00:49:07,140

habituator right yeah yeah habituator is

1273

00:49:12,530 --> 00:49:09,420

someone that lives for lack of a better

1274

00:49:15,230 --> 00:49:12,540

term among them they may not live on

1275

00:49:19,250 --> 00:49:15,240

that property but they interact with the

1276

00:49:21,410 --> 00:49:19,260

the people that do so in my case I was a

1277

00:49:23,690 --> 00:49:21,420

habituator because I did know where

1278

00:49:25,790 --> 00:49:23,700

their actual home was and they would

1279

00:49:27,950 --> 00:49:25,800

come to my property daily

1280

00:49:29,510 --> 00:49:27,960

on and off throughout the day on and off

1281

00:49:32,210 --> 00:49:29,520

throughout the night and I would

1282

00:49:34,490 --> 00:49:32,220

interact with them so that's where the

1283

00:49:37,069 --> 00:49:34,500

habituator comes from you have constant

1284

00:49:38,870 --> 00:49:37,079

interaction with a clan or Clans in my

1285

00:49:40,309 --> 00:49:38,880

case it was more than one plan same

1286

00:49:42,530 --> 00:49:40,319

thing here I've got three or four Clans

1287

00:49:45,170 --> 00:49:42,540

here plus I have some that followed from

1288

00:49:47,750 --> 00:49:45,180

Michigan and you have that constant

1289

00:49:49,670 --> 00:49:47,760

interaction it's not just oh I have a

1290

00:49:51,349 --> 00:49:49,680

sighting here a sighting there you are

1291

00:49:55,849 --> 00:49:51,359

actively

1292

00:49:57,170 --> 00:49:55,859

interacting with them and there's some

1293

00:50:00,589 --> 00:49:57,180

sort of

1294

00:50:02,750 --> 00:50:00,599

communication whether it's mind speak

1295

00:50:04,609 --> 00:50:02,760

whatever you want to call it you don't

1296

00:50:06,530 --> 00:50:04,619

have to necessarily be feeding them the

1297

00:50:08,630 --> 00:50:06,540

one in Michigan I fed them all the time

1298

00:50:09,770 --> 00:50:08,640

I don't recommend it because when you

1299

00:50:12,410 --> 00:50:09,780

stop

1300

00:50:14,569 --> 00:50:12,420

they can get pissed now mine didn't I

1301

00:50:17,150 --> 00:50:14,579

was very lucky if you're going to go out

1302

00:50:19,790 --> 00:50:17,160

like with Duke perfect example he's not

1303

00:50:21,410 --> 00:50:19,800

out there every day so when he does go

1304

00:50:22,670 --> 00:50:21,420

there and he takes food it's fine they

1305

00:50:24,890 --> 00:50:22,680

know that when he comes he's going to

1306

00:50:26,809 --> 00:50:24,900

bring something that's wonderful but

1307

00:50:28,309 --> 00:50:26,819

should he show up empty-handed they may

1308

00:50:29,930 --> 00:50:28,319

be kind of mad but they're not going to

1309

00:50:31,430 --> 00:50:29,940

attack him and hurt them because they

1310

00:50:33,470 --> 00:50:31,440

don't expect it

1311

00:50:36,290 --> 00:50:33,480

you know that's just something as a gift

1312

00:50:38,750 --> 00:50:36,300

so when you habituate

1313

00:50:41,450 --> 00:50:38,760

you're interacting you know they leave

1314

00:50:43,370 --> 00:50:41,460

gifts for us we leave gifts for them

1315

00:50:45,710 --> 00:50:43,380

um we mind speak with them they're you

1316

00:50:47,150 --> 00:50:45,720

know tapping on the Windows they've been

1317

00:50:48,710 --> 00:50:47,160

very helpful we had a couple of trees

1318

00:50:50,450 --> 00:50:48,720

down and they were helpful

1319

00:50:52,069 --> 00:50:50,460

um I said you know could really use the

1320

00:50:54,170 --> 00:50:52,079

assistance and kind of went on my way

1321

00:50:56,870 --> 00:50:54,180

and left it alone and I came back and

1322

00:51:00,290 --> 00:50:56,880

they had moved it for me so you know

1323

00:51:03,230 --> 00:51:00,300

that's that interaction where it's

1324

00:51:05,270 --> 00:51:03,240

consistent it's over time it's built on

1325

00:51:06,950 --> 00:51:05,280

a mutual respect between those people

1326

00:51:11,349 --> 00:51:06,960

and

1327

00:51:13,069 --> 00:51:11,359

shocked when they realize how many

1328

00:51:15,470 --> 00:51:13,079

habitators there are there are

1329

00:51:17,690 --> 00:51:15,480

thousands thousands just because they're

1330

00:51:20,569 --> 00:51:17,700

not all on shows just because they're

1331

00:51:23,089 --> 00:51:20,579

not making it public does not mean that

1332

00:51:24,530 --> 00:51:23,099

they are not doing it

1333

00:51:28,970 --> 00:51:24,540

right

1334

00:51:32,510 --> 00:51:28,980

another one from Jose

1335

00:51:34,849 --> 00:51:32,520

is let me get that back up there okay do

1336

00:51:36,770 --> 00:51:34,859

you think Bigfoot might be an ET

1337

00:51:39,410 --> 00:51:36,780

experiment

1338

00:51:41,569 --> 00:51:39,420

they the

1339

00:51:44,270 --> 00:51:41,579

the mother's side is human The Father's

1340

00:51:47,089 --> 00:51:44,280

Side according to the actual Forest

1341

00:51:50,390 --> 00:51:47,099

people themselves what they told me was

1342

00:51:53,630 --> 00:51:50,400

that they are star people and we do know

1343

00:51:55,190 --> 00:51:53,640

that some I mean while there's been

1344

00:51:57,950 --> 00:51:55,200

thousands of them that are now born here

1345

00:52:01,190 --> 00:51:57,960

but in the beginning they were created

1346

00:52:03,170 --> 00:52:01,200

by the ETS people have seen them on

1347

00:52:05,569 --> 00:52:03,180

ships still

1348

00:52:07,130 --> 00:52:05,579

um there's been various EP races that

1349

00:52:08,630 --> 00:52:07,140

have admitted to it

1350

00:52:10,309 --> 00:52:08,640

that doesn't mean that the government

1351

00:52:11,870 --> 00:52:10,319

doesn't try to do their little petri

1352

00:52:14,030 --> 00:52:11,880

dish thing and make things as well but

1353

00:52:16,309 --> 00:52:14,040

they would create ones that are more

1354

00:52:18,470 --> 00:52:16,319

aggressive to be used as far as for the

1355

00:52:19,849 --> 00:52:18,480

military those are not your original

1356

00:52:21,290 --> 00:52:19,859

Bigfoot

1357

00:52:23,030 --> 00:52:21,300

um do I think some could have been born

1358

00:52:25,490 --> 00:52:23,040

on this planet came from this planet I

1359

00:52:27,410 --> 00:52:25,500

think it's entirely possible the DNA

1360

00:52:29,150 --> 00:52:27,420

that we get does show the mother's side

1361

00:52:32,270 --> 00:52:29,160

is human the father's side is unknown

1362

00:52:35,089 --> 00:52:32,280

and again when I spoke to them and I

1363

00:52:37,370 --> 00:52:35,099

asked them they did not hesitate

1364

00:52:39,530 --> 00:52:37,380

they absolutely do not hesitate and we

1365

00:52:41,930 --> 00:52:39,540

have asked my husband Pat and I

1366

00:52:45,349 --> 00:52:41,940

um because he is knee-deep in this with

1367

00:52:47,870 --> 00:52:45,359

me we have asked multiple Clans multiple

1368

00:52:49,609 --> 00:52:47,880

States multiple places across the globe

1369

00:52:53,030 --> 00:52:49,619

and they've all said the same thing that

1370

00:52:53,990 --> 00:52:53,040

they that's where they were created

1371

00:52:56,750 --> 00:52:54,000

okay

1372

00:52:58,790 --> 00:52:56,760

so I'm gonna before we continue on with

1373

00:53:01,190 --> 00:52:58,800

the question I'm gonna ask you said your

1374

00:53:03,589 --> 00:53:01,200

husband is basically knee deep in with

1375

00:53:06,109 --> 00:53:03,599

this and he communicates as well

1376

00:53:09,470 --> 00:53:06,119

is this something you taught him or is

1377

00:53:12,049 --> 00:53:09,480

it something he learned or both actually

1378

00:53:14,690 --> 00:53:12,059

I met him because someone that I had

1379

00:53:16,910 --> 00:53:14,700

worked with and helped with interaction

1380

00:53:18,710 --> 00:53:16,920

with the ones around them said I have

1381

00:53:20,690 --> 00:53:18,720

this friend he's a great guy his name is

1382

00:53:23,450 --> 00:53:20,700

Pat McRae he's already having

1383

00:53:25,970 --> 00:53:23,460

experiences but he really could use

1384

00:53:28,309 --> 00:53:25,980

somebody to talk to them about about it

1385

00:53:29,630 --> 00:53:28,319

I didn't teach Pat it just everything is

1386

00:53:31,270 --> 00:53:29,640

a progression

1387

00:53:34,549 --> 00:53:31,280

Pat was already

1388

00:53:36,049 --> 00:53:34,559

experiencing things when I met him but

1389

00:53:38,030 --> 00:53:36,059

he didn't have anybody to share them

1390

00:53:39,650 --> 00:53:38,040

with that could say oh yeah that you

1391

00:53:42,410 --> 00:53:39,660

know I believe you or yeah they did this

1392

00:53:43,670 --> 00:53:42,420

for this reason or that reason so he was

1393

00:53:46,670 --> 00:53:43,680

already

1394

00:53:48,829 --> 00:53:46,680

on that path anyway and we talked for

1395

00:53:50,329 --> 00:53:48,839

almost two years before we first met or

1396

00:53:52,030 --> 00:53:50,339

before we actually saw each other and

1397

00:53:55,549 --> 00:53:52,040

we've been together ever since

1398

00:53:58,250 --> 00:53:55,559

and he's just right alongside me you

1399

00:54:00,650 --> 00:53:58,260

know everything is a learning experience

1400

00:54:01,849 --> 00:54:00,660

um it's one of those things that it's a

1401

00:54:03,770 --> 00:54:01,859

progression

1402

00:54:06,170 --> 00:54:03,780

and it will progress through your entire

1403

00:54:08,870 --> 00:54:06,180

life I'm not done learning I learned

1404

00:54:10,910 --> 00:54:08,880

from everybody you know and hopefully

1405

00:54:12,710 --> 00:54:10,920

people can learn a little from me and

1406

00:54:15,650 --> 00:54:12,720

it's that give and take

1407

00:54:17,450 --> 00:54:15,660

so and Pat God knows that since he came

1408

00:54:19,250 --> 00:54:17,460

into my life he's been dealt more than

1409

00:54:21,190 --> 00:54:19,260

I'm sure he probably ever wanted to do

1410

00:54:24,410 --> 00:54:21,200

but um

1411

00:54:26,210 --> 00:54:24,420

I mean let's be honest anyone who gets

1412

00:54:28,549 --> 00:54:26,220

involved with someone in the paranormal

1413

00:54:30,890 --> 00:54:28,559

thing yeah and deeper than they expect

1414

00:54:32,829 --> 00:54:30,900

we got spent down that rabbit hole and

1415

00:54:35,329 --> 00:54:32,839

we've got to find the bottom of us

1416

00:54:37,370 --> 00:54:35,339

but he interacts with them you know just

1417

00:54:39,589 --> 00:54:37,380

as much as I do

1418

00:54:41,750 --> 00:54:39,599

okay because I was curious about that

1419

00:54:43,790 --> 00:54:41,760

because it just it seems interesting

1420

00:54:45,190 --> 00:54:43,800

like YouTube found each other and you

1421

00:54:48,370 --> 00:54:45,200

both have yeah

1422

00:54:50,690 --> 00:54:48,380

Bigfoot dating service let me tell you

1423

00:54:52,130 --> 00:54:50,700

yes they put people together that they

1424

00:54:54,049 --> 00:54:52,140

want together

1425

00:54:56,690 --> 00:54:54,059

um I do healing work and stuff on them

1426

00:54:59,089 --> 00:54:56,700

and it works out really well because Pat

1427

00:55:01,250 --> 00:54:59,099

and another dear friend of mine are both

1428

00:55:03,829 --> 00:55:01,260

of them the best mind-speak people I've

1429

00:55:06,470 --> 00:55:03,839

ever you know worked with I trust them

1430

00:55:08,569 --> 00:55:06,480

explicitly and so when they do send me

1431

00:55:10,370 --> 00:55:08,579

out to places to do various things it's

1432

00:55:12,470 --> 00:55:10,380

great because I have two other people

1433

00:55:15,230 --> 00:55:12,480

that can verify it to make sure that I'm

1434

00:55:17,569 --> 00:55:15,240

getting it right nobody's foolproof but

1435

00:55:19,010 --> 00:55:17,579

that way we know that if all three of us

1436

00:55:21,950 --> 00:55:19,020

are getting the same thing then the

1437

00:55:24,290 --> 00:55:21,960

chances are we're on the right path but

1438

00:55:26,329 --> 00:55:24,300

it is a progression Pat it started long

1439

00:55:27,589 --> 00:55:26,339

before he ever met me

1440

00:55:31,250 --> 00:55:27,599

um I'm sure there's days now that he

1441

00:55:34,670 --> 00:55:31,260

wishes he did but

1442

00:55:37,190 --> 00:55:34,680

um yeah he's incredible and he deals in

1443

00:55:39,410 --> 00:55:37,200

a lot of the Paranormal and then as we

1444

00:55:40,609 --> 00:55:39,420

were together like I would trigger

1445

00:55:42,530 --> 00:55:40,619

things and he would start having

1446

00:55:46,250 --> 00:55:42,540

memories of things that happened when he

1447

00:55:48,770 --> 00:55:46,260

was nine or with ETS or with other you

1448

00:55:50,390 --> 00:55:48,780

know Cryptids or whatever so yeah like I

1449

00:55:52,670 --> 00:55:50,400

said it's all a progression he didn't

1450

00:55:56,150 --> 00:55:52,680

need me to do it I just was his trigger

1451

00:55:58,190 --> 00:55:56,160

that reminded him of things

1452

00:56:00,530 --> 00:55:58,200

and that's always a business you can go

1453

00:56:03,370 --> 00:56:00,540

into later you know down the road like

1454

00:56:05,630 --> 00:56:03,380

big dating service and just yeah

1455

00:56:08,510 --> 00:56:05,640

exactly that they put people together

1456

00:56:10,730 --> 00:56:08,520

like I would never take credit for

1457

00:56:12,109 --> 00:56:10,740

anything that Pat's learned or his

1458

00:56:14,450 --> 00:56:12,119

abilities he's got some amazing

1459

00:56:16,130 --> 00:56:14,460

abilities like I said mind speak wise

1460

00:56:19,309 --> 00:56:16,140

he's off the chart

1461

00:56:21,890 --> 00:56:19,319

and so it it's fantastic because then we

1462

00:56:25,510 --> 00:56:21,900

kind of feed off each other

1463

00:56:28,790 --> 00:56:25,520

you know and so yeah it works it works

1464

00:56:31,370 --> 00:56:28,800

and I think if you are really heavily

1465

00:56:32,809 --> 00:56:31,380

into this you have to have like I was

1466

00:56:35,510 --> 00:56:32,819

married before

1467

00:56:37,970 --> 00:56:35,520

it clearly does not work if you don't

1468

00:56:39,349 --> 00:56:37,980

have a partner that is as involved in

1469

00:56:41,809 --> 00:56:39,359

this as you do

1470

00:56:44,390 --> 00:56:41,819

because they just don't understand it

1471

00:56:47,150 --> 00:56:44,400

they they say they will but they don't

1472

00:56:48,650 --> 00:56:47,160

and my ex-husband was very well aware

1473

00:56:50,750 --> 00:56:48,660

that they were there

1474

00:56:52,130 --> 00:56:50,760

and I don't necessarily know that he

1475

00:56:54,230 --> 00:56:52,140

liked it or he didn't like it but

1476

00:56:55,609 --> 00:56:54,240

somebody asked him one day you know what

1477

00:56:57,230 --> 00:56:55,619

do you think about them coming there and

1478

00:56:59,210 --> 00:56:57,240

they said if they're not here for me are

1479

00:57:01,670 --> 00:56:59,220

you crazy they're here for her

1480

00:57:03,349 --> 00:57:01,680

and he was so angry about it I'm like I

1481

00:57:05,150 --> 00:57:03,359

didn't try to do any of this I didn't

1482

00:57:08,270 --> 00:57:05,160

look I've never once went out in search

1483

00:57:11,390 --> 00:57:08,280

of you know they found me as a small

1484

00:57:13,370 --> 00:57:11,400

child and it's never we have this

1485

00:57:15,770 --> 00:57:13,380

relationship that it's based on mutual

1486

00:57:16,970 --> 00:57:15,780

respect and love it doesn't mean that

1487

00:57:18,650 --> 00:57:16,980

that's going to be like that with

1488

00:57:20,390 --> 00:57:18,660

everyone out there because again

1489

00:57:22,670 --> 00:57:20,400

individuals

1490

00:57:27,170 --> 00:57:22,680

you know my core group it is

1491

00:57:30,049 --> 00:57:27,180

you know but we do okay

1492

00:57:33,710 --> 00:57:30,059

it sounded like a jealousy type of anger

1493

00:57:35,150 --> 00:57:33,720

if you ask me it was it was okay notice

1494

00:57:38,030 --> 00:57:35,160

he's not here in Pat and I are very

1495

00:57:42,530 --> 00:57:38,040

happily married now so oh good oh good

1496

00:57:46,670 --> 00:57:44,809

um Jose actually I have seen what people

1497

00:57:49,250 --> 00:57:46,680

call a rake whether or not that's the

1498

00:57:51,349 --> 00:57:49,260

technical term I had two that came after

1499

00:57:53,150 --> 00:57:51,359

me and had a very horrifying experience

1500

00:57:55,069 --> 00:57:53,160

with them

1501

00:57:57,410 --> 00:57:55,079

um yeah

1502

00:57:59,270 --> 00:57:57,420

I personally don't think a rake is a

1503

00:58:01,190 --> 00:57:59,280

cryptic I think it's a form of ET that

1504

00:58:02,569 --> 00:58:01,200

lives on this planet

1505

00:58:05,030 --> 00:58:02,579

um I don't even know that I mean people

1506

00:58:07,190 --> 00:58:05,040

call him a rake I can't say I mean that

1507

00:58:09,230 --> 00:58:07,200

that's what their name is I don't know

1508

00:58:10,370 --> 00:58:09,240

but yeah I have I've been attacked by

1509

00:58:13,010 --> 00:58:10,380

him before

1510

00:58:14,030 --> 00:58:13,020

okay I took that down because it I felt

1511

00:58:16,970 --> 00:58:14,040

like you didn't really want to talk

1512

00:58:19,250 --> 00:58:16,980

anymore about it no that was perfectly

1513

00:58:20,630 --> 00:58:19,260

fine that was anybody can ask me

1514

00:58:22,250 --> 00:58:20,640

anything they want

1515

00:58:23,809 --> 00:58:22,260

um if I don't know the answer I don't

1516

00:58:26,870 --> 00:58:23,819

have a problem saying hey guys I don't

1517

00:58:29,030 --> 00:58:26,880

know I don't know at all okay I don't so

1518

00:58:30,829 --> 00:58:29,040

no they could ask whatever they want but

1519

00:58:32,589 --> 00:58:30,839

they're not the rakes are not something

1520

00:58:36,230 --> 00:58:32,599

to be messed with

1521

00:58:38,210 --> 00:58:36,240

and I was forewarned they were coming by

1522

00:58:41,630 --> 00:58:38,220

the forest people

1523

00:58:43,609 --> 00:58:41,640

thank you and um so that made all the

1524

00:58:46,670 --> 00:58:43,619

difference in the world as far as me

1525

00:58:52,730 --> 00:58:50,089

right so the next question is for Marla

1526
00:58:55,730 --> 00:58:52,740
and let me get that up there real quick

1527
00:58:57,349 --> 00:58:55,740
is there a name

1528
00:58:59,750 --> 00:58:57,359
yeah if there is a name for their

1529
00:59:01,250 --> 00:58:59,760
language Marla other people may know I

1530
00:59:04,130 --> 00:59:01,260
don't know

1531
00:59:08,809 --> 00:59:04,140
um I do know that

1532
00:59:10,789 --> 00:59:08,819
the language of some is not necessarily

1533
00:59:12,710 --> 00:59:10,799
how do I explain it the language of

1534
00:59:14,510 --> 00:59:12,720
others and because

1535
00:59:17,270 --> 00:59:14,520
um like where I lived at in Michigan I

1536
00:59:19,549 --> 00:59:17,280
lived on it an area that was Ojibwe land

1537
00:59:22,970 --> 00:59:19,559
at one point in time

1538
00:59:26,150 --> 00:59:22,980

and someone I knew was in a different

1539

00:59:27,530 --> 00:59:26,160

area and hers had talked and told her

1540

00:59:30,049 --> 00:59:27,540

different words

1541

00:59:31,609 --> 00:59:30,059

and Native American tongue and when I

1542

00:59:33,770 --> 00:59:31,619

used it on mine mine looked at me like

1543

00:59:35,450 --> 00:59:33,780

what are you talking about and it had

1544

00:59:38,390 --> 00:59:35,460

nothing to do with her she was being 100

1545

00:59:40,309 --> 00:59:38,400

honest I believe her completely but it

1546

00:59:42,230 --> 00:59:40,319

was two different

1547

00:59:44,450 --> 00:59:42,240

languages because it would have been two

1548

00:59:46,730 --> 00:59:44,460

different tribes as far as what they

1549

00:59:48,530 --> 00:59:46,740

call their language I have to be honest

1550

00:59:51,470 --> 00:59:48,540

with you I've never asked them

1551

00:59:53,809 --> 00:59:51,480

I really so for their specific language

1552

00:59:55,250 --> 00:59:53,819

I know when they talk it's almost sounds

1553

00:59:58,430 --> 00:59:55,260

like gibberish

1554

01:00:01,010 --> 00:59:58,440

because it's very very quick very

1555

01:00:03,410 --> 01:00:01,020

difficult to understand now like with

1556

01:00:05,510 --> 01:00:03,420

Ryan Moore had the Sierra sounds most

1557

01:00:07,670 --> 01:00:05,520

beautiful piece of work I think of their

1558

01:00:10,370 --> 01:00:07,680

language I've ever heard in my life and

1559

01:00:12,109 --> 01:00:10,380

you can hear English in there but where

1560

01:00:13,609 --> 01:00:12,119

when we speak it comes from the upper

1561

01:00:15,770 --> 01:00:13,619

part of our throat theirs comes down in

1562

01:00:18,530 --> 01:00:15,780

a clavicle area so

1563

01:00:20,390 --> 01:00:18,540

it it sounds different even when they

1564

01:00:24,349 --> 01:00:20,400

say it

1565

01:00:26,569 --> 01:00:24,359

and they have a much wider range

1566

01:00:30,829 --> 01:00:26,579

where ours is limited there just goes

1567

01:00:34,730 --> 01:00:32,630

so when they're when they're speaking

1568

01:00:38,089 --> 01:00:34,740

say when you encountered the Russian big

1569

01:00:40,849 --> 01:00:38,099

how do they sound do they sound normal

1570

01:00:42,589 --> 01:00:40,859

like someone speaking Russian or it

1571

01:00:44,930 --> 01:00:42,599

sounded like when they talked to me it

1572

01:00:47,150 --> 01:00:44,940

was not in their native language it was

1573

01:00:48,710 --> 01:00:47,160

in Russian probably thinking you know

1574

01:00:50,870 --> 01:00:48,720

this is a person she's going to know

1575

01:00:53,270 --> 01:00:50,880

this and

1576

01:00:55,910 --> 01:00:53,280

it sounded Russian

1577

01:00:59,690 --> 01:00:55,920

but it was very guttural I mean it was

1578

01:01:01,010 --> 01:00:59,700

really gurgled down in the throat so I

1579

01:01:02,450 --> 01:01:01,020

couldn't understand it to begin with

1580

01:01:05,270 --> 01:01:02,460

because it was Russian and that just

1581

01:01:07,549 --> 01:01:05,280

made it even harder so when I had to say

1582

01:01:09,829 --> 01:01:07,559

listen I can't understand that and

1583

01:01:13,069 --> 01:01:09,839

please speak in my language they did it

1584

01:01:14,750 --> 01:01:13,079

was like a broken English oh okay and

1585

01:01:16,789 --> 01:01:14,760

when you hear them talk and mind speak

1586

01:01:19,250 --> 01:01:16,799

it's more fluent but when you hear them

1587

01:01:24,109 --> 01:01:19,260

talk in

1588

01:01:26,630 --> 01:01:24,119

real where your ears it does almost it's

1589

01:01:29,510 --> 01:01:26,640

some of it can sound broken

1590

01:01:31,910 --> 01:01:29,520

not all of them

1591

01:01:33,650 --> 01:01:31,920

okay because I was wondering when you

1592

01:01:35,870 --> 01:01:33,660

said they speak from down in here how it

1593

01:01:38,750 --> 01:01:35,880

would sound if they were yes yeah I've

1594

01:01:41,150 --> 01:01:38,760

heard some come from a very high active

1595

01:01:42,890 --> 01:01:41,160

but a lot of them you know it's all very

1596

01:01:48,609 --> 01:01:42,900

deep and gutturals comes from the chest

1597

01:01:53,809 --> 01:01:51,650

can scare you if you weren't prepared

1598

01:01:56,329 --> 01:01:53,819

well my next door neighbor I had let her

1599

01:01:58,730 --> 01:01:56,339

know you know I'm here I know they're

1600

01:02:00,109 --> 01:01:58,740

here we've had evidence they were here

1601
01:02:02,630 --> 01:02:00,119
from the first time we looked at the

1602
01:02:04,130 --> 01:02:02,640
house and at some point in time they're

1603
01:02:06,289 --> 01:02:04,140
going to be in your yard I want you to

1604
01:02:08,030 --> 01:02:06,299
be aware of it don't go running in and

1605
01:02:09,349 --> 01:02:08,040
grabbing a gun this is a war you don't

1606
01:02:10,370 --> 01:02:09,359
want to fight because you're going to

1607
01:02:12,589 --> 01:02:10,380
lose

1608
01:02:14,030 --> 01:02:12,599
it's just not going to happen you know

1609
01:02:15,230 --> 01:02:14,040
if you're fearful of your life that

1610
01:02:17,030 --> 01:02:15,240
they're being aggressive I understand

1611
01:02:20,690 --> 01:02:17,040
the need to defend yourself but don't

1612
01:02:23,150 --> 01:02:20,700
start out at that point and so her adult

1613
01:02:24,589 --> 01:02:23,160

son was out in the backyard cleaning up

1614

01:02:26,210 --> 01:02:24,599

the brushing went to throw it into the

1615

01:02:27,650 --> 01:02:26,220

woods and there was a large male

1616

01:02:30,289 --> 01:02:27,660

standing there

1617

01:02:32,270 --> 01:02:30,299

and he said it made like a growl noise

1618

01:02:33,530 --> 01:02:32,280

but sometimes when they do that growl

1619

01:02:36,589 --> 01:02:33,540

noise they're not actually growling

1620

01:02:39,829 --> 01:02:36,599

they're saying uh you know and it sounds

1621

01:02:41,809 --> 01:02:39,839

so guttural that you assume and so he

1622

01:02:44,150 --> 01:02:41,819

ran in the house and he said mom Mom

1623

01:02:45,289 --> 01:02:44,160

give me the gun she said for what and he

1624

01:02:47,210 --> 01:02:45,299

said there's this thing out there and

1625

01:02:49,490 --> 01:02:47,220

she said oh no Robin already warned me

1626
01:02:52,730 --> 01:02:49,500
we're not fighting with them you know no

1627
01:02:54,470 --> 01:02:52,740
gun and he went back outside and he said

1628
01:02:56,630 --> 01:02:54,480
that he was funny because I talked to

1629
01:02:59,210 --> 01:02:56,640
him afterwards and he said it was gone

1630
01:03:01,250 --> 01:02:59,220
in a blink of an eye and I said it they

1631
01:03:03,650 --> 01:03:01,260
can go on two legs or they'll go down on

1632
01:03:06,049 --> 01:03:03,660
all fours did you see it leave and he

1633
01:03:07,430 --> 01:03:06,059
said that was a crazy thing he said as

1634
01:03:09,170 --> 01:03:07,440
thick of the brush as there was back

1635
01:03:11,690 --> 01:03:09,180
there I never saw a leaf move I never

1636
01:03:14,870 --> 01:03:11,700
saw the grass move it was just gone and

1637
01:03:17,089 --> 01:03:14,880
I said it never left it cloaked oh wow

1638
01:03:18,950 --> 01:03:17,099

and he's like he just about lost his

1639

01:03:20,270 --> 01:03:18,960

mind but they've had several of them

1640

01:03:23,329 --> 01:03:20,280

that they've seen walking through our

1641

01:03:24,890 --> 01:03:23,339

yard at the back because my house is

1642

01:03:26,930 --> 01:03:24,900

more towards the front of the land where

1643

01:03:28,910 --> 01:03:26,940

her house is at the back so they come

1644

01:03:31,490 --> 01:03:28,920

across the back woods from back there

1645

01:03:32,809 --> 01:03:31,500

and into our property and her and her

1646

01:03:34,730 --> 01:03:32,819

grandson has seen them several times

1647

01:03:36,470 --> 01:03:34,740

come up through there then they steal

1648

01:03:39,289 --> 01:03:36,480

her flower pots and I find them in my

1649

01:03:41,089 --> 01:03:39,299

yard never take a flower pot back

1650

01:03:42,470 --> 01:03:41,099

that's something like you know I'm

1651
01:03:44,930 --> 01:03:42,480
missing my flower pot and they're just

1652
01:03:46,789 --> 01:03:44,940
like stealing it randomly yeah and like

1653
01:03:49,370 --> 01:03:46,799
she Burns her trash there where I don't

1654
01:03:50,870 --> 01:03:49,380
but she does and for the longest time

1655
01:03:52,370 --> 01:03:50,880
they would go to the far side of my

1656
01:03:53,690 --> 01:03:52,380
property and I walk back there and

1657
01:03:55,370 --> 01:03:53,700
there's all these bottles of orange

1658
01:03:57,530 --> 01:03:55,380
crush and they were stealing the orange

1659
01:03:58,910 --> 01:03:57,540
crush and if there's a bottle that

1660
01:04:00,289 --> 01:03:58,920
wasn't empty they would get that and

1661
01:04:03,230 --> 01:04:00,299
they'd take it on that an area they'd

1662
01:04:07,789 --> 01:04:05,630
so is that like their preferred drink if

1663
01:04:13,130 --> 01:04:07,799

is was there anything no I was just what

1664

01:04:17,690 --> 01:04:15,289

so in a way they're kind of like Bears

1665

01:04:19,549 --> 01:04:17,700

they scavenge garbage at times all they

1666

01:04:21,770 --> 01:04:19,559

will they'll get in the dumpsters all

1667

01:04:23,569 --> 01:04:21,780

the time yeah

1668

01:04:26,990 --> 01:04:23,579

it's an easy meal

1669

01:04:31,730 --> 01:04:27,000

yeah I don't think I lived around there

1670

01:04:36,770 --> 01:04:34,370

okay mortal clown said do they have pets

1671

01:04:39,710 --> 01:04:36,780

they absolutely have pads

1672

01:04:41,690 --> 01:04:39,720

um they will find if there's stray dogs

1673

01:04:44,450 --> 01:04:41,700

straight cats they'll use those they

1674

01:04:46,789 --> 01:04:44,460

also um very typically will use whatever

1675

01:04:48,710 --> 01:04:46,799

animals in the forest we have three that

1676

01:04:50,329 --> 01:04:48,720

come through here every once in a great

1677

01:04:52,329 --> 01:04:50,339

while and they have a cougar that's a

1678

01:04:55,130 --> 01:04:52,339

pet

1679

01:04:56,569 --> 01:04:55,140

it's very common for them to use coyotes

1680

01:04:58,549 --> 01:04:56,579

or wolves

1681

01:05:00,170 --> 01:04:58,559

um pet raccoons you know whatever's out

1682

01:05:03,410 --> 01:05:00,180

in the woods if they can find it as a

1683

01:05:05,829 --> 01:05:03,420

baby it becomes a pet absolutely

1684

01:05:08,569 --> 01:05:05,839

so they basically domesticate it then

1685

01:05:11,089 --> 01:05:08,579

absolutely yeah they they really and

1686

01:05:12,530 --> 01:05:11,099

truly do I've seen it multiple times and

1687

01:05:16,010 --> 01:05:12,540

I've talked to

1688

01:05:17,990 --> 01:05:16,020

multiple people that have seen them out

1689

01:05:20,510 --> 01:05:18,000

and about and had them have a coyote per

1690

01:05:22,010 --> 01:05:20,520

se running with them or was carrying a

1691

01:05:24,890 --> 01:05:22,020

raccoon

1692

01:05:27,710 --> 01:05:24,900

you know or a small dog because it

1693

01:05:30,349 --> 01:05:27,720

happened to be a stray or in in where I

1694

01:05:32,809 --> 01:05:30,359

live there's nothing but feral dogs and

1695

01:05:35,450 --> 01:05:32,819

cats and so they're constantly having

1696

01:05:37,510 --> 01:05:35,460

getting pets from that I and I want to

1697

01:05:39,950 --> 01:05:37,520

while we're talking about the pets

1698

01:05:42,410 --> 01:05:39,960

there's so much of a myth that they're

1699

01:05:44,510 --> 01:05:42,420

so dangerous for pets

1700

01:05:46,730 --> 01:05:44,520

and again it comes down to the

1701

01:05:49,970 --> 01:05:46,740

individual don't think it's a Bigfoot

1702

01:05:51,770 --> 01:05:49,980

thing I have 17 dogs I have probably 20

1703

01:05:54,410 --> 01:05:51,780

cats here because I work with all these

1704

01:05:56,569 --> 01:05:54,420

ferals and I have too many pigs they

1705

01:05:58,190 --> 01:05:56,579

have never once in my life harmed one of

1706

01:05:59,750 --> 01:05:58,200

my animals never

1707

01:06:02,089 --> 01:05:59,760

that doesn't mean they haven't called my

1708

01:06:03,650 --> 01:06:02,099

dogs out in the woods with them but they

1709

01:06:05,630 --> 01:06:03,660

brought them back

1710

01:06:08,450 --> 01:06:05,640

well that's good to know that you know

1711

01:06:10,309 --> 01:06:08,460

it depends on who it is no they bring

1712

01:06:12,650 --> 01:06:10,319

things and they toss it in the yard with

1713

01:06:15,530 --> 01:06:12,660

my dogs in fact I just did the pork and

1714

01:06:18,530 --> 01:06:15,540

bean show today with my husband and we

1715

01:06:20,089 --> 01:06:18,540

were talking about that and they all the

1716

01:06:21,410 --> 01:06:20,099

animals that are white are sacred to

1717

01:06:23,569 --> 01:06:21,420

them because white is supposed to be

1718

01:06:26,150 --> 01:06:23,579

pure and we have a great Pyrenees which

1719

01:06:29,150 --> 01:06:26,160

is pure white and they they love a dog

1720

01:06:30,829 --> 01:06:29,160

but she is their baby and she loves them

1721

01:06:32,569 --> 01:06:30,839

oh my gosh as soon as they come up to

1722

01:06:34,430 --> 01:06:32,579

the fence she's right at the fence

1723

01:06:36,529 --> 01:06:34,440

wagging her tail bark and all we're

1724

01:06:38,930 --> 01:06:36,539

happy that they're there but they bring

1725

01:06:40,970 --> 01:06:38,940

stuff and they toss it in the backyard

1726

01:06:43,010 --> 01:06:40,980

in the fencing area so they can play

1727

01:06:44,690 --> 01:06:43,020

with that and I walk out every day

1728

01:06:47,390 --> 01:06:44,700

because the snakes here are so prevalent

1729

01:06:48,710 --> 01:06:47,400

and I do a walkabout in my backyard to

1730

01:06:50,089 --> 01:06:48,720

make sure there's no snakes out there

1731

01:06:52,730 --> 01:06:50,099

there's nothing out there that other

1732

01:06:55,010 --> 01:06:52,740

than their toys that they could get hurt

1733

01:06:56,809 --> 01:06:55,020

on I did it one day walked in the house

1734

01:06:58,309 --> 01:06:56,819

15 minutes later I look out back and the

1735

01:07:02,390 --> 01:06:58,319

Pyrenees is running around with a two by

1736

01:07:04,970 --> 01:07:02,400

four I mean two by four and I'm like are

1737

01:07:06,349 --> 01:07:04,980

you kidding me or they'll go and swipe

1738

01:07:08,230 --> 01:07:06,359

shoes that somebody might have on their

1739

01:07:10,670 --> 01:07:08,240

back porch and they toss them in my yard

1740

01:07:12,049 --> 01:07:10,680

in the back there so the dogs can play

1741

01:07:13,549 --> 01:07:12,059

on the shoes I'm like you're gonna get

1742

01:07:15,410 --> 01:07:13,559

me in trouble

1743

01:07:16,849 --> 01:07:15,420

or they'll go get stuff off some of

1744

01:07:18,470 --> 01:07:16,859

these clotheslines and I'll wake up in

1745

01:07:25,069 --> 01:07:18,480

the morning and their clothes are on my

1746

01:07:29,270 --> 01:07:27,109

right like stealing someone's laundry

1747

01:07:32,150 --> 01:07:29,280

that's that's something I don't like

1748

01:07:33,710 --> 01:07:32,160

that weird crime I'm not gonna lie I

1749

01:07:35,210 --> 01:07:33,720

know but it's like what do you do like

1750

01:07:36,650 --> 01:07:35,220

if I can't go take them to the neighbors

1751

01:07:38,630 --> 01:07:36,660

number one I don't know where they came

1752

01:07:41,870 --> 01:07:38,640

from and two they're gonna think I'm

1753

01:07:43,309 --> 01:07:41,880

feeling from them yeah exactly oh my

1754

01:07:45,710 --> 01:07:43,319

goodness

1755

01:07:48,770 --> 01:07:45,720

um so Jose says let's see let's get that

1756

01:07:53,990 --> 01:07:51,650

make love hundreds of years yeah

1757

01:07:56,270 --> 01:07:54,000

um a lot of the ones that we talk to

1758

01:07:59,870 --> 01:07:56,280

say anywhere from two to four hundred

1759

01:08:01,490 --> 01:07:59,880

years that they live I my own thought on

1760

01:08:03,710 --> 01:08:01,500

this and I have nothing to back this up

1761

01:08:06,049 --> 01:08:03,720

I'm just putting that out there when

1762

01:08:09,529 --> 01:08:06,059

they seem to what I've noticed is when

1763

01:08:11,029 --> 01:08:09,539

you have some that per se don't use a

1764

01:08:12,950 --> 01:08:11,039

lot of the Paranormal abilities aren't

1765

01:08:15,770 --> 01:08:12,960

in the because they are a

1766

01:08:17,150 --> 01:08:15,780

multi-dimensional being okay so if

1767

01:08:18,890 --> 01:08:17,160

they're not going through the dimensions

1768

01:08:22,249 --> 01:08:18,900

if they're not in the portals a lot they

1769

01:08:24,769 --> 01:08:22,259

seem to have more of a shorter life's

1770

01:08:26,269 --> 01:08:24,779

lifespan because they stay more flesh

1771

01:08:28,130 --> 01:08:26,279

and blood all the time

1772

01:08:30,470 --> 01:08:28,140

now whether or not that's true I don't

1773

01:08:32,090 --> 01:08:30,480

know that's just what I've observed but

1774

01:08:33,289 --> 01:08:32,100

they can I know some that say that

1775

01:08:35,510 --> 01:08:33,299

they're three and four hundred years old

1776

01:08:37,189 --> 01:08:35,520

I think an average lifespan would be

1777

01:08:39,590 --> 01:08:37,199

easy to say one to two hundred but there

1778

01:08:41,809 --> 01:08:39,600

are some that live longer than that

1779

01:08:43,789 --> 01:08:41,819

can you tell by looking at them I mean

1780

01:08:46,070 --> 01:08:43,799

like if you look at the human you can

1781

01:08:49,010 --> 01:08:46,080

tell them some of them yeah you know

1782

01:08:50,870 --> 01:08:49,020

they have they come in all colors and

1783

01:08:53,450 --> 01:08:50,880

just because you see a white Sasquatch

1784

01:08:55,130 --> 01:08:53,460

does not mean that they're old okay it

1785

01:08:56,450 --> 01:08:55,140

also doesn't mean it's an albino you

1786

01:08:58,970 --> 01:08:56,460

tell if they're an albino by the color

1787

01:09:01,430 --> 01:08:58,980

of their eyes and their skin tone not by

1788

01:09:02,749 --> 01:09:01,440

their hair color so that would be like

1789

01:09:04,729 --> 01:09:02,759

saying that somebody with blonde hair

1790

01:09:06,650 --> 01:09:04,739

isn't a vinyl no they're not you know

1791

01:09:09,550 --> 01:09:06,660

they just color their hair but they will

1792

01:09:11,809 --> 01:09:09,560

get gray their hair does turn gray

1793

01:09:13,669 --> 01:09:11,819

you know it doesn't mean that everyone

1794

01:09:15,050 --> 01:09:13,679

is going to turn gray I've seen some

1795

01:09:17,749 --> 01:09:15,060

that have said that they were one told

1796

01:09:19,130 --> 01:09:17,759

me it was he was 320 years old and you

1797

01:09:20,749 --> 01:09:19,140

could tell when he walked he was quite

1798

01:09:22,669 --> 01:09:20,759

old because he was kind of more you know

1799

01:09:25,669 --> 01:09:22,679

bent over a little bit but he still had

1800

01:09:27,769 --> 01:09:25,679

reddish color hair mm-hmm

1801

01:09:30,110 --> 01:09:27,779

it was just in his gate that you could

1802

01:09:32,390 --> 01:09:30,120

tell he was old yeah I think it's more

1803

01:09:35,150 --> 01:09:32,400

the way they move but we have a female

1804

01:09:37,550 --> 01:09:35,160

here that you know I want to say she's

1805

01:09:40,910 --> 01:09:37,560

in her 30s and she had

1806

01:09:43,070 --> 01:09:40,920

um a baby right after we moved in and

1807

01:09:45,229 --> 01:09:43,080

when she came he was out in the front

1808

01:09:47,030 --> 01:09:45,239

yard and I we were I was standing on the

1809

01:09:49,490 --> 01:09:47,040

front porch with someone that was a

1810

01:09:51,050 --> 01:09:49,500

friend that was staying with me and

1811

01:09:52,910 --> 01:09:51,060

um I don't like to give anybody's names

1812

01:09:56,050 --> 01:09:52,920

because I haven't had permission to so

1813

01:09:59,209 --> 01:09:56,060

I'm not trying to be evasive but yeah

1814

01:10:01,490 --> 01:09:59,219

and the female ran through and came up

1815

01:10:02,870 --> 01:10:01,500

the side of the house and when she did

1816

01:10:04,729 --> 01:10:02,880

she dove into the bushes where the

1817

01:10:06,169 --> 01:10:04,739

youngster had went and she had salt and

1818

01:10:08,689 --> 01:10:06,179

pepper colored hair

1819

01:10:10,669 --> 01:10:08,699

but she wasn't old you know so it's

1820

01:10:13,130 --> 01:10:10,679

really hard to tell so for me I think I

1821

01:10:14,390 --> 01:10:13,140

can tell more by the movement the

1822

01:10:16,430 --> 01:10:14,400

mobility

1823

01:10:20,450 --> 01:10:16,440

that they have more so than hair

1824

01:10:26,990 --> 01:10:24,169

oh excuse me Tina knows no do they laugh

1825

01:10:28,070 --> 01:10:27,000

or their facial expressions similar to

1826

01:10:31,010 --> 01:10:28,080

ours

1827

01:10:35,930 --> 01:10:31,020

and they have a wicked sense of humor

1828

01:10:39,290 --> 01:10:35,940

they love to to laugh they are extremely

1829

01:10:40,910 --> 01:10:39,300

funny they think warped sense of humor

1830

01:10:42,110 --> 01:10:40,920

is their motto

1831

01:10:43,550 --> 01:10:42,120

um it's like when they do the belly

1832

01:10:45,290 --> 01:10:43,560

crawl they'll go up through the tall

1833

01:10:46,910 --> 01:10:45,300

grass right behind you and knock your

1834

01:10:49,669 --> 01:10:46,920

legs out from under you so they drop you

1835

01:10:52,070 --> 01:10:49,679

on your butt and they think they don't

1836

01:10:54,410 --> 01:10:52,080

do it to be mean they think it's fun

1837

01:10:57,770 --> 01:10:54,420

you know they'll do a lot of crazy

1838

01:11:01,430 --> 01:10:57,780

things thinking they're funny in even if

1839

01:11:03,590 --> 01:11:01,440

we don't but yeah and they laugh a lot

1840

01:11:06,189 --> 01:11:03,600

I like a warped sense of humor so I

1841

01:11:08,930 --> 01:11:06,199

think yeah

1842

01:11:10,310 --> 01:11:08,940

they'll set you up so that you think one

1843

01:11:12,050 --> 01:11:10,320

thing and then they'll pull you know say

1844

01:11:12,890 --> 01:11:12,060

no no it's this assist and then they

1845

01:11:15,169 --> 01:11:12,900

laugh

1846

01:11:16,669 --> 01:11:15,179

or they'll do something and we'll ask

1847

01:11:18,649 --> 01:11:16,679

them and say hey did you just do that

1848

01:11:21,590 --> 01:11:18,659

and instead of an answer you hear

1849

01:11:23,990 --> 01:11:21,600

laughter I'm not going to take that as a

1850

01:11:29,689 --> 01:11:27,169

okay and this is from Tina again do they

1851

01:11:31,790 --> 01:11:29,699

have laws and negative sanctions or

1852

01:11:34,130 --> 01:11:31,800

violations and do they have religion

1853

01:11:35,750 --> 01:11:34,140

that's a really good question it's a

1854

01:11:38,510 --> 01:11:35,760

phenomenal question they actually do

1855

01:11:39,890 --> 01:11:38,520

have their own laws they do have laws

1856

01:11:42,169 --> 01:11:39,900

that are supposed to go out throughout

1857

01:11:43,610 --> 01:11:42,179

the Clans but just like we have every we

1858

01:11:46,070 --> 01:11:43,620

have like our federal laws through the

1859

01:11:49,189 --> 01:11:46,080

states then we have our state laws which

1860

01:11:50,689 --> 01:11:49,199

can vary state to state it kind of works

1861

01:11:52,790 --> 01:11:50,699

like that with them in the Clans like

1862

01:11:54,770 --> 01:11:52,800

they do have a set of laws that their

1863

01:11:57,229 --> 01:11:54,780

people don't go against but at the same

1864

01:11:59,750 --> 01:11:57,239

time each individual Clan will create

1865

01:12:01,250 --> 01:11:59,760

their own laws as far as a religion to

1866

01:12:04,010 --> 01:12:01,260

say are they Catholic Protestant

1867

01:12:06,709 --> 01:12:04,020

methodists no but they all

1868

01:12:10,189 --> 01:12:06,719

believe that they are children of God

1869

01:12:11,810 --> 01:12:10,199

and or of Creator which is our God and

1870

01:12:14,510 --> 01:12:11,820

they have told us many different Clans

1871

01:12:16,430 --> 01:12:14,520

have told us to multiple people not just

1872

01:12:18,110 --> 01:12:16,440

myself and Pat

1873

01:12:20,330 --> 01:12:18,120

um that

1874

01:12:23,149 --> 01:12:20,340

they believe in creator

1875

01:12:25,250 --> 01:12:23,159

they answer to Creator and Creator is

1876

01:12:29,689 --> 01:12:25,260

the same as our God that we all have the

1877

01:12:32,689 --> 01:12:31,790

and you know just like we do have some

1878

01:12:36,169 --> 01:12:32,699

people

1879

01:12:37,669 --> 01:12:36,179

in our world that are perhaps an atheist

1880

01:12:39,530 --> 01:12:37,679

or whatever and have their own belief

1881

01:12:43,070 --> 01:12:39,540

system that may be different than ours

1882

01:12:44,510 --> 01:12:43,080

they do as well primarily they all

1883

01:12:46,490 --> 01:12:44,520

believe that they are children of God

1884

01:12:50,030 --> 01:12:46,500

and they are very religious and they do

1885

01:12:56,030 --> 01:12:53,510

do they have churches or like do they I

1886

01:12:58,130 --> 01:12:56,040

don't know there's no churches

1887

01:13:00,709 --> 01:12:58,140

you know that's a good question bring it

1888

01:13:02,270 --> 01:13:00,719

up because I don't know if they do or

1889

01:13:04,910 --> 01:13:02,280

they don't what I can tell you is what I

1890

01:13:07,189 --> 01:13:04,920

observed at my home in Michigan they had

1891

01:13:10,250 --> 01:13:07,199

built they brought in logs and they were

1892

01:13:12,110 --> 01:13:10,260

rectangular shape and inside this

1893

01:13:13,970 --> 01:13:12,120

rectangle they had various different

1894

01:13:16,130 --> 01:13:13,980

types of structures one was a TP

1895

01:13:17,630 --> 01:13:16,140

structure and they would go I would go

1896

01:13:19,669 --> 01:13:17,640

out and sit and watch them at night and

1897

01:13:22,910 --> 01:13:19,679

they would chant there and admit that

1898

01:13:25,149 --> 01:13:22,920

whole vibe of it was the feeling of what

1899

01:13:27,590 --> 01:13:25,159

I would get when I went to church

1900

01:13:30,649 --> 01:13:27,600

and there would be several that would

1901

01:13:32,450 --> 01:13:30,659

come every night and they would go into

1902

01:13:34,370 --> 01:13:32,460

this teepee chanting and they would

1903

01:13:36,050 --> 01:13:34,380

vanish so obviously the TP when I went

1904

01:13:38,030 --> 01:13:36,060

in there you could feel the energy

1905

01:13:39,590 --> 01:13:38,040

fluctuating in there so they would use

1906

01:13:41,630 --> 01:13:39,600

that as some type of a portal and not

1907

01:13:43,310 --> 01:13:41,640

all TPS do that it was just that you

1908

01:13:46,010 --> 01:13:43,320

know a few of them do

1909

01:13:47,630 --> 01:13:46,020

but they would go there and the entire

1910

01:13:48,649 --> 01:13:47,640

thing they would talk in their own

1911

01:13:50,990 --> 01:13:48,659

language

1912

01:13:53,689 --> 01:13:51,000

but everything about that felt like it

1913

01:13:56,450 --> 01:13:53,699

was they were going there to worship

1914

01:13:59,810 --> 01:13:56,460

okay that makes sense in the way too

1915

01:14:01,430 --> 01:13:59,820

that really does yeah because then there

1916

01:14:03,410 --> 01:14:01,440

are other religions that just say if you

1917

01:14:06,370 --> 01:14:03,420

walk in the woods that's basically that

1918

01:14:09,770 --> 01:14:06,380

can be your church your church

1919

01:14:11,689 --> 01:14:09,780

yeah and I haven't noticed that here but

1920

01:14:13,189 --> 01:14:11,699

I did notice that and but only at that

1921

01:14:14,930 --> 01:14:13,199

one house in Michigan I didn't notice

1922

01:14:16,310 --> 01:14:14,940

that at any other places I lived and

1923

01:14:18,290 --> 01:14:16,320

they've been around me everywhere I've

1924

01:14:20,930 --> 01:14:18,300

ever lived

1925

01:14:22,550 --> 01:14:20,940

and it could be just like you say that

1926

01:14:27,290 --> 01:14:22,560

it could be just like you say it could

1927

01:14:32,510 --> 01:14:29,390

exactly

1928

01:14:36,790 --> 01:14:32,520

okay let's see who's say let's I didn't

1929

01:14:43,010 --> 01:14:39,830

they believe in that higher power they

1930

01:14:45,290 --> 01:14:43,020

believe in Creator and they don't have

1931

01:14:46,850 --> 01:14:45,300

like I said there's no like a Catholic

1932

01:14:48,649 --> 01:14:46,860

or Protestant or whatever type of

1933

01:14:50,750 --> 01:14:48,659

religion because we are the ones that

1934

01:14:53,330 --> 01:14:50,760

created that so that doesn't have any

1935

01:14:55,070 --> 01:14:53,340

effect on them but they do believe in

1936

01:14:58,130 --> 01:14:55,080

the higher power and their higher power

1937

01:15:00,050 --> 01:14:58,140

is the creator which is also our God

1938

01:15:02,750 --> 01:15:00,060

so we're basically all worshipping the

1939

01:15:06,530 --> 01:15:05,090

Karen Peterson wants to know do you

1940

01:15:07,790 --> 01:15:06,540

think they can change their vibrational

1941

01:15:09,649 --> 01:15:07,800

frequency

1942

01:15:11,930 --> 01:15:09,659

oh definitely that's how they do things

1943

01:15:14,149 --> 01:15:11,940

when they go there's two things they do

1944

01:15:15,530 --> 01:15:14,159

the cloak and the Shimmer the Shimmer is

1945

01:15:18,110 --> 01:15:15,540

what looks like that Predator effect

1946

01:15:20,149 --> 01:15:18,120

like that gelled water that you see the

1947

01:15:22,130 --> 01:15:20,159

cloaking is completely transparent you

1948

01:15:24,050 --> 01:15:22,140

don't see them at all when they do this

1949

01:15:25,790 --> 01:15:24,060

they do it by bending light and the way

1950

01:15:29,149 --> 01:15:25,800

they bend the light is they raise their

1951

01:15:31,010 --> 01:15:29,159

vibrational frequency and energy and by

1952

01:15:32,930 --> 01:15:31,020

energy I don't mean your physical energy

1953

01:15:35,750 --> 01:15:32,940

like when you get up or when you go play

1954

01:15:37,790 --> 01:15:35,760

a game outside this is a different kind

1955

01:15:40,910 --> 01:15:37,800

of energy it's more of a spiritual type

1956

01:15:43,790 --> 01:15:40,920

energy and we all have it in our body

1957

01:15:46,130 --> 01:15:43,800

every one of us it doesn't matter if you

1958

01:15:48,470 --> 01:15:46,140

have chronic fatigue syndrome or whether

1959

01:15:51,649 --> 01:15:48,480

you are a high-powered athlete you all

1960

01:15:53,630 --> 01:15:51,659

have that energy base inside of you

1961

01:15:55,490 --> 01:15:53,640

where all our energy beans

1962

01:15:58,430 --> 01:15:55,500

and so it's different than a physical

1963

01:16:00,590 --> 01:15:58,440

energy but when they go to do various

1964

01:16:02,689 --> 01:16:00,600

things and especially their paranormal

1965

01:16:05,450 --> 01:16:02,699

abilities it's all done by raising that

1966

01:16:08,930 --> 01:16:05,460

vibrational frequency and their energy

1967

01:16:11,450 --> 01:16:08,940

it controls everything they do

1968

01:16:15,350 --> 01:16:14,030

and Karen there's a question from her

1969

01:16:17,330 --> 01:16:15,360

let's see

1970

01:16:19,189 --> 01:16:17,340

do you think the white residue they live

1971

01:16:21,110 --> 01:16:19,199

or what do you think the right residue

1972

01:16:23,570 --> 01:16:21,120

they leave behind is I wonder if it

1973

01:16:26,090 --> 01:16:23,580

plays a part for a camouflage

1974

01:16:27,770 --> 01:16:26,100

I don't my own personal feeling is it

1975

01:16:30,649 --> 01:16:27,780

doesn't play a part in the camouflage

1976

01:16:33,410 --> 01:16:30,659

but I wish I knew what that was and for

1977

01:16:35,510 --> 01:16:33,420

anybody that's ever encountered it it's

1978

01:16:37,430 --> 01:16:35,520

really crazy because they've done tree

1979

01:16:40,370 --> 01:16:37,440

drawings for me using that white residue

1980

01:16:43,490 --> 01:16:40,380

and at times they actually left some in

1981

01:16:45,350 --> 01:16:43,500

the day that we found that Pat found the

1982

01:16:46,970 --> 01:16:45,360

hand print on his pillow it that

1983

01:16:50,090 --> 01:16:46,980

handprint was made with that white

1984

01:16:53,030 --> 01:16:50,100

residue and it was almost like a powder

1985

01:16:54,709 --> 01:16:53,040

it had the consistency that you would

1986

01:16:57,169 --> 01:16:54,719

feel in powdered sugar

1987

01:16:58,669 --> 01:16:57,179

but it doesn't go away that pillow was

1988

01:17:02,630 --> 01:16:58,679

two years later before we could get it

1989

01:17:04,189 --> 01:17:02,640

to wash off but they also have that waxy

1990

01:17:06,830 --> 01:17:04,199

feeling

1991

01:17:08,330 --> 01:17:06,840

um on their their skin that when they

1992

01:17:11,390 --> 01:17:08,340

leave the fingerprints and stuff that's

1993

01:17:13,370 --> 01:17:11,400

why it's that waxy residue that white

1994

01:17:15,110 --> 01:17:13,380

powder I don't know why I never thought

1995

01:17:18,290 --> 01:17:15,120

to have it tested because they've left

1996

01:17:20,209 --> 01:17:18,300

it on a great many things here and I

1997

01:17:22,250 --> 01:17:20,219

just never thought to do it I I don't

1998

01:17:24,169 --> 01:17:22,260

know why I didn't if they put it in my

1999

01:17:25,790 --> 01:17:24,179

head not to have it tested and I know

2000

01:17:27,470 --> 01:17:25,800

other people have had the same feeling

2001
01:17:29,990 --> 01:17:27,480
you know why didn't we test it when we

2002
01:17:33,050 --> 01:17:30,000
had the chance so I don't know what it

2003
01:17:35,270 --> 01:17:33,060
is I do know what it feels like

2004
01:17:37,250 --> 01:17:35,280
yeah I was gonna ask you that you know

2005
01:17:39,590 --> 01:17:37,260
have you ever went to have it tested or

2006
01:17:42,110 --> 01:17:39,600
anything I did that I really didn't um

2007
01:17:44,570 --> 01:17:42,120
when they did it on the tree they drew a

2008
01:17:46,490 --> 01:17:44,580
teddy bear on a tree and then they drew

2009
01:17:48,590 --> 01:17:46,500
pictures floating

2010
01:17:52,330 --> 01:17:48,600
ET heads around a Sasquatch

2011
01:17:56,090 --> 01:17:52,340
and it didn't wash off with the rain

2012
01:17:58,550 --> 01:17:56,100
but yeah they went like I was out in the

2013
01:18:00,350 --> 01:17:58,560

woods when it happened and I walked by

2014

01:18:01,970 --> 01:18:00,360

the tree it wasn't there I turned around

2015

01:18:03,229 --> 01:18:01,980

because something told me to go back to

2016

01:18:07,189 --> 01:18:03,239

the tree and went back to the tree and

2017

01:18:08,990 --> 01:18:07,199

there it is so I took photos of it and I

2018

01:18:10,070 --> 01:18:09,000

went back on my walk thinking I'd go

2019

01:18:12,470 --> 01:18:10,080

back later

2020

01:18:14,390 --> 01:18:12,480

and it started to rain so as I went in

2021

01:18:15,649 --> 01:18:14,400

the house I saw it still on the tree it

2022

01:18:18,649 --> 01:18:15,659

didn't leave

2023

01:18:20,630 --> 01:18:18,659

and then I went back out after the rain

2024

01:18:22,490 --> 01:18:20,640

quit it was still there and 45 minutes

2025

01:18:24,530 --> 01:18:22,500

later I went back it was gone

2026

01:18:27,350 --> 01:18:24,540

and I know it doesn't wash away because

2027

01:18:28,850 --> 01:18:27,360

we tried to watch this pillow yeah we

2028

01:18:30,169 --> 01:18:28,860

couldn't get it off five years ago we

2029

01:18:31,790 --> 01:18:30,179

moved into this house and there's still

2030

01:18:33,410 --> 01:18:31,800

hand prints on the windows that were

2031

01:18:36,649 --> 01:18:33,420

here when we moved in that I can't get

2032

01:18:38,030 --> 01:18:36,659

off wow and they would leave it on our

2033

01:18:41,390 --> 01:18:38,040

cars and everything and you could go

2034

01:18:43,850 --> 01:18:41,400

through the car wash and you still

2035

01:18:45,970 --> 01:18:43,860

couldn't get it off

2036

01:18:48,530 --> 01:18:45,980

I wonder if it's something they like

2037

01:18:50,149 --> 01:18:48,540

excrete through their skin I think it is

2038

01:18:53,510 --> 01:18:50,159

I believe it's just part of their bat

2039

01:18:55,130 --> 01:18:53,520

the the waxy oily thing I think it

2040

01:18:57,110 --> 01:18:55,140

reminded me

2041

01:18:58,610 --> 01:18:57,120

of and I'm not saying that's what this

2042

01:19:02,450 --> 01:18:58,620

is but this is what it reminded me of

2043

01:19:05,229 --> 01:19:02,460

when you have a baby that waxy coating

2044

01:19:07,550 --> 01:19:05,239

that's over the baby when it's in utero

2045

01:19:09,229 --> 01:19:07,560

and if you have the baby and they wipe

2046

01:19:10,550 --> 01:19:09,239

it out that's what it reminds me of and

2047

01:19:13,490 --> 01:19:10,560

it's like they have it all over their

2048

01:19:14,750 --> 01:19:13,500

hands their skin everything and that I'm

2049

01:19:16,910 --> 01:19:14,760

not saying that's what it is I'm saying

2050

01:19:18,649 --> 01:19:16,920

that's what it reminds me of but this

2051
01:19:20,209 --> 01:19:18,659
white powder that everybody talks about

2052
01:19:21,890 --> 01:19:20,219
I don't know where they get it I don't

2053
01:19:23,530 --> 01:19:21,900
know how they get it but that's

2054
01:19:27,770 --> 01:19:23,540
different than the wax

2055
01:19:29,450 --> 01:19:27,780
and when I felt it it felt to me like

2056
01:19:31,550 --> 01:19:29,460
powdered sugar that was the closest

2057
01:19:33,770 --> 01:19:31,560
thing I could ever relay it to

2058
01:19:35,870 --> 01:19:33,780
I mean I also wonder too if it's like

2059
01:19:38,689 --> 01:19:35,880
they're marking their territory if it's

2060
01:19:41,510 --> 01:19:38,699
like a fair yeah I have no idea yeah

2061
01:19:43,910 --> 01:19:41,520
that's that's yeah I think they call it

2062
01:19:46,729 --> 01:19:43,920
that vernax the wax that is on the

2063
01:19:48,290 --> 01:19:46,739

babies but yeah yeah it was crazy I

2064

01:19:51,950 --> 01:19:48,300

can't remember it's been a long time

2065

01:19:54,950 --> 01:19:51,960

yeah my kids are all grown

2066

01:19:56,810 --> 01:19:54,960

I I have a almost five-year-old he'll be

2067

01:20:00,350 --> 01:19:56,820

five in September and then I'm due in

2068

01:20:03,350 --> 01:20:00,360

September so oh good for you

2069

01:20:06,950 --> 01:20:03,360

not yet no we're gonna find out soon

2070

01:20:08,870 --> 01:20:06,960

oh congratulations I have a guess of

2071

01:20:12,830 --> 01:20:08,880

what we're gonna have but until I'm 100

2072

01:20:18,050 --> 01:20:14,990

thank you congratulations

2073

01:20:20,810 --> 01:20:18,060

yeah we're we're excited we're nervous

2074

01:20:23,870 --> 01:20:20,820

but we're excited yeah

2075

01:20:26,750 --> 01:20:23,880

okay and so let me put this one that

2076

01:20:29,990 --> 01:20:26,760

profound wants to know do they sing yes

2077

01:20:33,050 --> 01:20:30,000

they actually do they they do

2078

01:20:35,149 --> 01:20:33,060

you know and they I hear them sometimes

2079

01:20:37,250 --> 01:20:35,159

because I sleep with my window open

2080

01:20:37,850 --> 01:20:37,260

always have

2081

01:20:40,250 --> 01:20:37,860

um

2082

01:20:41,570 --> 01:20:40,260

I mean there's a screen in it but I when

2083

01:20:43,130 --> 01:20:41,580

I lived in Michigan I didn't have a

2084

01:20:45,350 --> 01:20:43,140

screen in my cat towards the screen out

2085

01:20:46,669 --> 01:20:45,360

and I had my bed by the window and they

2086

01:20:48,770 --> 01:20:46,679

would reach their hand in at night and

2087

01:20:50,390 --> 01:20:48,780

they'd play with my hair and I'd wake up

2088

01:20:51,770 --> 01:20:50,400

in the morning with modern leaves in my

2089

01:20:54,110 --> 01:20:51,780

hair

2090

01:20:56,030 --> 01:20:54,120

um now where the bed's at we have two

2091

01:20:58,870 --> 01:20:56,040

windows and the bed isn't up against the

2092

01:21:01,790 --> 01:20:58,880

window but I keep the window open on one

2093

01:21:04,310 --> 01:21:01,800

with the screen in it and I can hear

2094

01:21:08,030 --> 01:21:04,320

them out there singing or chanting I

2095

01:21:11,810 --> 01:21:08,040

know when I've been extremely sick

2096

01:21:14,149 --> 01:21:11,820

um they show up and they chant

2097

01:21:15,470 --> 01:21:14,159

every when I get sick they go outside my

2098

01:21:17,390 --> 01:21:15,480

window and they chant and immediately

2099

01:21:19,610 --> 01:21:17,400

like within a matter of hours I start

2100

01:21:23,950 --> 01:21:19,620

feeling better but yeah they actually do

2101

01:21:27,830 --> 01:21:25,669

for you

2102

01:21:29,209 --> 01:21:27,840

well yeah it was for me and they do it

2103

01:21:31,550 --> 01:21:29,219

for a lot of other people is that it's

2104

01:21:32,810 --> 01:21:31,560

not just a me thing but I've actually

2105

01:21:34,189 --> 01:21:32,820

heard them out in the woods and you can

2106

01:21:35,630 --> 01:21:34,199

hear them singing I don't always

2107

01:21:37,490 --> 01:21:35,640

understand what they're saying but they

2108

01:21:39,290 --> 01:21:37,500

yeah they do

2109

01:21:40,910 --> 01:21:39,300

if somebody were out in the woods what

2110

01:21:42,530 --> 01:21:40,920

would it what would you link it to if

2111

01:21:44,090 --> 01:21:42,540

you could link it to something for

2112

01:21:46,610 --> 01:21:44,100

someone who's never encountered a

2113

01:21:48,350 --> 01:21:46,620

Bigfoot when it was in their language it

2114

01:21:51,530 --> 01:21:48,360

just sounded like

2115

01:21:53,990 --> 01:21:51,540

someone was saying but it was so fast

2116

01:21:56,149 --> 01:21:54,000

and the words all Blended together so

2117

01:21:59,229 --> 01:21:56,159

you couldn't make it out

2118

01:22:01,130 --> 01:21:59,239

but it sounded like a song it really did

2119

01:22:02,149 --> 01:22:01,140

you know

2120

01:22:05,090 --> 01:22:02,159

um

2121

01:22:06,890 --> 01:22:05,100

I have not really heard them do a whole

2122

01:22:08,330 --> 01:22:06,900

lot in English a little bit of one word

2123

01:22:11,450 --> 01:22:08,340

here or one word there that might be in

2124

01:22:13,729 --> 01:22:11,460

English but you can definitely tell it's

2125

01:22:15,770 --> 01:22:13,739

a song it's someone singing

2126

01:22:17,810 --> 01:22:15,780

I mean it's very evident when you hear

2127

01:22:20,689 --> 01:22:17,820

there's a beat to it there's a rhythm to

2128

01:22:22,610 --> 01:22:20,699

it so you absolutely know that that's

2129

01:22:25,570 --> 01:22:22,620

what they're doing

2130

01:22:28,550 --> 01:22:25,580

okay and one last question from Jose

2131

01:22:31,070 --> 01:22:28,560

common question Bigfoot experiencers say

2132

01:22:34,010 --> 01:22:31,080

that they smell really bad like blood or

2133

01:22:35,090 --> 01:22:34,020

Rotting Flesh I have not heard the blood

2134

01:22:38,570 --> 01:22:35,100

but I've

2135

01:22:39,530 --> 01:22:38,580

flesh yeah I've heard that before I will

2136

01:22:42,770 --> 01:22:39,540

say that

2137

01:22:45,830 --> 01:22:42,780

a lot of it is personal hygiene

2138

01:22:47,689 --> 01:22:45,840

most of them actually do not smell you

2139

01:22:50,570 --> 01:22:47,699

might smell a little bit of a dirt smell

2140

01:22:52,430 --> 01:22:50,580

but a pleasant smell it's clean we have

2141

01:22:55,010 --> 01:22:52,440

one here that we are exceptionally close

2142

01:22:56,990 --> 01:22:55,020

to and very blessed to have that came

2143

01:22:58,790 --> 01:22:57,000

with us from Michigan and Pat and I were

2144

01:23:00,229 --> 01:22:58,800

just talking about this the other day he

2145

01:23:02,450 --> 01:23:00,239

has a little bit of a dirt smell but

2146

01:23:05,270 --> 01:23:02,460

it's a clean smell

2147

01:23:06,890 --> 01:23:05,280

um they can if they are really wanting

2148

01:23:08,390 --> 01:23:06,900

to scare you or do whatever they can

2149

01:23:10,430 --> 01:23:08,400

turn it on and off but most of the time

2150

01:23:12,470 --> 01:23:10,440

it has a lot to do with personal hygiene

2151
01:23:14,689 --> 01:23:12,480
I've seen some

2152
01:23:15,770 --> 01:23:14,699
where they literally have feces hanging

2153
01:23:18,229 --> 01:23:15,780
off of them

2154
01:23:20,630 --> 01:23:18,239
you know and I have seen others that

2155
01:23:23,390 --> 01:23:20,640
they will brush their hair out Till It

2156
01:23:25,490 --> 01:23:23,400
Shines and just Immaculate you know

2157
01:23:27,530 --> 01:23:25,500
they'll they'll bathe

2158
01:23:30,649 --> 01:23:27,540
they have no problem with the water they

2159
01:23:32,630 --> 01:23:30,659
swim quite well and so you know they

2160
01:23:33,950 --> 01:23:32,640
will bathe when they have the babies the

2161
01:23:36,649 --> 01:23:33,960
first thing they want to do is get them

2162
01:23:38,090 --> 01:23:36,659
in the water and clean them off they are

2163
01:23:41,209 --> 01:23:38,100

not

2164

01:23:44,930 --> 01:23:41,219

a filthy human

2165

01:23:47,510 --> 01:23:44,940

you know but if you realize that in our

2166

01:23:49,130 --> 01:23:47,520

race of humans we have people that could

2167

01:23:50,330 --> 01:23:49,140

care less what their body odor is let's

2168

01:23:52,669 --> 01:23:50,340

be real

2169

01:23:54,709 --> 01:23:52,679

you know they don't bake

2170

01:23:56,330 --> 01:23:54,719

you know you go buy them and you want to

2171

01:23:58,130 --> 01:23:56,340

take a can of Febreze and just hose them

2172

01:24:00,169 --> 01:23:58,140

down or you know say walk by a hose

2173

01:24:01,430 --> 01:24:00,179

garden hose will hold you down it's the

2174

01:24:05,630 --> 01:24:01,440

same with them there's so many

2175

01:24:06,950 --> 01:24:05,640

similarities so I no I do I believe that

2176

01:24:11,169 --> 01:24:06,960

there are some that have smelled like

2177

01:24:14,930 --> 01:24:11,179

that I absolutely do yes 100 but again

2178

01:24:18,169 --> 01:24:14,940

it's not because it's a Bigfoot it is

2179

01:24:20,990 --> 01:24:18,179

because that individual has poor hygiene

2180

01:24:23,030 --> 01:24:21,000

or that individual may have just had a

2181

01:24:25,310 --> 01:24:23,040

kill and they've eaten and they have not

2182

01:24:27,530 --> 01:24:25,320

cleaned up yet it could be that they are

2183

01:24:29,810 --> 01:24:27,540

going to throw they project emotions and

2184

01:24:31,490 --> 01:24:29,820

smells at you and it doesn't mean that

2185

01:24:33,470 --> 01:24:31,500

they are the ones that smell like that

2186

01:24:35,870 --> 01:24:33,480

okay there's a difference in them

2187

01:24:38,630 --> 01:24:35,880

wearing that smell and then projecting

2188

01:24:41,270 --> 01:24:38,640

that smell there's a big difference and

2189

01:24:43,130 --> 01:24:41,280

they used to when you we'd go out in the

2190

01:24:44,990 --> 01:24:43,140

woods my ex-husband would go out in the

2191

01:24:46,310 --> 01:24:45,000

woods and he would smell coffee they

2192

01:24:49,450 --> 01:24:46,320

would follow him around with a coffee

2193

01:24:53,450 --> 01:24:49,460

smell so that's not a bad smell to smell

2194

01:24:56,330 --> 01:24:53,460

no no they can protect smells at you and

2195

01:24:59,169 --> 01:24:56,340

they can project emotions at you so

2196

01:25:03,229 --> 01:24:59,179

there is that big difference

2197

01:25:04,189 --> 01:25:03,239

so the other go ahead oh go ahead eat

2198

01:25:06,050 --> 01:25:04,199

ahead

2199

01:25:08,090 --> 01:25:06,060

now the other night

2200

01:25:09,649 --> 01:25:08,100

Pat and I were laying here and I think

2201

01:25:11,810 --> 01:25:09,659

it was last night you know two nights

2202

01:25:14,630 --> 01:25:11,820

ago we were laying in bed and we were

2203

01:25:17,450 --> 01:25:14,640

watching TV and this horrifying smell

2204

01:25:19,310 --> 01:25:17,460

was like a wet dog swamp smell just

2205

01:25:20,570 --> 01:25:19,320

wafted in the window and Pat looks at me

2206

01:25:23,030 --> 01:25:20,580

and I'm looking at him I'm like I'm

2207

01:25:24,470 --> 01:25:23,040

gonna gag and I made the comment I said

2208

01:25:27,050 --> 01:25:24,480

I don't know who's out there but like

2209

01:25:29,630 --> 01:25:27,060

cut it back this is bad and the smell

2210

01:25:33,110 --> 01:25:29,640

instantly went away like immediately was

2211

01:25:35,149 --> 01:25:33,120

gone and like 20 minutes later the smell

2212

01:25:37,550 --> 01:25:35,159

came back and I said I don't find that

2213

01:25:39,590 --> 01:25:37,560

funny and I hear laughter in my head and

2214

01:25:41,450 --> 01:25:39,600

then the smell went away again so they

2215

01:25:42,950 --> 01:25:41,460

can turn it on and off they know what

2216

01:25:45,110 --> 01:25:42,960

they're doing

2217

01:25:47,270 --> 01:25:45,120

so say you're in the woods and you get

2218

01:25:50,570 --> 01:25:47,280

like this uneasy feeling could that be

2219

01:25:53,930 --> 01:25:50,580

them projecting absolutely when you go

2220

01:25:56,270 --> 01:25:53,940

get you out there yes when you go people

2221

01:25:57,530 --> 01:25:56,280

will say you know they contact me all

2222

01:25:58,970 --> 01:25:57,540

the time and they're like oh they did

2223

01:26:01,669 --> 01:25:58,980

this thing and I'm terrified I'm like

2224

01:26:05,689 --> 01:26:01,679

okay did they physically touch you no

2225

01:26:06,950 --> 01:26:05,699

did they hit you with a log no okay what

2226

01:26:08,810 --> 01:26:06,960

did they do well they yelled and they

2227

01:26:10,270 --> 01:26:08,820

waved their hands in the air first of

2228

01:26:12,410 --> 01:26:10,280

all that means surrender in our military

2229

01:26:14,810 --> 01:26:12,420

when their hands are waving in the air

2230

01:26:16,970 --> 01:26:14,820

that surrender that's not being mean

2231

01:26:18,590 --> 01:26:16,980

they are steering you away from a

2232

01:26:20,450 --> 01:26:18,600

situation either you're too close to

2233

01:26:23,390 --> 01:26:20,460

their family you're too close to where

2234

01:26:25,310 --> 01:26:23,400

they're hunting or and I find this in at

2235

01:26:27,530 --> 01:26:25,320

least 50 percent of the cases once I

2236

01:26:29,030 --> 01:26:27,540

talk with that individual there was a

2237

01:26:31,129 --> 01:26:29,040

bear there was a cougar there was

2238

01:26:31,970 --> 01:26:31,139

something that could have harmed our

2239

01:26:34,310 --> 01:26:31,980

human

2240

01:26:36,709 --> 01:26:34,320

and they're trying to steer you away so

2241

01:26:38,330 --> 01:26:36,719

there are signs to listen to they will

2242

01:26:40,070 --> 01:26:38,340

also do what they call the wall of fear

2243

01:26:42,649 --> 01:26:40,080

which is they take that that fear

2244

01:26:44,930 --> 01:26:42,659

emotion and they project it onto you and

2245

01:26:46,490 --> 01:26:44,940

that's why you get that feeling so if

2246

01:26:48,110 --> 01:26:46,500

you go out in the woods and you're out

2247

01:26:50,149 --> 01:26:48,120

there and you feel at peace and you feel

2248

01:26:52,970 --> 01:26:50,159

comfortable that's your cue that you're

2249

01:26:55,910 --> 01:26:52,980

okay if you get that feeling of dread of

2250

01:26:58,370 --> 01:26:55,920

nervousness something whether it's a

2251

01:27:01,390 --> 01:26:58,380

Bigfoot a Dogman a cat person a goat man

2252

01:27:03,830 --> 01:27:01,400

whatever is out there they're giving you

2253

01:27:05,990 --> 01:27:03,840

that to let you know that you are no

2254

01:27:07,790 --> 01:27:06,000

longer in a safe place whether it's from

2255

01:27:10,010 --> 01:27:07,800

them or something else they don't

2256

01:27:11,149 --> 01:27:10,020

normally there are you know like ugly

2257

01:27:13,070 --> 01:27:11,159

and stuff that want to kill everybody

2258

01:27:15,950 --> 01:27:13,080

but

2259

01:27:18,110 --> 01:27:15,960

they normally would just as soon get you

2260

01:27:21,649 --> 01:27:18,120

to move away from them than have to have

2261

01:27:23,870 --> 01:27:21,659

that altercation so we need to listen to

2262

01:27:26,810 --> 01:27:23,880

the signs feel the signs if that energy

2263

01:27:28,010 --> 01:27:26,820

shifts and you go from great to not so

2264

01:27:30,530 --> 01:27:28,020

great

2265

01:27:31,850 --> 01:27:30,540

don't sit there and think that well I'm

2266

01:27:33,590 --> 01:27:31,860

bigger and tougher I'm going to go out

2267

01:27:35,330 --> 01:27:33,600

there and follow them around they're

2268

01:27:37,189 --> 01:27:35,340

being kind to you by giving you that so

2269

01:27:39,010 --> 01:27:37,199

that you know enough to leave take your

2270

01:27:42,649 --> 01:27:39,020

cue and simply walk away

2271

01:27:44,450 --> 01:27:42,659

exactly yeah I I've had that fear a few

2272

01:27:46,070 --> 01:27:44,460

times and I've you know wandered around

2273

01:27:48,110 --> 01:27:46,080

the woods and I just turned around and

2274

01:27:50,450 --> 01:27:48,120

walked back but it just came out so

2275

01:27:51,950 --> 01:27:50,460

sudden I'm like I've been here before I

2276

01:27:53,390 --> 01:27:51,960

you know it's because something was

2277

01:27:55,010 --> 01:27:53,400

there that didn't want you there at that

2278

01:27:58,430 --> 01:27:55,020

time doesn't mean you can't go back

2279

01:28:00,830 --> 01:27:58,440

later right a mutual friend of dukes and

2280

01:28:02,270 --> 01:28:00,840

I he went out to an area that he

2281

01:28:05,030 --> 01:28:02,280

normally goes and always has been

2282

01:28:07,970 --> 01:28:05,040

peaceful and it felt terrible just felt

2283

01:28:09,770 --> 01:28:07,980

awful so he left and he called me and he

2284

01:28:11,450 --> 01:28:09,780

said you know I mean that's my area

2285

01:28:13,070 --> 01:28:11,460

that's where I always go it's always so

2286

01:28:15,649 --> 01:28:13,080

good now it's not and I'm like give it

2287

01:28:17,030 --> 01:28:15,659

two weeks let's give it two weeks to let

2288

01:28:18,590 --> 01:28:17,040

whatever was going on you could have

2289

01:28:20,629 --> 01:28:18,600

just been there at the wrong place wrong

2290

01:28:23,030 --> 01:28:20,639

time he went back in two weeks he had an

2291

01:28:25,070 --> 01:28:23,040

encounter and that was peaceful that was

2292

01:28:27,050 --> 01:28:25,080

loving and that he enjoyed

2293

01:28:31,250 --> 01:28:27,060

yeah

2294

01:28:33,470 --> 01:28:31,260

listen to those too those feelings

2295

01:28:36,229 --> 01:28:33,480

because like you said you never know why

2296

01:28:39,590 --> 01:28:36,239

you're feeling it too exactly absolutely

2297

01:28:40,610 --> 01:28:39,600

I have one last question and because it

2298

01:28:42,770 --> 01:28:40,620

seemed like a good one because I've

2299

01:28:44,270 --> 01:28:42,780

never heard of this Davey Jones Locker

2300

01:28:46,430 --> 01:28:44,280

wants to know what is the reason for

2301

01:28:49,250 --> 01:28:46,440

tagging

2302

01:28:52,250 --> 01:28:49,260

um it varies it can be that they like

2303

01:28:54,410 --> 01:28:52,260

you they like the energy you radiate

2304

01:28:56,570 --> 01:28:54,420

and the tagging is more of just a

2305

01:28:57,770 --> 01:28:56,580

connection that they make with you and

2306

01:29:00,410 --> 01:28:57,780

if they like you they're going to follow

2307

01:29:01,850 --> 01:29:00,420

you but in the same regards if you have

2308

01:29:03,290 --> 01:29:01,860

gone somewhere and you've ignored all

2309

01:29:04,970 --> 01:29:03,300

their signs and now you're in an area

2310

01:29:06,530 --> 01:29:04,980

where you could be a possible threat to

2311

01:29:07,729 --> 01:29:06,540

them you're going to get tagged and

2312

01:29:09,169 --> 01:29:07,739

they're going to follow you home to keep

2313

01:29:11,030 --> 01:29:09,179

an eye on you to make sure that you're

2314

01:29:12,410 --> 01:29:11,040

not going to come back and you're going

2315

01:29:14,330 --> 01:29:12,420

to hurt their families you're not going

2316

01:29:16,850 --> 01:29:14,340

to hurt their children and it's a

2317

01:29:18,830 --> 01:29:16,860

protection thing but more times than

2318

01:29:20,450 --> 01:29:18,840

that that tagging is they actually like

2319

01:29:21,830 --> 01:29:20,460

you and they're watching you just like

2320

01:29:23,450 --> 01:29:21,840

we go out and look for them they're out

2321

01:29:26,270 --> 01:29:23,460

here looking at us

2322

01:29:28,129 --> 01:29:26,280

right and just like Duke had said when

2323

01:29:30,790 --> 01:29:28,139

he was on you know they had been

2324

01:29:32,590 --> 01:29:30,800

protected I think by a from a bear

2325

01:29:34,669 --> 01:29:32,600

absolutely

2326

01:29:35,470 --> 01:29:34,679

something wrong with

2327

01:29:39,890 --> 01:29:35,480

them

2328

01:29:41,750 --> 01:29:39,900

something wrong in its mind and that it

2329

01:29:44,270 --> 01:29:41,760

was a threat and that they had ran it

2330

01:29:45,410 --> 01:29:44,280

off so that Duke and who he was with at

2331

01:29:47,510 --> 01:29:45,420

the time

2332

01:29:49,189 --> 01:29:47,520

um were safe that he they wanted them to

2333

01:29:51,410 --> 01:29:49,199

know that they were safe

2334

01:29:53,570 --> 01:29:51,420

you know and I feel bad for them there

2335

01:29:55,370 --> 01:29:53,580

too I feel bad for any animal I'm just

2336

01:29:57,290 --> 01:29:55,380

well they didn't yeah I feel bad I mean

2337

01:29:58,729 --> 01:29:57,300

they didn't kill it they just ran it out

2338

01:30:01,970 --> 01:29:58,739

of the area

2339

01:30:04,070 --> 01:30:01,980

yeah that's what he had said we have all

2340

01:30:06,470 --> 01:30:04,080

these venomous snakes here my neighbor

2341

01:30:08,030 --> 01:30:06,480

gets a ton of them on her side my other

2342

01:30:11,450 --> 01:30:08,040

neighbor on the other side of me gets a

2343

01:30:13,910 --> 01:30:11,460

ton of them I rarely get them doesn't

2344

01:30:16,370 --> 01:30:13,920

mean I can't one might sneak by now and

2345

01:30:19,430 --> 01:30:16,380

then but I in the five years I've been

2346

01:30:21,830 --> 01:30:19,440

here I had one black snake rat snake

2347

01:30:23,689 --> 01:30:21,840

which isn't is harmless getting in a

2348

01:30:26,030 --> 01:30:23,699

garage and I got him out of there and we

2349

01:30:28,430 --> 01:30:26,040

had one small rattlesnake that went

2350

01:30:30,590 --> 01:30:28,440

under the air conditioner and that one

2351
01:30:32,030 --> 01:30:30,600
left we had one that my neighbor called

2352
01:30:33,709 --> 01:30:32,040
and said it was about six seven foot

2353
01:30:37,070 --> 01:30:33,719
long was coming across her property

2354
01:30:39,649 --> 01:30:37,080
towards my yard never came into the yard

2355
01:30:40,850 --> 01:30:39,659
my husband stood out there and looked

2356
01:30:43,250 --> 01:30:40,860
for it because he was going to shoot it

2357
01:30:45,229 --> 01:30:43,260
if he saw it never came on the property

2358
01:30:46,550 --> 01:30:45,239
I mean I but I always ask please keep

2359
01:30:48,770 --> 01:30:46,560
the snakes out of here you know I have

2360
01:30:50,570 --> 01:30:48,780
pets I have this eye or that so they've

2361
01:30:51,950 --> 01:30:50,580
been very kind to me that doesn't mean

2362
01:30:53,990 --> 01:30:51,960
it's foolproof but they've been very

2363
01:30:56,450 --> 01:30:54,000

kind in helping keep them away

2364

01:30:57,890 --> 01:30:56,460

all right and oh my gosh you have a very

2365

01:31:04,510 --> 01:30:57,900

good husband who would do that to a

2366

01:31:09,470 --> 01:31:06,890

the bigfoots keep the snakes away for me

2367

01:31:10,729 --> 01:31:09,480

but when that steak went in there

2368

01:31:12,169 --> 01:31:10,739

um my neighbor had said you know get

2369

01:31:13,729 --> 01:31:12,179

like Diesel and you put it on your

2370

01:31:15,649 --> 01:31:13,739

property line so they don't cross that

2371

01:31:17,510 --> 01:31:15,659

so I said okay you get to be on snake

2372

01:31:19,189 --> 01:31:17,520

Duty so he stayed up on the porch I said

2373

01:31:21,290 --> 01:31:19,199

I don't want you going off the porch and

2374

01:31:23,390 --> 01:31:21,300

so God bless this man he stood on the

2375

01:31:25,430 --> 01:31:23,400

porch and watched it in case it came out

2376

01:31:26,810 --> 01:31:25,440

he was going to shoot it for me but it

2377

01:31:28,850 --> 01:31:26,820

never came it never came into the

2378

01:31:30,590 --> 01:31:28,860

property well that's good that you have

2379

01:31:32,390 --> 01:31:30,600

them protecting your property too that

2380

01:31:34,970 --> 01:31:32,400

really is because you and I talked

2381

01:31:36,590 --> 01:31:34,980

before I hate snakes I just no that's

2382

01:31:39,050 --> 01:31:36,600

one of my biggest I don't mind the

2383

01:31:41,090 --> 01:31:39,060

non-venomous ones it's the venomous ones

2384

01:31:43,070 --> 01:31:41,100

that I have the issue with

2385

01:31:45,229 --> 01:31:43,080

um they do a pretty good job of keeping

2386

01:31:46,669 --> 01:31:45,239

you safe if I have you know because I

2387

01:31:48,950 --> 01:31:46,679

get bothered by the government now and

2388

01:31:50,810 --> 01:31:48,960

then and they'll warn me they'll say the

2389

01:31:52,729 --> 01:31:50,820

bad men are coming to look for you

2390

01:31:54,649 --> 01:31:52,739

and I'm like okay and they've warned me

2391

01:31:58,310 --> 01:31:54,659

and they they did when I had one show up

2392

01:32:00,169 --> 01:31:58,320

here and you know so they are pretty

2393

01:32:02,510 --> 01:32:00,179

good about keeping an eye on me they you

2394

01:32:04,189 --> 01:32:02,520

know it's not foolproof like the bad ET

2395

01:32:06,169 --> 01:32:04,199

Sometimes they come in almost in a

2396

01:32:07,550 --> 01:32:06,179

hologram form and so there's no warning

2397

01:32:08,930 --> 01:32:07,560

and they just show up and then things

2398

01:32:10,490 --> 01:32:08,940

happen but

2399

01:32:15,910 --> 01:32:10,500

um normally they keep a pretty good

2400

01:32:21,470 --> 01:32:19,129

yeah my my snake fear like it was a when

2401

01:32:23,570 --> 01:32:21,480

I was little it was a garter snake or a

2402

01:32:25,189 --> 01:32:23,580

garden snake and every summer it would

2403

01:32:27,709 --> 01:32:25,199

be at the foot of these stairs from our

2404

01:32:29,570 --> 01:32:27,719

house and it would move from my mom it

2405

01:32:32,390 --> 01:32:29,580

would not move for me

2406

01:32:34,370 --> 01:32:32,400

I was just terrified of it and she would

2407

01:32:36,649 --> 01:32:34,380

be like you know just try to like jump

2408

01:32:39,050 --> 01:32:36,659

out it wasn't that big I'm like no I had

2409

01:32:41,649 --> 01:32:39,060

this the guttural fear of it and I would

2410

01:32:45,350 --> 01:32:41,659

not go down the steps if it was there so

2411

01:32:47,570 --> 01:32:45,360

yeah so yeah so do you want to tell

2412

01:32:50,390 --> 01:32:47,580

everyone where they can find you

2413

01:32:53,470 --> 01:32:50,400

sure if anybody wants to reach me I'm on

2414

01:32:55,610 --> 01:32:53,480

Facebook but I'm under Robin Haynes

2415

01:32:58,310 --> 01:32:55,620

h-a-y-n-e-s McRae if you go to Just

2416

01:33:00,229 --> 01:32:58,320

Robin McRae I will never get it it's an

2417

01:33:03,229 --> 01:33:00,239

old account I can't even get into it so

2418

01:33:07,970 --> 01:33:03,239

it's Robin Haynes McRae if you want to

2419

01:33:09,590 --> 01:33:07,980

email me my email is r l y n n e and a

2420

01:33:11,770 --> 01:33:09,600

period if you don't put the period And I

2421

01:33:17,030 --> 01:33:11,780

don't get it and then Forrest

2422

01:33:20,450 --> 01:33:17,040

f-o-r-e-s-t people p-e-o-p-l-e gmail.com

2423

01:33:22,610 --> 01:33:20,460

okay and what are you having any

2424

01:33:25,850 --> 01:33:22,620

um conventions coming up conferences

2425

01:33:27,590 --> 01:33:25,860

coming up this weekend I will be in

2426

01:33:29,870 --> 01:33:27,600

Dillard Georgia Pat and I both are

2427

01:33:30,830 --> 01:33:29,880

speaking at the Georgia Bigfoot

2428

01:33:35,330 --> 01:33:30,840

Conference

2429

01:33:38,270 --> 01:33:35,340

and then um on the 21st and 22nd of

2430

01:33:41,629 --> 01:33:38,280

April I will be at the Nebraska

2431

01:33:43,550 --> 01:33:41,639

conference in Hastings as well as will

2432

01:33:47,209 --> 01:33:43,560

Duke Sullivan World Bigfoot radio

2433

01:33:48,709 --> 01:33:47,219

William Lunsford Stephen Hill Blaine

2434

01:33:50,390 --> 01:33:48,719

Tyler will not be speaking but he will

2435

01:33:52,729 --> 01:33:50,400

be there to speak to people and guests

2436

01:33:53,990 --> 01:33:52,739

Christy sci-fi also is not speaking this

2437

01:33:55,310 --> 01:33:54,000

year but she will be there to greet

2438

01:33:57,470 --> 01:33:55,320

people and talk to people if anybody

2439

01:33:59,570 --> 01:33:57,480

want to talk to her

2440

01:34:02,330 --> 01:33:59,580

um we'll have Don Monroe Ken Collins

2441

01:34:04,850 --> 01:34:02,340

will be there Keith Crabtree will be

2442

01:34:08,209 --> 01:34:04,860

there we have Lyle Blackburn will be

2443

01:34:11,090 --> 01:34:08,219

there so we've got um Alan mcgargel and

2444

01:34:13,129 --> 01:34:11,100

Ron Meyer will have a new film out

2445

01:34:16,189 --> 01:34:13,139

and we are also supposedly going to be

2446

01:34:18,290 --> 01:34:16,199

showing the Legend of Boggy Creek so we

2447

01:34:24,129 --> 01:34:18,300

have two movies on Friday night

2448

01:34:28,129 --> 01:34:26,570

we have a blast

2449

01:34:31,129 --> 01:34:28,139

um so you can go online to Nebraska

2450

01:34:33,830 --> 01:34:31,139

Bigfoot Conference 2023 if you want to

2451

01:34:36,290 --> 01:34:33,840

buy online tickets before the door they

2452

01:34:38,330 --> 01:34:36,300

are five dollars more ticket once you

2453

01:34:39,950 --> 01:34:38,340

get at the door so it's cheaper to get

2454

01:34:42,050 --> 01:34:39,960

it online but yeah we encourage

2455

01:34:44,390 --> 01:34:42,060

everybody to come we have a great time

2456

01:34:46,610 --> 01:34:44,400

gonna be a ton of vendors like we've got

2457

01:34:48,169 --> 01:34:46,620

a lot of vendors this year we're trying

2458

01:34:50,149 --> 01:34:48,179

to total up the vendor table and I've

2459

01:34:52,669 --> 01:34:50,159

still got people wanting tables so

2460

01:34:55,129 --> 01:34:52,679

oh wow it really does sound like it's

2461

01:34:57,229 --> 01:34:55,139

gonna be a good and also Melvin

2462

01:35:00,649 --> 01:34:57,239

Catherine has the cryptic Genome Project

2463

01:35:02,629 --> 01:35:00,659

out go on her Dr Melba Ketchum page on

2464

01:35:04,850 --> 01:35:02,639

Facebook and the details on it if you

2465

01:35:06,350 --> 01:35:04,860

want to donate to it definitely suggest

2466

01:35:08,209 --> 01:35:06,360

you do we've got a lot of good things

2467

01:35:09,110 --> 01:35:08,219

coming up with that and a few surprises

2468

01:35:11,390 --> 01:35:09,120

in store

2469

01:35:13,010 --> 01:35:11,400

oh boy that sounds interesting you have

2470

01:35:14,209 --> 01:35:13,020

to send me the link I'll I'll be more

2471

01:35:15,530 --> 01:35:14,219

than happy to take a look at it and

2472

01:35:17,570 --> 01:35:15,540

share it on my Instagram I will

2473

01:35:20,990 --> 01:35:17,580

absolutely send that to you if you just

2474

01:35:23,270 --> 01:35:21,000

go on Facebook on Melba Ketchum if you

2475

01:35:26,209 --> 01:35:23,280

are on Facebook Bernadette I can send

2476

01:35:28,490 --> 01:35:26,219

you the link to the GoFundMe for it okay

2477

01:35:29,990 --> 01:35:28,500

like I said we're hoping we've been

2478

01:35:31,430 --> 01:35:30,000

trying to pull this off for a couple

2479

01:35:33,770 --> 01:35:31,440

weeks now but we do have a very big

2480

01:35:35,450 --> 01:35:33,780

surprise for everybody that we hope they

2481

01:35:37,010 --> 01:35:35,460

all enjoy and hopefully we'll have that

2482

01:35:37,790 --> 01:35:37,020

out for everybody within next week or

2483

01:35:39,590 --> 01:35:37,800

two

2484

01:35:41,390 --> 01:35:39,600

oh that sounds interesting I hope I'm

2485

01:35:43,070 --> 01:35:41,400

able to see it

2486

01:35:45,050 --> 01:35:43,080

um you will think it will be where

2487

01:35:47,510 --> 01:35:45,060

everybody can see it trust me okay

2488

01:35:48,950 --> 01:35:47,520

perfect thank you so much again Robin I

2489

01:35:52,070 --> 01:35:48,960

truly appreciate it thank you so much

2490

01:35:55,129 --> 01:35:52,080

for having me back definitely anytime

2491

01:35:58,450 --> 01:35:55,139

all right you have a good night bye take

2492

01:36:03,770 --> 01:36:01,729

all right Evelyn thank you so much for

2493

01:36:06,410 --> 01:36:03,780

being here and thank you for putting up

2494

01:36:10,970 --> 01:36:06,420

with me and my learning how to produce

2495

01:36:13,010 --> 01:36:10,980

tonight and so let's see next week I do

2496

01:36:15,050 --> 01:36:13,020

not have my guests line up for next week

2497

01:36:16,910 --> 01:36:15,060

so I'm a little embarrassed about that

2498

01:36:19,850 --> 01:36:16,920

but it's going to be a great show

2499

01:36:22,910 --> 01:36:19,860

tomorrow night lawn is back again we are

2500

01:36:26,270 --> 01:36:22,920

excited for his show and he will be on

2501

01:36:28,170 --> 01:36:26,280
at 9pm and we'll see you then

2502

01:37:12,970 --> 01:36:28,180
have a good night everyone
