I've done my last reading uh then I

37  
00:02:09,109 --> 00:02:06,479  
won't miss anything because it's going

38  
00:02:10,490 --> 00:02:09,119

to be I'm kind of soloing night and uh

39

00:02:13,190 --> 00:02:10,500

it's kind of hard for me to keep an eye

40

00:02:15,770 --> 00:02:13,200

on everything so uh if you can do that

41

00:02:17,390 --> 00:02:15,780

for me I'll try to get to it as soon as

42

00:02:19,190 --> 00:02:17,400

I can

43

00:02:21,830 --> 00:02:19,200

so again thanks for joining me this

44

00:02:23,030 --> 00:02:21,840

evening I I hope I'm sounding okay to

45

00:02:27,110 --> 00:02:23,040

everybody

46

00:02:30,589 --> 00:02:27,120

and uh we'll go from here

47

00:02:33,589 --> 00:02:30,599

so the the first account

48

00:02:35,809 --> 00:02:33,599

was a young woman who was um

49

00:02:39,650 --> 00:02:35,819

actually out in on the in the evening

50

00:02:42,050 --> 00:02:39,660

selling cable and Wi-Fi services

51  
00:02:44,390 --> 00:02:42,060  
all right to customers in their homes at

52  
00:02:45,350 --> 00:02:44,400  
Cape May New Jersey

53  
00:02:48,229 --> 00:02:45,360  
um

54  
00:02:50,030 --> 00:02:48,239  
she then unexpectedly encountered a huge

55  
00:02:53,530 --> 00:02:50,040  
canine like Cryptid

56  
00:02:58,670 --> 00:02:53,540  
so this was what was forward to me

57  
00:03:01,790 --> 00:02:58,680  
so to begin this story happens in 2018

58  
00:03:03,830 --> 00:03:01,800  
I arrived in this small rural town near

59  
00:03:05,930 --> 00:03:03,840  
Cape May New Jersey

60  
00:03:08,390 --> 00:03:05,940  
the company I was working for at the

61  
00:03:11,570 --> 00:03:08,400  
time was sending me out to go door to

62  
00:03:14,270 --> 00:03:11,580  
door advertising cable and Wi-Fi that

63  
00:03:16,430 --> 00:03:14,280

they wanted me to sell

64

00:03:19,490 --> 00:03:16,440

I was getting weird Vibes all throughout

65

00:03:21,830 --> 00:03:19,500

the day as the town itself is very small

66

00:03:24,890 --> 00:03:21,840

and a bit creepy with people staring at

67

00:03:27,170 --> 00:03:24,900

me or giving me cold shoulder for the

68

00:03:29,990 --> 00:03:27,180

entire day it seemed like a lot of town

69

00:03:32,149 --> 00:03:30,000

spokes that I encountered that day were

70

00:03:34,970 --> 00:03:32,159

on edge and it was a weird tense

71

00:03:37,729 --> 00:03:34,980

atmosphere that I Shrugged off as people

72

00:03:39,110 --> 00:03:37,739

are weirded all the time so I continued

73

00:03:41,030 --> 00:03:39,120

doing my job

74

00:03:42,890 --> 00:03:41,040

chugging a Red Bull to keep me going

75

00:03:45,949 --> 00:03:42,900

which didn't affect me at all

76

00:03:47,990 --> 00:03:45,959

surprisingly uh besides the weird

77

00:03:50,570 --> 00:03:48,000

atmosphere the scenery it was actually

78

00:03:51,830 --> 00:03:50,580

quite pretty once you got off the main

79

00:03:54,710 --> 00:03:51,840

route

80

00:03:57,430 --> 00:03:54,720

I had to stop at several streets and

81

00:04:00,649 --> 00:03:57,440

some were in the woods is so long

82

00:04:02,570 --> 00:04:00,659

somewhere in the woods on Long seemingly

83

00:04:03,530 --> 00:04:02,580

beautiful endless Road those are quite

84

00:04:06,229 --> 00:04:03,540

scenic

85

00:04:09,710 --> 00:04:06,239

so just Before Sunset

86

00:04:13,190 --> 00:04:09,720

I was scheduled to visit a few houses on

87

00:04:15,530 --> 00:04:13,200

a small Peninsula peninsula

88

00:04:17,289 --> 00:04:15,540

to get to the peninsula you know you

89

00:04:20,990 --> 00:04:17,299

know I actually know where that's at too

90

00:04:23,450 --> 00:04:21,000

uh you had to go down a very long road

91

00:04:26,150 --> 00:04:23,460

past the summer camp area past the

92

00:04:27,950 --> 00:04:26,160

trailer park past the woods and then you

93

00:04:30,890 --> 00:04:27,960

finally find yourself in a small open

94

00:04:34,249 --> 00:04:30,900

area with a bay marsh and a couple small

95

00:04:36,409 --> 00:04:34,259

expensive houses and Shore access

96

00:04:38,450 --> 00:04:36,419

now the houses were so close to the

97

00:04:40,730 --> 00:04:38,460

water it seemed to be a code violation

98

00:04:42,650 --> 00:04:40,740

but I'm sure they were built to

99

00:04:44,150 --> 00:04:42,660

withstand storms since they look very

100

00:04:47,150 --> 00:04:44,160

expensive

101  
00:04:51,350 --> 00:04:47,160  
now every house had its own theme and

102  
00:04:53,689 --> 00:04:51,360  
the area was mostly deserted uh only one

103  
00:04:56,390 --> 00:04:53,699  
house had someone inside whom I had

104  
00:04:59,150 --> 00:04:56,400  
talked to after knocking on his door

105  
00:05:01,129 --> 00:04:59,160  
I also I was also distracted looking at

106  
00:05:04,550 --> 00:05:01,139  
the houses and scenery that I didn't

107  
00:05:07,790 --> 00:05:04,560  
notice how fast Sunset was approaching

108  
00:05:09,710 --> 00:05:07,800  
I came to the realization that I should

109  
00:05:12,770 --> 00:05:09,720  
start heading back to avoid being alone

110  
00:05:16,430 --> 00:05:12,780  
on that long deserted pathway in the

111  
00:05:18,170 --> 00:05:16,440  
woods as a smaller female I've never I'm

112  
00:05:21,050 --> 00:05:18,180  
never comfortable at for dark in

113  
00:05:22,010 --> 00:05:21,060

isolated places especially without cell

114

00:05:24,770 --> 00:05:22,020

service

115

00:05:26,870 --> 00:05:24,780

I was making my way down the path so far

116

00:05:29,090 --> 00:05:26,880

so good as it was complete wasn't

117

00:05:31,129 --> 00:05:29,100

completely dark yet

118

00:05:32,990 --> 00:05:31,139

now as I approached the wooded area of

119

00:05:34,909 --> 00:05:33,000

the road I was walking a bit faster

120

00:05:37,969 --> 00:05:34,919

since there were no street lights and

121

00:05:40,730 --> 00:05:37,979

the sunset was rapidly disappearing

122

00:05:42,290 --> 00:05:40,740

now as I walked at a decently Fast Pace

123

00:05:44,990 --> 00:05:42,300

I noticed something

124

00:05:46,850 --> 00:05:45,000

now the woods were really quiet all the

125

00:05:49,909 --> 00:05:46,860

life that I was hearing before was gone

126

00:05:51,890 --> 00:05:49,919

the Crickets Birds pure silence

127

00:05:53,930 --> 00:05:51,900

I stopped in my tracks and got the

128

00:05:56,810 --> 00:05:53,940

chills down my spine as I felt the

129

00:05:59,390 --> 00:05:56,820

feeling that I was being watched

130

00:06:02,029 --> 00:05:59,400

I looked around the dark woods for any

131

00:06:04,189 --> 00:06:02,039

sudden movements and then like clockwork

132

00:06:07,270 --> 00:06:04,199

something up ahead made its way out of

133

00:06:10,189 --> 00:06:07,280

the tree line it looked to be

134

00:06:12,890 --> 00:06:10,199

some type of large animal

135

00:06:16,189 --> 00:06:12,900

my brain went into overdraft analyzing

136

00:06:19,550 --> 00:06:16,199

whatever this animal was was it a bear a

137

00:06:21,890 --> 00:06:19,560

dog no it it looked like a large dog but

138

00:06:24,170 --> 00:06:21,900

dogs don't get this big

139

00:06:28,309 --> 00:06:24,180

though I was intimidated by its large

140

00:06:30,890 --> 00:06:28,319

size whatever it was hadn't noticed me

141

00:06:33,409 --> 00:06:30,900

even though I was scared I also didn't

142

00:06:35,870 --> 00:06:33,419

want to walk back and go into one man's

143

00:06:38,150 --> 00:06:35,880

house as a woman I would rather take my

144

00:06:41,090 --> 00:06:38,160

chances without wild animal than be

145

00:06:43,309 --> 00:06:41,100

alone with a man I don't deserve it to

146

00:06:45,409 --> 00:06:43,319

don't know in a deserted holiday

147

00:06:47,629 --> 00:06:45,419

neighborhood

148

00:06:51,529 --> 00:06:47,639

suddenly I was thinking this the large

149

00:06:53,749 --> 00:06:51,539

animal is the distance finally knows the

150

00:06:55,249 --> 00:06:53,759

large animal in the distance finally

151  
00:06:57,529 --> 00:06:55,259  
noticed my presence

152  
00:06:59,570 --> 00:06:57,539  
it was observing me not entirely sure

153  
00:07:02,270 --> 00:06:59,580  
what to do with me

154  
00:07:04,430 --> 00:07:02,280  
there wasn't enough light anymore for me

155  
00:07:06,230 --> 00:07:04,440  
to see the animal's face but I felt

156  
00:07:08,629 --> 00:07:06,240  
unusually frightened

157  
00:07:10,490 --> 00:07:08,639  
now whatever was looking I was looking

158  
00:07:11,570 --> 00:07:10,500  
at was definitely too big to be a black

159  
00:07:13,309 --> 00:07:11,580  
bear

160  
00:07:15,170 --> 00:07:13,319  
with the shoulder height of at least

161  
00:07:17,870 --> 00:07:15,180  
five feet on all fours which is

162  
00:07:19,610 --> 00:07:17,880  
comparable to the size to a brown bear

163  
00:07:22,189 --> 00:07:19,620

now the mass of this creature was

164

00:07:25,129 --> 00:07:22,199

extensive as it outlined or what I could

165

00:07:27,890 --> 00:07:25,139

see look like that of a wolf on steroids

166

00:07:30,350 --> 00:07:27,900

it was very muscular I also noticed the

167

00:07:32,270 --> 00:07:30,360

outline of its face it was very similar

168

00:07:35,809 --> 00:07:32,280

to that of a German Shepherd or a wolf

169

00:07:39,110 --> 00:07:35,819

as it had perked ears and a long snout

170

00:07:42,230 --> 00:07:39,120

now in the moment

171

00:07:44,930 --> 00:07:42,240

uh I could only hear the sound of my

172

00:07:47,330 --> 00:07:44,940

heart palpitating as fear and adrenaline

173

00:07:49,010 --> 00:07:47,340

start to crawl their way into my drug

174

00:07:52,070 --> 00:07:49,020

bloodstream

175

00:07:53,629 --> 00:07:52,080

now it felt as if time Stood Still and

176

00:07:55,670 --> 00:07:53,639

then dawned on me

177

00:07:58,249 --> 00:07:55,680

what I was looking at wasn't a normal

178

00:08:00,950 --> 00:07:58,259

animal it was simply too big to be any

179

00:08:03,230 --> 00:08:00,960

animal that I would recognize from New

180

00:08:05,570 --> 00:08:03,240

Jersey's catalog of fauna

181

00:08:07,850 --> 00:08:05,580

and if it wanted to attack me it would

182

00:08:10,670 --> 00:08:07,860

be I would be powerless powerless

183

00:08:13,070 --> 00:08:10,680

against it it was simply too big

184

00:08:15,589 --> 00:08:13,080

though to calm myself down I threw the

185

00:08:17,029 --> 00:08:15,599

idea that this quote this creature was

186

00:08:19,369 --> 00:08:17,039

out of the ordinary

187

00:08:22,010 --> 00:08:19,379

out because I felt like this could be

188

00:08:25,369 --> 00:08:22,020

rationalized somehow so I made my brain

189

00:08:27,529 --> 00:08:25,379

go back to the idea of this being maybe

190

00:08:30,529 --> 00:08:27,539

a large door coyote

191

00:08:33,529 --> 00:08:30,539

I also didn't believe in Cryptids and it

192

00:08:35,269 --> 00:08:33,539

was completely unaware what size coyotes

193

00:08:37,850 --> 00:08:35,279

were supposed to be

194

00:08:39,949 --> 00:08:37,860

so I made a quick decision realizing

195

00:08:43,370 --> 00:08:39,959

this could very well be a life or death

196

00:08:45,829 --> 00:08:43,380

situation I came to the conclusion that

197

00:08:48,350 --> 00:08:45,839

this was just a very large dog creature

198

00:08:50,389 --> 00:08:48,360

and probably a skittish coyote that I

199

00:08:53,329 --> 00:08:50,399

would scare off at least temporarily to

200

00:08:55,970 --> 00:08:53,339

calm down my nerves

201  
00:08:57,470 --> 00:08:55,980  
uh what other choice that I have the

202  
00:09:00,230 --> 00:08:57,480  
longer I kept standing it the more

203  
00:09:01,550 --> 00:09:00,240  
aggressive I might come across to this

204  
00:09:03,410 --> 00:09:01,560  
animal and I didn't want to get

205  
00:09:05,150 --> 00:09:03,420  
territorial I'll get the idea I was

206  
00:09:07,670 --> 00:09:05,160  
going to be easy for it

207  
00:09:10,070 --> 00:09:07,680  
so I decided I would uh make the most

208  
00:09:12,829 --> 00:09:10,080  
hideous loud confusing and Sterling

209  
00:09:14,389 --> 00:09:12,839  
scream how I can muster and just Sprint

210  
00:09:16,730 --> 00:09:14,399  
the rest away

211  
00:09:19,310 --> 00:09:16,740  
after I screeched his hideous sound out

212  
00:09:21,590 --> 00:09:19,320  
of my body as hard as I could the animal

213  
00:09:23,389 --> 00:09:21,600

quickly changed his body language to

214

00:09:25,790 --> 00:09:23,399

descent defensive

215

00:09:29,030 --> 00:09:25,800

but then it quickly changes mine to

216

00:09:31,430 --> 00:09:29,040

deciding I wasn't worth a fight as I ran

217

00:09:32,990 --> 00:09:31,440

a decent distance in through Woods not

218

00:09:35,750 --> 00:09:33,000

too far away

219

00:09:38,090 --> 00:09:35,760

I decided to Sprint as fast I could as I

220

00:09:40,130 --> 00:09:38,100

could pass that area and Beyond

221

00:09:41,990 --> 00:09:40,140

I sprinted until I reached the end of

222

00:09:43,970 --> 00:09:42,000

the road and noticed that there was a

223

00:09:44,870 --> 00:09:43,980

summer camp area with street lights near

224

00:09:47,509 --> 00:09:44,880

me

225

00:09:49,430 --> 00:09:47,519

I rested on top of a table there out of

226

00:09:52,190 --> 00:09:49,440

breath and feeling my heart pound out of

227

00:09:55,550 --> 00:09:52,200

my chest how I Rob stillberry shaken up

228

00:09:57,829 --> 00:09:55,560

and still felt like I was being watched

229

00:10:00,110 --> 00:09:57,839

I kept my eyes on the tree line my eyes

230

00:10:02,210 --> 00:10:00,120

were darting around looking for any sign

231

00:10:04,070 --> 00:10:02,220

of this animal that was still there

232

00:10:05,509 --> 00:10:04,080

once I fell late the coast was clear I

233

00:10:07,790 --> 00:10:05,519

located in the next house I was

234

00:10:08,930 --> 00:10:07,800

scheduled to a visit and quickly made my

235

00:10:11,449 --> 00:10:08,940

way over

236

00:10:13,370 --> 00:10:11,459

I met a nice family who ended up buying

237

00:10:15,710 --> 00:10:13,380

cable for me and I told them

238

00:10:17,930 --> 00:10:15,720

what had happened to me that night and

239

00:10:19,850 --> 00:10:17,940

how I was treated and how I had been

240

00:10:22,550 --> 00:10:19,860

treated by the locals

241

00:10:26,210 --> 00:10:22,560

the uh the lady of family who I presumed

242

00:10:28,370 --> 00:10:26,220

to be a mother said I don't know uh why

243

00:10:31,190 --> 00:10:28,380

they sent you out here alone these Woods

244

00:10:33,470 --> 00:10:31,200

are dangerous after dark and there are

245

00:10:36,230 --> 00:10:33,480

creepy people who live around here

246

00:10:38,570 --> 00:10:36,240

uh the impression I was she was giving

247

00:10:41,090 --> 00:10:38,580

me was that there were animal encounters

248

00:10:43,850 --> 00:10:41,100

she couldn't explain and there were lots

249

00:10:45,350 --> 00:10:43,860

of ex-cons in the area and people who

250

00:10:47,030 --> 00:10:45,360

should have been arrested but haven't

251  
00:10:50,090 --> 00:10:47,040  
been

252  
00:10:52,430 --> 00:10:50,100  
um she was equally concerned about the

253  
00:10:53,990 --> 00:10:52,440  
people as she was about the animals

254  
00:10:57,590 --> 00:10:54,000  
around the place

255  
00:11:00,410 --> 00:10:57,600  
uh this gave me goosebumps how many

256  
00:11:02,329 --> 00:11:00,420  
today how many times today would could

257  
00:11:04,430 --> 00:11:02,339  
my life have been taken

258  
00:11:05,990 --> 00:11:04,440  
they were extremely concerning I was

259  
00:11:07,850 --> 00:11:06,000  
they were extremely concerned for my

260  
00:11:11,329 --> 00:11:07,860  
safety and told me to contact my team

261  
00:11:13,190 --> 00:11:11,339  
leader so I could get picked up

262  
00:11:15,650 --> 00:11:13,200  
they said they didn't want me to go

263  
00:11:17,569 --> 00:11:15,660

outside again and I should call it quits

264

00:11:19,370 --> 00:11:17,579

for the night and not to make any other

265

00:11:22,250 --> 00:11:19,380

house calls

266

00:11:24,050 --> 00:11:22,260

to this day I still had no idea what

267

00:11:25,970 --> 00:11:24,060

creature I encountered

268

00:11:27,290 --> 00:11:25,980

there are strange things in the woods

269

00:11:28,370 --> 00:11:27,300

things people don't speak about our

270

00:11:31,130 --> 00:11:28,380

cover-up

271

00:11:33,350 --> 00:11:31,140

I feel like the townspokes of that town

272

00:11:35,630 --> 00:11:33,360

knew something about what I encountered

273

00:11:39,470 --> 00:11:35,640

so weird creature I encountered in his

274

00:11:41,150 --> 00:11:39,480

Woods that's just never meet again

275

00:11:43,850 --> 00:11:41,160

um

276

00:11:47,630 --> 00:11:43,860

that's kind of an unusual I mean I don't

277

00:11:49,850 --> 00:11:47,640

normally get anything like that uh

278

00:11:51,470 --> 00:11:49,860

where the witnesses actually state that

279

00:11:53,329 --> 00:11:51,480

she they think that something is

280

00:11:55,910 --> 00:11:53,339

actually going on there

281

00:11:58,190 --> 00:11:55,920

now quite frankly

282

00:11:59,810 --> 00:11:58,200

I went back and looked and I I haven't

283

00:12:03,829 --> 00:11:59,820

seen anything

284

00:12:04,790 --> 00:12:03,839

as far as uh cryptic canines in in that

285

00:12:08,449 --> 00:12:04,800

area

286

00:12:10,910 --> 00:12:08,459

Cape May or anywhere else otherwise

287

00:12:13,610 --> 00:12:10,920

but who knows I don't know what that was

288

00:12:18,769 --> 00:12:16,550

so this next um incident a bizarre

289

00:12:20,690 --> 00:12:18,779

encounter with a smiling man during the

290

00:12:22,850 --> 00:12:20,700

scary airliner flight

291

00:12:24,530 --> 00:12:22,860

from New York from excuse me from New

292

00:12:26,930 --> 00:12:24,540

Orleans to New York City it prompt the

293

00:12:29,150 --> 00:12:26,940

witness to research a deadly air crash

294

00:12:31,370 --> 00:12:29,160

that occurred in New York City on the

295

00:12:34,730 --> 00:12:31,380

day of his birth

296

00:12:38,449 --> 00:12:34,740

now the witness really writes I was born

297

00:12:40,730 --> 00:12:38,459

on the evening of June 24th 1975.

298

00:12:42,710 --> 00:12:40,740

in New York City one month prematurely

299

00:12:44,569 --> 00:12:42,720

while my parents were there visiting my

300

00:12:47,329 --> 00:12:44,579

mother's family in various East Coast

301

00:12:50,690 --> 00:12:47,339

locations from our home is St Louis

302

00:12:52,970 --> 00:12:50,700

Missouri now in 2015 a friend of mine

303

00:12:55,730 --> 00:12:52,980

took me to New Orleans for a few days

304

00:12:58,190 --> 00:12:55,740

prior to my birthday as a gift

305

00:13:00,290 --> 00:12:58,200

we had a great time and had tickets to

306

00:13:01,790 --> 00:13:00,300

fly home in the early afternoon on my

307

00:13:03,590 --> 00:13:01,800

birthday

308

00:13:05,509 --> 00:13:03,600

now the flight out of Louis Armstrong

309

00:13:06,590 --> 00:13:05,519

Airport was uneventful except for two

310

00:13:08,629 --> 00:13:06,600

things

311

00:13:11,509 --> 00:13:08,639

the first was an older guy sitting

312

00:13:13,730 --> 00:13:11,519

beside us who kept looking our way

313

00:13:16,129 --> 00:13:13,740

he had what I can only describe as a

314

00:13:18,949 --> 00:13:16,139

general smile on his face I didn't feel

315

00:13:21,230 --> 00:13:18,959

creeped out so much but I was just weird

316

00:13:23,870 --> 00:13:21,240

to have him spend so much time looking

317

00:13:26,569 --> 00:13:23,880

our way in silence

318

00:13:29,090 --> 00:13:26,579

uh the next thing was when we started to

319

00:13:32,509 --> 00:13:29,100

descend for the landing the plane

320

00:13:34,430 --> 00:13:32,519

started to shake and jolt terribly

321

00:13:38,269 --> 00:13:34,440

now my buddy and I looked at each other

322

00:13:40,670 --> 00:13:38,279

with the what the f expression

323

00:13:43,670 --> 00:13:40,680

I glanced past my friend and caught the

324

00:13:45,710 --> 00:13:43,680

eye the man sitting across the aisle

325

00:13:48,650 --> 00:13:45,720

he was looking straight at me

326

00:13:51,110 --> 00:13:48,660

with that grin still on his face

327

00:13:54,230 --> 00:13:51,120

he leaned out from his seat towards ours

328

00:13:57,829 --> 00:13:54,240

and said very calmly and in a firm tone

329

00:14:00,050 --> 00:13:57,839

this one will land just fine

330

00:14:04,129 --> 00:14:00,060

then turned his head and looked forward

331

00:14:06,170 --> 00:14:04,139

that gentle smile never left his face

332

00:14:08,569 --> 00:14:06,180

now

333

00:14:10,850 --> 00:14:08,579

from there the rod got really rough but

334

00:14:13,009 --> 00:14:10,860

the the plane landed just fine

335

00:14:14,569 --> 00:14:13,019

now the pilot came on the intercom and

336

00:14:16,610 --> 00:14:14,579

quickly explained that they had some

337

00:14:19,430 --> 00:14:16,620

type of bad winch here gave us a weather

338

00:14:21,650 --> 00:14:19,440

update and thanked this for flying

339

00:14:24,050 --> 00:14:21,660

everyone on the plane was so stressed I

340

00:14:26,449 --> 00:14:24,060

swear I could smell the fear now as we

341

00:14:28,610 --> 00:14:26,459

got our carry-ons out of the overhead I

342

00:14:31,430 --> 00:14:28,620

made the point to not even glance at

343

00:14:33,590 --> 00:14:31,440

that dude but I could feel him looking

344

00:14:34,610 --> 00:14:33,600

at me we got off and hustled her butts

345

00:14:37,190 --> 00:14:34,620

out of there

346

00:14:39,650 --> 00:14:37,200

nobody was saying a word we were just

347

00:14:41,509 --> 00:14:39,660

all still a bit freaked out but here's

348

00:14:43,670 --> 00:14:41,519

where it gets creepy

349

00:14:45,410 --> 00:14:43,680

last year I was reading about air

350

00:14:48,530 --> 00:14:45,420

disasters

351

00:14:50,689 --> 00:14:48,540

that experience stuck with me and I

352

00:14:53,449 --> 00:14:50,699

developed a bit of an obsession so one

353

00:14:56,269 --> 00:14:53,459

day I was came across a story

354

00:14:57,889 --> 00:14:56,279

of Eastern Airline flight 66 the flight

355

00:15:01,090 --> 00:14:57,899

left New Orleans

356

00:15:05,629 --> 00:15:01,100

in the early afternoon of June 24

357

00:15:08,750 --> 00:15:05,639

1975 and Route the JFK in New York City

358

00:15:12,829 --> 00:15:08,760

the the plane crashed on The Descent due

359

00:15:16,129 --> 00:15:12,839

to severe wind shear killing 113 people

360

00:15:18,590 --> 00:15:16,139

just hours before I was born

361

00:15:21,949 --> 00:15:18,600

40 years to the day from my flight with

362

00:15:25,850 --> 00:15:21,959

the man and his General grin

363

00:15:27,530 --> 00:15:25,860

so I was quite an unusual account

364

00:15:28,850 --> 00:15:27,540

um

365

00:15:32,389 --> 00:15:28,860

but every once in a while we get

366

00:15:36,829 --> 00:15:35,210

yeah just excuse me folks

367

00:15:41,449 --> 00:15:36,839

my uh

368

00:15:46,970 --> 00:15:43,850

so the next account now a report from

369

00:15:49,910 --> 00:15:46,980

new Fork referenced an encounter with a

370

00:15:52,490 --> 00:15:49,920

dark humanoid with an orange glow and

371

00:15:55,670 --> 00:15:52,500

after a visit with from Two Men In Black

372

00:15:59,389 --> 00:15:55,680

the woman immediately files an addendum

373

00:16:02,569 --> 00:15:59,399

to a new to the new Fork report now back

374

00:16:05,090 --> 00:16:02,579

in 2015 I received a telephone call from

375

00:16:06,710 --> 00:16:05,100

a man in Texas who wished to remain

376

00:16:09,350 --> 00:16:06,720

anonymous though I have his personal

377

00:16:11,210 --> 00:16:09,360

information he states that he was a

378

00:16:13,550 --> 00:16:11,220

relative of the woman who submitted the

379

00:16:17,990 --> 00:16:13,560

following report to Newport

380

00:16:19,790 --> 00:16:18,000

in 2009 which I searched for on the site

381

00:16:23,449 --> 00:16:19,800

now uh

382

00:16:26,509 --> 00:16:23,459

this occurred on December 5th 2009 it's

383

00:16:28,610 --> 00:16:26,519

1600 hours and it was reported the next

384

00:16:31,189 --> 00:16:28,620

day to Newport

385

00:16:34,310 --> 00:16:31,199

Now location

386

00:16:37,910 --> 00:16:34,320

was in Hugo Oklahoma

387

00:16:40,370 --> 00:16:37,920

and uh the report States dark human life

388

00:16:41,990 --> 00:16:40,380

figure that was glowing orange around it

389

00:16:44,090 --> 00:16:42,000

and floating

390

00:16:46,129 --> 00:16:44,100

I was sitting on the living room couch

391

00:16:47,870 --> 00:16:46,139

talking with my husband and I ate my

392

00:16:49,910 --> 00:16:47,880

eight-year-old son was in the front yard

393

00:16:52,550 --> 00:16:49,920

I saw flickers of an orange glow

394

00:16:55,370 --> 00:16:52,560

reflecting off a box in the porch

395

00:16:58,790 --> 00:16:55,380

through the living room window

396

00:17:01,009 --> 00:16:58,800

I opened the door to see what I was what

397

00:17:03,530 --> 00:17:01,019

it was when I saw my son standing pass

398

00:17:06,409 --> 00:17:03,540

me into the East End of the house

399

00:17:08,390 --> 00:17:06,419

staring at the porch I asked him what it

400

00:17:10,850 --> 00:17:08,400

was doing and what it was going on he

401  
00:17:13,970 --> 00:17:10,860  
walked quickly over to me and proceeded

402  
00:17:15,829 --> 00:17:13,980  
to tell me what he saw he was crying and

403  
00:17:17,929 --> 00:17:15,839  
shaking and very scared

404  
00:17:21,169 --> 00:17:17,939  
he said he saw a dark figure with really

405  
00:17:22,549 --> 00:17:21,179  
big dark eyes with an orange glow all

406  
00:17:24,289 --> 00:17:22,559  
around it

407  
00:17:26,750 --> 00:17:24,299  
he said it looked like it was floating

408  
00:17:28,850 --> 00:17:26,760  
just a little off the ground

409  
00:17:30,650 --> 00:17:28,860  
it came from behind my car and went next

410  
00:17:31,850 --> 00:17:30,660  
to the house and turned and looked at

411  
00:17:34,250 --> 00:17:31,860  
him

412  
00:17:36,289 --> 00:17:34,260  
he said it then floated higher and was

413  
00:17:38,270 --> 00:17:36,299

about the height of a Christmas lights

414

00:17:41,210 --> 00:17:38,280

hanging on the porch

415

00:17:43,730 --> 00:17:41,220

he said it looked at him he suddenly he

416

00:17:46,549 --> 00:17:43,740

slightly turned his head and closed his

417

00:17:48,770 --> 00:17:46,559

eyes briefly because he was scared and

418

00:17:51,169 --> 00:17:48,780

when he looked back it was gone

419

00:17:53,810 --> 00:17:51,179

now he said whatever he saw was about as

420

00:17:56,570 --> 00:17:53,820

tall as him about four foot

421

00:17:58,549 --> 00:17:56,580

he said he could see his legs and his

422

00:18:00,169 --> 00:17:58,559

arms appear to be straight down beside

423

00:18:02,570 --> 00:18:00,179

his body

424

00:18:04,730 --> 00:18:02,580

he said its face was very dark and its

425

00:18:07,549 --> 00:18:04,740

eyes were really big and slightly

426

00:18:09,470 --> 00:18:07,559

different color than the face

427

00:18:11,450 --> 00:18:09,480

he said it glowed all around it I

428

00:18:13,909 --> 00:18:11,460

estimated it was 40 to 50 feet from The

429

00:18:16,909 --> 00:18:13,919

Entity given where he was and where he

430

00:18:18,830 --> 00:18:16,919

said he saw it

431

00:18:21,650 --> 00:18:18,840

um it was during daylight approximately

432

00:18:23,450 --> 00:18:21,660

4 pm I saw the flickering orange glow

433

00:18:25,610 --> 00:18:23,460

for about three seconds and my son saw

434

00:18:28,370 --> 00:18:25,620

for about 10 seconds

435

00:18:30,049 --> 00:18:28,380

we live in a wooded area have dogs in

436

00:18:31,490 --> 00:18:30,059

the back and they did not work at all

437

00:18:34,490 --> 00:18:31,500

however

438

00:18:36,950 --> 00:18:34,500

when my uh when I called my husband out

439

00:18:38,630 --> 00:18:36,960

to tell him what happened and to look

440

00:18:40,070 --> 00:18:38,640

for it my small house dog came out

441

00:18:42,110 --> 00:18:40,080

immediately started smelling the ground

442

00:18:42,950 --> 00:18:42,120

or where my son said Yankee had been

443

00:18:45,230 --> 00:18:42,960

floating

444

00:18:47,390 --> 00:18:45,240

I am sound mind I've never seen or heard

445

00:18:48,650 --> 00:18:47,400

anything like this I'm very curious as

446

00:18:51,529 --> 00:18:48,660

to what

447

00:18:53,630 --> 00:18:51,539

uh con you know somewhat confused as to

448

00:18:55,610 --> 00:18:53,640

what happened

449

00:18:59,150 --> 00:18:55,620

but anyway

450

00:19:05,750 --> 00:19:02,690

later on she wrote an addendum

451  
00:19:08,510 --> 00:19:05,760  
to Peter Davenport at Newport

452  
00:19:12,110 --> 00:19:08,520  
and she stated in the addendum I am

453  
00:19:14,330 --> 00:19:12,120  
requesting my submission on 12609

454  
00:19:18,049 --> 00:19:14,340  
recording my son's observation of an

455  
00:19:19,669 --> 00:19:18,059  
orange and glowing dark figure on 12 509

456  
00:19:21,830 --> 00:19:19,679  
be removed

457  
00:19:23,930 --> 00:19:21,840  
are not be posted

458  
00:19:26,690 --> 00:19:23,940  
I have reason to believe that his

459  
00:19:29,450 --> 00:19:26,700  
apparent experience may not be accurate

460  
00:19:32,630 --> 00:19:29,460  
again please do not post the report that

461  
00:19:34,789 --> 00:19:32,640  
was made regarding his experience after

462  
00:19:37,130 --> 00:19:34,799  
questioning him further I may have

463  
00:19:40,370 --> 00:19:37,140

simply been the sun shining in his eyes

464

00:19:42,830 --> 00:19:40,380

or something else thank you

465

00:19:45,110 --> 00:19:42,840

well

466

00:19:47,450 --> 00:19:45,120

the relative of the woman who had filed

467

00:19:49,970 --> 00:19:47,460

the port who I believe was a brother

468

00:19:53,350 --> 00:19:49,980

told me that a few days after the report

469

00:19:55,730 --> 00:19:53,360

was filed two men dressed in black suits

470

00:19:59,270 --> 00:19:55,740

arrived at the women's residence driving

471

00:20:02,570 --> 00:19:59,280

a black full-size car he believes the

472

00:20:05,870 --> 00:20:02,580

2004 crap Ford Crown Victoria

473

00:20:09,110 --> 00:20:05,880

this relative happened to be at the

474

00:20:11,330 --> 00:20:09,120

woman's residence when the men arrived

475

00:20:12,830 --> 00:20:11,340

it was approximately two o'clock P.M

476  
00:20:15,110 --> 00:20:12,840  
local time

477  
00:20:17,029 --> 00:20:15,120  
and they knocked on the front door

478  
00:20:19,310 --> 00:20:17,039  
the woman answered the door and they

479  
00:20:22,070 --> 00:20:19,320  
introduced themselves as investigators

480  
00:20:24,830 --> 00:20:22,080  
for the state of Oklahoma

481  
00:20:26,690 --> 00:20:24,840  
they quickly flashed identification

482  
00:20:28,549 --> 00:20:26,700  
and asked to speak with the woman who

483  
00:20:30,710 --> 00:20:28,559  
made the report

484  
00:20:33,409 --> 00:20:30,720  
the relative was sitting at the kitchen

485  
00:20:35,510 --> 00:20:33,419  
table and heard the conversation

486  
00:20:37,490 --> 00:20:35,520  
two men refused to come inside and

487  
00:20:38,390 --> 00:20:37,500  
wanted the woman to come out onto the

488  
00:20:40,610 --> 00:20:38,400

porch

489

00:20:42,890 --> 00:20:40,620

the relative looked out the side women

490

00:20:45,409 --> 00:20:42,900

and noticed the vehicle

491

00:20:47,510 --> 00:20:45,419

after five minutes or so

492

00:20:49,789 --> 00:20:47,520

the woman came back into the house and

493

00:20:52,070 --> 00:20:49,799

was visibly upset without saying a word

494

00:20:54,650 --> 00:20:52,080

she immediately went online with the

495

00:20:58,430 --> 00:20:56,450

the relative asked her several times

496

00:21:01,430 --> 00:20:58,440

what had occurred but she refused to

497

00:21:03,169 --> 00:21:01,440

talk by simply saying wait

498

00:21:05,150 --> 00:21:03,179

the relatives sat at the living room

499

00:21:07,250 --> 00:21:05,160

white sacked in the living room watching

500

00:21:09,289 --> 00:21:07,260

the woman on the computer

501  
00:21:10,970 --> 00:21:09,299  
now a while later she shut down the

502  
00:21:13,610 --> 00:21:10,980  
computer and sat next to the relative

503  
00:21:16,549 --> 00:21:13,620  
she explained that the two men

504  
00:21:18,650 --> 00:21:16,559  
asked her what her son had seen

505  
00:21:21,529 --> 00:21:18,660  
after telling them about the encounter

506  
00:21:24,289 --> 00:21:21,539  
they requested that she would draw the

507  
00:21:26,090 --> 00:21:24,299  
report as soon as possible and to forget

508  
00:21:28,610 --> 00:21:26,100  
the incident

509  
00:21:31,070 --> 00:21:28,620  
she was still very shaken and explained

510  
00:21:33,350 --> 00:21:31,080  
that the men just acted weird

511  
00:21:35,330 --> 00:21:33,360  
the man who talked sounded like he was

512  
00:21:37,250 --> 00:21:35,340  
reading from the script

513  
00:21:39,049 --> 00:21:37,260

she asked the relative to go to her

514

00:21:41,690 --> 00:21:39,059

son's school and pick him up instead of

515

00:21:44,149 --> 00:21:41,700

letting him come home on the bus

516

00:21:45,770 --> 00:21:44,159

when the relative and her son got home

517

00:21:47,870 --> 00:21:45,780

the woman was sitting at the kitchen

518

00:21:50,570 --> 00:21:47,880

table reading the Bible

519

00:21:52,549 --> 00:21:50,580

she told the son not to ever talk about

520

00:21:55,010 --> 00:21:52,559

what had happened

521

00:21:57,890 --> 00:21:55,020

now as far as a relative knows there was

522

00:22:00,110 --> 00:21:57,900

no further contact by anybody else

523

00:22:02,330 --> 00:22:00,120

several strange incidents occurred at

524

00:22:03,110 --> 00:22:02,340

the resident over the residence over the

525

00:22:05,270 --> 00:22:03,120

years

526  
00:22:06,890 --> 00:22:05,280  
including a UFO that hovered over the

527  
00:22:08,210 --> 00:22:06,900  
house and was witnessed by the entire

528  
00:22:10,430 --> 00:22:08,220  
household

529  
00:22:13,970 --> 00:22:10,440  
it was never reported the family moved

530  
00:22:16,310 --> 00:22:13,980  
to another state in 2014.

531  
00:22:18,830 --> 00:22:16,320  
now there was one more aspect to this

532  
00:22:22,190 --> 00:22:18,840  
account that was interesting

533  
00:22:25,370 --> 00:22:22,200  
but I'm not sure if it applies the um

534  
00:22:27,590 --> 00:22:25,380  
the boy who witnessed The Entity

535  
00:22:29,750 --> 00:22:27,600  
has had severe mental issues since the

536  
00:22:31,370 --> 00:22:29,760  
encounter but the relative refused to go

537  
00:22:33,350 --> 00:22:31,380  
into detail

538  
00:22:35,090 --> 00:22:33,360

he only mentioned it because the boy's

539

00:22:37,010 --> 00:22:35,100

mother believes that the answer was to

540

00:22:39,289 --> 00:22:37,020

blame for the boy's problem now honestly

541

00:22:40,669 --> 00:22:39,299

I'm not sure what to think about this

542

00:22:43,549 --> 00:22:40,679

information

543

00:22:45,590 --> 00:22:43,559

the uh the relative sounded pretty

544

00:22:47,390 --> 00:22:45,600

sincere but it didn't

545

00:22:48,289 --> 00:22:47,400

sit right with me for some unknown

546

00:22:50,870 --> 00:22:48,299

reason

547

00:22:53,210 --> 00:22:50,880

after these many years I still haven't

548

00:22:55,610 --> 00:22:53,220

not come to the complete answer to this

549

00:22:58,730 --> 00:22:55,620

incident and I have tried to contact

550

00:23:00,490 --> 00:22:58,740

them again I did get a hold of newfork a

551  
00:23:02,870 --> 00:23:00,500  
couple years ago

552  
00:23:04,669 --> 00:23:02,880  
to see if they had heard anything and

553  
00:23:08,090 --> 00:23:04,679  
they had nine you know I actually talked

554  
00:23:09,830 --> 00:23:08,100  
to Peter Davenport and he um he never

555  
00:23:11,210 --> 00:23:09,840  
took the I don't think he ever took the

556  
00:23:12,830 --> 00:23:11,220  
report down

557  
00:23:14,450 --> 00:23:12,840  
but uh

558  
00:23:16,490 --> 00:23:14,460  
I mean this is what they're saying that

559  
00:23:20,330 --> 00:23:16,500  
happens so I'm just going by what the

560  
00:23:24,350 --> 00:23:22,789  
so another answer the family was in

561  
00:23:26,210 --> 00:23:24,360  
their their boat fishing along the

562  
00:23:27,950 --> 00:23:26,220  
Potomac River in Washington County

563  
00:23:29,990 --> 00:23:27,960

Maryland

564

00:23:32,750 --> 00:23:30,000

the uh the witness's grandfather

565

00:23:36,110 --> 00:23:32,760

observed a large smooth-skinned aquatic

566

00:23:38,570 --> 00:23:36,120

creature rolling in the water

567

00:23:40,850 --> 00:23:38,580

so um

568

00:23:43,370 --> 00:23:40,860

the witness rights his incident took

569

00:23:45,289 --> 00:23:43,380

place in 1993.

570

00:23:47,330 --> 00:23:45,299

I was in a fishing boat with my father

571

00:23:49,610 --> 00:23:47,340

and my grandfather in the Potomac River

572

00:23:52,250 --> 00:23:49,620

and siding Hill Wildlife Management Area

573

00:23:55,010 --> 00:23:52,260

which is Washington County Maryland

574

00:23:56,810 --> 00:23:55,020

we had been on my father's boat fishing

575

00:23:59,510 --> 00:23:56,820

for a few hours already my father's

576

00:24:01,850 --> 00:23:59,520

girlfriend was also in the boot which

577

00:24:04,510 --> 00:24:01,860

wasn't all that large maybe the size of

578

00:24:07,490 --> 00:24:04,520

a regular sedan vehicle

579

00:24:10,190 --> 00:24:07,500

anyway my father and his girlfriend were

580

00:24:12,470 --> 00:24:10,200

looking out towards the front of boot

581

00:24:15,230 --> 00:24:12,480

and I and my granddad were

582

00:24:16,909 --> 00:24:15,240

fishing off the back side of the boat

583

00:24:19,490 --> 00:24:16,919

I had my grandfather was simply talking

584

00:24:20,330 --> 00:24:19,500

about whatever and fishing went all of a

585

00:24:22,549 --> 00:24:20,340

sudden

586

00:24:24,649 --> 00:24:22,559

we looked maybe 20 yards away from where

587

00:24:28,310 --> 00:24:24,659

we were and we saw it

588

00:24:30,350 --> 00:24:28,320

I'm not sure what it was but I'll try to

589

00:24:32,390 --> 00:24:30,360

describe on a song

590

00:24:33,770 --> 00:24:32,400

I saw a creature about the size of a

591

00:24:36,230 --> 00:24:33,780

large alligator

592

00:24:37,370 --> 00:24:36,240

maybe six to seven foot in length but

593

00:24:38,270 --> 00:24:37,380

the creature was definitely on an

594

00:24:40,490 --> 00:24:38,280

alligator

595

00:24:43,010 --> 00:24:40,500

it had grayish brown color and smooth

596

00:24:45,289 --> 00:24:43,020

skin like that of a dolphin

597

00:24:47,750 --> 00:24:45,299

I remember seeing flippers on it but I

598

00:24:48,649 --> 00:24:47,760

don't remember how many although I do

599

00:24:50,810 --> 00:24:48,659

know

600

00:24:53,149 --> 00:24:50,820

it was more than two now I never

601  
00:24:54,409 --> 00:24:53,159  
actually saw its hit or tail just its

602  
00:24:57,169 --> 00:24:54,419  
midsection

603  
00:24:59,810 --> 00:24:57,179  
I didn't know what was it was doing but

604  
00:25:02,570 --> 00:24:59,820  
I was I remember seeing the creature

605  
00:25:04,010 --> 00:25:02,580  
kind of roll around as an alligator

606  
00:25:07,190 --> 00:25:04,020  
crocodile would do when they're trying

607  
00:25:10,070 --> 00:25:07,200  
to take a chunk of Flesh off an animal

608  
00:25:11,810 --> 00:25:10,080  
I remember comparing what I saw to a log

609  
00:25:14,330 --> 00:25:11,820  
rolling in the water

610  
00:25:16,010 --> 00:25:14,340  
now this animal rolled for a few seconds

611  
00:25:18,470 --> 00:25:16,020  
and disappeared

612  
00:25:20,990 --> 00:25:18,480  
before either one of us could call my

613  
00:25:23,029 --> 00:25:21,000

dad to check it out I remember after

614

00:25:25,549 --> 00:25:23,039

seeing it both me and my grandfather

615

00:25:27,830 --> 00:25:25,559

looked at each other in disbelief

616

00:25:29,810 --> 00:25:27,840

now my father always did think we were

617

00:25:32,330 --> 00:25:29,820

just playing I know what I saw and it

618

00:25:33,830 --> 00:25:32,340

freaked me out more so because I had

619

00:25:36,289 --> 00:25:33,840

been swimming in the same area a few

620

00:25:37,789 --> 00:25:36,299

days before the incident to this day I

621

00:25:40,310 --> 00:25:37,799

still don't know what it was I had no

622

00:25:42,830 --> 00:25:40,320

idea what they saw now

623

00:25:45,830 --> 00:25:42,840

this was

624

00:25:49,190 --> 00:25:45,840

I don't know what year was this 1993.

625

00:25:54,230 --> 00:25:51,649

the whole Snakehead thing

626  
00:25:57,590 --> 00:25:54,240  
the invasive species were had gotten

627  
00:25:59,450 --> 00:25:57,600  
into Potomac and more recent years there

628  
00:26:00,230 --> 00:25:59,460  
have been some pretty large snake heads

629  
00:26:02,870 --> 00:26:00,240  
called

630  
00:26:05,210 --> 00:26:02,880  
but back then I I'm sure they weren't in

631  
00:26:10,870 --> 00:26:05,220  
there so I don't know what they they

632  
00:26:10,880 --> 00:26:14,870  
so uh

633  
00:26:20,090 --> 00:26:17,570  
this last incident and I'll take

634  
00:26:22,669 --> 00:26:20,100  
questions see after this so you can go

635  
00:26:26,409 --> 00:26:22,679  
ahead and start posting now if you want

636  
00:26:29,630 --> 00:26:26,419  
a Sussex County New Jersey mother

637  
00:26:31,909 --> 00:26:29,640  
encountered a clicking a Glimmer Man

638  
00:26:33,769 --> 00:26:31,919

while in the woods near her home

639

00:26:35,810 --> 00:26:33,779

she's fearful that the humanoid is

640

00:26:37,789 --> 00:26:35,820

stalking her since she still hears the

641

00:26:40,909 --> 00:26:37,799

clicking sounds

642

00:26:43,850 --> 00:26:40,919

now I recently received this account and

643

00:26:46,010 --> 00:26:43,860

for more indications is still going on

644

00:26:47,990 --> 00:26:46,020

I live in a very rural part of Northern

645

00:26:50,029 --> 00:26:48,000

New Jersey and Sussex County

646

00:26:52,010 --> 00:26:50,039

behind my property into the left of my

647

00:26:54,470 --> 00:26:52,020

house is all Forest there are a few

648

00:26:56,930 --> 00:26:54,480

Trails next door to me is protective

649

00:26:58,190 --> 00:26:56,940

wild wilderness area where you can't

650

00:27:00,230 --> 00:26:58,200

build on

651  
00:27:02,390 --> 00:27:00,240  
every once in a while I would take my

652  
00:27:04,130 --> 00:27:02,400  
son in his little wagon and would set up

653  
00:27:05,450 --> 00:27:04,140  
on the clearing and have a nice little

654  
00:27:09,110 --> 00:27:05,460  
picnic

655  
00:27:11,149 --> 00:27:09,120  
we are playing a few feet up before you

656  
00:27:13,370 --> 00:27:11,159  
go into the woods so we're playing in

657  
00:27:14,870 --> 00:27:13,380  
the little clearing and he starts to

658  
00:27:17,510 --> 00:27:14,880  
mimic the sounds that he hears for

659  
00:27:19,669 --> 00:27:17,520  
instance the neighbor's dog Birds Etc

660  
00:27:21,110 --> 00:27:19,679  
he may make the sounds around us like

661  
00:27:23,870 --> 00:27:21,120  
the squirrels running behind the

662  
00:27:26,450 --> 00:27:23,880  
Chipmunks now all of a sudden

663  
00:27:29,510 --> 00:27:26,460

I turned around to see him

664

00:27:31,970 --> 00:27:29,520

uh to turn around to get him some fruits

665

00:27:34,310 --> 00:27:31,980

out or whatever that we were eating that

666

00:27:36,230 --> 00:27:34,320

day and now the corner of my eye I see

667

00:27:39,350 --> 00:27:36,240

him just stop

668

00:27:42,710 --> 00:27:39,360

he's saying mom mom

669

00:27:44,269 --> 00:27:42,720

but he's staring away not looking at me

670

00:27:46,310 --> 00:27:44,279

he's looking into the tree and he's

671

00:27:48,470 --> 00:27:46,320

pointing but he's not blinking

672

00:27:50,870 --> 00:27:48,480

I turned around I asked what do you see

673

00:27:52,909 --> 00:27:50,880

do you see a birdie then it hit me there

674

00:27:55,190 --> 00:27:52,919

were no sounds

675

00:27:56,930 --> 00:27:55,200

he starts walking into the woods but the

676

00:27:59,149 --> 00:27:56,940

whole time he's looking up

677

00:28:01,610 --> 00:27:59,159

he's still not looking where he's going

678

00:28:04,130 --> 00:28:01,620

and pointing up into the dream

679

00:28:06,230 --> 00:28:04,140

the only movement I see beside my son or

680

00:28:08,210 --> 00:28:06,240

leaves rustling into trees

681

00:28:11,390 --> 00:28:08,220

but then I see it and it's like heat

682

00:28:13,070 --> 00:28:11,400

rising off the concrete on a sunny day

683

00:28:14,450 --> 00:28:13,080

but it's in the tree and it's like

684

00:28:17,450 --> 00:28:14,460

crouched down

685

00:28:20,390 --> 00:28:17,460

one arm is out to the side and its knees

686

00:28:22,850 --> 00:28:20,400

are bent immediately I feel this thing's

687

00:28:24,529 --> 00:28:22,860

glare burning into me then I hear the

688

00:28:27,769 --> 00:28:24,539

clicking sounds

689

00:28:31,310 --> 00:28:27,779

as soon as his eyes snap to me my son

690

00:28:33,830 --> 00:28:31,320

looked at me as soon as I snap to me my

691

00:28:35,750 --> 00:28:33,840

son looked at me and freaked panic

692

00:28:38,510 --> 00:28:35,760

freaking panicked

693

00:28:41,210 --> 00:28:38,520

it literally had the shape of a humanoid

694

00:28:43,010 --> 00:28:41,220

it's it's so hard to explain because it

695

00:28:46,190 --> 00:28:43,020

was human-like but the way it was Crouch

696

00:28:48,950 --> 00:28:46,200

reminded me of a praying mantis

697

00:28:51,169 --> 00:28:48,960

now my son is then mimicking a clicking

698

00:28:52,850 --> 00:28:51,179

sound that this thing was making I

699

00:28:54,169 --> 00:28:52,860

grabbed my son and we run back to the

700

00:28:56,390 --> 00:28:54,179

house all the food and everything is

701  
00:28:58,909 --> 00:28:56,400  
left in the woods now I told my friend

702  
00:29:01,010 --> 00:28:58,919  
about what we experienced that evening

703  
00:29:03,169 --> 00:29:01,020  
he went back into the woods and gathered

704  
00:29:05,630 --> 00:29:03,179  
my belongings he stayed in the woods for

705  
00:29:08,570 --> 00:29:05,640  
about an hour telling me later that he

706  
00:29:10,730 --> 00:29:08,580  
didn't see her hear anything unusual

707  
00:29:13,430 --> 00:29:10,740  
now that was six months ago is now

708  
00:29:16,130 --> 00:29:13,440  
February 2023.

709  
00:29:18,169 --> 00:29:16,140  
I have read a few glitter man reports

710  
00:29:21,470 --> 00:29:18,179  
from others online when I go outside

711  
00:29:23,630 --> 00:29:21,480  
during the day I occasionally hear the

712  
00:29:24,590 --> 00:29:23,640  
same clicking sounds coming from the

713  
00:29:27,049 --> 00:29:24,600

woods

714

00:29:29,149 --> 00:29:27,059

at night while in bed I hear the faint

715

00:29:30,289 --> 00:29:29,159

clicking sounds emanating from the Deep

716

00:29:32,330 --> 00:29:30,299

Woods

717

00:29:34,909 --> 00:29:32,340

I believe that this Glimmer Man is

718

00:29:37,190 --> 00:29:34,919

stalking us I asked my neighbors if they

719

00:29:38,210 --> 00:29:37,200

heard the strange clicking sounds they

720

00:29:41,510 --> 00:29:38,220

have it

721

00:29:44,810 --> 00:29:41,520

maybe I'm maybe I'm only allowed to hear

722

00:29:47,389 --> 00:29:44,820

them myself I'll keep you updated so

723

00:29:49,070 --> 00:29:47,399

I'm I'm hoping I do get an update you

724

00:29:51,769 --> 00:29:49,080

know I talked to the witness the day I

725

00:29:53,930 --> 00:29:51,779

got the report and I find the clicking

726

00:29:57,289 --> 00:29:53,940

sounds interesting

727

00:30:00,289 --> 00:29:57,299

uh since I really don't remember any

728

00:30:02,269 --> 00:30:00,299

previous reports of these glimmer men

729

00:30:04,130 --> 00:30:02,279

being associated with clicking sound but

730

00:30:05,690 --> 00:30:04,140

it's reminiscing the sound me by the

731

00:30:07,970 --> 00:30:05,700

cloak predator

732

00:30:10,549 --> 00:30:07,980

from you know the alien from the films

733

00:30:12,710 --> 00:30:10,559

it did make the clicking sound so the

734

00:30:15,950 --> 00:30:12,720

witness stated that she had not seen any

735

00:30:17,930 --> 00:30:15,960

of the Predator films until recently add

736

00:30:21,710 --> 00:30:17,940

to her encounter so I don't know what

737

00:30:23,990 --> 00:30:21,720

she ran into but it's quite interesting

738

00:30:30,350 --> 00:30:24,000

so uh let's see what kind of questions

739

00:30:35,090 --> 00:30:33,110

okay suji

740

00:30:38,029 --> 00:30:35,100

Ron do you know of any Dogman counters

741

00:30:40,430 --> 00:30:38,039

in or around earring

742

00:30:45,049 --> 00:30:41,990

you know

743

00:30:49,730 --> 00:30:45,059

again you have to excuse me I have size

744

00:30:56,409 --> 00:30:54,110

the closest I have I know of any

745

00:31:01,909 --> 00:30:56,419

crypto K9 reports

746

00:31:07,909 --> 00:31:05,450

um offhand I can't think of any in Erie

747

00:31:09,950 --> 00:31:07,919

uh the area around here there have been

748

00:31:12,529 --> 00:31:09,960

plenty of Bigfoot reports plenty of UFO

749

00:31:15,470 --> 00:31:12,539

reports plenty of Airline reports but as

750

00:31:18,529 --> 00:31:15,480

far as uh upright canines or cryptic

751

00:31:21,710 --> 00:31:18,539

canines I I really don't

752

00:31:25,149 --> 00:31:21,720

know I'll look into it but uh

753

00:31:27,169 --> 00:31:25,159

offhand I can't think of any

754

00:31:28,370 --> 00:31:27,179

Bernadette asked could it be stuck in

755

00:31:29,930 --> 00:31:28,380

the child and not her you're talking

756

00:31:32,029 --> 00:31:29,940

about the Glimmer Man

757

00:31:33,950 --> 00:31:32,039

sure I mean it could be stalking anybody

758

00:31:35,930 --> 00:31:33,960

or any you know anything

759

00:31:38,450 --> 00:31:35,940

uh you know we just don't know much

760

00:31:40,370 --> 00:31:38,460

about these things we're getting more

761

00:31:43,070 --> 00:31:40,380

and more reports

762

00:31:44,990 --> 00:31:43,080

uh you know I I keep thinking about the

763

00:31:47,090 --> 00:31:45,000

person who wrote the uh

764

00:31:49,070 --> 00:31:47,100

the Predator movies that they had not

765

00:31:51,470 --> 00:31:49,080

had an encounter like that

766

00:31:55,310 --> 00:31:51,480

uh to where they put it into their the

767

00:31:58,070 --> 00:31:55,320

book the film the screenplay or whatever

768

00:32:00,230 --> 00:31:58,080

but uh it's interesting I don't I don't

769

00:32:02,210 --> 00:32:00,240

I just don't know what it was

770

00:32:05,810 --> 00:32:02,220

but I hope she does get back to me I

771

00:32:10,070 --> 00:32:08,210

uh

772

00:32:11,450 --> 00:32:10,080

um Marla

773

00:32:13,250 --> 00:32:11,460

Snyder

774

00:32:16,850 --> 00:32:13,260

do you think the clicking sounds are a

775

00:32:19,549 --> 00:32:16,860

threat or intimidation or tactic

776

00:32:23,149 --> 00:32:19,559

they could be

777

00:32:26,450 --> 00:32:23,159

um

778

00:32:28,789 --> 00:32:26,460

they could be some type of warning

779

00:32:32,870 --> 00:32:30,710

could it be like a sonar type of thing

780

00:32:34,549 --> 00:32:32,880

where they're kind of bouncing sounds

781

00:32:36,769 --> 00:32:34,559

all I don't know

782

00:32:39,110 --> 00:32:36,779

I don't know I don't know what it was

783

00:32:42,789 --> 00:32:39,120

but it's interesting that's the first

784

00:32:44,810 --> 00:32:42,799

one I remember of any any of the um

785

00:32:47,570 --> 00:32:44,820

the um

786

00:32:50,029 --> 00:32:47,580

Glimmer Man reports that a that I can

787

00:32:51,830 --> 00:32:50,039

remember of any clicking sounds or any

788

00:32:54,669 --> 00:32:51,840

sounds whatsoever

789

00:32:56,870 --> 00:32:54,679

so uh that's it's interesting now Thomas

790

00:32:59,149 --> 00:32:56,880

Carroll has has there been any increase

791

00:33:01,070 --> 00:32:59,159

in activity with all the work they have

792

00:33:03,409 --> 00:33:01,080

been doing in gazburg yeah there has

793

00:33:06,169 --> 00:33:03,419

been I have been talking to people at

794

00:33:06,830 --> 00:33:06,179

Gettysburg I did mention not long ago

795

00:33:09,950 --> 00:33:06,840

um

796

00:33:12,470 --> 00:33:09,960

where there have been in the area around

797

00:33:14,330 --> 00:33:12,480

little round top and Thomas and

798

00:33:17,269 --> 00:33:14,340

Bernadette were with me

799

00:33:19,730 --> 00:33:17,279

when we were up there about a year back

800

00:33:22,330 --> 00:33:19,740

in November 2001.

801  
00:33:24,590 --> 00:33:22,340  
so you know the area so that whole area

802  
00:33:26,509 --> 00:33:24,600  
they they're they've got the whole area

803  
00:33:28,070 --> 00:33:26,519  
ripped up I mean they're changing

804  
00:33:31,730 --> 00:33:28,080  
everything up there

805  
00:33:33,950 --> 00:33:31,740  
and uh they're putting uh pads and

806  
00:33:35,330 --> 00:33:33,960  
moving things around make it easier

807  
00:33:37,070 --> 00:33:35,340  
access

808  
00:33:39,950 --> 00:33:37,080  
clean things up

809  
00:33:42,049 --> 00:33:39,960  
you know try to take any hazards away

810  
00:33:45,529 --> 00:33:42,059  
but people who have been working up

811  
00:33:46,430 --> 00:33:45,539  
there and I ran into I was at one of the

812  
00:33:49,610 --> 00:33:46,440  
um

813  
00:33:52,490 --> 00:33:49,620

one of the stores in Gettysburg

814

00:33:54,169 --> 00:33:52,500

where they sell artifacts and such and I

815

00:33:56,090 --> 00:33:54,179

did run into one of the guys who worked

816

00:33:58,009 --> 00:33:56,100

up there and he was telling me that

817

00:34:00,889 --> 00:33:58,019

they're running into all kinds of crazy

818

00:34:02,750 --> 00:34:00,899

stuff I mean large Stones being rolled

819

00:34:03,590 --> 00:34:02,760

down the hill

820

00:34:07,549 --> 00:34:03,600

um

821

00:34:12,829 --> 00:34:11,149

tools going missing people seeing acts

822

00:34:15,829 --> 00:34:12,839

people seeing things out of the corner

823

00:34:17,329 --> 00:34:15,839

of their eye hearing strange things

824

00:34:19,609 --> 00:34:17,339

uh

825

00:34:21,889 --> 00:34:19,619

you know sometimes when they come in

826

00:34:23,930 --> 00:34:21,899

early morning things are moved around so

827

00:34:26,710 --> 00:34:23,940

yeah there has been activity

828

00:34:28,849 --> 00:34:26,720

uh

829

00:34:31,010 --> 00:34:28,859

hopefully I can get some more

830

00:34:32,149 --> 00:34:31,020

information from some other folks who've

831

00:34:35,030 --> 00:34:32,159

been up there

832

00:34:36,829 --> 00:34:35,040

uh what I will do is when I do have

833

00:34:39,050 --> 00:34:36,839

access to some of the Rangers some of

834

00:34:41,510 --> 00:34:39,060

the people who work up there for the

835

00:34:42,950 --> 00:34:41,520

battlefield and uh do some of the tours

836

00:34:44,030 --> 00:34:42,960

and stuff I'll see what they have to say

837

00:34:46,190 --> 00:34:44,040

about it

838

00:34:49,250 --> 00:34:46,200

but uh yeah there definitely has been

839

00:34:51,409 --> 00:34:49,260

activity Tony BX Elan do you have any

840

00:34:53,089 --> 00:34:51,419

reports of dog man or Bigfoot scene

841

00:34:56,149 --> 00:34:53,099

together

842

00:34:59,270 --> 00:34:56,159

now they they seem to stay apart I don't

843

00:35:01,130 --> 00:34:59,280

have any of them being together

844

00:35:04,010 --> 00:35:01,140

um

845

00:35:05,870 --> 00:35:04,020

you know we have had incidents where

846

00:35:06,950 --> 00:35:05,880

they have been known to be in the same

847

00:35:09,109 --> 00:35:06,960

area

848

00:35:11,329 --> 00:35:09,119

but they do

849

00:35:13,250 --> 00:35:11,339

they do distance themselves apart from

850

00:35:14,089 --> 00:35:13,260

each other

851

00:35:16,550 --> 00:35:14,099

um

852

00:35:20,510 --> 00:35:16,560

west of me is misho State Forest which

853

00:35:23,030 --> 00:35:20,520

is only what about 25 miles from me

854

00:35:24,890 --> 00:35:23,040

and uh we've got both dog man and

855

00:35:27,050 --> 00:35:24,900

Bigfoot up there and it's well known for

856

00:35:29,329 --> 00:35:27,060

bigfoot activity and there's been

857

00:35:31,730 --> 00:35:29,339

upright canine activity up there as well

858

00:35:35,210 --> 00:35:31,740

but as far as

859

00:35:37,190 --> 00:35:35,220

activity or you know together or people

860

00:35:42,530 --> 00:35:37,200

seen them together no that just has not

861

00:35:42,540 --> 00:35:46,790

okay

862

00:35:50,810 --> 00:35:49,250

any other questions before I roll out of

863

00:35:52,550 --> 00:35:50,820

here

864

00:35:53,990 --> 00:35:52,560

as you can probably tell my voice is

865

00:36:03,829 --> 00:35:54,000

getting a little weak

866

00:36:10,310 --> 00:36:06,950

okay uh burning down wants to know uh

867

00:36:12,770 --> 00:36:10,320

what about your recent not deer story

868

00:36:17,450 --> 00:36:12,780

okay which one was that I can't think of

869

00:36:26,210 --> 00:36:19,790

maybe yeah I I don't know I'll have to

870

00:36:26,220 --> 00:36:30,349

I tell you one thing that I do know

871

00:36:35,569 --> 00:36:33,410

ever since the sergers and everything my

872

00:36:42,530 --> 00:36:35,579

I'm kind of forgetful about a lot of

873

00:36:57,650 --> 00:36:45,530

yeah I I I don't know which one it is I

874

00:37:01,250 --> 00:36:59,680

uh the one where it was running into

875

00:37:04,069 --> 00:37:01,260

[Music]

876

00:37:05,329 --> 00:37:04,079

a tree and talking to the witness all

877

00:37:10,370 --> 00:37:05,339

that

878

00:37:13,670 --> 00:37:11,750

you know I don't know what to think

879

00:37:16,609 --> 00:37:13,680

about that

880

00:37:20,329 --> 00:37:18,770

that was the that was the U.S marine

881

00:37:23,510 --> 00:37:20,339

corporal

882

00:37:27,050 --> 00:37:23,520

who had to encounter a Quantico base if

883

00:37:29,030 --> 00:37:27,060

I remember correctly let me pull it up

884

00:37:31,730 --> 00:37:29,040

yeah the guy used to suited him and

885

00:37:33,770 --> 00:37:31,740

everything it was um that was an account

886

00:37:35,690 --> 00:37:33,780

that was sent to me by one of my

887

00:37:39,890 --> 00:37:35,700

researchers

888

00:37:44,930 --> 00:37:42,170

on a TV show I don't know what they ran

889

00:37:47,870 --> 00:37:44,940

into but I have heard from one other

890

00:37:50,810 --> 00:37:47,880

person who was stationed at Quantico

891

00:37:53,210 --> 00:37:50,820

at the at the Marine base that

892

00:37:54,890 --> 00:37:53,220

there it does have a reputation for a

893

00:37:56,210 --> 00:37:54,900

lot of weird things that go on up there

894

00:37:59,690 --> 00:37:56,220

so I don't know

895

00:38:02,329 --> 00:37:59,700

I don't know what that thing was

896

00:38:04,310 --> 00:38:02,339

I wish I did have a chance to talk maybe

897

00:38:09,710 --> 00:38:04,320

I can

898

00:38:12,530 --> 00:38:09,720

somehow though I don't have his name he

899

00:38:14,089 --> 00:38:12,540

used an anonymous name in the TV show

900

00:38:16,010 --> 00:38:14,099

I'm quite sure isn't going to give out

901  
00:38:19,069 --> 00:38:16,020  
any information

902  
00:38:21,470 --> 00:38:19,079  
so Crowley has lawn hunting here in

903  
00:38:23,270 --> 00:38:21,480  
Southwest Pennsylvania I feel like

904  
00:38:25,250 --> 00:38:23,280  
something has been around well that may

905  
00:38:26,690 --> 00:38:25,260  
very well be Southwest Pennsylvania is

906  
00:38:29,030 --> 00:38:26,700  
very active

907  
00:38:30,589 --> 00:38:29,040  
a lot of stuff going on out there Greene

908  
00:38:31,870 --> 00:38:30,599  
County and Washington County are very

909  
00:38:37,069 --> 00:38:31,880  
active

910  
00:38:41,450 --> 00:38:39,230  
I had a real weird story out of there

911  
00:38:45,589 --> 00:38:41,460  
years ago

912  
00:38:47,870 --> 00:38:45,599  
um I might I might pull it up the guy

913  
00:38:49,550 --> 00:38:47,880

called it a dark Walker I don't know it

914

00:38:52,609 --> 00:38:49,560

was a Bigfoot or what it was but I'll

915

00:38:54,589 --> 00:38:52,619

pull that up and talk about in on one of

916

00:38:58,550 --> 00:38:54,599

the upcoming shows

917

00:39:01,130 --> 00:38:58,560

Jose Sanchez any news on the night

918

00:39:02,390 --> 00:39:01,140

919

00:39:03,650 --> 00:39:02,400

920

00:39:06,770 --> 00:39:03,660

either

921

00:39:09,650 --> 00:39:06,780

922

00:39:13,970 --> 00:39:11,210

you know I

923

00:39:16,370 --> 00:39:13,980

you know we get all these um we get all

924

00:39:18,710 --> 00:39:16,380

these pale humanoid reports

925

00:39:21,829 --> 00:39:18,720

and sometimes you hear something about

926  
00:39:24,050 --> 00:39:21,839  
it and you know you you may think well

927  
00:39:25,790 --> 00:39:24,060  
maybe he has something to do with those

928  
00:39:28,730 --> 00:39:25,800  
night Walkers or

929  
00:39:30,349 --> 00:39:28,740  
whatever the the Fresno night crawlers

930  
00:39:31,250 --> 00:39:30,359  
or where you want to call those I don't

931  
00:39:33,050 --> 00:39:31,260  
know

932  
00:39:37,370 --> 00:39:33,060  
but no I had I haven't heard anything

933  
00:39:42,230 --> 00:39:40,670

00:40:24,050 --> 00:40:20,579

uh not as much pain so hopefully we can

954

00:40:25,910 --> 00:40:24,060

continue this at a steady pace

955

00:40:28,730 --> 00:40:25,920

um I'm probably going to continue doing

956

00:40:32,030 --> 00:40:28,740

the personal report shows for the most

957

00:40:34,010 --> 00:40:32,040

part until I decide when I do any type

958

00:40:36,170 --> 00:40:34,020

of round tables or any guest appearances

959

00:40:37,849 --> 00:40:36,180

but in the meantime you know I've got

960

00:40:40,670 --> 00:40:37,859

all this stuff

961

00:40:42,170 --> 00:40:40,680

in my archive and uh you know I get a

962

00:40:44,210 --> 00:40:42,180

lot of stuff every day so I'm going to

963

00:40:45,950 --> 00:40:44,220

continue doing that and as long as

964

00:40:48,829 --> 00:40:45,960

people enjoy it I'm going to keep on

965

00:40:50,990 --> 00:40:48,839

doing it so until we meet again stay

966

00:41:02,880 --> 00:40:51,000
