THURSDAY, APRIL 13TH - 8PM ET / 5PM PT

1
00:01:02,110 --> 00:00:00,190
foreign

2
00:01:05,630 --> 00:01:04,310
hi everyone

3
00:01:07,789 --> 00:01:05,640
um I want to welcome you to the show

4
00:01:09,530 --> 00:01:07,799
tonight and thank you so much for

5
00:01:11,870 --> 00:01:09,540
joining us so tonight we're going to be

6
00:01:13,490 --> 00:01:11,880
doing a little question and answer

7
00:01:15,350 --> 00:01:13,500
um lawn's going to be joining me for

8
00:01:16,850 --> 00:01:15,360
that and we're just going to keep it

9
00:01:19,550 --> 00:01:16,860
laid back whatever you guys want to talk

10
00:01:23,330 --> 00:01:19,560
about basically lawn might have some

11
00:01:25,130 --> 00:01:23,340
stories to share so ask us whatever

12
00:01:27,590 --> 00:01:25,140
um I'm going to remind you to like share

13
00:01:30,410 --> 00:01:27,600

subscribe and the Super Chat is now open

14

00:01:31,969 --> 00:01:30,420

when you guys do ask us questions I want

15

00:01:34,310 --> 00:01:31,979

to remind you to put it in caps so we

16

00:01:36,170 --> 00:01:34,320

can catch it all right so let's get

17

00:01:38,569 --> 00:01:36,180

London here

18

00:01:40,310 --> 00:01:38,579

hi lawn

19

00:01:45,050 --> 00:01:40,320

what's up

20

00:01:49,990 --> 00:01:48,649

yeah I mean yeah there's not a whole lot

21

00:01:52,910 --> 00:01:50,000

going on

22

00:01:54,490 --> 00:01:52,920

so how's your week been

23

00:01:58,130 --> 00:01:54,500

it's been busy

24

00:01:59,510 --> 00:01:58,140

busy yeah I mean a few odds and ends got

25

00:02:01,730 --> 00:01:59,520

to take care of here and there other

26

00:02:04,370 --> 00:02:01,740

than the show and stuff I mean in in the

27

00:02:12,010 --> 00:02:04,380

blog it just seems like you know a whole

28

00:02:18,290 --> 00:02:15,229

so what's what's new with the blog what

29

00:02:21,410 --> 00:02:18,300

new stories have you gotten yeah I mean

30

00:02:23,690 --> 00:02:21,420

nothing you know about the same Fair it

31

00:02:25,670 --> 00:02:23,700

has been really up heavy with a lot of

32

00:02:26,809 --> 00:02:25,680

different things

33

00:02:28,869 --> 00:02:26,819

um

34

00:02:32,210 --> 00:02:28,879

honestly

35

00:02:35,990 --> 00:02:32,220

I haven't been receiving a whole lot of

36

00:02:39,290 --> 00:02:36,000

a whole lot of reports from folks

37

00:02:41,750 --> 00:02:39,300

um I've got my researcher looking all

38

00:02:43,610 --> 00:02:41,760

the time I got I do have a guy who does

39

00:02:46,190 --> 00:02:43,620

some research for me

40

00:02:48,229 --> 00:02:46,200

and uh he's been sending me a few things

41

00:02:49,729 --> 00:02:48,239

I get a few other things coming in here

42

00:02:54,470 --> 00:02:49,739

and there but it has been really a whole

43

00:02:57,290 --> 00:02:54,480

lot uh a lot of order cases show up

44

00:02:59,690 --> 00:02:57,300

but as far as any recent you know here

45

00:03:02,150 --> 00:02:59,700

and there not a whole lot I tell you

46

00:03:06,610 --> 00:03:02,160

much less um

47

00:03:10,190 --> 00:03:06,620

much less Bigfoot as can as normal

48

00:03:12,170 --> 00:03:10,200

uh usually that's the standard fare but

49

00:03:13,790 --> 00:03:12,180

quite frankly it's been kind of slow

50

00:03:17,330 --> 00:03:13,800

with that lately

51
00:03:22,009 --> 00:03:17,340
uh even upright canines so you know I

52
00:03:24,290 --> 00:03:22,019
kind of get whatever comes my way and uh

53
00:03:26,990 --> 00:03:24,300
you know hopefully

54
00:03:29,930 --> 00:03:27,000
hopefully it'll pick up we'll see the

55
00:03:31,910 --> 00:03:29,940
weather gets nicer summer's coming it

56
00:03:34,910 --> 00:03:31,920
yeah yeah it's gonna pick up Summer

57
00:03:36,890 --> 00:03:34,920
summer's coming so be prepared so but

58
00:03:39,470 --> 00:03:36,900
yeah and you've gotten a lot of not deer

59
00:03:44,110 --> 00:03:39,480
cases haven't you like that one that you

60
00:03:48,770 --> 00:03:46,009
they are

61
00:03:50,869 --> 00:03:48,780
I don't know I you know

62
00:03:54,170 --> 00:03:50,879
I get people asking me about being

63
00:03:56,390 --> 00:03:54,180

wasting disease or some other type of uh

64

00:03:58,369 --> 00:03:56,400

sickness or something involved with deer

65

00:04:01,190 --> 00:03:58,379

populations especially with a whitetail

66

00:04:04,070 --> 00:04:01,200

deer uh

67

00:04:06,530 --> 00:04:04,080

we we used to get you know most of them

68

00:04:07,789 --> 00:04:06,540

seemed emanate from the East Coast you

69

00:04:10,610 --> 00:04:07,799

know there was a while there we were

70

00:04:13,850 --> 00:04:10,620

getting a lot of them out no

71

00:04:16,729 --> 00:04:13,860

out in the Rockies and such but most

72

00:04:19,030 --> 00:04:16,739

recently it's been more um

73

00:04:21,770 --> 00:04:19,040

it's been more on the East Coast

74

00:04:24,530 --> 00:04:21,780

uh but

75

00:04:28,610 --> 00:04:24,540

it's usually in areas where people

76
00:04:30,710 --> 00:04:28,620
are moving around a lot just like the um

77
00:04:32,629 --> 00:04:30,720
just like the Appalachian Trail and such

78
00:04:34,670 --> 00:04:32,639
I get a lot of them on the trails a lot

79
00:04:37,070 --> 00:04:34,680
of the well-known trails and things I

80
00:04:39,950 --> 00:04:37,080
guess people just happen to notice them

81
00:04:41,689 --> 00:04:39,960
so I mean I don't really think it's it's

82
00:04:44,390 --> 00:04:41,699
a

83
00:04:46,430 --> 00:04:44,400
you know it's uh

84
00:04:49,010 --> 00:04:46,440
I mean it's a phenomena that people are

85
00:04:50,930 --> 00:04:49,020
seeing I mean now whatever what it is I

86
00:04:53,510 --> 00:04:50,940
I don't know if it's just some type of

87
00:04:56,570 --> 00:04:53,520
defect mutation or whatever it could

88
00:05:00,110 --> 00:04:56,580

very well be but they're um

89

00:05:02,450 --> 00:05:00,120

they are a bit strange so uh yeah

90

00:05:05,030 --> 00:05:02,460

and the last one that you had a case of

91

00:05:08,390 --> 00:05:05,040

or at least a report about that one

92

00:05:11,390 --> 00:05:08,400

talked so deer don't normally talk

93

00:05:12,950 --> 00:05:11,400

so that that was weird I I can I can

94

00:05:16,730 --> 00:05:12,960

honestly say that the only one I've ever

95

00:05:19,070 --> 00:05:16,740

gotten were talked so

96

00:05:21,650 --> 00:05:19,080

um so that's what he said it was I mean

97

00:05:23,870 --> 00:05:21,660

this guy was in service so um

98

00:05:25,430 --> 00:05:23,880

you know and you know it's interesting a

99

00:05:27,350 --> 00:05:25,440

lot of these sightings that I get from

100

00:05:28,790 --> 00:05:27,360

service people especially around us

101
00:05:31,430 --> 00:05:28,800
bases

102
00:05:33,409 --> 00:05:31,440
are pretty strange uh

103
00:05:35,450 --> 00:05:33,419
for whatever reason there just seemed to

104
00:05:39,350 --> 00:05:35,460
be a lot of things going on around these

105
00:05:41,870 --> 00:05:39,360
these bases um these military bases

106
00:05:44,990 --> 00:05:41,880
a lot of times

107
00:05:47,330 --> 00:05:45,000
they um they allow Hunters to come in if

108
00:05:49,430 --> 00:05:47,340
the base is really stretched out got a

109
00:05:51,529 --> 00:05:49,440
lot of got a lot of woods and stuff on

110
00:05:53,529 --> 00:05:51,539
it I know down in Georgia several the

111
00:05:56,510 --> 00:05:53,539
places down there do that

112
00:05:58,790 --> 00:05:56,520
but um

113
00:06:00,350 --> 00:05:58,800

they they do happen to see a lot of

114

00:06:03,170 --> 00:06:00,360

weird things and of course

115

00:06:05,510 --> 00:06:03,180

there's more territory for for the for

116

00:06:08,810 --> 00:06:05,520

them to have to guard so they're out out

117

00:06:11,210 --> 00:06:08,820

in the boonies a lot and uh they do

118

00:06:13,430 --> 00:06:11,220

happen to see a lot of things so yeah we

119

00:06:15,469 --> 00:06:13,440

get a lot of good reports from from

120

00:06:17,450 --> 00:06:15,479

military

121

00:06:20,270 --> 00:06:17,460

what's your favorite report that you've

122

00:06:23,330 --> 00:06:20,280

gotten from a military person oh God oh

123

00:06:26,809 --> 00:06:24,950

uh oh I don't know there's a couple of

124

00:06:30,350 --> 00:06:26,819

them there were there was one report

125

00:06:32,990 --> 00:06:30,360

where um and you know I I it was it I

126
00:06:38,210 --> 00:06:33,000
had trouble even verifying this

127
00:06:44,570 --> 00:06:41,150
uh out of the Smoky Mountains in on the

128
00:06:47,870 --> 00:06:44,580
Tennessee side where it was apparently

129
00:06:49,790 --> 00:06:47,880
military and it came from what I was

130
00:06:51,770 --> 00:06:49,800
told from Navy intelligence but they

131
00:06:54,110 --> 00:06:51,780
they sent a bunch of seals in

132
00:06:55,850 --> 00:06:54,120
to eliminate a tribe of Bigfoot

133
00:06:58,129 --> 00:06:55,860
apparently they were messing things up

134
00:07:00,230 --> 00:06:58,139
attacking people and such there wasn't a

135
00:07:03,050 --> 00:07:00,240
whole lot about it uh you know I was

136
00:07:05,450 --> 00:07:03,060
kind of it was kind of a spurious report

137
00:07:07,430 --> 00:07:05,460
but everything they were telling me in

138
00:07:10,129 --> 00:07:07,440

the locations and stuff all panned out

139

00:07:13,309 --> 00:07:10,139

so I don't know how true it was and of

140

00:07:17,210 --> 00:07:13,319

course we we get a uh some a lot of your

141

00:07:18,469 --> 00:07:17,220

cases you know are interesting uh I had

142

00:07:20,930 --> 00:07:18,479

one

143

00:07:22,790 --> 00:07:20,940

out of uh and I forget that he was in

144

00:07:23,990 --> 00:07:22,800

Georgia it was an Old Camp during World

145

00:07:27,290 --> 00:07:24,000

War II

146

00:07:29,689 --> 00:07:27,300

well they had upright canines in the

147

00:07:32,809 --> 00:07:29,699

area and a lot of service people were

148

00:07:36,290 --> 00:07:32,819

seeing them so yeah yeah we do get a few

149

00:07:38,570 --> 00:07:36,300

decent ones once in a while so

150

00:07:40,670 --> 00:07:38,580

they sound like it so we do have some

151
00:07:42,469 --> 00:07:40,680
questions already

152
00:07:46,029 --> 00:07:42,479
um Marla wants to know any recent

153
00:07:51,830 --> 00:07:48,950
not really

154
00:08:00,110 --> 00:07:55,010
normally

155
00:08:02,270 --> 00:08:00,120
mistaken identities from what I can tell

156
00:08:05,150 --> 00:08:02,280
but a lot of times the ones we get out

157
00:08:07,249 --> 00:08:05,160
of the Midwest we pay it a lot more

158
00:08:09,050 --> 00:08:07,259
attention to because for whatever reason

159
00:08:12,230 --> 00:08:09,060
there seemed to be

160
00:08:14,629 --> 00:08:12,240
uh up the Upper Midwest particular there

161
00:08:16,909 --> 00:08:14,639
hadn't be a lot of uh so-called

162
00:08:20,089 --> 00:08:16,919
Thunderbird sightings large wing beat

163
00:08:21,650 --> 00:08:20,099

Wing creatures avian sighting Lord

164

00:08:23,629 --> 00:08:21,660

Xavian sightings

165

00:08:25,150 --> 00:08:23,639

in the Upper Midwest particularly

166

00:08:26,869 --> 00:08:25,160

Illinois Indiana

167

00:08:29,450 --> 00:08:26,879

[Music]

168

00:08:31,550 --> 00:08:29,460

uh maybe up in Wisconsin occasionally

169

00:08:33,769 --> 00:08:31,560

but yeah we do get a few sightings up

170

00:08:36,110 --> 00:08:33,779

there but more recently no I just

171

00:08:37,269 --> 00:08:36,120

haven't gotten a whole lot of anything

172

00:08:39,649 --> 00:08:37,279

um

173

00:08:41,930 --> 00:08:39,659

you know it's an oldest is an old report

174

00:08:43,790 --> 00:08:41,940

somebody will send in to me but no I

175

00:08:46,430 --> 00:08:43,800

just

176

00:08:48,590 --> 00:08:46,440

and bitter a whole lot

177

00:08:49,790 --> 00:08:48,600

well the Cryptids knew that you were you

178

00:08:51,490 --> 00:08:49,800

know out of the commission for a while

179

00:08:53,750 --> 00:08:51,500

so they're like we're going to back off

180

00:08:55,970 --> 00:08:53,760

the big guys snug around we're gonna

181

00:08:59,090 --> 00:08:55,980

back up that is true you know that is

182

00:09:01,430 --> 00:08:59,100

interesting though because uh a lot of

183

00:09:04,850 --> 00:09:01,440

them um

184

00:09:06,710 --> 00:09:04,860

uh a lot of I I have deciding reports

185

00:09:09,530 --> 00:09:06,720

have Wayne Dawson's like you know after

186

00:09:11,329 --> 00:09:09,540

I had the surgeries and stuff so uh I

187

00:09:14,329 --> 00:09:11,339

don't know if people thought I'd

188

00:09:16,490 --> 00:09:14,339

was wasn't doing it anymore or whatever

189

00:09:20,150 --> 00:09:16,500

um but uh no you know but you're right

190

00:09:24,829 --> 00:09:22,550

well like I said summer's coming and

191

00:09:26,509 --> 00:09:24,839

definitely though yeah it'll be it'll

192

00:09:28,070 --> 00:09:26,519

pick up

193

00:09:29,470 --> 00:09:28,080

then you'll be so busy you won't know

194

00:09:33,590 --> 00:09:29,480

what to do

195

00:09:41,509 --> 00:09:37,070

short order of cook one let's see do you

196

00:09:46,970 --> 00:09:45,290

no there's no real evidence of that

197

00:09:48,889 --> 00:09:46,980

since a lot of sightings are in the

198

00:09:50,750 --> 00:09:48,899

winter time

199

00:09:53,810 --> 00:09:50,760

um

200

00:09:56,030 --> 00:09:53,820

you know I don't know of other large

201

00:09:58,490 --> 00:09:56,040

primates or

202

00:10:00,889 --> 00:09:58,500

that do that

203

00:10:03,889 --> 00:10:00,899

I I think some grills may actually do

204

00:10:05,990 --> 00:10:03,899

that but I I don't know uh they you know

205

00:10:08,210 --> 00:10:06,000

as far as being in warmer climates I

206

00:10:11,650 --> 00:10:08,220

don't know if they do or not but there

207

00:10:14,030 --> 00:10:11,660

there's actually no evidence of uh of uh

208

00:10:16,430 --> 00:10:14,040

Bigfoot or Sasquatch or whatever you

209

00:10:19,550 --> 00:10:16,440

want to call them actually hibernating

210

00:10:21,410 --> 00:10:19,560

let alone migrating I mean people have

211

00:10:22,370 --> 00:10:21,420

talked about them migrating to certain

212

00:10:26,269 --> 00:10:22,380

areas

213

00:10:29,269 --> 00:10:26,279

for food and you know for whatever

214

00:10:31,730 --> 00:10:29,279

and uh it just there's just no real

215

00:10:34,250 --> 00:10:31,740

evidence of it uh you know Butch and I

216

00:10:37,130 --> 00:10:34,260

looked into that a lot for a while

217

00:10:39,170 --> 00:10:37,140

and uh we just really never found

218

00:10:41,090 --> 00:10:39,180

anything the only thing that we did find

219

00:10:42,530 --> 00:10:41,100

that was interesting and we were looking

220

00:10:45,050 --> 00:10:42,540

particularly

221

00:10:46,670 --> 00:10:45,060

along the the Blue Ridge and the

222

00:10:49,069 --> 00:10:46,680

Appalachians from

223

00:10:49,910 --> 00:10:49,079

central Pennsylvania down into

224

00:10:52,730 --> 00:10:49,920

um

225

00:10:54,050 --> 00:10:52,740

down into uh Southern

226

00:10:55,430 --> 00:10:54,060

Duff

227

00:10:58,009 --> 00:10:55,440

Virginia

228

00:11:01,069 --> 00:10:58,019

there's there seem to be some movement

229

00:11:03,710 --> 00:11:01,079

of uh specific

230

00:11:06,889 --> 00:11:03,720

either Bigfoot or even upright canines

231

00:11:12,050 --> 00:11:10,190

if they do move those species do move

232

00:11:14,569 --> 00:11:12,060

they they must be staying away from each

233

00:11:16,970 --> 00:11:14,579

other because uh and you know a lot this

234

00:11:20,389 --> 00:11:16,980

is another thing we did find out that

235

00:11:24,050 --> 00:11:20,399

looking at the reports especially coming

236

00:11:26,389 --> 00:11:24,060

out of the Blue Ridge uh

237

00:11:28,790 --> 00:11:26,399

a lot a lot of the Bigfoot sightings

238

00:11:33,110 --> 00:11:28,800

were in lower elevations or valleys and

239

00:11:35,870 --> 00:11:33,120

such and the uh the upright canines a

240

00:11:37,850 --> 00:11:35,880

lot of those were up in the higher in

241

00:11:38,750 --> 00:11:37,860

the elevations higher elevations up the

242

00:11:41,150 --> 00:11:38,760

mountains

243

00:11:44,090 --> 00:11:41,160

so uh is that a way they stay away from

244

00:11:46,069 --> 00:11:44,100

I don't know I I don't know but it does

245

00:11:49,730 --> 00:11:46,079

seem to be there

246

00:11:51,710 --> 00:11:49,740

do you think the dog men do hibernate

247

00:11:53,449 --> 00:11:51,720

I don't think they hibernate

248

00:11:56,030 --> 00:11:53,459

no no I don't think any of them

249

00:11:58,550 --> 00:11:56,040

hibernate

250

00:12:00,350 --> 00:11:58,560

yeah I mean like I said you know I we

251
00:12:02,329 --> 00:12:00,360
just haven't seen that and as

252
00:12:03,350 --> 00:12:02,339
specifically because we get reports year

253
00:12:06,170 --> 00:12:03,360
round

254
00:12:08,990 --> 00:12:06,180
so uh I mean if they are hibernating you

255
00:12:11,389 --> 00:12:09,000
know it's not all of them and uh

256
00:12:14,690 --> 00:12:11,399
you know I don't know what real reason

257
00:12:15,710 --> 00:12:14,700
it would be hibernating for

258
00:12:17,210 --> 00:12:15,720
um

259
00:12:18,590 --> 00:12:17,220
you know I don't you know when you're

260
00:12:19,670 --> 00:12:18,600
talking about hibernation you're talking

261
00:12:22,310 --> 00:12:19,680
about

262
00:12:25,490 --> 00:12:22,320
you know some type of

263
00:12:28,730 --> 00:12:25,500

being going into you know slowing down a

264

00:12:32,509 --> 00:12:28,740

heart rate slowing down metabolism and

265

00:12:36,230 --> 00:12:32,519

basically out of it for several months

266

00:12:39,350 --> 00:12:36,240

and since they probably are primate

267

00:12:41,150 --> 00:12:39,360

I I just don't see where that that

268

00:12:43,850 --> 00:12:41,160

happens

269

00:12:48,530 --> 00:12:43,860

you know bears do it other animals do it

270

00:12:50,990 --> 00:12:48,540

but as far as a primate I I just don't

271

00:12:53,350 --> 00:12:51,000

I just don't think that that happens

272

00:12:55,310 --> 00:12:53,360

yeah

273

00:12:58,310 --> 00:12:55,320

that's an interesting thought though

274

00:12:59,350 --> 00:12:58,320

that really is yeah uh let's see our

275

00:13:04,850 --> 00:12:59,360

next

276

00:13:10,370 --> 00:13:04,860

question is from are you do or or

277

00:13:16,490 --> 00:13:12,650

well occasionally someone will say they

278

00:13:19,730 --> 00:13:16,500

heard the vocalizations from a Bigfoot

279

00:13:22,009 --> 00:13:19,740

uh I don't know if you want to call it

280

00:13:24,230 --> 00:13:22,019

talking they do seem to try to

281

00:13:27,710 --> 00:13:24,240

communicate occasionally

282

00:13:31,129 --> 00:13:27,720

among themselves some people have stated

283

00:13:32,269 --> 00:13:31,139

that they have seen them try to do it

284

00:13:37,310 --> 00:13:32,279

um

285

00:13:38,990 --> 00:13:37,320

all subjective

286

00:13:41,690 --> 00:13:39,000

um I don't know

287

00:13:45,230 --> 00:13:41,700

um but I no I I you know you do hear

288

00:13:53,990 --> 00:13:45,240

something once in a while uh but as far

289

00:13:57,530 --> 00:13:55,370

that would be interesting though

290

00:14:00,050 --> 00:13:57,540

wouldn't it

291

00:14:02,210 --> 00:14:00,060

well you know

292

00:14:04,490 --> 00:14:02,220

you hear all kinds of different things I

293

00:14:06,410 --> 00:14:04,500

mean you kind of got to take you know

294

00:14:07,850 --> 00:14:06,420

separate the wheat and chaff sometimes

295

00:14:10,190 --> 00:14:07,860

you know and especially when you get

296

00:14:13,490 --> 00:14:10,200

talk to the individual

297

00:14:15,350 --> 00:14:13,500

and see what they have to say and uh you

298

00:14:17,930 --> 00:14:15,360

know where they're coming from

299

00:14:20,509 --> 00:14:17,940

I usually can tell you if you buy into

300

00:14:21,710 --> 00:14:20,519

the story or not

301
00:14:24,410 --> 00:14:21,720
right

302
00:14:27,470 --> 00:14:24,420
Let's see we have another question from

303
00:14:34,790 --> 00:14:31,430
the b e k have an agenda is there a goal

304
00:14:42,170 --> 00:14:38,449
I don't know if there's an agenda I um

305
00:14:45,230 --> 00:14:42,180
I suppose it probably is

306
00:14:50,030 --> 00:14:45,240
um you know we had we had a something

307
00:14:53,030 --> 00:14:50,040
that we dug up last week about a um

308
00:14:56,030 --> 00:14:53,040
a possibility of ek's black-eyed kids

309
00:14:58,550 --> 00:14:56,040
being alien or alien beings

310
00:14:59,689 --> 00:14:58,560
I don't know how true that is I I you

311
00:15:03,590 --> 00:14:59,699
know I've

312
00:15:06,410 --> 00:15:03,600
who swear they are by the way they move

313
00:15:08,569 --> 00:15:06,420

by the way they do things

314

00:15:13,250 --> 00:15:11,509

but I think I I if it is alien I think

315

00:15:15,889 --> 00:15:13,260

it's there's also some type of

316

00:15:18,050 --> 00:15:15,899

possession involved I don't necessarily

317

00:15:20,810 --> 00:15:18,060

believe it it's it's just like an alien

318

00:15:23,090 --> 00:15:20,820

being that manifests or transforms into

319

00:15:25,250 --> 00:15:23,100

a human I think there's some type of

320

00:15:26,230 --> 00:15:25,260

Consciousness that may be imparted on

321

00:15:32,030 --> 00:15:26,240

them

322

00:15:35,810 --> 00:15:34,009

and they're very odd they are because

323

00:15:38,689 --> 00:15:35,820

some of them are dressed in like vintage

324

00:15:40,910 --> 00:15:38,699

clothes and things like that that's

325

00:15:43,550 --> 00:15:40,920

that's very spooky

326

00:15:47,689 --> 00:15:43,560

you have to work like can they time

327

00:15:49,670 --> 00:15:47,699

travel do you think they can time travel

328

00:15:51,769 --> 00:15:49,680

or do you think that's they're just sent

329

00:15:54,949 --> 00:15:51,779

here like that because that's what they

330

00:15:57,050 --> 00:15:54,959

think we dress like still

331

00:16:00,410 --> 00:15:57,060

you know I I actually think the

332

00:16:02,090 --> 00:16:00,420

black-eyed kids are actually humans

333

00:16:07,730 --> 00:16:02,100

um

334

00:16:11,870 --> 00:16:09,949

it's interesting they're they're

335

00:16:14,449 --> 00:16:11,880

whatever they are they're creepy and I

336

00:16:17,110 --> 00:16:14,459

never went to see them I never want to

337

00:16:23,030 --> 00:16:19,970

what class story do you have that you

338

00:16:27,829 --> 00:16:23,040

designed like has anyone ever let them

339

00:16:27,839 --> 00:16:31,430

what's that again

340

00:16:37,910 --> 00:16:34,490

has anyone ever let a black-eyed kid in

341

00:16:39,769 --> 00:16:37,920

and survive to tell the tale

342

00:16:41,990 --> 00:16:39,779

I think um

343

00:16:44,689 --> 00:16:42,000

there have been some where people have

344

00:16:47,030 --> 00:16:44,699

let them in uh

345

00:16:48,650 --> 00:16:47,040

where

346

00:16:51,110 --> 00:16:48,660

they're not they're out back out the

347

00:16:53,509 --> 00:16:51,120

door pretty quickly uh for whatever

348

00:16:55,730 --> 00:16:53,519

reasons most of the cases when when

349

00:16:58,310 --> 00:16:55,740

they're in there they talk about coming

350

00:17:00,350 --> 00:16:58,320

in to get out of the cold or to use the

351

00:17:02,870 --> 00:17:00,360

phone or get a drink or this and that

352

00:17:06,710 --> 00:17:02,880

and then when they do get in their noses

353

00:17:08,569 --> 00:17:06,720

around and the person usually kicks them

354

00:17:11,090 --> 00:17:08,579

out pretty quickly

355

00:17:13,010 --> 00:17:11,100

uh they can get aggressive they have

356

00:17:14,990 --> 00:17:13,020

gotten aggressive with people who refuse

357

00:17:21,470 --> 00:17:15,000

to do what they asked them to do

358

00:17:26,390 --> 00:17:22,990

yeah

359

00:17:28,250 --> 00:17:26,400

that's that's right you have a question

360

00:17:30,289 --> 00:17:28,260

let me put this up

361

00:17:33,169 --> 00:17:30,299

going to be longer I'm not sure if the

362

00:17:36,970 --> 00:17:33,179

thing should there it is uh for Marcus

363

00:17:40,130 --> 00:17:36,980

on May 27 2022 on Phantoms and monsters

364

00:17:42,110 --> 00:17:40,140

lawn you had two

365

00:17:44,570 --> 00:17:42,120

the story of two tourists in Northern

366

00:17:46,610 --> 00:17:44,580

Finland running across a creature that

367

00:17:49,310 --> 00:17:46,620

was the description that sounds like it

368

00:17:52,610 --> 00:17:49,320

was living in or a living Neanderthal

369

00:17:57,590 --> 00:17:55,130

no that was that case was actually sent

370

00:18:00,830 --> 00:17:57,600

to me by Callen Campbell over at uh

371

00:18:01,490 --> 00:18:00,840

expanded perspectives

372

00:18:03,650 --> 00:18:01,500

um

373

00:18:06,350 --> 00:18:03,660

that witness never talked to me

374

00:18:09,230 --> 00:18:06,360

personally but I did

375

00:18:12,289 --> 00:18:09,240

you know I did look into it the best I

376

00:18:14,510 --> 00:18:12,299

could it you know it was

377

00:18:15,770 --> 00:18:14,520

it was interesting because if I remember

378

00:18:20,210 --> 00:18:15,780

right

379

00:18:28,310 --> 00:18:23,630

these bigfoot-like creatures

380

00:18:31,370 --> 00:18:28,320

were coming too close to the campsite

381

00:18:33,409 --> 00:18:31,380

and they really started to bother Roy

382

00:18:35,750 --> 00:18:33,419

started to buy the campers and it got to

383

00:18:37,850 --> 00:18:35,760

the point where they were at one point

384

00:18:41,210 --> 00:18:37,860

about less than eight foot

385

00:18:44,690 --> 00:18:41,220

from them uh they they kind of they kind

386

00:18:47,150 --> 00:18:44,700

of marked charged and a few other things

387

00:18:50,990 --> 00:18:47,160

but um

388

00:18:53,510 --> 00:18:51,000

yeah I mean Vincent had done a sketch so

389

00:18:57,830 --> 00:18:53,520

if you go up there

390

00:19:02,810 --> 00:19:00,529

if you can find it it like the date's

391

00:19:04,909 --> 00:19:02,820

right I just checked it

392

00:19:11,029 --> 00:19:04,919

um

393

00:19:14,570 --> 00:19:12,529

okay

394

00:19:17,570 --> 00:19:14,580

yeah I'll go ahead and I'll put it up on

395

00:19:21,710 --> 00:19:20,390

in the chat anybody wants to go there

396

00:19:24,230 --> 00:19:21,720

[Music]

397

00:19:28,730 --> 00:19:24,240

yeah

398

00:19:32,029 --> 00:19:28,740

interesting report because whatever it

399

00:19:34,370 --> 00:19:32,039

was it did seem like it was really

400

00:19:37,850 --> 00:19:34,380

it really occurred and it kind of shook

401
00:19:41,690 --> 00:19:37,860
the two the two per people up uh the guy

402
00:19:44,029 --> 00:19:41,700
was it was like a trip a a gift trip to

403
00:19:46,549 --> 00:19:44,039
a friend who wanted to go up into the

404
00:19:52,190 --> 00:19:46,559
northern reaches of Finland and they got

405
00:19:59,350 --> 00:19:53,870
it was like the gift that keeps on

406
00:20:03,830 --> 00:20:00,890
okay

407
00:20:08,570 --> 00:20:03,840
uh so let's see our next question is

408
00:20:12,230 --> 00:20:08,580
from Thomas let's see could be ek's in

409
00:20:13,789 --> 00:20:12,240
some cases be hunting certain people

410
00:20:16,310 --> 00:20:13,799
possibly

411
00:20:19,070 --> 00:20:16,320
you know it could be a lot like

412
00:20:22,130 --> 00:20:19,080
um I mean if there are alien possessed

413
00:20:23,990 --> 00:20:22,140

or other worldly possessed it may be

414

00:20:26,930 --> 00:20:24,000

something on the lines like when you get

415

00:20:29,930 --> 00:20:26,940

an abduction they seem to focus on

416

00:20:32,810 --> 00:20:29,940

certain individuals with abduction so

417

00:20:34,850 --> 00:20:32,820

maybe BK's got the same thing

418

00:20:37,150 --> 00:20:34,860

um but

419

00:20:40,850 --> 00:20:37,160

I don't know I don't know how they would

420

00:20:42,710 --> 00:20:40,860

distinctly pick people out

421

00:20:45,529 --> 00:20:42,720

um but who knows

422

00:20:47,270 --> 00:20:45,539

I I I guess it is I guess it is possible

423

00:20:50,330 --> 00:20:47,280

that there are

424

00:20:52,090 --> 00:20:50,340

there are certain cases uh but Cryptids

425

00:20:56,150 --> 00:20:52,100

where it does seem like certain people

426
00:20:58,370 --> 00:20:56,160
are are pegged to see them or you know

427
00:21:00,710 --> 00:20:58,380
and when others won't that happens

428
00:21:02,630 --> 00:21:00,720
that's where it's described a lot of

429
00:21:03,950 --> 00:21:02,640
times

430
00:21:21,169 --> 00:21:03,960
yeah

431
00:21:23,510 --> 00:21:21,179
so picking it back up okay from Marla do

432
00:21:30,649 --> 00:21:23,520
you think the FAE are generally good or

433
00:21:33,710 --> 00:21:31,490
um

434
00:21:34,909 --> 00:21:33,720
I I guess it depends which ones you run

435
00:21:37,029 --> 00:21:34,919
into

436
00:21:40,190 --> 00:21:37,039
I mean there are a lot of Legends about

437
00:21:41,930 --> 00:21:40,200
personalities and the mannerisms of each

438
00:21:44,090 --> 00:21:41,940

one

439

00:21:48,350 --> 00:21:46,490

I don't know I I guess if the

440

00:21:51,590 --> 00:21:48,360

Situation's right

441

00:21:52,970 --> 00:21:51,600

and them being diminutive and small and

442

00:21:54,649 --> 00:21:52,980

stacks and I guess they get a little

443

00:21:57,470 --> 00:21:54,659

freaked out with bigger people around

444

00:21:58,730 --> 00:21:57,480

them maybe they can you know maybe they

445

00:22:01,130 --> 00:21:58,740

can act up

446

00:22:03,409 --> 00:22:01,140

uh if they've got some type of

447

00:22:04,909 --> 00:22:03,419

supernatural abilities I mean I guess

448

00:22:05,990 --> 00:22:04,919

they could

449

00:22:07,850 --> 00:22:06,000

you know

450

00:22:09,649 --> 00:22:07,860

could become either good or evil but

451

00:22:11,810 --> 00:22:09,659

it's hard to distinguish I I don't know

452

00:22:14,930 --> 00:22:11,820

which ones would actually be

453

00:22:16,730 --> 00:22:14,940

you know particularly which one

454

00:22:19,610 --> 00:22:16,740

um I've heard all kinds of different

455

00:22:22,610 --> 00:22:19,620

things but uh you know when you when you

456

00:22:24,409 --> 00:22:22,620

talk about Faye and in regard to like

457

00:22:27,169 --> 00:22:24,419

Ireland

458

00:22:28,789 --> 00:22:27,179

that you know up there they seem to be

459

00:22:31,850 --> 00:22:28,799

the most part

460

00:22:32,930 --> 00:22:31,860

pretty mischievous

461

00:22:35,210 --> 00:22:32,940

um

462

00:22:37,430 --> 00:22:35,220

some of the cases that we've heard about

463

00:22:39,649 --> 00:22:37,440

here in the U.S

464

00:22:41,750 --> 00:22:39,659

uh

465

00:22:42,610 --> 00:22:41,760

they seem to be mischievous for the most

466

00:22:44,870 --> 00:22:42,620

part

467

00:22:46,730 --> 00:22:44,880

but you know there have been other cases

468

00:22:49,669 --> 00:22:46,740

where they seem to just want to be left

469

00:22:53,750 --> 00:22:51,950

right

470

00:22:58,250 --> 00:22:53,760

yeah

471

00:23:01,970 --> 00:23:00,230

because I'm very interested in that as

472

00:23:04,450 --> 00:23:01,980

well

473

00:23:07,549 --> 00:23:04,460

yeah I mean I don't get a hold on

474

00:23:08,750 --> 00:23:07,559

I can say that yeah yeah well I don't

475

00:23:10,490 --> 00:23:08,760

get a whole lot

476

00:23:12,049 --> 00:23:10,500

um

477

00:23:13,970 --> 00:23:12,059

for whatever reason I don't know if

478

00:23:19,970 --> 00:23:13,980

people just aren't sending to me or

479

00:23:23,029 --> 00:23:21,950

do you think they're just that good at

480

00:23:25,070 --> 00:23:23,039

hiding

481

00:23:27,649 --> 00:23:25,080

like that you really have to be deep in

482

00:23:31,370 --> 00:23:27,659

the woods and like doing something to

483

00:23:33,110 --> 00:23:31,380

disturb them or make them angry that

484

00:23:35,510 --> 00:23:33,120

yeah they come out and they're just kind

485

00:23:39,049 --> 00:23:35,520

of like knock it off

486

00:23:42,350 --> 00:23:39,059

you know I I think in most cases with

487

00:23:45,010 --> 00:23:42,360

Cryptids and unexplained beans I think

488

00:23:48,890 --> 00:23:45,020

it depends a lot on the individual human

489

00:23:52,549 --> 00:23:48,900

who sees them I think some I mean some

490

00:23:54,230 --> 00:23:52,559

humans and I I'm sure you believe this

491

00:23:56,570 --> 00:23:54,240

have the abilities to be able to see

492

00:23:58,370 --> 00:23:56,580

beyond

493

00:24:00,350 --> 00:23:58,380

um the third dimension and kind of pick

494

00:24:02,510 --> 00:24:00,360

something up I mean you and I both are

495

00:24:04,610 --> 00:24:02,520

have the ability to do that

496

00:24:06,770 --> 00:24:04,620

so um

497

00:24:08,990 --> 00:24:06,780

yeah I mean I I think a lot of times

498

00:24:11,270 --> 00:24:09,000

it's just something that that certain

499

00:24:14,450 --> 00:24:11,280

people can see and Undead others can't

500

00:24:20,529 --> 00:24:16,850

but I think I think that may be the case

501
00:24:27,830 --> 00:24:24,049
I totally agree with you uh slick one

502
00:24:29,630 --> 00:24:27,840
are you two asks if you had to put your

503
00:24:33,049 --> 00:24:29,640
money down what would be the first

504
00:24:35,570 --> 00:24:33,059
Cryptid to prove uh scientifically

505
00:24:38,090 --> 00:24:35,580
well since I saw one

506
00:24:42,010 --> 00:24:38,100
and I I think

507
00:24:47,450 --> 00:24:44,870
eventually gather evidence to the point

508
00:24:50,690 --> 00:24:47,460
where we can actually prove it I I think

509
00:24:52,130 --> 00:24:50,700
it'd be a Bigfoot I I think that

510
00:24:53,890 --> 00:24:52,140
you know people have been saying that

511
00:24:56,270 --> 00:24:53,900
for years

512
00:24:57,950 --> 00:24:56,280
and you know the fact that we've had a

513
00:25:00,770 --> 00:24:57,960

lot of hoaxers and such

514

00:25:02,510 --> 00:25:00,780

kind of dispels a lot of that

515

00:25:04,250 --> 00:25:02,520

uh

516

00:25:06,230 --> 00:25:04,260

especially with the general public

517

00:25:07,909 --> 00:25:06,240

because there's you know of course the

518

00:25:10,669 --> 00:25:07,919

first thing they think is well if this

519

00:25:13,909 --> 00:25:10,679

thing is real why they need to fake it I

520

00:25:16,850 --> 00:25:13,919

mean show it to us but um yeah I I don't

521

00:25:19,430 --> 00:25:16,860

know I I think I think Bigfoot do have

522

00:25:21,830 --> 00:25:19,440

supernatural abilities for the most part

523

00:25:24,110 --> 00:25:21,840

uh but I think there will come a time

524

00:25:25,250 --> 00:25:24,120

but I do think that Flesh and Blood I

525

00:25:26,810 --> 00:25:25,260

mean especially when they're on our

526
00:25:29,330 --> 00:25:26,820
plane

527
00:25:31,669 --> 00:25:29,340
um I I think eventually that something

528
00:25:33,649 --> 00:25:31,679
will come up to prove it

529
00:25:35,630 --> 00:25:33,659
I really do

530
00:25:38,390 --> 00:25:35,640
um

531
00:25:39,890 --> 00:25:38,400
as far as the other cryptids in

532
00:25:43,010 --> 00:25:39,900
particular like

533
00:25:45,830 --> 00:25:43,020
you know Dogman or winged humanoids or

534
00:25:48,049 --> 00:25:45,840
winged beans and such I mean I I guess

535
00:25:49,490 --> 00:25:48,059
there's just as much chance for that but

536
00:25:51,350 --> 00:25:49,500
Bigfoot seems to be the one where

537
00:25:55,130 --> 00:25:51,360
everybody's concentrated on for the most

538
00:25:56,870 --> 00:25:55,140

part and uh

539

00:25:59,810 --> 00:25:56,880

you know there's a lot of anecdotal

540

00:26:01,370 --> 00:25:59,820

evidence about Bigfoot

541

00:26:03,470 --> 00:26:01,380

uh

542

00:26:06,830 --> 00:26:03,480

you know there had been have been DNA

543

00:26:10,909 --> 00:26:06,840

tested on Bigfoot in a couple studies

544

00:26:13,549 --> 00:26:10,919

uh some better than others but um I I

545

00:26:15,590 --> 00:26:13,559

think we're getting closer and closer

546

00:26:17,390 --> 00:26:15,600

you just don't hear a whole lot about

547

00:26:19,789 --> 00:26:17,400

because quite frankly a lot of people

548

00:26:21,409 --> 00:26:19,799

involved with signs just don't want to

549

00:26:22,730 --> 00:26:21,419

get involved the subject and don't want

550

00:26:25,610 --> 00:26:22,740

to say a whole lot

551
00:26:28,149 --> 00:26:25,620
but there is there is stuff going on

552
00:26:30,830 --> 00:26:28,159
behind the scenes

553
00:26:32,930 --> 00:26:30,840
and do you think like once that's proven

554
00:26:34,909 --> 00:26:32,940
it's just gonna open the floodgates for

555
00:26:37,490 --> 00:26:34,919
everything else that like people are

556
00:26:39,289 --> 00:26:37,500
going to go hunt to everything else no

557
00:26:41,090 --> 00:26:39,299
do you think people will be more scared

558
00:26:42,470 --> 00:26:41,100
to go out

559
00:26:46,490 --> 00:26:42,480
probably

560
00:26:49,250 --> 00:26:46,500
because if it is proven then it's it's

561
00:26:51,529 --> 00:26:49,260
proven that they're out there and uh

562
00:26:53,090 --> 00:26:51,539
then I think are gonna have a lot less

563
00:26:56,149 --> 00:26:53,100

Hunters

564

00:26:59,330 --> 00:26:56,159

a lot less people going to areas that

565

00:27:02,090 --> 00:26:59,340

are normally pretty wild areas

566

00:27:04,490 --> 00:27:02,100

I'd say most people who do that don't

567

00:27:06,649 --> 00:27:04,500

believe in it until they see it or have

568

00:27:09,890 --> 00:27:06,659

something happen right I mean it's

569

00:27:12,310 --> 00:27:09,900

amazing how quickly people's minds can

570

00:27:16,730 --> 00:27:12,320

change after I have an incident

571

00:27:16,740 --> 00:27:21,289

but I don't think it's gonna

572

00:27:27,649 --> 00:27:24,049

well I hopefully I'm around to see it so

573

00:27:32,350 --> 00:27:30,230

just since it's proven yeah well I saw

574

00:27:36,230 --> 00:27:32,360

one so I it doesn't matter

575

00:27:39,590 --> 00:27:36,240

see I've never saw one so to me it

576
00:27:47,149 --> 00:27:43,370
not 100 sure I you know of everything

577
00:27:48,890 --> 00:27:47,159
I've seen I've I've not 100 but I I

578
00:27:51,409 --> 00:27:48,900
wanna I would like to be around when

579
00:27:55,370 --> 00:27:51,419
they prove its existence

580
00:28:03,710 --> 00:27:58,130
I I really hope so Marla wants to know

581
00:28:07,130 --> 00:28:06,230
I guess it depends what you define as a

582
00:28:10,130 --> 00:28:07,140
giant

583
00:28:13,130 --> 00:28:10,140
uh if you're talking about

584
00:28:16,130 --> 00:28:13,140
certain humans that

585
00:28:20,029 --> 00:28:16,140
have a star a large or tall stature

586
00:28:22,430 --> 00:28:20,039
straight excuse me uh stature that's

587
00:28:25,430 --> 00:28:22,440
um indicative of a lot of the members of

588
00:28:27,409 --> 00:28:25,440

the group yeah I guess it's true you

589

00:28:30,049 --> 00:28:27,419

know back in the day they used to talk

590

00:28:31,970 --> 00:28:30,059

about certain Indian tribes in

591

00:28:36,529 --> 00:28:31,980

particular the Susquehanna

592

00:28:38,690 --> 00:28:36,539

uh in our area where many of the tribe

593

00:28:40,549 --> 00:28:38,700

were described to being up to seven foot

594

00:28:43,430 --> 00:28:40,559

in height

595

00:28:46,190 --> 00:28:43,440

um and it seemed like to be it was a lot

596

00:28:48,830 --> 00:28:46,200

of them actually that had you know

597

00:28:52,250 --> 00:28:48,840

that were mostly tall even the females

598

00:28:53,930 --> 00:28:52,260

so uh I I think in a case like that they

599

00:28:56,690 --> 00:28:53,940

may very well be

600

00:28:59,990 --> 00:28:56,700

as far as some type of uh so-called

601
00:29:02,630 --> 00:29:00,000
mythical Beast or Giant

602
00:29:04,909 --> 00:29:02,640
I I guess it's possible

603
00:29:06,730 --> 00:29:04,919
there hasn't been really any scientific

604
00:29:08,390 --> 00:29:06,740
evidence to prove it

605
00:29:11,029 --> 00:29:08,400
but

606
00:29:13,430 --> 00:29:11,039
you know you all you all the time see

607
00:29:15,169 --> 00:29:13,440
these so-called photographs of big

608
00:29:17,810 --> 00:29:15,179
skeletons being dug out of the ground

609
00:29:20,510 --> 00:29:17,820
and you know it's just it's laughable

610
00:29:23,450 --> 00:29:20,520
for the most part but there are people

611
00:29:25,549 --> 00:29:23,460
who believe they existed and you know if

612
00:29:30,049 --> 00:29:25,559
if you're going back

613
00:29:32,649 --> 00:29:30,059

eons well it very well could have been

614

00:29:35,389 --> 00:29:32,659

you know uh they talk about

615

00:29:36,889 --> 00:29:35,399

gigantopithecus and um

616

00:29:38,750 --> 00:29:36,899

some of the other

617

00:29:41,690 --> 00:29:38,760

Bigfoot Lake

618

00:29:44,090 --> 00:29:41,700

Harry hominid species that may or may

619

00:29:46,789 --> 00:29:44,100

not have lived you know

620

00:29:48,590 --> 00:29:46,799

many Millennia ago

621

00:29:50,870 --> 00:29:48,600

um

622

00:29:54,350 --> 00:29:50,880

yeah if you want to consider that a John

623

00:29:56,870 --> 00:29:54,360

I guess you could uh as far as 20-foot

624

00:29:58,250 --> 00:29:56,880

trolls running around in Norway I don't

625

00:29:59,230 --> 00:29:58,260

think that's I don't think that's

626
00:30:03,590 --> 00:29:59,240
happening

627
00:30:05,990 --> 00:30:03,600
yeah I I don't think so either

628
00:30:08,630 --> 00:30:06,000
um what about the Andrew Thompson case

629
00:30:11,690 --> 00:30:08,640
now I think it was Andrew Thompson

630
00:30:15,049 --> 00:30:11,700
probably he was the guy I believed he

631
00:30:18,130 --> 00:30:15,059
was in maybe Canada he saw a giant on

632
00:30:24,409 --> 00:30:21,289
yeah I don't see people have said it was

633
00:30:27,049 --> 00:30:24,419
a hoax but then you know other people

634
00:30:28,669 --> 00:30:27,059
have said it's not all right so what do

635
00:30:29,630 --> 00:30:28,679
you don't know what to think about that

636
00:30:33,769 --> 00:30:29,640
case

637
00:30:38,570 --> 00:30:33,779
um there are people who say he's alive

638
00:30:39,889 --> 00:30:38,580

okay but I haven't seen the proof of it

639

00:30:42,070 --> 00:30:39,899

um

640

00:30:44,149 --> 00:30:42,080

if he did die it was under mysterious

641

00:30:47,810 --> 00:30:44,159

circumstances but then there are other

642

00:30:50,389 --> 00:30:47,820

people saying that the guy had issues

643

00:30:52,370 --> 00:30:50,399

so I I don't know what the story is you

644

00:30:54,769 --> 00:30:52,380

know I reported on what was told to me

645

00:30:57,110 --> 00:30:54,779

and what was sent to me it was it was a

646

00:30:58,850 --> 00:30:57,120

British Columbia actually it wasn't too

647

00:31:01,130 --> 00:30:58,860

far I think it was in The Whisper

648

00:31:03,950 --> 00:31:01,140

mountains uh The Whistler mountains

649

00:31:06,409 --> 00:31:03,960

excuse me uh that's an area really not

650

00:31:08,570 --> 00:31:06,419

too far from where Dave Scotland is

651
00:31:12,409 --> 00:31:08,580
so um

652
00:31:15,889 --> 00:31:13,789
I don't know I don't know I don't know

653
00:31:17,450 --> 00:31:15,899
what to think about that whole thing I

654
00:31:19,810 --> 00:31:17,460
mean this guy swore that was being

655
00:31:22,430 --> 00:31:19,820
followed but who knows

656
00:31:24,409 --> 00:31:22,440
and then his girlfriend came out and she

657
00:31:26,090 --> 00:31:24,419
said it was a hoax and he had fooled

658
00:31:28,730 --> 00:31:26,100
everybody

659
00:31:31,970 --> 00:31:28,740
I mean they have they have a small child

660
00:31:33,889 --> 00:31:31,980
or there was a small child at the time

661
00:31:35,630 --> 00:31:33,899
and you think about it that she was

662
00:31:37,370 --> 00:31:35,640
being threatened as a mother you're

663
00:31:39,289 --> 00:31:37,380

going to say whatever these people are

664

00:31:42,830 --> 00:31:39,299

going to tell you

665

00:31:48,529 --> 00:31:44,570

to like protect your child and

666

00:31:52,090 --> 00:31:48,539

everything so well you know I mean if

667

00:31:54,830 --> 00:31:52,100

in her case yeah because of the kid

668

00:31:56,210 --> 00:31:54,840

absolutely I I would try to dispel any

669

00:31:58,250 --> 00:31:56,220

of that if I could

670

00:32:01,909 --> 00:31:58,260

because I'm quite sure she's getting a

671

00:32:03,769 --> 00:32:01,919

lot of inquiries uh good and bad so uh

672

00:32:05,630 --> 00:32:03,779

you know that see that's the bad thing

673

00:32:08,090 --> 00:32:05,640

about something like that

674

00:32:10,490 --> 00:32:08,100

so um

675

00:32:13,490 --> 00:32:10,500

right you know he he kind of made it

676

00:32:16,310 --> 00:32:13,500

into it you probably have

677

00:32:18,190 --> 00:32:16,320

go ahead sorry no I was saying he he

678

00:32:22,610 --> 00:32:18,200

kind of

679

00:32:25,549 --> 00:32:22,620

perpetuate The Conspiracy Theory and

680

00:32:26,810 --> 00:32:25,559

then maybe got out of hand and uh I

681

00:32:30,710 --> 00:32:26,820

don't know

682

00:32:32,510 --> 00:32:30,720

yeah that does happen yeah but is it and

683

00:32:34,250 --> 00:32:32,520

it's it's an interesting case though I

684

00:32:36,409 --> 00:32:34,260

mean they take I've seen the videos I've

685

00:32:40,370 --> 00:32:36,419

seen the tick tocks and looked at his

686

00:32:43,430 --> 00:32:40,380

accountant it's very interesting so

687

00:32:47,930 --> 00:32:43,440

so Jose Sanchez wants to know have you

688

00:32:52,010 --> 00:32:49,789

in Florida

689

00:32:55,010 --> 00:32:52,020

yeah I have

690

00:32:56,930 --> 00:32:55,020

written about a few of them

691

00:32:59,149 --> 00:32:56,940

um

692

00:33:03,950 --> 00:32:59,159

most of the

693

00:33:07,250 --> 00:33:03,960

the Dogman cases are crypto K9 cases

694

00:33:09,230 --> 00:33:07,260

that have been reported

695

00:33:10,850 --> 00:33:09,240

in the northern part of Florida into

696

00:33:13,850 --> 00:33:10,860

Georgia

697

00:33:15,710 --> 00:33:13,860

had been uh more upright canine as

698

00:33:18,769 --> 00:33:15,720

opposed to like what we get down in

699

00:33:20,149 --> 00:33:18,779

South Florida with werewolf got a lot of

700

00:33:23,210 --> 00:33:20,159

werewolf settings

701

00:33:24,169 --> 00:33:23,220

uh I used to get a bunch of them for

702

00:33:27,769 --> 00:33:24,179

years

703

00:33:31,789 --> 00:33:27,779

down in the uh St Petersburg Clearwater

704

00:33:34,370 --> 00:33:31,799

area down into Southeast Florida

705

00:33:36,889 --> 00:33:34,380

just before you get to the Everglades we

706

00:33:38,269 --> 00:33:36,899

used to get a lot of reports in there I

707

00:33:39,769 --> 00:33:38,279

don't know what they were people were

708

00:33:41,930 --> 00:33:39,779

saying they were werewolves I don't know

709

00:33:45,590 --> 00:33:41,940

what the hell they were looking at but

710

00:33:46,730 --> 00:33:45,600

uh we have we have had a couple up up in

711

00:33:51,830 --> 00:33:46,740

Ocala

712

00:33:53,630 --> 00:33:51,840

a lot of Bigfoot reports up there but we

713

00:33:55,970 --> 00:33:53,640

get a lot of winged humanoid sightings

714

00:33:58,850 --> 00:33:55,980

up there where that that's a crazy area

715

00:34:01,610 --> 00:33:58,860

it's got a lot going on there I have

716

00:34:05,450 --> 00:34:01,620

talked to a lot of the residents who

717

00:34:08,030 --> 00:34:05,460

live just outside the um

718

00:34:10,550 --> 00:34:08,040

outside of the state I mean you know the

719

00:34:12,710 --> 00:34:10,560

national forest and many of them will

720

00:34:13,909 --> 00:34:12,720

not go even into their backyards at

721

00:34:16,010 --> 00:34:13,919

night

722

00:34:18,349 --> 00:34:16,020

because they believe their their

723

00:34:21,169 --> 00:34:18,359

creatures coming out of the woods and

724

00:34:22,070 --> 00:34:21,179

it's pretty thick in there too so

725

00:34:24,290 --> 00:34:22,080

um

726

00:34:26,270 --> 00:34:24,300

yeah those are the areas where we have

727

00:34:27,349 --> 00:34:26,280

heard some of these cryptic canine

728

00:34:29,990 --> 00:34:27,359

reports

729

00:34:32,570 --> 00:34:30,000

uh but yeah I mean Florida's just like

730

00:34:36,649 --> 00:34:32,580

anywhere else I mean we seem to be

731

00:34:41,210 --> 00:34:39,109

so and you said you've had reports of

732

00:34:43,609 --> 00:34:41,220

werewolves do you do you believe like

733

00:34:46,190 --> 00:34:43,619

there are people actually changing to

734

00:34:49,369 --> 00:34:46,200

werewolves I mean is that is that a real

735

00:34:51,250 --> 00:34:49,379

thing yeah I honestly I'm asking because

736

00:34:52,970 --> 00:34:51,260

I don't know I mean

737

00:34:56,030 --> 00:34:52,980

yeah

738

00:35:02,510 --> 00:35:00,070

as as far as humans

739

00:35:06,410 --> 00:35:02,520

transforming into

740

00:35:08,589 --> 00:35:06,420

uh canines I I don't believe that's the

741

00:35:12,290 --> 00:35:08,599

case I think there are certain

742

00:35:14,690 --> 00:35:12,300

mental issue mental uh maladies just

743

00:35:18,050 --> 00:35:14,700

like lycanthropy and others

744

00:35:21,290 --> 00:35:18,060

that may be caused by a virus or such

745

00:35:23,569 --> 00:35:21,300

that cause some type of strange canine

746

00:35:26,030 --> 00:35:23,579

activity

747

00:35:27,370 --> 00:35:26,040

um there have been cases over in Europe

748

00:35:31,370 --> 00:35:27,380

where

749

00:35:32,810 --> 00:35:31,380

lycanthropy was suspected to to actually

750

00:35:34,849 --> 00:35:32,820

possess

751

00:35:37,310 --> 00:35:34,859

certain humans to the point where they

752

00:35:39,109 --> 00:35:37,320

actually killed people

753

00:35:44,750 --> 00:35:39,119

um there have been a couple famous cases

754

00:35:46,670 --> 00:35:44,760

in France and uh in in Germany of that

755

00:35:49,730 --> 00:35:46,680

um

756

00:35:53,630 --> 00:35:49,740

but as far as actual transformation I I

757

00:35:58,310 --> 00:35:55,730

okay I was just curious because you

758

00:36:01,310 --> 00:35:58,320

always hear people like saying say that

759

00:36:03,349 --> 00:36:01,320

here people say this dog man is which I

760

00:36:05,329 --> 00:36:03,359

don't believe dog man is but it's just

761

00:36:09,050 --> 00:36:05,339

it's an interesting thought that that

762

00:36:11,870 --> 00:36:09,060

could happen but and it really happened

763

00:36:18,950 --> 00:36:15,589

so our next question Marla wants to know

764

00:36:22,609 --> 00:36:18,960

do you think the pale curlers would be

765

00:36:24,349 --> 00:36:22,619

the drones of the Cryptid world

766

00:36:26,150 --> 00:36:24,359

it's an interesting thought actually

767

00:36:28,490 --> 00:36:26,160

that is interesting I I don't know I

768

00:36:33,290 --> 00:36:28,500

never really thought about that before I

769

00:36:39,170 --> 00:36:35,690

actual

770

00:36:41,630 --> 00:36:39,180

don't think so

771

00:36:44,390 --> 00:36:41,640

uh

772

00:36:47,329 --> 00:36:44,400

I don't know that's you know this whole

773

00:36:49,250 --> 00:36:47,339

this whole crore humanoid thing is just

774

00:36:52,730 --> 00:36:49,260

really

775

00:36:54,589 --> 00:36:52,740

a book about it I still don't know what

776

00:36:56,750 --> 00:36:54,599

the hell it is

777

00:37:00,050 --> 00:36:56,760

um you know a little creepy looking oh

778

00:37:03,349 --> 00:37:00,060

my gosh yeah and you know we get

779

00:37:06,010 --> 00:37:03,359

different emanations of them as well

780

00:37:08,510 --> 00:37:06,020

um they come in all kinds of different

781

00:37:11,089 --> 00:37:08,520

shades and

782

00:37:13,670 --> 00:37:11,099

you know body forms and such

783

00:37:15,109 --> 00:37:13,680

so um yeah I I don't know what the hell

784

00:37:17,270 --> 00:37:15,119

they are um

785

00:37:19,370 --> 00:37:17,280

you know in my book I wrote about being

786

00:37:23,210 --> 00:37:19,380

possibly a memes

787

00:37:25,310 --> 00:37:23,220

uh I I guess it's very possible that in

788

00:37:28,490 --> 00:37:25,320

some cases they baby memes or something

789

00:37:31,250 --> 00:37:28,500

it was uh a thought form or a tulpa or

790

00:37:34,010 --> 00:37:31,260

something that was or something that was

791

00:37:36,829 --> 00:37:34,020

wasn't real that got to the point where

792

00:37:39,470 --> 00:37:36,839

people believed it was real like what

793

00:37:42,349 --> 00:37:39,480

they talk about the Slenderman cases and

794

00:37:45,050 --> 00:37:42,359

such uh yeah it could have been it could

795

00:37:46,370 --> 00:37:45,060

have been an internet meme or a graphic

796

00:37:48,589 --> 00:37:46,380

or something

797

00:37:50,870 --> 00:37:48,599

or somebody you know some people do that

798

00:37:55,069 --> 00:37:50,880

I mean they see these things they they

799

00:37:58,069 --> 00:37:55,079

just take for it for you know for uh

800

00:37:59,930 --> 00:37:58,079

for whatever it's worth and and believe

801
00:38:01,910 --> 00:37:59,940
and to the point where they actually

802
00:38:05,770 --> 00:38:01,920
start believing in themselves

803
00:38:13,430 --> 00:38:08,690
you put enough thought into something it

804
00:38:19,010 --> 00:38:14,630
get kids of other people putting

805
00:38:23,750 --> 00:38:21,710
yeah I mean you know if you look at

806
00:38:28,250 --> 00:38:23,760
uh

807
00:38:31,550 --> 00:38:28,260
thought form research

808
00:38:33,410 --> 00:38:31,560
it has been proven that it is a valid it

809
00:38:35,510 --> 00:38:33,420
is a valid phenomena

810
00:38:37,790 --> 00:38:35,520
where so many people are are

811
00:38:41,510 --> 00:38:37,800
concentrating on

812
00:38:43,609 --> 00:38:41,520
this this meme or this this un you know

813
00:38:45,950 --> 00:38:43,619

actual

814

00:38:48,770 --> 00:38:45,960

you know entity

815

00:38:52,849 --> 00:38:48,780

toward a point where it gathers power

816

00:38:53,930 --> 00:38:52,859

gathers abilities to sometimes manifest

817

00:39:00,710 --> 00:38:53,940

um

818

00:39:05,510 --> 00:39:02,870

just give me one second Mark that and

819

00:39:07,130 --> 00:39:05,520

then we'll move on

820

00:39:09,410 --> 00:39:07,140

see

821

00:39:11,829 --> 00:39:09,420

yeah Jose wants to know is there

822

00:39:16,250 --> 00:39:11,839

consensus on what the Bigfoot population

823

00:39:16,260 --> 00:39:19,550

the full population

824

00:39:25,450 --> 00:39:22,790

um that's what I'm guessing I have heard

825

00:39:29,450 --> 00:39:28,550

uh but I heard figures that go anywhere

826
00:39:32,930 --> 00:39:29,460
from

827
00:39:35,089 --> 00:39:32,940
a thousand to twenty thousand you know I

828
00:39:39,829 --> 00:39:35,099
I don't know how you really determine

829
00:39:43,130 --> 00:39:39,839
that there seem to be areas where they

830
00:39:44,450 --> 00:39:43,140
you know and you know another thing we a

831
00:39:48,349 --> 00:39:44,460
lot of us believe that these

832
00:39:50,750 --> 00:39:48,359
intermational beings so as as far as in

833
00:39:53,930 --> 00:39:50,760
actual in business population who knows

834
00:39:56,690 --> 00:39:53,940
how many there are I I think it's um

835
00:39:59,210 --> 00:39:56,700
I think they they are indigenous in

836
00:40:01,550 --> 00:39:59,220
certain areas

837
00:40:03,410 --> 00:40:01,560
um just like the skunk Apes I I don't

838
00:40:06,230 --> 00:40:03,420

necessarily believe

839

00:40:08,870 --> 00:40:06,240

they they evolved in that area I think

840

00:40:10,970 --> 00:40:08,880

they they may be some type of mutation

841

00:40:13,910 --> 00:40:10,980

or something at some point

842

00:40:15,530 --> 00:40:13,920

uh but they're there and uh I I think

843

00:40:18,770 --> 00:40:15,540

it's pretty obvious that they're there

844

00:40:21,170 --> 00:40:18,780

up in the Pacific Northwest of course up

845

00:40:24,170 --> 00:40:21,180

into British Columbia in Northern

846

00:40:26,030 --> 00:40:24,180

California Northern North into British

847

00:40:27,290 --> 00:40:26,040

Columbia from there I mean there are a

848

00:40:28,970 --> 00:40:27,300

lot of sightings but there are a lot of

849

00:40:30,410 --> 00:40:28,980

sightings in the Rockies too but I think

850

00:40:32,990 --> 00:40:30,420

in those areas

851
00:40:35,569 --> 00:40:33,000
of the uh the rain forest I I think

852
00:40:38,870 --> 00:40:35,579
there are indigenous populations there

853
00:40:41,030 --> 00:40:38,880
I think around the Gulf Coast

854
00:40:44,150 --> 00:40:41,040
and East Texas up and around into

855
00:40:46,130 --> 00:40:44,160
Louisiana and Arkansas and such I I

856
00:40:49,069 --> 00:40:46,140
think there are indigenous populations

857
00:40:52,250 --> 00:40:49,079
because they're swampy areas they got a

858
00:40:54,109 --> 00:40:52,260
lot of cover there's a lot of for them

859
00:40:56,690 --> 00:40:54,119
to eat

860
00:41:00,010 --> 00:40:56,700
um yeah I I think it's very possible

861
00:41:02,750 --> 00:41:00,020
they may be just like any other creature

862
00:41:06,470 --> 00:41:02,760
uh where they have all the Staples right

863
00:41:08,810 --> 00:41:06,480

there but as far as what we see

864

00:41:10,849 --> 00:41:08,820

uh in other parts of the United States

865

00:41:12,109 --> 00:41:10,859

particularly around here I I don't think

866

00:41:16,790 --> 00:41:12,119

they're

867

00:41:18,230 --> 00:41:16,800

don't you know I think they they have

868

00:41:20,030 --> 00:41:18,240

the abilities of moving and out of other

869

00:41:22,190 --> 00:41:20,040

dimensions

870

00:41:26,569 --> 00:41:22,200

I know I think a lot of a lot of people

871

00:41:28,910 --> 00:41:26,579

think that's crazy but uh it it's just

872

00:41:31,250 --> 00:41:28,920

you know as time has gone on and I I've

873

00:41:32,210 --> 00:41:31,260

I have heard a lot of researchers who

874

00:41:35,210 --> 00:41:32,220

have

875

00:41:38,329 --> 00:41:35,220

who has started to question it

876

00:41:40,790 --> 00:41:38,339

there may very well be um

877

00:41:42,829 --> 00:41:40,800

something to the interdimensional theory

878

00:41:46,910 --> 00:41:42,839

or some type of Supernatural

879

00:41:48,530 --> 00:41:46,920

uh aspect of these creatures so um time

880

00:41:49,329 --> 00:41:48,540

will tell I guess

881

00:41:52,310 --> 00:41:49,339

yeah

882

00:41:55,010 --> 00:41:52,320

and Jose didn't want to know something

883

00:41:57,170 --> 00:41:55,020

about the U.S population

884

00:41:59,690 --> 00:41:57,180

so yeah that's

885

00:42:01,790 --> 00:41:59,700

that's what they said he said

886

00:42:03,290 --> 00:42:01,800

um but no and you have to wonder and the

887

00:42:04,490 --> 00:42:03,300

other thing is like you can't go out and

888

00:42:06,589 --> 00:42:04,500

tag them

889

00:42:08,569 --> 00:42:06,599

it's not like they're bare or deer and

890

00:42:10,730 --> 00:42:08,579

you can't just go out and tag them and

891

00:42:13,430 --> 00:42:10,740

like you said I I believe that too that

892

00:42:15,890 --> 00:42:13,440

they're inter-dimensional beings because

893

00:42:17,329 --> 00:42:15,900

I mean with that many right you you

894

00:42:19,430 --> 00:42:17,339

would have to stumble on them more

895

00:42:22,609 --> 00:42:19,440

frequently if they weren't that would be

896

00:42:25,490 --> 00:42:22,619

at least my opinion

897

00:42:27,170 --> 00:42:25,500

you know yeah I I think there's

898

00:42:28,310 --> 00:42:27,180

something to that and I think more and

899

00:42:31,130 --> 00:42:28,320

more people are

900

00:42:32,750 --> 00:42:31,140

resigning to that of course you're going

901
00:42:35,990 --> 00:42:32,760
to get a lot of dial words just

902
00:42:38,210 --> 00:42:36,000
absolutely disagree with it

903
00:42:40,370 --> 00:42:38,220
um but um

904
00:42:43,790 --> 00:42:40,380
no I I think that's what they are I

905
00:42:51,710 --> 00:42:43,800
really do I think there's a supernatural

906
00:42:57,490 --> 00:42:54,710
I agree let's see

907
00:43:02,450 --> 00:42:57,500
flicklin or you two wants to know George

908
00:43:04,849 --> 00:43:02,460
Miller UFO researcher told me about

909
00:43:09,050 --> 00:43:04,859
filer told me about things increasing

910
00:43:10,609 --> 00:43:09,060
what and not I guess oh sorry

911
00:43:13,569 --> 00:43:10,619
that's all I got

912
00:43:15,950 --> 00:43:13,579
I'm not sure what that is

913
00:43:19,550 --> 00:43:15,960

yeah I

914

00:43:23,390 --> 00:43:19,560

yeah hang on let me see if there's

915

00:43:23,400 --> 00:43:27,589

so get rid of this

916

00:43:31,790 --> 00:43:30,470

and we got another one from

917

00:43:34,970 --> 00:43:31,800

one

918

00:43:37,309 --> 00:43:34,980

uh reports of Harry Bigfoot during UFO

919

00:43:38,270 --> 00:43:37,319

sightings what connection could they

920

00:43:41,210 --> 00:43:38,280

have

921

00:43:43,550 --> 00:43:41,220

UFO and Bigfoot so I think that was the

922

00:43:46,250 --> 00:43:43,560

entire apartment yeah yeah that's been

923

00:43:48,710 --> 00:43:46,260

documented for a long time now I mean

924

00:43:51,530 --> 00:43:48,720

we've been hearing reports of that for

925

00:43:54,050 --> 00:43:51,540

the past 30 years even back into the 70s

926
00:43:57,290 --> 00:43:54,060
where um

927
00:44:00,890 --> 00:43:57,300
Bigfoot and UFO sightings seem to come

928
00:44:03,829 --> 00:44:00,900
in hand in hand for the most part

929
00:44:06,589 --> 00:44:03,839
um you know there's there's several

930
00:44:07,490 --> 00:44:06,599
well-known cases out into

931
00:44:09,290 --> 00:44:07,500
um

932
00:44:11,510 --> 00:44:09,300
in Chestnut Ridge out in Pennsylvania

933
00:44:13,630 --> 00:44:11,520
Western Pennsylvania Fayette County and

934
00:44:17,630 --> 00:44:13,640
such Westmoreland County

935
00:44:18,650 --> 00:44:17,640
uh of UFO sightings and Bigfoot showing

936
00:44:21,230 --> 00:44:18,660
up

937
00:44:23,870 --> 00:44:21,240
uh these Bigfoot usually had some type

938
00:44:27,170 --> 00:44:23,880

of strange aspect to him glowing eyes or

939

00:44:28,329 --> 00:44:27,180

on abnormal size

940

00:44:30,470 --> 00:44:28,339

um

941

00:44:32,450 --> 00:44:30,480

aggressiveness and such

942

00:44:34,069 --> 00:44:32,460

you know Stan Gore has been documented

943

00:44:36,890 --> 00:44:34,079

that from the very beginning

944

00:44:38,809 --> 00:44:36,900

uh I I know George Fowler looked into

945

00:44:42,050 --> 00:44:38,819

that he's been around a long time so

946

00:44:44,150 --> 00:44:42,060

yeah I mean yeah I mean there's a lot

947

00:44:50,569 --> 00:44:44,160

there's a lot of evidence out there that

948

00:44:57,410 --> 00:44:54,530

give me one second I made check for that

949

00:45:01,069 --> 00:44:57,420

Legends

950

00:45:03,589 --> 00:45:01,079

this they have a couple more questions

951
00:45:05,270 --> 00:45:03,599
so we're getting towards the end

952
00:45:07,430 --> 00:45:05,280
everyone so if you have your questions

953
00:45:13,910 --> 00:45:07,440
let's get them up and make sure they're

954
00:45:18,710 --> 00:45:16,670
yeah exactly no I I wasn't planning on

955
00:45:19,609 --> 00:45:18,720
keeping you more than an hour so I'm

956
00:45:21,589 --> 00:45:19,619
watching

957
00:45:23,390 --> 00:45:21,599
uh Jose

958
00:45:25,670 --> 00:45:23,400
Jose no problem because they want to

959
00:45:27,710 --> 00:45:25,680
know could werewolves be considered uh

960
00:45:29,510 --> 00:45:27,720
shape shifters that's why I keep looking

961
00:45:32,809 --> 00:45:29,520
at the corner of my computer just so you

962
00:45:34,609 --> 00:45:32,819
know what all right okay I guess if you

963
00:45:36,109 --> 00:45:34,619

believe and I guess if you believe in

964

00:45:38,510 --> 00:45:36,119

werewolves I guess it could be

965

00:45:40,730 --> 00:45:38,520

considered Shape Shifters

966

00:45:49,730 --> 00:45:40,740

uh

967

00:45:51,890 --> 00:45:49,740

Walkers and that being involved with the

968

00:45:55,130 --> 00:45:51,900

occult and such you know if that's the

969

00:45:57,770 --> 00:45:55,140

case with werewolves oh yeah maybe they

970

00:46:01,130 --> 00:45:57,780

are some type of uh occult related

971

00:46:03,170 --> 00:46:01,140

phenomena I guess it's possible

972

00:46:07,250 --> 00:46:03,180

I mean I've heard weird things so yeah

973

00:46:10,490 --> 00:46:09,349

it would be interesting to see in the

974

00:46:13,910 --> 00:46:10,500

way

975

00:46:17,150 --> 00:46:13,920

is probably have to walk around

976

00:46:19,010 --> 00:46:17,160

basically day to day either knowing or

977

00:46:21,829 --> 00:46:19,020

not knowing and then once a month if

978

00:46:24,770 --> 00:46:21,839

there are typical with pop pop culture

979

00:46:27,410 --> 00:46:24,780

would consider werewolf like once a

980

00:46:31,730 --> 00:46:27,420

month they change or however many days

981

00:46:36,650 --> 00:46:31,740

they're supposed to change I forget yeah

982

00:46:42,109 --> 00:46:40,130

all right and that's good

983

00:46:44,809 --> 00:46:42,119

let's see

984

00:46:47,390 --> 00:46:44,819

is it is it there I hope I didn't

985

00:46:52,130 --> 00:46:47,400

butcher that I probably didn't

986

00:46:53,750 --> 00:46:52,140

yeah yeah I see it up there oh yeah not

987

00:46:55,130 --> 00:46:53,760

really we'll get we'll get a different

988

00:46:57,710 --> 00:46:55,140

one here and there you usually order

989

00:47:01,190 --> 00:46:57,720

reports but as far as something very

990

00:47:04,130 --> 00:47:01,200

recent now I I haven't had I've only had

991

00:47:07,250 --> 00:47:04,140

a few ones a few since I released the

992

00:47:09,890 --> 00:47:07,260

book and uh book's been released over a

993

00:47:12,109 --> 00:47:09,900

year now so um but most of the reports

994

00:47:14,750 --> 00:47:12,119

are older ones and they're fairly

995

00:47:17,870 --> 00:47:14,760

consistent uh you know these pale

996

00:47:19,910 --> 00:47:17,880

crawlers are for the most part are pale

997

00:47:24,410 --> 00:47:19,920

looking humanoids hairless

998

00:47:26,750 --> 00:47:24,420

weird body shaped very thin very lanky

999

00:47:28,250 --> 00:47:26,760

uh that just seemed to show up in in

1000

00:47:30,770 --> 00:47:28,260

different places where people aren't

1001
00:47:32,510 --> 00:47:30,780
even expecting them

1002
00:47:35,750 --> 00:47:32,520
um why they do that I don't know you

1003
00:47:38,210 --> 00:47:35,760
know some say well they they're they're

1004
00:47:42,050 --> 00:47:38,220
interdimental beings or they come out of

1005
00:47:43,550 --> 00:47:42,060
the ground somehow or I don't know

1006
00:47:46,010 --> 00:47:43,560
um

1007
00:47:48,170 --> 00:47:46,020
I I think they're physical but I think

1008
00:47:49,970 --> 00:47:48,180
there are interdimensional beings that

1009
00:47:51,950 --> 00:47:49,980
are still flesh and blood and physical

1010
00:47:53,450 --> 00:47:51,960
beings

1011
00:47:55,430 --> 00:47:53,460
um I think they do have the ability to

1012
00:47:57,050 --> 00:47:55,440
do that or do these pale crawlers have

1013
00:47:58,370 --> 00:47:57,060

the same abilities what I think a lot of

1014

00:48:01,430 --> 00:47:58,380

the cripplers do

1015

00:48:01,440 --> 00:48:05,329

very possible

1016

00:48:11,349 --> 00:48:08,150

Andrew Boyle said holy catfish lawn has

1017

00:48:15,109 --> 00:48:11,359

lost weight lawn has lost weight

1018

00:48:18,290 --> 00:48:15,119

you look good you do you look very good

1019

00:48:24,589 --> 00:48:19,790

considering everything I've gone through

1020

00:48:24,599 --> 00:48:26,690

um

1021

00:48:32,750 --> 00:48:28,849

but and then soon you're going to be

1022

00:48:39,170 --> 00:48:32,760

going on tour and doing things and

1023

00:48:44,569 --> 00:48:42,050

no you do

1024

00:48:47,450 --> 00:48:44,579

you like me too but I tell you this this

1025

00:48:49,089 --> 00:48:47,460

cancer surgery just really took took me

1026

00:48:53,930 --> 00:48:49,099

you know took me out for what you know

1027

00:48:57,349 --> 00:48:55,250

yeah

1028

00:48:59,870 --> 00:48:57,359

well I mean it was major surgery and

1029

00:49:00,770 --> 00:48:59,880

anyone who thinks otherwise is just you

1030

00:49:08,390 --> 00:49:00,780

know

1031

00:49:10,190 --> 00:49:08,400

they just think it's nothing it well

1032

00:49:12,589 --> 00:49:10,200

especially four months apart from each

1033

00:49:17,569 --> 00:49:12,599

other having two surgeries you know

1034

00:49:23,650 --> 00:49:20,930

yeah they were yeah yeah they both put

1035

00:49:28,069 --> 00:49:23,660

me in the hospital Thomas says road trip

1036

00:49:30,230 --> 00:49:28,079

yeah well I mean you know if I do if I

1037

00:49:34,550 --> 00:49:30,240

do I'll grab you all and take me with it

1038

00:49:39,109 --> 00:49:36,710

I would like that but I'm kind of busy

1039

00:49:41,530 --> 00:49:39,119
in September so probably not in

1040

00:49:43,730 --> 00:49:41,540
September okay

1041

00:49:46,069 --> 00:49:43,740
that'd be a good idea if I traveled

1042

00:49:48,190 --> 00:49:46,079
anywhere for a while

1043

00:49:52,910 --> 00:49:48,200
foreign

1044

00:49:54,829 --> 00:49:52,920
wants to know uap's encrypted thoughts

1045

00:49:57,650 --> 00:49:54,839
yeah we just talked about it I guess are

1046

00:50:00,410 --> 00:49:57,660
they you know yeah yeah I mean I I think

1047

00:50:03,290 --> 00:50:00,420
there is uh there is some

1048

00:50:03,950 --> 00:50:03,300
possible relationship there

1049

00:50:06,710 --> 00:50:03,960
um

1050

00:50:08,930 --> 00:50:06,720
you know we hear about Bigfoot

1051

00:50:11,809 --> 00:50:08,940

and uh and crap we also hear about

1052

00:50:14,630 --> 00:50:11,819

Bigfoot and uh orbs

1053

00:50:17,690 --> 00:50:14,640

and of course other phenomena phenomena

1054

00:50:20,390 --> 00:50:17,700

it seems like it's spiritual or

1055

00:50:22,730 --> 00:50:20,400

some type of unknown entity associated

1056

00:50:24,890 --> 00:50:22,740

with them yeah you know I I think the

1057

00:50:27,550 --> 00:50:24,900

Paranormal in general there's a very

1058

00:50:30,290 --> 00:50:27,560

fine line between all of it

1059

00:50:31,849 --> 00:50:30,300

I think the most are connected to some

1060

00:50:34,309 --> 00:50:31,859

degree

1061

00:50:35,870 --> 00:50:34,319

so uh you know that's that's why we do

1062

00:50:37,609 --> 00:50:35,880

what we do we're just trying to make the

1063

00:50:40,309 --> 00:50:37,619

distinction and try to get some answers

1064

00:50:43,370 --> 00:50:40,319

but I think there are I think there are

1065

00:50:43,380 --> 00:50:47,089

Marla said she

1066

00:50:50,089 --> 00:50:48,230

said she what she don't look for him

1067

00:50:53,390 --> 00:50:50,099

here either we'll grab her too

1068

00:50:58,190 --> 00:50:55,670

um let's see

1069

00:51:00,410 --> 00:50:58,200

let me grab this question

1070

00:51:03,890 --> 00:51:00,420

and I think we're gonna make that the

1071

00:51:05,870 --> 00:51:03,900

last one so we have two questions left

1072

00:51:08,950 --> 00:51:05,880

Jose wants to know have you heard any

1073

00:51:12,589 --> 00:51:08,960

recent sightings of the

1074

00:51:15,950 --> 00:51:12,599

tr3 black Mantra triangle I'm not even

1075

00:51:20,030 --> 00:51:18,049

I really haven't if I did I'd tell you

1076

00:51:22,609 --> 00:51:20,040

but I haven't heard anything

1077

00:51:24,349 --> 00:51:22,619

so what is it I don't know what that is

1078

00:51:27,829 --> 00:51:24,359

you know I don't know what it is it's

1079

00:51:29,870 --> 00:51:27,839

it's uh it's you know they talk they

1080

00:51:32,270 --> 00:51:29,880

call it the Black Manta I've seen

1081

00:51:35,690 --> 00:51:32,280

different descriptions of it maybe Jose

1082

00:51:37,790 --> 00:51:35,700

will have a description of himself but

1083

00:51:40,190 --> 00:51:37,800

uh I I just haven't seen a whole lot

1084

00:51:42,290 --> 00:51:40,200

coming up about it I you know and you

1085

00:51:44,930 --> 00:51:42,300

you know I don't hang out a lot with UFO

1086

00:51:47,930 --> 00:51:44,940

circles so you know unless somebody

1087

00:51:50,750 --> 00:51:47,940

brings it to my attention or you know I

1088

00:51:53,990 --> 00:51:50,760

I usually will not find it but no I uh

1089

00:51:57,589 --> 00:51:54,000

no I haven't heard anything lately

1090

00:52:05,690 --> 00:51:59,870

I just

1091

00:52:10,549 --> 00:52:08,150

and I think you're gonna like uh Thomas

1092

00:52:12,890 --> 00:52:10,559

wants to know could some orbs be

1093

00:52:13,970 --> 00:52:12,900

residual energy left over from a portal

1094

00:52:15,770 --> 00:52:13,980

opening

1095

00:52:17,089 --> 00:52:15,780

possible

1096

00:52:20,030 --> 00:52:17,099

possibly

1097

00:52:23,450 --> 00:52:20,040

um that question I never thought of that

1098

00:52:25,849 --> 00:52:23,460

the portal and I I have seen them I have

1099

00:52:28,790 --> 00:52:25,859

been near them when they open up and

1100

00:52:31,730 --> 00:52:28,800

when they close but there are there is a

1101

00:52:34,010 --> 00:52:31,740

certain amount of palpable energy

1102

00:52:35,870 --> 00:52:34,020

does it cause late phenomena well maybe

1103

00:52:38,390 --> 00:52:35,880

it's something that's coming through or

1104

00:52:41,030 --> 00:52:38,400

you like like Thomas said residual

1105

00:52:43,910 --> 00:52:41,040

that's very possible

1106

00:52:45,829 --> 00:52:43,920

um that's why I I you know I think the

1107

00:52:47,990 --> 00:52:45,839

interdimensional question with Bigfoot

1108

00:52:51,829 --> 00:52:48,000

and other Cryptids and then other people

1109

00:52:54,950 --> 00:52:51,839

noticing orbs around these these

1110

00:52:57,470 --> 00:52:54,960

creatures even even afterwards uh I I

1111

00:52:59,390 --> 00:52:57,480

think kind of lends to the uh the

1112

00:53:06,650 --> 00:52:59,400

interdimensional theory that the this

1113

00:53:13,490 --> 00:53:08,450

but that is a good question because I

1114

00:53:18,770 --> 00:53:14,569

okay

1115

00:53:21,470 --> 00:53:18,780

get that off and here's our last

1116

00:53:23,870 --> 00:53:21,480

question of the night Andrew Boyle wants

1117

00:53:26,450 --> 00:53:23,880

to know anything like conferences or

1118

00:53:28,970 --> 00:53:26,460

camping excursions planned

1119

00:53:31,190 --> 00:53:28,980

you know I I kept everything open I I

1120

00:53:34,490 --> 00:53:31,200

made no promises

1121

00:53:36,950 --> 00:53:34,500

uh you know after I had the surgery the

1122

00:53:39,349 --> 00:53:36,960

first one I I was going to start doing

1123

00:53:41,329 --> 00:53:39,359

stuff after the first of the year

1124

00:53:43,370 --> 00:53:41,339

and I was gonna start scheduling then

1125

00:53:46,250 --> 00:53:43,380

but of course when you know I got the

1126
00:53:48,710 --> 00:53:46,260
cancer diagnosis and had to have surgery

1127
00:53:51,349 --> 00:53:48,720
and February then you know I kind of

1128
00:53:54,290 --> 00:53:51,359
messed that all up so as far as this

1129
00:53:56,990 --> 00:53:54,300
year goes maybe later in the year

1130
00:53:58,670 --> 00:53:57,000
uh I am feeling better I have been

1131
00:54:00,230 --> 00:53:58,680
driving and such so I've been out there

1132
00:54:02,450 --> 00:54:00,240
so um

1133
00:54:04,670 --> 00:54:02,460
you know who knows I mean

1134
00:54:07,069 --> 00:54:04,680
I you know I'm kind of late in in making

1135
00:54:08,690 --> 00:54:07,079
commitments but occasionally people will

1136
00:54:12,230 --> 00:54:08,700
want you to do things

1137
00:54:14,030 --> 00:54:12,240
and try to fit you in uh I I do know

1138
00:54:17,329 --> 00:54:14,040

what I the only thing I do have planned

1139

00:54:19,730 --> 00:54:17,339

right now is probably going into Chicago

1140

00:54:23,750 --> 00:54:19,740

in June

1141

00:54:29,990 --> 00:54:23,760

um because we're filming

1142

00:54:36,069 --> 00:54:32,270

was unexplained Unexplained Mysteries

1143

00:54:38,630 --> 00:54:36,079

which one was that Unsolved Mysteries

1144

00:54:42,109 --> 00:54:38,640

yeah yeah so we're going to be on

1145

00:54:43,609 --> 00:54:42,119

Unsolved Mysteries so uh yeah we're I'm

1146

00:54:47,030 --> 00:54:43,619

I got to go into Chicago to film

1147

00:54:49,309 --> 00:54:47,040

sometime mid-june so

1148

00:54:50,470 --> 00:54:49,319

um yeah it should be uh that should be

1149

00:54:53,510 --> 00:54:50,480

interesting

1150

00:54:55,309 --> 00:54:53,520

uh you know we have talked about doing a

1151
00:54:57,950 --> 00:54:55,319
lot of different things we actually even

1152
00:55:00,829 --> 00:54:57,960
talked about getting a production going

1153
00:55:03,530 --> 00:55:00,839
but covet kind of screwed all that up

1154
00:55:05,030 --> 00:55:03,540
and uh then the funding wasn't there

1155
00:55:07,130 --> 00:55:05,040
because a lot of these production

1156
00:55:09,650 --> 00:55:07,140
companies quite frankly

1157
00:55:13,130 --> 00:55:09,660
just are not committing to a lot of the

1158
00:55:15,049 --> 00:55:13,140
paranormal shows Financial wise uh I

1159
00:55:18,890 --> 00:55:15,059
think folks are going to start seeing a

1160
00:55:22,370 --> 00:55:18,900
drastic decrease of paranormal TV shows

1161
00:55:24,470 --> 00:55:22,380
unless it's tied to a bigger series like

1162
00:55:25,730 --> 00:55:24,480
Unsolved Mysteries or something like

1163
00:55:26,390 --> 00:55:25,740

that

1164

00:55:28,790 --> 00:55:26,400

um

1165

00:55:30,470 --> 00:55:28,800

so yeah but I think a lot of the ghost

1166

00:55:33,349 --> 00:55:30,480

hunting things and such I think that's

1167

00:55:35,569 --> 00:55:33,359

going to start weighing back

1168

00:55:37,309 --> 00:55:35,579

yeah from what what I've heard there's

1169

00:55:40,010 --> 00:55:37,319

been a lot of cuts already from

1170

00:55:42,170 --> 00:55:40,020

Discovery plus and things like that

1171

00:55:44,930 --> 00:55:42,180

it's uh

1172

00:55:47,329 --> 00:55:44,940

yeah it's

1173

00:55:48,530 --> 00:55:47,339

you know the budgets for these shows is

1174

00:55:51,710 --> 00:55:48,540

not cheap

1175

00:55:54,349 --> 00:55:51,720

I have seen I have talked to people who

1176

00:55:57,410 --> 00:55:54,359

have been involved with it

1177

00:55:58,309 --> 00:55:57,420

uh especially people who are M2 or over

1178

00:56:00,170 --> 00:55:58,319

at

1179

00:56:02,150 --> 00:56:00,180

um Prometheus

1180

00:56:04,670 --> 00:56:02,160

and the cost of State you know

1181

00:56:05,870 --> 00:56:04,680

Primitives in particular much money they

1182

00:56:07,910 --> 00:56:05,880

spend on

1183

00:56:13,670 --> 00:56:07,920

the

1184

00:56:16,370 --> 00:56:13,680

been going on what 10 seasons now

1185

00:56:18,109 --> 00:56:16,380

something like that yeah that was a gold

1186

00:56:20,569 --> 00:56:18,119

mine for them so

1187

00:56:22,549 --> 00:56:20,579

but you know I I have talked to several

1188

00:56:25,549 --> 00:56:22,559

people who were there about the cost of

1189

00:56:27,849 --> 00:56:25,559

doing like Ancient Aliens and such and

1190

00:56:30,829 --> 00:56:27,859

it's not cheap it really is not cheap

1191

00:56:33,109 --> 00:56:30,839

and you know you almost have to get the

1192

00:56:36,470 --> 00:56:33,119

backing to get it done

1193

00:56:39,170 --> 00:56:36,480

uh minimum I'd say 50 000 at this point

1194

00:56:41,030 --> 00:56:39,180

for each episode minimum I mean you're

1195

00:56:45,230 --> 00:56:41,040

not even paying people for the most part

1196

00:56:47,390 --> 00:56:45,240

yeah so um that's just production cost

1197

00:56:48,710 --> 00:56:47,400

and it's just not cheap

1198

00:56:53,569 --> 00:56:48,720

yeah

1199

00:56:55,849 --> 00:56:53,579

have shows I've known or at least seen

1200

00:56:57,829 --> 00:56:55,859

they're going like crowdfunding and

1201
00:57:00,470 --> 00:56:57,839
things like that it's yeah

1202
00:57:02,510 --> 00:57:00,480
well YouTube I mean just like uh small

1203
00:57:04,130 --> 00:57:02,520
town monsters they're doing instead of

1204
00:57:05,210 --> 00:57:04,140
filming it's cheaper just to go on

1205
00:57:09,049 --> 00:57:05,220
YouTube

1206
00:57:11,630 --> 00:57:09,059
yeah and um yeah I mean uh some of these

1207
00:57:13,549 --> 00:57:11,640
people are doing it so um you know I'm

1208
00:57:14,569 --> 00:57:13,559
I'm gonna keep plugging away at it I

1209
00:57:17,630 --> 00:57:14,579
don't know if it's going to be to a

1210
00:57:20,030 --> 00:57:17,640
point where I started being a big

1211
00:57:22,670 --> 00:57:20,040
content provider or whatever

1212
00:57:24,829 --> 00:57:22,680
um but I'm just gonna keep in mind keep

1213
00:57:26,890 --> 00:57:24,839

it small and where it's at right now for

1214

00:57:30,770 --> 00:57:26,900

a long time I'm quite sure

1215

00:57:34,130 --> 00:57:30,780

I think you do a good job yeah well it's

1216

00:57:38,990 --> 00:57:34,140

just a lot involved with it and um you

1217

00:57:42,130 --> 00:57:40,490

you know and I don't want to say too

1218

00:57:45,470 --> 00:57:42,140

much on here but

1219

00:57:48,650 --> 00:57:45,480

for their algorithms the way they do

1220

00:57:50,390 --> 00:57:48,660

such things uh and getting advertising

1221

00:57:53,589 --> 00:57:50,400

dollars there are a lot of people that

1222

00:57:56,870 --> 00:57:53,599

do what we do doing interviews

1223

00:58:00,349 --> 00:57:56,880

paranormal interviews and and uh

1224

00:58:02,569 --> 00:58:00,359

presenting things live

1225

00:58:04,549 --> 00:58:02,579

uh and that's the big thing the live

1226
00:58:05,770 --> 00:58:04,559
thing they they don't they don't make a

1227
00:58:08,089 --> 00:58:05,780
whole lot of money

1228
00:58:10,670 --> 00:58:08,099
of course pretend you see these other

1229
00:58:14,510 --> 00:58:10,680
ones that do big Productions and such

1230
00:58:16,670 --> 00:58:14,520
and they do and you know it has all to

1231
00:58:18,589 --> 00:58:16,680
do with the algorithm and getting to a

1232
00:58:22,250 --> 00:58:18,599
point where you know YouTube is

1233
00:58:23,630 --> 00:58:22,260
recommending their their videos so uh

1234
00:58:27,230 --> 00:58:23,640
yeah

1235
00:58:30,530 --> 00:58:27,240
you do somebody comment when niece says

1236
00:58:33,710 --> 00:58:30,540
he does an amazing job you do

1237
00:58:39,349 --> 00:58:37,370
you do well we are coming to the end of

1238
00:58:41,890 --> 00:58:39,359

our hour so and I appreciate you being

1239

00:58:44,089 --> 00:58:41,900

here Lauren thank you so much no problem

1240

00:58:45,770 --> 00:58:44,099

do you want to tell everyone where they

1241

00:58:50,569 --> 00:58:45,780

can find you what's coming up on your

1242

00:58:53,630 --> 00:58:50,579

show what's next for you well I uh

1243

00:58:57,170 --> 00:58:53,640

yeah tomorrow night I'm going to be uh

1244

00:58:59,030 --> 00:58:57,180

talking about a few uh reports that I

1245

00:59:00,410 --> 00:58:59,040

received I I had mentioned the week

1246

00:59:04,670 --> 00:59:00,420

previous

1247

00:59:07,730 --> 00:59:05,750

um

1248

00:59:09,130 --> 00:59:07,740

I think it was an upright canine or dog

1249

00:59:12,530 --> 00:59:09,140

or

1250

00:59:14,329 --> 00:59:12,540

uh Bigfoot out in Greene County and I

1251

00:59:15,589 --> 00:59:14,339

said I had had a report so that's what

1252

00:59:18,589 --> 00:59:15,599

I'm going to talk about because that's

1253

00:59:21,109 --> 00:59:18,599

the as the main episode but I mean the

1254

00:59:23,690 --> 00:59:21,119

main report but we got a few other ones

1255

00:59:27,109 --> 00:59:23,700

in there we've got some uh

1256

00:59:30,349 --> 00:59:27,119

oh Men In Black and a few other things

1257

00:59:32,510 --> 00:59:30,359

so uh yeah show it tomorrow night nine

1258

00:59:35,390 --> 00:59:32,520

o'clock P.M Eastern and uh we'll talk

1259

00:59:37,970 --> 00:59:35,400

about it it'll be a fun time just like

1260

00:59:40,430 --> 00:59:39,230

anything else you want

1261

00:59:42,530 --> 00:59:40,440

shoe one before you go

1262

00:59:45,829 --> 00:59:42,540

no just at you know fans and

1263

00:59:49,190 --> 00:59:45,839

monsters.com if you know if you have any

1264

00:59:51,170 --> 00:59:49,200

uh if you have any reports or anything

1265

00:59:52,490 --> 00:59:51,180

you want to report to me or talk to me

1266

00:59:55,069 --> 00:59:52,500

about

1267

00:59:56,930 --> 00:59:55,079

uh you can contact me at lawn Strickland

1268

00:59:59,809 --> 00:59:56,940

families and monsters.com and the phone

1269

01:00:02,510 --> 00:59:59,819

number is up on the blog as well so uh

1270

01:00:04,789 --> 01:00:02,520

there you go

1271

01:00:06,950 --> 01:00:04,799

all right and again thank you so much

1272

01:00:14,750 --> 01:00:06,960

Lon and I will be there tomorrow night

1273

01:00:18,829 --> 01:00:17,089

I think I lost you did I lose you

1274

01:00:22,010 --> 01:00:18,839

no I'm here

1275

01:00:24,710 --> 01:00:22,020

oh okay well thank you again and we will

1276

01:00:27,650 --> 01:00:24,720

see you tomorrow night long bye okay no

1277

01:00:33,770 --> 01:00:30,230

all right thank you so much for everyone

1278

01:00:36,289 --> 01:00:33,780

for joining us I truly appreciate it

1279

01:00:38,630 --> 01:00:36,299

um it was a great show wasn't it and

1280

01:00:40,490 --> 01:00:38,640

Lawn is always a great guest give me a

1281

01:00:42,109 --> 01:00:40,500

second I'm trying to get my way to get

1282

01:00:46,549 --> 01:00:42,119

out of here too

1283

01:00:48,349 --> 01:00:46,559

uh and so next week I don't think I'm

1284

01:00:50,089 --> 01:00:48,359

going to be having a show because my

1285

01:00:52,490 --> 01:00:50,099

guest has not gotten back to me for that

1286

01:00:55,370 --> 01:00:52,500

show but if I don't then the week after

1287

01:00:57,349 --> 01:00:55,380

my guest will be Steve Stockton he will

1288

01:01:00,349 --> 01:00:57,359

be returning and we love Steve Stockton

1289

01:01:02,690 --> 01:01:00,359
on the show and on this channel

1290

01:01:05,349 --> 01:01:02,700
um I do want to let you guys know that

1291

01:01:08,030 --> 01:01:05,359
we have put a paranormal life on Spotify

1292

01:01:11,630 --> 01:01:08,040
so if you guys go look us up I would

1293

01:01:13,190 --> 01:01:11,640
appreciate if you subscribed to that

1294

01:01:15,049 --> 01:01:13,200
um that would really make me happy I

1295

01:01:16,849 --> 01:01:15,059
really appreciate it

1296

01:01:19,730 --> 01:01:16,859
um again for this Channel please like

1297

01:01:23,030 --> 01:01:19,740
share subscribe we love it here when you

1298

01:01:25,849 --> 01:01:23,040
do that and again thank you guys so much

1299

01:01:28,970 --> 01:01:25,859
for being here and we will see you

1300

01:01:32,450 --> 01:01:28,980
tomorrow night at 9pm on learn show all

1301

01:01:38,380 --> 01:01:32,460

right everyone have a good night bye

1302

01:01:38,390 --> 01:02:02,809
