so

42

00:02:13,190 --> 00:02:10,160

tonight the first

43

00:02:15,890 --> 00:02:13,200

their first account was was an something

44

00:02:18,830 --> 00:02:15,900

I received back in

45

00:02:21,890 --> 00:02:18,840

May of 2012.

46

00:02:23,630 --> 00:02:21,900

uh it was forwarded by a guy by the name

47

00:02:27,050 --> 00:02:23,640

of John

48

00:02:28,910 --> 00:02:27,060

uh he is a retired federal employee who

49

00:02:32,089 --> 00:02:28,920

lives in Northern Nevada

50

00:02:34,010 --> 00:02:32,099

and you wish to remain anonymous now the

51
00:02:36,050 --> 00:02:34,020
story centers around

52
00:02:40,010 --> 00:02:36,060
an experience

53
00:02:42,830 --> 00:02:40,020
he had while living with his grandfather

54
00:02:45,290 --> 00:02:42,840
and this property where they lived on

55
00:02:47,570 --> 00:02:45,300
was in Aleppo Township in Greene County

56
00:02:49,850 --> 00:02:47,580
Pennsylvania so it's right in the uh

57
00:02:52,070 --> 00:02:49,860
southwest corner of the state but it's

58
00:02:53,270 --> 00:02:52,080
an area it's had a lot of a lot of

59
00:02:55,190 --> 00:02:53,280
activity

60
00:02:58,790 --> 00:02:55,200
now he didn't want to pinpoint the

61
00:03:01,729 --> 00:02:58,800
location but did say he wanted to um

62
00:03:03,650 --> 00:03:01,739
wanted me to dedicate this this to his

63
00:03:05,930 --> 00:03:03,660

grandfather Samuel Hill

64

00:03:08,750 --> 00:03:05,940

who he still considers the most

65

00:03:11,750 --> 00:03:08,760

remarkable man he's ever known

66

00:03:14,270 --> 00:03:11,760

now uh

67

00:03:17,030 --> 00:03:14,280

he'll he John seemed very sincere in my

68

00:03:19,729 --> 00:03:17,040

opinion he uh he decided to come forth

69

00:03:21,770 --> 00:03:19,739

with the accountant or we he had a

70

00:03:24,170 --> 00:03:21,780

rather strange encounter a few months

71

00:03:28,250 --> 00:03:24,180

previous to that which he really didn't

72

00:03:31,610 --> 00:03:28,260

want to discuss so he did mention

73

00:03:34,970 --> 00:03:31,620

in his in the one email that he was 81

74

00:03:37,550 --> 00:03:34,980

years old and I don't know I I I don't

75

00:03:40,130 --> 00:03:37,560

know if John's still around or not but

76
00:03:42,890 --> 00:03:40,140
um and he's a veteran a Korean War he

77
00:03:44,690 --> 00:03:42,900
also stated that he fully truly felt

78
00:03:47,410 --> 00:03:44,700
that his grandfather's actions were

79
00:03:50,869 --> 00:03:47,420
taken the defense of the family

80
00:03:53,390 --> 00:03:50,879
so uh he States when he was a boy my

81
00:03:56,270 --> 00:03:53,400
mother and I lived with my grandfather

82
00:03:59,210 --> 00:03:56,280
who had a farmhouse in a rural location

83
00:04:01,430 --> 00:03:59,220
in Southwest Pennsylvania

84
00:04:03,670 --> 00:04:01,440
and my grandfather was a handyman he

85
00:04:07,250 --> 00:04:03,680
also worked the small blacks Mission

86
00:04:09,649 --> 00:04:07,260
blacksmith shop in his old barn

87
00:04:11,929 --> 00:04:09,659
now my grandmother had died before I was

88
00:04:14,929 --> 00:04:11,939

born and my my father had also passed

89

00:04:16,610 --> 00:04:14,939

away while serving overseas in the U.S

90

00:04:20,449 --> 00:04:16,620

army

91

00:04:22,909 --> 00:04:20,459

now beginning in the summer in 1946

92

00:04:24,590 --> 00:04:22,919

we noticed strange howling sounds coming

93

00:04:25,909 --> 00:04:24,600

from the woods that surrounded the

94

00:04:29,150 --> 00:04:25,919

property

95

00:04:31,129 --> 00:04:29,160

now the activity came at night and was

96

00:04:32,510 --> 00:04:31,139

very frightening when the howling came

97

00:04:35,510 --> 00:04:32,520

close

98

00:04:38,030 --> 00:04:35,520

the uh the sounds didn't seem to bottom

99

00:04:40,969 --> 00:04:38,040

my grand grandfather my mother and I

100

00:04:43,490 --> 00:04:40,979

were shaking when it would begin

101
00:04:45,050 --> 00:04:43,500
now the sounds continued off and on for

102
00:04:48,110 --> 00:04:45,060
about a year

103
00:04:49,670 --> 00:04:48,120
but we never noticed any animals and my

104
00:04:51,770 --> 00:04:49,680
grandfather and I would hunt for deer

105
00:04:54,230 --> 00:04:51,780
and squirrel in the woods during the

106
00:04:57,590 --> 00:04:54,240
colder months but we never saw signs of

107
00:05:00,070 --> 00:04:57,600
an unusual active animal activity

108
00:05:04,310 --> 00:05:00,080
so one late afternoon

109
00:05:05,990 --> 00:05:04,320
in Spring of 1947 I was helping my

110
00:05:08,090 --> 00:05:06,000
grandfather in his shop

111
00:05:10,370 --> 00:05:08,100
when I noticed something moving around

112
00:05:12,530 --> 00:05:10,380
the edge of the woods near an area where

113
00:05:14,450 --> 00:05:12,540

my grandfather had a few junk cars and

114

00:05:16,490 --> 00:05:14,460

other items

115

00:05:19,370 --> 00:05:16,500

it was about 200 feet from our location

116

00:05:21,469 --> 00:05:19,380

but I clearly noticed something or

117

00:05:24,650 --> 00:05:21,479

someone moving about

118

00:05:26,210 --> 00:05:24,660

I told my grandfather to look he walked

119

00:05:27,529 --> 00:05:26,220

to the door lit his pipe and said

120

00:05:29,870 --> 00:05:27,539

nothing

121

00:05:32,330 --> 00:05:29,880

now after a minute or two he turned

122

00:05:34,490 --> 00:05:32,340

around and got back to work

123

00:05:36,770 --> 00:05:34,500

now about that time this thing moved

124

00:05:39,230 --> 00:05:36,780

into the woods and disappeared I

125

00:05:41,210 --> 00:05:39,240

couldn't judge how big it was but it was

126

00:05:44,749 --> 00:05:41,220

sort of reminded me of a magazine

127

00:05:46,850 --> 00:05:44,759

picture I had seen of a Lord's ape

128

00:05:48,710 --> 00:05:46,860

that was said to inhabit the Asian

129

00:05:51,050 --> 00:05:48,720

jungles

130

00:05:53,029 --> 00:05:51,060

now later that evening I told my mother

131

00:05:55,189 --> 00:05:53,039

what I had seen

132

00:05:58,090 --> 00:05:55,199

she was shocked because she knew I

133

00:06:01,430 --> 00:05:58,100

wouldn't lie to her and that the howling

134

00:06:04,010 --> 00:06:01,440

sounds had been closer lately

135

00:06:05,870 --> 00:06:04,020

also told her in my grandfather's

136

00:06:07,189 --> 00:06:05,880

response when I pointed the creature out

137

00:06:09,650 --> 00:06:07,199

to him

138

00:06:11,930 --> 00:06:09,660

now she immediately stood up and walked

139

00:06:14,150 --> 00:06:11,940

into the sitting room in order to ask my

140

00:06:16,790 --> 00:06:14,160

grandfather what it was

141

00:06:18,170 --> 00:06:16,800

he started to shake his head and slowly

142

00:06:23,090 --> 00:06:18,180

said

143

00:06:23,809 --> 00:06:23,100

that he was hoping that we wouldn't see

144

00:06:26,330 --> 00:06:23,819

it

145

00:06:28,850 --> 00:06:26,340

because he was worried we would be

146

00:06:31,850 --> 00:06:28,860

scared to leave him

147

00:06:34,730 --> 00:06:31,860

after assuring him that we'd never leave

148

00:06:37,249 --> 00:06:34,740

him my mother again insisted that he

149

00:06:39,469 --> 00:06:37,259

tell us what the creature was

150

00:06:42,290 --> 00:06:39,479

he looked away took a deep breath and

151
00:06:44,570 --> 00:06:42,300
said it's a dark Walker

152
00:06:45,890 --> 00:06:44,580
and said it lived in the woods for many

153
00:06:49,070 --> 00:06:45,900
years

154
00:06:50,809 --> 00:06:49,080
he said the Native Indians called it

155
00:06:53,570 --> 00:06:50,819
Stone spirit

156
00:06:56,570 --> 00:06:53,580
and they thought that it was a an evil

157
00:06:59,570 --> 00:06:56,580
spirit who would appear when someone was

158
00:07:03,529 --> 00:07:01,670
now last time he had seen the dark

159
00:07:06,110 --> 00:07:03,539
Walker was the night before my

160
00:07:09,110 --> 00:07:06,120
grandmother had passed my mother was

161
00:07:11,210 --> 00:07:09,120
skeptical of the harbinger death angle

162
00:07:14,150 --> 00:07:11,220
but she sensed that there was something

163
00:07:16,090 --> 00:07:14,160

unnatural nearby

164

00:07:18,950 --> 00:07:16,100

now the howling continued each night

165

00:07:21,290 --> 00:07:18,960

though we hadn't seen any signs of this

166

00:07:23,570 --> 00:07:21,300

dark Walker now one warm evening we were

167

00:07:26,390 --> 00:07:23,580

sitting on the back porch

168

00:07:28,730 --> 00:07:26,400

there were a few howls but uh it seemed

169

00:07:30,890 --> 00:07:28,740

like the sounds were further away

170

00:07:33,950 --> 00:07:30,900

we were listening to the radio when all

171

00:07:35,930 --> 00:07:33,960

at once my grandfather stood up and

172

00:07:38,629 --> 00:07:35,940

looked out towards the barn

173

00:07:41,270 --> 00:07:38,639

he turned to me and said John go get my

174

00:07:43,309 --> 00:07:41,280

pistol and ammo hurry now

175

00:07:46,309 --> 00:07:43,319

I ran into the sitting room and grabbed

176

00:07:49,010 --> 00:07:46,319

the 455 Weebly revolver and a handful of

177

00:07:51,050 --> 00:07:49,020

bullets from the old steamer trunk

178

00:07:52,550 --> 00:07:51,060

I handed it to him and watched him load

179

00:07:55,070 --> 00:07:52,560

the gun

180

00:07:58,010 --> 00:07:55,080

he then picked up a hatchet and slid in

181

00:08:00,230 --> 00:07:58,020

his pants belt now both of you get in

182

00:08:01,790 --> 00:08:00,240

the house now

183

00:08:03,050 --> 00:08:01,800

we were in the kitchen looking through

184

00:08:05,330 --> 00:08:03,060

the screen door

185

00:08:07,309 --> 00:08:05,340

and watched my grandfather walk slowly

186

00:08:09,830 --> 00:08:07,319

towards the barn

187

00:08:12,170 --> 00:08:09,840

we saw him turn and walk out of sight

188

00:08:14,689 --> 00:08:12,180

into the dark

189

00:08:17,510 --> 00:08:14,699

I decided to go grab my shotgun and keep

190

00:08:19,369 --> 00:08:17,520

it nearby now after a minute or so we

191

00:08:21,710 --> 00:08:19,379

heard three gunshots

192

00:08:23,629 --> 00:08:21,720

and a blood curling spree emanate from

193

00:08:25,790 --> 00:08:23,639

the woods near the barn

194

00:08:28,430 --> 00:08:25,800

we were frozen and wondering if we

195

00:08:30,610 --> 00:08:28,440

should go look for my grandfather

196

00:08:35,510 --> 00:08:30,620

a few seconds later we heard him yell

197

00:08:41,870 --> 00:08:38,690

I heard the pickup truck start up

198

00:08:44,570 --> 00:08:41,880

I looked out the storage room window

199

00:08:46,730 --> 00:08:44,580

and saw my grandfather drive to the back

200

00:08:49,370 --> 00:08:46,740

of the barn and Park

201
00:08:52,370 --> 00:08:49,380
several minutes later he backed up and

202
00:08:54,110 --> 00:08:52,380
drove by the side of the house out onto

203
00:08:56,509 --> 00:08:54,120
the road

204
00:08:59,030 --> 00:08:56,519
I could see that there was something in

205
00:09:01,370 --> 00:08:59,040
the back covered up with a tarp

206
00:09:03,230 --> 00:09:01,380
and I was getting late so my mother told

207
00:09:05,150 --> 00:09:03,240
me to go to bed

208
00:09:07,790 --> 00:09:05,160
now the next morning I came downstairs

209
00:09:09,530 --> 00:09:07,800
and sat beside my grandfather who was

210
00:09:11,210 --> 00:09:09,540
reading in the newspaper and drinking a

211
00:09:13,490 --> 00:09:11,220
cup of coffee

212
00:09:15,110 --> 00:09:13,500
and my grandmother was sitting my mother

213
00:09:17,870 --> 00:09:15,120

was sitting at the other end of the

214

00:09:21,530 --> 00:09:17,880

table staring at my grandfather

215

00:09:23,030 --> 00:09:21,540

not long later she said well Dad tell me

216

00:09:25,670 --> 00:09:23,040

tell him

217

00:09:28,070 --> 00:09:25,680

excuse me she said he said she said well

218

00:09:29,930 --> 00:09:28,080

Dad tell him

219

00:09:33,889 --> 00:09:29,940

my grandfather put the paper down and

220

00:09:36,110 --> 00:09:33,899

looked at me I killed the dark Walker

221

00:09:38,690 --> 00:09:36,120

that was all he said

222

00:09:40,670 --> 00:09:38,700

my mother told me not to tell anyone and

223

00:09:43,190 --> 00:09:40,680

the matter was closed

224

00:09:45,769 --> 00:09:43,200

now we never talked about it again

225

00:09:47,870 --> 00:09:45,779

my grandfather lived another 15 years

226

00:09:49,490 --> 00:09:47,880

and my mother stayed with him until his

227

00:09:52,070 --> 00:09:49,500

dying day

228

00:09:54,230 --> 00:09:52,080

and when I grow older I moved away and

229

00:09:56,329 --> 00:09:54,240

raised a family I would return home to

230

00:09:58,009 --> 00:09:56,339

visit each summer and never heard

231

00:09:59,810 --> 00:09:58,019

another how

232

00:10:01,730 --> 00:09:59,820

now

233

00:10:03,949 --> 00:10:01,740

I asked John if he thought the dark

234

00:10:05,030 --> 00:10:03,959

Walker was a Bigfoot or some hairy

235

00:10:07,670 --> 00:10:05,040

hominid

236

00:10:08,870 --> 00:10:07,680

he responded by saying that he wasn't

237

00:10:10,850 --> 00:10:08,880

sure

238

00:10:13,430 --> 00:10:10,860

he thought it seemed more animal than

239

00:10:15,110 --> 00:10:13,440

like than human and that it moved lower

240

00:10:17,570 --> 00:10:15,120

to the ground

241

00:10:19,610 --> 00:10:17,580

at least during a brief time he observed

242

00:10:22,190 --> 00:10:19,620

it and John mentioned

243

00:10:24,170 --> 00:10:22,200

that the roshani legends of similar

244

00:10:26,090 --> 00:10:24,180

creatures but he never found a reference

245

00:10:28,250 --> 00:10:26,100

to a stone spear

246

00:10:31,670 --> 00:10:28,260

so quite frankly I actually looked into

247

00:10:34,370 --> 00:10:31,680

the stone Spirit Shawnee Legend and it

248

00:10:36,650 --> 00:10:34,380

is a truce it is true account

249

00:10:39,050 --> 00:10:36,660

um it's something that they did consider

250

00:10:42,829 --> 00:10:39,060

and what they called possibly called

251

00:10:46,130 --> 00:10:42,839

Bigfoot Stone Spirits um

252

00:10:49,850 --> 00:10:46,140

Rosemary L and golly put this chapter

253

00:10:51,949 --> 00:10:49,860

and put this in one of her books her

254

00:10:55,009 --> 00:10:51,959

book in particular about Greene County

255

00:10:57,650 --> 00:10:55,019

and um she did look into the stone

256

00:11:00,050 --> 00:10:57,660

Spirit story and apparently it it was

257

00:11:02,930 --> 00:11:00,060

something that they it was part of their

258

00:11:04,610 --> 00:11:02,940

religion part of their religion so you

259

00:11:07,069 --> 00:11:04,620

know I not there's not a whole lot out

260

00:11:09,650 --> 00:11:07,079

there about it but it does it does show

261

00:11:12,170 --> 00:11:09,660

up occasionally

262

00:11:15,410 --> 00:11:12,180

okay uh

263

00:11:18,949 --> 00:11:15,420

this next account was one I found on the

264

00:11:21,829 --> 00:11:18,959

internet by someone who I'm IO

265

00:11:24,170 --> 00:11:21,839

well the person who had it on the hit or

266

00:11:25,670 --> 00:11:24,180

someone I trusted somebody I look up to

267

00:11:28,190 --> 00:11:25,680

so um

268

00:11:30,769 --> 00:11:28,200

when he posted I I went ahead and

269

00:11:32,750 --> 00:11:30,779

reposted on the blog and looked into it

270

00:11:36,350 --> 00:11:32,760

a little further

271

00:11:38,930 --> 00:11:36,360

a man named Anthony cross wrote

272

00:11:40,370 --> 00:11:38,940

about the time bigfoot saved him from

273

00:11:42,230 --> 00:11:40,380

certain death

274

00:11:43,970 --> 00:11:42,240

now the incident occurred in the Florida

275

00:11:46,550 --> 00:11:43,980

Everglades after the witness has

276

00:11:49,670 --> 00:11:46,560

sustained a severe injury

277

00:11:52,250 --> 00:11:49,680

now he States in 1982

278

00:11:55,009 --> 00:11:52,260

I just ended my time in the Army and

279

00:11:56,870 --> 00:11:55,019

after getting home I found nothing had

280

00:11:59,150 --> 00:11:56,880

changed

281

00:12:01,430 --> 00:11:59,160

that in my experiences in the service

282

00:12:05,030 --> 00:12:01,440

left me in a poor mental state

283

00:12:06,710 --> 00:12:05,040

I love the outdoors camping you know

284

00:12:09,410 --> 00:12:06,720

especially camping from an early age so

285

00:12:11,569 --> 00:12:09,420

I foolishly decided that camping in the

286

00:12:14,389 --> 00:12:11,579

Florida Evergreens would give me the

287

00:12:16,790 --> 00:12:14,399

peace of mind I desperately need it

288

00:12:19,490 --> 00:12:16,800

but after three days I had had enough I

289

00:12:20,690 --> 00:12:19,500

packed up my gear and headed out only to

290

00:12:25,030 --> 00:12:20,700

realize

291

00:12:27,889 --> 00:12:25,040

that had somewhat gotten myself lost

292

00:12:30,050 --> 00:12:27,899

uh there were about seven hours of

293

00:12:31,670 --> 00:12:30,060

daylight left so I climbed the tallest

294

00:12:34,310 --> 00:12:31,680

tree and I saw

295

00:12:36,590 --> 00:12:34,320

you know to try to get my bearings the

296

00:12:38,990 --> 00:12:36,600

tree was pretty thin and and just as I

297

00:12:43,310 --> 00:12:39,000

sold the way I needed to go

298

00:12:45,889 --> 00:12:43,320

I slipped down and fell about 16 feet

299

00:12:49,790 --> 00:12:45,899

my ankle and my knee were sprained very

300

00:12:52,190 --> 00:12:49,800

badly and the pain was nearly unbearable

301
00:12:54,650 --> 00:12:52,200
I limped as far as I popped as possible

302
00:12:57,470 --> 00:12:54,660
in the direction I needed to go but soon

303
00:13:00,710 --> 00:12:57,480
I couldn't stand the pain anymore

304
00:13:02,990 --> 00:13:00,720
now finding the path leading out I sat

305
00:13:04,190 --> 00:13:03,000
and started scooting backward as best I

306
00:13:06,769 --> 00:13:04,200
could

307
00:13:08,930 --> 00:13:06,779
it was going to it was hard going on the

308
00:13:10,610 --> 00:13:08,940
path which was made of crushed shells

309
00:13:13,790 --> 00:13:10,620
and gravel

310
00:13:15,410 --> 00:13:13,800
an hour later I saw a large cat come out

311
00:13:19,250 --> 00:13:15,420
of the bush

312
00:13:21,590 --> 00:13:19,260
I slowly started towards me much like a

313
00:13:23,810 --> 00:13:21,600

house cat does when it sees a pert

314

00:13:28,190 --> 00:13:23,820

feeling very vulnerable

315

00:13:30,470 --> 00:13:28,200

and unarmed I knew I was in deep trouble

316

00:13:33,230 --> 00:13:30,480

each time I scooted backward it would

317

00:13:35,449 --> 00:13:33,240

lunge and sort of flop its front paws

318

00:13:38,030 --> 00:13:35,459

craziest thing I'd ever saw

319

00:13:40,310 --> 00:13:38,040

was about 10 yards from me went from the

320

00:13:42,769 --> 00:13:40,320

right came a rock

321

00:13:44,870 --> 00:13:42,779

about the size of a softball flying

322

00:13:47,269 --> 00:13:44,880

horizontal like a missile

323

00:13:48,410 --> 00:13:47,279

it struck the side the cat's head so

324

00:13:50,870 --> 00:13:48,420

hard

325

00:13:54,650 --> 00:13:50,880

that aside from literally exploding it

326
00:13:57,290 --> 00:13:54,660
folded around backward and slapped its

327
00:13:59,090 --> 00:13:57,300
body I heard a crunch a soul of blood

328
00:14:01,490 --> 00:13:59,100
and Mist on impact

329
00:14:02,930 --> 00:14:01,500
I swear every single word is absolutely

330
00:14:05,569 --> 00:14:02,940
true

331
00:14:08,569 --> 00:14:05,579
I looked to the right and saw it

332
00:14:11,269 --> 00:14:08,579
standing there just inside the tree line

333
00:14:12,350 --> 00:14:11,279
massive dark hair covered except his

334
00:14:14,990 --> 00:14:12,360
face

335
00:14:17,389 --> 00:14:15,000
it was dark but easily human-like we

336
00:14:18,530 --> 00:14:17,399
made con to eye contact and I felt very

337
00:14:20,810 --> 00:14:18,540
calm

338
00:14:22,910 --> 00:14:20,820

and to this day I can't be sure if I

339

00:14:26,210 --> 00:14:22,920

heard or just felt safe

340

00:14:28,610 --> 00:14:26,220

but I heard that word inside my head

341

00:14:31,190 --> 00:14:28,620

I looked back at the cat I thought it

342

00:14:34,009 --> 00:14:31,200

made a gurgling sound I still don't know

343

00:14:35,449 --> 00:14:34,019

but when I turned my back my savior was

344

00:14:37,670 --> 00:14:35,459

gone

345

00:14:39,530 --> 00:14:37,680

now I was replaying everything in my

346

00:14:42,050 --> 00:14:39,540

mind when I heard a crack at five

347

00:14:48,710 --> 00:14:45,170

as I turned towards the sound a law long

348

00:14:51,290 --> 00:14:48,720

thick excuse me a long thin stick came

349

00:14:54,829 --> 00:14:51,300

flying out of the trees Landing a few

350

00:14:56,930 --> 00:14:54,839

feet behind me I never saw it or heard

351

00:15:00,290 --> 00:14:56,940

it after the first moment

352

00:15:03,050 --> 00:15:00,300

but I was positive threw me a crutch to

353

00:15:05,870 --> 00:15:03,060

help me get to my feet and make it out

354

00:15:08,329 --> 00:15:05,880

now over the years I had experienced to

355

00:15:10,370 --> 00:15:08,339

I had the experience to myself alone

356

00:15:11,389 --> 00:15:10,380

knowing I'd be locked up if I told

357

00:15:13,430 --> 00:15:11,399

anyone

358

00:15:16,009 --> 00:15:13,440

there are bad apples in every species

359

00:15:19,670 --> 00:15:16,019

but people need to understand they have

360

00:15:20,930 --> 00:15:19,680

compassion for US unless attacked

361

00:15:22,250 --> 00:15:20,940

so I thought that was quite an

362

00:15:26,150 --> 00:15:22,260

interesting story every once in a while

363

00:15:28,730 --> 00:15:26,160

we will come across

364

00:15:29,990 --> 00:15:28,740

something where a story where the uh

365

00:15:32,870 --> 00:15:30,000

Bigfoot

366

00:15:34,730 --> 00:15:32,880

will reach out and help someone who's in

367

00:15:37,189 --> 00:15:34,740

distress

368

00:15:41,750 --> 00:15:37,199

I had another one not long ago that I

369

00:15:46,189 --> 00:15:44,389

so this account

370

00:15:49,269 --> 00:15:46,199

I've had for a bit

371

00:15:51,650 --> 00:15:49,279

I decided to dust it off and bring it up

372

00:15:52,970 --> 00:15:51,660

Muskegon Michigan woman relates your

373

00:15:56,150 --> 00:15:52,980

encounters

374

00:15:59,990 --> 00:15:56,160

with possible Men In Black after several

375

00:16:03,470 --> 00:16:00,000

us UFO sightings along Lake Michigan

376

00:16:08,090 --> 00:16:03,480

now these MIB also used an unknown piece

377

00:16:15,170 --> 00:16:11,509

now I received this back in 2014 and I

378

00:16:18,949 --> 00:16:15,180

know it didn't happen much before that

379

00:16:20,389 --> 00:16:18,959

um so she states High fans and monsters

380

00:16:23,269 --> 00:16:20,399

have found your blog while hunting for

381

00:16:25,670 --> 00:16:23,279

information on UFO investigations

382

00:16:28,430 --> 00:16:25,680

A co-worker told me that some UFO

383

00:16:31,490 --> 00:16:28,440

investigators may be alien beings hired

384

00:16:33,710 --> 00:16:31,500

by government military is this true

385

00:16:39,050 --> 00:16:33,720

I ask because something happened to me

386

00:16:44,749 --> 00:16:42,710

now I live near Muskegon Michigan close

387

00:16:46,730 --> 00:16:44,759

to Lake Michigan Shoreline

388

00:16:48,230 --> 00:16:46,740

over the past two years several

389

00:16:50,990 --> 00:16:48,240

Neighbors in ourselves have witnessed

390

00:16:53,509 --> 00:16:51,000

many weird lights above the lake

391

00:16:56,150 --> 00:16:53,519

during the last week of April there were

392

00:16:59,150 --> 00:16:56,160

several strains of red and white lights

393

00:17:01,550 --> 00:16:59,160

moving North above the lake I noticed

394

00:17:04,189 --> 00:17:01,560

the lights twice on different nights

395

00:17:07,189 --> 00:17:04,199

now the man across the street

396

00:17:09,949 --> 00:17:07,199

contacted the UFO group I don't know the

397

00:17:13,069 --> 00:17:09,959

name of the group he told my son that he

398

00:17:15,829 --> 00:17:13,079

had also seen unusual people in his

399

00:17:17,030 --> 00:17:15,839

backyard from his bedroom window one

400

00:17:18,949 --> 00:17:17,040

night

401
00:17:20,750 --> 00:17:18,959
and he went out to confront them they

402
00:17:25,309 --> 00:17:20,760
were gone this happened just two days

403
00:17:28,610 --> 00:17:25,319
after he filed a UFO report online

404
00:17:32,030 --> 00:17:28,620
now on two consecutive nights my son and

405
00:17:34,010 --> 00:17:32,040
I saw Spotlight shining from the shore

406
00:17:36,409 --> 00:17:34,020
of uh the lake

407
00:17:39,049 --> 00:17:36,419
there was a field a narrow route and a

408
00:17:41,990 --> 00:17:39,059
burn between our house and the lake

409
00:17:44,450 --> 00:17:42,000
it looked like the spotlights may have

410
00:17:47,150 --> 00:17:44,460
been mounted on vehicles now on both

411
00:17:49,789 --> 00:17:47,160
nights just occurred around 11 pm and

412
00:17:53,390 --> 00:17:49,799
lasted only for a few minutes

413
00:17:55,669 --> 00:17:53,400

so a few days later May 4th about 2 P.M

414

00:17:57,110 --> 00:17:55,679

I was out in the backyard working in my

415

00:17:59,870 --> 00:17:57,120

garden

416

00:18:01,970 --> 00:17:59,880

a man dressed in black military gorb had

417

00:18:03,409 --> 00:18:01,980

entered through my back gate and walked

418

00:18:05,690 --> 00:18:03,419

towards me

419

00:18:07,430 --> 00:18:05,700

I stopped what I was doing and waited

420

00:18:10,250 --> 00:18:07,440

for him to say something

421

00:18:11,990 --> 00:18:10,260

he wore glasses that were tinted yellow

422

00:18:13,610 --> 00:18:12,000

which stood up because everything else

423

00:18:17,270 --> 00:18:13,620

on him was black

424

00:18:18,950 --> 00:18:17,280

he also wore a plain black cap with no

425

00:18:21,350 --> 00:18:18,960

insignia

426

00:18:23,690 --> 00:18:21,360

and when um

427

00:18:26,630 --> 00:18:23,700

we got close he looked directly at me

428

00:18:29,090 --> 00:18:26,640

without any expression and asked if I

429

00:18:30,710 --> 00:18:29,100

had noticed lights over the lake and I

430

00:18:32,810 --> 00:18:30,720

explained

431

00:18:35,270 --> 00:18:32,820

what we had seen

432

00:18:36,110 --> 00:18:35,280

and other information I thought would

433

00:18:37,970 --> 00:18:36,120

help

434

00:18:40,370 --> 00:18:37,980

he wrote everything down in a small

435

00:18:42,350 --> 00:18:40,380

notebook rarely saying a word other than

436

00:18:44,690 --> 00:18:42,360

anything else

437

00:18:47,450 --> 00:18:44,700

and when I finished he asked if I had

438

00:18:49,549 --> 00:18:47,460

reported the sightings I told him the

439

00:18:51,409 --> 00:18:49,559

man across the street said he contacted

440

00:18:53,090 --> 00:18:51,419

the UFO group

441

00:18:56,390 --> 00:18:53,100

then asked

442

00:18:58,490 --> 00:18:56,400

but did you contact anyone I said no

443

00:19:00,409 --> 00:18:58,500

then I asked him what group he was with

444

00:19:02,330 --> 00:19:00,419

he just looked at me and said thank you

445

00:19:04,610 --> 00:19:02,340

for cooperating

446

00:19:06,350 --> 00:19:04,620

that was very weird because I felt that

447

00:19:07,430 --> 00:19:06,360

there was something not right about this

448

00:19:09,590 --> 00:19:07,440

man

449

00:19:11,330 --> 00:19:09,600

I guess it was intuition but I was

450

00:19:16,130 --> 00:19:11,340

creeped out

451
00:19:17,870 --> 00:19:16,140
so on Saturday May 9th around 10 30 pm

452
00:19:19,549 --> 00:19:17,880
there were more lights coming from the

453
00:19:22,669 --> 00:19:19,559
lake Shoreline

454
00:19:25,010 --> 00:19:22,679
now this time I decided to walk over and

455
00:19:26,990 --> 00:19:25,020
see what was going on my son who was 17

456
00:19:29,210 --> 00:19:27,000
came with me

457
00:19:31,130 --> 00:19:29,220
it was just as curious as me we walked

458
00:19:32,450 --> 00:19:31,140
through the yard across the field then

459
00:19:34,310 --> 00:19:32,460
over the berm

460
00:19:37,010 --> 00:19:34,320
to the Shoreline

461
00:19:39,770 --> 00:19:37,020
there were five black Land Rover like

462
00:19:41,029 --> 00:19:39,780
Vehicles about 100 yards south along the

463
00:19:44,210 --> 00:19:41,039

shoreline

464

00:19:46,909 --> 00:19:44,220

they were also there were also a dozen

465

00:19:49,549 --> 00:19:46,919

or more Men In Black Garb moving about

466

00:19:52,070 --> 00:19:49,559

now soon as one of these men noticed us

467

00:19:54,770 --> 00:19:52,080

he shouted there

468

00:19:57,470 --> 00:19:54,780

and came running towards us

469

00:20:00,289 --> 00:19:57,480

he had a three foot long

470

00:20:01,610 --> 00:20:00,299

light colored baton with a yellow light

471

00:20:04,010 --> 00:20:01,620

on the end

472

00:20:05,210 --> 00:20:04,020

two other men came running towards us as

473

00:20:07,549 --> 00:20:05,220

well

474

00:20:09,110 --> 00:20:07,559

the man with the Baton yelled you must

475

00:20:11,690 --> 00:20:09,120

leave it once this is a National

476

00:20:13,909 --> 00:20:11,700

Security operation

477

00:20:16,310 --> 00:20:13,919

my son asked who they were but never

478

00:20:17,990 --> 00:20:16,320

received an answer to the question

479

00:20:20,510 --> 00:20:18,000

one of the other men who I believe was

480

00:20:23,510 --> 00:20:20,520

the superior said you must leave the

481

00:20:26,270 --> 00:20:23,520

area immediately go back to your home

482

00:20:28,789 --> 00:20:26,280

a representative will contact you in a

483

00:20:30,529 --> 00:20:28,799

day or two we agreed and promptly left

484

00:20:32,630 --> 00:20:30,539

and went home

485

00:20:34,669 --> 00:20:32,640

I have not been contacted by anyone

486

00:20:36,310 --> 00:20:34,679

since that night my son and I went back

487

00:20:38,210 --> 00:20:36,320

to the Shoreline and looked around

488

00:20:39,890 --> 00:20:38,220

hoping that we could find something

489

00:20:41,930 --> 00:20:39,900

could help us understand what had

490

00:20:44,570 --> 00:20:41,940

happened but there was nothing

491

00:20:47,029 --> 00:20:44,580

I believe that they may have discovered

492

00:20:48,950 --> 00:20:47,039

something of importance just by the way

493

00:20:50,750 --> 00:20:48,960

they reacted to us

494

00:20:53,930 --> 00:20:50,760

is there any way of finding out who

495

00:20:56,870 --> 00:20:53,940

these guys were and what they were doing

496

00:20:59,270 --> 00:20:56,880

now I contacted the witness by email

497

00:21:00,830 --> 00:20:59,280

explaining that this type of activity

498

00:21:03,230 --> 00:21:00,840

isn't uncommon

499

00:21:05,029 --> 00:21:03,240

after specific sightings especially

500

00:21:07,430 --> 00:21:05,039

those signs that occurred several times

501
00:21:09,590 --> 00:21:07,440
now

502
00:21:12,590 --> 00:21:09,600
I guess you caught it might be scenario

503
00:21:14,390 --> 00:21:12,600
I guess that's what they were baton with

504
00:21:16,010 --> 00:21:14,400
the life that was interesting

505
00:21:18,110 --> 00:21:16,020
um that was the first time I heard any

506
00:21:20,690 --> 00:21:18,120
piece of equipment being present

507
00:21:22,130 --> 00:21:20,700
during an encounter in an investigation

508
00:21:23,810 --> 00:21:22,140
so

509
00:21:25,210 --> 00:21:23,820
after many years I still haven't

510
00:21:29,270 --> 00:21:25,220
received any further information

511
00:21:35,510 --> 00:21:31,930
now this um this other account

512
00:21:37,490 --> 00:21:35,520
came from a woman who wrote to me and

513
00:21:39,770 --> 00:21:37,500

said I believe my husband and I saw a

514

00:21:41,930 --> 00:21:39,780

hellhound

515

00:21:44,149 --> 00:21:41,940

she states we live in rural northern

516

00:21:46,549 --> 00:21:44,159

Idaho and we both hunt so we know

517

00:21:47,990 --> 00:21:46,559

everything about animals even in Pitch

518

00:21:50,149 --> 00:21:48,000

Darkness

519

00:21:52,430 --> 00:21:50,159

we don't have normal Plumbing we have to

520

00:21:54,110 --> 00:21:52,440

turn on an electric well every morning

521

00:21:56,270 --> 00:21:54,120

to fill it up

522

00:21:58,730 --> 00:21:56,280

our tank can last us three to four days

523

00:21:59,750 --> 00:21:58,740

but we like to keep it filled just in

524

00:22:01,250 --> 00:21:59,760

case

525

00:22:02,810 --> 00:22:01,260

there are other tanks like that

526
00:22:04,669 --> 00:22:02,820
scattered throughout the woods just

527
00:22:06,230 --> 00:22:04,679
waiting for someone to buy the land and

528
00:22:08,510 --> 00:22:06,240
build a home

529
00:22:11,029 --> 00:22:08,520
now

530
00:22:13,070 --> 00:22:11,039
we were taking a walk and it got dark so

531
00:22:15,350 --> 00:22:13,080
we went back home however

532
00:22:18,710 --> 00:22:15,360
on our way home we saw something not

533
00:22:21,890 --> 00:22:18,720
human or animal near one of the wells

534
00:22:25,190 --> 00:22:21,900
it was hunched over like it was eating

535
00:22:27,590 --> 00:22:25,200
we walked carefully closer

536
00:22:30,350 --> 00:22:27,600
about 20 feet from this thing trying to

537
00:22:32,570 --> 00:22:30,360
figure out what it was

538
00:22:34,070 --> 00:22:32,580

too large for stray dog or wolf and too

539

00:22:36,470 --> 00:22:34,080

small for a bear

540

00:22:37,970 --> 00:22:36,480

but whatever it was it looked at us with

541

00:22:40,070 --> 00:22:37,980

red eyes

542

00:22:42,169 --> 00:22:40,080

I've never been more scared in my life

543

00:22:44,570 --> 00:22:42,179

now my husband is scared of nothing he

544

00:22:46,370 --> 00:22:44,580

but he was scared as well

545

00:22:48,470 --> 00:22:46,380

we took off running

546

00:22:49,850 --> 00:22:48,480

uh I don't think we've ever run that

547

00:22:52,610 --> 00:22:49,860

fast before

548

00:22:55,850 --> 00:22:52,620

it did chase us for a bit but then it

549

00:22:57,590 --> 00:22:55,860

just disappeared we got to our house and

550

00:23:00,230 --> 00:22:57,600

it was just gone now we knew it was

551
00:23:01,549 --> 00:23:00,240
behind us when we left the woods but we

552
00:23:03,770 --> 00:23:01,559
couldn't see it we locked all the

553
00:23:05,810 --> 00:23:03,780
windows and doors that night

554
00:23:09,110 --> 00:23:05,820
we talked to one of the Town locals

555
00:23:11,029 --> 00:23:09,120
about this thing we saw he showed us a

556
00:23:13,130 --> 00:23:11,039
picture of a hellhound

557
00:23:15,830 --> 00:23:13,140
he told us stories about people meeting

558
00:23:19,070 --> 00:23:15,840
the hellhound in the same area

559
00:23:21,830 --> 00:23:19,080
always near a well-road Crossroads of

560
00:23:23,930 --> 00:23:21,840
places of debt seeing him once will

561
00:23:26,510 --> 00:23:23,940
bring us happiness seeing it twice will

562
00:23:29,090 --> 00:23:26,520
bring us sorrow and seeing it three

563
00:23:31,669 --> 00:23:29,100

times will bring us death

564

00:23:34,490 --> 00:23:31,679

I don't know what it was

565

00:23:35,930 --> 00:23:34,500

but hell town is the only explanation

566

00:23:37,789 --> 00:23:35,940

uh

567

00:23:39,710 --> 00:23:37,799

you know these hellhound stores are

568

00:23:43,909 --> 00:23:39,720

pretty interesting we do get I do get

569

00:23:50,330 --> 00:23:45,830

mostly very few here in the United

570

00:23:56,210 --> 00:23:53,210

so let's see here this is the like oh

571

00:23:57,350 --> 00:23:56,220

this this next accounts the last one so

572

00:23:58,970 --> 00:23:57,360

um

573

00:24:03,049 --> 00:23:58,980

if you want to start posting questions

574

00:24:08,750 --> 00:24:06,230

the witness writes after 30 after 30

575

00:24:11,090 --> 00:24:08,760

long years a Tennessee man

576
00:24:14,029 --> 00:24:11,100
and this came from secondhand Source

577
00:24:16,130 --> 00:24:14,039
after 30 long years a Tennessee man had

578
00:24:17,690 --> 00:24:16,140
finally revealed the reason behind his

579
00:24:21,289 --> 00:24:17,700
abrupt decision

580
00:24:23,510 --> 00:24:21,299
to stop going into the woods

581
00:24:26,690 --> 00:24:23,520
the man who had chosen Reign anonymous

582
00:24:29,090 --> 00:24:26,700
had kept the Seeker hidden for decades

583
00:24:30,890 --> 00:24:29,100
but recent events have prompted him to

584
00:24:33,289 --> 00:24:30,900
speak out about the harrowing experience

585
00:24:35,210 --> 00:24:33,299
that led to his avoidance of the

586
00:24:37,610 --> 00:24:35,220
Tennessee wilderness

587
00:24:39,649 --> 00:24:37,620
the tale he tells is one of fear

588
00:24:41,690 --> 00:24:39,659

survival in the brush with unknown that

589

00:24:44,029 --> 00:24:41,700

changed his life forever

590

00:24:46,010 --> 00:24:44,039

now on this particular day he packed

591

00:24:47,570 --> 00:24:46,020

light and only hiked a couple miles into

592

00:24:49,909 --> 00:24:47,580

the Smokies

593

00:24:51,770 --> 00:24:49,919

he set up camp and spent a perfect day

594

00:24:54,770 --> 00:24:51,780

exploring the area with his faithful

595

00:24:57,110 --> 00:24:54,780

canine companions

596

00:24:59,090 --> 00:24:57,120

as late afternoon arrived the man was

597

00:25:02,570 --> 00:24:59,100

ready to settle down to start a fire to

598

00:25:04,669 --> 00:25:02,580

the warm-up you know at the campsite

599

00:25:07,549 --> 00:25:04,679

however he noticed that his two dogs

600

00:25:10,310 --> 00:25:07,559

seemed unusually agitated barking and

601
00:25:12,350 --> 00:25:10,320
growling at something in the distance

602
00:25:14,210 --> 00:25:12,360
even though he had always managed to

603
00:25:15,830 --> 00:25:14,220
keep bears away before they had always

604
00:25:17,330 --> 00:25:15,840
managed to keep bears away before the

605
00:25:20,570 --> 00:25:17,340
man couldn't help

606
00:25:23,270 --> 00:25:20,580
by feeling a bit concerned now as Mike

607
00:25:25,610 --> 00:25:23,280
began to follow the warm summer and

608
00:25:28,850 --> 00:25:25,620
built the campsite prompting the man to

609
00:25:30,830 --> 00:25:28,860
leave the tent door open

610
00:25:32,630 --> 00:25:30,840
we settled in for he settled in for the

611
00:25:33,409 --> 00:25:32,640
night with his two dogs nestled close to

612
00:25:36,289 --> 00:25:33,419
him

613
00:25:37,370 --> 00:25:36,299

he walked too soon seeing bright moon

614

00:25:40,610 --> 00:25:37,380

lit

615

00:25:42,950 --> 00:25:40,620

the Moonlight emanate Illuminating his

616

00:25:46,010 --> 00:25:42,960

Camp before he realized the dogs were

617

00:25:47,990 --> 00:25:46,020

making deep low growls and had hackles

618

00:25:50,450 --> 00:25:48,000

raised at something

619

00:25:54,169 --> 00:25:50,460

he then noticed another noise like a

620

00:25:56,510 --> 00:25:54,179

thrumming groan coming from outside the

621

00:26:00,529 --> 00:25:58,669

now the source of the groaning noise

622

00:26:02,690 --> 00:26:00,539

became apparent as the man's eyes

623

00:26:05,330 --> 00:26:02,700

adjusted to the darkness

624

00:26:08,510 --> 00:26:05,340

he can now see a dark outline that seem

625

00:26:12,409 --> 00:26:08,520

to roughly shape you know form the shape

626
00:26:15,110 --> 00:26:12,419
of a bear lurking uh just beyond the now

627
00:26:17,390 --> 00:26:15,120
cold Embers of the campfire

628
00:26:20,870 --> 00:26:17,400
the man shouted at the dark looming

629
00:26:22,909 --> 00:26:20,880
figure outside the tent to his surprise

630
00:26:25,370 --> 00:26:22,919
the creature went quiet but then began

631
00:26:27,529 --> 00:26:25,380
to grow in size

632
00:26:30,470 --> 00:26:27,539
until it was towering over the screen

633
00:26:33,350 --> 00:26:30,480
window in the tent

634
00:26:35,210 --> 00:26:33,360
uh it's called the tent roof there was a

635
00:26:37,190 --> 00:26:35,220
screen on top of the tent so it was

636
00:26:39,230 --> 00:26:37,200
looking down onto the tent

637
00:26:40,850 --> 00:26:39,240
the man could hardly believe what he was

638
00:26:43,310 --> 00:26:40,860

seeing he had never encountered anything

639

00:26:45,529 --> 00:26:43,320

so massive outside of a zoo

640

00:26:47,330 --> 00:26:45,539

meanwhile his two doors continued to

641

00:26:49,909 --> 00:26:47,340

growl their instincts telling that this

642

00:26:52,190 --> 00:26:49,919

creature was not to be trusted

643

00:26:54,169 --> 00:26:52,200

he could hear the creature inhale a long

644

00:26:55,789 --> 00:26:54,179

slow breath before letting out a

645

00:26:58,789 --> 00:26:55,799

trumpeting call

646

00:27:00,890 --> 00:26:58,799

it sounded like the mixture of a lion's

647

00:27:03,289 --> 00:27:00,900

roar in a human Shout

648

00:27:05,630 --> 00:27:03,299

the dogs were terrified into silence and

649

00:27:08,390 --> 00:27:05,640

the creature bouldered a whale

650

00:27:10,430 --> 00:27:08,400

he was helpless to stop this canine his

651
00:27:12,769 --> 00:27:10,440
canine companions from giving chase the

652
00:27:15,289 --> 00:27:12,779
creature as they ignored his commands in

653
00:27:17,149 --> 00:27:15,299
favor of the hunt

654
00:27:19,070 --> 00:27:17,159
so without a second thought he grabbed

655
00:27:20,269 --> 00:27:19,080
his rifle and headlight and ran after

656
00:27:24,590 --> 00:27:20,279
them

657
00:27:26,330 --> 00:27:24,600
distance but they were moving too fast

658
00:27:28,549 --> 00:27:26,340
for him to keep up

659
00:27:31,490 --> 00:27:28,559
then he heard something that sin chills

660
00:27:33,649 --> 00:27:31,500
down his spine a maniacal laughing sound

661
00:27:36,110 --> 00:27:33,659
like that of a hyena

662
00:27:37,250 --> 00:27:36,120
coming from the same direction as the

663
00:27:39,470 --> 00:27:37,260

dogs

664

00:27:41,330 --> 00:27:39,480

despite his growing sense of dread the

665

00:27:43,310 --> 00:27:41,340

man continued to follow the sounds of

666

00:27:45,529 --> 00:27:43,320

barking and laughter

667

00:27:47,630 --> 00:27:45,539

hoping against hope that he would find

668

00:27:50,090 --> 00:27:47,640

his dog safe and sound

669

00:27:52,970 --> 00:27:50,100

but as the nights the night wore on and

670

00:27:54,950 --> 00:27:52,980

the barks faded into silence he realized

671

00:27:57,409 --> 00:27:54,960

he had to return the camper risk become

672

00:27:59,210 --> 00:27:57,419

lost himself himself

673

00:28:01,190 --> 00:27:59,220

he stayed up all night waiting for the

674

00:28:03,350 --> 00:28:01,200

dogs to return to Camp calling for them

675

00:28:06,230 --> 00:28:03,360

occasionally but to no avail

676
00:28:08,690 --> 00:28:06,240
as soon as the sun came up he searched

677
00:28:10,610 --> 00:28:08,700
for his beloved pets again after hours

678
00:28:11,330 --> 00:28:10,620
of searching he finally stumbled upon

679
00:28:13,549 --> 00:28:11,340
them

680
00:28:15,649 --> 00:28:13,559
one was badly injured and whimpering

681
00:28:17,990 --> 00:28:15,659
from within the thicket of bushes

682
00:28:20,510 --> 00:28:18,000
and the other was just literally Torn to

683
00:28:22,610 --> 00:28:20,520
Pieces the loss of his dog's light hit

684
00:28:25,430 --> 00:28:22,620
him hard and the surviving canine was

685
00:28:27,830 --> 00:28:25,440
never the same again becoming fearful of

686
00:28:29,570 --> 00:28:27,840
both night and the woods

687
00:28:31,310 --> 00:28:29,580
the man knows he had encountered

688
00:28:32,149 --> 00:28:31,320

something terrifying in the woods that

689

00:28:33,950 --> 00:28:32,159

night

690

00:28:35,330 --> 00:28:33,960

far worse than any bear or any other

691

00:28:38,149 --> 00:28:35,340

known predator

692

00:28:39,950 --> 00:28:38,159

to this day he has never been able to

693

00:28:41,990 --> 00:28:39,960

fully explain what he saw

694

00:28:43,610 --> 00:28:42,000

I heard that fateful night but he is

695

00:28:46,310 --> 00:28:43,620

certain that it was an encounter with an

696

00:28:51,950 --> 00:28:46,320

unknown creature it made him give up

697

00:28:56,810 --> 00:28:53,750

so folks if you've got any questions

698

00:29:00,409 --> 00:28:56,820

post them and I will try to answer them

699

00:29:03,970 --> 00:29:01,909

um

700

00:29:08,210 --> 00:29:03,980

Bernadette wants to know where are the

701
00:29:10,850 --> 00:29:08,220
hellhounds most often seen

702
00:29:12,890 --> 00:29:10,860
uh most most of the sightings that I

703
00:29:17,570 --> 00:29:12,900
have gotten over the years

704
00:29:20,330 --> 00:29:17,580
are over in uh the British Isles in uh

705
00:29:23,149 --> 00:29:20,340
in Ireland and in Great Britain well in

706
00:29:25,970 --> 00:29:23,159
in England and Scotland

707
00:29:27,350 --> 00:29:25,980
case you will get one in Wales but uh no

708
00:29:29,990 --> 00:29:27,360
that's the area where most of the

709
00:29:31,730 --> 00:29:30,000
sightings are uh

710
00:29:33,830 --> 00:29:31,740
and you know that area is kind of

711
00:29:35,990 --> 00:29:33,840
indicative of that there

712
00:29:39,409 --> 00:29:36,000
there have been

713
00:29:42,649 --> 00:29:39,419

there are certain areas in in uh in

714

00:29:44,510 --> 00:29:42,659

England especially canic Chase which is

715

00:29:48,409 --> 00:29:44,520

very well known for

716

00:29:51,409 --> 00:29:48,419

uh cryptic canines in these hellhounds

717

00:29:57,230 --> 00:29:54,230

but that's where I get most of signs in

718

00:29:59,149 --> 00:29:57,240

CS asks when did the MIB first start

719

00:30:01,130 --> 00:29:59,159

appearing in the U.S

720

00:30:03,230 --> 00:30:01,140

you know

721

00:30:05,330 --> 00:30:03,240

it's hard to tell

722

00:30:07,730 --> 00:30:05,340

you know John Keel had written about

723

00:30:09,590 --> 00:30:07,740

them in relation to the Mothman

724

00:30:11,630 --> 00:30:09,600

sightings after the Mothman sighting

725

00:30:13,430 --> 00:30:11,640

after the bridge collapsed in Point

726

00:30:15,350 --> 00:30:13,440

Pleasant that these men in black were

727

00:30:18,409 --> 00:30:15,360

showing up asking questions of people

728

00:30:21,049 --> 00:30:18,419

living in and around Point Pleasant

729

00:30:23,870 --> 00:30:21,059

uh I don't know if there are any

730

00:30:26,149 --> 00:30:23,880

references to them before that

731

00:30:28,010 --> 00:30:26,159

uh they've had there have been

732

00:30:30,710 --> 00:30:28,020

references to them

733

00:30:33,289 --> 00:30:30,720

a little after that but is it has

734

00:30:35,870 --> 00:30:33,299

steadily increased as years have gone by

735

00:30:38,210 --> 00:30:35,880

but I'd say most of the siding you know

736

00:30:39,889 --> 00:30:38,220

most the time period where the emotions

737

00:30:42,470 --> 00:30:39,899

started showing up

738

00:30:45,230 --> 00:30:42,480

uh to the degree they are now I guess

739

00:30:47,389 --> 00:30:45,240

maybe the mid 90s

740

00:30:50,210 --> 00:30:47,399

I I really don't remember

741

00:30:52,269 --> 00:30:50,220

you know or have an idea when they

742

00:30:55,610 --> 00:30:52,279

exactly started

743

00:30:58,250 --> 00:30:55,620

uh Marla asked Marla Snyder do you have

744

00:31:00,649 --> 00:30:58,260

many reports of encrypted to helping a

745

00:31:03,110 --> 00:31:00,659

human occasionally we get one

746

00:31:05,510 --> 00:31:03,120

uh it's mostly big it's always Bigfoot I

747

00:31:07,370 --> 00:31:05,520

mean I I don't know of any other crypt

748

00:31:10,730 --> 00:31:07,380

that has helped

749

00:31:12,950 --> 00:31:10,740

or a human or a has story but Bigfoot

750

00:31:15,049 --> 00:31:12,960

seemed to be the ones

751
00:31:17,169 --> 00:31:15,059
um

752
00:31:19,669 --> 00:31:17,179
there have been a lot of accounts of

753
00:31:23,090 --> 00:31:19,679
hikers getting lost or people getting

754
00:31:24,230 --> 00:31:23,100
injured and they show up and end up

755
00:31:27,289 --> 00:31:24,240
someplace

756
00:31:29,510 --> 00:31:27,299
in the company of a group of Bigfoot or

757
00:31:31,610 --> 00:31:29,520
trying to nurse him or trying to feed

758
00:31:33,529 --> 00:31:31,620
them or trying to hide them for whatever

759
00:31:36,110 --> 00:31:33,539
reason

760
00:31:39,710 --> 00:31:36,120
um there's some pretty

761
00:31:43,669 --> 00:31:39,720
well-known accounts as well so in older

762
00:31:47,269 --> 00:31:43,679
accounts but um more recently

763
00:31:49,370 --> 00:31:47,279

there have been uh accounts

764

00:31:52,010 --> 00:31:49,380
of children

765

00:31:53,810 --> 00:31:52,020
who get lost in the woods and I don't

766

00:31:57,470 --> 00:31:53,820
know if they're if they're connected to

767

00:32:00,049 --> 00:31:57,480
any missing 4-1-1 cases

768

00:32:03,529 --> 00:32:00,059
but I you know there have been several

769

00:32:06,409 --> 00:32:03,539
search and rescue folks who mentioned

770

00:32:08,269 --> 00:32:06,419
that they didn't go looking for

771

00:32:10,669 --> 00:32:08,279
a child

772

00:32:12,169 --> 00:32:10,679
and they'd find it in an area where

773

00:32:13,669 --> 00:32:12,179
there's just no way in hell the kid

774

00:32:16,610 --> 00:32:13,679
could have got there like up in a

775

00:32:18,470 --> 00:32:16,620
mountain up in a cliff or something

776

00:32:20,630 --> 00:32:18,480

um

777

00:32:23,930 --> 00:32:20,640

and and when the kid when the child

778

00:32:25,909 --> 00:32:23,940

would they would ask the child

779

00:32:28,190 --> 00:32:25,919

about it uh

780

00:32:30,110 --> 00:32:28,200

the answer seemed to be that of a

781

00:32:38,389 --> 00:32:30,120

Bigfoot

782

00:32:38,399 --> 00:32:45,590

okay

783

00:32:50,750 --> 00:32:48,710

the apocalypse DB apocalypse 22 or Kell

784

00:32:54,769 --> 00:32:50,760

house generally more aggressive

785

00:33:00,769 --> 00:32:58,190

you know from all indications that I

786

00:33:05,810 --> 00:33:00,779

have gotten with the hellhounds

787

00:33:07,669 --> 00:33:05,820

is that they're distinctly Supernatural

788

00:33:10,250 --> 00:33:07,679

um many times

789

00:33:12,350 --> 00:33:10,260

The Apparition will show up as an

790

00:33:16,070 --> 00:33:12,360

apparition not fully formed

791

00:33:18,889 --> 00:33:16,080

many times people talk about it having

792

00:33:19,789 --> 00:33:18,899

fire associated with it

793

00:33:22,190 --> 00:33:19,799

um

794

00:33:25,730 --> 00:33:22,200

having a real

795

00:33:29,389 --> 00:33:25,740

awful smell associated with and always

796

00:33:32,750 --> 00:33:30,470

um

797

00:33:35,210 --> 00:33:32,760

are they associated with death I don't

798

00:33:37,070 --> 00:33:35,220

know they may very well be it

799

00:33:39,110 --> 00:33:37,080

um but I have had like I said the

800

00:33:40,730 --> 00:33:39,120

account that one account that last count

801
00:33:42,049 --> 00:33:40,740
I talked about and there was a

802
00:33:44,750 --> 00:33:42,059
particular one down in North Carolina

803
00:33:45,529 --> 00:33:44,760
that was very interesting that I knew as

804
00:33:48,169 --> 00:33:45,539
well

805
00:33:50,930 --> 00:33:48,179
of a possible hellhound that had come

806
00:33:52,669 --> 00:33:50,940
out of a cemetery

807
00:33:55,549 --> 00:33:52,679
and cross the road in front of somebody

808
00:33:59,330 --> 00:33:55,559
who was driving by the cemetery

809
00:34:01,850 --> 00:33:59,340
and they described it as being like an a

810
00:34:05,450 --> 00:34:01,860
huge Apparition of a hell lot for what

811
00:34:08,810 --> 00:34:05,460
you know a large dog large black dog

812
00:34:14,930 --> 00:34:08,820
but it could see flames on its feet and

813
00:34:21,230 --> 00:34:18,109

Logan L have you looked into BK being

814

00:34:23,030 --> 00:34:21,240

possibly hybrid shift shape shape-shaped

815

00:34:26,030 --> 00:34:23,040

or reptilian

816

00:34:28,909 --> 00:34:26,040

yeah I mean um

817

00:34:32,030 --> 00:34:28,919

you know my theory my theory on on this

818

00:34:33,950 --> 00:34:32,040

phenomenon is that they are alien

819

00:34:35,329 --> 00:34:33,960

uh I don't think they're human I don't

820

00:34:37,790 --> 00:34:35,339

think they're associated with any

821

00:34:39,550 --> 00:34:37,800

organization or anybody

822

00:34:43,369 --> 00:34:39,560

or any humans

823

00:34:45,589 --> 00:34:43,379

uh I've called them the cleanup crew

824

00:34:47,869 --> 00:34:45,599

because they they seem to show up after

825

00:34:50,690 --> 00:34:47,879

sightings

826
00:34:52,129 --> 00:34:50,700
very quickly many times before it's even

827
00:34:55,609 --> 00:34:52,139
reported

828
00:34:57,530 --> 00:34:55,619
and uh give off that vibe that they just

829
00:35:00,109 --> 00:34:57,540
aren't human and many times they have

830
00:35:03,770 --> 00:35:00,119
like an all-colored skin if you could

831
00:35:07,670 --> 00:35:03,780
see it strange mannerism very mechanical

832
00:35:10,550 --> 00:35:07,680
uh very monotone as far as voice goes

833
00:35:12,670 --> 00:35:10,560
uh usually pretty polite but they can

834
00:35:16,550 --> 00:35:12,680
get quite aggressive

835
00:35:19,190 --> 00:35:16,560
uh trying to convince the witness not to

836
00:35:21,650 --> 00:35:19,200
say anything or to do anything

837
00:35:24,109 --> 00:35:21,660
uh but no we hear that we hear that a

838
00:35:25,730 --> 00:35:24,119

lot but are they are they shape shifters

839

00:35:27,890 --> 00:35:25,740

but I don't know I mean you know I think

840

00:35:32,870 --> 00:35:27,900

they are alien species of some type

841

00:35:40,550 --> 00:35:37,210

real Bigfoot radio howdy long howdy back

842

00:35:43,250 --> 00:35:40,560

suji have you ever heard any reports of

843

00:35:45,290 --> 00:35:43,260

house that sound kind of mechanical

844

00:35:49,970 --> 00:35:45,300

yeah I have

845

00:35:54,829 --> 00:35:49,980

um mostly to do with um distant house

846

00:35:55,609 --> 00:35:54,839

nothing in particularly very close by

847

00:35:58,609 --> 00:35:55,619

um

848

00:36:01,490 --> 00:35:58,619

but it it there have been occasions now

849

00:36:04,550 --> 00:36:01,500

what that is I don't know

850

00:36:11,390 --> 00:36:08,930

could it be some type of uh Alien being

851

00:36:13,430 --> 00:36:11,400

I guess I mean you know

852

00:36:15,770 --> 00:36:13,440

you know after all these years I've

853

00:36:17,630 --> 00:36:15,780

heard all kinds of weird stuff so you

854

00:36:19,970 --> 00:36:17,640

know but I had there there are there

855

00:36:22,069 --> 00:36:19,980

have been occasions where the mechanical

856

00:36:23,870 --> 00:36:22,079

and the candles sounding and metallic

857

00:36:28,010 --> 00:36:23,880

sounding

858

00:36:29,750 --> 00:36:28,020

uh shouldn't the sound show up

859

00:36:32,510 --> 00:36:29,760

um

860

00:36:35,750 --> 00:36:32,520

not necessarily anything at scene that

861

00:36:38,050 --> 00:36:35,760

was like a a drone or a

862

00:36:41,150 --> 00:36:38,060

or some type of

863

00:36:44,030 --> 00:36:41,160

robotic creature or something but

864

00:36:51,370 --> 00:36:44,040

yeah we have heard we have had

865

00:36:57,710 --> 00:36:55,370

hmm okay

866

00:36:59,870 --> 00:36:57,720
