Bernadette tonight we have Steve

4  
00:01:16,969 --> 00:01:14,400

Stockton on our show and it's going to

5  
00:01:18,530 --> 00:01:16,979

be a great time like always I want to

6  
00:01:21,890 --> 00:01:18,540

welcome you to the show if you're new

7  
00:01:23,270 --> 00:01:21,900

and if you're returning welcome back I

8  
00:01:25,070 --> 00:01:23,280

can already see we have a bunch of

9  
00:01:26,690 --> 00:01:25,080

familiar faces in the chat so it's going

10  
00:01:28,429 --> 00:01:26,700

to be a great night so let's just get

11  
00:01:29,810 --> 00:01:28,439

Steve in here and get started how about

12  
00:01:31,969 --> 00:01:29,820

that

13  
00:01:33,469 --> 00:01:31,979

hey Steve hey there how you doing

14

00:01:35,749 --> 00:01:33,479

Bernadette good

15

00:01:37,910 --> 00:01:35,759

I'm sorry I'm doing great good to see

16

00:01:40,010 --> 00:01:37,920

you yeah this we had this plan for a

17

00:01:43,310 --> 00:01:40,020

while I'm sorry we're doing something

18

00:01:46,550 --> 00:01:43,320

weird no it's okay you look good oh

19

00:01:49,130 --> 00:01:46,560

thank you so have you been what's new oh

20

00:01:50,870 --> 00:01:49,140

well I've got a new channel among the

21

00:01:55,010 --> 00:01:50,880

missing that's my missing persons

22

00:01:56,630 --> 00:01:55,020

Channel I'm in the chat as that but um I

23

00:01:59,090 --> 00:01:56,640

parted ways with the channel That I Used

24

00:02:00,710 --> 00:01:59,100

to Be with without on my own and started

25

00:02:03,170 --> 00:02:00,720

this one there she is in the chat

26  
00:02:05,510 --> 00:02:03,180  
Midnight Society that's my lovely bride

27  
00:02:07,130 --> 00:02:05,520  
to be I was just telling Bernadette All

28  
00:02:08,570 --> 00:02:07,140  
About You backstage

29  
00:02:11,330 --> 00:02:08,580  
but um

30  
00:02:13,369 --> 00:02:11,340  
I just kind of struck out on my own uh

31  
00:02:16,550 --> 00:02:13,379  
just things didn't didn't go as planned

32  
00:02:19,729 --> 00:02:16,560  
over there and I'm enjoying my autonomy

33  
00:02:22,490 --> 00:02:19,739  
uh about six weeks in I just passed 61

34  
00:02:24,470 --> 00:02:22,500  
000 subscribers today so I've got a huge

35  
00:02:26,869 --> 00:02:24,480  
fan base huge following I love every one

36  
00:02:28,910 --> 00:02:26,879  
of them and uh it's it's nice to be

37  
00:02:32,570 --> 00:02:28,920  
doing my own thing and like I said have

38  
00:02:34,550 --> 00:02:32,580

that autonomy I answer to God uh missing

39

00:02:37,910 --> 00:02:34,560

people in my audience and and there you

40

00:02:40,930 --> 00:02:37,920

go and of course Midnight Society she's

41

00:02:43,729 --> 00:02:40,940

up there just below God

42

00:02:46,130 --> 00:02:43,739

well congratulations on new channel like

43

00:02:47,150 --> 00:02:46,140

it didn't happen too and you're you're

44

00:02:48,890 --> 00:02:47,160

something that you were telling me about

45

00:02:51,530 --> 00:02:48,900

is that public knowledge I think I saw

46

00:02:53,869 --> 00:02:51,540

it on Facebook yes yes she's expecting

47

00:02:55,790 --> 00:02:53,879

folks congratulations now is this your

48

00:02:59,030 --> 00:02:55,800

first one or do you have more kids no

49

00:03:03,309 --> 00:02:59,040

it's my second it's my second yeah so

50

00:03:08,030 --> 00:03:05,809

yeah now that I've gotten over being

51  
00:03:10,430 --> 00:03:08,040  
very sick yeah I was very sick in the

52  
00:03:13,210 --> 00:03:10,440  
beginning that a few shows I had to

53  
00:03:16,430 --> 00:03:13,220  
cancel and yeah

54  
00:03:19,490 --> 00:03:16,440  
morning sickness and all that good stuff

55  
00:03:22,670 --> 00:03:19,500  
it it it's not as fun as they make it

56  
00:03:24,830 --> 00:03:22,680  
out to be a trust me it's not I didn't

57  
00:03:26,570 --> 00:03:24,840  
have it with the first one but this one

58  
00:03:29,330 --> 00:03:26,580  
it's giving me a run for my money so

59  
00:03:31,009 --> 00:03:29,340  
yeah watch out for that one it's like

60  
00:03:32,809 --> 00:03:31,019  
four years apart that that's a good

61  
00:03:35,809 --> 00:03:32,819  
spicing there then

62  
00:03:37,250 --> 00:03:35,819  
yeah the little one's got a big brother

63  
00:03:42,229 --> 00:03:37,260

so

64

00:03:44,149 --> 00:03:42,239

Milo's yeah well that's good yeah yeah

65

00:03:46,070 --> 00:03:44,159

sometimes there's a little jealousy

66

00:03:48,170 --> 00:03:46,080

there when when you've got one another

67

00:03:51,190 --> 00:03:48,180

one comes along that I wouldn't know but

68

00:03:54,350 --> 00:03:51,200

that's what I hear I was racism

69

00:03:57,410 --> 00:03:54,360

only brother was 17 years older than me

70

00:03:58,910 --> 00:03:57,420

I was a late Life Unexpected baby so by

71

00:04:00,710 --> 00:03:58,920

the time I came along he was already

72

00:04:02,649 --> 00:04:00,720

grown married moved out and had his own

73

00:04:05,330 --> 00:04:02,659

kids I was an uncle the time I was four

74

00:04:07,009 --> 00:04:05,340

and my nephew always seemed like my

75

00:04:09,050 --> 00:04:07,019

little brother in my

76  
00:04:11,690 --> 00:04:09,060  
actual brother seemed more like an uncle

77  
00:04:13,789 --> 00:04:11,700  
or something but uh we we got a lot

78  
00:04:14,990 --> 00:04:13,799  
closer later in life after my parents

79  
00:04:17,930 --> 00:04:15,000  
passed away

80  
00:04:20,090 --> 00:04:17,940  
see I'm in the

81  
00:04:23,030 --> 00:04:20,100  
middle I was raised as an elderly so

82  
00:04:24,290 --> 00:04:23,040  
yeah that was me and then now that I

83  
00:04:26,270 --> 00:04:24,300  
talk to people that have big families

84  
00:04:28,550 --> 00:04:26,280  
I'm kind of glad that I don't and uh

85  
00:04:31,070 --> 00:04:28,560  
Midnight Society she was raises and only

86  
00:04:32,930 --> 00:04:31,080  
two or she wasn't only so we have so

87  
00:04:34,870 --> 00:04:32,940  
much in common I always just kind of

88  
00:04:38,270 --> 00:04:34,880

have that Vibe about them

89

00:04:39,650 --> 00:04:38,280

and uh my best friends were my dogs and

90

00:04:42,710 --> 00:04:39,660

books

91

00:04:45,110 --> 00:04:42,720

exactly lived on 26 and a half acres out

92

00:04:47,030 --> 00:04:45,120

in the country and just made my own fun

93

00:04:49,550 --> 00:04:47,040

I had my own Adventures taught myself

94

00:04:57,290 --> 00:04:49,560

Witchcraft and with Lauren survival

95

00:05:02,450 --> 00:05:00,530

yourself so yeah that's yeah that's what

96

00:05:04,370 --> 00:05:02,460

I used to do I used to like roam the

97

00:05:07,490 --> 00:05:04,380

entire Mountain up where we live because

98

00:05:10,189 --> 00:05:07,500

I I'm from around here yeah that's the

99

00:05:12,110 --> 00:05:10,199

way I was uh out of that 26 and a half

100

00:05:16,010 --> 00:05:12,120

acres only about five of it was cleared

101  
00:05:19,610 --> 00:05:16,020  
off so I had woods and rocks and a bee

102  
00:05:21,830 --> 00:05:19,620  
tree and uh streams there's a creek on

103  
00:05:24,230 --> 00:05:21,840  
that property six natural springs that

104  
00:05:27,110 --> 00:05:24,240  
fit into a creek that went down into the

105  
00:05:29,210 --> 00:05:27,120  
lake which is about 100 yards away so it

106  
00:05:31,430 --> 00:05:29,220  
was an idyllic place to grow up and just

107  
00:05:32,749 --> 00:05:31,440  
call me in love with the outdoors that I

108  
00:05:34,670 --> 00:05:32,759  
still have and that's

109  
00:05:36,170 --> 00:05:34,680  
I kind of got into the Paranormal and

110  
00:05:38,330 --> 00:05:36,180  
the missing people and everything which

111  
00:05:40,189 --> 00:05:38,340  
is being out in the woods and getting

112  
00:05:42,710 --> 00:05:40,199  
that understanding that there's there's

113  
00:05:45,110 --> 00:05:42,720

things out there sometimes

114

00:05:46,969 --> 00:05:45,120

yeah no I I totally agree with you

115

00:05:49,670 --> 00:05:46,979

before we continue I forgot to mention

116

00:05:51,110 --> 00:05:49,680

if you guys have questions for Steve you

117

00:05:52,969 --> 00:05:51,120

can go ahead put them up we'll get to

118

00:05:55,010 --> 00:05:52,979

them towards the middle or end of the

119

00:05:56,810 --> 00:05:55,020

show so I will be watching just in case

120

00:05:59,090 --> 00:05:56,820

you guys have questions make sure

121

00:06:01,490 --> 00:05:59,100

they're in caps as well

122

00:06:04,610 --> 00:06:01,500

um so your new channel among the missing

123

00:06:06,350 --> 00:06:04,620

is if you're continuing your work yeah

124

00:06:08,810 --> 00:06:06,360

I'm still about the missing people

125

00:06:11,629 --> 00:06:08,820

that's just something that's been laid

126

00:06:13,490 --> 00:06:11,639

on my heart to do and uh I mean you

127

00:06:15,770 --> 00:06:13,500

think about that if

128

00:06:18,290 --> 00:06:15,780

especially as a parent if you had a

129

00:06:20,390 --> 00:06:18,300

child that went missing how awful that

130

00:06:22,730 --> 00:06:20,400

is my daughter was missing for about 20

131

00:06:24,770 --> 00:06:22,740

minutes once when she was little and

132

00:06:26,629 --> 00:06:24,780

that's just the most empty Hollow

133

00:06:30,110 --> 00:06:26,639

gut-wrenching feeling

134

00:06:32,510 --> 00:06:30,120

and then I can't imagine I mean anytime

135

00:06:35,450 --> 00:06:32,520

a parent outlives a child it's a tragedy

136

00:06:37,070 --> 00:06:35,460

for that child to go missing and maybe

137

00:06:39,230 --> 00:06:37,080

never be found you don't have any

138

00:06:41,210 --> 00:06:39,240

closure you don't know you can't even

139

00:06:43,969 --> 00:06:41,220

start the grieving process it's just

140

00:06:46,070 --> 00:06:43,979

it's a terrible thing to think about uh

141

00:06:48,050 --> 00:06:46,080

the Dennis Martin case for example that

142

00:06:51,110 --> 00:06:48,060

was the first one that I was ever

143

00:06:52,969 --> 00:06:51,120

exposed to happened in my hometown uh

144

00:06:55,730 --> 00:06:52,979

Dennis was just a few months older than

145

00:06:59,029 --> 00:06:55,740

me I was so if I'm going on sexy to six

146

00:07:00,830 --> 00:06:59,039

going on seven and you know I've watched

147

00:07:02,230 --> 00:07:00,840

I've followed that case from day one uh

148

00:07:05,570 --> 00:07:02,240

Father's Day

149

00:07:07,790 --> 00:07:05,580

1969 and it just it was a real loss of

150

00:07:10,550 --> 00:07:07,800

instance for me that you know a child

151  
00:07:12,650 --> 00:07:10,560  
about the my age could just go missing

152  
00:07:14,510 --> 00:07:12,660  
and never be found and I've got

153  
00:07:16,189 --> 00:07:14,520  
somewhere two scrapbooks full of

154  
00:07:18,230 --> 00:07:16,199  
clippings from that case where I

155  
00:07:19,969 --> 00:07:18,240  
followed it and I thought every day you

156  
00:07:23,330 --> 00:07:19,979  
know he'll be found today he'll be found

157  
00:07:25,670 --> 00:07:23,340  
today and uh it's 50 something years now

158  
00:07:28,730 --> 00:07:25,680  
and he still hasn't been found

159  
00:07:32,809 --> 00:07:28,740  
no choice that's heartbreaking yeah it

160  
00:07:35,089 --> 00:07:32,819  
is and uh I met his dad and just he was

161  
00:07:37,850 --> 00:07:35,099  
a broken man he passed away I believe

162  
00:07:39,409 --> 00:07:37,860  
2015 on my birthday Halloween no less

163  
00:07:41,390 --> 00:07:39,419

and

164

00:07:43,129 --> 00:07:41,400

um just they never had that closure I

165

00:07:45,589 --> 00:07:43,139

saw an interview on the one of the local

166

00:07:47,450 --> 00:07:45,599

stations there in Knoxville Tennessee

167

00:07:49,249 --> 00:07:47,460

I think it's the 40th anniversary of

168

00:07:51,409 --> 00:07:49,259

Dennis's disappearance

169

00:07:53,089 --> 00:07:51,419

and uh he said you know he always

170

00:07:54,170 --> 00:07:53,099

expected one day there'd be a knock at

171

00:07:57,230 --> 00:07:54,180

the door

172

00:07:59,029 --> 00:07:57,240

somebody else want to talk about Dennis

173

00:08:00,770 --> 00:07:59,039

need to open the door and there'd be a

174

00:08:02,210 --> 00:08:00,780

handsome man standing there and said yes

175

00:08:05,809 --> 00:08:02,220

can I help you

176

00:08:08,150 --> 00:08:05,819

and the guy would say Dad it's me it's a

177

00:08:10,790 --> 00:08:08,160

dentist I've come home and what do you

178

00:08:13,430 --> 00:08:10,800

talk about just ripping your heart out

179

00:08:15,350 --> 00:08:13,440

and then stomping that sucker flat but

180

00:08:18,050 --> 00:08:15,360

uh and that sadly never happened I hope

181

00:08:19,610 --> 00:08:18,060

he has closure in the afterlife

182

00:08:22,730 --> 00:08:19,620

I think you're trying to make me cry

183

00:08:24,070 --> 00:08:22,740

Steve don't do that I'm not crying here

184

00:08:26,869 --> 00:08:24,080

crying

185

00:08:29,570 --> 00:08:26,879

but I've told that story before and

186

00:08:31,129 --> 00:08:29,580

actually had tears and and it's the same

187

00:08:34,250 --> 00:08:31,139

with some of these cases when I record

188

00:08:36,409 --> 00:08:34,260

them particularly the children uh I have

189

00:08:39,649 --> 00:08:36,419

to like stop and walk away because it

190

00:08:42,170 --> 00:08:39,659

upsets me so bad and the children in

191

00:08:43,969 --> 00:08:42,180

particular uh their their little faces

192

00:08:45,710 --> 00:08:43,979

haunt me in my dreams and stuff I've

193

00:08:48,110 --> 00:08:45,720

dreamed about Dennis Martin I dreamed

194

00:08:51,410 --> 00:08:48,120

about Chiron Horman I've dreamed about

195

00:08:54,170 --> 00:08:51,420

uh Dior Coons all these kids that just

196

00:08:55,550 --> 00:08:54,180

they can't be accounted for it's it's a

197

00:08:59,930 --> 00:08:55,560

tragedy

198

00:09:03,110 --> 00:08:59,940

yeah and it is heartbreaking I mean I I

199

00:09:04,670 --> 00:09:03,120

I've never lost my child but I've lost

200

00:09:06,829 --> 00:09:04,680

sight of him in the backyard like

201  
00:09:09,530 --> 00:09:06,839  
because we have some like shrubs that's

202  
00:09:11,389 --> 00:09:09,540  
bad and that's all it takes exactly a

203  
00:09:13,250 --> 00:09:11,399  
few seconds he doesn't answer

204  
00:09:15,470 --> 00:09:13,260  
and it's like I'm screaming like a mad

205  
00:09:16,850 --> 00:09:15,480  
person and he's looking right here I'm

206  
00:09:18,710 --> 00:09:16,860  
like

207  
00:09:20,210 --> 00:09:18,720  
I called you with the first time I

208  
00:09:22,850 --> 00:09:20,220  
called you you need to answer me and

209  
00:09:25,370 --> 00:09:22,860  
it's just I can imagine losing your

210  
00:09:28,250 --> 00:09:25,380  
child yeah my daughter she was about

211  
00:09:31,190 --> 00:09:28,260  
three yeah and it was at a playground in

212  
00:09:32,389 --> 00:09:31,200  
Oak Ridge that uh had been old school

213  
00:09:33,670 --> 00:09:32,399

had been there and they had torn the

214

00:09:36,590 --> 00:09:33,680

school down and made a big playground

215

00:09:38,750 --> 00:09:36,600

and it uh backed up to the Grain Belt

216

00:09:40,490 --> 00:09:38,760

which was big natural property there

217

00:09:42,350 --> 00:09:40,500

didn't have anything built in it but

218

00:09:45,949 --> 00:09:42,360

there's hiking trails in there

219

00:09:49,310 --> 00:09:45,959

and uh just suddenly she wasn't there

220

00:09:50,870 --> 00:09:49,320

and I took off down to the green belt

221

00:09:52,130 --> 00:09:50,880

and there are people hiking down there

222

00:09:52,970 --> 00:09:52,140

have you seen a little girl about this

223

00:09:55,670 --> 00:09:52,980

big

224

00:09:58,250 --> 00:09:55,680

well her mother had stayed there where

225

00:10:00,310 --> 00:09:58,260

we were at it turned out they had some

226

00:10:02,690 --> 00:10:00,320

tractor tires half buried in a little

227

00:10:04,790 --> 00:10:02,700

curvy thing for kids to crawl through

228

00:10:06,230 --> 00:10:04,800

and she was hiding in there and she

229

00:10:07,910 --> 00:10:06,240

could hear us yelling for her she

230

00:10:11,449 --> 00:10:07,920

thought it was funny she thought it was

231

00:10:15,410 --> 00:10:11,459

just the greatest prank ever to hide but

232

00:10:18,410 --> 00:10:15,420

uh it was awful for that 20 minutes it

233

00:10:20,930 --> 00:10:18,420

was the worst 20 minutes of my life

234

00:10:22,910 --> 00:10:20,940

like it's it's not funny it may be funny

235

00:10:24,290 --> 00:10:22,920

to you but it's not funny yeah she

236

00:10:26,810 --> 00:10:24,300

thought she thought it was funny at the

237

00:10:29,949 --> 00:10:26,820

time but she got a good talking too and

238

00:10:32,870 --> 00:10:29,959

explained to her you know how

239

00:10:36,170 --> 00:10:32,880

bad feeling that would be

240

00:10:38,090 --> 00:10:36,180

to not be able to find it

241

00:10:40,430 --> 00:10:38,100

oh my goodness and you also haven't

242

00:10:41,930 --> 00:10:40,440

besides among the missing you have a

243

00:10:44,389 --> 00:10:41,940

true crime channel that you've come out

244

00:10:46,490 --> 00:10:44,399

with yeah that one's just in the works

245

00:10:48,590 --> 00:10:46,500

it's called True Crime breakdown uh

246

00:10:50,210 --> 00:10:48,600

We've made one video so far and it's not

247

00:10:52,069 --> 00:10:50,220

even on the channel yet I premiered it

248

00:10:54,829 --> 00:10:52,079

on among the missing because it was

249

00:10:56,449 --> 00:10:54,839

about Israel Keys the serial killer and

250

00:10:57,650 --> 00:10:56,459

there it ties in with the missing

251  
00:10:58,970 --> 00:10:57,660  
there's some of his victims that have

252  
00:11:00,850 --> 00:10:58,980  
never been found

253  
00:11:03,769 --> 00:11:00,860  
uh so

254  
00:11:06,530 --> 00:11:03,779  
I think it's the color family or the a

255  
00:11:08,630 --> 00:11:06,540  
couple in Vermont that he murdered and

256  
00:11:11,630 --> 00:11:08,640  
he never did tell where the bodies were

257  
00:11:12,829 --> 00:11:11,640  
so there's a tie in there but uh what

258  
00:11:14,329 --> 00:11:12,839  
we're doing with that we're taking some

259  
00:11:17,630 --> 00:11:14,339  
of these cases and doing a deep dive

260  
00:11:19,730 --> 00:11:17,640  
into them I have Mr E joining me he's

261  
00:11:23,329 --> 00:11:19,740  
clinical psychologist

262  
00:11:25,250 --> 00:11:23,339  
a very good pedigree and he goes into

263  
00:11:28,069 --> 00:11:25,260

like a clinical analysis of these people

264

00:11:29,690 --> 00:11:28,079

and and what makes them tick so it's a

265

00:11:32,630 --> 00:11:29,700

little different than in other True

266

00:11:35,569 --> 00:11:32,640

Crime shows but uh just another one of

267

00:11:40,670 --> 00:11:37,910

I'm excited for it because I love True

268

00:11:42,829 --> 00:11:40,680

Crime so yeah what are you are you

269

00:11:45,410 --> 00:11:42,839

following any True Crime case right now

270

00:11:47,810 --> 00:11:45,420

or are you just you're just looking well

271

00:11:49,550 --> 00:11:47,820

I just I look at everything that comes

272

00:11:51,530 --> 00:11:49,560

across I've subscribed to a lot of news

273

00:11:54,769 --> 00:11:51,540

feeds and I get notifications and stuff

274

00:11:57,530 --> 00:11:54,779

so watching things and there's just

275

00:12:00,230 --> 00:11:57,540

there's so many out there and uh I

276

00:12:02,449 --> 00:12:00,240

covered uh a lot of the cases of uh

277

00:12:04,430 --> 00:12:02,459

apparently serial killers on the

278

00:12:06,769 --> 00:12:04,440

Appalachian Trail and and other places

279

00:12:08,810 --> 00:12:06,779

like that Interstate national parks it's

280

00:12:12,370 --> 00:12:08,820

like it's a hunting ground for some of

281

00:12:18,530 --> 00:12:15,350

yeah the two I'm following now is the

282

00:12:21,910 --> 00:12:18,540

one in Iowa I think is the same Stephen

283

00:12:28,730 --> 00:12:25,850

lace fancy case yeah where she had

284

00:12:32,210 --> 00:12:28,740

murdered her three children

285

00:12:35,269 --> 00:12:32,220

and she had then tried to

286

00:12:37,850 --> 00:12:35,279

get rid of herself and she's in the

287

00:12:39,410 --> 00:12:37,860

hospital and like yeah it was just a

288

00:12:42,069 --> 00:12:39,420

mess but they're saying it was

289

00:12:44,990 --> 00:12:42,079

postpartum

290

00:12:46,790 --> 00:12:45,000

this part of psychosis that's what they

291

00:12:48,410 --> 00:12:46,800

were trying to say

292

00:12:50,509 --> 00:12:48,420

um what was the name again I had

293

00:12:52,129 --> 00:12:50,519

somebody send me one today that they

294

00:12:56,569 --> 00:12:52,139

thought I needed to follow

295

00:12:59,030 --> 00:12:56,579

and it was uh I believe Lynn's plans

296

00:13:01,550 --> 00:12:59,040

okay you know this one lady named

297

00:13:05,210 --> 00:13:01,560

Shannon white female yeah Lindsay Clancy

298

00:13:06,670 --> 00:13:05,220

45 years old uh 5.6 thin bill blue eyes

299

00:13:08,569 --> 00:13:06,680

and brown hair

300

00:13:10,610 --> 00:13:08,579

voluntarily missing that's always

301  
00:13:13,670 --> 00:13:10,620  
worrisome they think she just wandered

302  
00:13:15,290 --> 00:13:13,680  
off and uh in the area where she is

303  
00:13:17,930 --> 00:13:15,300  
missing though they find a lot of people

304  
00:13:21,110 --> 00:13:17,940  
in the Eagle River so I'm kind of

305  
00:13:29,150 --> 00:13:24,250  
yeah

306  
00:13:31,310 --> 00:13:29,160  
hospital because I think she broke her

307  
00:13:34,430 --> 00:13:31,320  
back and she can't walk and they have

308  
00:13:37,310 --> 00:13:34,440  
her slightly sedated but she had said it

309  
00:13:40,790 --> 00:13:37,320  
was uh they're saying it's postpartum

310  
00:13:43,730 --> 00:13:40,800  
uh psychosis but she she had planned it

311  
00:13:46,129 --> 00:13:43,740  
she had sent her husband on a wild goose

312  
00:13:47,930 --> 00:13:46,139  
chase for less for the kids and then

313  
00:13:50,210 --> 00:13:47,940

sent him a few miles away further for

314

00:13:52,730 --> 00:13:50,220

takeout some place they never hardly get

315

00:13:54,769 --> 00:13:52,740

from it's like you know and she had

316

00:13:56,329 --> 00:13:54,779

timed it on her phone like how long it

317

00:13:58,129 --> 00:13:56,339

was going to take him to go to these

318

00:14:01,610 --> 00:13:58,139

places and then get home

319

00:14:05,030 --> 00:14:01,620

terrible so it's just yeah so her next

320

00:14:06,650 --> 00:14:05,040

try her next uh trial update is going to

321

00:14:09,410 --> 00:14:06,660

be in May and I'm I'm watching that

322

00:14:11,269 --> 00:14:09,420

because that's yeah I'll have to check

323

00:14:12,949 --> 00:14:11,279

that one out we may be able to make some

324

00:14:16,190 --> 00:14:12,959

commentary on that

325

00:14:18,290 --> 00:14:16,200

but uh we're trying to avoid cases that

326

00:14:19,790 --> 00:14:18,300

have been done to death like the Ted

327

00:14:21,769 --> 00:14:19,800

Bundys and the Jeffrey dahmers

328

00:14:24,829 --> 00:14:21,779

everybody's pretty much covered those so

329

00:14:26,690 --> 00:14:24,839

uh I've heard Israel Keys called the the

330

00:14:28,370 --> 00:14:26,700

worst serial killer that most people

331

00:14:31,430 --> 00:14:28,380

have never heard of and boy he was

332

00:14:33,230 --> 00:14:31,440

something else and just uh when I dug

333

00:14:36,290 --> 00:14:33,240

into it it was just unbelievable how

334

00:14:37,970 --> 00:14:36,300

evil this guy was but how easily he just

335

00:14:40,670 --> 00:14:37,980

fit in I mean he was literally and he

336

00:14:43,069 --> 00:14:40,680

said this himself I'm like two people

337

00:14:45,050 --> 00:14:43,079

there's there was the hymn that had a

338

00:14:47,269 --> 00:14:45,060

successful business and a girlfriend and

339

00:14:48,710 --> 00:14:47,279

a child and then there was a hymn that

340

00:14:52,250 --> 00:14:48,720

traveled literally all around the

341

00:14:55,189 --> 00:14:52,260

country uh this is a quote from him

342

00:14:57,290 --> 00:14:55,199

practicing his craft craft he called it

343

00:15:00,769 --> 00:14:57,300

of homicide

344

00:15:02,810 --> 00:15:00,779

so he was proud of it I mean he didn't I

345

00:15:06,290 --> 00:15:02,820

I can't wrap my head around somebody

346

00:15:09,050 --> 00:15:06,300

like that just so far out there

347

00:15:11,870 --> 00:15:09,060

it's it's a psychological problem it

348

00:15:13,430 --> 00:15:11,880

really is it's like something from what

349

00:15:16,310 --> 00:15:13,440

I can understand of it it's something

350

00:15:18,949 --> 00:15:16,320

like internal that just clicks

351

00:15:21,470 --> 00:15:18,959

to apparently his degree he had been

352

00:15:25,370 --> 00:15:21,480

that way since childhood and he realized

353

00:15:27,110 --> 00:15:25,380

that he was uh different in that respect

354

00:15:30,710 --> 00:15:27,120

and just kind of went with it isolated

355

00:15:32,509 --> 00:15:30,720

himself he had these uh Cardinal rules

356

00:15:35,210 --> 00:15:32,519

that he set for himself and he had to

357

00:15:37,730 --> 00:15:35,220

follow these exactly and don't don't

358

00:15:41,090 --> 00:15:37,740

kill in your home state don't use the

359

00:15:43,610 --> 00:15:41,100

same weapon twice always rent cars he

360

00:15:46,370 --> 00:15:43,620

had these kill kits that he would leave

361

00:15:48,350 --> 00:15:46,380

at sites ahead of time which was a

362

00:15:51,050 --> 00:15:48,360

bucket full of he'd have things in there

363

00:15:54,410 --> 00:15:51,060

like guns ammo rope zip ties money

364

00:15:56,509 --> 00:15:54,420

disguises he would bury these and then

365

00:16:00,290 --> 00:15:56,519

go back to that location if it wasn't

366

00:16:02,810 --> 00:16:00,300

already pre-planned and just to become a

367

00:16:04,189 --> 00:16:02,820

crime of opportunity but then he had

368

00:16:06,530 --> 00:16:04,199

other people that he specifically

369

00:16:09,590 --> 00:16:06,540

targeted that he would watch for days

370

00:16:12,170 --> 00:16:09,600

weeks or months learn everything that he

371

00:16:14,509 --> 00:16:12,180

could about them their habits and then

372

00:16:17,329 --> 00:16:14,519

strike accordingly he was just he was a

373

00:16:19,490 --> 00:16:17,339

monster and a boulder Nelson Bigfoot's a

374

00:16:22,009 --> 00:16:19,500

demonic problem I agree I think there's

375

00:16:23,449 --> 00:16:22,019

a demonic element to that and that's one

376

00:16:24,189 --> 00:16:23,459

of the things he had done he was raised

377

00:16:26,629 --> 00:16:24,199

in a

378

00:16:29,389 --> 00:16:26,639

religious household I think they were

379

00:16:31,009 --> 00:16:29,399

Mormon but uh the kids were homeschooled

380

00:16:33,110 --> 00:16:31,019

they weren't allowed to have any kind of

381

00:16:34,850 --> 00:16:33,120

contact with any they couldn't even

382

00:16:37,910 --> 00:16:34,860

listen to music because the parents said

383

00:16:40,670 --> 00:16:37,920

that wasn't the devil but and so his

384

00:16:44,389 --> 00:16:40,680

former Rebellion he dedicated himself to

385

00:16:46,370 --> 00:16:44,399

Satan and uh was and playing a ritual

386

00:16:49,370 --> 00:16:46,380

sacrifice but I don't think he ever did

387

00:16:50,629 --> 00:16:49,380

that but he invited evil I mean he

388

00:16:54,490 --> 00:16:50,639

opened up the door and he walked right

389

00:16:59,329 --> 00:16:58,249

yeah no I agree with that and I know you

390

00:17:00,829 --> 00:16:59,339

said you want to stay away from Ted

391

00:17:03,170 --> 00:17:00,839

Bundy but they had even said that like

392

00:17:05,809 --> 00:17:03,180

Ted Bundy I believe it was Ted Bundy

393

00:17:09,169 --> 00:17:05,819

that his eyes had turned solid black

394

00:17:11,510 --> 00:17:09,179

yeah like there was another killer like

395

00:17:14,150 --> 00:17:11,520

that I I can't remember what the guy's

396

00:17:15,350 --> 00:17:14,160

name was but uh there was a picture of

397

00:17:17,329 --> 00:17:15,360

him one of the most chilling pictures

398

00:17:19,870 --> 00:17:17,339

I've seen when he was on death row and

399

00:17:23,329 --> 00:17:19,880

his eyes were completely black and this

400

00:17:26,210 --> 00:17:23,339

frightening frightening

401  
00:17:31,730 --> 00:17:29,090  
the two do you think like demonic

402  
00:17:33,890 --> 00:17:31,740  
possession things like that follow I

403  
00:17:35,450 --> 00:17:33,900  
think that's that's an element in there

404  
00:17:37,130 --> 00:17:35,460  
I think there's something that drives

405  
00:17:38,230 --> 00:17:37,140  
those people

406  
00:17:40,909 --> 00:17:38,240  
um

407  
00:17:42,490 --> 00:17:40,919  
like uh Jeffrey Dahmer claimed that he

408  
00:17:46,130 --> 00:17:42,500  
thought he was uh

409  
00:17:48,049 --> 00:17:46,140  
reincarnated Aztec priest that like used

410  
00:17:49,789 --> 00:17:48,059  
to cut people's hearts out things like

411  
00:17:54,470 --> 00:17:49,799  
that and have people like Richard

412  
00:17:55,549 --> 00:17:54,480  
Ramirez that was a an about Satanist and

413  
00:17:59,210 --> 00:17:55,559

then you have

414

00:18:00,890 --> 00:17:59,220

um the Son of Sam there was a a satanic

415

00:18:04,490 --> 00:18:00,900

element to those killings now that one's

416

00:18:05,930 --> 00:18:04,500

one that still fascinates me and uh this

417

00:18:08,150 --> 00:18:05,940

guy here on YouTube I can't remember

418

00:18:10,610 --> 00:18:08,160

what his name is but he's been doing

419

00:18:12,770 --> 00:18:10,620

some deep dives into Son of Sam and he's

420

00:18:15,049 --> 00:18:12,780

actually located some of the survivors

421

00:18:16,730 --> 00:18:15,059

of those shootings and they swear that

422

00:18:17,330 --> 00:18:16,740

it was not

423

00:18:20,330 --> 00:18:17,340

um

424

00:18:22,370 --> 00:18:20,340

David Berkowitz and Berkowitz has said

425

00:18:24,470 --> 00:18:22,380

that he acted alone in some of those

426

00:18:26,570 --> 00:18:24,480

cases and he was present in all of them

427

00:18:29,210 --> 00:18:26,580

but he wasn't the government in all of

428

00:18:30,289 --> 00:18:29,220

them it was a a group a covenant or

429

00:18:32,510 --> 00:18:30,299

whatever you want to call it working

430

00:18:33,710 --> 00:18:32,520

together at a bunch of Meyer Park and uh

431

00:18:36,650 --> 00:18:33,720

Yonkers

432

00:18:38,630 --> 00:18:36,660

so uh fascinating fascinating stuff

433

00:18:41,750 --> 00:18:38,640

there's a book called the ultimate Evil

434

00:18:44,570 --> 00:18:41,760

by Mari Terry and he had tied all that

435

00:18:46,850 --> 00:18:44,580

together back in the late 70s early 80s

436

00:18:49,850 --> 00:18:46,860

when that book came out he was able to

437

00:18:51,830 --> 00:18:49,860

link Berkowitz Manson

438

00:18:53,990 --> 00:18:51,840

of the process church and the final

439

00:18:56,690 --> 00:18:54,000

judgment and some of these other

440

00:18:58,990 --> 00:18:56,700

nefarious groups to some other the

441

00:19:02,570 --> 00:18:59,000

heartless Perry murder in South Dakota

442

00:19:04,370 --> 00:19:02,580

and just a lot of things that he he

443

00:19:07,610 --> 00:19:04,380

connected the dots and now we're coming

444

00:19:11,409 --> 00:19:07,620

to find out that that he was on the

445

00:19:15,650 --> 00:19:13,490

what do you think about the ones who

446

00:19:19,310 --> 00:19:15,660

just who just suddenly snap

447

00:19:21,909 --> 00:19:19,320

like say Chris Watts because they said

448

00:19:25,610 --> 00:19:21,919

he was you know he was the perfect

449

00:19:27,770 --> 00:19:25,620

he just basically snapped and the way he

450

00:19:30,230 --> 00:19:27,780

murdered his entire family it was so

451  
00:19:32,990 --> 00:19:30,240  
methodical like it was very very

452  
00:19:34,850 --> 00:19:33,000  
calculated very cold and people would

453  
00:19:35,990 --> 00:19:34,860  
say well that's not him that's not what

454  
00:19:39,110 --> 00:19:36,000  
he you know

455  
00:19:41,870 --> 00:19:39,120  
what he did and then yeah I think some

456  
00:19:42,830 --> 00:19:41,880  
people that they have that rage gene or

457  
00:19:44,810 --> 00:19:42,840  
whatever you want to call it where

458  
00:19:46,789 --> 00:19:44,820  
they're able to keep it in check

459  
00:19:48,950 --> 00:19:46,799  
up to a point and then suddenly they

460  
00:19:50,690 --> 00:19:48,960  
just snap but again babe is that

461  
00:19:54,529 --> 00:19:50,700  
something demonic or is that some sort

462  
00:19:56,270 --> 00:19:54,539  
of outside influence was he practicing

463  
00:19:58,610 --> 00:19:56,280

witchcraft or phone with a Ouija board

464

00:20:00,289 --> 00:19:58,620

or was there things that they you know

465

00:20:02,690 --> 00:20:00,299

they were here talked about in those

466

00:20:04,250 --> 00:20:02,700

cases was there some involvement in the

467

00:20:06,470 --> 00:20:04,260

occult or something that could have been

468

00:20:09,409 --> 00:20:06,480

an influence and I would like to see

469

00:20:11,810 --> 00:20:09,419

people pursue those angles just just for

470

00:20:14,930 --> 00:20:11,820

child curiosity

471

00:20:16,789 --> 00:20:14,940

I've seen uh body cam footage of the

472

00:20:18,830 --> 00:20:16,799

police and they had tracker drugs with

473

00:20:20,870 --> 00:20:18,840

them or there are the tracker dogs or

474

00:20:23,029 --> 00:20:20,880

cadaver dogs and they had been in the

475

00:20:25,070 --> 00:20:23,039

Watts home and the dog went into this

476

00:20:27,950 --> 00:20:25,080

closet and you heard a little girl laugh

477

00:20:29,870 --> 00:20:27,960

and the dog just froze and the two women

478

00:20:32,090 --> 00:20:29,880

who were there you know the two handlers

479

00:20:34,150 --> 00:20:32,100

were like you know did he stumble in

480

00:20:37,970 --> 00:20:34,160

some something like that

481

00:20:41,029 --> 00:20:37,980

I've seen that video it's chilling yeah

482

00:20:43,070 --> 00:20:41,039

it is it is and they've said that inside

483

00:20:45,890 --> 00:20:43,080

his cell that he sees his daughter

484

00:20:48,289 --> 00:20:45,900

dancing like the one that was a one took

485

00:20:50,390 --> 00:20:48,299

ballet and he says to the guards like

486

00:20:52,610 --> 00:20:50,400

she's in here dancing

487

00:20:54,590 --> 00:20:52,620

she's you know she's like right here and

488

00:20:56,510 --> 00:20:54,600

the guards are just like what do you

489

00:20:57,789 --> 00:20:56,520

want us to do we don't see anything you

490

00:21:01,190 --> 00:20:57,799

know

491

00:21:03,350 --> 00:21:01,200

anything but yeah I mean I think

492

00:21:05,930 --> 00:21:03,360

something that's either for him at least

493

00:21:11,409 --> 00:21:05,940

I think that's Karma him seeing his

494

00:21:15,370 --> 00:21:11,419

daughter but it's chilling I hope so

495

00:21:17,630 --> 00:21:15,380

the karma's a thing yeah there's there's

496

00:21:18,950 --> 00:21:17,640

people out there that I wouldn't want to

497

00:21:21,289 --> 00:21:18,960

be on the receiving end of what they've

498

00:21:24,529 --> 00:21:21,299

got coming

499

00:21:25,730 --> 00:21:24,539

no I totally agree with you I totally

500

00:21:26,330 --> 00:21:25,740

agree

501  
00:21:29,090 --> 00:21:26,340  
um

502  
00:21:31,850 --> 00:21:29,100  
what else are you into besides this is

503  
00:21:34,010 --> 00:21:31,860  
there anything coming up on the horizon

504  
00:21:35,330 --> 00:21:34,020  
oh lots of things so I told you I'm

505  
00:21:38,090 --> 00:21:35,340  
getting married that's the the biggest

506  
00:21:39,830 --> 00:21:38,100  
thing but uh I've got several books that

507  
00:21:42,409 --> 00:21:39,840  
I'm working on I've got a couple film

508  
00:21:43,549 --> 00:21:42,419  
scripts that uh I've had taken around

509  
00:21:46,370 --> 00:21:43,559  
with

510  
00:21:49,490 --> 00:21:46,380  
um I've also got a UFO Channel called

511  
00:21:51,529 --> 00:21:49,500  
saucer cult and that's the older UFO

512  
00:21:54,169 --> 00:21:51,539  
stuff the pre-abduction pre Betty and

513  
00:21:56,750 --> 00:21:54,179

Barney Hill like basically from the 40s

514

00:22:00,470 --> 00:21:56,760

up until about that time back when it

515

00:22:02,750 --> 00:22:00,480

was uh flying saucers and little man and

516

00:22:06,649 --> 00:22:02,760

robots and stuff before the whole

517

00:22:09,230 --> 00:22:06,659

abduction thing uh I just I I mean I get

518

00:22:11,390 --> 00:22:09,240

all that I spoke at a

519

00:22:14,169 --> 00:22:11,400

UFO conference in San Francisco last

520

00:22:16,730 --> 00:22:14,179

year and uh Drew parallels between

521

00:22:18,770 --> 00:22:16,740

people with abduction experiences and

522

00:22:20,570 --> 00:22:18,780

people that have gone missing and came

523

00:22:22,310 --> 00:22:20,580

back in the stories that they told so

524

00:22:25,610 --> 00:22:22,320

there's there's kind of like some some

525

00:22:27,890 --> 00:22:25,620

overlap there but I just I don't get a

526

00:22:29,690 --> 00:22:27,900

lot of the abduction stuff and so to me

527

00:22:31,490 --> 00:22:29,700

that's definitely not fun but when I was

528

00:22:34,730 --> 00:22:31,500

a kid you know UFOs were fun and

529

00:22:37,490 --> 00:22:34,740

exciting flying saucers so I've got that

530

00:22:40,549 --> 00:22:37,500

and then I've got uh Insomniac Radio

531

00:22:43,730 --> 00:22:40,559

Theater which uh they'll have LibriVox

532

00:22:45,230 --> 00:22:43,740

and um old BBC recordings that are in

533

00:22:47,690 --> 00:22:45,240

the public domain now there's some just

534

00:22:50,990 --> 00:22:47,700

amazing amazing stuff I'm an insomniac

535

00:22:52,549 --> 00:22:51,000

myself lifelong and uh I try to run

536

00:22:55,669 --> 00:22:52,559

something over there just about Around

537

00:22:57,409 --> 00:22:55,679

the Clock uh audiobooks or radio dramas

538

00:22:59,270 --> 00:22:57,419

and things for people to listen to that

539

00:23:01,310 --> 00:22:59,280

that don't have anything else to do and

540

00:23:02,990 --> 00:23:01,320

want something to listen to

541

00:23:05,690 --> 00:23:03,000

and then of course I've got 13 past

542

00:23:08,930 --> 00:23:05,700

midnight that's my oldest Channel that's

543

00:23:11,450 --> 00:23:08,940

my paranormal Supernatural sandbox over

544

00:23:16,210 --> 00:23:14,149

because you're a very busy guy

545

00:23:18,770 --> 00:23:16,220

yeah

546

00:23:22,010 --> 00:23:18,780

insomnia made it work for me I've been

547

00:23:24,409 --> 00:23:22,020

I'll be 60 this year on Halloween and uh

548

00:23:25,730 --> 00:23:24,419

I've squeezed at least two lifetimes of

549

00:23:27,950 --> 00:23:25,740

experience in there I've been around the

550

00:23:30,590 --> 00:23:27,960

world twice I've lived all over the

551  
00:23:32,510 --> 00:23:30,600  
country I've held all kinds of jobs and

552  
00:23:36,289 --> 00:23:32,520  
then I found out I could do this for a

553  
00:23:43,690 --> 00:23:36,299  
living and uh no stopping me now give me

554  
00:23:49,490 --> 00:23:45,890  
this is what I was born to do people

555  
00:23:50,810 --> 00:23:49,500  
tell me my voice uh it relaxes them I

556  
00:23:55,130 --> 00:23:50,820  
have a lot of people that are chronic

557  
00:23:57,529 --> 00:23:55,140  
pain PTSD fibromyalgia insomniacs like

558  
00:24:00,830 --> 00:23:57,539  
myself they like to listen to my voice

559  
00:24:02,630 --> 00:24:00,840  
so you know it's it's my the gift it was

560  
00:24:04,310 --> 00:24:02,640  
given to me and I give it to other

561  
00:24:06,529 --> 00:24:04,320  
people that's what I like to do the gift

562  
00:24:07,750 --> 00:24:06,539  
so if my voice helps you then right on

563  
00:24:10,970 --> 00:24:07,760

yeah

564

00:24:12,529 --> 00:24:10,980

it's a little off today I just did an

565

00:24:14,210 --> 00:24:12,539

hour and a half over on another show

566

00:24:16,130 --> 00:24:14,220

before I had to come over here and then

567

00:24:18,649 --> 00:24:16,140

deal with a toothache on top of

568

00:24:22,070 --> 00:24:18,659

everything else so I'm not in my best

569

00:24:24,950 --> 00:24:22,080

form tonight but I'm happy to be here

570

00:24:27,590 --> 00:24:24,960

Oh no you're wonderful trust me and I I

571

00:24:30,649 --> 00:24:27,600

feel bad about the toothache I do

572

00:24:32,390 --> 00:24:30,659

um I said I've had doubt in the past and

573

00:24:36,350 --> 00:24:32,400

gout is ten times worse than the two

574

00:24:40,310 --> 00:24:38,570

oh I I don't know about gout but I've

575

00:24:42,649 --> 00:24:40,320

had toothaches so I can just say yeah

576

00:24:45,350 --> 00:24:42,659

yeah there's like a toothache times ten

577

00:24:47,330 --> 00:24:45,360

but in either your big toe or your ankle

578

00:24:48,890 --> 00:24:47,340

or you get it in a lot of different

579

00:24:52,250 --> 00:24:48,900

places but I always have it in the

580

00:24:54,830 --> 00:24:52,260

extremities like that and uh I had a

581

00:24:57,529 --> 00:24:54,840

doctor show me those uh your crystals

582

00:24:59,990 --> 00:24:57,539

under like a microscope they look like

583

00:25:02,750 --> 00:25:00,000

little shards of glass so they get down

584

00:25:05,270 --> 00:25:02,760

in your soft tissue causes it to swell

585

00:25:07,909 --> 00:25:05,280

and then any slight movement at all it's

586

00:25:10,669 --> 00:25:07,919

like being stabbed by thousands of

587

00:25:13,370 --> 00:25:10,679

thousands of tiny little shards of glass

588

00:25:15,950 --> 00:25:13,380

and uh just I mean you can't even stand

589

00:25:17,750 --> 00:25:15,960

like the the sheet to touch your toe and

590

00:25:25,370 --> 00:25:17,760

that sort of thing so I'll take a

591

00:25:30,710 --> 00:25:28,310

we over Christmas we had

592

00:25:31,850 --> 00:25:30,720

um the fire over Christmas I don't know

593

00:25:35,870 --> 00:25:31,860

if we're allowed to say it on YouTube

594

00:25:38,750 --> 00:25:35,880

but guess what virus we have yeah I

595

00:25:40,850 --> 00:25:38,760

think it's been going around and I it

596

00:25:43,610 --> 00:25:40,860

was like the thing that's been going

597

00:25:46,310 --> 00:25:43,620

around yeah it for me it felt like sure

598

00:25:49,430 --> 00:25:46,320

it's a glass of trying to come out of my

599

00:25:52,669 --> 00:25:49,440

skin wow that's how bad have you ever

600

00:25:53,990 --> 00:25:52,679

heard of uh more jealous Morgellons

601  
00:25:55,310 --> 00:25:54,000  
disease have you ever heard about that

602  
00:25:57,710 --> 00:25:55,320  
yes

603  
00:26:00,490 --> 00:25:57,720  
where people literally have little

604  
00:26:03,710 --> 00:26:00,500  
threads or wires or strings or something

605  
00:26:05,810 --> 00:26:03,720  
they come out of their skin and it's

606  
00:26:07,970 --> 00:26:05,820  
bizarre that's when you you said that a

607  
00:26:10,310 --> 00:26:07,980  
kid's kind of made me think of that but

608  
00:26:13,070 --> 00:26:10,320  
uh I haven't had that I've been directly

609  
00:26:15,409 --> 00:26:13,080  
exposed to it at least twice that I know

610  
00:26:18,830 --> 00:26:15,419  
of everybody around me got it got sick

611  
00:26:20,630 --> 00:26:18,840  
but uh I don't catch colds or flu or

612  
00:26:23,990 --> 00:26:20,640  
anything normally I have sinus issues

613  
00:26:25,490 --> 00:26:24,000

and gout and that's about it but uh I'm

614

00:26:28,250 --> 00:26:25,500

allergic to everything it's Ragweed

615

00:26:30,049 --> 00:26:28,260

season here in New Mexico so that's part

616

00:26:33,049 --> 00:26:30,059

of the reason I sound like this

617

00:26:36,289 --> 00:26:33,059

but uh yeah

618

00:26:38,930 --> 00:26:36,299

Sandy my channel manager writing uh head

619

00:26:41,870 --> 00:26:38,940

writer for my channels uh she moved me

620

00:26:44,750 --> 00:26:41,880

out here from Portland Oregon

621

00:26:46,789 --> 00:26:44,760

actually her husband got moved to uh

622

00:26:48,110 --> 00:26:46,799

Albuquerque for his line of work they

623

00:26:49,610 --> 00:26:48,120

moved down there they sold me their

624

00:26:52,130 --> 00:26:49,620

house here so I got out of Portland

625

00:26:54,769 --> 00:26:52,140

Portland had to send it into madness

626  
00:26:55,669 --> 00:26:54,779  
and uh I'd been there about 15 years and

627  
00:26:57,710 --> 00:26:55,679  
uh

628  
00:26:59,149 --> 00:26:57,720  
just just wasn't a place that I

629  
00:27:00,950 --> 00:26:59,159  
originally moved to and fell in love

630  
00:27:03,649 --> 00:27:00,960  
with so I like it here in the high

631  
00:27:05,930 --> 00:27:03,659  
desert though but uh yeah we caught her

632  
00:27:07,610 --> 00:27:05,940  
she caught it at a truck stop I think

633  
00:27:09,710 --> 00:27:07,620  
somewhere in Idaho we pretty much drove

634  
00:27:12,110 --> 00:27:09,720  
straight through uh she got it tested

635  
00:27:15,230 --> 00:27:12,120  
positive I got a little sick but I

636  
00:27:17,149 --> 00:27:15,240  
tested negative so go figure but I've

637  
00:27:19,610 --> 00:27:17,159  
got the Rh negative blood if you believe

638  
00:27:20,810 --> 00:27:19,620

in all that like a guy.com they talk

639

00:27:22,970 --> 00:27:20,820

about that

640

00:27:25,730 --> 00:27:22,980

uh green eyes I don't know if you can

641

00:27:29,149 --> 00:27:25,740

see or not but uh I've got alien blood

642

00:27:31,669 --> 00:27:29,159

so that's a lot of stuff and that would

643

00:27:33,350 --> 00:27:31,679

explain a lot I'm not from this planet

644

00:27:36,769 --> 00:27:33,360

I'm just visiting

645

00:27:39,830 --> 00:27:36,779

I do too though

646

00:27:42,289 --> 00:27:39,840

yeah North hours negative blood too so

647

00:27:45,470 --> 00:27:42,299

but I I got see the kiddo had it first

648

00:27:47,570 --> 00:27:45,480

we think he got uh and we thought it was

649

00:27:50,810 --> 00:27:47,580

the flu it wasn't the flu we didn't test

650

00:27:53,390 --> 00:27:50,820

him and then I started getting sick and

651  
00:27:55,850 --> 00:27:53,400  
I was the one who got tested my husband

652  
00:27:59,510 --> 00:27:55,860  
it was just and then we were like it

653  
00:28:02,930 --> 00:27:59,520  
came back in three seconds oh right

654  
00:28:05,269 --> 00:28:02,940  
it was it was awful it was

655  
00:28:08,149 --> 00:28:05,279  
um the other last time you and I sat

656  
00:28:10,909 --> 00:28:08,159  
down to talk was on your show 13 pounds

657  
00:28:13,789 --> 00:28:10,919  
midnight and you told some really good

658  
00:28:16,250 --> 00:28:13,799  
stories about Disney

659  
00:28:19,430 --> 00:28:16,260  
and stuff like doing either like a show

660  
00:28:21,909 --> 00:28:19,440  
on Disney or do you remember

661  
00:28:24,890 --> 00:28:21,919  
oh yeah

662  
00:28:26,510 --> 00:28:24,900  
sorry I was the cast member I was a lot

663  
00:28:28,850 --> 00:28:26,520

of show production manager down there I

664

00:28:30,409 --> 00:28:28,860

previously worked for Nickelodeon and

665

00:28:32,630 --> 00:28:30,419

when they packed up and moved everything

666

00:28:35,630 --> 00:28:32,640

to Burbank I jumped ship and went over

667

00:28:37,730 --> 00:28:35,640

to Disney and uh that's that's probably

668

00:28:39,590 --> 00:28:37,740

one of the only regrets I've ever had is

669

00:28:43,010 --> 00:28:39,600

not following Nickelodeon to Burbank

670

00:28:45,230 --> 00:28:43,020

because Disney's just it's a horse with

671

00:28:47,990 --> 00:28:45,240

a different colors they say I was not

672

00:28:50,210 --> 00:28:48,000

happy at all there they they wanted to

673

00:28:52,730 --> 00:28:50,220

be the happiest place on Earth but

674

00:28:55,850 --> 00:28:52,740

behind the scenes it's it's not a very

675

00:28:58,370 --> 00:28:55,860

happy place I'm here to tell you

676  
00:29:00,890 --> 00:28:58,380  
yeah you you were telling us some of the

677  
00:29:03,430 --> 00:29:00,900  
the horror stories and things like that

678  
00:29:06,289 --> 00:29:03,440  
from that do you think oh yeah

679  
00:29:08,810 --> 00:29:06,299  
I'd like to somebody else has asked me

680  
00:29:10,549 --> 00:29:08,820  
to do one like that so if I can do it

681  
00:29:13,610 --> 00:29:10,559  
and get in trouble because Disney's got

682  
00:29:16,370 --> 00:29:13,620  
all kinds of lawyers but uh everything I

683  
00:29:17,750 --> 00:29:16,380  
I tell is uh backed up by the the truth

684  
00:29:20,450 --> 00:29:17,760  
and truth

685  
00:29:22,070 --> 00:29:20,460  
but uh so just little things like uh

686  
00:29:26,330 --> 00:29:22,080  
nobody ever dies in The Magic Kingdom

687  
00:29:31,789 --> 00:29:30,470  
no one has ever died there but well I

688  
00:29:33,289 --> 00:29:31,799

mean there was there's people like have

689

00:29:34,730 --> 00:29:33,299

been uh cut in half

690

00:29:37,549 --> 00:29:34,740

but what they do they take your parts

691

00:29:39,830 --> 00:29:37,559

your pieces over across the highway into

692

00:29:41,630 --> 00:29:39,840

the hospital of Celebration which is the

693

00:29:43,310 --> 00:29:41,640

town that Disney built and they

694

00:29:45,950 --> 00:29:43,320

pronounce you dead there at the hospital

695

00:29:48,049 --> 00:29:45,960

instead of on the scene so technically

696

00:29:49,610 --> 00:29:48,059

they can say no one's ever died in the

697

00:29:50,570 --> 00:29:49,620

Magic Kingdom although a lot of people

698

00:29:52,970 --> 00:29:50,580

have

699

00:29:55,250 --> 00:29:52,980

many of you don't hear about and there's

700

00:29:57,889 --> 00:29:55,260

also dead people in the Magic Kingdom

701

00:30:00,049 --> 00:29:57,899

one of the things that uh they were

702

00:30:02,690 --> 00:30:00,059

always on the lookout for people going

703

00:30:04,610 --> 00:30:02,700

into the Haunted Mansion attraction and

704

00:30:06,889 --> 00:30:04,620

spreading their loves one's ashes in

705

00:30:08,149 --> 00:30:06,899

there but uh just to let you know if

706

00:30:10,970 --> 00:30:08,159

you've got that idea they go through

707

00:30:12,769 --> 00:30:10,980

every night and uh and like deep clean

708

00:30:14,930 --> 00:30:12,779

that vacuum it out and everything so

709

00:30:16,490 --> 00:30:14,940

you're just you're scattering your ashes

710

00:30:19,250 --> 00:30:16,500

in the wrong place if you do it in there

711

00:30:21,409 --> 00:30:19,260

it won't stay there but I do like the

712

00:30:24,289 --> 00:30:21,419

idea of that though because it tells you

713

00:30:25,970 --> 00:30:24,299

on the right you know what is it 999

714

00:30:29,330 --> 00:30:25,980

ghosts there's always room for one more

715

00:30:31,549 --> 00:30:29,340

whatever so and another secret there

716

00:30:34,190 --> 00:30:31,559

there is a person a very wealthy

717

00:30:35,870 --> 00:30:34,200

businessman I can't reveal the name but

718

00:30:38,590 --> 00:30:35,880

he is buried

719

00:30:42,230 --> 00:30:38,600

uh on Magic Kingdom property in Florida

720

00:30:44,450 --> 00:30:42,240

that was his final wish and his widow

721

00:30:46,850 --> 00:30:44,460

was able to work it out and it's off in

722

00:30:49,250 --> 00:30:46,860

the woods it's if you know where to look

723

00:30:52,430 --> 00:30:49,260

you can see it from the monorail but

724

00:30:54,889 --> 00:30:52,440

there is a an unmarked grave out and

725

00:30:57,350 --> 00:30:54,899

kind of the swamp there actually

726  
00:31:00,110 --> 00:30:57,360  
and uh that's a lot of people don't know

727  
00:31:02,510 --> 00:31:00,120  
that uh there's an underground there's

728  
00:31:04,190 --> 00:31:02,520  
tunnels all into the Magic Kingdom when

729  
00:31:06,169 --> 00:31:04,200  
you're first walking in and you go up

730  
00:31:08,389 --> 00:31:06,179  
the hill to go to Main Street that's

731  
00:31:10,250 --> 00:31:08,399  
built up on a rise that was all flat

732  
00:31:11,690 --> 00:31:10,260  
they built the tunnel system and

733  
00:31:14,330 --> 00:31:11,700  
everything of course there's holding

734  
00:31:16,130 --> 00:31:14,340  
cells under there there's uh changing

735  
00:31:18,289 --> 00:31:16,140  
rooms all kinds of offices and stuff

736  
00:31:20,690 --> 00:31:18,299  
under there then they piled dirt on top

737  
00:31:22,130 --> 00:31:20,700  
of it and then built Main Street USA on

738  
00:31:24,529 --> 00:31:22,140

top of that

739

00:31:27,950 --> 00:31:24,539

so there there is underground tunnels at

740

00:31:34,909 --> 00:31:32,529

and I think would like to explore that

741

00:31:38,090 --> 00:31:34,919

Walt has an apartment there above the

742

00:31:40,430 --> 00:31:38,100

firehouse where uh on Main Street where

743

00:31:42,409 --> 00:31:40,440

he used to stay and there's a light in

744

00:31:44,750 --> 00:31:42,419

the window that never goes out and

745

00:31:47,389 --> 00:31:44,760

that's in his memory because what they

746

00:31:49,010 --> 00:31:47,399

used to do when he was there they would

747

00:31:50,570 --> 00:31:49,020

turn that light on to let all the

748

00:31:52,250 --> 00:31:50,580

employees all the cast members know that

749

00:31:55,610 --> 00:31:52,260

Walt was on the property

750

00:31:57,830 --> 00:31:55,620

and uh after he passed away they keep it

751  
00:32:00,049 --> 00:31:57,840  
lit all the time

752  
00:32:02,149 --> 00:32:00,059  
and uh if you've ever been to uh used to

753  
00:32:05,210 --> 00:32:02,159  
being Fulton's Crab Shack prior to that

754  
00:32:07,250 --> 00:32:05,220  
it was uh the uh I can't remember the

755  
00:32:08,690 --> 00:32:07,260  
name but it looks like a Riverboat but

756  
00:32:10,789 --> 00:32:08,700  
it's docked permanently there at

757  
00:32:12,049 --> 00:32:10,799  
Downtown Disney and it said it's

758  
00:32:14,330 --> 00:32:12,059  
actually not about it all there's a

759  
00:32:16,669 --> 00:32:14,340  
basement and everything there but uh

760  
00:32:18,830 --> 00:32:16,679  
that was originally built by the

761  
00:32:20,210 --> 00:32:18,840  
imagineers so Walt's wife would have a

762  
00:32:22,010 --> 00:32:20,220  
place to go and eat breakfast in the

763  
00:32:24,169 --> 00:32:22,020

mornings uh I can't remember what her

764

00:32:26,750 --> 00:32:24,179

name was Lily I want to say

765

00:32:29,029 --> 00:32:26,760

but there's all kinds of Secrets I don't

766

00:32:30,409 --> 00:32:29,039

even know he was married yeah he didn't

767

00:32:33,769 --> 00:32:30,419

even know he was married

768

00:32:35,450 --> 00:32:33,779

but no that's that's fascinating if

769

00:32:36,649 --> 00:32:35,460

you're ever inclined I would love to

770

00:32:39,169 --> 00:32:36,659

hear a show about that I think everyone

771

00:32:40,549 --> 00:32:39,179

else would too God like that I need to

772

00:32:42,710 --> 00:32:40,559

sit down and write all these out because

773

00:32:45,470 --> 00:32:42,720

they just kind of come to me and and

774

00:32:47,029 --> 00:32:45,480

fits and starts but uh yeah there's a

775

00:32:49,549 --> 00:32:47,039

lot of Disney secrets so I said I just

776

00:32:51,950 --> 00:32:49,559

don't want to get sued by the mouse

777

00:32:55,630 --> 00:32:51,960

Disney World where a mouse built a trap

778

00:33:01,250 --> 00:32:58,430

there you go

779

00:33:03,049 --> 00:33:01,260

and it's not just there I mean like all

780

00:33:06,169 --> 00:33:03,059

the Disney parks have little secrets and

781

00:33:08,389 --> 00:33:06,179

stuff uh if you go to uh Disneyland the

782

00:33:09,889 --> 00:33:08,399

original in Anaheim California when you

783

00:33:11,750 --> 00:33:09,899

go on to Pirates of the Caribbean you go

784

00:33:14,029 --> 00:33:11,760

down that first big drop if you look up

785

00:33:17,509 --> 00:33:14,039

you can see like a dining room in there

786

00:33:20,509 --> 00:33:17,519

that's Club 33. uh that's a secret

787

00:33:22,610 --> 00:33:20,519

members only Club the waiting list is

788

00:33:24,430 --> 00:33:22,620

several years long it's mainly for

789

00:33:27,710 --> 00:33:24,440

corporate sponsors and people like that

790

00:33:29,570 --> 00:33:27,720

and uh that's the only place in the

791

00:33:32,570 --> 00:33:29,580

Magic Kingdom where alcohol is served

792

00:33:35,509 --> 00:33:32,580

but you have to be a member or be with a

793

00:33:38,269 --> 00:33:35,519

member to even get in there

794

00:33:41,450 --> 00:33:38,279

and uh the there's animatronics in there

795

00:33:41,460 --> 00:33:47,470

incline 33.

796

00:33:52,789 --> 00:33:50,930

there's like 33 members or there there

797

00:33:55,970 --> 00:33:52,799

was some kind of something like that

798

00:33:58,130 --> 00:33:55,980

that's uh basically a lot of people have

799

00:34:00,409 --> 00:33:58,140

tied that to the Illuminati and thing so

800

00:34:03,289 --> 00:34:00,419

33rd degree Mason and things like that

801

00:34:05,450 --> 00:34:03,299

so I don't know about all that but uh

802

00:34:07,789 --> 00:34:05,460

it's there there's animatronics in there

803

00:34:10,669 --> 00:34:07,799

there's even hidden microphones in there

804

00:34:12,230 --> 00:34:10,679

that aren't supposedly used but Walt's

805

00:34:14,089 --> 00:34:12,240

idea was to install those in the

806

00:34:15,589 --> 00:34:14,099

chandeliers above the table so you can

807

00:34:19,010 --> 00:34:15,599

ease drop on the guests and see what

808

00:34:19,020 --> 00:34:23,510

oh because that's not weird at all right

809

00:34:28,389 --> 00:34:25,550

encourage individuals

810

00:34:30,530 --> 00:34:28,399

he was he was a little odd

811

00:34:31,970 --> 00:34:30,540

truly a Visionary though I mean that

812

00:34:35,089 --> 00:34:31,980

experimental prototype Community

813

00:34:36,770 --> 00:34:35,099

tomorrow Epcot uh he envisioned a lot of

814

00:34:39,230 --> 00:34:36,780

things that we're seeing now they

815

00:34:41,510 --> 00:34:39,240

thought of that back in the 60s when he

816

00:34:44,089 --> 00:34:41,520

was designing the place

817

00:34:46,430 --> 00:34:44,099

and uh D.A song good to see you here

818

00:34:50,450 --> 00:34:46,440

she's one of my friends on Facebook and

819

00:34:54,470 --> 00:34:50,460

indeed Walt was the 33rd degree basin

820

00:34:57,050 --> 00:34:54,480

oh was he I did not know that yeah wow

821

00:34:59,329 --> 00:34:57,060

so there's lots of symbolism there's

822

00:35:01,490 --> 00:34:59,339

lots of little little hints and things

823

00:35:03,290 --> 00:35:01,500

the hidden Mickeys now that's kind of a

824

00:35:06,890 --> 00:35:03,300

thing with the tourist but just about

825

00:35:08,450 --> 00:35:06,900

anywhere you go there are many many of

826

00:35:11,450 --> 00:35:08,460

the little uh the circle with the mouse

827

00:35:14,210 --> 00:35:11,460

series they're hidden all over the place

828

00:35:16,250 --> 00:35:14,220

and I think there's a book that you can

829

00:35:18,890 --> 00:35:16,260

buy that'll help you find some of those

830

00:35:22,609 --> 00:35:18,900

so they're big they're big on the

831

00:35:23,690 --> 00:35:22,619

symbolism and the numbers and uh it's I

832

00:35:25,910 --> 00:35:23,700

said I think there's something in the

833

00:35:27,410 --> 00:35:25,920

water there uh you can be written up for

834

00:35:29,690 --> 00:35:27,420

not smiling

835

00:35:32,450 --> 00:35:29,700

and and they have families that that

836

00:35:34,970 --> 00:35:32,460

poses tourists and if they see you

837

00:35:37,790 --> 00:35:34,980

within sight of uh

838

00:35:40,069 --> 00:35:37,800

of uh visitors and you're not smiling

839

00:35:42,050 --> 00:35:40,079

you get written up now the only

840

00:35:44,030 --> 00:35:42,060

exception are the people that work in

841

00:35:45,109 --> 00:35:44,040

the Haunted Mansion they're not allowed

842

00:35:47,650 --> 00:35:45,119

to smile

843

00:35:50,810 --> 00:35:47,660

to keep it creepy

844

00:35:52,550 --> 00:35:50,820

and back when Disney on MGM Studios

845

00:35:55,390 --> 00:35:52,560

there in Florida right at the end of the

846

00:35:57,490 --> 00:35:55,400

day oh it did

847

00:36:01,370 --> 00:35:57,500

just

848

00:36:03,710 --> 00:36:01,380

exactly oh my gosh but it's almost an

849

00:36:05,810 --> 00:36:03,720

indoctrination when you when you're a

850

00:36:07,730 --> 00:36:05,820

new hire the first thing they run you

851

00:36:09,710 --> 00:36:07,740

through they have a class it's called

852

00:36:10,910 --> 00:36:09,720

Traditions it seems like it's a few

853

00:36:12,770 --> 00:36:10,920

hours long

854

00:36:14,690 --> 00:36:12,780

but uh it's one of those things you have

855

00:36:16,010 --> 00:36:14,700

to be on time they close the doors

856

00:36:18,670 --> 00:36:16,020

immediately when it's supposed to start

857

00:36:21,950 --> 00:36:18,680

to lock them you you can't come in late

858

00:36:23,810 --> 00:36:21,960

and I think you only have two chances to

859

00:36:26,270 --> 00:36:23,820

attend one of those uh

860

00:36:28,849 --> 00:36:26,280

meetings or then you don't work there

861

00:36:30,410 --> 00:36:28,859

anymore before you start but it's it's

862

00:36:33,970 --> 00:36:30,420

this whole thing that they show you

863

00:36:36,530 --> 00:36:33,980

about the the Disney uh view the Disney

864

00:36:40,250 --> 00:36:36,540

it's really it's it's an indoctrination

865

00:36:44,329 --> 00:36:40,260

I mean what can you say and uh it's just

866

00:36:52,970 --> 00:36:50,089

yeah and people yeah indeed they're very

867

00:36:55,370 --> 00:36:52,980

yeah if you have to frown you have to be

868

00:36:56,990 --> 00:36:55,380

out of sight of the guest I said uh

869

00:36:58,910 --> 00:36:57,000

visitors or tourists but they are a

870

00:37:01,190 --> 00:36:58,920

guests and everybody that works there as

871

00:37:04,010 --> 00:37:01,200

a cast member whether you're invisible

872

00:37:06,349 --> 00:37:04,020

or not uh most time I wasn't like I said

873

00:37:07,550 --> 00:37:06,359

I did live show production but I ride

874

00:37:08,630 --> 00:37:07,560

around with the clipboard made sure

875

00:37:10,310 --> 00:37:08,640

everybody was doing what they were

876

00:37:13,490 --> 00:37:10,320

supposed to do and that was another

877

00:37:15,829 --> 00:37:13,500

thing like if there was a bulb out

878

00:37:19,010 --> 00:37:15,839

you had to call an electrician to come

879

00:37:21,290 --> 00:37:19,020

and change the bulb and uh if there was

880

00:37:23,270 --> 00:37:21,300

stuff in his way he couldn't move it he

881

00:37:25,010 --> 00:37:23,280

had to call a Teamster to come and move

882

00:37:26,210 --> 00:37:25,020

it well the Teamster's on a 15-minute

883

00:37:28,550 --> 00:37:26,220

break

884

00:37:31,190 --> 00:37:28,560

and I got in trouble one time I just I

885

00:37:33,589 --> 00:37:31,200

went and got a ladder and uh climbed up

886

00:37:36,650 --> 00:37:33,599

and changed above myself and got written

887

00:37:38,810 --> 00:37:36,660

up for it the the union filed agreements

888

00:37:41,210 --> 00:37:38,820

against me or whatever for

889

00:37:42,650 --> 00:37:41,220

because I had insulted the electrician's

890

00:37:44,690 --> 00:37:42,660

union the carpet because you had to get

891

00:37:47,270 --> 00:37:44,700

the ladder from the carpenter you have

892

00:37:48,890 --> 00:37:47,280

to change one bulb call electrician he'd

893

00:37:50,450 --> 00:37:48,900

call a carpenter the carpenter would

894

00:37:51,290 --> 00:37:50,460

call a Teamster if he couldn't get to

895

00:37:55,310 --> 00:37:51,300

the

896

00:37:58,130 --> 00:37:55,320

you'd have to call a houseman to come

897

00:38:00,050 --> 00:37:58,140

and clean up after everybody so I was

898

00:38:01,670 --> 00:38:00,060

tired of that I just I went found a

899

00:38:04,069 --> 00:38:01,680

ladder I stood it up I climbed up there

900

00:38:05,150 --> 00:38:04,079

I had the bulb I changed the bulb and

901  
00:38:06,950 --> 00:38:05,160

yeah I got in trouble with the

902  
00:38:09,829 --> 00:38:06,960

electrician's union the Teamsters Union

903  
00:38:12,290 --> 00:38:09,839

the the carpenters union and those who

904  
00:38:14,750 --> 00:38:12,300

no telling who else but uh that was the

905  
00:38:17,390 --> 00:38:14,760

probably Severus reprimand I got what I

906  
00:38:19,790 --> 00:38:17,400

was saying it was like all those Union

907  
00:38:21,650 --> 00:38:19,800

stewards and me are in there and they're

908  
00:38:23,270 --> 00:38:21,660

all ganging up on me

909  
00:38:25,190 --> 00:38:23,280

you're not supposed to change the light

910  
00:38:26,569 --> 00:38:25,200

bulb you can't move that ladder you

911  
00:38:28,250 --> 00:38:26,579

can't shove that stuff out of the way

912  
00:38:29,329 --> 00:38:28,260

what are you doing you're just the stage

913  
00:38:31,130 --> 00:38:29,339

manager

914

00:38:35,510 --> 00:38:31,140

see I didn't did the last song there

915

00:38:35,520 --> 00:38:41,210

I blame you I wouldn't have been

916

00:38:46,370 --> 00:38:44,270

it's a question I

917

00:38:48,050 --> 00:38:46,380

is my husband for anyone who doesn't

918

00:38:50,990 --> 00:38:48,060

know so

919

00:38:53,270 --> 00:38:51,000

that first job he's talking about I

920

00:38:55,670 --> 00:38:53,280

worked at the same place he did

921

00:38:57,530 --> 00:38:55,680

directly across from where he was

922

00:38:59,990 --> 00:38:57,540

working at where they had him stationed

923

00:39:02,750 --> 00:39:00,000

and I didn't know as a teenager because

924

00:39:04,910 --> 00:39:02,760

I had I had moved I had moved to a

925

00:39:06,410 --> 00:39:04,920

different County at the time so we

926  
00:39:08,569 --> 00:39:06,420  
basically worked with the same theme

927  
00:39:11,990 --> 00:39:08,579  
park and

928  
00:39:13,490 --> 00:39:12,000  
I can agree with him it was horrible are

929  
00:39:16,670 --> 00:39:13,500  
you allowed to mention the same part or

930  
00:39:18,829 --> 00:39:16,680  
give us a hint it was

931  
00:39:21,290 --> 00:39:18,839  
you you faded out on me there a little

932  
00:39:25,730 --> 00:39:21,300  
bit you glitched just a little

933  
00:39:29,870 --> 00:39:27,829  
I'm sorry what

934  
00:39:31,730 --> 00:39:29,880  
I I didn't hear what theme park it was

935  
00:39:34,730 --> 00:39:31,740  
or if you could even say what it was or

936  
00:39:41,030 --> 00:39:34,740  
give us a hint oh no

937  
00:39:44,930 --> 00:39:42,710  
hang on I think we lost some sound can

938  
00:39:47,990 --> 00:39:44,940

you hear me Steve yeah I can't now there

939

00:39:48,000 --> 00:39:50,750

foreign

940

00:39:56,450 --> 00:39:53,030

okay sorry so what did you hear before

941

00:39:58,430 --> 00:39:56,460

we cut out uh I'd ask you if it was if

942

00:40:00,770 --> 00:39:58,440

you could tell the thing Parker give us

943

00:40:03,410 --> 00:40:00,780

a hint but I didn't hear an answer so if

944

00:40:05,750 --> 00:40:03,420

my question is no or no to that answer

945

00:40:08,089 --> 00:40:05,760

then never mind I just wonder where it

946

00:40:15,770 --> 00:40:12,050

no

947

00:40:19,069 --> 00:40:15,780

in the chat it was wow it's like it's

948

00:40:21,829 --> 00:40:19,079

literally down the road from us so we we

949

00:40:26,710 --> 00:40:21,839

live very close to it okay what what

950

00:40:30,410 --> 00:40:28,550

Pennsylvania

951  
00:40:33,410 --> 00:40:30,420

okay

952  
00:40:35,630 --> 00:40:33,420

yeah it's in Pennsylvania I'm not sure

953  
00:40:38,390 --> 00:40:35,640

the exact address but it's I would say

954  
00:40:40,550 --> 00:40:38,400

it's Ligonier Pennsylvania I'm not sure

955  
00:40:43,370 --> 00:40:40,560

Thomas is better with you know address

956  
00:40:46,310 --> 00:40:43,380

yeah there's different idle wells around

957  
00:40:49,310 --> 00:40:46,320

that's why I asked there's a Idlewild in

958  
00:40:52,430 --> 00:40:49,320

California not a park but I mean a a

959  
00:40:54,370 --> 00:40:52,440

place so I'm just curious yeah but yeah

960  
00:40:57,050 --> 00:40:54,380

that same part works

961  
00:40:58,970 --> 00:40:57,060

not what it's now when I worked for

962  
00:41:01,550 --> 00:40:58,980

Nickelodeon they had the the studios

963  
00:41:04,550 --> 00:41:01,560

there in the theme park and stuff but I

964

00:41:06,650 --> 00:41:04,560

was inside I was a live production I

965

00:41:08,829 --> 00:41:06,660

show production manager there

966

00:41:10,670 --> 00:41:08,839

so

967

00:41:13,250 --> 00:41:10,680

but uh

968

00:41:15,470 --> 00:41:13,260

but I'm kind of glad I didn't follow him

969

00:41:16,849 --> 00:41:15,480

to Burbank because all the paths that

970

00:41:18,290 --> 00:41:16,859

I've been on have led me to where I am

971

00:41:20,630 --> 00:41:18,300

right now and I'm the happiest I've ever

972

00:41:23,150 --> 00:41:20,640

been and you know sometimes just one

973

00:41:26,329 --> 00:41:23,160

little little side jaunt could have

974

00:41:27,530 --> 00:41:26,339

changed everything so if I had to go

975

00:41:29,690 --> 00:41:27,540

through everything I've ever been

976

00:41:31,970 --> 00:41:29,700

through to get where I am today I'd do

977

00:41:33,770 --> 00:41:31,980

it on hands and knees through broken

978

00:41:40,990 --> 00:41:33,780

glass because I'm the happiest I've ever

979

00:41:41,000 --> 00:41:45,050

just hang in there

980

00:41:45,060 --> 00:41:47,829

yeah

981

00:41:52,550 --> 00:41:50,329

we started talking about this and it's a

982

00:41:54,530 --> 00:41:52,560

stream started uh and I've had that

983

00:41:56,510 --> 00:41:54,540

happen I've been on shows where I was

984

00:42:00,290 --> 00:41:56,520

maybe talking conspiracy theories and

985

00:42:04,790 --> 00:42:02,210

oh geez

986

00:42:06,349 --> 00:42:04,800

but no I I agree with you it's amazing

987

00:42:08,270 --> 00:42:06,359

how you know you make one little turn

988

00:42:10,450 --> 00:42:08,280

left or right and then it just sets you

989

00:42:14,510 --> 00:42:10,460

on this path

990

00:42:16,130 --> 00:42:14,520

it literally is and I I don't believe in

991

00:42:18,470 --> 00:42:16,140

coincidence I think everything happens

992

00:42:21,290 --> 00:42:18,480

for a reason in its own time and what

993

00:42:23,450 --> 00:42:21,300

it's supposed to and uh a lot of times

994

00:42:25,310 --> 00:42:23,460

we don't see that except in

995

00:42:27,349 --> 00:42:25,320

retrospective even then but I can look

996

00:42:29,450 --> 00:42:27,359

back and think boy I'm glad I didn't do

997

00:42:30,890 --> 00:42:29,460

that I'm glad I didn't do this or I

998

00:42:32,750 --> 00:42:30,900

really wanted that at that time and I'm

999

00:42:34,609 --> 00:42:32,760

glad I didn't get it because now I've

1000

00:42:37,849 --> 00:42:34,619

got something even better so

1001  
00:42:40,910 --> 00:42:37,859  
it's just it's you know is your glass

1002  
00:42:42,710 --> 00:42:40,920  
half empty or half full so

1003  
00:42:44,870 --> 00:42:42,720  
life's what you make and it's it's about

1004  
00:42:56,150 --> 00:42:44,880  
the journey not the destination thank

1005  
00:43:00,010 --> 00:42:58,609  
um some other things to talk about those

1006  
00:43:02,930 --> 00:43:00,020  
Disney Parks

1007  
00:43:04,910 --> 00:43:02,940  
they have uh there's a video that you

1008  
00:43:06,829 --> 00:43:04,920  
can find on there where they're what

1009  
00:43:08,150 --> 00:43:06,839  
looks like a ghost walking out of the

1010  
00:43:10,550 --> 00:43:08,160  
Haunted Mansion and through the security

1011  
00:43:13,430 --> 00:43:10,560  
gate and I think it turns and goes

1012  
00:43:15,290 --> 00:43:13,440  
toward Frontier land but uh you can see

1013  
00:43:17,210 --> 00:43:15,300

that I mean it was filmed from the

1014

00:43:18,530 --> 00:43:17,220

monitors in the security office there so

1015

00:43:20,630 --> 00:43:18,540

there are

1016

00:43:23,770 --> 00:43:20,640

people have died there I'm not surprised

1017

00:43:26,210 --> 00:43:23,780

that it's haunted uh

1018

00:43:28,970 --> 00:43:26,220

this this and narrative I'll help him

1019

00:43:31,670 --> 00:43:28,980

say that right uh yeah indeed I have I

1020

00:43:34,490 --> 00:43:31,680

have I feel bad because yeah

1021

00:43:36,109 --> 00:43:34,500

oh that's the is that a loaded question

1022

00:43:38,150 --> 00:43:36,119

did you put them up to that because I

1023

00:43:40,730 --> 00:43:38,160

think I told that story the last time I

1024

00:43:42,829 --> 00:43:40,740

was on here to my book My Strange World

1025

00:43:45,109 --> 00:43:42,839

which is my own personal paranormal

1026

00:43:46,390 --> 00:43:45,119

experiences some of them but yeah when I

1027

00:43:49,550 --> 00:43:46,400

was growing up there

1028

00:43:52,130 --> 00:43:49,560

I'll tell that story if you want me to

1029

00:43:54,890 --> 00:43:52,140

it's a little long-winded but I'll tell

1030

00:43:57,770 --> 00:43:54,900

it as quickly as I can but uh on that

1031

00:43:59,450 --> 00:43:57,780

property where I grew up uh one one of

1032

00:44:02,089 --> 00:43:59,460

the property lines was this ditch was

1033

00:44:03,470 --> 00:44:02,099

about 10 12 feet deep found out years

1034

00:44:05,089 --> 00:44:03,480

later through research that that had

1035

00:44:07,550 --> 00:44:05,099

been the Old Stage Coach wrote through

1036

00:44:10,309 --> 00:44:07,560

their uh dating back to revolutionary

1037

00:44:12,650 --> 00:44:10,319

times and I was out in the woods one day

1038

00:44:13,609 --> 00:44:12,660

my brother had had hunting dogs years

1039

00:44:15,710 --> 00:44:13,619

before

1040

00:44:17,510 --> 00:44:15,720

and uh there was an old dog line up

1041

00:44:18,829 --> 00:44:17,520

there it was like just basically resting

1042

00:44:21,770 --> 00:44:18,839

into the ground

1043

00:44:23,270 --> 00:44:21,780

and our dog run and uh I was just out

1044

00:44:25,069 --> 00:44:23,280

prowling through the woods and I looked

1045

00:44:26,569 --> 00:44:25,079

I walked up to that ditch and I looked

1046

00:44:28,910 --> 00:44:26,579

down and it didn't see anything

1047

00:44:31,069 --> 00:44:28,920

interesting I was eight years old turned

1048

00:44:33,230 --> 00:44:31,079

around and started to go the other way

1049

00:44:35,450 --> 00:44:33,240

and I hear something in the leaves in

1050

00:44:37,309 --> 00:44:35,460

the ditch and I turned around and just

1051  
00:44:40,309 --> 00:44:37,319  
as I turned around and looked something

1052  
00:44:42,589 --> 00:44:40,319  
came up over the lip of that ditch

1053  
00:44:44,329 --> 00:44:42,599  
it was headed straight toward me I mean

1054  
00:44:46,849 --> 00:44:44,339  
it was kicking up the leaves in its wake

1055  
00:44:48,710 --> 00:44:46,859  
tree branch is a lot higher than my head

1056  
00:44:51,589 --> 00:44:48,720  
we're being knocked out of the way and

1057  
00:44:53,150 --> 00:44:51,599  
stuff but I couldn't see whatever it was

1058  
00:44:55,309 --> 00:44:53,160  
I could see the effect it was having on

1059  
00:44:57,589 --> 00:44:55,319  
everything I could feel the footfalls

1060  
00:45:00,470 --> 00:44:57,599  
but there was nothing there so I took

1061  
00:45:03,589 --> 00:45:00,480  
off down the hill running and screaming

1062  
00:45:06,290 --> 00:45:03,599  
uh I was probably maybe a quarter mile

1063  
00:45:07,910 --> 00:45:06,300

away from the house but uh my I was

1064

00:45:09,530 --> 00:45:07,920

making such a racket that my mom heard

1065

00:45:11,030 --> 00:45:09,540

me came out on the back porch to see

1066

00:45:13,250 --> 00:45:11,040

what I'd done this time

1067

00:45:14,930 --> 00:45:13,260

and uh I passed her up went inside and

1068

00:45:18,349 --> 00:45:14,940

hit under the furniture

1069

00:45:20,569 --> 00:45:18,359

and uh when uh she finally got me calmed

1070

00:45:23,630 --> 00:45:20,579

down I just like something that I

1071

00:45:25,250 --> 00:45:23,640

couldn't see chased me and uh not too

1072

00:45:26,750 --> 00:45:25,260

long after that my dad got home from

1073

00:45:28,550 --> 00:45:26,760

work and my brother just happened to

1074

00:45:30,170 --> 00:45:28,560

stop by he lived about two and a half

1075

00:45:34,069 --> 00:45:30,180

miles away

1076

00:45:36,230 --> 00:45:34,079

and uh I told them all about it and so

1077

00:45:39,530 --> 00:45:36,240

they went up there it was in Tennessee

1078

00:45:41,809 --> 00:45:39,540

uh the anguin song East Tennessee

1079

00:45:43,010 --> 00:45:41,819

so uh they went up there and looked sure

1080

00:45:44,870 --> 00:45:43,020

enough they could see where the ground

1081

00:45:47,150 --> 00:45:44,880

cover was Disturbed in the tree branches

1082

00:45:49,490 --> 00:45:47,160

were broken up high and

1083

00:45:52,010 --> 00:45:49,500

so they quizzed me was it a bear no was

1084

00:45:53,690 --> 00:45:52,020

it a deer no was it this was it that I

1085

00:45:55,970 --> 00:45:53,700

grew up in the woods I spent a lot of

1086

00:45:58,130 --> 00:45:55,980

time in the Smokies which was just an

1087

00:45:59,930 --> 00:45:58,140

hour away I knew what all those animals

1088

00:46:01,130 --> 00:45:59,940

looked like this was something I

1089

00:46:04,370 --> 00:46:01,140

couldn't see

1090

00:46:06,589 --> 00:46:04,380

so uh I never really went back up there

1091

00:46:08,089 --> 00:46:06,599

much I had a kid come home from school

1092

00:46:10,790 --> 00:46:08,099

with me one time I sent him up there

1093

00:46:12,710 --> 00:46:10,800

without telling him why John don't stand

1094

00:46:15,170 --> 00:46:12,720

up there for the ditch I'm going to hide

1095

00:46:17,510 --> 00:46:15,180

down here behind this tree so he walks

1096

00:46:19,609 --> 00:46:17,520

up there he's looking around

1097

00:46:21,470 --> 00:46:19,619

didn't bother him and I think I even

1098

00:46:24,470 --> 00:46:21,480

tried one time I walked up kind of close

1099

00:46:25,430 --> 00:46:24,480

to it and let him hide and watch nothing

1100

00:46:27,650 --> 00:46:25,440

happened

1101  
00:46:29,450 --> 00:46:27,660  
so I just avoided the place and

1102  
00:46:31,370 --> 00:46:29,460  
occasionally you know I would think back

1103  
00:46:34,550 --> 00:46:31,380  
about him I just I don't want to go back

1104  
00:46:35,750 --> 00:46:34,560  
to her well Flash Forward I'm 15 years

1105  
00:46:36,470 --> 00:46:35,760  
old we're getting ready to move from

1106  
00:46:39,710 --> 00:46:36,480  
there

1107  
00:46:42,410 --> 00:46:39,720  
we had sold that property

1108  
00:46:43,730 --> 00:46:42,420  
had been subdivided and we were moving

1109  
00:46:47,270 --> 00:46:43,740  
closer to where I was going to go to

1110  
00:46:48,950 --> 00:46:47,280  
high school it's about 20 miles away

1111  
00:46:50,630 --> 00:46:48,960  
and um

1112  
00:46:52,130 --> 00:46:50,640  
I was just kind of taking a walk around

1113  
00:46:53,390 --> 00:46:52,140

the old property because that was you

1114

00:46:55,609 --> 00:46:53,400

know that's where I grew up I grew up in

1115

00:46:58,849 --> 00:46:55,619

those woods I had forts there was an

1116

00:47:01,670 --> 00:46:58,859

abandoned graveyard uh just down the

1117

00:47:03,410 --> 00:47:01,680

hill was it had been the river one time

1118

00:47:05,690 --> 00:47:03,420

in the Tennessee Valley Authority dammed

1119

00:47:08,690 --> 00:47:05,700

it up and made a lake out of it but on

1120

00:47:11,210 --> 00:47:08,700

that property there were seven natural

1121

00:47:13,309 --> 00:47:11,220

springs six of them flowed out of

1122

00:47:15,710 --> 00:47:13,319

hillsides one was an Artesian spring

1123

00:47:17,750 --> 00:47:15,720

they came up those all flowed into a

1124

00:47:19,910 --> 00:47:17,760

bigger Creek and that flowed down into

1125

00:47:21,530 --> 00:47:19,920

the lake which was about 100 yards or so

1126

00:47:24,170 --> 00:47:21,540

away

1127

00:47:26,450 --> 00:47:24,180

so I'm just again having a look around

1128

00:47:28,970 --> 00:47:26,460

just about childhood haunts The Bee Tree

1129

00:47:32,210 --> 00:47:28,980

and my Forts and the the band and

1130

00:47:33,950 --> 00:47:32,220

graveyard and stuff and uh I walked back

1131

00:47:35,990 --> 00:47:33,960

up to the ditch and I just kind of

1132

00:47:39,530 --> 00:47:36,000

chuckled you know I'm 15 now I'm

1133

00:47:41,569 --> 00:47:39,540

not as it was more Fearless than I was

1134

00:47:43,130 --> 00:47:41,579

at eight anyway and I kind of looked

1135

00:47:45,230 --> 00:47:43,140

down in the ditch and I chuckled I said

1136

00:47:46,849 --> 00:47:45,240

what what that wasn't chased me though

1137

00:47:48,470 --> 00:47:46,859

all those years ago

1138

00:47:50,809 --> 00:47:48,480

and uh turned around started walking

1139

00:47:53,450 --> 00:47:50,819

back away from that I hear something

1140

00:47:55,490 --> 00:47:53,460

from me or something in the leaves I

1141

00:47:57,650 --> 00:47:55,500

turn around sure enough same exact thing

1142

00:47:59,870 --> 00:47:57,660

something came up over the lip of that

1143

00:48:01,370 --> 00:47:59,880

ditch that I could not say was headed

1144

00:48:03,710 --> 00:48:01,380

straight for me now I did run screaming

1145

00:48:05,690 --> 00:48:03,720

and crying that time but I didn't waste

1146

00:48:07,910 --> 00:48:05,700

any time getting out of there and that's

1147

00:48:10,849 --> 00:48:07,920

the last time I've ever ever been up

1148

00:48:13,910 --> 00:48:10,859

there that was I was 15 so that's been

1149

00:48:15,829 --> 00:48:13,920

for almost 45 years ago never went back

1150

00:48:18,829 --> 00:48:15,839

I'd like to go back sometime and just

1151

00:48:21,790 --> 00:48:18,839

see but there's more to this story

1152

00:48:24,650 --> 00:48:21,800

um Flash Forward a few more years I'm 21

1153

00:48:26,210 --> 00:48:24,660

I'm working in uh the Cedar Bluff area

1154

00:48:28,190 --> 00:48:26,220

of West Knoxville

1155

00:48:29,870 --> 00:48:28,200

and somebody that I worked with that I

1156

00:48:32,150 --> 00:48:29,880

just knew from work had invited me to a

1157

00:48:33,770 --> 00:48:32,160

party after work and I've never been

1158

00:48:36,589 --> 00:48:33,780

much of a party person but for whatever

1159

00:48:40,790 --> 00:48:36,599

reason I decided to go it was just down

1160

00:48:43,250 --> 00:48:40,800

the road at a apartment Place clubhouse

1161

00:48:44,510 --> 00:48:43,260

so I went and I said I only knew this

1162

00:48:46,010 --> 00:48:44,520

guy from work and didn't really even

1163

00:48:47,630 --> 00:48:46,020

know him from there

1164

00:48:50,270 --> 00:48:47,640

uh there's a bunch of people in

1165

00:48:52,370 --> 00:48:50,280

attendance and uh some girls came out

1166

00:48:54,230 --> 00:48:52,380

with a Ouija board I don't know if if

1167

00:48:56,390 --> 00:48:54,240

somebody brought it if they found it in

1168

00:48:58,730 --> 00:48:56,400

this Clubhouse or whatever so they get

1169

00:49:00,170 --> 00:48:58,740

it out that there's four and they're

1170

00:49:01,370 --> 00:49:00,180

they've got sitting with their knees

1171

00:49:03,530 --> 00:49:01,380

together and they're doing this thing

1172

00:49:05,690 --> 00:49:03,540

and they're going around the room asking

1173

00:49:07,430 --> 00:49:05,700

people different questions

1174

00:49:09,770 --> 00:49:07,440

well they get to me and I thought boy

1175

00:49:11,690 --> 00:49:09,780

I've got one for you and again bear in

1176  
00:49:14,329 --> 00:49:11,700  
mind I never told that story to anybody

1177  
00:49:16,250 --> 00:49:14,339  
outside my family I certainly didn't

1178  
00:49:19,730 --> 00:49:16,260  
tell it to the guy that I worked with or

1179  
00:49:21,530 --> 00:49:19,740  
anybody in attendance there but they've

1180  
00:49:23,510 --> 00:49:21,540  
got to me

1181  
00:49:25,609 --> 00:49:23,520  
and I said what scared me when I was a

1182  
00:49:27,829 --> 00:49:25,619  
child that's it that's the exact words

1183  
00:49:30,109 --> 00:49:27,839  
so the Ouija board does its thing it

1184  
00:49:32,750 --> 00:49:30,119  
starts making a figure eight and then it

1185  
00:49:35,690 --> 00:49:32,760  
spells out W hey

1186  
00:49:41,690 --> 00:49:35,700  
t e r

1187  
00:49:43,849 --> 00:49:41,700  
s p r i t e water Sprite

1188  
00:49:45,829 --> 00:49:43,859

they looked at me I just Shrugged my

1189

00:49:47,510 --> 00:49:45,839

shoulders and they started joking well

1190

00:49:50,030 --> 00:49:47,520

maybe the board's thirsty you want some

1191

00:49:52,069 --> 00:49:50,040

water and it wants a Sprite hahaha well

1192

00:49:53,510 --> 00:49:52,079

they moved on to somebody else but I

1193

00:49:56,690 --> 00:49:53,520

thought about that this was in the days

1194

00:49:58,069 --> 00:49:56,700

before the internet uh hey kathita Cat

1195

00:49:59,510 --> 00:49:58,079

great thanks for popping in she

1196

00:50:00,970 --> 00:49:59,520

spreading my

1197

00:50:03,230 --> 00:50:00,980

um

1198

00:50:04,730 --> 00:50:03,240

the next day that I was off which I

1199

00:50:06,710 --> 00:50:04,740

think was the next day

1200

00:50:08,630 --> 00:50:06,720

was why it agreed two years ago the

1201  
00:50:10,910 --> 00:50:08,640  
party I went to the big library in

1202  
00:50:13,190 --> 00:50:10,920  
downtown Knoxville and I went up to the

1203  
00:50:14,450 --> 00:50:13,200  
reference librarian and I said what can

1204  
00:50:17,690 --> 00:50:14,460  
you tell me

1205  
00:50:19,609 --> 00:50:17,700  
about a water Sprite or a water spirit

1206  
00:50:22,010 --> 00:50:19,619  
so I sit down at a table she goes off

1207  
00:50:23,809 --> 00:50:22,020  
into the stacks she comes back in a few

1208  
00:50:25,849 --> 00:50:23,819  
minutes and has these this big load of

1209  
00:50:28,730 --> 00:50:25,859  
books and drops them down and she

1210  
00:50:31,670 --> 00:50:28,740  
started showing me these things uh there

1211  
00:50:34,670 --> 00:50:31,680  
was a I I always get this confused it

1212  
00:50:36,170 --> 00:50:34,680  
was a nyad and a dryad and I think it

1213  
00:50:37,130 --> 00:50:36,180

was the nyad that's the spirit of the

1214

00:50:41,809 --> 00:50:37,140

water

1215

00:50:44,150 --> 00:50:41,819

spirit and then there's a dryad which is

1216

00:50:46,790 --> 00:50:44,160

an elemental type creature as well

1217

00:50:47,690 --> 00:50:46,800

that's a guardian of the woods into the

1218

00:50:49,670 --> 00:50:47,700

forest

1219

00:50:51,290 --> 00:50:49,680

and uh

1220

00:50:52,910 --> 00:50:51,300

according to the Ouija board what I

1221

00:50:54,650 --> 00:50:52,920

encountered with that those fall under

1222

00:50:57,170 --> 00:50:54,660

the umbrella of the Faye if you really

1223

00:51:00,170 --> 00:50:57,180

dig into the Fey the fairy folk and the

1224

00:51:01,910 --> 00:51:00,180

hierarchy there Elementals and water and

1225

00:51:03,049 --> 00:51:01,920

wood spirits and Things fall under the

1226

00:51:05,750 --> 00:51:03,059

umbrella that

1227

00:51:07,790 --> 00:51:05,760

so according to the Ouija board that was

1228

00:51:10,069 --> 00:51:07,800

funny folk that I encountered and I had

1229

00:51:11,750 --> 00:51:10,079

a water spirit or water Sprite

1230

00:51:14,690 --> 00:51:11,760

and I don't know why it didn't like me

1231

00:51:16,010 --> 00:51:14,700

because it never chased anybody else but

1232

00:51:17,990 --> 00:51:16,020

for whatever reason it didn't want to be

1233

00:51:19,750 --> 00:51:18,000

up there

1234

00:51:23,950 --> 00:51:19,760

true story

1235

00:51:28,549 --> 00:51:26,630

that's that is interesting

1236

00:51:30,950 --> 00:51:28,559

you have to wonder why it singled you

1237

00:51:33,290 --> 00:51:30,960

out that's yeah that's interesting well

1238

00:51:34,970 --> 00:51:33,300

I've always had experiences and stuff I

1239

00:51:37,250 --> 00:51:34,980

made from early early childhood like two

1240

00:51:39,109 --> 00:51:37,260

or three years old I saw things I heard

1241

00:51:41,150 --> 00:51:39,119

things I experienced things

1242

00:51:43,730 --> 00:51:41,160

and according to my grandmother on my

1243

00:51:46,069 --> 00:51:43,740

mom's side my maternal grandmother who

1244

00:51:47,569 --> 00:51:46,079

described herself as a gypsy witch now I

1245

00:51:50,450 --> 00:51:47,579

don't know where the Gypsy part came

1246

00:51:52,790 --> 00:51:50,460

from because she was born in the case

1247

00:51:54,770 --> 00:51:52,800

cover of the Great Smokies but I'm

1248

00:51:56,690 --> 00:51:54,780

thinking somewhere back in the lineage

1249

00:51:57,530 --> 00:51:56,700

there was an old country that they came

1250

00:52:01,010 --> 00:51:57,540

from

1251  
00:52:03,770 --> 00:52:01,020  
but um according to her she's the most

1252  
00:52:05,809 --> 00:52:03,780  
superstitious woman I ever met my mom

1253  
00:52:09,650 --> 00:52:05,819  
had a big family their 10 kids nine

1254  
00:52:11,150 --> 00:52:09,660  
brothers and and my mom was one girl so

1255  
00:52:12,710 --> 00:52:11,160  
she knew all the boy tricks I couldn't

1256  
00:52:15,290 --> 00:52:12,720  
get away with anything

1257  
00:52:17,329 --> 00:52:15,300  
but according to my Gypsy grandmother

1258  
00:52:19,910 --> 00:52:17,339  
now she told fortunes she read tea

1259  
00:52:22,069 --> 00:52:19,920  
leaves and coffee crowns and animal

1260  
00:52:23,569 --> 00:52:22,079  
entrails phrenology she could tell

1261  
00:52:25,490 --> 00:52:23,579  
things about your personality but the

1262  
00:52:28,910 --> 00:52:25,500  
bumps on your head kind of like

1263  
00:52:29,630 --> 00:52:28,920

palmistry but with your skull

1264

00:52:32,210 --> 00:52:29,640

um

1265

00:52:34,370 --> 00:52:32,220

out of all those uh Brothers uh there

1266

00:52:36,049 --> 00:52:34,380

was a lot of grandkids all of them were

1267

00:52:37,130 --> 00:52:36,059

married at least once some of them

1268

00:52:39,890 --> 00:52:37,140

several times

1269

00:52:42,170 --> 00:52:39,900

had one Uncle who's uh used to boast

1270

00:52:44,990 --> 00:52:42,180

that he had been married seven times to

1271

00:52:47,150 --> 00:52:45,000

Six Women the only mistake he ever made

1272

00:52:49,250 --> 00:52:47,160

and I was making the same one twice and

1273

00:52:51,170 --> 00:52:49,260

I'm not alone well sounds like you made

1274

00:52:54,170 --> 00:52:51,180

a few mistakes there

1275

00:52:57,890 --> 00:52:54,180

but uh anyway out of all those grandkids

1276

00:52:59,569 --> 00:52:57,900

I was the only one it's a big deal down

1277

00:53:02,809 --> 00:52:59,579

south especially if you're superstitious

1278

00:53:04,910 --> 00:53:02,819

I was born with a veil over my face a

1279

00:53:06,710 --> 00:53:04,920

call they called me a born in call all

1280

00:53:08,329 --> 00:53:06,720

this is the after birth the amniotic

1281

00:53:10,490 --> 00:53:08,339

sack it was still stretched over my head

1282

00:53:12,710 --> 00:53:10,500

when I came out and they had to cut it

1283

00:53:15,049 --> 00:53:12,720

away my granny got it and kept it I

1284

00:53:17,329 --> 00:53:15,059

don't know what she did with it she was

1285

00:53:19,910 --> 00:53:17,339

at my birth my mom they knocked her out

1286

00:53:22,430 --> 00:53:19,920

with a Twilight sleep or whatever they

1287

00:53:24,589 --> 00:53:22,440

used to give women back in the 60s but

1288

00:53:25,970 --> 00:53:24,599

uh my my granny with a midwife that if

1289

00:53:28,910 --> 00:53:25,980

they'd let her but they kind of made her

1290

00:53:32,450 --> 00:53:28,920

stay back she she had done that she had

1291

00:53:34,609 --> 00:53:32,460

birth babies but she got that after

1292

00:53:37,069 --> 00:53:34,619

birth the veil in cabinet is supposed to

1293

00:53:39,650 --> 00:53:37,079

have all kinds of powers and stuff but

1294

00:53:42,410 --> 00:53:39,660

in her superstitious mind that marked me

1295

00:53:45,290 --> 00:53:42,420

as a special child I had abilities I had

1296

00:53:47,569 --> 00:53:45,300

six cents I had third eye whatever again

1297

00:53:50,990 --> 00:53:47,579

I don't claim any powers and things but

1298

00:53:53,329 --> 00:53:51,000

I have been very aware of things such a

1299

00:53:55,849 --> 00:53:53,339

young age but uh

1300

00:53:57,829 --> 00:53:55,859

and just because of that and being the

1301  
00:54:00,349 --> 00:53:57,839  
only one born that way out of dozens and

1302  
00:54:04,089 --> 00:54:00,359  
dozens of grandkids she kind of took me

1303  
00:54:09,950 --> 00:54:06,410  
people born with a call over their face

1304  
00:54:11,870 --> 00:54:09,960  
are said to be psychic so that's what

1305  
00:54:14,930 --> 00:54:11,880  
she believed she didn't call it psychic

1306  
00:54:16,609 --> 00:54:14,940  
but and uh she had ways of knowing

1307  
00:54:19,130 --> 00:54:16,619  
things that that she had no way of

1308  
00:54:21,650 --> 00:54:19,140  
knowing too she was scary

1309  
00:54:24,049 --> 00:54:21,660  
uh she looked like a wiz she looked like

1310  
00:54:25,809 --> 00:54:24,059  
a Grimm brother's fairy tale witch to me

1311  
00:54:28,790 --> 00:54:25,819  
when I was little I was terrified of her

1312  
00:54:30,890 --> 00:54:28,800  
but uh she passed away when I was 13 I'd

1313  
00:54:31,849 --> 00:54:30,900

give anything I had 13 more years with

1314

00:54:38,030 --> 00:54:31,859

her

1315

00:54:39,710 --> 00:54:38,040

funeral to start writing these books and

1316

00:54:41,690 --> 00:54:39,720

cataloging these stories of the weird

1317

00:54:44,270 --> 00:54:41,700

and Supernatural because

1318

00:54:46,609 --> 00:54:44,280

she knew all of them

1319

00:54:49,190 --> 00:54:46,619

but uh maybe it was just like a little

1320

00:54:50,150 --> 00:54:49,200

nudge from her on the other side I think

1321

00:54:53,510 --> 00:54:50,160

it was

1322

00:54:55,970 --> 00:54:53,520

and uh again she she can read my mind I

1323

00:54:58,730 --> 00:54:55,980

thought it was uh we used to have to

1324

00:55:00,349 --> 00:54:58,740

pass by a house where years before

1325

00:55:02,450 --> 00:55:00,359

kids have been playing in the yard one

1326  
00:55:04,250 --> 00:55:02,460  
kid chased a ball onto the highway and

1327  
00:55:06,230 --> 00:55:04,260  
got killed on the spot

1328  
00:55:07,609 --> 00:55:06,240  
and that had been a cautionary tale for

1329  
00:55:09,049 --> 00:55:07,619  
me you know that's why you don't chase a

1330  
00:55:11,870 --> 00:55:09,059  
ball into the street

1331  
00:55:13,490 --> 00:55:11,880  
but anytime we went by there I could

1332  
00:55:15,710 --> 00:55:13,500  
could feel something like a little

1333  
00:55:17,210 --> 00:55:15,720  
tingle or something one particular

1334  
00:55:19,130 --> 00:55:17,220  
evening we were on the way to Granny's

1335  
00:55:20,630 --> 00:55:19,140  
house mamaw we called I was on the way

1336  
00:55:22,370 --> 00:55:20,640  
to Mama's house

1337  
00:55:24,109 --> 00:55:22,380  
and I was laying in the backseat reading

1338  
00:55:27,230 --> 00:55:24,119

a comic book this was

1339

00:55:30,349 --> 00:55:27,240

late 60s nobody cared about seat belts

1340

00:55:31,670 --> 00:55:30,359

and uh I felt a little tangle and I

1341

00:55:33,890 --> 00:55:31,680

looked up I raised up and looked sure

1342

00:55:35,270 --> 00:55:33,900

enough we're passing by that house so I

1343

00:55:36,650 --> 00:55:35,280

just went back to my comic book didn't

1344

00:55:39,410 --> 00:55:36,660

say a word about it didn't say anything

1345

00:55:41,930 --> 00:55:39,420

to my parents we get there it's about 25

1346

00:55:43,910 --> 00:55:41,940

minute ride my mom data carrying stuff

1347

00:55:46,069 --> 00:55:43,920

in she whisked me off into her quilting

1348

00:55:48,890 --> 00:55:46,079

room she lived in a big old Victorian

1349

00:55:50,690 --> 00:55:48,900

farmhouse in this quilting room had once

1350

00:55:52,130 --> 00:55:50,700

been a formal dining room but she was

1351  
00:55:53,990 --> 00:55:52,140  
sitting there in the wintertime and

1352  
00:55:55,130 --> 00:55:54,000  
hand-piece quilts together and that's

1353  
00:55:57,710 --> 00:55:55,140  
where she would always take because

1354  
00:55:59,089 --> 00:55:57,720  
she'd go there and draw the curtains so

1355  
00:56:02,329 --> 00:55:59,099  
they didn't have a door but it hadn't

1356  
00:56:04,010 --> 00:56:02,339  
curd over the door right and she was

1357  
00:56:06,530 --> 00:56:04,020  
trying to she would tell me these things

1358  
00:56:09,049 --> 00:56:06,540  
and teach me these superstitions or

1359  
00:56:11,510 --> 00:56:09,059  
sayings or how to

1360  
00:56:13,190 --> 00:56:11,520  
keep good luck coming and how to Ward

1361  
00:56:15,290 --> 00:56:13,200  
bad luck off how to get rid of the evil

1362  
00:56:17,329 --> 00:56:15,300  
eye all this and if I could repeat it

1363  
00:56:19,690 --> 00:56:17,339

back to her satisfaction she would

1364

00:56:22,370 --> 00:56:19,700

reward me usually with a Hershey bar or

1365

00:56:24,829 --> 00:56:22,380

sometimes a crisp no dollar bill and

1366

00:56:26,329 --> 00:56:24,839

back in the late 60s a dollar bill is a

1367

00:56:28,190 --> 00:56:26,339

lot of money I could buy five or six

1368

00:56:29,450 --> 00:56:28,200

comic books and still have enough for an

1369

00:56:33,530 --> 00:56:29,460

icy

1370

00:56:35,870 --> 00:56:33,540

but uh that's how she bought my silence

1371

00:56:38,450 --> 00:56:35,880

but uh that particular evening she was

1372

00:56:40,370 --> 00:56:38,460

talking to me about how you feel things

1373

00:56:43,309 --> 00:56:40,380

sometimes you just do have a feeling you

1374

00:56:45,109 --> 00:56:43,319

have that gut feeling or whatever and I

1375

00:56:47,270 --> 00:56:45,119

was misinterpreting her I was you know I

1376

00:56:49,549 --> 00:56:47,280

was seven years old eight years old

1377

00:56:51,470 --> 00:56:49,559

and I said yeah I feel I have feelings

1378

00:56:54,309 --> 00:56:51,480

you can hurt my feelings you can pinch

1379

00:56:57,829 --> 00:56:54,319

me and I feel that and she said no no no

1380

00:57:00,710 --> 00:56:57,839

she says Stevie I mean you feel things

1381

00:57:02,049 --> 00:57:00,720

like that spot on the highway all the

1382

00:57:04,549 --> 00:57:02,059

way here tonight

1383

00:57:06,950 --> 00:57:04,559

and you could have knocked me over with

1384

00:57:09,470 --> 00:57:06,960

a feather I didn't say a word about that

1385

00:57:12,290 --> 00:57:09,480

to anybody but she's not like scary or

1386

00:57:15,950 --> 00:57:12,300

anything it's like she's in my head she

1387

00:57:18,650 --> 00:57:15,960

can read my mind oh my God but uh I met

1388

00:57:20,150 --> 00:57:18,660

a lady much later in life she was

1389

00:57:22,430 --> 00:57:20,160

elderly at that time she's passed away

1390

00:57:24,829 --> 00:57:22,440

now but when she was in high school her

1391

00:57:26,510 --> 00:57:24,839

and two other girls had walked to go see

1392

00:57:28,790 --> 00:57:26,520

Mama Bessie that's what everybody in the

1393

00:57:31,430 --> 00:57:28,800

community called her to get their

1394

00:57:34,670 --> 00:57:31,440

fortunes told and this particular lady

1395

00:57:36,530 --> 00:57:34,680

her name was Anna said she's deceased

1396

00:57:38,270 --> 00:57:36,540

for years and years now but they were

1397

00:57:40,370 --> 00:57:38,280

they had to walk a couple of miles to

1398

00:57:41,930 --> 00:57:40,380

get to where my grandmother lived and on

1399

00:57:43,430 --> 00:57:41,940

the way there Anna's just kind of joking

1400

00:57:45,829 --> 00:57:43,440

with the other girls like I think it's a

1401  
00:57:47,630 --> 00:57:45,839  
bunch of hooley that a woman's full of it

1402  
00:57:50,150 --> 00:57:47,640  
I don't believe it I'll go along with it

1403  
00:57:52,190 --> 00:57:50,160  
but I'm not going to put any stock in it

1404  
00:57:53,750 --> 00:57:52,200  
well they get there they knock on the

1405  
00:57:55,790 --> 00:57:53,760  
door my Grandma comes to the door and

1406  
00:57:57,170 --> 00:57:55,800  
Grandma Bessie we're here to get our

1407  
00:57:59,210 --> 00:57:57,180  
fortunes told

1408  
00:58:01,790 --> 00:57:59,220  
and she looks them over and she says

1409  
00:58:04,069 --> 00:58:01,800  
I'll tell your fortune and I'll tell

1410  
00:58:05,690 --> 00:58:04,079  
your fortune but I won't tell yours

1411  
00:58:07,990 --> 00:58:05,700  
because you don't believe me and you

1412  
00:58:10,670 --> 00:58:08,000  
mocked me

1413  
00:58:12,650 --> 00:58:10,680

and Anna said the same thing as me I

1414

00:58:14,270 --> 00:58:12,660

said I could have I wanted to dig a hole

1415

00:58:15,530 --> 00:58:14,280

and crawl in it there's no way she could

1416

00:58:17,870 --> 00:58:15,540

have heard what I said because we were

1417

00:58:21,910 --> 00:58:17,880

miles away and on the way there when I

1418

00:58:24,950 --> 00:58:21,920

said that but somehow she knew who knows

1419

00:58:27,530 --> 00:58:24,960

but uh she she had powers that's very

1420

00:58:29,569 --> 00:58:27,540

good she must have been very good

1421

00:58:31,750 --> 00:58:29,579

well I talked about her reading animal

1422

00:58:37,789 --> 00:58:31,760

entrails

1423

00:58:40,789 --> 00:58:37,799

from her yeah uh I would too now but uh

1424

00:58:42,589 --> 00:58:40,799

they had a dairy farm and they also uh

1425

00:58:46,069 --> 00:58:42,599

truck formed they raised produce and

1426

00:58:47,569 --> 00:58:46,079

then they also raised uh Hogs and every

1427

00:58:50,150 --> 00:58:47,579

year in the fall when they slaughtered

1428

00:58:51,349 --> 00:58:50,160

Hogs she would pick out one that she

1429

00:58:53,870 --> 00:58:51,359

called hers

1430

00:58:56,210 --> 00:58:53,880

and when they slaughtered that one she

1431

00:58:58,970 --> 00:58:56,220

would poke around in its entrails with a

1432

00:59:01,309 --> 00:58:58,980

stick and then she would predict what

1433

00:59:03,829 --> 00:59:01,319

next year's crop season would be like

1434

00:59:07,670 --> 00:59:03,839

like no corn ain't gonna be no good this

1435

00:59:11,270 --> 00:59:07,680

year but tobacco looks good and and my

1436

00:59:14,390 --> 00:59:11,280

uncle's swore that she was more accurate

1437

00:59:16,190 --> 00:59:14,400

to the Old Farmer's Almanac which people

1438

00:59:18,530 --> 00:59:16,200

in the South if you are a farmer you

1439

00:59:20,809 --> 00:59:18,540

lived and died by that book

1440

00:59:22,910 --> 00:59:20,819

and at their house even it hung on a

1441

00:59:25,130 --> 00:59:22,920

nail in the kitchen they'd be sitting

1442

00:59:26,809 --> 00:59:25,140

around the table having dinner and they

1443

00:59:29,210 --> 00:59:26,819

would pull that down and look at things

1444

00:59:30,829 --> 00:59:29,220

in the Old Farmer's Almanac but

1445

00:59:32,710 --> 00:59:30,839

according to my uncle she was more

1446

00:59:35,390 --> 00:59:32,720

accurate to the Old Farmers Almanac so

1447

00:59:38,630 --> 00:59:35,400

whatever gifts or power she had she was

1448

00:59:43,849 --> 00:59:41,089

yeah she sounds like an amazing woman

1449

00:59:46,490 --> 00:59:43,859

she really does she was like I said I

1450

00:59:50,210 --> 00:59:46,500

just I wish I had been so scared of her

1451

00:59:51,650 --> 00:59:50,220

when I was uh when I was younger

1452

00:59:53,870 --> 00:59:51,660

and I get ready Progressive they

1453

00:59:55,730 --> 00:59:53,880

slaughtered those in the fall after the

1454

00:59:58,010 --> 00:59:55,740

first Frost I don't know but maybe

1455

00:59:59,870 --> 00:59:58,020

that's just the way they did it but

1456

01:00:03,349 --> 00:59:59,880

after the first Frost was when they saw

1457

01:00:05,329 --> 01:00:03,359

their dogs the first hard hard Frost

1458

01:00:08,390 --> 01:00:05,339

uh somebody's asking us a missing person

1459

01:00:10,010 --> 01:00:08,400

number and yes I I believe it has I

1460

01:00:12,770 --> 01:00:10,020

don't have any figures in front of me I

1461

01:00:15,890 --> 01:00:12,780

don't know if it's risen that much or if

1462

01:00:17,210 --> 01:00:15,900

we're just more aware of it but I looked

1463

01:00:18,109 --> 01:00:17,220

it up here earlier when I saw that

1464

01:00:19,609 --> 01:00:18,119

question

1465

01:00:21,170 --> 01:00:19,619

according to the National Crime

1466

01:00:24,049 --> 01:00:21,180

information center missing person has

1467

01:00:27,190 --> 01:00:24,059

identified missing person files

1468

01:00:30,010 --> 01:00:27,200

for the 2021 operational year

1469

01:00:32,870 --> 01:00:30,020

521

1470

01:00:34,430 --> 01:00:32,880

74705 people were reported missing in

1471

01:00:37,549 --> 01:00:34,440

2021.

1472

01:00:40,250 --> 01:00:37,559

moreover 93 000 of those who remained

1473

01:00:43,370 --> 01:00:40,260

actively missing at the start of 2022.

1474

01:00:44,870 --> 01:00:43,380

so it looks like it is going up now some

1475

01:00:47,450 --> 01:00:44,880

of those figures can be misleading

1476

01:00:49,069 --> 01:00:47,460

because they count runaways people that

1477

01:00:51,349 --> 01:00:49,079

have disappeared multiple times people

1478

01:00:54,890 --> 01:00:51,359

that are found will still be in there

1479

01:00:56,510 --> 01:00:54,900

sometimes it seems to be going up but

1480

01:00:58,510 --> 01:00:56,520

again

1481

01:01:01,250 --> 01:00:58,520

who's to say

1482

01:01:03,349 --> 01:01:01,260

excuse me yeah

1483

01:01:06,890 --> 01:01:03,359

because the misreporting the linkage

1484

01:01:08,569 --> 01:01:06,900

blindness between agencies and stuff uh

1485

01:01:11,030 --> 01:01:08,579

yeah that that would be a good one to do

1486

01:01:14,210 --> 01:01:11,040

I've talked to a lot of people that have

1487

01:01:15,950 --> 01:01:14,220

worked in those uh fields that have uh

1488

01:01:19,250 --> 01:01:15,960

ghost stories and paranormal encounters

1489

01:01:22,130 --> 01:01:19,260

and stuff uh my daughter's mother was a

1490

01:01:24,589 --> 01:01:22,140

an RN and she worked in emergency rooms

1491

01:01:27,829 --> 01:01:24,599

and stuff she's awesome stuff same with

1492

01:01:29,150 --> 01:01:27,839

First Responders police officers uh that

1493

01:01:34,329 --> 01:01:29,160

that would be that there's probably a

1494

01:01:41,089 --> 01:01:38,690

and so the stories she told me were just

1495

01:01:43,789 --> 01:01:41,099

crazy from the hospital that's amazing

1496

01:01:45,770 --> 01:01:43,799

and all those people will tell you that

1497

01:01:47,930 --> 01:01:45,780

it's worse during a full moon too

1498

01:01:50,990 --> 01:01:47,940

people get crazier during a full moon

1499

01:01:53,569 --> 01:01:51,000

that's where you get lunatic but a same

1500

01:01:54,609 --> 01:01:53,579

person is also asking uh to use any

1501  
01:01:57,349 --> 01:01:54,619  
definition

1502  
01:01:58,910 --> 01:01:57,359  
it's easy for me to say intimidation

1503  
01:02:00,049 --> 01:01:58,920  
techniques in your work you learn from

1504  
01:02:02,750 --> 01:02:00,059  
your grandmother

1505  
01:02:05,390 --> 01:02:02,760  
not really I've done uh I can do the

1506  
01:02:09,349 --> 01:02:05,400  
pyramids or the pendulum psychometry

1507  
01:02:11,510 --> 01:02:09,359  
I've tried that like map dowsing to as

1508  
01:02:13,549 --> 01:02:11,520  
far as locating missing people but I

1509  
01:02:15,349 --> 01:02:13,559  
haven't had much success with it I do

1510  
01:02:17,089 --> 01:02:15,359  
have dreams about

1511  
01:02:17,990 --> 01:02:17,099  
where people could be found but that's

1512  
01:02:21,589 --> 01:02:18,000  
one of those things you have to be

1513  
01:02:22,789 --> 01:02:21,599

careful with uh I read about a case one

1514

01:02:24,589 --> 01:02:22,799

million poor lady that was so

1515

01:02:26,809 --> 01:02:24,599

purportedly psychic

1516

01:02:28,569 --> 01:02:26,819

had a vision of where this person would

1517

01:02:32,329 --> 01:02:28,579

be found and she reported to the police

1518

01:02:34,010 --> 01:02:32,339

the person was deceased found exactly or

1519

01:02:36,530 --> 01:02:34,020

she described exactly in the position

1520

01:02:38,089 --> 01:02:36,540

she described and everything and they

1521

01:02:39,650 --> 01:02:38,099

actually took her in and questioned her

1522

01:02:41,750 --> 01:02:39,660

as a suspect

1523

01:02:44,390 --> 01:02:41,760

I mean you're telling all this to police

1524

01:02:46,450 --> 01:02:44,400

and you pinpoint it exactly and then it

1525

01:02:49,250 --> 01:02:46,460

makes you look like a suspect

1526

01:02:52,309 --> 01:02:49,260

but uh I've tried pedal knocking water

1527

01:02:55,069 --> 01:02:52,319

now so water witch I could find water

1528

01:02:57,349 --> 01:02:55,079

with a willow uh Branch my dad taught me

1529

01:03:00,410 --> 01:02:57,359

how to do that he was good at it and I

1530

01:03:02,870 --> 01:03:00,420

tried for not to work I held that Branch

1531

01:03:05,150 --> 01:03:02,880

just as tight as I possibly could with

1532

01:03:08,030 --> 01:03:05,160

the fork of that was pointing down so

1533

01:03:10,130 --> 01:03:08,040

hard it was green I just cut it the fork

1534

01:03:12,170 --> 01:03:10,140

of that Branch dipped down or the the

1535

01:03:14,030 --> 01:03:12,180

point of that Branch I was holding the

1536

01:03:16,970 --> 01:03:14,040

fork there's a certain way you have to

1537

01:03:19,190 --> 01:03:16,980

hold it but it it pulled the bark off in

1538

01:03:21,049 --> 01:03:19,200

my hands that's how determined it was to

1539

01:03:23,650 --> 01:03:21,059

point down but I'm trying everything I

1540

01:03:27,049 --> 01:03:23,660

can do to keep it held up

1541

01:03:28,849 --> 01:03:27,059

but uh I can also uh I used to read

1542

01:03:31,309 --> 01:03:28,859

cards I could read tarot cards but I

1543

01:03:33,470 --> 01:03:31,319

don't do it anymore there's there's uh

1544

01:03:35,150 --> 01:03:33,480

some bad karma some negative energy or

1545

01:03:36,770 --> 01:03:35,160

something that goes along with that now

1546

01:03:38,750 --> 01:03:36,780

the oracle cards I could do those and

1547

01:03:40,730 --> 01:03:38,760

they don't seem to bother me but uh my

1548

01:03:43,309 --> 01:03:40,740

grandmother would not touch tarot cards

1549

01:03:45,530 --> 01:03:43,319

she had she took just a regular deck of

1550

01:03:47,990 --> 01:03:45,540

playing cards and added her own images

1551

01:03:50,390 --> 01:03:48,000

to them which is basically what a dinner

1552

01:03:52,910 --> 01:03:50,400

mod deck is if you know about card

1553

01:03:54,349 --> 01:03:52,920

readings but uh she liked just the old

1554

01:03:57,470 --> 01:03:54,359

playing cards

1555

01:03:59,329 --> 01:03:57,480

and uh I had good success with those and

1556

01:04:01,789 --> 01:03:59,339

like I said I could read the tarot a lot

1557

01:04:04,309 --> 01:04:01,799

of times I didn't even need the cards uh

1558

01:04:06,109 --> 01:04:04,319

I used to read for people and I had a

1559

01:04:08,089 --> 01:04:06,119

girl walk in my door one time and I

1560

01:04:09,530 --> 01:04:08,099

didn't let her get all the way in I'm

1561

01:04:11,329 --> 01:04:09,540

like I don't need to read the cards he's

1562

01:04:13,490 --> 01:04:11,339

cheating on you and she's just like

1563

01:04:15,170 --> 01:04:13,500

how'd you know what I was gonna ask it's

1564

01:04:18,049 --> 01:04:15,180

just it was written all over your face

1565

01:04:20,150 --> 01:04:18,059

of course a lot of that is just a skill

1566

01:04:22,609 --> 01:04:20,160

of observing people and body language

1567

01:04:24,890 --> 01:04:22,619

and I'm cold read a person you think I

1568

01:04:26,270 --> 01:04:24,900

can read you mine but I'm just it's like

1569

01:04:28,490 --> 01:04:26,280

these guys that play poker

1570

01:04:30,530 --> 01:04:28,500

professionally there's tales that you

1571

01:04:32,089 --> 01:04:30,540

look for in people it's the same way

1572

01:04:34,190 --> 01:04:32,099

with reading people and their

1573

01:04:35,990 --> 01:04:34,200

personality it's not a parlor trick or

1574

01:04:39,109 --> 01:04:36,000

something it's just something I know how

1575

01:04:39,119 --> 01:05:07,450

foreign

1576

01:05:11,690 --> 01:05:10,609

I put myself to sleep before editing

1577

01:05:14,270 --> 01:05:11,700

audio

1578

01:05:16,370 --> 01:05:14,280

listening to myself the playback I've

1579

01:05:18,589 --> 01:05:16,380

dozed off at my keyboard and listened to

1580

01:05:21,530 --> 01:05:18,599

me drawn on and on

1581

01:05:22,970 --> 01:05:21,540

but no it's not you so if I look sort of

1582

01:05:24,049 --> 01:05:22,980

Frozen I probably have because I've been

1583

01:05:25,370 --> 01:05:24,059

having a little trouble with our

1584

01:05:28,609 --> 01:05:25,380

internet

1585

01:05:31,549 --> 01:05:28,619

um no I I return cards as well I do the

1586

01:05:33,410 --> 01:05:31,559

Gypsy witch cards mostly and I'm

1587

01:05:36,109 --> 01:05:33,420

familiar I've got my grandmother had

1588

01:05:37,970 --> 01:05:36,119

those two I've got the deck that that

1589

01:05:39,829 --> 01:05:37,980

she bought back in the 20s or the 30s

1590

01:05:41,569 --> 01:05:39,839

those have been around that long maybe

1591

01:05:43,309 --> 01:05:41,579

that's where she got the Gypsy witch

1592

01:05:46,730 --> 01:05:43,319

thing but I love those cards I've got

1593

01:05:48,109 --> 01:05:46,740

her deck I've got it wrapped in uh a

1594

01:05:50,690 --> 01:05:48,119

piece of velvet and put away I don't

1595

01:05:52,849 --> 01:05:50,700

don't touch or handle those but I've got

1596

01:05:55,670 --> 01:05:52,859

a new the newer version of those but

1597

01:05:58,490 --> 01:05:55,680

I've got her original cards

1598

01:06:00,410 --> 01:05:58,500

yeah my original cards like we had moved

1599

01:06:02,150 --> 01:06:00,420

a few times I had lost those so I have a

1600

01:06:05,150 --> 01:06:02,160

newer deck but I'm still very good at

1601  
01:06:06,829 --> 01:06:05,160  
those I had um these are my mom's cards

1602  
01:06:08,450 --> 01:06:06,839  
that I had taken when I first got into

1603  
01:06:12,349 --> 01:06:08,460  
reading

1604  
01:06:14,390 --> 01:06:12,359  
they were Lenore Monday cards and

1605  
01:06:17,890 --> 01:06:14,400  
they're very little and they have like a

1606  
01:06:21,109 --> 01:06:17,900  
rhyme on them so yeah

1607  
01:06:22,430 --> 01:06:21,119  
anytime I would do them yeah anytime I

1608  
01:06:26,089 --> 01:06:22,440  
would do these cards they would always

1609  
01:06:28,370 --> 01:06:26,099  
tell me bad things every time and then

1610  
01:06:30,109 --> 01:06:28,380  
there's a negative attractions to stuff

1611  
01:06:33,049 --> 01:06:30,119  
like that that's why I had to quit tarot

1612  
01:06:34,910 --> 01:06:33,059  
I started having these dreams where I

1613  
01:06:37,370 --> 01:06:34,920

was standing on the beach and there was

1614

01:06:40,549 --> 01:06:37,380

this black wave of water but it was

1615

01:06:42,230 --> 01:06:40,559

frozen and it's I mean 50 feet tall and

1616

01:06:44,450 --> 01:06:42,240

I'm standing there about this big on the

1617

01:06:46,849 --> 01:06:44,460

beach and I'm thinking when that wave

1618

01:06:49,250 --> 01:06:46,859

falls out it's gonna pound me down into

1619

01:06:51,109 --> 01:06:49,260

the sand but it was Pitch Black and it

1620

01:06:53,270 --> 01:06:51,119

was all this negativity that I was

1621

01:06:55,670 --> 01:06:53,280

negative energy that was somehow getting

1622

01:06:58,970 --> 01:06:55,680

off these people that I was reading for

1623

01:07:00,770 --> 01:06:58,980

guess I had to quit doing it but uh suji

1624

01:07:02,630 --> 01:07:00,780

says the cards are just a tool you use

1625

01:07:04,490 --> 01:07:02,640

to learn to folk after a while you don't

1626

01:07:08,089 --> 01:07:04,500

need the cards anymore that is

1627

01:07:10,849 --> 01:07:08,099

absolutely true to me the cards were a

1628

01:07:13,190 --> 01:07:10,859

concrete tool to express an abstract

1629

01:07:14,630 --> 01:07:13,200

concept to another person I mean if you

1630

01:07:15,710 --> 01:07:14,640

walk in and I'm just telling you these

1631

01:07:18,049 --> 01:07:15,720

things you're thinking yeah right he's

1632

01:07:21,349 --> 01:07:18,059

full of crap but if I sit down and I do

1633

01:07:23,029 --> 01:07:21,359

a certain layout uh Celtic cross or

1634

01:07:25,789 --> 01:07:23,039

something and it shows up in the cards

1635

01:07:27,829 --> 01:07:25,799

not only validates not only validates

1636

01:07:30,230 --> 01:07:27,839

what I knew but it shows it to the

1637

01:07:33,470 --> 01:07:30,240

person in a way that they can believe so

1638

01:07:36,829 --> 01:07:33,480

you are absolutely correct that

1639

01:07:38,630 --> 01:07:36,839

yeah those Lenore cards or little

1640

01:07:41,630 --> 01:07:38,640

Normandy cards I think they were just

1641

01:07:44,210 --> 01:07:41,640

mischievous cards like they just they

1642

01:07:47,390 --> 01:07:44,220

always did that before I would go the

1643

01:07:49,370 --> 01:07:47,400

first deck I ever bought was nothing but

1644

01:07:51,289 --> 01:07:49,380

bad luck with it and I was working a

1645

01:07:53,150 --> 01:07:51,299

public job at the time I lost my job I

1646

01:07:56,029 --> 01:07:53,160

had to move to another house I got rid

1647

01:07:58,490 --> 01:07:56,039

of that deck and uh that then everything

1648

01:08:00,470 --> 01:07:58,500

kind of turned around and I've had decks

1649

01:08:01,730 --> 01:08:00,480

since then that haven't bother me but

1650

01:08:04,069 --> 01:08:01,740

there's something about that one

1651

01:08:06,289 --> 01:08:04,079

particular day and it was a new deck I

1652

01:08:08,270 --> 01:08:06,299

mean I would never buy a used deck of

1653

01:08:10,069 --> 01:08:08,280

cards that people do you can cleanse

1654

01:08:12,049 --> 01:08:10,079

them you can Sage them smudge them storm

1655

01:08:13,849 --> 01:08:12,059

with crystals and clean anything off of

1656

01:08:16,130 --> 01:08:13,859

them that's ever been there and I do

1657

01:08:18,890 --> 01:08:16,140

that with a new deck anyway and then I

1658

01:08:21,890 --> 01:08:18,900

cleaned my own sometimes as to you want

1659

01:08:28,870 --> 01:08:21,900

to get your own uh whatever leftovers

1660

01:08:34,010 --> 01:08:31,789

wire he could find an underground pipe

1661

01:08:35,990 --> 01:08:34,020

he could find water he didn't he didn't

1662

01:08:38,329 --> 01:08:36,000

need anything really other than some

1663

01:08:39,890 --> 01:08:38,339

type of wire some type of I had the rods

1664

01:08:42,530 --> 01:08:39,900

I had professional rods made out of

1665

01:08:44,570 --> 01:08:42,540

brass and copper but he could do just as

1666

01:08:46,729 --> 01:08:44,580

well if not better with two bed coat

1667

01:08:48,590 --> 01:08:46,739

hangers so I'm sorry I keep talking I

1668

01:08:51,169 --> 01:08:48,600

hope you burned it there's a there's a

1669

01:08:54,769 --> 01:08:51,179

delay there sometimes at night and I

1670

01:08:54,779 --> 01:08:59,749

Oh no you're fun it's okay

1671

01:09:04,010 --> 01:09:02,990

you're the host you graciously had me in

1672

01:09:06,709 --> 01:09:04,020

here I'm not going to come into your

1673

01:09:08,209 --> 01:09:06,719

house and put my feet on the furniture

1674

01:09:10,309 --> 01:09:08,219

oh it's fun

1675

01:09:13,189 --> 01:09:10,319

I would wouldn't care if you did trust

1676

01:09:18,650 --> 01:09:16,610

um so do it I'm going to put this up

1677

01:09:21,530 --> 01:09:18,660

because somebody how about you tell

1678

01:09:24,110 --> 01:09:21,540

every second uh the the easiest way that

1679

01:09:25,610 --> 01:09:24,120

I've got a lake tree uh I think that you

1680

01:09:27,890 --> 01:09:25,620

pin that in the chatter just put it in

1681

01:09:30,530 --> 01:09:27,900

the chat but that's the easiest way to

1682

01:09:32,329 --> 01:09:30,540

find me I've got uh five new channels

1683

01:09:34,610 --> 01:09:32,339

well at the very top but I'm gonna also

1684

01:09:36,169 --> 01:09:34,620

put these up too yeah there's a true

1685

01:09:38,870 --> 01:09:36,179

crime breakdown that one's just getting

1686

01:09:40,249 --> 01:09:38,880

started uh here's my like tree well I'm

1687

01:09:41,870 --> 01:09:40,259

gonna let me put it in the chat but

1688

01:09:45,650 --> 01:09:41,880

maybe somebody can approve that there

1689

01:09:47,450 --> 01:09:45,660

it'll hold it go ahead yeah but uh among

1690

01:09:49,249 --> 01:09:47,460

the missing is my missing person Channel

1691

01:09:51,829 --> 01:09:49,259

that's one that's really blasted off

1692

01:09:54,350 --> 01:09:51,839

about six weeks I've already got over 61

1693

01:09:56,209 --> 01:09:54,360

000 subs thank you everybody and that

1694

01:09:57,830 --> 01:09:56,219

was I mean I took that other channel I

1695

01:09:59,750 --> 01:09:57,840

started over there didn't even have ten

1696

01:10:01,250 --> 01:09:59,760

thousand I don't think in about two

1697

01:10:03,229 --> 01:10:01,260

years time I built that to over a

1698

01:10:05,810 --> 01:10:03,239

quarter million with people were there

1699

01:10:07,430 --> 01:10:05,820

to hear me and uh the way it went down

1700

01:10:09,830 --> 01:10:07,440

that was my biggest regret I never got

1701  
01:10:11,270 --> 01:10:09,840  
to tell anybody bye nobody was ever told

1702  
01:10:13,490 --> 01:10:11,280  
her they could find anything and there's

1703  
01:10:15,410 --> 01:10:13,500  
just been through blind look and a red

1704  
01:10:18,410 --> 01:10:15,420  
and thread that I have those 60 thousand

1705  
01:10:20,689 --> 01:10:18,420  
but I'll have a lot more once people

1706  
01:10:23,570 --> 01:10:20,699  
find out where I'm at so spread the word

1707  
01:10:25,310 --> 01:10:23,580  
there help me out I appreciate it uh 13

1708  
01:10:27,950 --> 01:10:25,320  
past midnight that's my paranormal

1709  
01:10:29,810 --> 01:10:27,960  
channel uh saucer cult that's my UFO

1710  
01:10:30,350 --> 01:10:29,820  
Channel

1711  
01:10:33,050 --> 01:10:30,360  
um

1712  
01:10:34,910 --> 01:10:33,060  
I have to think so I'm doing this is all

1713  
01:10:37,550 --> 01:10:34,920

a one-man show I do everything he said

1714

01:10:39,050 --> 01:10:37,560

except the writing and then my fiance

1715

01:10:40,070 --> 01:10:39,060

helps me with some of the back office

1716

01:10:42,410 --> 01:10:40,080

stuff

1717

01:10:44,810 --> 01:10:42,420

uh but um

1718

01:10:48,050 --> 01:10:44,820

Insomniac Radio Theater that's that's

1719

01:10:53,510 --> 01:10:50,750

uh among the missing uh True Crime

1720

01:10:55,130 --> 01:10:53,520

breakdown 13 past midnight Insomniac

1721

01:10:57,649 --> 01:10:55,140

Radio Theater South Circle yeah that's

1722

01:10:59,450 --> 01:10:57,659

fine and I've actually got a comedy

1723

01:11:00,770 --> 01:10:59,460

channel waiting in the wings but that's

1724

01:11:02,570 --> 01:11:00,780

for another time

1725

01:11:05,270 --> 01:11:02,580

thank you for doing that I appreciate

1726

01:11:07,610 --> 01:11:05,280

that come check me out you can subscribe

1727

01:11:09,290 --> 01:11:07,620

to that link tree because I'm going to

1728

01:11:11,270 --> 01:11:09,300

be adding more stuff and if you

1729

01:11:13,189 --> 01:11:11,280

subscribe to it don't cost a thing but

1730

01:11:15,110 --> 01:11:13,199

every time I add a new link it'll update

1731

01:11:16,310 --> 01:11:15,120

you so that's that's the easiest way to

1732

01:11:18,169 --> 01:11:16,320

find me

1733

01:11:20,270 --> 01:11:18,179

and I'm all over the internet I I

1734

01:11:21,649 --> 01:11:20,280

guessed on a lot of shows like this this

1735

01:11:23,570 --> 01:11:21,659

wonderful one here this one of my

1736

01:11:25,310 --> 01:11:23,580

favorites I was on Bernadette's

1737

01:11:27,649 --> 01:11:25,320

inaugural show I didn't didn't know it

1738

01:11:28,970 --> 01:11:27,659

at the time thank you but uh she'd asked

1739

01:11:30,709 --> 01:11:28,980

me to come on I'm like yeah sure and

1740

01:11:32,030 --> 01:11:30,719

then I wasn't until I got here and I

1741

01:11:34,430 --> 01:11:32,040

found out it was your very first show

1742

01:11:36,770 --> 01:11:34,440

and I felt so honored

1743

01:11:40,490 --> 01:11:36,780

that made me very happy

1744

01:11:42,890 --> 01:11:40,500

I I was excited yeah I was very excited

1745

01:11:44,350 --> 01:11:42,900

well I'm good friends with Juan and it

1746

01:11:47,810 --> 01:11:44,360

is

1747

01:11:49,130 --> 01:11:47,820

if you're if Lon thinks you're good

1748

01:11:50,510 --> 01:11:49,140

people that I think you're good people

1749

01:11:52,610 --> 01:11:50,520

too

1750

01:11:55,669 --> 01:11:52,620

and you are and I enjoy coming on

1751

01:11:57,229 --> 01:11:55,679

talking with you and I apologize that I

1752

01:11:58,850 --> 01:11:57,239

do most of the talk and that's it's easy

1753

01:12:00,890 --> 01:11:58,860

to give a talk the hard things get me to

1754

01:12:02,570 --> 01:12:00,900

shut up

1755

01:12:04,250 --> 01:12:02,580

but that's why a lot of people like to

1756

01:12:06,950 --> 01:12:04,260

have me as a guest I think we all love

1757

01:12:08,390 --> 01:12:06,960

that you talk you just you wipe me up

1758

01:12:10,010 --> 01:12:08,400

and let me go put a microphone in front

1759

01:12:15,590 --> 01:12:10,020

of me then that's you have to meet with

1760

01:12:20,149 --> 01:12:17,570

one more question if you don't mind

1761

01:12:21,950 --> 01:12:20,159

saying it before you die oh I've had

1762

01:12:23,590 --> 01:12:21,960

what I believe to be Bigfoot sightings

1763

01:12:26,209 --> 01:12:23,600

when I lived in the Pacific Northwest

1764

01:12:28,310 --> 01:12:26,219

but not in the area that I grew up in

1765

01:12:30,890 --> 01:12:28,320

although that part of East Tennessee

1766

01:12:32,990 --> 01:12:30,900

there was some what I believe to be

1767

01:12:34,250 --> 01:12:33,000

Bigfoot sightings but it happened to my

1768

01:12:37,910 --> 01:12:34,260

brother and one of the guys he was out

1769

01:12:39,649 --> 01:12:37,920

hunting with when I that's in uh that's

1770

01:12:41,750 --> 01:12:39,659

in uh strange things in the woods that

1771

01:12:43,490 --> 01:12:41,760

was my first book and stories from

1772

01:12:45,770 --> 01:12:43,500

friends and family friends and family

1773

01:12:47,330 --> 01:12:45,780

and things a paranormal for the most

1774

01:12:49,550 --> 01:12:47,340

part there's some that are poignant some

1775

01:12:52,430 --> 01:12:49,560

that are funny but it has that common

1776

01:12:54,649 --> 01:12:52,440

theme of being in the woods and strange

1777

01:12:56,390 --> 01:12:54,659

and subjective but uh that story's in

1778

01:12:58,729 --> 01:12:56,400

there

1779

01:13:00,830 --> 01:12:58,739

if you find those on Amazon and whoever

1780

01:13:04,030 --> 01:13:00,840

find books are sold my publisher likes

1781

01:13:06,470 --> 01:13:04,040

me to say that yeah

1782

01:13:09,770 --> 01:13:06,480

do you have do you have an audiobook do

1783

01:13:12,410 --> 01:13:09,780

you have audio books uh I do but that's

1784

01:13:13,910 --> 01:13:12,420

people get upset about that my publisher

1785

01:13:15,590 --> 01:13:13,920

when I went with a traditional publisher

1786

01:13:17,990 --> 01:13:15,600

they didn't know that I did the

1787

01:13:19,970 --> 01:13:18,000

narration and stuff and my publisher

1788

01:13:21,050 --> 01:13:19,980

messed me one day one of the partners

1789

01:13:22,910 --> 01:13:21,060

and said

1790

01:13:24,709 --> 01:13:22,920

Steve we found the perfect guy to

1791

01:13:27,530 --> 01:13:24,719

narrate your audiobooks and I'm like oh

1792

01:13:29,270 --> 01:13:27,540

really and uh I didn't say anything I

1793

01:13:31,850 --> 01:13:29,280

just let them do and because less work

1794

01:13:34,970 --> 01:13:31,860

for me but I've had so many people jump

1795

01:13:36,530 --> 01:13:34,980

in my business and say Steve how about

1796

01:13:40,070 --> 01:13:36,540

your audiobook and it's not even you

1797

01:13:42,709 --> 01:13:40,080

what the hewl is that all about but uh

1798

01:13:45,470 --> 01:13:42,719

don't tell my publisher but all the

1799

01:13:47,570 --> 01:13:45,480

stories out of uh most of the stories

1800

01:13:49,729 --> 01:13:47,580

out of strange things in the woods and

1801  
01:13:51,470 --> 01:13:49,739  
My Strange World I've narrated them over

1802  
01:13:56,030 --> 01:13:51,480  
on 13 past midnight you can find them

1803  
01:13:59,689 --> 01:13:58,070  
perfect so if we want to hear you

1804  
01:14:02,229 --> 01:13:59,699  
narrate your own book we got to go over

1805  
01:14:05,330 --> 01:14:02,239  
there that's perfect go over to 13.

1806  
01:14:07,189 --> 01:14:05,340  
now I know how to hear you do it and uh

1807  
01:14:10,729 --> 01:14:07,199  
they've offered to let me redo them and

1808  
01:14:14,810 --> 01:14:13,189  
okay

1809  
01:14:17,149 --> 01:14:14,820  
oh great

1810  
01:14:18,770 --> 01:14:17,159  
I I tend to agree with her a three-hour

1811  
01:14:21,770 --> 01:14:18,780  
interview with you would be wonderful

1812  
01:14:23,689 --> 01:14:21,780  
but it's like tonight probably isn't a

1813  
01:14:25,490 --> 01:14:23,699

good night tonight's probably not the

1814

01:14:26,890 --> 01:14:25,500

best night but I'd love to come back and

1815

01:14:29,750 --> 01:14:26,900

I've already done an hour and a half

1816

01:14:31,790 --> 01:14:29,760

other places but uh I've done three

1817

01:14:32,990 --> 01:14:31,800

hours and more before Cisco Murdock and

1818

01:14:36,169 --> 01:14:33,000

Iowa from Journey Through the gay

1819

01:14:38,090 --> 01:14:36,179

paranormal portal podcast yeah uh three

1820

01:14:40,490 --> 01:14:38,100

hours we're just getting warmed up she's

1821

01:14:42,890 --> 01:14:40,500

a as much of a talker as I am so I'd

1822

01:14:44,990 --> 01:14:42,900

love to come back and uh do a longer

1823

01:14:47,330 --> 01:14:45,000

format show with you I've got a million

1824

01:14:49,189 --> 01:14:47,340

stories to tell I'm a rack on tour I'm a

1825

01:14:51,830 --> 01:14:49,199

Storyteller it's what I do

1826

01:14:55,370 --> 01:14:51,840

I would love that

1827

01:14:57,350 --> 01:14:55,380

you know I have this baby you could come

1828

01:15:00,110 --> 01:14:57,360

back and you know be maybe one of my

1829

01:15:02,750 --> 01:15:00,120

last guests so until I come back yeah

1830

01:15:04,729 --> 01:15:02,760

I'd love to do that so let me know I

1831

01:15:06,830 --> 01:15:04,739

don't know and if that doesn't happen

1832

01:15:09,229 --> 01:15:06,840

then best wishes and uh I'll be

1833

01:15:10,910 --> 01:15:09,239

following you on Facebook to

1834

01:15:13,070 --> 01:15:10,920

to make sure everything's okay but yeah

1835

01:15:15,890 --> 01:15:13,080

just anytime you want me to come back uh

1836

01:15:18,110 --> 01:15:15,900

okay just uh message me ahead of time

1837

01:15:20,750 --> 01:15:18,120

and we'll set it up

1838

01:15:23,950 --> 01:15:20,760

always a pleasure okay perfect thank you

1839

01:15:27,290 --> 01:15:23,960

so much thank you so much again

1840

01:15:29,390 --> 01:15:27,300

thank you let us know uh I think that's

1841

01:15:33,530 --> 01:15:29,400

it for now they've got more books in the

1842

01:15:41,750 --> 01:15:33,540

way and uh because life is good

1843

01:15:46,130 --> 01:15:44,149

well thank you congratulations to the

1844

01:15:48,590 --> 01:15:46,140

wedding that's that's the big thing yeah

1845

01:15:51,169 --> 01:15:48,600

that's I can't wait uh we haven't set a

1846

01:15:53,870 --> 01:15:51,179

date yet but we're considering Halloween

1847

01:15:55,790 --> 01:15:53,880

which is my birthday and in Salem

1848

01:15:57,709 --> 01:15:55,800

Massachusetts what better place to spend

1849

01:16:00,050 --> 01:15:57,719

Halloween and to get married

1850

01:16:03,229 --> 01:16:00,060

uh at night we want to have a nighttime

1851

01:16:05,630 --> 01:16:03,239

ceremony uh she's gonna wear black it's

1852

01:16:08,930 --> 01:16:05,640

her first marriage but she wanted to

1853

01:16:09,890 --> 01:16:08,940

wear black she's kind of gothy like I am

1854

01:16:11,990 --> 01:16:09,900

so

1855

01:16:15,229 --> 01:16:12,000

uh I'm gonna have an all-black wedding

1856

01:16:18,229 --> 01:16:15,239

so get married in black and on Halloween

1857

01:16:19,370 --> 01:16:18,239

and Salem Mass and it's going to be on

1858

01:16:22,070 --> 01:16:19,380

YouTube we're going to have a YouTube

1859

01:16:24,130 --> 01:16:22,080

wedding so uh

1860

01:16:26,209 --> 01:16:24,140

watch the space

1861

01:16:28,090 --> 01:16:26,219

we're gonna have a little private

1862

01:16:30,770 --> 01:16:28,100

ceremony

1863

01:16:33,410 --> 01:16:30,780

but then we're gonna do a YouTube thing

1864

01:16:35,930 --> 01:16:33,420

as well there's uh she's always wanted

1865

01:16:38,630 --> 01:16:35,940

to do that and I have and uh

1866

01:16:40,550 --> 01:16:38,640

so why not it's the first for her and

1867

01:16:43,189 --> 01:16:40,560

hopefully the last and it's definitely

1868

01:16:46,610 --> 01:16:43,199

my last if if this doesn't work out for

1869

01:16:48,410 --> 01:16:46,620

whatever reason I will die alone I'd

1870

01:16:51,169 --> 01:16:48,420

said I'll never get married again but

1871

01:16:53,030 --> 01:16:51,179

never say never but uh you know she's

1872

01:16:54,590 --> 01:16:53,040

absolutely perfect she's literally the

1873

01:16:56,750 --> 01:16:54,600

piece of me that's always been missing

1874

01:16:58,910 --> 01:16:56,760

since childhood I was planning my

1875

01:17:01,370 --> 01:16:58,920

wedding when I was six years old I heard

1876

01:17:04,010 --> 01:17:01,380

the Carpenters We've Only Just Begun and

1877

01:17:05,990 --> 01:17:04,020

it just come out and I bought the 45 and

1878

01:17:07,550 --> 01:17:06,000

I made my mom sit down and listen to it

1879

01:17:08,570 --> 01:17:07,560

and I said they're going to play that at

1880

01:17:10,729 --> 01:17:08,580

my wedding

1881

01:17:12,070 --> 01:17:10,739

six years old and she said well you got

1882

01:17:15,910 --> 01:17:12,080

a few years

1883

01:17:15,920 --> 01:17:20,090

I'm so excited

1884

01:17:25,070 --> 01:17:22,790

yeah oh you tell me I'm glowing you're

1885

01:17:26,630 --> 01:17:25,080

glowing oh my gosh I am so happy for you

1886

01:17:30,770 --> 01:17:26,640

I

1887

01:17:33,470 --> 01:17:30,780

notable noticeable difference in my

1888

01:17:35,330 --> 01:17:33,480

parents but but yeah we've got somebody

1889

01:17:37,490 --> 01:17:35,340

the lead chief of first floor audio is

1890

01:17:39,530 --> 01:17:37,500

going to do the music Cisco bardock's

1891

01:17:41,450 --> 01:17:39,540

gonna design the flowers uh she wanted

1892

01:17:43,370 --> 01:17:41,460

black bouquet we figured out how to do

1893

01:17:45,290 --> 01:17:43,380

that and I'm gonna have black candles

1894

01:17:48,430 --> 01:17:45,300

it's it's gonna be the creepiest most

1895

01:17:51,709 --> 01:17:48,440

beautiful wedding you've ever seen

1896

01:17:54,110 --> 01:17:51,719

oh I cannot I really can't I'm so

1897

01:17:55,850 --> 01:17:54,120

excited for you Steve I really am well

1898

01:17:57,530 --> 01:17:55,860

thank you so much again and thanks for

1899

01:17:59,570 --> 01:17:57,540

1900

01:18:01,729 --> 01:17:59,580

stuff I just feel the love off everybody

1901

01:18:03,110 --> 01:18:01,739

folks I've had people come and take me

1907

01:18:17,990 --> 01:18:16,140

to lunch and uh I've got some uh

1908

01:18:20,450 --> 01:18:18,000

1913

01:18:34,430 --> 01:18:33,120

about it and through the excitement of

1914

01:18:36,649 --> 01:18:34,440

talking and stuff it'll hurt when I get

1915

01:18:38,930 --> 01:18:36,659

off here but I'm gonna go take care of

1916

01:18:40,669 --> 01:18:38,940
