38
00:02:12,530 --> 00:02:10,860

keep track of them and and mark them for

39

00:02:19,729 --> 00:02:12,540

me

40

00:02:22,750 --> 00:02:19,739

so in mid 2017 and then continue in 2018

41

00:02:25,670 --> 00:02:22,760

uh various neighborhoods in Chicago

42

00:02:28,309 --> 00:02:25,680

example little village and uh Lincoln

43

00:02:31,610 --> 00:02:28,319

Park began to experience

44

00:02:34,190 --> 00:02:31,620

multiple sightings and encounters

45

00:02:37,070 --> 00:02:34,200

and as the incidents started to spread

46

00:02:39,710 --> 00:02:37,080

throughout the Chicagoland region

47

00:02:41,089 --> 00:02:39,720

more reports of high strangers came to

48

00:02:44,330 --> 00:02:41,099

light

49

00:02:46,970 --> 00:02:44,340

now this presentation will cover

50

00:02:49,130 --> 00:02:46,980

some of the bizarre characteristics of

51
00:02:52,009 --> 00:02:49,140
these winged humanoids and in next

52
00:02:54,770 --> 00:02:52,019
week's presentation I'll detail

53
00:02:58,089 --> 00:02:54,780
synchronicities and more Curious aspects

54
00:03:03,650 --> 00:02:58,099
of the phenomena that continued in 2018

55
00:03:08,390 --> 00:03:05,930
um you know as I said before the wing

56
00:03:11,089 --> 00:03:08,400
humanoid was first dubbed the Chicago

57
00:03:12,830 --> 00:03:11,099
Phantom but because the media and the

58
00:03:17,330 --> 00:03:12,840
internet preferred to moniker Chicago

59
00:03:19,970 --> 00:03:17,340
Mothman and also the O'Hara Mothman or

60
00:03:22,250 --> 00:03:19,980
Batman I've kind of used those monikers

61
00:03:24,649 --> 00:03:22,260
instead of the Phantoms just just to

62
00:03:28,570 --> 00:03:24,659
avoid confusion

63
00:03:31,970 --> 00:03:28,580

so let's get started this first account

64

00:03:33,530 --> 00:03:31,980

now this is something I re this is this

65

00:03:36,350 --> 00:03:33,540

is

66

00:03:40,130 --> 00:03:36,360

um an email that I received

67

00:03:46,369 --> 00:03:44,750

and it was big it was about a 1981

68

00:03:49,309 --> 00:03:46,379

incident

69

00:03:51,830 --> 00:03:49,319

that may actually helps explain some of

70

00:03:55,729 --> 00:03:51,840

what's been going on in Chicago for the

71

00:04:01,550 --> 00:03:59,210

um I was contacted by a witness Who as a

72

00:04:04,309 --> 00:04:01,560

child was 13 years old

73

00:04:06,649 --> 00:04:04,319

had a remarkable encounter with a winged

74

00:04:08,509 --> 00:04:06,659

humanoid in Cicero Illinois which is

75

00:04:11,570 --> 00:04:08,519

just west of the city

76
00:04:14,030 --> 00:04:11,580
the year was 1981 and the witness who I

77
00:04:16,550 --> 00:04:14,040
will refer to as Mr experienced a

78
00:04:20,270 --> 00:04:16,560
life-changing event

79
00:04:23,150 --> 00:04:20,280
now Mor contacted me by email and I

80
00:04:26,150 --> 00:04:23,160
asked and asked to speak a telephone

81
00:04:27,890 --> 00:04:26,160
I instantly had the sense that this

82
00:04:30,890 --> 00:04:27,900
interview would be significant so I

83
00:04:33,290 --> 00:04:30,900
requested Mr call me at his earliest

84
00:04:36,110 --> 00:04:33,300
convenience and we were actually talking

85
00:04:38,570 --> 00:04:36,120
within the next 10 minutes

86
00:04:40,550 --> 00:04:38,580
now MRI introduced himself and

87
00:04:41,510 --> 00:04:40,560
immediately started telling me his

88
00:04:45,110 --> 00:04:41,520

account

89

00:04:47,390 --> 00:04:45,120

now he prefaced his story by saying that

90

00:04:49,850 --> 00:04:47,400

he had not none of the wing humanoid

91

00:04:52,550 --> 00:04:49,860

sightings reported throughout the

92

00:04:55,310 --> 00:04:52,560

Chicago Metro until he had stumbled upon

93

00:04:57,890 --> 00:04:55,320

an oracle two days previous

94

00:05:00,170 --> 00:04:57,900

and he was stunned by the revelations in

95

00:05:02,629 --> 00:05:00,180

the article dozens of sightings that

96

00:05:07,010 --> 00:05:02,639

closer resembled his encounter in Cicero

97

00:05:08,150 --> 00:05:07,020

in 1981 but mr's narrative was somewhat

98

00:05:10,610 --> 00:05:08,160

different

99

00:05:13,129 --> 00:05:10,620

because his encounter

100

00:05:15,469 --> 00:05:13,139

with the winged humanoid altered his

101

00:05:16,969 --> 00:05:15,479

overall beliefs and perspective of the

102

00:05:20,689 --> 00:05:16,979

world

103

00:05:23,029 --> 00:05:20,699

now Mr was a 13 year old boy in 1981 who

104

00:05:26,029 --> 00:05:23,039

through his own description had suffered

105

00:05:29,029 --> 00:05:26,039

terrible abuse during his young life

106

00:05:32,270 --> 00:05:29,039

now on this particular evening like many

107

00:05:33,890 --> 00:05:32,280

previous evenings he sought Solitude in

108

00:05:36,350 --> 00:05:33,900

his backyard

109

00:05:39,890 --> 00:05:36,360

now for whatever reason he was able to

110

00:05:42,230 --> 00:05:39,900

employ a self-taught form of meditation

111

00:05:44,150 --> 00:05:42,240

that helped him cope with the abuse by

112

00:05:47,210 --> 00:05:44,160

his parents

113

00:05:49,850 --> 00:05:47,220

as he sat on the grass he entered into a

114

00:05:51,890 --> 00:05:49,860

deep level spiritual awareness that had

115

00:05:53,870 --> 00:05:51,900

become more heightened than he had ever

116

00:05:56,029 --> 00:05:53,880

remembered

117

00:05:58,790 --> 00:05:56,039

he soon became aware of an unknown

118

00:06:02,330 --> 00:05:58,800

presence as he exited his meditative

119

00:06:05,090 --> 00:06:02,340

State he immediately noticed a pair of

120

00:06:08,210 --> 00:06:05,100

intense red eyes staring back and hit

121

00:06:10,370 --> 00:06:08,220

from across the alleyway

122

00:06:12,770 --> 00:06:10,380

now the being

123

00:06:17,390 --> 00:06:12,780

was standing against the neighbor's

124

00:06:20,330 --> 00:06:17,400

white garage about 75 feet from Mr

125

00:06:22,969 --> 00:06:20,340

and where he was sitting in yard it was

126

00:06:25,610 --> 00:06:22,979

a thin black human shape that stood

127

00:06:28,070 --> 00:06:25,620

seven foot in height when compared to

128

00:06:29,930 --> 00:06:28,080

the four foot high chain link fence at

129

00:06:32,450 --> 00:06:29,940

the end of the yard

130

00:06:36,409 --> 00:06:32,460

now there were Wings folded on its back

131

00:06:39,710 --> 00:06:36,419

that extended above its long thin head

132

00:06:42,230 --> 00:06:39,720

but those intense red eyes captured Mrs

133

00:06:45,950 --> 00:06:42,240

concentration to the point where he was

134

00:06:48,469 --> 00:06:45,960

literally paralyzed and Frozen in place

135

00:06:50,210 --> 00:06:48,479

now the being was soon communicating

136

00:06:53,390 --> 00:06:50,220

with Mr

137

00:06:55,490 --> 00:06:53,400

in a telepathic form or intent in

138

00:06:57,950 --> 00:06:55,500

garnering his attention and actual

139

00:06:59,390 --> 00:06:57,960

expression and expressing information

140

00:07:02,689 --> 00:06:59,400

now

141

00:07:05,090 --> 00:07:02,699

in the five to seven minute experienced

142

00:07:08,629 --> 00:07:05,100

it was suffused with the assortment of

143

00:07:10,249 --> 00:07:08,639

emotions that ranged from Tranquility to

144

00:07:12,469 --> 00:07:10,259

Absolute Terror

145

00:07:15,350 --> 00:07:12,479

and more recognized that he was not

146

00:07:17,930 --> 00:07:15,360

dreaming or in reflective state

147

00:07:19,790 --> 00:07:17,940

that was this was actually occurring and

148

00:07:21,589 --> 00:07:19,800

that was the moment where his

149

00:07:23,570 --> 00:07:21,599

perspective of the world around him

150

00:07:26,150 --> 00:07:23,580

changed

151

00:07:28,129 --> 00:07:26,160

he never forgot the encounter and it

152

00:07:30,890 --> 00:07:28,139

influenced his life though he was

153

00:07:34,249 --> 00:07:30,900

reluctant to disclose the incident until

154

00:07:35,809 --> 00:07:34,259

he started college and became a part of

155

00:07:38,390 --> 00:07:35,819

an environment that would pay attention

156

00:07:40,490 --> 00:07:38,400

to what he had to say and not judge his

157

00:07:43,430 --> 00:07:40,500

experience

158

00:07:45,830 --> 00:07:43,440

but Mr did not understand

159

00:07:47,809 --> 00:07:45,840

why he was a recipient of this Wing

160

00:07:50,629 --> 00:07:47,819

humanoid scrutiny

161

00:07:52,550 --> 00:07:50,639

then one evening while he and his wife

162

00:07:55,550 --> 00:07:52,560

were watching a video

163

00:07:59,510 --> 00:07:55,560

Mr began to appreciate and grasped what

164

00:08:02,990 --> 00:07:59,520

had happened to him in 1981.

165

00:08:05,150 --> 00:08:03,000

the the movie The Mothman Prophecies was

166

00:08:07,010 --> 00:08:05,160

a theatrical film that was released in

167

00:08:09,950 --> 00:08:07,020

2002.

168

00:08:11,809 --> 00:08:09,960

it was based on John keel's book by the

169

00:08:13,730 --> 00:08:11,819

same title even though the movie never

170

00:08:15,830 --> 00:08:13,740

really captured the full intensity of

171

00:08:17,330 --> 00:08:15,840

the book or the actual events that

172

00:08:21,529 --> 00:08:17,340

occurred at Point Pleasant West Virginia

173

00:08:24,710 --> 00:08:21,539

in 1966 to 67. but nonetheless the film

174

00:08:26,809 --> 00:08:24,720

gave an overall impression of the story

175

00:08:30,589 --> 00:08:26,819

and some of the narrative that Keel

176

00:08:32,870 --> 00:08:30,599

expressed in the book now Mr told me

177

00:08:35,389 --> 00:08:32,880

that he was sitting at home watching the

178

00:08:37,130 --> 00:08:35,399

video when the car accident scene

179

00:08:40,430 --> 00:08:37,140

unfolded

180

00:08:43,250 --> 00:08:40,440

the wing being suddenly came into focus

181

00:08:46,670 --> 00:08:43,260

and Mr instantly went into sheer panic

182

00:08:49,490 --> 00:08:46,680

and uncontrollably burst into tears

183

00:08:51,650 --> 00:08:49,500

his wife tried to comfort him

184

00:08:53,990 --> 00:08:51,660

but he was beyond consolation they

185

00:08:57,949 --> 00:08:54,000

continued to watch the video but it was

186

00:08:59,889 --> 00:08:57,959

a terrible difficult experience for Mr

187

00:09:02,690 --> 00:08:59,899

now later that evening

188

00:09:05,810 --> 00:09:02,700

he disclosed his Boyhood encounter in

189

00:09:08,329 --> 00:09:05,820

detail with his wife

190

00:09:10,430 --> 00:09:08,339

now since that time he has not talked to

191

00:09:12,650 --> 00:09:10,440

anyone about the incident until we

192

00:09:14,810 --> 00:09:12,660

talked that day

193

00:09:17,030 --> 00:09:14,820

now I would first like to state that my

194

00:09:19,190 --> 00:09:17,040

interview then Mara was one of the most

195

00:09:21,650 --> 00:09:19,200

insightful I've experienced during my

196

00:09:24,350 --> 00:09:21,660

time as an investigator we continued on

197

00:09:26,630 --> 00:09:24,360

a rare level to the point where I could

198

00:09:28,610 --> 00:09:26,640

literally predict what he was about to

199

00:09:31,730 --> 00:09:28,620

say to me in each sentence it was

200

00:09:34,730 --> 00:09:31,740

bizarre his experience confirmed to me

201
00:09:37,670 --> 00:09:34,740
that the phenomena is not

202
00:09:39,949 --> 00:09:37,680
that of an indigenous being but instead

203
00:09:42,710 --> 00:09:39,959
a flesh and blood extra dimensional

204
00:09:44,750 --> 00:09:42,720
indoor extraterrestrial

205
00:09:46,970 --> 00:09:44,760
entity that is either attracted to

206
00:09:49,910 --> 00:09:46,980
certain persons or summoned by Special

207
00:09:53,750 --> 00:09:49,920
Forces or specific forces

208
00:09:56,449 --> 00:09:53,760
now Mr had no previous inclination of my

209
00:09:58,310 --> 00:09:56,459
theories but rather Define what had

210
00:10:00,889 --> 00:09:58,320
began to believe during the course of

211
00:10:02,990 --> 00:10:00,899
the investigation

212
00:10:06,650 --> 00:10:03,000
now he also brought up and totally

213
00:10:09,110 --> 00:10:06,660

discounted the general speculation by

214

00:10:10,250 --> 00:10:09,120

many that this was a Harbinger or future

215

00:10:12,350 --> 00:10:10,260

events

216

00:10:14,210 --> 00:10:12,360

now I asked them more if you thought

217

00:10:16,970 --> 00:10:14,220

that while he was in a state of

218

00:10:19,610 --> 00:10:16,980

meditation the being could have possibly

219

00:10:23,090 --> 00:10:19,620

been self-manifesting thought form

220

00:10:25,790 --> 00:10:23,100

he believes that in this case or his

221

00:10:28,009 --> 00:10:25,800

case the being sought him out because of

222

00:10:29,570 --> 00:10:28,019

the abuse he had suffered through his

223

00:10:32,030 --> 00:10:29,580

parents

224

00:10:34,310 --> 00:10:32,040

as began to read the recent citing

225

00:10:36,710 --> 00:10:34,320

descriptions in the Chicago metro area

226

00:10:40,130 --> 00:10:36,720

he formulated

227

00:10:42,170 --> 00:10:40,140

that there may indeed been more than one

228

00:10:45,230 --> 00:10:42,180

B wing being and that many of the

229

00:10:47,150 --> 00:10:45,240

witness Came Upon it by happenstance

230

00:10:50,030 --> 00:10:47,160

but he also feels that some of the

231

00:10:52,310 --> 00:10:50,040

encounters occurred because the being

232

00:10:54,110 --> 00:10:52,320

sought out the witness for a specific

233

00:10:56,389 --> 00:10:54,120

reason

234

00:10:59,630 --> 00:10:56,399

ammar didn't sense that the wing being

235

00:11:02,269 --> 00:10:59,640

was evil but believes that is an ancient

236

00:11:03,110 --> 00:11:02,279

being that has sought out others in the

237

00:11:07,430 --> 00:11:03,120

past

238

00:11:11,449 --> 00:11:07,440

and that is uh a venerable entity that

239

00:11:14,990 --> 00:11:11,459

people since have referred to as a demon

240

00:11:17,150 --> 00:11:15,000

now I forwarded my book Mothman Dynasty

241

00:11:18,949 --> 00:11:17,160

Chicago's Wing humanoids to him or in

242

00:11:20,990 --> 00:11:18,959

the hope that he may offer more

243

00:11:24,470 --> 00:11:21,000

information on the being

244

00:11:26,210 --> 00:11:24,480

I I liked him you know to read about the

245

00:11:28,430 --> 00:11:26,220

investigation that was detailed in the

246

00:11:31,009 --> 00:11:28,440

book as well as understand

247

00:11:32,389 --> 00:11:31,019

the historical significance of this

248

00:11:35,990 --> 00:11:32,399

anomaly

249

00:11:38,930 --> 00:11:36,000

uh but unfortunately I haven't heard

250

00:11:40,150 --> 00:11:38,940

back from him no I I did hear back but

251
00:11:43,730 --> 00:11:40,160
there was no

252
00:11:47,509 --> 00:11:43,740
uh new sightings Zoo instances and new

253
00:11:51,829 --> 00:11:50,990
since I since I did have that talk with

254
00:11:55,190 --> 00:11:51,839
him

255
00:11:57,530 --> 00:11:55,200
I I hope it and continue to hope that it

256
00:11:59,750 --> 00:11:57,540
uh explains some of what's been going on

257
00:12:02,389 --> 00:11:59,760
with this Wing humanoid phenomena but

258
00:12:05,329 --> 00:12:02,399
who knows you know we've had a lot of

259
00:12:07,310 --> 00:12:05,339
theories over the years of this and uh

260
00:12:09,170 --> 00:12:07,320
what's been going on we've had a few

261
00:12:10,550 --> 00:12:09,180
small breakthroughs

262
00:12:12,650 --> 00:12:10,560
but you know

263
00:12:16,250 --> 00:12:12,660

we're still at that point where we

264

00:12:18,650 --> 00:12:16,260

really don't know what what's going on

265

00:12:20,810 --> 00:12:18,660

so um

266

00:12:25,490 --> 00:12:20,820

this next account

267

00:12:28,329 --> 00:12:25,500

was a pale blue-eyed Man-Bat encounter

268

00:12:31,670 --> 00:12:28,339

near North Prairie Wisconsin

269

00:12:32,449 --> 00:12:31,680

now the witness State hello on first of

270

00:12:34,190 --> 00:12:32,459

all

271

00:12:36,470 --> 00:12:34,200

I would like to thank you for your sight

272

00:12:37,310 --> 00:12:36,480

here I don't feel ridiculed telling my

273

00:12:39,290 --> 00:12:37,320

story

274

00:12:41,569 --> 00:12:39,300

even if I am I don't care what the

275

00:12:43,069 --> 00:12:41,579

Skeptics think I know what I saw and

276

00:12:48,590 --> 00:12:43,079

it's the truth

277

00:12:50,870 --> 00:12:48,600

in July 2006 on the 15th and 16th

278

00:12:53,090 --> 00:12:50,880

my husband and I were in the process of

279

00:12:56,389 --> 00:12:53,100

moving from Milwaukee Wisconsin to a

280

00:12:58,550 --> 00:12:56,399

small area between Whitewater and Eagle

281

00:13:01,370 --> 00:12:58,560

Wisconsin

282

00:13:03,650 --> 00:13:01,380

it was about 9 30 p.m and there was a

283

00:13:07,190 --> 00:13:03,660

bright full moon in the clear sky

284

00:13:10,970 --> 00:13:07,200

now we traveled down Highway 59 East

285

00:13:12,530 --> 00:13:10,980

past Eagle turning on to Road X someone

286

00:13:13,730 --> 00:13:12,540

desolate

287

00:13:16,670 --> 00:13:13,740

stretch

288

00:13:20,269 --> 00:13:16,680

a thin band of trees on each side of the

289

00:13:22,670 --> 00:13:20,279

road with Open Fields behind them

290

00:13:25,550 --> 00:13:22,680

now this area is about 18 miles

291

00:13:28,850 --> 00:13:25,560

approximately east of Whitewater located

292

00:13:31,190 --> 00:13:28,860

between eagle and northbury Wisconsin

293

00:13:33,530 --> 00:13:31,200

now my husband was driving

294

00:13:35,629 --> 00:13:33,540

his two young children in the back seat

295

00:13:38,329 --> 00:13:35,639

I believe asleep

296

00:13:39,350 --> 00:13:38,339

suddenly swooping over the trees on our

297

00:13:41,870 --> 00:13:39,360

left

298

00:13:44,750 --> 00:13:41,880

lower down in front of the winch Carl

299

00:13:47,690 --> 00:13:44,760

windshield then upwards again over the

300

00:13:50,030 --> 00:13:47,700

Treetops to our right gliding at a slow

301
00:13:53,269 --> 00:13:50,040
Ascent over the fields

302
00:13:56,990 --> 00:13:53,279
was what I would describe a man with

303
00:13:59,750 --> 00:13:57,000
bat-like features flying like a bat

304
00:14:01,009 --> 00:13:59,760
now this creature was as real as you and

305
00:14:03,829 --> 00:14:01,019
I are

306
00:14:06,949 --> 00:14:03,839
we had a very close look at it it was

307
00:14:09,470 --> 00:14:06,959
long seven eight six excuse me six to

308
00:14:11,629 --> 00:14:09,480
seven foot in length I say length

309
00:14:14,629 --> 00:14:11,639
because it was flying sideways looking

310
00:14:16,910 --> 00:14:14,639
into the car what's like

311
00:14:19,449 --> 00:14:16,920
doing the sides group

312
00:14:24,170 --> 00:14:19,459
it was a dark gray very leather

313
00:14:27,170 --> 00:14:24,180

leatherly skin it had was okay it was a

314

00:14:31,009 --> 00:14:27,180

dark gray very lovely leatherly skin One

315

00:14:33,350 --> 00:14:31,019

Wing kind of a tuck into its side with

316

00:14:36,590 --> 00:14:33,360

one facing the ground

317

00:14:39,290 --> 00:14:36,600

and the other flapping while it flew now

318

00:14:40,610 --> 00:14:39,300

the wing was huge and exactly like that

319

00:14:42,949 --> 00:14:40,620

of a bats

320

00:14:45,350 --> 00:14:42,959

and what got me the most were the eyes

321

00:14:48,290 --> 00:14:45,360

they were very round

322

00:14:51,470 --> 00:14:48,300

uh where the whites would be looked

323

00:14:55,069 --> 00:14:51,480

roomy the best way to describe it the

324

00:14:57,829 --> 00:14:55,079

irises were of a very pale blue

325

00:15:00,710 --> 00:14:57,839

I was not afraid I was astounded amazed

326

00:15:03,170 --> 00:15:00,720

and even excited my husband was shook up

327

00:15:06,110 --> 00:15:03,180

it would not stop when I asked him to

328

00:15:06,769 --> 00:15:06,120

and the kids were in the car

329

00:15:09,170 --> 00:15:06,779

um

330

00:15:11,509 --> 00:15:09,180

I hope this will also bring more people

331

00:15:14,689 --> 00:15:11,519

forward who have seen this mystery

332

00:15:17,810 --> 00:15:14,699

creature or other creatures as well I

333

00:15:19,310 --> 00:15:17,820

was reading online of a woman in Minot

334

00:15:22,850 --> 00:15:19,320

Wisconsin

335

00:15:24,470 --> 00:15:22,860

who in about 1960 also seen a creature

336

00:15:26,509 --> 00:15:24,480

of this description

337

00:15:28,310 --> 00:15:26,519

I noticed that some of who have

338

00:15:31,009 --> 00:15:28,320

witnessed this compared to the Creature

339

00:15:33,949 --> 00:15:31,019

from the movie Jeepers Creepers

340

00:15:35,569 --> 00:15:33,959

there are definitely similarities I have

341

00:15:38,030 --> 00:15:35,579

never seen the movie

342

00:15:40,370 --> 00:15:38,040

prior to my sightings

343

00:15:43,730 --> 00:15:40,380

now

344

00:15:46,430 --> 00:15:43,740

familiar with that area

345

00:15:48,550 --> 00:15:46,440

it was in the edge of the Kettle Moraine

346

00:15:51,470 --> 00:15:48,560

low Prairie State national area

347

00:15:55,250 --> 00:15:51,480

academore is kind of spread out and

348

00:15:57,590 --> 00:15:55,260

Central to Southern Wisconsin

349

00:16:01,430 --> 00:15:57,600

but there's different areas but this was

350

00:16:04,069 --> 00:16:01,440

in the uh low Prairie Natural Area

351
00:16:07,610 --> 00:16:04,079
now the pale blue eyes and the sideboard

352
00:16:09,949 --> 00:16:07,620
flight using One Wing that's interesting

353
00:16:11,329 --> 00:16:09,959
and out of all the signs I've received

354
00:16:14,329 --> 00:16:11,339
over the years

355
00:16:17,269 --> 00:16:14,339
those characteristics are unique now we

356
00:16:19,730 --> 00:16:17,279
have had different colors of eyes

357
00:16:22,670 --> 00:16:19,740
darker shades of blue green and other

358
00:16:25,790 --> 00:16:22,680
but the fact that it was flying with One

359
00:16:28,370 --> 00:16:25,800
Wing like you know on the side on its

360
00:16:31,250 --> 00:16:28,380
side was really bizarre

361
00:16:34,009 --> 00:16:31,260
uh

362
00:16:37,490 --> 00:16:34,019
so the next account

363
00:16:40,550 --> 00:16:37,500

was of a wing being that vanished in uh

364

00:16:42,590 --> 00:16:40,560

West Lake View of Chicago

365

00:16:48,050 --> 00:16:42,600

now

366

00:16:50,269 --> 00:16:48,060

on Friday April 20th 19 excuse me 2018.

367

00:16:52,970 --> 00:16:50,279

I received a telephone call from a woman

368

00:16:54,889 --> 00:16:52,980

in Chicago in reference to a sighting

369

00:16:59,569 --> 00:16:54,899

that her and a friend had on Thursday

370

00:17:02,210 --> 00:16:59,579

April 12th 2018 at approximately 7 15

371

00:17:04,130 --> 00:17:02,220

p.m local time

372

00:17:06,289 --> 00:17:04,140

it was early dusk but still plenty of

373

00:17:08,210 --> 00:17:06,299

ambient light available now the two

374

00:17:11,270 --> 00:17:08,220

elderly women

375

00:17:14,929 --> 00:17:11,280

walking North along the north Greenway

376

00:17:18,829 --> 00:17:14,939

Avenue towards the intersection with uh

377

00:17:21,710 --> 00:17:18,839

West Diversey Parkway in the West Lake

378

00:17:24,350 --> 00:17:21,720

View neighborhood Chicago

379

00:17:27,590 --> 00:17:24,360

this area is actually about two blocks

380

00:17:30,650 --> 00:17:27,600

or three blocks south of Wrigley Field

381

00:17:33,289 --> 00:17:30,660

now they both heard a brief deep Belling

382

00:17:34,610 --> 00:17:33,299

sound emanating from the area of the

383

00:17:37,190 --> 00:17:34,620

intersection

384

00:17:40,430 --> 00:17:37,200

as they both look towards the that

385

00:17:41,930 --> 00:17:40,440

direction a dark winged being flew in

386

00:17:44,090 --> 00:17:41,940

front of them

387

00:17:45,890 --> 00:17:44,100

towards the West at an altitude of about

388

00:17:48,409 --> 00:17:45,900

15 foot or so

389

00:17:50,930 --> 00:17:48,419

then suddenly the being vanished from

390

00:17:52,190 --> 00:17:50,940

sight as if it had been swallowed up

391

00:17:54,409 --> 00:17:52,200

somehow

392

00:17:56,630 --> 00:17:54,419

there is no further sound or remnants of

393

00:17:59,690 --> 00:17:56,640

the being now the women told me

394

00:18:01,850 --> 00:17:59,700

that the that a man across the street

395

00:18:03,830 --> 00:18:01,860

also observed the incident

396

00:18:05,450 --> 00:18:03,840

and immediately began to run in the

397

00:18:07,430 --> 00:18:05,460

opposite direction

398

00:18:10,010 --> 00:18:07,440

now the women stated that they were

399

00:18:12,710 --> 00:18:10,020

paralyzed and couldn't move or talk for

400

00:18:15,409 --> 00:18:12,720

almost 20 seconds after the event

401
00:18:17,330 --> 00:18:15,419
they then hurriedly walked towards the

402
00:18:19,490 --> 00:18:17,340
residences

403
00:18:22,789 --> 00:18:19,500
now when they returned home they were

404
00:18:25,250 --> 00:18:22,799
confused and drained of energy

405
00:18:28,070 --> 00:18:25,260
they were fearful what they saw and

406
00:18:29,750 --> 00:18:28,080
agreed not to report deciding now a week

407
00:18:31,610 --> 00:18:29,760
after the incident

408
00:18:33,529 --> 00:18:31,620
one of the women had noticed some of the

409
00:18:36,169 --> 00:18:33,539
previous internet reports of similar

410
00:18:38,270 --> 00:18:36,179
women being in Chicago and at that time

411
00:18:42,230 --> 00:18:38,280
she contacted me and I was eventually

412
00:18:44,570 --> 00:18:42,240
able to talk with both Witnesses

413
00:18:47,029 --> 00:18:44,580

now the observation of the winged being

414

00:18:48,770 --> 00:18:47,039

was very brief but the women stated that

415

00:18:51,470 --> 00:18:48,780

it was almost black and color and that

416

00:18:54,110 --> 00:18:51,480

the wings were somewhat folded along the

417

00:18:56,510 --> 00:18:54,120

body which was six to seven foot in

418

00:18:58,250 --> 00:18:56,520

length new other details of the wing

419

00:19:00,529 --> 00:18:58,260

being were available

420

00:19:03,650 --> 00:19:00,539

now these two ladies were very private

421

00:19:06,970 --> 00:19:03,660

people insisted they'd not be contacted

422

00:19:11,870 --> 00:19:09,470

this was the first reported deciding

423

00:19:14,590 --> 00:19:11,880

that included details of maybe a

424

00:19:17,270 --> 00:19:14,600

possible interdimensional ability

425

00:19:19,669 --> 00:19:17,280

uh other than humanoid that disappeared

426
00:19:23,029 --> 00:19:19,679
on the Magnificent Mile building roof

427
00:19:24,169 --> 00:19:23,039
which was also very strange

428
00:19:25,850 --> 00:19:24,179
um

429
00:19:29,029 --> 00:19:25,860
but we'll get into that a little bit

430
00:19:33,289 --> 00:19:30,230
now

431
00:19:35,450 --> 00:19:33,299
um this next account was about a Batwing

432
00:19:37,250 --> 00:19:35,460
humanoid confrontation in Milwaukee

433
00:19:40,370 --> 00:19:37,260
Wisconsin

434
00:19:43,190 --> 00:19:40,380
I received this account on Monday May

435
00:19:45,529 --> 00:19:43,200
1st 2018.

436
00:19:47,450 --> 00:19:45,539
hello I discovered your website after

437
00:19:50,450 --> 00:19:47,460
doing some looking around on the web

438
00:19:53,090 --> 00:19:50,460

regarding flying creature reports

439

00:19:55,190 --> 00:19:53,100

after reading through your blog I felt

440

00:19:57,110 --> 00:19:55,200

comfortable to report what happened to

441

00:19:59,029 --> 00:19:57,120

me and my boyfriend recently in

442

00:20:04,190 --> 00:19:59,039

Milwaukee Wisconsin

443

00:20:06,830 --> 00:20:04,200

now this occurred on April 13 2018 and

444

00:20:09,289 --> 00:20:06,840

about 10 to 10 30 P.M

445

00:20:11,930 --> 00:20:09,299

we were parked in a parking lot next to

446

00:20:14,690 --> 00:20:11,940

and is redacted which is right off and

447

00:20:18,230 --> 00:20:14,700

that's also redacted because they wanted

448

00:20:20,510 --> 00:20:18,240

to keep it private and uh we did have

449

00:20:23,630 --> 00:20:20,520

investigators go out there later

450

00:20:26,330 --> 00:20:23,640

and I do not wish to discuss what

451
00:20:29,330 --> 00:20:26,340
what we were parked there for suffice to

452
00:20:31,669 --> 00:20:29,340
say it's a dark place to park at night

453
00:20:33,890 --> 00:20:31,679
you get the picture now my boyfriend

454
00:20:36,650 --> 00:20:33,900
looked up and totally freaked out when

455
00:20:37,850 --> 00:20:36,660
he says he saw a pair of large glowing

456
00:20:40,490 --> 00:20:37,860
red eyes

457
00:20:42,770 --> 00:20:40,500
staring right back at him

458
00:20:44,750 --> 00:20:42,780
I looked up and saw something standing

459
00:20:46,430 --> 00:20:44,760
in front of my car with two glowing red

460
00:20:49,010 --> 00:20:46,440
eyes

461
00:20:50,990 --> 00:20:49,020
he made a sound of chirping

462
00:20:52,150 --> 00:20:51,000
that we heard when we turned the radio

463
00:20:56,270 --> 00:20:52,160

down

464

00:20:58,850 --> 00:20:56,280

when we moved it put what looked like a

465

00:21:01,010 --> 00:20:58,860

hand on the hood of the car

466

00:21:02,570 --> 00:21:01,020

and then we saw what looked like wings

467

00:21:04,430 --> 00:21:02,580

spread open

468

00:21:06,289 --> 00:21:04,440

I panicked and turned on the car which

469

00:21:09,710 --> 00:21:06,299

automatically turned on the headlights

470

00:21:12,970 --> 00:21:09,720

and lit up what looked like a large bat

471

00:21:15,830 --> 00:21:12,980

it had black skin that looked glossy

472

00:21:18,289 --> 00:21:15,840

uh wet let kind of looked like glossy

473

00:21:21,049 --> 00:21:18,299

wet leather that shined in the light

474

00:21:24,650 --> 00:21:21,059

it then screamed at us pushing its head

475

00:21:26,510 --> 00:21:24,660

out and its arms back and then flew up

476
00:21:28,789 --> 00:21:26,520
into the air

477
00:21:30,770 --> 00:21:28,799
you can hear the winds flapping as it

478
00:21:32,930 --> 00:21:30,780
jumped up and within a few seconds it

479
00:21:35,149 --> 00:21:32,940
landed behind my car

480
00:21:36,649 --> 00:21:35,159
body was still able to be seen when I

481
00:21:38,510 --> 00:21:36,659
pressed the brakes and the brake light

482
00:21:40,730 --> 00:21:38,520
shine

483
00:21:44,450 --> 00:21:40,740
now both of us were screaming at that

484
00:21:46,610 --> 00:21:44,460
point when it flew back up into the air

485
00:21:49,610 --> 00:21:46,620
and landed about six foot from the

486
00:21:51,710 --> 00:21:49,620
passenger side door my boyfriend sat

487
00:21:52,669 --> 00:21:51,720
we wasted no time in trying to get out

488
00:21:54,529 --> 00:21:52,679

of there

489

00:21:55,789 --> 00:21:54,539

as we backed up and whipped the car

490

00:21:58,730 --> 00:21:55,799

around

491

00:22:01,130 --> 00:21:58,740

we saw it land in front of us off to the

492

00:22:04,010 --> 00:22:01,140

side of the car about three foot away

493

00:22:06,230 --> 00:22:04,020

I honked my horn and turned on my brakes

494

00:22:07,669 --> 00:22:06,240

and it screamed again and flew up into

495

00:22:09,950 --> 00:22:07,679

the air

496

00:22:12,409 --> 00:22:09,960

now they they mentioned they screeched

497

00:22:13,330 --> 00:22:12,419

out onto the road I'm not giving the

498

00:22:15,529 --> 00:22:13,340

directions

499

00:22:18,710 --> 00:22:15,539

and uh

500

00:22:21,950 --> 00:22:18,720

and when her boyfriend saw it land again

501
00:22:23,990 --> 00:22:21,960
just off the road on his side of the car

502
00:22:26,450 --> 00:22:24,000
we did not stop to investigate in

503
00:22:29,450 --> 00:22:26,460
Florida core to get out of there

504
00:22:31,730 --> 00:22:29,460
uh we got onto an adjacent route and

505
00:22:34,070 --> 00:22:31,740
we're passing apartment buildings when

506
00:22:37,370 --> 00:22:34,080
we saw something fly over the car lower

507
00:22:38,990 --> 00:22:37,380
than the Lamppost screaming as it flew

508
00:22:41,210 --> 00:22:39,000
out of sight

509
00:22:43,970 --> 00:22:41,220
now we got to my house and stayed in the

510
00:22:46,370 --> 00:22:43,980
car for about 15 to 20 minutes I was

511
00:22:48,529 --> 00:22:46,380
hysterical and crying and my boyfriend

512
00:22:50,870 --> 00:22:48,539
was shook up

513
00:22:53,690 --> 00:22:50,880

it took me another 30 minutes to get

514

00:22:57,230 --> 00:22:53,700

myself together and go drop my off my

515

00:22:59,630 --> 00:22:57,240

boyfriend and drive back home

516

00:23:02,270 --> 00:22:59,640

I have had repeated nightmares since and

517

00:23:05,090 --> 00:23:02,280

it's been difficult to sleep without the

518

00:23:07,610 --> 00:23:05,100

closet light on my boyfriend also says

519

00:23:10,490 --> 00:23:07,620

that he has had nightmares

520

00:23:13,669 --> 00:23:10,500

I hope you believe me and that you don't

521

00:23:15,950 --> 00:23:13,679

think I'm crazy could be and been just a

522

00:23:17,330 --> 00:23:15,960

large bird like some people seem to say

523

00:23:19,430 --> 00:23:17,340

it might be

524

00:23:22,010 --> 00:23:19,440

I know whatever it was

525

00:23:25,549 --> 00:23:22,020

must have been intelligent it it just I

526

00:23:28,549 --> 00:23:25,559

just had a feeling that and that you

527

00:23:31,610 --> 00:23:28,559

know you know from that experience

528

00:23:34,450 --> 00:23:31,620

so I did contact the witness and and

529

00:23:37,909 --> 00:23:34,460

received the following information which

530

00:23:40,549 --> 00:23:37,919

I'm adding to the account

531

00:23:42,470 --> 00:23:40,559

and she said it that's she estimated it

532

00:23:45,890 --> 00:23:42,480

stood about seven foot tall

533

00:23:49,010 --> 00:23:45,900

and the wingspan had to be about seven

534

00:23:51,049 --> 00:23:49,020

to eight foot or more wide

535

00:23:54,350 --> 00:23:51,059

I almost got the feeling like it was

536

00:23:57,649 --> 00:23:54,360

toying with us I knew we were scared and

537

00:23:58,789 --> 00:23:57,659

it it knew we were scared and they toyed

538

00:24:01,370 --> 00:23:58,799

with us

539

00:24:05,270 --> 00:24:01,380

uh toyed with what

540

00:24:08,149 --> 00:24:05,280

of that by scaring us even further

541

00:24:09,950 --> 00:24:08,159

as far as physical reactions it took me

542

00:24:11,630 --> 00:24:09,960

a few hours to finally get back to

543

00:24:15,049 --> 00:24:11,640

someone normal

544

00:24:16,669 --> 00:24:15,059

I threw up twice just from Jitters had a

545

00:24:19,010 --> 00:24:16,679

feeling like I was being watched even

546

00:24:21,529 --> 00:24:19,020

though the curtains were closed

547

00:24:24,470 --> 00:24:21,539

now currently I I still feel like I'm

548

00:24:25,669 --> 00:24:24,480

being watched almost like I'm marked in

549

00:24:27,710 --> 00:24:25,679

some way

550

00:24:29,570 --> 00:24:27,720

last night was the first night I slept

551
00:24:31,370 --> 00:24:29,580
without the lights being on it took me

552
00:24:32,990 --> 00:24:31,380
about an hour and a half to finally fall

553
00:24:35,270 --> 00:24:33,000
asleep

554
00:24:37,909 --> 00:24:35,280
it's put me off to one to go out at

555
00:24:40,610 --> 00:24:37,919
night anymore even though I have to in

556
00:24:42,710 --> 00:24:40,620
order to finish college by July

557
00:24:45,350 --> 00:24:42,720
and we've been out to the same spot

558
00:24:48,289 --> 00:24:45,360
countless times previous and this was

559
00:24:52,130 --> 00:24:48,299
the first time we had seen this thing

560
00:24:56,750 --> 00:24:53,990
this is one of the more horrifying

561
00:24:58,850 --> 00:24:56,760
encounters that we've described that

562
00:25:01,370 --> 00:24:58,860
people described to us

563
00:25:02,690 --> 00:25:01,380

uh and at that time the sightings were

564

00:25:04,610 --> 00:25:02,700

starting to pick up more and more in

565

00:25:08,149 --> 00:25:04,620

Wisconsin

566

00:25:09,890 --> 00:25:08,159

so uh you know

567

00:25:12,710 --> 00:25:09,900

first thing we're thinking is we got two

568

00:25:14,570 --> 00:25:12,720

major urban areas that are or Metro

569

00:25:18,110 --> 00:25:14,580

areas that are starting to be involved

570

00:25:20,990 --> 00:25:18,120

with this phenomic Chicago and Milwaukee

571

00:25:23,930 --> 00:25:21,000

now the witness shared her name and

572

00:25:26,690 --> 00:25:23,940

contact information with me and I asked

573

00:25:29,570 --> 00:25:26,700

Tobias and Emily Whalen to

574

00:25:31,250 --> 00:25:29,580

go to the location and investigate it

575

00:25:31,850 --> 00:25:31,260

and they did

576
00:25:34,630 --> 00:25:31,860
um

577
00:25:37,310 --> 00:25:34,640
and but I I still left the location

578
00:25:39,830 --> 00:25:37,320
redacted in case we had to go back there

579
00:25:41,390 --> 00:25:39,840
I don't you know I I've started I

580
00:25:44,149 --> 00:25:41,400
started doing more and more of that

581
00:25:46,549 --> 00:25:44,159
because Witnesses were starting to be

582
00:25:48,890 --> 00:25:46,559
harassed people were figuring out where

583
00:25:52,669 --> 00:25:48,900
they were who they were somehow

584
00:25:54,649 --> 00:25:52,679
so um I I started to you know getting

585
00:25:57,049 --> 00:25:54,659
specific locations and started

586
00:26:00,110 --> 00:25:57,059
re-dacting them until we started getting

587
00:26:01,850 --> 00:26:00,120
the reports later on in 2019 at O'Hare

588
00:26:05,090 --> 00:26:01,860

then we had just we had to get a little

589

00:26:10,610 --> 00:26:08,690

now this this lasting count

590

00:26:13,549 --> 00:26:10,620

and if you have questions you can start

591

00:26:14,570 --> 00:26:13,559

posting them in the chat

592

00:26:19,549 --> 00:26:14,580

um

593

00:26:22,730 --> 00:26:19,559

that was encountered in Chicago suburb

594

00:26:24,470 --> 00:26:22,740

that was provided by Emmanuel who's

595

00:26:25,070 --> 00:26:24,480

it was sent to

596

00:26:28,190 --> 00:26:25,080

um

597

00:26:32,029 --> 00:26:28,200

UFO Clearinghouse

598

00:26:35,090 --> 00:26:32,039

uh it was Friday October 26 2018 about

599

00:26:36,649 --> 00:26:35,100

12 30 a.m the report was submitted by an

600

00:26:40,250 --> 00:26:36,659

older couple

601
00:26:43,490 --> 00:26:40,260
who work as an over-the-road team for a

602
00:26:45,769 --> 00:26:43,500
trucking company in Alsip Illinois

603
00:26:47,450 --> 00:26:45,779
they both have been driving together for

604
00:26:50,330 --> 00:26:47,460
15 years

605
00:26:52,010 --> 00:26:50,340
have been married for over 27 years

606
00:26:54,230 --> 00:26:52,020
the gentleman was at the wheel of the

607
00:26:56,870 --> 00:26:54,240
truck when the encounter occurred and

608
00:26:58,909 --> 00:26:56,880
his wife was in the passenger seat

609
00:27:01,310 --> 00:26:58,919
spoke to both of them

610
00:27:04,190 --> 00:27:01,320
at the same time at a local restaurant

611
00:27:08,090 --> 00:27:04,200
near the truck yard at Alsip Illinois

612
00:27:09,950 --> 00:27:08,100
now this was Manuel who met up with them

613
00:27:11,870 --> 00:27:09,960

states have both agreed to have the

614

00:27:13,909 --> 00:27:11,880

story submitted but asked that their

615

00:27:15,409 --> 00:27:13,919

names be kept confidential due to the

616

00:27:17,690 --> 00:27:15,419

nature of their work

617

00:27:20,810 --> 00:27:17,700

and the fact that they did not want

618

00:27:23,149 --> 00:27:20,820

someone from their company who was also

619

00:27:24,950 --> 00:27:23,159

was also based in Alsip Illinois to find

620

00:27:27,409 --> 00:27:24,960

out about their sighting

621

00:27:29,450 --> 00:27:27,419

so the initial citing report is as

622

00:27:32,330 --> 00:27:29,460

follows

623

00:27:34,610 --> 00:27:32,340

now we were on our way to park our truck

624

00:27:36,110 --> 00:27:34,620

at the yard after being on the road for

625

00:27:38,210 --> 00:27:36,120

two weeks

626
00:27:40,310 --> 00:27:38,220
as we approached the railroad track

627
00:27:41,870 --> 00:27:40,320
crossing we noticed something standing

628
00:27:43,669 --> 00:27:41,880
in the middle of the road

629
00:27:46,370 --> 00:27:43,679
and thought it was a homeless person

630
00:27:49,370 --> 00:27:46,380
walking along the tracks

631
00:27:51,649 --> 00:27:49,380
and we popped on the high intensity lace

632
00:27:53,990 --> 00:27:51,659
and to our surprise it was not a

633
00:27:55,970 --> 00:27:54,000
homeless person at all this thing looked

634
00:27:59,330 --> 00:27:55,980
like a large owl

635
00:28:01,610 --> 00:27:59,340
as it had what looked like feathers and

636
00:28:04,370 --> 00:28:01,620
a flat rounded face with large eyes is

637
00:28:05,690 --> 00:28:04,380
that reflected the LED light on our

638
00:28:08,750 --> 00:28:05,700

truck

639

00:28:11,269 --> 00:28:08,760

this thing appeared to Lunge us

640

00:28:12,769 --> 00:28:11,279

while trying to cover his eyes with his

641

00:28:15,710 --> 00:28:12,779

left arm

642

00:28:18,470 --> 00:28:15,720

I pulled on the air horn and this thing

643

00:28:20,930 --> 00:28:18,480

turned its back on us and then took a

644

00:28:23,330 --> 00:28:20,940

couple steps and then took off into the

645

00:28:24,830 --> 00:28:23,340

air and flew off into the night

646

00:28:26,990 --> 00:28:24,840

and we were left sitting here in

647

00:28:28,730 --> 00:28:27,000

complete shock as we watched it

648

00:28:31,490 --> 00:28:28,740

disappear into the night

649

00:28:33,890 --> 00:28:31,500

after a minute or two of looking to see

650

00:28:35,810 --> 00:28:33,900

if this thing would come back around we

651
00:28:37,789 --> 00:28:35,820
continued into the yard

652
00:28:40,610 --> 00:28:37,799
you parked the truck and walk across

653
00:28:42,950 --> 00:28:40,620
towards it and walk towards our car as

654
00:28:45,710 --> 00:28:42,960
we were almost at the car we heard what

655
00:28:47,930 --> 00:28:45,720
sounded like you scream followed by

656
00:28:50,090 --> 00:28:47,940
another and then silence we hustled our

657
00:28:51,649 --> 00:28:50,100
tails to the car and left for home

658
00:28:54,830 --> 00:28:51,659
now

659
00:28:57,110 --> 00:28:54,840
the area where the siding is heavily

660
00:28:59,450 --> 00:28:57,120
industrialized with a few residential

661
00:29:02,450 --> 00:28:59,460
areas nearby

662
00:29:04,190 --> 00:29:02,460
uh the railroad crossing mentions

663
00:29:06,769 --> 00:29:04,200

sits approximately three quarter of a

664

00:29:09,710 --> 00:29:06,779

mile from the entrance is surrounded by

665

00:29:11,390 --> 00:29:09,720

Woodard area on West 122nd Street and

666

00:29:12,649 --> 00:29:11,400

across the street from the Coca-Cola

667

00:29:15,409 --> 00:29:12,659

plant

668

00:29:17,029 --> 00:29:15,419

I accompanied the couple to locations of

669

00:29:20,330 --> 00:29:17,039

society

670

00:29:25,549 --> 00:29:22,250

like again if you have questions you can

671

00:29:28,370 --> 00:29:25,559

start putting it up there I um

672

00:29:34,850 --> 00:29:28,380

this sighting at alcep

673

00:29:34,860 --> 00:29:39,289

we started getting more

674

00:29:45,769 --> 00:29:41,570

or started getting another we got

675

00:29:52,430 --> 00:29:48,110

uh see I got a question from Marcus

676
00:29:59,269 --> 00:29:55,669
uh line why no post on fans watches blog

677
00:30:01,430 --> 00:29:59,279
spot since April 19th you know I've been

678
00:30:04,070 --> 00:30:01,440
posting every day I don't know why

679
00:30:08,570 --> 00:30:04,080
people are not getting I'll look into it

680
00:30:11,690 --> 00:30:08,580
but I think you're probably getting your

681
00:30:14,210 --> 00:30:11,700
your getting your uh

682
00:30:16,850 --> 00:30:14,220
getting it off the RSS feed

683
00:30:19,909 --> 00:30:16,860
and the RSS feed

684
00:30:21,950 --> 00:30:19,919
is not working anymore

685
00:30:23,090 --> 00:30:21,960
uh that's through feed burner with

686
00:30:25,070 --> 00:30:23,100
Google

687
00:30:26,510 --> 00:30:25,080
if you're good if you want it if you

688
00:30:28,850 --> 00:30:26,520

want to look

689

00:30:30,409 --> 00:30:28,860

for this The Story You're gonna have to

690

00:30:33,350 --> 00:30:30,419

on the account you're gonna have to go

691

00:30:36,230 --> 00:30:33,360

to fansofmonsters.com and find it

692

00:30:38,690 --> 00:30:36,240

because for whatever reason the RSS feed

693

00:30:40,909 --> 00:30:38,700

is not working anymore and you can blame

694

00:30:45,250 --> 00:30:40,919

Goomba for that I wasn't aware that

695

00:30:50,149 --> 00:30:47,090

but uh

696

00:30:51,649 --> 00:30:50,159

at this point I I don't know if I can I

697

00:30:53,690 --> 00:30:51,659

know I can't use it through Google

698

00:30:56,450 --> 00:30:53,700

anymore so if I do

699

00:30:58,130 --> 00:30:56,460

reissue the RSS feed somewhere else

700

00:31:00,110 --> 00:30:58,140

you're going to have to get it from

701
00:31:01,970 --> 00:31:00,120
another source but

702
00:31:04,070 --> 00:31:01,980
the best thing you do at this point you

703
00:31:05,810 --> 00:31:04,080
go to Phantom monsters.com

704
00:31:07,190 --> 00:31:05,820
because I've been updating every day

705
00:31:10,850 --> 00:31:07,200
I've been posting

706
00:31:16,490 --> 00:31:10,860
free post every day so

707
00:31:19,909 --> 00:31:17,750
um

708
00:31:23,510 --> 00:31:19,919
Nancy Malcolm have there been any

709
00:31:25,789 --> 00:31:23,520
reports of Mothman speaking to a witness

710
00:31:27,649 --> 00:31:25,799
literally speaking no but there have

711
00:31:29,990 --> 00:31:27,659
been instances of telepathic

712
00:31:31,549 --> 00:31:30,000
communication

713
00:31:36,350 --> 00:31:31,559

um

714

00:31:37,789 --> 00:31:36,360

in late 2001 we were making some type of

715

00:31:40,130 --> 00:31:37,799

contact some of the people on team are

716

00:31:43,669 --> 00:31:40,140

making some type of contact

717

00:31:46,490 --> 00:31:43,679

but that kind of um that kind of stopped

718

00:31:49,070 --> 00:31:46,500

after there was an issue with

719

00:31:53,110 --> 00:31:49,080

a reader or some people who were trying

720

00:32:02,330 --> 00:31:53,120

to make contact with it as well

721

00:32:07,250 --> 00:32:04,430

okay folks if you have questions go

722

00:32:09,409 --> 00:32:07,260

ahead and post them I'm gonna go through

723

00:32:14,990 --> 00:32:09,419

here and see if I can come up with

724

00:32:17,870 --> 00:32:15,769

um

725

00:32:20,570 --> 00:32:17,880

super sorious Rex what are the most

726
00:32:22,190 --> 00:32:20,580
consistent physical traits of witness

727
00:32:24,110 --> 00:32:22,200
descriptions

728
00:32:27,710 --> 00:32:24,120
well the most consistent

729
00:32:32,450 --> 00:32:27,720
are of the uh the bat wings

730
00:32:33,549 --> 00:32:32,460
and of a very thin black or dark in

731
00:32:36,350 --> 00:32:33,559
color

732
00:32:38,830 --> 00:32:36,360
six seven foot in height

733
00:32:41,330 --> 00:32:38,840
a very thin head

734
00:32:43,190 --> 00:32:41,340
uh sometimes the arms are attached

735
00:32:44,870 --> 00:32:43,200
sometimes they're detached to the wings

736
00:32:48,049 --> 00:32:44,880
from the wings

737
00:32:49,370 --> 00:32:48,059
uh but occasionally we do get these out

738
00:32:51,350 --> 00:32:49,380

like

739

00:32:54,110 --> 00:32:51,360

descriptions now

740

00:32:56,990 --> 00:32:54,120

do I believe that these Allied creatures

741

00:32:58,850 --> 00:32:57,000

or Gore Little Creatures or batwing

742

00:33:01,370 --> 00:32:58,860

creatures or whatever else people have

743

00:33:03,289 --> 00:33:01,380

the scripts brought to us

744

00:33:09,110 --> 00:33:03,299

do I believe they're related absolutely

745

00:33:14,330 --> 00:33:11,870

uh the screaming is very consistent with

746

00:33:20,029 --> 00:33:14,340

all them

747

00:33:26,870 --> 00:33:24,649

uh again super sorious Rex uh what

748

00:33:28,789 --> 00:33:26,880

reports of the Chicago Mall man seem to

749

00:33:31,130 --> 00:33:28,799

describe something wildly different from

750

00:33:33,470 --> 00:33:31,140

the majority well I I just talked about

751
00:33:37,009 --> 00:33:33,480
a few of those

752
00:33:39,470 --> 00:33:37,019
um The Disappearing is one thing we've

753
00:33:40,250 --> 00:33:39,480
also had people who believe that the

754
00:33:42,590 --> 00:33:40,260
thing

755
00:33:44,570 --> 00:33:42,600
just suddenly showed up you know a lot

756
00:33:48,470 --> 00:33:44,580
of the sightings

757
00:33:50,930 --> 00:33:48,480
that we got downtown early on

758
00:33:52,730 --> 00:33:50,940
just seemed to be that this being would

759
00:33:54,350 --> 00:33:52,740
just show up

760
00:33:56,389 --> 00:33:54,360
that it wasn't really coming from

761
00:33:57,889 --> 00:33:56,399
anywhere it would just it would just

762
00:33:58,870 --> 00:33:57,899
show up in front of the witnesses

763
00:34:04,490 --> 00:33:58,880

somehow

764

00:34:07,610 --> 00:34:04,500

uh be seen and then very quickly fly off

765

00:34:10,790 --> 00:34:07,620

that has happened that had did happen

766

00:34:12,070 --> 00:34:10,800

very much during the first year year and

767

00:34:13,790 --> 00:34:12,080

a half

768

00:34:17,510 --> 00:34:13,800

but

769

00:34:20,629 --> 00:34:17,520

you know as we go into more of these

770

00:34:22,790 --> 00:34:20,639

accounts and next week as well

771

00:34:24,230 --> 00:34:22,800

they're just a few synchronicities that

772

00:34:26,990 --> 00:34:24,240

are very strange

773

00:34:29,450 --> 00:34:27,000

and

774

00:34:31,430 --> 00:34:29,460

a lot of a lot of things that happened

775

00:34:34,310 --> 00:34:31,440

back in still occur

776

00:34:36,710 --> 00:34:34,320

uh but when we started getting into the

777

00:34:38,570 --> 00:34:36,720

sightings in in the airport there were

778

00:34:41,470 --> 00:34:38,580

some a few changes

779

00:34:43,310 --> 00:34:41,480

uh but all in all you know the the

780

00:34:45,169 --> 00:34:43,320

characteristics and the sightings

781

00:34:46,970 --> 00:34:45,179

themselves and descriptions have been

782

00:34:49,250 --> 00:34:46,980

very similar

783

00:34:51,589 --> 00:34:49,260

uh you do get an outlier here and there

784

00:34:56,690 --> 00:34:51,599

but I do believe they're all a part of

785

00:35:01,609 --> 00:34:59,990

now uh Jose Sanchez besides Chicago the

786

00:35:04,550 --> 00:35:01,619

windy city and what other states has

787

00:35:06,710 --> 00:35:04,560

Mothman beside it

788

00:35:10,430 --> 00:35:06,720

I think in almost every state be honest

789

00:35:12,589 --> 00:35:10,440

with you I've had savings

790

00:35:15,950 --> 00:35:12,599

all over the United States a few in

791

00:35:18,650 --> 00:35:15,960

throughout the world uh the only state I

792

00:35:20,930 --> 00:35:18,660

don't think I have had one was in Hawaii

793

00:35:22,730 --> 00:35:20,940

but I could be wrong about that

794

00:35:24,230 --> 00:35:22,740

we've had them in we've had them in

795

00:35:25,670 --> 00:35:24,240

Alaska we've had them in a few of the

796

00:35:29,450 --> 00:35:25,680

territories

797

00:35:31,370 --> 00:35:29,460

but um the states where it has

798

00:35:33,829 --> 00:35:31,380

been pretty prevalent

799

00:35:36,109 --> 00:35:33,839

over the years of course with the Upper

800

00:35:38,810 --> 00:35:36,119

Midwest with Chicago and of course

801
00:35:40,910 --> 00:35:38,820
Indiana Illinois

802
00:35:44,270 --> 00:35:40,920
um Wisconsin

803
00:35:45,950 --> 00:35:44,280
and a few across the uh Lake into

804
00:35:50,089 --> 00:35:45,960
into Michigan

805
00:35:54,710 --> 00:35:50,099
we had signings in Ohio Pennsylvania

806
00:35:57,589 --> 00:35:54,720
up into Southern Ontario past New York

807
00:35:59,510 --> 00:35:57,599
up in the Niagara section in New York

808
00:36:01,609 --> 00:35:59,520
and of course we had several sightings

809
00:36:04,069 --> 00:36:01,619
down in the in Florida down in Pasco

810
00:36:05,810 --> 00:36:04,079
County which I reported on and we've had

811
00:36:06,829 --> 00:36:05,820
them in Texas as well

812
00:36:09,589 --> 00:36:06,839
but

813
00:36:12,589 --> 00:36:09,599

I I frankly I we've had some weddings

814

00:36:14,870 --> 00:36:12,599

all over the country uh

815

00:36:16,550 --> 00:36:14,880

and for the most part decidings have

816

00:36:18,589 --> 00:36:16,560

been somewhat consistent of what's been

817

00:36:21,230 --> 00:36:18,599

going on Chicago

818

00:36:25,069 --> 00:36:21,240

but you know there have been some slight

819

00:36:26,870 --> 00:36:25,079

differences but nothing nothing really

820

00:36:28,430 --> 00:36:26,880

much different than what people are

821

00:36:32,690 --> 00:36:28,440

reporting

822

00:36:35,329 --> 00:36:32,700

uh 24 baby bull ask

823

00:36:36,589 --> 00:36:35,339

so many in the midwest Native American

824

00:36:38,630 --> 00:36:36,599

land

825

00:36:41,329 --> 00:36:38,640

um

826
00:36:43,730 --> 00:36:41,339
I wish I knew

827
00:36:46,069 --> 00:36:43,740
uh it it could be

828
00:36:48,349 --> 00:36:46,079
that Upper Midwest

829
00:36:52,609 --> 00:36:48,359
and Tobias could tell you this as well

830
00:36:55,490 --> 00:36:52,619
it is well known Emmanuel also that area

831
00:36:59,230 --> 00:36:55,500
of the country is well known for uh

832
00:37:02,630 --> 00:36:59,240
avian Cryptid sightings uh

833
00:37:06,470 --> 00:37:02,640
pterosaurs Thunderbirds

834
00:37:07,490 --> 00:37:06,480
there are depictions and uh petroglyphs

835
00:37:12,349 --> 00:37:07,500
of

836
00:37:15,230 --> 00:37:12,359
um large-winged birds or avian species

837
00:37:16,910 --> 00:37:15,240
that have been left by the native or the

838
00:37:19,130 --> 00:37:16,920

indigenous people

839

00:37:21,109 --> 00:37:19,140

from centers ago

840

00:37:23,750 --> 00:37:21,119

it's um

841

00:37:26,750 --> 00:37:23,760

so it's pretty understandable why it's

842

00:37:28,430 --> 00:37:26,760

being seen there but it's just not these

843

00:37:30,650 --> 00:37:28,440

uh these Wing humanoids we're getting

844

00:37:32,770 --> 00:37:30,660

other avian sightings as well large

845

00:37:35,750 --> 00:37:32,780

avian sightings

846

00:37:38,569 --> 00:37:35,760

so uh yeah that's a reason why and you

847

00:37:41,450 --> 00:37:38,579

know can we connect this to the

848

00:37:43,670 --> 00:37:41,460

indigenous people not really at this

849

00:37:46,849 --> 00:37:43,680

point anyway

850

00:37:52,010 --> 00:37:49,609

so uh you know I you know until we get

851
00:37:53,510 --> 00:37:52,020
more information I can't really say what

852
00:37:56,890 --> 00:37:53,520
it is

853
00:37:58,730 --> 00:37:56,900
or how excited

854
00:38:01,250 --> 00:37:58,740
books

855
00:38:03,230 --> 00:38:01,260
uh C valo

856
00:38:07,130 --> 00:38:03,240
what is the general consensus of the

857
00:38:08,990 --> 00:38:07,140
reason people are seeing these creatures

858
00:38:12,470 --> 00:38:09,000
well

859
00:38:16,970 --> 00:38:12,480
the one factor that I think most of us

860
00:38:22,730 --> 00:38:19,490
these are these are not random sightings

861
00:38:24,370 --> 00:38:22,740
that this thing or we don't believe it's

862
00:38:27,710 --> 00:38:24,380
raining those things and these things

863
00:38:31,250 --> 00:38:27,720

are actually pinpointing what witnesses

864

00:38:34,910 --> 00:38:32,150

um

865

00:38:35,930 --> 00:38:34,920

all the sightings are very quick very

866

00:38:39,829 --> 00:38:35,940

brief

867

00:38:45,589 --> 00:38:42,349

um you know other people may have

868

00:38:48,410 --> 00:38:45,599

other than the standard skepticism as

869

00:38:49,849 --> 00:38:48,420

this being some type of regular large

870

00:38:52,970 --> 00:38:49,859

bird

871

00:38:55,970 --> 00:38:52,980

uh I I think at this point we can pretty

872

00:38:58,190 --> 00:38:55,980

well just discount most of that because

873

00:39:00,170 --> 00:38:58,200

there's just too many sightings and too

874

00:39:07,550 --> 00:39:00,180

many similar accounts and too many

875

00:39:07,560 --> 00:39:12,770

Jose Sanchez again

876

00:39:17,990 --> 00:39:15,710

I have fox bats ever been confused for

877

00:39:20,450 --> 00:39:18,000

the actual Mothman reports

878

00:39:23,390 --> 00:39:20,460

I don't think so

879

00:39:25,670 --> 00:39:23,400

if you're talking about flying Foxes or

880

00:39:30,530 --> 00:39:25,680

some type of huge bat

881

00:39:37,490 --> 00:39:33,770

you know the only the only

882

00:39:39,650 --> 00:39:37,500

the only natural species of

883

00:39:42,349 --> 00:39:39,660

a bird or anything

884

00:39:45,530 --> 00:39:42,359

could possibly in some instances be a

885

00:39:48,710 --> 00:39:45,540

giant blue herring Heron excuse me book

886

00:39:51,430 --> 00:39:48,720

John Blue Heron are possible a whooping

887

00:39:55,430 --> 00:39:51,440

crane or sandhill crane

888

00:39:57,770 --> 00:39:55,440

uh there are smaller flyaways that go

889

00:40:00,530 --> 00:39:57,780

through the area

890

00:40:02,030 --> 00:40:00,540

but I think for the most part those

891

00:40:05,270 --> 00:40:02,040

sightings that may have been

892

00:40:08,450 --> 00:40:05,280

misidentifications just have not been

893

00:40:10,670 --> 00:40:08,460

uh added to the actual list that we have

894

00:40:12,829 --> 00:40:10,680

and at this point right now we're up

895

00:40:15,950 --> 00:40:12,839

over 160 sightings

896

00:40:18,650 --> 00:40:15,960

uh we're still working on more of them

897

00:40:26,810 --> 00:40:18,660

uh we've been talking to people and it

898

00:40:33,530 --> 00:40:30,109

um uh Castro Pollux 15 are there any in

899

00:40:35,630 --> 00:40:33,540

South Carolina in the South well yeah

900

00:40:39,470 --> 00:40:35,640

Pasco County Florida

901
00:40:41,870 --> 00:40:39,480
we've had sightings and we had three

902
00:40:44,270 --> 00:40:41,880
very interesting sightings there

903
00:40:47,870 --> 00:40:44,280
or South Carolina go off and I can't

904
00:40:53,870 --> 00:40:50,990
more clown are there any Witnesses

905
00:40:56,690 --> 00:40:53,880
who are not terrified

906
00:40:59,329 --> 00:40:56,700
after seeing the maltman

907
00:41:06,109 --> 00:41:02,990
I'd say for the most part the terror for

908
00:41:08,990 --> 00:41:06,119
boating feeling is prevalent

909
00:41:11,569 --> 00:41:09,000
but there have been some people who've

910
00:41:13,550 --> 00:41:11,579
kind of discounted all that maybe not

911
00:41:15,230 --> 00:41:13,560
believing what they saw

912
00:41:17,450 --> 00:41:15,240
uh

913
00:41:20,990 --> 00:41:17,460

maybe hitting them later about after

914

00:41:28,010 --> 00:41:21,000

thinking about it that maybe I did see

915

00:41:33,170 --> 00:41:31,370

aggravated Progressive

916

00:41:35,810 --> 00:41:33,180

it's Mothman associated with many

917

00:41:36,829 --> 00:41:35,820

disasters yeah I mean that's been kind

918

00:41:39,230 --> 00:41:36,839

of the

919

00:41:41,690 --> 00:41:39,240

the uh

920

00:41:43,310 --> 00:41:41,700

and I call her old wives tale because I

921

00:41:45,050 --> 00:41:43,320

just don't believe these things are

922

00:41:47,089 --> 00:41:45,060

harbingers I mean

923

00:41:48,790 --> 00:41:47,099

people say they see them kind of after

924

00:41:50,569 --> 00:41:48,800

the fact

925

00:41:53,329 --> 00:41:50,579

but

926

00:41:55,250 --> 00:41:53,339

I don't believe they are I really don't

927

00:41:57,589 --> 00:41:55,260

I think that's just something that was

928

00:42:03,349 --> 00:41:57,599

perpetuated after the

929

00:42:09,470 --> 00:42:05,870

the uh Silver Bridge coming down and

930

00:42:11,630 --> 00:42:09,480

Point Pleasant he had 46 people die

931

00:42:15,050 --> 00:42:11,640

which is you know in a small town that's

932

00:42:16,849 --> 00:42:15,060

that's a massive disaster

933

00:42:19,310 --> 00:42:16,859

and I think people were looking for

934

00:42:21,829 --> 00:42:19,320

excuses but no I I don't really believe

935

00:42:23,089 --> 00:42:21,839

that these moth men or these these

936

00:42:27,410 --> 00:42:23,099

beings

937

00:42:30,410 --> 00:42:27,420

are directly associated with disasters

938

00:42:32,150 --> 00:42:30,420

Thomas Carroll asked

939

00:42:35,150 --> 00:42:32,160

uh have there been any more Man

940

00:42:37,550 --> 00:42:35,160

sightings by Mariners way out of sea not

941

00:42:38,349 --> 00:42:37,560

that I know of

942

00:42:41,510 --> 00:42:38,359

um

943

00:42:44,329 --> 00:42:41,520

any of the large bird light sightings

944

00:42:46,790 --> 00:42:44,339

that I have received from

945

00:42:49,849 --> 00:42:46,800

out at sea or in the oceans have been

946

00:42:54,410 --> 00:42:49,859

something much different than that

947

00:42:54,420 --> 00:42:58,609

24 baby boo again Ask

948

00:43:03,170 --> 00:43:01,250

didn't O'Hare have a crazy UFO setting

949

00:43:06,109 --> 00:43:03,180

many witnesses punched in the hole in

950

00:43:11,569 --> 00:43:06,119

the clouds yeah that was back in uh

951
00:43:15,170 --> 00:43:13,849
they have been before that I kind of

952
00:43:17,930 --> 00:43:15,180
lose track

953
00:43:19,910 --> 00:43:17,940
but yeah that was uh

954
00:43:22,370 --> 00:43:19,920
that was exciting it was a large social

955
00:43:24,349 --> 00:43:22,380
like crap that supposedly had

956
00:43:25,970 --> 00:43:24,359
ascended into the air and punched

957
00:43:28,370 --> 00:43:25,980
through one of the clouds leaving and

958
00:43:31,370 --> 00:43:28,380
open space in the clouds

959
00:43:34,670 --> 00:43:31,380
uh it was seen by a lot of people

960
00:43:37,430 --> 00:43:34,680
but we've also had UFO sightings in

961
00:43:39,109 --> 00:43:37,440
association with these green humanoid

962
00:43:44,329 --> 00:43:39,119
sightings as well we've had at least two

963
00:43:47,510 --> 00:43:46,190

but you know we haven't really had you

964

00:43:48,890 --> 00:43:47,520

know when we started getting these

965

00:43:52,010 --> 00:43:48,900

settings out of here that's when these

966

00:44:03,349 --> 00:43:52,020

UFOs kind of popped up with it so it was

967

00:44:19,130 --> 00:44:14,030

okay

968

00:44:21,349 --> 00:44:19,140
