& MONSTERS  
RADIO  
presents

**CARTER BUSCHARDT**  
**BIGFOOT INVESTIGATOR**

*A Paranormal Life*  
*with*  
*Bernadette McDaniel*

**THURSDAY, MAY 4TH - 8PM ET / 5PM PT**

1  
00:01:10,030 --> 00:00:29,689  
foreign

2  
00:01:14,510 --> 00:01:12,590  
and welcome to the show I'm your host

3  
00:01:16,969 --> 00:01:14,520  
Bernadette and well thank you all for

4  
00:01:19,270 --> 00:01:16,979  
coming out tonight we have Carter

5  
00:01:22,550 --> 00:01:19,280  
Bouchard I hope I pronounced that right

6  
00:01:24,590 --> 00:01:22,560  
he's a Bigfoot researcher an experiercer

7  
00:01:27,230 --> 00:01:24,600  
and we're just going to bring him in and

8  
00:01:29,510 --> 00:01:27,240  
get the show started because he's a very

9  
00:01:31,609 --> 00:01:29,520  
interesting guest and a lot of fun

10  
00:01:34,310 --> 00:01:31,619  
hi Carter

11  
00:01:36,410 --> 00:01:34,320  
uh hello Bernadette how's it going

12  
00:01:38,330 --> 00:01:36,420  
it's going good how are you

13  
00:01:40,850 --> 00:01:38,340

I'm just fine

14

00:01:44,330 --> 00:01:40,860

I cooked a nice Mexican meal in there do

15

00:01:44,340 --> 00:01:48,710

okay I'm sorry what

16

00:01:55,249 --> 00:01:52,389

it's okay you okay

17

00:01:58,690 --> 00:01:55,259

so go ahead you were saying

18

00:02:01,130 --> 00:01:58,700

oh sorry I just cooked me a nice mix

19

00:02:03,109 --> 00:02:01,140

I don't even want to take a CS show I'm

20

00:02:05,090 --> 00:02:03,119

all ready to go

21

00:02:07,789 --> 00:02:05,100

oh

22

00:02:08,990 --> 00:02:07,799

so for those who don't know who you are

23

00:02:12,170 --> 00:02:09,000

and what you do do you want to tell

24

00:02:15,610 --> 00:02:12,180

everyone about yourself

25

00:02:19,550 --> 00:02:15,620

yes uh I'm Carter Bouchard I'm a

26

00:02:21,890 --> 00:02:19,560

Sasquatch researcher investigator uh

27

00:02:23,809 --> 00:02:21,900

I've had I've written three books I'm

28

00:02:27,290 --> 00:02:23,819

working on a fourth

29

00:02:30,470 --> 00:02:27,300

uh all the books are Sasquatch evidence

30

00:02:32,089 --> 00:02:30,480

of an enigma books one two and three and

31

00:02:34,369 --> 00:02:32,099

then I'm working on another one which

32

00:02:36,710 --> 00:02:34,379

will not be in the

33

00:02:38,570 --> 00:02:36,720

Sasquatch Series so to speak with the

34

00:02:40,970 --> 00:02:38,580

Sasquatch but it's it won't be in the

35

00:02:43,790 --> 00:02:40,980

Enigma series I'm doing it separate but

36

00:02:47,990 --> 00:02:43,800

anyway uh I've uh

37

00:02:50,890 --> 00:02:48,000

currently still with BFRO I've had a

38

00:02:53,089 --> 00:02:50,900

hundred reports published to be afro

39

00:02:56,089 --> 00:02:53,099

that's published I've probably spoken to

40

00:02:58,970 --> 00:02:56,099

about 450 500 Witnesses over a 14 15

41

00:03:01,550 --> 00:02:58,980

year period uh I led four Expeditions

42

00:03:04,390 --> 00:03:01,560

for bfro3 here in Missouri one in

43

00:03:07,910 --> 00:03:04,400

Illinois in 2019

44

00:03:10,550 --> 00:03:07,920

and I consulted on a couple of the

45

00:03:13,690 --> 00:03:10,560

Animal Planet uh Finding Bigfoot TV

46

00:03:17,630 --> 00:03:13,700

shows one in Kansas one in Missouri

47

00:03:19,550 --> 00:03:17,640

and uh that's about it you know that's

48

00:03:21,589 --> 00:03:19,560

that's it in a nutshell I

49

00:03:23,809 --> 00:03:21,599

I wrote these books

50

00:03:26,270 --> 00:03:23,819

kind of by accident I wasn't planning on

51  
00:03:28,490 --> 00:03:26,280  
writing a book covered hit and I was

52  
00:03:30,470 --> 00:03:28,500  
going well I guess I'm stuck at home for

53  
00:03:33,110 --> 00:03:30,480  
a while among where everybody else is so

54  
00:03:34,910 --> 00:03:33,120  
I started researching my reports that

55  
00:03:36,589 --> 00:03:34,920  
I'd published I realized I got a bunch

56  
00:03:37,670 --> 00:03:36,599  
of stuff here I should probably do

57  
00:03:39,290 --> 00:03:37,680  
something with it because I wanted

58  
00:03:41,570 --> 00:03:39,300  
people to know and I could elaborate on

59  
00:03:44,210 --> 00:03:41,580  
these before you really can and you know

60  
00:03:47,330 --> 00:03:44,220  
when they're published so anyway that's

61  
00:03:51,289 --> 00:03:49,670  
so before we go on I just want to let

62  
00:03:54,050 --> 00:03:51,299  
everyone know if you guys have questions

63  
00:03:55,550 --> 00:03:54,060

or anything for Carter put them in caps

64

00:03:57,289 --> 00:03:55,560

and we'll get to them in the middle

65

00:03:58,910 --> 00:03:57,299

towards the end of the show just so you

66

00:04:01,490 --> 00:03:58,920

guys know

67

00:04:03,350 --> 00:04:01,500

um so what have been your experiences

68

00:04:05,750 --> 00:04:03,360

with Bigfoot because you go out into the

69

00:04:08,809 --> 00:04:05,760

field and you have had encounters

70

00:04:11,809 --> 00:04:08,819

correct yeah yeah I'm not a keyboard guy

71

00:04:13,130 --> 00:04:11,819

I actually go out in the field uh you

72

00:04:16,629 --> 00:04:13,140

know

73

00:04:19,610 --> 00:04:16,639

and uh yeah I've had a lot of

74

00:04:22,069 --> 00:04:19,620

experiences I'm having more with my

75

00:04:23,990 --> 00:04:22,079

habituation families but you know the

76

00:04:27,189 --> 00:04:24,000

first time I saw one was when I was

77

00:04:30,909 --> 00:04:27,199

leading an expedition in uh

78

00:04:32,870 --> 00:04:30,919

2013 I think it was uh here in Missouri

79

00:04:35,870 --> 00:04:32,880

and uh

80

00:04:39,050 --> 00:04:35,880

our party there was another group that

81

00:04:41,689 --> 00:04:39,060

we sent them on a long circle around

82

00:04:43,070 --> 00:04:41,699

this research area and they were going

83

00:04:46,370 --> 00:04:43,080

to come back and meet us well they got

84

00:04:48,650 --> 00:04:46,380

lost the radios weren't working and so

85

00:04:50,870 --> 00:04:48,660

we got to where we were supposed to meet

86

00:04:52,730 --> 00:04:50,880

and we were kind of being real quiet and

87

00:04:53,629 --> 00:04:52,740

maintaining radio silence in case

88

00:04:55,490 --> 00:04:53,639

something

89

00:04:58,129 --> 00:04:55,500

A call came through because you could

90

00:05:00,170 --> 00:04:58,139

hear it intermittently and I was kind of

91

00:05:01,969 --> 00:05:00,180

in the woods with my thermal I wasn't

92

00:05:03,469 --> 00:05:01,979

recording I was just looking for them

93

00:05:06,050 --> 00:05:03,479

because I wanted to you know and so I

94

00:05:07,730 --> 00:05:06,060

see a he signature coming around the bin

95

00:05:11,150 --> 00:05:07,740

I'm going oh God here they are finally

96

00:05:14,570 --> 00:05:11,160

okay awesome uh watching well it's not

97

00:05:17,570 --> 00:05:14,580

them it's it's a freaking Sasquatch and

98

00:05:19,550 --> 00:05:17,580

it walks around it it comes around the

99

00:05:20,810 --> 00:05:19,560

corner and

100

00:05:22,189 --> 00:05:20,820

I don't think it knew we were there

101  
00:05:24,770 --> 00:05:22,199  
because we were all literally just

102  
00:05:28,310 --> 00:05:24,780  
standing dead silent in the dark waiting

103  
00:05:31,310 --> 00:05:28,320  
to hear from our lost comrades and so it

104  
00:05:33,490 --> 00:05:31,320  
took one step the Second Step It took it

105  
00:05:36,950 --> 00:05:33,500  
just vanished

106  
00:05:38,810 --> 00:05:36,960  
not faded out it just blew up like a

107  
00:05:40,909 --> 00:05:38,820  
flash bulb like a flash bulb went off

108  
00:05:43,850 --> 00:05:40,919  
that heat signature just exploded and

109  
00:05:47,150 --> 00:05:43,860  
that was it it was gone

110  
00:05:50,150 --> 00:05:47,160  
and I'm going well

111  
00:05:52,670 --> 00:05:50,160  
I was with a bunch of nevermind guys and

112  
00:05:56,450 --> 00:05:52,680  
so I realized at that point

113  
00:05:58,189 --> 00:05:56,460

I need to go over to team paranormal and

114

00:06:00,469 --> 00:05:58,199

Quantum because this ape only thing

115

00:06:02,930 --> 00:06:00,479

isn't going to work you know I wasn't

116

00:06:04,550 --> 00:06:02,940

stoned I wasn't High I wasn't drunk my

117

00:06:07,490 --> 00:06:04,560

equipment it was state of the art

118

00:06:10,210 --> 00:06:07,500

working fine I wasn't hallucinating I'm

119

00:06:13,010 --> 00:06:10,220

not you know paranoid schizophrenic or

120

00:06:14,150 --> 00:06:13,020

hallucinatory person anyway so I went

121

00:06:18,350 --> 00:06:14,160

yeah

122

00:06:21,529 --> 00:06:18,360

holy crap that that just happened and up

123

00:06:25,430 --> 00:06:21,539

until that moment I had not had anything

124

00:06:28,010 --> 00:06:25,440

but a few sprinklings of stories told to

125

00:06:29,990 --> 00:06:28,020

me because the crowd I was with were all

126  
00:06:33,770 --> 00:06:30,000  
ape only you know if you think anything

127  
00:06:38,090 --> 00:06:33,780  
other well you're full of crap so uh

128  
00:06:40,430 --> 00:06:38,100  
that began my journey with these beings

129  
00:06:42,350 --> 00:06:40,440  
and they are beings

130  
00:06:45,830 --> 00:06:42,360  
they have skill sets we just don't

131  
00:06:47,809 --> 00:06:45,840  
understand and deny uh to this day but

132  
00:06:50,270 --> 00:06:47,819  
since then I've seen a few other things

133  
00:06:54,110 --> 00:06:50,280  
I've experienced things that happen to

134  
00:06:56,830 --> 00:06:54,120  
myself that are not explicable by any

135  
00:07:00,409 --> 00:06:56,840  
other means than you know infrasound

136  
00:07:03,350 --> 00:07:00,419  
telepathy something is has affected me

137  
00:07:04,670 --> 00:07:03,360  
and then when I started doing these

138  
00:07:07,370 --> 00:07:04,680

reports

139

00:07:10,070 --> 00:07:07,380

I started getting all these people who

140

00:07:11,990 --> 00:07:10,080

would say well I I got something I want

141

00:07:15,350 --> 00:07:12,000

to after they tell me the report their

142

00:07:17,150 --> 00:07:15,360

story yeah so they say well I got

143

00:07:19,370 --> 00:07:17,160

something I want to tell you and you may

144

00:07:20,990 --> 00:07:19,380

not believe it okay well you just told

145

00:07:22,909 --> 00:07:21,000

me about you saw a creature that does

146

00:07:24,950 --> 00:07:22,919

not even exist and you have something

147

00:07:27,409 --> 00:07:24,960

else you're going to tell me bring it on

148

00:07:29,450 --> 00:07:27,419

let me hear what you got to say I want

149

00:07:31,730 --> 00:07:29,460

to hear that and that's when I started

150

00:07:33,469 --> 00:07:31,740

getting little Snippets and people were

151

00:07:35,029 --> 00:07:33,479

very tenuous they're very timid they

152

00:07:36,409 --> 00:07:35,039

didn't want to talk about it because

153

00:07:39,290 --> 00:07:36,419

people had laughed at them their

154

00:07:41,930 --> 00:07:39,300

husbands wives best friends girlfriends

155

00:07:44,809 --> 00:07:41,940

boyfriends you know co-workers just

156

00:07:47,510 --> 00:07:44,819

close family members had always gone and

157

00:07:49,189 --> 00:07:47,520

I'm like oh yeah Bernadette then saw one

158

00:07:50,629 --> 00:07:49,199

of them Sasquatches let's have her over

159

00:07:53,950 --> 00:07:50,639

for Thanksgiving dinner we can have a

160

00:07:56,390 --> 00:07:53,960

fun time with her you know exactly yeah

161

00:07:58,570 --> 00:07:56,400

we'll make fun of her and have have a

162

00:08:03,110 --> 00:07:58,580

good time at her expense you know so

163

00:08:06,230 --> 00:08:03,120

that is when I started noticing that

164

00:08:07,790 --> 00:08:06,240

there's a trend you know of the the

165

00:08:09,830 --> 00:08:07,800

things these people were saying and

166

00:08:12,890 --> 00:08:09,840

here's something I can't stress enough

167

00:08:14,689 --> 00:08:12,900

they don't want and do not to this day

168

00:08:16,670 --> 00:08:14,699

they don't want any money they don't

169

00:08:18,890 --> 00:08:16,680

want their names they want property

170

00:08:22,430 --> 00:08:18,900

exposed they want nothing they just want

171

00:08:24,110 --> 00:08:22,440

to tell the story have somebody

172

00:08:25,850 --> 00:08:24,120

who's at least open-minded if not

173

00:08:27,529 --> 00:08:25,860

outright believing him

174

00:08:29,570 --> 00:08:27,539

and I've had some of the experiences

175

00:08:31,070 --> 00:08:29,580

they've had so I'm going I can finish

176

00:08:32,570 --> 00:08:31,080

your sentence I know exactly what

177

00:08:34,969 --> 00:08:32,580

happened I know exactly what you're

178

00:08:37,909 --> 00:08:34,979

going to say I I know exactly what

179

00:08:40,490 --> 00:08:37,919

happened to you I I feel it I see it and

180

00:08:43,790 --> 00:08:40,500

I I get it and you're not imagining

181

00:08:45,530 --> 00:08:43,800

things you're not nuts you know yeah or

182

00:08:46,750 --> 00:08:45,540

maybe you are but you saw what you saw

183

00:08:49,790 --> 00:08:46,760

you know

184

00:08:52,190 --> 00:08:49,800

maybe maybe any other time but at that

185

00:08:54,530 --> 00:08:52,200

time you were not yeah and so you know

186

00:08:56,449 --> 00:08:54,540

all the critics right now uh and with

187

00:09:00,290 --> 00:08:56,459

other researchers as well not myself but

188

00:09:03,350 --> 00:09:00,300

others of course are ragging all over me

189

00:09:05,509 --> 00:09:03,360

you know because this can't happen that

190

00:09:08,690 --> 00:09:05,519

didn't happen uh you're just making that

191

00:09:10,430 --> 00:09:08,700

up you know and all the other

192

00:09:13,550 --> 00:09:10,440

garbage that goes with that kind of

193

00:09:15,470 --> 00:09:13,560

stuff and so that's when you know you're

194

00:09:16,850 --> 00:09:15,480

doing something right because these

195

00:09:19,910 --> 00:09:16,860

people and they're coming out of the

196

00:09:21,710 --> 00:09:19,920

woodwork that is the most awesome thing

197

00:09:25,550 --> 00:09:21,720

because you know I wrote the first book

198

00:09:28,009 --> 00:09:25,560

and I had a few stories but since then

199

00:09:31,610 --> 00:09:28,019

I've accumulated probably

200

00:09:35,030 --> 00:09:31,620

50 to 75 witnesses that are like off the

201  
00:09:36,530 --> 00:09:35,040  
charts their habituation families most

202  
00:09:38,269 --> 00:09:36,540  
of them that's where most of my research

203  
00:09:39,350 --> 00:09:38,279  
is that because these people are living

204  
00:09:42,170 --> 00:09:39,360  
with

205  
00:09:44,650 --> 00:09:42,180  
a family or a clan of Sasquatch on their

206  
00:09:48,769 --> 00:09:44,660  
property and they interact with them

207  
00:09:50,090 --> 00:09:48,779  
uh at various stages during any year you

208  
00:09:51,889 --> 00:09:50,100  
know I mean you know they might be

209  
00:09:53,750 --> 00:09:51,899  
weekly it might be monthly they see them

210  
00:09:55,490 --> 00:09:53,760  
and you know they you know they don't

211  
00:09:56,750 --> 00:09:55,500  
necessarily wave to each other but they

212  
00:09:58,250 --> 00:09:56,760  
you know

213  
00:10:00,350 --> 00:09:58,260

they're watching each other they're

214

00:10:02,750 --> 00:10:00,360

watching them live their lives and my my

215

00:10:06,290 --> 00:10:02,760

Witnesses are watching them

216

00:10:10,310 --> 00:10:06,300

live their lives it's just it's a crazy

217

00:10:12,350 --> 00:10:10,320

crazy uh but real thing and you know

218

00:10:14,750 --> 00:10:12,360

these people uh some of them have sat on

219

00:10:16,370 --> 00:10:14,760

this stuff for so long and they're so

220

00:10:19,130 --> 00:10:16,380

pimped up you know they've had so many

221

00:10:21,769 --> 00:10:19,140

people just ridiculed and scoff at them

222

00:10:23,990 --> 00:10:21,779

some of them are brought to tears when

223

00:10:25,790 --> 00:10:24,000

they're talking to me you know you know

224

00:10:27,769 --> 00:10:25,800

and just you know emotional men and

225

00:10:31,250 --> 00:10:27,779

women you know not a lot but just enough

226

00:10:33,650 --> 00:10:31,260

to know that they're touched because

227

00:10:35,210 --> 00:10:33,660

you're listening to them and they are

228

00:10:38,870 --> 00:10:35,220

touched because they finally get this

229

00:10:40,790 --> 00:10:38,880

out of their system and sharing it for

230

00:10:43,130 --> 00:10:40,800

maybe the first time in three four five

231

00:10:47,630 --> 00:10:43,140

ten years 20 years I mean it's just

232

00:10:49,430 --> 00:10:47,640

bizarre you know and and so and that's

233

00:10:53,150 --> 00:10:49,440

one reason I write these books is

234

00:10:56,030 --> 00:10:53,160

because I want these people with these

235

00:10:57,949 --> 00:10:56,040

Quantum paranormal metaphysical type

236

00:10:59,030 --> 00:10:57,959

things going on that nobody believes

237

00:11:00,949 --> 00:10:59,040

right now

238

00:11:02,030 --> 00:11:00,959

to come forward and tell me I'll put

239

00:11:04,490 --> 00:11:02,040

them in a book

240

00:11:06,250 --> 00:11:04,500

or talk to them on shows like this and

241

00:11:08,870 --> 00:11:06,260

then somebody else will call me

242

00:11:11,449 --> 00:11:08,880

invariably I will get a call almost

243

00:11:13,790 --> 00:11:11,459

every other show that I do uh podcast

244

00:11:16,370 --> 00:11:13,800

because someone goes hey yes I got one

245

00:11:18,590 --> 00:11:16,380

just this afternoon from a guy in

246

00:11:20,870 --> 00:11:18,600

California I was watching something you

247

00:11:22,250 --> 00:11:20,880

did on YouTube and man that I mean he

248

00:11:24,650 --> 00:11:22,260

just started rattling off and he wants

249

00:11:27,110 --> 00:11:24,660

to talk so I mean it's just

250

00:11:28,190 --> 00:11:27,120

it's a conduit you know because these

251  
00:11:29,810 --> 00:11:28,200  
people don't have anywhere to go it's

252  
00:11:32,990 --> 00:11:29,820  
like the Underground Railroad to me it's

253  
00:11:35,750 --> 00:11:33,000  
really sad very very sad you can't talk

254  
00:11:39,710 --> 00:11:35,760  
about this it's

255  
00:11:41,990 --> 00:11:39,720  
oh go ahead sorry go ahead

256  
00:11:44,389 --> 00:11:42,000  
no I was gonna say it's important to

257  
00:11:45,769 --> 00:11:44,399  
have somebody like you or like Leon who

258  
00:11:48,050 --> 00:11:45,779  
will sit there and listen to somebody

259  
00:11:51,829 --> 00:11:48,060  
who's had the experience like you said

260  
00:11:53,030 --> 00:11:51,839  
you know it haven't had anyone and for

261  
00:11:55,250 --> 00:11:53,040  
someone to sit there and go I believe

262  
00:11:58,069 --> 00:11:55,260  
you I've been through the same thing or

263  
00:11:59,690 --> 00:11:58,079

I know others it's like this eye of

264

00:12:01,730 --> 00:11:59,700

relief and like you said they know

265

00:12:03,710 --> 00:12:01,740

they're not crazy in that moment you

266

00:12:06,290 --> 00:12:03,720

know because when it happens when

267

00:12:08,509 --> 00:12:06,300

anything paranormal happens to you you

268

00:12:11,889 --> 00:12:08,519

you feel crazy

269

00:12:17,210 --> 00:12:14,269

I'm not gonna I'm not gonna believe you

270

00:12:19,550 --> 00:12:17,220

blindly but we'll go over everything and

271

00:12:21,050 --> 00:12:19,560

if I can't explain it then you got

272

00:12:24,590 --> 00:12:21,060

something you know if you can't explain

273

00:12:26,449 --> 00:12:24,600

it away like well you sure you wasn't a

274

00:12:28,310 --> 00:12:26,459

guy in a Ghillie suit or a bear standing

275

00:12:30,410 --> 00:12:28,320

on his hind legs are you sure you didn't

276

00:12:31,490 --> 00:12:30,420

have the bad Taco for dinner and you

277

00:12:33,290 --> 00:12:31,500

just kind of getting you know

278

00:12:36,710 --> 00:12:33,300

hallucinating a little bit you know I

279

00:12:39,710 --> 00:12:36,720

mean and and if you go through the list

280

00:12:40,850 --> 00:12:39,720

of obvious possibilities you know a deer

281

00:12:42,710 --> 00:12:40,860

standing on his hind leg or somebody

282

00:12:46,250 --> 00:12:42,720

pranking your you know whatever it is

283

00:12:47,990 --> 00:12:46,260

they had happened to them uh if they

284

00:12:51,170 --> 00:12:48,000

check all the right boxes

285

00:12:52,370 --> 00:12:51,180

then what you say happened probably

286

00:12:54,050 --> 00:12:52,380

happened

287

00:12:56,569 --> 00:12:54,060

you know I mean there's just no other

288

00:12:59,090 --> 00:12:56,579

explanation for you you know you have to

289

00:13:00,829 --> 00:12:59,100

go where the evidence takes you what I

290

00:13:01,970 --> 00:13:00,839

try to tell everybody whether you're

291

00:13:03,889 --> 00:13:01,980

listening to this or you're an

292

00:13:06,110 --> 00:13:03,899

experimenter or you've haven't experience

293

00:13:08,269 --> 00:13:06,120

and you haven't told anybody yet is you

294

00:13:10,190 --> 00:13:08,279

know you go where the evidence tastes

295

00:13:13,190 --> 00:13:10,200

you you know and you don't have to

296

00:13:16,009 --> 00:13:13,200

believe it as long as you just consider

297

00:13:18,829 --> 00:13:16,019

it consider it first a couple of seconds

298

00:13:21,050 --> 00:13:18,839

like well you know well that's possible

299

00:13:22,850 --> 00:13:21,060

I mean that's all you know it's you

300

00:13:25,750 --> 00:13:22,860

don't have to believe it but just

301

00:13:31,730 --> 00:13:29,210

minus other explanations that that

302

00:13:34,009 --> 00:13:31,740

sounds like it happened you know so you

303

00:13:37,430 --> 00:13:34,019

can't just blindly disregard it because

304

00:13:40,850 --> 00:13:37,440

you don't believe you know you know uh

305

00:13:43,009 --> 00:13:40,860

you know ghosts UFOs nobody believed in

306

00:13:44,930 --> 00:13:43,019

that now that's all happening you know

307

00:13:46,610 --> 00:13:44,940

and you know you know the government

308

00:13:48,650 --> 00:13:46,620

will tell you well there's no such thing

309

00:13:51,110 --> 00:13:48,660

as UFOs there's no such thing as Bigfoot

310

00:13:54,470 --> 00:13:51,120

well oh wait the government lied There

311

00:13:55,850 --> 00:13:54,480

Are UFOs yeah so you know and they lied

312

00:13:59,030 --> 00:13:55,860

they've been lying for a long long time

313

00:14:01,610 --> 00:13:59,040

70 80 years at least you know with the

314

00:14:03,230 --> 00:14:01,620

tech thing came out and all that so you

315

00:14:05,329 --> 00:14:03,240

know we got some lip service on that

316

00:14:06,590 --> 00:14:05,339

well we'll uh we didn't make we don't

317

00:14:07,730 --> 00:14:06,600

know where they came from we're pretty

318

00:14:10,129 --> 00:14:07,740

sure we didn't make them here on planet

319

00:14:11,629 --> 00:14:10,139

Earth uh we'll check into it and get get

320

00:14:12,889 --> 00:14:11,639

back to you but they they're not from

321

00:14:16,610 --> 00:14:12,899

this planet

322

00:14:19,310 --> 00:14:16,620

and so yeah for two or three years you

323

00:14:21,350 --> 00:14:19,320

know yeah and then everybody call them

324

00:14:23,389 --> 00:14:21,360

UFOs we're not going to call them UFOs

325

00:14:25,850 --> 00:14:23,399

we're going to call them uaps or UA

326

00:14:28,250 --> 00:14:25,860

whatever give them a fancy name and hope

327

00:14:30,170 --> 00:14:28,260

that satisfies you like no I'm still

328

00:14:31,730 --> 00:14:30,180

going to call them UFOs that's not going

329

00:14:34,970 --> 00:14:31,740

to satisfy me because I know you're

330

00:14:37,250 --> 00:14:34,980

hiding more stuff and yeah no I agree

331

00:14:40,310 --> 00:14:37,260

yeah well we'll call it Sasquatch you

332

00:14:42,170 --> 00:14:40,320

know distant unknown relative

333

00:14:43,910 --> 00:14:42,180

we won't call them Sasquatch we'll call

334

00:14:46,370 --> 00:14:43,920

them distant unknown relative

335

00:14:48,170 --> 00:14:46,380

that's a good one that's good okay good

336

00:14:51,470 --> 00:14:48,180

we'll go ahead what does that mean well

337

00:14:55,129 --> 00:14:52,970

it's darn irritating that you know that

338

00:14:59,389 --> 00:14:55,139

you know and here's you know uh another

339

00:15:02,889 --> 00:14:59,399

thing is that you know uh the

340

00:15:05,810 --> 00:15:02,899

the planet we discover weekly monthly

341

00:15:08,990 --> 00:15:05,820

quarterly a new species of something

342

00:15:11,269 --> 00:15:09,000

fish animals plant

343

00:15:13,129 --> 00:15:11,279

something on the periodic tables we find

344

00:15:14,990 --> 00:15:13,139

something new

345

00:15:17,870 --> 00:15:15,000

and it hits the scientific journals they

346

00:15:21,050 --> 00:15:17,880

talk about it all the time if Sasquatch

347

00:15:23,509 --> 00:15:21,060

was just a dumb ape as they say uh which

348

00:15:25,790 --> 00:15:23,519

they're not uh then what's the big deal

349

00:15:27,470 --> 00:15:25,800

we just discovered an unknown primate

350

00:15:29,810 --> 00:15:27,480

that may or may not be related to man

351

00:15:34,189 --> 00:15:29,820

that is freaking cool you know it's it's

352

00:15:35,769 --> 00:15:34,199

a maybe it's a of the version of uh

353

00:15:40,269 --> 00:15:35,779

Cro-Magnon

354

00:15:42,949 --> 00:15:40,279

or you know or anything you know but

355

00:15:46,550 --> 00:15:42,959

they don't they don't say anything yeah

356

00:15:47,629 --> 00:15:46,560

and that's the silence the Silence by

357

00:15:50,329 --> 00:15:47,639

science

358

00:15:53,810 --> 00:15:50,339

and the government is deafening to me

359

00:15:57,069 --> 00:15:53,820

yeah so it gets louder than them saying

360

00:15:59,210 --> 00:15:57,079

anything yeah yeah you know

361

00:16:01,009 --> 00:15:59,220

someone like yourself and other people

362

00:16:04,550 --> 00:16:01,019

in the Paranormal world and

363

00:16:05,329 --> 00:16:04,560

Cryptids and things we know they know we

364

00:16:12,590 --> 00:16:05,339

know

365

00:16:15,530 --> 00:16:12,600

dollars to lie to me on top of it what's

366

00:16:16,910 --> 00:16:15,540

the deal let's have to let's have some

367

00:16:18,410 --> 00:16:16,920

kind of common area here where we can

368

00:16:20,509 --> 00:16:18,420

kind of come together and agree that you

369

00:16:23,750 --> 00:16:20,519

know come on man what's the big deal you

370

00:16:25,250 --> 00:16:23,760

know and if they have these skill sets

371

00:16:28,569 --> 00:16:25,260

which I

372

00:16:31,490 --> 00:16:28,579

I'm virtually convinced they do have

373

00:16:33,290 --> 00:16:31,500

that we got something else going on and

374

00:16:34,910 --> 00:16:33,300

how fantastic that is what you know

375

00:16:35,990 --> 00:16:34,920

unless you're trying to weaponize it and

376

00:16:38,449 --> 00:16:36,000

monetize it which the government

377

00:16:41,090 --> 00:16:38,459

probably is we'll get all the knowledge

378

00:16:42,350 --> 00:16:41,100

you know we can out of this and if

379

00:16:45,590 --> 00:16:42,360

there's something we can you know turn

380

00:16:47,389 --> 00:16:45,600

into a nuclear weapon or you know

381

00:16:48,889 --> 00:16:47,399

turn them into soldiers an

382

00:16:50,509 --> 00:16:48,899

indestructible Army whatever they want

383

00:16:52,430 --> 00:16:50,519

to do with it you know then we'll we'll

384

00:16:55,189 --> 00:16:52,440

get some work but it's just it's just

385

00:16:57,249 --> 00:16:55,199

it's insulting to the people that are

386

00:16:59,329 --> 00:16:57,259

experiencing these things yeah

387

00:17:01,550 --> 00:16:59,339

researchers that they're going through a

388

00:17:03,829 --> 00:17:01,560

lot of trouble and expense and and time

389

00:17:07,250 --> 00:17:03,839

to get these answers and they're just

390

00:17:09,890 --> 00:17:07,260

kind of going you know yeah no I totally

391

00:17:12,110 --> 00:17:09,900

agree with you and so knowing what you

392

00:17:14,329 --> 00:17:12,120

know now during your first experience

393

00:17:16,490 --> 00:17:14,339

and seeing what you saw do you think it

394

00:17:18,350 --> 00:17:16,500

was entering some sort of portal do you

395

00:17:20,210 --> 00:17:18,360

think it created the portal what do you

396

00:17:21,049 --> 00:17:20,220

think that was

397

00:17:24,169 --> 00:17:21,059

um

398

00:17:25,909 --> 00:17:24,179

I think it I think it left it it may

399

00:17:27,590 --> 00:17:25,919

have changed its vibrational frequency

400

00:17:29,810 --> 00:17:27,600

but it was that was like an emergency

401  
00:17:31,789 --> 00:17:29,820  
thing I I think it I think it just

402  
00:17:34,370 --> 00:17:31,799  
jumped

403  
00:17:36,470 --> 00:17:34,380  
portals or Dimensions at that time it

404  
00:17:38,270 --> 00:17:36,480  
just it went from one one place to the

405  
00:17:40,789 --> 00:17:38,280  
other you know wherever it went it was

406  
00:17:42,350 --> 00:17:40,799  
gone it was just flat out gone there was

407  
00:17:44,510 --> 00:17:42,360  
nothing left there was no like you know

408  
00:17:45,710 --> 00:17:44,520  
tinsel raining down or anything it was

409  
00:17:47,690 --> 00:17:45,720  
just phew

410  
00:17:50,029 --> 00:17:47,700  
that I'm just looking at a couple of my

411  
00:17:52,070 --> 00:17:50,039  
fellow guys they were actually a lot

412  
00:17:53,810 --> 00:17:52,080  
closer than I was they didn't realize

413  
00:17:56,390 --> 00:17:53,820

how close they were you know I was about

414

00:17:58,669 --> 00:17:56,400

75 feet away and they were probably

415

00:18:00,289 --> 00:17:58,679

25 feet because there was a guy standing

416

00:18:01,789 --> 00:18:00,299

close by over there smoking cigarette

417

00:18:05,529 --> 00:18:01,799

you know where this thing and just

418

00:18:09,590 --> 00:18:05,539

walked around the bin you know so

419

00:18:12,310 --> 00:18:09,600

for it to just disappear it may have

420

00:18:14,570 --> 00:18:12,320

been a cloaking mechanism of some type

421

00:18:18,650 --> 00:18:14,580

uh you know I thought they'd probably

422

00:18:20,510 --> 00:18:18,660

just jumped a dimension or into a portal

423

00:18:23,029 --> 00:18:20,520

you know there may be a portal there now

424

00:18:25,370 --> 00:18:23,039

I that area has since become one of my

425

00:18:27,350 --> 00:18:25,380

main research areas and there is a lot

426

00:18:29,570 --> 00:18:27,360

of stuff going on there I mean it

427

00:18:32,210 --> 00:18:29,580

there's a lot of stuff going on you you

428

00:18:34,310 --> 00:18:32,220

definitely get a sense of

429

00:18:36,049 --> 00:18:34,320

you know the heebie-jeebies and the hair

430

00:18:38,510 --> 00:18:36,059

on the back of your neck stand up when

431

00:18:39,710 --> 00:18:38,520

you get to this area you know and you

432

00:18:42,049 --> 00:18:39,720

know that creeps a lot of people out and

433

00:18:43,970 --> 00:18:42,059

I I get it you know I used to be at

434

00:18:46,130 --> 00:18:43,980

first but you know I know now that I'm

435

00:18:48,650 --> 00:18:46,140

in uh I'm in their living room I'm where

436

00:18:52,789 --> 00:18:48,660

they live yeah this is an area that they

437

00:18:54,049 --> 00:18:52,799

live and habituate you know this is an

438

00:18:55,789 --> 00:18:54,059

area they live

439

00:18:58,850 --> 00:18:55,799

and so so

440

00:19:02,330 --> 00:18:58,860

go ahead oh go ahead no go ahead

441

00:19:03,770 --> 00:19:02,340

no I was done okay so for those who

442

00:19:05,150 --> 00:19:03,780

don't know do you want to tell us a

443

00:19:07,430 --> 00:19:05,160

little bit more about like what

444

00:19:09,590 --> 00:19:07,440

habituation is do you want to if you

445

00:19:12,110 --> 00:19:09,600

could give us one of your cases if you

446

00:19:16,190 --> 00:19:12,120

from your book or even just what you're

447

00:19:17,930 --> 00:19:16,200

working on yeah yeah well habituation uh

448

00:19:20,450 --> 00:19:17,940

visitation there's two different things

449

00:19:21,610 --> 00:19:20,460

you know an habituation which means they

450

00:19:25,789 --> 00:19:21,620

are living

451

00:19:27,590 --> 00:19:25,799

on your property or right at the

452

00:19:28,850 --> 00:19:27,600

outskirts but they are visiting your

453

00:19:32,090 --> 00:19:28,860

property

454

00:19:34,370 --> 00:19:32,100

often and you can see them watching you

455

00:19:36,710 --> 00:19:34,380

from the woods or picking behind a tree

456

00:19:38,630 --> 00:19:36,720

uh you know that kind of stuff and maybe

457

00:19:40,310 --> 00:19:38,640

you know Foods disappearing from your

458

00:19:42,110 --> 00:19:40,320

garden

459

00:19:44,630 --> 00:19:42,120

some of your chickens are disappearing

460

00:19:47,510 --> 00:19:44,640

you know you know and and the things of

461

00:19:49,430 --> 00:19:47,520

that nature a visitation is just where

462

00:19:51,110 --> 00:19:49,440

they're kind of coming and going they

463

00:19:53,330 --> 00:19:51,120

may pass through your property on the

464

00:19:56,690 --> 00:19:53,340

way to another area your property may

465

00:19:59,210 --> 00:19:56,700

not have the type of habitat uh food and

466

00:20:01,549 --> 00:19:59,220

water sources that they need uh but it's

467

00:20:03,650 --> 00:20:01,559

right on the way to an area that they do

468

00:20:05,690 --> 00:20:03,660

like so you may see them from time to

469

00:20:07,810 --> 00:20:05,700

time but they don't really interact you

470

00:20:10,010 --> 00:20:07,820

know and you don't necessarily

471

00:20:12,049 --> 00:20:10,020

acknowledge their presence they don't

472

00:20:14,150 --> 00:20:12,059

acknowledge yours

473

00:20:17,270 --> 00:20:14,160

oh I think that was the Sasquatch back

474

00:20:19,730 --> 00:20:17,280

there sure a really tall tree walking

475

00:20:21,470 --> 00:20:19,740

all by itself so you know so you see it

476  
00:20:22,430 --> 00:20:21,480  
but you know and eventually you kind of

477  
00:20:24,590 --> 00:20:22,440  
know what they are but you just kind of

478  
00:20:26,870 --> 00:20:24,600  
leave each other alone it's a it's an

479  
00:20:30,950 --> 00:20:26,880  
uneasy fruit as I call it you don't you

480  
00:20:35,210 --> 00:20:33,110  
there it doesn't bother you yeah yeah

481  
00:20:37,070 --> 00:20:35,220  
you don't encourage it you don't

482  
00:20:39,350 --> 00:20:37,080  
discourage it you just you come and you

483  
00:20:42,049 --> 00:20:39,360  
go and that's it well habituation they

484  
00:20:44,630 --> 00:20:42,059  
are living on or very very near and they

485  
00:20:46,970 --> 00:20:44,640  
visit your property on a regular basis

486  
00:20:50,390 --> 00:20:46,980  
and you know this by you see them you

487  
00:20:53,210 --> 00:20:50,400  
hear them uh you get structures you hear

488  
00:20:55,070 --> 00:20:53,220

Rock Clacks a couple of my habituation

489

00:20:58,390 --> 00:20:55,080

families three or four of them have

490

00:21:02,450 --> 00:20:58,400

heard uh conversations

491

00:21:07,669 --> 00:21:02,460

the uh Samurai chatter

492

00:21:11,690 --> 00:21:09,470

people are hearing that

493

00:21:15,529 --> 00:21:11,700

a couple of these people are actually

494

00:21:17,570 --> 00:21:15,539

hearing their names called

495

00:21:20,630 --> 00:21:17,580

uh I've got two we were talking about

496

00:21:23,090 --> 00:21:20,640

this earlier I've got two witnesses uh

497

00:21:26,510 --> 00:21:23,100

of women uh whose husbands are gone all

498

00:21:30,049 --> 00:21:26,520

day and so on occasion

499

00:21:32,409 --> 00:21:30,059

she'll be out in the yard or in the

500

00:21:34,850 --> 00:21:32,419

house and she'll hear

501  
00:21:36,830 --> 00:21:34,860  
Bonnie Bonnie

502  
00:21:38,570 --> 00:21:36,840  
it sounds like her husband

503  
00:21:41,390 --> 00:21:38,580  
what's he doing here he's not he's at

504  
00:21:44,630 --> 00:21:41,400  
work he's not here go outside

505  
00:21:46,070 --> 00:21:44,640  
Bonnie and you hear it it is exactly his

506  
00:21:47,990 --> 00:21:46,080  
voice you go

507  
00:21:48,950 --> 00:21:48,000  
Ed what are you what are you doing what

508  
00:21:50,930 --> 00:21:48,960  
are you doing here what are you doing

509  
00:21:54,230 --> 00:21:50,940  
what's going on

510  
00:21:56,750 --> 00:21:54,240  
what's not Ed it's it's a Sasquatch and

511  
00:22:01,010 --> 00:21:56,760  
it is mimicking

512  
00:22:04,250 --> 00:22:01,020  
to the last syllable their voice pattern

513  
00:22:07,549 --> 00:22:04,260

and all of that that's kind of creepy

514

00:22:09,649 --> 00:22:07,559

though I mean yeah yeah it is but you

515

00:22:10,970 --> 00:22:09,659

know this happens this is the first time

516

00:22:12,950 --> 00:22:10,980

it happens it was creepy the second two

517

00:22:15,350 --> 00:22:12,960

or three times it's like

518

00:22:16,970 --> 00:22:15,360

I guess they want me to come outside or

519

00:22:18,890 --> 00:22:16,980

they guess they want me to go inside you

520

00:22:21,529 --> 00:22:18,900

know uh because you know they're they're

521

00:22:23,090 --> 00:22:21,539

calling they're being they're calling

522

00:22:25,430 --> 00:22:23,100

number one to see if you're paying

523

00:22:26,630 --> 00:22:25,440

attention number two maybe you do to

524

00:22:29,390 --> 00:22:26,640

interact

525

00:22:32,570 --> 00:22:29,400

it's see someone listen to this and

526

00:22:34,850 --> 00:22:32,580

going oh bull come on

527

00:22:36,710 --> 00:22:34,860

this is really happening folks I'm

528

00:22:38,510 --> 00:22:36,720

writing these books and I'm talking with

529

00:22:41,029 --> 00:22:38,520

habituation families

530

00:22:43,190 --> 00:22:41,039

virtually that's all I'm talking to is

531

00:22:46,370 --> 00:22:43,200

people that are having interactions

532

00:22:50,330 --> 00:22:46,380

and this is going on and so if you can't

533

00:22:54,289 --> 00:22:50,340

bite into it I understand it is bizarre

534

00:22:58,490 --> 00:22:54,299

uh and here's why most people including

535

00:23:01,130 --> 00:22:58,500

myself in you maybe uh when you're born

536

00:23:03,049 --> 00:23:01,140

the day you exit the birth canal you are

537

00:23:05,510 --> 00:23:03,059

educated

538

00:23:07,010 --> 00:23:05,520

and programmed

539

00:23:09,710 --> 00:23:07,020

by

540

00:23:13,310 --> 00:23:09,720

the government and the schools in the

541

00:23:16,909 --> 00:23:13,320

churches in the everybody around you

542

00:23:19,190 --> 00:23:16,919

you're taught how to think what to

543

00:23:20,630 --> 00:23:19,200

believe what not to believe this is what

544

00:23:23,450 --> 00:23:20,640

can happen this is what cannot happen

545

00:23:25,730 --> 00:23:23,460

all the schools that you know every you

546

00:23:27,950 --> 00:23:25,740

know every generation gets every 25

547

00:23:29,630 --> 00:23:27,960

years is a whole other batch of books

548

00:23:31,250 --> 00:23:29,640

and teachers are coming in just telling

549

00:23:33,350 --> 00:23:31,260

you what they've been told and they're

550

00:23:35,630 --> 00:23:33,360

just regurgitating the same old junk you

551  
00:23:37,010 --> 00:23:35,640  
know and so uh so there's no such thing

552  
00:23:38,570 --> 00:23:37,020  
as Sasquatch there's no such thing as

553  
00:23:40,130 --> 00:23:38,580  
UFOs there's no such thing as ghosts

554  
00:23:42,350 --> 00:23:40,140  
there's no Mothman there's no dog man

555  
00:23:44,390 --> 00:23:42,360  
and you know oh I didn't lie about the

556  
00:23:46,490 --> 00:23:44,400  
UFOs well you got us there you know but

557  
00:23:49,190 --> 00:23:46,500  
we'll keep going we'll keep denying and

558  
00:23:52,669 --> 00:23:49,200  
so so that's it so you're initially

559  
00:23:56,690 --> 00:23:52,679  
you're programmed and baptized in the

560  
00:23:57,770 --> 00:23:56,700  
way of thinking and seeing the world so

561  
00:23:59,870 --> 00:23:57,780  
when you see something that's out of

562  
00:24:01,070 --> 00:23:59,880  
place and you go well that can't be

563  
00:24:02,930 --> 00:24:01,080

because they told me you know the

564

00:24:06,409 --> 00:24:02,940

preacher said this one you know the the

565

00:24:08,990 --> 00:24:06,419

Sasquatch is really a Nephilim or

566

00:24:10,190 --> 00:24:09,000

whatever you're told you have an entire

567

00:24:12,470 --> 00:24:10,200

belief system that's been kind of

568

00:24:14,810 --> 00:24:12,480

crammed into your little head and so

569

00:24:16,250 --> 00:24:14,820

that's your vision and that's your

570

00:24:18,289 --> 00:24:16,260

interpretation of the world around you

571

00:24:20,930 --> 00:24:18,299

when you're seeing experience things so

572

00:24:23,770 --> 00:24:20,940

your your automatic response when you

573

00:24:26,570 --> 00:24:23,780

see a 10 foot tall gorilla

574

00:24:29,330 --> 00:24:26,580

uh down there you know in the woods in

575

00:24:31,789 --> 00:24:29,340

Illinois well

576

00:24:33,710 --> 00:24:31,799

that didn't exist except I'm not a crazy

577

00:24:36,950 --> 00:24:33,720

person I'm looking right at it so now

578

00:24:38,690 --> 00:24:36,960

what yeah so so now if you have an open

579

00:24:40,370 --> 00:24:38,700

mind you're going

580

00:24:42,169 --> 00:24:40,380

well that didn't happen I just must have

581

00:24:43,850 --> 00:24:42,179

been seeing something you know you can

582

00:24:45,590 --> 00:24:43,860

just you can discard it or you can hop

583

00:24:47,630 --> 00:24:45,600

on and do something with it you know and

584

00:24:49,370 --> 00:24:47,640

these people that are a lot of the ones

585

00:24:51,590 --> 00:24:49,380

I'm talking to had decided to hop on and

586

00:24:53,210 --> 00:24:51,600

do something with it because

587

00:24:55,010 --> 00:24:53,220

I know what I saw

588

00:24:57,110 --> 00:24:55,020

I'll be gosh dang if I'm gonna let

589

00:24:58,669 --> 00:24:57,120

somebody tell me that that that's a guy

590

00:25:00,169 --> 00:24:58,679

on a ghillie suit or a monkey suit you

591

00:25:02,270 --> 00:25:00,179

know

592

00:25:03,890 --> 00:25:02,280

somebody's trashing on my trespassing on

593

00:25:07,070 --> 00:25:03,900

my property in a monkey suit it's a good

594

00:25:08,870 --> 00:25:07,080

way to get shot you know how smart you

595

00:25:11,210 --> 00:25:08,880

know so anyway so that that's my whole

596

00:25:14,270 --> 00:25:11,220

thing so we're already pre-programmed to

597

00:25:15,890 --> 00:25:14,280

think a certain way and it takes a while

598

00:25:17,990 --> 00:25:15,900

for you to have an open mind about

599

00:25:20,870 --> 00:25:18,000

specific things you know

600

00:25:23,690 --> 00:25:20,880

no I agree with you I totally agree my

601  
00:25:25,370 --> 00:25:23,700  
my mom actually was the one who was

602  
00:25:28,789 --> 00:25:25,380  
basically like you don't see what you

603  
00:25:30,529 --> 00:25:28,799  
see we're gonna keep it to ourself you

604  
00:25:32,870 --> 00:25:30,539  
don't tell anyone else

605  
00:25:35,390 --> 00:25:32,880  
and that's going to be that until I had

606  
00:25:37,190 --> 00:25:35,400  
gotten older and she had gotten older by

607  
00:25:40,010 --> 00:25:37,200  
that time she was kind of like well you

608  
00:25:43,190 --> 00:25:40,020  
did see what you saw and yes this stuff

609  
00:25:45,110 --> 00:25:43,200  
does happen and you know because she was

610  
00:25:46,610 --> 00:25:45,120  
older but at the time like I was little

611  
00:25:49,210 --> 00:25:46,620  
and she was just like you don't see

612  
00:25:52,850 --> 00:25:49,220  
anything she tried to protect you

613  
00:25:55,130 --> 00:25:52,860

exactly exactly well and with my son

614

00:25:56,870 --> 00:25:55,140

when he says he sees stuff it's just

615

00:25:58,130 --> 00:25:56,880

like if I don't see it I'm like I

616

00:26:00,110 --> 00:25:58,140

believe you

617

00:26:01,490 --> 00:26:00,120

but I don't see it and I will tell him I

618

00:26:03,710 --> 00:26:01,500

don't see it if I don't see something

619

00:26:05,029 --> 00:26:03,720

but I always tell him I do believe him

620

00:26:07,010 --> 00:26:05,039

because some of the things he says

621

00:26:10,190 --> 00:26:07,020

there's no way he could

622

00:26:12,769 --> 00:26:10,200

there's no way he's you know able to see

623

00:26:14,390 --> 00:26:12,779

this if it's not there because he's not

624

00:26:16,610 --> 00:26:14,400

in contact with anything that he should

625

00:26:18,169 --> 00:26:16,620

he doesn't even know oh he knows Bobby

626

00:26:20,210 --> 00:26:18,179

does the podcast

627

00:26:22,250 --> 00:26:20,220

just like Daddy does a History Podcast

628

00:26:23,570 --> 00:26:22,260

Mommy does a podcast that's it he

629

00:26:25,669 --> 00:26:23,580

doesn't know what kind

630

00:26:28,070 --> 00:26:25,679

but yet he says there was a little girl

631

00:26:33,350 --> 00:26:28,080

in his room on fire

632

00:26:36,110 --> 00:26:33,360

and I'm like okay I I never saw her and

633

00:26:37,610 --> 00:26:36,120

I was just like I believe you and he was

634

00:26:39,350 --> 00:26:37,620

angry at her because she just wanted to

635

00:26:42,470 --> 00:26:39,360

play with his cars

636

00:26:44,810 --> 00:26:42,480

and she eventually left but he was very

637

00:26:46,970 --> 00:26:44,820

adamant about that and I'm not going to

638

00:26:48,409 --> 00:26:46,980

destroy him by saying well no there's

639

00:26:50,510 --> 00:26:48,419

nobody here

640

00:26:54,730 --> 00:26:50,520

but I was just like if she's mean to you

641

00:26:57,890 --> 00:26:54,740

you need to tell her to leave yeah

642

00:27:00,830 --> 00:26:57,900

encourage them to the point where it

643

00:27:02,810 --> 00:27:00,840

might be harmful or yeah discourage it

644

00:27:04,430 --> 00:27:02,820

if you know right off the bat

645

00:27:07,130 --> 00:27:04,440

you don't need to be seeing or knowing

646

00:27:11,390 --> 00:27:07,140

about this if it was truly a demonic

647

00:27:14,090 --> 00:27:11,400

thing yeah you know or he just totally

648

00:27:15,890 --> 00:27:14,100

misidentified you know a car that drove

649

00:27:18,289 --> 00:27:15,900

by the house and the light shined in the

650

00:27:20,810 --> 00:27:18,299

bedroom and it lit something up in a

651  
00:27:24,289 --> 00:27:20,820  
weird way that you know uh so yeah yeah

652  
00:27:28,490 --> 00:27:24,299  
but yeah don't discourage and it's not

653  
00:27:32,210 --> 00:27:28,500  
imagination it's your reality it's what

654  
00:27:34,190 --> 00:27:32,220  
you saw you know all little kids have

655  
00:27:36,950 --> 00:27:34,200  
their little secret friend or their

656  
00:27:40,549 --> 00:27:36,960  
imaginary friend it may not be so

657  
00:27:43,130 --> 00:27:40,559  
imaginary no exactly no I totally agree

658  
00:27:46,669 --> 00:27:43,140  
and like with these people like so this

659  
00:27:48,830 --> 00:27:46,679  
woman Bonnie so what what did they want

660  
00:27:52,010 --> 00:27:48,840  
do you know what they wanted with her

661  
00:27:55,190 --> 00:27:52,020  
that they kept calling her out

662  
00:27:58,549 --> 00:27:55,200  
just to have her come out and it didn't

663  
00:28:01,070 --> 00:27:58,559

at first because that was the very first

664

00:28:03,470 --> 00:28:01,080

time she didn't because it was kind of

665

00:28:05,210 --> 00:28:03,480

spooking her she'd seen them she knew

666

00:28:07,730 --> 00:28:05,220

they were out she has seen a lot of

667

00:28:11,330 --> 00:28:07,740

things a lot of orbs and spiritual

668

00:28:14,750 --> 00:28:11,340

things I want to call them aim out uh

669

00:28:17,029 --> 00:28:14,760

she was reticent at the first time but

670

00:28:18,470 --> 00:28:17,039

she finally went out the second and

671

00:28:20,090 --> 00:28:18,480

third time it happened

672

00:28:22,310 --> 00:28:20,100

as soon as they call she goes out

673

00:28:26,210 --> 00:28:22,320

because she has a gifting area it's a

674

00:28:29,090 --> 00:28:26,220

gifting tree uh that's that I had her

675

00:28:30,890 --> 00:28:29,100

kind of put together you know at my my

676  
00:28:32,330 --> 00:28:30,900  
suggestion because she wanted to know

677  
00:28:35,390 --> 00:28:32,340  
how to interact a little differently and

678  
00:28:40,610 --> 00:28:35,400  
so I asked a gifting thing it's

679  
00:28:44,090 --> 00:28:40,620  
fascinating so this is how you know you

680  
00:28:47,330 --> 00:28:44,100  
are dealing with a rational

681  
00:28:52,250 --> 00:28:47,340  
Sapient and sentient being

682  
00:28:55,490 --> 00:28:52,260  
because the gifting is very specific and

683  
00:28:58,669 --> 00:28:55,500  
she's got it down to such a science and

684  
00:29:00,169 --> 00:28:58,679  
such a routine that you know uh one of

685  
00:29:01,970 --> 00:29:00,179  
the things I suggested was to put up

686  
00:29:03,230 --> 00:29:01,980  
mirrors because I always thought you

687  
00:29:05,630 --> 00:29:03,240  
know a Sasquatch

688  
00:29:07,370 --> 00:29:05,640

doesn't get to see itself very you know

689

00:29:14,529 --> 00:29:07,380

it's just been a bad thing broke or in a

690

00:29:19,190 --> 00:29:16,850

I thought they would like that well

691

00:29:22,370 --> 00:29:19,200

Sasquatch

692

00:29:24,470 --> 00:29:22,380

on her property don't like it they've uh

693

00:29:27,289 --> 00:29:24,480

I think three mirrors

694

00:29:29,269 --> 00:29:27,299

uh they took them all down and they put

695

00:29:31,970 --> 00:29:29,279

them on the ground face down

696

00:29:33,169 --> 00:29:31,980

oh and she took them and put them back

697

00:29:34,549 --> 00:29:33,179

up

698

00:29:39,049 --> 00:29:34,559

they took

699

00:29:41,810 --> 00:29:39,059

two down left the other one up but

700

00:29:43,850 --> 00:29:41,820

smashed it against the tree and cracked

701  
00:29:45,850 --> 00:29:43,860  
the glass so this is a little cheap hand

702  
00:29:47,930 --> 00:29:45,860  
I said you go to Dollar Tree

703  
00:29:50,269 --> 00:29:47,940  
plastic handheld mirrors you know

704  
00:29:52,430 --> 00:29:50,279  
they're they're about you know

705  
00:29:53,810 --> 00:29:52,440  
maybe a foot not even that you know

706  
00:29:56,870 --> 00:29:53,820  
eight or nine inches you know got the

707  
00:29:58,610 --> 00:29:56,880  
little yeah and so uh they smashed the

708  
00:30:02,090 --> 00:29:58,620  
glass they you could tell it was banged

709  
00:30:04,789 --> 00:30:02,100  
up against the tree so they go back and

710  
00:30:07,370 --> 00:30:04,799  
forth you know and she puts them back up

711  
00:30:10,190 --> 00:30:07,380  
on the tree but they will turn them

712  
00:30:13,430 --> 00:30:10,200  
around so they're facing the tree not

713  
00:30:15,769 --> 00:30:13,440

out and they wrap a Vine around it a

714

00:30:17,090 --> 00:30:15,779

half a dozen times

715

00:30:22,269 --> 00:30:17,100

so

716

00:30:25,549 --> 00:30:22,279

this is a give and take a pull you thing

717

00:30:27,590 --> 00:30:25,559

I I've gifted you these and other things

718

00:30:29,389 --> 00:30:27,600

like fruits and the little toys little

719

00:30:31,310 --> 00:30:29,399

jewelry things they love that and they

720

00:30:33,769 --> 00:30:31,320

take they play with them and they trade

721

00:30:36,470 --> 00:30:33,779

them back and forth but the mirrors but

722

00:30:37,870 --> 00:30:36,480

it's it's a they're adamant they don't

723

00:30:40,669 --> 00:30:37,880

want them on the tree

724

00:30:42,049 --> 00:30:40,679

and she is adamant well I'm going to put

725

00:30:43,850 --> 00:30:42,059

him back on the tree don't break my

726

00:30:46,789 --> 00:30:43,860

things I just you know I'd spend money

727

00:30:48,169 --> 00:30:46,799

on that show well what's money I don't

728

00:30:50,029 --> 00:30:48,179

what is money

729

00:30:51,889 --> 00:30:50,039

I don't know if we don't use money what

730

00:30:54,049 --> 00:30:51,899

is that why does that mean something to

731

00:30:56,029 --> 00:30:54,059

you yeah yeah

732

00:31:00,110 --> 00:30:56,039

that's just me you know verbalizing you

733

00:31:01,610 --> 00:31:00,120

know no yeah so they have this it's

734

00:31:03,950 --> 00:31:01,620

really it

735

00:31:08,950 --> 00:31:03,960

very

736

00:31:12,830 --> 00:31:08,960

learning something about each other

737

00:31:15,049 --> 00:31:12,840

and it's it's a fascinating thing and

738

00:31:17,389 --> 00:31:15,059

they'll take apples they'll take bird

739

00:31:19,730 --> 00:31:17,399

seed they'll take things and they'll

740

00:31:21,710 --> 00:31:19,740

they'll they'll she's been gifted uh

741

00:31:23,570 --> 00:31:21,720

they were stealing uh off the gifting

742

00:31:26,990 --> 00:31:23,580

tree now so they uh they have some apple

743

00:31:30,529 --> 00:31:27,000

trees and pear trees where they live and

744

00:31:32,450 --> 00:31:30,539

uh the uh fruit started disappearing

745

00:31:34,669 --> 00:31:32,460

from about the middle of the tree on up

746

00:31:36,710 --> 00:31:34,679

to the top

747

00:31:41,389 --> 00:31:36,720

and there's none on the ground there's

748

00:31:44,510 --> 00:31:41,399

no half-eating fruit it's gone overnight

749

00:31:46,690 --> 00:31:44,520

and she goes okay

750

00:31:49,610 --> 00:31:46,700

quit taking my food

751

00:31:50,950 --> 00:31:49,620

that's out yo you want some take a

752

00:31:53,330 --> 00:31:50,960

little but don't take

753

00:31:55,250 --> 00:31:53,340

uh the next day

754

00:31:57,110 --> 00:31:55,260

the pear tree was stripped from The

755

00:31:58,310 --> 00:31:57,120

Middle on up but they left everything

756

00:32:01,610 --> 00:31:58,320

down

757

00:32:03,289 --> 00:32:01,620

and so and she scolded them she you know

758

00:32:05,389 --> 00:32:03,299

cussed them out and said listen I don't

759

00:32:07,370 --> 00:32:05,399

want you we work hard for this is our

760

00:32:09,649 --> 00:32:07,380

food this is how we feed our family you

761

00:32:11,690 --> 00:32:09,659

want to have some of it that's fine she

762

00:32:12,830 --> 00:32:11,700

was really you know set a lot of you

763

00:32:16,549 --> 00:32:12,840

know dirty words

764

00:32:20,510 --> 00:32:16,559

and so that's understandable yeah you

765

00:32:22,730 --> 00:32:20,520

know the next day they had a rabbit that

766

00:32:26,450 --> 00:32:22,740

it had the head popped off it had been

767

00:32:27,769 --> 00:32:26,460

guttled and it was left in this little

768

00:32:29,870 --> 00:32:27,779

you know the things you can buy Like

769

00:32:32,750 --> 00:32:29,880

Home Depot or Lowe's or little koi ponds

770

00:32:34,669 --> 00:32:32,760

the little yeah the three they're about

771

00:32:36,409 --> 00:32:34,679

three or four feet by three or four feet

772

00:32:38,210 --> 00:32:36,419

and they're kind of curved and all that

773

00:32:40,789 --> 00:32:38,220

well they have this little fountain with

774

00:32:43,370 --> 00:32:40,799

running water and uh

775

00:32:45,409 --> 00:32:43,380

it was left

776

00:32:48,470 --> 00:32:45,419

in there it's right by the trees where

777

00:32:51,230 --> 00:32:48,480

they stole the fruit it was right there

778

00:32:53,389 --> 00:32:51,240

and it was like I'm sorry

779

00:32:56,450 --> 00:32:53,399

it was a gift

780

00:33:00,049 --> 00:32:56,460

because she showed her displeasure

781

00:33:02,510 --> 00:33:00,059

and a day or two later if that wasn't

782

00:33:04,430 --> 00:33:02,520

incredible enough they find a little

783

00:33:09,350 --> 00:33:04,440

perch

784

00:33:11,269 --> 00:33:09,360

swimming around in there there's no way

785

00:33:14,870 --> 00:33:11,279

it would have got in there her husband

786

00:33:16,370 --> 00:33:14,880

yeah an unbeliever at the time said well

787

00:33:18,289 --> 00:33:16,380

that's probably one of these herons just

788

00:33:19,730 --> 00:33:18,299

flying over and it grabbed a perch and

789

00:33:22,610 --> 00:33:19,740

it just must have dropped and it fell

790

00:33:26,090 --> 00:33:22,620

you know okay so it fell 100 feet

791

00:33:27,169 --> 00:33:26,100

from the sky and survived right into the

792

00:33:29,210 --> 00:33:27,179

Little Pond

793

00:33:32,269 --> 00:33:29,220

okay uh-huh

794

00:33:33,950 --> 00:33:32,279

uh it's more likely my story makes more

795

00:33:36,230 --> 00:33:33,960

sense than yours that's stupid yeah

796

00:33:39,110 --> 00:33:36,240

exactly

797

00:33:41,990 --> 00:33:39,120

but they were gifted it was an apology

798

00:33:44,570 --> 00:33:42,000

it was an interaction I screwed up I'm

799

00:33:46,970 --> 00:33:44,580

sorry here's my apology and so I'll give

800

00:33:49,370 --> 00:33:46,980

you a dead rabbit which is probably very

801  
00:33:51,649 --> 00:33:49,380  
valuable to them you know but it was it

802  
00:33:54,470 --> 00:33:51,659  
was washed it had been completely washed

803  
00:33:58,130 --> 00:33:54,480  
it was clean and then they put it in no

804  
00:34:02,930 --> 00:33:58,140  
there was no blood it was completely uh

805  
00:34:06,110 --> 00:34:02,940  
void of any blood guts it was spotless

806  
00:34:09,950 --> 00:34:06,120  
and so that it that's just one of the

807  
00:34:12,829 --> 00:34:09,960  
many many examples but that is like you

808  
00:34:16,030 --> 00:34:12,839  
screwed up I understand the human side

809  
00:34:19,790 --> 00:34:16,040  
of it I'm apologizing

810  
00:34:21,829 --> 00:34:19,800  
and she said thank you I mean she so

811  
00:34:24,169 --> 00:34:21,839  
what do you when someone tells you that

812  
00:34:25,490 --> 00:34:24,179  
she and a lot of these people when they

813  
00:34:27,770 --> 00:34:25,500

call me they don't know what to do they

814

00:34:29,389 --> 00:34:27,780

go what do I do I said well you know

815

00:34:32,869 --> 00:34:29,399

just try gifting she already had this

816

00:34:35,030 --> 00:34:32,879

going for about a year uh for the mirror

817

00:34:37,010 --> 00:34:35,040

she was doing fruits and and you know

818

00:34:38,149 --> 00:34:37,020

rocks and little things like that that

819

00:34:39,889 --> 00:34:38,159

they just had around she never thought

820

00:34:41,149 --> 00:34:39,899

about going to the Dollar Tree you know

821

00:34:45,909 --> 00:34:41,159

so but

822

00:34:49,190 --> 00:34:45,919

you're having a an adult

823

00:34:51,950 --> 00:34:49,200

conversation in so many words by

824

00:34:54,050 --> 00:34:51,960

bartering back and forth

825

00:34:57,170 --> 00:34:54,060

I'm voicing my displeasure you stole

826

00:35:01,010 --> 00:34:57,180

something from me don't do that again

827

00:35:03,710 --> 00:35:01,020

well I'm sorry and so what do you do

828

00:35:05,990 --> 00:35:03,720

when someone tells you that I mean how

829

00:35:08,329 --> 00:35:06,000

do you even begin

830

00:35:11,210 --> 00:35:08,339

to deny it she's not a crazy person you

831

00:35:13,910 --> 00:35:11,220

know and so it's just fascinating I've

832

00:35:15,770 --> 00:35:13,920

got all kinds of my habituation folks

833

00:35:17,690 --> 00:35:15,780

have all kinds of things whether

834

00:35:19,430 --> 00:35:17,700

they're getting gifted things and

835

00:35:22,849 --> 00:35:19,440

they're leaving they'll leave a couple

836

00:35:25,370 --> 00:35:22,859

of rocks on the front porch you know uh

837

00:35:27,530 --> 00:35:25,380

they'll find you know one of my uh

838

00:35:31,010 --> 00:35:27,540

Witnesses they found a four or five golf

839

00:35:33,230 --> 00:35:31,020

balls on the front porch well the

840

00:35:37,069 --> 00:35:33,240

husband likes to go out in his acreage

841

00:35:39,589 --> 00:35:37,079

they have 200 Acres he has a almost a

842

00:35:42,109 --> 00:35:39,599

football field it's mowed like a

843

00:35:44,510 --> 00:35:42,119

a golf course it is like a putting green

844

00:35:45,829 --> 00:35:44,520

and so he hits golf balls well these are

845

00:35:48,170 --> 00:35:45,839

all the balls that he lost over the

846

00:35:49,250 --> 00:35:48,180

years all of a sudden you know he forgot

847

00:35:54,609 --> 00:35:49,260

about it but all of a sudden there's

848

00:36:00,410 --> 00:35:59,450

yeah they're paying attention to your

849

00:36:03,530 --> 00:36:00,420

life

850

00:36:07,450 --> 00:36:03,540

one thing as you might think it is it's

851  
00:36:10,370 --> 00:36:07,460  
fascinating to them you know yeah and so

852  
00:36:13,550 --> 00:36:10,380  
they've shown them their babies

853  
00:36:17,930 --> 00:36:13,560  
I mean it's just

854  
00:36:20,870 --> 00:36:17,940  
the list goes on you know uh it's

855  
00:36:23,630 --> 00:36:20,880  
it's bizarre you may have a question I

856  
00:36:25,670 --> 00:36:23,640  
do no you're good so is gifting

857  
00:36:27,770 --> 00:36:25,680  
dangerous because I've heard gifting can

858  
00:36:30,410 --> 00:36:27,780  
be dangerous that true

859  
00:36:32,510 --> 00:36:30,420  
food would be the one I would really be

860  
00:36:34,790 --> 00:36:32,520  
careful with because if you're giving

861  
00:36:36,470 --> 00:36:34,800  
them human food they like that stuff

862  
00:36:38,329 --> 00:36:36,480  
you know we eat some pretty good stuff

863  
00:36:40,250 --> 00:36:38,339

you know a lot of people started off

864

00:36:41,810 --> 00:36:40,260

it's innocently enough

865

00:36:43,190 --> 00:36:41,820

I'm just scraping off the dinner plates

866

00:36:45,050 --> 00:36:43,200

I'll just put it out here in the back

867

00:36:47,930 --> 00:36:45,060

porch and Sasquatch or

868

00:36:49,190 --> 00:36:47,940

raccoons or whatever come get it well

869

00:36:50,690 --> 00:36:49,200

they start counting on that stuff you

870

00:36:53,510 --> 00:36:50,700

get that old greasy chicken fried steak

871

00:36:56,030 --> 00:36:53,520

or you know a broasted chicken carcass

872

00:36:56,890 --> 00:36:56,040

or you know some T-Bone bones and you

873

00:37:00,710 --> 00:36:56,900

know

874

00:37:02,810 --> 00:37:00,720

I like be watching so you got to be real

875

00:37:05,450 --> 00:37:02,820

careful and just don't do it often you

876

00:37:08,329 --> 00:37:05,460

know they love food they cannot get in

877

00:37:11,510 --> 00:37:08,339

the wild but you you know if

878

00:37:14,270 --> 00:37:11,520

candy bars peanut butter uh Apple

879

00:37:15,890 --> 00:37:14,280

oranges and bananas things of that

880

00:37:17,210 --> 00:37:15,900

nature they're kind of harmless but you

881

00:37:18,790 --> 00:37:17,220

know when you start getting that greasy

882

00:37:22,130 --> 00:37:18,800

spicy stuff

883

00:37:24,890 --> 00:37:22,140

they love that so do we you know and

884

00:37:26,990 --> 00:37:24,900

there are times when they will if you

885

00:37:29,270 --> 00:37:27,000

suddenly quit doing it you may start

886

00:37:31,970 --> 00:37:29,280

getting rocks thrown at your house throw

887

00:37:33,230 --> 00:37:31,980

on the roof sticks did they come banging

888

00:37:35,030 --> 00:37:33,240

on the side of your house slapping on

889

00:37:37,910 --> 00:37:35,040

the house looking in the window Hey

890

00:37:41,270 --> 00:37:37,920

where's my food come on Cut the cut the

891

00:37:43,190 --> 00:37:41,280

crap come on feed me you know exactly it

892

00:37:47,450 --> 00:37:43,200

so feeding them

893

00:37:50,450 --> 00:37:47,460

I would do that in minimal doses maybe

894

00:37:53,810 --> 00:37:50,460

once a week or once every couple weeks

895

00:37:56,270 --> 00:37:53,820

you know uh but the really the the

896

00:37:58,310 --> 00:37:56,280

cooked meats and stuff like that hot

897

00:37:59,290 --> 00:37:58,320

dogs oh my God they love hot dogs you

898

00:38:02,450 --> 00:37:59,300

know

899

00:38:05,210 --> 00:38:02,460

candy bars they love candy

900

00:38:07,270 --> 00:38:05,220

you know and that's actually good yeah

901  
00:38:11,510 --> 00:38:07,280  
but it's a good thing to give because

902  
00:38:14,510 --> 00:38:11,520  
very often you'll find the wrappers

903  
00:38:17,030 --> 00:38:14,520  
torn open as would they be done with an

904  
00:38:19,430 --> 00:38:17,040  
opposable thumb they're not like like a

905  
00:38:20,450 --> 00:38:19,440  
raccoon you're just chew it on until

906  
00:38:22,130 --> 00:38:20,460  
they get it off they don't have

907  
00:38:24,470 --> 00:38:22,140  
opposable thumbs well Coons do but you

908  
00:38:27,770 --> 00:38:24,480  
know what I mean yeah and so you get

909  
00:38:30,770 --> 00:38:27,780  
things like that and that is another

910  
00:38:32,089 --> 00:38:30,780  
hint that you're dealing with an

911  
00:38:35,030 --> 00:38:32,099  
intelligent

912  
00:38:37,790 --> 00:38:35,040  
rational B because they know how to open

913  
00:38:40,970 --> 00:38:37,800

these things they're not just a a Savage

914

00:38:43,550 --> 00:38:40,980

animal they tear them open and put them

915

00:38:45,109 --> 00:38:43,560

uh you know and we had a guy that uh

916

00:38:48,470 --> 00:38:45,119

here in Missouri that used to do him he

917

00:38:50,089 --> 00:38:48,480

used to uh had an ammo box and he would

918

00:38:53,930 --> 00:38:50,099

uh

919

00:38:55,609 --> 00:38:53,940

put a a tape recorder in the bottom and

920

00:38:57,109 --> 00:38:55,619

then put some mesh over it so you really

921

00:38:59,150 --> 00:38:57,119

couldn't see it then you put a couple

922

00:39:02,650 --> 00:38:59,160

candy bars there and just leave it

923

00:39:04,790 --> 00:39:02,660

overnight and you would hear oh

924

00:39:09,170 --> 00:39:04,800

you'd hear this munching and you'd hear

925

00:39:11,690 --> 00:39:09,180

them opening the the the ammo box and

926

00:39:14,089 --> 00:39:11,700

Terry the rappers on occasion you just

927

00:39:15,950 --> 00:39:14,099

hear the rapper disappearing into the

928

00:39:17,870 --> 00:39:15,960

distance as it's being carried off you

929

00:39:21,470 --> 00:39:17,880

know but uh

930

00:39:22,790 --> 00:39:21,480

it's a great way to find out how what

931

00:39:25,910 --> 00:39:22,800

they do and when they do it why they do

932

00:39:29,390 --> 00:39:25,920

it but you know but my whole point is

933

00:39:31,430 --> 00:39:29,400

these people are interacting on such a

934

00:39:33,710 --> 00:39:31,440

level that they

935

00:39:35,510 --> 00:39:33,720

they named them

936

00:39:38,750 --> 00:39:35,520

oh that's

937

00:39:40,730 --> 00:39:38,760

that's Paco we'll call him Paco

938

00:39:42,530 --> 00:39:40,740

because he'll he liked my you know

939

00:39:44,109 --> 00:39:42,540

Hamburger Helper that I put too much

940

00:39:47,930 --> 00:39:44,119

taco sauce on

941

00:39:50,450 --> 00:39:47,940

Paco you know it but it's just until

942

00:39:53,329 --> 00:39:50,460

you're doing it or know somebody who's

943

00:39:55,790 --> 00:39:53,339

doing it this may sound less like

944

00:39:58,430 --> 00:39:55,800

sheer Folly but it happens it's

945

00:40:01,550 --> 00:39:58,440

happening to people every day

946

00:40:02,930 --> 00:40:01,560

somebody you might know Bernadette is

947

00:40:05,290 --> 00:40:02,940

going through the drive now they just

948

00:40:09,530 --> 00:40:05,300

haven't said anything

949

00:40:12,069 --> 00:40:09,540

you know or somebody somebody you know

950

00:40:15,349 --> 00:40:12,079

who's not really close somebody in your

951

00:40:16,670 --> 00:40:15,359

peripheral has had something that go ah

952

00:40:19,849 --> 00:40:16,680

yeah even though they know who you are

953

00:40:21,890 --> 00:40:19,859

and what you do they may not seeing yeah

954

00:40:23,030 --> 00:40:21,900

but anybody listen to this right now you

955

00:40:28,490 --> 00:40:23,040

know somebody

956

00:40:31,430 --> 00:40:28,500

just don't know it yet that is having

957

00:40:32,870 --> 00:40:31,440

an experience with a Sasquatch group or

958

00:40:37,790 --> 00:40:32,880

family

959

00:40:41,930 --> 00:40:40,130

um so what about your experiences your

960

00:40:45,170 --> 00:40:41,940

personal experiences do you want to tell

961

00:40:51,290 --> 00:40:49,130

yeah I'm trying to figure of one that uh

962

00:40:54,349 --> 00:40:51,300

you know a couple of times I've been uh

963

00:40:56,630 --> 00:40:54,359

hit with infrasound infrasound is the uh

964

00:40:58,670 --> 00:40:56,640

the sound wave for those that don't know

965

00:41:01,550 --> 00:40:58,680

it's above and below the human range of

966

00:41:03,650 --> 00:41:01,560

hearing and it's something they use uh

967

00:41:05,210 --> 00:41:03,660

they being the government or Armed

968

00:41:08,270 --> 00:41:05,220

Forces they can use that for crowd

969

00:41:10,849 --> 00:41:08,280

dispersion if you shoot it at a crowd it

970

00:41:14,930 --> 00:41:10,859

tears your guts up horribly but used

971

00:41:16,730 --> 00:41:14,940

with some finesse uh they have uh

972

00:41:19,250 --> 00:41:16,740

paralyzed me a couple times where I

973

00:41:20,810 --> 00:41:19,260

couldn't get out of my sleeping bag I

974

00:41:23,329 --> 00:41:20,820

wanted out oh wow

975

00:41:25,970 --> 00:41:23,339

and I I

976  
00:41:27,950 --> 00:41:25,980  
couldn't make my hands work you know it

977  
00:41:28,810 --> 00:41:27,960  
was just something was walking by my

978  
00:41:31,370 --> 00:41:28,820  
tent

979  
00:41:34,190 --> 00:41:31,380  
I want to see I want to see

980  
00:41:35,930 --> 00:41:34,200  
I couldn't get out of my bag my my hand

981  
00:41:37,790 --> 00:41:35,940  
wouldn't work they just you know I was

982  
00:41:40,609 --> 00:41:37,800  
like

983  
00:41:42,589 --> 00:41:40,619  
I just couldn't do it I I wasn't afraid

984  
00:41:43,849 --> 00:41:42,599  
I was like dying to get out like you

985  
00:41:45,230 --> 00:41:43,859  
know so I've been Zapped a couple of

986  
00:41:47,030 --> 00:41:45,240  
times I've seen a couple a couple of

987  
00:41:47,990 --> 00:41:47,040  
people's zaps and they're like they're

988  
00:41:50,089 --> 00:41:48,000

yeah

989

00:41:52,730 --> 00:41:50,099

drop to their knees you know and some

990

00:41:55,010 --> 00:41:52,740

pain and neck you know

991

00:41:56,810 --> 00:41:55,020

um the one event that I really like to

992

00:41:59,150 --> 00:41:56,820

tell which I was telling you before with

993

00:42:04,550 --> 00:41:59,160

my wife you know I was about to ask you

994

00:42:08,150 --> 00:42:04,560

that it's a it's a very good example of

995

00:42:10,849 --> 00:42:08,160

either mentally tele mental telepathy

996

00:42:12,770 --> 00:42:10,859

some hypnosis of some kind or maybe

997

00:42:14,870 --> 00:42:12,780

infrasound but you know like I was

998

00:42:17,150 --> 00:42:14,880

telling you uh you know we share an

999

00:42:19,310 --> 00:42:17,160

officer this is over here and and I I've

1000

00:42:22,150 --> 00:42:19,320

got you know files and files I got

1001  
00:42:24,770 --> 00:42:22,160  
photos and videos and photos of you know

1002  
00:42:26,510 --> 00:42:24,780  
Sasquatch and all kinds of things and

1003  
00:42:30,109 --> 00:42:26,520  
she sees it so she sees all that she

1004  
00:42:31,849 --> 00:42:30,119  
goes well I just don't know you know I

1005  
00:42:34,970 --> 00:42:31,859  
I know you believe I believe you believe

1006  
00:42:37,130 --> 00:42:34,980  
but I just I I just it God it's just you

1007  
00:42:42,349 --> 00:42:37,140  
know she was brought up in a parochial

1008  
00:42:45,650 --> 00:42:42,359  
school you know oh okay so her her

1009  
00:42:47,450 --> 00:42:45,660  
schooling day-to-day was religious based

1010  
00:42:49,870 --> 00:42:47,460  
and so this is how the world is

1011  
00:42:53,030 --> 00:42:49,880  
according to religion you know

1012  
00:42:54,589 --> 00:42:53,040  
and uh so anyway I'll tell you I'm going

1013  
00:42:56,690 --> 00:42:54,599

to take you to one of my research areas

1014

00:42:58,069 --> 00:42:56,700

and she's an old Nebraska girl so she's

1015

00:42:59,990 --> 00:42:58,079

not afraid of getting out and getting

1016

00:43:01,130 --> 00:43:00,000

their hands dirty and no popping a squat

1017

00:43:02,990 --> 00:43:01,140

if she has to go to the bathroom or

1018

00:43:04,970 --> 00:43:03,000

something she's you know she's

1019

00:43:07,010 --> 00:43:04,980

you know lived on a farm pull the heads

1020

00:43:08,630 --> 00:43:07,020

off a chicken so we can have dinner uh

1021

00:43:10,089 --> 00:43:08,640

you know she so anyway she's not afraid

1022

00:43:13,550 --> 00:43:10,099

of that kind of stuff

1023

00:43:16,490 --> 00:43:13,560

until she got to the this area so I took

1024

00:43:21,650 --> 00:43:16,500

her to my research area uh which is down

1025

00:43:24,530 --> 00:43:21,660

near Ellington Missouri uh and uh she uh

1026

00:43:27,230 --> 00:43:24,540

it here's the very interesting part uh

1027

00:43:29,510 --> 00:43:27,240

there's a you know this there's a big

1028

00:43:32,390 --> 00:43:29,520

giant Long Ravine it's about 100 yards

1029

00:43:34,250 --> 00:43:32,400

long and at the end it curves around and

1030

00:43:36,710 --> 00:43:34,260

that's where I saw that one disappear

1031

00:43:39,109 --> 00:43:36,720

when I led My Expedition and I was

1032

00:43:40,910 --> 00:43:39,119

leading the Expedition there I said

1033

00:43:43,550 --> 00:43:40,920

I'm coming back here and I've been back

1034

00:43:46,970 --> 00:43:43,560

there probably a dozen times it's active

1035

00:43:49,130 --> 00:43:46,980

and it's awesome anyway so okay they

1036

00:43:51,470 --> 00:43:49,140

have a gate a metal gate that you you

1037

00:43:56,150 --> 00:43:51,480

can't drive a vehicle it is so Jagged

1038

00:43:58,190 --> 00:43:56,160

and uneven and too narrow that they've

1039

00:43:59,510 --> 00:43:58,200

gated it off so nobody could drive even

1040

00:44:00,770 --> 00:43:59,520

four wheelers down there because they

1041

00:44:02,809 --> 00:44:00,780

got tired of the conservation department

1042

00:44:05,050 --> 00:44:02,819

got tired of rescuing people that got

1043

00:44:07,190 --> 00:44:05,060

trapped

1044

00:44:09,069 --> 00:44:07,200

blew three tires and you know come

1045

00:44:12,589 --> 00:44:09,079

totally out of here and stuff so anyway

1046

00:44:15,589 --> 00:44:12,599

so uh I took her and we got there I

1047

00:44:16,910 --> 00:44:15,599

backed my my SUV up to the gate and

1048

00:44:18,890 --> 00:44:16,920

we're starting to walk down we've got

1049

00:44:20,109 --> 00:44:18,900

about you know maybe 10 yards and she's

1050

00:44:24,170 --> 00:44:20,119

going

1051

00:44:25,790 --> 00:44:24,180

no I don't like it I don't like it I've

1052

00:44:26,930 --> 00:44:25,800

said no no don't worry about it don't

1053

00:44:28,790 --> 00:44:26,940

worry about it I feel the same thing

1054

00:44:31,130 --> 00:44:28,800

you're feeling we're just in their

1055

00:44:33,290 --> 00:44:31,140

presence they live here this is where

1056

00:44:35,630 --> 00:44:33,300

they live I call it their living room

1057

00:44:39,530 --> 00:44:35,640

this is where they

1058

00:44:41,569 --> 00:44:39,540

live so you're gonna feel some weirdness

1059

00:44:43,010 --> 00:44:41,579

because they're watching and as you get

1060

00:44:46,069 --> 00:44:43,020

further and further down every step

1061

00:44:48,950 --> 00:44:46,079

she's going no no no no I don't like it

1062

00:44:50,150 --> 00:44:48,960

it's fine I'm going back I said no

1063

00:44:51,950 --> 00:44:50,160

you're not going back because I got the

1064

00:44:53,809 --> 00:44:51,960

key and I'm gonna let you go back we're

1065

00:44:56,450 --> 00:44:53,819

gonna go down to the to the bottom and

1066

00:44:58,370 --> 00:44:56,460

take a right and then we'll come back up

1067

00:44:59,930 --> 00:44:58,380

she said no I'm going back to the car I

1068

00:45:02,270 --> 00:44:59,940

said look the car is too far and I shine

1069

00:45:04,730 --> 00:45:02,280

my light up there

1070

00:45:07,849 --> 00:45:04,740

and my car's not there

1071

00:45:10,849 --> 00:45:07,859

I'm going oh what I shined it up at the

1072

00:45:12,650 --> 00:45:10,859

gate my car's gone and I said where's my

1073

00:45:14,210 --> 00:45:12,660

car and she's going what do you mean

1074

00:45:17,210 --> 00:45:14,220

where's your car are you messing with me

1075

00:45:20,569 --> 00:45:17,220

your car's right there I said no it's

1076

00:45:22,370 --> 00:45:20,579

gone where is it and just for some

1077

00:45:26,510 --> 00:45:22,380

reason I shined it down to the other end

1078

00:45:27,950 --> 00:45:26,520

where we were going there was my car

1079

00:45:31,790 --> 00:45:27,960

back now

1080

00:45:34,370 --> 00:45:31,800

and so she goes You Are

1081

00:45:37,609 --> 00:45:34,380

messed up not the exact yeah but you

1082

00:45:39,530 --> 00:45:37,619

know I can imagine you're you're jacking

1083

00:45:41,990 --> 00:45:39,540

with me and cut that crap you're

1084

00:45:43,670 --> 00:45:42,000

freaking me out I said no no no no how

1085

00:45:46,010 --> 00:45:43,680

how did that happen

1086

00:45:48,650 --> 00:45:46,020

um go back and shine it up at the gate

1087

00:45:51,530 --> 00:45:48,660

and it's gone and I go back down at the

1088

00:45:53,870 --> 00:45:51,540

bottom and there it is I said

1089

00:45:55,550 --> 00:45:53,880

and then I suddenly went

1090

00:46:03,010 --> 00:45:55,560

you

1091

00:46:06,410 --> 00:46:03,020

there to show her

1092

00:46:09,770 --> 00:46:06,420

and they ended up

1093

00:46:11,530 --> 00:46:09,780

flipping it on me and showing me in this

1094

00:46:13,910 --> 00:46:11,540

video

1095

00:46:15,530 --> 00:46:13,920

I knew what was happening but I had no

1096

00:46:16,490 --> 00:46:15,540

control over it and at the same time I

1097

00:46:19,550 --> 00:46:16,500

was going

1098

00:46:21,950 --> 00:46:19,560

dang you guys are good you know so about

1099

00:46:23,210 --> 00:46:21,960

two or three times back and forth then I

1100

00:46:25,430 --> 00:46:23,220

shined my light back up where it should

1101  
00:46:26,690 --> 00:46:25,440  
have been and there it is and I shined

1102  
00:46:28,130 --> 00:46:26,700  
it back down where we were going where

1103  
00:46:29,390 --> 00:46:28,140  
it shouldn't have been and it wasn't and

1104  
00:46:33,829 --> 00:46:29,400  
it wasn't there

1105  
00:46:37,190 --> 00:46:33,839  
so but they were showing me

1106  
00:46:38,870 --> 00:46:37,200  
and then basically showing her this is

1107  
00:46:42,109 --> 00:46:38,880  
how it works

1108  
00:46:43,490 --> 00:46:42,119  
it was awesome we had somebody over at

1109  
00:46:45,950 --> 00:46:43,500  
the house just a couple days ago and my

1110  
00:46:47,450 --> 00:46:45,960  
wife was going we I we told that story

1111  
00:46:50,329 --> 00:46:47,460  
she's going

1112  
00:46:51,829 --> 00:46:50,339  
yeah at this is this stuff's real I

1113  
00:46:52,790 --> 00:46:51,839

don't care what you think but whatever

1114

00:46:56,510 --> 00:46:52,800

he's

1115

00:47:00,349 --> 00:46:56,520

is real stuff

1116

00:47:02,750 --> 00:47:00,359

yeah and so she got baptized you know I

1117

00:47:05,510 --> 00:47:02,760

did too because I've never I'd never

1118

00:47:07,490 --> 00:47:05,520

been made to see something

1119

00:47:10,609 --> 00:47:07,500

that

1120

00:47:12,290 --> 00:47:10,619

was not there although local you could

1121

00:47:14,809 --> 00:47:12,300

save all that Sasquatch had vanished and

1122

00:47:16,190 --> 00:47:14,819

blew up in front of me uh but that I

1123

00:47:18,470 --> 00:47:16,200

think it jumped portals or jump to

1124

00:47:20,809 --> 00:47:18,480

another dimension and it just it it did

1125

00:47:22,370 --> 00:47:20,819

what it could it wasn't a gradual uh

1126

00:47:23,630 --> 00:47:22,380

cloaking he was like boom I'm out of

1127

00:47:24,650 --> 00:47:23,640

here because what are you guys doing

1128

00:47:27,829 --> 00:47:24,660

here you're waiting for me in the dark

1129

00:47:32,890 --> 00:47:27,839

it scared me you know yeah but that is

1130

00:47:35,390 --> 00:47:32,900

like one of my most epic examples of

1131

00:47:39,650 --> 00:47:35,400

what they can do

1132

00:47:41,329 --> 00:47:39,660

and I wasn't High my you know there was

1133

00:47:43,309 --> 00:47:41,339

nothing going on we hadn't even had a

1134

00:47:44,390 --> 00:47:43,319

drink I mean we're we're camping for

1135

00:47:45,950 --> 00:47:44,400

Christ's sake you know

1136

00:47:47,589 --> 00:47:45,960

you know and so

1137

00:47:52,490 --> 00:47:47,599

that was

1138

00:47:57,349 --> 00:47:52,500

unbelievable example of what uh they can

1139

00:48:01,309 --> 00:47:59,510

uh-huh

1140

00:48:05,470 --> 00:48:01,319

this

1141

00:48:08,390 --> 00:48:05,480

gifting of rocks was left to me in 2020

1142

00:48:12,170 --> 00:48:08,400

in uh

1143

00:48:15,109 --> 00:48:12,180

Jonesboro Illinois I led an expedition

1144

00:48:19,849 --> 00:48:15,119

for BFRO 2019

1145

00:48:23,270 --> 00:48:19,859

and uh we had it was a very similar area

1146

00:48:26,510 --> 00:48:23,280

it was real long but it's a little wider

1147

00:48:29,870 --> 00:48:26,520

uh but it was impassable for

1148

00:48:32,089 --> 00:48:29,880

people that weren't healthy you know and

1149

00:48:35,750 --> 00:48:32,099

so uh I had

1150

00:48:38,390 --> 00:48:35,760

four people on this Expedition and my

1151

00:48:40,069 --> 00:48:38,400

partner Harold who lives in Illinois

1152

00:48:42,170 --> 00:48:40,079

I have a partner in almost every state

1153

00:48:46,390 --> 00:48:42,180

so I have somebody I can you know go

1154

00:48:49,250 --> 00:48:46,400

with go with Yeah by yourself so anyway

1155

00:48:51,410 --> 00:48:49,260

Harold had had a couple of Strokes he's

1156

00:48:54,109 --> 00:48:51,420

had cancer he's had a lot of bad

1157

00:48:55,849 --> 00:48:54,119

physical ailments so he he had to walk

1158

00:48:58,250 --> 00:48:55,859

with you know two walking sticks and he

1159

00:49:01,670 --> 00:48:58,260

cannot he could not navigate that

1160

00:49:04,670 --> 00:49:01,680

Terrain so on the night I took my people

1161

00:49:07,250 --> 00:49:04,680

down these four people he stayed in his

1162

00:49:09,770 --> 00:49:07,260

truck waiting for us in the parking lot

1163

00:49:12,290 --> 00:49:09,780

the next night the Saturday night he

1164

00:49:14,690 --> 00:49:12,300

stayed back at our campsite

1165

00:49:15,770 --> 00:49:14,700

uh because he he just couldn't Traverse

1166

00:49:17,750 --> 00:49:15,780

it and didn't want to put himself

1167

00:49:22,790 --> 00:49:17,760

through the uh

1168

00:49:26,870 --> 00:49:24,290

I'll get away that reflection that's

1169

00:49:29,089 --> 00:49:26,880

good right there yeah okay

1170

00:49:31,250 --> 00:49:29,099

yeah so

1171

00:49:34,010 --> 00:49:31,260

you see there's

1172

00:49:37,190 --> 00:49:34,020

five rocks on one end on the left there

1173

00:49:39,050 --> 00:49:37,200

and there's one round rock at the very

1174

00:49:40,930 --> 00:49:39,060

other end of this

1175

00:49:43,670 --> 00:49:40,940

trunk

1176

00:49:46,849 --> 00:49:43,680

pointy Rock

1177

00:49:48,890 --> 00:49:46,859

I didn't know this at the time I is uh

1178

00:49:51,829 --> 00:49:48,900

was me and the four people behind me

1179

00:49:54,829 --> 00:49:51,839

were the four Expedition goes the Short

1180

00:49:57,230 --> 00:49:54,839

Round Rock was Harold at the other end

1181

00:50:00,589 --> 00:49:57,240

who was there

1182

00:50:03,650 --> 00:50:00,599

but he wasn't there you know what I mean

1183

00:50:07,430 --> 00:50:03,660

so yeah that we didn't we didn't find

1184

00:50:10,309 --> 00:50:07,440

this until 2020. we decided to go back

1185

00:50:12,829 --> 00:50:10,319

in 2020 coveted hit by then

1186

00:50:15,650 --> 00:50:12,839

uh we went back in Hidden March I think

1187

00:50:16,609 --> 00:50:15,660

and we went there in uh October that

1188

00:50:18,650 --> 00:50:16,619

year

1189

00:50:20,990 --> 00:50:18,660

and so I said Harold I just want to come

1190

00:50:22,970 --> 00:50:21,000

I want to see if that that area has the

1191

00:50:24,589 --> 00:50:22,980

same magic because I really like the

1192

00:50:26,569 --> 00:50:24,599

feel of the area I feel like we were

1193

00:50:27,530 --> 00:50:26,579

kind of in their living room and like we

1194

00:50:31,010 --> 00:50:27,540

did over there

1195

00:50:33,470 --> 00:50:31,020

in here in Missouri so we went we camped

1196

00:50:34,730 --> 00:50:33,480

out like nobody was out you couldn't go

1197

00:50:38,390 --> 00:50:34,740

to a restaurant you couldn't do anything

1198

00:50:40,150 --> 00:50:38,400

you know how it was and so uh yeah we

1199

00:50:43,550 --> 00:50:40,160

went there

1200

00:50:46,730 --> 00:50:43,560

and 10 o'clock or so in the morning we

1201  
00:50:48,950 --> 00:50:46,740  
spent a couple hours and uh uh I said

1202  
00:50:50,690 --> 00:50:48,960  
you know what this really feels good

1203  
00:50:52,670 --> 00:50:50,700  
here so I'll tell you I'm gonna go get a

1204  
00:50:54,290 --> 00:50:52,680  
camera we'll get a trail camera I'm

1205  
00:50:56,030 --> 00:50:54,300  
gonna leave it here hopefully maybe we

1206  
00:50:59,630 --> 00:50:56,040  
get a picture or something of course you

1207  
00:51:01,730 --> 00:50:59,640  
know highly likely you don't but you'll

1208  
00:51:03,770 --> 00:51:01,740  
never get one if there's always that one

1209  
00:51:06,470 --> 00:51:03,780  
chance yeah it's like the Powerball

1210  
00:51:08,210 --> 00:51:06,480  
winner if they don't play you know well

1211  
00:51:12,650 --> 00:51:08,220  
I'll I'll play I'll throw away two bucks

1212  
00:51:14,510 --> 00:51:12,660  
anyway so uh we we left there about two

1213  
00:51:16,069 --> 00:51:14,520

o'clock in the afternoon five o'clock

1214

00:51:20,690 --> 00:51:16,079

it's dark

1215

00:51:22,010 --> 00:51:20,700

and so the odds of any humans coming by

1216

00:51:23,630 --> 00:51:22,020

that area

1217

00:51:25,370 --> 00:51:23,640

during covet

1218

00:51:29,030 --> 00:51:25,380

it's not very good

1219

00:51:30,530 --> 00:51:29,040

and then stacking rocks like that

1220

00:51:31,970 --> 00:51:30,540

anyway

1221

00:51:35,390 --> 00:51:31,980

so

1222

00:51:37,670 --> 00:51:35,400

we went and went back to the camp and I

1223

00:51:39,890 --> 00:51:37,680

came back to this area to get my camper

1224

00:51:41,750 --> 00:51:39,900

on the way back to Kansas City

1225

00:51:44,930 --> 00:51:41,760

and so it was about eight o'clock 8 30

1226  
00:51:49,190 --> 00:51:44,940  
in the morning and I went down there

1227  
00:51:51,710 --> 00:51:49,200  
and then I see these rocks

1228  
00:51:53,450 --> 00:51:51,720  
yeah and I'm looking at that I said

1229  
00:51:55,849 --> 00:51:53,460  
these weren't here

1230  
00:51:58,370 --> 00:51:55,859  
I didn't even dawn on me

1231  
00:52:02,930 --> 00:51:58,380  
to match it up with

1232  
00:52:10,730 --> 00:52:07,930  
what oh good that's me that's awesome

1233  
00:52:12,589 --> 00:52:10,740  
you know I I started getting teary-eyed

1234  
00:52:17,030 --> 00:52:12,599  
and emotional when I tell you excited

1235  
00:52:19,430 --> 00:52:17,040  
yeah it's riveting that was me that

1236  
00:52:20,870 --> 00:52:19,440  
pointy rock is the leader the four

1237  
00:52:23,270 --> 00:52:20,880  
people behind it were the four

1238  
00:52:27,790 --> 00:52:23,280

## Expedition goes in the Short Round Rock

1239

00:52:35,390 --> 00:52:31,190

there it wasn't there

1240

00:52:37,069 --> 00:52:35,400

that was a symbol symbolic they were

1241

00:52:39,410 --> 00:52:37,079

telling people he's over here because

1242

00:52:41,450 --> 00:52:39,420

well he was there but he wasn't really

1243

00:52:42,470 --> 00:52:41,460

wasn't really there but he was in the

1244

00:52:45,730 --> 00:52:42,480

neighborhood

1245

00:52:48,109 --> 00:52:45,740

yeah oh my God

1246

00:52:49,609 --> 00:52:48,119

I'm freaking out I'm going oh my God

1247

00:52:53,150 --> 00:52:49,619

because I'm yelling and screaming in the

1248

00:52:56,210 --> 00:52:53,160

middle of nowhere and uh this area is

1249

00:52:59,569 --> 00:52:56,220

the Trail of Tears in Illinois

1250

00:53:02,569 --> 00:52:59,579

oh okay a lot of bad vibes and

1251  
00:53:06,049 --> 00:53:02,579  
negativity and death and sorrow in that

1252  
00:53:07,430 --> 00:53:06,059  
area so anyway I I call my wife it's

1253  
00:53:08,870 --> 00:53:07,440  
like 8 30 in the morning she's at work

1254  
00:53:11,210 --> 00:53:08,880  
I'm going you're not gonna believe the

1255  
00:53:15,710 --> 00:53:12,770  
I was telling her everything and she

1256  
00:53:17,809 --> 00:53:15,720  
goes what time did that happen I said

1257  
00:53:19,730 --> 00:53:17,819  
well it had to happen last night I told

1258  
00:53:21,530 --> 00:53:19,740  
her we left around two o'clock it got

1259  
00:53:24,170 --> 00:53:21,540  
dark by five or six because it's you

1260  
00:53:26,630 --> 00:53:24,180  
know it's it's fall you know there's

1261  
00:53:29,210 --> 00:53:26,640  
nobody out so it had to happen she I

1262  
00:53:31,490 --> 00:53:29,220  
said well why she goes

1263  
00:53:33,370 --> 00:53:31,500

well here's something last night I'm

1264

00:53:36,710 --> 00:53:33,380

getting ready for bed 9 30 10 o'clock

1265

00:53:38,809 --> 00:53:36,720

I'm in the bedroom by myself

1266

00:53:42,170 --> 00:53:38,819

in a blue orb

1267

00:53:44,809 --> 00:53:42,180

starts flying around our bedroom

1268

00:53:47,630 --> 00:53:44,819

wow it's zipping around

1269

00:53:49,910 --> 00:53:47,640

and not only does she see it physically

1270

00:53:52,010 --> 00:53:49,920

like she sees it you know it flies right

1271

00:53:54,049 --> 00:53:52,020

by her it's like we ain't she's also

1272

00:53:55,970 --> 00:53:54,059

season reflected in the mirror so she's

1273

00:53:58,250 --> 00:53:55,980

seeing a real thing it's not a

1274

00:53:59,930 --> 00:53:58,260

reflection from outside our home or

1275

00:54:02,109 --> 00:53:59,940

anything like that which is the way the

1276

00:54:04,970 --> 00:54:02,119

house sits it's impossible we don't get

1277

00:54:07,130 --> 00:54:04,980

cars or anything like that and it just

1278

00:54:08,750 --> 00:54:07,140

flew around the bedroom for about 15-20

1279

00:54:11,829 --> 00:54:08,760

seconds then went into the bathroom boom

1280

00:54:18,470 --> 00:54:16,069

I know where you live yeah exactly it

1281

00:54:22,549 --> 00:54:18,480

was and it's just like it was a

1282

00:54:25,010 --> 00:54:22,559

Monumental thing for me I made contact

1283

00:54:26,150 --> 00:54:25,020

and they made contact with me and I'm

1284

00:54:29,089 --> 00:54:26,160

just

1285

00:54:31,910 --> 00:54:29,099

flip it out you know I'm so Overjoyed

1286

00:54:33,530 --> 00:54:31,920

you know I mean it was just like

1287

00:54:35,870 --> 00:54:33,540

I hear about this from everybody else

1288

00:54:38,450 --> 00:54:35,880

but it never happens to me oh my God it

1289

00:54:41,690 --> 00:54:38,460

was just it was you know the aha moment

1290

00:54:43,910 --> 00:54:41,700

of all aha moments you know yeah and so

1291

00:54:47,210 --> 00:54:43,920

I put her on the cover of the book so

1292

00:54:49,010 --> 00:54:47,220

you know in the next time we go back

1293

00:54:53,450 --> 00:54:49,020

there we went back

1294

00:54:58,250 --> 00:54:53,460

uh three years in a row uh 20 21.

1295

00:54:59,930 --> 00:54:58,260

and uh 22. I went back there in 21

1296

00:55:01,730 --> 00:54:59,940

and

1297

00:55:04,309 --> 00:55:01,740

all the rocks

1298

00:55:06,829 --> 00:55:04,319

are off of this

1299

00:55:09,530 --> 00:55:06,839

log

1300

00:55:13,069 --> 00:55:09,540

and the one Round Rock

1301  
00:55:15,349 --> 00:55:13,079  
there was it's where the five rocks were

1302  
00:55:16,790 --> 00:55:15,359  
all the others are gone there's just

1303  
00:55:20,690 --> 00:55:16,800  
that one rock

1304  
00:55:23,809 --> 00:55:20,700  
Harold because that time that that day

1305  
00:55:27,710 --> 00:55:23,819  
he was with me he finally now we took a

1306  
00:55:30,829 --> 00:55:27,720  
long time walking slow stop take a break

1307  
00:55:32,210 --> 00:55:30,839  
he got down there and I'll be damned if

1308  
00:55:35,329 --> 00:55:32,220  
that rock

1309  
00:55:37,970 --> 00:55:35,339  
that represented him was in the place of

1310  
00:55:40,970 --> 00:55:37,980  
the five rocks and the reason I know

1311  
00:55:45,530 --> 00:55:40,980  
it's that rock is because when I found

1312  
00:55:46,910 --> 00:55:45,540  
it uh I dusted it from Prince to see if

1313  
00:55:48,890 --> 00:55:46,920

there was any fingerprints because I

1314

00:55:51,170 --> 00:55:48,900

carry a DNA kit I carry a crime scene

1315

00:55:53,030 --> 00:55:51,180

kit and a DNA cable at all times it's

1316

00:55:54,890 --> 00:55:53,040

like that is it for prints

1317

00:55:56,510 --> 00:55:54,900

because they'd pick those rocks up and

1318

00:55:58,910 --> 00:55:56,520

moved them

1319

00:56:00,170 --> 00:55:58,920

they had to right yeah

1320

00:56:02,510 --> 00:56:00,180

I thought well maybe I'll get a print

1321

00:56:05,510 --> 00:56:02,520

you know not likely especially even

1322

00:56:07,790 --> 00:56:05,520

sitting out over overnight you know uh

1323

00:56:09,470 --> 00:56:07,800

with a animal and stuff but of course

1324

00:56:12,410 --> 00:56:09,480

there's nothing but you

1325

00:56:15,829 --> 00:56:12,420

there was a little black residue left

1326  
00:56:18,290 --> 00:56:15,839  
you know on the Rock so but they they

1327  
00:56:21,290 --> 00:56:18,300  
left that rock in the book I've got a

1328  
00:56:22,970 --> 00:56:21,300  
picture of Harold standing by his Rock

1329  
00:56:24,589 --> 00:56:22,980  
and the little gifting tree that I put

1330  
00:56:27,109 --> 00:56:24,599  
up at that area

1331  
00:56:29,450 --> 00:56:27,119  
and it was just like it was so

1332  
00:56:31,609 --> 00:56:29,460  
cute Harold had this big old smile on

1333  
00:56:33,950 --> 00:56:31,619  
his face like he you know he was just

1334  
00:56:36,710 --> 00:56:33,960  
like oh that's so cool that's me that's

1335  
00:56:38,990 --> 00:56:36,720  
a rock that's me but it was just and if

1336  
00:56:41,750 --> 00:56:39,000  
you wouldn't have tested it though if

1337  
00:56:43,849 --> 00:56:41,760  
tested it you wouldn't have known I mean

1338  
00:56:45,609 --> 00:56:43,859

say there will have been was there a

1339

00:56:49,250 --> 00:56:45,619

print

1340

00:56:57,010 --> 00:56:49,260

but I had no I didn't get anything yeah

1341

00:57:01,849 --> 00:56:59,510

you know which I have you know that hand

1342

00:57:03,470 --> 00:57:01,859

print right behind me up on the wall uh

1343

00:57:06,230 --> 00:57:03,480

that's that's full of dermal ridges that

1344

00:57:08,990 --> 00:57:06,240

one here uh oh wow yeah it's it's crazy

1345

00:57:13,790 --> 00:57:09,000

but anyway so

1346

00:57:18,829 --> 00:57:13,800

it was the aha moment in synths that

1347

00:57:22,030 --> 00:57:18,839

time 2019 we've had so many weird things

1348

00:57:22,040 --> 00:57:26,630

interactions things go on

1349

00:57:31,190 --> 00:57:29,210

every couple of weeks there's something

1350

00:57:32,690 --> 00:57:31,200

the other day I was washing dishes in

1351  
00:57:34,430 --> 00:57:32,700  
the kitchen and I was talking to my wife

1352  
00:57:36,650 --> 00:57:34,440  
who was sitting in the bar room and she

1353  
00:57:38,150 --> 00:57:36,660  
goes did you hear that you get this look

1354  
00:57:40,309 --> 00:57:38,160  
on her face like

1355  
00:57:42,049 --> 00:57:40,319  
did you hear that I said hear what I'm

1356  
00:57:44,210 --> 00:57:42,059  
washing dishes I can't hear I'm making

1357  
00:57:45,950 --> 00:57:44,220  
noise I'm clattering dishes yeah

1358  
00:57:48,710 --> 00:57:45,960  
something just snapped his fingers in my

1359  
00:57:49,790 --> 00:57:48,720  
leg in my ear and I saw I saw the look

1360  
00:57:52,130 --> 00:57:49,800  
on her like

1361  
00:57:53,690 --> 00:57:52,140  
and that's happening

1362  
00:57:55,370 --> 00:57:53,700  
no not only here that's the first time

1363  
00:57:58,190 --> 00:57:55,380

that's been in there we've heard finger

1364

00:58:00,230 --> 00:57:58,200

snaps or clicks a couple of times

1365

00:58:02,089 --> 00:58:00,240

uh like I was telling you earlier I had

1366

00:58:05,930 --> 00:58:02,099

something tapped me on the head three

1367

00:58:08,510 --> 00:58:05,940

times TV sitting on the sofa I looked

1368

00:58:11,930 --> 00:58:08,520

over at my wife said did you do that do

1369

00:58:13,490 --> 00:58:11,940

what you know yeah come on no what what

1370

00:58:16,069 --> 00:58:13,500

are you talking about she you know she

1371

00:58:18,170 --> 00:58:16,079

watches TV she has her fire in her lap

1372

00:58:20,089 --> 00:58:18,180

in her phone yeah she's like I'm not

1373

00:58:21,290 --> 00:58:20,099

even here you know I mean you know I

1374

00:58:25,089 --> 00:58:21,300

might as well not even be there because

1375

00:58:27,650 --> 00:58:25,099

she's got all the all the social media

1376

00:58:29,390 --> 00:58:27,660

all the stimulation she needs like she

1377

00:58:31,750 --> 00:58:29,400

doesn't need me sitting there but we've

1378

00:58:35,450 --> 00:58:31,760

had you know knocks on a door

1379

00:58:38,690 --> 00:58:35,460

uh a voice called my name uh things

1380

00:58:40,130 --> 00:58:38,700

walking across our bed at night uh

1381

00:58:43,190 --> 00:58:40,140

something pulled a pillow out from under

1382

00:58:44,870 --> 00:58:43,200

her head one night something had I felt

1383

00:58:47,870 --> 00:58:44,880

like three or four hands under each of

1384

00:58:50,510 --> 00:58:47,880

my legs Lift Me Up it was slowly

1385

00:58:51,950 --> 00:58:50,520

carrying me off toward the edge of my

1386

00:58:53,809 --> 00:58:51,960

bed

1387

00:58:55,730 --> 00:58:53,819

and then they dropped me with my wife

1388

00:58:57,650 --> 00:58:55,740

yeah she's gotten up and gone to the

1389

00:58:59,829 --> 00:58:57,660

bathroom and I watched her I said are

1390

00:59:01,970 --> 00:58:59,839

you seeing this and she didn't even

1391

00:59:03,049 --> 00:59:01,980

acknowledge me she just walked to the

1392

00:59:06,410 --> 00:59:03,059

bathroom I said kind of like I was

1393

00:59:07,250 --> 00:59:06,420

looking through this fall are you seeing

1394

00:59:09,829 --> 00:59:07,260

this

1395

00:59:10,849 --> 00:59:09,839

she didn't answer and she went to the

1396

00:59:12,109 --> 00:59:10,859

bathroom as soon as she flushed the

1397

00:59:15,530 --> 00:59:12,119

toilet they dropped me on the bed

1398

00:59:19,130 --> 00:59:15,540

whoever they was yeah you know and I get

1399

00:59:21,109 --> 00:59:19,140

visions of the Sasquatch people

1400

00:59:26,270 --> 00:59:21,119

in their habitat

1401  
00:59:27,950 --> 00:59:26,280  
wow I I am going down this Ravine and

1402  
00:59:30,349 --> 00:59:27,960  
I'm going down real slow but everything

1403  
00:59:32,030 --> 00:59:30,359  
by me is going by much faster than I'm

1404  
00:59:34,130 --> 00:59:32,040  
actually moving you know because their

1405  
00:59:35,569 --> 00:59:34,140  
their version of time and space is

1406  
00:59:38,630 --> 00:59:35,579  
completely different than ours you know

1407  
00:59:40,250 --> 00:59:38,640  
and so I'm going I feel like I'm going

1408  
00:59:41,150 --> 00:59:40,260  
slowly like this I'm getting close but

1409  
00:59:43,010 --> 00:59:41,160  
you

1410  
00:59:44,270 --> 00:59:43,020  
it's going by me like 100 miles an hour

1411  
00:59:47,450 --> 00:59:44,280  
it's kind of like the Road Runner you

1412  
00:59:51,410 --> 00:59:47,460  
know uh I'm going faster than I look you

1413  
00:59:53,089 --> 00:59:51,420

know and so but I I see the kids the the

1414

00:59:54,890 --> 00:59:53,099

juveniles

1415

00:59:58,190 --> 00:59:54,900

walking around they're eating bugs

1416

01:00:00,589 --> 00:59:58,200

chasing bugs and just poking sticks in

1417

01:00:01,910 --> 01:00:00,599

the ground and you know a mama papa just

1418

01:00:03,890 --> 01:00:01,920

kind of laying around walking you know

1419

01:00:05,930 --> 01:00:03,900

maybe you know just it's a day in the

1420

01:00:06,829 --> 01:00:05,940

life I've seen this probably half a cup

1421

01:00:11,210 --> 01:00:06,839

of times

1422

01:00:14,390 --> 01:00:11,220

wife and I we meditate as we go to bed

1423

01:00:16,010 --> 01:00:14,400

at night we're both type A so we kind of

1424

01:00:17,569 --> 01:00:16,020

try to come down a little bit so right

1425

01:00:20,809 --> 01:00:17,579

now right as I get into that Alpha state

1426

01:00:22,549 --> 01:00:20,819

is when I get these visions that I'm not

1427

01:00:23,990 --> 01:00:22,559

seeing things it's not a lucid dream or

1428

01:00:26,329 --> 01:00:24,000

anything like that I'm not well where

1429

01:00:27,650 --> 01:00:26,339

I'm awake and I know and I start seeing

1430

01:00:29,150 --> 01:00:27,660

these things it's the same thing over

1431

01:00:31,309 --> 01:00:29,160

and over you know I think if I was going

1432

01:00:33,410 --> 01:00:31,319

to be seeing something different every

1433

01:00:35,150 --> 01:00:33,420

night but I've seen them and there's

1434

01:00:36,589 --> 01:00:35,160

like two or three of them and sometimes

1435

01:00:37,849 --> 01:00:36,599

it looks like they're you know they're

1436

01:00:39,349 --> 01:00:37,859

almost like little kids are like trying

1437

01:00:40,970 --> 01:00:39,359

to get into the camera and look at me

1438

01:00:43,250 --> 01:00:40,980

you know I mean but

1439

01:00:44,870 --> 01:00:43,260

there's no camera that I'm aware of but

1440

01:00:47,930 --> 01:00:44,880

I'll see three or four faces and they're

1441

01:00:49,670 --> 01:00:47,940

all oh look there's a human oh look he's

1442

01:00:51,589 --> 01:00:49,680

in bed what's he doing I mean it's just

1443

01:00:53,569 --> 01:00:51,599

yeah it's weird that's what it looks

1444

01:00:55,069 --> 01:00:53,579

like you know and only one time have

1445

01:00:58,490 --> 01:00:55,079

they spoken to me when I said you know

1446

01:01:00,829 --> 01:00:58,500

this doesn't look like Missouri uh where

1447

01:01:03,770 --> 01:01:00,839

is this it looks similar to my research

1448

01:01:06,710 --> 01:01:03,780

area and uh I hear

1449

01:01:10,309 --> 01:01:06,720

this is home

1450

01:01:12,789 --> 01:01:10,319

home wow and that's it it's in my head

1451

01:01:15,589 --> 01:01:12,799

you know and then everything goes out

1452

01:01:17,270 --> 01:01:15,599

but this happened about probably about

1453

01:01:19,730 --> 01:01:17,280

half a dozen times

1454

01:01:21,950 --> 01:01:19,740

yeah it's the same each time you know

1455

01:01:25,130 --> 01:01:21,960

wow and it's just like

1456

01:01:26,990 --> 01:01:25,140

so this stuff happens guys and if you

1457

01:01:29,150 --> 01:01:27,000

don't believe me or believe you know

1458

01:01:31,910 --> 01:01:29,160

your your husband your wife your cousin

1459

01:01:33,829 --> 01:01:31,920

your co-worker I I'm sorry for you but

1460

01:01:35,690 --> 01:01:33,839

this stuff is happening you know and you

1461

01:01:36,890 --> 01:01:35,700

may think well he's a nut he writes

1462

01:01:38,150 --> 01:01:36,900

books he's kind of trying to sell a book

1463

01:01:39,829 --> 01:01:38,160

so he's going to spook them all up you

1464

01:01:41,870 --> 01:01:39,839

know this is real stuff it's happening

1465

01:01:43,609 --> 01:01:41,880

and those of you who have experienced

1466

01:01:45,890 --> 01:01:43,619

what I'm talking about you already know

1467

01:01:47,990 --> 01:01:45,900

your experiences you're not like

1468

01:01:50,270 --> 01:01:48,000

that sounded like a bunch of crap come

1469

01:01:54,370 --> 01:01:50,280

on yeah yeah

1470

01:01:58,730 --> 01:01:56,990

like the husbands who didn't believe

1471

01:02:00,890 --> 01:01:58,740

their wives were saying Sasquatch where

1472

01:02:03,530 --> 01:02:00,900

their way at work during the day and

1473

01:02:06,289 --> 01:02:03,540

suddenly and they made fun of them for 5

1474

01:02:07,730 --> 01:02:06,299

10 15 years and then suddenly they see

1475

01:02:09,349 --> 01:02:07,740

one they go

1476

01:02:11,289 --> 01:02:09,359

oh

1477

01:02:14,270 --> 01:02:11,299

boy I got some

1478

01:02:17,270 --> 01:02:14,280

curl on my face oh I'm so sorry I mean

1479

01:02:19,010 --> 01:02:17,280

you know they're just like oh oh God oh

1480

01:02:21,289 --> 01:02:19,020

my God yeah

1481

01:02:25,750 --> 01:02:21,299

you know it happens all over you know

1482

01:02:28,150 --> 01:02:25,760

and they're baptized Hallelujah

1483

01:02:31,430 --> 01:02:28,160

so before

1484

01:02:35,270 --> 01:02:31,440

before we get into some questions

1485

01:02:38,150 --> 01:02:35,280

um do you know Robin McRae yes I know

1486

01:02:39,950 --> 01:02:38,160

who she is I was gonna say

1487

01:02:41,990 --> 01:02:39,960

I was gonna say you two would get along

1488

01:02:44,630 --> 01:02:42,000

great because some of your experiences

1489

01:02:46,190 --> 01:02:44,640

and we've I've had her on and some of

1490

01:02:49,150 --> 01:02:46,200

her experiences it's just basically

1491

01:02:51,370 --> 01:02:49,160

parallel from what she has told us

1492

01:02:54,289 --> 01:02:51,380

in Canada

1493

01:02:55,549 --> 01:02:54,299

uh I know I think she said South

1494

01:02:58,089 --> 01:02:55,559

Carolina I wouldn't say something

1495

01:03:04,130 --> 01:03:01,430

uh you know Brian Bland and uh Michael

1496

01:03:08,270 --> 01:03:04,140

Harrell with the pork and bean show they

1497

01:03:10,730 --> 01:03:08,280

they have so many spiritual people and

1498

01:03:13,750 --> 01:03:10,740

yeah they are go they you know they have

1499

01:03:16,069 --> 01:03:13,760

they're in a much more Serene and

1500

01:03:18,530 --> 01:03:16,079

encouraging area they're in deep deep

1501

01:03:21,589 --> 01:03:18,540

Woods where there's no humans no history

1502

01:03:24,470 --> 01:03:21,599

no City no noise and cars I mean they're

1503

01:03:26,270 --> 01:03:24,480

much more open and likely to experience

1504

01:03:28,490 --> 01:03:26,280

a spiritual situation because of where

1505

01:03:29,990 --> 01:03:28,500

they are you know I keep trying to tell

1506

01:03:32,210 --> 01:03:30,000

Brian and Michael that's you know I just

1507

01:03:34,250 --> 01:03:32,220

have too much clutter in my head to be

1508

01:03:37,670 --> 01:03:34,260

able to experience it on a daily basis

1509

01:03:40,609 --> 01:03:37,680

yeah and every time I think they've

1510

01:03:43,490 --> 01:03:40,619

forgotten me I'll get something

1511

01:03:45,710 --> 01:03:43,500

that will happen and I'm keeping the

1512

01:03:47,750 --> 01:03:45,720

list now it's called strangeness at home

1513

01:03:50,750 --> 01:03:47,760

it's all the weird stuff that's going on

1514

01:03:54,170 --> 01:03:50,760

that's inexplicable some of it could be

1515

01:03:56,450 --> 01:03:54,180

explained maybe it's like but

1516

01:03:59,450 --> 01:03:56,460

this didn't start until I made my

1517

01:04:03,049 --> 01:03:59,460

contact so right okay I'm ready this is

1518

01:04:09,230 --> 01:04:05,210

all right let's get into some questions

1519

01:04:11,329 --> 01:04:09,240

so get this up here

1520

01:04:13,250 --> 01:04:11,339

there it goes so

1521

01:04:16,789 --> 01:04:13,260

I don't hopefully I don't mess up too

1522

01:04:20,030 --> 01:04:16,799

bad con squash because Carter still

1523

01:04:22,609 --> 01:04:20,040

experience oh go ahead sorry yeah no am

1524

01:04:24,289 --> 01:04:22,619

I still experiencing paranormal yes yeah

1525

01:04:26,870 --> 01:04:24,299

just a few days ago I was telling about

1526

01:04:28,309 --> 01:04:26,880

my wife having fingers snapping in her

1527

01:04:31,010 --> 01:04:28,319

ear she's sitting there reading the book

1528

01:04:32,450 --> 01:04:31,020

I'm in the kitchen

1529

01:04:34,190 --> 01:04:32,460

mm-hmm

1530

01:04:36,890 --> 01:04:34,200

did you see that did you hear that

1531

01:04:39,109 --> 01:04:36,900

that's unnerving when it happens yeah

1532

01:04:40,370 --> 01:04:39,119

and then I told some I was on another

1533

01:04:42,410 --> 01:04:40,380

podcast and I mentioned that and

1534

01:04:44,809 --> 01:04:42,420

somebody said well you know uh clicking

1535

01:04:48,230 --> 01:04:44,819

or snapping a fingers is one of the most

1536

01:04:49,670 --> 01:04:48,240

telltale signs of a paranormal

1537

01:04:52,130 --> 01:04:49,680

existence

1538

01:04:54,289 --> 01:04:52,140

you know I don't know that's your that's

1539

01:04:56,030 --> 01:04:54,299

your business but the person says you

1540

01:04:57,470 --> 01:04:56,040

know that is one sure way that you're

1541

01:05:00,829 --> 01:04:57,480

you're dealing with

1542

01:05:03,710 --> 01:05:00,839

something that is there but not there is

1543

01:05:06,109 --> 01:05:03,720

snapping or clicking clicking so yeah I

1544

01:05:09,410 --> 01:05:06,119

never said that I there's still weird

1545

01:05:11,569 --> 01:05:09,420

stuff going on here yeah yeah I've never

1546

01:05:13,430 --> 01:05:11,579

I've never thought I've had that happen

1547

01:05:15,170 --> 01:05:13,440

a lot but I've just never thought of

1548

01:05:17,630 --> 01:05:15,180

that that's interesting

1549

01:05:21,170 --> 01:05:17,640

yeah this person was

1550

01:05:24,589 --> 01:05:21,180

um a medium and he said that is one of

1551

01:05:27,890 --> 01:05:24,599

the the two or three things that I as a

1552

01:05:31,970 --> 01:05:27,900

medium uh Define

1553

01:05:33,170 --> 01:05:31,980

a poltergeist or a paranormal experience

1554

01:05:36,890 --> 01:05:33,180

is

1555

01:05:40,430 --> 01:05:36,900

you know clicking out of The Ether just

1556

01:05:41,650 --> 01:05:40,440

oh okay that's interesting yeah

1557

01:05:45,230 --> 01:05:41,660

so

1558

01:05:47,450 --> 01:05:45,240

next Jose Sanchez he says UAP is a

1559

01:05:49,370 --> 01:05:47,460

convenient term to Enlighten and

1560

01:05:50,870 --> 01:05:49,380

discredit the heavier more serious year

1561

01:05:54,490 --> 01:05:50,880

for the term

1562

01:05:57,289 --> 01:05:54,500

yeah I like that I like that yeah

1563

01:05:59,750 --> 01:05:57,299

that explanation there lighten and

1564

01:06:01,309 --> 01:05:59,760

discredit in other words so they can

1565

01:06:04,430 --> 01:06:01,319

just sweep it under the rug you know so

1566

01:06:07,010 --> 01:06:04,440

yeah uh that's cool yeah the UAP

1567

01:06:09,049 --> 01:06:07,020

UFO

1568

01:06:11,630 --> 01:06:09,059

et's extraterrestrials I'll always use

1569

01:06:13,010 --> 01:06:11,640

those words because that is an absolute

1570

01:06:15,410 --> 01:06:13,020

definition of what you know we're

1571

01:06:17,630 --> 01:06:15,420

experiencing you know so yeah good one I

1572

01:06:20,510 --> 01:06:17,640

like that no I totally agree with you

1573

01:06:22,250 --> 01:06:20,520

yeah it'll always be my phone to me I I

1574

01:06:25,549 --> 01:06:22,260

don't care what they'll call it it's

1575

01:06:27,470 --> 01:06:25,559

always going to be UFOs

1576

01:06:30,289 --> 01:06:27,480

um again from Jose he likes this time

1577

01:06:32,089 --> 01:06:30,299

slot but I agree I I like this time slot

1578

01:06:34,250 --> 01:06:32,099

better because we used to be on the 11

1579

01:06:36,770 --> 01:06:34,260

o'clock right after law and then Fridays

1580

01:06:39,589 --> 01:06:36,780

so just wanted to put that I agree it's

1581

01:06:42,170 --> 01:06:39,599

it's a better time slot I'm very happy

1582

01:06:46,010 --> 01:06:42,180

with it trust me

1583

01:06:48,950 --> 01:06:46,020

yeah uh Thomas wants to know any

1584

01:06:50,329 --> 01:06:48,960

instances of big Bigfoot moving game

1585

01:06:51,650 --> 01:06:50,339

cameras

1586

01:06:55,789 --> 01:06:51,660

uh

1587

01:07:00,349 --> 01:06:55,799

yeah I I've had one camera moved but

1588

01:07:03,529 --> 01:07:00,359

just enough and I had a structure I went

1589

01:07:05,930 --> 01:07:03,539

to a property where this guy had uh

1590

01:07:08,510 --> 01:07:05,940

taken a picture on his trail cam he had

1591

01:07:10,010 --> 01:07:08,520

a uh it looked like a chimpanzee

1592

01:07:11,870 --> 01:07:10,020

here in Missouri

1593

01:07:13,849 --> 01:07:11,880

there was no chimps in Missouri just

1594

01:07:15,770 --> 01:07:13,859

thought I'd tell everybody that there's

1595

01:07:19,309 --> 01:07:15,780

no there's no monkeys here in Missouri

1596

01:07:21,650 --> 01:07:19,319

so anyway but uh I went up and I

1597

01:07:23,750 --> 01:07:21,660

climbed about 25 feet up in this tree

1598

01:07:26,450 --> 01:07:23,760

and I strapped it in really good I had

1599

01:07:28,849 --> 01:07:26,460

it pointed down to a bag of apples that

1600

01:07:33,109 --> 01:07:28,859

we suspended on a wire across this

1601  
01:07:34,510 --> 01:07:33,119  
little uh Gully uh about 25 feet and so

1602  
01:07:36,770 --> 01:07:34,520  
I want to see if something was taking

1603  
01:07:38,569 --> 01:07:36,780  
gonna take the food

1604  
01:07:42,170 --> 01:07:38,579  
well

1605  
01:07:44,210 --> 01:07:42,180  
when I checked the camera

1606  
01:07:46,789 --> 01:07:44,220  
you could see

1607  
01:07:50,510 --> 01:07:46,799  
that it had been moved

1608  
01:07:53,750 --> 01:07:50,520  
up in each frame like about five times

1609  
01:07:58,010 --> 01:07:53,760  
it had moved up so it was no longer and

1610  
01:08:01,730 --> 01:07:58,020  
it was moved up not down

1611  
01:08:04,430 --> 01:08:01,740  
so something got up there and pushed it

1612  
01:08:06,650 --> 01:08:04,440  
up slowly you know gravity being what it

1613  
01:08:08,990 --> 01:08:06,660

is a squirrel or a [h\_\_h] or something

1614

01:08:11,690 --> 01:08:09,000

that's walking around here it'd come

1615

01:08:15,470 --> 01:08:11,700

down you know but it was it it couldn't

1616

01:08:18,550 --> 01:08:15,480

move it and it was no longer facing the

1617

01:08:22,010 --> 01:08:18,560

bag of apples so I I know

1618

01:08:25,970 --> 01:08:22,020

we both agreed that that was moved you

1619

01:08:28,430 --> 01:08:25,980

know yeah you know uh yeah and they take

1620

01:08:31,430 --> 01:08:28,440

they take and move things a lot you know

1621

01:08:33,169 --> 01:08:31,440

uh you all the time I have a witness in

1622

01:08:35,510 --> 01:08:33,179

Alabama who just contacted me in the

1623

01:08:38,809 --> 01:08:35,520

last couple of weeks and they stole a

1624

01:08:41,990 --> 01:08:38,819

50-pound box of rat poison

1625

01:08:45,169 --> 01:08:42,000

and a 50-pound bag of corn

1626

01:08:46,370 --> 01:08:45,179

that was taken out of a secured area a

1627

01:08:49,370 --> 01:08:46,380

pole barn

1628

01:08:51,349 --> 01:08:49,380

and uh I know

1629

01:08:53,329 --> 01:08:51,359

I know why they took the uh rat poison

1630

01:08:55,070 --> 01:08:53,339

because they don't want them poisoning

1631

01:08:57,169 --> 01:08:55,080

the food source around there because

1632

01:09:00,169 --> 01:08:57,179

they may eat oh okay

1633

01:09:01,669 --> 01:09:00,179

you know uh I say I hope you know why

1634

01:09:04,370 --> 01:09:01,679

would they take the right person yeah

1635

01:09:07,010 --> 01:09:04,380

that was a little weird you know uh here

1636

01:09:09,110 --> 01:09:07,020

in Missouri we got big fat wood rats and

1637

01:09:10,490 --> 01:09:09,120

I've got an example in my book of you

1638

01:09:12,349 --> 01:09:10,500

know they've taken wood rats and just

1639

01:09:14,930 --> 01:09:12,359

popping the head off and eating them you

1640

01:09:16,130 --> 01:09:14,940

know and so if you're poisoning the Wood

1641

01:09:17,570 --> 01:09:16,140

Ranch they're big nasty things they're

1642

01:09:19,490 --> 01:09:17,580

look they're like possum they're the

1643

01:09:22,669 --> 01:09:19,500

size of a possum but they're just nasty

1644

01:09:24,349 --> 01:09:22,679

okay you know and so uh but they just

1645

01:09:26,990 --> 01:09:24,359

pop the heads off of you know raccoons

1646

01:09:29,150 --> 01:09:27,000

and possums just eat them you know uh

1647

01:09:31,070 --> 01:09:29,160

mostly whole so but you know I I think

1648

01:09:33,590 --> 01:09:31,080

they they took the poison

1649

01:09:35,809 --> 01:09:33,600

to prevent them from poisoning anything

1650

01:09:38,749 --> 01:09:35,819

they might eat

1651  
01:09:40,490 --> 01:09:38,759  
that's smart that's why you know in the

1652  
01:09:42,130 --> 01:09:40,500  
50 pound bag of corn well they took that

1653  
01:09:49,910 --> 01:09:42,140  
because well it's a 50 pound bag of corn

1654  
01:09:54,890 --> 01:09:52,849  
the question is from sorry if I butcher

1655  
01:09:57,050 --> 01:09:54,900  
your name just them

1656  
01:10:00,050 --> 01:09:57,060  
um I've heard Subway Sasquatch people

1657  
01:10:03,410 --> 01:10:00,060  
like spam the person I heard who left it

1658  
01:10:06,169 --> 01:10:03,420  
received many gifts from them too

1659  
01:10:09,709 --> 01:10:06,179  
yeah well they they like uh I've never

1660  
01:10:13,070 --> 01:10:09,719  
used spam but uh hot dogs are a big

1661  
01:10:14,630 --> 01:10:13,080  
favor yeah you know hot dogs uh they

1662  
01:10:16,550 --> 01:10:14,640  
seem to really like the ones if you can

1663  
01:10:17,689 --> 01:10:16,560

buy that have cheese in them or they're

1664

01:10:19,430 --> 01:10:17,699

you know of course they're just their

1665

01:10:22,070 --> 01:10:19,440

hot dogs with cheese you know cheddar

1666

01:10:23,930 --> 01:10:22,080

cheddar brats so to speak but they like

1667

01:10:26,149 --> 01:10:23,940

that so yeah fam is probably a good one

1668

01:10:28,070 --> 01:10:26,159

too because it's you know it's it's a

1669

01:10:30,890 --> 01:10:28,080

byproduct of the foods that they eat in

1670

01:10:32,830 --> 01:10:30,900

the wild naturally you know Hogs you

1671

01:10:34,669 --> 01:10:32,840

know

1672

01:10:37,189 --> 01:10:34,679

like this

1673

01:10:40,030 --> 01:10:37,199

that's interesting I like that we'll

1674

01:10:43,970 --> 01:10:41,930

exactly

1675

01:10:45,770 --> 01:10:43,980

okay and this comment is from Thomas I

1676

01:10:48,350 --> 01:10:45,780

just thought it was funny he said poor

1677

01:10:55,010 --> 01:10:48,360

Paco his real name is probably Steve

1678

01:10:59,750 --> 01:10:57,790

all right let's see Karen Peterson said

1679

01:11:02,390 --> 01:10:59,760

Carter do you know what the white

1680

01:11:04,070 --> 01:11:02,400

residue is that they leave behind does

1681

01:11:05,990 --> 01:11:04,080

it serve a purpose

1682

01:11:10,189 --> 01:11:06,000

boy I hope I get a good grade for this

1683

01:11:16,610 --> 01:11:11,990

Alba version okay

1684

01:11:22,490 --> 01:11:19,850

it is the white waxy residue and I've

1685

01:11:25,550 --> 01:11:22,500

got several examples of that in my book

1686

01:11:28,189 --> 01:11:25,560

so the last one especially that white

1687

01:11:30,290 --> 01:11:28,199

film I mean it's

1688

01:11:33,229 --> 01:11:30,300

they'll run it across and it's like

1689

01:11:35,149 --> 01:11:33,239

they've got grease you know or Crisco or

1690

01:11:38,590 --> 01:11:35,159

something but it's called the scientific

1691

01:11:40,910 --> 01:11:38,600

name is Alba vernix uh look it up

1692

01:11:44,209 --> 01:11:40,920

a-l-b-a-v-e-r-n-i-x and it's just like

1693

01:11:45,709 --> 01:11:44,219

the oil we have on our hands but they of

1694

01:11:47,630 --> 01:11:45,719

course being much bigger a different

1695

01:11:49,610 --> 01:11:47,640

physiology than we are they probably you

1696

01:11:52,370 --> 01:11:49,620

know have different secretions than we

1697

01:11:54,229 --> 01:11:52,380

do but yeah Alba vernik I hope I get a

1698

01:11:55,790 --> 01:11:54,239

grade for that or like a sucker or

1699

01:11:57,830 --> 01:11:55,800

something you know

1700

01:12:01,010 --> 01:11:57,840

I like it when somebody asked me you get

1701

01:12:04,189 --> 01:12:01,020

like a gold star for me because yeah I

1702

01:12:06,410 --> 01:12:04,199

don't know what it was so let's Robin

1703

01:12:08,390 --> 01:12:06,420

mentioned it that she had like a

1704

01:12:11,270 --> 01:12:08,400

yeah she had like a hand print on the

1705

01:12:12,770 --> 01:12:11,280

pillow in her house from one of them and

1706

01:12:13,910 --> 01:12:12,780

she said she didn't even know what it

1707

01:12:15,770 --> 01:12:13,920

was so

1708

01:12:17,870 --> 01:12:15,780

yeah I've got all I've got all kinds of

1709

01:12:19,790 --> 01:12:17,880

yes I've been able to see him very well

1710

01:12:23,390 --> 01:12:19,800

but uh yeah it's called yeah it's it's

1711

01:12:27,169 --> 01:12:25,550

interesting I did not know that like you

1712

01:12:29,930 --> 01:12:27,179

like I said you get the gold star from

1713

01:12:31,790 --> 01:12:29,940

me yeah that's cool I'm gonna show you

1714

01:12:33,649 --> 01:12:31,800

something here

1715

01:12:39,470 --> 01:12:33,659

all right sounds good

1716

01:12:39,480 --> 01:12:49,669

now

1717

01:12:56,689 --> 01:12:52,790

oh wow

1718

01:12:59,570 --> 01:12:56,699

what do you see

1719

01:13:02,149 --> 01:12:59,580

I see a face like somebody pressed their

1720

01:13:03,470 --> 01:13:02,159

face against a window yeah

1721

01:13:07,430 --> 01:13:03,480

yes

1722

01:13:10,970 --> 01:13:07,440

well what are my habituation families

1723

01:13:12,290 --> 01:13:10,980

they uh they uh have greenhouses and

1724

01:13:15,470 --> 01:13:12,300

they build their own they're all like

1725

01:13:17,390 --> 01:13:15,480

they look like Quonset Huts you know uh

1726

01:13:19,189 --> 01:13:17,400

and they uh they grow their own

1727

01:13:21,830 --> 01:13:19,199

vegetables let me see if I got a picture

1728

01:13:25,550 --> 01:13:21,840

of one of them here

1729

01:13:29,149 --> 01:13:27,590

yeah looks like that

1730

01:13:31,910 --> 01:13:29,159

so they're made with the you know the

1731

01:13:34,910 --> 01:13:31,920

really thick but pliable plastic

1732

01:13:35,870 --> 01:13:34,920

and uh in the winter they uh they have

1733

01:13:37,430 --> 01:13:35,880

two of them right next to each other

1734

01:13:40,669 --> 01:13:37,440

they have uh

1735

01:13:43,729 --> 01:13:40,679

uh a propane heater that heats the

1736

01:13:45,669 --> 01:13:43,739

inside of the greenhouses

1737

01:13:49,250 --> 01:13:45,679

when it gets to be like zero degrees

1738

01:13:51,770 --> 01:13:49,260

here uh they will heat the inside of the

1739

01:13:53,750 --> 01:13:51,780

greenhouse so the food doesn't

1740

01:13:55,010 --> 01:13:53,760

freeze and rot because this is how they

1741

01:13:58,850 --> 01:13:55,020

make their living

1742

01:14:02,030 --> 01:13:58,860

so uh they noticed that

1743

01:14:04,610 --> 01:14:02,040

something was getting in or somebody was

1744

01:14:06,890 --> 01:14:04,620

getting in and eating some of their

1745

01:14:08,090 --> 01:14:06,900

fruits and vegetables

1746

01:14:10,729 --> 01:14:08,100

well that's how they make their living

1747

01:14:13,669 --> 01:14:10,739

you know and they thought it was humans

1748

01:14:15,649 --> 01:14:13,679

you know although they'd seen yeah

1749

01:14:17,689 --> 01:14:15,659

walking around the property they see

1750

01:14:21,290 --> 01:14:17,699

them they they this is another

1751

01:14:23,270 --> 01:14:21,300

habituation family they see them they

1752

01:14:24,649 --> 01:14:23,280

watch each other you know they'll peek

1753

01:14:26,330 --> 01:14:24,659

from behind a tree like I said earlier

1754

01:14:28,910 --> 01:14:26,340

but they're just watching you know they

1755

01:14:31,850 --> 01:14:28,920

watch from a distance but they know

1756

01:14:33,350 --> 01:14:31,860

my people know they're there

1757

01:14:42,890 --> 01:14:33,360

uh

1758

01:14:45,110 --> 01:14:42,900

stuff which isn't unusual in that area

1759

01:14:46,250 --> 01:14:45,120

so they were trying to keep an eye on it

1760

01:14:48,350 --> 01:14:46,260

and just really couldn't figure it out

1761

01:14:50,390 --> 01:14:48,360

they were coming in after hours and

1762

01:14:52,130 --> 01:14:50,400

everything and they'd seen them like I

1763

01:14:55,430 --> 01:14:52,140

said walking around so one night they

1764

01:14:57,350 --> 01:14:55,440

heard a bunch of noise and the guy who

1765

01:14:59,810 --> 01:14:57,360

takes care of all the greenery uh he's

1766

01:15:01,610 --> 01:14:59,820

going okay that's it I'm sick of this

1767

01:15:03,830 --> 01:15:01,620

crap I'm you know you ran out there with

1768

01:15:06,189 --> 01:15:03,840

his phone with his light on and as he

1769

01:15:09,350 --> 01:15:06,199

runs out the door he hears this

1770

01:15:11,630 --> 01:15:09,360

unbelievably loud how

1771

01:15:14,149 --> 01:15:11,640

definitely a Sasquatch howling and

1772

01:15:15,890 --> 01:15:14,159

screaming just in the woods off to the

1773

01:15:17,450 --> 01:15:15,900

right that is the approaches the

1774

01:15:19,729 --> 01:15:17,460

greenhouse they hear screaming and

1775

01:15:21,950 --> 01:15:19,739

yelling off to the left

1776

01:15:23,990 --> 01:15:21,960

definitely Sasquatch screaming and

1777

01:15:26,209 --> 01:15:24,000

yelling then he's about to get to the

1778

01:15:28,610 --> 01:15:26,219

greenhouse and walk in the door he hears

1779

01:15:33,110 --> 01:15:28,620

screaming coming from

1780

01:15:39,830 --> 01:15:36,050

it's blank anywhere he opens the door in

1781

01:15:42,350 --> 01:15:39,840

this Sasquatch runs right by him brushes

1782

01:15:43,669 --> 01:15:42,360

up against oh my God it's a juvenile

1783

01:15:45,430 --> 01:15:43,679

it's probably six and a half seven foot

1784

01:15:47,810 --> 01:15:45,440

tall

1785

01:15:50,930 --> 01:15:47,820

and he's like

1786

01:15:52,910 --> 01:15:50,940

holy crap the the other Sasquatch were

1787

01:15:54,590 --> 01:15:52,920

screaming or warning in pain the humans

1788

01:15:56,030 --> 01:15:54,600

coming get your butt out of there you

1789

01:15:58,729 --> 01:15:56,040

know it was too late

1790

01:16:01,310 --> 01:15:58,739

and it it it it it had gotten to the

1791

01:16:03,410 --> 01:16:01,320

point where he would eat the food and

1792

01:16:05,330 --> 01:16:03,420

lay down and take a nap because they see

1793

01:16:06,709 --> 01:16:05,340

this big impression on the ground when

1794

01:16:08,030 --> 01:16:06,719

he got out to the greenhouse in the

1795

01:16:10,729 --> 01:16:08,040

morning they were eating the

1796

01:16:13,270 --> 01:16:10,739

strawberries oh my gosh and it pops off

1797

01:16:15,830 --> 01:16:13,280

of radishes

1798

01:16:18,890 --> 01:16:15,840

now since that happened their favorite

1799

01:16:22,510 --> 01:16:18,900

food is eggplant

1800

01:16:24,350 --> 01:16:22,520

so I'll get this photo for the guy again

1801  
01:16:26,209 --> 01:16:24,360  
foreign

1802  
01:16:27,290 --> 01:16:26,219  
and don't try to steal it and call it

1803  
01:16:28,910 --> 01:16:27,300  
your own

1804  
01:16:30,410 --> 01:16:28,920  
I know where you live

1805  
01:16:32,470 --> 01:16:30,420  
I don't think they will they're good

1806  
01:16:35,810 --> 01:16:32,480  
people so I know

1807  
01:16:40,490 --> 01:16:35,820  
but look at that

1808  
01:16:43,310 --> 01:16:40,500  
that's amazing that is the photo is

1809  
01:16:46,250 --> 01:16:43,320  
it is on the inside

1810  
01:16:48,830 --> 01:16:46,260  
that photo is the inside it is taken

1811  
01:16:51,530 --> 01:16:48,840  
from outside but that creature was

1812  
01:16:53,750 --> 01:16:51,540  
pushing its face up against us looking

1813  
01:16:54,890 --> 01:16:53,760

for the human so I can get my butt out

1814

01:16:57,770 --> 01:16:54,900

of here

1815

01:17:00,890 --> 01:16:57,780

and it pressed up against yeah of course

1816

01:17:03,110 --> 01:17:00,900

the eye sockets are deep set so they're

1817

01:17:04,550 --> 01:17:03,120

they're blank they're white but if you

1818

01:17:06,770 --> 01:17:04,560

look at this up close we get one of

1819

01:17:10,250 --> 01:17:06,780

these groups you can see the hair I mean

1820

01:17:14,090 --> 01:17:10,260

it's it's there now the other thing is

1821

01:17:17,390 --> 01:17:14,100

that's that it is

1822

01:17:19,550 --> 01:17:17,400

that's the door that it ran by and you

1823

01:17:23,149 --> 01:17:19,560

see the handprint with his hand on it

1824

01:17:25,729 --> 01:17:23,159

this is the owner not me yeah up there

1825

01:17:28,430 --> 01:17:25,739

on the upper left of that door

1826

01:17:30,649 --> 01:17:28,440

yeah where it was putting his hand while

1827

01:17:32,750 --> 01:17:30,659

I was looking out

1828

01:17:34,610 --> 01:17:32,760

since then

1829

01:17:38,270 --> 01:17:34,620

three or four other

1830

01:17:40,610 --> 01:17:38,280

photos just like that face print but

1831

01:17:42,950 --> 01:17:40,620

smaller not quite as complete there's

1832

01:17:46,250 --> 01:17:42,960

like two or three faces in one photo

1833

01:17:48,229 --> 01:17:46,260

and so I don't know if it's the one just

1834

01:17:49,669 --> 01:17:48,239

keeps looking and putting his face there

1835

01:17:52,189 --> 01:17:49,679

or if it's

1836

01:17:54,830 --> 01:17:52,199

more juveniles in the family I I can't

1837

01:17:56,510 --> 01:17:54,840

tell but yeah

1838

01:17:58,850 --> 01:17:56,520

what do you do with that

1839

01:17:59,870 --> 01:17:58,860

it brushed up against him it could have

1840

01:18:03,350 --> 01:17:59,880

kissed him

1841

01:18:07,850 --> 01:18:03,360

I mean it they touched it ran through

1842

01:18:10,130 --> 01:18:07,860

there and it was screaming it's butt off

1843

01:18:13,970 --> 01:18:10,140

it was totally free

1844

01:18:15,070 --> 01:18:13,980

you know it is a lot but you know

1845

01:18:18,950 --> 01:18:15,080

yeah

1846

01:18:21,130 --> 01:18:18,960

it's a comedy and it's this is how

1847

01:18:24,530 --> 01:18:21,140

you know you're dealing with a real

1848

01:18:27,649 --> 01:18:24,540

innocent situation I mean who makes that

1849

01:18:29,870 --> 01:18:27,659

stuff up it it did it it was a juvenile

1850

01:18:38,350 --> 01:18:29,880

caught they've seen the Juvenile and

1851

01:18:41,810 --> 01:18:40,250

that's pretty tall but that's not a

1852

01:18:43,430 --> 01:18:41,820

full-grown boy they've got some out

1853

01:18:45,110 --> 01:18:43,440

there they're nine ten foot tall that

1854

01:18:46,610 --> 01:18:45,120

they've seen and they they know how tall

1855

01:18:47,930 --> 01:18:46,620

they are about the trees they see them

1856

01:18:50,570 --> 01:18:47,940

by but

1857

01:18:53,630 --> 01:18:50,580

I'm five foot two so anyone taller than

1858

01:18:57,950 --> 01:18:53,640

me I'm just like oh my gosh yeah yeah

1859

01:18:57,960 --> 01:19:01,510

yeah

1860

01:19:06,169 --> 01:19:03,830

what do you do with I mean these people

1861

01:19:07,550 --> 01:19:06,179

are just innocent salt of the earth and

1862

01:19:10,910 --> 01:19:07,560

this family

1863

01:19:13,669 --> 01:19:10,920

has uh I have been dealing with members

1864

01:19:17,090 --> 01:19:13,679

of this family on and off for 10 11

1865

01:19:20,209 --> 01:19:17,100

years I I knew their Uncle I still know

1866

01:19:21,229 --> 01:19:20,219

him he was the first experimenter in the

1867

01:19:26,750 --> 01:19:21,239

family

1868

01:19:29,030 --> 01:19:26,760

each other in this one area there's

1869

01:19:31,010 --> 01:19:29,040

three families from the same family and

1870

01:19:32,930 --> 01:19:31,020

living together and when I when they

1871

01:19:35,750 --> 01:19:32,940

call me about all this stuff I'd go down

1872

01:19:39,530 --> 01:19:35,760

there and uh I brought them some books

1873

01:19:41,450 --> 01:19:39,540

and I meant nine people nine family

1874

01:19:43,310 --> 01:19:41,460

members and it's the funniest thing

1875

01:19:45,290 --> 01:19:43,320

because they're all pulling out you know

1876

01:19:46,729 --> 01:19:45,300

flip phones and phones and pads oh look

1877

01:19:49,390 --> 01:19:46,739

at my picture no look at mine this is

1878

01:19:51,470 --> 01:19:49,400

better I mean they all had photos

1879

01:19:53,510 --> 01:19:51,480

were pretty good some of them were like

1880

01:19:54,950 --> 01:19:53,520

you know well this is a blob spots but

1881

01:19:56,750 --> 01:19:54,960

you know I know what they're looking at

1882

01:19:58,430 --> 01:19:56,760

so you know but the thing is this whole

1883

01:20:00,770 --> 01:19:58,440

family is

1884

01:20:03,830 --> 01:20:00,780

attracted

1885

01:20:05,450 --> 01:20:03,840

by the Sasquatch or the Assassins are

1886

01:20:07,790 --> 01:20:05,460

attracted to this family because they

1887

01:20:09,890 --> 01:20:07,800

they don't hunt wastefully they they

1888

01:20:11,630 --> 01:20:09,900

give and take from the land only for

1889

01:20:13,430 --> 01:20:11,640

what they need they don't like go out

1890

01:20:15,110 --> 01:20:13,440

and shoot a bunch of people a bunch of

1891

01:20:17,390 --> 01:20:15,120

deer or something just to have a rack on

1892

01:20:20,570 --> 01:20:17,400

the wall you know they

1893

01:20:22,490 --> 01:20:20,580

live and respect the Earth and that's

1894

01:20:24,709 --> 01:20:22,500

part of the message they they have for

1895

01:20:26,990 --> 01:20:24,719

Humanity is you know quit polluting quit

1896

01:20:29,030 --> 01:20:27,000

hating each other and all the other by

1897

01:20:33,530 --> 01:20:29,040

us stuff but

1898

01:20:37,010 --> 01:20:33,540

this whole family I've had Expedition uh

1899

01:20:37,970 --> 01:20:37,020

encounters with the uncles and his

1900

01:20:40,850 --> 01:20:37,980

cousin

1901

01:20:42,649 --> 01:20:40,860

once or twice and then this family

1902

01:20:45,290 --> 01:20:42,659

wow it's

1903

01:20:46,310 --> 01:20:45,300

and so some people are magnets

1904

01:20:51,410 --> 01:20:46,320

it's

1905

01:20:53,570 --> 01:20:51,420

these people come to the woodwork just

1906

01:20:55,669 --> 01:20:53,580

you know telling me stuff look at that

1907

01:20:57,590 --> 01:20:55,679

picture

1908

01:20:59,750 --> 01:20:57,600

I was going to ask you that right after

1909

01:21:01,430 --> 01:20:59,760

the questions that picture is amazing

1910

01:21:04,430 --> 01:21:01,440

that's your new book you have out

1911

01:21:06,770 --> 01:21:04,440

correct yeah yeah and everybody says

1912

01:21:10,010 --> 01:21:06,780

well that is the biggest hoax I've ever

1913

01:21:12,050 --> 01:21:10,020

seen or that is the greatest photo oh my

1914

01:21:14,149 --> 01:21:12,060

God I can't believe it you know it's

1915

01:21:17,149 --> 01:21:14,159

nothing in between it's like you're full

1916

01:21:19,250 --> 01:21:17,159

of craps you know but yeah well you're

1917

01:21:21,530 --> 01:21:19,260

only full of crap until they experience

1918

01:21:23,270 --> 01:21:21,540

it that's that's the only time you're

1919

01:21:24,890 --> 01:21:23,280

full of crap yeah and then after they

1920

01:21:26,390 --> 01:21:24,900

experience it

1921

01:21:29,149 --> 01:21:26,400

yeah yeah

1922

01:21:30,770 --> 01:21:29,159

yeah and so there's an incredible story

1923

01:21:32,810 --> 01:21:30,780

uh behind that but we don't have time

1924

01:21:34,669 --> 01:21:32,820

but you know it's just

1925

01:21:36,110 --> 01:21:34,679

I got this stuff coming out my ears and

1926

01:21:39,169 --> 01:21:36,120

people are just you know sharing things

1927

01:21:41,570 --> 01:21:39,179

with me and it's just I'm so privileged

1928

01:21:43,610 --> 01:21:41,580

you know and but it's because they can

1929

01:21:46,729 --> 01:21:43,620

talk to me I'm not going to ridicule

1930

01:21:48,770 --> 01:21:46,739

them or laugh at them and I'm gonna

1931

01:21:50,689 --> 01:21:48,780

talk to them and show them respect which

1932

01:21:52,310 --> 01:21:50,699

is what they never got and that's why

1933

01:21:54,470 --> 01:21:52,320

I'm putting these books out I want

1934

01:21:57,050 --> 01:21:54,480

somebody else to go oh

1935

01:21:58,370 --> 01:21:57,060

that happened didn't Uncle Roy have that

1936

01:22:00,530 --> 01:21:58,380

happen to him that looks like the same

1937

01:22:03,890 --> 01:22:00,540

thing he saw 15 years ago whatever

1938

01:22:04,910 --> 01:22:03,900

happened to Uncle Roy well you know he

1939

01:22:08,510 --> 01:22:04,920

just doesn't come around much everybody

1940

01:22:11,330 --> 01:22:08,520

you know laughs at it and so

1941

01:22:13,070 --> 01:22:11,340

then I get stories and I'll get the

1942

01:22:15,050 --> 01:22:13,080

story from you know a little little Bill

1943

01:22:17,410 --> 01:22:15,060

telling about her Uncle Roy who told

1944

01:22:20,750 --> 01:22:17,420

this story I might hear from Uncle Roy

1945

01:22:22,970 --> 01:22:20,760

it's just and that's what I want you

1946

01:22:25,250 --> 01:22:22,980

know and no I ain't getting rich selling

1947

01:22:27,970 --> 01:22:25,260

books I give away one for every one I

1948

01:22:31,250 --> 01:22:27,980

sell you know because of promo exactly

1949

01:22:34,130 --> 01:22:31,260

to learn learn from you know either

1950

01:22:38,510 --> 01:22:34,140

learn like well this guy's nuts or learn

1951

01:22:41,930 --> 01:22:38,520

like oh my God this is the real deal you

1952

01:22:44,510 --> 01:22:41,940

know so that that's why I I'm doing this

1953

01:22:48,530 --> 01:22:44,520

you know I mean really and it's just

1954

01:22:50,630 --> 01:22:48,540

remarkable and more and more very slowly

1955

01:22:52,490 --> 01:22:50,640

people are starting to go

1956

01:22:54,950 --> 01:22:52,500

you know that explains a whole lot more

1957

01:22:57,530 --> 01:22:54,960

than the ape only crowd

1958

01:22:59,330 --> 01:22:57,540

you know and everybody

1959

01:23:01,729 --> 01:22:59,340

believe they're just Flesh and Blood

1960

01:23:04,370 --> 01:23:01,739

only well good I mean they are flesh and

1961

01:23:07,430 --> 01:23:04,380

blood but I believe some maybe probably

1962

01:23:10,729 --> 01:23:07,440

not all but some of the elders may have

1963

01:23:12,410 --> 01:23:10,739

the skill sets of uh changing their

1964

01:23:13,850 --> 01:23:12,420

vibrational frequency

1965

01:23:16,070 --> 01:23:13,860

slipping to another dimension

1966

01:23:17,930 --> 01:23:16,080

disappearing

1967

01:23:19,729 --> 01:23:17,940

paralyzing your body

1968

01:23:21,169 --> 01:23:19,739

making you think you hear something over

1969

01:23:25,430 --> 01:23:21,179

here when it's over there you know I

1970

01:23:28,310 --> 01:23:25,440

mean you know it's your opinion is your

1971

01:23:30,649 --> 01:23:28,320

opinion it's your reality you know we

1972

01:23:34,490 --> 01:23:30,659

just don't need the hate in venom that

1973

01:23:37,510 --> 01:23:34,500

is spewed by everybody you know my side

1974

01:23:44,030 --> 01:23:41,930

you know what are we doing to like

1975

01:23:45,649 --> 01:23:44,040

exactly well you have the people who are

1976

01:23:47,330 --> 01:23:45,659

just like you know it's my way or the

1977

01:23:49,790 --> 01:23:47,340

highway I'm right and if you don't

1978

01:23:53,090 --> 01:23:49,800

follow me you're wrong there's room for

1979

01:23:55,850 --> 01:23:53,100

everybody in my opinion so that's that's

1980

01:23:59,149 --> 01:23:55,860

how I feel yeah so that's exactly right

1981

01:24:04,910 --> 01:24:02,570

yeah sir mortal Klein have you had a UF

1982

01:24:08,770 --> 01:24:04,920

experience doing Bigfoot one

1983

01:24:11,689 --> 01:24:08,780

uh no I have not but in my

1984

01:24:14,810 --> 01:24:11,699

second book this one here

1985

01:24:20,090 --> 01:24:14,820

I had a guy uh up in a a New England

1986

01:24:24,830 --> 01:24:20,100

State who had six hours of missing time

1987

01:24:28,270 --> 01:24:24,840

after he saw a Sasquatch six hours he

1988

01:24:30,770 --> 01:24:28,280

did not see a crack and why is that

1989

01:24:37,370 --> 01:24:30,780

don't know

1990

01:24:39,950 --> 01:24:37,380

adding on to it they live in a small

1991

01:24:41,570 --> 01:24:39,960

cabin his wife had a baby and then she

1992

01:24:43,850 --> 01:24:41,580

got pregnant right again and so they

1993

01:24:45,590 --> 01:24:43,860

already had outgrown this cabin he's a

1994

01:24:48,890 --> 01:24:45,600

very well-off very successful

1995

01:24:50,270 --> 01:24:48,900

entrepreneur in the tech industry up in

1996

01:24:52,610 --> 01:24:50,280

one of the you know in the Northeast

1997

01:24:54,229 --> 01:24:52,620

somewhere but he loves living it out in

1998

01:24:56,510 --> 01:24:54,239

the middle of nowhere you know they live

1999

01:24:57,850 --> 01:24:56,520

off the grid you know in a cabin in the

2000

01:24:59,689 --> 01:24:57,860

world I don't blame him

2001

01:25:01,850 --> 01:24:59,699

they say he didn't want to make his

2002

01:25:04,189 --> 01:25:01,860

money and goes back home so they were

2003

01:25:06,350 --> 01:25:04,199

redoing the cabin adding on two more

2004

01:25:08,270 --> 01:25:06,360

rooms to the to the cabin

2005

01:25:10,310 --> 01:25:08,280

so his wife had moved out and she was

2006

01:25:12,050 --> 01:25:10,320

relatives down the street down the road

2007

01:25:13,790 --> 01:25:12,060

they're in the middle of the dense dense

2008

01:25:14,810 --> 01:25:13,800

woods and he was staying in a 30-foot

2009

01:25:17,750 --> 01:25:14,820

travel trailer

2010

01:25:19,010 --> 01:25:17,760

and so uh about 10 o'clock at night they

2011

01:25:20,270 --> 01:25:19,020

were putting away the tools the work

2012

01:25:21,590 --> 01:25:20,280

crew was leaving because they had they

2013

01:25:23,149 --> 01:25:21,600

had the thing all lit up they could work

2014

01:25:25,250 --> 01:25:23,159

well over the night because it's all hit

2015

01:25:26,570 --> 01:25:25,260

so they put all the tools away shut the

2016

01:25:28,550 --> 01:25:26,580

lights off he had one little load of

2017

01:25:30,169 --> 01:25:28,560

tools left and all of a sudden you see

2018

01:25:32,930 --> 01:25:30,179

something coming at him you know from

2019

01:25:35,090 --> 01:25:32,940

this this tree over by his cabin and

2020

01:25:38,689 --> 01:25:35,100

it's just kind of walking you know then

2021

01:25:41,390 --> 01:25:38,699

it hits the light and it's going

2022

01:25:43,490 --> 01:25:41,400

that's a that's a Bigfoot now he had

2023

01:25:46,669 --> 01:25:43,500

seen them on his property and on his

2024

01:25:48,229 --> 01:25:46,679

neighbor's property but that was the

2025

01:25:50,149 --> 01:25:48,239

only interest he had you know he was

2026

01:25:51,770 --> 01:25:50,159

just like well they're out here uh I I

2027

01:25:54,410 --> 01:25:51,780

believe they exist but you know they

2028

01:25:57,950 --> 01:25:54,420

have nothing to do with me that's it so

2029

01:26:00,590 --> 01:25:57,960

he this Sasquatch is just walking at him

2030

01:26:02,090 --> 01:26:00,600

you know not chasing him not growling

2031

01:26:04,450 --> 01:26:02,100

and snoring it's just walking right in

2032

01:26:08,830 --> 01:26:04,460

him kind of leisurely well he's got a

2033

01:26:11,870 --> 01:26:08,840

120 pound German shepherd very expensive

2034

01:26:14,689 --> 01:26:11,880

trained attack guard dog sitting right

2035

01:26:16,970 --> 01:26:14,699

next to him this dog right he gives him

2036

01:26:22,689 --> 01:26:16,980

the commands go

2037

01:26:28,250 --> 01:26:25,610

he's clicked out because the dog's just

2038

01:26:31,070 --> 01:26:28,260

and if he even sees a raccoon he's all

2039

01:26:32,810 --> 01:26:31,080

over you know I mean he's he's killed us

2040

01:26:34,070 --> 01:26:32,820

he gets an order to kill or he gets in

2041

01:26:36,050 --> 01:26:34,080

order to stand down

2042

01:26:38,030 --> 01:26:36,060

and so he very well trained spent a lot

2043

01:26:39,169 --> 01:26:38,040

of money on so the dog's just sitting

2044

01:26:42,169 --> 01:26:39,179

there and all of a sudden kind of starts

2045

01:26:44,450 --> 01:26:42,179

leaning against his leg and he's going

2046

01:26:47,270 --> 01:26:44,460

what the hell's wrong with you I

2047

01:26:49,610 --> 01:26:47,280

mean what the hell so the whole ass to

2048

01:26:50,990 --> 01:26:49,620

the travel trailer they barricade

2049

01:26:52,669 --> 01:26:51,000

themselves in and he can see the

2050

01:26:54,770 --> 01:26:52,679

Sasquatch walking around outside this

2051

01:26:56,870 --> 01:26:54,780

travel trailer then he realizes I don't

2052

01:26:59,450 --> 01:26:56,880

have a weapon I don't have my gun oh my

2053

01:27:00,709 --> 01:26:59,460

God she goes into the kitchen and he

2054

01:27:02,090 --> 01:27:00,719

finds a butcher knife so he finds a

2055

01:27:05,270 --> 01:27:02,100

butcher knife about you know Matt long

2056

01:27:06,169 --> 01:27:05,280

and him and the dog run into this whole

2057

01:27:08,149 --> 01:27:06,179

time

2058

01:27:09,709 --> 01:27:08,159

the dog is not doing anything it's just

2059

01:27:14,090 --> 01:27:09,719

like like nothing's going on but he's

2060

01:27:16,490 --> 01:27:14,100

clicked off of his guard attack thing

2061

01:27:18,229 --> 01:27:16,500

he's he's been kicked off that's all he

2062

01:27:21,110 --> 01:27:18,239

could come up with he's been clicked off

2063

01:27:22,610 --> 01:27:21,120

and so uh and he can see the Sasquatch

2064

01:27:24,229 --> 01:27:22,620

walking around he was seeing through the

2065

01:27:26,149 --> 01:27:24,239

the blinds in the window so they go and

2066

01:27:27,890 --> 01:27:26,159

barricade themselves in the bathroom and

2067

01:27:29,390 --> 01:27:27,900

he is standing there this is not

2068

01:27:32,570 --> 01:27:29,400

standing he's sitting there like this

2069

01:27:34,370 --> 01:27:32,580

with his butcher knife he's facing the

2070

01:27:36,229 --> 01:27:34,380

door he's just he knows it's going to

2071

01:27:38,149 --> 01:27:36,239

come in and just tear him destroys I'm

2072

01:27:40,550 --> 01:27:38,159

going to get him you know I'm prepared

2073

01:27:42,950 --> 01:27:40,560

and the dog is leading next year he just

2074

01:27:44,330 --> 01:27:42,960

you know what the heck is wrong with you

2075

01:27:48,110 --> 01:27:44,340

you know

2076

01:27:49,970 --> 01:27:48,120

next thing he knows it's about 10 30 at

2077

01:27:51,770 --> 01:27:49,980

night when this happened he wakes up 5

2078

01:27:54,050 --> 01:27:51,780

30 in the morning

2079

01:27:55,970 --> 01:27:54,060

wow

2080

01:27:58,669 --> 01:27:55,980

he's just like this

2081

01:28:00,110 --> 01:27:58,679

his R he's refreshed it's not like he

2082

01:28:02,750 --> 01:28:00,120

was there in that position all night

2083

01:28:05,689 --> 01:28:02,760

it's like it just happened

2084

01:28:07,430 --> 01:28:05,699

six hours is gone

2085

01:28:08,629 --> 01:28:07,440

the older region he wakes up is because

2086

01:28:09,649 --> 01:28:08,639

the workers are getting back the next

2087

01:28:11,689 --> 01:28:09,659

morning

2088

01:28:12,830 --> 01:28:11,699

and then he hears his wife she owns a

2089

01:28:14,510 --> 01:28:12,840

[h\_\_h] because she comes over in the

2090

01:28:16,910 --> 01:28:14,520

morning they have breakfast together and

2091

01:28:21,830 --> 01:28:16,920

then she goes back and the city goes to

2092

01:28:25,970 --> 01:28:23,270

six hours

2093

01:28:28,189 --> 01:28:25,980

yeah his name is Josh in the book that

2094

01:28:31,430 --> 01:28:28,199

is that's not his name and Josh you know

2095

01:28:34,010 --> 01:28:31,440

you know uh regression hypnosis if you

2096

01:28:35,209 --> 01:28:34,020

want to know what happened yeah hypnosis

2097

01:28:38,870 --> 01:28:35,219

because I've done it I've been under

2098

01:28:39,729 --> 01:28:38,880

four times it works does it I don't want

2099

01:28:47,149 --> 01:28:39,739

to know

2100

01:28:48,590 --> 01:28:47,159

maybe later

2101

01:28:50,270 --> 01:28:48,600

well right now I've got a business to

2102

01:28:53,930 --> 01:28:50,280

run I've got a baby to raise I got one

2103

01:28:56,390 --> 01:28:53,940

yeah I want to know about any of that

2104

01:28:58,430 --> 01:28:56,400

and he doesn't communicate with me

2105

01:29:01,129 --> 01:28:58,440

anymore he he's he got the information

2106

01:29:02,990 --> 01:29:01,139

he he shared his story with me because

2107

01:29:06,709 --> 01:29:03,000

he heard me most of these people hear me

2108

01:29:08,330 --> 01:29:06,719

on podcasts like like yours and they say

2109

01:29:11,149 --> 01:29:08,340

hey I heard your man hey can we talk you

2110

01:29:14,450 --> 01:29:11,159

know it happens that simple that often

2111

01:29:16,250 --> 01:29:14,460

you know and so uh

2112

01:29:20,229 --> 01:29:16,260

he doesn't want to know but that's six

2113

01:29:22,310 --> 01:29:20,239

hours of missing time there was no UFO

2114

01:29:23,810 --> 01:29:22,320

he would not communicate with me after

2115

01:29:25,430 --> 01:29:23,820

they said I'm going to disappear on you

2116

01:29:26,750 --> 01:29:25,440

here but you know I really appreciate

2117

01:29:28,970 --> 01:29:26,760

everything but you know thank you for

2118

01:29:31,010 --> 01:29:28,980

what you do I greatly appreciate you for

2119

01:29:33,229 --> 01:29:31,020

talking to me but you know I'm going to

2120

01:29:35,149 --> 01:29:33,239

disappear now because I I don't want

2121

01:29:36,950 --> 01:29:35,159

this to you know

2122

01:29:38,330 --> 01:29:36,960

engage my life you know I don't want to

2123

01:29:40,250 --> 01:29:38,340

be surrounded with it I just wanted to

2124

01:29:41,510 --> 01:29:40,260

feel good but he had to tell somebody

2125

01:29:45,950 --> 01:29:41,520

that

2126

01:29:49,750 --> 01:29:45,960

thing too yeah

2127

01:29:52,250 --> 01:29:49,760

you know yeah and he told wife

2128

01:29:54,410 --> 01:29:52,260

two months after that I was trying to

2129

01:29:56,209 --> 01:29:54,420

remember he didn't tell me I waited two

2130

01:29:58,010 --> 01:29:56,219

months to tell her because she was

2131

01:30:04,629 --> 01:29:58,020

having a baby I didn't want to freak her

2132

01:30:10,550 --> 01:30:08,810

oh yeah you know once once she's out of

2133

01:30:12,490 --> 01:30:10,560

the danger zone it's okay to freak her

2134

01:30:17,209 --> 01:30:12,500

out yeah yeah

2135

01:30:20,030 --> 01:30:17,219

do you do you think yeah Bigfoot can uh

2136

01:30:22,729 --> 01:30:20,040

maybe because I believe they can slip

2137

01:30:25,610 --> 01:30:22,739

Dimensions so if you you know you know

2138

01:30:29,209 --> 01:30:25,620

science uh will admit to up to 11 maybe

2139

01:30:30,290 --> 01:30:29,219

up to 21 Dimensions so uh you could

2140

01:30:35,030 --> 01:30:30,300

travel

2141

01:30:37,129 --> 01:30:35,040

5 million miles by taking 10 steps if

2142

01:30:39,290 --> 01:30:37,139

you can go into a different dimension or

2143

01:30:41,390 --> 01:30:39,300

a different you know from a certain If

2144

01:30:43,250 --> 01:30:41,400

From a Certain access point so

2145

01:30:49,010 --> 01:30:43,260

theoretically so yeah I don't see why

2146

01:30:54,590 --> 01:30:52,010

and two comments

2147

01:30:56,270 --> 01:30:54,600

if Brooklyn said that they love how

2148

01:30:59,689 --> 01:30:56,280

you're not scared

2149

01:31:01,689 --> 01:30:59,699

ever ever I agree well I I feel like you

2150

01:31:04,370 --> 01:31:01,699

don't seem yeah

2151  
01:31:05,930 --> 01:31:04,380  
because I know them and I don't fear

2152  
01:31:07,129 --> 01:31:05,940  
them I don't think they're going to hurt

2153  
01:31:08,270 --> 01:31:07,139  
me you know unless I'm trying to hurt

2154  
01:31:10,490 --> 01:31:08,280  
them I

2155  
01:31:13,070 --> 01:31:10,500  
think it's it's a two-way respectable

2156  
01:31:14,270 --> 01:31:13,080  
thing it's not that I'm fearless you

2157  
01:31:15,250 --> 01:31:14,280  
know I've had a few times where I'm

2158  
01:31:17,930 --> 01:31:15,260  
going

2159  
01:31:19,610 --> 01:31:17,940  
boy is any weirder I'm out of here you

2160  
01:31:21,050 --> 01:31:19,620  
know but you know

2161  
01:31:22,910 --> 01:31:21,060  
you know well I appreciate that but

2162  
01:31:25,850 --> 01:31:22,920  
that's one thing I gotta do is just kind

2163  
01:31:27,410 --> 01:31:25,860

of keep your cool and believe and know

2164

01:31:29,629 --> 01:31:27,420

them that they're not going to hurt you

2165

01:31:31,790 --> 01:31:29,639

if that many as many times as I've been

2166

01:31:32,570 --> 01:31:31,800

in the wood thousands and thousands of

2167

01:31:34,790 --> 01:31:32,580

hours

2168

01:31:37,430 --> 01:31:34,800

if they wanted to tear me up dog man

2169

01:31:38,330 --> 01:31:37,440

Sasquatch they could have had me they

2170

01:31:40,250 --> 01:31:38,340

didn't

2171

01:31:43,070 --> 01:31:40,260

they could

2172

01:31:47,209 --> 01:31:44,149

features

2173

01:31:53,030 --> 01:31:49,910

have I have you ever had any dog man

2174

01:31:56,090 --> 01:31:53,040

encounters Warrior yeah what I'm aware

2175

01:31:58,310 --> 01:31:56,100

of I have a pretty good video

2176

01:32:00,410 --> 01:31:58,320

that I can't share it's so clear I can't

2177

01:32:02,689 --> 01:32:00,420

share it you know but it's from one of

2178

01:32:03,590 --> 01:32:02,699

my habituations witnesses that are oh

2179

01:32:05,270 --> 01:32:03,600

wow

2180

01:32:06,950 --> 01:32:05,280

our Sasquatch on their property they've

2181

01:32:09,470 --> 01:32:06,960

also heard

2182

01:32:12,590 --> 01:32:09,480

talking how long do bigfoots live I

2183

01:32:16,070 --> 01:32:12,600

don't know uh people that claim to know

2184

01:32:18,830 --> 01:32:16,080

say a couple to several hundred years

2185

01:32:21,770 --> 01:32:18,840

but we don't know is that dog years or

2186

01:32:24,229 --> 01:32:21,780

we we don't know you know I know they

2187

01:32:26,750 --> 01:32:24,239

communicate with somebody in our human

2188

01:32:29,930 --> 01:32:26,760

race and we know exactly

2189

01:32:32,149 --> 01:32:29,940

you know how long they live their

2190

01:32:33,470 --> 01:32:32,159

gestation period all that stuff I know

2191

01:32:39,169 --> 01:32:33,480

we just don't know it because we're not

2192

01:32:44,090 --> 01:32:41,149

how would you like the cool kids but

2193

01:32:46,370 --> 01:32:44,100

we're not really at that table yet

2194

01:32:48,830 --> 01:32:46,380

uh we're good we can go as long as you

2195

01:32:51,110 --> 01:32:48,840

want I mean that's okay like I said this

2196

01:32:52,910 --> 01:32:51,120

is your show we did the hour and a half

2197

01:32:54,470 --> 01:32:52,920

so sorry protection from dangerous

2198

01:32:55,970 --> 01:32:54,480

Sasquatch or any negative scriptures

2199

01:32:58,129 --> 01:32:55,980

really really yeah that's true I mean

2200

01:32:59,990 --> 01:32:58,139

there's there's bad ones in every bunch

2201  
01:33:01,250 --> 01:33:00,000  
you know just like there's bad humans

2202  
01:33:03,229 --> 01:33:01,260  
you know there's

2203  
01:33:05,330 --> 01:33:03,239  
ex-murderers and and

2204  
01:33:09,530 --> 01:33:05,340  
all the bad kind of crooks and criminals

2205  
01:33:11,990 --> 01:33:09,540  
and just bad just disingenuous disingenuous

2206  
01:33:13,189 --> 01:33:12,000  
people so you're gonna have a bad one on

2207  
01:33:14,570 --> 01:33:13,199  
all the bunches so there's probably you

2208  
01:33:16,610 --> 01:33:14,580  
know but I think they have a checks and

2209  
01:33:18,110 --> 01:33:16,620  
balances in the Sasquatch Community you

2210  
01:33:20,270 --> 01:33:18,120  
know I think they police their own and

2211  
01:33:21,290 --> 01:33:20,280  
you know you don't you know there's been

2212  
01:33:23,629 --> 01:33:21,300  
a lot of

2213  
01:33:26,270 --> 01:33:23,639

stories about being chased and attacked

2214

01:33:29,450 --> 01:33:26,280

but I've not heard of anybody being

2215

01:33:34,250 --> 01:33:29,460

killed by Sasquatch

2216

01:33:37,310 --> 01:33:34,260

I've taken two maybe three uh Dogman

2217

01:33:38,570 --> 01:33:37,320

reports in conjunction with Sasquatch

2218

01:33:41,149 --> 01:33:38,580

event

2219

01:33:43,850 --> 01:33:41,159

the Sasquatch came after immediately

2220

01:33:47,870 --> 01:33:43,860

after a Sasquatch sighting

2221

01:33:48,649 --> 01:33:47,880

so uh I have this video I told you uh it

2222

01:33:55,550 --> 01:33:48,659

is

2223

01:33:57,530 --> 01:33:55,560

you see it's walking toward a camera

2224

01:34:00,229 --> 01:33:57,540

and it walks toward the camera and it

2225

01:34:03,110 --> 01:34:00,239

sees the camera and it it it turns off

2226

01:34:07,129 --> 01:34:03,120

and turns away from the camera as soon

2227

01:34:11,510 --> 01:34:07,139

as it sees it so uh there's 21 frames of

2228

01:34:14,629 --> 01:34:11,520

film on that I uh I broke it down I I

2229

01:34:17,870 --> 01:34:14,639

developed each frame that had a picture

2230

01:34:21,470 --> 01:34:17,880

of the ear and so there's a little 11

2231

01:34:24,550 --> 01:34:21,480

frames out of 21 that have actually and

2232

01:34:27,229 --> 01:34:24,560

you see this big

2233

01:34:29,629 --> 01:34:27,239

long pointed ear

2234

01:34:32,510 --> 01:34:29,639

it goes most of the way up the head not

2235

01:34:33,890 --> 01:34:32,520

over the head but it's it's it's slammed

2236

01:34:35,209 --> 01:34:33,900

up against the side of the head I would

2237

01:34:37,310 --> 01:34:35,219

say it's

2238

01:34:40,129 --> 01:34:37,320

I don't know five or six inches maybe

2239

01:34:43,250 --> 01:34:40,139

it's very very clear it's just very

2240

01:34:46,669 --> 01:34:43,260

clear and these guys they have seen he

2241

01:34:48,110 --> 01:34:46,679

has seen two dogmen uh with the backward

2242

01:34:51,649 --> 01:34:48,120

leg

2243

01:34:53,510 --> 01:34:51,659

and he's also seen one out

2244

01:34:56,629 --> 01:34:53,520

and so they've seen them on their

2245

01:35:00,950 --> 01:34:57,950

Sasquatch

2246

01:35:03,590 --> 01:35:00,960

conversations calling her name while

2247

01:35:05,689 --> 01:35:03,600

he's gone or stuff like that

2248

01:35:08,270 --> 01:35:05,699

you're not true

2249

01:35:10,610 --> 01:35:08,280

why do you think they like avoid the

2250

01:35:12,709 --> 01:35:10,620

camera like they obviously know it's

2251

01:35:15,050 --> 01:35:12,719

there so they're highly intelligent to

2252

01:35:17,930 --> 01:35:15,060

know the cameras are there trail cameras

2253

01:35:19,850 --> 01:35:17,940

are there why do they avoid it well

2254

01:35:22,010 --> 01:35:19,860

because it's a giant eye looking at them

2255

01:35:25,010 --> 01:35:22,020

you know and you know uh

2256

01:35:28,129 --> 01:35:25,020

now I think and most people that have

2257

01:35:30,110 --> 01:35:28,139

any experience will probably agree they

2258

01:35:31,070 --> 01:35:30,120

can affect the batteries they can affect

2259

01:35:33,709 --> 01:35:31,080

the camera

2260

01:35:35,570 --> 01:35:33,719

you know uh many many times you get here

2261

01:35:37,430 --> 01:35:35,580

guys that you know they put brand new

2262

01:35:39,110 --> 01:35:37,440

you know eight new brand new batteries

2263

01:35:40,370 --> 01:35:39,120

in the trail camera they're dead the

2264

01:35:42,470 --> 01:35:40,380

next night

2265

01:35:44,750 --> 01:35:42,480

how can that happen yeah well because

2266

01:35:47,270 --> 01:35:44,760

they drain the batteries unless you've

2267

01:35:48,590 --> 01:35:47,280

got some malfunction you know but you

2268

01:35:51,470 --> 01:35:48,600

put fresh batteries in I've got

2269

01:35:53,570 --> 01:35:51,480

batteries in some very nice cameras

2270

01:35:54,290 --> 01:35:53,580

two years later they're just sitting

2271

01:35:57,050 --> 01:35:54,300

there

2272

01:35:59,750 --> 01:35:57,060

fully ready to go you know I've had them

2273

01:36:02,930 --> 01:35:59,760

out and they didn't they didn't trip

2274

01:36:05,510 --> 01:36:02,940

now sometimes you know you'll see a

2275

01:36:09,830 --> 01:36:05,520

picture you'll see a deer deer deer

2276

01:36:12,350 --> 01:36:09,840

blank blank blank yeah then just you

2277

01:36:14,330 --> 01:36:12,360

know it's black and then you just see uh

2278

01:36:16,310 --> 01:36:14,340

woods and no animals at all

2279

01:36:17,750 --> 01:36:16,320

what were those three frames what

2280

01:36:19,729 --> 01:36:17,760

happened on those three frames how come

2281

01:36:21,709 --> 01:36:19,739

those didn't take you hear you you see

2282

01:36:23,290 --> 01:36:21,719

that a lot you hear a lot you know yeah

2283

01:36:27,169 --> 01:36:23,300

so I believe they can affect the camera

2284

01:36:29,149 --> 01:36:27,179

and number two uh if they want to affect

2285

01:36:31,370 --> 01:36:29,159

their vibrational frequency while we get

2286

01:36:33,229 --> 01:36:31,380

all these blurry photos you change your

2287

01:36:34,669 --> 01:36:33,239

vibrational frequency just a little bit

2288

01:36:36,169 --> 01:36:34,679

and you're blurry

2289

01:36:37,370 --> 01:36:36,179

you don't have to do anything yet you

2290

01:36:38,810 --> 01:36:37,380

don't have to duck and get away from the

2291

01:36:42,649 --> 01:36:38,820

camera you just

2292

01:36:45,310 --> 01:36:42,659

um you know and you're blurred that's

2293

01:36:48,350 --> 01:36:45,320

why we have all the red circles

2294

01:36:52,310 --> 01:36:48,360

you know why do they go through the

2295

01:36:54,770 --> 01:36:52,320

trouble of ducking or avoiding a camera

2296

01:36:57,830 --> 01:36:54,780

well that goes into my theory that maybe

2297

01:37:00,110 --> 01:36:57,840

some of the Sasquatch do not have all

2298

01:37:03,890 --> 01:37:00,120

the skills or they don't have the skills

2299

01:37:07,750 --> 01:37:03,900

yet as the adults or the elders so maybe

2300

01:37:10,250 --> 01:37:07,760

that's a skill that uh matures is human

2301

01:37:12,649 --> 01:37:10,260

I don't know it's all Theory and

2302

01:37:15,290 --> 01:37:12,659

supposition you know but you know that

2303

01:37:18,970 --> 01:37:15,300

would be one reason why one Sasquatch

2304

01:37:21,590 --> 01:37:18,980

from Duck and another one will just go

2305

01:37:23,810 --> 01:37:21,600

you know and just

2306

01:37:25,070 --> 01:37:23,820

yeah you stand there because and let you

2307

01:37:26,510 --> 01:37:25,080

take the picture because it's not going

2308

01:37:27,410 --> 01:37:26,520

to be clear just not worried about it

2309

01:37:32,689 --> 01:37:27,420

you know

2310

01:37:35,209 --> 01:37:32,699

better than nothing so yeah it's it's

2311

01:37:36,790 --> 01:37:35,219

something to work with

2312

01:37:39,410 --> 01:37:36,800

well you just got a correct example

2313

01:37:41,570 --> 01:37:39,420

moving in the wind or you know well okay

2314

01:37:42,770 --> 01:37:41,580

it's not windy and you know strapped to

2315

01:37:45,050 --> 01:37:42,780

it you know

2316

01:37:48,830 --> 01:37:45,060

nine foot diameter oak tree it ain't

2317

01:37:50,510 --> 01:37:48,840

moving at all so yeah yeah so there's

2318

01:37:52,729 --> 01:37:50,520

there's explanations reasons but you

2319

01:37:54,890 --> 01:37:52,739

know I I think they you know they can

2320

01:37:57,050 --> 01:37:54,900

avoid the camera

2321

01:38:00,290 --> 01:37:57,060

on many different levels skill levels

2322

01:38:03,649 --> 01:38:00,300

you know yeah so that that's why we

2323

01:38:07,010 --> 01:38:03,659

don't get any there are some good ones

2324

01:38:08,530 --> 01:38:07,020

I got that one yeah that's that's a very

2325

01:38:13,669 --> 01:38:08,540

good

2326

01:38:19,850 --> 01:38:17,209

I mean look at that that's amazing

2327

01:38:23,570 --> 01:38:19,860

the whole deal on this

2328

01:38:25,850 --> 01:38:23,580

the landowner they have about 30 cameras

2329

01:38:28,910 --> 01:38:25,860

on their property so what they do is to

2330

01:38:31,370 --> 01:38:28,920

go out uh every couple of months

2331

01:38:33,950 --> 01:38:31,380

one or both of them this was the this is

2332

01:38:37,189 --> 01:38:33,960

the town preacher in this photo and his

2333

01:38:39,050 --> 01:38:37,199

buddy owns the land so they will go out

2334

01:38:42,229 --> 01:38:39,060

and

2335

01:38:43,910 --> 01:38:42,239

check the cameras the batteries SD cards

2336

01:38:45,890 --> 01:38:43,920

if one of them's full I'll take a card

2337

01:38:47,149 --> 01:38:45,900

out and I'll pop another one in and make

2338

01:38:48,830 --> 01:38:47,159

sure the batteries are fresh and

2339

01:38:51,110 --> 01:38:48,840

everything's all tight and strips you

2340

01:38:53,870 --> 01:38:51,120

know on the tree nice and tight and

2341

01:38:56,870 --> 01:38:53,880

everything's all good right so

2342

01:38:59,570 --> 01:38:56,880

when he's walking through

2343

01:39:01,209 --> 01:38:59,580

it is 312

2344

01:39:11,750 --> 01:39:01,219

and

2345

01:39:13,669 --> 01:39:11,760

40 seconds

2346

01:39:14,750 --> 01:39:13,679

four seconds after he tripped that

2347

01:39:17,570 --> 01:39:14,760

camera

2348

01:39:20,090 --> 01:39:17,580

that Sasquatch or whatever hand that is

2349

01:39:23,450 --> 01:39:20,100

tripped the same camera

2350

01:39:26,870 --> 01:39:23,460

same place

2351

01:39:28,669 --> 01:39:26,880

it wasn't very far behind him nope he

2352

01:39:31,010 --> 01:39:28,679

did not see it he did not hear it he did

2353

01:39:34,010 --> 01:39:31,020

not sense it and he is they have seen

2354

01:39:36,950 --> 01:39:34,020

them other times on the property

2355

01:39:38,990 --> 01:39:36,960

and and or since

2356

01:39:40,870 --> 01:39:39,000

he had no idea

2357

01:39:44,510 --> 01:39:40,880

if you look at that photo very carefully

2358

01:39:48,770 --> 01:39:44,520

uh which you can't see it here but on

2359

01:39:52,189 --> 01:39:48,780

the photo with him in it you see uh this

2360

01:39:53,629 --> 01:39:52,199

tree right here on the ground it's

2361

01:39:56,030 --> 01:39:53,639

horizontal it's Fallen it's a tree

2362

01:39:59,149 --> 01:39:56,040

that's falling over that blob in the

2363

01:40:02,510 --> 01:39:59,159

background is not a Sasquatch or a tree

2364

01:40:06,830 --> 01:40:02,520

that is a uh a ground it is a ground

2365

01:40:10,729 --> 01:40:08,689

you see the trees

2366

01:40:12,490 --> 01:40:10,739

yeah it comes y'all straight up you see

2367

01:40:16,850 --> 01:40:12,500

the shadow

2368

01:40:19,910 --> 01:40:16,860

little bit

2369

01:40:21,830 --> 01:40:19,920

the trees over here on this side they

2370

01:40:23,750 --> 01:40:21,840

look like they're they're all blowing

2371

01:40:25,970 --> 01:40:23,760

they look like they're moving it's

2372

01:40:28,790 --> 01:40:25,980

because of this Sasquatch or whatever it

2373

01:40:31,729 --> 01:40:28,800

is Bump the camera

2374

01:40:33,229 --> 01:40:31,739

is it change the shadow

2375

01:40:34,669 --> 01:40:33,239

and the amount of sun that was getting

2376

01:40:36,350 --> 01:40:34,679

there it just it changed the you know

2377

01:40:38,750 --> 01:40:36,360

the way the thing was pointing you can

2378

01:40:41,450 --> 01:40:38,760

still see yeah

2379

01:40:43,550 --> 01:40:41,460

that horizontal tree that's falling you

2380

01:40:45,590 --> 01:40:43,560

can still see it

2381

01:40:46,850 --> 01:40:45,600

yeah so it's the same it's the same it's

2382

01:40:51,189 --> 01:40:46,860

amazing

2383

01:40:54,110 --> 01:40:51,199

for a same day same location

2384

01:40:58,070 --> 01:40:54,120

four seconds

2385

01:41:03,169 --> 01:41:00,709

having the most incredible

2386

01:41:04,370 --> 01:41:03,179

event of your life now whether yeah

2387

01:41:07,070 --> 01:41:04,380

exactly

2388

01:41:09,169 --> 01:41:07,080

whether it materialized

2389

01:41:11,930 --> 01:41:09,179

didn't have its GPS with him and it

2390

01:41:14,750 --> 01:41:11,940

bumped the camera just being clumsy

2391

01:41:18,169 --> 01:41:14,760

but whatever it is I've got some other

2392

01:41:20,870 --> 01:41:18,179

film that I can't show uh but yeah

2393

01:41:22,610 --> 01:41:20,880

they're on trail cameras every now and

2394

01:41:26,330 --> 01:41:22,620

then there's a Sasquatch that didn't get

2395

01:41:28,370 --> 01:41:26,340

the memo hey dummy don't walk by the box

2396

01:41:29,689 --> 01:41:28,380

with the eyeball that's a human trick

2397

01:41:32,629 --> 01:41:29,699

yeah

2398

01:41:36,290 --> 01:41:32,639

you know and here's here's a theory I

2399

01:41:37,910 --> 01:41:36,300

have if you go back to when the Native

2400

01:41:39,950 --> 01:41:37,920

Americans

2401

01:41:41,510 --> 01:41:39,960

and the Sasquatch are probably about the

2402

01:41:45,109 --> 01:41:41,520

only thing living here I think we didn't

2403

01:41:48,290 --> 01:41:45,119

get colonized to roughly the 1600s uh

2404

01:41:52,310 --> 01:41:48,300

Leif Erickson the Viking added a

2405

01:41:56,570 --> 01:41:52,320

Sasquatch encounter at 936 A.D he wrote

2406

01:41:58,450 --> 01:41:56,580

of it big hostile

2407

01:42:00,830 --> 01:41:58,460

hairy man

2408

01:42:03,770 --> 01:42:00,840

bigger than any man I've ever seen I

2409

01:42:05,390 --> 01:42:03,780

mean they didn't have hoaxing back then

2410

01:42:07,910 --> 01:42:05,400

put that in your pipe and smoke it yeah

2411

01:42:09,950 --> 01:42:07,920

but anyway

2412

01:42:12,590 --> 01:42:09,960

yeah so if you go back to what the

2413

01:42:14,270 --> 01:42:12,600

Native Americans and Sasquatch uh had a

2414

01:42:19,729 --> 01:42:14,280

symbiotic relationship where they traded

2415

01:42:23,209 --> 01:42:19,739

Foods uh maybe weapons uh sometimes they

2416

01:42:25,430 --> 01:42:23,219

traded their women you know uh because

2417

01:42:27,470 --> 01:42:25,440

maybe that's where the you know the uh

2418

01:42:30,169 --> 01:42:27,480

the Sasquatch had come from originally

2419

01:42:31,550 --> 01:42:30,179

was you know uh the if you do the DNA

2420

01:42:36,590 --> 01:42:31,560

studies

2421

01:42:38,990 --> 01:42:36,600

uh the DNA is 50 human female donor 50

2422

01:42:41,810 --> 01:42:39,000

unknown male

2423

01:42:44,390 --> 01:42:41,820

hominid of some type we don't know wow

2424

01:42:46,129 --> 01:42:44,400

anyway I was getting at is they had an

2425

01:42:47,870 --> 01:42:46,139

interaction with the Native Americans uh

2426  
01:42:50,450 --> 01:42:47,880  
when the Native Americans were herded

2427  
01:42:52,370 --> 01:42:50,460  
and marched unmercivly across the land

2428  
01:42:53,689 --> 01:42:52,380  
you know they took their pictures a lot

2429  
01:42:55,070 --> 01:42:53,699  
of pictures were taken when Native

2430  
01:42:56,750 --> 01:42:55,080  
Americans

2431  
01:42:58,070 --> 01:42:56,760  
they were scared they'd never seen a

2432  
01:43:00,470 --> 01:42:58,080  
camera before

2433  
01:43:03,470 --> 01:43:00,480  
and when they saw their face

2434  
01:43:09,790 --> 01:43:03,480  
on a piece of film

2435  
01:43:16,129 --> 01:43:13,149  
my soul is on here I I I I

2436  
01:43:17,770 --> 01:43:16,139  
can't get it back yeah yeah what

2437  
01:43:20,270 --> 01:43:17,780  
happened what happened

2438  
01:43:24,050 --> 01:43:20,280

if you look into any kind of War that's

2439

01:43:27,169 --> 01:43:24,060

that's a documented thought process so

2440

01:43:28,790 --> 01:43:27,179

yeah maybe you know if the Sasquatch you

2441

01:43:30,290 --> 01:43:28,800

know in the uh Native Americans had

2442

01:43:31,790 --> 01:43:30,300

symbiotic relationship before we got

2443

01:43:36,109 --> 01:43:31,800

here and screwed everything up you know

2444

01:43:37,490 --> 01:43:36,119

they may have adopted that philosophy or

2445

01:43:39,410 --> 01:43:37,500

they may know more because I think

2446

01:43:40,729 --> 01:43:39,420

they're much more intelligent and vastly

2447

01:43:42,950 --> 01:43:40,739

more

2448

01:43:44,570 --> 01:43:42,960

Progressive than we are you know they

2449

01:43:45,709 --> 01:43:44,580

have skills that we probably had a long

2450

01:43:48,350 --> 01:43:45,719

time ago we just don't have any more

2451  
01:43:50,629 --> 01:43:48,360  
because we invented it out of our system

2452  
01:43:52,370 --> 01:43:50,639  
you know we invented cars and computers

2453  
01:43:54,530 --> 01:43:52,380  
and grocery stores everything does

2454  
01:43:57,290 --> 01:43:54,540  
everything for us we're just so you know

2455  
01:43:58,129 --> 01:43:57,300  
flabby fat lazy humans because we don't

2456  
01:44:00,229 --> 01:43:58,139  
have to do anything because we've got

2457  
01:44:01,850 --> 01:44:00,239  
things to do for us you know maybe we

2458  
01:44:03,709 --> 01:44:01,860  
had levitation maybe we had you know

2459  
01:44:04,910 --> 01:44:03,719  
telepathy maybe we had all kinds of

2460  
01:44:07,850 --> 01:44:04,920  
things you know change of vibrational

2461  
01:44:12,050 --> 01:44:07,860  
frequency and go go visit Uranus or moon

2462  
01:44:14,570 --> 01:44:12,060  
or whatever you know so anyway uh yeah

2463  
01:44:16,189 --> 01:44:14,580

there's a phobia about that box with the

2464

01:44:19,010 --> 01:44:16,199

eyeball on it

2465

01:44:20,750 --> 01:44:19,020

you know and so that's probably why they

2466

01:44:22,910 --> 01:44:20,760

avoid them just you know but I think

2467

01:44:24,290 --> 01:44:22,920

some of them have the skill sets to

2468

01:44:26,390 --> 01:44:24,300

alter what you're seeing if they don't

2469

01:44:28,250 --> 01:44:26,400

really care they'll just blur it out and

2470

01:44:31,310 --> 01:44:28,260

all you get is this weird block what is

2471

01:44:33,890 --> 01:44:31,320

that yeah well nothing go on and you

2472

01:44:37,490 --> 01:44:33,900

think it was just the wind or something

2473

01:44:41,090 --> 01:44:37,500

exactly yeah so but something like that

2474

01:44:43,550 --> 01:44:41,100

again okay go ahead no go ahead it's

2475

01:44:45,590 --> 01:44:43,560

okay this

2476

01:44:47,090 --> 01:44:45,600

like I said is either the most

2477

01:44:49,669 --> 01:44:47,100

incredible thing people have ever seen

2478

01:44:52,669 --> 01:44:49,679

or it's a bunch of crap I made it up how

2479

01:44:55,490 --> 01:44:52,679

dare I put that out you know yeah I

2480

01:44:58,729 --> 01:44:55,500

don't take much stuck in those people no

2481

01:45:00,830 --> 01:44:58,739

I don't I don't I mean yes it's so silly

2482

01:45:02,410 --> 01:45:00,840

I think it's incredible for what it's

2483

01:45:05,450 --> 01:45:02,420

worth yeah

2484

01:45:06,950 --> 01:45:05,460

it's just mind-blowing you know and the

2485

01:45:08,169 --> 01:45:06,960

reason I know this photo is probably

2486

01:45:11,149 --> 01:45:08,179

legit

2487

01:45:12,830 --> 01:45:11,159

we were going to do uh there was a film

2488

01:45:15,470 --> 01:45:12,840

crew that was going to come do one of my

2489

01:45:17,990 --> 01:45:15,480

reports in a certain state

2490

01:45:20,209 --> 01:45:18,000

of my Witnesses uh habituation thing

2491

01:45:22,850 --> 01:45:20,219

well my Witnesses for some reason

2492

01:45:25,490 --> 01:45:22,860

decided to be very demanding well we

2493

01:45:27,109 --> 01:45:25,500

want some money we want this we want you

2494

01:45:29,990 --> 01:45:27,119

know some T-shirts and coffee cups

2495

01:45:32,450 --> 01:45:30,000

really

2496

01:45:34,669 --> 01:45:32,460

and so I call the producers back I said

2497

01:45:37,189 --> 01:45:34,679

hey they don't want to do it hey

2498

01:45:40,310 --> 01:45:37,199

just so it just so happens

2499

01:45:43,310 --> 01:45:40,320

I've got another better better report

2500

01:45:45,830 --> 01:45:43,320

you've never seen it I just got it it

2501

01:45:47,330 --> 01:45:45,840

was a fake state so I sent him this

2502

01:45:48,770 --> 01:45:47,340

picture I said by the way I want you to

2503

01:45:50,629 --> 01:45:48,780

check this photo because I had just

2504

01:45:52,310 --> 01:45:50,639

gotten it and tell me if it's been

2505

01:45:53,090 --> 01:45:52,320

tampered with I want to know what's the

2506

01:45:55,129 --> 01:45:53,100

room

2507

01:45:56,510 --> 01:45:55,139

you know yeah yeah they could find

2508

01:45:58,310 --> 01:45:56,520

nothing wrong and they they called me

2509

01:46:01,250 --> 01:45:58,320

back within a couple hours we're heading

2510

01:46:03,109 --> 01:46:01,260

your way we're coming wow so you know we

2511

01:46:06,109 --> 01:46:03,119

ended up filming something for uh I

2512

01:46:07,370 --> 01:46:06,119

think it was for uh Hulu uh they never

2513

01:46:09,890 --> 01:46:07,380

got off the ground there's going to be a

2514

01:46:11,689 --> 01:46:09,900

you know Sasquatch thing and it just

2515

01:46:16,010 --> 01:46:11,699

never got off the ground for a variety

2516

01:46:18,770 --> 01:46:16,020

of reasons but anyway so uh

2517

01:46:22,490 --> 01:46:18,780

that's the real deal I mean it's a legit

2518

01:46:23,629 --> 01:46:22,500

photo you know I mean you know unless

2519

01:46:24,890 --> 01:46:23,639

they just said we're coming anyway

2520

01:46:25,970 --> 01:46:24,900

that's a great picture we'll just go

2521

01:46:27,410 --> 01:46:25,980

with it but you know they they

2522

01:46:29,030 --> 01:46:27,420

absolutely because I don't want you

2523

01:46:33,050 --> 01:46:29,040

coming all the way out here and go

2524

01:46:35,270 --> 01:46:33,060

what you know I I asked the the preacher

2525

01:46:37,729 --> 01:46:35,280

I said I just have to ask this I ask all

2526

01:46:40,250 --> 01:46:37,739

my people to send me incredible photos

2527

01:46:42,770 --> 01:46:40,260

is this the real deal he said Carter

2528

01:46:44,109 --> 01:46:42,780

it's real and please don't ask me that

2529

01:46:46,669 --> 01:46:44,119

ever again

2530

01:46:48,830 --> 01:46:46,679

well you know it's probably terrified it

2531

01:46:52,189 --> 01:46:48,840

was like four seconds behind him he was

2532

01:46:54,770 --> 01:46:52,199

probably scared he was actually more

2533

01:46:58,270 --> 01:46:54,780

irritated that I was questioning him but

2534

01:47:01,070 --> 01:46:58,280

I have to question people I don't know

2535

01:47:03,590 --> 01:47:01,080

hand me something like that you know

2536

01:47:07,010 --> 01:47:03,600

it's like you're handed me a head on a

2537

01:47:08,629 --> 01:47:07,020

platter yeah so I'm gonna ask I have to

2538

01:47:10,030 --> 01:47:08,639

ask because I'm not being responsible

2539

01:47:16,330 --> 01:47:10,040

you know

2540

01:47:20,390 --> 01:47:18,770

yeah no and I definitely want to have

2541

01:47:22,070 --> 01:47:20,400

you back because you have been wonderful

2542

01:47:23,990 --> 01:47:22,080

and there we still have a ton of

2543

01:47:25,189 --> 01:47:24,000

questions I mean I could probably keep

2544

01:47:27,229 --> 01:47:25,199

you here all night with all the

2545

01:47:29,689 --> 01:47:27,239

questions we've been getting but I

2546

01:47:31,790 --> 01:47:29,699

appreciate so tell everyone where they

2547

01:47:34,669 --> 01:47:31,800

can find you what you have going on next

2548

01:47:36,890 --> 01:47:34,679

anything else you want to talk about I

2549

01:47:47,649 --> 01:47:36,900

live under a bridge in Kansas City

2550

01:47:57,169 --> 01:47:53,709

you can go to my website which is SQ

2551  
01:47:59,689 --> 01:47:57,179  
explorer.com really easy Sasquatch SQ

2552  
01:48:05,109 --> 01:47:59,699  
explorer.com

2553  
01:48:08,390 --> 01:48:05,119  
if you want to email me it's SQ Explorer

2554  
01:48:11,649 --> 01:48:08,400  
gmail.com see how creative I am isn't

2555  
01:48:14,149 --> 01:48:11,659  
that amazing but you know yeah

2556  
01:48:17,689 --> 01:48:14,159  
my books are all on the website if you

2557  
01:48:19,430 --> 01:48:17,699  
want to order all three for a package

2558  
01:48:22,129 --> 01:48:19,440  
deal I'll give you a prize just email me

2559  
01:48:24,709 --> 01:48:22,139  
and contact me you know uh but they're

2560  
01:48:28,669 --> 01:48:24,719  
all full color

2561  
01:48:30,950 --> 01:48:28,679  
inside and out nice shiny heavy glossy

2562  
01:48:32,390 --> 01:48:30,960  
paper and I autograph them for you I'll

2563  
01:48:35,990 --> 01:48:32,400

personalize whatever you want me to say

2564

01:48:37,129 --> 01:48:36,000

you know so uh they're they're great

2565

01:48:39,830 --> 01:48:37,139

reads

2566

01:48:41,209 --> 01:48:39,840

I've vetted everybody as best I can that

2567

01:48:43,129 --> 01:48:41,219

some of these people are friends of mine

2568

01:48:44,390 --> 01:48:43,139

I've become friends with them and you

2569

01:48:46,070 --> 01:48:44,400

know it

2570

01:48:49,189 --> 01:48:46,080

they wouldn't yank me they just wouldn't

2571

01:48:52,070 --> 01:48:49,199

do it you know these are real everyday

2572

01:48:53,629 --> 01:48:52,080

people like you and me Bernadette just

2573

01:48:55,490 --> 01:48:53,639

everyday people that are having

2574

01:48:56,870 --> 01:48:55,500

incredible things happen to them and

2575

01:48:58,189 --> 01:48:56,880

they can't tell anybody because they got

2576

01:49:00,129 --> 01:48:58,199

no one to talk to and everybody makes

2577

01:49:02,570 --> 01:49:00,139

fun of them

2578

01:49:05,209 --> 01:49:02,580

you know I'm working on another one it's

2579

01:49:07,189 --> 01:49:05,219

all habituation only it's just strictly

2580

01:49:09,830 --> 01:49:07,199

habituation families

2581

01:49:12,169 --> 01:49:09,840

so that's how you get a hold of me I

2582

01:49:14,030 --> 01:49:12,179

return all emails you know unless you're

2583

01:49:16,070 --> 01:49:14,040

sending me a bill then I'll

2584

01:49:18,229 --> 01:49:16,080

send it to the junk file but you know

2585

01:49:20,629 --> 01:49:18,239

that's how you get a hold of me you know

2586

01:49:24,470 --> 01:49:20,639

and what's next for you

2587

01:49:27,050 --> 01:49:24,480

uh next thing for me I'm doing I'm doing

2588

01:49:29,149 --> 01:49:27,060

a sh a three-day conference in Eureka

2589

01:49:32,209 --> 01:49:29,159

Springs the uh

2590

01:49:36,890 --> 01:49:32,219

second third and fourth of June I'm

2591

01:49:39,770 --> 01:49:36,900

doing a big metacon thing here in Kansas

2592

01:49:42,470 --> 01:49:39,780

City in July up at the airport like I

2593

01:49:46,970 --> 01:49:42,480

don't have the dates uh I'm on another

2594

01:49:48,770 --> 01:49:46,980

podcast with uh Russ Jones in about

2595

01:49:50,689 --> 01:49:48,780

three weeks

2596

01:49:52,010 --> 01:49:50,699

and you know then I'm taking a couple

2597

01:49:53,930 --> 01:49:52,020

weeks off in between there to go visit

2598

01:49:56,870 --> 01:49:53,940

my daughter in Utah so but that's what I

2599

01:49:58,550 --> 01:49:56,880

usually post all my stuff I get all

2600

01:50:00,950 --> 01:49:58,560

these Badges and Banners and I post all

2601  
01:50:02,689 --> 01:50:00,960  
the stuff where I'm coming so if you

2602  
01:50:04,490 --> 01:50:02,699  
look at my Facebook I've got stuff up

2603  
01:50:06,530 --> 01:50:04,500  
there if I got something going on you'll

2604  
01:50:09,770 --> 01:50:06,540  
know about it you know

2605  
01:50:13,910 --> 01:50:11,510  
ly you will

2606  
01:50:16,070 --> 01:50:13,920  
no one loved you we still had tons of

2607  
01:50:18,229 --> 01:50:16,080  
questions but like you said and I agree

2608  
01:50:22,030 --> 01:50:18,239  
time is getting late but I appreciate

2609  
01:50:27,530 --> 01:50:25,250  
to shut me up because I just got you

2610  
01:50:29,689 --> 01:50:27,540  
know I've got some incredible stories

2611  
01:50:31,790 --> 01:50:29,699  
they're not mine they're people telling

2612  
01:50:36,970 --> 01:50:31,800  
them through me but they're just just

2613  
01:50:42,649 --> 01:50:39,169

no they are

2614

01:50:44,570 --> 01:50:42,659

you've seen weird stuff I've seen yeah

2615

01:50:46,729 --> 01:50:44,580

yeah

2616

01:50:49,450 --> 01:50:46,739

now how do you convince somebody I

2617

01:50:51,770 --> 01:50:49,460

enjoyed them

2618

01:50:53,030 --> 01:50:51,780

you don't

2619

01:50:54,709 --> 01:50:53,040

yeah yeah

2620

01:50:56,390 --> 01:50:54,719

you can only you can only convince

2621

01:50:57,770 --> 01:50:56,400

somebody so far you know they have to

2622

01:51:00,350 --> 01:50:57,780

experience it themselves but they have

2623

01:51:03,350 --> 01:51:00,360

an open mind there's just a crack there

2624

01:51:05,870 --> 01:51:03,360

where something can get through

2625

01:51:08,629 --> 01:51:05,880

good for them you know

2626  
01:51:10,550 --> 01:51:08,639  
exactly no but I would love to have you

2627  
01:51:12,770 --> 01:51:10,560  
back to hear more of your stories and

2628  
01:51:15,229 --> 01:51:12,780  
more of your personal experiences as

2629  
01:51:16,850 --> 01:51:15,239  
well so I will definitely be in touch so

2630  
01:51:18,070 --> 01:51:16,860  
thank you so much

2631  
01:51:19,790 --> 01:51:18,080  
yeah

2632  
01:51:22,430 --> 01:51:19,800  
we're having a little bit of Internet

2633  
01:51:23,810 --> 01:51:22,440  
delay here so yeah that's okay it's

2634  
01:51:25,189 --> 01:51:23,820  
waited actually we got we got through

2635  
01:51:27,709 --> 01:51:25,199  
pretty well I thought with all the the

2636  
01:51:30,770 --> 01:51:27,719  
crappy internet we did no I thought we

2637  
01:51:32,990 --> 01:51:30,780  
did perfect yeah so thank you again

2638  
01:51:34,790 --> 01:51:33,000

Carter and I truly appreciate it

2639

01:51:39,830 --> 01:51:34,800

thank you good night everybody

2640

01:51:46,010 --> 01:51:42,890

all right everyone thank you so much for

2641

01:51:48,050 --> 01:51:46,020

being here I truly appreciate it

2642

01:51:51,530 --> 01:51:48,060

um let me get that off real quick

2643

01:51:53,270 --> 01:51:51,540

and so I am going to be taking about two

2644

01:51:55,790 --> 01:51:53,280

weeks off so there won't be any shows

2645

01:51:58,490 --> 01:51:55,800

for me for the next two weeks

2646

01:51:59,990 --> 01:51:58,500

um due to some personal reasons as well

2647

01:52:01,850 --> 01:52:00,000

some kind of health reasons but

2648

01:52:03,530 --> 01:52:01,860

everything's okay

2649

01:52:04,609 --> 01:52:03,540

um we're just taking a break for two

2650

01:52:06,350 --> 01:52:04,619

weeks

2651  
01:52:07,850 --> 01:52:06,360  
um when I get my next guest submitted

2652  
01:52:10,910 --> 01:52:07,860  
for the end of the month I will let you

2653  
01:52:13,790 --> 01:52:10,920  
guys know Lon will let you know but June

2654  
01:52:16,370 --> 01:52:13,800  
I believe June 1st is a Thursday and

2655  
01:52:18,590 --> 01:52:16,380  
nurse Hadley has agreed to come back her

2656  
01:52:20,750 --> 01:52:18,600  
book is coming out so I'm excited for

2657  
01:52:22,310 --> 01:52:20,760  
that that'll be June 1st

2658  
01:52:23,870 --> 01:52:22,320  
um the end of the month I'm not sure who

2659  
01:52:26,149 --> 01:52:23,880  
my guests will be because like I said

2660  
01:52:27,770 --> 01:52:26,159  
I'm still trying to cement that down

2661  
01:52:31,070 --> 01:52:27,780  
um but yeah I will see you guys in two

2662  
01:52:32,750 --> 01:52:31,080  
weeks and if you you know you can find

2663  
01:52:34,970 --> 01:52:32,760

me on Tick Tock you can find me on

2664

01:52:36,470 --> 01:52:34,980

Instagram until then

2665

01:52:39,470 --> 01:52:36,480

um you can always find me every Friday

2666

01:52:41,990 --> 01:52:39,480

night in the chat and launch show and

2667

01:52:45,410 --> 01:52:42,000

yeah so I will see you guys in two weeks

2668

01:52:48,530 --> 01:52:45,420

and until then let me make sure I can

2669

01:52:50,770 --> 01:52:48,540

get this up hold on until then you guys

2670

01:53:02,030 --> 01:52:50,780

take care bye everybody
