PHANTOMS & MONSTERS
PERSONAL REPORTS

'CHICAGO MOTHMAN'
ROCKFORD, IL 'DEERBAT' DOPPELGANGER

FRIDAY, MAY 5TH - 9PM ET / 6PM PT

1
00:00:29,349 --> 00:00:25,980

[Music]

2
00:00:36,049 --> 00:00:32,810

we live in a reality of phantoms and

3
00:00:40,069 --> 00:00:36,059

monsters they exist Among Us and

4
00:00:43,790 --> 00:00:40,079

sometimes they win even the devil was an

5
00:00:46,690 --> 00:00:43,800

angel once the world has its own rules

6
00:00:50,209 --> 00:00:46,700

and these rules are not human

7
00:00:52,610 --> 00:00:50,219

some of us seek answers to the origin

8
00:00:54,049 --> 00:00:52,620

and existence of Cryptids and The

9
00:00:57,650 --> 00:00:54,059

Unexplained

10
00:01:01,189 --> 00:00:57,660

join us as we venture beyond the known

11
00:01:03,410 --> 00:01:01,199

and accepted boundaries Welcome to our

12
00:01:08,180 --> 00:01:03,420

nightmare I think you're going to like

13
00:01:08,190 --> 00:01:18,850

[Music]

14

00:01:25,010 --> 00:01:22,130

hey folks good evening and welcome to

15

00:01:27,649 --> 00:01:25,020

another episode of phantoms at Monster's

16

00:01:29,149 --> 00:01:27,659

personal reports where I narrate and

17

00:01:31,070 --> 00:01:29,159

discuss some of the Cryptid and

18

00:01:33,530 --> 00:01:31,080

explained sightings and encounters

19

00:01:35,690 --> 00:01:33,540

submitted to Phantoms and monsters and

20

00:01:37,850 --> 00:01:35,700

the Phantoms of monsters 14 Research

21

00:01:40,730 --> 00:01:37,860

team so thanks for joining me

22

00:01:43,969 --> 00:01:40,740

now the channel is made possible by you

23

00:01:45,890 --> 00:01:43,979

clicking the Subscribe button and uh you

24

00:01:48,170 --> 00:01:45,900

buy are you sharing the programming

25

00:01:50,990 --> 00:01:48,180

Super Chat super thanks to nations are

26
00:01:52,630 --> 00:01:51,000
much appreciated buy me a coffee link is

27
00:01:56,569 --> 00:01:52,640
also available

28
00:01:58,670 --> 00:01:56,579
uh and and please like like the uh like

29
00:02:00,710 --> 00:01:58,680
the presentation too much appreciate

30
00:02:03,649 --> 00:02:00,720
doing that

31
00:02:06,590 --> 00:02:03,659
so uh if you're in the chat and uh you

32
00:02:09,050 --> 00:02:06,600
have a question uh please use all caps

33
00:02:10,550 --> 00:02:09,060
but try to save it towards the end I'll

34
00:02:13,130 --> 00:02:10,560
let you know when I'm done on the last

35
00:02:17,110 --> 00:02:13,140
account so you can put your question up

36
00:02:21,410 --> 00:02:17,120
there and I I you know avoid missing it

37
00:02:23,750 --> 00:02:21,420
so in 2018

38
00:02:26,809 --> 00:02:23,760

the Chicago Wing humanoid phenomena

39

00:02:28,309 --> 00:02:26,819

spread deeper into the suburbs and the

40

00:02:31,550 --> 00:02:28,319

neighboring states

41

00:02:34,490 --> 00:02:31,560

uh one region in particular in or around

42

00:02:36,350 --> 00:02:34,500

the um City of Rockford which is in

43

00:02:38,809 --> 00:02:36,360

north central Illinois

44

00:02:40,850 --> 00:02:38,819

uh turned out to be a hub for several

45

00:02:42,110 --> 00:02:40,860

weird and unexplained sightings and

46

00:02:46,250 --> 00:02:42,120

encounters

47

00:02:48,830 --> 00:02:46,260

so this presentation will examine most

48

00:02:52,790 --> 00:02:48,840

of those reports

49

00:02:55,390 --> 00:02:52,800

and so next week then I will detail more

50

00:02:58,490 --> 00:02:55,400

Curious aspects of this phenomenon

51
00:03:01,670 --> 00:02:58,500
including the possibility that other

52
00:03:04,369 --> 00:03:01,680
Cryptids and humanoids may also be

53
00:03:06,710 --> 00:03:04,379
involved with this

54
00:03:08,690 --> 00:03:06,720
so um

55
00:03:10,430 --> 00:03:08,700
I'll try to describe the reports and

56
00:03:12,170 --> 00:03:10,440
instance in detail and attempt to answer

57
00:03:15,229 --> 00:03:12,180
all your questions from the chat room

58
00:03:22,390 --> 00:03:18,110
so the

59
00:03:25,149 --> 00:03:22,400
report was posted on August 18th

60
00:03:28,070 --> 00:03:25,159
2017. now I know we're going back into

61
00:03:30,190 --> 00:03:28,080
2017 on this one

62
00:03:33,050 --> 00:03:30,200
but this kind of started

63
00:03:35,270 --> 00:03:33,060

uh a trend of sightings in the Rock

64

00:03:38,509 --> 00:03:35,280

Rockford Illinois area

65

00:03:42,110 --> 00:03:38,519

now the singer 14 society which is

66

00:03:44,690 --> 00:03:42,120

Tobias and Emily Whalen or part of fans

67

00:03:48,050 --> 00:03:44,700

of Monster's Fortune research team they

68

00:03:50,449 --> 00:03:48,060

were contacted by a witness

69

00:03:52,430 --> 00:03:50,459

who cleaned as seen a creatures similar

70

00:03:55,789 --> 00:03:52,440

to the Flying humanoid that's been

71

00:03:58,729 --> 00:03:55,799

haunting the area around Lake Michigan

72

00:04:01,250 --> 00:03:58,739

now the witness who agreed to touch

73

00:04:04,130 --> 00:04:01,260

his first name Dalton to the sighting

74

00:04:05,570 --> 00:04:04,140

first reported this encounter online two

75

00:04:10,729 --> 00:04:05,580

years ago

76

00:04:15,470 --> 00:04:13,490

I stayed if I had not experienced the

77

00:04:18,289 --> 00:04:15,480

first hand I would have probably

78

00:04:20,930 --> 00:04:18,299

dismissed it as fiction

79

00:04:23,990 --> 00:04:20,940

please I assure you this 100 the whole

80

00:04:27,170 --> 00:04:24,000

story of that particular night

81

00:04:30,170 --> 00:04:27,180

so uh it began as a typical summer day

82

00:04:31,909 --> 00:04:30,180

approximately five years ago uh these

83

00:04:33,650 --> 00:04:31,919

events take place in Northern Illinois

84

00:04:35,629 --> 00:04:33,660

near Rockford

85

00:04:40,189 --> 00:04:35,639

my friend Nick and I were cruising

86

00:04:42,590 --> 00:04:40,199

around in our 1990 in my 1997 Firebird

87

00:04:44,330 --> 00:04:42,600

as the day progressed we decided to head

88

00:04:45,409 --> 00:04:44,340

towards the country roads and do some

89

00:04:47,870 --> 00:04:45,419

drifting

90

00:04:49,670 --> 00:04:47,880

typical behavior for a 16 year old with

91

00:04:51,950 --> 00:04:49,680

a sports car

92

00:04:53,330 --> 00:04:51,960

this was something we did quite often

93

00:04:56,090 --> 00:04:53,340

actually

94

00:04:58,730 --> 00:04:56,100

so Jump Ahead two hours or so

95

00:05:00,890 --> 00:04:58,740

and it's around 11 pm

96

00:05:03,710 --> 00:05:00,900

and we're on a gravel road

97

00:05:06,950 --> 00:05:03,720

we're in our location that was secluded

98

00:05:09,050 --> 00:05:06,960

uh and with a lot of Farmland all over

99

00:05:12,110 --> 00:05:09,060

all over the location

100

00:05:14,990 --> 00:05:12,120

and so there were houses every so often

101
00:05:17,450 --> 00:05:15,000
so now me and Nick are talking while I'm

102
00:05:19,610 --> 00:05:17,460
repeatedly slowing down and then

103
00:05:23,150 --> 00:05:19,620
applying the gas hard so we could get my

104
00:05:24,590 --> 00:05:23,160
vehicle sideways on this straight patch

105
00:05:27,950 --> 00:05:24,600
of Road

106
00:05:30,050 --> 00:05:27,960
now the corn on the sides of this old

107
00:05:31,490 --> 00:05:30,060
Gravel Road were

108
00:05:34,189 --> 00:05:31,500
head height

109
00:05:36,350 --> 00:05:34,199
as it was uh it was towards the end of

110
00:05:38,510 --> 00:05:36,360
the growing season anyway

111
00:05:41,210 --> 00:05:38,520
I began slowing down for probably the

112
00:05:42,650 --> 00:05:41,220
fifth time only I could see the corn

113
00:05:45,650 --> 00:05:42,660

shaking

114

00:05:48,230 --> 00:05:45,660

I mean Nick both had stopped talking and

115

00:05:50,689 --> 00:05:48,240

were watching the corn

116

00:05:52,909 --> 00:05:50,699

I had expected a group of deer to run

117

00:05:55,249 --> 00:05:52,919

out and cross the road so natural I

118

00:05:58,189 --> 00:05:55,259

slowed down into a slow roll

119

00:06:01,390 --> 00:05:58,199

the corn was now shaking fiercely and

120

00:06:04,670 --> 00:06:01,400

quickly headed headed towards the road

121

00:06:06,590 --> 00:06:04,680

now at this point me and Nick are

122

00:06:08,930 --> 00:06:06,600

staring at the corn waiting for the

123

00:06:11,629 --> 00:06:08,940

expected Wildlife to pass

124

00:06:14,090 --> 00:06:11,639

now I'm not sure how to describe this

125

00:06:16,249 --> 00:06:14,100

but what we saw was frightening

126

00:06:18,830 --> 00:06:16,259

the corn parted about eight feet in

127

00:06:20,629 --> 00:06:18,840

front of the car I I don't know if you

128

00:06:23,450 --> 00:06:20,639

have ever seen a deer jump out of the

129

00:06:25,730 --> 00:06:23,460

Corn but it's like a horse hop

130

00:06:28,969 --> 00:06:25,740

this thing was the size of a big buck

131

00:06:31,010 --> 00:06:28,979

but completely black mind you my

132

00:06:33,590 --> 00:06:31,020

headlights are focused right at the

133

00:06:36,230 --> 00:06:33,600

stretch of road in the corn area so the

134

00:06:39,110 --> 00:06:36,240

whole seam was well eliminated now as I

135

00:06:41,990 --> 00:06:39,120

it proceeded to jump out of the Corn

136

00:06:43,550 --> 00:06:42,000

it opened up these huge set of wings and

137

00:06:45,770 --> 00:06:43,560

remained airborne

138

00:06:48,529 --> 00:06:45,780

it flew right in front of the car into

139

00:06:50,090 --> 00:06:48,539

the zigzag flight pattern incredibly

140

00:06:53,390 --> 00:06:50,100

fast

141

00:06:55,969 --> 00:06:53,400

almost like a flyer bug would do

142

00:06:58,249 --> 00:06:55,979

after the quick zigzags is shot straight

143

00:07:00,469 --> 00:06:58,259

up into the air I mean shot

144

00:07:03,050 --> 00:07:00,479

like it was placed in a cannon and

145

00:07:05,570 --> 00:07:03,060

blasted into the sky

146

00:07:08,450 --> 00:07:05,580

now my Firebird was a model that had

147

00:07:11,390 --> 00:07:08,460

t-tops so me and Nick both jerked our

148

00:07:14,090 --> 00:07:11,400

heads up but due to my lights pointing

149

00:07:17,029 --> 00:07:14,100

forward obviously it being dark out we

150

00:07:19,430 --> 00:07:17,039

couldn't see where the creature went

151
00:07:21,589 --> 00:07:19,440
I floored the car well Nick screaming go

152
00:07:23,809 --> 00:07:21,599
go go go

153
00:07:25,730 --> 00:07:23,819
I drive as fast as I can while still

154
00:07:27,650 --> 00:07:25,740
maintaining controlling the gravel now

155
00:07:29,450 --> 00:07:27,660
we drive for a good 15 minutes

156
00:07:31,490 --> 00:07:29,460
completely quiet

157
00:07:35,150 --> 00:07:31,500
the whole time we were watching around

158
00:07:37,850 --> 00:07:35,160
us I don't know why but we instantly

159
00:07:40,850 --> 00:07:37,860
assume that this thing was chasing us

160
00:07:42,830 --> 00:07:40,860
now mind you that from this moment when

161
00:07:45,290 --> 00:07:42,840
we started to see the corn move to when

162
00:07:48,230 --> 00:07:45,300
this thing left our view it was only a

163
00:07:51,290 --> 00:07:48,240

matter of about 30 seconds

164

00:07:53,689 --> 00:07:51,300

and we finally start to calm down on a

165

00:07:55,430 --> 00:07:53,699

road that was frequently that you know

166

00:07:57,589 --> 00:07:55,440

was frequented more

167

00:07:59,390 --> 00:07:57,599

we could see farmers in the fields and

168

00:08:01,189 --> 00:07:59,400

tractors being that I can see other

169

00:08:03,409 --> 00:08:01,199

people I feel safer

170

00:08:05,390 --> 00:08:03,419

so I decided to pull over on the side of

171

00:08:08,210 --> 00:08:05,400

the road immediately say it

172

00:08:10,070 --> 00:08:08,220

what the f was that

173

00:08:12,770 --> 00:08:10,080

but we had no answers

174

00:08:14,809 --> 00:08:12,780

the only thing we came up with was

175

00:08:16,670 --> 00:08:14,819

that it was the size of a deer but flew

176

00:08:20,689 --> 00:08:16,680

like a bat

177

00:08:23,150 --> 00:08:20,699

we named it accordingly the deer back

178

00:08:25,249 --> 00:08:23,160

we say it was the size of a deer but it

179

00:08:27,469 --> 00:08:25,259

was actually humanoid sheep

180

00:08:30,170 --> 00:08:27,479

it just ran out of the Corn like a deer

181

00:08:33,050 --> 00:08:30,180

the deer bat was incredibly black like

182

00:08:35,990 --> 00:08:33,060

it was covered in tar

183

00:08:38,510 --> 00:08:36,000

now after we stop talking we notice in

184

00:08:41,089 --> 00:08:38,520

the field a couple yards by us is a

185

00:08:44,269 --> 00:08:41,099

harvest in proc progress sign so again

186

00:08:47,030 --> 00:08:44,279

being dumb teenagers we decide to steal

187

00:08:48,530 --> 00:08:47,040

the sign I run and grab it and shove it

188

00:08:50,810 --> 00:08:48,540

in the back seat

189

00:08:52,850 --> 00:08:50,820

throw hoodies over it

190

00:08:54,889 --> 00:08:52,860

was a large sign it had a metal pull

191

00:08:57,050 --> 00:08:54,899

still attached to it

192

00:08:59,810 --> 00:08:57,060

it didn't hide in the back of the

193

00:09:02,269 --> 00:08:59,820

firebird too well but we managed and we

194

00:09:04,670 --> 00:09:02,279

headed out of the country and made it to

195

00:09:06,350 --> 00:09:04,680

neighboring town to do Medford excuse me

196

00:09:09,050 --> 00:09:06,360

New Milford

197

00:09:11,750 --> 00:09:09,060

we both were thirsty and wanted a snack

198

00:09:14,930 --> 00:09:11,760

so I pull into a gas station back my car

199

00:09:17,449 --> 00:09:14,940

into space that faces the main room now

200

00:09:19,850 --> 00:09:17,459

as soon as I shut my car off this old

201
00:09:23,449 --> 00:09:19,860
beat up rusted Chevy pulls in front of

202
00:09:26,509 --> 00:09:23,459
me as if he's blocking us in

203
00:09:29,509 --> 00:09:26,519
his windows are tinted dark we couldn't

204
00:09:31,370 --> 00:09:29,519
see who was in it or what was going on

205
00:09:32,990 --> 00:09:31,380
he remained there for several minutes

206
00:09:34,670 --> 00:09:33,000
just sitting

207
00:09:37,250 --> 00:09:34,680
we didn't get out of the car because

208
00:09:39,110 --> 00:09:37,260
this night was already a big nope

209
00:09:43,009 --> 00:09:39,120
and the last thing I wanted was a

210
00:09:45,949 --> 00:09:43,019
hillbilly uh trying to start something

211
00:09:47,930 --> 00:09:45,959
as mysteriously as he pulled up without

212
00:09:49,910 --> 00:09:47,940
warning he drove off

213
00:09:51,829 --> 00:09:49,920

and we assume

214

00:09:54,590 --> 00:09:51,839

this was somebody who had seen us take

215

00:09:56,509 --> 00:09:54,600

the sign that he you know he was there

216

00:09:58,550 --> 00:09:56,519

getting my plate number

217

00:10:00,110 --> 00:09:58,560

maybe he was waiting for us to get out

218

00:10:02,269 --> 00:10:00,120

of the car to confront us the only

219

00:10:04,910 --> 00:10:02,279

problem was that he entered from our

220

00:10:07,730 --> 00:10:04,920

left and exited on the right he was

221

00:10:09,230 --> 00:10:07,740

never behind my car to get the plates I

222

00:10:11,090 --> 00:10:09,240

didn't have a plate on the front of my

223

00:10:13,790 --> 00:10:11,100

car anyway

224

00:10:15,889 --> 00:10:13,800

though he left so we went and got our

225

00:10:18,530 --> 00:10:15,899

drinks and chips and drove to my house

226

00:10:20,030 --> 00:10:18,540

to to go to sleep

227

00:10:22,250 --> 00:10:20,040

now

228

00:10:24,110 --> 00:10:22,260

I have no idea if the truck was related

229

00:10:27,350 --> 00:10:24,120

to any of the other events of that night

230

00:10:29,810 --> 00:10:27,360

or not but it was creepy nonetheless

231

00:10:31,730 --> 00:10:29,820

to me the only way I can describe the

232

00:10:34,790 --> 00:10:31,740

deer bat is to compare it to the

233

00:10:37,389 --> 00:10:34,800

creature in the movie's Jeepers Creepers

234

00:10:39,889 --> 00:10:37,399

that's exactly what we saw

235

00:10:42,230 --> 00:10:39,899

obviously though this is just a movie

236

00:10:44,509 --> 00:10:42,240

I'm not religious but this is how I

237

00:10:46,310 --> 00:10:44,519

picture a demon

238

00:10:48,110 --> 00:10:46,320

Jump Ahead a month or so and I'm

239

00:10:51,050 --> 00:10:48,120

watching a pretty idiotic show called

240

00:10:55,329 --> 00:10:51,060

Monster Quest and they're focusing on

241

00:10:59,210 --> 00:10:55,339

the Creator uh called Mothman

242

00:11:02,210 --> 00:10:59,220

instantly I I'm freaking out again this

243

00:11:04,790 --> 00:11:02,220

thing fits what we saw except one detail

244

00:11:07,250 --> 00:11:04,800

the witnesses described glowing red eyes

245

00:11:08,990 --> 00:11:07,260

that peers through you we we didn't see

246

00:11:11,509 --> 00:11:09,000

that the deer bat was completely black

247

00:11:13,910 --> 00:11:11,519

and it was absent White

248

00:11:16,130 --> 00:11:13,920

we've never seen the deer bat again and

249

00:11:17,210 --> 00:11:16,140

to this day we tell people about what we

250

00:11:19,190 --> 00:11:17,220

saw

251
00:11:21,170 --> 00:11:19,200
they always ask the same question bro

252
00:11:22,730 --> 00:11:21,180
what drugs were you on to be clear I

253
00:11:26,329 --> 00:11:22,740
don't do drugs

254
00:11:28,069 --> 00:11:26,339
now Tobias was able to interview Dalton

255
00:11:30,710 --> 00:11:28,079
about his experience

256
00:11:32,750 --> 00:11:30,720
and uh his story made largely unchange

257
00:11:36,050 --> 00:11:32,760
from the published report and according

258
00:11:38,750 --> 00:11:36,060
to Dalton entire siding lasts between 15

259
00:11:41,269 --> 00:11:38,760
and 20 seconds and neither he or his

260
00:11:45,410 --> 00:11:41,279
friend were able to discern any fine

261
00:11:48,350 --> 00:11:45,420
details about the creature's appearance

262
00:11:51,530 --> 00:11:48,360
I think Ark jumped out of the cornfield

263
00:11:54,829 --> 00:11:51,540

but never landed said dot it zigzagged

264

00:11:57,769 --> 00:11:54,839

back and forth like a bat

265

00:11:59,630 --> 00:11:57,779

there uh there were no glowing red eyes

266

00:12:02,269 --> 00:11:59,640

he continued it was just totally black

267

00:12:05,090 --> 00:12:02,279

it was the big thing with big wings

268

00:12:06,949 --> 00:12:05,100

it all happened so fast he couldn't we

269

00:12:08,930 --> 00:12:06,959

couldn't get details

270

00:12:11,210 --> 00:12:08,940

and he was able to recall that the wing

271

00:12:12,949 --> 00:12:11,220

being definitely had four appendages in

272

00:12:14,870 --> 00:12:12,959

addition to its wings

273

00:12:16,970 --> 00:12:14,880

although he's not certain if there were

274

00:12:18,829 --> 00:12:16,980

two arms and two legs or all four

275

00:12:21,889 --> 00:12:18,839

appendages per legs

276

00:12:23,930 --> 00:12:21,899

now Dalton noted too that the fury and

277

00:12:25,730 --> 00:12:23,940

his friend felt seemed like a natural

278

00:12:28,550 --> 00:12:25,740

reaction to the situation rather than

279

00:12:30,949 --> 00:12:28,560

any Supernatural effect created by the

280

00:12:32,769 --> 00:12:30,959

creature now this sighting

281

00:12:35,329 --> 00:12:32,779

occurred approximately 60 miles

282

00:12:37,670 --> 00:12:35,339

Northwest of Chicago and about 100 miles

283

00:12:40,250 --> 00:12:37,680

west of Lake Michigan

284

00:12:44,030 --> 00:12:40,260

it predates any of the earliest Chicago

285

00:12:45,410 --> 00:12:44,040

area sightings reported so far by by

286

00:12:48,470 --> 00:12:45,420

year

287

00:12:50,389 --> 00:12:48,480

again this was in 2010 but as the story

288

00:12:54,050 --> 00:12:50,399

continues to run older sightings

289

00:12:56,750 --> 00:12:54,060

beginning to report it be reported and

290

00:13:01,610 --> 00:12:59,110

and evidence of the next report

291

00:13:03,290 --> 00:13:01,620

we this was just the first one coming

292

00:13:05,569 --> 00:13:03,300

out of Rockford

293

00:13:08,210 --> 00:13:05,579

and uh you know I'm gonna I'm going to

294

00:13:10,810 --> 00:13:08,220

describe the Rockford sightings

295

00:13:13,730 --> 00:13:10,820

but then later on

296

00:13:15,889 --> 00:13:13,740

uh I not today not not in this

297

00:13:17,449 --> 00:13:15,899

presentation but in a a later

298

00:13:19,490 --> 00:13:17,459

presentation we're going to talk about

299

00:13:23,090 --> 00:13:19,500

another setting in Rockford

300

00:13:26,329 --> 00:13:23,100

that was a little more strange so uh but

301

00:13:30,050 --> 00:13:26,339

this is just the the earlier sightings

302

00:13:32,810 --> 00:13:30,060

now this other report came in to me

303

00:13:34,730 --> 00:13:32,820

uh a little more than a year later in

304

00:13:37,870 --> 00:13:34,740

October two thousand

305

00:13:41,449 --> 00:13:37,880

2018 I received a very similar report

306

00:13:44,030 --> 00:13:41,459

from the same region

307

00:13:46,850 --> 00:13:44,040

I just remember what I stated in in the

308

00:13:51,230 --> 00:13:48,650

I just found out about the flying

309

00:13:53,389 --> 00:13:51,240

humanoid sightings around Chicago in

310

00:13:55,129 --> 00:13:53,399

fact I'm going to get the book and see

311

00:13:58,910 --> 00:13:55,139

if there's anything related to what I

312

00:14:01,370 --> 00:13:58,920

encountered in the summer of 2010.

313

00:14:02,990 --> 00:14:01,380

this took place in Northern Illinois not

314

00:14:05,030 --> 00:14:03,000

far from Rockford

315

00:14:07,790 --> 00:14:05,040

our friend and I were just riding around

316

00:14:09,350 --> 00:14:07,800

my car as the day continued we decided

317

00:14:10,310 --> 00:14:09,360

to head out towards the county back

318

00:14:13,190 --> 00:14:10,320

roads

319

00:14:16,310 --> 00:14:13,200

we were both 17 and this was the summer

320

00:14:18,110 --> 00:14:16,320

before our senior year in high school

321

00:14:21,290 --> 00:14:18,120

now we had been riding around for

322

00:14:23,030 --> 00:14:21,300

several hours a night and around 10 pm

323

00:14:25,550 --> 00:14:23,040

we were on a gravel road I wasn't

324

00:14:28,009 --> 00:14:25,560

familiar with it was a location that had

325

00:14:30,470 --> 00:14:28,019

lots of Farmland all around and a few

326

00:14:32,509 --> 00:14:30,480

houses here and there now we were

327

00:14:34,850 --> 00:14:32,519

talking while I'm speeding along the

328

00:14:36,949 --> 00:14:34,860

gravel road there was no drinking or

329

00:14:39,050 --> 00:14:36,959

drugs involved the corn on both sides of

330

00:14:41,870 --> 00:14:39,060

the road was high

331

00:14:44,030 --> 00:14:41,880

I looked around I looked ahead excuse me

332

00:14:46,069 --> 00:14:44,040

and noticed that the road was about to

333

00:14:48,350 --> 00:14:46,079

dip so I slowed back

334

00:14:50,329 --> 00:14:48,360

as I approached the dip

335

00:14:52,670 --> 00:14:50,339

I could see the corn shaking on the

336

00:14:55,189 --> 00:14:52,680

right of me as the headlight hit it

337

00:14:57,230 --> 00:14:55,199

we both stopped talking as we watched

338

00:15:00,290 --> 00:14:57,240

the corn I thought it was probably deer

339

00:15:02,569 --> 00:15:00,300

about the Sprint out onto the road so I

340

00:15:04,970 --> 00:15:02,579

slowed down to a crawl the corn was now

341

00:15:06,710 --> 00:15:04,980

shaking violently we're staring at the

342

00:15:09,530 --> 00:15:06,720

corner waiting for the deer to jump out

343

00:15:12,710 --> 00:15:09,540

and all of a sudden the corn literally

344

00:15:15,350 --> 00:15:12,720

Parts open just to the right of us this

345

00:15:17,090 --> 00:15:15,360

thing steps out it was the size of a

346

00:15:19,129 --> 00:15:17,100

large man and all black

347

00:15:21,949 --> 00:15:19,139

as it walked out of the corner it was

348

00:15:24,769 --> 00:15:21,959

well eliminated by my headlights it

349

00:15:27,949 --> 00:15:24,779

leaped and opened these huge sets of set

350

00:15:30,110 --> 00:15:27,959

of wings and instantly went airborne

351

00:15:31,910 --> 00:15:30,120

it quickly flew right in front of my car

352

00:15:33,710 --> 00:15:31,920

and swooped up into the air as it

353

00:15:35,569 --> 00:15:33,720

reached the other side of the road I

354

00:15:36,949 --> 00:15:35,579

swear the first thing that came to my

355

00:15:39,769 --> 00:15:36,959

mind was

356

00:15:41,269 --> 00:15:39,779

the Creeper's Jeepers monster or Jeepers

357

00:15:43,910 --> 00:15:41,279

Creepers monster

358

00:15:46,310 --> 00:15:43,920

well I I didn't see any facial features

359

00:15:48,530 --> 00:15:46,320

but the wings were very wide it looked

360

00:15:50,329 --> 00:15:48,540

like that of a giant bat

361

00:15:52,189 --> 00:15:50,339

flooded the gas pedal my friend was

362

00:15:53,870 --> 00:15:52,199

yelling to get out of there I drove as

363

00:15:56,870 --> 00:15:53,880

fast as I could trying to maintain

364

00:15:59,030 --> 00:15:56,880

control on the gravel surface

365

00:16:01,009 --> 00:15:59,040

we drew for a good five minutes before

366

00:16:02,629 --> 00:16:01,019

saying a word now the whole time we're

367

00:16:04,310 --> 00:16:02,639

looking around is hoping this thing

368

00:16:06,530 --> 00:16:04,320

wasn't chasing us

369

00:16:08,629 --> 00:16:06,540

we began to calm down and soon ended up

370

00:16:11,030 --> 00:16:08,639

on a road I knew

371

00:16:12,949 --> 00:16:11,040

now as I thought about it that thing

372

00:16:14,629 --> 00:16:12,959

looked like it was covered in shiny

373

00:16:17,509 --> 00:16:14,639

black tar

374

00:16:19,970 --> 00:16:17,519

it had a weird Sheen to it the fact that

375

00:16:22,670 --> 00:16:19,980

it accelerated into into flight so

376

00:16:24,410 --> 00:16:22,680

quickly had me stumped my friend and I

377

00:16:26,870 --> 00:16:24,420

talked about it through our entire

378

00:16:29,629 --> 00:16:26,880

senior year and never had to have never

379

00:16:32,750 --> 00:16:29,639

did have a clue as to what it was we've

380

00:16:35,870 --> 00:16:32,760

referred to it the flying tar man

381

00:16:38,269 --> 00:16:35,880

now we didn't dare tell anyone else at

382

00:16:40,249 --> 00:16:38,279

school I recently told my wife about it

383

00:16:41,930 --> 00:16:40,259

but she's a skeptic and doesn't believe

384

00:16:44,030 --> 00:16:41,940

in the Supernatural

385

00:16:46,069 --> 00:16:44,040

anyway after I heard about the sightings

386

00:16:47,689 --> 00:16:46,079

around Chicago I figured I'd track you

387

00:16:50,749 --> 00:16:47,699

down right about it I live in Texas

388

00:16:54,710 --> 00:16:50,759

currently and thanks for reading the

389

00:16:57,350 --> 00:16:54,720

guy's name was Kirk or Kurt and I called

390

00:16:58,850 --> 00:16:57,360

Kurt the same day contacted me to

391

00:17:01,430 --> 00:16:58,860

discuss the incident

392

00:17:04,069 --> 00:17:01,440

first I wanted to I was trying to figure

393

00:17:06,470 --> 00:17:04,079

out this guy wasn't copying the sighting

394

00:17:09,230 --> 00:17:06,480

from a year previous because it was

395

00:17:12,049 --> 00:17:09,240

really close in description

396

00:17:14,449 --> 00:17:12,059

now this now this sighting ain't

397

00:17:17,210 --> 00:17:14,459

happened in uh Winnebago County north of

398

00:17:20,569 --> 00:17:17,220

Rockford Illinois on a Gravel Road off

399

00:17:22,850 --> 00:17:20,579

of Route 70. he said he believes it was

400

00:17:25,010 --> 00:17:22,860

somewhere near wimple town

401
00:17:27,650 --> 00:17:25,020
he told me that the height was about six

402
00:17:29,810 --> 00:17:27,660
foot and the body was very thin he

403
00:17:30,830 --> 00:17:29,820
estimated that the wingspan was about 15

404
00:17:33,409 --> 00:17:30,840
foot

405
00:17:35,690 --> 00:17:33,419
he also said it definitely an arms legs

406
00:17:38,390 --> 00:17:35,700
the Jeepers Creepers reference was also

407
00:17:40,549 --> 00:17:38,400
used by several witnesses from the

408
00:17:43,909 --> 00:17:40,559
Chicago area as well now this is Roy

409
00:17:47,270 --> 00:17:43,919
strange because when I sent this off to

410
00:17:49,310 --> 00:17:47,280
um when I got it and I sent it off I

411
00:17:51,289 --> 00:17:49,320
think I either posted it first I sent it

412
00:17:53,810 --> 00:17:51,299
to to buys

413
00:17:55,669 --> 00:17:53,820

but then Tobias brought up the the

414

00:17:57,950 --> 00:17:55,679

previous siding a year pre you know

415

00:18:00,950 --> 00:17:57,960

before that in Rockford or near Rockford

416

00:18:04,190 --> 00:18:00,960

and I had completely forgotten about

417

00:18:06,830 --> 00:18:04,200

so uh yeah I mean was this the same

418

00:18:07,909 --> 00:18:06,840

thing I I don't know very well could

419

00:18:11,029 --> 00:18:07,919

have been

420

00:18:12,650 --> 00:18:11,039

I l'ma I didn't get a a

421

00:18:16,370 --> 00:18:12,660

um an actual date when this happened

422

00:18:18,650 --> 00:18:16,380

from Kurt but you know from when we were

423

00:18:20,990 --> 00:18:18,660

talking about it later

424

00:18:24,529 --> 00:18:21,000

it did seem it was around the same time

425

00:18:27,169 --> 00:18:24,539

period the first was in 2010

426

00:18:28,789 --> 00:18:27,179

I believe this was either 2010 and

427

00:18:32,150 --> 00:18:28,799

2012.

428

00:18:35,029 --> 00:18:32,160

but anyway it's just a very

429

00:18:37,549 --> 00:18:35,039

very interesting set of events it's

430

00:18:39,110 --> 00:18:37,559

almost like it was a doppelganger or

431

00:18:40,970 --> 00:18:39,120

maybe there are a bunch of those things

432

00:18:43,010 --> 00:18:40,980

flying around that that people were

433

00:18:45,230 --> 00:18:43,020

referred to as looking like something

434

00:18:47,210 --> 00:18:45,240

with tar on it but it's really strange

435

00:18:49,970 --> 00:18:47,220

but you know that's not the only setting

436

00:18:52,310 --> 00:18:49,980

we got in that Rockford area

437

00:18:58,669 --> 00:18:54,650

this was received just a little bit

438

00:19:01,130 --> 00:18:58,679

later November 23rd 2018.

439

00:19:04,070 --> 00:19:01,140

and they write hello I recently learned

440

00:19:06,470 --> 00:19:04,080

the Chicago humanoid sightings and then

441

00:19:09,049 --> 00:19:06,480

about the Black Wing humanoid sighting

442

00:19:11,150 --> 00:19:09,059

near Rockford Illinois

443

00:19:13,490 --> 00:19:11,160

this is shocking to me because I live in

444

00:19:16,130 --> 00:19:13,500

Winnebago County in a city Loves Park

445

00:19:18,890 --> 00:19:16,140

that borders Rockford and is 60 miles

446

00:19:21,289 --> 00:19:18,900

from Chicago and I have seen a similar

447

00:19:23,210 --> 00:19:21,299

Black Wing

448

00:19:25,490 --> 00:19:23,220

I was standing on the deck of my

449

00:19:28,610 --> 00:19:25,500

backyard late one summer evening it was

450

00:19:32,029 --> 00:19:28,620

August of 2004. now this is six years

451
00:19:33,830 --> 00:19:32,039
previous to the first sighting we got so

452
00:19:35,450 --> 00:19:33,840
this was you know we're talking about a

453
00:19:39,110 --> 00:19:35,460
range these first three sightings of

454
00:19:41,270 --> 00:19:39,120
maybe 10 to 12 years maybe not none not

455
00:19:43,310 --> 00:19:41,280
that much eight to ten years

456
00:19:46,010 --> 00:19:43,320
now it was August of 2004 I was

457
00:19:49,250 --> 00:19:46,020
stargazing as I often do when I was

458
00:19:50,810 --> 00:19:49,260
startled by a sudden furious barking of

459
00:19:52,850 --> 00:19:50,820
the neighbor's dog

460
00:19:55,310 --> 00:19:52,860
as I turned and looked towards the

461
00:19:57,529 --> 00:19:55,320
direction of The Barking was at that

462
00:19:59,029 --> 00:19:57,539
moment I saw an all black seven foot

463
00:20:01,549 --> 00:19:59,039

length man

464

00:20:05,570 --> 00:20:01,559

with huge bat-like wings flying across

465

00:20:07,970 --> 00:20:05,580

the park that borders along my backyard

466

00:20:10,070 --> 00:20:07,980

it then descended to approximately five

467

00:20:13,310 --> 00:20:10,080

to six feet above the ground

468

00:20:16,909 --> 00:20:13,320

it pulled or folded its wings in

469

00:20:19,610 --> 00:20:16,919

slightly and then glided along the paved

470

00:20:22,070 --> 00:20:19,620

path that runs through the park

471

00:20:24,650 --> 00:20:22,080

now continue gliding through an easement

472

00:20:25,490 --> 00:20:24,660

between two houses disappearing from my

473

00:20:27,830 --> 00:20:25,500

site

474

00:20:30,650 --> 00:20:27,840

now stunned by what I had just seen I

475

00:20:32,270 --> 00:20:30,660

quickly ran in through the back door and

476
00:20:34,370 --> 00:20:32,280
out the front stepping out into the

477
00:20:36,350 --> 00:20:34,380
front porch and that is when I heard a

478
00:20:38,810 --> 00:20:36,360
loud screeching sound

479
00:20:41,510 --> 00:20:38,820
the sound was so loud and it was coming

480
00:20:43,730 --> 00:20:41,520
from the victories lined across the

481
00:20:45,770 --> 00:20:43,740
street from my from the park on yet

482
00:20:47,750 --> 00:20:45,780
another easement

483
00:20:49,549 --> 00:20:47,760
now I quickly stepped back into the

484
00:20:51,590 --> 00:20:49,559
house shut and locked the door and woke

485
00:20:53,810 --> 00:20:51,600
my sleeping husband

486
00:20:55,610 --> 00:20:53,820
I asked him to come listen to what I was

487
00:20:58,549 --> 00:20:55,620
hearing I told him what had happened and

488
00:21:00,950 --> 00:20:58,559

what I saw on a way towards the living

489

00:21:03,230 --> 00:21:00,960

room window as a tree line could be seen

490

00:21:05,210 --> 00:21:03,240

from there the screeching continued

491

00:21:08,450 --> 00:21:05,220

sporadically for about approximately

492

00:21:10,970 --> 00:21:08,460

five minutes and then it went silent

493

00:21:13,370 --> 00:21:10,980

now the afternoon of the following day

494

00:21:16,010 --> 00:21:13,380

after the incident as I was walking to

495

00:21:18,590 --> 00:21:16,020

the mailbox the elderly neighbor who

496

00:21:21,590 --> 00:21:18,600

resided in the house at the tree line

497

00:21:23,930 --> 00:21:21,600

easement borders the backyard he out

498

00:21:25,370 --> 00:21:23,940

across the street asked me if I had a

499

00:21:28,190 --> 00:21:25,380

minute to take a look at something

500

00:21:30,230 --> 00:21:28,200

strange in his backyard

501
00:21:34,130 --> 00:21:30,240
but the neighbor showed me was a change

502
00:21:38,090 --> 00:21:34,140
like chain link fax fence posts that had

503
00:21:41,210 --> 00:21:38,100
been bent down at a 45 degree angle

504
00:21:43,310 --> 00:21:41,220
it was only and all the ones click it

505
00:21:46,010 --> 00:21:43,320
was only in all the ones closest to the

506
00:21:47,990 --> 00:21:46,020
tree line he was perplexed as to what

507
00:21:48,890 --> 00:21:48,000
could have possibly caused this to

508
00:21:51,830 --> 00:21:48,900
happen

509
00:21:54,950 --> 00:21:51,840
I attempted to explain to him what it

510
00:21:57,770 --> 00:21:54,960
was I saw and heard the night before

511
00:21:59,990 --> 00:21:57,780
just as I went into detail that I saw

512
00:22:03,289 --> 00:22:00,000
something very large and strange flying

513
00:22:07,010 --> 00:22:03,299

I got a raised eyebrow with a look of

514

00:22:10,130 --> 00:22:07,020

are you crazy and was told that what I

515

00:22:12,230 --> 00:22:10,140

saw was a heron and that no bird could

516

00:22:14,690 --> 00:22:12,240

have bent the post like that so I

517

00:22:17,810 --> 00:22:14,700

quickly dropped the subject as I went

518

00:22:22,250 --> 00:22:19,610

um

519

00:22:24,409 --> 00:22:22,260

now as a walk back another neighbor two

520

00:22:27,710 --> 00:22:24,419

houses away yelled hey did you hear all

521

00:22:30,830 --> 00:22:27,720

those loud weird noises last night

522

00:22:32,990 --> 00:22:30,840

it woke me up I thought the rainforest

523

00:22:35,450 --> 00:22:33,000

of something moved in overnight

524

00:22:37,310 --> 00:22:35,460

to which I replied yes I heard and I had

525

00:22:38,930 --> 00:22:37,320

no clue what it was

526

00:22:41,510 --> 00:22:38,940

now

527

00:22:43,070 --> 00:22:41,520

I researched for a few months after my

528

00:22:45,710 --> 00:22:43,080

encounter and found out quite a bit

529

00:22:47,750 --> 00:22:45,720

about Mothman studies however nothing

530

00:22:51,409 --> 00:22:47,760

out there matched what I saw that night

531

00:22:54,230 --> 00:22:51,419

so as time went by it become all but a

532

00:22:58,130 --> 00:22:54,240

faded memory over the years until now

533

00:23:00,110 --> 00:22:58,140

now EJ was the um was the witness and

534

00:23:02,029 --> 00:23:00,120

this now this is the third account that

535

00:23:04,310 --> 00:23:02,039

we received from Winnebago County

536

00:23:07,870 --> 00:23:04,320

Illinois near Rockford and

537

00:23:12,230 --> 00:23:07,880

the incidents occurred between 2004 and

538

00:23:14,149 --> 00:23:12,240

2010 maybe 2012 but all closely parallel

539

00:23:17,210 --> 00:23:14,159

the more recent sightings in the Chicago

540

00:23:19,190 --> 00:23:17,220

Mentor area and Southern Wisconsin

541

00:23:22,190 --> 00:23:19,200

so

542

00:23:27,770 --> 00:23:26,149

just a few days later in November 2018 I

543

00:23:29,270 --> 00:23:27,780

received another report from Rockford

544

00:23:31,070 --> 00:23:29,280

Illinois

545

00:23:33,549 --> 00:23:31,080

this was the fourth sighting in the area

546

00:23:36,730 --> 00:23:33,559

within and around the city this specific

547

00:23:39,289 --> 00:23:36,740

incident occurred in the late summer

548

00:23:41,330 --> 00:23:39,299

2017 so it was closer you know it was

549

00:23:43,450 --> 00:23:41,340

only a year away from

550

00:23:46,130 --> 00:23:43,460

uh the other you know this sighting

551
00:23:47,690 --> 00:23:46,140
around the same time the Chicago reports

552
00:23:50,510 --> 00:23:47,700
were coming forward

553
00:23:53,450 --> 00:23:50,520
now the the eyewitness KJ

554
00:23:55,549 --> 00:23:53,460
stage it was approximately 6 A.M

555
00:23:57,230 --> 00:23:55,559
and that she was on the outside porch

556
00:24:00,590 --> 00:23:57,240
now all of a sudden she observed a

557
00:24:02,750 --> 00:24:00,600
human-like being walking in yard of her

558
00:24:05,810 --> 00:24:02,760
house on the corner of Bruce Street and

559
00:24:08,750 --> 00:24:05,820
Woodlawn Avenue in Rockford Illinois

560
00:24:10,970 --> 00:24:08,760
which was about a block away the being

561
00:24:13,730 --> 00:24:10,980
suddenly produced a large set of wings

562
00:24:15,470 --> 00:24:13,740
and took flight Gliding Over the back

563
00:24:17,690 --> 00:24:15,480

gate of the property

564

00:24:20,270 --> 00:24:17,700

it then disappeared into the trees and

565

00:24:22,070 --> 00:24:20,280

foliage on the next block

566

00:24:25,730 --> 00:24:22,080

there was enough Morning Light available

567

00:24:30,049 --> 00:24:27,529

now she had trouble comprehensive

568

00:24:31,549 --> 00:24:30,059

comprehending what she had seen and

569

00:24:33,470 --> 00:24:31,559

immediately went back into the house to

570

00:24:36,649 --> 00:24:33,480

tell her boyfriend and his mother what

571

00:24:39,770 --> 00:24:36,659

she had seen she described the being as

572

00:24:42,230 --> 00:24:39,780

tall and dark almost black a wingspan

573

00:24:44,210 --> 00:24:42,240

was very Broad

574

00:24:46,250 --> 00:24:44,220

I was able to briefly talk to the

575

00:24:48,529 --> 00:24:46,260

witness about the incident she was

576

00:24:50,270 --> 00:24:48,539

apprehensive on coming forward

577

00:24:52,970 --> 00:24:50,280

until she was told about the other

578

00:24:53,630 --> 00:24:52,980

reports in the Rockford area by a you

579

00:24:59,270 --> 00:24:53,640

know

580

00:25:00,529 --> 00:24:59,280

of the Chicago Science whatsoever

581

00:25:02,630 --> 00:25:00,539

so

582

00:25:05,029 --> 00:25:02,640

with that being said

583

00:25:08,810 --> 00:25:05,039

and now these Rockford sightings getting

584

00:25:11,810 --> 00:25:08,820

out on my blog and out into the Press

585

00:25:15,230 --> 00:25:11,820

we got another sighting report from

586

00:25:19,430 --> 00:25:17,330

and it was just actually it was just the

587

00:25:20,690 --> 00:25:19,440

next day after I had posted that last

588

00:25:23,029 --> 00:25:20,700

report

589

00:25:25,010 --> 00:25:23,039

because I received a telephone call from

590

00:25:27,950 --> 00:25:25,020

an elderly woman

591

00:25:31,549 --> 00:25:27,960

who I'll refer to as SS

592

00:25:35,149 --> 00:25:31,559

in Rockford Illinois who witnessed a

593

00:25:37,010 --> 00:25:35,159

winged humanoid in 1999.

594

00:25:38,690 --> 00:25:37,020

along with her husband and a close

595

00:25:41,330 --> 00:25:38,700

friend

596

00:25:43,490 --> 00:25:41,340

so now we're talking almost

597

00:25:45,409 --> 00:25:43,500

almost 20 years

598

00:25:47,690 --> 00:25:45,419

anyway the incident occurred during the

599

00:25:49,070 --> 00:25:47,700

summer in the early evening when there

600

00:25:51,529 --> 00:25:49,080

was a full moon

601
00:25:53,570 --> 00:25:51,539
the trio was relaxing on the friend's

602
00:25:54,649 --> 00:25:53,580
front porch which was located on Willard

603
00:25:57,529 --> 00:25:54,659
Avenue

604
00:26:01,250 --> 00:25:57,539
uh West near Auburn High School and

605
00:26:04,190 --> 00:26:01,260
Cottonwood airport in Rockford Illinois

606
00:26:07,130 --> 00:26:04,200
during a conversation

607
00:26:09,289 --> 00:26:07,140
the friends stopped talking and began to

608
00:26:14,810 --> 00:26:09,299
stare across the street

609
00:26:14,820 --> 00:26:19,789
okay I just got lost there

610
00:26:25,730 --> 00:26:22,909
okay the witness okay the friends uh

611
00:26:27,710 --> 00:26:25,740
here we go SS stated again that it

612
00:26:30,169 --> 00:26:27,720
seemed like a being was in slow motion

613
00:26:33,110 --> 00:26:30,179

as it glided through the trees

614

00:26:35,029 --> 00:26:33,120

the friend said do you see that

615

00:26:37,789 --> 00:26:35,039

the Witnesses were close enough to

616

00:26:40,430 --> 00:26:37,799

notice that it had small cat-like ears

617

00:26:42,230 --> 00:26:40,440

and intense red eyes

618

00:26:44,690 --> 00:26:42,240

there were no other facial features

619

00:26:47,510 --> 00:26:44,700

visible it was quite muscular throughout

620

00:26:51,110 --> 00:26:47,520

the body and had two defined legs and

621

00:26:54,350 --> 00:26:51,120

had arms that attached to the wings

622

00:26:56,149 --> 00:26:54,360

now she stated at the Wayne humanoid was

623

00:26:59,210 --> 00:26:56,159

seven foot in length with a wide

624

00:27:01,130 --> 00:26:59,220

wingspan the wings were like those of a

625

00:27:03,289 --> 00:27:01,140

bat with a leather-like membrane

626
00:27:05,450 --> 00:27:03,299
apparently the being perched in the tree

627
00:27:08,390 --> 00:27:05,460
but again took flight

628
00:27:11,450 --> 00:27:08,400
this is when SS's husband took notice

629
00:27:13,850 --> 00:27:11,460
the wing beam was gliding toward a pair

630
00:27:16,669 --> 00:27:13,860
of large pine trees and its legs were

631
00:27:17,630 --> 00:27:16,679
kicking up and down while I was in

632
00:27:20,810 --> 00:27:17,640
flight

633
00:27:24,409 --> 00:27:20,820
the being flew between two pine trees

634
00:27:27,649 --> 00:27:24,419
and then suddenly vanished

635
00:27:31,250 --> 00:27:27,659
now SS said gargoyle and her friend

636
00:27:33,830 --> 00:27:31,260
acknowledged yes a gargoyle now after

637
00:27:36,169 --> 00:27:33,840
the incidents stated that they seemed to

638
00:27:38,029 --> 00:27:36,179

have forgotten the encounter until a

639

00:27:40,370 --> 00:27:38,039

year later when she asked her friend if

640

00:27:43,070 --> 00:27:40,380

she remembered the sighting her friend

641

00:27:44,090 --> 00:27:43,080

said she had but she had also forgotten

642

00:27:46,130 --> 00:27:44,100

the incident

643

00:27:49,190 --> 00:27:46,140

so you know this is something strange

644

00:27:51,350 --> 00:27:49,200

too and I don't know if that's ever come

645

00:27:52,970 --> 00:27:51,360

up with any other sighting where the

646

00:27:56,149 --> 00:27:52,980

witnesses would suddenly forget and

647

00:27:58,310 --> 00:27:56,159

recall it later but anyway now SS's son

648

00:28:01,070 --> 00:27:58,320

told her about the recent reports and

649

00:28:03,110 --> 00:28:01,080

suggested that she comment

650

00:28:05,750 --> 00:28:03,120

he was also aware of the wing humanoid

651

00:28:09,289 --> 00:28:05,760

sightings in the Chicago area

652

00:28:12,710 --> 00:28:10,850

now you can go ahead and start putting

653

00:28:14,990 --> 00:28:12,720

up your questions too this is the last

654

00:28:17,090 --> 00:28:15,000

account I'm having tonight but anyway

655

00:28:19,370 --> 00:28:17,100

this was the second so anyway winged

656

00:28:20,269 --> 00:28:19,380

humanoid in which it suddenly vanished

657

00:28:22,310 --> 00:28:20,279

now

658

00:28:25,070 --> 00:28:22,320

the other sighting was in Chicago a few

659

00:28:27,890 --> 00:28:25,080

blocks from Wrigley Field

660

00:28:30,409 --> 00:28:27,900

this is also the first sighting of uh

661

00:28:33,110 --> 00:28:30,419

something in the Rockford area

662

00:28:35,029 --> 00:28:33,120

so um

663

00:28:36,769 --> 00:28:35,039

the local fans might support the

664

00:28:39,490 --> 00:28:36,779

research teams will follow up with this

665

00:28:42,769 --> 00:28:39,500

witness and and Tobias did

666

00:29:03,529 --> 00:28:42,779

uh so

667

00:29:21,649 --> 00:29:05,029

I can't believe we don't have any

668

00:29:25,250 --> 00:29:23,210

okay

669

00:29:28,730 --> 00:29:25,260

Tina Johnson

670

00:29:34,310 --> 00:29:28,740

have they tried to harm

671

00:29:38,330 --> 00:29:37,190

well there wasn't a and I've talked

672

00:29:40,789 --> 00:29:38,340

about this

673

00:29:41,930 --> 00:29:40,799

uh when all this started back you know

674

00:29:44,750 --> 00:29:41,940

well

675

00:29:48,350 --> 00:29:44,760

when we started getting the large number

676
00:29:52,370 --> 00:29:48,360
of reports in 2017

677
00:29:54,289 --> 00:29:52,380
we um I did start I did get older

678
00:29:55,909 --> 00:29:54,299
reports like many of these were order

679
00:29:58,549 --> 00:29:55,919
reports

680
00:30:00,409 --> 00:29:58,559
but um

681
00:30:03,289 --> 00:30:00,419
according to

682
00:30:06,710 --> 00:30:03,299
an individual who was a friend of a

683
00:30:09,590 --> 00:30:06,720
friend back in 2015

684
00:30:13,490 --> 00:30:09,600
there was this couple who were Navajo

685
00:30:16,610 --> 00:30:13,500
inheritance had moved to Chicago

686
00:30:19,070 --> 00:30:16,620
and they had one day they were driving

687
00:30:21,350 --> 00:30:19,080
around and they had this thing following

688
00:30:23,570 --> 00:30:21,360

them and that this this Wing being

689

00:30:25,610 --> 00:30:23,580

literally attacked the car and

690

00:30:27,409 --> 00:30:25,620

eventually got its claws inside the

691

00:30:29,029 --> 00:30:27,419

passenger window and it tried to attack

692

00:30:32,210 --> 00:30:29,039

the woman

693

00:30:33,769 --> 00:30:32,220

now they took off and tried to beat this

694

00:30:35,090 --> 00:30:33,779

thing to get home so they could beat

695

00:30:37,549 --> 00:30:35,100

this thing they were hoping it wouldn't

696

00:30:40,730 --> 00:30:37,559

follow them but unfortunately when they

697

00:30:43,070 --> 00:30:40,740

did get home she got out of the car

698

00:30:45,470 --> 00:30:43,080

is this thing jumped on her back it

699

00:30:47,510 --> 00:30:45,480

swooped down and jumped on her back and

700

00:30:49,909 --> 00:30:47,520

according to the witness who contacted

701
00:30:51,830 --> 00:30:49,919
me he was told about this by this

702
00:30:56,389 --> 00:30:51,840
couple's son

703
00:30:58,669 --> 00:30:56,399
and uh she had a fairly large laceration

704
00:31:00,830 --> 00:30:58,679
on her back shoulder

705
00:31:03,049 --> 00:31:00,840
I don't know which side it was but it

706
00:31:05,389 --> 00:31:03,059
required stitches

707
00:31:07,130 --> 00:31:05,399
I don't know you know I don't know how

708
00:31:09,230 --> 00:31:07,140
the doctors interpreted that I don't

709
00:31:12,289 --> 00:31:09,240
even know if they told the doctors

710
00:31:14,570 --> 00:31:12,299
but uh it's quite interesting so um that

711
00:31:17,510 --> 00:31:14,580
was probably the only time that I know

712
00:31:21,230 --> 00:31:17,520
of or somebody inferred that there was

713
00:31:22,250 --> 00:31:21,240

there was actual uh physical harm to a

714

00:31:24,950 --> 00:31:22,260

human

715

00:31:27,830 --> 00:31:24,960

some people have interpreted maybe some

716

00:31:29,750 --> 00:31:27,840

uh bluffing or charging as being

717

00:31:32,149 --> 00:31:29,760

aggressive but it just hasn't really

718

00:31:35,630 --> 00:31:32,159

panned out to where anybody else has

719

00:31:41,510 --> 00:31:38,029

so mortal clown does anyone feel they're

720

00:31:44,930 --> 00:31:41,520

getting messages from Mothman

721

00:31:48,649 --> 00:31:44,940

well as as you know we had you know we

722

00:31:50,330 --> 00:31:48,659

had this possibility of um some type of

723

00:31:52,750 --> 00:31:50,340

connection

724

00:31:56,269 --> 00:31:52,760

with this being

725

00:31:58,370 --> 00:31:56,279

uh about a year and a half ago

726

00:32:01,610 --> 00:31:58,380

and it was kind of concentrated in in

727

00:32:03,409 --> 00:32:01,620

the cemetery at the airport

728

00:32:05,450 --> 00:32:03,419

uh

729

00:32:07,610 --> 00:32:05,460

that's still there's still a lot of

730

00:32:11,210 --> 00:32:07,620

questions about that

731

00:32:17,269 --> 00:32:13,970

we really haven't gone beyond just the

732

00:32:19,570 --> 00:32:17,279

initial contact

733

00:32:22,610 --> 00:32:19,580

but uh as far as just getting messages

734

00:32:25,690 --> 00:32:22,620

yeah we have had messages

735

00:32:30,169 --> 00:32:28,669

in fact two of the individuals on the

736

00:32:32,930 --> 00:32:30,179

team right now who are still with the

737

00:32:35,930 --> 00:32:32,940

team did get messages

738

00:32:38,389 --> 00:32:35,940

but I I'm just I'm not getting into that

739

00:32:41,450 --> 00:32:38,399

at this point that I may get into that

740

00:32:42,470 --> 00:32:41,460

as we go further room down the road

741

00:32:46,190 --> 00:32:42,480

um

742

00:32:48,470 --> 00:32:46,200

and I I will say this now

743

00:32:49,610 --> 00:32:48,480

I might be jump the gun but no this is

744

00:32:54,169 --> 00:32:49,620

going to happen

745

00:32:56,930 --> 00:32:54,179

uh Tobias Manuel and I

746

00:32:58,669 --> 00:32:56,940

are going to be meeting in Chicago in

747

00:33:01,250 --> 00:32:58,679

about a month

748

00:33:03,710 --> 00:33:01,260

because we're filming an episode for

749

00:33:05,870 --> 00:33:03,720

Unsolved Mysteries on Netflix

750

00:33:07,310 --> 00:33:05,880

and it's all about Chicago Mothman

751

00:33:10,789 --> 00:33:07,320

phenomena

752

00:33:15,169 --> 00:33:12,529

maybe we're going to be able to cover

753

00:33:17,210 --> 00:33:15,179

some of that as we get into there but as

754

00:33:20,389 --> 00:33:17,220

we go further you know I go further with

755

00:33:22,250 --> 00:33:20,399

this series and I do have Tobias and and

756

00:33:24,289 --> 00:33:22,260

the Manuel coming on

757

00:33:26,450 --> 00:33:24,299

the show in about three weeks we're

758

00:33:28,970 --> 00:33:26,460

gonna do a Wednesday night show

759

00:33:30,769 --> 00:33:28,980

uh we'll talk about that a bit more so

760

00:33:33,110 --> 00:33:30,779

you know look for that

761

00:33:37,430 --> 00:33:33,120

now before we start that'll be before we

762

00:33:45,250 --> 00:33:40,690

Tina asked are any apparent

763

00:33:50,750 --> 00:33:48,409

it's not apparent

764

00:33:54,350 --> 00:33:50,760

but from our understanding

765

00:33:57,049 --> 00:33:54,360

through the initial communication

766

00:34:00,710 --> 00:33:57,059

that the beings that are being seen are

767

00:34:02,630 --> 00:34:00,720

juveniles of their species now there

768

00:34:04,909 --> 00:34:02,640

there are a lot of different

769

00:34:08,149 --> 00:34:04,919

these Wing humanoids are there seem to

770

00:34:12,470 --> 00:34:08,159

be some differences in a lot of them

771

00:34:14,329 --> 00:34:12,480

um but it has been told to us

772

00:34:16,010 --> 00:34:14,339

that these are juveniles of their

773

00:34:17,510 --> 00:34:16,020

species it's almost like a rite of

774

00:34:18,349 --> 00:34:17,520

passage thing they've got to come into

775

00:34:20,030 --> 00:34:18,359

our

776
00:34:21,829 --> 00:34:20,040
yeah I mean this is what I'm assuming

777
00:34:23,930 --> 00:34:21,839
they got to come into our Earth plane

778
00:34:25,730 --> 00:34:23,940
somehow I I

779
00:34:27,290 --> 00:34:25,740
am almost positive they're

780
00:34:28,849 --> 00:34:27,300
inter-dimensional

781
00:34:31,550 --> 00:34:28,859
that they have the ability to move

782
00:34:33,169 --> 00:34:31,560
within different dimensions very linear

783
00:34:35,450 --> 00:34:33,179
to our Earth plane

784
00:34:37,430 --> 00:34:35,460
and when they do so they maintain

785
00:34:39,470 --> 00:34:37,440
physical form

786
00:34:41,570 --> 00:34:39,480
so um

787
00:34:43,190 --> 00:34:41,580
you know I I'm not going to talk a whole

788
00:34:44,450 --> 00:34:43,200

lot about that until I get more

789

00:34:47,570 --> 00:34:44,460
information

790

00:34:48,530 --> 00:34:47,580
uh at this point we've we haven't really

791

00:34:51,109 --> 00:34:48,540
been

792

00:34:52,849 --> 00:34:51,119
having any contact now for almost a year

793

00:34:56,270 --> 00:34:52,859
if not more

794

00:34:57,829 --> 00:34:56,280
and um I don't know if we will that's

795

00:34:59,329 --> 00:34:57,839
just something we're gonna have to hope

796

00:35:00,650 --> 00:34:59,339
happens again

797

00:35:02,329 --> 00:35:00,660
so

798

00:35:04,370 --> 00:35:02,339
you know it's interesting we're going to

799

00:35:08,270 --> 00:35:04,380
Chicago maybe something will pop up

800

00:35:13,190 --> 00:35:10,730
uh aggravated Progressive do you think

801
00:35:15,230 --> 00:35:13,200
it's the same species as the Mothman

802
00:35:17,510 --> 00:35:15,240
lawn no I don't I think it's something

803
00:35:19,370 --> 00:35:17,520
different but I think the originate from

804
00:35:21,710 --> 00:35:19,380
somewhere in the same area

805
00:35:24,230 --> 00:35:21,720
but as far as the descriptions and the

806
00:35:27,290 --> 00:35:24,240
mannerisms uh it's in completely

807
00:35:29,150 --> 00:35:27,300
different for the most part these are

808
00:35:31,010 --> 00:35:29,160
very emaciated looking humanoids the

809
00:35:33,230 --> 00:35:31,020
other one was the Mothman of Point

810
00:35:34,370 --> 00:35:33,240
Pleasant was insectoid with moth like

811
00:35:37,609 --> 00:35:34,380
wings

812
00:35:40,370 --> 00:35:37,619
that that had very large red eyes and

813
00:35:42,890 --> 00:35:40,380

each report in The Point Pleasant area

814

00:35:44,810 --> 00:35:42,900

had the red eyes that isn't always the

815

00:35:46,970 --> 00:35:44,820

case with what's going on in Chicagoland

816

00:35:49,609 --> 00:35:46,980

area not all of them have red eyes

817

00:35:51,950 --> 00:35:49,619

and of course the the wing structure is

818

00:35:53,750 --> 00:35:51,960

much different and the characteristics

819

00:35:56,150 --> 00:35:53,760

are somewhat different as well

820

00:35:58,010 --> 00:35:56,160

do I believe the Mothman and Point

821

00:35:59,810 --> 00:35:58,020

Pleasant is an interdimensional being oh

822

00:36:03,349 --> 00:35:59,820

absolutely I think it is

823

00:36:05,270 --> 00:36:03,359

and I do believe it it may still be

824

00:36:08,030 --> 00:36:05,280

around if

825

00:36:10,130 --> 00:36:08,040

up to just a couple years ago if it's

826

00:36:11,630 --> 00:36:10,140

maybe it's still there but we know we've

827

00:36:14,870 --> 00:36:11,640

had sightings

828

00:36:17,630 --> 00:36:14,880

we still had sleddings ever since 67.

829

00:36:20,210 --> 00:36:17,640

uh I get a sighting out of the Mason

830

00:36:21,470 --> 00:36:20,220

County area every once in a while and a

831

00:36:22,849 --> 00:36:21,480

lot of times it's very near Point

832

00:36:24,710 --> 00:36:22,859

Pleasant

833

00:36:26,569 --> 00:36:24,720

so um

834

00:36:28,310 --> 00:36:26,579

of course you got to be very skeptical

835

00:36:30,770 --> 00:36:28,320

when you start getting reports out of

836

00:36:34,069 --> 00:36:30,780

Point Pleasant area people thinking

837

00:36:36,650 --> 00:36:34,079

people are being copycats but I I think

838

00:36:40,310 --> 00:36:36,660

the ones that I have talked about

839

00:36:45,109 --> 00:36:40,320

or um may very well be

840

00:36:45,119 --> 00:36:49,190

okay Thomas Carroll

841

00:36:53,390 --> 00:36:52,250

if any Mothman calls flight destructions

842

00:36:56,329 --> 00:36:53,400

at O'Hara

843

00:37:01,970 --> 00:36:59,810

with the hair and the FAA it may very

844

00:37:03,050 --> 00:37:01,980

well have happened but I have not heard

845

00:37:05,630 --> 00:37:03,060

of anything

846

00:37:07,430 --> 00:37:05,640

and I'm quite sure if we file a foia

847

00:37:08,930 --> 00:37:07,440

request we're not going to get any get

848

00:37:10,970 --> 00:37:08,940

any information

849

00:37:13,250 --> 00:37:10,980

from that

850

00:37:17,150 --> 00:37:13,260

um I don't know how something like that

851
00:37:24,829 --> 00:37:22,010
under Tia the TSA or Homeland Security

852
00:37:27,950 --> 00:37:24,839
if they're they're if they're able to

853
00:37:31,609 --> 00:37:27,960
report things like that I don't know

854
00:37:33,050 --> 00:37:31,619
I I mean so far we haven't had any type

855
00:37:35,030 --> 00:37:33,060
of accident where something may have got

856
00:37:38,270 --> 00:37:35,040
sucked up into an engine

857
00:37:39,650 --> 00:37:38,280
but uh because I think that would have

858
00:37:42,829 --> 00:37:39,660
happened I at least would have heard

859
00:37:46,010 --> 00:37:42,839
something as far as with the witnesses I

860
00:37:48,050 --> 00:37:46,020
know at um at O'Hare who are there a lot

861
00:37:50,390 --> 00:37:48,060
plus Manuel would have heard something

862
00:37:55,810 --> 00:37:50,400
as well so I don't think that has

863
00:38:00,710 --> 00:37:58,670

any news from injured Cole recently no

864

00:38:03,890 --> 00:38:00,720

we haven't heard a thing

865

00:38:09,589 --> 00:38:03,900

I haven't heard a thing in fact I I know

866

00:38:16,430 --> 00:38:13,790

to uh cosmic ray ray

867

00:38:18,410 --> 00:38:16,440

um may have some more information on

868

00:38:21,230 --> 00:38:18,420

that you know he's he's coming up with

869

00:38:23,569 --> 00:38:21,240

all kinds of stuff so um

870

00:38:26,329 --> 00:38:23,579

but I think if he did or have her

871

00:38:28,609 --> 00:38:26,339

something or any Revelations he'd have

872

00:38:29,870 --> 00:38:28,619

told me about it but no I haven't heard

873

00:38:34,810 --> 00:38:29,880

a thing and I haven't heard anything

874

00:38:40,490 --> 00:38:37,730

uh Dave McGinnis

875

00:38:43,430 --> 00:38:40,500

as DNA evidence been recovered from

876

00:38:45,410 --> 00:38:43,440

these creatures not that I know of

877

00:38:46,849 --> 00:38:45,420

I you know I I really don't know of any

878

00:38:48,710 --> 00:38:46,859

physical evidence that's ever been

879

00:38:51,650 --> 00:38:48,720

retrieved from these beings

880

00:38:52,730 --> 00:38:51,660

other than the only thing I can think of

881

00:38:56,089 --> 00:38:52,740

is

882

00:38:57,470 --> 00:38:56,099

the apparent stone that was gifted to

883

00:38:59,210 --> 00:38:57,480

Manuel

884

00:39:01,670 --> 00:38:59,220

at the cemetery

885

00:39:03,770 --> 00:39:01,680

so I I know as far as something that we

886

00:39:05,390 --> 00:39:03,780

know it would have touched

887

00:39:09,349 --> 00:39:05,400

I don't know

888

00:39:13,609 --> 00:39:09,359

there's been any DNA evident

889

00:39:21,109 --> 00:39:13,619

uh recovered uh from those those Wing

890

00:39:27,050 --> 00:39:23,870

Tina Johnson

891

00:39:29,810 --> 00:39:27,060

can you guess at their purpose here

892

00:39:33,530 --> 00:39:29,820

yeah I can guess

893

00:39:41,089 --> 00:39:37,130

I I think this whole exercise by these

894

00:39:43,130 --> 00:39:41,099

beings is like maybe a Rite of Passage

895

00:39:46,010 --> 00:39:43,140

um

896

00:39:49,670 --> 00:39:46,020

maybe they've got they've got to come

897

00:39:52,190 --> 00:39:49,680

into our Earth plane as some type of um

898

00:39:54,470 --> 00:39:52,200

proof or some type of thing they've got

899

00:39:55,790 --> 00:39:54,480

to go through when they reach a certain

900

00:39:57,770 --> 00:39:55,800

age

901

00:39:59,569 --> 00:39:57,780

some type of tradition

902

00:40:00,890 --> 00:39:59,579

I think that's what it is I think it's

903

00:40:05,750 --> 00:40:00,900

something like I don't think they're

904

00:40:09,770 --> 00:40:07,849

I I don't really see any correlation

905

00:40:11,870 --> 00:40:09,780

between anything that has happened in

906

00:40:13,550 --> 00:40:11,880

the Chicago area as a you know during

907

00:40:16,910 --> 00:40:13,560

this period of time

908

00:40:20,630 --> 00:40:16,920

uh that would have one question that

909

00:40:23,150 --> 00:40:20,640

maybe it's related to The Winged beings

910

00:40:25,910 --> 00:40:23,160

I don't know you know this is this is

911

00:40:28,670 --> 00:40:25,920

just another big this is a big question

912

00:40:31,130 --> 00:40:28,680

I'm hoping that we can somehow get some

913

00:40:32,030 --> 00:40:31,140

type of communication started up again I

914

00:40:33,190 --> 00:40:32,040

don't know if that's going to be

915

00:40:36,349 --> 00:40:33,200

possible

916

00:40:39,410 --> 00:40:36,359

uh it didn't quite go the way we wanted

917

00:40:41,450 --> 00:40:39,420

the last time and uh

918

00:40:43,910 --> 00:40:41,460

maybe they're going to try again but

919

00:40:45,829 --> 00:40:43,920

we'll see but I would definitely that

920

00:40:49,430 --> 00:40:45,839

would be something I may I'd be asking

921

00:40:58,010 --> 00:40:53,329

uh bear zifa have there been any MIB

922

00:41:02,210 --> 00:41:00,650

the only incident and I'll probably talk

923

00:41:04,730 --> 00:41:02,220

about this next week of the week after

924

00:41:06,290 --> 00:41:04,740

him or there was a school teacher who

925

00:41:10,069 --> 00:41:06,300

had seen

926

00:41:13,250 --> 00:41:10,079

one of these Wing beings a

927

00:41:16,790 --> 00:41:13,260

a great like being and two other

928

00:41:20,230 --> 00:41:16,800

humanoids that look like female women

929

00:41:23,710 --> 00:41:20,240

at a park near her home

930

00:41:28,550 --> 00:41:23,720

and the day or two after that occurred

931

00:41:31,250 --> 00:41:28,560

not long after she had talked to us

932

00:41:33,829 --> 00:41:31,260

someone approached her at the cafeteria

933

00:41:37,609 --> 00:41:33,839

I had a job at her at school

934

00:41:40,550 --> 00:41:37,619

and ask her about what if she reported

935

00:41:43,010 --> 00:41:40,560

what she saw or had to encounter with

936

00:41:45,710 --> 00:41:43,020

and it freaked her out now

937

00:41:47,810 --> 00:41:45,720

as ver that type of that type of

938

00:41:49,730 --> 00:41:47,820

activity is very um

939

00:41:52,069 --> 00:41:49,740

similar to what people talk about with

940

00:41:53,630 --> 00:41:52,079

Men in Black now

941

00:41:55,310 --> 00:41:53,640

could it been a men in black or

942

00:41:57,290 --> 00:41:55,320

something like that

943

00:41:59,690 --> 00:41:57,300

this person wasn't dressed in black I

944

00:42:01,370 --> 00:41:59,700

mean they were in the um what she and I

945

00:42:05,270 --> 00:42:01,380

understood what she said was some type

946

00:42:07,490 --> 00:42:05,280

of Overcoat but it was light and color

947

00:42:09,050 --> 00:42:07,500

um I don't know but I know it freaked

948

00:42:13,310 --> 00:42:09,060

her out so

949

00:42:16,190 --> 00:42:13,320

as far as any other sightings

950

00:42:17,810 --> 00:42:16,200

with the the Men in Black you know other

951
00:42:20,510 --> 00:42:17,820
than what

952
00:42:22,730 --> 00:42:20,520
John Keel wrote about at Point Pleasant

953
00:42:25,190 --> 00:42:22,740
with these so-called Men In Black

954
00:42:27,290 --> 00:42:25,200
showing up around the town I I just have

955
00:42:32,510 --> 00:42:27,300
not had those type of reports in Chicago

956
00:42:37,069 --> 00:42:34,810
could we ask the lady who was attached

957
00:42:39,589 --> 00:42:37,079
attached to draw what it looked like

958
00:42:42,050 --> 00:42:39,599
close up I had never talked to her this

959
00:42:44,510 --> 00:42:42,060
was all this was all secondhand

960
00:42:46,730 --> 00:42:44,520
information so um

961
00:42:49,670 --> 00:42:46,740
you know take it with a grain of salt I

962
00:42:51,230 --> 00:42:49,680
I never really put it up onto the uh the

963
00:42:53,569 --> 00:42:51,240

sightings map it's just another

964

00:42:55,670 --> 00:42:53,579

incidental

965

00:42:57,650 --> 00:42:55,680

um event that happened that may be

966

00:42:59,569 --> 00:42:57,660

related to this

967

00:43:01,670 --> 00:42:59,579

um but since I didn't really talk to the

968

00:43:08,150 --> 00:43:01,680

witness itself I can't really do much

969

00:43:08,160 --> 00:43:12,230

Kate Donnelly

970

00:43:16,790 --> 00:43:14,450

have witnesses have been visited by Men

971

00:43:18,230 --> 00:43:16,800

In Black at their studies no it just has

972

00:43:20,690 --> 00:43:18,240

not happened other than what I told you

973

00:43:25,670 --> 00:43:23,510

Tina Johnson

974

00:43:27,650 --> 00:43:25,680

why the proliferation of sightings in

975

00:43:29,510 --> 00:43:27,660

Illinois well I wish we knew I think it

976
00:43:32,210 --> 00:43:29,520
has something to do with

977
00:43:34,849 --> 00:43:32,220
with portals I think um

978
00:43:36,470 --> 00:43:34,859
they're coming in certain portals into

979
00:43:40,069 --> 00:43:36,480
this Earth plane

980
00:43:43,609 --> 00:43:40,079
and um why it's that and I believe it's

981
00:43:45,170 --> 00:43:43,619
it's at the at the airport at the Rest

982
00:43:47,270 --> 00:43:45,180
Haven Cemetery

983
00:43:49,010 --> 00:43:47,280
uh I mean that may change down the road

984
00:43:50,930 --> 00:43:49,020
these things have popped up a lot of

985
00:43:52,550 --> 00:43:50,940
different places but more recently in

986
00:43:54,650 --> 00:43:52,560
the past three or four years

987
00:43:56,390 --> 00:43:54,660
it seems like the activity kind of

988
00:43:58,010 --> 00:43:56,400

centers around the airport

989

00:44:00,050 --> 00:43:58,020

and I think that's where it's happening

990

00:44:02,630 --> 00:44:00,060

so

991

00:44:04,130 --> 00:44:02,640

I have no idea why they're showing up I

992

00:44:07,550 --> 00:44:04,140

wish I did

993

00:44:09,470 --> 00:44:07,560

uh d-a-y song

994

00:44:11,450 --> 00:44:09,480

on do you think they are observing us

995

00:44:14,030 --> 00:44:11,460

trying to get our attention

996

00:44:16,790 --> 00:44:14,040

well they've got our attention

997

00:44:19,630 --> 00:44:16,800

I don't I don't know if they're actually

998

00:44:22,309 --> 00:44:19,640

observing us

999

00:44:26,630 --> 00:44:22,319

uh but they're not you know they're not

1000

00:44:29,390 --> 00:44:26,640

shy about showing up and and being seen

1001
00:44:34,790 --> 00:44:32,450
I I truly think that they want certain

1002
00:44:37,370 --> 00:44:34,800
people to see them

1003
00:44:39,770 --> 00:44:37,380
and the way I reason I say it is in many

1004
00:44:41,329 --> 00:44:39,780
instances where they show up or a crowd

1005
00:44:43,190 --> 00:44:41,339
of people there's only a few people that

1006
00:44:45,470 --> 00:44:43,200
see it

1007
00:44:47,990 --> 00:44:45,480
and I think they have some abilities to

1008
00:44:50,030 --> 00:44:48,000
distinguish who actually sees them

1009
00:44:52,309 --> 00:44:50,040
I know it's kind of a crazy Theory but

1010
00:44:53,329 --> 00:44:52,319
you know this whole investigation has

1011
00:44:55,970 --> 00:44:53,339
been

1012
00:44:59,210 --> 00:44:55,980
marked with crazy theories and a lot of

1013
00:45:00,710 --> 00:44:59,220

strange high strangers and other weird

1014

00:45:03,290 --> 00:45:00,720

activity

1015

00:45:07,670 --> 00:45:06,170

okay folks well

1016

00:45:09,410 --> 00:45:07,680

I want to thank each all you for

1017

00:45:10,849 --> 00:45:09,420

watching and chatting

1018

00:45:13,309 --> 00:45:10,859

um

1019

00:45:15,770 --> 00:45:13,319

you know it's great to have you all come

1020

00:45:18,050 --> 00:45:15,780

in here and talk about this

00:45:20,510 --> 00:45:18,060

again please like And subscribe and

1022

00:45:21,890 --> 00:45:20,520

share uh if you have a setting or

1023

00:45:23,930 --> 00:45:21,900

encounter report

1024

00:45:26,329 --> 00:45:23,940

that you'd like to be considered for the

1025

00:45:28,730 --> 00:45:26,339

personal reports or post to the fams of

1026

00:45:31,790 --> 00:45:28,740

Marsha feel free to forward to my email
