done with the presentation so I don't

30

00:01:55,310 --> 00:01:53,579

miss your uh questions

31

00:01:57,469 --> 00:01:55,320

um and I'll try to get to each and every

32

00:02:01,550 --> 00:01:57,479

one of them

33

00:02:02,810 --> 00:02:01,560

so let's start off with a an anode

34

00:02:04,069 --> 00:02:02,820

account

35

00:02:08,690 --> 00:02:04,079

um

36

00:02:15,589 --> 00:02:12,830

uh before uh well multiple upright

37

00:02:16,990 --> 00:02:15,599

canines were observed at Camp Stewart

38

00:02:25,550 --> 00:02:17,000

Georgia

39

00:02:27,770 --> 00:02:25,560

Fort Stewart it's a um at the time

40

00:02:32,089 --> 00:02:27,780

before World War II

41

00:02:34,729 --> 00:02:32,099

it was used as a um as a boot camp and

42

00:02:38,089 --> 00:02:34,739

kind of a training area

43

00:02:40,910 --> 00:02:38,099

but you know I have heard a Bigfoot

44

00:02:43,309 --> 00:02:40,920

sightings there in the past

45

00:02:45,650 --> 00:02:43,319

uh and

46

00:02:47,089 --> 00:02:45,660

it's a it's a large area they do allow

47

00:02:48,710 --> 00:02:47,099

some people to come in there and hunt

48

00:02:50,570 --> 00:02:48,720

with permit

49

00:02:53,030 --> 00:02:50,580

but most of the sightings that I have

50

00:02:55,910 --> 00:02:53,040

been reported to me of the Bigfoot have

51  
00:02:59,030 --> 00:02:55,920  
been actual soldiers but this account

52  
00:02:59,869 --> 00:02:59,040  
was of multiple upright canines that was

53  
00:03:04,250 --> 00:02:59,879  
seen

54  
00:03:06,530 --> 00:03:04,260  
when the camp was fairly young so um

55  
00:03:08,869 --> 00:03:06,540  
so before the U.S got involved in World

56  
00:03:10,729 --> 00:03:08,879  
War II

57  
00:03:13,190 --> 00:03:10,739  
um

58  
00:03:14,890 --> 00:03:13,200  
you know this was uh like I said this

59  
00:03:18,589 --> 00:03:14,900  
was a training camp

60  
00:03:20,990 --> 00:03:18,599  
and uh the the individual who had the

61  
00:03:22,670 --> 00:03:21,000  
encounter stated Highline and joy

62  
00:03:25,910 --> 00:03:22,680  
reading and newsletter

63  
00:03:30,530 --> 00:03:25,920

and thought I would send a story my

64

00:03:32,930 --> 00:03:30,540

grandfather John told me now in 1940 he

65

00:03:35,630 --> 00:03:32,940

volunteered for active duty

66

00:03:38,570 --> 00:03:35,640

it was later shipped off to Camp Stewart

67

00:03:40,910 --> 00:03:38,580

Georgia he had graduated high school in

68

00:03:43,130 --> 00:03:40,920

New York City the year before

69

00:03:44,869 --> 00:03:43,140

and thought that the US would be

70

00:03:47,630 --> 00:03:44,879

fighting in the war eventually so he

71

00:03:49,670 --> 00:03:47,640

signed up before he got drafted

72

00:03:52,430 --> 00:03:49,680

now at the time

73

00:03:55,490 --> 00:03:52,440

he was part of an anti-aircraft training

74

00:03:58,009 --> 00:03:55,500

unit that was housed in large tents

75

00:04:00,770 --> 00:03:58,019

now Camp Stewart now Fort Stewart was a

76

00:04:02,869 --> 00:04:00,780

fairly new facility and much of it was

77

00:04:04,789 --> 00:04:02,879

under construction so most of the tents

78

00:04:06,589 --> 00:04:04,799

were in or near an area that were

79

00:04:08,869 --> 00:04:06,599

densely forested

80

00:04:10,369 --> 00:04:08,879

and I don't know how many guys were in

81

00:04:12,410 --> 00:04:10,379

the tent with him

82

00:04:15,550 --> 00:04:12,420

but he was friends with another guy from

83

00:04:18,110 --> 00:04:15,560

New York by the name of Pete

84

00:04:20,150 --> 00:04:18,120

uh they hadn't been there long when

85

00:04:21,770 --> 00:04:20,160

stories about weird creatures of the

86

00:04:24,650 --> 00:04:21,780

woods started to circulate among the

87

00:04:26,629 --> 00:04:24,660

soldiers now one of the rumors was that

88

00:04:29,450 --> 00:04:26,639

a few soldiers had been attacked by an

89

00:04:33,530 --> 00:04:29,460

unknown Beast Within the camp

90

00:04:35,810 --> 00:04:33,540

and there wasn't a lot said and no one

91

00:04:37,490 --> 00:04:35,820

I mean he believes no one ever witnessed

92

00:04:40,790 --> 00:04:37,500

the attacks

93

00:04:42,350 --> 00:04:40,800

one early morning Grandpa John and Pete

94

00:04:44,450 --> 00:04:42,360

along with other soldiers were

95

00:04:47,210 --> 00:04:44,460

transporting garbage

96

00:04:49,249 --> 00:04:47,220

to an area north of the camp

97

00:04:51,950 --> 00:04:49,259

he said that there was a large ditch

98

00:04:53,689 --> 00:04:51,960

where all the refuse was dumped it was

99

00:04:55,790 --> 00:04:53,699

hailed in large barrels which were

100

00:04:57,770 --> 00:04:55,800

emptied one by one

101  
00:05:00,050 --> 00:04:57,780  
now he was in the lead truck as they

102  
00:05:02,090 --> 00:05:00,060  
pulled up to the dump area they noticed

103  
00:05:04,490 --> 00:05:02,100  
a very large dog

104  
00:05:07,249 --> 00:05:04,500  
on the back edge of the ditch which

105  
00:05:09,409 --> 00:05:07,259  
looked to be digging in the trash

106  
00:05:11,749 --> 00:05:09,419  
they were commenting that the dog may

107  
00:05:13,730 --> 00:05:11,759  
have been a wolf because it was huge

108  
00:05:14,450 --> 00:05:13,740  
and while they were talking amongst each

109  
00:05:17,150 --> 00:05:14,460  
other

110  
00:05:19,909 --> 00:05:17,160  
the dog stood up on his two back legs

111  
00:05:22,370 --> 00:05:19,919  
and looked directly at them

112  
00:05:25,430 --> 00:05:22,380  
after a few seconds it turned it dropped

113  
00:05:27,469 --> 00:05:25,440

to all four legs then ran into the woods

114

00:05:28,550 --> 00:05:27,479

now they were alarmed and considered

115

00:05:32,050 --> 00:05:28,560

leaving

116

00:05:34,430 --> 00:05:32,060

but there were armed Personnel on patrol

117

00:05:37,969 --> 00:05:34,440

they then wondered why armed soldiers

118

00:05:40,370 --> 00:05:37,979

needed to guard a garbage dump

119

00:05:42,409 --> 00:05:40,380

it quickly got their work done because

120

00:05:45,110 --> 00:05:42,419

they wanted to leave as soon as possible

121

00:05:47,570 --> 00:05:45,120

so Grandpa John said that he

122

00:05:49,490 --> 00:05:47,580

later had a conversation with one of the

123

00:05:51,110 --> 00:05:49,500

guys who had spent time guarding the

124

00:05:53,150 --> 00:05:51,120

garbage dump

125

00:05:55,610 --> 00:05:53,160

so according to him

126

00:05:57,409 --> 00:05:55,620

the higher-ups were where the large dogs

127

00:05:58,969 --> 00:05:57,419

would they bleed which they believed to

128

00:06:01,550 --> 00:05:58,979

be wolves

129

00:06:03,350 --> 00:06:01,560

he said that they were there were other

130

00:06:05,749 --> 00:06:03,360

beasts in the area and that they were

131

00:06:07,249 --> 00:06:05,759

ordered to shoot to kill if they had the

132

00:06:09,650 --> 00:06:07,259

opportunity

133

00:06:11,450 --> 00:06:09,660

and he admitted that he witnessed one of

134

00:06:13,490 --> 00:06:11,460

these wolves stand up on two legs and

135

00:06:16,969 --> 00:06:13,500

walk though he didn't say

136

00:06:19,730 --> 00:06:16,979

uh why you failed to shoot at it

137

00:06:22,370 --> 00:06:19,740

so Grandpa John was later injured during

138

00:06:24,710 --> 00:06:22,380

training but after two years he was

139

00:06:25,850 --> 00:06:24,720

clear for a Simon's surging U.S Army in

140

00:06:27,770 --> 00:06:25,860

Europe

141

00:06:29,450 --> 00:06:27,780

he said that over the years he had

142

00:06:31,249 --> 00:06:29,460

talked to other vets who had trained at

143

00:06:33,350 --> 00:06:31,259

Fort Stewart

144

00:06:35,390 --> 00:06:33,360

a few of them were aware the attacks and

145

00:06:37,189 --> 00:06:35,400

that it probably occurred on more than

146

00:06:39,590 --> 00:06:37,199

one occasion

147

00:06:42,590 --> 00:06:39,600

I read about Dogman sightings on your

148

00:06:45,350 --> 00:06:42,600

website I wonder if Fort Stewart Beast

149

00:06:47,689 --> 00:06:45,360

may have been the same type of creatures

150

00:06:49,670 --> 00:06:47,699

I'd be interested if others had heard of

151  
00:06:52,850 --> 00:06:49,680  
these attacks thanks

152  
00:06:56,090 --> 00:06:52,860  
and like I said that's the only account

153  
00:06:59,330 --> 00:06:56,100  
that I have ever gotten from there

154  
00:07:00,950 --> 00:06:59,340  
as far as uh crypto K9s

155  
00:07:05,330 --> 00:07:00,960  
so

156  
00:07:06,770 --> 00:07:05,340  
but if anybody who's listening to us has

157  
00:07:10,850 --> 00:07:06,780  
heard anything I'd really like to know

158  
00:07:17,570 --> 00:07:14,870  
so next next account we have are about

159  
00:07:18,950 --> 00:07:17,580  
two tall thin and muscular Menace like

160  
00:07:22,070 --> 00:07:18,960  
humanoids

161  
00:07:23,210 --> 00:07:22,080  
senior two human bodies in Eugene Oregon

162  
00:07:25,670 --> 00:07:23,220  
now

163  
00:07:29,110 --> 00:07:25,680

this account I sent to one of the team

164

00:07:31,969 --> 00:07:29,120

members who lives in or Eugene Oregon

165

00:07:34,969 --> 00:07:31,979

and uh Reagan Lee and she's going to be

166

00:07:37,490 --> 00:07:34,979

investigating us and looking into it

167

00:07:40,189 --> 00:07:37,500

but anyway this Eugene Oregon witness

168

00:07:41,510 --> 00:07:40,199

was taking photographs along the the

169

00:07:43,550 --> 00:07:41,520

Wilmette River

170

00:07:45,830 --> 00:07:43,560

early in the morning when he knows his

171

00:07:50,570 --> 00:07:45,840

too tall thin muscular menace-like

172

00:07:53,270 --> 00:07:50,580

humanoids near two human bodies

173

00:07:55,010 --> 00:07:53,280

uh he stated Highline this must be a

174

00:07:57,469 --> 00:07:55,020

this might be a long email as I'll

175

00:07:59,809 --> 00:07:57,479

include all the particulars

176

00:08:02,689 --> 00:07:59,819

this happened to me in the early 2000s

177

00:08:05,330 --> 00:08:02,699

it was near 4 45 a.m and I was taking

178

00:08:07,010 --> 00:08:05,340

some time by Wilmette River before

179

00:08:09,710 --> 00:08:07,020

stores open

180

00:08:11,749 --> 00:08:09,720

I was living in Eugene Oregon the spot I

181

00:08:15,110 --> 00:08:11,759

chose to stop and Russ was next to the

182

00:08:18,890 --> 00:08:15,120

famous oh and Rose Garden Park and

183

00:08:24,529 --> 00:08:21,589

I was underneath and next to the river

184

00:08:26,510 --> 00:08:24,539

spring and the temperature was cold but

185

00:08:28,490 --> 00:08:26,520

not freezing

186

00:08:30,290 --> 00:08:28,500

put my back up against one of the

187

00:08:31,249 --> 00:08:30,300

support beams from the highway and

188

00:08:33,170 --> 00:08:31,259

rested

189

00:08:35,269 --> 00:08:33,180

that's when I noticed some strange

190

00:08:38,810 --> 00:08:35,279

things going on across the river from

191

00:08:42,110 --> 00:08:38,820

where I was maybe 50 feet on the on the

192

00:08:43,269 --> 00:08:42,120

bank I saw two tall thin but very

193

00:08:48,530 --> 00:08:43,279

muscular

194

00:08:50,990 --> 00:08:48,540

mantis insect beings on the other bank

195

00:08:53,750 --> 00:08:51,000

now he said I'm nauseated just writing

196

00:08:55,910 --> 00:08:53,760

this now the first one was less than 10

197

00:08:58,250 --> 00:08:55,920

foot from the water's edge not moving at

198

00:08:59,870 --> 00:08:58,260

all but eyes were open they were glassy

199

00:09:01,730 --> 00:08:59,880

like mirrors

200

00:09:03,350 --> 00:09:01,740

there was a person there on the ground

201  
00:09:06,230 --> 00:09:03,360  
face down

202  
00:09:09,110 --> 00:09:06,240  
looking like maybe he fell

203  
00:09:11,389 --> 00:09:09,120  
then I noticed the second one

204  
00:09:13,430 --> 00:09:11,399  
I hadn't noticed him before because it

205  
00:09:16,910 --> 00:09:13,440  
wasn't all that clear this creature was

206  
00:09:19,490 --> 00:09:16,920  
beating forward and back quickly

207  
00:09:22,070 --> 00:09:19,500  
he was leaning over another body the

208  
00:09:24,470 --> 00:09:22,080  
body didn't move but this thing did very

209  
00:09:26,750 --> 00:09:24,480  
fast a blur actually

210  
00:09:29,630 --> 00:09:26,760  
I became afraid at this point and slid

211  
00:09:31,430 --> 00:09:29,640  
my butt forwards so head and vision

212  
00:09:34,730 --> 00:09:31,440  
would go down

213  
00:09:36,889 --> 00:09:34,740

that's when I heard a strange talking

214

00:09:39,769 --> 00:09:36,899

also heard the banging of metal on

215

00:09:42,710 --> 00:09:39,779

concrete I looked up I didn't want to

216

00:09:46,550 --> 00:09:42,720

and saw what looked like a white bald

217

00:09:48,590 --> 00:09:46,560

man with black big black sunglasses

218

00:09:51,410 --> 00:09:48,600

he was looking from behind the pillar

219

00:09:52,910 --> 00:09:51,420

barely 15 foot away from me we just

220

00:09:55,370 --> 00:09:52,920

looked at each other and then I began

221

00:09:58,430 --> 00:09:55,380

sliding down as far as I could to not

222

00:10:01,070 --> 00:09:58,440

see him I thought there must see so what

223

00:10:03,290 --> 00:10:01,080

what's this what's going on I gathered

224

00:10:05,329 --> 00:10:03,300

my courage jumped up grabbed my bike and

225

00:10:06,829 --> 00:10:05,339

began riding as fast as I could to get

226  
00:10:10,310 --> 00:10:06,839  
away

227  
00:10:13,730 --> 00:10:10,320  
now right after I started writing

228  
00:10:15,949 --> 00:10:13,740  
I heard I I started throwing up

229  
00:10:18,710 --> 00:10:15,959  
it was way too much for me

230  
00:10:20,810 --> 00:10:18,720  
by then something flashed right by me in

231  
00:10:23,210 --> 00:10:20,820  
Hyper Speed

232  
00:10:25,190 --> 00:10:23,220  
all I saw was this disturbance in the

233  
00:10:26,509 --> 00:10:25,200  
air I said out loud what the hell was

234  
00:10:28,870 --> 00:10:26,519  
that

235  
00:10:31,430 --> 00:10:28,880  
feel safe I ended up at our Hospital

236  
00:10:33,410 --> 00:10:31,440  
sitting in the ER Lobby

237  
00:10:35,690 --> 00:10:33,420  
there was a car going around and around

238  
00:10:36,650 --> 00:10:35,700

the block until about 6 30 in the

239

00:10:39,110 --> 00:10:36,660

morning

240

00:10:41,810 --> 00:10:39,120

the windows were fogged but I could see

241

00:10:42,590 --> 00:10:41,820

three outlines were they lost I'm not

242

00:10:44,690 --> 00:10:42,600

sure

243

00:10:47,750 --> 00:10:44,700

I went back two days later and there's

244

00:10:49,490 --> 00:10:47,760

nothing to stand on behind the pillar of

245

00:10:52,610 --> 00:10:49,500

the guy with the glasses

246

00:10:55,069 --> 00:10:52,620

the pillar goes right into the river

247

00:10:56,449 --> 00:10:55,079

also I couldn't find any tracks on the

248

00:10:59,630 --> 00:10:56,459

other side

249

00:11:02,150 --> 00:10:59,640

but it did look dug up like a bull's a

250

00:11:04,370 --> 00:11:02,160

dozer or something I'd come in there

251

00:11:07,550 --> 00:11:04,380

there were also others

252

00:11:09,230 --> 00:11:07,560

in line going up to the highway I

253

00:11:10,610 --> 00:11:09,240

couldn't figure out where they were

254

00:11:13,430 --> 00:11:10,620

going

255

00:11:15,889 --> 00:11:13,440

so that's kind of an unusual story

256

00:11:19,190 --> 00:11:15,899

um like I said Reagan's gonna look into

257

00:11:21,290 --> 00:11:19,200

this and see if she heard anything about

258

00:11:23,569 --> 00:11:21,300

this I received this account maybe about

259

00:11:27,650 --> 00:11:23,579

two or three weeks ago

260

00:11:29,810 --> 00:11:27,660

so even though it was in the early 2000s

261

00:11:31,430 --> 00:11:29,820

I I don't know what to say about it but

262

00:11:33,350 --> 00:11:31,440

uh maybe she'll be able to come up with

263

00:11:35,930 --> 00:11:33,360

something so we'll wait and see and if I

264

00:11:38,630 --> 00:11:35,940

do get something from her I'll post it

265

00:11:41,269 --> 00:11:38,640

so next account was a herpetologist

266

00:11:44,630 --> 00:11:41,279

encounters a human-like Bigfoot at

267

00:11:46,550 --> 00:11:44,640

Chattahoochee National National Forest

268

00:11:49,670 --> 00:11:46,560

now in Atlanta Georgia herpetologist

269

00:11:53,090 --> 00:11:49,680

encounters a supposed Bigfoot wow and

270

00:11:55,250 --> 00:11:53,100

chick Chattahoochee national forest from

271

00:11:58,670 --> 00:11:55,260

the description the creature seems more

272

00:12:02,990 --> 00:12:01,250

he States I'm from Atlanta Georgia and

273

00:12:05,150 --> 00:12:03,000

I'm a herpetologist

274

00:12:08,090 --> 00:12:05,160

I traveled frequently to North Georgia

275

00:12:09,650 --> 00:12:08,100

Mountains up into the Helen area at

276

00:12:12,230 --> 00:12:09,660

Chattahoochee

277

00:12:13,850 --> 00:12:12,240

National Forest on this day

278

00:12:16,550 --> 00:12:13,860

I was going there to observe some

279

00:12:19,009 --> 00:12:16,560

Wildlife that I frequently studied

280

00:12:21,470 --> 00:12:19,019

this was last of 10 this was in

281

00:12:23,630 --> 00:12:21,480

September 2016.

282

00:12:25,910 --> 00:12:23,640

it was a probably five to six it was

283

00:12:28,790 --> 00:12:25,920

approximately five to six o'clock in the

284

00:12:30,290 --> 00:12:28,800

evening and as I was going to my usual

285

00:12:33,290 --> 00:12:30,300

sites

286

00:12:35,569 --> 00:12:33,300

I observed that there's new Wildlife

287

00:12:41,329 --> 00:12:35,579

active I didn't notice it at first but

288

00:12:47,030 --> 00:12:44,210

I walked up to the Ridge and I noticed

289

00:12:48,530 --> 00:12:47,040

there was something diagonal from me

290

00:12:50,269 --> 00:12:48,540

it was on the ground and it wasn't

291

00:12:53,930 --> 00:12:50,279

moving

292

00:12:56,870 --> 00:12:53,940

I was about 20 25 foot away from it I

293

00:12:59,150 --> 00:12:56,880

moved towards it and jumped up and spun

294

00:13:01,550 --> 00:12:59,160

around very quickly

295

00:13:03,290 --> 00:13:01,560

I realized you know this was something

296

00:13:04,850 --> 00:13:03,300

very out of the ordinary something I

297

00:13:07,370 --> 00:13:04,860

hadn't seen before

298

00:13:10,009 --> 00:13:07,380

and it was sitting there it was staring

299

00:13:12,050 --> 00:13:10,019

at me and some minutes had passed and at

300

00:13:14,930 --> 00:13:12,060

this point in time it was making groans

301  
00:13:20,090 --> 00:13:17,810  
or I was making sounds close to that

302  
00:13:22,190 --> 00:13:20,100  
that's the best way I can describe it it

303  
00:13:24,470 --> 00:13:22,200  
was man-like

304  
00:13:27,530 --> 00:13:24,480  
some might say it was ape-like but in my

305  
00:13:30,530 --> 00:13:27,540  
opinion due to my study various Wildlife

306  
00:13:32,509 --> 00:13:30,540  
it was nothing close to being an ape

307  
00:13:34,550 --> 00:13:32,519  
it was like a man

308  
00:13:37,490 --> 00:13:34,560  
there was absolutely nothing ape about

309  
00:13:40,009 --> 00:13:37,500  
it very muscular the hands the best I

310  
00:13:43,970 --> 00:13:40,019  
can describe to hands are about 13 to 14

311  
00:13:47,030 --> 00:13:43,980  
size 13 or 14 and maybe even larger as

312  
00:13:50,150 --> 00:13:47,040  
far as trying to fit a ring on it very

313  
00:13:51,889 --> 00:13:50,160

muscular I cannot stress that enough

314

00:13:54,530 --> 00:13:51,899

you can see the whites of the eyes

315

00:13:57,650 --> 00:13:54,540

unlike many other creatures

316

00:14:00,290 --> 00:13:57,660

they were squinted and aggressive

317

00:14:04,310 --> 00:14:00,300

the forehead was not a Blake

318

00:14:07,069 --> 00:14:04,320

it was more Homo Sapien than ape

319

00:14:09,110 --> 00:14:07,079

I did have a full I did have full body

320

00:14:11,030 --> 00:14:09,120

hair except for the hand it did have

321

00:14:11,990 --> 00:14:11,040

full body hair except for the hands and

322

00:14:14,750 --> 00:14:12,000

feet

323

00:14:18,050 --> 00:14:14,760

there was hair on the knees and elbows

324

00:14:20,210 --> 00:14:18,060

it had hair like a man the teeth I was

325

00:14:21,949 --> 00:14:20,220

able to observe the teeth as they were

326

00:14:25,190 --> 00:14:21,959

bared most of the time

327

00:14:28,009 --> 00:14:25,200

the teeth were like a man's it did had

328

00:14:30,050 --> 00:14:28,019

two three or four canines but they were

329

00:14:32,030 --> 00:14:30,060

worn and pretty nasty

330

00:14:33,710 --> 00:14:32,040

I stood in front of this creature for a

331

00:14:35,810 --> 00:14:33,720

significant amount of time

332

00:14:37,310 --> 00:14:35,820

I didn't know whether to run or just

333

00:14:40,069 --> 00:14:37,320

stand there or do whatever you do

334

00:14:41,870 --> 00:14:40,079

definitely this creature could outrun me

335

00:14:44,750 --> 00:14:41,880

like I was saying his hands and skin

336

00:14:47,210 --> 00:14:44,760

were tanned they weren't black

337

00:14:48,829 --> 00:14:47,220

it would I wouldn't even say dark brown

338

00:14:51,769 --> 00:14:48,839

they were just tan

339

00:14:53,449 --> 00:14:51,779

it did have fingernails human-like it

340

00:14:57,230 --> 00:14:53,459

didn't have blood on them

341

00:15:00,050 --> 00:14:57,240

as I was able as far as I could tell

342

00:15:02,269 --> 00:15:00,060

this was all happening and as I observed

343

00:15:04,610 --> 00:15:02,279

this was all happening and as I was

344

00:15:07,790 --> 00:15:04,620

Discerning his hands it besides me up

345

00:15:10,370 --> 00:15:07,800

that's the best way to describe it

346

00:15:13,310 --> 00:15:10,380

then it picked up a log

347

00:15:15,889 --> 00:15:13,320

I was able to observe that he was most

348

00:15:17,810 --> 00:15:15,899

likely right-handed I know this is going

349

00:15:20,629 --> 00:15:17,820

to be hard to believe but it's true and

350

00:15:22,730 --> 00:15:20,639

it chucked it in my general direction

351

00:15:24,350 --> 00:15:22,740

notice I said him it did have male

352

00:15:26,509 --> 00:15:24,360

sexual organs

353

00:15:28,189 --> 00:15:26,519

it was able to I was able to observe

354

00:15:30,350 --> 00:15:28,199

that no tail

355

00:15:33,050 --> 00:15:30,360

it walked upright it had brownish

356

00:15:35,689 --> 00:15:33,060

reddish hair it was matted I'm not 100

357

00:15:38,389 --> 00:15:35,699

sure if it was due to the Georgia Clay

358

00:15:40,610 --> 00:15:38,399

or if it was just actual hair color I

359

00:15:42,650 --> 00:15:40,620

was able to observe it was a observance

360

00:15:46,129 --> 00:15:42,660

a mix of brown and red

361

00:15:48,769 --> 00:15:46,139

now after a chuck the log at this point

362

00:15:50,930 --> 00:15:48,779

in time I started backing up slowly

363

00:15:53,750 --> 00:15:50,940

and I didn't charge me to try to beat me

364

00:15:56,689 --> 00:15:53,760

or anything like that I was expecting

365

00:15:59,329 --> 00:15:56,699

I was slowly backing up there was a

366

00:16:02,629 --> 00:15:59,339

strong statute body odor

367

00:16:05,150 --> 00:16:02,639

somewhat that of a wet dog but I I'd say

368

00:16:07,730 --> 00:16:05,160

probably a hundred times stronger I was

369

00:16:09,230 --> 00:16:07,740

backing up and this all happened within

370

00:16:11,750 --> 00:16:09,240

two minutes

371

00:16:13,250 --> 00:16:11,760

and I slowly started backing down the

372

00:16:15,590 --> 00:16:13,260

Ridge and eventually it got out of the

373

00:16:17,150 --> 00:16:15,600

sight and made a beeline back to where I

374

00:16:19,610 --> 00:16:17,160

came from

375

00:16:21,170 --> 00:16:19,620

it was definitely real beyond the shadow

376

00:16:23,689 --> 00:16:21,180

of a doubt it was what some people may

377

00:16:25,490 --> 00:16:23,699

call a Sasquatch big four or whatever

378

00:16:28,370 --> 00:16:25,500

he's not a man

379

00:16:29,689 --> 00:16:28,380

it was not a native creature it's that

380

00:16:31,870 --> 00:16:29,699

scene every day

381

00:16:35,210 --> 00:16:31,880

someone might make their own decision

382

00:16:37,790 --> 00:16:35,220

about it but that's all I've got to say

383

00:16:40,430 --> 00:16:37,800

there wasn't much to compare it to but

384

00:16:42,889 --> 00:16:40,440

it was about 400 pounds I'd say the

385

00:16:44,509 --> 00:16:42,899

forehead was sunken back and his

386

00:16:47,509 --> 00:16:44,519

shoulders are more forward

387

00:16:50,090 --> 00:16:47,519

it didn't have a proper human posture it

388

00:16:51,829 --> 00:16:50,100

was definitely leaning more forward and

389

00:16:54,949 --> 00:16:51,839

straight

390

00:16:57,530 --> 00:16:54,959

it's rare to see somebody that would be

391

00:16:59,509 --> 00:16:57,540

as muscular as this creature it was

392

00:17:01,970 --> 00:16:59,519

exhibiting more caution on the verge of

393

00:17:04,549 --> 00:17:01,980

aggression the eyes I was able to

394

00:17:06,169 --> 00:17:04,559

observe the eyes and did have more

395

00:17:08,630 --> 00:17:06,179

downright fear but there was

396

00:17:10,490 --> 00:17:08,640

aggressiveness in it the eyes were

397

00:17:12,470 --> 00:17:10,500

squinted the breathing was rapid and

398

00:17:16,130 --> 00:17:12,480

going by the noise the creature was

399

00:17:19,370 --> 00:17:16,140

making it was threatened by men

400

00:17:20,990 --> 00:17:19,380

interesting observation

401

00:17:22,610 --> 00:17:21,000

um and the fact that he got a

402

00:17:24,669 --> 00:17:22,620

herpetologist someone who's very

403

00:17:27,409 --> 00:17:24,679

familiar with wildlife

404

00:17:29,930 --> 00:17:27,419

uh in coming up with those descriptions

405

00:17:32,450 --> 00:17:29,940

is very you know

406

00:17:34,490 --> 00:17:32,460

it's helpful when we get stuff like when

407

00:17:36,470 --> 00:17:34,500

we do get those really distinct

408

00:17:37,970 --> 00:17:36,480

descriptions so did he see a Bigfoot

409

00:17:41,150 --> 00:17:37,980

most likely

410

00:17:44,150 --> 00:17:41,160

but you know like I stated when I had my

411

00:17:45,169 --> 00:17:44,160

encounter with Bigfoot in Maryland

412

00:17:47,510 --> 00:17:45,179

um

413

00:17:50,270 --> 00:17:47,520

they remind me of Neanderthal

414

00:17:52,669 --> 00:17:50,280

somewhat like human more so than an ape

415

00:17:54,890 --> 00:17:52,679

so I can understand what he's trying to

416

00:17:56,930 --> 00:17:54,900

say here

417

00:17:59,570 --> 00:17:56,940

uh

418

00:18:03,590 --> 00:17:59,580

then we have a cloaked predator like

419

00:18:05,750 --> 00:18:03,600

lizard humanoid observed in a tree now

420

00:18:08,210 --> 00:18:05,760

a married couple sitting on their porch

421

00:18:11,210 --> 00:18:08,220

when both observe a semi-transparent

422

00:18:13,370 --> 00:18:11,220

figure high in the neighbor's pine tree

423

00:18:15,409 --> 00:18:13,380

the white described as being similar to

424

00:18:16,730 --> 00:18:15,419

The cloaked Predator from the film

425

00:18:19,730 --> 00:18:16,740

franchise

426

00:18:23,330 --> 00:18:19,740

now she states

427

00:18:25,190 --> 00:18:23,340

it was a late Summer Afternoon in 2017.

428

00:18:26,390 --> 00:18:25,200

my husband and I were sitting on our sun

429

00:18:29,810 --> 00:18:26,400

porch

430

00:18:32,090 --> 00:18:29,820

driveway and towards the neighbor's

431

00:18:32,930 --> 00:18:32,100

property where he has a humongous pine

432

00:18:35,150 --> 00:18:32,940

tree

433

00:18:36,830 --> 00:18:35,160

and my hottest husband asked me do you

434

00:18:39,110 --> 00:18:36,840

see what I see

435

00:18:40,909 --> 00:18:39,120

it just so happened that I did he never

436

00:18:43,430 --> 00:18:40,919

described what he was looking at but

437

00:18:45,409 --> 00:18:43,440

pointed and followed I followed that and

438

00:18:48,190 --> 00:18:45,419

saw a creature

439

00:18:51,230 --> 00:18:48,200

like that in the movie Predator

440

00:18:54,350 --> 00:18:51,240

transparent kneeling and looking at us

441

00:18:56,450 --> 00:18:54,360

from a perch high up in the tree

442

00:18:58,370 --> 00:18:56,460

you could only see an outline when it

443

00:19:00,710 --> 00:18:58,380

moved it appeared weightless because it

444

00:19:03,230 --> 00:19:00,720

was so high up in the tree those

445

00:19:05,210 --> 00:19:03,240

branches could hold much weight

446

00:19:08,270 --> 00:19:05,220

it was just staring at us and then it

447

00:19:11,029 --> 00:19:08,280

realized that we saw it it went behind

448

00:19:12,710 --> 00:19:11,039

the main body the tree and disappeared

449

00:19:14,450 --> 00:19:12,720

this is the first time my husband is

450

00:19:17,270 --> 00:19:14,460

seeing anything with me and so it

451  
00:19:19,490 --> 00:19:17,280  
changed his whole perspective of course

452  
00:19:22,610 --> 00:19:19,500  
he was more open-minded not too quick to

453  
00:19:25,250 --> 00:19:22,620  
dispute when I shared things I've seen

454  
00:19:27,230 --> 00:19:25,260  
is ex-military and has been all over the

455  
00:19:28,789 --> 00:19:27,240  
world but this was a home where he saw

456  
00:19:29,930 --> 00:19:28,799  
something that just couldn't be

457  
00:19:34,669 --> 00:19:29,940  
explained

458  
00:19:40,070 --> 00:19:37,250  
now those semi-invisible beings I don't

459  
00:19:42,890 --> 00:19:40,080  
know for certain what they are

460  
00:19:44,810 --> 00:19:42,900  
um we both have theories what I know for

461  
00:19:47,270 --> 00:19:44,820  
certain is that they look like that

462  
00:19:49,610 --> 00:19:47,280  
cloaked alien in the movie Predator

463  
00:19:51,950 --> 00:19:49,620

when it was transport parent or

464

00:19:55,010 --> 00:19:51,960

invisible mode it had a lizard-shaped

465

00:19:57,470 --> 00:19:55,020

head now

466

00:20:00,289 --> 00:19:57,480

it's interesting how some of the

467

00:20:01,190 --> 00:20:00,299

phenomena that are shown in film or

468

00:20:03,890 --> 00:20:01,200

later

469

00:20:04,909 --> 00:20:03,900

seen by Witnesses I mean is it a top

470

00:20:07,070 --> 00:20:04,919

effect

471

00:20:09,770 --> 00:20:07,080

is it a thought form

472

00:20:12,049 --> 00:20:09,780

or did maybe the original creators

473

00:20:13,789 --> 00:20:12,059

of the film or the film series have a

474

00:20:17,630 --> 00:20:13,799

similar encounter

475

00:20:20,029 --> 00:20:17,640

now in the years since the original film

476

00:20:21,830 --> 00:20:20,039

there are many many other sightings of

477

00:20:24,230 --> 00:20:21,840

what we call glimmer men

478

00:20:25,970 --> 00:20:24,240

uh kind of that glass scene look to it

479

00:20:29,390 --> 00:20:25,980

throughout the world but more so in

480

00:20:33,529 --> 00:20:29,400

North America now the Predator franchise

481

00:20:36,110 --> 00:20:33,539

was originally created by Brothers John

482

00:20:37,370 --> 00:20:36,120

and and Jim Thomas now I've attempted

483

00:20:40,250 --> 00:20:37,380

over the years

484

00:20:43,310 --> 00:20:40,260

to gather insight as to how they came up

485

00:20:45,289 --> 00:20:43,320

with the colloquial concept in the film

486

00:20:48,409 --> 00:20:45,299

and so far I still have no tangible

487

00:20:51,049 --> 00:20:48,419

information now several witnesses at the

488

00:20:53,630 --> 00:20:51,059

Chicago Mothman investigative team and I

489

00:20:56,450 --> 00:20:53,640

talked to have described wind humanoids

490

00:20:58,250 --> 00:20:56,460

as being similar to Jeepers Creepers and

491

00:21:00,950 --> 00:20:58,260

creatures well so

492

00:21:03,650 --> 00:21:00,960

do these memes or troops from films the

493

00:21:06,350 --> 00:21:03,660

internet and pop culture influence what

494

00:21:07,789 --> 00:21:06,360

the witnesses observe

495

00:21:09,650 --> 00:21:07,799

I'd be interested in what you think

496

00:21:12,470 --> 00:21:09,660

about them

497

00:21:14,150 --> 00:21:12,480

so here's the last account I'm going to

498

00:21:18,409 --> 00:21:14,160

read tonight and if you have questions

499

00:21:22,490 --> 00:21:18,419

you can start posting it up on the uh

500

00:21:25,130 --> 00:21:23,150

um

501  
00:21:28,430 --> 00:21:25,140  
a security guard in Nashville Tennessee

502  
00:21:29,930 --> 00:21:28,440  
recalls her wild encounter with four

503  
00:21:31,909 --> 00:21:29,940  
herd people

504  
00:21:34,730 --> 00:21:31,919  
while on duty

505  
00:21:37,130 --> 00:21:34,740  
four foot tall bird-like humanoids has

506  
00:21:39,470 --> 00:21:37,140  
simply appeared before her they later

507  
00:21:41,690 --> 00:21:39,480  
sing to her

508  
00:21:42,710 --> 00:21:41,700  
now she writes I do security work at

509  
00:21:45,409 --> 00:21:42,720  
night

510  
00:21:47,750 --> 00:21:45,419  
and it is in a big fenced-in yard kind

511  
00:21:50,029 --> 00:21:47,760  
of like in a rural area

512  
00:21:51,230 --> 00:21:50,039  
one night I was getting ready to go to

513  
00:21:52,370 --> 00:21:51,240

the rest of them you know to the

514

00:21:54,529 --> 00:21:52,380

building

515

00:21:57,350 --> 00:21:54,539

and one minute I was walking in the next

516

00:21:59,149 --> 00:21:57,360

minute I was in front of four what I

517

00:22:01,070 --> 00:21:59,159

called the bird people because they

518

00:22:03,409 --> 00:22:01,080

stood above four foot

519

00:22:06,890 --> 00:22:03,419

now their faces were kind of humanoid

520

00:22:10,010 --> 00:22:06,900

but you know between a human and a bird

521

00:22:13,070 --> 00:22:10,020

their body was you know it was shaped

522

00:22:15,409 --> 00:22:13,080

like a bird and it had like looked like

523

00:22:17,090 --> 00:22:15,419

what a bird's face

524

00:22:17,870 --> 00:22:17,100

it had a bird's face but it was

525

00:22:22,250 --> 00:22:17,880

different

526

00:22:25,549 --> 00:22:22,260

it wasn't exactly a bird face but

527

00:22:27,649 --> 00:22:25,559

between a human and a bird kind of flat

528

00:22:30,890 --> 00:22:27,659

gray Their Eyes Were

529

00:22:34,490 --> 00:22:30,900

kind of slits and the nose was kind of

530

00:22:35,990 --> 00:22:34,500

like a bird nose or a beak

531

00:22:38,870 --> 00:22:36,000

but it was in the front of the face and

532

00:22:41,210 --> 00:22:38,880

it had kind of a small mouth

533

00:22:42,950 --> 00:22:41,220

it was just for a few seconds I'm not

534

00:22:44,690 --> 00:22:42,960

the kind of person to see things though

535

00:22:47,149 --> 00:22:44,700

I know a lot of

536

00:22:49,130 --> 00:22:47,159

different phenomena

537

00:22:51,890 --> 00:22:49,140

it's still really fresh in my mind

538

00:22:53,690 --> 00:22:51,900

because of it it was different beings

539

00:22:55,190 --> 00:22:53,700

and I did have the sense that they were

540

00:22:57,169 --> 00:22:55,200

very intelligent

541

00:22:59,090 --> 00:22:57,179

and then the next thing I was heading

542

00:23:00,890 --> 00:22:59,100

towards the restroom and I was thinking

543

00:23:02,630 --> 00:23:00,900

it was interdimensional or an outer body

544

00:23:04,909 --> 00:23:02,640

type of thing

545

00:23:06,590 --> 00:23:04,919

this was kind of like out in the open

546

00:23:09,049 --> 00:23:06,600

and I'm thinking that these beings

547

00:23:11,390 --> 00:23:09,059

wanted me to see them

548

00:23:13,010 --> 00:23:11,400

they were standing apart they were for

549

00:23:15,289 --> 00:23:13,020

them and they were just looking at me

550

00:23:17,690 --> 00:23:15,299

and I was just looking at them

551

00:23:19,970 --> 00:23:17,700

so the next night I was just sitting in

552

00:23:22,370 --> 00:23:19,980

my car patrolling like I always do and I

553

00:23:25,250 --> 00:23:22,380

heard this beautiful Melody

554

00:23:27,950 --> 00:23:25,260

it was like a bird and a human

555

00:23:29,810 --> 00:23:27,960

like what it was like they were saying

556

00:23:32,029 --> 00:23:29,820

to me it was you know

557

00:23:34,250 --> 00:23:32,039

and I acknowledged him and they

558

00:23:35,870 --> 00:23:34,260

acknowledged me that's the kind of

559

00:23:36,890 --> 00:23:35,880

that's the indication I got from the

560

00:23:39,230 --> 00:23:36,900

singing

561

00:23:42,230 --> 00:23:39,240

it was like the most beautiful sound an

562

00:23:45,529 --> 00:23:43,789

so

563

00:23:48,110 --> 00:23:45,539

I don't know what to think about that

564

00:23:51,110 --> 00:23:48,120

one uh

565

00:23:53,450 --> 00:23:51,120

I'd be interested to get your ideas on

566

00:23:59,210 --> 00:23:53,460

that but uh

567

00:24:03,230 --> 00:24:01,430

let's see what we got here for questions

568

00:24:13,070 --> 00:24:03,240

go ahead and post your questions and

569

00:24:19,850 --> 00:24:16,789

well I got yeah uh shorter cook one said

570

00:24:22,789 --> 00:24:19,860

move on a contacted her during the week

571

00:24:24,470 --> 00:24:22,799

regarding a UFO report which I I

572

00:24:25,669 --> 00:24:24,480

published for her she'll send the

573

00:24:28,850 --> 00:24:25,679

analysis

574

00:24:31,250 --> 00:24:28,860

later today so uh yeah that's great I'll

575

00:24:34,250 --> 00:24:31,260

post that so folks

576  
00:24:35,510 --> 00:24:34,260  
uh if I'll go ahead and repost what she

577  
00:24:38,270 --> 00:24:35,520  
had sent

578  
00:24:40,669 --> 00:24:38,280  
and uh

579  
00:24:42,590 --> 00:24:40,679  
then I get the analysis and I'll go

580  
00:24:45,350 --> 00:24:42,600  
ahead and post that as well

581  
00:24:47,750 --> 00:24:45,360  
so you can find that on the blog uh

582  
00:24:52,490 --> 00:24:47,760  
Danny Garcia thanks for your uh your

583  
00:24:52,500 --> 00:24:58,130  
so we got any questions folks

584  
00:24:58,140 --> 00:25:02,990  
I'm not seeing anything

585  
00:25:06,409 --> 00:25:04,130  
okay

586  
00:25:11,450 --> 00:25:06,419  
Tina Johnson are the bird people Concept

587  
00:25:19,070 --> 00:25:16,970  
sure I'm sure there are some examples

588  
00:25:21,950 --> 00:25:19,080

somehow or somewhere

589

00:25:25,430 --> 00:25:21,960

offhand I can't think of any

590

00:25:29,930 --> 00:25:28,370

of course you know with a lot of the uh

591

00:25:33,169 --> 00:25:29,940

indigenous

592

00:25:35,029 --> 00:25:33,179

rituals and and dances and such they use

593

00:25:36,169 --> 00:25:35,039

representation of a lot of different

594

00:25:42,890 --> 00:25:36,179

birds

595

00:25:45,890 --> 00:25:42,900

you know um

596

00:25:47,930 --> 00:25:45,900

the Thunderbird lore is is is not a

597

00:25:50,450 --> 00:25:47,940

humanoid per se

598

00:25:53,090 --> 00:25:50,460

but uh I don't know

599

00:25:55,490 --> 00:25:53,100

Steve C have you heard any similar

600

00:25:57,289 --> 00:25:55,500

stories of bird people

601  
00:25:59,630 --> 00:25:57,299  
not like that

602  
00:26:04,010 --> 00:25:59,640  
um there had been

603  
00:26:07,490 --> 00:26:04,020  
stream javians uh Cryptid sightings

604  
00:26:10,010 --> 00:26:07,500  
but as far as humanoid-like Birds

605  
00:26:13,549 --> 00:26:10,020  
if I did I don't I I can't think of it

606  
00:26:21,649 --> 00:26:16,970  
line uh this is from shorter or cook do

607  
00:26:27,230 --> 00:26:24,110  
um I guess it's possible

608  
00:26:29,630 --> 00:26:27,240  
you know I I guess I I honestly believe

609  
00:26:32,510 --> 00:26:29,640  
that these mantis beings or

610  
00:26:33,830 --> 00:26:32,520  
interdimensional beings

611  
00:26:35,810 --> 00:26:33,840  
um

612  
00:26:38,149 --> 00:26:35,820  
you know just like a lot of Cryptids I

613  
00:26:39,409 --> 00:26:38,159

believe they come from another another

614

00:26:43,370 --> 00:26:39,419

dimension

615

00:26:44,390 --> 00:26:43,380

Dimension possibly

616

00:26:47,750 --> 00:26:44,400

um

617

00:26:49,789 --> 00:26:47,760

is it something very similar to uh like

618

00:26:53,390 --> 00:26:49,799

what's going on in Chicago now with

619

00:26:55,789 --> 00:26:53,400

those Wing beings possibly

620

00:26:56,990 --> 00:26:55,799

um are they alien

621

00:27:00,169 --> 00:26:57,000

again

622

00:27:02,450 --> 00:27:00,179

I imagine it's possible

623

00:27:03,769 --> 00:27:02,460

Orla Snyder are there a lot of Glimmer

624

00:27:07,430 --> 00:27:03,779

Man stories

625

00:27:09,230 --> 00:27:07,440

where they are in trees there are a few

626  
00:27:10,250 --> 00:27:09,240  
um very similar to what you see in the

627  
00:27:12,350 --> 00:27:10,260  
films

628  
00:27:13,730 --> 00:27:12,360  
uh I don't think they're hunting like

629  
00:27:17,870 --> 00:27:13,740  
the Predators

630  
00:27:18,590 --> 00:27:17,880  
but uh I I think they use the the

631  
00:27:22,490 --> 00:27:18,600  
um

632  
00:27:25,070 --> 00:27:22,500  
the trees is cover or for for observing

633  
00:27:27,830 --> 00:27:25,080  
but I have had a few I have had a few

634  
00:27:29,810 --> 00:27:27,840  
and more recently be honest

635  
00:27:31,789 --> 00:27:29,820  
Jennifer Bowman

636  
00:27:34,130 --> 00:27:31,799  
what is the strangest script that you

637  
00:27:36,590 --> 00:27:34,140  
encountered well

638  
00:27:40,370 --> 00:27:36,600

personally the winged humanoid encounter

639

00:27:45,110 --> 00:27:41,930

um

640

00:27:47,810 --> 00:27:45,120

yeah that's uh that's the weirdest one

641

00:27:50,990 --> 00:27:47,820

and quite frankly like I've said before

642

00:27:54,470 --> 00:27:51,000

this is um

643

00:27:55,970 --> 00:27:54,480

these are very the one the Cryptids the

644

00:27:58,370 --> 00:27:55,980

winged humanoids that we're seeing in

645

00:28:00,230 --> 00:27:58,380

Chicago those descriptions are very

646

00:28:02,390 --> 00:28:00,240

similar to what we've seen or what

647

00:28:04,970 --> 00:28:02,400

people have seen in Chicago as a

648

00:28:07,970 --> 00:28:04,980

compared to what I encountered in here

649

00:28:10,610 --> 00:28:07,980

in Pennsylvania so

650

00:28:12,230 --> 00:28:10,620

yeah I think that but that is as strange

651  
00:28:14,690 --> 00:28:12,240  
as I've seen I have had a Big Foot

652  
00:28:16,970 --> 00:28:14,700  
encounter and I've had that encounter

653  
00:28:20,750 --> 00:28:16,980  
so um Jennifer Bowman thanks for the

654  
00:28:22,850 --> 00:28:20,760  
super sticker I I appreciate it

655  
00:28:25,310 --> 00:28:22,860  
yeah if if you have a question please

656  
00:28:28,730 --> 00:28:25,320  
put in the cash because quite frankly

657  
00:28:32,029 --> 00:28:28,740  
the chat is so full I can't pick them up

658  
00:28:33,110 --> 00:28:32,039  
unless I see them in in

659  
00:28:36,710 --> 00:28:33,120  
um

660  
00:28:40,909 --> 00:28:38,090  
so

661  
00:28:43,909 --> 00:28:40,919  
how about have you seen Bigfoot I wish

662  
00:28:47,330 --> 00:28:43,919  
one day I will well maybe you will

663  
00:28:49,970 --> 00:28:47,340

I recently had an investigative friend

664

00:28:53,210 --> 00:28:49,980

who in in Wisconsin who saw his first

665

00:28:55,750 --> 00:28:53,220

Bigfoot about a month ago

666

00:29:00,230 --> 00:28:55,760

and uh he's been investigating this for

667

00:29:02,630 --> 00:29:00,240

several decades so yeah it was uh

668

00:29:05,090 --> 00:29:02,640

he was real real excited about it it's

669

00:29:07,909 --> 00:29:05,100

something you never forget I mean my

670

00:29:11,090 --> 00:29:07,919

encounter was uh back in 1981 with a

671

00:29:17,029 --> 00:29:11,100

Bigfoot and um

672

00:29:23,389 --> 00:29:20,810

Steve thanks for uh thanks for the uh

673

00:29:26,450 --> 00:29:23,399

donation

674

00:29:28,789 --> 00:29:26,460

could most of these Cryptids all be the

675

00:29:30,649 --> 00:29:28,799

same thing that can just change its

676  
00:29:33,049 --> 00:29:30,659  
shape you know there there have been

677  
00:29:36,470 --> 00:29:33,059  
these shapeshifter theories

678  
00:29:38,930 --> 00:29:36,480  
or that some Cryptids can change their

679  
00:29:41,450 --> 00:29:38,940  
parents I believe that's possible

680  
00:29:44,269 --> 00:29:41,460  
I think in some respects the wing human

681  
00:29:46,490 --> 00:29:44,279  
noise that Chicago Wing humanoids I

682  
00:29:47,510 --> 00:29:46,500  
think they do change

683  
00:29:49,430 --> 00:29:47,520  
um I think

684  
00:29:51,110 --> 00:29:49,440  
that they may look different to us and

685  
00:29:53,510 --> 00:29:51,120  
what they really look like I think other

686  
00:29:55,970 --> 00:29:53,520  
Cryptids may as well

687  
00:30:00,289 --> 00:29:58,010  
so

688  
00:30:05,570 --> 00:30:00,299

that's the best I can say on that

689

00:30:10,490 --> 00:30:08,570

let's see Tina Johnson your opinion

690

00:30:12,590 --> 00:30:10,500

what is the most aggressive Cryptid or

691

00:30:14,510 --> 00:30:12,600

humanoid oh I'd say definitely the

692

00:30:19,250 --> 00:30:14,520

canines

693

00:30:22,130 --> 00:30:19,260

somewhat aggressive

694

00:30:23,930 --> 00:30:22,140

um there's there's no real evidence that

695

00:30:26,269 --> 00:30:23,940

they actually attacked anybody or hurt

696

00:30:28,669 --> 00:30:26,279

anybody

697

00:30:30,409 --> 00:30:28,679

but

698

00:30:32,269 --> 00:30:30,419

from the witnessing who I have talked to

699

00:30:34,730 --> 00:30:32,279

who Butch also talked to

700

00:30:37,970 --> 00:30:34,740

there there is some type of uh

701  
00:30:42,110 --> 00:30:37,980  
aggression to the way they communicate

702  
00:30:43,070 --> 00:30:42,120  
uh and it's it's like a a mind talk

703  
00:30:47,090 --> 00:30:43,080  
thing

704  
00:30:50,330 --> 00:30:48,830  
but I think they are probably the most

705  
00:30:53,330 --> 00:30:50,340  
aggressive

706  
00:30:55,850 --> 00:30:53,340  
uh canned Squatch

707  
00:30:57,889 --> 00:30:55,860  
how tall were the Mantis creatures and

708  
00:31:00,529 --> 00:30:57,899  
how muscular normally they are described

709  
00:31:03,350 --> 00:31:00,539  
as thin yeah uh

710  
00:31:06,110 --> 00:31:03,360  
the muscata Khan New Jersey sighting

711  
00:31:08,090 --> 00:31:06,120  
River sightings uh

712  
00:31:11,810 --> 00:31:08,100  
from the witnesses I talked to they were

713  
00:31:13,090 --> 00:31:11,820

anywhere from six seven six seven foot

714

00:31:15,830 --> 00:31:13,100

other other

715

00:31:18,250 --> 00:31:15,840

sightings that had been reported me kind

716

00:31:20,870 --> 00:31:18,260

of same range

717

00:31:21,889 --> 00:31:20,880

you know I guess it's up to anybody to

718

00:31:26,450 --> 00:31:21,899

figure

719

00:31:28,310 --> 00:31:26,460

if if they're if if they're alien or

720

00:31:35,590 --> 00:31:28,320

some type of interdimensional being or

721

00:31:42,289 --> 00:31:39,169

uh Castor pogs said one good show my son

722

00:31:44,750 --> 00:31:42,299

was stationed in Fort Steward 2005 2006

723

00:31:46,730 --> 00:31:44,760

and so there were a lot of UFOs over the

724

00:31:48,289 --> 00:31:46,740

base wow

725

00:31:51,769 --> 00:31:48,299

I had no doubt I mean there's a lot that

726

00:31:57,710 --> 00:31:55,130

uh Donna Forte do those glimmer men ever

727

00:32:00,230 --> 00:31:57,720

kill anyone not that I know of I haven't

728

00:32:05,210 --> 00:32:00,240

heard of that

729

00:32:07,250 --> 00:32:05,220

use televisions have you ever heard of

730

744

00:33:09,409 --> 00:33:06,360

the social def 3

745

00:33:11,149 --> 00:33:09,419

is blocked somehow or

746

00:33:14,029 --> 00:33:11,159

just go ahead and block them but I don't

747

00:33:15,350 --> 00:33:14,039

think they are I'll check later but I I

748

00:33:18,049 --> 00:33:15,360

don't think they are

749

00:33:20,389 --> 00:33:18,059

Bobby Fern why do you think upright

750

00:33:22,909 --> 00:33:20,399

canines are being seen more habitat and

751  
00:33:24,470 --> 00:33:22,919  
corrosion possibly

752  
00:33:27,289 --> 00:33:24,480  
um

753  
00:33:31,070 --> 00:33:27,299  
yeah I mean

754  
00:33:33,169 --> 00:33:31,080  
that's probably the best

755  
00:33:35,630 --> 00:33:33,179  
explanation as to why

756  
00:33:37,430 --> 00:33:35,640  
they don't seem to want to come into uh

757  
00:33:38,990 --> 00:33:37,440  
residential areas or areas where there

758  
00:33:40,190 --> 00:33:39,000  
are people no they have been they have

759  
00:33:42,889 --> 00:33:40,200  
been seen

760  
00:33:45,529 --> 00:33:42,899  
but uh as far as

761  
00:33:48,889 --> 00:33:45,539  
encroaching on their natural habitat

762  
00:33:51,169 --> 00:33:48,899  
Yeah the more that's going on and I here

763  
00:33:52,850 --> 00:33:51,179

in Pennsylvania in particular

764

00:33:55,310 --> 00:33:52,860

many of the sightings that we have

765

00:33:56,870 --> 00:33:55,320

gotten or been around or we've received

766

00:34:00,769 --> 00:33:56,880

have been around state parks state

767

00:34:03,169 --> 00:34:00,779

forests and other types of uh game lands

768

00:34:10,669 --> 00:34:03,179

so

769

00:34:14,450 --> 00:34:13,010

okay well folks I want to thank you for

770

00:34:18,290 --> 00:34:14,460
