38

00:02:10,490 --> 00:02:07,979

Tobias Whalen joining me as well as

39

00:02:13,550 --> 00:02:10,500

Manuel navarrette

40

00:02:16,729 --> 00:02:13,560

and we're gonna start right off trying

41

00:02:19,369 --> 00:02:16,739

to catch up on what we we haven't talked

42

00:02:21,910 --> 00:02:19,379

about in the past six months we last

43

00:02:24,710 --> 00:02:21,920

time we were together on here

44

00:02:27,710 --> 00:02:24,720

was in November

45

00:02:29,210 --> 00:02:27,720

and we've had nine different reports

46

00:02:32,690 --> 00:02:29,220

since then

47

00:02:35,570 --> 00:02:32,700

so I do want to so I'll go ahead and put

48

00:02:41,390 --> 00:02:35,580

up here the first one

49

00:02:46,729 --> 00:02:43,850

oh yeah this is this and this was this

50

00:02:48,589 --> 00:02:46,739

was sent to Manuel this was the um

51
00:02:51,229 --> 00:02:48,599
the little village woman and her father

52
00:02:53,869 --> 00:02:51,239
who had left the grocery store over

53
00:03:00,229 --> 00:02:57,770
over on 32nd Street so man well why

54
00:03:02,330 --> 00:03:00,239
don't you tell us a bit about that

55
00:03:06,770 --> 00:03:02,340
yeah I mean that happened in the little

56
00:03:08,630 --> 00:03:06,780
village neighborhood and um if you are

57
00:03:10,430 --> 00:03:08,640
from there you you know it's a very

58
00:03:13,130 --> 00:03:10,440
Hispanic area it's the largest Hispanic

59
00:03:14,990 --> 00:03:13,140
area in the entire city um

60
00:03:16,430 --> 00:03:15,000
it's also known as la villita which

61
00:03:18,229 --> 00:03:16,440
Little Village

62
00:03:20,390 --> 00:03:18,239
um

63
00:03:22,369 --> 00:03:20,400

the one thing is if the neighborhoods

64

00:03:24,229 --> 00:03:22,379

are the residential neighborhoods are

65

00:03:25,490 --> 00:03:24,239

like you'll go like two blocks of

66

00:03:27,550 --> 00:03:25,500

residential when

67

00:03:30,770 --> 00:03:27,560

on the corner you'll have like a little

68

00:03:33,229 --> 00:03:30,780

tiendita Bodega you know little grocery

69

00:03:34,790 --> 00:03:33,239

stores basically that dot the entire

70

00:03:39,170 --> 00:03:34,800

area

71

00:03:41,690 --> 00:03:39,180

so this lady uh and her father who was

72

00:03:43,789 --> 00:03:41,700

like 81 years old were leaving the store

73

00:03:44,809 --> 00:03:43,799

they were had gone to go get a couple of

74

00:03:48,830 --> 00:03:44,819

things

75

00:03:52,910 --> 00:03:48,840

um for the house and across the street

76

00:03:55,850 --> 00:03:52,920

there was a um a house that had a

77

00:03:58,630 --> 00:03:55,860

kind of a wrought iron fence that had uh

78

00:04:01,550 --> 00:03:58,640

the post the concrete post in between

79

00:04:05,149 --> 00:04:01,560

and on top of one of that was the uh

80

00:04:07,970 --> 00:04:05,159

this creature and as a wing humanoid but

81

00:04:09,770 --> 00:04:07,980

it wasn't as big as some of the other

82

00:04:11,330 --> 00:04:09,780

ones this one was she said maybe about

83

00:04:13,789 --> 00:04:11,340

four foot tall

84

00:04:15,470 --> 00:04:13,799

had a very long tail and very large

85

00:04:19,129 --> 00:04:15,480

wings

86

00:04:21,949 --> 00:04:19,139

um and it immediately just locked eyes

87

00:04:24,890 --> 00:04:21,959

with them was watching them

88

00:04:27,770 --> 00:04:24,900

um the one interesting thing that that I

89

00:04:29,570 --> 00:04:27,780

picked off right off the bat was right

90

00:04:31,670 --> 00:04:29,580

in front of where this thing was sitting

91

00:04:33,230 --> 00:04:31,680

on top of one of these pillars was a

92

00:04:34,850 --> 00:04:33,240

street light

93

00:04:37,189 --> 00:04:34,860

um normally this whole area would be

94

00:04:39,050 --> 00:04:37,199

illuminated with that street light but

95

00:04:41,749 --> 00:04:39,060

this thing seemed to be absorbing light

96

00:04:44,810 --> 00:04:41,759

it was you could still tell the outline

97

00:04:47,150 --> 00:04:44,820

it had a long tail it had a like a

98

00:04:50,450 --> 00:04:47,160

little pointed tail

99

00:04:52,909 --> 00:04:50,460

um and she kept saying that it was um

100

00:04:54,890 --> 00:04:52,919

swishing it around kind of like she she

101

00:04:57,409 --> 00:04:54,900

likened it to her cat when her cat's

102

00:05:00,530 --> 00:04:57,419

interested in something so it could move

103

00:05:02,450 --> 00:05:00,540

in the tail from side to side and kind

104

00:05:04,490 --> 00:05:02,460

of just like slowly kind of opening and

105

00:05:06,710 --> 00:05:04,500

closing its wings

106

00:05:08,990 --> 00:05:06,720

um she immediately started feeling you

107

00:05:10,129 --> 00:05:09,000

know really scared you know

108

00:05:13,129 --> 00:05:10,139

um

109

00:05:15,290 --> 00:05:13,139

you know her dad saw it and you know the

110

00:05:18,290 --> 00:05:15,300

and they really she was really worried

111

00:05:19,909 --> 00:05:18,300

about her dad her dad being as old as he

112

00:05:22,010 --> 00:05:19,919

was I mean he's not going to be able to

113

00:05:23,570 --> 00:05:22,020

you know run if this thing decided to go

114

00:05:25,790 --> 00:05:23,580

after them

115

00:05:29,629 --> 00:05:25,800

um so they slowly made their way to the

116

00:05:31,730 --> 00:05:29,639

car and she says that when she

117

00:05:33,710 --> 00:05:31,740

clicked the alarm to turn it off it

118

00:05:35,510 --> 00:05:33,720

chirped that's when this thing took off

119

00:05:36,770 --> 00:05:35,520

into the air and was hovering right

120

00:05:37,490 --> 00:05:36,780

there

121

00:05:40,070 --> 00:05:37,500

um

122

00:05:41,870 --> 00:05:40,080

mind you this whole time I was watching

123

00:05:44,390 --> 00:05:41,880

them the whole time they was across the

124

00:05:46,189 --> 00:05:44,400

street it just and the more they moved

125

00:05:47,689 --> 00:05:46,199

the more its tail just kept swishing

126
00:05:49,430 --> 00:05:47,699
around

127
00:05:52,189 --> 00:05:49,440
um kind of like it was really really

128
00:05:55,370 --> 00:05:52,199
just curious

129
00:05:58,430 --> 00:05:55,380
um witnessing chirp this thing took off

130
00:06:00,830 --> 00:05:58,440
into the air was hovering in place and

131
00:06:03,409 --> 00:06:00,840
she and her dad got in as fast as they

132
00:06:06,890 --> 00:06:03,419
possibly could and this thing circled

133
00:06:11,450 --> 00:06:09,770
it was she described it uh when I spoke

134
00:06:14,570 --> 00:06:11,460
with her she

135
00:06:17,749 --> 00:06:14,580
um she described it like about four foot

136
00:06:19,189 --> 00:06:17,759
tall she says it was it was small I kept

137
00:06:21,650 --> 00:06:19,199
asking her you know was this about seven

138
00:06:23,510 --> 00:06:21,660

foot tall and the normal parameters for

139

00:06:25,070 --> 00:06:23,520

most of these sightings especially out

140

00:06:27,890 --> 00:06:25,080

at the airport you know seven foot tall

141

00:06:31,309 --> 00:06:27,900

large wingspan she says the wingspan was

142

00:06:34,070 --> 00:06:31,319

maybe you know four to five feet she she

143

00:06:37,969 --> 00:06:34,080

estimates from tip to tip

144

00:06:40,730 --> 00:06:37,979

um the tail was as long as it was tall

145

00:06:43,730 --> 00:06:40,740

um and its eyes were you know it's

146

00:06:45,650 --> 00:06:43,740

glowing red eyes but she says that the

147

00:06:48,650 --> 00:06:45,660

one thing was that no matter how much

148

00:06:50,689 --> 00:06:48,660

light it was in this thing kept just it

149

00:06:53,570 --> 00:06:50,699

was absorbing the light it was kept it

150

00:06:55,249 --> 00:06:53,580

in darkness it's still very defined but

151
00:06:56,090 --> 00:06:55,259
still very much

152
00:06:58,790 --> 00:06:56,100
um

153
00:07:01,129 --> 00:06:58,800
not reflecting any like

154
00:07:02,590 --> 00:07:01,139
um they went home and her mom they told

155
00:07:08,629 --> 00:07:02,600
her mom their mom was you know

156
00:07:12,290 --> 00:07:09,409
um

157
00:07:14,450 --> 00:07:12,300
in the Hispanic culture is a creature

158
00:07:18,050 --> 00:07:14,460
that a witch that can change into a wind

159
00:07:18,650 --> 00:07:18,060
being an owl an eagle of any kind

160
00:07:22,189 --> 00:07:18,660
um

161
00:07:26,450 --> 00:07:22,199
she did a blessing on them

162
00:07:30,370 --> 00:07:26,460
um running an egg over them for you know

163
00:07:33,710 --> 00:07:30,380

um which is evil eye which is all basic

164

00:07:36,950 --> 00:07:33,720

uh fair you know a lot of Hispanic

165

00:07:40,249 --> 00:07:36,960

families grow up in a in a huge mixture

166

00:07:45,529 --> 00:07:42,710

so and when she would not let them out

167

00:07:46,370 --> 00:07:45,539

of the house for the rest of the night

168

00:07:49,070 --> 00:07:46,380

um

169

00:07:51,710 --> 00:07:49,080

when I talk to the dad you know he did

170

00:07:53,990 --> 00:07:51,720

not he adamantly told her I did not want

171

00:07:56,570 --> 00:07:54,000

to speak to him I do not want to you

172

00:07:59,749 --> 00:07:56,580

know invoke this thing back again

173

00:08:01,610 --> 00:07:59,759

um she spoke with me her English was

174

00:08:03,409 --> 00:08:01,620

not the greatest but I can translate

175

00:08:05,450 --> 00:08:03,419

into Spanish

176

00:08:07,790 --> 00:08:05,460

um so yeah pretty interesting pretty

177

00:08:10,450 --> 00:08:07,800

pretty interesting story uh very close

178

00:08:13,870 --> 00:08:10,460

range sighting and again just another

179

00:08:16,430 --> 00:08:13,880

sighting happening in in and around the

180

00:08:19,129 --> 00:08:16,440

Hispanic area of little village yeah

181

00:08:21,170 --> 00:08:19,139

this is what gets me now that's that was

182

00:08:22,270 --> 00:08:21,180

a tenth sighting that we had in Little

183

00:08:25,610 --> 00:08:22,280

Village

184

00:08:27,650 --> 00:08:25,620

and we had an 11th sighting later on

185

00:08:32,449 --> 00:08:27,660

that we'll talk about

186

00:08:35,389 --> 00:08:32,459

uh tobaised the size have we had any of

187

00:08:40,969 --> 00:08:37,909

uh yeah right around that that our foot

188

00:08:43,969 --> 00:08:40,979

Mark in terms of reports um you know

189

00:08:46,670 --> 00:08:43,979

there have been um descriptions that

190

00:08:47,449 --> 00:08:46,680

were on the the smaller side

191

00:08:50,990 --> 00:08:47,459

um

192

00:08:54,230 --> 00:08:51,000

they're not uh it's certainly as common

193

00:08:58,310 --> 00:08:54,240

um binded of the reason and I wish I

194

00:09:04,070 --> 00:09:00,590

but leave the list

195

00:09:04,610 --> 00:09:04,080

uh scrub the thing as

196

00:09:05,690 --> 00:09:04,620

[Music]

197

00:09:07,730 --> 00:09:05,700

um

198

00:09:09,410 --> 00:09:07,740

are there similar flying squirrel or

199

00:09:11,889 --> 00:09:09,420

maybe the thing was hunting squirrel I

200

00:09:15,170 --> 00:09:11,899

you might remember that back than me

201
00:09:19,310 --> 00:09:15,180
because yeah I thought I think that was

202
00:09:25,790 --> 00:09:22,009
uh and and that was that wall you know

203
00:09:31,070 --> 00:09:25,800
only what three four five you know and

204
00:09:34,030 --> 00:09:31,080
then I uh in northern Wisconsin uh

205
00:09:38,269 --> 00:09:34,040
a winged being that was

206
00:09:40,790 --> 00:09:38,279
just into the general

207
00:09:44,930 --> 00:09:40,800
uh qualities that we've okay with

208
00:09:46,490 --> 00:09:44,940
reports but uh in terms of size it was I

209
00:09:50,269 --> 00:09:46,500
mean it was very well you know we're

210
00:09:53,389 --> 00:09:50,279
working six inches tall or something

211
00:09:56,449 --> 00:09:53,399
so it was strange but uh but I mean it's

212
00:10:01,250 --> 00:09:56,459
uh it's certainly an outlier in in terms

213
00:10:03,530 --> 00:10:01,260

of data we're looking at just raw repo

214

00:10:04,610 --> 00:10:03,540

that is that is unusual

215

00:10:06,550 --> 00:10:04,620

um

216

00:10:10,190 --> 00:10:06,560

you know

217

00:10:12,230 --> 00:10:10,200

well I mean the next series of sightings

218

00:10:14,329 --> 00:10:12,240

that we had were at the airport and

219

00:10:16,310 --> 00:10:14,339

these were um these were from the

220

00:10:19,550 --> 00:10:16,320

firefighters you know I think we had

221

00:10:20,949 --> 00:10:19,560

three different reports from you

222

00:10:23,329 --> 00:10:20,959

um Manuel

223

00:10:26,090 --> 00:10:23,339

so why don't you just start from the

224

00:10:28,730 --> 00:10:26,100

beginning and tell us

225

00:10:30,650 --> 00:10:28,740

what was the Nexus of all that and what

226

00:10:32,630 --> 00:10:30,660

did you hear Beyond it

227

00:10:34,670 --> 00:10:32,640

well I mean the first sighting was the

228

00:10:36,889 --> 00:10:34,680

one that happened at the uh I believe it

229

00:10:40,009 --> 00:10:36,899

was station two that is right there by

230

00:10:40,910 --> 00:10:40,019

terminal uh terminal three

231

00:10:43,730 --> 00:10:40,920

um

232

00:10:45,829 --> 00:10:43,740

they were coming the one firefighter was

233

00:10:48,110 --> 00:10:45,839

on in the middle of a shift

234

00:10:49,670 --> 00:10:48,120

um and he's like he says every time he's

235

00:10:51,769 --> 00:10:49,680

on shift he brings his laptop because

236

00:10:53,990 --> 00:10:51,779

he's he's in the middle of a series that

237

00:10:58,009 --> 00:10:54,000

he was watching so he would you know

238

00:10:59,990 --> 00:10:58,019

stream you know when they had time so he

239

00:11:02,150 --> 00:11:00,000

was setting up his stuff in the common

240

00:11:04,130 --> 00:11:02,160

area and

241

00:11:07,250 --> 00:11:04,140

he says that um

242

00:11:09,530 --> 00:11:07,260

the um he forgot his his charging cable

243

00:11:12,889 --> 00:11:09,540

so he ran out to his truck and he said

244

00:11:16,670 --> 00:11:12,899

he kept hearing like a chirping like a

245

00:11:20,569 --> 00:11:16,680

real distinct chirping mind you it's

246

00:11:22,310 --> 00:11:20,579

you know maybe in the 30s outside you

247

00:11:24,530 --> 00:11:22,320

know so

248

00:11:26,449 --> 00:11:24,540

um he found it really strange and he

249

00:11:28,910 --> 00:11:26,459

kept getting the speeding like this was

250

00:11:31,190 --> 00:11:28,920

like he kept hearing it's like shuffling

251
00:11:32,509 --> 00:11:31,200
and like the feeling that he was being

252
00:11:33,110 --> 00:11:32,519
watched

253
00:11:35,569 --> 00:11:33,120
um

254
00:11:37,670 --> 00:11:35,579
so where the firefighting where the fire

255
00:11:41,090 --> 00:11:37,680
station is across the street there's a

256
00:11:43,430 --> 00:11:41,100
big uh plant that's the HVAC plant uh

257
00:11:46,550 --> 00:11:43,440
for the entire airport

258
00:11:48,470 --> 00:11:46,560
um across the street there on top of the

259
00:11:50,750 --> 00:11:48,480
building was this

260
00:11:52,790 --> 00:11:50,760
um seven foot tall Wing being with red

261
00:11:55,069 --> 00:11:52,800
eyes looking down at him

262
00:11:58,790 --> 00:11:55,079
and it kept making this chirping

263
00:12:02,090 --> 00:11:58,800

clicking sound as it watched him

264

00:12:03,889 --> 00:12:02,100

um you know Evan took off and

265

00:12:06,650 --> 00:12:03,899

disappeared

266

00:12:09,829 --> 00:12:06,660

um what was very interesting is he ran

267

00:12:11,329 --> 00:12:09,839

inside and he was telling everybody that

268

00:12:13,490 --> 00:12:11,339

was there everybody that was in the

269

00:12:16,009 --> 00:12:13,500

common area and

270

00:12:17,210 --> 00:12:16,019

for the next he said to a surprise for

271

00:12:18,889 --> 00:12:17,220

the next two hours that's all they

272

00:12:20,509 --> 00:12:18,899

talked about some of these older

273

00:12:22,009 --> 00:12:20,519

firefighters they say yeah this thing's

274

00:12:25,550 --> 00:12:22,019

around he likes to scare the living hell

275

00:12:27,650 --> 00:12:25,560

out of people it's never really been

276

00:12:29,690 --> 00:12:27,660

known to be aggressive of any kind but

277

00:12:31,130 --> 00:12:29,700

it loves to scare The Living Daylights

278

00:12:33,050 --> 00:12:31,140

out of people

279

00:12:34,910 --> 00:12:33,060

um by appearing watching over them and

280

00:12:35,569 --> 00:12:34,920

been taking off

281

00:12:38,269 --> 00:12:35,579

um

282

00:12:40,009 --> 00:12:38,279

so you know and this was about

283

00:12:42,170 --> 00:12:40,019

I want to say about 11 o'clock at night

284

00:12:43,009 --> 00:12:42,180

that just happened

285

00:12:46,610 --> 00:12:43,019

um

286

00:12:49,490 --> 00:12:46,620

the second one was the same station same

287

00:12:52,009 --> 00:12:49,500

uh same Firehouse I believe it they were

288

00:12:54,530 --> 00:12:52,019

is this one was around I want to say

289

00:12:57,230 --> 00:12:54,540

about midnight or so it was a late it

290

00:13:00,710 --> 00:12:57,240

was a late night but they were coming

291

00:13:02,810 --> 00:13:00,720

from fueling up the engines so to get to

292

00:13:05,210 --> 00:13:02,820

fuel up the engines they have to go to a

293

00:13:08,389 --> 00:13:05,220

separate part of the airport where the

294

00:13:10,129 --> 00:13:08,399

pumps are so when they leave much like

295

00:13:12,110 --> 00:13:10,139

you see here in Chicago when one of

296

00:13:13,550 --> 00:13:12,120

these all of them leave uh just in case

297

00:13:17,150 --> 00:13:13,560

there's a there's a call they're all

298

00:13:20,030 --> 00:13:17,160

right there so they were coming back to

299

00:13:22,190 --> 00:13:20,040

the station from fueling up and as they

300

00:13:23,750 --> 00:13:22,200

turned the corner to go toward the

301
00:13:26,090 --> 00:13:23,760
station

302
00:13:28,550 --> 00:13:26,100
um they saw the things it was on the

303
00:13:30,769 --> 00:13:28,560
ground looking at them

304
00:13:32,629 --> 00:13:30,779
um across the street in front of them

305
00:13:34,810 --> 00:13:32,639
again scared the vegetas out of

306
00:13:38,449 --> 00:13:34,820
everybody in the in the uh in the engine

307
00:13:38,990 --> 00:13:38,459
Evan just took off on them

308
00:13:40,790 --> 00:13:39,000
um

309
00:13:43,129 --> 00:13:40,800
you know

310
00:13:44,750 --> 00:13:43,139
everybody that talked about that one was

311
00:13:47,269 --> 00:13:44,760
same thing you know we've seen it around

312
00:13:50,150 --> 00:13:47,279
we've heard about it people call it the

313
00:13:52,910 --> 00:13:50,160

Batman you know of O'Hare you know the

314

00:13:54,889 --> 00:13:52,920

it's known as the Mothman the Phantom

315

00:13:57,650 --> 00:13:54,899

though a lot of the people the bargain

316

00:13:59,750 --> 00:13:57,660

channel is called the Batman of O'Hare

317

00:14:01,310 --> 00:13:59,760

um but it loves to do this one thing

318

00:14:02,629 --> 00:14:01,320

that's scared of living hell out of

319

00:14:03,470 --> 00:14:02,639

people

320

00:14:05,690 --> 00:14:03,480

um

321

00:14:08,090 --> 00:14:05,700

Evan the third one was I believe station

322

00:14:10,790 --> 00:14:08,100

three which is more located centrally

323

00:14:12,710 --> 00:14:10,800

inside the airport itself

324

00:14:16,370 --> 00:14:12,720

um and this was on Fourth of July

325

00:14:18,050 --> 00:14:16,380

weekend I believe no no this was New

326

00:14:19,850 --> 00:14:18,060

Year's I'm sorry they were watching

327

00:14:21,230 --> 00:14:19,860

fireworks

328

00:14:24,650 --> 00:14:21,240

um I'm sorry I don't know why I thought

329

00:14:26,030 --> 00:14:24,660

it was a job but um this was about

330

00:14:28,250 --> 00:14:26,040

um New Year's and they were watching the

331

00:14:32,150 --> 00:14:28,260

fireworks display and so they were all

332

00:14:32,889 --> 00:14:32,160

outside and this thing flew over them

333

00:14:35,930 --> 00:14:32,899

um

334

00:14:37,970 --> 00:14:35,940

entire house saw it

335

00:14:41,090 --> 00:14:37,980

um circled around them a couple of times

336

00:14:41,930 --> 00:14:41,100

and then just disappeared into the night

337

00:14:45,170 --> 00:14:41,940

um

338

00:14:47,509 --> 00:14:45,180

and you know they were all like yeah

339

00:14:49,129 --> 00:14:47,519

at first I was like asking you know was

340

00:14:50,569 --> 00:14:49,139

this surprise to anybody in shocks like

341

00:14:52,069 --> 00:14:50,579

some of the newer people were in shock

342

00:14:55,069 --> 00:14:52,079

but the

343

00:14:57,050 --> 00:14:55,079

for the most part the um the older crowd

344

00:14:58,610 --> 00:14:57,060

the older people you know they knew

345

00:15:00,350 --> 00:14:58,620

they've heard it they've seen it they

346

00:15:01,970 --> 00:15:00,360

they've dealt with it a couple of times

347

00:15:04,009 --> 00:15:01,980

so

348

00:15:05,930 --> 00:15:04,019

um that's pretty much all three of those

349

00:15:07,910 --> 00:15:05,940

signings right there but these are you

350

00:15:09,650 --> 00:15:07,920

know Chicago Fire Departments

351
00:15:12,170 --> 00:15:09,660
firefighters they're assigned to the

352
00:15:15,710 --> 00:15:12,180
airport uh I believe there are four

353
00:15:18,050 --> 00:15:15,720
station houses around the airport uh all

354
00:15:20,509 --> 00:15:18,060
of them are very specialized units uh

355
00:15:24,350 --> 00:15:20,519
designed for uh fighting it fires at the

356
00:15:26,509 --> 00:15:24,360
airport so yeah these guys multiple most

357
00:15:29,150 --> 00:15:26,519
of them have had um

358
00:15:32,150 --> 00:15:29,160
have had you know multi-years of

359
00:15:34,730 --> 00:15:32,160
experience within the cfd

360
00:15:36,470 --> 00:15:34,740
um and it was just really weird to see

361
00:15:38,269 --> 00:15:36,480
to see

362
00:15:40,610 --> 00:15:38,279
these kinds of people these people are

363
00:15:42,170 --> 00:15:40,620

not only First Responders what you would

364

00:15:44,569 --> 00:15:42,180

put in your father you want to say

365

00:15:47,030 --> 00:15:44,579

they're trained observers you know

366

00:15:49,009 --> 00:15:47,040

seasoned observers so they're used to

367

00:15:50,629 --> 00:15:49,019

kind of seeing you know they're they're

368

00:15:52,970 --> 00:15:50,639

used to seeing something gathering

369

00:15:55,370 --> 00:15:52,980

information and being able to give it

370

00:15:56,870 --> 00:15:55,380

back to you you know with the exacting

371

00:15:59,629 --> 00:15:56,880

detail and they were able to get some

372

00:16:03,949 --> 00:15:59,639

really good details about this thing

373

00:16:09,889 --> 00:16:06,829

yeah this the uh station two and station

374

00:16:11,449 --> 00:16:09,899

three are pretty close to each other

375

00:16:14,629 --> 00:16:11,459

um station

376

00:16:16,069 --> 00:16:14,639

three is just North of station two but I

377

00:16:17,030 --> 00:16:16,079

think there are four of them all

378

00:16:19,970 --> 00:16:17,040

together

379

00:16:22,370 --> 00:16:19,980

uh let me ask a question here Karen

380

00:16:24,350 --> 00:16:22,380

Peterson asked um

381

00:16:25,790 --> 00:16:24,360

what time of day are most of the

382

00:16:28,069 --> 00:16:25,800

sightings

383

00:16:31,730 --> 00:16:28,079

um you guys want to answer that I mean

384

00:16:33,350 --> 00:16:31,740

you know I I guess we first thought in

385

00:16:34,850 --> 00:16:33,360

the beginning most societies were at

386

00:16:37,490 --> 00:16:34,860

night time but it didn't turn out that

387

00:16:39,470 --> 00:16:37,500

we were getting daytime sightings too

388

00:16:45,009 --> 00:16:39,480

oh yeah

389

00:16:46,910 --> 00:16:45,019

well it's uh it's as I

390

00:16:48,949 --> 00:16:46,920

category of

391

00:16:52,009 --> 00:16:48,959

uh the

392

00:16:54,769 --> 00:16:52,019

particular witness report falls under

393

00:16:56,269 --> 00:16:54,779

um you know a lot of times scientists

394

00:16:59,389 --> 00:16:56,279

lack the

395

00:17:00,910 --> 00:16:59,399

seemingly paranormal qualities that you

396

00:17:02,629 --> 00:17:00,920

would normally

397

00:17:05,150 --> 00:17:02,639

with

398

00:17:08,689 --> 00:17:05,160

um a Mothman thing and so there's good

399

00:17:11,750 --> 00:17:08,699

evidence that uh that many if not all

400

00:17:13,449 --> 00:17:11,760

but at least a minute probably of the

401

00:17:16,850 --> 00:17:13,459

daytime sightings

402

00:17:19,069 --> 00:17:16,860

reasonably explained

403

00:17:22,669 --> 00:17:19,079

um you know prosaically like they

404

00:17:24,770 --> 00:17:22,679

probably have mundane uh behind that

405

00:17:26,470 --> 00:17:24,780

being that missed that I Heard's or or

406

00:17:28,450 --> 00:17:26,480

similar

407

00:17:30,370 --> 00:17:28,460

and so

408

00:17:39,770 --> 00:17:30,380

of the

409

00:17:43,610 --> 00:17:39,780

to to be people uh those certain uh

410

00:17:46,549 --> 00:17:43,620

common at uh night time but you've

411

00:17:50,870 --> 00:17:46,559

you've really got to uh examine each

412

00:17:53,330 --> 00:17:50,880

sighting on our merits and and then sort

413

00:17:54,230 --> 00:17:53,340

of uh try to

414

00:17:56,690 --> 00:17:54,240

um

415

00:18:00,289 --> 00:17:56,700

uh take you know your your conclusions

416

00:18:04,970 --> 00:18:00,299

from that rather than trying to make of

417

00:18:06,470 --> 00:18:04,980

all of them as a a whole because if you

418

00:18:09,169 --> 00:18:06,480

do that uh the whole thing it's just

419

00:18:11,810 --> 00:18:09,179

it's not much sense

420

00:18:14,450 --> 00:18:11,820

uh Tobias I'm gonna have you um I'm

421

00:18:15,950 --> 00:18:14,460

gonna have you log out and come back in

422

00:18:17,870 --> 00:18:15,960

and I'll put you back because you're

423

00:18:24,110 --> 00:18:17,880

really breaking up on us

424

00:18:31,190 --> 00:18:27,590

so uh the next sighting we had was up in

425

00:18:32,750 --> 00:18:31,200

Waukegan and this was sent to me

426

00:18:36,350 --> 00:18:32,760

uh

427

00:18:40,669 --> 00:18:36,360

it was a family of six who had seen

428

00:18:43,130 --> 00:18:40,679

a black flying humanoid above them near

429

00:18:45,169 --> 00:18:43,140

Lake Michigan lakefront and this now

430

00:18:50,210 --> 00:18:45,179

this is an older site this was August of

431

00:18:53,810 --> 00:18:51,230

um

432

00:18:54,950 --> 00:18:53,820

and actually we had another sighting

433

00:18:57,350 --> 00:18:54,960

there

434

00:18:58,730 --> 00:18:57,360

previous to that very close to the same

435

00:19:01,370 --> 00:18:58,740

location

436

00:19:02,990 --> 00:19:01,380

but they were telling me that

437

00:19:04,970 --> 00:19:03,000

um

438

00:19:06,230 --> 00:19:04,980

and that was over at Bowen Park I think

439

00:19:13,610 --> 00:19:06,240

you had talked about that as a

440

00:19:18,110 --> 00:19:15,610

yeah

441

00:19:20,450 --> 00:19:18,120

at the in and around that area at a

442

00:19:23,690 --> 00:19:20,460

skateboard park

443

00:19:28,730 --> 00:19:25,630

okay I got

444

00:19:30,110 --> 00:19:28,740

Tobias is back in

445

00:19:33,169 --> 00:19:30,120

um

446

00:19:34,850 --> 00:19:33,179

yeah so anyway what they told me uh you

447

00:19:37,070 --> 00:19:34,860

know I talked to the witness get more

448

00:19:39,830 --> 00:19:37,080

information about the sighting

449

00:19:43,610 --> 00:19:39,840

and she described it as six to seven

450

00:19:46,490 --> 00:19:43,620

foot long human like Beam with a small

451
00:19:47,990 --> 00:19:46,500
head there were no visible Wings on this

452
00:19:50,090 --> 00:19:48,000
thing

453
00:19:52,610 --> 00:19:50,100
but there was detail to the body even

454
00:19:55,669 --> 00:19:52,620
though it was solid black in color

455
00:19:57,770 --> 00:19:55,679
and a witness could make out the body

456
00:20:00,710 --> 00:19:57,780
Contour

457
00:20:03,770 --> 00:20:00,720
I was a well-defined chest with pectoral

458
00:20:05,870 --> 00:20:03,780
muscles as it flew over then the speed

459
00:20:09,130 --> 00:20:05,880
was not constant

460
00:20:12,049 --> 00:20:09,140
as it would occasionally hover

461
00:20:14,570 --> 00:20:12,059
and uh it did seem to be a living being

462
00:20:16,610 --> 00:20:14,580
because the the legs and arms would

463
00:20:19,669 --> 00:20:16,620

change position

464

00:20:21,590 --> 00:20:19,679

now the location was about 500 foot from

465

00:20:24,230 --> 00:20:21,600

the lakefront on Market Street just

466

00:20:26,150 --> 00:20:24,240

south of Waukegan Harbor

467

00:20:27,529 --> 00:20:26,160

clear sunny day about two in the

468

00:20:31,549 --> 00:20:27,539

afternoon

469

00:20:34,450 --> 00:20:31,559

uh six Witnesses and each one of them

470

00:20:38,750 --> 00:20:34,460

described the same thing

471

00:20:41,270 --> 00:20:38,760

so uh I did talk to

472

00:20:43,070 --> 00:20:41,280

the mother and I talked to another

473

00:20:45,350 --> 00:20:43,080

member of the family

474

00:20:47,330 --> 00:20:45,360

and uh

475

00:20:50,390 --> 00:20:47,340

I don't know what the hell they saw you

476
00:20:53,029 --> 00:20:50,400
know the fact that they didn't see

477
00:20:55,909 --> 00:20:53,039
any uh Wing or any any wings or anything

478
00:20:58,250 --> 00:20:55,919
outstretched

479
00:21:00,770 --> 00:20:58,260
you know we've had we've had a few

480
00:21:03,169 --> 00:21:00,780
sightings that seem very Supernatural

481
00:21:04,789 --> 00:21:03,179
uh it just didn't make sense maybe this

482
00:21:07,730 --> 00:21:04,799
was another one of those I don't know

483
00:21:14,029 --> 00:21:12,590
I mean kind of gives off some Vibes um

484
00:21:16,610 --> 00:21:14,039
you know if you ever seen some of the

485
00:21:18,950 --> 00:21:16,620
flying um humanoid sightings that

486
00:21:21,890 --> 00:21:18,960
they've had out of Mexico

487
00:21:23,390 --> 00:21:21,900
um what they've described as a witch or

488
00:21:25,430 --> 00:21:23,400

something right

489

00:21:28,669 --> 00:21:25,440

um or even the ones that look like the

490

00:21:29,390 --> 00:21:28,679

man who um or the Extraterrestrial it's

491

00:21:35,750 --> 00:21:29,400

like

492

00:21:37,970 --> 00:21:35,760

come out of Mexico and some of them have

493

00:21:40,250 --> 00:21:37,980

had some really good details I mean I

494

00:21:43,130 --> 00:21:40,260

remember a sighting scene where the the

495

00:21:46,370 --> 00:21:43,140

guy saw the creature turn and look right

496

00:21:49,669 --> 00:21:46,380

at him the Extraterrestrial and

497

00:21:51,470 --> 00:21:49,679

um it had like a menacing look on his

498

00:21:55,850 --> 00:21:51,480

face like if they want to be

499

00:21:57,830 --> 00:21:55,860

um it didn't want to be uh filmed

500

00:21:59,690 --> 00:21:57,840

um I mean it's also the one the classic

501
00:22:02,750 --> 00:21:59,700
one where they they said it's a witch on

502
00:22:05,330 --> 00:22:02,760
a broom but whatever it was it was a

503
00:22:07,190 --> 00:22:05,340
solid mass and it was pretty you know

504
00:22:08,570 --> 00:22:07,200
pretty impressive to see that it was

505
00:22:10,789 --> 00:22:08,580
flying

506
00:22:13,909 --> 00:22:10,799
um several hundred feet off the ground

507
00:22:16,549 --> 00:22:13,919
so maybe that's what it was

508
00:22:17,930 --> 00:22:16,559
um you know I don't think it could be

509
00:22:20,690 --> 00:22:17,940
anything like the the Los Angeles

510
00:22:22,850 --> 00:22:20,700
Jetpack Man I mean no I don't think that

511
00:22:24,830 --> 00:22:22,860
either

512
00:22:27,770 --> 00:22:24,840
I don't think that's the yeah that whole

513
00:22:30,890 --> 00:22:27,780

thing is I I yeah have they ever found

514

00:22:44,230 --> 00:22:30,900

anybody responsible for that do either

515

00:22:50,990 --> 00:22:46,730

potentially a balloon or something

516

00:22:54,830 --> 00:22:51,000

simpler but as far as I know um

517

00:22:56,570 --> 00:22:54,840

just unexplained still yeah and I I can

518

00:22:58,490 --> 00:22:56,580

kind of think yeah I know whoever it is

519

00:23:00,529 --> 00:22:58,500

is keeping a low power profile because

520

00:23:02,210 --> 00:23:00,539

that person's going to jail oh yeah

521

00:23:03,710 --> 00:23:02,220

they're going to jail they're no doubt

522

00:23:05,870 --> 00:23:03,720

about them

523

00:23:07,850 --> 00:23:05,880

I got another question here from Karen

524

00:23:09,590 --> 00:23:07,860

Peterson can people hear the wings or

525

00:23:11,990 --> 00:23:09,600

are they silent

526

00:23:14,169 --> 00:23:12,000

uh occasionally somebody will say they

527

00:23:16,850 --> 00:23:14,179

hear the flapping of the wings

528

00:23:19,490 --> 00:23:16,860

for the most part

529

00:23:21,430 --> 00:23:19,500

people are seeing them hover a lot of

530

00:23:25,190 --> 00:23:21,440

times

531

00:23:26,690 --> 00:23:25,200

uh so uh you know we get we get both I

532

00:23:28,789 --> 00:23:26,700

mean sometimes they hear the wings

533

00:23:30,470 --> 00:23:28,799

sometimes they don't

534

00:23:33,830 --> 00:23:30,480

so um

535

00:23:36,110 --> 00:23:33,840

now George Morgan asked and this is a

536

00:23:39,169 --> 00:23:36,120

good question what is the significance

537

00:23:41,029 --> 00:23:39,179

of the red eyes with Mothman Hat Man and

538

00:23:43,190 --> 00:23:41,039

other Cryptids

539

00:23:48,590 --> 00:23:43,200

I don't know

540

00:23:52,490 --> 00:23:48,600

what do you guys think about that

541

00:23:55,789 --> 00:23:52,500

oh no in terms of of significance like

542

00:23:59,350 --> 00:23:55,799

for the in particular

543

00:24:02,090 --> 00:23:59,360

um is is is difficult

544

00:24:05,930 --> 00:24:02,100

because that

545

00:24:08,350 --> 00:24:05,940

requires us to start to get to things

546

00:24:14,750 --> 00:24:08,360

like

547

00:24:18,470 --> 00:24:14,760

I think initially his you can see our

548

00:24:22,310 --> 00:24:18,480

eyes being applied to monsters you know

549

00:24:25,789 --> 00:24:22,320

in fiction and and as we're seeing

550

00:24:30,830 --> 00:24:25,799

um reported non-fiction and uh and and

551

00:24:34,970 --> 00:24:30,840

it's always associated with evil or or

552

00:24:38,450 --> 00:24:34,980

something that is a threat to humanity

553

00:24:40,789 --> 00:24:38,460

and so I guess speculatively you would

554

00:24:43,610 --> 00:24:40,799

have to then consider

555

00:24:47,810 --> 00:24:43,620

whether or not the uh well actually

556

00:24:51,710 --> 00:24:47,820

there is a third option uh animals that

557

00:24:54,289 --> 00:24:51,720

naturally have read like that it's it's

558

00:24:55,130 --> 00:24:54,299

not super common but it definitely does

559

00:24:58,730 --> 00:24:55,140

happen

560

00:25:01,490 --> 00:24:58,740

um a couple uh just in the the Chicago

561

00:25:04,909 --> 00:25:01,500

area would be the black crowned night

562

00:25:07,549 --> 00:25:04,919

heron they have the girls that will give

563

00:25:11,210 --> 00:25:07,559

you red eye shine and so that is

564

00:25:14,029 --> 00:25:11,220

possibly at one one explanation but I

565

00:25:17,510 --> 00:25:14,039

think if you're considering the the uh

566

00:25:20,210 --> 00:25:17,520

pulse most likely to be paranormal

567

00:25:22,570 --> 00:25:20,220

um more or less

568

00:25:26,330 --> 00:25:22,580

to discard

569

00:25:28,430 --> 00:25:26,340

the nation around potential

570

00:25:30,950 --> 00:25:28,440

um biological qualities

571

00:25:34,909 --> 00:25:30,960

uh that that pretty quickly nothing

572

00:25:37,490 --> 00:25:34,919

about these sightings real and in terms

573

00:25:40,490 --> 00:25:37,500

of how we understand biology

574

00:25:43,010 --> 00:25:40,500

um but uh to go back to my

575

00:25:44,390 --> 00:25:43,020

original point I think it has to

576

00:25:48,590 --> 00:25:44,400

consider

577

00:25:50,870 --> 00:25:48,600

um you know speculatively uh what

578

00:25:53,330 --> 00:25:50,880

um that's for sure you know might gain

579

00:25:55,970 --> 00:25:53,340

out of I think these these glowing red

580

00:25:59,870 --> 00:25:55,980

eyes so whether or not that's a

581

00:26:03,409 --> 00:25:59,880

reflection of our own fears you know uh

582

00:26:06,169 --> 00:26:03,419

something uh being picked up on by by

583

00:26:09,470 --> 00:26:06,179

this reflected

584

00:26:12,470 --> 00:26:09,480

still fear or something

585

00:26:15,049 --> 00:26:12,480

um or uh maybe it's it's some sort of

586

00:26:18,110 --> 00:26:15,059

you know natural defense that sort of

587

00:26:19,490 --> 00:26:18,120

feeds off of the cultural fear or

588

00:26:20,390 --> 00:26:19,500

something

589

00:26:21,649 --> 00:26:20,400

um but

590

00:26:24,950 --> 00:26:21,659

Lee

591

00:26:27,769 --> 00:26:24,960

and all you can really do is speculate

592

00:26:30,169 --> 00:26:27,779

about be because the the overall

593

00:26:31,549 --> 00:26:30,179

significance of of something like that

594

00:26:33,470 --> 00:26:31,559

is just in

595

00:26:35,450 --> 00:26:33,480

for anybody

596

00:26:38,450 --> 00:26:35,460

that you know I mean we could we could

597

00:26:44,510 --> 00:26:42,110

and I do I do have to agree with Tobias

598

00:26:47,390 --> 00:26:44,520

on that I mean biologically I don't

599

00:26:49,370 --> 00:26:47,400

think very many creatures have any kind

600

00:26:51,830 --> 00:26:49,380

of glowing eyes even bioluminescent

601
00:26:54,769 --> 00:26:51,840
because it would be

602
00:26:57,470 --> 00:26:54,779
in detrimental you know to giving away

603
00:27:00,350 --> 00:26:57,480
somebody's position you know

604
00:27:02,450 --> 00:27:00,360
um it could be something like um like if

605
00:27:04,370 --> 00:27:02,460
you know the hair and I've seen those

606
00:27:06,230 --> 00:27:04,380
things you know here in the Chicago area

607
00:27:08,029 --> 00:27:06,240
and if you don't know what you're

608
00:27:09,769 --> 00:27:08,039
looking at and this thing will scare the

609
00:27:12,110 --> 00:27:09,779
living daylight so they're not

610
00:27:14,090 --> 00:27:12,120
small animals they're fairly large

611
00:27:16,190 --> 00:27:14,100
animals

612
00:27:17,990 --> 00:27:16,200
and then also same thing connect with

613
00:27:20,750 --> 00:27:18,000

cats you know cats have that eye shine

614

00:27:21,950 --> 00:27:20,760

you know okay if you get because they're

615

00:27:23,690 --> 00:27:21,960

they're

616

00:27:25,789 --> 00:27:23,700

eyes are designed to gather light and

617

00:27:28,370 --> 00:27:25,799

reflect it back out

618

00:27:30,409 --> 00:27:28,380

um I've also kind of thought maybe what

619

00:27:32,570 --> 00:27:30,419

if it is like um

620

00:27:34,490 --> 00:27:32,580

like an extraterrestrial being of some

621

00:27:37,430 --> 00:27:34,500

kind that's maybe using some kind of

622

00:27:40,549 --> 00:27:37,440

Technology uh we have something similar

623

00:27:43,490 --> 00:27:40,559

to that night vision goggles

624

00:27:45,590 --> 00:27:43,500

um that might be you know giving off

625

00:27:48,289 --> 00:27:45,600

some kind of reflection to somebody else

626

00:27:50,690 --> 00:27:48,299

but biologically I don't think you're

627

00:27:53,570 --> 00:27:50,700

gonna you know very many creatures are

628

00:27:56,269 --> 00:27:53,580

gonna have you know glowing red eyes uh

629

00:27:58,669 --> 00:27:56,279

if any that I've even known because it's

630

00:27:59,570 --> 00:27:58,679

a detriment to their safety

631

00:28:03,830 --> 00:27:59,580

um

632

00:28:05,570 --> 00:28:03,840

maybe attract prey but not you know give

633

00:28:07,610 --> 00:28:05,580

away your position to your other to

634

00:28:10,549 --> 00:28:07,620

anything else that might be for dating

635

00:28:13,130 --> 00:28:10,559

on you yeah it seems like it would be a

636

00:28:14,990 --> 00:28:13,140

net characteristic of an actual Predator

637

00:28:16,730 --> 00:28:15,000

as opposed to the prey or something

638

00:28:20,450 --> 00:28:16,740

that's trying to keep it so hidden away

639

00:28:22,010 --> 00:28:20,460

from the Predator uh you know let it

640

00:28:24,169 --> 00:28:22,020

know you're out there because you've got

641

00:28:26,930 --> 00:28:24,179

these flash you know these red glowing

642

00:28:28,130 --> 00:28:26,940

or Illuminating eyes

643

00:28:30,169 --> 00:28:28,140

um

644

00:28:32,750 --> 00:28:30,179

I I mean I still believe there's a

645

00:28:34,610 --> 00:28:32,760

supernatural reason for it but

646

00:28:36,470 --> 00:28:34,620

yeah and you're right these Blue Heron

647

00:28:38,450 --> 00:28:36,480

you know we've had we had the great blue

648

00:28:40,610 --> 00:28:38,460

heron down on the bay

649

00:28:45,049 --> 00:28:40,620

and those things are huge they're

650

00:28:47,990 --> 00:28:45,059

they're magnificently huge and uh

651
00:28:50,750 --> 00:28:48,000
yeah so I I

652
00:28:52,669 --> 00:28:50,760
I don't see where actually where you'd

653
00:28:54,289 --> 00:28:52,679
see one of them you'd be able to mistake

654
00:28:56,870 --> 00:28:54,299
it but then again you know people see

655
00:28:59,149 --> 00:28:56,880
different things as different ways it's

656
00:29:01,430 --> 00:28:59,159
all about perception I guess

657
00:29:03,710 --> 00:29:01,440
well we have here we have a lot of

658
00:29:06,409 --> 00:29:03,720
animals I mean I showed you guys I sent

659
00:29:08,029 --> 00:29:06,419
you guys a video or a photo was it a

660
00:29:09,350 --> 00:29:08,039
couple of weeks ago I believe uh

661
00:29:12,230 --> 00:29:09,360
somebody thought they had seen a

662
00:29:14,269 --> 00:29:12,240
humanoid uh flying humanoid turned out

663
00:29:16,909 --> 00:29:14,279

to be a turkey vulture

664

00:29:19,909 --> 00:29:16,919

um this thing was huge oh yeah they're

665

00:29:23,630 --> 00:29:19,919

big you know I've seen great I've seen

666

00:29:25,789 --> 00:29:23,640

bald eagles in Wisconsin they're

667

00:29:28,070 --> 00:29:25,799

but they're not lying when they say

668

00:29:30,710 --> 00:29:28,080

these things are massive when as far as

669

00:29:31,370 --> 00:29:30,720

your wing spans and everything so

670

00:29:33,649 --> 00:29:31,380

um

671

00:29:35,510 --> 00:29:33,659

I would think that maybe under the right

672

00:29:38,510 --> 00:29:35,520

conditions those things can be seen as

673

00:29:40,970 --> 00:29:38,520

some kind of flying humanoid but I've

674

00:29:43,010 --> 00:29:40,980

never seen anything with any kind of

675

00:29:46,310 --> 00:29:43,020

glowing red eyes that would you know

676
00:29:48,649 --> 00:29:46,320
other than maybe like you know demonic

677
00:29:56,769 --> 00:29:48,659
or evil is kind of like what Tobias was

678
00:30:03,010 --> 00:30:00,350
also biologically now obviously I shine

679
00:30:05,750 --> 00:30:03,020
is one thing the eyes aren't

680
00:30:10,669 --> 00:30:05,760
uh in in that instance they're just

681
00:30:11,769 --> 00:30:10,679
repeating white back uh if you can rule

682
00:30:14,930 --> 00:30:11,779
uh

683
00:30:18,250 --> 00:30:14,940
specifically it should be well it would

684
00:30:20,810 --> 00:30:18,260
be a huge difference to have

685
00:30:22,730 --> 00:30:20,820
predictively blind because that's just

686
00:30:25,730 --> 00:30:22,740
by his work

687
00:30:28,909 --> 00:30:25,740
um if if you had eyes creating to be

688
00:30:30,289 --> 00:30:28,919

able to see is in life you wouldn't be

689

00:30:32,389 --> 00:30:30,299

able to see anything else and you'd

690

00:30:34,310 --> 00:30:32,399

basically be blind you know it doesn't

691

00:30:36,889 --> 00:30:34,320

make sense for that uh by a lot of

692

00:30:39,470 --> 00:30:36,899

reasons well well interesting though is

693

00:30:43,810 --> 00:30:39,480

Manuel mentions uh something like

694

00:30:48,110 --> 00:30:43,820

goggles or something someone yeah

695

00:30:50,210 --> 00:30:48,120

recall a report I took I'm a retired

696

00:30:52,610 --> 00:30:50,220

policeman Chicago

697

00:30:56,210 --> 00:30:52,620

um by the name of David Ramos

698

00:30:59,810 --> 00:30:56,220

and uh so he was something a 15-year vet

699

00:31:03,470 --> 00:30:59,820

of the the police department and um

700

00:31:05,210 --> 00:31:03,480

he told me about this song that was a

701
00:31:08,269 --> 00:31:05,220
relatively younger he was 12 years old

702
00:31:10,970 --> 00:31:08,279
in uh in Chicago and uh he was hanging

703
00:31:14,210 --> 00:31:10,980
out at the uh the North Branch of the

704
00:31:17,870 --> 00:31:14,220
future there and he was alone on the

705
00:31:19,789 --> 00:31:17,880
parents were around uh down by the uh

706
00:31:22,669 --> 00:31:19,799
the river I saw this thing and you know

707
00:31:24,950 --> 00:31:22,679
I'll cut to chase here basically he

708
00:31:28,130 --> 00:31:24,960
saw he thought that he was wearing

709
00:31:31,610 --> 00:31:28,140
goggles because it had these these bad

710
00:31:33,889 --> 00:31:31,620
red eyes you know of course first that

711
00:31:35,930 --> 00:31:33,899
occurs to him isn't that these are a lot

712
00:31:38,510 --> 00:31:35,940
because that should be impossible the

713
00:31:40,370 --> 00:31:38,520

first thing that occurred did was that

714

00:31:42,889 --> 00:31:40,380

it'd be somebody you know wearing

715

00:31:47,630 --> 00:31:42,899

wearing goggles and so

716

00:31:50,330 --> 00:31:47,640

um we had to consider that as as a a

717

00:31:53,690 --> 00:31:50,340

serious uh possibility you know it just

718

00:31:56,330 --> 00:31:53,700

included in in the actual uh when we're

719

00:31:57,350 --> 00:31:56,340

circulated about this

720

00:31:59,330 --> 00:31:57,360

um

721

00:32:01,430 --> 00:31:59,340

okay

722

00:32:04,389 --> 00:32:01,440

uh

723

00:32:08,210 --> 00:32:04,399

so the next sighting we had

724

00:32:10,490 --> 00:32:08,220

was uh it was a gentleman from Wayne

725

00:32:12,289 --> 00:32:10,500

Illinois

726

00:32:14,389 --> 00:32:12,299

he said he had an encounter with a

727

00:32:16,909 --> 00:32:14,399

winged humanoid while traveling near his

728

00:32:18,350 --> 00:32:16,919

home exactly he was actually right down

729

00:32:20,570 --> 00:32:18,360

the street he

730

00:32:22,970 --> 00:32:20,580

um was on his way home

731

00:32:27,529 --> 00:32:22,980

and this humanoid flew in front of his

732

00:32:31,669 --> 00:32:28,789

um

733

00:32:36,110 --> 00:32:31,679

I I did talk to this gentleman he said

734

00:32:38,510 --> 00:32:36,120

he occurred back in mid-september 2022

735

00:32:41,990 --> 00:32:38,520

at the intersection of Smith Road and

736

00:32:46,970 --> 00:32:42,000

Mountain Ash Drive in Wayne Illinois

737

00:32:52,970 --> 00:32:50,450

and uh the and he said a pastor was

738

00:32:55,010 --> 00:32:52,980

traveling south

739

00:32:57,370 --> 00:32:55,020

oh he had a passenger and it was

740

00:32:59,810 --> 00:32:57,380

traveling south on Mountain Ash Drive

741

00:33:02,210 --> 00:32:59,820

and when he reached the intersection was

742

00:33:05,750 --> 00:33:02,220

Smith Road he states that the six and a

743

00:33:09,409 --> 00:33:05,760

half seven foot long black human-like

744

00:33:11,510 --> 00:33:09,419

figure swiftly swooped in front of the

745

00:33:12,649 --> 00:33:11,520

vehicle about 10 foot in front of the

746

00:33:14,750 --> 00:33:12,659

car

747

00:33:16,970 --> 00:33:14,760

the wings and the arms were tucked

748

00:33:19,850 --> 00:33:16,980

against the body and it quickly glided

749

00:33:22,250 --> 00:33:19,860

from east to west very close to the road

750

00:33:23,810 --> 00:33:22,260

in fact it was so close to the road that

751
00:33:25,130 --> 00:33:23,820
the headlights illuminated the winged

752
00:33:27,710 --> 00:33:25,140
humanoid

753
00:33:30,769 --> 00:33:27,720
he said the encounter was so fast that

754
00:33:34,070 --> 00:33:30,779
he couldn't make any facial features but

755
00:33:37,730 --> 00:33:34,080
the body and head were very human-like

756
00:33:40,909 --> 00:33:37,740
uh he said he had been previously aware

757
00:33:44,029 --> 00:33:40,919
of the phenomena in Chicagoland area

758
00:33:46,370 --> 00:33:44,039
and that's how he found me now this

759
00:33:48,470 --> 00:33:46,380
sighting was fairly close to another

760
00:33:51,130 --> 00:33:48,480
sighting we had in Carol Stream Illinois

761
00:33:54,169 --> 00:33:51,140
in 2020

762
00:33:56,570 --> 00:33:54,179
and uh you know he seemed like

763
00:33:59,029 --> 00:33:56,580

you know it seemed like he really did

764

00:34:00,350 --> 00:33:59,039

see something I mean you know you know

765

00:34:01,850 --> 00:34:00,360

how it is guys you know when you talk

766

00:34:03,230 --> 00:34:01,860

these people you can tell if they're

767

00:34:05,509 --> 00:34:03,240

trying to

768

00:34:07,610 --> 00:34:05,519

try to pull the wall over your eyes

769

00:34:09,169 --> 00:34:07,620

but I think that this was a brief

770

00:34:10,909 --> 00:34:09,179

sighting but it was an interesting I

771

00:34:12,109 --> 00:34:10,919

mean it's you know it's just another one

772

00:34:15,050 --> 00:34:12,119

of these

773

00:34:17,329 --> 00:34:15,060

these things that you know are seen that

774

00:34:20,030 --> 00:34:17,339

people can't explain very humanoid like

775

00:34:22,129 --> 00:34:20,040

but you know they're not you know

776

00:34:24,649 --> 00:34:22,139

they're gliding they're quick they're

777

00:34:27,829 --> 00:34:24,659

dark in color and have a lot of human

778

00:34:28,849 --> 00:34:27,839

life features to them

779

00:34:31,730 --> 00:34:28,859

um

780

00:34:34,369 --> 00:34:31,740

Marla Snyder has a question do you think

781

00:34:36,050 --> 00:34:34,379

there are numerous variations in species

782

00:34:38,930 --> 00:34:36,060

of these things

783

00:34:43,369 --> 00:34:38,940

or do you think it's more about what

784

00:34:49,129 --> 00:34:46,310

oh that's very interesting I mean

785

00:34:51,649 --> 00:34:49,139

honestly there can be obviously there

786

00:34:54,010 --> 00:34:51,659

would have to be numerous variations or

787

00:34:56,690 --> 00:34:54,020

species I mean we've seen so many

788

00:34:59,990 --> 00:34:56,700

different types since we've started this

789

00:35:02,450 --> 00:35:00,000

journey together I mean we've seems to

790

00:35:07,130 --> 00:35:02,460

short one small ones tall ones we've

791

00:35:09,710 --> 00:35:07,140

seen crested ones um the ones that um

792

00:35:11,810 --> 00:35:09,720

are said to look like um

793

00:35:14,630 --> 00:35:11,820

you know like bats some of them look

794

00:35:16,550 --> 00:35:14,640

like pterodactyls some look like owls

795

00:35:18,770 --> 00:35:16,560

you know

796

00:35:20,329 --> 00:35:18,780

um I would think yeah there there's no

797

00:35:22,250 --> 00:35:20,339

reason Rhyme or Reason that why there

798

00:35:24,290 --> 00:35:22,260

should not be more than one

799

00:35:32,750 --> 00:35:24,300

you know different kind of variation or

800

00:35:37,130 --> 00:35:35,089

uh let's see got another one another

801
00:35:39,170 --> 00:35:37,140
question from summer nights and neon

802
00:35:41,990 --> 00:35:39,180
lights wonder how many people have seen

803
00:35:43,730 --> 00:35:42,000
it and not sit or report it to anyone

804
00:35:45,109 --> 00:35:43,740
out of fear ridiculous well I'm quite

805
00:35:46,609 --> 00:35:45,119
sure there's a lot of

806
00:35:50,510 --> 00:35:46,619
uh

807
00:35:52,490 --> 00:35:50,520
we're at 161 sightings that we feel may

808
00:35:53,510 --> 00:35:52,500
be credible

809
00:35:56,210 --> 00:35:53,520
um

810
00:35:58,790 --> 00:35:56,220
I don't know what percentage that we

811
00:36:01,609 --> 00:35:58,800
have gotten but I I'd say it's a the

812
00:36:03,710 --> 00:36:01,619
percentage that we have received is a

813
00:36:06,170 --> 00:36:03,720

very small it's actually a very small

814

00:36:08,569 --> 00:36:06,180

percentage of the actual sightings when

815

00:36:10,130 --> 00:36:08,579

you guys agree that

816

00:36:10,910 --> 00:36:10,140

well sure

817

00:36:13,990 --> 00:36:10,920

um

818

00:36:18,530 --> 00:36:14,000

yeah most common

819

00:36:22,270 --> 00:36:18,540

hear from Witnesses is that um they'll

820

00:36:26,750 --> 00:36:22,280

have the impossible sighting you know

821

00:36:33,849 --> 00:36:26,760

that they just can't explain and um and

822

00:36:40,490 --> 00:36:37,130

release if nothing else of telling story

823

00:36:44,210 --> 00:36:40,500

and having it be hello to a loved one it

824

00:36:47,150 --> 00:36:44,220

could be a spouse or a pet or a sibler

825

00:36:50,390 --> 00:36:47,160

or something similar and they tell them

826

00:36:53,270 --> 00:36:50,400

about their experience and and the

827

00:36:55,370 --> 00:36:53,280

number one question that they that is

828

00:37:03,950 --> 00:36:55,380

and

829

00:37:07,010 --> 00:37:03,960

know somebody

830

00:37:09,890 --> 00:37:07,020

um like us presumably that will will

831

00:37:12,230 --> 00:37:09,900

take them seriously to consider after

832

00:37:13,609 --> 00:37:12,240

talking to so many witnesses in hearing

833

00:37:16,910 --> 00:37:13,619

the the same thing over and over again

834

00:37:21,650 --> 00:37:16,920

about didn't know that he was taking

835

00:37:23,450 --> 00:37:21,660

care of anybody else had seen

836

00:37:25,210 --> 00:37:23,460

between

837

00:37:27,430 --> 00:37:25,220

um you have to

838

00:37:31,190 --> 00:37:27,440

how many people

839

00:37:36,530 --> 00:37:31,200

find someone to share their experience

840

00:37:38,450 --> 00:37:36,540

with you so there uh just something no

841

00:37:42,349 --> 00:37:38,460

one will leave them nobody's seen

842

00:37:44,810 --> 00:37:42,359

anything like this and so they just sit

843

00:37:47,390 --> 00:37:44,820

on these these stories you know probably

844

00:37:52,250 --> 00:37:47,400

and until they pass away

845

00:37:54,770 --> 00:37:52,260

um you know now you know or in this

846

00:37:58,670 --> 00:37:54,780

part of the Mothman they may have heard

847

00:38:02,510 --> 00:37:58,680

sorry most people I hesitate to choose

848

00:38:05,510 --> 00:38:02,520

the word I could probably applies here

849

00:38:07,069 --> 00:38:05,520

you know uh most people know what any of

850

00:38:09,290 --> 00:38:07,079

that stuff is they don't hear about it

851

00:38:11,210 --> 00:38:09,300

like if I were to ask my parents the

852

00:38:14,089 --> 00:38:11,220

only reason they've ever heard about it

853

00:38:16,670 --> 00:38:14,099

is because they have you for a son but

854

00:38:20,270 --> 00:38:16,680

otherwise you know like if they saw Wing

855

00:38:23,170 --> 00:38:20,280

good they would eat an idea anybody else

856

00:38:26,030 --> 00:38:23,180

anywhere I'd ever see anything they was

857

00:38:27,829 --> 00:38:26,040

that that nobody had and I think that

858

00:38:30,410 --> 00:38:27,839

that's probably a lot of people

859

00:38:32,870 --> 00:38:30,420

um and so you know we yeah we are

860

00:38:35,930 --> 00:38:32,880

missing out on lots of of sightings

861

00:38:41,030 --> 00:38:35,940

because people just just don't know

862

00:38:46,250 --> 00:38:43,190

like yeah you know Tobias I'm going to

863

00:38:48,230 --> 00:38:46,260

ask you again can you actually reboot

864

00:38:50,569 --> 00:38:48,240

your computer I I think we got a

865

00:38:54,530 --> 00:38:50,579

connection issue on your side could you

866

00:38:58,670 --> 00:38:54,540

try that for me please yeah sure okay

867

00:39:05,410 --> 00:39:01,670

so the next sighting

868

00:39:08,210 --> 00:39:05,420

was the the most recent Little Village

869

00:39:09,950 --> 00:39:08,220

sighting over Little Village Plaza that

870

00:39:11,150 --> 00:39:09,960

was reported to you

871

00:39:13,670 --> 00:39:11,160

um Manuel

872

00:39:16,370 --> 00:39:13,680

can you uh tell us about that

873

00:39:19,670 --> 00:39:16,380

oh yeah that's uh the one with the

874

00:39:22,790 --> 00:39:19,680

skateboarders uh right yeah this was a

875

00:39:24,770 --> 00:39:22,800

group of friends who were um

876

00:39:27,109 --> 00:39:24,780

the little Plaza is kind of like right

877

00:39:29,210 --> 00:39:27,119

behind the Arches uh if you ever go to a

878

00:39:31,190 --> 00:39:29,220

little village in uh Chicago you're

879

00:39:33,589 --> 00:39:31,200

gonna see these beautiful arches that

880

00:39:35,210 --> 00:39:33,599

are like at the entrance of the of the

881

00:39:37,730 --> 00:39:35,220

Little Village

882

00:39:41,390 --> 00:39:37,740

um but right before them a block before

883

00:39:42,589 --> 00:39:41,400

there's a little there's a Plaza there

884

00:39:44,750 --> 00:39:42,599

um

885

00:39:47,329 --> 00:39:44,760

just think of a massive parking lot with

886

00:39:48,170 --> 00:39:47,339

about five stores

887

00:39:56,990 --> 00:39:48,180

um

888

00:39:59,569 --> 00:39:57,000

uh Tortilla Factory and then

889

00:40:03,109 --> 00:39:59,579

there's a bait there's a Spanish uh

890

00:40:03,650 --> 00:40:03,119

bakery that I know very well because

891

00:40:06,230 --> 00:40:03,660

um

892

00:40:07,670 --> 00:40:06,240

the food is amazing there oh my wife and

893

00:40:10,550 --> 00:40:07,680

me go there quite a lot then there's

894

00:40:12,470 --> 00:40:10,560

some restaurants Evan on taking up the

895

00:40:15,230 --> 00:40:12,480

one side of the uh The Far Side of the

896

00:40:18,710 --> 00:40:15,240

parking lot is a massive uh flea market

897

00:40:20,450 --> 00:40:18,720

that's been there oh my God about 75

898

00:40:22,370 --> 00:40:20,460

years

899

00:40:24,950 --> 00:40:22,380

um and it's actually about to get torn

900

00:40:26,930 --> 00:40:24,960

down here pretty soon sadly

901

00:40:29,450 --> 00:40:26,940

um but um

902

00:40:31,010 --> 00:40:29,460

these kids would use the alley they

903

00:40:33,770 --> 00:40:31,020

lived in the neighborhood so they would

904

00:40:37,670 --> 00:40:33,780

just use this paved alley that was there

905

00:40:39,589 --> 00:40:37,680

and to lead into that uh parking lot for

906

00:40:41,690 --> 00:40:39,599

skateboarding they would just you know

907

00:40:43,609 --> 00:40:41,700

sit there you know

908

00:40:44,990 --> 00:40:43,619

you know having a good time with their

909

00:40:46,609 --> 00:40:45,000

friends you know doing tricks and

910

00:40:49,190 --> 00:40:46,619

everything

911

00:40:53,810 --> 00:40:49,200

um kind of like what skateboarders tend

912

00:40:55,970 --> 00:40:53,820

to do so they were out one night and um

913

00:40:58,010 --> 00:40:55,980

doing tricks and just talking hanging

914

00:41:00,890 --> 00:40:58,020

out and uh one of them

915

00:41:02,690 --> 00:41:00,900

saw something across the street on top

916

00:41:06,470 --> 00:41:02,700

of the flea market

917

00:41:08,810 --> 00:41:06,480

um and it looked like a really tall man

918

00:41:11,270 --> 00:41:08,820

just sitting there watching them they

919

00:41:12,770 --> 00:41:11,280

noticed the glowing red eyes

920

00:41:15,770 --> 00:41:12,780

and um

921

00:41:18,109 --> 00:41:15,780

it made them really really uneasy so

922

00:41:19,910 --> 00:41:18,119

they try to ignore it they they kept

923

00:41:22,730 --> 00:41:19,920

doing their things but they would not go

924

00:41:26,329 --> 00:41:22,740

away finally this thing took to the air

925

00:41:28,670 --> 00:41:26,339

and flew right over the top of them uh

926
00:41:30,890 --> 00:41:28,680
and did not break contact with you know

927
00:41:31,970 --> 00:41:30,900
eye contact with them

928
00:41:34,730 --> 00:41:31,980
um

929
00:41:36,950 --> 00:41:34,740
and they saw that it was winged it was a

930
00:41:39,589 --> 00:41:36,960
wing humanoid you know

931
00:41:42,050 --> 00:41:39,599
you know humanite like body seven feet

932
00:41:44,210 --> 00:41:42,060
tall uh we they said the wingspan I

933
00:41:46,609 --> 00:41:44,220
believe was about 20 feet tip to tip is

934
00:41:48,470 --> 00:41:46,619
what they're estimating

935
00:41:50,150 --> 00:41:48,480
um now

936
00:41:51,950 --> 00:41:50,160
they immediately thought you know

937
00:41:54,650 --> 00:41:51,960
lechusa

938
00:41:56,870 --> 00:41:54,660

um and they took off running

939

00:41:59,329 --> 00:41:56,880

um they they bolted for one of their

940

00:42:01,250 --> 00:41:59,339

houses all of them come flying into the

941

00:42:01,910 --> 00:42:01,260

house and uh this thing

942

00:42:04,190 --> 00:42:01,920

um

943

00:42:05,810 --> 00:42:04,200

they were they were certain this thing

944

00:42:06,470 --> 00:42:05,820

was following them

945

00:42:13,910 --> 00:42:06,480

um

946

00:42:15,770 --> 00:42:13,920

even talking about that it could have

947

00:42:16,910 --> 00:42:15,780

been one of the guys's uh ex-girlfriend

948

00:42:18,230 --> 00:42:16,920

he had just broken up with an

949

00:42:19,910 --> 00:42:18,240

ex-girlfriend

950

00:42:23,690 --> 00:42:19,920

and that she had

951

00:42:26,510 --> 00:42:23,700

um summon the lechuza to go after him as

952

00:42:28,910 --> 00:42:26,520

you know for vengeance but yeah very

953

00:42:31,430 --> 00:42:28,920

very very very interesting sighting very

954

00:42:34,670 --> 00:42:31,440

you know multiple Witnesses about five

955

00:42:36,770 --> 00:42:34,680

of them into in total

956

00:42:39,170 --> 00:42:36,780

um so that they had seen it I got to

957

00:42:41,329 --> 00:42:39,180

talk to like I believe three

958

00:42:42,770 --> 00:42:41,339

of them the other two did not want to

959

00:42:45,530 --> 00:42:42,780

include the one who had broken up with a

960

00:42:46,849 --> 00:42:45,540

girlfriend did not want to talk at all

961

00:42:49,370 --> 00:42:46,859

um and that's something that's prevalent

962

00:42:51,530 --> 00:42:49,380

in the Hispanic Society they the belief

963

00:42:54,050 --> 00:42:51,540

that if you talk about it or you yeah

964

00:42:55,609 --> 00:42:54,060

you'll you'll sum it back up that you

965

00:42:57,109 --> 00:42:55,619

it'll know that you're talking about it

966

00:42:58,970 --> 00:42:57,119

and it'll come back

967

00:43:01,130 --> 00:42:58,980

after you

968

00:43:04,370 --> 00:43:01,140

um and also like I said they'll let you

969

00:43:06,650 --> 00:43:04,380

side is another thing a very prevalent

970

00:43:09,470 --> 00:43:06,660

um that it could be summoned by somebody

971

00:43:10,010 --> 00:43:09,480

who using witchcraft to

972

00:43:12,109 --> 00:43:10,020

um

973

00:43:15,109 --> 00:43:12,119

to go seek Vengeance against somebody

974

00:43:18,650 --> 00:43:15,119

who wronged you or slighted you or broke

975

00:43:23,990 --> 00:43:21,349

you know the the thing that impressed me

976

00:43:25,970 --> 00:43:24,000

about this sighting was you know you

977

00:43:27,849 --> 00:43:25,980

gave a pretty good description about

978

00:43:30,170 --> 00:43:27,859

where they were

979

00:43:32,329 --> 00:43:30,180

uh right behind the restaurant right

980

00:43:35,329 --> 00:43:32,339

there at the edge of the parking lot as

981

00:43:37,430 --> 00:43:35,339

opposed to the distance to the mall I

982

00:43:39,470 --> 00:43:37,440

mean to the flea market which I

983

00:43:41,870 --> 00:43:39,480

estimated from what I measured was like

984

00:43:44,809 --> 00:43:41,880

150 to 200 foot

985

00:43:47,390 --> 00:43:44,819

distance and they saw the red eyes at

986

00:43:49,790 --> 00:43:47,400

that distance so this thing must have

987

00:43:52,550 --> 00:43:49,800

really been putting it out there so that

988

00:43:53,930 --> 00:43:52,560

they they noticed it at that at that

989

00:43:56,210 --> 00:43:53,940

distance

990

00:43:58,130 --> 00:43:56,220

one of the things about the the witness

991

00:43:59,750 --> 00:43:58,140

is the one witness I did the very first

992

00:44:03,410 --> 00:43:59,760

witness I talked to

993

00:44:06,530 --> 00:44:03,420

kind of said something similar to it to

994

00:44:09,710 --> 00:44:06,540

what you said they it's like it wanted

995

00:44:10,790 --> 00:44:09,720

to be seen it was forcing them to notice

996

00:44:11,390 --> 00:44:10,800

it

997

00:44:14,030 --> 00:44:11,400

um

998

00:44:15,890 --> 00:44:14,040

so whether it was using magic or

999

00:44:19,790 --> 00:44:15,900

brujillo or something like that to make

1000

00:44:22,430 --> 00:44:19,800

it make itself known or to be seen it

1001
00:44:24,650 --> 00:44:22,440
went out of its way to be seen it went

1002
00:44:26,390 --> 00:44:24,660
out of its way to go after them to be

1003
00:44:29,750 --> 00:44:26,400
seen by them

1004
00:44:32,089 --> 00:44:29,760
um so yeah maybe it was it's got a way

1005
00:44:35,690 --> 00:44:32,099
to dial up the eyes or dial up the magic

1006
00:44:39,410 --> 00:44:35,700
and to be able to you know get you to to

1007
00:44:41,210 --> 00:44:39,420
notice it you know it in essence becomes

1008
00:44:42,050 --> 00:44:41,220
the 800 pound gorilla in the room you

1009
00:44:44,390 --> 00:44:42,060
know

1010
00:44:46,849 --> 00:44:44,400
um which I'm saying if you're seven feet

1011
00:44:48,349 --> 00:44:46,859
tall with a 20-foot wingspan and you're

1012
00:44:49,670 --> 00:44:48,359
sitting in little building in the middle

1013
00:44:50,630 --> 00:44:49,680

of the night yeah you're going to kind

1014

00:44:52,970 --> 00:44:50,640

of become

1015

00:44:55,790 --> 00:44:52,980

the girl in the room

1016

00:44:58,490 --> 00:44:55,800

um yeah I mean this is one thing that

1017

00:44:59,870 --> 00:44:58,500

has been fascinating to me from the very

1018

00:45:01,010 --> 00:44:59,880

beginning was

1019

00:45:04,490 --> 00:45:01,020

that

1020

00:45:07,430 --> 00:45:04,500

they they aren't shy I mean they seem to

1021

00:45:09,290 --> 00:45:07,440

beat out there for whoever is around to

1022

00:45:10,010 --> 00:45:09,300

see them

1023

00:45:11,510 --> 00:45:10,020

um

1024

00:45:14,210 --> 00:45:11,520

but another

1025

00:45:16,670 --> 00:45:14,220

put another caveat to that is a lot of

1026

00:45:19,790 --> 00:45:16,680

times these scene you know these things

1027

00:45:23,030 --> 00:45:19,800

are showing up in a crowd and on these

1028

00:45:26,210 --> 00:45:23,040

certain people are actually seeing it so

1029

00:45:28,790 --> 00:45:26,220

you know it's it's it's tough to uh it's

1030

00:45:30,530 --> 00:45:28,800

tough to understand you know it's and we

1031

00:45:32,510 --> 00:45:30,540

got a question

1032

00:45:34,670 --> 00:45:32,520

uh that kind of

1033

00:45:37,790 --> 00:45:34,680

that kind of goes along with that by

1034

00:45:39,530 --> 00:45:37,800

Dave McGinnis was uh what explanation do

1035

00:45:44,030 --> 00:45:39,540

each of you favor for what this

1036

00:45:45,650 --> 00:45:44,040

phenomena is what do you think Tobias

1037

00:45:49,030 --> 00:45:45,660

um well let's let's see if I can get

1038

00:45:52,670 --> 00:45:49,040

through an entire uh

1039

00:45:54,170 --> 00:45:52,680

causing me to lag so badly yeah it is

1040

00:45:55,970 --> 00:45:54,180

lagging

1041

00:45:58,550 --> 00:45:55,980

because I can still

1042

00:46:01,370 --> 00:45:58,560

yeah a little bit

1043

00:46:03,849 --> 00:46:01,380

I checked the internet every day it does

1044

00:46:06,910 --> 00:46:03,859

got a a connection

1045

00:46:08,990 --> 00:46:06,920

a lot of trouble with our

1046

00:46:13,250 --> 00:46:09,000

whatever reason

1047

00:46:16,910 --> 00:46:13,260

um okay so in terms of uh of what this

1048

00:46:18,530 --> 00:46:16,920

thing is I um my favorite particular

1049

00:46:24,770 --> 00:46:18,540

Expedition I've always been more

1050

00:46:27,890 --> 00:46:26,750

that I

1051
00:46:28,670 --> 00:46:27,900
guess

1052
00:46:32,990 --> 00:46:28,680
um

1053
00:46:36,290 --> 00:46:33,000
and yes we know so little about

1054
00:46:40,069 --> 00:46:36,300
the actual qualities of this thing are

1055
00:46:40,930 --> 00:46:40,079
or things of whatever they represent you

1056
00:46:47,089 --> 00:46:40,940
know

1057
00:46:49,010 --> 00:46:47,099
we can do is uh wrote things we managed

1058
00:46:52,190 --> 00:46:49,020
to do through so if I've got a

1059
00:46:55,609 --> 00:46:52,200
particular sighting and I'm able to rule

1060
00:46:56,809 --> 00:46:55,619
out misidentifications and uh the

1061
00:47:00,970 --> 00:46:56,819
witness

1062
00:47:05,870 --> 00:47:00,980
not just certain qualities that I would

1063
00:47:09,710 --> 00:47:05,880

basically require some paranormal uh

1064

00:47:12,230 --> 00:47:09,720

phenomenon to to be part of this and you

1065

00:47:15,829 --> 00:47:12,240

pretty comfortably say oh it wasn't

1066

00:47:17,750 --> 00:47:15,839

a bird or airport or hallucination or

1067

00:47:19,910 --> 00:47:17,760

something similar

1068

00:47:22,430 --> 00:47:19,920

um all things being

1069

00:47:24,410 --> 00:47:22,440

uh but after that we were left with now

1070

00:47:26,390 --> 00:47:24,420

I could start talking

1071

00:47:28,370 --> 00:47:26,400

talking about you know inter-dimensional

1072

00:47:31,250 --> 00:47:28,380

creatures or undiscovered bicycle

1073

00:47:36,050 --> 00:47:31,260

species but um at the end of the day we

1074

00:47:40,490 --> 00:47:36,060

don't want to make of determinations so

1075

00:47:42,710 --> 00:47:40,500

I I will say that in terms of favoring

1076

00:47:45,710 --> 00:47:42,720

walks over and up I don't particularly

1077

00:47:48,890 --> 00:47:45,720

favor uh the Undiscovered by species

1078

00:47:51,050 --> 00:47:48,900

hypothesis simply because so much of

1079

00:47:55,010 --> 00:47:51,060

what was described doesn't make sense

1080

00:47:57,410 --> 00:47:55,020

given our understanding of Alec and so I

1081

00:48:00,349 --> 00:47:57,420

I would think that if these do represent

1082

00:48:04,250 --> 00:48:00,359

most of other well-being then there must

1083

00:48:06,650 --> 00:48:04,260

be some paranormal uh aspect to it

1084

00:48:10,190 --> 00:48:06,660

um how are you Manuel

1085

00:48:13,550 --> 00:48:10,200

I have to agree with Tobias I mean

1086

00:48:17,270 --> 00:48:13,560

undiscovered biological entity would be

1087

00:48:20,210 --> 00:48:17,280

this would be groundbreaking I mean I

1088

00:48:22,550 --> 00:48:20,220

mean we have

1089

00:48:23,990 --> 00:48:22,560

granted we have only discovered I

1090

00:48:25,550 --> 00:48:24,000

believe in my belief that we've only

1091

00:48:28,069 --> 00:48:25,560

discovered a fraction of the creatures

1092

00:48:28,670 --> 00:48:28,079

that live on this planet but

1093

00:48:32,210 --> 00:48:28,680

um

1094

00:48:37,430 --> 00:48:32,220

can

1095

00:48:40,069 --> 00:48:37,440

kind of wingspan I believe between

1096

00:48:42,530 --> 00:48:40,079

Tobias and and you don't have to had

1097

00:48:45,589 --> 00:48:42,540

this discussion before a normal sized

1098

00:48:48,109 --> 00:48:45,599

human being you know let's say 150 170

1099

00:48:49,309 --> 00:48:48,119

pounds 20 foot wingspan is not going to

1100

00:48:51,530 --> 00:48:49,319

cut it

1101

00:48:54,410 --> 00:48:51,540

um or this this thing would have to be

1102

00:48:56,750 --> 00:48:54,420

so jacked it's almost so muscular to be

1103

00:48:59,990 --> 00:48:56,760

able to support those wings and to have

1104

00:49:01,670 --> 00:49:00,000

the power to fly Glide yes we could see

1105

00:49:03,770 --> 00:49:01,680

that but these things have shown power

1106

00:49:06,650 --> 00:49:03,780

to flight these things have shown that

1107

00:49:09,170 --> 00:49:06,660

they can lift jump basically vertically

1108

00:49:09,770 --> 00:49:09,180

into the air and take flight

1109

00:49:12,470 --> 00:49:09,780

um

1110

00:49:16,609 --> 00:49:12,480

you're not only defeating laws of

1111

00:49:19,069 --> 00:49:16,619

physics on multiple levels but you know

1112

00:49:22,849 --> 00:49:19,079

there's nothing yes we can go into the

1113

00:49:25,790 --> 00:49:22,859

whole B cam fly thing but this is a

1114

00:49:28,670 --> 00:49:25,800

creature that as a million times more

1115

00:49:30,170 --> 00:49:28,680

massive than a than a b

1116

00:49:32,809 --> 00:49:30,180

um flying all over the city of Chicago

1117

00:49:35,630 --> 00:49:32,819

and we're talking about defeating things

1118

00:49:37,970 --> 00:49:35,640

like wind current uh you know dodging

1119

00:49:38,630 --> 00:49:37,980

buildings and stuff like that

1120

00:49:40,670 --> 00:49:38,640

um

1121

00:49:43,809 --> 00:49:40,680

I would seem to think more

1122

00:49:47,510 --> 00:49:43,819

interdimensional maybe even

1123

00:49:48,710 --> 00:49:47,520

ultra-terrestrial extraterrestrial

1124

00:49:50,750 --> 00:49:48,720

um

1125

00:49:53,450 --> 00:49:50,760

you know we've already seen that you

1126
00:49:55,670 --> 00:49:53,460
know what the Unseen ones who want to do

1127
00:49:57,829 --> 00:49:55,680
um how they how they they've been here

1128
00:49:59,390 --> 00:49:57,839
forever they've been here since the

1129
00:50:00,109 --> 00:49:59,400
beginning

1130
00:50:03,950 --> 00:50:00,119
um

1131
00:50:05,329 --> 00:50:03,960
I believe Bernadette's one is uh has the

1132
00:50:07,010 --> 00:50:05,339
one that say that they've been here from

1133
00:50:07,970 --> 00:50:07,020
the beginning

1134
00:50:10,130 --> 00:50:07,980
um

1135
00:50:12,950 --> 00:50:10,140
so you know who's to say that they're

1136
00:50:14,569 --> 00:50:12,960
not you know writing they're jumping

1137
00:50:16,130 --> 00:50:14,579
between Dimensions from Dimension

1138
00:50:18,829 --> 00:50:16,140

Dimension Einstein's proven that

1139

00:50:20,750 --> 00:50:18,839

dimensions exist that they call that you

1140

00:50:22,670 --> 00:50:20,760

know they in importance in time and

1141

00:50:25,250 --> 00:50:22,680

Faith they do cross they do intersect

1142

00:50:26,809 --> 00:50:25,260

maybe that's what they use

1143

00:50:29,390 --> 00:50:26,819

um how many reports have we seen of

1144

00:50:31,609 --> 00:50:29,400

Bigfoots being pursued and also and just

1145

00:50:33,290 --> 00:50:31,619

up and disappearing canines up and

1146

00:50:36,170 --> 00:50:33,300

disappearing

1147

00:50:38,930 --> 00:50:36,180

um you know Grays or UFOs just up and

1148

00:50:41,270 --> 00:50:38,940

disappearing in front of you how do we

1149

00:50:44,030 --> 00:50:41,280

not know that they're they can't um

1150

00:50:46,430 --> 00:50:44,040

you know just summon a dimension maybe

1151
00:50:48,589 --> 00:50:46,440
even the faith you know or if you want

1152
00:50:52,790 --> 00:50:48,599
to get into Supernatural

1153
00:50:55,790 --> 00:50:52,800
um creatures but I don't buy the whole

1154
00:50:56,329 --> 00:50:55,800
it's a it's an Undiscovered species

1155
00:50:58,609 --> 00:50:56,339
um

1156
00:51:01,250 --> 00:50:58,619
because then that leaves a whole you

1157
00:51:02,170 --> 00:51:01,260
know Bigfoot canines

1158
00:51:05,089 --> 00:51:02,180
um

1159
00:51:07,069 --> 00:51:05,099
mermaids you know as a possibility even

1160
00:51:09,890 --> 00:51:07,079
that just doesn't seem like it's it

1161
00:51:11,690 --> 00:51:09,900
works so I'm more inclined to believe

1162
00:51:16,010 --> 00:51:11,700
the interdimensional ultra terrestrial

1163
00:51:17,089 --> 00:51:16,020

maybe even extraterrestrial yeah

1164

00:51:19,309 --> 00:51:17,099

um

1165

00:51:21,069 --> 00:51:19,319

you know after all everything we've seen

1166

00:51:23,569 --> 00:51:21,079

all the people we've talked to

1167

00:51:25,910 --> 00:51:23,579

everything that's been reported to us

1168

00:51:29,030 --> 00:51:25,920

and you know we've been pondering this

1169

00:51:33,370 --> 00:51:29,040

we've been looking for excuses in Rhyme

1170

00:51:36,650 --> 00:51:33,380

or Reason for it since 2011 and uh

1171

00:51:38,870 --> 00:51:36,660

honestly the only thing I can really see

1172

00:51:41,390 --> 00:51:38,880

definitively I believe

1173

00:51:43,210 --> 00:51:41,400

is that it's it's there's a supernatural

1174

00:51:46,670 --> 00:51:43,220

aspect to it

1175

00:51:48,650 --> 00:51:46,680

and I I do believe that most Cryptids

1176
00:51:50,630 --> 00:51:48,660
are like that because there always seems

1177
00:51:53,870 --> 00:51:50,640
to be something

1178
00:51:55,910 --> 00:51:53,880
involved with most Crypt is like Bigfoot

1179
00:51:59,809 --> 00:51:55,920
cryptic canines

1180
00:52:01,490 --> 00:51:59,819
Mothman where it's

1181
00:52:03,770 --> 00:52:01,500
they're just something that's

1182
00:52:04,609 --> 00:52:03,780
unexplained

1183
00:52:06,950 --> 00:52:04,619
um

1184
00:52:10,490 --> 00:52:06,960
are they interdimensional I I think

1185
00:52:13,790 --> 00:52:10,500
there's a possibility that they are

1186
00:52:15,829 --> 00:52:13,800
uh can we prove that now not yet I don't

1187
00:52:18,470 --> 00:52:15,839
think so but I I'm not saying that we

1188
00:52:21,829 --> 00:52:18,480

won't be able to I think we will be able

1189

00:52:23,390 --> 00:52:21,839

to eventually maybe you you guys me and

1190

00:52:25,069 --> 00:52:23,400

we're not going to do that maybe

1191

00:52:26,270 --> 00:52:25,079

somebody else will have to do that at

1192

00:52:29,750 --> 00:52:26,280

some point

1193

00:52:31,910 --> 00:52:29,760

but uh you know

1194

00:52:34,010 --> 00:52:31,920

you know when people ask me this the

1195

00:52:35,510 --> 00:52:34,020

only thing I could tell them is I I do

1196

00:52:38,630 --> 00:52:35,520

believe that it's definitely a

1197

00:52:40,370 --> 00:52:38,640

supernatural being of some type

1198

00:52:42,890 --> 00:52:40,380

and that's the most I can that's the

1199

00:52:44,390 --> 00:52:42,900

best I can say at this point

1200

00:52:45,950 --> 00:52:44,400

you know we've looked at the occult

1201

00:52:47,569 --> 00:52:45,960

we've looked at

1202

00:52:54,410 --> 00:52:47,579

uh

1203

00:52:57,829 --> 00:52:54,420

you know something that's been summoned

1204

00:53:01,309 --> 00:52:57,839

uh We've looked at the um

1205

00:53:03,230 --> 00:53:01,319

we've looked at the uh uh particle

1206

00:53:05,450 --> 00:53:03,240

accelerator thing

1207

00:53:07,490 --> 00:53:05,460

without their Fermi Labs we looked at

1208

00:53:10,190 --> 00:53:07,500

all kinds of different things and really

1209

00:53:13,370 --> 00:53:10,200

I I don't think we we've come much

1210

00:53:17,089 --> 00:53:13,380

closer to understanding other than this

1211

00:53:20,150 --> 00:53:17,099

the whole uh unseen one

1212

00:53:22,670 --> 00:53:20,160

uh incidents that were reported to us

1213

00:53:24,710 --> 00:53:22,680

about a year and a half ago uh

1214

00:53:30,470 --> 00:53:24,720

I don't know

1215

00:53:32,089 --> 00:53:30,480

you know P I guess people expect us to

1216

00:53:33,770 --> 00:53:32,099

have answers to this but you know at

1217

00:53:39,530 --> 00:53:33,780

this point we just don't really have

1218

00:53:47,930 --> 00:53:43,390

so you guys agree with that yes

1219

00:53:50,390 --> 00:53:47,940

I like to say that uh I mean and this is

1220

00:53:51,710 --> 00:53:50,400

true for

1221

00:53:54,710 --> 00:53:51,720

both

1222

00:53:58,069 --> 00:53:54,720

kind of crazy people

1223

00:54:00,290 --> 00:53:58,079

tell them that have definitive answers

1224

00:54:04,250 --> 00:54:00,300

for

1225

00:54:08,089 --> 00:54:04,260

you know if we did if it was noon

1226

00:54:10,609 --> 00:54:08,099

um you know could major at Universe you

1227

00:54:11,870 --> 00:54:10,619

know would be uh major scientific

1228

00:54:15,950 --> 00:54:11,880

studies

1229

00:54:17,630 --> 00:54:15,960

um you know it would be it would be if

1230

00:54:18,290 --> 00:54:17,640

it was knowable

1231

00:54:20,630 --> 00:54:18,300

um

1232

00:54:25,490 --> 00:54:20,640

that

1233

00:54:28,670 --> 00:54:25,500

at this point of

1234

00:54:31,430 --> 00:54:28,680

being understood that level is

1235

00:54:33,890 --> 00:54:31,440

um it's something of a huge threat so

1236

00:54:35,450 --> 00:54:33,900

yeah of course I don't have answers

1237

00:54:38,089 --> 00:54:35,460

anybody who tells that they do have

1238

00:54:41,270 --> 00:54:38,099

answers uh that's these red flag don't

1239

00:54:42,950 --> 00:54:41,280

trust that person absolutely yeah I I

1240

00:54:45,109 --> 00:54:42,960

I'm in the same boat with you because

1241

00:54:47,329 --> 00:54:45,119

you know occasionally you will get a

1242

00:54:49,430 --> 00:54:47,339

witness who will or somebody who's not a

1243

00:54:51,290 --> 00:54:49,440

witness and tell you well I know exactly

1244

00:54:53,030 --> 00:54:51,300

what they are well you know I'm done

1245

00:54:57,049 --> 00:54:53,040

talking to that person because they

1246

00:54:58,910 --> 00:54:57,059

don't know what it is oh yeah yeah uh I

1247

00:55:00,829 --> 00:54:58,920

do have another question here from well

1248

00:55:03,170 --> 00:55:00,839

it's not really a question state which

1249

00:55:05,210 --> 00:55:03,180

is it's interesting uh summer nights and

1250

00:55:07,790 --> 00:55:05,220

neon lights I'm surprised nobody hasn't

1251

00:55:10,910 --> 00:55:07,800

taken a pop shot at this thing it is

1252

00:55:13,670 --> 00:55:10,920

Chicago yeah absolutely I haven't heard

1253

00:55:16,609 --> 00:55:13,680

of anybody taking a shot at it yet

1254

00:55:18,890 --> 00:55:16,619

uh and I'm not advocating somebody do

1255

00:55:23,930 --> 00:55:18,900

that but

1256

00:55:28,130 --> 00:55:27,049

I mean this thing is seen all over the

1257

00:55:28,970 --> 00:55:28,140

city

1258

00:55:32,690 --> 00:55:28,980

um

1259

00:55:35,270 --> 00:55:32,700

I can speak from you know from the the

1260

00:55:37,910 --> 00:55:35,280

perspective of uh the little village and

1261

00:55:39,290 --> 00:55:37,920

uh other sightings in that those areas

1262

00:55:42,230 --> 00:55:39,300

at um

1263

00:55:45,470 --> 00:55:42,240

No One's Gonna Take a pot shot at it in

1264

00:55:47,089 --> 00:55:45,480

in a little bit most of us grew up with

1265

00:55:49,130 --> 00:55:47,099

our grandmothers telling us how these

1266

00:55:52,430 --> 00:55:49,140

things were and how they worked and how

1267

00:55:54,530 --> 00:55:52,440

the vindictive these these Spirits were

1268

00:55:57,109 --> 00:55:54,540

um drawing attention to yourself and

1269

00:56:00,109 --> 00:55:57,119

drawing its attention to you

1270

00:56:02,089 --> 00:56:00,119

um would probably be one of those few

1271

00:56:04,790 --> 00:56:02,099

things that you don't want to do with

1272

00:56:06,770 --> 00:56:04,800

kind of like watching a bear with your

1273

00:56:08,990 --> 00:56:06,780

22 card room decided to take a pot shot

1274

00:56:10,490 --> 00:56:09,000

at the Bears and you put on attention to

1275

00:56:11,930 --> 00:56:10,500

yourself

1276

00:56:13,190 --> 00:56:11,940

um no telling what's going to happen to

1277

00:56:14,210 --> 00:56:13,200

you

1278

00:56:17,270 --> 00:56:14,220

um

1279

00:56:19,790 --> 00:56:17,280

in Chicago after all I mean you hear

1280

00:56:22,250 --> 00:56:19,800

about it every day of the week you know

1281

00:56:25,190 --> 00:56:22,260

multiple times a day a week

1282

00:56:28,010 --> 00:56:25,200

um I'm surprised no one has but even if

1283

00:56:31,970 --> 00:56:28,020

they do it's it's again it's Chicago

1284

00:56:35,990 --> 00:56:31,980

it's just another Tuesday night you know

1285

00:56:37,970 --> 00:56:36,000

yep uh Thomas Carroll's asked uh could

1286

00:56:40,430 --> 00:56:37,980

these beings be drawn to areas of

1287

00:56:43,430 --> 00:56:40,440

well-known tragedies like the Silver

1288

00:56:45,890 --> 00:56:43,440

Bridge collapse and the Chicago Fire

1289

00:56:48,170 --> 00:56:45,900

uh while maybe not harbingers of Doom

1290

00:56:51,049 --> 00:56:48,180

but could be could they be drawn to the

1291

00:56:53,390 --> 00:56:51,059

area for that I I guess it's possible

1292

00:56:56,809 --> 00:56:53,400

again there this is something else we

1293

00:56:59,930 --> 00:56:56,819

have thought about and um

1294

00:57:03,609 --> 00:56:59,940

and I don't I don't prescribe to the The

1295

00:57:07,130 --> 00:57:03,619

Harbinger thing but uh our Theory

1296

00:57:10,069 --> 00:57:07,140

uh but who knows it may very well you

1297

00:57:10,970 --> 00:57:10,079

know Chicago has a very deep paranormal

1298

00:57:13,849 --> 00:57:10,980

history

1299

00:57:16,490 --> 00:57:13,859

a lot of UFO sightings you know the

1300

00:57:18,410 --> 00:57:16,500

Upper Midwest is well known for Avian

1301
00:57:20,390 --> 00:57:18,420

Cryptids

1302
00:57:22,849 --> 00:57:20,400

so I mean maybe there's just something

1303
00:57:24,890 --> 00:57:22,859

related to that I don't know what do you

1304
00:57:29,569 --> 00:57:24,900

guys think

1305
00:57:32,870 --> 00:57:29,579

I think the issue with meaning that bra

1306
00:57:36,109 --> 00:57:32,880

brush is sort of the issue that that uh

1307
00:57:39,170 --> 00:57:36,119

arises whenever you did because I'll

1308
00:57:41,870 --> 00:57:39,180

argue an example like you hear a lot of

1309
00:57:45,950 --> 00:57:41,880

people talking about

1310
00:57:47,109 --> 00:57:45,960

to water to cite is right over the

1311
00:57:50,809 --> 00:57:47,119

middle

1312
00:57:51,950 --> 00:57:50,819

every year everywhere you wouldn't have

1313
00:58:02,809 --> 00:57:51,960

a

1314

00:58:09,250 --> 00:58:02,819

um

1315

00:58:15,230 --> 00:58:09,260

because there is a correlation uh

1316

00:58:18,470 --> 00:58:15,240

uh in my causation and I I think

1317

00:58:20,809 --> 00:58:18,480

with the idea of uh winged humanoids and

1318

00:58:24,530 --> 00:58:20,819

and tragedy um

1319

00:58:27,829 --> 00:58:24,540

and really we can we can invert that and

1320

00:58:29,990 --> 00:58:27,839

see why it doesn't

1321

00:58:32,690 --> 00:58:30,000

early work you know think about all of

1322

00:58:34,910 --> 00:58:32,700

the the treaties that occur every day I

1323

00:58:37,069 --> 00:58:34,920

mean think of all the the major tragedy

1324

00:58:39,410 --> 00:58:37,079

that have occurred

1325

00:58:41,630 --> 00:58:39,420

um throughout history

1326
00:58:45,829 --> 00:58:41,640
um not involving weighing two of us for

1327
00:58:47,210 --> 00:58:45,839
for the particular reason uh and so the

1328
00:58:50,089 --> 00:58:47,220
idea

1329
00:58:52,569 --> 00:58:50,099
um are particularly uh attracted to to

1330
00:58:55,490 --> 00:58:52,579
tragedy it doesn't doesn't

1331
00:58:56,870 --> 00:58:55,500
necessarily hold up under uh scrutiny

1332
00:59:01,190 --> 00:58:56,880
you know we don't have any evidence

1333
00:59:03,710 --> 00:59:01,200
right and beyond that uh it isn't

1334
00:59:06,289 --> 00:59:03,720
necessarily really make

1335
00:59:08,809 --> 00:59:06,299
it it just doesn't really stand on its

1336
00:59:12,230 --> 00:59:08,819
its unfortunately

1337
00:59:14,569 --> 00:59:12,240
um you know you could argue probably a

1338
00:59:17,870 --> 00:59:14,579

lot of the people involved in the states

1339

00:59:21,710 --> 00:59:17,880

had suffered some Prejudice

1340

00:59:25,430 --> 00:59:21,720

um but who hasn't and uh again that in

1341

00:59:27,049 --> 00:59:25,440

and of itself really imply any causal

1342

00:59:29,510 --> 00:59:27,059

relationship

1343

00:59:32,089 --> 00:59:29,520

um so yeah I know I I just I don't think

1344

00:59:35,510 --> 00:59:32,099

there's really anything in any way

1345

00:59:37,569 --> 00:59:35,520

honestly uh between those ideas

1346

00:59:41,150 --> 00:59:37,579

um I think that more than anything

1347

00:59:45,190 --> 00:59:41,160

why that is so persistent is the

1348

00:59:50,650 --> 00:59:45,200

hilarity of uh kiel's Mothman Prophecies

1349

00:59:56,990 --> 00:59:50,660

perfected the idea 50 years ago and um

1350

00:59:58,750 --> 00:59:57,000

trenched in the case now when that

1351

01:00:01,970 --> 00:59:58,760

um people are just constantly looking

1352

01:00:09,890 --> 01:00:01,980

and uh and honestly I don't think

1353

01:00:15,470 --> 01:00:12,950

all right to buy screws up on us

1354

01:00:17,690 --> 01:00:15,480

oh am I serious thousand right now yeah

1355

01:00:20,089 --> 01:00:17,700

you're all right now I decide but it did

1356

01:00:22,190 --> 01:00:20,099

freeze there for a bit anyway let me get

1357

01:00:25,910 --> 01:00:22,200

to these other two sightings

1358

01:00:27,049 --> 01:00:25,920

um other reports that we that were more

1359

01:00:29,270 --> 01:00:27,059

recent

1360

01:00:33,650 --> 01:00:29,280

uh

1361

01:00:35,690 --> 01:00:33,660

we had the now this I got actually for

1362

01:00:39,230 --> 01:00:35,700

the past week I I had two of them

1363

01:00:43,430 --> 01:00:39,240

reported to me one was a seven foot tall

1364

01:00:47,210 --> 01:00:43,440

batwing humanoid over uh in Pilsen

1365

01:00:49,130 --> 01:00:47,220

which was uh actually seen on a an

1366

01:00:52,250 --> 01:00:49,140

overpass

1367

01:00:54,170 --> 01:00:52,260

which was at South Laflin Street and

1368

01:00:56,150 --> 01:00:54,180

West 16th Street

1369

01:00:58,609 --> 01:00:56,160

where this woman was visiting her

1370

01:00:59,870 --> 01:00:58,619

boyfriend at night and she encountered a

1371

01:01:02,690 --> 01:00:59,880

seven foot

1372

01:01:05,870 --> 01:01:02,700

tall winged humanoid

1373

01:01:08,210 --> 01:01:05,880

I talked to her then um

1374

01:01:10,609 --> 01:01:08,220

she said I had her send me a statement

1375

01:01:12,589 --> 01:01:10,619

she said she had just parked her car

1376

01:01:16,210 --> 01:01:12,599

it's your boyfriend at the time in the

1377

01:01:18,589 --> 01:01:16,220

Pilsen Community it was uh October 2019

1378

01:01:19,910 --> 01:01:18,599

I parked almost two blocks from the

1379

01:01:23,270 --> 01:01:19,920

building

1380

01:01:25,670 --> 01:01:23,280

I was really late and I was walking past

1381

01:01:28,670 --> 01:01:25,680

under the bridge this bridge standing

1382

01:01:32,210 --> 01:01:28,680

underneath was a seven foot tall

1383

01:01:34,789 --> 01:01:32,220

humanoid but veiny bat like wings

1384

01:01:37,910 --> 01:01:34,799

a face towards the wall not directly

1385

01:01:40,789 --> 01:01:37,920

staring at me but was just standing she

1386

01:01:43,010 --> 01:01:40,799

got very creeped out

1387

01:01:46,430 --> 01:01:43,020

um started walking to where she needed

1388

01:01:50,150 --> 01:01:46,440

to be but when she looked back

1389

01:01:51,589 --> 01:01:50,160

uh you know she saw it again years later

1390

01:01:53,030 --> 01:01:51,599

she said she remember seeing the

1391

01:01:56,150 --> 01:01:53,040

creature

1392

01:01:58,010 --> 01:01:56,160

and decided to do some research turns

1393

01:02:00,349 --> 01:01:58,020

out many people in Chicago of course you

1394

01:02:02,569 --> 01:02:00,359

know she just found out about it

1395

01:02:06,230 --> 01:02:02,579

and you know when I talked to her she

1396

01:02:08,270 --> 01:02:06,240

was she was very forthright about it and

1397

01:02:10,010 --> 01:02:08,280

she does still seem to be somewhat

1398

01:02:12,589 --> 01:02:10,020

affected by it which a lot of these

1399

01:02:14,450 --> 01:02:12,599

Witnesses have now she don't she doesn't

1400

01:02:17,690 --> 01:02:14,460

live in Chicago anymore

1401

01:02:20,770 --> 01:02:17,700

uh she actually lives in Michigan

1402

01:02:23,870 --> 01:02:20,780

so uh that was an interesting sighting

1403

01:02:26,329 --> 01:02:23,880

uh of course we get these

1404

01:02:28,190 --> 01:02:26,339

incidental sightings from from a lot of

1405

01:02:31,609 --> 01:02:28,200

witnesses and and the one I just

1406

01:02:35,630 --> 01:02:31,619

received a few days after that

1407

01:02:39,230 --> 01:02:35,640

was over in Calumet City and in a which

1408

01:02:43,370 --> 01:02:39,240

is an area very near the Indiana

1409

01:02:45,589 --> 01:02:43,380

Illinois state line and uh it's an area

1410

01:02:47,210 --> 01:02:45,599

where we've had a lot of sightings uh

1411

01:02:49,849 --> 01:02:47,220

various sightings

1412

01:02:52,069 --> 01:02:49,859

this witness was driving into Calumet

1413

01:02:54,410 --> 01:02:52,079

City Illinois from Hammond Indiana

1414

01:02:56,450 --> 01:02:54,420

where she observed an unknown figure in

1415

01:02:59,750 --> 01:02:56,460

front of her the humanoid unfurled its

1416

01:03:02,510 --> 01:02:59,760

wings and flew over her vehicle

1417

01:03:04,970 --> 01:03:02,520

she said it was January 14th of this

1418

01:03:07,130 --> 01:03:04,980

year 2023

1419

01:03:10,010 --> 01:03:07,140

she was on her way to work approximately

1420

01:03:11,390 --> 01:03:10,020

5 30 to 5 45 in the morning it was a

1421

01:03:13,069 --> 01:03:11,400

white rain and dark

1422

01:03:16,549 --> 01:03:13,079

she was coming from Hammond Indiana

1423

01:03:18,890 --> 01:03:16,559

heading west on 165th which turns into

1424

01:03:21,650 --> 01:03:18,900

159th

1425

01:03:24,170 --> 01:03:21,660

I was between State Street and Wentworth

1426

01:03:27,049 --> 01:03:24,180

Avenue in Calumet City Illinois

1427

01:03:29,270 --> 01:03:27,059

so when I saw it I was now in Illinois

1428

01:03:31,970 --> 01:03:29,280

after passing State Street

1429

01:03:34,069 --> 01:03:31,980

I was in the left lane and there was

1430

01:03:36,349 --> 01:03:34,079

only one car in front of me in the right

1431

01:03:37,609 --> 01:03:36,359

lane this car was about six car Lanes

1432

01:03:39,530 --> 01:03:37,619

ahead of me

1433

01:03:42,530 --> 01:03:39,540

it's a wooded area and I saw something

1434

01:03:44,270 --> 01:03:42,540

alongside the car in front of me by the

1435

01:03:46,670 --> 01:03:44,280

rear

1436

01:03:48,950 --> 01:03:46,680

now this thing must been hanging on to

1437

01:03:51,230 --> 01:03:48,960

the car or was flying I don't know I

1438

01:03:52,130 --> 01:03:51,240

don't I don't really understand what it

1439

01:03:54,589 --> 01:03:52,140

was doing

1440

01:03:57,230 --> 01:03:54,599

uh she said she always watches for deer

1441

01:03:59,030 --> 01:03:57,240

and raccoon and possums in that area

1442

01:04:01,370 --> 01:03:59,040

and uh

1443

01:04:04,130 --> 01:04:01,380

she said she looked harder and watched

1444

01:04:06,289 --> 01:04:04,140

and thought it to herself

1445

01:04:08,450 --> 01:04:06,299

that it was a deer

1446

01:04:10,490 --> 01:04:08,460

and it was running fast

1447

01:04:12,890 --> 01:04:10,500

but then I realized there's no way as a

1448

01:04:15,589 --> 01:04:12,900

deer it was much bigger

1449

01:04:18,109 --> 01:04:15,599

uh like I said it was a light rain dark

1450

01:04:20,030 --> 01:04:18,119

and then my wipers on I started to speed

1451
01:04:22,309 --> 01:04:20,040
up because I had no clue what it was at

1452
01:04:25,190 --> 01:04:22,319
this point so as I got close or whatever

1453
01:04:26,390 --> 01:04:25,200
it was went directly behind the car in

1454
01:04:29,210 --> 01:04:26,400
front of me

1455
01:04:32,990 --> 01:04:29,220
and suddenly had this huge wingspan and

1456
01:04:34,849 --> 01:04:33,000
went up and over my car

1457
01:04:37,910 --> 01:04:34,859
she said she talked about it for weeks

1458
01:04:40,549 --> 01:04:37,920
telling everyone uh how it was very

1459
01:04:42,770 --> 01:04:40,559
unsettling and and all I thought about

1460
01:04:43,789 --> 01:04:42,780
you know I thought about ever since that

1461
01:04:45,710 --> 01:04:43,799
morning

1462
01:04:47,990 --> 01:04:45,720
says I take the same route to work

1463
01:04:50,270 --> 01:04:48,000

Monday through Saturday every day

1464

01:04:53,210 --> 01:04:50,280

and she thinks about it each time she

1465

01:04:55,970 --> 01:04:53,220

goes through there so

1466

01:04:57,470 --> 01:04:55,980

again you know this is an area where you

1467

01:04:58,849 --> 01:04:57,480

know of course but we've got many areas

1468

01:05:00,589 --> 01:04:58,859

throughout the

1469

01:05:02,630 --> 01:05:00,599

Chicagoland area where these settings

1470

01:05:06,410 --> 01:05:02,640

are showing up

1471

01:05:08,089 --> 01:05:06,420

so um it's here we do have we do have

1472

01:05:11,210 --> 01:05:08,099

another question more of a statement

1473

01:05:13,250 --> 01:05:11,220

from vocal moth vocal Moss yeah

1474

01:05:15,109 --> 01:05:13,260

uh this is more a statement than a

1475

01:05:17,990 --> 01:05:15,119

question an entire Community like

1476

01:05:20,329 --> 01:05:18,000

Bensenville was uprooted due to the

1477

01:05:21,710 --> 01:05:20,339

modernization of O'Hare Airport now he's

1478

01:05:23,569 --> 01:05:21,720

talking about

1479

01:05:25,609 --> 01:05:23,579

why

1480

01:05:28,010 --> 01:05:25,619

maybe they're showing up because we've

1481

01:05:30,170 --> 01:05:28,020

had a lot of settings in Rosemont

1482

01:05:32,510 --> 01:05:30,180

which is on the east side of the airport

1483

01:05:33,829 --> 01:05:32,520

and Bensonville is on the southwest side

1484

01:05:36,190 --> 01:05:33,839

of the airport we've had a lot of

1485

01:05:39,770 --> 01:05:36,200

sightings there

1486

01:05:41,150 --> 01:05:39,780

just off of uh the airport property so

1487

01:05:43,250 --> 01:05:41,160

maybe there is a connection there

1488

01:05:44,990 --> 01:05:43,260

somehow

1489

01:05:46,910 --> 01:05:45,000

kind of like your button you're

1490

01:05:48,410 --> 01:05:46,920

disturbing their habitat and now you're

1491

01:05:51,470 --> 01:05:48,420

using more

1492

01:05:53,750 --> 01:05:51,480

of them that could be I mean Bentonville

1493

01:05:54,829 --> 01:05:53,760

has seen quite a lot of sightings we've

1494

01:05:58,130 --> 01:05:54,839

had

1495

01:05:59,750 --> 01:05:58,140

rash of sightings coming out of Benson

1496

01:06:00,289 --> 01:05:59,760

bill

1497

01:06:02,270 --> 01:06:00,299

um

1498

01:06:04,190 --> 01:06:02,280

I think we've had eight sightings in

1499

01:06:07,430 --> 01:06:04,200

Bensenville area all together and some

1500

01:06:10,849 --> 01:06:07,440

very close up sightings at that yeah

1501

01:06:12,650 --> 01:06:10,859

um so yeah it could be I mean that that

1502

01:06:16,430 --> 01:06:12,660

um I can speak from experience because I

1503

01:06:18,829 --> 01:06:16,440

also do uh Uber and that that whole area

1504

01:06:20,569 --> 01:06:18,839

around the airport is just

1505

01:06:22,670 --> 01:06:20,579

um it's a mess

1506

01:06:24,349 --> 01:06:22,680

um they're putting them they're putting

1507

01:06:28,190 --> 01:06:24,359

in a new Expressway they're they're

1508

01:06:30,710 --> 01:06:28,200

doing all sorts of modernization it's

1509

01:06:33,829 --> 01:06:30,720

construction on top of construction on

1510

01:06:36,950 --> 01:06:33,839

top of construction and a lot of this

1511

01:06:39,650 --> 01:06:36,960

area that's been was previously enforced

1512

01:06:42,650 --> 01:06:39,660

preserve is now being torn up yeah

1513

01:06:44,390 --> 01:06:42,660

um to make way for this stuff and a lot

1514

01:06:46,370 --> 01:06:44,400

of sightings have come in from that area

1515

01:06:48,770 --> 01:06:46,380

quite a lot of sightings have come in

1516

01:06:51,650 --> 01:06:48,780

from that area construction workers and

1517

01:06:52,910 --> 01:06:51,660

and whatnot in that area seeing seeing

1518

01:06:55,250 --> 01:06:52,920

things maybe

1519

01:06:58,730 --> 01:06:55,260

we're disturbing something

1520

01:07:00,950 --> 01:06:58,740

right there so I I you know I you know I

1521

01:07:02,630 --> 01:07:00,960

I I didn't really think about that you

1522

01:07:04,670 --> 01:07:02,640

know we have had a lot of sightings in

1523

01:07:07,549 --> 01:07:04,680

these green areas these preserve areas

1524

01:07:09,770 --> 01:07:07,559

of particularly just people calling them

1525

01:07:12,529 --> 01:07:09,780

human noise not necessarily having

1526

01:07:14,870 --> 01:07:12,539

something with wings

1527

01:07:16,849 --> 01:07:14,880

um but there have been sightings and of

1528

01:07:19,750 --> 01:07:16,859

course Chicago is well known for all

1529

01:07:23,690 --> 01:07:19,760

their green areas that preserve areas

1530

01:07:25,970 --> 01:07:23,700

maybe you know maybe the airport you

1531

01:07:27,589 --> 01:07:25,980

know maybe the airport did disturb

1532

01:07:29,690 --> 01:07:27,599

something when they even first put the

1533

01:07:32,210 --> 01:07:29,700

airport in there

1534

01:07:33,650 --> 01:07:32,220

yeah I mean it was an orchard for a

1535

01:07:36,109 --> 01:07:33,660

while for the longest time before it

1536

01:07:37,849 --> 01:07:36,119

became an airport and now they're even

1537

01:07:39,410 --> 01:07:37,859

talking they just had it on the news

1538

01:07:42,049 --> 01:07:39,420

they're talking about as part of the

1539

01:07:43,430 --> 01:07:42,059

expansion with this new Expressway

1540

01:07:46,250 --> 01:07:43,440

um

1541

01:07:48,710 --> 01:07:46,260

there was a massive there was an airline

1542

01:07:50,510 --> 01:07:48,720

uh that crashed here I figure even in

1543

01:07:52,789 --> 01:07:50,520

the 80s

1544

01:07:56,450 --> 01:07:52,799

um as a really bad airline crash it took

1545

01:07:58,370 --> 01:07:56,460

lost an engine on takeoff but that area

1546

01:08:00,770 --> 01:07:58,380

has been basically a forest preserve

1547

01:08:03,170 --> 01:08:00,780

since the day that since the day of that

1548

01:08:05,930 --> 01:08:03,180

crash the only thing that's there now is

1549

01:08:08,390 --> 01:08:05,940

on a Chicago Police Department uh canine

1550

01:08:11,089 --> 01:08:08,400

training facility but behind that whole

1551

01:08:13,370 --> 01:08:11,099

area where the plane actually landed

1552

01:08:15,829 --> 01:08:13,380

um and killed all those people

1553

01:08:19,669 --> 01:08:15,839

um has been left basically undisturbed

1554

01:08:21,890 --> 01:08:19,679

since that accident and now it's being

1555

01:08:24,829 --> 01:08:21,900

torn up because this new Expressway is

1556

01:08:27,169 --> 01:08:24,839

coming through so maybe that's something

1557

01:08:28,010 --> 01:08:27,179

that could have been disturbing that'd

1558

01:08:29,689 --> 01:08:28,020

be

1559

01:08:31,070 --> 01:08:29,699

a lot of people are you know saying that

1560

01:08:33,050 --> 01:08:31,080

that's sacred ground they should just

1561

01:08:36,229 --> 01:08:33,060

leave it alone and you know in memory of

1562

01:08:38,470 --> 01:08:36,239

it nothing's ever been built there uh

1563

01:08:41,450 --> 01:08:38,480

and now now do you have this massive

1564

01:08:43,910 --> 01:08:41,460

Expressway coming through

1565

01:08:45,470 --> 01:08:43,920

um maybe that's something that's

1566

01:08:47,990 --> 01:08:45,480

you know get Disturbed and it's

1567

01:08:51,410 --> 01:08:48,000

manifesting itself this way and he also

1568

01:08:53,450 --> 01:08:51,420

had they also dug up a a uh well they'd

1569

01:08:55,849 --> 01:08:53,460

moved to a cemetery there too there were

1570

01:08:58,849 --> 01:08:55,859

two cemeteries there

1571

01:09:00,650 --> 01:08:58,859

um and rest even still there but

1572

01:09:02,209 --> 01:09:00,660

it's interesting that a lot of the

1573

01:09:04,910 --> 01:09:02,219

sightings that we have had on the

1574

01:09:07,669 --> 01:09:04,920

property have been near that Cemetery

1575

01:09:09,050 --> 01:09:07,679

yeah I think Rest Haven was going to be

1576

01:09:11,209 --> 01:09:09,060

one of those where it's not going to go

1577

01:09:13,309 --> 01:09:11,219

anywhere because up to its location yeah

1578

01:09:16,490 --> 01:09:13,319

and about it the way but it's wedged

1579

01:09:19,550 --> 01:09:16,500

between two massive uh terminals

1580

01:09:21,890 --> 01:09:19,560

um but even Tobias who's been out there

1581

01:09:23,510 --> 01:09:21,900

before he came to test it you might be

1582

01:09:25,189 --> 01:09:23,520

in one of the largest airports in the

1583

01:09:26,749 --> 01:09:25,199

world in front of the busiest but if

1584

01:09:29,809 --> 01:09:26,759

you're out there and it's at night

1585

01:09:32,809 --> 01:09:29,819

you're you're basically alone

1586

01:09:35,150 --> 01:09:32,819

um there is nothing out there it is it

1587

01:09:37,070 --> 01:09:35,160

is very uh that's where I had my first

1588

01:09:42,530 --> 01:09:37,080

encounter within team once it's there

1589

01:09:45,229 --> 01:09:42,540

and you are basically alone in that area

1590

01:09:47,209 --> 01:09:45,239

yeah it is uh it is remarkably isolated

1591

01:09:49,849 --> 01:09:47,219

is my like internet connection better

1592

01:09:51,410 --> 01:09:49,859

now because I noticed yeah it is I feel

1593

01:09:53,809 --> 01:09:51,420

so stupid there was this weird thing

1594

01:09:55,550 --> 01:09:53,819

where it was connecting to this extender

1595

01:09:57,830 --> 01:09:55,560

that I have on like the other side of

1596

01:09:59,470 --> 01:09:57,840

the house and so like I yeah I know

1597

01:10:01,910 --> 01:09:59,480

right

1598

01:10:03,650 --> 01:10:01,920

so it's like connected to the actual

1599

01:10:06,350 --> 01:10:03,660

like main internet and not like the the

1600

01:10:08,750 --> 01:10:06,360

wireless like extender that's rooms away

1601
01:10:11,930 --> 01:10:08,760
so it should be much much better now so

1602
01:10:13,669 --> 01:10:11,940
sorry about that but that's okay hey it

1603
01:10:16,189 --> 01:10:13,679
happens to all of us man I'm telling you

1604
01:10:21,950 --> 01:10:16,199
right

1605
01:10:25,310 --> 01:10:21,960
O'Hare in terms of some of the the

1606
01:10:27,950 --> 01:10:25,320
isolation I mean it really is like it's

1607
01:10:30,290 --> 01:10:27,960
it's it's like its own small town and

1608
01:10:32,270 --> 01:10:30,300
like any small town it's got a little

1609
01:10:34,550 --> 01:10:32,280
out of the way areas

1610
01:10:36,050 --> 01:10:34,560
um you know so sure hundreds of

1611
01:10:38,209 --> 01:10:36,060
thousands of people are going through

1612
01:10:40,669 --> 01:10:38,219
there every day but you know they're

1613
01:10:43,370 --> 01:10:40,679

sticking to the the terminals you know

1614

01:10:45,590 --> 01:10:43,380

if if it's not happening inside of the

1615

01:10:47,570 --> 01:10:45,600

airport or on a Runway

1616

01:10:49,550 --> 01:10:47,580

um they would never see it and you know

1617

01:10:50,990 --> 01:10:49,560

speaking uh about Rest Haven

1618

01:10:53,390 --> 01:10:51,000

specifically

1619

01:10:56,149 --> 01:10:53,400

um it is a weird isolated little uh

1620

01:10:58,490 --> 01:10:56,159

Cemetery back in you know and I I've

1621

01:10:59,990 --> 01:10:58,500

I've been there myself more than once

1622

01:11:01,970 --> 01:11:00,000

and um

1623

01:11:04,430 --> 01:11:01,980

you know it's Gotta it's got a real

1624

01:11:06,290 --> 01:11:04,440

unusual vibe to it

1625

01:11:09,890 --> 01:11:06,300

um and I know we've we've talked about

1626

01:11:12,709 --> 01:11:09,900

this before too in terms of uh there

1627

01:11:15,830 --> 01:11:12,719

being some unusual quality just to to

1628

01:11:17,810 --> 01:11:15,840

that specific area and um and and I

1629

01:11:20,270 --> 01:11:17,820

believe in our previous conversations we

1630

01:11:23,570 --> 01:11:20,280

we sort of related it to how you'll hear

1631

01:11:25,610 --> 01:11:23,580

about people uh uh having more

1632

01:11:27,709 --> 01:11:25,620

paranormal uh phenomena in their house

1633

01:11:29,990 --> 01:11:27,719

during construction right so like they

1634

01:11:32,090 --> 01:11:30,000

they live in a house uh where they they

1635

01:11:33,530 --> 01:11:32,100

think it might be haunted and then uh

1636

01:11:35,930 --> 01:11:33,540

they're they're having construction done

1637

01:11:39,110 --> 01:11:35,940

or or something similar and all of a

1638

01:11:41,990 --> 01:11:39,120

sudden that activity it is heightened

1639

01:11:44,750 --> 01:11:42,000

you know it's it's happening with uh uh

1640

01:11:46,790 --> 01:11:44,760

uh more and more frequency and uh and

1641

01:11:49,189 --> 01:11:46,800

and things seem to to ramp up and so

1642

01:11:51,890 --> 01:11:49,199

yeah I mean you have to wonder if there

1643

01:11:53,750 --> 01:11:51,900

is some you know Geographic connection

1644

01:11:56,750 --> 01:11:53,760

if there is something about that

1645

01:11:59,390 --> 01:11:56,760

particular space if uh all of this

1646

01:12:00,890 --> 01:11:59,400

recent construction might somehow be

1647

01:12:01,490 --> 01:12:00,900

relay

1648

01:12:03,470 --> 01:12:01,500

um

1649

01:12:04,850 --> 01:12:03,480

the one thing that I I will say about

1650

01:12:06,830 --> 01:12:04,860

that though

1651

01:12:10,130 --> 01:12:06,840

is

1652

01:12:14,810 --> 01:12:10,140

um it's difficult I think to really show

1653

01:12:18,470 --> 01:12:14,820

even a a strong correlation only because

1654

01:12:21,550 --> 01:12:18,480

um when compared to uh other numbers

1655

01:12:25,189 --> 01:12:21,560

right so if if you look at like say the

1656

01:12:28,310 --> 01:12:25,199

2017-2018 stuff right there were a lot

1657

01:12:30,890 --> 01:12:28,320

more sightings and and now uh regardless

1658

01:12:32,750 --> 01:12:30,900

you know we're we're getting a handful

1659

01:12:35,090 --> 01:12:32,760

every year

1660

01:12:37,669 --> 01:12:35,100

um but it's not it's not increasing in

1661

01:12:39,470 --> 01:12:37,679

in fact uh sightings seem to be going

1662

01:12:42,470 --> 01:12:39,480

down

1663

01:12:46,370 --> 01:12:42,480

um and so that makes me wonder you know

1664

01:12:48,410 --> 01:12:46,380

if there is actually any any connection

1665

01:12:50,630 --> 01:12:48,420

um and and uh if there is what it what

1666

01:12:54,470 --> 01:12:50,640

it might actually mean because I would

1667

01:12:57,050 --> 01:12:54,480

expect then um to be uh receiving many

1668

01:13:00,110 --> 01:12:57,060

many more sightings rather than than

1669

01:13:02,149 --> 01:13:00,120

having them um you know sort of of go

1670

01:13:03,169 --> 01:13:02,159

down in unless there was you know sort

1671

01:13:07,490 --> 01:13:03,179

of

1672

01:13:09,709 --> 01:13:07,500

um some initial uh uh you know onset you

1673

01:13:11,930 --> 01:13:09,719

know some some uh like something that's

1674

01:13:13,669 --> 01:13:11,940

just sort of kicked it off and then you

1675

01:13:15,410 --> 01:13:13,679

know there was a huge Spike and then it

1676

01:13:17,689 --> 01:13:15,420

caught it it just sort of went down

1677

01:13:19,790 --> 01:13:17,699

after that but uh but yeah I don't know

1678

01:13:21,830 --> 01:13:19,800

it's it's it's it's interesting to to

1679

01:13:24,110 --> 01:13:21,840

think about and it is a very unusual

1680

01:13:25,850 --> 01:13:24,120

sort of storied area yeah it's it's

1681

01:13:26,870 --> 01:13:25,860

something I never really thought about

1682

01:13:29,750 --> 01:13:26,880

but

1683

01:13:33,470 --> 01:13:29,760

you know of course we hear people talk

1684

01:13:35,570 --> 01:13:33,480

about O'Hare and um the ghost sightings

1685

01:13:38,689 --> 01:13:35,580

people talk about I I've talked to

1686

01:13:40,010 --> 01:13:38,699

employees at O'Hare in the past

1687

01:13:42,169 --> 01:13:40,020

um

1688

01:13:44,630 --> 01:13:42,179

ghost sightings into Terminals and other

1689

01:13:46,130 --> 01:13:44,640

areas someone had mentioned at the crash

1690

01:13:47,390 --> 01:13:46,140

site there have been ghost sightings

1691

01:13:50,990 --> 01:13:47,400

there

1692

01:13:52,490 --> 01:13:51,000

that area who knows what could pop up

1693

01:13:55,550 --> 01:13:52,500

you know but you know you mentioned

1694

01:13:56,270 --> 01:13:55,560

something to boss about

1695

01:13:58,130 --> 01:13:56,280

um

1696

01:13:59,630 --> 01:13:58,140

you know the sightings seemed to be

1697

01:14:01,550 --> 01:13:59,640

slowing down well you know we've had

1698

01:14:04,070 --> 01:14:01,560

these Wayne period winning periods

1699

01:14:05,750 --> 01:14:04,080

before and then all of a sudden it just

1700

01:14:07,490 --> 01:14:05,760

it hits it you know we just start

1701

01:14:10,630 --> 01:14:07,500

getting a whole bunch of sightings

1702

01:14:14,630 --> 01:14:10,640

uh maybe not as much as we did in in in

1703

01:14:20,570 --> 01:14:14,640

18 in 2017 and 2018

1704

01:14:22,310 --> 01:14:20,580

uh but uh yeah I mean who knows I mean I

1705

01:14:24,169 --> 01:14:22,320

I personally believe this is something

1706

01:14:25,669 --> 01:14:24,179

we're still going to be dealing with for

1707

01:14:27,890 --> 01:14:25,679

a long time

1708

01:14:29,630 --> 01:14:27,900

I don't think there's really any end to

1709

01:14:31,370 --> 01:14:29,640

it and you know I would this thing

1710

01:14:35,090 --> 01:14:31,380

manifest into something bigger

1711

01:14:39,950 --> 01:14:37,189

I agree

1712

01:14:42,709 --> 01:14:39,960

um I mean think about think about how

1713

01:14:44,870 --> 01:14:42,719

some of these places have had trauma

1714

01:14:46,370 --> 01:14:44,880

so much trauma and that it's actually

1715

01:14:49,130 --> 01:14:46,380

scarred the land

1716

01:14:50,810 --> 01:14:49,140

um when they put in uh some kind of

1717

01:14:53,270 --> 01:14:50,820

construction or something it's really

1718

01:14:55,390 --> 01:14:53,280

caused all sorts of activity breakup um

1719

01:14:58,430 --> 01:14:55,400

I read um

1720

01:15:00,530 --> 01:14:58,440

article not too long ago about um

1721

01:15:02,630 --> 01:15:00,540

talking about like Battlegrounds kind of

1722

01:15:04,610 --> 01:15:02,640

like near you along where you have

1723

01:15:06,950 --> 01:15:04,620

Gettysburg I mean when they're in the

1724

01:15:08,870 --> 01:15:06,960

visitor center or the road I mean I'm

1725

01:15:11,630 --> 01:15:08,880

sure they were probably seeing all sorts

1726

01:15:15,229 --> 01:15:11,640

of activity ramping up because that

1727

01:15:18,649 --> 01:15:15,239

lands even to this day in 2023 is what

1728

01:15:20,990 --> 01:15:18,659

about 150 200 years from the battle it

1729

01:15:23,930 --> 01:15:21,000

still Bears the scars of that land oh

1730

01:15:27,649 --> 01:15:23,940

absolutely I mean David David uh they've

1731

01:15:31,070 --> 01:15:27,659

been uh refurbishing the uh little round

1732

01:15:32,270 --> 01:15:31,080

top Devil's then area now for about 18

1733

01:15:34,189 --> 01:15:32,280

months

1734

01:15:35,450 --> 01:15:34,199

we still got a little bit going to do

1735

01:15:38,090 --> 01:15:35,460

yet but

1736

01:15:41,390 --> 01:15:38,100

I I did run into and I mentioned this on

1737

01:15:44,450 --> 01:15:41,400

the show before I I did run into a

1738

01:15:46,790 --> 01:15:44,460

construction worker or a worker that was

1739

01:15:49,910 --> 01:15:46,800

been up on the little round top

1740

01:15:53,870 --> 01:15:49,920

at one of the um at the actual Museum

1741

01:15:55,370 --> 01:15:53,880

there in it's um I don't know it's it's

1742

01:15:57,890 --> 01:15:55,380

uh

1743

01:15:59,630 --> 01:15:57,900

it's an artifact Museum basically but

1744

01:16:00,890 --> 01:15:59,640

the guy who runs it actually sells

1745

01:16:03,470 --> 01:16:00,900

artifacts

1746

01:16:05,390 --> 01:16:03,480

but he was in there and I you know I

1747

01:16:07,070 --> 01:16:05,400

heard him talking to the guy who in the

1748

01:16:09,169 --> 01:16:07,080

store mentioning that he he's been

1749

01:16:11,149 --> 01:16:09,179

working up you know on the refurbishing

1750

01:16:13,310 --> 01:16:11,159

of a little round top and he and I got

1751

01:16:15,410 --> 01:16:13,320

to talking about it and he was telling

1752

01:16:17,149 --> 01:16:15,420

me they he he comes in there in the

1753

01:16:20,510 --> 01:16:17,159

morning sometimes

1754

01:16:21,770 --> 01:16:20,520

and uh stuff's being moved Boulders are

1755

01:16:26,570 --> 01:16:21,780

being moved

1756

01:16:28,430 --> 01:16:26,580

things change uh they'll be there

1757

01:16:31,189 --> 01:16:28,440

working in some a boulder will start

1758

01:16:34,070 --> 01:16:31,199

running down the hill all of a sudden

1759

01:16:35,510 --> 01:16:34,080

it's just there has been a lot of

1760

01:16:36,770 --> 01:16:35,520

activity since they've been up there

1761

01:16:37,850 --> 01:16:36,780

working on it

1762

01:16:39,709 --> 01:16:37,860

so

1763

01:16:40,970 --> 01:16:39,719

yeah

1764

01:16:42,590 --> 01:16:40,980

who knows

1765

01:16:44,689 --> 01:16:42,600

right uh

1766

01:16:47,030 --> 01:16:44,699

go ahead oh sorry I was just going to

1767

01:16:51,290 --> 01:16:47,040

say too I I think if if you look at the

1768

01:16:54,169 --> 01:16:51,300

the totality of the sightings you know

1769

01:16:55,610 --> 01:16:54,179

throughout uh time at this point you

1770

01:16:57,590 --> 01:16:55,620

know the earliest sighting that I've

1771

01:17:01,910 --> 01:16:57,600

I've received of a winged humanoid in

1772

01:17:04,850 --> 01:17:01,920

that area uh is from 1957. uh in

1773

01:17:07,189 --> 01:17:04,860

Braidwood Illinois now that is somewhat

1774

01:17:09,050 --> 01:17:07,199

south of of Chicago but my focus has

1775

01:17:10,729 --> 01:17:09,060

always been on everything surrounding

1776

01:17:13,130 --> 01:17:10,739

Lake Michigan because it's it's never

1777

01:17:14,990 --> 01:17:13,140

been just Chicago right

1778

01:17:18,370 --> 01:17:15,000

um and and when you look at that you

1779

01:17:22,610 --> 01:17:18,380

know we have sightings from uh 1957 uh

1780

01:17:25,370 --> 01:17:22,620

1969 in Indiana with Floyd Hancock uh

1781

01:17:27,590 --> 01:17:25,380

1971 David Ramos

1782

01:17:29,209 --> 01:17:27,600

um at the the North Branch of of the the

1783

01:17:30,950 --> 01:17:29,219

Chicago River

1784

01:17:33,290 --> 01:17:30,960

um you know they're they're relatively

1785

01:17:36,590 --> 01:17:33,300

spread out and and they go back a very

1786

01:17:40,070 --> 01:17:36,600

long time and there's nothing to

1787

01:17:44,090 --> 01:17:40,080

associate them with any

1788

01:17:47,930 --> 01:17:44,100

like anything happening today uh other

1789

01:17:49,669 --> 01:17:47,940

than the the phenomenon itself right

1790

01:17:52,850 --> 01:17:49,679

like there was uh there was no

1791

01:17:57,470 --> 01:17:52,860

construction necessarily happening uh to

1792

01:18:00,470 --> 01:17:57,480

tie uh Braidwood to O'Hare right but the

1793

01:18:03,229 --> 01:18:00,480

uh description given by the the uh

1794

01:18:06,290 --> 01:18:03,239

witness Gerald is similar to what people

1795

01:18:09,649 --> 01:18:06,300

are still reporting today and so I think

1796

01:18:12,830 --> 01:18:09,659

that when it comes to trying to to look

1797

01:18:15,830 --> 01:18:12,840

for uh for explanations that that sort

1798

01:18:18,290 --> 01:18:15,840

of depend on uh generalities you know

1799

01:18:21,350 --> 01:18:18,300

like location right

1800

01:18:23,870 --> 01:18:21,360

um we need to look at

1801

01:18:27,470 --> 01:18:23,880

um the overall Trends rather than than

1802

01:18:29,390 --> 01:18:27,480

trying to just uh focus on on one

1803

01:18:30,890 --> 01:18:29,400

limited space right

1804

01:18:32,649 --> 01:18:30,900

um which is I know is frustrating

1805

01:18:36,649 --> 01:18:32,659

because it makes everything even more

1806

01:18:38,390 --> 01:18:36,659

mysterious than it it it already was but

1807

01:18:40,970 --> 01:18:38,400

um we also don't want to throw the baby

1808

01:18:42,470 --> 01:18:40,980

out with the uh the bathwater here and

1809

01:18:44,630 --> 01:18:42,480

sort of forget about some of the other

1810

01:18:46,610 --> 01:18:44,640

really interesting sightings that that

1811

01:18:48,890 --> 01:18:46,620

we have just because they don't

1812

01:18:50,630 --> 01:18:48,900

necessarily fit into any preconceived

1813

01:18:52,970 --> 01:18:50,640

notion right

1814

01:18:55,790 --> 01:18:52,980

well think of the of all the sightings

1815

01:18:58,370 --> 01:18:55,800

that have been in this area even up by

1816

01:18:59,750 --> 01:18:58,380

you Tobias with um dating back to the

1817

01:19:01,970 --> 01:18:59,760

Native Americans the Thunderbird

1818

01:19:03,950 --> 01:19:01,980

sightings you know that have been

1819

01:19:07,010 --> 01:19:03,960

reported these things have been going on

1820

01:19:08,510 --> 01:19:07,020

for hundreds of years I mean he only

1821

01:19:10,610 --> 01:19:08,520

imagined if you could talk to somebody

1822

01:19:13,250 --> 01:19:10,620

from back in how many sightings he'd

1823

01:19:16,490 --> 01:19:13,260

probably give you right

1824

01:19:18,830 --> 01:19:16,500

yeah I mean the indigenous people did

1825

01:19:21,830 --> 01:19:18,840

there has been

1826

01:19:23,510 --> 01:19:21,840

a lot of different uh Wing being

1827

01:19:24,830 --> 01:19:23,520

sightings I mean you know there's no

1828

01:19:26,750 --> 01:19:24,840

doubt about that

1829

01:19:29,209 --> 01:19:26,760

uh

1830

01:19:31,450 --> 01:19:29,219

you know that whole Upper Midwest area

1831

01:19:34,910 --> 01:19:31,460

is well known for Wing beings

1832

01:19:36,770 --> 01:19:34,920

unexplained we mean large Thunderbirds

1833

01:19:38,689 --> 01:19:36,780

pterosaur we're getting to pterosaur

1834

01:19:39,890 --> 01:19:38,699

sightings lifting right here here and

1835

01:19:42,350 --> 01:19:39,900

there

1836

01:19:43,610 --> 01:19:42,360

um and George Morgan had any sightings

1837

01:19:46,970 --> 01:19:43,620

in Europe

1838

01:19:48,130 --> 01:19:46,980

you know we get very few I mean I have

1839

01:19:52,010 --> 01:19:48,140

had a few

1840

01:19:54,530 --> 01:19:52,020

uh I had a couple in London along the

1841

01:19:56,169 --> 01:19:54,540

Thames but nothing

1842

01:20:00,229 --> 01:19:56,179

really

1843

01:20:03,590 --> 01:20:00,239

significant as far as going into Europe

1844

01:20:06,410 --> 01:20:03,600

uh you know this is that this is kind of

1845

01:20:08,149 --> 01:20:06,420

off subject but you know with this war

1846

01:20:10,550 --> 01:20:08,159

going on

1847

01:20:12,590 --> 01:20:10,560

in your current Ukraine

1848

01:20:15,350 --> 01:20:12,600

I'm kind of surprised we haven't gotten

1849

01:20:16,729 --> 01:20:15,360

more sightings of phenomena because of

1850

01:20:19,430 --> 01:20:16,739

that too you know

1851

01:20:21,410 --> 01:20:19,440

uh maybe we will eventually but you know

1852

01:20:23,149 --> 01:20:21,420

during World War II there was a lot of

1853

01:20:26,090 --> 01:20:23,159

settings of course the Foo Fighters and

1854

01:20:28,850 --> 01:20:26,100

a lot of weird stuff uh

1855

01:20:30,950 --> 01:20:28,860

on battlefields even in World War One

1856

01:20:33,050 --> 01:20:30,960

um but

1857

01:20:35,030 --> 01:20:33,060

we're not hearing a whole lot coming out

1858

01:20:38,209 --> 01:20:35,040

of uh Ukraine

1859

01:20:41,750 --> 01:20:38,219

there have been a handful of of

1860

01:20:44,810 --> 01:20:41,760

interesting UFO reports but you know I I

1861

01:20:46,729 --> 01:20:44,820

would suspect like in in any active

1862

01:20:49,550 --> 01:20:46,739

conflict area like even even World War

1863

01:20:52,010 --> 01:20:49,560

It it wasn't until after the actual war

1864

01:20:54,890 --> 01:20:52,020

that exactly that people started talking

1865

01:20:57,709 --> 01:20:54,900

about uh Foo Fighters publicly and so

1866

01:20:59,450 --> 01:20:57,719

who knows um you know not to distract

1867

01:21:00,890 --> 01:20:59,460

from the actual issue of course because

1868

01:21:02,990 --> 01:21:00,900

there are a lot of people suffering in

1869

01:21:05,990 --> 01:21:03,000

that area right now and that that needs

1870

01:21:08,030 --> 01:21:06,000

to be our our Focus but yeah I mean

1871

01:21:11,290 --> 01:21:08,040

who's who's to say that um you know

1872

01:21:13,729 --> 01:21:11,300

after the the conflict itself is

1873

01:21:17,270 --> 01:21:13,739

resolved that uh that that there won't

1874

01:21:20,090 --> 01:21:17,280

be more uh reports coming from from

1875

01:21:22,850 --> 01:21:20,100

people who were uh in that uh area who

1876

01:21:24,770 --> 01:21:22,860

had seen you know something like a a UFO

1877

01:21:28,370 --> 01:21:24,780

or

1878

01:21:29,810 --> 01:21:28,380

yeah you're right I mean you know it may

1879

01:21:34,189 --> 01:21:29,820

eventually

1880

01:21:36,410 --> 01:21:34,199

mean you talk about Ukraine I mean you

1881

01:21:38,270 --> 01:21:36,420

gotta think about the fact that you have

1882

01:21:40,910 --> 01:21:38,280

um you know the Blackbird of each of

1883

01:21:42,770 --> 01:21:40,920

Chernobyl multiple sightings for Florida

1884

01:21:45,530 --> 01:21:42,780

Chernobyl accident

1885

01:21:48,010 --> 01:21:45,540

seeing their um Europe and that's your

1886

01:21:49,729 --> 01:21:48,020

only that's really the only

1887

01:21:52,850 --> 01:21:49,739

harbinger

1888

01:21:56,630 --> 01:21:52,860

related type of winged human Wing being

1889

01:21:58,430 --> 01:21:56,640

sighting that that can actually be you

1890

01:22:01,250 --> 01:21:58,440

know have some evidence because it was

1891

01:22:03,950 --> 01:22:01,260

reported before that uh everything else

1892

01:22:07,990 --> 01:22:03,960

has kind of been after the fact even

1893

01:22:14,510 --> 01:22:11,510

yeah Fukushima yeah you know you've had

1894

01:22:16,370 --> 01:22:14,520

all those uh the sighting at 9 11 guitar

1895

01:22:18,410 --> 01:22:16,380

sighting at the in Minneapolis during

1896

01:22:22,970 --> 01:22:18,420

the bridge collapse all those have been

1897

01:22:25,189 --> 01:22:22,980

after the facts uh I believe the the um

1898

01:22:26,810 --> 01:22:25,199

the sighting of the um

1899

01:22:29,390 --> 01:22:26,820

of the Blackberry Chernobyl was

1900

01:22:32,390 --> 01:22:29,400

happening what a year or so before

1901

01:22:35,630 --> 01:22:32,400

the uh the actual event it was it may

1902

01:22:39,470 --> 01:22:35,640

have been I I the the witnesses the

1903

01:22:44,209 --> 01:22:41,689

and of course that was Soviet at the

1904

01:22:46,970 --> 01:22:44,219

time so you you're only going to get so

1905

01:22:49,550 --> 01:22:46,980

much out of it but probably up to three

1906

01:22:52,250 --> 01:22:49,560

weeks previous to the accident and of

1907

01:22:56,270 --> 01:22:52,260

course you know the Soviets were pretty

1908

01:22:58,130 --> 01:22:56,280

tight-lipped about Chernobyl anyway uh

1909

01:23:00,950 --> 01:22:58,140

they weren't putting a whole lot out and

1910

01:23:02,990 --> 01:23:00,960

that whole story

1911

01:23:06,890 --> 01:23:03,000

you know that didn't really get out

1912

01:23:09,470 --> 01:23:06,900

until later as well so um but apparently

1913

01:23:13,610 --> 01:23:09,480

there were actual reports that were

1914

01:23:15,050 --> 01:23:13,620

either filed with the um the town that

1915

01:23:18,590 --> 01:23:15,060

was near there whatever the name of that

1916

01:23:20,330 --> 01:23:18,600

town was or or at the plant yeah yeah

1917

01:23:23,510 --> 01:23:20,340

they were even citing Sarah and pretty

1918

01:23:26,510 --> 01:23:23,520

yet I mean of this thing before the

1919

01:23:28,910 --> 01:23:26,520

event but you know yeah Europe you also

1920

01:23:30,350 --> 01:23:28,920

have things like you know the the almana

1921

01:23:32,450 --> 01:23:30,360

Cornwall

1922

01:23:35,450 --> 01:23:32,460

um those have been sightings there's

1923

01:23:37,490 --> 01:23:35,460

some in Germany uh but they're not as

1924

01:23:40,070 --> 01:23:37,500

not as numerous as what you see here in

1925

01:23:42,649 --> 01:23:40,080

the United States and North America

1926

01:23:45,290 --> 01:23:42,659

you know cryptids in general are just

1927

01:23:46,850 --> 01:23:45,300

you know you you think about crypties

1928

01:23:48,830 --> 01:23:46,860

you think about North America you don't

1929

01:23:50,630 --> 01:23:48,840

really think about of course you know

1930

01:23:52,790 --> 01:23:50,640

Great Britain has had a lot of different

1931

01:23:55,850 --> 01:23:52,800

sightings but when you're talking about

1932

01:23:59,209 --> 01:23:55,860

in in Europe in Asia all together and

1933

01:24:01,070 --> 01:23:59,219

you know it doesn't really hold a hold a

1934

01:24:05,209 --> 01:24:01,080

match to what you know with the United

1935

01:24:06,530 --> 01:24:05,219

States in in North America Canada

1936

01:24:09,050 --> 01:24:06,540

um but

1937

01:24:11,270 --> 01:24:09,060

I don't know maybe maybe us people here

1938

01:24:13,790 --> 01:24:11,280

in North America

1939

01:24:16,370 --> 01:24:13,800

just get better imaginations I don't

1940

01:24:18,470 --> 01:24:16,380

know I don't know what to think about

1941

01:24:20,689 --> 01:24:18,480

that

1942

01:24:24,229 --> 01:24:20,699

well I think we're pretty well out of

1943

01:24:25,610 --> 01:24:24,239

questions now so guys why don't you uh

1944

01:24:28,370 --> 01:24:25,620

you know if you have anything else to

1945

01:24:30,709 --> 01:24:28,380

add at the end here uh go ahead and do

1946

01:24:33,590 --> 01:24:30,719

so now go ahead uh Manuel

1947

01:24:34,970 --> 01:24:33,600

oh I mean UFO Clearinghouse is still up

1948

01:24:38,810 --> 01:24:34,980

and running

1949

01:24:41,149 --> 01:24:38,820

um I've had to take some time to uh

1950

01:24:42,950 --> 01:24:41,159

to actually slow down and I'm building

1951

01:24:44,870 --> 01:24:42,960

paranormal one which is it's going to be

1952

01:24:47,630 --> 01:24:44,880

the new iteration but

1953

01:24:49,490 --> 01:24:47,640

uh between work and family it's been a

1954

01:24:50,750 --> 01:24:49,500

little kind of put on the back burners

1955

01:24:53,090 --> 01:24:50,760

but you can still find it at

1956

01:24:54,649 --> 01:24:53,100

ufoclearinghouse.com

1957

01:24:55,970 --> 01:24:54,659

um I also have the Facebook site the

1958

01:24:59,630 --> 01:24:55,980

Twitter site

1959

01:25:00,770 --> 01:24:59,640

um so yeah I mean we post um as often as

1960

01:25:03,709 --> 01:25:00,780

we can

1961

01:25:05,570 --> 01:25:03,719

um and we do still take um you know

1962

01:25:07,729 --> 01:25:05,580

sightings UFO sightings we still take

1963

01:25:10,550 --> 01:25:07,739

abduction sightings and we still take uh

1964

01:25:12,350 --> 01:25:10,560

you know cryptic sightings as well

1965

01:25:14,870 --> 01:25:12,360

and Tobias

1966

01:25:16,970 --> 01:25:14,880

oh sure so if you're interested in

1967

01:25:18,350 --> 01:25:16,980

keeping up with what I'm doing of course

1968

01:25:21,050 --> 01:25:18,360

you can find me through the singular

1969

01:25:23,750 --> 01:25:21,060

Korean Society uh the website for that

1970

01:25:26,030 --> 01:25:23,760

is singular4n.com or otherwise follow

1971

01:25:27,830 --> 01:25:26,040

the singular 40 in society on social

1972

01:25:30,830 --> 01:25:27,840

media I believe we're represented

1973

01:25:33,229 --> 01:25:30,840

basically on any social media platform

1974

01:25:35,870 --> 01:25:33,239

that you can think of and it's always

1975

01:25:38,689 --> 01:25:35,880

going to be at singular 40 and I do have

1976

01:25:40,729 --> 01:25:38,699

a couple of appearances coming up later

1977

01:25:42,470 --> 01:25:40,739

this year that should be uh pretty

1978

01:25:44,390 --> 01:25:42,480

interesting I'll be at the the Great

1979

01:25:48,169 --> 01:25:44,400

Lakes paranormal conference in Glenwood

1980

01:25:50,330 --> 01:25:48,179

Glen Beulah Wisconsin in September and

1981

01:25:53,330 --> 01:25:50,340

then I will also be speaking at strange

1982

01:25:55,310 --> 01:25:53,340

realities in Nashville Tennessee and

1983

01:25:57,350 --> 01:25:55,320

that will be in early November so

1984

01:25:58,790 --> 01:25:57,360

definitely check those out if you get a

1985

01:26:01,070 --> 01:25:58,800

chance

1986

01:26:03,950 --> 01:26:01,080

well very good and guys thanks for

1987

01:26:05,870 --> 01:26:03,960

coming on tonight joining me uh and

1988

01:26:08,750 --> 01:26:05,880

catching up on these sightings and

1989

01:26:10,250 --> 01:26:08,760

reports uh folks we're gonna have more

1990

01:26:10,910 --> 01:26:10,260

coming believe me

1991

01:26:12,709 --> 01:26:10,920

um

1992

01:26:14,209 --> 01:26:12,719

there's there are some irons in the fire

1993

01:26:15,950 --> 01:26:14,219

and we'll

1994

01:26:18,590 --> 01:26:15,960

we will definitely be coming up with

1995

01:26:22,310 --> 01:26:18,600

some more information

1996

01:26:23,750 --> 01:26:22,320

and uh and of course this this Friday

1997

01:26:26,689 --> 01:26:23,760

night

1998

01:26:29,510 --> 01:26:26,699

um on the the Chicago Mothman O'Hara

1999

01:26:32,629 --> 01:26:29,520

Mothman we're here a Batman series

2000

01:26:34,550 --> 01:26:32,639

uh I'm gonna be I'm gonna start talking

2001
01:26:36,770 --> 01:26:34,560
about some of the sightings and how they

2002
01:26:40,610 --> 01:26:36,780
started uh

2003
01:26:43,250 --> 01:26:40,620
happening and being reported out of hair

2004
01:26:46,070 --> 01:26:43,260
so I'll probably do at least one or two

2005
01:26:49,129 --> 01:26:46,080
more of those before that ends and then

2006
01:26:51,229 --> 01:26:49,139
we'll go into some regular uh

2007
01:26:54,110 --> 01:26:51,239
personal reports

2008
01:26:56,990 --> 01:26:54,120
so uh guys I appreciate you coming on

2009
01:27:00,530 --> 01:26:57,000
tonight and uh again we'll be talking

2010
01:27:02,450 --> 01:27:00,540
with the folks soon uh and catching up

2011
01:27:05,090 --> 01:27:02,460
on these uh reports

2012
01:27:07,910 --> 01:27:05,100
no problem thank you for having me yeah

2013
01:27:14,750 --> 01:27:07,920

thank you always okay I'll see you all

2014

01:27:19,970 --> 01:27:18,169

so folks uh thanks you know thanks each

2015

01:27:21,709 --> 01:27:19,980

of all you coming on and chatting and

2016

01:27:23,149 --> 01:27:21,719

watching tonight

2017

01:27:26,689 --> 01:27:23,159

um

2018

01:27:28,970 --> 01:27:26,699

I wanted to get this in before some some

2019

01:27:30,050 --> 01:27:28,980

other things happen in the next several

2020

01:27:33,590 --> 01:27:30,060

weeks

2021

01:27:35,570 --> 01:27:33,600

and uh of course I you know you do have

2022
